

NYC Nuke PSA and Summoning Bigfoot

1
00:00:00,270 --> 00:00:07,110
[Applause]

2
00:00:11,910 --> 00:00:09,830
i got the one more little story here

3
00:00:13,190 --> 00:00:11,920
we'll move on uh this is just something

4
00:00:15,509 --> 00:00:13,200
a little weird

5
00:00:18,070 --> 00:00:15,519
but i got to bring it up because we like

6
00:00:23,990 --> 00:00:20,790
with strange people here we go new story

7
00:00:25,109 --> 00:00:24,000
uh murder suspect claims victims summon

8
00:00:27,830 --> 00:00:25,119
bigfoot

9
00:00:29,830 --> 00:00:27,840
to kill him oh this is good this is

10
00:00:32,150 --> 00:00:29,840
obligatory i saw this one going around i

11
00:00:34,310 --> 00:00:32,160
was like this has to have has to happen

12
00:00:35,910 --> 00:00:34,320
clown baby sent this to me

13
00:00:37,670 --> 00:00:35,920

and then five other people sent it to me

14

00:00:38,389 --> 00:00:37,680

like yeah we have to cover this here we

15

00:00:40,310 --> 00:00:38,399

go

16

00:00:43,270 --> 00:00:40,320

the pontotoc county sheriff's department

17

00:00:45,190 --> 00:00:43,280

responded to a call just outside the

18

00:00:47,430 --> 00:00:45,200

about an alleged murder saturday

19

00:00:49,750 --> 00:00:47,440

afternoon deputies arrived at the scene

20

00:00:51,590 --> 00:00:49,760

to suspect larry sanders admitting to a

21

00:00:53,750 --> 00:00:51,600

family member that he had killed his

22

00:00:55,430 --> 00:00:53,760

friend jimmy knighton as part of the

23

00:00:58,229 --> 00:00:55,440

investigation the sheriff's department

24

00:01:00,470 --> 00:00:58,239

was able to uncover a motive appeared to

25

00:01:03,750 --> 00:01:02,470

under the influence of something

26

00:01:06,390 --> 00:01:03,760

and

27

00:01:07,990 --> 00:01:06,400

so his statement was that mr knighton

28

00:01:10,149 --> 00:01:08,000

had summoned

29

00:01:13,109 --> 00:01:10,159

bigfoot

30

00:01:15,749 --> 00:01:13,119

and kill him and that's why he had to

31

00:01:17,670 --> 00:01:15,759

kill mr knight okay search agencies in

32

00:01:19,670 --> 00:01:17,680

the ponzock county sheriff's department

33

00:01:22,469 --> 00:01:19,680

weren't able to locate the victim's body

34

00:01:24,469 --> 00:01:22,479

until sunday afternoon now the sheriff's

35

00:01:27,830 --> 00:01:24,479

department begins working on proof of

36

00:01:28,870 --> 00:01:27,840

the alleged crime it always

37

00:01:30,149 --> 00:01:28,880

wait a second they're going to search

38

00:01:31,990 --> 00:01:30,159

for proof are they not going to look for

39

00:01:33,510 --> 00:01:32,000

bigfoot at the same time like take the

40

00:01:35,830 --> 00:01:33,520

man at his word

41

00:01:38,630 --> 00:01:35,840

he did like his his opponent did summon

42

00:01:41,429 --> 00:01:38,640

bigfoot to send him as a hitman

43

00:01:43,429 --> 00:01:41,439

it's easier you still have to prove all

44

00:01:44,950 --> 00:01:43,439

elements the crime and

45

00:01:47,030 --> 00:01:44,960

what the suspect is telling you you have

46

00:01:49,270 --> 00:01:47,040

to prove that that's actually what what

47

00:01:51,590 --> 00:01:49,280

happened as sanders awaits his trial and

48

00:01:53,429 --> 00:01:51,600

charges in the pontotoc county jail

49

00:01:55,429 --> 00:01:53,439

sheriff christian says the death penalty

50

00:01:58,709 --> 00:01:55,439

is the harshest punishment that the

51
00:02:01,910 --> 00:01:58,719
prosecution could push for an ada alex

52
00:02:04,709 --> 00:02:01,920
porter abc 10 first news i mean if

53
00:02:06,789 --> 00:02:04,719
you're a very a fairly low level

54
00:02:08,389 --> 00:02:06,799
summoner shifter and you open up a

55
00:02:09,830 --> 00:02:08,399
portal to summon bigfoot there's no

56
00:02:11,350 --> 00:02:09,840
telling what may come through that

57
00:02:15,030 --> 00:02:11,360
portal it may not have been a bigfoot at

58
00:02:17,910 --> 00:02:15,040
all a a a gorgon a zombie a vampire a

59
00:02:19,750 --> 00:02:17,920
werewolf a chubacabra a bigfoot it could

60
00:02:21,750 --> 00:02:19,760
have been that but that's that's a busy

61
00:02:23,670 --> 00:02:21,760
portal he opened all that

62
00:02:25,589 --> 00:02:23,680
if you're not skilled at summoning and

63
00:02:27,270 --> 00:02:25,599

opening up a rift you could let some

64

00:02:28,710 --> 00:02:27,280

things in you don't want but that just

65

00:02:32,470 --> 00:02:28,720

happens

66

00:02:35,589 --> 00:02:32,480

uh it was just a a curious excuse that

67

00:02:37,509 --> 00:02:35,599

uh so oklahoma man facing murder charges

68

00:02:39,670 --> 00:02:37,519

after allegedly killing his friend

69

00:02:41,750 --> 00:02:39,680

deputies said he claimed the victim the

70

00:02:44,470 --> 00:02:41,760

victim the man he killed

71

00:02:47,270 --> 00:02:44,480

summoned bigfoot to go after and kill

72

00:02:49,589 --> 00:02:47,280

him so his friend

73

00:02:52,309 --> 00:02:49,599

some opened a portal i'm assuming to

74

00:02:53,910 --> 00:02:52,319

summon bigfoot at which point in time

75

00:02:55,509 --> 00:02:53,920

his friend probably is like listen i got

76

00:02:56,869 --> 00:02:55,519

i know this guy

77

00:02:59,589 --> 00:02:56,879

i don't like him too much can you go

78

00:03:01,430 --> 00:02:59,599

take him out for me can you just do

79

00:03:03,190 --> 00:03:01,440

take care of business for me

80

00:03:05,750 --> 00:03:03,200

and we'll settle up on the way back to

81

00:03:08,869 --> 00:03:05,760

the portal at which point i'm bigfoot

82

00:03:11,350 --> 00:03:08,879

either said no or not or he turned on

83

00:03:12,949 --> 00:03:11,360

his master and this guy is in the free

84

00:03:15,430 --> 00:03:12,959

and clear the guy who got arrested he's

85

00:03:18,070 --> 00:03:15,440

the fall guy bigfoot actually did this i

86

00:03:19,910 --> 00:03:18,080

don't i don't work for you yeah you

87

00:03:22,470 --> 00:03:19,920

summoned me here i'm gonna kill my

88

00:03:26,070 --> 00:03:24,229

that's just a really

89

00:03:27,830 --> 00:03:26,080

story why is bigfoot showing up with a

90

00:03:29,430 --> 00:03:27,840

silenced pistol

91

00:03:31,270 --> 00:03:29,440

we gotta be gotta keep that [h__h] in the

92

00:03:32,470 --> 00:03:31,280

dl we don't wanna cause too much

93

00:03:33,830 --> 00:03:32,480

attention

94

00:03:36,149 --> 00:03:33,840

that's why we can't find him because

95

00:03:38,789 --> 00:03:36,159

he's silent he's very stealthy he's got

96

00:03:40,070 --> 00:03:38,799

like plus eight stealth ability

97

00:03:41,589 --> 00:03:40,080

very high prowess i thought the

98

00:03:42,869 --> 00:03:41,599

implication was that the other guy died

99

00:03:44,309 --> 00:03:42,879

because bigfoot like just being

100

00:03:46,149 --> 00:03:44,319

physically massive showed up and just

101
00:03:48,390 --> 00:03:46,159
like crushed him or something no this

102
00:03:50,949 --> 00:03:48,400
guy this is a preemptive strike like he

103
00:03:52,869 --> 00:03:50,959
like this guy who's in jail right now he

104
00:03:54,309 --> 00:03:52,879
knew his friend was summoning bigfoot

105
00:03:58,309 --> 00:03:54,319
and he's like i gotta take him out

106
00:03:59,670 --> 00:03:58,319
before he he tells bigfoot what to do

107
00:04:01,589 --> 00:03:59,680
i gotta take him out before he takes me

108
00:04:03,030 --> 00:04:01,599
out this is a classic uh pre-emptive

109
00:04:09,429 --> 00:04:03,040
strike george bush would have done the

110
00:04:13,910 --> 00:04:11,110
george bush started the gulf war because

111
00:04:15,990 --> 00:04:13,920
bigfoot may attack yeah if you're not

112
00:04:18,949 --> 00:04:16,000
with us you're against us saddam hussein

113
00:04:21,030 --> 00:04:18,959

is bigfoot we're gonna go get him yeah i

114

00:04:22,629 --> 00:04:21,040

mean that's very concerning you get news

115

00:04:24,870 --> 00:04:22,639

like that from the cia you don't know

116

00:04:26,230 --> 00:04:24,880

what to do

117

00:04:27,510 --> 00:04:26,240

the fame the famous time when colin

118

00:04:28,870 --> 00:04:27,520

powell went in front of the and showed

119

00:04:31,590 --> 00:04:28,880

pictures

120

00:04:33,189 --> 00:04:31,600

of bigfoot this is what saddam has yeah

121

00:04:34,710 --> 00:04:33,199

the satellite photo clearly shows this

122

00:04:36,870 --> 00:04:34,720

blob we're pretty sure this blob here

123

00:04:38,710 --> 00:04:36,880

this is bigfoot at the river

124

00:04:40,230 --> 00:04:38,720

they have a plaster cast

125

00:04:42,390 --> 00:04:40,240

you you gotta do the plastic yeah he

126
00:04:44,390 --> 00:04:42,400
held up the plaster cap

127
00:04:47,110 --> 00:04:44,400
to show how big their feet are and look

128
00:04:49,909 --> 00:04:47,120
how straight those feet are

129
00:04:54,150 --> 00:04:49,919
we found this in the sand

130
00:04:59,189 --> 00:04:56,710
okay well that's uh that's kind of what

131
00:05:01,749 --> 00:04:59,199
i got here and we'll uh we'll move over

132
00:05:05,350 --> 00:05:01,759
see what joe has

133
00:05:08,950 --> 00:05:07,189
what you got

134
00:05:11,029 --> 00:05:08,960
you don't have to have anything i mean

135
00:05:13,029 --> 00:05:11,039
you know i do i again i i don't have a

136
00:05:14,950 --> 00:05:13,039
real presentation again i just have some

137
00:05:16,550 --> 00:05:14,960
stuff that i thought

138
00:05:19,110 --> 00:05:16,560

you know sharing is caring it's like

139

00:05:21,029 --> 00:05:19,120

show and tell this is a news show it's

140

00:05:22,870 --> 00:05:21,039

this show has turned into a new show as

141

00:05:24,710 --> 00:05:22,880

everyone knows it started off as like a

142

00:05:26,870 --> 00:05:24,720

small business podcast

143

00:05:29,990 --> 00:05:26,880

we kind of got sidetracked

144

00:05:31,350 --> 00:05:30,000

about 17 years ago and we're trying to

145

00:05:33,350 --> 00:05:31,360

get the first episode is all about

146

00:05:35,270 --> 00:05:33,360

investing yeah we want to help small

147

00:05:37,029 --> 00:05:35,280

businesses to get up and going

148

00:05:38,469 --> 00:05:37,039

and give some real advice out there for

149

00:05:40,469 --> 00:05:38,479

people but we just kind of got diverted

150

00:05:42,070 --> 00:05:40,479

a little bit with all the ufos and

151

00:05:44,150 --> 00:05:42,080

current events

152

00:05:46,710 --> 00:05:44,160

what the hell am i listening to what did

153

00:05:48,550 --> 00:05:46,720

this turn into yeah i know it's very

154

00:05:49,909 --> 00:05:48,560

very bewildering i mean there's just so

155

00:05:51,749 --> 00:05:49,919

much going on it's hard not to talk

156

00:05:53,350 --> 00:05:51,759

about it but yeah

157

00:05:55,990 --> 00:05:53,360

a lot of those businesses probably

158

00:05:57,830 --> 00:05:56,000

crumbled without your help

159

00:06:00,550 --> 00:05:57,840

yeah we started the uh the podcast

160

00:06:03,110 --> 00:06:00,560

before the 2007-2008

161

00:06:05,029 --> 00:06:03,120

financial crisis so uh they're all gone

162

00:06:07,670 --> 00:06:05,039

now yeah

163

00:06:10,150 --> 00:06:07,680

so i i'll i'll say this because i saw a

164

00:06:12,710 --> 00:06:10,160

bunch of stuff and i avoided it like the

165

00:06:14,790 --> 00:06:12,720

plague because when i saw this come by i

166

00:06:16,950 --> 00:06:14,800

was like all right

167

00:06:18,629 --> 00:06:16,960

i'm gonna like it's like when you don't

168

00:06:19,830 --> 00:06:18,639

jack off for a while because you know

169

00:06:21,590 --> 00:06:19,840

you know your

170

00:06:22,790 --> 00:06:21,600

your husband's spouse whatever is going

171

00:06:24,309 --> 00:06:22,800

to be

172

00:06:26,309 --> 00:06:24,319

coming back in town or whatever you're

173

00:06:28,309 --> 00:06:26,319

like this has to you know we gotta we

174

00:06:29,510 --> 00:06:28,319

gotta make this a whole thing

175

00:06:30,550 --> 00:06:29,520

so

176
00:06:31,749 --> 00:06:30,560

yeah

177
00:06:36,230 --> 00:06:31,759

you don't wanna waste your juice your

178
00:06:39,270 --> 00:06:37,270

some people out there know what i'm

179
00:06:41,110 --> 00:06:39,280

talking about anyway throw it everywhere

180
00:06:42,469 --> 00:06:41,120

yeah

181
00:06:44,790 --> 00:06:42,479

you don't want to drop loads when you

182
00:06:46,550 --> 00:06:44,800

know you have a receptacle

183
00:06:48,150 --> 00:06:46,560

yeah oh yeah

184
00:06:50,870 --> 00:06:48,160

i'm just saying this is what people talk

185
00:06:53,909 --> 00:06:50,880

about why fire at 22 when you could fire

186
00:06:55,670 --> 00:06:53,919

a 12 gauge exactly

187
00:06:57,029 --> 00:06:55,680

i like the idea of the engraving on the

188
00:06:59,589 --> 00:06:57,039

inside of somebody's wedding band saying

189

00:07:00,830 --> 00:06:59,599

receptacle

190

00:07:04,469 --> 00:07:00,840

oh

191

00:07:08,070 --> 00:07:06,469

okay so anyway i'm not trying to have

192

00:07:10,230 --> 00:07:08,080

sex with these dudes

193

00:07:11,749 --> 00:07:10,240

you guys do look good i i saw this

194

00:07:13,909 --> 00:07:11,759

combine i figured we could watch it

195

00:07:15,909 --> 00:07:13,919

together i have not watched it yet but

196

00:07:18,629 --> 00:07:15,919

i'm definitely like very interested in

197

00:07:21,749 --> 00:07:18,639

what how this is going to go okay

198

00:07:24,710 --> 00:07:21,759

uh this is don't say okay i'll just play

199

00:07:29,350 --> 00:07:26,950

so there's been a nuclear attack don't

200

00:07:31,909 --> 00:07:29,360

ask me how or why just know that the big

201
00:07:33,270 --> 00:07:31,919
one has hit okay so

202
00:07:35,029 --> 00:07:33,280
what do we do

203
00:07:36,790 --> 00:07:35,039
there are three important steps that i

204
00:07:38,070 --> 00:07:36,800
want you to remember

205
00:07:40,629 --> 00:07:38,080
step one

206
00:07:41,909 --> 00:07:40,639
get inside fast

207
00:07:43,589 --> 00:07:41,919
step two

208
00:07:45,830 --> 00:07:43,599
stay inside

209
00:07:47,270 --> 00:07:45,840
shut all doors and windows

210
00:07:49,670 --> 00:07:47,280
stay tuned

211
00:07:52,309 --> 00:07:49,680
follow media for more information

212
00:07:55,189 --> 00:07:52,319
don't forget to sign up for notifynyc

213
00:07:57,830 --> 00:07:55,199

for official alerts and updates

214

00:07:59,270 --> 00:07:57,840

and don't go outside until officials say

215

00:08:00,309 --> 00:07:59,280

it's safe

216

00:08:02,550 --> 00:08:00,319

all right

217

00:08:04,790 --> 00:08:02,560

you've got this

218

00:08:07,830 --> 00:08:04,800

oh jesus christ most of us are already

219

00:08:12,550 --> 00:08:11,749

so that was the new york city psa on how

220

00:08:14,790 --> 00:08:12,560

to

221

00:08:17,909 --> 00:08:14,800

stay alive during

222

00:08:19,430 --> 00:08:17,919

a nuclear attack

223

00:08:22,869 --> 00:08:19,440

what do they know

224

00:08:25,110 --> 00:08:22,879

i mean that's kind of what i'm wondering

225

00:08:27,270 --> 00:08:25,120

i have no idea

226

00:08:29,270 --> 00:08:27,280

no idea get clean immediately let's get

227

00:08:30,710 --> 00:08:29,280

clean immediately you're dirty wash your

228

00:08:34,550 --> 00:08:30,720

hands sanitize you want to make sure you

229

00:08:38,949 --> 00:08:35,909

i'm really surprised they didn't say

230

00:08:40,790 --> 00:08:38,959

like step four get vaccinated in this

231

00:08:42,709 --> 00:08:40,800

but who what didn't somebody say the

232

00:08:44,310 --> 00:08:42,719

best way to prevent like the hurricanes

233

00:08:45,269 --> 00:08:44,320

or something last year was to make sure

234

00:08:46,310 --> 00:08:45,279

you're vaccinated something like that

235

00:08:47,829 --> 00:08:46,320

wasn't that it

236

00:08:50,070 --> 00:08:47,839

it was it was one of those lines the

237

00:08:52,150 --> 00:08:50,080

best thing you can do during a hurricane

238

00:08:53,670 --> 00:08:52,160

is to get vaccinated

239

00:08:55,030 --> 00:08:53,680

not don't board up your windows don't

240

00:08:59,670 --> 00:08:55,040

worry about that people what you want to

241

00:09:02,949 --> 00:09:01,110

and that's what that's what people are

242

00:09:04,790 --> 00:09:02,959

going to run for when uh you know when

243

00:09:06,470 --> 00:09:04,800

[h__h] hits the fan people are going to be

244

00:09:08,470 --> 00:09:06,480

going down to the pharmacies to steal

245

00:09:09,269 --> 00:09:08,480

covet vaccines they're not going to be

246

00:09:10,790 --> 00:09:09,279

you know

247

00:09:12,870 --> 00:09:10,800

i mean we're going to be all eating

248

00:09:15,430 --> 00:09:12,880

[h__h] mayonnaise packets and [h__h] no

249

00:09:18,150 --> 00:09:15,440

no we're going for vaccines

250

00:09:20,230 --> 00:09:18,160

so just think man

251

00:09:22,230 --> 00:09:20,240

just to reiterate these steps if they're

252

00:09:23,509 --> 00:09:22,240

if you happen to hear of a nuclear

253

00:09:25,829 --> 00:09:23,519

missile coming your way this is what you

254

00:09:28,150 --> 00:09:25,839

got to do you got to get you got to get

255

00:09:29,190 --> 00:09:28,160

inside fast you got to do that real

256

00:09:32,550 --> 00:09:29,200

quick

257

00:09:33,430 --> 00:09:32,560

okay uh get into a building

258

00:09:37,670 --> 00:09:33,440

and

259

00:09:39,590 --> 00:09:37,680

move away from the windows so uh

260

00:09:41,509 --> 00:09:39,600

that seems like common sense to me maybe

261

00:09:44,230 --> 00:09:41,519

some people want to look outside during

262

00:09:45,590 --> 00:09:44,240

the blast and become blinded

263

00:09:48,230 --> 00:09:45,600

because that's what will happen you will

264

00:09:51,750 --> 00:09:48,240

be blinded if you stare at the blast

265

00:09:53,590 --> 00:09:51,760

uh but then again you got to stay inside

266

00:09:55,910 --> 00:09:53,600

that's that's point two

267

00:09:58,150 --> 00:09:55,920

stay there don't go in there and then

268

00:09:59,990 --> 00:09:58,160

immediately leave you wanna stay in the

269

00:10:02,230 --> 00:10:00,000

that you're you're dwelling

270

00:10:04,790 --> 00:10:02,240

and shut the doors and windows go to the

271

00:10:06,949 --> 00:10:04,800

middle of the building as quickly as

272

00:10:08,310 --> 00:10:06,959

possible

273

00:10:10,389 --> 00:10:08,320

all right wait if you're if you're going

274

00:10:12,230 --> 00:10:10,399

to the middle can you shove old people

275

00:10:14,230 --> 00:10:12,240

and children out of the way yes like

276

00:10:17,829 --> 00:10:14,240

george costanza shove them out of the

277

00:10:19,350 --> 00:10:17,839

way to clear the way to lead the church

278

00:10:22,230 --> 00:10:19,360

yeah

279

00:10:24,389 --> 00:10:22,240

they said get clean immediately remove

280

00:10:27,269 --> 00:10:24,399

closing oh that's about drugs though

281

00:10:30,150 --> 00:10:27,279

yeah it says oh yeah okay get sober

282

00:10:31,590 --> 00:10:30,160

you have to get off a crank immediately

283

00:10:33,190 --> 00:10:31,600

well i understand that you don't want to

284

00:10:35,110 --> 00:10:33,200

be going through withdrawals in the

285

00:10:38,550 --> 00:10:35,120

nuclear apocalypse

286

00:10:41,430 --> 00:10:38,560

uh it says remove clothing

287

00:10:42,870 --> 00:10:41,440

and shower with soap or

288

00:10:43,670 --> 00:10:42,880

shampoo you know when i'm sitting there

289

00:10:45,590 --> 00:10:43,680

with my

290

00:10:46,630 --> 00:10:45,600

underwear i mean it's pretty amazing i

291

00:10:48,069 --> 00:10:46,640

just want to say there's a lot of things

292

00:10:50,069 --> 00:10:48,079

going on in the middle of this building

293

00:10:51,509 --> 00:10:50,079

apparently it's a there's a party going

294

00:10:53,110 --> 00:10:51,519

on there

295

00:10:54,949 --> 00:10:53,120

addicts in there trying to get clean

296

00:10:56,230 --> 00:10:54,959

people showering shoving women out of

297

00:10:58,310 --> 00:10:56,240

the way

298

00:11:00,310 --> 00:10:58,320

and number three is uh you want to stay

299

00:11:02,790 --> 00:11:00,320

tuned people follow the media sign up

300

00:11:04,790 --> 00:11:02,800

for notify nyc even though your cell

301

00:11:06,550 --> 00:11:04,800

phones will not work and most of your

302

00:11:07,670 --> 00:11:06,560

electronics will be fried because of the

303

00:11:10,790 --> 00:11:07,680

emp

304

00:11:12,630 --> 00:11:10,800

uh you won't have any communications if

305

00:11:14,710 --> 00:11:12,640

if you dare if you want to use the phone

306

00:11:15,910 --> 00:11:14,720

while you have three third-degree burns

307

00:11:17,590 --> 00:11:15,920

then

308

00:11:19,110 --> 00:11:17,600

let's be glad you have a phone and this

309

00:11:20,470 --> 00:11:19,120

is probably melted to your hand at that

310

00:11:22,150 --> 00:11:20,480

point

311

00:11:24,069 --> 00:11:22,160

you probably want to get your abortion

312

00:11:25,190 --> 00:11:24,079

then go inside oh that's a good point

313

00:11:26,790 --> 00:11:25,200

yeah you're going to want to immediately

314

00:11:28,230 --> 00:11:26,800

do that because you never know

315

00:11:30,230 --> 00:11:28,240

you know you may have that kid in nine

316

00:11:31,910 --> 00:11:30,240

months actually i would want this is the

317

00:11:33,590 --> 00:11:31,920

one time where you don't want to abort

318

00:11:35,990 --> 00:11:33,600

the baby because then you can eat it

319

00:11:37,030 --> 00:11:36,000

when it comes to term oh god oh yeah

320

00:11:41,829 --> 00:11:37,040

food

321

00:11:44,310 --> 00:11:41,839

jesus it's got a good shelf life if you

322

00:11:45,750 --> 00:11:44,320

uh know what to do at least nine months

323

00:11:46,630 --> 00:11:45,760

yeah well nine months shelf life right

324

00:11:50,069 --> 00:11:46,640

there

325

00:11:53,670 --> 00:11:50,079

cannibalistic uh post apocalyptic uh

326

00:11:56,150 --> 00:11:53,680

nuclear holocaust uh storable food

327

00:11:59,030 --> 00:11:56,160

now uh it's just crazy that they they

328

00:12:01,829 --> 00:11:59,040

did this like any of the the modern

329

00:12:03,509 --> 00:12:01,839

nuclear warheads it if it lands in new

330

00:12:05,990 --> 00:12:03,519

york city it's just gonna toast

331

00:12:09,110 --> 00:12:06,000

everything it's gone and even like the

332

00:12:12,230 --> 00:12:09,120

very large like the 50 megatons uh are

333

00:12:15,750 --> 00:12:12,240

are gonna wipe out the entire island

334

00:12:17,910 --> 00:12:15,760

and probably what 800 miles circular

335

00:12:20,310 --> 00:12:17,920

around and then the radiation cloud like

336

00:12:22,710 --> 00:12:20,320

you're screwed you're absolutely screwed

337

00:12:24,710 --> 00:12:22,720

no here's the idea okay so

338

00:12:25,590 --> 00:12:24,720

at least for yourself

339

00:12:31,269 --> 00:12:25,600

get

340

00:12:33,910 --> 00:12:32,230

yeah

341

00:12:36,069 --> 00:12:33,920

and just go under that duck and cover

342

00:12:39,509 --> 00:12:36,079

just dump it and if you can't if you can

343

00:12:42,310 --> 00:12:39,519

go one bigger you know get your hoa

344

00:12:43,910 --> 00:12:42,320

to get like a massive 50s style school

345

00:12:45,990 --> 00:12:43,920

desk and put it over your building

346

00:12:47,910 --> 00:12:46,000

you'll be flying over your house

347

00:12:49,190 --> 00:12:47,920

just carry it everywhere you go in nyc

348

00:12:50,550 --> 00:12:49,200

just say you're taking precautions just

349

00:12:53,110 --> 00:12:50,560

carry your school desk around with you

350

00:12:54,870 --> 00:12:53,120

yeah wear a school desk

351
00:12:57,030 --> 00:12:54,880
like a teenage mutant ninja turtle yeah

352
00:12:58,550 --> 00:12:57,040
i don't wear my school desk for me i

353
00:13:01,990 --> 00:12:58,560
wear it for you

354
00:13:07,269 --> 00:13:04,470
you're the the crazy lunatic on the

355
00:13:08,790 --> 00:13:07,279
subway who has his own school desk

356
00:13:10,470 --> 00:13:08,800
with him

357
00:13:13,110 --> 00:13:10,480
don't talk to that guy he carries a desk

358
00:13:15,110 --> 00:13:13,120
around it's this is it's kind of the

359
00:13:16,629 --> 00:13:15,120
comments are turned off for whatever

360
00:13:18,230 --> 00:13:16,639
reason no

361
00:13:21,030 --> 00:13:18,240
i can't believe why they turned the the

362
00:13:22,389 --> 00:13:21,040
comments off here but it is kind of

363
00:13:24,470 --> 00:13:22,399

concerning

364

00:13:26,629 --> 00:13:24,480

that they put this out

365

00:13:28,629 --> 00:13:26,639

like

366

00:13:31,430 --> 00:13:28,639

we all kind of know at this point i i

367

00:13:34,150 --> 00:13:31,440

think it's kind of like unspoken that if

368

00:13:35,030 --> 00:13:34,160

uh a missile a nuke missile drops on any

369

00:13:37,750 --> 00:13:35,040

city

370

00:13:39,509 --> 00:13:37,760

it's you're just gone right

371

00:13:40,870 --> 00:13:39,519

like there's

372

00:13:42,550 --> 00:13:40,880

they're talking about scott horton just

373

00:13:45,030 --> 00:13:42,560

wrote a book about it i love that guy i

374

00:13:47,189 --> 00:13:45,040

know i mentioned him on the show often

375

00:13:49,350 --> 00:13:47,199

but um it's just basically a collection

376

00:13:50,470 --> 00:13:49,360

of interviews and that's exactly what he

377

00:13:52,310 --> 00:13:50,480

says like

378

00:13:54,710 --> 00:13:52,320

you know the nuclear bombs of today are

379

00:13:56,470 --> 00:13:54,720

not like what we were using uh you know

380

00:13:58,150 --> 00:13:56,480

with with japan

381

00:13:59,990 --> 00:13:58,160

um

382

00:14:01,829 --> 00:14:00,000

there are tactical nukes but this would

383

00:14:03,829 --> 00:14:01,839

mean like if one goes off in the

384

00:14:05,990 --> 00:14:03,839

northern hemisphere this would be bad

385

00:14:07,829 --> 00:14:06,000

for everybody in the northern hemisphere

386

00:14:10,949 --> 00:14:07,839

and virtually around the world from what

387

00:14:13,910 --> 00:14:10,959

i understand alleged crotchets being as

388

00:14:16,389 --> 00:14:13,920

encyclopedic as he is probably knows

389

00:14:17,509 --> 00:14:16,399

more on this but it i mean it's not good

390

00:14:20,310 --> 00:14:17,519

either way

391

00:14:22,550 --> 00:14:20,320

do you say more on this

392

00:14:25,350 --> 00:14:22,560

more on maybe ones

393

00:14:28,150 --> 00:14:25,360

no yeah i mean there are small um oh my

394

00:14:29,750 --> 00:14:28,160

god multiple i mean multiple kiloton um

395

00:14:30,629 --> 00:14:29,760

warheads that you can use yeah use that

396

00:14:33,189 --> 00:14:30,639

yeah put that right in the middle of

397

00:14:35,590 --> 00:14:33,199

columbus and uh set that off i i put it

398

00:14:38,150 --> 00:14:35,600

right in columbus and i'm like

399

00:14:40,069 --> 00:14:38,160

30 to 40 miles north and i just like i'm

400

00:14:43,670 --> 00:14:40,079

on nuke map you just search for

401
00:14:46,710 --> 00:14:45,030
tim poole did this he brought this up

402
00:14:48,470 --> 00:14:46,720
this is where i saw that and are you

403
00:14:50,230 --> 00:14:48,480
dropping the tsar bomba on your that's

404
00:14:53,269 --> 00:14:50,240
like the second largest one ever dropped

405
00:14:54,069 --> 00:14:53,279
in the or ever since it's 50 megatons so

406
00:14:58,870 --> 00:14:54,079
how about

407
00:15:01,829 --> 00:14:58,880
megaton it looks like i'll have to deal

408
00:15:03,829 --> 00:15:01,839
with uh a very large fireball radius uh

409
00:15:05,430 --> 00:15:03,839
if it's a surface blast the air blast is

410
00:15:06,790 --> 00:15:05,440
probably going to be even worse you're

411
00:15:09,269 --> 00:15:06,800
going to have to go to the farmer's

412
00:15:13,829 --> 00:15:09,279
market outside of town

413
00:15:19,189 --> 00:15:17,030

but if i if i put this in new york city

414

00:15:21,509 --> 00:15:19,199

it's it's it's crazy like everything

415

00:15:23,670 --> 00:15:21,519

they told people to do it's pointless

416

00:15:27,990 --> 00:15:23,680

because it's just gonna wipe everything

417

00:15:29,350 --> 00:15:28,000

out up to yonkers joe yonkers that's

418

00:15:31,509 --> 00:15:29,360

bonkers

419

00:15:33,110 --> 00:15:31,519

sorry my god like neil simon said we're

420

00:15:35,670 --> 00:15:33,120

lost in yonkers three people got that

421

00:15:37,350 --> 00:15:35,680

joke um so what is the purpose of this

422

00:15:38,629 --> 00:15:37,360

dial i was going like for you to dial it

423

00:15:39,670 --> 00:15:38,639

way back as if it's like remember

424

00:15:41,990 --> 00:15:39,680

because there's always this threat of

425

00:15:43,430 --> 00:15:42,000

like the dirty bomb or a backpack nuke

426
00:15:45,670 --> 00:15:43,440
that someone's gonna smuggle in from

427
00:15:47,269 --> 00:15:45,680
somewhere and set off so okay if you

428
00:15:49,269 --> 00:15:47,279
dial it back to a really small one they

429
00:15:52,389 --> 00:15:49,279
have a multiple kiloton yield not even

430
00:15:55,350 --> 00:15:52,399
in megatons uh they got the 15 they got

431
00:15:57,910 --> 00:15:55,360
the little boy the hiroshima bomb

432
00:16:00,710 --> 00:15:57,920
use that one 15 kiloton

433
00:16:04,550 --> 00:16:00,720
and it still takes out much of downtown

434
00:16:06,389 --> 00:16:04,560
new york and then it's got uh just the

435
00:16:08,470 --> 00:16:06,399
the blast damage pretty much takes out

436
00:16:10,310 --> 00:16:08,480
half the island but uh

437
00:16:12,710 --> 00:16:10,320
it's it's crazy it's going to be

438
00:16:15,430 --> 00:16:12,720

absolutely horrific but you know i've

439

00:16:17,189 --> 00:16:15,440

never seen an online tool so fun because

440

00:16:18,790 --> 00:16:17,199

you pick your spot on the map and then

441

00:16:21,990 --> 00:16:18,800

you hit detonate

442

00:16:23,910 --> 00:16:22,000

yeah yeah pretty much

443

00:16:27,189 --> 00:16:23,920

i i now know how joe used to play sim

444

00:16:29,110 --> 00:16:27,199

city yeah pretty much that's what i mean

445

00:16:30,389 --> 00:16:29,120

it is kind of it's an interesting kind

446

00:16:32,949 --> 00:16:30,399

of

447

00:16:35,269 --> 00:16:32,959

uh hypothesis or at least the thought

448

00:16:37,110 --> 00:16:35,279

experiment here like what would you do

449

00:16:40,470 --> 00:16:37,120

if one of these bombs went off in your

450

00:16:42,949 --> 00:16:40,480

town and based upon like its yield and

451
00:16:45,509 --> 00:16:42,959
it's like oh [h__\h] we are really screwed

452
00:16:48,629 --> 00:16:45,519
around here i didn't move far enough out

453
00:16:51,430 --> 00:16:48,639
like i should have moved uh an hour and

454
00:16:53,990 --> 00:16:51,440
a half north into the west

455
00:16:56,710 --> 00:16:54,000
of columbus i didn't do that i'm only 40

456
00:16:58,949 --> 00:16:56,720
to 45 minutes out yeah you know like

457
00:17:01,350 --> 00:16:58,959
xenia or somewhere yeah probably like

458
00:17:03,269 --> 00:17:01,360
south or toledo yes

459
00:17:05,829 --> 00:17:03,279
hey so you know what's really concerning

460
00:17:07,510 --> 00:17:05,839
about this is that say one

461
00:17:09,350 --> 00:17:07,520
this is where you know the pissing

462
00:17:12,309 --> 00:17:09,360
contest gets in it because that no one

463
00:17:15,350 --> 00:17:12,319

wants everybody wants to save face so

464

00:17:18,230 --> 00:17:15,360

at any point if anyone whips out the

465

00:17:20,470 --> 00:17:18,240

smallest tactical nuke they have the

466

00:17:22,069 --> 00:17:20,480

other person's gonna go oh yeah you know

467

00:17:24,789 --> 00:17:22,079

and and that's you know we've got a

468

00:17:26,549 --> 00:17:24,799

poopy pant [h__h] who people are worried

469

00:17:29,190 --> 00:17:26,559

are gonna trip over extension cords in

470

00:17:29,190 --> 00:17:29,200

the white house

471

00:17:32,310 --> 00:17:30,390

and uh

472

00:17:33,830 --> 00:17:32,320

you know supplying all this money like

473

00:17:35,110 --> 00:17:33,840

honestly that it's like billions and

474

00:17:36,789 --> 00:17:35,120

billions and billions of dollars

475

00:17:37,990 --> 00:17:36,799

zilinski's saying things like i don't

476

00:17:39,909 --> 00:17:38,000

know what are you getting

477

00:17:43,430 --> 00:17:39,919

enough like this is

478

00:17:45,990 --> 00:17:43,440

like i mean honest to goodness

479

00:17:47,750 --> 00:17:46,000

yeah i mean i just have to i do have to

480

00:17:49,190 --> 00:17:47,760

do the ostrich thing obviously i pay

481

00:17:51,510 --> 00:17:49,200

attention but at the same time i'm like

482

00:17:53,750 --> 00:17:51,520

i i can't control anything so [h__\h] all

483

00:17:56,950 --> 00:17:53,760

that's why it's i just don't give a [h__\h]

484

00:17:57,990 --> 00:17:56,960

anymore it's kind of like you just uh

485

00:17:59,430 --> 00:17:58,000

i don't want to feel this way you just

486

00:18:01,110 --> 00:17:59,440

kind of give up like hey there's no

487

00:18:02,789 --> 00:18:01,120

point in driving now you know handling

488

00:18:04,310 --> 00:18:02,799

and these people are so dumb though they

489

00:18:05,990 --> 00:18:04,320

they're not coming out of this at all

490

00:18:07,110 --> 00:18:06,000

they [h__h] have the ukraine flags on

491

00:18:10,549 --> 00:18:07,120

their [h__h]

492

00:18:13,350 --> 00:18:10,559

profile pictures still yeah well

493

00:18:15,750 --> 00:18:13,360

they still love the ukraine joe they uh

494

00:18:18,870 --> 00:18:15,760

they don't care they just got another

495

00:18:21,190 --> 00:18:18,880

they're they're asking for another 1.7

496

00:18:22,950 --> 00:18:21,200

billion dollars for uh their medical

497

00:18:24,950 --> 00:18:22,960

staff over there in ukraine that's on

498

00:18:25,590 --> 00:18:24,960

top of the billions that they've already

499

00:18:28,390 --> 00:18:25,600

got

500

00:18:30,630 --> 00:18:28,400

it's fungible it's fundable no it's like

501
00:18:32,710 --> 00:18:30,640
oh it's for the nurses it's like no it's

502
00:18:34,470 --> 00:18:32,720
not and then like planned parenthood

503
00:18:36,630 --> 00:18:34,480
it's not for abortions no this money is

504
00:18:38,150 --> 00:18:36,640
fungible you could go to a doctor an ob

505
00:18:39,590 --> 00:18:38,160
gin

506
00:18:42,470 --> 00:18:39,600
you have to have insurance with

507
00:18:44,710 --> 00:18:42,480
obamacare or you did anyway but i mean

508
00:18:47,270 --> 00:18:44,720
come on like planned parenthood is for

509
00:18:51,830 --> 00:18:47,280
like ma'am you know like for breast

510
00:18:54,630 --> 00:18:53,510
it's uh i believe that's one thing that

511
00:18:56,870 --> 00:18:54,640
planned parenthood does not do is they

512
00:18:58,470 --> 00:18:56,880
do not perform mammograms

513
00:19:01,190 --> 00:18:58,480

what about pap smears can they put that

514

00:19:06,950 --> 00:19:04,310

i don't think they can do that legally

515

00:19:09,270 --> 00:19:06,960

so um [h__h] idea

516

00:19:10,710 --> 00:19:09,280

so i i haven't listened to this because

517

00:19:12,549 --> 00:19:10,720

like i said i've been trying to avoid

518

00:19:14,549 --> 00:19:12,559

this but let's get kim's take because

519

00:19:17,430 --> 00:19:14,559

she's basically shoot i love it all

520

00:19:20,230 --> 00:19:17,440

right i'll listen to kim

521

00:19:22,310 --> 00:19:20,240

let's see what she has to say about this

522

00:19:25,430 --> 00:19:22,320

you know i do have very concerning ai

523

00:19:27,110 --> 00:19:25,440

news from china but that can wait

524

00:19:29,909 --> 00:19:27,120

i'm always concerned about china it's

525

00:19:34,710 --> 00:19:29,919

pronounced ie oh

526

00:19:39,750 --> 00:19:36,950

well new york city emergency management

527

00:19:45,590 --> 00:19:39,760

unveiled a psa this past monday on what

528

00:19:49,510 --> 00:19:47,320

obviously we could skip that yeah

529

00:19:50,830 --> 00:19:49,520

[Music]

530

00:19:53,190 --> 00:19:50,840

i'll skip through

531

00:19:54,630 --> 00:19:53,200

this and get through so there's been a

532

00:19:57,830 --> 00:19:54,640

nuclear attack

533

00:19:59,029 --> 00:19:57,840

okay well this is frightening it's

534

00:20:00,390 --> 00:19:59,039

frightening that new york city thinks

535

00:20:02,710 --> 00:20:00,400

we're at the point where they need to

536

00:20:04,870 --> 00:20:02,720

spend government money on a psa telling

537

00:20:07,350 --> 00:20:04,880

people what to do in the event of a

538

00:20:09,029 --> 00:20:07,360

nuclear attack now that being said

539

00:20:11,350 --> 00:20:09,039

this is good information for what to do

540

00:20:13,990 --> 00:20:11,360

after an attack has happened the mantra

541

00:20:15,750 --> 00:20:14,000

get inside stay inside stay tuned is a

542

00:20:17,510 --> 00:20:15,760

good one to remember that's if you're

543

00:20:19,430 --> 00:20:17,520

lucky enough to not be incinerated by

544

00:20:21,669 --> 00:20:19,440

the explosive blast or crushed by the

545

00:20:23,669 --> 00:20:21,679

shock waves so if you do survive you

546

00:20:25,029 --> 00:20:23,679

need to worry about radioactive fallout

547

00:20:27,110 --> 00:20:25,039

and that's why you need to get inside as

548

00:20:28,470 --> 00:20:27,120

quickly as possible but this psa doesn't

549

00:20:30,230 --> 00:20:28,480

tell you a few pretty important things

550

00:20:31,830 --> 00:20:30,240

you need to know like how long are you

551

00:20:33,669 --> 00:20:31,840

expected to stay inside sheltering in

552

00:20:35,909 --> 00:20:33,679

the basement answer

553

00:20:38,789 --> 00:20:35,919

could be a month at minimum you'll be

554

00:20:41,190 --> 00:20:38,799

down there for 24 to 48 hours but mostly

555

00:20:42,549 --> 00:20:41,200

likely longer than that on top of this

556

00:20:44,470 --> 00:20:42,559

they don't tell you how are you supposed

557

00:20:46,070 --> 00:20:44,480

to tune in to any radio or media when

558

00:20:47,830 --> 00:20:46,080

you're in a basement with very little

559

00:20:49,590 --> 00:20:47,840

reception and that's if cell towers

560

00:20:51,190 --> 00:20:49,600

survived where are you supposed to go to

561

00:20:53,029 --> 00:20:51,200

the bathroom what are you supposed to

562

00:20:55,029 --> 00:20:53,039

eat and how are you supposed to rinse

563

00:20:56,710 --> 00:20:55,039

off the debris if you're sheltering like

564

00:20:58,390 --> 00:20:56,720

in a crawl space hey they said shower

565

00:21:00,310 --> 00:20:58,400

right away i recommend you prepare

566

00:21:02,310 --> 00:21:00,320

yourself in advance by doing a few

567

00:21:05,110 --> 00:21:02,320

things in addition to what this video

568

00:21:07,029 --> 00:21:05,120

has to say so i have the single most

569

00:21:09,350 --> 00:21:07,039

important thing that you should do

570

00:21:10,950 --> 00:21:09,360

that fema neither fema nor new york city

571

00:21:13,110 --> 00:21:10,960

government tells you and i will get to

572

00:21:15,110 --> 00:21:13,120

that but let's look at what fema says

573

00:21:16,470 --> 00:21:15,120

just in case okay

574

00:21:18,870 --> 00:21:16,480

first of all you're going to need some

575

00:21:20,950 --> 00:21:18,880

water yeah a gallon of water per person

576
00:21:22,630 --> 00:21:20,960
per day for at least three days you're

577
00:21:23,669 --> 00:21:22,640
going to need this for drinking and for

578
00:21:26,149 --> 00:21:23,679
sanitation

579
00:21:28,470 --> 00:21:26,159
wash yourself off if you get yourself

580
00:21:29,510 --> 00:21:28,480
into you know you need to clean yourself

581
00:21:31,190 --> 00:21:29,520
up that's the way you're going to take a

582
00:21:32,710 --> 00:21:31,200
shower potentially you're going to wash

583
00:21:34,470 --> 00:21:32,720
your feet multiple times so you're going

584
00:21:35,830 --> 00:21:34,480
to need one gallon per foot they're

585
00:21:37,990 --> 00:21:35,840
going to be filthy i don't know how much

586
00:21:39,350 --> 00:21:38,000
water do you need per day for per foot i

587
00:21:41,510 --> 00:21:39,360
mean that's a lot you like you have to

588
00:21:43,590 --> 00:21:41,520

hoard water for your feet you don't want

589

00:21:45,669 --> 00:21:43,600

radioactive feet that's very i'm just

590

00:21:48,390 --> 00:21:45,679

going to spit on my feet because the

591

00:21:51,190 --> 00:21:48,400

water needs to be in my body just piss

592

00:21:53,510 --> 00:21:51,200

on your feet it's sterile and then

593

00:21:55,669 --> 00:21:53,520

rinse and repeat pass

594

00:21:57,430 --> 00:21:55,679

i'm doing a piss on my feet yeah that's

595

00:21:58,950 --> 00:21:57,440

a good idea let's see what else this is

596

00:22:00,710 --> 00:21:58,960

good information she's actually doing a

597

00:22:02,710 --> 00:22:00,720

better psa than

598

00:22:04,950 --> 00:22:02,720

yours the actual ps4 supply of

599

00:22:07,270 --> 00:22:04,960

non-perishable food so you're gonna need

600

00:22:08,710 --> 00:22:07,280

battery or hand crank radio and that's

601
00:22:10,149 --> 00:22:08,720
actually how

602
00:22:11,990 --> 00:22:10,159
you're going to

603
00:22:13,830 --> 00:22:12,000
find out about how long you need to be

604
00:22:15,270 --> 00:22:13,840
staying in your basement or crawl space

605
00:22:16,549 --> 00:22:15,280
or wherever it is you are in the center

606
00:22:17,830 --> 00:22:16,559
of your building

607
00:22:20,070 --> 00:22:17,840
you definitely want to be in a concrete

608
00:22:22,149 --> 00:22:20,080
building try to stay you know well we

609
00:22:24,630 --> 00:22:22,159
learned i'm going to be we all will be

610
00:22:27,430 --> 00:22:24,640
in the center of the building shirtless

611
00:22:29,270 --> 00:22:27,440
and uh very well washed

612
00:22:31,029 --> 00:22:29,280
uh with our cell phones in hand so we're

613
00:22:32,149 --> 00:22:31,039

all and we'll be coming down from our

614

00:22:34,710 --> 00:22:32,159

our drug highs because we're gonna be

615

00:22:35,909 --> 00:22:34,720

weaning ourselves cold turkey yes we're

616

00:22:38,830 --> 00:22:35,919

getting clean

617

00:22:40,470 --> 00:22:38,840

as suggested per suggested get clean

618

00:22:42,789 --> 00:22:40,480

dammit

619

00:22:44,870 --> 00:22:42,799

with my shirt off shoving shoving old

620

00:22:46,310 --> 00:22:44,880

women and children out of the way

621

00:22:48,710 --> 00:22:46,320

try to be in a commercial building that

622

00:22:50,630 --> 00:22:48,720

has concrete or get to your basement or

623

00:22:51,830 --> 00:22:50,640

crawl space or something of that sort

624

00:22:53,350 --> 00:22:51,840

but that's how you're going to hear

625

00:22:54,950 --> 00:22:53,360

about updates you need a hand crank

626

00:22:56,789 --> 00:22:54,960

radio or battery operated but it's

627

00:22:58,870 --> 00:22:56,799

better to get a hand crank you need

628

00:23:00,470 --> 00:22:58,880

battery operated flashlights okay extra

629

00:23:02,789 --> 00:23:00,480

battery all right you need a first aid

630

00:23:04,630 --> 00:23:02,799

kit you need a whistle to single for

631

00:23:06,660 --> 00:23:04,640

help no no no no we don't need a whistle

632

00:23:07,830 --> 00:23:06,670

debris we have we have the honk

633

00:23:18,630 --> 00:23:07,840

[Applause]

634

00:23:26,310 --> 00:23:20,710

that's like 28 days later [h__h] you're

635

00:23:29,750 --> 00:23:28,390

you're gonna shoot a naked guy walking

636

00:23:32,470 --> 00:23:29,760

around in his underwear with the cell

637

00:23:35,110 --> 00:23:32,480

phone in hand doing this

638

00:23:37,750 --> 00:23:35,120

that's the sound after a bomb of a of a

639

00:23:40,310 --> 00:23:37,760

freshly washed and shirtless fonzie who

640

00:23:42,310 --> 00:23:40,320

needs help yeah

641

00:23:44,950 --> 00:23:42,320

okay well we

642

00:23:47,830 --> 00:23:44,960

contradicted here a few times on this

643

00:23:50,870 --> 00:23:47,840

you need a dust mask maybe an n95 to

644

00:23:52,149 --> 00:23:50,880

help filter contaminated mask which so

645

00:23:53,510 --> 00:23:52,159

don't i know you want to throw away all

646

00:23:54,710 --> 00:23:53,520

your masks i know most of us want to get

647

00:23:56,390 --> 00:23:54,720

rid of them but don't get rid of them

648

00:23:57,830 --> 00:23:56,400

just yet because you might need them in

649

00:23:59,590 --> 00:23:57,840

case of a nuclear

650

00:24:01,669 --> 00:23:59,600

and an information that's around in your

651
00:24:04,070 --> 00:24:01,679
emergency kit you'll need some plastic

652
00:24:06,630 --> 00:24:04,080
sheeting and some duct tape potentially

653
00:24:07,990 --> 00:24:06,640
to help keep things you know keep the

654
00:24:09,750 --> 00:24:08,000
wind out of the place and to keep

655
00:24:11,190 --> 00:24:09,760
yourself protected you're going to be in

656
00:24:12,870 --> 00:24:11,200
a crawl space

657
00:24:15,190 --> 00:24:12,880
i'm going to make a nice cool cape like

658
00:24:16,789 --> 00:24:15,200
an after like a post-apocalyptic cape so

659
00:24:18,630 --> 00:24:16,799
i can rule the wasteland i'm going to

660
00:24:20,470 --> 00:24:18,640
build

661
00:24:22,470 --> 00:24:20,480
this plastic sheet will be my sunroof

662
00:24:24,310 --> 00:24:22,480
yeah that'll work i like that

663
00:24:27,350 --> 00:24:24,320

it's the best uh at least you have fun

664

00:24:29,830 --> 00:24:27,360

while the it all goes to hell

665

00:24:31,269 --> 00:24:29,840

garbage bags and plastic ties that's how

666

00:24:33,510 --> 00:24:31,279

you're gonna go to the bathroom that's

667

00:24:35,669 --> 00:24:33,520

for your personal sanitation what that's

668

00:24:37,990 --> 00:24:35,679

where you put corpses so

669

00:24:40,390 --> 00:24:38,000

uh you know i watch a lot of these weird

670

00:24:42,390 --> 00:24:40,400

like post-apocalyptic movies one and one

671

00:24:44,070 --> 00:24:42,400

post-apocalyptic movie i i saw they're

672

00:24:45,990 --> 00:24:44,080

all trapped in the basement

673

00:24:48,470 --> 00:24:46,000

the bombs are going off and they were

674

00:24:51,510 --> 00:24:48,480

concerned about the bathroom and so they

675

00:24:53,350 --> 00:24:51,520

filled up a paint bucket with kerosene

676
00:24:55,590 --> 00:24:53,360
and they all took turns

677
00:24:57,110 --> 00:24:55,600
using that bucket as their toilet

678
00:24:59,110 --> 00:24:57,120
because kerosene

679
00:25:00,390 --> 00:24:59,120
would uh would help a

680
00:25:02,870 --> 00:25:00,400
master smell

681
00:25:04,710 --> 00:25:02,880
and all your your droppings would go to

682
00:25:05,909 --> 00:25:04,720
the bottom and then they go through a

683
00:25:07,510 --> 00:25:05,919
match at it

684
00:25:08,789 --> 00:25:07,520
and then you just torch it when you're

685
00:25:09,909 --> 00:25:08,799
done i thought you could say they just

686
00:25:11,590 --> 00:25:09,919
they were going to go over and huff it

687
00:25:13,909 --> 00:25:11,600
to just get high maybe you need to

688
00:25:16,870 --> 00:25:13,919

forget about everything that's going on

689

00:25:19,269 --> 00:25:16,880

i'd be okay with that i need a wrench or

690

00:25:21,110 --> 00:25:19,279

pliers to turn off utilities a can

691

00:25:23,190 --> 00:25:21,120

opener for food if your kid i'm not

692

00:25:25,110 --> 00:25:23,200

concerned about utilities at that point

693

00:25:28,710 --> 00:25:25,120

yeah there aren't utilities why am i

694

00:25:30,630 --> 00:25:28,720

trying to get to pay your cable bill

695

00:25:33,990 --> 00:25:30,640

call your internet service provider to

696

00:25:35,269 --> 00:25:34,000

ask them when they'll restore service

697

00:25:37,190 --> 00:25:35,279

they may

698

00:25:38,950 --> 00:25:37,200

give you a short amount of time report

699

00:25:40,950 --> 00:25:38,960

an outage in your area

700

00:25:44,390 --> 00:25:40,960

estimated service time

701

00:25:47,350 --> 00:25:44,400

restoration is five to six years yeah

702

00:25:49,590 --> 00:25:47,360

we'll be there between 9 30 and noon in

703

00:25:50,950 --> 00:25:49,600

six years yeah it needs it you're gonna

704

00:25:52,470 --> 00:25:50,960

need some local maps because you

705

00:25:53,430 --> 00:25:52,480

probably won't be able to access them on

706

00:25:55,029 --> 00:25:53,440

your phone

707

00:25:57,590 --> 00:25:55,039

that's a big problem with america is

708

00:25:59,510 --> 00:25:57,600

because u.s americans don't have maps

709

00:26:01,029 --> 00:25:59,520

u.s americans i'm gonna slap your

710

00:26:02,710 --> 00:26:01,039

[h__\h] face come on

711

00:26:04,070 --> 00:26:02,720

no you're right dude i've been thinking

712

00:26:05,990 --> 00:26:04,080

about this like i think i'm gonna have

713

00:26:07,430 --> 00:26:06,000

to buy some maps

714

00:26:11,510 --> 00:26:07,440

yeah uh

715

00:26:13,269 --> 00:26:11,520

it's it's it's a big problem

716

00:26:16,549 --> 00:26:13,279

i bet none of you have like an atlas or

717

00:26:18,950 --> 00:26:16,559

maps in your car none i i have uh maps

718

00:26:20,310 --> 00:26:18,960

of ohio the eastern seaboard and the

719

00:26:22,630 --> 00:26:20,320

united states

720

00:26:24,950 --> 00:26:22,640

oh there you go

721

00:26:26,070 --> 00:26:24,960

in spain just in case

722

00:26:27,510 --> 00:26:26,080

yeah

723

00:26:29,190 --> 00:26:27,520

uh

724

00:26:31,269 --> 00:26:29,200

i mean that's i mean we get the idea i

725

00:26:32,710 --> 00:26:31,279

just i know i want to i want to continue

726

00:26:34,630 --> 00:26:32,720

oh okay let's do it there's more we need

727

00:26:36,710 --> 00:26:34,640

more here's this is in reference to my

728

00:26:37,590 --> 00:26:36,720

uh maps thing

729

00:26:39,350 --> 00:26:37,600

okay

730

00:26:41,669 --> 00:26:39,360

recent polls have shown a fifth of

731

00:26:42,950 --> 00:26:41,679

americans can't locate the u.s on a

732

00:26:46,230 --> 00:26:42,960

world map

733

00:26:52,070 --> 00:26:48,310

i personally believe

734

00:26:54,789 --> 00:26:52,080

that u.s americans are unable to do so

735

00:26:57,190 --> 00:26:54,799

because uh some

736

00:26:59,990 --> 00:26:57,200

people out there in our nation don't

737

00:27:03,750 --> 00:27:00,000

have bounce and i believe that our

738

00:27:06,710 --> 00:27:03,760

education like such as south africa and

739

00:27:09,190 --> 00:27:06,720

iraq everywhere like such as and

740

00:27:11,590 --> 00:27:09,200

i believe that they should

741

00:27:13,269 --> 00:27:11,600

our education over here and the us

742

00:27:15,830 --> 00:27:13,279

should help the us

743

00:27:18,470 --> 00:27:15,840

should help south africa and should help

744

00:27:20,950 --> 00:27:18,480

the iraq and the asian countries so we

745

00:27:23,909 --> 00:27:20,960

will be able to build up our future for

746

00:27:24,450 --> 00:27:23,919

our children thank you very much

747

00:27:26,789 --> 00:27:24,460

wrong

748

00:27:29,430 --> 00:27:26,799

[Laughter]

749

00:27:31,830 --> 00:27:29,440

that was miss california

750

00:27:33,510 --> 00:27:31,840

no i was the north carolina south

751
00:27:35,190 --> 00:27:33,520
carolina oh but south carolina you're

752
00:27:36,710 --> 00:27:35,200
right we got to finish this with you i

753
00:27:38,950 --> 00:27:36,720
didn't i didn't realize you were doing a

754
00:27:41,990 --> 00:27:38,960
call back it was a call back to like

755
00:27:44,070 --> 00:27:42,000
almost 20 years ago 2005 yeah

756
00:27:45,269 --> 00:27:44,080
you can try to add to your kit so those

757
00:27:47,029 --> 00:27:45,279
are the things you need but if you can

758
00:27:49,350 --> 00:27:47,039
try to add to your kit things like

759
00:27:51,110 --> 00:27:49,360
prescription medications and glasses

760
00:27:52,149 --> 00:27:51,120
infant formula and diapers if you need

761
00:27:54,070 --> 00:27:52,159
you know how hard it is get formulated

762
00:27:56,149 --> 00:27:54,080
nowadays we had a formula shortage and

763
00:27:58,389 --> 00:27:56,159

she's asking us to stockpile that does

764

00:27:59,909 --> 00:27:58,399

it matter which formula gotta fatten up

765

00:28:05,669 --> 00:27:59,919

your baby somehow

766

00:28:09,350 --> 00:28:07,510

my baby animal farm how am i going to

767

00:28:11,190 --> 00:28:09,360

support this in the nuclear pot people

768

00:28:12,470 --> 00:28:11,200

do have fur babies these days

769

00:28:14,630 --> 00:28:12,480

they're [h__h] up

770

00:28:16,310 --> 00:28:14,640

extra water for your pet you probably

771

00:28:18,149 --> 00:28:16,320

also should gather your important family

772

00:28:19,830 --> 00:28:18,159

documents like copies of insurance

773

00:28:21,269 --> 00:28:19,840

policies identification yeah that's

774

00:28:23,110 --> 00:28:21,279

going to pay out after a bomb in a

775

00:28:24,630 --> 00:28:23,120

waterproof portable container also

776

00:28:26,549 --> 00:28:24,640

you'll want some cash or travelers

777

00:28:28,470 --> 00:28:26,559

checks and some change you want maybe

778

00:28:31,269 --> 00:28:28,480

some sleeping bags and blankets and

779

00:28:32,630 --> 00:28:31,279

pillows a complete change of clothing

780

00:28:33,909 --> 00:28:32,640

why don't we just take everything that

781

00:28:36,389 --> 00:28:33,919

we have

782

00:28:38,149 --> 00:28:36,399

just grab everything in your in

783

00:28:39,430 --> 00:28:38,159

your immediate vicinity and put it under

784

00:28:42,830 --> 00:28:39,440

a desk

785

00:28:45,510 --> 00:28:42,840

you shove it into your 1950s school

786

00:28:46,710 --> 00:28:45,520

desk she has not mentioned one weapon

787

00:28:48,149 --> 00:28:46,720

yet seems to be the first thing you want

788

00:28:50,470 --> 00:28:48,159

to do is get water you want that and

789

00:28:51,990 --> 00:28:50,480

then the second thing is a pistol

790

00:28:54,230 --> 00:28:52,000

go to your neighbors who have all this

791

00:28:57,269 --> 00:28:54,240

stuff and take it i mentioned this is

792

00:28:59,029 --> 00:28:57,279

that i'm looking for a case of like

793

00:29:01,110 --> 00:28:59,039

small like pints

794

00:29:02,549 --> 00:29:01,120

of of bourbon because it's going to be

795

00:29:05,269 --> 00:29:02,559

bullets bourbon

796

00:29:06,630 --> 00:29:05,279

you know and food are going to be like

797

00:29:07,990 --> 00:29:06,640

little airplane bottles you want little

798

00:29:09,430 --> 00:29:08,000

airplanes yeah i think that's not a bad

799

00:29:11,430 --> 00:29:09,440

idea no no

800

00:29:13,909 --> 00:29:11,440

pints are like the they're like whatever

801

00:29:14,950 --> 00:29:13,919

the what are they like six inches tall

802

00:29:16,870 --> 00:29:14,960

or something well you need to fly in

803

00:29:19,190 --> 00:29:16,880

first class more often

804

00:29:20,389 --> 00:29:19,200

i think joe's right like having that uh

805

00:29:21,990 --> 00:29:20,399

having that little

806

00:29:24,389 --> 00:29:22,000

piece of alcohol there for you just when

807

00:29:26,470 --> 00:29:24,399

the times are bad grandpa's cough syrup

808

00:29:28,710 --> 00:29:26,480

uh that and you could trade it how many

809

00:29:33,830 --> 00:29:28,720

people are going to be like [h__\h] this

810

00:29:37,750 --> 00:29:36,070

you don't you any i asked for a case i

811

00:29:40,149 --> 00:29:37,760

haven't heard back but i'm i'm trying to

812

00:29:42,389 --> 00:29:40,159

get my hands on a case maybe two just

813

00:29:44,149 --> 00:29:42,399

because i'm not drinking it this is for

814

00:29:46,549 --> 00:29:44,159

just in case but for most of the

815

00:29:49,190 --> 00:29:46,559

checklists she has like i'm like okay

816

00:29:51,590 --> 00:29:49,200

yeah i've got 60 days of food i've got

817

00:29:53,350 --> 00:29:51,600

probably 60 days of water at this point

818

00:29:55,430 --> 00:29:53,360

you know it

819

00:29:58,950 --> 00:29:55,440

none of this is bad information but

820

00:30:00,630 --> 00:29:58,960

you're right no guns number one guns if

821

00:30:01,990 --> 00:30:00,640

i can't get it i'm taking it because

822

00:30:04,389 --> 00:30:02,000

that's how the rest of the world is

823

00:30:06,310 --> 00:30:04,399

going to look at it

824

00:30:10,070 --> 00:30:06,320

unfortunately she didn't mention that

825

00:30:12,070 --> 00:30:10,080

once uh but you know i i i don't

826

00:30:13,990 --> 00:30:12,080

she's part of a reputable newscast i

827

00:30:15,190 --> 00:30:14,000

don't think they should recommend guns

828

00:30:16,789 --> 00:30:15,200

like at least according to their

829

00:30:18,870 --> 00:30:16,799

probably editors and higher ups but

830

00:30:21,029 --> 00:30:18,880

practically you're going to need it i

831

00:30:23,190 --> 00:30:21,039

think she gets to nunchucks at the end i

832

00:30:24,230 --> 00:30:23,200

hope so let's find out

833

00:30:26,950 --> 00:30:24,240

there's a lot of things you have to

834

00:30:28,310 --> 00:30:26,960

assemble but just in case you need um

835

00:30:30,070 --> 00:30:28,320

you're going to need some

836

00:30:31,350 --> 00:30:30,080

long sleeve clothes that's what you'd

837

00:30:32,549 --> 00:30:31,360

want if you're

838

00:30:34,389 --> 00:30:32,559

dealing with this type of thing don't

839

00:30:36,630 --> 00:30:34,399

forget short skimpy stuff you need the

840

00:30:37,990 --> 00:30:36,640

long sleeve clothes because you want to

841

00:30:39,830 --> 00:30:38,000

stay protected from you're going to need

842

00:30:41,750 --> 00:30:39,840

a man

843

00:30:43,830 --> 00:30:41,760

you'll also want some bleach you want a

844

00:30:45,190 --> 00:30:43,840

medicine dropper a fire extinguisher

845

00:30:47,350 --> 00:30:45,200

matches

846

00:30:48,789 --> 00:30:47,360

personal hygiene items and paper and

847

00:30:50,470 --> 00:30:48,799

pencils so that maybe you can leave a

848

00:30:52,230 --> 00:30:50,480

note somewhere saying we're down here

849

00:30:57,190 --> 00:30:52,240

cigarettes now these are the important

850

00:31:10,230 --> 00:30:59,830

and honeybuns

851

00:31:14,789 --> 00:31:12,789

washington stop provoking war with

852

00:31:16,389 --> 00:31:14,799

russia this seems to be the easiest

853

00:31:18,870 --> 00:31:16,399

thing we can do in advance of a nuclear

854

00:31:20,549 --> 00:31:18,880

attack is to not have one in the first

855

00:31:23,990 --> 00:31:20,559

place it's not going to be russia you

856

00:31:28,149 --> 00:31:26,230

yeah i i mean i do think that the united

857

00:31:30,389 --> 00:31:28,159

states being the only country that has

858

00:31:32,549 --> 00:31:30,399

set off a nuke like i'm more worried

859

00:31:34,950 --> 00:31:32,559

about our government and honestly if

860

00:31:36,789 --> 00:31:34,960

they nuked washington dc i mean there's

861

00:31:37,830 --> 00:31:36,799

a few folks i would miss

862

00:31:39,830 --> 00:31:37,840

but

863

00:31:44,070 --> 00:31:39,840

you know for the most part i think that

864

00:31:48,070 --> 00:31:45,110

uh

865

00:31:50,470 --> 00:31:48,080

i don't want that because if any if any

866

00:31:51,590 --> 00:31:50,480

city in the united states got hit it

867

00:31:53,029 --> 00:31:51,600

would be

868

00:31:55,590 --> 00:31:53,039

absolute

869

00:31:57,669 --> 00:31:55,600

armageddon it would be it would collapse

870

00:31:59,990 --> 00:31:57,679

our economy [h__\h] would just go in

871

00:32:01,350 --> 00:32:00,000

lockdown total police state and then you

872

00:32:03,590 --> 00:32:01,360

got to worry about the exchange if

873

00:32:07,110 --> 00:32:03,600

there's going to be exchange like here i

874

00:32:09,269 --> 00:32:07,120

am hoping that the ufos uh exist and

875

00:32:11,509 --> 00:32:09,279

there's some super secret military you

876

00:32:12,470 --> 00:32:11,519

uh us american technology

877

00:32:17,909 --> 00:32:12,480

that

878

00:32:20,070 --> 00:32:17,919

zap these incoming missiles right out of

879

00:32:21,830 --> 00:32:20,080

the sky or intercept them and that it is

880

00:32:24,549 --> 00:32:21,840

no threat whatsoever

881

00:32:26,230 --> 00:32:24,559

and everything is just

882

00:32:29,269 --> 00:32:26,240

steady as she goes we all we have to

883

00:32:31,110 --> 00:32:29,279

worry about is economic turmoil and not

884

00:32:33,990 --> 00:32:31,120

nuclear armageddon

885

00:32:38,870 --> 00:32:35,190

well what about all the stories you've

886

00:32:41,190 --> 00:32:38,880

had of uh ufos um visiting

887

00:32:42,950 --> 00:32:41,200

missile silos and deactivating yeah i

888

00:32:46,630 --> 00:32:42,960

think nuclear weapons well here's the

889

00:32:49,350 --> 00:32:46,640

thing about that we hear we on our side

890

00:32:51,430 --> 00:32:49,360

we heard about the deactivation of the

891

00:32:53,350 --> 00:32:51,440

missile silos over on the russian side

892

00:32:56,230 --> 00:32:53,360

the experience something similar they

893

00:32:58,789 --> 00:32:56,240

were all activated uh meaning that they

894

00:33:02,789 --> 00:32:58,799

were all put into full readiness mode it

895

00:33:05,110 --> 00:33:02,799

was not done by any of the the turn the

896

00:33:07,029 --> 00:33:05,120

key turners over there and it caused

897

00:33:08,230 --> 00:33:07,039

panic mode ours were shut down theirs

898

00:33:10,389 --> 00:33:08,240

are started up

899

00:33:12,070 --> 00:33:10,399

basically uh if these stories are true

900

00:33:14,070 --> 00:33:12,080

the ufo's saying hey we know what you

901
00:33:15,909 --> 00:33:14,080
guys got we know what you guys are

902
00:33:18,950 --> 00:33:15,919
thinking about doing

903
00:33:21,029 --> 00:33:18,960
just know that we have full control of

904
00:33:24,310 --> 00:33:21,039
all your armaments so stop with the

905
00:33:28,789 --> 00:33:26,310
i hope that's true i hope that they uh

906
00:33:31,350 --> 00:33:28,799
would intervene in some way and don't

907
00:33:34,070 --> 00:33:31,360
let us wreck ourselves

908
00:33:36,070 --> 00:33:34,080
check yourself before you wreck yourself

909
00:33:38,470 --> 00:33:36,080
buzz you

910
00:33:39,430 --> 00:33:38,480
you don't like my lyrics

911
00:33:41,029 --> 00:33:39,440
wrong

912
00:33:44,710 --> 00:33:41,039
all right do you got another story over

913
00:33:46,230 --> 00:33:44,720

there i'm done okay

914

00:33:47,750 --> 00:33:46,240

you know i'll just redone just a quick

915

00:33:49,350 --> 00:33:47,760

few headlines i'm not gonna dive into

916

00:33:52,149 --> 00:33:49,360

these these are just uh just a few

917

00:33:53,750 --> 00:33:52,159

headlines that i collected over uh the

918

00:33:55,029 --> 00:33:53,760

past week or so

919

00:33:57,669 --> 00:33:55,039

um

920

00:34:00,230 --> 00:33:57,679

a chinese uh bank run turns violent

921

00:34:01,430 --> 00:34:00,240

after angry mob storms uh the bank of

922

00:34:03,669 --> 00:34:01,440

china

923

00:34:05,990 --> 00:34:03,679

so that's uh that's good news

924

00:34:07,590 --> 00:34:06,000

artificial intelligence to measure

925

00:34:09,829 --> 00:34:07,600

loyalty

926

00:34:12,790 --> 00:34:09,839

uh in the chinese communist party so

927

00:34:14,710 --> 00:34:12,800

they use an ai to evaluate people's

928

00:34:16,869 --> 00:34:14,720

loyalty and a few months ago i read a

929

00:34:20,069 --> 00:34:16,879

story that uh in china they're also

930

00:34:22,629 --> 00:34:20,079

using ai to evaluate people's guilt in

931

00:34:24,149 --> 00:34:22,639

their justice system and now has become

932

00:34:27,109 --> 00:34:24,159

so uh

933

00:34:29,510 --> 00:34:27,119

so prevalent now it if you if a judge

934

00:34:32,790 --> 00:34:29,520

wants to overturn a ruling it has to

935

00:34:35,589 --> 00:34:32,800

submit its written request to the ai in

936

00:34:39,790 --> 00:34:35,599

certain instances give us an email at

937

00:34:42,470 --> 00:34:39,800
