6
00:00:20,300 --> 00:00:31,790
[Music]

7
00:00:42,730 --> 00:00:34,010
okay

8
00:00:42,740 --> 00:00:59,689
[Music]

9
00:01:06,350 --> 00:01:02,529
hey everyone welcome back to another

10
00:01:09,050 --> 00:01:06,360
fun-filled podcast Adventure yes

11
00:01:11,149 --> 00:01:09,060
my name is midnight Mike and Craig is

12
00:01:12,530 --> 00:01:11,159
over there on the screen he's all riled

13
00:01:19,670 --> 00:01:12,540

up

14

00:01:22,310 --> 00:01:19,680

and Collective okay good to me you

15

00:01:23,929 --> 00:01:22,320

appear to be riled up but a misjudger

16

00:01:27,590 --> 00:01:23,939

character all the time

17

00:01:29,270 --> 00:01:27,600

uh Joe is over there too he's all around

18

00:01:31,310 --> 00:01:29,280

come on

19

00:01:32,510 --> 00:01:31,320

I could be off on this one again I'm all

20

00:01:37,690 --> 00:01:32,520

riled up

21

00:01:43,730 --> 00:01:41,690

okay riled down riled down

22

00:01:46,850 --> 00:01:43,740

you gotta cool off with a nice golden

23

00:01:50,030 --> 00:01:46,860

shower the golden shower actually that

24

00:01:54,350 --> 00:01:52,010

yeah the uh the golden showers it's

25

00:01:57,770 --> 00:01:54,360

always nice and warm after a nice hard

26

00:02:00,230 --> 00:01:57,780

day you just uh relax a little bit in

27

00:02:03,530 --> 00:02:00,240

about uh take the take a load off listen

28

00:02:06,770 --> 00:02:03,540

to obdm and let us give you the news

29

00:02:08,690 --> 00:02:06,780

that you need to hear in the order in

30

00:02:10,850 --> 00:02:08,700

which it needs to happen

31

00:02:14,510 --> 00:02:10,860

uh it's Wednesday

32

00:02:18,170 --> 00:02:14,520

we're all here and I I don't have any

33

00:02:19,790 --> 00:02:18,180

immediate proclamations or announcements

34

00:02:22,970 --> 00:02:19,800

per se

35

00:02:25,490 --> 00:02:22,980

uh I will say that I uh I did get a few

36

00:02:27,290 --> 00:02:25,500

emails concerning that missing person

37

00:02:29,330 --> 00:02:27,300

story I did last podcast of the four

38

00:02:31,610 --> 00:02:29,340

gentlemen who went missing in Oklahoma

39

00:02:33,110 --> 00:02:31,620

we'll do a quick follow-up on that

40

00:02:38,210 --> 00:02:33,120

because there have been developments in

41

00:02:40,250 --> 00:02:38,220

that story I miss it uh uh I I guess but

42

00:02:43,790 --> 00:02:40,260

there were follow-ups and it's it's a

43

00:02:46,369 --> 00:02:43,800

lot more uh I guess it's not it's not

44

00:02:49,130 --> 00:02:46,379

paranormal in in explanation as you guys

45

00:02:51,530 --> 00:02:49,140

might believe uh but it is Wednesday so

46

00:02:54,830 --> 00:02:51,540

we got to do Alex Jones

47

00:02:56,570 --> 00:02:54,840

clips of the week to kick things off in

48

00:02:59,830 --> 00:02:56,580

the right way possible the rightest way

49

00:03:03,949 --> 00:03:01,910

uh I wonder

50

00:03:06,050 --> 00:03:03,959

if Alex Jones talks about The Walking

51
00:03:07,729 --> 00:03:06,060
Dead or the the last season of The

52
00:03:09,589 --> 00:03:07,739
Walking Dead if we can get Alex Jones to

53
00:03:11,290 --> 00:03:09,599
comment on The Walking Dead at all

54
00:03:13,610 --> 00:03:11,300
because I don't have any Alex Jones

55
00:03:16,309 --> 00:03:13,620
Walking Dead related Clips I don't even

56
00:03:18,110 --> 00:03:16,319
think I have any Alex Jones uh Lord of

57
00:03:19,610 --> 00:03:18,120
the Ring Lord of the Rings related Clips

58
00:03:21,770 --> 00:03:19,620
or Star Wars stuff

59
00:03:23,270 --> 00:03:21,780
I do have Alex Jones like impersonating

60
00:03:25,970 --> 00:03:23,280
Star Wars characters but not talking

61
00:03:28,149 --> 00:03:25,980
about pop culture in that way maybe we

62
00:03:31,610 --> 00:03:28,159
can find some we'll find out

63
00:03:35,210 --> 00:03:31,620

uh see we got uh

64

00:03:37,550 --> 00:03:35,220

we got stuff from let's see here I think

65

00:03:40,130 --> 00:03:37,560

this is from last Thursday here we go

66

00:03:42,770 --> 00:03:40,140

let's check this out Alex Jones 965

67

00:03:44,990 --> 00:03:42,780

million no person dead O.J Simpson two

68

00:03:46,850 --> 00:03:45,000

dead people 34 million dollars he says

69

00:03:48,470 --> 00:03:46,860

he won't pay it son of a [h__\h] he'll

70

00:03:50,270 --> 00:03:48,480

keep it or I could find this I could

71

00:03:51,410 --> 00:03:50,280

find the Oracle I gotta find it it's one

72

00:03:53,089 --> 00:03:51,420

of those neurotic things now I gotta

73

00:03:54,229 --> 00:03:53,099

find it so let me find it I'll pull up

74

00:03:55,970 --> 00:03:54,239

on my phone right here I don't think

75

00:03:59,270 --> 00:03:55,980

Sandy Hook happened Sandy Hook families

76

00:04:01,850 --> 00:03:59,280

get 1.7 1.5 million for Madame Lanza

77

00:04:03,890 --> 00:04:01,860

Alex Jones 965 million for questioning

78

00:04:05,869 --> 00:04:03,900

the whole thing and why the CIA and FBI

79

00:04:07,309 --> 00:04:05,879

did visit Adam Lanza twice in the year

80

00:04:09,289 --> 00:04:07,319

before the shooting that's on record by

81

00:04:10,670 --> 00:04:09,299

the way stop right there your Skype has

82

00:04:13,190 --> 00:04:10,680

been great but it broke up the last 10

83

00:04:15,589 --> 00:04:13,200

seconds the largest fine paid by the

84

00:04:17,930 --> 00:04:15,599

banking Executives responsible for the

85

00:04:23,629 --> 00:04:17,940

trillions lost the 2008 financial crisis

86

00:04:24,950 --> 00:04:23,639

was 67.5 million Alex Jones must pay 965

87

00:04:27,129 --> 00:04:24,960

million you have a right to deny the

88

00:04:30,650 --> 00:04:27,139

Holocaust

89

00:04:33,469 --> 00:04:30,660

and yeah there's one thing that uh we

90

00:04:35,330 --> 00:04:33,479

forgot to mention is the the fine levied

91

00:04:37,730 --> 00:04:35,340

against Alex Jones in the Sandy Hook

92

00:04:39,650 --> 00:04:37,740

trial Joe and I were doing a show two

93

00:04:42,170 --> 00:04:39,660

trillion dollars it was quite a bit

94

00:04:47,689 --> 00:04:42,180

Gretchen you're not that far off

95

00:04:53,510 --> 00:04:47,699

uh we found a billion 482 9 billion

96

00:04:58,010 --> 00:04:55,670

140 000.

97

00:05:00,530 --> 00:04:58,020

uh yeah we didn't mention it uh we were

98

00:05:02,210 --> 00:05:00,540

on air when that news broke and I think

99

00:05:05,990 --> 00:05:02,220

we just forgot to mention it on the the

100

00:05:07,430 --> 00:05:06,000

Saturday show uh but yeah he does uh owe

101
00:05:10,030 --> 00:05:07,440
a lot of money that will be challenged

102
00:05:13,310 --> 00:05:10,040
in court through appeals

103
00:05:18,110 --> 00:05:13,320
uh it's just an incredibly large sum of

104
00:05:19,850 --> 00:05:18,120
money considering uh the actual

105
00:05:23,150 --> 00:05:19,860
I guess offense

106
00:05:26,749 --> 00:05:23,160
it just seems uh a little in my in my

107
00:05:28,790 --> 00:05:26,759
opinion it seems to be a little bit over

108
00:05:31,189 --> 00:05:28,800
just a wee bit yeah

109
00:05:33,290 --> 00:05:31,199
you won't pay that I don't know all the

110
00:05:35,870 --> 00:05:33,300
Dynamics of the trial you'd imagine I

111
00:05:36,950 --> 00:05:35,880
would but I do not but just see what he

112
00:05:37,909 --> 00:05:36,960
should have done when they announced

113
00:05:39,290 --> 00:05:37,919

that by the way he should have just

114

00:05:41,510 --> 00:05:39,300

wrote a check right there and handed it

115

00:05:44,450 --> 00:05:41,520

to you yeah but I need money because

116

00:05:46,610 --> 00:05:44,460

it's gonna bounce anyway so yeah it will

117

00:05:49,129 --> 00:05:46,620

no matter what like I think anything

118

00:05:51,170 --> 00:05:49,139

over my opinion I don't know a lot about

119

00:05:53,510 --> 00:05:51,180

his finances anything over 30 million

120

00:05:56,570 --> 00:05:53,520

dollars that check's gonna bounce

121

00:05:59,629 --> 00:05:56,580

give me money I kill you

122

00:06:01,850 --> 00:05:59,639

but we have another uh just a short

123

00:06:03,170 --> 00:06:01,860

Montage here from Friday last Friday

124

00:06:05,749 --> 00:06:03,180

here we go

125

00:06:07,790 --> 00:06:05,759

blow everybody I'm looking at children

126
00:06:09,230 --> 00:06:07,800
being raped too much cussing on this I

127
00:06:10,570 --> 00:06:09,240
guess we didn't believe it so we gotta

128
00:06:13,850 --> 00:06:10,580
turn it off

129
00:06:15,950 --> 00:06:13,860
wow holy crap was he drunk there he

130
00:06:17,689 --> 00:06:15,960
sounded a little drunk or tired or what

131
00:06:19,790 --> 00:06:17,699
yeah

132
00:06:23,029 --> 00:06:19,800
the guy's got to be worn down at this

133
00:06:25,010 --> 00:06:23,039
point he does like 75 hours of

134
00:06:27,110 --> 00:06:25,020
broadcasting every week

135
00:06:29,749 --> 00:06:27,120
uh he doesn't stop he's interviewing

136
00:06:33,230 --> 00:06:29,759
people he is doing podcasts now I know

137
00:06:35,510 --> 00:06:33,240
on his uh one of his more recent like uh

138
00:06:37,430 --> 00:06:35,520

podcast exclusive kind of things he

139

00:06:39,710 --> 00:06:37,440

interviewed uh Adam Curry have no agenda

140

00:06:42,950 --> 00:06:39,720

I thought it was a very good discussion

141

00:06:45,230 --> 00:06:42,960

Alex during that talk kind of hanging

142

00:06:46,309 --> 00:06:45,240

back letting the guests do a majority of

143

00:06:47,809 --> 00:06:46,319

the talking I think the follow-up

144

00:06:49,909 --> 00:06:47,819

interview after that he did two hours

145

00:06:51,230 --> 00:06:49,919

with David Ike which I haven't listened

146

00:06:54,170 --> 00:06:51,240

to yet

147

00:06:57,350 --> 00:06:54,180

so uh I I like uh listening to Adam

148

00:06:59,270 --> 00:06:57,360

Curry and his opinions on Tech and where

149

00:07:01,370 --> 00:06:59,280

things may be going I think he's a he

150

00:07:03,170 --> 00:07:01,380

has a fairly fairly measured opinion

151

00:07:06,110 --> 00:07:03,180

that's nice it's also good to know he

152

00:07:08,510 --> 00:07:06,120

has trouble with Skype too yeah yeah a

153

00:07:10,850 --> 00:07:08,520

lot of Skype issues we're not alone on

154

00:07:15,290 --> 00:07:10,860

that one uh and then we have this uh one

155

00:07:19,309 --> 00:07:15,300

from the 17th here we go Chicago or L.A

156

00:07:23,089 --> 00:07:19,319

or New York or Miami or Houston or

157

00:07:25,909 --> 00:07:23,099

Dallas or Detroit or San Antonio or

158

00:07:27,589 --> 00:07:25,919

Oakland or Seattle or Portland Niels

159

00:07:28,930 --> 00:07:27,599

guys Tyson is just so full of crap

160

00:07:31,490 --> 00:07:28,940

there's your headlines

161

00:07:32,820 --> 00:07:31,500

I like lists

162

00:07:34,249 --> 00:07:32,830

Jason

163

00:07:38,809 --> 00:07:34,259

[Music]

164

00:07:41,870 --> 00:07:38,819

I think he did kneel the the gas Tyson

165

00:07:43,670 --> 00:07:41,880

I think so Neil the gas Tyson made me

166

00:07:46,909 --> 00:07:43,680

take a closer look at this I need to

167

00:07:51,249 --> 00:07:46,919

know what he said uh Neil's Garage Tyson

168

00:07:54,350 --> 00:07:51,259

is just so full of crap the disgrace

169

00:07:55,909 --> 00:07:54,360

what is he say right it's so quick heels

170

00:07:58,670 --> 00:07:55,919

garage Tyson it's just so full of Grace

171

00:08:02,270 --> 00:07:58,680

to Grace I'll have to I'll have to

172

00:08:04,610 --> 00:08:02,280

amplify it slow it down and enhance at a

173

00:08:07,550 --> 00:08:04,620

later date because you rotate hand in

174

00:08:10,370 --> 00:08:07,560

hand rotate Zoom enhance normalize

175

00:08:12,710 --> 00:08:10,380

compress limit expand

176

00:08:16,370 --> 00:08:12,720

I'll do all those things

177

00:08:17,930 --> 00:08:16,380

uh and we got uh 18th right here he's a

178

00:08:20,210 --> 00:08:17,940

jackass kiss their ass and tell them

179

00:08:22,369 --> 00:08:20,220

they're special poop on Pelosi's walls

180

00:08:23,990 --> 00:08:22,379

oh and drinking right here got free

181

00:08:25,309 --> 00:08:24,000

reign for rape we just put our tail

182

00:08:26,749 --> 00:08:25,319

between our legs and pee all over each

183

00:08:28,189 --> 00:08:26,759

other well you know whatever it's so big

184

00:08:29,629 --> 00:08:28,199

deal it's Muslims I'm making a lot of

185

00:08:33,350 --> 00:08:29,639

money off cutting little boys penises

186

00:08:35,990 --> 00:08:33,360

off yeah they do some gems in there some

187

00:08:37,490 --> 00:08:36,000

real winners what is it just tuck our

188

00:08:40,690 --> 00:08:37,500

Tails between our legs and pee on each

189

00:08:43,070 --> 00:08:40,700

other yes that's a difficult move

190

00:08:44,329 --> 00:08:43,080

uh let's see here that's Advanced

191

00:08:47,949 --> 00:08:44,339

Pilates

192

00:08:51,769 --> 00:08:47,959

let's see here uh what's this

193

00:08:53,570 --> 00:08:51,779

walls oh and drink her beer

194

00:08:55,790 --> 00:08:53,580

I was gonna say they call that warm yoga

195

00:08:57,230 --> 00:08:55,800

we just put our tail between our legs

196

00:08:58,910 --> 00:08:57,240

and pee all over each other there we go

197

00:09:00,410 --> 00:08:58,920

okay this one

198

00:09:02,870 --> 00:09:00,420

you need to pair that one up with the uh

199

00:09:05,990 --> 00:09:02,880

golden shower uh yeah exactly the golden

200

00:09:08,509 --> 00:09:06,000

showers they always uh they always warm

201

00:09:09,889 --> 00:09:08,519

here we go we just put

202

00:09:13,250 --> 00:09:09,899

up in our legs and pee all over each

203

00:09:16,490 --> 00:09:13,260

other the golden shower there you go

204

00:09:18,410 --> 00:09:16,500

uh and the last one from the 19th here

205

00:09:21,050 --> 00:09:18,420

we go I got cheers moss and I literally

206

00:09:24,110 --> 00:09:21,060

live on your Twitter oh I'm rolling over

207

00:09:26,389 --> 00:09:24,120

now you said I'm guilty I'm going away

208

00:09:28,190 --> 00:09:26,399

it really is a sick joke of course we

209

00:09:30,769 --> 00:09:28,200

made something that kills 80 of humans

210

00:09:32,509 --> 00:09:30,779

what's the big deal this guy is as close

211

00:09:35,170 --> 00:09:32,519

to Satan as I can imagine we should kill

212

00:09:36,790 --> 00:09:35,180

all humans not just 90 percent

213

00:09:39,110 --> 00:09:36,800

foreign

214

00:09:42,230 --> 00:09:39,120

there we go there's your Alex Jones

215

00:09:44,269 --> 00:09:42,240

clips of the week got some real gems out

216

00:09:46,070 --> 00:09:44,279

of that one and a nice little sampling

217

00:09:47,570 --> 00:09:46,080

of what was going on in the news if you

218

00:09:49,730 --> 00:09:47,580

know what to listen for that's all your

219

00:09:51,470 --> 00:09:49,740

news right there that's all you need but

220

00:09:54,290 --> 00:09:51,480

we will probably expand on some of that

221

00:10:01,250 --> 00:09:55,970

oh boy

222

00:10:02,509 --> 00:10:01,260

um okay I got uh a follow-up from the

223

00:10:05,990 --> 00:10:02,519

previous show which I have to play

224

00:10:09,650 --> 00:10:06,000

because it's a as a journalist Joe I

225

00:10:12,170 --> 00:10:09,660

think we have to play this clip uh about

226

00:10:13,790 --> 00:10:12,180

the the missing Oklahoma men this is

227

00:10:16,250 --> 00:10:13,800

just a short news piece it's just about

228

00:10:19,190 --> 00:10:16,260

a minute and 20 seconds here we go it's

229

00:10:21,350 --> 00:10:19,200

a very violent event so I can't say that

230

00:10:24,430 --> 00:10:21,360

I've never worked anything like it but

231

00:10:26,930 --> 00:10:24,440

it's right up there at the top four men

232

00:10:29,630 --> 00:10:26,940

dismembered and now positively

233

00:10:33,230 --> 00:10:29,640

identified as Mark Chastain Billy

234

00:10:36,290 --> 00:10:33,240

Chastain Mike Sparks and Alex Stevens

235

00:10:39,050 --> 00:10:36,300

spotted Friday evening by a passerby in

236

00:10:42,290 --> 00:10:39,060

the river by the sharp Road Bridge it's

237

00:10:44,569 --> 00:10:42,300

very very shocking and it's very sad

238

00:10:48,410 --> 00:10:44,579

police chief Joe Prentiss during

239

00:10:49,970 --> 00:10:48,420

Monday's news conference we believe the

240

00:10:51,769 --> 00:10:49,980

men planned to commit some type of

241

00:10:54,530 --> 00:10:51,779

criminal act when they left the

242

00:10:56,569 --> 00:10:54,540

residence on West 6th Street that belief

243

00:10:58,790 --> 00:10:56,579

is based on information supplied by a

244

00:11:01,550 --> 00:10:58,800

witness who reports they were invited to

245

00:11:03,470 --> 00:11:01,560

go with the men to quote unquote hit a

246

00:11:05,750 --> 00:11:03,480

lick big enough for all of them Chief

247

00:11:08,150 --> 00:11:05,760

Prentiss says Joe Kennedy the owner of

248

00:11:10,430 --> 00:11:08,160

two nearby salvage yards is considered a

249

00:11:12,230 --> 00:11:10,440

person of interest since evidence of a

250

00:11:14,329 --> 00:11:12,240

violent event was discovered on an

251

00:11:16,910 --> 00:11:14,339

adjoining property Mr Kennedy was

252

00:11:19,009 --> 00:11:16,920

reported missing Saturday night and may

253

00:11:21,829 --> 00:11:19,019

be suicidal I looked up Kennedy and

254

00:11:23,990 --> 00:11:21,839

called him I'm sorry but the person you

255

00:11:25,910 --> 00:11:24,000

called has a voicemail box that has not

256

00:11:28,310 --> 00:11:25,920

been set up yet just over two hours

257

00:11:30,829 --> 00:11:28,320

after Monday's conference Chief Prentice

258

00:11:34,069 --> 00:11:30,839

says they found Kennedy's car abandoned

259

00:11:37,190 --> 00:11:34,079

behind a business in Morris Oklahoma

260

00:11:40,250 --> 00:11:37,200

so there there it is uh these uh four

261

00:11:42,949 --> 00:11:40,260

gentlemen apparently we're going to rob

262

00:11:46,610 --> 00:11:42,959

somebody steal something they trespass

263

00:11:48,889 --> 00:11:46,620

on the scrap yard they were killed and

264

00:11:50,530 --> 00:11:48,899

then dismembered and then thrown into

265

00:11:53,210 --> 00:11:50,540

the river so

266

00:11:56,150 --> 00:11:53,220

uh pretty gruesome

267

00:11:57,829 --> 00:11:56,160

but apparently now we got the few emails

268

00:12:01,250 --> 00:11:57,839

I'm sorry I didn't forward it to other

269

00:12:03,829 --> 00:12:01,260

one of you but uh hell sorry hoarding

270

00:12:05,030 --> 00:12:03,839

emails I've been very busy but by the

271

00:12:06,110 --> 00:12:05,040

way I called I called the drug

272

00:12:09,230 --> 00:12:06,120

connection when we first covered the

273

00:12:11,870 --> 00:12:09,240

story yeah I didn't mention like the

274

00:12:13,430 --> 00:12:11,880

trespassing angle uh we we kind of

275

00:12:14,750 --> 00:12:13,440

covered the angles but apparently

276

00:12:16,130 --> 00:12:14,760

there's trespassing I think they went to

277

00:12:17,150 --> 00:12:16,140

meet someone for a drug deal they tried

278

00:12:19,310 --> 00:12:17,160

to rip them off because you don't get

279

00:12:21,410 --> 00:12:19,320

dismembered by a guy who runs a local

280

00:12:23,210 --> 00:12:21,420

scrap yard he gets dismembered by the uh

281

00:12:24,769 --> 00:12:23,220

the Mexican cartels who are running in

282

00:12:27,829 --> 00:12:24,779

that [h__h] well they're yeah I mean

283

00:12:30,710 --> 00:12:27,839

they're looking at the person who owned

284

00:12:33,110 --> 00:12:30,720

the scrap yard uh and some one person

285

00:12:35,030 --> 00:12:33,120

said if uh one person emailed in and

286

00:12:38,030 --> 00:12:35,040

said this didn't really come as a

287

00:12:41,210 --> 00:12:38,040

surprise to them and then another person

288

00:12:44,870 --> 00:12:41,220

said that they may have found the

289

00:12:46,790 --> 00:12:44,880

scrapyard owner down in Florida so uh

290

00:12:49,190 --> 00:12:46,800

conflicting reports

291

00:12:51,290 --> 00:12:49,200

um but it was Stephen Paddock the whole

292

00:12:52,850 --> 00:12:51,300

time that would make actually a lot of

293

00:12:55,610 --> 00:12:52,860

sense but uh

294

00:12:58,790 --> 00:12:55,620

no confirmation on that

295

00:13:00,230 --> 00:12:58,800

but just a fascinating little tidbit of

296

00:13:03,769 --> 00:13:00,240

of crime

297

00:13:06,470 --> 00:13:03,779

nothing paranormal so far as we can tell

298

00:13:08,990 --> 00:13:06,480

all right uh before I launch into my

299

00:13:13,009 --> 00:13:09,000

segment I will say I will talk about the

300

00:13:14,810 --> 00:13:13,019

the probability of you buying a haunted

301

00:13:16,370 --> 00:13:14,820

house that article I mentioned in the

302

00:13:19,790 --> 00:13:16,380

previous show I'll do it on Saturday

303

00:13:22,490 --> 00:13:19,800

there's not a lot to it seven uh it's

304

00:13:26,030 --> 00:13:22,500

actually it's busted down by state and

305

00:13:29,569 --> 00:13:26,040

percentage and just as a teaser if you

306

00:13:32,269 --> 00:13:29,579

buy a house in Ohio it looks like you're

307

00:13:33,949 --> 00:13:32,279

uh you're at like a 20 to 30 chance of

308

00:13:36,650 --> 00:13:33,959

buying a haunted house in Ohio

309

00:13:38,389 --> 00:13:36,660

good Lord yeah so remind me I have a

310

00:13:39,710 --> 00:13:38,399

haunted house story

311

00:13:41,150 --> 00:13:39,720

it's from Texas but it's a haunted house

312

00:13:42,530 --> 00:13:41,160

story remind me on Saturday we'll cover

313

00:13:45,949 --> 00:13:42,540

that too we'll do we'll do haunted house

314

00:13:49,069 --> 00:13:45,959

stories on Saturday all right uh you

315

00:13:50,629 --> 00:13:49,079

know it is uh October

316

00:13:52,970 --> 00:13:50,639

trying to cover a little bit more

317

00:13:55,250 --> 00:13:52,980

paranormal stuff and so I think that's

318

00:13:56,150 --> 00:13:55,260

perfect for for Saturday but for right

319

00:13:59,870 --> 00:13:56,160

now

320

00:14:03,310 --> 00:13:59,880

today I'm covering uh something a little

321

00:14:05,449 --> 00:14:03,320

bit Stranger Than A Haunted House

322

00:14:06,949 --> 00:14:05,459

[Music]

323

00:14:09,650 --> 00:14:06,959

foreign

324

00:14:16,790 --> 00:14:09,660

yes I'm covering

325

00:14:24,590 --> 00:14:19,970

I have talked about this doll before

326

00:14:27,949 --> 00:14:24,600

on an old night talk episode this is the

327

00:14:29,750 --> 00:14:27,959

story of Robert the Doll now you ever

328

00:14:31,970 --> 00:14:29,760

hear this uh this doll guys you ever

329

00:14:33,590 --> 00:14:31,980

hear Robert the Doll

330

00:14:35,690 --> 00:14:33,600

it's pretty famous yeah everybody had a

331

00:14:37,550 --> 00:14:35,700

Robert the doll when we were kids didn't

332

00:14:40,370 --> 00:14:37,560

they I think it was that was my buddy

333

00:14:44,150 --> 00:14:40,380

you had a My Buddy doll my buddy and me

334

00:14:47,449 --> 00:14:44,160

I never ever my neighbor did

335

00:14:49,129 --> 00:14:47,459

I was very jealous of him well Robert

336

00:14:51,710 --> 00:14:49,139

the Doll

337

00:14:55,790 --> 00:14:51,720

could be the world's most terrifying and

338

00:14:58,670 --> 00:14:55,800

haunted doll on the planet it uh there's

339

00:15:01,550 --> 00:14:58,680

a lot of stories around this thing

340

00:15:04,970 --> 00:15:01,560

um a lot of uh misfortunes surrounding

341

00:15:09,110 --> 00:15:04,980

Robert the Doll he came to prominence I

342

00:15:10,970 --> 00:15:09,120

guess came to came into existence in the

343

00:15:13,430 --> 00:15:10,980

early 1900s came to prominence probably

344

00:15:15,769 --> 00:15:13,440

in the the 70s and then the up to the

345

00:15:17,930 --> 00:15:15,779

90s where uh things started really

346

00:15:20,389 --> 00:15:17,940

happening around people who encountered

347

00:15:22,370 --> 00:15:20,399

this doll now there was a show on

348

00:15:24,290 --> 00:15:22,380

Discovery plus I love Discovery plus

349

00:15:26,870 --> 00:15:24,300

because they got a great number of

350

00:15:30,470 --> 00:15:26,880

paranormal shows and UFO topics over

351

00:15:33,410 --> 00:15:30,480

there uh but here is a the intro to

352

00:15:35,150 --> 00:15:33,420

Robert the Doll here we go he's believed

353

00:15:37,610 --> 00:15:35,160

to be possessed by some kind of

354

00:15:40,430 --> 00:15:37,620

malevolent spirit with Robert the Doll

355

00:15:43,129 --> 00:15:40,440

People experience things one lady talked

356

00:15:45,290 --> 00:15:43,139

about her husband losing his toe in a

357

00:15:47,509 --> 00:15:45,300

lawnmower accident we've had some people

358

00:15:48,470 --> 00:15:47,519

who have blamed deaths on Robert the

359

00:15:50,030 --> 00:15:48,480

Doll

360

00:15:52,189 --> 00:15:50,040

but his real story

361

00:15:54,110 --> 00:15:52,199

started right here

362

00:15:57,889 --> 00:15:54,120

in the house that I'm sitting in

363

00:16:02,569 --> 00:16:00,050

the story of Robert the Doll begins in

364

00:16:05,030 --> 00:16:02,579
1905.

365

00:16:08,689 --> 00:16:05,040
at Robert Eugene Otto's fifth birthday

366

00:16:10,000 --> 00:16:08,699
party with Jean's sister Mizpah and his

367

00:16:11,110 --> 00:16:10,010
Nanny and her daughter

368

00:16:16,009 --> 00:16:11,120
[Applause]

369

00:16:17,569 --> 00:16:16,019
Happy Birthday Robert thank you yes

370

00:16:20,889 --> 00:16:17,579
Happy Birthday Robert

371

00:16:24,050 --> 00:16:20,899
open the big one next

372

00:16:25,610 --> 00:16:24,060
time we're just about to open his big

373

00:16:27,710 --> 00:16:25,620
gift perfect

374

00:16:29,269 --> 00:16:27,720
his parents had no idea what they were

375

00:16:31,490 --> 00:16:29,279
getting themselves into like this

376

00:16:33,949 --> 00:16:31,500

interesting looking doll it was a gift

377

00:16:35,689 --> 00:16:33,959

we never know what gift we're going to

378

00:16:38,090 --> 00:16:35,699

give our children that's going to change

379

00:16:40,310 --> 00:16:38,100

the course of their lives there are

380

00:16:43,009 --> 00:16:40,320

forces at work that are Beyond us as

381

00:16:46,430 --> 00:16:44,210

now

382

00:16:47,329 --> 00:16:46,440

the the little boy who received this

383

00:16:50,569 --> 00:16:47,339

doll

384

00:16:53,569 --> 00:16:50,579

his name was Robert

385

00:16:56,629 --> 00:16:53,579

and when he received the doll he decided

386

00:17:01,730 --> 00:16:56,639

to name the doll after himself and then

387

00:17:04,429 --> 00:17:01,740

give himself a new name of Gene which is

388

00:17:07,669 --> 00:17:04,439

kind of creepy in and of itself this

389

00:17:09,530 --> 00:17:07,679

kind of perturbed the family because it

390

00:17:11,689 --> 00:17:09,540

wasn't like a super young kid I think

391

00:17:14,510 --> 00:17:11,699

the kid uh the original Robert was right

392

00:17:18,470 --> 00:17:14,520

around five to six years old and he said

393

00:17:21,650 --> 00:17:18,480

uh a henceforth uh I am called Gene uh

394

00:17:23,030 --> 00:17:21,660

this doll you gave me is Robert and this

395

00:17:25,069 --> 00:17:23,040

kind of put the family off a little bit

396

00:17:26,630 --> 00:17:25,079

it also after he said this they

397

00:17:28,549 --> 00:17:26,640

immediately then took him to a doctor at

398

00:17:30,590 --> 00:17:28,559

Vanderbilt who cut his Wang off right

399

00:17:32,810 --> 00:17:30,600

they honestly in that day and age it

400

00:17:34,490 --> 00:17:32,820

wasn't a lobotomy lobotomy is kind of

401
00:17:38,330 --> 00:17:34,500
like the standard practice for any kind

402
00:17:40,909 --> 00:17:38,340
of mental dysfunction yeah

403
00:17:43,549 --> 00:17:40,919
uh it is also rumored the that the The

404
00:17:46,730 --> 00:17:43,559
Nanny wasn't a good nanny it was a bad

405
00:17:51,409 --> 00:17:46,740
nanny and may have placed a a curse or

406
00:17:53,690 --> 00:17:51,419
some sort of uh uh bad Omen on on this

407
00:17:55,789 --> 00:17:53,700
doll and a lot of weird things started

408
00:17:57,890 --> 00:17:55,799
happening but uh this is uh this next

409
00:18:00,169 --> 00:17:57,900
clip speaks to the naming of the doll

410
00:18:02,630 --> 00:18:00,179
and how kind of weird this is full

411
00:18:04,370 --> 00:18:02,640
chorus and legends will tell you hey if

412
00:18:06,230 --> 00:18:04,380
you give someone your name

413
00:18:07,430 --> 00:18:06,240

you give someone your clothes you're

414

00:18:10,490 --> 00:18:07,440

giving someone your identity

415

00:18:13,490 --> 00:18:10,500

particularly an effigy how is that not

416

00:18:16,970 --> 00:18:13,500

going to become possessed or contain

417

00:18:19,490 --> 00:18:16,980

some sort of spiritual essence

418

00:18:22,430 --> 00:18:19,500

it's hard to say what the parents would

419

00:18:25,730 --> 00:18:22,440

have thought when their child named the

420

00:18:30,529 --> 00:18:28,610

but what we do know is that they'd hear

421

00:18:33,529 --> 00:18:30,539

different voices coming from the room

422

00:18:35,029 --> 00:18:33,539

and they'd go in to look and see oh who

423

00:18:36,830 --> 00:18:35,039

does gene have over who is he playing

424

00:18:40,130 --> 00:18:36,840

with and they'd look in and find it was

425

00:18:41,690 --> 00:18:40,140

only Gene and Robert the Doll

426

00:18:43,430 --> 00:18:41,700

[Music]

427

00:18:46,370 --> 00:18:43,440

so a lot of creepy stuff that happened

428

00:18:48,730 --> 00:18:46,380

uh with this doll and Jean while Gene

429

00:18:53,090 --> 00:18:48,740

was growing up in the early 1900s

430

00:18:55,010 --> 00:18:53,100

Gene he grew up he moved to France to

431

00:18:58,070 --> 00:18:55,020

become an artist that's where he met his

432

00:19:00,770 --> 00:18:58,080

wife Jean had this idea that he wanted

433

00:19:02,870 --> 00:19:00,780

to become the best and brightest artist

434

00:19:05,630 --> 00:19:02,880

out there he studied with some really

435

00:19:07,789 --> 00:19:05,640

prominent people in France so he had all

436

00:19:11,029 --> 00:19:07,799

the schooling behind him but he couldn't

437

00:19:13,730 --> 00:19:11,039

make it happen for himself so when he

438

00:19:15,890 --> 00:19:13,740

went overseas to go to school he put

439

00:19:17,810 --> 00:19:15,900

Robert up in the attic probably in a box

440

00:19:21,350 --> 00:19:17,820

and just kind of forgot about his

441

00:19:24,110 --> 00:19:21,360

childhood doll while he was uh growing

442

00:19:27,529 --> 00:19:24,120

up and living his life met his wife over

443

00:19:30,230 --> 00:19:27,539

in France uh Jean and his wife moved to

444

00:19:32,750 --> 00:19:30,240

New York where his wife had a fairly

445

00:19:36,650 --> 00:19:32,760

prominent and successful music career

446

00:19:39,350 --> 00:19:36,660

well Gene's parents were ailing and they

447

00:19:42,169 --> 00:19:39,360

wound up dying and they left his boyhood

448

00:19:44,950 --> 00:19:42,179

home to Gene and his new wife so they

449

00:19:48,590 --> 00:19:44,960

moved down there to Florida in the keys

450

00:19:50,029 --> 00:19:48,600

to start a new life there at his

451
00:19:53,029 --> 00:19:50,039
childhood home

452
00:19:54,529 --> 00:19:53,039
well lo and behold as Gene was going

453
00:19:57,310 --> 00:19:54,539
through his childhood home he found

454
00:20:00,590 --> 00:19:57,320
Robert again his doll

455
00:20:03,710 --> 00:20:00,600
and he started hanging out with his doll

456
00:20:05,570 --> 00:20:03,720
upstairs talking to him like nothing had

457
00:20:09,049 --> 00:20:05,580
ever happened this kind of creeped out

458
00:20:11,330 --> 00:20:09,059
his wife uh his uh his wife was creeped

459
00:20:13,730 --> 00:20:11,340
out that he had this friendship with

460
00:20:15,049 --> 00:20:13,740
this this kind of strange looking doll

461
00:20:16,610 --> 00:20:15,059
it's like a it's like a kind of like a

462
00:20:20,330 --> 00:20:16,620
big doll it's almost kind of like a

463
00:20:22,070 --> 00:20:20,340

three feet tall kind of beady eyes in

464

00:20:24,590 --> 00:20:22,080

fact I won't say strange because I don't

465

00:20:26,690 --> 00:20:24,600

want to curse on me it's a handsome doll

466

00:20:28,970 --> 00:20:26,700

that some people might find to be

467

00:20:30,169 --> 00:20:28,980

peculiar but I don't I think it's a

468

00:20:32,350 --> 00:20:30,179

handsome doll

469

00:20:35,090 --> 00:20:32,360

so Gene was hanging out with this thing

470

00:20:38,330 --> 00:20:35,100

and strange things started to happen

471

00:20:40,070 --> 00:20:38,340

around the house again uh Gene's wife

472

00:20:42,650 --> 00:20:40,080

would hear laughter running around

473

00:20:44,690 --> 00:20:42,660

upstairs when there was no one no one up

474

00:20:47,570 --> 00:20:44,700

there and they didn't own any pets just

475

00:20:49,010 --> 00:20:47,580

creepy things started going on around

476

00:20:52,490 --> 00:20:49,020

the house

477

00:20:55,490 --> 00:20:52,500

well uh it got to be too much she

478

00:20:57,470 --> 00:20:55,500

started cursing at the doll and she

479

00:21:00,110 --> 00:20:57,480

swears that at one point in time she was

480

00:21:02,930 --> 00:21:00,120

alone and she was thrown into a closet

481

00:21:04,669 --> 00:21:02,940

by this doll by some unseen force and

482

00:21:06,529 --> 00:21:04,679

locked in there overnight this kind of

483

00:21:08,350 --> 00:21:06,539

freaked her out she didn't want anything

484

00:21:12,409 --> 00:21:08,360

to do with this thing

485

00:21:15,049 --> 00:21:12,419

and uh they basically had it out where

486

00:21:17,690 --> 00:21:15,059

this doll was a very big point of

487

00:21:21,409 --> 00:21:17,700

contention in the the relationship the

488

00:21:24,590 --> 00:21:21,419

marriage between Gene and his wife well

489

00:21:27,169 --> 00:21:24,600

um Gene in the his health started

490

00:21:28,490 --> 00:21:27,179

failing not doing so well even though he

491

00:21:30,409 --> 00:21:28,500

was

492

00:21:32,690 --> 00:21:30,419

bottle accounts becoming a much more

493

00:21:35,450 --> 00:21:32,700

successful artist once he moved home

494

00:21:37,970 --> 00:21:35,460

almost like his luck turned around where

495

00:21:40,970 --> 00:21:37,980

he became a successful artist and his

496

00:21:43,430 --> 00:21:40,980

wife's music career was fading it was a

497

00:21:46,669 --> 00:21:43,440

reversal of Fortunes once the doll came

498

00:21:50,630 --> 00:21:46,679

back into his life well uh

499

00:21:52,730 --> 00:21:50,640

he passed on uh the wife wound up

500

00:21:56,570 --> 00:21:52,740

selling the house under the condition

501
00:21:58,610 --> 00:21:56,580
that anybody who buys the house must

502
00:22:00,950 --> 00:21:58,620
uh keep the doll in there like if you

503
00:22:03,950 --> 00:22:00,960
buy the house you get the doll and so

504
00:22:06,649 --> 00:22:03,960
the next family moves in uh that next

505
00:22:09,110 --> 00:22:06,659
family has uh small children well they

506
00:22:11,330 --> 00:22:09,120
start playing with Robert the doll and

507
00:22:14,890 --> 00:22:11,340
more nonsense starts happening knocking

508
00:22:16,909 --> 00:22:14,900
and door slamming and various kind of

509
00:22:17,930 --> 00:22:16,919
poltergeist activity that you would

510
00:22:20,570 --> 00:22:17,940
expect

511
00:22:23,510 --> 00:22:20,580
and and it just kind of persists over

512
00:22:26,930 --> 00:22:23,520
the years and typically if you have an

513
00:22:28,909 --> 00:22:26,940

in a negative encounter with with this

514

00:22:31,850 --> 00:22:28,919

doll like if you start to berate it or

515

00:22:34,010 --> 00:22:31,860

not treat it with any sort of respect uh

516

00:22:36,830 --> 00:22:34,020

bad things bad luck starts to happen to

517

00:22:39,770 --> 00:22:36,840

you whether it is financial or or jobs

518

00:22:42,169 --> 00:22:39,780

or it's your health uh bad things start

519

00:22:44,029 --> 00:22:42,179

to happen when you start to treat this

520

00:22:48,289 --> 00:22:44,039

doll very poorly

521

00:22:51,409 --> 00:22:48,299

so the the doll winds up in a Key West

522

00:22:54,409 --> 00:22:51,419

Museum and right around in the 90s

523

00:22:58,190 --> 00:22:54,419

they didn't really know what to do with

524

00:23:00,830 --> 00:22:58,200

it but as soon as the doll showed up

525

00:23:02,690 --> 00:23:00,840

they started to have problems at the

526
00:23:05,330 --> 00:23:02,700
Museum

527
00:23:07,789 --> 00:23:05,340
there were Plumbing troubles at the Fort

528
00:23:09,890 --> 00:23:07,799
after Robert had arrived so they called

529
00:23:11,330 --> 00:23:09,900
in a specialist who comes in the plumber

530
00:23:13,070 --> 00:23:11,340
comes in starts working on the pipes

531
00:23:15,049 --> 00:23:13,080
[h__h] themselves they had big problem

532
00:23:17,390 --> 00:23:15,059
plumbing problems as soon as the doll

533
00:23:19,430 --> 00:23:17,400
arrived there and they called in the

534
00:23:21,470 --> 00:23:19,440
plumber to fix the pipes to clean out

535
00:23:23,270 --> 00:23:21,480
those pipes Mike would you say that the

536
00:23:25,430 --> 00:23:23,280
uh the staff there was scared shitless

537
00:23:28,250 --> 00:23:25,440
they probably were they couldn't do

538
00:23:29,810 --> 00:23:28,260

anything because they had horrible uh

539

00:23:30,730 --> 00:23:29,820

toilet problems they couldn't do

540

00:23:35,090 --> 00:23:30,740

anything

541

00:23:37,850 --> 00:23:35,100

uh maybe uh it was Robert to blame there

542

00:23:39,110 --> 00:23:37,860

uh we don't know you know there's a lot

543

00:23:42,590 --> 00:23:39,120

of things going on over there people are

544

00:23:46,810 --> 00:23:42,600

flushing toilets 10 times 15 times

545

00:23:49,510 --> 00:23:46,820

Robert the toilet Robert Robert

546

00:23:51,830 --> 00:23:49,520

10 times 15 times

547

00:23:54,649 --> 00:23:51,840

gets up at night one at the Museum's

548

00:23:57,049 --> 00:23:54,659

flushing toilets yeah

549

00:23:59,270 --> 00:23:57,059

um but they called in a plumber and

550

00:24:03,130 --> 00:23:59,280

apparently the pump plumber there was

551
00:24:06,409 --> 00:24:03,140
tormented by uh the sounds of children

552
00:24:08,570 --> 00:24:06,419
laughing and that this doll was

553
00:24:10,430 --> 00:24:08,580
tormenting him and so they really didn't

554
00:24:13,909 --> 00:24:10,440
know what to do with this doll but it

555
00:24:16,270 --> 00:24:13,919
was a part of Key West to Folklore and

556
00:24:19,909 --> 00:24:16,280
so they set up they set up the doll

557
00:24:22,610 --> 00:24:19,919
and they gave ghost tours around this

558
00:24:27,350 --> 00:24:22,620
doll and there are rules

559
00:24:29,870 --> 00:24:27,360
when you visit this doll here are the

560
00:24:33,230 --> 00:24:29,880
rules here we go today Robert lives

561
00:24:36,430 --> 00:24:33,240
under protective case of glass inside

562
00:24:40,909 --> 00:24:36,440
the fort East martello Museum

563
00:24:43,430 --> 00:24:40,919

Robert has four very simple rules to

564

00:24:45,950 --> 00:24:43,440

follow when you meet him

565

00:24:48,649 --> 00:24:45,960

number one you have to say hello and

566

00:24:51,169 --> 00:24:48,659

introduce yourself number two you have

567

00:24:54,590 --> 00:24:51,179

to be courteous you have to be polite be

568

00:24:56,390 --> 00:24:54,600

kind when you talk to Robert three when

569

00:24:58,750 --> 00:24:56,400

you leave you have to say goodbye to

570

00:25:01,610 --> 00:24:58,760

Robert you want to close that connection

571

00:25:04,730 --> 00:25:01,620

number four probably the most important

572

00:25:07,370 --> 00:25:04,740

is if you take his picture make sure you

573

00:25:09,789 --> 00:25:07,380

ask permission

574

00:25:12,169 --> 00:25:09,799

but I have all the same rules for myself

575

00:25:15,230 --> 00:25:12,179

uh I think is there solid rules for

576

00:25:18,710 --> 00:25:15,240

anyone to live by and I don't see

577

00:25:20,870 --> 00:25:18,720

anything wrong with those rules

578

00:25:23,270 --> 00:25:20,880

now people uh they they give uh they

579

00:25:26,390 --> 00:25:23,280

give tours there uh they will uh give

580

00:25:29,810 --> 00:25:26,400

people the rules up front and it is a

581

00:25:31,909 --> 00:25:29,820

very popular attraction uh for for you

582

00:25:35,029 --> 00:25:31,919

know ghost hunters or people that are

583

00:25:38,330 --> 00:25:35,039

just kind of passively interested in

584

00:25:39,230 --> 00:25:38,340

this kind of stuff uh it is it is pretty

585

00:25:42,590 --> 00:25:39,240

popular

586

00:25:47,269 --> 00:25:42,600

and so there is one jerk that showed up

587

00:25:50,810 --> 00:25:47,279

there jerk uh piece of [h__h] that did not

588

00:25:54,169 --> 00:25:50,820

have a very positive interaction after

589

00:25:58,490 --> 00:25:54,179

meeting Robert uh this is his story so

590

00:26:01,370 --> 00:25:58,500

he uh he went there with his wife and uh

591

00:26:03,230 --> 00:26:01,380

like a jerk uh he started tapping on the

592

00:26:04,970 --> 00:26:03,240

glass started taking pictures without

593

00:26:07,490 --> 00:26:04,980

permission not showing the proper

594

00:26:10,430 --> 00:26:07,500

respect you need to give to Robert the

595

00:26:13,789 --> 00:26:10,440

doll and he didn't have a very positive

596

00:26:16,310 --> 00:26:13,799

uh experience afterwards so without a

597

00:26:20,870 --> 00:26:16,320

doubt everything that I did while I was

598

00:26:23,810 --> 00:26:20,880

here was 100 wrong in my opinion

599

00:26:27,769 --> 00:26:23,820

after we left the museum within 20

600

00:26:32,810 --> 00:26:30,169

first was just minor car stuff and then

601
00:26:36,110 --> 00:26:32,820
it turned into families being in

602
00:26:38,390 --> 00:26:36,120
accidents my dog dying my mom getting

603
00:26:41,690 --> 00:26:38,400
sick my mom dying

604
00:26:45,470 --> 00:26:41,700
me losing a job me losing a huge

605
00:26:48,830 --> 00:26:45,480
contract me getting sick I mean it just

606
00:26:51,710 --> 00:26:48,840
went on and on and on more pets dying me

607
00:27:00,830 --> 00:26:51,720
getting sicker to the point where

608
00:27:05,390 --> 00:27:04,010
I really I thought sick well what do I

609
00:27:06,049 --> 00:27:05,400
have to lose I'm gonna write him a

610
00:27:08,570 --> 00:27:06,059
letter

611
00:27:11,630 --> 00:27:08,580
and that's what I did

612
00:27:14,690 --> 00:27:11,640
and after that

613
00:27:16,430 --> 00:27:14,700

like really within days it seemed

614

00:27:19,370 --> 00:27:16,440

everything changed

615

00:27:22,310 --> 00:27:19,380

I guarantee people are going to look at

616

00:27:25,330 --> 00:27:22,320

me and think look at this idiot but yes

617

00:27:29,029 --> 00:27:25,340

this idiot was basically like you idiots

618

00:27:32,269 --> 00:27:29,039

like I truly truly believe this right

619

00:27:34,430 --> 00:27:32,279

now I was a jerk I did everything wrong

620

00:27:37,850 --> 00:27:34,440

I did everything that the legend says I

621

00:27:40,010 --> 00:27:37,860

shouldn't do I did and I ended up paying

622

00:27:41,990 --> 00:27:40,020

the the price for it

623

00:27:44,450 --> 00:27:42,000

look at this [h__\h]

624

00:27:47,810 --> 00:27:44,460

yeah Robert receives thousands of

625

00:27:49,190 --> 00:27:47,820

letters uh some from like former uh

626

00:27:51,470 --> 00:27:49,200

people who have uh interacted with

627

00:27:53,930 --> 00:27:51,480

Robert and had Robert and had a bad

628

00:27:56,810 --> 00:27:53,940

experience so they they write to Robert

629

00:28:00,289 --> 00:27:56,820

to release the the curse

630

00:28:02,269 --> 00:28:00,299

and have a reversal of Fortunes

631

00:28:04,909 --> 00:28:02,279

um I guess according to this guy he he

632

00:28:07,130 --> 00:28:04,919

had success with his letter writing

633

00:28:09,470 --> 00:28:07,140

campaign so uh good on him let's get to

634

00:28:10,970 --> 00:28:09,480

get any sexy letters I mean like I uh

635

00:28:13,970 --> 00:28:10,980

yeah I think that would be dear John

636

00:28:17,390 --> 00:28:13,980

love letters that would be earmarked as

637

00:28:19,490 --> 00:28:17,400

possibly a negative interaction like you

638

00:28:21,769 --> 00:28:19,500

probably I'm not saying do this and I

639

00:28:23,690 --> 00:28:21,779

don't condone this to you could write

640

00:28:26,090 --> 00:28:23,700

hate mail to Robert and you'd probably

641

00:28:28,190 --> 00:28:26,100

get there hey I said I said love letters

642

00:28:30,529 --> 00:28:28,200

I know love letters you're talking about

643

00:28:33,470 --> 00:28:30,539

you're talking about sexy like you're

644

00:28:35,029 --> 00:28:33,480

hitting on him like uh erotica that's

645

00:28:36,710 --> 00:28:35,039

what I'm like if you're If It's Love

646

00:28:38,450 --> 00:28:36,720

Letters like you're professing your your

647

00:28:40,250 --> 00:28:38,460

love and admiration form I think that

648

00:28:41,630 --> 00:28:40,260

would be good if you're trying to be a

649

00:28:44,570 --> 00:28:41,640

rotter okay what what if what you know

650

00:28:46,549 --> 00:28:44,580

you got creepy child doll erotica why

651
00:28:48,649 --> 00:28:46,559
not it's probably out there I think that

652
00:28:50,930 --> 00:28:48,659
might be a little bit too forward for

653
00:28:53,570 --> 00:28:50,940
Robert I think you uh if he's if you're

654
00:28:55,549 --> 00:28:53,580
if he's asking for the respect to like

655
00:28:57,409 --> 00:28:55,559
please ask for permission to take my

656
00:28:59,330 --> 00:28:57,419
picture and all that kind of stuff yeah

657
00:29:02,029 --> 00:28:59,340
you might have to go through a longer

658
00:29:03,169 --> 00:29:02,039
paranormal corking process yes yeah you

659
00:29:04,789 --> 00:29:03,179
have to go down there a couple times and

660
00:29:07,250 --> 00:29:04,799
be maybe share a few meals with Robert

661
00:29:09,490 --> 00:29:07,260
maybe you watch a movie or two yes

662
00:29:12,289 --> 00:29:09,500
something like find out

663
00:29:14,090 --> 00:29:12,299

I'm gonna go out and buy a house I'm

664

00:29:15,470 --> 00:29:14,100

gonna get you an engagement ring and

665

00:29:17,450 --> 00:29:15,480

hopefully you'll think about moving to

666

00:29:18,889 --> 00:29:17,460

Minnesota and well I mean does Robert

667

00:29:21,470 --> 00:29:18,899

want to move to Minnesota with Hulk

668

00:29:22,909 --> 00:29:21,480

Hogan I mean Key West is pretty uh

669

00:29:24,950 --> 00:29:22,919

pretty Prime real estate I don't think

670

00:29:27,110 --> 00:29:24,960

Hulk Hogan lives in Florida yeah I want

671

00:29:28,970 --> 00:29:27,120

you to come up north next week I don't

672

00:29:31,389 --> 00:29:28,980

think Robert's willing to move up north

673

00:29:35,510 --> 00:29:31,399

there are people that have tried to uh

674

00:29:37,190 --> 00:29:35,520

uh to have him in the house and there's

675

00:29:40,549 --> 00:29:37,200

nothing but bad experiences the doll

676

00:29:42,409 --> 00:29:40,559

does appear to be cursed possessed and

677

00:29:45,169 --> 00:29:42,419

it's nothing but bad experiences now the

678

00:29:46,610 --> 00:29:45,179

final clip I have is they brought in a

679

00:29:51,649 --> 00:29:46,620

psychic

680

00:29:54,110 --> 00:29:51,659

overall reading uh to get an impression

681

00:29:56,750 --> 00:29:54,120

of what may be going on with this doll

682

00:29:59,510 --> 00:29:56,760

is it present is it possessed is it uh

683

00:30:02,269 --> 00:29:59,520

is there something else going on here uh

684

00:30:04,970 --> 00:30:02,279

and this is the psychics impression hi

685

00:30:07,190 --> 00:30:04,980

Robert my name is Cindy and I'm here to

686

00:30:10,090 --> 00:30:07,200

talk to you about why you're here

687

00:30:12,950 --> 00:30:10,100

and to learn about the story of Robert

688

00:30:14,930 --> 00:30:12,960

the energy is palpable I mean you could

689

00:30:16,310 --> 00:30:14,940

feel the shift the second I walked

690

00:30:19,610 --> 00:30:16,320

through the threshold I'm already

691

00:30:22,669 --> 00:30:19,620

hearing there really are many entities

692

00:30:28,250 --> 00:30:25,669

to Robert the Doll what is this so

693

00:30:30,409 --> 00:30:28,260

fascinating because it's it really she

694

00:30:33,409 --> 00:30:30,419

she's not just one Spirit he's many

695

00:30:37,789 --> 00:30:33,419

spirits it's almost as if the doll

696

00:30:40,370 --> 00:30:37,799

itself is a portal whatever spell for

697

00:30:43,010 --> 00:30:40,380

lack of a better word was done was to

698

00:30:45,769 --> 00:30:43,020

create an opening inside the doll to

699

00:30:48,830 --> 00:30:45,779

attract in spirits yeah that's great

700

00:30:50,750 --> 00:30:48,840

isn't it in this particular case I think

701
00:30:52,310 --> 00:30:50,760
it's really hard to close the portal

702
00:30:54,289 --> 00:30:52,320
that surrounds Robert the Doll because

703
00:30:56,090 --> 00:30:54,299
we don't truly understand how this

704
00:30:57,830 --> 00:30:56,100
portal was created

705
00:30:59,450 --> 00:30:57,840
do you feel like all of these Spirits

706
00:31:00,710 --> 00:30:59,460
were always with Robert or do you think

707
00:31:02,090 --> 00:31:00,720
they've been collected along the way

708
00:31:04,250 --> 00:31:02,100
they've definitely been collected along

709
00:31:08,330 --> 00:31:04,260
the way no so it's like wherever Robert

710
00:31:10,970 --> 00:31:08,340
goes more Spirits attached to Robert

711
00:31:14,090 --> 00:31:10,980
and they just accumulate and accumulate

712
00:31:16,070 --> 00:31:14,100
and I know that people have seen Robert

713
00:31:19,190 --> 00:31:16,080

move

714

00:31:20,990 --> 00:31:19,200

but again it's also the spirits that are

715

00:31:23,930 --> 00:31:21,000

around Robert that are able to

716

00:31:26,029 --> 00:31:23,940

manipulate the doll itself yes wherever

717

00:31:28,789 --> 00:31:26,039

this doll is there are lots of spirits

718

00:31:32,990 --> 00:31:28,799

coming in lots of them and especially

719

00:31:35,630 --> 00:31:33,000

children wow I keep seeing handprints on

720

00:31:38,149 --> 00:31:35,640

the glass little children's hand prints

721

00:31:41,029 --> 00:31:38,159

the little girl I feel really is a

722

00:31:44,090 --> 00:31:41,039

strong presence around this doll and her

723

00:31:46,130 --> 00:31:44,100

story hasn't been told yet why do you

724

00:31:49,250 --> 00:31:46,140

think the spirits around Robert are

725

00:31:51,350 --> 00:31:49,260

angry or sad or they have unfinished

726

00:31:53,210 --> 00:31:51,360

business their story hasn't been told I

727

00:31:55,130 --> 00:31:53,220

mean this is this doll is a portal to

728

00:31:57,289 --> 00:31:55,140

attract in a lot of spirits and in

729

00:32:01,070 --> 00:31:57,299

particular Spirits with unfinished

730

00:32:03,250 --> 00:32:01,080

business that are sad that are angry

731

00:32:06,169 --> 00:32:03,260

because that creates a darker presence

732

00:32:07,250 --> 00:32:06,179

not all of them are bad some of them are

733

00:32:10,130 --> 00:32:07,260

mischievous

734

00:32:12,110 --> 00:32:10,140

but there's in particular one who is

735

00:32:14,690 --> 00:32:12,120

negative

736

00:32:16,430 --> 00:32:14,700

I definitely feel like there is an

737

00:32:20,029 --> 00:32:16,440

aggressive male

738

00:32:22,970 --> 00:32:20,039

Spirit that's very attached come on to

739

00:32:24,110 --> 00:32:22,980

this doll that is the one that shoves

740

00:32:29,510 --> 00:32:24,120

people

741

00:32:33,590 --> 00:32:31,250

there's definitely a very angry

742

00:32:35,389 --> 00:32:33,600

aggressive and violent Spirit attached

743

00:32:37,850 --> 00:32:35,399

to Robert the doll and I do believe that

744

00:32:40,549 --> 00:32:37,860

he is the cause of a lot of the negative

745

00:32:44,630 --> 00:32:40,559

activity that people have experienced

746

00:32:47,630 --> 00:32:44,640

oh there you go it is a a portal Robert

747

00:32:50,330 --> 00:32:47,640

the Doll is a portal where it's a

748

00:32:52,850 --> 00:32:50,340

conduit where other Spirits can come in

749

00:32:55,610 --> 00:32:52,860

and interact with our reality in some

750

00:32:57,649 --> 00:32:55,620

way and it's not that dissimilar from

751
00:32:59,570 --> 00:32:57,659
like a Skinwalker Ranch where people go

752
00:33:01,669 --> 00:32:59,580
there they'll have like some sort of uh

753
00:33:04,250 --> 00:33:01,679
Paranormal Activity some kind of some

754
00:33:06,529 --> 00:33:04,260
kind of interaction they go home and

755
00:33:08,810 --> 00:33:06,539
that activity continues to persist over

756
00:33:12,409 --> 00:33:08,820
a certain period of time it's like it's

757
00:33:14,930 --> 00:33:12,419
called The Hitchhiker effect uh and

758
00:33:16,610 --> 00:33:14,940
apparently Robert the Doll does possess

759
00:33:18,350 --> 00:33:16,620
that ability if you believe that kind of

760
00:33:21,049 --> 00:33:18,360
thing Joe I know you don't uh you don't

761
00:33:21,889 --> 00:33:21,059
believe in haunted uh houses or dolls do

762
00:33:25,310 --> 00:33:21,899
you

763
00:33:27,049 --> 00:33:25,320

I want to though it's so bad I mean she

764

00:33:30,409 --> 00:33:27,059

talks like she's an expert anybody who

765

00:33:32,389 --> 00:33:30,419

says when I came to the threshold like

766

00:33:36,049 --> 00:33:32,399

what when you went to when you finally

767

00:33:39,350 --> 00:33:36,059

got there like can you it's like I had a

768

00:33:41,750 --> 00:33:39,360

boss's wife you said what like we were

769

00:33:44,090 --> 00:33:41,760

at a dinner and she says oh what were

770

00:33:46,610 --> 00:33:44,100

you imbibing and uh my partner at the

771

00:33:48,710 --> 00:33:46,620

time was like vibing and and I was like

772

00:33:56,169 --> 00:33:48,720

it's it's the pretentious word for

773

00:34:01,669 --> 00:33:58,909

it's like it wasn't funny it didn't come

774

00:34:03,830 --> 00:34:01,679

out funny and it sounded like you're

775

00:34:06,350 --> 00:34:03,840

fake and she was fake and this girl's

776

00:34:08,329 --> 00:34:06,360

fake and that's just how I'm gonna I

777

00:34:09,950 --> 00:34:08,339

don't know this person has just been

778

00:34:11,109 --> 00:34:09,960

trying to use her word of the day

779

00:34:13,129 --> 00:34:11,119

calendar

780

00:34:14,930 --> 00:34:13,139

threshold excuse me is the word of the

781

00:34:17,270 --> 00:34:14,940

day yeah she was going on all day

782

00:34:19,430 --> 00:34:17,280

looking for the term threshold well I I

783

00:34:21,829 --> 00:34:19,440

watched this I think he used the term

784

00:34:24,470 --> 00:34:21,839

threshold is when she walked through the

785

00:34:27,109 --> 00:34:24,480

threshold of the room like there's this

786

00:34:29,089 --> 00:34:27,119

particular matter yeah when I got into

787

00:34:30,950 --> 00:34:29,099

the room well she used the word

788

00:34:33,889 --> 00:34:30,960

threshold to make it sound a little bit

789

00:34:35,290 --> 00:34:33,899

so she can sound smart and then she says

790

00:34:38,629 --> 00:34:35,300

trying to punch it up a little bit

791

00:34:40,550 --> 00:34:38,639

entity she says entity like she was in

792

00:34:42,649 --> 00:34:40,560

like the way she was saying words it was

793

00:34:44,690 --> 00:34:42,659

like I don't know and then who's

794

00:34:46,369 --> 00:34:44,700

verifying her you know where are the

795

00:34:49,909 --> 00:34:46,379

fact Checkers on this not that they care

796

00:34:51,589 --> 00:34:49,919

this is irrelevant this is uh

797

00:34:53,389 --> 00:34:51,599

uh through the Paranormal realm with

798

00:34:56,270 --> 00:34:53,399

psychic mediums it's a lot about

799

00:34:58,910 --> 00:34:56,280

intuition and what you feel and this is

800

00:35:01,670 --> 00:34:58,920

her opinion on what Robert the Doll is

801
00:35:03,710 --> 00:35:01,680
now I I believe in haunted dolls I

802
00:35:05,510 --> 00:35:03,720
believe in haunted houses and if I were

803
00:35:07,670 --> 00:35:05,520
to go down there I would pay my respects

804
00:35:09,710 --> 00:35:07,680
to Robert the Doll because I would not

805
00:35:12,770 --> 00:35:09,720
want to be cursed I don't like curses I

806
00:35:16,370 --> 00:35:12,780
think you know this and I I know I mean

807
00:35:18,829 --> 00:35:16,380
I've you used to be very pro-cursed well

808
00:35:21,109 --> 00:35:18,839
uh what about like a little curse just a

809
00:35:22,790 --> 00:35:21,119
tiny curse no I think too much is enough

810
00:35:26,150 --> 00:35:22,800
like all that kind even just a little

811
00:35:29,150 --> 00:35:26,160
bit it'd be enough to offset my routine

812
00:35:30,829 --> 00:35:29,160
and I don't want my routine upset I

813
00:35:33,589 --> 00:35:30,839

certainly don't want my pets or animals

814

00:35:35,690 --> 00:35:33,599

to die and when that when that one jerk

815

00:35:38,750 --> 00:35:35,700

went there they said after he went to

816

00:35:41,089 --> 00:35:38,760

visit the cell my dog died my cat like

817

00:35:43,430 --> 00:35:41,099

my pets died my mother even my mother

818

00:35:47,290 --> 00:35:43,440

died that's what he said yeah didn't he

819

00:35:52,790 --> 00:35:50,510

a country song about it shortly after he

820

00:35:54,589 --> 00:35:52,800

did mention like the most important

821

00:35:58,329 --> 00:35:54,599

thing that uh and that little boy grew

822

00:36:03,710 --> 00:36:01,550

he did mention like his is his mom dying

823

00:36:05,510 --> 00:36:03,720

was pretty far down on the list you know

824

00:36:07,190 --> 00:36:05,520

it was like that didn't come up top it

825

00:36:10,270 --> 00:36:07,200

was like oh yeah by the way I just

826

00:36:13,670 --> 00:36:10,280

remembered after I lost my phone

827

00:36:15,970 --> 00:36:13,680

my car died and my pets and oh and my

828

00:36:18,290 --> 00:36:15,980

mom died too

829

00:36:19,790 --> 00:36:18,300

maybe he could see from the producer

830

00:36:21,109 --> 00:36:19,800

standing behind the camera that is like

831

00:36:24,290 --> 00:36:21,119

they weren't they he wasn't getting the

832

00:36:26,569 --> 00:36:24,300

reaction he goes in my mom died punch it

833

00:36:29,450 --> 00:36:26,579

up producers waving I was like four more

834

00:36:31,609 --> 00:36:29,460

do more my mom died and uh and you're

835

00:36:32,870 --> 00:36:31,619

you died too what the hell are you

836

00:36:34,790 --> 00:36:32,880

talking about

837

00:36:37,490 --> 00:36:34,800

but uh yeah creepy story Aaron anybody

838

00:36:39,230 --> 00:36:37,500

can visit that and uh Key West Key West

839

00:36:41,030 --> 00:36:39,240

you can take a look at Robert's adult

840

00:36:44,030 --> 00:36:41,040

and I'll put in the link you can buy

841

00:36:46,730 --> 00:36:44,040

your own uh Robert to doll like uh okay

842

00:36:48,710 --> 00:36:46,740

so this is uh are they paying you for

843

00:36:50,510 --> 00:36:48,720

this no no no I mean someone I think

844

00:36:52,609 --> 00:36:50,520

over in Europe has decided to make like

845

00:36:54,410 --> 00:36:52,619

the replica like a replica of Robert De

846

00:36:56,510 --> 00:36:54,420

Dolly who you can buy if you get on

847

00:36:59,390 --> 00:36:56,520

Amazon Robert you can go to Robert the

848

00:37:01,670 --> 00:36:59,400

Doll dot org if you want to terrify

849

00:37:03,609 --> 00:37:01,680

somebody had Robert the doll.com I guess

850

00:37:06,170 --> 00:37:03,619

so

851
00:37:06,950 --> 00:37:06,180
that's a that was a hot URL back in the

852
00:37:10,750 --> 00:37:06,960
day

853
00:37:15,890 --> 00:37:14,030
website yeah I think at Robert the

854
00:37:18,170 --> 00:37:15,900
donald.com I think they actually sell

855
00:37:19,970 --> 00:37:18,180
cat food there right now so

856
00:37:21,890 --> 00:37:19,980
it's like an aggregator yeah what is

857
00:37:23,510 --> 00:37:21,900
that Roberts at all Robert the doll.com

858
00:37:26,150 --> 00:37:23,520
let's go there

859
00:37:29,810 --> 00:37:26,160
Robert the doll.com goes to

860
00:37:32,329 --> 00:37:29,820
oh it's just a placeholder ripoff really

861
00:37:33,950 --> 00:37:32,339
yeah how much can we get it for and

862
00:37:36,710 --> 00:37:33,960
there's nothing there

863
00:37:38,630 --> 00:37:36,720

if I go to Robert no words there

864

00:37:39,950 --> 00:37:38,640

Robert the Doll dot org there's

865

00:37:42,109 --> 00:37:39,960

something there what's that.net who got

866

00:37:44,990 --> 00:37:42,119

dot net

867

00:37:47,930 --> 00:37:45,000

there's nothing at.net so there's a DOT

868

00:37:50,450 --> 00:37:47,940

org and not a DOT net

869

00:37:52,250 --> 00:37:50,460

yeah.net you can get right away yeah so

870

00:37:55,910 --> 00:37:52,260

dot dot org yeah you can go there you

871

00:37:58,490 --> 00:37:55,920

can uh buy a boy and his doll new homes

872

00:38:01,069 --> 00:37:58,500

you can go to the store and so I don't

873

00:38:03,470 --> 00:38:01,079

know if Robert the the actual Robert the

874

00:38:05,990 --> 00:38:03,480

Doll would like

875

00:38:07,910 --> 00:38:06,000

like impersonators out there like if you

876

00:38:10,310 --> 00:38:07,920

buy one of like an impersonator I don't

877

00:38:12,050 --> 00:38:10,320

know I think that's bad mojo there's a

878

00:38:13,790 --> 00:38:12,060

Robert the Doll snow globe so now you've

879

00:38:15,890 --> 00:38:13,800

got a miniature Robert that all trapped

880

00:38:18,410 --> 00:38:15,900

in something else I think that would

881

00:38:21,950 --> 00:38:18,420

that's just this is like Transformers

882

00:38:24,230 --> 00:38:21,960

and GoBots yes it is like Lego and

883

00:38:25,550 --> 00:38:24,240

whatever that knockoff was there I can't

884

00:38:27,890 --> 00:38:25,560

remember the name of that one like the

885

00:38:31,010 --> 00:38:27,900

Erector Set kind of thing yeah the the

886

00:38:33,950 --> 00:38:31,020

something blocks um excitement Mega

887

00:38:37,810 --> 00:38:33,960

Blocks Mega Blok there it is

888

00:38:44,750 --> 00:38:40,870

there's your creepy story for Halloween

889

00:38:47,329 --> 00:38:44,760

kind of stuff no

890

00:38:50,690 --> 00:38:47,339

your heart needs to get harder into it

891

00:38:52,310 --> 00:38:50,700

put it in the paint Mike I'm going to

892

00:38:54,829 --> 00:38:52,320

put this into a carrot shop they sell a

893

00:38:56,450 --> 00:38:54,839

Robert the Doll voodoo doll now you're

894

00:38:58,670 --> 00:38:56,460

just asking for trouble damn you're just

895

00:39:00,589 --> 00:38:58,680

you're doubling down on that one as long

896

00:39:02,150 --> 00:39:00,599

as you say hello and goodbye you go

897

00:39:04,609 --> 00:39:02,160

ahead and kick that [h__h] around the room

898

00:39:07,130 --> 00:39:04,619

uh yeah if you ask permission I I guess

899

00:39:09,770 --> 00:39:07,140

you could so on the screen how much is

900

00:39:15,410 --> 00:39:13,849

a Robert the Doll voodoo doll wow I

901
00:39:16,910 --> 00:39:15,420
think we should buy one at Rand or buy

902
00:39:18,710 --> 00:39:16,920
one and send it to a listener at random

903
00:39:20,450 --> 00:39:18,720
and not tell them yeah this is what I

904
00:39:21,950 --> 00:39:20,460
want this is what I need I think the

905
00:39:25,130 --> 00:39:21,960
listeners who'd want it we could do a

906
00:39:27,410 --> 00:39:25,140
contest around it is 65 dollars

907
00:39:30,170 --> 00:39:27,420
that's not bad that's doable wait wait

908
00:39:33,470 --> 00:39:30,180
up at the top it says uh fifteen dollars

909
00:39:36,770 --> 00:39:33,480
why does it say 65 at the bottom

910
00:39:38,210 --> 00:39:36,780
uh not available not available for

911
00:39:40,730 --> 00:39:38,220
international shipping the posted

912
00:39:43,069 --> 00:39:40,740
postage has skyrocketed this will

913
00:39:46,730 --> 00:39:43,079

calculate at the post office's rate 65

914

00:39:48,710 --> 00:39:46,740

so this is I think it's done in in

915

00:39:51,109 --> 00:39:48,720

Europe so maybe international shipping

916

00:39:54,109 --> 00:39:51,119

is 65 so we really want it's going to

917

00:39:58,010 --> 00:39:56,690

it's not a replica that's for sure it's

918

00:40:00,589 --> 00:39:58,020

the real deal

919

00:40:02,510 --> 00:40:00,599

all right

920

00:40:05,270 --> 00:40:02,520

I don't want to I don't wanna anything

921

00:40:07,010 --> 00:40:05,280

to do with this doll it's got It's got

922

00:40:09,410 --> 00:40:07,020

that little big planet style though this

923

00:40:12,849 --> 00:40:09,420

one it's kind of cute everyone send Mike

924

00:40:15,290 --> 00:40:12,859

Robert the Doll perfect I do not want it

925

00:40:18,710 --> 00:40:15,300

if I want that I ain't got no business

926

00:40:21,050 --> 00:40:18,720

with him but I want it I don't want it

927

00:40:23,470 --> 00:40:21,060

should we send it to uh AJ or to the

928

00:40:26,630 --> 00:40:23,480

judge that's what I want

929

00:40:29,150 --> 00:40:26,640

if AJ started sending Robert the dolls

930

00:40:32,329 --> 00:40:29,160

to various lawyers and judges I think

931

00:40:33,890 --> 00:40:32,339

they would get him on uh occultism or

932

00:40:36,790 --> 00:40:33,900

some some kind of like witch burning

933

00:40:39,710 --> 00:40:36,800

kind of thing they probably witchcraft

934

00:40:41,870 --> 00:40:39,720

for witchcraft it'd probably break out

935

00:40:44,329 --> 00:40:41,880

the Mayflower Compact and use some kind

936

00:40:46,190 --> 00:40:44,339

of antiquated law to get him burned at

937

00:40:49,370 --> 00:40:46,200

the stake so if you yeah you put them in

938

00:40:51,170 --> 00:40:49,380

the water if you're a witch does he

939

00:40:52,010 --> 00:40:51,180

float he's a duck

940

00:40:54,290 --> 00:40:52,020

um

941

00:40:56,210 --> 00:40:54,300

if you're a witch you do witchcraft if

942

00:40:58,930 --> 00:40:56,220

you're a warlock which I believe is a

943

00:41:02,210 --> 00:40:58,940

male witch technically I think so yes

944

00:41:04,190 --> 00:41:02,220

warlockery what's the what's what's the

945

00:41:07,430 --> 00:41:04,200

practice called Wizardry

946

00:41:10,069 --> 00:41:07,440

no you do Wizardry Wizards are distinct

947

00:41:12,349 --> 00:41:10,079

from warlocks but you do but at a

948

00:41:15,470 --> 00:41:12,359

warlock you do Wizardry

949

00:41:16,790 --> 00:41:15,480

I don't think that's true I think you do

950

00:41:18,710 --> 00:41:16,800

all right

951
00:41:22,329 --> 00:41:18,720
well well maybe someone in the chat

952
00:41:27,530 --> 00:41:25,010
