

INSANE THEORIES!!!

1
00:00:00,270 --> 00:00:06,710
[Applause]

2
00:00:11,190 --> 00:00:09,830
10 most insane conspiracy theories about

3
00:00:13,350 --> 00:00:11,200
the world

4
00:00:15,270 --> 00:00:13,360
uh we live in

5
00:00:17,590 --> 00:00:15,280
what what number on that list is the

6
00:00:18,470 --> 00:00:17,600
stuffing controversy uh

7
00:00:21,189 --> 00:00:18,480
that

8
00:00:25,029 --> 00:00:21,199
it's bigger than january 6th and 9 11

9
00:00:26,630 --> 00:00:25,039
and pearl harbor 9 11 times pearl harbor

10
00:00:28,310 --> 00:00:26,640
i'm with you on that i'd like a

11
00:00:29,990 --> 00:00:28,320
congressional committee to investigate

12
00:00:32,950 --> 00:00:30,000
stuffing

13
00:00:35,030 --> 00:00:32,960

yeah this craft owner

14

00:00:37,590 --> 00:00:35,040

well trump would show for that one yeah

15

00:00:39,350 --> 00:00:37,600

he loves this stuff

16

00:00:41,990 --> 00:00:39,360

uh so let's go over some of this stuff

17

00:00:43,750 --> 00:00:42,000

this is the the 10 most insane

18

00:00:45,350 --> 00:00:43,760

conspiracy theories about the world we

19

00:00:46,709 --> 00:00:45,360

live in and i'm i'm guessing i'm just

20

00:00:47,510 --> 00:00:46,719

gonna i haven't really read through the

21

00:00:49,270 --> 00:00:47,520

list

22

00:00:50,950 --> 00:00:49,280

but i'm gonna guess i believe in

23

00:00:52,950 --> 00:00:50,960

probably four

24

00:00:54,150 --> 00:00:52,960

or two of these two or four

25

00:00:56,790 --> 00:00:54,160

we'll see

26

00:00:59,670 --> 00:00:56,800

um 5.6 of them

27

00:01:02,389 --> 00:00:59,680

so a number 10 is titled the end of the

28

00:01:04,630 --> 00:01:02,399

world as we know it

29

00:01:05,910 --> 00:01:04,640

so these are just the insane conspiracy

30

00:01:07,990 --> 00:01:05,920

theories that people believe about this

31

00:01:10,310 --> 00:01:08,000

world so if you're still waiting for the

32

00:01:12,710 --> 00:01:10,320

infamous doomsday give it up apparently

33

00:01:13,830 --> 00:01:12,720

the world has already ended and we all

34

00:01:16,149 --> 00:01:13,840

missed it

35

00:01:19,030 --> 00:01:16,159

uh yet the ancient mind prophecy is said

36

00:01:22,070 --> 00:01:19,040

to have been fulfilled in 2012

37

00:01:24,789 --> 00:01:22,080

as this theory was given an extra boost

38

00:01:27,590 --> 00:01:24,799

by a twitter name a twitter user named

39

00:01:30,390 --> 00:01:27,600

nick hilton he believes that nothing has

40

00:01:32,469 --> 00:01:30,400

felt right since 2012.

41

00:01:35,190 --> 00:01:32,479

also it was the year that cern

42

00:01:37,510 --> 00:01:35,200

found the higgs bos boson particle

43

00:01:39,590 --> 00:01:37,520

predicted by stephen hawkins uh to have

44

00:01:41,510 --> 00:01:39,600

the power to destroy the universe seems

45

00:01:43,749 --> 00:01:41,520

that cern blew up the universe and now

46

00:01:46,069 --> 00:01:43,759

we're living in a series of simulations

47

00:01:49,270 --> 00:01:46,079

because our collective consciousness

48

00:01:51,830 --> 00:01:49,280

was moved into a parallel universe

49

00:01:55,270 --> 00:01:51,840

oh remember the the old mandela effect

50

00:01:58,630 --> 00:01:55,280

that supposedly is remnants of in

51
00:02:01,270 --> 00:01:58,640
memories from our old life on real earth

52
00:02:03,270 --> 00:02:01,280
so uh this is a theory that

53
00:02:06,550 --> 00:02:03,280
i think was really popularized on the

54
00:02:08,229 --> 00:02:06,560
higher side chance podcast and

55
00:02:11,270 --> 00:02:08,239
the guy there basically said uh once

56
00:02:14,390 --> 00:02:11,280
cern fired up boom something happened

57
00:02:16,309 --> 00:02:14,400
and life has really never been the same

58
00:02:18,630 --> 00:02:16,319
and i guess you can see what you will

59
00:02:21,750 --> 00:02:18,640
but since 2012 things have been uh

60
00:02:23,990 --> 00:02:21,760
getting more and more crazy and more and

61
00:02:25,190 --> 00:02:24,000
more mandela effects have been

62
00:02:26,949 --> 00:02:25,200
uh

63
00:02:28,309 --> 00:02:26,959

popularized i suppose even the most

64

00:02:30,390 --> 00:02:28,319

recent one which i wasn't really

65

00:02:32,550 --> 00:02:30,400

familiar with but joe uh stouffer's

66

00:02:35,750 --> 00:02:32,560

stove top stuffing and then britney

67

00:02:37,670 --> 00:02:35,760

spears recently at the end of july of

68

00:02:39,509 --> 00:02:37,680

2022.

69

00:02:41,750 --> 00:02:39,519

he said is it that that is it that

70

00:02:44,550 --> 00:02:41,760

insane to consider that we're living in

71

00:02:47,589 --> 00:02:44,560

a simulation i'm i am on board i'm

72

00:02:48,790 --> 00:02:47,599

computer boy at this point

73

00:02:51,110 --> 00:02:48,800

okay

74

00:02:54,390 --> 00:02:51,120

not that insane number nine

75

00:02:56,390 --> 00:02:54,400

is the horror of the denver

76

00:02:59,350 --> 00:02:56,400

airport not the [h__h]

77

00:03:01,990 --> 00:02:59,360

the horror the [h__h] not the [h__h] of

78

00:03:04,070 --> 00:03:02,000

the denver airport the horror

79

00:03:07,190 --> 00:03:04,080

uh and uh so this is all about the

80

00:03:09,670 --> 00:03:07,200

denver airport conspiracy uh airports

81

00:03:11,589 --> 00:03:09,680

are fairly boring places it's just a

82

00:03:13,830 --> 00:03:11,599

pause between different destinations and

83

00:03:16,390 --> 00:03:13,840

most people hate being stuck there

84

00:03:17,990 --> 00:03:16,400

longer than absolutely necessary however

85

00:03:20,309 --> 00:03:18,000

if you happen to find yourself at the

86

00:03:22,309 --> 00:03:20,319

denver international airport you might

87

00:03:24,789 --> 00:03:22,319

discover more than enough to keep you

88

00:03:27,030 --> 00:03:24,799

occupied until your flight number is

89

00:03:28,789 --> 00:03:27,040

called rumor has it that this huge

90

00:03:31,270 --> 00:03:28,799

airport is the headquarters of the

91

00:03:33,190 --> 00:03:31,280

illuminati and that it doubles as a

92

00:03:35,509 --> 00:03:33,200

ready to use concentration camp for

93

00:03:37,270 --> 00:03:35,519

americans that'll be forced to live it

94

00:03:40,149 --> 00:03:37,280

that they'll be forced to live in once

95

00:03:42,470 --> 00:03:40,159

the new world order takes over

96

00:03:44,630 --> 00:03:42,480

as uh you're heading aboard uh as you're

97

00:03:46,470 --> 00:03:44,640

heading to bor to the boarding line

98

00:03:50,070 --> 00:03:46,480

you'll get a hell

99

00:03:52,390 --> 00:03:50,080

airport don't forget to keep your eye

100

00:03:54,390 --> 00:03:52,400

out for the proof that this place is

101
00:03:57,270 --> 00:03:54,400
being used for evil purposes this

102
00:04:00,789 --> 00:03:57,280
includes a huge uh masonic slab

103
00:04:03,589 --> 00:04:00,799
supporting the award the words new world

104
00:04:05,670 --> 00:04:03,599
airport commission and eerie murals

105
00:04:07,350 --> 00:04:05,680
featuring soldiers wearing gas masks

106
00:04:10,789 --> 00:04:07,360
which is true i've seen them

107
00:04:13,110 --> 00:04:10,799
as uh as your plane finally sets off or

108
00:04:15,350 --> 00:04:13,120
any place but there you might just see

109
00:04:19,030 --> 00:04:15,360
the red eyes of

110
00:04:21,590 --> 00:04:19,040
lucifer blinking ominously at you from

111
00:04:24,150 --> 00:04:21,600
this spot outside the building so it

112
00:04:25,909 --> 00:04:24,160
there's a lot of interesting weird

113
00:04:28,310 --> 00:04:25,919

artistic choices within the denver

114

00:04:30,790 --> 00:04:28,320

airport joe have you ever been to the

115

00:04:33,030 --> 00:04:30,800

denver airport no but it feels like a

116

00:04:35,749 --> 00:04:33,040

tourist attraction in and of itself it

117

00:04:37,909 --> 00:04:35,759

is bizarre because those murals are

118

00:04:40,950 --> 00:04:37,919

they're big and the ones that they just

119

00:04:44,070 --> 00:04:40,960

referenced here it is it they have a a

120

00:04:46,790 --> 00:04:44,080

giant like caricature of a soldier

121

00:04:48,629 --> 00:04:46,800

wearing a gas mask holding an ak-47

122

00:04:50,150 --> 00:04:48,639

pointing it at

123

00:04:52,710 --> 00:04:50,160

the the masses

124

00:04:54,950 --> 00:04:52,720

uh like almost like herding them into

125

00:04:58,310 --> 00:04:54,960

some place there are weird structures

126

00:05:00,469 --> 00:04:58,320

over the uh the escalators um in their

127

00:05:01,350 --> 00:05:00,479

in weird geometric forms

128

00:05:03,590 --> 00:05:01,360

uh

129

00:05:05,830 --> 00:05:03,600

it's just there's like a lot of weird

130

00:05:07,029 --> 00:05:05,840

symbolism throughout the entire uh

131

00:05:08,950 --> 00:05:07,039

complex

132

00:05:10,550 --> 00:05:08,960

now they said in this one and i never

133

00:05:13,110 --> 00:05:10,560

heard that that it's going to be used as

134

00:05:15,029 --> 00:05:13,120

a concentration camp for

135

00:05:16,950 --> 00:05:15,039

uh i guess the all the baddies out there

136

00:05:19,590 --> 00:05:16,960

that the new world order hates i've

137

00:05:22,629 --> 00:05:19,600

always heard that the the denver

138

00:05:24,390 --> 00:05:22,639

colorado is like the second capital of

139

00:05:25,749 --> 00:05:24,400

the united states

140

00:05:27,830 --> 00:05:25,759

location there's a bunker under the

141

00:05:30,230 --> 00:05:27,840

airport well crystal mountain is uh for

142

00:05:33,029 --> 00:05:30,240

norad is just south of denver in

143

00:05:34,790 --> 00:05:33,039

colorado outside of colorado springs

144

00:05:36,629 --> 00:05:34,800

yeah so i mean

145

00:05:38,469 --> 00:05:36,639

maybe some of the

146

00:05:41,430 --> 00:05:38,479

more outlandish things can be thrown

147

00:05:44,390 --> 00:05:41,440

away but there is strategic significance

148

00:05:45,909 --> 00:05:44,400

to denver and it's uh all the military

149

00:05:47,830 --> 00:05:45,919

installations around it

150

00:05:50,070 --> 00:05:47,840

it's a weird place like if you if you

151
00:05:51,670 --> 00:05:50,080
have time and you're at the denver

152
00:05:53,510 --> 00:05:51,680
airport hanging out check out some of

153
00:05:55,270 --> 00:05:53,520
the weird stuff although i have heard

154
00:05:56,870 --> 00:05:55,280
they have changed out some of the

155
00:05:58,550 --> 00:05:56,880
artwork

156
00:06:01,110 --> 00:05:58,560
uh two other things related to this so

157
00:06:02,710 --> 00:06:01,120
they do lean into it so um they

158
00:06:04,150 --> 00:06:02,720
recognize the kind of the memes about

159
00:06:05,110 --> 00:06:04,160
them and when they

160
00:06:06,710 --> 00:06:05,120
you know when airports are doing

161
00:06:07,749 --> 00:06:06,720
construction and they block off stuff

162
00:06:09,990 --> 00:06:07,759
and they just put up those like coming

163
00:06:12,950 --> 00:06:10,000

soon another mcdonald's or something

164

00:06:14,230 --> 00:06:12,960

um denver leans into it with some uh

165

00:06:17,510 --> 00:06:14,240

kind of tongue-in-cheek references to

166

00:06:19,430 --> 00:06:17,520

illuminati or lizard people or aliens um

167

00:06:21,830 --> 00:06:19,440

you can search for these look for uh

168

00:06:23,990 --> 00:06:21,840

i'll put a couple up but denver airport

169

00:06:25,909 --> 00:06:24,000

um construction signs and things also

170

00:06:27,670 --> 00:06:25,919

here's here's the fun part go to google

171

00:06:29,670 --> 00:06:27,680

maps look at the denver airport the

172

00:06:32,790 --> 00:06:29,680

runways are in the shape of a swastika

173

00:06:36,550 --> 00:06:34,790

that's fantastic

174

00:06:38,390 --> 00:06:36,560

i just want to know like when the new

175

00:06:40,150 --> 00:06:38,400

world order is like it's official you

176
00:06:42,629 --> 00:06:40,160
know like they're out they got their own

177
00:06:44,070 --> 00:06:42,639
t-shirts people are on board

178
00:06:46,309 --> 00:06:44,080
are they going to still keep the same

179
00:06:49,589 --> 00:06:46,319
fast food joints like mcdonald's

180
00:06:51,189 --> 00:06:49,599
uh illuminati run officially illuminati

181
00:06:52,790 --> 00:06:51,199
around mcdonald's and wendy's and things

182
00:06:55,189 --> 00:06:52,800
like that are we gonna have

183
00:06:57,029 --> 00:06:55,199
access to those kind of things or maybe

184
00:06:58,950 --> 00:06:57,039
it's just fast food bugs no it'll be

185
00:07:00,710 --> 00:06:58,960
fast footage yeah just bugs though okay

186
00:07:03,430 --> 00:07:00,720
the bug mac

187
00:07:05,510 --> 00:07:03,440
uh number eight here on the insane

188
00:07:06,790 --> 00:07:05,520

conspiracies about this world which i'm

189

00:07:08,390 --> 00:07:06,800

i don't even think they're insane at

190

00:07:11,670 --> 00:07:08,400

this point they're just theories

191

00:07:14,150 --> 00:07:11,680

uh number eight is sarah spencer

192

00:07:16,390 --> 00:07:14,160

uh by now it's clear that the british

193

00:07:18,070 --> 00:07:16,400

monarchy is made up of illuminati

194

00:07:19,749 --> 00:07:18,080

members reptilians vampires secret

195

00:07:21,270 --> 00:07:19,759

agents and descendants of jack the

196

00:07:23,350 --> 00:07:21,280

ripper after all

197

00:07:25,270 --> 00:07:23,360

it must be the queen's reptilian blood

198

00:07:28,629 --> 00:07:25,280

that has kept her up

199

00:07:30,790 --> 00:07:28,639

and added for so many years

200

00:07:32,790 --> 00:07:30,800

one of the most famous royal members who

201
00:07:35,350 --> 00:07:32,800
also has a host of conspiracy theories

202
00:07:37,510 --> 00:07:35,360
surrounding her life and death is diana

203
00:07:39,990 --> 00:07:37,520
france uh francis

204
00:07:41,830 --> 00:07:40,000
i guess diana francis spencer

205
00:07:43,029 --> 00:07:41,840
officially known as the people's

206
00:07:46,230 --> 00:07:43,039
princess

207
00:07:47,029 --> 00:07:46,240
versus diana uh one of the more rock was

208
00:07:50,550 --> 00:07:47,039
that

209
00:07:53,589 --> 00:07:50,560
the the people's princess no he's the

210
00:07:55,350 --> 00:07:53,599
he's the people's champ oh wrong

211
00:07:57,029 --> 00:07:55,360
misunderstood

212
00:07:59,029 --> 00:07:57,039
uh one of the more returned 10 000

213
00:08:01,029 --> 00:07:59,039

shirts

214

00:08:02,230 --> 00:08:01,039

you just donate them to africa

215

00:08:03,670 --> 00:08:02,240

that's what that's what you do with all

216

00:08:06,790 --> 00:08:03,680

the merchandise you can't stop all the

217

00:08:09,029 --> 00:08:06,800

nba champs who didn't win yeah

218

00:08:10,309 --> 00:08:09,039

uh one of the more persistent rumors is

219

00:08:12,629 --> 00:08:10,319

that

220

00:08:14,469 --> 00:08:12,639

prince charles and diana secretly had a

221

00:08:16,790 --> 00:08:14,479

daughter named sarah apparently the

222

00:08:18,710 --> 00:08:16,800

queen demanded that diana undergo

223

00:08:20,869 --> 00:08:18,720

medical tests to confirm that she could

224

00:08:23,589 --> 00:08:20,879

bear children before the announcement of

225

00:08:24,629 --> 00:08:23,599

diana and charles in in before their

226

00:08:27,909 --> 00:08:24,639

engagement

227

00:08:30,309 --> 00:08:27,919

would go ahead uh diana's eggs were then

228

00:08:31,270 --> 00:08:30,319

harvested in fertilized with charles

229

00:08:32,790 --> 00:08:31,280

sperm

230

00:08:33,990 --> 00:08:32,800

i always figured that this is how it is

231

00:08:35,509 --> 00:08:34,000

how it worked

232

00:08:38,790 --> 00:08:35,519

like they didn't actually have sex they

233

00:08:40,949 --> 00:08:38,800

just did it in a very sterile way

234

00:08:43,269 --> 00:08:40,959

uh and they wouldn't interact with each

235

00:08:45,269 --> 00:08:43,279

other sexually or personally yeah like

236

00:08:48,470 --> 00:08:45,279

michael jackson yeah yeah something like

237

00:08:50,790 --> 00:08:48,480

that in the same county uh after the uh

238

00:08:52,870 --> 00:08:50,800

the test came back positive the embryos

239

00:08:55,590 --> 00:08:52,880

were to be destroyed except that the

240

00:08:58,870 --> 00:08:55,600

doctors didn't get the memo instead he

241

00:09:01,990 --> 00:08:58,880

planted them into his wife making her

242

00:09:03,509 --> 00:09:02,000

the inadvertent surrogate to the royal

243

00:09:06,310 --> 00:09:03,519

couple

244

00:09:08,790 --> 00:09:06,320

so so they stole

245

00:09:11,829 --> 00:09:08,800

royal bloodline dna

246

00:09:14,310 --> 00:09:11,839

and had it grow in the womb of a

247

00:09:15,829 --> 00:09:14,320

non-royal i mean the the reptilians

248

00:09:16,949 --> 00:09:15,839

would be going crazy over this kind of

249

00:09:18,710 --> 00:09:16,959

stuff

250

00:09:20,230 --> 00:09:18,720

i'm sure they were

251

00:09:22,550 --> 00:09:20,240

uh

252

00:09:24,470 --> 00:09:22,560

there there have been further claims

253

00:09:27,430 --> 00:09:24,480

that the baby was born eight months

254

00:09:29,670 --> 00:09:27,440

before prince williams the would be

255

00:09:31,990 --> 00:09:29,680

successor to the throne now the

256

00:09:34,710 --> 00:09:32,000

conspiracy even says that the duchess of

257

00:09:37,750 --> 00:09:34,720

cambridge kate middleton has met with

258

00:09:40,949 --> 00:09:37,760

sarah spencer and that the women is a

259

00:09:42,630 --> 00:09:40,959

dead ringer for the late princess diana

260

00:09:44,790 --> 00:09:42,640

okay um

261

00:09:47,670 --> 00:09:44,800

i'm on board there's enough goofy stuff

262

00:09:49,110 --> 00:09:47,680

that goes around the the royals i mean

263

00:09:50,470 --> 00:09:49,120

this seems like the

264

00:09:53,509 --> 00:09:50,480

like the least goofy

265

00:09:54,949 --> 00:09:53,519

this seems like it would happen

266

00:09:57,190 --> 00:09:54,959

by all accounts like

267

00:09:58,710 --> 00:09:57,200

i've never heard this conspiracy nearby

268

00:10:01,590 --> 00:09:58,720

i've never heard it either

269

00:10:05,030 --> 00:10:01,600

but i have watched tv shows and i've

270

00:10:08,710 --> 00:10:05,040

watched some tv shows on uh the the

271

00:10:10,470 --> 00:10:08,720

royal family and by all accounts

272

00:10:12,470 --> 00:10:10,480

when i watched on tv

273

00:10:15,670 --> 00:10:12,480

it doesn't seem like charles and

274

00:10:18,630 --> 00:10:15,680

princess die had the best relationship

275

00:10:19,509 --> 00:10:18,640

it was uh it started off great but fell

276

00:10:21,030 --> 00:10:19,519

apart

277

00:10:23,350 --> 00:10:21,040

you know within weeks because charles

278

00:10:25,750 --> 00:10:23,360

was secretly in love with somebody else

279

00:10:28,069 --> 00:10:25,760

and uh it was just

280

00:10:30,310 --> 00:10:28,079

princess diane was just a prisoner

281

00:10:32,470 --> 00:10:30,320

at that point and i could see this all

282

00:10:35,030 --> 00:10:32,480

happening they're pretty scummy people

283

00:10:36,470 --> 00:10:35,040

in my opinion

284

00:10:38,310 --> 00:10:36,480

uh number seven

285

00:10:40,310 --> 00:10:38,320

last thursday you say

286

00:10:42,550 --> 00:10:40,320

most people believe that earth has

287

00:10:44,069 --> 00:10:42,560

either been around for billions of years

288

00:10:45,430 --> 00:10:44,079

or that it was created six thousand

289

00:10:47,190 --> 00:10:45,440

years ago depending on your beliefs

290

00:10:48,790 --> 00:10:47,200

however did you know that there are

291

00:10:51,110 --> 00:10:48,800

people who believe that the world was

292

00:10:53,190 --> 00:10:51,120

created last thursday

293

00:10:55,110 --> 00:10:53,200

i never heard that one that's right how

294

00:10:56,630 --> 00:10:55,120

did i get all these dirty clothes

295

00:10:59,110 --> 00:10:56,640

i i didn't

296

00:11:02,310 --> 00:10:59,120

i don't know according to this bonkers

297

00:11:04,310 --> 00:11:02,320

theory which is also a counter to the

298

00:11:07,110 --> 00:11:04,320

creationism theory

299

00:11:09,509 --> 00:11:07,120

uh says that earth earth was created

300

00:11:12,310 --> 00:11:09,519

last thursday but with the appearance

301
00:11:15,190 --> 00:11:12,320
appearance of being billions of years

302
00:11:16,870 --> 00:11:15,200
old that's some good news on that front

303
00:11:18,790 --> 00:11:16,880
uh this means that

304
00:11:20,550 --> 00:11:18,800
anything ancient including fossils

305
00:11:22,870 --> 00:11:20,560
buildings mountains was created last

306
00:11:25,110 --> 00:11:22,880
thursday but in a state that makes it

307
00:11:26,790 --> 00:11:25,120
appear older than it actually is so it

308
00:11:28,389 --> 00:11:26,800
this kind of seems like the simulation

309
00:11:30,389 --> 00:11:28,399
theory

310
00:11:32,790 --> 00:11:30,399
what was i doing last thursday

311
00:11:34,630 --> 00:11:32,800
i don't know joe i mean joe was flying

312
00:11:35,990 --> 00:11:34,640
uh he was in charlotte last thursday he

313
00:11:38,389 --> 00:11:36,000

flew in

314

00:11:39,990 --> 00:11:38,399

i don't remember that

315

00:11:41,350 --> 00:11:40,000

like i don't think it happened it may

316

00:11:43,430 --> 00:11:41,360

not be just joe just thinks he was

317

00:11:44,710 --> 00:11:43,440

flying in yeah

318

00:11:45,829 --> 00:11:44,720

he was actually created right there in

319

00:11:47,509 --> 00:11:45,839

your basement

320

00:11:49,350 --> 00:11:47,519

does it fly on thursday

321

00:11:51,030 --> 00:11:49,360

no wait you flew on friday morning was

322

00:11:52,230 --> 00:11:51,040

it friday friday yeah you got here on

323

00:11:53,910 --> 00:11:52,240

friday

324

00:11:57,509 --> 00:11:53,920

we had uh

325

00:11:59,750 --> 00:11:57,519

filet mignon and liver and liver it was

326

00:12:03,030 --> 00:11:59,760

awesome how dare you

327

00:12:04,470 --> 00:12:03,040

sorry didn't have any bugs

328

00:12:05,430 --> 00:12:04,480

not going to cook bugs

329

00:12:06,710 --> 00:12:05,440

we

330

00:12:08,389 --> 00:12:06,720

got a farm right around the corner not

331

00:12:11,829 --> 00:12:08,399

going to eat that [h__h]

332

00:12:15,590 --> 00:12:11,839

uh number six there is no such thing as

333

00:12:17,030 --> 00:12:15,600

the roman empire that's good news oh yes

334

00:12:19,030 --> 00:12:17,040

i've heard this one before this kind of

335

00:12:21,829 --> 00:12:19,040

also falls in line with this simulation

336

00:12:23,030 --> 00:12:21,839

theory but uh the roman empire started

337

00:12:24,629 --> 00:12:23,040

off as

338

00:12:25,750 --> 00:12:24,639

a small town

339

00:12:28,310 --> 00:12:25,760

on the

340

00:12:30,949 --> 00:12:28,320

tiber river in italy and grew into an

341

00:12:31,990 --> 00:12:30,959

empire that left in indelible impression

342

00:12:34,470 --> 00:12:32,000

on earth

343

00:12:36,870 --> 00:12:34,480

as we know it today however if a tick

344

00:12:39,670 --> 00:12:36,880

tock conspiracy theory is to build is to

345

00:12:41,350 --> 00:12:39,680

be believed the roman empire never

346

00:12:43,430 --> 00:12:41,360

existed

347

00:12:47,910 --> 00:12:43,440

uh this tick tock user has decided that

348

00:12:50,150 --> 00:12:47,920

there is no proof that uh hayden's wall

349

00:12:52,629 --> 00:12:50,160

is of roman construction that roman

350

00:12:55,590 --> 00:12:52,639

archaeologist archaeological sites are

351
00:12:58,150 --> 00:12:55,600
simply misinterpreted and that the idea

352
00:13:01,430 --> 00:12:58,160
of the roman empire was a hoax

353
00:13:03,829 --> 00:13:01,440
perpetrated by the spanish inquisition

354
00:13:07,190 --> 00:13:03,839
furthermore she also claims that

355
00:13:08,470 --> 00:13:07,200
there is no one true roman document in

356
00:13:11,910 --> 00:13:08,480
existence

357
00:13:13,750 --> 00:13:11,920
uh one claim is one claim in particular

358
00:13:15,670 --> 00:13:13,760
really got under skin of academics and

359
00:13:17,750 --> 00:13:15,680
historians namely

360
00:13:19,750 --> 00:13:17,760
uh the one where she

361
00:13:23,590 --> 00:13:19,760
casually compared to what she calls the

362
00:13:25,590 --> 00:13:23,600
so-called roman empire to the disney

363
00:13:27,750 --> 00:13:25,600

empire

364

00:13:29,190 --> 00:13:27,760

what will historians say about this

365

00:13:31,030 --> 00:13:29,200

moment

366

00:13:32,710 --> 00:13:31,040

they'll say you're fired potato head

367

00:13:37,670 --> 00:13:32,720

yeah

368

00:13:39,990 --> 00:13:37,680

uh number five what what's in australia

369

00:13:40,790 --> 00:13:40,000

the roman empire

370

00:13:42,790 --> 00:13:40,800

okay

371

00:13:44,629 --> 00:13:42,800

i guess these a lot of these are uh

372

00:13:45,670 --> 00:13:44,639

conspiracies that things don't really

373

00:13:49,590 --> 00:13:45,680

exist

374

00:13:51,990 --> 00:13:49,600

i mean that relates back to uh who we

375

00:13:53,110 --> 00:13:52,000

had on the show joe uh howie was

376

00:13:55,829 --> 00:13:53,120

mendelson

377

00:13:58,790 --> 00:13:55,839

who said that in the late 1800s early

378

00:14:00,629 --> 00:13:58,800

1900s there was a series of worlds fairs

379

00:14:03,269 --> 00:14:00,639

that took place

380

00:14:04,629 --> 00:14:03,279

uh was it mikowski howdy mikowski howdy

381

00:14:07,670 --> 00:14:04,639

yeah howdy yeah

382

00:14:10,550 --> 00:14:07,680

and uh it's it's his interpretation of

383

00:14:13,670 --> 00:14:10,560

those world's fairs that that was an

384

00:14:16,710 --> 00:14:13,680

opportunity to give the people a new

385

00:14:19,030 --> 00:14:16,720

history a new agreed upon history to

386

00:14:22,550 --> 00:14:19,040

build upon and that the old history must

387

00:14:25,350 --> 00:14:22,560

be wiped out or uh changed in a way

388

00:14:27,189 --> 00:14:25,360

and uh that for whatever reason that it

389

00:14:29,509 --> 00:14:27,199

was very important to get everyone on

390

00:14:33,030 --> 00:14:29,519

board with this new history and we are

391

00:14:34,790 --> 00:14:33,040

living with that uh result today where

392

00:14:36,389 --> 00:14:34,800

these worlds fair presented something

393

00:14:38,389 --> 00:14:36,399

and everyone just accepted it and that

394

00:14:42,790 --> 00:14:38,399

they also at that time in order to

395

00:14:45,430 --> 00:14:42,800

construct these huge huge acres of of of

396

00:14:47,670 --> 00:14:45,440

recreations of the old world they used

397

00:14:49,430 --> 00:14:47,680

uh lost and forgotten technology uh

398

00:14:51,430 --> 00:14:49,440

similar technology to what uh they may

399

00:14:55,350 --> 00:14:51,440

have used to construct the uh the

400

00:14:58,389 --> 00:14:56,790

so i'm not going to go into what is

401
00:14:59,509 --> 00:14:58,399
australia i'm going to speed through

402
00:15:02,389 --> 00:14:59,519
this a little bit

403
00:15:05,110 --> 00:15:02,399
um number four the darkness behind the

404
00:15:07,430 --> 00:15:05,120
2004 tsunami you remember that one

405
00:15:08,310 --> 00:15:07,440
remember that the tsunami in japan

406
00:15:10,069 --> 00:15:08,320
yes

407
00:15:11,670 --> 00:15:10,079
we got the nuclear deal

408
00:15:14,310 --> 00:15:11,680
going we were all supposed to die

409
00:15:15,110 --> 00:15:14,320
remember the maps yeah from those

410
00:15:17,030 --> 00:15:15,120
so the

411
00:15:19,350 --> 00:15:17,040
japan was 2011.

412
00:15:20,389 --> 00:15:19,360
uh the 2004 was the one that hit uh

413
00:15:23,670 --> 00:15:20,399

indonesia

414

00:15:26,629 --> 00:15:23,680

you're right you're right

415

00:15:27,990 --> 00:15:26,639

uh tsunamis are terrifying events that

416

00:15:29,749 --> 00:15:28,000

no one

417

00:15:32,069 --> 00:15:29,759

uh terrifying events

418

00:15:34,230 --> 00:15:32,079

that no one but those who lived through

419

00:15:36,949 --> 00:15:34,240

one can actually truly found them the

420

00:15:39,749 --> 00:15:36,959

2004 indian ocean tsunami was one of the

421

00:15:42,550 --> 00:15:39,759

biggest and most deadly in history

422

00:15:44,710 --> 00:15:42,560

imagine the wettest you've ever been and

423

00:15:47,590 --> 00:15:44,720

it's wetter than that wow that's

424

00:15:50,629 --> 00:15:47,600

incredibly wet wait

425

00:15:51,990 --> 00:15:50,639

mike how wet are your socks right now

426

00:15:53,430 --> 00:15:52,000

maybe i'll give them about a two right

427

00:15:54,710 --> 00:15:53,440

now two

428

00:15:57,590 --> 00:15:54,720

two out of ten

429

00:16:01,430 --> 00:15:59,269

well it goes on to say however with uh

430

00:16:03,749 --> 00:16:01,440

all with all the tragic events of the

431

00:16:06,150 --> 00:16:03,759

scale the conspiracy theories are not

432

00:16:20,949 --> 00:16:06,160

far behind one of these serious claims

433

00:16:24,629 --> 00:16:23,670

the blame for the tsunami

434

00:16:26,629 --> 00:16:24,639

uh

435

00:16:29,829 --> 00:16:26,639

they supposedly launched a terror attack

436

00:16:32,150 --> 00:16:29,839

in the form of an earthquake in tsunami

437

00:16:34,470 --> 00:16:32,160

so they could get their hands on some of

438

00:16:37,269 --> 00:16:34,480

the three billion in aid relief that

439

00:16:39,189 --> 00:16:37,279

poured in after the disaster

440

00:16:41,269 --> 00:16:39,199

so i i mean i kind of like the the

441

00:16:42,790 --> 00:16:41,279

indian government testing

442

00:16:45,430 --> 00:16:42,800

uh nukes in the ocean and they

443

00:16:47,670 --> 00:16:45,440

accidentally hit a fault line and that

444

00:16:49,990 --> 00:16:47,680

sparked it okay i you know that's not

445

00:16:53,110 --> 00:16:50,000

that far-fetched but have there ever

446

00:16:54,710 --> 00:16:53,120

been any events of such a test

447

00:16:57,430 --> 00:16:54,720

triggering other

448

00:16:59,269 --> 00:16:57,440

large-scale earthquakes i don't know

449

00:17:00,949 --> 00:16:59,279

i knew that back in the 50s used to set

450

00:17:02,470 --> 00:17:00,959

up set off nukes underwater all the time

451
00:17:05,350 --> 00:17:02,480
just to see what happened yeah they just

452
00:17:06,789 --> 00:17:05,360
did it for fun

453
00:17:08,949 --> 00:17:06,799
how many fish do you think we can kill

454
00:17:11,350 --> 00:17:08,959
with this blast i'm gonna try this one

455
00:17:15,270 --> 00:17:11,360
now let's see all right

456
00:17:16,789 --> 00:17:15,280
try this one blow blow this one up and

457
00:17:18,710 --> 00:17:16,799
there we go yeah

458
00:17:21,350 --> 00:17:18,720
nine billion

459
00:17:22,630 --> 00:17:21,360
240

460
00:17:25,510 --> 00:17:22,640
fish okay

461
00:17:27,829 --> 00:17:25,520
fish uh uh number three there are no

462
00:17:32,950 --> 00:17:27,839
real trees

463
00:17:35,510 --> 00:17:32,960

earth is flat and there are no longer

464

00:17:37,990 --> 00:17:35,520

any real trees this is according to the

465

00:17:39,430 --> 00:17:38,000

flat earther movement which said

466

00:17:40,950 --> 00:17:39,440

so i don't know like so this is just

467

00:17:42,710 --> 00:17:40,960

like an offshoot of the flat earther

468

00:17:44,710 --> 00:17:42,720

movement because i i i would have to

469

00:17:47,990 --> 00:17:44,720

believe that there are flat earthers

470

00:17:49,029 --> 00:17:48,000

that truly believe that trees are a real

471

00:17:52,310 --> 00:17:49,039

thing

472

00:17:55,029 --> 00:17:52,320

and uh this is like an offshoot like a

473

00:17:57,270 --> 00:17:55,039

sect of a religion if trees aren't real

474

00:17:59,270 --> 00:17:57,280

then where are the fake birds landing

475

00:18:01,190 --> 00:17:59,280

exactly we got fake birds fake trees

476
00:18:02,950 --> 00:18:01,200
fake space

477
00:18:04,789 --> 00:18:02,960
everything's fake

478
00:18:07,190 --> 00:18:04,799
but according to the flat earther

479
00:18:08,950 --> 00:18:07,200
movement which says that the ancient

480
00:18:11,990 --> 00:18:08,960
trees of the world which apparently

481
00:18:15,590 --> 00:18:12,000
extended 40 miles into the sky and had

482
00:18:17,510 --> 00:18:15,600
trunks two miles wide no longer exist

483
00:18:21,190 --> 00:18:17,520
and that the trees that we see

484
00:18:23,029 --> 00:18:21,200
every day are simply saplings of these

485
00:18:24,390 --> 00:18:23,039
ancient trees and they have a picture up

486
00:18:28,150 --> 00:18:24,400
on the screen here which is devil's

487
00:18:31,029 --> 00:18:28,160
tower in one of the dakotas made famous

488
00:18:32,390 --> 00:18:31,039

uh wyoming is it wyoming

489

00:18:34,070 --> 00:18:32,400

i thought it was in the badlands and the

490

00:18:35,350 --> 00:18:34,080

the one of the dakotas

491

00:18:37,430 --> 00:18:35,360

no

492

00:18:40,950 --> 00:18:37,440

mandela effect

493

00:18:43,590 --> 00:18:41,909

i've been there and i don't remember

494

00:18:44,870 --> 00:18:43,600

where it's at uh

495

00:18:46,390 --> 00:18:44,880

it's right on the it's on the eastern

496

00:18:48,710 --> 00:18:46,400

border so it's right near

497

00:18:50,310 --> 00:18:48,720

uh south dakota but still

498

00:18:52,390 --> 00:18:50,320

that's what i remember it'll always be

499

00:18:55,029 --> 00:18:52,400

dakota in my heart but i'm absolutely

500

00:18:56,950 --> 00:18:55,039

wrong there uh this theory was spread

501
00:19:00,710 --> 00:18:56,960
after a video appeared on youtube in

502
00:19:02,710 --> 00:19:00,720
which a crimean man claims

503
00:19:05,110 --> 00:19:02,720
um

504
00:19:06,950 --> 00:19:05,120
that a cataclysm event a cataclysmic

505
00:19:08,830 --> 00:19:06,960
event thousands of years ago destroyed

506
00:19:11,350 --> 00:19:08,840
99 of earth's

507
00:19:12,470 --> 00:19:11,360
biosphere and that all the trees in the

508
00:19:15,909 --> 00:19:12,480
world

509
00:19:17,270 --> 00:19:15,919
perished the man goes on to say uh that

510
00:19:19,750 --> 00:19:17,280
mountains

511
00:19:34,310 --> 00:19:19,760
mesas and butts

512
00:19:38,390 --> 00:19:36,230
this all that remain of the ancient

513
00:19:41,350 --> 00:19:38,400

trees that have been destroyed

514

00:19:42,470 --> 00:19:41,360

so uh this is not far off from

515

00:19:45,510 --> 00:19:42,480

like

516

00:19:49,350 --> 00:19:45,520

uh something that a listener called in a

517

00:19:52,150 --> 00:19:49,360

few months ago about the uh the titans

518

00:19:53,510 --> 00:19:52,160

um that were fallen so listener wrote in

519

00:19:54,870 --> 00:19:53,520

or called in actually said hey have you

520

00:19:58,310 --> 00:19:54,880

checked out this video

521

00:19:59,510 --> 00:19:58,320

uh this mountain looks like a giant

522

00:20:02,950 --> 00:19:59,520

elephant

523

00:20:05,270 --> 00:20:02,960

and i watched this entire series um and

524

00:20:07,029 --> 00:20:05,280

it does look like this this entire like

525

00:20:10,230 --> 00:20:07,039

mountain this like little piece of a

526

00:20:13,190 --> 00:20:10,240

mountain does look like a fossilized

527

00:20:15,350 --> 00:20:13,200

elephant and this guy spent

528

00:20:17,190 --> 00:20:15,360

time like months almost years

529

00:20:19,430 --> 00:20:17,200

investigating whether or not this could

530

00:20:22,230 --> 00:20:19,440

have been an elephant that probably

531

00:20:24,070 --> 00:20:22,240

stood 500 feet tall and

532

00:20:25,990 --> 00:20:24,080

rome was bigger than that i mean if that

533

00:20:27,350 --> 00:20:26,000

entire mountain in spain was an elephant

534

00:20:28,870 --> 00:20:27,360

that elephant was thousands of people it

535

00:20:30,710 --> 00:20:28,880

was it's an incredible it's an

536

00:20:33,029 --> 00:20:30,720

incredible video series because it is

537

00:20:35,430 --> 00:20:33,039

very compelling about how he goes about

538

00:20:36,710 --> 00:20:35,440

this there's like a lot of uh fractals

539

00:20:39,669 --> 00:20:36,720

involved there

540

00:20:41,350 --> 00:20:39,679

and that uh i don't know i i like the

541

00:20:43,510 --> 00:20:41,360

idea that there could have been these

542

00:20:45,430 --> 00:20:43,520

mammoth giant beasts even bigger than

543

00:20:47,669 --> 00:20:45,440

dinosaurs roaming the earth and that

544

00:20:50,149 --> 00:20:47,679

there could have been giant trees at

545

00:20:52,070 --> 00:20:50,159

some point in time on this earth um but

546

00:20:54,070 --> 00:20:52,080

it's so far out there it's hard to wrap

547

00:20:56,310 --> 00:20:54,080

your mind around but the the video

548

00:20:58,470 --> 00:20:56,320

series that guy did it's almost like

549

00:21:00,950 --> 00:20:58,480

four hours worth of video it's pretty

550

00:21:03,510 --> 00:21:00,960

compelling and uh fascinating if i can

551

00:21:05,190 --> 00:21:03,520

find the link i will post it in the

552

00:21:07,270 --> 00:21:05,200

podcast description so we've got a few

553

00:21:08,149 --> 00:21:07,280

more to go here and we'll move on number

554

00:21:11,990 --> 00:21:08,159

two

555

00:21:13,590 --> 00:21:12,000

what's up with ronald reagan's name

556

00:21:15,430 --> 00:21:13,600

that's right

557

00:21:17,590 --> 00:21:15,440

i don't know i never heard this one

558

00:21:21,190 --> 00:21:17,600

uh did you know that the winning

559

00:21:23,750 --> 00:21:21,200

number in the maryland lottery november

560

00:21:24,710 --> 00:21:23,760

fourth of nineteen eighty was six six

561

00:21:26,549 --> 00:21:24,720

six

562

00:21:30,230 --> 00:21:26,559

no well i do remember like the the

563

00:21:32,789 --> 00:21:30,240

lottery after uh 9 11 did come back as 9

564

00:21:34,789 --> 00:21:32,799

11 as well there was like a three

565

00:21:37,430 --> 00:21:34,799

number lottery that happened and i think

566

00:21:38,950 --> 00:21:37,440

in that area in new york it did come

567

00:21:41,190 --> 00:21:38,960

back as 9 11. so there's weird

568

00:21:43,350 --> 00:21:41,200

synchronicities like epstein win the

569

00:21:46,549 --> 00:21:43,360

lottery or something yes he did how

570

00:21:48,470 --> 00:21:46,559

coincidental is that what a lucky dude

571

00:21:50,870 --> 00:21:48,480

and the winning numbers for him

572

00:21:53,750 --> 00:21:50,880

911666

573

00:21:55,669 --> 00:21:53,760

i believe that it all comes together for

574

00:21:57,110 --> 00:21:55,679

us

575

00:22:00,950 --> 00:21:57,120

well um

576

00:22:02,230 --> 00:22:00,960

so uh that that date november 4th 1980

577

00:22:04,149 --> 00:22:02,240

and the

578

00:22:06,470 --> 00:22:04,159

the numbers that were pulled there in

579

00:22:10,149 --> 00:22:06,480

666 that date also happened to be the

580

00:22:13,190 --> 00:22:10,159

day of the 49th what train presidential

581

00:22:15,430 --> 00:22:13,200

election in which ronald reagan won in a

582

00:22:17,830 --> 00:22:15,440

landslide victory this obviously means

583

00:22:19,590 --> 00:22:17,840

that ronald reagan was the devil not

584

00:22:21,990 --> 00:22:19,600

only because of the ominous lottery

585

00:22:23,990 --> 00:22:22,000

numbers but also because reagan's full

586

00:22:27,590 --> 00:22:24,000

name spelled out

587

00:22:29,029 --> 00:22:27,600

is 666 as well

588

00:22:31,510 --> 00:22:29,039

i don't know that maybe there's like a

589

00:22:34,070 --> 00:22:31,520

numer a numerological connection like if

590

00:22:35,669 --> 00:22:34,080

you add all his letters together

591

00:22:38,230 --> 00:22:35,679

um

592

00:22:40,390 --> 00:22:38,240

like the first name ronald would be in

593

00:22:41,990 --> 00:22:40,400

numerology six and then

594

00:22:44,230 --> 00:22:42,000

reagan would be six and whatever his

595

00:22:47,590 --> 00:22:44,240

middle name is six

596

00:22:49,350 --> 00:22:47,600

um oh his middle name is wilson

597

00:22:52,230 --> 00:22:49,360

also at the time of the election the

598

00:22:54,470 --> 00:22:52,240

planet uranus made an unusual

599

00:22:56,310 --> 00:22:54,480

configuration in the night sky one that

600

00:22:58,630 --> 00:22:56,320

only comes around

601
00:23:01,029 --> 00:22:58,640
every 20 years surely no other proof is

602
00:23:04,470 --> 00:23:01,039
needed to know that something demonic

603
00:23:06,310 --> 00:23:04,480
was happening and that reagan was a part

604
00:23:08,870 --> 00:23:06,320
of it all

605
00:23:10,870 --> 00:23:08,880
right hey sure

606
00:23:12,390 --> 00:23:10,880
yep well do you want to go one step

607
00:23:13,990 --> 00:23:12,400
further and point out that reagan was

608
00:23:16,390 --> 00:23:14,000
first elected governor of california in

609
00:23:18,470 --> 00:23:16,400
1966.

610
00:23:20,149 --> 00:23:18,480
if you take the nine and flip it upside

611
00:23:23,110 --> 00:23:20,159
down and just ignore the one then that's

612
00:23:26,149 --> 00:23:23,120
six six six okay

613
00:23:27,110 --> 00:23:26,159

all right i'm on board

614

00:23:29,590 --> 00:23:27,120

yep

615

00:23:31,750 --> 00:23:29,600

all right the last uh insane conspiracy

616

00:23:33,430 --> 00:23:31,760

theory about this world and by the way i

617

00:23:35,350 --> 00:23:33,440

would say only maybe two of them are

618

00:23:37,430 --> 00:23:35,360

insane the other like are in the

619

00:23:38,470 --> 00:23:37,440

ballpark for me but you know i go deeper

620

00:23:44,390 --> 00:23:38,480

this stuff

621

00:23:47,029 --> 00:23:44,400

uh number one red pill versus blue pill

622

00:23:48,549 --> 00:23:47,039

uh yes when the matrix

623

00:23:51,110 --> 00:23:48,559

uh when the first major movie was

624

00:23:52,870 --> 00:23:51,120

released it messed with people's heads

625

00:23:54,310 --> 00:23:52,880

are we living in a simulation is

626
00:23:56,710 --> 00:23:54,320
anything real

627
00:23:58,789 --> 00:23:56,720
then we moved on as we always do but for

628
00:24:01,669 --> 00:23:58,799
some the doubt stuck

629
00:24:05,190 --> 00:24:01,679
and was transformed into a full-fledged

630
00:24:08,070 --> 00:24:05,200
conspiracy theory so are we just

631
00:24:10,070 --> 00:24:08,080
nutrients for souls machines taking the

632
00:24:11,990 --> 00:24:10,080
red pill means diving head first into a

633
00:24:13,750 --> 00:24:12,000
rabbit hole that says an advanced

634
00:24:15,909 --> 00:24:13,760
civilization

635
00:24:19,750 --> 00:24:15,919
will live long enough to create various

636
00:24:22,630 --> 00:24:19,760
simulated worlds with one base reality

637
00:24:25,909 --> 00:24:22,640
this means that we would we

638
00:24:28,230 --> 00:24:25,919

will all likely be or might already be

639

00:24:30,950 --> 00:24:28,240

depending on who you ask in one of the

640

00:24:32,390 --> 00:24:30,960

simulated worlds and not in the base

641

00:24:34,870 --> 00:24:32,400

reality

642

00:24:37,190 --> 00:24:34,880

well this theory obviously hasn't been

643

00:24:39,830 --> 00:24:37,200

proven it also hasn't been disproven

644

00:24:42,549 --> 00:24:39,840

which has led many to believe that those

645

00:24:45,510 --> 00:24:42,559

pulling the strings are aliens

646

00:24:48,230 --> 00:24:45,520

and that they are conducting simulation

647

00:24:50,230 --> 00:24:48,240

experiments on us why you may ask well

648

00:24:52,310 --> 00:24:50,240

seemingly to to investigate the

649

00:24:55,029 --> 00:24:52,320

different possibility or just different

650

00:24:57,269 --> 00:24:55,039

possible outcomes of various simulations

651
00:25:00,630 --> 00:24:57,279
which scenarios would lead to greater

652
00:25:02,470 --> 00:25:00,640
destruction and so on and so forth uh so

653
00:25:04,149 --> 00:25:02,480
there you go there's the number one i

654
00:25:05,430 --> 00:25:04,159
think the simulation theory has more

655
00:25:06,870 --> 00:25:05,440
credence than what people want to

656
00:25:08,549 --> 00:25:06,880
believe they just have a tough time

657
00:25:10,310 --> 00:25:08,559
wrapping their head around

658
00:25:13,029 --> 00:25:10,320
that just because we may be in a

659
00:25:14,390 --> 00:25:13,039
simulation that it's not all real and

660
00:25:17,350 --> 00:25:14,400
fake and stupid

661
00:25:19,269 --> 00:25:17,360
um this is a really advanced form of one

662
00:25:20,549 --> 00:25:19,279
and it just happens at the the very very

663
00:25:23,269 --> 00:25:20,559

small levels

664

00:25:26,470 --> 00:25:23,279

as we talked about at the uh with the

665

00:25:28,230 --> 00:25:26,480

britney spears uh variable change

666

00:25:29,669 --> 00:25:28,240

and actually i would uh a good majority

667

00:25:31,669 --> 00:25:29,679

of this list

668

00:25:34,470 --> 00:25:31,679

uh can be attributed to

669

00:25:37,269 --> 00:25:35,909

i'm gonna say yeah a lot of what you

670

00:25:39,190 --> 00:25:37,279

described there could all be lumped

671

00:25:41,830 --> 00:25:39,200

under that one as an umbrella

672

00:25:42,789 --> 00:25:41,840

um conspiracy or umbrella theory i

673

00:25:45,269 --> 00:25:42,799

suppose

674

00:25:47,590 --> 00:25:45,279

yeah it's just it's the uh the model in

675

00:25:49,750 --> 00:25:47,600

which you choose to uh look at the world

676

00:25:51,269 --> 00:25:49,760

and uh the simulation is just the model

677

00:25:53,510 --> 00:25:51,279

and all the things that you think about

678

00:25:56,070 --> 00:25:53,520

this world yeah make it fit into that

679

00:25:59,510 --> 00:25:56,080

simulation model give us an email at
