

# PARANORMAL THINGS

1  
00:00:07,490 --> 00:00:01,030  
[Applause]

2  
00:00:13,490 --> 00:00:10,190  
well hello everyone welcome back to

3  
00:00:15,890 --> 00:00:13,500  
another fun-filled podcast Adventure yes

4  
00:00:18,290 --> 00:00:15,900  
yes money is midnight Mike Gretch is

5  
00:00:21,170 --> 00:00:18,300  
over there on screen

6  
00:00:23,810 --> 00:00:21,180  
I am I'm all the way over here

7  
00:00:25,189 --> 00:00:23,820  
I look extremely Orange today I think my

8  
00:00:26,990 --> 00:00:25,199  
lights change or something something

9  
00:00:29,450 --> 00:00:27,000  
happened is there a nuclear explosion

10  
00:00:31,970 --> 00:00:29,460  
going off outside your window

11  
00:00:33,530 --> 00:00:31,980  
college is there a false flag dirty bomb

12  
00:00:35,330 --> 00:00:33,540  
there could have been an explosion out

13  
00:00:37,430 --> 00:00:35,340

there but I'm wearing noise canceling

14

00:00:39,290 --> 00:00:37,440

headphones so I wouldn't have known

15

00:00:40,729 --> 00:00:39,300

maybe I'll know once I start my hair

16

00:00:42,950 --> 00:00:40,739

starts falling out from the radiation

17

00:00:45,549 --> 00:00:42,960

when your hair catches fire you'll know

18

00:00:48,170 --> 00:00:45,559

and uh Joe's over there too hey

19

00:00:50,510 --> 00:00:48,180

patiently waiting hi

20

00:00:53,450 --> 00:00:50,520

actually barely on time

21

00:00:56,270 --> 00:00:53,460

fairly on time uh we are streaming on

22

00:00:58,850 --> 00:00:56,280

Twitch we're on the we might be on D

23

00:01:01,670 --> 00:00:58,860

live I don't know it's possible

24

00:01:04,009 --> 00:01:01,680

and I believe we're over there on the

25

00:01:06,350 --> 00:01:04,019

new agenda stream if you're listening on

26

00:01:08,330 --> 00:01:06,360

No Agenda welcome this is the r big dumb

27

00:01:10,670 --> 00:01:08,340

mouth podcast you've listened to the

28

00:01:12,350 --> 00:01:10,680

best podcasts in the world now try the

29

00:01:14,149 --> 00:01:12,360

rest okay

30

00:01:16,850 --> 00:01:14,159

if you're if you're listening to this

31

00:01:18,710 --> 00:01:16,860

now congratulations uh

32

00:01:20,149 --> 00:01:18,720

uh this is the end of the road for you

33

00:01:21,950 --> 00:01:20,159

this is the last podcast you ever need

34

00:01:24,050 --> 00:01:21,960

to listen to okay

35

00:01:25,910 --> 00:01:24,060

this is it guys

36

00:01:27,530 --> 00:01:25,920

fact check false

37

00:01:29,570 --> 00:01:27,540

possibly

38

00:01:31,370 --> 00:01:29,580

little uh

39

00:01:34,609 --> 00:01:31,380

we need to get independent fact Checkers

40

00:01:36,830 --> 00:01:34,619

in that one uh it is Saturday and we'd

41

00:01:39,230 --> 00:01:36,840

like to have a lot of fun on Saturdays

42

00:01:41,990 --> 00:01:39,240

and there's no better way to start off

43

00:01:45,590 --> 00:01:42,000

this Saturday than with a little micro

44

00:01:47,990 --> 00:01:45,600

song all right Joe little Microsoft

45

00:01:50,810 --> 00:01:48,000

can't beat it that's where we want to be

46

00:01:54,830 --> 00:01:50,820

okay these are songs that I write I

47

00:01:57,170 --> 00:01:54,840

produce uh they're short condensed songs

48

00:02:01,310 --> 00:01:57,180

that really strike at the heart of the

49

00:02:02,210 --> 00:02:01,320

moment to convey the emotion that I'm

50

00:02:04,370 --> 00:02:02,220

feeling

51  
00:02:06,469 --> 00:02:04,380  
as uh that it's applied to the entire

52  
00:02:08,930 --> 00:02:06,479  
world so these are just songs not for me

53  
00:02:11,290 --> 00:02:08,940  
they're for the world so here we go this

54  
00:02:14,869 --> 00:02:11,300  
is my latest microsong it's called

55  
00:02:17,809 --> 00:02:14,879  
sensitive man all right sensitive man

56  
00:02:30,710 --> 00:02:20,620  
[h\_\_\h]

57  
00:02:35,449 --> 00:02:33,410  
there we go sensitive man

58  
00:02:38,990 --> 00:02:35,459  
I mean Grammy after Grammy over here

59  
00:02:42,110 --> 00:02:39,000  
it's just I'm I'm I continue to innovate

60  
00:02:44,050 --> 00:02:42,120  
the musical landscape and when I release

61  
00:02:47,809 --> 00:02:44,060  
these on Tick Tock I'm gonna dominate

62  
00:02:49,369 --> 00:02:47,819  
the the tick tock music uh Billboards if

63  
00:02:50,509 --> 00:02:49,379

that's a thing over there I'm gonna

64

00:02:53,390 --> 00:02:50,519

trend

65

00:02:58,910 --> 00:02:53,400

and I'm gonna be a 45 year old rock star

66

00:03:00,770 --> 00:02:58,920

by uh by the end of 2023 yes I will be

67

00:03:03,650 --> 00:03:00,780

can you imagine can you can you imagine

68

00:03:06,350 --> 00:03:03,660

Joe all my life I wanted to have like a

69

00:03:08,570 --> 00:03:06,360

successful music career and I you know I

70

00:03:11,210 --> 00:03:08,580

wanted to produce great music and then

71

00:03:13,790 --> 00:03:11,220

if my microsongs go viral on Tick Tock

72

00:03:16,130 --> 00:03:13,800

uh it'll be basically at the end of my

73

00:03:24,229 --> 00:03:20,270

it's like how a van Gogh only became a a

74

00:03:25,850 --> 00:03:24,239

famous and respected artist after uh he

75

00:03:28,250 --> 00:03:25,860

cut off his ear and died

76  
00:03:30,170 --> 00:03:28,260  
I think that's my next step yep get them

77  
00:03:31,369 --> 00:03:30,180  
ears locked off well I tell you what

78  
00:03:33,589 --> 00:03:31,379  
people will be cutting out their own

79  
00:03:38,509 --> 00:03:33,599  
ears once they hear my micro songs yes

80  
00:03:44,270 --> 00:03:40,970  
all right well I think you should have

81  
00:03:45,910 --> 00:03:44,280  
said uh sigh and then cry you think so

82  
00:03:49,089 --> 00:03:45,920  
you think I should um

83  
00:03:53,869 --> 00:03:49,099  
why you always sighing why you always

84  
00:03:56,809 --> 00:03:53,879  
crying yeah [\h\_\_\h] dying

85  
00:03:58,430 --> 00:03:56,819  
sensitive man yeah I think sighing you

86  
00:04:01,070 --> 00:03:58,440  
gotta boost it because you're going

87  
00:04:02,089 --> 00:04:01,080  
sighing crying dying it's like next

88  
00:04:04,250 --> 00:04:02,099

level

89

00:04:05,869 --> 00:04:04,260

well okay you know what I could switch

90

00:04:08,630 --> 00:04:05,879

them around I can definitely do a remix

91

00:04:11,149 --> 00:04:08,640

of this uh and I will take to account

92

00:04:14,210 --> 00:04:11,159

and in fact the last criticism you gave

93

00:04:16,430 --> 00:04:14,220

me about uh like how it wasn't mixed too

94

00:04:19,009 --> 00:04:16,440

well I actually went back to the the

95

00:04:21,110 --> 00:04:19,019

drawing board and that remixed it and I

96

00:04:23,090 --> 00:04:21,120

put it at the end of the last show so I

97

00:04:24,409 --> 00:04:23,100

do take your criticism uh to heart I

98

00:04:26,090 --> 00:04:24,419

know you're a big fan of music you

99

00:04:28,370 --> 00:04:26,100

listen to a lot of music so when you

100

00:04:30,590 --> 00:04:28,380

when you tell me something I listen oh

101  
00:04:32,689 --> 00:04:30,600  
boy I missed that I didn't listen to the

102  
00:04:35,210 --> 00:04:32,699  
end that's all right

103  
00:04:37,430 --> 00:04:35,220  
um I do appreciate people's criticism uh

104  
00:04:40,129 --> 00:04:37,440  
criticisms on these songs so I will I

105  
00:04:42,469 --> 00:04:40,139  
will listen in in tweak as we go along

106  
00:04:45,530 --> 00:04:42,479  
uh all right well let's move on I have

107  
00:04:46,909 --> 00:04:45,540  
some paranormal stuff for everyone

108  
00:04:48,830 --> 00:04:46,919  
there's stuff that I think everyone out

109  
00:04:51,170 --> 00:04:48,840  
there needs to know about

110  
00:04:53,930 --> 00:04:51,180  
we're coming to the end of October and

111  
00:04:56,270 --> 00:04:53,940  
so my coverage of paranormal topics will

112  
00:04:58,610 --> 00:04:56,280  
be less frequent and I'll still cover

113  
00:05:01,390 --> 00:04:58,620

Cryptids and UFOs and things like that

114

00:05:03,790 --> 00:05:01,400

as I always do but when it comes to

115

00:05:09,950 --> 00:05:03,800

Spooks specters

116

00:05:12,590 --> 00:05:09,960

and uh ghouls maybe not as frequently

117

00:05:15,230 --> 00:05:12,600

uh well I've been watching my favorite

118

00:05:18,710 --> 00:05:15,240

Channel it that's the uh Discovery plus

119

00:05:21,590 --> 00:05:18,720

channel on Amazon they have a wide

120

00:05:23,450 --> 00:05:21,600

variety of shows that I can indulge in

121

00:05:26,150 --> 00:05:23,460

last week I covered the ghost Brothers

122

00:05:27,230 --> 00:05:26,160

they were phenomenal three guys did you

123

00:05:30,890 --> 00:05:27,240

reach out to them

124

00:05:32,870 --> 00:05:30,900

I I found out that they are on Twitter I

125

00:05:34,249 --> 00:05:32,880

started following them hoping to direct

126  
00:05:35,450 --> 00:05:34,259  
message them I couldn't direct message

127  
00:05:38,210 --> 00:05:35,460  
them because they're not following me

128  
00:05:39,110 --> 00:05:38,220  
but I believe they their show continues

129  
00:05:41,150 --> 00:05:39,120  
on

130  
00:05:42,890 --> 00:05:41,160  
through DirecTV

131  
00:05:44,990 --> 00:05:42,900  
so I think they're still doing the show

132  
00:05:47,150 --> 00:05:45,000  
and so I haven't found the email for

133  
00:05:49,550 --> 00:05:47,160  
them uh I just found like their Twitter

134  
00:05:51,469 --> 00:05:49,560  
and I only have 2 000 followers so I

135  
00:05:52,730 --> 00:05:51,479  
think they're attainable to get on the

136  
00:05:54,409 --> 00:05:52,740  
show

137  
00:05:55,670 --> 00:05:54,419  
uh but they haven't gotten back to me

138  
00:05:58,070 --> 00:05:55,680

yet so

139

00:06:00,110 --> 00:05:58,080

I'll see if I can get a tweet campaign

140

00:06:01,670 --> 00:06:00,120

going so they can follow me so I can

141

00:06:04,689 --> 00:06:01,680

direct message them

142

00:06:08,050 --> 00:06:04,699

but another show that I've been watching

143

00:06:13,010 --> 00:06:08,060

that I think is uh pretty entertaining

144

00:06:15,590 --> 00:06:13,020

it is a show that the Stars the Osborne

145

00:06:19,490 --> 00:06:15,600

family you know The Osbournes yes Ozzy

146

00:06:24,110 --> 00:06:19,500

Osbourne Sharon Osborne and hosted by

147

00:06:26,689 --> 00:06:24,120

Jack the son of Ozzie uh so the the

148

00:06:29,450 --> 00:06:26,699

premise of this show is Jack who by all

149

00:06:32,029 --> 00:06:29,460

accounts seems like a pretty good guy uh

150

00:06:34,070 --> 00:06:32,039

he likes UFOs ghosts and all those all

151

00:06:38,210 --> 00:06:34,080

that kind of stuff he sits his parents

152

00:06:42,050 --> 00:06:38,220

down and shows them weird videos and

153

00:06:44,450 --> 00:06:42,060

then he gets their opinions on what

154

00:06:46,610 --> 00:06:44,460

their what they're seeing so in this

155

00:06:51,409 --> 00:06:46,620

clip and I can't play I tried to I can't

156

00:06:56,270 --> 00:06:51,419

play the uh the actual show clip video

157

00:06:58,249 --> 00:06:56,280

because of the content uh like the dmca

158

00:07:00,050 --> 00:06:58,259

software built into certain browsers and

159

00:07:01,850 --> 00:07:00,060

OBS I haven't figured out how to get

160

00:07:02,629 --> 00:07:01,860

around that yet

161

00:07:06,830 --> 00:07:02,639

um

162

00:07:09,770 --> 00:07:06,840

but in this clip uh Ozzy is watching a

163

00:07:12,950 --> 00:07:09,780

clip of this paranormal activity going

164

00:07:16,430 --> 00:07:12,960

on at this restaurant called the Moon

165

00:07:20,990 --> 00:07:16,440

River Brewery in Savannah Georgia it's a

166

00:07:24,469 --> 00:07:21,000

long uh and storied uh history of this

167

00:07:27,110 --> 00:07:24,479

Old Tavern that has had a lot of murders

168

00:07:29,689 --> 00:07:27,120

a lot of Deceit and Mayhem take place at

169

00:07:32,029 --> 00:07:29,699

this establishment and in the clip there

170

00:07:35,629 --> 00:07:32,039

they are watching a family sit down at

171

00:07:39,589 --> 00:07:35,639

this restaurant and then assault shaker

172

00:07:42,529 --> 00:07:39,599

uh it starts to move on its own so here

173

00:07:44,390 --> 00:07:42,539

is a little audio of Ozzy Osbourne and

174

00:07:47,570 --> 00:07:44,400

the rest of his family looking at

175

00:07:50,330 --> 00:07:47,580

paranormal things this one comes from

176  
00:07:53,270 --> 00:07:50,340  
the Moon River Brewery it was November

177  
00:07:55,790 --> 00:07:53,280  
of 2020 in Savannah Georgia

178  
00:07:58,809 --> 00:07:55,800  
um what did you go through earlier uh

179  
00:08:02,510 --> 00:07:58,819  
this is a family dinner that gets uh

180  
00:08:05,150 --> 00:08:02,520  
Uninvited Guest at the dinner tables

181  
00:08:07,969 --> 00:08:05,160  
well let's see let's take a look

182  
00:08:09,370 --> 00:08:07,979  
I'm standing back up Tanya they're in a

183  
00:08:11,749 --> 00:08:09,380  
restaurant yes

184  
00:08:13,129 --> 00:08:11,759  
a restaurant with a reputation for

185  
00:08:15,529 --> 00:08:13,139  
hauntings

186  
00:08:18,290 --> 00:08:15,539  
keep an eye on the salt and pepper

187  
00:08:35,050 --> 00:08:18,300  
shaker on the table what the [h\_\_h] is

188  
00:08:40,310 --> 00:08:37,670

oh I think it's something attached to

189

00:08:42,350 --> 00:08:40,320

that lady's hand on the right because

190

00:08:43,810 --> 00:08:42,360

when she went like that and cleared

191

00:08:46,310 --> 00:08:43,820

potato

192

00:08:47,389 --> 00:08:46,320

but the woman on the left just put it

193

00:08:49,730 --> 00:08:47,399

back up

194

00:08:53,210 --> 00:08:49,740

so as you can tell uh Sharon Osborne

195

00:08:55,790 --> 00:08:53,220

seems a little bit more grounded in the

196

00:08:58,850 --> 00:08:55,800

non-paranal reality she's not willing to

197

00:09:01,790 --> 00:08:58,860

indulge in in ghouls or ghosts Aussie

198

00:09:03,829 --> 00:09:01,800

seems to be pretty indulgent and can and

199

00:09:06,889 --> 00:09:03,839

I'm going to consider that there is the

200

00:09:10,009 --> 00:09:06,899

Unseen out there acting in our reality

201  
00:09:12,710 --> 00:09:10,019  
he's willing to uh at least entertain uh

202  
00:09:14,570 --> 00:09:12,720  
these crazy Notions and there's a pretty

203  
00:09:18,430 --> 00:09:14,580  
interesting history at this Moon River

204  
00:09:21,530 --> 00:09:18,440  
uh Brewery where uh back in the 1800s

205  
00:09:23,870 --> 00:09:21,540  
there was an altercation someone was

206  
00:09:26,509 --> 00:09:23,880  
shot in the basement someone was

207  
00:09:28,490 --> 00:09:26,519  
murdered on the main floor then on the

208  
00:09:30,710 --> 00:09:28,500  
second floor another murder happened so

209  
00:09:32,990 --> 00:09:30,720  
like on every level of this

210  
00:09:36,290 --> 00:09:33,000  
establishment there's been murder in

211  
00:09:39,470 --> 00:09:36,300  
Mayhem and uh those Spirits continue to

212  
00:09:42,110 --> 00:09:39,480  
haunt uh the property uh in this next

213  
00:09:44,750 --> 00:09:42,120

little clip right here they kind of uh

214

00:09:47,090 --> 00:09:44,760

just expand upon what they just saw and

215

00:09:49,430 --> 00:09:47,100

I just like listening to Ozzy Osbourne

216

00:09:53,150 --> 00:09:49,440

talk I like the fact that he's pretty

217

00:09:55,449 --> 00:09:53,160

blunt he curses a lot and as a probably

218

00:09:57,889 --> 00:09:55,459

one of the most influential musical

219

00:09:59,810 --> 00:09:57,899

icons ever hear him talk about

220

00:10:02,870 --> 00:09:59,820

paranormal stuff huh I like it it's

221

00:10:05,750 --> 00:10:02,880

funny so thoughts what's interesting

222

00:10:08,930 --> 00:10:05,760

about it is how forcefully it didn't

223

00:10:11,030 --> 00:10:08,940

just go it goes yeah because he's got

224

00:10:13,070 --> 00:10:11,040

some force behind it um do you guys want

225

00:10:16,009 --> 00:10:13,080

a bit of Back info on this location yeah

226

00:10:19,009 --> 00:10:16,019

all right so this place has a number of

227

00:10:21,050 --> 00:10:19,019

hauntings and Ghost Hunters believe uh

228

00:10:24,530 --> 00:10:21,060

people who died here during the city's

229

00:10:26,930 --> 00:10:24,540

yellow fever outbreak in 1876 haunt the

230

00:10:28,850 --> 00:10:26,940

Moon River because the building was used

231

00:10:31,370 --> 00:10:28,860

as a makeshift Hospital during the

232

00:10:33,410 --> 00:10:31,380

epidemic the building is claimed to be

233

00:10:36,410 --> 00:10:33,420

haunted by a lady in white as well as a

234

00:10:40,070 --> 00:10:36,420

spirit named James stock a gambler who

235

00:10:43,130 --> 00:10:40,080

was killed in an altercation in 1832.

236

00:10:44,290 --> 00:10:43,140

shut up dog we're [h\_\_h] filming a TV

237

00:10:47,449 --> 00:10:44,300

show

238

00:10:49,009 --> 00:10:47,459

no I think there's a something attached

239

00:10:50,389 --> 00:10:49,019

to that lady's hand so you're calling

240

00:10:52,150 --> 00:10:50,399

[h\_\_h] well

241

00:10:53,889 --> 00:10:52,160

well not knowing them

242

00:10:59,090 --> 00:10:53,899

yeah

243

00:11:02,030 --> 00:10:59,100

doesn't like it doesn't go clunk it

244

00:11:05,509 --> 00:11:02,040

comes down to the force exactly

245

00:11:09,710 --> 00:11:05,519

uh there you go he's uh always talking

246

00:11:12,769 --> 00:11:09,720

about uh bang there's boom Bao and uh

247

00:11:16,310 --> 00:11:12,779

throughout this uh there's a lot of Ozzy

248

00:11:18,170 --> 00:11:16,320

mumbling and and saying uh [h\_\_h] hell

249

00:11:19,550 --> 00:11:18,180

I love it I have like [h\_\_h] I was

250

00:11:21,350 --> 00:11:19,560

gonna try and get it out to the show

251  
00:11:24,620 --> 00:11:21,360  
can't really understand that much and

252  
00:11:31,449 --> 00:11:28,569  
[Laughter]

253  
00:11:34,630 --> 00:11:31,459  
and then he says this where's Mom

254  
00:11:38,509 --> 00:11:34,640  
where's Mom that's where where's Mom

255  
00:11:41,210 --> 00:11:38,519  
that's not unlike what Biden says mom is

256  
00:11:44,509 --> 00:11:41,220  
she here it's weird so you have two

257  
00:11:46,850 --> 00:11:44,519  
elderly people asking where the hell mom

258  
00:11:48,949 --> 00:11:46,860  
is by the way where's Mom

259  
00:11:52,550 --> 00:11:48,959  
yeah it's no coincidence there where's

260  
00:11:57,410 --> 00:11:55,009  
um and just one last clip from the

261  
00:11:59,930 --> 00:11:57,420  
osbornes not only do they look at uh

262  
00:12:03,110 --> 00:11:59,940  
Ghouls and and ghosts and Paranormal

263  
00:12:07,370 --> 00:12:03,120

Activity they also get uh get involved

264

00:12:09,650 --> 00:12:07,380

with the aliens and UFOs uh in this clip

265

00:12:12,110 --> 00:12:09,660

uh Jack Osbourne and I have the the

266

00:12:15,590 --> 00:12:12,120

video clip I'll put up on screen here uh

267

00:12:19,790 --> 00:12:15,600

Jack Osborne is showing his parents uh

268

00:12:24,069 --> 00:12:19,800

this ring video camera of these lights

269

00:12:28,190 --> 00:12:24,079

that are uh darting around

270

00:12:30,110 --> 00:12:28,200

and uh are moving in a weird way and it

271

00:12:33,050 --> 00:12:30,120

was black and white ring footage it's

272

00:12:36,110 --> 00:12:33,060

not the best uh I don't think it's the

273

00:12:37,730 --> 00:12:36,120

best footage of UFOs or anything I think

274

00:12:40,069 --> 00:12:37,740

it's actually fairly explainable from

275

00:12:42,470 --> 00:12:40,079

from the way they move

276

00:12:44,210 --> 00:12:42,480

um but here we go here this is Ozzy

277

00:12:46,730 --> 00:12:44,220

Osbourne talking about it all right how

278

00:12:49,490 --> 00:12:46,740

about some UFO stuff yes

279

00:12:52,250 --> 00:12:49,500

this uh next clip was captured

280

00:12:54,650 --> 00:12:52,260

um on a doorbell camera in Devon England

281

00:12:57,530 --> 00:12:54,660

and many people believe it to be an

282

00:13:00,350 --> 00:12:57,540

alien it's audit first but when you kind

283

00:13:04,750 --> 00:13:00,360

of watch the clip a few times to me it

284

00:13:08,389 --> 00:13:07,610

I've never seen anything like this look

285

00:13:11,030 --> 00:13:08,399

at it

286

00:13:14,150 --> 00:13:11,040

it's a camera what do you mean it's the

287

00:13:16,250 --> 00:13:14,160

camera it's not UFOs it's just a [h\_\_h]

288

00:13:17,870 --> 00:13:16,260

camera glitch that's a pretty unique

289

00:13:21,350 --> 00:13:17,880

glitch

290

00:13:23,060 --> 00:13:21,360

they're flying in perfect Unison how

291

00:13:24,350 --> 00:13:23,070

could that be a camera glitch

292

00:13:27,050 --> 00:13:24,360

[Music]

293

00:13:29,270 --> 00:13:27,060

this phenomenon has actually been

294

00:13:30,829 --> 00:13:29,280

captured by numerous cameras

295

00:13:32,750 --> 00:13:30,839

[Music]

296

00:13:34,790 --> 00:13:32,760

what do we think

297

00:13:36,470 --> 00:13:34,800

no [h\_\_h] honest you think it's like

298

00:13:38,690 --> 00:13:36,480

some kind of glitch I think it's

299

00:13:41,629 --> 00:13:38,700

something a glitch with the camera

300

00:13:44,629 --> 00:13:41,639

I've got to say no exposure but that's

301  
00:13:47,210 --> 00:13:44,639  
just a metaphoric so many huh what do we

302  
00:13:48,949 --> 00:13:47,220  
think fireflies fireflies flying in

303  
00:13:51,710 --> 00:13:48,959  
unison what are they aerial acrobat

304  
00:13:54,050 --> 00:13:51,720  
fireflies well they're little aliens if

305  
00:13:55,850 --> 00:13:54,060  
they're aliens yeah looking them to size

306  
00:13:57,410 --> 00:13:55,860  
of the car I know they probably can't

307  
00:13:59,690 --> 00:13:57,420  
see them they're not small you can't see

308  
00:14:03,110 --> 00:13:59,700  
them they must be there must be this big

309  
00:14:05,210 --> 00:14:03,120  
I think three curvied peace they are the

310  
00:14:06,530 --> 00:14:05,220  
alien version of the Red Arrows so they

311  
00:14:09,650 --> 00:14:06,540  
come to Earth and they do like these

312  
00:14:11,269 --> 00:14:09,660  
cool areas like Blue Angels give him

313  
00:14:17,030 --> 00:14:11,279

some money for a new [h\_\_h] camera

314

00:14:20,690 --> 00:14:19,490

ah so there you go and it does it does

315

00:14:23,870 --> 00:14:20,700

look like

316

00:14:27,650 --> 00:14:23,880

like a a camera flare like there's a

317

00:14:29,690 --> 00:14:27,660

light shining into the camera and it it

318

00:14:33,350 --> 00:14:29,700

just looks like a product of the camera

319

00:14:35,870 --> 00:14:33,360

there's no UFO nothing like that at all

320

00:14:37,610 --> 00:14:35,880

so I think Ozzy Osbourne and Cher nailed

321

00:14:40,670 --> 00:14:37,620

it and Jack didn't want to buy in so

322

00:14:42,530 --> 00:14:40,680

yeah I think you know those sleep Scapes

323

00:14:46,610 --> 00:14:42,540

that people listen to and fall asleep

324

00:14:49,189 --> 00:14:46,620

like water running and stuff like that

325

00:14:50,689 --> 00:14:49,199

I think Ozzy Osbourne mumbling might be

326

00:14:53,750 --> 00:14:50,699

a good that might be it like an eight

327

00:14:56,689 --> 00:14:53,760

was an as uh asrm or something like that

328

00:14:58,790 --> 00:14:56,699

SMR yeah yeah

329

00:15:00,650 --> 00:14:58,800

um yeah I would I would buy that you did

330

00:15:02,990 --> 00:15:00,660

it by you had to get like a whole

331

00:15:04,790 --> 00:15:03,000

collection like five hours of Aussie

332

00:15:05,990 --> 00:15:04,800

mumbling and talking and then if you

333

00:15:07,850 --> 00:15:06,000

ever has he ever released an audiobook

334

00:15:09,470 --> 00:15:07,860

because isn't that what that would be oh

335

00:15:10,189 --> 00:15:09,480

good question

336

00:15:12,710 --> 00:15:10,199

um

337

00:15:15,350 --> 00:15:12,720

I don't know that he has he should

338

00:15:17,269 --> 00:15:15,360

narrate a nature documentary he should

339

00:15:20,150 --> 00:15:17,279

narrate everything he should do the next

340

00:15:23,210 --> 00:15:20,160

presidential debate or he's just like do

341

00:15:25,670 --> 00:15:23,220

everything and he should swear too while

342

00:15:27,590 --> 00:15:25,680

he's doing it keep the swears like we

343

00:15:31,250 --> 00:15:27,600

can't understand his questions so he did

344

00:15:33,590 --> 00:15:31,260

his own version of the um well yeah no

345

00:15:35,509 --> 00:15:33,600

he didn't never mind damn it so he his

346

00:15:37,370 --> 00:15:35,519

book I am Aussie is read by somebody

347

00:15:38,870 --> 00:15:37,380

else that's not clear thanks no that's

348

00:15:41,090 --> 00:15:38,880

not fun you don't want that I don't want

349

00:15:43,069 --> 00:15:41,100

that why would I why he has such a to

350

00:15:46,129 --> 00:15:43,079

your point such a distinctive voice why

351

00:15:48,170 --> 00:15:46,139

would I get the audiobook version of the

352

00:15:50,689 --> 00:15:48,180

Ozzy Osbourne biography autobiography

353

00:15:52,730 --> 00:15:50,699

and not have it read by Ozzy Osbourne

354

00:15:56,090 --> 00:15:52,740

you know same thing happened with uh

355

00:15:59,750 --> 00:15:56,100

with John McCain uh John McCain had a

356

00:16:04,189 --> 00:15:59,760

book come out he only did the uh the

357

00:16:06,170 --> 00:16:04,199

preface the preface of the audiobook and

358

00:16:07,730 --> 00:16:06,180

then he had somebody else read the rest

359

00:16:11,389 --> 00:16:07,740

of the book that's where I got this from

360

00:16:12,949 --> 00:16:11,399

I had always kept my composure he he was

361

00:16:15,110 --> 00:16:12,959

he didn't want to read the entire thing

362

00:16:18,069 --> 00:16:15,120

yeah he has a busy schedule of planning

363

00:16:20,990 --> 00:16:18,079

to kill millions of people so yes

364

00:16:23,930 --> 00:16:21,000

uh but uh Bill Clinton he reads his own

365

00:16:26,389 --> 00:16:23,940

audiobook same with Hillary

366

00:16:27,829 --> 00:16:26,399

um maybe there's some sort of uh they

367

00:16:28,910 --> 00:16:27,839

asked him to stop coming back in and he

368

00:16:30,650 --> 00:16:28,920

kept showing up to tell his hot dog

369

00:16:32,389 --> 00:16:30,660

story I want to read a different book I

370

00:16:36,410 --> 00:16:32,399

want to read everyone's book keeping

371

00:16:39,350 --> 00:16:36,420

that book over there by God I enjoyed it

372

00:16:41,810 --> 00:16:39,360

um could you emote a little bit more

373

00:16:43,310 --> 00:16:41,820

um Senator McCain this is a some things

374

00:16:45,050 --> 00:16:43,320

didn't work out the way I hoped they

375

00:16:47,090 --> 00:16:45,060

would I know McCain like when you

376

00:16:49,610 --> 00:16:47,100

smashed a plane into the forestall yeah

377

00:16:53,449 --> 00:16:49,620

not always but often

378

00:16:55,850 --> 00:16:53,459

uh another a notable uh book reading

379

00:16:58,129 --> 00:16:55,860

that didn't go well uh Artie Lang a

380

00:17:00,710 --> 00:16:58,139

comedian and former host of the uh

381

00:17:03,290 --> 00:17:00,720

Howard Stern Show co-host uh he put out

382

00:17:05,510 --> 00:17:03,300

a book called too fat to fish he got

383

00:17:09,650 --> 00:17:05,520

like halfway through reading the

384

00:17:12,350 --> 00:17:09,660

audiobook and then gave up and then he

385

00:17:14,270 --> 00:17:12,360

hired one of his uh comedian friends uh

386

00:17:17,329 --> 00:17:14,280

the Reverend Bob Levy to come in and

387

00:17:20,750 --> 00:17:17,339

this guy can't read like literally he

388

00:17:23,750 --> 00:17:20,760

cannot read he reads worse than I do and

389

00:17:26,329 --> 00:17:23,760

when it comes to audiobooks and it's

390

00:17:28,130 --> 00:17:26,339

just horrible so when you go to buy

391

00:17:30,650 --> 00:17:28,140

Artie Lang's book

392

00:17:32,870 --> 00:17:30,660

you get Bob Levy

393

00:17:36,650 --> 00:17:32,880

and it just sounds horrible let's see

394

00:17:38,090 --> 00:17:36,660

see uh audiobook uh Bob does already

395

00:17:39,529 --> 00:17:38,100

letting talk about his nose in that book

396

00:17:42,650 --> 00:17:39,539

because that's no he shouldn't that that

397

00:17:45,110 --> 00:17:42,660

was it came after uh

398

00:17:46,850 --> 00:17:45,120

let's see here let's see here did his

399

00:17:50,330 --> 00:17:46,860

nose fall off or something wasn't that

400

00:17:53,210 --> 00:17:50,340

well that's what happens when you

401  
00:17:55,610 --> 00:17:53,220  
snort heroin and cocaine it just like

402  
00:17:57,710 --> 00:17:55,620  
the I think the bridge between like the

403  
00:18:00,950 --> 00:17:57,720  
bridge of the nose it just collapsed in

404  
00:18:03,230 --> 00:18:00,960  
on itself and uh he's basically has like

405  
00:18:05,150 --> 00:18:03,240  
this a flat nose like a nose you'd see

406  
00:18:10,610 --> 00:18:05,160  
like on a stuffed animal he has it like

407  
00:18:15,650 --> 00:18:13,310  
yeah there it is you put it up on screen

408  
00:18:17,029 --> 00:18:15,660  
it's he's got no nose left it's

409  
00:18:18,710 --> 00:18:17,039  
ridiculous what's going on with Hardy

410  
00:18:21,950 --> 00:18:18,720  
Lange

411  
00:18:24,350 --> 00:18:21,960  
so okay let's move on uh I got the few

412  
00:18:27,590 --> 00:18:24,360  
more stories I want to tell everyone

413  
00:18:34,490 --> 00:18:27,600

about before we uh do some other things

414

00:18:38,990 --> 00:18:37,490

the king continue on with the Paranormal

415

00:18:40,669 --> 00:18:39,000

things in

416

00:18:44,049 --> 00:18:40,679

what not

417

00:18:46,789 --> 00:18:44,059

there is a pretty pretty famous

418

00:18:49,850 --> 00:18:46,799

paranormal Poltergeist case I believe

419

00:18:52,850 --> 00:18:49,860

this when I I learned about this from

420

00:18:55,430 --> 00:18:52,860

Unsolved Mysteries growing up this was a

421

00:19:00,650 --> 00:18:55,440

this was a big one uh because there's

422

00:19:03,549 --> 00:19:00,660

pictures there are uh uh many uh reports

423

00:19:05,630 --> 00:19:03,559

there's investigative journalists and

424

00:19:08,450 --> 00:19:05,640

parapsychologists that went out to this

425

00:19:12,049 --> 00:19:08,460

house to investigate and it was very

426

00:19:13,730 --> 00:19:12,059

well researched and uh 45 years on it is

427

00:19:16,310 --> 00:19:13,740

still a mystery this is the infield

428

00:19:18,470 --> 00:19:16,320

Poltergeist photographer uh photographer

429

00:19:20,690 --> 00:19:18,480

remains perplexed

430

00:19:22,190 --> 00:19:20,700

45 years on

431

00:19:25,130 --> 00:19:22,200

and so there's a there's a famous

432

00:19:27,350 --> 00:19:25,140

photograph of uh this incident so I'll

433

00:19:29,390 --> 00:19:27,360

read down the story for anybody who

434

00:19:32,289 --> 00:19:29,400

doesn't know about this incident so

435

00:19:34,370 --> 00:19:32,299

Graham Morse was the man who captured

436

00:19:37,190 --> 00:19:34,380

photographic evidence during the

437

00:19:39,230 --> 00:19:37,200

infamous Poltergeist case

438

00:19:40,909 --> 00:19:39,240

uh there are a few paranormal cases as

439

00:19:42,650 --> 00:19:40,919

widely debated as the infield

440

00:19:44,870 --> 00:19:42,660

Poltergeist a spat of chilling

441

00:19:49,190 --> 00:19:44,880

paranormal incidents that occurred from

442

00:19:52,970 --> 00:19:49,200

1977 to 1979 at the home of mother of

443

00:19:54,890 --> 00:19:52,980

four Peggy Hodson in Infield London over

444

00:19:56,690 --> 00:19:54,900

the course of 18 months The Unexplained

445

00:19:59,029 --> 00:19:56,700

disturbances occurring at the house

446

00:20:01,190 --> 00:19:59,039

escalated from items of furniture being

447

00:20:04,190 --> 00:20:01,200

shaken to objects being thrown around

448

00:20:07,909 --> 00:20:04,200

loud knocking sounds and most terrifying

449

00:20:10,430 --> 00:20:07,919

of all the alleged alleged possession of

450

00:20:12,710 --> 00:20:10,440

an 11 year old girl Janet one of

451  
00:20:14,930 --> 00:20:12,720  
hodson's four children several people

452  
00:20:16,970 --> 00:20:14,940  
including multiple police officers

453  
00:20:20,570 --> 00:20:16,980  
witnessed these events

454  
00:20:23,650 --> 00:20:20,580  
a noble researcher Maurice Grouse from

455  
00:20:27,890 --> 00:20:23,660  
the Society of psycho cycle of physical

456  
00:20:30,169 --> 00:20:27,900  
research I guess cycle look it's weird I

457  
00:20:32,750 --> 00:20:30,179  
guess it's cycle research spent

458  
00:20:35,330 --> 00:20:32,760  
significant amounts of time observing

459  
00:20:36,110 --> 00:20:35,340  
and recording Poltergeist activity at

460  
00:20:38,510 --> 00:20:36,120  
the house

461  
00:20:40,250 --> 00:20:38,520  
photographer Graham Morse was also

462  
00:20:42,470 --> 00:20:40,260  
tasked with capturing photographic

463  
00:20:45,110 --> 00:20:42,480

evidence of the phenomena

464

00:20:47,810 --> 00:20:45,120

uh quote this call came in from the

465

00:20:49,970 --> 00:20:47,820

family they were spooked out uh spooked

466

00:20:53,330 --> 00:20:49,980

out by the whole thing Morris told the

467

00:20:54,890 --> 00:20:53,340

Metro I went in I saw things happen and

468

00:20:57,289 --> 00:20:54,900

it convinced me there was something

469

00:21:00,409 --> 00:20:57,299

happening in the house so I stayed on

470

00:21:01,909 --> 00:21:00,419

and I was there for months after that I

471

00:21:02,870 --> 00:21:01,919

was convinced that something was

472

00:21:06,409 --> 00:21:02,880

happening

473

00:21:08,870 --> 00:21:06,419

and then I stayed on night after night

474

00:21:11,750 --> 00:21:08,880

in all sorts of things started to happen

475

00:21:14,510 --> 00:21:11,760

chairs moved cupboards opened drawers

476  
00:21:17,330 --> 00:21:14,520  
opened beds turned all sorts of things

477  
00:21:19,730 --> 00:21:17,340  
so I convinced uh so it convinced me

478  
00:21:21,770 --> 00:21:19,740  
there was something happening

479  
00:21:23,750 --> 00:21:21,780  
I was so convinced that something was

480  
00:21:26,390 --> 00:21:23,760  
happening in the house and I was

481  
00:21:29,510 --> 00:21:26,400  
convinced that the children or no one

482  
00:21:32,450 --> 00:21:29,520  
was behind it no one was doing it

483  
00:21:35,210 --> 00:21:32,460  
unlike many however by the time he left

484  
00:21:37,370 --> 00:21:35,220  
the house for the final time he did not

485  
00:21:39,950 --> 00:21:37,380  
believe that these occurrences or even

486  
00:21:41,810 --> 00:21:39,960  
the work of go of a ghost instead he

487  
00:21:46,190 --> 00:21:41,820  
attributed them to something purely

488  
00:21:50,029 --> 00:21:46,200

scientific but admits that even today 45

489

00:21:53,510 --> 00:21:50,039

years on he still cannot explain what

490

00:21:58,130 --> 00:21:53,520

took place one day we'll find out he

491

00:21:59,990 --> 00:21:58,140

added so there's The Conjuring I believe

492

00:22:04,190 --> 00:22:00,000

is based on this uh episode or The

493

00:22:06,169 --> 00:22:04,200

Conjuring 2 and so uh there is a BBC

494

00:22:07,549 --> 00:22:06,179

special on this I'll play just a little

495

00:22:09,529 --> 00:22:07,559

bit there was a whole mini series on

496

00:22:11,510 --> 00:22:09,539

this about 10 years ago yeah yeah it's

497

00:22:13,490 --> 00:22:11,520

uh pretty significant I think I I

498

00:22:15,590 --> 00:22:13,500

remember some of these photographs

499

00:22:16,730 --> 00:22:15,600

um maybe you can find a few credits and

500

00:22:19,549 --> 00:22:16,740

put them up on screen while I play his

501  
00:22:20,529 --> 00:22:19,559  
audio there are photographs these events

502  
00:22:22,610 --> 00:22:20,539  
what's that

503  
00:22:25,130 --> 00:22:22,620  
okay cool

504  
00:22:28,310 --> 00:22:25,140  
so the one you have up on screen it

505  
00:22:30,409 --> 00:22:28,320  
looks like a girl jumping off the bed

506  
00:22:32,690 --> 00:22:30,419  
and another girl looks like she's

507  
00:22:34,789 --> 00:22:32,700  
terrified like sitting up in bed I'm not

508  
00:22:36,770 --> 00:22:34,799  
sure how to describe that other than

509  
00:22:38,810 --> 00:22:36,780  
exactly the way I did

510  
00:22:41,090 --> 00:22:38,820  
I'm not sure if there's any paranormal

511  
00:22:42,710 --> 00:22:41,100  
thing going on there other than they

512  
00:22:44,210 --> 00:22:42,720  
might be ruining their uh their bed

513  
00:22:45,710 --> 00:22:44,220

frames by jumping up and down the bed

514

00:22:49,190 --> 00:22:45,720

you got to be careful you're going to

515

00:22:50,630 --> 00:22:49,200

hurt your your bed doing that

516

00:22:52,789 --> 00:22:50,640

let's see I'll see if I can play a

517

00:22:56,510 --> 00:22:52,799

little bit of this uh BBC

518

00:23:02,990 --> 00:22:58,730

these teenage sisters believe they're

519

00:23:07,010 --> 00:23:03,000

haunted by a poltergeist Charlton it up

520

00:23:14,270 --> 00:23:09,649

the same questions I asked earlier

521

00:23:14,280 --> 00:23:19,190

600 devices

522

00:23:26,510 --> 00:23:22,190

I mean they really are that market

523

00:23:29,690 --> 00:23:27,350

um

524

00:23:31,430 --> 00:23:29,700

civil voices

525

00:23:33,210 --> 00:23:31,440

put the rest of the names of absolute

526

00:23:35,830 --> 00:23:33,220

rubbish

527

00:23:38,570 --> 00:23:35,840

[Music]

528

00:23:40,789 --> 00:23:38,580

okay it's a creepy voice for a kid to do

529

00:23:42,740 --> 00:23:40,799

but you just got talking like this you

530

00:23:44,330 --> 00:23:42,750

go around talking like this all the time

531

00:23:46,190 --> 00:23:44,340

[Applause]

532

00:23:50,930 --> 00:23:46,200

I mean it's creepy but you could come up

533

00:23:55,549 --> 00:23:53,450

I want to hear more of these kids talk

534

00:23:59,630 --> 00:23:55,559

how does it feel to be haunted by a

535

00:24:04,549 --> 00:24:02,390

why isn't it haunted I don't know

536

00:24:07,370 --> 00:24:04,559

does it frighten you the things that

537

00:24:10,070 --> 00:24:07,380

happen here oh well it did first but now

538

00:24:12,649 --> 00:24:10,080

I've got more use to it I'm going to

539

00:24:16,310 --> 00:24:12,659

accept the things that happen it's like

540

00:24:22,250 --> 00:24:16,320

recovered it man can I eat it man

541

00:24:22,260 --> 00:24:28,610

have you tried telling it to go away

542

00:24:34,130 --> 00:24:31,850

what does it reply

543

00:24:36,830 --> 00:24:34,140

no it won't be staying when I was six

544

00:24:40,610 --> 00:24:38,990

kids are a boar they're not being uh

545

00:24:42,710 --> 00:24:40,620

what'd you say there it's been doing it

546

00:24:45,350 --> 00:24:42,720

for 16 years what did she say oh

547

00:24:46,789 --> 00:24:45,360

everyone in there I remind you bookshelf

548

00:24:49,789 --> 00:24:46,799

football yeah

549

00:24:56,390 --> 00:24:53,210

have you tried telling it to go away yes

550

00:25:01,789 --> 00:24:59,049

what does it reply

551

00:25:02,750 --> 00:25:01,799

no well he's staying when I was six

552

00:25:10,430 --> 00:25:02,760

seven

553

00:25:12,230 --> 00:25:10,440

what they said then they they this is

554

00:25:14,090 --> 00:25:12,240

like there's like a little boy and a

555

00:25:14,990 --> 00:25:14,100

little girl they're like super little I

556

00:25:16,970 --> 00:25:15,000

would say

557

00:25:19,250 --> 00:25:16,980

put yeah put them like right around 10

558

00:25:24,789 --> 00:25:19,260

to 14 years of age when they're when

559

00:25:31,850 --> 00:25:29,390

yeah speak speak yeah

560

00:25:34,669 --> 00:25:31,860

is anybody there

561

00:25:40,230 --> 00:25:37,850

who's there doctor

562

00:25:47,870 --> 00:25:40,240

who

563

00:25:52,070 --> 00:25:49,789

talk come on

564

00:25:54,710 --> 00:25:52,080

he's riveting hello hello

565

00:25:56,750 --> 00:25:54,720

and it's a bit of a bore like this kid

566

00:25:58,390 --> 00:25:56,760

just can't perform like on cue doesn't

567

00:26:01,730 --> 00:25:58,400

he realize his cameras are on here

568

00:26:04,130 --> 00:26:01,740

daylight for burning film here kid

569

00:26:05,630 --> 00:26:04,140

this isn't cheap video you know they had

570

00:26:07,610 --> 00:26:05,640

to drove all the way up from London for

571

00:26:11,090 --> 00:26:07,620

this yeah

572

00:26:13,909 --> 00:26:11,100

dance monkey punch it up a little bit

573

00:26:16,669 --> 00:26:13,919

I I'd like to uh I'll see if if there's

574

00:26:18,769 --> 00:26:16,679

any interviews with these kids uh we're

575

00:26:20,690 --> 00:26:18,779

not kids anymore at this point adults

576

00:26:22,490 --> 00:26:20,700

like they grew up they had this was in

577

00:26:25,070 --> 00:26:22,500

their late 70s right yeah they had this

578

00:26:26,930 --> 00:26:25,080

paranormal experience when they were in

579

00:26:29,630 --> 00:26:26,940

their early teens you know maybe they've

580

00:26:32,090 --> 00:26:29,640

grown up as a to adults and they could

581

00:26:34,610 --> 00:26:32,100

look back and I was like uh we were just

582

00:26:39,110 --> 00:26:34,620

fabricating it at the time for attention

583

00:26:41,810 --> 00:26:39,120

or no genuinely something was very goofy

584

00:26:43,789 --> 00:26:41,820

I can't explain what was going on maybe

585

00:26:45,890 --> 00:26:43,799

they would say that so

586

00:26:49,130 --> 00:26:45,900

uh but a lot of movies have been made

587

00:26:50,870 --> 00:26:49,140

about this a lot of specials uh very

588

00:27:00,669 --> 00:26:50,880

fascinating stuff so

589

00:27:07,370 --> 00:27:03,289

the last picture you posted Gretch it

590

00:27:09,830 --> 00:27:07,380

was a a bed flipped upside down like uh

591

00:27:12,049 --> 00:27:09,840

these beds are just being rolled yeah so

592

00:27:13,610 --> 00:27:12,059

apparently that was one of the biggest

593

00:27:15,830 --> 00:27:13,620

um the biggest types of activity in the

594

00:27:18,950 --> 00:27:15,840

house was really to do heavy pieces of

595

00:27:20,690 --> 00:27:18,960

furniture being moved that most likely

596

00:27:22,010 --> 00:27:20,700

could not be moved by these two young

597

00:27:24,289 --> 00:27:22,020

girls

598

00:27:28,310 --> 00:27:24,299

no it's not going to say impossible but

599

00:27:30,230 --> 00:27:28,320

ghost movers like uh people who died and

600

00:27:32,269 --> 00:27:30,240

their profession during two ghosts in a

601  
00:27:34,190 --> 00:27:32,279  
truck two ghosts in the truck exactly

602  
00:27:35,450 --> 00:27:34,200  
man you hire these people they get the

603  
00:27:37,430 --> 00:27:35,460  
job done

604  
00:27:39,950 --> 00:27:37,440  
when even when you don't want things to

605  
00:27:41,870 --> 00:27:39,960  
move they'll do it for you right

606  
00:27:44,029 --> 00:27:41,880  
all right

607  
00:27:46,549 --> 00:27:44,039  
um so there's some little ghost news for

608  
00:27:49,549 --> 00:27:46,559  
everyone out there all right

609  
00:27:53,269 --> 00:27:49,559  
uh Joe where do you want to go oh boy

610  
00:27:55,310 --> 00:27:53,279  
it's me already yeah yeah yes where do

611  
00:27:58,250 --> 00:27:55,320  
you want to go I loved that that was

612  
00:28:04,430 --> 00:28:01,610  
so okay let me let me find the one

613  
00:28:05,529 --> 00:28:04,440

that'll start us off the best so Pelosi

614

00:28:09,850 --> 00:28:05,539

yeah

615

00:28:12,289 --> 00:28:09,860

Paul Pelosi's been in the news

616

00:28:15,830 --> 00:28:12,299

pelosina's evening entertainment yeah

617

00:28:19,190 --> 00:28:15,840

twice now in recent uh

618

00:28:20,510 --> 00:28:19,200

happenings and uh here let me grab this

619

00:28:23,750 --> 00:28:20,520

one this might be a good one because

620

00:28:25,430 --> 00:28:23,760

these are the sort of Normie folks

621

00:28:27,350 --> 00:28:25,440

um yeah he's been in the news a couple

622

00:28:30,049 --> 00:28:27,360

times in the last couple months and uh

623

00:28:33,049 --> 00:28:30,059

both times for being hammered

624

00:28:35,750 --> 00:28:33,059

there's a lame joke

625

00:28:37,669 --> 00:28:35,760

basically Nancy Pelosi's husband was

626

00:28:41,450 --> 00:28:37,679

beaten with a hammer apparently

627

00:28:43,669 --> 00:28:41,460

oh really or was he I know dude I at

628

00:28:47,090 --> 00:28:43,679

first it was reported so benign like oh

629

00:28:48,710 --> 00:28:47,100

man this crazy guy Baroque and and the

630

00:28:50,930 --> 00:28:48,720

whole thing is starting to become a

631

00:28:53,510 --> 00:28:50,940

giant conspiracy it's incredible give us
