

1
00:00:05,829 --> 00:00:01,030

[Applause]

2
00:00:11,209 --> 00:00:08,750

here's the headline up on screen Bruce

3
00:00:14,150 --> 00:00:11,219

Springsteen responds to five thousand

4
00:00:16,550 --> 00:00:14,160

dollar ticket prices quote any

5
00:00:21,130 --> 00:00:16,560

complaints on the way out you could have

6
00:00:24,830 --> 00:00:23,870

I'd pay that is it front row what do you

7
00:00:27,410 --> 00:00:24,840

get for what do you get for five grand

8
00:00:29,450 --> 00:00:27,420

five thousand dollars I'll tell you what

9
00:00:32,170 --> 00:00:29,460

I'll give you fourteen thousand dollars

10
00:00:34,790 --> 00:00:32,180

that's too much

11
00:00:37,010 --> 00:00:34,800

is Bruce has got to blow you for this

12
00:00:39,830 --> 00:00:37,020

price at this point I mean you got to be

13
00:00:41,450 --> 00:00:39,840

front row pants down Bruce is blowing

14

00:00:42,889 --> 00:00:41,460

you while he's running like singing like

15

00:00:44,389 --> 00:00:42,899

dancing in the dark or something like

16

00:00:45,830 --> 00:00:44,399

that I'm not sure I want that yeah

17

00:00:47,330 --> 00:00:45,840

that's right I'm sure it doesn't matter

18

00:00:49,430 --> 00:00:47,340

if you want Thunder Road all over my

19

00:00:51,350 --> 00:00:49,440

voice Bruce is going to blow you like it

20

00:00:53,690 --> 00:00:51,360

or not

21

00:00:56,090 --> 00:00:53,700

it's part of the deal what do you get

22

00:00:57,410 --> 00:00:56,100

for the five grand that's my question uh

23

00:00:59,090 --> 00:00:57,420

I'll read the article here and we'll

24

00:01:01,790 --> 00:00:59,100

find out uh several months after Ticket

25

00:01:04,310 --> 00:01:01,800

Masters uh Ticketmaster employee Dynamic

26

00:01:06,530 --> 00:01:04,320

pricing resulting in some tickets

27

00:01:08,750 --> 00:01:06,540

reaching as high as five thousand

28

00:01:10,429 --> 00:01:08,760

dollars a piece Bruce Springsteen has

29

00:01:12,950 --> 00:01:10,439

addressed the controversial surge in

30

00:01:16,070 --> 00:01:12,960

ticket pricing around the upcoming 2023

31

00:01:18,410 --> 00:01:16,080

tour with the E Street Band well maybe

32

00:01:21,530 --> 00:01:18,420

Max Weinberg will blow you not as good

33

00:01:23,929 --> 00:01:21,540

as Bruce but I heard he's pretty good

34

00:01:26,630 --> 00:01:23,939

um quote what I do is a very simple

35

00:01:29,210 --> 00:01:26,640

thing Springsteen told Rolling Stone I

36

00:01:31,609 --> 00:01:29,220

tell my guys go out there and see what

37

00:01:34,310 --> 00:01:31,619

everyone else is doing let's charge a

38

00:01:36,109 --> 00:01:34,320

little less for the past 49 years or

39

00:01:37,670 --> 00:01:36,119

however long we've been playing we've

40

00:01:40,249 --> 00:01:37,680

pretty much been out there under market

41

00:01:43,069 --> 00:01:40,259

value [h__\h] it's always been

42

00:01:45,170 --> 00:01:43,079

expensive to see Bruce as far as I know

43

00:01:48,289 --> 00:01:45,180

well also he's one of these guys who is

44

00:01:49,370 --> 00:01:48,299

who has done so well for so long and has

45

00:01:51,649 --> 00:01:49,380

so many people around him he's

46

00:01:54,410 --> 00:01:51,659

disconnected from from General reality

47

00:01:57,530 --> 00:01:54,420

yeah he doesn't understand that your

48

00:02:01,069 --> 00:01:57,540

average person even me like I make a

49

00:02:04,490 --> 00:02:01,079

good living uh I I would frown at

50

00:02:06,289 --> 00:02:04,500

spending a hundred dollars on a ticket

51
00:02:08,449 --> 00:02:06,299
to go see a band I would frown on it

52
00:02:10,669 --> 00:02:08,459
unless it was a band I really really

53
00:02:12,530 --> 00:02:10,679
wanted to see but there's no way I'd pay

54
00:02:15,290 --> 00:02:12,540
five thousand dollars to see any band

55
00:02:16,610 --> 00:02:15,300
that I wanted to see

56
00:02:19,070 --> 00:02:16,620
um but he said that we've been out there

57
00:02:20,750 --> 00:02:19,080
uh playing under market value I've

58
00:02:23,410 --> 00:02:20,760
enjoyed that it's been great for our

59
00:02:27,530 --> 00:02:23,420
fans this time I'm told I told them hey

60
00:02:29,270 --> 00:02:27,540
we're 73 years old the guys out there I

61
00:02:31,850 --> 00:02:29,280
want to do I want to do what everyone

62
00:02:35,449 --> 00:02:31,860
else is doing my peers so what happened

63
00:02:38,869 --> 00:02:35,459

that's what they did so he's like I'm 73

64

00:02:41,030 --> 00:02:38,879

I'm old I want to gouge as much money as

65

00:02:43,610 --> 00:02:41,040

possible for my fans that's what he said

66

00:02:45,009 --> 00:02:43,620

that's what he told his management to do

67

00:02:47,449 --> 00:02:45,019

okay

68

00:02:50,089 --> 00:02:47,459

well that my understanding is that is

69

00:02:53,330 --> 00:02:50,099

how you make the Monday that is that is

70

00:02:54,890 --> 00:02:53,340

it it is how you make the money uh in

71

00:02:56,630 --> 00:02:54,900

the interview uh Springsteen admitted

72

00:02:59,270 --> 00:02:56,640

that ticket pricing has become very

73

00:03:03,170 --> 00:02:59,280

confusing for fans and artists but the

74

00:03:05,630 --> 00:03:03,180

most tickets are more modest in pricing

75

00:03:07,369 --> 00:03:05,640

uh tickets ticket buying has gotten very

76

00:03:09,770 --> 00:03:07,379

confusing it's not just the fans but for

77

00:03:12,530 --> 00:03:09,780

the artists also and the bottom line is

78

00:03:14,930 --> 00:03:12,540

is that most of our tickets are totally

79

00:03:16,850 --> 00:03:14,940

affordable said Springsteen they're

80

00:03:20,270 --> 00:03:16,860

they're in the affordable range yeah

81

00:03:23,750 --> 00:03:20,280

you're in way in the back standing and

82

00:03:26,990 --> 00:03:23,760

sitting behind some 500 pound pig Goblin

83

00:03:28,729 --> 00:03:27,000

uh trying to enjoy the show

84

00:03:30,350 --> 00:03:28,739

you said the pig government can't afford

85

00:03:31,970 --> 00:03:30,360

five thousand dollar tickets I'm saying

86

00:03:33,890 --> 00:03:31,980

that pig Goblin has more money than you

87

00:03:36,470 --> 00:03:33,900

because they're standing in front of you

88

00:03:38,630 --> 00:03:36,480

the pig the pig Goblin is blocking the

89

00:03:40,970 --> 00:03:38,640

view of your show

90

00:03:43,309 --> 00:03:40,980

did they say what show was this where it

91

00:03:46,190 --> 00:03:43,319

was up to five grand the goblin it's for

92

00:03:48,050 --> 00:03:46,200

next year's for his 2023 tour but I mean

93

00:03:50,149 --> 00:03:48,060

Are there specific shows that are just

94

00:03:52,610 --> 00:03:50,159

across the board I think it's so it's

95

00:03:54,770 --> 00:03:52,620

the dynamic pricing and so Ticketmaster

96

00:03:58,670 --> 00:03:54,780

tickets

97

00:04:01,550 --> 00:03:58,680

um it's partially like Ticketmaster and

98

00:04:04,670 --> 00:04:01,560

the scalpers that they probably directly

99

00:04:06,649 --> 00:04:04,680

work with that Jack the prices but it's

100

00:04:08,690 --> 00:04:06,659

also Bruce in his management company

101

00:04:11,030 --> 00:04:08,700

they can set the prices like I know Kid

102

00:04:12,710 --> 00:04:11,040

Rock he works really hard you might not

103

00:04:15,949 --> 00:04:12,720

like Kid Rock but he works really hard

104

00:04:18,289 --> 00:04:15,959

to keep the prices down and affordable

105

00:04:20,870 --> 00:04:18,299

not just for like ticket prices but also

106

00:04:26,210 --> 00:04:20,880

for all concessions so he can make a lot

107

00:04:29,030 --> 00:04:26,220

more money than uh at any given gig but

108

00:04:32,450 --> 00:04:29,040

he works directly with the venues and to

109

00:04:34,310 --> 00:04:32,460

ensure that his fan base can come see

110

00:04:35,810 --> 00:04:34,320

him so they can spend 30 bucks on a

111

00:04:38,330 --> 00:04:35,820

ticket 20 bucks on a ticket and they're

112

00:04:41,210 --> 00:04:38,340

not spending ten dollars on a Budweiser

113

00:04:43,909 --> 00:04:41,220

to spend maybe five so Kid Rock can do

114

00:04:45,590 --> 00:04:43,919

it these guys just looked it up Bruce

115

00:04:48,350 --> 00:04:45,600

Springsteen E Street Band

116

00:04:50,830 --> 00:04:48,360

um I looked up closest to you uh

117

00:04:54,830 --> 00:04:50,840

Columbus Ohio March 9th

118

00:04:58,990 --> 00:04:54,840

uh floor seats are 978 dollars let's do

119

00:05:03,469 --> 00:05:01,310

which are cheap ones

120

00:05:05,270 --> 00:05:03,479

if you're in the nosebleeds be so this

121

00:05:07,670 --> 00:05:05,280

is at the Nationwide Arena downtown but

122

00:05:08,870 --> 00:05:07,680

if you're at the nosebleeds behind the

123

00:05:12,409 --> 00:05:08,880

stage

124

00:05:14,990 --> 00:05:12,419

uh 136 dollars

125

00:05:17,870 --> 00:05:15,000

132 even cheaper but

126

00:05:20,510 --> 00:05:17,880

that's behind the stages to see the show

127

00:05:22,370 --> 00:05:20,520

you can take a look at uh Bruce

128

00:05:25,129 --> 00:05:22,380

Springsteen's ass all night oh that's

129

00:05:27,110 --> 00:05:25,139

great no you didn't see that you you

130

00:05:29,510 --> 00:05:27,120

probably if those seats probably not be

131

00:05:33,469 --> 00:05:29,520

able to actually see what's going on you

132

00:05:35,150 --> 00:05:33,479

see Max Weinstein's bald spot wow

133

00:05:37,969 --> 00:05:35,160

uh

134

00:05:42,350 --> 00:05:37,979

so yeah let's go for the 5000. he's not

135

00:05:45,650 --> 00:05:42,360

even apologizing wait wait 2 800.

136

00:05:50,150 --> 00:05:45,660

2800 where where do I sit for that

137

00:05:53,810 --> 00:05:50,160

uh floor seats uh row b second row

138

00:05:56,570 --> 00:05:53,820

floor seats oh [h__h] those two of them

139

00:05:57,830 --> 00:05:56,580

all of it two of them are five thousand

140

00:05:59,749 --> 00:05:57,840

six hundred dollars

141

00:06:01,730 --> 00:05:59,759

so if you want to take the missus to see

142

00:06:03,890 --> 00:06:01,740

Bruce Springsteen's second row not even

143

00:06:06,950 --> 00:06:03,900

front row

144

00:06:09,469 --> 00:06:06,960

um almost six grand yeah he goes on to

145

00:06:11,450 --> 00:06:09,479

say that uh uh shortly after tickets

146

00:06:14,270 --> 00:06:11,460

went on sale Ticketmaster defended his

147

00:06:17,810 --> 00:06:14,280

pricing model variety reports of a

148

00:06:21,950 --> 00:06:17,820

variety reports the company claimed that

149

00:06:23,770 --> 00:06:21,960

about 11 of the tickets were sold at the

150

00:06:28,129 --> 00:06:23,780

Platinum price

151
00:06:30,050 --> 00:06:28,139
which with only 1.3 percent reaching a

152
00:06:32,570 --> 00:06:30,060
thousand dollars or more additionally

153
00:06:34,909 --> 00:06:32,580
majority of tickets sold at fixed prices

154
00:06:37,490 --> 00:06:34,919
ranging from sixty dollars to four

155
00:06:38,990 --> 00:06:37,500
hundred dollars before service fees and

156
00:06:41,090 --> 00:06:39,000
those service fees will probably just

157
00:06:46,490 --> 00:06:41,100
double everything

158
00:06:48,230 --> 00:06:46,500
uh front row seats 2 300 23 at 2301

159
00:06:51,290 --> 00:06:48,240
row a

160
00:06:52,610 --> 00:06:51,300
oh my God this is what I want this is

161
00:06:56,570 --> 00:06:52,620
what I need

162
00:07:00,710 --> 00:06:58,129
um well

163
00:07:05,029 --> 00:07:00,720

I mean that's not the uh the only act

164

00:07:07,010 --> 00:07:05,039

getting in on on some of this stuff so

165

00:07:09,010 --> 00:07:07,020

Bruce Springsteen not apologetic about

166

00:07:12,050 --> 00:07:09,020

it we'll charge five thousand dollars

167

00:07:14,809 --> 00:07:12,060

we'll do it comment in the chat from

168

00:07:16,730 --> 00:07:14,819

from uh gumbo pie for two hundred

169

00:07:20,629 --> 00:07:16,740

dollars you could stand over the urinal

170

00:07:23,830 --> 00:07:20,639

and hear The Echoes I would take it

171

00:07:28,550 --> 00:07:26,150

laser for that price you could you could

172

00:07:30,770 --> 00:07:28,560

easily buy a 1992 Plymouth Laser for 200

173

00:07:34,670 --> 00:07:30,780

bucks maybe 400 bucks Oh I thought you

174

00:07:36,529 --> 00:07:34,680

meant the 2300 no 2300 wait was that a

175

00:07:38,330 --> 00:07:36,539

gold plated Plymouth Laser

176
00:07:40,129 --> 00:07:38,340
that's okay so how about this how about

177
00:07:41,749 --> 00:07:40,139
you pay the five grand for these seats

178
00:07:43,670 --> 00:07:41,759
you go up there and there are no seats

179
00:07:46,010 --> 00:07:43,680
there is a 1992 Plymouth Laser for you

180
00:07:47,450 --> 00:07:46,020
to sit in during the concert I should be

181
00:07:48,770 --> 00:07:47,460
for five thousand dollars I should be

182
00:07:52,309 --> 00:07:48,780
able to sit in the front row and use a

183
00:07:54,129 --> 00:07:52,319
BD gun and shoot at Bruce all concert

184
00:07:56,689 --> 00:07:54,139
foreign

185
00:07:58,309 --> 00:07:56,699
he just hands you the guitar It's Like a

186
00:07:59,689 --> 00:07:58,319
Rock and Roll Fantasy Camp but like hey

187
00:08:01,490 --> 00:07:59,699
look at me um

188
00:08:03,890 --> 00:08:01,500

I'm a crazed fan and I'm gonna shoot

189

00:08:05,990 --> 00:08:03,900

Bruce Springsteen with a BB gun like

190

00:08:08,390 --> 00:08:06,000

that yeah but this is not the only

191

00:08:12,050 --> 00:08:08,400

person that's doing it uh Taylor Swift

192

00:08:15,290 --> 00:08:12,060

is also getting in on the action Taylor

193

00:08:18,670 --> 00:08:15,300

Swift tickets uh resale price hits 20

194

00:08:21,529 --> 00:08:18,680

000 for Kansas City concert

195

00:08:22,850 --> 00:08:21,539

twenty twenty thousand twenty thousand

196

00:08:26,450 --> 00:08:22,860

dollars all right I gotta look this one

197

00:08:29,150 --> 00:08:26,460

up Taylor Swift Swift

198

00:08:32,389 --> 00:08:29,160

[h__h]

199

00:08:34,909 --> 00:08:32,399

uh only in their wildest dreams will

200

00:08:37,310 --> 00:08:34,919

Taylor Swift fans be able to snag early

201
00:08:39,170 --> 00:08:37,320
tickets to her U.S summer stadium tour

202
00:08:41,029 --> 00:08:39,180
but they could shout out more than

203
00:08:43,389 --> 00:08:41,039
twenty thousand dollars for premium

204
00:08:47,410 --> 00:08:43,399
seats at the

205
00:08:50,150 --> 00:08:47,420
geha field uh at Arrowhead Stadium

206
00:08:51,350 --> 00:08:50,160
hundreds of thousands of swifties I

207
00:08:53,389 --> 00:08:51,360
guess that's what they're called that's

208
00:08:54,949 --> 00:08:53,399
what they're called really swifties uh

209
00:08:57,889 --> 00:08:54,959
hoping to get tickets on Tuesday and

210
00:08:59,630 --> 00:08:57,899
Wednesdays into pre-sale uh events

211
00:09:01,910 --> 00:08:59,640
through Ticketmaster entertainment came

212
00:09:05,389 --> 00:09:01,920
up empty-handed because of high demand

213
00:09:10,190 --> 00:09:05,399

in website malfunctions that means that

214

00:09:12,650 --> 00:09:10,200

the uh uh the scalpers had an API and

215

00:09:14,269 --> 00:09:12,660

they did all these commands and bought

216

00:09:17,389 --> 00:09:14,279

up everything and so they're going to

217

00:09:18,889 --> 00:09:17,399

resell them I just looked it up so uh

218

00:09:20,990 --> 00:09:18,899

would you look up Taylor Swift stuff for

219

00:09:22,190 --> 00:09:21,000

next summer it just says no tickets no

220

00:09:24,290 --> 00:09:22,200

tickets okay

221

00:09:26,030 --> 00:09:24,300

uh then Ticketmaster canceled Friday's

222

00:09:28,430 --> 00:09:26,040

public ticket sale event for Swift's

223

00:09:30,769 --> 00:09:28,440

upcoming tour including two stops at the

224

00:09:33,949 --> 00:09:30,779

Arrowhead Stadium in Kansas City uh

225

00:09:37,670 --> 00:09:33,959

Swift's the heiress tour is set to come

226

00:09:40,550 --> 00:09:37,680

to Kansas City on July 7th and 8th

227

00:09:42,829 --> 00:09:40,560

however fans uh can opt to get tickets

228

00:09:45,829 --> 00:09:42,839

through the resale Market as of

229

00:09:48,350 --> 00:09:45,839

Wednesday Wednesday night tickets on uh

230

00:09:51,590 --> 00:09:48,360

StubHub listed the most expensive ticket

231

00:09:54,829 --> 00:09:51,600

at the Arrowhead Stadium for twenty

232

00:09:56,570 --> 00:09:54,839

thousand dollars what well twenty

233

00:09:59,750 --> 00:09:56,580

thousand five hundred twenty one dollars

234

00:10:02,930 --> 00:09:59,760

oh for if

235

00:10:05,810 --> 00:10:02,940

if you're in for 20 grams of 511 yeah

236

00:10:07,430 --> 00:10:05,820

what's up with another 511 Taylor Swift

237

00:10:09,310 --> 00:10:07,440

actually one if we can get Bruce

238

00:10:11,930 --> 00:10:09,320

Springsteen tickets on StubHub

239

00:10:14,889 --> 00:10:11,940

well for that price

240

00:10:17,630 --> 00:10:14,899

uh you can get second row floor seat

241

00:10:19,250 --> 00:10:17,640

which is the closest spot to the stage

242

00:10:21,350 --> 00:10:19,260

well I would have to say it's not

243

00:10:22,850 --> 00:10:21,360

because it's not

244

00:10:26,269 --> 00:10:22,860

it's the second row it's not the first

245

00:10:29,990 --> 00:10:26,279

row it's not the first row yeah

246

00:10:31,850 --> 00:10:30,000

yes uh other uh first uh level seats at

247

00:10:34,210 --> 00:10:31,860

the air has uh Stadium started around

248

00:10:38,030 --> 00:10:34,220

sixteen hundred dollars

249

00:10:41,990 --> 00:10:38,040

and the lower seats and uh go down to

250

00:10:43,670 --> 00:10:42,000

like 900 so this is all crazy

251
00:10:46,610 --> 00:10:43,680
all right so Bruce Springsteen that same

252
00:10:48,230 --> 00:10:46,620
concert Columbus Ohio March 9th uh three

253
00:10:50,509 --> 00:10:48,240
thousand seventy two dollars so they're

254
00:10:53,569 --> 00:10:50,519
more expensive than StubHub

255
00:10:55,970 --> 00:10:53,579
this is like so all these big rock shows

256
00:10:58,310 --> 00:10:55,980
it's no longer for Working Class People

257
00:11:01,190 --> 00:10:58,320
it's no longer for middle class people

258
00:11:03,170 --> 00:11:01,200
it's all for rich people at this point

259
00:11:05,630 --> 00:11:03,180
it's all just for rich people

260
00:11:09,290 --> 00:11:05,640
it's all and it's all it is like you

261
00:11:11,870 --> 00:11:09,300
gotta like what save up for a year to go

262
00:11:14,690 --> 00:11:11,880
see Bruce Springsteen that's it like no

263
00:11:15,949 --> 00:11:14,700

vacation no anything else no there's no

264

00:11:18,170 --> 00:11:15,959

Christmas kids because we're gonna go

265

00:11:21,050 --> 00:11:18,180

see Bruce we're gonna no we're gonna buy

266

00:11:23,449 --> 00:11:21,060

one ticket I'm gonna go see Bruce yeah

267

00:11:24,949 --> 00:11:23,459

one of you is gonna be forced to go see

268

00:11:27,650 --> 00:11:24,959

Bruce Springsteen that's your vacation

269

00:11:29,150 --> 00:11:27,660

you're gonna be here uh cleaning up dog

270

00:11:31,850 --> 00:11:29,160

crap in the yard

271

00:11:33,650 --> 00:11:31,860

Merry Christmas I will FaceTime you from

272

00:11:36,829 --> 00:11:33,660

the show yeah

273

00:11:37,970 --> 00:11:36,839

what what won't they have fun kids won't

274

00:11:39,590 --> 00:11:37,980

that be fun

275

00:11:42,829 --> 00:11:39,600

all right Taylor Swift I'm trying to

276

00:11:45,230 --> 00:11:42,839

find tickets they said Kansas City

277

00:11:49,490 --> 00:11:45,240

um she has a crazy stage for this

278

00:11:51,530 --> 00:11:49,500

concert good Lord 2300 2200

279

00:11:54,170 --> 00:11:51,540

4 000

280

00:12:00,650 --> 00:11:54,180

uh

281

00:12:02,569 --> 00:12:00,660

where you make the Monday yeah 700 2900

282

00:12:04,730 --> 00:12:02,579

looking for the twenty thousand thirty

283

00:12:06,769 --> 00:12:04,740

five hundred

284

00:12:08,509 --> 00:12:06,779

they're not even close to the stage I

285

00:12:11,509 --> 00:12:08,519

don't yeah it's ridiculous everything

286

00:12:12,949 --> 00:12:11,519

everything that's going on is absolutely

287

00:12:14,690 --> 00:12:12,959

ridiculous

288

00:12:16,009 --> 00:12:14,700

since there's tickets worth seventy two

289

00:12:18,170 --> 00:12:16,019

hundred dollars where are those let's

290

00:12:20,630 --> 00:12:18,180

check that one oh there we go one ticket

291

00:12:23,810 --> 00:12:20,640

seven thousand two hundred dollars holy

292

00:12:25,310 --> 00:12:23,820

moly third row unrestricted view it's uh

293

00:12:26,750 --> 00:12:25,320

almost it's right at the edge of the

294

00:12:28,370 --> 00:12:26,760

stage so you're almost behind the stage

295

00:12:31,190 --> 00:12:28,380

off to the side you're not even on the

296

00:12:33,350 --> 00:12:31,200

on the floor Jesus Christ

297

00:12:35,990 --> 00:12:33,360

hello

298

00:12:38,090 --> 00:12:36,000

but what's the cheapest ticket see

299

00:12:40,069 --> 00:12:38,100

go that same concert for 500 stand

300

00:12:43,190 --> 00:12:40,079

behind pig man yeah

301
00:12:46,310 --> 00:12:43,200
eight billion 737

302
00:12:48,290 --> 00:12:46,320
million 540 000. Trump just buying up

303
00:12:49,790 --> 00:12:48,300
all the tickets

304
00:12:51,290 --> 00:12:49,800
actually that would be that would be the

305
00:12:52,730 --> 00:12:51,300
sort of thing like an Elon Musk level

306
00:12:54,530 --> 00:12:52,740
billionaire would do I'm gonna buy all

307
00:12:56,329 --> 00:12:54,540
the tickets for the concert one guy in

308
00:12:58,850 --> 00:12:56,339
the back yes one guy Trump's in the back

309
00:13:01,069 --> 00:12:58,860
there dances dude can you put up a a

310
00:13:02,750 --> 00:13:01,079
animated gift of trump dancing because I

311
00:13:04,490 --> 00:13:02,760
love seeing Trump dance and I think

312
00:13:05,870 --> 00:13:04,500
everyone else does too oh you like the

313
00:13:07,730 --> 00:13:05,880

uh where he tries to dance along with

314

00:13:09,650 --> 00:13:07,740

the music yeah I want to see uh Trump

315

00:13:11,930 --> 00:13:09,660

dance he loves to dance Too Bruce

316

00:13:12,949 --> 00:13:11,940

Springsteen and Taylor Swift yeah there

317

00:13:15,410 --> 00:13:12,959

he is

318

00:13:17,030 --> 00:13:15,420

look at that guy move look at him look

319

00:13:19,250 --> 00:13:17,040

look at those moves look at this he's

320

00:13:22,750 --> 00:13:19,260

Trump is dancing on the on the screen

321

00:13:27,850 --> 00:13:25,190

oh I got there's plenty of these I got

322

00:13:37,430 --> 00:13:31,310

all right check out this one there he is

323

00:13:45,829 --> 00:13:39,470

dancing without moving his feet I don't

324

00:13:45,839 --> 00:13:51,650

I guess this is his new campaign song

325

00:13:54,650 --> 00:13:53,389

there's lots of lots of gifts of trump

326

00:13:55,490 --> 00:13:54,660

dancing

327

00:13:56,930 --> 00:13:55,500

um

328

00:13:58,430 --> 00:13:56,940

and uh

329

00:14:00,829 --> 00:13:58,440

I was gonna say he likes the fist move

330

00:14:02,690 --> 00:14:00,839

without moving his feet yeah I

331

00:14:05,150 --> 00:14:02,700

I dance like that sometimes what is this

332

00:14:07,910 --> 00:14:05,160

move that's the I'm pumping off two guys

333

00:14:11,269 --> 00:14:07,920

in the bathroom move

334

00:14:13,610 --> 00:14:11,279

it's happening here that's the

335

00:14:15,949 --> 00:14:13,620

the pumping the pump and dump

336

00:14:17,629 --> 00:14:15,959

and yeah he likes to shake his fist he

337

00:14:19,370 --> 00:14:17,639

likes to do that thing here's another

338

00:14:20,750 --> 00:14:19,380

one look yeah this is this is his move

339

00:14:23,329 --> 00:14:20,760

it's the go-to move it's the the

340

00:14:25,269 --> 00:14:23,339

two-hand stroke yeah he's got one guy on

341

00:14:28,790 --> 00:14:25,279

either side and he's pumping

342

00:14:30,470 --> 00:14:28,800

and that's what you do huh

343

00:14:33,170 --> 00:14:30,480

what are you doing over there we don't

344

00:14:35,870 --> 00:14:33,180

know what's happening

345

00:14:37,610 --> 00:14:35,880

the guy's moving but we don't know

346

00:14:39,030 --> 00:14:37,620

all right well I got the this is one

347

00:14:43,329 --> 00:14:39,040

more piece of entertainment news

348

00:14:45,470 --> 00:14:43,339

[Music]

349

00:14:49,310 --> 00:14:45,480

we haven't touched on entertainment news

350

00:14:51,530 --> 00:14:49,320

in a while and uh might as well might as

351
00:14:54,470 --> 00:14:51,540
well do it so uh here's a headline here

352
00:14:58,150 --> 00:14:54,480
crazy rumor says Bob Iger

353
00:15:01,129 --> 00:14:58,160
might want to sell Disney

354
00:15:02,870 --> 00:15:01,139
to Apple

355
00:15:07,670 --> 00:15:02,880
so

356
00:15:09,590 --> 00:15:07,680
um the most recent uh CEO of uh of

357
00:15:11,050 --> 00:15:09,600
Disney he was only in for about a year

358
00:15:14,389 --> 00:15:11,060
and a half two years

359
00:15:17,210 --> 00:15:14,399
and he just got uh fired they brought

360
00:15:20,810 --> 00:15:17,220
back the old guy Bob Iger

361
00:15:22,670 --> 00:15:20,820
uh and now it looks like the the head of

362
00:15:26,329 --> 00:15:22,680
lucasfilm Kathleen Kennedy looks like

363
00:15:29,329 --> 00:15:26,339

she's going to be exiting lucasfilm next

364

00:15:30,710 --> 00:15:29,339

summer after she ruins Indiana Jones and

365

00:15:33,290 --> 00:15:30,720

so there's still another Indiana Jones

366

00:15:34,550 --> 00:15:33,300

now Indiana Jones five she's she's gonna

367

00:15:37,850 --> 00:15:34,560

ruin that one

368

00:15:40,610 --> 00:15:37,860

they're going to transition over from uh

369

00:15:43,509 --> 00:15:40,620

uh Harrison Ford Indiana Jones into a

370

00:15:46,069 --> 00:15:43,519

brand new female fronted Indiana Jones

371

00:15:47,829 --> 00:15:46,079

franchise that's the plan

372

00:15:50,090 --> 00:15:47,839

I think if they're smart they will

373

00:15:51,710 --> 00:15:50,100

introduce the new the new actress but

374

00:15:53,389 --> 00:15:51,720

they will still say the name of the

375

00:15:55,790 --> 00:15:53,399

characters Indiana Jones and and no one

376

00:15:57,889 --> 00:15:55,800

will ever mention it yeah yes I think so

377

00:15:59,329 --> 00:15:57,899

this dude like not even mentioned it in

378

00:16:02,449 --> 00:15:59,339

the story she's just gonna take the name

379

00:16:04,490 --> 00:16:02,459

take the Hat take the Whip and uh just

380

00:16:06,290 --> 00:16:04,500

move on I honestly I think that's the

381

00:16:09,050 --> 00:16:06,300

plan

382

00:16:13,069 --> 00:16:09,060

um but there's been a lot of shake up at

383

00:16:15,530 --> 00:16:13,079

Disney a lot of turmoil and now it looks

384

00:16:17,990 --> 00:16:15,540

like uh Bob Iger might want to sell

385

00:16:19,730 --> 00:16:18,000

Disney to Apple which would be an

386

00:16:21,710 --> 00:16:19,740

incredible thing do you think that would

387

00:16:23,870 --> 00:16:21,720

ever happen

388

00:16:26,750 --> 00:16:23,880

uh well famously

389

00:16:28,490 --> 00:16:26,760

um what's the Steve Jobs's wife uh I

390

00:16:30,530 --> 00:16:28,500

can't remember some Lorraine Powell jobs

391

00:16:31,990 --> 00:16:30,540

I think is her name isn't she like the

392

00:16:34,850 --> 00:16:32,000

single largest shareholder of Disney

393

00:16:37,790 --> 00:16:34,860

there's a connection there

394

00:16:40,370 --> 00:16:37,800

keep in mind jobs started um well

395

00:16:42,829 --> 00:16:40,380

technically he bought the

396

00:16:44,749 --> 00:16:42,839

um from lucasfilm he bought the what

397

00:16:47,090 --> 00:16:44,759

became Pixar and then sold at the Disney

398

00:16:48,290 --> 00:16:47,100

and made a bucket load of money yes

399

00:16:50,509 --> 00:16:48,300

so there definitely is a connection

400

00:16:52,870 --> 00:16:50,519

between the two companies Apple has been

401

00:16:56,810 --> 00:16:52,880

dinking around with their terrible Apple

402

00:16:59,509 --> 00:16:56,820

whatever Plus service thing that they do

403

00:17:01,370 --> 00:16:59,519

um you know movies and TV on so I mean I

404

00:17:05,510 --> 00:17:01,380

guess they're dipping their feet into it

405

00:17:07,850 --> 00:17:05,520

I I I guess you could see some some uh

406

00:17:10,250 --> 00:17:07,860

potential synergies there but it's a

407

00:17:13,189 --> 00:17:10,260

weird it's it'd be a weird connection

408

00:17:16,909 --> 00:17:13,199

I'll read a little bit uh in a move

409

00:17:19,669 --> 00:17:16,919

worthy of HBO's Tv show uh hit hit TV

410

00:17:22,549 --> 00:17:19,679

show secession Disney announced late

411

00:17:27,470 --> 00:17:22,559

Sunday that Bob Iger is replacing

412

00:17:29,810 --> 00:17:27,480

CEO Bob chapic was the CEO of Disney for

413

00:17:32,390 --> 00:17:29,820

nearly three years he was iger's pick

414

00:17:36,049 --> 00:17:32,400

for the job when he retired from his

415

00:17:37,970 --> 00:17:36,059

tenure as CEO now igers a new mission is

416

00:17:39,950 --> 00:17:37,980

to find another replacement but Disney's

417

00:17:42,049 --> 00:17:39,960

but Disney insiders now claim that

418

00:17:44,450 --> 00:17:42,059

iger's ultimate goal would be to sell

419

00:17:46,190 --> 00:17:44,460

the company with apple being the most

420

00:17:48,230 --> 00:17:46,200

likely buyer

421

00:17:50,029 --> 00:17:48,240

now it's one thing uh lger did do when

422

00:17:52,250 --> 00:17:50,039

he came into Disney he started he

423

00:17:55,610 --> 00:17:52,260

started to buy properties he started he

424

00:17:58,490 --> 00:17:55,620

got he got Marvel uh he got he got

425

00:18:02,090 --> 00:17:58,500

lucasfilm uh he convinced uh George

426

00:18:03,650 --> 00:18:02,100

Lucas to give him Star Wars and so maybe

427

00:18:05,330 --> 00:18:03,660

he's just like at a point I was like

428

00:18:07,370 --> 00:18:05,340

well I bought enough I'm just gonna sell

429

00:18:09,529 --> 00:18:07,380

the thing now that's my job

430

00:18:11,990 --> 00:18:09,539

uh we have seen speculation in the past

431

00:18:13,730 --> 00:18:12,000

that either Disney or apple would be

432

00:18:16,070 --> 00:18:13,740

interested in such a deal previously

433

00:18:18,830 --> 00:18:16,080

Iger noted that Steve Jobs was a close

434

00:18:21,110 --> 00:18:18,840

friend uh Disney Apple merger might have

435

00:18:24,590 --> 00:18:21,120

might have been on the table if it

436

00:18:26,450 --> 00:18:24,600

weren't for jobs untimely death in 2011.

437

00:18:28,250 --> 00:18:26,460

with Igers return to Disney insiders

438

00:18:30,110 --> 00:18:28,260

are already speculating that his mission

439

00:18:32,930 --> 00:18:30,120

might be to sell the company

440

00:18:36,230 --> 00:18:32,940

and Apple's name is popping up again one

441

00:18:38,450 --> 00:18:36,240

such Insider talk uh one such Insider

442

00:18:40,549 --> 00:18:38,460

talk to the warp saying Iger will sell

443

00:18:44,029 --> 00:18:40,559

the company this is the Pinnacle deal

444

00:18:45,710 --> 00:18:44,039

for the ultimate deal maker the unnamed

445

00:18:49,310 --> 00:18:45,720

Insider claimed

446

00:18:52,310 --> 00:18:49,320

well I think they got to do something

447

00:18:55,250 --> 00:18:52,320

um and a sale might not be out of their

448

00:18:58,549 --> 00:18:55,260

own possibility the the new Star Wars

449

00:19:01,190 --> 00:18:58,559

theme park at Disney is not

450

00:19:05,390 --> 00:19:01,200

lighten it up it's not doing too well

451
00:19:08,029 --> 00:19:05,400
they made horrible moves in the decision

452
00:19:11,289 --> 00:19:08,039
with Lucasfilm by focusing only on their

453
00:19:15,289 --> 00:19:11,299
new characters not writing good stories

454
00:19:17,930 --> 00:19:15,299
and creating so much bad will with the

455
00:19:20,690 --> 00:19:17,940
fan base that they've all but abandoned

456
00:19:23,570 --> 00:19:20,700
Star Wars even within the new series

457
00:19:26,090 --> 00:19:23,580
Andor which I have watched

458
00:19:30,950 --> 00:19:26,100
um that new series that new Star Wars

459
00:19:34,190 --> 00:19:30,960
series Andor is done amazingly well it

460
00:19:37,010 --> 00:19:34,200
is and to me the best Stars the best

461
00:19:39,590 --> 00:19:37,020
Star Wars product that they've ever made

462
00:19:41,930 --> 00:19:39,600
um it takes place during the Rebellion

463
00:19:43,970 --> 00:19:41,940

um and that one guy cassin Andor from

464

00:19:48,650 --> 00:19:43,980

the Rogue one movie he's the star of it

465

00:19:52,010 --> 00:19:48,660

it is it goes in to the politics of the

466

00:19:54,529 --> 00:19:52,020

Empire and the Imperials uh how they try

467

00:19:58,310 --> 00:19:54,539

to control different systems it's like a

468

00:20:02,630 --> 00:19:58,320

a park detective uh thing a park Caper

469

00:20:06,169 --> 00:20:02,640

move uh series it's it's it's dark it's

470

00:20:08,630 --> 00:20:06,179

adult it's boring but it's awesome

471

00:20:11,210 --> 00:20:08,640

it's boring it is I like my science

472

00:20:12,590 --> 00:20:11,220

fiction I mean it's it's slow it's slow

473

00:20:14,630 --> 00:20:12,600

it is

474

00:20:17,690 --> 00:20:14,640

um but I love it and it's done

475

00:20:20,150 --> 00:20:17,700

phenomenally well it looks well done

476
00:20:22,490 --> 00:20:20,160
like it just looks immaculate but no one

477
00:20:25,070 --> 00:20:22,500
cares because everyone's given up on

478
00:20:28,130 --> 00:20:25,080
Star Wars because they've created so

479
00:20:30,470 --> 00:20:28,140
much bad will with the fans

480
00:20:32,210 --> 00:20:30,480
and it's kind of just gone underneath

481
00:20:35,029 --> 00:20:32,220
the radar and it could have been the

482
00:20:38,029 --> 00:20:35,039
best Star Wars product for adult fans of

483
00:20:41,510 --> 00:20:38,039
Star Wars like myself but just no one

484
00:20:43,970 --> 00:20:41,520
gives a darn about this stuff I'm just

485
00:20:46,430 --> 00:20:43,980
so tired of all these Star Wars so they

486
00:20:48,950 --> 00:20:46,440
might be forced to sell I don't disagree

487
00:20:50,090 --> 00:20:48,960
did they ever open that Star Wars land

488
00:20:52,190 --> 00:20:50,100

remember we were talking about that

489

00:20:54,169 --> 00:20:52,200

where they uh they had all sorts of um

490

00:20:56,210 --> 00:20:54,179

construction problems and they were like

491

00:20:57,590 --> 00:20:56,220

they did a preview and people they

492

00:21:00,529 --> 00:20:57,600

brought in a bunch of Fanboys and they

493

00:21:04,370 --> 00:21:00,539

were just pissed so they have the the

494

00:21:05,270 --> 00:21:04,380

the Star Wars land at at Disney so what

495

00:21:07,190 --> 00:21:05,280

is it called

496

00:21:09,650 --> 00:21:07,200

um so they have the Star Wars land but

497

00:21:13,070 --> 00:21:09,660

then the uh they they launched the Star

498

00:21:16,610 --> 00:21:13,080

Wars uh star Cruiser yeah it was like a

499

00:21:19,669 --> 00:21:16,620

hotel it was a hotel uh that they had

500

00:21:22,010 --> 00:21:19,679

that they like rebranded to make it look

501
00:21:25,010 --> 00:21:22,020
like Star Wars and it just looked hokey

502
00:21:27,710 --> 00:21:25,020
and stupid and that place they are

503
00:21:30,230 --> 00:21:27,720
struggling to get attendance Star Wars

504
00:21:32,049 --> 00:21:30,240
Galax star Cruiser is the name of the

505
00:21:34,370 --> 00:21:32,059
hotel yes

506
00:21:35,870 --> 00:21:34,380
took an existing one and just like put

507
00:21:39,409 --> 00:21:35,880
some neon lights in it and said look if

508
00:21:41,930 --> 00:21:39,419
you're in space it's it's total BS that

509
00:21:44,930 --> 00:21:41,940
is failing as well too so pretty much

510
00:21:46,669 --> 00:21:44,940
anything that the the head of lucasfilm

511
00:21:49,070 --> 00:21:46,679
Catholic Kennedy has touched in regards

512
00:21:51,950 --> 00:21:49,080
to Star Wars Star Wars has been a

513
00:21:53,510 --> 00:21:51,960

complete failure besides the Mandalorian

514

00:21:55,730 --> 00:21:53,520

which he really didn't have any

515

00:21:59,210 --> 00:21:55,740

involvement in it that's the only thing

516

00:22:02,210 --> 00:21:59,220

that has caught any sort of fire since

517

00:22:04,310 --> 00:22:02,220

Disney has owned Star Wars anything new

518

00:22:07,190 --> 00:22:04,320

that was uh who was the guy who was

519

00:22:09,830 --> 00:22:07,200

leading that one that was uh the guy who

520

00:22:11,630 --> 00:22:09,840

did Iron Man uh John Favreau fever yeah

521

00:22:13,610 --> 00:22:11,640

yeah uh

522

00:22:15,710 --> 00:22:13,620

and a couple other guys there but uh

523

00:22:17,630 --> 00:22:15,720

true Star Wars fans but

524

00:22:21,169 --> 00:22:17,640

um I I think all the decisions that they

525

00:22:24,950 --> 00:22:21,179

made uh and especially since the

526

00:22:27,169 --> 00:22:24,960

uh the conclusion of the the mar the uh

527

00:22:29,690 --> 00:22:27,179

the Marvel Avenger series and the end

528

00:22:31,970 --> 00:22:29,700

game all the new Marvel movies have been

529

00:22:36,049 --> 00:22:31,980

kind of hit and miss you know they look

530

00:22:37,490 --> 00:22:36,059

cool but not a lot of excitement and so

531

00:22:39,950 --> 00:22:37,500

they kind of run their course I think

532

00:22:41,810 --> 00:22:39,960

people are kind of superheroed out at

533

00:22:43,669 --> 00:22:41,820

this point

534

00:22:45,770 --> 00:22:43,679

um there's just too much of it not

535

00:22:48,470 --> 00:22:45,780

enough uh interesting stories are being

536

00:22:50,930 --> 00:22:48,480

told and so they're running the course

537

00:22:52,610 --> 00:22:50,940

and maybe maybe they will wind up

538

00:22:54,409 --> 00:22:52,620

selling to Apple but why would Apple

539

00:22:56,810 --> 00:22:54,419

want to buy

540

00:22:58,070 --> 00:22:56,820

uh Disney it seems like a big headache

541

00:22:59,870 --> 00:22:58,080

at this point

542

00:23:01,250 --> 00:22:59,880

that's a good point I mean they may look

543

00:23:02,330 --> 00:23:01,260

out on paper and say this looks good but

544

00:23:03,830 --> 00:23:02,340

you're right it raises a lot of

545

00:23:04,730 --> 00:23:03,840

questions about

546

00:23:07,610 --> 00:23:04,740

um

547

00:23:09,169 --> 00:23:07,620

uh about the value of that by the way so

548

00:23:10,789 --> 00:23:09,179

there are some photos of this Galactic

549

00:23:12,409 --> 00:23:10,799

star Cruiser Hotel

550

00:23:15,169 --> 00:23:12,419

uh I'm gonna put this in carrot shop

551

00:23:16,490 --> 00:23:15,179

because you can bring them up in the

552

00:23:18,110 --> 00:23:16,500

um this is a Google Maps thing but it's

553

00:23:19,970 --> 00:23:18,120

the 360 so you can kind of spin around

554

00:23:21,409 --> 00:23:19,980

in there

555

00:23:24,590 --> 00:23:21,419

um I mean you can see what they're going

556

00:23:26,390 --> 00:23:24,600

for but I think biggest issue I see is

557

00:23:30,230 --> 00:23:26,400

it's damn near empty

558

00:23:33,710 --> 00:23:30,240

it it looks awful what is this [h__\h]

559

00:23:35,330 --> 00:23:33,720

it looks cool but like you're once

560

00:23:37,190 --> 00:23:35,340

you're in there what do you do am I

561

00:23:39,230 --> 00:23:37,200

gonna go drink some rock gut ale get

562

00:23:41,330 --> 00:23:39,240

into a fight at the Cantina because I'm

563

00:23:43,730 --> 00:23:41,340

some kind of drunken Jedi no I'd be

564

00:23:46,490 --> 00:23:43,740

thrown out right away

565

00:23:48,590 --> 00:23:46,500

but I mean it it looks pretty cool but

566

00:23:50,149 --> 00:23:48,600

it's not worth the four thousand dollars

567

00:23:52,909 --> 00:23:50,159

or five thousand dollars for your family

568

00:23:55,010 --> 00:23:52,919

these are Bruce Springsteen prices you

569

00:23:58,010 --> 00:23:55,020

know yeah I can't see Bruce Springsteen

570

00:24:01,250 --> 00:23:58,020

and stay in the Star Wars Hotel no

571

00:24:03,110 --> 00:24:01,260

Lord no this is all for more rich people

572

00:24:04,789 --> 00:24:03,120

here this is all this rich people

573

00:24:06,590 --> 00:24:04,799

[h__\h]

574

00:24:09,710 --> 00:24:06,600

Star Wars Galactic star Cruiser

575

00:24:12,529 --> 00:24:09,720

two-night immersive Adventure how much

576

00:24:14,330 --> 00:24:12,539

[h__h] them yeah I want to go let's

577

00:24:16,190 --> 00:24:14,340

let's go

578

00:24:18,230 --> 00:24:16,200

me you and Joe are gonna go down here

579

00:24:21,049 --> 00:24:18,240

and we're gonna broadcast in there

580

00:24:24,049 --> 00:24:21,059

dining cabins oh you stay in a cabin a

581

00:24:27,710 --> 00:24:24,059

cabin more about the cabins

582

00:24:29,750 --> 00:24:27,720

what they said something wrong

583

00:24:31,610 --> 00:24:29,760

my computer talked to me

584

00:24:33,470 --> 00:24:31,620

there you go here's here's the cabins

585

00:24:35,090 --> 00:24:33,480

you get to stay in in your Galactic star

586

00:24:36,770 --> 00:24:35,100

Cruiser

587

00:24:38,330 --> 00:24:36,780

oh good okay

588

00:24:39,950 --> 00:24:38,340

I'm kind of curious about where I'm

589

00:24:40,870 --> 00:24:39,960

gonna take a crap

590

00:24:43,789 --> 00:24:40,880

yeah

591

00:24:47,510 --> 00:24:43,799

they show the space toilet

592

00:24:53,450 --> 00:24:50,169

I see no space toilet

593

00:24:56,450 --> 00:24:53,460

I'm sorry sir you did not buy the uh the

594

00:24:58,070 --> 00:24:56,460

class ticket that allowed they got like

595

00:25:01,190 --> 00:24:58,080

you're paying five thousand dollars to

596

00:25:02,750 --> 00:25:01,200

sleep in uncountable bunk beds yeah how

597

00:25:04,510 --> 00:25:02,760

do I book a ticket here I'm gonna spread

598

00:25:05,750 --> 00:25:04,520

Wookie feces all over this place

599

00:25:09,350 --> 00:25:05,760

[Music]

600

00:25:11,390 --> 00:25:09,360

for five grand yeah every every spot is

601
00:25:13,549 --> 00:25:11,400
the space I'm just gonna spread my my

602
00:25:15,710 --> 00:25:13,559
dung everywhere I go I mean I gotta get

603
00:25:17,390 --> 00:25:15,720
really get my money's worth here

604
00:25:19,850 --> 00:25:17,400
and they only give you one USB charger

605
00:25:20,870 --> 00:25:19,860
oh [h__h] that

606
00:25:21,770 --> 00:25:20,880
yeah

607
00:25:24,230 --> 00:25:21,780
um

608
00:25:26,690 --> 00:25:24,240
this is crazy areas going on here is

609
00:25:28,669 --> 00:25:26,700
just absolutely insane good five

610
00:25:30,830 --> 00:25:28,679
standing by you keep standing by because

611
00:25:33,470 --> 00:25:30,840
we can't afford to go in why is the TV

612
00:25:36,230 --> 00:25:33,480
so small in that room I don't know

613
00:25:38,870 --> 00:25:36,240

you expect a big screen

614

00:25:41,810 --> 00:25:38,880

some kind of big screen but no I mean

615

00:25:44,390 --> 00:25:41,820

that's kind of cool but I I mean for

616

00:25:47,330 --> 00:25:44,400

five thousand dollars for a family no no

617

00:25:48,950 --> 00:25:47,340

[h__h] way what I cannot find how much

618

00:25:50,149 --> 00:25:48,960

these tickets I can't find where to buy

619

00:25:51,409 --> 00:25:50,159

these damn tickets they don't want you

620

00:25:53,450 --> 00:25:51,419

to go

621

00:25:57,710 --> 00:25:53,460

they're embarrassed

622

00:25:59,210 --> 00:25:57,720

anyways

623

00:26:00,529 --> 00:25:59,220

um let's get out of here let's open up

624

00:26:02,870 --> 00:26:00,539

the phone lines a little bit then we'll

625

00:26:04,430 --> 00:26:02,880

come back and do some uh some goofy news

626
00:26:07,310 --> 00:26:04,440
we've been talking about this stuff too

627
00:26:07,320 --> 00:26:11,670
foreign

628
00:26:11,680 --> 00:26:20,649
[Music]

629
00:26:24,289 --> 00:26:22,669
by the way I just put drunk Lincoln

630
00:26:26,750 --> 00:26:24,299
Carriage off if you want this

631
00:26:28,850 --> 00:26:26,760
they require you to wear certain

632
00:26:31,010 --> 00:26:28,860
costumes when you're there oh good and

633
00:26:32,630 --> 00:26:31,020
there are rules I'll dress up like Buck

634
00:26:34,610 --> 00:26:32,640
Rogers

635
00:26:36,970 --> 00:26:34,620
that's one of the rules

636
00:26:40,250 --> 00:26:36,980
caller you're on the air

637
00:26:42,230 --> 00:26:40,260
hey hey guys this is Dan Alaska how you

638
00:26:43,970 --> 00:26:42,240

doing Stan hello hello

639

00:26:46,010 --> 00:26:43,980

I'm doing awesome

640

00:26:47,870 --> 00:26:46,020

yeah no I think that last caller the

641

00:26:49,909 --> 00:26:47,880

idea for two hours Alex Jones sounds

642

00:26:51,769 --> 00:26:49,919

good in concept but uh I think gameplay

643

00:26:53,630 --> 00:26:51,779

we're gonna get collect all those clips

644

00:26:56,570 --> 00:26:53,640

yourself I got them all it's just I got

645

00:26:57,950 --> 00:26:56,580

to put them together edit it and uh I

646

00:26:59,870 --> 00:26:57,960

think people would tune in for like the

647

00:27:03,409 --> 00:26:59,880

first five minutes and then be like okay

648

00:27:06,830 --> 00:27:04,909

kind of like kind of like a regular show

649

00:27:09,830 --> 00:27:06,840

yeah you can only turn cannons up so

650

00:27:16,010 --> 00:27:13,070

I get that it's on your mind stand

651
00:27:17,450 --> 00:27:16,020
uh yeah that's show Andor

652
00:27:20,090 --> 00:27:17,460
um so I've been watching that with my

653
00:27:21,830 --> 00:27:20,100
with my kids uh my my teenage daughter

654
00:27:23,269 --> 00:27:21,840
really likes it and it's actually a

655
00:27:25,789 --> 00:27:23,279
pretty I think it's a very good show

656
00:27:27,350 --> 00:27:25,799
yeah I think yeah that Kathleen candy

657
00:27:29,510 --> 00:27:27,360
lady yeah she keeps her hands off it

658
00:27:31,370 --> 00:27:29,520
just like uh suppose she's left her

659
00:27:33,230 --> 00:27:31,380
hands off the Mandalorian

660
00:27:34,789 --> 00:27:33,240
um and probably Rogue one I think those

661
00:27:36,289 --> 00:27:34,799
are really good uh Star Wars things

662
00:27:37,730 --> 00:27:36,299
because they're they're they're space

663
00:27:39,890 --> 00:27:37,740

Western that's what these things are and

664

00:27:42,049 --> 00:27:39,900

they're really good there's there's some

665

00:27:44,450 --> 00:27:42,059

real violence that happens in Andor and

666

00:27:46,789 --> 00:27:44,460

some adult things and

667

00:27:49,730 --> 00:27:46,799

um and just I like to seeing people

668

00:27:52,610 --> 00:27:49,740

interacting with the the Imperials and

669

00:27:55,850 --> 00:27:52,620

the Empire and how heavy-handed they are

670

00:27:57,950 --> 00:27:55,860

and I it's just a really I think a

671

00:27:59,450 --> 00:27:57,960

really well done story it's laid out

672

00:28:02,870 --> 00:27:59,460

pretty well there's some excitement I'm

673

00:28:05,510 --> 00:28:02,880

not sure how far along into it you are

674

00:28:07,970 --> 00:28:05,520

um but so far like I it's held my

675

00:28:11,330 --> 00:28:07,980

interest it did take me to get past

676
00:28:13,070 --> 00:28:11,340
episode two you had to buy in in order

677
00:28:16,190 --> 00:28:13,080
to be completely invested in the story

678
00:28:19,070 --> 00:28:16,200
because it is a little slow

679
00:28:21,289 --> 00:28:19,080
uh and that for me I love the slow

680
00:28:23,510 --> 00:28:21,299
aspect of it I think that's for me I

681
00:28:25,250 --> 00:28:23,520
like the whole kind of campaign thing

682
00:28:27,769 --> 00:28:25,260
about it it's like it's a long story

683
00:28:29,930 --> 00:28:27,779
there's lots of little details and I'm I

684
00:28:31,310 --> 00:28:29,940
I like to watch and be in it for that so

685
00:28:33,289 --> 00:28:31,320
that's that's one thing I like about

686
00:28:35,390 --> 00:28:33,299
this and that just the grunginess of it

687
00:28:36,830 --> 00:28:35,400
and yeah and or like he's they've made

688
00:28:39,049 --> 00:28:36,840

him pretty bloodthirsty well he'll just

689

00:28:40,789 --> 00:28:39,059

pick a blaster just blast somebody and

690

00:28:43,730 --> 00:28:40,799

not be thinking about it much more than

691

00:28:45,529 --> 00:28:43,740

other characters in Star Wars so this

692

00:28:47,029 --> 00:28:45,539

this don't act up front there um and

693

00:28:49,190 --> 00:28:47,039

yeah like the back story with the

694

00:28:51,110 --> 00:28:49,200

Imperials you know like I saw in my my

695

00:28:52,850 --> 00:28:51,120

daughter I don't remember the the one

696

00:28:56,450 --> 00:28:52,860

guy that is uh

697

00:28:58,490 --> 00:28:56,460

she was at um that one cop the fact that

698

00:29:00,230 --> 00:28:58,500

that one cop guy that then got demoted

699

00:29:01,789 --> 00:29:00,240

and got this little job I can't remember

700

00:29:04,250 --> 00:29:01,799

what his name is yeah where his position

701
00:29:06,610 --> 00:29:04,260
is anyway my daughter likes to referred

702
00:29:09,950 --> 00:29:06,620
him as what's his name Steve

703
00:29:11,930 --> 00:29:09,960
it is Steve okay my daughter refers to

704
00:29:13,370 --> 00:29:11,940
his Minecraft Steve and she thinks that

705
00:29:15,950 --> 00:29:13,380
his character line is really super

706
00:29:17,330 --> 00:29:15,960
boring and um especially with a Serial

707
00:29:18,710 --> 00:29:17,340
portion where he's eating the cereal

708
00:29:19,909 --> 00:29:18,720
he's like putting his finger he's

709
00:29:22,669 --> 00:29:19,919
looking at it and then getting like

710
00:29:25,010 --> 00:29:22,679
talked to him by his talk down to by his

711
00:29:27,110 --> 00:29:25,020
mom I think that that storyline's like

712
00:29:28,250 --> 00:29:27,120
kind of cringy in one little sense but

713
00:29:29,870 --> 00:29:28,260

it's it's funny I think it's good

714

00:29:31,610 --> 00:29:29,880

because it just shows like there's this

715

00:29:33,649 --> 00:29:31,620

this government bureaucrat that's really

716

00:29:34,850 --> 00:29:33,659

wants to screw these Rebels and I'm

717

00:29:36,590 --> 00:29:34,860

finding the way to do it and these other

718

00:29:37,850 --> 00:29:36,600

bureaucrats are like you're not good

719

00:29:40,130 --> 00:29:37,860

enough and you don't need to be doing it

720

00:29:41,810 --> 00:29:40,140

we got this kind of handled and uh yeah

721

00:29:43,789 --> 00:29:41,820

it shows all the kind of interior Strife

722

00:29:45,110 --> 00:29:43,799

with air within the Empire yeah it's

723

00:29:47,510 --> 00:29:45,120

interesting to see like this

724

00:29:50,330 --> 00:29:47,520

totalitarian government kind and see

725

00:29:53,090 --> 00:29:50,340

it's like it's Wheels in Motion and

726

00:29:54,769 --> 00:29:53,100

who's really invested in in it or some

727

00:29:56,930 --> 00:29:54,779

people are just doing it for the sake of

728

00:29:58,850 --> 00:29:56,940

the job you know

729

00:30:01,190 --> 00:29:58,860

um it's an interesting Dynamic so I'm

730

00:30:03,169 --> 00:30:01,200

glad I'm not alone in watching it and

731

00:30:05,750 --> 00:30:03,179

thinking that it's pretty good

732

00:30:07,190 --> 00:30:05,760

yeah I've got just the last two episodes

733

00:30:09,830 --> 00:30:07,200

to watch

734

00:30:11,149 --> 00:30:09,840

um I think um so I'm I'm gonna be

735

00:30:14,269 --> 00:30:11,159

watching those this weekend with my

736

00:30:15,950 --> 00:30:14,279

daughter and uh I've been fairly um I

737

00:30:19,130 --> 00:30:15,960

liked the one where he was on the beach

738

00:30:20,269 --> 00:30:19,140

and then he got arrested yeah um by that

739

00:30:22,970 --> 00:30:20,279

K2 Droid

740

00:30:25,789 --> 00:30:22,980

um with a Scarab Trooper there I just I

741

00:30:28,190 --> 00:30:25,799

just can't understand how Star Wars like

742

00:30:32,269 --> 00:30:29,810

where you have all these people that are

743

00:30:34,610 --> 00:30:32,279

dressing up that are being extras that

744

00:30:36,769 --> 00:30:34,620

are doing this like how can how does

745

00:30:38,750 --> 00:30:36,779

Star Wars not recognize that they can't

746

00:30:41,269 --> 00:30:38,760

replicate this on multiple fronts

747

00:30:42,769 --> 00:30:41,279

they're so woke and they want to do this

748

00:30:44,870 --> 00:30:42,779

kind of you know indoctrination stupid

749

00:30:48,169 --> 00:30:44,880

things like people want this they want

750

00:30:49,669 --> 00:30:48,179

the space Western story and you know

751
00:30:51,169 --> 00:30:49,679
some people like different kind of story

752
00:30:52,310 --> 00:30:51,179
Lines within it which is fine which

753
00:30:53,630 --> 00:30:52,320
they've made they've made several

754
00:30:56,389 --> 00:30:53,640
different kind of storylines within it

755
00:30:57,769 --> 00:30:56,399
but it's just this like Mandalorian um

756
00:30:59,750 --> 00:30:57,779
they could have done better with book of

757
00:31:01,909 --> 00:30:59,760
Boba Fett you get to expand that story

758
00:31:03,590 --> 00:31:01,919
and made it better but you can tell like

759
00:31:06,470 --> 00:31:03,600
John Favreau did a very good job with

760
00:31:08,029 --> 00:31:06,480
the Mandalorian and um just I think

761
00:31:10,370 --> 00:31:08,039
there's a slow pace to that show too but

762
00:31:12,710 --> 00:31:10,380
I like it and I think it's it's you know

763
00:31:13,970 --> 00:31:12,720

and it has the goofy campy stuff um I

764

00:31:15,830 --> 00:31:13,980

think they've got really good music in

765

00:31:17,330 --> 00:31:15,840

Andor and that's that's why I like you

766

00:31:19,430 --> 00:31:17,340

know Mandalorian as well is they've got

767

00:31:21,529 --> 00:31:19,440

those aspects and then you know and I

768

00:31:23,149 --> 00:31:21,539

got it just my vote here um I still call

769

00:31:26,049 --> 00:31:23,159

them baby Yoda I do not acknowledge

770

00:31:28,909 --> 00:31:26,059

grogu at all and I see people um in town

771

00:31:31,610 --> 00:31:28,919

multiple people have grogu life plates

772

00:31:34,130 --> 00:31:31,620

wow really I'm the grogu one grogu2 oh

773

00:31:35,570 --> 00:31:34,140

absolutely and I'm like that's like that

774

00:31:37,190 --> 00:31:35,580

to me is like in the front it's like no

775

00:31:39,110 --> 00:31:37,200

it's always gonna be baby yoded I tell

776

00:31:40,310 --> 00:31:39,120

my kids that too it's baby Yoda that's

777

00:31:42,830 --> 00:31:40,320

where you go you don't you know mention

778

00:31:44,450 --> 00:31:42,840

that's like some kind of bastardized you

779

00:31:46,730 --> 00:31:44,460

know like name or something like that

780

00:31:50,389 --> 00:31:46,740

but anyways that's just my whole thing

781

00:31:51,649 --> 00:31:50,399

I'm with you I think it's too yeah

782

00:31:54,110 --> 00:31:51,659

um have you been watching anybody David

783

00:31:56,450 --> 00:31:54,120

aplaitus's um Bigfoot series who has on

784

00:31:58,850 --> 00:31:56,460

Canon missing on his YouTube website I

785

00:32:01,789 --> 00:31:58,860

have not but I'm I'm gonna be forward

786

00:32:04,610 --> 00:32:01,799

all of his uh Bigfoot presentations to

787

00:32:06,889 --> 00:32:04,620

Joe uh because Joe hates Bigfoot doesn't

788

00:32:08,630 --> 00:32:06,899

believe in Bigfoot and I just feel Joe

789

00:32:11,570 --> 00:32:08,640

is this not acquainted with the evidence

790

00:32:13,070 --> 00:32:11,580

and uh the research

791

00:32:15,409 --> 00:32:13,080

um but yeah I'm gonna plow through that

792

00:32:18,350 --> 00:32:15,419

this week uh I'm just looking for I

793

00:32:19,850 --> 00:32:18,360

already pre-bought The Missing 411 UFO

794

00:32:21,350 --> 00:32:19,860

connection movie I already pre-bought

795

00:32:23,269 --> 00:32:21,360

I'm just waiting for it to come out as

796

00:32:24,529 --> 00:32:23,279

soon as it comes out people I'm gonna be

797

00:32:27,350 --> 00:32:24,539

grabbing clips and we're gonna be

798

00:32:29,029 --> 00:32:27,360

talking about Missing 411 and and UFOs

799

00:32:30,710 --> 00:32:29,039

so

800

00:32:33,289 --> 00:32:30,720

um pretty pretty interesting I'm looking

801

00:32:35,870 --> 00:32:33,299

forward to that big time

802

00:32:37,850 --> 00:32:35,880

well just I guess anybody that hasn't

803

00:32:39,529 --> 00:32:37,860

watched any of those I think I've

804

00:32:42,110 --> 00:32:39,539

already watched the first five of the

805

00:32:44,630 --> 00:32:42,120

es6 out of these um kind of one out you

806

00:32:46,850 --> 00:32:44,640

can kill them Bigfoot 101 classes

807

00:32:48,590 --> 00:32:46,860

um and anyway for spoilers if you don't

808

00:32:50,810 --> 00:32:48,600

want to know that that

809

00:32:51,830 --> 00:32:50,820

um listening to what he's been talking

810

00:32:58,850 --> 00:32:51,840

about

811

00:33:00,049 --> 00:32:58,860

his his books the two two Bigfoot books

812

00:33:02,570 --> 00:33:00,059

before you start doing missing four one

813

00:33:05,269 --> 00:33:02,580

one and then the the wild men and Giants

814

00:33:07,029 --> 00:33:05,279

and um there's some pretty convincing

815

00:33:09,649 --> 00:33:07,039

evidence and whatever the impetus

816

00:33:11,570 --> 00:33:09,659

evidence may be distorted or whatnot

817

00:33:14,509 --> 00:33:11,580

there's still a connection and there was

818

00:33:15,769 --> 00:33:14,519

still again there's some specific

819

00:33:18,529 --> 00:33:15,779

um instance he mentioned one of the

820

00:33:21,049 --> 00:33:18,539

Bigfoot uh one-on-one courses where he

821

00:33:23,090 --> 00:33:21,059

talked about Bigfoot and UFO linkage

822

00:33:24,590 --> 00:33:23,100

yeah that's just like I was like yeah

823

00:33:26,389 --> 00:33:24,600

it's kind of what we talked about where

824

00:33:28,009 --> 00:33:26,399

we got all these pictures of it and and

825

00:33:29,990 --> 00:33:28,019

and and definitely he was talking about

826

00:33:31,789 --> 00:33:30,000

the trans-dimensional or I guess the

827

00:33:33,769 --> 00:33:31,799

interdimensional ability of Bigfoot to

828

00:33:35,810 --> 00:33:33,779

kind of move in and out of dimension and

829

00:33:37,009 --> 00:33:35,820

what's going to go on here I don't care

830

00:33:39,710 --> 00:33:37,019

what you believe in that kind of stuff

831

00:33:41,509 --> 00:33:39,720

but like spirit world believing there's

832

00:33:44,570 --> 00:33:41,519

something going on there whatever it is

833

00:33:46,610 --> 00:33:44,580

and it's not just one simple thing and

834

00:33:49,009 --> 00:33:46,620

um it is dynamic and but there there's

835

00:33:51,230 --> 00:33:49,019

something going on here so it definitely

836

00:33:52,970 --> 00:33:51,240

warranted more investigations

837

00:33:54,470 --> 00:33:52,980

um and who knows and I'm definitely

838

00:33:58,130 --> 00:33:54,480

looking forward to that I wanted to go

839

00:33:59,810 --> 00:33:58,140

down to that um that you the Missing 411

840

00:34:01,509 --> 00:33:59,820

uh the UFO connection

841

00:34:04,909 --> 00:34:01,519

um

842

00:34:06,470 --> 00:34:04,919

yeah I I could easily got in there but I

843

00:34:08,990 --> 00:34:06,480

just couldn't kind of with my kids

844

00:34:10,730 --> 00:34:09,000

situations and stuff like that but uh uh

845

00:34:13,369 --> 00:34:10,740

yeah that that movie looks very

846

00:34:16,070 --> 00:34:13,379

intriguing and um I think I think it's

847

00:34:18,470 --> 00:34:16,080

somewhat of a stretch for him to

848

00:34:19,669 --> 00:34:18,480

um even though I thought at first that

849

00:34:21,649 --> 00:34:19,679

it would have been a stress for him to

850

00:34:22,849 --> 00:34:21,659

want to draw in the UFO world but

851
00:34:25,190 --> 00:34:22,859
listening to him and all his current

852
00:34:27,109 --> 00:34:25,200
shows stuff he's on YouTube and uh when

853
00:34:28,609 --> 00:34:27,119
he does Bigfoot 101 it's becoming

854
00:34:30,169 --> 00:34:28,619
obvious to me that it's less and less of

855
00:34:32,149 --> 00:34:30,179
a stretch for him to connect the UFO

856
00:34:34,190 --> 00:34:32,159
thing because for me personally I see

857
00:34:36,470 --> 00:34:34,200
the UFO thing is almost entirely

858
00:34:38,810 --> 00:34:36,480
governments and other agencies working

859
00:34:41,030 --> 00:34:38,820
with spirits and other stuff like that

860
00:34:42,710 --> 00:34:41,040
just like the Nazis did to create their

861
00:34:45,349 --> 00:34:42,720
the real Society all kinds of stuff they

862
00:34:47,450 --> 00:34:45,359
got involved with and um it's all

863
00:34:50,450 --> 00:34:47,460

interconnected and I wouldn't be

864

00:34:53,210 --> 00:34:50,460

surprised if there is a base on the back

865

00:34:54,409 --> 00:34:53,220

side of the moon but um and and how well

866

00:34:56,030 --> 00:34:54,419

they could easily hide it because even

867

00:34:58,190 --> 00:34:56,040

with as Artemis one loss that happened

868

00:34:59,329 --> 00:34:58,200

last week they're still gonna hide stuff

869

00:35:00,950 --> 00:34:59,339

from us they're always not going to give

870

00:35:03,170 --> 00:35:00,960

us the full on adulterate stuff for sure

871

00:35:05,030 --> 00:35:03,180

that's absolutely true everything will

872

00:35:06,710 --> 00:35:05,040

be everything will be curated and edited

873

00:35:09,230 --> 00:35:06,720

for our consumption

874

00:35:10,430 --> 00:35:09,240

and uh we'll get this is a sliver of

875

00:35:12,349 --> 00:35:10,440

what's going down but yeah I'm looking

876

00:35:14,210 --> 00:35:12,359

forward to it man so uh you got anything

877

00:35:16,069 --> 00:35:14,220

else first Dan

878

00:35:18,109 --> 00:35:16,079

nope have a great Thanksgiving guys hey

879

00:35:21,050 --> 00:35:18,119

man take care great call

880

00:35:24,170 --> 00:35:21,060

Thanksgiving

881

00:35:27,349 --> 00:35:24,180

yeah I uh I uh appeared I did a podcast

882

00:35:29,450 --> 00:35:27,359

with uh mark from the podcast my family

883

00:35:32,270 --> 00:35:29,460

thinks I'm crazy

884

00:35:36,109 --> 00:35:32,280

and it's basically an hour and 40

885

00:35:38,690 --> 00:35:36,119

minutes of me talking about UFOs Bigfoot

886

00:35:40,370 --> 00:35:38,700

and the nature of this reality I'm not

887

00:35:44,270 --> 00:35:40,380

sure when that show comes out it will

888

00:35:46,069 --> 00:35:44,280

come out on my patreon here for obdm I

889

00:35:47,569 --> 00:35:46,079

recorded it I put it out there but I

890

00:35:49,430 --> 00:35:47,579

play a lot of different clips I go over

891

00:35:51,290 --> 00:35:49,440

a lot of Bigfoot stuff a lot of UFO

892

00:35:53,329 --> 00:35:51,300

stuff

893

00:35:55,490 --> 00:35:53,339

um and we just kind of get into the

894

00:35:57,770 --> 00:35:55,500

nitty-gritty of everything so if you

895

00:36:00,410 --> 00:35:57,780

want uh two hours of that talk it's out

896

00:36:03,530 --> 00:36:00,420

on patreon tomorrow morning

897

00:36:05,510 --> 00:36:03,540

um or check out download it from uh

898

00:36:06,770 --> 00:36:05,520

my family thinks I'm crazy so whenever

899

00:36:07,490 --> 00:36:06,780

that comes out

900

00:36:09,349 --> 00:36:07,500

um

901
00:36:13,730 --> 00:36:09,359
it's a good talk talk with Mark we

902
00:36:16,010 --> 00:36:13,740
touched on pretty much everything

903
00:36:17,750 --> 00:36:16,020
uh well thank you everyone for calling

904
00:36:20,089 --> 00:36:17,760
up we're gonna we're gonna see what

905
00:36:20,990 --> 00:36:20,099
cretured has you ready cratcher for the

906
00:36:22,310 --> 00:36:21,000
madness

907
00:36:23,630 --> 00:36:22,320
I gotta follow up real quick here so

908
00:36:25,849 --> 00:36:23,640
I've been digging into it uh Star Wars

909
00:36:27,410 --> 00:36:25,859
Galactic star Cruiser they only have it

910
00:36:29,210 --> 00:36:27,420
available for you have to it's like a

911
00:36:32,089 --> 00:36:29,220
two-day experience thing

912
00:36:34,250 --> 00:36:32,099
family of four six thousand six hundred

913
00:36:36,710 --> 00:36:34,260

dollars oh my God

914

00:36:38,870 --> 00:36:36,720

family of four six thousand six hundred

915

00:36:40,250 --> 00:36:38,880

dollars

916

00:36:42,470 --> 00:36:40,260

uh

917

00:36:44,329 --> 00:36:42,480

if you go to the party of two sixteen

918

00:36:46,910 --> 00:36:44,339

hundred dollars per person

919

00:36:50,270 --> 00:36:46,920

uh so 800 and some dollars per night

920

00:36:52,550 --> 00:36:50,280

Jesus that's where you make the Monday I

921

00:36:53,750 --> 00:36:52,560

guess so so apparently that that rest or

922

00:36:55,490 --> 00:36:53,760

that restaurant that hotel is being set

923

00:36:56,930 --> 00:36:55,500

up as an immersive experience you're

924

00:36:58,790 --> 00:36:56,940

only allowed you only you can only stay

925

00:37:01,430 --> 00:36:58,800

there in like two day or two night

926

00:37:02,810 --> 00:37:01,440

chunks you can't go stay there then go

927

00:37:05,450 --> 00:37:02,820

visit Disney it's like it's it's like

928

00:37:07,550 --> 00:37:05,460

it's it's a two day long experience when

929

00:37:09,109 --> 00:37:07,560

you go in there so you're trapped you're

930

00:37:10,310 --> 00:37:09,119

trapped there are no windows by the way

931

00:37:12,770 --> 00:37:10,320

they did confirm that there are no

932

00:37:14,329 --> 00:37:12,780

windows in the space so all these the uh

933

00:37:16,190 --> 00:37:14,339

things on the wall are windows or

934

00:37:18,470 --> 00:37:16,200

screens so it feels like you're in space

935

00:37:21,109 --> 00:37:18,480

at night it's a Star Wars restaurant

936

00:37:22,550 --> 00:37:21,119

during the day it's a Hardee's so they

937

00:37:25,190 --> 00:37:22,560

can make their money back

938

00:37:27,589 --> 00:37:25,200

because from uh yeah they're having

939

00:37:29,450 --> 00:37:27,599

trouble with fun so from 8 A.M to uh 9

940

00:37:31,370 --> 00:37:29,460

A.M it's just a bus terminal oh there

941

00:37:33,410 --> 00:37:31,380

you go

942

00:37:35,270 --> 00:37:33,420

people in there so anyway

943

00:37:36,530 --> 00:37:35,280

uh I'm gonna read up on this I didn't

944

00:37:38,270 --> 00:37:36,540

realize it was a full experience sort of

945

00:37:40,550 --> 00:37:38,280

thing but that's that's nuts six

946

00:37:42,710 --> 00:37:40,560

thousand dollars in two days it ain't

947

00:37:44,990 --> 00:37:42,720

for the middle class it's not even like

948

00:37:46,910 --> 00:37:45,000

the upper middle class like I can't

949

00:37:49,130 --> 00:37:46,920

afford that [h__h] I would I would if I

950

00:37:52,069 --> 00:37:49,140

had the money I I might go just to check

951
00:37:54,010 --> 00:37:52,079
it out but I can't do that Jesus

952
00:37:57,170 --> 00:37:54,020
man

953
00:37:58,130 --> 00:37:57,180
uh you don't even get any like cool like

954
00:38:00,170 --> 00:37:58,140
uh

955
00:38:02,270 --> 00:38:00,180
access to like the rest of the park I

956
00:38:04,310 --> 00:38:02,280
don't think with that money like no no

957
00:38:09,170 --> 00:38:04,320
as part of that you are you are in that

958
00:38:11,870 --> 00:38:10,730
[h__\h] it's uh that's that's a

959
00:38:14,270 --> 00:38:11,880
commitment

960
00:38:15,950 --> 00:38:14,280
but have I done

961
00:38:17,930 --> 00:38:15,960
of course they advertise by the way I

962
00:38:19,849 --> 00:38:17,940
did put the Lincoln care job you have to

963
00:38:21,290 --> 00:38:19,859

wear costumes they say go here and order

964

00:38:22,910 --> 00:38:21,300

them two weeks before you get there to

965

00:38:24,410 --> 00:38:22,920

make sure you have them costumes are not

966

00:38:26,450 --> 00:38:24,420

cheap those things are like 99 bucks

967

00:38:28,430 --> 00:38:26,460

like uh you know a

968

00:38:30,950 --> 00:38:28,440

Star Wars Captain's jacket for kids

969

00:38:34,430 --> 00:38:30,960

seventy nine dollars a costume

970

00:38:36,470 --> 00:38:34,440

guidelines costumes that made his track

971

00:38:38,030 --> 00:38:36,480

from the experience or from other guests

972

00:38:40,069 --> 00:38:38,040

are not permitted what's distracting I

973

00:38:42,650 --> 00:38:40,079

can't I just can't walk around with like

974

00:38:45,290 --> 00:38:42,660

a stormtrooper helmet and underwear on

975

00:38:46,849 --> 00:38:45,300

like that's my it's my underwear tighty

976
00:38:48,530 --> 00:38:46,859
whities stormtrooper helmet that's what

977
00:38:51,109 --> 00:38:48,540
I'm wearing well keep reading it

978
00:38:53,089 --> 00:38:51,119
actually they're they're working very

979
00:38:54,950 --> 00:38:53,099
hard to keep this immersive but it's

980
00:38:56,990 --> 00:38:54,960
kind of egregious at a certain point all

981
00:38:59,750 --> 00:38:57,000
guests uh May dress as their favorite

982
00:39:02,270 --> 00:38:59,760
character but they may not pose for

983
00:39:04,190 --> 00:39:02,280
pictures or sign autographs for other

984
00:39:07,010 --> 00:39:04,200
guests why not I can't just walk around

985
00:39:09,230 --> 00:39:07,020
and say I'm Jake Skywalker I'm Kevin

986
00:39:12,230 --> 00:39:09,240
Skywalker here's my daughter Han Solo

987
00:39:14,450 --> 00:39:12,240
exposed himself to me again mommy this

988
00:39:16,130 --> 00:39:14,460

Stormtroopers walking around farting on

989

00:39:19,190 --> 00:39:16,140

everyone

990

00:39:22,010 --> 00:39:19,200

uh costumes must be family friendly it

991

00:39:23,810 --> 00:39:22,020

may not uh be uh obstructive

992

00:39:27,349 --> 00:39:23,820

offensive

993

00:39:28,910 --> 00:39:27,359

or objectionable or violent

994

00:39:30,950 --> 00:39:28,920

okay

995

00:39:32,270 --> 00:39:30,960

that kind of takes out like a lot of

996

00:39:36,290 --> 00:39:32,280

half the fun if I want to go Freak Out

997

00:39:39,109 --> 00:39:36,300

the Squares but uh Freak Out the Squares

998

00:39:41,210 --> 00:39:39,119

uh costumes may not contain sharp

999

00:39:42,589 --> 00:39:41,220

objects pointed objects or materials

1000

00:39:46,010 --> 00:39:42,599

that may accidentally strike another

1001
00:39:47,450 --> 00:39:46,020
guest so no like uh like blades coming

1002
00:39:50,329 --> 00:39:47,460
off your armor if you're dressing up

1003
00:39:51,770 --> 00:39:50,339
like uh a Mandalorian you can't have any

1004
00:39:53,450 --> 00:39:51,780
blades you can't have anything sharp

1005
00:39:55,130 --> 00:39:53,460
yeah I go in my mandolin outfit with

1006
00:39:56,930 --> 00:39:55,140
nothing but flame throwers and they

1007
00:39:59,329 --> 00:39:56,940
asked me to leave immediately yeah look

1008
00:40:01,390 --> 00:39:59,339
at the size of that thing no put it away

1009
00:40:04,550 --> 00:40:01,400
it's gonna hurt somebody

1010
00:40:06,349 --> 00:40:04,560
uh layered costumes or costume props

1011
00:40:08,450 --> 00:40:06,359
that surround the entire body are

1012
00:40:11,329 --> 00:40:08,460
strongly discouraged and may be subject

1013
00:40:14,030 --> 00:40:11,339

to additional security screenings so no

1014

00:40:16,370 --> 00:40:14,040

uh no stormtrooper outfit no you can't

1015

00:40:17,750 --> 00:40:16,380

walk around like a cyborg

1016

00:40:19,010 --> 00:40:17,760

yeah so I think what they're what

1017

00:40:20,750 --> 00:40:19,020

they're getting into here is they dig

1018

00:40:22,310 --> 00:40:20,760

into it they're probably seeing a lot of

1019

00:40:24,470 --> 00:40:22,320

potential crossover

1020

00:40:27,170 --> 00:40:24,480

for people who also go to

1021

00:40:29,089 --> 00:40:27,180

um conventions and cons and and those

1022

00:40:30,770 --> 00:40:29,099

folks will go all out on their their

1023

00:40:33,589 --> 00:40:30,780

costumes and they don't want that level

1024

00:40:35,270 --> 00:40:33,599

of crazy detailed costume

1025

00:40:36,890 --> 00:40:35,280

clunking around in their their hotel

1026

00:40:38,450 --> 00:40:36,900

they want you to wear a dress let's put

1027

00:40:41,270 --> 00:40:38,460

on a dress that's what they want like

1028

00:40:43,550 --> 00:40:41,280

here's a beige dress and so you can look

1029

00:40:45,470 --> 00:40:43,560

like a princess or a Jedi so there you

1030

00:40:48,890 --> 00:40:45,480

go you wear a moo moo you get to wear a

1031

00:40:50,930 --> 00:40:48,900

moo moo all weekend wasn't that nice

1032

00:40:54,050 --> 00:40:50,940

uh acceptable accessories include

1033

00:40:55,670 --> 00:40:54,060

transparent Wings plastic lightsabers

1034

00:40:59,450 --> 00:40:55,680

toy swords

1035

00:41:07,030 --> 00:40:59,460

uh and tatus I don't know what tatus is

1036

00:41:12,710 --> 00:41:09,010

no

1037

00:41:15,890 --> 00:41:12,720

uh guess ages 13 under May wear some

1038

00:41:18,109 --> 00:41:15,900

costume masks masks are not covering the

1039

00:41:20,210 --> 00:41:18,119

not uncovering the entire face it must

1040

00:41:22,190 --> 00:41:20,220

provide undestructed peripheral vision

1041

00:41:24,410 --> 00:41:22,200

at all times

1042

00:41:25,910 --> 00:41:24,420

so you can't even wear a mask yeah

1043

00:41:27,910 --> 00:41:25,920

that's weird because like half the

1044

00:41:30,890 --> 00:41:27,920

characters from Star Wars were all masks

1045

00:41:34,069 --> 00:41:30,900

like all those Stormtroopers the the

1046

00:41:37,069 --> 00:41:34,079

Bonnie Hunters everyone

1047

00:41:41,150 --> 00:41:37,079

costumes costume masks of any kind may

1048

00:41:43,730 --> 00:41:41,160

not be worn by guests uh 18 or for ages

1049

00:41:45,410 --> 00:41:43,740

14 and older

1050

00:41:47,810 --> 00:41:45,420

what

1051
00:41:49,370 --> 00:41:47,820
this is [h__h] so they just took out

1052
00:41:51,290 --> 00:41:49,380
all the fun

1053
00:41:53,690 --> 00:41:51,300
okay what they're saying there's no fun

1054
00:41:56,329 --> 00:41:53,700
everyone wears a dress and give us six

1055
00:41:58,730 --> 00:41:56,339
thousand dollars

1056
00:42:00,410 --> 00:41:58,740
pretty much yeah hey where where a

1057
00:42:02,329 --> 00:42:00,420
bathrobe that you have to buy at the

1058
00:42:04,250 --> 00:42:02,339
Disney Store yeah

1059
00:42:06,650 --> 00:42:04,260
um actually do they have bathrobes there

1060
00:42:10,910 --> 00:42:06,660
let's see the official Disney Star Wars

1061
00:42:13,550 --> 00:42:10,920
Princess Leia dress is 129 oh man the

1062
00:42:17,030 --> 00:42:13,560
Star Wars formal tunic for adults 79.99

1063
00:42:20,150 --> 00:42:17,040

that's nice yeah star Star Wars long

1064

00:42:26,810 --> 00:42:20,160

gloves long gloves 20 oh here's a

1065

00:42:31,750 --> 00:42:29,690

oh God give me can you go and dress like

1066

00:42:34,550 --> 00:42:31,760

like just dress like George Lucas

1067

00:42:36,770 --> 00:42:34,560

of course of course you can you can go

1068

00:42:41,089 --> 00:42:36,780

and dress it like have a flannel shirt

1069

00:42:42,410 --> 00:42:41,099

uh a beer gut and uh and jeans yeah sure

1070

00:42:45,230 --> 00:42:42,420

wearing headsets as you're walking

1071

00:42:48,650 --> 00:42:45,240

around a few places I think it's too

1072

00:42:52,490 --> 00:42:51,230

what am I doing I don't know I mean I

1073

00:42:54,530 --> 00:42:52,500

guess they went all in on the experience

1074

00:42:56,810 --> 00:42:54,540

thing but when there's rules for how you

1075

00:42:57,770 --> 00:42:56,820

can dress that seems a little strange by

1076
00:42:58,430 --> 00:42:57,780
the way as I'm scrolling through some of

1077
00:43:00,470 --> 00:42:58,440
these things about these people

1078
00:43:01,849 --> 00:43:00,480
reviewing it and there are people in

1079
00:43:03,109 --> 00:43:01,859
costume but like in the background

1080
00:43:04,730 --> 00:43:03,119
there's a guy just like in a flannel

1081
00:43:06,130 --> 00:43:04,740
shirt and shorts yeah like this George

1082
00:43:08,390 --> 00:43:06,140
Lucas costume

1083
00:43:10,069 --> 00:43:08,400
like doesn't that ruin the immersive

1084
00:43:11,750 --> 00:43:10,079
like nature of this if you just have

1085
00:43:14,030 --> 00:43:11,760
that guy standing back there he's the

1086
00:43:15,470 --> 00:43:14,040
Star Wars handyman easy you know he was

1087
00:43:16,730 --> 00:43:15,480
on the Millennium Falcon he was just in

1088
00:43:19,490 --> 00:43:16,740

the background he's the guy who fixed

1089

00:43:21,650 --> 00:43:19,500

the hyperdrive in episode five

1090

00:43:23,390 --> 00:43:21,660

or put up this image so here's note the

1091

00:43:25,069 --> 00:43:23,400

guy who just kind of is breaking costume

1092

00:43:26,630 --> 00:43:25,079

right there on the right so thanks for

1093

00:43:28,790 --> 00:43:26,640

going all in buddy yeah thanks for

1094

00:43:32,150 --> 00:43:28,800

giving it your all wearing your flannel

1095

00:43:33,470 --> 00:43:32,160

button down and your white shorts you're

1096

00:43:37,550 --> 00:43:33,480

standing next to a Jedi and you look

1097

00:43:39,170 --> 00:43:37,560

like a goddamn slob from the Midwest

1098

00:43:41,809 --> 00:43:39,180

I'm supposed to be battling the Empire

1099

00:43:45,050 --> 00:43:41,819

here and Bob the handyman he's got his

1100

00:43:48,470 --> 00:43:45,060

hands in his pockets playing pocket pool

1101

00:43:53,390 --> 00:43:51,050

all right

1102

00:43:55,910 --> 00:43:53,400

okay well I don't know six Grands a lot

1103

00:43:57,290 --> 00:43:55,920

but uh more power to you I guess

1104

00:43:59,770 --> 00:43:57,300

I think we talked about Star Wars enough

1105

00:44:02,290 --> 00:43:59,780

I'm just so tired of all these Star Wars
