

# ADULT HAPPY MEALS

1  
00:00:10,570 --> 00:00:01,030  
[Applause]

2  
00:00:15,169 --> 00:00:13,789  
and now they're losing their minds

3  
00:00:17,630 --> 00:00:15,179  
all right so this one is a follow-up

4  
00:00:20,269 --> 00:00:17,640  
story and it's one of our it's kind of

5  
00:00:22,429 --> 00:00:20,279  
on theme for us so we talk about these

6  
00:00:24,769 --> 00:00:22,439  
limited time

7  
00:00:26,210 --> 00:00:24,779  
um products quite often and one of the

8  
00:00:27,890 --> 00:00:26,220  
things we do and we did this live on the

9  
00:00:29,810 --> 00:00:27,900  
show I think two shows ago is we go to

10  
00:00:31,790 --> 00:00:29,820  
eBay and try to buy one and see how much

11  
00:00:34,010 --> 00:00:31,800  
people are are trying to rip people off

12  
00:00:36,950 --> 00:00:34,020  
for it the last time we were on the show

13  
00:00:41,750 --> 00:00:36,960

there was a limited edition Arby's

14

00:00:44,810 --> 00:00:41,760

bourbon that went uh for on sale the day

15

00:00:46,510 --> 00:00:44,820

of the show we went there and it was

16

00:00:49,250 --> 00:00:46,520

sold out

17

00:00:51,950 --> 00:00:49,260

and it turns out you can't buy bourbon

18

00:00:55,130 --> 00:00:51,960

on eBay is there like a an eBay just for

19

00:00:57,350 --> 00:00:55,140

like uh items for 21 in older people

20

00:01:00,650 --> 00:00:57,360

like ourselves I don't know

21

00:01:03,410 --> 00:01:00,660

Old Bay something like that

22

00:01:04,630 --> 00:01:03,420

get get me get me drunk.com something

23

00:01:08,750 --> 00:01:04,640

like that

24

00:01:11,090 --> 00:01:08,760

uh but we have a headline here

25

00:01:12,350 --> 00:01:11,100

and let's see if we can and we covered

26

00:01:14,870 --> 00:01:12,360

this a few weeks ago when these first

27

00:01:17,810 --> 00:01:14,880

came out yeah so now the two worlds are

28

00:01:22,910 --> 00:01:17,820

are colliding uh don't buy McDonald's

29

00:01:24,649 --> 00:01:22,920

Happy Meal toys for 300 000 on eBay I

30

00:01:26,990 --> 00:01:24,659

love that headline yes it's a great

31

00:01:30,410 --> 00:01:27,000

headline don't buy they're saying do not

32

00:01:32,510 --> 00:01:30,420

buy it why but I have 300 000 and I

33

00:01:34,429 --> 00:01:32,520

don't have one of these toys I you know

34

00:01:35,870 --> 00:01:34,439

I don't know if I would have ever needed

35

00:01:37,370 --> 00:01:35,880

this advice

36

00:01:41,330 --> 00:01:37,380

uh

37

00:01:42,770 --> 00:01:41,340

spend 300 000 on a McDonald's toy maybe

38

00:01:44,569 --> 00:01:42,780

this is like directed to people like

39

00:01:46,310 --> 00:01:44,579

Elon Musk who just has like money

40

00:01:49,249 --> 00:01:46,320

burning a hole in their pocket and he

41

00:01:51,230 --> 00:01:49,259

was just buying stuff on eBay the Sandy

42

00:01:53,990 --> 00:01:51,240

Hook families who now have 2.75 trillion

43

00:01:55,670 --> 00:01:54,000

dollars there you go now now they go

44

00:01:58,670 --> 00:01:55,680

bankrupt in the first year somehow even

45

00:02:00,950 --> 00:01:58,680

Elon Garfield cup even Elon can't pay

46

00:02:02,929 --> 00:02:00,960

all those bills for Alex Jones like he

47

00:02:04,010 --> 00:02:02,939

doesn't have enough money to pay the 2.7

48

00:02:06,410 --> 00:02:04,020

trillion

49

00:02:08,089 --> 00:02:06,420

so uh let's read this why why shouldn't

50

00:02:10,070 --> 00:02:08,099

I spend three hundred thousand dollars

51  
00:02:12,170 --> 00:02:10,080  
uh let's talk for a second about Beanie

52  
00:02:14,510 --> 00:02:12,180  
Babies if you aren't an elder Millennial

53  
00:02:16,970 --> 00:02:14,520  
you might not just recall you might not

54  
00:02:19,430 --> 00:02:16,980  
recall just how much fever surrounded

55  
00:02:20,809 --> 00:02:19,440  
these beanbangs with heads on them back

56  
00:02:23,390 --> 00:02:20,819  
in the mid 90s

57  
00:02:24,830 --> 00:02:23,400  
but at their Peak they were all anyone

58  
00:02:26,750 --> 00:02:24,840  
talked about McDonald's eventually

59  
00:02:28,910 --> 00:02:26,760  
gotten uh got in on the gold mine

60  
00:02:31,790 --> 00:02:28,920  
releasing teeny beanies

61  
00:02:33,589 --> 00:02:31,800  
Happy Meal toys in 1997 eager adults

62  
00:02:35,270 --> 00:02:33,599  
lined up around the block to score the

63  
00:02:37,550 --> 00:02:35,280

Collectibles which everyone was sure

64

00:02:39,530 --> 00:02:37,560

would a crew value accrue value over

65

00:02:41,210 --> 00:02:39,540

time if this sounds familiar it's

66

00:02:43,910 --> 00:02:41,220

because the same thing is happening with

67

00:02:45,589 --> 00:02:43,920

McDonald's cactus plant flea market box

68

00:02:48,530 --> 00:02:45,599

right now

69

00:02:50,869 --> 00:02:48,540

it's ugly little four-eyed Happy Meal

70

00:02:53,150 --> 00:02:50,879

toys for adults are currently listed for

71

00:02:55,309 --> 00:02:53,160

hundreds of thousands of dollars on eBay

72

00:02:57,830 --> 00:02:55,319

uh this should go without saying but

73

00:03:00,530 --> 00:02:57,840

don't pull out your credit card why not

74

00:03:02,330 --> 00:03:00,540

yeah what if I want it who are you to

75

00:03:04,369 --> 00:03:02,340

tell me what I need and don't need this

76

00:03:06,470 --> 00:03:04,379

is what I want this is what I need

77

00:03:07,970 --> 00:03:06,480

yeah what if I want these things they

78

00:03:11,270 --> 00:03:07,980

are creepy look and they have four eyes

79

00:03:12,589 --> 00:03:11,280

it's almost like you have a drunk vision

80

00:03:13,509 --> 00:03:12,599

and you're looking at somebody and they

81

00:03:17,390 --> 00:03:13,519

have like a bunch of different eyes

82

00:03:22,850 --> 00:03:19,850

well the one is literally the drunk

83

00:03:24,470 --> 00:03:22,860

Emoji yes which should be banned can we

84

00:03:26,030 --> 00:03:24,480

talk about the story of all these emojis

85

00:03:28,490 --> 00:03:26,040

being banned and that one might be

86

00:03:30,850 --> 00:03:28,500

banned sooner aggro they're offending

87

00:03:35,149 --> 00:03:30,860

very offensive

88

00:03:36,890 --> 00:03:35,159

uh so let's go eBay uh Gretchen let's go

89

00:03:38,390 --> 00:03:36,900

over there I'm looking around now and

90

00:03:41,210 --> 00:03:38,400

there there are some rip-off pricing

91

00:03:43,789 --> 00:03:41,220

going here I'm not saying 300 000 but

92

00:03:49,550 --> 00:03:47,649

McDonald's Happy toys

93

00:03:52,130 --> 00:03:49,560

uh

94

00:03:53,990 --> 00:03:52,140

oh yeah there's some I can get I can get

95

00:03:55,309 --> 00:03:54,000

a couple here for like 34 bucks I don't

96

00:03:56,809 --> 00:03:55,319

need to spend it's confused yeah I'm

97

00:03:58,670 --> 00:03:56,819

confused by this because here's some for

98

00:04:00,410 --> 00:03:58,680

five thousand and here's some for seven

99

00:04:02,890 --> 00:04:00,420

dollars so yeah

100

00:04:05,930 --> 00:04:02,900

okay maybe the seven dollar ones are

101  
00:04:07,670 --> 00:04:05,940  
counterfeit Chinese McDonald's toys uh

102  
00:04:09,890 --> 00:04:07,680  
correction the seven dollar one is

103  
00:04:12,050 --> 00:04:09,900  
literally the tissue plastic bag that

104  
00:04:16,490 --> 00:04:12,060  
ships with the toys oh I need the I need

105  
00:04:20,390 --> 00:04:17,870  
we were just now selling their

106  
00:04:24,110 --> 00:04:20,400  
McDonald's trash yeah eBay uh here's uh

107  
00:04:26,510 --> 00:04:24,120  
here's my old fry container so every

108  
00:04:27,710 --> 00:04:26,520  
napkin lightly used slight stains I'm

109  
00:04:29,510 --> 00:04:27,720  
just going to go through my garbage and

110  
00:04:32,689 --> 00:04:29,520  
sell it on eBay

111  
00:04:34,490 --> 00:04:32,699  
here's my leftover quinoa from dinner

112  
00:04:37,490 --> 00:04:34,500  
so here's one for five thousand dollars

113  
00:04:40,670 --> 00:04:37,500

I'll give you this link ships as is

114

00:04:43,370 --> 00:04:40,680

new inbox new inbox quinoa that was left

115

00:04:46,010 --> 00:04:44,570

um

116

00:04:51,110 --> 00:04:46,020

so here I just put a link in there this

117

00:04:54,290 --> 00:04:52,310

hmm

118

00:04:55,969 --> 00:04:54,300

this is a five thousand dollar uh

119

00:04:59,270 --> 00:04:55,979

McDonald's cactus plant flea market

120

00:05:00,770 --> 00:04:59,280

adult happy hour or Happy Meal happy

121

00:05:02,689 --> 00:05:00,780

hour that's what it should have been an

122

00:05:04,129 --> 00:05:02,699

adult happy hour I I mean some some

123

00:05:05,689 --> 00:05:04,139

adults pay five thousand dollars for a

124

00:05:08,510 --> 00:05:05,699

happy hour

125

00:05:11,090 --> 00:05:08,520

uh it's a full set four sealed uh

126  
00:05:13,730 --> 00:05:11,100  
figures five thousand dollars you can

127  
00:05:16,129 --> 00:05:13,740  
get it right now if you want

128  
00:05:17,330 --> 00:05:16,139  
okay all right most expensive one I

129  
00:05:19,129 --> 00:05:17,340  
found I'll send you a link here should

130  
00:05:20,570 --> 00:05:19,139  
we pull that money together as a

131  
00:05:22,370 --> 00:05:20,580  
collective listening to this podcast to

132  
00:05:25,310 --> 00:05:22,380  
get everyone chips in a dollar we should

133  
00:05:27,170 --> 00:05:25,320  
easily be able to buy these Happy Meals

134  
00:05:28,850 --> 00:05:27,180  
all right one more and this one is fifty

135  
00:05:30,230 --> 00:05:28,860  
thousand and then we'll share like I'll

136  
00:05:33,830 --> 00:05:30,240  
play with it first and they'll send the

137  
00:05:35,930 --> 00:05:33,840  
cratchits and then uh Crusher instead of

138  
00:05:38,029 --> 00:05:35,940

Joe then Joe will mail it to blowtorch

139

00:05:39,710 --> 00:05:38,039

and so on and so forth so everyone who

140

00:05:40,790 --> 00:05:39,720

listens to the podcast will eventually

141

00:05:43,730 --> 00:05:40,800

get it

142

00:05:45,170 --> 00:05:43,740

20 000 days later than the last person

143

00:05:47,870 --> 00:05:45,180

who listens to the podcast will be able

144

00:05:51,770 --> 00:05:50,749

and then sell it on eBay again yes

145

00:05:53,570 --> 00:05:51,780

okay

146

00:05:55,129 --> 00:05:53,580

apparently the drunk Emoji one is the

147

00:05:56,749 --> 00:05:55,139

one that forty six thousand dollars

148

00:05:59,390 --> 00:05:56,759

forty seven thousand dollars that's a

149

00:06:01,790 --> 00:05:59,400

thousand dollars it's a rare yes I don't

150

00:06:04,189 --> 00:06:01,800

but then why is it here for

151  
00:06:05,510 --> 00:06:04,199  
six hundred dollars here for a hundred

152  
00:06:07,070 --> 00:06:05,520  
dollars and here's one for twenty five

153  
00:06:08,689 --> 00:06:07,080  
dollars what the hell do you have any

154  
00:06:10,670 --> 00:06:08,699  
Happy Meal trucks because I know

155  
00:06:13,249 --> 00:06:10,680  
somebody who loves trucks my mother

156  
00:06:16,189 --> 00:06:13,259  
would say you love trucks I do

157  
00:06:19,189 --> 00:06:16,199  
any Happy Meal trucks for Trump

158  
00:06:21,590 --> 00:06:19,199  
maybe I always loved trucks

159  
00:06:24,469 --> 00:06:21,600  
I was a 2018 Happy Meal promo toy

160  
00:06:26,390 --> 00:06:24,479  
Wreck-It Ralph toy truck 5.99 we can get

161  
00:06:29,689 --> 00:06:26,400  
this uh easily if we use PayPal credit

162  
00:06:31,189 --> 00:06:29,699  
uh 222 dollars per month over 24 months

163  
00:06:33,110 --> 00:06:31,199

we can buy these Happy Meal items right

164

00:06:35,930 --> 00:06:33,120

now these toys

165

00:06:37,309 --> 00:06:35,940

just put it all in credit cards yeah

166

00:06:38,689 --> 00:06:37,319

okay

167

00:06:40,550 --> 00:06:38,699

so there you go if you're tempted and

168

00:06:41,870 --> 00:06:40,560

you missed out on anyone listening

169

00:06:44,210 --> 00:06:41,880

missed out and want to get one of these

170

00:06:47,210 --> 00:06:44,220

Happy Meal toys do not go on eBay and

171

00:06:49,129 --> 00:06:47,220

pay somewhere between 50 and 300 000 for

172

00:06:51,529 --> 00:06:49,139

them I wasn't tempted until I heard

173

00:06:52,670 --> 00:06:51,539

about this new story now I feel a little

174

00:06:54,590 --> 00:06:52,680

tempted

175

00:06:56,570 --> 00:06:54,600

I was unaware

176

00:06:57,950 --> 00:06:56,580

of the possibilities of this uh

177

00:07:00,950 --> 00:06:57,960

investment

178

00:07:02,809 --> 00:07:00,960

I why don't the nft nft these things or

179

00:07:04,550 --> 00:07:02,819

tie these to some sort of like crypto

180

00:07:05,990 --> 00:07:04,560

Market that's that's the winner right

181

00:07:08,270 --> 00:07:06,000

there I guess now you can just sit your

182

00:07:15,129 --> 00:07:08,280

money on fire sure

183

00:07:19,670 --> 00:07:18,230

this is red five I'm going in

184

00:07:22,189 --> 00:07:19,680

so I got a story about the border patrol

185

00:07:24,050 --> 00:07:22,199

seizing a huge amount of fentanyl that's

186

00:07:25,670 --> 00:07:24,060

labeled with the CNN logo which just

187

00:07:27,830 --> 00:07:25,680

seems weird that's a good long that's a

188

00:07:30,170 --> 00:07:27,840

good headline I got even Barack Obama

189

00:07:31,969 --> 00:07:30,180

coming out and telling people to uh to

190

00:07:35,510 --> 00:07:31,979

chill out stop trying to cancel every

191

00:07:37,670 --> 00:07:36,170

um

192

00:07:38,930 --> 00:07:37,680

see I brought this one up last week a

193

00:07:41,870 --> 00:07:38,940

woman who attacked the police or

194

00:07:45,589 --> 00:07:41,880

attempted to attack the police with bees

195

00:07:47,270 --> 00:07:45,599

what else is going on yeah we have a um

196

00:07:48,950 --> 00:07:47,280

a high school student paints a mural and

197

00:07:50,870 --> 00:07:48,960

people are upset over the imagery in the

198

00:07:53,150 --> 00:07:50,880

mural hmm

199

00:07:55,550 --> 00:07:53,160

uh we have a city that the city hall

200

00:07:58,129 --> 00:07:55,560

that puts up a Halloween display about

201  
00:07:59,990 --> 00:07:58,139  
Karen and then a bunch of Karen's

202  
00:08:01,790 --> 00:08:00,000  
complain and they have to take it down I

203  
00:08:07,370 --> 00:08:01,800  
love that headline yeah I think we got

204  
00:08:14,589 --> 00:08:09,710  
there you go this is our local news

205  
00:08:20,390 --> 00:08:18,170  
uh citizens claim City Hall Karen

206  
00:08:22,790 --> 00:08:20,400  
display was targeted

207  
00:08:24,950 --> 00:08:22,800  
prossers denies

208  
00:08:27,469 --> 00:08:24,960  
uh Prosser Prosser

209  
00:08:30,710 --> 00:08:27,479  
Prosper is the name of the city Prosser

210  
00:08:33,529 --> 00:08:30,720  
okay this is not a perfect headline

211  
00:08:35,690 --> 00:08:33,539  
uh let's see here so uh Prosper City

212  
00:08:38,510 --> 00:08:35,700  
administrator Thomas Glover issued an

213  
00:08:41,510 --> 00:08:38,520

apology on October 19th for City Hall

214

00:08:44,089 --> 00:08:41,520

entry into the historic downtown Prosser

215

00:08:46,130 --> 00:08:44,099

yard decoration competition which

216

00:08:47,930 --> 00:08:46,140

featured Karen's Garden

217

00:08:49,610 --> 00:08:47,940

and has since been taken down and

218

00:08:52,430 --> 00:08:49,620

withdrawn from the contest the display

219

00:08:53,990 --> 00:08:52,440

featured a scarecrow with the name tag

220

00:08:56,870 --> 00:08:54,000

reading Karen

221

00:08:59,329 --> 00:08:56,880

and a shirt that said can I speak to the

222

00:09:01,250 --> 00:08:59,339

manager the city of Prosser announced on

223

00:09:02,750 --> 00:09:01,260

October 17th that display had been taken

224

00:09:06,350 --> 00:09:02,760

down and pulled from the competition

225

00:09:08,930 --> 00:09:06,360

because it was inconsistent with the

226

00:09:11,269 --> 00:09:08,940

spirit of the competition

227

00:09:15,410 --> 00:09:11,279

oh really later that day Prosser

228

00:09:17,449 --> 00:09:15,420

resident uh marciela Sanchez told NBC

229

00:09:20,110 --> 00:09:17,459

right now that she believed the display

230

00:09:22,670 --> 00:09:20,120

was targeted and meant to look like her

231

00:09:25,310 --> 00:09:22,680

Sanchez claimed displayed as part of an

232

00:09:28,550 --> 00:09:25,320

ongoing harassment against her for her

233

00:09:30,829 --> 00:09:28,560

affiliation with the future wise with

234

00:09:34,250 --> 00:09:30,839

future wise and its opposition to the

235

00:09:36,350 --> 00:09:34,260

city's proposed construction bond for a

236

00:09:38,269 --> 00:09:36,360

new city hall campus

237

00:09:40,550 --> 00:09:38,279

well so she feels like she's being

238

00:09:42,769 --> 00:09:40,560

targeted as a Karen what she look like

239

00:09:45,110 --> 00:09:42,779

I don't know I just I just did a zoomed

240

00:09:47,810 --> 00:09:45,120

in photo of the of the Scarecrow if she

241

00:09:49,790 --> 00:09:47,820

looks like that we got problems yeah

242

00:09:51,590 --> 00:09:49,800

yeah if she looks like a and this looks

243

00:09:53,810 --> 00:09:51,600

like a scarecrow it actually looks like

244

00:09:56,150 --> 00:09:53,820

one of those like uh the like the long

245

00:09:57,350 --> 00:09:56,160

face Beetlejuice from the movie where

246

00:09:59,150 --> 00:09:57,360

Beetlejuice kind of had like an

247

00:10:01,550 --> 00:09:59,160

elongated face or something like that or

248

00:10:03,170 --> 00:10:01,560

uh Alec Baldwin had elongated face it

249

00:10:04,730 --> 00:10:03,180

just looks it looks creepy if he looks

250

00:10:08,750 --> 00:10:04,740

like that if he needs to go to a doctor

251

00:10:13,790 --> 00:10:11,150

so uh they they took it down well

252

00:10:15,590 --> 00:10:13,800

obviously she talked to the city about

253

00:10:18,769 --> 00:10:15,600

this

254

00:10:21,470 --> 00:10:18,779

and that she had it taken down

255

00:10:22,850 --> 00:10:21,480

But the irony of them having a um

256

00:10:24,470 --> 00:10:22,860

uh

257

00:10:27,530 --> 00:10:24,480

Karen display by the way there's a local

258

00:10:30,650 --> 00:10:27,540

news story 22 seconds if you want it but

259

00:10:32,090 --> 00:10:30,660

um they have a Karen themed display and

260

00:10:34,370 --> 00:10:32,100

then somebody goes and complains about

261

00:10:36,590 --> 00:10:34,380

it living up to the especially if it's

262

00:10:39,050 --> 00:10:36,600

targeting her she's living right up to

263

00:10:41,690 --> 00:10:39,060

her reputation yeah oh man

264

00:10:43,190 --> 00:10:41,700

uh the uh this the city did an

265

00:10:45,350 --> 00:10:43,200

investigation they said we have

266

00:10:47,210 --> 00:10:45,360

investigated the issue internally and

267

00:10:49,490 --> 00:10:47,220

found that no one who participated in

268

00:10:52,269 --> 00:10:49,500

creating the entry intended any malice

269

00:10:55,090 --> 00:10:52,279

these actions were regrettable but

270

00:10:58,069 --> 00:10:55,100

unintentional oh

271

00:10:59,810 --> 00:10:58,079

further Glover says training will be

272

00:11:01,670 --> 00:10:59,820

held at City Hall so employees

273

00:11:05,449 --> 00:11:01,680

understand why the display was

274

00:11:06,769 --> 00:11:05,459

insensitive in and offensive well I'd

275

00:11:08,509 --> 00:11:06,779

like to see that training because I'd

276

00:11:12,290 --> 00:11:08,519

like to know why

277

00:11:15,110 --> 00:11:12,300

why was it uh insensitive and offensive

278

00:11:17,090 --> 00:11:15,120

if it wasn't intended to look like

279

00:11:18,949 --> 00:11:17,100

somebody and it just so happens to look

280

00:11:21,590 --> 00:11:18,959

like somebody what are you supposed to

281

00:11:23,269 --> 00:11:21,600

go through the entire catalog and

282

00:11:25,730 --> 00:11:23,279

profile pictures of everyone who lives

283

00:11:28,670 --> 00:11:25,740

in the city to ensure your next Monster

284

00:11:31,130 --> 00:11:28,680

or scarecrow does not look like somebody

285

00:11:33,350 --> 00:11:31,140

from the city itself before erecting

286

00:11:36,470 --> 00:11:33,360

that scarecrow this seems a a bit

287

00:11:42,650 --> 00:11:39,650

impractical it's definitely impractical

288

00:11:44,690 --> 00:11:42,660

um to go door to door this is what we're

289

00:11:45,710 --> 00:11:44,700

planning what do you think oh wait no it

290

00:11:47,030 --> 00:11:45,720

kind of looks like that guy over there

291

00:11:48,829 --> 00:11:47,040

can't do that can't do that looks like

292

00:11:50,449 --> 00:11:48,839

Jerry from down the street he runs a

293

00:11:52,850 --> 00:11:50,459

bagel shop he's going to get offended

294

00:11:54,769 --> 00:11:52,860

looks like that guy over there at the uh

295

00:11:56,329 --> 00:11:54,779

the quick stop what the hell can't do

296

00:11:59,630 --> 00:11:56,339

that

297

00:12:02,090 --> 00:11:59,640

ah boy oh boy

298

00:12:02,870 --> 00:12:02,100

uh well it's unfortunate

299

00:12:05,150 --> 00:12:02,880

um

300

00:12:07,069 --> 00:12:05,160

but it is with the the Halloween theme

301

00:12:08,810 --> 00:12:07,079

so it's unfortunate that the the city

302

00:12:10,910 --> 00:12:08,820

had the cow telled to this but I'm I'm

303

00:12:14,389 --> 00:12:10,920

very interested about this future wise

304

00:12:16,130 --> 00:12:14,399

Bond and I don't know about uh Marcelino

305

00:12:17,810 --> 00:12:16,140

Sanchez but

306

00:12:19,870 --> 00:12:17,820

I want to know more about her I don't

307

00:12:23,630 --> 00:12:19,880

want to get into the local politics of

308

00:12:26,030 --> 00:12:23,640

Prosser this is in Washington state yeah

309

00:12:28,610 --> 00:12:26,040

it's on the uh east side of Washington

310

00:12:30,530 --> 00:12:28,620

in the what's in the Yakima Valley oh

311

00:12:31,910 --> 00:12:30,540

really [h\_\_h] them

312

00:12:33,889 --> 00:12:31,920

yeah

313

00:12:35,630 --> 00:12:33,899

it's kind of kind of my take on Prosper

314

00:12:38,210 --> 00:12:35,640

okay

315

00:12:40,009 --> 00:12:38,220

all right well I guess we got to get out

316

00:12:41,509 --> 00:12:40,019

of here with that one don't we I think

317

00:12:42,730 --> 00:12:41,519

we can roll out of here okay let's get

318

00:12:48,190 --> 00:12:42,740

out of here

00:13:33,410 --> 00:13:31,079

it's not as easy to stream over there

337

00:13:35,629 --> 00:13:33,420

but we'll eventually be over there and

338

00:13:39,170 --> 00:13:35,639

we'll eventually be setting up like a

339

00:13:41,210 --> 00:13:39,180

00:14:30,470 --> 00:14:29,760

November I know it's October very spooky

362

00:14:33,350 --> 00:14:30,480

month

363

00:14:36,410 --> 00:14:33,360

but uh I will always talk about

364

00:14:38,750 --> 00:14:36,420

Paranormal Activity any day of the week

365

00:14:41,329 --> 00:14:38,760

so we'll see what happens there

366

00:14:43,370 --> 00:14:41,339

we'll just get Bucky back on love that

367

00:14:45,650 --> 00:14:43,380

Bucky back on in fact I should go do one

368

00:14:47,990 --> 00:14:45,660

of his ghost tours here in Columbus

369

00:14:49,370 --> 00:14:48,000

I should

370

00:14:51,850 --> 00:14:49,380

I don't know I just have something about

371

00:14:54,769 --> 00:14:51,860

going to these haunted locations because

372

00:14:56,750 --> 00:14:54,779

these uh entities they can attach to you

373

00:14:59,150 --> 00:14:56,760

you don't protect yourself

374

00:15:00,889 --> 00:14:59,160

you know my buddy Tony Merkel from the

375

00:15:03,650 --> 00:15:00,899

confessionals he goes to these spooky

376

00:15:05,449 --> 00:15:03,660

spots and somehow he remains unscathed I

377

00:15:07,490 --> 00:15:05,459

don't know maybe he has a trick that he

378

00:15:09,889 --> 00:15:07,500

can tell me so

379

00:15:11,210 --> 00:15:09,899

maybe he has a treat maybe I'll invite

380

00:15:12,829 --> 00:15:11,220

him on the show maybe he'll come on and

381

00:15:16,430 --> 00:15:12,839

talk himself well thank you Joe thank

382
