1
00:00:03,840 --> 00:00:06,789
oh boy

2
00:00:11,990 --> 00:00:10,390
let me adjust my microphone joe

3
00:00:14,230 --> 00:00:12,000
it's critical

4
00:00:17,109 --> 00:00:14,240
i need to adjust my microphone i gotta

5
00:00:20,310 --> 00:00:17,119
log into hbo

6
00:00:23,509 --> 00:00:20,320
of course we gotta log into netflix

7
00:00:25,589 --> 00:00:23,519
we log into hulu

8
00:00:27,269 --> 00:00:25,599
and log in don't have any of that [h__h] i

9
00:00:29,750 --> 00:00:27,279
have uh

10
00:00:31,349 --> 00:00:29,760
netflix yeah don't don't you have like

11
00:00:33,350 --> 00:00:31,359
discovery plus or something yeah

12
00:00:34,790 --> 00:00:33,360
discovery plus through amazon because i

13
00:00:36,870 --> 00:00:34,800

love bigfoot

14

00:00:38,549 --> 00:00:36,880

wait wait so do i have discovery plus

15

00:00:41,590 --> 00:00:38,559

because i have prime

16

00:00:45,510 --> 00:00:41,600

it's if you have prime you can't

17

00:00:47,270 --> 00:00:45,520

subscribe to more channels through prime

18

00:00:51,270 --> 00:00:47,280

so you can add like

19

00:00:52,389 --> 00:00:51,280

paramount plus discovery plus

20

00:00:54,950 --> 00:00:52,399

uh

21

00:01:10,830 --> 00:00:54,960

logo plus

22

00:01:16,550 --> 00:01:14,230

subscribe i love how oprah magazine oh

23

00:01:19,109 --> 00:01:16,560

magazine like how self-indulgent do you

24

00:01:20,789 --> 00:01:19,119

have to be to like i think she's been on

25

00:01:22,550 --> 00:01:20,799

every single cover i don't think there's

26

00:01:24,710 --> 00:01:22,560

ever been a cover that's not had her on

27

00:01:25,990 --> 00:01:24,720

it i deserve my own magazines you're

28

00:01:28,230 --> 00:01:26,000

telling me if there was a magazine

29

00:01:31,350 --> 00:01:28,240

called joe magazine it wouldn't be you

30

00:01:32,870 --> 00:01:31,360

every every month i'd buy joe please

31

00:01:35,270 --> 00:01:32,880

i don't know i just checked

32

00:01:37,350 --> 00:01:35,280

i'm a subscriber to joe plus

33

00:01:38,950 --> 00:01:37,360

no one would subscribe to that

34

00:01:41,830 --> 00:01:38,960

you get everything you get with normal

35

00:01:46,149 --> 00:01:41,840

joe but more you talk about anarchism

36

00:01:47,590 --> 00:01:46,159

and and in like gay culture but from

37

00:01:51,270 --> 00:01:47,600

like

38

00:01:53,429 --> 00:01:51,280

anarchy gay

39

00:01:55,270 --> 00:01:53,439
of course oh i love this alex jones

40

00:01:57,670 --> 00:01:55,280
thing what the [h__h] was that

41

00:01:58,550 --> 00:01:57,680
that was my mid journey

42

00:02:00,789 --> 00:01:58,560
uh

43

00:02:03,270 --> 00:02:00,799
combination of seinfeld and alex jones

44

00:02:05,429 --> 00:02:03,280
it was great

45

00:02:08,389 --> 00:02:05,439
so mid journey decided that alex jones

46

00:02:10,790 --> 00:02:08,399
best fits uh on george costanza

47

00:02:13,030 --> 00:02:10,800
that makes sense it does and it only

48

00:02:15,510 --> 00:02:13,040
makes common sense it makes logical

49

00:02:17,750 --> 00:02:15,520
sense uh it looks like it's noon i

50

00:02:21,110 --> 00:02:17,760
believe it's time that we can start the

51
00:02:24,910 --> 00:02:22,710
let's do it

52
00:02:32,220 --> 00:02:24,920
do it

53
00:02:32,230 --> 00:02:35,830
[Music]

54
00:02:37,670 --> 00:02:37,210
what are we waiting for let's do it

55
00:02:40,470 --> 00:02:37,680
[Music]

56
00:02:48,140 --> 00:02:40,480
[Applause]

57
00:03:01,270 --> 00:02:51,480
[Music]

58
00:03:07,430 --> 00:03:03,589
live from command center alpha one it's

59
00:03:14,280 --> 00:03:07,440
the obdm podcast now here's your host mr

60
00:03:18,550 --> 00:03:16,390
[Applause]

61
00:03:21,830 --> 00:03:18,560
hey everyone welcome back to

62
00:03:23,270 --> 00:03:21,840
another fun-filled podcast adventure yes

63
00:03:25,110 --> 00:03:23,280

[Applause]

64

00:03:27,910 --> 00:03:25,120

my name is midnight mike cratchit is

65

00:03:30,070 --> 00:03:27,920

over there on screen

66

00:03:32,149 --> 00:03:30,080

who runs for ottertown

67

00:03:34,869 --> 00:03:32,159

who runs fire down we get the images up

68

00:03:37,110 --> 00:03:34,879

there on screen there i did that

69

00:03:38,149 --> 00:03:37,120

and joe's over there too

70

00:03:40,789 --> 00:03:38,159

uh-huh

71

00:03:43,830 --> 00:03:40,799

yep yep here we are again

72

00:03:46,710 --> 00:03:43,840

yep back on a saturday

73

00:03:48,710 --> 00:03:46,720

boy it's uh it's all happening people

74

00:03:50,390 --> 00:03:48,720

and it looks like

75

00:03:51,190 --> 00:03:50,400

i don't i shouldn't have to tell anybody

76

00:03:52,789 --> 00:03:51,200

this

77

00:03:56,869 --> 00:03:52,799

but it looks like

78

00:03:58,789 --> 00:03:56,879

uh tom cruise is back in a big way

79

00:04:02,470 --> 00:03:58,799

by big you mean like five foot five

80

00:04:03,670 --> 00:04:02,480

right huge uh he's just a titanic movie

81

00:04:05,830 --> 00:04:03,680

star

82

00:04:07,429 --> 00:04:05,840

and uh joe needs to understand this that

83

00:04:09,910 --> 00:04:07,439

tom cruise is not going away any time

84

00:04:12,630 --> 00:04:09,920

soon uh you're right i've been

85

00:04:14,070 --> 00:04:12,640

advocating for his removal yeah

86

00:04:15,830 --> 00:04:14,080

you have been you slept through his most

87

00:04:17,670 --> 00:04:15,840

recent movie uh

88

00:04:19,909 --> 00:04:17,680

flipping your nose at tom cruise and all

89

00:04:21,909 --> 00:04:19,919

the work that he does jesus christ what

90

00:04:24,070 --> 00:04:21,919

a [h__h] snooze

91

00:04:26,950 --> 00:04:24,080

but it's it the newest tom

92

00:04:29,590 --> 00:04:26,960

uh tom cruise movie top gun two has made

93

00:04:30,310 --> 00:04:29,600

more domestically than titanic

94

00:04:31,830 --> 00:04:30,320

the

95

00:04:32,790 --> 00:04:31,840

wait this is topic and to cruise control

96

00:04:34,629 --> 00:04:32,800

that one

97

00:04:36,950 --> 00:04:34,639

exactly that movie has made more

98

00:04:40,710 --> 00:04:36,960

domestically than uh james cameron

99

00:04:43,909 --> 00:04:40,720

titanic this newest tom cruise movie is

100

00:04:45,909 --> 00:04:43,919

insanely popular it is honor roll baby

101
00:04:48,310 --> 00:04:45,919
it is not going away anytime soon no

102
00:04:50,150 --> 00:04:48,320
matter what joe thinks and what he

103
00:04:52,390 --> 00:04:50,160
thinks of tom cruise tom cruise is back

104
00:04:54,070 --> 00:04:52,400
in a big way he's back on top and i

105
00:04:56,629 --> 00:04:54,080
couldn't be happier

106
00:04:58,150 --> 00:04:56,639
uh this is a positive step forward is it

107
00:04:59,909 --> 00:04:58,160
seriously made more money than titanic

108
00:05:02,469 --> 00:04:59,919
is it is that real domestically not

109
00:05:04,070 --> 00:05:02,479
worldwide domestically so us

110
00:05:05,990 --> 00:05:04,080
well that's the only thing that matters

111
00:05:09,270 --> 00:05:06,000
uh yeah i care about the united states

112
00:05:11,590 --> 00:05:09,280
uh i mean i'm a u.s american and uh i

113
00:05:12,629 --> 00:05:11,600

got to uh support that do you have any

114

00:05:19,510 --> 00:05:12,639

maps

115

00:05:22,390 --> 00:05:19,520

and we're working on that but um

116

00:05:24,710 --> 00:05:22,400

this is a quick little uh

117

00:05:27,590 --> 00:05:24,720

fun fact about the top gun tune uh tom

118

00:05:30,070 --> 00:05:27,600

cruise so yeah top gun has overtaken

119

00:05:33,830 --> 00:05:30,080

titanic at the box office

120

00:05:35,510 --> 00:05:33,840

uh yes but also no so there's a conflict

121

00:05:38,310 --> 00:05:35,520

here so at this point

122

00:05:39,590 --> 00:05:38,320

the uh this is written by msn.com at

123

00:05:41,510 --> 00:05:39,600

this point the need for speed jokes

124

00:05:44,310 --> 00:05:41,520

should have fully run their course top

125

00:05:45,749 --> 00:05:44,320

gun maverick is entering his third month

126
00:05:47,590 --> 00:05:45,759
in theaters

127
00:05:49,510 --> 00:05:47,600
where it has far exceeded the initial

128
00:05:50,870 --> 00:05:49,520
box office projections

129
00:05:56,070 --> 00:05:50,880
uh

130
00:05:58,790 --> 00:05:56,080
cruise by passing the 1 billion dollar

131
00:06:00,950 --> 00:05:58,800
mark earning globally thus far 1.2

132
00:06:04,070 --> 00:06:00,960
billion the firm's the film is currently

133
00:06:05,990 --> 00:06:04,080
ranked 11th among initial runs in north

134
00:06:08,070 --> 00:06:06,000
american box office earnings and is

135
00:06:11,189 --> 00:06:08,080
still making money uh so that's it's

136
00:06:12,950 --> 00:06:11,199
incredible wait because wait wait you

137
00:06:16,230 --> 00:06:12,960
you just said it past titanic

138
00:06:20,469 --> 00:06:16,240

domestically but is ranked 11th

139

00:06:22,550 --> 00:06:20,479

uh a ranked um 11th among initial run

140

00:06:24,870 --> 00:06:22,560

north american box office so i think

141

00:06:27,830 --> 00:06:24,880

what does that mean um i think i i if i

142

00:06:29,670 --> 00:06:27,840

had to assume it means that uh

143

00:06:32,070 --> 00:06:29,680

it is it's released

144

00:06:34,150 --> 00:06:32,080

and it's through its initial run it

145

00:06:36,309 --> 00:06:34,160

hasn't been re-released like later on

146

00:06:38,309 --> 00:06:36,319

the year for a second run because of

147

00:06:41,430 --> 00:06:38,319

popular popular demand or anything like

148

00:06:43,350 --> 00:06:41,440

that whereas maybe titanic became the

149

00:06:45,029 --> 00:06:43,360

behemoth that it was because its initial

150

00:06:47,510 --> 00:06:45,039

run was mammoth and then it came back

151
00:06:48,870 --> 00:06:47,520
for basically an encore release

152
00:06:50,629 --> 00:06:48,880
i i think

153
00:06:52,790 --> 00:06:50,639
um i was running a theater when titanic

154
00:06:55,510 --> 00:06:52,800
came out it just stuck around

155
00:06:57,830 --> 00:06:55,520
you were a projectionist i was a general

156
00:07:00,950 --> 00:06:57,840
manager of a multiplex did you ever were

157
00:07:03,270 --> 00:07:00,960
you ever projectionist like i was

158
00:07:06,309 --> 00:07:03,280
yes i i attributed my faults to others

159
00:07:09,189 --> 00:07:07,589
yes as part of that i had to do

160
00:07:11,350 --> 00:07:09,199
projections yeah so i had to carry cans

161
00:07:14,070 --> 00:07:11,360
and place films and all that stuff

162
00:07:16,150 --> 00:07:14,080
i'm sorry i just hit go live on the no

163
00:07:17,830 --> 00:07:16,160

agenda stream i forgot to do that now

164

00:07:19,510 --> 00:07:17,840

we're live over there

165

00:07:21,749 --> 00:07:19,520

talking about uh

166

00:07:22,790 --> 00:07:21,759

top gun get distracted by your sexy tom

167

00:07:24,309 --> 00:07:22,800

cruise talk

168

00:07:26,629 --> 00:07:24,319

yeah i get excited about tom cruise i

169

00:07:31,110 --> 00:07:26,639

think he's a very positive uh figure in

170

00:07:34,309 --> 00:07:31,120

uh the world and i think he this is a uh

171

00:07:36,629 --> 00:07:34,319

just a fascinating kind of uh phenomenon

172

00:07:39,189 --> 00:07:36,639

that's going on um and uh just real

173

00:07:40,710 --> 00:07:39,199

quick to wrap up our tom cruise news

174

00:07:42,309 --> 00:07:40,720

because i know everyone likes tom cruise

175

00:07:44,390 --> 00:07:42,319

news that's bomb news

176

00:07:47,110 --> 00:07:44,400

uh there was controversy before

177

00:07:49,350 --> 00:07:47,120

the release of the movie because there

178

00:07:50,950 --> 00:07:49,360

was a trailer and some screenshots of

179

00:07:53,350 --> 00:07:50,960

tom cruise wearing like a flight jacket

180

00:07:55,830 --> 00:07:53,360

and there were various patches on there

181

00:07:57,589 --> 00:07:55,840

and those patches did include some

182

00:07:59,749 --> 00:07:57,599

things that china would consider

183

00:08:02,469 --> 00:07:59,759

controversial like a

184

00:08:05,270 --> 00:08:02,479

patch of a taiwanese

185

00:08:07,110 --> 00:08:05,280

military emblem or something like that

186

00:08:09,270 --> 00:08:07,120

and there was speculation that that

187

00:08:11,510 --> 00:08:09,280

would be removed for the chinese

188

00:08:13,510 --> 00:08:11,520

audience as to not to offend

189

00:08:14,629 --> 00:08:13,520

uh the hollywood

190

00:08:16,309 --> 00:08:14,639

chinese

191

00:08:18,790 --> 00:08:16,319

connection

192

00:08:22,309 --> 00:08:18,800

but according to this most recent report

193

00:08:25,029 --> 00:08:22,319

by also by msn uh top gun two taiwanese

194

00:08:26,710 --> 00:08:25,039

flag patch signals a major change in

195

00:08:27,830 --> 00:08:26,720

hollywood

196

00:08:29,830 --> 00:08:27,840

uh

197

00:08:31,830 --> 00:08:29,840

top gun to mavericks taiwanese flag

198

00:08:33,909 --> 00:08:31,840

patch isn't just a clue to the

199

00:08:36,310 --> 00:08:33,919

characters past is a clue to a major

200

00:08:37,990 --> 00:08:36,320

change in the way hollywood does

201
00:08:40,469 --> 00:08:38,000
business the long awaited sequel to top

202
00:08:43,269 --> 00:08:40,479
gun is garnering universal acclaim for

203
00:08:45,990 --> 00:08:43,279
its commitment to authenticity in an era

204
00:08:47,990 --> 00:08:46,000
where rampant cgi is taking the weight

205
00:08:50,389 --> 00:08:48,000
out of action movies top gun maverick is

206
00:08:51,990 --> 00:08:50,399
ditching cgi for a physical and

207
00:08:54,070 --> 00:08:52,000
emotional heft

208
00:08:56,710 --> 00:08:54,080
of practical effects green screens have

209
00:08:57,750 --> 00:08:56,720
been skewed for real locations and in

210
00:09:00,550 --> 00:08:57,760
cockpit

211
00:09:01,670 --> 00:09:00,560
camera rigs stunt pilots for the actors

212
00:09:04,870 --> 00:09:01,680
themselves

213
00:09:07,670 --> 00:09:04,880

and the stars enduring a three-month

214

00:09:08,949 --> 00:09:07,680

training regiment designed by tom cruise

215

00:09:10,870 --> 00:09:08,959

himself

216

00:09:11,750 --> 00:09:10,880

so tom cruises

217

00:09:13,829 --> 00:09:11,760

what does this have to do with his

218

00:09:15,670 --> 00:09:13,839

jacket this this article changed halfway

219

00:09:17,350 --> 00:09:15,680

through well yeah you know you're like

220

00:09:18,550 --> 00:09:17,360

hey we're going to debunk this thing

221

00:09:20,630 --> 00:09:18,560

about patches let me tell you about how

222

00:09:23,110 --> 00:09:20,640

much time he spent training to fly

223

00:09:24,389 --> 00:09:23,120

well they want to pop it up

224

00:09:28,550 --> 00:09:24,399

um

225

00:09:30,710 --> 00:09:28,560

character detail but the significance of

226

00:09:33,190 --> 00:09:30,720

mavericks taiwanese patch

227

00:09:35,590 --> 00:09:33,200

the taiwanese flag goes beyond

228

00:09:36,470 --> 00:09:35,600

authenticity and cinematic world

229

00:09:39,350 --> 00:09:36,480

building

230

00:09:43,190 --> 00:09:39,360

so it uh we have to continue reading uh

231

00:09:47,030 --> 00:09:45,190

uh but i do have a photo comparing the

232

00:09:49,269 --> 00:09:47,040

on the left was him in the first movie

233

00:09:51,110 --> 00:09:49,279

and on the right is uh the same jacket

234

00:09:53,590 --> 00:09:51,120

for the new one and yes they did change

235

00:09:55,430 --> 00:09:53,600

it so any debunking going on in this

236

00:09:58,070 --> 00:09:55,440

article is false

237

00:10:00,870 --> 00:09:58,080

so uh the the flag patch uh signals a

238

00:10:03,030 --> 00:10:00,880

shift in hollywood away from placating

239

00:10:04,550 --> 00:10:03,040

uh the chinese sensors in return for

240

00:10:06,389 --> 00:10:04,560

financing and distribution with a

241

00:10:08,230 --> 00:10:06,399

population of 1.4 billion china

242

00:10:11,110 --> 00:10:08,240

represents the second biggest box office

243

00:10:13,110 --> 00:10:11,120

mark market on earth is also very strict

244

00:10:15,030 --> 00:10:13,120

about what can and can't be shown on

245

00:10:16,870 --> 00:10:15,040

screen with sympathetic portrayals of

246

00:10:20,389 --> 00:10:16,880

america christianity and same-sex

247

00:10:23,190 --> 00:10:20,399

romances to name a few off limits

248

00:10:26,870 --> 00:10:23,200

for the uh years major hollywood studios

249

00:10:30,230 --> 00:10:26,880

have acknowledged or kowtowed to china

250

00:10:32,069 --> 00:10:30,240

relying on chinese back uh backing in

251
00:10:34,389 --> 00:10:32,079
box office numbers to help them make

252
00:10:35,750 --> 00:10:34,399
bigger profits and better performing

253
00:10:37,910 --> 00:10:35,760
blockbusters

254
00:10:40,790 --> 00:10:37,920
uh but uh with this

255
00:10:43,030 --> 00:10:40,800
uh when paramount dropped its top gun

256
00:10:45,430 --> 00:10:43,040
mavic trailer in 2019 it looked like the

257
00:10:47,350 --> 00:10:45,440
studio is doing just that as observers

258
00:10:48,389 --> 00:10:47,360
quickly pointed out online mavic's

259
00:10:53,269 --> 00:10:48,399
jacket

260
00:10:55,190 --> 00:10:53,279
was gone replaced by uh abstract symbol

261
00:10:56,150 --> 00:10:55,200
of the same color the reason wasn't

262
00:10:59,190 --> 00:10:56,160
clear

263
00:11:00,949 --> 00:10:59,200

but uh as of 2022 and it's released it

264

00:11:02,310 --> 00:11:00,959

is back so

265

00:11:03,990 --> 00:11:02,320

uh

266

00:11:06,389 --> 00:11:04,000

they decided to

267

00:11:09,509 --> 00:11:06,399

remain authentic to the character and

268

00:11:11,030 --> 00:11:09,519

the the lore of top gun and uh maybe

269

00:11:12,870 --> 00:11:11,040

this is uh

270

00:11:15,350 --> 00:11:12,880

a good signal that hollywood is saying

271

00:11:17,269 --> 00:11:15,360

you know what we're going to remain true

272

00:11:19,110 --> 00:11:17,279

to what we want and

273

00:11:20,790 --> 00:11:19,120

maybe serve the american audience first

274

00:11:23,269 --> 00:11:20,800

because top gun

275

00:11:25,910 --> 00:11:23,279

said it i mean that's an american film

276

00:11:27,190 --> 00:11:25,920

uh i i doubt that many uh chinese people

277

00:11:29,269 --> 00:11:27,200

would

278

00:11:30,949 --> 00:11:29,279

care about it that much but who what do

279

00:11:32,389 --> 00:11:30,959

i know maybe not maybe they would love

280

00:11:34,790 --> 00:11:32,399

to see this

281

00:11:36,230 --> 00:11:34,800

so the point of this article started out

282

00:11:38,150 --> 00:11:36,240

saying that people were upset about the

283

00:11:40,790 --> 00:11:38,160

patches being changed to to placate the

284

00:11:42,550 --> 00:11:40,800

chinese audiences yes but then it talked

285

00:11:44,550 --> 00:11:42,560

about how much practical work they did

286

00:11:46,389 --> 00:11:44,560

in the film to avoid cgi

287

00:11:48,230 --> 00:11:46,399

yes but now they're saying three years

288

00:11:50,069 --> 00:11:48,240

after they filmed those scenes they have

289

00:11:52,470 --> 00:11:50,079

changed the jacket back presumably with

290

00:11:54,550 --> 00:11:52,480

cgi i would have the original patch on

291

00:11:56,550 --> 00:11:54,560

it i'm not or

292

00:11:58,550 --> 00:11:56,560

they originally filmed it

293

00:12:00,870 --> 00:11:58,560

with the the real taiwanese flag used

294

00:12:04,069 --> 00:12:00,880

cgi to go in there and to remove that

295

00:12:07,350 --> 00:12:04,079

taiwanese flag and then they did an uh

296

00:12:10,949 --> 00:12:07,360

command z undo they did undo undo undo

297

00:12:12,310 --> 00:12:10,959

to undo those uh changes

298

00:12:14,870 --> 00:12:12,320

good lord

299

00:12:17,590 --> 00:12:14,880

yeah maybe uh i so i did hear because of

300

00:12:18,790 --> 00:12:17,600

the the the uh the massive chinese box

301

00:12:20,629 --> 00:12:18,800

office they did have to change a few

302

00:12:22,230 --> 00:12:20,639

things in the film similar to

303

00:12:24,069 --> 00:12:22,240

uh what happened with the remake of a

304

00:12:26,949 --> 00:12:24,079

red dot a number of years ago so the

305

00:12:29,350 --> 00:12:26,959

entire subplot of the primary plot of uh

306

00:12:31,750 --> 00:12:29,360

the top gun two was him going in and

307

00:12:32,870 --> 00:12:31,760

saving the uyghurs and they had to cgi

308

00:12:34,949 --> 00:12:32,880

all that out

309

00:12:37,670 --> 00:12:34,959

i don't know that's true

310

00:12:39,990 --> 00:12:37,680

now he saves uh now they go to australia

311

00:12:41,269 --> 00:12:40,000

and save kangaroos oh i thought they me

312

00:12:42,949 --> 00:12:41,279

like they changed it where he just went

313

00:12:44,230 --> 00:12:42,959

over there and bombed all the uyghurs

314

00:12:46,629 --> 00:12:44,240

fortunately

315

00:12:47,990 --> 00:12:46,639

yeah then he killed china number one

316

00:12:52,069 --> 00:12:48,000

yeah

317

00:12:56,310 --> 00:12:54,150

now there you go some tom cruise movie

318

00:12:58,550 --> 00:12:56,320

much to joe chagrin

319

00:13:00,710 --> 00:12:58,560

uh he's not going away any time soon

320

00:13:02,949 --> 00:13:00,720

like in fact this this movie's

321

00:13:04,310 --> 00:13:02,959

so popular i bet we're gonna get top gun

322

00:13:07,509 --> 00:13:04,320

three

323

00:13:09,829 --> 00:13:07,519

probably maybe four probably maybe even

324

00:13:12,310 --> 00:13:09,839

four top gun four

325

00:13:15,190 --> 00:13:12,320

okay well i don't have to buy melatonin

326

00:13:20,310 --> 00:13:17,190

joe goes to tom cruise movies just to go

327

00:13:23,030 --> 00:13:20,320

to sleep some people use white noise or

328

00:13:25,269 --> 00:13:23,040

an app he uses tom cruise

329

00:13:27,190 --> 00:13:25,279

that's fine like the cool the rooms are

330

00:13:28,710 --> 00:13:27,200

the cool temperature low lights and tom

331

00:13:31,990 --> 00:13:28,720

cruise prattling on about something and

332

00:13:33,829 --> 00:13:32,000

the sound of people eating popcorn

333

00:13:34,550 --> 00:13:33,839

the guy behind you in a cowboy hat who's

334

00:13:37,110 --> 00:13:34,560

just

335

00:13:40,629 --> 00:13:37,120

double fisting popcorn hi man i love tom

336

00:13:46,069 --> 00:13:43,430

well uh that was fun i'm sure everyone

337

00:13:47,670 --> 00:13:46,079

loved that story uh and we'll move on to

338

00:13:49,269 --> 00:13:47,680

some other headlines i don't really have

339

00:13:50,389 --> 00:13:49,279

a segment i just got some headlines that

340

00:13:56,710 --> 00:13:50,399

i

341

00:13:58,470 --> 00:13:56,720

of that one that wasn't part of

342

00:14:00,389 --> 00:13:58,480

i guess i did find it interesting i i

343

00:14:03,269 --> 00:14:00,399

don't know if the audience

344

00:14:04,710 --> 00:14:03,279

finds it interesting probably not well

345

00:14:06,069 --> 00:14:04,720

you did that entire segment to placate

346

00:14:09,189 --> 00:14:06,079

our chinese audience

347

00:14:11,590 --> 00:14:09,199

i did well no i didn't i did it to play

348

00:14:13,269 --> 00:14:11,600

placate our tom cruise audience

349

00:14:15,269 --> 00:14:13,279

hopefully tom cruise does listen to this

350

00:14:17,910 --> 00:14:15,279

he knows i'm a big fan audience of one

351

00:14:19,670 --> 00:14:17,920

mr tom cruise i've often said and i've

352

00:14:22,550 --> 00:14:19,680

gotten too many arguments about this

353

00:14:25,430 --> 00:14:22,560

that tom cruise pound for pound

354

00:14:26,470 --> 00:14:25,440

is a better actor and does more

355

00:14:28,230 --> 00:14:26,480

uh

356

00:14:31,030 --> 00:14:28,240

i guess more beneficial films in the

357

00:14:32,710 --> 00:14:31,040

realm of sci-fi then keanu reeves i

358

00:14:34,870 --> 00:14:32,720

think tom cruise does better science

359

00:14:36,550 --> 00:14:34,880

fiction movies than keanu reeves

360

00:14:38,310 --> 00:14:36,560

prove me wrong

361

00:14:40,870 --> 00:14:38,320

i'd have to get out pen and paper on

362

00:14:44,389 --> 00:14:40,880

this we'll we'll debate this at length

363

00:14:50,389 --> 00:14:46,949

but i have a headline here that i think

364

00:14:52,150 --> 00:14:50,399

uh some people may like yes okay

365

00:14:56,790 --> 00:14:52,160

here's a new uh a new headline here

366

00:14:58,550 --> 00:14:56,800

pentagon renames and expands its ufo

367

00:15:00,710 --> 00:14:58,560

office that's some good news on that

368

00:15:02,870 --> 00:15:00,720

front

369

00:15:03,829 --> 00:15:02,880

yes the pentagon's doing some new things

370

00:15:06,629 --> 00:15:03,839

and

371

00:15:09,269 --> 00:15:06,639

concerning ufos

372

00:15:11,430 --> 00:15:09,279

the u.s government's official

373

00:15:12,710 --> 00:15:11,440

ufo investigation office is being

374

00:15:15,590 --> 00:15:12,720

rebranded

375

00:15:18,230 --> 00:15:15,600

just after eight months on the job

376

00:15:20,069 --> 00:15:18,240

formerly known as the airborne object

377

00:15:22,790 --> 00:15:20,079

identification and management group the

378

00:15:25,110 --> 00:15:22,800

office is now being updated and expanded

379

00:15:28,150 --> 00:15:25,120

to investigate more than just

380

00:15:30,230 --> 00:15:28,160

unidentified objects the new name will

381

00:15:32,389 --> 00:15:30,240

be the aaro

382

00:15:34,710 --> 00:15:32,399

airborne object identification and

383

00:15:36,310 --> 00:15:34,720

management group so arrow i'm assuming

384

00:15:37,350 --> 00:15:36,320

that's what they're gonna

385

00:15:39,910 --> 00:15:37,360

use

386

00:15:43,350 --> 00:15:39,920

uh index uh it's expanded focus will

387

00:15:45,749 --> 00:15:43,360

look into what are being referred to as

388

00:15:47,910 --> 00:15:45,759

trans medium objects

389

00:15:50,790 --> 00:15:47,920

unidentified vehicles capable of

390

00:15:51,829 --> 00:15:50,800

operating both in the sky and under the

391

00:15:53,910 --> 00:15:51,839

sea

392

00:15:56,069 --> 00:15:53,920

this definition also also applies to

393

00:15:58,949 --> 00:15:56,079

objects capable of transitioning from

394

00:16:01,110 --> 00:15:58,959

flying within earth's atmosphere to

395

00:16:03,590 --> 00:16:01,120

flying in space

396

00:16:05,509 --> 00:16:03,600

and the updated name reflects the

397

00:16:07,590 --> 00:16:05,519

growing number of reports from us navy

398

00:16:09,910 --> 00:16:07,600

personnel involving objects that have

399

00:16:13,990 --> 00:16:09,920

seen emerging from the sea

400

00:16:17,189 --> 00:16:14,000

and moving into or out of the water

401
00:16:19,590 --> 00:16:17,199
it's very fascinating uh that they're

402
00:16:21,030 --> 00:16:19,600
doing this so whether or not the public

403
00:16:22,949 --> 00:16:21,040
will actually get to hear about the

404
00:16:24,389 --> 00:16:22,959
group's finding findings however it

405
00:16:28,710 --> 00:16:24,399
remains to be

406
00:16:30,230 --> 00:16:28,720
unseen uh so they got a big rundown on

407
00:16:32,230 --> 00:16:30,240
defense one

408
00:16:35,110 --> 00:16:32,240
or defense news.com

409
00:16:37,189 --> 00:16:35,120
um and uh what they're doing so they're

410
00:16:38,470 --> 00:16:37,199
rebranding this this this new pentagon

411
00:16:40,629 --> 00:16:38,480
office

412
00:16:42,230 --> 00:16:40,639
they're telling the previous program to

413
00:16:45,189 --> 00:16:42,240

shut down

414

00:16:47,110 --> 00:16:45,199

and by the way send us all the material

415

00:16:48,629 --> 00:16:47,120

that you have send us send us over all

416

00:16:51,110 --> 00:16:48,639

the paperwork

417

00:16:53,670 --> 00:16:51,120

we want all that stuff and we're going

418

00:16:55,829 --> 00:16:53,680

to be hiring probably some some new

419

00:16:58,470 --> 00:16:55,839

people so with that paper trail there

420

00:17:01,269 --> 00:16:58,480

could be foyer requests i know uh uh

421

00:17:03,910 --> 00:17:01,279

john greenwald of the black vault he is

422

00:17:06,390 --> 00:17:03,920

already hot on the trail because they're

423

00:17:08,150 --> 00:17:06,400

they're naming specific items that they

424

00:17:10,710 --> 00:17:08,160

want moved over so he's gonna be doing

425

00:17:12,870 --> 00:17:10,720

four requests to see what he can get out

426
00:17:14,390 --> 00:17:12,880
of this uh some of the most interesting

427
00:17:16,150 --> 00:17:14,400
things so they're you're looking not

428
00:17:19,110 --> 00:17:16,160
just in the earth's atmosphere at this

429
00:17:21,829 --> 00:17:19,120
point they're actively uh saying that

430
00:17:24,630 --> 00:17:21,839
they're going to start taking reports

431
00:17:28,069 --> 00:17:24,640
from astronauts or whoever's up in space

432
00:17:30,549 --> 00:17:28,079
about ufos and then also

433
00:17:32,870 --> 00:17:30,559
under the sea under the ocean which has

434
00:17:35,029 --> 00:17:32,880
been a primary concern for a lot of ufo

435
00:17:37,669 --> 00:17:35,039
investigators uh that they haven't

436
00:17:39,830 --> 00:17:37,679
really uh the us military hasn't really

437
00:17:42,789 --> 00:17:39,840
been uh talking about

438
00:17:45,510 --> 00:17:42,799

that uh too heavily you know a good

439

00:17:48,070 --> 00:17:45,520

number of the the more interesting ufk

440

00:17:49,669 --> 00:17:48,080

ufo cases does involve uh

441

00:17:50,470 --> 00:17:49,679

i'm just coming out of the water and

442

00:17:52,870 --> 00:17:50,480

then

443

00:17:56,150 --> 00:17:52,880

rumors of underwater alien bases off the

444

00:18:00,070 --> 00:17:56,160

coast of of malibu for instance and near

445

00:18:03,590 --> 00:18:00,080

puerto rico i've covered a couple of uh

446

00:18:05,830 --> 00:18:03,600

first hand or uh reports uh humanoid

447

00:18:08,310 --> 00:18:05,840

encounters from people uh firsthand uh

448

00:18:10,150 --> 00:18:08,320

conveying their abduction experiences

449

00:18:12,630 --> 00:18:10,160

and and being taken aboard this craft

450

00:18:14,630 --> 00:18:12,640

and taking underwater to

451

00:18:16,230 --> 00:18:14,640

some facilities to where they're uh

452

00:18:17,350 --> 00:18:16,240

experimented on

453

00:18:19,270 --> 00:18:17,360

i don't think the pentagon is going to

454

00:18:20,789 --> 00:18:19,280

go into that they don't they want to

455

00:18:23,990 --> 00:18:20,799

ignore everything

456

00:18:25,190 --> 00:18:24,000

that has happened previous to 2003

457

00:18:26,549 --> 00:18:25,200

and they just want to move forward

458

00:18:29,510 --> 00:18:26,559

they're ignoring

459

00:18:31,029 --> 00:18:29,520

uh pretty much the the long and storied

460

00:18:33,350 --> 00:18:31,039

history of ufo abductions catamine

461

00:18:35,270 --> 00:18:33,360

relations and all that stuff throughout

462

00:18:37,830 --> 00:18:35,280

the 70s 80s and 90s and they're saying

463

00:18:41,750 --> 00:18:37,840

hey scratch that we're starting from

464

00:18:43,510 --> 00:18:41,760

this point 2003 and onward

465

00:18:45,430 --> 00:18:43,520

there we go is this the office that

466

00:18:47,590 --> 00:18:45,440

shatner is in charge of

467

00:18:49,909 --> 00:18:47,600

uh yes this is the one well no the the

468

00:18:52,549 --> 00:18:49,919

office that um

469

00:18:55,750 --> 00:18:52,559

that is being shut down

470

00:18:59,110 --> 00:18:55,760

that was where he was answering phones

471

00:19:01,190 --> 00:18:59,120

so like unless he gets a job transfer

472

00:19:02,470 --> 00:19:01,200

um shatner's

473

00:19:04,549 --> 00:19:02,480

out of luck

474

00:19:05,990 --> 00:19:04,559

unfortunately

475

00:19:07,590 --> 00:19:06,000

i'm curious why they keep changing the

476

00:19:10,789 --> 00:19:07,600

name of this to something that doesn't

477

00:19:12,789 --> 00:19:10,799

have the the phraseology ufo in it

478

00:19:14,549 --> 00:19:12,799

because that's all we want to know

479

00:19:15,669 --> 00:19:14,559

so every time they come up with whatever

480

00:19:18,549 --> 00:19:15,679

the new

481

00:19:21,350 --> 00:19:18,559

it was a tip and then aoyo and then

482

00:19:23,909 --> 00:19:21,360

arrow but it's always going to be

483

00:19:25,190 --> 00:19:23,919

comma the ufo reporting office comma

484

00:19:27,430 --> 00:19:25,200

because no one knows what the hell these

485

00:19:29,909 --> 00:19:27,440

things are called yeah

486

00:19:32,310 --> 00:19:29,919

just call it space force and let them

487

00:19:33,590 --> 00:19:32,320

talk about ufos

488

00:19:35,270 --> 00:19:33,600

i so

489

00:19:36,789 --> 00:19:35,280

you know it's very curious that they're

490

00:19:40,310 --> 00:19:36,799

using the words trans medium they're

491

00:19:43,270 --> 00:19:40,320

taking that very serious uh uh

492

00:19:45,830 --> 00:19:43,280

yeah it is very progressive of them to

493

00:19:47,909 --> 00:19:45,840

use those terms and words uh it's

494

00:19:49,190 --> 00:19:47,919

fascinating but

495

00:19:51,510 --> 00:19:49,200

i i don't know if we're going to be able

496

00:19:52,630 --> 00:19:51,520

to get any real information out of this

497

00:19:54,230 --> 00:19:52,640

you know when it's locked up in the

498

00:19:55,430 --> 00:19:54,240

pentagon

499

00:19:57,110 --> 00:19:55,440

they're going to be pretty tight-lipped

500

00:19:58,549 --> 00:19:57,120

about this and we don't know what kind

501
00:19:59,510 --> 00:19:58,559
of congressional oversight there really

502
00:20:01,350 --> 00:19:59,520
is here

503
00:20:03,510 --> 00:20:01,360
i'm surprised the the congress

504
00:20:06,710 --> 00:20:03,520
themselves or the senate hasn't decided

505
00:20:08,789 --> 00:20:06,720
decided to form their own committee and

506
00:20:10,870 --> 00:20:08,799
just tap the resources of the

507
00:20:13,190 --> 00:20:10,880
intelligence agency and the pentagon and

508
00:20:15,350 --> 00:20:13,200
report directly to them

509
00:20:17,430 --> 00:20:15,360
it just seems like this is a bottleneck

510
00:20:19,510 --> 00:20:17,440
this new office is a bottleneck where

511
00:20:22,070 --> 00:20:19,520
all information will be funneled to this

512
00:20:24,549 --> 00:20:22,080
new pentagon office and that's where it

513
00:20:26,630 --> 00:20:24,559

goes to die and it's going to be very

514

00:20:28,390 --> 00:20:26,640

difficult to get information out of

515

00:20:30,390 --> 00:20:28,400

there

516

00:20:34,549 --> 00:20:30,400

which is probably the point yeah i

517

00:20:38,390 --> 00:20:37,110

and uh one last oh

518

00:20:40,549 --> 00:20:38,400

to make a

519

00:20:42,230 --> 00:20:40,559

uh reference to hollywood uh since we

520

00:20:44,070 --> 00:20:42,240

talked about james cameron james cameron

521

00:20:46,830 --> 00:20:44,080

did a uh he did a movie

522

00:20:50,310 --> 00:20:46,840

called the abyss i think back in 1988

523

00:20:52,789 --> 00:20:50,320

1989 89 yep it was 89 and it's probably

524

00:20:53,909 --> 00:20:52,799

one of my favorite movies that he did uh

525

00:20:55,750 --> 00:20:53,919

check it out

526

00:20:57,270 --> 00:20:55,760

i i don't know if many streaming

527

00:20:59,909 --> 00:20:57,280

services have it

528

00:21:01,430 --> 00:20:59,919

but it's about a group of oil

529

00:21:04,710 --> 00:21:01,440

i think they're

530

00:21:07,590 --> 00:21:04,720

diggers oil

531

00:21:10,310 --> 00:21:07,600

dredgers oh yeah spoilers oil drilling

532

00:21:12,310 --> 00:21:10,320

it was an oil drilling um uh company

533

00:21:13,909 --> 00:21:12,320

trying to prove that an underwater rig

534

00:21:19,270 --> 00:21:13,919

would be a viable option

535

00:21:22,390 --> 00:21:19,280

yeah and so it has uh ed harris uh

536

00:21:24,230 --> 00:21:22,400

uh oh god uh the guy from uh uh

537

00:21:26,710 --> 00:21:24,240

terminator the guy who played kyle reese

538

00:21:28,470 --> 00:21:26,720

michael bean michael bean

539

00:21:30,390 --> 00:21:28,480

who by the way i think is a horrific

540

00:21:32,789 --> 00:21:30,400

alcoholic at this point in his life but

541

00:21:34,149 --> 00:21:32,799

i think that's just i heard that rumor i

542

00:21:36,070 --> 00:21:34,159

love writing that rumor around yeah and

543

00:21:38,870 --> 00:21:36,080

it's getting that out there

544

00:21:41,990 --> 00:21:38,880

uh but it's an amazing movie

545

00:21:44,630 --> 00:21:42,000

where there are underwater

546

00:21:46,789 --> 00:21:44,640

objects usos underwater submerged

547

00:21:49,830 --> 00:21:46,799

objects uh undefined

548

00:21:52,149 --> 00:21:49,840

and they encounter these weird anomalies

549

00:21:53,909 --> 00:21:52,159

down there and the united states

550

00:21:56,549 --> 00:21:53,919

government sends down like a navy seal

551
00:21:58,070 --> 00:21:56,559
team to evaluate the situation

552
00:22:00,710 --> 00:21:58,080
at the same time they're trying to get

553
00:22:02,789 --> 00:22:00,720
this oil rig underwater up and going

554
00:22:03,590 --> 00:22:02,799
it's a really cool movie a very well

555
00:22:06,390 --> 00:22:03,600
done

556
00:22:07,830 --> 00:22:06,400
awesome the effects still hold up

557
00:22:10,950 --> 00:22:07,840
uh after

558
00:22:12,870 --> 00:22:10,960
three decades four decades almost and uh

559
00:22:14,070 --> 00:22:12,880
fascinating movie

560
00:22:15,750 --> 00:22:14,080
except the part where they changed

561
00:22:19,750 --> 00:22:15,760
everybody's patches to complicate the

562
00:22:25,590 --> 00:22:23,350
uh and one one last little story here i

563
00:22:29,110 --> 00:22:25,600

got

564

00:22:30,310 --> 00:22:29,120

uh we'll bring this up on screen please

565

00:22:32,390 --> 00:22:30,320

yes

566

00:22:34,470 --> 00:22:32,400

uh astronauts warned hold on let me

567

00:22:36,230 --> 00:22:34,480

click this out astronauts warn not to

568

00:22:39,590 --> 00:22:36,240

masturbate in space

569

00:22:40,630 --> 00:22:39,600

as one session can impregnate three

570

00:22:42,630 --> 00:22:40,640

females

571

00:22:43,830 --> 00:22:42,640

stop pumping

572

00:22:49,590 --> 00:22:43,840

what

573

00:22:52,149 --> 00:22:49,600

and joe stop pumping up in space you're

574

00:22:55,350 --> 00:22:52,159

not allowed to do that

575

00:22:56,710 --> 00:22:55,360

i mean i would love to pump it in space

576

00:22:59,669 --> 00:22:56,720

oh wait is this the one where they're

577

00:23:01,190 --> 00:22:59,679

gonna get pregnant yeah oh yeah i saw

578

00:23:02,549 --> 00:23:01,200

this i'm glad you

579

00:23:05,510 --> 00:23:02,559

because i didn't read it boyfriends like

580

00:23:07,830 --> 00:23:05,520

to get pregnant yeah they love to

581

00:23:10,710 --> 00:23:07,840

jizz in space and just see what happens

582

00:23:13,029 --> 00:23:10,720

me and my boyfriend love to get pregnant

583

00:23:16,310 --> 00:23:13,039

well astronauts have been warned not to

584

00:23:17,909 --> 00:23:16,320

play with their rockets in space so they

585

00:23:19,750 --> 00:23:17,919

don't get crewmates

586

00:23:24,789 --> 00:23:19,760

them in joke jail jesus yeah that's

587

00:23:31,190 --> 00:23:28,149

uh self-pleasuring is banned in zero g

588

00:23:33,350 --> 00:23:31,200

amid fears of any floating seamen could

589

00:23:34,950 --> 00:23:33,360

leave female colleagues

590

00:23:36,470 --> 00:23:34,960

up the duff

591

00:23:38,310 --> 00:23:36,480

this is obviously written by someone in

592

00:23:41,909 --> 00:23:38,320

the uk

593

00:23:42,789 --> 00:23:41,919

uh this bizarre uh revelation came on us

594

00:23:44,149 --> 00:23:42,799

chat

595

00:23:48,950 --> 00:23:44,159

uh show

596

00:23:51,350 --> 00:23:48,960

uh conan o'brien needs a friend podcast

597

00:23:54,789 --> 00:23:51,360

uh during recording conan asked a nasa

598

00:23:57,830 --> 00:23:54,799

engineer if he ever uh sent porn to the

599

00:24:00,870 --> 00:23:57,840

international space station the boston

600

00:24:03,269 --> 00:24:00,880

uh identified only as smith told him no

601
00:24:06,630 --> 00:24:03,279
none of that and o'brien went on does

602
00:24:09,190 --> 00:24:06,640
porn work in zero gravity

603
00:24:11,510 --> 00:24:09,200
it goes anywhere uh smith told them

604
00:24:15,990 --> 00:24:11,520
three female astronauts can

605
00:24:18,950 --> 00:24:16,000
impregnated by the same man

606
00:24:21,350 --> 00:24:18,960
on the same session it finds a way nasa

607
00:24:25,190 --> 00:24:21,360
is getting ready to look at how sex and

608
00:24:28,870 --> 00:24:25,200
space might work as its plans for future

609
00:24:33,190 --> 00:24:28,880
moon and mars missions start to unfold

610
00:24:34,310 --> 00:24:33,200
uh let's see here uh academics from uh

611
00:24:35,669 --> 00:24:34,320
um

612
00:24:39,190 --> 00:24:35,679
montreal

613
00:24:41,350 --> 00:24:39,200

say such research is essential for the

614

00:24:43,669 --> 00:24:41,360

success of deep space missions and

615

00:24:45,510 --> 00:24:43,679

building off-world settlements

616

00:24:47,110 --> 00:24:45,520

so i so

617

00:24:48,789 --> 00:24:47,120

i'm assuming

618

00:24:51,269 --> 00:24:48,799

that if you're up in space and you're an

619

00:24:52,870 --> 00:24:51,279

astronaut and you really got a pound

620

00:24:55,110 --> 00:24:52,880

that you're just not going to pound it

621

00:24:56,710 --> 00:24:55,120

out into the air because it's going to

622

00:24:58,950 --> 00:24:56,720

get gunky it's going to it's going to

623

00:25:01,269 --> 00:24:58,960

clog up all your knobs and buttons and

624

00:25:03,510 --> 00:25:01,279

you might not be able to you know

625

00:25:05,830 --> 00:25:03,520

operate the space station effectively if

626

00:25:06,870 --> 00:25:05,840

this is dunked with jizz

627

00:25:08,310 --> 00:25:06,880

and so you're probably going to want to

628

00:25:11,190 --> 00:25:08,320

do that uh you're probably going to want

629

00:25:13,909 --> 00:25:11,200

to sit on your your vacuum toilet so it

630

00:25:17,190 --> 00:25:13,919

it not only like takes care of number

631

00:25:18,950 --> 00:25:17,200

one number two and also uh uh there's a

632

00:25:21,430 --> 00:25:18,960

vacuum that sucks your

633

00:25:24,310 --> 00:25:21,440

life seed down the drain too so it's not

634

00:25:25,590 --> 00:25:24,320

get going out there spreading in zero g

635

00:25:28,630 --> 00:25:25,600

if you believe

636

00:25:30,390 --> 00:25:28,640

that we're in orbit

637

00:25:31,830 --> 00:25:30,400

they give you space socks that's all

638

00:25:32,549 --> 00:25:31,840

they need

639

00:25:35,029 --> 00:25:32,559

but

640

00:25:38,630 --> 00:25:35,039

wear your space socks before you before

641

00:25:41,510 --> 00:25:39,590

wouldn't it just be easier tell them

642

00:25:42,870 --> 00:25:41,520

just wear a condom all the time

643

00:25:44,390 --> 00:25:42,880

yeah

644

00:25:46,630 --> 00:25:44,400

that i guess that would be the safest

645

00:25:48,710 --> 00:25:46,640

route is like put your condom on and

646

00:25:50,230 --> 00:25:48,720

then your spacesuit because you never

647

00:25:52,310 --> 00:25:50,240

know when you're gonna get aroused in

648

00:25:53,590 --> 00:25:52,320

space

649

00:25:56,070 --> 00:25:53,600

yeah i don't know do you think it would

650

00:25:58,870 --> 00:25:56,080

be because of gravity there's less

651

00:26:01,110 --> 00:25:58,880

gravity in orbit you think it might be

652

00:26:03,190 --> 00:26:01,120

maybe easier to get an erection because

653

00:26:05,430 --> 00:26:03,200

of blood flow and you're not fighting

654

00:26:06,470 --> 00:26:05,440

gravity that these guys might be up

655

00:26:08,870 --> 00:26:06,480

there just

656

00:26:10,470 --> 00:26:08,880

floating around with a boner 24 7.

657

00:26:13,110 --> 00:26:10,480

they're constantly erect because there's

658

00:26:15,190 --> 00:26:13,120

no gravity

659

00:26:17,269 --> 00:26:15,200

excuse me it's family show i'm sorry i

660

00:26:19,190 --> 00:26:17,279

love the idea of like you're floating

661

00:26:21,590 --> 00:26:19,200

around on the space station trying to

662

00:26:24,230 --> 00:26:21,600

you know grow mold and see what you can

663

00:26:25,909 --> 00:26:24,240

do under uh you know ultraviolet lights

664

00:26:27,269 --> 00:26:25,919

and then there's just jizz flying all

665

00:26:28,549 --> 00:26:27,279

over the place

666

00:26:30,549 --> 00:26:28,559

yeah and then there's a there's a guy

667

00:26:35,590 --> 00:26:30,559

with like five phds over in the corner

668

00:26:39,430 --> 00:26:36,950

and he's like hey bill can you come over

669

00:26:40,950 --> 00:26:39,440

here it's like i'm stuck in zero z let

670

00:26:42,870 --> 00:26:40,960

me pump a little bit to gain some

671

00:26:47,830 --> 00:26:42,880

propulsion

672

00:26:49,350 --> 00:26:47,840

well or if you get somebody who has the

673

00:26:51,909 --> 00:26:49,360

same kind of uh approach to this that

674

00:26:53,190 --> 00:26:51,919

elon musk is where he's elon musk has 27

675

00:26:54,549 --> 00:26:53,200

kids or something like that yeah so

676
00:26:55,669 --> 00:26:54,559
you've got these these scientists out

677
00:26:57,029 --> 00:26:55,679
there just seeing how many people they

678
00:26:58,549 --> 00:26:57,039
can get pregnant and he's just got like

679
00:27:00,310 --> 00:26:58,559
a uh you know the board behind him like

680
00:27:01,350 --> 00:27:00,320
he's in prison he's just chalking him

681
00:27:02,870 --> 00:27:01,360
off

682
00:27:05,269 --> 00:27:02,880
there you go yep

683
00:27:07,029 --> 00:27:05,279
28 got him

684
00:27:08,789 --> 00:27:07,039
i mean i'm glad that conor o'brien's

685
00:27:11,269 --> 00:27:08,799
doing this kind of journalism he's

686
00:27:13,750 --> 00:27:11,279
actually asking me he's got to these

687
00:27:16,390 --> 00:27:13,760
great these are great questions

688
00:27:19,029 --> 00:27:16,400

uh and to wind us down last year uh

689

00:27:22,389 --> 00:27:19,039

amazon's jeff bezos made headlines when

690

00:27:25,510 --> 00:27:22,399

he blasted into space aboard a

691

00:27:29,669 --> 00:27:25,520

wheelie-shaped rocket

692

00:27:31,110 --> 00:27:29,679

that was the last line of this article

693

00:27:33,669 --> 00:27:31,120

we're just saying that because it had

694

00:27:35,010 --> 00:27:33,679

truck nuts attached to it as it took off

695

00:27:39,190 --> 00:27:35,020

[h__\h] hard pumps

696

00:27:41,430 --> 00:27:39,200

[Laughter]

697

00:27:43,269 --> 00:27:41,440

i wonder if jeff bailey he's so rich

698

00:27:45,430 --> 00:27:43,279

and everything is so mundane down here

699

00:27:48,710 --> 00:27:45,440

in earth he has to go to orbit to pound

700

00:27:50,789 --> 00:27:48,720

off like every like he's like

701
00:27:52,549 --> 00:27:50,799
it's the only way he can

702
00:27:54,549 --> 00:27:52,559
really get his rocks off is going into

703
00:27:56,630 --> 00:27:54,559
orbit

704
00:27:58,789 --> 00:27:56,640
i think linda gates should build a space

705
00:28:00,950 --> 00:27:58,799
vagina and bezos should fly it straight

706
00:28:02,389 --> 00:28:00,960
into there yeah i like that or a space

707
00:28:06,950 --> 00:28:02,399
mouth

708
00:28:10,070 --> 00:28:08,389
i'm surprised with all the puns in that

709
00:28:12,230 --> 00:28:10,080
article they didn't use the phrase or

710
00:28:14,549 --> 00:28:12,240
variation thereof in space nobody can

711
00:28:16,230 --> 00:28:14,559
hear you cream or something like that

712
00:28:18,149 --> 00:28:16,240
just but but think about this what what

713
00:28:20,070 --> 00:28:18,159

they said they said they they're asking

714

00:28:21,669 --> 00:28:20,080

astronauts not to pump off in space

715

00:28:24,070 --> 00:28:21,679

because they don't want

716

00:28:25,430 --> 00:28:24,080

uh female astronauts to get pregnant but

717

00:28:27,110 --> 00:28:25,440

that would mean

718

00:28:29,110 --> 00:28:27,120

that there are female astronauts that

719

00:28:30,549 --> 00:28:29,120

are most likely not clothed and they're

720

00:28:32,549 --> 00:28:30,559

floating around

721

00:28:33,830 --> 00:28:32,559

like spread wide open

722

00:28:35,590 --> 00:28:33,840

ready to

723

00:28:37,430 --> 00:28:35,600

receive i think you don't know you don't

724

00:28:38,310 --> 00:28:37,440

know how astronauts what they're doing

725

00:28:39,510 --> 00:28:38,320

you don't you don't know what they're up

726

00:28:41,750 --> 00:28:39,520

to you're right i don't know that's

727

00:28:43,590 --> 00:28:41,760

normal i don't know the day-to-day life

728

00:28:46,789 --> 00:28:43,600

of an astronaut you're right i have no

729

00:28:49,590 --> 00:28:48,310

i have no idea

730

00:28:51,029 --> 00:28:49,600

they don't come down to your place of

731

00:28:53,350 --> 00:28:51,039

business and slap the dick out of your

732

00:28:54,789 --> 00:28:53,360

mouth so let them float around naked

733

00:28:55,909 --> 00:28:54,799

pumping off like they do because it's

734

00:28:56,710 --> 00:28:55,919

science

735

00:29:00,230 --> 00:28:56,720

yeah

736

00:29:04,149 --> 00:29:00,240

the

737

00:29:06,310 --> 00:29:04,159

real quick dial straight into that watch

738

00:29:07,830 --> 00:29:06,320

just just let me check in

739

00:29:09,029 --> 00:29:07,840

if we listen closely we might be able to

740

00:29:12,149 --> 00:29:09,039

hear what's going on at the space

741

00:29:13,909 --> 00:29:12,159

station i'm sorry you're sorry for what

742

00:29:16,149 --> 00:29:13,919

you're [\h__\h] everything up soon yeah

743

00:29:18,149 --> 00:29:16,159

what did you [\h__\h] up on monday

744

00:29:20,950 --> 00:29:18,159

your boots that's right

745

00:29:22,710 --> 00:29:20,960

and how did you [\h__\h] my boots up boy

746

00:29:24,230 --> 00:29:22,720

i didn't polish them right now that's

747

00:29:31,990 --> 00:29:24,240

right you didn't polish them right did

748

00:29:35,350 --> 00:29:33,510

you know for everything that you [\h__\h]

749

00:29:37,750 --> 00:29:35,360

up this week

750

00:29:39,269 --> 00:29:37,760

you can get punished for

751
00:29:41,750 --> 00:29:39,279
understanding this is where nasa cuts in

752
00:29:43,750 --> 00:29:41,760
and says uh yeah you guys are on mike a

753
00:29:44,710 --> 00:29:43,760
little louder please yes there we go

754
00:29:45,990 --> 00:29:44,720
that's right

755
00:29:48,230 --> 00:29:46,000
obviously they're running a military

756
00:29:50,230 --> 00:29:48,240
operation up there uh very tightly run

757
00:29:51,830 --> 00:29:50,240
ship up there yeah they have higher

758
00:29:54,149 --> 00:29:51,840
article command and they like to have

759
00:29:55,590 --> 00:29:54,159
clean moon boots

760
00:29:57,350 --> 00:29:55,600
and if you don't clean the moon boots

761
00:29:59,669 --> 00:29:57,360
there's punishment

762
00:30:02,230 --> 00:29:59,679
it's a beard punishment they run a tight

763
00:30:03,830 --> 00:30:02,240

ship and there's no doubt about that i'm

764

00:30:07,269 --> 00:30:03,840

i'm a little skeptical of this this

765

00:30:09,110 --> 00:30:07,279

whole the whole origin of this report

766

00:30:10,310 --> 00:30:09,120

the things you've raised about how do

767

00:30:11,590 --> 00:30:10,320

they know women are getting pregnant if

768

00:30:13,909 --> 00:30:11,600

no one's gotten pregnant space that we

769

00:30:15,669 --> 00:30:13,919

know of and who are these people who are

770

00:30:17,350 --> 00:30:15,679

pumping off and just

771

00:30:18,710 --> 00:30:17,360

flicking their their knuckle children

772

00:30:22,470 --> 00:30:18,720

all over the place up there because it's

773

00:30:24,230 --> 00:30:22,480

just it's just not sanitary

774

00:30:25,430 --> 00:30:24,240

uh yeah i don't know uh some people in

775

00:30:27,110 --> 00:30:25,440

the chat are saying that raises

776

00:30:28,950 --> 00:30:27,120

questions as to what this guy's yeah

777

00:30:30,149 --> 00:30:28,960

twitch i had to restart it there was

778

00:30:31,669 --> 00:30:30,159

there was a twitch hiccup i think it's

779

00:30:34,549 --> 00:30:31,679

probably related to your internet being

780

00:30:36,950 --> 00:30:34,559

wackadoo yeah i think uh what's going on

781

00:30:37,830 --> 00:30:36,960

is that we some big storms are rolling

782

00:30:40,389 --> 00:30:37,840

through

783

00:30:43,350 --> 00:30:40,399

and we might have some internet outages

784

00:30:45,510 --> 00:30:43,360

here and there so apology people

785

00:30:48,549 --> 00:30:45,520

uh this is what it's like trying to

786

00:30:49,990 --> 00:30:48,559

broadcast and deal with uh climate

787

00:30:51,669 --> 00:30:50,000

change can you believe that gel climate

788

00:30:53,750 --> 00:30:51,679

change is doing this to us i just think

789

00:30:55,190 --> 00:30:53,760

you're a weak stream [h__h]

790

00:30:57,669 --> 00:30:55,200

wrong

791

00:30:59,269 --> 00:30:57,679

yeah i guess it it's all climate change

792

00:31:03,269 --> 00:30:59,279

it's so crazy because people are like

793

00:31:05,750 --> 00:31:03,279

it's 105 in texas it's like yeah

794

00:31:07,750 --> 00:31:05,760

happens because it's texas joe it's

795

00:31:09,190 --> 00:31:07,760

never been summer ever before this is

796

00:31:11,669 --> 00:31:09,200

the first time

797

00:31:15,190 --> 00:31:11,679

well climate change is not about weather

798

00:31:19,269 --> 00:31:17,509

one of our our mods boogie he's in

799

00:31:21,269 --> 00:31:19,279

arizona phoenix

800

00:31:23,830 --> 00:31:21,279

and is it any hotter in phoenix right

801
00:31:26,549 --> 00:31:23,840
now than it has been for the past 15 to

802
00:31:29,269 --> 00:31:26,559
20 years i don't think that it is

803
00:31:32,470 --> 00:31:29,279
like it hasn't gotten up to 125 in

804
00:31:36,789 --> 00:31:32,480
phoenix like what i'm seeing it's in 110

805
00:31:40,470 --> 00:31:36,799
maybe 115 uh the day that i left phoenix

806
00:31:42,549 --> 00:31:40,480
it was a hundred and eleven

807
00:31:44,310 --> 00:31:42,559
uh and that was two years ago

808
00:31:45,669 --> 00:31:44,320
and so there's like my favorite reports

809
00:31:47,350 --> 00:31:45,679
coming out of europe are the we have to

810
00:31:49,669 --> 00:31:47,360
close roads because the roads are

811
00:31:53,110 --> 00:31:49,679
melting i went what kind of cheap ass

812
00:31:54,710 --> 00:31:53,120
[h__\h] asphalt did you use

813
00:31:56,549 --> 00:31:54,720

some people are in the chest name get on

814

00:31:59,110 --> 00:31:56,559

rocking stuff they put over the vanilla

815

00:32:01,350 --> 00:31:59,120

ice creams at dairy queen

816

00:32:03,269 --> 00:32:01,360

the magic show yeah the magic shell [h__h]

817

00:32:04,549 --> 00:32:03,279

i love that [h__h] that's good stuff

818

00:32:08,070 --> 00:32:04,559

that's what they should put put on put

819

00:32:12,230 --> 00:32:10,310

well uh

820

00:32:15,430 --> 00:32:12,240

let's move on let's move on we'll see

821

00:32:16,549 --> 00:32:15,440

what joe has i've occupied enough of uh

822

00:32:18,070 --> 00:32:16,559

the show

823

00:32:20,710 --> 00:32:18,080

you're talking about space and tom

824

00:32:23,990 --> 00:32:22,389

that's our new format it's tom cruise

825

00:32:25,990 --> 00:32:24,000

and space show i think it's a winning

826

00:32:26,870 --> 00:32:26,000

formula

827

00:32:30,549 --> 00:32:26,880

you know

828

00:32:32,870 --> 00:32:30,559

i think it's time for a uh piss army

829

00:32:34,389 --> 00:32:32,880

news blast yes

830

00:32:36,389 --> 00:32:34,399

okay let's do it let's do it like a

831

00:32:37,269 --> 00:32:36,399

little news attack

832

00:32:47,750 --> 00:32:37,279

the

833

00:32:50,149 --> 00:32:47,760

amount of stuff

834

00:32:52,549 --> 00:32:50,159

yeah so let's let's celebrate there's

835

00:32:54,470 --> 00:32:52,559

some weird some weird dutch guy in there

836

00:32:56,149 --> 00:32:54,480

just throwing news around oh yeah i

837

00:32:58,710 --> 00:32:56,159

don't know how he finds this [\h__\h] we got

838

00:33:01,430 --> 00:32:58,720

a herman from holland in the chat

839

00:33:03,509 --> 00:33:01,440

he's always fine he's got the time like

840

00:33:05,029 --> 00:33:03,519

well he's got time he's got an eight

841

00:33:08,789 --> 00:33:05,039

hour he's got an eight-hour jump on

842

00:33:14,149 --> 00:33:11,110

well so we we know that chuck e cheese

843

00:33:15,750 --> 00:33:14,159

has to install an octagon for

844

00:33:17,509 --> 00:33:15,760

you know the parents need to have fun

845

00:33:19,509 --> 00:33:17,519

too

846

00:33:20,870 --> 00:33:19,519

so um

847

00:33:23,190 --> 00:33:20,880

they're gonna

848

00:33:24,230 --> 00:33:23,200

put one in at disney world

849

00:33:26,310 --> 00:33:24,240

so you're just taking stuff right out of

850

00:33:29,509 --> 00:33:26,320

my news feeds so

851
00:33:31,110 --> 00:33:29,519
did you put that one in there herman did

852
00:33:32,630 --> 00:33:31,120
in the other news channel the curated

853
00:33:35,029 --> 00:33:32,640
news channel that's one of the 27

854
00:33:37,509 --> 00:33:35,039
stories i have oh wow

855
00:33:39,350 --> 00:33:37,519
well i have a channel that's called my

856
00:33:40,870 --> 00:33:39,360
news in slack i didn't know that that

857
00:33:43,190 --> 00:33:40,880
was your purpose there we're going to

858
00:33:45,029 --> 00:33:43,200
have it we're sharing it with nobody

859
00:33:46,549 --> 00:33:45,039
we're going to have overlap on these

860
00:33:47,909 --> 00:33:46,559
critical stories

861
00:33:51,190 --> 00:33:47,919
like i said i've got way too many

862
00:33:53,110 --> 00:33:51,200
stories we ever we can ever cover so

863
00:33:54,549 --> 00:33:53,120

this is weak sauce but let's look at the

864

00:33:55,830 --> 00:33:54,559

video because they're fighting and it's

865

00:33:56,710 --> 00:33:55,840

so dumb

866

00:33:59,669 --> 00:33:56,720

and

867

00:34:01,990 --> 00:33:59,679

this is uh pretty uh interesting stuff i

868

00:34:03,350 --> 00:34:02,000

guess uh but we'll read this here this

869

00:34:06,710 --> 00:34:03,360

is uh

870

00:34:10,470 --> 00:34:06,720

current events news and uh disney world

871

00:34:12,550 --> 00:34:10,480

brawl reportedly spurs two arrests bans

872

00:34:14,629 --> 00:34:12,560

at the uh magic kingdom that's some good

873

00:34:17,510 --> 00:34:14,639

news on that front actually there's good

874

00:34:19,109 --> 00:34:17,520

news yeah so uh there's a a massive

875

00:34:20,710 --> 00:34:19,119

brawl

876

00:34:22,710 --> 00:34:20,720

that erupted at disney world's magnetic

877

00:34:24,790 --> 00:34:22,720

magic kingdom this week has resulted in

878

00:34:26,710 --> 00:34:24,800

two arrests as well as bans from the

879

00:34:29,270 --> 00:34:26,720

theme park for several alleged

880

00:34:31,190 --> 00:34:29,280

participants according to the report

881

00:34:33,270 --> 00:34:31,200

uh let's see here the the the wild

882

00:34:36,629 --> 00:34:33,280

fracks uh among ten people erupted

883

00:34:37,510 --> 00:34:36,639

outside mickey's magic theater and so

884

00:34:39,909 --> 00:34:37,520

maybe

885

00:34:42,149 --> 00:34:39,919

the the fact that mickey mouse's theater

886

00:34:43,270 --> 00:34:42,159

wasn't open to everyone or is too packed

887

00:34:45,430 --> 00:34:43,280

caused the

888

00:34:48,550 --> 00:34:45,440

the fight it's unclear at this point

889

00:34:50,710 --> 00:34:48,560

um but uh thursday after two families

890

00:34:53,829 --> 00:34:50,720

got into an argument while waiting in

891

00:34:54,629 --> 00:34:53,839

line for mickey's magic theater uh and

892

00:34:57,430 --> 00:34:54,639

uh

893

00:34:59,910 --> 00:34:57,440

this sparked the tangle of fisticuffs

894

00:35:01,349 --> 00:34:59,920

that landed at least one man in the

895

00:35:02,870 --> 00:35:01,359

hospital so we'll take a look at this

896

00:35:05,109 --> 00:35:02,880

fun video

897

00:35:07,349 --> 00:35:05,119

and uh i'll try to discuss describe

898

00:35:09,990 --> 00:35:07,359

what's going on so uh it looks like

899

00:35:11,670 --> 00:35:10,000

there's uh one family

900

00:35:13,270 --> 00:35:11,680

that is wearing

901
00:35:14,950 --> 00:35:13,280
white shirts

902
00:35:17,109 --> 00:35:14,960
uh these are both i think uh black

903
00:35:19,349 --> 00:35:17,119
families in one family's wearing uh

904
00:35:20,790 --> 00:35:19,359
white shirts and like red shorts the

905
00:35:22,310 --> 00:35:20,800
other family

906
00:35:24,069 --> 00:35:22,320
uh i don't think they're

907
00:35:26,470 --> 00:35:24,079
they're color coordinated like that you

908
00:35:31,349 --> 00:35:26,480
know the uniforms on yeah it's confusing

909
00:35:33,270 --> 00:35:31,359
it's very confusing um but they are uh

910
00:35:36,150 --> 00:35:33,280
aggressively interacting and the the

911
00:35:38,230 --> 00:35:36,160
audio is not like super interesting but

912
00:35:39,750 --> 00:35:38,240
i'll i'll play a little bit right here

913
00:35:41,349 --> 00:35:39,760

get the ambience of the background to

914

00:35:42,230 --> 00:35:41,359

give the overall flavor of what's going

915

00:35:43,750 --> 00:35:42,240

on

916

00:35:46,390 --> 00:35:43,760

but then there there are women that are

917

00:35:47,670 --> 00:35:46,400

going up to other women and smacking

918

00:35:49,589 --> 00:35:47,680

them

919

00:35:51,990 --> 00:35:49,599

and then from behind

920

00:35:53,190 --> 00:35:52,000

what's that from behind yeah from behind

921

00:35:55,270 --> 00:35:53,200

you're right

922

00:35:58,150 --> 00:35:55,280

and by the way disney security is

923

00:36:00,069 --> 00:35:58,160

nowhere to be seen there is no i break i

924

00:36:01,030 --> 00:36:00,079

have no idea where disney security is at

925

00:36:03,030 --> 00:36:01,040

this point

926
00:36:03,990 --> 00:36:03,040
you'd imagine after the brawl that we

927
00:36:05,829 --> 00:36:04,000
showed

928
00:36:07,990 --> 00:36:05,839
a few months ago

929
00:36:09,109 --> 00:36:08,000
and that that video was almost a year

930
00:36:11,589 --> 00:36:09,119
and a half old

931
00:36:13,190 --> 00:36:11,599
disney would up security across the

932
00:36:16,069 --> 00:36:13,200
magic kingdom especially at mickey's

933
00:36:18,470 --> 00:36:16,079
magic theater but they haven't done that

934
00:36:20,870 --> 00:36:18,480
they've taken a hands-off approach

935
00:36:22,150 --> 00:36:20,880
and are deciding to let these

936
00:36:23,670 --> 00:36:22,160
groups of people

937
00:36:24,870 --> 00:36:23,680
just kind of fight it out

938
00:36:26,870 --> 00:36:24,880

it's like hockey you gotta let them work

939

00:36:28,550 --> 00:36:26,880

it out mike it does not it looks like

940

00:36:31,109 --> 00:36:28,560

there's another gentleman being held

941

00:36:35,270 --> 00:36:31,119

back by one of his friends

942

00:36:39,589 --> 00:36:37,750

and they continue to tussle and fight at

943

00:36:40,870 --> 00:36:39,599

the magic kingdom

944

00:36:44,310 --> 00:36:40,880

supposed to be the happiest place on

945

00:36:45,430 --> 00:36:44,320

earth and apparently that's not true

946

00:36:46,470 --> 00:36:45,440

um

947

00:36:50,150 --> 00:36:46,480

i don't think this is happening at

948

00:36:52,790 --> 00:36:51,990

i always think it is

949

00:36:56,390 --> 00:36:52,800

not

950

00:37:00,790 --> 00:36:56,400

cratchit

951
00:37:05,190 --> 00:37:03,190
get your timing right man

952
00:37:08,230 --> 00:37:05,200
yeah i'm not watching the zoom usually i

953
00:37:09,829 --> 00:37:08,240
can tell

954
00:37:11,190 --> 00:37:09,839
for crotchets keep on changing i love

955
00:37:13,510 --> 00:37:11,200
those

956
00:37:15,910 --> 00:37:13,520
uh the guests claim that the family had

957
00:37:17,829 --> 00:37:15,920
been banned from the magic kingdom as

958
00:37:19,910 --> 00:37:17,839
well as other disney properties

959
00:37:21,030 --> 00:37:19,920
meanwhile two members of the other

960
00:37:23,910 --> 00:37:21,040
family

961
00:37:26,390 --> 00:37:23,920
um all of whom were dressed in identical

962
00:37:29,990 --> 00:37:26,400
red shorts and white top

963
00:37:32,069 --> 00:37:30,000

uh were arrested uh the guest claims

964

00:37:34,470 --> 00:37:32,079

so uh quote they're making us leave our

965

00:37:37,030 --> 00:37:34,480

resort which is

966

00:37:38,310 --> 00:37:37,040

riviera even though we have we're

967

00:37:40,710 --> 00:37:38,320

supposed to be here for another two

968

00:37:42,470 --> 00:37:40,720

weeks the guest lamented we have to

969

00:37:44,870 --> 00:37:42,480

leave disney's pr disney's property

970

00:37:47,430 --> 00:37:44,880

including typhoon lagoon

971

00:37:50,710 --> 00:37:47,440

in disney springs so even typhoon lagoon

972

00:37:53,589 --> 00:37:50,720

is off limits to these family

973

00:37:58,230 --> 00:37:55,990

they're they're people like pent up they

974

00:37:59,910 --> 00:37:58,240

have pent up anger issues and they're

975

00:38:01,990 --> 00:37:59,920

like let's take the kids to chuck e

976

00:38:03,910 --> 00:38:02,000

cheese or disney world you know it's

977

00:38:06,150 --> 00:38:03,920

like what is going on like didn't you

978

00:38:08,310 --> 00:38:06,160

come here to have fun and yeah

979

00:38:09,910 --> 00:38:08,320

ah i don't know man

980

00:38:11,670 --> 00:38:09,920

have you ever gotten in a fight at cedar

981

00:38:14,310 --> 00:38:11,680

point mike no

982

00:38:17,190 --> 00:38:14,320

no i haven't i i i've only gotten into a

983

00:38:17,910 --> 00:38:17,200

few fights out in public uh one was that

984

00:38:19,670 --> 00:38:17,920

uh

985

00:38:22,390 --> 00:38:19,680

a pizzeria

986

00:38:24,630 --> 00:38:22,400

uh hot dogs pizza and i was horrifically

987

00:38:25,910 --> 00:38:24,640

drunk like and that was like i started

988

00:38:27,829 --> 00:38:25,920

that one

989

00:38:31,109 --> 00:38:27,839

and i got that crap kicked out of me you

990

00:38:33,829 --> 00:38:31,119

got uh my ribs broken and they kicked

991

00:38:34,630 --> 00:38:33,839

out a tooth is that is that real oh yeah

992

00:38:36,470 --> 00:38:34,640

that's

993

00:38:40,230 --> 00:38:36,480

yeah this was uh

994

00:38:41,910 --> 00:38:40,240

uh 2010 2011.

995

00:38:43,589 --> 00:38:41,920

i'm curious what did you say to tom

996

00:38:45,990 --> 00:38:43,599

cruise to start this fight wasn't tom

997

00:38:48,950 --> 00:38:46,000

cruise so what happened i got i

998

00:38:52,630 --> 00:38:48,960

basically drank four double gin and

999

00:38:55,109 --> 00:38:52,640

tonics in the span of an hour i got

1000

00:38:56,790 --> 00:38:55,119

blacked out drunk i went to the bathroom

1001
00:38:58,790 --> 00:38:56,800
and people were trying to enter the

1002
00:39:00,630 --> 00:38:58,800
bathroom but i decided no this is my

1003
00:39:02,150 --> 00:39:00,640
bathroom i'm going to hold the line so i

1004
00:39:03,750 --> 00:39:02,160
held the door shut

1005
00:39:05,990 --> 00:39:03,760
this is what i was told i'm holding the

1006
00:39:08,390 --> 00:39:06,000
door shut and i was yelling

1007
00:39:09,990 --> 00:39:08,400
awful things at people i they and this

1008
00:39:11,829 --> 00:39:10,000
is horrible things that people say held

1009
00:39:13,109 --> 00:39:11,839
the door shut apparently the people

1010
00:39:16,550 --> 00:39:13,119
outside really needed to use the

1011
00:39:18,630 --> 00:39:16,560
bathroom and so they they ran through

1012
00:39:20,630 --> 00:39:18,640
they like they as a team of four people

1013
00:39:23,190 --> 00:39:20,640

they pushed the door through i went

1014

00:39:25,510 --> 00:39:23,200

flying back against the wall

1015

00:39:26,310 --> 00:39:25,520

and boom hit the wall hard this guy ran

1016

00:39:28,870 --> 00:39:26,320

in

1017

00:39:31,349 --> 00:39:28,880

punched me across the the face my

1018

00:39:33,109 --> 00:39:31,359

glasses go flying i hit the floor and

1019

00:39:35,829 --> 00:39:33,119

then two other gentlemen come up and

1020

00:39:38,790 --> 00:39:35,839

start kicking me in the ribs and then

1021

00:39:41,430 --> 00:39:38,800

another guy kicked me in the face wow

1022

00:39:43,349 --> 00:39:41,440

and then i was like it was dave and

1023

00:39:45,190 --> 00:39:43,359

that's when i kind of came out of my my

1024

00:39:47,829 --> 00:39:45,200

blackout

1025

00:39:49,910 --> 00:39:47,839

and i i didn't know what was going on i

1026

00:39:55,030 --> 00:39:49,920

i wandered outside and i think i was

1027

00:39:58,630 --> 00:39:56,630

that was tom cruise

1028

00:40:00,470 --> 00:39:58,640

because i was missing half my tooth i

1029

00:40:02,710 --> 00:40:00,480

didn't know where my glasses were and my

1030

00:40:04,790 --> 00:40:02,720

ribs really hurt

1031

00:40:06,230 --> 00:40:04,800

and uh

1032

00:40:08,790 --> 00:40:06,240

and then thankfully like you know i was

1033

00:40:10,870 --> 00:40:08,800

a regular at hound dogs and uh rivari

1034

00:40:13,190 --> 00:40:10,880

room one of the workers found my glasses

1035

00:40:15,910 --> 00:40:13,200

and gave them to me because as the guy

1036

00:40:18,069 --> 00:40:15,920

like punched me my glasses went flying

1037

00:40:19,190 --> 00:40:18,079

and so they didn't get damaged in the

1038

00:40:21,510 --> 00:40:19,200

scuffle

1039

00:40:24,470 --> 00:40:21,520

um and uh

1040

00:40:26,069 --> 00:40:24,480

yeah i that was and i remember the next

1041

00:40:27,430 --> 00:40:26,079

few weeks having

1042

00:40:30,069 --> 00:40:27,440

broken ribs

1043

00:40:31,829 --> 00:40:30,079

and having to play a few shows and i was

1044

00:40:33,990 --> 00:40:31,839

a lead singer of a metal band which

1045

00:40:37,589 --> 00:40:34,000

requires a lot of screaming and is very

1046

00:40:40,950 --> 00:40:37,599

difficult to do when your ribs are broke

1047

00:40:43,030 --> 00:40:40,960

so it was uh that's the last time i

1048

00:40:44,550 --> 00:40:43,040

wasn't even in a fight i did because i

1049

00:40:47,430 --> 00:40:44,560

didn't throw a

1050

00:40:49,990 --> 00:40:47,440

a fist or a punch or anything back i

1051
00:40:52,150 --> 00:40:50,000
just got the [h__\h] kicked out of me

1052
00:40:53,829 --> 00:40:52,160
that's humbling it's like alex jones or

1053
00:40:55,589 --> 00:40:53,839
he doesn't want to go in the bathroom

1054
00:40:58,550 --> 00:40:55,599
with anybody else

1055
00:41:01,589 --> 00:40:58,560
exactly i now know how he feels i am

1056
00:41:04,390 --> 00:41:01,599
toilet king number one in here i i now

1057
00:41:06,309 --> 00:41:04,400
know how alex jones feels because i i

1058
00:41:08,790 --> 00:41:06,319
just don't want to deal with it i don't

1059
00:41:11,510 --> 00:41:08,800
want to go into the bathroom anymore and

1060
00:41:15,670 --> 00:41:14,230
yeah was the last time you got into uh

1061
00:41:17,190 --> 00:41:15,680
you know i'm the type of guy even when

1062
00:41:18,950 --> 00:41:17,200
there's guys in a big bathroom i kind of

1063
00:41:21,510 --> 00:41:18,960

like well i'll just wait till i get home

1064

00:41:23,109 --> 00:41:21,520

i don't like you know i i i mean i'm

1065

00:41:25,190 --> 00:41:23,119

with you now alex after i remember that

1066

00:41:26,630 --> 00:41:25,200

story i ain't going into a bathroom with

1067

00:41:29,030 --> 00:41:26,640

another with a bunch of guys in there

1068

00:41:31,990 --> 00:41:29,040

you don't know what's going to happen

1069

00:41:37,589 --> 00:41:32,000

going to get into a fight

1070

00:41:43,349 --> 00:41:40,150

i really got a [h__h] man all right so

1071

00:41:45,270 --> 00:41:43,359

okay so if you had to like guess like

1072

00:41:47,270 --> 00:41:45,280

what was going through your head to want

1073

00:41:48,950 --> 00:41:47,280

to stop people from coming in what would

1074

00:41:50,950 --> 00:41:48,960

it have been would it was it were you on

1075

00:41:52,950 --> 00:41:50,960

the verge of barfing or what the hell is

1076

00:41:55,270 --> 00:41:52,960

going on

1077

00:41:57,750 --> 00:41:55,280

i might not be the most stable person

1078

00:42:00,390 --> 00:41:57,760

joe and especially when i drink i get a

1079

00:42:03,349 --> 00:42:00,400

little crazy in my head sometimes and uh

1080

00:42:06,790 --> 00:42:03,359

at that point in my life i was like uh i

1081

00:42:09,109 --> 00:42:06,800

was going a little bonkers and uh

1082

00:42:11,589 --> 00:42:09,119

you know it's 2010 2011 i'll see if i'll

1083

00:42:14,390 --> 00:42:11,599

i'll dig up the podcast that i probably

1084

00:42:17,109 --> 00:42:14,400

did a podcast at the time like

1085

00:42:19,990 --> 00:42:17,119

to talk about it so i'll dig it up and

1086

00:42:21,270 --> 00:42:20,000

maybe uh my memory is a lot more clear

1087

00:42:23,589 --> 00:42:21,280

back then

1088

00:42:26,150 --> 00:42:23,599

and because i do remember my

1089

00:42:28,309 --> 00:42:26,160

my roommate at the time scott he came

1090

00:42:30,550 --> 00:42:28,319

down to find me because

1091

00:42:31,589 --> 00:42:30,560

he worked there and the man management

1092

00:42:34,309 --> 00:42:31,599

called

1093

00:42:36,069 --> 00:42:34,319

him and said listen your roommate is

1094

00:42:37,589 --> 00:42:36,079

going crazy down here you got to come do

1095

00:42:39,750 --> 00:42:37,599

something about him

1096

00:42:42,390 --> 00:42:39,760

because we don't want him arrested we

1097

00:42:44,470 --> 00:42:42,400

don't want to cause any more trouble um

1098

00:42:46,870 --> 00:42:44,480

and so come get him but i had

1099

00:42:49,270 --> 00:42:46,880

disappeared uh what happened i must have

1100

00:42:53,430 --> 00:42:49,280

ordered a pizza and i walked two miles

1101
00:42:58,230 --> 00:42:55,750
carrying the pizza the entire way home

1102
00:43:00,630 --> 00:42:58,240
and i was told later that my roommate

1103
00:43:02,150 --> 00:43:00,640
came home and found me passed out and he

1104
00:43:03,910 --> 00:43:02,160
had to he had to wake me up he's like

1105
00:43:05,030 --> 00:43:03,920
mike you got to get up you can't go to

1106
00:43:06,309 --> 00:43:05,040
bed because you probably got a

1107
00:43:07,430 --> 00:43:06,319
concussion

1108
00:43:08,870 --> 00:43:07,440
um

1109
00:43:12,470 --> 00:43:08,880
and i probably did i probably did have a

1110
00:43:14,390 --> 00:43:12,480
concussion and i was told by dr scott my

1111
00:43:17,270 --> 00:43:14,400
roommate that you shouldn't go to sleep

1112
00:43:19,670 --> 00:43:17,280
if you have a concussion that's bad

1113
00:43:21,349 --> 00:43:19,680

i've heard that yeah

1114

00:43:23,430 --> 00:43:21,359

i was tired though i was

1115

00:43:25,430 --> 00:43:23,440

drunk and i got done eating a full pizza

1116

00:43:27,589 --> 00:43:25,440

probably so i was like all tuckered out

1117

00:43:30,069 --> 00:43:27,599

that's how it goes you get a busy day

1118

00:43:31,910 --> 00:43:30,079

you get [\h__\h] hammered and then you wake

1119

00:43:33,589 --> 00:43:31,920

up in the morning you're like oh my god

1120

00:43:35,430 --> 00:43:33,599

there's like food all over the counter

1121

00:43:40,069 --> 00:43:35,440

and you're like what the [\h__\h] did i do

1122

00:43:44,470 --> 00:43:41,910

i'm digging through the trash to find

1123

00:43:49,990 --> 00:43:44,480

what kind of empty bags i have of like

1124

00:43:53,750 --> 00:43:51,670

that's how i yeah that's how i feel when

1125

00:43:55,670 --> 00:43:53,760

i used to like drink that much you would

1126

00:43:57,430 --> 00:43:55,680

it's like oh i can order an extra large

1127

00:43:59,510 --> 00:43:57,440

pizza i can take this down

1128

00:44:00,470 --> 00:43:59,520

it's like yeah you can eat it but should

1129

00:44:03,349 --> 00:44:00,480

you

1130

00:44:06,630 --> 00:44:03,359

with like extra cheese and

1131

00:44:09,109 --> 00:44:06,640

pepperoni like nah just pickles people

1132

00:44:11,349 --> 00:44:09,119

put pickles in the fridge put a post-it

1133

00:44:14,870 --> 00:44:11,359

note on the door and say don't eat a

1134

00:44:16,550 --> 00:44:14,880

bunch of garbage you fat drunk

1135

00:44:18,790 --> 00:44:16,560

eat the pickles

1136

00:44:22,790 --> 00:44:18,800

i i will say this like it is humbling to

1137

00:44:24,390 --> 00:44:22,800

get into that kind of a scuffle and uh i

1138

00:44:26,150 --> 00:44:24,400

think it does

1139

00:44:27,670 --> 00:44:26,160

give you per life perspective about

1140

00:44:29,829 --> 00:44:27,680

getting uh punched in the face

1141

00:44:33,270 --> 00:44:29,839

repeatedly um

1142

00:44:35,109 --> 00:44:33,280

and to know what that feels like and uh

1143

00:44:37,270 --> 00:44:35,119

you're not as quick to engage with

1144

00:44:38,230 --> 00:44:37,280

people uh because you know what it feels

1145

00:44:44,710 --> 00:44:38,240

like

1146

00:44:46,950 --> 00:44:44,720

really quickly over

1147

00:44:49,430 --> 00:44:46,960

what not getting mayonnaise on your

1148

00:44:51,190 --> 00:44:49,440

subway or any

1149

00:44:53,349 --> 00:44:51,200

anything like that waiting for mickey's

1150

00:44:55,990 --> 00:44:53,359

magical theater yeah it's just it's just

1151

00:44:57,910 --> 00:44:56,000

crazy like it it hurts

1152

00:45:00,150 --> 00:44:57,920

getting in a fight hurts and that hurt

1153

00:45:01,589 --> 00:45:00,160

back in my early 30s i can't only

1154

00:45:04,630 --> 00:45:01,599

imagine now

1155

00:45:05,430 --> 00:45:04,640

uh what that kind of damage would do so

1156

00:45:07,349 --> 00:45:05,440

yeah

1157

00:45:09,030 --> 00:45:07,359

life is delicate once you get older and

1158

00:45:11,270 --> 00:45:09,040

like i broke my neck and you're just

1159

00:45:12,790 --> 00:45:11,280

like i'm not taking any chances anymore

1160

00:45:14,470 --> 00:45:12,800

that's why when i was like

1161

00:45:16,390 --> 00:45:14,480

we're hiking up

1162

00:45:18,390 --> 00:45:16,400

a mountain in iceland i'm like holding

1163

00:45:20,470 --> 00:45:18,400

the ground because i'm so mortified i'm

1164

00:45:24,550 --> 00:45:20,480

like well and the other thing is i saw

1165

00:45:26,790 --> 00:45:24,560

some lady fall like [h__h] 40 feet like

1166

00:45:28,630 --> 00:45:26,800

like boo boo boo and i'm like do you

1167

00:45:29,910 --> 00:45:28,640

want me to call 9-1-1 she's like i'm

1168

00:45:30,950 --> 00:45:29,920

fine

1169

00:45:33,270 --> 00:45:30,960

delaney

1170

00:45:35,750 --> 00:45:33,280

look like i thought you were gonna die

1171

00:45:38,630 --> 00:45:35,760

you know so i i the older i've gotten

1172

00:45:40,790 --> 00:45:38,640

the the less averse or the more averse

1173

00:45:42,470 --> 00:45:40,800

i've gotten to taking

1174

00:45:45,750 --> 00:45:42,480

physical risks

1175

00:45:47,990 --> 00:45:45,760

i dude i'm with you like if i saw that

1176

00:45:51,030 --> 00:45:48,000

like if i if i saw people

1177

00:45:53,589 --> 00:45:51,040

like fall down a hill i would just go i

1178

00:45:55,190 --> 00:45:53,599

would just leave at that point because

1179

00:45:56,710 --> 00:45:55,200

there's i'm not sticking around and

1180

00:45:58,470 --> 00:45:56,720

dealing with that

1181

00:46:01,109 --> 00:45:58,480

especially if you had

1182

00:46:04,710 --> 00:46:01,119

had a broken neck like you and it's like

1183

00:46:06,390 --> 00:46:04,720

why push yourself like that like it it

1184

00:46:08,230 --> 00:46:06,400

i get it you want to challenge yourself

1185

00:46:09,670 --> 00:46:08,240

and you want to have fun and you want to

1186

00:46:12,150 --> 00:46:09,680

you want to see these amazing sites

1187

00:46:13,750 --> 00:46:12,160

you're only in what iceland maybe once

1188

00:46:16,150 --> 00:46:13,760

in your life

1189

00:46:17,589 --> 00:46:16,160

and so i get wanted to do that but at a

1190

00:46:19,910 --> 00:46:17,599

certain point in time it's like i want

1191

00:46:22,870 --> 00:46:19,920

to get back home in one place in one

1192

00:46:26,150 --> 00:46:22,880

piece and uh no thank you

1193

00:46:29,030 --> 00:46:26,160

you know you know it was one of the most

1194

00:46:31,190 --> 00:46:29,040

exhilarating and rewarding things ever

1195

00:46:32,950 --> 00:46:31,200

because you had to go up and then cross

1196

00:46:35,109 --> 00:46:32,960

a river which meant you had to walk

1197

00:46:36,630 --> 00:46:35,119

through the river which we didn't know

1198

00:46:38,390 --> 00:46:36,640

and then go to the other side because

1199

00:46:40,550 --> 00:46:38,400

you want to see the whole side and we

1200

00:46:43,430 --> 00:46:40,560

thought it was hard going up the side we

1201

00:46:46,390 --> 00:46:43,440

went the side coming down was the harder

1202

00:46:47,750 --> 00:46:46,400

side and the side going up i saw kids on

1203

00:46:49,750 --> 00:46:47,760

there and that's where that lady was

1204

00:46:52,390 --> 00:46:49,760

like and she was making all these crazy

1205

00:46:54,870 --> 00:46:52,400

noises the last thing i did that i felt

1206

00:46:59,750 --> 00:46:54,880

like was so physically dangerous is i

1207

00:47:03,990 --> 00:47:01,910

could you imagine some of these roller

1208

00:47:05,109 --> 00:47:04,000

coasters are [h__h] insane like one of

1209

00:47:06,710 --> 00:47:05,119

the roller coasters there i can't

1210

00:47:09,109 --> 00:47:06,720

remember the name of it it was nuts and

1211

00:47:10,390 --> 00:47:09,119

i'm like i don't know how

1212

00:47:12,069 --> 00:47:10,400

you know

1213

00:47:13,829 --> 00:47:12,079

intricate they are about is it called

1214

00:47:15,589 --> 00:47:13,839

the throw up machine because that's what

1215

00:47:17,589 --> 00:47:15,599

a lot a lot of those little carnival

1216

00:47:19,270 --> 00:47:17,599

rides are called it's called the macho

1217

00:47:21,829 --> 00:47:19,280

chacho

1218

00:47:24,870 --> 00:47:21,839

hop on and guaranteed you're going to

1219

00:47:26,309 --> 00:47:24,880

puke all over your passenger next to you

1220

00:47:28,630 --> 00:47:26,319

yeah

1221

00:47:30,150 --> 00:47:28,640

i've never thrown up on a what

1222

00:47:32,870 --> 00:47:30,160

no i've never thrown up on a ride

1223

00:47:34,950 --> 00:47:32,880

although i do remember when i i went to

1224

00:47:37,349 --> 00:47:34,960

cedar point one time with uh the friends

1225

00:47:38,870 --> 00:47:37,359

i was getting high with and doing acid

1226

00:47:40,150 --> 00:47:38,880

with and [h__\h]

1227

00:47:42,870 --> 00:47:40,160

and uh

1228

00:47:45,190 --> 00:47:42,880

you know you remember the mantis oh yeah

1229

00:47:47,030 --> 00:47:45,200

the standing up one yeah

1230

00:47:48,710 --> 00:47:47,040

well so for whatever reason it was one

1231

00:47:50,390 --> 00:47:48,720

of these days where there was like

1232

00:47:52,069 --> 00:47:50,400

nobody there

1233

00:47:53,990 --> 00:47:52,079

and we were just getting on getting off

1234

00:47:55,670 --> 00:47:54,000

getting on getting off like you could

1235

00:47:57,510 --> 00:47:55,680

just go right

1236

00:47:58,710 --> 00:47:57,520

over and over again without even waiting

1237

00:48:01,030 --> 00:47:58,720

so we were just doing that and

1238

00:48:02,710 --> 00:48:01,040

ultimately my friend was

1239

00:48:04,630 --> 00:48:02,720

he was even

1240

00:48:08,069 --> 00:48:04,640

uh yeah

1241

00:48:11,109 --> 00:48:08,079

i mean back when you're like in your

1242

00:48:13,030 --> 00:48:11,119

early 20s maybe even mid-20s you can do

1243

00:48:14,710 --> 00:48:13,040

that but i noticed like even the most

1244

00:48:16,549 --> 00:48:14,720

recently when i went to universal

1245

00:48:18,390 --> 00:48:16,559

theater um

1246

00:48:19,990 --> 00:48:18,400

some of those roller coasters they

1247

00:48:22,150 --> 00:48:20,000

really jostle you around and it felt

1248

00:48:24,790 --> 00:48:22,160

like i had whiplash at the end of the

1249

00:48:26,710 --> 00:48:24,800

day to where i i my body just can't

1250

00:48:29,510 --> 00:48:26,720

sustain that kind of

1251
00:48:32,870 --> 00:48:29,520
that turbulence over and over again and

1252
00:48:34,950 --> 00:48:32,880
uh yeah i think i'm past my prime on

1253
00:48:36,710 --> 00:48:34,960
roller coaster wasn't it mean streak was

1254
00:48:39,670 --> 00:48:36,720
it that one was the wood one the wood

1255
00:48:41,510 --> 00:48:39,680
one yeah that one was awful if you want

1256
00:48:42,630 --> 00:48:41,520
a [h__h] headache you would ride that

1257
00:48:44,630 --> 00:48:42,640
one

1258
00:48:46,150 --> 00:48:44,640
it's crazy i really don't falcon was

1259
00:48:48,309 --> 00:48:46,160
awesome though i'd rather go to the

1260
00:48:50,150 --> 00:48:48,319
magic kingdom and get into a fight yes

1261
00:48:51,270 --> 00:48:50,160
just start fights

1262
00:48:53,190 --> 00:48:51,280
in fact

1263
00:48:57,109 --> 00:48:53,200

some dollars just to start punching

1264

00:49:01,990 --> 00:48:58,710

whipping at them with my with my

1265

00:49:05,589 --> 00:49:03,670

anyway that got us out of that that

1266

00:49:07,109 --> 00:49:05,599

raised a good point so i know when you

1267

00:49:09,030 --> 00:49:07,119

get when you go to parks like disney

1268

00:49:10,470 --> 00:49:09,040

universal whatever you pay a huge fee to

1269

00:49:12,710 --> 00:49:10,480

get in and then you go stand in line all

1270

00:49:14,950 --> 00:49:12,720

day yeah so what if you agree to pay a

1271

00:49:17,750 --> 00:49:14,960

lesser charge to get in you can't ride

1272

00:49:19,990 --> 00:49:17,760

any rides but you can start fights

1273

00:49:21,430 --> 00:49:20,000

kind of like you get like one or two get

1274

00:49:23,829 --> 00:49:21,440

out of jail free card so you get like

1275

00:49:25,750 --> 00:49:23,839

one or two cheap shots and after that

1276

00:49:28,150 --> 00:49:25,760

like if we catch you you're we're

1277

00:49:29,750 --> 00:49:28,160

throwing you out security has a has a a

1278

00:49:32,630 --> 00:49:29,760

little punch card it's like that's three

1279

00:49:35,190 --> 00:49:32,640

get out i like punch card you gotta put

1280

00:49:37,270 --> 00:49:35,200

like you can only have five punches and

1281

00:49:38,790 --> 00:49:37,280

then you you take your whole punch boom

1282

00:49:40,470 --> 00:49:38,800

that's one punch

1283

00:49:42,790 --> 00:49:40,480

it's called

1284

00:49:44,470 --> 00:49:42,800

fight club you know it's like hey come

1285

00:49:48,630 --> 00:49:44,480

on down the fight club the the theme

1286

00:49:51,750 --> 00:49:49,910

it would be like they have to be there

1287

00:49:53,109 --> 00:49:51,760

with their families yes you got to bring

1288

00:49:54,870 --> 00:49:53,119

kids you want to get you want to get

1289

00:49:56,549 --> 00:49:54,880

cheap shots on people who are not

1290

00:49:58,950 --> 00:49:56,559

expecting it i want to punch that kid

1291

00:50:01,190 --> 00:49:58,960

over there

1292

00:50:03,109 --> 00:50:01,200

he's been asking for it

1293

00:50:04,950 --> 00:50:03,119

that's the great thing about the

1294

00:50:06,790 --> 00:50:04,960

modern day theme parks is that it

1295

00:50:09,190 --> 00:50:06,800

separates the people with a little bit

1296

00:50:11,030 --> 00:50:09,200

of money from the peons because if you

1297

00:50:12,870 --> 00:50:11,040

have a little bit of money you can pay

1298

00:50:14,710 --> 00:50:12,880

for the fast pass so you're not standing

1299

00:50:15,990 --> 00:50:14,720

in line for two hours you stand in line

1300

00:50:18,470 --> 00:50:16,000

for 20

1301

00:50:20,150 --> 00:50:18,480

uh maybe 30 minutes at most and uh

1302

00:50:23,030 --> 00:50:20,160

that's what we opted for so we we

1303

00:50:24,309 --> 00:50:23,040

splurged for one day at universal to use

1304

00:50:26,710 --> 00:50:24,319

the fast pass

1305

00:50:28,950 --> 00:50:26,720

and we were just cutting past people

1306

00:50:31,430 --> 00:50:28,960

riding the harry potter uh

1307

00:50:33,109 --> 00:50:31,440

rides they were they were my favorite

1308

00:50:34,630 --> 00:50:33,119

rides with the harry potter ones they're

1309

00:50:36,790 --> 00:50:34,640

the most well constructed and the most

1310

00:50:38,390 --> 00:50:36,800

interesting and just zipped through the

1311

00:50:40,549 --> 00:50:38,400

lines and hey

1312

00:50:43,670 --> 00:50:40,559

it was worth it i enjoyed that

1313

00:50:45,750 --> 00:50:43,680

as standing in line for three hours then

1314

00:50:47,349 --> 00:50:45,760

because you can't get out of line to to

1315

00:50:48,950 --> 00:50:47,359

go to the bathroom

1316

00:50:50,870 --> 00:50:48,960

and so you just wind up holding it for

1317

00:50:53,109 --> 00:50:50,880

three hours then you get on the ride and

1318

00:50:55,190 --> 00:50:53,119

you're trying to hold your piss in and

1319

00:50:57,030 --> 00:50:55,200

trying to enjoy the ride i can't do two

1320

00:50:58,790 --> 00:50:57,040

things at once i can either do hold my

1321

00:51:01,430 --> 00:50:58,800

piss in or enjoy the ride i can't do

1322

00:51:03,750 --> 00:51:01,440

both so i wanted to see you enjoy the

1323

00:51:06,150 --> 00:51:03,760

ride yeah i know i know

1324

00:51:07,349 --> 00:51:06,160

i opt to hold my piss in and grit and

1325

00:51:09,910 --> 00:51:07,359

bear it

1326
00:51:11,829 --> 00:51:09,920
you have a costco membership or sam's

1327
00:51:13,990 --> 00:51:11,839
club no why do you ask

1328
00:51:17,030 --> 00:51:14,000
is that where you go start fights

1329
00:51:19,349 --> 00:51:17,040
well no i mean they they have really

1330
00:51:20,390 --> 00:51:19,359
really good deals on adult diapers oh

1331
00:51:22,470 --> 00:51:20,400
okay

1332
00:51:24,309 --> 00:51:22,480
you could wait in all the lines i guess

1333
00:51:25,829 --> 00:51:24,319
so just keep going well you're going to

1334
00:51:27,030 --> 00:51:25,839
say you go to the you go to the costco's

1335
00:51:29,030 --> 00:51:27,040
on sunday afternoons when it's really

1336
00:51:30,950 --> 00:51:29,040
busy you just start wailing on people oh

1337
00:51:34,230 --> 00:51:30,960
yeah you wail on people at the sample

1338
00:51:35,430 --> 00:51:34,240

counters you go like mine

1339

00:51:37,109 --> 00:51:35,440

i don't know i don't know how i feel

1340

00:51:39,670 --> 00:51:37,119

about standing in line and just like

1341

00:51:42,950 --> 00:51:39,680

urinating myself in front of a family

1342

00:51:46,870 --> 00:51:44,390

as long as you don't break eye contact

1343

00:51:49,589 --> 00:51:46,880

you want to maintain dominance

1344

00:51:51,829 --> 00:51:49,599

drove 2 000 miles of stand in line at

1345

00:51:53,670 --> 00:51:51,839

mickey's theme park just like well

1346

00:51:55,910 --> 00:51:53,680

stand next to a guy from ohio who smells

1347

00:51:58,390 --> 00:51:55,920

like urine

1348

00:52:01,750 --> 00:51:58,400

it's just like meth-guy from ohio over

1349

00:52:03,430 --> 00:52:01,760

here just just drunk off his ass

1350

00:52:05,910 --> 00:52:03,440

blocking doors to restrooms and pissing

1351
00:52:08,390 --> 00:52:05,920
himself uh in the chat yeah i am going

1352
00:52:09,910 --> 00:52:08,400
through a storm right now personally and

1353
00:52:11,270 --> 00:52:09,920
weather-wise

1354
00:52:13,910 --> 00:52:11,280
um

1355
00:52:15,829 --> 00:52:13,920
so yeah if there's intermittent

1356
00:52:18,470 --> 00:52:15,839
connection issues yeah it's because

1357
00:52:20,870 --> 00:52:18,480
there's a storm going on outside

1358
00:52:23,430 --> 00:52:20,880
and uh the the full episode will be

1359
00:52:26,390 --> 00:52:23,440
uploaded later to odyssey

1360
00:52:29,190 --> 00:52:26,400
for video podcast and then the the audio

1361
00:52:31,510 --> 00:52:29,200
will be uploaded 15 minutes when the the

1362
00:52:33,030 --> 00:52:31,520
podcast is done so yeah i'm having

1363
00:52:34,549 --> 00:52:33,040

uh

1364

00:52:37,270 --> 00:52:34,559

various issues with streaming right now

1365

00:52:38,150 --> 00:52:37,280

so sorry people

1366

00:52:39,750 --> 00:52:38,160

well

1367

00:52:42,230 --> 00:52:39,760

let's move on to the next story because

1368

00:52:43,190 --> 00:52:42,240

i think this is 100 appropriate

1369

00:52:46,630 --> 00:52:43,200

for

1370

00:52:48,309 --> 00:52:46,640

regular listeners

1371

00:52:51,109 --> 00:52:48,319

oh wow yeah

1372

00:52:53,910 --> 00:52:51,119

yeah yep yep yep yep

1373

00:52:56,390 --> 00:52:53,920

i'll bring this up on screen uh man who

1374

00:52:57,270 --> 00:52:56,400

hasn't stopped farting after eating ham

1375

00:53:01,589 --> 00:52:57,280

roll

1376

00:53:04,470 --> 00:53:01,599

five years ago sues for 200 000 dollars

1377

00:53:07,750 --> 00:53:06,790

by the way hello

1378

00:53:09,750 --> 00:53:07,760

what's that

1379

00:53:11,030 --> 00:53:09,760

get it straight

1380

00:53:13,829 --> 00:53:11,040

what did i say

1381

00:53:15,910 --> 00:53:13,839

you said dollars oh it's uh 200 000

1382

00:53:17,910 --> 00:53:15,920

pounds yeah you're right 200 000 pounds

1383

00:53:21,109 --> 00:53:17,920

so that translates what to

1384

00:53:24,069 --> 00:53:21,119

300 000 u.s lord knows that i mean

1385

00:53:26,150 --> 00:53:24,079

that's what 30 i'll look it up

1386

00:53:29,349 --> 00:53:26,160

that's a lot of money

1387

00:53:31,670 --> 00:53:29,359

um a man whose life has changed plagued

1388

00:53:33,910 --> 00:53:31,680

by relentless farts since eating a ham

1389

00:53:37,270 --> 00:53:33,920

roll is suing

1390

00:53:38,630 --> 00:53:37,280

uh the stall that sold it to him for 200

1391

00:53:41,349 --> 00:53:38,640

000

1392

00:53:44,470 --> 00:53:41,359

oh really

1393

00:53:47,030 --> 00:53:44,480

uh the man from chippenham

1394

00:53:49,750 --> 00:53:47,040

uh was visiting uh his name was the chip

1395

00:53:51,910 --> 00:53:49,760

chipping him no he's from chippenham

1396

00:53:54,470 --> 00:53:51,920

chippendale he's from chippenham in the

1397

00:53:56,549 --> 00:53:54,480

eight ham roll so

1398

00:53:59,109 --> 00:53:56,559

uh he was visiting for christmas a

1399

00:54:01,750 --> 00:53:59,119

christmas market in birmingham with his

1400

00:54:03,910 --> 00:54:01,760

wife and children back in 2017 when he

1401

00:54:06,390 --> 00:54:03,920

picked up a snack but within hours

1402

00:54:09,510 --> 00:54:06,400

things started to go south for the 46

1403

00:54:11,910 --> 00:54:09,520

year old guy who was hit by cramps fever

1404

00:54:15,270 --> 00:54:11,920

vomiting in diarrhea with his lawyer

1405

00:54:18,790 --> 00:54:15,280

telling the high court that he uh was

1406

00:54:20,950 --> 00:54:18,800

uh be ridden for the next five weeks did

1407

00:54:23,270 --> 00:54:20,960

they say five years he said yeah five

1408

00:54:26,230 --> 00:54:23,280

years ago it happened but he was

1409

00:54:27,589 --> 00:54:26,240

uh had horrific farts for five weeks

1410

00:54:29,910 --> 00:54:27,599

um

1411

00:54:32,870 --> 00:54:29,920

his ordeal was far from over though the

1412

00:54:35,109 --> 00:54:32,880

lawyer uh robert perkins said his client

1413

00:54:37,589 --> 00:54:35,119

was sick for months with excessive

1414

00:54:39,030 --> 00:54:37,599

flatulence still blighting him five

1415

00:54:42,230 --> 00:54:39,040

years on

1416

00:54:45,829 --> 00:54:42,240

uh the farts are apparently so bad

1417

00:54:46,630 --> 00:54:45,839

that they are affecting his sleep

1418

00:54:49,670 --> 00:54:46,640

well played

1419

00:54:51,510 --> 00:54:49,680

[Laughter]

1420

00:54:54,470 --> 00:54:51,520

i wonder if this is causing uh

1421

00:54:56,150 --> 00:54:54,480

turbulence in his marriage too

1422

00:54:59,030 --> 00:54:56,160

uh parkinson's i believe we refer to

1423

00:55:01,109 --> 00:54:59,040

that as a as a dutch oven yes it is

1424

00:55:02,390 --> 00:55:01,119

in his pants i have a dutch oven i

1425

00:55:04,230 --> 00:55:02,400

bought it

1426

00:55:06,309 --> 00:55:04,240

i don't know i don't know how to use it

1427

00:55:07,109 --> 00:55:06,319

though

1428

00:55:09,349 --> 00:55:07,119

sorry

1429

00:55:11,109 --> 00:55:09,359

let's get back to the party

1430

00:55:13,670 --> 00:55:11,119

we'll talk more about your dutch oven

1431

00:55:15,030 --> 00:55:13,680

after the story i'm curious about that

1432

00:55:17,109 --> 00:55:15,040

um

1433

00:55:20,549 --> 00:55:17,119

the claimant continues to suffer from

1434

00:55:22,789 --> 00:55:20,559

excessive flatulence which causes him a

1435

00:55:25,990 --> 00:55:22,799

great deal of embarrassment the symptoms

1436

00:55:28,630 --> 00:55:26,000

are primarily uh primarily fatigue

1437

00:55:32,870 --> 00:55:28,640

and altered bowel function associated

1438

00:55:34,950 --> 00:55:32,880

with churning within his abdomen and

1439

00:55:36,390 --> 00:55:34,960

flatulence so there's a lot of things

1440

00:55:38,150 --> 00:55:36,400

that are going on there i have a

1441

00:55:41,270 --> 00:55:38,160

constant sore throat

1442

00:55:43,430 --> 00:55:41,280

swollen glands fevers my muscles ache

1443

00:55:46,309 --> 00:55:43,440

and are weak i am totally exhausted all

1444

00:55:49,430 --> 00:55:46,319

the time add on excessive flatulence to

1445

00:55:50,950 --> 00:55:49,440

that list uh unfortunately they said he

1446

00:55:51,790 --> 00:55:50,960

has fatigue that means he farts so much

1447

00:55:53,270 --> 00:55:51,800

he gets tired

1448

00:55:57,829 --> 00:55:53,280

[Music]

1449

00:56:02,230 --> 00:55:59,990

i find something very satisfying about

1450

00:56:04,390 --> 00:56:02,240

farting on [h__h] like i don't know

1451
00:56:06,390 --> 00:56:04,400
man this could be a benefit i don't know

1452
00:56:08,870 --> 00:56:06,400
why this guy said down on it

1453
00:56:11,430 --> 00:56:08,880
well he says the uh

1454
00:56:14,230 --> 00:56:11,440
the stomach churning is really making

1455
00:56:16,470 --> 00:56:14,240
him uh lose sleep which his sleep

1456
00:56:19,109 --> 00:56:16,480
pattern is disrupted uh the extent of

1457
00:56:21,270 --> 00:56:19,119
the symptoms have been life-changing uh

1458
00:56:23,670 --> 00:56:21,280
the unfortunate farter claims he uh

1459
00:56:25,270 --> 00:56:23,680
contracted salmonella from the from the

1460
00:56:27,670 --> 00:56:25,280
market operator

1461
00:56:29,990 --> 00:56:27,680
um and that the frankfurt christmas

1462
00:56:31,589 --> 00:56:30,000
market should pay him more than two

1463
00:56:33,670 --> 00:56:31,599

hundred thousand pounds in compensation

1464

00:56:36,309 --> 00:56:33,680

force negligence however the company

1465

00:56:38,870 --> 00:56:36,319

denies blame and claims there was no

1466

00:56:40,549 --> 00:56:38,880

salmonella bacteria in the ham hock

1467

00:56:42,789 --> 00:56:40,559

stall so

1468

00:56:44,950 --> 00:56:42,799

how do you prove this yeah like the

1469

00:56:47,270 --> 00:56:44,960

evidence is gone and it's like five

1470

00:56:48,870 --> 00:56:47,280

years ago yeah what if he found a piece

1471

00:56:50,150 --> 00:56:48,880

of snickers on the ground and that was

1472

00:56:52,069 --> 00:56:50,160

it

1473

00:56:54,069 --> 00:56:52,079

yeah maybe

1474

00:56:57,910 --> 00:56:54,079

but the lawyer claimed a total of 16

1475

00:57:00,630 --> 00:56:57,920

people in uh three groups complained of

1476

00:57:02,789 --> 00:57:00,640

similar symptoms after eating at the

1477

00:57:05,030 --> 00:57:02,799

place so okay there there might be other

1478

00:57:07,510 --> 00:57:05,040

evidence following an investigation by

1479

00:57:10,710 --> 00:57:07,520

the public health of england two cases

1480

00:57:13,349 --> 00:57:10,720

of salmonella were confirmed as uh

1481

00:57:14,390 --> 00:57:13,359

originating at the stall the market

1482

00:57:17,750 --> 00:57:14,400

between

1483

00:57:19,670 --> 00:57:17,760

not uh december 9th and 11th of december

1484

00:57:22,230 --> 00:57:19,680

in 2017

1485

00:57:23,430 --> 00:57:22,240

so e coli bacteria was found on a knife

1486

00:57:27,030 --> 00:57:23,440

used to cut

1487

00:57:29,230 --> 00:57:27,040

uh cooked meat and an unsatisfactory

1488

00:57:32,230 --> 00:57:29,240

level of inter

1489

00:57:34,970 --> 00:57:32,240

bacterial sur burst

1490

00:57:38,950 --> 00:57:34,980

i can't pronounce the interbrom

1491

00:57:42,870 --> 00:57:41,190

they found that on a knife

1492

00:57:46,309 --> 00:57:42,880

uh the family of bacteria containing

1493

00:57:48,710 --> 00:57:46,319

both e coli and salmonella so it sounds

1494

00:57:50,470 --> 00:57:48,720

like this guy's got a claim

1495

00:57:52,230 --> 00:57:50,480

uh the the company is definitely why he

1496

00:57:55,030 --> 00:57:52,240

wait five years though

1497

00:57:57,430 --> 00:57:55,040

when did he file suit yeah

1498

00:58:00,230 --> 00:57:57,440

this is a long article about this

1499

00:58:02,390 --> 00:58:00,240

it's very important i like this

1500

00:58:04,950 --> 00:58:02,400

it's an in-depth reporting uh the

1501

00:58:06,789 --> 00:58:04,960

allegation um

1502

00:58:09,510 --> 00:58:06,799

it's easy so whilst the claimant

1503

00:58:12,230 --> 00:58:09,520

contends his primary injury to the

1504

00:58:14,789 --> 00:58:12,240

alleged salmonella uh no salmonella

1505

00:58:17,829 --> 00:58:14,799

bacteria were isolated

1506

00:58:20,829 --> 00:58:17,839

uh at the ham hock bap stall so

1507

00:58:24,230 --> 00:58:20,839

according to causation

1508

00:58:27,030 --> 00:58:24,240

um that still remains to be seen in this

1509

00:58:29,190 --> 00:58:27,040

case the the case went before the judge

1510

00:58:32,309 --> 00:58:29,200

uh in the high court last week for

1511

00:58:33,430 --> 00:58:32,319

hearing to plan for a future trial of

1512

00:58:36,309 --> 00:58:33,440

the claim

1513

00:58:38,069 --> 00:58:36,319

so uh representing so that this is

1514

00:58:40,069 --> 00:58:38,079

ongoing i'm sure we'll do a follow-up

1515

00:58:41,829 --> 00:58:40,079

story to figure out what's going on and

1516

00:58:44,630 --> 00:58:41,839

i'd love to interview this guy

1517

00:58:48,710 --> 00:58:44,640

uh and see how often uh he has

1518

00:58:50,549 --> 00:58:48,720

flatulence uh the power uh the volume

1519

00:58:52,789 --> 00:58:50,559

and the density volume

1520

00:58:54,069 --> 00:58:52,799

we need to get him two microphones

1521

00:58:56,789 --> 00:58:54,079

exactly one for his mouth and one for

1522

00:59:02,069 --> 00:58:59,990

and i want it in stereo

1523

00:59:03,109 --> 00:59:02,079

pan him to the to the right his ass to

1524

00:59:05,030 --> 00:59:03,119

the left

1525

00:59:07,510 --> 00:59:05,040

so we know who's talking i wonder if we

1526
00:59:08,789 --> 00:59:07,520
could could could we offer to interview

1527
00:59:10,789 --> 00:59:08,799
only his ass

1528
00:59:11,829 --> 00:59:10,799
yes can you speak through your ass

1529
00:59:13,109 --> 00:59:11,839
please

1530
00:59:15,030 --> 00:59:13,119
we don't want to talk to you and talk to

1531
00:59:17,349 --> 00:59:15,040
your ass

1532
00:59:18,789 --> 00:59:17,359
all right enough enough booty talk i'm

1533
00:59:21,030 --> 00:59:18,799
just gonna say one more thing on this

1534
00:59:23,750 --> 00:59:21,040
this is a very in-depth article they

1535
00:59:25,270 --> 00:59:23,760
spent more time determining the origins

1536
00:59:26,549 --> 00:59:25,280
of this guy's melody than they did

1537
00:59:28,230 --> 00:59:26,559
trying to track down where covet came

1538
00:59:29,349 --> 00:59:28,240

from yeah

1539

00:59:30,789 --> 00:59:29,359

you're right

1540

00:59:33,030 --> 00:59:30,799

and uh

1541

00:59:35,430 --> 00:59:33,040

there is there's a deeper investigation

1542

00:59:36,789 --> 00:59:35,440

going on right here and there's actual

1543

00:59:38,630 --> 00:59:36,799

it looks like health department

1544

00:59:40,710 --> 00:59:38,640

officials involved going out there doing

1545

00:59:42,309 --> 00:59:40,720

testing trying to be transparent with

1546

00:59:43,910 --> 00:59:42,319

the investigation

1547

00:59:46,390 --> 00:59:43,920

because they want to get to the bottom

1548

00:59:47,990 --> 00:59:46,400

of this so other people don't become

1549

00:59:49,829 --> 00:59:48,000

affected by this

1550

00:59:50,950 --> 00:59:49,839

uh not so with covet

1551

00:59:56,150 --> 00:59:50,960

they don't care

1552

01:00:00,230 --> 00:59:57,750

all right well i like that story it's

1553

01:00:02,630 --> 01:00:00,240

very interesting well let's get yeah it

1554

01:00:05,109 --> 01:00:02,640

wouldn't be a segment from me if i we

1555

01:00:07,510 --> 01:00:05,119

didn't do some current events or

1556

01:00:09,270 --> 01:00:07,520

political thing thank you though

1557

01:00:12,069 --> 01:00:09,280

let's do this next one it's a twitter

1558

01:00:12,950 --> 01:00:12,079

link okay i like twitter

1559

01:00:15,349 --> 01:00:12,960

do you

1560

01:00:17,990 --> 01:00:15,359

no wrong dude i think i'm about to

1561

01:00:20,710 --> 01:00:18,000

delete instagram other than the posts we

1562

01:00:22,710 --> 01:00:20,720

make on like for my own personal it's

1563

01:00:25,349 --> 01:00:22,720

basically like flicking the channel and

1564

01:00:27,589 --> 01:00:25,359

it's a commercial on everyone

1565

01:00:29,910 --> 01:00:27,599

right it's like so many ads because you

1566

01:00:31,750 --> 01:00:29,920

liked this post i'll show you some

1567

01:00:33,750 --> 01:00:31,760

[h__h] that's just like it that you

1568

01:00:35,349 --> 01:00:33,760

have no interest in but you follow this

1569

01:00:38,150 --> 01:00:35,359

other account that you do

1570

01:00:39,670 --> 01:00:38,160

it's so crazy like it's just ad after ad

1571

01:00:40,710 --> 01:00:39,680

i remember when they started doing the

1572

01:00:42,950 --> 01:00:40,720

[h__h]

1573

01:00:45,109 --> 01:00:42,960

and it would be like every five posts

1574

01:00:47,349 --> 01:00:45,119

would be an ad then it becomes every two

1575

01:00:49,910 --> 01:00:47,359

posts becomes an ad now i don't think i

1576

01:00:51,510 --> 01:00:49,920

see any of the people i follow i i mean

1577

01:00:53,109 --> 01:00:51,520

literally i'm like it's totally

1578

01:00:56,789 --> 01:00:53,119

unrecognizable

1579

01:00:59,109 --> 01:00:56,799

same same for uh twitter for me so i get

1580

01:01:01,750 --> 01:00:59,119

on twitter and i look at a lot of ufo

1581

01:01:03,829 --> 01:01:01,760

stuff i follow a lot of ufo people and

1582

01:01:05,910 --> 01:01:03,839

then a lot of people that are uh

1583

01:01:08,549 --> 01:01:05,920

podcasters like charlie from macra

1584

01:01:11,349 --> 01:01:08,559

aggressions uh sam tripoli

1585

01:01:13,990 --> 01:01:11,359

um and and some other notable podcasters

1586

01:01:15,190 --> 01:01:14,000

ricky and uh and behind the schemes i

1587

01:01:17,510 --> 01:01:15,200

just started following them even they

1588

01:01:19,829 --> 01:01:17,520

don't do much but twitter is now

1589

01:01:23,030 --> 01:01:19,839

recommending me

1590

01:01:24,470 --> 01:01:23,040

nothing like a lot of dnc people people

1591

01:01:27,670 --> 01:01:24,480

running for congress people that are

1592

01:01:30,549 --> 01:01:27,680

outspoken uh democrats and i'm not

1593

01:01:32,309 --> 01:01:30,559

following any one of them and they keep

1594

01:01:34,870 --> 01:01:32,319

pushing their tweets to me for some

1595

01:01:37,589 --> 01:01:34,880

reason and i don't engage in anything

1596

01:01:40,069 --> 01:01:37,599

political on twitter i mostly uh will

1597

01:01:41,990 --> 01:01:40,079

respond back to people talk i will reply

1598

01:01:44,069 --> 01:01:42,000

back to ufo threads i don't talk about

1599

01:01:46,309 --> 01:01:44,079

anything political on there so why are

1600

01:01:48,630 --> 01:01:46,319

they recommending me these dnc people in

1601
01:01:50,150 --> 01:01:48,640
filled also with a lot of ads a lot of

1602
01:01:52,870 --> 01:01:50,160
ads

1603
01:01:54,870 --> 01:01:52,880
it's bs the other thing that i found

1604
01:01:56,069 --> 01:01:54,880
find i mean i don't know if i mentioned

1605
01:01:58,309 --> 01:01:56,079
on the show before but this has been

1606
01:02:00,150 --> 01:01:58,319
happening more and more often i will

1607
01:02:03,270 --> 01:02:00,160
search something

1608
01:02:06,309 --> 01:02:03,280
benign that is work related on the

1609
01:02:07,750 --> 01:02:06,319
computer i use for work their computer

1610
01:02:09,510 --> 01:02:07,760
not my computer

1611
01:02:11,670 --> 01:02:09,520
i open up my phone

1612
01:02:14,150 --> 01:02:11,680
all of the cert the things i look for on

1613
01:02:15,750 --> 01:02:14,160

my work computer ads start to be served

1614

01:02:18,150 --> 01:02:15,760

for me

1615

01:02:19,910 --> 01:02:18,160

how in the world are they doing this

1616

01:02:21,510 --> 01:02:19,920

these computers i tell you they just get

1617

01:02:23,670 --> 01:02:21,520

crazier and crazier so they got a

1618

01:02:26,309 --> 01:02:23,680

profile signed into google or something

1619

01:02:28,390 --> 01:02:26,319

no i don't i don't sign into any uh like

1620

01:02:31,510 --> 01:02:28,400

i decided as soon as i joined this

1621

01:02:33,589 --> 01:02:31,520

company i am not going to

1622

01:02:35,349 --> 01:02:33,599

put any of my personal [h__\h] on that

1623

01:02:37,510 --> 01:02:35,359

computer at all i'm not going to sign

1624

01:02:39,829 --> 01:02:37,520

into gmail i'm not going to go to my

1625

01:02:42,549 --> 01:02:39,839

bank i'm not going to do any of this

1626
01:02:45,029 --> 01:02:42,559
they must do it through wi-fi they must

1627
01:02:46,870 --> 01:02:45,039
they must do it to

1628
01:02:49,750 --> 01:02:46,880
recognize where your connection is

1629
01:02:51,270 --> 01:02:49,760
coming from so they identify that

1630
01:02:53,910 --> 01:02:51,280
you're using two different computers

1631
01:02:56,390 --> 01:02:53,920
probably from the same

1632
01:02:57,990 --> 01:02:56,400
ip address or a very similar ip address

1633
01:02:59,190 --> 01:02:58,000
range and they're saying this is the

1634
01:03:00,230 --> 01:02:59,200
same person

1635
01:03:03,510 --> 01:03:00,240
and we can hear him through his

1636
01:03:05,430 --> 01:03:03,520
microphone on both devices and

1637
01:03:07,670 --> 01:03:05,440
that's it they made a correlation and

1638
01:03:09,430 --> 01:03:07,680

they link you together in their their

1639

01:03:11,190 --> 01:03:09,440

database

1640

01:03:13,750 --> 01:03:11,200

same thing happens to me

1641

01:03:15,750 --> 01:03:13,760

there was a story around that a couple

1642

01:03:17,109 --> 01:03:15,760

years ago was it was google and was it

1643

01:03:18,309 --> 01:03:17,119

comcast or somebody who was doing

1644

01:03:20,870 --> 01:03:18,319

exactly that they were just saying if

1645

01:03:23,029 --> 01:03:20,880

you're on one device in your household

1646

01:03:25,190 --> 01:03:23,039

um we're just going to send the same ads

1647

01:03:26,789 --> 01:03:25,200

to anything coming from that ip address

1648

01:03:29,430 --> 01:03:26,799

yeah

1649

01:03:34,309 --> 01:03:31,750

they got us no matter what unless you

1650

01:03:37,029 --> 01:03:34,319

remove all devices from your

1651
01:03:39,829 --> 01:03:37,039
your network that have microphones and

1652
01:03:42,150 --> 01:03:39,839
track you and go to like a dumb phone

1653
01:03:43,750 --> 01:03:42,160
like one of those graphene phones uh

1654
01:03:45,510 --> 01:03:43,760
they have databases and everyone and

1655
01:03:47,910 --> 01:03:45,520
then they if even if you're not on there

1656
01:03:49,670 --> 01:03:47,920
they kind of know about you if you visit

1657
01:03:51,670 --> 01:03:49,680
with friends who do have those devices

1658
01:03:54,230 --> 01:03:51,680
and then they make a shadow profile for

1659
01:03:55,990 --> 01:03:54,240
you as basically a placeholder for you

1660
01:03:57,670 --> 01:03:56,000
for when you do go online and they

1661
01:03:58,470 --> 01:03:57,680
recognize you they'll feed your ads that

1662
01:04:00,390 --> 01:03:58,480
way

1663
01:04:02,069 --> 01:04:00,400

uh you know i was worried about this

1664

01:04:05,109 --> 01:04:02,079

this morning because

1665

01:04:06,069 --> 01:04:05,119

lately i've been trying to like walk the

1666

01:04:08,230 --> 01:04:06,079

dog

1667

01:04:10,309 --> 01:04:08,240

without the phone without any headphones

1668

01:04:13,430 --> 01:04:10,319

with no interruptions whatsoever because

1669

01:04:16,069 --> 01:04:13,440

i just yeah i find it interesting

1670

01:04:17,990 --> 01:04:16,079

to how how detached we've become from

1671

01:04:19,910 --> 01:04:18,000

nature like i listen to the birds and

1672

01:04:22,390 --> 01:04:19,920

the birds here are very very different

1673

01:04:23,990 --> 01:04:22,400

than the birds probably in ohio and the

1674

01:04:25,430 --> 01:04:24,000

sounds that are coming out of them it's

1675

01:04:27,670 --> 01:04:25,440

just like

1676

01:04:28,710 --> 01:04:27,680

putting yourself in that kind of space

1677

01:04:29,910 --> 01:04:28,720

has been

1678

01:04:31,750 --> 01:04:29,920

i mean

1679

01:04:33,109 --> 01:04:31,760

we don't do it enough i don't do it

1680

01:04:36,549 --> 01:04:33,119

enough that's for sure but i was

1681

01:04:38,549 --> 01:04:36,559

wondering i'm sure your wife doesn't

1682

01:04:40,630 --> 01:04:38,559

listen to anything when you're milking

1683

01:04:44,470 --> 01:04:40,640

the chickens are you listening to

1684

01:04:47,349 --> 01:04:44,480

podcasts yeah that's i i have a horrible

1685

01:04:48,710 --> 01:04:47,359

habit of always being tuned into

1686

01:04:50,870 --> 01:04:48,720

something

1687

01:04:54,470 --> 01:04:50,880

and uh i

1688

01:04:57,190 --> 01:04:54,480

i have started although very rarely uh

1689

01:04:59,510 --> 01:04:57,200

walk my dog without listening to stuff

1690

01:05:01,510 --> 01:04:59,520

uh but i probably i would say eighty

1691

01:05:05,990 --> 01:05:01,520

percent of the time i'm either listening

1692

01:05:08,069 --> 01:05:06,000

to a podcast an old radio segment

1693

01:05:09,990 --> 01:05:08,079

or or something like that like yeah i'm

1694

01:05:12,950 --> 01:05:10,000

always plugged in and it's it's probably

1695

01:05:15,750 --> 01:05:12,960

not good i think uh your way

1696

01:05:17,349 --> 01:05:15,760

is probably a much more healthy way to

1697

01:05:19,510 --> 01:05:17,359

decompress

1698

01:05:22,789 --> 01:05:19,520

not over stress your ears and tire out

1699

01:05:25,430 --> 01:05:22,799

your ears so much and also just to

1700

01:05:29,109 --> 01:05:25,440

unplug yourself in the matrix

1701

01:05:31,029 --> 01:05:29,119

yeah it's it's it's like a anti-fog

1702

01:05:33,190 --> 01:05:31,039

machine in your head

1703

01:05:35,190 --> 01:05:33,200

it really is like because i was like

1704

01:05:37,750 --> 01:05:35,200

this especially you know

1705

01:05:39,430 --> 01:05:37,760

i was doing the show in austin before i

1706

01:05:41,750 --> 01:05:39,440

moved there you remember i brought the

1707

01:05:44,309 --> 01:05:41,760

gear and i remember i would go to the

1708

01:05:46,549 --> 01:05:44,319

hotel i'd come off the plane i was

1709

01:05:47,910 --> 01:05:46,559

constantly listening to something i

1710

01:05:49,670 --> 01:05:47,920

brought my speaker i have a little

1711

01:05:52,150 --> 01:05:49,680

bluetooth speaker it was like i'd take a

1712

01:05:53,829 --> 01:05:52,160

shower i'd keep just constant constant

1713

01:05:55,109 --> 01:05:53,839

constant content and i think back on

1714

01:05:57,750 --> 01:05:55,119

those days and i'm like you should have

1715

01:05:59,589 --> 01:05:57,760

kept that to a minimum like you were in

1716

01:06:01,270 --> 01:05:59,599

a new city you were experiencing new

1717

01:06:03,349 --> 01:06:01,280

things you didn't look around at all you

1718

01:06:04,789 --> 01:06:03,359

were checking instagram the same way i'm

1719

01:06:06,549 --> 01:06:04,799

just glad maybe it's a good thing

1720

01:06:08,150 --> 01:06:06,559

instagram became a turd

1721

01:06:10,470 --> 01:06:08,160

because it makes me go i don't even want

1722

01:06:14,309 --> 01:06:10,480

to look at the phone anymore yeah i mean

1723

01:06:15,990 --> 01:06:14,319

for anymore i mostly will on my phone

1724

01:06:17,670 --> 01:06:16,000

i'll check the discord just to see if

1725

01:06:19,109 --> 01:06:17,680

there's any questions or any funny

1726

01:06:21,829 --> 01:06:19,119

things going on there

1727

01:06:23,990 --> 01:06:21,839

uh i will check some messages on on

1728

01:06:26,150 --> 01:06:24,000

twitter i don't uh aimlessly scroll

1729

01:06:27,829 --> 01:06:26,160

besides like on reddit conspiracy to

1730

01:06:30,950 --> 01:06:27,839

look for some news

1731

01:06:32,710 --> 01:06:30,960

um but honestly youtube is the place i

1732

01:06:36,390 --> 01:06:32,720

go for

1733

01:06:38,710 --> 01:06:36,400

seventy percent of my audio consumption

1734

01:06:41,670 --> 01:06:38,720

but when i walk my dog i'm listening to

1735

01:06:43,029 --> 01:06:41,680

old howard stern segments uh i have a an

1736

01:06:46,870 --> 01:06:43,039

archived

1737

01:06:48,309 --> 01:06:46,880

uh just library of old howard stern open

1738

01:06:49,990 --> 01:06:48,319

anthony so i listened to stuff from

1739

01:06:52,470 --> 01:06:50,000

years ago and i don't

1740

01:06:53,750 --> 01:06:52,480

bombard myself with with current media i

1741

01:06:55,270 --> 01:06:53,760

go back in time

1742

01:06:56,789 --> 01:06:55,280

pre

1743

01:06:58,549 --> 01:06:56,799

soyboy

1744

01:07:00,549 --> 01:06:58,559

[h__\h] [h__\h] howard

1745

01:07:03,029 --> 01:07:00,559

yeah i listen yeah so i got

1746

01:07:04,950 --> 01:07:03,039

a whole library of curated stuff that i

1747

01:07:06,390 --> 01:07:04,960

have that i can i can listen to anywhere

1748

01:07:07,990 --> 01:07:06,400

so

1749

01:07:09,750 --> 01:07:08,000

all right last thing let's last thing

1750

01:07:11,750 --> 01:07:09,760

and this will tie back to something i

1751

01:07:14,230 --> 01:07:11,760

brought up probably a few months ago i

1752

01:07:15,910 --> 01:07:14,240

don't know maybe a half a year ago okay

1753

01:07:17,430 --> 01:07:15,920

let's uh let's let's look at this this

1754

01:07:19,510 --> 01:07:17,440

is uh

1755

01:07:20,470 --> 01:07:19,520

uh to all the people this is on twitter

1756

01:07:22,870 --> 01:07:20,480

right here

1757

01:07:25,109 --> 01:07:22,880

to all the people who laughed off the

1758

01:07:28,150 --> 01:07:25,119

warriors years ago for freaking out

1759

01:07:30,630 --> 01:07:28,160

about the funny dancing robot dog should

1760

01:07:33,029 --> 01:07:30,640

be forced to watch this video once a day

1761

01:07:34,630 --> 01:07:33,039

for the remainder of the year

1762

01:07:36,710 --> 01:07:34,640

and this is

1763

01:07:39,670 --> 01:07:36,720

a video of

1764

01:07:41,829 --> 01:07:39,680

a robot dog i'm gonna play the audio

1765

01:07:44,470 --> 01:07:41,839

because it's very concerning people

1766

01:07:46,150 --> 01:07:44,480

remember the boston dynamics robot is

1767

01:07:48,789 --> 01:07:46,160

this is this the tip the tippy tapping

1768

01:07:49,670 --> 01:07:48,799

uh boston dynamics thing

1769

01:07:51,270 --> 01:07:49,680

maybe

1770

01:07:52,950 --> 01:07:51,280

so this dog

1771

01:07:56,230 --> 01:07:52,960

is

1772

01:07:58,950 --> 01:07:56,240

it's a smaller dog but it's got

1773

01:08:01,589 --> 01:07:58,960

like an automatic weapon an automatic

1774

01:08:05,270 --> 01:08:01,599

weapon like strapped to its back glued

1775

01:08:06,870 --> 01:08:05,280

to its back or duct taped down

1776

01:08:08,789 --> 01:08:06,880

a little bit of elmer's

1777

01:08:11,270 --> 01:08:08,799

water a little bit of cement rubber

1778

01:08:12,870 --> 01:08:11,280

cement and it is just firing at targets

1779

01:08:14,789 --> 01:08:12,880

and the recoil

1780

01:08:17,189 --> 01:08:14,799

you can see it's it it doesn't have good

1781

01:08:19,269 --> 01:08:17,199

recoil compensation on this robot dog

1782

01:08:22,630 --> 01:08:19,279

yet but on single shot it's pretty

1783

01:08:25,030 --> 01:08:22,640

accurate on fully automatic it is

1784

01:08:26,870 --> 01:08:25,040

recoiling back but it is pretty goddamn

1785

01:08:29,510 --> 01:08:26,880

scary what we're looking at here you

1786

01:08:31,189 --> 01:08:29,520

know as soon as we saw those i think we

1787

01:08:33,030 --> 01:08:31,199

said it on our show

1788

01:08:35,669 --> 01:08:33,040

or your show mike

1789

01:08:37,030 --> 01:08:35,679

it's our show it's our show we're a team

1790

01:08:38,630 --> 01:08:37,040

but uh

1791

01:08:40,630 --> 01:08:38,640

as soon as we saw these things we were

1792

01:08:41,910 --> 01:08:40,640

like they're gonna put guns on those oh

1793

01:08:45,030 --> 01:08:41,920

yeah

1794

01:08:47,349 --> 01:08:45,040

it reminds us so much of fahrenheit 451

1795

01:08:48,630 --> 01:08:47,359

with the the robot dogs in that uh in

1796

01:08:51,349 --> 01:08:48,640

that movie

1797

01:08:53,510 --> 01:08:51,359

uh and in or not a movie but that book

1798

01:08:54,630 --> 01:08:53,520

um at least in that book they're

1799

01:08:57,110 --> 01:08:54,640

not having

1800

01:08:58,789 --> 01:08:57,120

guns trapped to them

1801

01:09:00,870 --> 01:08:58,799

but they're pretty malicious

1802

01:09:02,870 --> 01:09:00,880

well and i remember when we were talking

1803

01:09:05,430 --> 01:09:02,880

about it when it first came up and jesus

1804

01:09:07,269 --> 01:09:05,440

christ was this 2012 or something like

1805

01:09:09,430 --> 01:09:07,279

that it may have been before 2010 when

1806

01:09:11,430 --> 01:09:09,440

they were rolling these little bastards

1807

01:09:13,590 --> 01:09:11,440

out and we were saying like they're

1808

01:09:15,189 --> 01:09:13,600

going to put guns on them and i think

1809

01:09:17,430 --> 01:09:15,199

this is when you were talking about

1810

01:09:20,390 --> 01:09:17,440

they're going to federalize the police

1811

01:09:22,470 --> 01:09:20,400

yeah well i think that the police and

1812

01:09:24,870 --> 01:09:22,480

the sheriffs and the people who still

1813

01:09:26,709 --> 01:09:24,880

believe that you know there is some sort

1814

01:09:30,550 --> 01:09:26,719

of federalism there's some sort of

1815

01:09:32,390 --> 01:09:30,560

autonomy states rights etc like there

1816

01:09:35,349 --> 01:09:32,400

will come a point like you look at this

1817

01:09:38,229 --> 01:09:35,359

with the dutch farmers and so forth

1818

01:09:40,709 --> 01:09:38,239

people like firefighters and you know

1819

01:09:41,829 --> 01:09:40,719

the yellow vests in france like people

1820

01:09:43,990 --> 01:09:41,839

were

1821

01:09:45,829 --> 01:09:44,000

separating themselves from the state

1822

01:09:48,070 --> 01:09:45,839

employer and saying i'm going to join

1823

01:09:49,829 --> 01:09:48,080

this protest because i believe it so

1824

01:09:51,749 --> 01:09:49,839

that's what these [h__h] dogs are

1825

01:09:53,669 --> 01:09:51,759

for this is why they're taking all the

1826

01:09:55,510 --> 01:09:53,679

guns in canada this is why they're

1827

01:09:56,709 --> 01:09:55,520

pushing so hard to get the guns here

1828

01:09:59,110 --> 01:09:56,719

it's because

1829

01:10:01,669 --> 01:09:59,120

they know that there are too many people

1830

01:10:03,510 --> 01:10:01,679

who can resist and so they're going to

1831

01:10:05,590 --> 01:10:03,520

need these little [h__h]

1832

01:10:07,750 --> 01:10:05,600

who have shitty recoil

1833

01:10:09,910 --> 01:10:07,760

uh you know they'll figure that out

1834

01:10:12,470 --> 01:10:09,920

they'll put some bigger stronger legs in

1835

01:10:14,229 --> 01:10:12,480

the back of these bastards well

1836

01:10:15,669 --> 01:10:14,239

good sorry

1837

01:10:16,870 --> 01:10:15,679

as you can see all needs to do they just

1838

01:10:19,110 --> 01:10:16,880

update the algorithm and just have it

1839

01:10:20,229 --> 01:10:19,120

lean forward as it starts firing yeah

1840

01:10:21,830 --> 01:10:20,239

you can tell they're like in a test

1841

01:10:23,910 --> 01:10:21,840

phase here we don't know how autonomous

1842

01:10:26,149 --> 01:10:23,920

they are it doesn't really

1843

01:10:27,910 --> 01:10:26,159

show that in here it's like somebody who

1844

01:10:29,189 --> 01:10:27,920

shot a shotgun for the first time and

1845

01:10:30,950 --> 01:10:29,199

didn't know what it would do like

1846

01:10:32,390 --> 01:10:30,960

falling right on their ass

1847

01:10:33,510 --> 01:10:32,400

well they probably i would assume have

1848

01:10:35,830 --> 01:10:33,520

some sort of

1849

01:10:38,390 --> 01:10:35,840

machine learning algorithm in here as it

1850

01:10:40,870 --> 01:10:38,400

shoots more it will learn how to

1851
01:10:42,229 --> 01:10:40,880
compensate for the recoil and until it

1852
01:10:44,790 --> 01:10:42,239
it is just

1853
01:10:46,310 --> 01:10:44,800
a death machine

1854
01:10:47,750 --> 01:10:46,320
do we know where this video came from

1855
01:10:49,110 --> 01:10:47,760
i'm curious because obviously it's a

1856
01:10:50,390 --> 01:10:49,120
couple of months old based on the snow

1857
01:10:52,470 --> 01:10:50,400
cover on the ground it's they're using

1858
01:10:53,750 --> 01:10:52,480
an ak variant so it's not a us company

1859
01:10:55,430 --> 01:10:53,760
and there's a

1860
01:10:58,070 --> 01:10:55,440
british scout car or a daimler or

1861
01:10:59,669 --> 01:10:58,080
whatever the hell they are uh apct in

1862
01:11:01,350 --> 01:10:59,679
the background there so it's not in the

1863
01:11:03,350 --> 01:11:01,360

uos i'm curious where this is coming

1864

01:11:06,950 --> 01:11:03,360

from

1865

01:11:08,790 --> 01:11:06,960

well boston dynamics so chew them if you

1866

01:11:10,470 --> 01:11:08,800

remember we talked about well you're

1867

01:11:12,790 --> 01:11:10,480

right mike boston dynamics has a bunch

1868

01:11:14,950 --> 01:11:12,800

of commies so i think so

1869

01:11:17,590 --> 01:11:14,960

their backyard i think they were bought

1870

01:11:18,950 --> 01:11:17,600

by google weren't they

1871

01:11:19,910 --> 01:11:18,960

probably yeah i think you're right i

1872

01:11:21,270 --> 01:11:19,920

think they're good now they're gonna

1873

01:11:22,550 --> 01:11:21,280

find you based on advertisements joe

1874

01:11:23,590 --> 01:11:22,560

they'll come to your house there you go

1875

01:11:25,510 --> 01:11:23,600

yeah

1876

01:11:27,590 --> 01:11:25,520

um but if you remember we were talking

1877

01:11:29,590 --> 01:11:27,600

about battlefield 2042

1878

01:11:32,070 --> 01:11:29,600

and it was right around the time where

1879

01:11:33,990 --> 01:11:32,080

the truckers protest was happening and i

1880

01:11:37,270 --> 01:11:34,000

brought up the fact that and we even

1881

01:11:38,709 --> 01:11:37,280

played a clip of these autonomous trucks

1882

01:11:41,110 --> 01:11:38,719

because they have these autonomous

1883

01:11:43,350 --> 01:11:41,120

vehicles and battlefield 2042 is set in

1884

01:11:45,510 --> 01:11:43,360

the future you know if you get all the

1885

01:11:48,470 --> 01:11:45,520

guns and take those away like if your

1886

01:11:49,990 --> 01:11:48,480

only resistance is tractors and trucks

1887

01:11:51,590 --> 01:11:50,000

and so forth it's like well let's just

1888

01:11:53,910 --> 01:11:51,600

get rid of the farmers let's just get

1889

01:11:55,750 --> 01:11:53,920

rid of the truckers you know and make it

1890

01:11:58,310 --> 01:11:55,760

all autonomous like

1891

01:12:00,870 --> 01:11:58,320

what i see and it's all about russia and

1892

01:12:02,870 --> 01:12:00,880

everything else it's it's it and it's

1893

01:12:04,630 --> 01:12:02,880

all about climate too you brought up

1894

01:12:06,310 --> 01:12:04,640

climate earlier

1895

01:12:07,910 --> 01:12:06,320

and and it's all about climate like

1896

01:12:10,310 --> 01:12:07,920

there's always some kind of weather

1897

01:12:12,149 --> 01:12:10,320

event happening on level the level and

1898

01:12:14,550 --> 01:12:12,159

it's like this predictive programming

1899

01:12:16,630 --> 01:12:14,560

sort of deal and you can summon

1900

01:12:18,950 --> 01:12:16,640

you know you hit the top but on

1901
01:12:20,550 --> 01:12:18,960
playstation you hit the top two buttons

1902
01:12:22,790 --> 01:12:20,560
and you can bring down one of these

1903
01:12:25,350 --> 01:12:22,800
robot dogs and they follow you around

1904
01:12:27,270 --> 01:12:25,360
and they like shoot [h__\h] and you know

1905
01:12:29,110 --> 01:12:27,280
it's like this kind of stuff it's like

1906
01:12:31,750 --> 01:12:29,120
you could almost see like yeah that

1907
01:12:34,229 --> 01:12:31,760
probably we're funneling that direction

1908
01:12:35,590 --> 01:12:34,239
it's crazy like these robots are gonna

1909
01:12:37,110 --> 01:12:35,600
be taken over

1910
01:12:39,030 --> 01:12:37,120
uh they're going to force humans to go

1911
01:12:41,430 --> 01:12:39,040
out and look for wind opportunities to

1912
01:12:43,189 --> 01:12:41,440
combat uh climate change while the robot

1913
01:12:45,270 --> 01:12:43,199

dogs are policing us i don't want to

1914

01:12:47,750 --> 01:12:45,280

look for wind opportunities

1915

01:12:49,510 --> 01:12:47,760

what the hell's a wind opportunity what

1916

01:12:51,430 --> 01:12:49,520

biden wants us to look for with his

1917

01:12:53,270 --> 01:12:51,440

climate emergency mandate

1918

01:12:54,709 --> 01:12:53,280

he's gonna spend money to look for wind

1919

01:12:55,990 --> 01:12:54,719

opportunities

1920

01:12:57,430 --> 01:12:56,000

yeah

1921

01:12:59,270 --> 01:12:57,440

getting just to hire that english guy

1922

01:13:01,110 --> 01:12:59,280

keep farting yeah that's a wind

1923

01:13:03,030 --> 01:13:01,120

opportunity right there

1924

01:13:05,590 --> 01:13:03,040

give him a jet pack farting to all the

1925

01:13:06,630 --> 01:13:05,600

windmills just here dude we're gonna

1926

01:13:08,709 --> 01:13:06,640

we're gonna put you up a hundred feet in

1927

01:13:11,669 --> 01:13:08,719

the air fart into this windmill

1928

01:13:13,350 --> 01:13:11,679

we're gonna dangle you

1929

01:13:15,350 --> 01:13:13,360

i'm gonna dangle you from a rope if you

1930

01:13:17,669 --> 01:13:15,360

get you get too high in altitude ask the

1931

01:13:19,350 --> 01:13:17,679

astronauts for help with propulsion and

1932

01:13:20,709 --> 01:13:19,360

yes

1933

01:13:22,950 --> 01:13:20,719

an astronaut

1934

01:13:25,030 --> 01:13:22,960

i have to do it

1935

01:13:27,189 --> 01:13:25,040

um before we uh

1936

01:13:28,709 --> 01:13:27,199

uh move on to christchurch segment do

1937

01:13:29,590 --> 01:13:28,719

you guys want to take one or two phone

1938

01:13:30,630 --> 01:13:29,600

calls

1939

01:13:32,070 --> 01:13:30,640

oh

1940

01:13:35,189 --> 01:13:32,080

we didn't do it wednesday we might as

1941

01:13:39,590 --> 01:13:37,830

six one four three eight eight nine 109

1942

01:13:41,510 --> 01:13:39,600

or

1943

01:13:43,590 --> 01:13:41,520

we will uh

1944

01:13:46,390 --> 01:13:43,600

take a skype call you just skype in

1945

01:13:49,110 --> 01:13:46,400

directly our big mouth one word

1946

01:13:52,149 --> 01:13:49,120

and uh we will uh we'll talk to you

1947

01:13:53,750 --> 01:13:52,159

hopefully has a better connection

1948

01:13:55,350 --> 01:13:53,760

um we don't know skype's a great

1949

01:13:57,270 --> 01:13:55,360

technology but we just don't know how to

1950

01:13:59,669 --> 01:13:57,280

function sometimes it's an incredible

1951

01:14:00,790 --> 01:13:59,679

technology but occasionally it gives us

1952

01:14:02,310 --> 01:14:00,800

a problem

1953

01:14:05,110 --> 01:14:02,320

you can just fart right into the phone

1954

01:14:08,630 --> 01:14:05,120

if that's all you want yes please

1955

01:14:11,990 --> 01:14:09,510

yo

1956

01:14:15,430 --> 01:14:12,000

connection

1957

01:14:18,070 --> 01:14:15,440

who are we talking to uh

1958

01:14:19,830 --> 01:14:18,080

hey boo berry

1959

01:14:21,590 --> 01:14:19,840

yeah one of these days my sellers are

1960

01:14:23,350 --> 01:14:21,600

gonna free up i'm gonna stop doing all

1961

01:14:26,070 --> 01:14:23,360

this crazy work and then i'll be able to

1962

01:14:29,350 --> 01:14:26,080

call you all to skype again that'd be

1963

01:14:31,510 --> 01:14:29,360

fantastic would look forward to that

1964

01:14:33,990 --> 01:14:31,520

me too man um

1965

01:14:35,910 --> 01:14:34,000

there's been something on my mind for

1966

01:14:38,070 --> 01:14:35,920

almost a month since y'all talked about

1967

01:14:39,430 --> 01:14:38,080

it i keep trying to bring it up i always

1968

01:14:41,110 --> 01:14:39,440

forget

1969

01:14:43,270 --> 01:14:41,120

have you ever seen

1970

01:14:45,669 --> 01:14:43,280

the johnny rotten interviews where he's

1971

01:14:46,870 --> 01:14:45,679

talking about jimmy savile

1972

01:14:49,189 --> 01:14:46,880

yes

1973

01:14:51,510 --> 01:14:49,199

um i probably have but i do not remember

1974

01:14:55,030 --> 01:14:51,520

it joe obviously does

1975

01:14:56,709 --> 01:14:55,040

i've heard them i haven't really good

1976

01:14:58,630 --> 01:14:56,719

it's pretty short it's only like two

1977

01:15:01,510 --> 01:14:58,640

minutes but uh

1978

01:15:03,990 --> 01:15:01,520

uh the interviewer is basically like uh

1979

01:15:05,990 --> 01:15:04,000

oh who would you like to kill

1980

01:15:09,350 --> 01:15:06,000

and johnny rotten goes oh i'd like to

1981

01:15:13,030 --> 01:15:09,360

kill jimmy savile i've heard he's into a

1982

01:15:15,350 --> 01:15:13,040

right lot of wretched things

1983

01:15:17,669 --> 01:15:15,360

and this was this was what like 15 this

1984

01:15:21,110 --> 01:15:17,679

was like 30 years ago or some [h__h] it

1985

01:15:26,630 --> 01:15:23,910

yeah it was 80s 80s yeah i'm sorry i

1986

01:15:29,270 --> 01:15:26,640

know it was 19 1978 goes back even that

1987

01:15:31,110 --> 01:15:29,280

fast jesus christ he was in the know

1988

01:15:31,910 --> 01:15:31,120

wow yeah yeah

1989

01:15:38,390 --> 01:15:31,920

yeah

1990

01:15:41,110 --> 01:15:38,400

gonna shy away from that kind of stuff

1991

01:15:42,149 --> 01:15:41,120

he's uh he's all about that

1992

01:15:43,750 --> 01:15:42,159

yeah

1993

01:15:45,350 --> 01:15:43,760

uh so i just wanted to throw that out

1994

01:15:47,430 --> 01:15:45,360

there also

1995

01:15:49,830 --> 01:15:47,440

twitter i know is just messing with me

1996

01:15:51,590 --> 01:15:49,840

they always send me in uh emails are

1997

01:15:53,110 --> 01:15:51,600

like oh you gotta check out the tweets

1998

01:15:55,430 --> 01:15:53,120

from this person

1999

01:15:57,430 --> 01:15:55,440

and it's one of two people all the time

2000

01:15:59,910 --> 01:15:57,440

and i know that it's these two people to

2001

01:16:02,870 --> 01:15:59,920

specifically trigger me one of them is

2002

01:16:05,030 --> 01:16:02,880

tweets from tim cool not a big tim oh my

2003

01:16:06,630 --> 01:16:05,040

god dude same here

2004

01:16:09,110 --> 01:16:06,640

you don't like tim pool is he does he

2005

01:16:11,669 --> 01:16:09,120

trigger you it's irritating he reads a

2006

01:16:15,030 --> 01:16:11,679

headline and reads an article but before

2007

01:16:16,950 --> 01:16:15,040

you do go to it's like dude it's all you

2008

01:16:20,550 --> 01:16:16,960

need to listen to is the first 30

2009

01:16:23,030 --> 01:16:20,560

seconds and it's over that is true

2010

01:16:26,070 --> 01:16:23,040

yeah and you know it's i think he falls

2011

01:16:28,229 --> 01:16:26,080

in under the misfortune of just

2012

01:16:29,350 --> 01:16:28,239

making the same argument

2013

01:16:31,270 --> 01:16:29,360

and

2014

01:16:32,950 --> 01:16:31,280

i just there's nothing to glean from it

2015

01:16:34,550 --> 01:16:32,960

like there's nothing i'm ever going to

2016

01:16:35,910 --> 01:16:34,560

glean i feel like from this we're not

2017

01:16:37,189 --> 01:16:35,920

going to make it on that we got chicken

2018

01:16:38,149 --> 01:16:37,199

city

2019

01:16:41,270 --> 01:16:38,159

unlike

2020

01:16:42,950 --> 01:16:41,280

obdm no agenda ball after bowl i think

2021

01:16:44,470 --> 01:16:42,960

that he's playing with the weed laws and

2022

01:16:46,790 --> 01:16:44,480

stuff we'd like

2023

01:16:49,189 --> 01:16:46,800

weed legalization

2024

01:16:51,430 --> 01:16:49,199

um but the other individual he's

2025

01:16:52,709 --> 01:16:51,440

actually uh he's the father of a friend

2026

01:16:54,950 --> 01:16:52,719

of mine that i

2027

01:16:56,550 --> 01:16:54,960

that i worked with doing shows and he's

2028

01:16:59,830 --> 01:16:56,560

running for

2029

01:17:02,550 --> 01:16:59,840

a senate seat in ohio as a democrat

2030

01:17:04,870 --> 01:17:02,560

and uh that was easy bait for me you'd

2031

01:17:07,669 --> 01:17:04,880

be like oh here come come freak out

2032

01:17:12,630 --> 01:17:10,470

which and by freak out i mean just

2033

01:17:15,510 --> 01:17:12,640

open up the twitter app check out his

2034

01:17:17,350 --> 01:17:15,520

post shake my head and then put it away

2035

01:17:18,390 --> 01:17:17,360

very very limited engagement with

2036

01:17:20,390 --> 01:17:18,400

twitter

2037

01:17:23,990 --> 01:17:20,400

sure whatever

2038

01:17:25,669 --> 01:17:24,000

it's not fun you can't find anything

2039

01:17:28,310 --> 01:17:25,679

yeah twitter is a

2040

01:17:31,189 --> 01:17:28,320

it is a it's a mind control mechanism

2041

01:17:33,669 --> 01:17:31,199

it's an echo chamber and it really is

2042

01:17:36,149 --> 01:17:33,679

unfortunate how much importance the

2043

01:17:39,270 --> 01:17:36,159

media has placed on it and our culture

2044

01:17:41,110 --> 01:17:39,280

like twitter does seem how uh seemed it

2045

01:17:43,990 --> 01:17:41,120

seems to lead the charge on a lot of

2046

01:17:45,910 --> 01:17:44,000

policy culturally and politically and

2047

01:17:48,149 --> 01:17:45,920

that's why it's so important that's why

2048

01:17:50,550 --> 01:17:48,159

there is so much hubbub

2049

01:17:51,990 --> 01:17:50,560

over uh elon musk uh

2050

01:17:54,390 --> 01:17:52,000

trying to buy it and now that's

2051

01:17:55,669 --> 01:17:54,400

obviously in flux uh so by default

2052

01:17:59,510 --> 01:17:55,679

twitter's important because it's

2053

01:18:01,830 --> 01:17:59,520

important to pop culture and politics

2054

01:18:04,070 --> 01:18:01,840

you understand that uh

2055

01:18:05,669 --> 01:18:04,080

huh you understand you understand that

2056

01:18:07,270 --> 01:18:05,679

you understand me

2057

01:18:10,310 --> 01:18:07,280

uh and then the last thing i'm out of

2058

01:18:13,030 --> 01:18:10,320

here i i told uh i told adam curry and

2059

01:18:14,310 --> 01:18:13,040

dave jones on podcasting 2.0 about that

2060

01:18:16,070 --> 01:18:14,320

uh

2061

01:18:18,870 --> 01:18:16,080

about that multiple sound effects for

2062

01:18:20,470 --> 01:18:18,880

the boostergram stuff and uh adam seemed

2063

01:18:22,709 --> 01:18:20,480

into it i think he's

2064

01:18:24,870 --> 01:18:22,719

if he wasn't just blustering it could

2065

01:18:27,189 --> 01:18:24,880

always be a chance but he sounded like

2066

01:18:29,430 --> 01:18:27,199

he wants to set up a stream

2067

01:18:31,590 --> 01:18:29,440

where it's just people

2068

01:18:33,830 --> 01:18:31,600

playing sound effects of his

2069

01:18:36,390 --> 01:18:33,840

uh a 24-hour loop

2070

01:18:42,950 --> 01:18:36,400

yeah i could see him doing that just two

2071

01:18:47,750 --> 01:18:44,870

we were just talking about doing like a

2072

01:18:51,350 --> 01:18:47,760

twitter but with sound effects

2073

01:18:53,910 --> 01:18:51,360

yeah we did yeah yeah in your uh your

2074

01:18:55,510 --> 01:18:53,920

app idea and uh i i think there's

2075

01:18:58,709 --> 01:18:55,520

something there so yeah i think people

2076

01:19:01,270 --> 01:18:58,719

like voice memos you do voice memos or

2077

01:19:02,149 --> 01:19:01,280

music bits or whatever

2078

01:19:04,229 --> 01:19:02,159

well

2079

01:19:06,070 --> 01:19:04,239

there is a there is a show

2080

01:19:07,910 --> 01:19:06,080

called hog story they're live every

2081

01:19:09,510 --> 01:19:07,920

monday night and they used to it might

2082

01:19:12,709 --> 01:19:09,520

have been a while since they've done it

2083

01:19:14,790 --> 01:19:12,719

now but uh carolyn one of the hosts

2084

01:19:17,270 --> 01:19:14,800

would make up tracks and then she would

2085

01:19:19,270 --> 01:19:17,280

load them up to play sequential order

2086

01:19:21,990 --> 01:19:19,280

and then fletcher the other host he

2087

01:19:24,470 --> 01:19:22,000

would put all of his isos and he's got a

2088

01:19:26,550 --> 01:19:24,480

he's got a very large selection

2089

01:19:29,110 --> 01:19:26,560

uh but he would put his isos into a

2090

01:19:31,350 --> 01:19:29,120

randomizer so it was just this music

2091

01:19:33,350 --> 01:19:31,360

with random clips played back to back to

2092

01:19:35,590 --> 01:19:33,360

back to back over top of it

2093

01:19:37,830 --> 01:19:35,600

very interesting the way it

2094

01:19:40,470 --> 01:19:37,840

sort of unintentionally lines up like

2095

01:19:42,470 --> 01:19:40,480

two you know turn blinkers for cars

2096

01:19:44,070 --> 01:19:42,480

sitting in traffic yeah if you know what

2097

01:19:46,310 --> 01:19:44,080

i'm talking about sure

2098

01:19:48,390 --> 01:19:46,320

um but yeah other than that thanks for

2099

01:19:52,790 --> 01:19:48,400

letting me call in love you guys thanks

2100

01:19:57,110 --> 01:19:54,390

all right well there he goes some good

2101
01:19:58,790 --> 01:19:57,120
ideas people like the sound effects

2102
01:20:00,709 --> 01:19:58,800
people like uh

2103
01:20:02,870 --> 01:20:00,719
i think random sound effects can have

2104
01:20:04,870 --> 01:20:02,880
its place but it can be a little bit too

2105
01:20:06,550 --> 01:20:04,880
much at a time uh

2106
01:20:08,390 --> 01:20:06,560
it can get uh pretty chaotic when i was

2107
01:20:09,590 --> 01:20:08,400
on blueberry show people as people were

2108
01:20:11,430 --> 01:20:09,600
donating

2109
01:20:12,310 --> 01:20:11,440
uh there would be random sound effects

2110
01:20:13,189 --> 01:20:12,320
playing

2111
01:20:14,390 --> 01:20:13,199
and

2112
01:20:16,149 --> 01:20:14,400
uh

2113
01:20:18,390 --> 01:20:16,159

it can be very distracting because it's

2114

01:20:20,950 --> 01:20:18,400

not controlled by anyone on the show

2115

01:20:23,270 --> 01:20:20,960

to find an opportunity for it it's then

2116

01:20:25,910 --> 01:20:23,280

it's it's controlled by the listener

2117

01:20:28,470 --> 01:20:25,920

uh which is an interesting idea

2118

01:20:29,750 --> 01:20:28,480

but you can't like once you have like a

2119

01:20:31,750 --> 01:20:29,760

thousand people listening and then a

2120

01:20:33,189 --> 01:20:31,760

thousand people donating it'll be funny

2121

01:20:34,790 --> 01:20:33,199

for the first 30 seconds but you won't

2122

01:20:36,870 --> 01:20:34,800

be able to get to any more content

2123

01:20:38,950 --> 01:20:36,880

you'll be able to do anything else so

2124

01:20:41,110 --> 01:20:38,960

uh just the 100 people or so we have

2125

01:20:42,950 --> 01:20:41,120

listing live right now would ruin it

2126

01:20:44,950 --> 01:20:42,960

they would do it and it would like i

2127

01:20:46,790 --> 01:20:44,960

said it would be funny for a little bit

2128

01:20:48,709 --> 01:20:46,800

uh it'd be funny to try to do a show

2129

01:20:51,270 --> 01:20:48,719

like that but you can't do every show

2130

01:20:52,950 --> 01:20:51,280

like that it would uh that would or just

2131

01:20:54,550 --> 01:20:52,960

raise the threshold for donations on

2132

01:20:56,709 --> 01:20:54,560

that so you could do 100 bucks you do

2133

01:21:00,070 --> 01:20:56,719

whatever you want yeah yeah

2134

01:21:01,510 --> 01:21:00,080

i get it yeah there's uh

2135

01:21:03,110 --> 01:21:01,520

some fun to be had there one last phone

2136

01:21:06,229 --> 01:21:03,120

call right here

2137

01:21:08,070 --> 01:21:06,239

uh caller you are on the air hello hello

2138

01:21:09,669 --> 01:21:08,080

how's it going guys we're doing well who

2139

01:21:12,550 --> 01:21:09,679

are we talking to

2140

01:21:13,510 --> 01:21:12,560

uh it's alex in calgary alex in calgary

2141

01:21:15,590 --> 01:21:13,520

wow

2142

01:21:18,790 --> 01:21:15,600

you sound great

2143

01:21:22,310 --> 01:21:18,800

hey how many vaccines have you had today

2144

01:21:26,390 --> 01:21:22,320

uh seven oh okay

2145

01:21:28,310 --> 01:21:26,400

phones in the concentration camps two

2146

01:21:29,750 --> 01:21:28,320

you know it's getting pretty crazy here

2147

01:21:32,149 --> 01:21:29,760

um

2148

01:21:36,070 --> 01:21:32,159

like we just had the stampede here

2149

01:21:38,790 --> 01:21:36,080

uh finished just uh last weekend and um

2150

01:21:39,590 --> 01:21:38,800

stampede what does that mean

2151
01:21:43,669 --> 01:21:39,600
man

2152
01:21:47,990 --> 01:21:45,910
it's like a big rodeo and an affair and

2153
01:21:49,510 --> 01:21:48,000
a lot of stuff going on it's country

2154
01:21:51,910 --> 01:21:49,520
western

2155
01:21:53,189 --> 01:21:51,920
um an event okay one of the largest

2156
01:21:54,550 --> 01:21:53,199
events in the world it's on for 10 days

2157
01:21:57,189 --> 01:21:54,560
and like over a million people come to

2158
01:21:59,590 --> 01:21:57,199
the city from the states

2159
01:22:01,030 --> 01:21:59,600
but uh they're even trying to

2160
01:22:03,110 --> 01:22:01,040
so they've attacked the farmers here

2161
01:22:04,870 --> 01:22:03,120
with the beef with um

2162
01:22:07,030 --> 01:22:04,880
about the emissions [h__h] from cow

2163
01:22:08,709 --> 01:22:07,040

farts and uh

2164

01:22:10,310 --> 01:22:08,719

then they've recently started going out

2165

01:22:11,189 --> 01:22:10,320

to farmers now for the fertilizer so

2166

01:22:14,229 --> 01:22:11,199

they all got to cut down their

2167

01:22:15,830 --> 01:22:14,239

fertilizer used by uh 30 percent

2168

01:22:18,070 --> 01:22:15,840

just like what's happening in uh in

2169

01:22:20,149 --> 01:22:18,080

europe in in holland and germany and and

2170

01:22:21,990 --> 01:22:20,159

all that kind of stuff but um the one

2171

01:22:23,350 --> 01:22:22,000

thing uh what i have noticed is so i

2172

01:22:24,470 --> 01:22:23,360

work in industrial and commercial

2173

01:22:26,709 --> 01:22:24,480

construction

2174

01:22:29,830 --> 01:22:26,719

and for the last few years we have

2175

01:22:32,149 --> 01:22:29,840

all we have been building is these huge

2176

01:22:33,510 --> 01:22:32,159

automated tower freezers

2177

01:22:34,950 --> 01:22:33,520

all food storage

2178

01:22:36,830 --> 01:22:34,960

pretty much all fridges and freezers

2179

01:22:39,590 --> 01:22:36,840

very little

2180

01:22:41,110 --> 01:22:39,600

um warehousing

2181

01:22:42,470 --> 01:22:41,120

for office space and commercial stuff

2182

01:22:44,310 --> 01:22:42,480

like that it's pretty much all food

2183

01:22:47,110 --> 01:22:44,320

storage which is very strange

2184

01:22:50,830 --> 01:22:47,120

and i think it was in 2017 we built our

2185

01:22:53,830 --> 01:22:50,840

first uh bug plant here in calgary

2186

01:22:55,669 --> 01:22:53,840

was cool i think it was crickets

2187

01:22:58,149 --> 01:22:55,679

um i was looking at the stampede they

2188

01:23:00,310 --> 01:22:58,159

were selling hot uh hot dogs with uh

2189

01:23:01,990 --> 01:23:00,320

meal worms and crickets

2190

01:23:03,910 --> 01:23:02,000

oh god

2191

01:23:06,070 --> 01:23:03,920

yeah it's pretty disgusting and then we

2192

01:23:08,310 --> 01:23:06,080

just i think my company has built for

2193

01:23:09,910 --> 01:23:08,320

these bug plants around the country so

2194

01:23:12,149 --> 01:23:09,920

far

2195

01:23:13,750 --> 01:23:12,159

and um

2196

01:23:15,189 --> 01:23:13,760

back in 2017 when i when we were first

2197

01:23:16,470 --> 01:23:15,199

building that one it stunk it was

2198

01:23:18,310 --> 01:23:16,480

[h__h] horrible

2199

01:23:19,669 --> 01:23:18,320

and uh of course

2200

01:23:21,189 --> 01:23:19,679

it was uh

2201

01:23:22,790 --> 01:23:21,199

we were all told that the queen was

2202

01:23:24,070 --> 01:23:22,800

involved with it and i thought that was

2203

01:23:26,149 --> 01:23:24,080

strange because we're told it was for

2204

01:23:28,790 --> 01:23:26,159

human consumption in the future

2205

01:23:30,629 --> 01:23:28,800

and um as well a lot of the food

2206

01:23:32,870 --> 01:23:30,639

manufacturers here we've built

2207

01:23:36,709 --> 01:23:32,880

extensions and we built them new plants

2208

01:23:39,110 --> 01:23:36,719

um that's all for um

2209

01:23:41,030 --> 01:23:39,120

the uh fake meat [ʰ__ʰ] that they're

2210

01:23:43,110 --> 01:23:41,040

trying to push on us you know who likes

2211

01:23:44,229 --> 01:23:43,120

to eat bugs

2212

01:23:46,550 --> 01:23:44,239

lizards

2213

01:23:49,590 --> 01:23:46,560

nicole kidman

2214

01:23:52,390 --> 01:23:49,600

yeah well he just said lizards lizards

2215

01:23:54,470 --> 01:23:52,400

are i it feels like this earth is being

2216

01:23:57,270 --> 01:23:54,480

terraformed to be populated by the

2217

01:23:59,910 --> 01:23:58,550

i wouldn't be surprised because if

2218

01:24:00,870 --> 01:23:59,920

they're trying to [h__\h] with our climate

2219

01:24:02,709 --> 01:24:00,880

and everything if that's what they're

2220

01:24:04,950 --> 01:24:02,719

trying to do [h__\h] block out our sun and

2221

01:24:07,350 --> 01:24:04,960

make it more uh

2222

01:24:09,990 --> 01:24:07,360

lizard friendly no yes it's like the

2223

01:24:11,830 --> 01:24:10,000

heat they do like the heat you do so

2224

01:24:13,590 --> 01:24:11,840

maybe everything they're doing

2225

01:24:14,709 --> 01:24:13,600

right now to terraform the planet is

2226

01:24:16,870 --> 01:24:14,719

actually

2227

01:24:22,470 --> 01:24:16,880

to increase the heat so it's much

2228

01:24:26,070 --> 01:24:24,629

yeah so they want to trap the heat and

2229

01:24:29,430 --> 01:24:26,080

have some sun so everything they're

2230

01:24:30,790 --> 01:24:29,440

doing is to actually reverse what uh

2231

01:24:32,229 --> 01:24:30,800

what they say they're gonna do it's the

2232

01:24:33,350 --> 01:24:32,239

perfect guys

2233

01:24:34,390 --> 01:24:33,360

it is

2234

01:24:36,470 --> 01:24:34,400

yeah

2235

01:24:38,790 --> 01:24:36,480

and then they then they'll have all

2236

01:24:41,030 --> 01:24:38,800

using our tax money they're building all

2237

01:24:42,550 --> 01:24:41,040

these bug processing plants so the

2238

01:24:47,750 --> 01:24:42,560

lizard people come in and they have

2239

01:24:50,390 --> 01:24:48,790

yeah 100

2240

01:24:51,910 --> 01:24:50,400

because i can't get over how much we've

2241

01:24:53,110 --> 01:24:51,920

built like even like alberta beef here

2242

01:24:54,390 --> 01:24:53,120

is known

2243

01:24:56,950 --> 01:24:54,400

throughout north america like we sell

2244

01:24:57,910 --> 01:24:56,960

most of our beef to california um and

2245

01:24:58,950 --> 01:24:57,920

they're trying to cut all that down

2246

01:25:01,110 --> 01:24:58,960

everything they're doing is is

2247

01:25:04,310 --> 01:25:01,120

destroying alberta our oil and gas

2248

01:25:05,350 --> 01:25:04,320

industry and our uh and our bees now

2249

01:25:07,110 --> 01:25:05,360

um

2250

01:25:09,350 --> 01:25:07,120

and then all of the shortages of the the

2251

01:25:10,229 --> 01:25:09,360

natural gas in europe like canada's

2252

01:25:11,910 --> 01:25:10,239

supposed to be one the cleanest

2253

01:25:13,510 --> 01:25:11,920

producers of natural gas and our

2254

01:25:15,030 --> 01:25:13,520

government has blocked everything for us

2255

01:25:16,310 --> 01:25:15,040

all of our exploration even in my

2256

01:25:17,910 --> 01:25:16,320

company like we do a lot of oil and gas

2257

01:25:19,750 --> 01:25:17,920

work for new construction

2258

01:25:20,790 --> 01:25:19,760

and it's all been basically shut down

2259

01:25:22,070 --> 01:25:20,800

for the last four or five years we

2260

01:25:23,110 --> 01:25:22,080

haven't done anything

2261

01:25:25,189 --> 01:25:23,120

we're my company's one of the biggest

2262

01:25:26,950 --> 01:25:25,199

companies in canada that that does a lot

2263

01:25:29,350 --> 01:25:26,960

is kind of work

2264

01:25:31,669 --> 01:25:29,360

as i said this is the viking funeral

2265

01:25:33,510 --> 01:25:31,679

they are putting us on the boat

2266

01:25:35,350 --> 01:25:33,520

yeah and they're going to fire an arrow

2267

01:25:37,830 --> 01:25:35,360

into us and then bill gates and his

2268

01:25:40,229 --> 01:25:37,840

farmland and the seed vault and

2269

01:25:42,310 --> 01:25:40,239

everything else for those you know plebs

2270

01:25:44,390 --> 01:25:42,320

that make it

2271

01:25:46,550 --> 01:25:44,400

we'll be eating bugs while they do

2272

01:25:48,070 --> 01:25:46,560

whatever the [h__h] they want like drink

2273

01:25:48,760 --> 01:25:48,080

children's blood and all the other

2274

01:25:51,270 --> 01:25:48,770

things they do

2275

01:25:53,350 --> 01:25:51,280

[Music]

2276

01:25:55,590 --> 01:25:53,360

so [h__h] up man

2277

01:25:56,950 --> 01:25:55,600

this is crazy what's going down man

2278

01:25:58,629 --> 01:25:56,960

uh well hey thank you for all the

2279

01:26:00,310 --> 01:25:58,639

information you got up there in calgary

2280

01:26:01,350 --> 01:26:00,320

i like it when people in other countries

2281

01:26:03,669 --> 01:26:01,360

check in

2282

01:26:05,990 --> 01:26:03,679

because we're so uh you united states

2283

01:26:08,310 --> 01:26:06,000

focused on this podcast that uh it's

2284

01:26:09,590 --> 01:26:08,320

easy for us to lose focus that uh there

2285

01:26:10,790 --> 01:26:09,600

are other countries out there that

2286

01:26:12,629 --> 01:26:10,800

matter

2287

01:26:14,550 --> 01:26:12,639

maybe and i have uh one more thing for

2288

01:26:16,550 --> 01:26:14,560

you guys one short thing so uh i'm from

2289

01:26:18,390 --> 01:26:16,560

ireland originally but uh it's just let

2290

01:26:19,350 --> 01:26:18,400

me um

2291

01:26:22,550 --> 01:26:19,360

from

2292

01:26:24,149 --> 01:26:22,560

there that was a terrible accent

2293

01:26:26,390 --> 01:26:24,159

um

2294

01:26:28,550 --> 01:26:26,400

do you do those in ireland

2295

01:26:31,189 --> 01:26:28,560

no we're irish not scottish i know but

2296

01:26:32,950 --> 01:26:31,199

like the food has to be somewhat related

2297

01:26:33,990 --> 01:26:32,960

yeah i agree with joe there you guys are

2298

01:26:35,590 --> 01:26:34,000

so close

2299

01:26:36,950 --> 01:26:35,600

not really like

2300

01:26:38,470 --> 01:26:36,960

our breakfast like you know with the

2301
01:26:40,149 --> 01:26:38,480
bean sausages and all that kind of stuff

2302
01:26:41,430 --> 01:26:40,159
it's it's similar but we all use

2303
01:26:43,590 --> 01:26:41,440
different spices but that's probably the

2304
01:26:45,669 --> 01:26:43,600
closest thing food wise what about

2305
01:26:47,350 --> 01:26:45,679
haggis is that shared

2306
01:26:49,350 --> 01:26:47,360
oh that's that's only scotland they're

2307
01:26:51,189 --> 01:26:49,360
only only animals with that [h__h] what

2308
01:26:53,350 --> 01:26:51,199
about what about heroin which one's the

2309
01:26:55,750 --> 01:26:53,360
bigger one so i know train spotting that

2310
01:26:58,229 --> 01:26:55,760
was scotland oh yeah

2311
01:27:00,870 --> 01:26:58,239
yeah well pretty much that's widespread

2312
01:27:03,430 --> 01:27:00,880
from amongst uh the ireland and the uk

2313
01:27:05,510 --> 01:27:03,440

so okay like in dublin now i know that a

2314

01:27:06,790 --> 01:27:05,520

lot of the uh bathrooms and the bars and

2315

01:27:07,910 --> 01:27:06,800

stuff they have uv lights in there so

2316

01:27:09,669 --> 01:27:07,920

you can't see your veins if you want to

2317

01:27:11,350 --> 01:27:09,679

shoot up wow that's that's an

2318

01:27:14,629 --> 01:27:11,360

interesting little trick though

2319

01:27:18,550 --> 01:27:16,550

all right i'm sorry we cut you off was

2320

01:27:19,910 --> 01:27:18,560

the last thing you wanted to say it was

2321

01:27:21,830 --> 01:27:19,920

just it's on the radio on the state

2322

01:27:24,070 --> 01:27:21,840

broadcaster uh the other day that and

2323

01:27:25,510 --> 01:27:24,080

they had an expert on

2324

01:27:28,149 --> 01:27:25,520

who was saying that for the new social

2325

01:27:30,310 --> 01:27:28,159

norms that uh they'll only be one short

2326

01:27:32,390 --> 01:27:30,320

haul flight every three years and one

2327

01:27:34,070 --> 01:27:32,400

long haul flight every eight years

2328

01:27:36,470 --> 01:27:34,080

what does that mean

2329

01:27:38,310 --> 01:27:36,480

so probably within europe you get one

2330

01:27:39,750 --> 01:27:38,320

flight every three years and long haul

2331

01:27:42,629 --> 01:27:39,760

could be [h__\h] transatlantic or

2332

01:27:45,189 --> 01:27:42,639

whatever wait you as a person you can

2333

01:27:46,950 --> 01:27:45,199

only you can only take one flight every

2334

01:27:48,390 --> 01:27:46,960

three years in order to combat climate

2335

01:27:49,430 --> 01:27:48,400

change you can take one vacation every

2336

01:27:51,270 --> 01:27:49,440

three years

2337

01:27:54,070 --> 01:27:51,280

correct but all private jets are exempt

2338

01:27:55,590 --> 01:27:54,080

from that of course they are

2339

01:27:57,669 --> 01:27:55,600

of course they gotta travel around the

2340

01:27:59,990 --> 01:27:57,679

world and eat their bugs the inspected

2341

01:28:02,629 --> 01:28:00,000

bug facilities and their lizard jets and

2342

01:28:05,430 --> 01:28:02,639

how are they gonna bank kids on like the

2343

01:28:07,510 --> 01:28:05,440

next epstein plane yeah

2344

01:28:10,390 --> 01:28:07,520

well it mean that this is the way it's

2345

01:28:12,149 --> 01:28:10,400

going and that the great reset is for

2346

01:28:14,550 --> 01:28:12,159

everyone else we'll be all be eating

2347

01:28:16,390 --> 01:28:14,560

bugs selling cat food to one another

2348

01:28:18,390 --> 01:28:16,400

while they're flying around fighting at

2349

01:28:19,990 --> 01:28:18,400

disney world when we're not allowed to

2350

01:28:23,830 --> 01:28:20,000

go there and fight

2351

01:28:27,910 --> 01:28:24,950

well hey thank you buddy what's your

2352

01:28:29,990 --> 01:28:27,920

name again alex alex hey thank you alex

2353

01:28:32,229 --> 01:28:30,000

from calgary really appreciate you uh

2354

01:28:36,010 --> 01:28:32,239

calling in man take care bob love the

2355

01:28:41,750 --> 01:28:40,149

[Music]

2356

01:28:44,310 --> 01:28:41,760

we're gonna we're gonna move on sorry

2357

01:28:46,950 --> 01:28:44,320

guys gotta cut down skype we have

2358

01:28:53,270 --> 01:28:46,960

uh we have to get the crotch and all

2359

01:28:57,510 --> 01:28:54,830

all

2360

01:28:58,629 --> 01:28:57,520

right uh so i have some things in carrot

2361

01:29:00,310 --> 01:28:58,639

shop from a few minutes ago we were

2362

01:29:01,510 --> 01:29:00,320

talking about jimmy savile i found those

2363

01:29:02,629 --> 01:29:01,520

original clips if you want they're only

2364

01:29:06,070 --> 01:29:02,639

about two minutes

2365

01:29:07,750 --> 01:29:06,080

oh john lyden from 1978.

2366

01:29:09,350 --> 01:29:07,760

so the yeah so there's two links in

2367

01:29:11,430 --> 01:29:09,360

there the first link is him talking with

2368

01:29:13,910 --> 01:29:11,440

i think pierce morgan about about the

2369

01:29:15,590 --> 01:29:13,920

the actual uh interview and then the

2370

01:29:18,550 --> 01:29:15,600

second link is the actual audio from the

2371

01:29:21,110 --> 01:29:18,560

interview which do you think is better

2372

01:29:23,990 --> 01:29:21,120

well i mean piers

2373

01:29:25,990 --> 01:29:24,000

we can do the piers morgan one i guess

2374

01:29:27,510 --> 01:29:26,000

that might be more relevant either way

2375

01:29:29,030 --> 01:29:27,520

yeah

2376

01:29:31,270 --> 01:29:29,040

kind of cute i want to completely turn

2377

01:29:34,709 --> 01:29:31,280

left field here an unbroadcast section

2378

01:29:37,430 --> 01:29:34,719

of a bbc radio interview you did in 1978

2379

01:29:38,709 --> 01:29:37,440

recently came to light included on a

2380

01:29:40,629 --> 01:29:38,719

pill album

2381

01:29:42,709 --> 01:29:40,639

and you were talking about making a film

2382

01:29:44,790 --> 01:29:42,719

where you killed famous people now it's

2383

01:29:46,790 --> 01:29:44,800

never been played on television before

2384

01:29:49,110 --> 01:29:46,800

but it has a particular

2385

01:29:52,629 --> 01:29:49,120

relevance let's listen to this

2386

01:29:55,110 --> 01:29:52,639

so who else is on the gonna list

2387

01:29:57,430 --> 01:29:55,120

oh it's endless believe me

2388

01:29:59,830 --> 01:29:57,440

i just want to make a film of it

2389

01:30:01,990 --> 01:29:59,840

on film i'd like to kill jimmy savile i

2390

01:30:03,910 --> 01:30:02,000

think he's a hypocrite

2391

01:30:06,629 --> 01:30:03,920

when i write and that he's into all

2392

01:30:09,990 --> 01:30:06,639

kinds of seediness that they all know

2393

01:30:12,070 --> 01:30:10,000

about they're not allowed to talk about

2394

01:30:15,430 --> 01:30:12,080

i know some rumors

2395

01:30:16,950 --> 01:30:15,440

i bet none of this will be allowed out

2396

01:30:18,229 --> 01:30:16,960

i shouldn't imagine libelous stuff will

2397

01:30:21,510 --> 01:30:18,239

be out of that

2398

01:30:26,709 --> 01:30:21,520

nothing i said is liable

2399

01:30:32,390 --> 01:30:29,910

sounds a bit harsh dude deathless there

2400

01:30:34,070 --> 01:30:32,400

well but sometimes you're contentious in

2401

01:30:36,470 --> 01:30:34,080

life just because you're bored of that

2402

01:30:38,310 --> 01:30:36,480

product but put aside that and put aside

2403

01:30:40,390 --> 01:30:38,320

the the rhetoric you were using the fact

2404

01:30:42,950 --> 01:30:40,400

that in 1978

2405

01:30:45,430 --> 01:30:42,960

at the height of the sex pistols

2406

01:30:48,070 --> 01:30:45,440

explosion there you are

2407

01:30:49,830 --> 01:30:48,080

saying about jimmy savile he was into

2408

01:30:51,590 --> 01:30:49,840

all kinds of seediness that we all knew

2409

01:30:53,350 --> 01:30:51,600

about we weren't allowed to talk about

2410

01:30:55,750 --> 01:30:53,360

it i know some rumors

2411

01:30:58,070 --> 01:30:55,760

so you you had heard the kind of thing

2412

01:31:00,310 --> 01:30:58,080

that we now know about him or or stuff

2413

01:31:02,790 --> 01:31:00,320

like that yeah

2414

01:31:05,270 --> 01:31:02,800

i think most kids did too most kids

2415

01:31:07,350 --> 01:31:05,280

wanted to go at the top of the pops but

2416

01:31:08,550 --> 01:31:07,360

we all knew what that cigar muncher was

2417

01:31:10,470 --> 01:31:08,560

up to

2418

01:31:12,070 --> 01:31:10,480

i'm very very bitter that the likes of

2419

01:31:13,910 --> 01:31:12,080

savile and the rest of them were allowed

2420

01:31:15,350 --> 01:31:13,920

to continue

2421

01:31:19,910 --> 01:31:15,360

did you ever try and do anything about

2422

01:31:22,709 --> 01:31:19,920

savile i did my bit i said what i had to

2423

01:31:24,709 --> 01:31:22,719

did they aired that no

2424

01:31:26,229 --> 01:31:24,719

it just got suppressed yeah for legal

2425

01:31:28,870 --> 01:31:26,239

reasons yeah

2426

01:31:31,110 --> 01:31:28,880

and uh did you i found myself i found

2427

01:31:32,390 --> 01:31:31,120

myself being banned from bbc radio there

2428

01:31:35,110 --> 01:31:32,400

for quite a while

2429

01:31:37,430 --> 01:31:35,120

for my contentious behavior because of

2430

01:31:40,870 --> 01:31:37,440

that they wouldn't state this directly

2431

01:31:42,470 --> 01:31:40,880

to be other excuses i mean it's shocking

2432

01:31:44,870 --> 01:31:42,480

oh yeah he got away with it for another

2433

01:31:46,149 --> 01:31:44,880

30 odd years not only him a whole bunch

2434

01:31:47,830 --> 01:31:46,159

of them

2435

01:31:50,550 --> 01:31:47,840

and these are the purveyors of good

2436

01:31:53,270 --> 01:31:50,560

taste huh you were too offensive

2437

01:31:54,149 --> 01:31:53,280

brilliant in it

2438

01:31:56,470 --> 01:31:54,159

well

2439

01:31:59,669 --> 01:31:56,480

i'm still here and the rest of them was

2440

01:32:01,460 --> 01:31:59,679

still alive nice bit of jail time for

2441

01:32:04,870 --> 01:32:01,470

them jail time

2442

01:32:09,350 --> 01:32:06,550

and there's uh

2443

01:32:10,709 --> 01:32:09,360

john rotten okay

2444

01:32:12,310 --> 01:32:10,719

anyway i just thought that i mean that's

2445

01:32:15,270 --> 01:32:12,320

even the thing with uh peter's morgan i

2446

01:32:16,310 --> 01:32:15,280

think is from 2015 or something but

2447

01:32:17,830 --> 01:32:16,320

um

2448

01:32:19,110 --> 01:32:17,840

it is interesting that people were

2449

01:32:21,510 --> 01:32:19,120

bringing this up and he even brought it

2450

01:32:24,550 --> 01:32:21,520

up on bbc radio when they wouldn't have

2451

01:32:25,750 --> 01:32:24,560

it so yeah 1978

2452

01:32:27,830 --> 01:32:25,760

carried on for

2453

01:32:29,430 --> 01:32:27,840

another few decades

2454

01:32:30,870 --> 01:32:29,440

fascinating

2455

01:32:32,709 --> 01:32:30,880

sad

2456

01:32:34,629 --> 01:32:32,719

wait goes uh

2457

01:32:35,830 --> 01:32:34,639

kind of sickening too you know and then

2458

01:32:36,709 --> 01:32:35,840

which always makes you wonder when you

2459

01:32:38,470 --> 01:32:36,719

hear about these things how long have

2460

01:32:40,550 --> 01:32:38,480

other things been going on

2461

01:32:43,590 --> 01:32:40,560

well and not only that you think about

2462

01:32:44,790 --> 01:32:43,600

uh which one of the prince

2463

01:32:49,990 --> 01:32:44,800

prince

2464

01:32:52,070 --> 01:32:50,000

andy he doesn't he doesn't sweat

2465

01:32:54,950 --> 01:32:52,080

oh yeah he doesn't well so we know about

2466

01:32:56,229 --> 01:32:54,960

that right and it's like i don't know

2467

01:33:00,550 --> 01:32:56,239

like

2468

01:33:01,510 --> 01:33:00,560

the the queen is knighting jimmy savile

2469

01:33:03,110 --> 01:33:01,520

mm-hmm

2470

01:33:05,669 --> 01:33:03,120

i don't know strike on our children's

2471

01:33:08,229 --> 01:33:05,679

blood for god's sake is you've got uma

2472

01:33:09,830 --> 01:33:08,239

abedine and all these like hillary all

2473

01:33:11,669 --> 01:33:09,840

these people are so connected to

2474

01:33:15,189 --> 01:33:11,679

pedophiles everybody's got a pedophile

2475

01:33:16,950 --> 01:33:15,199

friend but me i need a pedophile friend

2476

01:33:19,110 --> 01:33:16,960

if you want to be in the in crowd joe

2477

01:33:21,590 --> 01:33:19,120

that's correct if you want to move up

2478

01:33:23,990 --> 01:33:21,600

the chain of entertainment

2479

01:33:25,270 --> 01:33:24,000

to be accepted by hollywood i think that

2480

01:33:27,430 --> 01:33:25,280

that's correct

2481

01:33:28,950 --> 01:33:27,440

hollywood hates us they need like a

2482

01:33:30,950 --> 01:33:28,960

bumble or something like that for

2483

01:33:32,709 --> 01:33:30,960

pedophiles

2484

01:33:34,629 --> 01:33:32,719

okay well hey there's uh there's

2485

01:33:37,270 --> 01:33:34,639

something there i'm sure itunes would be

2486

01:33:40,470 --> 01:33:37,280

all on board uh and so would google

2487

01:33:43,830 --> 01:33:41,910

what else do you got for us chris did

2488

01:33:45,510 --> 01:33:43,840

any other cheery stories i got some

2489

01:33:46,470 --> 01:33:45,520

books agreements

2490

01:33:49,430 --> 01:33:46,480

i just want to bring it up because we

2491

01:33:51,030 --> 01:33:49,440

discussed it so yeah that makes sense

2492

01:33:52,629 --> 01:33:51,040

so here's this one let's start with this

2493

01:33:54,629 --> 01:33:52,639

one let's let's let's talk about some

2494

01:33:55,990 --> 01:33:54,639

nonsense

2495

01:34:02,229 --> 01:33:56,000

good

2496

01:34:06,950 --> 01:34:05,030

uh bring us up on screen here we go

2497

01:34:10,470 --> 01:34:06,960

uh the

2498

01:34:11,910 --> 01:34:10,480

testicle festival returns to watsonville

2499

01:34:14,470 --> 01:34:11,920

oh really

2500

01:34:15,830 --> 01:34:14,480

the testicle festival

2501
01:34:17,270 --> 01:34:15,840
i didn't know i didn't know about this

2502
01:34:20,790 --> 01:34:17,280
festival

2503
01:34:24,390 --> 01:34:20,800
well it's back it's back in a big way

2504
01:34:26,709 --> 01:34:24,400
uh in august uh the 14th annual testicle

2505
01:34:28,390 --> 01:34:26,719
festival will return to watsonville the

2506
01:34:30,709 --> 01:34:28,400
festival put on by

2507
01:34:32,550 --> 01:34:30,719
young farmers and ranchers committee of

2508
01:34:34,709 --> 01:34:32,560
santa cruz county

2509
01:34:36,790 --> 01:34:34,719
uh will uh

2510
01:34:38,470 --> 01:34:36,800
will help will be help

2511
01:34:39,750 --> 01:34:38,480
we'll be help i don't know what that

2512
01:34:42,229 --> 01:34:39,760
means

2513
01:34:43,510 --> 01:34:42,239

uh we'll be uh donald that's a type of

2514

01:34:45,910 --> 01:34:43,520

yeah

2515

01:34:47,590 --> 01:34:45,920

this is what they wrote will be held

2516

01:34:50,790 --> 01:34:47,600

high quality journalism here will be

2517

01:34:53,590 --> 01:34:50,800

help on august 27th the event will take

2518

01:34:57,109 --> 01:34:53,600

place from seven to or from three to

2519

01:34:59,830 --> 01:34:57,119

seven p.m at the estrada deer camp

2520

01:35:02,390 --> 01:34:59,840

uh let's see here so they'll be uh

2521

01:35:03,990 --> 01:35:02,400

servicing rocky mountain oysters

2522

01:35:06,950 --> 01:35:04,000

and uh

2523

01:35:09,109 --> 01:35:06,960

dinners will be chicken with salad and

2524

01:35:11,270 --> 01:35:09,119

uh bread and dessert so that's some

2525

01:35:13,430 --> 01:35:11,280

that's some really good stuff

2526

01:35:16,790 --> 01:35:13,440

that people can eat rocky mountain

2527

01:35:18,229 --> 01:35:16,800

oysters you ever had one of those joe

2528

01:35:19,350 --> 01:35:18,239

i am mute

2529

01:35:21,990 --> 01:35:19,360

no i'm not

2530

01:35:24,790 --> 01:35:22,000

i think i have i don't know if i ever

2531

01:35:26,149 --> 01:35:24,800

lucy's fried chicken had

2532

01:35:28,229 --> 01:35:26,159

yeah i think they had something like

2533

01:35:29,669 --> 01:35:28,239

that it was like goat balls or something

2534

01:35:31,910 --> 01:35:29,679

yeah i think so

2535

01:35:34,310 --> 01:35:31,920

well if you want to attend tickets are

2536

01:35:36,709 --> 01:35:34,320

60 dollars for adults and 30 for

2537

01:35:42,070 --> 01:35:38,550

holy [h__\h] you got to pay money to get in

2538

01:35:43,189 --> 01:35:42,080

there to eat rocky mountain oysters

2539

01:35:44,870 --> 01:35:43,199

families are going there for their

2540

01:35:47,910 --> 01:35:44,880

vacation starting fights

2541

01:35:49,510 --> 01:35:47,920

a ton going in there i need some balls

2542

01:35:52,790 --> 01:35:49,520

now that's the man who knows when he's

2543

01:35:55,109 --> 01:35:52,800

got something good in his mouth

2544

01:35:56,830 --> 01:35:55,119

uh for more information you can visit

2545

01:35:59,109 --> 01:35:56,840

their website the

2546

01:36:02,030 --> 01:35:59,119

agriculture.us or purchase tickets and

2547

01:36:03,990 --> 01:36:02,040

sponsorships at the

2548

01:36:06,550 --> 01:36:04,000

www.everbrite.com search for testicle

2549

01:36:08,470 --> 01:36:06,560

festival and you will find the

2550

01:36:10,310 --> 01:36:08,480

watsonville

2551
01:36:12,070 --> 01:36:10,320
events so there you go people i put that

2552
01:36:14,149 --> 01:36:12,080
i put the link right right below that

2553
01:36:15,830 --> 01:36:14,159
character of the actual event website

2554
01:36:17,830 --> 01:36:15,840
there more details on the menus and all

2555
01:36:19,270 --> 01:36:17,840
sorts of fun stuff i wonder if uh who's

2556
01:36:21,510 --> 01:36:19,280
going to be speaking there

2557
01:36:22,790 --> 01:36:21,520
at the tesco festival i wonder if david

2558
01:36:25,350 --> 01:36:22,800
pelages is going to be there talk about

2559
01:36:27,270 --> 01:36:25,360
missing 411 for no for no reason for at

2560
01:36:28,790 --> 01:36:27,280
the testicle festival maybe

2561
01:36:29,510 --> 01:36:28,800
klaus schwab is going to announce a new

2562
01:36:30,950 --> 01:36:29,520
uh

2563
01:36:33,189 --> 01:36:30,960

new um

2564

01:36:35,750 --> 01:36:33,199

great reset policy i like that

2565

01:36:37,270 --> 01:36:35,760

eat bugs and balls in the future

2566

01:36:39,990 --> 01:36:37,280

cut your balls off eat them and you

2567

01:36:41,590 --> 01:36:40,000

could eat some bugs yeah why not well

2568

01:36:44,310 --> 01:36:41,600

there you go there you go new surf and

2569

01:36:45,830 --> 01:36:44,320

turf bugs and balls and bugs and bugs

2570

01:36:47,669 --> 01:36:45,840

and balls yeah

2571

01:36:49,030 --> 01:36:47,679

i like it

2572

01:36:50,790 --> 01:36:49,040

uh see

2573

01:36:52,950 --> 01:36:50,800

yes saturday maybe one reason

2574

01:36:56,470 --> 01:36:52,960

the cow pie bingo

2575

01:36:58,790 --> 01:36:56,480

oh yeah cow pie bingo 50 bucks a square

2576
01:37:00,790 --> 01:36:58,800
experienced the sweet smell of success

2577
01:37:03,430 --> 01:37:00,800
the cow will be

2578
01:37:05,510 --> 01:37:03,440
uh the cows will be turned loose in a

2579
01:37:08,390 --> 01:37:05,520
fenced area which will be marked off

2580
01:37:10,709 --> 01:37:08,400
into 64 squares so if a cow takes a crap

2581
01:37:16,709 --> 01:37:10,719
or a dump on your square

2582
01:37:20,870 --> 01:37:18,390
there we go

2583
01:37:23,430 --> 01:37:20,880
uh winners receive 50 of the sales kids

2584
01:37:25,830 --> 01:37:23,440
and adults will both love this fun event

2585
01:37:28,790 --> 01:37:25,840
cow pie bingo yes it's a fundraiser and

2586
01:37:31,189 --> 01:37:28,800
you can get involved today

2587
01:37:33,590 --> 01:37:31,199
not sure if that's a a guess or a

2588
01:37:35,669 --> 01:37:33,600

command that kids and adults will both

2589

01:37:37,109 --> 01:37:35,679

love this you will love this event

2590

01:37:39,910 --> 01:37:37,119

you're going to get involved and you're

2591

01:37:40,870 --> 01:37:39,920

going to like it

2592

01:37:42,310 --> 01:37:40,880

all right

2593

01:37:45,590 --> 01:37:42,320

we'll earn nothing and be happy you will

2594

01:37:48,629 --> 01:37:45,600

watch cow pie bingo on saturdays and be

2595

01:37:50,950 --> 01:37:48,639

happy yeah and sit around and watch cows

2596

01:37:54,149 --> 01:37:50,960

take a crap that's a fun event i'm going

2597

01:37:56,709 --> 01:37:54,159

to pay 60 bucks to get into an event

2598

01:37:59,510 --> 01:37:56,719

and then i pay an additional 50 bucks to

2599

01:38:00,950 --> 01:37:59,520

buy a square and hope that i watch a cow

2600

01:38:02,470 --> 01:38:00,960

take a crap

2601
01:38:03,350 --> 01:38:02,480
on my square

2602
01:38:06,870 --> 01:38:03,360
wow

2603
01:38:10,390 --> 01:38:08,550
that's what it says on the shirt

2604
01:38:12,550 --> 01:38:10,400
yeah

2605
01:38:14,709 --> 01:38:12,560
man eating feces drinking urine and

2606
01:38:16,870 --> 01:38:14,719
having sex in public that's a different

2607
01:38:18,550 --> 01:38:16,880
festival yeah that was that's next

2608
01:38:20,470 --> 01:38:18,560
week's festival

2609
01:38:22,070 --> 01:38:20,480
you prompted this one for that one but

2610
01:38:25,030 --> 01:38:22,080
okay

2611
01:38:27,430 --> 01:38:25,040
uh let's see i've got uh i got one or

2612
01:38:28,629 --> 01:38:27,440
two uh food ones we have to get to but

2613
01:38:29,910 --> 01:38:28,639

um

2614

01:38:31,590 --> 01:38:29,920

here well i'll tell you what let's do

2615

01:38:32,550 --> 01:38:31,600

this let's jump right to it

2616

01:38:34,950 --> 01:38:32,560

okay

2617

01:38:36,070 --> 01:38:34,960

so a few months ago we talked about this

2618

01:38:39,189 --> 01:38:36,080

story

2619

01:38:41,109 --> 01:38:39,199

um

2620

01:38:42,790 --> 01:38:41,119

if you recall walmart i think it was

2621

01:38:45,830 --> 01:38:42,800

walmart or somebody was selling no it's

2622

01:38:48,390 --> 01:38:45,840

groger groger was selling macaroni and

2623

01:38:51,030 --> 01:38:48,400

cheese flavored ice cream i remember

2624

01:38:53,430 --> 01:38:51,040

and it sold out immediately it was a

2625

01:38:57,510 --> 01:38:53,440

limited quantity it was a short run

2626

01:38:59,350 --> 01:38:57,520

small batch of mac and cheese ice cream

2627

01:39:02,310 --> 01:38:59,360

i remember i was all excited about it so

2628

01:39:03,590 --> 01:39:02,320

the company uh van lewens is the um uh

2629

01:39:05,270 --> 01:39:03,600

the

2630

01:39:07,590 --> 01:39:05,280

ice cream company who made that now look

2631

01:39:08,310 --> 01:39:07,600

at what they're working on

2632

01:39:11,990 --> 01:39:08,320

now

2633

01:39:15,590 --> 01:39:12,000

what we got here is this gray poupon ice

2634

01:39:17,830 --> 01:39:15,600

cream needs more mustard

2635

01:39:19,189 --> 01:39:17,840

man i got mixed emotions about this one

2636

01:39:22,550 --> 01:39:19,199

uh

2637

01:39:26,550 --> 01:39:22,560

oh boy i'm not a big mustard fan

2638

01:39:27,990 --> 01:39:26,560

uh i i have never used grey poupon on

2639

01:39:29,750 --> 01:39:28,000

anything

2640

01:39:31,830 --> 01:39:29,760

and now you don't need to because you

2641

01:39:33,669 --> 01:39:31,840

can eat it right out of the can oh yeah

2642

01:39:34,790 --> 01:39:33,679

so here is something for all you mustard

2643

01:39:36,390 --> 01:39:34,800

lovers

2644

01:39:38,550 --> 01:39:36,400

this is written like a blog so here it

2645

01:39:41,350 --> 01:39:38,560

goes it took me a long time to love

2646

01:39:43,270 --> 01:39:41,360

mustard i grew up in a ketchup family

2647

01:39:46,229 --> 01:39:43,280

and always preferred mayonnaise on my

2648

01:39:49,030 --> 01:39:46,239

sandwiches but in the past few years

2649

01:39:51,830 --> 01:39:49,040

uh a switch flipped i started craving

2650

01:39:54,870 --> 01:39:51,840

that vinegary condiment become obsessed

2651
01:39:57,350 --> 01:39:54,880
with the stone ground stuff and would

2652
01:39:58,229 --> 01:39:57,360
order anything on a menu with mustard

2653
01:40:00,709 --> 01:39:58,239
seed

2654
01:40:02,790 --> 01:40:00,719
so when van lewen announced that it

2655
01:40:06,629 --> 01:40:02,800
would be releasing a limited edition run

2656
01:40:08,950 --> 01:40:06,639
of grey poupon ice cream i went full

2657
01:40:12,550 --> 01:40:08,960
sicko

2658
01:40:15,510 --> 01:40:12,560
uh skip down to the how does it taste

2659
01:40:16,950 --> 01:40:15,520
uh how does it taste where is that at

2660
01:40:18,629 --> 01:40:16,960
that's like two paragraphs down i'm

2661
01:40:19,669 --> 01:40:18,639
trying to skip past the blog nonsense

2662
01:40:21,910 --> 01:40:19,679
because someone has to get their word

2663
01:40:23,910 --> 01:40:21,920

count up so as a taste as described in

2664

01:40:25,270 --> 01:40:23,920

the press release sent to the take out

2665

01:40:28,709 --> 01:40:25,280

the grape upon

2666

01:40:31,189 --> 01:40:28,719

uh with salted pretzels is an unexpected

2667

01:40:33,590 --> 01:40:31,199

yet delightful blend of sweet ice cream

2668

01:40:35,430 --> 01:40:33,600

honey dijon swirl

2669

01:40:37,430 --> 01:40:35,440

and salted pretzels

2670

01:40:39,270 --> 01:40:37,440

is part of van luin's line of summer

2671

01:40:41,669 --> 01:40:39,280

limited edition flavors which also

2672

01:40:44,629 --> 01:40:41,679

includes campfire s'mores

2673

01:40:50,070 --> 01:40:44,639

summer peach crisp honey cornbread with

2674

01:40:52,629 --> 01:40:50,080

strawberry jam and espresso pure de la

2675

01:40:55,750 --> 01:40:52,639

latte chip

2676

01:40:58,950 --> 01:40:55,760

uh all with all all these flavors are

2677

01:41:01,669 --> 01:40:58,960

available at walmart until the end of

2678

01:41:03,750 --> 01:41:01,679

the season people that's good news

2679

01:41:05,910 --> 01:41:03,760

so great coupon

2680

01:41:08,629 --> 01:41:05,920

is teaming up with walmart for this

2681

01:41:10,629 --> 01:41:08,639

limited edition run

2682

01:41:14,629 --> 01:41:10,639

okay

2683

01:41:15,830 --> 01:41:14,639

getting ice cream that tastes like

2684

01:41:17,350 --> 01:41:15,840

mustard

2685

01:41:20,629 --> 01:41:17,360

i remember this from like growing up in

2686

01:41:23,350 --> 01:41:20,639

the 80s the finer things in life happily

2687

01:41:26,550 --> 01:41:23,360

some are affordable like gray poupon

2688

01:41:28,709 --> 01:41:26,560

dijon mustard yes grey poupon is so fine

2689

01:41:30,950 --> 01:41:28,719

it's even made with white wine its

2690

01:41:33,350 --> 01:41:30,960

original french dijon recipe adds

2691

01:41:36,149 --> 01:41:33,360

distinctive flavor to beef pork and

2692

01:41:39,430 --> 01:41:36,159

poultry salad dressing and sauces and of

2693

01:41:41,910 --> 01:41:39,440

course sandwiches so enjoy one of life's

2694

01:41:44,390 --> 01:41:41,920

finer pleasures pardon me would you have

2695

01:41:48,390 --> 01:41:44,400

any grey poupon but of course grey

2696

01:41:49,510 --> 01:41:48,400

poupon it even has wine [h__\h] them

2697

01:41:50,870 --> 01:41:49,520

all right you got to run so i just

2698

01:41:52,390 --> 01:41:50,880

dropped a great coupon link in the

2699

01:41:55,030 --> 01:41:52,400

character you have to run this one 30

2700

01:41:56,950 --> 01:41:55,040

seconds okay

2701
01:42:01,510 --> 01:41:56,960
i hate grey poupon by the way but okay

2702
01:42:01,520 --> 01:42:04,950
i poop on my burger

2703
01:42:04,960 --> 01:42:09,270
i poop on my potato salad i

2704
01:42:13,189 --> 01:42:12,070
i put on my kids lunches

2705
01:42:21,430 --> 01:42:13,199
i poop

2706
01:42:25,890 --> 01:42:21,440
[Music]

2707
01:42:28,629 --> 01:42:25,900
i just got my husband's chest

2708
01:42:30,390 --> 01:42:28,639
[Music]

2709
01:42:32,790 --> 01:42:30,400
everything

2710
01:42:34,709 --> 01:42:32,800
this is all

2711
01:42:35,990 --> 01:42:34,719
was that a real commercial no it's

2712
01:42:38,550 --> 01:42:36,000
there's nowhere

2713
01:42:43,990 --> 01:42:42,229

it's a parody commercial yeah

2714

01:42:48,550 --> 01:42:44,000

jesus

2715

01:42:49,830 --> 01:42:48,560

we're going to start winding on a show

2716

01:42:53,270 --> 01:42:49,840

because i'm going to see that new uh

2717

01:42:54,149 --> 01:42:53,280

jordan peel movie nope

2718

01:42:55,590 --> 01:42:54,159

it's about

2719

01:42:56,629 --> 01:42:55,600

interesting i'll be curious to hear how

2720

01:43:00,390 --> 01:42:56,639

it goes

2721

01:43:01,990 --> 01:43:00,400

it's got ufos and conspiracies and uh

2722

01:43:04,629 --> 01:43:02,000

jordan people i think he writes some

2723

01:43:06,390 --> 01:43:04,639

good stuff very interesting stuff so

2724

01:43:07,669 --> 01:43:06,400

we'll see

2725

01:43:09,270 --> 01:43:07,679

yeah the trailer those are interesting

2726

01:43:12,950 --> 01:43:09,280

um all right so i'll give you guys two

2727

01:43:14,229 --> 01:43:12,960

choices one is a story about um

2728

01:43:15,669 --> 01:43:14,239

uh

2729

01:43:17,510 --> 01:43:15,679

when you go into subway and you order

2730

01:43:19,350 --> 01:43:17,520

sandwich a certain way this is so seven

2731

01:43:20,950 --> 01:43:19,360

subway sandwiches workers will judge you

2732

01:43:23,750 --> 01:43:20,960

for ordering

2733

01:43:25,910 --> 01:43:23,760

um and then the other one is uh the

2734

01:43:28,070 --> 01:43:25,920

story about how costco is able to keep

2735

01:43:29,910 --> 01:43:28,080

their hot dog at a dollar fifty and it's

2736

01:43:31,189 --> 01:43:29,920

by the the founder threatening to kill

2737

01:43:33,109 --> 01:43:31,199

people

2738

01:43:36,470 --> 01:43:33,119

i kind of like that one the costco one

2739

01:43:37,669 --> 01:43:36,480

because uh with rising uh prices of food

2740

01:43:39,109 --> 01:43:37,679

it's pretty important to keep those

2741

01:43:40,870 --> 01:43:39,119

prices low so i'm kind of curious to see

2742

01:43:42,950 --> 01:43:40,880

how they also so this one is especially

2743

01:43:45,270 --> 01:43:42,960

prescient because it was written before

2744

01:43:47,430 --> 01:43:45,280

the massive inflation caused by resident

2745

01:43:49,510 --> 01:43:47,440

biden's uh funtime happy group over

2746

01:43:50,709 --> 01:43:49,520

there okay so it's even worse now but

2747

01:43:52,310 --> 01:43:50,719

they are still maintaining the dollar

2748

01:43:56,070 --> 01:43:52,320

fifty so this is from almost two years

2749

01:43:58,149 --> 01:43:56,080

ago yeah it's from september 2020.

2750

01:44:00,070 --> 01:43:58,159

so bring this up on screen costco

2751
01:44:02,149 --> 01:44:00,080
founders once told the company's current

2752
01:44:05,669 --> 01:44:02,159
ceo if you raise

2753
01:44:07,430 --> 01:44:05,679
the price of the effing hot dog i will

2754
01:44:10,310 --> 01:44:07,440
kill you that's some good news on that

2755
01:44:11,350 --> 01:44:10,320
front okay

2756
01:44:12,629 --> 01:44:11,360
uh

2757
01:44:15,830 --> 01:44:12,639
all right well that's that's some good

2758
01:44:17,750 --> 01:44:15,840
news so costco costco has charged one

2759
01:44:20,870 --> 01:44:17,760
dollar and fifty cents for its hot dog

2760
01:44:23,750 --> 01:44:20,880
and soda combo since 1985 and a quote

2761
01:44:27,750 --> 01:44:23,760
from costco founders jim

2762
01:44:30,550 --> 01:44:27,760
seingle senegal senegal explains why

2763
01:44:31,430 --> 01:44:30,560

that is when costco's current ceo

2764

01:44:33,430 --> 01:44:31,440

greg

2765

01:44:35,030 --> 01:44:33,440

chelnick

2766

01:44:37,910 --> 01:44:35,040

sign goal about raising the price of the

2767

01:44:40,870 --> 01:44:37,920

combo cycle told him i will kill you

2768

01:44:43,430 --> 01:44:40,880

if you raise the price so single figured

2769

01:44:46,070 --> 01:44:43,440

out a solution stop buying hot dogs from

2770

01:44:50,070 --> 01:44:46,080

hebrew nationals and build factories to

2771

01:44:52,310 --> 01:44:50,080

make kirkland signature hot dogs i okay

2772

01:44:53,830 --> 01:44:52,320

in january shareholder at a shareholders

2773

01:44:57,030 --> 01:44:53,840

meeting j uh

2774

01:45:00,550 --> 01:44:57,040

jinkle i said costco had no plans to

2775

01:45:02,629 --> 01:45:00,560

take that hot dog above a buck fifty uh

2776

01:45:04,790 --> 01:45:02,639

visit business insiders homepage for

2777

01:45:06,550 --> 01:45:04,800

more stories so this is awesome oh

2778

01:45:08,870 --> 01:45:06,560

really

2779

01:45:10,870 --> 01:45:08,880

so yeah instead of like buying wholesale

2780

01:45:12,310 --> 01:45:10,880

nathan's which is it's a fine hot dog

2781

01:45:14,390 --> 01:45:12,320

they have their own

2782

01:45:15,830 --> 01:45:14,400

eating competition on the floor

2783

01:45:18,470 --> 01:45:15,840

chestnut seems to like them by the

2784

01:45:19,910 --> 01:45:18,480

fistful yeah they uh they they gobble

2785

01:45:22,709 --> 01:45:19,920

those things down

2786

01:45:25,189 --> 01:45:22,719

uh so they built their own factory to to

2787

01:45:27,430 --> 01:45:25,199

do this so that i mean that's fantastic

2788

01:45:29,830 --> 01:45:27,440

to allow people

2789

01:45:31,669 --> 01:45:29,840

that comfort to go when you go to costco

2790

01:45:33,430 --> 01:45:31,679

you get yourself a soda you get yourself

2791

01:45:35,430 --> 01:45:33,440

a dog you have a good time and then you

2792

01:45:37,590 --> 01:45:35,440

continue your shopping experience as you

2793

01:45:39,430 --> 01:45:37,600

see fit

2794

01:45:41,830 --> 01:45:39,440

i wonder if it's changed since then this

2795

01:45:44,550 --> 01:45:41,840

is an older story cratchit so there's

2796

01:45:46,709 --> 01:45:44,560

been a lot of changes in the two years

2797

01:45:48,629 --> 01:45:46,719

since this has been written

2798

01:45:50,709 --> 01:45:48,639

so um

2799

01:45:52,070 --> 01:45:50,719

uh no it hasn't but that's one of the

2800

01:45:53,990 --> 01:45:52,080

bellwethers people are using for

2801

01:45:55,910 --> 01:45:54,000

inflation is like well how is

2802

01:45:58,310 --> 01:45:55,920

costco able to maintain its hotdog and

2803

01:46:01,510 --> 01:45:58,320

soda.50 and the other one is um uh

2804

01:46:03,350 --> 01:46:01,520

arizona iced tea is still 99 cents yeah

2805

01:46:05,270 --> 01:46:03,360

okay

2806

01:46:06,629 --> 01:46:05,280

that means that is a really good what

2807

01:46:08,629 --> 01:46:06,639

are you sending oh you're okay nevermind

2808

01:46:12,149 --> 01:46:08,639

so many gifts sorry go ahead

2809

01:46:13,990 --> 01:46:12,159

uh i mean that is a that is a good gauge

2810

01:46:15,669 --> 01:46:14,000

for how the economy is doing maybe how

2811

01:46:17,350 --> 01:46:15,679

people respond to it

2812

01:46:18,870 --> 01:46:17,360

um so if they're able to keep their

2813

01:46:21,830 --> 01:46:18,880

costs low

2814

01:46:23,270 --> 01:46:21,840

but it sounds like they're subsidizing

2815

01:46:25,030 --> 01:46:23,280

and they might

2816

01:46:27,030 --> 01:46:25,040

they might artificially keep these

2817

01:46:28,550 --> 01:46:27,040

prices low just to get people through

2818

01:46:29,910 --> 01:46:28,560

the doors

2819

01:46:31,590 --> 01:46:29,920

and so that's not a real good measure of

2820

01:46:33,189 --> 01:46:31,600

inflation

2821

01:46:35,750 --> 01:46:33,199

uh no it's very much a loss leader to

2822

01:46:37,910 --> 01:46:35,760

get people in the doors yeah um but i

2823

01:46:40,310 --> 01:46:37,920

think we should have uh the next time

2824

01:46:41,510 --> 01:46:40,320

that um whatever jamok from the bite

2825

01:46:43,109 --> 01:46:41,520

administration comes out to tell us that

2826

01:46:44,790 --> 01:46:43,119

inflation isn't as bad as we all see it

2827

01:46:47,910 --> 01:46:44,800

actually is they should be eating a

2828

01:46:49,430 --> 01:46:47,920

costco hot dog i agree all right i would

2829

01:46:50,390 --> 01:46:49,440

love that

2830

01:46:52,790 --> 01:46:50,400

and

2831

01:46:55,030 --> 01:46:52,800

soon you'll see costco uh offering up uh

2832

01:46:58,790 --> 01:46:55,040

bug hot dogs like hey it's a hot dog

2833

01:47:00,870 --> 01:46:58,800

meat dog bugs it's a bug dog

2834

01:47:02,149 --> 01:47:00,880

hot bugs

2835

01:47:04,229 --> 01:47:02,159

hot bucks

2836

01:47:07,030 --> 01:47:04,239

oh i love hot stuff with some gray

2837

01:47:09,510 --> 01:47:07,040

poupon ice cream on top of it i love hot

2838

01:47:11,189 --> 01:47:09,520

dogs and hot bugs

2839

01:47:13,590 --> 01:47:11,199

it's crazy i mean

2840

01:47:15,750 --> 01:47:13,600

good story i'd like it

2841

01:47:17,430 --> 01:47:15,760

but i'd be curious i i have never

2842

01:47:18,950 --> 01:47:17,440

shopped at costco so i don't know what

2843

01:47:20,390 --> 01:47:18,960

the experience is there

2844

01:47:22,629 --> 01:47:20,400

we should go

2845

01:47:24,310 --> 01:47:22,639

like within 15 minutes of use somewhere

2846

01:47:25,990 --> 01:47:24,320

don't you need a membership to get in

2847

01:47:29,189 --> 01:47:26,000

there

2848

01:47:30,470 --> 01:47:29,199

uh not to get not to buy the hot dogs

2849

01:47:32,149 --> 01:47:30,480

i don't know well i'm gonna go in there

2850

01:47:33,910 --> 01:47:32,159

i'm gonna get horrifically drunk i'm

2851

01:47:37,030 --> 01:47:33,920

gonna go to the bathroom

2852

01:47:39,510 --> 01:47:37,040

and start a fight block the door

2853

01:47:41,430 --> 01:47:39,520

don't let people in

2854

01:47:43,910 --> 01:47:41,440

and uh get the [h__\h] kicked out of me

2855

01:47:45,510 --> 01:47:43,920

once again now that i'm i'm turning 45

2856

01:47:48,229 --> 01:47:45,520

here in a few months

2857

01:47:52,790 --> 01:47:50,310

uh says there is a costco right across

2858

01:47:55,350 --> 01:47:52,800

the street from the fashion place mall

2859

01:47:57,030 --> 01:47:55,360

oh fantastic i'll be there

2860

01:47:59,510 --> 01:47:57,040

maybe we'll go there before the movie

2861

01:48:01,109 --> 01:47:59,520

who knows

2862

01:48:03,430 --> 01:48:01,119

that's probably near the movie theater

2863

01:48:06,070 --> 01:48:03,440

let's drive 50 minutes so i can get into

2864

01:48:07,350 --> 01:48:06,080

a fight before the movie

2865

01:48:09,510 --> 01:48:07,360

really enjoyed that movie sitting there

2866

01:48:11,030 --> 01:48:09,520

with a ice bag on your head

2867

01:48:12,870 --> 01:48:11,040

your dollar fifty

2868

01:48:14,790 --> 01:48:12,880

a pounding headache and cracked ribs

2869

01:48:18,229 --> 01:48:14,800

while i try to enjoy this new jordan

2870

01:48:20,470 --> 01:48:19,270

remember don't go to sleep with a

2871

01:48:22,229 --> 01:48:20,480

concussion

2872

01:48:24,070 --> 01:48:22,239

that's the that's the the fun fact for

2873

01:48:25,750 --> 01:48:24,080

this episode people

2874

01:48:27,830 --> 01:48:25,760

why don't your gifts play oh there they

2875

01:48:30,709 --> 01:48:27,840

go crunchy yeah

2876

01:48:33,270 --> 01:48:30,719

because the gifts are activated when the

2877

01:48:35,350 --> 01:48:33,280

window is active and since gretchen runs

2878

01:48:37,669 --> 01:48:35,360

all those gifts for discord if i click

2879

01:48:40,870 --> 01:48:37,679

on a story which is in the browser it

2880

01:48:43,189 --> 01:48:40,880

deactivates the gif in discord

2881

01:48:45,669 --> 01:48:43,199

now if i can figure out a way to have

2882

01:48:46,950 --> 01:48:45,679

the gif running like always be active i

2883

01:48:49,189 --> 01:48:46,960

don't know how to do that yet i'd have

2884

01:48:51,590 --> 01:48:49,199

to come up with a new browser window

2885

01:48:52,629 --> 01:48:51,600

that's always active

2886

01:48:55,460 --> 01:48:52,639

i don't know how to do that it sounds

2887

01:48:57,990 --> 01:48:56,629

[Music]

2888

01:49:00,870 --> 01:48:58,000

well thank you everyone for hanging out

2889

01:49:02,390 --> 01:49:00,880

during the live show go to obdmpod.com

2890

01:49:04,229 --> 01:49:02,400

uh if you want to support show or if you

2891

01:49:06,229 --> 01:49:04,239

want links to all the ways you can

2892

01:49:07,750 --> 01:49:06,239

listen to us download the podcast tell a

2893

01:49:10,149 --> 01:49:07,760

friend because

2894

01:49:12,070 --> 01:49:10,159

we are not being recommended by

2895

01:49:14,390 --> 01:49:12,080

any service we're not being recommended

2896

01:49:16,629 --> 01:49:14,400

by itunes youtube

2897

01:49:18,550 --> 01:49:16,639

twitch the only way the show grows is

2898

01:49:21,589 --> 01:49:18,560

through word of mouth

2899

01:49:23,589 --> 01:49:21,599

and don't just think about your friends

2900

01:49:25,589 --> 01:49:23,599

punch somebody in the back of the head

2901

01:49:26,629 --> 01:49:25,599

and tell your enemies

2902

01:49:28,790 --> 01:49:26,639

yeah

2903

01:49:30,709 --> 01:49:28,800

i suggested you you instigate the

2904

01:49:32,870 --> 01:49:30,719

violence and yet then yell our bigger

2905

01:49:35,910 --> 01:49:32,880

mouth and run away

2906

01:49:38,470 --> 01:49:35,920

it could hey it's a gorilla marketing

2907

01:49:45,350 --> 01:49:42,629

hey yo say hey yo like tim fool says

2908

01:49:50,390 --> 01:49:45,360

farting audibly

2909

01:49:52,390 --> 01:49:50,400

sandwich away

2910

01:49:55,030 --> 01:49:52,400

and for anybody in the uh the kecksburg

2911

01:49:58,390 --> 01:49:55,040

area the the this

2912

01:50:00,229 --> 01:49:58,400

the keksburg ufo festival has uh resumed

2913

01:50:02,070 --> 01:50:00,239

after two years and i think it's it's

2914

01:50:05,430 --> 01:50:02,080

happening today and tomorrow so you can

2915

01:50:07,510 --> 01:50:05,440

check out the keksburg ufo festival

2916

01:50:10,550 --> 01:50:07,520

so head on down there people that's the

2917

01:50:12,709 --> 01:50:10,560

whole big ufo incident where an acorn

2918

01:50:15,990 --> 01:50:12,719

shaped ufo crashed and the military

2919

01:50:19,830 --> 01:50:18,310

they showed up in a giant

2920

01:50:22,950 --> 01:50:19,840

squirrel

2921

01:50:25,270 --> 01:50:22,960

robot one one big rickshaw and they all

2922

01:50:28,870 --> 01:50:25,280

filed out the back of it

2923

01:50:31,070 --> 01:50:30,310

does the military have rickshaws i'm

2924

01:50:32,709 --> 01:50:31,080

sure they do

2925

01:50:35,030 --> 01:50:32,719

[Music]

2926

01:50:36,950 --> 01:50:35,040

i want a robot dog sled yeah that'd be

2927

01:50:41,830 --> 01:50:36,960

cool too

2928

01:50:47,510 --> 01:50:44,950

well we'll be back on wednesday people

2929

01:50:51,189 --> 01:50:47,520

thank you everyone shab lagoon thank you

2930

01:50:54,310 --> 01:50:53,030

keep watching the skis for dollar fifty

2931

01:50:57,030 --> 01:50:54,320

hot dogs

2932

01:51:00,390 --> 01:50:57,040

i hate this place nothing brought to you

2933

01:51:01,669 --> 01:51:00,400

by pfizer brought to you by

2934

01:51:09,830 --> 01:51:01,679

harry potter

2935

01:51:15,350 --> 01:51:13,030

for seven years i hate this place

2936

01:51:16,950 --> 01:51:15,360

nothing works here shut up wesley come

2937

01:51:19,270 --> 01:51:16,960

here

2938

01:51:21,270 --> 01:51:19,280

i hate this place one seven three four

2939

01:51:23,030 --> 01:51:21,280

six seven three two one four seven six

2940

01:51:24,870 --> 01:51:23,040

charlie three two seven eight nine seven

2941

01:51:26,470 --> 01:51:24,880

seven seven six four three tango seven

2942

01:51:28,310 --> 01:51:26,480

three two victor seven three one one

2943

01:51:29,750 --> 01:51:28,320

seven eight eight eight seven three two

2944

01:51:40,020 --> 01:51:29,760

four seven six seven eight nine seven

2945

01:51:43,669 --> 01:51:41,589

[Applause]

2946

01:51:46,629 --> 01:51:43,679

that's about all jabla

2947

01:51:48,950 --> 01:51:46,639

till next time take care of yourself and

2948

01:51:50,660 --> 01:51:48,960

each other sit ubu sit

2949

01:51:55,110 --> 01:51:50,670

good dog
