

PARANORMAL RANGERS

1
00:00:06,070 --> 00:00:01,030
[Applause]

2
00:00:14,709 --> 00:00:10,190
so we'll move over and talk to some well

3
00:00:20,870 --> 00:00:17,769
hello hello

4
00:00:23,990 --> 00:00:20,880
I didn't call you

5
00:00:27,170 --> 00:00:24,000
all right well we got uh some other

6
00:00:29,750 --> 00:00:27,180
stores who talked talk about here uh

7
00:00:31,150 --> 00:00:29,760
let's see here so this one is is an

8
00:00:33,770 --> 00:00:31,160
article

9
00:00:35,750 --> 00:00:33,780
uh well it's it's a marketing piece

10
00:00:37,370 --> 00:00:35,760
disguised as an article

11
00:00:39,290 --> 00:00:37,380
but I thought it was uh interesting

12
00:00:41,569 --> 00:00:39,300
anyways because it has uh some fun

13
00:00:44,930 --> 00:00:41,579

topics that I like to talk about

14

00:00:47,510 --> 00:00:44,940
and I'll bring this up on screen

15

00:00:49,970 --> 00:00:47,520
and this comes from the sun

16

00:00:52,850 --> 00:00:49,980
and uh you know the sun yeah the sun.com

17

00:00:56,150 --> 00:00:52,860
this is titled paranormal paranormal

18

00:00:58,610 --> 00:00:56,160
Rangers bizarre pictures reveal Clues

19

00:01:02,810 --> 00:00:58,620
into Navajo nation's terrifying string

20

00:01:05,390 --> 00:01:02,820
of Bigfoot UFO in Skinwalker sightings

21

00:01:08,810 --> 00:01:05,400
I I every time I see all those words

22

00:01:10,969 --> 00:01:08,820
strung together uh I I

23

00:01:13,310 --> 00:01:10,979
get interested I like all that kind of

24

00:01:14,870 --> 00:01:13,320
stuff like stuff that that deals with

25

00:01:16,370 --> 00:01:14,880
all that kind of paranormal stuff so I

26
00:01:17,750 --> 00:01:16,380
want to see what the the sun's writing

27
00:01:20,270 --> 00:01:17,760
about this

28
00:01:22,969 --> 00:01:20,280
so bizarre images have revealed Clues

29
00:01:25,190 --> 00:01:22,979
into the Navajo nation's terrifying

30
00:01:27,289 --> 00:01:25,200
string of reported Bigfoot UFO in

31
00:01:30,230 --> 00:01:27,299
screenwalker sightings Federal Rangers

32
00:01:31,789 --> 00:01:30,240
Stanley Milford Jr and Jonathan Redbird

33
00:01:33,950 --> 00:01:31,799
Dover

34
00:01:35,929 --> 00:01:33,960
uh who call themselves the Paranormal

35
00:01:39,230 --> 00:01:35,939
Rangers claimed to have captured the

36
00:01:41,149 --> 00:01:39,240
so-called paranormal activity in the

37
00:01:42,590 --> 00:01:41,159
area why do they call it so-called

38
00:01:44,450 --> 00:01:42,600

parallel activity

39

00:01:46,010 --> 00:01:44,460

I mean well it's just like with the when

40

00:01:47,510 --> 00:01:46,020

the news reports on UFOs they have to

41

00:01:48,950 --> 00:01:47,520

laugh

42

00:01:50,569 --> 00:01:48,960

at this point

43

00:01:52,670 --> 00:01:50,579

like people are taking this stuff pretty

44

00:01:55,969 --> 00:01:52,680

seriously much more serious than they

45

00:01:57,590 --> 00:01:55,979

were five to six years ago uh maybe

46

00:01:59,630 --> 00:01:57,600

because they don't want the FBI to come

47

00:02:01,190 --> 00:01:59,640

not knocking Maybe

48

00:02:03,830 --> 00:02:01,200

Maybe

49

00:02:05,569 --> 00:02:03,840

uh but so-called Paranormal Activity and

50

00:02:06,709 --> 00:02:05,579

they claim to have some proof of it and

51
00:02:08,330 --> 00:02:06,719
what we're looking at like on screen

52
00:02:10,969 --> 00:02:08,340
here for everyone just listening at home

53
00:02:13,850 --> 00:02:10,979
uh appears to be like a garage door with

54
00:02:16,309 --> 00:02:13,860
some pretty distinctive claw marks like

55
00:02:18,410 --> 00:02:16,319
some pretty large claw marks inside of

56
00:02:21,350 --> 00:02:18,420
it and I would imagine the Beast that

57
00:02:24,470 --> 00:02:21,360
did this had to be uh pretty powerful uh

58
00:02:28,970 --> 00:02:24,480
pretty large in order to make a gash

59
00:02:30,530 --> 00:02:28,980
with their uh claws uh that deep and

60
00:02:33,710 --> 00:02:30,540
that powerful

61
00:02:37,309 --> 00:02:33,720
because it I don't know can can I'm not

62
00:02:41,390 --> 00:02:37,319
sure what kind of uh predators are that

63
00:02:45,470 --> 00:02:41,400

large out there in the uh Utah Nevada

64

00:02:47,930 --> 00:02:45,480

Arizona area a bobcat is it Bobcat gonna

65

00:02:50,449 --> 00:02:47,940

do that too that uh that that garage

66

00:02:53,150 --> 00:02:50,459

door probably it's hard to get a scale

67

00:02:54,949 --> 00:02:53,160

on that I'd put money on bear possible

68

00:02:56,630 --> 00:02:54,959

you know it could depending how far

69

00:02:57,890 --> 00:02:56,640

north they are yeah it could be bear

70

00:02:59,449 --> 00:02:57,900

because looking at the you got the

71

00:03:01,430 --> 00:02:59,459

doorknob and the lock there so you get a

72

00:03:03,770 --> 00:03:01,440

rough sense of scale that's going to be

73

00:03:05,449 --> 00:03:03,780

six to eight inches across it's easily

74

00:03:07,970 --> 00:03:05,459

within the pattern of a of a black bear

75

00:03:10,970 --> 00:03:07,980

or brown bear yeah yeah

76
00:03:12,410 --> 00:03:10,980
probably black bear black bear are often

77
00:03:13,610 --> 00:03:12,420
ones who kind of go digging through your

78
00:03:16,009 --> 00:03:13,620
trash

79
00:03:17,509 --> 00:03:16,019
well the investigators have now shared

80
00:03:19,430 --> 00:03:17,519
some of their evidence they have

81
00:03:21,290 --> 00:03:19,440
compiled over the years in a Netflix

82
00:03:26,210 --> 00:03:21,300
article

83
00:03:28,729 --> 00:03:26,220
don't know what the hell does that mean

84
00:03:34,610 --> 00:03:28,739
I don't know what a Netflix article is

85
00:03:37,910 --> 00:03:34,620
what it's maybe a Netflix episode in the

86
00:03:40,670 --> 00:03:37,920
the within the uh Unsolved Mysteries

87
00:03:44,270 --> 00:03:40,680
show and that's it it's a it's an

88
00:03:46,309 --> 00:03:44,280

episode within the relaunched unsolved

89

00:03:49,910 --> 00:03:46,319

mystery series on Netflix not a Netflix

90

00:03:53,449 --> 00:03:49,920

article wrong wait Netflix has unsold

91

00:03:55,309 --> 00:03:53,459

Mysteries now yeah they do I mean I I

92

00:03:58,009 --> 00:03:55,319

stopped my Netflix subscription when

93

00:04:00,050 --> 00:03:58,019

they were promoting pederasts but yeah I

94

00:04:02,390 --> 00:04:00,060

just forgot to do that

95

00:04:05,570 --> 00:04:02,400

um but I believe the the new Netflix

96

00:04:08,509 --> 00:04:05,580

series uh Unsolved Mysteries is produced

97

00:04:10,429 --> 00:04:08,519

by the same guys who do these stranger

98

00:04:12,830 --> 00:04:10,439

things series

99

00:04:14,869 --> 00:04:12,840

uh obviously they have an interest in

100

00:04:17,509 --> 00:04:14,879

the Paranormal and all this weird stuff

101
00:04:19,449 --> 00:04:17,519
so probably a pretty good team to kind

102
00:04:21,349 --> 00:04:19,459
of helmet

103
00:04:22,670 --> 00:04:21,359
they're not using like a deep fake

104
00:04:24,650 --> 00:04:22,680
rubber stack for a host because that'd

105
00:04:27,409 --> 00:04:24,660
be pretty awesome no they just do like a

106
00:04:29,749 --> 00:04:27,419
pretty cool voice over and they do have

107
00:04:32,930 --> 00:04:29,759
some of that awesome like net like uh

108
00:04:34,490 --> 00:04:32,940
music so they do have like the

109
00:04:37,189 --> 00:04:34,500
the classic

110
00:04:39,290 --> 00:04:37,199
music right there but it's updated like

111
00:04:41,810 --> 00:04:39,300
I got the classic stuffer here but they

112
00:04:44,570 --> 00:04:41,820
do have all that creepy music The Great

113
00:04:47,210 --> 00:04:44,580

voiceovers and just the overall great

114

00:04:50,450 --> 00:04:47,220

production that you love with Unsolved

115

00:04:53,090 --> 00:04:50,460

Mysteries but back to this article

116

00:04:55,550 --> 00:04:53,100

uh well uh in this Netflix article it

117

00:04:58,490 --> 00:04:55,560

includes pictures of large scratch marks

118

00:05:01,189 --> 00:04:58,500

on the side of a trailer as well as huge

119

00:05:02,510 --> 00:05:01,199

footprints in the dirt and sand uh Dover

120

00:05:05,330 --> 00:05:02,520

and Milford conduct investigations

121

00:05:06,950 --> 00:05:05,340

across Arizona New Mexico and Utah and

122

00:05:09,170 --> 00:05:06,960

visit residents in the area who have

123

00:05:10,490 --> 00:05:09,180

reported the apparent paranormal

124

00:05:13,730 --> 00:05:10,500

encounters

125

00:05:15,170 --> 00:05:13,740

it comes as the area has had dozens of

126

00:05:18,170 --> 00:05:15,180

strange reported sightings over the

127

00:05:20,930 --> 00:05:18,180

years from Bigfoot to UFOs to Skin

128

00:05:22,670 --> 00:05:20,940

Walkers a kind of shape-shifting witch

129

00:05:25,909 --> 00:05:22,680

that often takes the form of various

130

00:05:28,730 --> 00:05:25,919

animals and humans I've never heard a

131

00:05:32,270 --> 00:05:28,740

skinwalker referred to as a witch uh

132

00:05:34,969 --> 00:05:32,280

yeah so that's the I that's the old uh

133

00:05:37,189 --> 00:05:34,979

lore that it it is a Native American

134

00:05:41,450 --> 00:05:37,199

witch

135

00:05:43,129 --> 00:05:41,460

uh and it curses its enemies and it will

136

00:05:46,550 --> 00:05:43,139

take the form

137

00:05:47,510 --> 00:05:46,560

of animals but also uh possible humans

138

00:05:50,150 --> 00:05:47,520

as well

139

00:05:52,790 --> 00:05:50,160

but uh it can assume the shape of

140

00:05:54,650 --> 00:05:52,800

various various creatures

141

00:05:56,930 --> 00:05:54,660

and after years of investigating Milford

142

00:05:59,330 --> 00:05:56,940

and Dover believe the occurrences are a

143

00:06:01,730 --> 00:05:59,340

length they found that more Bigfoot

144

00:06:04,189 --> 00:06:01,740

sightings uh there were

145

00:06:06,529 --> 00:06:04,199

I'm sorry let me read this again they

146

00:06:09,770 --> 00:06:06,539

found that the more Bigfoot sightings

147

00:06:12,770 --> 00:06:09,780

there were the more UFO sightings are

148

00:06:16,310 --> 00:06:12,780

reported which is something that Stan

149

00:06:19,790 --> 00:06:16,320

Gordon I noted uh paranormal researcher

150

00:06:22,909 --> 00:06:19,800

found out and talked about

151
00:06:25,670 --> 00:06:22,919
in the 19 I believe the early 1970s book

152
00:06:28,070 --> 00:06:25,680
silent Invasion which he wrote this book

153
00:06:32,150 --> 00:06:28,080
about all the Bigfoot sightings and UFO

154
00:06:35,029 --> 00:06:32,160
sightings in and around Eastern Ohio and

155
00:06:37,610 --> 00:06:35,039
Pennsylvania but he may mostly focused

156
00:06:41,689 --> 00:06:37,620
on Pennsylvania and with that whole

157
00:06:44,570 --> 00:06:41,699
Corridor between uh the

158
00:06:46,969 --> 00:06:44,580
the eastern part of Ohio the northern

159
00:06:49,969 --> 00:06:46,979
part of West Virginia in the southern

160
00:06:52,790 --> 00:06:49,979
part of Pennsylvania which we call the

161
00:06:55,249 --> 00:06:52,800
[h__\h] of the Midwest a lot of

162
00:06:57,590 --> 00:06:55,259
Paranormal Activity right there a lot of

163
00:06:59,689 --> 00:06:57,600

Paranormal Activity

164

00:07:03,230 --> 00:06:59,699

but Stan Gordon touched on these uh

165

00:07:04,550 --> 00:07:03,240

these uh correlations decades ago and

166

00:07:06,170 --> 00:07:04,560

these guys are finally finding out about

167

00:07:08,090 --> 00:07:06,180

it

168

00:07:10,070 --> 00:07:08,100

um but while the Rangers claim to have

169

00:07:11,689 --> 00:07:10,080

found all manner of supporting evidence

170

00:07:15,050 --> 00:07:11,699

in documentation over the past decade

171

00:07:17,570 --> 00:07:15,060

they have never found Hard Answers quote

172

00:07:19,850 --> 00:07:17,580

Bigfoot is seen all over our reservation

173

00:07:22,930 --> 00:07:19,860

they said uh they said in a podcast

174

00:07:26,150 --> 00:07:22,940

called fascinating nouns

175

00:07:28,249 --> 00:07:26,160

uh they're seen in pairs and they're

176

00:07:30,170 --> 00:07:28,259

seen often

177

00:07:32,870 --> 00:07:30,180

uh we found Footprints we found hair

178

00:07:35,930 --> 00:07:32,880

samples hair samples were sent for DNA

179

00:07:37,490 --> 00:07:35,940

analysis what came back was unknown

180

00:07:39,170 --> 00:07:37,500

carnivore

181

00:07:42,469 --> 00:07:39,180

when speaking about Bigfoot's appearance

182

00:07:44,809 --> 00:07:42,479

they explain that it varies uh some have

183

00:07:47,089 --> 00:07:44,819

red hair some have brown hair some have

184

00:07:49,790 --> 00:07:47,099

streaks I guess they go go to the the

185

00:07:51,589 --> 00:07:49,800

salon yeah

186

00:07:54,409 --> 00:07:51,599

to get some highlights how to find an

187

00:07:56,629 --> 00:07:54,419

image of Bigfoot with highlights yeah

188

00:07:59,749 --> 00:07:56,639

well you want to look good out there

189

00:08:01,969 --> 00:07:59,759

it sounds like a job for uh um

190

00:08:03,350 --> 00:08:01,979

mid-journey

191

00:08:05,150 --> 00:08:03,360

uh

192

00:08:07,610 --> 00:08:05,160

I tell you what that gift you got on

193

00:08:10,430 --> 00:08:07,620

screen right now of of that creepy

194

00:08:12,770 --> 00:08:10,440

Skinwalker kind of thing that is that is

195

00:08:16,189 --> 00:08:12,780

evil looking and very well done whoever

196

00:08:18,290 --> 00:08:16,199

did that super creepy like that's that's

197

00:08:20,029 --> 00:08:18,300

the thing nightmares are are made of

198

00:08:23,089 --> 00:08:20,039

right there

199

00:08:23,809 --> 00:08:23,099

we'll go back to reading this article

200

00:08:27,290 --> 00:08:23,819

um

201
00:08:29,930 --> 00:08:27,300
so it varies uh yeah some have red hair

202
00:08:31,969 --> 00:08:29,940
brown hair and some have highlights uh

203
00:08:35,630 --> 00:08:31,979
there are enough reports from people

204
00:08:37,969 --> 00:08:35,640
like USDA workers or north or nurses

205
00:08:39,409 --> 00:08:37,979
over and over and over across the entire

206
00:08:41,750 --> 00:08:39,419
reservation

207
00:08:44,269 --> 00:08:41,760
uh they also share that the creature has

208
00:08:46,070 --> 00:08:44,279
an overpowering smell yes there it is

209
00:08:48,710 --> 00:08:46,080
very well known that these uh creatures

210
00:08:51,590 --> 00:08:48,720
do not bathe or they do not have access

211
00:08:54,050 --> 00:08:51,600
to facilities to where they can bathe

212
00:08:57,230 --> 00:08:54,060
Bigfoot yeah you should you phrase it

213
00:08:59,690 --> 00:08:57,240

carefully they choose not to bathe there

214

00:09:02,090 --> 00:08:59,700

there are streams there are lakes there

215

00:09:04,670 --> 00:09:02,100

there's all manner of ways that they

216

00:09:05,810 --> 00:09:04,680

could clean themselves uh and they don't

217

00:09:07,490 --> 00:09:05,820

want to have a bunch of you have a bunch

218

00:09:09,230 --> 00:09:07,500

of animals you have dogs and cats and

219

00:09:10,910 --> 00:09:09,240

birds and chickens and what they all go

220

00:09:13,190 --> 00:09:10,920

roll around the dirt and they jump in

221

00:09:15,050 --> 00:09:13,200

the water and a lot of animals are very

222

00:09:17,389 --> 00:09:15,060

good at kind of getting themselves

223

00:09:20,930 --> 00:09:17,399

decrepified we talked about this when we

224

00:09:23,329 --> 00:09:20,940

cover the [h__h] of the UK where that [h__h]

225

00:09:26,269 --> 00:09:23,339

that the those teen boys stumbled across

226

00:09:29,150 --> 00:09:26,279

uh it was covered in mud and writhing

227

00:09:30,530 --> 00:09:29,160

around on the ground I suspected that it

228

00:09:32,389 --> 00:09:30,540

wasn't in fact the [h__\h] it was some sort

229

00:09:34,730 --> 00:09:32,399

of Cryptid in the UK that these boys

230

00:09:37,910 --> 00:09:34,740

stumbled across and that it was rolling

231

00:09:40,850 --> 00:09:37,920

around in uh the mud to

232

00:09:41,750 --> 00:09:40,860

disguise its natural scent which often

233

00:09:44,570 --> 00:09:41,760

happens

234

00:09:47,690 --> 00:09:44,580

but with the Bigfoot their smell is so

235

00:09:51,110 --> 00:09:47,700

pungent it's so powerful it's no longer

236

00:09:52,910 --> 00:09:51,120

covering up a scent it's almost like a

237

00:09:55,910 --> 00:09:52,920

flag it's almost like a marker or a

238

00:09:59,230 --> 00:09:55,920

warning sign to other people nearby or

239

00:10:02,449 --> 00:09:59,240

or animals that Bigfoot's coming through

240

00:10:03,590 --> 00:10:02,459

and you better watch out because things

241

00:10:05,449 --> 00:10:03,600

are going to stink it up a little bit

242

00:10:06,530 --> 00:10:05,459

around here real quick I'm going to

243

00:10:09,350 --> 00:10:06,540

catch you and you're gonna have to smell

244

00:10:14,090 --> 00:10:09,360

this it's filthy

245

00:10:16,070 --> 00:10:14,100

it is filthy oh I'm so sick of the filth

246

00:10:17,509 --> 00:10:16,080

um when asked on the podcast if they

247

00:10:19,910 --> 00:10:17,519

have ever

248

00:10:22,070 --> 00:10:19,920

had any personal experiences with the

249

00:10:25,250 --> 00:10:22,080

Paranormal creature uh Milford and Dover

250

00:10:26,990 --> 00:10:25,260

shared one strange occurrence Stan was

251
00:10:28,910 --> 00:10:27,000
in a situation where he was doing a

252
00:10:31,130 --> 00:10:28,920
Bigfoot investigation and some rocks

253
00:10:33,769 --> 00:10:31,140
came flying through the pine trees and

254
00:10:35,630 --> 00:10:33,779
landed about 15 feet away from him

255
00:10:37,910 --> 00:10:35,640
they later determined that the Rocks

256
00:10:41,750 --> 00:10:37,920
which they said could weigh about 15

257
00:10:44,930 --> 00:10:41,760
pounds were being thrown 300 yards

258
00:10:47,269 --> 00:10:44,940
from the slope so that's quite a it's

259
00:10:48,949 --> 00:10:47,279
quite an arm that Bigfoot has quite a

260
00:10:51,530 --> 00:10:48,959
quite an arm just shot to throw like a

261
00:10:53,630 --> 00:10:51,540
shot put like that 300 yards 15 pounds

262
00:10:55,670 --> 00:10:53,640
how do they know where the Rocks came

263
00:10:58,310 --> 00:10:55,680

from you're just making a good guess at

264

00:11:00,829 --> 00:10:59,449

couldn't they've been thrown from eight

265

00:11:02,930 --> 00:11:00,839

feet away the guy behind them we just

266

00:11:05,930 --> 00:11:02,940

threw them straight up in the air well

267

00:11:08,990 --> 00:11:05,940

and to that point it's often rumored

268

00:11:10,670 --> 00:11:09,000

that uh uh Bigfoot could be paranormal

269

00:11:13,370 --> 00:11:10,680

in nature it's not just like a North

270

00:11:15,769 --> 00:11:13,380

American ape or some sort of primate

271

00:11:17,509 --> 00:11:15,779

that is Paranormal and it has cloaking

272

00:11:19,009 --> 00:11:17,519

abilities at which point in time yeah

273

00:11:20,210 --> 00:11:19,019

the Rocks could have been thrown 20 feet

274

00:11:22,550 --> 00:11:20,220

away and you wouldn't have seen it

275

00:11:25,269 --> 00:11:22,560

because Bigfoot is cloaked it's it's

276

00:11:28,190 --> 00:11:25,279

like the predator

277

00:11:30,530 --> 00:11:28,200

uh Milford and dover's work has been

278

00:11:32,750 --> 00:11:30,540

featured in the Netflix series Unsolved

279

00:11:35,690 --> 00:11:32,760

Mysteries oh yes it has and I do have a

280

00:11:38,030 --> 00:11:35,700

few clips from the series

281

00:11:40,490 --> 00:11:38,040

um I did peruse through it and I grabbed

282

00:11:42,769 --> 00:11:40,500

a few audio clips here and I think we'll

283

00:11:44,210 --> 00:11:42,779

take a listen because uh I pulled the

284

00:11:46,130 --> 00:11:44,220

clips

285

00:11:49,009 --> 00:11:46,140

uh this first uh little clip is about

286

00:11:51,829 --> 00:11:49,019

Bigfoot and some of the strange things

287

00:11:55,509 --> 00:11:51,839

that Bigfoot likes to do didn't know

288

00:11:58,910 --> 00:11:55,519

what was happening uh they saw something

289

00:12:00,410 --> 00:11:58,920

completely out of the ordinary and they

290

00:12:03,050 --> 00:12:00,420

wanted answers

291

00:12:05,150 --> 00:12:03,060

one of my grandsons is seeing it right

292

00:12:07,550 --> 00:12:05,160

there and it's just I don't know it's a

293

00:12:09,949 --> 00:12:07,560

big really tall I don't want to come

294

00:12:13,970 --> 00:12:09,959

down here by myself well we've had other

295

00:12:20,090 --> 00:12:16,850

we've had reports of Bigfoot stepping

296

00:12:22,009 --> 00:12:20,100

over Corrals and taking sheep and

297

00:12:25,790 --> 00:12:22,019

stepping back over and walking off with

298

00:12:30,110 --> 00:12:25,800

them we've had sheep that were killed

299

00:12:32,569 --> 00:12:30,120

by literally having the the wool just

300

00:12:34,610 --> 00:12:32,579

ripped off its back just like you

301
00:12:37,850 --> 00:12:34,620
grabbed her on the neck and just and

302
00:12:40,550 --> 00:12:37,860
just took it and tore it off

303
00:12:43,310 --> 00:12:40,560
and there you go uh these things gotta

304
00:12:46,970 --> 00:12:43,320
eat and they appear to just want to

305
00:12:48,889 --> 00:12:46,980
devour things raw the bile

306
00:12:51,530 --> 00:12:48,899
uh pieces of evidence collected so far

307
00:12:53,750 --> 00:12:51,540
they don't uh cook uh they don't start

308
00:12:56,449 --> 00:12:53,760
fires or anything like that so they uh

309
00:12:58,310 --> 00:12:56,459
they will just take a sheep skin it raw

310
00:13:01,610 --> 00:12:58,320
and just eat it right there on the spot

311
00:13:04,610 --> 00:13:01,620
but some other goofy things happen and

312
00:13:08,569 --> 00:13:04,620
in this uh next clip they talked to they

313
00:13:11,569 --> 00:13:08,579

talk about the the weird uh aspects of

314

00:13:14,509 --> 00:13:11,579

of Bigfoot in trying to track Bigfoot

315

00:13:19,430 --> 00:13:14,519

during one of our investigations we

316

00:13:24,530 --> 00:13:21,650

the footprint just stopped

317

00:13:25,730 --> 00:13:24,540

almost like it was just jerked into the

318

00:13:28,610 --> 00:13:25,740

sky

319

00:13:31,190 --> 00:13:28,620

a lot of people believe that Bigfoot has

320

00:13:32,629 --> 00:13:31,200

like some kind of spiritual powers or

321

00:13:35,329 --> 00:13:32,639

something to where they can like just

322

00:13:38,870 --> 00:13:37,190

they'll tell me yeah I've seen a Bigfoot

323

00:13:40,730 --> 00:13:38,880

I was I was watching I was kind of

324

00:13:42,949 --> 00:13:40,740

following it all of a sudden it just

325

00:13:44,870 --> 00:13:42,959

disappeared

326

00:13:48,230 --> 00:13:44,880

uh yeah there's a lot of different

327

00:13:50,210 --> 00:13:48,240

stories about this uh for as long as uh

328

00:13:52,310 --> 00:13:50,220

westerners have been interacting with

329

00:13:55,550 --> 00:13:52,320

Native Americans Native Americans have

330

00:13:58,250 --> 00:13:55,560

been encountering uh these weird large

331

00:14:01,670 --> 00:13:58,260

creatures and they have they depending

332

00:14:04,850 --> 00:14:01,680

on the Native American tribe they have

333

00:14:08,090 --> 00:14:04,860

different interactions with these large

334

00:14:09,769 --> 00:14:08,100

beasts than other tribes uh some uh

335

00:14:11,150 --> 00:14:09,779

Native American tribes will trade with

336

00:14:13,910 --> 00:14:11,160

them

337

00:14:14,930 --> 00:14:13,920

um like the the Bigfoot or whatever uh

338

00:14:18,110 --> 00:14:14,940

they're smart enough to understand

339

00:14:19,970 --> 00:14:18,120

understand some sort of barter system uh

340

00:14:23,090 --> 00:14:19,980

but then there's also times where there

341

00:14:25,069 --> 00:14:23,100

has been uh conflict and I'll I'll get

342

00:14:27,110 --> 00:14:25,079

into that here in a second I'll touch on

343

00:14:29,389 --> 00:14:27,120

that uh but in this last clip I have

344

00:14:30,110 --> 00:14:29,399

they're not just tracking Bigfoot out

345

00:14:32,990 --> 00:14:30,120

there

346

00:14:36,530 --> 00:14:33,000

uh we all know this and in Utah and

347

00:14:38,810 --> 00:14:36,540

Nevada and Arizona there is all manner

348

00:14:40,610 --> 00:14:38,820

of Paranormal Activity there's just a

349

00:14:41,990 --> 00:14:40,620

different energy out there

350

00:14:43,970 --> 00:14:42,000

um when I was living in Arizona for

351
00:14:46,069 --> 00:14:43,980
those two years there you could just

352
00:14:50,090 --> 00:14:46,079
feel like an energetic difference

353
00:14:52,490 --> 00:14:50,100
between uh what it's like in Arizona

354
00:14:54,769 --> 00:14:52,500
versus where I'm at now in Ohio there is

355
00:14:56,870 --> 00:14:54,779
just a weird difference maybe it's all

356
00:15:00,710 --> 00:14:56,880
the mountains maybe it's all the granite

357
00:15:02,629 --> 00:15:00,720
just the different environment but it

358
00:15:04,430 --> 00:15:02,639
does it it there is just a weird

359
00:15:06,650 --> 00:15:04,440
difference out there and for whatever

360
00:15:07,910 --> 00:15:06,660
reason the Paranormal is attracted to

361
00:15:11,269 --> 00:15:07,920
the Southwest

362
00:15:14,810 --> 00:15:11,279
but in this last clip here uh the

363
00:15:16,790 --> 00:15:14,820

Paranormal Rangers are talking to this

364

00:15:18,710 --> 00:15:16,800

guy who has had some pretty interesting

365

00:15:21,470 --> 00:15:18,720

UFO encounters and and try to document

366

00:15:23,629 --> 00:15:21,480

it with his uh with this camera it has

367

00:15:25,129 --> 00:15:23,639

red lights

368

00:15:27,650 --> 00:15:25,139

I don't know if they go around the back

369

00:15:29,750 --> 00:15:27,660

but they it it goes like this you can

370

00:15:34,370 --> 00:15:29,760

see them kind of diminishing

371

00:15:39,250 --> 00:15:34,380

what I saw was a large ship

372

00:15:41,449 --> 00:15:39,260

and then coming out of that are these

373

00:15:44,569 --> 00:15:41,459

tendrils of light

374

00:15:46,370 --> 00:15:44,579

but they look like teardrops as they

375

00:15:49,430 --> 00:15:46,380

drop to the Earth

376

00:15:52,310 --> 00:15:49,440

the light was coming from inside of the

377

00:15:55,069 --> 00:15:52,320

ship and the tendrils I don't know if

378

00:15:57,350 --> 00:15:55,079

those are you know a little UFO ships

379

00:16:01,310 --> 00:15:57,360

but they were

380

00:16:06,290 --> 00:16:03,949

fast forward a week

381

00:16:08,629 --> 00:16:06,300

I see it again

382

00:16:11,810 --> 00:16:08,639

I thought I've got to get a picture of

383

00:16:14,090 --> 00:16:11,820

this because that would be so cool

384

00:16:20,769 --> 00:16:14,100

sweet

385

00:16:25,970 --> 00:16:23,689

there was definitely something there

386

00:16:27,949 --> 00:16:25,980

there's enough evidence from what he

387

00:16:30,769 --> 00:16:27,959

gave us and the the incidents that he

388

00:16:33,710 --> 00:16:30,779

had that are just outstanding from an

389

00:16:36,050 --> 00:16:33,720

investigator's standpoint any Navajo

390

00:16:40,370 --> 00:16:36,060

that I talked to about it none of them

391

00:16:43,189 --> 00:16:40,380

were shocked everyone was like oh yeah

392

00:16:47,090 --> 00:16:43,199

I didn't think aliens existed I didn't

393

00:16:50,030 --> 00:16:47,100

think that there were UFOs

394

00:16:53,090 --> 00:16:50,040

so I was very very skeptical

395

00:16:55,790 --> 00:16:53,100

but the Navajo Nation taught me that

396

00:16:59,810 --> 00:16:55,800

there are things out there that we don't

397

00:17:04,370 --> 00:17:03,110

when it comes to the Paranormal or

398

00:17:07,069 --> 00:17:04,380

Supernatural

399

00:17:10,189 --> 00:17:07,079

that element is already within the

400

00:17:16,490 --> 00:17:14,270

the navajos themselves as a people have

401
00:17:19,610 --> 00:17:16,500
a lot of stories that go from generation

402
00:17:22,970 --> 00:17:19,620
to generation about Paranormal Activity

403
00:17:24,530 --> 00:17:22,980
oh big time uh I would say all Native

404
00:17:26,449 --> 00:17:24,540
American tribes say they they know this

405
00:17:27,590 --> 00:17:26,459
is not telling any not say anything new

406
00:17:34,370 --> 00:17:27,600
here

407
00:17:37,370 --> 00:17:34,380
that uh I would like to see brought up

408
00:17:41,409 --> 00:17:37,380
in a show like this uh specifically

409
00:17:46,190 --> 00:17:41,419
uh the great Bigfoot war of

410
00:17:48,950 --> 00:17:46,200
1885. now uh my my good my good brother

411
00:17:53,630 --> 00:17:48,960
my former co-host uh clown baby and I

412
00:17:57,490 --> 00:17:53,640
did a big a segment on this in uh

413
00:18:03,190 --> 00:17:57,500

January of when was it January

414

00:18:09,950 --> 00:18:07,669

467 Bigfoot war of 1885 and we we go

415

00:18:12,470 --> 00:18:09,960

over this uh so we covered it years ago

416

00:18:15,289 --> 00:18:12,480

but just for a brief a brief synopsis

417

00:18:17,810 --> 00:18:15,299

for everyone out there according to

418

00:18:19,549 --> 00:18:17,820

Legend the Choctaw Indians a long time

419

00:18:21,950 --> 00:18:19,559

ago

420

00:18:23,690 --> 00:18:21,960

um I'm asked to be a great Choctaw

421

00:18:26,390 --> 00:18:23,700

Warrior and his sons encountered a group

422

00:18:28,549 --> 00:18:26,400

of unusual beasts during their routine

423

00:18:30,230 --> 00:18:28,559

Patrol through the territories although

424

00:18:32,029 --> 00:18:30,240

the Choctaw Indians were already quite

425

00:18:34,370 --> 00:18:32,039

large and stature compared to other

426

00:18:36,830 --> 00:18:34,380

tribes Hamas and the six Sons were

427

00:18:38,930 --> 00:18:36,840

significantly bigger than anyone else in

428

00:18:41,750 --> 00:18:38,940

their Village standing almost seven feet

429

00:18:44,570 --> 00:18:41,760

tall you can actually say that the two

430

00:18:46,730 --> 00:18:44,580

bees were Natural Born Warriors and

431

00:18:51,650 --> 00:18:46,740

which in fact that they are

432

00:18:56,810 --> 00:18:51,660

and this just goes into uh how that

433

00:18:59,690 --> 00:18:56,820

Native American tribe did encounter a

434

00:19:01,909 --> 00:18:59,700

group of of Bigfoot and they battled

435

00:19:04,190 --> 00:19:01,919

back and forth I believe over the period

436

00:19:05,870 --> 00:19:04,200

of several days

437

00:19:09,110 --> 00:19:05,880

um and so I'll just read like a little

438

00:19:11,210 --> 00:19:09,120

excerpt right here upon seeing the

439

00:19:13,070 --> 00:19:11,220

headless body of their Captain fault to

440

00:19:16,549 --> 00:19:13,080

the ground the tubis wasted no time

441

00:19:18,970 --> 00:19:16,559

unloading round after round into their

442

00:19:23,450 --> 00:19:18,980

Sharps buff of their Sharps Buffalo

443

00:19:25,669 --> 00:19:23,460

rifles into three beasts thanks to years

444

00:19:27,710 --> 00:19:25,679

of training experience almost all their

445

00:19:30,169 --> 00:19:27,720

bullets hit the beast's head instantly

446

00:19:32,870 --> 00:19:30,179

killing them except for one an injured

447

00:19:34,789 --> 00:19:32,880

eight Beast trying to escape

448

00:19:37,850 --> 00:19:34,799

um and it seemed that it would succeed

449

00:19:40,190 --> 00:19:37,860

in doing so since the men had to reload

450

00:19:42,350 --> 00:19:40,200

their Rivals however Robert the youngest

451
00:19:44,270 --> 00:19:42,360
of the YouTube Brothers chased the Beast

452
00:19:46,130 --> 00:19:44,280
and finished it off using only his

453
00:19:48,470 --> 00:19:46,140
hunting knife when the rest of the

454
00:19:51,710 --> 00:19:48,480
recovery caught up with him Robert had

455
00:19:56,570 --> 00:19:51,720
already decapitated the Beast and let

456
00:19:58,130 --> 00:19:56,580
out a chilling Primal scream so very

457
00:20:00,230 --> 00:19:58,140
fascinating right there I have a little

458
00:20:05,409 --> 00:20:00,240
bit of a sound sample of the Chilean

459
00:20:11,570 --> 00:20:10,430
classic Warrior scream right there class

460
00:20:14,510 --> 00:20:11,580
now

461
00:20:17,150 --> 00:20:14,520
uh just to uh round out the uh the the

462
00:20:19,669 --> 00:20:17,160
UFO paranormal talk right here uh it

463
00:20:21,650 --> 00:20:19,679

does look like Congress has been given

464

00:20:23,930 --> 00:20:21,660

the UFO report by I believe the

465

00:20:25,370 --> 00:20:23,940

Department of Defense

466

00:20:27,950 --> 00:20:25,380

um it was speculated That was supposed

467

00:20:28,909 --> 00:20:27,960

to come out on Halloween and that was

468

00:20:31,310 --> 00:20:28,919

supposed to be given to the Congress

469

00:20:33,470 --> 00:20:31,320

then and then shortly thereafter there

470

00:20:36,770 --> 00:20:33,480

would be a public version

471

00:20:38,690 --> 00:20:36,780

uh but it has been uh

472

00:20:41,150 --> 00:20:38,700

speculated that Congress already has

473

00:20:44,090 --> 00:20:41,160

this uh they have been given briefings

474

00:20:45,529 --> 00:20:44,100

about uh this latest report and what may

475

00:20:48,470 --> 00:20:45,539

be going on Craigslist according to the

476
00:20:50,810 --> 00:20:48,480
dod and what they choose to divulge and

477
00:20:53,090 --> 00:20:50,820
that the public version will be made by

478
00:20:56,150 --> 00:20:53,100
the end of the year so I don't know what

479
00:20:57,230 --> 00:20:56,160
we're going to expect out of this uh I

480
00:20:59,690 --> 00:20:57,240
think it just all might be

481
00:21:00,730 --> 00:20:59,700
disinformation at this point sanitize

482
00:21:04,130 --> 00:21:00,740
data

483
00:21:07,190 --> 00:21:04,140
and much of it will just be attributed

484
00:21:11,029 --> 00:21:07,200
to Chinese drones or some something like

485
00:21:16,549 --> 00:21:13,250
so let's watch out for that

486
00:21:18,110 --> 00:21:16,559
and then one last little thing here I do

487
00:21:20,510 --> 00:21:18,120
like updates

488
00:21:23,510 --> 00:21:20,520

and this is a story that we covered and

489

00:21:26,810 --> 00:21:23,520

a lot of other podcasts covered in 2013

490

00:21:28,010 --> 00:21:26,820

about the Baltic Sea anomaly do you know

491

00:21:29,690 --> 00:21:28,020

you remember anything about the

492

00:21:31,190 --> 00:21:29,700

scratched

493

00:21:33,110 --> 00:21:31,200

uh

494

00:21:36,830 --> 00:21:33,120

like when Bigfoot went on vacation to

495

00:21:39,110 --> 00:21:36,840

the Baltic no this is about

496

00:21:42,830 --> 00:21:39,120

um this weird anomaly

497

00:21:46,789 --> 00:21:42,840

a weird magnetic anomaly that is taking

498

00:21:50,390 --> 00:21:46,799

place about 200 meters down uh in the

499

00:21:51,289 --> 00:21:50,400

Baltic Sea and uh this diving team this

500

00:21:53,630 --> 00:21:51,299

is the one they were calling the

501
00:21:55,610 --> 00:21:53,640
Millennium Falcon exactly yes yeah it

502
00:21:57,529 --> 00:21:55,620
looked kind of looked like the the

503
00:22:00,049 --> 00:21:57,539
Millennium Falcon and this was like

504
00:22:01,549 --> 00:22:00,059
almost 10 years ago that this was

505
00:22:03,590 --> 00:22:01,559
discovered there have been many

506
00:22:05,810 --> 00:22:03,600
Expeditions out there

507
00:22:09,289 --> 00:22:05,820
um it was reported possibly it was some

508
00:22:12,770 --> 00:22:09,299
sort of Mind sweeping uh technology from

509
00:22:15,470 --> 00:22:12,780
the second world war it was a crash UFO

510
00:22:17,149 --> 00:22:15,480
it was a natural or maybe a naturally

511
00:22:20,450 --> 00:22:17,159
occurring

512
00:22:22,789 --> 00:22:20,460
um uh piece of rock magnetic rock uh

513
00:22:24,890 --> 00:22:22,799

through volcanic activity all these

514

00:22:26,570 --> 00:22:24,900

different theories have come out and

515

00:22:29,390 --> 00:22:26,580

there there's there's like an hour and a

516

00:22:31,370 --> 00:22:29,400

half two hour documentary on it uh on

517

00:22:34,010 --> 00:22:31,380

YouTube but there's still really no

518

00:22:37,070 --> 00:22:34,020

answers but for whatever reason uh about

519

00:22:38,690 --> 00:22:37,080

a week ago the Daily Mail posted a new

520

00:22:39,649 --> 00:22:38,700

article related to the Baltic Sea

521

00:22:42,350 --> 00:22:39,659

anomaly

522

00:22:44,330 --> 00:22:42,360

and this is titled UFO at the bottom uh

523

00:22:46,610 --> 00:22:44,340

the bottom of the Baltic Sea cuts off

524

00:22:49,730 --> 00:22:46,620

electrical equipment when divers get

525

00:22:52,549 --> 00:22:49,740

within 200 meters of this thing

526

00:22:55,430 --> 00:22:52,559

uh the object is raised about 10 to 13

527

00:22:57,649 --> 00:22:55,440

feet above the seabed and curved at the

528

00:23:00,590 --> 00:22:57,659

sides like a mushroom

529

00:23:03,049 --> 00:23:00,600

uh hole is surrounded by a strange rock

530

00:23:04,210 --> 00:23:03,059

formation that expedition teams cannot

531

00:23:06,590 --> 00:23:04,220

explain

532

00:23:09,409 --> 00:23:06,600

stones are covered in something

533

00:23:10,789 --> 00:23:09,419

resembling soot which has baffled

534

00:23:13,250 --> 00:23:10,799

experts

535

00:23:15,230 --> 00:23:13,260

uh diversafe phones and other cameras

536

00:23:16,490 --> 00:23:15,240

switch off when they're close to the

537

00:23:17,810 --> 00:23:16,500

object well

538

00:23:19,190 --> 00:23:17,820

your phone switch off because you can't

539

00:23:20,270 --> 00:23:19,200

take your phones underwater so you got

540

00:23:23,270 --> 00:23:20,280

to watch out you got to put them in a

541

00:23:24,950 --> 00:23:23,280

plastic bag they should know that

542

00:23:27,289 --> 00:23:24,960

I think the iPhone's only good up to

543

00:23:30,350 --> 00:23:27,299

like uh 10 meters

544

00:23:32,270 --> 00:23:30,360

but the diver exploring the UFO shaped

545

00:23:35,210 --> 00:23:32,280

object at the bottom of the Baltic see

546

00:23:37,730 --> 00:23:35,220

their equipment stops working when they

547

00:23:41,270 --> 00:23:37,740

approach within 200 meters uh

548

00:23:44,510 --> 00:23:41,280

professional diver uh Stefan hoggerborn

549

00:23:47,149 --> 00:23:44,520

of the ocean X team which is exploring

550

00:23:49,490 --> 00:23:47,159

the anomalies said of the team's cameras

551
00:23:51,710 --> 00:23:49,500
and team satellite phone uh it refuses

552
00:23:54,230 --> 00:23:51,720
to work when directly above the object

553
00:23:56,390 --> 00:23:54,240
and would only work once they sailed

554
00:23:58,610 --> 00:23:56,400
away uh he's quoted saying anything

555
00:24:00,830 --> 00:23:58,620
electric out there and the satellite

556
00:24:02,930 --> 00:24:00,840
phone as well stopped working when when

557
00:24:05,810 --> 00:24:02,940
we are above the object

558
00:24:08,210 --> 00:24:05,820
and then we got away about 200 meters

559
00:24:10,370 --> 00:24:08,220
and it would turn on again and we got

560
00:24:13,310 --> 00:24:10,380
back over the object didn't work again

561
00:24:15,710 --> 00:24:13,320
so here's on screen here is the object

562
00:24:18,409 --> 00:24:15,720
and it does look like the Millennium

563
00:24:20,529 --> 00:24:18,419

Falcon there's just no I mean yeah

564

00:24:25,190 --> 00:24:20,539

that's how they drew it on the screen

565

00:24:27,289 --> 00:24:25,200

but the textures and it does fall in

566

00:24:30,289 --> 00:24:27,299

in line with what the Millennium Falcon

567

00:24:32,630 --> 00:24:30,299

looks like yeah look at that guy yeah

568

00:24:34,610 --> 00:24:32,640

it's pretty impressive

569

00:24:36,470 --> 00:24:34,620

I'm not sure if they should uh reach out

570

00:24:37,730 --> 00:24:36,480

to that Russian guy who had the drill

571

00:24:39,590 --> 00:24:37,740

and the Rope

572

00:24:41,870 --> 00:24:39,600

have him go down and get that thing he

573

00:24:44,690 --> 00:24:41,880

does it that guy he gets all liquored up

574

00:24:47,210 --> 00:24:44,700

on vodka and he kills aliens under the

575

00:24:49,130 --> 00:24:47,220

water with a drill

576

00:24:51,350 --> 00:24:49,140

in fact he'll get sorted out this is

577

00:24:54,590 --> 00:24:51,360

perfect for him it really is this is

578

00:24:56,270 --> 00:24:54,600

perfect for him I will not turn okay and

579

00:24:57,350 --> 00:24:56,280

you'll be forced to kill me aren't you

580

00:25:01,970 --> 00:24:57,360

okay

581

00:25:04,490 --> 00:25:01,980

uh let's see here where they have any

582

00:25:06,230 --> 00:25:04,500

speculation on this I mean this article

583

00:25:08,330 --> 00:25:06,240

just came out are they just repurposing

584

00:25:10,549 --> 00:25:08,340

stuff uh for people like that was there

585

00:25:14,529 --> 00:25:10,559

something new or why why is this dug up

586

00:25:17,270 --> 00:25:14,539

yeah I don't know it uh was reposted

587

00:25:20,690 --> 00:25:17,280

uh see the balls Dixie is a treasure

588

00:25:22,549 --> 00:25:20,700

Trove of uh for shipwreck hunters and an

589

00:25:24,950 --> 00:25:22,559

estimated hundred thousand objects are

590

00:25:28,070 --> 00:25:24,960

thought to be uh

591

00:25:30,350 --> 00:25:28,080

a thought to line the cold sea floor the

592

00:25:32,330 --> 00:25:30,360

company has created a submarine that

593

00:25:34,370 --> 00:25:32,340

they hope will appeal to tourists and

594

00:25:35,750 --> 00:25:34,380

want to be shipwreck Hunters who will

595

00:25:37,310 --> 00:25:35,760

pay to take the trip down to the bottom

596

00:25:39,830 --> 00:25:37,320

of the Baltic Sea to see for themselves

597

00:25:42,769 --> 00:25:39,840

oh so it's like a tourist trap

598

00:25:44,330 --> 00:25:42,779

okay what's the best guess right here

599

00:25:46,010 --> 00:25:44,340

they don't got a best guess there's

600

00:25:48,409 --> 00:25:46,020

nothing I'm seeing

601
00:25:50,330 --> 00:25:48,419
maybe they they realize that they have

602
00:25:53,570 --> 00:25:50,340
wasted 10 years and now they got to make

603
00:25:57,350 --> 00:25:55,430
okay

604
00:25:58,730 --> 00:25:57,360
or they've they've gotten all they can

605
00:26:01,250 --> 00:25:58,740
get from it and now it's safe for other

606
00:26:03,230 --> 00:26:01,260
people to go down and tear it up so it's

607
00:26:05,510 --> 00:26:03,240
they they it uh it's updated so it's

608
00:26:07,850 --> 00:26:05,520
originally posted in 2012 but it's

609
00:26:09,710 --> 00:26:07,860
updated and when I searched for it it

610
00:26:12,289 --> 00:26:09,720
said it was updated last week so where

611
00:26:14,810 --> 00:26:12,299
did they update last week

612
00:26:16,130 --> 00:26:14,820
that's what I'm curious about the FBI no

613
00:26:18,049 --> 00:26:16,140

knocked and they removed a couple of

614

00:26:20,810 --> 00:26:18,059

words yeah I'm kind of curious what do

615

00:26:22,850 --> 00:26:20,820

they update one week ago

616

00:26:24,470 --> 00:26:22,860

huh

617

00:26:26,390 --> 00:26:24,480

is there any are the how old are the

618

00:26:28,850 --> 00:26:26,400

comments on there oh the comments are 10

619

00:26:30,169 --> 00:26:28,860

years old there's no updated comments

620

00:26:32,870 --> 00:26:30,179

then no

621

00:26:34,370 --> 00:26:32,880

no the the comments are all old and so

622

00:26:36,409 --> 00:26:34,380

I'm trying I'm trying to see what was

623

00:26:38,630 --> 00:26:36,419

updated like one week ago I'll have to

624

00:26:40,630 --> 00:26:38,640

take a look at this but give us an email

625

00:26:43,450 --> 00:26:40,640

at

626
