

UFO PSYOP

1
00:00:07,509 --> 00:00:03,230
oh

2
00:00:12,410 --> 00:00:10,430
I'm gonna start off things with a

3
00:00:14,390 --> 00:00:12,420
listener email

4
00:00:17,390 --> 00:00:14,400
I'm gonna do better I'm gonna do a

5
00:00:21,050 --> 00:00:17,400
better job at including more listener

6
00:00:23,330 --> 00:00:21,060
content on the show it's part of the the

7
00:00:25,189 --> 00:00:23,340
New Kingdom that we're all moving to

8
00:00:27,520 --> 00:00:25,199
here okay we're all gonna get to the New

9
00:00:30,050 --> 00:00:27,530
Kingdom here we go

10
00:00:33,049 --> 00:00:30,060
[Music]

11
00:00:36,049 --> 00:00:33,059
and uh this uh the subject line is

12
00:00:38,330 --> 00:00:36,059
titled thoughts about alien about the

13
00:00:41,690 --> 00:00:38,340

alien message I believe I forwarded this

14

00:00:43,729 --> 00:00:41,700

to Joe and uh maybe even Cratchit it's

15

00:00:45,350 --> 00:00:43,739

uh I didn't without afforded you okay no

16

00:00:47,690 --> 00:00:45,360

I looked Crutch It was not on the email

17

00:00:50,029 --> 00:00:47,700

okay I know why you're excluding him

18

00:00:54,290 --> 00:00:50,039

lately I'm gonna afford it it's because

19

00:00:56,209 --> 00:00:54,300

I read emails yes I'm 42 right now I do

20

00:00:59,930 --> 00:00:56,219

not read Instagram tickety talk snip

21

00:01:02,270 --> 00:00:59,940

chimps instacams all the other stuff uh

22

00:01:06,109 --> 00:01:02,280

but uh this is titled thoughts about the

23

00:01:08,469 --> 00:01:06,119

alien message and this is from Joe na

24

00:01:10,070 --> 00:01:08,479

Jonah

25

00:01:13,730 --> 00:01:10,080

j-o-n

26

00:01:17,030 --> 00:01:13,740

-a-h so thank you for writing in

27

00:01:19,010 --> 00:01:17,040

and he goes on to say hey Mike I've uh

28

00:01:21,710 --> 00:01:19,020

I've had this thought for a while but I

29

00:01:24,469 --> 00:01:21,720

haven't had anyone to share it with

30

00:01:26,929 --> 00:01:24,479

I've always believed in Aliens and have

31

00:01:29,090 --> 00:01:26,939

stuff and and have seen stuff in the sky

32

00:01:30,590 --> 00:01:29,100

myself but the fact that the media and

33

00:01:33,590 --> 00:01:30,600

the government spent 60 years plus

34

00:01:36,350 --> 00:01:33,600

making fun of anyone saying these

35

00:01:37,609 --> 00:01:36,360

they've seen things in the sky enough to

36

00:01:40,249 --> 00:01:37,619

keep regular people from Talking

37

00:01:43,609 --> 00:01:40,259

publicly than flipping completely and

38

00:01:45,770 --> 00:01:43,619

saying uh it's all real and we need

39

00:01:49,730 --> 00:01:45,780

money for defense and here's a video of

40

00:01:50,990 --> 00:01:49,740

a Tic Tac was sketchy as hell I agree I

41

00:01:53,870 --> 00:01:51,000

think a lot of people in the UFO

42

00:01:55,490 --> 00:01:53,880

Community uh would sympathize with that

43

00:01:57,770 --> 00:01:55,500

that the the media has been making fun

44

00:01:59,870 --> 00:01:57,780

of people for a very long time and now

45

00:02:00,889 --> 00:01:59,880

they want to own the message but he goes

46

00:02:02,210 --> 00:02:00,899

on to say

47

00:02:05,389 --> 00:02:02,220

the thing that makes me question

48

00:02:06,670 --> 00:02:05,399

abduction Stories the most however is

49

00:02:09,710 --> 00:02:06,680

the messages

50

00:02:12,710 --> 00:02:09,720

abductees receive is always the same

51
00:02:13,430 --> 00:02:12,720
quote save the Earth stop War love each

52
00:02:16,190 --> 00:02:13,440
other

53
00:02:18,410 --> 00:02:16,200
if the if an alien race was really

54
00:02:21,050 --> 00:02:18,420
watching all the [h__\h] going on here on

55
00:02:23,150 --> 00:02:21,060
Earth they would be aware that you and I

56
00:02:25,670 --> 00:02:23,160
are not capable of starting Wars we are

57
00:02:28,670 --> 00:02:25,680
only capable of agreeing to fight in

58
00:02:30,350 --> 00:02:28,680
Wars on the behalf of the evil people in

59
00:02:31,130 --> 00:02:30,360
charge

60
00:02:34,369 --> 00:02:31,140
um

61
00:02:37,309 --> 00:02:34,379
okay I'll comment on that so the uh the

62
00:02:40,850 --> 00:02:37,319
alien abductive phenomenon I would say

63
00:02:44,210 --> 00:02:40,860

by and large the the the people the

64

00:02:47,509 --> 00:02:44,220

humans do receive messages and in

65

00:02:49,850 --> 00:02:47,519

general the message is stop polluting

66

00:02:52,369 --> 00:02:49,860

Earth stop uh stop destroying the planet

67

00:02:56,089 --> 00:02:52,379

you're living on and love each other but

68

00:02:59,710 --> 00:02:56,099

more specifically in detail is that

69

00:03:02,270 --> 00:02:59,720

oftentimes uh each message is

70

00:03:03,670 --> 00:03:02,280

individualized in the details don't

71

00:03:06,770 --> 00:03:03,680

often

72

00:03:08,869 --> 00:03:06,780

uh pan out to be true like they'll give

73

00:03:12,229 --> 00:03:08,879

like a specific year they'll say like in

74

00:03:14,930 --> 00:03:12,239

the year 2020 X Y and Z will happen and

75

00:03:17,089 --> 00:03:14,940

it doesn't really come to fruition

76

00:03:20,390 --> 00:03:17,099

um like the the specific details seem to

77

00:03:22,610 --> 00:03:20,400

be very uh murky and fake the overall

78

00:03:24,649 --> 00:03:22,620

message as what he conveyed here seems

79

00:03:26,869 --> 00:03:24,659

to be true but it does seem like the

80

00:03:30,229 --> 00:03:26,879

aliens uh either get their information

81

00:03:33,589 --> 00:03:30,239

wrong or are flat out lying in these

82

00:03:37,430 --> 00:03:35,509

um he goes on to say Have You Ever Had

83

00:03:39,410 --> 00:03:37,440

have you ever heard of a single

84

00:03:42,470 --> 00:03:39,420

experiencer saying the message that they

85

00:03:44,869 --> 00:03:42,480

that they got had to do with protesting

86

00:03:47,149 --> 00:03:44,879

War stopping the people in charge or

87

00:03:50,210 --> 00:03:47,159

anything promoting the individual

88

00:03:53,350 --> 00:03:50,220

is it possible any higher entity would

89

00:03:57,050 --> 00:03:53,360

be like would be in a Star Trek Utopia

90

00:03:59,449 --> 00:03:57,060

and would be anti-individualism however

91

00:04:02,390 --> 00:03:59,459

it should be obvious that governments

92

00:04:05,270 --> 00:04:02,400

not individuals are the only ones

93

00:04:08,690 --> 00:04:05,280

capable of oppressing enslaving starting

94

00:04:11,210 --> 00:04:08,700

Wars in polluting the environment on a

95

00:04:13,190 --> 00:04:11,220

huge scale correct um

96

00:04:14,869 --> 00:04:13,200

I would say

97

00:04:17,449 --> 00:04:14,879

ain't no

98

00:04:18,830 --> 00:04:17,459

not necessarily not only governments are

99

00:04:21,349 --> 00:04:18,840

capable of doing that they're they're

100

00:04:23,930 --> 00:04:21,359

obviously what would be the motivation

101
00:04:25,550 --> 00:04:23,940
if you're sitting there in Ukraine and

102
00:04:27,230 --> 00:04:25,560
you just you're just like hey let's just

103
00:04:28,550 --> 00:04:27,240
start bombing the East part because they

104
00:04:30,350 --> 00:04:28,560
don't like Russia

105
00:04:33,950 --> 00:04:30,360
you think a bunch of people would go out

106
00:04:35,330 --> 00:04:33,960
by bombs in Shell East Ukraine uh not

107
00:04:37,550 --> 00:04:35,340
necessarily no in the individuals just

108
00:04:39,350 --> 00:04:37,560
for yucks no I mean I would say not the

109
00:04:40,370 --> 00:04:39,360
individual I see he's mostly right there

110
00:04:43,310 --> 00:04:40,380
so

111
00:04:44,990 --> 00:04:43,320
um governments are a huge contributing

112
00:04:47,870 --> 00:04:45,000
factor to pollution damaging the

113
00:04:50,390 --> 00:04:47,880

environment starting Wars um but uh I

114

00:04:53,150 --> 00:04:50,400

would also say a motivating factor very

115

00:04:55,850 --> 00:04:53,160

large bureaucracies very large

116

00:04:58,370 --> 00:04:55,860

corporations often pollute and have a

117

00:05:02,090 --> 00:04:58,380

motivation to talk in the ear

118

00:05:04,390 --> 00:05:02,100

of government to start wars or money in

119

00:05:06,950 --> 00:05:04,400

game yeah any kind of Defense Contractor

120

00:05:08,510 --> 00:05:06,960

uh that kind of group so any large

121

00:05:11,270 --> 00:05:08,520

bureaucracy

122

00:05:13,129 --> 00:05:11,280

are the ones that have the tools to

123

00:05:14,749 --> 00:05:13,139

damage this planet and start wars so I

124

00:05:18,469 --> 00:05:14,759

don't think you get those I don't think

125

00:05:23,450 --> 00:05:21,350

um possibly it's tough to know uh I

126

00:05:26,390 --> 00:05:23,460

think I I think without government you

127

00:05:29,469 --> 00:05:26,400

would see a a rise in very large

128

00:05:32,270 --> 00:05:29,479

businesses uh I think you I think people

129

00:05:34,490 --> 00:05:32,280

uh just tend to or businesses tend to

130

00:05:35,590 --> 00:05:34,500

Pyramid in like a giant pyramidal

131

00:05:37,909 --> 00:05:35,600

structure

132

00:05:40,850 --> 00:05:37,919

you wouldn't you wouldn't have the power

133

00:05:42,650 --> 00:05:40,860

of the state the Monopoly on Force where

134

00:05:44,510 --> 00:05:42,660

you could you know it would if it was

135

00:05:46,790 --> 00:05:44,520

all voluntary like if we're all working

136

00:05:48,170 --> 00:05:46,800

together like this is a communism's wet

137

00:05:50,990 --> 00:05:48,180

dream is that people are going to be

138

00:05:53,990 --> 00:05:51,000

productive without having to do [h__h] but

139

00:05:56,090 --> 00:05:54,000

actually if you do have to [h__h] you do

140

00:05:58,790 --> 00:05:56,100

have to do [h__h] like you know you want

141

00:06:00,350 --> 00:05:58,800

to eat be like you Mike you have to do

142

00:06:02,390 --> 00:06:00,360

chickens and then somebody else has to

143

00:06:04,430 --> 00:06:02,400

make beds you know it's like all

144

00:06:07,490 --> 00:06:04,440

voluntary you can't use the arm of the

145

00:06:10,670 --> 00:06:07,500

state to force people to do [h__h] that's

146

00:06:13,010 --> 00:06:10,680

how it happens uh yeah I would agree for

147

00:06:15,890 --> 00:06:13,020

the most part but as when it comes to

148

00:06:18,770 --> 00:06:15,900

what this guy's writing about for the

149

00:06:21,230 --> 00:06:18,780

alien abduction scenario the aliens seem

150

00:06:23,510 --> 00:06:21,240

to be talking to the individual and

151
00:06:25,370 --> 00:06:23,520
they're not addressing the state they're

152
00:06:27,950 --> 00:06:25,380
not addressing the governmental factors

153
00:06:30,770 --> 00:06:27,960
for whatever reason

154
00:06:33,650 --> 00:06:30,780
um because yes us the individual is very

155
00:06:37,129 --> 00:06:33,660
tough for us to stop a war by ourselves

156
00:06:39,650 --> 00:06:37,139
it's very I've tried it's not easy no

157
00:06:43,309 --> 00:06:39,660
it's not easy no I can barely break up a

158
00:06:45,590 --> 00:06:43,319
fight at Chuck E cheese yeah no [h__h]

159
00:06:47,689 --> 00:06:45,600
um he goes on to say uh we can all love

160
00:06:50,809 --> 00:06:47,699
each other and I try really hard to do

161
00:06:52,790 --> 00:06:50,819
this but unless we unify in a way uh

162
00:06:55,610 --> 00:06:52,800
that those in charge cannot ignore We

163
00:06:57,830 --> 00:06:55,620

Can't Stop Wars or oppression or the

164

00:07:00,469 --> 00:06:57,840

bombing of poor brown people over there

165

00:07:03,590 --> 00:07:00,479

there isn't much one person can do to

166

00:07:07,330 --> 00:07:03,600

move towards said Utopia

167

00:07:11,570 --> 00:07:07,340

I agree the individual is relatively

168

00:07:13,610 --> 00:07:11,580

powerless in these giant states that we

169

00:07:16,070 --> 00:07:13,620

live in uh you can get together with

170

00:07:19,490 --> 00:07:16,080

your friends and family and protest but

171

00:07:22,670 --> 00:07:19,500

that doesn't seem to do too much

172

00:07:25,550 --> 00:07:22,680

uh so yeah the aliens message as

173

00:07:28,490 --> 00:07:25,560

displayed here seems to

174

00:07:30,230 --> 00:07:28,500

I don't know if it falls on deaf ears uh

175

00:07:33,290 --> 00:07:30,240

I I think a lot of people would like to

176

00:07:35,330 --> 00:07:33,300

move to a Utopia but the aliens are

177

00:07:38,450 --> 00:07:35,340

giving messages to people who have very

178

00:07:41,930 --> 00:07:38,460

little power to do anything about the

179

00:07:46,070 --> 00:07:43,670

um he goes in to say I would love to

180

00:07:48,710 --> 00:07:46,080

hear your thoughts on why the alien

181

00:07:51,830 --> 00:07:48,720

message is always the same and seems to

182

00:07:52,969 --> 00:07:51,840

lean towards submitting to a One World

183

00:07:54,950 --> 00:07:52,979

Government

184

00:07:57,830 --> 00:07:54,960

it would seem to indicate that this

185

00:08:02,330 --> 00:07:57,840

message is spread by people in charge

186

00:08:05,450 --> 00:08:02,340

and not from entities or an alien race

187

00:08:07,129 --> 00:08:05,460

from a higher place

188

00:08:10,969 --> 00:08:07,139

uh

189

00:08:12,710 --> 00:08:10,979

okay I'll redirect us and I'll then I'll

190

00:08:16,070 --> 00:08:12,720

comment uh I've heard you and others

191

00:08:18,469 --> 00:08:16,080

suggest uh if not all

192

00:08:21,710 --> 00:08:18,479

alien abductions are really military

193

00:08:24,110 --> 00:08:21,720

operations my labs military abductions

194

00:08:26,150 --> 00:08:24,120

along with Academy relations and the

195

00:08:28,490 --> 00:08:26,160

Skinwalker Ranch type of stuff this

196

00:08:32,269 --> 00:08:28,500

seems to support the that idea love the

197

00:08:34,070 --> 00:08:32,279

show and blow me up so here we go we're

198

00:08:35,870 --> 00:08:34,080

going to blow them up

199

00:08:39,230 --> 00:08:35,880

I would say it's a bit of a mix Ed bag

200

00:08:42,709 --> 00:08:39,240

and it's not a black and white issue uh

201
00:08:44,269 --> 00:08:42,719
you can't look at any sort of phenomenon

202
00:08:45,949 --> 00:08:44,279
like this and say it's all the

203
00:08:48,470 --> 00:08:45,959
government or it's all aliens or

204
00:08:50,509 --> 00:08:48,480
anything like that so I think that when

205
00:08:53,210 --> 00:08:50,519
it comes to the military involvement

206
00:08:57,290 --> 00:08:53,220
with alien abductions I think the the

207
00:08:59,030 --> 00:08:57,300
military since the 40s was aware of some

208
00:09:02,449 --> 00:08:59,040
strange things going on

209
00:09:05,269 --> 00:09:02,459
they didn't know exactly what to do and

210
00:09:06,590 --> 00:09:05,279
so they took a position of fake it until

211
00:09:09,769 --> 00:09:06,600
you make it

212
00:09:11,870 --> 00:09:09,779
that the military was aware of

213
00:09:14,150 --> 00:09:11,880

abductions going on so they decided to

214

00:09:16,750 --> 00:09:14,160

abduct people on their own to see what

215

00:09:19,610 --> 00:09:16,760

kind of information they could get into

216

00:09:22,550 --> 00:09:19,620

uh steer the narrative in the direction

217

00:09:23,990 --> 00:09:22,560

that they wanted yeah it's almost like

218

00:09:25,610 --> 00:09:24,000

when you're looting a store and like

219

00:09:28,009 --> 00:09:25,620

there's you know a dozen or more people

220

00:09:30,769 --> 00:09:28,019

doing it you're like eh I guess I'll

221

00:09:33,889 --> 00:09:30,779

take a few things yeah you're there why

222

00:09:38,090 --> 00:09:33,899

not participate uh it's not unlike what

223

00:09:41,930 --> 00:09:38,100

the FBI does by infiltrating uh groups

224

00:09:45,410 --> 00:09:41,940

to uh then lead the charge and then

225

00:09:47,690 --> 00:09:45,420

construct a narrative so they can have a

226

00:09:49,550 --> 00:09:47,700

nice publicity marketing scheme all

227

00:09:52,009 --> 00:09:49,560

around that event like you can have what

228

00:09:55,009 --> 00:09:52,019

would happen with the uh the Whitmore

229

00:09:56,690 --> 00:09:55,019

kidnapping plot in Michigan what's

230

00:09:58,730 --> 00:09:56,700

happening with Patriot front remember

231

00:10:00,670 --> 00:09:58,740

the guys with the shields yeah they're

232

00:10:03,110 --> 00:10:00,680

out of the news

233

00:10:05,389 --> 00:10:03,120

it's come to light that you know The

234

00:10:07,250 --> 00:10:05,399

Oath Keepers that were had multiple

235

00:10:09,829 --> 00:10:07,260

informants in there then you had like

236

00:10:11,570 --> 00:10:09,839

the World Trade Center bombing of 93

237

00:10:13,670 --> 00:10:11,580

their informants in there so I think

238

00:10:15,350 --> 00:10:13,680

something similar like that may be

239

00:10:17,570 --> 00:10:15,360

happening with the alien abduction

240

00:10:18,590 --> 00:10:17,580

phenomena there's really there really

241

00:10:21,829 --> 00:10:18,600

are

242

00:10:24,410 --> 00:10:21,839

true strange abduction events but then

243

00:10:27,410 --> 00:10:24,420

there are the faked ones that are

244

00:10:29,150 --> 00:10:27,420

promoted and you get certain messages uh

245

00:10:31,370 --> 00:10:29,160

like the the military probably wouldn't

246

00:10:35,110 --> 00:10:31,380

be abducting people back in the 1700s

247

00:10:37,850 --> 00:10:35,120

there are I've I've read or they did

248

00:10:39,650 --> 00:10:37,860

slavery well sure in that instance but

249

00:10:43,009 --> 00:10:39,660

not they I to my knowledge they weren't

250

00:10:45,230 --> 00:10:43,019

dressing up like green people from Mars

251
00:10:48,650 --> 00:10:45,240
and then enslaving those people that

252
00:10:50,269 --> 00:10:48,660
would be about it yeah probably not

253
00:10:52,550 --> 00:10:50,279
um and I've read stories like that on

254
00:10:54,430 --> 00:10:52,560
the show where there there have been

255
00:10:56,930 --> 00:10:54,440
people that have been abducted by

256
00:10:59,569 --> 00:10:56,940
supposedly creatures from the underworld

257
00:11:02,750 --> 00:10:59,579
centuries ago yeah centuries ago this

258
00:11:05,750 --> 00:11:02,760
weird things I I so I think that there

259
00:11:07,370 --> 00:11:05,760
it's a mixed bag there and that the

260
00:11:09,949 --> 00:11:07,380
overall message that people are getting

261
00:11:12,050 --> 00:11:09,959
about uh the environment in a one world

262
00:11:14,509 --> 00:11:12,060
government that kind of thing maybe that

263
00:11:18,769 --> 00:11:14,519

is that's more of a military style

264

00:11:21,170 --> 00:11:18,779

abduction to start planting the seed

265

00:11:23,449 --> 00:11:21,180

through the countless Generations that

266

00:11:25,790 --> 00:11:23,459

this has been going on that the aliens

267

00:11:27,410 --> 00:11:25,800

are here and they want to help us and

268

00:11:29,269 --> 00:11:27,420

they have a vision for a one world

269

00:11:31,790 --> 00:11:29,279

government it's possible that would be

270

00:11:35,569 --> 00:11:31,800

an ultra high level operation

271

00:11:38,449 --> 00:11:35,579

uh well past the uh the purview of the

272

00:11:40,930 --> 00:11:38,459

presidency or any Administration and it

273

00:11:43,490 --> 00:11:40,940

just remains a policy in place

274

00:11:45,230 --> 00:11:43,500

throughout it's like a forever policy

275

00:11:48,410 --> 00:11:45,240

one of those forever policies that's

276

00:11:51,350 --> 00:11:48,420

been going on since like World War II

277

00:11:54,230 --> 00:11:51,360

it's a foreign policy in place that no

278

00:11:56,210 --> 00:11:54,240

matter what administrations Empower it

279

00:11:58,850 --> 00:11:56,220

continues to persist

280

00:12:00,769 --> 00:11:58,860

something like that

281

00:12:03,590 --> 00:12:00,779

are they helping us

282

00:12:05,870 --> 00:12:03,600

who the aliens yeah I don't think that I

283

00:12:08,329 --> 00:12:05,880

mean if they're helping us it's not

284

00:12:10,850 --> 00:12:08,339

anything overt there's there's nothing

285

00:12:12,710 --> 00:12:10,860

anything obvious that's going on that we

286

00:12:14,210 --> 00:12:12,720

can point to and say hey thanks alien

287

00:12:16,730 --> 00:12:14,220

thanks for planting the tree thanks for

288

00:12:18,949 --> 00:12:16,740

mowing my lawn thanks for turning this

289

00:12:20,630 --> 00:12:18,959

cow inside out yeah I was looking to do

290

00:12:22,870 --> 00:12:20,640

that on the weekend I just ran out of

291

00:12:25,069 --> 00:12:22,880

time I was trying to remove cow tongues

292

00:12:26,630 --> 00:12:25,079

but uh

293

00:12:29,630 --> 00:12:26,640

and I had to go to work

294

00:12:31,130 --> 00:12:29,640

yeah there's nothing there's nothing in

295

00:12:33,110 --> 00:12:31,140

like your everyday life that you can

296

00:12:35,810 --> 00:12:33,120

point to and say hey thanks alien not

297

00:12:39,230 --> 00:12:35,820

unless you believe all the technology we

298

00:12:40,329 --> 00:12:39,240

used you we currently use was seated by

299

00:12:43,790 --> 00:12:40,339

the

300

00:12:44,690 --> 00:12:43,800

Roswell crash of like 47 which some

301
00:12:48,050 --> 00:12:44,700
people

302
00:12:48,910 --> 00:12:48,060
believe I'm kind of up in here about

303
00:12:51,590 --> 00:12:48,920
um

304
00:12:52,910 --> 00:12:51,600
aliens they could start a really dope

305
00:12:54,650 --> 00:12:52,920
moving company

306
00:12:56,150 --> 00:12:54,660
you know what I mean you get like if you

307
00:13:00,129 --> 00:12:56,160
wanted to move from California to

308
00:13:02,509 --> 00:13:00,139
Florida yeah two aliens in a truck

309
00:13:05,329 --> 00:13:02,519
two aliens in a truck you have bleep

310
00:13:07,550 --> 00:13:05,339
bloop and Fibber McGee on the side of a

311
00:13:08,889 --> 00:13:07,560
truck and then he's like skater and what

312
00:13:10,910 --> 00:13:08,899
aliens

313
00:13:13,490 --> 00:13:10,920

and they'll take your stuff across

314

00:13:16,129 --> 00:13:13,500

country in a UFO and then they'll

315

00:13:20,269 --> 00:13:17,930

after they're done abducting you and

316

00:13:22,069 --> 00:13:20,279

molesting you and they're in their [h__h]

317

00:13:24,650 --> 00:13:22,079

I do want to warn is somebody who's used

318

00:13:27,710 --> 00:13:24,660

that service so what they do is they uh

319

00:13:30,170 --> 00:13:27,720

they use a um a beaming system to like

320

00:13:32,090 --> 00:13:30,180

break down all your stuff into its

321

00:13:34,009 --> 00:13:32,100

individual molecules and atoms and they

322

00:13:34,850 --> 00:13:34,019

reconstitute at the other end but they

323

00:13:36,530 --> 00:13:34,860

don't pay attention how they

324

00:13:38,030 --> 00:13:36,540

reconstitute it oh yeah you gotta watch

325

00:13:39,889 --> 00:13:38,040

it yeah let's do it get the same amount

326

00:13:42,110 --> 00:13:39,899

of mass back but you don't get all your

327

00:13:44,329 --> 00:13:42,120

stuff it's it's like a Star Trek

328

00:13:46,250 --> 00:13:44,339

transporter uh they can take you apart

329

00:13:48,410 --> 00:13:46,260

real easily it's the putting you back

330

00:13:50,810 --> 00:13:48,420

together in the proper order that's the

331

00:13:54,050 --> 00:13:50,820

tricky part yeah do not put your pets in

332

00:13:56,769 --> 00:13:54,060

there toilet seat is made up of all your

333

00:13:59,329 --> 00:13:56,779

knives and silverware oh my God yeah

334

00:14:00,710 --> 00:13:59,339

oops I guess I guess you'll have to use

335

00:14:03,110 --> 00:14:00,720

it if you got to take a crap but it's

336

00:14:06,350 --> 00:14:03,120

going to be pretty painful

337

00:14:08,690 --> 00:14:06,360

well hey thank you for writing in I uh I

338

00:14:12,829 --> 00:14:08,700

I do like these these bigger questions

339

00:14:15,530 --> 00:14:12,839

about the the phenomenon and uh you know

340

00:14:17,090 --> 00:14:15,540

you bring up points where we don't often

341

00:14:20,150 --> 00:14:17,100

talk about these these broader things

342

00:14:23,269 --> 00:14:20,160

but I uh I like it so thanks for writing

343

00:14:26,090 --> 00:14:23,279

in and we'll move on I have a couple

344

00:14:29,210 --> 00:14:26,100

more headlines here that may fall in

345

00:14:29,220 --> 00:14:36,370

foreign

346

00:14:41,569 --> 00:14:39,170

all right here we go so

347

00:14:43,490 --> 00:14:41,579

as a related headline here I'll bring

348

00:14:46,310 --> 00:14:43,500

this up

349

00:14:47,870 --> 00:14:46,320

we just have a lot of headlines right

350

00:14:51,230 --> 00:14:47,880

here bring this up on screen oh yes

351
00:14:55,790 --> 00:14:51,240
headline fewer people are skeptical of

352
00:14:56,930 --> 00:14:55,800
alien visitation now than in the 1990s

353
00:14:58,910 --> 00:14:56,940
yes

354
00:15:02,230 --> 00:14:58,920
absolutely

355
00:15:07,310 --> 00:15:04,790
okay I think my uh

356
00:15:08,870 --> 00:15:07,320
hold on a second what'd you do I think

357
00:15:10,670 --> 00:15:08,880
so so my sound drops are not working

358
00:15:13,310 --> 00:15:10,680
yeah

359
00:15:14,990 --> 00:15:13,320
interesting

360
00:15:17,210 --> 00:15:15,000
yeah like I have like a bunch of sound

361
00:15:19,189 --> 00:15:17,220
drops that I should have open and they

362
00:15:20,990 --> 00:15:19,199
should play but they're not

363
00:15:22,790 --> 00:15:21,000

they're not playing at all

364

00:15:24,889 --> 00:15:22,800

just just make the noises yourself then

365

00:15:26,329 --> 00:15:24,899

okay I'll try well I'll just read his

366

00:15:27,889 --> 00:15:26,339

headline here and hopefully the The

367

00:15:29,990 --> 00:15:27,899

Sounds will come back

368

00:15:31,970 --> 00:15:30,000

all right

369

00:15:34,069 --> 00:15:31,980

um a new

370

00:15:36,290 --> 00:15:34,079

you go poll

371

00:15:38,210 --> 00:15:36,300

has indicated that more people now

372

00:15:41,329 --> 00:15:38,220

believe that UFOs may be

373

00:15:42,730 --> 00:15:41,339

extraterrestrial in origin so I guess uh

374

00:15:45,170 --> 00:15:42,740

at the previous

375

00:15:46,970 --> 00:15:45,180

uh conversation we had like about this

376
00:15:48,949 --> 00:15:46,980
partially being a psyop well then I

377
00:15:51,650 --> 00:15:48,959
guess the psyop's working

378
00:15:53,689 --> 00:15:51,660
uh the survey which asked a random

379
00:15:55,850 --> 00:15:53,699
selection of the U.S population about

380
00:15:57,949 --> 00:15:55,860
their views on UFOs and extraterrestrial

381
00:16:00,230 --> 00:15:57,959
life provided an interesting insight

382
00:16:02,689 --> 00:16:00,240
into opinions on the phenomenon and

383
00:16:05,269 --> 00:16:02,699
indicated a significant increase in the

384
00:16:08,509 --> 00:16:05,279
level of belief in alien life since the

385
00:16:12,710 --> 00:16:08,519
1990s when asked do you believe that

386
00:16:16,009 --> 00:16:12,720
UFOs are probably alien ships or alien

387
00:16:19,550 --> 00:16:16,019
life forms or they have some natural

388
00:16:22,370 --> 00:16:19,560

scientific explanation the results were

389

00:16:25,490 --> 00:16:22,380

almost a three-way tie with 34 percent

390

00:16:27,670 --> 00:16:25,500

saying UFOs are aliens

391

00:16:31,250 --> 00:16:27,680

uh 32

392

00:16:34,730 --> 00:16:31,260

saying that they don't know and another

393

00:16:38,329 --> 00:16:34,740

uh oh I'm sorry 34 saying it's aliens

394

00:16:41,509 --> 00:16:38,339

and then 34 saying they don't know and

395

00:16:44,090 --> 00:16:41,519

then 32 saying that UFOs had a natural

396

00:16:47,090 --> 00:16:44,100

explanation

397

00:16:50,749 --> 00:16:47,100

when the same question was posed in 1996

398

00:16:53,930 --> 00:16:50,759

only 20 said aliens 29 said they don't

399

00:16:57,769 --> 00:16:53,940

know and a whopping 51 believed that

400

00:17:00,470 --> 00:16:57,779

there was a natural explanation so quite

401
00:17:02,930 --> 00:17:00,480
a significant change since the 90s

402
00:17:05,390 --> 00:17:02,940
another poll conducted at the time uh

403
00:17:07,789 --> 00:17:05,400
which asked whether we are likely to

404
00:17:10,250 --> 00:17:07,799
make contact with an intelligent alien

405
00:17:12,770 --> 00:17:10,260
within the next 50 years found that only

406
00:17:15,049 --> 00:17:12,780
four percent said yes well the same

407
00:17:17,750 --> 00:17:15,059
question posed in 2022 yielded the

408
00:17:20,510 --> 00:17:17,760
result of 13 percent

409
00:17:24,650 --> 00:17:20,520
uh for those who voted no uh the figure

410
00:17:26,870 --> 00:17:24,660
had reduced from 69 to 39 percent

411
00:17:29,930 --> 00:17:26,880
uh for the survey yougov also asked

412
00:17:31,430 --> 00:17:29,940
people who had personally witnessed UFO

413
00:17:33,650 --> 00:17:31,440

whether they believed it was alien and

414

00:17:37,490 --> 00:17:33,660

origin or something with a conventional

415

00:17:41,150 --> 00:17:37,500

explanation 34 said they believed it was

416

00:17:43,850 --> 00:17:41,160

alien well 43 thought it was a natural

417

00:17:46,970 --> 00:17:43,860

phenomenon the remaining 23 meanwhile

418

00:17:50,270 --> 00:17:46,980

simply stated that they weren't sure one

419

00:17:52,909 --> 00:17:50,280

way or another so uh the public is being

420

00:17:55,970 --> 00:17:52,919

swayed uh since the 90s

421

00:18:00,350 --> 00:17:55,980

certainly it seems like the public is

422

00:18:01,669 --> 00:18:00,360

ready to accept an alien presence or or

423

00:18:02,930 --> 00:18:01,679

the they're at least ready for the

424

00:18:06,770 --> 00:18:02,940

government to say

425

00:18:10,669 --> 00:18:06,780

the things flying in our skies are

426

00:18:15,049 --> 00:18:10,679

aliens and they maybe hear

427

00:18:17,390 --> 00:18:15,059

contacting us let's do it possible

428

00:18:20,570 --> 00:18:17,400

we should send up our best planes and

429

00:18:22,549 --> 00:18:20,580

shoot at them uh I think they tried that

430

00:18:28,490 --> 00:18:22,559

in the 50s

431

00:18:31,909 --> 00:18:28,500

believe one of our uh brand new Jets at

432

00:18:34,909 --> 00:18:31,919

the time uh I think it got taken down

433

00:18:36,730 --> 00:18:34,919

it was destroyed

434

00:18:38,570 --> 00:18:36,740

oh boy

435

00:18:40,070 --> 00:18:38,580

I've been so flustered here I haven't

436

00:18:42,350 --> 00:18:40,080

even comb my hair for a one on air all

437

00:18:44,630 --> 00:18:42,360

right my sound bites are working again

438

00:18:45,650 --> 00:18:44,640

I do I had to Joe I had to clear the

439

00:18:47,570 --> 00:18:45,660

memory

440

00:18:49,970 --> 00:18:47,580

reboot the app

441

00:18:52,370 --> 00:18:49,980

and then clear the memory again

442

00:18:54,830 --> 00:18:52,380

how about that what's the app

443

00:18:56,810 --> 00:18:54,840

uh I'm just using quit time for some of

444

00:18:59,990 --> 00:18:56,820

my uh my newer

445

00:19:02,690 --> 00:19:00,000

sound bites but it's stupid it just ran

446

00:19:04,909 --> 00:19:02,700

out of the memory so quick time did

447

00:19:06,830 --> 00:19:04,919

QuickTime ran out of memory apple is

448

00:19:08,390 --> 00:19:06,840

[h__h] in the bed dude I don't know if I

449

00:19:11,510 --> 00:19:08,400

said it on the show but like at one

450

00:19:14,090 --> 00:19:11,520

point actually two points the computer

451
00:19:16,789 --> 00:19:14,100
wasn't taken a charge from the charger

452
00:19:18,950 --> 00:19:16,799
it came with until I restarted the

453
00:19:21,950 --> 00:19:18,960
computer what the [h__\h] is that about

454
00:19:25,070 --> 00:19:21,960
is that one of those new M1 Max yeah

455
00:19:28,430 --> 00:19:25,080
okay yeah I've had significant sound

456
00:19:31,070 --> 00:19:28,440
issues with the brand new M1 Mac

457
00:19:34,610 --> 00:19:31,080
whereas my my previous computer was the

458
00:19:36,710 --> 00:19:34,620
Mac Intel and it was a beast I could I

459
00:19:39,710 --> 00:19:36,720
could load it up with a bunch of

460
00:19:41,810 --> 00:19:39,720
resource consuming applications and it

461
00:19:43,789 --> 00:19:41,820
didn't crash and I didn't have any like

462
00:19:45,470 --> 00:19:43,799
flubbing of sounds or applications that

463
00:19:47,990 --> 00:19:45,480

just wouldn't play anything it seemed to

464

00:19:51,289 --> 00:19:48,000

handle it very well but now my new M1

465

00:19:53,990 --> 00:19:51,299

Mac uh it seems like you you have one

466

00:19:56,450 --> 00:19:54,000

application open it does that very well

467

00:19:59,690 --> 00:19:56,460

but when you're organizing a large show

468

00:20:02,450 --> 00:19:59,700

like this uh it seems to falter quite a

469

00:20:04,310 --> 00:20:02,460

bit they got some work to do I I agree

470

00:20:08,090 --> 00:20:04,320

even though it seems like everyone's

471

00:20:10,730 --> 00:20:08,100

going goofy over this new M1 chip I'm

472

00:20:12,830 --> 00:20:10,740

I'm impressed uh you know what I am

473

00:20:14,690 --> 00:20:12,840

impressed because it starts up if you do

474

00:20:17,630 --> 00:20:14,700

have to restart it's like up and running

475

00:20:20,870 --> 00:20:17,640

within like 20 seconds it's crazy okay

476
00:20:23,150 --> 00:20:20,880
that's nice but you can get that because

477
00:20:24,350 --> 00:20:23,160
it doesn't really turn off like the

478
00:20:27,470 --> 00:20:24,360
computer doesn't really turn off anymore

479
00:20:30,890 --> 00:20:27,480
oh that all that uh like active memory

480
00:20:34,310 --> 00:20:30,900
is still living in in the kernel that

481
00:20:36,710 --> 00:20:34,320
kernel keeps alive and uh it makes it

482
00:20:38,690 --> 00:20:36,720
for a fast boot so that's nice I agree

483
00:20:42,230 --> 00:20:38,700
with that

484
00:20:45,529 --> 00:20:42,240
all right well um I'll move on here real

485
00:20:50,690 --> 00:20:48,230
and because it is Saturday

486
00:20:53,029 --> 00:20:50,700
I think I'll treat everyone

487
00:20:56,090 --> 00:20:53,039
to a brand new micro song

488
00:20:58,370 --> 00:20:56,100

oh yes a brand new micro song is this

489

00:21:00,770 --> 00:20:58,380

one about micro no this is not about

490

00:21:02,150 --> 00:21:00,780

micro the guy from Dirty Jobs I I

491

00:21:03,710 --> 00:21:02,160

haven't been able to write that one yet

492

00:21:05,870 --> 00:21:03,720

I've been a little bit of writer block

493

00:21:07,490 --> 00:21:05,880

on that one

494

00:21:09,950 --> 00:21:07,500

but I got a brand new one people are

495

00:21:13,090 --> 00:21:09,960

loving the micro songs and here's a

496

00:21:15,070 --> 00:21:13,100

brand new one called smell the chickens

497

00:21:17,940 --> 00:21:15,080

oh yeah

498

00:21:24,130 --> 00:21:17,950

here we go

499

00:21:30,470 --> 00:21:26,040

[Music]

500

00:21:32,270 --> 00:21:30,480

[Laughter]

501
00:21:37,190 --> 00:21:32,280

here we go

502
00:21:40,010 --> 00:21:37,200

I sing this song you're moving I I sing

503
00:21:41,330 --> 00:21:40,020

that song to my dog when I uh take him

504
00:21:43,149 --> 00:21:41,340

out for a walk around the property

505
00:21:45,710 --> 00:21:43,159

because he's always smelling the chicken

506
00:21:48,470 --> 00:21:45,720

and then I was like I smell the chickens

507
00:21:50,870 --> 00:21:48,480

too and then I go like we smell the

508
00:21:53,810 --> 00:21:50,880

chickens and you know it's a little song

509
00:21:56,330 --> 00:21:53,820

we sing together you're bonding yeah

510
00:21:58,010 --> 00:21:56,340

it's a song about bonding yeah I would

511
00:21:59,510 --> 00:21:58,020

like to request an acoustic version of

512
00:22:02,450 --> 00:21:59,520

that song Oh you think I should take it

513
00:22:04,130 --> 00:22:02,460

to unplug yes you know okay the ukulele

514

00:22:06,529 --> 00:22:04,140

version

515

00:22:08,930 --> 00:22:06,539

I guess you do an unplug though we smell

516

00:22:10,730 --> 00:22:08,940

the chicken song well maybe keep that on

517

00:22:12,710 --> 00:22:10,740

your back pocket for The Encore you come

518

00:22:14,570 --> 00:22:12,720

back out we do acoustic version of we

519

00:22:16,909 --> 00:22:14,580

smell the chickens yeah I'll see if I

520

00:22:19,789 --> 00:22:16,919

can maybe when MTV starts up unplugged

521

00:22:22,130 --> 00:22:19,799

again they'll invite me out there first

522

00:22:26,210 --> 00:22:22,140

episode uh special uh unplugged with

523

00:22:28,430 --> 00:22:26,220

this guy with doing micro songs

524

00:22:30,230 --> 00:22:28,440

God what a boring show that would be I

525

00:22:31,970 --> 00:22:30,240

bet it would be Snappy the songs would

526

00:22:34,010 --> 00:22:31,980

move along very quick

527

00:22:35,930 --> 00:22:34,020

you know and I don't know maybe there's

528

00:22:40,029 --> 00:22:35,940

something to it

529

00:22:42,289 --> 00:22:40,039

I bet MTV could uh get Mike Rowe there

530

00:22:43,730 --> 00:22:42,299

they got the poll they could probably

531

00:22:45,890 --> 00:22:43,740

make some calls and get them on the show

532

00:22:48,350 --> 00:22:45,900

for me

533

00:22:49,789 --> 00:22:48,360

all right uh just one more quick little

534

00:22:52,130 --> 00:22:49,799

headline here

535

00:22:54,950 --> 00:22:52,140

this is a [h__h] show

536

00:22:58,549 --> 00:22:54,960

and then I'll uh I'll pass it I'll pass

537

00:23:00,590 --> 00:22:58,559

the torch to to Joe over there

538

00:23:03,950 --> 00:23:00,600

uh but here's just a quick little

539

00:23:06,770 --> 00:23:03,960

headline for everyone out there

540

00:23:10,430 --> 00:23:06,780

bring this up on screen

541

00:23:16,669 --> 00:23:10,440

uh remains of real life three meter tall

542

00:23:21,289 --> 00:23:18,710

okay well

543

00:23:23,630 --> 00:23:21,299

these uh this storyline when I read the

544

00:23:26,270 --> 00:23:23,640

headline it reminded me of the story I

545

00:23:28,370 --> 00:23:26,280

read about uh Hollow Earth

546

00:23:31,669 --> 00:23:28,380

and I talked about Hollow Earth and how

547

00:23:34,310 --> 00:23:31,679

uh before the great cataclysm that

548

00:23:36,070 --> 00:23:34,320

brought the The Ice Age there was a race

549

00:23:40,549 --> 00:23:36,080

of little people that lived in the north

550

00:23:41,330 --> 00:23:40,559

and they were doing battle with uh with

551
00:24:32,450 --> 00:23:41,340

a

552
00:24:36,649 --> 00:24:32,460

of uh

553
00:24:37,789 --> 00:24:36,659

of a larger dinosaur than anything alive

554
00:24:40,610 --> 00:24:37,799

today

555
00:24:42,950 --> 00:24:40,620

uh closer to closer in size to large

556
00:24:46,730 --> 00:24:42,960

thorough pod dinosaurs you know what a

557
00:24:48,490 --> 00:24:46,740

thorough pod is scratched oh a thoropod

558
00:24:51,710 --> 00:24:48,500

thorough pod

559
00:24:54,049 --> 00:24:51,720

some I don't know what a thorough pot is

560
00:24:55,610 --> 00:24:54,059

uh now paleontologists working Australia

561
00:24:57,950 --> 00:24:55,620

have discovered what is thought to be

562
00:25:00,169 --> 00:24:57,960

the fossil remains of the biggest bird

563
00:25:02,750 --> 00:25:00,179

that ever existed well what about Big

564

00:25:04,010 --> 00:25:02,760

Bird that's a pretty big bird yeah what

565

00:25:06,590 --> 00:25:04,020

the hell

566

00:25:08,090 --> 00:25:06,600

I think they're kind of like sidelining

567

00:25:10,490 --> 00:25:08,100

that guy but okay so I think I think it

568

00:25:13,250 --> 00:25:10,500

referred to theropods seropods yes it's

569

00:25:15,010 --> 00:25:13,260

just it's a line of dinosaurs that walk

570

00:25:20,529 --> 00:25:15,020

upright

571

00:25:26,690 --> 00:25:24,409

well this prehistoric Beast which roamed

572

00:25:29,390 --> 00:25:26,700

the Earth millions of years ago was like

573

00:25:32,690 --> 00:25:29,400

an ostrich on steroids standing at a

574

00:25:36,470 --> 00:25:32,700

height up to three meters tall and

575

00:25:39,230 --> 00:25:36,480

weighing a staggering 500 Kilograms wow

576

00:25:41,450 --> 00:25:39,240

so 500 Kilograms that's about uh a

577

00:25:46,669 --> 00:25:41,460

thousand pounds

578

00:25:49,190 --> 00:25:46,679

then three meters is about 12 feet tall

579

00:25:51,430 --> 00:25:49,200

so that's a giant bird that's bigger

580

00:25:54,710 --> 00:25:51,440

than big bird 10 feet

581

00:25:58,490 --> 00:25:54,720

uh this latest fossil discovery which uh

582

00:26:00,169 --> 00:25:58,500

was Unearthed uh let's see here in the

583

00:26:02,570 --> 00:26:00,179

northeast of Alex Springs will hopefully

584

00:26:05,750 --> 00:26:02,580

help experts learn about the true size

585

00:26:08,149 --> 00:26:05,760

of these prehistoric giants uh it is

586

00:26:10,370 --> 00:26:08,159

even possible that more of the skeletons

587

00:26:13,190 --> 00:26:10,380

uh skeleton is buried nearby just

588

00:26:16,310 --> 00:26:13,200

waiting to be found so you can see these

589

00:26:18,769 --> 00:26:16,320

huge Bones on on screen

590

00:26:21,470 --> 00:26:18,779

right here and they're giant giant ass

591

00:26:24,169 --> 00:26:21,480

bird bones I guess

592

00:26:26,570 --> 00:26:24,179

uh that's okay

593

00:26:28,490 --> 00:26:26,580

and from those three bones they will be

594

00:26:29,690 --> 00:26:28,500

able to tell you exactly how big or what

595

00:26:30,590 --> 00:26:29,700

this thing looked like and all that

596

00:26:32,630 --> 00:26:30,600

stuff

597

00:26:34,730 --> 00:26:32,640

I guess so

598

00:26:36,470 --> 00:26:34,740

uh that's that's what they're claiming

599

00:26:38,630 --> 00:26:36,480

here that's what the archaeologist and

600

00:26:40,190 --> 00:26:38,640

the paleontologists are claiming with

601
00:26:42,590 --> 00:26:40,200
this stuff

602
00:26:44,510 --> 00:26:42,600
uh I would uh

603
00:26:46,070 --> 00:26:44,520
I would just say hey what about Hollow

604
00:26:47,690 --> 00:26:46,080
Earth what about the pygmies are we

605
00:26:49,789 --> 00:26:47,700
forget about them

606
00:26:52,549 --> 00:26:49,799
they matter too you know I want to know

607
00:26:55,730 --> 00:26:52,559
about Big Bird what species is he or her

608
00:26:58,070 --> 00:26:55,740
or sure I think technically uh big birds

609
00:26:59,810 --> 00:26:58,080
classified as a muppet right

610
00:27:01,850 --> 00:26:59,820
he's not a Fraggie

611
00:27:04,070 --> 00:27:01,860
uh I thought a muppet had to have

612
00:27:06,049 --> 00:27:04,080
somebody's hand up their ass oh you're

613
00:27:08,450 --> 00:27:06,059

right because I mean so

614

00:27:10,610 --> 00:27:08,460

I guess technically Big Bird's a monster

615

00:27:13,190 --> 00:27:10,620

then

616

00:27:15,890 --> 00:27:13,200

a horribly disfigured monster roaming

617

00:27:17,090 --> 00:27:15,900

the Earth seeking some sort of

618

00:27:19,149 --> 00:27:17,100

I don't know I don't know he's

619

00:27:21,230 --> 00:27:19,159

classified as but

620

00:27:23,330 --> 00:27:21,240

by the way did you say Big Bird's

621

00:27:25,370 --> 00:27:23,340

costume is eight feet two inches tall

622

00:27:27,169 --> 00:27:25,380

not quite as tall as this uh large

623

00:27:28,010 --> 00:27:27,179

12-foot dinosaur they found in Australia

624

00:27:29,510 --> 00:27:28,020

but

625

00:27:31,070 --> 00:27:29,520

okay

626
00:27:34,010 --> 00:27:31,080
all right just so there's some bird news

627
00:27:40,510 --> 00:27:34,020
for everyone out there we'll move on

628
00:27:44,330 --> 00:27:42,769
[Music]

629
00:27:46,010 --> 00:27:44,340
did you know it's time for the Joe show

630
00:27:49,250 --> 00:27:46,020
Joe

631
00:27:52,190 --> 00:27:49,260
this this tends to happen

632
00:27:54,230 --> 00:27:52,200
Saturdays yeah it's all right

633
00:27:55,850 --> 00:27:54,240
so I avoided the current events but

634
00:27:59,029 --> 00:27:55,860
there's been a lot of like things are

635
00:28:01,610 --> 00:27:59,039
going the accelerationism continues

636
00:28:03,370 --> 00:28:01,620
so what are we accelerating towards

637
00:28:06,710 --> 00:28:03,380
God knows

638
00:28:08,269 --> 00:28:06,720

these Maniacs yeah Biden said that I

639

00:28:10,130 --> 00:28:08,279

don't have anything on clips for that

640

00:28:12,649 --> 00:28:10,140

but people there are Clips out there but

641

00:28:15,710 --> 00:28:12,659

anyway the pipeline that all got blowed

642

00:28:17,630 --> 00:28:15,720

up and you know it's a crime to say that

643

00:28:20,090 --> 00:28:17,640

the United States or some you know

644

00:28:22,669 --> 00:28:20,100

partner with the United States

645

00:28:25,610 --> 00:28:22,679

did this you know because obviously

646

00:28:28,970 --> 00:28:25,620

Putin did it hold on Joe I I heard

647

00:28:30,950 --> 00:28:28,980

actually that nordstream 2 was not

648

00:28:34,370 --> 00:28:30,960

damaged and that uh that there's

649

00:28:36,350 --> 00:28:34,380

actually some debate over if both of

650

00:28:38,810 --> 00:28:36,360

them were destroyed or only one true

651
00:28:39,710 --> 00:28:38,820
true yeah and I haven't confirmed either

652
00:28:41,930 --> 00:28:39,720
but

653
00:28:46,250 --> 00:28:41,940
uh Aaron mate is really good on this

654
00:28:48,890 --> 00:28:46,260
he's uh yeah this week yeah he's he's

655
00:28:51,409 --> 00:28:48,900
really good he was on um Tucker Carlson

656
00:28:52,850 --> 00:28:51,419
too he's like apolitical when it comes

657
00:28:54,950 --> 00:28:52,860
to reporting the news although I think

658
00:28:57,230 --> 00:28:54,960
he is a lefty doesn't matter

659
00:28:59,510 --> 00:28:57,240
he actually works everyone strive to do

660
00:29:01,250 --> 00:28:59,520
that yeah he left here be on Tucker

661
00:29:03,470 --> 00:29:01,260
Carlson

662
00:29:05,269 --> 00:29:03,480
but he you know he was in Syria

663
00:29:07,430 --> 00:29:05,279

reporting on stuff that other people

664

00:29:09,710 --> 00:29:07,440

were just reading tweets about you know

665

00:29:12,590 --> 00:29:09,720

and taking government official

666

00:29:14,570 --> 00:29:12,600

sources say stuff but he's in there and

667

00:29:16,549 --> 00:29:14,580

so obviously he was demonized as a

668

00:29:19,130 --> 00:29:16,559

misinformation guy he famously called I

669

00:29:21,289 --> 00:29:19,140

can't remember which big newspaper and

670

00:29:23,330 --> 00:29:21,299

said so why did you say like I was the

671

00:29:25,789 --> 00:29:23,340

misinformation you didn't give one

672

00:29:28,370 --> 00:29:25,799

citation of evidence like any claim that

673

00:29:30,289 --> 00:29:28,380

I made and disprove it which is how they

674

00:29:32,330 --> 00:29:30,299

do it you know yeah Joe Biden didn't say

675

00:29:34,850 --> 00:29:32,340

negro three times in a speech or

676

00:29:37,130 --> 00:29:34,860

whatever it was information I know

677

00:29:39,049 --> 00:29:37,140

Joe Biden didn't say get vaccinated to

678

00:29:40,730 --> 00:29:39,059

protect yourself from hurricanes it was

679

00:29:43,070 --> 00:29:40,740

which hurricane did he say that

680

00:29:45,049 --> 00:29:43,080

chocolate chocolate chip it was the

681

00:29:47,630 --> 00:29:45,059

chocolate chocolate chip hurricane that

682

00:29:49,430 --> 00:29:47,640

sounds like a delicious hurricane open

683

00:29:51,409 --> 00:29:49,440

your mouth during that we're gonna go

684

00:29:52,669 --> 00:29:51,419

down to Florida for that one taking a

685

00:29:55,130 --> 00:29:52,679

bunch of garbage bags catch some

686

00:29:58,190 --> 00:29:55,140

chocolate chocolate chips it's like

687

00:29:59,210 --> 00:29:58,200

those money boots yeah how many

688

00:30:02,090 --> 00:29:59,220

chocolate chunk of chips can you grab

689

00:30:04,690 --> 00:30:02,100

out there in 140 mile an hour winds give

690

00:30:07,570 --> 00:30:04,700

us an email at our big thumb mouth
