

1
00:00:03,230 --> 00:00:01,030
[Applause]

2
00:00:06,230 --> 00:00:03,240
thank you

3
00:00:12,290 --> 00:00:06,240
cool all right uh you want to move on to

4
00:00:15,770 --> 00:00:14,209
all right so we've had requests for this

5
00:00:16,609 --> 00:00:15,780
sort of stuff for the past couple of

6
00:00:18,650 --> 00:00:16,619
weeks

7
00:00:22,150 --> 00:00:18,660
um or months actually so here is by

8
00:00:26,029 --> 00:00:22,160
popular Quest some Arby's news wow okay

9
00:00:28,550 --> 00:00:26,039
and it is some weird Arby's news

10
00:00:30,650 --> 00:00:28,560
well I like Arby's news and I like weird

11
00:00:32,749 --> 00:00:30,660
news this is uh really scratching the

12
00:00:34,970 --> 00:00:32,759
itch okay this is some weird freaking

13
00:00:38,090 --> 00:00:34,980

Arby's news all right we'll bring this

14

00:00:40,369 --> 00:00:38,100

up on uh

15

00:00:43,790 --> 00:00:40,379

on the screen here Arby's launches new

16

00:00:46,910 --> 00:00:43,800

limited edition smoked bourbon inspired

17

00:00:50,709 --> 00:00:46,920

by Smoke House sandwiches perfect

18

00:00:55,670 --> 00:00:52,670

is it

19

00:00:58,010 --> 00:00:55,680

I I don't know what this headline means

20

00:01:00,110 --> 00:00:58,020

so they're launching their own okay so

21

00:01:02,889 --> 00:01:00,120

from the headline they're Arby's is

22

00:01:06,950 --> 00:01:02,899

launching its own bourbon

23

00:01:09,170 --> 00:01:06,960

inspired by Smokehouse sandwiches

24

00:01:11,510 --> 00:01:09,180

inspired by their shitty Rosary sandwich

25

00:01:15,050 --> 00:01:11,520

okay

26

00:01:17,750 --> 00:01:15,060

um Arby's is bringing in smoked

27

00:01:19,550 --> 00:01:17,760

meat the smoked meat experience to

28

00:01:21,469 --> 00:01:19,560

Bourbon with the release of the new

29

00:01:23,570 --> 00:01:21,479

limited edition Arby's smoked bourbon

30

00:01:25,550 --> 00:01:23,580

okay has anyone ever said that you know

31

00:01:27,350 --> 00:01:25,560

this bird would be better if it was more

32

00:01:29,810 --> 00:01:27,360

like smoked meat I wish I could just

33

00:01:31,609 --> 00:01:29,820

drink my meat is that possible if I

34

00:01:32,870 --> 00:01:31,619

could just drink my uh my Arby's

35

00:01:35,390 --> 00:01:32,880

sandwich

36

00:01:37,310 --> 00:01:35,400

but I want a little tinge of alcohol to

37

00:01:38,749 --> 00:01:37,320

really think but but when I'm done I

38

00:01:42,350 --> 00:01:38,759

want to be drunk yeah I want to get nice

39

00:01:45,530 --> 00:01:42,360
and [h__h] up when I'm eating an Arby's

40

00:01:48,410 --> 00:01:45,540
burger it's so I've been craving these

41

00:01:50,990 --> 00:01:48,420
uh Bloody Mary's that have like the

42

00:01:52,789 --> 00:01:51,000
bacon and the olives and the pickles and

43

00:01:55,370 --> 00:01:52,799
all that stuff that's kind of like

44

00:01:58,010 --> 00:01:55,380
drinking meat kind of I guess so

45

00:01:59,210 --> 00:01:58,020
a little bit but ain't no Arby's bourbon

46

00:02:02,569 --> 00:01:59,220
that's for sure

47

00:02:06,230 --> 00:02:02,579
uh according to Arby's America American

48

00:02:07,150 --> 00:02:06,240
Oak is smoked in the patent process with

49

00:02:11,210 --> 00:02:07,160
Hickory

50

00:02:13,670 --> 00:02:11,220
uh Mesquite and pecan smoke from

51
00:02:17,449 --> 00:02:13,680
Sadler's Smokehouse in Texas where much

52
00:02:20,089 --> 00:02:17,459
of Arby's finest meat cuts are smoked uh

53
00:02:22,610 --> 00:02:20,099
the oak is then placed into bourbon the

54
00:02:25,670 --> 00:02:22,620
bourbon is then Woodcraft finished by

55
00:02:28,430 --> 00:02:25,680
placing the smoked wood inside where it

56
00:02:30,890 --> 00:02:28,440
is heated and cool to replicate

57
00:02:32,930 --> 00:02:30,900
the variation of temperature throughout

58
00:02:35,750 --> 00:02:32,940
the seasons the result is a familiar

59
00:02:38,750 --> 00:02:35,760
smokiness and bold Flavor that all

60
00:02:41,750 --> 00:02:38,760
Arby's fans know to expect

61
00:02:43,850 --> 00:02:41,760
no inexpect oh my God

62
00:02:46,630 --> 00:02:43,860
all right well uh how much is this

63
00:02:51,110 --> 00:02:46,640

Arby's smoked bourbon will be available

64

00:02:54,890 --> 00:02:51,120

exclusively at arby's smoked bourbon.com

65

00:02:56,990 --> 00:02:54,900

beginning Wednesday October 19th at noon

66

00:02:59,330 --> 00:02:57,000

right now for 60 I'm going there right

67

00:03:01,309 --> 00:02:59,340

now come on Joe we're going there right

68

00:03:04,070 --> 00:03:01,319

now I'm actually gonna go

69

00:03:06,770 --> 00:03:04,080

okay we always miss out remember we I

70

00:03:08,509 --> 00:03:06,780

miss out on every exclusive deal

71

00:03:12,710 --> 00:03:08,519

and I'm not missing out on another one

72

00:03:16,970 --> 00:03:12,720

this is my year to get an exclusive deal

73

00:03:23,030 --> 00:03:19,149

submit okay there we go

74

00:03:26,630 --> 00:03:23,040

all right uh bourbon smoked like Arby's

75

00:03:31,190 --> 00:03:26,640

me okay here we go sold out [h__\h]

76
00:03:33,170 --> 00:03:31,200
dude again this is [\h__\h] you goddamn

77
00:03:36,890 --> 00:03:33,180
[\h__\h] piece of [\h__\h] [\h__\h] God damn

78
00:03:40,670 --> 00:03:38,570
would have been great if Alex like was

79
00:03:41,869 --> 00:03:40,680
doing this on his show it's [\h__\h] so

80
00:03:43,070 --> 00:03:41,879
I'm not even doing the show we're just

81
00:03:45,830 --> 00:03:43,080
going to Arby's and ordering some

82
00:03:50,030 --> 00:03:45,840
bourbon smells like meat

83
00:03:53,449 --> 00:03:51,830
I mean we can't catch a [\h__\h] break

84
00:03:55,850 --> 00:03:53,459
when it comes to this [\h__\h] we can't get

85
00:03:59,330 --> 00:03:55,860
the Ritz cracker Oreos like what is

86
00:04:03,289 --> 00:03:59,340
happening [\h__\h] [\h__\h] all of it

87
00:04:07,309 --> 00:04:06,050
okay as a consolation prize Mike if you

88
00:04:08,990 --> 00:04:07,319

keep scrolling down you can still get a

89

00:04:11,990 --> 00:04:09,000

real country style rib sandwich or a

90

00:04:13,190 --> 00:04:12,000

Smokehouse Brisket Sandwich yeah

91

00:04:16,129 --> 00:04:13,200

I guess I don't know what it does either

92

00:04:17,930 --> 00:04:16,139

these on eBay already yeah can we go to

93

00:04:19,789 --> 00:04:17,940

eBay can you get can you get alcohol on

94

00:04:22,610 --> 00:04:19,799

eBay

95

00:04:24,050 --> 00:04:22,620

you can buy an empty bottle of alcohol

96

00:04:27,290 --> 00:04:24,060

on eBay

97

00:04:29,230 --> 00:04:27,300

so somebody bought this ordered it drank

98

00:04:33,370 --> 00:04:29,240

it and selling you the bottle

99

00:04:33,380 --> 00:04:40,629

put me in jail that's not even good

100

00:04:47,210 --> 00:04:43,990

and uh wrong

101
00:04:49,610 --> 00:04:47,220
big time I I searched for Arby's

102
00:04:51,830 --> 00:04:49,620
Smokehouse on uh on on eBay I'm not

103
00:04:55,070 --> 00:04:51,840
seeing anything although I can't get uh

104
00:04:56,810 --> 00:04:55,080
Arby's uh six DVD set 13 hours of

105
00:04:59,689 --> 00:04:56,820
smokehouse brisket

106
00:05:03,129 --> 00:04:59,699
uh and eight hours of

107
00:05:07,550 --> 00:05:03,139
eight hours of turkey commercials

108
00:05:09,170 --> 00:05:07,560
six hours of of meat getting smoked I'm

109
00:05:11,030 --> 00:05:09,180
already seeing Christmas commercials you

110
00:05:13,610 --> 00:05:11,040
might as well pull the trigger now is it

111
00:05:15,890 --> 00:05:13,620
it's a six DVD set 13 hours of

112
00:05:17,510 --> 00:05:15,900
smokehouse brisket and eight hours of

113
00:05:19,370 --> 00:05:17,520

turkey commercials what more could

114

00:05:21,830 --> 00:05:19,380

Grandma want this is a great stocking

115

00:05:23,870 --> 00:05:21,840

stuffer for all your nieces and nephews

116

00:05:26,510 --> 00:05:23,880

or for people you don't like either way

117

00:05:28,850 --> 00:05:26,520

actually this is good for the office uh

118

00:05:31,909 --> 00:05:28,860

you know white Santa secret Santa in a

119

00:05:35,629 --> 00:05:31,919

gift exchange oh my God yes is what I

120

00:05:38,629 --> 00:05:35,639

always wanted 13 hours of RV Smokehouse

121

00:05:40,129 --> 00:05:38,639

commercials meat getting smoked is this

122

00:05:42,290 --> 00:05:40,139

is this the Blu-ray version because I

123

00:05:44,870 --> 00:05:42,300

only want 4K I got a Blu-ray player I

124

00:05:46,790 --> 00:05:44,880

don't want to use it 5.1 surround

125

00:05:48,950 --> 00:05:46,800

there's nothing more romantic than

126

00:05:52,990 --> 00:05:48,960

leaving a trail of onion petals to the

127

00:05:56,029 --> 00:05:53,000

hotel room that's right

128

00:05:58,310 --> 00:05:56,039

you give her a glass of uh Arby's

129

00:06:01,129 --> 00:05:58,320

dipping sauce and she can eat them along

130

00:06:02,930 --> 00:06:01,139

the way you tossed her into bed and try

131

00:06:04,969 --> 00:06:02,940

to find a hole

132

00:06:09,290 --> 00:06:04,979

you gotta warn people

133

00:06:12,590 --> 00:06:09,300

uh it goes like for this it was eBay uh

134

00:06:15,170 --> 00:06:12,600

auction this the the absolute craziest

135

00:06:18,469 --> 00:06:15,180

marketing marketing campaign ever this

136

00:06:21,050 --> 00:06:18,479

is a six DVD set of 24 hours worth of

137

00:06:24,290 --> 00:06:21,060

Arby's meaty goodness these limited

138

00:06:26,809 --> 00:06:24,300

edition DVDs came out in 2015 with much

139

00:06:29,570 --> 00:06:26,819

fanfare from the press and fans of

140

00:06:32,570 --> 00:06:29,580

Arby's supplies of these juicy tender

141

00:06:35,090 --> 00:06:32,580

Smoky DVDs was small and are likely

142

00:06:37,010 --> 00:06:35,100

coveted by the Arby's fan base

143

00:06:38,749 --> 00:06:37,020

I didn't realize there's an Arby's fan

144

00:06:40,010 --> 00:06:38,759

base but apparently there are and we

145

00:06:42,469 --> 00:06:40,020

might be part of it we just might not

146

00:06:44,029 --> 00:06:42,479

even know it dude there's still an ICP

147

00:06:46,070 --> 00:06:44,039

like

148

00:06:49,189 --> 00:06:46,080

thing yeah okay

149

00:06:50,689 --> 00:06:49,199

uh I I don't know for 36 dollars I might

150

00:06:53,210 --> 00:06:50,699

pull the trigger on this

151
00:06:55,129 --> 00:06:53,220
and I just want to know is it 13 hours

152
00:06:57,830 --> 00:06:55,139
worth of commercials about the The

153
00:06:59,270 --> 00:06:57,840
Smokehouse whatever or is it a 13-hour

154
00:07:00,890 --> 00:06:59,280
long commercial

155
00:07:04,129 --> 00:07:00,900
hmm

156
00:07:05,629 --> 00:07:04,139
I'm hoping it's 13 hours of just meat

157
00:07:07,430 --> 00:07:05,639
footage I don't know I'm gonna burn it

158
00:07:09,830 --> 00:07:07,440
and put it up on YouTube though

159
00:07:11,330 --> 00:07:09,840
but I might get like a copyright

160
00:07:13,790 --> 00:07:11,340
seasoned assist if I do this kind of

161
00:07:15,590 --> 00:07:13,800
stuff put it on bit shoot

162
00:07:17,570 --> 00:07:15,600
people need to know put on a rumble they

163
00:07:20,450 --> 00:07:17,580

don't come after you there they say 13

164

00:07:22,550 --> 00:07:20,460

hours of Smoke Smoke House brisket

165

00:07:26,749 --> 00:07:22,560

commercials but then the special edition

166

00:07:27,670 --> 00:07:26,759

also includes eight hours of the turkey

167

00:07:30,469 --> 00:07:27,680

commercial

168

00:07:32,390 --> 00:07:30,479

178

00:08:08,029 --> 00:08:04,880

179

00:08:12,890 --> 00:08:08,039

180

00:08:16,850 --> 00:08:14,170

this yeah I'm gonna fast forward like

184

00:08:30,230 --> 00:08:28,249

no no no it's they're just for like the

185

00:08:33,709 --> 00:08:30,240

entire commercial they're like it's

186

00:08:36,889 --> 00:08:33,719

hours of them slow roasting a brisket

187

00:08:40,909 --> 00:08:39,290

for like 13 hours they're slow roasting

188

00:08:44,269 --> 00:08:40,919

things I'm going to I'm going to the end

189

00:08:49,730 --> 00:08:45,889

I'm at the most played section of

190

00:08:52,190 --> 00:08:49,740

YouTube so I'm at hour 12 minute 51 and

191

00:08:54,650 --> 00:08:52,200

15 seconds

192

00:08:57,470 --> 00:08:54,660

come on keep that [h__h] out take

193

00:09:04,190 --> 00:09:00,530

do it so I have a hard time believing

194

00:09:06,470 --> 00:09:04,200

that this me if it is indeed meat in an

195

00:09:10,130 --> 00:09:06,480

oven it could be a [h__h] human like

196

00:09:11,930 --> 00:09:10,140

you know butt steak there could be some

197

00:09:13,430 --> 00:09:11,940

carnivore it could be Dumber throwing

198

00:09:15,650 --> 00:09:13,440

some goddamn nobody knows what's going

199

00:09:17,509 --> 00:09:15,660

on in here does anybody believe for a

200

00:09:19,970 --> 00:09:17,519

second that even if this was a hundred

201
00:09:23,210 --> 00:09:19,980
percent whatever her beef they claim it

202
00:09:25,790 --> 00:09:23,220
is or pork that that's ending up at the

203
00:09:28,370 --> 00:09:25,800
restaurant like it's it's at best like

204
00:09:30,769 --> 00:09:28,380
cheap deli meat this is the kind of meat

205
00:09:33,230 --> 00:09:30,779
you wipe off your shoe like it's really

206
00:09:34,910 --> 00:09:33,240
it's probably not a shoe meat this is

207
00:09:36,470 --> 00:09:34,920
shoomey

208
00:09:38,269 --> 00:09:36,480
all right so to answer Joe to answer

209
00:09:43,009 --> 00:09:38,279
your question go to might go to 13 hours

210
00:09:48,230 --> 00:09:45,230
I'll race you

211
00:09:50,210 --> 00:09:48,240
what happens

212
00:09:54,170 --> 00:09:50,220
oh [h__h]

213
00:09:57,110 --> 00:09:54,180

so 13 hours before a minute okay

214

00:10:00,410 --> 00:09:57,120

come on we're gonna do this

215

00:10:07,030 --> 00:10:02,750

oh my God he takes it out he's taking it

216

00:10:20,670 --> 00:10:13,730

[Music]

217

00:10:20,680 --> 00:10:31,509

[Applause]

218

00:10:38,350 --> 00:10:34,610

all right got a slicer like Kramer there

219

00:10:40,190 --> 00:10:38,360

does anybody believe this

220

00:10:41,449 --> 00:10:40,200

I think you're exactly right Joe I think

221

00:10:43,190 --> 00:10:41,459

it's just like when like the McDonald's

222

00:10:44,569 --> 00:10:43,200

uh there's the you can find the videos

223

00:10:46,490 --> 00:10:44,579

the McDonald's like their Test Kitchen

224

00:10:47,750 --> 00:10:46,500

and they make food that looks like the

225

00:10:49,009 --> 00:10:47,760

pictures and then you show what you

226

00:10:50,870 --> 00:10:49,019

actually get at this at the McDonald's

227

00:10:53,930 --> 00:10:50,880

store and it's dramatically different

228

00:10:57,170 --> 00:10:53,940

I live in Texas I see people who smoke

229

00:10:58,389 --> 00:10:57,180

brisket for hours and hours on end 13

230

00:11:02,090 --> 00:10:58,399

hours

231

00:11:03,470 --> 00:11:02,100

and it does like I had some today I

232

00:11:06,410 --> 00:11:03,480

bought on Sunday it's [\h__\h] amazing

233

00:11:09,290 --> 00:11:06,420

like Texas brisket is amazing and for

234

00:11:11,810 --> 00:11:09,300

[\h__\h] sake like yeah we've

235

00:11:13,190 --> 00:11:11,820

see even if you look at the Arby's ads

236

00:11:15,889 --> 00:11:13,200

it doesn't even come close to this are

237

00:11:18,700 --> 00:11:15,899

they pretending like this is meat or is

238

00:11:21,350 --> 00:11:18,710

it special effects Joe I like to eat

239

00:11:23,030 --> 00:11:21,360

[Laughter]

240

00:11:24,470 --> 00:11:23,040

special effects

241

00:11:26,569 --> 00:11:24,480

they're pumping it up you're claiming

242

00:11:28,009 --> 00:11:26,579

without evidence that Arby's is not

243

00:11:29,509 --> 00:11:28,019

serving Brisbane

244

00:11:30,889 --> 00:11:29,519

can we do you think we get Alex to do an

245

00:11:33,350 --> 00:11:30,899

emergency Saturday broadcast where he

246

00:11:36,410 --> 00:11:33,360

just covers this 13-hour yeah he should

247

00:11:39,530 --> 00:11:36,420

eat Arby's for 13 hours

248

00:11:41,449 --> 00:11:39,540

as like a donation drive like the more

249

00:11:43,790 --> 00:11:41,459

you donate the more Alice keep eating he

250

00:11:46,790 --> 00:11:43,800

keeps eating Arby's

251
00:11:48,889 --> 00:11:46,800
at every 100 threshold he'll put another

252
00:11:51,170 --> 00:11:48,899
piece of an RV yeah unless you want to

253
00:11:52,910 --> 00:11:51,180
throw up yeah I hope it makes you want

254
00:11:55,509 --> 00:11:52,920
to throw something to block this monster

255
00:11:58,069 --> 00:11:55,519
in my toilet this morning

256
00:11:59,810 --> 00:11:58,079
oh God

257
00:12:01,910 --> 00:11:59,820
all right we'll move on to another story

258
00:12:07,190 --> 00:12:01,920
we covered Arby's news right there no

259
00:12:12,650 --> 00:12:10,250
I'm not a conspiracy theorist

260
00:12:14,030 --> 00:12:12,660
S I have I have another like food

261
00:12:15,829 --> 00:12:14,040
related thing I think I'll save this for

262
00:12:17,569 --> 00:12:15,839
Saturday we did enough that we did a lot

263
00:12:21,050 --> 00:12:17,579

of food yeah did a lot of food all right

264

00:12:23,210 --> 00:12:21,060

so I've got um uh story about the them

265

00:12:25,069 --> 00:12:23,220

wanting to Geo engineer the sky to

266

00:12:27,050 --> 00:12:25,079

reflect the sun can't possibly go wrong

267

00:12:28,610 --> 00:12:27,060

oh yeah that's we've only been talking

268

00:12:29,930 --> 00:12:28,620

about it for years and so other people

269

00:12:32,389 --> 00:12:29,940

and now they're finally coming out

270

00:12:33,350 --> 00:12:32,399

saying it's a good idea we should talk

271

00:12:37,310 --> 00:12:33,360

about that

272

00:12:38,990 --> 00:12:37,320

a it's a it's a conspiracy they say

273

00:12:41,389 --> 00:12:39,000

they're never gonna do it they're not

274

00:12:44,030 --> 00:12:41,399

doing it this is the camera I do want to

275

00:12:45,590 --> 00:12:44,040

mention anybody uh go look up on

276

00:12:47,269 --> 00:12:45,600

Wikipedia

277

00:12:49,610 --> 00:12:47,279

um or wherever you want to go operation

278

00:12:50,750 --> 00:12:49,620

Popeye they were doing this [h__h] in the

279

00:12:52,970 --> 00:12:50,760

60s

280

00:12:54,650 --> 00:12:52,980

to try to control the weather during the

281

00:12:56,870 --> 00:12:54,660

Vietnam war

282

00:12:59,389 --> 00:12:56,880

um this is not made up this is not

283

00:13:01,490 --> 00:12:59,399

pseudoscience this is not you know a

284

00:13:03,110 --> 00:13:01,500

conspiracy theory that's been done for

285

00:13:05,269 --> 00:13:03,120

60 years and so now they're going to do

286

00:13:06,230 --> 00:13:05,279

it again because Mr Burns did it so why

287

00:13:09,230 --> 00:13:06,240

not

288

00:13:11,629 --> 00:13:09,240

uh White House is pushing ahead research

289

00:13:14,569 --> 00:13:11,639
to cool Earth by reflecting back

290

00:13:17,449 --> 00:13:14,579
sunlight that's a funny headline

291

00:13:19,850 --> 00:13:17,459
this is the Mr Burns plan and uh Bill

292

00:13:22,129 --> 00:13:19,860
Gates has talked about this you know he

293

00:13:24,530 --> 00:13:22,139
loves it he loves this so here here are

294

00:13:26,990 --> 00:13:24,540
the bullet points right here uh the

295

00:13:29,269 --> 00:13:27,000
White House Office of Science and

296

00:13:31,550 --> 00:13:29,279
Technology policy is coordinating a

297

00:13:33,050 --> 00:13:31,560
five-year research plan to study ways to

298

00:13:34,790 --> 00:13:33,060
modify the amount of sunlight that

299

00:13:37,310 --> 00:13:34,800
reaches the Earth in order to

300

00:13:40,190 --> 00:13:37,320
temporarily temper the effects of global

301
00:13:42,110 --> 00:13:40,200
warming there's a a nuclear explosion

302
00:13:44,150 --> 00:13:42,120
also factor into their proposed solution

303
00:13:46,970 --> 00:13:44,160
maybe it does

304
00:13:53,050 --> 00:13:46,980
or just buying people big hats big hats

305
00:13:56,990 --> 00:13:55,670
uh the second bullet point here is uh

306
00:13:58,790 --> 00:13:57,000
there are several kinds of sunlight

307
00:14:01,009 --> 00:13:58,800
reflecting technology being considered

308
00:14:04,790 --> 00:14:01,019
including stratospheric aerosol

309
00:14:08,590 --> 00:14:04,800
injection uh Marine Cloud brightening

310
00:14:11,290 --> 00:14:08,600
and cirulus Cloud theme or serious

311
00:14:14,509 --> 00:14:11,300
cirulus cloud thinning

312
00:14:16,129 --> 00:14:14,519
cirulus at pruna what Circo circus

313
00:14:18,769 --> 00:14:16,139

Cloud thinning so they want to thin out

314

00:14:21,290 --> 00:14:18,779

their clouds clouds up theirs

315

00:14:22,370 --> 00:14:21,300

the Sears Cloud to the highest ones yeah

316

00:14:24,829 --> 00:14:22,380

they want to thin those out they're too

317

00:14:26,930 --> 00:14:24,839

fat they're fat clousy to get get on the

318

00:14:29,150 --> 00:14:26,940

put on treadmill so uh stratospheric

319

00:14:31,790 --> 00:14:29,160

aerosol injection involves spraying and

320

00:14:33,710 --> 00:14:31,800

aerosol like sulfur dioxide into the

321

00:14:35,889 --> 00:14:33,720

stratosphere and because it has the

322

00:14:38,870 --> 00:14:35,899

potential to affect the entire Globe

323

00:14:41,389 --> 00:14:38,880

often gets the most attention

324

00:14:44,090 --> 00:14:41,399

but that is not Chemtrails but they're

325

00:14:47,269 --> 00:14:44,100

not doing it right now whatever you may

326

00:14:49,069 --> 00:14:47,279

think they're not doing it how could you

327

00:14:51,110 --> 00:14:49,079

have done this they haven't done it

328

00:14:52,629 --> 00:14:51,120

what'd you do they didn't do anything

329

00:14:56,509 --> 00:14:52,639

yet

330

00:14:59,449 --> 00:14:56,519

uh while arguments of moral hazard have

331

00:15:01,910 --> 00:14:59,459

handicapped research efforts the idea of

332

00:15:04,430 --> 00:15:01,920

getting the idea is getting more urgent

333

00:15:07,970 --> 00:15:04,440

attention in the worsening climate

334

00:15:09,230 --> 00:15:07,980

crisis oh is it so polluting our

335

00:15:12,829 --> 00:15:09,240

atmosphere

336

00:15:14,990 --> 00:15:12,839

with sulfur dioxide

337

00:15:16,850 --> 00:15:15,000

it doesn't have a very good ring to it

338

00:15:19,790 --> 00:15:16,860

they need a better name for sulfur

339

00:15:22,970 --> 00:15:19,800

dioxide like uh Happy reflective lights

340

00:15:23,930 --> 00:15:22,980

or glitter it's called Sky sprinkles Sky

341

00:15:30,530 --> 00:15:23,940

glitter

342

00:15:32,269 --> 00:15:30,540

[Applause]

343

00:15:33,650 --> 00:15:32,279

yeah uh the White House has coordinating

344

00:15:34,970 --> 00:15:33,660

a five-year research plan we just read

345

00:15:36,230 --> 00:15:34,980

that so we read all the bullet points

346

00:15:38,030 --> 00:15:36,240

they're gonna do it there and I would

347

00:15:39,710 --> 00:15:38,040

say this is just my crazy thinking

348

00:15:43,009 --> 00:15:39,720

they're already doing this

349

00:15:45,470 --> 00:15:43,019

probably and that they need this uh uh

350

00:15:48,290 --> 00:15:45,480

past they need a real initiative

351

00:15:50,449 --> 00:15:48,300

publicly to kind of

352

00:15:51,710 --> 00:15:50,459

forgive what they've already done

353

00:15:53,030 --> 00:15:51,720

they're like they'll have some kind of

354

00:15:55,790 --> 00:15:53,040

provision in there

355

00:15:58,310 --> 00:15:55,800

that will state if we have done this in

356

00:16:00,110 --> 00:15:58,320

the past we are absolved of all

357

00:16:03,050 --> 00:16:00,120

wrongdoing because we're doing this

358

00:16:07,009 --> 00:16:03,060

research now with public approval so oh

359

00:16:09,050 --> 00:16:07,019

yeah just fine it's the CDC and all that

360

00:16:11,090 --> 00:16:09,060

vaccine stuff yeah it's a similar

361

00:16:14,449 --> 00:16:11,100

similar philosophy

362

00:16:16,910 --> 00:16:14,459

stratospheric uh in injection is now on

363

00:16:18,889 --> 00:16:16,920

a recommendation for the Earth's

364

00:16:20,870 --> 00:16:18,899

injection

365

00:16:23,389 --> 00:16:20,880

okay

366

00:16:25,610 --> 00:16:23,399

but it's not a chemtrail that's still a

367

00:16:26,990 --> 00:16:25,620

conspiracy why don't they call it they

368

00:16:29,870 --> 00:16:27,000

need to call this

369

00:16:32,810 --> 00:16:29,880

uh this this this philosophy of spraying

370

00:16:34,430 --> 00:16:32,820

things in into the atmosphere to reflect

371

00:16:36,550 --> 00:16:34,440

something like litter that is a sky

372

00:16:41,870 --> 00:16:36,560

vaccine

373

00:16:44,090 --> 00:16:41,880

need to do it's fauchy in a jet pack

374

00:16:46,790 --> 00:16:44,100

with with needles flying up into the sky

375

00:16:48,889 --> 00:16:46,800

yeah that's what he needs to do

376

00:16:50,509 --> 00:16:48,899

It's a Sky vaccine that's why he's not

377

00:16:52,790 --> 00:16:50,519

on TV as much anymore he's busy

378

00:16:55,610 --> 00:16:52,800

vaccinating the sky against covet yeah

379

00:16:58,490 --> 00:16:56,990

uh

380

00:17:00,050 --> 00:16:58,500

so I do have a quick question on this

381

00:17:02,150 --> 00:17:00,060

one so if you follow the logic here okay

382

00:17:04,370 --> 00:17:02,160

the the we have climate change the

383

00:17:06,409 --> 00:17:04,380

global warming the the environment the

384

00:17:08,270 --> 00:17:06,419

Earth is warming we're going to put Sky

385

00:17:11,870 --> 00:17:08,280

glitter up there she's going to inject

386

00:17:14,329 --> 00:17:11,880

the sky glitter vaccine yeah the spring

387

00:17:15,949 --> 00:17:14,339

human feces on people exactly that's

388

00:17:16,669 --> 00:17:15,959

exactly exactly how it works

389

00:17:19,789 --> 00:17:16,679

um

390

00:17:20,990 --> 00:17:19,799

so that would then cool the atmosphere I

391

00:17:23,449 --> 00:17:21,000

would reflect on it would cool the

392

00:17:25,309 --> 00:17:23,459

atmosphere reduce the Albedo effect and

393

00:17:26,990 --> 00:17:25,319

reduce the temperature of the planet

394

00:17:28,789 --> 00:17:27,000

right that's is that the general concept

395

00:17:30,770 --> 00:17:28,799

here that's the idea

396

00:17:33,710 --> 00:17:30,780

does that mean then that I can continue

397

00:17:36,890 --> 00:17:33,720

leaving my 1974 Dodge Power Wagon idling

398

00:17:38,690 --> 00:17:36,900

yes just because the attempt hey they

399

00:17:40,010 --> 00:17:38,700

said if the temperature goes up was it

400

00:17:41,990 --> 00:17:40,020

two degrees we're all going to explode

401
00:17:43,490 --> 00:17:42,000
or something like that so hey we we

402
00:17:45,169 --> 00:17:43,500
injected a bunch of crap in the sky

403
00:17:46,909 --> 00:17:45,179
we've reduced the temperature now we can

404
00:17:48,710 --> 00:17:46,919
put more [h__h] in the atmosphere from

405
00:17:51,890 --> 00:17:48,720
Earth and hey we're good so keep running

406
00:17:53,450 --> 00:17:51,900
your diesel trucks yeah I I think so I

407
00:17:54,350 --> 00:17:53,460
think uh I'm not sure what they're

408
00:17:55,909 --> 00:17:54,360
getting at here because this doesn't

409
00:17:58,010 --> 00:17:55,919
seem like a solution

410
00:17:59,990 --> 00:17:58,020
uh well uh

411
00:18:01,430 --> 00:18:00,000
three ways to reduce sunlight the idea

412
00:18:04,490 --> 00:18:01,440
of sunlight reflection first appeared

413
00:18:07,730 --> 00:18:04,500

prominently in 1965 report to president

414

00:18:10,190 --> 00:18:07,740

Lyndon B Johnson entitled restoring the

415

00:18:12,470 --> 00:18:10,200

quality of our environment

416

00:18:14,090 --> 00:18:12,480

so back in 1965 they were they started

417

00:18:15,590 --> 00:18:14,100

doing this okay

418

00:18:18,230 --> 00:18:15,600

yeah no Jenna played a clip of Johnson

419

00:18:21,409 --> 00:18:18,240

saying that but um like I said operation

420

00:18:22,970 --> 00:18:21,419

pop by during the Vietnam war 1967. they

421

00:18:27,169 --> 00:18:22,980

were doing this [h__h] to try to

422

00:18:29,040 --> 00:18:27,179

manipulate the weather over Vietnam yeah

423

00:18:35,470 --> 00:18:29,050

all right let's move on

424

00:18:37,909 --> 00:18:35,480

[Music]

425

00:18:40,190 --> 00:18:37,919

that wasn't really goofy news that was

426

00:18:42,409 --> 00:18:40,200

more depressing yeah I mean it's it's

427

00:18:45,409 --> 00:18:42,419

goofy that they're considering this

428

00:18:47,029 --> 00:18:45,419

I mean I guess like you can you can

429

00:18:48,710 --> 00:18:47,039

consider all solutions and possibilities

430

00:18:50,390 --> 00:18:48,720

it just to me

431

00:18:53,210 --> 00:18:50,400

it doesn't seem like a good idea if you

432

00:18:54,950 --> 00:18:53,220

want to like prevent pollution and all

433

00:18:57,230 --> 00:18:54,960

this kind of stuff it doesn't seem like

434

00:18:58,610 --> 00:18:57,240

a good thing to do

435

00:19:00,890 --> 00:18:58,620

all right so I got a couple more stories

436

00:19:03,169 --> 00:19:00,900

here we have a a woman who attacks the

437

00:19:04,669 --> 00:19:03,179

police with bees oh

438

00:19:07,250 --> 00:19:04,679

unorthodox

439

00:19:09,470 --> 00:19:07,260

yep we have a Mexican priest known as

440

00:19:11,750 --> 00:19:09,480

father pistolas who suggests everyone

441

00:19:14,450 --> 00:19:11,760

carry a gun

442

00:19:16,490 --> 00:19:14,460

um we have a story about castrating the

443

00:19:18,350 --> 00:19:16,500

hippos that were once owned by Pablo

444

00:19:19,909 --> 00:19:18,360

Escobar that's some good news on that

445

00:19:21,650 --> 00:19:19,919

front yeah I was wondering where we're

446

00:19:22,850 --> 00:19:21,660

gonna do that yeah about time we got

447

00:19:24,650 --> 00:19:22,860

around to that one uh and we have a

448

00:19:26,390 --> 00:19:24,660

story about a naked man wearing a cowboy

449

00:19:28,490 --> 00:19:26,400

hat who then attacks a woman with

450

00:19:30,950 --> 00:19:28,500

machete perfect headline let's do that

451
00:19:33,110 --> 00:19:30,960
yes all right

452
00:19:35,270 --> 00:19:33,120
I'm sorry naked man wearing only a

453
00:19:36,970 --> 00:19:35,280
cowboy hat

454
00:19:38,930 --> 00:19:36,980
good this one

455
00:19:41,210 --> 00:19:38,940
well he wanted to protect his head from

456
00:19:43,010 --> 00:19:41,220
the overly hot sun because we don't have

457
00:19:44,690 --> 00:19:43,020
Sky glitter up there yet I do prefer my

458
00:19:46,150 --> 00:19:44,700
Cowboys naked

459
00:19:47,930 --> 00:19:46,160
I do

460
00:19:50,150 --> 00:19:47,940
generally if I have to deal with the

461
00:19:53,570 --> 00:19:50,160
cowboy you better be naked yeah I want

462
00:20:00,470 --> 00:19:56,570
well uh naked man wearing cowboy hat

463
00:20:02,750 --> 00:20:00,480

attacks women with machete in medley I'm

464

00:20:04,730 --> 00:20:02,760

not sure medley is oh it's in Florida

465

00:20:06,770 --> 00:20:04,740

generally from Florida yeah okay of

466

00:20:10,490 --> 00:20:06,780

course it's in Florida yeah brother

467

00:20:13,789 --> 00:20:10,500

State yeah yes it is the uh-uh brother

468

00:20:16,490 --> 00:20:13,799

stay yeah uh-uh brother uh South Florida

469

00:20:18,470 --> 00:20:16,500

man is facing three felony charges after

470

00:20:20,210 --> 00:20:18,480

police accuse him of attacking a woman

471

00:20:23,090 --> 00:20:20,220

with a machete because

472

00:20:25,010 --> 00:20:23,100

she didn't have a crack pipe uh-uh

473

00:20:26,570 --> 00:20:25,020

brother

474

00:20:27,950 --> 00:20:26,580

well I'm sure there's a lot of people in

475

00:20:29,270 --> 00:20:27,960

Florida that don't have crack pipes or

476

00:20:31,250 --> 00:20:29,280

there might be a lot of people that do

477

00:20:32,870 --> 00:20:31,260

he just attacked the wrong person was he

478

00:20:34,430 --> 00:20:32,880

like was he trying to bum a crack pipe

479

00:20:38,210 --> 00:20:34,440

off somebody like a cigarette

480

00:20:39,830 --> 00:20:38,220

okay yo you got a crack pipe for me yeah

481

00:20:41,450 --> 00:20:39,840

I I don't know

482

00:20:44,029 --> 00:20:41,460

we'll dig in we'll find out more

483

00:20:46,850 --> 00:20:44,039

Miami-Dade Police arrested 45 year old

484

00:20:48,830 --> 00:20:46,860

Roberto Hercules

485

00:20:50,810 --> 00:20:48,840

that's a good name according to the

486

00:20:53,810 --> 00:20:50,820

arrest report Hercules was completely

487

00:20:56,090 --> 00:20:53,820

naked wearing nothing but painted nails

488

00:20:56,930 --> 00:20:56,100

in a cowboy hat when he attacked a

489

00:21:00,289 --> 00:20:56,940

victim

490

00:21:02,150 --> 00:21:00,299

uh at Northwest 74th Street and South

491

00:21:03,770 --> 00:21:02,160

River Drive you're looking how they

492

00:21:06,110 --> 00:21:03,780

noticed he was had painted nails yeah

493

00:21:08,510 --> 00:21:06,120

like like that makes a difference like

494

00:21:10,130 --> 00:21:08,520

when you're covering your junk but I

495

00:21:12,289 --> 00:21:10,140

guess it is a detail and I do appreciate

496

00:21:14,750 --> 00:21:12,299

that level of detail

497

00:21:16,549 --> 00:21:14,760

uh police said the woman was riding her

498

00:21:19,010 --> 00:21:16,559

bicycle in the area when Hercules asked

499

00:21:20,930 --> 00:21:19,020

her for a pipe officers wrote that the

500

00:21:23,990 --> 00:21:20,940

attack began after she told him she

501
00:21:25,789 --> 00:21:24,000
didn't have a pipe often very confusing

502
00:21:28,490 --> 00:21:25,799
a lot of people think you got a pipe but

503
00:21:30,110 --> 00:21:28,500
in fact you don't have a pipe and it is

504
00:21:31,850 --> 00:21:30,120
a point of conflict it is a point of

505
00:21:34,010 --> 00:21:31,860
contention when pipes you don't give me

506
00:21:35,870 --> 00:21:34,020
a pipe I don't got a pipe

507
00:21:38,930 --> 00:21:35,880
and then

508
00:21:40,789 --> 00:21:38,940
Terror ensues was he naked before or

509
00:21:42,470 --> 00:21:40,799
after that

510
00:21:44,149 --> 00:21:42,480
I think when you go out asking for pipes

511
00:21:45,590 --> 00:21:44,159
you want to be naked first well I want

512
00:21:47,690 --> 00:21:45,600
it could have been clothed but it was

513
00:21:49,490 --> 00:21:47,700

just like in in warm-up pants and a

514

00:21:51,230 --> 00:21:49,500

warm-up jacket he asked and then he

515

00:21:53,570 --> 00:21:51,240

became so enraged he tore off his

516

00:21:55,490 --> 00:21:53,580

clothes I see your same like you know

517

00:21:56,990 --> 00:21:55,500

like like the way the Ultimate Warrior

518

00:22:00,590 --> 00:21:57,000

rips off his T-shirt or something like

519

00:22:01,549 --> 00:22:00,600

that when he flies into a blind rage

520

00:22:04,610 --> 00:22:01,559

um

521

00:22:06,310 --> 00:22:04,620

I I want to see I want to say like he

522

00:22:09,350 --> 00:22:06,320

was sitting in his room

523

00:22:11,930 --> 00:22:09,360

and like he's like I gotta go get a pipe

524

00:22:13,310 --> 00:22:11,940

and then he took off all his clothes and

525

00:22:15,710 --> 00:22:13,320

then he that's how he left the house

526

00:22:18,350 --> 00:22:15,720

with his cat and painted nails with a

527

00:22:20,029 --> 00:22:18,360

machete with this machete that's right

528

00:22:21,230 --> 00:22:20,039

where'd the machete come from and maybe

529

00:22:23,029 --> 00:22:21,240

we'll find out

530

00:22:25,610 --> 00:22:23,039

uh the woman jumped off her bicycle when

531

00:22:28,669 --> 00:22:25,620

Hercules chased after her and continued

532

00:22:31,130 --> 00:22:28,679

to strike her with machete on the head

533

00:22:33,770 --> 00:22:31,140

and arm holy [h__\h] Hercules eventually

534

00:22:36,049 --> 00:22:33,780

ran off he got bored and tired of his

535

00:22:38,090 --> 00:22:36,059

situation so he ran off afterwards

536

00:22:41,810 --> 00:22:38,100

uh the woman suffered extensive injuries

537

00:22:44,330 --> 00:22:41,820

including a fractured skull and a small

538

00:22:46,430 --> 00:22:44,340

brain bleed and broken arm and large

539

00:22:48,230 --> 00:22:46,440

lacerations to her hand she was

540

00:22:49,909 --> 00:22:48,240

hospitalized in stable condition and an

541

00:22:51,350 --> 00:22:49,919

intensive care unit at the time of

542

00:22:53,990 --> 00:22:51,360

report on Friday the police said they

543

00:22:58,490 --> 00:22:54,000

found Hercules sleeping in a tent next

544

00:23:00,770 --> 00:22:58,500

to a group of businesses on West's fifth

545

00:23:02,210 --> 00:23:00,780

Court okay this probably just waiting

546

00:23:04,549 --> 00:23:02,220

for those businesses to open up so you

547

00:23:06,169 --> 00:23:04,559

can go to work and he needed that pipe

548

00:23:07,789 --> 00:23:06,179

to go to work he wants a once a short

549

00:23:09,289 --> 00:23:07,799

commute he wants to be able to I just

550

00:23:10,730 --> 00:23:09,299

give me 20 feet down the road some

551
00:23:12,409 --> 00:23:10,740
people drink coffee in the morning some

552
00:23:16,190 --> 00:23:12,419
people do crack

553
00:23:18,409 --> 00:23:16,200
uh according to the uh

554
00:23:20,690 --> 00:23:18,419
uh according to the report Hercules was

555
00:23:23,690 --> 00:23:20,700
once again completely naked and had

556
00:23:25,370 --> 00:23:23,700
painted nails once again completely

557
00:23:27,890 --> 00:23:25,380
naked that means that they're

558
00:23:30,230 --> 00:23:27,900
insinuating that he got dressed in

559
00:23:33,169 --> 00:23:30,240
between his attack and sleeping in a

560
00:23:34,970 --> 00:23:33,179
tent I will Hazard to say he went to bed

561
00:23:37,250 --> 00:23:34,980
naked and he never got dressed after

562
00:23:39,590 --> 00:23:37,260
that attack suggesting that Hercules the

563
00:23:40,730 --> 00:23:39,600

famous Hercules does not own pants I

564

00:23:42,289 --> 00:23:40,740

don't think so

565

00:23:44,090 --> 00:23:42,299

I think if you're packing what he's got

566

00:23:46,730 --> 00:23:44,100

you want to show that off

567

00:23:49,669 --> 00:23:46,740

maybe you know he needed a clean pair

568

00:23:51,409 --> 00:23:49,679

and he had to kill another like loin of

569

00:23:54,110 --> 00:23:51,419

some kind he had to kill something yeah

570

00:23:57,169 --> 00:23:54,120

Stitch him up into a new pair of undies

571

00:24:00,289 --> 00:23:57,179

so the police also found two cowboy hats

572

00:24:03,110 --> 00:24:00,299

inside his tent so he's got a backup

573

00:24:04,909 --> 00:24:03,120

maybe he's got his nice Sunday cowboy

574

00:24:07,070 --> 00:24:04,919

hat yeah I mean he could have put a

575

00:24:09,830 --> 00:24:07,080

cowboy hat with a rubber band around you

576

00:24:11,750 --> 00:24:09,840

junk though no he doesn't want to soil

577

00:24:14,090 --> 00:24:11,760

his trusty cowboy hat that's part of his

578

00:24:15,669 --> 00:24:14,100

his gimmick that's his that's his image

579

00:24:18,710 --> 00:24:15,679

that's his brand

580

00:24:21,169 --> 00:24:18,720

his brand is a cowboy hat with a machete

581

00:24:23,710 --> 00:24:21,179

and being naked while you do [h__h] up

582

00:24:25,789 --> 00:24:23,720

[h__h] he should be on The Walking Dead

583

00:24:27,830 --> 00:24:25,799

honestly I would watch that character in

584

00:24:29,690 --> 00:24:27,840

The Walking Dead that guy would go far I

585

00:24:31,930 --> 00:24:29,700

would like to see a Comic version of the

586

00:24:34,490 --> 00:24:31,940

tales of Hercules the trials of Hercules

587

00:24:36,110 --> 00:24:34,500

this Hercules and he's a naked cowboy

588

00:24:37,909 --> 00:24:36,120

with a machete

589

00:24:40,250 --> 00:24:37,919

so he has to go clean out some Stables

590

00:24:42,710 --> 00:24:40,260

he has to kill a Hydra he has to uh what

591

00:24:45,049 --> 00:24:42,720

what do you have to do bag the the the

592

00:24:47,450 --> 00:24:45,059

um the sirens no that was there was

593

00:24:49,490 --> 00:24:47,460

somebody else that was Jason anyway

594

00:24:50,990 --> 00:24:49,500

this would be a different type of

595

00:24:53,630 --> 00:24:51,000

Hercule a different Adventure you know

596

00:24:56,149 --> 00:24:53,640

they had her Arnold did Hercules went to

597

00:24:59,930 --> 00:24:56,159

New York this could be Hercules Hercules

598

00:25:02,570 --> 00:24:59,940

gets a crack pipe you know another

599

00:25:05,450 --> 00:25:02,580

fabled tale and we could use we could

600

00:25:08,330 --> 00:25:05,460

use phrases from this news story

601
00:25:10,490 --> 00:25:08,340
um for for various parts of the tale of

602
00:25:12,830 --> 00:25:10,500
Hercules for example the phrase here

603
00:25:14,690 --> 00:25:12,840
reading verbatim Hercules was once again

604
00:25:17,510 --> 00:25:14,700
completely naked and had painted nails

605
00:25:19,669 --> 00:25:17,520
yes and those nails are magical they

606
00:25:21,549 --> 00:25:19,679
like reflect sunlight to prevent the

607
00:25:24,289 --> 00:25:21,559
viral tells us that

608
00:25:26,630 --> 00:25:24,299
it's in the back uh also this line

609
00:25:29,930 --> 00:25:26,640
Hercules eventually ran off

610
00:25:31,730 --> 00:25:29,940
yeah just okay uh after the police

611
00:25:34,430 --> 00:25:31,740
announced their presence Hercules yelled

612
00:25:36,350 --> 00:25:34,440
at uh that Hercules yelled that he

613
00:25:37,669 --> 00:25:36,360

wanted to get shot but eventually

614

00:25:40,310 --> 00:25:37,679

complied

615

00:25:43,490 --> 00:25:40,320

uh investigators wrote so this guy

616

00:25:45,830 --> 00:25:43,500

isn't vulnerable much like the Hercules

617

00:25:49,070 --> 00:25:45,840

of old he knew those bullets would not

618

00:25:50,990 --> 00:25:49,080

scratch him at all he said shoot me I

619

00:25:52,730 --> 00:25:51,000

want to get shot I'm invulnerable I'm a

620

00:25:55,490 --> 00:25:52,740

demi-god

621

00:25:58,430 --> 00:25:55,500

I'm the son of Zeus yeah no [h__\h]

622

00:25:59,810 --> 00:25:58,440

I [h__\h] write a griffin to work holy

623

00:26:00,830 --> 00:25:59,820

[h__\h]

624

00:26:03,230 --> 00:26:00,840

foreign

625

00:26:06,649 --> 00:26:03,240

police said the victim was able to

626
00:26:09,649 --> 00:26:06,659
identify Hercules in a photo lineup from

627
00:26:11,570 --> 00:26:09,659
her hospital bed ma'am is this the Naked

628
00:26:13,549 --> 00:26:11,580
Cowboy you saw with the machete and

629
00:26:15,950 --> 00:26:13,559
painted nails so no that's a different

630
00:26:17,630 --> 00:26:15,960
one yeah

631
00:26:20,210 --> 00:26:17,640
now he faced the charges of attempted

632
00:26:22,789 --> 00:26:20,220
murder attempted armed robbery and

633
00:26:25,730 --> 00:26:22,799
aggravated battery with a weapon his

634
00:26:28,370 --> 00:26:25,740
trusty magical machete machete plus five

635
00:26:33,169 --> 00:26:31,370
and probably he probably is is mache is

636
00:26:35,570 --> 00:26:33,179
magical he probably uses it like a a

637
00:26:38,230 --> 00:26:35,580
dowsing Rod where it leads him to crack

638
00:26:41,029 --> 00:26:38,240

pipes and an unclaimed crack

639

00:26:43,010 --> 00:26:41,039

maybe that was one of one of the the

640

00:26:45,289 --> 00:26:43,020

items he got during the trials of

641

00:26:47,330 --> 00:26:45,299

Hercules is he was able to collect his

642

00:26:49,610 --> 00:26:47,340

magic plus five machete he ain't putting

643

00:26:54,169 --> 00:26:49,620

that down he pulled his machete out of

644

00:26:59,750 --> 00:26:56,289

like how like this

645

00:27:01,490 --> 00:26:59,760

like find the uh like was it Lancelot or

646

00:27:04,669 --> 00:27:01,500

or King Arthur that pulled the sword

647

00:27:06,710 --> 00:27:04,679

obviously Arthur he he who removes the

648

00:27:07,630 --> 00:27:06,720

machete from this homeless guy Shelby

649

00:27:11,390 --> 00:27:07,640

king king

650

00:27:13,250 --> 00:27:11,400

of this block and you

651
00:27:15,110 --> 00:27:13,260
and you will have access to as many

652
00:27:16,850 --> 00:27:15,120
crack pipes as you wish and if anybody

653
00:27:19,669 --> 00:27:16,860
denies you a crack pipe by the street

654
00:27:23,029 --> 00:27:19,679
you must strike them down

655
00:27:24,769 --> 00:27:23,039
crack type show Rain from the sky and

656
00:27:26,570 --> 00:27:24,779
she'll be a plenty also you'll have a

657
00:27:28,430 --> 00:27:26,580
spare cowboy hat in case you need to it

658
00:27:37,640 --> 00:27:28,440
is your Birthright

659
00:27:37,650 --> 00:27:45,529
[Music]

660
00:27:49,549 --> 00:27:47,210
I'd love to find out he's gonna

661
00:27:51,120 --> 00:27:49,559
hopefully back out the street in no time

662
00:27:53,870 --> 00:27:51,130
like to wait for season two

663
00:27:56,029 --> 00:27:53,880

[Laughter]

664

00:27:57,769 --> 00:27:56,039

if they could if they could make Eight

665

00:28:00,230 --> 00:27:57,779

Episodes out of that newest Lord of the

666

00:28:03,769 --> 00:28:00,240

Rings series on Amazon they got 20

667

00:28:06,070 --> 00:28:03,779

episodes out of Roberto hurts like Steve

668

00:28:10,789 --> 00:28:06,080

Steve the doll with them and just go

669

00:28:13,549 --> 00:28:10,799

Robert Robert whatever in fact yeah well

670

00:28:16,610 --> 00:28:13,559

maybe you mean Roberto the doll oh my

671

00:28:19,490 --> 00:28:16,620

God him and yeah Roberto so we we just

672

00:28:22,730 --> 00:28:19,500

began an end with Roberta with Robert

673

00:28:24,950 --> 00:28:22,740

a mythical doll a cursed doll and a

674

00:28:26,930 --> 00:28:24,960

mythical man

675

00:28:29,450 --> 00:28:26,940

wow interesting we gotta get out of

676

00:28:31,250 --> 00:28:29,460

everything it's a buddy cop movie I I I

677

00:28:33,409 --> 00:28:31,260

like it it is

678

00:28:35,570 --> 00:28:33,419

he is is his buddy the second cowboy hat

679

00:28:37,430 --> 00:28:35,580

or the machete no it's the doll he has

680

00:28:39,710 --> 00:28:37,440

to go rescue the doll because he's

681

00:28:41,450 --> 00:28:39,720

imprisoned at the Museum so you've got

682

00:28:43,610 --> 00:28:41,460

Roberto Hercules he's already in Florida

683

00:28:45,649 --> 00:28:43,620

so he's gonna have to go to Key West and

684

00:28:47,870 --> 00:28:45,659

rescue Robert the doll I'm with you now

685

00:28:50,149 --> 00:28:47,880

yeah and then he's got to drag the the

686

00:28:52,310 --> 00:28:50,159

doll back up north with him you know for

687

00:28:54,590 --> 00:28:52,320

him in his tent yeah capture ghosts

688

00:28:55,669 --> 00:28:54,600

along the way you know yeah exactly

689

00:28:58,669 --> 00:28:55,679

figure it out

690

00:29:01,430 --> 00:28:58,679

perfect it writes itself I want to spend

691

00:29:02,990 --> 00:29:01,440

the rest of my life with you all right

692

00:29:04,490 --> 00:29:03,000

we're getting into dialogue here we're

693

00:29:07,730 --> 00:29:04,500

not doing scripting right now we're just

694

00:29:09,730 --> 00:29:07,740

kind of doing loose plot items so lose

695

00:29:12,830 --> 00:29:09,740

Blood Out yeah

696

00:29:14,930 --> 00:29:12,840

I'm madly in love with you all right we

697

00:29:16,430 --> 00:29:14,940

did it all people

698

00:29:18,230 --> 00:29:16,440

we did do you want to know what the

699

00:29:19,850 --> 00:29:18,240

Twitter ad is for me today let's see

700

00:29:21,830 --> 00:29:19,860

yeah

701
00:29:24,889 --> 00:29:21,840
is it about creepy dolls or machetes or

702
00:29:27,830 --> 00:29:24,899
cowboy hats Twitter at us for today

703
00:29:29,510 --> 00:29:27,840
so I gotta look for the promoted tag

704
00:29:30,889 --> 00:29:29,520
oh they're hiding them from me they

705
00:29:32,149 --> 00:29:30,899
don't want me to do it maybe they know

706
00:29:34,190 --> 00:29:32,159
I'm doing this

707
00:29:35,570 --> 00:29:34,200
boy I haven't seen a promo oh here we go

708
00:29:38,450 --> 00:29:35,580
puck

709
00:29:42,230 --> 00:29:38,460
what the [h__\h] Puck is was Puck what the

710
00:29:43,850 --> 00:29:42,240
[h__\h] to you yes Twitter

711
00:29:45,950 --> 00:29:43,860
it's probably some kind of political

712
00:29:47,750 --> 00:29:45,960
dumb [h__\h]

713
00:29:52,310 --> 00:29:47,760

what's happening

714

00:29:54,470 --> 00:29:52,320

we're supposed to do this talk so for

715

00:29:56,570 --> 00:29:54,480

people who are just now catching up on

716

00:29:58,669 --> 00:29:56,580

this I've I've been blocking every

717

00:30:00,830 --> 00:29:58,679

Advertiser here on Twitter

718

00:30:03,049 --> 00:30:00,840

as I scrape to the bottom of the barrel

719

00:30:04,970 --> 00:30:03,059

of the most obscure [h__\h] and I

720

00:30:07,610 --> 00:30:04,980

recommend if anybody is on Twitter just

721

00:30:10,130 --> 00:30:07,620

block him block every promoted

722

00:30:11,630 --> 00:30:10,140

and this is Puck for Puck news the fight

723

00:30:15,649 --> 00:30:11,640

between Mitch McConnell and pedophile

724

00:30:17,870 --> 00:30:15,659

over Blake Masters has extended so this

725

00:30:20,810 --> 00:30:17,880

is like about [h__\h] news you got this is

726

00:30:23,029 --> 00:30:20,820

[h__h] but we don't know

727

00:30:24,710 --> 00:30:23,039

it looks like looks like stir in the pot

728

00:30:27,710 --> 00:30:24,720

to make the right wing look great like

729

00:30:29,330 --> 00:30:27,720

this is like Russian disinformation if I

730

00:30:31,610 --> 00:30:29,340

don't think it's Russian necessarily but

731

00:30:34,190 --> 00:30:31,620

it's almost like the right hates each

732

00:30:38,049 --> 00:30:34,200

other I like they're all just words I'm
