

I NEED MONEY

1
00:00:00,299 --> 00:00:03,230
oh

2
00:00:03,240 --> 00:00:07,630
wow

3
00:00:15,230 --> 00:00:11,650
[Music]

4
00:00:17,150 --> 00:00:15,240
I hate this place

5
00:00:19,370 --> 00:00:17,160
I'm still working on my uh my collage of

6
00:00:21,170 --> 00:00:19,380
David politis to uh Patterson gimlet

7
00:00:23,390 --> 00:00:21,180
yeah

8
00:00:25,189 --> 00:00:23,400
still working all right

9
00:00:27,529 --> 00:00:25,199
I'll keep that up um

10
00:00:29,029 --> 00:00:27,539
so I'm gonna start this story uh because

11
00:00:30,830 --> 00:00:29,039
you guys were talking about how much you

12
00:00:34,370 --> 00:00:30,840
like Ohio and all your Ohio related

13
00:00:35,510 --> 00:00:34,380

things yeah yep and uh Mike this is

14

00:00:37,430 --> 00:00:35,520

something you need to be careful of

15

00:00:38,450 --> 00:00:37,440

because I have a feeling at some point

16

00:00:41,330 --> 00:00:38,460

you're going to come on the show and

17

00:00:43,130 --> 00:00:41,340

explain that you spent

18

00:00:46,250 --> 00:00:43,140

the better part of a day trying to get

19

00:00:48,410 --> 00:00:46,260

out of this situation yep

20

00:00:50,389 --> 00:00:48,420

all right we'll we'll bring this uh up

21

00:00:53,690 --> 00:00:50,399

on screen and we will uh we'll figure

22

00:00:56,869 --> 00:00:53,700

out uh what this is all about here we go

23

00:00:59,990 --> 00:00:56,879

uh how local dad ended up locked inside

24

00:01:02,209 --> 00:01:00,000

Chicken Coop oh wow that's some good

25

00:01:04,189 --> 00:01:02,219

news on that front so a local dad is uh

26
00:01:05,929 --> 00:01:04,199
confessing all about how he got locked

27
00:01:07,490 --> 00:01:05,939
inside oh and there's a video attached

28
00:01:10,010 --> 00:01:07,500
so we can get some like I still in there

29
00:01:11,570 --> 00:01:10,020
they wouldn't let him out okay

30
00:01:13,070 --> 00:01:11,580
we're not we're not letting you on to

31
00:01:14,990 --> 00:01:13,080
clean up the mess in there and it is

32
00:01:16,670 --> 00:01:15,000
they get messy up there their chickens

33
00:01:19,910 --> 00:01:16,680
are messy creatures

34
00:01:24,770 --> 00:01:22,310
in the heart of the historic Sussex

35
00:01:27,170 --> 00:01:24,780
neighborhood in Shaker Heights was built

36
00:01:29,630 --> 00:01:27,180
by an Amish Carpenter and is home to

37
00:01:31,850 --> 00:01:29,640
eight hens it has become the favorite

38
00:01:35,149 --> 00:01:31,860

pet project of three-year-old Sam

39

00:01:37,730 --> 00:01:35,159

scalise and his mother when Sam's mom

40

00:01:39,830 --> 00:01:37,740

was called away on a business trip his

41

00:01:42,890 --> 00:01:39,840

dad volunteered to look after their

42

00:01:45,890 --> 00:01:42,900

chickens and I was helping the hens back

43

00:01:47,510 --> 00:01:45,900

into the house and left these keys in

44

00:01:49,730 --> 00:01:47,520

the door there were more than just

45

00:01:52,069 --> 00:01:49,740

ruffled feathers inside the coop when

46

00:01:54,590 --> 00:01:52,079

Michael scalise saw little Sam turn the

47

00:01:56,569 --> 00:01:54,600

keys in the lock to the door and pulled

48

00:01:58,190 --> 00:01:56,579

them out next thing I knew I was locked

49

00:02:00,170 --> 00:01:58,200

in the uh The Coop I tried to get him to

50

00:02:02,210 --> 00:02:00,180

use the keys to open up the door and he

51
00:02:04,609 --> 00:02:02,220
failed a number of times Michael scalise

52
00:02:07,249 --> 00:02:04,619
a former U.S army paratrooper and medic

53
00:02:09,770 --> 00:02:07,259
with the 82nd Airborne considered

54
00:02:11,990 --> 00:02:09,780
different ways he could fly The Coop had

55
00:02:14,390 --> 00:02:12,000
he run off or something like that I may

56
00:02:15,589 --> 00:02:14,400
have had to try like break it but this

57
00:02:16,550 --> 00:02:15,599
is one of my wife's favorite things so I

58
00:02:17,750 --> 00:02:16,560
really didn't want to break it because I

59
00:02:20,150 --> 00:02:17,760
didn't want to be in trouble that's when

60
00:02:22,610 --> 00:02:20,160
Michael scalise decided he needed help

61
00:02:26,990 --> 00:02:22,620
police on fire can I help you

62
00:02:30,110 --> 00:02:27,000
hi yes I have a non-emergency request I

63
00:02:31,790 --> 00:02:30,120

am locked in my chicken coop by my

64

00:02:33,110 --> 00:02:31,800

three-year-old son my three-year-old son

65

00:02:35,530 --> 00:02:33,120

locking in my chicken we'll come kill

66

00:02:38,510 --> 00:02:35,540

the sun right now

67

00:02:40,610 --> 00:02:38,520

so okay we'll we'll get you out of there

68

00:02:42,710 --> 00:02:40,620

while scalise was waiting for help to

69

00:02:44,750 --> 00:02:42,720

arrive he told his son to put the keys

70

00:02:47,570 --> 00:02:44,760

to the coop in his pocket he said okay

71

00:02:50,030 --> 00:02:47,580

in about 10 seconds later he said Daddy

72

00:02:51,350 --> 00:02:50,040

the key fell under a big rock which is

73

00:02:53,210 --> 00:02:51,360

one of the pavers you can kind of see

74

00:02:55,070 --> 00:02:53,220

over there firefighters here in Shaker

75

00:02:57,050 --> 00:02:55,080

Heights were not quite sure what to make

76

00:02:59,270 --> 00:02:57,060

of the call of a man locked inside a

77

00:03:02,030 --> 00:02:59,280

chicken coop but they did arrive within

78

00:03:04,430 --> 00:03:02,040

10 minutes and sure enough they found a

79

00:03:06,650 --> 00:03:04,440

very relieved Michael scalise waiting to

80

00:03:08,630 --> 00:03:06,660

be arrested firefighters were able to

81

00:03:11,149 --> 00:03:08,640

retrieve the keys wedged between the

82

00:03:13,309 --> 00:03:11,159

pavers and after freeing Michael scalise

83

00:03:15,830 --> 00:03:13,319

they just had a couple of questions for

84

00:03:18,110 --> 00:03:15,840

little Sam and his dad about the most

85

00:03:19,850 --> 00:03:18,120

unusual incident of the day if it

86

00:03:21,290 --> 00:03:19,860

definitely felt silly trying to explain

87

00:03:22,190 --> 00:03:21,300

the situation to them one of them was

88

00:03:23,809 --> 00:03:22,200

actually really into the chickens which

89

00:03:26,330 --> 00:03:23,819

is funny I'm not into chickens my wife

90

00:03:29,509 --> 00:03:26,340

is the person who's in the chicken Fox 8

91

00:03:31,369 --> 00:03:29,519

news in Shaker Heights

92

00:03:35,030 --> 00:03:31,379

I hope that they showed up with like

93

00:03:36,949 --> 00:03:35,040

sirens blaring jaws of life yeah and

94

00:03:38,089 --> 00:03:36,959

just like they stopped the neighbors I

95

00:03:40,309 --> 00:03:38,099

was like come on come on gather around

96

00:03:43,210 --> 00:03:40,319

gather around look at this guy

97

00:03:45,110 --> 00:03:43,220

let me break out the jaws of life here

98

00:03:46,970 --> 00:03:45,120

there we go

99

00:03:49,430 --> 00:03:46,980

oh yeah we've got Robo Biden over here

100

00:03:55,030 --> 00:03:51,350

yeah he can he's like the Six Million

101
00:03:57,589 --> 00:03:55,040
Dollar Man Tuesday outside Beauty

102
00:03:59,750 --> 00:03:57,599
he flies in on his own jet pack and he's

103
00:04:01,610 --> 00:03:59,760
got all sorts of hydraulics so I would

104
00:04:04,490 --> 00:04:01,620
imagine that that kid's being punished

105
00:04:06,170 --> 00:04:04,500
like extraordinarily so yeah so they did

106
00:04:07,369 --> 00:04:06,180
show the part where the kid now lives in

107
00:04:09,589 --> 00:04:07,379
the chicken coop

108
00:04:10,850 --> 00:04:09,599
this is this is your house now yeah you

109
00:04:12,050 --> 00:04:10,860
live in here you take care of the

110
00:04:14,030 --> 00:04:12,060
chickens we're gonna call you you're

111
00:04:16,250 --> 00:04:14,040
gonna live like a chicken until you're

112
00:04:18,830 --> 00:04:16,260
like seven

113
00:04:20,930 --> 00:04:18,840

we'll feed you like chicken chicken boy

114

00:04:27,670 --> 00:04:20,940

Chicken Boy and your chicken boy now

115

00:04:31,550 --> 00:04:30,290

a little kid you know how angry you'd be

116

00:04:34,370 --> 00:04:31,560

to be locked in there because you can't

117

00:04:36,530 --> 00:04:34,380

you could very easily rip down that cage

118

00:04:38,090 --> 00:04:36,540

and that chicken wire what the hell just

119

00:04:41,150 --> 00:04:38,100

pushed through it yeah that guy was a

120

00:04:42,950 --> 00:04:41,160

big dude like he was uh biggest lake

121

00:04:45,590 --> 00:04:42,960

I've ever seen he was a 300 pounder

122

00:04:47,810 --> 00:04:45,600

easily and if his wife's gonna be upset

123

00:04:50,450 --> 00:04:47,820

he's not gonna run out of food

124

00:04:52,010 --> 00:04:50,460

no you just eat the chickens it's fine

125

00:04:55,550 --> 00:04:52,020

just just wait till your wife gets home

126

00:04:58,070 --> 00:04:55,560

and then punish that little dick

127

00:05:00,950 --> 00:04:58,080

you know maximum

128

00:05:02,290 --> 00:05:00,960

I'm with you the kid was up no good he

129

00:05:04,730 --> 00:05:02,300

thought he was being clever

130

00:05:06,590 --> 00:05:04,740

but okay yeah I wonder what what's

131

00:05:07,969 --> 00:05:06,600

actually the cover up here

132

00:05:10,969 --> 00:05:07,979

yeah there's there's some angle we're

133

00:05:13,430 --> 00:05:10,979

missing here like that that kid

134

00:05:16,570 --> 00:05:13,440

just on a whim locked his dad in there

135

00:05:19,610 --> 00:05:16,580

no that Dad did something to that kid

136

00:05:21,650 --> 00:05:19,620

that would warrant that kind of response

137

00:05:23,510 --> 00:05:21,660

like they like the dad probably maybe

138

00:05:25,189 --> 00:05:23,520

preemptively took his Fortnite away or

139

00:05:27,290 --> 00:05:25,199

some sort of there's some sort of

140

00:05:28,790 --> 00:05:27,300

punishment that led up to this we're not

141

00:05:30,469 --> 00:05:28,800

getting the full story

142

00:05:32,510 --> 00:05:30,479

this is retaliation for something

143

00:05:34,909 --> 00:05:32,520

something deeper something do you do you

144

00:05:37,249 --> 00:05:34,919

have a lock on your chicken coop

145

00:05:40,010 --> 00:05:37,259

uh we have we do have a lock yeah we

146

00:05:42,290 --> 00:05:40,020

have uh it's uh it's a very simple lock

147

00:05:44,270 --> 00:05:42,300

it's just one of those kind of Clips you

148

00:05:45,890 --> 00:05:44,280

put on top of it uh like the same kind

149

00:05:47,810 --> 00:05:45,900

of clip you would use for like rock

150

00:05:49,850 --> 00:05:47,820

climbing or something like that uh

151
00:05:51,830 --> 00:05:49,860
you're talking about a latch though you

152
00:05:53,749 --> 00:05:51,840
didn't touch the door yeah he's talking

153
00:05:56,510 --> 00:05:53,759
about this guy's talking about a lock my

154
00:05:58,810 --> 00:05:56,520
question is why does he need to lock his

155
00:06:01,249 --> 00:05:58,820
chicken coop that is a good question

156
00:06:04,310 --> 00:06:01,259
typically you don't not a lot of

157
00:06:06,409 --> 00:06:04,320
raccoons know how to use locks right

158
00:06:09,350 --> 00:06:06,419
um I mean that's your main Predator

159
00:06:10,370 --> 00:06:09,360
right there is Neighborhood Cats coyotes

160
00:06:13,550 --> 00:06:10,380
that sort of thing but yeah they don't

161
00:06:15,230 --> 00:06:13,560
use keys so typically they don't except

162
00:06:16,810 --> 00:06:15,240
the smarter ones you gotta watch out for

163
00:06:19,790 --> 00:06:16,820

them

164

00:06:21,290 --> 00:06:19,800

sometimes a raccoon they learn you know

165

00:06:23,270 --> 00:06:21,300

when they get thrown into an abortion

166

00:06:26,930 --> 00:06:23,280

clinic or McDonald's they learn a lot of

167

00:06:28,730 --> 00:06:26,940

lessons being in there but uh

168

00:06:30,529 --> 00:06:28,740

typically they don't survive that and if

169

00:06:32,029 --> 00:06:30,539

they do then their special breed of

170

00:06:34,730 --> 00:06:32,039

raccoon

171

00:06:36,890 --> 00:06:34,740

uh I'd like a follow-up story I think uh

172

00:06:38,450 --> 00:06:36,900

Eyewitness News 10 I should do a

173

00:06:39,890 --> 00:06:38,460

follow-up in a full investigative report

174

00:06:42,290 --> 00:06:39,900

on that family and what's going on with

175

00:06:44,450 --> 00:06:42,300

that chicken coop yeah 24 7 camera

176

00:06:47,689 --> 00:06:44,460

footage of that we need we need infrared

177

00:06:51,050 --> 00:06:47,699

we need thermographic all on all eyes on

178

00:06:52,430 --> 00:06:51,060

that chicken coop so uh I guess stupid

179

00:06:54,110 --> 00:06:52,440

answer to my question people are now

180

00:06:55,189 --> 00:06:54,120

saying in the chat that uh he has to

181

00:06:57,830 --> 00:06:55,199

lock that up because he lives in

182

00:06:59,749 --> 00:06:57,840

Cleveland so okay yeah there you go yeah

183

00:07:01,430 --> 00:06:59,759

it's not the safest joint

184

00:07:03,950 --> 00:07:01,440

you know what that might be a good point

185

00:07:06,770 --> 00:07:03,960

maybe there are neighborhood Hooligans

186

00:07:09,710 --> 00:07:06,780

who go in there and are chicken thieves

187

00:07:11,450 --> 00:07:09,720

that I mean that's a good point

188

00:07:13,189 --> 00:07:11,460

yeah Shaker Heights is not necessarily

189

00:07:15,170 --> 00:07:13,199

out in the stick so I mean it's it's in

190

00:07:17,930 --> 00:07:15,180

it's a suburb so

191

00:07:19,969 --> 00:07:17,940

well it is is a chicken coop of that

192

00:07:22,490 --> 00:07:19,979

size it did look like a very well-built

193

00:07:23,809 --> 00:07:22,500

chicken coop is that warranted can we

194

00:07:25,309 --> 00:07:23,819

call zoning on this thing and get the

195

00:07:27,589 --> 00:07:25,319

whole operation shut down this guy got

196

00:07:30,110 --> 00:07:27,599

his whole chicken coop taken out oh nice

197

00:07:31,189 --> 00:07:30,120

there you go and then sir uh We're not

198

00:07:32,510 --> 00:07:31,199

gonna let you out of the chicken Cooper

199

00:07:33,730 --> 00:07:32,520

we are going to take the chicken coop

200

00:07:37,249 --> 00:07:33,740

and then

201

00:07:39,170 --> 00:07:37,259

like Napalm the entire thing

202

00:07:40,790 --> 00:07:39,180

firemen just show up and hack it to the

203

00:07:44,570 --> 00:07:40,800

ground

204

00:07:49,070 --> 00:07:44,580

there you're done problem solved

205

00:07:58,010 --> 00:07:51,170

well he got for it oh I'm sorry gotta

206

00:08:00,890 --> 00:07:59,990

all right I'm going in also uh so I'll

207

00:08:02,210 --> 00:08:00,900

give you one more here this is the

208

00:08:04,070 --> 00:08:02,220

holdover from last show I'll give you

209

00:08:06,230 --> 00:08:04,080

one another one um but I've now had two

210

00:08:07,490 --> 00:08:06,240

requests from people uh who want to call

211

00:08:09,230 --> 00:08:07,500

in they want open lines I don't know if

212

00:08:10,909 --> 00:08:09,240

you want to do that today or not uh I

213

00:08:12,950 --> 00:08:10,919

don't think we have time uh I would love

214

00:08:14,150 --> 00:08:12,960

to but uh we we I just don't think we

215

00:08:17,210 --> 00:08:14,160

have time we can either do one more

216

00:08:19,610 --> 00:08:17,220

story or do an open line

217

00:08:21,890 --> 00:08:19,620

I think people want One More Story okay

218

00:08:23,570 --> 00:08:21,900

well this one's a hold over from uh uh

219

00:08:25,309 --> 00:08:23,580

from Wednesday I brought it up and you

220

00:08:27,650 --> 00:08:25,319

said let's let's wait on that one so

221

00:08:29,089 --> 00:08:27,660

this is the guy who donates his poop oh

222

00:08:31,010 --> 00:08:29,099

good

223

00:08:33,250 --> 00:08:31,020

okay

224

00:08:38,870 --> 00:08:33,260

we'll bring this up on screen

225

00:08:42,469 --> 00:08:38,880

uh fecal philanthropist donates poop to

226
00:08:43,550 --> 00:08:42,479
save lives that's good news that is good

227
00:08:46,030 --> 00:08:43,560
news

228
00:08:49,910 --> 00:08:46,040
I do like this

229
00:08:53,570 --> 00:08:49,920
uh let's see here uh donors are

230
00:08:56,150 --> 00:08:53,580
compensated fifty dollars per drop off

231
00:08:58,370 --> 00:08:56,160
to cover parking and travel expenses

232
00:09:00,470 --> 00:08:58,380
holy crap so you can make some real

233
00:09:01,990 --> 00:09:00,480
money doing this stuff wow look at I

234
00:09:05,570 --> 00:09:02,000
need money

235
00:09:07,610 --> 00:09:05,580
uh in London Ontario man has a

236
00:09:09,410 --> 00:09:07,620
particular way of paying his bills or

237
00:09:12,110 --> 00:09:09,420
collecting a bit of extra Pocket Change

238
00:09:15,650 --> 00:09:12,120

he sells his poop and he's not the only

239

00:09:19,009 --> 00:09:15,660

one quote essentially you end up pooping

240

00:09:20,930 --> 00:09:19,019

onto a plate and then scooping that into

241

00:09:23,329 --> 00:09:20,940

a collection tube and then dropping it

242

00:09:25,070 --> 00:09:23,339

off it's as simple as that to who you

243

00:09:27,350 --> 00:09:25,080

just drop it off anywhere yeah just at

244

00:09:30,130 --> 00:09:27,360

random here you go there you go sir you

245

00:09:34,030 --> 00:09:30,140

go Taco Bell have fun

246

00:09:37,250 --> 00:09:34,040

at the first window where's my money

247

00:09:39,829 --> 00:09:37,260

uh Jim all who studies Immunology in

248

00:09:42,590 --> 00:09:39,839

microbiology said it's less about the

249

00:09:44,389 --> 00:09:42,600

money and more about saving lives his

250

00:09:45,650 --> 00:09:44,399

[h__\h] saves lives is what he's trying to

251

00:09:47,990 --> 00:09:45,660

say

252

00:09:49,190 --> 00:09:48,000

uh can I just [h__h] at the facility can I

253

00:09:50,630 --> 00:09:49,200

just show up there like why do I got to

254

00:09:51,949 --> 00:09:50,640

do all the work like [h__h] onto a

255

00:09:53,269 --> 00:09:51,959

plate and then scooping it into a tube

256

00:09:54,710 --> 00:09:53,279

can I just come there and [h__h] on

257

00:09:56,090 --> 00:09:54,720

something I'm curious more about the why

258

00:09:56,990 --> 00:09:56,100

the plate and then the tube why not just

259

00:09:58,610 --> 00:09:57,000

straight into the tube because now

260

00:10:00,170 --> 00:09:58,620

you've ruined two pieces of well this

261

00:10:02,030 --> 00:10:00,180

this historic experience uh is curious

262

00:10:04,070 --> 00:10:02,040

uh so you remember that Missing 411

263

00:10:06,290 --> 00:10:04,080

story I told about the the grandmother

264

00:10:08,329 --> 00:10:06,300

the robot grandmother who took her

265

00:10:10,490 --> 00:10:08,339

grandson to a cave and asked them to

266

00:10:14,509 --> 00:10:10,500

take a crap or a dump on a piece of

267

00:10:17,090 --> 00:10:14,519

plastic I wonder if that robot clone is

268

00:10:19,490 --> 00:10:17,100

using those reselling this reset well

269

00:10:22,790 --> 00:10:19,500

you could say reselling it or using that

270

00:10:24,949 --> 00:10:22,800

uh stool sample to study our immunology

271

00:10:27,410 --> 00:10:24,959

and microbiology

272

00:10:29,449 --> 00:10:27,420

like they're doing the same thing they

273

00:10:32,630 --> 00:10:29,459

they need to study Us in that way to

274

00:10:33,769 --> 00:10:32,640

find out how our immune system responds

275

00:10:36,530 --> 00:10:33,779

to certain things and they can do that

276

00:10:38,990 --> 00:10:36,540

through poop or crap

277

00:10:41,690 --> 00:10:39,000

well Healthcare professionals have put

278

00:10:45,110 --> 00:10:41,700

uh put out a call an open call for poop

279

00:10:48,110 --> 00:10:45,120

donors at the St Joseph's uh Healthcare

280

00:10:50,269 --> 00:10:48,120

in London where fecal transplants have

281

00:10:54,650 --> 00:10:50,279

become a routine procedure used to treat

282

00:10:56,389 --> 00:10:54,660

potentially life-threatening uh see I

283

00:10:58,730 --> 00:10:56,399

guess as hepatitis C

284

00:11:00,829 --> 00:10:58,740

uh they're also so I've heard about that

285

00:11:03,110 --> 00:11:00,839

like you you take poop from one person

286

00:11:06,470 --> 00:11:03,120

and then you implant that poop into

287

00:11:08,269 --> 00:11:06,480

another person and it clears up a lot of

288

00:11:11,030 --> 00:11:08,279

uh problems that they have like it can

289

00:11:14,030 --> 00:11:11,040

be very beneficial

290

00:11:16,370 --> 00:11:14,040

uh quote this is not just mild diarrhea

291

00:11:18,949 --> 00:11:16,380

this is as they would say diarrhea from

292

00:11:20,630 --> 00:11:18,959

Hell said Dr Michael Silverman medical

293

00:11:22,910 --> 00:11:20,640

director of St Joseph's infectious

294

00:11:25,490 --> 00:11:22,920

disease CARE program after a course of

295

00:11:28,550 --> 00:11:25,500

antibiotics healthy gut bacteria can be

296

00:11:30,829 --> 00:11:28,560

killed which causes the illness he says

297

00:11:33,230 --> 00:11:30,839

so I guess yeah too many uh antibiotics

298

00:11:35,509 --> 00:11:33,240

just neutralizes any of that that good

299

00:11:38,870 --> 00:11:35,519

bacteria in your gut that you need

300

00:11:40,970 --> 00:11:38,880

so uh quote we take bacteria from this

301
00:11:42,110 --> 00:11:40,980
healthy poop that John and others

302
00:11:45,290 --> 00:11:42,120
produce

303
00:11:47,210 --> 00:11:45,300
and we uh proceed we have a process to

304
00:11:50,389 --> 00:11:47,220
get rid of anything that is not critical

305
00:11:53,389 --> 00:11:50,399
and then put them in capsules

306
00:11:55,250 --> 00:11:53,399
okay so they take out the bad poop and

307
00:11:58,130 --> 00:11:55,260
keep the good poop and then they put

308
00:12:00,350 --> 00:11:58,140
that good poop inside in inside somebody

309
00:12:03,410 --> 00:12:00,360
who needs that good poop

310
00:12:08,569 --> 00:12:05,630
okay it's a money maker it's a money

311
00:12:10,250 --> 00:12:08,579
maker so 50 bucks like like wait till

312
00:12:13,550 --> 00:12:10,260
the homeless find out about this yeah

313
00:12:16,250 --> 00:12:13,560

well you could what you can do you go

314

00:12:18,590 --> 00:12:16,260

you donate blood and then you go to the

315

00:12:22,130 --> 00:12:18,600

sperm bank and then you drop off a deuce

316

00:12:25,030 --> 00:12:23,810

wait did you say the blood

317

00:12:28,250 --> 00:12:25,040

yeah

318

00:12:30,050 --> 00:12:28,260

but plasma too blood plasma then plasma

319

00:12:33,170 --> 00:12:30,060

and then you let some drug experiment

320

00:12:35,449 --> 00:12:33,180

[h__h] go on you know go to the college

321

00:12:37,370 --> 00:12:35,459

so if you're if you're if you're pumping

322

00:12:39,009 --> 00:12:37,380

and dumping in the same day that is like

323

00:12:41,630 --> 00:12:39,019

your entire day

324

00:12:43,490 --> 00:12:41,640

that takes I mean that I mean that's a

325

00:12:45,949 --> 00:12:43,500

that's a good morning in an afternoon

326

00:12:49,790 --> 00:12:45,959

and after that you're probably spent

327

00:12:54,410 --> 00:12:52,190

and Mike you got to be more efficient do

328

00:12:56,329 --> 00:12:54,420

them at the same time I okay that's

329

00:12:58,850 --> 00:12:56,339

called a blumpkin in in in certain

330

00:13:02,449 --> 00:13:00,650

self-blum I don't know if you can do

331

00:13:04,370 --> 00:13:02,459

that at one facility although you could

332

00:13:07,430 --> 00:13:04,380

open up one Clinic that does this the

333

00:13:08,990 --> 00:13:07,440

same it's a perm a sperm bank and poop

334

00:13:10,970 --> 00:13:09,000

collection Bank why don't you just call

335

00:13:14,389 --> 00:13:10,980

it the pump and dump the pump and dump

336

00:13:21,850 --> 00:13:14,399

fifty dollars per drop off foreign

337

00:13:27,829 --> 00:13:24,590

the come and drop

338

00:13:30,110 --> 00:13:27,839

it's a the last sentence here uh quote

339

00:13:31,850 --> 00:13:30,120

it's a great Icebreaker to meet new

340

00:13:34,430 --> 00:13:31,860

people and tell them that you donate

341

00:13:36,530 --> 00:13:34,440

poop and they're really thrown off

342

00:13:38,990 --> 00:13:36,540

yeah

343

00:13:40,910 --> 00:13:39,000

oh that's your opening line at any bar

344

00:13:42,889 --> 00:13:40,920

when you're trying to meet a woman like

345

00:13:45,350 --> 00:13:42,899

what do you do for a living oh I take a

346

00:13:47,389 --> 00:13:45,360

crap on a plate and then I and then I

347

00:13:49,069 --> 00:13:47,399

sell it for fifty dollars you know that

348

00:13:52,190 --> 00:13:49,079

beer I bought you I guess I paid for it

349

00:13:55,069 --> 00:13:52,200

I crapped in a tube

350

00:13:56,750 --> 00:13:55,079

you want to go out

351
00:13:59,150 --> 00:13:56,760
hold on let me pay for this dinner real

352
00:14:04,850 --> 00:14:01,250
I didn't bring my wallet don't worry I

353
00:14:06,769 --> 00:14:04,860
got this covered compliments to the chef

354
00:14:08,629 --> 00:14:06,779
I got this

355
00:14:10,610 --> 00:14:08,639
I can pay for this Uber right now in the

356
00:14:12,170 --> 00:14:10,620
back seat sir what are you doing back

357
00:14:15,710 --> 00:14:12,180
there I'm getting ready to pay for your

358
00:14:18,410 --> 00:14:15,720
Uber hold on I I uh I am thinking of a

359
00:14:19,310 --> 00:14:18,420
new business where I I started a

360
00:14:21,350 --> 00:14:19,320
business where I just go around

361
00:14:22,910 --> 00:14:21,360
collecting other people's poop and I

362
00:14:24,769 --> 00:14:22,920
sell it on their behalf and I get a

363
00:14:26,870 --> 00:14:24,779

little cut of the profit if you recall

364

00:14:29,329 --> 00:14:26,880

we had a story about two years ago of a

365

00:14:32,389 --> 00:14:29,339

guy who was hiding down in the bottom of

366

00:14:33,949 --> 00:14:32,399

uh Porta Johnson a scientist is what

367

00:14:36,410 --> 00:14:33,959

you're saying that's right he's

368

00:14:38,389 --> 00:14:36,420

collecting samples yeah he was just out

369

00:14:40,310 --> 00:14:38,399

there collecting he's trying to pay back

370

00:14:43,370 --> 00:14:40,320

his student loans I'm a microbiologist

371

00:14:44,870 --> 00:14:43,380

I'm trying to cure people's gut bacteria

372

00:14:50,629 --> 00:14:44,880

this is the best way to do it come

373

00:14:55,730 --> 00:14:53,389

I'm a prune brother

374

00:14:59,329 --> 00:14:55,740

it is

375

00:15:02,030 --> 00:14:59,339

well uh I didn't know this was available

376

00:15:03,530 --> 00:15:02,040

but it's only in Canada right now

377

00:15:05,509 --> 00:15:03,540

um I guess what they're saying is that

378

00:15:07,490 --> 00:15:05,519

there's franchising opportunities here

379

00:15:10,189 --> 00:15:07,500

in America

380

00:15:12,110 --> 00:15:10,199

and uh okay

381

00:15:14,090 --> 00:15:12,120

yeah so look for your your look for a

382

00:15:17,150 --> 00:15:14,100

local uh pump and dump to open near you

383

00:15:20,470 --> 00:15:17,160

soon yeah give us an email at our big

384

00:15:23,629 --> 00:15:20,480
