[Music]

2
00:00:06,450 --> 00:00:06,320
it's a made-up tape

3
00:00:08,690 --> 00:00:06,460
[Music]

4
00:00:10,930 --> 00:00:08,700
[Applause]

5
00:00:15,030 --> 00:00:10,940
[Music]

6
00:00:21,730 --> 00:00:16,269
[Applause]

7
00:00:31,269 --> 00:00:23,760
it's all happening

8
00:00:36,990 --> 00:00:33,170
no I

9
00:00:41,030 --> 00:00:38,810
[Music]

10
00:00:43,910 --> 00:00:41,040
members in Alpha One it's obvious

11
00:00:45,889 --> 00:00:43,920
podcast now here's your host

12
00:00:50,029 --> 00:00:45,899
the Falcon and the Rascals it has been

13
00:00:51,140 --> 00:00:50,730

a problem

14

00:00:55,310 --> 00:00:51,150

[Applause]

15

00:01:03,229 --> 00:01:00,729

hey everyone welcome back to another

16

00:01:05,570 --> 00:01:03,239

fun-filled podcast Adventure trying to

17

00:01:09,230 --> 00:01:05,580

set it up trying to finish it off there

18

00:01:10,370 --> 00:01:09,240

we go Bing Bong boom yes my name is

19

00:01:13,250 --> 00:01:10,380

benign Mike

20

00:01:15,590 --> 00:01:13,260

and crutches over there on screen

21

00:01:19,370 --> 00:01:15,600

I am look at me this is me on screen

22

00:01:21,770 --> 00:01:19,380

he's as healthy as a regailing ox I'm as

23

00:01:25,370 --> 00:01:21,780

healthy as a regalain ox we gotta back

24

00:01:27,649 --> 00:01:25,380

like a ramrod back like a ramrod healthy

25

00:01:29,810 --> 00:01:27,659

as we're gailing ox

26
00:01:31,609 --> 00:01:29,820
and still don't know what that means by

27
00:01:34,910 --> 00:01:31,619
the way the Rambler Joe's over there

28
00:01:40,430 --> 00:01:36,950
just forget about me I don't care

29
00:01:43,249 --> 00:01:40,440
anymore what the heck's going

30
00:01:45,469 --> 00:01:43,259
[Music]

31
00:01:48,590 --> 00:01:45,479
crazy though I had to put my glasses on

32
00:01:50,510 --> 00:01:48,600
post haste right before the show I think

33
00:01:51,710 --> 00:01:50,520
I'm getting pink eye I was rubbing a

34
00:01:53,270 --> 00:01:51,720
turd in my eye and that somebody said

35
00:01:55,609 --> 00:01:53,280
you're not supposed to do that

36
00:01:58,789 --> 00:01:55,619
yeah are you still up doing that I'm not

37
00:02:00,889 --> 00:01:58,799
a doctor but I don't think that's good

38
00:02:02,569 --> 00:02:00,899

it's probably not the best way

39

00:02:03,469 --> 00:02:02,579

I don't know there's probably some like

40

00:02:06,590 --> 00:02:03,479

uh

41

00:02:09,050 --> 00:02:06,600

ancient ways medieval version of

42

00:02:10,790 --> 00:02:09,060

medicine it's like here go home grab a

43

00:02:13,490 --> 00:02:10,800

piece of cow dung and spread that in

44

00:02:16,610 --> 00:02:13,500

your eye and that will cure your your

45

00:02:19,850 --> 00:02:16,620

violent diarrhea it'll cure it'll cure

46

00:02:21,110 --> 00:02:19,860

your headache oh okay so take care of

47

00:02:23,210 --> 00:02:21,120

something

48

00:02:25,490 --> 00:02:23,220

I'll do it

49

00:02:28,250 --> 00:02:25,500

well hey welcome back everyone it is a

50

00:02:29,210 --> 00:02:28,260

Wednesday and we got a lot of things to

51
00:02:32,930 --> 00:02:29,220
get to

52
00:02:35,150 --> 00:02:32,940
we have a lot of uh problematic things

53
00:02:36,229 --> 00:02:35,160
to talk about and we'll see what happens

54
00:02:39,229 --> 00:02:36,239
here

55
00:02:41,869 --> 00:02:39,239
or we got The Observers people in the in

56
00:02:44,990 --> 00:02:41,879
the uh the live show they're observing

57
00:02:46,250 --> 00:02:45,000
the show and people me making notes

58
00:02:47,509 --> 00:02:46,260
making comments in the live chat

59
00:02:50,750 --> 00:02:47,519
hopefully the stream is good I don't

60
00:02:52,490 --> 00:02:50,760
know uh I haven't had I tried to reboot

61
00:02:54,650 --> 00:02:52,500
a lot of stuff to make sure that the the

62
00:02:56,390 --> 00:02:54,660
video is not stuttering and stammering I

63
00:02:58,190 --> 00:02:56,400

know there's been complications on the

64

00:03:01,130 --> 00:02:58,200

the twitch and D live when people are

65

00:03:03,589 --> 00:03:01,140

watching live uh I'm not sure the exact

66

00:03:05,330 --> 00:03:03,599

reason yet but I will try to take into

67

00:03:07,309 --> 00:03:05,340

uh take a look at this uh this weekend

68

00:03:09,110 --> 00:03:07,319

so let me know if it's still happening

69

00:03:11,330 --> 00:03:09,120

we'll see what we can do it's all

70

00:03:13,550 --> 00:03:11,340

happening uh yeah it's all happening

71

00:03:14,869 --> 00:03:13,560

what am I talking about let me know if

72

00:03:17,869 --> 00:03:14,879

he's if it's happening it's all

73

00:03:20,330 --> 00:03:17,879

happening it's all happening all right

74

00:03:21,949 --> 00:03:20,340

well let's start things off it's

75

00:03:23,210 --> 00:03:21,959

Wednesday that means it's Alex Jones

76

00:03:26,200 --> 00:03:23,220

clips of the week let's see if we got

77

00:03:31,369 --> 00:03:28,670

[Music]

78

00:03:33,830 --> 00:03:31,379

I think we do yes we do

79

00:03:36,050 --> 00:03:33,840

uh let's see here we got some stuff from

80

00:03:38,770 --> 00:03:36,060

Thursday

81

00:03:40,970 --> 00:03:38,780

I think September 8th oh yes here we go

82

00:03:44,330 --> 00:03:40,980

yeah let's uh let's start things off

83

00:03:46,490 --> 00:03:44,340

here we go eat that poop so delicious

84

00:03:47,930 --> 00:03:46,500

admittedly had sex with dead children at

85

00:03:49,550 --> 00:03:47,940

the hospital that's pretty liberal

86

00:03:52,130 --> 00:03:49,560

though right he's into things like

87

00:03:53,869 --> 00:03:52,140

eating poop shows as awake as I am

88

00:03:55,190 --> 00:03:53,879

Prince Charles is a really evil horrible

89

00:03:57,410 --> 00:03:55,200

black person she didn't care about

90

00:03:59,750 --> 00:03:57,420

anybody but her own fat ass the queen

91

00:04:00,530 --> 00:03:59,760

died okay ding dong the wicked witch is

92

00:04:06,369 --> 00:04:00,540

dead

93

00:04:10,869 --> 00:04:09,470

why didn't he say poop on the last one I

94

00:04:13,670 --> 00:04:10,879

don't know

95

00:04:15,410 --> 00:04:13,680

maybe he's reading someone's tweet

96

00:04:16,909 --> 00:04:15,420

so he was reading a Verbatim I don't

97

00:04:18,590 --> 00:04:16,919

know

98

00:04:22,330 --> 00:04:18,600

we'll see if we can get clarification on

99

00:04:25,490 --> 00:04:22,340

that uh and here's uh Friday here we go

100

00:04:27,830 --> 00:04:25,500

bull crap globalists have a real hard on

101
00:04:29,930 --> 00:04:27,840
for Africans I'm still a fat ass Shut up

102
00:04:31,249 --> 00:04:29,940
that keeps your ass on your toes boy at

103
00:04:33,110 --> 00:04:31,259
the other day I was driving around after

104
00:04:34,790 --> 00:04:33,120
work I realized my gosh I'm way below E

105
00:04:37,430 --> 00:04:34,800
I'm about to run out I was like hurry

106
00:04:39,050 --> 00:04:37,440
into a gas station I'm like okay God can

107
00:04:45,249 --> 00:04:39,060
I just be a little above you all the

108
00:04:50,090 --> 00:04:47,870
honest honest conversations with God and

109
00:04:53,409 --> 00:04:50,100
Alex Jones he had to get to that gas

110
00:04:56,270 --> 00:04:53,419
station cigarettes and lottery tickets

111
00:04:59,629 --> 00:04:56,280
and chewing tobacco yes he did and Hot

112
00:05:03,050 --> 00:04:59,639
Pockets yeah and honey buns and coffee

113
00:05:05,870 --> 00:05:03,060

yep and Gatorade and Coca-Cola and

114

00:05:08,450 --> 00:05:05,880

aspirin and lighters

115

00:05:12,830 --> 00:05:08,460

and ice cream and magazines and potato

116

00:05:15,469 --> 00:05:12,840

chips and magazines sure it is yeah he

117

00:05:16,969 --> 00:05:15,479

forgot milk he did well he's got to go

118

00:05:18,890 --> 00:05:16,979

back to it you go go back again he'll

119

00:05:21,830 --> 00:05:18,900

make another run you know sweet potatoes

120

00:05:25,310 --> 00:05:21,840

and collard greens a big salad and corn

121

00:05:28,370 --> 00:05:25,320

on the cob and deviled eggs and green

122

00:05:30,110 --> 00:05:28,380

beans and chicken fried steaks and he

123

00:05:32,330 --> 00:05:30,120

said hey he's got the dump on a chicken

124

00:05:33,890 --> 00:05:32,340

fried steak doesn't he yeah he likes to

125

00:05:36,529 --> 00:05:33,900

do that too yeah

126

00:05:38,050 --> 00:05:36,539

yeah took a big dump

127

00:05:40,310 --> 00:05:38,060

all right

128

00:05:43,249 --> 00:05:40,320

after those those two lists though do

129

00:05:45,469 --> 00:05:43,259

you think he forgot to get gas

130

00:05:46,730 --> 00:05:45,479

you probably forgot probably forgot why

131

00:05:48,590 --> 00:05:46,740

he originally went to the gas station

132

00:05:50,930 --> 00:05:48,600

he's like well I got everything on my

133

00:05:52,129 --> 00:05:50,940

list oh God sometimes sometimes you go

134

00:05:54,050 --> 00:05:52,139

to the grocery store and you're like

135

00:05:56,450 --> 00:05:54,060

you're hell-bent I'm buying you have

136

00:05:58,310 --> 00:05:56,460

like one need to get item on your list

137

00:05:59,749 --> 00:05:58,320

and then you leave the grocery store and

138

00:06:01,430 --> 00:05:59,759

it's like I forgot to get that one item

139

00:06:02,629 --> 00:06:01,440

it happens all the time I got honey buns

140

00:06:04,850 --> 00:06:02,639

and cigarettes I forgot to get

141

00:06:08,330 --> 00:06:04,860

distracted in the uh yeah the the

142

00:06:11,450 --> 00:06:08,340

impulse buy aisle yeah I only shop at

143

00:06:13,129 --> 00:06:11,460

the impulse buy it's a holy shots they

144

00:06:14,629 --> 00:06:13,139

don't got it there am I buying it they

145

00:06:17,210 --> 00:06:14,639

need a store that's nothing but the

146

00:06:19,249 --> 00:06:17,220

impulse buyers store because the

147

00:06:21,230 --> 00:06:19,259

convenience store started that way but I

148

00:06:23,689 --> 00:06:21,240

mean like the rest of the store is there

149

00:06:26,350 --> 00:06:23,699

but it's just all impulse buys impulse

150

00:06:28,249 --> 00:06:26,360

buys lighters and candies and yeah

151
00:06:31,430 --> 00:06:28,259
tchotchkes and [\h__\h] and then there's

152
00:06:33,409 --> 00:06:31,440
only high high price High ticket items

153
00:06:35,809 --> 00:06:33,419
at the cash register and it should be

154
00:06:38,450 --> 00:06:35,819
like you walk in and it is just one big

155
00:06:40,430 --> 00:06:38,460
long aisle and so you can only walk one

156
00:06:42,230 --> 00:06:40,440
direction through it and there's no

157
00:06:43,610 --> 00:06:42,240
turning back you can only grab once

158
00:06:45,469 --> 00:06:43,620
there's no turning back

159
00:06:46,670 --> 00:06:45,479
that's why some stores did it during

160
00:06:48,189 --> 00:06:46,680
covet they had remember they had

161
00:06:51,170 --> 00:06:48,199
directional aisles

162
00:06:53,270 --> 00:06:51,180
it was science correct [\h__\h] covet only

163
00:06:54,830 --> 00:06:53,280

goes One Direction Joe yeah it only goes

164

00:06:56,570 --> 00:06:54,840

one way

165

00:06:58,189 --> 00:06:56,580

well we got a few more clips from Alex

166

00:06:59,629 --> 00:06:58,199

Jones here maybe we might get some more

167

00:07:02,990 --> 00:06:59,639

ideas off of these amazing Clips we'll

168

00:07:05,689 --> 00:07:03,000

find out one two three four five six

169

00:07:08,330 --> 00:07:05,699

seven eight nine ten eleven twelve

170

00:07:09,590 --> 00:07:08,340

thirteen fourteen fifteen sixteen

171

00:07:14,809 --> 00:07:09,600

Seventeen nineteen nineteen twenty

172

00:07:16,670 --> 00:07:14,819

Twenty One 22 23 24 25 26 27 28 29.

173

00:07:19,129 --> 00:07:16,680

let's look at these headlines the TV

174

00:07:20,930 --> 00:07:19,139

told me that if I eat bugs and pay more

175

00:07:23,089 --> 00:07:20,940

money to the government the weather will

176

00:07:24,370 --> 00:07:23,099

get gooder your breath smells like dog

177

00:07:26,050 --> 00:07:24,380

food

178

00:07:29,990 --> 00:07:26,060

[Music]

179

00:07:31,850 --> 00:07:30,000

there's a meme with that text yeah he he

180

00:07:34,370 --> 00:07:31,860

was reading the meme oh is that what it

181

00:07:36,230 --> 00:07:34,380

was okay yeah

182

00:07:39,290 --> 00:07:36,240

I like him counting that's that's yeah

183

00:07:41,570 --> 00:07:39,300

maybe he's uh um auditioning for the

184

00:07:44,990 --> 00:07:41,580

Alex Jones children's show he's counting

185

00:07:46,430 --> 00:07:45,000

his lawsuits I probably could maybe he

186

00:07:48,290 --> 00:07:46,440

is

187

00:07:51,050 --> 00:07:48,300

um I definitely could set up like an

188

00:07:54,710 --> 00:07:51,060

Alex Jones goes to Sesame Street dude I

189

00:07:55,790 --> 00:07:54,720

have enough Clips where uh since Sesame

190

00:07:57,830 --> 00:07:55,800

Street

191

00:08:00,050 --> 00:07:57,840

I don't know it was uh what was the name

192

00:08:02,930 --> 00:08:00,060

show the um where they call it the the

193

00:08:04,309 --> 00:08:02,940

uh crap Romper Room Romper Room thank

194

00:08:07,010 --> 00:08:04,319

you yeah

195

00:08:09,170 --> 00:08:07,020

nice I see Billy you need a clip of him

196

00:08:11,930 --> 00:08:09,180

saying I see and then just rattle off

197

00:08:14,510 --> 00:08:11,940

all the lights Kevin David Tyler Daryl

198

00:08:17,210 --> 00:08:14,520

Joseph Paul Gordon Todd James it's a bit

199

00:08:18,589 --> 00:08:17,220

of a faster Pace show in between two of

200

00:08:20,330 --> 00:08:18,599

those lists of names throw in the list

201
00:08:21,890 --> 00:08:20,340
of food too just yeah oh yeah just

202
00:08:24,230 --> 00:08:21,900
alternate it

203
00:08:26,150 --> 00:08:24,240
okay we're working wasn't there that

204
00:08:28,490 --> 00:08:26,160
little up up would come out of the tree

205
00:08:30,710 --> 00:08:28,500
do you remember the Up Up character it's

206
00:08:33,170 --> 00:08:30,720
been so long since I've watched Romper

207
00:08:35,329 --> 00:08:33,180
Room but I I did watch the other day the

208
00:08:37,190 --> 00:08:35,339
intro to Kids Incorporated remember Kids

209
00:08:38,449 --> 00:08:37,200
Incorporated good Lord yes I remember

210
00:08:43,070 --> 00:08:38,459
the name we'll play that theme song

211
00:08:48,410 --> 00:08:46,070
oh my God people under 40 you're not

212
00:08:51,170 --> 00:08:48,420
going to remember that but uh one last

213
00:08:52,490 --> 00:08:51,180

overview here for Alex Jones here we go

214

00:08:54,170 --> 00:08:52,500

he loves having sex with animals

215

00:08:56,870 --> 00:08:54,180

literally folks it's grueling on air

216

00:08:58,910 --> 00:08:56,880

about pleasuring donkeys he's gay howl

217

00:09:00,410 --> 00:08:58,920

injecting heroin give me a cure from

218

00:09:02,389 --> 00:09:00,420

heroin addiction how will drinking Jack

219

00:09:04,610 --> 00:09:02,399

Daniels cure me of alcoholism howl

220

00:09:06,290 --> 00:09:04,620

eating 55 Twinkies make me lose weight

221

00:09:07,670 --> 00:09:06,300

ahead of Chinese intelligence controls

222

00:09:09,590 --> 00:09:07,680

me I haven't been told what to do in a

223

00:09:12,050 --> 00:09:09,600

month well that's a pleasant screw-up

224

00:09:13,850 --> 00:09:12,060

because I sent the crew the clip of them

225

00:09:16,250 --> 00:09:13,860

on viox I don't know how that happened

226

00:09:19,160 --> 00:09:16,260

but that was pretty powerful what the

227

00:09:21,490 --> 00:09:19,170

hell are you talking about what was that

228

00:09:24,710 --> 00:09:21,500

[Music]

229

00:09:28,490 --> 00:09:24,720

there you go there's your Alice Jones

230

00:09:31,550 --> 00:09:28,500

clips of the week good stuff in there

231

00:09:33,710 --> 00:09:31,560

definitely got some good stuff uh I I

232

00:09:35,870 --> 00:09:33,720

definitely gotta add this one to the the

233

00:09:38,269 --> 00:09:35,880

news uh rotation let's look at these

234

00:09:39,410 --> 00:09:38,279

headlines absolutely brilliant right

235

00:09:42,530 --> 00:09:39,420

there

236

00:09:44,570 --> 00:09:42,540

and uh Kids Incorporated let's play this

237

00:09:46,790 --> 00:09:44,580

theme song Joe come on let's let's

238

00:09:48,470 --> 00:09:46,800

listen to this theme song come on we'll

239

00:09:53,030 --> 00:09:48,480

see if it comes back

240

00:09:53,040 --> 00:09:55,970

here we go

241

00:10:01,610 --> 00:09:58,910

come on play it you son of a [h__h] I'm

242

00:10:09,850 --> 00:10:03,270

come on

243

00:10:14,750 --> 00:10:12,710

it's kids incorporating the hottest new

244

00:10:17,329 --> 00:10:14,760

rock and roll show on television it's

245

00:10:19,790 --> 00:10:17,339

all about kiss with kids and four kids

246

00:10:21,460 --> 00:10:19,800

grab your socks get ready to rock It's

247

00:10:26,170 --> 00:10:21,470

Kids Incorporated

248

00:10:26,180 --> 00:10:30,070

it's really loud

249

00:10:33,860 --> 00:10:32,269

I'll turn it down a little bit let's

250

00:10:35,710 --> 00:10:33,870

just zoom

251

00:10:39,889 --> 00:10:35,720

[Music]

252

00:10:42,200 --> 00:10:39,899

this is awesome have you heard have you

253

00:10:55,569 --> 00:10:42,210

heard Joe come on

254

00:11:03,069 --> 00:10:58,610

how many people are unsubscribing right

255

00:11:07,670 --> 00:11:06,050

I remember I used to hate this show now

256

00:11:09,889 --> 00:11:07,680

that I know why I don't now you remember

257

00:11:12,170 --> 00:11:09,899

okay yeah sorry now I remember uh so

258

00:11:15,110 --> 00:11:12,180

famous people on Kids Incorporated Stacy

259

00:11:18,590 --> 00:11:15,120

Fergie Ferguson uh Mario Lopez Jennifer

260

00:11:20,690 --> 00:11:18,600

Hewitt yeah wow Mario

261

00:11:22,430 --> 00:11:20,700

didn't know Mario was involved and every

262

00:11:24,910 --> 00:11:22,440

one of them was molested at least one

263

00:11:28,750 --> 00:11:24,920

time by the producer

264

00:11:31,250 --> 00:11:28,760

probably knowing how it's uh run sure

265

00:11:32,030 --> 00:11:31,260

the joke of it is a bit of trivia Kids

266

00:11:33,230 --> 00:11:32,040

Incorporated was not actually

267

00:11:36,160 --> 00:11:33,240

Incorporated they were actually a

268

00:11:39,230 --> 00:11:36,170

limited liability company yes yes

269

00:11:42,290 --> 00:11:39,240

[Applause]

270

00:11:45,290 --> 00:11:42,300

well hey let's get the show off to a

271

00:11:47,210 --> 00:11:45,300

grand old start here let's let's get on

272

00:11:48,230 --> 00:11:47,220

over there and make things happen let's

273

00:11:51,350 --> 00:11:48,240

do it

274

00:11:53,769 --> 00:11:51,360

I'm gonna start things off

275

00:11:56,389 --> 00:11:53,779

by talking about

276

00:12:00,050 --> 00:11:56,399

September 20

277

00:12:02,569 --> 00:12:00,060

24th oh yes yes there's been a lot of

278

00:12:05,329 --> 00:12:02,579

hubbub about this particular date

279

00:12:07,550 --> 00:12:05,339

uh Joe have you heard about this date

280

00:12:10,910 --> 00:12:07,560

I'm sure yes

281

00:12:13,069 --> 00:12:10,920

once again that we're going to have uh

282

00:12:14,990 --> 00:12:13,079

we're gonna have a tie-in with our

283

00:12:17,509 --> 00:12:15,000

content okay

284

00:12:21,170 --> 00:12:17,519

well September 24th

285

00:12:23,990 --> 00:12:21,180

um for people who don't know there was a

286

00:12:26,750 --> 00:12:24,000

person in like German Parliament who

287

00:12:30,410 --> 00:12:26,760

came out and said uh

288

00:12:33,050 --> 00:12:30,420

the the date of September 24th will live

289

00:12:36,889 --> 00:12:33,060

in infamy and everyone will remember

290

00:12:38,449 --> 00:12:36,899

exactly where they were at when this

291

00:12:40,670 --> 00:12:38,459

date happened so here's the the

292

00:12:42,050 --> 00:12:40,680

screenshot up on screen it's horribly

293

00:12:43,790 --> 00:12:42,060

made

294

00:12:48,230 --> 00:12:43,800

um but

295

00:12:50,210 --> 00:12:48,240

uh essentially he came out and and said

296

00:12:53,210 --> 00:12:50,220

everyone will remember

297

00:12:56,170 --> 00:12:53,220

where you're at when September 24th

298

00:12:59,569 --> 00:12:56,180

occurs whatever that is and it's like an

299

00:13:01,009 --> 00:12:59,579

undisclosed or an uncommented event so

300

00:13:03,650 --> 00:13:01,019

something that people are speculating

301
00:13:07,430 --> 00:13:03,660
something big will happen on September

302
00:13:09,470 --> 00:13:07,440
24th and there's people speculating well

303
00:13:15,590 --> 00:13:09,480
it could be

304
00:13:17,389 --> 00:13:15,600
explosion why don't you not speculate

305
00:13:20,090 --> 00:13:17,399
and let's read the message is that right

306
00:13:21,590 --> 00:13:20,100
all right let the people speculate I

307
00:13:23,210 --> 00:13:21,600
speculate Joe because I do better

308
00:13:25,250 --> 00:13:23,220
speculation these people

309
00:13:27,110 --> 00:13:25,260
but I'll read the messages here's the

310
00:13:29,569 --> 00:13:27,120
first message up here uh we just have

311
00:13:31,730 --> 00:13:29,579
anything to do with the 24th the German

312
00:13:34,970 --> 00:13:31,740
government has told the public to stay

313
00:13:37,310 --> 00:13:34,980

indoors on the 24th the city of Denver

314

00:13:39,769 --> 00:13:37,320

are giving out emergency survival packs

315

00:13:43,490 --> 00:13:39,779

to all citizens and told to prepare for

316

00:13:46,009 --> 00:13:43,500

the 24th don't know why uh

317

00:13:48,050 --> 00:13:46,019

they say it will change everything so I

318

00:13:50,449 --> 00:13:48,060

don't know if the thing about Denver is

319

00:13:51,590 --> 00:13:50,459

true I have no idea is that true

320

00:13:53,810 --> 00:13:51,600

um ask Charlie get him on the phone

321

00:13:56,389 --> 00:13:53,820

right now yeah Charlie are you being

322

00:13:58,370 --> 00:13:56,399

handed survival packs by the local

323

00:14:00,290 --> 00:13:58,380

government there probably I don't know I

324

00:14:01,970 --> 00:14:00,300

was like [h__\h] that [h__\h] I got so much

325

00:14:04,190 --> 00:14:01,980

better at the house he's actually in

326

00:14:05,389 --> 00:14:04,200

line for a survival pack right now uh

327

00:14:08,389 --> 00:14:05,399

there is a new story on that if you want

328

00:14:13,370 --> 00:14:10,490

um yeah sure I mean it'd be great um

329

00:14:16,730 --> 00:14:13,380

then the the next one below that is NHS

330

00:14:20,449 --> 00:14:16,740

shot people aged between 18 and 80 to be

331

00:14:23,810 --> 00:14:20,459

hospital patients Friday the 24th

332

00:14:26,090 --> 00:14:23,820

September paid so it's a a crisis actor

333

00:14:28,490 --> 00:14:26,100

position so we are a shooting for the

334

00:14:31,370 --> 00:14:28,500

NHS between Thursday the 23rd and

335

00:14:34,310 --> 00:14:31,380

Saturday the 25th of September and have

336

00:14:36,710 --> 00:14:34,320

a variety of requirements on the 24th we

337

00:14:40,490 --> 00:14:36,720

are looking for men and women between 18

338

00:14:41,990 --> 00:14:40,500

and 80 to be hospital patients so it

339

00:14:43,490 --> 00:14:42,000

sounds like they're doing some sort of

340

00:14:46,129 --> 00:14:43,500

crisis

341

00:14:49,189 --> 00:14:46,139

scenario and I need actors to come down

342

00:14:51,949 --> 00:14:49,199

and play a role uh and then the one

343

00:14:53,889 --> 00:14:51,959

right up above that uh member Parliament

344

00:14:56,389 --> 00:14:53,899

just said like hey like I kind of

345

00:14:59,210 --> 00:14:56,399

paraphrased and reiterated everyone will

346

00:15:01,790 --> 00:14:59,220

not forget September 24th of 2022 and

347

00:15:03,949 --> 00:15:01,800

everyone will know exactly where he or

348

00:15:05,810 --> 00:15:03,959

she was

349

00:15:08,269 --> 00:15:05,820

um why does he believe that September

350

00:15:09,889 --> 00:15:08,279

24th will be so historic this video clip

351
00:15:13,210 --> 00:15:09,899
has been going around and then below

352
00:15:16,490 --> 00:15:13,220
that is Jefferson County Emergency

353
00:15:19,730 --> 00:15:16,500
Management volunteers needed for mass

354
00:15:21,710 --> 00:15:19,740
mass casualty exercise I believe that's

355
00:15:25,069 --> 00:15:21,720
related to the crisis actor

356
00:15:27,650 --> 00:15:25,079
advertisement that I just read and so

357
00:15:30,769 --> 00:15:27,660
they need 50 volunteers to act as

358
00:15:34,129 --> 00:15:30,779
persons injured from a natural disaster

359
00:15:36,650 --> 00:15:34,139
or Wildfire specifically uh victims will

360
00:15:39,410 --> 00:15:36,660
be given an injury card and a First

361
00:15:43,250 --> 00:15:39,420
Responders will triage and sort the

362
00:15:44,750 --> 00:15:43,260
victims for their response training so

363
00:15:46,790 --> 00:15:44,760

um that's the message is right there

364

00:15:48,650 --> 00:15:46,800

beyond that people have been digging

365

00:15:52,129 --> 00:15:48,660

back through all sorts of Medias looking

366

00:15:56,350 --> 00:15:52,139

for predictors and one of those is of

367

00:15:59,750 --> 00:15:56,360

The Simpsons The Simpsons on episode 24

368

00:16:03,110 --> 00:15:59,760

of season nine I believe or maybe no I'm

369

00:16:05,870 --> 00:16:03,120

sorry it's season 24 episode nine well

370

00:16:08,870 --> 00:16:05,880

that's just trash Simpsons it is uh

371

00:16:12,050 --> 00:16:08,880

Homer becoming a prepper and then so

372

00:16:14,590 --> 00:16:12,060

during the course of that Homer is uh

373

00:16:17,210 --> 00:16:14,600

getting in with the the local Preppers

374

00:16:19,069 --> 00:16:17,220

maybe local militia maybe is what

375

00:16:22,670 --> 00:16:19,079

they're insinuating and they're all

376

00:16:24,850 --> 00:16:22,680

getting ready for this big event even

377

00:16:27,590 --> 00:16:24,860

though it's not really

378

00:16:29,629 --> 00:16:27,600

articulated what the event is so here's

379

00:16:31,850 --> 00:16:29,639

just a little clip of this of of The

380

00:16:36,009 --> 00:16:31,860

Simpsons right here

381

00:16:41,030 --> 00:16:39,110

electromagnetic pulse

382

00:16:42,970 --> 00:16:41,040

a burst of radiation that knocks out

383

00:16:45,110 --> 00:16:42,980

every electrical system in the country

384

00:16:47,210 --> 00:16:45,120

impending doom

385

00:16:49,310 --> 00:16:47,220

what you reading dad

386

00:16:51,170 --> 00:16:49,320

bunny everything's fine

387

00:16:54,050 --> 00:16:51,180

nothing to worry about when things go

388

00:16:57,769 --> 00:16:54,060

south the sheeple will clean out every

389

00:16:59,150 --> 00:16:57,779

Supermarket in Town typical sheeple

390

00:17:00,769 --> 00:16:59,160

and so

391

00:17:02,509 --> 00:17:00,779

he's just going through like The

392

00:17:04,370 --> 00:17:02,519

Simpsons are just going through their uh

393

00:17:05,990 --> 00:17:04,380

saying Homer's prepping and he's doing

394

00:17:08,270 --> 00:17:06,000

he's got his bug out bag he's trying to

395

00:17:10,130 --> 00:17:08,280

get his family into this community but

396

00:17:14,150 --> 00:17:10,140

in the end there is like a small EMP

397

00:17:16,490 --> 00:17:14,160

Blast from uh the nuke reactors in uh

398

00:17:18,770 --> 00:17:16,500

Springfield there

399

00:17:20,809 --> 00:17:18,780

um I remember I don't know if you were

400

00:17:24,069 --> 00:17:20,819

going to mention it but the 911 on the

401
00:17:27,289 --> 00:17:24,079
comic book or the newspaper or whatever

402
00:17:30,230 --> 00:17:27,299
they didn't mention September 23rd

403
00:17:32,150 --> 00:17:30,240
no but since it's somewhat famous for

404
00:17:34,370 --> 00:17:32,160
these esoteric things where they where

405
00:17:36,950 --> 00:17:34,380
Bart's holding that document I remember

406
00:17:38,570 --> 00:17:36,960
what it was but it the shape is 911 and

407
00:17:40,310 --> 00:17:38,580
it's the Twin Towers yeah I'll put it up

408
00:17:41,930 --> 00:17:40,320
it was it was a bus advertisement I'll

409
00:17:44,450 --> 00:17:41,940
put it up yeah

410
00:17:46,010 --> 00:17:44,460
um and even recently as Simpsons uh was

411
00:17:48,830 --> 00:17:46,020
pretty good about the The Queen's death

412
00:17:51,710 --> 00:17:48,840
they had the The Queen's death as 2022.

413
00:17:53,570 --> 00:17:51,720

so The Simpsons pretty good track record

414

00:17:56,870 --> 00:17:53,580

here

415

00:17:59,390 --> 00:17:56,880

um and recently a lot of celebrities and

416

00:18:04,070 --> 00:17:59,400

people of note ranging from Mark Ruffalo

417

00:18:06,650 --> 00:18:04,080

to AOC have been uh pretty open about

418

00:18:10,130 --> 00:18:06,660

unsure if they're going to be around

419

00:18:13,850 --> 00:18:10,140

much longer Mario Lopez did he weigh in

420

00:18:16,490 --> 00:18:13,860

not Mario Lopez Mark Ruffalo

421

00:18:18,110 --> 00:18:16,500

Mark Ruffalo the Hulk uh he said hey

422

00:18:20,390 --> 00:18:18,120

I'll keep doing things as long as I'm

423

00:18:21,950 --> 00:18:20,400

around but who knows how long that's

424

00:18:25,549 --> 00:18:21,960

going to be and AOC did an interview

425

00:18:28,370 --> 00:18:25,559

recently stating that she was unsure of

426

00:18:34,070 --> 00:18:28,380

what's going to come of the future

427

00:18:36,770 --> 00:18:34,080

and so uh here is a little bit of what

428

00:18:40,430 --> 00:18:36,780

happened on

429

00:18:42,650 --> 00:18:40,440

this date the 24th of September in the

430

00:18:44,630 --> 00:18:42,660

future or not in the future but uh from

431

00:18:47,630 --> 00:18:44,640

here in the past so here's a historical

432

00:18:49,490 --> 00:18:47,640

events of September 24th and some of the

433

00:18:51,470 --> 00:18:49,500

most notable ones I looked at this

434

00:18:53,630 --> 00:18:51,480

entire list some of the more notable

435

00:18:57,770 --> 00:18:53,640

events that that would happen on the

436

00:19:00,110 --> 00:18:57,780

24th of September where

437

00:19:02,029 --> 00:19:00,120

Atomic test Atomic weapons testing

438

00:19:07,669 --> 00:19:02,039

nuclear weapons testing specifically

439

00:19:09,409 --> 00:19:07,679

underground so uh in 1951 the USSR

440

00:19:11,810 --> 00:19:09,419

performs nuclear test

441

00:19:13,909 --> 00:19:11,820

and just go through here it seems like

442

00:19:15,350 --> 00:19:13,919

the 24th of September is a pretty

443

00:19:19,850 --> 00:19:15,360

popular day

444

00:19:23,810 --> 00:19:19,860

or new nuclear testing uh so 51 is a

445

00:19:27,950 --> 00:19:23,820

nuclear test uh 1960

446

00:19:31,490 --> 00:19:27,960

um first nuclear aircraft uh is launched

447

00:19:34,010 --> 00:19:31,500

and like that underwater volcano erupts

448

00:19:37,370 --> 00:19:34,020

in 52 yeah

449

00:19:42,590 --> 00:19:37,380

uh USS Enterprise what happened to that

450

00:19:45,230 --> 00:19:42,600

and then the 1968 of September 24th 1968

451
00:19:46,130 --> 00:19:45,240
U.S performs nuclear test at Nevada Test

452
00:19:49,669 --> 00:19:46,140
Site

453
00:19:53,470 --> 00:19:49,679
and then in 1978 USSR performs

454
00:19:56,930 --> 00:19:53,480
underground nuclear test and 79

455
00:19:59,930 --> 00:19:56,940
uh another nuclear test by the USSR

456
00:20:01,970 --> 00:19:59,940
and then 81 another nuclear test by U.S

457
00:20:04,029 --> 00:20:01,980
at the Nevada test site and so there's

458
00:20:07,310 --> 00:20:04,039
like the there's about 11

459
00:20:10,130 --> 00:20:07,320
nuclear-related events on this on that

460
00:20:11,330 --> 00:20:10,140
date the 24th of September uh throughout

461
00:20:13,430 --> 00:20:11,340
history

462
00:20:17,150 --> 00:20:13,440
uh and then

463
00:20:19,750 --> 00:20:17,160

um I found this clip I will play this

464

00:20:23,930 --> 00:20:19,760

this is from

465

00:20:25,190 --> 00:20:23,940

uh a podcast this these are the the Sons

466

00:20:27,350 --> 00:20:25,200

of Liberty

467

00:20:31,310 --> 00:20:27,360

and so this guy went back and found the

468

00:20:33,890 --> 00:20:31,320

original speech from the German in

469

00:20:37,430 --> 00:20:33,900

Parliament talking about what was going

470

00:20:40,370 --> 00:20:37,440

on and this is this is his

471

00:20:43,730 --> 00:20:40,380

interpretation of what this means

472

00:20:49,090 --> 00:20:43,740

I'll remember later we will say once

473

00:20:56,090 --> 00:20:52,610

of the war in Ukraine and saw the first

474

00:20:58,190 --> 00:20:56,100

pictures of it okay so that right there

475

00:20:59,750 --> 00:20:58,200

is the context for this whole September

476
00:21:02,510 --> 00:20:59,760
24th stuff

477
00:21:05,330 --> 00:21:02,520
that's the whole context of it

478
00:21:07,490 --> 00:21:05,340
that part was out of the clip

479
00:21:09,590 --> 00:21:07,500
so that's why I went back and added it

480
00:21:11,090 --> 00:21:09,600
in there I was also able to find uh

481
00:21:12,409 --> 00:21:11,100
because I didn't know the guy's name or

482
00:21:14,930 --> 00:21:12,419
any of this stuff and it wasn't coming

483
00:21:16,430 --> 00:21:14,940
up in any of the searches all of the

484
00:21:18,529 --> 00:21:16,440
searches were this mysterious thing

485
00:21:21,710 --> 00:21:18,539
based off this one clip

486
00:21:23,810 --> 00:21:21,720
so Forbes put out

487
00:21:25,310 --> 00:21:23,820
a little part on this and they came to

488
00:21:27,230 --> 00:21:25,320

the same conclusion that I came to when

489

00:21:29,029 --> 00:21:27,240

I did the when I did the update when I

490

00:21:31,490 --> 00:21:29,039

saw the full context of what the guy was

491

00:21:33,350 --> 00:21:31,500

saying and that is following Schultz's

492

00:21:35,570 --> 00:21:33,360

Sunday speech and we'll get to the

493

00:21:39,070 --> 00:21:35,580

substance in a minute Friedrich Mertz

494

00:21:41,690 --> 00:21:39,080

the German opposition leader head of the

495

00:21:43,330 --> 00:21:41,700

cdu-csu alliance also spoke in support

496

00:21:46,010 --> 00:21:43,340

of the government almost unconditionally

497

00:21:48,350 --> 00:21:46,020

merch began with the same grave sense of

498

00:21:50,750 --> 00:21:48,360

marking the moment this 24th September

499

00:21:52,730 --> 00:21:50,760

22 so maybe it was the 24th that he was

500

00:21:55,250 --> 00:21:52,740

speaking instead of the 27th that's what

501
00:21:57,169 --> 00:21:55,260
the date is they had on the this video

502
00:22:01,370 --> 00:21:57,179
the original video here

503
00:22:03,590 --> 00:22:01,380
so in in his estimation is that if you

504
00:22:06,470 --> 00:22:03,600
listen to the full context of the speech

505
00:22:11,270 --> 00:22:06,480
the the guy was talking about the

506
00:22:15,230 --> 00:22:11,280
Russian invasion of Ukraine and that the

507
00:22:16,850 --> 00:22:15,240
person in Parliament simply misspoke and

508
00:22:19,010 --> 00:22:16,860
it has been taken

509
00:22:21,529 --> 00:22:19,020
put out there and people have been

510
00:22:23,630 --> 00:22:21,539
running with it on Twitter and all over

511
00:22:25,970 --> 00:22:23,640
the Internet trying to find other things

512
00:22:28,430 --> 00:22:25,980
that link up to that date but I do think

513
00:22:31,610 --> 00:22:28,440

it's remarkable that people found that

514

00:22:33,950 --> 00:22:31,620

there is a a drill going on in which

515

00:22:35,990 --> 00:22:33,960

that they're going to hire crisis actors

516

00:22:38,510 --> 00:22:36,000

to do some sort of mass casualty event

517

00:22:40,310 --> 00:22:38,520

that's fascinating there's other things

518

00:22:41,990 --> 00:22:40,320

that are interesting like what Joe

519

00:22:44,330 --> 00:22:42,000

brought up last episode about the

520

00:22:46,789 --> 00:22:44,340

Catholic uh Church moving all this money

521

00:22:49,070 --> 00:22:46,799

by the end of the month so there are

522

00:22:51,529 --> 00:22:49,080

other things going on regardless of the

523

00:22:54,350 --> 00:22:51,539

context of that clip um and that's all I

524

00:22:57,890 --> 00:22:54,360

got you hopefully you have more on this

525

00:22:59,750 --> 00:22:57,900

I just have I mean I I A lot of times I

526

00:23:02,810 --> 00:22:59,760

put a lot of stuff together throughout

527

00:23:04,490 --> 00:23:02,820

the you know between shows and today

528

00:23:06,409 --> 00:23:04,500

some stuff started coming up and I was

529

00:23:07,970 --> 00:23:06,419

like okay we might have to do real-time

530

00:23:10,850 --> 00:23:07,980

research on the show

531

00:23:13,549 --> 00:23:10,860

okay can we do that

532

00:23:15,529 --> 00:23:13,559

well you can research I mean I mean

533

00:23:17,330 --> 00:23:15,539

I I want to put it out there for us I

534

00:23:20,450 --> 00:23:17,340

mean it's it is kind of news news news

535

00:23:23,870 --> 00:23:20,460

and I have Clips if I can I'd have to

536

00:23:25,490 --> 00:23:23,880

find stuff in real time but uh I'll I'll

537

00:23:27,590 --> 00:23:25,500

just start dropping stuff in here and

538

00:23:29,690 --> 00:23:27,600

you we you can pick where we want to go

539

00:23:32,149 --> 00:23:29,700

or we can take them one by one is this

540

00:23:34,010 --> 00:23:32,159

related to the 24th of September

541

00:23:36,230 --> 00:23:34,020

it's related to a lot of things

542

00:23:38,029 --> 00:23:36,240

happening in confluences

543

00:23:39,409 --> 00:23:38,039

I do have that Denver story about the

544

00:23:41,570 --> 00:23:39,419

24th yeah let's bring yeah let's let's

545

00:23:43,490 --> 00:23:41,580

look at that one because I do have I

546

00:23:44,810 --> 00:23:43,500

gotta talk about UFOs over Ukraine

547

00:23:46,909 --> 00:23:44,820

because that's very important it's more

548

00:23:48,289 --> 00:23:46,919

significant than just about UFO also do

549

00:23:49,789 --> 00:23:48,299

want to point out regardless of what

550

00:23:51,890 --> 00:23:49,799

happens on the 24th September I know

551

00:23:55,430 --> 00:23:51,900

where we the three of us will be we'll

552

00:23:58,370 --> 00:23:55,440

be doing a showing this show yeah yes

553

00:24:04,310 --> 00:24:01,190

uh yeah so if something happens we'll be

554

00:24:07,610 --> 00:24:04,320

here to talk about it uh so as for the

555

00:24:09,830 --> 00:24:07,620

story about the the bug out bags in

556

00:24:11,930 --> 00:24:09,840

Denver I think they do have like a local

557

00:24:13,549 --> 00:24:11,940

news report here that I will play and

558

00:24:16,370 --> 00:24:13,559

maybe it'll shed some light on

559

00:24:18,230 --> 00:24:16,380

everything that's going on in Denver

560

00:24:20,029 --> 00:24:18,240

these are these bugatt bags are they're

561

00:24:21,890 --> 00:24:20,039

not cheap if they're good ones if

562

00:24:23,930 --> 00:24:21,900

they're if it's like a good bug out bag

563

00:24:25,970 --> 00:24:23,940

then

564

00:24:28,669 --> 00:24:25,980

National preparedness month and Denver

565

00:24:30,710 --> 00:24:28,679

is now handing out free bug out bags to

566

00:24:32,990 --> 00:24:30,720

help you just in case you run into

567

00:24:35,390 --> 00:24:33,000

emergency Lisa D'Souza live at that free

568

00:24:37,010 --> 00:24:35,400

event at the Montebello Rec Center Lisa

569

00:24:38,450 --> 00:24:37,020

all right I asked you last time I need

570

00:24:40,490 --> 00:24:38,460

to know the checklist of everything I

571

00:24:43,310 --> 00:24:40,500

got to put in my bug out bag well I got

572

00:24:45,169 --> 00:24:43,320

a list for you we've got it all ready to

573

00:24:46,430 --> 00:24:45,179

go good morning Ashley so this event

574

00:24:48,350 --> 00:24:46,440

officially opens up here at the

575

00:24:50,930 --> 00:24:48,360

Montbello Rec Center at 10 o'clock this

576

00:24:53,210 --> 00:24:50,940

morning from 10 a.m to 2 you can stop by

577

00:24:54,409 --> 00:24:53,220

and get a free bug out bag just like I

578

00:24:56,990 --> 00:24:54,419

said this is all for National

579

00:24:58,970 --> 00:24:57,000

preparedness month and this is all being

580

00:25:01,010 --> 00:24:58,980

put on by a Denver Emergency Management

581

00:25:02,750 --> 00:25:01,020

all right so let's take a look at some

582

00:25:05,750 --> 00:25:02,760

of the items that you can get for free

583

00:25:08,770 --> 00:25:05,760

by coming by you got batteries looks

584

00:25:12,250 --> 00:25:08,780

like we've got some matches

585

00:25:14,570 --> 00:25:12,260

paper towels toilet paper towels

586

00:25:16,789 --> 00:25:14,580

and then really everything you would

587

00:25:19,250 --> 00:25:16,799

need from a first aid kit as well we've

588

00:25:21,710 --> 00:25:19,260

got hydrogen peroxide Band-Aids other

589

00:25:23,149 --> 00:25:21,720

first aid Essentials flashlights really

590

00:25:25,490 --> 00:25:23,159

all sorts of things that you could

591

00:25:27,649 --> 00:25:25,500

potentially need in an emergency so this

592

00:25:29,930 --> 00:25:27,659

is all sort of a national champion can't

593

00:25:31,610 --> 00:25:29,940

make it out today again it's from 10 a.m

594

00:25:33,890 --> 00:25:31,620

to 2 here at the Montbello rec center

595

00:25:35,750 --> 00:25:33,900

but if you can't make it out today there

596

00:25:38,630 --> 00:25:35,760

is another event happening on Saturday

597

00:25:40,310 --> 00:25:38,640

September 24th so two opportunities to

598

00:25:42,529 --> 00:25:40,320

get these free emergency preparedness

599

00:25:45,890 --> 00:25:42,539

bags that is over at the College View

600

00:25:48,049 --> 00:25:45,900

Rec Center also from 10 a.m to 2. now if

601
00:25:49,789 --> 00:25:48,059
you want to be 100 sure you're going to

602
00:25:52,490 --> 00:25:49,799
be able to get a bag before they run out

603
00:25:55,610 --> 00:25:52,500
you can also go online to reserve these

604
00:25:57,649 --> 00:25:55,620
bags at denver.org Denver ready so

605
00:26:00,590 --> 00:25:57,659
really an important and I think the the

606
00:26:01,850 --> 00:26:00,600
give out the giveaway ends on September

607
00:26:04,909 --> 00:26:01,860
24th

608
00:26:07,610 --> 00:26:04,919
you're [h__\h] me so so

609
00:26:10,250 --> 00:26:07,620
I'm trying denver.org Denver ready I'm

610
00:26:13,130 --> 00:26:10,260
it's not not working I need my bug out

611
00:26:15,289 --> 00:26:13,140
back to what this this article says this

612
00:26:16,610 --> 00:26:15,299
article goes into it so that the Denver

613
00:26:19,549 --> 00:26:16,620

office of emergency management

614

00:26:23,149 --> 00:26:19,559

management is responding to conspiracies

615

00:26:25,010 --> 00:26:23,159

surrounding the bug out bag giveaway

616

00:26:28,970 --> 00:26:25,020

several YouTube videos have circulated

617

00:26:31,070 --> 00:26:28,980

since Denver o m or OEM announced the

618

00:26:33,230 --> 00:26:31,080

giveaway uh quote we have been made

619

00:26:35,090 --> 00:26:33,240

aware of a video that is circulating on

620

00:26:38,510 --> 00:26:35,100

social media by conspiracy theory

621

00:26:40,850 --> 00:26:38,520

Network alleging that our bug out bag

622

00:26:44,930 --> 00:26:40,860

giveaway for National preparedness month

623

00:26:47,269 --> 00:26:44,940

is a result of a known or expected

624

00:26:49,430 --> 00:26:47,279

disaster in Denver

625

00:26:51,049 --> 00:26:49,440

uh the conspiracy theorists said that

626

00:26:54,409 --> 00:26:51,059

Denver's giving away bug out bags

627

00:26:57,710 --> 00:26:54,419

because City officials know oh uh no of

628

00:27:00,350 --> 00:26:57,720

or expect in a disaster to happen in the

629

00:27:03,049 --> 00:27:00,360

city some of the theories some of the

630

00:27:06,409 --> 00:27:03,059

some of the theorists said is because of

631

00:27:10,310 --> 00:27:06,419

the September 24th giveaway date which

632

00:27:11,990 --> 00:27:10,320

will take place from 10 a.m to 2 p.m so

633

00:27:14,330 --> 00:27:12,000

Charlie get down there and give me a bag

634

00:27:16,730 --> 00:27:14,340

please and he's in line right now okay

635

00:27:18,769 --> 00:27:16,740

yeah so they were they were debunking it

636

00:27:21,350 --> 00:27:18,779

by saying they are doing it but it's not

637

00:27:23,149 --> 00:27:21,360

because of that so shut up crisis actors

638

00:27:25,370 --> 00:27:23,159

for no reason well I didn't even know

639

00:27:28,850 --> 00:27:25,380

there was National preparedness month

640

00:27:30,289 --> 00:27:28,860

you're not very prepared Mike uh well I

641

00:27:32,870 --> 00:27:30,299

thought being a prepper was being

642

00:27:35,090 --> 00:27:32,880

considered loony and wrong we've been

643

00:27:37,610 --> 00:27:35,100

told like uh Preppers and people who

644

00:27:40,490 --> 00:27:37,620

prepare for disasters natural or

645

00:27:43,070 --> 00:27:40,500

man-made are lunatics and you shouldn't

646

00:27:44,750 --> 00:27:43,080

do it but now there's there's a national

647

00:27:48,610 --> 00:27:44,760

preparedness month when did this start

648

00:27:51,830 --> 00:27:50,630

or something

649

00:27:53,510 --> 00:27:51,840

I want to look it up national

650

00:27:55,250 --> 00:27:53,520

preparedness month

651
00:27:57,110 --> 00:27:55,260
maybe they want to discourage you so

652
00:27:58,070 --> 00:27:57,120
there's more stuff to go go around for

653
00:27:59,750 --> 00:27:58,080
them

654
00:28:02,210 --> 00:27:59,760
all right Joe you you put some

655
00:28:03,649 --> 00:28:02,220
interesting links in the uh the care

656
00:28:06,710 --> 00:28:03,659
shop there

657
00:28:08,450 --> 00:28:06,720
yeah I put a bunch right yeah just go up

658
00:28:09,950 --> 00:28:08,460
to the top and let's just like take them

659
00:28:11,330 --> 00:28:09,960
one by one some of them are out of order

660
00:28:14,149 --> 00:28:11,340
but maybe we can piece them all together

661
00:28:16,970 --> 00:28:14,159
I think maybe the first one we should

662
00:28:19,490 --> 00:28:16,980
start with uh and it might get us to

663
00:28:21,769 --> 00:28:19,500

work backwards is go to the Washington

664

00:28:26,710 --> 00:28:21,779

examiner I'm going to try to find a clip

665

00:28:33,070 --> 00:28:29,570

I'm trying to go through the clips here

666

00:28:39,710 --> 00:28:35,930

it should be the one on the bottom okay

667

00:28:47,690 --> 00:28:43,190

uh Top members of Congress spotted going

668

00:28:49,789 --> 00:28:47,700

to secure room with CIA director the

669

00:28:50,810 --> 00:28:49,799

bathroom that's some good news on that

670

00:28:52,789 --> 00:28:50,820

front

671

00:28:54,710 --> 00:28:52,799

I guess they're going to a secure room

672

00:28:57,230 --> 00:28:54,720

together okay I'm I'm into the

673

00:28:59,570 --> 00:28:57,240

speculation top lawmakers were seen

674

00:29:04,250 --> 00:28:59,580

going into a sensitive compartmented

675

00:29:06,230 --> 00:29:04,260

information facility or the scif with

676
00:29:07,669 --> 00:29:06,240
CIA director William Burns at the

677
00:29:10,310 --> 00:29:07,679
Capitol on Tuesday

678
00:29:12,830 --> 00:29:10,320
uh house Speaker Nancy Pelosi minority

679
00:29:14,570 --> 00:29:12,840
leader Kevin McCarthy and house

680
00:29:17,090 --> 00:29:14,580
intelligence committee chairman Adam

681
00:29:20,029 --> 00:29:17,100
Schiff were part of the group according

682
00:29:21,169 --> 00:29:20,039
to a tweet from Punchbowl news reporters

683
00:29:23,450 --> 00:29:21,179
okay

684
00:29:26,570 --> 00:29:23,460
uh fascinating intelligent uh two

685
00:29:28,250 --> 00:29:26,580
meetings were taking place Tuesday as a

686
00:29:30,830 --> 00:29:28,260
fire alarm went off prompting a brief

687
00:29:31,730 --> 00:29:30,840
Capital Visitor Center evacuation well

688
00:29:34,669 --> 00:29:31,740

that's

689

00:29:38,230 --> 00:29:34,679

a little weird and coincidental

690

00:29:40,250 --> 00:29:38,240

winter like in spy movies

691

00:29:41,990 --> 00:29:40,260

like typically when there's like a big

692

00:29:43,730 --> 00:29:42,000

meeting and then an alarm goes off

693

00:29:45,710 --> 00:29:43,740

typically like that's when you pass

694

00:29:47,029 --> 00:29:45,720

secrets to one another things that you

695

00:29:48,470 --> 00:29:47,039

don't want other people to see your

696

00:29:50,990 --> 00:29:48,480

passion to one another

697

00:29:52,789 --> 00:29:51,000

interesting that's that's my take on

698

00:29:54,830 --> 00:29:52,799

it's like hey pass the briefcase pass

699

00:29:56,870 --> 00:29:54,840

the shoe over here is the note in the

700

00:29:57,649 --> 00:29:56,880

shoe

701

00:29:59,570 --> 00:29:57,659

um

702

00:30:03,169 --> 00:29:59,580

they were an intelligence committee

703

00:30:05,930 --> 00:30:03,179

meeting and and a gang of eight meeting

704

00:30:09,370 --> 00:30:05,940

with Burns per the

705

00:30:11,810 --> 00:30:09,380

uh axios report reporter okay

706

00:30:14,450 --> 00:30:11,820

try playing the clip because we we kind

707

00:30:17,269 --> 00:30:14,460

of got the idea but this is on this show

708

00:30:18,830 --> 00:30:17,279

that's becoming one of my favorites I've

709

00:30:20,570 --> 00:30:18,840

played I can't remember I think we do a

710

00:30:23,330 --> 00:30:20,580

good show yes it is

711

00:30:25,610 --> 00:30:23,340

yeah so it should be set to a time where

712

00:30:27,049 --> 00:30:25,620

they I think they started off their show

713

00:30:29,510 --> 00:30:27,059

today with this

714

00:30:30,830 --> 00:30:29,520

okay let's we'll try a little bit of

715

00:30:32,389 --> 00:30:30,840

this here we go just Crystal and sugar

716

00:30:35,510 --> 00:30:32,399

top story let's talk about this

717

00:30:38,090 --> 00:30:35,520

something big is happening and we're not

718

00:30:40,970 --> 00:30:38,100

being told exactly what it is yesterday

719

00:30:43,310 --> 00:30:40,980

there was this bizarre meeting

720

00:30:47,450 --> 00:30:43,320

um we understand where the head of the

721

00:30:49,430 --> 00:30:47,460

CIA went to the Capitol Building and got

722

00:30:51,769 --> 00:30:49,440

together with the gang of eight now the

723

00:30:53,990 --> 00:30:51,779

gang of eight are the top lawmakers

724

00:30:57,049 --> 00:30:54,000

right they're sort of meant to sort of

725

00:30:59,029 --> 00:30:57,059

rise above all of the political Fray and

726

00:31:00,710 --> 00:30:59,039

just when there's some sort of a crisis

727

00:31:03,110 --> 00:31:00,720

when there's some sort of a big issue

728

00:31:05,930 --> 00:31:03,120

they get together the gang of eight does

729

00:31:08,750 --> 00:31:05,940

so they met with the head of the CIA and

730

00:31:11,450 --> 00:31:08,760

they met in a private skiff room in the

731

00:31:12,889 --> 00:31:11,460

basement of the Capitol yesterday it was

732

00:31:15,470 --> 00:31:12,899

a really bizarre this meeting was

733

00:31:17,210 --> 00:31:15,480

hastily called according to Jake Sherman

734

00:31:18,649 --> 00:31:17,220

the reporter he's an excellent reporter

735

00:31:20,210 --> 00:31:18,659

from Punchbowl news he used to be a

736

00:31:22,250 --> 00:31:20,220

writer for Politico now he's on it I'm

737

00:31:25,730 --> 00:31:22,260

gonna pause right here so okay typically

738

00:31:28,490 --> 00:31:25,740

the CIA would only want to brief people

739

00:31:30,289 --> 00:31:28,500

if it's a foreign threat correct because

740

00:31:34,010 --> 00:31:30,299

the CIA technically should have nothing

741

00:31:36,169 --> 00:31:34,020

to do with events going on within the

742

00:31:37,549 --> 00:31:36,179

United States no they never do yeah no

743

00:31:40,250 --> 00:31:37,559

no it's supposed to correct me on that

744

00:31:41,870 --> 00:31:40,260

is not allowed to operate agents oh okay

745

00:31:43,549 --> 00:31:41,880

so they're not they have intelligence

746

00:31:45,950 --> 00:31:43,559

about everything okay so they have

747

00:31:48,110 --> 00:31:45,960

intelligence in or out but they can't do

748

00:31:49,789 --> 00:31:48,120

anything within the borders

749

00:31:51,710 --> 00:31:49,799

they can't act on it they hand it off to

750

00:31:53,990 --> 00:31:51,720

domestic agencies such as local law

751
00:31:55,330 --> 00:31:54,000
enforcement FBI think they care anymore

752
00:31:57,769 --> 00:31:55,340
they think

753
00:32:00,169 --> 00:31:57,779
of how they're how they're yeah how the

754
00:32:01,370 --> 00:32:00,179
rules this is this is written down now

755
00:32:02,389 --> 00:32:01,380
all they have to do is just say Trump

756
00:32:04,549 --> 00:32:02,399
and then go to whatever the hell they

757
00:32:06,710 --> 00:32:04,559
want that's true let's finish this club

758
00:32:09,169 --> 00:32:06,720
The Zone with Punchbowl but he broke

759
00:32:12,350 --> 00:32:09,179
this story said Pelosi uh Adam Schiff

760
00:32:16,549 --> 00:32:12,360
McCarthy and burns meaning burns the Mr

761
00:32:19,549 --> 00:32:16,559
Burns Mr Bia are going to the skiff with

762
00:32:21,470 --> 00:32:19,559
uh yeah with Burns and the director uh

763
00:32:22,730 --> 00:32:21,480

with the director Burns in the basement

764

00:32:25,310 --> 00:32:22,740

of the capital

765

00:32:26,990 --> 00:32:25,320

really bizarre and then this is a scent

766

00:32:29,149 --> 00:32:27,000

so the skiff room if you're not familiar

767

00:32:31,190 --> 00:32:29,159

is a sensors departmentalized

768

00:32:33,830 --> 00:32:31,200

information facility that's what it is

769

00:32:35,810 --> 00:32:33,840

which is to give them a briefing they're

770

00:32:37,789 --> 00:32:35,820

giving them some kind of a briefing we

771

00:32:40,010 --> 00:32:37,799

don't know what why won't they tell us

772

00:32:42,409 --> 00:32:40,020

what this is uh when pressed about it

773

00:32:44,149 --> 00:32:42,419

they kept quiet uh what's really bizarre

774

00:32:46,310 --> 00:32:44,159

that at this as this meeting was

775

00:32:48,350 --> 00:32:46,320

actually unfolding yesterday a fire

776

00:32:50,029 --> 00:32:48,360

alarm went off in the building and there

777

00:32:52,669 --> 00:32:50,039

was a brief evacuation of the capital

778

00:32:54,289 --> 00:32:52,679

they went back in and continued these

779

00:32:56,029 --> 00:32:54,299

secret meetings

780

00:32:57,710 --> 00:32:56,039

um so take a look at this this was the

781

00:32:59,029 --> 00:32:57,720

fire alarm going off as you can see

782

00:33:00,409 --> 00:32:59,039

something was going on here in the

783

00:33:03,409 --> 00:33:00,419

basement they had to be kind of shuttled

784

00:33:05,149 --> 00:33:03,419

out you can see all right

785

00:33:07,549 --> 00:33:05,159

um so you want to speculate I'll

786

00:33:09,649 --> 00:33:07,559

speculate right now do it that you want

787

00:33:12,049 --> 00:33:09,659

to get all the data points first or do

788

00:33:13,430 --> 00:33:12,059

you want a spec no speculation I'm gonna

789

00:33:15,350 --> 00:33:13,440

speculate right now and then we'll get

790

00:33:19,070 --> 00:33:15,360

more data points so speculation the CIA

791

00:33:22,130 --> 00:33:19,080

has Intel uh or claim to be Intel that

792

00:33:24,649 --> 00:33:22,140

Russians are working with certain Mega

793

00:33:27,289 --> 00:33:24,659

Republicans for uh some kind of domestic

794

00:33:29,590 --> 00:33:27,299

Terror threat yeah why don't you get the

795

00:33:32,509 --> 00:33:29,600

data points okay

796

00:33:35,269 --> 00:33:32,519

air time okay that's what the show does

797

00:33:37,730 --> 00:33:35,279

yeah okay and there and then they're

798

00:33:40,370 --> 00:33:37,740

gonna go go pee pee on the bed somewhere

799

00:33:43,070 --> 00:33:40,380

yeah more speculation but no

800

00:33:44,690 --> 00:33:43,080

click the Google search because it's I

801
00:33:47,090 --> 00:33:44,700
wonder if it's showing you the same

802
00:33:48,590 --> 00:33:47,100
thing it's shown for me uh the very top

803
00:33:49,730 --> 00:33:48,600
one there's somebody there's links and

804
00:33:52,490 --> 00:33:49,740
no headlines so it's tough for me to

805
00:33:55,190 --> 00:33:52,500
know it's it's a google.com sorry it's

806
00:33:57,110 --> 00:33:55,200
the very last link UTF blah blah blah

807
00:34:01,130 --> 00:33:57,120
blah see what it see what it says if you

808
00:34:03,470 --> 00:34:01,140
have it on screen I have uh Russian oil

809
00:34:04,730 --> 00:34:03,480
Chief who fell no that's not the last

810
00:34:06,889 --> 00:34:04,740
one

811
00:34:08,510 --> 00:34:06,899
okay scroll down

812
00:34:11,149 --> 00:34:08,520
here we go

813
00:34:13,310 --> 00:34:11,159

it looks like the results below are

814

00:34:15,349 --> 00:34:13,320

changing quickly Top members of Congress

815

00:34:17,570 --> 00:34:15,359

spotted going to secure room

816

00:34:20,510 --> 00:34:17,580

Jake Sherman on Twitter Pelosi Schiff

817

00:34:22,310 --> 00:34:20,520

McCarthy basically we know that the

818

00:34:24,290 --> 00:34:22,320

results are changing quickly is when

819

00:34:27,349 --> 00:34:24,300

they're you know it's like when the

820

00:34:28,849 --> 00:34:27,359

black the black cat walks by what are

821

00:34:31,430 --> 00:34:28,859

you searching for

822

00:34:33,530 --> 00:34:31,440

I'm searching for you know Pelosi Schiff

823

00:34:35,930 --> 00:34:33,540

McCarthy blah blah blah blah so

824

00:34:37,129 --> 00:34:35,940

then go to the link above that and this

825

00:34:40,790 --> 00:34:37,139

is something that happened yesterday

826

00:34:42,649 --> 00:34:40,800

Biden made a surprise like you know how

827

00:34:44,089 --> 00:34:42,659

his day is like he basically wakes up

828

00:34:46,369 --> 00:34:44,099

eats an ice cream cone and goes right

829

00:34:48,109 --> 00:34:46,379

back to bed and then that lesbian gives

830

00:34:50,690 --> 00:34:48,119

a press conference and that's the that's

831

00:34:51,409 --> 00:34:50,700

the end of it he's got a he's got a full

832

00:34:53,470 --> 00:34:51,419

day

833

00:34:57,050 --> 00:34:53,480

oh come on

834

00:34:59,810 --> 00:34:57,060

so yesterday he went and made a an

835

00:35:01,730 --> 00:34:59,820

unannounced trip to Delaware

836

00:35:04,010 --> 00:35:01,740

Biden dropped okay this is according to

837

00:35:06,890 --> 00:35:04,020

the headline here Biden drops in on

838

00:35:10,190 --> 00:35:06,900

Delaware to vote in person for primary

839

00:35:11,630 --> 00:35:10,200

okay I mean he he's a he's a Hands-On

840

00:35:13,970 --> 00:35:11,640

kind of guy he wants to get his hands

841

00:35:17,390 --> 00:35:13,980

dirty and go votes okay but he's all

842

00:35:19,490 --> 00:35:17,400

about mail-in ballots until uh you know

843

00:35:21,589 --> 00:35:19,500

well President Joe Biden made a quick

844

00:35:24,050 --> 00:35:21,599

jaunt to his home state on Tuesday

845

00:35:26,329 --> 00:35:24,060

evening to vote in Delaware's primary I

846

00:35:28,550 --> 00:35:26,339

wonder who he voted for

847

00:35:31,490 --> 00:35:28,560

you should ask him uh one of the last

848

00:35:34,130 --> 00:35:31,500

rounds of contests ahead of the November

849

00:35:37,130 --> 00:35:34,140

elections Biden is known for taking any

850

00:35:39,170 --> 00:35:37,140

excuse to escape the white house uh for

851

00:35:41,089 --> 00:35:39,180

his family home but most of his trips

852

00:35:43,609 --> 00:35:41,099

during or during the weekends this time

853

00:35:45,589 --> 00:35:43,619

he and his first he and the first lady

854

00:35:49,069 --> 00:35:45,599

Jill Biden were gone for only a few

855

00:35:51,410 --> 00:35:49,079

hours which still required the usual

856

00:35:53,329 --> 00:35:51,420

assortment of Security motorcades Plus

857

00:35:55,370 --> 00:35:53,339

the flight on Air Force One so okay yeah

858

00:35:56,810 --> 00:35:55,380

apparently it was very expensive and if

859

00:35:58,490 --> 00:35:56,820

you want to keep blasting there's

860

00:36:00,470 --> 00:35:58,500

another one that goes down that's a

861

00:36:02,030 --> 00:36:00,480

little more you know it's just all these

862

00:36:03,470 --> 00:36:02,040

things like what are we what are these

863

00:36:05,750 --> 00:36:03,480

pieces what are we what are we doing

864

00:36:12,310 --> 00:36:07,490

um Google search

865

00:36:17,569 --> 00:36:12,320

so Trump in DC Trump called in to pro

866

00:36:20,210 --> 00:36:17,579

January 6th rally at at the DC Jail

867

00:36:22,670 --> 00:36:20,220

that's the top result I have and so well

868

00:36:24,530 --> 00:36:22,680

no it's actually the I give you the

869

00:36:27,530 --> 00:36:24,540

Google search just to see what goes on

870

00:36:28,910 --> 00:36:27,540

and what we have but um the news this

871

00:36:32,390 --> 00:36:28,920

week was that

872

00:36:34,670 --> 00:36:32,400

uh two days ago Trump's makes a surprise

873

00:36:37,730 --> 00:36:34,680

visit he's been there for a minute

874

00:36:40,490 --> 00:36:37,740

so he he went you saw this right

875

00:36:41,829 --> 00:36:40,500

yeah Trump went to DC he hung around on

876

00:36:45,410 --> 00:36:41,839

the golf course talked to some people

877

00:36:47,390 --> 00:36:45,420

and looked like he was uh he they were

878

00:36:49,250 --> 00:36:47,400

colluding with each other to get their

879

00:36:50,750 --> 00:36:49,260

story straight but it was unannounced

880

00:36:52,490 --> 00:36:50,760

all of it was unannounced you know what

881

00:36:54,290 --> 00:36:52,500

I mean yes

882

00:36:59,030 --> 00:36:54,300

so then

883

00:37:00,589 --> 00:36:59,040

here's one I did get audio from the golf

884

00:37:02,450 --> 00:37:00,599

course and this is what Trump said to

885

00:37:04,010 --> 00:37:02,460

him my mother would say you love trucks

886

00:37:05,150 --> 00:37:04,020

I do

887

00:37:07,250 --> 00:37:05,160

hahaha

888

00:37:09,530 --> 00:37:07,260

he brought everyone together just to say

889

00:37:12,050 --> 00:37:09,540

they always loved trucks

890

00:37:14,270 --> 00:37:12,060

so that's so look at that next one

891

00:37:16,550 --> 00:37:14,280

because boy oh boy we are just stacking

892

00:37:17,990 --> 00:37:16,560

racking and stacking over here okay

893

00:37:21,829 --> 00:37:18,000

breaking

894

00:37:25,130 --> 00:37:21,839

Putin's limousine is hit by a loud bang

895

00:37:27,290 --> 00:37:25,140

impossible attack Russian leader is left

896

00:37:29,930 --> 00:37:27,300

unharmd

897

00:37:31,609 --> 00:37:29,940

wow that's weird is that an

898

00:37:36,069 --> 00:37:31,619

assassination attempt so when did this

899

00:37:36,079 --> 00:37:39,410

I do

900

00:37:44,530 --> 00:37:42,530

that was on the the just a few hours ago

901
00:37:47,329 --> 00:37:44,540
so okay

902
00:37:50,470 --> 00:37:47,339
uh assassination attempt

903
00:37:55,069 --> 00:37:50,480
that's huge okay if that's true

904
00:37:58,550 --> 00:37:55,079
then the 24th of September could mean

905
00:38:00,589 --> 00:37:58,560
a nuclear test or detonation by Russia

906
00:38:02,750 --> 00:38:00,599
that's what I'm well yeah I mean you're

907
00:38:05,270 --> 00:38:02,760
speculating again but but that's what I

908
00:38:08,870 --> 00:38:05,280
do I know go to the next one because

909
00:38:11,030 --> 00:38:08,880
this is all rep rapidly happening you

910
00:38:13,069 --> 00:38:11,040
know around everybody and it's all very

911
00:38:14,630 --> 00:38:13,079
quiet I like I don't even know what

912
00:38:15,710 --> 00:38:14,640
they're talking about on the news right

913
00:38:18,849 --> 00:38:15,720

now

914

00:38:21,710 --> 00:38:18,859

uh the next is a Russian daily

915

00:38:24,589 --> 00:38:21,720

Ivan peppercorn

916

00:38:28,069 --> 00:38:24,599

one of his uh pepper so this is just

917

00:38:30,410 --> 00:38:28,079

this is top stories so uh Putin's man in

918

00:38:32,510 --> 00:38:30,420

the Far East dies in bizarre bizarre

919

00:38:35,450 --> 00:38:32,520

fall from the boat yeah there's been a

920

00:38:37,730 --> 00:38:35,460

lot of uh Russian top Russian guys dying

921

00:38:39,290 --> 00:38:37,740

lately yeah yeah I'm just trying to find

922

00:38:41,329 --> 00:38:39,300

that search because I have it somewhere

923

00:38:42,950 --> 00:38:41,339

how do you how do you die falling from a

924

00:38:45,470 --> 00:38:42,960

boat don't you just hit water at that

925

00:38:47,329 --> 00:38:45,480

point well and one of the guy I know and

926

00:38:49,190 --> 00:38:47,339

one of the other people who died like

927

00:38:51,230 --> 00:38:49,200

fell out of a damn Hospital window

928

00:38:53,650 --> 00:38:51,240

somehow but he was all beaten up I'm

929

00:38:56,690 --> 00:38:53,660

trying to find all these

930

00:38:58,550 --> 00:38:56,700

like right before the show I found all

931

00:38:59,990 --> 00:38:58,560

this crazy [h__\h]

932

00:39:01,849 --> 00:39:00,000

okay

933

00:39:04,490 --> 00:39:01,859

um this is great I'll go down to the

934

00:39:05,810 --> 00:39:04,500

next one down here that you have and

935

00:39:10,910 --> 00:39:05,820

this is uh

936

00:39:13,730 --> 00:39:10,920

China and Russia meeting very soon uh XI

937

00:39:17,089 --> 00:39:13,740

and Putin to discuss Ukraine war at

938

00:39:21,050 --> 00:39:17,099

meeting in at the Kremlin uh Putin Aji

939

00:39:23,750 --> 00:39:21,060

to meet in ubekistan at Key time for

940

00:39:25,609 --> 00:39:23,760

Russia well if they're meeting

941

00:39:28,190 --> 00:39:25,619

I guess it's according to the Kremlin

942

00:39:29,329 --> 00:39:28,200

again are they meeting you Uzbekistan I

943

00:39:31,490 --> 00:39:29,339

guess so

944

00:39:34,069 --> 00:39:31,500

let's see China Z visits Central Asia

945

00:39:36,890 --> 00:39:34,079

ahead of expected meeting with Putin

946

00:39:40,430 --> 00:39:36,900

okay so he's making some stops

947

00:39:42,829 --> 00:39:40,440

uh let's see uh Z to meet Putin in first

948

00:39:44,150 --> 00:39:42,839

trip outside China since covet began

949

00:39:48,290 --> 00:39:44,160

okay

950

00:39:52,790 --> 00:39:50,630

interesting who knows all right all

951
00:39:55,310 --> 00:39:52,800
right so then let's do this this next

952
00:39:56,450 --> 00:39:55,320
one so that's an extension of we're kind

953
00:39:58,310 --> 00:39:56,460
of getting a side track we're going to

954
00:39:59,810 --> 00:39:58,320
go back to I can't find the most recent

955
00:40:01,370 --> 00:39:59,820
one because like I said I got a boatload

956
00:40:03,770 --> 00:40:01,380
of links and I'm just working on the Fly

957
00:40:06,410 --> 00:40:03,780
here but CNBC has this next article

958
00:40:08,390 --> 00:40:06,420
about uh I think it gets up to 11 now

959
00:40:11,390 --> 00:40:08,400
but just to kind of give you an idea

960
00:40:15,589 --> 00:40:11,400
Luke oil chairman which is a Russian

961
00:40:17,810 --> 00:40:15,599
Energy company Ravel mag enough is the

962
00:40:19,970 --> 00:40:17,820
eighth Russian energy executive to die

963
00:40:22,550 --> 00:40:19,980

suddenly on this whole War pretty much

964

00:40:23,990 --> 00:40:22,560

about energy and control and all the

965

00:40:25,270 --> 00:40:24,000

other stuff so

966

00:40:29,270 --> 00:40:25,280

um

967

00:40:32,450 --> 00:40:29,280

right he's dead now probably pretty dead

968

00:40:34,730 --> 00:40:32,460

yeah there's a lot well when you're dead

969

00:40:36,890 --> 00:40:34,740

when they declare you dead I think that

970

00:40:38,690 --> 00:40:36,900

qualifies I mean like I'm saying he's

971

00:40:39,770 --> 00:40:38,700

dead now so you know you just gotta be

972

00:40:41,170 --> 00:40:39,780

careful

973

00:40:43,849 --> 00:40:41,180

probably

974

00:40:45,710 --> 00:40:43,859

before I get you the Bill Gates yes

975

00:40:47,810 --> 00:40:45,720

that's the the Bill Gates recommendation

976

00:40:50,329 --> 00:40:47,820

right now I have a totally unrelated

977

00:40:52,069 --> 00:40:50,339

thing but related to Bill Gates that we

978

00:40:54,770 --> 00:40:52,079

can use to walk away from this whole

979

00:40:57,890 --> 00:40:54,780

segment because it's it's kind of like

980

00:40:59,329 --> 00:40:57,900

you know it's heavy like if if you're

981

00:41:01,130 --> 00:40:59,339

never going to see your family again and

982

00:41:03,530 --> 00:41:01,140

you might have to eat like bugs for the

983

00:41:06,170 --> 00:41:03,540

rest of your life like that's not gonna

984

00:41:09,109 --> 00:41:06,180

be good but um at all at the same time

985

00:41:10,609 --> 00:41:09,119

this one started popping off

986

00:41:12,349 --> 00:41:10,619

okay

987

00:41:14,630 --> 00:41:12,359

it's a Google Search and you can just

988

00:41:16,790 --> 00:41:14,640

maybe pick whatever one you want

989

00:41:20,089 --> 00:41:16,800

to close some tabs here I'm running out

990

00:41:21,410 --> 00:41:20,099

of tabs uh and this is what uh how do

991

00:41:24,530 --> 00:41:21,420

you know how to pronounce it some

992

00:41:27,230 --> 00:41:24,540

Russian Province Armenian Azure by John

993

00:41:29,510 --> 00:41:27,240

uh Archer by John okay and some of the

994

00:41:32,510 --> 00:41:29,520

headlines here Armenia algebrazan

995

00:41:34,130 --> 00:41:32,520

clashes test Russia's support for

996

00:41:39,290 --> 00:41:34,140

regional Ally

997

00:41:42,710 --> 00:41:39,300

U.S concern Russia May arm Armenia

998

00:41:45,829 --> 00:41:42,720

uh Armenian or Armenia out in Azerbaijan

999

00:41:47,810 --> 00:41:45,839

Clash Rises fears of broader

1000

00:41:51,050 --> 00:41:47,820

a broader conflict so we're talking

1001

00:41:53,089 --> 00:41:51,060

about not just the conflict within uh

1002

00:41:55,849 --> 00:41:53,099

Ukraine and Russia right there it is a

1003

00:41:58,490 --> 00:41:55,859

it's it's going regional

1004

00:42:00,530 --> 00:41:58,500

that's what I'm picking up here right

1005

00:42:02,569 --> 00:42:00,540

yeah I mean it's you know you got to

1006

00:42:04,609 --> 00:42:02,579

think about the two-front war aspect and

1007

00:42:07,790 --> 00:42:04,619

who's benefiting and why did this pop

1008

00:42:09,410 --> 00:42:07,800

off now I think turkey was it turkey's

1009

00:42:12,230 --> 00:42:09,420

trying to negotiate something with this

1010

00:42:15,230 --> 00:42:12,240

or wasn't there there's something else

1011

00:42:16,910 --> 00:42:15,240

like turkey

1012

00:42:18,230 --> 00:42:16,920

and turkey was trying I don't know if

1013

00:42:19,970 --> 00:42:18,240

they were trying to negotiate this one

1014

00:42:23,030 --> 00:42:19,980

but there was another one that was going

1015

00:42:25,790 --> 00:42:23,040

on someone was it Grease

1016

00:42:28,690 --> 00:42:25,800

uh I don't know but there's there's

1017

00:42:32,390 --> 00:42:28,700

another one going on sorry

1018

00:42:37,370 --> 00:42:34,609

however the the idea being that there's

1019

00:42:40,970 --> 00:42:37,380

all this crap going on all at one time

1020

00:42:44,630 --> 00:42:40,980

you know it if it's ever been

1021

00:42:46,430 --> 00:42:44,640

untenable and my lifetime I would say

1022

00:42:47,810 --> 00:42:46,440

this is the most untenable it's ever

1023

00:42:49,790 --> 00:42:47,820

been

1024

00:42:51,230 --> 00:42:49,800

when yeah I'm trying to figure out when

1025

00:42:53,990 --> 00:42:51,240

it was tenable

1026

00:42:56,089 --> 00:42:54,000

uh but this is

1027

00:42:58,490 --> 00:42:56,099

um yeah there's a lot of stuff popping

1028

00:43:00,530 --> 00:42:58,500

off there's a ton of stuff popping off I

1029

00:43:03,710 --> 00:43:00,540

I do find the meeting between this the

1030

00:43:05,030 --> 00:43:03,720

CIA and the gang of eight to be very

1031

00:43:06,770 --> 00:43:05,040

concerning

1032

00:43:09,890 --> 00:43:06,780

uh what does Adam Schiff gonna

1033

00:43:11,510 --> 00:43:09,900

contribute to anything I don't know huh

1034

00:43:13,849 --> 00:43:11,520

I do have something related to the

1035

00:43:15,470 --> 00:43:13,859

conflict I'll I'll bring it up unless

1036

00:43:16,849 --> 00:43:15,480

you are you done with your barrage no no

1037

00:43:18,349 --> 00:43:16,859

no just tell me when you want to get out

1038

00:43:20,390 --> 00:43:18,359

of here because I've got one more clip

1039

00:43:23,030 --> 00:43:20,400

and it's somewhat happy but it's also

1040

00:43:24,170 --> 00:43:23,040

just a reminder of where we are uh well

1041

00:43:25,430 --> 00:43:24,180

let's get out of here let's play the

1042

00:43:26,690 --> 00:43:25,440

Happy clip and we'll move on we gotta

1043

00:43:28,490 --> 00:43:26,700

Circle back we'll Circle back you know

1044

00:43:30,710 --> 00:43:28,500

how we do it

1045

00:43:33,349 --> 00:43:30,720

I'll bring this up on the screen because

1046

00:43:35,390 --> 00:43:33,359

honestly you this should be concerning

1047

00:43:39,230 --> 00:43:35,400

what I'm going to talk about here

1048

00:43:40,670 --> 00:43:39,240

it's is it the UFOs yeah

1049

00:43:41,450 --> 00:43:40,680

I think we can talk more about naked

1050

00:43:48,109 --> 00:43:41,460

boys

1051
00:43:50,089 --> 00:43:48,119
being beamed out of UFOs this is more

1052
00:43:52,970 --> 00:43:50,099
concerning I'll explain why

1053
00:43:55,190 --> 00:43:52,980
so uh here's the headline here uh

1054
00:43:59,050 --> 00:43:55,200
Ukraine's astronomers report that they

1055
00:44:02,210 --> 00:43:59,060
are having they have been seeing UFOs

1056
00:44:04,430 --> 00:44:02,220
everywhere over Ukraine

1057
00:44:06,410 --> 00:44:04,440
uh an ongoing research effort to observe

1058
00:44:07,910 --> 00:44:06,420
and document uaps over Ukraine has

1059
00:44:10,790 --> 00:44:07,920
reportedly turned up quite a lot of

1060
00:44:14,349 --> 00:44:10,800
sightings study which is being conducted

1061
00:44:17,329 --> 00:44:14,359
by astronomers from the main Astro

1062
00:44:19,730 --> 00:44:17,339
astrological Observatory at the National

1063
00:44:22,910 --> 00:44:19,740

Academy of Science in Ukraine have been

1064

00:44:26,270 --> 00:44:22,920

using two meteor stations uh situated in

1065

00:44:28,849 --> 00:44:26,280

Kiev and another town to look at and

1066

00:44:31,430 --> 00:44:28,859

look for UFOs given that Ukraine is in a

1067

00:44:34,250 --> 00:44:31,440

war zone is perhaps not unexpected that

1068

00:44:35,990 --> 00:44:34,260

there should be a lot of planes drones

1069

00:44:38,030 --> 00:44:36,000

and other aerial Vehicles frequently

1070

00:44:40,010 --> 00:44:38,040

frequenting disguise over the country

1071

00:44:42,050 --> 00:44:40,020

but as it turns out researchers have

1072

00:44:44,750 --> 00:44:42,060

been documenting a significant number of

1073

00:44:46,730 --> 00:44:44,760

objects whose nature is not clear the

1074

00:44:50,089 --> 00:44:46,740

paper's authors describe two categories

1075

00:44:52,370 --> 00:44:50,099

of uap's cosmic which uh are very

1076

00:44:54,829 --> 00:44:52,380

luminous objects brighter than a star

1077

00:44:57,710 --> 00:44:54,839

and Phantoms very dark objects that

1078

00:45:00,050 --> 00:44:57,720

appear black against the night sky

1079

00:45:03,650 --> 00:45:00,060

these objects were detected numerous

1080

00:45:06,650 --> 00:45:03,660

times often in groups of several at a

1081

00:45:08,530 --> 00:45:06,660

time researchers also recorded some of

1082

00:45:11,809 --> 00:45:08,540

the moving at considerable speeds

1083

00:45:13,910 --> 00:45:11,819

flights of a single group or Squadron of

1084

00:45:19,010 --> 00:45:13,920

the ships were detected moving speeds

1085

00:45:21,230 --> 00:45:19,020

bring uh from 3 to 15 degrees per second

1086

00:45:24,290 --> 00:45:21,240

some I don't know what that means 3 to

1087

00:45:26,450 --> 00:45:24,300

15 degrees per second

1088

00:45:29,809 --> 00:45:26,460

um some bright objects exhibited regular

1089

00:45:32,930 --> 00:45:29,819

brightness variability in a range of 10

1090

00:45:36,950 --> 00:45:32,940

to 20 Hertz two site observations of UAP

1091

00:45:38,750 --> 00:45:36,960

at a base of 120 kilometers with two

1092

00:45:42,170 --> 00:45:38,760

synchronous cameras allowed the

1093

00:45:45,770 --> 00:45:42,180

detection of a variable object at a

1094

00:45:48,650 --> 00:45:45,780

latitude of 1100 kilometers

1095

00:45:50,750 --> 00:45:48,660

uh it flashes for 100th of a second on

1096

00:45:54,530 --> 00:45:50,760

average so they have all these readouts

1097

00:45:57,589 --> 00:45:54,540

of all these uaps UFOs that are

1098

00:45:58,790 --> 00:45:57,599

occupying the same airspace as Ukrainian

1099

00:46:04,790 --> 00:45:58,800

military

1100

00:46:07,130 --> 00:46:04,800

in the sky I believe at this point that

1101

00:46:08,930 --> 00:46:07,140

the United States has deployed its

1102

00:46:10,550 --> 00:46:08,940

Wonder Weapons

1103

00:46:13,430 --> 00:46:10,560

um if you remember months ago we read

1104

00:46:15,530 --> 00:46:13,440

about a flap of UFO sightings in uh

1105

00:46:17,569 --> 00:46:15,540

Great Britain at the time it was just

1106

00:46:18,829 --> 00:46:17,579

when the uh the Ukraine war kind of

1107

00:46:22,130 --> 00:46:18,839

kicked off and it's like ah it looks

1108

00:46:24,770 --> 00:46:22,140

like they're maybe moving uh these weird

1109

00:46:26,450 --> 00:46:24,780

Technologies into place for use in

1110

00:46:28,550 --> 00:46:26,460

Ukraine and I think that's what's

1111

00:46:31,309 --> 00:46:28,560

happening here I think that a lot of

1112

00:46:33,589 --> 00:46:31,319

this UFO technology that was locked up

1113

00:46:35,390 --> 00:46:33,599

like at dunk works and all these other

1114

00:46:37,670 --> 00:46:35,400

defense contractors well they got some

1115

00:46:39,349 --> 00:46:37,680

stuff that's useful they it is now in

1116

00:46:41,329 --> 00:46:39,359

possession of the United States Air

1117

00:46:43,970 --> 00:46:41,339

Force and they are deploying it to

1118

00:46:45,890 --> 00:46:43,980

dominate the Skies over the Ukraine and

1119

00:46:48,890 --> 00:46:45,900

to send a signal to Russia that you

1120

00:46:50,030 --> 00:46:48,900

can't do anything in the air over here I

1121

00:46:52,730 --> 00:46:50,040

think that's exactly what's Happening

1122

00:46:57,050 --> 00:46:53,270

um

1123

00:47:01,250 --> 00:46:57,060

it is basically a sign a signal to both

1124

00:47:04,670 --> 00:47:01,260

China and Russia that we have deployed

1125

00:47:06,770 --> 00:47:04,680

crazy technology and if you remember I

1126
00:47:09,230 --> 00:47:06,780
would believe it was like five years ago

1127
00:47:13,130 --> 00:47:09,240
there was footage that came out of Iran

1128
00:47:16,790 --> 00:47:13,140
of a UFO strafing right across the front

1129
00:47:19,670 --> 00:47:16,800
of some anti-aircraft uh artillery and

1130
00:47:23,329 --> 00:47:19,680
it zoomed off it it was it looked like a

1131
00:47:26,150 --> 00:47:23,339
very large glowing orb that strafed

1132
00:47:30,109 --> 00:47:26,160
right across the Iranian military then

1133
00:47:33,230 --> 00:47:30,119
in 2019 there were some very clear 4K

1134
00:47:36,410 --> 00:47:33,240
footage out of Utah of a UFO coming over

1135
00:47:38,030 --> 00:47:36,420
a hill and zooming past the camera and

1136
00:47:41,270 --> 00:47:38,040
there's speculation at a time that that

1137
00:47:43,550 --> 00:47:41,280
was either Navy or Air Force related

1138
00:47:46,309 --> 00:47:43,560

because of where that footage was shot

1139

00:47:48,470 --> 00:47:46,319

in relation to a military base

1140

00:47:52,670 --> 00:47:48,480

now we're seeing the same objects in the

1141

00:47:55,910 --> 00:47:52,680

sky over Ukraine uh in 2017 you have the

1142

00:47:57,890 --> 00:47:55,920

USS Nimitz and the Tic Tac which by all

1143

00:48:01,609 --> 00:47:57,900

accounts at this point you got to assume

1144

00:48:03,710 --> 00:48:01,619

that Tic Tac clear footage that is

1145

00:48:05,390 --> 00:48:03,720

that's our technology that's our

1146

00:48:07,069 --> 00:48:05,400

technique it's not alien technology that

1147

00:48:09,890 --> 00:48:07,079

is our technology that they were testing

1148

00:48:11,870 --> 00:48:09,900

out in some training scenario and that

1149

00:48:14,089 --> 00:48:11,880

footage was leaked it was not officially

1150

00:48:16,370 --> 00:48:14,099

released by the Navy because the Navy

1151

00:48:18,890 --> 00:48:16,380

has refused to at least release any

1152

00:48:21,589 --> 00:48:18,900

additional footage or fear that could

1153

00:48:23,930 --> 00:48:21,599

compromise National Security

1154

00:48:26,270 --> 00:48:23,940

and so I think the all the the those

1155

00:48:27,170 --> 00:48:26,280

weapons over there uh add UFOs to it

1156

00:48:29,390 --> 00:48:27,180

that's what they got over there in

1157

00:48:31,609 --> 00:48:29,400

Ukraine and

1158

00:48:33,230 --> 00:48:31,619

the US is doing much more than just

1159

00:48:34,849 --> 00:48:33,240

giving money to your cranes they got

1160

00:48:39,109 --> 00:48:34,859

boots on the ground and they got UFOs in

1161

00:48:42,530 --> 00:48:41,270

that's it don't believe me fine it's

1162

00:48:45,170 --> 00:48:42,540

true

1163

00:48:47,390 --> 00:48:45,180

I mean it's all happening it's [h__h]

1164

00:48:50,870 --> 00:48:47,400

happening is what I'm saying

1165

00:48:53,270 --> 00:48:50,880

it's all happening

1166

00:48:55,069 --> 00:48:53,280

sorry it's a family show so there was a

1167

00:48:57,589 --> 00:48:55,079

uh there was a book written

1168

00:48:59,150 --> 00:48:57,599

um about 35 years ago called Red Storm

1169

00:49:00,050 --> 00:48:59,160

Rising about a

1170

00:49:02,569 --> 00:49:00,060

um

1171

00:49:03,650 --> 00:49:02,579

it was a Tom Clancy and Mark greeney I

1172

00:49:05,630 --> 00:49:03,660

can't remember who wrote that just two

1173

00:49:09,290 --> 00:49:05,640

people read it uh it was about a

1174

00:49:10,849 --> 00:49:09,300

theoretical uh World War III and the mid

1175

00:49:13,309 --> 00:49:10,859

to late 1980s and what that would look

1176
00:49:14,569 --> 00:49:13,319
like and one of the things they used was

1177
00:49:15,770 --> 00:49:14,579
there's a chapter I specifically

1178
00:49:17,569 --> 00:49:15,780
remember the name of it called night of

1179
00:49:20,329 --> 00:49:17,579
the Frisbees and it was talking about

1180
00:49:24,710 --> 00:49:20,339
the U.S using their Advanced unproven

1181
00:49:28,490 --> 00:49:24,720
Area 51 stealth interceptors as

1182
00:49:29,930 --> 00:49:28,500
um uh uh Airborne penetrators past Enemy

1183
00:49:31,670 --> 00:49:29,940
Lines because they could not be picked

1184
00:49:33,650 --> 00:49:31,680
up on radar and things like that so this

1185
00:49:36,109 --> 00:49:33,660
all predated the stealth programs the

1186
00:49:38,510 --> 00:49:36,119
predated the pub the public knowledge of

1187
00:49:40,010 --> 00:49:38,520
the stealth program but to your exact

1188
00:49:42,829 --> 00:49:40,020

point they were using

1189

00:49:44,870 --> 00:49:42,839

the advanced planes that would be

1190

00:49:46,309 --> 00:49:44,880

ordinarily captured you know Aurora

1191

00:49:47,930 --> 00:49:46,319

program style things will be captured as

1192

00:49:51,770 --> 00:49:47,940

unknown

1193

00:49:53,990 --> 00:49:51,780

phenomenon and they were using those in

1194

00:49:56,809 --> 00:49:54,000

a war game scenario

1195

00:49:59,329 --> 00:49:56,819

um because they the enemy couldn't you

1196

00:50:01,370 --> 00:49:59,339

know uh had had no recourse basically so

1197

00:50:03,230 --> 00:50:01,380

having tough time tracking them they

1198

00:50:05,990 --> 00:50:03,240

have uh really good they have probably

1199

00:50:07,849 --> 00:50:06,000

Optical Stealth at that point and just a

1200

00:50:11,150 --> 00:50:07,859

weird propulsion systems that allow them

1201

00:50:12,950 --> 00:50:11,160

just to not be targeted uh I I I

1202

00:50:15,589 --> 00:50:12,960

sincerely believe that's kind of what's

1203

00:50:17,569 --> 00:50:15,599

Happening Here If if all the other stuff

1204

00:50:19,010 --> 00:50:17,579

that we mentioned Joe is is definitely

1205

00:50:21,230 --> 00:50:19,020

happening there's there's news headlines

1206

00:50:23,630 --> 00:50:21,240

there are people talking about it we got

1207

00:50:25,370 --> 00:50:23,640

to get we got to go a little bit further

1208

00:50:27,290 --> 00:50:25,380

because that's what this world has

1209

00:50:29,990 --> 00:50:27,300

taught us is that you have to take it

1210

00:50:31,970 --> 00:50:30,000

one step further uh and go to some

1211

00:50:35,050 --> 00:50:31,980

lunacy and in there there's going to be

1212

00:50:37,609 --> 00:50:35,060

some approximation of reality and truth

1213

00:50:39,230 --> 00:50:37,619

and uh I think that's where we're at I

1214

00:50:41,809 --> 00:50:39,240

mean you think this world's crazy I

1215

00:50:43,790 --> 00:50:41,819

don't think you've seen anything yet

1216

00:50:46,970 --> 00:50:43,800

um

1217

00:50:50,990 --> 00:50:48,230

it's not like they're going to come out

1218

00:50:53,329 --> 00:50:51,000

and say yeah we deployed UFO technology

1219

00:50:56,150 --> 00:50:53,339

we deploy these Advanced Fighters they

1220

00:50:58,190 --> 00:50:56,160

might but if you remember I I'm sorry I

1221

00:51:01,390 --> 00:50:58,200

keep saying if you remember but

1222

00:51:04,430 --> 00:51:01,400

um uh you remember

1223

00:51:07,130 --> 00:51:04,440

but uh there's like there's been this

1224

00:51:11,870 --> 00:51:07,140

slow dribble of this stuff on Twitter

1225

00:51:14,150 --> 00:51:11,880

ranging from uh weird like black kind of

1226

00:51:17,809 --> 00:51:14,160

like Delta shaped aircraft that was

1227

00:51:19,549 --> 00:51:17,819

filmed leaving like like a an Air Force

1228

00:51:22,010 --> 00:51:19,559

Base and it looked like pretty advanced

1229

00:51:25,490 --> 00:51:22,020

stuff uh there's clear photographs now

1230

00:51:28,910 --> 00:51:25,500

much more clear photographs of UFOs yeah

1231

00:51:30,770 --> 00:51:28,920

so it's like this slow drip to get

1232

00:51:35,030 --> 00:51:30,780

people acclimated to the possibility

1233

00:51:36,950 --> 00:51:35,040

that this technology is there the only

1234

00:51:38,510 --> 00:51:36,960

question is who is in control of it I

1235

00:51:40,010 --> 00:51:38,520

believe the United States Air Force is

1236

00:51:41,809 --> 00:51:40,020

finally in control of it and is

1237

00:51:43,250 --> 00:51:41,819

deploying it maybe in conjunction with

1238

00:51:45,410 --> 00:51:43,260

the Navy but

1239

00:51:48,589 --> 00:51:45,420

I don't know what the role the U.S Navy

1240

00:51:50,089 --> 00:51:48,599

has in as with the uh you can't Ukraine

1241

00:51:51,770 --> 00:51:50,099

conflict

1242

00:51:56,230 --> 00:51:51,780

all right just uh we'll go over there

1243

00:52:00,290 --> 00:51:58,370

614-388-9109 I'm gonna open the phones

1244

00:52:01,730 --> 00:52:00,300

up now let's go ahead and take the phone

1245

00:52:03,410 --> 00:52:01,740

calls or you can escape directly in if

1246

00:52:05,750 --> 00:52:03,420

you so choose

1247

00:52:09,170 --> 00:52:05,760

uh we covered so many different things

1248

00:52:10,849 --> 00:52:09,180

here let's let's recap on the 24th of

1249

00:52:13,069 --> 00:52:10,859

September something may or may not

1250

00:52:18,109 --> 00:52:15,770

um the meaning that the CIA had with

1251
00:52:21,710 --> 00:52:18,119
Pelosi and a couple of Republicans may

1252
00:52:23,690 --> 00:52:21,720
or may not have anything to do with the

1253
00:52:25,609 --> 00:52:23,700
possible assassination attempt on

1254
00:52:26,329 --> 00:52:25,619
Vladimir Putin am I correct on that one

1255
00:52:28,430 --> 00:52:26,339
Joe

1256
00:52:30,230 --> 00:52:28,440
I think it just has something to do with

1257
00:52:31,609 --> 00:52:30,240
something that's again why did I say

1258
00:52:32,990 --> 00:52:31,619
don't speculate put all these pieces

1259
00:52:34,309 --> 00:52:33,000
together what the [h__\h] does it mean I

1260
00:52:37,549 --> 00:52:34,319
don't know something's going on

1261
00:52:41,569 --> 00:52:37,559
something's going on wrong nothing's

1262
00:52:43,670 --> 00:52:41,579
going on everything's business as usual

1263
00:52:44,990 --> 00:52:43,680

right I don't know maybe it's not it's

1264

00:52:47,870 --> 00:52:45,000

something Goofy's going on that's for

1265

00:52:50,329 --> 00:52:47,880

sure uh and with the uh the most recent

1266

00:52:53,510 --> 00:52:50,339

uh news that there could be a Railroad

1267

00:52:55,910 --> 00:52:53,520

Strike coming up yes uh the the unions

1268

00:52:58,549 --> 00:52:55,920

are not coming in uh the unions are not

1269

00:53:01,670 --> 00:52:58,559

agreeing with the proposed uh settlement

1270

00:53:04,670 --> 00:53:01,680

and so we could have a a giant Railroad

1271

00:53:07,670 --> 00:53:04,680

Strike here by a week's end

1272

00:53:11,870 --> 00:53:07,680

caller you're on the air

1273

00:53:14,150 --> 00:53:11,880

hey can you hear me yeah we can hear you

1274

00:53:17,150 --> 00:53:14,160

all right hello

1275

00:53:20,450 --> 00:53:17,160

um do you know hey can you give me a

1276

00:53:22,790 --> 00:53:20,460

hold of uh Sean Stone can I get you a

1277

00:53:24,829 --> 00:53:22,800

hold of him

1278

00:53:26,809 --> 00:53:24,839

yeah I need to get his number you need

1279

00:53:29,510 --> 00:53:26,819

his number for what I can't just give

1280

00:53:31,849 --> 00:53:29,520

out people's numbers

1281

00:53:34,849 --> 00:53:31,859

he gives me money he owes you money how

1282

00:53:39,770 --> 00:53:38,210

Grand okay well uh tell you what give me

1283

00:53:42,770 --> 00:53:39,780

an email and I'll put you in contact

1284

00:53:44,690 --> 00:53:42,780

with Sean Stone yeah

1285

00:53:46,730 --> 00:53:44,700

yeah he made some or he was going to

1286

00:53:50,510 --> 00:53:46,740

make some movie out here and he had us

1287

00:53:52,190 --> 00:53:50,520

work and he didn't pay us really

1288

00:53:54,470 --> 00:53:52,200

would have been cool yeah it would have

1289

00:53:55,730 --> 00:53:54,480

been cool I was making Mothman

1290

00:53:57,890 --> 00:53:55,740

um

1291

00:54:00,530 --> 00:53:57,900

Wendigo

1292

00:54:03,349 --> 00:54:00,540

all sorts of monsters so he had you uh

1293

00:54:06,349 --> 00:54:03,359

do work on a production for movies and

1294

00:54:12,230 --> 00:54:09,950

yeah he did some like uh

1295

00:54:14,030 --> 00:54:12,240

like all the money didn't go through so

1296

00:54:16,010 --> 00:54:14,040

everyone was working on it and it just

1297

00:54:20,270 --> 00:54:16,020

uh shut down fell through so how much

1298

00:54:25,670 --> 00:54:21,950

but

1299

00:54:27,230 --> 00:54:25,680

two weeks two weeks of time so that's a

1300

00:54:29,329 --> 00:54:27,240

that's a few thousand dollars that he

1301

00:54:32,690 --> 00:54:29,339

owes you right

1302

00:54:36,109 --> 00:54:32,700

so you said two yeah yeah

1303

00:54:38,630 --> 00:54:36,119

okay did you try hiring a goon squad

1304

00:54:40,549 --> 00:54:38,640

yeah they they respond well to goon

1305

00:54:42,829 --> 00:54:40,559

squads

1306

00:54:46,270 --> 00:54:42,839

not The Geek Squad because they're just

1307

00:54:48,890 --> 00:54:46,280

gonna find child porn on your computer

1308

00:54:50,990 --> 00:54:48,900

well I can get you his email address

1309

00:54:52,730 --> 00:54:51,000

that's the I don't per I personally do

1310

00:54:54,230 --> 00:54:52,740

not have his telephone number but I

1311

00:54:56,329 --> 00:54:54,240

probably could get his email address for

1312

00:54:58,790 --> 00:54:56,339

you who talks to people on the phone

1313

00:55:01,370 --> 00:54:58,800

anymore yeah I don't know

1314

00:55:03,490 --> 00:55:01,380

all I do is sext and send dick pics over

1315

00:55:06,230 --> 00:55:03,500

airdrop on the air like a year ago so

1316

00:55:07,730 --> 00:55:06,240

yeah I know it's like a year ago but

1317

00:55:10,430 --> 00:55:07,740

still I mean if you want some sort of

1318

00:55:12,470 --> 00:55:10,440

resolution and uh I understand that you

1319

00:55:15,710 --> 00:55:12,480

just time times money as they say

1320

00:55:21,650 --> 00:55:18,109

okay well hey email me I'll send you his

1321

00:55:27,130 --> 00:55:24,530

yeah all right maybe all right man

1322

00:55:29,390 --> 00:55:27,140

right this is the Vendetta show

1323

00:55:31,270 --> 00:55:29,400

any other personal favors you can help

1324

00:55:34,849 --> 00:55:31,280

people out with yeah

1325

00:55:36,890 --> 00:55:34,859

legs for anybody or um

1326

00:55:38,750 --> 00:55:36,900

can we come over and wash your car you

1327

00:55:41,390 --> 00:55:38,760

know like a horse thrown into anybody's

1328

00:55:43,069 --> 00:55:41,400

bed or something like that possibly like

1329

00:55:45,049 --> 00:55:43,079

a dead horse like a horse head not a

1330

00:55:46,609 --> 00:55:45,059

live one that'd be awesome specify I got

1331

00:55:48,670 --> 00:55:46,619

life horses ready to go I want you to

1332

00:55:52,549 --> 00:55:48,680

put a horse in this guy's bed

1333

00:55:56,630 --> 00:55:52,559

he's into it he likes that stuff the

1334

00:55:59,089 --> 00:55:56,640

horse likes it too I owe him a favor

1335

00:56:01,329 --> 00:55:59,099

uh Carl you're on Revenge hotline go

1336

00:56:07,069 --> 00:56:04,370

oh dear

1337

00:56:09,470 --> 00:56:07,079

um pause I was calling um

1338

00:56:13,130 --> 00:56:09,480

I've had a slightly paranormal

1339

00:56:16,430 --> 00:56:13,140

experience recently I saw I saw orb

1340

00:56:21,069 --> 00:56:16,440

first first time ever I I saw like a a

1341

00:56:25,730 --> 00:56:24,230

uh sort of like

1342

00:56:29,089 --> 00:56:25,740

whitish

1343

00:56:33,589 --> 00:56:29,099

yellow orange we're standing next to a

1344

00:56:38,990 --> 00:56:36,530

no I was way out in the woods

1345

00:56:42,290 --> 00:56:39,000

um watch the sunset

1346

00:56:45,049 --> 00:56:42,300

and and then I was I was watching this

1347

00:56:47,690 --> 00:56:45,059

plane come towards me and it seemed very

1348

00:56:49,790 --> 00:56:47,700

peculiar

1349

00:56:53,510 --> 00:56:49,800

just like the direction that it was

1350

00:56:55,309 --> 00:56:53,520

coming and the way that it was lit

1351
00:56:57,829 --> 00:56:55,319
and then it

1352
00:57:00,710 --> 00:56:57,839
like it I could see like it looked like

1353
00:57:03,710 --> 00:57:00,720
it was coming to me like

1354
00:57:03,720 --> 00:57:07,309
now

1355
00:57:12,470 --> 00:57:10,250
yeah how close did it get

1356
00:57:14,630 --> 00:57:12,480
well it was it was just on the horizon

1357
00:57:17,270 --> 00:57:14,640
and so it was it was like a false

1358
00:57:20,809 --> 00:57:17,280
Horizon because I was I was looking up

1359
00:57:23,930 --> 00:57:20,819
at sort of like a range of mountains so

1360
00:57:26,510 --> 00:57:23,940
you know the sun set but maybe like an

1361
00:57:28,490 --> 00:57:26,520
hour and a half earlier than like the

1362
00:57:30,290 --> 00:57:28,500
actual sunset

1363
00:57:32,030 --> 00:57:30,300

but it was like this plane that was

1364

00:57:34,490 --> 00:57:32,040

coming straight at me

1365

00:57:36,470 --> 00:57:34,500

for the longest time and it never like

1366

00:57:38,329 --> 00:57:36,480

got closer

1367

00:57:40,670 --> 00:57:38,339

and then all of a sudden it started

1368

00:57:43,970 --> 00:57:40,680

tracking like like directly like South

1369

00:57:45,770 --> 00:57:43,980

like it just changed Direction but it

1370

00:57:49,490 --> 00:57:45,780

stayed in the same

1371

00:57:51,349 --> 00:57:49,500

like this the same framework of of the

1372

00:57:53,690 --> 00:57:51,359

horizon

1373

00:57:56,150 --> 00:57:53,700

so did you did you and that's when I

1374

00:57:58,130 --> 00:57:56,160

really took notice

1375

00:57:59,329 --> 00:57:58,140

and it went behind a tree and it just

1376

00:58:02,210 --> 00:57:59,339

disappeared

1377

00:58:05,630 --> 00:58:02,220

so how like so it's it was quite a

1378

00:58:08,030 --> 00:58:05,640

distance away miles away correct

1379

00:58:11,390 --> 00:58:08,040

yeah yeah yeah I would say you know

1380

00:58:14,450 --> 00:58:11,400

maybe like 2 000 feet up okay

1381

00:58:16,069 --> 00:58:14,460

and you know maybe maybe you know like I

1382

00:58:18,589 --> 00:58:16,079

could see it coming for miles away it

1383

00:58:21,410 --> 00:58:18,599

felt like I mean but it never got any

1384

00:58:23,329 --> 00:58:21,420

closer it just it changed like

1385

00:58:26,770 --> 00:58:23,339

like all of a sudden it was the same

1386

00:58:30,170 --> 00:58:26,780

size but it wasn't a plane that was like

1387

00:58:32,750 --> 00:58:30,180

reflecting the sunset it was you know it

1388

00:58:35,270 --> 00:58:32,760

was like a ball of light there was just

1389

00:58:39,890 --> 00:58:35,280

streaking across the sky where were you

1390

00:58:44,270 --> 00:58:41,270

oh

1391

00:58:47,109 --> 00:58:44,280

like I was just like in the woods I know

1392

00:58:49,789 --> 00:58:47,119

but what state what state are you in

1393

00:58:51,890 --> 00:58:49,799

Washington state up on the uh Olympic

1394

00:58:53,510 --> 00:58:51,900

Peninsula okay

1395

00:58:56,630 --> 00:58:53,520

you know if there's a history yeah I

1396

00:58:57,530 --> 00:58:56,640

went camping for my birthday but you

1397

00:58:59,809 --> 00:58:57,540

know that

1398

00:59:03,470 --> 00:58:59,819

happy belated birthday

1399

00:59:06,410 --> 00:59:03,480

yeah happy birthday howdy 27.

1400

00:59:10,190 --> 00:59:06,420

oh yeah exactly okay good no I I just

1401

00:59:12,170 --> 00:59:10,200

turned 45. built good uh well I mean

1402

00:59:14,569 --> 00:59:12,180

that region of the the country does have

1403

00:59:16,430 --> 00:59:14,579

like a lot of paranormal activity at

1404

00:59:20,870 --> 00:59:16,440

that distance it's tough to tell if it's

1405

00:59:23,210 --> 00:59:20,880

a an actual like UFO a plane or you know

1406

00:59:25,309 --> 00:59:23,220

orbs that people commonly see in the

1407

00:59:28,430 --> 00:59:25,319

woods which are much more paranormal and

1408

00:59:31,190 --> 00:59:28,440

oftentimes invoke horrible feelings of

1409

00:59:32,930 --> 00:59:31,200

like Dread and fear and Terror and I

1410

00:59:35,030 --> 00:59:32,940

didn't experience any of those feelings

1411

00:59:38,089 --> 00:59:35,040

or anything

1412

00:59:39,770 --> 00:59:38,099

I thought for sure it was a plane and I

1413

00:59:42,049 --> 00:59:39,780

was just like oh that's curious you know

1414

00:59:44,510 --> 00:59:42,059

I'm watching the sunset I've been

1415

00:59:47,030 --> 00:59:44,520

camping for like two weeks I haven't

1416

00:59:49,130 --> 00:59:47,040

seen a single plane and then here's a

1417

00:59:50,390 --> 00:59:49,140

This Plane coming at like this odd

1418

00:59:53,630 --> 00:59:50,400

Direction

1419

00:59:57,589 --> 00:59:53,640

and then it like it just it didn't

1420

01:00:00,410 --> 00:59:57,599

nothing fit do you take a picture

1421

01:00:02,210 --> 01:00:00,420

no and and that's what I understand is

1422

01:00:05,089 --> 01:00:02,220

because I was like I was just like

1423

01:00:06,530 --> 01:00:05,099

trying to I I swear it was a plane you

1424

01:00:08,089 --> 01:00:06,540

know and then I was like oh that's not a

1425

01:00:10,010 --> 01:00:08,099

plane and then I was trying to figure it

1426

01:00:11,870 --> 01:00:10,020

out and then by the time it became like

1427

01:00:14,030 --> 01:00:11,880

a ball of light and it was like in the

1428

01:00:16,670 --> 01:00:14,040

tree line right next to me

1429

01:00:18,589 --> 01:00:16,680

it then it disappeared and I was like ah

1430

01:00:21,470 --> 01:00:18,599

so it actually got close to you so it

1431

01:00:24,410 --> 01:00:21,480

actually got closer to you

1432

01:00:26,150 --> 01:00:24,420

yeah I would say at the the last spot it

1433

01:00:28,809 --> 01:00:26,160

was probably a couple hundred feet away

1434

01:00:32,150 --> 01:00:28,819

okay we should have led with that

1435

01:00:35,690 --> 01:00:32,160

so it did get close to you so did you

1436

01:00:37,849 --> 01:00:35,700

did you experience any sort of

1437

01:00:40,430 --> 01:00:37,859

um other weirdness like the the the

1438

01:00:43,730 --> 01:00:40,440

surroundings go quiet did you have any

1439

01:00:46,430 --> 01:00:43,740

sort of emotional reaction

1440

01:00:48,770 --> 01:00:46,440

no it was nothing like that it was it

1441

01:00:50,630 --> 01:00:48,780

once once I realized that it wasn't a

1442

01:00:53,510 --> 01:00:50,640

plane and all of that stuff it was like

1443

01:00:56,930 --> 01:00:53,520

as soon as I became aware of it

1444

01:00:58,490 --> 01:00:56,940

is when it disappeared yeah I've heard

1445

01:01:00,710 --> 01:00:58,500

that you know and then it's like oh man

1446

01:01:03,170 --> 01:01:00,720

I could have filmed that for like you

1447

01:01:06,230 --> 01:01:03,180

know but I I don't need that's the thing

1448

01:01:07,970 --> 01:01:06,240

I didn't need like a phone between me

1449

01:01:09,770 --> 01:01:07,980

and what I was looking at I was still

1450

01:01:11,930 --> 01:01:09,780

trying to figure out what it was not

1451
01:01:13,250 --> 01:01:11,940
documented I was just like what is that

1452
01:01:14,690 --> 01:01:13,260
yeah

1453
01:01:17,450 --> 01:01:14,700
well you probably it looked sound like

1454
01:01:19,309 --> 01:01:17,460
you had a bit of a UFO uh experience or

1455
01:01:20,150 --> 01:01:19,319
at least some kind of ball of light you

1456
01:01:23,270 --> 01:01:20,160
know

1457
01:01:25,130 --> 01:01:23,280
yeah yeah interesting yeah just some

1458
01:01:26,690 --> 01:01:25,140
weird ball of light but it was

1459
01:01:28,490 --> 01:01:26,700
interesting well hey man thank you for

1460
01:01:32,030 --> 01:01:28,500
the call I appreciate it

1461
01:01:33,530 --> 01:01:32,040
uh thank you take care all right I will

1462
01:01:34,789 --> 01:01:33,540
say I'm concerned about the camping for

1463
01:01:36,589 --> 01:01:34,799

over two weeks because I'm pretty sure

1464

01:01:39,950 --> 01:01:36,599

that counts as homeless in some states

1465

01:01:41,930 --> 01:01:39,960

uh it could be and that can he can go a

1466

01:01:44,450 --> 01:01:41,940

lot longer than a lot of people on that

1467

01:01:46,730 --> 01:01:44,460

show alone where some people freak out

1468

01:01:49,549 --> 01:01:46,740

after 24 hours and have to leave what

1469

01:01:51,650 --> 01:01:49,559

the hell they just can't deal with being

1470

01:01:53,390 --> 01:01:51,660

alone hence the name

1471

01:01:56,809 --> 01:01:53,400

but he did it

1472

01:01:58,190 --> 01:01:56,819

45 well I mean that area of the country

1473

01:02:00,230 --> 01:01:58,200

there's a lot of weirdness up there

1474

01:02:02,809 --> 01:02:00,240

definitely a lot of weirdness

1475

01:02:04,549 --> 01:02:02,819

I haven't I would uh I'd like to see

1476

01:02:06,950 --> 01:02:04,559

something like that I haven't had any

1477

01:02:08,870 --> 01:02:06,960

sort of sighting like that uh that came

1478

01:02:10,370 --> 01:02:08,880

closer like he's on the horizon you

1479

01:02:12,170 --> 01:02:10,380

think it's one thing and then as it

1480

01:02:13,910 --> 01:02:12,180

approaches you're like oh that's

1481

01:02:15,890 --> 01:02:13,920

definitely not a plane it's too close to

1482

01:02:18,710 --> 01:02:15,900

the tree line and it's too low to the

1483

01:02:20,270 --> 01:02:18,720

ground uh I've never had a sighting like

1484

01:02:22,010 --> 01:02:20,280

that it's a good thing it wasn't a plane

1485

01:02:23,569 --> 01:02:22,020

if it was that close yeah he probably

1486

01:02:24,829 --> 01:02:23,579

would have been dead or he would he

1487

01:02:26,510 --> 01:02:24,839

would have spent the rest of his camping

1488

01:02:28,370 --> 01:02:26,520

trip hoping out survivors and maybe

1489

01:02:30,069 --> 01:02:28,380

eating them to stay alive that's right

1490

01:02:32,049 --> 01:02:30,079

he just comes out of the woods

1491

01:02:35,349 --> 01:02:32,059

come with me

1492

01:02:38,030 --> 01:02:35,359

like I lived no

1493

01:02:39,589 --> 01:02:38,040

I'm gonna eat you

1494

01:02:42,230 --> 01:02:39,599

I've been out here for two weeks I'm out

1495

01:02:43,990 --> 01:02:42,240

of food I don't need to eat you but I

1496

01:02:47,150 --> 01:02:44,000

will

1497

01:02:47,930 --> 01:02:47,160

skipping the beer to the baby feed the

1498

01:02:52,730 --> 01:02:47,940

kid

1499

01:02:55,190 --> 01:02:52,740

there he was just doing Foley work he's

1500

01:02:56,870 --> 01:02:55,200

an amazing Foley artist to give the

1501

01:02:59,390 --> 01:02:56,880

overall Ambience of what it's like to

1502

01:03:04,430 --> 01:03:01,549

okay just a bunch of babies drinking

1503

01:03:05,510 --> 01:03:04,440

beer yeah hanging out chilling departing

1504

01:03:07,190 --> 01:03:05,520

because there's no more coverage

1505

01:03:08,990 --> 01:03:07,200

restrictions even the baby's party you

1506

01:03:10,010 --> 01:03:09,000

do chill in Chile that's what you gotta

1507

01:03:11,750 --> 01:03:10,020

do

1508

01:03:14,990 --> 01:03:11,760

all right Gretchen I think it's time for

1509

01:03:18,230 --> 01:03:15,000

you to uh do your thing

1510

01:03:25,089 --> 01:03:18,240

I don't wanna that's the wrong music

1511

01:03:31,370 --> 01:03:29,089

you blew it I did I blew it

1512

01:03:32,569 --> 01:03:31,380

all right we got got a whole bunch of

1513

01:03:33,349 --> 01:03:32,579

stuff here

1514

01:03:37,309 --> 01:03:33,359

um

1515

01:03:39,470 --> 01:03:37,319

I got uh wrestling pizza guy

1516

01:03:41,390 --> 01:03:39,480

I got uh the internet making up names

1517

01:03:42,829 --> 01:03:41,400

for uh NASA missions

1518

01:03:45,049 --> 01:03:42,839

hmm

1519

01:03:47,089 --> 01:03:45,059

um I got a guy trying to uh warn space

1520

01:03:50,030 --> 01:03:47,099

force about aliens I think we got to do

1521

01:03:51,349 --> 01:03:50,040

wrestling Pizza Guy yes look at these

1522

01:03:54,230 --> 01:03:51,359

headlines

1523

01:03:56,870 --> 01:03:54,240

yeah we like wrestling and we like pizza

1524

01:03:58,549 --> 01:03:56,880

so I I I don't think we would be a very

1525

01:04:00,049 --> 01:03:58,559

good podcast if we didn't touch on both

1526

01:04:02,870 --> 01:04:00,059

those topics at the same time this comes

1527

01:04:08,809 --> 01:04:05,329

seriously

1528

01:04:12,789 --> 01:04:08,819

words Illustrated si.com meet Luigi

1529

01:04:15,410 --> 01:04:12,799

Primo wrestlings pizza making viral

1530

01:04:17,089 --> 01:04:15,420

sensation and there's good news on that

1531

01:04:21,890 --> 01:04:17,099

front there is quite a bit of video of

1532

01:04:24,950 --> 01:04:21,900

this guy uh uh okay so the world is

1533

01:04:26,510 --> 01:04:24,960

finally getting to know Luigi Primo or

1534

01:04:29,270 --> 01:04:26,520

is it primo I guess it's Luigi Prime

1535

01:04:31,250 --> 01:04:29,280

Primo well he has been wrestling for

1536

01:04:33,410 --> 01:04:31,260

seven years his overnight sensation

1537

01:04:35,809 --> 01:04:33,420

moment happened this past weekend a clip

1538

01:04:38,510 --> 01:04:35,819

of Luigi wrestling went viral

1539

01:04:41,329 --> 01:04:38,520

and for all the right reasons in the 56

1540

01:04:43,010 --> 01:04:41,339

second snippet he dazzles the crown by a

1541

01:04:46,430 --> 01:04:43,020

spinning pizza dough while performing

1542

01:04:49,849 --> 01:04:46,440

his versatile assembly of moves Luigi

1543

01:04:52,490 --> 01:04:49,859

Primo is the best pizza maker in the

1544

01:04:54,230 --> 01:04:52,500

businesses Chris Monica who stepped out

1545

01:04:57,289 --> 01:04:54,240

of character for the interview he also

1546

01:04:59,329 --> 01:04:57,299

believes he's the best wrestler in the

1547

01:05:01,010 --> 01:04:59,339

world absolutely probably is now the

1548

01:05:03,650 --> 01:05:01,020

video is not coming up on my screen

1549

01:05:05,510 --> 01:05:03,660

maybe I have to turn off ad blocker

1550

01:05:07,370 --> 01:05:05,520

could be it's an embedded Twitter thing

1551
01:05:09,470 --> 01:05:07,380
so maybe breaking [h__h] for you

1552
01:05:10,970 --> 01:05:09,480
it probably is let me see if I can go

1553
01:05:12,829 --> 01:05:10,980
here it is I'll see if I can bring it up

1554
01:05:15,289 --> 01:05:12,839
on screen there's something that's

1555
01:05:17,210 --> 01:05:15,299
that's the ad scroll down it's it's

1556
01:05:19,609 --> 01:05:17,220
about halfway down annoyingly I need to

1557
01:05:21,770 --> 01:05:19,619
turn my head to go back on then

1558
01:05:23,630 --> 01:05:21,780
turn the edge Shield back on okay let's

1559
01:05:33,010 --> 01:05:23,640
see

1560
01:05:38,150 --> 01:05:36,410
wait just describe it oh it is an older

1561
01:05:40,190 --> 01:05:38,160
like what looks to be like an older

1562
01:05:43,549 --> 01:05:40,200
gentleman he's kind of got like a a

1563
01:05:45,530 --> 01:05:43,559

peppered hair and he's twirling pizza

1564

01:05:47,150 --> 01:05:45,540

around and I'll see if I can bring up

1565

01:05:50,450 --> 01:05:47,160

the audio here for everyone to hear

1566

01:05:52,670 --> 01:05:50,460

because it's amazing uh

1567

01:05:55,069 --> 01:05:52,680

audio here and people and he's twirling

1568

01:05:57,109 --> 01:05:55,079

pizza and his opponent is just standing

1569

01:06:00,950 --> 01:05:57,119

there looking dumbfounded as he's

1570

01:06:03,589 --> 01:06:00,960

curling pizza and like I got I gotta say

1571

01:06:11,990 --> 01:06:03,599

his opponent is very compliant with his

1572

01:06:20,470 --> 01:06:14,930

he's very crafty I give that he gives a

1573

01:06:25,970 --> 01:06:23,930

and so there's like this is ridiculous

1574

01:06:28,250 --> 01:06:25,980

this is like your pizza

1575

01:06:30,170 --> 01:06:28,260

well he did say this to him after the uh

1576

01:06:32,870 --> 01:06:30,180

the show just you and I getting it all

1577

01:06:34,130 --> 01:06:32,880

like two men should do oh boy it got a

1578

01:06:35,930 --> 01:06:34,140

little weird I'm gonna come on you like

1579

01:06:39,049 --> 01:06:35,940

nobody's ever come on you but

1580

01:06:41,750 --> 01:06:39,059

when I was tasting you brother I found

1581

01:06:43,430 --> 01:06:41,760

you to be not so bad at all that's what

1582

01:06:45,849 --> 01:06:43,440

the pizza guy said I'm gonna have you

1583

01:06:48,829 --> 01:06:45,859

I'm gonna get to touch your body

1584

01:06:51,300 --> 01:06:48,839

you can have pizzas with white sauce you

1585

01:06:53,230 --> 01:06:51,310

can jerk a nut in your ass

1586

01:06:55,970 --> 01:06:53,240

[Applause]

1587

01:06:59,270 --> 01:06:55,980

uh nearly seven years ago Monica first

1588

01:07:00,529 --> 01:06:59,280

performed the Luigi Primo character as a

1589

01:07:01,609 --> 01:07:00,539

one-author in the backyard wrestling

1590

01:07:04,549 --> 01:07:01,619

show in Texas

1591

01:07:07,010 --> 01:07:04,559

he uh instigated the crown by boasting

1592

01:07:10,010 --> 01:07:07,020

that Italy was better than Texas further

1593

01:07:11,750 --> 01:07:10,020

agitating them by mocking Lone Star beer

1594

01:07:13,670 --> 01:07:11,760

for lacking the qualities of a great

1595

01:07:16,670 --> 01:07:13,680

alcoholic beverage so he's a real rabble

1596

01:07:17,630 --> 01:07:16,680

Rouser this guy's a real problem

1597

01:07:20,150 --> 01:07:17,640

um

1598

01:07:22,430 --> 01:07:20,160

so now he's a viral sensation and he'll

1599

01:07:24,230 --> 01:07:22,440

squander it and get fat by eating too

1600

01:07:25,910 --> 01:07:24,240

much pizza probably

1601
01:07:29,329 --> 01:07:25,920

okay

1602
01:07:30,349 --> 01:07:29,339

Step would be he should be he should be

1603
01:07:32,089 --> 01:07:30,359

uh

1604
01:07:33,589 --> 01:07:32,099

partially halfway through his match you

1605
01:07:34,910 --> 01:07:33,599

should put the pizza in the oven yeah

1606
01:07:36,950 --> 01:07:34,920

and then you should get the pizza out he

1607
01:07:39,470 --> 01:07:36,960

should eat slices of pizza while he's

1608
01:07:43,190 --> 01:07:39,480

wrestling he needs to roll out a brick

1609
01:07:44,990 --> 01:07:43,200

oven on like a little wagon and then he

1610
01:07:46,670 --> 01:07:45,000

makes a pizza during during the the

1611
01:07:48,950 --> 01:07:46,680

entire during the match and then after

1612
01:07:50,809 --> 01:07:48,960

the match he picks the picks the bricks

1613
01:07:52,309 --> 01:07:50,819

up and starts hurling at the audience

1614

01:07:53,569 --> 01:07:52,319

you know like to really take it to the

1615

01:07:56,150 --> 01:07:53,579

next level

1616

01:07:57,890 --> 01:07:56,160

I'm a real show out of it yeah make it a

1617

01:07:59,990 --> 01:07:57,900

real thing and then you can sell pizza

1618

01:08:02,150 --> 01:08:00,000

to the crowd like as like part of the

1619

01:08:05,089 --> 01:08:02,160

concession you could sell the actual

1620

01:08:07,370 --> 01:08:05,099

Pizza yeah this has been touched by by

1621

01:08:10,430 --> 01:08:07,380

men all right well I mean

1622

01:08:13,490 --> 01:08:10,440

you can check it out go to uh go on uh

1623

01:08:16,309 --> 01:08:13,500

YouTube look up Inspire ad I think this

1624

01:08:18,289 --> 01:08:16,319

is some sort of uh wrestling Channel

1625

01:08:20,930 --> 01:08:18,299

this uh

1626

01:08:24,769 --> 01:08:20,940

low-cost low rent wrestling

1627

01:08:26,209 --> 01:08:24,779

but for all your wrestling needs

1628

01:08:28,370 --> 01:08:26,219

yeah when's the last time you watched

1629

01:08:31,070 --> 01:08:28,380

wrestling like for real

1630

01:08:33,769 --> 01:08:31,080

you know it's only if it comes through

1631

01:08:35,570 --> 01:08:33,779

on some goddamn YouTube whatever I don't

1632

01:08:37,430 --> 01:08:35,580

know I don't know what the [h__h] it I'm

1633

01:08:39,410 --> 01:08:37,440

watching wrestling I watched Royal

1634

01:08:40,430 --> 01:08:39,420

Rumble part two not too long ago it's

1635

01:08:43,010 --> 01:08:40,440

pretty good

1636

01:08:45,110 --> 01:08:43,020

is it do you know any of the wrestlers

1637

01:08:46,430 --> 01:08:45,120

who are doing stuff well it was it was

1638

01:08:50,090 --> 01:08:46,440

the second Royal Rumble so it was like

1639

01:08:51,890 --> 01:08:50,100

the Bushwacker it was like OG [h__h] yeah

1640

01:08:55,309 --> 01:08:51,900

it was old stuff

1641

01:08:58,789 --> 01:08:55,319

do they do the I mean honestly I just

1642

01:09:01,789 --> 01:08:58,799

I loved wrestling it was a it was like a

1643

01:09:04,410 --> 01:09:01,799

[h__h] cold turkey break when I decided

1644

01:09:08,870 --> 01:09:04,420

it was over yeah yeah it's still

1645

01:09:11,510 --> 01:09:08,880

[Laughter]

1646

01:09:12,890 --> 01:09:11,520

real me too

1647

01:09:15,050 --> 01:09:12,900

all right

1648

01:09:17,930 --> 01:09:15,060

um it's a

1649

01:09:21,249 --> 01:09:19,309

I don't like this I need some transition

1650

01:09:24,430 --> 01:09:21,259

music oh [h__h]

1651

01:09:28,809 --> 01:09:24,440

I'm really failing here Mike's gotta pay

1652

01:09:34,070 --> 01:09:31,789

yeah I just got a message from our

1653

01:09:36,470 --> 01:09:34,080

manager

1654

01:09:38,990 --> 01:09:36,480

says I'm failing said any anybody

1655

01:09:41,329 --> 01:09:39,000

watching watching Pizza wrestling no

1656

01:09:43,789 --> 01:09:41,339

he's he's complaining about my my lack

1657

01:09:46,130 --> 01:09:43,799

of promptness on those transitions

1658

01:09:47,630 --> 01:09:46,140

uh let's see so we got the Florida guy

1659

01:09:50,689 --> 01:09:47,640

arrested while trying to warn space

1660

01:09:52,430 --> 01:09:50,699

force about aliens and Dragons

1661

01:09:54,830 --> 01:09:52,440

um we got Michael Myers out on the beach

1662

01:09:56,510 --> 01:09:54,840

in Florida it's two Florida stories hmm

1663

01:09:58,610 --> 01:09:56,520

I think we gotta go with space force and

1664

01:10:00,470 --> 01:09:58,620

Dragons I mean and then then I've got

1665

01:10:02,570 --> 01:10:00,480

two specific I want to mention them now

1666

01:10:04,070 --> 01:10:02,580

two specific follow-up stories because

1667

01:10:06,050 --> 01:10:04,080

you've got sound drops for one of them

1668

01:10:08,030 --> 01:10:06,060

and the other one we keep covering so

1669

01:10:12,350 --> 01:10:08,040

one is about world leaders toilet habits

1670

01:10:13,510 --> 01:10:12,360

and how they travel we know what they do

1671

01:10:16,910 --> 01:10:13,520

um

1672

01:10:19,010 --> 01:10:16,920

flushing toilets 10 times 15 times and I

1673

01:10:21,830 --> 01:10:19,020

do that now I've blessed myself 10 times

1674

01:10:23,209 --> 01:10:21,840

or 15 times uh and then I have a

1675

01:10:24,890 --> 01:10:23,219

follow-up because you've got sound drops

1676

01:10:28,310 --> 01:10:24,900

for this one of another person with a

1677

01:10:29,030 --> 01:10:28,320

dead raccoon huh oh sweet that's kind of

1678

01:10:30,890 --> 01:10:29,040

cool

1679

01:10:32,450 --> 01:10:30,900

a lot of dead raccoons I got a flush

1680

01:10:34,490 --> 01:10:32,460

like at least five to get the blood out

1681

01:10:37,250 --> 01:10:34,500

of the bowl and plus all the Amazon

1682

01:10:39,709 --> 01:10:37,260

packages you gotta flush down sure what

1683

01:10:42,550 --> 01:10:39,719

if I have to move yeah

1684

01:10:45,709 --> 01:10:42,560

I'm we're gonna need a bigger toilet

1685

01:10:47,870 --> 01:10:45,719

the biggest one you got

1686

01:10:50,149 --> 01:10:47,880

uh here's your space force story space

1687

01:10:52,370 --> 01:10:50,159

force all right let's uh let's take a

1688

01:10:54,050 --> 01:10:52,380

look at uh this

1689

01:10:57,229 --> 01:10:54,060

space force

1690

01:11:00,110 --> 01:10:57,239

yes Florida man arrested while trying to

1691

01:11:03,770 --> 01:11:00,120

warn space force about a battle between

1692

01:11:05,750 --> 01:11:03,780

aliens and Dragons all right that's good

1693

01:11:08,030 --> 01:11:05,760

news that's what people should do if you

1694

01:11:10,930 --> 01:11:08,040

see something say something

1695

01:11:14,450 --> 01:11:10,940

warn the authorities

1696

01:11:16,790 --> 01:11:14,460

and Aquila man has been arrested after

1697

01:11:19,250 --> 01:11:16,800

stealing a car in attempt to access

1698

01:11:22,490 --> 01:11:19,260

Patrick's space Force Base According to

1699

01:11:25,850 --> 01:11:22,500

the uh Brevard County Sheriff's Office

1700

01:11:28,189 --> 01:11:25,860

Corey johnson29 I gotta say if this

1701

01:11:31,189 --> 01:11:28,199

there's just no way the picture like

1702

01:11:34,669 --> 01:11:31,199

this guy is a 29 year old yeah this guy

1703

01:11:37,189 --> 01:11:34,679

looks at 50 miles yeah I had 20 30 years

1704

01:11:38,090 --> 01:11:37,199

he's in a hard life that's what methyl

1705

01:11:40,490 --> 01:11:38,100

do to you

1706

01:11:42,470 --> 01:11:40,500

he's seen a lot of dragons I've seen a

1707

01:11:43,970 --> 01:11:42,480

lot of drugs is what he's seen Jesus

1708

01:11:45,169 --> 01:11:43,980

Christ no wonder he's worn in the space

1709

01:11:46,970 --> 01:11:45,179

force about he's been fighting dragons

1710

01:11:48,169 --> 01:11:46,980

all by himself well when they asked him

1711

01:11:49,790 --> 01:11:48,179

what kind of drugs you on right now he

1712

01:11:51,189 --> 01:11:49,800

said yes

1713

01:11:53,390 --> 01:11:51,199

whatever

1714

01:11:55,189 --> 01:11:53,400

just do it

1715

01:11:57,649 --> 01:11:55,199

uh according to the Brevard County

1716

01:12:00,229 --> 01:11:57,659

Sheriff's Department Corey Johnson 29

1717

01:12:02,149 --> 01:12:00,239

stole a truck in Rivera beach before

1718

01:12:03,830 --> 01:12:02,159

heading north to the base three days

1719

01:12:06,890 --> 01:12:03,840

later what do you do with those in those

1720

01:12:08,870 --> 01:12:06,900

three days lots of trucks probably drugs

1721

01:12:11,930 --> 01:12:08,880

talking to dragons trying to negotiate

1722

01:12:13,970 --> 01:12:11,940

between the drugs negotiate a piece

1723

01:12:16,630 --> 01:12:13,980

there yeah it didn't work he's trying to

1724

01:12:19,250 --> 01:12:16,640

find out if there could be some kind of

1725

01:12:21,470 --> 01:12:19,260

reconciliation probably not though uh

1726

01:12:23,270 --> 01:12:21,480

while trying to get inside into

1727

01:12:25,910 --> 01:12:23,280

Patrick's space Force Base Johnson

1728

01:12:27,530 --> 01:12:25,920

claimed the president told him through

1729

01:12:29,870 --> 01:12:27,540

his mind

1730

01:12:31,850 --> 01:12:29,880

that he needed to steal a trek to warn

1731

01:12:34,970 --> 01:12:31,860

government officials about the U.S alien

1732

01:12:36,410 --> 01:12:34,980

fighting Chinese dragons

1733

01:12:39,050 --> 01:12:36,420

okay

1734

01:12:41,510 --> 01:12:39,060

this is Major news a lot of fastest to

1735

01:12:45,229 --> 01:12:41,520

this story yeah so okay

1736

01:12:49,070 --> 01:12:45,239

he needs to warn U.S officials

1737

01:12:51,830 --> 01:12:49,080

about U.S aliens fighting Chinese

1738

01:12:54,229 --> 01:12:51,840

dragons Johnson was arrested and booked

1739

01:12:56,270 --> 01:12:54,239

in Boulevard County jail and has been

1740

01:12:57,890 --> 01:12:56,280

charged with Grand Theft of a motor

1741

01:12:59,570 --> 01:12:57,900

vehicle this is what you get when you

1742

01:13:01,729 --> 01:12:59,580

try to help when you try to be a Good

1743

01:13:04,970 --> 01:13:01,739

Samaritan and try to warn people you

1744

01:13:08,570 --> 01:13:07,070

uh well Patrick space Force Base is

1745

01:13:10,910 --> 01:13:08,580

located between Satellite Beach and

1746

01:13:12,350 --> 01:13:10,920

Cocoa Beach I was down there that's

1747

01:13:13,610 --> 01:13:12,360

where I was vacationing earlier this

1748

01:13:16,310 --> 01:13:13,620

year did you go to Patrick space

1749

01:13:18,050 --> 01:13:16,320

workspace I drove past it actually I

1750

01:13:19,610 --> 01:13:18,060

drove back to pass it a few times I

1751

01:13:20,870 --> 01:13:19,620

found it to be intriguing did you have

1752

01:13:23,090 --> 01:13:20,880

somebody's truck and he kept yelling out

1753

01:13:29,990 --> 01:13:23,100

the window I did not have a truck no

1754

01:13:36,050 --> 01:13:33,950

see so uh this is roughly 18 miles from

1755

01:13:37,630 --> 01:13:36,060

Kennedy Space Center it's the home of

1756

01:13:41,330 --> 01:13:37,640

Cape Canaveral

1757

01:13:43,910 --> 01:13:41,340

and the home where uh space launched

1758

01:13:45,290 --> 01:13:43,920

Delta 45 is Delta 45 is one of my

1759

01:13:48,290 --> 01:13:45,300

favorite deltas

1760

01:13:50,390 --> 01:13:48,300

like Delta 19. and Delta Force from

1761

01:13:53,750 --> 01:13:50,400

Chuck Norris Oldsmobile used to have a

1762

01:13:56,209 --> 01:13:53,760

car called a Delta 88. nice we we read

1763

01:13:58,610 --> 01:13:56,219

uh we did a whole article that you had

1764

01:14:01,250 --> 01:13:58,620

questioned about the space force and all

1765

01:14:04,010 --> 01:14:01,260

this Delta patches and they had like

1766

01:14:06,770 --> 01:14:04,020

these weird patches of like an Egyptian

1767

01:14:10,070 --> 01:14:06,780

pharaoh overlooking the earth a

1768

01:14:12,050 --> 01:14:10,080

Sasquatch kind of uh creature carrying a

1769

01:14:14,090 --> 01:14:12,060

sword trampling over Earth all these

1770

01:14:17,450 --> 01:14:14,100

different Delta patches

1771

01:14:20,149 --> 01:14:17,460

very weird so this is Delta 45.

1772

01:14:23,209 --> 01:14:20,159

all right well didn't ask for comment

1773

01:14:25,010 --> 01:14:23,219

from space force about the dragons like

1774

01:14:26,450 --> 01:14:25,020

they didn't they just assumed that he

1775

01:14:28,550 --> 01:14:26,460

was wrong they didn't do any follow-up

1776

01:14:29,870 --> 01:14:28,560

yeah what the heck with nice nice

1777

01:14:31,910 --> 01:14:29,880

reporting people I mean you could have

1778

01:14:34,490 --> 01:14:31,920

had story of the century here we had

1779

01:14:37,130 --> 01:14:34,500

more reporting on Luigi the wrestler in

1780

01:14:39,290 --> 01:14:37,140

his pizza like that was like Luigi the

1781

01:14:41,090 --> 01:14:39,300

rest 10 paragraphs about Luigi the the

1782

01:14:44,149 --> 01:14:41,100

pizza twirling wrestler and we get like

1783

01:14:46,550 --> 01:14:44,159

a couple sentences about the U.S versus

1784

01:14:48,770 --> 01:14:46,560

Alien versus Chinese dragon conflict

1785

01:14:50,810 --> 01:14:48,780

that's gonna happen

1786

01:14:53,330 --> 01:14:50,820

well to be fair just based on him

1787

01:14:55,189 --> 01:14:53,340

claiming that there are Chinese space

1788

01:14:57,470 --> 01:14:55,199

dragons fighting U.S aliens whatever

1789

01:14:59,810 --> 01:14:57,480

that means and the president having mind

1790

01:15:01,790 --> 01:14:59,820

Powers forcing him to commit Grand Theft

1791

01:15:02,930 --> 01:15:01,800

Auto this dude needs his own show and

1792

01:15:04,610 --> 01:15:02,940

History Channel

1793

01:15:09,010 --> 01:15:04,620

well I mean he didn't say what president

1794

01:15:13,729 --> 01:15:09,020

uh I'm assuming uh Biden uh so yeah

1795

01:15:14,930 --> 01:15:13,739

this is Biden driving people crazy again

1796

01:15:17,750 --> 01:15:14,940

okay

1797

01:15:21,229 --> 01:15:17,760

interesting though

1798

01:15:22,490 --> 01:15:21,239

I would like to know the drugs yeah

1799

01:15:23,930 --> 01:15:22,500

maybe that's what they should have asked

1800

01:15:25,010 --> 01:15:23,940

him when they pulled them over dude what

1801

01:15:25,910 --> 01:15:25,020

drugs are you on and where did you get

1802

01:15:28,370 --> 01:15:25,920

them

1803

01:15:30,050 --> 01:15:28,380

yeah we need more information I guess we

1804

01:15:31,910 --> 01:15:30,060

could call them we could we could

1805

01:15:33,410 --> 01:15:31,920

actually probably pay for his uh bail

1806

01:15:35,590 --> 01:15:33,420

and get him out there so he can continue

1807

01:15:38,689 --> 01:15:35,600

his mission

1808

01:15:41,750 --> 01:15:38,699

bail is his continuous mission of

1809

01:15:42,550 --> 01:15:41,760

Defending us from uh uh Chinese space

1810

01:15:44,630 --> 01:15:42,560

dragons

1811

01:15:46,310 --> 01:15:44,640

stealing trucks and doing math and

1812

01:15:49,910 --> 01:15:46,320

fighting dragons

1813

01:15:51,830 --> 01:15:49,920

someone's got to do it I'm too busy

1814

01:15:54,590 --> 01:15:51,840

all right sounds like perfect fodder for

1815

01:15:58,870 --> 01:15:54,600

the union of The Unwanted next time yep

1816

01:16:01,669 --> 01:15:58,880

[Music]

1817

01:16:03,770 --> 01:16:01,679

I had to give you [h__\h] for talking the

1818

01:16:06,050 --> 01:16:03,780

last show it's like you guys have so

1819

01:16:07,610 --> 01:16:06,060

much credibility with your guests I

1820

01:16:10,070 --> 01:16:07,620

don't think Skinwalker Ranch is

1821

01:16:12,350 --> 01:16:10,080

completely out of bounds but be careful

1822

01:16:15,110 --> 01:16:12,360

like come on I thought the uh the

1823

01:16:17,090 --> 01:16:15,120

episode was good um the uh the entire

1824

01:16:20,330 --> 01:16:17,100

Union of unwanted was about UFOs

1825

01:16:22,189 --> 01:16:20,340

tricksters and uh what possibly might be

1826

01:16:24,410 --> 01:16:22,199

going on there I thought

1827

01:16:26,030 --> 01:16:24,420

um their analysis is that there's some

1828

01:16:28,010 --> 01:16:26,040

real paranormal stuff going on there but

1829

01:16:29,810 --> 01:16:28,020

it has since been turned into like a

1830

01:16:31,250 --> 01:16:29,820

psychological operation run by the

1831

01:16:33,530 --> 01:16:31,260

military I thought is completely

1832

01:16:36,169 --> 01:16:33,540

plausible in a likely scenario

1833

01:16:38,030 --> 01:16:36,179

yeah yeah it's we talk about with the

1834

01:16:40,130 --> 01:16:38,040

Hologram planes and everything else yeah

1835

01:16:43,250 --> 01:16:40,140

for sure it could be like a real

1836

01:16:45,169 --> 01:16:43,260

situation I I just worry that you guys

1837

01:16:47,689 --> 01:16:45,179

got such a good track record with

1838

01:16:51,169 --> 01:16:47,699

bringing on some really really laudable

1839

01:16:53,510 --> 01:16:51,179

people yeah that if you start venturing

1840

01:16:56,149 --> 01:16:53,520

too far outside I I honestly it's like

1841

01:16:58,310 --> 01:16:56,159

uh free speech is a big deal see you

1842

01:16:59,570 --> 01:16:58,320

just got to do your thing and uh if if

1843

01:17:02,450 --> 01:16:59,580

people are gonna say well you're talking

1844

01:17:03,410 --> 01:17:02,460

about skin walker Ranch uh I can't come

1845

01:17:05,630 --> 01:17:03,420

on your show because you guys are

1846

01:17:08,030 --> 01:17:05,640

lunatics well that's not fun like

1847

01:17:10,729 --> 01:17:08,040

whatever yeah you just kind of got to be

1848

01:17:12,530 --> 01:17:10,739

who you are and uh right it's like do I

1849

01:17:13,729 --> 01:17:12,540

want to talk to them anyway if they

1850

01:17:15,290 --> 01:17:13,739

don't want to talk to me because I talk

1851
01:17:16,750 --> 01:17:15,300
about this it's the same thing you know

1852
01:17:19,790 --> 01:17:16,760
with a lot of people I know it's like

1853
01:17:22,550 --> 01:17:19,800
all right I get it but you know you're

1854
01:17:25,189 --> 01:17:22,560
cool like hanging out with you man hey I

1855
01:17:28,130 --> 01:17:25,199
talk about a lot of what's considered

1856
01:17:30,410 --> 01:17:28,140
crazy stuff but that's what I like I

1857
01:17:32,689 --> 01:17:30,420
like talking about weird things my

1858
01:17:34,790 --> 01:17:32,699
sister doesn't believe dinosaurs exist I

1859
01:17:37,130 --> 01:17:34,800
still love my nieces is in my nephew and

1860
01:17:39,410 --> 01:17:37,140
everything so you know he's right they

1861
01:17:41,270 --> 01:17:39,420
don't okay

1862
01:17:42,950 --> 01:17:41,280
he's just really maybe I don't know I've

1863
01:17:44,870 --> 01:17:42,960

never seen a dinosaur so she could be

1864

01:17:46,790 --> 01:17:44,880

100 right

1865

01:17:48,950 --> 01:17:46,800

all right Chris I played the news I

1866

01:17:49,970 --> 01:17:48,960

played the news theme yeah but that was

1867

01:17:52,189 --> 01:17:49,980

so long ago you better play it a second

1868

01:17:54,350 --> 01:17:52,199

time yeah

1869

01:17:58,910 --> 01:17:54,360

I like that Crutch It is a steering

1870

01:18:03,110 --> 01:18:00,649

what are we doing

1871

01:18:04,610 --> 01:18:03,120

um all right so you guys want uh dead

1872

01:18:06,070 --> 01:18:04,620

raccoon so you can use all your sound

1873

01:18:09,110 --> 01:18:06,080

drops

1874

01:18:11,149 --> 01:18:09,120

you want Royal traveling toilets

1875

01:18:12,229 --> 01:18:11,159

we'll do both but roll a raccoon right

1876

01:18:13,970 --> 01:18:12,239

now all right

1877

01:18:16,550 --> 01:18:13,980

I also have Michael Michael Myers on

1878

01:18:18,110 --> 01:18:16,560

vacation nah I saw that one yeah Michael

1879

01:18:21,470 --> 01:18:18,120

Myers is on vacation where does he go

1880

01:18:24,130 --> 01:18:21,480

he's just a dude Florida beach oh [h__h]

1881

01:18:28,130 --> 01:18:26,510

how do you know me yeah Michael Myers

1882

01:18:29,930 --> 01:18:28,140

goes between between murdering people

1883

01:18:31,850 --> 01:18:29,940

well with the mask on it could have been

1884

01:18:33,290 --> 01:18:31,860

the guy with the dragons and [h__h] also

1885

01:18:36,290 --> 01:18:33,300

by the way this dead raccoon story is

1886

01:18:38,270 --> 01:18:36,300

from Cleveland so oh wow Cuyahoga Falls

1887

01:18:41,750 --> 01:18:38,280

I believe the Hops giving a jump away

1888

01:18:47,290 --> 01:18:41,760

from me yeah okay let's check it out

1889

01:18:54,169 --> 01:18:50,689

County woman is facing charges after

1890

01:18:57,950 --> 01:18:54,179

throwing dead raccoon at abortion clinic

1891

01:19:01,130 --> 01:18:57,960

got some goddamn [h__h]

1892

01:19:04,550 --> 01:19:01,140

in this video there's video of of her

1893

01:19:07,250 --> 01:19:04,560

Trucking a dead raccoon at an abortion

1894

01:19:08,930 --> 01:19:07,260

clinic but she only bring one I know

1895

01:19:10,010 --> 01:19:08,940

load up your SUV with them they're

1896

01:19:12,229 --> 01:19:10,020

everywhere

1897

01:19:18,590 --> 01:19:12,239

I don't know how you really feel I mean

1898

01:19:26,390 --> 01:19:20,689

Summit County woman pulls up to the

1899

01:19:31,010 --> 01:19:28,850

some employees walk up to her car to see

1900

01:19:33,229 --> 01:19:31,020

if she's a patient this employee was

1901

01:19:35,689 --> 01:19:33,239

working in the front office she wanted

1902

01:19:38,510 --> 01:19:35,699

to be anonymous for her own safety she

1903

01:19:40,490 --> 01:19:38,520

flings an egg at the door the escorts

1904

01:19:43,570 --> 01:19:40,500

open their umbrella she tells me the

1905

01:19:46,729 --> 01:19:43,580

wild scene happened back on August 15th

1906

01:19:48,950 --> 01:19:46,739

it rips open the carton throws it on the

1907

01:19:51,290 --> 01:19:48,960

ground backs up into the intersection

1908

01:19:54,470 --> 01:19:51,300

then turns around in the intersection

1909

01:19:57,470 --> 01:19:54,480

comes up onto the sidewalk it almost

1910

01:19:58,790 --> 01:19:57,480

hits one of our volunteers who's a minor

1911

01:20:01,070 --> 01:19:58,800

we were more worried about her than

1912

01:20:02,890 --> 01:20:01,080

anything else but she was okay shaken up

1913

01:20:06,290 --> 01:20:02,900

but okay

1914

01:20:08,750 --> 01:20:06,300

and called the cops an hour to the dot

1915

01:20:11,750 --> 01:20:08,760

she shows back up she tells me the other

1916

01:20:13,850 --> 01:20:11,760

employees ran inside in a panic and

1917

01:20:15,590 --> 01:20:13,860

locked the doors she's coming across the

1918

01:20:16,970 --> 01:20:15,600

street with a bag and at first we didn't

1919

01:20:18,950 --> 01:20:16,980

know what it was it was just a black bag

1920

01:20:20,390 --> 01:20:18,960

when you first saw her on the cameras

1921

01:20:21,649 --> 01:20:20,400

coming up with a black bag what was

1922

01:20:23,450 --> 01:20:21,659

going through your mind were you afraid

1923

01:20:24,709 --> 01:20:23,460

that it could have been going there bro

1924

01:20:26,030 --> 01:20:24,719

oh yeah I was worried about everybody

1925

01:20:28,910 --> 01:20:26,040

else but I'm just sitting there going

1926

01:20:30,050 --> 01:20:28,920

well are you that crazy and I just I was

1927

01:20:32,270 --> 01:20:30,060

just sitting here watching the cameras

1928

01:20:34,490 --> 01:20:32,280

just like well if it is it is you can

1929

01:20:37,550 --> 01:20:34,500

see the woman Chuck the bag at the

1930

01:20:40,010 --> 01:20:37,560

clinic but when this [h__h] white

1931

01:20:42,770 --> 01:20:40,020

man I don't know what the [h__h] something

1932

01:20:44,990 --> 01:20:42,780

strange peeking out of the bag there's

1933

01:20:47,030 --> 01:20:45,000

something in that bag it looks like a

1934

01:20:52,090 --> 01:20:47,040

tail and I was like I think that's a

1935

01:20:54,709 --> 01:20:52,100

dead animal and it was a dead raccoon

1936

01:20:57,410 --> 01:20:54,719

any option she killed it she went around

1937

01:21:00,169 --> 01:20:57,420

looking for it for an hour or she hacked

1938

01:21:02,930 --> 01:21:00,179

all options are insane Cuyahoga Falls

1939

01:21:05,209 --> 01:21:02,940

Police identified the woman as Alyssa

1940

01:21:08,209 --> 01:21:05,219

strelick but when officers went to her

1941

01:21:10,430 --> 01:21:08,219

home to confront her she lost it and

1942

01:21:12,229 --> 01:21:10,440

tried to attack the officers hitting one

1943

01:21:14,870 --> 01:21:12,239

of them she was charged with criminal

1944

01:21:17,689 --> 01:21:14,880

mischievous littering and assaulting a

1945

01:21:22,550 --> 01:21:17,699

police officer which is offense it's the

1946

01:21:24,229 --> 01:21:22,560

Rogue ones that scare us to all get out

1947

01:21:26,209 --> 01:21:24,239

really been heating up here at the

1948

01:21:28,250 --> 01:21:26,219

clinic ever since Roe v Wade was

1949

01:21:30,169 --> 01:21:28,260

overturned she tells me a lot of their

1950

01:21:32,390 --> 01:21:30,179

regular protesters have gotten a lot

1951

01:21:38,950 --> 01:21:32,400

nastier she thinks it's because they're

1952

01:21:44,930 --> 01:21:42,110

does Kelly Kennedy need more plastic

1953

01:21:47,630 --> 01:21:44,940

surgery you think or less

1954

01:21:50,090 --> 01:21:47,640

uh it's just uh it's crazy she looks

1955

01:21:50,860 --> 01:21:50,100

completely fake looks completely fake

1956

01:21:56,810 --> 01:21:50,870

this [h__h]

1957

01:22:02,330 --> 01:22:00,770

hey so I love that okay so the the one

1958

01:22:05,090 --> 01:22:02,340

other thing that stuck out for me is

1959

01:22:08,450 --> 01:22:05,100

that there was a minor volunteer at an

1960

01:22:14,990 --> 01:22:08,460

abortion clinic yep yeah

1961

01:22:20,209 --> 01:22:17,990

um I just I I guess that's the the

1962

01:22:22,189 --> 01:22:20,219

closest dead animal she could find but I

1963

01:22:25,669 --> 01:22:22,199

just think of the symbolism here so she

1964

01:22:27,890 --> 01:22:25,679

threw a dead raccoon into the abortion

1965

01:22:29,570 --> 01:22:27,900

clinic and then

1966

01:22:32,149 --> 01:22:29,580

she

1967

01:22:35,209 --> 01:22:32,159

attacked police officers this is crazy

1968

01:22:38,450 --> 01:22:35,219

she's deranged this is a deranged woman

1969

01:22:40,130 --> 01:22:38,460

deranged she's very pro-life though just

1970

01:22:41,990 --> 01:22:40,140

just think of like how much time she

1971

01:22:44,750 --> 01:22:42,000

spent with a dad or at dead raccoon she

1972

01:22:47,270 --> 01:22:44,760

had to find one and then determine

1973

01:22:49,130 --> 01:22:47,280

exactly no no no if she they said she

1974

01:22:50,750 --> 01:22:49,140

was going there a bit right like it

1975

01:22:52,729 --> 01:22:50,760

wasn't the first time she's been [h__h]

1976

01:22:54,350 --> 01:22:52,739

around with him yeah but the game so she

1977

01:22:56,330 --> 01:22:54,360

probably just found one

1978

01:22:58,729 --> 01:22:56,340

and just was like all right this I'll

1979

01:23:00,110 --> 01:22:58,739

mix it up today it's go time let's do it

1980

01:23:03,110 --> 01:23:00,120

yeah

1981

01:23:04,850 --> 01:23:03,120

today's the day I do it she saw she saw

1982

01:23:06,770 --> 01:23:04,860

some roadkill and said man someone

1983

01:23:08,090 --> 01:23:06,780

should get that off the road I can take

1984

01:23:09,430 --> 01:23:08,100

it off the road and I'll take it over to

1985

01:23:12,229 --> 01:23:09,440

the abortion clinic

1986

01:23:14,689 --> 01:23:12,239

the idea that she's like holding on to

1987

01:23:17,570 --> 01:23:14,699

it like lady you're [h__h] selling baby

1988

01:23:20,930 --> 01:23:17,580

Parts all right so like the speculation

1989

01:23:23,450 --> 01:23:20,940

here is is you know it goes both ways

1990

01:23:25,550 --> 01:23:23,460

but I would imagine that she probably

1991

01:23:28,010 --> 01:23:25,560

has some animus towards the abortion

1992

01:23:31,430 --> 01:23:28,020

people yeah and yeah it's not cool it's

1993

01:23:33,290 --> 01:23:31,440

not right i'm pro-life reluctantly or

1994

01:23:35,090 --> 01:23:33,300

I'm pro-choice reluctantly because it's

1995

01:23:37,490 --> 01:23:35,100

not my [h__h] business but at the same

1996

01:23:39,410 --> 01:23:37,500

time it's like she's [h__h] deeply but

1997

01:23:41,630 --> 01:23:39,420

the people who are trying to kill Brett

1998

01:23:44,450 --> 01:23:41,640

Kavanaugh are pretty intense too I don't

1999

01:23:46,970 --> 01:23:44,460

know yeah well I I agree this is uh I

2000

01:23:49,010 --> 01:23:46,980

like to believe that uh she had this

2001

01:23:51,430 --> 01:23:49,020

dead raccoon inner freezer for just such

2002

01:23:53,630 --> 01:23:51,440

an occasion

2003

01:23:55,370 --> 01:23:53,640

yeah she keeps her eyes open when she

2004

01:23:58,130 --> 01:23:55,380

sees a good one she sets it aside yes

2005

01:24:00,290 --> 01:23:58,140

it's like hey when I either I'm gonna go

2006

01:24:02,689 --> 01:24:00,300

grab one today today we'll do rack no

2007

01:24:04,610 --> 01:24:02,699

yeah we'll do raccoon today no she has a

2008

01:24:06,950 --> 01:24:04,620

chest freezer she has a chest freezer

2009

01:24:08,570 --> 01:24:06,960

for anything just in case you got a

2010

01:24:10,689 --> 01:24:08,580

whole assortment of like dead possums

2011

01:24:13,130 --> 01:24:10,699

and raccoons

2012

01:24:16,370 --> 01:24:13,140

squirrel his face is crushed the

2013

01:24:18,649 --> 01:24:16,380

eyeballs like coming out deer head just

2014

01:24:20,750 --> 01:24:18,659

just the head this one's going to BP for

2015

01:24:23,330 --> 01:24:20,760

environmental concerns this one's going

2016

01:24:25,070 --> 01:24:23,340

to Arby's and you want to use the frost

2017

01:24:27,830 --> 01:24:25,080

you want to use defrost or set it out

2018

01:24:29,750 --> 01:24:27,840

overnight yeah I mean because you throw

2019

01:24:31,430 --> 01:24:29,760

it like a frozen dead raccoon at

2020

01:24:33,950 --> 01:24:31,440

somebody they can do some real damage

2021

01:24:35,149 --> 01:24:33,960

yeah you would have been charged with a

2022

01:24:36,950 --> 01:24:35,159

lot work you want a little bit of

2023

01:24:38,810 --> 01:24:36,960

splatter when you Wing that at someone I

2024

01:24:40,250 --> 01:24:38,820

wonder when if when the cops show up she

2025

01:24:42,830 --> 01:24:40,260

started hitting them with other dead

2026

01:24:45,709 --> 01:24:42,840

animals to defend yourself she just kept

2027

01:24:47,689 --> 01:24:45,719

pulling dead animals out of pockets

2028

01:24:50,209 --> 01:24:47,699

with two squirrels at me had a handful

2029

01:24:56,330 --> 01:24:50,219

of chipmunks distracted us with a bunch

2030

01:25:00,530 --> 01:24:58,610

I'd do a police chase with her and she

2031

01:25:06,770 --> 01:25:00,540

was just tossing dead dogs out of the

2032

01:25:06,780 --> 01:25:12,649

oh my God

2033

01:25:16,790 --> 01:25:14,990

all her weapons are dead animals you can

2034

01:25:18,410 --> 01:25:16,800

get [h__h] done with a dead raccoon in the

2035

01:25:20,990 --> 01:25:18,420

bag

2036

01:25:22,550 --> 01:25:21,000

people take you serious

2037

01:25:23,930 --> 01:25:22,560

they don't [h__h] around do you think that

2038

01:25:25,189 --> 01:25:23,940

would work and go and you go to the

2039

01:25:25,970 --> 01:25:25,199

government office go to the DMV or

2040

01:25:27,169 --> 01:25:25,980

something like that you just take the

2041

01:25:28,370 --> 01:25:27,179

dead raccoon and you just put it on the

2042

01:25:30,590 --> 01:25:28,380

on the counter with you while you're

2043

01:25:32,689 --> 01:25:30,600

there yeah it's like as your traveling

2044

01:25:34,970 --> 01:25:32,699

companion yes

2045

01:25:36,709 --> 01:25:34,980

go about your day but have the raccoon

2046

01:25:38,570 --> 01:25:36,719

with you and I bet people treat you a

2047

01:25:41,209 --> 01:25:38,580

little differently

2048

01:25:43,850 --> 01:25:41,219

yeah

2049

01:25:48,970 --> 01:25:43,860

okay one last story question we'll get

2050

01:25:52,729 --> 01:25:51,470

Red Alert

2051
01:25:55,669 --> 01:25:52,739
all right I'm going to give you this one

2052
01:25:57,169 --> 01:25:55,679
because it's super short and um and

2053
01:25:59,510 --> 01:25:57,179
amuses me because they're they're

2054
01:26:02,570 --> 01:25:59,520
basically leaning into the the meme

2055
01:26:04,550 --> 01:26:02,580
memeology of it I guess okay you like

2056
01:26:05,930 --> 01:26:04,560
memes so and this is a follow-up to a

2057
01:26:07,550 --> 01:26:05,940
story we did a couple months ago where

2058
01:26:08,629 --> 01:26:07,560
and I think it's even come up with No

2059
01:26:10,490 --> 01:26:08,639
Agenda recently that they're talking

2060
01:26:12,050 --> 01:26:10,500
about this like Mexican pizza at Taco

2061
01:26:13,610 --> 01:26:12,060
Bell and apparently this is like the

2062
01:26:16,510 --> 01:26:13,620
bee's knees and everyone has been

2063
01:26:18,530 --> 01:26:16,520

clamoring for this yeah

2064

01:26:19,550 --> 01:26:18,540

which yeah which I don't get but yeah

2065

01:26:21,229 --> 01:26:19,560

hey whatever

2066

01:26:23,090 --> 01:26:21,239

um but here's a response to the Mexican

2067

01:26:26,510 --> 01:26:23,100

pizza from Taco Bell

2068

01:26:29,689 --> 01:26:26,520

yes uh it looks like we got a headline

2069

01:26:33,229 --> 01:26:29,699

over here Pizza Hut unveils new Italian

2070

01:26:35,570 --> 01:26:33,239

Taco in response to Taco Bell's Mexican

2071

01:26:37,669 --> 01:26:35,580

pizza man I got mixed emotions about

2072

01:26:41,330 --> 01:26:37,679

this one

2073

01:26:43,729 --> 01:26:41,340

on Italian Taco okay uh as anxious fans

2074

01:26:46,910 --> 01:26:43,739

eagerly await the return of Taco Bell's

2075

01:26:49,129 --> 01:26:46,920

Mexican pizza on September 15th so

2076

01:26:50,510 --> 01:26:49,139

that's today or no tomorrow tomorrow you

2077

01:26:52,129 --> 01:26:50,520

can go to Taco Bell and get your Mexican

2078

01:26:53,270 --> 01:26:52,139

pizza I'm camping out overnight I'm

2079

01:26:55,430 --> 01:26:53,280

going there

2080

01:26:58,090 --> 01:26:55,440

uh Pizza is responding to the

2081

01:27:03,530 --> 01:26:58,100

competition with the introduction

2082

01:27:07,510 --> 01:27:03,540

of the new Italian Taco oh really yes

2083

01:27:14,030 --> 01:27:11,930

this is a this is a a cold war this is a

2084

01:27:15,470 --> 01:27:14,040

fast food cold war going on right here

2085

01:27:21,350 --> 01:27:15,480

uh

2086

01:27:24,530 --> 01:27:21,360

describes the Italian Taco as featuring

2087

01:27:27,590 --> 01:27:24,540

a hand tossed taco shell stuff with a

2088

01:27:29,930 --> 01:27:27,600

classic marinara sauce melted mozzarella

2089

01:27:33,290 --> 01:27:29,940

cheese and which other fillings you

2090

01:27:40,930 --> 01:27:33,300

choose from pepperoni to Pepper Jack AKA

2091

01:27:45,830 --> 01:27:43,310

out of it

2092

01:27:50,810 --> 01:27:47,390

like a pepper jack yeah it says

2093

01:27:53,810 --> 01:27:50,820

jalapenos pretty explicitly right there

2094

01:27:55,910 --> 01:27:53,820

and you've got jalapeno drops I do and I

2095

01:27:57,410 --> 01:27:55,920

totally missed it because I said pepper

2096

01:28:01,370 --> 01:27:57,420

jack

2097

01:28:06,350 --> 01:28:03,050

um I wonder what the uh the wrestler

2098

01:28:08,570 --> 01:28:06,360

Luigi Primo thinks of this is he still

2099

01:28:10,610 --> 01:28:08,580

gonna have like Italian Taco Italian

2100

01:28:13,310 --> 01:28:10,620

tacos in the ring now that could be his

2101
01:28:17,149 --> 01:28:13,320
nickname Luigi Primo the Italian Taco

2102
01:28:20,209 --> 01:28:17,159
the Italian Taco yes

2103
01:28:22,310 --> 01:28:20,219
well uh unwilling to fold to the

2104
01:28:25,010 --> 01:28:22,320
competition pizza's cheeky Italian Taco

2105
01:28:28,129 --> 01:28:25,020
can be enjoyed by anyone simply by

2106
01:28:29,149 --> 01:28:28,139
folding over a slice of pizza Taco style

2107
01:28:32,810 --> 01:28:29,159
all right

2108
01:28:35,990 --> 01:28:32,820
there you go why because hashtag no one

2109
01:28:39,050 --> 01:28:36,000
outpeats is the Hut in other words stay

2110
01:28:41,149 --> 01:28:39,060
in your lane Taco Bell Pizza Pizza Hut's

2111
01:28:42,110 --> 01:28:41,159
calling out Taco Bell big time they're

2112
01:28:43,790 --> 01:28:42,120
saying

2113
01:28:46,129 --> 01:28:43,800

[h__h] around and find out what happens

2114

01:28:47,570 --> 01:28:46,139

that's right

2115

01:28:49,490 --> 01:28:47,580

and they even put out like a little

2116

01:28:52,129 --> 01:28:49,500

Twitter like they're they're really

2117

01:28:53,810 --> 01:28:52,139

they're really uh thrown down

2118

01:28:55,729 --> 01:28:53,820

and so there but there's a tick tock

2119

01:28:57,229 --> 01:28:55,739

there's video of this no yeah there's

2120

01:29:03,680 --> 01:28:57,239

they're doing tick tocks they're doing

2121

01:29:07,310 --> 01:29:04,150

[Music]

2122

01:29:11,689 --> 01:29:08,930

that's it that's it that's the pizza

2123

01:29:13,490 --> 01:29:11,699

it's all it's just a folded over pizza

2124

01:29:17,750 --> 01:29:13,500

and then some kid comes onto the screen

2125

01:29:20,990 --> 01:29:17,760

and eats it that's it like it holding

2126

01:29:22,850 --> 01:29:21,000

your pizza is people do that all the

2127

01:29:27,410 --> 01:29:22,860

[h__\h] time okay this is [h__\h]

2128

01:29:31,610 --> 01:29:29,270

this is stupid you know if they wanted

2129

01:29:33,530 --> 01:29:31,620

to do something about this they could

2130

01:29:35,209 --> 01:29:33,540

just do a regular pizza

2131

01:29:37,070 --> 01:29:35,219

because the folding thing is the taco

2132

01:29:38,689 --> 01:29:37,080

part but I mean I guess is there a

2133

01:29:41,510 --> 01:29:38,699

seasoning thing to it but it would be

2134

01:29:42,410 --> 01:29:41,520

yeah take any pizza unfold it no it's a

2135

01:29:45,350 --> 01:29:42,420

taco

2136

01:29:47,090 --> 01:29:45,360

this is stupid so guys you could do a

2137

01:29:49,010 --> 01:29:47,100

recipe like everybody knows I like to

2138

01:29:51,050 --> 01:29:49,020

cook anyone who listens knows I like to

2139

01:29:54,470 --> 01:29:51,060

cook you would take salsa you would add

2140

01:29:57,110 --> 01:29:54,480

xanthan gum you would use like pizza or

2141

01:29:58,850 --> 01:29:57,120

taco cheese you know Cotija you would

2142

01:30:00,590 --> 01:29:58,860

use cilantro you would do all that [h__h]

2143

01:30:02,689 --> 01:30:00,600

and you could make an actual pizza and

2144

01:30:05,030 --> 01:30:02,699

you didn't have to fold it because why

2145

01:30:07,189 --> 01:30:05,040

the [h__h] do you do do that like right

2146

01:30:10,250 --> 01:30:07,199

now I get my Mexican style pizzas

2147

01:30:12,350 --> 01:30:10,260

exclusively from chachos there you go

2148

01:30:15,110 --> 01:30:12,360

they're 27 pounds

2149

01:30:18,169 --> 01:30:15,120

they do not cook well they need to put

2150

01:30:19,790 --> 01:30:18,179

mozzarella stuffed you know tortillas as

2151

01:30:23,270 --> 01:30:19,800

well this whole thing this whole thing

2152

01:30:25,790 --> 01:30:23,280

that we read it was folding over a piece

2153

01:30:29,830 --> 01:30:25,800

of pizza call it a taco there is

2154

01:30:33,410 --> 01:30:31,729

they're upset they didn't come up with

2155

01:30:36,110 --> 01:30:33,420

an actual recipe they just folded pizza

2156

01:30:39,110 --> 01:30:36,120

right did they did they do anything

2157

01:30:41,870 --> 01:30:39,120

no we got tricked it was a rude stupid

2158

01:30:43,729 --> 01:30:41,880

we got bamboozle stupid

2159

01:30:46,669 --> 01:30:43,739

I would have literally made taco

2160

01:30:50,270 --> 01:30:46,679

flavored sausage you know using like the

2161

01:30:53,870 --> 01:30:50,280

things you use to make that and uh like

2162

01:30:56,990 --> 01:30:53,880

make it like a taco flavored thing

2163

01:30:58,970 --> 01:30:57,000

but uh yeah exactly Joe like Go the

2164

01:31:01,310 --> 01:30:58,980

Distance like actually put a little

2165

01:31:03,110 --> 01:31:01,320

effort into this that but that's that's

2166

01:31:06,110 --> 01:31:03,120

what Taco Bell's doing with the Mexican

2167

01:31:07,910 --> 01:31:06,120

pizza they're making a pizza out of all

2168

01:31:09,890 --> 01:31:07,920

the appropriate ingredients

2169

01:31:12,110 --> 01:31:09,900

so no no no no no they're making the

2170

01:31:14,270 --> 01:31:12,120

same thing they're making tacos and

2171

01:31:17,350 --> 01:31:14,280

putting them in the in the shape of a

2172

01:31:21,890 --> 01:31:17,360

pizza so it's all taco stuff on a pizza

2173

01:31:24,169 --> 01:31:21,900

oh I see what you mean yeah so if if if

2174

01:31:26,030 --> 01:31:24,179

talk or if uh damn it I'm doing it now

2175

01:31:28,370 --> 01:31:26,040

if Pizza Hut did that if they did what

2176

01:31:31,070 --> 01:31:28,380

you said and made a a taco ingredient

2177

01:31:32,390 --> 01:31:31,080

based pizza that's exactly the same

2178

01:31:33,830 --> 01:31:32,400

thing that Taco Bell's doing so now you

2179

01:31:35,750 --> 01:31:33,840

got two on the market we don't need two

2180

01:31:39,050 --> 01:31:35,760

it's really it's the same [h__h] thing

2181

01:31:41,750 --> 01:31:39,060

then right it's six and one half dozen

2182

01:31:44,510 --> 01:31:43,490

it's just aggravating the difference now

2183

01:31:46,250 --> 01:31:44,520

I want to know can you get a Mexican

2184

01:31:48,770 --> 01:31:46,260

pizza from Taco Bell and fold it like a

2185

01:31:50,810 --> 01:31:48,780

taco or does it break and go everywhere

2186

01:31:52,790 --> 01:31:50,820

this is very upsetting to me it's very

2187

01:31:56,149 --> 01:31:52,800

upsetting this is like going to churches

2188

01:31:58,790 --> 01:31:56,159

Popeyes KFC it's like I guess it's Fried

2189

01:32:00,169 --> 01:31:58,800

Chicken Mike what was the uh the chicken

2190

01:32:01,490 --> 01:32:00,179

fight restaurant or chicken fight

2191

01:32:02,570 --> 01:32:01,500

neighborhood used to live near whatever

2192

01:32:06,290 --> 01:32:02,580

it was like

2193

01:32:07,910 --> 01:32:06,300

a chicken Corner chicken Corner yeah it

2194

01:32:10,370 --> 01:32:07,920

was the the Nexus point of all chicken

2195

01:32:13,209 --> 01:32:10,380

restaurants in Columbus and they had

2196

01:32:15,890 --> 01:32:13,219

churches they had canes they had KFC

2197

01:32:17,629 --> 01:32:15,900

uh they at one point in time each one

2198

01:32:19,250 --> 01:32:17,639

was on a corner so any kind of chicken

2199

01:32:20,330 --> 01:32:19,260

that you wanted and you could go there

2200

01:32:21,649 --> 01:32:20,340

and

2201

01:32:23,629 --> 01:32:21,659

they would all could do the chicken

2202

01:32:24,850 --> 01:32:23,639

crawl you could yeah you could do the

2203

01:32:27,350 --> 01:32:24,860

chicken curry

2204

01:32:29,750 --> 01:32:27,360

after the third bucket you're like oh

2205

01:32:33,169 --> 01:32:29,760

one more chicken

2206

01:32:34,550 --> 01:32:33,179

I needed this bucket for my backside of

2207

01:32:38,629 --> 01:32:34,560

this side just give me the empty bucket

2208

01:32:40,189 --> 01:32:38,639

God damn Pizza Hut we got you so now I

2209

01:32:41,390 --> 01:32:40,199

want to know could we have is is there

2210

01:32:43,729 --> 01:32:41,400

potential for somewhere in the country

2211

01:32:45,410 --> 01:32:43,739

there's got to be a Pizza Hut doing this

2212

01:32:47,149 --> 01:32:45,420

right next to a Taco Bell with the

2213

01:32:50,270 --> 01:32:47,159

Mexican pizza and then go out and fight

2214

01:32:53,689 --> 01:32:50,280

I I am I'm with you on this okay

2215

01:32:55,790 --> 01:32:53,699

this is total BS this is just so face to

2216

01:32:59,090 --> 01:32:55,800

the screen has a good idea pizza nachos

2217

01:33:02,330 --> 01:32:59,100

now that's one that Pizza Hut could grab

2218

01:33:04,370 --> 01:33:02,340

and you say pizza Taco Bell pizza nachos

2219

01:33:07,870 --> 01:33:04,380

would be instead of salsa or whatever

2220

01:33:10,189 --> 01:33:07,880

you'd put like sauce on them

2221

01:33:13,010 --> 01:33:10,199

and then you'd have mozzarella cheese

2222

01:33:15,110 --> 01:33:13,020

Mozzarella cheese would be like Italian

2223

01:33:16,850 --> 01:33:15,120

meatballs because like my mama used to

2224

01:33:18,169 --> 01:33:16,860

make yeah at that point Archie Chris is

2225

01:33:19,790 --> 01:33:18,179

talking about nachos with different

2226

01:33:22,729 --> 01:33:19,800

different sauce

2227

01:33:27,669 --> 01:33:22,739

yeah yeah probably fettuccine sauce yeah

2228

01:33:33,350 --> 01:33:31,090

Ritz crackers in there

2229

01:33:35,270 --> 01:33:33,360

sprinkles and crushed Oreos on top

2230

01:33:38,270 --> 01:33:35,280

there's some Oreos in there yeah yeah

2231

01:33:39,590 --> 01:33:38,280

garlic bread pour a Diet Coke over the

2232

01:33:44,350 --> 01:33:39,600

top of it serve it in a big bowl with

2233

01:33:49,430 --> 01:33:46,790

top it off with a bunch of maple syrup

2234

01:33:50,689 --> 01:33:49,440

it's great oh my God eating like a

2235

01:33:52,070 --> 01:33:50,699

nine-year-old he's being left home for

2236

01:33:53,390 --> 01:33:52,080

the first time everything you described

2237

01:33:55,070 --> 01:33:53,400

there would probably be a better

2238

01:33:57,709 --> 01:33:55,080

marketing campaign for pizza than what

2239

01:33:58,850 --> 01:33:57,719

they did I know dude okay so what you're

2240

01:34:00,350 --> 01:33:58,860

saying is Pizza Hut should have said

2241

01:34:02,270 --> 01:34:00,360

look as long as we're just putting

2242

01:34:05,030 --> 01:34:02,280

random [h__h] on top of bread and calling

2243

01:34:07,669 --> 01:34:05,040

it Pizza yeah how about this just start

2244

01:34:09,550 --> 01:34:07,679

piling stuff in there yeah

2245

01:34:12,649 --> 01:34:09,560

why not

2246

01:34:14,510 --> 01:34:12,659

all right we're getting out of here we

2247

01:34:18,169 --> 01:34:14,520

are getting out of hell

2248

01:34:21,169 --> 01:34:18,179

getting out of here black hole black hoe

2249

01:34:24,050 --> 01:34:21,179

say black hell or black hole black hole

2250

01:34:25,669 --> 01:34:24,060

black hole black hoe all right look how

2251
01:34:28,669 --> 01:34:25,679
many syllables in the word whole good

2252
01:34:31,189 --> 01:34:28,679
Lord how how

2253
01:34:35,390 --> 01:34:31,199
what uh get prepare your last will and

2254
01:34:36,410 --> 01:34:35,400
testament for the 24th we got about a

2255
01:34:37,689 --> 01:34:36,420
week's time

2256
01:34:40,430 --> 01:34:37,699
yeah

2257
01:34:42,169 --> 01:34:40,440
we can a few days

2258
01:34:44,629 --> 01:34:42,179
we got two more shows before that yeah

2259
01:34:46,970 --> 01:34:44,639
so we'll keep uh we'll keep an eye on

2260
01:34:48,770 --> 01:34:46,980
the situation obviously as events

2261
01:34:51,229 --> 01:34:48,780
continue to unfold

2262
01:34:52,610 --> 01:34:51,239
and you'll know people out there will

2263
01:34:55,250 --> 01:34:52,620

know first

2264

01:34:56,629 --> 01:34:55,260

yeah unless they die

2265

01:34:59,149 --> 01:34:56,639

and then at which point they probably

2266

01:35:01,250 --> 01:34:59,159

wouldn't care no

2267

01:35:02,870 --> 01:35:01,260

I would hope he's well he's dead

2268

01:35:04,910 --> 01:35:02,880

he's dead so you just gotta watch out

2269

01:35:07,070 --> 01:35:04,920

for that you gotta be careful you gotta

2270

01:35:09,590 --> 01:35:07,080

be careful oops

2271

01:35:11,330 --> 01:35:09,600

oops he's dead another pedophile Bites

2272

01:35:14,570 --> 01:35:11,340

the Dust

2273

01:35:17,750 --> 01:35:14,580

well everyone can go to obdmpod.com for

2274

01:35:20,810 --> 01:35:17,760

all your obdm needs there's links to our

2275

01:35:24,110 --> 01:35:20,820

Instagram over there Twitter

2276

01:35:26,810 --> 01:35:24,120

uh I did get a message on Instagram from

2277

01:35:29,030 --> 01:35:26,820

some guy who went down to the meadow the

2278

01:35:31,250 --> 01:35:29,040

the South's version of Skinwalker Ranch

2279

01:35:33,050 --> 01:35:31,260

oh I'll talk about that on yeah yeah

2280

01:35:35,209 --> 01:35:33,060

Saturday I'm glad you saw that

2281

01:35:35,810 --> 01:35:35,219

I'll talk about that on Saturday

2282

01:35:38,750 --> 01:35:35,820

um

2283

01:35:40,310 --> 01:35:38,760

because is I I had the general idea of

2284

01:35:42,350 --> 01:35:40,320

where it was and he confirmed kind of

2285

01:35:44,510 --> 01:35:42,360

the location so we'll talk about it on

2286

01:35:46,729 --> 01:35:44,520

Saturday we'll have a whole bunch more

2287

01:35:47,629 --> 01:35:46,739

fun and shenanigans and you want a

2288

01:35:51,129 --> 01:35:47,639

sports show just go over there

2289

01:35:57,370 --> 01:35:53,990

you got your chip Mike right I got the

2290

01:36:01,010 --> 01:35:57,380

chip yes I say beginning of the show

2291

01:36:03,229 --> 01:36:01,020

bad call it's the entire show just be

2292

01:36:04,430 --> 01:36:03,239

the chip but no I think the beginning of

2293

01:36:08,270 --> 01:36:04,440

the show because if you take it at the

2294

01:36:11,390 --> 01:36:09,950

did you guys read the warning on here

2295

01:36:14,450 --> 01:36:11,400

about like do not rub this in your eye

2296

01:36:16,729 --> 01:36:14,460

immediately do not

2297

01:36:18,830 --> 01:36:16,739

I I will I will try to accommodate you

2298

01:36:20,270 --> 01:36:18,840

will survive you will survive you will

2299

01:36:21,590 --> 01:36:20,280

survive I think if we do it at the

2300

01:36:23,330 --> 01:36:21,600

beginning of the show it's survivable

2301

01:36:25,669 --> 01:36:23,340

you saw my video

2302

01:36:28,310 --> 01:36:25,679

yeah but it's not fun it doesn't look

2303

01:36:30,229 --> 01:36:28,320

what you what I saw didn't look fun to

2304

01:36:32,770 --> 01:36:30,239

me it is fun

2305

01:36:35,270 --> 01:36:32,780

well we have different ideas of fun

2306

01:36:38,209 --> 01:36:35,280

putting yourself fun for us it's fun for

2307

01:36:40,430 --> 01:36:38,219

the audience uh okay we'll talk about it

2308

01:36:41,810 --> 01:36:40,440

thank you for the whole family thank you

2309

01:36:45,530 --> 01:36:41,820

graduate we'll talk everyone next time

2310

01:36:47,030 --> 01:36:45,540

oh yeah keep watching the skis no way

2311

01:36:48,410 --> 01:36:47,040

not this time we made this one it's a

2312

01:36:54,310 --> 01:36:48,420

made-up day never happened we got you

2313

01:37:03,129 --> 01:36:56,590

smile anymore

2314

01:37:03,139 --> 01:37:10,790

from the corner

2315

01:37:10,800 --> 01:37:14,590
