

OBDM1040 : Full Show

1
00:00:01,979 --> 00:00:09,830
foreign

2
00:00:09,840 --> 00:00:28,910
[Music]

3
00:00:28,920 --> 00:00:32,320
that's what we stand for

4
00:00:53,750 --> 00:00:34,370
[Music]

5
00:00:59,869 --> 00:00:56,150
you must get rid of these parasites that

6
00:01:05,270 --> 00:01:01,729
hey everyone welcome back to another

7
00:01:07,429 --> 00:01:05,280
fun-filled podcast Adventure yes

8
00:01:10,130 --> 00:01:07,439
my name is midnight my crutch is over

9
00:01:13,670 --> 00:01:10,140
there paying really low

10
00:01:17,390 --> 00:01:13,680
amounts for his utility bills

11
00:01:20,230 --> 00:01:17,400
and uh Joe is uh juicing his brains out

12
00:01:25,190 --> 00:01:23,270
true story he was juicing before the

13
00:01:29,630 --> 00:01:25,200

show he continues to juices

14

00:01:31,670 --> 00:01:29,640

he juices I'm a juicer I know from way

15

00:01:33,890 --> 00:01:31,680

back you started juicing on the show in

16

00:01:36,109 --> 00:01:33,900

probably 2015.

17

00:01:37,850 --> 00:01:36,119

and here we are seven years later and

18

00:01:40,069 --> 00:01:37,860

you continue to juice you love the juice

19

00:01:41,870 --> 00:01:40,079

and uh what kind of juice you got what's

20

00:01:44,030 --> 00:01:41,880

your go-to juicer

21

00:01:45,649 --> 00:01:44,040

uh well I have the harm and I haven't

22

00:01:48,950 --> 00:01:45,659

got that thing out in a while but the

23

00:01:51,050 --> 00:01:48,960

Ninja the Ninja the Ninja did I got a

24

00:01:53,749 --> 00:01:51,060

ninja upstairs I use it for crushing my

25

00:01:56,210 --> 00:01:53,759

coffee beans pulverizing the coffee

26
00:01:57,830 --> 00:01:56,220
beans you gotta punish those things yeah

27
00:02:00,170 --> 00:01:57,840
you certainly do

28
00:02:01,609 --> 00:02:00,180
and uh I like it although it does break

29
00:02:03,410 --> 00:02:01,619
there's plastic little Clips on the side

30
00:02:05,510 --> 00:02:03,420
where you press that pressed down on the

31
00:02:08,089 --> 00:02:05,520
thing uh they break off sometimes so I

32
00:02:11,089 --> 00:02:08,099
gotta now Jam a knife in the side to

33
00:02:13,550 --> 00:02:11,099
trigger the blades Jesus these are all

34
00:02:16,309 --> 00:02:13,560
very violent words yeah yeah I'm using

35
00:02:19,309 --> 00:02:16,319
nines I'm jabbing blades triggering

36
00:02:21,470 --> 00:02:19,319
Jesus Christ oh here we are on a

37
00:02:24,110 --> 00:02:21,480
Saturday starting up and it would be

38
00:02:26,570 --> 00:02:24,120

more relaxing yeah yeah

39

00:02:28,369 --> 00:02:26,580

hey Mike I just got word from our good

40

00:02:30,170 --> 00:02:28,379

friend booberry you get to go smack the

41

00:02:31,670 --> 00:02:30,180

No Agenda stream again smack the new

42

00:02:35,270 --> 00:02:31,680

agenda stream why

43

00:02:39,369 --> 00:02:35,280

you're not on I'm not on

44

00:02:43,970 --> 00:02:42,290

uh keep talking just people talking

45

00:02:47,750 --> 00:02:43,980

about stuff over there and it's not us

46

00:02:51,830 --> 00:02:49,490

thanks for the heads up blueberry

47

00:02:55,070 --> 00:02:51,840

um falling down on the job here I am

48

00:02:56,990 --> 00:02:55,080

so while Joe describes his uh impressive

49

00:02:59,630 --> 00:02:57,000

uh juicing regimen

50

00:03:02,030 --> 00:02:59,640

uh and the multitude of juicers he's

51

00:03:03,650 --> 00:03:02,040

used over the years

52

00:03:06,350 --> 00:03:03,660

um he has muted himself and wandered off

53

00:03:07,729 --> 00:03:06,360

camera to continue his juicing uh

54

00:03:09,830 --> 00:03:07,739

whereas most of us tend to prep that

55

00:03:11,570 --> 00:03:09,840

stuff before the show okay not during

56

00:03:12,890 --> 00:03:11,580

the show all right I think I fixed the

57

00:03:14,449 --> 00:03:12,900

stream over there

58

00:03:16,250 --> 00:03:14,459

we actually actually clicked the button

59

00:03:18,229 --> 00:03:16,260

yeah no I clicked the button so what

60

00:03:21,050 --> 00:03:18,239

happens I it's still using Windows 7

61

00:03:22,610 --> 00:03:21,060

over there it is frozen in time that

62

00:03:26,149 --> 00:03:22,620

streaming computer is using Windows 7

63

00:03:29,030 --> 00:03:26,159

and sometimes it reads the USB input and

64

00:03:30,410 --> 00:03:29,040

sometimes it doesn't and this is one of

65

00:03:33,350 --> 00:03:30,420

the one of the times where I had to

66

00:03:35,089 --> 00:03:33,360

unplug it plug it back in basically turn

67

00:03:37,210 --> 00:03:35,099

it off turn it back on again to

68

00:03:39,710 --> 00:03:37,220

Kickstart it so there we go

69

00:03:41,089 --> 00:03:39,720

uh so you're saying sometimes you feel

70

00:03:44,990 --> 00:03:41,099

like a nut sometimes you don't pretty

71

00:03:46,990 --> 00:03:45,000

much yep so apologize to everyone over

72

00:03:50,089 --> 00:03:47,000

there on No Agenda stream this is the

73

00:03:52,369 --> 00:03:50,099

obdm our big dumb mouth podcast we uh

74

00:03:54,830 --> 00:03:52,379

interrupted your replay of whatever show

75

00:03:58,789 --> 00:03:54,840

that was going on this is uh a

76

00:04:00,229 --> 00:03:58,799

paranormal conspiracy fun news show uh

77

00:04:03,170 --> 00:04:00,239

you'll hate it for the first two

78

00:04:04,309 --> 00:04:03,180

episodes after that uh you might like it

79

00:04:06,470 --> 00:04:04,319

if you choose to like it you can

80

00:04:08,449 --> 00:04:06,480

continue listening that's fine

81

00:04:10,789 --> 00:04:08,459

um but we uh we like to have a little

82

00:04:12,110 --> 00:04:10,799

bit of fun we cover some weird topics

83

00:04:14,869 --> 00:04:12,120

and we're gonna get into it we're gonna

84

00:04:17,449 --> 00:04:14,879

get into some strangeness right now and

85

00:04:20,210 --> 00:04:17,459

just have a whole lot of fun

86

00:04:23,749 --> 00:04:20,220

you don't stop confident

87

00:04:26,450 --> 00:04:23,759

well I'm a little confident all right so

88

00:04:30,170 --> 00:04:26,460

episodes ago I talked about how I'm

89

00:04:32,150 --> 00:04:30,180

getting back into writing music and uh I

90

00:04:35,390 --> 00:04:32,160

I I broke out the guitar I broke out the

91

00:04:37,090 --> 00:04:35,400

bass I started recording music and I

92

00:04:40,850 --> 00:04:37,100

wanted to start writing what I called

93

00:04:43,310 --> 00:04:40,860

micro songs these are extremely short

94

00:04:45,409 --> 00:04:43,320

songs that get to the point that that

95

00:04:47,390 --> 00:04:45,419

the delivers the message that needs to

96

00:04:50,090 --> 00:04:47,400

be delivered in a very concise and

97

00:04:52,670 --> 00:04:50,100

friendly way for modern viewers and

98

00:04:55,430 --> 00:04:52,680

right now I have my very first micro

99

00:04:58,370 --> 00:04:55,440

song that I want to debut here

100

00:05:00,770 --> 00:04:58,380

and I think uh I think everyone will

101

00:05:03,290 --> 00:05:00,780

find it to be uh quite poignant and

102

00:05:05,330 --> 00:05:03,300

relevant to what's going on in the

103

00:05:07,850 --> 00:05:05,340

culture so uh here we go here's my first

104

00:05:09,850 --> 00:05:07,860

microsong it's titled what about me here

105

00:05:14,030 --> 00:05:09,860

we go

106

00:05:17,170 --> 00:05:14,040

what about me what about you what about

107

00:05:17,180 --> 00:05:23,689

what about me

108

00:05:26,270 --> 00:05:25,370

I don't hate it

109

00:05:29,029 --> 00:05:26,280

thank you

110

00:05:31,969 --> 00:05:29,039

it's not quite micro though it's a micro

111

00:05:33,409 --> 00:05:31,979

song it's micro how long do you want it

112

00:05:35,570 --> 00:05:33,419

yeah what do you want like you should

113

00:05:38,150 --> 00:05:35,580

size queen over here should it be like

114

00:05:40,189 --> 00:05:38,160

four seconds that's clocking in to 15

115

00:05:42,950 --> 00:05:40,199

seconds yeah I thought you're gonna keep

116

00:05:45,050 --> 00:05:42,960

it like under 10. well

117

00:05:47,330 --> 00:05:45,060

um perhaps in the future I got you don't

118

00:05:48,890 --> 00:05:47,340

get to determine micro songs are less

119

00:05:51,529 --> 00:05:48,900

than a minute that's what I would think

120

00:05:53,390 --> 00:05:51,539

or Mike are you you've gone from writing

121

00:05:55,249 --> 00:05:53,400

full songs not writing micro songs could

122

00:05:56,930 --> 00:05:55,259

The Next Step being writing Nano songs

123

00:05:59,510 --> 00:05:56,940

uh perhaps that might be the next

124

00:06:01,790 --> 00:05:59,520

Evolution where I really just focus in

125

00:06:05,590 --> 00:06:01,800

on one note and seeing what I can do

126

00:06:10,490 --> 00:06:08,870

the song's using about uh three notes

127

00:06:12,650 --> 00:06:10,500

I'm really pushing the envelope right

128

00:06:15,529 --> 00:06:12,660

there so uh that song's called what

129

00:06:18,350 --> 00:06:15,539

about me I think it really uh

130

00:06:21,170 --> 00:06:18,360

it really Dives deep into the emotional

131

00:06:23,510 --> 00:06:21,180

state of what I'm feeling and I think

132

00:06:26,210 --> 00:06:23,520

other people can identify uh with that

133

00:06:29,029 --> 00:06:26,220

sentiment as well I'll be you're asking

134

00:06:32,330 --> 00:06:29,039

the questions of the cosmos very very I

135

00:06:35,029 --> 00:06:32,340

mean these are Big questions yeah I'll

136

00:06:37,309 --> 00:06:35,039

be uh making more of these songs uh

137

00:06:39,710 --> 00:06:37,319

probably about 30 that will be the

138

00:06:42,290 --> 00:06:39,720

official micro album

139

00:06:45,290 --> 00:06:42,300

and I will be uploading that entire

140

00:06:47,390 --> 00:06:45,300

thing onto Tick Tock at which point in

141

00:06:51,050 --> 00:06:47,400

time I will become a tick tock star

142

00:06:53,150 --> 00:06:51,060

again I'm already a tick tock UFO star

143

00:06:55,550 --> 00:06:53,160

on there I have a hundred thousand uh

144

00:06:58,610 --> 00:06:55,560

followers on tip Tick Tock doing UFO and

145

00:07:01,430 --> 00:06:58,620

paranormal stuff uh I'm gonna

146

00:07:03,770 --> 00:07:01,440

just bulldoze the music landscape on

147

00:07:06,110 --> 00:07:03,780

Tick Tock by uh just punishing people

148

00:07:08,510 --> 00:07:06,120

with this audio onslaught

149

00:07:11,450 --> 00:07:08,520

and it's gonna happen this is the most

150

00:07:13,969 --> 00:07:11,460

violent beginning of the show in I can't

151
00:07:15,290 --> 00:07:13,979
remember how long well it's awesome by

152
00:07:16,850 --> 00:07:15,300
the way just need to point out to people

153
00:07:18,170 --> 00:07:16,860
listening in audio only uh we have some

154
00:07:20,689 --> 00:07:18,180
people in the chat who are confused they

155
00:07:23,029 --> 00:07:20,699
thought you were writing a Mike Rowe

156
00:07:26,450 --> 00:07:23,039
song for the host of Dirty Jobs oh like

157
00:07:29,150 --> 00:07:26,460
a dirty job song no no wrong no I'm not

158
00:07:30,589 --> 00:07:29,160
writing themes for Mike Rowe to walk

159
00:07:32,749 --> 00:07:30,599
around and listen to

160
00:07:34,670 --> 00:07:32,759
like when he enters a room it's the Mike

161
00:07:36,110 --> 00:07:34,680
Rowe song Here's the thing though could

162
00:07:38,029 --> 00:07:36,120
you since you're gonna do 30 tracks

163
00:07:40,730 --> 00:07:38,039

could you do a track that is a micro

164

00:07:42,830 --> 00:07:40,740

song about Mike Rowe yeah I'll put it on

165

00:07:46,670 --> 00:07:42,840

the list uh most of my songs are about

166

00:07:49,490 --> 00:07:46,680

war and love and uh just the emotional

167

00:07:51,409 --> 00:07:49,500

turmoil uh with within every artist and

168

00:07:54,890 --> 00:07:51,419

what they feel but if I could if I could

169

00:07:56,930 --> 00:07:54,900

put my put myself in the dirty shoes of

170

00:07:58,189 --> 00:07:56,940

Mike Rowe perhaps I could walk a mile

171

00:08:00,589 --> 00:07:58,199

and write a song

172

00:08:02,930 --> 00:08:00,599

we'll uh we'll find out you have to walk

173

00:08:04,430 --> 00:08:02,940

a mile if it's a micro song just a

174

00:08:06,409 --> 00:08:04,440

couple feet I suppose is good enough to

175

00:08:09,230 --> 00:08:06,419

really get the feel of what he needs to

176

00:08:13,370 --> 00:08:09,240

be uh written about okay

177

00:08:14,390 --> 00:08:13,380

well uh while we're on songs just real

178

00:08:18,770 --> 00:08:14,400

quick

179

00:08:20,990 --> 00:08:18,780

um I've been uh perusing this subreddit

180

00:08:24,189 --> 00:08:21,000

called uh crappy music you like that

181

00:08:26,689 --> 00:08:24,199

subreddit Joe never heard of it oh

182

00:08:30,830 --> 00:08:26,699

you're gonna put your song up there too

183

00:08:32,510 --> 00:08:30,840

no it's a good song Joe oh you don't I

184

00:08:33,889 --> 00:08:32,520

don't it's people we download it because

185

00:08:35,510 --> 00:08:33,899

it's a good song it's not crappy music

186

00:08:36,790 --> 00:08:35,520

it's a good song so I don't know what

187

00:08:39,649 --> 00:08:36,800

you're talking about

188

00:08:42,649 --> 00:08:39,659

uh what was it called crap crappy music

189

00:08:46,370 --> 00:08:42,659

it's called Uh R like the subreddit R

190

00:08:47,449 --> 00:08:46,380

it's called crappy music okay and uh I

191

00:08:50,449 --> 00:08:47,459

don't know why this song came on there

192

00:08:53,329 --> 00:08:50,459

but this song was produced in uh and

193

00:08:58,070 --> 00:08:53,339

recorded by Hulk Hogan uh you know him

194

00:09:01,370 --> 00:08:58,080

Joe you know yeah for sure Hulk Hogan uh

195

00:09:03,530 --> 00:09:01,380

a lot of the the WWE Stars WWF stars

196

00:09:05,090 --> 00:09:03,540

back in the day they decided to

197

00:09:07,310 --> 00:09:05,100

capitalize on their Fame by putting out

198

00:09:09,230 --> 00:09:07,320

music albums I know uh the Macho Man put

199

00:09:12,050 --> 00:09:09,240

out one the hawkster did I don't know if

200

00:09:14,269 --> 00:09:12,060

the ultimate warrior ever did I hope so

201
00:09:16,430 --> 00:09:14,279
uh but this is hard working on it yeah

202
00:09:19,009 --> 00:09:16,440
this is Hawk doing his thing uh just

203
00:09:21,769 --> 00:09:19,019
laying down the tasty grooves with the

204
00:09:22,550 --> 00:09:21,779
in this in this song called uh beats

205
00:09:25,310 --> 00:09:22,560
Patrol

206
00:09:27,410 --> 00:09:25,320
which uh you can listen to it it's got a

207
00:09:30,230 --> 00:09:27,420
great production it's I'm not gonna even

208
00:09:31,800 --> 00:09:30,240
describe it I think the song speaks for

209
00:09:43,210 --> 00:09:31,810
itself here we go

210
00:09:49,449 --> 00:09:43,220
[Music]

211
00:10:04,370 --> 00:09:52,430
a sticky situation she wanted me to give

212
00:10:04,380 --> 00:10:07,810
oh no

213
00:10:11,750 --> 00:10:10,190

I've been listening to that song all

214

00:10:13,070 --> 00:10:11,760

morning just to kind of get myself in

215

00:10:16,190 --> 00:10:13,080

the headspace of doing this podcast

216

00:10:18,590 --> 00:10:16,200

right now sounds like late 80s early 90s

217

00:10:22,190 --> 00:10:18,600

like Christian rap it sounds if you ever

218

00:10:23,750 --> 00:10:22,200

played the NES game River City Ransom uh

219

00:10:26,509 --> 00:10:23,760

uh it sounds like that like the

220

00:10:29,570 --> 00:10:26,519

background music sounds like an NES game

221

00:10:32,090 --> 00:10:29,580

and I I like it in that aspect but when

222

00:10:33,829 --> 00:10:32,100

you're trying to do like rapping or

223

00:10:36,410 --> 00:10:33,839

singing over top of it unless you do it

224

00:10:38,449 --> 00:10:36,420

in a more ironic way or really push the

225

00:10:40,310 --> 00:10:38,459

envelope you're not using it to its full

226

00:10:44,509 --> 00:10:40,320

stability but I think it might work for

227

00:10:48,710 --> 00:10:46,490

it's all like that there's a lot of

228

00:10:53,269 --> 00:10:48,720

other people have been sending me

229

00:10:55,370 --> 00:10:53,279

um this song uh which is uh all the rage

230

00:10:58,190 --> 00:10:55,380

on crappy music right now

231

00:10:59,870 --> 00:10:58,200

and uh and this is that I'll play this

232

00:11:01,970 --> 00:10:59,880

at the end of the podcast This song is

233

00:11:05,810 --> 00:11:01,980

called uh good biscuit I believe it's

234

00:11:06,949 --> 00:11:05,820

the goodness of the biscuit

235

00:11:08,350 --> 00:11:06,959

[Music]

236

00:11:39,889 --> 00:11:08,360

s

237

00:11:43,150 --> 00:11:39,899

[Laughter]

238

00:11:45,410 --> 00:11:43,160

I should have made that my wedding song

239

00:11:48,190 --> 00:11:45,420

I should have walked down the aisle to

240

00:11:50,329 --> 00:11:48,200

Hulk Hogan Beach

241

00:11:53,630 --> 00:11:50,339

my wife would have walked away from the

242

00:11:56,210 --> 00:11:55,130

at certain points she would not have

243

00:11:59,210 --> 00:11:56,220

made it all the way down the aisle that

244

00:12:01,370 --> 00:11:59,220

would have been a stop and a turn yes

245

00:12:04,370 --> 00:12:01,380

yeah well Hey Joe why am I presenting

246

00:12:07,069 --> 00:12:04,380

look this world is crazy now right now

247

00:12:09,949 --> 00:12:07,079

we're on the brink of War uh [h__h] is

248

00:12:12,350 --> 00:12:09,959

going crazy 24 7. the news cycle is

249

00:12:13,910 --> 00:12:12,360

insane uh most people are just getting

250

00:12:16,190 --> 00:12:13,920

one side of the story so I'm trying to

251

00:12:19,850 --> 00:12:16,200

present the other side of the crazy side

252

00:12:22,130 --> 00:12:19,860

you know uh which is crappy music and

253

00:12:24,290 --> 00:12:22,140

ridiculous nonsense up front just to

254

00:12:26,090 --> 00:12:24,300

kind of lighten the load before we dive

255

00:12:27,949 --> 00:12:26,100

into anything else that we might have in

256

00:12:30,949 --> 00:12:27,959

this podcast

257

00:12:33,470 --> 00:12:30,959

so I'm just trying to uh

258

00:12:35,210 --> 00:12:33,480

preempt any kind of malarkey that we

259

00:12:37,970 --> 00:12:35,220

might be getting into so yeah I mean

260

00:12:41,210 --> 00:12:37,980

I've been avoiding the news like when I

261

00:12:43,430 --> 00:12:41,220

erupt in nuclear Flames I'll I'll know

262

00:12:45,769 --> 00:12:43,440

what's going on but the people who were

263

00:12:48,350 --> 00:12:45,779

cheering this on and worshiping all the

264

00:12:50,569 --> 00:12:48,360

[\h__\h] like [\h__\h] you you are my

265

00:12:52,670 --> 00:12:50,579

enemies and you're stupid they're so

266

00:12:53,590 --> 00:12:52,680

stupid yeah we're all getting killed

267

00:12:57,170 --> 00:12:53,600

here

268

00:13:01,190 --> 00:12:57,180

uh yeah it's pretty darn close

269

00:13:04,670 --> 00:13:01,200

well I'm gonna transition into my my

270

00:13:07,190 --> 00:13:04,680

list that I have uh and uh we'll uh

271

00:13:09,769 --> 00:13:07,200

we'll talk about this list because this

272

00:13:12,889 --> 00:13:09,779

list might become uh very handy to you

273

00:13:17,500 --> 00:13:12,899

in the coming days

274

00:13:22,069 --> 00:13:20,329

[Applause]

275

00:13:24,769 --> 00:13:22,079

I'll bring this list up on screen so we

276

00:13:27,889 --> 00:13:24,779

all can enjoy this list together

277

00:13:30,650 --> 00:13:27,899

and this is uh nine ways to talk to the

278

00:13:36,050 --> 00:13:33,470

so uh if we all die if you if you happen

279

00:13:39,410 --> 00:13:36,060

to know somebody that dies in a Russian

280

00:13:43,430 --> 00:13:39,420

nuclear explosion have no fear you still

281

00:13:45,710 --> 00:13:43,440

might be able to talk to talk to them uh

282

00:13:47,990 --> 00:13:45,720

soon after they perish

283

00:13:50,629 --> 00:13:48,000

uh so we'll figure this out it is

284

00:13:52,490 --> 00:13:50,639

Halloween time it's October and so I'm

285

00:13:55,850 --> 00:13:52,500

going to include a lot more spooky

286

00:13:58,009 --> 00:13:55,860

stories creepy stuff uh as if the world

287

00:14:00,590 --> 00:13:58,019

isn't creepy and spooky enough uh let's

288

00:14:04,129 --> 00:14:00,600

just pile on top of it why not

289

00:14:06,050 --> 00:14:04,139

so nine ways to talk to the dead and uh

290

00:14:08,569 --> 00:14:06,060

this is gonna be fun I think this is

291

00:14:11,090 --> 00:14:08,579

gonna be a real good slideshow so let's

292

00:14:14,210 --> 00:14:11,100

start the madness uh the first way that

293

00:14:17,150 --> 00:14:14,220

you can talk to the dead is through a

294

00:14:19,190 --> 00:14:17,160

Ouija board oh yes the Ouija board uh

295

00:14:22,730 --> 00:14:19,200

home Ouija boards have been on sale

296

00:14:24,829 --> 00:14:22,740

since the night or since the 1890s and

297

00:14:27,230 --> 00:14:24,839

they've grown to have a strange place in

298

00:14:29,350 --> 00:14:27,240

American pop culture they have uh they

299

00:14:32,629 --> 00:14:29,360

are a tool for

300

00:14:35,269 --> 00:14:32,639

enacting occult rituals to speak with

301

00:14:37,670 --> 00:14:35,279

the dead but you can buy one at any

302

00:14:39,410 --> 00:14:37,680

local toy store uh have you have either

303

00:14:41,210 --> 00:14:39,420

one of you gentlemen ever use Norwegian

304

00:14:43,670 --> 00:14:41,220

a Ouija board I said Ouija board but

305

00:14:48,650 --> 00:14:46,730

I use a Ouija uh every morning to to get

306

00:14:52,490 --> 00:14:48,660

the water off the shower door that's a

307

00:14:55,930 --> 00:14:55,009

I've used the Ouija board

308

00:14:59,410 --> 00:14:55,940

um

309

00:15:02,449 --> 00:14:59,420

it uh I guess it's unclear how

310

00:15:03,949 --> 00:15:02,459

they work in the Paranormal sense I

311

00:15:06,110 --> 00:15:03,959

guess in the Paranormal sense like you

312

00:15:09,290 --> 00:15:06,120

know you lightly put your hands on the

313

00:15:11,930 --> 00:15:09,300

the cursor and then the spirits guide

314

00:15:13,970 --> 00:15:11,940

your hands but uh

315

00:15:15,889 --> 00:15:13,980

you know scientifically they would say

316

00:15:18,889 --> 00:15:15,899

oh it's just one person over the over

317

00:15:22,129 --> 00:15:18,899

the other pushing the the cursor along

318

00:15:24,889 --> 00:15:22,139

and making the decisions moving it from

319

00:15:26,150 --> 00:15:24,899

letters to to numbers to spell out

320

00:15:28,069 --> 00:15:26,160

whatever you want I used it and it's

321

00:15:29,210 --> 00:15:28,079

pretty creepy I mean you touch it so

322

00:15:31,430 --> 00:15:29,220

light you don't feel like the other

323

00:15:33,290 --> 00:15:31,440

person's moving it but it could be your

324

00:15:35,569 --> 00:15:33,300

subconscious or the other person's

325

00:15:38,150 --> 00:15:35,579

subconscious uh actually moving this

326

00:15:39,769 --> 00:15:38,160

cursor so keep that in mind uh they do

327

00:15:41,689 --> 00:15:39,779

sell my toy stores I don't own one

328

00:15:43,069 --> 00:15:41,699

because I don't trust them I do not

329

00:15:44,990 --> 00:15:43,079

trust them one bit

330

00:15:47,210 --> 00:15:45,000

so you you don't own your Ouija board

331

00:15:49,310 --> 00:15:47,220

you you you rent with an option to buy

332

00:15:51,650 --> 00:15:49,320

yeah rent to own like Rent-A-Center like

333

00:15:53,810 --> 00:15:51,660

the place where Hulk Hogan used to work

334

00:15:56,389 --> 00:15:53,820

Hulk Hogan used to do commercials for

335

00:15:57,829 --> 00:15:56,399

rent yeah remember that yeah yeah it's

336

00:16:00,110 --> 00:15:57,839

probably still in there yeah that's for

337

00:16:02,090 --> 00:16:00,120

a day I'm sure do you want a sofa for 33

338

00:16:05,269 --> 00:16:02,100

a month

339

00:16:07,550 --> 00:16:05,279

rent to own at Rent-A-Center like to

340

00:16:11,509 --> 00:16:07,560

rent to own this Ouija board please is

341

00:16:13,069 --> 00:16:11,519

that like 1.60 a week okay I guess I can

342

00:16:15,769 --> 00:16:13,079

afford that

343

00:16:19,250 --> 00:16:15,779

well the uh the next item you can use to

344

00:16:21,230 --> 00:16:19,260

talk to that is mirror gazing I guess

345

00:16:23,689 --> 00:16:21,240

you can stare into the mirror like

346

00:16:27,170 --> 00:16:23,699

you're some kind of idiot but I guess

347

00:16:29,629 --> 00:16:27,180

that works sometimes so whether it is a

348

00:16:32,870 --> 00:16:29,639

horrid Trope of Fortune Italian starring

349

00:16:35,930 --> 00:16:32,880

staring into a crystal ball or the shiny

350

00:16:38,449 --> 00:16:35,940

obsidian shoe Stone used by occultist

351

00:16:40,610 --> 00:16:38,459

John Gee to talk to angels reflective

352

00:16:43,189 --> 00:16:40,620

surfaces have been connected to various

353

00:16:45,590 --> 00:16:43,199

occult practices for hundreds of years

354

00:16:48,310 --> 00:16:45,600

one popular method of mirror aided

355

00:16:51,590 --> 00:16:48,320

Supernatural communication is called the

356

00:16:52,890 --> 00:16:51,600

psycho chronometrical

357

00:16:56,930 --> 00:16:52,900

strum

358

00:17:00,889 --> 00:16:59,810

it's it's some weird weird word that I

359

00:17:06,289 --> 00:17:00,899

can't

360

00:17:08,829 --> 00:17:06,299

no it's not got a bunch of names

361

00:17:11,569 --> 00:17:08,839

Mitchell from

362

00:17:14,390 --> 00:17:11,579

vocato Pina

363

00:17:16,010 --> 00:17:14,400

uh some say the ancient Greeks use the

364

00:17:17,929 --> 00:17:16,020

this weird word I can't pronounce to

365

00:17:20,689 --> 00:17:17,939

talk to the dead but Scholars we have

366

00:17:21,650 --> 00:17:20,699

studied ancient Greece say no they

367

00:17:24,949 --> 00:17:21,660

didn't

368

00:17:26,770 --> 00:17:24,959

what are you talking about either way uh

369

00:17:30,530 --> 00:17:26,780

my modern

370

00:17:33,530 --> 00:17:30,540

psychomantium come from Raymond Moody

371

00:17:35,210 --> 00:17:33,540

whose 1993 book reunions Visionary

372

00:17:37,250 --> 00:17:35,220

encounters with departed loved ones

373

00:17:40,370 --> 00:17:37,260

describes talking to dead relatives

374

00:17:42,110 --> 00:17:40,380

through a mirror and I think booberry

375

00:17:43,789 --> 00:17:42,120

knows a lot about this like blueberries

376

00:17:46,430 --> 00:17:43,799

so he brought up the the skirt was

377

00:17:48,430 --> 00:17:46,440

scrying scrying mirrors yes crying

378

00:17:50,870 --> 00:17:48,440

mirror which is like I think it's black

379

00:17:52,789 --> 00:17:50,880

uh some kind of Black Stone I think it

380

00:17:55,310 --> 00:17:52,799

might be obsidian you can buy him for

381

00:17:57,350 --> 00:17:55,320

like 60 bucks and then it's supposed to

382

00:17:59,090 --> 00:17:57,360

do something I haven't bought mine yet I

383

00:18:02,270 --> 00:17:59,100

was gonna buy one and put it next to my

384

00:18:05,150 --> 00:18:02,280

phone to see if the phone that reads my

385

00:18:06,830 --> 00:18:05,160

mind would get reflected back from the

386

00:18:09,409 --> 00:18:06,840

obsidian Stone it would just kind of

387

00:18:10,610 --> 00:18:09,419

collapse back on itself but we'll find

388

00:18:11,930 --> 00:18:10,620

out I gotta buy that stone you might

389

00:18:13,370 --> 00:18:11,940

check with your Rent-A-Center see if

390

00:18:15,409 --> 00:18:13,380

they can rent you one of those too okay

391

00:18:18,830 --> 00:18:15,419

they should there should be some kind of

392

00:18:21,650 --> 00:18:18,840

occult ritual items to rent rent to own

393

00:18:23,630 --> 00:18:21,660

because you don't want to necessarily

394

00:18:26,930 --> 00:18:23,640

buy one

395

00:18:29,450 --> 00:18:26,940

well if if uh Hollywood has taught me

396

00:18:31,070 --> 00:18:29,460

anything it's using these these devices

397

00:18:32,210 --> 00:18:31,080

Ouija boards scrying mirrors that sort

398

00:18:34,970 --> 00:18:32,220

of thing

399

00:18:36,230 --> 00:18:34,980

um we'll be only a short-term thing

400

00:18:37,909 --> 00:18:36,240

because you're going to unleash all

401
00:18:39,770 --> 00:18:37,919
sorts of demons and hell and gateways

402
00:18:42,049 --> 00:18:39,780
and all sorts of crap so yep why would I

403
00:18:44,810 --> 00:18:42,059
want to pay full price yep

404
00:18:46,370 --> 00:18:44,820
uh number four is hiring a medium which

405
00:18:48,470 --> 00:18:46,380
I have done I've hired a medium I've

406
00:18:50,870 --> 00:18:48,480
been to a few

407
00:18:54,529 --> 00:18:50,880
um so you just go to a medium there is a

408
00:18:57,350 --> 00:18:54,539
trans medium where they uh will uh they

409
00:18:59,630 --> 00:18:57,360
will go into a trance and then basically

410
00:19:01,370 --> 00:18:59,640
a channel not Channel like I guess

411
00:19:03,529 --> 00:19:01,380
channel is different than a trans medium

412
00:19:06,590 --> 00:19:03,539
so it's like a trans medium and then

413
00:19:08,210 --> 00:19:06,600

just like a channeling medium where uh

414

00:19:11,810 --> 00:19:08,220

Transit going to translate tell you

415

00:19:14,029 --> 00:19:11,820

about your higher self and possibly

416

00:19:16,010 --> 00:19:14,039

dead relatives connected to you like a

417

00:19:19,310 --> 00:19:16,020

trans medium I believe they fall into

418

00:19:21,049 --> 00:19:19,320

trance and or Channel medium they go

419

00:19:22,610 --> 00:19:21,059

into a channel and they Channel like

420

00:19:23,930 --> 00:19:22,620

different spirits and that's how they

421

00:19:25,130 --> 00:19:23,940

get their information it's very

422

00:19:26,930 --> 00:19:25,140

confusing to me I don't know a lot about

423

00:19:29,510 --> 00:19:26,940

it but I've been to a few they've been

424

00:19:34,909 --> 00:19:29,520

pretty insightful

425

00:19:37,250 --> 00:19:34,919

uh number uh five is holding a seance

426

00:19:40,010 --> 00:19:37,260

so seances as we understand them

427

00:19:42,650 --> 00:19:40,020

developed during the Victorian age a win

428

00:19:47,450 --> 00:19:42,660

up to 11 million Americans identified as

429

00:19:50,270 --> 00:19:47,460

spiritualists and Mary in Paris uh QE

430

00:19:52,370 --> 00:19:50,280

and so you had Frederick Douglass and

431

00:19:54,409 --> 00:19:52,380

Mary Todd Lincoln and Karine Victoria

432

00:19:57,110 --> 00:19:54,419

all attend seances the the practice

433

00:19:59,210 --> 00:19:57,120

largely died out after many of the

434

00:20:01,490 --> 00:19:59,220

prominent psychic mediums who hosted the

435

00:20:03,409 --> 00:20:01,500

seances were shown to be frauds and Many

436

00:20:06,409 --> 00:20:03,419

religious leaders condemned spiritualism

437

00:20:08,690 --> 00:20:06,419

from the pulpit uh none of this means

438

00:20:10,549 --> 00:20:08,700

you can't host your own Seance to see if

439

00:20:12,169 --> 00:20:10,559

it works though I think these have been

440

00:20:14,510 --> 00:20:12,179

come these are back in fashion now

441

00:20:15,650 --> 00:20:14,520

especially if you uh go on Tick Tock

442

00:20:17,870 --> 00:20:15,660

there's a lot of young people and

443

00:20:19,130 --> 00:20:17,880

witches like Tick Tock witches that hold

444

00:20:21,730 --> 00:20:19,140

seances

445

00:20:25,130 --> 00:20:21,740

and they try to channel

446

00:20:26,270 --> 00:20:25,140

uh demons and angels uh spirits and all

447

00:20:27,950 --> 00:20:26,280

that kind of stuff I think you're if you

448

00:20:30,890 --> 00:20:27,960

want if you get involved in this kind of

449

00:20:33,110 --> 00:20:30,900

stuff you're opening the door for a

450

00:20:36,169 --> 00:20:33,120

whole lot of headache and you're saying

451
00:20:38,210 --> 00:20:36,179
hey uh Hey Spirits out there welcome

452
00:20:41,570 --> 00:20:38,220
into my world hang around for a little

453
00:20:43,190 --> 00:20:41,580
bit cause [h__h] mischief and Mayhem and

454
00:20:44,690 --> 00:20:43,200
I won't do anything to protect myself

455
00:20:48,049 --> 00:20:44,700
against it

456
00:20:50,390 --> 00:20:49,310
especially if you're doing it on Tick

457
00:20:53,390 --> 00:20:50,400
Tock and sharing it with other people

458
00:20:56,090 --> 00:20:53,400
yeah you're just spreading the uh

459
00:20:59,029 --> 00:20:56,100
the bad spirits I mean I'm sure there's

460
00:21:01,390 --> 00:20:59,039
good spirits out there but for the most

461
00:21:04,130 --> 00:21:01,400
part what I hear the stories you hear

462
00:21:06,169 --> 00:21:04,140
are pretty much just the bad ones that's

463
00:21:10,250 --> 00:21:06,179

what you hear

464

00:21:12,650 --> 00:21:10,260

uh number six the telephone to the Dead

465

00:21:13,909 --> 00:21:12,660

Oh I like this one so it's a piece of

466

00:21:16,370 --> 00:21:13,919

technology

467

00:21:17,810 --> 00:21:16,380

that you can use to talk to the dead I

468

00:21:20,810 --> 00:21:17,820

like this okay

469

00:21:22,310 --> 00:21:20,820

uh it's easy to land on the skeptical

470

00:21:24,289 --> 00:21:22,320

side when it comes to communicating with

471

00:21:25,909 --> 00:21:24,299

the dead people have been trying for a

472

00:21:27,950 --> 00:21:25,919

long time and there's no good evidence

473

00:21:29,870 --> 00:21:27,960

that has ever worked but before you

474

00:21:32,450 --> 00:21:29,880

write off the idea altogether consider

475

00:21:35,210 --> 00:21:32,460

Alexander Graham Bell Bell invented a

476

00:21:37,909 --> 00:21:35,220

telephone and was instrumental in

477

00:21:39,950 --> 00:21:37,919

development of the metal detector the

478

00:21:43,490 --> 00:21:39,960

hydrofoil Wireless technology and more

479

00:21:46,250 --> 00:21:43,500

he also spent at least some time working

480

00:21:49,549 --> 00:21:46,260

on the spirit phone designed to amplify

481

00:21:50,930 --> 00:21:49,559

the ghostly Whispers that surround us uh

482

00:21:53,990 --> 00:21:50,940

he doesn't seem to have actually

483

00:21:55,549 --> 00:21:54,000

designed or built anything though uh

484

00:21:57,049 --> 00:21:55,559

it's understand it's understandable that

485

00:21:58,789 --> 00:21:57,059

Alexander Graham Bell and his

486

00:22:01,549 --> 00:21:58,799

contemporaries believe that the dead

487

00:22:04,190 --> 00:22:01,559

could speak through uh the use of

488

00:22:06,049 --> 00:22:04,200

electricity at the time the force was

489

00:22:08,510 --> 00:22:06,059

new barely understood and clearly

490

00:22:10,970 --> 00:22:08,520

clearly powerful enough to transform all

491

00:22:13,010 --> 00:22:10,980

of human society so why couldn't it also

492

00:22:16,490 --> 00:22:13,020

allow us to pierce the veil between the

493

00:22:18,649 --> 00:22:16,500

living and the dead just don't call this

494

00:22:20,090 --> 00:22:18,659

number tomorrow

495

00:22:22,010 --> 00:22:20,100

do you want to point out there's a

496

00:22:23,390 --> 00:22:22,020

specious statement in there electricity

497

00:22:25,430 --> 00:22:23,400

is not new

498

00:22:28,430 --> 00:22:25,440

the harnessing of electricity for

499

00:22:30,049 --> 00:22:28,440

powered devices would be new newer so

500

00:22:32,690 --> 00:22:30,059

several hundred years old at that time

501
00:22:34,610 --> 00:22:32,700
but yeah electricity Alexander Graham

502
00:22:38,570 --> 00:22:34,620
Bell did not invent electricity yes he

503
00:22:39,710 --> 00:22:38,580
did he invented lightning and thunder

504
00:22:41,570 --> 00:22:39,720
that's often what people say Ben

505
00:22:43,549 --> 00:22:41,580
Franklin did he invented electricity no

506
00:22:45,350 --> 00:22:43,559
he discovered the way to easily harness

507
00:22:48,529 --> 00:22:45,360
yeah it's like the same person who

508
00:22:50,990 --> 00:22:48,539
invented fire versus this learn how to

509
00:22:54,710 --> 00:22:51,000
make it on their own Fire Marshall Bill

510
00:22:57,649 --> 00:22:54,720
yeah uh well I mean I like this idea uh

511
00:22:59,270 --> 00:22:57,659
I haven't seen a spirit phone like the

512
00:23:01,130 --> 00:22:59,280
old timey Spirit phone I've never used

513
00:23:03,830 --> 00:23:01,140

one but I'd like I mean I like the idea

514

00:23:05,450 --> 00:23:03,840

a lot I have been called 15 times I

515

00:23:06,830 --> 00:23:05,460

guess wasn't that the uh Central conceit

516

00:23:10,250 --> 00:23:06,840

of the Poltergeist movies that they

517

00:23:12,110 --> 00:23:10,260

would the the the ghosts were using uh

518

00:23:14,149 --> 00:23:12,120

radio and TV signals to talk to people

519

00:23:16,370 --> 00:23:14,159

in the house yeah it was I think it was

520

00:23:18,710 --> 00:23:16,380

through the television and I think it

521

00:23:20,930 --> 00:23:18,720

has to deal with like white noise

522

00:23:24,529 --> 00:23:20,940

like the white noise like the the snow

523

00:23:27,890 --> 00:23:24,539

of the TV and through that static

524

00:23:31,490 --> 00:23:27,900

through those weird frequencies entities

525

00:23:34,250 --> 00:23:31,500

can use that as a carrier wave to get

526
00:23:35,630 --> 00:23:34,260
into our reality and directly affect our

527
00:23:37,370 --> 00:23:35,640
lives

528
00:23:38,750 --> 00:23:37,380
at least that's what I think maybe I'm

529
00:23:39,890 --> 00:23:38,760
reading too much into what the

530
00:23:41,570 --> 00:23:39,900
Poltergeist movie was trying to

531
00:23:43,549 --> 00:23:41,580
communicate to me

532
00:23:44,690 --> 00:23:43,559
uh number seven it's when you dig up

533
00:23:46,070 --> 00:23:44,700
Graves you have to you have to move the

534
00:23:49,610 --> 00:23:46,080
graves not just the headstones that's

535
00:23:52,250 --> 00:23:49,620
the central version Oh yeah and try not

536
00:23:54,049 --> 00:23:52,260
to disturb Native American burial

537
00:23:56,690 --> 00:23:54,059
grounds they don't like it they get

538
00:23:57,950 --> 00:23:56,700

pretty angry and they'll really mess up

539

00:24:00,890 --> 00:23:57,960

your life

540

00:24:01,909 --> 00:24:00,900

oh the prank call ya okay things will

541

00:24:05,990 --> 00:24:01,919

eat you

542

00:24:08,390 --> 00:24:06,000

so number seven through a child

543

00:24:10,669 --> 00:24:08,400

not throwing a child or that you threw a

544

00:24:12,049 --> 00:24:10,679

child but you can talk to the dead

545

00:24:14,210 --> 00:24:12,059

through

546

00:24:15,529 --> 00:24:14,220

a child

547

00:24:19,250 --> 00:24:15,539

okay

548

00:24:20,810 --> 00:24:19,260

uh well I think this is uh pretty common

549

00:24:23,210 --> 00:24:20,820

I mean

550

00:24:24,529 --> 00:24:23,220

a lot of times we'll read stories and

551
00:24:28,130 --> 00:24:24,539
there's a lot of stories out there about

552
00:24:32,029 --> 00:24:28,140
uh a young toddler uh most toddlers are

553
00:24:35,510 --> 00:24:32,039
young uh a young child a young child

554
00:24:37,310 --> 00:24:35,520
that has adult Toddlers and it has has

555
00:24:40,370 --> 00:24:37,320
memories of a past life that has

556
00:24:43,010 --> 00:24:40,380
memories of uh perhaps a deceased family

557
00:24:44,930 --> 00:24:43,020
member and they can articulate uh what

558
00:24:46,970 --> 00:24:44,940
they did who they're hanging around with

559
00:24:49,430 --> 00:24:46,980
what their favorite uh cigarettes were

560
00:24:51,230 --> 00:24:49,440
all that kind of stuff and very hard for

561
00:24:52,789 --> 00:24:51,240
a four-year-old to convey that

562
00:24:54,049 --> 00:24:52,799
information unless they they have it so

563
00:24:56,450 --> 00:24:54,059

I I think there's really something to

564

00:24:59,630 --> 00:24:56,460

that but what does this say here uh this

565

00:25:00,890 --> 00:24:59,640

this article says all babies can talk to

566

00:25:02,450 --> 00:25:00,900

the Dead

567

00:25:05,510 --> 00:25:02,460

that's what the that's the first

568

00:25:07,730 --> 00:25:05,520

sentence of this article that's right

569

00:25:10,430 --> 00:25:07,740

they just arrived from the spirit world

570

00:25:13,310 --> 00:25:10,440

themselves and they can still see and

571

00:25:15,590 --> 00:25:13,320

hear Beyond the Veil when your infant is

572

00:25:16,850 --> 00:25:15,600

babbling away and baby talk to no one

573

00:25:18,649 --> 00:25:16,860

they're actually having a deep

574

00:25:21,110 --> 00:25:18,659

conversation with these specters and

575

00:25:23,630 --> 00:25:21,120

Spooks that haunt your home in a hidden

576

00:25:25,730 --> 00:25:23,640

tongue from Beyond

577

00:25:27,049 --> 00:25:25,740

uh the maddening thing is that babies

578

00:25:29,390 --> 00:25:27,059

lose their ability to communicate

579

00:25:32,870 --> 00:25:29,400

between the worlds around when they

580

00:25:35,269 --> 00:25:32,880

learn to speak human languages it's as

581

00:25:38,149 --> 00:25:35,279

if the words that Bond us to The Living

582

00:25:39,169 --> 00:25:38,159

separate us from their true homes in The

583

00:25:41,690 --> 00:25:39,179

Ether

584

00:25:45,350 --> 00:25:41,700

okay well I mean

585

00:25:47,690 --> 00:25:45,360

but it's like if I as an adult want to

586

00:25:49,549 --> 00:25:47,700

communicate with the dead talking to a

587

00:25:51,649 --> 00:25:49,559

toddler and having them communicate to

588

00:25:53,390 --> 00:25:51,659

the other side I think we'll be playing

589

00:25:55,250 --> 00:25:53,400

like a game of telephone and something's

590

00:25:56,750 --> 00:25:55,260

going to be lost in translation

591

00:25:58,430 --> 00:25:56,760

yeah I'm not sure that's gonna be your

592

00:25:59,870 --> 00:25:58,440

most accurate way to get your message

593

00:26:02,269 --> 00:25:59,880

across no

594

00:26:03,830 --> 00:26:02,279

tell Grandma I found some weird things

595

00:26:05,149 --> 00:26:03,840

in her closet

596

00:26:07,430 --> 00:26:05,159

and I want to know what they're used for

597

00:26:09,590 --> 00:26:07,440

it's not gonna it's that's that's gonna

598

00:26:13,070 --> 00:26:09,600

be tough to translate harnesses work

599

00:26:15,590 --> 00:26:13,080

what is this what is this rope for why

600

00:26:17,330 --> 00:26:15,600

does Grandma have five whips

601
00:26:19,430 --> 00:26:17,340
exactly

602
00:26:22,370 --> 00:26:19,440
kind of tough to communicate that uh

603
00:26:25,390 --> 00:26:22,380
number eight uh tape recorders EMF

604
00:26:29,930 --> 00:26:25,400
detectors and other technology

605
00:26:32,090 --> 00:26:29,940
using technology uh to talk to Dead uh

606
00:26:34,669 --> 00:26:32,100
didn't die with Alexander Graham Bell

607
00:26:38,149 --> 00:26:34,679
the modern expression of it can be seen

608
00:26:40,549 --> 00:26:38,159
in Ghost Hunters both in on the cable TV

609
00:26:42,409 --> 00:26:40,559
uh shows and those who do them in real

610
00:26:45,409 --> 00:26:42,419
life who hunt for Spirits using

611
00:26:47,810 --> 00:26:45,419
technology uh using EMF detectors

612
00:26:49,669 --> 00:26:47,820
high-pitched sound generators and more

613
00:26:52,970 --> 00:26:49,679

to actually talk to the Dead the

614

00:26:55,970 --> 00:26:52,980

equipment of voice uh the to actually

615

00:26:58,070 --> 00:26:55,980

talk to the Dead the equipment of choice

616

00:27:00,350 --> 00:26:58,080

among Ghost Hunters is a simple tape

617

00:27:03,890 --> 00:27:00,360

recorder uh they're trying to capture

618

00:27:06,230 --> 00:27:03,900

EVP or electronic voice phenomenon

619

00:27:08,810 --> 00:27:06,240

Snippets of conversation from the dead

620

00:27:10,190 --> 00:27:08,820

who walked the Earth and I think we all

621

00:27:11,690 --> 00:27:10,200

kind of know what this is like the

622

00:27:13,850 --> 00:27:11,700

Spirit Box

623

00:27:15,470 --> 00:27:13,860

is one where you can hear the dead so

624

00:27:16,909 --> 00:27:15,480

you can you can talk to the dead anytime

625

00:27:18,950 --> 00:27:16,919

you want like you're just walking around

626

00:27:20,210 --> 00:27:18,960

you're on the street maybe you're at the

627

00:27:21,289 --> 00:27:20,220

grocery store you can just talk and

628

00:27:22,610 --> 00:27:21,299

you're going to talk to the dead now

629

00:27:25,789 --> 00:27:22,620

whether or not you can hear him or not

630

00:27:28,010 --> 00:27:25,799

is a totally another matter you might be

631

00:27:31,010 --> 00:27:28,020

able to hear them in real time by using

632

00:27:33,049 --> 00:27:31,020

a Spirit box that like flips through uh

633

00:27:35,269 --> 00:27:33,059

like radio stations and then through

634

00:27:37,549 --> 00:27:35,279

that static much like Poltergeist you

635

00:27:40,909 --> 00:27:37,559

might be able to hear uh some sort of

636

00:27:43,669 --> 00:27:40,919

word or a brief sentence I believe they

637

00:27:46,190 --> 00:27:43,679

use that kind of scenario in the the

638

00:27:48,169 --> 00:27:46,200

meadow project when they that was like

639

00:27:49,970 --> 00:27:48,179

the Skinwalker Ranch of the South so

640

00:27:52,870 --> 00:27:49,980

they use they employed some ghost head

641

00:27:57,710 --> 00:27:52,880

hunting techniques to communicate with

642

00:27:59,510 --> 00:27:57,720

weird non-earthly entities down there uh

643

00:28:00,470 --> 00:27:59,520

at the the Meadow Ranch or the meadow

644

00:28:02,870 --> 00:28:00,480

project

645

00:28:05,330 --> 00:28:02,880

and this this is also employed pretty

646

00:28:08,450 --> 00:28:05,340

much in every ghost hunting TV show and

647

00:28:10,130 --> 00:28:08,460

then conversely if you want to listen uh

648

00:28:11,450 --> 00:28:10,140

not in real time but at a much later

649

00:28:14,090 --> 00:28:11,460

date just walk around with a tape

650

00:28:17,330 --> 00:28:14,100

recorder I think it has to I think it

651
00:28:19,250 --> 00:28:17,340
has to be tape I think some like MP3s

652
00:28:22,250 --> 00:28:19,260
might cut out too much low or high

653
00:28:24,049 --> 00:28:22,260
frequency and you might have some might

654
00:28:25,669 --> 00:28:24,059
have something that it's not like like a

655
00:28:27,890 --> 00:28:25,679
full wave file so you're not getting the

656
00:28:30,710 --> 00:28:27,900
full spectrum of sound so I think you

657
00:28:32,810 --> 00:28:30,720
want to have a tape recorder analog or

658
00:28:35,390 --> 00:28:32,820
full wave file to record and you can

659
00:28:37,490 --> 00:28:35,400
listen back and maybe hear some Voices

660
00:28:39,230 --> 00:28:37,500
From Beyond the Grave

661
00:28:42,830 --> 00:28:39,240
I've tried this

662
00:28:44,390 --> 00:28:42,840
I I didn't get any results no no reason

663
00:28:47,029 --> 00:28:44,400

using an actual tape recorder or were

664

00:28:48,350 --> 00:28:47,039

you using I was using an MP3 recorder uh

665

00:28:50,750 --> 00:28:48,360

yeah you just said it's not gonna work

666

00:28:52,850 --> 00:28:50,760

well I but I was recording so it's it's

667

00:28:55,130 --> 00:28:52,860

my task cam it's like an MP3 wave

668

00:28:57,230 --> 00:28:55,140

recorder so I was recording in wave

669

00:28:59,390 --> 00:28:57,240

and I my my thought is like the MP3

670

00:29:00,649 --> 00:28:59,400

quarter compresses too much and you're

671

00:29:02,269 --> 00:29:00,659

not getting the full spectrum of sound

672

00:29:03,470 --> 00:29:02,279

so I think you gotta use wave but I

673

00:29:04,730 --> 00:29:03,480

could be wrong there I thought I thought

674

00:29:05,690 --> 00:29:04,740

the concept was that if you're doing

675

00:29:07,730 --> 00:29:05,700

especially with tape where you're

676

00:29:09,470 --> 00:29:07,740

recording a magnetic tape that that

677

00:29:12,890 --> 00:29:09,480

would be what's picking up things that

678

00:29:15,409 --> 00:29:12,900

the human brain can't normally uh uh

679

00:29:17,990 --> 00:29:15,419

pick up or under hear and comprehend so

680

00:29:20,750 --> 00:29:18,000

the the tape picks that up so okay I get

681

00:29:24,590 --> 00:29:20,760

that so it's not like an audible sound

682

00:29:26,510 --> 00:29:24,600

it is direct directly influencing the

683

00:29:28,490 --> 00:29:26,520

magnetic structure of the tape itself

684

00:29:31,070 --> 00:29:28,500

that would make more sense then maybe

685

00:29:33,230 --> 00:29:31,080

that's why my uh MP3 wave recorder

686

00:29:35,269 --> 00:29:33,240

didn't work so

687

00:29:38,690 --> 00:29:35,279

so I don't know uh and then the last one

688

00:29:41,389 --> 00:29:38,700

here is near death experiences

689

00:29:43,610 --> 00:29:41,399

uh so many people who have clinically

690

00:29:46,250 --> 00:29:43,620

died and have been revived reports seen

691

00:29:48,889 --> 00:29:46,260

or talking to deceased relatives while

692

00:29:51,409 --> 00:29:48,899

uh teetering between life and death they

693

00:29:53,990 --> 00:29:51,419

often say their loved ones uh greet them

694

00:29:57,110 --> 00:29:54,000

as they float toward the light in order

695

00:29:58,430 --> 00:29:57,120

to reassure them that death is actually

696

00:30:00,590 --> 00:29:58,440

awesome

697

00:30:05,269 --> 00:30:00,600

together

698

00:30:07,130 --> 00:30:05,279

just it's all happening okay I mean

699

00:30:08,630 --> 00:30:07,140

if it's don't believe don't believe that

700

00:30:11,409 --> 00:30:08,640

relative yeah I don't know it sounds

701
00:30:14,450 --> 00:30:11,419
like a a trap or a trick

702
00:30:15,590 --> 00:30:14,460
uh near-death experiences are dangerous

703
00:30:18,529 --> 00:30:15,600
though

704
00:30:20,750 --> 00:30:18,539
as most all of them turn into death

705
00:30:23,389 --> 00:30:20,760
experiences very quickly uh plus the

706
00:30:25,909 --> 00:30:23,399
vast majority of people who are revived

707
00:30:28,669 --> 00:30:25,919
after clinically dying don't report uh a

708
00:30:32,090 --> 00:30:28,679
tunnel with a light at the end of it or

709
00:30:34,610 --> 00:30:32,100
meeting Jesus or even a Eternal Lake of

710
00:30:37,310 --> 00:30:34,620
Fire uh they mostly say they experience

711
00:30:39,110 --> 00:30:37,320
nothing as if their Consciousness just

712
00:30:41,950 --> 00:30:39,120
ended and I think that's the most

713
00:30:44,510 --> 00:30:41,960

terrifying scenario is the the the

714

00:30:47,630 --> 00:30:44,520

nothingness of it all

715

00:30:49,190 --> 00:30:47,640

uh so I uh I I don't want to experience

716

00:30:51,529 --> 00:30:49,200

that maybe these maybe the people who

717

00:30:52,850 --> 00:30:51,539

experience nothingness truly didn't die

718

00:30:55,010 --> 00:30:52,860

they were just not like knocked

719

00:30:57,889 --> 00:30:55,020

unconscious you know they'd their Spirit

720

00:30:59,810 --> 00:30:57,899

wasn't knocked out of their body yet

721

00:31:01,690 --> 00:30:59,820

but I like these we've uh on the union

722

00:31:04,549 --> 00:31:01,700

of The Unwanted we had a whole

723

00:31:06,110 --> 00:31:04,559

near-death experience show

724

00:31:08,690 --> 00:31:06,120

and they had some pretty incredible

725

00:31:11,149 --> 00:31:08,700

incredible stories uh about what they

726

00:31:13,370 --> 00:31:11,159

experienced on the other side uh one guy

727

00:31:15,230 --> 00:31:13,380

that was on there he was uh

728

00:31:17,630 --> 00:31:15,240

he was a rock climber and he was

729

00:31:20,450 --> 00:31:17,640

climbing he was during the winter time

730

00:31:21,950 --> 00:31:20,460

for whatever for whatever reason God

731

00:31:23,570 --> 00:31:21,960

only knows why you'd want to go rock

732

00:31:26,810 --> 00:31:23,580

climbing during the winter but he did

733

00:31:32,029 --> 00:31:26,820

and he got to a certain point I believe

734

00:31:34,669 --> 00:31:32,039

he fell uh he was badly injured he felt

735

00:31:37,130 --> 00:31:34,679

himself leaving his body but before like

736

00:31:41,149 --> 00:31:37,140

freezing to death he felt like his body

737

00:31:43,549 --> 00:31:41,159

go warm he left he went uh to the other

738

00:31:46,010 --> 00:31:43,559

side or the the holding point so he felt

739

00:31:48,590 --> 00:31:46,020

himself like flowed away so he was in

740

00:31:51,169 --> 00:31:48,600

between the Earthly reality that we

741

00:31:53,210 --> 00:31:51,179

experience here and the the death the

742

00:31:55,610 --> 00:31:53,220

the total death reality and he was told

743

00:31:59,149 --> 00:31:55,620

look you can come back uh and you can

744

00:32:02,389 --> 00:31:59,159

come back as any one of these Life

745

00:32:05,870 --> 00:32:02,399

Choices like he was presented with like

746

00:32:07,970 --> 00:32:05,880

eight different uh choices so he could

747

00:32:11,090 --> 00:32:07,980

come back as an artist you could come

748

00:32:13,250 --> 00:32:11,100

back as a lawyer so all some some life

749

00:32:15,409 --> 00:32:13,260

paths that you would have chosen early

750

00:32:18,529 --> 00:32:15,419

on in life he could have chose that

751

00:32:21,289 --> 00:32:18,539

almost like we live in like a multiple

752

00:32:24,230 --> 00:32:21,299

Dimension reality and he would just

753

00:32:26,630 --> 00:32:24,240

slide back into that chosen reality

754

00:32:30,769 --> 00:32:26,640

where he decided to become a lawyer as

755

00:32:34,310 --> 00:32:32,389

maybe he's a really good rock climber

756

00:32:35,750 --> 00:32:34,320

well if he was really good he wouldn't

757

00:32:37,730 --> 00:32:35,760

have fallen off that mountain right only

758

00:32:41,389 --> 00:32:37,740

takes one though right yeah

759

00:32:45,049 --> 00:32:42,529

he probably didn't pack enough

760

00:32:46,909 --> 00:32:45,059

sandwiches for that uh making sandwiches

761

00:32:48,409 --> 00:32:46,919

and uh had to reach for one and he fell

762

00:32:49,789 --> 00:32:48,419

he's probably carrying too many

763

00:32:51,710 --> 00:32:49,799

sandwiches there's far too many

764

00:32:53,870 --> 00:32:51,720

sandwiches to carry for for rock

765

00:32:56,090 --> 00:32:53,880

climbing and uh

766

00:32:57,769 --> 00:32:56,100

it happens sometimes uh one of your

767

00:32:59,510 --> 00:32:57,779

friends decides to go rock climbing with

768

00:33:01,370 --> 00:32:59,520

you and you're like whoa this is too

769

00:33:05,269 --> 00:33:01,380

many sandwiches I can't carry that many

770

00:33:06,950 --> 00:33:05,279

but that happens it'll weigh you down

771

00:33:09,230 --> 00:33:06,960

it's a deep Seinfeld reference right

772

00:33:12,370 --> 00:33:10,850

all right well there he is dude what's

773

00:33:15,710 --> 00:33:12,380

the guy's name in that episode

774

00:33:17,389 --> 00:33:15,720

yeah Tony what was Dan uh Dan Cortez Dan

775

00:33:20,450 --> 00:33:17,399

Cortez yeah

776

00:33:23,029 --> 00:33:20,460

what happened to Dan Cortez he was

777

00:33:25,850 --> 00:33:23,039

Dan Cortez was on like what MTV Sports

778

00:33:28,310 --> 00:33:25,860

for a time period where MTV was really

779

00:33:29,990 --> 00:33:28,320

changing their format they uh they were

780

00:33:32,630 --> 00:33:30,000

I think it was right around when the

781

00:33:34,250 --> 00:33:32,640

real world was really blown up they MTV

782

00:33:36,110 --> 00:33:34,260

had a lot of attention on itself so they

783

00:33:39,710 --> 00:33:36,120

started doing all these different kind

784

00:33:42,649 --> 00:33:39,720

of uh popular culture and shows so the

785

00:33:44,690 --> 00:33:42,659

sports uh the real world and then like a

786

00:33:46,669 --> 00:33:44,700

lot of reality TV

787

00:33:49,070 --> 00:33:46,679

and Dan Cortez is one of those people

788

00:33:52,009 --> 00:33:49,080

and then he showed up in Seinfeld I mean

789

00:33:54,710 --> 00:33:52,019

he told uh he told George Costanza to

790

00:33:59,810 --> 00:33:54,720

step off if you can believe that

791

00:34:04,430 --> 00:34:01,370

all right we'll move on let's see what

792

00:34:10,510 --> 00:34:04,440

else uh everyone else has and we'll see

793

00:34:13,750 --> 00:34:12,649

that was part of the New Kingdom right

794

00:34:16,129 --> 00:34:13,760

there

795

00:34:18,530 --> 00:34:16,139

[Music]

796

00:34:21,050 --> 00:34:18,540

it's all right we took a few steps

797

00:34:22,250 --> 00:34:21,060

closer to the New Kingdom but I don't

798

00:34:26,510 --> 00:34:22,260

know

799

00:34:33,349 --> 00:34:29,810

all right Joe or cretchen either one of

800

00:34:35,210 --> 00:34:33,359

you two gentlemen can take the helm Take

801
00:34:37,070 --> 00:34:35,220
the Lead

802
00:34:40,129 --> 00:34:37,080
and let me know what you want to talk

803
00:34:42,349 --> 00:34:40,139
about oh I so I said on the last show

804
00:34:43,490 --> 00:34:42,359
I'll forfeit my segment to Cratchit

805
00:34:45,889 --> 00:34:43,500
because

806
00:34:47,990 --> 00:34:45,899
I think you and I dominated the show

807
00:34:50,629 --> 00:34:48,000
just because of current events and

808
00:34:53,629 --> 00:34:50,639
obviously we're we we may die during the

809
00:34:57,290 --> 00:34:53,639
show yes we'll see

810
00:34:58,810 --> 00:34:57,300
um nuclear uh Annihilation is on the

811
00:35:01,070 --> 00:34:58,820
horizon

812
00:35:03,770 --> 00:35:01,080
it's possible

813
00:35:05,570 --> 00:35:03,780

I mean I just hope I get to grab lunch

814

00:35:08,570 --> 00:35:05,580

before that happens

815

00:35:11,030 --> 00:35:08,580

uh but I I will say that I think you put

816

00:35:14,150 --> 00:35:11,040

the dumb in the New Kingdom oh thank you

817

00:35:16,190 --> 00:35:14,160

yeah I appreciate that yeah I mean you

818

00:35:19,609 --> 00:35:16,200

spent the whole first half hour

819

00:35:23,030 --> 00:35:19,619

torturing our listeners so yeah they did

820

00:35:25,849 --> 00:35:23,040

do that with some incredible songs and

821

00:35:27,349 --> 00:35:25,859

then dazzling their mind with ways they

822

00:35:29,329 --> 00:35:27,359

can communicate with the dead which I

823

00:35:31,910 --> 00:35:29,339

mean I think is valid I think I I think

824

00:35:35,030 --> 00:35:31,920

I preface that list that it could be

825

00:35:37,270 --> 00:35:35,040

useful in the coming days I think Pew

826

00:35:40,190 --> 00:35:37,280

research should look at that list

827

00:35:43,069 --> 00:35:40,200

validate which ones actually work and we

828

00:35:45,230 --> 00:35:43,079

should start surveys of the Dead

829

00:35:47,690 --> 00:35:45,240

so like well a lot of them already vote

830

00:35:51,349 --> 00:35:47,700

so might as well yeah yeah well we know

831

00:35:55,010 --> 00:35:51,359

how they're voting but uh like is it

832

00:35:56,690 --> 00:35:55,020

better to die in a fire or like drown

833

00:35:59,750 --> 00:35:56,700

um

834

00:36:00,710 --> 00:35:59,760

I what's your favorite way to die I

835

00:36:02,329 --> 00:36:00,720

don't know I've never died before

836

00:36:04,609 --> 00:36:02,339

actually I don't know what

837

00:36:08,390 --> 00:36:04,619

I don't know what would be the most

838

00:36:10,910 --> 00:36:08,400

preferable I would have to like drowning

839

00:36:13,010 --> 00:36:10,920

like seems like it it's torturous but

840

00:36:15,650 --> 00:36:13,020

then it seems like being like set Ablaze

841

00:36:18,050 --> 00:36:15,660

is no picnic either I well I heard

842

00:36:20,870 --> 00:36:18,060

drowning is like a big wet hug

843

00:36:24,109 --> 00:36:20,880

a big wet hug

844

00:36:27,770 --> 00:36:24,119

and I think the hell does that mean oh

845

00:36:29,770 --> 00:36:27,780

I don't know they both seem very bad a

846

00:36:33,050 --> 00:36:29,780

car a crash seems like it could be

847

00:36:35,750 --> 00:36:33,060

agonizing if you just kind of like bleed

848

00:36:37,370 --> 00:36:35,760

out over time like it almost seems like

849

00:36:40,790 --> 00:36:37,380

the the Bullet to the Head is the

850

00:36:44,030 --> 00:36:40,800

quickest and actually even then it's I

851
00:36:46,910 --> 00:36:44,040
think the anticipatory nature of those

852
00:36:49,370 --> 00:36:46,920
things are what's bad like you don't

853
00:36:51,829 --> 00:36:49,380
want to die terrifying like I think

854
00:36:54,170 --> 00:36:51,839
sleep dying in your sleep is probably

855
00:36:56,690 --> 00:36:54,180
the most preferable mm-hmm oh like like

856
00:36:58,069 --> 00:36:56,700
my grandfather died not like all the

857
00:37:02,470 --> 00:36:58,079
passengers in the plane he was flying

858
00:37:08,870 --> 00:37:06,890
he's snoring over the uh the intercom

859
00:37:10,849 --> 00:37:08,880
he's making all the strange noises over

860
00:37:16,670 --> 00:37:10,859
those noises we heard on the uh that

861
00:37:20,990 --> 00:37:19,310
uh yeah I yeah I mean plank I mean at

862
00:37:22,730 --> 00:37:21,000
least okay in a plane crash at least

863
00:37:24,410 --> 00:37:22,740

you're dying next to a terrified person

864

00:37:26,150 --> 00:37:24,420

you can look over just like okay that

865

00:37:28,370 --> 00:37:26,160

guy's wet in his pants I'm not doing

866

00:37:30,829 --> 00:37:28,380

that I'm facing this like a man you know

867

00:37:34,310 --> 00:37:30,839

I'm I'm looking at death I'm staring at

868

00:37:35,950 --> 00:37:34,320

death in the face and I'm a man and I'm

869

00:37:39,230 --> 00:37:35,960

a man

870

00:37:41,270 --> 00:37:39,240

unless your plane crash gets uh hijacked

871

00:37:42,710 --> 00:37:41,280

by those guys from Millennium and they

872

00:37:44,450 --> 00:37:42,720

move you to the Future and replace you

873

00:37:47,329 --> 00:37:44,460

with dummies yeah that'd be the best

874

00:37:48,710 --> 00:37:47,339

scenario I mean if you're gonna be in a

875

00:37:50,210 --> 00:37:48,720

plane crash you're like oh I hope aliens

876
00:37:52,670 --> 00:37:50,220
from the Future come and abduct me and

877
00:37:55,970 --> 00:37:52,680
take me to the year 3000 where I can

878
00:37:58,730 --> 00:37:55,980
just bang all day long to repopulate the

879
00:38:00,410 --> 00:37:58,740
Earth forced to repopulated over and

880
00:38:01,730 --> 00:38:00,420
over and over they tell him or

881
00:38:03,770 --> 00:38:01,740
teleported me to the Future and they

882
00:38:06,230 --> 00:38:03,780
tell me I got a pump and bang to save

883
00:38:07,430 --> 00:38:06,240
this to save the human race you're in

884
00:38:09,890 --> 00:38:07,440
here in the future we don't have pants

885
00:38:12,109 --> 00:38:09,900
because you're not gonna need them okay

886
00:38:15,770 --> 00:38:12,119
I'll do it we're going we don't need

887
00:38:20,810 --> 00:38:17,930
uh yeah I mean I don't have much to say

888
00:38:23,030 --> 00:38:20,820

but I do think like if if we really can

889

00:38:25,130 --> 00:38:23,040

talk to the dead it opens up a whole new

890

00:38:27,170 --> 00:38:25,140

world of possibilities we should

891

00:38:30,109 --> 00:38:27,180

interview them you know find out what's

892

00:38:31,910 --> 00:38:30,119

up we can't and well sorry we can I have

893

00:38:33,650 --> 00:38:31,920

the I have the library of souls over

894

00:38:35,510 --> 00:38:33,660

here and we've talked to the dead before

895

00:38:37,609 --> 00:38:35,520

like in the future like there's there's

896

00:38:40,910 --> 00:38:37,619

they speculate Futures future is

897

00:38:43,849 --> 00:38:40,920

speculate like in the year 2070 you can

898

00:38:46,609 --> 00:38:43,859

go to the library of Souls and talk to

899

00:38:48,710 --> 00:38:46,619

any dead person you want because AI will

900

00:38:50,390 --> 00:38:48,720

be so good at that point in time that

901
00:38:53,270 --> 00:38:50,400
they'll be able to mimic people's uh

902
00:38:56,329 --> 00:38:53,280
words and kind of give you a rough

903
00:38:58,010 --> 00:38:56,339
estimation of their personality and I I

904
00:39:00,170 --> 00:38:58,020
recreated that here

905
00:39:02,870 --> 00:39:00,180
uh because I got a beta access to that

906
00:39:05,150 --> 00:39:02,880
so I only have access to two people uh

907
00:39:07,370 --> 00:39:05,160
that's uh John McCain

908
00:39:09,290 --> 00:39:07,380
and Michael Douglas not Michael Douglas

909
00:39:11,390 --> 00:39:09,300
Kirk Doug Kurt Douglas yeah with

910
00:39:14,569 --> 00:39:11,400
elephants he remember he just talked

911
00:39:16,790 --> 00:39:14,579
about elephants the entire time

912
00:39:18,589 --> 00:39:16,800
there was that story this week I didn't

913
00:39:20,829 --> 00:39:18,599

pull it but the one of Bruce Willis has

914

00:39:23,089 --> 00:39:20,839

sold his soul for money so

915

00:39:25,130 --> 00:39:23,099

doesn't he have like some kind of

916

00:39:26,630 --> 00:39:25,140

debilitating thing degenerate

917

00:39:28,190 --> 00:39:26,640

degenerating disease so clearly he's

918

00:39:30,230 --> 00:39:28,200

doing that so he can

919

00:39:31,970 --> 00:39:30,240

um just continue in Hollywood right it

920

00:39:34,790 --> 00:39:31,980

will bank money for his his no family

921

00:39:36,490 --> 00:39:34,800

it's money it's money for uh so famously

922

00:39:39,410 --> 00:39:36,500

in the um

923

00:39:41,810 --> 00:39:39,420

uh economic downturn not quite a

924

00:39:42,890 --> 00:39:41,820

recession what about 10 years ago a huge

925

00:39:44,510 --> 00:39:42,900

number of people in Hollywood had

926

00:39:46,430 --> 00:39:44,520

invested in lots of real estate and they

927

00:39:49,370 --> 00:39:46,440

lost their asses which is why you see

928

00:39:52,730 --> 00:39:49,380

people like Bruce Willis and John

929

00:39:54,770 --> 00:39:52,740

Travolta and um uh even uh Robert De

930

00:39:56,450 --> 00:39:54,780

Niro like cranking out these like crummy

931

00:39:58,190 --> 00:39:56,460

movies because they get paid pretty well

932

00:40:00,290 --> 00:39:58,200

for a couple of days work and they need

933

00:40:04,490 --> 00:40:00,300

the money yeah so

934

00:40:07,849 --> 00:40:04,500

we know what that's like I need money

935

00:40:11,690 --> 00:40:07,859

so I'll take uh my my segment all I'll

936

00:40:13,490 --> 00:40:11,700

do is recommend again the Midnight

937

00:40:15,410 --> 00:40:13,500

Library as a book I don't know how many

938

00:40:19,550 --> 00:40:15,420

people took that up but then there's

939

00:40:22,790 --> 00:40:19,560

also White Lotus on HBO I found it to be

940

00:40:24,650 --> 00:40:22,800

I don't watch a lot of stuff and I this

941

00:40:26,210 --> 00:40:24,660

was one of the first shows I've binge

942

00:40:31,930 --> 00:40:26,220

watched in years

943

00:40:35,270 --> 00:40:31,940

really solid show uh about a hotel

944

00:40:36,349 --> 00:40:35,280

like on some my you know small Hawaiian

945

00:40:38,750 --> 00:40:36,359

island

946

00:40:41,450 --> 00:40:38,760

and it's just I mean it it's a lot of

947

00:40:44,870 --> 00:40:41,460

fun it's like a really dark comedy it

948

00:40:48,170 --> 00:40:44,880

stars that one guy from the movie that

949

00:40:50,210 --> 00:40:48,180

thing you do use the uh I think uh the

950

00:40:52,310 --> 00:40:50,220

bass player maneth bass player one of

951
00:40:53,569 --> 00:40:52,320
the guitars from the the Shrimp Shack

952
00:40:54,950 --> 00:40:53,579
Shooters

953
00:40:57,589 --> 00:40:54,960
Captain geech and the shrim Shack

954
00:41:02,390 --> 00:40:59,270
so I don't know his name but he played

955
00:41:04,670 --> 00:41:02,400
he plays like he's never been a main

956
00:41:06,470 --> 00:41:04,680
character so but he's got like blonde

957
00:41:07,190 --> 00:41:06,480
hair he kind of talks like hey how's it

958
00:41:10,550 --> 00:41:07,200
going

959
00:41:12,710 --> 00:41:10,560
that's pretty much uh what he does

960
00:41:14,390 --> 00:41:12,720
but he's in that movie or not that TV

961
00:41:15,829 --> 00:41:14,400
show that Joe's mentioning so I don't

962
00:41:17,510 --> 00:41:15,839
know it's pretty good I watched the

963
00:41:18,890 --> 00:41:17,520

first few episodes of it Joe but then I

964

00:41:20,690 --> 00:41:18,900

just lost interest and started watching

965

00:41:23,569 --> 00:41:20,700

something else probably Star Trek really

966

00:41:27,170 --> 00:41:23,579

yeah you're more interested in writing

967

00:41:29,810 --> 00:41:27,180

shitty songs and uh Microsoft and talk

968

00:41:31,849 --> 00:41:29,820

to ghosts yeah exactly

969

00:41:35,230 --> 00:41:31,859

actually I did like the song I thought

970

00:41:41,390 --> 00:41:37,430

you should also do one about how to talk

971

00:41:42,950 --> 00:41:41,400

to ghosts I should yeah do that okay

972

00:41:45,410 --> 00:41:42,960

well then the end of this episode we'll

973

00:41:48,770 --> 00:41:45,420

give you 28 more ideas so your 30 tracks

974

00:41:50,870 --> 00:41:48,780

will be done I love it content

975

00:41:53,510 --> 00:41:50,880

well uh then we'll transition over and

976
00:41:58,790 --> 00:41:53,520
let the correction share with us what he

977
00:42:04,190 --> 00:42:01,849
kill me I'm here come here

978
00:42:05,569 --> 00:42:04,200
come on do it um all right so a couple

979
00:42:07,250 --> 00:42:05,579
things to give you guys some uh give you

980
00:42:08,569 --> 00:42:07,260
some options here I have requests from

981
00:42:12,050 --> 00:42:08,579
the chat to talk about aliens I don't

982
00:42:16,130 --> 00:42:12,060
have aliens I have Bigfoot I have a

983
00:42:18,589 --> 00:42:16,140
space junk oh uh related to space junk I

984
00:42:19,870 --> 00:42:18,599
have Star Trek whoa

985
00:42:22,849 --> 00:42:19,880
um

986
00:42:24,230 --> 00:42:22,859
bit of a burn on Star Trek

987
00:42:27,950 --> 00:42:24,240
so what else I have that would be

988
00:42:30,349 --> 00:42:27,960

paranormal or Halloween themed uh

989

00:42:32,150 --> 00:42:30,359

let's see here and then I've got uh

990

00:42:34,670 --> 00:42:32,160

there's two stories that would be very

991

00:42:37,190 --> 00:42:34,680

scary just for Mike Joe will not be

992

00:42:38,030 --> 00:42:37,200

bothered by these at all

993

00:42:41,390 --> 00:42:38,040

um

994

00:42:43,609 --> 00:42:41,400

uh let's terrify me so I just finished

995

00:42:46,010 --> 00:42:43,619

up with a very spooky list let's

996

00:42:48,290 --> 00:42:46,020

continue these Spooks and scares with

997

00:42:50,150 --> 00:42:48,300

something that May Scare Me okay here

998

00:42:53,030 --> 00:42:50,160

you go uh there's two there's two of

999

00:42:59,510 --> 00:42:56,690

so there's the first one okay

1000

00:43:02,569 --> 00:42:59,520

bring this up on screen

1001
00:43:03,890 --> 00:43:02,579
and see Baskin Robbins introduces new

1002
00:43:06,829 --> 00:43:03,900
Spicy

1003
00:43:09,770 --> 00:43:06,839
and spooky ice cream made with real

1004
00:43:11,030 --> 00:43:09,780
ghost pepper that's good news I don't

1005
00:43:13,609 --> 00:43:11,040
know about this I don't know if this is

1006
00:43:16,309 --> 00:43:13,619
good news I don't do well with spicy so

1007
00:43:18,470 --> 00:43:16,319
it'll be scary for you Joe not bothered

1008
00:43:21,829 --> 00:43:18,480
yeah but Joe doesn't care about hot food

1009
00:43:24,290 --> 00:43:21,839
Joe's he's probably more like data from

1010
00:43:28,849 --> 00:43:24,300
Star Trek than he realizes he feels no

1011
00:43:31,790 --> 00:43:28,859
pain he is a just a a killing machine of

1012
00:43:34,010 --> 00:43:31,800
food he doesn't care about this stuff

1013
00:43:36,589 --> 00:43:34,020

food

1014

00:43:38,329 --> 00:43:36,599

but Baskin Robbins introduces its

1015

00:43:40,430 --> 00:43:38,339

spiciest flavor ever with the

1016

00:43:43,370 --> 00:43:40,440

introduction of the new Spicy and spooky

1017

00:43:46,690 --> 00:43:43,380

ice cream featuring The Bold Flavor of a

1018

00:43:50,030 --> 00:43:46,700

real ghost pepper starting October 1st

1019

00:43:52,130 --> 00:43:50,040

2022. yeah breaking news is happening

1020

00:43:53,690 --> 00:43:52,140

right now

1021

00:43:56,809 --> 00:43:53,700

uh

1022

00:43:59,150 --> 00:43:56,819

kids

1023

00:44:03,230 --> 00:43:59,160

typically

1024

00:44:04,190 --> 00:44:03,240

and so Joe Biden yeah you know what

1025

00:44:06,290 --> 00:44:04,200

you're right

1026
00:44:08,450 --> 00:44:06,300
ice creams for kids and Joe Biden yeah

1027
00:44:09,710 --> 00:44:08,460
chocolate chocolate chip

1028
00:44:11,930 --> 00:44:09,720
and so you're gonna have a bunch of kids

1029
00:44:14,809 --> 00:44:11,940
and Joe Biden walk around with mouth

1030
00:44:17,690 --> 00:44:14,819
Agony not enjoying their ice cream and

1031
00:44:20,089 --> 00:44:17,700
probably suing Baskin Robbins

1032
00:44:23,089 --> 00:44:20,099
dude shout out to bags for that

1033
00:44:25,430 --> 00:44:23,099
illustration by the way he did it he has

1034
00:44:28,370 --> 00:44:25,440
a good if you're in Discord you can

1035
00:44:31,609 --> 00:44:28,380
download the uh midnight mic uh mouth

1036
00:44:32,510 --> 00:44:31,619
Agony screensaver for your phone it's so

1037
00:44:34,490 --> 00:44:32,520
good

1038
00:44:37,370 --> 00:44:34,500

that could be the name of your uh your

1039

00:44:39,890 --> 00:44:37,380

micro your micro song album would be

1040

00:44:42,770 --> 00:44:39,900

mouthng mouth Agony I like it oh my God

1041

00:44:45,710 --> 00:44:42,780

yeah that's totally fitting okay

1042

00:44:47,930 --> 00:44:45,720

well in addition to new uh spicy and

1043

00:44:50,870 --> 00:44:47,940

spooky ice cream Baskin Robbins is also

1044

00:44:53,870 --> 00:44:50,880

celebrating uh the 2022 Halloween season

1045

00:44:57,410 --> 00:44:53,880

with the arrival of Trixie the ghost

1046

00:44:58,609 --> 00:44:57,420

cake yeah I don't care you know about

1047

00:45:01,190 --> 00:44:58,619

that one you know about the ghost cake

1048

00:45:05,150 --> 00:45:01,200

well the seasonal cake features a cobweb

1049

00:45:07,670 --> 00:45:05,160

bow made of decorating icing and fudge

1050

00:45:10,550 --> 00:45:07,680

and a Whimsical ghostly ghostly features

1051
00:45:13,370 --> 00:45:10,560
created with the dark melting chocolate

1052
00:45:15,829 --> 00:45:13,380
so that's incredible

1053
00:45:17,510 --> 00:45:15,839
that's just incredible all right I would

1054
00:45:19,490 --> 00:45:17,520
like to know if somebody at Baskin

1055
00:45:22,190 --> 00:45:19,500
Robbins could goof up and make a couple

1056
00:45:25,609 --> 00:45:22,200
of the ghost cakes with the ghost pepper

1057
00:45:28,069 --> 00:45:25,619
whatever ice cream and not tell people

1058
00:45:30,530 --> 00:45:28,079
and then when they get the ghost cakes

1059
00:45:33,109 --> 00:45:30,540
they have they're disappointed who gives

1060
00:45:36,050 --> 00:45:33,119
a [h__\h] who gives a [h__\h] all right which

1061
00:45:37,730 --> 00:45:36,060
what's the next scary story that I have

1062
00:45:40,790 --> 00:45:37,740
uh it's already already in the carrot

1063
00:45:45,589 --> 00:45:40,800

shop okay no it's not I did not do it

1064

00:45:45,599 --> 00:45:49,730

foreign

1065

00:45:54,530 --> 00:45:51,410

it's the same thing you'll start to

1066

00:45:56,329 --> 00:45:54,540

sense the theme Here other stuff all

1067

00:45:59,450 --> 00:45:56,339

right

1068

00:46:04,450 --> 00:45:59,460

uh Burger King is launching new ghost

1069

00:46:08,510 --> 00:46:04,460

pepper Whopper Nationwide October 13th

1070

00:46:09,829 --> 00:46:08,520

2022. oh really

1071

00:46:11,809 --> 00:46:09,839

they don't got anything hotter than the

1072

00:46:13,130 --> 00:46:11,819

ghost pepper what was that what's that

1073

00:46:14,809 --> 00:46:13,140

pepper they used in the one chip

1074

00:46:17,030 --> 00:46:14,819

challenge what are they using that

1075

00:46:19,190 --> 00:46:17,040

flipper was that the ghost peppers it

1076

00:46:22,130 --> 00:46:19,200

was ghost pepper and uh Reaper pepper

1077

00:46:24,410 --> 00:46:22,140

yeah I thought I saw the name scorpion

1078

00:46:28,010 --> 00:46:24,420

in there somewhere oh it may have been

1079

00:46:29,150 --> 00:46:28,020

Scorpion and ghost and Reaper and uh who

1080

00:46:31,450 --> 00:46:29,160

knows

1081

00:46:34,270 --> 00:46:31,460

doctor

1082

00:46:37,730 --> 00:46:34,280

thank you uh Dr Pepper

1083

00:46:39,890 --> 00:46:37,740

uh well it looks like a chew boom this

1084

00:46:41,690 --> 00:46:39,900

website chewbom.com has learned that

1085

00:46:45,170 --> 00:46:41,700

Burger King will launch a new ghost

1086

00:46:48,050 --> 00:46:45,180

pepper Whopper in time for the 2022

1087

00:46:49,910 --> 00:46:48,060

Halloween season why is a ghost pepper

1088

00:46:51,170 --> 00:46:49,920

other than a name associated with

1089

00:46:52,069 --> 00:46:51,180

Halloween whatsoever yeah I don't know

1090

00:46:53,690 --> 00:46:52,079

it's a strange it's a strange

1091

00:46:55,130 --> 00:46:53,700

Association to say all of a sudden that

1092

00:46:56,630 --> 00:46:55,140

well it's good ghost in the name so

1093

00:46:57,890 --> 00:46:56,640

therefore you're gonna blow fire out

1094

00:46:59,710 --> 00:46:57,900

your ass so clearly that's Halloween

1095

00:47:02,990 --> 00:46:59,720

yeah

1096

00:47:06,230 --> 00:47:03,000

we're being corrected Carolina Reaper

1097

00:47:07,849 --> 00:47:06,240

the Carolina Reaper I swear I saw the

1098

00:47:09,530 --> 00:47:07,859

name scorpion

1099

00:47:10,550 --> 00:47:09,540

maybe that was my nickname in high

1100

00:47:12,710 --> 00:47:10,560

school so maybe I'm just like

1101
00:47:14,510 --> 00:47:12,720
misremembering it's your favorite band

1102
00:47:16,370 --> 00:47:14,520
people would walk around say hey what's

1103
00:47:18,530 --> 00:47:16,380
going on Scorpion you're gonna write a

1104
00:47:21,290 --> 00:47:18,540
song today I was like maybe later

1105
00:47:23,210 --> 00:47:21,300
short one he ain't gonna be very long

1106
00:47:25,309 --> 00:47:23,220
though

1107
00:47:27,650 --> 00:47:25,319
and then this guy named Joe who I meet

1108
00:47:28,849 --> 00:47:27,660
years later he's gonna hate him

1109
00:47:29,770 --> 00:47:28,859
I'm gonna write for this guy I don't

1110
00:47:32,809 --> 00:47:29,780
know yet

1111
00:47:35,030 --> 00:47:32,819
he hates it

1112
00:47:45,950 --> 00:47:35,040
all right uh transition me out of the

1113
00:47:48,410 --> 00:47:47,329

all right so for whatever reason

1114

00:47:49,250 --> 00:47:48,420

everybody I think we're good this is

1115

00:47:51,890 --> 00:47:49,260

gonna be a trend you're gonna start

1116

00:47:52,730 --> 00:47:51,900

seeing more and more random ass

1117

00:47:55,430 --> 00:47:52,740

um

1118

00:47:57,410 --> 00:47:55,440

uh fast food people just putting hot

1119

00:47:59,750 --> 00:47:57,420

pepper and stuff just yeah it's a trend

1120

00:48:02,510 --> 00:47:59,760

so just a

1121

00:48:04,790 --> 00:48:02,520

a capitalize off of Halloween people

1122

00:48:07,130 --> 00:48:04,800

love ghosts they love specters they love

1123

00:48:09,170 --> 00:48:07,140

Spooks I love all that stuff

1124

00:48:11,270 --> 00:48:09,180

uh so drop the story in the carrot shop

1125

00:48:12,710 --> 00:48:11,280

a little more Halloween themed and we

1126

00:48:13,910 --> 00:48:12,720

did a request from the chat for some

1127

00:48:15,829 --> 00:48:13,920

Bigfoot news so here's some big things

1128

00:48:17,930 --> 00:48:15,839

all right all right we love Bigfoot news

1129

00:48:19,250 --> 00:48:17,940

we love the Paranormal I'm sure we'll

1130

00:48:20,930 --> 00:48:19,260

we'll go a little deeper on Wednesday

1131

00:48:22,150 --> 00:48:20,940

we're keeping things Light fresh and fun

1132

00:48:24,890 --> 00:48:22,160

today

1133

00:48:27,470 --> 00:48:24,900

do you think we could talk to Bigfoot

1134

00:48:29,690 --> 00:48:27,480

ghosts do bigfoots die that's a good

1135

00:48:31,370 --> 00:48:29,700

question Joe

1136

00:48:32,750 --> 00:48:31,380

uh that's one of the concerns why

1137

00:48:34,069 --> 00:48:32,760

they're not finding Bigfoot corpses

1138

00:48:35,750 --> 00:48:34,079

because they work for the aliens and

1139

00:48:37,490 --> 00:48:35,760

they get beamed up afterwards

1140

00:48:39,410 --> 00:48:37,500

yeah yeah you got to get rid of the

1141

00:48:42,230 --> 00:48:39,420

evidence because you would imagine that

1142

00:48:44,510 --> 00:48:42,240

if they are like uh related more to

1143

00:48:46,730 --> 00:48:44,520

primates than extraterrestrial that they

1144

00:48:49,490 --> 00:48:46,740

do in fact die and they probably do have

1145

00:48:50,870 --> 00:48:49,500

some sort of spirit

1146

00:48:53,809 --> 00:48:50,880

um that you should be able to contact

1147

00:48:54,770 --> 00:48:53,819

the the spirit of a dead Bigfoot so you

1148

00:48:55,970 --> 00:48:54,780

know I'll look into this a little bit

1149

00:48:57,710 --> 00:48:55,980

more that's a good question I haven't

1150

00:48:59,450 --> 00:48:57,720

thought about it that way

1151
00:49:01,910 --> 00:48:59,460
you don't think it's a good question but

1152
00:49:06,950 --> 00:49:04,250
you think it's a stupid question

1153
00:49:09,710 --> 00:49:06,960
but I mean I'm just like you lean into

1154
00:49:12,470 --> 00:49:09,720
Joe Biden is amazing and I think that's

1155
00:49:15,670 --> 00:49:12,480
great it's really fun so I want to lean

1156
00:49:18,470 --> 00:49:15,680
into all this dumb [h__h] you bring okay

1157
00:49:19,970 --> 00:49:18,480
speaking of Bigfoot Mike you gotta uh

1158
00:49:21,829 --> 00:49:19,980
kick open my gifts here from him and

1159
00:49:26,890 --> 00:49:21,839
just share this with everybody okay okay

1160
00:49:31,550 --> 00:49:30,349
Bigfoot falling down on a rotted log for

1161
00:49:34,069 --> 00:49:31,560
some reason I think he was trying to

1162
00:49:37,069 --> 00:49:34,079
scratch his back wait are you is that on

1163
00:49:38,690 --> 00:49:37,079

screen yeah it's on screen now oh oh I'm

1164

00:49:40,550 --> 00:49:38,700

big in it

1165

00:49:45,470 --> 00:49:40,560

there you go no idea what this is what

1166

00:49:49,790 --> 00:49:47,690

Jesus Oh Bigfoot some of us just

1167

00:49:51,710 --> 00:49:49,800

sometimes you just have those days hey

1168

00:49:54,650 --> 00:49:51,720

I'm telling you the pig man is alive

1169

00:49:56,589 --> 00:49:54,660

yeah not Big Man Bigfoot but uh let's go

1170

00:49:59,210 --> 00:49:56,599

back to this he might be drunk

1171

00:50:02,089 --> 00:49:59,220

he's had too many ghost peppers go back

1172

00:50:06,170 --> 00:50:02,099

to this story over here Queen and Prince

1173

00:50:10,490 --> 00:50:06,180

Philip wore Bigfoot Believers in met man

1174

00:50:13,010 --> 00:50:10,500

kidnapped by yetis Bigfoot

1175

00:50:16,010 --> 00:50:13,020

uh well I also knew uh Prince Philip was

1176

00:50:18,950 --> 00:50:16,020

a big uh believer in UFOs and you'd

1177

00:50:21,410 --> 00:50:18,960

imagine with uh that kind of access to

1178

00:50:23,089 --> 00:50:21,420

like maybe top secret documents or just

1179

00:50:24,650 --> 00:50:23,099

people connected to the government that

1180

00:50:26,450 --> 00:50:24,660

Prince Philip would have asked those

1181

00:50:29,569 --> 00:50:26,460

questions it would have had more

1182

00:50:31,849 --> 00:50:29,579

knowledge than your typical bloke on the

1183

00:50:33,770 --> 00:50:31,859

street your typical rastabout scallywag

1184

00:50:36,230 --> 00:50:33,780

whatever kind of English word you want

1185

00:50:38,750 --> 00:50:36,240

to use that Prince Philip would have you

1186

00:50:40,430 --> 00:50:38,760

know a certain a bit more knowledge on

1187

00:50:43,250 --> 00:50:40,440

these subjects

1188

00:50:45,470 --> 00:50:43,260

so the queen and principal Philip

1189

00:50:46,670 --> 00:50:45,480

believed believed in Bigfoot and met

1190

00:50:49,190 --> 00:50:46,680

with a man who claimed to have been

1191

00:50:52,190 --> 00:50:49,200

kidnapped by a family of Yetis the

1192

00:50:54,710 --> 00:50:52,200

astounding Revelation came from actor

1193

00:50:57,770 --> 00:50:54,720

Brian blessed 85 who worked with the

1194

00:51:00,770 --> 00:50:57,780

late Monarch's husband on his Duke of

1195

00:51:03,349 --> 00:51:00,780

edinburgh's award scheme and with whom

1196

00:51:04,790 --> 00:51:03,359

he discussed and shared a belief in the

1197

00:51:06,829 --> 00:51:04,800

Sasquatch

1198

00:51:09,290 --> 00:51:06,839

Brian who starred in the Queen's

1199

00:51:10,670 --> 00:51:09,300

favorite film Flash Gordon really that

1200

00:51:13,970 --> 00:51:10,680

was the Queen's favorite film Flash

1201

00:51:15,589 --> 00:51:13,980

Gordon remember famously the queen did

1202

00:51:17,270 --> 00:51:15,599

the soundtrack for that movie too Queen

1203

00:51:20,030 --> 00:51:17,280

did do this she'd sang the entire

1204

00:51:21,890 --> 00:51:20,040

soundtrack wrong I think it's pretty

1205

00:51:23,990 --> 00:51:21,900

Mercury but okay

1206

00:51:25,670 --> 00:51:24,000

uh Brian you could do she could do a

1207

00:51:28,010 --> 00:51:25,680

spot on impression of Freddie Mercury

1208

00:51:31,670 --> 00:51:28,020

well is Brian blessed was he Flash

1209

00:51:33,710 --> 00:51:31,680

Gordon no no Brian blessed was he's the

1210

00:51:35,030 --> 00:51:33,720

big guy he played the uh the the king of

1211

00:51:37,809 --> 00:51:35,040

the Hawkman or what I can't think of the

1212

00:51:42,950 --> 00:51:40,670

now I have to look this up please I'll

1213

00:51:45,470 --> 00:51:42,960

read a story you look that up Brian who

1214

00:51:48,410 --> 00:51:45,480

starred in the Queen's favorite movie

1215

00:51:53,030 --> 00:51:48,420

Flash Gordon said the late royal couple

1216

00:51:56,270 --> 00:51:53,040

met uh met Trapper Albert ostman on a

1217

00:51:57,829 --> 00:51:56,280

trip to Vancouver uh Canada uh he told

1218

00:51:59,870 --> 00:51:57,839

them he was captured by a family of

1219

00:52:03,589 --> 00:51:59,880

mythical Eight Men on a fishing trip to

1220

00:52:06,589 --> 00:52:03,599

Venezuela The boomed Voice Brit said the

1221

00:52:09,589 --> 00:52:06,599

queen who died three weeks ago at age 96

1222

00:52:12,290 --> 00:52:09,599

had wanted to meet Albert and believe

1223

00:52:15,230 --> 00:52:12,300

his account implicitly

1224

00:52:16,790 --> 00:52:15,240

Brian whose famous movie line Gordon

1225

00:52:20,270 --> 00:52:16,800

lives

1226
00:52:22,010 --> 00:52:20,280
turned into a global Superstar said the

1227
00:52:24,470 --> 00:52:22,020
queen and Prince Philip sent spent an

1228
00:52:25,250 --> 00:52:24,480
afternoon with Albert and he told this

1229
00:52:26,690 --> 00:52:25,260
story

1230
00:52:28,549 --> 00:52:26,700
it's the most brilliant account of

1231
00:52:30,950 --> 00:52:28,559
Sasquatch I've ever heard just outside

1232
00:52:33,290 --> 00:52:30,960
of Venezuela he wanted to go on a

1233
00:52:36,770 --> 00:52:33,300
holiday and go fishing he was an

1234
00:52:38,809 --> 00:52:36,780
experienced traveler and Explorer and in

1235
00:52:41,030 --> 00:52:38,819
his tent he had a rifle he wasn't

1236
00:52:42,890 --> 00:52:41,040
looking for any bigfoots he was fishing

1237
00:52:45,049 --> 00:52:42,900
he describes being kidnapped he

1238
00:52:48,470 --> 00:52:45,059

describes four of them being taken away

1239

00:52:50,270 --> 00:52:48,480

it's so real scientists examined him

1240

00:52:53,210 --> 00:52:50,280

they couldn't find anything wrong with

1241

00:52:55,849 --> 00:52:53,220

him uh he didn't like to repeat this

1242

00:52:58,190 --> 00:52:55,859

story but he told the queen uh the whole

1243

00:53:01,370 --> 00:52:58,200

story and she believed him implicitly

1244

00:53:03,950 --> 00:53:01,380

Brian said the Duke who died at age 99

1245

00:53:07,069 --> 00:53:03,960

shared his belief that yetis live all

1246

00:53:10,490 --> 00:53:07,079

over the world oh yes it's true it does

1247

00:53:14,750 --> 00:53:10,500

exist I told them I I told them that

1248

00:53:17,630 --> 00:53:14,760

that they're everywhere the actor said

1249

00:53:19,670 --> 00:53:17,640

okay so uh because I'm going to say this

1250

00:53:22,849 --> 00:53:19,680

real quick here the actor who performed

1251
00:53:26,390 --> 00:53:22,859
uh performs the parts of the Masters of

1252
00:53:29,450 --> 00:53:26,400
Ceremonies and the caveman on upcoming

1253
00:53:30,730 --> 00:53:29,460
album Tubular Bells the 50th anniversary

1254
00:53:34,010 --> 00:53:30,740
of Celebration

1255
00:53:37,730 --> 00:53:34,020
uh said he saw nine yetis

1256
00:53:40,190 --> 00:53:37,740
on the expedition in Mongolia

1257
00:53:43,370 --> 00:53:40,200
there are all these creatures alive on

1258
00:53:45,950 --> 00:53:43,380
Earth Yeti Sasquatch Bigfoot in Mongolia

1259
00:53:49,010 --> 00:53:45,960
they walk they walk thousands of miles

1260
00:53:51,290 --> 00:53:49,020
they were seen migrating hairy men I

1261
00:53:53,390 --> 00:53:51,300
climbed several of mountains I climbed

1262
00:53:57,230 --> 00:53:53,400
several mountains and they were there

1263
00:53:59,030 --> 00:53:57,240

seven eight nine all covered in fur I

1264

00:54:02,030 --> 00:53:59,040

saw them at a distance

1265

00:54:04,670 --> 00:54:02,040

there you go uh the queen was a Believer

1266

00:54:06,650 --> 00:54:04,680

uh Prince Philip and there's a lot more

1267

00:54:09,109 --> 00:54:06,660

people out there that believe this stuff

1268

00:54:10,910 --> 00:54:09,119

Bigfoot I believe this stuff

1269

00:54:12,589 --> 00:54:10,920

well disappointing though is that with

1270

00:54:14,690 --> 00:54:12,599

the amount of resources they had why

1271

00:54:16,490 --> 00:54:14,700

didn't they like fund some like

1272

00:54:18,230 --> 00:54:16,500

some major Expeditions and stuff I

1273

00:54:19,609 --> 00:54:18,240

that's what I'm saying correction is

1274

00:54:21,430 --> 00:54:19,619

like if you're that big of a Believer

1275

00:54:25,549 --> 00:54:21,440

you have hundreds of millions of dollars

1276

00:54:28,490 --> 00:54:25,559

uh you basically could command uh prince

1277

00:54:30,710 --> 00:54:28,500

Andrew to stop uh molesting kids and go

1278

00:54:34,790 --> 00:54:30,720

look for bigfoot for a weekend hey when

1279

00:54:39,230 --> 00:54:36,589

uh go do something with your life Andrew

1280

00:54:41,210 --> 00:54:39,240

Jesus Christ like like change the

1281

00:54:44,089 --> 00:54:41,220

world's perception around you stop

1282

00:54:47,030 --> 00:54:44,099

fondling women and go find a mythical

1283

00:54:50,390 --> 00:54:47,040

creature I think people will maybe

1284

00:54:53,930 --> 00:54:50,400

change your opinion slightly about your

1285

00:55:00,710 --> 00:54:57,349

but I like the story a lot

1286

00:55:02,150 --> 00:55:00,720

but they they were lazy with their money

1287

00:55:03,950 --> 00:55:02,160

well they had to fund other stuff like

1288

00:55:06,650 --> 00:55:03,960

castles and

1289

00:55:08,930 --> 00:55:06,660

and uh Butlers and Royal toothbrushes as

1290

00:55:11,210 --> 00:55:08,940

the story read uh previously a butler

1291

00:55:13,430 --> 00:55:11,220

just for the Royal toothbrush yeah his

1292

00:55:16,609 --> 00:55:13,440

his sole responsibility is to carry the

1293

00:55:20,690 --> 00:55:19,190

and then he walks up to King Charles and

1294

00:55:21,890 --> 00:55:20,700

King Charles just moves his head back

1295

00:55:24,290 --> 00:55:21,900

and forth

1296

00:55:26,990 --> 00:55:24,300

to brush his teeth

1297

00:55:28,309 --> 00:55:27,000

a bunch of malarkey why doesn't he have

1298

00:55:29,870 --> 00:55:28,319

another Butler to move his head for him

1299

00:55:31,430 --> 00:55:29,880

oh he should yeah you're right he

1300

00:55:33,650 --> 00:55:31,440

probably once you moved his moving his

1301
00:55:36,770 --> 00:55:33,660
head like a poor common man I'm not

1302
00:55:39,349 --> 00:55:36,780
gonna move my head to brush my teeth

1303
00:55:41,210 --> 00:55:39,359
what am I a Clinton

1304
00:55:42,710 --> 00:55:41,220
I'm a royal like you should you should

1305
00:55:44,150 --> 00:55:42,720
do it before I wake up you should have

1306
00:55:46,370 --> 00:55:44,160
one person hold my lips open another

1307
00:55:48,049 --> 00:55:46,380
person just moves the brush yeah why get

1308
00:55:49,549 --> 00:55:48,059
out of bed at that point I want this

1309
00:55:51,290 --> 00:55:49,559
move the Royal bed around so you can

1310
00:55:53,210 --> 00:55:51,300
just roll around in this Royal filth all

1311
00:55:57,109 --> 00:55:53,220
day the whole bed yeah

1312
00:55:58,670 --> 00:55:57,119
he shows up the ceremonies in bed

1313
00:56:00,349 --> 00:55:58,680

why not

1314

00:56:02,809 --> 00:56:00,359

change it up a little bit

1315

00:56:04,430 --> 00:56:02,819

your king might as well right yeah

1316

00:56:06,650 --> 00:56:04,440

the only people's opinion are going to

1317

00:56:09,770 --> 00:56:06,660

get lower of you exactly

1318

00:56:12,290 --> 00:56:09,780

he looks awful he smells by all accounts

1319

00:56:15,470 --> 00:56:12,300

it smells probably probably I don't know

1320

00:56:17,750 --> 00:56:15,480

I mean you have to

1321

00:56:19,849 --> 00:56:17,760

uh you got another story over there got

1322

00:56:21,290 --> 00:56:19,859

all sorts of stories here

1323

00:56:27,130 --> 00:56:21,300

but you gotta transition me out of this

1324

00:56:31,549 --> 00:56:30,290

I'm going to take a [h__\h]

1325

00:56:32,690 --> 00:56:31,559

all right you want to talk some Star

1326

00:56:34,370 --> 00:56:32,700

Trek stuff or you want to talk about

1327

00:56:36,530 --> 00:56:34,380

some violence at our favorite restaurant

1328

00:56:38,690 --> 00:56:36,540

for violence I think we got to talk a

1329

00:56:40,430 --> 00:56:38,700

little about a little violence I think

1330

00:56:42,770 --> 00:56:40,440

we we had a light story with the the

1331

00:56:46,849 --> 00:56:42,780

Bigfoot stuff uh then I think we go we

1332

00:56:50,690 --> 00:56:46,859

go deeper uh and harder with uh all

1333

00:56:55,790 --> 00:56:52,670

there you go uh here we go bring this up

1334

00:57:01,130 --> 00:56:58,309

uh woman fires shot

1335

00:57:03,230 --> 00:57:01,140

during check our room to fire shot

1336

00:57:05,750 --> 00:57:03,240

during

1337

00:57:07,670 --> 00:57:05,760

I'm sorry I'm just I'm I'm a little

1338

00:57:09,049 --> 00:57:07,680

confused right now sorry I gotta I gotta

1339

00:57:10,970 --> 00:57:09,059

pull together

1340

00:57:13,849 --> 00:57:10,980

let me let me breathe today okay let me

1341

00:57:15,770 --> 00:57:13,859

breathe okay today's news yeah now it's

1342

00:57:18,890 --> 00:57:15,780

for today's news woman fires shot during

1343

00:57:20,690 --> 00:57:18,900

fight outside Chuck E cheese and Brandon

1344

00:57:22,609 --> 00:57:20,700

deputies say

1345

00:57:24,470 --> 00:57:22,619

oh really I think there is a I think

1346

00:57:25,849 --> 00:57:24,480

there is a news story with this so

1347

00:57:27,109 --> 00:57:25,859

there's video but I'm not sure if it's

1348

00:57:29,950 --> 00:57:27,119

an actual news story I don't think

1349

00:57:33,170 --> 00:57:29,960

there's a so this is

1350

00:57:36,589 --> 00:57:33,180

yeah there's it's just video there's no

1351
00:57:41,270 --> 00:57:38,829
so this is oh this isn't from Florida

1352
00:57:43,010 --> 00:57:41,280
okay so the Hillsborough County

1353
00:57:45,530 --> 00:57:43,020
Sheriff's Office responded to an

1354
00:57:47,750 --> 00:57:45,540
incident at Chuck E cheese and Brandon

1355
00:57:49,130 --> 00:57:47,760
on Saturday according to the release

1356
00:57:51,290 --> 00:57:49,140
from the Sheriff's Office deputies

1357
00:57:55,130 --> 00:57:51,300
responded to multiple calls reporting

1358
00:57:57,650 --> 00:57:55,140
shots fired outside of Chuck E cheese on

1359
00:57:59,329 --> 00:57:57,660
1540 West Brandon Boulevard right around

1360
00:58:01,670 --> 00:57:59,339
5 PM

1361
00:58:04,190 --> 00:58:01,680
uh it all started with an altercation

1362
00:58:05,690 --> 00:58:04,200
outside or inside the restaurant of

1363
00:58:07,849 --> 00:58:05,700

course it started inside

1364

00:58:09,829 --> 00:58:07,859

of course that's where you go to pick

1365

00:58:13,069 --> 00:58:09,839

figts yeah it's not going to start

1366

00:58:14,690 --> 00:58:13,079

outside all problems happen inside Chuck

1367

00:58:18,470 --> 00:58:14,700

E cheese and all the violence we see

1368

00:58:20,690 --> 00:58:18,480

nowadays is the spill out of of that

1369

00:58:22,849 --> 00:58:20,700

uh private security guard was trying to

1370

00:58:25,430 --> 00:58:22,859

get uh was trying to get the crowd to

1371

00:58:27,109 --> 00:58:25,440

take the fight outside when a woman

1372

00:58:30,710 --> 00:58:27,119

pulled a gun

1373

00:58:33,109 --> 00:58:30,720

inside the vestibule of Chuck E cheese

1374

00:58:35,210 --> 00:58:33,119

uh the police department said that the

1375

00:58:37,609 --> 00:58:35,220

guard tried to get the gun away from her

1376

00:58:39,950 --> 00:58:37,619

but she dropped it outside the building

1377

00:58:41,270 --> 00:58:39,960

and it's like that's like out of bounds

1378

00:58:43,370 --> 00:58:41,280

you can't go out like for the security

1379

00:58:44,750 --> 00:58:43,380

guard once it goes out of bounds you

1380

00:58:46,370 --> 00:58:44,760

can't do anything you can't go out there

1381

00:58:47,569 --> 00:58:46,380

to retrieve the gun ran back inside and

1382

00:58:49,789 --> 00:58:47,579

like just stood there behind the glass

1383

00:58:51,530 --> 00:58:49,799

yeah it's

1384

00:58:53,390 --> 00:58:51,540

it's off limits for me out there I can't

1385

00:58:54,530 --> 00:58:53,400

go get the gun I can't go out there you

1386

00:58:56,510 --> 00:58:54,540

want to fight but you got to come back

1387

00:58:58,970 --> 00:58:56,520

in the Chuck E cheese he views that as

1388

00:59:01,069 --> 00:58:58,980

lava and he can't touch it else he'll

1389

00:59:03,289 --> 00:59:01,079

get burned

1390

00:59:05,390 --> 00:59:03,299

the parking lot is lava

1391

00:59:07,789 --> 00:59:05,400

uh the sheriff's office said another

1392

00:59:09,589 --> 00:59:07,799

woman picked up the gun and fired at

1393

00:59:11,270 --> 00:59:09,599

least one shot into the air just a

1394

00:59:13,789 --> 00:59:11,280

warning shot just to let him know you

1395

00:59:16,190 --> 00:59:13,799

mean business supposed to fire two

1396

00:59:17,630 --> 00:59:16,200

blasts I've been reliably informed yeah

1397

00:59:18,950 --> 00:59:17,640

typically you're supposed to do that

1398

00:59:22,069 --> 00:59:18,960

just to let people know that you mean

1399

00:59:25,150 --> 00:59:22,079

business fire to blasts outside the

1400

00:59:29,450 --> 00:59:25,160

house or outside Chuck E cheese yeah

1401

00:59:33,890 --> 00:59:32,150

so so you're you're saying fire before

1402

00:59:36,589 --> 00:59:33,900

you enter so they know you mean business

1403

00:59:40,490 --> 00:59:36,599

as like like you're announcing you're

1404

00:59:43,549 --> 00:59:40,500

arriving I'm here I'm here get the place

1405

00:59:50,030 --> 00:59:45,829

uh

1406

00:59:53,210 --> 00:59:50,040

the sheriff's office said another woman

1407

00:59:55,670 --> 00:59:53,220

picked up the gun fired at least one

1408

00:59:58,010 --> 00:59:55,680

shot into the air at least one shot

1409

01:00:00,770 --> 00:59:58,020

there could have been more

1410

01:00:02,750 --> 01:00:00,780

we don't know

1411

01:00:05,390 --> 01:00:02,760

uh

1412

01:00:07,910 --> 01:00:05,400

fired at least one shot into the air she

1413

01:00:10,789 --> 01:00:07,920

also lost possession of the gun a third

1414

01:00:15,770 --> 01:00:12,170

picked it up

1415

01:00:19,069 --> 01:00:15,780

and and placed it inside a light gray

1416

01:00:21,589 --> 01:00:19,079

Chevrolet uh Traverse what is a

1417

01:00:23,510 --> 01:00:21,599

Chevrolet Traverse but I like how

1418

01:00:25,430 --> 01:00:23,520

they're very specific I know I kind of

1419

01:00:27,289 --> 01:00:25,440

it doesn't make any sense is this a

1420

01:00:29,569 --> 01:00:27,299

hybrid vehicle should we be considered

1421

01:00:32,089 --> 01:00:29,579

it's sort of like an SUV it is hybrid

1422

01:00:35,289 --> 01:00:32,099

yeah it is like an SUV I think this is a

1423

01:00:38,030 --> 01:00:35,299

native app for Chevy possibly yeah

1424

01:00:41,630 --> 01:00:38,040

it's totally irrelevant no I think it's

1425

01:00:44,510 --> 01:00:41,640

I like these detailed they just it's a

1426

01:00:47,930 --> 01:00:44,520

Pontiac Aztec my favorite car

1427

01:00:51,289 --> 01:00:47,940

you put it into a light gray Chevrolet

1428

01:00:53,750 --> 01:00:51,299

Traverse uh the cop said all three women

1429

01:00:55,390 --> 01:00:53,760

were taken into custody and no shooting

1430

01:00:58,430 --> 01:00:55,400

victims were located

1431

01:00:59,870 --> 01:00:58,440

shots shots shots shots I don't know

1432

01:01:01,730 --> 01:00:59,880

they probably were still in there eating

1433

01:01:03,589 --> 01:01:01,740

yeah because Chuck E cheese helps you

1434

01:01:05,030 --> 01:01:03,599

replace your pizza it's basically

1435

01:01:08,569 --> 01:01:05,040

they're like they're like cures from

1436

01:01:10,549 --> 01:01:08,579

Final Fantasy like little potions

1437

01:01:12,230 --> 01:01:10,559

uh well also they'd already paid for

1438

01:01:13,609 --> 01:01:12,240

their Pizza the fight started they went

1439

01:01:15,170 --> 01:01:13,619

out to the parking lot you have to go

1440

01:01:16,549 --> 01:01:15,180

back in and finish that pizza yeah he

1441

01:01:18,770 --> 01:01:16,559

paid for it

1442

01:01:20,510 --> 01:01:18,780

a man involved in the altercation was

1443

01:01:23,450 --> 01:01:20,520

also taken into custody the sheriff's

1444

01:01:25,010 --> 01:01:23,460

office said uh a white Audi crashed into

1445

01:01:31,849 --> 01:01:25,020

the front of the building while the

1446

01:01:35,630 --> 01:01:33,770

Jesus I'm gonna end this I'm gonna end

1447

01:01:38,150 --> 01:01:35,640

this right now with my white Audi this

1448

01:01:41,600 --> 01:01:38,160

has gone too far this is this is gone

1449

01:01:43,270 --> 01:01:41,610

now you pissed me off

1450

01:01:46,970 --> 01:01:43,280

[Music]

1451

01:01:49,789 --> 01:01:46,980

so the person may be affiliated with

1452

01:01:52,309 --> 01:01:49,799

this group or not we don't know uh it's

1453

01:01:54,470 --> 01:01:52,319

all like a scuffle shots were being

1454

01:01:57,170 --> 01:01:54,480

fired and then they decided to take

1455

01:01:59,930 --> 01:01:57,180

action by hopping in their Audi and

1456

01:02:02,289 --> 01:01:59,940

ramming it into the building in hopes

1457

01:02:07,789 --> 01:02:02,299

that they could save the day

1458

01:02:11,030 --> 01:02:09,289

okay

1459

01:02:12,589 --> 01:02:11,040

uh they crashed into the front of the

1460

01:02:15,410 --> 01:02:12,599

building while the group was fighting

1461

01:02:17,750 --> 01:02:15,420

okay awesome that is fantastic

1462

01:02:19,370 --> 01:02:17,760

uh two women and a child were taken to

1463

01:02:21,289 --> 01:02:19,380

the hospital for non-life-threatening

1464

01:02:26,329 --> 01:02:21,299

injuries okay that's good probably it's

1465

01:02:30,950 --> 01:02:28,609

we don't know

1466

01:02:32,569 --> 01:02:30,960

we'll read the next part uh uh cop said

1467

01:02:34,849 --> 01:02:32,579

the male driver was also taken to the

1468

01:02:36,349 --> 01:02:34,859

hospital but deputies aren't sure how he

1469

01:02:38,710 --> 01:02:36,359

was involved with the incident it's

1470

01:02:41,990 --> 01:02:38,720

totally unrelated Chuck E cheese

1471

01:02:43,130 --> 01:02:42,000

accident like Chuck E Cheese's just a

1472

01:02:44,690 --> 01:02:43,140

magnet this guy was just probably

1473

01:02:45,589 --> 01:02:44,700

driving down the street in his Audi and

1474

01:02:49,609 --> 01:02:45,599

he just felt like it's just

1475

01:02:52,069 --> 01:02:49,619

uncontrollable like pull to drive full

1476

01:02:54,530 --> 01:02:52,079

speed into the restaurant and it's not

1477

01:02:57,049 --> 01:02:54,540

clear so three women were involved with

1478

01:02:59,750 --> 01:02:57,059

this gun there was a security guard two

1479

01:03:00,950 --> 01:02:59,760

women and a child then a car crashed two

1480

01:03:02,750 --> 01:03:00,960

women in a child were taking the

1481

01:03:04,970 --> 01:03:02,760

hospital and then at the end they say a

1482

01:03:06,289 --> 01:03:04,980

male driver was also taken well was he

1483

01:03:08,510 --> 01:03:06,299

out in the Audi was he the Chevy

1484

01:03:10,910 --> 01:03:08,520

Traverse was he in a different vehicle I

1485

01:03:12,349 --> 01:03:10,920

don't know what the hell's going on uh

1486

01:03:13,970 --> 01:03:12,359

quote I'm grateful that nobody was

1487

01:03:16,849 --> 01:03:13,980

seriously injured as a result of this

1488

01:03:19,010 --> 01:03:16,859

incident said the uh the sheriff thanks

1489

01:03:20,630 --> 01:03:19,020

to the Swift inconsiderable response

1490

01:03:22,250 --> 01:03:20,640

from our deputies well yeah they're

1491

01:03:25,849 --> 01:03:22,260

probably just hanging out in the parking

1492

01:03:27,950 --> 01:03:25,859

lot they know shit's gonna go down 24 7.

1493

01:03:29,690 --> 01:03:27,960

set a car stationed there they can fill

1494

01:03:31,250 --> 01:03:29,700

their quotas like in one weekend right

1495

01:03:33,289 --> 01:03:31,260

there

1496

01:03:34,870 --> 01:03:33,299

we have been able to quickly track down

1497

01:03:37,190 --> 01:03:34,880

those responsible and take them into

1498

01:03:39,770 --> 01:03:37,200

custody while the investigation

1499

01:03:40,849 --> 01:03:39,780

continues into women to Kentucky just

1500

01:03:44,089 --> 01:03:40,859

would you say take them into Kentucky

1501

01:03:45,950 --> 01:03:44,099

yeah uh take them into Kentucky take

1502

01:03:47,870 --> 01:03:45,960

them into custody

1503

01:03:50,150 --> 01:03:47,880

while the investigative investigation

1504

01:03:51,710 --> 01:03:50,160

continues into what led to today's

1505

01:03:52,789 --> 01:03:51,720

events yeah I'd like to know the build

1506

01:03:54,650 --> 01:03:52,799

up

1507

01:03:56,210 --> 01:03:54,660

I mean I would really like to know

1508

01:03:59,150 --> 01:03:56,220

what's the video

1509

01:04:00,410 --> 01:03:59,160

if the video is just aftermath no no I'm

1510

01:04:01,430 --> 01:04:00,420

saying is Chuck E cheese has video of

1511

01:04:03,470 --> 01:04:01,440

this you know they do no they probably

1512

01:04:05,809 --> 01:04:03,480

do yeah

1513

01:04:07,089 --> 01:04:05,819

I would get a job at Chuck E cheese just

1514

01:04:10,069 --> 01:04:07,099

to leak video

1515

01:04:12,230 --> 01:04:10,079

you gotta like at that point you're you

1516

01:04:14,030 --> 01:04:12,240

gotta get Hazard pay like this this is

1517

01:04:15,770 --> 01:04:14,040

some crazy stuff

1518

01:04:18,530 --> 01:04:15,780

the best part is look at the last

1519

01:04:21,170 --> 01:04:18,540

paragraph in the in in the you know the

1520

01:04:23,270 --> 01:04:21,180

statement from from the company but look

1521

01:04:25,730 --> 01:04:23,280

at the the phrase right before it and

1522

01:04:28,069 --> 01:04:25,740

the and and the who the quote is from uh

1523

01:04:32,210 --> 01:04:28,079

Chuck E cheese provided the following

1524

01:04:34,190 --> 01:04:32,220

statement to NewsChannel 8. we are aware

1525

01:04:36,829 --> 01:04:34,200

of the incident that occurred on

1526

01:04:38,089 --> 01:04:36,839

Saturday September 24th wow this is

1527

01:04:38,809 --> 01:04:38,099

maybe what all the predictions were

1528

01:04:44,089 --> 01:04:38,819

about

1529

01:04:45,530 --> 01:04:44,099

this is this is the big event

1530

01:04:47,569 --> 01:04:45,540

uh we are aware of the incident that

1531

01:04:49,490 --> 01:04:47,579

occurred on Saturday September 24th at

1532

01:04:51,829 --> 01:04:49,500

our Brandon Florida location where a

1533

01:04:53,630 --> 01:04:51,839

vehicle crashed into the storefront we

1534

01:04:55,370 --> 01:04:53,640

want to assure our guests that we take

1535

01:04:57,829 --> 01:04:55,380

great measures to protect the

1536

01:04:59,510 --> 01:04:57,839

experienced Children and Families have

1537

01:05:01,010 --> 01:04:59,520

at our venues oh yeah do you put those

1538

01:05:02,569 --> 01:05:01,020

big barriers up like in front of federal

1539

01:05:04,910 --> 01:05:02,579

building so people can crash into your

1540

01:05:06,410 --> 01:05:04,920

doors yeah those ballards up in front of

1541

01:05:08,750 --> 01:05:06,420

the buildings

1542

01:05:11,990 --> 01:05:08,760

the safety of our guests and employees

1543

01:05:14,750 --> 01:05:12,000

is our number one priority

1544

01:05:16,970 --> 01:05:14,760

not oh yeah [h__\h] or anything I mean

1545

01:05:18,170 --> 01:05:16,980

it's probably number seven it's pretty

1546

01:05:20,809 --> 01:05:18,180

far down the list unless you're giving

1547

01:05:22,309 --> 01:05:20,819

bulletproof vests out and like taekwondo

1548

01:05:25,130 --> 01:05:22,319

lessons you're not

1549

01:05:27,410 --> 01:05:25,140

it's not top on the list

1550

01:05:30,470 --> 01:05:27,420

uh the German bubble wrappers they come

1551
01:05:32,630 --> 01:05:30,480
in wear this ma'am the general manager

1552
01:05:34,730 --> 01:05:32,640
manager on site and our team members

1553
01:05:36,950 --> 01:05:34,740
acted quickly to alert local authorities

1554
01:05:39,770 --> 01:05:36,960
and secure medical attention for those

1555
01:05:41,569 --> 01:05:39,780
involved we are thankful that uh the

1556
01:05:43,670 --> 01:05:41,579
dedicated service of our community law

1557
01:05:46,250 --> 01:05:43,680
enforcement and the Swift actions of our

1558
01:05:48,049 --> 01:05:46,260
alert team members and security

1559
01:05:50,270 --> 01:05:48,059
uh we're there oh we are cooperating

1560
01:05:52,309 --> 01:05:50,280
with the police during this ongoing

1561
01:05:54,109 --> 01:05:52,319
investigation and cannot offer

1562
01:05:55,970 --> 01:05:54,119
additional details at this time it'd be

1563
01:05:57,589 --> 01:05:55,980

great if like Chuck E cheese clammed up

1564

01:05:59,470 --> 01:05:57,599

and gotten lawyered up and then Sam

1565

01:06:01,549 --> 01:05:59,480

refused to cooperate

1566

01:06:03,650 --> 01:06:01,559

but look who that quote was from you

1567

01:06:06,049 --> 01:06:03,660

just read from Chuck E cheese himself

1568

01:06:08,049 --> 01:06:06,059

from it from Chuck E cheese himself he

1569

01:06:10,370 --> 01:06:08,059

quote it was quoted yeah

1570

01:06:12,230 --> 01:06:10,380

Chuck E cheese it says this is from

1571

01:06:13,849 --> 01:06:12,240

Chuck E cheese he gave a statement he

1572

01:06:16,190 --> 01:06:13,859

finally speaks after years of Silence

1573

01:06:17,990 --> 01:06:16,200

where's the where's the photo of him at

1574

01:06:21,109 --> 01:06:18,000

the press conference standing behind the

1575

01:06:22,849 --> 01:06:21,119

podium with all the microphones ah

1576

01:06:24,170 --> 01:06:22,859

something's going on there like I want

1577

01:06:25,250 --> 01:06:24,180

to go there but I'm actually scared to

1578

01:06:28,190 --> 01:06:25,260

at this point

1579

01:06:31,190 --> 01:06:28,200

like that local Pie has a great idea

1580

01:06:34,730 --> 01:06:31,200

that uh Chuck E cheese should acquire

1581

01:06:38,210 --> 01:06:34,740

world star oh my God they got a co-brand

1582

01:06:39,529 --> 01:06:38,220

yeah Coburn like when you go to a KFC

1583

01:06:41,329 --> 01:06:39,539

slash

1584

01:06:44,390 --> 01:06:41,339

whatever the other one is you know how

1585

01:06:46,130 --> 01:06:44,400

you see like what is it Taco Bell and

1586

01:06:48,710 --> 01:06:46,140

oh were they where they co-locate in the

1587

01:06:51,410 --> 01:06:48,720

same building yeah yeah I don't remember

1588

01:06:54,650 --> 01:06:51,420

who does what so you could provide like

1589

01:06:57,170 --> 01:06:54,660

a world star upload uh location at every

1590

01:06:58,910 --> 01:06:57,180

Chuck E cheese like so I think so

1591

01:07:01,130 --> 01:06:58,920

they have like it's almost like when you

1592

01:07:03,109 --> 01:07:01,140

could do those freeway and like weather

1593

01:07:06,049 --> 01:07:03,119

things that you could like log on and

1594

01:07:08,930 --> 01:07:06,059

watch traffic patterns like it's almost

1595

01:07:10,849 --> 01:07:08,940

like UFC but you don't know it's like

1596

01:07:12,829 --> 01:07:10,859

you just flip it on and it's like okay

1597

01:07:15,650 --> 01:07:12,839

it's not gonna be anything it's like a

1598

01:07:18,109 --> 01:07:15,660

it's like a new type of escape room

1599

01:07:19,370 --> 01:07:18,119

you know it's you go into Chuck E cheese

1600

01:07:21,289 --> 01:07:19,380

and you don't know how you're gonna get

1601
01:07:22,730 --> 01:07:21,299
out

1602
01:07:24,710 --> 01:07:22,740
comment in the chat says Chuck E Cheese

1603
01:07:26,150 --> 01:07:24,720
Chuck E cheese reuses their pizza and

1604
01:07:27,650 --> 01:07:26,160
serves it to the next people that order

1605
01:07:30,049 --> 01:07:27,660
if you don't eat it at all I wouldn't

1606
01:07:32,630 --> 01:07:30,059
doubt it you know my buddy Spanky used

1607
01:07:34,130 --> 01:07:32,640
to work there and uh he told me some

1608
01:07:36,470 --> 01:07:34,140
stuff you used to go down there it's

1609
01:07:39,170 --> 01:07:36,480
it's probably not the the cleanliness of

1610
01:07:40,609 --> 01:07:39,180
operations I'm imagining but they

1611
01:07:44,390 --> 01:07:40,619
probably do have ocean standards and

1612
01:07:46,670 --> 01:07:44,400
that's pretty nice but uh I don't know

1613
01:07:49,309 --> 01:07:46,680

it's a dangerous place dangerous food

1614

01:07:50,510 --> 01:07:49,319

it's like the wild west out there

1615

01:07:51,710 --> 01:07:50,520

I also want to point out that this Chuck

1616

01:07:52,910 --> 01:07:51,720

E cheese in Brandon Florida is just

1617

01:07:54,230 --> 01:07:52,920

outside of Tampa which is where the

1618

01:07:55,549 --> 01:07:54,240

hurricane just rolled right through so I

1619

01:07:58,370 --> 01:07:55,559

hope this Chuck E cheese location is

1620

01:08:01,130 --> 01:07:58,380

okay yeah me too we should check in

1621

01:08:03,049 --> 01:08:01,140

I have a feeling that below every Chuck

1622

01:08:06,289 --> 01:08:03,059

E cheese is a deep underground military

1623

01:08:09,049 --> 01:08:06,299

base that pumps up weird signals that

1624

01:08:12,049 --> 01:08:09,059

drives people crazy causing them to

1625

01:08:13,609 --> 01:08:12,059

fight and do very crazy disorderly

1626
01:08:15,529 --> 01:08:13,619
things that they wouldn't otherwise do

1627
01:08:17,410 --> 01:08:15,539
in normal society but inside Chuck E

1628
01:08:20,890 --> 01:08:17,420
cheese it makes you crazy

1629
01:08:23,510 --> 01:08:20,900
you just you start doing weird stuff

1630
01:08:26,269 --> 01:08:23,520
if there is a basement in Chuck E cheese

1631
01:08:29,030 --> 01:08:26,279
I think you know and then also if there

1632
01:08:31,370 --> 01:08:29,040
is a sequel to Fight Club it should all

1633
01:08:34,249 --> 01:08:31,380
happen down there well well Joe we know

1634
01:08:37,189 --> 01:08:34,259
every pizza parlor has a basement

1635
01:08:39,890 --> 01:08:37,199
that's true no that's a conspiracy

1636
01:08:41,930 --> 01:08:39,900
theory Mike no

1637
01:08:44,930 --> 01:08:41,940
um also I do want to point out that we

1638
01:08:47,150 --> 01:08:44,940

we have seen references that FEMA and

1639

01:08:49,430 --> 01:08:47,160

Walmart were involved with creating

1640

01:08:51,229 --> 01:08:49,440

internal camps and things in in the

1641

01:08:53,030 --> 01:08:51,239

United States so are you suggesting that

1642

01:08:55,370 --> 01:08:53,040

the military specifically with their

1643

01:08:56,990 --> 01:08:55,380

deep underground military bases all the

1644

01:08:58,550 --> 01:08:57,000

entrances are hidden under a Chuck E

1645

01:09:01,010 --> 01:08:58,560

cheese somewhere in the country I would

1646

01:09:02,510 --> 01:09:01,020

say it's crazy enough to be true like

1647

01:09:03,769 --> 01:09:02,520

there's a good cover yeah because they

1648

01:09:05,990 --> 01:09:03,779

get people coming and going all the time

1649

01:09:07,309 --> 01:09:06,000

all sorts of weird [h__\h] happening or

1650

01:09:09,650 --> 01:09:07,319

like it's like in you know in

1651
01:09:12,050 --> 01:09:09,660
Ghostbusters that guy uh built the

1652
01:09:14,749 --> 01:09:12,060
building like with specific architecture

1653
01:09:17,150 --> 01:09:14,759
to harness psychic energy I think just

1654
01:09:19,610 --> 01:09:17,160
by accident The Architects in the in of

1655
01:09:21,829 --> 01:09:19,620
Chuck E cheese uh have designed a

1656
01:09:24,590 --> 01:09:21,839
building in a blueprint that naturally

1657
01:09:27,110 --> 01:09:24,600
harnesses negative psychic energy that

1658
01:09:29,570 --> 01:09:27,120
impacts people's moods causing them to

1659
01:09:31,490 --> 01:09:29,580
fight and go crazy so here's here's

1660
01:09:34,430 --> 01:09:31,500
something interesting zeister or however

1661
01:09:36,530 --> 01:09:34,440
you pronounce his name he says uh Chuck

1662
01:09:39,530 --> 01:09:36,540
E cheese by him closed down and is

1663
01:09:40,550 --> 01:09:39,540

becoming a funeral home oh my God don't

1664

01:09:43,010 --> 01:09:40,560

even have to change the internal

1665

01:09:45,050 --> 01:09:43,020

fixtures for that yeah you just walk

1666

01:09:48,349 --> 01:09:45,060

through the cheese wall and

1667

01:09:52,870 --> 01:09:50,390

there you have a house band and it's

1668

01:09:57,110 --> 01:09:52,880

ready to serve food

1669

01:10:00,410 --> 01:09:59,030

and then instead of like uh you can keep

1670

01:10:02,930 --> 01:10:00,420

the same logo out front with the cheese

1671

01:10:04,990 --> 01:10:02,940

and smiley like The Smiling rat face you

1672

01:10:09,770 --> 01:10:05,000

just put like two x's over its eyes and

1673

01:10:12,910 --> 01:10:09,780

it's done filing rat face smiling rat

1674

01:10:18,709 --> 01:10:15,410

I would go to that funeral home smiling

1675

01:10:22,189 --> 01:10:18,719

rat face funeral just for fun yeah

1676

01:10:23,570 --> 01:10:22,199

better days it'd be a good goof

1677

01:10:27,070 --> 01:10:23,580

I wonder if the same amount of violence

1678

01:10:30,950 --> 01:10:27,080

purely breaks out there too

1679

01:10:33,310 --> 01:10:30,960

I would like to know like so in the chat

1680

01:10:36,709 --> 01:10:33,320

like that who said that in the chat

1681

01:10:39,709 --> 01:10:36,719

uh zeister pay attention to that funeral

1682

01:10:41,810 --> 01:10:39,719

home if you see like reports of uh

1683

01:10:43,669 --> 01:10:41,820

reanimated corpses or fights breaking

1684

01:10:46,310 --> 01:10:43,679

out there I'd want to know

1685

01:10:48,050 --> 01:10:46,320

like people who are like occasionally

1686

01:10:49,310 --> 01:10:48,060

you hear stories of people that uh

1687

01:10:51,229 --> 01:10:49,320

they're pronounced dead but then they

1688

01:10:53,270 --> 01:10:51,239

like they wake up on like the autopsy

1689

01:10:56,570 --> 01:10:53,280

table like if you have stories like that

1690

01:11:00,950 --> 01:10:58,370

or just fights random fights at a

1691

01:11:02,630 --> 01:11:00,960

funeral that's fun too

1692

01:11:05,689 --> 01:11:02,640

all right that's a good story

1693

01:11:12,729 --> 01:11:07,010

let's move on let's see what else you

1694

01:11:18,890 --> 01:11:15,649

don't play no [h__h]

1695

01:11:20,990 --> 01:11:18,900

yeah you tell them gator

1696

01:11:22,790 --> 01:11:21,000

so I got a story about uh nuclear

1697

01:11:24,830 --> 01:11:22,800

threats about football games

1698

01:11:27,830 --> 01:11:24,840

uh I guess story about Star Trek I have

1699

01:11:30,910 --> 01:11:27,840

stories about a um

1700

01:11:35,390 --> 01:11:30,920

a resume printed on a cake

1701
01:11:38,689 --> 01:11:35,400
and then also the history of glory holes

1702
01:11:40,070 --> 01:11:38,699
hmm I think for context I think the

1703
01:11:43,189 --> 01:11:40,080
history of Glory Hills we got to go

1704
01:11:44,510 --> 01:11:43,199
there because on the last show I told

1705
01:11:47,689 --> 01:11:44,520
Joe

1706
01:11:50,030 --> 01:11:47,699
that a glory hole refers to like the

1707
01:11:52,850 --> 01:11:50,040
furnace in a glass blowing Studio

1708
01:11:55,070 --> 01:11:52,860
and I learned that from watching this

1709
01:11:57,169 --> 01:11:55,080
show on Netflix called Blown Away

1710
01:11:59,450 --> 01:11:57,179
and I was like oh okay called glory

1711
01:12:00,709 --> 01:11:59,460
holes glory holes incorporated or

1712
01:12:02,450 --> 01:12:00,719
whatever yeah it's like a reality show

1713
01:12:03,649 --> 01:12:02,460

who can who can suck the best out of

1714

01:12:05,149 --> 01:12:03,659

glorial

1715

01:12:07,490 --> 01:12:05,159

and the wiener gets five thousand

1716

01:12:09,530 --> 01:12:07,500

dollars in free condoms

1717

01:12:10,310 --> 01:12:09,540

uh it's very controversial Show on

1718

01:12:11,930 --> 01:12:10,320

Netflix

1719

01:12:13,250 --> 01:12:11,940

very popular

1720

01:12:14,810 --> 01:12:13,260

uh but yeah I'd like to know about the

1721

01:12:17,030 --> 01:12:14,820

history of the glorial

1722

01:12:19,310 --> 01:12:17,040

I pasted the wrong thing in there sorry

1723

01:12:21,229 --> 01:12:19,320

that's not the right link it's

1724

01:12:24,830 --> 01:12:21,239

this link

1725

01:12:30,770 --> 01:12:27,890

okay let's bring this up on screen all

1726

01:12:34,430 --> 01:12:30,780

right who invented the [h__h] blast

1727

01:12:35,990 --> 01:12:34,440

glass blowers or gays wow they need to

1728

01:12:39,410 --> 01:12:36,000

say that in slate

1729

01:12:42,530 --> 01:12:39,420

the gay is not like LGBT or anything

1730

01:12:45,229 --> 01:12:42,540

like that or they're saying gays I guess

1731

01:12:48,050 --> 01:12:45,239

I guess that's the proper term okay

1732

01:12:52,070 --> 01:12:48,060

I don't know slate would know not me

1733

01:12:55,130 --> 01:12:53,510

um about the people it's late there Mike

1734

01:12:56,870 --> 01:12:55,140

well I'm just saying that they're they

1735

01:12:58,250 --> 01:12:56,880

seem to be clued in they seem to be more

1736

01:13:01,070 --> 01:12:58,260

uh

1737

01:13:02,750 --> 01:13:01,080

culturally aware than I am

1738

01:13:03,770 --> 01:13:02,760

we could ask Joe like Joe what's the

1739

01:13:07,130 --> 01:13:03,780

proper term

1740

01:13:09,250 --> 01:13:07,140

for what uh like slate their headline

1741

01:13:12,350 --> 01:13:09,260

here is who invented the glory hole

1742

01:13:14,990 --> 01:13:12,360

glassblowers or gays should you call

1743

01:13:16,250 --> 01:13:15,000

people like a group of people gays I

1744

01:13:18,709 --> 01:13:16,260

don't give a [h__h] I'll call them

1745

01:13:20,870 --> 01:13:18,719

whatever you want all right

1746

01:13:22,250 --> 01:13:20,880

do you think I care no I don't I don't

1747

01:13:24,590 --> 01:13:22,260

think that you care I don't think that

1748

01:13:26,390 --> 01:13:24,600

you care but I think you might know

1749

01:13:29,030 --> 01:13:26,400

like I don't care about a lot of music

1750

01:13:30,890 --> 01:13:29,040

but I know about it you know

1751

01:13:33,410 --> 01:13:30,900

I don't care about a lot of music I

1752

01:13:35,870 --> 01:13:33,420

don't know I mean look they're changing

1753

01:13:37,790 --> 01:13:35,880

everybody's changing the words all the

1754

01:13:40,310 --> 01:13:37,800

time and I just don't care I don't want

1755

01:13:42,410 --> 01:13:40,320

to keep up with it I don't give a [h__h]

1756

01:13:44,510 --> 01:13:42,420

most of my friends are straight I don't

1757

01:13:45,649 --> 01:13:44,520

I hate gay people all right

1758

01:13:47,990 --> 01:13:45,659

all right

1759

01:13:50,090 --> 01:13:48,000

you hate you feel me

1760

01:13:52,610 --> 01:13:50,100

uh those currently enthralled with

1761

01:13:55,490 --> 01:13:52,620

Netflix hit uh competitive glass blowing

1762

01:13:57,649 --> 01:13:55,500

show blown away maybe justifiably

1763

01:14:00,709 --> 01:13:57,659

curious about the presence of the

1764

01:14:04,010 --> 01:14:00,719

program on a presence on the program of

1765

01:14:06,110 --> 01:14:04,020

glory holes for most of the culture this

1766

01:14:08,689 --> 01:14:06,120

term refers to uh refers very

1767

01:14:11,510 --> 01:14:08,699

specifically to a public quasi-anonymous

1768

01:14:15,290 --> 01:14:11,520

sex act involving gay men bathroom

1769

01:14:18,050 --> 01:14:15,300

stalls and a handy place hole for

1770

01:14:21,410 --> 01:14:18,060

glassblowers the glory hole is a

1771

01:14:23,090 --> 01:14:21,420

high-powered furnace burning at over 1

1772

01:14:26,570 --> 01:14:23,100

000 degrees Fahrenheit hardly suitable

1773

01:14:32,709 --> 01:14:29,990

uh so why do they call so why do they

1774

01:14:36,070 --> 01:14:32,719

call it that which glory hole came first

1775

01:14:38,750 --> 01:14:36,080

which group owns the term glory hole

1776

01:14:41,270 --> 01:14:38,760

what came first the glory or the whole

1777

01:14:44,330 --> 01:14:41,280

exactly

1778

01:14:47,510 --> 01:14:44,340

I would like to know so obviously

1779

01:14:49,970 --> 01:14:47,520

glassblowing much like sex is an age-old

1780

01:14:52,850 --> 01:14:49,980

practice the first uh the first use of

1781

01:14:56,090 --> 01:14:52,860

glass has been tracked back to Egyptian

1782

01:14:58,610 --> 01:14:56,100

techniques dating back as far as 1500 BC

1783

01:15:04,930 --> 01:14:58,620

the earliest evidence of balloon glass

1784

01:15:07,610 --> 01:15:04,940

dates back to the poltamic period around

1785

01:15:09,410 --> 01:15:07,620

350 BC I'm not seeing it but it's

1786

01:15:12,350 --> 01:15:09,420

probably ptolemaic referring to Ptolemy

1787

01:15:16,149 --> 01:15:12,360

when he was king of Egypt okay sure I

1788

01:15:19,189 --> 01:15:16,159

can't pronounce you know it is called

1789

01:15:20,330 --> 01:15:19,199

uh Ptolemy was one of uh Alexander the

1790

01:15:22,070 --> 01:15:20,340

Great's generals and then after

1791

01:15:23,270 --> 01:15:22,080

Alexander founded Alexandria and told

1792

01:15:25,250 --> 01:15:23,280

him he stayed there founded the Library

1793

01:15:27,169 --> 01:15:25,260

of Alexandria and then became king of

1794

01:15:30,169 --> 01:15:27,179

Egypt I'm just trying to get to this so

1795

01:15:33,110 --> 01:15:30,179

according to the Oxford sorry English

1796

01:15:39,229 --> 01:15:33,120

dictionary the first recorded use of

1797

01:15:42,649 --> 01:15:39,239

[h__\h] in English comes in 1825 when

1798

01:15:45,649 --> 01:15:42,659

it was described as a receptacle or a

1799

01:15:49,250 --> 01:15:45,659

drawer room in which things are heaped

1800

01:15:50,390 --> 01:15:49,260

together without any attempt at order or

1801
01:15:53,330 --> 01:15:50,400
tidiness

1802
01:15:56,090 --> 01:15:53,340
20 years later it became a term made uh

1803
01:15:59,330 --> 01:15:56,100
20 years later the term made it slang

1804
01:16:03,669 --> 01:15:59,340
the debut being used to describe a

1805
01:16:06,050 --> 01:16:03,679
filthy stifling cell or small room for

1806
01:16:09,350 --> 01:16:06,060
degraded beans

1807
01:16:11,510 --> 01:16:09,360
such as prisons oh so it used to be just

1808
01:16:12,709 --> 01:16:11,520
a drunk drawer you throw things in there

1809
01:16:14,689 --> 01:16:12,719
you really don't care about then it

1810
01:16:16,490 --> 01:16:14,699
became in reference to like a cell where

1811
01:16:17,510 --> 01:16:16,500
you throw people in there you don't care

1812
01:16:19,310 --> 01:16:17,520
about

1813
01:16:21,229 --> 01:16:19,320

oh

1814

01:16:23,149 --> 01:16:21,239

um and then I guess it became like a

1815

01:16:25,310 --> 01:16:23,159

bathroom door where you threw your dick

1816

01:16:27,950 --> 01:16:25,320

in there we don't care about I guess

1817

01:16:32,330 --> 01:16:27,960

uh the first recorded use of uh gorehole

1818

01:16:34,550 --> 01:16:32,340

and glass blowing appears in 1849

1819

01:16:36,830 --> 01:16:34,560

in a text called the Curiosities of

1820

01:16:40,850 --> 01:16:36,840

making glass or Curiosities of glass

1821

01:16:42,770 --> 01:16:40,860

making okay so maybe it did originate in

1822

01:16:44,390 --> 01:16:42,780

glassblowing at least in that popular

1823

01:16:47,270 --> 01:16:44,400

term

1824

01:16:49,850 --> 01:16:47,280

so what it definitely seems like

1825

01:16:53,950 --> 01:16:49,860

regardless of the the original

1826

01:16:56,870 --> 01:16:53,960

does original uh the first use of it

1827

01:16:58,850 --> 01:16:56,880

definitely beat the uh bathroom stall

1828

01:17:02,229 --> 01:16:58,860

use

1829

01:17:05,750 --> 01:17:02,239

so uh what about the gay meaning so in

1830

01:17:08,330 --> 01:17:05,760

1707 more than 100 years before

1831

01:17:11,209 --> 01:17:08,340

[h__\h] entered the Lexicon of glass

1832

01:17:13,250 --> 01:17:11,219

production the sex the sex act we now

1833

01:17:15,950 --> 01:17:13,260

commonly associate with the [h__\h]

1834

01:17:18,229 --> 01:17:15,960

made its first historically documented

1835

01:17:23,810 --> 01:17:18,239

debut in England

1836

01:17:27,410 --> 01:17:25,790

was this some kind of Royal Decree some

1837

01:17:29,450 --> 01:17:27,420

kind of Royal punishment

1838

01:17:30,649 --> 01:17:29,460

all right it's the guy who screwed up

1839

01:17:32,450 --> 01:17:30,659

and didn't bring the toothbrush a couple

1840

01:17:34,370 --> 01:17:32,460

of times they're like you know you gotta

1841

01:17:36,110 --> 01:17:34,380

go write up this stuff the turn of the

1842

01:17:38,930 --> 01:17:36,120

18th century was particularly a rough

1843

01:17:41,450 --> 01:17:38,940

time for homosexuals or sodomites

1844

01:17:43,970 --> 01:17:41,460

uh religious revival was rocking Western

1845

01:17:46,370 --> 01:17:43,980

Europe Society inspiring new laws to

1846

01:17:48,110 --> 01:17:46,380

govern sexual practices and depravity

1847

01:17:51,229 --> 01:17:48,120

and defenses

1848

01:17:53,270 --> 01:17:51,239

uh incidentally uh the increased

1849

01:17:56,149 --> 01:17:53,280

scrutiny on homosexuality and

1850

01:17:57,590 --> 01:17:56,159

non-normative behavior fostered a lively

1851

01:18:00,310 --> 01:17:57,600

subculture

1852

01:18:04,850 --> 01:18:00,320

it was under this threat of prosecution

1853

01:18:08,510 --> 01:18:04,860

that the term cursing or cruising was

1854

01:18:10,630 --> 01:18:08,520

coined from the Dutch word cruising

1855

01:18:14,030 --> 01:18:10,640

meant to describe

1856

01:18:17,450 --> 01:18:14,040

uh according to historian Tim uh Tim

1857

01:18:19,970 --> 01:18:17,460

blaning the activity of men meeting with

1858

01:18:22,910 --> 01:18:19,980

other men any anywhere from public

1859

01:18:23,870 --> 01:18:22,920

toilets to the wooded areas near The

1860

01:18:25,910 --> 01:18:23,880

Hague

1861

01:18:29,870 --> 01:18:25,920

to the

1862

01:18:31,669 --> 01:18:29,880

building in which the court of Holland

1863

01:18:35,630 --> 01:18:31,679

held his session so these guys were just

1864

01:18:40,970 --> 01:18:38,750

bathrooms bushes courts it doesn't

1865

01:18:49,310 --> 01:18:45,169

yeah I mean I love that it's it's weird

1866

01:18:51,550 --> 01:18:49,320

to have consensual sex with uh you know

1867

01:18:54,229 --> 01:18:51,560

men men women women

1868

01:18:56,450 --> 01:18:54,239

but like

1869

01:18:58,970 --> 01:18:56,460

we don't know The Client List for Glenn

1870

01:19:01,310 --> 01:18:58,980

Maxwell exactly

1871

01:19:02,810 --> 01:19:01,320

uh Joe there were no clients uh she did

1872

01:19:05,209 --> 01:19:02,820

it all apparently herself and the

1873

01:19:07,850 --> 01:19:05,219

traffic people to nobody it was so

1874

01:19:10,189 --> 01:19:07,860

controversial to be gay like to the you

1875

01:19:12,890 --> 01:19:10,199

know you think about uh

1876

01:19:16,010 --> 01:19:12,900

you know how pride month is even a month

1877

01:19:18,250 --> 01:19:16,020

is that you know Stonewall and fighting

1878

01:19:20,689 --> 01:19:18,260

against the cops just so that you could

1879

01:19:21,770 --> 01:19:20,699

voluntarily have relationships with

1880

01:19:25,490 --> 01:19:21,780

adults

1881

01:19:27,890 --> 01:19:25,500

yeah and uh you know we this that like

1882

01:19:29,930 --> 01:19:27,900

there's a whole child trafficking thing

1883

01:19:32,930 --> 01:19:29,940

happening that we all know about where

1884

01:19:37,370 --> 01:19:32,940

they got that kid coming out of the the

1885

01:19:39,470 --> 01:19:37,380

the you know whatever the castle or

1886

01:19:42,530 --> 01:19:39,480

wherever the queen was what the [h__h] do

1887

01:19:45,229 --> 01:19:42,540

you call it Windsor Windsor Castle

1888

01:19:46,370 --> 01:19:45,239

oh before we played this video the video

1889

01:19:57,070 --> 01:19:46,380

of the guy coming out of the window oh

1890

01:20:02,990 --> 01:20:00,830

he fell like what 10 15 20 feet who

1891

01:20:05,270 --> 01:20:03,000

knows man but I mean apparently it's

1892

01:20:07,370 --> 01:20:05,280

fake according to a lot of people Herman

1893

01:20:09,290 --> 01:20:07,380

from Holland thank you for that video I

1894

01:20:11,330 --> 01:20:09,300

mean honestly like

1895

01:20:14,209 --> 01:20:11,340

you can't prove a negative or whatever

1896

01:20:16,850 --> 01:20:14,219

but like what is your evidence it was

1897

01:20:18,950 --> 01:20:16,860

fake like I really want to know

1898

01:20:21,890 --> 01:20:18,960

so and but to your point Joe they have

1899

01:20:24,770 --> 01:20:21,900

written so far about uh 15 or 25

1900

01:20:26,930 --> 01:20:24,780

paragraphs about the history of the term

1901

01:20:29,209 --> 01:20:26,940

[h__\h] and we can't get that much

1902

01:20:32,390 --> 01:20:29,219

effort put in it put into

1903

01:20:34,790 --> 01:20:32,400

Elaine Maxwell's Client List no I know

1904

01:20:37,189 --> 01:20:34,800

and then they also say that it's

1905

01:20:39,590 --> 01:20:37,199

non-normative which is like isn't that

1906

01:20:41,830 --> 01:20:39,600

supposed to be offensive like it's not

1907

01:20:44,450 --> 01:20:41,840

normal slate

1908

01:20:47,030 --> 01:20:44,460

you're the ones who were supposed to you

1909

01:20:48,590 --> 01:20:47,040

were so far left that like we should all

1910

01:20:50,810 --> 01:20:48,600

be gay

1911

01:20:52,610 --> 01:20:50,820

yeah and so this article winds up

1912

01:20:54,830 --> 01:20:52,620

ultimately who owns the term sure the

1913

01:20:57,530 --> 01:20:54,840

glass blurs may have had the glory hole

1914

01:20:58,790 --> 01:20:57,540

first but today a well-crafted vase is

1915

01:21:01,250 --> 01:20:58,800

hardly the first thing that comes to

1916

01:21:03,290 --> 01:21:01,260

mind when in people's mind when you hear

1917

01:21:06,950 --> 01:21:03,300

the phrase and I agree this is glory

1918

01:21:09,290 --> 01:21:06,960

hole is uh the term for gay men they own

1919

01:21:12,229 --> 01:21:09,300

it glassblowers can go pound sand or

1920

01:21:14,030 --> 01:21:12,239

burn it whatever you want to do with it

1921

01:21:15,770 --> 01:21:14,040

so now it raises the question uh because

1922

01:21:17,630 --> 01:21:15,780

we have that drop from David politis

1923

01:21:19,910 --> 01:21:17,640

which one is he talking about oh I hit

1924

01:21:22,010 --> 01:21:19,920

the glory hole right here

1925

01:21:23,810 --> 01:21:22,020

maybe he's maybe he's an amateur

1926

01:21:25,910 --> 01:21:23,820

glassblower that's his hobby I think

1927

01:21:29,930 --> 01:21:25,920

that uh David politis was using that

1928

01:21:33,890 --> 01:21:29,940

term uh as an expression of joy

1929

01:21:35,689 --> 01:21:33,900

and from what I seen on uh Blown Away

1930

01:21:37,490 --> 01:21:35,699

these glass blowers they don't

1931

01:21:39,350 --> 01:21:37,500

experience a lot of Joy until the task

1932

01:21:41,209 --> 01:21:39,360

is complete especially when you're using

1933

01:21:43,850 --> 01:21:41,219

the furnace you're sweating it's very

1934

01:21:45,530 --> 01:21:43,860

hot a lot of panting going on not unlike

1935

01:21:46,910 --> 01:21:45,540

a bathroom stall Glory so which one are

1936

01:21:49,070 --> 01:21:46,920

you discussing here because yeah sure

1937

01:21:52,850 --> 01:21:49,080

but I think there's a lot more uh

1938

01:21:54,830 --> 01:21:52,860

pleasure and joy that comes with the uh

1939

01:21:56,870 --> 01:21:54,840

the [h__\h] at a bathroom stall versus

1940

01:21:58,729 --> 01:21:56,880

the glass point my my this so I think

1941

01:22:01,130 --> 01:21:58,739

David politis and I don't want to speak

1942

01:22:04,689 --> 01:22:01,140

for him here was talking about the

1943

01:22:08,870 --> 01:22:07,070

you never know

1944

01:22:10,669 --> 01:22:08,880

like I said if I ever have a long

1945

01:22:12,950 --> 01:22:10,679

conversation with him I'll play in my

1946

01:22:15,169 --> 01:22:12,960

clip and I'll ask

1947

01:22:18,649 --> 01:22:15,179

take your tape recorder yeah could you

1948

01:22:21,010 --> 01:22:18,659

clarify please how with all the missing

1949

01:22:23,689 --> 01:22:21,020

people and all that stuff

1950

01:22:25,970 --> 01:22:23,699

what about this statement oh I hit the

1951

01:22:27,470 --> 01:22:25,980

glory hole right here he crashed his

1952

01:22:30,169 --> 01:22:27,480

Audi into it

1953

01:22:34,130 --> 01:22:32,149

well okay I'm glad we got to the bottom

1954

01:22:36,050 --> 01:22:34,140

of this and ultimately they don't slate

1955

01:22:37,910 --> 01:22:36,060

couldn't really find out but I I think

1956

01:22:39,890 --> 01:22:37,920

I'm gonna give it to the gays in that

1957

01:22:41,630 --> 01:22:39,900

one they got it that's a conclusion is

1958

01:22:44,450 --> 01:22:41,640

it's a murky history but

1959

01:22:47,689 --> 01:22:44,460

um uh it's clearly the the the the the

1960

01:22:50,090 --> 01:22:47,699

term now belongs to the gays yeah

1961

01:22:52,189 --> 01:22:50,100

absolutely

1962

01:22:54,830 --> 01:22:52,199

so uh if you don't mind I'm gonna do a

1963

01:22:56,570 --> 01:22:54,840

little uh uh transition and do some

1964

01:22:58,910 --> 01:22:56,580

drawbridge of donations so we can thank

1965

01:22:59,870 --> 01:22:58,920

some people we've also had a request I I

1966

01:23:01,430 --> 01:22:59,880

don't know if you're planning to or not

1967

01:23:03,770 --> 01:23:01,440

open the phone lines or not we could

1968

01:23:05,810 --> 01:23:03,780

sure it's Saturday uh we can open the

1969

01:23:07,010 --> 01:23:05,820

phone lines up we'll do December 27 or

1970

01:23:08,270 --> 01:23:07,020

whatever his numbers yeah sure

1971

01:23:09,390 --> 01:23:08,280

absolutely we'll do it after the

1972

01:23:14,360 --> 01:23:09,400

drawbridge

1973

01:23:20,810 --> 01:23:14,370

[Music]

1974

01:23:20,820 --> 01:23:28,810

foreign

1975

01:23:35,030 --> 01:23:31,729

we have some people to thank absolutely

1976

01:23:37,430 --> 01:23:35,040

Fleur the drawbridge right here we'll

1977

01:23:39,649 --> 01:23:37,440

start walking across it here we go knock

1978

01:23:42,470 --> 01:23:39,659

on that door don't forget about that oh

1979

01:23:44,330 --> 01:23:42,480

there's a fly buzzing around here start

1980

01:23:47,209 --> 01:23:44,340

breaking that window let's open the

1981

01:23:49,550 --> 01:23:47,219

garage door just to make sure oh yeah

1982

01:23:51,590 --> 01:23:49,560

there's this boogie how is Mr mustache

1983

01:23:55,070 --> 01:23:51,600

there's the Sheep you gotta slap the

1984

01:23:58,610 --> 01:23:56,630

there's the chicken of Courage right

1985

01:24:01,010 --> 01:23:58,620

there and that fly is still buzzing

1986

01:24:03,110 --> 01:24:01,020

around for some reason I don't know why

1987

01:24:04,970 --> 01:24:03,120

and there's the the album of Truth there

1988

01:24:06,950 --> 01:24:04,980

we go and let's thank some people right

1989

01:24:10,010 --> 01:24:06,960

here where's my my glasses oh there we

1990

01:24:12,110 --> 01:24:10,020

go start smashing glass you're very

1991

01:24:16,550 --> 01:24:12,120

crazy crazy way here we go first person

1992

01:24:18,410 --> 01:24:16,560

uh from PayPal we got uh wise wolf gold

1993

01:24:21,770 --> 01:24:18,420

in Silver Exchange you can check them

1994

01:24:24,169 --> 01:24:21,780

out the wise wolf gold and silver.com I

1995

01:24:27,350 --> 01:24:24,179

think that's Tony Tony arderburn from

1996

01:24:29,149 --> 01:24:27,360

American unplugged and the Tony Tony

1997

01:24:31,010 --> 01:24:29,159

Osborne radio show check him out thank

1998

01:24:34,430 --> 01:24:31,020

you Tony for donating we also have

1999

01:24:36,410 --> 01:24:34,440

Michael V Michael K Michael W

2000

01:24:41,510 --> 01:24:36,420

Dory k

2001

01:24:45,110 --> 01:24:41,520

Andrew G Ashley M Daniel B Chris AKA

2002

01:24:49,490 --> 01:24:45,120

skid mark AKA six-pack podcast

2003

01:24:51,110 --> 01:24:49,500

you have Chris W and Brian uh P thank

2004

01:24:53,030 --> 01:24:51,120

you guys for that

2005

01:24:54,350 --> 01:24:53,040

and then over there on patreon got us

2006

01:24:56,630 --> 01:24:54,360

like a bunch of people over there

2007

01:24:58,850 --> 01:24:56,640

patreon people coming and going just

2008

01:25:01,130 --> 01:24:58,860

having an amazing time over there so

2009

01:25:04,550 --> 01:25:01,140

thank you and I'm gonna try to read down

2010

01:25:11,290 --> 01:25:04,560

some of these via Reef Weston's Alex D

2011

01:25:15,050 --> 01:25:11,300

Sam B Jason b o u 812 probably a big uh

2012

01:25:18,830 --> 01:25:15,060

van uh Van Halen right there he's got

2013

01:25:24,110 --> 01:25:18,840

the Brandon m Joe Bros three stands

2014

01:25:26,229 --> 01:25:24,120

Kevin B Stephen G Jax Jeff W author

2015

01:25:32,270 --> 01:25:26,239

Diamond hands

2016

01:25:36,590 --> 01:25:32,280

uh Tony C Jake C B Wilson Jack D

2017

01:25:41,450 --> 01:25:36,600

ude we got uh Matthew D Sam I

2018

01:25:42,729 --> 01:25:41,460

Matt E Rojo Phil Jorge Martin we got

2019

01:25:46,390 --> 01:25:42,739

Marcus

2020

01:25:48,649 --> 01:25:46,400

uh Lord Long Rod

2021

01:25:49,850 --> 01:25:48,659

I like Lauren there he goes he's

2022

01:25:53,450 --> 01:25:49,860

launching off right there we got the Fat

2023

01:25:54,590 --> 01:25:53,460

Cat we got OMD we got Connor uh guy with

2024

01:25:59,149 --> 01:25:54,600

just a bunch of symbols I don't know how

2025

01:26:01,490 --> 01:25:59,159

you do that uh zucifer William S we got

2026

01:26:04,930 --> 01:26:01,500

the the Ramsay family we got Jordan's

2027

01:26:09,770 --> 01:26:04,940

name uh I can't see Mike W

2028

01:26:11,450 --> 01:26:09,780

and David Phillip Leo and Jonathan so

2029

01:26:12,830 --> 01:26:11,460

thank you all very much really

2030

01:26:16,250 --> 01:26:12,840

appreciate that let's shut the garage

2031

01:26:19,250 --> 01:26:16,260

door right now we'll get out of here

2032

01:26:21,229 --> 01:26:19,260

can I ask Chris from ABS in the six-pack

2033

01:26:26,629 --> 01:26:21,239

a question yeah hold on let me check the

2034

01:26:31,729 --> 01:26:28,910

well I'll wait okay there we go

2035

01:26:33,229 --> 01:26:31,739

ahead and ask your question no oh wait

2036

01:26:35,689 --> 01:26:33,239

let him call him all right fine we'll

2037

01:26:38,649 --> 01:26:35,699

open up the phone lines right now

2038

01:26:41,209 --> 01:26:38,659

you guys can call on

2039

01:26:42,950 --> 01:26:41,219

614-388-9109 or Skype directly in using

2040

01:26:44,930 --> 01:26:42,960

our big dumb mouth now let's go ahead

2041

01:26:48,790 --> 01:26:44,940

and take the phone calls boy that's an

2042

01:26:54,770 --> 01:26:52,189

I love the broken glass thing like I

2043

01:26:58,850 --> 01:26:54,780

have to mute myself because I laugh it's

2044

01:27:01,550 --> 01:26:58,860

just a I probably smashed about 50

2045

01:27:04,250 --> 01:27:01,560

windows with that one each window

2046

01:27:06,649 --> 01:27:04,260

probably costs at least 200 bucks

2047

01:27:09,530 --> 01:27:06,659

it's just an insane amount of windows

2048

01:27:11,570 --> 01:27:09,540

all the Kinsey and love love love it the

2049

01:27:12,890 --> 01:27:11,580

keynesians I gotta blow some more glass

2050

01:27:16,250 --> 01:27:12,900

I got to get to that glory hole to Blue

2051
01:27:19,610 --> 01:27:16,260
some more glass window below glass and

2052
01:27:24,169 --> 01:27:19,620
it appeared the the keynesians uh caller

2053
01:27:24,179 --> 01:27:27,110
hello

2054
01:27:33,050 --> 01:27:29,270
we're waiting for the robot to come on

2055
01:27:38,570 --> 01:27:35,330
I guess Chris you there

2056
01:27:40,310 --> 01:27:38,580
no he is not that quietly I'll I'll call

2057
01:27:42,890 --> 01:27:40,320
back give me give me a second call back

2058
01:27:42,900 --> 01:27:46,370
call are you there

2059
01:27:52,689 --> 01:27:49,189
I don't want to talk about the queen

2060
01:28:00,050 --> 01:27:55,910
is it true that on the data between guy

2061
01:28:01,430 --> 01:28:00,060
was 9 11 and 911 wasn't talked about

2062
01:28:04,790 --> 01:28:01,440
and

2063
01:28:08,450 --> 01:28:04,800

there's two more uh fun facts that the

2064

01:28:10,129 --> 01:28:08,460

uh England news came out and writing on

2065

01:28:13,189 --> 01:28:10,139

their website but then they took it down

2066

01:28:15,290 --> 01:28:13,199

saying we are sorry for everyone seeing

2067

01:28:19,129 --> 01:28:15,300

the queen in the natural form

2068

01:28:22,189 --> 01:28:19,139

and then two it is a known fact that

2069

01:28:24,110 --> 01:28:22,199

over 400 kids have went missing on that

2070

01:28:26,870 --> 01:28:24,120

property and it's just like oh you want

2071

01:28:31,910 --> 01:28:26,880

problems you either dead or you get paid

2072

01:28:38,090 --> 01:28:35,090

two years ago I asked you to do

2073

01:28:40,189 --> 01:28:38,100

a little segment on Donald Marshall yeah

2074

01:28:41,689 --> 01:28:40,199

I think he's dead now because he hasn't

2075

01:28:43,910 --> 01:28:41,699

done any normal videos there but no

2076

01:28:45,169 --> 01:28:43,920

there's no there's no nothing of him

2077

01:28:47,330 --> 01:28:45,179

anymore

2078

01:28:49,669 --> 01:28:47,340

but there's the daughter martial

2079

01:28:52,430 --> 01:28:49,679

Revolution

2080

01:28:54,410 --> 01:28:52,440

goes deep you don't want to

2081

01:28:56,270 --> 01:28:54,420

yeah I looked into him I looked into

2082

01:28:58,189 --> 01:28:56,280

Donald Marshall and I forget what he

2083

01:29:01,729 --> 01:28:58,199

discovered he he has like these

2084

01:29:04,610 --> 01:29:01,739

different timeline experiences like uh

2085

01:29:07,550 --> 01:29:04,620

he he he has memories and thoughts of

2086

01:29:09,350 --> 01:29:07,560

like of like uh doppelgangers and that

2087

01:29:10,669 --> 01:29:09,360

kind of stuff right

2088

01:29:13,070 --> 01:29:10,679

foreign

2089

01:29:16,850 --> 01:29:13,080

yeah

2090

01:29:20,810 --> 01:29:16,860

and uh and how uh they take you they

2091

01:29:22,490 --> 01:29:20,820

clone you and then in your sleep you go

2092

01:29:24,950 --> 01:29:22,500

back and forth

2093

01:29:27,709 --> 01:29:24,960

you know you know what okay I tell you

2094

01:29:31,370 --> 01:29:27,719

what I will try to do uh Donald Marshall

2095

01:29:32,870 --> 01:29:31,380

segment uh and see what I can present on

2096

01:29:35,270 --> 01:29:32,880

the show here I remember I did look at

2097

01:29:37,490 --> 01:29:35,280

him I did

2098

01:29:42,189 --> 01:29:37,500

the best evidence is the Donald Marshall

2099

01:29:48,350 --> 01:29:45,830

and my girlfriend went to uh Chuck E

2100

01:29:50,090 --> 01:29:48,360

cheese and had this slime and she said

2101
01:29:57,470 --> 01:29:50,100
it was very good and she had the extra

2102
01:29:57,480 --> 01:30:00,890
well be careful

2103
01:30:04,729 --> 01:30:02,570
you got to go in there strap you gotta

2104
01:30:07,250 --> 01:30:04,739
get your concealed carry I'm going to a

2105
01:30:10,750 --> 01:30:07,260
place called fish tails Fish Tales okay

2106
01:30:16,430 --> 01:30:14,169
my Blue Torch

2107
01:30:19,910 --> 01:30:16,440
love you hey

2108
01:30:22,729 --> 01:30:19,920
what's the best mixture what's the best

2109
01:30:25,070 --> 01:30:22,739
juice you got to do sir okay oh yes you

2110
01:30:27,410 --> 01:30:25,080
Gotta Throw it for juicers I mean well

2111
01:30:29,450 --> 01:30:27,420
the the one they say cures cancer is

2112
01:30:31,669 --> 01:30:29,460
lettuce and carrots you gotta mix

2113
01:30:34,970 --> 01:30:31,679

lettuce and carrots as you have like I'm

2114

01:30:37,430 --> 01:30:34,980

masticating juicer but uh for me it's

2115

01:30:40,669 --> 01:30:37,440

like I love tickets cigarettes lottery

2116

01:30:43,430 --> 01:30:40,679

tickets that's what I put in there yeah

2117

01:30:44,750 --> 01:30:43,440

look up have you ever heard of Maureen

2118

01:30:47,870 --> 01:30:44,760

cigarettes

2119

01:30:52,450 --> 01:30:47,880

look up what the Tree of Life The

2120

01:30:57,110 --> 01:30:54,890

oh yeah dude I have that I have that

2121

01:30:58,850 --> 01:30:57,120

yeah yeah I got that in the house I put

2122

01:31:03,250 --> 01:30:58,860

it in my salads and stuff what's it

2123

01:31:07,729 --> 01:31:03,260

called powder Moringa Moringa okay yeah

2124

01:31:10,250 --> 01:31:07,739

everything to keep you alive it's a it's

2125

01:31:13,250 --> 01:31:10,260

a great supplement yeah for sure

2126

01:31:17,750 --> 01:31:13,260

look cool well

2127

01:31:20,810 --> 01:31:17,760

yeah all right man fill me up bye man

2128

01:31:23,270 --> 01:31:20,820

Let's uh blowing my breath there boom

2129

01:31:24,350 --> 01:31:23,280

all right sir see you sitter can now

2130

01:31:26,450 --> 01:31:24,360

call back and hopefully he got his audio

2131

01:31:29,390 --> 01:31:26,460

worked out because I did pick up on him

2132

01:31:31,669 --> 01:31:29,400

his audio was not working and so we'll

2133

01:31:33,290 --> 01:31:31,679

try again hopefully it's going to be at

2134

01:31:36,590 --> 01:31:33,300

a system failure because he's uh not

2135

01:31:40,610 --> 01:31:38,450

see you sitter

2136

01:31:41,510 --> 01:31:40,620

hello can you hear me now yeah we can

2137

01:31:43,910 --> 01:31:41,520

hear you

2138

01:31:46,129 --> 01:31:43,920

holy [h__\h] all right sorry I don't use

2139

01:31:47,990 --> 01:31:46,139

Skype so I had my audio routing wrong my

2140

01:31:49,610 --> 01:31:48,000

bad all right but I'll tell you what I'm

2141

01:31:52,430 --> 01:31:49,620

pissed off

2142

01:31:54,890 --> 01:31:52,440

okay I love that seat sitter sounds like

2143

01:31:57,830 --> 01:31:54,900

Alex Jones he's getting close I'm pissed

2144

01:32:00,830 --> 01:31:57,840

off I'll tell you what impression yeah

2145

01:32:03,169 --> 01:32:00,840

uh first of all here's my main grievance

2146

01:32:06,350 --> 01:32:03,179

I even made a note at the top of the

2147

01:32:08,450 --> 01:32:06,360

show when uh Mike was doing his micro

2148

01:32:10,250 --> 01:32:08,460

songs and I was like oh I'm gonna call

2149

01:32:11,570 --> 01:32:10,260

in and do a bit about it's like oh I'll

2150

01:32:13,910 --> 01:32:11,580

call him be like is this a song about

2151
01:32:15,470 --> 01:32:13,920
Dirty Jobs and not even a minute later

2152
01:32:22,430 --> 01:32:15,480
credit made the [h__h] joke I was like

2153
01:32:26,810 --> 01:32:24,649
cool uh

2154
01:32:28,490 --> 01:32:26,820
but no I made tons of like horrible

2155
01:32:29,629 --> 01:32:28,500
shitty music back in the day so I didn't

2156
01:32:30,950 --> 01:32:29,639
know about the subreddit you were

2157
01:32:32,689 --> 01:32:30,960
talking about Mike I should put my old

2158
01:32:34,910 --> 01:32:32,699
terrible music on there I'd probably do

2159
01:32:36,649 --> 01:32:34,920
really good you might yeah right blow go

2160
01:32:37,790 --> 01:32:36,659
viral

2161
01:32:40,669 --> 01:32:37,800
um

2162
01:32:43,070 --> 01:32:40,679
also the okay so I'm trying to get I I

2163
01:32:44,510 --> 01:32:43,080

tried I have a t-shirt idea before I

2164

01:32:47,510 --> 01:32:44,520

hang out but I I while I'm thinking

2165

01:32:50,390 --> 01:32:47,520

about it you guys probably grew up with

2166

01:32:51,709 --> 01:32:50,400

this show because it was on the air 10

2167

01:32:54,290 --> 01:32:51,719

years before I was born but have you

2168

01:32:57,290 --> 01:32:54,300

guys watched The A Team much not lately

2169

01:32:58,790 --> 01:32:57,300

but back when it first aired absolutely

2170

01:33:00,770 --> 01:32:58,800

yeah

2171

01:33:03,649 --> 01:33:00,780

The A-Team is [h__h] great and I was

2172

01:33:04,610 --> 01:33:03,659

nice I got season four didn't commit

2173

01:33:06,530 --> 01:33:04,620

they probably escaped for a military

2174

01:33:07,910 --> 01:33:06,540

Stockade to Los Angeles around if you

2175

01:33:09,229 --> 01:33:07,920

can find them if you need Jesus Christ

2176

01:33:11,810 --> 01:33:09,239

what the hell are you saying he's

2177

01:33:14,570 --> 01:33:11,820

mumbling over there if you if you could

2178

01:33:17,290 --> 01:33:14,580

find him uh yeah maybe you can hire the

2179

01:33:23,930 --> 01:33:21,590

speaking in tongues but season four on

2180

01:33:26,810 --> 01:33:23,940

[h__\h] DVD if McKay's used and I was

2181

01:33:28,310 --> 01:33:26,820

like this this is hey first of all

2182

01:33:29,990 --> 01:33:28,320

there's an episode where a bunch of they

2183

01:33:31,189 --> 01:33:30,000

use the word wino like a hundred times

2184

01:33:33,410 --> 01:33:31,199

or there's a bunch of homeless like

2185

01:33:36,110 --> 01:33:33,420

drunks and they're getting kidnapped and

2186

01:33:37,850 --> 01:33:36,120

killed and buried to like have some mobs

2187

01:33:40,610 --> 01:33:37,860

like stealing their ID the next episode

2188

01:33:42,470 --> 01:33:40,620

after that Rick James hires The A Team

2189

01:33:44,390 --> 01:33:42,480

the actual Rick James how's the A Team

2190

01:33:47,330 --> 01:33:44,400

to get his homie Isaac Hayes out of

2191

01:33:49,729 --> 01:33:47,340

prison the episode after that Hulk Hogan

2192

01:33:52,490 --> 01:33:49,739

is a guest star and

2193

01:33:54,830 --> 01:33:52,500

and Mr T is [h__h] driving the a-team's

2194

01:33:57,830 --> 01:33:54,840

van around with a Hulk Mania t-shirt and

2195

01:33:59,629 --> 01:33:57,840

hat oh Mania wow so during that season

2196

01:34:01,070 --> 01:33:59,639

they got like a lot of guest stars

2197

01:34:02,810 --> 01:34:01,080

that's awesome

2198

01:34:04,550 --> 01:34:02,820

yeah season four they just pulled out

2199

01:34:06,530 --> 01:34:04,560

all the stops it was [h__h] Boy George

2200

01:34:08,750 --> 01:34:06,540

was on one and they accidentally they

2201
01:34:12,350 --> 01:34:08,760
could have a mix-up because Boy George

2202
01:34:14,209 --> 01:34:12,360
is supposed to be their uh face man the

2203
01:34:16,129 --> 01:34:14,219
face guy is like doing some kind of

2204
01:34:17,930 --> 01:34:16,139
concert for a bunch of cowboys and they

2205
01:34:20,209 --> 01:34:17,940
wanted Cowboy George

2206
01:34:22,610 --> 01:34:20,219
but they he accidentally made a Mr

2207
01:34:28,510 --> 01:34:22,620
kerfuffle and booked Boy George so all

2208
01:34:34,970 --> 01:34:31,990
instead of cowboy George

2209
01:34:36,770 --> 01:34:34,980
okay Joe you had a question for me and

2210
01:34:40,010 --> 01:34:36,780
then I'm gonna pitch why don't you put a

2211
01:34:42,470 --> 01:34:40,020
description in your podcast

2212
01:34:45,649 --> 01:34:42,480
I don't know sometimes I do what's the I

2213
01:34:48,290 --> 01:34:45,659

I I listen to a lot of podcasts and it's

2214

01:34:51,050 --> 01:34:48,300

very selective you know so when Michael

2215

01:34:53,270 --> 01:34:51,060

malice has a guest son who I like he had

2216

01:34:54,649 --> 01:34:53,280

Charlie Kirk on I have no interest in

2217

01:34:57,830 --> 01:34:54,659

Charlie Kirk

2218

01:35:00,110 --> 01:34:57,840

like he's got like tiny eyes and a nose

2219

01:35:01,450 --> 01:35:00,120

and a mouth in the middle of a [h__h]

2220

01:35:04,310 --> 01:35:01,460

four

2221

01:35:06,050 --> 01:35:04,320

foot diameter face

2222

01:35:07,610 --> 01:35:06,060

and let's be honest Charlie Kirk is

2223

01:35:09,770 --> 01:35:07,620

probably inbred he's probably the

2224

01:35:11,990 --> 01:35:09,780

product of him breeding he is dude he

2225

01:35:13,970 --> 01:35:12,000

look I mean yeah he's there's something

2226

01:35:15,530 --> 01:35:13,980

wrong with the guy and I have no

2227

01:35:18,110 --> 01:35:15,540

interest in what he says I've heard him

2228

01:35:20,629 --> 01:35:18,120

talk but you have guests on that are

2229

01:35:23,149 --> 01:35:20,639

great and then you don't describe

2230

01:35:25,490 --> 01:35:23,159

anything it's just some random ass title

2231

01:35:27,110 --> 01:35:25,500

yeah okay that's my main complain about

2232

01:35:29,450 --> 01:35:27,120

a lot of podcasts they like a random ass

2233

01:35:31,790 --> 01:35:29,460

title that is not applicable to what the

2234

01:35:36,410 --> 01:35:31,800

episode is about and it's very confusing

2235

01:35:38,209 --> 01:35:36,420

so I'm with Joe like I need more for me

2236

01:35:39,530 --> 01:35:38,219

to choose to listen to stuff like I kind

2237

01:35:41,570 --> 01:35:39,540

of know what I'm getting With No Agenda

2238

01:35:43,250 --> 01:35:41,580

they have like some nonsensical titles

2239

01:35:45,050 --> 01:35:43,260

that relate back to something they say

2240

01:35:46,370 --> 01:35:45,060

in the show but I'm already invested in

2241

01:35:47,629 --> 01:35:46,380

their show

2242

01:35:50,330 --> 01:35:47,639

right

2243

01:35:52,669 --> 01:35:50,340

well and I was going to shitmyass.com

2244

01:35:54,709 --> 01:35:52,679

for this podcast do not expect you're

2245

01:35:57,350 --> 01:35:54,719

going literally the URL is shitmyass.com

2246

01:35:59,510 --> 01:35:57,360

if you're expecting good descriptions I

2247

01:36:01,430 --> 01:35:59,520

think you're shooting yourself in the

2248

01:36:04,189 --> 01:36:01,440

foot though that's like saying I'm bad

2249

01:36:06,669 --> 01:36:04,199

and I will always be bad no dude you

2250

01:36:12,770 --> 01:36:06,679

need to add a description and no Beret

2251

01:36:18,350 --> 01:36:15,590

I met no Beret and No Agenda Meetup uh a

2252

01:36:20,390 --> 01:36:18,360

couple weeks ago cool guy it's not no

2253

01:36:24,110 --> 01:36:20,400

hooray it's naborate

2254

01:36:26,810 --> 01:36:24,120

yeah but anyway he's he's saying and

2255

01:36:29,870 --> 01:36:26,820

he's giving the advice and I don't think

2256

01:36:33,110 --> 01:36:29,880

it's a bad idea it annoys me when media

2257

01:36:34,850 --> 01:36:33,120

monarchy does it to an extreme but we

2258

01:36:37,010 --> 01:36:34,860

don't mention the name of the show you

2259

01:36:40,550 --> 01:36:37,020

are listening to our big dumb mouth and

2260

01:36:43,430 --> 01:36:40,560

you can go to obdmpod.com to find out

2261

01:36:45,950 --> 01:36:43,440

more and subscribe to the show but we do

2262

01:36:49,910 --> 01:36:45,960

not mention it we assume that you know

2263

01:36:53,090 --> 01:36:49,920

yeah too bad we probably should but yeah

2264

01:36:55,370 --> 01:36:53,100

I mean consider uh descriptions I mean

2265

01:36:57,770 --> 01:36:55,380

you don't have yeah it's considered I

2266

01:36:59,209 --> 01:36:57,780

mean yeah I will consider it sometimes I

2267

01:37:02,149 --> 01:36:59,219

do the description and sometimes I like

2268

01:37:03,830 --> 01:37:02,159

to keep it a mystery but there was uh I

2269

01:37:04,910 --> 01:37:03,840

do I did go back and change the

2270

01:37:07,430 --> 01:37:04,920

description of it because I Charlie

2271

01:37:09,169 --> 01:37:07,440

Robinson and Alex Stein and I did a

2272

01:37:11,629 --> 01:37:09,179

episode all about 9 11 it was about

2273

01:37:13,070 --> 01:37:11,639

three hour show see now like I would

2274

01:37:14,870 --> 01:37:13,080

have listened to that show but I didn't

2275

01:37:16,070 --> 01:37:14,880

even know that that happened yeah you're

2276

01:37:19,669 --> 01:37:16,080

really shooting yourself in the foot

2277

01:37:22,729 --> 01:37:19,679

like okay like this this is this is this

2278

01:37:24,169 --> 01:37:22,739

is like uh uh like even though like our

2279

01:37:25,669 --> 01:37:24,179

bed now we don't provide like a lot of

2280

01:37:27,470 --> 01:37:25,679

links for a contact but if you read

2281

01:37:29,030 --> 01:37:27,480

through like the show description I'm

2282

01:37:30,890 --> 01:37:29,040

pretty accurate about what we talk about

2283

01:37:33,050 --> 01:37:30,900

during the show and then the title of

2284

01:37:35,270 --> 01:37:33,060

the show has like the featured content

2285

01:37:37,129 --> 01:37:35,280

that we hit and so people click on it

2286

01:37:40,430 --> 01:37:37,139

whatever you want but put it in the

2287

01:37:42,229 --> 01:37:40,440

description dude yeah I mean I had I

2288

01:37:43,550 --> 01:37:42,239

interviewed David Ike one-on-one and I

2289

01:37:45,530 --> 01:37:43,560

think for the description I just put

2290

01:37:47,090 --> 01:37:45,540

like I think I just put the description

2291

01:37:48,890 --> 01:37:47,100

for that episode I think I just put poop

2292

01:37:51,169 --> 01:37:48,900

or boner balls I can't remember yeah you

2293

01:37:53,570 --> 01:37:51,179

put like cotton candy or some [h__h]

2294

01:37:55,189 --> 01:37:53,580

dude dude yourself a favor yeah you're

2295

01:37:56,390 --> 01:37:55,199

shooting a [h__h] description in there

2296

01:37:59,090 --> 01:37:56,400

yeah you're shooting yourself in the

2297

01:38:00,350 --> 01:37:59,100

foot for no reason okay fair okay fair

2298

01:38:01,310 --> 01:38:00,360

advice like if you're if you're trying

2299

01:38:04,729 --> 01:38:01,320

to get your if you're trying to grow

2300

01:38:06,950 --> 01:38:04,739

your podcast uh grow it you know if

2301
01:38:09,709 --> 01:38:06,960
you're not gonna do it then you would

2302
01:38:11,450 --> 01:38:09,719
get so many more listeners yeah and also

2303
01:38:13,310 --> 01:38:11,460
just pick a better name than ABS in a

2304
01:38:16,070 --> 01:38:13,320
six-pack because no it's too late no I

2305
01:38:18,350 --> 01:38:16,080
like it it's kind of it I like ABS in

2306
01:38:21,970 --> 01:38:18,360
the six-pack because it it refers to

2307
01:38:24,950 --> 01:38:21,980
beer and like Fitness and it's

2308
01:38:26,990 --> 01:38:24,960
the initials yeah the ABS was the

2309
01:38:28,390 --> 01:38:27,000
initials of yeah the three people that

2310
01:38:32,090 --> 01:38:28,400
started the show the two Co Christmas

2311
01:38:34,310 --> 01:38:32,100
co-host yeah it was our last names

2312
01:38:35,810 --> 01:38:34,320
initials a b and s it was our last names

2313
01:38:37,070 --> 01:38:35,820

initials and then the six-pack was the

2314

01:38:38,510 --> 01:38:37,080

beer we would drink during the show so

2315

01:38:39,830 --> 01:38:38,520

it made sense at the time but now that

2316

01:38:41,810 --> 01:38:39,840

it's just basically me and once in a

2317

01:38:44,810 --> 01:38:41,820

while one of my co-hosts show up kind of

2318

01:38:46,910 --> 01:38:44,820

makes no sense but Joe okay okay so

2319

01:38:49,370 --> 01:38:46,920

I I know this call is going on too long

2320

01:38:50,570 --> 01:38:49,380

but I have to pitch the T-shirt idea

2321

01:38:52,790 --> 01:38:50,580

um so that

2322

01:38:54,169 --> 01:38:52,800

um he hasn't said the catchphrase Joe

2323

01:38:55,790 --> 01:38:54,179

you I don't think you've said your

2324

01:38:58,370 --> 01:38:55,800

famous catchphrase on this show but

2325

01:39:01,129 --> 01:38:58,380

every show for the last month or two you

2326

01:39:03,649 --> 01:39:01,139

have said it so here's my t-shirt pitch

2327

01:39:06,530 --> 01:39:03,659

you have a picture of Joe like maybe

2328

01:39:08,390 --> 01:39:06,540

bags could do this you have a cartoon

2329

01:39:10,010 --> 01:39:08,400

drawing of Joe's face he's got the Apple

2330

01:39:12,350 --> 01:39:10,020

ear pods in

2331

01:39:14,510 --> 01:39:12,360

airpods whatever they're called and he's

2332

01:39:18,770 --> 01:39:14,520

kind of looking confused and then at the

2333

01:39:21,470 --> 01:39:18,780

bottom it says am I muted ah okay maybe

2334

01:39:23,450 --> 01:39:21,480

I would buy the [h__\h] a t-shirt it's

2335

01:39:24,649 --> 01:39:23,460

Joe's catchphrase am I muted because I

2336

01:39:26,990 --> 01:39:24,659

asked that question all the time but

2337

01:39:28,790 --> 01:39:27,000

when I actually ask it I am actually

2338

01:39:30,530 --> 01:39:28,800

muted so nobody can hear me that's the

2339

01:39:32,990 --> 01:39:30,540

question but Joe's always asking am I

2340

01:39:34,970 --> 01:39:33,000

muted and he's not so we get to that's

2341

01:39:37,189 --> 01:39:34,980

like his catchphrase I think an am I

2342

01:39:38,930 --> 01:39:37,199

muted T-shirt with Joe's face on it

2343

01:39:40,610 --> 01:39:38,940

perfect I would buy the [h__h] out of that

2344

01:39:43,490 --> 01:39:40,620

Joe's just kind of looking confused am I

2345

01:39:47,689 --> 01:39:43,500

muted okay yeah well so people don't

2346

01:39:50,090 --> 01:39:47,699

know what I do is I mute myself and I

2347

01:39:52,310 --> 01:39:50,100

put the speakers on for the laptop and I

2348

01:39:54,649 --> 01:39:52,320

walk around the house and I make the bed

2349

01:39:57,050 --> 01:39:54,659

and I put candles back in the candle

2350

01:39:59,990 --> 01:39:57,060

holders and I do all kinds of dumb [h__h]

2351

01:40:02,209 --> 01:40:00,000

but I still listen to the show Joe come

2352

01:40:04,910 --> 01:40:02,219

on I don't have a can of Opera I should

2353

01:40:07,070 --> 01:40:04,920

get one but that's what's happening Joe

2354

01:40:10,370 --> 01:40:07,080

you don't got to explain it to me I just

2355

01:40:12,770 --> 01:40:10,380

want the T-shirt okay I'm just saying

2356

01:40:16,490 --> 01:40:12,780

that people who see me walking offset

2357

01:40:18,709 --> 01:40:16,500

I'm muting my mic and turning the

2358

01:40:22,370 --> 01:40:18,719

speakers on on the laptop so I can well

2359

01:40:24,950 --> 01:40:22,380

multitask but yeah I it's the same thing

2360

01:40:26,870 --> 01:40:24,960

as at work it's like the like this is

2361

01:40:29,149 --> 01:40:26,880

the phrase of the last two and a half

2362

01:40:31,250 --> 01:40:29,159

years

2363

01:40:32,870 --> 01:40:31,260

blow me up I love you guys you're my

2364

01:40:34,669 --> 01:40:32,880

favorite show [h__\h] all the haters and

2365

01:40:37,490 --> 01:40:34,679

the one star reviewers those guys are

2366

01:40:39,709 --> 01:40:37,500

[h__\h] [h__\h] I want more one stars

2367

01:40:41,570 --> 01:40:39,719

to be perfectly honest I'd love I I

2368

01:40:43,850 --> 01:40:41,580

don't want to go down we got a pretty

2369

01:40:46,070 --> 01:40:43,860

good rating Joe so uh let's keep it up

2370

01:40:49,070 --> 01:40:46,080

there let's keep those ratings up

2371

01:40:51,790 --> 01:40:49,080

uh but thank you uh Chris AKA skidmark

2372

01:40:54,590 --> 01:40:51,800

AKA ABS in a six-pack and go to

2373

01:40:56,149 --> 01:40:54,600

shitmyass.com for his podcast good luck

2374

01:40:58,129 --> 01:40:56,159

finding what you're looking for but

2375

01:40:59,870 --> 01:40:58,139

maybe he'll change skid mark there I

2376

01:41:01,790 --> 01:40:59,880

don't think scared marks there that's

2377

01:41:02,870 --> 01:41:01,800

skin marks that's that's good marks sir

2378

01:41:04,310 --> 01:41:02,880

she's sitter

2379

01:41:07,129 --> 01:41:04,320

[Music]

2380

01:41:10,310 --> 01:41:07,139

oh yeah he's got like 27 names yeah he's

2381

01:41:12,290 --> 01:41:10,320

got 27 one last phone call here uh

2382

01:41:14,629 --> 01:41:12,300

caller you're on the air

2383

01:41:16,790 --> 01:41:14,639

hey how's it going uh first time

2384

01:41:20,090 --> 01:41:16,800

first time alone time

2385

01:41:22,310 --> 01:41:20,100

first time well I started listening

2386

01:41:25,370 --> 01:41:22,320

a little bit after the pandemic started

2387

01:41:27,110 --> 01:41:25,380

oh okay what's your name uh my name is

2388

01:41:30,169 --> 01:41:27,120

Danny uh

2389

01:41:33,530 --> 01:41:30,179

yeah um I wanted to call in as I'll keep

2390

01:41:35,810 --> 01:41:33,540

it make it quick uh I was listening to a

2391

01:41:37,850 --> 01:41:35,820

podcast called

2392

01:41:39,950 --> 01:41:37,860

the penny Royal I don't know if you guys

2393

01:41:41,990 --> 01:41:39,960

heard of it or not

2394

01:41:45,050 --> 01:41:42,000

um but so they they do it like it's like

2395

01:41:47,330 --> 01:41:45,060

a season based type thing uh in the

2396

01:41:50,649 --> 01:41:47,340

second season they

2397

01:41:53,450 --> 01:41:50,659

mentioned something about Chuck E cheese

2398

01:41:56,930 --> 01:41:53,460

it's like a podcast about high

2399

01:41:58,149 --> 01:41:56,940

strangeness and stuff and um

2400

01:42:01,669 --> 01:41:58,159

they're

2401

01:42:02,629 --> 01:42:01,679

apparently Chuck E cheese is

2402

01:42:09,709 --> 01:42:02,639

um

2403

01:42:12,350 --> 01:42:09,719

a term used for a like a Hedgerow

2404

01:42:14,810 --> 01:42:12,360

um it's like a I don't know if I I I

2405

01:42:18,050 --> 01:42:14,820

haven't dove into it much further but

2406

01:42:20,209 --> 01:42:18,060

it's like a Hedgerow is something

2407

01:42:25,609 --> 01:42:22,370

that's like a something something to do

2408

01:42:28,430 --> 01:42:25,619

with um like Ley lines and whatnot

2409

01:42:31,129 --> 01:42:30,050

um I don't know something to look into

2410

01:42:33,410 --> 01:42:31,139

there

2411

01:42:35,990 --> 01:42:33,420

um maybe are they are they suggesting

2412

01:42:37,930 --> 01:42:36,000

that Chuck E cheese are built on Nexus

2413

01:42:40,550 --> 01:42:37,940

points of Ley lines

2414

01:42:41,930 --> 01:42:40,560

maybe I don't know what I'm asking you

2415

01:42:43,490 --> 01:42:41,940

you listen to the podcast or they're

2416

01:42:46,310 --> 01:42:43,500

suggesting that that's the name of it

2417

01:42:48,229 --> 01:42:46,320

are they saying like so I I speculate

2418

01:42:50,510 --> 01:42:48,239

the construction of Chuck E cheese

2419

01:42:52,790 --> 01:42:50,520

harnesses psychic power they're all on

2420

01:42:55,250 --> 01:42:52,800

Indian burials yeah something like that

2421

01:42:57,109 --> 01:42:55,260

like in in the in the in the

2422

01:42:59,870 --> 01:42:57,119

role-playing world of Palladium and

2423

01:43:01,729 --> 01:42:59,880

riffs like Nexus points uh are like so

2424

01:43:04,430 --> 01:43:01,739

when two Ley lines intersect it creates

2425

01:43:06,709 --> 01:43:04,440

a Nexus point and that is an

2426

01:43:09,709 --> 01:43:06,719

intersection of an immense amount of

2427

01:43:12,350 --> 01:43:09,719

psychic energy that can produce a rift

2428

01:43:14,450 --> 01:43:12,360

or a portal interdimensionally and

2429

01:43:16,729 --> 01:43:14,460

things can come in and out so you're

2430

01:43:18,229 --> 01:43:16,739

saying possibly Chuck E cheese could be

2431

01:43:20,870 --> 01:43:18,239

built on those

2432

01:43:23,990 --> 01:43:20,880

it could be that that nor because it's

2433

01:43:27,350 --> 01:43:24,000

also uh like a some sort of like a

2434

01:43:30,109 --> 01:43:27,360

witchcraft term as well Pedros

2435

01:43:33,350 --> 01:43:30,119

um and so the the name Chucky Cheese is

2436

01:43:35,810 --> 01:43:33,360

a another way of it's it's another name

2437

01:43:38,330 --> 01:43:35,820

for a Hedgerow essentially so it can't

2438

01:43:43,129 --> 01:43:38,340

grow like head row or no he's talking

2439

01:43:46,790 --> 01:43:43,139

about hetero like uh straight okay no uh

2440

01:43:48,169 --> 01:43:46,800

hedge like uh like a bush Okay Hedgerow

2441

01:43:50,330 --> 01:43:48,179

oh yeah yeah

2442

01:43:51,770 --> 01:43:50,340

um but yeah so I was also kind of

2443

01:43:53,209 --> 01:43:51,780

thinking maybe it has something to do

2444

01:43:54,010 --> 01:43:53,219

with

2445

01:43:58,070 --> 01:43:54,020

um

2446

01:44:01,129 --> 01:43:58,080

the the name being used improperly has

2447

01:44:04,609 --> 01:44:01,139

like cursed the business of Chuck E

2448

01:44:06,109 --> 01:44:04,619

cheese in a sense I'll find out like uh

2449

01:44:08,510 --> 01:44:06,119

so there's like that that weird

2450

01:44:11,149 --> 01:44:08,520

numerology with names no booberry knows

2451

01:44:14,209 --> 01:44:11,159

all about it uh I forget the term of it

2452

01:44:16,070 --> 01:44:14,219

but you put in like a phrase and it

2453

01:44:18,229 --> 01:44:16,080

spits out a number and with that number

2454

01:44:20,209 --> 01:44:18,239

you could maybe get some sort of meaning

2455

01:44:21,950 --> 01:44:20,219

I wonder if booberry could do that for

2456

01:44:24,410 --> 01:44:21,960

me with Chuck E cheese and we can figure

2457

01:44:26,090 --> 01:44:24,420

out the numerology and deeper meaning

2458

01:44:29,390 --> 01:44:26,100

behind it because hey maybe there is

2459

01:44:31,370 --> 01:44:29,400

something there there's a a large amount

2460

01:44:33,530 --> 01:44:31,380

of violence and turmoil around Chuck E

2461

01:44:35,090 --> 01:44:33,540

cheese what's the name it can't be that

2462

01:44:36,830 --> 01:44:35,100

it's that bad of a restaurant there's

2463

01:44:38,209 --> 01:44:36,840

got to be something more at work here

2464

01:44:39,709 --> 01:44:38,219

something deeper

2465

01:44:42,109 --> 01:44:39,719

there's something else with Chuck E

2466

01:44:44,990 --> 01:44:42,119

cheese too that I've been uh that I

2467

01:44:46,609 --> 01:44:45,000

think is kind of ironic so it's comes

2468

01:44:50,030 --> 01:44:46,619

across as this kind of

2469

01:44:51,590 --> 01:44:50,040

in the in its unfortunate news where uh

2470

01:44:53,810 --> 01:44:51,600

there's a lot of violence happening at

2471

01:44:55,370 --> 01:44:53,820

their establishments but um they

2472

01:44:57,649 --> 01:44:55,380

actually and I know this from experience

2473

01:45:00,109 --> 01:44:57,659

because I've taken my daughters there

2474

01:45:02,510 --> 01:45:00,119

um we uh they have like a security

2475

01:45:06,229 --> 01:45:02,520

system for keeping children

2476

01:45:09,109 --> 01:45:06,239

safe as far as like you basically check

2477

01:45:13,250 --> 01:45:09,119

your kid in uh they they give them a

2478

01:45:16,390 --> 01:45:13,260

stamp on their like on their um

2479

01:45:19,850 --> 01:45:16,400

on their hand it's like a UV light stamp

2480

01:45:23,090 --> 01:45:19,860

that is I think they change it they must

2481

01:45:25,910 --> 01:45:23,100

have to change it every time uh so so no

2482

01:45:28,129 --> 01:45:25,920

but so when you come in with a kid uh

2483

01:45:29,629 --> 01:45:28,139

they stamp you and they stamp the kid

2484

01:45:32,330 --> 01:45:29,639

and then when you leave you have to show

2485

01:45:35,450 --> 01:45:32,340

your your stamp and if the stamps don't

2486

01:45:36,890 --> 01:45:35,460

match up they uh I think they try to

2487

01:45:38,930 --> 01:45:36,900

call the authorities or something wow

2488

01:45:41,229 --> 01:45:38,940

it's pretty cool yeah you have to keep

2489

01:45:44,330 --> 01:45:41,239

the kid it's okay

2490

01:45:46,430 --> 01:45:44,340

Maxwell she's like visiting Chuck E

2491

01:45:48,050 --> 01:45:46,440

Cheese's yeah like I wonder if they're

2492

01:45:50,149 --> 01:45:48,060

going to start collecting biometric data

2493

01:45:52,129 --> 01:45:50,159

kind of like uh like uh large theme

2494

01:45:53,750 --> 01:45:52,139

parks like Disney or Universal like they

2495

01:45:55,129 --> 01:45:53,760

have biometric collection down there so

2496

01:45:56,450 --> 01:45:55,139

maybe Chuck E cheese will start rolling

2497

01:45:59,090 --> 01:45:56,460

that in too

2498

01:46:01,340 --> 01:45:59,100

so you leave your son at home but you

2499

01:46:03,290 --> 01:46:01,350

bring your daughters to Chuck E cheese

2500

01:46:05,629 --> 01:46:03,300

[Laughter]

2501

01:46:07,790 --> 01:46:05,639

probably safe

2502

01:46:09,350 --> 01:46:07,800

interesting okay I'm gonna look I'm

2503

01:46:11,750 --> 01:46:09,360

gonna look more into Chuck E cheese it's

2504

01:46:13,930 --> 01:46:11,760

history Founders and any sort of occult

2505

01:46:16,129 --> 01:46:13,940

rituals that surround it

2506

01:46:17,689 --> 01:46:16,139

I think there might be something there I

2507

01:46:19,550 --> 01:46:17,699

think there might be I'll look deeper

2508

01:46:21,010 --> 01:46:19,560

I've been tracking these stories for a

2509

01:46:23,270 --> 01:46:21,020

long time

2510

01:46:25,189 --> 01:46:23,280

it's time to it's time to dive a little

2511

01:46:29,030 --> 01:46:25,199

deeper into Chuck E cheese

2512

01:46:31,550 --> 01:46:29,040

maybe we can end a tyranny of the Rat so

2513

01:46:36,050 --> 01:46:34,010

all right I just wanted to drop that

2514

01:46:39,050 --> 01:46:36,060

knowledge and uh blow me up hey thanks

2515

01:46:42,350 --> 01:46:41,030

all right we can go a little deeper in

2516

01:46:43,970 --> 01:46:42,360

Chuck E cheese I will be more than happy

2517

01:46:45,890 --> 01:46:43,980

to do that

2518

01:46:47,570 --> 01:46:45,900

I close the phone lines there I think

2519

01:46:49,370 --> 01:46:47,580

it's uh

2520

01:46:50,990 --> 01:46:49,380

with that we may have one more story we

2521

01:46:53,390 --> 01:46:51,000

can just wind the show down it is

2522

01:46:54,590 --> 01:46:53,400

Saturday real quick it's because you

2523

01:46:56,629 --> 01:46:54,600

mentioned it uh and blueberries

2524

01:46:59,930 --> 01:46:56,639

listening and on the Fly uh so we got

2525

01:47:02,570 --> 01:46:59,940

the numerology the Gematria of Chuck E

2526

01:47:03,950 --> 01:47:02,580

cheese I put the link into nobody I put

2527

01:47:04,910 --> 01:47:03,960

the link in the carrot shop okay this

2528

01:47:07,250 --> 01:47:04,920

time

2529

01:47:10,729 --> 01:47:07,260

so you can see how that breaks down

2530

01:47:14,090 --> 01:47:10,739

it's called so this is a Gematria this

2531

01:47:17,570 --> 01:47:14,100

is the calculation of this

2532

01:47:20,570 --> 01:47:17,580

and so I I guess I don't know how this

2533

01:47:23,750 --> 01:47:20,580

like the result is or how to make sense

2534

01:47:25,669 --> 01:47:23,760

out of these numbers

2535

01:47:26,810 --> 01:47:25,679

yeah that would be more of a I mean Uber

2536

01:47:29,149 --> 01:47:26,820

could lead you into it sort of thing but

2537

01:47:31,729 --> 01:47:29,159

it as as you add up these things whether

2538

01:47:34,550 --> 01:47:31,739

in you know in uh in Hebrew and English

2539

01:47:36,290 --> 01:47:34,560

or in this simple arithmetic the numbers

2540

01:47:38,209 --> 01:47:36,300

can account for

2541

01:47:40,970 --> 01:47:38,219

um uh different meanings as they relate

2542

01:47:42,830 --> 01:47:40,980

to other words that have similar uh um

2543

01:47:45,169 --> 01:47:42,840

results and you add up in all the

2544

01:47:47,149 --> 01:47:45,179

numbers that's that's a really high

2545

01:47:49,669 --> 01:47:47,159

level of it but

2546

01:47:50,870 --> 01:47:49,679

yeah okay I'll see if I can get some

2547

01:47:52,010 --> 01:47:50,880

deeper media noise because I don't know

2548

01:47:53,090 --> 01:47:52,020

what these numbers mean they're being

2549

01:47:56,930 --> 01:47:53,100

added up

2550

01:48:00,470 --> 01:47:56,940

and uh but what what is the result what

2551

01:48:03,169 --> 01:48:00,480

is this meaning oh I don't know

2552

01:48:06,109 --> 01:48:04,850

you can interpret them interpret them

2553

01:48:08,930 --> 01:48:06,119

pretty much however you want depending

2554

01:48:09,830 --> 01:48:08,940

on on on your outlook on this but it's

2555

01:48:10,970 --> 01:48:09,840

basically what you do is you're

2556

01:48:13,250 --> 01:48:10,980

comparing that you know in the case

2557

01:48:15,229 --> 01:48:13,260

you're in Hebrew Chuck E cheese in in uh

2558

01:48:17,090 --> 01:48:15,239

Hebrew Montreal gives us 345 you would

2559

01:48:19,550 --> 01:48:17,100

find other things in f345 and then we'll

2560

01:48:20,510 --> 01:48:19,560

say that they're related I see okay I

2561

01:48:23,270 --> 01:48:20,520

see

2562

01:48:25,250 --> 01:48:23,280

okay we'll have to do all of the this

2563

01:48:27,410 --> 01:48:25,260

will be integrated into my deep research

2564

01:48:29,870 --> 01:48:27,420

of Chuck E cheese so for example 345

2565

01:48:33,410 --> 01:48:29,880

also Ukraine

2566

01:48:36,169 --> 01:48:33,420

um 345 holiest being 345 God on Earth

2567

01:48:39,649 --> 01:48:36,179

345 lemuria so maybe that's where

2568

01:48:42,709 --> 01:48:39,659

they're coming from I see okay uh 345 uh

2569

01:48:45,709 --> 01:48:44,810

I see interpret that as as you will so

2570

01:48:49,070 --> 01:48:45,719

as you scroll down you'll see there's

2571

01:48:52,850 --> 01:48:49,080

other ones down there so I see okay I

2572

01:48:54,590 --> 01:48:52,860

feel dumb Stark brilliant okay

2573

01:48:56,750 --> 01:48:54,600

oh interesting I'll have to take a look

2574

01:49:00,109 --> 01:48:56,760

at uh in simple English uh Chuck E

2575

01:49:01,970 --> 01:49:00,119

Cheese's 96 also Freemason

2576

01:49:05,390 --> 01:49:01,980

I bet there's some kind of Freemason

2577

01:49:07,669 --> 01:49:05,400

connection there like uh not to talk

2578

01:49:10,370 --> 01:49:07,679

about like current events too much but I

2579

01:49:11,990 --> 01:49:10,380

I was on the the morning am wake up show

2580

01:49:13,669 --> 01:49:12,000

on rockfin yesterday

2581

01:49:14,750 --> 01:49:13,679

and during the show the second time

2582

01:49:16,370 --> 01:49:14,760

you've been on that show yeah I've been

2583

01:49:18,910 --> 01:49:16,380

like three times so if hanging out with

2584

01:49:21,890 --> 01:49:18,920

those guys uh but

2585

01:49:24,470 --> 01:49:21,900

the the new pipe Street the new pipeline

2586

01:49:26,450 --> 01:49:24,480

that Baltic pipe line that just got

2587

01:49:27,649 --> 01:49:26,460

opened up as a Nordstrom one and two

2588

01:49:28,910 --> 01:49:27,659

were taken down well that comes from

2589

01:49:31,070 --> 01:49:28,920

Norway

2590

01:49:33,290 --> 01:49:31,080

and it just so happens that the

2591

01:49:35,870 --> 01:49:33,300

Secretary General of NATO

2592

01:49:37,910 --> 01:49:35,880

he was he was the former prime minister

2593

01:49:39,830 --> 01:49:37,920

of Norway

2594

01:49:41,629 --> 01:49:39,840

and so it's like you know there's some

2595

01:49:43,910 --> 01:49:41,639

links there so maybe with Chuck E cheese

2596

01:49:44,930 --> 01:49:43,920

maybe Dutch General

2597

01:49:47,149 --> 01:49:44,940

was

2598

01:49:49,850 --> 01:49:47,159

Secretary General the secretary do you

2599

01:49:52,970 --> 01:49:49,860

want to end on a serious thing

2600

01:49:55,129 --> 01:49:52,980

do I want to I mean we can

2601
01:49:58,490 --> 01:49:55,139
I don't care whatever you got sure why

2602
01:50:03,830 --> 01:50:01,729
all right get your tits on this uh Yen

2603
01:50:05,990 --> 01:50:03,840
stoltenberg right yeah

2604
01:50:07,970 --> 01:50:06,000
I'm just like ah just so happens at the

2605
01:50:11,209 --> 01:50:07,980
pipeline I really like the way that this

2606
01:50:14,090 --> 01:50:11,219
guy did this shoot too like for the

2607
01:50:17,090 --> 01:50:14,100
people who are watching on Twitch you're

2608
01:50:19,870 --> 01:50:17,100
listening to our bigdumbmouth.com if

2609
01:50:23,950 --> 01:50:19,880
you're not watching you can go to Twitch

2610
01:50:27,350 --> 01:50:23,960
uh what is it twitch.com

2611
01:50:30,109 --> 01:50:27,360
yeah OBD and pod OBD and pod yeah so

2612
01:50:33,229 --> 01:50:30,119
yeah come and join us there we're we're

2613
01:50:35,270 --> 01:50:33,239

live on Wednesdays and Saturdays but the

2614

01:50:37,490 --> 01:50:35,280

way this guy does it is I think he's

2615

01:50:40,310 --> 01:50:37,500

looking at the same screen but he's just

2616

01:50:42,229 --> 01:50:40,320

like kind of moving his camera and doing

2617

01:50:44,870 --> 01:50:42,239

these transitions this is pretty cool

2618

01:50:47,750 --> 01:50:44,880

edit so let's play this right over here

2619

01:50:49,669 --> 01:50:47,760

yeah I'll bring this up this just in

2620

01:50:51,470 --> 01:50:49,679

what you're seeing is video footage from

2621

01:50:53,270 --> 01:50:51,480

the Danish military in the Baltic Seas

2622

01:50:55,189 --> 01:50:53,280

showing gas bubbles at least a kilometer

2623

01:50:56,930 --> 01:50:55,199

in diameter leaking from the nordstream

2624

01:50:58,850 --> 01:50:56,940

pipeline and according to the seismic

2625

01:51:00,590 --> 01:50:58,860

Institute underwater blast were recorded

2626

01:51:02,390 --> 01:51:00,600

just prior to the Nordstrom pipeline

2627

01:51:04,189 --> 01:51:02,400

leaks raising concerns that this was a

2628

01:51:05,870 --> 01:51:04,199

sabotage but now here's where it gets

2629

01:51:07,490 --> 01:51:05,880

interested a few hours after this made

2630

01:51:09,169 --> 01:51:07,500

the news the US said that it was ready

2631

01:51:11,270 --> 01:51:09,179

to provide support to Europe after the

2632

01:51:13,070 --> 01:51:11,280

north stream pipeline leaks and this

2633

01:51:14,689 --> 01:51:13,080

begs the question how could the U.S send

2634

01:51:16,790 --> 01:51:14,699

gas to Europe if there's no pipelines

2635

01:51:18,290 --> 01:51:16,800

well one way is by liquefy natural gas

2636

01:51:20,270 --> 01:51:18,300

which if you didn't know works like this

2637

01:51:22,250 --> 01:51:20,280

if you cool natural gas to a low enough

2638

01:51:24,109 --> 01:51:22,260

temperature it freezes and becomes 600

2639

01:51:26,090 --> 01:51:24,119

times denser making it a deal for

2640

01:51:27,950 --> 01:51:26,100

transport via boats and here's the crazy

2641

01:51:29,870 --> 01:51:27,960

part last week I made a video about how

2642

01:51:31,970 --> 01:51:29,880

congresswoman Virginia Fox loaded up on

2643

01:51:33,770 --> 01:51:31,980

shares of flex LNG a liquefied natural

2644

01:51:35,030 --> 01:51:33,780

gas company and listen to what I say in

2645

01:51:36,290 --> 01:51:35,040

it the United States is the largest

2646

01:51:37,609 --> 01:51:36,300

producer of natural gas in the world

2647

01:51:39,470 --> 01:51:37,619

that can make up the energy Supply

2648

01:51:40,910 --> 01:51:39,480

drought in Europe so what if Washington

2649

01:51:42,530 --> 01:51:40,920

announced a plan to dramatically

2650

01:51:44,330 --> 01:51:42,540

increase the supply of natural gas to

2651
01:51:46,550 --> 01:51:44,340
Europe the number one way to transport

2652
01:51:48,770 --> 01:51:46,560
Natural Gas other than a pipeline is by

2653
01:51:50,750 --> 01:51:48,780
companies like Flex LNG that liquefy it

2654
01:51:52,850 --> 01:51:50,760
and Virginia Fox knows this right now

2655
01:51:54,109 --> 01:51:52,860
Flex LNG is up over five percent but

2656
01:51:55,550 --> 01:51:54,119
I'll be sure to keep an eye on it as

2657
01:51:57,050 --> 01:51:55,560
this plays out so to see what else

2658
01:52:00,229 --> 01:51:57,060
lawmakers are buying check out my

2659
01:52:01,850 --> 01:52:00,239
website and good luck I think he nailed

2660
01:52:05,450 --> 01:52:01,860
it

2661
01:52:07,669 --> 01:52:05,460
last Wednesday

2662
01:52:11,330 --> 01:52:07,679
oh I think you muted

2663
01:52:16,910 --> 01:52:14,390

I'm muted no not anymore you're good I

2664

01:52:19,910 --> 01:52:16,920

don't I'm I was not muted no okay I saw

2665

01:52:22,850 --> 01:52:19,920

your mind never did mute okay but uh so

2666

01:52:25,189 --> 01:52:22,860

I think to reiterate what I said at the

2667

01:52:28,490 --> 01:52:25,199

beginning of the show is these these

2668

01:52:30,290 --> 01:52:28,500

dumb [ʌ__ʌ] Ukrainian flag [ʌ__ʌ]

2669

01:52:33,290 --> 01:52:30,300

who think they're so smart

2670

01:52:34,609 --> 01:52:33,300

like honest to goodness like what it

2671

01:52:39,410 --> 01:52:34,619

what are you doing

2672

01:52:40,910 --> 01:52:39,420

dumb one like how do I find this

2673

01:52:43,189 --> 01:52:40,920

information

2674

01:52:45,530 --> 01:52:43,199

and it's wrong

2675

01:52:48,050 --> 01:52:45,540

right like you don't even have this

2676

01:52:50,570 --> 01:52:48,060

information and you got the flag there

2677

01:52:52,609 --> 01:52:50,580

and you think I'm stupid all you need is

2678

01:52:55,390 --> 01:52:52,619

a flag and you're right you got the flag

2679

01:53:00,830 --> 01:52:57,950

it seems like you know how many ships

2680

01:53:02,450 --> 01:53:00,840

would take to to then you know equal

2681

01:53:05,270 --> 01:53:02,460

like a pipeline it would be like

2682

01:53:08,450 --> 01:53:05,280

constant ships talk about like making a

2683

01:53:09,830 --> 01:53:08,460

Greener World and having everything more

2684

01:53:12,669 --> 01:53:09,840

environmentally friendly well ships

2685

01:53:18,229 --> 01:53:15,590

they got the gas burning up into the sky

2686

01:53:20,330 --> 01:53:18,239

like [h__h] these dummies they're like

2687

01:53:23,030 --> 01:53:20,340

these dummies who buy all this [h__h] I'm

2688

01:53:25,070 --> 01:53:23,040

like I I mean you could tell I'm

2689

01:53:26,390 --> 01:53:25,080

literally like I'm [h__h] done with

2690

01:53:28,729 --> 01:53:26,400

these people

2691

01:53:31,790 --> 01:53:28,739

yeah I know we're done what if they

2692

01:53:32,629 --> 01:53:31,800

replace the uh the the engines on the

2693

01:53:36,229 --> 01:53:32,639

large

2694

01:53:39,169 --> 01:53:36,239

um the liquid natural gas uh transport

2695

01:53:41,290 --> 01:53:39,179

carriers what if they replace those with

2696

01:53:44,390 --> 01:53:41,300

sales

2697

01:53:47,450 --> 01:53:44,400

what if they what if we converted those

2698

01:53:50,330 --> 01:53:47,460

engines on those big barges that take uh

2699

01:53:51,950 --> 01:53:50,340

liquid metal gas to actually use natural

2700

01:53:53,870 --> 01:53:51,960

gas so by the time they get over there

2701
01:53:56,810 --> 01:53:53,880
with sales

2702
01:53:58,310 --> 01:53:56,820
I like that so take five months to get

2703
01:54:00,350 --> 01:53:58,320
there

2704
01:54:01,669 --> 01:54:00,360
did apparently storms just knock them

2705
01:54:05,270 --> 01:54:01,679
away of course yeah

2706
01:54:09,410 --> 01:54:08,390
discover a new land claim this land for

2707
01:54:13,010 --> 01:54:09,420
Spain

2708
01:54:15,350 --> 01:54:13,020
uh dude this is Florida yeah heard me

2709
01:54:16,430 --> 01:54:15,360
yeah I I was wondering and I think I

2710
01:54:18,649 --> 01:54:16,440
asked that question on the show I was

2711
01:54:20,209 --> 01:54:18,659
like I wonder uh if Nancy Pelosi bought

2712
01:54:22,729 --> 01:54:20,219
stocks in a particular company but that

2713
01:54:24,770 --> 01:54:22,739

that person nailed it right there

2714

01:54:26,810 --> 01:54:24,780

um and that was done by quivering

2715

01:54:28,669 --> 01:54:26,820

quantitative

2716

01:54:30,109 --> 01:54:28,679

uh at least that's who posted it I

2717

01:54:31,669 --> 01:54:30,119

believe

2718

01:54:33,109 --> 01:54:31,679

but I'll check I'll check out his

2719

01:54:35,870 --> 01:54:33,119

website I'm kind of curious to see what

2720

01:54:39,890 --> 01:54:35,880

the the Congress people are are buying

2721

01:54:42,290 --> 01:54:39,900

and uh well quite a coincidence is there

2722

01:54:45,109 --> 01:54:42,300

but I'd like to know what committee so

2723

01:54:47,450 --> 01:54:45,119

that congresswoman Fox what committee

2724

01:54:49,490 --> 01:54:47,460

was she on that informed her to make

2725

01:54:51,950 --> 01:54:49,500

these decisions

2726
01:54:55,850 --> 01:54:51,960
I mean the idea that they're launching a

2727
01:54:57,770 --> 01:54:55,860
Baltic pipeline Pipeline on the day that

2728
01:55:01,729 --> 01:54:57,780
they're blowing the damn thing up the

2729
01:55:04,490 --> 01:55:01,739
Nordstrom I know or or as the uh press

2730
01:55:06,890 --> 01:55:04,500
secretary says the Nordstrom

2731
01:55:11,390 --> 01:55:06,900
Nordstrom

2732
01:55:13,629 --> 01:55:11,400
yeah it's a little hinky little hinky

2733
01:55:17,570 --> 01:55:13,639
but I don't want to sound conspiratorial

2734
01:55:19,850 --> 01:55:17,580
but it sounds a little conspiratorial

2735
01:55:22,970 --> 01:55:19,860
whatever's going on there I think if

2736
01:55:24,709 --> 01:55:22,980
there's ever a meet up for obdm it

2737
01:55:26,090 --> 01:55:24,719
should be at Chuck E cheese yeah it's

2738
01:55:26,990 --> 01:55:26,100

got to be we'll have to rent out a party

2739

01:55:28,070 --> 01:55:27,000

room

2740

01:55:29,570 --> 01:55:28,080

I thought you could say it's gonna be

2741

01:55:31,010 --> 01:55:29,580

the Baltic Sea at the Baltic pipeline

2742

01:55:33,530 --> 01:55:31,020

yeah we're gonna do at the nordstream

2743

01:55:35,090 --> 01:55:33,540

eruption and then we'll just die of

2744

01:55:38,350 --> 01:55:35,100

methane poisoning

2745

01:55:43,070 --> 01:55:40,850

let's do it

2746

01:55:44,870 --> 01:55:43,080

all right let's get out of here guys

2747

01:55:47,890 --> 01:55:44,880

we'll be back on Wednesday if the world

2748

01:55:56,510 --> 01:55:50,510

you don't have to go home but you can't

2749

01:56:00,590 --> 01:55:59,330

this is the moringa if you go home check

2750

01:56:01,430 --> 01:56:00,600

your hand stance we're not going to

2751
01:56:05,090 --> 01:56:01,440
leave you

2752
01:56:11,090 --> 01:56:07,490
so Joe is pronounced merengue and it's

2753
01:56:15,890 --> 01:56:13,850
so yeah it's uh supposedly like really

2754
01:56:18,050 --> 01:56:15,900
good there's not a lot of nutrients in

2755
01:56:19,910 --> 01:56:18,060
it though ridiculous

2756
01:56:21,709 --> 01:56:19,920
I think it makes your dick hard or

2757
01:56:23,810 --> 01:56:21,719
something oh nice

2758
01:56:25,850 --> 01:56:23,820
well my wife's tea can help with that

2759
01:56:28,550 --> 01:56:25,860
that is the beam me up to you can go to

2760
01:56:30,169 --> 01:56:28,560
Nick the the nakedgartner.us to order

2761
01:56:31,790 --> 01:56:30,179
that

2762
01:56:36,830 --> 01:56:31,800
check the links in the description but

2763
01:56:41,510 --> 01:56:39,470

does it uh I I would not want that in a

2764

01:56:44,209 --> 01:56:41,520

package event no that's the glory holes

2765

01:56:48,290 --> 01:56:44,219

no the yeah the glory holes make my

2766

01:56:53,530 --> 01:56:50,120

all natural peanut greener

2767

01:56:56,870 --> 01:56:53,540

[Music]

2768

01:57:01,010 --> 01:56:56,880

non-GMO organic

2769

01:57:07,250 --> 01:57:02,629

it's your next puppy Fresh Prince there

2770

01:57:11,629 --> 01:57:09,290

right there all right people thank you

2771

01:57:14,390 --> 01:57:11,639

for hanging out supporting the show

2772

01:57:18,250 --> 01:57:14,400

you go to obdmpod.com we'll be back on

2773

01:57:21,350 --> 01:57:18,260

Wednesday with more fun and malarkey

2774

01:57:22,790 --> 01:57:21,360

and yeah I think it's all happening I

2775

01:57:25,129 --> 01:57:22,800

don't think I have to tell anybody that

2776
01:57:26,209 --> 01:57:25,139
we're trying to warn everyone you gotta

2777
01:57:27,950 --> 01:57:26,219
warn people

2778
01:57:28,860 --> 01:57:27,960
and I think we've done a sufficient job

2779
01:57:31,129 --> 01:57:28,870
at that today

2780
01:57:33,669 --> 01:57:31,139
[Music]

2781
01:57:38,390 --> 01:57:33,679
hey and ask your neighborhood ghost

2782
01:57:40,790 --> 01:57:38,400
what's the best way to die yeah

2783
01:57:44,390 --> 01:57:40,800
look into her mirrors go home stare at

2784
01:57:46,850 --> 01:57:44,400
your mirror until you talk to the Dead

2785
01:57:49,729 --> 01:57:46,860
that was like one of those or go find a

2786
01:57:50,629 --> 01:57:49,739
random toddler on the street yeah or you

2787
01:57:51,390 --> 01:57:50,639
can just pick up a phone and start

2788
01:57:52,729 --> 01:57:51,400

talking to dead people

2789

01:57:55,010 --> 01:57:52,739

[Music]

2790

01:57:59,089 --> 01:57:55,020

that works too like those ghost phones

2791

01:58:01,820 --> 01:57:59,099

you can do that hello hello hello hello

2792

01:58:03,709 --> 01:58:01,830

is Grandma are you there hello hello

2793

01:58:07,189 --> 01:58:03,719

[Music]

2794

01:58:10,609 --> 01:58:07,199

that works dude hello hello

2795

01:58:13,570 --> 01:58:10,619

oh boy we've had too much fun

2796

01:58:16,570 --> 01:58:13,580

we'll talk to everyone on Wednesday

2797

01:58:18,950 --> 01:58:16,580

thank you gretchy thank you Joe

2798

01:58:21,290 --> 01:58:18,960

godspeed goblins

2799

01:58:23,450 --> 01:58:21,300

keep watching the skis people relax all

2800

01:58:25,370 --> 01:58:23,460

right go go amazing caller I appreciate

2801

01:58:34,510 --> 01:58:25,380

your call sir I accept everything you've

2802

01:58:41,510 --> 01:58:37,010

we also picked up five hundred dollars

2803

01:58:41,520 --> 01:58:49,350

laughs

2804

01:58:56,510 --> 01:58:51,970

[Music]

2805

01:58:59,649 --> 01:58:56,520

that's about allagu [h__\h] ubu sit good
