

Haunted!

1
00:00:07,490 --> 00:00:05,280
okay good what is it

2
00:00:10,340 --> 00:00:07,500
[Music]

3
00:00:16,570 --> 00:00:10,350
don't do it I beg you I thank you

4
00:00:28,790 --> 00:00:20,390
I got hairy legs

5
00:00:33,950 --> 00:00:32,260
chocolate chip all right monsters

6
00:00:36,730 --> 00:00:33,960
[Music]

7
00:00:38,200 --> 00:00:36,740
you want to throw up

8
00:00:53,389 --> 00:00:38,210
[Applause]

9
00:00:53,399 --> 00:00:56,660
caring about

10
00:01:00,729 --> 00:00:58,729
[Music]

11
00:01:05,810 --> 00:01:00,739
people hey everyone welcome to another

12
00:01:13,250 --> 00:01:09,230
my name's midnight Mike Gretchen's over

13
00:01:16,789 --> 00:01:13,260

there and yeah he's over there

14

00:01:19,490 --> 00:01:16,799

I look like Joe today yeah Joe was on

15

00:01:24,649 --> 00:01:19,500

screen and then Joe's over there

16

00:01:29,090 --> 00:01:24,659

yeah Nick a ton yeah

17

00:01:33,289 --> 00:01:32,030

but he got here for all jazzed up and

18

00:01:34,910 --> 00:01:33,299

ready to go oh we're not streaming up

19

00:01:37,310 --> 00:01:34,920

the new agenda

20

00:01:39,289 --> 00:01:37,320

oh look at that didn't push that button

21

00:01:41,450 --> 00:01:39,299

are we supposed to be

22

00:01:44,330 --> 00:01:41,460

Saturdays

23

00:01:46,010 --> 00:01:44,340

all this talk of where to stream and

24

00:01:48,170 --> 00:01:46,020

what services to use and we forgot to

25

00:01:49,550 --> 00:01:48,180

start that stream we forgot to start the

26

00:01:52,190 --> 00:01:49,560

New Age industry but we're over there

27

00:01:54,230 --> 00:01:52,200

now look at that press one button

28

00:01:55,670 --> 00:01:54,240

and we're ready to go greater rock over

29

00:01:58,670 --> 00:01:55,680

there

30

00:02:02,870 --> 00:01:58,680

oh boy I'd like to start things off on

31

00:02:07,570 --> 00:02:05,030

making everyone feel better and what

32

00:02:11,150 --> 00:02:07,580

makes people feel better songs and music

33

00:02:14,869 --> 00:02:11,160

especially like shorter songs things

34

00:02:17,630 --> 00:02:14,879

that are punchier uh a micro song If you

35

00:02:21,410 --> 00:02:17,640

will I love micro people like the micro

36

00:02:23,869 --> 00:02:21,420

songs and uh this one this one cuts a

37

00:02:25,190 --> 00:02:23,879

little deep this one's about love it's

38

00:02:27,949 --> 00:02:25,200

about passion

39

00:02:33,660 --> 00:02:27,959

and this micro song

40

00:02:42,410 --> 00:02:33,670

is called limited love okay here we go

41

00:02:45,710 --> 00:02:43,790

there you go

42

00:02:47,030 --> 00:02:45,720

I had a hard time understanding yeah

43

00:02:48,470 --> 00:02:47,040

it's a little it makes a little weird

44

00:02:50,750 --> 00:02:48,480

isn't it

45

00:02:52,550 --> 00:02:50,760

yeah it's uh don't prevent my passion

46

00:02:54,290 --> 00:02:52,560

now baby

47

00:02:56,230 --> 00:02:54,300

don't limit

48

00:03:03,729 --> 00:02:56,240

my love okay

49

00:03:06,589 --> 00:03:03,739

[Music]

50

00:03:08,449 --> 00:03:06,599

look at this [h__\h]

51
00:03:10,910 --> 00:03:08,459
there we go is that is that kind of like

52
00:03:13,670 --> 00:03:10,920
in the in the genre of uh just let it

53
00:03:15,410 --> 00:03:13,680
happen or just relax and let me do this

54
00:03:20,089 --> 00:03:15,420
uh

55
00:03:21,350 --> 00:03:20,099
is that a song is that the next song I

56
00:03:24,890 --> 00:03:21,360
Gotta write

57
00:03:26,690 --> 00:03:24,900
maybe your whole theme of vaguely rape

58
00:03:28,729 --> 00:03:26,700
related songs you think that what it is

59
00:03:30,649 --> 00:03:28,739
is that what you you got out of that

60
00:03:32,649 --> 00:03:30,659
that song I'm just saying it's kind of

61
00:03:35,509 --> 00:03:32,659
drifting that direction

62
00:03:38,690 --> 00:03:35,519
wow I didn't uh

63
00:03:40,910 --> 00:03:38,700

I didn't write it like that I was uh you

64

00:03:44,210 --> 00:03:40,920

know in in this world this dark world

65

00:03:46,430 --> 00:03:44,220

that we live in uh we could all use a

66

00:03:48,470 --> 00:03:46,440

little bit more love and I I when I walk

67

00:03:50,210 --> 00:03:48,480

up to somebody say why are you

68

00:03:53,030 --> 00:03:50,220

preventing my love why are you

69

00:03:55,070 --> 00:03:53,040

preventing my passion and I typically

70

00:03:56,330 --> 00:03:55,080

don't get a good response but now that I

71

00:03:58,130 --> 00:03:56,340

have a song out there

72

00:03:59,930 --> 00:03:58,140

uh maybe things will start to turn

73

00:04:03,050 --> 00:03:59,940

around we'll figure it out why are you

74

00:04:05,509 --> 00:04:03,060

preventing my love officer yes

75

00:04:09,649 --> 00:04:05,519

I'm trying to spread to love and the

76

00:04:12,229 --> 00:04:09,659

passion and uh it's just love everywhere

77

00:04:13,490 --> 00:04:12,239

it's just but me I okay if Joe had a

78

00:04:15,170 --> 00:04:13,500

tough time hearing it maybe I gotta go

79

00:04:16,729 --> 00:04:15,180

back and remix it I gotta boost the

80

00:04:18,890 --> 00:04:16,739

vocals a little bit more

81

00:04:20,210 --> 00:04:18,900

and yeah maybe a little more trouble a

82

00:04:22,969 --> 00:04:20,220

little bit more trouble you think okay

83

00:04:25,610 --> 00:04:22,979

that's a good call I'm pumped to trouble

84

00:04:29,150 --> 00:04:25,620

on that [h__\h]

85

00:04:31,550 --> 00:04:29,160

um boy I uh I I we have some uh ghost

86

00:04:34,249 --> 00:04:31,560

stories coming up here I know Gretchen's

87

00:04:37,790 --> 00:04:34,259

got one I do I have an article about the

88

00:04:39,530 --> 00:04:37,800

probability of you buying a haunted

89

00:04:41,150 --> 00:04:39,540

house or maybe it's just a probability

90

00:04:42,290 --> 00:04:41,160

of you already living in a haunted house

91

00:04:45,530 --> 00:04:42,300

you might live in one you don't even

92

00:04:49,610 --> 00:04:45,540

know and uh I will talk briefly right up

93

00:04:52,820 --> 00:04:49,620

front here uh my new favorite TV show

94

00:04:55,030 --> 00:04:52,830

is called ghost Brothers

95

00:04:57,770 --> 00:04:55,040

[Applause]

96

00:04:58,670 --> 00:04:57,780

I know nothing about this can I guess is

97

00:05:00,830 --> 00:04:58,680

it about

98

00:05:03,409 --> 00:05:00,840

two brothers who hunt ghosts or is it

99

00:05:05,210 --> 00:05:03,419

about two ghosts who are brothers

100

00:05:08,810 --> 00:05:05,220

oh wait or or

101

00:05:12,830 --> 00:05:08,820

is it about two ghosts who are black

102

00:05:16,490 --> 00:05:12,840

well it is three black gentlemen and

103

00:05:18,230 --> 00:05:16,500

they are hunting ghosts

104

00:05:20,150 --> 00:05:18,240

can I have like quarter credit for

105

00:05:22,730 --> 00:05:20,160

guessing you're yeah you're like uh

106

00:05:25,430 --> 00:05:22,740

halfway there I think

107

00:05:27,469 --> 00:05:25,440

uh these guys I don't know if they're I

108

00:05:30,409 --> 00:05:27,479

mean is one of the brothers dead and a

109

00:05:32,930 --> 00:05:30,419

ghost no no none of the featured guys

110

00:05:35,870 --> 00:05:32,940

that are hunting ghosts and who happen

111

00:05:37,189 --> 00:05:35,880

to be black uh are dead

112

00:05:39,770 --> 00:05:37,199

um and I don't even know if they're

113

00:05:41,689 --> 00:05:39,780

siblings you know uh so they're just

114

00:05:43,909 --> 00:05:41,699

called ghost Brothers I think it's a

115

00:05:45,469 --> 00:05:43,919

takeoff on Ghostbusters if you will you

116

00:05:48,950 --> 00:05:45,479

know they're the ghost the ghost

117

00:05:52,070 --> 00:05:48,960

Brothers weak sauce well I I love this

118

00:05:52,909 --> 00:05:52,080

show it's my my half-assed Concepts were

119

00:05:55,850 --> 00:05:52,919

better

120

00:05:58,189 --> 00:05:55,860

it's a great show it's my favorite new

121

00:05:59,810 --> 00:05:58,199

show I I like the energy that they put

122

00:06:01,850 --> 00:05:59,820

into it they're going out it's kind of

123

00:06:04,670 --> 00:06:01,860

like all the other ghost shows you've

124

00:06:06,710 --> 00:06:04,680

seen uh on the Travel Channel Sci-fi

125

00:06:08,990 --> 00:06:06,720

channel where it's just a bunch of white

126
00:06:11,330 --> 00:06:09,000
people going out to haunted houses and

127
00:06:13,070 --> 00:06:11,340
getting scared now it's a bunch of black

128
00:06:14,689 --> 00:06:13,080
dudes going out to these haunted houses

129
00:06:17,990 --> 00:06:14,699
and getting scared

130
00:06:19,490 --> 00:06:18,000
and it's it's fantastic I love it uh

131
00:06:21,170 --> 00:06:19,500
I'll play just a few clips from the show

132
00:06:24,170 --> 00:06:21,180
because I think that they're fantastic

133
00:06:26,029 --> 00:06:24,180
and it's entertaining you know uh they

134
00:06:29,629 --> 00:06:26,039
really punch it up and they have

135
00:06:32,629 --> 00:06:29,639
descriptive terms and uh uh they just

136
00:06:33,830 --> 00:06:32,639
energize people with their uh with their

137
00:06:35,749 --> 00:06:33,840
attitude so I just got a few Clips here

138
00:06:38,150 --> 00:06:35,759

before we uh

139

00:06:40,670 --> 00:06:38,160

transition over to some other Malarkey

140

00:06:43,129 --> 00:06:40,680

but this is uh I'm watching this on

141

00:06:45,650 --> 00:06:43,139

Discovery plus so uh here is like the

142

00:06:48,590 --> 00:06:45,660

first one they are going uh in this

143

00:06:50,210 --> 00:06:48,600

episode to the Mansfield prison you know

144

00:06:51,469 --> 00:06:50,220

about that one Joe

145

00:06:55,010 --> 00:06:51,479

no

146

00:06:57,590 --> 00:06:55,020

where they film Shawshank exactly they

147

00:06:58,969 --> 00:06:57,600

film Shawshank Redemption up there it's

148

00:07:00,710 --> 00:06:58,979

about it's not right near you somewhere

149

00:07:02,950 --> 00:07:00,720

yeah it's about an hour north of

150

00:07:05,749 --> 00:07:02,960

Columbus it's a it's a pretty famous

151

00:07:08,870 --> 00:07:05,759

prison in fact it might be voted the

152

00:07:11,870 --> 00:07:08,880

most haunted prison in the United States

153

00:07:12,890 --> 00:07:11,880

of America long history I think it got

154

00:07:17,390 --> 00:07:12,900

uh

155

00:07:20,570 --> 00:07:17,400

Reformatory got transformed into a

156

00:07:23,210 --> 00:07:20,580

prison like in the late 1800s uh there

157

00:07:25,189 --> 00:07:23,220

are riots there it's long and storied

158

00:07:27,230 --> 00:07:25,199

history they had an electric chair there

159

00:07:28,730 --> 00:07:27,240

and these guys the ghost brothers are

160

00:07:29,689 --> 00:07:28,740

there they're investigating they're in

161

00:07:32,450 --> 00:07:29,699

the cell

162

00:07:34,850 --> 00:07:32,460

and uh this one guy is down in a Cell

163

00:07:37,430 --> 00:07:34,860

alone and things are getting a little

164

00:07:40,309 --> 00:07:37,440

spooky and freaky

165

00:07:42,950 --> 00:07:40,319

what'd you see bro what did you see I am

166

00:07:45,890 --> 00:07:42,960

not in this cell alone I felt someone

167

00:07:49,670 --> 00:07:45,900

behind me and when I turned I literally

168

00:07:52,309 --> 00:07:49,680

saw the outline of someone much taller

169

00:07:55,370 --> 00:07:52,319

than me standing behind me

170

00:08:01,330 --> 00:07:55,380

wow hey fellas I don't feel safe in here

171

00:08:07,909 --> 00:08:03,670

that was a growl

172

00:08:10,850 --> 00:08:07,919

hell no I'm out it's time for y'all to

173

00:08:14,029 --> 00:08:10,860

come meet me guys come on here we go

174

00:08:17,029 --> 00:08:14,039

it's cool uh it's about time we had some

175

00:08:20,450 --> 00:08:17,039

diversity in ghost hunting I I totally

176

00:08:23,930 --> 00:08:20,460

agree Joe I totally agree uh it's been

177

00:08:25,430 --> 00:08:23,940

mundane and kind of uh very vanilla for

178

00:08:28,010 --> 00:08:25,440

too long these guys are out there

179

00:08:29,570 --> 00:08:28,020

spicing up their Believers uh they're

180

00:08:31,670 --> 00:08:29,580

they're going around in this episode

181

00:08:33,350 --> 00:08:31,680

talking to

182

00:08:35,269 --> 00:08:33,360

um some of the staff that still work at

183

00:08:37,610 --> 00:08:35,279

was a former prison so now they just

184

00:08:39,050 --> 00:08:37,620

give like tours their historical tours

185

00:08:41,870 --> 00:08:39,060

they they talk to some of the people

186

00:08:44,149 --> 00:08:41,880

that went through the prison uh and who

187

00:08:46,670 --> 00:08:44,159

have had uh experiences paranormal

188

00:08:48,590 --> 00:08:46,680

experiences whether it is like uh seeing

189

00:08:51,769 --> 00:08:48,600

like a shadow creature on the wall

190

00:08:54,470 --> 00:08:51,779

hearing voices or have even captured

191

00:08:56,570 --> 00:08:54,480

weird things on a video they've they've

192

00:08:58,850 --> 00:08:56,580

had that well These Guys these ghost

193

00:09:01,970 --> 00:08:58,860

Brothers if you will decided to take a

194

00:09:04,550 --> 00:09:01,980

trip to the room that had the electric

195

00:09:06,550 --> 00:09:04,560

chair in there and this is them

196

00:09:11,630 --> 00:09:06,560

approaching the room

197

00:09:13,130 --> 00:09:11,640

oh my God that's like a real one

198

00:09:16,009 --> 00:09:13,140

using an electric chair no I'm doing

199

00:09:17,870 --> 00:09:16,019

I've never seen one for real bro yo it

200

00:09:19,490 --> 00:09:17,880

just feels creepy in this mug too dog

201
00:09:21,230 --> 00:09:19,500
you felt the energy coming in here

202
00:09:23,269 --> 00:09:21,240
[Music]

203
00:09:25,970 --> 00:09:23,279
just think about how many people died

204
00:09:29,630 --> 00:09:25,980
sitting right here

205
00:09:31,370 --> 00:09:29,640
wow yo this joint says anomaly detective

206
00:09:33,910 --> 00:09:31,380
on the chair on the chair but there's

207
00:09:41,030 --> 00:09:33,920
nothing showing look

208
00:09:43,850 --> 00:09:42,290
definitely gonna have to learn more

209
00:09:46,190 --> 00:09:43,860
about this year

210
00:09:48,350 --> 00:09:46,200
we've got one last spot to check out and

211
00:09:50,990 --> 00:09:48,360
so they and they say uh some awesome

212
00:09:52,610 --> 00:09:51,000
stuff uh like this so anytime two or

213
00:09:55,370 --> 00:09:52,620

more Bros see something at the same time

214

00:09:57,430 --> 00:09:55,380

it's gotta be a fact they I got some

215

00:09:59,389 --> 00:09:57,440

good clips from them

216

00:10:00,170 --> 00:09:59,399

what you talking about what's that

217

00:10:02,329 --> 00:10:00,180

correction

218

00:10:06,009 --> 00:10:02,339

they call it a double bro sighting it is

219

00:10:08,329 --> 00:10:06,019

a double bro oh snap

220

00:10:11,210 --> 00:10:08,339

they're fun this is the last clip I got

221

00:10:13,009 --> 00:10:11,220

from uh the uh the episode where they

222

00:10:15,190 --> 00:10:13,019

visited uh the Mansfield prison here it

223

00:10:18,590 --> 00:10:15,200

is this is them they're like upstairs

224

00:10:21,530 --> 00:10:18,600

they're all in this room where a lot of

225

00:10:24,050 --> 00:10:21,540

people may have died and they got like a

226

00:10:26,710 --> 00:10:24,060

Spirit box with them and they're trying

227

00:10:29,090 --> 00:10:26,720

to communicate with the the other side

228

00:10:31,730 --> 00:10:29,100

and they don't feel too sure of

229

00:10:34,070 --> 00:10:31,740

themselves and they feel as though some

230

00:10:36,769 --> 00:10:34,080

things are going a little wrong you know

231

00:10:38,750 --> 00:10:36,779

there's a lot of crazy like violent acts

232

00:10:39,590 --> 00:10:38,760

happening here I mean it's just wide

233

00:10:43,250 --> 00:10:39,600

open

234

00:10:46,069 --> 00:10:43,260

it was every man for himself in here wow

235

00:10:48,889 --> 00:10:46,079

yeah and nothing

236

00:10:52,009 --> 00:10:48,899

what what what you didn't hear that

237

00:10:54,170 --> 00:10:52,019

little Shuffle no over my left shoulder

238

00:10:55,910 --> 00:10:54,180

it was like right

239

00:10:59,269 --> 00:10:55,920

I heard that

240

00:11:00,769 --> 00:10:59,279

to tell you there's something over there

241

00:11:02,730 --> 00:11:00,779

bro come on

242

00:11:06,670 --> 00:11:02,740

yeah

243

00:11:11,329 --> 00:11:08,750

I don't say at least if I got something

244

00:11:14,050 --> 00:11:11,339

on SLS real quick

245

00:11:24,230 --> 00:11:14,060

anybody want to step forward

246

00:11:30,590 --> 00:11:26,470

oh snap look

247

00:11:35,150 --> 00:11:33,650

bruh I literally had an anomaly right

248

00:11:39,050 --> 00:11:35,160

there yeah

249

00:11:39,060 --> 00:11:43,569

bro

250

00:11:43,579 --> 00:11:55,490

guys they're all around us

251

00:12:00,530 --> 00:11:57,590

all right there you go there I suggest

252

00:12:03,290 --> 00:12:00,540

only black ghost hunters from now on me

253

00:12:05,210 --> 00:12:03,300

too yeah it's way better uh it's way

254

00:12:06,650 --> 00:12:05,220

more entertaining it's a lot more

255

00:12:08,630 --> 00:12:06,660

emotive

256

00:12:10,250 --> 00:12:08,640

and I'm gonna get all my news from the

257

00:12:12,110 --> 00:12:10,260

show as well too I'm only doing my

258

00:12:15,650 --> 00:12:12,120

research watching Ghost Brothers

259

00:12:18,170 --> 00:12:15,660

so it's it's like uh it's like the NBA

260

00:12:19,970 --> 00:12:18,180

and NFL yeah like you just can't help it

261

00:12:22,550 --> 00:12:19,980

like black black people are just better

262

00:12:24,050 --> 00:12:22,560

they're just better at this [h__h] and uh

263

00:12:26,630 --> 00:12:24,060

you know they get freaked out just as

264

00:12:28,490 --> 00:12:26,640

much as anybody else and they they uh

265

00:12:30,170 --> 00:12:28,500

you know they're actually they kind of

266

00:12:32,329 --> 00:12:30,180

rib each other a little bit they're

267

00:12:34,790 --> 00:12:32,339

they're a little bit more it seems like

268

00:12:37,430 --> 00:12:34,800

they they joke around a little bit more

269

00:12:40,310 --> 00:12:37,440

than like the typical Ghost Hunters on

270

00:12:43,250 --> 00:12:40,320

Sci-fi channel or uh I forget the guy's

271

00:12:44,750 --> 00:12:43,260

name on the Travel Channel uh but these

272

00:12:46,850 --> 00:12:44,760

guys seem to joke around a little bit

273

00:12:49,610 --> 00:12:46,860

more they take it serious but they have

274

00:12:51,230 --> 00:12:49,620

a good time and I enjoy it so I'm gonna

275

00:12:54,769 --> 00:12:51,240

continue watching the the ghost Brothers

276

00:12:56,329 --> 00:12:54,779

they uh definitely amuse me

277

00:13:00,769 --> 00:12:56,339

all right

278

00:13:04,840 --> 00:13:00,779

well we're going to uh travel over and

279

00:13:09,020 --> 00:13:04,850

talk about some more spooky things

280

00:13:12,949 --> 00:13:09,030

[Music]

281

00:13:17,810 --> 00:13:15,350

all right I've been talking about this

282

00:13:20,930 --> 00:13:17,820

headline for quite a while

283

00:13:23,150 --> 00:13:20,940

this is uh

284

00:13:26,389 --> 00:13:23,160

the one about

285

00:13:29,569 --> 00:13:26,399

haunted houses the probability

286

00:13:31,610 --> 00:13:29,579

of buying a haunted house in the United

287

00:13:33,650 --> 00:13:31,620

States perfect headline it is a perfect

288

00:13:36,590 --> 00:13:33,660

headline people want to know about this

289

00:13:39,110 --> 00:13:36,600

during October there's major problems in

290

00:13:41,090 --> 00:13:39,120

the United States and I think uh

291

00:13:43,370 --> 00:13:41,100

American people are very concerned about

292

00:13:45,949 --> 00:13:43,380

haunted houses I think it ranks third in

293

00:13:48,110 --> 00:13:45,959

the list of concerns among voters uh

294

00:13:51,310 --> 00:13:48,120

just because like economy War haunted

295

00:13:54,590 --> 00:13:51,320

house haunted houses on number three

296

00:13:57,230 --> 00:13:54,600

too many haunted houses

297

00:13:59,449 --> 00:13:57,240

it's the unknowns uh

298

00:14:01,009 --> 00:13:59,459

so I'll read down a little bit of this

299

00:14:03,829 --> 00:14:01,019

here we go

300

00:14:05,870 --> 00:14:03,839

uh so each state has its collection of

301
00:14:07,670 --> 00:14:05,880
urban legends haunted houses and other

302
00:14:09,829 --> 00:14:07,680
creepy attractions that are fun to

303
00:14:11,569 --> 00:14:09,839
indulge in and explore during the spooky

304
00:14:13,370 --> 00:14:11,579
season Americans have always been

305
00:14:15,230 --> 00:14:13,380
fascinated by Things That Go Bump in the

306
00:14:17,690 --> 00:14:15,240
night especially when those things are

307
00:14:19,730 --> 00:14:17,700
right in their backyard what if that

308
00:14:21,590 --> 00:14:19,740
backyard meant your yard that's right

309
00:14:24,410 --> 00:14:21,600
depending on where you move you might

310
00:14:26,810 --> 00:14:24,420
have a higher chance of winding up with

311
00:14:28,009 --> 00:14:26,820
a few new terrifying roommates of your

312
00:14:30,110 --> 00:14:28,019
own

313
00:14:32,269 --> 00:14:30,120

uh we know buying at home can be scary

314

00:14:34,490 --> 00:14:32,279

enough without worrying about moving

315

00:14:37,670 --> 00:14:34,500

into a house with paranormal residents

316

00:14:39,769 --> 00:14:37,680

so what are the odds of ending up in a

317

00:14:44,329 --> 00:14:39,779

flat full of ghosts in the United States

318

00:14:45,530 --> 00:14:44,339

of America are was that two no it's a

319

00:14:48,650 --> 00:14:45,540

little higher than that believe it or

320

00:14:50,689 --> 00:14:48,660

not so the the methodology

321

00:14:53,329 --> 00:14:50,699

to do this the accomplished to to

322

00:14:55,069 --> 00:14:53,339

accomplish this task a few of our

323

00:14:57,710 --> 00:14:55,079

bravest Souls geared up and banded

324

00:14:59,990 --> 00:14:57,720

together to Crunch the creepy numbers we

325

00:15:02,449 --> 00:15:00,000

compared the numbers of homes for sale

326

00:15:05,689 --> 00:15:02,459

in the United States during August of

327

00:15:08,810 --> 00:15:05,699

2022 to the number of haunted and creepy

328

00:15:11,329 --> 00:15:08,820

homes in every street in every state to

329

00:15:13,569 --> 00:15:11,339

determine the probability rate of home

330

00:15:17,629 --> 00:15:13,579

buyers in every corner of the country

331

00:15:19,009 --> 00:15:17,639

winding up in a haunted house

332

00:15:21,530 --> 00:15:19,019

um

333

00:15:24,949 --> 00:15:21,540

so here we go

334

00:15:27,350 --> 00:15:24,959

so the haunted house market there is a

335

00:15:30,170 --> 00:15:27,360

map right here and this is the U.S

336

00:15:32,750 --> 00:15:30,180

State's most likely to sell

337

00:15:35,509 --> 00:15:32,760

haunted homes uh based on a number of

338

00:15:37,189 --> 00:15:35,519

homes for sale in the United States the

339

00:15:42,490 --> 00:15:37,199

national average

340

00:15:44,750 --> 00:15:42,500

for buying a haunted house is 13

341

00:15:47,269 --> 00:15:44,760

that's good news

342

00:15:49,430 --> 00:15:47,279

13 chance that this is a national

343

00:15:54,949 --> 00:15:49,440

average

344

00:15:58,009 --> 00:15:54,959

so uh by chance so I live in Ohio

345

00:16:00,790 --> 00:15:58,019

the probability of me buying a haunted

346

00:16:05,269 --> 00:16:00,800

house is

347

00:16:08,930 --> 00:16:05,279

29.9 that's some good news on that what

348

00:16:10,370 --> 00:16:08,940

that seems unreasonably High that's very

349

00:16:12,889 --> 00:16:10,380

high yeah what the hell's going on in

350

00:16:16,069 --> 00:16:12,899

Ohio one third of all like just under

351

00:16:19,670 --> 00:16:16,079

one third of all homes in Ohio are are

352

00:16:22,970 --> 00:16:19,680

haunted according to this that's right

353

00:16:25,370 --> 00:16:22,980

uh it looks like the uh the least if you

354

00:16:29,410 --> 00:16:25,380

don't want to buy a haunted house move

355

00:16:32,750 --> 00:16:29,420

to Arkansas at uh 6.9

356

00:16:34,730 --> 00:16:32,760

exactly I I disagree with that it seems

357

00:16:35,689 --> 00:16:34,740

like Arkansas is just full of haunted

358

00:16:37,449 --> 00:16:35,699

houses

359

00:16:40,129 --> 00:16:37,459

but the whole place is creepy down there

360

00:16:43,009 --> 00:16:40,139

the whole state is haunted house it is

361

00:16:45,170 --> 00:16:43,019

what's the lowest State I uh looks like

362

00:16:48,650 --> 00:16:45,180

Arkansas six point nine percent now I

363

00:16:49,850 --> 00:16:48,660

see Tennessee 5.95 6.1 oh Wyoming yeah

364

00:16:52,129 --> 00:16:49,860

4.1

365

00:16:55,069 --> 00:16:52,139

there you go yeah

366

00:16:56,150 --> 00:16:55,079

so I guess Wyoming because Wyoming if

367

00:16:58,430 --> 00:16:56,160

they think it's haunted people just

368

00:17:00,290 --> 00:16:58,440

don't want to start shooting yeah those

369

00:17:02,689 --> 00:17:00,300

ghosts leave quick and it's fairly

370

00:17:04,309 --> 00:17:02,699

sparsely populated out there in Wyoming

371

00:17:05,929 --> 00:17:04,319

compared to a lot of the percentage of

372

00:17:07,669 --> 00:17:05,939

homes exactly have anything to do with

373

00:17:11,090 --> 00:17:07,679

the number of homes but it also comes

374

00:17:12,590 --> 00:17:11,100

down to new builds versus old builds

375

00:17:15,289 --> 00:17:12,600

um you would imagine like some of the

376

00:17:17,090 --> 00:17:15,299

old Estates in the union would have some

377

00:17:19,669 --> 00:17:17,100

of the oldest buildings older structures

378

00:17:21,530 --> 00:17:19,679

and therefore probably a large amount of

379

00:17:23,230 --> 00:17:21,540

hauntings like you'd imagine places like

380

00:17:26,870 --> 00:17:23,240

Massachusetts

381

00:17:29,570 --> 00:17:26,880

uh uh Rhode Island all the original 13

382

00:17:32,090 --> 00:17:29,580

colonies would have a crazy amount of

383

00:17:34,610 --> 00:17:32,100

hauntings compared to Ohio

384

00:17:36,590 --> 00:17:34,620

but what is going on in Ohio why almost

385

00:17:39,230 --> 00:17:36,600

30 percent

386

00:17:40,610 --> 00:17:39,240

uh so it goes down to say some of the

387

00:17:42,590 --> 00:17:40,620

states are certainly spookier than

388

00:17:45,650 --> 00:17:42,600

others but if you're superstitious and

389

00:17:48,590 --> 00:17:45,660

afraid of ghouls and goblins which we

390

00:17:50,090 --> 00:17:48,600

are the goblin uh you may want to avoid

391

00:17:53,029 --> 00:17:50,100

a few places

392

00:17:54,950 --> 00:17:53,039

we found that although only the

393

00:17:57,110 --> 00:17:54,960

Mayflower state made it into the top

394

00:17:59,870 --> 00:17:57,120

five of most haunted the most haunted

395

00:18:02,450 --> 00:17:59,880

shortlist New England as a whole is

396

00:18:05,390 --> 00:18:02,460

filled to the brim with hauntings and

397

00:18:07,549 --> 00:18:05,400

ghost stories A Galore of course Vermont

398

00:18:09,529 --> 00:18:07,559

and Maine all of these states in the

399

00:18:12,470 --> 00:18:09,539

region have a haunted house probability

400

00:18:14,570 --> 00:18:12,480

of higher than 15 percent making them

401
00:18:15,890 --> 00:18:14,580
some of the most haunted states in

402
00:18:17,990 --> 00:18:15,900
America

403
00:18:20,450 --> 00:18:18,000
but yeah but what about

404
00:18:21,950 --> 00:18:20,460
Ohio is it going to talk about Ohio in

405
00:18:24,169 --> 00:18:21,960
here this is where I'm at did I buy a

406
00:18:26,570 --> 00:18:24,179
haunted house I need to know I would

407
00:18:27,950 --> 00:18:26,580
think yes right now if we're being a

408
00:18:31,070 --> 00:18:27,960
little self-centered if we're thinking

409
00:18:34,070 --> 00:18:31,080
it's like white colonialists that's like

410
00:18:36,409 --> 00:18:34,080
a lot of Indian the ceotto you know like

411
00:18:39,529 --> 00:18:36,419
the Olentangy of course the Indians were

412
00:18:40,789 --> 00:18:39,539
probably like it was like Murder Town uh

413
00:18:41,990 --> 00:18:40,799

right there you're absolutely correct

414

00:18:47,090 --> 00:18:42,000

when we're talking about Native

415

00:18:48,470 --> 00:18:47,100

Americans and uh ancient Spirits uh they

416

00:18:52,930 --> 00:18:48,480

would do it they would know and they

417

00:18:55,549 --> 00:18:52,940

would be hanging around oh snap exactly

418

00:18:57,770 --> 00:18:55,559

uh in the northeastern part of the

419

00:18:59,750 --> 00:18:57,780

country New York and New Jersey duke it

420

00:19:02,090 --> 00:18:59,760

out for the title of the Eerie Estates

421

00:19:04,070 --> 00:19:02,100

on the East Coast no matter which side

422

00:19:06,289 --> 00:19:04,080

of the fence you're on in the great

423

00:19:07,850 --> 00:19:06,299

debate if you have over 25 five percent

424

00:19:11,450 --> 00:19:07,860

chance of winding up in a haunted house

425

00:19:14,090 --> 00:19:11,460

in either state which is incredibly High

426

00:19:17,029 --> 00:19:14,100

uh however with more condo development

427

00:19:19,430 --> 00:19:17,039

and fewer natural attractions like uh

428

00:19:21,169 --> 00:19:19,440

the pylons or Long Beach Island New

429

00:19:23,570 --> 00:19:21,179

York's real estate developers May in

430

00:19:24,770 --> 00:19:23,580

fact be driving the ancient ghosts out

431

00:19:26,270 --> 00:19:24,780

of their original homes and that's a

432

00:19:28,850 --> 00:19:26,280

good point

433

00:19:30,890 --> 00:19:28,860

um haunted condos don't have the same

434

00:19:33,049 --> 00:19:30,900

the same ring to it as like a haunted

435

00:19:35,330 --> 00:19:33,059

house

436

00:19:37,190 --> 00:19:35,340

like uh when it comes to like new

437

00:19:41,150 --> 00:19:37,200

dwellings I think it does it does

438

00:19:43,870 --> 00:19:41,160

require there to be an older home like

439

00:19:48,169 --> 00:19:43,880

It's gotta be I think over 50 years

440

00:19:50,930 --> 00:19:48,179

multiple families and and a good history

441

00:19:53,210 --> 00:19:50,940

on the land there has to be some sort of

442

00:19:56,770 --> 00:19:53,220

story there like the house that's fairly

443

00:20:00,409 --> 00:19:56,780

close to us uh it was built in the early

444

00:20:02,510 --> 00:20:00,419

1900s and I was it was purchased by a

445

00:20:03,230 --> 00:20:02,520

developer they're hoping to flip the

446

00:20:04,730 --> 00:20:03,240

home

447

00:20:06,470 --> 00:20:04,740

and I was talking to him the other day

448

00:20:09,169 --> 00:20:06,480

and I was like hey it's got to be pretty

449

00:20:11,330 --> 00:20:09,179

strong to do that and uh well you know

450

00:20:12,470 --> 00:20:11,340

he does work out he'd look like a big

451

00:20:15,830 --> 00:20:12,480

guy

452

00:20:18,830 --> 00:20:15,840

I asked him hey is that home haunted

453

00:20:21,830 --> 00:20:18,840

it's built in the early 1900s he's like

454

00:20:23,690 --> 00:20:21,840

uh he didn't say yes or no it's like I

455

00:20:25,730 --> 00:20:23,700

threw him off guard like he wasn't

456

00:20:28,370 --> 00:20:25,740

prepared for this kind of question

457

00:20:29,570 --> 00:20:28,380

and he didn't deny it he did he ask you

458

00:20:31,310 --> 00:20:29,580

to spend the night in the house with a

459

00:20:33,950 --> 00:20:31,320

bunch of teenagers no he did not he

460

00:20:35,810 --> 00:20:33,960

didn't ask uh he didn't invite me over I

461

00:20:37,310 --> 00:20:35,820

didn't deny it either and I've always

462

00:20:39,049 --> 00:20:37,320

suspected that property would be a

463

00:20:42,890 --> 00:20:39,059

little a little haunted it's a little

464

00:20:48,470 --> 00:20:44,930

um so the most haunted States for home

465

00:20:53,630 --> 00:20:48,480

buyers uh the state the US top five New

466

00:20:58,190 --> 00:20:53,640

Jersey with uh 30 percent Ohio with 29.9

467

00:21:00,890 --> 00:20:58,200

New York with 27 percent New Hampshire

468

00:21:04,610 --> 00:21:00,900

with 26.9 percent and then Massachusetts

469

00:21:07,549 --> 00:21:04,620

was 23.5 percent

470

00:21:11,570 --> 00:21:08,690

um

471

00:21:13,789 --> 00:21:11,580

I don't know so uh the the top so that

472

00:21:16,130 --> 00:21:13,799

they have a bust down the top 10 most

473

00:21:19,010 --> 00:21:16,140

creepy States for whatever reason like

474

00:21:20,210 --> 00:21:19,020

the the the number one most creepy state

475

00:21:23,270 --> 00:21:20,220

in the Union

476
00:21:24,710 --> 00:21:23,280
is Wyoming which I don't see how they

477
00:21:26,570 --> 00:21:24,720
came to that this conclusion like the

478
00:21:28,850 --> 00:21:26,580
most creative way

479
00:21:31,310 --> 00:21:28,860
most creepy state

480
00:21:33,230 --> 00:21:31,320
the most benign yeah it seems like

481
00:21:35,210 --> 00:21:33,240
there's nothing like if you're not

482
00:21:37,310 --> 00:21:35,220
likely to buy a haunted house out there

483
00:21:39,529 --> 00:21:37,320
how could it be like the most creepy

484
00:21:40,610 --> 00:21:39,539
state but this is well this is based on

485
00:21:41,510 --> 00:21:40,620
the number of if you scroll up a little

486
00:21:44,750 --> 00:21:41,520
bit so it's basically the number of

487
00:21:46,789 --> 00:21:44,760
creepy homes okay so maybe maybe

488
00:21:50,049 --> 00:21:46,799

the pedophile laws because you have to

489

00:21:51,600 --> 00:21:50,059

be certain businesses from schools

490

00:21:53,270 --> 00:21:51,610

oh really

491

00:21:55,370 --> 00:21:53,280

[Music]

492

00:21:58,190 --> 00:21:55,380

I didn't know that okay

493

00:22:00,950 --> 00:21:58,200

well it's the pedophile State that's

494

00:22:03,710 --> 00:22:00,960

there that's a fun fact not the cardinal

495

00:22:05,990 --> 00:22:03,720

state like Ohio so what did we determine

496

00:22:07,730 --> 00:22:06,000

that Florida was last week the uh uh oh

497

00:22:09,409 --> 00:22:07,740

brother State yeah it was the on brother

498

00:22:11,510 --> 00:22:09,419

State yes exactly

499

00:22:14,090 --> 00:22:11,520

yeah uh-uh brother

500

00:22:16,370 --> 00:22:14,100

well the top five least the the top five

501
00:22:20,450 --> 00:22:16,380
most creepy states in the union we have

502
00:22:22,549 --> 00:22:20,460
Wyoming Vermont Alaska North Dakota and

503
00:22:24,470 --> 00:22:22,559
South Dakota those are the most creepy

504
00:22:26,029 --> 00:22:24,480
states in the union and I would kind of

505
00:22:27,770 --> 00:22:26,039
uh so it says right there at the bottom

506
00:22:30,350 --> 00:22:27,780
creepy homes or homes with crime death

507
00:22:32,690 --> 00:22:30,360
homicide damage drug paranormal and

508
00:22:34,370 --> 00:22:32,700
sketchy reports oh

509
00:22:36,110 --> 00:22:34,380
what's that mean there's a lot of

510
00:22:40,010 --> 00:22:36,120
sketchy reports going on in Alaska we

511
00:22:42,409 --> 00:22:40,020
know that a lot of weird unknown things

512
00:22:44,870 --> 00:22:42,419
I don't know uh and then how how is

513
00:22:46,909 --> 00:22:44,880

California not include homeless with

514

00:22:49,730 --> 00:22:46,919

crime death homicide damage drug

515

00:22:52,909 --> 00:22:49,740

paranormal I would say like California

516

00:22:55,450 --> 00:22:52,919

so in conversely the opposite list over

517

00:22:58,490 --> 00:22:55,460

here the top 10 least creepy States

518

00:23:01,669 --> 00:22:58,500

California Texas Florida New York

519

00:23:03,590 --> 00:23:01,679

Pennsylvania like when it comes to how

520

00:23:06,110 --> 00:23:03,600

they determine the sketchy reports I

521

00:23:08,330 --> 00:23:06,120

would have to say California leads in

522

00:23:10,070 --> 00:23:08,340

sketchy reports yeah

523

00:23:15,649 --> 00:23:10,080

there's nothing but sketchiness over

524

00:23:20,510 --> 00:23:18,470

Florida super half of our stories that

525

00:23:22,789 --> 00:23:20,520

we we talk about come from Florida the

526

00:23:25,549 --> 00:23:22,799

guy who who was trying to warn Homeland

527

00:23:28,310 --> 00:23:25,559

Security about Sky dragons the guy who

528

00:23:30,409 --> 00:23:28,320

uh dared to eat pasta in an

529

00:23:31,970 --> 00:23:30,419

inappropriate way out in front of Olive

530

00:23:33,890 --> 00:23:31,980

Garden Florida with his shirt off

531

00:23:36,830 --> 00:23:33,900

Hercules The New Adventures of Young

532

00:23:39,289 --> 00:23:36,840

Hercules from Roberto Hercules

533

00:23:42,049 --> 00:23:39,299

Hercules with his cowboy hat and his

534

00:23:44,330 --> 00:23:42,059

machete that was Florida as well

535

00:23:48,529 --> 00:23:44,340

and his spare Cowboy haters yeah he

536

00:23:54,830 --> 00:23:52,669

uh so there you go there's uh so I I'm

537

00:23:58,970 --> 00:23:54,840

potentially you know I've lived into

538

00:24:00,950 --> 00:23:58,980

several houses in Ohio uh and by just

539

00:24:04,190 --> 00:24:00,960

the the probability here one of those

540

00:24:06,169 --> 00:24:04,200

houses may have been haunted

541

00:24:08,149 --> 00:24:06,179

I may have lived in so maybe did you

542

00:24:10,070 --> 00:24:08,159

ever ever think of anything that might

543

00:24:12,409 --> 00:24:10,080

be paranormal related in one of these

544

00:24:14,510 --> 00:24:12,419

houses am I I had a haunted dorm room at

545

00:24:16,909 --> 00:24:14,520

College Joe knows about this I had my

546

00:24:20,149 --> 00:24:16,919

haunted dorm room where I heard voices I

547

00:24:22,430 --> 00:24:20,159

was harassed and harangued all year long

548

00:24:24,770 --> 00:24:22,440

by some kind of spook or Specter that

549

00:24:26,870 --> 00:24:24,780

did not want me to be there okay well

550

00:24:28,610 --> 00:24:26,880

you were also on drugs that is the time

551
00:24:32,330 --> 00:24:28,620
that is true it's tough to deny that

552
00:24:35,210 --> 00:24:32,340
also high as [h__\h] but I stand by what I

553
00:24:36,950 --> 00:24:35,220
experienced in what I uh felt it was

554
00:24:40,490 --> 00:24:36,960
it's creepy

555
00:24:43,549 --> 00:24:40,500
those dorms were creepy Joe weren't they

556
00:24:46,010 --> 00:24:43,559
I mean they weren't luxury that's for

557
00:24:47,930 --> 00:24:46,020
sure they were creepy oh they were kind

558
00:24:49,250 --> 00:24:47,940
of sketchy a lot of sketchy reports

559
00:24:51,110 --> 00:24:49,260
coming out of those dorms no doubt about

560
00:24:52,789 --> 00:24:51,120
that

561
00:24:54,350 --> 00:24:52,799
well if there were sketchy reports in

562
00:24:56,210 --> 00:24:54,360
that last chart just said sketchy

563
00:24:58,029 --> 00:24:56,220

reports was one of the category one of

564

00:25:00,350 --> 00:24:58,039

the criteria they used yeah

565

00:25:02,990 --> 00:25:00,360

why don't we have higher rate ratings

566

00:25:04,909 --> 00:25:03,000

for Ohio I don't know you remember when

567

00:25:07,370 --> 00:25:04,919

somebody took a [h__h] on the dance floor

568

00:25:09,830 --> 00:25:07,380

at the Halloween party one year I missed

569

00:25:11,210 --> 00:25:09,840

that one I I heard uh that's an urban

570

00:25:13,970 --> 00:25:11,220

legend Joe

571

00:25:16,070 --> 00:25:13,980

no Joe frash got so [h__h] pissed off

572

00:25:17,930 --> 00:25:16,080

and shut the whole damn thing down yeah

573

00:25:20,090 --> 00:25:17,940

we so it was like but that was during

574

00:25:22,070 --> 00:25:20,100

Halloween wasn't it the Halloween dance

575

00:25:26,750 --> 00:25:22,080

that was freshman year so that would

576

00:25:30,070 --> 00:25:26,760

have been [h__h] what 20 96. 96 that was

577

00:25:35,510 --> 00:25:33,830

so they forced everyone at CCAD to

578

00:25:36,350 --> 00:25:35,520

basically live in the dorms their first

579

00:25:39,950 --> 00:25:36,360

year

580

00:25:41,930 --> 00:25:39,960

and we had it was a small College it was

581

00:25:44,750 --> 00:25:41,940

very you know Close Quarters everyone

582

00:25:47,330 --> 00:25:44,760

kind of knew each other and they threw a

583

00:25:49,310 --> 00:25:47,340

a big Halloween party downstairs now the

584

00:25:52,250 --> 00:25:49,320

our entire class is what like two 300

585

00:25:55,250 --> 00:25:52,260

people yeah not very large very small

586

00:25:57,710 --> 00:25:55,260

class and they had uh you know probably

587

00:26:00,350 --> 00:25:57,720

punch and Pie maybe even some Halloween

588

00:26:02,690 --> 00:26:00,360

cookies down there and they had

589

00:26:05,210 --> 00:26:02,700

Halloween music and the way I heard it

590

00:26:07,789 --> 00:26:05,220

someone went out on the dance floor and

591

00:26:10,850 --> 00:26:07,799

took a crap or a dump on the dance floor

592

00:26:13,549 --> 00:26:10,860

and shut the whole thing down yep

593

00:26:16,310 --> 00:26:13,559

another story did we ever find out who

594

00:26:18,169 --> 00:26:16,320

did it no but it's amazing that there

595

00:26:20,149 --> 00:26:18,179

are so many [h__h] who just like

596

00:26:23,330 --> 00:26:20,159

Anonymous [h__h] who like to just do

597

00:26:24,950 --> 00:26:23,340

things with their poop [h__h]

598

00:26:27,529 --> 00:26:24,960

and that's a bold move to do on the

599

00:26:30,169 --> 00:26:27,539

Dance Floor I mean I guess you could do

600

00:26:32,630 --> 00:26:30,179

it like if that was pre-turking

601
00:26:34,430 --> 00:26:32,640
and so like sticking your ass out like

602
00:26:36,950 --> 00:26:34,440
that at the time there weren't a lot of

603
00:26:38,330 --> 00:26:36,960
uh twerking going on at that point in

604
00:26:39,890 --> 00:26:38,340
time so you'd have figured it would be

605
00:26:42,409 --> 00:26:39,900
pretty obvious if someone was taking a

606
00:26:45,289 --> 00:26:42,419
dump on the dance floor but or you could

607
00:26:46,669 --> 00:26:45,299
have gotten like a scoop and pulled it

608
00:26:48,590 --> 00:26:46,679
out of the toilet I see what you're

609
00:26:49,970 --> 00:26:48,600
saying reported the turd to the dance

610
00:26:51,649 --> 00:26:49,980
floor yeah maybe like in one of those

611
00:26:53,930 --> 00:26:51,659
like little pumpkin buckets you use for

612
00:26:56,930 --> 00:26:53,940
candy you put your turd in there and you

613
00:26:59,149 --> 00:26:56,940

take it down to the the school dance

614

00:27:01,010 --> 00:26:59,159

oh my God

615

00:27:03,049 --> 00:27:01,020

ah there's a drink was this during like

616

00:27:04,549 --> 00:27:03,059

a dance off or something between two

617

00:27:05,510 --> 00:27:04,559

people and this was somebody's finishing

618

00:27:08,210 --> 00:27:05,520

move

619

00:27:10,310 --> 00:27:08,220

uh no no I mean I wasn't there to dance

620

00:27:11,810 --> 00:27:10,320

I was probably out doing acid

621

00:27:13,970 --> 00:27:11,820

uh

622

00:27:17,570 --> 00:27:13,980

so I I missed that or if that did happen

623

00:27:20,210 --> 00:27:17,580

I I blacked it out but so getting back

624

00:27:22,430 --> 00:27:20,220

to the ghost houses yes I do feel like

625

00:27:24,049 --> 00:27:22,440

this this should be you know for you to

626

00:27:26,750 --> 00:27:24,059

get your certification as a home

627

00:27:31,630 --> 00:27:26,760

inspector like this is one more thing

628

00:27:37,789 --> 00:27:35,029

yeah sense Undead you should be a level

629

00:27:40,730 --> 00:27:37,799

three Clairvoyant with a level five

630

00:27:42,409 --> 00:27:40,740

ability to sense Undead or unseen and

631

00:27:45,470 --> 00:27:42,419

have various saving throws to help you

632

00:27:48,169 --> 00:27:45,480

combat these curses and bad Omens as you

633

00:27:49,970 --> 00:27:48,179

try to sell a house yeah but as with The

634

00:27:53,570 --> 00:27:49,980

Regulators in there like Gretchen

635

00:27:56,990 --> 00:27:53,580

brought up a story a month ago uh is a

636

00:27:59,870 --> 00:27:57,000

real estate agent obligated to tell a

637

00:28:02,450 --> 00:27:59,880

prospective home buyer if the house is

638

00:28:03,409 --> 00:28:02,460

haunted and Most states don't have any

639

00:28:05,510 --> 00:28:03,419

law

640

00:28:08,210 --> 00:28:05,520

uh stating that the the real estate

641

00:28:10,010 --> 00:28:08,220

agent has to inform the buyer if there

642

00:28:11,930 --> 00:28:10,020

has been Paranormal Activity there I

643

00:28:13,610 --> 00:28:11,940

think the the two states that do have

644

00:28:16,610 --> 00:28:13,620

something on the books is that what New

645

00:28:18,950 --> 00:28:16,620

Jersey and Minnesota where there's uh if

646

00:28:20,510 --> 00:28:18,960

there's been paranormal activity in the

647

00:28:21,710 --> 00:28:20,520

house you gotta you gotta tell the buyer

648

00:28:23,630 --> 00:28:21,720

you got to tell them up front what's

649

00:28:25,669 --> 00:28:23,640

going down there

650

00:28:27,230 --> 00:28:25,679

but after I mean but Ohio they're just

651
00:28:29,090 --> 00:28:27,240
selling haunted houses left and right no

652
00:28:31,130 --> 00:28:29,100
one knows

653
00:28:34,070 --> 00:28:31,140
okay

654
00:28:37,060 --> 00:28:34,080
well let's move on and get to crutches

655
00:28:42,020 --> 00:28:37,070
creepy haunted house story

656
00:28:43,210 --> 00:28:42,030
[Music]

657
00:28:45,649 --> 00:28:43,220
[Applause]

658
00:28:47,690 --> 00:28:45,659
oh hell yes this place is haunted what

659
00:28:49,549 --> 00:28:47,700
you talking about

660
00:28:56,210 --> 00:28:49,559
well it's not necessarily creep what is

661
00:28:56,220 --> 00:28:59,029
okay

662
00:28:59,039 --> 00:29:03,890
creepy sexy cool

663
00:29:09,590 --> 00:29:06,470

we'll bring this up on uh screen right

664

00:29:19,640 --> 00:29:14,390

uh at this haunted North Texas house the

665

00:29:24,049 --> 00:29:22,210

[Music]

666

00:29:27,110 --> 00:29:24,059

ah

667

00:29:28,490 --> 00:29:27,120

to the ghost so I I I'm this is a

668

00:29:30,169 --> 00:29:28,500

family-friendly show here so when they

669

00:29:33,590 --> 00:29:30,179

say the ghost will freak you all night

670

00:29:35,750 --> 00:29:33,600

long do they are saying that it will

671

00:29:37,250 --> 00:29:35,760

have sex with you all night long is

672

00:29:38,990 --> 00:29:37,260

that's what I'm getting at right that's

673

00:29:40,610 --> 00:29:39,000

what they're trying to say here

674

00:29:42,590 --> 00:29:40,620

well there's a news story there is a

675

00:29:45,049 --> 00:29:42,600

news story and uh I guess we'll we'll

676
00:29:46,789 --> 00:29:45,059
play it why speculate when we can just

677
00:29:49,370 --> 00:29:46,799
bring up the new story and see what they

678
00:29:53,529 --> 00:29:50,710
here we go

679
00:29:56,090 --> 00:29:53,539
[Music]

680
00:29:59,570 --> 00:29:56,100
uh it's good I gotta pump it up because

681
00:30:01,370 --> 00:29:59,580
it's weak it's it's it's weak and they

682
00:30:03,830 --> 00:30:01,380
have some awesome Jingles going on in

683
00:30:06,789 --> 00:30:03,840
the background some royalty-free music

684
00:30:10,130 --> 00:30:06,799
which I love but here we go

685
00:30:13,370 --> 00:30:10,140
this is a house in Gainesville it is not

686
00:30:16,730 --> 00:30:13,380
a moving company no not at all but if

687
00:30:19,310 --> 00:30:16,740
you do move in You Haul yourself right

688
00:30:22,370 --> 00:30:19,320

back out it's like a revolving door the

689

00:30:24,769 --> 00:30:22,380

longest anyone stayed in this house was

690

00:30:27,470 --> 00:30:24,779

six months Linda Hill says she and her

691

00:30:30,110 --> 00:30:27,480

husband had no idea why in the mirror

692

00:30:32,750 --> 00:30:30,120

after 10 tenants moved out in less than

693

00:30:34,970 --> 00:30:32,760

two years someone told them it was

694

00:30:37,669 --> 00:30:34,980

haunted did you actually believe that no

695

00:30:39,769 --> 00:30:37,679

that changed while she was taking a

696

00:30:42,230 --> 00:30:39,779

shower and I was in here through the

697

00:30:44,269 --> 00:30:42,240

curtain a dark figure whispered looking

698

00:30:46,610 --> 00:30:44,279

good and then he turned and walked off

699

00:30:50,510 --> 00:30:46,620

Linda assumed it was her husband until

700

00:30:52,210 --> 00:30:50,520

her husband walked in and he said who

701

00:30:56,269 --> 00:30:52,220

were you talking to

702

00:30:58,850 --> 00:30:56,279

oh my God he swore it wasn't him it

703

00:31:01,310 --> 00:30:58,860

really is haunted rumor has it the house

704

00:31:04,130 --> 00:31:01,320

used to be a bordello which may explain

705

00:31:06,370 --> 00:31:04,140

why the ghosts here are how do I say

706

00:31:09,190 --> 00:31:06,380

this sexual

707

00:31:13,070 --> 00:31:09,200

okay

708

00:31:15,769 --> 00:31:13,080

to treat the ghosts talking dirty oh

709

00:31:18,470 --> 00:31:15,779

baby oh baby yeah yeah I like it like

710

00:31:20,570 --> 00:31:18,480

that and and I would like to talk about

711

00:31:23,870 --> 00:31:20,580

something else

712

00:31:27,169 --> 00:31:23,880

this door which is pretty snug

713

00:31:29,990 --> 00:31:27,179

even when Linda pounds it shut

714

00:31:32,930 --> 00:31:30,000

finds a way to open

715

00:31:35,149 --> 00:31:32,940

for those reasons and many more as Linda

716

00:31:37,909 --> 00:31:35,159

gave up on finding tenants and gave the

717

00:31:39,769 --> 00:31:37,919

house a name Hill House Manor where

718

00:31:42,049 --> 00:31:39,779

people can now investigate for

719

00:31:44,510 --> 00:31:42,059

themselves even though she no longer

720

00:31:46,669 --> 00:31:44,520

rents out the house as an apartment she

721

00:31:50,389 --> 00:31:46,679

still has the same problem

722

00:31:55,250 --> 00:31:50,399

if you come here you do not want to stay

723

00:32:00,190 --> 00:31:57,560

nope

724

00:32:02,389 --> 00:32:00,200

[Music]

725

00:32:04,190 --> 00:32:02,399

I don't know what's scary here that

726

00:32:06,289 --> 00:32:04,200

house or the idea of two Sean Dickies

727

00:32:08,029 --> 00:32:06,299

I'm gonna go with the ladder but I do

728

00:32:09,769 --> 00:32:08,039

think that the door opening is pretty

729

00:32:11,389 --> 00:32:09,779

interesting especially when you see how

730

00:32:13,970 --> 00:32:11,399

hard she had to hit it in order to close

731

00:32:15,470 --> 00:32:13,980

it and just pop it I agree that kind of

732

00:32:18,230 --> 00:32:15,480

stuff it's like I don't believe in

733

00:32:20,389 --> 00:32:18,240

ghosts but also I have no interest going

734

00:32:23,210 --> 00:32:20,399

into that house spending time there I do

735

00:32:27,490 --> 00:32:23,220

I do think there are some species not

736

00:32:33,830 --> 00:32:30,889

where's his neck

737

00:32:36,769 --> 00:32:33,840

years ago oh my God unique so beautiful

738

00:32:40,909 --> 00:32:36,779

sorry it just kept playing into like the

739

00:32:46,730 --> 00:32:43,549

sorry about that I like that I like that

740

00:32:50,029 --> 00:32:46,740

the local news report on on haunted

741

00:32:52,490 --> 00:32:50,039

houses I wish more people did that

742

00:32:53,930 --> 00:32:52,500

it's pretty creepy so with the the I

743

00:32:55,430 --> 00:32:53,940

mean the most interesting video was like

744

00:32:57,830 --> 00:32:55,440

yeah she had to pound that door shut

745

00:32:59,690 --> 00:32:57,840

because it was it's an old house and

746

00:33:01,610 --> 00:32:59,700

everything's warped but apparently

747

00:33:04,430 --> 00:33:01,620

occasionally it just kind of Pops open

748

00:33:06,230 --> 00:33:04,440

on its own it's it's pretty creepy

749

00:33:07,490 --> 00:33:06,240

probably improperly hung door and it's

750

00:33:08,870 --> 00:33:07,500

in there working its way back over I

751
00:33:10,549 --> 00:33:08,880
would like to hear some audio I'd like

752
00:33:12,889 --> 00:33:10,559
to hear some of the the sexual ghost

753
00:33:14,389 --> 00:33:12,899
audio they said the ghost would talk to

754
00:33:17,149 --> 00:33:14,399
him we don't have any audio of that what

755
00:33:20,269 --> 00:33:17,159
the hell yeah and uh especially from

756
00:33:23,389 --> 00:33:20,279
like like the creepy kind of sexual

757
00:33:24,950 --> 00:33:23,399
shower audio Yeah well if I took you

758
00:33:26,570 --> 00:33:24,960
down there I didn't want to take a

759
00:33:28,810 --> 00:33:26,580
shower with you right away that's pretty

760
00:33:31,070 --> 00:33:28,820
creepy stuff

761
00:33:32,870 --> 00:33:31,080
fully want to I'm not a hundred percent

762
00:33:34,669 --> 00:33:32,880
on board with the shower but we'll

763
00:33:36,110 --> 00:33:34,679

figure it out yeah you'd basically be in

764

00:33:37,730 --> 00:33:36,120

the shower and then I would come in and

765

00:33:39,590 --> 00:33:37,740

I'd join you that's creepy basically

766

00:33:41,630 --> 00:33:39,600

what does that basically mean yeah I

767

00:33:43,970 --> 00:33:41,640

would basically be that I'd probably be

768

00:33:46,250 --> 00:33:43,980

standing next to it for a minute so I

769

00:33:48,710 --> 00:33:46,260

got my hands in it and I put it around

770

00:33:50,690 --> 00:33:48,720

front now that's creepy that sounds like

771

00:33:52,730 --> 00:33:50,700

you're dangerous and you're trying to

772

00:33:55,190 --> 00:33:52,740

attack somebody as like the Specter Bill

773

00:33:59,090 --> 00:33:55,200

O'Reilly's attacking people in the

774

00:34:03,230 --> 00:34:01,190

I'll take a look at that one correction

775

00:34:05,210 --> 00:34:03,240

I'll see if anybody's done like some

776

00:34:07,430 --> 00:34:05,220

sort of Investigation in fact we should

777

00:34:08,629 --> 00:34:07,440

send the ghost Brothers there obviously

778

00:34:10,369 --> 00:34:08,639

Ghostbusters go down and check it out

779

00:34:12,109 --> 00:34:10,379

yeah

780

00:34:14,329 --> 00:34:12,119

it's time to send you stupid I want to

781

00:34:16,310 --> 00:34:14,339

watch the ghost Brothers now the ghost

782

00:34:17,869 --> 00:34:16,320

brothers are awesome yeah I was [\h__\h]

783

00:34:21,169 --> 00:34:17,879

entertaining I think you can watch him

784

00:34:23,329 --> 00:34:21,179

on the Travel Channel or I subscribe to

785

00:34:25,609 --> 00:34:23,339

Discovery plus and that's can we get

786

00:34:28,250 --> 00:34:25,619

them on the show maybe I'll reach out to

787

00:34:29,869 --> 00:34:28,260

him they're not like huge huge they're

788

00:34:31,609 --> 00:34:29,879

only on their second season I think as

789

00:34:33,950 --> 00:34:31,619

momentum builds and as we promote the

790

00:34:36,710 --> 00:34:33,960

show uh hopefully we'll get a lot more

791

00:34:38,690 --> 00:34:36,720

eyes on them because it's a fun show uh

792

00:34:40,310 --> 00:34:38,700

Mike I do want to I don't want to

793

00:34:44,050 --> 00:34:40,320

disappoint you here but that show ended

794

00:34:46,550 --> 00:34:44,060

five years ago ghost brothers who cares

795

00:34:48,770 --> 00:34:46,560

this is the time we need the ghost

796

00:34:51,770 --> 00:34:48,780

Brothers now more than ever since it

797

00:34:55,129 --> 00:34:51,780

premiered in uh 2016 and the second

798

00:34:56,750 --> 00:34:55,139

season aired in March of 2017. oh [h__\h]

799

00:34:59,089 --> 00:34:56,760

it's time to come back listen they were

800

00:35:00,829 --> 00:34:59,099

ahead of the time

801
00:35:02,570 --> 00:35:00,839
they were ahead of their time even

802
00:35:04,310 --> 00:35:02,580
watching reruns and you're getting your

803
00:35:06,050 --> 00:35:04,320
news from there so yeah I'm gonna warn

804
00:35:07,849 --> 00:35:06,060
you about some stuff up coming by the

805
00:35:09,770 --> 00:35:07,859
way I only watch CNN reruns too that's

806
00:35:12,050 --> 00:35:09,780
where I get all my news from but what

807
00:35:13,550 --> 00:35:12,060
should we see CNN delivered on VHS from

808
00:35:14,870 --> 00:35:13,560
the 1990s yeah

809
00:35:17,569 --> 00:35:14,880
don't spoil what's happening with

810
00:35:20,270 --> 00:35:17,579
this.com stuff well maybe

811
00:35:22,310 --> 00:35:20,280
that makes it all the more uh easy to

812
00:35:23,870 --> 00:35:22,320
get some of these guys at least one or

813
00:35:26,089 --> 00:35:23,880

two ghost Brothers on the show if

814

00:35:27,589 --> 00:35:26,099

they're not still doing the show then

815

00:35:29,810 --> 00:35:27,599

maybe they want to get back maybe they

816

00:35:32,870 --> 00:35:29,820

have their own podcast and they still

817

00:35:34,550 --> 00:35:32,880

are interested in the Paranormal uh I'll

818

00:35:37,010 --> 00:35:34,560

reach out I'll see what I can do I'd

819

00:35:40,130 --> 00:35:37,020

love to talk with them

820

00:35:43,130 --> 00:35:40,140

uh so I got just a one other headline I

821

00:35:46,010 --> 00:35:43,140

want is not paranormal related just a a

822

00:35:49,680 --> 00:35:46,020

regular old simple headline here and

823

00:35:55,010 --> 00:35:51,470

[Music]

824

00:35:59,990 --> 00:35:57,950

I'll bring this up on screen this is a

825

00:36:02,030 --> 00:36:00,000

story that we've been following for

826

00:36:05,810 --> 00:36:02,040

quite a while

827

00:36:08,329 --> 00:36:05,820

and we'll see if we can bring this up on

828

00:36:10,130 --> 00:36:08,339

screen oh I didn't I didn't submit it to

829

00:36:11,990 --> 00:36:10,140

myself here I'll I got to put it in the

830

00:36:13,550 --> 00:36:12,000

carrot shop real fast usually I have it

831

00:36:16,010 --> 00:36:13,560

on

832

00:36:20,150 --> 00:36:16,020

my list of news but I forgot to do it so

833

00:36:20,160 --> 00:36:23,990

and uh here it is

834

00:36:31,550 --> 00:36:27,770

okay uh group sues Biden in National

835

00:36:34,130 --> 00:36:31,560

Archives over JFK assassination files

836

00:36:37,370 --> 00:36:34,140

that's good news finally now if you

837

00:36:39,770 --> 00:36:37,380

remember back in 2017 when Trump was in

838

00:36:44,750 --> 00:36:39,780

office uh he said he was going to

839

00:36:48,349 --> 00:36:44,760

declassify all the JFK documents well I

840

00:36:50,750 --> 00:36:48,359

think the CIA lobbied uh the uh

841

00:36:52,550 --> 00:36:50,760

president Trump at the time saying that

842

00:36:56,930 --> 00:36:52,560

if he Declassified everything it would

843

00:37:00,290 --> 00:36:56,940

compromise sources and methods

844

00:37:02,270 --> 00:37:00,300

and so Trump wind up uh holding a lot of

845

00:37:04,250 --> 00:37:02,280

this or a lot of those more salacious

846

00:37:09,470 --> 00:37:04,260

documents back

847

00:37:11,030 --> 00:37:09,480

and uh Biden has continued with that

848

00:37:14,030 --> 00:37:11,040

um saying he's gonna hold some stuff

849

00:37:15,470 --> 00:37:14,040

back uh Judge Napolitano who is good

850

00:37:18,829 --> 00:37:15,480

friends who at least was good friends

851
00:37:20,870 --> 00:37:18,839
with Trump uh said that Trump basically

852
00:37:25,510 --> 00:37:20,880
told him what it was and judged

853
00:37:30,730 --> 00:37:25,520
Napolitano said it is a very interesting

854
00:37:33,770 --> 00:37:30,740
and it could change a few things that uh

855
00:37:35,450 --> 00:37:33,780
it's not what people expect but it's

856
00:37:38,270 --> 00:37:35,460
very interesting so whatever that means

857
00:37:39,890 --> 00:37:38,280
I don't know but I want to read it

858
00:37:42,470 --> 00:37:39,900
and so

859
00:37:45,170 --> 00:37:42,480
the Mary Farrell Foundation is

860
00:37:47,569 --> 00:37:45,180
attempting to force the release of 16

861
00:37:49,370 --> 00:37:47,579
000 records relating to JFK's murder the

862
00:37:51,589 --> 00:37:49,380
assassination of President John F

863
00:37:54,170 --> 00:37:51,599

Kennedy remains one of the most hotly

864

00:37:56,690 --> 00:37:54,180

debated murder cases in history even

865

00:37:58,490 --> 00:37:56,700

today almost 60 years on enthusiasts

866

00:38:00,710 --> 00:37:58,500

continue to debate exactly what happened

867

00:38:03,230 --> 00:38:00,720

and whether or not Lee Harvey Oswald

868

00:38:05,930 --> 00:38:03,240

really had acted alone

869

00:38:07,910 --> 00:38:05,940

back in 2017 former president Donald

870

00:38:09,589 --> 00:38:07,920

Trump released thousands of previously

871

00:38:12,829 --> 00:38:09,599

classified files on the assassination

872

00:38:16,430 --> 00:38:12,839

however several others were withheld due

873

00:38:18,109 --> 00:38:16,440

to security concerns President Joe Biden

874

00:38:19,730 --> 00:38:18,119

later doubled down on the decision not

875

00:38:22,670 --> 00:38:19,740

to release the additional files stating

876

00:38:27,410 --> 00:38:22,680

that the delay was necessary to protect

877

00:38:30,430 --> 00:38:27,420

against in uh identifiable harm to the

878

00:38:34,849 --> 00:38:30,440

military defense intelligence operations

879

00:38:37,010 --> 00:38:34,859

law enforcement or the conduct of

880

00:38:39,470 --> 00:38:37,020

foreign relations

881

00:38:41,810 --> 00:38:39,480

now though the Mary Pharrell Foundation

882

00:38:43,490 --> 00:38:41,820

a non-profit organization that has been

883

00:38:45,770 --> 00:38:43,500

investigating the case for years has

884

00:38:48,650 --> 00:38:45,780

filed a federal lawsuit in an attempt to

885

00:38:50,569 --> 00:38:48,660

see the files released it is time that

886

00:38:53,569 --> 00:38:50,579

the government got its act together and

887

00:38:54,890 --> 00:38:53,579

Obey obeyed the spirit and the letter of

888

00:38:56,690 --> 00:38:54,900

the law

889

00:38:59,870 --> 00:38:56,700

so the group's Vice President Jefferson

890

00:39:01,310 --> 00:38:59,880

Morley this is about our history and our

891

00:39:02,990 --> 00:39:01,320

right to know

892

00:39:04,490 --> 00:39:03,000

even Kennedy's own family members

893

00:39:06,710 --> 00:39:04,500

believe that it's high time the

894

00:39:11,210 --> 00:39:06,720

documents were made public

895

00:39:13,609 --> 00:39:11,220

he did it was a momentous crime a crime

896

00:39:16,310 --> 00:39:13,619

against American democracy said Robert

897

00:39:18,770 --> 00:39:16,320

Kennedy Jr and the American people have

898

00:39:21,290 --> 00:39:18,780

a right to know the law requires the

899

00:39:23,329 --> 00:39:21,300

records be released it's bizarre it's

900

00:39:26,050 --> 00:39:23,339

been on 60 years since my uncle's death

901
00:39:29,270 --> 00:39:26,060

what are they hiding

902
00:39:31,849 --> 00:39:29,280

exactly huh

903
00:39:33,290 --> 00:39:31,859

what are they hiding at this point it's

904
00:39:36,589 --> 00:39:33,300

got to be something pretty interesting

905
00:39:39,770 --> 00:39:36,599

is it a link to a foreign government

906
00:39:43,069 --> 00:39:39,780

uh uh I I think there's good speculation

907
00:39:44,690 --> 00:39:43,079

out there of what it could be uh Joe do

908
00:39:47,329 --> 00:39:44,700

you have any idea

909
00:39:50,150 --> 00:39:47,339

I mean if you remember they blamed this

910
00:39:52,970 --> 00:39:50,160

on Russia as well they did they I think

911
00:39:55,670 --> 00:39:52,980

that could have been uh

912
00:39:58,310 --> 00:39:55,680

the angle that they were going for but

913
00:40:00,770 --> 00:39:58,320

at the time

914

00:40:02,690 --> 00:40:00,780

it would have started uh an all that or

915

00:40:04,670 --> 00:40:02,700

if they blamed Russia so they covered it

916

00:40:07,790 --> 00:40:04,680

up but for anybody who believes that Lee

917

00:40:09,710 --> 00:40:07,800

Harvey Oswald defected to Russia

918

00:40:13,069 --> 00:40:09,720

and then

919

00:40:15,710 --> 00:40:13,079

got tired of it and was allowed to come

920

00:40:19,250 --> 00:40:15,720

back into the United States

921

00:40:22,910 --> 00:40:19,260

and nothing was

922

00:40:26,390 --> 00:40:22,920

done about it he wasn't held or observed

923

00:40:29,270 --> 00:40:26,400

or questioned or under constant watch or

924

00:40:31,550 --> 00:40:29,280

was hired to do it then you're mistaken

925

00:40:33,650 --> 00:40:31,560

like that's that's the goofiest thing

926

00:40:36,410 --> 00:40:33,660

ever there's just so many different

927

00:40:39,710 --> 00:40:36,420

anomalies around it people want to know

928

00:40:42,170 --> 00:40:39,720

what the hell happened and uh

929

00:40:45,109 --> 00:40:42,180

it's not happened that was Ron Paul

930

00:40:47,990 --> 00:40:45,119

continues to insist that that was when

931

00:40:51,130 --> 00:40:48,000

we lost the United States yes because

932

00:40:54,230 --> 00:40:51,140

you could openly kill a U.S president

933

00:40:56,109 --> 00:40:54,240

who was anti the banking and

934

00:40:59,150 --> 00:40:56,119

intelligence establishment

935

00:41:01,250 --> 00:40:59,160

and uh you know they would believe that

936

00:41:03,950 --> 00:41:01,260

a bullet flew around like a [h__\h]

937

00:41:05,810 --> 00:41:03,960

pinball and get a bunch of people you

938

00:41:07,790 --> 00:41:05,820

know we we've we've talked about it many

939

00:41:09,410 --> 00:41:07,800

times on the show where Dan Rather says

940

00:41:11,990 --> 00:41:09,420

that his head goes in the opposite

941

00:41:13,790 --> 00:41:12,000

direction that it actually goes when you

942

00:41:15,589 --> 00:41:13,800

look at the Zapruder film which I don't

943

00:41:18,050 --> 00:41:15,599

think they knew about at the time so he

944

00:41:19,849 --> 00:41:18,060

could openly lie about it the same way

945

00:41:22,430 --> 00:41:19,859

they lie about this stuff like Tucker

946

00:41:25,730 --> 00:41:22,440

Carlson says that the CDC is going to

947

00:41:27,530 --> 00:41:25,740

vote about the you know this getting

948

00:41:29,089 --> 00:41:27,540

coveted vaccines and like they're gonna

949

00:41:31,329 --> 00:41:29,099

say no he didn't you know we're not

950

00:41:34,490 --> 00:41:31,339

doing that and then they do it it's like

951
00:41:37,430 --> 00:41:34,500
they've just compressed it like you know

952
00:41:40,069 --> 00:41:37,440
it's crazy so anything they say

953
00:41:42,470 --> 00:41:40,079
like the mainstream it's the opposite

954
00:41:44,990 --> 00:41:42,480
probably yes I would say so I mean

955
00:41:47,329 --> 00:41:45,000
that's a good rule of thumb on big giant

956
00:41:50,150 --> 00:41:47,339
issues at least Uh current event issues

957
00:41:53,150 --> 00:41:50,160
uh do you want to see how uh NBC or

958
00:41:55,550 --> 00:41:53,160
MSNBC frames is JFK records thing I'm

959
00:41:57,050 --> 00:41:55,560
kind of curious

960
00:42:00,170 --> 00:41:57,060
uh let's see what they have to say

961
00:42:02,510 --> 00:42:00,180
they're just online I gotta Pump It Up

962
00:42:05,569 --> 00:42:02,520
I'm always pumping I gotta Pump It Up

963
00:42:08,390 --> 00:42:05,579

here we go this is what MSNBC has to say

964

00:42:11,089 --> 00:42:08,400

about JFK the country's largest online

965

00:42:12,829 --> 00:42:11,099

source of JFK assassination records is

966

00:42:15,050 --> 00:42:12,839

suing President Joe Biden and the

967

00:42:17,089 --> 00:42:15,060

National Archives the Mary Farrell

968

00:42:19,069 --> 00:42:17,099

Foundation want to force the federal

969

00:42:21,170 --> 00:42:19,079

government to release all remaining

970

00:42:24,050 --> 00:42:21,180

documents related to what happened on

971

00:42:26,630 --> 00:42:24,060

November 22nd 1963 the government has

972

00:42:29,210 --> 00:42:26,640

long said it was a lone gunman who

973

00:42:30,730 --> 00:42:29,220

killed JFK Lee Harpy Oswald but lots of

974

00:42:33,349 --> 00:42:30,740

folks have questions and those questions

975

00:42:35,270 --> 00:42:33,359

can start to take on a conspiratorial

976
00:42:38,150 --> 00:42:35,280
tone when the government keeps delaying

977
00:42:40,370 --> 00:42:38,160
the release of all of the records the

978
00:42:42,650 --> 00:42:40,380
last delay was last year by President

979
00:42:45,829 --> 00:42:42,660
Biden the next release date is December

980
00:42:48,170 --> 00:42:45,839
15th which the CIA tells NBC News it

981
00:42:50,210 --> 00:42:48,180
plans to comply with so why is this

982
00:42:52,550 --> 00:42:50,220
organization suing joining me now is NBC

983
00:42:54,430 --> 00:42:52,560
News senior National political reporter

984
00:42:56,569 --> 00:42:54,440
Mark Caputo

985
00:42:57,650 --> 00:42:56,579
why are they suing

986
00:42:59,630 --> 00:42:57,660
foreign

987
00:43:01,250 --> 00:42:59,640
because they don't trust the CIA the

988
00:43:02,809 --> 00:43:01,260

government or the White House in this

989

00:43:05,210 --> 00:43:02,819

case because the National Security State

990

00:43:07,849 --> 00:43:05,220

for I don't know the past 60 years has

991

00:43:10,250 --> 00:43:07,859

kind of kept the full story of JFK's

992

00:43:12,410 --> 00:43:10,260

assassination under wraps in 1992

993

00:43:15,950 --> 00:43:12,420

Congress passed a law that said look

994

00:43:19,130 --> 00:43:15,960

release everything by 2017. well as you

995

00:43:20,270 --> 00:43:19,140

pointed out 2017 came and went and the

996

00:43:22,609 --> 00:43:20,280

records didn't get released Trump

997

00:43:25,309 --> 00:43:22,619

delayed it he then delayed again left it

998

00:43:26,690 --> 00:43:25,319

to Biden Biden delayed after the Mary

999

00:43:27,890 --> 00:43:26,700

Farrell Foundation had gone through

1000

00:43:29,450 --> 00:43:27,900

enough of the records and looked at

1001
00:43:30,530 --> 00:43:29,460
everything and they said you know we're

1002
00:43:32,450 --> 00:43:30,540
not sure all this is going to be

1003
00:43:34,430 --> 00:43:32,460
released in December let's Sue that's

1004
00:43:35,750 --> 00:43:34,440
where they are good and what's the

1005
00:43:37,490 --> 00:43:35,760
likelihood they're going to Prevail in

1006
00:43:39,710 --> 00:43:37,500
this I mean what is the reasoning that

1007
00:43:41,210 --> 00:43:39,720
both Biden and Trump used to delay it

1008
00:43:44,630 --> 00:43:41,220
further

1009
00:43:47,329 --> 00:43:44,640
well Biden's excuse or reasoning was

1010
00:43:52,210 --> 00:43:47,339
covet and according to bill simpich the

1011
00:43:56,290 --> 00:43:54,770
and in the case of trump he just said

1012
00:43:58,910 --> 00:43:56,300
that these agencies needed more time

1013
00:44:01,430 --> 00:43:58,920

again the assassination happened in

1014

00:44:03,710 --> 00:44:01,440

1963. they found about 60 years ago

1015

00:44:05,390 --> 00:44:03,720

there's been ample time it's just there

1016

00:44:08,569 --> 00:44:05,400

hasn't been the ample will on the part

1017

00:44:09,770 --> 00:44:08,579

of various agencies CIA especially FBI

1018

00:44:12,230 --> 00:44:09,780

do a lesser degree and some of the other

1019

00:44:13,970 --> 00:44:12,240

agencies to release the records it is

1020

00:44:16,370 --> 00:44:13,980

curious at the very least Mark Caputo

1021

00:44:18,589 --> 00:44:16,380

mark thank you very much we don't know

1022

00:44:21,530 --> 00:44:18,599

what's happening

1023

00:44:24,349 --> 00:44:21,540

so there we go December 15th we should

1024

00:44:26,089 --> 00:44:24,359

be uh seeing something if the I mean

1025

00:44:29,150 --> 00:44:26,099

thank God they got this lawsuit through

1026

00:44:30,950 --> 00:44:29,160

at least that forces an answer by the

1027

00:44:34,790 --> 00:44:30,960

White House and then you're gonna see it

1028

00:44:37,069 --> 00:44:34,800

yeah I know but so 50 intelligence

1029

00:44:39,410 --> 00:44:37,079

officials say the hunter Biden laptop is

1030

00:44:41,690 --> 00:44:39,420

disinformation it's Russian it's hacked

1031

00:44:43,730 --> 00:44:41,700

it's all this [h__\h] same thing with

1032

00:44:46,609 --> 00:44:43,740

Trump and Russia like they have

1033

00:44:50,329 --> 00:44:46,619

weaponized the government against the

1034

00:44:51,710 --> 00:44:50,339

people and it's they said it 60 years at

1035

00:44:53,750 --> 00:44:51,720

least they've done a good job at it

1036

00:44:56,870 --> 00:44:53,760

haven't they oh yeah

1037

00:44:59,329 --> 00:44:56,880

they have done a fantastic job at

1038

00:45:02,390 --> 00:44:59,339

dividing and conquering

1039

00:45:05,270 --> 00:45:02,400

um uh amplifying things that are not

1040

00:45:07,550 --> 00:45:05,280

that important over hyping things that

1041

00:45:10,069 --> 00:45:07,560

are not that dangerous and then

1042

00:45:11,990 --> 00:45:10,079

dismissing or ignoring things that are

1043

00:45:15,290 --> 00:45:12,000

really important they've done January

1044

00:45:17,809 --> 00:45:15,300

6th is worse than Pearl Harbor 911 and

1045

00:45:20,690 --> 00:45:17,819

blowing the brains out of JFK I mean

1046

00:45:24,349 --> 00:45:20,700

exactly okay

1047

00:45:27,470 --> 00:45:24,359

apparently that's right now the

1048

00:45:30,589 --> 00:45:27,480

uh the the top uh I guess one of the

1049

00:45:32,750 --> 00:45:30,599

more interesting theories around JFK and

1050

00:45:35,809 --> 00:45:32,760

his assassination is that it was

1051
00:45:38,390 --> 00:45:35,819
actually uh JFK's murder was actually

1052
00:45:39,589 --> 00:45:38,400
done by elements within the Secret

1053
00:45:42,829 --> 00:45:39,599
Service

1054
00:45:47,150 --> 00:45:42,839
uh that uh JFK that he turned around in

1055
00:45:49,970 --> 00:45:47,160
the car yeah and that uh JFK at that

1056
00:45:52,910 --> 00:45:49,980
time was on a lot of drugs the guy was

1057
00:45:55,550 --> 00:45:52,920
he loved to be on drugs he was boosted

1058
00:45:57,530 --> 00:45:55,560
out of his mind uh because like you and

1059
00:45:59,030 --> 00:45:57,540
uh freshman year yes back issues or

1060
00:46:02,270 --> 00:45:59,040
something he was on like a whole bunch

1061
00:46:04,490 --> 00:46:02,280
of heavy painkillers yeah and uh he had

1062
00:46:06,890 --> 00:46:04,500
a particular doctor that he would visit

1063
00:46:09,470 --> 00:46:06,900

get injections from

1064

00:46:12,109 --> 00:46:09,480

um and so it was like a combination of

1065

00:46:14,210 --> 00:46:12,119

like a form of methamphetamines and like

1066

00:46:16,150 --> 00:46:14,220

painkillers he was constantly on that

1067

00:46:19,550 --> 00:46:16,160

because he had horrible back injuries

1068

00:46:22,970 --> 00:46:19,560

and he needed to be able to function uh

1069

00:46:26,150 --> 00:46:22,980

go to various State functions and while

1070

00:46:28,190 --> 00:46:26,160

he was under like uh the influence of

1071

00:46:30,109 --> 00:46:28,200

these drugs he was also talking to a lot

1072

00:46:33,470 --> 00:46:30,119

of people people like Marilyn Monroe

1073

00:46:35,809 --> 00:46:33,480

about various State Secrets the in the

1074

00:46:38,150 --> 00:46:35,819

Secret Service knew about this that JFK

1075

00:46:40,670 --> 00:46:38,160

was becoming more of a liability so they

1076

00:46:42,349 --> 00:46:40,680

decided to to take him out to take him

1077

00:46:44,390 --> 00:46:42,359

down

1078

00:46:47,510 --> 00:46:44,400

I mean that's a pretty hardcore thing to

1079

00:46:49,370 --> 00:46:47,520

suggest about the Secret Service

1080

00:46:50,630 --> 00:46:49,380

um you would imagine that if the Secret

1081

00:46:52,490 --> 00:46:50,640

Service was going to do this they

1082

00:46:56,390 --> 00:46:52,500

wouldn't be doing it by themselves that

1083

00:46:59,150 --> 00:46:56,400

they would probably go over and let the

1084

00:47:01,550 --> 00:46:59,160

CIA or the FBI know that they're going

1085

00:47:02,870 --> 00:47:01,560

to do this thing maybe

1086

00:47:05,569 --> 00:47:02,880

I don't know

1087

00:47:08,210 --> 00:47:05,579

heads up to

1088

00:47:13,600 --> 00:47:09,890

hopefully we'll get those records give

1089
