

PARANORMAL SICKNESS

1
00:00:06,730 --> 00:00:01,030
[Applause]

2
00:00:14,330 --> 00:00:11,270
Joe as you know it is October

3
00:00:20,390 --> 00:00:14,340
and October is a very scary month for

4
00:00:22,910 --> 00:00:20,400
everyone quite frankly uh spookiness uh

5
00:00:27,529 --> 00:00:22,920
horror stories Halloween it is all

6
00:00:29,509 --> 00:00:27,539
happening and uh to continue on with the

7
00:00:32,150 --> 00:00:29,519
uh the spirit of October I do have some

8
00:00:34,130 --> 00:00:32,160
stuff concerning the Paranormal and

9
00:00:37,250 --> 00:00:34,140
paranormal sickness

10
00:00:39,350 --> 00:00:37,260
now I have some clips here from a show

11
00:00:41,690 --> 00:00:39,360
called The Dead Files

12
00:00:44,270 --> 00:00:41,700
and I like The Dead Files because it's

13
00:00:47,090 --> 00:00:44,280

got this guy he sounds like he's an East

14

00:00:49,970 --> 00:00:47,100

Coast guy he's got that East Coast Vibe

15

00:00:52,910 --> 00:00:49,980

he's got the East Coast uh accent and

16

00:00:55,330 --> 00:00:52,920

he's a no-nonsense kind of guy and he

17

00:00:58,549 --> 00:00:55,340

goes out on paranormal investigations

18

00:01:01,069 --> 00:00:58,559

with a psychic they get called into a

19

00:01:03,650 --> 00:01:01,079

haunted house they get asked to evaluate

20

00:01:06,170 --> 00:01:03,660

the situation and this guy is like a

21

00:01:08,330 --> 00:01:06,180

former uh law enforcement guy and just

22

00:01:11,750 --> 00:01:08,340

listened to his his voice Joe and you

23

00:01:13,670 --> 00:01:11,760

know this guy means business I'm in San

24

00:01:15,170 --> 00:01:13,680

Jose California right in the middle of

25

00:01:17,390 --> 00:01:15,180

Silicon Valley

26

00:01:20,390 --> 00:01:17,400

I got a call from a guy named Chad now

27

00:01:22,370 --> 00:01:20,400

he's sounded desperate says his house is

28

00:01:26,390 --> 00:01:22,380

haunted and he and his partner want out

29

00:01:29,149 --> 00:01:26,400

only problem his mom refuses to budge my

30

00:01:30,770 --> 00:01:29,159

mom turned 73 next month she already had

31

00:01:33,770 --> 00:01:30,780

health problems like I can't just leave

32

00:01:36,350 --> 00:01:33,780

the house and then have her be here and

33

00:01:37,730 --> 00:01:36,360

stuck with this hot mess they seemed

34

00:01:39,830 --> 00:01:37,740

like good people and I'm hoping Amy and

35

00:01:42,289 --> 00:01:39,840

I can help them out

36

00:01:45,830 --> 00:01:42,299

she gets called out on this uh very

37

00:01:48,410 --> 00:01:45,840

interesting case to uh two guys and two

38

00:01:50,569 --> 00:01:48,420

partners living with one of their moms

39

00:01:52,490 --> 00:01:50,579

and they're just having a lot of

40

00:01:53,810 --> 00:01:52,500

paranormal problems out there I'm not

41

00:01:56,030 --> 00:01:53,820

going to go through the whole entire

42

00:01:59,330 --> 00:01:56,040

show up and just to the point where they

43

00:02:01,789 --> 00:01:59,340

they start to feel the effects of of all

44

00:02:04,609 --> 00:02:01,799

these spirits and entities and when they

45

00:02:05,990 --> 00:02:04,619

start to really encounter problems

46

00:02:07,609 --> 00:02:06,000

um and then we'll jump off from there

47

00:02:10,490 --> 00:02:07,619

but here's the uh the second clip

48

00:02:13,729 --> 00:02:10,500

basically a rundown of what they're

49

00:02:18,410 --> 00:02:13,739

experiencing uh in this house

50

00:02:20,809 --> 00:02:18,420

okay and Joseph also has this ability

51
00:02:22,729 --> 00:02:20,819
so Chad do me a favor and give me a list

52
00:02:26,030 --> 00:02:22,739
they're both psychic sensitive they both

53
00:02:28,430 --> 00:02:26,040
uh so uh both uh the gentleman and his

54
00:02:30,949 --> 00:02:28,440
partner both psychic sensitives they're

55
00:02:33,229 --> 00:02:30,959
able to uh at least they claim at a very

56
00:02:36,650 --> 00:02:33,239
early age able to communicate with the

57
00:02:38,630 --> 00:02:36,660
dead and basically sense the Unseen and

58
00:02:40,550 --> 00:02:38,640
that is a very particular skill if

59
00:02:42,890 --> 00:02:40,560
you're in a role-playing game that's

60
00:02:44,630 --> 00:02:42,900
like a level uh three or five skill so

61
00:02:46,130 --> 00:02:44,640
these guys are fairly Advanced uh

62
00:02:50,089 --> 00:02:46,140
probably level five psychics in my

63
00:02:51,589 --> 00:02:50,099

opinion right and Joseph also has this

64

00:02:53,990 --> 00:02:51,599

ability

65

00:02:55,070 --> 00:02:54,000

so Chad do me a favor and give me a list

66

00:02:56,509 --> 00:02:55,080

of what you guys are going through I

67

00:02:59,030 --> 00:02:56,519

love this guys so we're hearing voices

68

00:03:00,229 --> 00:02:59,040

okay we're having mood changes and

69

00:03:02,449 --> 00:03:00,239

illnesses

70

00:03:05,690 --> 00:03:02,459

we're seeing apparitions and shadow

71

00:03:07,970 --> 00:03:05,700

figures and now it's getting to be

72

00:03:10,130 --> 00:03:07,980

physically violent you mentioned the

73

00:03:11,630 --> 00:03:10,140

illnesses you already told me about your

74

00:03:13,970 --> 00:03:11,640

mom's heart attack is there something

75

00:03:15,890 --> 00:03:13,980

else we feel like our immune systems are

76

00:03:19,610 --> 00:03:15,900

being worn down okay it's like we have

77

00:03:22,309 --> 00:03:19,620

extreme nausea sore throats but it never

78

00:03:23,990 --> 00:03:22,319

materializes into a flu or a cold it

79

00:03:26,990 --> 00:03:24,000

just kind of lingers have you seen the

80

00:03:28,930 --> 00:03:27,000

doctor I have and I haven't gotten

81

00:03:31,309 --> 00:03:28,940

yourself

82

00:03:33,229 --> 00:03:31,319

well they're going to get to it yeah you

83

00:03:35,690 --> 00:03:33,239

know there's a lot of uh go sicknesses

84

00:03:37,670 --> 00:03:35,700

ghost vaccines uh they're gonna get to

85

00:03:40,490 --> 00:03:37,680

really diagnosing the ghost problems

86

00:03:42,710 --> 00:03:40,500

this one's getting into fights more and

87

00:03:46,670 --> 00:03:42,720

it's not like us at all all of a sudden

88

00:03:50,149 --> 00:03:46,680

deep sadness depression very very high

89

00:03:52,130 --> 00:03:50,159

anxiety and a feeling of Doom why don't

90

00:03:55,130 --> 00:03:52,140

you guys just get the hell out of here

91

00:03:56,990 --> 00:03:55,140

Joseph and I want to go your daddy this

92

00:03:59,149 --> 00:03:57,000

was my mom's forever home she's not

93

00:04:01,309 --> 00:03:59,159

going to be scared out of her home and I

94

00:04:03,289 --> 00:04:01,319

don't want to just pack up and leave her

95

00:04:05,330 --> 00:04:03,299

here without figuring out what's going

96

00:04:06,470 --> 00:04:05,340

on so I feel trapped

97

00:04:07,970 --> 00:04:06,480

[Music]

98

00:04:09,710 --> 00:04:07,980

I'm going to come in and run the joint

99

00:04:12,350 --> 00:04:09,720

for you you know I'm gonna come in here

100

00:04:14,149 --> 00:04:12,360

tell the ghost whose boss crack a whip a

101
00:04:16,550 --> 00:04:14,159
little bit tell your mom to shut the

102
00:04:18,469 --> 00:04:16,560
[h__h] up mind her p's and q's get the

103
00:04:21,530 --> 00:04:18,479
[h__h] out of the house man stop getting

104
00:04:24,370 --> 00:04:21,540
sick ma all the time

105
00:04:27,890 --> 00:04:24,380
beat some sense into that woman

106
00:04:31,010 --> 00:04:27,900
he's got that hard-nosed kind of uh East

107
00:04:32,990 --> 00:04:31,020
Coast uh New Yorker accent uh but he

108
00:04:36,890 --> 00:04:33,000
loves a paranormal and they do a pretty

109
00:04:38,270 --> 00:04:36,900
good job uh so he is uh he goes in this

110
00:04:39,890 --> 00:04:38,280
guy goes and he investigates the

111
00:04:42,770 --> 00:04:39,900
situation talks to the family kind of

112
00:04:45,469 --> 00:04:42,780
gets a lay of the land and also gets a

113
00:04:47,270 --> 00:04:45,479

little history on the property and

114

00:04:49,070 --> 00:04:47,280

previous homeowners and he's done a

115

00:04:50,749 --> 00:04:49,080

pretty good job at that so as you heard

116

00:04:53,689 --> 00:04:50,759

In that clip they're getting sick

117

00:04:55,550 --> 00:04:53,699

they're they're getting uh on each

118

00:04:57,590 --> 00:04:55,560

other's nerves they're experiencing

119

00:04:59,990 --> 00:04:57,600

various other things in fact some of the

120

00:05:02,330 --> 00:05:00,000

the things that the not only they've

121

00:05:06,050 --> 00:05:02,340

experienced but their pets it seems that

122

00:05:09,290 --> 00:05:06,060

their pets have been thrown around the

123

00:05:11,629 --> 00:05:09,300

house uh and they have been harassed in

124

00:05:12,770 --> 00:05:11,639

in in very obvious ways at least to the

125

00:05:17,390 --> 00:05:12,780

homeowners

126

00:05:18,950 --> 00:05:17,400

and they have uh tracked down in this

127

00:05:22,969 --> 00:05:18,960

clip here this might be one of the final

128

00:05:23,570 --> 00:05:22,979

Clips I play from uh this

129

00:05:25,730 --> 00:05:23,580

um

130

00:05:28,730 --> 00:05:25,740

so the guy we just heard there he tracks

131

00:05:32,390 --> 00:05:28,740

down the the original property owner of

132

00:05:34,550 --> 00:05:32,400

this house and the history of what has

133

00:05:36,409 --> 00:05:34,560

occurred in and around this property

134

00:05:39,409 --> 00:05:36,419

this is a little bit of longer clip it's

135

00:05:41,270 --> 00:05:39,419

about two two minutes and but it gives a

136

00:05:44,689 --> 00:05:41,280

good background of not only where other

137

00:05:47,029 --> 00:05:44,699

people getting sick in present day but

138

00:05:49,790 --> 00:05:47,039

in the past too what do we know about

139

00:05:52,129 --> 00:05:49,800

this guy his name was Jose Joaquin

140

00:05:55,790 --> 00:05:52,139

Bernal this is the original homeowner

141

00:05:58,189 --> 00:05:55,800

original property owner uh back in the I

142

00:06:00,890 --> 00:05:58,199

think the 1800s what do we know about

143

00:06:04,249 --> 00:06:00,900

this guy his name was Jose Joaquin

144

00:06:06,770 --> 00:06:04,259

Bernal okay and he came to California in

145

00:06:09,110 --> 00:06:06,780

1776 with his family he was just 14

146

00:06:11,450 --> 00:06:09,120

years old okay and he and his family

147

00:06:13,670 --> 00:06:11,460

helped build San Jose when he became old

148

00:06:15,469 --> 00:06:13,680

enough he joined the Spanish Army and he

149

00:06:17,810 --> 00:06:15,479

was stationed in San Jose to help guard

150

00:06:20,390 --> 00:06:17,820

the town all right so now he's a young

151
00:06:22,550 --> 00:06:20,400
kid he's in the Army what happens after

152
00:06:24,590 --> 00:06:22,560
that when he turned 23 he he got married

153
00:06:26,870 --> 00:06:24,600
to a lady named Maria okay and they

154
00:06:31,610 --> 00:06:26,880
would go on to have 16 children

155
00:06:33,710 --> 00:06:31,620
16 kids yep wow in 1826 he retired from

156
00:06:36,650 --> 00:06:33,720
the military okay and he moved his

157
00:06:38,990 --> 00:06:36,660
family to a 10 000 acre plot of land in

158
00:06:41,749 --> 00:06:39,000
South San Jose he named it Rancho Santa

159
00:06:43,550 --> 00:06:41,759
Teresa okay and this is the same land my

160
00:06:44,629 --> 00:06:43,560
clients live on that's right cool you

161
00:06:46,730 --> 00:06:44,639
mentioned on the phone that things

162
00:06:49,730 --> 00:06:46,740
turned bad for this guy when did that

163
00:06:51,230 --> 00:06:49,740

happen in 1828 he lost both a

164

00:06:53,330 --> 00:06:51,240

granddaughter and a daughter in

165

00:06:55,490 --> 00:06:53,340

complications from childbirth oh and the

166

00:06:57,110 --> 00:06:55,500

daughter was only 25 years old and then

167

00:06:59,270 --> 00:06:57,120

just a couple years later the same thing

168

00:07:01,249 --> 00:06:59,280

happened he lost another grandchild and

169

00:07:04,790 --> 00:07:01,259

daughter in childbirth now how old was

170

00:07:06,710 --> 00:07:04,800

she she was 27. that said how'd it go

171

00:07:10,430 --> 00:07:06,720

after that there was a second wave of

172

00:07:13,070 --> 00:07:10,440

deaths in 1834 his granddaughter died

173

00:07:15,469 --> 00:07:13,080

and then the following year he lost both

174

00:07:17,809 --> 00:07:15,479

a son and a daughter and I have their

175

00:07:20,089 --> 00:07:17,819

burial records

176

00:07:22,129 --> 00:07:20,099

so if my numbers are right he lost seven

177

00:07:23,510 --> 00:07:22,139

family members in seven years that's

178

00:07:25,790 --> 00:07:23,520

right I mean I had to take a toll on

179

00:07:29,809 --> 00:07:25,800

this guy all that loss was too much for

180

00:07:31,969 --> 00:07:29,819

him by 1837 he was on his deathbed and

181

00:07:35,629 --> 00:07:31,979

he died that year on the property at the

182

00:07:36,950 --> 00:07:35,639

age of 74 and I have his burial record

183

00:07:38,870 --> 00:07:36,960

please tell me he got better for Maria

184

00:07:41,930 --> 00:07:38,880

once Jose was gone

185

00:07:45,350 --> 00:07:41,940

I wish that were the case between 1840

186

00:07:48,350 --> 00:07:45,360

and 1845 Marie has suffered a wave of

187

00:07:50,570 --> 00:07:48,360

deaths of her own she lost three of her

188

00:07:53,390 --> 00:07:50,580

daughters all in their 30s what happens

189

00:07:56,629 --> 00:07:53,400

with Maria Maria lived to the age of 90.

190

00:07:59,570 --> 00:07:56,639

okay and she died in 1858 probably on

191

00:08:03,290 --> 00:07:59,580

the property here's her burial record so

192

00:08:04,610 --> 00:08:03,300

all these debts all this tragedy that

193

00:08:06,770 --> 00:08:04,620

this family suffered didn't happen until

194

00:08:08,930 --> 00:08:06,780

they got on onto the property where my

195

00:08:10,550 --> 00:08:08,940

clients live now that's right you go to

196

00:08:12,290 --> 00:08:10,560

genealogist have you seen a lot of this

197

00:08:14,029 --> 00:08:12,300

not at this level it seemed like they

198

00:08:16,730 --> 00:08:14,039

suffered more loss than a lot of the

199

00:08:20,330 --> 00:08:16,740

families I've researched

200

00:08:23,409 --> 00:08:20,340

I encountered a tiny little old woman

201

00:08:26,629 --> 00:08:23,419

she said she was about 67.

202

00:08:28,850 --> 00:08:26,639

she is definitely in like some kind of

203

00:08:31,850 --> 00:08:28,860

morning outfit she's dressed in all

204

00:08:33,050 --> 00:08:31,860

black she said this location belongs to

205

00:08:35,269 --> 00:08:33,060

her

206

00:08:37,070 --> 00:08:35,279

so as you a little bit of a history on

207

00:08:40,010 --> 00:08:37,080

the property there a lot of death with

208

00:08:43,550 --> 00:08:40,020

the original homeowner and apparently uh

209

00:08:46,850 --> 00:08:43,560

you know back in 1776 pretty easy to get

210

00:08:49,550 --> 00:08:46,860

your hands on 10 000 Acres of property

211

00:08:51,710 --> 00:08:49,560

in California

212

00:08:53,150 --> 00:08:51,720

um ten thousand man ten thousand eight I

213

00:08:55,250 --> 00:08:53,160

don't want to mow that long that's crazy

214

00:08:58,730 --> 00:08:55,260

imagine the Landscaping

215

00:09:00,110 --> 00:08:58,740

uh but a lot of death he uh he and his

216

00:09:02,750 --> 00:09:00,120

family suffered death almost like two

217

00:09:05,750 --> 00:09:02,760

deaths a year uh and now they brought in

218

00:09:07,430 --> 00:09:05,760

a psychic to the property and they did a

219

00:09:09,110 --> 00:09:07,440

reading on the house there are multiple

220

00:09:12,829 --> 00:09:09,120

different entities in the house there's

221

00:09:15,110 --> 00:09:12,839

an old woman uh ghost who hates cats and

222

00:09:19,130 --> 00:09:15,120

and animals in general considers them to

223

00:09:23,449 --> 00:09:19,140

be dirty considers them to be uh just an

224

00:09:26,570 --> 00:09:23,459

overall nuisance and uh pushes the cat

225

00:09:27,410 --> 00:09:26,580

around and uh then uh the second comes

226

00:09:29,570 --> 00:09:27,420

in

227

00:09:31,430 --> 00:09:29,580

it says by the way it's not just your

228

00:09:33,530 --> 00:09:31,440

house that's haunted it's the entire

229

00:09:36,290 --> 00:09:33,540

property around here they interview The

230

00:09:39,410 --> 00:09:36,300

Neighbors The Neighbors also have had

231

00:09:42,769 --> 00:09:39,420

hauntings and have seen shadow people

232

00:09:46,190 --> 00:09:42,779

uh they the psychic says basically this

233

00:09:48,889 --> 00:09:46,200

entire property there is this on the

234

00:09:52,370 --> 00:09:48,899

other side on on the on the ghost side

235

00:09:54,769 --> 00:09:52,380

there is like this wall of Goo that is

236

00:09:56,930 --> 00:09:54,779

preventing these apparitions and these

237

00:10:01,190 --> 00:09:56,940

Spirits from moving on it's almost like

238

00:10:04,190 --> 00:10:01,200

a barrier uh an eight wall and they are

239

00:10:06,829 --> 00:10:04,200

basically confined to this property and

240

00:10:09,829 --> 00:10:06,839

the living are forced to occupy the same

241

00:10:13,610 --> 00:10:09,839

space as the dead so either you can deal

242

00:10:16,430 --> 00:10:13,620

with it or you can move out and that's

243

00:10:18,590 --> 00:10:16,440

basically what this guy says so guys not

244

00:10:20,210 --> 00:10:18,600

for nothing but you've got hundreds of

245

00:10:23,570 --> 00:10:20,220

dead people trapped outside your front

246

00:10:25,430 --> 00:10:23,580

door it doesn't sound too good yeah no

247

00:10:29,030 --> 00:10:25,440

it don't sound good at all no it doesn't

248

00:10:30,290 --> 00:10:29,040

sound good at all uh and uh at the at

249

00:10:31,610 --> 00:10:30,300

the end they basically came to the

250

00:10:35,870 --> 00:10:31,620

conclusion that

251
00:10:39,230 --> 00:10:35,880
uh it's easier to just move and sell the

252
00:10:41,590 --> 00:10:39,240
house than have to hire priests and a

253
00:10:44,210 --> 00:10:41,600
rabbi and uh

254
00:10:47,030 --> 00:10:44,220
religious experts and spiritual experts

255
00:10:48,769 --> 00:10:47,040
to come in do seances and and cleanse

256
00:10:51,170 --> 00:10:48,779
the house over and over again that'll

257
00:10:53,990 --> 00:10:51,180
just really rack up the bill and so they

258
00:10:56,990 --> 00:10:54,000
decided to move in hopes that they will

259
00:10:59,090 --> 00:10:57,000
have a better health better uh just a

260
00:11:01,310 --> 00:10:59,100
better life in general now they did

261
00:11:03,590 --> 00:11:01,320
discover that there was significant

262
00:11:06,949 --> 00:11:03,600
water problems in the area that did lead

263
00:11:10,490 --> 00:11:06,959

to some health consequences uh but not

264

00:11:12,110 --> 00:11:10,500

the overall uh uh mood the heaviness

265

00:11:15,590 --> 00:11:12,120

that a lot of people in the neighborhood

266

00:11:16,670 --> 00:11:15,600

in this particular house have uh felt

267

00:11:19,250 --> 00:11:16,680

over the years

268

00:11:21,230 --> 00:11:19,260

but uh this uh paranormal sickness kind

269

00:11:23,750 --> 00:11:21,240

of led me to think uh you know there are

270

00:11:27,710 --> 00:11:23,760

I've read a lot of other stories about

271

00:11:29,569 --> 00:11:27,720

other paranormal encounters uh in which

272

00:11:31,910 --> 00:11:29,579

people get sick uh and so I'll bring

273

00:11:34,610 --> 00:11:31,920

this up on screen so what you're what we

274

00:11:38,269 --> 00:11:34,620

were commonly referring to as a ghost

275

00:11:41,150 --> 00:11:38,279

sickness Joe is an actual thing like

276

00:11:43,190 --> 00:11:41,160

there is actual a ghost sickness they'll

277

00:11:45,230 --> 00:11:43,200

bring this up on screen uh ghost

278

00:11:47,210 --> 00:11:45,240

sickness is a cultural belief among some

279

00:11:49,250 --> 00:11:47,220

traditional indigenous people in North

280

00:11:52,009 --> 00:11:49,260

America

281

00:11:54,350 --> 00:11:52,019

um people who are preoccupied or

282

00:11:57,050 --> 00:11:54,360

consumed by the deceased are believed to

283

00:11:58,850 --> 00:11:57,060

have suffered from ghost sickness so it

284

00:12:00,530 --> 00:11:58,860

is uh what they're saying is like you're

285

00:12:03,769 --> 00:12:00,540

so obsessed with people that you've lost

286

00:12:05,150 --> 00:12:03,779

in your life you become sick from it uh

287

00:12:08,569 --> 00:12:05,160

reported symptoms can include General

288

00:12:11,569 --> 00:12:08,579

weakness loss of appetite Suffocation uh

289

00:12:13,690 --> 00:12:11,579

reoccur recurring nightmares uh those

290

00:12:17,269 --> 00:12:13,700

kinds of things I have a constant Source

291

00:12:19,430 --> 00:12:17,279

swollen glands fevers my muscles ache

292

00:12:20,569 --> 00:12:19,440

and are weak I am totally exhausted all

293

00:12:22,370 --> 00:12:20,579

the time I don't think that's part of

294

00:12:24,889 --> 00:12:22,380

ghost sickness I have heart palpitations

295

00:12:26,509 --> 00:12:24,899

you don't know concentrate I forget

296

00:12:29,710 --> 00:12:26,519

things I

297

00:12:34,250 --> 00:12:29,720

I get confused but that is the the the

298

00:12:37,250 --> 00:12:34,260

overall Wikipedia approved definition of

299

00:12:40,030 --> 00:12:37,260

ghost sickness but

300

00:12:42,470 --> 00:12:40,040

if anybody dares to remember

301
00:12:44,449 --> 00:12:42,480
uh some of my segments on Skinwalker

302
00:12:47,090 --> 00:12:44,459
Ranch a lot of times when people go and

303
00:12:49,370 --> 00:12:47,100
visit these highly energized areas such

304
00:12:52,430 --> 00:12:49,380
as Skinwalker Ranch people can fall ill

305
00:12:54,949 --> 00:12:52,440
whether it's from uh just a migraine

306
00:12:57,650 --> 00:12:54,959
headache you have complications with

307
00:13:00,650 --> 00:12:57,660
your heart there is maybe some degree of

308
00:13:04,370 --> 00:13:00,660
radiation poisoning or just an overall

309
00:13:08,389 --> 00:13:04,380
feeling of being ill that happens quite

310
00:13:12,889 --> 00:13:08,399
a bit uh also just not uh basically

311
00:13:15,170 --> 00:13:12,899
confined to specific places uh there are

312
00:13:18,769 --> 00:13:15,180
stories of

313
00:13:20,210 --> 00:13:18,779

people who have encountered weird I

314

00:13:23,030 --> 00:13:20,220

would I don't even want to say if I want

315

00:13:24,889 --> 00:13:23,040

to consider them creatures but uh

316

00:13:28,610 --> 00:13:24,899

possibly so

317

00:13:30,949 --> 00:13:28,620

um I've touched on the phenomenon of the

318

00:13:34,009 --> 00:13:30,959

black-eyed kids

319

00:13:36,889 --> 00:13:34,019

well the story the overall General

320

00:13:40,730 --> 00:13:36,899

creepy synopsis or paraphrase version of

321

00:13:42,769 --> 00:13:40,740

The Black Eyed kids are uh children who

322

00:13:46,370 --> 00:13:42,779

have basically blackened eyes will

323

00:13:49,009 --> 00:13:46,380

sometimes appear at people's homes uh

324

00:13:50,750 --> 00:13:49,019

typically at like an older couple an

325

00:13:53,810 --> 00:13:50,760

adult couple's house will knock on the

326

00:13:55,430 --> 00:13:53,820

door and the the the people who answer

327

00:13:57,410 --> 00:13:55,440

the doors like oh my God these these

328

00:14:00,889 --> 00:13:57,420

children are lost why don't you come in

329

00:14:02,810 --> 00:14:00,899

sit down and we will find out if we can

330

00:14:04,370 --> 00:14:02,820

find your parents your guardian we'll

331

00:14:06,769 --> 00:14:04,380

call the cops to make sure that you get

332

00:14:09,650 --> 00:14:06,779

back to where you need to get to well

333

00:14:11,509 --> 00:14:09,660

they they bring them in and the children

334

00:14:12,949 --> 00:14:11,519

are hanging around on the couch they're

335

00:14:16,009 --> 00:14:12,959

they're petting a dog they're petting

336

00:14:18,410 --> 00:14:16,019

the cats uh the next thing you know uh

337

00:14:20,810 --> 00:14:18,420

they call the cops before the cops

338

00:14:24,110 --> 00:14:20,820

arrive the black-eyed children will

339

00:14:27,710 --> 00:14:24,120

leave they'll vanish pretty much without

340

00:14:29,690 --> 00:14:27,720

a trace what's left is a rash of

341

00:14:33,050 --> 00:14:29,700

sickness almost like a radiation

342

00:14:36,230 --> 00:14:33,060

poisoning is left with the family and

343

00:14:39,170 --> 00:14:36,240

sometimes those people die now that's

344

00:14:41,210 --> 00:14:39,180

not the same as what has what was

345

00:14:44,030 --> 00:14:41,220

happening in that haunted house from San

346

00:14:48,889 --> 00:14:44,040

Jose that we just played clips from

347

00:14:51,949 --> 00:14:48,899

but it is a paranormal sickness also uh

348

00:14:55,670 --> 00:14:51,959

in addition to black-eyed kids sometimes

349

00:14:59,889 --> 00:14:55,680

when people have a Bigfoot encounter

350

00:15:04,910 --> 00:14:59,899

they will experience weird uh physical

351

00:15:08,150 --> 00:15:04,920

ailments uh this is from my my friend's

352

00:15:11,810 --> 00:15:08,160

YouTube channel uh the confessionals

353

00:15:13,490 --> 00:15:11,820

uh I I was texting Tony this morning uh

354

00:15:16,189 --> 00:15:13,500

the host of the confessional said hey do

355

00:15:17,689 --> 00:15:16,199

you have any personal accounts or

356

00:15:19,870 --> 00:15:17,699

stories

357

00:15:23,509 --> 00:15:19,880

of people who have encountered a dog man

358

00:15:24,710 --> 00:15:23,519

or a Bigfoot that have become physically

359

00:15:27,650 --> 00:15:24,720

ill

360

00:15:29,949 --> 00:15:27,660

um that have some sort of weakness or

361

00:15:32,750 --> 00:15:29,959

some sort of uh sickness after

362

00:15:34,610 --> 00:15:32,760

encountering or being in close proximity

363

00:15:36,590 --> 00:15:34,620

of one of these scriptures he said yeah

364

00:15:38,990 --> 00:15:36,600

my brother my brother had that happen to

365

00:15:40,490 --> 00:15:39,000

him and so I'll uh I'll play this uh

366

00:15:42,949 --> 00:15:40,500

clip from

367

00:15:45,769 --> 00:15:42,959

I believe they're in Pennsylvania at the

368

00:15:48,949 --> 00:15:45,779

time so this was uh you can check it out

369

00:15:50,090 --> 00:15:48,959

so this is A Haunted World War II POW

370

00:15:54,110 --> 00:15:50,100

Camp

371

00:15:58,009 --> 00:15:54,120

uh from that video and they were out in

372

00:16:00,590 --> 00:15:58,019

uh mincha State Forest when they

373

00:16:03,710 --> 00:16:00,600

encountered something it probably they

374

00:16:04,430 --> 00:16:03,720

they think it was a Bigfoot how but this

375

00:16:07,069 --> 00:16:04,440

is

376

00:16:08,689 --> 00:16:07,079

the aftermath of that it was just a

377

00:16:10,490 --> 00:16:08,699

really a culmination of a bunch of

378

00:16:12,650 --> 00:16:10,500

things all at one shot and like I mean

379

00:16:14,750 --> 00:16:12,660

there's video evidence of us like our

380

00:16:16,189 --> 00:16:14,760

reactions to it and we kind of we kind

381

00:16:18,410 --> 00:16:16,199

of got out of there quick right I mean

382

00:16:21,110 --> 00:16:18,420

within a short amount of time after that

383

00:16:22,189 --> 00:16:21,120

noise tell them about what experience

384

00:16:23,990 --> 00:16:22,199

though in that moment you didn't tell me

385

00:16:25,790 --> 00:16:24,000

about until we got in the truck later

386

00:16:28,370 --> 00:16:25,800

[Music]

387

00:16:30,530 --> 00:16:28,380

not gonna lie I started to feel a little

388

00:16:32,090 --> 00:16:30,540

sick

389

00:16:33,410 --> 00:16:32,100

and by a little I mean a lot I almost

390

00:16:35,509 --> 00:16:33,420

threw up at one point do you think it

391

00:16:37,790 --> 00:16:35,519

was the humidity I have no idea what it

392

00:16:41,230 --> 00:16:37,800

was but I really felt sick it was it was

393

00:16:44,930 --> 00:16:41,240

back when we were it was the first

394

00:16:47,569 --> 00:16:44,940

uh it was when we heard the whoop really

395

00:16:49,670 --> 00:16:47,579

she said something there could have been

396

00:16:50,629 --> 00:16:49,680

something affecting you I don't know so

397

00:16:51,889 --> 00:16:50,639

that's what happens sometimes with

398

00:16:53,389 --> 00:16:51,899

people when they when there's paranormal

399

00:16:55,310 --> 00:16:53,399

activity around they get sick it just

400

00:16:56,689 --> 00:16:55,320

made me feel very sick and that's kind

401
00:16:58,310 --> 00:16:56,699
of why I was like yeah I'm good to go

402
00:17:00,650 --> 00:16:58,320
back to the truck

403
00:17:03,170 --> 00:17:00,660
because I really felt like I was gonna

404
00:17:06,770 --> 00:17:03,180
throw up until like we started to get

405
00:17:08,210 --> 00:17:06,780
back where we found that Arrow

406
00:17:09,949 --> 00:17:08,220
do you know what I mean the arrow marker

407
00:17:11,210 --> 00:17:09,959
yeah

408
00:17:13,490 --> 00:17:11,220
I guess I should have said something I

409
00:17:15,890 --> 00:17:13,500
just didn't think it was video wordy

410
00:17:17,270 --> 00:17:15,900
worthy oh it definitely was yeah

411
00:17:21,230 --> 00:17:17,280
is that I mean that's a common thing for

412
00:17:24,829 --> 00:17:21,240
repair normal stuff is definitely

413
00:17:26,630 --> 00:17:24,839

I didn't know that actually so

414

00:17:27,590 --> 00:17:26,640

there you go he's uh his brother got

415

00:17:31,310 --> 00:17:27,600

sick

416

00:17:34,669 --> 00:17:31,320

uh whether it was directly attributed to

417

00:17:36,470 --> 00:17:34,679

the encounter with Bigfoot or maybe it

418

00:17:39,409 --> 00:17:36,480

was uh nerves

419

00:17:41,210 --> 00:17:39,419

um it's not an unheard of story like

420

00:17:43,370 --> 00:17:41,220

they said you encountered the pair are

421

00:17:45,110 --> 00:17:43,380

normal if you're sensitive you're you're

422

00:17:47,090 --> 00:17:45,120

gonna get you're gonna get sick you're

423

00:17:49,610 --> 00:17:47,100

you're gonna feel it I have a constant

424

00:17:52,250 --> 00:17:49,620

sore throat he experienced I think

425

00:17:55,730 --> 00:17:52,260

vomiting and in nausea pretty much from

426

00:17:58,490 --> 00:17:55,740

that but it's just not Western cultures

427

00:18:02,029 --> 00:17:58,500

that face some sort of paranormal

428

00:18:04,730 --> 00:18:02,039

sickness in Muslim cultures they have an

429

00:18:07,310 --> 00:18:04,740

entity called the Jinn which I haven't

430

00:18:09,830 --> 00:18:07,320

dived into yet because I'm very uh

431

00:18:11,870 --> 00:18:09,840

skeptical about covering it because once

432

00:18:14,710 --> 00:18:11,880

you start talking about them they might

433

00:18:16,390 --> 00:18:14,720

start appearing but uh this is from

434

00:18:19,789 --> 00:18:16,400

livescience.com

435

00:18:21,049 --> 00:18:19,799

Supernatural gin seen as cause of mental

436

00:18:25,250 --> 00:18:21,059

illness

437

00:18:30,049 --> 00:18:25,260

among Muslims and this just goes into

438

00:18:32,570 --> 00:18:30,059

the cultural belief uh that the the gin

439

00:18:36,890 --> 00:18:32,580

in uh the Muslim culture

440

00:18:38,750 --> 00:18:36,900

is the Catalyst or cause of their mental

441

00:18:41,870 --> 00:18:38,760

some of the mental illness that may

442

00:18:43,970 --> 00:18:41,880

occur in that population now live

443

00:18:46,370 --> 00:18:43,980

science is obviously not uh buying into

444

00:18:47,270 --> 00:18:46,380

this one bit but that is a deeply held

445

00:18:50,590 --> 00:18:47,280

belief

446

00:18:54,169 --> 00:18:50,600

in the Muslim faith that jinns do exist

447

00:18:58,430 --> 00:18:54,179

and they have a very particular way of

448

00:19:00,310 --> 00:18:58,440

acting and interacting with this realm

449

00:19:04,070 --> 00:19:00,320

um this is uh

450

00:19:05,270 --> 00:19:04,080

d-j-i-n-n right uh yeah you can spell it

451
00:19:08,630 --> 00:19:05,280
with a D

452
00:19:11,690 --> 00:19:08,640
uh in Live Science they they

453
00:19:14,570 --> 00:19:11,700
dropped the D and just went with j i n n

454
00:19:17,090 --> 00:19:14,580
you never dropped the D no you want you

455
00:19:20,169 --> 00:19:17,100
want that D you got to drop that D deep

456
00:19:25,610 --> 00:19:22,669
if you can't if you can drop it deep you

457
00:19:31,190 --> 00:19:28,850
um and uh there are obviously many

458
00:19:34,430 --> 00:19:31,200
stories of UFO encounters people who've

459
00:19:39,230 --> 00:19:34,440
come in close contact with a UFO craft

460
00:19:41,510 --> 00:19:39,240
to have uh had uh severe physical uh

461
00:19:44,870 --> 00:19:41,520
illnesses there's stories from the early

462
00:19:48,169 --> 00:19:44,880
80s there's one such story that uh a

463
00:19:49,909 --> 00:19:48,179

mother and uh I believe a sister and a

464

00:19:53,990 --> 00:19:49,919

daughter were driving down the road they

465

00:19:56,870 --> 00:19:54,000

see a diamond-shaped uh aircraft uh that

466

00:19:59,330 --> 00:19:56,880

is spitting hot blue and white Flames

467

00:20:01,310 --> 00:19:59,340

out of the bottom of it hover over top

468

00:20:03,350 --> 00:20:01,320

of the road they get out of the car they

469

00:20:04,850 --> 00:20:03,360

they approach a little bit closer well

470

00:20:07,789 --> 00:20:04,860

they got out of the car because their

471

00:20:10,070 --> 00:20:07,799

engine was cut off uh their entire car

472

00:20:12,409 --> 00:20:10,080

died they got out of the car to check it

473

00:20:14,210 --> 00:20:12,419

uh as they approached a little bit they

474

00:20:16,610 --> 00:20:14,220

felt the heat they felt a burning they

475

00:20:18,350 --> 00:20:16,620

went back into the car and when the

476
00:20:21,770 --> 00:20:18,360
mother put their hands on the steering

477
00:20:23,870 --> 00:20:21,780
steering wheel uh it was

478
00:20:25,850 --> 00:20:23,880
it was Gucci it was mushy almost like

479
00:20:28,190 --> 00:20:25,860
their hands could just like sink into it

480
00:20:31,970 --> 00:20:28,200
it was like so hot every the entire car

481
00:20:35,330 --> 00:20:31,980
car was heated up uh the diamond shaped

482
00:20:37,610 --> 00:20:35,340
aircraft UFO zipped off into the

483
00:20:40,789 --> 00:20:37,620
distance and following it were right

484
00:20:42,409 --> 00:20:40,799
right around 20 helicopters and as this

485
00:20:44,090 --> 00:20:42,419
took place in Texas

486
00:20:45,950 --> 00:20:44,100
uh they went home

487
00:20:48,110 --> 00:20:45,960
and over the course of the next week or

488
00:20:50,510 --> 00:20:48,120

two they both all of the entire family

489

00:20:52,310 --> 00:20:50,520

got violently ill they went to go

490

00:20:54,650 --> 00:20:52,320

checked out by at the the local hospital

491

00:20:58,370 --> 00:20:54,660

and they said they were basically

492

00:21:01,190 --> 00:20:58,380

suffering from uh radiation sickness

493

00:21:03,289 --> 00:21:01,200

uh so not uh

494

00:21:05,029 --> 00:21:03,299

not that dissimilar from some other

495

00:21:08,690 --> 00:21:05,039

stuff that we've heard

496

00:21:11,270 --> 00:21:08,700

and uh for my last little tidbit on uh

497

00:21:16,310 --> 00:21:11,280

paranormal sicknesses

498

00:21:20,870 --> 00:21:18,590

um this is this takes place in Finland

499

00:21:24,110 --> 00:21:20,880

there are two men they're out skiing

500

00:21:25,610 --> 00:21:24,120

they heard a loud buzzing sound in a

501
00:21:28,850 --> 00:21:25,620
flash of light and they saw a flash of

502
00:21:33,049 --> 00:21:28,860
light in the sky the light was a reddish

503
00:21:35,450 --> 00:21:33,059
in color and then a gray Mist started to

504
00:21:39,770 --> 00:21:35,460
envelop it they noticed that the object

505
00:21:41,270 --> 00:21:39,780
was about 10 feet uh round when it

506
00:21:44,810 --> 00:21:41,280
landed down

507
00:21:46,789 --> 00:21:44,820
uh so they decided to uh approach it

508
00:21:49,070 --> 00:21:46,799
um just decided hey we're out skiing

509
00:21:52,549 --> 00:21:49,080
let's go check out this uh this disc

510
00:21:55,070 --> 00:21:52,559
that just landed down not very far away

511
00:21:59,450 --> 00:21:55,080
well they saw when they were about 20

512
00:22:01,669 --> 00:21:59,460
feet away from uh this this disc shape

513
00:22:04,490 --> 00:22:01,679

thing uh they saw a creature about three

514

00:22:08,270 --> 00:22:04,500

feet tall it had slanted narrow

515

00:22:11,149 --> 00:22:08,280

shoulders it had a pale waxy face with

516

00:22:14,330 --> 00:22:11,159

almost like a hook like nose small ears

517

00:22:16,610 --> 00:22:14,340

it was wearing green overalls uh with

518

00:22:20,149 --> 00:22:16,620

dark green boots so kind of dressed like

519

00:22:23,029 --> 00:22:20,159

an elf I suppose it was wearing a pointy

520

00:22:26,690 --> 00:22:23,039

helmet it had white gloves on with like

521

00:22:30,289 --> 00:22:26,700

claw like fingers and it was holding a

522

00:22:33,590 --> 00:22:30,299

black box with a round opening that was

523

00:22:36,230 --> 00:22:33,600

emitting a yellow pulsating light

524

00:22:39,230 --> 00:22:36,240

uh well the the creature

525

00:22:42,409 --> 00:22:39,240

uh point of the box at the men uh a

526

00:22:45,770 --> 00:22:42,419

reddish green Mist started to appear

527

00:22:48,110 --> 00:22:45,780

from the UFO and the Box uh kind of

528

00:22:50,990 --> 00:22:48,120

enveloping the men a little bit large

529

00:22:54,230 --> 00:22:51,000

Sparks erupted from the box in the UFO

530

00:22:56,690 --> 00:22:54,240

uh the men uh felt as though their body

531

00:22:59,450 --> 00:22:56,700

was going numb their bodies were going

532

00:23:01,909 --> 00:22:59,460

numb uh the men said to hell with it

533

00:23:04,490 --> 00:23:01,919

we're gonna abandon our skis and they

534

00:23:05,570 --> 00:23:04,500

tried to flee to their cabin as quickly

535

00:23:08,810 --> 00:23:05,580

as they could

536

00:23:11,270 --> 00:23:08,820

uh well they got back to their cabin and

537

00:23:14,570 --> 00:23:11,280

they started feeling body pains all over

538

00:23:17,510 --> 00:23:14,580

I started vomiting memory loss headaches

539

00:23:20,570 --> 00:23:17,520

they got checked out and they had uh the

540

00:23:23,690 --> 00:23:20,580

classic symptoms of radiation poisoning

541

00:23:26,149 --> 00:23:23,700

after daring to approach an elf with a

542

00:23:27,350 --> 00:23:26,159

black box so take that for what it's

543

00:23:29,750 --> 00:23:27,360

worth

544

00:23:33,590 --> 00:23:29,760

now those are just different types of

545

00:23:36,289 --> 00:23:33,600

paranormal illnesses uh the the last few

546

00:23:38,570 --> 00:23:36,299

are obviously much more extreme on the

547

00:23:41,750 --> 00:23:38,580

in deadly on the the radiation poisoning

548

00:23:44,210 --> 00:23:41,760

side of it uh the the earlier when it

549

00:23:47,810 --> 00:23:44,220

comes to uh encountering ghosts and

550

00:23:50,990 --> 00:23:47,820

apparitions it seems to be mostly uh

551
00:23:53,330 --> 00:23:51,000
mood related with prolonged sicknesses

552
00:23:55,370 --> 00:23:53,340
such as coughs

553
00:23:58,850 --> 00:23:55,380
um stuff that is almost like a common

554
00:24:00,710 --> 00:23:58,860
cold kind of thing but again uh quickly

555
00:24:03,890 --> 00:24:00,720
escalate to something a little bit more

556
00:24:05,570 --> 00:24:03,900
deadly especially when uh taking a

557
00:24:08,210 --> 00:24:05,580
reference to the earlier played about

558
00:24:10,850 --> 00:24:08,220
the the historical aspect of all the

559
00:24:13,310 --> 00:24:10,860
people that died on that property so uh

560
00:24:14,990 --> 00:24:13,320
watch where you go people and if you got

561
00:24:16,970 --> 00:24:15,000
ghosts around you make sure they're good

562
00:24:17,710 --> 00:24:16,980
ones so they don't uh make you sick okay

563
00:24:20,350 --> 00:24:17,720

thank you
