

DREAMLAND RAID

1
00:00:08,830 --> 00:00:01,030
[Applause]

2
00:00:17,050 --> 00:00:12,410
so I got up on screen here there was a

3
00:00:20,750 --> 00:00:17,060
big raid a big FBI raid on uh a

4
00:00:23,170 --> 00:00:20,760
paranormal UFO website now the website

5
00:00:26,269 --> 00:00:23,180
is called

6
00:00:27,650 --> 00:00:26,279
dreamlandresort.com and what I love

7
00:00:31,849 --> 00:00:27,660
about this website I have it up on

8
00:00:33,709 --> 00:00:31,859
screen is that it looks like it was uh

9
00:00:36,350 --> 00:00:33,719
created in 1995 and I'm pretty sure

10
00:00:40,670 --> 00:00:36,360
that's when it was created and they

11
00:00:44,630 --> 00:00:40,680
never updated the UI the HTML any of the

12
00:00:47,090 --> 00:00:44,640
inline CSS it is the exact same website

13
00:00:48,709 --> 00:00:47,100

that was probably created uh over 20

14

00:00:51,049 --> 00:00:48,719
years ago and this guy like I don't

15

00:00:53,389 --> 00:00:51,059
believe this website has CSS it might

16

00:00:55,250 --> 00:00:53,399
not it might not

17

00:00:56,569 --> 00:00:55,260
um it might just have a straight up HTML

18

00:00:58,369 --> 00:00:56,579
I think this is probably written in

19

00:01:00,110 --> 00:00:58,379
straight HTML so you know this is

20

00:01:02,450 --> 00:01:00,120
probably created by a guy that's living

21

00:01:03,529 --> 00:01:02,460
out there by Area 51 another name for

22

00:01:08,149 --> 00:01:03,539
Dreamland

23

00:01:11,330 --> 00:01:08,159
and he reports on all the goings ons uh

24

00:01:13,969 --> 00:01:11,340
in and around Area 51 and he was rated

25

00:01:17,570 --> 00:01:13,979
so up on screen here I got a little

26

00:01:20,289 --> 00:01:17,580

Twitter and this is uh twit tweet

27

00:01:23,870 --> 00:01:20,299

Inception as this is report reported by

28

00:01:27,590 --> 00:01:23,880

Disclose TV who's doing a screen capture

29

00:01:32,210 --> 00:01:27,600

of George Knapp's Twitter

30

00:01:35,210 --> 00:01:32,220

and George Knapp is reporting that FBI

31

00:01:36,830 --> 00:01:35,220

agents came down hard on the operator of

32

00:01:39,830 --> 00:01:36,840

a popular website devoted to All Things

33

00:01:43,670 --> 00:01:39,840

Area 51 it's programs lore and Legacy

34

00:01:47,230 --> 00:01:43,680

more than a dozen agents served a no

35

00:01:51,469 --> 00:01:47,240

knock warrant on the Rachel Nevada home

36

00:01:53,810 --> 00:01:51,479

of you're in our new the owner of Dream

37

00:01:55,789 --> 00:01:53,820

dreamlandresort.com

38

00:01:57,889 --> 00:01:55,799

ready over a dozen they had to send 12

39

00:01:59,510 --> 00:01:57,899

people yeah to go after this guy yeah

40

00:02:02,749 --> 00:01:59,520

and it's got you know he's probably

41

00:02:05,690 --> 00:02:02,759

living alone in a filthy Shack in Rachel

42

00:02:09,350 --> 00:02:05,700

Nevada all it's all dusty and there's

43

00:02:11,210 --> 00:02:09,360

like a bunch of old like 1995 like

44

00:02:12,850 --> 00:02:11,220

Windows computers just laying around

45

00:02:16,490 --> 00:02:12,860

there

46

00:02:18,830 --> 00:02:16,500

and they got 12 FBI agents raiding that

47

00:02:22,369 --> 00:02:18,840

uh thing so They seized all computers

48

00:02:25,250 --> 00:02:22,379

files phones photos at the same time

49

00:02:28,550 --> 00:02:25,260

another team of a dozen or more agents

50

00:02:30,530 --> 00:02:28,560

stormed into arus uh Las Vegas homes

51
00:02:33,589 --> 00:02:30,540
seized All Digital devices and files

52
00:02:37,010 --> 00:02:33,599
held his girlfriend at gunpoint

53
00:02:40,550 --> 00:02:37,020
uh the warrants were served one week ago

54
00:02:43,250 --> 00:02:40,560
our new uh noted on his site that he

55
00:02:45,290 --> 00:02:43,260
does not know the reason for the raid or

56
00:02:48,170 --> 00:02:45,300
whether specific images of the secret

57
00:02:51,650 --> 00:02:48,180
base posted online may have initiated

58
00:02:52,850 --> 00:02:51,660
such a vigorous action by federal law

59
00:02:54,350 --> 00:02:52,860
enforcement we're getting more

60
00:02:57,650 --> 00:02:54,360
information according to George Knapp

61
00:02:59,570 --> 00:02:57,660
now this guy's uh he's been on the

62
00:03:03,350 --> 00:02:59,580
Forefront of covering all things area

63
00:03:08,270 --> 00:03:03,360

51. now back in the the 90s I would say

64

00:03:10,750 --> 00:03:08,280

early 90s there were a lot of uh Area 51

65

00:03:14,089 --> 00:03:10,760

um I I want to say

66

00:03:15,589 --> 00:03:14,099

I don't know the um enthusiasts that

67

00:03:17,690 --> 00:03:15,599

would go out there and they would post

68

00:03:19,430 --> 00:03:17,700

up on a mountain range that overlooked

69

00:03:22,130 --> 00:03:19,440

Area 51 and they could get some pretty

70

00:03:23,990 --> 00:03:22,140

good photos of what was going on uh and

71

00:03:26,990 --> 00:03:24,000

again if you had a good telescopic lens

72

00:03:29,390 --> 00:03:27,000

and you had the time you could see some

73

00:03:30,890 --> 00:03:29,400

pretty interesting things uh since that

74

00:03:32,930 --> 00:03:30,900

time in the early 90s the federal

75

00:03:35,509 --> 00:03:32,940

government said uh-uh we're scooping up

76

00:03:39,649 --> 00:03:35,519

all that land and it pushed everyone's

77

00:03:41,390 --> 00:03:39,659

uh legal ability to look at the at the

78

00:03:44,089 --> 00:03:41,400

base uh way further back I don't I don't

79

00:03:45,710 --> 00:03:44,099

even know you can look at it from a

80

00:03:47,030 --> 00:03:45,720

mountain range is that recall they

81

00:03:49,729 --> 00:03:47,040

bought like the next mountain range over

82

00:03:52,070 --> 00:03:49,739

so you you're now a full a full range

83

00:03:54,229 --> 00:03:52,080

separated from what's going on at the at

84

00:03:55,789 --> 00:03:54,239

the air base yeah

85

00:03:57,350 --> 00:03:55,799

so this guy was probably on the

86

00:04:01,070 --> 00:03:57,360

Forefront of them but uh I'm gonna guess

87

00:04:05,089 --> 00:04:01,080

so he has a press release regarding the

88

00:04:07,550 --> 00:04:05,099

FBI raid on dreamlandresort.com

89

00:04:10,330 --> 00:04:07,560

um I know I can't pronounce his name it

90

00:04:16,490 --> 00:04:13,149

j-o-e-r-g is this

91

00:04:20,330 --> 00:04:16,500

it sounds like York maybe York yeah so

92

00:04:23,330 --> 00:04:20,340

is this uh Swedish you're a Finnish

93

00:04:25,790 --> 00:04:23,340

oh probably Danish maybe there are there

94

00:04:30,350 --> 00:04:25,800

are a lot of uh uh like Northern

95

00:04:33,790 --> 00:04:30,360

Europeans who do go to area 51. like a

96

00:04:37,010 --> 00:04:33,800

couple years ago there were two uh a

97

00:04:39,409 --> 00:04:37,020

Finnish or Northern Europeans who got

98

00:04:41,030 --> 00:04:39,419

busted German yeah China they were

99

00:04:44,090 --> 00:04:41,040

trying they got busted trying to break

100

00:04:45,890 --> 00:04:44,100

into Area 51 so well that's not good I

101
00:04:47,210 --> 00:04:45,900
mean it's one thing to stand on a

102
00:04:48,650 --> 00:04:47,220
Hillside and look over a fence there's

103
00:04:51,710 --> 00:04:48,660
another thing to like try to cut the

104
00:04:55,370 --> 00:04:51,720
fence yeah this is right around the time

105
00:04:57,230 --> 00:04:55,380
of the storm Area 51 uh thing that

106
00:04:59,210 --> 00:04:57,240
happened in 2019 so right around that

107
00:05:01,010 --> 00:04:59,220
time there are other other people

108
00:05:02,830 --> 00:05:01,020
of European descent trying to bust in

109
00:05:07,070 --> 00:05:02,840
there so here's the press release I am

110
00:05:09,770 --> 00:05:07,080
jorin our new owner and webmaster of the

111
00:05:12,650 --> 00:05:09,780
Dreamland Resort website the subject of

112
00:05:15,050 --> 00:05:12,660
the website is searching about this

113
00:05:16,810 --> 00:05:15,060

website is area 51. I have operated that

114

00:05:20,990 --> 00:05:16,820

website since

115

00:05:22,370 --> 00:05:21,000

1999 and it looks it it does look it I I

116

00:05:23,930 --> 00:05:22,380

like it though I can't remember the

117

00:05:25,790 --> 00:05:23,940

password on how to change the background

118

00:05:27,529 --> 00:05:25,800

colors it only the only thing that's

119

00:05:30,529 --> 00:05:27,539

missing from this website so far is a

120

00:05:33,469 --> 00:05:30,539

rotating skull like a rotating skull gif

121

00:05:35,689 --> 00:05:33,479

and some other flashing text flashing

122

00:05:37,969 --> 00:05:35,699

tests and Marquee text that Scrolls yeah

123

00:05:39,350 --> 00:05:37,979

the Marquee oh I missed that yeah oh

124

00:05:41,810 --> 00:05:39,360

yeah that's College days there yeah

125

00:05:45,409 --> 00:05:41,820

those are some fun tags Marquee texting

126

00:05:48,469 --> 00:05:45,419

new update update new check out this

127

00:05:50,930 --> 00:05:48,479

Viagra pill from some some uh gifts that

128

00:05:52,249 --> 00:05:50,940

some random misshapen miss-sized gifts

129

00:05:54,170 --> 00:05:52,259

just throwing in there let's say like

130

00:05:55,550 --> 00:05:54,180

news and it's rotating Chris could you

131

00:05:59,689 --> 00:05:55,560

see if you can find the classic rotating

132

00:06:02,990 --> 00:05:59,699

skull GIF and put it up on uh skull yeah

133

00:06:04,610 --> 00:06:03,000

I remember that from like the 1990s in

134

00:06:07,249 --> 00:06:04,620

uh on the web it's like a classic

135

00:06:09,529 --> 00:06:07,259

rotating skulls this one

136

00:06:11,090 --> 00:06:09,539

uh yeah I think that's it right there

137

00:06:12,830 --> 00:06:11,100

that's perfect yep that's the one I want

138

00:06:14,689 --> 00:06:12,840

on I'm gonna actually put that on our

139

00:06:18,170 --> 00:06:14,699

website obdmpi.com

140

00:06:20,510 --> 00:06:18,180

put that on all websites yeah

141

00:06:23,090 --> 00:06:20,520

uh but anyways back to the uh press

142

00:06:26,510 --> 00:06:23,100

release I'll find dancing baby next yeah

143

00:06:29,749 --> 00:06:26,520

please uh last week Thursday

144

00:06:32,390 --> 00:06:29,759

um this was November 3rd in the early uh

145

00:06:34,790 --> 00:06:32,400

morning my home in Rachel Nevada

146

00:06:38,110 --> 00:06:34,800

and in Las Vegas were searched by a

147

00:06:41,390 --> 00:06:38,120

Joint Force of FBI and

148

00:06:43,790 --> 00:06:41,400

afosi I think that's uh Air Force office

149

00:06:46,550 --> 00:06:43,800

of security

150

00:06:48,290 --> 00:06:46,560

uh let me let me double check that but

151
00:06:49,969 --> 00:06:48,300
it's Air Force

152
00:06:54,050 --> 00:06:49,979
me uh

153
00:06:56,689 --> 00:06:54,060
see what was the acronym o-s-i

154
00:06:58,610 --> 00:06:56,699
uh Department of Air Force office of

155
00:07:01,790 --> 00:06:58,620
special investigations

156
00:07:04,189 --> 00:07:01,800
so this guy's up to Creek so

157
00:07:05,629 --> 00:07:04,199
um change that to secret intelligence uh

158
00:07:08,629 --> 00:07:05,639
this happened without any warning the

159
00:07:10,070 --> 00:07:08,639
doors are broken open in and I and

160
00:07:13,129 --> 00:07:10,080
Rachel and my girlfriend in Las Vegas

161
00:07:15,469 --> 00:07:13,139
homes were uh we were both detained and

162
00:07:17,510 --> 00:07:15,479
treated in the most disrespectful way my

163
00:07:20,089 --> 00:07:17,520

girlfriend was led out into the street

164

00:07:21,890 --> 00:07:20,099

Barefoot and only in her underwear in

165

00:07:23,930 --> 00:07:21,900

full view of the neighbors I was led

166

00:07:25,670 --> 00:07:23,940

outside handcuffed and only in a t-shirt

167

00:07:28,610 --> 00:07:25,680

in my sweats in sub freezing

168

00:07:31,189 --> 00:07:28,620

temperatures each home was searched by

169

00:07:33,170 --> 00:07:31,199

15 to 20 agents in full riot gear

170

00:07:35,990 --> 00:07:33,180

causing further damages in both homes

171

00:07:38,510 --> 00:07:36,000

besides the broken front doors despite

172

00:07:40,010 --> 00:07:38,520

my repeated request for an explanation I

173

00:07:43,309 --> 00:07:40,020

was only told that the search was

174

00:07:44,689 --> 00:07:43,319

related to images posted on my area 51

175

00:07:47,450 --> 00:07:44,699

website

176

00:07:49,550 --> 00:07:47,460

I was very surprised how forceful the

177

00:07:53,210 --> 00:07:49,560

search warrant was executed and how

178

00:07:56,270 --> 00:07:53,220

rough we both unarmed senior citizens

179

00:07:58,010 --> 00:07:56,280

were treated I uh I have to believe that

180

00:08:01,010 --> 00:07:58,020

someone gave them bad information about

181

00:08:04,070 --> 00:08:01,020

us all my laptops phones backup drives

182

00:08:05,990 --> 00:08:04,080

camera gear and my drone were seized

183

00:08:08,210 --> 00:08:06,000

with the equipment I lost all my medical

184

00:08:10,790 --> 00:08:08,220

records financial and tax records

185

00:08:11,570 --> 00:08:10,800

passwords emails and phone contacts

186

00:08:14,510 --> 00:08:11,580

photos

187

00:08:17,390 --> 00:08:14,520

Etc even my phone was taken leaving me

188

00:08:19,909 --> 00:08:17,400

in Rachel with two broken doors and no

189

00:08:22,969 --> 00:08:19,919

way to communicate or to call for help

190

00:08:26,650 --> 00:08:22,979

not counting my expected legal expenses

191

00:08:28,850 --> 00:08:26,660

my losses so far total

192

00:08:32,329 --> 00:08:28,860

twenty thousand dollars in equipment

193

00:08:36,170 --> 00:08:32,339

taken and over five thousand in Damages

194

00:08:38,089 --> 00:08:36,180

wow there are uh 40 pages missing uh

195

00:08:40,490 --> 00:08:38,099

missing from the search warrant I

196

00:08:42,649 --> 00:08:40,500

received and the case records are sealed

197

00:08:45,290 --> 00:08:42,659

so I cannot look up the reason for the

198

00:08:46,790 --> 00:08:45,300

search and I do not want to speculate I

199

00:08:49,370 --> 00:08:46,800

left several messages with the FBI

200

00:08:51,650 --> 00:08:49,380

agents in charge but he has not returned

201
00:08:53,750 --> 00:08:51,660
any of my calls at this point I have no

202
00:08:55,850 --> 00:08:53,760
choice but to take legal action to try

203
00:08:59,630 --> 00:08:55,860
and get my equipment back and to seek

204
00:09:04,009 --> 00:08:59,640
reimbursement for the damages

205
00:09:04,970 --> 00:09:04,019
good luck buddy all right good luck do

206
00:09:07,430 --> 00:09:04,980
you know correction off top of your head

207
00:09:08,810 --> 00:09:07,440
do they have to reimburse for any

208
00:09:09,949 --> 00:09:08,820
damages like this I don't think that

209
00:09:12,170 --> 00:09:09,959
they do

210
00:09:14,090 --> 00:09:12,180
depends you could file a civil suit if

211
00:09:15,889 --> 00:09:14,100
it's if it's a wrongful prosecution or

212
00:09:17,030 --> 00:09:15,899
things like that and potentially

213
00:09:18,769 --> 00:09:17,040

um if you can prove it'll be a

214

00:09:21,110 --> 00:09:18,779

multi-year thing he'd have to you know

215

00:09:24,230 --> 00:09:21,120

engage several lawyers it will be a a

216

00:09:26,150 --> 00:09:24,240

five or ten year uh lift to do it and

217

00:09:28,730 --> 00:09:26,160

you may find at the end that judge then

218

00:09:33,170 --> 00:09:28,740

says okay we agree this was a mistake

219

00:09:35,210 --> 00:09:33,180

this was uh um uh damages were caused by

220

00:09:36,889 --> 00:09:35,220

you know federal agents uh so we will

221

00:09:38,930 --> 00:09:36,899

reimburse you for that cost no he's

222

00:09:40,730 --> 00:09:38,940

eight years later and two hundred

223

00:09:43,670 --> 00:09:40,740

thousand dollars in on it so yeah and

224

00:09:46,130 --> 00:09:43,680

good luck and they may they may agree to

225

00:09:48,290 --> 00:09:46,140

reimburse but it will take 10 years for

226

00:09:50,690 --> 00:09:48,300

you to see that money

227

00:09:52,850 --> 00:09:50,700

um let's drag it out uh in an effort to

228

00:09:54,650 --> 00:09:52,860

defuse a situation I have removed some

229

00:09:57,290 --> 00:09:54,660

material from my Dreamland Resort

230

00:09:59,269 --> 00:09:57,300

website although I believe it was

231

00:10:01,370 --> 00:09:59,279

legally obtained and legal to publish

232

00:10:03,889 --> 00:10:01,380

I'm not sharing anything on my website

233

00:10:06,230 --> 00:10:03,899

that cannot be found on dozens of other

234

00:10:08,690 --> 00:10:06,240

websites and news Outlet news Outlet

235

00:10:11,150 --> 00:10:08,700

Publications considering how this went

236

00:10:13,250 --> 00:10:11,160

down I have no intention of removing any

237

00:10:15,590 --> 00:10:13,260

more material unless ordered to do

238

00:10:18,230 --> 00:10:15,600

unless order to do so by a federal judge

239

00:10:20,750 --> 00:10:18,240

I believe the search executed with

240

00:10:22,670 --> 00:10:20,760

complete unnecessarily I believe the

241

00:10:25,070 --> 00:10:22,680

search executed with completely

242

00:10:27,170 --> 00:10:25,080

unnecessary Force by overzealous

243

00:10:29,810 --> 00:10:27,180

government agents was meant as a message

244

00:10:32,930 --> 00:10:29,820

to silence the area 51 research

245

00:10:35,509 --> 00:10:32,940

Community the question is how far will

246

00:10:36,650 --> 00:10:35,519

they go it definitely will have a

247

00:10:38,329 --> 00:10:36,660

chilling effect that anybody else

248

00:10:39,889 --> 00:10:38,339

related to this to make them think twice

249

00:10:41,750 --> 00:10:39,899

before publishing stuff which isn't

250

00:10:43,250 --> 00:10:41,760

probably the point of this is hey let's

251
00:10:44,810 --> 00:10:43,260
just go get this guy he's right down the

252
00:10:46,190 --> 00:10:44,820
road let's go kick in his door at four

253
00:10:48,170 --> 00:10:46,200
in the morning

254
00:10:50,210 --> 00:10:48,180
um rough him up and step on anything

255
00:10:52,130 --> 00:10:50,220
then we'll return everything in about a

256
00:10:54,650 --> 00:10:52,140
week and say oh sorry but what that'll

257
00:10:57,650 --> 00:10:54,660
do is have the the desired effect of

258
00:10:59,389 --> 00:10:57,660
anybody else who might have leaked

259
00:11:00,470 --> 00:10:59,399
documents or whatever I I don't know if

260
00:11:01,970 --> 00:11:00,480
it was stuff like that he doesn't say

261
00:11:04,610 --> 00:11:01,980
what it wasn't but he didn't say he

262
00:11:07,190 --> 00:11:04,620
removed stuff yeah he did so he clearly

263
00:11:08,810 --> 00:11:07,200

knew what they were complaining about he

264

00:11:11,750 --> 00:11:08,820

probably there's somebody inside sent

265

00:11:13,610 --> 00:11:11,760

him some you know some documentation or

266

00:11:15,050 --> 00:11:13,620

or whatever

267

00:11:16,730 --> 00:11:15,060

um it will definitely have a chilling

268

00:11:17,930 --> 00:11:16,740

effect on anybody else considering

269

00:11:20,269 --> 00:11:17,940

publishing this stuff same thing we're

270

00:11:22,009 --> 00:11:20,279

seeing with with Alex Jones and Kanye to

271

00:11:23,810 --> 00:11:22,019

some extent yeah anybody who's got a big

272

00:11:25,190 --> 00:11:23,820

platform who wants to come out and say

273

00:11:27,769 --> 00:11:25,200

things

274

00:11:28,490 --> 00:11:27,779

um protected by Free Speech or not they

275

00:11:30,350 --> 00:11:28,500

will

276

00:11:32,090 --> 00:11:30,360

come after you with frivolous lawsuits

277

00:11:35,030 --> 00:11:32,100

left and right and keep you tied up in

278

00:11:37,310 --> 00:11:35,040

court for the next 10 years so everyone

279

00:11:39,410 --> 00:11:37,320

punitive damages the only thing that

280

00:11:42,710 --> 00:11:39,420

thing that I can think of and I don't I

281

00:11:45,110 --> 00:11:42,720

don't pay attention to the area 51 like

282

00:11:46,430 --> 00:11:45,120

Community like hardcore

283

00:11:49,550 --> 00:11:46,440

um but there was an image floating

284

00:11:51,769 --> 00:11:49,560

around I would say last week that

285

00:11:55,970 --> 00:11:51,779

reported to show

286

00:11:58,490 --> 00:11:55,980

Area 51 firefighting exercises and now

287

00:11:59,990 --> 00:11:58,500

that was that was the explanation given

288

00:12:01,850 --> 00:12:00,000

to this image and I'm not going to show

289

00:12:05,030 --> 00:12:01,860

the image because I don't want anybody

290

00:12:08,870 --> 00:12:06,050

um

291

00:12:11,990 --> 00:12:08,880

but it showed like just like I I believe

292

00:12:15,470 --> 00:12:12,000

like a weird type of like triangular

293

00:12:19,310 --> 00:12:15,480

type of uh structure

294

00:12:22,310 --> 00:12:19,320

um and there was a speculation that they

295

00:12:25,389 --> 00:12:22,320

were this the structure down there was

296

00:12:28,250 --> 00:12:25,399

used for training in drills regarding

297

00:12:30,050 --> 00:12:28,260

firefighting now I suspect that that

298

00:12:32,150 --> 00:12:30,060

could be a very plausible explanation

299

00:12:33,530 --> 00:12:32,160

I'm sure things are constantly blowing

300

00:12:37,190 --> 00:12:33,540

up over there when they're testing new

301
00:12:42,290 --> 00:12:37,200
aircraft or technology uh [\h__\h] just goes

302
00:12:45,530 --> 00:12:42,300
crazy and uh maybe but maybe it wasn't a

303
00:12:48,290 --> 00:12:45,540
firefighting related exercise and what

304
00:12:50,269 --> 00:12:48,300
they posted was something a little bit

305
00:12:52,190 --> 00:12:50,279
more sensitive

306
00:12:53,870 --> 00:12:52,200
possible

307
00:12:55,910 --> 00:12:53,880
well that's that's a good point if

308
00:12:57,350 --> 00:12:55,920
somebody if if as part of some sort of

309
00:12:59,329 --> 00:12:57,360
joint firefighting or joint sort of

310
00:13:01,550 --> 00:12:59,339
Emergency Response exercise the Air

311
00:13:02,990 --> 00:13:01,560
Force had other local fire crews out

312
00:13:05,569 --> 00:13:03,000
there it would be easy for someone to

313
00:13:08,569 --> 00:13:05,579

snap a photo with his phone and send it

314

00:13:10,129 --> 00:13:08,579

to this guy he then publishes it and it

315

00:13:11,569 --> 00:13:10,139

turns out you know it could be some

316

00:13:13,430 --> 00:13:11,579

something innocent that yes here's a

317

00:13:15,230 --> 00:13:13,440

firefighting thing in the background is

318

00:13:16,310 --> 00:13:15,240

our new radar array that oh [h__h] that

319

00:13:18,230 --> 00:13:16,320

shouldn't be out there you know stuff

320

00:13:20,329 --> 00:13:18,240

like that can happen why they would come

321

00:13:22,069 --> 00:13:20,339

kicking down doors when all it takes and

322

00:13:23,870 --> 00:13:22,079

the FBI has done this a number of times

323

00:13:26,030 --> 00:13:23,880

is they can seize the domain and shot on

324

00:13:27,470 --> 00:13:26,040

the website immediately yeah so why they

325

00:13:29,629 --> 00:13:27,480

have to go kick down doors and stuff

326

00:13:32,750 --> 00:13:29,639

doesn't make any sense

327

00:13:34,670 --> 00:13:32,760

uh-oh well that's not the FBI because

328

00:13:36,590 --> 00:13:34,680

they're probably not going to knock

329

00:13:39,110 --> 00:13:36,600

so it's it's definitely not the FBI sure

330

00:13:44,710 --> 00:13:39,120

they specified a no knock they just they

331

00:13:53,990 --> 00:13:48,949

no it's way past that it's an FBI no

332

00:13:59,210 --> 00:13:56,030

FBI dressing up as trick-or-treaters

333

00:14:01,009 --> 00:13:59,220

that's how they get you sneakers I know

334

00:14:02,990 --> 00:14:01,019

it's not true because we're well into

335

00:14:05,449 --> 00:14:03,000

November 12 people over six feet

336

00:14:08,810 --> 00:14:05,459

carrying a little like little orange

337

00:14:10,970 --> 00:14:08,820

buckets and pillowcases oh look hey wait

338

00:14:11,870 --> 00:14:10,980

a minute that's nice they almost fooled

339

00:14:14,690 --> 00:14:11,880

me

340

00:14:16,190 --> 00:14:14,700

but it is November so I I got I caught

341

00:14:17,930 --> 00:14:16,200

on to him pretty quickly

342

00:14:20,870 --> 00:14:17,940

uh but this is a very interesting case

343

00:14:23,569 --> 00:14:20,880

I'll pay attention to this uh I find it

344

00:14:26,269 --> 00:14:23,579

fascinating uh I did hop on the the area

345

00:14:27,829 --> 00:14:26,279

51 uh subreddit just to see if there's

346

00:14:29,269 --> 00:14:27,839

any speculation I never really couldn't

347

00:14:31,310 --> 00:14:29,279

find too much

348

00:14:34,069 --> 00:14:31,320

um but that was uh late last night

349

00:14:36,650 --> 00:14:34,079

uh so maybe there will be more and I

350

00:14:38,690 --> 00:14:36,660

suspect George Knapp who is based out of

351

00:14:40,449 --> 00:14:38,700

uh Nevada probably has his finger on the

352

00:14:42,650 --> 00:14:40,459

pulse with the story and and probably

353

00:14:44,090 --> 00:14:42,660

yeah I suspect we'll hear about it but

354

00:14:45,590 --> 00:14:44,100

we won't know

355

00:14:50,320 --> 00:14:45,600

won't know exactly what it was it made

356

00:14:50,330 --> 00:14:53,810

[Music]
