

UFO ABDUCTION

1
00:00:05,829 --> 00:00:01,030
[Applause]

2
00:00:12,770 --> 00:00:09,710
for here's uh my first headline that I

3
00:00:15,589 --> 00:00:12,780
have for everyone please

4
00:00:18,529 --> 00:00:15,599
and this is quite the headline here

5
00:00:22,370 --> 00:00:18,539
Netflix is planning uh Barney and Betty

6
00:00:25,670 --> 00:00:22,380
Hill UFO movie adaption that's some good

7
00:00:30,170 --> 00:00:25,680
news on that front it is uh Netflix is

8
00:00:32,870 --> 00:00:30,180
getting in on the UFO phenomenon and

9
00:00:35,770 --> 00:00:32,880
media rush for a while this was like

10
00:00:39,610 --> 00:00:35,780
like Discovery plus and Showtime doing

11
00:00:42,590 --> 00:00:39,620
uh some pouring some money into the UFO

12
00:00:46,130 --> 00:00:42,600
phenomenon but now Netflix is getting on

13
00:00:48,950 --> 00:00:46,140

board with this and there's more to this

14

00:00:51,410 --> 00:00:48,960

the iconic UFO incident is set to become

15

00:00:53,569 --> 00:00:51,420

a movie courtesy of Netflix and the

16

00:00:57,410 --> 00:00:53,579

Obama's production company

17

00:01:00,770 --> 00:00:57,420

the Obamas are getting in on this

18

00:01:02,229 --> 00:01:00,780

Obama is a long-legged Mack Daddy oh

19

00:01:04,910 --> 00:01:02,239

yeah he is

20

00:01:06,530 --> 00:01:04,920

he says that on his business card it's

21

00:01:10,429 --> 00:01:06,540

been a while since if I had to play that

22

00:01:16,070 --> 00:01:10,439

drop but Barack Hussein Obama uh written

23

00:01:18,410 --> 00:01:16,080

by Duo Becky lay and Mario Cupertino

24

00:01:21,530 --> 00:01:18,420

the new movie which will be entitled

25

00:01:23,690 --> 00:01:21,540

White Mountains is being developed by by

26
00:01:26,690 --> 00:01:23,700
Higher Grounds production the production

27
00:01:29,570 --> 00:01:26,700
company of Barack and Michelle Obama

28
00:01:30,350 --> 00:01:29,580
Obama is a long-legged Mack Daddy yeah

29
00:01:33,350 --> 00:01:30,360
okay

30
00:01:35,390 --> 00:01:33,360
uh uh little else is known about the

31
00:01:37,850 --> 00:01:35,400
movie at the present time no casting has

32
00:01:40,190 --> 00:01:37,860
been announced and it doesn't look as

33
00:01:43,609 --> 00:01:40,200
though it will even go into production

34
00:01:45,830 --> 00:01:43,619
until sometime in 2023. as it stands the

35
00:01:50,030 --> 00:01:45,840
uh the most likely release date for this

36
00:01:51,469 --> 00:01:50,040
film will be 2024. a brief synopsis

37
00:01:54,649 --> 00:01:51,479
reads

38
00:01:58,010 --> 00:01:54,659

after an interracial couple in the 1960s

39

00:02:00,170 --> 00:01:58,020

has a horrifying encounter with UFO they

40

00:02:03,050 --> 00:02:00,180

set out to discover if it actually

41

00:02:05,990 --> 00:02:03,060

happens happened or if it's just a case

42

00:02:08,930 --> 00:02:06,000

of Madness

43

00:02:11,150 --> 00:02:08,940

delusions of the two people

44

00:02:13,309 --> 00:02:11,160

uh the story of what happened to the

45

00:02:16,490 --> 00:02:13,319

hills remains one of the most iconic in

46

00:02:20,510 --> 00:02:16,500

all of ufoology the couple had been

47

00:02:24,530 --> 00:02:20,520

driving home from vacation in uh to

48

00:02:26,270 --> 00:02:24,540

Niagara Falls in September of 1961 when

49

00:02:29,210 --> 00:02:26,280

the incident happened now there they

50

00:02:30,050 --> 00:02:29,220

were vacationing in Quebec uh for some

51
00:02:32,210 --> 00:02:30,060
reason

52
00:02:35,050 --> 00:02:32,220
maybe that was a hot vacation spot at

53
00:02:38,030 --> 00:02:35,060
the time in the the 60s

54
00:02:40,729 --> 00:02:38,040
but around uh 10 30 p.m that evening

55
00:02:43,790 --> 00:02:40,739
Betty spotted a strange bright light in

56
00:02:46,130 --> 00:02:43,800
the sky as they drove along it seemed to

57
00:02:48,650 --> 00:02:46,140
chain size and move erratically

58
00:02:51,290 --> 00:02:48,660
prompting them to stop at the roadside

59
00:02:52,910 --> 00:02:51,300
and take a closer look through

60
00:02:57,589 --> 00:02:52,920
binoculars now what they're not saying

61
00:02:59,630 --> 00:02:57,599
here is that uh Barney uh the guy he had

62
00:03:01,490 --> 00:02:59,640
a pistol with him because he was very

63
00:03:04,790 --> 00:03:01,500

concerned about bears so he got out of

64

00:03:06,470 --> 00:03:04,800

the car pistol in one hand binocular in

65

00:03:08,449 --> 00:03:06,480

the other so he was he was locked and

66

00:03:09,350 --> 00:03:08,459

loaded ready to do damage if he needed

67

00:03:11,089 --> 00:03:09,360

to

68

00:03:13,369 --> 00:03:11,099

so

69

00:03:15,830 --> 00:03:13,379

um initially Barn according to this

70

00:03:17,869 --> 00:03:15,840

article initially uh Barney believed it

71

00:03:19,490 --> 00:03:17,879

to be an airliner until suddenly it

72

00:03:21,170 --> 00:03:19,500

changed Direction leading him to

73

00:03:23,270 --> 00:03:21,180

conclude it was definitely not a plane

74

00:03:26,449 --> 00:03:23,280

unnerved the couple got back in their

75

00:03:28,190 --> 00:03:26,459

car and resumed their journey home uh

76
00:03:30,830 --> 00:03:28,200
things would soon take a sinister's turn

77
00:03:33,710 --> 00:03:30,840
Sinister turn however when the object

78
00:03:36,770 --> 00:03:33,720
moved uh closer to their car and seemed

79
00:03:39,290 --> 00:03:36,780
to be following them as they drove a

80
00:03:41,509 --> 00:03:39,300
long stretch of road so also what

81
00:03:43,309 --> 00:03:41,519
they're not saying here and so initially

82
00:03:45,470 --> 00:03:43,319
when they're driving this thing landed

83
00:03:47,210 --> 00:03:45,480
down about 100 feet in the car Barney

84
00:03:50,330 --> 00:03:47,220
got out of the car pistol in one hand

85
00:03:52,970 --> 00:03:50,340
binoculars in the other he looked

86
00:03:55,850 --> 00:03:52,980
through the binoculars and he saw 10

87
00:03:59,030 --> 00:03:55,860
humanoid figures staring back at him

88
00:04:00,470 --> 00:03:59,040

about a hundred feet away and he was

89

00:04:02,930 --> 00:04:00,480

like this is kind of weird they look

90

00:04:06,110 --> 00:04:02,940

kind of goofy they look kind of uh Alien

91

00:04:08,750 --> 00:04:06,120

humanoid but then he got a telepathic

92

00:04:11,809 --> 00:04:08,760

message message a message from one of

93

00:04:15,589 --> 00:04:11,819

the humanoids saying basically uh

94

00:04:17,870 --> 00:04:15,599

stay right there we're coming down uh

95

00:04:21,229 --> 00:04:17,880

this kind of freaked out Barney he got

96

00:04:23,210 --> 00:04:21,239

in the car and they had uh the feeling

97

00:04:25,189 --> 00:04:23,220

that nothing's good is gonna happen

98

00:04:27,830 --> 00:04:25,199

right here the object started to move

99

00:04:30,590 --> 00:04:27,840

closer toward them and that's when they

100

00:04:33,469 --> 00:04:30,600

uh they hightailed it uh out of there

101
00:04:36,290 --> 00:04:33,479
and they started speeding away and this

102
00:04:39,710 --> 00:04:36,300
object gave Chase and hovered over top

103
00:04:42,590 --> 00:04:39,720
of Betty and Barney Hill at which point

104
00:04:44,570 --> 00:04:42,600
in time they experienced uh almost like

105
00:04:46,790 --> 00:04:44,580
a different state of consciousness they

106
00:04:48,590 --> 00:04:46,800
they uh the only way they could

107
00:04:52,310 --> 00:04:48,600
kind of conveyed it's like their their

108
00:04:54,070 --> 00:04:52,320
state of mind was altered they arrived

109
00:04:58,189 --> 00:04:54,080
home at dawn

110
00:05:01,430 --> 00:04:58,199
and uh they had these weird compulsions

111
00:05:03,350 --> 00:05:01,440
when they got home uh Barney stated that

112
00:05:06,230 --> 00:05:03,360
he had this compulsion to go to the

113
00:05:08,270 --> 00:05:06,240

bathroom and look at his genitals

114

00:05:11,749 --> 00:05:08,280

so that's what he did as it is he got

115

00:05:13,210 --> 00:05:11,759

home he had to uh go to the bathroom uh

116

00:05:17,230 --> 00:05:13,220

like ASAP

117

00:05:20,330 --> 00:05:17,240

flushing toilets 10 times 15 times

118

00:05:21,110 --> 00:05:20,340

what's he checking for he's got he's got

119

00:05:23,810 --> 00:05:21,120

like

120

00:05:28,310 --> 00:05:23,820

heat babies or something he he just

121

00:05:30,110 --> 00:05:28,320

space crabs he just had the feeling that

122

00:05:32,629 --> 00:05:30,120

um during like they experienced some

123

00:05:35,629 --> 00:05:32,639

sort of missing time and like because

124

00:05:36,890 --> 00:05:35,639

they were like it was like 10 10 30 when

125

00:05:39,590 --> 00:05:36,900

this event happened they weren't that

126
00:05:42,770 --> 00:05:39,600
far away from home but they arrived home

127
00:05:44,390 --> 00:05:42,780
in the dawn or during Dawn and so they

128
00:05:46,790 --> 00:05:44,400
they had a period of time that they just

129
00:05:49,310 --> 00:05:46,800
couldn't account for during that time he

130
00:05:52,610 --> 00:05:49,320
thought someone was probably looking at

131
00:05:55,969 --> 00:05:52,620
his junk playing with his junk something

132
00:05:57,469 --> 00:05:55,979
was going on with the junk penis man and

133
00:05:59,749 --> 00:05:57,479
he wanted this he wanted to see maybe

134
00:06:01,850 --> 00:05:59,759
they gave him a tattoo maybe they gave

135
00:06:03,950 --> 00:06:01,860
him like a shaving they shaved them down

136
00:06:05,870 --> 00:06:03,960
a little bit or maybe they extracted

137
00:06:08,570 --> 00:06:05,880
some some life seed from him he didn't

138
00:06:12,290 --> 00:06:08,580

know he just knew that something was

139

00:06:17,749 --> 00:06:13,730

um

140

00:06:20,749 --> 00:06:17,759

so back this is back I'm giving my own

141

00:06:22,610 --> 00:06:20,759

like expanded account of this abduction

142

00:06:25,550 --> 00:06:22,620

that is not included in this article

143

00:06:26,629 --> 00:06:25,560

here so back to the article

144

00:06:28,610 --> 00:06:26,639

um

145

00:06:30,290 --> 00:06:28,620

uh eventually the UFO turned and

146

00:06:32,150 --> 00:06:30,300

descended towards them forcing Barney to

147

00:06:33,890 --> 00:06:32,160

hit the brakes to avoid Collision he got

148

00:06:35,930 --> 00:06:33,900

out of the car binoculars for a second

149

00:06:37,309 --> 00:06:35,940

time uh he was certain he could see a

150

00:06:39,950 --> 00:06:37,319

number of humanoid figures looking back

151
00:06:43,370 --> 00:06:39,960
at him he later claimed that they had

152
00:06:44,990 --> 00:06:43,380
been wearing black uniforms and caps uh

153
00:06:48,350 --> 00:06:45,000
terrified the couple got back in the car

154
00:06:51,230 --> 00:06:48,360
attempted to flee however uh it moved

155
00:06:53,689 --> 00:06:51,240
directly over them uh producing a series

156
00:06:56,150 --> 00:06:53,699
of beeping and buzzing sounds and the

157
00:06:59,390 --> 00:06:56,160
buzzing sound is often a common

158
00:07:01,550 --> 00:06:59,400
uh sound that's heard by people in close

159
00:07:03,890 --> 00:07:01,560
proximity to UFOs

160
00:07:06,950 --> 00:07:03,900
uh they uh then experienced a period of

161
00:07:08,870 --> 00:07:06,960
missing time after which they uh became

162
00:07:11,270 --> 00:07:08,880
aware that they had traveled some 35

163
00:07:14,270 --> 00:07:11,280

miles along the road without recalling

164

00:07:16,129 --> 00:07:14,280

their Journey upon finally arriving home

165

00:07:17,809 --> 00:07:16,139

the couple found physical signs that

166

00:07:20,990 --> 00:07:17,819

something had happened to them such as

167

00:07:23,629 --> 00:07:21,000

strange marks on their car and damage to

168

00:07:25,550 --> 00:07:23,639

their clothes later under hypnosis the

169

00:07:28,189 --> 00:07:25,560

couple recalled having been taking a

170

00:07:32,390 --> 00:07:28,199

board in alien spacecraft and subjected

171

00:07:34,189 --> 00:07:32,400

to Medical examinations uh with both

172

00:07:36,950 --> 00:07:34,199

Betty and Barney Hill now deceased

173

00:07:38,749 --> 00:07:36,960

however we may never know for sure what

174

00:07:42,830 --> 00:07:38,759

truly happened to them

175

00:07:46,370 --> 00:07:42,840

well yeah I mean they we do uh they uh

176

00:07:48,830 --> 00:07:46,380

we have their their stories we have

177

00:07:50,330 --> 00:07:48,840

their hypnotic regressions

178

00:07:53,089 --> 00:07:50,340

um we and we you can take it at face

179

00:07:55,129 --> 00:07:53,099

value or not but what what is I guess

180

00:07:56,870 --> 00:07:55,139

interesting at that time period during

181

00:07:59,029 --> 00:07:56,880

the 60s I mean this was an interracial

182

00:08:00,409 --> 00:07:59,039

couple it didn't often happen

183

00:08:03,110 --> 00:08:00,419

um they certainly probably didn't want

184

00:08:06,770 --> 00:08:03,120

to even have media exposure at that time

185

00:08:08,270 --> 00:08:06,780

so something uh did happen to them now

186

00:08:10,550 --> 00:08:08,280

whether or not it was an alien abduction

187

00:08:15,170 --> 00:08:10,560

I guess that's Up For Debate I I tend to

188

00:08:16,249 --> 00:08:15,180

believe their story and their story I'm

189

00:08:19,270 --> 00:08:16,259

sorry go ahead

190

00:08:21,589 --> 00:08:19,280

I just said duh yeah I'm a believer

191

00:08:24,050 --> 00:08:21,599

I'm I'm a Believer something is

192

00:08:26,210 --> 00:08:24,060

something uh happened to them

193

00:08:26,930 --> 00:08:26,220

so what happened to them according to

194

00:08:29,390 --> 00:08:26,940

them

195

00:08:33,110 --> 00:08:29,400

they were abducted they were taken up

196

00:08:35,630 --> 00:08:33,120

into this craft by the strange humanoids

197

00:08:38,029 --> 00:08:35,640

um they all kind of looked similar they

198

00:08:41,630 --> 00:08:38,039

were Betty and Barney were separated

199

00:08:43,190 --> 00:08:41,640

which distressed Betty

200

00:08:45,949 --> 00:08:43,200

um but then

201
00:08:48,110 --> 00:08:45,959
um she was taken to a room and this

202
00:08:51,050 --> 00:08:48,120
other humanoid came into the room which

203
00:08:53,690 --> 00:08:51,060
she called The Examiner

204
00:08:56,810 --> 00:08:53,700
and the examiner exuded this kind of

205
00:08:59,930 --> 00:08:56,820
calm Pleasant personality and so she

206
00:09:01,730 --> 00:08:59,940
wasn't immediately off put by him uh The

207
00:09:04,070 --> 00:09:01,740
Examiner told Betty that he was going to

208
00:09:07,430 --> 00:09:04,080
conduct a quick exam of her

209
00:09:09,530 --> 00:09:07,440
and that uh it'll be all over fairly

210
00:09:12,829 --> 00:09:09,540
quickly so put her down on the chair

211
00:09:15,530 --> 00:09:12,839
they clipped some of Betty's hair put

212
00:09:18,710 --> 00:09:15,540
that in like a little jar and said okay

213
00:09:21,530 --> 00:09:18,720

and then uh they they opened up her

214

00:09:24,230 --> 00:09:21,540

mouth and they tried to remove some

215

00:09:25,610 --> 00:09:24,240

teeth from her and it wasn't working

216

00:09:27,410 --> 00:09:25,620

they're like what the hell's going on

217

00:09:29,690 --> 00:09:27,420

here and they asked like why can't we

218

00:09:33,170 --> 00:09:29,700

remove your teeth give me them Chompers

219

00:09:34,730 --> 00:09:33,180

yeah give me that and she said no they

220

00:09:37,850 --> 00:09:34,740

don't come out that easy it's like well

221

00:09:39,590 --> 00:09:37,860

your husbands came out real easy

222

00:09:43,190 --> 00:09:39,600

and they're like well because he has

223

00:09:46,130 --> 00:09:43,200

dentures and they're like oh okay

224

00:09:47,990 --> 00:09:46,140

then they use like a syringe

225

00:09:51,710 --> 00:09:48,000

um and it's a commercial for Fixodent

226

00:09:53,030 --> 00:09:51,720

yeah something like thanks fix it

227

00:09:55,610 --> 00:09:53,040

um thanks to you I still have my teeth

228

00:09:57,350 --> 00:09:55,620

from those damn aliens they then they

229

00:09:59,870 --> 00:09:57,360

took us they took a syringe out they

230

00:10:02,030 --> 00:09:59,880

extracted some fluid and she got the

231

00:10:04,970 --> 00:10:02,040

impression they were overall giving her

232

00:10:06,949 --> 00:10:04,980

a kind of like uh a reproductive

233

00:10:09,050 --> 00:10:06,959

examination they're very interested in

234

00:10:11,030 --> 00:10:09,060

her reproductive Health

235

00:10:12,350 --> 00:10:11,040

um and they were testing her nervous

236

00:10:14,150 --> 00:10:12,360

system

237

00:10:16,430 --> 00:10:14,160

um so it's just an overall kind of like

238

00:10:20,630 --> 00:10:16,440

a more thorough physical that you might

239

00:10:22,550 --> 00:10:20,640

get it on like a a yearly basis

240

00:10:23,990 --> 00:10:22,560

um he wasn't where he was wearing gloves

241

00:10:26,269 --> 00:10:24,000

at the time so he's being very cleanly

242

00:10:28,790 --> 00:10:26,279

and they were seemingly having a fairly

243

00:10:31,190 --> 00:10:28,800

Pleasant interaction during this

244

00:10:34,670 --> 00:10:31,200

examination uh Betty was like this is

245

00:10:37,670 --> 00:10:34,680

unbelievable this entire encounter

246

00:10:40,610 --> 00:10:37,680

um could I take something from your

247

00:10:43,009 --> 00:10:40,620

craft with me in order to prove my

248

00:10:45,829 --> 00:10:43,019

experience in the uh the examiner's like

249

00:10:46,910 --> 00:10:45,839

sure take this book gave her a book she

250

00:10:49,550 --> 00:10:46,920

opened it up

251
00:10:51,170 --> 00:10:49,560
and it was just filled with these weird

252
00:10:53,269 --> 00:10:51,180
symbols that she really couldn't

253
00:10:55,910 --> 00:10:53,279
reconcile she didn't know what it meant

254
00:10:58,009 --> 00:10:55,920
but she knew this book pretty darn

255
00:11:00,170 --> 00:10:58,019
important she continued on with the

256
00:11:02,690 --> 00:11:00,180
conversation with this guy and asked the

257
00:11:05,150 --> 00:11:02,700
The Examiner hey where are you from and

258
00:11:06,230 --> 00:11:05,160
so he brought up like basically like a

259
00:11:08,810 --> 00:11:06,240
star map

260
00:11:10,730 --> 00:11:08,820
and he's like well we're over from this

261
00:11:12,650 --> 00:11:10,740
area and she's like I don't know where

262
00:11:15,430 --> 00:11:12,660
that's at and then the examiner said

263
00:11:19,370 --> 00:11:15,440

well can you point to Earth on this map

264

00:11:21,170 --> 00:11:19,380

and she's like no I can't and then he

265

00:11:23,030 --> 00:11:21,180

basically said well then you're useless

266

00:11:24,350 --> 00:11:23,040

and you can't read the map and it's

267

00:11:26,269 --> 00:11:24,360

pointless for me to tell you where we're

268

00:11:28,009 --> 00:11:26,279

from because you have no idea where

269

00:11:30,310 --> 00:11:28,019

you're at on this map and she's like

270

00:11:32,389 --> 00:11:30,320

okay

271

00:11:34,310 --> 00:11:32,399

I got a quick question on that logic

272

00:11:35,630 --> 00:11:34,320

isn't the first thing you do on a map is

273

00:11:38,630 --> 00:11:35,640

look for a common point of reference

274

00:11:41,150 --> 00:11:38,640

yeah like a legend and uh like something

275

00:11:44,509 --> 00:11:41,160

like that and apparently uh it didn't

276

00:11:46,370 --> 00:11:44,519

get to to that point like uh or she

277

00:11:47,990 --> 00:11:46,380

couldn't remember

278

00:11:49,610 --> 00:11:48,000

um but yeah they didn't have a common

279

00:11:53,090 --> 00:11:49,620

point of reference on that map which

280

00:11:54,410 --> 00:11:53,100

seems kind of yeah you're right out of

281

00:11:57,350 --> 00:11:54,420

out of Leaps and Bounds when you're

282

00:12:02,210 --> 00:11:59,810

um so they they have this interaction uh

283

00:12:04,490 --> 00:12:02,220

back and forth then

284

00:12:06,290 --> 00:12:04,500

um the rest of the guys came back in the

285

00:12:08,870 --> 00:12:06,300

rest of the humanoids

286

00:12:11,150 --> 00:12:08,880

um and they took the book from her and

287

00:12:12,829 --> 00:12:11,160

she's like oh hey that's that's my book

288

00:12:16,550 --> 00:12:12,839

and they're like no you're not taking

289

00:12:17,990 --> 00:12:16,560

this book with you uh we don't need this

290

00:12:19,850 --> 00:12:18,000

kind of headache and she's like well No

291

00:12:21,829 --> 00:12:19,860

One's Gonna believe me about the

292

00:12:25,069 --> 00:12:21,839

experience unless I have some proof and

293

00:12:26,269 --> 00:12:25,079

they said we don't care uh uh we're

294

00:12:29,569 --> 00:12:26,279

taking the book you're not taking this

295

00:12:33,410 --> 00:12:29,579

book and so they got done with the

296

00:12:35,690 --> 00:12:33,420

examinations of Barney and Betty uh they

297

00:12:36,949 --> 00:12:35,700

dropped him off at their car they didn't

298

00:12:38,509 --> 00:12:36,959

drop them off like 10 feet above the

299

00:12:39,829 --> 00:12:38,519

ground or anything like that they drop

300

00:12:43,129 --> 00:12:39,839

them off at the car

301
00:12:45,530 --> 00:12:43,139
and the couple watched the UFO

302
00:12:48,590 --> 00:12:45,540
uh ZIP away at which point in time they

303
00:12:50,090 --> 00:12:48,600
got back in their car went home and then

304
00:12:52,430 --> 00:12:50,100
that's when

305
00:12:54,829 --> 00:12:52,440
um Barney went into the bathroom to look

306
00:12:57,710 --> 00:12:54,839
at his junk because that period of time

307
00:13:00,110 --> 00:12:57,720
in which they were abducted that memory

308
00:13:02,389 --> 00:13:00,120
was wiped and it only started to come

309
00:13:04,610 --> 00:13:02,399
out when they started having nightmares

310
00:13:07,430 --> 00:13:04,620
over the the next few weeks when they

311
00:13:09,470 --> 00:13:07,440
knew something was amiss and that's when

312
00:13:10,790 --> 00:13:09,480
they went to hypnotic aggression and

313
00:13:11,990 --> 00:13:10,800

some of their memories started to come

314

00:13:14,210 --> 00:13:12,000

back

315

00:13:17,230 --> 00:13:14,220

now if the Obamas can include all that

316

00:13:19,490 --> 00:13:17,240

stuff in the movie cool I have a feeling

317

00:13:21,530 --> 00:13:19,500

that they're not

318

00:13:23,329 --> 00:13:21,540

especially the junk inspection yeah the

319

00:13:24,889 --> 00:13:23,339

I want to focus on that I think the

320

00:13:27,410 --> 00:13:24,899

whole movie should kind of revolve

321

00:13:28,790 --> 00:13:27,420

around that is this a movie or like a

322

00:13:30,110 --> 00:13:28,800

Netflix series because I always do this

323

00:13:31,850 --> 00:13:30,120

series of like eight or ten episodes so

324

00:13:34,310 --> 00:13:31,860

maybe like two full episodes on the junk

325

00:13:37,370 --> 00:13:34,320

inspection well they said that there uh

326

00:13:40,310 --> 00:13:37,380

is going to be a movie

327

00:13:45,230 --> 00:13:40,320

uh a new they say a new movie entitled

328

00:13:47,090 --> 00:13:45,240

White Mountains so uh it's uh I I guess

329

00:13:49,730 --> 00:13:47,100

they could make it into like a a short

330

00:13:51,350 --> 00:13:49,740

series maybe a five-part series but uh

331

00:13:54,170 --> 00:13:51,360

I'm kind of curious and how they they're

332

00:13:55,910 --> 00:13:54,180

going to depict the aliens uh are they

333

00:13:58,730 --> 00:13:55,920

gonna have the black suits which is

334

00:14:01,490 --> 00:13:58,740

fairly typical or some kind of diving

335

00:14:03,170 --> 00:14:01,500

suit that these humanoids wear or are

336

00:14:06,470 --> 00:14:03,180

they going to look like the typical gray

337

00:14:08,930 --> 00:14:06,480

alien uh they also have the uh the one

338

00:14:10,250 --> 00:14:08,940

arm was jacked up like the uh the story

339

00:14:13,490 --> 00:14:10,260

from I can't remember the elk hunter

340

00:14:16,870 --> 00:14:13,500

story no yeah uh nothing like that they

341

00:14:19,970 --> 00:14:16,880

um the description is you know fairly

342

00:14:22,250 --> 00:14:19,980

non-descript they just come as as

343

00:14:24,710 --> 00:14:22,260

humanoid at least in the in some of the

344

00:14:28,129 --> 00:14:24,720

stuff that I'm reading

345

00:14:32,150 --> 00:14:28,139

um the size is smallish and they mostly

346

00:14:34,490 --> 00:14:32,160

focus on like the what they're wearing

347

00:14:36,590 --> 00:14:34,500

not necessarily like their descriptions

348

00:14:37,970 --> 00:14:36,600

but I'll track down the descriptions and

349

00:14:42,170 --> 00:14:37,980

then we'll compare and contrast once the

350

00:14:43,730 --> 00:14:42,180

movie's released in a few years myself

351

00:14:47,090 --> 00:14:43,740

good they give it a release date for

352

00:14:51,650 --> 00:14:49,550

it's not too far off yeah now

353

00:14:53,930 --> 00:14:51,660

I'll be here before you know it and then

354

00:14:55,730 --> 00:14:53,940

I guess got uh one more first question

355

00:14:58,370 --> 00:14:55,740

though oh yeah real quick on this so

356

00:15:00,230 --> 00:14:58,380

Netflix is notorious for uh let's say

357

00:15:04,730 --> 00:15:00,240

diversifying their

358

00:15:08,810 --> 00:15:04,740

their cast and crew so I'm assuming that

359

00:15:10,970 --> 00:15:08,820

in this case the uh both actors Mr and

360

00:15:13,610 --> 00:15:10,980

Mrs Hill will be played by

361

00:15:16,910 --> 00:15:13,620

um transgender uh lesbians perhaps

362

00:15:19,189 --> 00:15:16,920

that's right yeah exactly

363

00:15:22,069 --> 00:15:19,199

I mean I'm I'm assuming that's why the

364

00:15:23,990 --> 00:15:22,079

Obamas picked this uh event is because

365

00:15:25,310 --> 00:15:24,000

it wasn't interracial couple yeah I

366

00:15:26,389 --> 00:15:25,320

guarantee that was that what cut their

367

00:15:27,829 --> 00:15:26,399

ears whether or not it's an interesting

368

00:15:29,389 --> 00:15:27,839

story or not but that that's what that

369

00:15:31,430 --> 00:15:29,399

was the hook that somebody yeah used

370

00:15:33,949 --> 00:15:31,440

when they pitched the idea exactly they

371

00:15:37,569 --> 00:15:33,959

wanted to they knew uh UFOs are a Hot

372

00:15:40,250 --> 00:15:37,579

Topic uh let's let's let's get something

373

00:15:41,689 --> 00:15:40,260

more I guess in line with what they want

374

00:15:43,629 --> 00:15:41,699

to talk about so it's the best of both

375

00:15:46,730 --> 00:15:43,639

worlds for them I I don't know if

376

00:15:48,710 --> 00:15:46,740

Obama's as fascinated with UFOs as like

377

00:15:51,710 --> 00:15:48,720

the clintons he seemed to kind of be

378

00:15:52,850 --> 00:15:51,720

disinterested for the most part so he's

379

00:15:54,290 --> 00:15:52,860

looked like he's jumping on the

380

00:15:56,990 --> 00:15:54,300

bandwagon they got a production company

381

00:15:59,750 --> 00:15:57,000

they gotta pump out some movies so why

382

00:16:01,850 --> 00:15:59,760

not some UFO BS

383

00:16:04,129 --> 00:16:01,860

yeah not that the stories be honest but

384

00:16:06,350 --> 00:16:04,139

I just don't believe uh Obama cares that

385

00:16:07,970 --> 00:16:06,360

much about the topic

386

00:16:09,530 --> 00:16:07,980

uh which all he said just put his name

387

00:16:12,650 --> 00:16:09,540

on it he'll just make money yeah exactly

388

00:16:17,269 --> 00:16:12,660

I'm sure they have a contract with uh

389

00:16:19,129 --> 00:16:17,279

the uh the Netflix and that's it

390

00:16:22,490 --> 00:16:19,139

okay

391

00:16:25,610 --> 00:16:22,500

well we'll move on here I got to one

392

00:16:27,889 --> 00:16:25,620

more oh do you want to know why uh uh

393

00:16:28,790 --> 00:16:27,899

Barney was concerned about his genitals

394

00:16:30,889 --> 00:16:28,800

Joe

395

00:16:32,750 --> 00:16:30,899

yes I do I think that's the only

396

00:16:35,509 --> 00:16:32,760

question okay

397

00:16:37,670 --> 00:16:35,519

so why he was so concerned with his

398

00:16:39,470 --> 00:16:37,680

genitals and why he felt as though they

399

00:16:40,910 --> 00:16:39,480

were being messed with when he was

400

00:16:45,350 --> 00:16:40,920

abducted

401
00:16:47,749 --> 00:16:45,360
he says uh three short men

402
00:16:49,670 --> 00:16:47,759
uh undressed him

403
00:16:52,910 --> 00:16:49,680
um they they basically threw him on an

404
00:16:57,230 --> 00:16:52,920
exam table and then they put like a cup

405
00:17:02,629 --> 00:16:57,240
like device over his genitals

406
00:17:05,329 --> 00:17:02,639
and he did well he had weird Sensations

407
00:17:08,390 --> 00:17:05,339
um and he felt as though semen was being

408
00:17:11,530 --> 00:17:08,400
extracted but he didn't orgasm so they

409
00:17:16,730 --> 00:17:11,540
had some kind of device that would milk

410
00:17:18,949 --> 00:17:16,740
uh milk them he was he was being milked

411
00:17:21,530 --> 00:17:18,959
by the aliens but he wasn't experiencing

412
00:17:25,909 --> 00:17:21,540
any of the pleasure and then he felt

413
00:17:27,530 --> 00:17:25,919

that is such a bogus deal I know like at

414

00:17:29,350 --> 00:17:27,540

least if you're gonna do it like let's

415

00:17:34,070 --> 00:17:29,360

have a good time

416

00:17:37,250 --> 00:17:34,080

and then they stuck a tube up uh a tube

417

00:17:39,650 --> 00:17:37,260

a a wider tube possibly a cylinder up

418

00:17:43,730 --> 00:17:39,660

his rear end too now they're just having

419

00:17:46,310 --> 00:17:43,740

fun telling you they need the tube

420

00:17:47,750 --> 00:17:46,320

uh and then he uh and then peripherally

421

00:17:49,610 --> 00:17:47,760

then he said he felt someone messing

422

00:17:51,890 --> 00:17:49,620

with his spine but he was more concerned

423

00:17:54,409 --> 00:17:51,900

about his penis and his anus being

424

00:17:56,210 --> 00:17:54,419

probed

425

00:17:58,370 --> 00:17:56,220

so that's what happened there that's why

426

00:18:00,289 --> 00:17:58,380

when he got home he's like I I don't

427

00:18:02,690 --> 00:18:00,299

know something's going on down there

428

00:18:04,250 --> 00:18:02,700

I gotta take a closer look

429

00:18:06,169 --> 00:18:04,260

one of the aliens of the other one said

430

00:18:08,150 --> 00:18:06,179

hey see if these two holes connect just

431

00:18:09,830 --> 00:18:08,160

put one in it maybe on the other one

432

00:18:12,230 --> 00:18:09,840

stuff through it if they didn't know

433

00:18:14,930 --> 00:18:12,240

humans have like dentures and fake teeth

434

00:18:18,529 --> 00:18:14,940

they just seem like maybe they're making

435

00:18:20,450 --> 00:18:18,539

that up you know it's like you you'd

436

00:18:22,190 --> 00:18:20,460

imagine like they've been visiting Earth

437

00:18:25,010 --> 00:18:22,200

for a while

438

00:18:26,450 --> 00:18:25,020

it and maybe they have run across fake

439

00:18:28,909 --> 00:18:26,460

teeth false teeth at that point in time

440

00:18:30,169 --> 00:18:28,919

but maybe not I'm not sure when Dentures

441

00:18:32,390 --> 00:18:30,179

became popular

442

00:18:34,130 --> 00:18:32,400

this this uh this account took a place

443

00:18:36,350 --> 00:18:34,140

in 1960 famously famously George

444

00:18:38,150 --> 00:18:36,360

Washington had uh they were not wooden

445

00:18:40,610 --> 00:18:38,160

teeth he had teeth card to Ivory but he

446

00:18:41,690 --> 00:18:40,620

had fake teeth so yeah for hundreds of

447

00:18:43,549 --> 00:18:41,700

years

448

00:18:45,710 --> 00:18:43,559

yeah

449

00:18:47,270 --> 00:18:45,720

uh but I'll move on I got the one more

450

00:18:54,169 --> 00:18:47,280

uh

451
00:19:00,830 --> 00:18:58,190
bring this up on screen please yes

452
00:19:03,289 --> 00:19:00,840
okay here's your quick answer the

453
00:19:05,570 --> 00:19:03,299
Etruscans as early as 7th Century BC

454
00:19:07,010 --> 00:19:05,580
made partial dentures out of human or

455
00:19:10,490 --> 00:19:07,020
other animal teeth fastened together

456
00:19:12,409 --> 00:19:10,500
with gold bands hmm

457
00:19:14,330 --> 00:19:12,419
so they had a grill

458
00:19:16,970 --> 00:19:14,340
yes they were like check this out

459
00:19:18,049 --> 00:19:16,980
they're supporting grills back then

460
00:19:20,990 --> 00:19:18,059
huh

461
00:19:23,570 --> 00:19:21,000
all right goes back to uh 700 BC yeah

462
00:19:26,750 --> 00:19:23,580
bad boy

463
00:19:29,750 --> 00:19:26,760

well uh got a headline here for everyone

464

00:19:34,549 --> 00:19:29,760

out there uh the theory that claims we

465

00:19:36,409 --> 00:19:34,559

visit other dimensions when we sleep I

466

00:19:38,150 --> 00:19:36,419

love that headline

467

00:19:40,549 --> 00:19:38,160

I think this is a

468

00:19:42,590 --> 00:19:40,559

been a common kind of just thought yeah

469

00:19:44,510 --> 00:19:42,600

we call this a dream Journey dream

470

00:19:46,549 --> 00:19:44,520

walking yeah there's a lot of these

471

00:19:47,810 --> 00:19:46,559

options these sort of things yeah remote

472

00:19:49,190 --> 00:19:47,820

viewing is even kind of part of this

473

00:19:51,049 --> 00:19:49,200

isn't it

474

00:19:52,370 --> 00:19:51,059

um you set someone deep enough into a

475

00:19:54,049 --> 00:19:52,380

into their subconscious and they can see

476

00:19:56,630 --> 00:19:54,059

all sorts of stuff I yeah I think it's

477

00:19:58,750 --> 00:19:56,640

uh for remote viewing you want to get in

478

00:20:01,370 --> 00:19:58,760

through that Twilight state in between

479

00:20:03,950 --> 00:20:01,380

awake and sleep and in that Twilight

480

00:20:05,029 --> 00:20:03,960

state is that's the Zone that's where

481

00:20:07,070 --> 00:20:05,039

you want to be if you're going to do

482

00:20:09,289 --> 00:20:07,080

remote view so that's where you want to

483

00:20:11,390 --> 00:20:09,299

be you're going to use in the zone If

484

00:20:14,390 --> 00:20:11,400

You're Gonna Leave Your Body remote view

485

00:20:16,430 --> 00:20:14,400

do any kind of uh weird mind stuff you

486

00:20:18,230 --> 00:20:16,440

got to be in the zone

487

00:20:20,870 --> 00:20:18,240

uh but yeah we'll read a little bit of

488

00:20:23,270 --> 00:20:20,880

this uh dreaming is a mysterious subject

489

00:20:26,630 --> 00:20:23,280

continuously studied to give us insight

490

00:20:29,870 --> 00:20:26,640

into how we dream and what those dreams

491

00:20:32,330 --> 00:20:29,880

mean in relation to our waking lives

492

00:20:33,590 --> 00:20:32,340

that's a weird sense isn't it

493

00:20:35,870 --> 00:20:33,600

okay

494

00:20:38,930 --> 00:20:35,880

uh there are some that believe our dream

495

00:20:41,210 --> 00:20:38,940

world is just as important as real life

496

00:20:43,370 --> 00:20:41,220

but that dreams are much more than

497

00:20:45,230 --> 00:20:43,380

figments of our imagination in fact some

498

00:20:47,810 --> 00:20:45,240

believe our dreams are parallel

499

00:20:51,289 --> 00:20:47,820

universes alternate realities waiting to

500

00:20:53,630 --> 00:20:51,299

be discovered by some of us as we sleep

501

00:20:56,029 --> 00:20:53,640

uh dreams are like an out-of-body

502

00:20:58,970 --> 00:20:56,039

experience that is best remembered if

503

00:21:01,970 --> 00:20:58,980

you awake from an REM rapid eye movement

504

00:21:04,250 --> 00:21:01,980

State REM sleep happens about 90 minutes

505

00:21:06,289 --> 00:21:04,260

after we fall first fall asleep in a

506

00:21:09,110 --> 00:21:06,299

state where your heart rate increases

507

00:21:11,990 --> 00:21:09,120

your blood pressure Rises and your

508

00:21:13,070 --> 00:21:12,000

breathing is shallow boy I didn't know I

509

00:21:15,590 --> 00:21:13,080

didn't realize your your heart rate

510

00:21:17,690 --> 00:21:15,600

increases like that I don't think all

511

00:21:18,950 --> 00:21:17,700

that's true yeah I I don't know enough

512

00:21:21,230 --> 00:21:18,960

to dispute it but that doesn't sound

513

00:21:22,669 --> 00:21:21,240

right yeah

514

00:21:25,070 --> 00:21:22,679

um

515

00:21:27,650 --> 00:21:25,080

it's the closest you can get to awake

516

00:21:30,529 --> 00:21:27,660

without actually being awake your body

517

00:21:32,510 --> 00:21:30,539

is in a parallel paralyzed State while

518

00:21:35,029 --> 00:21:32,520

your eyes Dart around and your mind is

519

00:21:36,409 --> 00:21:35,039

active and likely dreaming

520

00:21:39,169 --> 00:21:36,419

uh the quick movements of the eyes

521

00:21:41,390 --> 00:21:39,179

represent looking around at all the new

522

00:21:43,250 --> 00:21:41,400

and exciting things your mind is

523

00:21:46,850 --> 00:21:43,260

producing science continues to try to

524

00:21:49,549 --> 00:21:46,860

understand where we go in our sleep and

525

00:21:51,890 --> 00:21:49,559

the impact it has on our waking lives

526

00:21:53,750 --> 00:21:51,900

when you're experiencing REM sleep there

527

00:21:55,789 --> 00:21:53,760

is a connection between your physical

528

00:21:58,430 --> 00:21:55,799

reality and the dream world giving you

529

00:22:01,190 --> 00:21:58,440

access to the details to both

530

00:22:02,149 --> 00:22:01,200

so do we visit other dimensions when we

531

00:22:04,909 --> 00:22:02,159

sleep

532

00:22:07,430 --> 00:22:04,919

uh we just we disregard our dreams

533

00:22:10,190 --> 00:22:07,440

because they are over when we wake up

534

00:22:12,230 --> 00:22:10,200

but uh but is the fact that the

535

00:22:15,169 --> 00:22:12,240

experience is temporarily a good reason

536

00:22:16,610 --> 00:22:15,179

to dismiss it everything in our

537

00:22:18,649 --> 00:22:16,620

day-to-day life is considered real

538

00:22:21,230 --> 00:22:18,659

although that experience is also

539

00:22:24,590 --> 00:22:21,240

temporary ending when we die dreams are

540

00:22:27,350 --> 00:22:24,600

no different they also uh they too are

541

00:22:29,930 --> 00:22:27,360

real experiences to be thoroughly

542

00:22:32,930 --> 00:22:29,940

considered also when you dream like it's

543

00:22:36,289 --> 00:22:32,940

not often you remember your

544

00:22:37,850 --> 00:22:36,299

your experiences from real life here

545

00:22:39,649 --> 00:22:37,860

like I can't tell you like how many

546

00:22:42,350 --> 00:22:39,659

times like I I've had like a dream where

547

00:22:45,169 --> 00:22:42,360

I should have had a memory like oh I

548

00:22:46,669 --> 00:22:45,179

know how to do that you know or I I or I

549

00:22:47,930 --> 00:22:46,679

remember this in real life I'm not

550

00:22:49,970 --> 00:22:47,940

scared of this because I've dealt with

551

00:22:51,890 --> 00:22:49,980

this before in real life I shouldn't be

552

00:22:54,169 --> 00:22:51,900

in this situation in my dream world but

553

00:22:56,450 --> 00:22:54,179

it seems like you don't often have that

554

00:22:58,070 --> 00:22:56,460

translation from Real World experience

555

00:23:00,590 --> 00:22:58,080

to dream world they're like they're like

556

00:23:03,649 --> 00:23:00,600

Separate Lives the only commonality

557

00:23:05,630 --> 00:23:03,659

seems to be uh somewhat of your

558

00:23:09,230 --> 00:23:05,640

personality

559

00:23:12,110 --> 00:23:09,240

um and some experiences here and there

560

00:23:13,250 --> 00:23:12,120

so in this in this scenario where it's

561

00:23:15,409 --> 00:23:13,260

not just dreams which you're traveling

562

00:23:17,330 --> 00:23:15,419

or visiting alternate dimensions are you

563

00:23:18,649 --> 00:23:17,340

Lucid or is this like things happening

564

00:23:20,149 --> 00:23:18,659

in your subconscious you don't recognize

565

00:23:22,430 --> 00:23:20,159

until later

566

00:23:23,930 --> 00:23:22,440

I don't know

567

00:23:26,210 --> 00:23:23,940

um it depends like on a dream because

568

00:23:28,250 --> 00:23:26,220

not not all dreams are created equal

569

00:23:32,750 --> 00:23:28,260

like oftentimes

570

00:23:34,909 --> 00:23:32,760

if I'm in a dream and I have to run like

571

00:23:38,270 --> 00:23:34,919

if I have to run in a Dream It's almost

572

00:23:40,669 --> 00:23:38,280

like I'm moving through like uh like

573

00:23:43,370 --> 00:23:40,679

fluid like everything's like kind of

574

00:23:47,270 --> 00:23:43,380

dense and floaty and the only way I can

575

00:23:50,390 --> 00:23:47,280

run in a dream is to uh get on all fours

576

00:23:53,149 --> 00:23:50,400

and grab the ground and pull myself like

577

00:23:55,490 --> 00:23:53,159

I run like a dog almost we have to I

578

00:23:56,930 --> 00:23:55,500

have that same feeling uh when I have to

579

00:23:59,270 --> 00:23:56,940

run in dreams it's like I'm running

580

00:24:02,210 --> 00:23:59,280

through water like I'm running in a

581

00:24:04,549 --> 00:24:02,220

swimming pool why so I'd like to know

582

00:24:08,210 --> 00:24:04,559

why that is like how can we all have

583

00:24:10,669 --> 00:24:08,220

this the same kind of shared running

584

00:24:11,810 --> 00:24:10,679

experience in dreams where it's all

585

00:24:13,370 --> 00:24:11,820

floaty

586

00:24:15,470 --> 00:24:13,380

you would imagine there would be some

587

00:24:17,630 --> 00:24:15,480

people that know I can run quite

588

00:24:19,370 --> 00:24:17,640

normally if not faster in my dream state

589

00:24:21,110 --> 00:24:19,380

but I've heard that over and over again

590

00:24:23,750 --> 00:24:21,120

everyone does have that that floaty

591

00:24:26,149 --> 00:24:23,760

Dimension where I I gotta I gotta get on

592

00:24:29,750 --> 00:24:26,159

all fours and run like a dog

593

00:24:33,830 --> 00:24:29,760

yeah you do yeah I'm run like a dog a

594

00:24:39,110 --> 00:24:36,950

um what dimensions can we travel to when

595

00:24:41,630 --> 00:24:39,120

we dream uh the fifth The Fifth

596

00:24:44,029 --> 00:24:41,640

Dimension is the one where the World

597

00:24:46,190 --> 00:24:44,039

Slightly differs from what we know this

598

00:24:48,590 --> 00:24:46,200

Dimension gives us a way of measuring

599

00:24:50,630 --> 00:24:48,600

the similarities between our world and

600

00:24:53,450 --> 00:24:50,640

the other ones that may exist this is

601
00:24:56,210 --> 00:24:53,460
considered a micro Dimension instead of

602
00:24:58,430 --> 00:24:56,220
a complete Dimension it came about as a

603
00:24:59,930 --> 00:24:58,440
way of connecting all fundamental forces

604
00:25:03,169 --> 00:24:59,940
in the universe

605
00:25:05,810 --> 00:25:03,179
the sixth dimension for anybody who

606
00:25:07,310 --> 00:25:05,820
doesn't know okay don't believe the 5.6

607
00:25:09,529 --> 00:25:07,320
is this the sixth Dimension you gotta

608
00:25:13,250 --> 00:25:09,539
round up the sixth Dimension consists of

609
00:25:16,070 --> 00:25:13,260
a straight line of possible worlds here

610
00:25:18,710 --> 00:25:16,080
uh you get an opportunity to you get the

611
00:25:20,810 --> 00:25:18,720
opportunity to access all other possible

612
00:25:22,610 --> 00:25:20,820
worlds that started with the same

613
00:25:24,590 --> 00:25:22,620

original conditions like The Big Bang

614

00:25:26,930 --> 00:25:24,600

Theory well sounds like

615

00:25:29,269 --> 00:25:26,940

uh with the sixth Dimension you're

616

00:25:30,830 --> 00:25:29,279

you're viewing all these stimulated

617

00:25:32,810 --> 00:25:30,840

possibilities like you're kind of like

618

00:25:34,669 --> 00:25:32,820

above it you're like almost like at the

619

00:25:36,110 --> 00:25:34,679

admin level and you're like oh I want to

620

00:25:37,909 --> 00:25:36,120

go to that one

621

00:25:40,250 --> 00:25:37,919

although I don't seem to get a choice in

622

00:25:41,930 --> 00:25:40,260

my dreams of which version of reality I

623

00:25:44,750 --> 00:25:41,940

want to visit I just get popped in there

624

00:25:47,090 --> 00:25:44,760

and I gotta deal with it

625

00:25:48,710 --> 00:25:47,100

um this sixth Dimension is known as

626

00:25:51,049 --> 00:25:48,720

phase space

627

00:25:53,090 --> 00:25:51,059

in a set of parallel universes where

628

00:25:56,090 --> 00:25:53,100

everything that could have happened in

629

00:25:57,950 --> 00:25:56,100

our past lives but did not occurred in

630

00:26:01,070 --> 00:25:57,960

some other Universe the sixth Dimension

631

00:26:04,250 --> 00:26:01,080

exists in the same space and time as the

632

00:26:06,710 --> 00:26:04,260

one we occupy an overlay of our universe

633

00:26:08,330 --> 00:26:06,720

or a 3D space containing every possible

634

00:26:10,850 --> 00:26:08,340

world okay

635

00:26:13,070 --> 00:26:10,860

the seventh dimension if you can imagine

636

00:26:15,769 --> 00:26:13,080

that the seventh Dimension we can access

637

00:26:18,049 --> 00:26:15,779

all possible worlds no matter of the

638

00:26:21,230 --> 00:26:18,059

initial conditions for the fifth and

639

00:26:23,570 --> 00:26:21,240

sixth Dimensions they start out uh the

640

00:26:25,610 --> 00:26:23,580

same as our world but having varying

641

00:26:27,890 --> 00:26:25,620

subsequent actions the seventh Dimension

642

00:26:29,690 --> 00:26:27,900

is totally different from all others

643

00:26:31,070 --> 00:26:29,700

going back billions of years to the

644

00:26:32,870 --> 00:26:31,080

beginning of time everything is

645

00:26:34,490 --> 00:26:32,880

different in the seventh Dimension so

646

00:26:36,710 --> 00:26:34,500

it's completely crazy

647

00:26:39,230 --> 00:26:36,720

which I've experienced that so I've had

648

00:26:40,930 --> 00:26:39,240

this amazing dream like it did not seem

649

00:26:43,669 --> 00:26:40,940

I wasn't like in some

650

00:26:45,110 --> 00:26:43,679

weird Earth or something like that I was

651

00:26:46,850 --> 00:26:45,120

literally like just floating in the

652

00:26:49,250 --> 00:26:46,860

clouds and I was like riding this weird

653

00:26:51,710 --> 00:26:49,260

half pipe like it's floating up and down

654

00:26:53,990 --> 00:26:51,720

the half pipes playing with musical

655

00:26:55,430 --> 00:26:54,000

notes as I was riding up and down this

656

00:26:57,649 --> 00:26:55,440

thing and it didn't seem like it was

657

00:27:00,830 --> 00:26:57,659

connected at all to anything I would

658

00:27:03,049 --> 00:27:00,840

experience in either like any of the the

659

00:27:05,750 --> 00:27:03,059

normal worlds it was something

660

00:27:06,950 --> 00:27:05,760

completely unique and to that experience

661

00:27:09,230 --> 00:27:06,960

that was probably in the seventh

662

00:27:12,350 --> 00:27:09,240

Dimension there invented something

663

00:27:13,850 --> 00:27:12,360

like a fun musical half pipe for myself

664

00:27:15,649 --> 00:27:13,860

God I missed that one I wish I could go

665

00:27:17,810 --> 00:27:15,659

back there was it still like walking

666

00:27:20,570 --> 00:27:17,820

around in water

667

00:27:22,370 --> 00:27:20,580

um not so it was floaty but I was in

668

00:27:24,110 --> 00:27:22,380

control I was just having fun riding

669

00:27:25,549 --> 00:27:24,120

this half pipe making music

670

00:27:26,990 --> 00:27:25,559

it was weird

671

00:27:28,310 --> 00:27:27,000

there are so many different dimensions

672

00:27:30,769 --> 00:27:28,320

here there's like the eighth Dimension

673

00:27:32,390 --> 00:27:30,779

which is infinite possibilities uh the

674

00:27:34,909 --> 00:27:32,400

ninth Dimension where all possible

675

00:27:37,850 --> 00:27:34,919

universes history is impossible actions

676
00:27:40,310 --> 00:27:37,860
can be compared to uh note the

677
00:27:42,350 --> 00:27:40,320
differences and then the final Dimension

678
00:27:43,250 --> 00:27:42,360
the Tenth Dimension here I love that

679
00:27:45,830 --> 00:27:43,260
movie

680
00:27:47,810 --> 00:27:45,840
this is the place where anything and

681
00:27:50,029 --> 00:27:47,820
everything is absolutely possible

682
00:27:51,890 --> 00:27:50,039
anything you can imagine can happen here

683
00:27:55,549 --> 00:27:51,900
the 10th dimension

684
00:27:59,690 --> 00:27:55,559
is the end all be-all it is the epitome

685
00:28:00,890 --> 00:27:59,700
of what US mortals can can concoct in

686
00:28:04,909 --> 00:28:00,900
our minds

687
00:28:07,130 --> 00:28:04,919
epitome but um the epitome yeah the

688
00:28:09,649 --> 00:28:07,140

epitome Jesus right how could you have

689

00:28:14,870 --> 00:28:09,659

done this the prescribing zombacom

690

00:28:20,690 --> 00:28:18,169

no where everything is possible

691

00:28:22,490 --> 00:28:20,700

zombies you don't oh man there's certain

692

00:28:23,870 --> 00:28:22,500

thing from the like the 90s and the

693

00:28:26,570 --> 00:28:23,880

early days the internet I think it's

694

00:28:29,090 --> 00:28:26,580

still around zombo.com hmm

695

00:28:31,250 --> 00:28:29,100

anyway just your description of the 10th

696

00:28:33,289 --> 00:28:31,260

uh Dimension was exactly the way that

697

00:28:34,730 --> 00:28:33,299

zombacom describes itself

698

00:28:37,010 --> 00:28:34,740

well what they're describing here with

699

00:28:39,350 --> 00:28:37,020

these different dream states is not

700

00:28:43,370 --> 00:28:39,360

unlike the theory of the Multiverse

701
00:28:45,830 --> 00:28:43,380
where we live next to an infinite number

702
00:28:47,630 --> 00:28:45,840
of parallel universes and dimensions

703
00:28:50,090 --> 00:28:47,640
it's kind of like that movie uh

704
00:28:53,570 --> 00:28:50,100
everything all at once where they have

705
00:28:56,210 --> 00:28:53,580
technology in that movie to uh Port over

706
00:28:58,490 --> 00:28:56,220
the best aspects of yourself from other

707
00:29:02,090 --> 00:28:58,500
dimensions so like I'm not I'm not a

708
00:29:03,769 --> 00:29:02,100
karate fighter in this universe but some

709
00:29:05,570 --> 00:29:03,779
other Universe out there some other

710
00:29:07,669 --> 00:29:05,580
parallel universe there's a version of

711
00:29:10,370 --> 00:29:07,679
midnight Mike that is a 10th degree

712
00:29:12,049 --> 00:29:10,380
black belt just like Steven Seagal and I

713
00:29:13,970 --> 00:29:12,059

need those skills right now yeah I was

714

00:29:15,049 --> 00:29:13,980

like yeah so you gotta go there gotta go

715

00:29:17,269 --> 00:29:15,059

to Steven

716

00:29:19,909 --> 00:29:17,279

you're eating carrots all day long yeah

717

00:29:22,490 --> 00:29:19,919

and doing Lazy demonstrations in Russia

718

00:29:26,090 --> 00:29:22,500

yeah well someone's got to do it you

719

00:29:27,289 --> 00:29:26,100

know anybody see Richie [h__\h] you [h__\h]

720

00:29:29,930 --> 00:29:27,299

out

721

00:29:31,730 --> 00:29:29,940

uh but I I like these I mean um

722

00:29:32,510 --> 00:29:31,740

hopefully there will be technology one

723

00:29:35,330 --> 00:29:32,520

day

724

00:29:37,250 --> 00:29:35,340

that we will be able to record our

725

00:29:39,350 --> 00:29:37,260

dreams and you can watch them back like

726
00:29:43,610 --> 00:29:39,360
that would be fascinating if we could do

727
00:29:48,409 --> 00:29:45,769
like Joe do you have a have you ever had

728
00:29:50,510 --> 00:29:48,419
a dream that has stuck with you for

729
00:29:53,210 --> 00:29:50,520
years or decades something that you will

730
00:29:58,190 --> 00:29:56,269
yeah I've had a couple I had a lot of

731
00:30:00,889 --> 00:29:58,200
them involved my dogs getting into

732
00:30:03,230 --> 00:30:00,899
severe Peril Ripley like

733
00:30:06,950 --> 00:30:03,240
she used to run away a lot and I had a

734
00:30:10,010 --> 00:30:06,960
dream that she ran so far beyond like a

735
00:30:11,750 --> 00:30:10,020
decline in a in in the landscape that

736
00:30:13,310 --> 00:30:11,760
she ended up falling down a cliff and

737
00:30:17,029 --> 00:30:13,320
it's like you know these kinds of dreams

738
00:30:18,710 --> 00:30:17,039

just mortify yeah uh I had a dream I

739

00:30:21,649 --> 00:30:18,720

know when I was pretty young I think it

740

00:30:24,110 --> 00:30:21,659

was in my early 20s that dream that I

741

00:30:25,970 --> 00:30:24,120

was on some sort of a water slide and I

742

00:30:28,610 --> 00:30:25,980

fell off the side which I guess has

743

00:30:30,230 --> 00:30:28,620

happened where people like they're going

744

00:30:32,330 --> 00:30:30,240

up and down and sliding back and forth

745

00:30:34,490 --> 00:30:32,340

on the water slide and then they shoot

746

00:30:35,570 --> 00:30:34,500

out I'm pretty sure that's happened it

747

00:30:38,570 --> 00:30:35,580

had to have

748

00:30:41,630 --> 00:30:38,580

but then you know I'm like floating I

749

00:30:44,090 --> 00:30:41,640

did have flying dreams before but yeah

750

00:30:45,889 --> 00:30:44,100

it's I know a lot of times I have those

751
00:30:48,110 --> 00:30:45,899
uh succubus streams or whatever they're

752
00:30:50,450 --> 00:30:48,120
called I've had those yeah were they

753
00:30:53,269 --> 00:30:50,460
were they it snaps you out of your sleep

754
00:30:55,490 --> 00:30:53,279
because you're in some you know

755
00:30:58,010 --> 00:30:55,500
situation where a lot of times it's

756
00:31:00,710 --> 00:30:58,020
falling or getting hit by a car or

757
00:31:03,769 --> 00:31:00,720
whatever and you just snap right awake I

758
00:31:05,750 --> 00:31:03,779
had a yeah like a succubus dream where I

759
00:31:08,330 --> 00:31:05,760
I thought it was my wife

760
00:31:10,370 --> 00:31:08,340
and so we were you know getting a little

761
00:31:12,769 --> 00:31:10,380
frisky having a little fun in the dream

762
00:31:15,490 --> 00:31:12,779
world and then it morphed into this like

763
00:31:18,350 --> 00:31:15,500

blue creature

764

00:31:19,970 --> 00:31:18,360

and I was like whoa you're definitely

765

00:31:20,810 --> 00:31:19,980

not my wife and it started laughing at

766

00:31:24,830 --> 00:31:20,820

me

767

00:31:26,210 --> 00:31:24,840

of like in a dream state and it was kind

768

00:31:28,730 --> 00:31:26,220

of like dancing around kind of laughing

769

00:31:31,370 --> 00:31:28,740

at me like it fooled me in some way

770

00:31:33,889 --> 00:31:31,380

and then I said okay how about this and

771

00:31:35,810 --> 00:31:33,899

I was like I I put forward my hands like

772

00:31:37,970 --> 00:31:35,820

I was gonna blast it with like some

773

00:31:39,710 --> 00:31:37,980

lasers or like like Rays like I

774

00:31:41,750 --> 00:31:39,720

envisioned like Rays coming out of my

775

00:31:43,490 --> 00:31:41,760

hand to blast it you know because I was

776

00:31:46,370 --> 00:31:43,500

in a dream where I could do this but

777

00:31:47,990 --> 00:31:46,380

nothing happened and it started laughing

778

00:31:49,730 --> 00:31:48,000

at me even more like mocking me like

779

00:31:52,010 --> 00:31:49,740

hahaha you can't shoot lasers out of

780

00:31:53,930 --> 00:31:52,020

your hands and then I got real pissed so

781

00:31:55,789 --> 00:31:53,940

I kicked it right between the legs and

782

00:31:58,730 --> 00:31:55,799

it just like flew away into the

783

00:32:01,250 --> 00:31:58,740

atmosphere and then I woke up

784

00:32:02,990 --> 00:32:01,260

bizarre all right bizarre stuff

785

00:32:05,149 --> 00:32:03,000

yeah for sure

786

00:32:07,789 --> 00:32:05,159

but that has happened to me quite a bit

787

00:32:09,710 --> 00:32:07,799

where I I kind of aware I mean like a

788

00:32:14,810 --> 00:32:09,720

dream state and I try to use like some

789

00:32:17,750 --> 00:32:16,250

I thought I had that's just called

790

00:32:22,010 --> 00:32:17,760

reality Mike yeah I thought I had

791

00:32:25,610 --> 00:32:24,350

there we go uh booski in the chat

792

00:32:28,130 --> 00:32:25,620

suggests that in your alternate

793

00:32:29,990 --> 00:32:28,140

Dimension you're known as 11 45 PM like

794

00:32:33,889 --> 00:32:30,000

that's probably true that's probably

795

00:32:37,490 --> 00:32:34,430

um

796

00:32:39,350 --> 00:32:37,500

but there we go dream reality

797

00:32:40,549 --> 00:32:39,360

who knows who knows I think there's

798

00:32:42,350 --> 00:32:40,559

something to it though I think there is

799

00:32:45,169 --> 00:32:42,360

I think you do

800

00:32:47,690 --> 00:32:45,179

uh live different lives in your dreams

801
00:32:49,190 --> 00:32:47,700
because oftentimes uh I will pick back

802
00:32:51,110 --> 00:32:49,200
up

803
00:32:54,289 --> 00:32:51,120
like a dream kind of where I left it off

804
00:32:59,330 --> 00:32:54,299
like I have like it feels sometimes

805
00:33:01,250 --> 00:32:59,340
like I am on different missions when I I

806
00:33:04,549 --> 00:33:01,260
go to sleep and I have a dream like I am

807
00:33:07,250 --> 00:33:04,559
like I have tasks that I have to do like

808
00:33:09,830 --> 00:33:07,260
I'm going to work at like another job

809
00:33:12,169 --> 00:33:09,840
and I have these series of missions that

810
00:33:14,450 --> 00:33:12,179
I have to complete and then I wake up

811
00:33:16,490 --> 00:33:14,460
and do this life here you know pay the

812
00:33:18,529 --> 00:33:16,500
bills in order to go back to sleep and

813
00:33:20,450 --> 00:33:18,539

like work again somewhere and

814

00:33:22,009 --> 00:33:20,460

occasionally maybe you just have two

815

00:33:23,930 --> 00:33:22,019

jobs it may be

816

00:33:26,149 --> 00:33:23,940

occasionally I get to have one of those

817

00:33:28,370 --> 00:33:26,159

really good dreams where I'm on like a

818

00:33:29,750 --> 00:33:28,380

musical half pipe and I can go on

819

00:33:31,070 --> 00:33:29,760

vacation for a little bit but a lot of

820

00:33:32,990 --> 00:33:31,080

time it feels like work

821

00:33:36,529 --> 00:33:33,000

or you're getting finger banged by blue

822

00:33:38,930 --> 00:33:36,539

aliens with laser hands yeah maybe

823

00:33:41,750 --> 00:33:38,940

I always wonder I mean this is not an

824

00:33:42,769 --> 00:33:41,760

it's beyond not an original question but

825

00:33:44,509 --> 00:33:42,779

dogs

826
00:33:46,549 --> 00:33:44,519
you know what I mean they're kicking and

827
00:33:48,529 --> 00:33:46,559
they're yelping are they happy are they

828
00:33:50,810 --> 00:33:48,539
sad are they you know what what the

829
00:33:54,470 --> 00:33:50,820
hell's going on there squirrels I think

830
00:33:56,330 --> 00:33:54,480
so my dog my dear bogey he dreams like

831
00:33:58,490 --> 00:33:56,340
every night he's like one of the most

832
00:34:01,310 --> 00:33:58,500
active dog dreamers that I've ever

833
00:34:03,590 --> 00:34:01,320
encountered and I think he's like he's

834
00:34:05,810 --> 00:34:03,600
happy because I see him kind of grin

835
00:34:07,549 --> 00:34:05,820
sometimes and smiling he's panting like

836
00:34:09,889 --> 00:34:07,559
kind of wagging his tail I think he's

837
00:34:11,570 --> 00:34:09,899
chasing rabbits and squirrels and things

838
00:34:13,849 --> 00:34:11,580

like that

839

00:34:15,530 --> 00:34:13,859

um and I occasionally he might have like

840

00:34:17,570 --> 00:34:15,540

some kind of nightmare some kind of

841

00:34:20,089 --> 00:34:17,580

weird thing and he'll be so active

842

00:34:22,310 --> 00:34:20,099

sometimes he'll he'll like bark in his

843

00:34:25,010 --> 00:34:22,320

his dream state and wake him wake

844

00:34:28,310 --> 00:34:25,020

himself up so it's very cute

845

00:34:30,649 --> 00:34:28,320

but the drug the dog's dream like I

846

00:34:34,210 --> 00:34:30,659

would I would imagine any creature that

847

00:34:37,730 --> 00:34:34,220

dreams has a soul has a Consciousness

848

00:34:40,010 --> 00:34:37,740

and is very special

849

00:34:41,990 --> 00:34:40,020

love to see a dog dream

850

00:34:42,950 --> 00:34:42,000

you guys seen the video I put the GIF up

851
00:34:44,210 --> 00:34:42,960
for it right now but you've seen the

852
00:34:45,409 --> 00:34:44,220
video of this of the dog dreaming and it

853
00:34:46,790 --> 00:34:45,419
wakes up

854
00:34:50,570 --> 00:34:46,800
is that the one on screen right here

855
00:34:52,609 --> 00:34:50,580
yeah yeah basically oh my God that poor

856
00:34:55,730 --> 00:34:52,619
little dog is having a dream it woke up

857
00:34:57,890 --> 00:34:55,740
and ran ran into the walls that's crazy

858
00:35:01,250 --> 00:34:57,900
that is a very active dreamer that has

859
00:35:02,930 --> 00:35:01,260
no problem the dogging through a pool so

860
00:35:04,190 --> 00:35:02,940
for people listening to home the dog is

861
00:35:05,510 --> 00:35:04,200
oh put it in Carousel if you want to run

862
00:35:08,570 --> 00:35:05,520
the actual video there's a YouTube video

863
00:35:09,950 --> 00:35:08,580

it's it's a dog I'll laying outside and

864

00:35:12,290 --> 00:35:09,960

it's running like trying to run full

865

00:35:13,069 --> 00:35:12,300

speed and then it gets up onto its legs

866

00:35:16,609 --> 00:35:13,079

still

867

00:35:18,310 --> 00:35:16,619

sleeping and then runs right right into

868

00:35:21,109 --> 00:35:18,320

the wall poor guy

869

00:35:23,270 --> 00:35:21,119

probably chasing the cat

870

00:35:25,010 --> 00:35:23,280

yeah this is a this is a classic one

871

00:35:26,750 --> 00:35:25,020

from like 20 plus years ago but yeah the

872

00:35:27,650 --> 00:35:26,760

the the audio of this if you run the

873

00:35:29,150 --> 00:35:27,660

video it's

874

00:35:30,170 --> 00:35:29,160

you can hear the dog like chomping a

875

00:35:32,210 --> 00:35:30,180

little bit and stands up and just

876

00:35:34,790 --> 00:35:32,220

charges right into the wall I would say

877

00:35:36,290 --> 00:35:34,800

this the dogs I they do dream much like

878

00:35:38,270 --> 00:35:36,300

us but they don't have access to

879

00:35:40,069 --> 00:35:38,280

Dimension 10. I think they're stuck down

880

00:35:41,270 --> 00:35:40,079

in like Dimension four or five you know

881

00:35:42,770 --> 00:35:41,280

yep

882

00:35:45,770 --> 00:35:42,780

they're they're relegated down there

883

00:35:48,230 --> 00:35:45,780

they can't get the dimension 10 just yet

884

00:35:50,450 --> 00:35:48,240

I can I can only go there occasionally

885

00:35:54,470 --> 00:35:50,460

you know

886

00:35:59,390 --> 00:35:55,970

I'll

887

00:36:02,030 --> 00:35:59,400

for this

888

00:36:05,290 --> 00:36:02,040

so sure it's very cute

889

00:36:12,970 --> 00:36:05,300

there it is it's running

890

00:36:15,790 --> 00:36:14,530

there it goes

891

00:36:18,530 --> 00:36:15,800

[Music]

892

00:36:21,230 --> 00:36:18,540

it looks like it's nipping at behind us

893

00:36:24,290 --> 00:36:21,240

yeah maybe like is being chased by

894

00:36:27,790 --> 00:36:24,300

something yeah give us an email at our

895

00:36:30,950 --> 00:36:27,800

big thumb mouth gmail.com check out
