

MISSING IN OKLAHOMA

1
00:00:00,299 --> 00:00:03,249
oh

2
00:00:08,509 --> 00:00:06,070
well

3
00:00:11,930 --> 00:00:08,519
as you know as people know I like to

4
00:00:14,209 --> 00:00:11,940
follow uh the missing person phenomenon

5
00:00:18,349 --> 00:00:14,219
the phenomenon that is known as missing

6
00:00:20,269 --> 00:00:18,359
missing 411 we're missing 4-1-1 as some

7
00:00:21,830 --> 00:00:20,279
people like to say I think that might be

8
00:00:24,470 --> 00:00:21,840
the proper way to say it

9
00:00:27,650 --> 00:00:24,480
uh and that this story is not

10
00:00:31,189 --> 00:00:27,660
necessarily a missing 4-1-1 case but

11
00:00:33,530 --> 00:00:31,199
it's so peculiar so odd that I gotta

12
00:00:36,290 --> 00:00:33,540
bring it up

13
00:00:39,530 --> 00:00:36,300

um and discuss it so it it's not

14

00:00:40,850 --> 00:00:39,540

confirmed that if it's a Missing 411

15

00:00:44,450 --> 00:00:40,860

profile

16

00:00:46,670 --> 00:00:44,460

but very uh very strange indeed to have

17

00:00:48,770 --> 00:00:46,680

this set of circumstance happen

18

00:00:51,170 --> 00:00:48,780

and I did a little digging in the area

19

00:00:54,110 --> 00:00:51,180

too pre-show uh so I'll bring the

20

00:00:56,150 --> 00:00:54,120

headline up here

21

00:00:58,910 --> 00:00:56,160

and this is

22

00:01:02,270 --> 00:00:58,920

mystery surrounds case of four men who

23

00:01:05,630 --> 00:01:02,280

disappeared while on a bike ride and

24

00:01:07,490 --> 00:01:05,640

this was written October 15th uh there

25

00:01:08,870 --> 00:01:07,500

has been updates since the store but let

26

00:01:12,230 --> 00:01:08,880

me read through it I got some news

27

00:01:15,710 --> 00:01:12,240

reports we will play uh it's just a very

28

00:01:18,170 --> 00:01:15,720

curious I I I can't recall like the last

29

00:01:21,649 --> 00:01:18,180

time I heard a story where four adult

30

00:01:25,310 --> 00:01:21,659

men all went missing at the same time

31

00:01:29,030 --> 00:01:25,320

typically in the missing 4-1-1 it's uh a

32

00:01:33,410 --> 00:01:29,040

single person that uh is it goes off on

33

00:01:35,630 --> 00:01:33,420

trail alone or is uh gets separated from

34

00:01:37,730 --> 00:01:35,640

their family or friends and then they're

35

00:01:41,270 --> 00:01:37,740

never seen from again or they've they're

36

00:01:44,149 --> 00:01:41,280

found later dead a typically near a

37

00:01:46,550 --> 00:01:44,159

river or stream or a body of water

38

00:01:49,550 --> 00:01:46,560

those are closed neatly neatly folded

39

00:01:51,950 --> 00:01:49,560

with their clothes uh

40

00:01:53,270 --> 00:01:51,960

arranged in a very peculiar way yeah

41

00:01:55,190 --> 00:01:53,280

exactly

42

00:01:57,530 --> 00:01:55,200

uh so I'll read this a little bit so

43

00:01:59,389 --> 00:01:57,540

four four cyclists who set off from

44

00:02:02,630 --> 00:01:59,399

their homes in Oklahoma last weekend

45

00:02:04,789 --> 00:02:02,640

have since disappeared Without a Trace

46

00:02:07,730 --> 00:02:04,799

police in Oklahoma have been conducting

47

00:02:11,690 --> 00:02:07,740

an investigation into the case of four

48

00:02:15,650 --> 00:02:11,700

men Mark uh chaston 32 Billy chaston 30.

49

00:02:17,330 --> 00:02:15,660

Mike Sparks uh 32 and Alex Stevens 29

50

00:02:22,130 --> 00:02:17,340

who set off from

51

00:02:28,130 --> 00:02:23,570

Oklahoma

52

00:02:30,410 --> 00:02:28,140

it's Oak moo G we have to look at it uh

53

00:02:32,930 --> 00:02:30,420

Oklahoma last Sunday morning on a bike

54

00:02:34,190 --> 00:02:32,940

ride and they never came back the

55

00:02:35,330 --> 00:02:34,200

circumstances surrounding their

56

00:02:40,729 --> 00:02:35,340

disappearance

57

00:02:42,830 --> 00:02:40,739

strange because it is highly unusual for

58

00:02:43,970 --> 00:02:42,840

four people to go missing at the same

59

00:02:46,970 --> 00:02:43,980

time

60

00:02:48,949 --> 00:02:46,980

I can't make sense of of an actual set

61

00:02:51,589 --> 00:02:48,959

of circumstances because it is so

62

00:02:53,809 --> 00:02:51,599

unusual said the police chief

63

00:02:55,910 --> 00:02:53,819

at this point the evidence tells me that

64

00:02:57,830 --> 00:02:55,920

I have four missing adults I have no

65

00:03:00,170 --> 00:02:57,840

evidence there's any violence involved

66

00:03:02,449 --> 00:03:00,180

at this point we always consider that a

67

00:03:04,309 --> 00:03:02,459

possibility in any missing person's case

68

00:03:05,750 --> 00:03:04,319

and we're not discounting that

69

00:03:08,750 --> 00:03:05,760

possibility

70

00:03:11,089 --> 00:03:08,760

but not Persons of Interest at this

71

00:03:12,949 --> 00:03:11,099

point only two of the men were thought

72

00:03:15,350 --> 00:03:12,959

to be carrying phones and police are

73

00:03:18,350 --> 00:03:15,360

currently investigating a salvage yard

74

00:03:20,990 --> 00:03:18,360

at which Mark chaston's phone was last

75

00:03:23,089 --> 00:03:21,000

pinged before it went silent

76

00:03:26,149 --> 00:03:23,099

It is believed that the men had visited

77

00:03:28,670 --> 00:03:26,159

two salvage yards and had also stopped

78

00:03:31,190 --> 00:03:28,680

off at a gas station officers are

79

00:03:34,970 --> 00:03:31,200

currently assisting through GPS data and

80

00:03:37,970 --> 00:03:34,980

CCTV footage in their hunt for Clues

81

00:03:40,610 --> 00:03:37,980

uh quote I know nothing and I'm feeling

82

00:03:42,410 --> 00:03:40,620

lost said Mark's wife I'm heartbroken

83

00:03:44,809 --> 00:03:42,420

I'm sad I have so many mixed emotions

84

00:03:47,030 --> 00:03:44,819

and thoughts at this point so there's an

85

00:03:49,789 --> 00:03:47,040

update to this article uh I will just go

86

00:03:52,309 --> 00:03:49,799

ahead and play the the news report here

87

00:03:54,229 --> 00:03:52,319

and then we'll wait so there's an update

88

00:03:56,449 --> 00:03:54,239

to the original story already there's an

89

00:03:58,490 --> 00:03:56,459

update to this so they went missing last

90

00:03:59,869 --> 00:03:58,500

weekend these men have been you're not

91

00:04:01,430 --> 00:03:59,879

going to give us any time to like wildly

92

00:04:03,710 --> 00:04:01,440

speculate first

93

00:04:05,449 --> 00:04:03,720

there's plenty of speculation at this

94

00:04:07,130 --> 00:04:05,459

point so we don't have a solution yet we

95

00:04:09,949 --> 00:04:07,140

don't have answers there's an update

96

00:04:12,770 --> 00:04:09,959

there's just an update uh there's no

97

00:04:14,449 --> 00:04:12,780

possible answers at this point but here

98

00:04:15,890 --> 00:04:14,459

is the kind of shades of the Yuba County

99

00:04:18,349 --> 00:04:15,900

five by the way

100

00:04:19,849 --> 00:04:18,359

what's that you be kind of is uh the

101
00:04:22,189 --> 00:04:19,859
Five Guys in like the 70s who went

102
00:04:24,530 --> 00:04:22,199
driving to where were they going Truckee

103
00:04:26,150 --> 00:04:24,540
or Chico California and they got turned

104
00:04:28,249 --> 00:04:26,160
around and lost in the woods and

105
00:04:29,930 --> 00:04:28,259
disappeared for months and

106
00:04:34,070 --> 00:04:29,940
all sorts of issues it was a famous one

107
00:04:36,170 --> 00:04:34,080
in the 70s did they uh have a massive

108
00:04:37,850 --> 00:04:36,180
search party like this did they did they

109
00:04:39,890 --> 00:04:37,860
uh

110
00:04:41,390 --> 00:04:39,900
oh yeah they found like they found the

111
00:04:42,710 --> 00:04:41,400
car and they found Footprints of these

112
00:04:44,270 --> 00:04:42,720
guys walking off into the woods and they

113
00:04:46,310 --> 00:04:44,280

weren't dressed for the weather and you

114

00:04:47,930 --> 00:04:46,320

know they there was a found one of the

115

00:04:49,189 --> 00:04:47,940

guys in a trailer or something but then

116

00:04:50,890 --> 00:04:49,199

so they found some of the some of the

117

00:04:53,150 --> 00:04:50,900

bodies they were called long time ago

118

00:04:54,290 --> 00:04:53,160

you have to take a look at that I'm not

119

00:04:55,790 --> 00:04:54,300

familiar with that case but I'll play

120

00:04:58,370 --> 00:04:55,800

this news report here it's only about a

121

00:05:00,530 --> 00:04:58,380

minute and a half ago police say it's

122

00:05:02,870 --> 00:05:00,540

too early to know if these are the four

123

00:05:04,850 --> 00:05:02,880

missing men but they have notified their

124

00:05:06,469 --> 00:05:04,860

families in case it turns out to be

125

00:05:08,510 --> 00:05:06,479

their loved ones

126

00:05:10,129 --> 00:05:08,520

I hope this ain't them but

127

00:05:15,590 --> 00:05:10,139

it's

128

00:05:18,230 --> 00:05:15,600

harjo is a friend of four men who

129

00:05:20,090 --> 00:05:18,240

disappeared Sunday night he pulled up to

130

00:05:22,730 --> 00:05:20,100

where police had sharp Road blocked off

131

00:05:24,110 --> 00:05:22,740

after Friday afternoons Discovery I

132

00:05:26,210 --> 00:05:24,120

would call evidence that there's

133

00:05:28,370 --> 00:05:26,220

potentially Foul Play involved Okmulgee

134

00:05:30,590 --> 00:05:28,380

police chief Joe prenton says just

135

00:05:32,689 --> 00:05:30,600

before two Friday afternoon someone

136

00:05:35,050 --> 00:05:32,699

reported a mysterious item in the area

137

00:05:37,670 --> 00:05:35,060

near the bridge over deep Fork River

138

00:05:40,310 --> 00:05:37,680

officers responded and discovered what

139

00:05:42,469 --> 00:05:40,320

appears to be multiple human remains in

140

00:05:44,810 --> 00:05:42,479

the River Police blocked off the road

141

00:05:47,510 --> 00:05:44,820

leading to that bridge as investigators

142

00:05:49,790 --> 00:05:47,520

worked on Gathering more evidence police

143

00:05:51,890 --> 00:05:49,800

say multiple agencies are working day

144

00:05:54,830 --> 00:05:51,900

and night to recover and process those

145

00:05:56,990 --> 00:05:54,840

remains and find out who they belong to

146

00:06:00,050 --> 00:05:57,000

we don't know that this is our missing

147

00:06:02,270 --> 00:06:00,060

minion Mark Chastain Billy Chastain Mike

148

00:06:04,790 --> 00:06:02,280

Sparks and Alex Stevens have been

149

00:06:07,129 --> 00:06:04,800

missing since Sunday police notified

150

00:06:09,409 --> 00:06:07,139

their families in case the remains

151
00:06:11,749 --> 00:06:09,419
belong to the missing men Chief Prentice

152
00:06:14,150 --> 00:06:11,759
says it's 2 early in the investigation

153
00:06:15,890 --> 00:06:14,160
to know right now if these are your

154
00:06:17,990 --> 00:06:15,900
loved ones all we're doing is switching

155
00:06:19,129 --> 00:06:18,000
focus and we're going to work just as

156
00:06:20,990 --> 00:06:19,139
hard to find out what happened to them

157
00:06:23,150 --> 00:06:21,000
as we did trying to find them family

158
00:06:25,430 --> 00:06:23,160
friends investigators in the community

159
00:06:27,650 --> 00:06:25,440
want to know what happened with these

160
00:06:29,930 --> 00:06:27,660
four men and if it is them who were

161
00:06:32,450 --> 00:06:29,940
found in the River today they want to

162
00:06:34,309 --> 00:06:32,460
know how they got there it's a story

163
00:06:36,590 --> 00:06:34,319

that we will continue following for you

164

00:06:41,390 --> 00:06:36,600

as more information comes to light in

165

00:06:45,830 --> 00:06:42,890

so there you go there's a the news

166

00:06:47,990 --> 00:06:45,840

report so they found remains of some

167

00:06:49,370 --> 00:06:48,000

people they didn't specify if it was

168

00:06:52,189 --> 00:06:49,380

these four gentlemen you can probably

169

00:06:54,950 --> 00:06:52,199

say maybe uh that's most likely the uh

170

00:06:57,350 --> 00:06:54,960

scenario at this point in time uh they

171

00:06:59,570 --> 00:06:57,360

have GPS data or and cell phone pings

172

00:07:01,430 --> 00:06:59,580

they were visiting possibly a salvage

173

00:07:03,469 --> 00:07:01,440

yard scrapyard

174

00:07:04,550 --> 00:07:03,479

so I thought they were cyclists weren't

175

00:07:06,590 --> 00:07:04,560

they like riding their bikes they're

176

00:07:09,170 --> 00:07:06,600

riding their bikes yeah and uh it's

177

00:07:12,230 --> 00:07:09,180

apparently from the uh there's a

178

00:07:15,350 --> 00:07:12,240

previous news report which I have which

179

00:07:16,969 --> 00:07:15,360

indicates that they did this fairly

180

00:07:18,830 --> 00:07:16,979

often so here's a little bit of that

181

00:07:21,290 --> 00:07:18,840

news report knowing their significant

182

00:07:22,969 --> 00:07:21,300

others Brothers Mark and Billy

183

00:07:25,730 --> 00:07:22,979

disappeared do you think they're alive

184

00:07:31,249 --> 00:07:28,969

at this point now who asks that yeah so

185

00:07:34,129 --> 00:07:31,259

Mark's wife says he parked his beloved

186

00:07:37,330 --> 00:07:34,139

red car in this spot before walking into

187

00:07:40,189 --> 00:07:37,340

this house with his buddies on Sunday

188

00:07:42,589 --> 00:07:40,199

their buddies Mike Sparks and Alex

189

00:07:44,749 --> 00:07:42,599

Stevens were with them when Okmulgee

190

00:07:47,210 --> 00:07:44,759

police say they took off on bicycles

191

00:07:50,390 --> 00:07:47,220

Sunday night

192

00:07:52,550 --> 00:07:50,400

nine miles down Highway 75

193

00:07:54,469 --> 00:07:52,560

is where Okmulgee investigators were

194

00:07:55,610 --> 00:07:54,479

searching for the men in a junkyard

195

00:07:58,010 --> 00:07:55,620

Wednesday

196

00:08:01,610 --> 00:07:58,020

it's where police say Mark's cell phone

197

00:08:04,670 --> 00:08:01,620

pinged last but they don't go far never

198

00:08:08,990 --> 00:08:04,680

Crystal Parkers engaged to Mike I called

199

00:08:11,870 --> 00:08:09,000

him 197 times I've texted his phone I've

200

00:08:13,790 --> 00:08:11,880

you name it investigators say there's no

201
00:08:17,029 --> 00:08:13,800
current reason to believe violence or

202
00:08:19,129 --> 00:08:17,039
Foul Play is a factor but if any this is

203
00:08:21,110 --> 00:08:19,139
this news report is obviously from days

204
00:08:23,930 --> 00:08:21,120
ago before the update I just played

205
00:08:26,150 --> 00:08:23,940
phones turned back on police say they'll

206
00:08:27,350 --> 00:08:26,160
be alerted if they're alive someone's

207
00:08:29,930 --> 00:08:27,360
holding them hostage or something

208
00:08:33,050 --> 00:08:29,940
because but I just don't see four grown

209
00:08:35,930 --> 00:08:33,060
men being held hostage by one person the

210
00:08:37,250 --> 00:08:35,940
Stark message they're praying the

211
00:08:43,570 --> 00:08:37,260
Buddies here

212
00:08:49,910 --> 00:08:47,509
incredibly sad obviously four grown men

213
00:08:53,750 --> 00:08:49,920

die at the same time or are right around

214

00:08:55,070 --> 00:08:53,760

the same time uh presumably and they

215

00:08:57,650 --> 00:08:55,080

must have went missing at the same time

216

00:09:00,710 --> 00:08:57,660

so I guess the more reasonable

217

00:09:04,310 --> 00:09:00,720

explanation we'll start there and that

218

00:09:05,590 --> 00:09:04,320

they were trespassing at a scrapyard or

219

00:09:08,210 --> 00:09:05,600

junkyard

220

00:09:11,509 --> 00:09:08,220

and because they're trespassing maybe

221

00:09:14,389 --> 00:09:11,519

someone shot them shot all four men

222

00:09:16,910 --> 00:09:14,399

because maybe they shot one and realized

223

00:09:20,090 --> 00:09:16,920

they weren't alone and in order to cover

224

00:09:22,310 --> 00:09:20,100

up the first initial kill they had to

225

00:09:24,470 --> 00:09:22,320

kill the rest of the group of people

226

00:09:26,090 --> 00:09:24,480

maybe the guy bought his bullets the

227

00:09:28,670 --> 00:09:26,100

same place Lee Harvey did for his magic

228

00:09:32,150 --> 00:09:28,680

bullet yeah those are that would be some

229

00:09:37,790 --> 00:09:32,160

damn good shooting under stress uh what

230

00:09:41,030 --> 00:09:37,800

so and or maybe they all rode through a

231

00:09:44,030 --> 00:09:41,040

pocket of carbon monoxide or some sort

232

00:09:46,370 --> 00:09:44,040

of poisoning gas poison gas that all

233

00:09:49,970 --> 00:09:46,380

made them incapacitated and roll into

234

00:09:52,070 --> 00:09:49,980

the river where they wound up dying

235

00:09:53,570 --> 00:09:52,080

uh I'm digging around this we also have

236

00:09:55,910 --> 00:09:53,580

added that there was an unverified

237

00:09:57,590 --> 00:09:55,920

sighting of four men walking along the

238

00:09:58,490 --> 00:09:57,600

side of the road at 2 A.M in the same

239

00:10:01,670 --> 00:09:58,500

area

240

00:10:04,730 --> 00:10:01,680

so that would be weird uh then so where

241

00:10:07,730 --> 00:10:04,740

what happened to their bikes uh and then

242

00:10:11,870 --> 00:10:07,740

it gets to the more strange phenomenon

243

00:10:14,509 --> 00:10:11,880

which is uh the missing 4-1-1 which

244

00:10:18,290 --> 00:10:14,519

sometimes when people go missing in that

245

00:10:20,509 --> 00:10:18,300

profile uh they will become disoriented

246

00:10:23,389 --> 00:10:20,519

they will lose track of where they're

247

00:10:26,269 --> 00:10:23,399

going where they're coming from and it

248

00:10:28,370 --> 00:10:26,279

almost feels uh to certain witnesses

249

00:10:30,710 --> 00:10:28,380

that that do come back from this

250

00:10:33,470 --> 00:10:30,720

phenomenon that they are it's almost

251

00:10:35,150 --> 00:10:33,480

like they uh come back from like a

252

00:10:39,230 --> 00:10:35,160

mushroom trip like everything's kind of

253

00:10:42,350 --> 00:10:39,240

a little uh distorted and like almost as

254

00:10:44,329 --> 00:10:42,360

if they Traverse through some sort of

255

00:10:46,790 --> 00:10:44,339

portal and they don't know how to get

256

00:10:49,069 --> 00:10:46,800

out of it and it's just very disoriented

257

00:10:51,410 --> 00:10:49,079

so much so that people will strip off

258

00:10:53,329 --> 00:10:51,420

their clothing uh even in the middle of

259

00:10:56,449 --> 00:10:53,339

winter

260

00:10:57,949 --> 00:10:56,459

um so uh it's just a very weird

261

00:11:00,889 --> 00:10:57,959

circumstance

262

00:11:05,329 --> 00:11:02,990

and then you can go down various other

263

00:11:08,650 --> 00:11:05,339

thought processes like well like they

264

00:11:12,110 --> 00:11:08,660

were uh killed by a gang maybe they were

265

00:11:13,370 --> 00:11:12,120

uh stalked because they owed money to

266

00:11:15,650 --> 00:11:13,380

somebody oh look those are all typical

267

00:11:19,130 --> 00:11:15,660

things I was looking for more

268

00:11:22,130 --> 00:11:19,140

interesting crazy things that would

269

00:11:24,769 --> 00:11:22,140

account for for missing and now presumed

270

00:11:27,790 --> 00:11:24,779

dead grown men in the area

271

00:11:32,389 --> 00:11:27,800

so I looked for

272

00:11:36,110 --> 00:11:32,399

UFO and paranormal related incidents in

273

00:11:39,470 --> 00:11:36,120

that Oklahoma area so it is

274

00:11:43,310 --> 00:11:39,480

uh where this took place is about uh I

275

00:11:46,430 --> 00:11:43,320

would say 60 to 90 miles south of Tulsa

276

00:11:49,850 --> 00:11:46,440

it's towards the uh eastern part of

277

00:11:53,389 --> 00:11:49,860

Oklahoma fairly close to a national

278

00:11:57,110 --> 00:11:53,399

forest in The Missing 411 profiles do

279

00:11:59,329 --> 00:11:57,120

typically uh occur in and around

280

00:12:01,310 --> 00:11:59,339

national forests

281

00:12:04,310 --> 00:12:01,320

and with that do you have a whole host

282

00:12:06,310 --> 00:12:04,320

of paranormal kind of events and I found

283

00:12:10,430 --> 00:12:06,320

this one from

284

00:12:13,610 --> 00:12:10,440

1995. this is an uh catawa Oklahoma

285

00:12:15,410 --> 00:12:13,620

which is right around Tulsa

286

00:12:17,329 --> 00:12:15,420

um fairly close to where they

287

00:12:18,350 --> 00:12:17,339

disappeared I would say about 45 minutes

288

00:12:23,509 --> 00:12:18,360

away

289

00:12:25,670 --> 00:12:23,519

and this is from September 5th 1995.

290

00:12:27,829 --> 00:12:25,680

um and this is what uh what happened at

291

00:12:30,650 --> 00:12:27,839

right around 3 P.M a witness heard a

292

00:12:33,410 --> 00:12:30,660

sound of a jet passing low above their

293

00:12:36,230 --> 00:12:33,420

country home a man went outside in the

294

00:12:38,329 --> 00:12:36,240

rear of the house facing the pasture

295

00:12:40,790 --> 00:12:38,339

opposite of where the noise went at the

296

00:12:44,090 --> 00:12:40,800

time something with an approximate

297

00:12:46,790 --> 00:12:44,100

wingspan of 10 feet flew from east to

298

00:12:49,009 --> 00:12:46,800

west 20 meters above the ground and

299

00:12:51,949 --> 00:12:49,019

above the elm trees next to the house

300

00:12:55,610 --> 00:12:51,959

it had a large head and a thin humanoid

301
00:12:58,970 --> 00:12:55,620
body wings like a moth or an insect but

302
00:13:03,530 --> 00:12:58,980
it did not flap them this entity landed

303
00:13:07,730 --> 00:13:03,540
his wife saw this too it was 10 or 12

304
00:13:09,129 --> 00:13:07,740
feet tall with red oily skin and emitted

305
00:13:13,069 --> 00:13:09,139
in Aroma

306
00:13:15,590 --> 00:13:13,079
uh almost like ammonia kind of like odor

307
00:13:18,710 --> 00:13:15,600
so very pungent very noticeable the

308
00:13:20,930 --> 00:13:18,720
creature then spoke in a strange manner

309
00:13:23,509 --> 00:13:20,940
at this point in time the farmer uh

310
00:13:25,930 --> 00:13:23,519
demanded that this winged creature speak

311
00:13:30,129 --> 00:13:25,940
in English

312
00:13:33,710 --> 00:13:30,139
and in return This Tall winged entity

313
00:13:36,110 --> 00:13:33,720

spoke back at this farmer in an older

314

00:13:38,449 --> 00:13:36,120

European accent I think you say in

315

00:13:40,970 --> 00:13:38,459

Spanish instead no it wasn't a like a

316

00:13:44,870 --> 00:13:40,980

European accent it did not uh it did not

317

00:13:47,150 --> 00:13:44,880

harm either one of the witnesses

318

00:13:53,750 --> 00:13:47,160

um and according to the witness The

319

00:14:02,150 --> 00:13:57,710

now that's that name is very familiar to

320

00:14:04,370 --> 00:14:02,160

uh some people a very similar name is

321

00:14:08,750 --> 00:14:04,380

very familiar to people in the UFO

322

00:14:11,870 --> 00:14:08,760

Community back in the 1960s and possibly

323

00:14:13,250 --> 00:14:11,880

even early 70s near Point Pleasant West

324

00:14:17,150 --> 00:14:13,260

Virginia

325

00:14:19,430 --> 00:14:17,160

there were Mothman sightings and during

326

00:14:21,470 --> 00:14:19,440

this month the series of Mothman

327

00:14:24,790 --> 00:14:21,480

sightings in Point Pleasant West

328

00:14:28,670 --> 00:14:24,800

Virginia there were visits around town

329

00:14:31,490 --> 00:14:28,680

by a so-called man in Black one of the

330

00:14:34,550 --> 00:14:31,500

first men in black kind of uh persistent

331

00:14:36,769 --> 00:14:34,560

reports and this person's name was

332

00:14:39,230 --> 00:14:36,779

Ingrid Cole

333

00:14:41,090 --> 00:14:39,240

so I there's like a twisting right here

334

00:14:43,730 --> 00:14:41,100

so this guy the one the story just read

335

00:14:46,490 --> 00:14:43,740

Ivan Cole and the one from Point

336

00:14:48,350 --> 00:14:46,500

Pleasant Mothman Ingrid coal

337

00:14:50,689 --> 00:14:48,360

um it's just kind of curious that the

338

00:14:52,030 --> 00:14:50,699

here we have a 12-foot Wing Creature

339

00:14:55,550 --> 00:14:52,040

From Oklahoma

340

00:14:57,949 --> 00:14:55,560

uh 1995 and then you have the Mothman

341

00:14:59,509 --> 00:14:57,959

sightings with the Men in Black called

342

00:15:00,829 --> 00:14:59,519

Ingrid cult

343

00:15:05,930 --> 00:15:00,839

uh

344

00:15:07,790 --> 00:15:05,940

of other like UFO sightings around this

345

00:15:10,490 --> 00:15:07,800

area too

346

00:15:12,290 --> 00:15:10,500

um in the forest that is just to the

347

00:15:14,449 --> 00:15:12,300

east there's a national forest just to

348

00:15:15,710 --> 00:15:14,459

the east of where these four men

349

00:15:17,750 --> 00:15:15,720

disappeared

350

00:15:20,930 --> 00:15:17,760

uh there was

351
00:15:25,069 --> 00:15:20,940
a story of two women that went camping

352
00:15:27,310 --> 00:15:25,079
in the uh deep inside the forest they uh

353
00:15:30,110 --> 00:15:27,320
weren't fans that knew nothing about

354
00:15:32,569 --> 00:15:30,120
cryptozoology they knew nothing about uh

355
00:15:34,129 --> 00:15:32,579
or cared anything about Bigfoot of

356
00:15:35,269 --> 00:15:34,139
Sasquatch but when they're camping back

357
00:15:39,889 --> 00:15:35,279
there

358
00:15:42,110 --> 00:15:39,899
they encountered what they uh what only

359
00:15:43,550 --> 00:15:42,120
could be described as an eight foot tall

360
00:15:47,629 --> 00:15:43,560
Bigfoot

361
00:15:50,449 --> 00:15:47,639
and they said it was obviously a male

362
00:15:52,910 --> 00:15:50,459
and this uh obviously male Bigfoot was

363
00:15:55,250 --> 00:15:52,920

pounding on trees and it tell it it

364

00:15:56,930 --> 00:15:55,260

teleport absolutely it telepathically

365

00:15:58,670 --> 00:15:56,940

communicated with these campers saying

366

00:16:00,230 --> 00:15:58,680

hey don't come any closer to me you'll

367

00:16:01,850 --> 00:16:00,240

be fine I'm not going to hurt you just

368

00:16:04,430 --> 00:16:01,860

do not approach me or else there's gonna

369

00:16:07,129 --> 00:16:04,440

be trouble so there's a there's a lot of

370

00:16:08,329 --> 00:16:07,139

weird stories from this area so you're

371

00:16:10,069 --> 00:16:08,339

saying that they they caught this

372

00:16:11,870 --> 00:16:10,079

Bigfoot who was clearly male because of

373

00:16:14,509 --> 00:16:11,880

what he was up to and they're like we

374

00:16:16,129 --> 00:16:14,519

should interrupt him I I think that they

375

00:16:18,050 --> 00:16:16,139

they couldn't help but notice they they

376

00:16:20,509 --> 00:16:18,060

decided to look down and they saw

377

00:16:22,610 --> 00:16:20,519

something special it's not that story is

378

00:16:24,110 --> 00:16:22,620

not really relevant to the missing four

379

00:16:25,550 --> 00:16:24,120

men that I just talked about but it's

380

00:16:29,090 --> 00:16:25,560

just a little point of interest that

381

00:16:31,910 --> 00:16:29,100

there are weird things from uh mid and

382

00:16:33,470 --> 00:16:31,920

Eastern Oklahoma

383

00:16:36,050 --> 00:16:33,480

from the chat got a couple of

384

00:16:37,249 --> 00:16:36,060

suggestions here uh if it's Mothman

385

00:16:39,350 --> 00:16:37,259

um maybe he was only speaking Spanish

386

00:16:41,329 --> 00:16:39,360

hence the term moth hombre instead of

387

00:16:42,430 --> 00:16:41,339

Mothman so I'm going to suggest the name

388

00:16:49,069 --> 00:16:42,440

meth man

389

00:16:52,189 --> 00:16:49,079

I'm curious we're Mothman and the horny

390

00:16:54,650 --> 00:16:52,199

Bigfoot working together on cooking meth

391

00:16:56,870 --> 00:16:54,660

was this all related uh I don't think

392

00:16:59,930 --> 00:16:56,880

they're related at all but we can't uh

393

00:17:02,329 --> 00:16:59,940

dismiss it we will Mark that as a point

394

00:17:04,429 --> 00:17:02,339

of Interest exactly put it on the map

395

00:17:05,689 --> 00:17:04,439

yeah put it on put that on there we'll

396

00:17:08,689 --> 00:17:05,699

see if we can connect it to something

397

00:17:11,270 --> 00:17:08,699

else uh so when I uh did hear that the

398

00:17:13,510 --> 00:17:11,280

the remains of bodies were found it

399

00:17:17,449 --> 00:17:13,520

reminded me of this older story

400

00:17:19,429 --> 00:17:17,459

uh from last year October of last year

401
00:17:22,610 --> 00:17:19,439
and this is up on screen

402
00:17:25,250 --> 00:17:22,620
and this is uh titled heat stress likely

403
00:17:28,250 --> 00:17:25,260
caused the death of California family

404
00:17:29,930 --> 00:17:28,260
while they were hiking

405
00:17:32,870 --> 00:17:29,940
um they don't according to this report

406
00:17:37,070 --> 00:17:32,880
they don't know exactly why an entire

407
00:17:40,070 --> 00:17:37,080
family died while they were out hiking

408
00:17:43,730 --> 00:17:40,080
now they are initially they were

409
00:17:46,330 --> 00:17:43,740
reported as missing a whole family and

410
00:17:49,730 --> 00:17:46,340
then uh their bodies were discovered

411
00:17:50,930 --> 00:17:49,740
and I guess the late the latest on this

412
00:17:52,610 --> 00:17:50,940
report

413
00:17:54,470 --> 00:17:52,620

is that they died of heat stroke so a

414

00:17:57,289 --> 00:17:54,480

northern California family found

415

00:18:00,110 --> 00:17:57,299

mysteriously dead in August on a hiking

416

00:18:02,270 --> 00:18:00,120

trail in the Sierra most likely died

417

00:18:05,029 --> 00:18:02,280

from a combination of hypothermia and

418

00:18:08,330 --> 00:18:05,039

dehydration the local sheriff who led

419

00:18:10,130 --> 00:18:08,340

the investigation said Thursday uh the

420

00:18:12,409 --> 00:18:10,140

new sheds light on the case that has

421

00:18:14,029 --> 00:18:12,419

confounded investigators and the public

422

00:18:16,850 --> 00:18:14,039

and raised new questions about the

423

00:18:19,669 --> 00:18:16,860

outdoor recreational activities in an

424

00:18:22,610 --> 00:18:19,679

era of rising temperatures and climate

425

00:18:24,830 --> 00:18:22,620

fueled extreme weather of course the

426

00:18:26,450 --> 00:18:24,840

throat climate change into missing

427

00:18:28,430 --> 00:18:26,460

people I was gonna say of all the things

428

00:18:29,930 --> 00:18:28,440

that possibly could be we know the one

429

00:18:33,650 --> 00:18:29,940

thing it was not

430

00:18:36,950 --> 00:18:33,660

was the vaccine not that uh and this

431

00:18:39,650 --> 00:18:36,960

comes from NPR of course so uh he goes

432

00:18:41,570 --> 00:18:39,660

on to say the real tragedy here uh an

433

00:18:43,669 --> 00:18:41,580

unfortunate and track of tragic event

434

00:18:46,070 --> 00:18:43,679

due to weather so they already said it's

435

00:18:49,970 --> 00:18:46,080

due to weather but uh as they said it's

436

00:18:52,850 --> 00:18:49,980

most likely due to uh stress caused by

437

00:18:54,230 --> 00:18:52,860

by heat but they don't know they have no

438

00:18:56,450 --> 00:18:54,240

idea

439

00:18:58,070 --> 00:18:56,460

uh now the climate is killing small

440

00:19:00,110 --> 00:18:58,080

groups of people like it's following

441

00:19:01,789 --> 00:19:00,120

them around and when you're out on a

442

00:19:03,890 --> 00:19:01,799

hike the climate jumps out from behind a

443

00:19:05,390 --> 00:19:03,900

tree and kills you let's see what they

444

00:19:07,490 --> 00:19:05,400

say about these four men who went

445

00:19:10,430 --> 00:19:07,500

missing in Oklahoma if they can blame

446

00:19:13,310 --> 00:19:10,440

that on the climate at all the the river

447

00:19:16,610 --> 00:19:13,320

the water level the river suddenly rose

448

00:19:19,190 --> 00:19:16,620

up surge a surge surge surged up over

449

00:19:22,789 --> 00:19:19,200

the bridge took their bikes from them

450

00:19:26,270 --> 00:19:22,799

yeah and then drowned them and then Tada

451

00:19:28,310 --> 00:19:26,280

climate change we did it yeah

452

00:19:30,650 --> 00:19:28,320

I just I wanted to get Robert Stack to

453

00:19:32,810 --> 00:19:30,660

read that I mean if NPR is talking about

454

00:19:35,810 --> 00:19:32,820

climate change in relation to this dead

455

00:19:38,390 --> 00:19:35,820

family I guess is a possibility I it's a

456

00:19:40,669 --> 00:19:38,400

possibility but it's just extremely

457

00:19:43,549 --> 00:19:40,679

peculiar much like the missing four men

458

00:19:45,770 --> 00:19:43,559

in Oklahoma and with any of these

459

00:19:48,770 --> 00:19:45,780

bizarre cases they just want it to go

460

00:19:50,750 --> 00:19:48,780

away the the officials want these cases

461

00:19:53,390 --> 00:19:50,760

to go away they don't want anomalies

462

00:19:55,789 --> 00:19:53,400

like this hanging over their head and so

463

00:19:59,690 --> 00:19:55,799

yeah they're gonna find an explanation

464

00:20:02,690 --> 00:19:59,700

that requires no further investigation

465

00:20:03,950 --> 00:20:02,700

so yeah climate change heat dehydrates

466

00:20:06,950 --> 00:20:03,960

all of that stuff and they'll probably

467

00:20:09,049 --> 00:20:06,960

do the same to these missing four men uh

468

00:20:11,210 --> 00:20:09,059

and they'll probably uh they'll come up

469

00:20:14,029 --> 00:20:11,220

with something as mundane when it could

470

00:20:16,310 --> 00:20:14,039

be something far more uh crazy you know

471

00:20:18,529 --> 00:20:16,320

all those men who went missing they were

472

00:20:21,289 --> 00:20:18,539

in their late 20s early 30s healthy guys

473

00:20:22,850 --> 00:20:21,299

they're like big dudes you know

474

00:20:25,789 --> 00:20:22,860

um they all look pretty healthy eyes of

475

00:20:27,409 --> 00:20:25,799

that guy yeah they're I'm just saying if

476

00:20:30,409 --> 00:20:27,419

they were if there was trouble out there

477

00:20:32,630 --> 00:20:30,419

these guys look like a pretty healthy uh

478

00:20:35,210 --> 00:20:32,640

Oklahomans you know you don't know maybe

479

00:20:38,690 --> 00:20:35,220

the climate's been working out too

480

00:20:41,090 --> 00:20:38,700

client climate will take on all comers

481

00:20:43,130 --> 00:20:41,100

okay we're gonna start seeing the uh

482

00:20:45,350 --> 00:20:43,140

climate changes and start entering MMA

483

00:20:47,150 --> 00:20:45,360

fights yeah

484

00:20:49,669 --> 00:20:47,160

it's got some things to prove when it's

485

00:20:51,110 --> 00:20:49,679

when it's done killing you uh not

486

00:20:53,810 --> 00:20:51,120

vaccines

487

00:20:56,330 --> 00:20:53,820

yeah we're being murdered

488

00:20:57,350 --> 00:20:56,340

why the climate we're all getting killed

489

00:21:01,130 --> 00:20:57,360

here

490

00:21:02,690 --> 00:21:01,140

well that's all I got for the uh the sad

491

00:21:05,630 --> 00:21:02,700

story of the missing men I will follow

492

00:21:08,330 --> 00:21:05,640

it uh I I will see if there's any sort

493

00:21:11,750 --> 00:21:08,340

of uh continued investigation hopefully

494

00:21:15,710 --> 00:21:11,760

an autopsy is done hopefully they check

495

00:21:19,730 --> 00:21:15,720

for the presence of GHB wage uh does

496

00:21:22,010 --> 00:21:19,740

seem to be present in some G uh well GHB

497

00:21:24,049 --> 00:21:22,020

uh not math well they couldn't check for

498

00:21:25,789 --> 00:21:24,059

math if they do a toxic toxicology

499

00:21:28,549 --> 00:21:25,799

report I'm sure all that stuff would

500

00:21:31,130 --> 00:21:28,559

turn up but that takes a lot of money to

501

00:21:33,169 --> 00:21:31,140

to go that distance with an

502

00:21:35,149 --> 00:21:33,179

investigation and they might just want

503

00:21:38,330 --> 00:21:35,159

to close us down I think the family has

504

00:21:41,029 --> 00:21:38,340

to ask for that kind of stuff uh so

505

00:21:42,350 --> 00:21:41,039

hopefully they'll they'll do it I wonder

506

00:21:43,610 --> 00:21:42,360

how many uh

507

00:21:44,810 --> 00:21:43,620

um bullet wounds are going to find in

508

00:21:46,250 --> 00:21:44,820

these guys who are killed by climate

509

00:21:47,690 --> 00:21:46,260

change

510

00:21:51,049 --> 00:21:47,700

well

511

00:21:52,730 --> 00:21:51,059

um it's a fascinating story tragic and

512

00:21:53,450 --> 00:21:52,740

uh it is a weird one but also raises a

513

00:21:54,830 --> 00:21:53,460

lot of weird questions about the

514

00:21:56,930 --> 00:21:54,840

scenario in general like they they left

515

00:21:59,630 --> 00:21:56,940

they got she even talked about he Parks

516

00:22:01,390 --> 00:21:59,640

his car here but they left riding bikes

517

00:22:04,549 --> 00:22:01,400

at eight o'clock at night

518

00:22:06,590 --> 00:22:04,559

they say he loved his red car he loves

519

00:22:08,029 --> 00:22:06,600

his red car yeah he likes his red car I

520

00:22:09,169 --> 00:22:08,039

also like how you could hear the in that

521

00:22:10,970 --> 00:22:09,179

story you could hear the news reporter

522

00:22:14,289 --> 00:22:10,980

slapping the hood yeah my mother would

523

00:22:17,810 --> 00:22:14,299

say you love trucks I do real cars

524

00:22:19,549 --> 00:22:17,820

cars he loved his red car why didn't you

525

00:22:23,090 --> 00:22:19,559

say what kind of car was was it like a

526

00:22:25,370 --> 00:22:23,100

1992 red Chevy Chevette or was it or

527

00:22:27,110 --> 00:22:25,380

like a red Corvette it was like a badass

528

00:22:29,450 --> 00:22:27,120

kick like a Little Red Corvette yeah

529

00:22:31,549 --> 00:22:29,460

yeah Prince wrote his song about this

530

00:22:33,950 --> 00:22:31,559

guy's Little Red Corvette

531

00:22:36,010 --> 00:22:33,960

yeah it well it just kind of uh and Joe

532

00:22:39,529 --> 00:22:36,020

brings uh brings up a good question like

533

00:22:42,169 --> 00:22:39,539

why I would like to know how often they

534

00:22:44,270 --> 00:22:42,179

ride at night where where they were

535

00:22:45,770 --> 00:22:44,280

possibly going to previous nights did

536

00:22:48,110 --> 00:22:45,780

they have a place that they like to go

537

00:22:51,049 --> 00:22:48,120

to like smoke weed hang out maybe drink

538

00:22:52,310 --> 00:22:51,059

some beers and just pile around uh meet

539

00:22:55,370 --> 00:22:52,320

Mothman for some sort of under

540

00:22:57,470 --> 00:22:55,380

underhanded dealings maybe

541

00:22:59,390 --> 00:22:57,480

um who knows what's going on out there I

542

00:23:00,590 --> 00:22:59,400

would like to know what mothman's Alibi

543

00:23:02,330 --> 00:23:00,600

was during this time we should go find

544

00:23:05,029 --> 00:23:02,340

him and ask him well that guy can slip

545

00:23:07,549 --> 00:23:05,039

in and out of this this Dimension as he

546

00:23:09,049 --> 00:23:07,559

so chooses so into pinned down you got

547

00:23:10,850 --> 00:23:09,059

to put on a really big light he'll just

548

00:23:13,370 --> 00:23:10,860

show up to it and fly around he's

549

00:23:15,649 --> 00:23:13,380

attracted to that kind of stuff

550

00:23:19,430 --> 00:23:15,659

all right we will uh we'll move on here

551
00:23:24,529 --> 00:23:20,990
well if we have time I also do have a

552
00:23:26,930 --> 00:23:24,539
story later about the the probabilities

553
00:23:28,430 --> 00:23:26,940
of you buying

554
00:23:29,930 --> 00:23:28,440
a haunted house

555
00:23:31,610 --> 00:23:29,940
so if you're if you're kind of like

556
00:23:33,230 --> 00:23:31,620
wondering what are the odds like if you

557
00:23:35,090 --> 00:23:33,240
buy a house what are the odds that I

558
00:23:37,490 --> 00:23:35,100
would get a haunted house well I got the

559
00:23:39,230 --> 00:23:37,500
numbers for you if you're curious I

560
00:23:41,270 --> 00:23:39,240
think I'd want to buy a haunted house so

561
00:23:43,610 --> 00:23:41,280
you don't have to have Netflix or HBO

562
00:23:45,289 --> 00:23:43,620
Max it's just it's all kinds of fun it

563
00:23:47,029 --> 00:23:45,299

does it just keeps you naturally

564

00:23:49,430 --> 00:23:47,039

occupied unless you're absolutely

565

00:23:52,070 --> 00:23:49,440

terrified of paranormal

566

00:23:54,350 --> 00:23:52,080

yeah that's like some shrieking Banshee

567

00:23:56,090 --> 00:23:54,360

and you can't sleep yeah that would be

568

00:23:58,430 --> 00:23:56,100

annoying like if you're constantly

569

00:23:59,690 --> 00:23:58,440

getting Whispers in your ear and then

570

00:24:02,210 --> 00:23:59,700

like they're pounding on the bed

571

00:24:04,490 --> 00:24:02,220

slamming doors that's annoying that

572

00:24:07,310 --> 00:24:04,500

keeps you up at night but a spiritual

573

00:24:09,830 --> 00:24:07,320

roommate is a is fun for everyone

574

00:24:12,890 --> 00:24:09,840

uh it could be like if you can just

575

00:24:15,350 --> 00:24:12,900

imagine like trying to go to bed and

576
00:24:17,990 --> 00:24:15,360
there's doorbells well now you're just

577
00:24:24,669 --> 00:24:18,000
living with teenagers yeah

578
00:24:31,250 --> 00:24:28,630
there's ghost Bears here oh Jesus

579
00:24:32,990 --> 00:24:31,260
roommate ghost bear and Mothman he's the

580
00:24:35,870 --> 00:24:33,000
worst kind of bears very difficult

581
00:24:37,250 --> 00:24:35,880
eating my food out of the fridge never

582
00:24:39,649 --> 00:24:37,260
cleaning up after themselves there's

583
00:24:41,570 --> 00:24:39,659
crumbs everywhere

584
00:24:43,610 --> 00:24:41,580
can't leave the lights on his mouth

585
00:24:46,789 --> 00:24:43,620
again just circles the ceiling

586
00:24:48,710 --> 00:24:46,799
I don't know no no no no no no no ghost

587
00:24:49,789 --> 00:24:48,720
chickens no ghost chickens author beans

588
00:24:52,850 --> 00:24:49,799

were freezing chickens in the dining

589

00:24:55,669 --> 00:24:52,860

room terrible

590

00:24:58,430 --> 00:24:55,679

shut the doors chickens are you born in

591

00:25:00,289 --> 00:24:58,440

592

00:25:02,390 --> 00:25:00,299

there of somebody who like

593

00:25:04,250 --> 00:25:02,400

fought you know uh responds to an ad for

594

00:25:05,870 --> 00:25:04,260

roommates and it's like you know Bigfoot

595

00:25:08,210 --> 00:25:05,880

and moth again

596

00:25:10,610 --> 00:25:08,220

there is there is a bit there I like it

597

00:25:12,230 --> 00:25:10,620

it's it's Saturday night I've had any

598

00:25:14,750 --> 00:25:12,240

sort of creativity in funniness

599

00:25:16,610 --> 00:25:14,760

funniness left in their show they would

600

00:25:18,289 --> 00:25:16,620

write parents that'd be stupid is you

601
00:25:20,029 --> 00:25:18,299

602
00:25:22,430 --> 00:25:20,039

604
00:25:25,850 --> 00:25:24,179
know because of the hair share

605
00:25:29,029 --> 00:25:25,860
everywhere they're everywhere in the

606
00:25:34,370 --> 00:25:31,610
