

NEWS ATTACK

1
00:00:00,270 --> 00:00:07,269
[Applause]

2
00:00:12,549 --> 00:00:09,430
all right uh pregnant texas woman

3
00:00:16,310 --> 00:00:12,559
driving in hov lane told police her

4
00:00:18,390 --> 00:00:16,320
unborn child counted as a passenger dig

5
00:00:20,950 --> 00:00:18,400
it that's a funny headline

6
00:00:23,109 --> 00:00:20,960
i i can see that okay

7
00:00:24,470 --> 00:00:23,119
my dog is a passenger when i was living

8
00:00:26,630 --> 00:00:24,480
in atlanta because those [h__h]

9
00:00:28,390 --> 00:00:26,640
traffic's

10
00:00:30,790 --> 00:00:28,400
that's the way this is the way it goes

11
00:00:33,750 --> 00:00:30,800
here in texas now so

12
00:00:36,470 --> 00:00:33,760
uh article here is uh asking is an

13
00:00:39,350 --> 00:00:36,480

unborn fiendist a human being in the

14

00:00:42,069 --> 00:00:39,360

eyes of texas traffic laws a pregnant

15

00:00:43,670 --> 00:00:42,079

dallas area woman argued as much to

16

00:00:46,790 --> 00:00:43,680

police officers after recently being

17

00:00:48,389 --> 00:00:46,800

cited for driving alone in an hov lane

18

00:00:51,910 --> 00:00:48,399

according to the story published friday

19

00:00:55,270 --> 00:00:51,920

afternoon by the dallas morning news

20

00:00:56,830 --> 00:00:55,280

uh libra reports that plano plano texas

21

00:00:59,990 --> 00:00:56,840

resident brandy

22

00:01:02,310 --> 00:01:00,000

beaton uh was driving uh driving along

23

00:01:04,710 --> 00:01:02,320

u.s highway 75 and her out to picking up

24

00:01:07,510 --> 00:01:04,720

her son when she found herself at the at

25

00:01:09,429 --> 00:01:07,520

a checkpoint facing a citation for using

26

00:01:12,550 --> 00:01:09,439

a high occupancy

27

00:01:15,350 --> 00:01:12,560

vehicle lane while in the car alone but

28

00:01:16,469 --> 00:01:15,360

she wasn't alone she did she had a fetus

29

00:01:18,070 --> 00:01:16,479

with her

30

00:01:19,749 --> 00:01:18,080

uh quote i was picking driving to pick

31

00:01:20,789 --> 00:01:19,759

up my son i knew i couldn't be a minute

32

00:01:23,030 --> 00:01:20,799

late so

33

00:01:25,190 --> 00:01:23,040

i took the hov lane

34

00:01:26,789 --> 00:01:25,200

as i exited the hov lane there was a

35

00:01:29,190 --> 00:01:26,799

checkpoint at the end of the exit i

36

00:01:31,109 --> 00:01:29,200

slammed on my brakes and i was pulled

37

00:01:33,109 --> 00:01:31,119

over by police

38

00:01:35,749 --> 00:01:33,119

patone said the officers asked her if

39

00:01:37,590 --> 00:01:35,759

there was any more occupants inside her

40

00:01:38,950 --> 00:01:37,600

vehicle i love that they asked that they

41

00:01:40,469 --> 00:01:38,960

could look in the back window i guess

42

00:01:41,270 --> 00:01:40,479

that maybe they could ask us see the

43

00:01:42,550 --> 00:01:41,280

trunk

44

00:01:43,830 --> 00:01:42,560

yeah

45

00:01:46,710 --> 00:01:43,840

ma'am how many people you got in your

46

00:01:49,030 --> 00:01:46,720

car with you right now yeah

47

00:01:51,510 --> 00:01:49,040

uh pregnant with a daughter raton told

48

00:01:53,590 --> 00:01:51,520

the officers her unborn child was inside

49

00:01:55,030 --> 00:01:53,600

the vehicle with her according to

50

00:01:57,429 --> 00:01:55,040

libert

51
00:01:59,510 --> 00:01:57,439
uh i pointed to my stomach said my baby

52
00:02:02,469 --> 00:01:59,520
girl is right here

53
00:02:04,230 --> 00:02:02,479
she is a person i like i like this look

54
00:02:06,709 --> 00:02:04,240
especially in texas where everybody's

55
00:02:08,389 --> 00:02:06,719
like oh you're gonna bear the bar shirt

56
00:02:09,350 --> 00:02:08,399
i would like her to take this to court

57
00:02:11,029 --> 00:02:09,360
and it needs to go all the way to the

58
00:02:12,949 --> 00:02:11,039
supreme court so they can litigate

59
00:02:15,190 --> 00:02:12,959
thinking the same thing dude how old was

60
00:02:16,869 --> 00:02:15,200
the was the unborn child at which point

61
00:02:17,910 --> 00:02:16,879
does it become a person this is all this

62
00:02:21,589 --> 00:02:17,920
is the one that's going all the way back

63
00:02:24,229 --> 00:02:21,599

up yeah uh the the cop replied uh he

64

00:02:26,150 --> 00:02:24,239

said oh no it's got to be two people

65

00:02:27,750 --> 00:02:26,160

outside the body

66

00:02:31,030 --> 00:02:27,760

i i don't know if that's true what's the

67

00:02:33,589 --> 00:02:31,040

lawsuit in the legislation wrong

68

00:02:35,910 --> 00:02:33,599

did she say just wait

69

00:02:37,589 --> 00:02:35,920

uh baton spoke with multiple officers

70

00:02:38,710 --> 00:02:37,599

officers over the course of her

71

00:02:41,190 --> 00:02:38,720

encounter

72

00:02:42,949 --> 00:02:41,200

uh one seemed indifferent good that's

73

00:02:47,350 --> 00:02:42,959

what a cop should say you know i don't

74

00:02:52,070 --> 00:02:49,910

you got one car and they're like this is

75

00:02:54,470 --> 00:02:52,080

fundraising back to atlanta i wouldn't

76

00:02:57,030 --> 00:02:54,480

even say here's a ticket that's a great

77

00:03:00,149 --> 00:02:57,040

excuse exactly if you're in texas

78

00:03:02,229 --> 00:03:00,159

especially you win in atlanta you know

79

00:03:04,229 --> 00:03:02,239

when the highway patrol and the atlanta

80

00:03:07,190 --> 00:03:04,239

police went out and shot radar for

81

00:03:08,949 --> 00:03:07,200

speeding was during rush hour like when

82

00:03:11,110 --> 00:03:08,959

people were going to work and leaving

83

00:03:13,830 --> 00:03:11,120

work that's when they did it they didn't

84

00:03:16,710 --> 00:03:13,840

do it at like you know 10 30 in the

85

00:03:18,869 --> 00:03:16,720

morning they did it at like eight

86

00:03:21,110 --> 00:03:18,879

seven eight in the morning

87

00:03:23,350 --> 00:03:21,120

because it's like i don't [h__h] care

88

00:03:26,149 --> 00:03:23,360

if you're speeding i just i'm i'm uh i'm

89

00:03:28,470 --> 00:03:26,159

a like these guys are literally highway

90

00:03:30,869 --> 00:03:28,480

robbers

91

00:03:33,030 --> 00:03:30,879

well as she goes on to say one one of

92

00:03:35,030 --> 00:03:33,040

the cops uh kind of brushed me off when

93

00:03:36,710 --> 00:03:35,040

i mentioned this as a living child

94

00:03:39,350 --> 00:03:36,720

according to everything that's going on

95

00:03:41,110 --> 00:03:39,360

with overturning roe versus wade

96

00:03:43,110 --> 00:03:41,120

quote so i don't know why you're not

97

00:03:44,710 --> 00:03:43,120

seeing that i said

98

00:03:47,350 --> 00:03:44,720

he was like i don't want to deal with

99

00:03:48,630 --> 00:03:47,360

this man it just means two persons

100

00:03:50,470 --> 00:03:48,640

outside the body but does it

101
00:03:52,630 --> 00:03:50,480
specifically say in the law outside the

102
00:03:55,990 --> 00:03:52,640
body no i i would guarantee you it

103
00:03:59,030 --> 00:03:56,000
doesn't they're making this [h__\h] up yeah

104
00:04:00,869 --> 00:03:59,040
well she ended up receiving a 215 dollar

105
00:04:03,030 --> 00:04:00,879
citation

106
00:04:05,509 --> 00:04:03,040
and instructions from the issuing

107
00:04:08,229 --> 00:04:05,519
officer suggesting that if she fought it

108
00:04:10,630 --> 00:04:08,239
it would most likely get dropped good

109
00:04:13,350 --> 00:04:10,640
okay good according to lieber the dallas

110
00:04:14,869 --> 00:04:13,360
county sheriff's department has declined

111
00:04:17,830 --> 00:04:14,879
to issue a statement

112
00:04:19,990 --> 00:04:17,840
uh on the citation or the pregnancy

113
00:04:21,670 --> 00:04:20,000

defense in texas all abortions are now

114

00:04:22,870 --> 00:04:21,680

illegal following the supreme court's

115

00:04:26,070 --> 00:04:22,880

overruling

116

00:04:28,150 --> 00:04:26,080

of roe versus wade and pending enactment

117

00:04:29,430 --> 00:04:28,160

and pending in uh enactment of state

118

00:04:31,830 --> 00:04:29,440

triggers

119

00:04:33,350 --> 00:04:31,840

uh which were uh

120

00:04:34,870 --> 00:04:33,360

on the books there so prior to the high

121

00:04:36,150 --> 00:04:34,880

court we don't need to go over this all

122

00:04:37,749 --> 00:04:36,160

kind of stuff so

123

00:04:40,150 --> 00:04:37,759

um

124

00:04:42,629 --> 00:04:40,160

bayton said she does not plan to pay her

125

00:04:44,469 --> 00:04:42,639

fine for the incident and she says i

126

00:04:45,380 --> 00:04:44,479

will be fighting this well good for you

127

00:04:48,710 --> 00:04:45,390

fight it

128

00:04:50,790 --> 00:04:48,720

[Applause]

129

00:04:52,510 --> 00:04:50,800

let's get some clarity this should go to

130

00:04:54,950 --> 00:04:52,520

supreme court

131

00:04:58,230 --> 00:04:54,960

[Laughter]

132

00:05:01,670 --> 00:04:59,909

you know they're going to rewrite the

133

00:05:03,909 --> 00:05:01,680

texas law

134

00:05:06,629 --> 00:05:03,919

and then they'll make it retroactive so

135

00:05:07,830 --> 00:05:06,639

she will have to to pay i don't mean it

136

00:05:09,270 --> 00:05:07,840

may already be written in such a way

137

00:05:11,189 --> 00:05:09,280

that it has to be too

138

00:05:13,670 --> 00:05:11,199

two occupants of a vehicle you know

139

00:05:15,110 --> 00:05:13,680

belted in and all that stuff so yeah

140

00:05:16,950 --> 00:05:15,120

yeah maybe something like that and

141

00:05:18,710 --> 00:05:16,960

there's states now that require kids to

142

00:05:21,350 --> 00:05:18,720

use booster seats until they're like 27

143

00:05:23,749 --> 00:05:21,360

years old or something yeah

144

00:05:27,029 --> 00:05:23,759

let's see here call to titan new zealand

145

00:05:29,909 --> 00:05:27,039

law that allows public pooing if no one

146

00:05:31,749 --> 00:05:29,919

is watching uh that's good news

147

00:05:35,029 --> 00:05:31,759

okay yeah well wait we gotta tighten

148

00:05:38,390 --> 00:05:35,039

this i thought we should loosen it up

149

00:05:40,070 --> 00:05:38,400

we'll see uh uh new zealand law allowing

150

00:05:42,390 --> 00:05:40,080

people to poo in public

151
00:05:44,390 --> 00:05:42,400
so long as they do not think they are

152
00:05:47,909 --> 00:05:44,400
being watched must be titan says a

153
00:05:49,749 --> 00:05:47,919
freedom uh camping association a men uh

154
00:05:51,029 --> 00:05:49,759
amid long-running allegations that

155
00:05:52,950 --> 00:05:51,039
campers are

156
00:05:55,430 --> 00:05:52,960
to blame for much of the human waste in

157
00:05:57,749 --> 00:05:55,440
the natural environment

158
00:06:00,070 --> 00:05:57,759
is it really that big of a deal because

159
00:06:02,309 --> 00:06:00,080
in my experience when you see like human

160
00:06:05,270 --> 00:06:02,319
crap in the woods like animals just will

161
00:06:06,950 --> 00:06:05,280
eat that [h__h] up they love it

162
00:06:10,390 --> 00:06:06,960
am i wrong

163
00:06:13,110 --> 00:06:10,400

no my my dog used to love cat [\h__\h] yeah

164

00:06:14,710 --> 00:06:13,120

man i got mixed emotions about this one

165

00:06:17,270 --> 00:06:14,720

it is currently enough it's the circle

166

00:06:19,029 --> 00:06:17,280

of life it is

167

00:06:21,909 --> 00:06:19,039

uh it is currently an offense to

168

00:06:23,909 --> 00:06:21,919

defecate or urinate in a public place

169

00:06:26,629 --> 00:06:23,919

other than in a public bathroom of

170

00:06:27,590 --> 00:06:26,639

course but if a person can show they

171

00:06:30,230 --> 00:06:27,600

have

172

00:06:32,629 --> 00:06:30,240

had reasonable grounds for believing

173

00:06:34,710 --> 00:06:32,639

that they were not being observed they

174

00:06:36,550 --> 00:06:34,720

maybe may be able to escape the two

175

00:06:38,390 --> 00:06:36,560

hundred dollar fine

176

00:06:40,469 --> 00:06:38,400

uh the reasonable campers association i

177

00:06:43,670 --> 00:06:40,479

like that or the responsible campers

178

00:06:45,830 --> 00:06:43,680

association inc argues the law should uh

179

00:06:48,469 --> 00:06:45,840

also require people to show they are

180

00:06:51,589 --> 00:06:48,479

that they conducted their business

181

00:06:52,950 --> 00:06:51,599

and at least 50 meters away from a

182

00:06:56,790 --> 00:06:52,960

waterway

183

00:07:00,070 --> 00:06:56,800

or in the waste is buried at least 15

184

00:07:01,510 --> 00:07:00,080

centimeters deep no you need a jet pack

185

00:07:03,110 --> 00:07:01,520

that's what we need we need cops in new

186

00:07:05,990 --> 00:07:03,120

zealand to go around with a measuring

187

00:07:07,430 --> 00:07:06,000

stick to see if you buried your [h__h]

188

00:07:09,510 --> 00:07:07,440

deep enough well if you remember during

189

00:07:11,110 --> 00:07:09,520

covet it was uh in um was it new zealand

190

00:07:12,950 --> 00:07:11,120

or was it australia they were flying uh

191

00:07:15,589 --> 00:07:12,960

drones over the beach and yelling at

192

00:07:18,790 --> 00:07:15,599

people to go back inside so maybe they

193

00:07:20,870 --> 00:07:18,800

can patrol the uh uh the hinterlands and

194

00:07:24,150 --> 00:07:20,880

uh yell at people who are pooping yeah

195

00:07:24,160 --> 00:07:28,309

the fart police poo patrol get out there

196

00:07:31,749 --> 00:07:29,589

so when you when you when you dig a

197

00:07:33,589 --> 00:07:31,759

shallow trough to crap in this

198

00:07:36,070 --> 00:07:33,599

disembodied voice from above you just

199

00:07:38,790 --> 00:07:36,080

that's not deep enough

200

00:07:40,070 --> 00:07:38,800

uh the group started in 2017 to advocate

201
00:07:41,270 --> 00:07:40,080
for freedom

202
00:07:47,189 --> 00:07:41,280
campers

203
00:07:49,270 --> 00:07:47,199
of charge on public land on the basis

204
00:07:51,350 --> 00:07:49,280
that the motor camping should not be

205
00:07:53,909 --> 00:07:51,360
targeted but rather individuals behaving

206
00:07:55,589 --> 00:07:53,919
badly freedom camping has hit the

207
00:07:57,189 --> 00:07:55,599
country's headlines in recent years over

208
00:07:58,550 --> 00:07:57,199
concerns about its impact on the

209
00:08:00,869 --> 00:07:58,560
environment especially when it comes to

210
00:08:02,230 --> 00:08:00,879
campers personal waste so you got

211
00:08:04,230 --> 00:08:02,240
basically people just go out there

212
00:08:05,510 --> 00:08:04,240
[h__\h] up [h__\h] on trees [h__\h]

213
00:08:09,830 --> 00:08:05,520

on bushes

214

00:08:14,710 --> 00:08:11,830

okay so i'm wondering i wonder if this

215

00:08:16,550 --> 00:08:14,720

is a reflection of um uh of homeless

216

00:08:17,749 --> 00:08:16,560

laws sort of thing where they're trying

217

00:08:19,510 --> 00:08:17,759

to figure out a way to because you know

218

00:08:20,950 --> 00:08:19,520

they use the term camper a lot to avoid

219

00:08:22,710 --> 00:08:20,960

that but it also sounds like people who

220

00:08:25,029 --> 00:08:22,720

are boondocking and just

221

00:08:26,469 --> 00:08:25,039

parking out on on public land or even

222

00:08:28,629 --> 00:08:26,479

private land unknown and just leaving a

223

00:08:30,869 --> 00:08:28,639

mess yeah

224

00:08:33,909 --> 00:08:30,879

in 2021 nash announced the government

225

00:08:35,430 --> 00:08:33,919

would crack down on freedom camping

226

00:08:37,029 --> 00:08:35,440

you get you got a lot of freedom campers

227

00:08:38,310 --> 00:08:37,039

there in austin don't you

228

00:08:40,709 --> 00:08:38,320

joe

229

00:08:42,630 --> 00:08:40,719

i think oh yeah they're very free

230

00:08:45,190 --> 00:08:42,640

they're very camping they're freedom

231

00:08:47,269 --> 00:08:45,200

camping they're definitely camping

232

00:08:49,509 --> 00:08:47,279

uh so they crack down a freedom camp

233

00:08:51,670 --> 00:08:49,519

including harsher fines for those

234

00:08:54,070 --> 00:08:51,680

behaving badly and tougher restrictions

235

00:08:55,750 --> 00:08:54,080

on where campers can park the rules are

236

00:08:57,829 --> 00:08:55,760

set to be introduced to parliament this

237

00:08:59,990 --> 00:08:57,839

year in time for what could be the

238

00:09:01,269 --> 00:09:00,000

country's busiest summer season in more

239

00:09:03,190 --> 00:09:01,279

than two years

240

00:09:06,150 --> 00:09:03,200

and the uh with the borders fully

241

00:09:08,949 --> 00:09:06,160

reopening to taurus very soon so uh

242

00:09:12,310 --> 00:09:08,959

watch out people i think they gotta like

243

00:09:14,310 --> 00:09:12,320

regulate the depth and the diameter of

244

00:09:15,910 --> 00:09:14,320

the hole this is gonna be great what

245

00:09:17,269 --> 00:09:15,920

they what they need to do so in

246

00:09:19,430 --> 00:09:17,279

parliament they have to come to a

247

00:09:22,470 --> 00:09:19,440

compromise they need to hire people to

248

00:09:25,110 --> 00:09:22,480

pre-dig poop holes for people

249

00:09:28,310 --> 00:09:25,120

designated uh [h__\h] pits

250

00:09:30,470 --> 00:09:28,320

where people can hover their ass and

251
00:09:32,470 --> 00:09:30,480
squeeze one out after some new zealand

252
00:09:34,389 --> 00:09:32,480
taco bell and then you can freedom camp

253
00:09:36,150 --> 00:09:34,399
all night long well and you gotta figure

254
00:09:37,910 --> 00:09:36,160
out which of the coilers and which are

255
00:09:40,310 --> 00:09:37,920
just kind of the wet ones and all the

256
00:09:42,070 --> 00:09:40,320
stuff we need government regulations on

257
00:09:45,670 --> 00:09:42,080
the type of crap that you're permitted

258
00:09:47,350 --> 00:09:45,680
to do in a given location

259
00:09:48,550 --> 00:09:47,360
i'm curious though after a certain

260
00:09:50,790 --> 00:09:48,560
period of time you're gonna have to keep

261
00:09:52,550 --> 00:09:50,800
re-digging these holes yeah so you or

262
00:09:54,630 --> 00:09:52,560
someone's gonna have to empty them so

263
00:09:57,110 --> 00:09:54,640

maybe maybe the better plan would be to

264

00:09:59,350 --> 00:09:57,120

um to connect all these to some sort of

265

00:10:00,790 --> 00:09:59,360

of piping system and they could they

266

00:10:01,750 --> 00:10:00,800

could run that off in fact if you're

267

00:10:03,910 --> 00:10:01,760

gonna do that you should probably put

268

00:10:06,550 --> 00:10:03,920

like a roof over this hole and maybe

269

00:10:08,790 --> 00:10:06,560

maybe a a floor and some walls for

270

00:10:09,670 --> 00:10:08,800

privacy okay um and it's hard to find

271

00:10:10,870 --> 00:10:09,680

these so maybe you should put some

272

00:10:12,150 --> 00:10:10,880

lights on them which means you need to

273

00:10:13,509 --> 00:10:12,160

run an electric service out there you

274

00:10:14,790 --> 00:10:13,519

probably run some roads to it so it's

275

00:10:15,509 --> 00:10:14,800

easier to find

276

00:10:16,790 --> 00:10:15,519

so

277

00:10:18,470 --> 00:10:16,800

oh you're just building bathrooms now

278

00:10:19,350 --> 00:10:18,480

are you saying you're making a glory

279

00:10:22,550 --> 00:10:19,360

hole

280

00:10:24,230 --> 00:10:22,560

leads

281

00:10:25,670 --> 00:10:24,240

pretty much you put you put a bathroom

282

00:10:26,870 --> 00:10:25,680

in the middle of nowhere people are

283

00:10:28,870 --> 00:10:26,880

going to start using it for funny

284

00:10:30,710 --> 00:10:28,880

business all right i got to put my uh my

285

00:10:33,430 --> 00:10:30,720

gift that i made yesterday

286

00:10:34,790 --> 00:10:33,440

up on the up on the screen here

287

00:10:36,069 --> 00:10:34,800

meeting different people doing weird

288

00:10:40,550 --> 00:10:36,079

stuff

289

00:10:42,310 --> 00:10:40,560

job i'm a i'm a [\h__\h] pit digger in new

290

00:10:44,790 --> 00:10:42,320

zealand

291

00:10:46,790 --> 00:10:44,800

it's good work kiwi [\h__\h] pit digger

292

00:10:49,190 --> 00:10:46,800

keeps it's steady work

293

00:10:50,949 --> 00:10:49,200

good good benefits man yeah

294

00:10:53,269 --> 00:10:50,959

all the fun

295

00:10:55,030 --> 00:10:53,279

it's like with lawyers and and and and

296

00:10:56,389 --> 00:10:55,040

gynecologists and everything babies are

297

00:10:59,509 --> 00:10:56,399

going to continue to

298

00:11:02,470 --> 00:10:59,519

be born or even like the the the people

299

00:11:03,750 --> 00:11:02,480

who you know embalmer folks oh yeah

300

00:11:06,710 --> 00:11:03,760

blanking on the name

301
00:11:10,550 --> 00:11:06,720
it's guaranteed man stephen balmer

302
00:11:13,509 --> 00:11:10,560
yeah the mortuary technician yeah

303
00:11:15,590 --> 00:11:13,519
that sounds pretty important yeah

304
00:11:17,910 --> 00:11:15,600
a new guy who he's his whole entire

305
00:11:20,389 --> 00:11:17,920
family they were morticians

306
00:11:21,910 --> 00:11:20,399
and uh he was born into it it's kind of

307
00:11:23,990 --> 00:11:21,920
crazy

308
00:11:25,509 --> 00:11:24,000
born to touch dead people yeah

309
00:11:28,630 --> 00:11:25,519
could you imagine

310
00:11:30,630 --> 00:11:28,640
i it just it seems so creepy to me

311
00:11:33,030 --> 00:11:30,640
uh but for him it was just kind of

312
00:11:35,269 --> 00:11:33,040
second nature and uh

313
00:11:37,350 --> 00:11:35,279

yeah a good business steady business you

314

00:11:38,230 --> 00:11:37,360

know probably dealing with a lot less

315

00:11:40,310 --> 00:11:38,240

poo

316

00:11:43,030 --> 00:11:40,320

maybe i don't know i think when you when

317

00:11:45,110 --> 00:11:43,040

you die you evacuate yeah but he doesn't

318

00:11:47,670 --> 00:11:45,120

have to deal with it or she

319

00:11:49,829 --> 00:11:47,680

i would imagine you gotta

320

00:11:52,069 --> 00:11:49,839

deal with it in some way

321

00:11:53,829 --> 00:11:52,079

so if you're pumping the embalming fluid

322

00:11:55,269 --> 00:11:53,839

in do they start like releasing all the

323

00:11:56,870 --> 00:11:55,279

crap that's in there that might be

324

00:11:57,750 --> 00:11:56,880

interesting i don't know i'll see if we

325

00:11:59,110 --> 00:11:57,760

can get them on the show we're going to

326

00:12:00,949 --> 00:11:59,120

ask them all these stupid questions you

327

00:12:02,629 --> 00:12:00,959

got to put them on a tarp

328

00:12:03,910 --> 00:12:02,639

and embalm them we got a bunch of stupid

329

00:12:07,070 --> 00:12:03,920

questions to ask you about dead people

330

00:12:10,470 --> 00:12:08,710

[Music]

331

00:12:13,430 --> 00:12:10,480

we're being murdered here

332

00:12:14,150 --> 00:12:13,440

uh french german leaders warn population

333

00:12:19,670 --> 00:12:14,160

to

334

00:12:21,430 --> 00:12:19,680

gas

335

00:12:24,150 --> 00:12:21,440

so get ready for that

336

00:12:25,990 --> 00:12:24,160

uh us is paying 1.7 billion to health

337

00:12:28,870 --> 00:12:26,000

care workers in the ukraine that's a

338

00:12:31,110 --> 00:12:28,880

funny headline oh yes it is uh bmw to

339

00:12:32,870 --> 00:12:31,120

start selling heated seat subscription

340

00:12:35,269 --> 00:12:32,880

for 18

341

00:12:37,030 --> 00:12:35,279

a month oh really i signed up for that

342

00:12:38,949 --> 00:12:37,040

by the way did you really is it worth

343

00:12:40,310 --> 00:12:38,959

your is it worth it i don't have a bmw i

344

00:12:41,990 --> 00:12:40,320

just signed it to the subscription i

345

00:12:43,590 --> 00:12:42,000

just i just wanted seats i like that

346

00:12:44,949 --> 00:12:43,600

idea

347

00:12:46,949 --> 00:12:44,959

uh

348

00:12:48,910 --> 00:12:46,959

us democrats urge

349

00:12:53,350 --> 00:12:48,920

new

350

00:12:54,949 --> 00:12:53,360

650 billion dollar imf aid package on

351
00:12:57,190 --> 00:12:54,959
ukraine

352
00:13:00,230 --> 00:12:57,200
that's that's crazy

353
00:13:02,310 --> 00:13:00,240
but they're wanting 650 billion more

354
00:13:04,710 --> 00:13:02,320
dollars

355
00:13:08,710 --> 00:13:04,720
and you know hunter hunter needs money

356
00:13:11,590 --> 00:13:08,720
man yeah and then the last one here

357
00:13:15,269 --> 00:13:11,600
uh genetically engineered pig hearts

358
00:13:17,590 --> 00:13:15,279
transplanted into dead people

359
00:13:19,350 --> 00:13:17,600
this is quite the story not technically

360
00:13:20,870 --> 00:13:19,360
dead they're only brain dead so they are

361
00:13:25,110 --> 00:13:20,880
i mean to be fair these are members of

362
00:13:28,250 --> 00:13:27,829
hey i'm telling you the pig man is alive

363
00:13:30,310 --> 00:13:28,260

all right

364

00:13:32,389 --> 00:13:30,320

[Laughter]

365

00:13:34,069 --> 00:13:32,399

so those are some weird headlines and

366

00:13:38,150 --> 00:13:34,079

we'll move over and we'll see what the

367

00:13:42,389 --> 00:13:40,790

well let's see i've got uh

368

00:13:45,670 --> 00:13:42,399

rattle down some headlines here i have a

369

00:13:47,670 --> 00:13:45,680

uh a rickshaw crammed with 27 people a

370

00:13:50,550 --> 00:13:47,680

rickshaw rickshaw and there's video of

371

00:13:52,389 --> 00:13:50,560

this 27 people in a rickshaw

372

00:13:54,870 --> 00:13:52,399

what do they have ramrods

373

00:13:57,189 --> 00:13:54,880

they had a back like a ramrod a guy used

374

00:13:59,189 --> 00:13:57,199

a ram right back like a ramrod i had to

375

00:14:00,670 --> 00:13:59,199

look up a ramrod that's what you used to

376

00:14:04,550 --> 00:14:00,680

stuff

377

00:14:06,629 --> 00:14:04,560

balls doubles down a musket yeah

378

00:14:08,230 --> 00:14:06,639

and he came up with that analogy for his

379

00:14:09,590 --> 00:14:08,240

wife

380

00:14:13,269 --> 00:14:09,600

well that's what he calls it like a

381

00:14:15,350 --> 00:14:13,279

ramrod old ramrod where's the old ramrod

382

00:14:18,870 --> 00:14:15,360

set me straight

383

00:14:19,670 --> 00:14:18,880

car ram rod pedo pete and ramrod dr ram

384

00:14:26,150 --> 00:14:19,680

rod

385

00:14:30,710 --> 00:14:27,430

so i dropped that in the carrot shop

386

00:14:32,389 --> 00:14:30,720

there's video of this too oh awesome uh

387

00:14:34,790 --> 00:14:32,399

they want to get your bell ready to ring

388

00:14:37,030 --> 00:14:34,800

as they all come out okay great

389

00:14:39,829 --> 00:14:37,040

uh real-life clown car rickshaw crammed

390

00:14:42,069 --> 00:14:39,839

with 27 passengers film being stopped by

391

00:14:44,710 --> 00:14:42,079

police in india that's good news what

392

00:14:46,230 --> 00:14:44,720

was the reason

393

00:14:49,350 --> 00:14:46,240

you have a license for 27 people only

394

00:14:51,750 --> 00:14:49,360

26. is there profiling

395

00:14:54,710 --> 00:14:51,760

let's see here i'll uh break this open

396

00:14:56,710 --> 00:14:54,720

and what we're looking at here is

397

00:14:58,870 --> 00:14:56,720

a quite a small now this is not like a

398

00:15:01,430 --> 00:14:58,880

rickshaw with a like a person pulling it

399

00:15:03,110 --> 00:15:01,440

this isn't like an an auto rickshaw

400

00:15:07,189 --> 00:15:03,120

super small almost like a size of a golf

401

00:15:09,269 --> 00:15:07,199

cart and this first guy pulls out a kid

402

00:15:11,990 --> 00:15:09,279

and then there are other kids that are

403

00:15:14,790 --> 00:15:12,000

appearing out of nowhere

404

00:15:17,829 --> 00:15:14,800

holy [h__\h] and then more like these are

405

00:15:21,030 --> 00:15:17,839

small uh mostly small people

406

00:15:22,870 --> 00:15:21,040

uh mostly i would say teenagers to a

407

00:15:25,670 --> 00:15:22,880

younger in nature

408

00:15:26,330 --> 00:15:25,680

and now uh some taller folks are coming

409

00:15:28,470 --> 00:15:26,340

out

410

00:15:31,030 --> 00:15:28,480

[Applause]

411

00:15:32,310 --> 00:15:31,040

oh my god and taller even more still

412

00:15:34,710 --> 00:15:32,320

gorgon

413

00:15:37,670 --> 00:15:34,720

bigfoot chupacabra this is crazy

414

00:15:39,269 --> 00:15:37,680

[Applause]

415

00:15:41,430 --> 00:15:39,279

they must have practiced this several

416

00:15:42,629 --> 00:15:41,440

times to see if this was possible oh my

417

00:15:45,269 --> 00:15:42,639

god

418

00:15:48,230 --> 00:15:45,279

holy crap

419

00:15:49,030 --> 00:15:48,240

this is like a thing of jiffy pop

420

00:15:51,189 --> 00:15:49,040

like

421

00:15:54,230 --> 00:15:51,199

but it didn't even need to be heated up

422

00:15:56,230 --> 00:15:54,240

how that i mean that can fit so many

423

00:15:57,829 --> 00:15:56,240

people how big is that thing record

424

00:16:00,150 --> 00:15:57,839

deepness right

425

00:16:02,069 --> 00:16:00,160

it is a record deep rickshaw

426
00:16:03,670 --> 00:16:02,079
some sort of quantum rickshaw that is a

427
00:16:05,590 --> 00:16:03,680
quantum brick shield you can't see the

428
00:16:07,110 --> 00:16:05,600
cut though like are there people behind

429
00:16:08,470 --> 00:16:07,120
this [h__h] thing like are they

430
00:16:10,470 --> 00:16:08,480
climbing out of the sewer

431
00:16:12,310 --> 00:16:10,480
they no it looks like they're piled in

432
00:16:14,790 --> 00:16:12,320
the back seat it did appear at least

433
00:16:15,829 --> 00:16:14,800
maybe three kids just did appear from

434
00:16:17,110 --> 00:16:15,839
the back of it like i don't know where

435
00:16:19,509 --> 00:16:17,120
they came from they could have been like

436
00:16:21,509 --> 00:16:19,519
weird neighbor kids lurking around just

437
00:16:23,670 --> 00:16:21,519
lurking hey getting that rickshaw but it

438
00:16:25,829 --> 00:16:23,680

looked like it i want to say at least 15

439

00:16:27,670 --> 00:16:25,839

people got out of rickshaw and it was

440

00:16:28,870 --> 00:16:27,680

crazy

441

00:16:31,110 --> 00:16:28,880

now how much

442

00:16:32,069 --> 00:16:31,120

did they get fined

443

00:16:33,350 --> 00:16:32,079

um

444

00:16:35,829 --> 00:16:33,360

let's see here passengers were

445

00:16:37,350 --> 00:16:35,839

purportedly going home after offering

446

00:16:39,269 --> 00:16:37,360

prayers okay

447

00:16:41,430 --> 00:16:39,279

after a holy festival

448

00:16:43,829 --> 00:16:41,440

twitter users were left bewildered as to

449

00:16:47,030 --> 00:16:43,839

how that small vehicle was able to hold

450

00:16:48,790 --> 00:16:47,040

around nine times its capacity with one

451
00:16:51,189 --> 00:16:48,800
writing auto driver

452
00:16:52,949 --> 00:16:51,199
should be awarded i

453
00:16:55,910 --> 00:16:52,959
i agree like that's a lot of

454
00:16:58,069 --> 00:16:55,920
distractions you're dealing with uh

455
00:16:59,749 --> 00:16:58,079
probably an additional thousand to

456
00:17:02,150 --> 00:16:59,759
fifteen hundred pounds

457
00:17:04,150 --> 00:17:02,160
they did like look like smallish people

458
00:17:05,990 --> 00:17:04,160
so uh i'm surprised the motor didn't

459
00:17:09,270 --> 00:17:06,000
give out it's probably a a two-stroke

460
00:17:13,510 --> 00:17:10,309
maybe that's what they were they're all

461
00:17:15,590 --> 00:17:13,520
the rest were there to help push maybe

462
00:17:18,470 --> 00:17:15,600
very imp impractical way of conveyance

463
00:17:20,390 --> 00:17:18,480

but uh they did it

464

00:17:21,990 --> 00:17:20,400

all right so this i do like this because

465

00:17:23,270 --> 00:17:22,000

it sets the the tone and say look

466

00:17:25,429 --> 00:17:23,280

there's a lot of these rickshaws or

467

00:17:27,270 --> 00:17:25,439

tuk-tuks depending on where you are

468

00:17:28,950 --> 00:17:27,280

in these places so if every one of them

469

00:17:30,630 --> 00:17:28,960

was carrying 27 people there wouldn't be

470

00:17:32,710 --> 00:17:30,640

so much traffic

471

00:17:35,510 --> 00:17:32,720

i get it uh this is for uh climate

472

00:17:37,669 --> 00:17:35,520

change how dare you

473

00:17:39,669 --> 00:17:37,679

you see greta with her her own tuk-tuk

474

00:17:41,590 --> 00:17:39,679

driving around asking people to get in i

475

00:17:44,789 --> 00:17:41,600

love it i want to see elon musk build

476

00:17:47,590 --> 00:17:44,799

the tesla rickshaw people are suffering

477

00:17:51,029 --> 00:17:47,600

that's a golf cart mike no

478

00:17:55,350 --> 00:17:53,590

all right what else you got for us

479

00:17:56,789 --> 00:17:55,360

uh let's see what we got here you guys

480

00:17:59,110 --> 00:17:56,799

hear about this story that they want to

481

00:18:00,710 --> 00:17:59,120

nuke people in new york oh sorry we did

482

00:18:04,710 --> 00:18:00,720

hear about that we spent i think about

483

00:18:07,909 --> 00:18:06,630

uh let's see all right let's go with

484

00:18:09,830 --> 00:18:07,919

this one because it's just one of those

485

00:18:11,669 --> 00:18:09,840

amusing stories

486

00:18:13,110 --> 00:18:11,679

and it amuses me and it does not have

487

00:18:19,430 --> 00:18:13,120

anything to do with fast food

488

00:18:19,440 --> 00:18:23,029

some sort of park for amusements

489

00:18:26,310 --> 00:18:25,270

all right let's uh let's take a look at

490

00:18:28,789 --> 00:18:26,320

this one

491

00:18:33,669 --> 00:18:28,799

oh uh

492

00:18:37,110 --> 00:18:33,679

man calls on tesco to change

493

00:18:39,990 --> 00:18:37,120

white packaging after burning his bum

494

00:18:43,430 --> 00:18:40,000

that's a funny headline okay

495

00:18:46,390 --> 00:18:43,440

my hey i'm with them

496

00:18:48,070 --> 00:18:46,400

let's see here a man is calling on tesco

497

00:18:50,710 --> 00:18:48,080

to change the packaging of his toilet

498

00:18:52,789 --> 00:18:50,720

paper his toilet cleaning wipes after he

499

00:18:55,190 --> 00:18:52,799

was left with burning pain

500

00:18:57,909 --> 00:18:55,200

when he mistakenly used them

501
00:19:01,190 --> 00:18:57,919
as lou role

502
00:19:03,669 --> 00:19:01,200
for days uh leon greed 29 developed

503
00:19:06,549 --> 00:19:03,679
soreness around his rear end and was

504
00:19:09,110 --> 00:19:06,559
confused until suddenly he realized he

505
00:19:12,710 --> 00:19:09,120
had been using antibacterial toilet

506
00:19:15,669 --> 00:19:13,590
jesus

507
00:19:18,789 --> 00:19:15,679
so for for americans this guy thought he

508
00:19:20,950 --> 00:19:18,799
had uh what do you call him uh not not

509
00:19:22,470 --> 00:19:20,960
baby white almost like clorox wipes yeah

510
00:19:24,150 --> 00:19:22,480
but he had clorox wipes he was wiping

511
00:19:26,630 --> 00:19:24,160
his ass for multiple days you think

512
00:19:29,029 --> 00:19:26,640
after the first one you would stop he

513
00:19:31,270 --> 00:19:29,039

toughed it out

514

00:19:33,029 --> 00:19:31,280

like it feels like it's really working

515

00:19:34,870 --> 00:19:33,039

it really get in there i gotta toughen

516

00:19:38,950 --> 00:19:34,880

up my bunghole i just gotta tough it up

517

00:19:42,549 --> 00:19:40,390

and he probably he probably thought he

518

00:19:43,990 --> 00:19:42,559

had monkey pox you know uh this stuff's

519

00:19:44,950 --> 00:19:44,000

been going around so he probably is like

520

00:19:47,029 --> 00:19:44,960

ah

521

00:19:49,510 --> 00:19:47,039

i'll let it roll he was at recently at

522

00:19:50,390 --> 00:19:49,520

an orgy in spain now i'll

523

00:19:51,510 --> 00:19:50,400

just

524

00:19:52,950 --> 00:19:51,520

let this roll for a little bit and see

525

00:19:55,270 --> 00:19:52,960

what happens but

526

00:19:57,510 --> 00:19:55,280

uh the lorry driver's girlfriend what's

527

00:19:59,029 --> 00:19:57,520

a lorry driver what's a lorry

528

00:20:01,190 --> 00:19:59,039

truck truck driver oh he's a truck

529

00:20:03,510 --> 00:20:01,200

driver he's a truck driving man he needs

530

00:20:07,110 --> 00:20:03,520

those strong man wipes he's got back

531

00:20:09,750 --> 00:20:07,120

from a rickshaw job out in india

532

00:20:10,950 --> 00:20:09,760

to drive 29 people in a rickshaw better

533

00:20:12,870 --> 00:20:10,960

wipe up

534

00:20:15,190 --> 00:20:12,880

well this lori driver's girlfriend sadie

535

00:20:17,510 --> 00:20:15,200

williams picked up the tesco active

536

00:20:18,950 --> 00:20:17,520

flushable toilet wipes from tesco

537

00:20:20,950 --> 00:20:18,960

express store

538

00:20:22,870 --> 00:20:20,960

uh in south wales she placed them in the

539

00:20:24,470 --> 00:20:22,880

bathroom next to the toilet where leon

540

00:20:26,870 --> 00:20:24,480

mistook them for toilet wipes and i

541

00:20:29,350 --> 00:20:26,880

gotta i'm not blaming leon on like the

542

00:20:32,950 --> 00:20:29,360

first wipe i'm blaming him for like the

543

00:20:35,270 --> 00:20:32,960

13th and 15th wipe he said multiple days

544

00:20:36,630 --> 00:20:35,280

multiple days i'm i'm guessing i'm

545

00:20:39,590 --> 00:20:36,640

looking at this guy

546

00:20:41,830 --> 00:20:39,600

he's a two crap a day kind of guy

547

00:20:44,470 --> 00:20:41,840

he's a he's a triple flip he goes he

548

00:20:46,549 --> 00:20:44,480

goes two or four times a day because

549

00:20:49,590 --> 00:20:46,559

he's a truck driver two

550

00:20:51,110 --> 00:20:49,600

maybe four this guy's got tiles

551

00:20:52,390 --> 00:20:51,120

he's he's eaten a lot of stuff that he

552

00:20:54,950 --> 00:20:52,400

shouldn't be eating it goes right

553

00:20:59,510 --> 00:20:58,549

uh after a a few days and multiple trips

554

00:21:00,830 --> 00:20:59,520

to

555

00:21:03,669 --> 00:21:00,840

the

556

00:21:05,590 --> 00:21:03,679

toilet let's see

557

00:21:07,990 --> 00:21:05,600

a few days in a multiple trips to the

558

00:21:09,750 --> 00:21:08,000

toilet leon had developed a nasty rash

559

00:21:10,549 --> 00:21:09,760

he checked the packaging of the wipes

560

00:21:13,190 --> 00:21:10,559

and

561

00:21:14,950 --> 00:21:13,200

confessed to sadie uh who was bursting

562

00:21:17,270 --> 00:21:14,960

out laughing

563

00:21:18,870 --> 00:21:17,280

leon says although it was a silly

564

00:21:20,870 --> 00:21:18,880

mistake to make he believes cleaning

565

00:21:23,430 --> 00:21:20,880

products should be labeled more clearly

566

00:21:24,950 --> 00:21:23,440

to avoid any risk of confusion

567

00:21:27,350 --> 00:21:24,960

i kind of agree here because i would

568

00:21:29,110 --> 00:21:27,360

have made the same mistake

569

00:21:31,590 --> 00:21:29,120

when i developed a soreness i knew

570

00:21:34,710 --> 00:21:31,600

something wasn't quite right and when i

571

00:21:38,950 --> 00:21:34,720

checked the packaging it kills 99 of

572

00:21:43,990 --> 00:21:40,950

sadie said to me how can you be so

573

00:21:45,990 --> 00:21:44,000

stupid but i think uh cleaning products

574

00:21:48,630 --> 00:21:46,000

should have a warning label well how can

575

00:21:51,029 --> 00:21:48,640

his girlfriend call him stupid when she

576
00:21:53,270 --> 00:21:51,039
bought them and placed them next to the

577
00:21:55,990 --> 00:21:53,280
toilet

578
00:21:58,710 --> 00:21:56,000
there's an assumption when you walk into

579
00:22:00,870 --> 00:21:58,720
a bathroom and you see stuff laying next

580
00:22:03,430 --> 00:22:00,880
to a toilet you assume i can use it to

581
00:22:05,669 --> 00:22:03,440
wipe with no you matter what it is you

582
00:22:07,990 --> 00:22:05,679
got anything next to the toilet eat it

583
00:22:09,669 --> 00:22:08,000
it's fair game you don't have the big uh

584
00:22:11,110 --> 00:22:09,679
rack of magazines and stuff sitting

585
00:22:13,110 --> 00:22:11,120
there

586
00:22:15,669 --> 00:22:13,120
i i don't have a rack of magazines i do

587
00:22:18,950 --> 00:22:15,679
have a stockpile of toilet paper maybe

588
00:22:20,549 --> 00:22:18,960

some uh save a lots from the newspaper

589

00:22:21,990 --> 00:22:20,559

you won't save a lot

590

00:22:23,510 --> 00:22:22,000

you want to clip off some coupons

591

00:22:24,310 --> 00:22:23,520

different coupons over there oh look at

592

00:22:27,669 --> 00:22:24,320

this

593

00:22:30,470 --> 00:22:27,679

sale at pennies all right yeah

594

00:22:34,149 --> 00:22:31,830

that does make a lot of sense the

595

00:22:36,149 --> 00:22:34,159

pandemic of the toilet paper like

596

00:22:37,510 --> 00:22:36,159

i guess like

597

00:22:39,669 --> 00:22:37,520

why were people i think people were

598

00:22:40,870 --> 00:22:39,679

buying more toilet paper than food

599

00:22:42,710 --> 00:22:40,880

though

600

00:22:46,149 --> 00:22:42,720

well let's listen to this packaging it

601
00:22:48,070 --> 00:22:46,159
says on this package says kills 99.9 of

602
00:22:50,390 --> 00:22:48,080
bacteria that's good that's what you

603
00:22:53,190 --> 00:22:50,400
want down there it also says makes

604
00:22:54,870 --> 00:22:53,200
toilets sparkle i also want that when i

605
00:22:56,549 --> 00:22:54,880
get done yeah this is a double whammy

606
00:22:58,390 --> 00:22:56,559
that's an added bonus this is a great

607
00:23:00,390 --> 00:22:58,400
product

608
00:23:02,549 --> 00:23:00,400
and bleach free

609
00:23:04,149 --> 00:23:02,559
great i don't want bleach it's awful

610
00:23:06,549 --> 00:23:04,159
it's probably on your [h__h] you have

611
00:23:08,549 --> 00:23:06,559
to pay for that yeah that takes extra

612
00:23:10,950 --> 00:23:08,559
that's the brazilian only gay guys like

613
00:23:14,230 --> 00:23:12,549

so all this everything on the package

614

00:23:16,230 --> 00:23:14,240

thus far sounds like a great product

615

00:23:18,470 --> 00:23:16,240

that to use and to be fair

616

00:23:21,110 --> 00:23:18,480

the package does say in giant letters

617

00:23:23,669 --> 00:23:21,120

flushable wipes yeah so that's why i to

618

00:23:25,830 --> 00:23:23,679

do those i have heb brand right on my

619

00:23:28,390 --> 00:23:25,840

toilet that's i used to that's my dorm

620

00:23:30,549 --> 00:23:28,400

next to my bed right now

621

00:23:32,630 --> 00:23:30,559

so i do the paper white paper wipe

622

00:23:34,149 --> 00:23:32,640

however many it takes and then grand

623

00:23:35,190 --> 00:23:34,159

finale

624

00:23:37,669 --> 00:23:35,200

that wipe

625

00:23:39,110 --> 00:23:37,679

yeah

626

00:23:40,630 --> 00:23:39,120

so i don't blame the guy on this and in

627

00:23:45,269 --> 00:23:40,640

fact i would sue tesco and his

628

00:23:49,430 --> 00:23:47,110

why are they not

629

00:23:50,600 --> 00:23:49,440

why has no one branded them that the

630

00:23:57,590 --> 00:23:50,610

grand finale

631

00:23:57,600 --> 00:24:04,070

he's a piece of toilet paper

632

00:24:07,430 --> 00:24:05,750

they've seen more tail than a toilet

633

00:24:08,470 --> 00:24:07,440

seat

634

00:24:09,909 --> 00:24:08,480

it's true

635

00:24:11,990 --> 00:24:09,919

you have the loch ness monster in his

636

00:24:14,630 --> 00:24:12,000

toilet this morning uh i probably have a

637

00:24:18,470 --> 00:24:14,640

little bit of everything to see if i

638

00:24:20,310 --> 00:24:18,480

use it like a toilet got that one

639

00:24:21,669 --> 00:24:20,320

we got loch ness i got loch ness over

640

00:24:26,310 --> 00:24:21,679

here

641

00:24:28,310 --> 00:24:26,320

well i saw the loch ness monster in my

642

00:24:29,990 --> 00:24:28,320

toilet this morning

643

00:24:32,470 --> 00:24:30,000

well it would have been clean after this

644

00:24:33,669 --> 00:24:32,480

tesco white it was it was sparkling it

645

00:24:36,549 --> 00:24:33,679

was makes says right there in the

646

00:24:39,350 --> 00:24:36,559

package makes loch ness monster sparkle

647

00:24:43,110 --> 00:24:39,360

and bleach free complete

648

00:24:45,269 --> 00:24:43,120

take care of all those nasty barnacles

649

00:24:50,070 --> 00:24:45,279

barnacles

650

00:24:51,750 --> 00:24:50,080

sitting on there too long you're gonna

651
00:24:53,269 --> 00:24:51,760
you're also gonna get hemorrhoids i'm

652
00:24:55,029 --> 00:24:53,279
gonna get piles you're not supposed to

653
00:24:56,470 --> 00:24:55,039
fly barnacles on your hemorrhoids you're

654
00:24:58,390 --> 00:24:56,480
not supposed to flush these because it

655
00:25:00,149 --> 00:24:58,400
can really if you have a septic system

656
00:25:02,310 --> 00:25:00,159
it's just gonna clog the the raise a

657
00:25:03,669 --> 00:25:02,320
good point very few uh even municipal

658
00:25:05,110 --> 00:25:03,679
systems are built for these and the fact

659
00:25:07,430 --> 00:25:05,120
that they say flushable wipes and people

660
00:25:08,870 --> 00:25:07,440
just run these down the turret so it's

661
00:25:11,029 --> 00:25:08,880
not you got to take out your toilet

662
00:25:13,029 --> 00:25:11,039
ramrod and ram those things down

663
00:25:14,870 --> 00:25:13,039

backbone like a ramrod dude i throw

664

00:25:16,789 --> 00:25:14,880

everything i throw everything in the

665

00:25:18,470 --> 00:25:16,799

toilet like you know those the masks

666

00:25:20,870 --> 00:25:18,480

that i use

667

00:25:23,110 --> 00:25:20,880

those in the toilet like after every i

668

00:25:24,870 --> 00:25:23,120

put like the plastic i'm so i'm just

669

00:25:27,110 --> 00:25:24,880

testing the system

670

00:25:28,950 --> 00:25:27,120

it is you're serious like you you

671

00:25:31,350 --> 00:25:28,960

flush cardboard down the toilet your

672

00:25:33,350 --> 00:25:31,360

amazon packaging try your dryer lint you

673

00:25:34,870 --> 00:25:33,360

name it it's all growing

674

00:25:37,190 --> 00:25:34,880

if you if

675

00:25:38,950 --> 00:25:37,200

so if you put dryer lint in the toilet

676

00:25:39,830 --> 00:25:38,960

and wait for a while it looks like a

677

00:25:42,310 --> 00:25:39,840

ghost

678

00:25:44,230 --> 00:25:42,320

oh wow that's scary can you take a

679

00:25:48,470 --> 00:25:44,240

picture next time post that instagram

680

00:25:51,350 --> 00:25:50,149

and joe are those are those sparkling

681

00:25:52,549 --> 00:25:51,360

ghosts

682

00:25:55,029 --> 00:25:52,559

are they clean

683

00:25:58,390 --> 00:25:55,039

i'm gonna have to bleach my uh well yeah

684

00:26:01,029 --> 00:25:58,400

when i do the white laundry i'll do that

685

00:26:04,789 --> 00:26:02,950

uh by the way this story and the uh the

686

00:26:06,310 --> 00:26:04,799

the rickshaw story both uh

687

00:26:09,430 --> 00:26:06,320

brought to us by our good friend herman

688

00:26:11,269 --> 00:26:09,440

from holland who is currently

689

00:26:12,710 --> 00:26:11,279

starting fist fights with german farmers

690

00:26:14,149 --> 00:26:12,720

or something i'm not sure what's good

691

00:26:17,830 --> 00:26:14,159

thank you herman for taking the time out

692

00:26:19,510 --> 00:26:17,840

of your brawling days to find this news

693

00:26:21,590 --> 00:26:19,520

i think it's his injuries healed tonight

694

00:26:23,269 --> 00:26:21,600

you can go back to get roughing up

695

00:26:26,310 --> 00:26:23,279

people on the street you can use these

696

00:26:28,230 --> 00:26:26,320

tesco wipes to clean yourself up 99 uh

697

00:26:30,230 --> 00:26:28,240

bacteria killed right there clean your

698

00:26:31,510 --> 00:26:30,240

wounds cleans german blood right off

699

00:26:33,269 --> 00:26:31,520

your clothes

700

00:26:35,590 --> 00:26:33,279

how's this end so a spokesperson for

701
00:26:36,950 --> 00:26:35,600
tesco said we are sorry to hear about

702
00:26:39,510 --> 00:26:36,960
this

703
00:26:42,470 --> 00:26:39,520
uh we make the labeling on our packaging

704
00:26:45,269 --> 00:26:42,480
as clear as possible for customers our

705
00:26:47,909 --> 00:26:45,279
toilet roll and related products are

706
00:26:48,870 --> 00:26:47,919
also in separate aisles in the risk

707
00:26:50,470 --> 00:26:48,880
extra

708
00:26:52,230 --> 00:26:50,480
uh and so there's a they're in a

709
00:26:54,390 --> 00:26:52,240
different aisle from the cleaning aisle

710
00:26:56,549 --> 00:26:54,400
so blame your girlfriend who bought this

711
00:26:58,549 --> 00:26:56,559
and put it next to the toilet hey man it

712
00:27:01,269 --> 00:26:58,559
doesn't say i can't use these on my ass

713
00:27:03,269 --> 00:27:01,279

yeah it doesn't say it and it doesn't

714

00:27:04,830 --> 00:27:03,279

say on this on this packaging it does

715

00:27:07,269 --> 00:27:04,840

not say not

716

00:27:08,789 --> 00:27:07,279

for human consumption i don't know what

717

00:27:13,350 --> 00:27:08,799

it really would say it would not for

718

00:27:15,669 --> 00:27:13,360

human use not for your bung hole yeah

719

00:27:17,830 --> 00:27:15,679

i just use the toilet brush

720

00:27:19,830 --> 00:27:17,840

that'll do it right

721

00:27:22,470 --> 00:27:19,840

i use the plunger to see if there's

722

00:27:23,750 --> 00:27:22,480

anything left plunge

723

00:27:25,269 --> 00:27:23,760

to remove

724

00:27:27,830 --> 00:27:25,279

the chunks

725

00:27:29,029 --> 00:27:27,840

and the toilet brush to scrape off the

726
00:27:31,110 --> 00:27:29,039
debris

727
00:27:32,789 --> 00:27:31,120
sure toothbrush for precision work and

728
00:27:36,070 --> 00:27:32,799
then

729
00:27:39,750 --> 00:27:38,070
oh my god

730
00:27:42,870 --> 00:27:39,760
jesus christ

731
00:27:46,710 --> 00:27:44,950
that grand finale [h__h] cracks me up

732
00:27:49,269 --> 00:27:46,720
they're clean he's clean down there no

733
00:27:51,430 --> 00:27:49,279
doubt about that grab your monkey pops

734
00:27:53,269 --> 00:27:51,440
off same clean they're like the same

735
00:27:54,549 --> 00:27:53,279
level of clean why did why were these

736
00:27:56,549 --> 00:27:54,559
not listed as something that new york

737
00:27:58,389 --> 00:27:56,559
city says you need this when a bomb goes

738
00:28:00,950 --> 00:27:58,399

off get your bleach wipes well that's

739

00:28:03,350 --> 00:28:00,960

what the bleach is for oh yeah kim

740

00:28:04,549 --> 00:28:03,360

iverson did say but that wasn't in wipe

741

00:28:06,549 --> 00:28:04,559

form joe

742

00:28:11,909 --> 00:28:06,559

i don't want liquid bleach i want white

743

00:28:16,310 --> 00:28:14,070

i want my irradiated corpse to sparkle

744

00:28:17,909 --> 00:28:16,320

when they find it

745

00:28:19,430 --> 00:28:17,919

you got one more story for us i know i

746

00:28:20,870 --> 00:28:19,440

got a bunch more but yeah let's pick one

747

00:28:23,269 --> 00:28:20,880

more let's see uh let me write off a few

748

00:28:24,789 --> 00:28:23,279

headlines here um

749

00:28:25,990 --> 00:28:24,799

oh that's just two poop stories in a row

750

00:28:28,830 --> 00:28:26,000

probably can't do that amazon delivery

751

00:28:30,789 --> 00:28:28,840

driver keeps defecating in the street

752

00:28:32,870 --> 00:28:30,799

um

753

00:28:34,230 --> 00:28:32,880

that always happens doesn't it seem like

754

00:28:35,590 --> 00:28:34,240

we covered it

755

00:28:37,430 --> 00:28:35,600

very often

756

00:28:38,630 --> 00:28:37,440

it seems like that's like

757

00:28:40,470 --> 00:28:38,640

it's got to be on their resume before

758

00:28:43,269 --> 00:28:40,480

they're hired stop drinking coffee while

759

00:28:45,909 --> 00:28:43,279

you're driving folks can you take a crap

760

00:28:48,149 --> 00:28:45,919

in weird scenarios

761

00:28:50,070 --> 00:28:48,159

without missing deliveries um

762

00:28:52,070 --> 00:28:50,080

florida man tries to elude deputies on a

763

00:28:53,990 --> 00:28:52,080

riding lawnmower that's some good news

764

00:28:56,230 --> 00:28:54,000

on that front uh we got a guy who gets

765

00:28:58,630 --> 00:28:56,240

stuck in the stove pipe at a pizza

766

00:29:00,630 --> 00:28:58,640

restaurant trying to break in hmm what

767

00:29:03,430 --> 00:29:00,640

kind of pizza restaurant was it uh

768

00:29:05,269 --> 00:29:03,440

little caesars oh bro really yeah no no

769

00:29:07,750 --> 00:29:05,279

no move on what else

770

00:29:09,269 --> 00:29:07,760

uh we got a um a distillery that's

771

00:29:10,230 --> 00:29:09,279

taking crabs and turning them into

772

00:29:12,470 --> 00:29:10,240

whiskey

773

00:29:13,909 --> 00:29:12,480

that that i think sounds kind of what

774

00:29:16,870 --> 00:29:13,919

else what's the next one

775

00:29:18,870 --> 00:29:16,880

uh we uh the last one i have is a

776

00:29:20,310 --> 00:29:18,880

detailed video of the horizon employee

777

00:29:21,909 --> 00:29:20,320

from four years ago and he stole that

778

00:29:24,070 --> 00:29:21,919

plane from ctac and was doing loops and

779

00:29:25,669 --> 00:29:24,080

[h__h] so yeah i i want to do the one

780

00:29:27,350 --> 00:29:25,679

before it the whiskey i don't know mike

781

00:29:29,830 --> 00:29:27,360

what do you think yeah fine whiskey

782

00:29:33,750 --> 00:29:29,840

crabs let's do it whiskey crabs

783

00:29:38,070 --> 00:29:35,909

whiskey crabs gonna be careful with

784

00:29:40,310 --> 00:29:38,080

those uh spanish uh orgies at the

785

00:29:42,870 --> 00:29:40,320

bathrooms i got monkey pox and whiskey

786

00:29:45,590 --> 00:29:42,880

crabs crabs

787

00:29:47,990 --> 00:29:45,600

a distillery is fighting invasive crabs

788

00:29:49,430 --> 00:29:48,000

by turning them into whiskey i love that

789

00:29:51,669 --> 00:29:49,440

headline

790

00:29:53,269 --> 00:29:51,679

i'm not a big seafood guy i bet i can

791

00:29:55,190 --> 00:29:53,279

drink this

792

00:29:57,029 --> 00:29:55,200

dip it in butter

793

00:29:59,190 --> 00:29:57,039

uh yeah

794

00:30:01,190 --> 00:29:59,200

they're small they're green they're

795

00:30:06,149 --> 00:30:01,200

crustaceans and now

796

00:30:10,549 --> 00:30:08,230

green crabs are an invasive pest that

797

00:30:13,110 --> 00:30:10,559

have plagued north america's marine

798

00:30:15,110 --> 00:30:13,120

ecosystem for more than 200 years uh new

799

00:30:17,830 --> 00:30:15,120

hampshire distillery is taking on the

800

00:30:20,389 --> 00:30:17,840

problem by using them to make green crab

801
00:30:22,310 --> 00:30:20,399
flavored whiskey green crabs are so

802
00:30:24,950 --> 00:30:22,320
abundant that they are it's going to

803
00:30:27,430 --> 00:30:24,960
take a lot more than whiskey to curb the

804
00:30:29,669 --> 00:30:27,440
population but some hope bringing

805
00:30:32,070 --> 00:30:29,679
awareness to the issue will lead to

806
00:30:34,950 --> 00:30:32,080
creative solutions so yeah you have crab

807
00:30:38,870 --> 00:30:34,960
whiskey crab cakes crab bread

808
00:30:41,590 --> 00:30:38,880
crab but gin crab vodka grab everything

809
00:30:45,350 --> 00:30:41,600
just grab everything

810
00:30:48,470 --> 00:30:45,360
uh green see uh tamworth tamworth

811
00:30:50,950 --> 00:30:48,480
distillery distilleries crab trapper

812
00:30:53,669 --> 00:30:50,960
whiskey uh get some of this flavor from

813
00:30:55,510 --> 00:30:53,679

green green crabs caught off the coast

814

00:30:57,590 --> 00:30:55,520

the crabs hitched a ride to the united

815

00:30:59,430 --> 00:30:57,600

states on ships coming from europe in

816

00:31:01,669 --> 00:30:59,440

the 1800s

817

00:31:06,070 --> 00:31:01,679

here they ate tons of shellfish and

818

00:31:07,990 --> 00:31:06,080

destroyed uh estuaries and fish habitats

819

00:31:09,350 --> 00:31:08,000

so okay so they're really screwing up

820

00:31:10,950 --> 00:31:09,360

they're really mucking up the works down

821

00:31:12,470 --> 00:31:10,960

here

822

00:31:14,870 --> 00:31:12,480

why can't you just like eat them like

823

00:31:16,870 --> 00:31:14,880

normal crabs are they too small

824

00:31:19,350 --> 00:31:16,880

like if they're so plentiful

825

00:31:21,110 --> 00:31:19,360

it seems like we'll just

826

00:31:22,389 --> 00:31:21,120

fish him and capture him like all other

827

00:31:24,389 --> 00:31:22,399

crabs and then

828

00:31:25,990 --> 00:31:24,399

process where's bubba gump when you need

829

00:31:27,669 --> 00:31:26,000

him exactly

830

00:31:31,029 --> 00:31:27,679

that dude show up he you know you get

831

00:31:33,990 --> 00:31:31,039

this this mental guy from uh

832

00:31:35,990 --> 00:31:34,000

alabama and he he cooked that [h__h] right

833

00:31:37,430 --> 00:31:36,000

up yeah we didn't give a [h__h]

834

00:31:40,070 --> 00:31:37,440

[h__h]

835

00:31:41,669 --> 00:31:40,080

uh william robinson the developer a

836

00:31:43,190 --> 00:31:41,679

product developer for the tamworth

837

00:31:46,070 --> 00:31:43,200

distillery who had the idea for the

838

00:31:48,389 --> 00:31:46,080

project said that the crabs were cleaned

839

00:31:50,549 --> 00:31:48,399

and prepared just like any other crab

840

00:31:52,710 --> 00:31:50,559

you might order at a restaurant what do

841

00:31:54,950 --> 00:31:52,720

i care they're being distilled

842

00:31:56,870 --> 00:31:54,960

make them as dirty as hell i don't care

843

00:31:59,350 --> 00:31:56,880

wipe them with those tesco flush doesn't

844

00:32:01,669 --> 00:31:59,360

the formation information from

845

00:32:05,830 --> 00:32:01,679

fermentation process like pretty much

846

00:32:10,230 --> 00:32:07,909

doesn't actually it grows bacteria i

847

00:32:13,350 --> 00:32:10,240

think but yeast i thought but

848

00:32:15,830 --> 00:32:13,360

maybe yeast i don't know what yeast is

849

00:32:17,990 --> 00:32:15,840

uh let's see here um

850

00:32:19,269 --> 00:32:18,000

how much does this cost so joe this

851

00:32:21,269 --> 00:32:19,279

comes in small bottles that you can

852

00:32:22,870 --> 00:32:21,279

order for the apocalypse you can use

853

00:32:24,470 --> 00:32:22,880

yeah for the apocalypse give me a pint i

854

00:32:26,470 --> 00:32:24,480

got a pint of crab whiskey that's all

855

00:32:28,470 --> 00:32:26,480

i've got so when people come by your

856

00:32:30,470 --> 00:32:28,480

apartment begging for something to drink

857

00:32:33,230 --> 00:32:30,480

like here you go here's some crab

858

00:32:33,240 --> 00:32:37,029

congratulations i would

859

00:32:41,509 --> 00:32:39,110

sorry i would try this

860

00:32:45,509 --> 00:32:41,519

yeah but uh

861

00:32:47,269 --> 00:32:45,519

yeah yeah yeah the uh i was gonna say um

862

00:32:48,870 --> 00:32:47,279

i wonder how how many other people would

863

00:32:50,870 --> 00:32:48,880

try like if you're in a pinch like why

864

00:32:52,710 --> 00:32:50,880

not i would i would try this i'm not

865

00:32:54,870 --> 00:32:52,720

like a big drinker anymore but this is

866

00:32:56,630 --> 00:32:54,880

like so like interesting unique i would

867

00:32:57,430 --> 00:32:56,640

i would i would try some so joe what

868

00:32:59,590 --> 00:32:57,440

you're saying is you're going to save

869

00:33:02,230 --> 00:32:59,600

the pappy van winkle for for good stuff

870

00:33:04,549 --> 00:33:02,240

but uh when the in-laws come over it's

871

00:33:06,870 --> 00:33:04,559

it's crab whiskey's crab whiskey and old

872

00:33:09,590 --> 00:33:06,880

chicken

873

00:33:12,630 --> 00:33:09,600

you know i actually uh just an off

874

00:33:15,029 --> 00:33:12,640

topic story to some extent but um

875

00:33:16,549 --> 00:33:15,039

we had like an after work

876

00:33:18,950 --> 00:33:16,559

happy hour

877

00:33:20,710 --> 00:33:18,960

and uh

878

00:33:23,190 --> 00:33:20,720

there were a couple of people in the

879

00:33:25,830 --> 00:33:23,200

creative department who

880

00:33:28,230 --> 00:33:25,840

were ordering it was like oh you know

881

00:33:30,310 --> 00:33:28,240

the agency's gonna pay for it and these

882

00:33:32,549 --> 00:33:30,320

[h__\h] were ordering shots of

883

00:33:34,710 --> 00:33:32,559

pappy van winkle like one after the

884

00:33:35,830 --> 00:33:34,720

other and we all left within like 20

885

00:33:38,789 --> 00:33:35,840

minutes

886

00:33:41,669 --> 00:33:38,799

what is pappy van winkle

887

00:33:43,750 --> 00:33:41,679

is it kentucky bourbon is it's

888

00:33:46,149 --> 00:33:43,760

radically expensive oh it's really

889

00:33:47,750 --> 00:33:46,159

really good stuff okay it's it's very

890

00:33:49,830 --> 00:33:47,760

limited well it's it's not so much that

891

00:33:52,710 --> 00:33:49,840

as much as they yeah it's good but it's

892

00:33:55,669 --> 00:33:52,720

made in very very small quantities

893

00:33:57,190 --> 00:33:55,679

and distilled over over what uh

894

00:33:58,950 --> 00:33:57,200

12 years something like that anyway it's

895

00:34:00,950 --> 00:33:58,960

small expensive it's a very small batch

896

00:34:03,269 --> 00:34:00,960

actually

897

00:34:05,269 --> 00:34:03,279

yeah i guess if if you had to pick three

898

00:34:07,110 --> 00:34:05,279

alcohols for the apocalypse this is this

899

00:34:09,349 --> 00:34:07,120

is my this is what i'm gonna get you're

900

00:34:11,669 --> 00:34:09,359

gonna go cuckoo machanga no no no i'm

901
00:34:13,270 --> 00:34:11,679
i'm i'm not going to cucumber junga i

902
00:34:15,829 --> 00:34:13,280
i'm getting tuna

903
00:34:18,629 --> 00:34:15,839
uh i'm not getting kona or anything like

904
00:34:22,710 --> 00:34:18,639
that i'm getting white claw

905
00:34:26,470 --> 00:34:24,790
look at zima

906
00:34:28,389 --> 00:34:26,480
i've been reporting that

907
00:34:31,669 --> 00:34:28,399
crystal pepsi

908
00:34:35,430 --> 00:34:33,430
uh i'm gonna get uh

909
00:34:38,629 --> 00:34:35,440
two bottles of bullet rye whiskey

910
00:34:40,550 --> 00:34:38,639
two large uh bottles of like uh like

911
00:34:42,550 --> 00:34:40,560
gray goose or some kind of really good

912
00:34:44,149 --> 00:34:42,560
uh vodka maybe even tito's hot cheetos a

913
00:34:46,389 --> 00:34:44,159

lot

914

00:34:49,190 --> 00:34:46,399

and i need like a really

915

00:34:51,270 --> 00:34:49,200

like a third variety like whiskey like

916

00:34:52,869 --> 00:34:51,280

vodka and i need something else well

917

00:34:55,270 --> 00:34:52,879

tequila is always everybody loves

918

00:34:58,150 --> 00:34:55,280

tequila i would again

919

00:34:58,950 --> 00:34:58,160

vodka is gin for boring people just get

920

00:34:59,670 --> 00:34:58,960

jam

921

00:35:00,550 --> 00:34:59,680

no

922

00:35:14,870 --> 00:35:00,560

i

923

00:35:17,109 --> 00:35:14,880

get crab flavored vodka

924

00:35:19,829 --> 00:35:17,119

if it's crab flavored maybe

925

00:35:22,550 --> 00:35:21,430

who would you drink that nobody's

926
00:35:24,550 --> 00:35:22,560
drinking that

927
00:35:26,069 --> 00:35:24,560
they have the apocalypse that that crab

928
00:35:29,270 --> 00:35:26,079
whiskey's looking pretty good yeah it

929
00:35:31,750 --> 00:35:29,280
doesn't look too bad at that point

930
00:35:33,670 --> 00:35:31,760
[Music]

931
00:35:35,109 --> 00:35:33,680
you start that on day one as soon as the

932
00:35:36,390 --> 00:35:35,119
bomb goes off

933
00:35:37,190 --> 00:35:36,400
shove the women and children out of the

934
00:35:39,430 --> 00:35:37,200
way

935
00:35:41,589 --> 00:35:39,440
you strip naked and get clean wipe

936
00:35:43,750 --> 00:35:41,599
yourself down with some flushable tesco

937
00:35:44,710 --> 00:35:43,760
bleach free sparkle wipes

938
00:35:47,109 --> 00:35:44,720

and then

939

00:35:49,109 --> 00:35:47,119

right into the crab whiskey

940

00:35:50,870 --> 00:35:49,119

give it crab whiskey take take your

941

00:35:52,630 --> 00:35:50,880

shirt off and

942

00:35:55,349 --> 00:35:52,640

i think you could actually sub the

943

00:35:57,829 --> 00:35:55,359

bleach for the whiskey because it is

944

00:36:00,870 --> 00:35:57,839

like they're very cleaning like

945

00:36:03,270 --> 00:36:00,880

are you gonna care about your whites

946

00:36:05,589 --> 00:36:03,280

not racist folks but like you know your

947

00:36:07,829 --> 00:36:05,599

socks and whatever who's wearing white

948

00:36:10,069 --> 00:36:07,839

you gotta get it like a black hoodie you

949

00:36:12,870 --> 00:36:10,079

know what i mean and like a gas mask

950

00:36:15,030 --> 00:36:12,880

yeah should push everyone outside

951
00:36:16,710 --> 00:36:15,040
grab your crab whiskey [\h__\h] your shotgun

952
00:36:18,150 --> 00:36:16,720
take your shirt off

953
00:36:26,790 --> 00:36:18,160
wash your hands and you're ready for the

954
00:36:26,800 --> 00:36:31,270
oh good lord preparing for the end

955
00:36:34,550 --> 00:36:32,550
someone needs to make a realistic

956
00:36:36,230 --> 00:36:34,560
version of that psa with with the same

957
00:36:37,109 --> 00:36:36,240
shitty overlay graphics and stuff but

958
00:36:38,829 --> 00:36:37,119
just uh

959
00:36:40,310 --> 00:36:38,839
how is that how is it actually gonna

960
00:36:42,069 --> 00:36:40,320
work you're going to grab your nintendo

961
00:36:44,310 --> 00:36:42,079
switch you're going to uh you're going

962
00:36:46,390 --> 00:36:44,320
to get your phone but not the charger

963
00:36:47,829 --> 00:36:46,400

um you're going to get one shoe missing

964

00:36:49,030 --> 00:36:47,839

the other one it's going to be it's

965

00:36:50,870 --> 00:36:49,040

going to be mayhem and you've got about

966

00:36:53,190 --> 00:36:50,880

three days until society breaks down so

967

00:36:54,470 --> 00:36:53,200

i thought about this like so it's like a

968

00:36:56,550 --> 00:36:54,480

small

969

00:36:58,550 --> 00:36:56,560

nuke bomb goes off in columbus it takes

970

00:36:59,990 --> 00:36:58,560

out a good chunk of the electronics we

971

00:37:01,990 --> 00:37:00,000

might have something up here i do have

972

00:37:03,990 --> 00:37:02,000

like it just be depending on how

973

00:37:05,750 --> 00:37:04,000

powerful the mp is i might have

974

00:37:07,750 --> 00:37:05,760

something but there's not going to be

975

00:37:09,670 --> 00:37:07,760

any internet there's not going to be

976

00:37:12,390 --> 00:37:09,680

any infrastructure i do have some

977

00:37:14,470 --> 00:37:12,400

battery backup uh i do have like a good

978

00:37:16,790 --> 00:37:14,480

get your head get your ham radio out man

979

00:37:18,870 --> 00:37:16,800

i gotta get my ham radio but for

980

00:37:21,990 --> 00:37:18,880

entertainment correction entertainment

981

00:37:23,829 --> 00:37:22,000

like i i have like a portable uh you

982

00:37:25,910 --> 00:37:23,839

know i got my nas backup of all my

983

00:37:28,150 --> 00:37:25,920

movies but i need something portable so

984

00:37:30,150 --> 00:37:28,160

i have like the uh the plex internal

985

00:37:32,870 --> 00:37:30,160

server that i could possibly spin up

986

00:37:34,829 --> 00:37:32,880

using my my uh solar power batteries to

987

00:37:37,190 --> 00:37:34,839

so i can watch star trek in the

988

00:37:39,910 --> 00:37:37,200

apocalypse uh for at least a few hours a

989

00:37:42,390 --> 00:37:39,920

day just to get me through uh the hump

990

00:37:43,990 --> 00:37:42,400

and the starvation so a few years after

991

00:37:45,430 --> 00:37:44,000

the apocalypse people find you you'll be

992

00:37:48,230 --> 00:37:45,440

like hey check it out i got the entire

993

00:37:50,150 --> 00:37:48,240

uh second season of sequest dsv on

994

00:37:51,829 --> 00:37:50,160

exactly i'm going to become the ruler of

995

00:37:55,510 --> 00:37:51,839

the wasteland because i have every

996

00:37:58,069 --> 00:37:55,520

episode of star trek the next generation

997

00:38:00,150 --> 00:37:58,079

could there be some sort of cloning

998

00:38:01,829 --> 00:38:00,160

involved here of course there is

999

00:38:04,470 --> 00:38:01,839

don't have voyager because [\h__\h] that

1000

00:38:05,670 --> 00:38:04,480

show

1001
00:38:07,190 --> 00:38:05,680
all right guys i think we got to get out

1002
00:38:09,270 --> 00:38:07,200
of here i think it's time i think so i

1003
00:38:12,790 --> 00:38:09,280
think we've ruined it all right

1004
00:38:15,910 --> 00:38:12,800
here's to the finest crew in starfleet

1005
00:38:21,430 --> 00:38:19,109
i think we'll be back on saturday

1006
00:38:23,589 --> 00:38:21,440
i think that's happening i have no idea

1007
00:38:25,109 --> 00:38:23,599
what's gonna happen then but it'll all

1008
00:38:26,790 --> 00:38:25,119
be happening though i'm sure more more

1009
00:38:31,430 --> 00:38:26,800
news will happen between

1010
00:38:36,069 --> 00:38:33,829
i do want to try the the crab whiskey

1011
00:38:38,470 --> 00:38:36,079
you can't order alcohol online and have

1012
00:38:41,589 --> 00:38:38,480
it sent to you can you i think thank you

1013
00:38:43,589 --> 00:38:41,599

some states you can say you can't

1014

00:38:44,630 --> 00:38:43,599

joe said yes like yes you can i do it

1015

00:38:46,470 --> 00:38:44,640

every day well it's texas you do

1016

00:38:48,950 --> 00:38:46,480

whatever the hell you want they have

1017

00:38:49,510 --> 00:38:48,960

drive-throughs here and uh you could do

1018

00:38:50,950 --> 00:38:49,520

doordash

1019

00:38:54,310 --> 00:38:50,960

[Music]

1020

00:38:56,550 --> 00:38:54,320

really doordash alcohol man

1021

00:38:59,510 --> 00:38:56,560

this is how people have to get like

1022

00:39:01,829 --> 00:38:59,520

forklift and uh crane lifted out of

1023

00:39:04,310 --> 00:39:01,839

their houses because

1024

00:39:05,910 --> 00:39:04,320

nobody says all right we need you to we

1025

00:39:09,190 --> 00:39:05,920

need to cut you off it's like they're

1026

00:39:10,630 --> 00:39:09,200

just it's like they got [\h__\h]

1027

00:39:12,829 --> 00:39:10,640

you know

1028

00:39:15,109 --> 00:39:12,839

donuts and three meals a day from

1029

00:39:16,420 --> 00:39:15,119

chachos yeah exactly

1030

00:39:19,349 --> 00:39:16,430

one meal is probably enough

1031

00:39:21,349 --> 00:39:19,359

[Music]

1032

00:39:23,510 --> 00:39:21,359

you know they have like uh gift cards

1033

00:39:26,470 --> 00:39:23,520

for like doordash like i've never used

1034

00:39:29,270 --> 00:39:26,480

doordash once but my my stepdaughter

1035

00:39:31,270 --> 00:39:29,280

loves it my nephew chan he loves door

1036

00:39:33,829 --> 00:39:31,280

dash i mean they're college kids

1037

00:39:35,990 --> 00:39:33,839

and like so far chan's birthday he gave

1038

00:39:37,990 --> 00:39:36,000

me like a 50 gift card for doordash and

1039

00:39:40,069 --> 00:39:38,000

he was like more excited about that than

1040

00:39:41,430 --> 00:39:40,079

any of the other presents he used

1041

00:39:43,829 --> 00:39:41,440

immediately

1042

00:39:45,829 --> 00:39:43,839

i guess it's a big deal like uh kids

1043

00:39:47,829 --> 00:39:45,839

love it and i just it's a real time

1044

00:39:49,349 --> 00:39:47,839

saver i got well i got one from work and

1045

00:39:51,109 --> 00:39:49,359

i was like i don't i wouldn't use this

1046

00:39:52,950 --> 00:39:51,119

[h__h] on my own and then i was like i

1047

00:39:54,710 --> 00:39:52,960

want to use this because i don't want to

1048

00:39:56,550 --> 00:39:54,720

have to go anywhere and i work from home

1049

00:39:57,040 --> 00:39:56,560

so bring that [h__h] to me [h__h] what'd

1050

00:39:58,230 --> 00:39:57,050

you order

1051
00:40:00,790 --> 00:39:58,240
[Music]

1052
00:40:02,710 --> 00:40:00,800
i mean the nameless restaurants around

1053
00:40:04,550 --> 00:40:02,720
here it wasn't cha cho's

1054
00:40:07,270 --> 00:40:04,560
i thought you could say you ordered more

1055
00:40:13,560 --> 00:40:07,280
more tor dash gift cigarettes

1056
00:40:21,030 --> 00:40:16,309
[Music]

1057
00:40:22,870 --> 00:40:21,040
and coca-cola and aspirin and lighters

1058
00:40:24,710 --> 00:40:22,880
and ice cream

1059
00:40:26,790 --> 00:40:24,720
and potato chips

1060
00:40:28,630 --> 00:40:26,800
and magazines you're racking it up we're

1061
00:40:31,750 --> 00:40:28,640
way past the gift card

1062
00:40:34,309 --> 00:40:31,760
they're taking like 15 trips to my house

1063
00:40:37,540 --> 00:40:34,319

he's like you're just my butler now

1064

00:40:38,790 --> 00:40:37,550

this says random magazine you choose

1065

00:40:40,790 --> 00:40:38,800

[Music]

1066

00:40:42,630 --> 00:40:40,800

here you go you got the choice of sunset

1067

00:40:44,470 --> 00:40:42,640

or uh guns and ammo yeah i'll take it

1068

00:40:47,349 --> 00:40:44,480

whatever you got

1069

00:40:49,109 --> 00:40:47,359

uh let's see i got a story about um

1070

00:40:51,030 --> 00:40:49,119

skittles did anyone pick up on the

1071

00:40:52,390 --> 00:40:51,040

skittles stories no i didn't i don't i

1072

00:40:54,309 --> 00:40:52,400

love candy news

1073

00:40:57,510 --> 00:40:54,319

all right here's some candy news well in

1074

00:40:58,950 --> 00:40:57,520

the rainbow i hate when i do um

1075

00:41:00,630 --> 00:40:58,960

fast food news so instead here's some

1076
00:41:01,589 --> 00:41:00,640
candy people do like the fast food news

1077
00:41:03,670 --> 00:41:01,599
i don't think

1078
00:41:05,430 --> 00:41:03,680
uh i think there's a small

1079
00:41:08,390 --> 00:41:05,440
like there's a tiny minority a very

1080
00:41:10,870 --> 00:41:08,400
vocal minority i like the fast food news

1081
00:41:13,109 --> 00:41:10,880
how do we get the raccoon story exactly

1082
00:41:14,870 --> 00:41:13,119
like what and even another conspiracy

1083
00:41:16,710 --> 00:41:14,880
podcast that covers fast food news as

1084
00:41:18,630 --> 00:41:16,720
well i don't think there's a one

1085
00:41:19,430 --> 00:41:18,640
we're it they also like when i complain

1086
00:41:23,190 --> 00:41:19,440
so i'm gonna complain about the

1087
00:41:27,589 --> 00:41:25,510
yeah you're bringing the reap bunk yeah

1088
00:41:30,390 --> 00:41:27,599

i'm rebunking things here so there's

1089

00:41:33,030 --> 00:41:30,400

some skittle news for you all right uh

1090

00:41:35,589 --> 00:41:33,040

taste the toxins skittles unfit for

1091

00:41:37,510 --> 00:41:35,599

human consumption lawsuit claims i love

1092

00:41:39,589 --> 00:41:37,520

that headline you didn't need the

1093

00:41:41,750 --> 00:41:39,599

[h__\h] lawsuit for that

1094

00:41:43,510 --> 00:41:41,760

well there's more to the story here uh

1095

00:41:45,030 --> 00:41:43,520

let's see a lawsuit filed thursday in

1096

00:41:47,589 --> 00:41:45,040

northern california federal court

1097

00:41:50,069 --> 00:41:47,599

alleges that skittles candy uh which

1098

00:41:52,790 --> 00:41:50,079

boasts a slogan taste the rainbow on the

1099

00:41:54,630 --> 00:41:52,800

account of the many colors uh contain a

1100

00:41:58,150 --> 00:41:54,640

known toxin called

1101
00:42:00,630 --> 00:41:58,160
titanium dioxide rendering them unfit

1102
00:42:02,790 --> 00:42:00,640
for human consumption

1103
00:42:07,430 --> 00:42:02,800
okay

1104
00:42:09,750 --> 00:42:07,440
uh i didn't know that uh but uh see uh

1105
00:42:11,430 --> 00:42:09,760
a resident of california filed a lawsuit

1106
00:42:13,510 --> 00:42:11,440
against mars inc

1107
00:42:15,349 --> 00:42:13,520
uh the confection company that produces

1108
00:42:16,790 --> 00:42:15,359
skittles seeking class action status and

1109
00:42:19,510 --> 00:42:16,800
alleging that people who consume

1110
00:42:22,309 --> 00:42:19,520
skittles are at a heightened risk of a

1111
00:42:24,510 --> 00:42:22,319
host of health effects or which they are

1112
00:42:27,910 --> 00:42:24,520
unaware stemming from

1113
00:42:31,589 --> 00:42:27,920

genotoxicity the ability of of a

1114

00:42:32,870 --> 00:42:31,599

chemical substance to change dna

1115

00:42:35,589 --> 00:42:32,880

that doesn't sound good it doesn't sound

1116

00:42:37,270 --> 00:42:35,599

like you want that in the candy

1117

00:42:39,109 --> 00:42:37,280

and and yet people are signing up by

1118

00:42:42,390 --> 00:42:39,119

them by the billions to have their dna

1119

00:42:44,069 --> 00:42:42,400

changed by pfizer yeah exactly

1120

00:42:45,589 --> 00:42:44,079

it is like so what do you care whether

1121

00:42:47,109 --> 00:42:45,599

if you get your vaccine from fires or

1122

00:42:49,030 --> 00:42:47,119

skittles what the hell do you care

1123

00:42:51,270 --> 00:42:49,040

sponsored by pfizer just say the

1124

00:42:54,069 --> 00:42:51,280

skittles are uh now owned by pfizer and

1125

00:42:55,910 --> 00:42:54,079

contain mrna um uh modifications they'll

1126

00:42:58,870 --> 00:42:55,920

just they'll gobble those down

1127

00:43:02,309 --> 00:42:58,880

so uh after fans uh france

1128

00:43:04,470 --> 00:43:02,319

uh banned titanium dioxide in 2019 mars

1129

00:43:06,870 --> 00:43:04,480

inc said it would comply with this

1130

00:43:08,069 --> 00:43:06,880

regulation court papers stated but you

1131

00:43:10,230 --> 00:43:08,079

know the united states doesn't have that

1132

00:43:12,309 --> 00:43:10,240

regulation so just pump it in over here

1133

00:43:14,630 --> 00:43:12,319

we love the titanium dioxide over here

1134

00:43:17,109 --> 00:43:14,640

it makes them delicious

1135

00:43:20,230 --> 00:43:17,119

uh let's see let's get down to the the

1136

00:43:22,069 --> 00:43:20,240

the end of this uh let's see here

1137

00:43:25,030 --> 00:43:22,079

a critical element in researching this

1138

00:43:27,589 --> 00:43:25,040

conclusion is that we could not exclude

1139

00:43:29,270 --> 00:43:27,599

genotoxicity concerns after consumption

1140

00:43:31,510 --> 00:43:29,280

of titanium dioxide particles the

1141

00:43:33,430 --> 00:43:31,520

authorities said after earl oral

1142

00:43:35,510 --> 00:43:33,440

ingestion the observer

1143

00:43:37,829 --> 00:43:35,520

the absorption of titanium dioxide

1144

00:43:39,510 --> 00:43:37,839

particles is low however they can

1145

00:43:41,910 --> 00:43:39,520

accumulate in the body

1146

00:43:44,550 --> 00:43:41,920

mars spokesperson said in an email that

1147

00:43:46,950 --> 00:43:44,560

the company does not comment on pending

1148

00:43:49,910 --> 00:43:46,960

legislation or litigation

1149

00:43:53,589 --> 00:43:49,920

so uh it looks like uh

1150

00:43:55,990 --> 00:43:53,599

i don't know it could it could be banned

1151
00:43:57,829 --> 00:43:56,000
i guess i want to know why it's in there

1152
00:43:59,190 --> 00:43:57,839
do you think like skittles they removed

1153
00:44:00,550 --> 00:43:59,200
it from france

1154
00:44:02,230 --> 00:44:00,560
are they just saying well we can't take

1155
00:44:04,390 --> 00:44:02,240
it out of skittles so we just won't sell

1156
00:44:06,309 --> 00:44:04,400
anymore in france that's a huge skittles

1157
00:44:07,750 --> 00:44:06,319
market i would imagine the french love

1158
00:44:10,870 --> 00:44:07,760
skittles

1159
00:44:12,069 --> 00:44:10,880
they love the stuff

1160
00:44:13,990 --> 00:44:12,079
and so yeah

1161
00:44:15,750 --> 00:44:14,000
if they remove titanium dioxide does the

1162
00:44:17,670 --> 00:44:15,760
entire skittle just fall apart like it

1163
00:44:19,270 --> 00:44:17,680

has no more structural integrity and

1164

00:44:21,109 --> 00:44:19,280

it's just a bunch of dust

1165

00:44:23,030 --> 00:44:21,119

that's what uh it's what gives them

1166

00:44:25,910 --> 00:44:23,040

their their thin candy shell

1167

00:44:28,390 --> 00:44:25,920

maybe titanium dioxide okay well hey i'm

1168

00:44:30,150 --> 00:44:28,400

not a big skittles fan so uh i think

1169

00:44:31,990 --> 00:44:30,160

they can just go to hell

1170

00:44:33,190 --> 00:44:32,000

[h__\h] them

1171

00:44:34,790 --> 00:44:33,200

i don't like it it's not my favorite

1172

00:44:36,870 --> 00:44:34,800

candy and in fact i think it's almost

1173

00:44:38,470 --> 00:44:36,880

like it is like one step above candy

1174

00:44:39,430 --> 00:44:38,480

corn in my opinion

1175

00:44:41,190 --> 00:44:39,440

yeah

1176

00:44:43,589 --> 00:44:41,200

really no i mean i don't know i'd go for

1177

00:44:44,470 --> 00:44:43,599

a skittle before candy corn but

1178

00:44:45,750 --> 00:44:44,480

uh yeah

1179

00:44:47,910 --> 00:44:45,760

it's like one would you rather have a

1180

00:44:49,990 --> 00:44:47,920

kitkat or would you rather have skittles

1181

00:44:51,430 --> 00:44:50,000

[h__\h] a kitkat all the way yeah

1182

00:44:52,870 --> 00:44:51,440

absolutely

1183

00:44:54,230 --> 00:44:52,880

what about one of those weird kitkats

1184

00:44:55,349 --> 00:44:54,240

that have different flavors but similar

1185

00:44:56,470 --> 00:44:55,359

packaging and if you don't notice you

1186

00:44:59,109 --> 00:44:56,480

get one at the grocery store when you're

1187

00:45:01,349 --> 00:44:59,119

picking up your magazines and and

1188

00:45:04,069 --> 00:45:01,359

pop-tarts that's an abomination i'm a

1189

00:45:05,190 --> 00:45:04,079

purist same with the reese's peanut

1190

00:45:07,430 --> 00:45:05,200

butter cups they're doing these

1191

00:45:09,109 --> 00:45:07,440

abomination these weird mixed things

1192

00:45:11,190 --> 00:45:09,119

like all the mayonnaise flavored ones

1193

00:45:13,750 --> 00:45:11,200

mayonnaise uh mayonnaise reese's it's a

1194

00:45:16,950 --> 00:45:15,349

but i don't like these sneaking those

1195

00:45:20,069 --> 00:45:16,960

into the market hey make ten thousand to

1196

00:45:22,309 --> 00:45:20,079

see what happens yeah i i i i

1197

00:45:24,470 --> 00:45:22,319

look i won't i want my candy pure i want

1198

00:45:26,309 --> 00:45:24,480

it i don't want all these other weird

1199

00:45:27,829 --> 00:45:26,319

concoctions in there

1200

00:45:29,670 --> 00:45:27,839

i will take my cookies with crackers

1201

00:45:31,430 --> 00:45:29,680

though or oreos and rice i will take

1202

00:45:33,270 --> 00:45:31,440

that together there's a holy hybrid

1203

00:45:34,950 --> 00:45:33,280

that's a different thing

1204

00:45:39,349 --> 00:45:34,960

i'm waiting for cheese oreos wait for

1205

00:45:42,870 --> 00:45:41,349

let's stay on food related news this is

1206

00:45:44,069 --> 00:45:42,880

going to be bad news for both you guys i

1207

00:45:48,470 --> 00:45:44,079

think okay

1208

00:45:48,480 --> 00:45:51,670

we'll take it

1209

00:45:58,630 --> 00:45:53,270

all right there you go some some general

1210

00:46:05,510 --> 00:46:02,150

men under 40 shouldn't have more than a

1211

00:46:06,550 --> 00:46:05,520

shot glass of beer per day new studies

1212

00:46:08,790 --> 00:46:06,560

suggest

1213

00:46:10,790 --> 00:46:08,800

man i got mixed emotions about this one

1214

00:46:13,109 --> 00:46:10,800

i do well i mean i don't give a darn

1215

00:46:15,430 --> 00:46:13,119

because i don't drink alcohol anymore

1216

00:46:19,030 --> 00:46:15,440

uh but this is concerning

1217

00:46:23,109 --> 00:46:19,040

uh a safety limit for younger men

1218

00:46:25,349 --> 00:46:23,119

is just one small 38 milliliter shot

1219

00:46:26,870 --> 00:46:25,359

glass of beer per day a new study

1220

00:46:29,430 --> 00:46:26,880

suggests

1221

00:46:32,150 --> 00:46:29,440

women aged 39 and under can have a

1222

00:46:34,470 --> 00:46:32,160

little more two tablespoons of wine or a

1223

00:46:36,710 --> 00:46:34,480

hundred milliliters uh research is

1224

00:46:37,510 --> 00:46:36,720

drastically at odds with guidance from

1225

00:46:39,109 --> 00:46:37,520

the

1226
00:46:41,510 --> 00:46:39,119
nhs

1227
00:46:44,230 --> 00:46:41,520
which recommends britons to avoid

1228
00:46:46,390 --> 00:46:44,240
regularly drinking more than 14 units

1229
00:46:49,190 --> 00:46:46,400
per week what is a unit in britain is

1230
00:46:52,069 --> 00:46:49,200
that 14 like

1231
00:46:53,910 --> 00:46:52,079
beers i mean 14 cans i don't know what

1232
00:46:55,750 --> 00:46:53,920
they do over there

1233
00:46:57,589 --> 00:46:55,760
uh so what was how was the sentence how

1234
00:46:58,630 --> 00:46:57,599
did they use it there

1235
00:47:00,950 --> 00:46:58,640
uh

1236
00:47:01,910 --> 00:47:00,960
so okay that's an equivalent to six

1237
00:47:04,230 --> 00:47:01,920
pints

1238
00:47:08,390 --> 00:47:04,240

of average strength beer or

1239

00:47:11,589 --> 00:47:08,400

ten small glasses of low strength wine

1240

00:47:13,030 --> 00:47:11,599

however those uh of

1241

00:47:15,589 --> 00:47:13,040

40 and over

1242

00:47:17,750 --> 00:47:15,599

uh can they can actually help ward off

1243

00:47:19,430 --> 00:47:17,760

heart disease strokes and diabetes so

1244

00:47:20,790 --> 00:47:19,440

joe this is good news for you you're

1245

00:47:22,950 --> 00:47:20,800

over 40

1246

00:47:24,950 --> 00:47:22,960

so it says that drinking a little more

1247

00:47:27,349 --> 00:47:24,960

can help a ward off heart disease

1248

00:47:29,190 --> 00:47:27,359

strokes and diabetes

1249

00:47:30,549 --> 00:47:29,200

you know what i i'm never going to do a

1250

00:47:33,190 --> 00:47:30,559

shot glass of beer i'm never going to

1251
00:47:34,630 --> 00:47:33,200
drink a beer again i had one beer

1252
00:47:36,069 --> 00:47:34,640
maybe

1253
00:47:37,589 --> 00:47:36,079
eight months ago

1254
00:47:39,910 --> 00:47:37,599
and uh

1255
00:47:42,069 --> 00:47:39,920
the only reason i tried it it was corona

1256
00:47:44,390 --> 00:47:42,079
with some mezcal in it i'd never had it

1257
00:47:46,150 --> 00:47:44,400
before i was disgusted i don't think i

1258
00:47:49,109 --> 00:47:46,160
could ever drink a beer again

1259
00:47:52,150 --> 00:47:49,119
i had uh over fourth of july i had uh a

1260
00:47:54,390 --> 00:47:52,160
beer of stella because uh my

1261
00:47:55,829 --> 00:47:54,400
sister-in-law's boyfriend was uh he had

1262
00:47:56,870 --> 00:47:55,839
some beer there and he was like nah no

1263
00:47:58,630 --> 00:47:56,880

one's drinking on me so i was like you

1264

00:48:01,670 --> 00:47:58,640

know like some fruity [\h__\h] there it's

1265

00:48:02,470 --> 00:48:01,680

just stella you know and uh i had one

1266

00:48:04,630 --> 00:48:02,480

and

1267

00:48:05,510 --> 00:48:04,640

it just made me bloated i didn't feel

1268

00:48:07,910 --> 00:48:05,520

good

1269

00:48:09,750 --> 00:48:07,920

it uh it just didn't sit well with me i

1270

00:48:12,309 --> 00:48:09,760

never drank beer

1271

00:48:14,790 --> 00:48:12,319

anyways i was never a huge beer drinker

1272

00:48:16,950 --> 00:48:14,800

and it just did not sit well with me so

1273

00:48:23,270 --> 00:48:16,960

you drank rubbing alcohol

1274

00:48:28,710 --> 00:48:25,510

rubbing alcohol there's nothing to it

1275

00:48:30,630 --> 00:48:28,720

yeah well that's what i like

1276

00:48:32,230 --> 00:48:30,640

you know you what you do you get your

1277

00:48:33,109 --> 00:48:32,240

your vodka you drop a few skittles in

1278

00:48:35,750 --> 00:48:33,119

there

1279

00:48:37,510 --> 00:48:35,760

and uh you got yourself a nice drink

1280

00:48:39,030 --> 00:48:37,520

yeah let's get some fruit flavored uh

1281

00:48:40,069 --> 00:48:39,040

some fruit flavored vodka there that's

1282

00:48:42,549 --> 00:48:40,079

what you used to do back in high school

1283

00:48:44,150 --> 00:48:42,559

terrible uh if you're new to drinking

1284

00:48:46,230 --> 00:48:44,160

back in high school you buy a zima you

1285

00:48:48,150 --> 00:48:46,240

drop a few spreeds in there or skittles

1286

00:48:49,990 --> 00:48:48,160

to kind of fruiting it up and you got

1287

00:48:51,750 --> 00:48:50,000

yourself a great zima drink go get

1288

00:48:53,589 --> 00:48:51,760

yourself some bartles and james freaking

1289

00:48:54,870 --> 00:48:53,599

wine coolers if you're

1290

00:48:57,670 --> 00:48:54,880

james

1291

00:48:59,510 --> 00:48:57,680

jesus hey what happened to the barn does

1292

00:49:01,190 --> 00:48:59,520

barnald and james still exist if not can

1293

00:49:02,630 --> 00:49:01,200

we buy their brand

1294

00:49:04,950 --> 00:49:02,640

and their domain

1295

00:49:06,230 --> 00:49:04,960

but repurpose it for cryptocurrency

1296

00:49:07,670 --> 00:49:06,240

maybe

1297

00:49:10,950 --> 00:49:07,680

they've got arnolds and james

1298

00:49:13,990 --> 00:49:10,960

cryptocurrency exchange

1299

00:49:15,910 --> 00:49:14,000

that's what radio shack did

1300

00:49:17,910 --> 00:49:15,920

uh let's see partisan james they you can

1301
00:49:20,309 --> 00:49:17,920
still go to barrels.com and they sell

1302
00:49:22,870 --> 00:49:20,319
white cloth trash so

1303
00:49:25,109 --> 00:49:22,880
arnolds and james yeah i mean

1304
00:49:27,190 --> 00:49:25,119
they're like the crystal clear you

1305
00:49:28,630 --> 00:49:27,200
remember that soda

1306
00:49:33,510 --> 00:49:28,640
crystal pepsi

1307
00:49:35,750 --> 00:49:33,520
clear soda and it was like all the rage

1308
00:49:37,990 --> 00:49:35,760
for during the same time

1309
00:49:39,750 --> 00:49:38,000
it's still around but it's very like the

1310
00:49:42,390 --> 00:49:39,760
kroger brand or something

1311
00:49:44,470 --> 00:49:42,400
no it was uh it was like a nationwide

1312
00:49:46,150 --> 00:49:44,480
brand and it wasn't booze it was more

1313
00:49:49,750 --> 00:49:46,160

just like a refreshing

1314

00:49:53,190 --> 00:49:50,950

wow

1315

00:49:55,510 --> 00:49:53,200

yeah and what are bartles and james up

1316

00:49:56,470 --> 00:49:55,520

to these days maybe they were at january

1317

00:50:02,790 --> 00:49:56,480

6th

1318

00:50:07,349 --> 00:50:04,710

um no if you go to their website barrels

1319

00:50:08,790 --> 00:50:07,359

james.com j-a-y-a-m-e-s

1320

00:50:10,230 --> 00:50:08,800

um

1321

00:50:12,549 --> 00:50:10,240

it looks like they're they're marketing

1322

00:50:14,710 --> 00:50:12,559

their uh uh wine coolers is basically

1323

00:50:15,589 --> 00:50:14,720

white cloth stuff so

1324

00:50:16,790 --> 00:50:15,599

okay

1325

00:50:19,910 --> 00:50:16,800

because they're sticking up with the

1326

00:50:22,950 --> 00:50:21,910

oh one more story over there crashing

1327

00:50:24,309 --> 00:50:22,960

all right let's see what else i got here

1328

00:50:26,870 --> 00:50:24,319

i'll rattle off a few more here for you

1329

00:50:28,309 --> 00:50:26,880

guys um got a business owner who's upset

1330

00:50:30,470 --> 00:50:28,319

because he uses a version of joe's

1331

00:50:32,309 --> 00:50:30,480

favorite epithet and um

1332

00:50:33,349 --> 00:50:32,319

people don't like when you people use

1333

00:50:34,710 --> 00:50:33,359

the r word even though he doesn't

1334

00:50:36,549 --> 00:50:34,720

actually use the r word but they get

1335

00:50:38,790 --> 00:50:36,559

upset about it okay

1336

00:50:40,790 --> 00:50:38,800

uh the one maybe this one mike this one

1337

00:50:42,390 --> 00:50:40,800

uh from your old stomping grounds in

1338

00:50:45,430 --> 00:50:42,400

arizona that people are yelling at

1339

00:50:46,710 --> 00:50:45,440

tourists oh okay that's good news

1340

00:50:50,309 --> 00:50:46,720

finally i have a story about a guy who

1341

00:50:52,470 --> 00:50:50,319

pushed a peanut up pike's peak

1342

00:50:53,910 --> 00:50:52,480

that's some good news on that front it

1343

00:50:55,510 --> 00:50:53,920

is some good news in that front because

1344

00:50:57,430 --> 00:50:55,520

i've been always curious about who was

1345

00:50:58,870 --> 00:50:57,440

going to do that and some finally

1346

00:51:01,030 --> 00:50:58,880

someone did it all right i'll give you

1347

00:51:04,390 --> 00:51:01,040

that story so not only did this guy do

1348

00:51:07,270 --> 00:51:04,400

it he's not the first person

1349

00:51:09,670 --> 00:51:07,280

nor is he the second person or the third

1350

00:51:11,109 --> 00:51:09,680

so apparently this is a thing

1351

00:51:13,030 --> 00:51:11,119

okay i didn't realize this is the thing

1352

00:51:14,069 --> 00:51:13,040

but here everyone can do this i suppose

1353

00:51:16,630 --> 00:51:14,079

so

1354

00:51:19,430 --> 00:51:16,640

uh callaway colorado springs man becomes

1355

00:51:22,150 --> 00:51:19,440

fourth person to push a peanut

1356

00:51:25,190 --> 00:51:22,160

up pike's peak with his nose that's a

1357

00:51:27,750 --> 00:51:25,200

huge piece of news

1358

00:51:29,990 --> 00:51:27,760

and uh we're looking at this guy

1359

00:51:32,710 --> 00:51:30,000

he's got goggles on and then what looks

1360

00:51:35,750 --> 00:51:32,720

to be like a duct tape shovel

1361

00:51:38,069 --> 00:51:35,760

around his nose spoon taped to his nose

1362

00:51:41,030 --> 00:51:38,079

he's got like yeah like a spoon duct

1363

00:51:43,270 --> 00:51:41,040

tape to his nose which i'm assuming is

1364

00:51:45,430 --> 00:51:43,280

carrying the peanut i mean look at that

1365

00:51:48,710 --> 00:51:45,440

face it's ridiculous what he's wearing

1366

00:51:51,109 --> 00:51:48,720

it must be very difficult to breathe

1367

00:51:53,589 --> 00:51:51,119

so colorado springs man has successfully

1368

00:51:56,549 --> 00:51:53,599

pushed a peanut all the way up to the

1369

00:51:58,870 --> 00:51:56,559

summit of pike's peak with his nose bob

1370

00:52:00,630 --> 00:51:58,880

salem 53 reached the top of pike's peak

1371

00:52:03,109 --> 00:52:00,640

friday morning he broke the previous

1372

00:52:05,190 --> 00:52:03,119

verified record for the fee completing

1373

00:52:08,470 --> 00:52:05,200

the uh austria's

1374

00:52:10,950 --> 00:52:08,480

audacious task or odd date yeah

1375

00:52:12,870 --> 00:52:10,960

audacious audacious task

1376

00:52:15,270 --> 00:52:12,880

in seven days

1377

00:52:17,750 --> 00:52:15,280

uh the record previously was arduous was

1378

00:52:22,230 --> 00:52:17,760

the term yeah arduous i'm sorry i failed

1379

00:52:25,190 --> 00:52:23,589

um

1380

00:52:27,190 --> 00:52:25,200

let's see so he's the fourth person to

1381

00:52:29,109 --> 00:52:27,200

do this he beat the other guy

1382

00:52:32,390 --> 00:52:29,119

uh to avoid the heat and distraction

1383

00:52:33,670 --> 00:52:32,400

saalem said he did most of his pushing

1384

00:52:36,390 --> 00:52:33,680

after dark

1385

00:52:38,309 --> 00:52:36,400

uh quote when i did it in the daylight

1386

00:52:41,750 --> 00:52:38,319

and when i did it in the daylight and

1387

00:52:44,230 --> 00:52:41,760

stuff i'd have to stop every 10 minutes

1388

00:52:46,150 --> 00:52:44,240

i like how they left that in and stuff

1389

00:52:48,150 --> 00:52:46,160

when i did it in the daylight in stuff

1390

00:52:49,109 --> 00:52:48,160

like there's things

1391

00:52:50,390 --> 00:52:49,119

other things

1392

00:52:51,750 --> 00:52:50,400

other lighting

1393

00:52:53,750 --> 00:52:51,760

scenarios

1394

00:52:55,750 --> 00:52:53,760

other than daylight it's it it's like

1395

00:52:58,230 --> 00:52:55,760

mick west he's yeah

1396

00:52:59,990 --> 00:52:58,240

yeah they're experts on stuff he used to

1397

00:53:02,630 --> 00:53:00,000

believe in stuff that he no longer

1398

00:53:03,589 --> 00:53:02,640

believes in the stuff and stuff and this

1399

00:53:05,270 --> 00:53:03,599

guy

1400

00:53:07,270 --> 00:53:05,280

when he was in the daylight and stuff

1401
00:53:09,829 --> 00:53:07,280
you'd have to stop every 10 minutes five

1402
00:53:12,470 --> 00:53:09,839
minutes and take some pictures talk to

1403
00:53:14,950 --> 00:53:12,480
some people and do all that kind of

1404
00:53:17,270 --> 00:53:14,960
stuff so it kind of dragged out the trip

1405
00:53:18,630 --> 00:53:17,280
a little bit he said

1406
00:53:19,750 --> 00:53:18,640
you think he was blocking traffic

1407
00:53:22,309 --> 00:53:19,760
because he's crawling on his hands and

1408
00:53:24,150 --> 00:53:22,319
knees up up the road he was doing too

1409
00:53:26,950 --> 00:53:24,160
much stuff during the day so he had to

1410
00:53:29,270 --> 00:53:26,960
push the peanut up the trail at night

1411
00:53:30,950 --> 00:53:29,280
you gotta prioritize your stuff because

1412
00:53:33,430 --> 00:53:30,960
of stuff

1413
00:53:35,190 --> 00:53:33,440

uh he estimates that he used nearly two

1414

00:53:37,190 --> 00:53:35,200

dozen peanuts throughout the week what

1415

00:53:38,150 --> 00:53:37,200

do you mean by used keep reading next

1416

00:53:40,390 --> 00:53:38,160

one

1417

00:53:42,150 --> 00:53:40,400

some fell into cracks between the rocks

1418

00:53:44,230 --> 00:53:42,160

on the trail and he wasn't able to

1419

00:53:46,470 --> 00:53:44,240

retrieve them this is what

1420

00:53:49,190 --> 00:53:46,480

snorted them it's not that he didn't

1421

00:53:50,790 --> 00:53:49,200

push the same peanut this is [h__\h]

1422

00:53:52,069 --> 00:53:50,800

then yeah take this record away from

1423

00:53:53,829 --> 00:53:52,079

this dude because he would be like oh

1424

00:53:54,950 --> 00:53:53,839

peanut fell in a crack i just started no

1425

00:53:56,710 --> 00:53:54,960

you go back down the bottom of the hill

1426

00:53:57,829 --> 00:53:56,720

you start again bringing it with you

1427

00:53:59,349 --> 00:53:57,839

they'll get you yeah i mean they got

1428

00:54:02,069 --> 00:53:59,359

those trunks they love peanuts they'll

1429

00:54:04,230 --> 00:54:02,079

fetch it for you sister fists would not

1430

00:54:06,069 --> 00:54:04,240

tolerate this is a [h__h] challenge

1431

00:54:07,829 --> 00:54:06,079

then like then that means i could just

1432

00:54:10,390 --> 00:54:07,839

lug a whole carton

1433

00:54:12,309 --> 00:54:10,400

of peanuts i'll hire a sherpa to carry

1434

00:54:13,829 --> 00:54:12,319

my peanuts for me

1435

00:54:15,990 --> 00:54:13,839

go one step further mike here's what you

1436

00:54:17,910 --> 00:54:16,000

do you fill a truck with peanuts and you

1437

00:54:19,670 --> 00:54:17,920

just let them pour as you race up the

1438

00:54:21,589 --> 00:54:19,680

hill you're like look i did i pushed

1439

00:54:22,950 --> 00:54:21,599

peanuts up the hill technically in less

1440

00:54:24,710 --> 00:54:22,960

than 20 minutes

1441

00:54:26,549 --> 00:54:24,720

i have to do it

1442

00:54:28,470 --> 00:54:26,559

uh well starting out the plan was for

1443

00:54:30,630 --> 00:54:28,480

someone to go along with salem to carry

1444

00:54:31,910 --> 00:54:30,640

his backpack and supplies a bachelor's

1445

00:54:35,190 --> 00:54:31,920

degree peanuts

1446

00:54:36,870 --> 00:54:35,200

yeah it was the sherpas personal sherpa

1447

00:54:39,510 --> 00:54:36,880

all you have in here is peanuts what the

1448

00:54:40,789 --> 00:54:39,520

hell

1449

00:54:42,789 --> 00:54:40,799

he's going to use peanuts for everything

1450

00:54:43,829 --> 00:54:42,799

his camping supplies his toilet paper

1451

00:54:46,950 --> 00:54:43,839

everything

1452

00:54:48,309 --> 00:54:46,960

only peanuts 100 peanuts

1453

00:54:50,069 --> 00:54:48,319

um

1454

00:54:51,910 --> 00:54:50,079

so he hires some guy to carry his

1455

00:54:53,109 --> 00:54:51,920

backpack and supplies uh that fell

1456

00:54:55,430 --> 00:54:53,119

through though

1457

00:54:57,750 --> 00:54:55,440

so he fell through a crack too so he did

1458

00:54:59,270 --> 00:54:57,760

the entire trip by himself hiking

1459

00:55:01,990 --> 00:54:59,280

uh away

1460

00:55:04,630 --> 00:55:02,000

hiking aways and leaving his backpack as

1461

00:55:07,030 --> 00:55:04,640

far as he could make it turning around

1462

00:55:08,870 --> 00:55:07,040

and then doing the trip up again with

1463

00:55:10,390 --> 00:55:08,880

his peanut

1464

00:55:11,829 --> 00:55:10,400

i don't get it so he walked up with his

1465

00:55:14,230 --> 00:55:11,839

supplies

1466

00:55:16,230 --> 00:55:14,240

then turn around to get his peanut that

1467

00:55:17,829 --> 00:55:16,240

he left behind and then walk back up

1468

00:55:18,829 --> 00:55:17,839

like he couldn't carry the peanut at the

1469

00:55:21,270 --> 00:55:18,839

same

1470

00:55:23,109 --> 00:55:21,280

time probably because he you know with

1471

00:55:24,309 --> 00:55:23,119

his shovel on his face

1472

00:55:26,630 --> 00:55:24,319

remember he's pushing the peanut with

1473

00:55:28,630 --> 00:55:26,640

his nose

1474

00:55:29,910 --> 00:55:28,640

so he couldn't carry a backpack and all

1475

00:55:32,630 --> 00:55:29,920

that stuff with him but why wouldn't he

1476

00:55:34,549 --> 00:55:32,640

just put that on a little uh

1477

00:55:36,710 --> 00:55:34,559

traverse behind him yeah

1478

00:55:38,470 --> 00:55:36,720

he could have got like a peanut dolly

1479

00:55:41,589 --> 00:55:38,480

uh but he didn't do it but he goes on to

1480

00:55:43,510 --> 00:55:41,599

say quote i don't feel sore or anything

1481

00:55:45,349 --> 00:55:43,520

but i lost some weight

1482

00:55:47,670 --> 00:55:45,359

and stuff i didn't i don't feel sore and

1483

00:55:50,549 --> 00:55:47,680

stuff or anything but i lost some weight

1484

00:55:52,630 --> 00:55:50,559

same instead my muscles are fine it was

1485

00:55:54,789 --> 00:55:52,640

just doing the back and forth that

1486

00:55:57,589 --> 00:55:54,799

really took it out of me

1487

00:56:01,030 --> 00:55:57,599

uh salem said uh he ate peanuts pop

1488

00:56:02,549 --> 00:56:01,040

tarts bananas and crackers for fuel

1489

00:56:04,069 --> 00:56:02,559

so he

1490

00:56:05,589 --> 00:56:04,079

he had a whole variety of stuff that he

1491

00:56:07,510 --> 00:56:05,599

took with him so yeah but

1492

00:56:08,549 --> 00:56:07,520

he said

1493

00:56:12,150 --> 00:56:08,559

tickets

1494

00:56:16,069 --> 00:56:12,160

and chewing tobacco and hot pockets and

1495

00:56:18,549 --> 00:56:16,079

honey buns and coffee and gatorade and

1496

00:56:19,910 --> 00:56:18,559

coca-cola and aspirin

1497

00:56:22,470 --> 00:56:19,920

and lighters

1498

00:56:24,230 --> 00:56:22,480

lighters like ice cream and magazines

1499

00:56:26,630 --> 00:56:24,240

and potato chips

1500

00:56:28,870 --> 00:56:26,640

and magazines

1501
00:56:30,309 --> 00:56:28,880
that's a lot to take up pikes peak

1502
00:56:32,390 --> 00:56:30,319
but that's what he was eating it's

1503
00:56:34,150 --> 00:56:32,400
terrible um

1504
00:56:36,069 --> 00:56:34,160
so he says he did this for seven days

1505
00:56:38,230 --> 00:56:36,079
and he said he ate peanuts pop tarts

1506
00:56:39,829 --> 00:56:38,240
bananas and crackers that's like the

1507
00:56:41,910 --> 00:56:39,839
stuff like a 12 year old eats when you

1508
00:56:43,829 --> 00:56:41,920
leave him home for the weekend exactly

1509
00:56:44,710 --> 00:56:43,839
he's eating like a grade school sack

1510
00:56:46,549 --> 00:56:44,720
lunch

1511
00:56:48,950 --> 00:56:46,559
on the way up to pike's peak

1512
00:56:50,789 --> 00:56:48,960
meanwhile his son declared himself as

1513
00:56:52,870 --> 00:56:50,799

trans and they haven't spoken in nine

1514

00:56:54,630 --> 00:56:52,880

years oh i say okay

1515

00:56:56,150 --> 00:56:54,640

well he said the hardest part was uh

1516

00:56:58,470 --> 00:56:56,160

dehydration well he didn't take any

1517

00:56:59,750 --> 00:56:58,480

sunny d or his juice boxes

1518

00:57:02,870 --> 00:56:59,760

he forgot to take water he just had

1519

00:57:05,030 --> 00:57:02,880

peanuts and and pop tarts and honey

1520

00:57:05,990 --> 00:57:05,040

all my juice boxes got crushed on the

1521

00:57:06,950 --> 00:57:06,000

way up

1522

00:57:11,109 --> 00:57:06,960

lighters

1523

00:57:12,630 --> 00:57:11,119

maggie's capri sun staff my capri suns

1524

00:57:14,549 --> 00:57:12,640

uh as he finished the track a

1525

00:57:16,069 --> 00:57:14,559

representative from the city

1526
00:57:19,510 --> 00:57:16,079
of uh

1527
00:57:22,150 --> 00:57:19,520
manitou springs gave salem a jewelry box

1528
00:57:24,069 --> 00:57:22,160
to house his final peanut

1529
00:57:25,190 --> 00:57:24,079
he also got two plaques commemorating

1530
00:57:27,670 --> 00:57:25,200
his effort

1531
00:57:31,030 --> 00:57:27,680
see them says he's ready for a shower

1532
00:57:34,230 --> 00:57:32,230
all right

1533
00:57:35,670 --> 00:57:34,240
the picture that you had up earlier at

1534
00:57:36,950 --> 00:57:35,680
the top of the article is you can see

1535
00:57:38,789 --> 00:57:36,960
he's holding a little jewelry box with

1536
00:57:41,030 --> 00:57:38,799
his peanuts in there it almost was like

1537
00:57:42,630 --> 00:57:41,040
two shriveled you know testicles that he

1538
00:57:47,589 --> 00:57:42,640

cut off a bowl or something it does it

1539

00:57:49,829 --> 00:57:48,710

there you go if you have nothing to do

1540

00:57:51,829 --> 00:57:49,839

this weekend you can try to beat this

1541

00:57:54,150 --> 00:57:51,839

guy's record pushing a peanut up a hill

1542

00:57:55,589 --> 00:57:54,160

he did though you can't i've never done

1543

00:57:57,510 --> 00:57:55,599

that i mean this is quite an

1544

00:58:00,549 --> 00:57:57,520

accomplishment

1545

00:58:01,990 --> 00:58:00,559

he did something with his life yeah it's

1546

00:58:04,470 --> 00:58:02,000

winter

1547

00:58:07,109 --> 00:58:04,480

yeah it's like putting your kd ratio in

1548

00:58:09,589 --> 00:58:07,119

call of duty on your gravestone

1549

00:58:12,710 --> 00:58:09,599

no wonder his sherpa fell through

1550

00:58:13,990 --> 00:58:12,720

he's like you want me to do what now no

1551
00:58:15,750 --> 00:58:14,000
joe do you know if someone actually did

1552
00:58:17,190 --> 00:58:15,760
that in real life but they're katy no i

1553
00:58:18,870 --> 00:58:17,200
just keep thinking about it because

1554
00:58:19,990 --> 00:58:18,880
people are so obsessed with it it's

1555
00:58:21,670 --> 00:58:20,000
ridiculous

1556
00:58:22,789 --> 00:58:21,680
but this peanut thing it's the same

1557
00:58:23,829 --> 00:58:22,799
thing it's like

1558
00:58:25,270 --> 00:58:23,839
okay

1559
00:58:27,109 --> 00:58:25,280
i mean i get the same [h__h] from a

1560
00:58:29,430 --> 00:58:27,119
marathon like i have one of my friends

1561
00:58:32,710 --> 00:58:29,440
is like so you paid over a hundred

1562
00:58:34,630 --> 00:58:32,720
dollars to run 26 miles like that seems

1563
00:58:37,190 --> 00:58:34,640

like the opposite direction the money

1564

00:58:39,270 --> 00:58:37,200

should go yeah pay me

1565

00:58:40,150 --> 00:58:39,280

i'll run give me money

1566

00:58:45,349 --> 00:58:40,160

you know

1567

00:58:50,309 --> 00:58:47,990

all right so joe what is your kd ratio

1568

00:58:52,470 --> 00:58:50,319

yeah i want people want to know oh man

1569

00:58:53,910 --> 00:58:52,480

i'm battlefield 6. call of duty it's

1570

00:58:57,829 --> 00:58:53,920

pretty damn high man don't believe

1571

00:58:59,270 --> 00:58:57,839

there's 7.6 some maps i'm not like 12

1572

00:59:02,150 --> 00:58:59,280

positive i'm not sure what these numbers

1573

00:59:04,950 --> 00:59:02,160

mean so two

1574

00:59:08,390 --> 00:59:04,960

so if you if you have like 10 kills and

1575

00:59:11,349 --> 00:59:08,400

10 deaths you're at a 1.0 ratio

1576

00:59:13,670 --> 00:59:11,359

oh i see you're saying even steven

1577

00:59:16,150 --> 00:59:13,680

even so i've got like 12s on some of

1578

00:59:17,990 --> 00:59:16,160

these maps and it's funny because you're

1579

00:59:19,990 --> 00:59:18,000

like 40 years old and it's like yeah and

1580

00:59:22,470 --> 00:59:20,000

i'm mopping the floor with you [\h__\h]

1581

00:59:24,069 --> 00:59:22,480

yeah and i can drink alcohol

1582

00:59:26,230 --> 00:59:24,079

they want me i can stay out as late as i

1583

00:59:28,069 --> 00:59:26,240

want man this is the thing it's like

1584

00:59:30,470 --> 00:59:28,079

when people say [\h__\h] like that i'm like

1585

00:59:32,549 --> 00:59:30,480

oh yeah because when i turned 30 i

1586

00:59:34,470 --> 00:59:32,559

stopped listening to music

1587

00:59:35,589 --> 00:59:34,480

because you know you're too old for your

1588

00:59:37,270 --> 00:59:35,599

hobbies

1589

00:59:39,589 --> 00:59:37,280

your kids are soft

1590

00:59:42,549 --> 00:59:39,599

when i turned when i turned 25 i had to

1591

00:59:44,950 --> 00:59:42,559

stop playing chess or cello

1592

00:59:45,829 --> 00:59:44,960

because you know that's what kids do

1593

00:59:48,150 --> 00:59:45,839

yeah

1594

00:59:49,349 --> 00:59:48,160

i still listen to music i stopped riding

1595

00:59:53,270 --> 00:59:49,359

a bike

1596

00:59:54,470 --> 00:59:53,280

it's like i hate that [h__\h] [h__\h] but

1597

00:59:56,069 --> 00:59:54,480

it's always coming from these little

1598

00:59:57,109 --> 00:59:56,079

[h__\h] that i'm mopping the floor with

1599

00:59:58,950 --> 00:59:57,119

so

1600

01:00:00,150 --> 00:59:58,960

really found one of your buttons to push

1601
01:00:02,150 --> 01:00:00,160
yeah jesus

1602
01:00:03,750 --> 01:00:02,160
13 year olds start talking drastic joe

1603
01:00:05,670 --> 01:00:03,760
on call of duty i don't have friends

1604
01:00:07,910 --> 01:00:05,680
okay this is all i got

1605
01:00:10,549 --> 01:00:07,920
because harassing

1606
01:00:12,950 --> 01:00:10,559
pre-pubescent kids call of duty

1607
01:00:14,549 --> 01:00:12,960
i i actually asked a couple of kids who

1608
01:00:15,910 --> 01:00:14,559
are just mouthing off and swearing i was

1609
01:00:17,430 --> 01:00:15,920
like put your put your parents on the

1610
01:00:19,109 --> 01:00:17,440
phone do you have parents

1611
01:00:20,789 --> 01:00:19,119
put them on put them on their speakers i

1612
01:00:22,950 --> 01:00:20,799
want to talk to them because they're

1613
01:00:24,390 --> 01:00:22,960

like you know it's like it's an nc 17

1614

01:00:26,710 --> 01:00:24,400

game or whatever the [h__h] it is it's

1615

01:00:29,990 --> 01:00:26,720

like it's like adult games whatever that

1616

01:00:33,190 --> 01:00:30,000

rating is yes whatever the [h__h] and it's

1617

01:00:35,430 --> 01:00:33,200

like these people are clearly like seven

1618

01:00:37,190 --> 01:00:35,440

it's like so your parents are [h__h]

1619

01:00:39,030 --> 01:00:37,200

it's like yeah i don't mind you coming

1620

01:00:40,549 --> 01:00:39,040

on but if you're gonna behave this way

1621

01:00:42,470 --> 01:00:40,559

it's like at least be cool but there are

1622

01:00:44,630 --> 01:00:42,480

some kids who are like seven eight years

1623

01:00:46,390 --> 01:00:44,640

old and they're like legit like

1624

01:00:48,150 --> 01:00:46,400

you know they're kind and they respect

1625

01:00:50,230 --> 01:00:48,160

their elders but a lot of these people i

1626

01:00:52,150 --> 01:00:50,240

don't know let me talk to your mother

1627

01:00:53,990 --> 01:00:52,160

yeah i ask them if i can [h__h] their

1628

01:00:59,030 --> 01:00:54,000

mother spend pics

1629

01:01:01,829 --> 01:01:00,309

all right we're gonna get out of here

1630

01:01:03,589 --> 01:01:01,839

people we're gonna we're gonna go we'll

1631

01:01:05,670 --> 01:01:03,599

be back on wednesday i believe sticking

1632

01:01:07,990 --> 01:01:05,680

a hole here it'll be on the behind the

1633

01:01:09,510 --> 01:01:08,000

schemes podcast on

1634

01:01:11,270 --> 01:01:09,520

sunday tomorrow yeah what are you guys

1635

01:01:12,549 --> 01:01:11,280

talking about i have no idea so

1636

01:01:13,750 --> 01:01:12,559

blueberry if you're listening let me

1637

01:01:15,750 --> 01:01:13,760

know

1638

01:01:17,190 --> 01:01:15,760

uh what we're talking about and if i

1639

01:01:19,910 --> 01:01:17,200

need to bring anything

1640

01:01:21,829 --> 01:01:19,920

a bunch of tarot cards bring those

1641

01:01:23,750 --> 01:01:21,839

reading every show oh really

1642

01:01:25,109 --> 01:01:23,760

okay well i'd be i'd be curious about

1643

01:01:28,870 --> 01:01:25,119

that

1644

01:01:30,870 --> 01:01:28,880

stuff so i want to know i want to be

1645

01:01:32,390 --> 01:01:30,880

helpful i want to participate i want to

1646

01:01:35,030 --> 01:01:32,400

get involved
