

2023 PREDICTIONS

1
00:00:06,309 --> 00:00:01,030
[Applause]

2
00:00:12,890 --> 00:00:09,049
but here's a headline here Nostradamus

3
00:00:15,589 --> 00:00:12,900
prediction is for 2023 the Antichrist

4
00:00:19,130 --> 00:00:15,599
arrives World War III

5
00:00:20,570 --> 00:00:19,140
and the monarchy dies

6
00:00:21,890 --> 00:00:20,580
you get all that

7
00:00:25,490 --> 00:00:21,900
good

8
00:00:28,070 --> 00:00:25,500
but no one told uh Nostradamus that

9
00:00:30,349 --> 00:00:28,080
we're way past World War III we're in

10
00:00:32,389 --> 00:00:30,359
World War four exactly he didn't get the

11
00:00:35,030 --> 00:00:32,399
message back there in the 1500s but

12
00:00:36,950 --> 00:00:35,040
we'll see what he says to say

13
00:00:39,650 --> 00:00:36,960

and this comes from the the New York

14

00:00:42,830 --> 00:00:39,660

Post uh as the year comes to a close

15

00:00:46,130 --> 00:00:42,840

it's time to talk doomsday forecast my

16

00:00:49,549 --> 00:00:46,140

babies and no one grips us with grim

17

00:00:54,290 --> 00:00:49,559

quite like Nostradamus

18

00:00:57,590 --> 00:00:54,300

Nostradamus Nas I don't it's a big what

19

00:00:59,270 --> 00:00:57,600

Nostradamus NOS if you're nasty

20

00:01:01,970 --> 00:00:59,280

that's right close I close the article

21

00:01:04,490 --> 00:01:01,980

right there yeah but I I must we have to

22

00:01:08,149 --> 00:01:04,500

plow on so Nostradamus NOS if you're

23

00:01:11,270 --> 00:01:08,159

nasty was a 16th century astrologer

24

00:01:13,850 --> 00:01:11,280

plague doctor accused heretic and

25

00:01:15,770 --> 00:01:13,860

bearded Seer that had been credited with

26

00:01:18,830 --> 00:01:15,780

foretelling the Great Fire of London

27

00:01:21,770 --> 00:01:18,840

Hitler's rise to power and the September

28

00:01:23,450 --> 00:01:21,780

11th attacks and the covid-19 pandemic

29

00:01:25,670 --> 00:01:23,460

to name a few I didn't know about the

30

00:01:29,149 --> 00:01:25,680

covet 19. yeah I do I didn't know about

31

00:01:32,270 --> 00:01:29,159

that one that's new on my my list

32

00:01:35,270 --> 00:01:32,280

uh sometimes on the money but more often

33

00:01:37,569 --> 00:01:35,280

than not muddly missing the mark our

34

00:01:40,730 --> 00:01:37,579

man's prophecies lean towards

35

00:01:43,010 --> 00:01:40,740

conflagration in catastrophe

36

00:01:45,109 --> 00:01:43,020

uh referred to as the prophet of Doom

37

00:01:47,210 --> 00:01:45,119

Nostradamus Bleak worldview is believed

38

00:01:49,310 --> 00:01:47,220

to have been shaped by heavy doses of

39

00:01:51,770 --> 00:01:49,320

the Old Testament and the trauma of

40

00:01:54,710 --> 00:01:51,780

losing his wife in young children to

41

00:01:57,770 --> 00:01:54,720

illness presumably presumably the plague

42

00:02:00,469 --> 00:01:57,780

uh unable to hear uh the loved ones he

43

00:02:03,530 --> 00:02:00,479

lost it seems he set out to forewarn the

44

00:02:06,530 --> 00:02:03,540

rest of us through his Revelations of

45

00:02:09,229 --> 00:02:06,540

room so what does he predictive for 2023

46

00:02:10,930 --> 00:02:09,239

I hope it's something good

47

00:02:14,449 --> 00:02:10,940

and see here

48

00:02:16,910 --> 00:02:14,459

uh let's see here so Nostradamus

49

00:02:19,790 --> 00:02:16,920

predictions for last year included the

50

00:02:22,369 --> 00:02:19,800

rise of AI the Conquering the Conquering

51
00:02:24,170 --> 00:02:22,379
power of cryptocurrency and the surge in

52
00:02:27,050 --> 00:02:24,180
cannibalism as a response to inflation

53
00:02:29,630 --> 00:02:27,060
how'd he do

54
00:02:32,270 --> 00:02:29,640
well Bitcoin has gone bust inflation

55
00:02:34,670 --> 00:02:32,280
remains at an all-time high and not for

56
00:02:38,390 --> 00:02:34,680
nothing Dahmer monster the Netflix

57
00:02:40,670 --> 00:02:38,400
controversial uh series became the

58
00:02:43,369 --> 00:02:40,680
second most watched show in the

59
00:02:45,710 --> 00:02:43,379
Network's history oh okay I guess uh

60
00:02:46,729 --> 00:02:45,720
cannibalism kind of is in Vogue a little

61
00:02:50,330 --> 00:02:46,739
bit

62
00:02:52,369 --> 00:02:50,340
uh but with a bone tick a bone with a

63
00:02:54,770 --> 00:02:52,379

toothpick in hand in a weary eye on the

64

00:02:57,290 --> 00:02:54,780

end of the year uh read for our overview

65

00:02:59,270 --> 00:02:57,300

or Nostradamus prediction for 2023. so

66

00:03:01,850 --> 00:02:59,280

yeah I'm I want to read the overview

67

00:03:03,530 --> 00:03:01,860

here okay

68

00:03:06,410 --> 00:03:03,540

um

69

00:03:10,309 --> 00:03:06,420

so here's uh the overview Buckingham

70

00:03:13,790 --> 00:03:10,319

Palace Ablaze Nostradamus predicts that

71

00:03:16,490 --> 00:03:13,800

in 2023 you will see Celestial fires on

72

00:03:18,229 --> 00:03:16,500

the Royal edifice taken literally this

73

00:03:20,149 --> 00:03:18,239

could mean a meteor is headed straight

74

00:03:22,190 --> 00:03:20,159

for Buckingham Palace Burning Down The

75

00:03:23,750 --> 00:03:22,200

House if you will or uh more

76

00:03:25,670 --> 00:03:23,760

metaphorical that Prince Henry and

77

00:03:27,830 --> 00:03:25,680

Meghan Markle who recently released a

78

00:03:29,750 --> 00:03:27,840

bombshell Netflix series doing uh

79

00:03:32,390 --> 00:03:29,760

detailing the dark Deeds committed

80

00:03:33,910 --> 00:03:32,400

against them by the crown have taken aim

81

00:03:36,170 --> 00:03:33,920

with a different kind of Firepower

82

00:03:38,089 --> 00:03:36,180

lighting up and tearing down the

83

00:03:41,149 --> 00:03:38,099

reputation of the royal family as we

84

00:03:43,130 --> 00:03:41,159

know it okay I could see that I could

85

00:03:47,210 --> 00:03:43,140

see something uh big happening to the

86

00:03:49,729 --> 00:03:47,220

royal family in 2023 uh like uh uh King

87

00:03:52,009 --> 00:03:49,739

Charles he hasn't even officially been

88

00:03:53,990 --> 00:03:52,019

ordained as the king like he hasn't had

89

00:03:55,550 --> 00:03:54,000

one of those big ceremonies yet right

90

00:03:57,589 --> 00:03:55,560

I don't think so

91

00:03:59,330 --> 00:03:57,599

it's supposed to be next year I think I

92

00:04:01,190 --> 00:03:59,340

think they're going to skip them

93

00:04:02,930 --> 00:04:01,200

that's the rumor they're just gonna skip

94

00:04:05,030 --> 00:04:02,940

that dragging their feet hoping that he

95

00:04:06,949 --> 00:04:05,040

just kills kicks over kicks a bucket

96

00:04:09,229 --> 00:04:06,959

Maybe

97

00:04:11,149 --> 00:04:09,239

uh but I don't think they want them they

98

00:04:13,330 --> 00:04:11,159

want to go with the who's the eldest one

99

00:04:16,849 --> 00:04:13,340

Kevin

100

00:04:20,569 --> 00:04:16,859

Bobby Bob Steve they want to make Steve

101

00:04:23,409 --> 00:04:20,579

the king king Steve King uh well the

102

00:04:25,909 --> 00:04:23,419

next prediction is world war three

103

00:04:28,550 --> 00:04:25,919

Nostradamus writes that in 2023 we will

104

00:04:31,249 --> 00:04:28,560

find the world embroiled in seven months

105

00:04:33,590 --> 00:04:31,259

of Great War people dead through evil

106

00:04:36,830 --> 00:04:33,600

this could apply albeit a bit late to

107

00:04:38,990 --> 00:04:36,840

the firefight and to the this to the

108

00:04:41,749 --> 00:04:39,000

devastating conflict in Ukraine which

109

00:04:44,390 --> 00:04:41,759

thus far has been marked by war crimes

110

00:04:46,610 --> 00:04:44,400

and a heavy civilian death toll in terms

111

00:04:49,850 --> 00:04:46,620

of evil Nostradamus blames hate

112

00:04:52,490 --> 00:04:49,860

mongering death dealing uh Libra

113

00:04:54,770 --> 00:04:52,500

Vladimir Putin and that comes pretty

114

00:04:57,830 --> 00:04:54,780

close to personifying it so I don't know

115

00:04:59,930 --> 00:04:57,840

how uh Putin was a Libra wow interesting

116

00:05:04,010 --> 00:04:59,940

wait Nostradamus I'm looking at last

117

00:05:07,909 --> 00:05:06,170

oh okay I see okay never mind that was

118

00:05:09,590 --> 00:05:07,919

that was a poorly written sentence in

119

00:05:11,270 --> 00:05:09,600

terms of the evil that Nostradamus is

120

00:05:13,370 --> 00:05:11,280

referring to

121

00:05:16,370 --> 00:05:13,380

Putin is a pretty it comes pretty close

122

00:05:19,370 --> 00:05:16,380

to personifying yeah all right well

123

00:05:22,969 --> 00:05:19,380

uh and then the the next prediction is

124

00:05:24,529 --> 00:05:22,979

the Antichrist cometh

125

00:05:27,950 --> 00:05:24,539

you ready for him

126

00:05:31,870 --> 00:05:27,960

I feel like uh I I hear about the

127

00:05:35,930 --> 00:05:31,880

prediction of antichrist every year

128

00:05:38,029 --> 00:05:35,940

and that I'm like 2012 Antichrist caught

129

00:05:40,790 --> 00:05:38,039

me 2013. he's running a little late

130

00:05:41,830 --> 00:05:40,800

he'll be here in 2014. his car broke

131

00:05:45,170 --> 00:05:41,840

down

132

00:05:49,189 --> 00:05:45,180

it didn't go off yeah but he ran out of

133

00:05:52,310 --> 00:05:49,199

gas 2023 he's coming uh Nostradamus

134

00:05:55,070 --> 00:05:52,320

writes that in or around 2023 the

135

00:05:59,029 --> 00:05:55,080

Antichrist very soon annihilates the

136

00:06:02,270 --> 00:05:59,039

three 27 years his war will last the

137

00:06:05,029 --> 00:06:02,280

unbelievers are dead captive exiled with

138

00:06:07,850 --> 00:06:05,039

blood human bodies water and red hail

139

00:06:09,950 --> 00:06:07,860

covering the Earth and no surprise in

140

00:06:12,110 --> 00:06:09,960

Surprise no one the Antichrist is a dude

141

00:06:16,310 --> 00:06:12,120

with bloodlust which means he could be

142

00:06:20,210 --> 00:06:16,320

lurking under the lies and neckties of

143

00:06:23,210 --> 00:06:20,220

any number of global politicians

144

00:06:26,330 --> 00:06:23,220

he I mean he doesn't name him oh oh but

145

00:06:28,730 --> 00:06:26,340

uh so uh with mentions of war and

146

00:06:30,469 --> 00:06:28,740

unbelievers being dead captain of Exile

147

00:06:33,170 --> 00:06:30,479

there's a strong indication that the

148

00:06:36,290 --> 00:06:33,180

Antichrist could be Putin himself though

149

00:06:38,090 --> 00:06:36,300

Elon musk's Halloween costume in their

150

00:06:40,969 --> 00:06:38,100

Twitter response to it suggests that the

151
00:06:44,270 --> 00:06:40,979
madman is also in the running

152
00:06:47,029 --> 00:06:44,280
so he's either Putin or musk according

153
00:06:49,129 --> 00:06:47,039
to the newer post that's right

154
00:06:51,110 --> 00:06:49,139
there's just twice in the same article

155
00:06:53,990 --> 00:06:51,120
that this whoever this writer is has a

156
00:06:55,370 --> 00:06:54,000
major hard on for Putin yes they're

157
00:06:57,050 --> 00:06:55,380
really angling for him to be the

158
00:06:58,309 --> 00:06:57,060
Antichrist I mean that's quite an honor

159
00:06:59,689 --> 00:06:58,319
don't you think

160
00:07:01,010 --> 00:06:59,699
exactly

161
00:07:02,809 --> 00:07:01,020
think about it they've been talking

162
00:07:05,390 --> 00:07:02,819
about the Antichrist for like

163
00:07:07,490 --> 00:07:05,400

hundreds of years

164

00:07:11,689 --> 00:07:07,500

if that thousands

165

00:07:15,409 --> 00:07:13,010

um and it'd be quite the honor if you

166

00:07:16,790 --> 00:07:15,419

got uh you got dubbed knighted of the

167

00:07:18,950 --> 00:07:16,800

Antichrist

168

00:07:20,930 --> 00:07:18,960

that's something else

169

00:07:23,629 --> 00:07:20,940

nothing new has nothing Circle yeah

170

00:07:26,749 --> 00:07:23,639

nothing to sneeze at did I do that yeah

171

00:07:29,450 --> 00:07:26,759

maybe empirical action a little Urkel

172

00:07:31,370 --> 00:07:29,460

absolutely Daisy absolutely stumble into

173

00:07:35,450 --> 00:07:31,380

being the Antichrist

174

00:07:39,409 --> 00:07:35,460

maybe my bad it happens

175

00:07:42,589 --> 00:07:39,419

well that's all they got on the uh

176
00:07:46,370 --> 00:07:42,599
the predictions for Nostradamus did I do

177
00:07:51,350 --> 00:07:49,309
um I'd like to have another uh Putin

178
00:07:54,050 --> 00:07:51,360
themed article please okay well maybe

179
00:07:58,189 --> 00:07:54,060
one with more Putin we'll we'll go to

180
00:08:01,309 --> 00:07:58,199
the blind Mystic Baba Vanguard

181
00:08:04,370 --> 00:08:01,319
and baba ganoush this comes from the

182
00:08:08,390 --> 00:08:04,380
Daily Star uh blind Mystic Baba vangas

183
00:08:11,629 --> 00:08:08,400
Erie 2023 predictions solar storms and

184
00:08:14,330 --> 00:08:11,639
deadly bio weapons that's right it's a

185
00:08:17,029 --> 00:08:14,340
little bit different than Nostradamus uh

186
00:08:18,830 --> 00:08:17,039
blind Mystic Bible uh vangai is famed

187
00:08:21,409 --> 00:08:18,840
for her outlandish predictions that

188
00:08:23,629 --> 00:08:21,419

often come true and unfortunately the

189

00:08:25,210 --> 00:08:23,639

notorious fortune teller has painted a

190

00:08:28,249 --> 00:08:25,220

bleak picture for

191

00:08:29,809 --> 00:08:28,259

2023. the late psychic dub Nostradamus

192

00:08:31,309 --> 00:08:29,819

of the Balkans

193

00:08:34,329 --> 00:08:31,319

uh says

194

00:08:36,649 --> 00:08:34,339

uh successfully predicted several

195

00:08:41,690 --> 00:08:36,659

Horrors including the death of Princess

196

00:08:43,490 --> 00:08:41,700

Diana the Chernobyl disaster in 911 and

197

00:08:45,050 --> 00:08:43,500

even her own death well that's kind of

198

00:08:46,430 --> 00:08:45,060

that's a bit of a downer that you

199

00:08:49,130 --> 00:08:46,440

predict your own death also probably

200

00:08:50,870 --> 00:08:49,140

covet 19. maybe well we'll see if they

201
00:08:53,150 --> 00:08:50,880
throw that in here

202
00:08:55,250 --> 00:08:53,160
um despite passing away in 1996 her

203
00:09:00,350 --> 00:08:55,260
predictions have lived on and lasted

204
00:09:04,850 --> 00:09:02,930
where when she believes the world let's

205
00:09:06,590 --> 00:09:04,860
stand up for that well it's

206
00:09:08,090 --> 00:09:06,600
you're gonna have to get in shape you

207
00:09:09,230 --> 00:09:08,100
have to watch what you eat to make it

208
00:09:13,190 --> 00:09:09,240
that far

209
00:09:16,670 --> 00:09:13,200
no more chips get to the gym Joe

210
00:09:19,550 --> 00:09:16,680
if you want to make it another 2 500

211
00:09:21,769 --> 00:09:19,560
years I can't wait to die

212
00:09:24,829 --> 00:09:21,779
uh two predictions two of her

213
00:09:26,449 --> 00:09:24,839

predictions for 2022 were correct uh

214

00:09:29,030 --> 00:09:26,459

with her claims that there would be

215

00:09:30,889 --> 00:09:29,040

intense bouts of floods coming true in

216

00:09:34,070 --> 00:09:30,899

Australia and warnings of a drought also

217

00:09:36,590 --> 00:09:34,080

playing out as uh it hit Italy their

218

00:09:40,430 --> 00:09:36,600

worst water shortage since the 1950s

219

00:09:43,430 --> 00:09:40,440

Baba said that she she had been blinded

220

00:09:46,009 --> 00:09:43,440

by a tornado as a kid and left with the

221

00:09:50,509 --> 00:09:46,019

power of looking into the Future Has and

222

00:09:52,730 --> 00:09:50,519

she has four predictions for 20 23.

223

00:09:54,050 --> 00:09:52,740

isn't that a likely story get blinded by

224

00:09:55,670 --> 00:09:54,060

a tornado then you can see the future

225

00:09:57,050 --> 00:09:55,680

that's like some Stan Lee would be

226

00:09:59,870 --> 00:09:57,060

curious about this how did the tornado

227

00:10:01,490 --> 00:09:59,880

blind her to like knock on her door and

228

00:10:05,090 --> 00:10:01,500

then she opened it poked her in the eyes

229

00:10:06,110 --> 00:10:05,100

I mean I I'm just assuming that uh these

230

00:10:09,290 --> 00:10:06,120

tornadoes they just throw everything

231

00:10:12,949 --> 00:10:09,300

around so dust uh dirt

232

00:10:15,350 --> 00:10:12,959

uh straw and we we grew up learning that

233

00:10:18,110 --> 00:10:15,360

if a tornado gets a hold of straw it can

234

00:10:19,670 --> 00:10:18,120

throw straw straight through a two by

235

00:10:20,990 --> 00:10:19,680

four through a telephone pole through a

236

00:10:23,630 --> 00:10:21,000

telephone through a telephone pole

237

00:10:25,370 --> 00:10:23,640

through a cro a concrete safe

238

00:10:28,009 --> 00:10:25,380

that's what they tell us and it'll and

239

00:10:29,630 --> 00:10:28,019

it'll hone in like that that movie with

240

00:10:32,389 --> 00:10:29,640

Tom Selleck and the missiles it'll home

241

00:10:34,370 --> 00:10:32,399

in on your eyeball yeah oh

242

00:10:37,430 --> 00:10:34,380

um that was called Runaway

243

00:10:40,670 --> 00:10:37,440

I'll run away we're staring Gene Simmons

244

00:10:46,190 --> 00:10:44,090

and Tom Selleck he's he's down there

245

00:10:48,290 --> 00:10:46,200

but the Tom Selleck showed up at some

246

00:10:50,449 --> 00:10:48,300

point uh but the predictions according

247

00:10:53,389 --> 00:10:50,459

to uh the blind seer

248

00:10:55,910 --> 00:10:53,399

uh oh you know Edgar Casey was called uh

249

00:10:58,610 --> 00:10:55,920

the sleeping psychic not the blinds like

250

00:11:01,190 --> 00:10:58,620

the sleeping psychic uh this which one

251
00:11:03,350 --> 00:11:01,200
was called Miss Cleo Miss Cleo she had a

252
00:11:04,370 --> 00:11:03,360
telephone company and she took people's

253
00:11:07,810 --> 00:11:04,380
money

254
00:11:13,009 --> 00:11:10,850
still work but uh the blinds here uh

255
00:11:16,190 --> 00:11:13,019
Baba has this to say about 2023 first

256
00:11:19,069 --> 00:11:16,200
prediction bio weapons test with the war

257
00:11:22,190 --> 00:11:19,079
in Ukraine rumbling on amid fears from

258
00:11:25,670 --> 00:11:22,200
the West that evil Vladimir Putin will

259
00:11:27,889 --> 00:11:25,680
harness nerve agent uh with Nova shock

260
00:11:30,290 --> 00:11:27,899
this prediction from Baba is

261
00:11:32,090 --> 00:11:30,300
particularly Stark she reckons that this

262
00:11:35,030 --> 00:11:32,100
is the year bio weapons will be used

263
00:11:37,790 --> 00:11:35,040

more than ever more than any other year

264

00:11:40,130 --> 00:11:37,800

with uh the testing and potential use of

265

00:11:42,769 --> 00:11:40,140

bioweapons making are marking one of the

266

00:11:44,630 --> 00:11:42,779

psychics more worrying predictions Baba

267

00:11:47,090 --> 00:11:44,640

has provided a worrying lack of detail

268

00:11:50,810 --> 00:11:47,100

over her warring with little known about

269

00:11:53,210 --> 00:11:50,820

exactly how the threat will arise

270

00:11:54,290 --> 00:11:53,220

so again they're uh going after Putin

271

00:11:57,050 --> 00:11:54,300

there okay

272

00:12:00,769 --> 00:11:57,060

uh no mention Bob is not mentioning any

273

00:12:02,870 --> 00:12:00,779

kind of like uh uh specific conflict did

274

00:12:06,829 --> 00:12:02,880

it take place exactly in Ukraine we know

275

00:12:09,170 --> 00:12:06,839

that there was concerns over uh bio labs

276

00:12:11,750 --> 00:12:09,180

in Ukraine there's been threats like

277

00:12:14,329 --> 00:12:11,760

this uh so maybe maybe something will be

278

00:12:15,710 --> 00:12:14,339

released but she's not being specific

279

00:12:16,790 --> 00:12:15,720

enough and that's kind of like my

280

00:12:18,889 --> 00:12:16,800

irritation with a lot of these

281

00:12:21,650 --> 00:12:18,899

predictions is like there there's really

282

00:12:23,750 --> 00:12:21,660

no specifics and it's left a lot of

283

00:12:26,150 --> 00:12:23,760

interpretation well how did they phrase

284

00:12:28,069 --> 00:12:26,160

that she was she was worryingly

285

00:12:31,009 --> 00:12:28,079

shy on details or something yeah we're

286

00:12:34,190 --> 00:12:31,019

like like there's gonna be Mass death

287

00:12:36,350 --> 00:12:34,200

possibly due to a bioweapon somewhere on

288

00:12:38,150 --> 00:12:36,360

Earth in 2023. I don't even think she

289

00:12:40,790 --> 00:12:38,160

got that specific

290

00:12:44,629 --> 00:12:40,800

uh but the next one I think is even more

291

00:12:47,509 --> 00:12:44,639

concerning which is a prediction of a

292

00:12:49,190 --> 00:12:47,519

solar storm the legendary fortune teller

293

00:12:52,009 --> 00:12:49,200

warned that the Earth might have to deal

294

00:12:54,170 --> 00:12:52,019

with a terrifying solar storm in 2023

295

00:12:55,730 --> 00:12:54,180

freak space weather could knock out

296

00:12:58,370 --> 00:12:55,740

electrical grids satellite

297

00:13:00,949 --> 00:12:58,380

Communications and even the internet if

298

00:13:02,690 --> 00:13:00,959

such an attack was to hit the British

299

00:13:05,150 --> 00:13:02,700

government admitted last year that more

300

00:13:07,430 --> 00:13:05,160

needs to be done to protect from that

301
00:13:10,009 --> 00:13:07,440
risk saying that the rail and financial

302
00:13:12,290 --> 00:13:10,019
sectors are particular particularly in

303
00:13:15,949 --> 00:13:12,300
danger so let's hope Baba's warning can

304
00:13:18,290 --> 00:13:15,959
kick-start preparations probably not I

305
00:13:20,629 --> 00:13:18,300
mean they're going to protect themselves

306
00:13:21,889 --> 00:13:20,639
like the the ruling Elite saying we got

307
00:13:24,170 --> 00:13:21,899
a little bit of money to protect

308
00:13:26,090 --> 00:13:24,180
ourselves but the rest of you you're all

309
00:13:29,690 --> 00:13:26,100
screwed they're probably building their

310
00:13:31,970 --> 00:13:29,700
own uh independent power stations and

311
00:13:34,430 --> 00:13:31,980
and water filtration systems and and

312
00:13:35,930 --> 00:13:34,440
deep underground bunkers the rest of us

313
00:13:39,110 --> 00:13:35,940

are going to be up here

314

00:13:42,470 --> 00:13:39,120

fighting over PlayStation I guess

315

00:13:43,970 --> 00:13:42,480

uh the next one she has is lab babies in

316

00:13:46,850 --> 00:13:43,980

2023

317

00:13:49,009 --> 00:13:46,860

with Elon Musk declaring his neural link

318

00:13:51,290 --> 00:13:49,019

brainship is ready to be used the lines

319

00:13:53,690 --> 00:13:51,300

between technology and human life have

320

00:13:56,509 --> 00:13:53,700

already been blurred but Baba reckons

321

00:13:58,250 --> 00:13:56,519

this could be uh that this could go even

322

00:14:00,350 --> 00:13:58,260

further with the psychic supposedly

323

00:14:02,449 --> 00:14:00,360

believing that parents of the future

324

00:14:04,670 --> 00:14:02,459

will be able to decide the skin color

325

00:14:07,129 --> 00:14:04,680

and characteristics of their children

326

00:14:10,490 --> 00:14:07,139

her claims because even exists

327

00:14:13,670 --> 00:14:10,500

her claims claim that uh we could see

328

00:14:16,009 --> 00:14:13,680

the end of birth births As We Know It

329

00:14:19,430 --> 00:14:16,019

with traits and appearance selections

330

00:14:21,769 --> 00:14:19,440

made in Labs rather than the potluck of

331

00:14:23,090 --> 00:14:21,779

epoclet of genes

332

00:14:24,769 --> 00:14:23,100

uh I think they're already doing this

333

00:14:26,449 --> 00:14:24,779

like I think you can pay extra money in

334

00:14:28,490 --> 00:14:26,459

China and you can get this done to your

335

00:14:29,870 --> 00:14:28,500

kids I think they're they're doing Gene

336

00:14:31,850 --> 00:14:29,880

editing over there already I'm gonna

337

00:14:33,590 --> 00:14:31,860

send you a link because I just saw this

338

00:14:35,930 --> 00:14:33,600

story pass by

339

00:14:38,750 --> 00:14:35,940

I think last week there was a better

340

00:14:40,670 --> 00:14:38,760

picture of it

341

00:14:43,189 --> 00:14:40,680

um I'm gonna try to find that one bring

342

00:14:45,410 --> 00:14:43,199

this up on screen real quick and those

343

00:14:47,930 --> 00:14:45,420

linky decemi's artificial wombs are

344

00:14:50,269 --> 00:14:47,940

coming they could completely change the

345

00:14:52,970 --> 00:14:50,279

debate over abortion that's some good

346

00:14:56,210 --> 00:14:52,980

news on that front artificial here here

347

00:14:58,189 --> 00:14:56,220

you go this one's got video Yeah robot

348

00:15:03,769 --> 00:14:58,199

wombs

349

00:15:08,150 --> 00:15:05,990

and so this other link you gave me uh

350

00:15:11,269 --> 00:15:08,160

artificial womb video shows what

351

00:15:13,009 --> 00:15:11,279

pregnancy may be like in the future I I

352

00:15:15,769 --> 00:15:13,019

don't know just see I'm seeing a picture

353

00:15:18,889 --> 00:15:15,779

of a baby in some kind of dish with

354

00:15:20,569 --> 00:15:18,899

electrodes hooked up to it with like an

355

00:15:22,069 --> 00:15:20,579

awesome Dolby sound system in the

356

00:15:23,990 --> 00:15:22,079

background that's what I'm looking at

357

00:15:26,509 --> 00:15:24,000

kid is rocking it is rocking to probably

358

00:15:28,610 --> 00:15:26,519

listening to Bach or high on fire

359

00:15:32,210 --> 00:15:28,620

you take your pick

360

00:15:35,269 --> 00:15:32,220

possibly uh KC and the Sunshine Band I

361

00:15:37,490 --> 00:15:35,279

mean if you want your kid to be a wussy

362

00:15:40,610 --> 00:15:37,500

Maybe

363

00:15:42,949 --> 00:15:40,620

the kid to grow up all weird yeah

364

00:15:44,150 --> 00:15:42,959

uh yeah so these are like the Matrix

365

00:15:45,350 --> 00:15:44,160

things is that what these are that's

366

00:15:47,810 --> 00:15:45,360

what it looks like yeah you're right it

367

00:15:49,430 --> 00:15:47,820

looks like a matrix pod

368

00:15:50,389 --> 00:15:49,440

that's what they're advertising this is

369

00:15:52,189 --> 00:15:50,399

from

370

00:15:54,350 --> 00:15:52,199

Ecto life

371

00:15:56,449 --> 00:15:54,360

ooh it's just listen to a little bit of

372

00:15:59,889 --> 00:15:56,459

the intro

373

00:16:02,750 --> 00:15:59,899

oh they even got creepy synthwave music

374

00:16:05,030 --> 00:16:02,760

introducing ectolife the world's first

375

00:16:07,120 --> 00:16:05,040

artificial womb facility powered

376

00:16:08,269 --> 00:16:07,130

entirely by renewable energy

377

00:16:10,610 --> 00:16:08,279

[Music]

378

00:16:12,710 --> 00:16:10,620

Ecto life allows infertile couple to

379

00:16:14,269 --> 00:16:12,720

conceive a baby and become the true

380

00:16:17,269 --> 00:16:14,279

biological parents of their own

381

00:16:19,069 --> 00:16:17,279

offspring it's a perfect solution for

382

00:16:20,990 --> 00:16:19,079

women who had their uterus surgically

383

00:16:22,389 --> 00:16:21,000

removed due to cancer and other

384

00:16:25,550 --> 00:16:22,399

complications

385

00:16:27,430 --> 00:16:25,560

with Ecto life premature births and

386

00:16:29,990 --> 00:16:27,440

C-sections will be a thing of the past

387

00:16:31,550 --> 00:16:30,000

Ecto life is designed to help countries

388

00:16:33,790 --> 00:16:31,560

that are suffering from severe

389

00:16:39,230 --> 00:16:33,800

population decline including Japan

390

00:16:45,170 --> 00:16:42,410

or you could grow babies to eat them and

391

00:16:46,670 --> 00:16:45,180

harness their baby blood because some

392

00:16:49,310 --> 00:16:46,680

people don't say it out loud some people

393

00:16:50,410 --> 00:16:49,320

are fueled by the dead of blood dead

394

00:16:54,829 --> 00:16:50,420

babies

395

00:16:59,090 --> 00:16:57,470

it's just like a giant milking facility

396

00:17:00,290 --> 00:16:59,100

except the little the little cartons

397

00:17:02,810 --> 00:17:00,300

aren't full of milk it's just

398

00:17:04,669 --> 00:17:02,820

adrenochrome and blood baby milkers this

399

00:17:07,490 --> 00:17:04,679

is this is crazy there's something like

400

00:17:09,710 --> 00:17:07,500

I this is like yeah I I get trying to

401
00:17:11,390 --> 00:17:09,720
help people and couples that can't have

402
00:17:14,090 --> 00:17:11,400
kids

403
00:17:16,429 --> 00:17:14,100
um and allow them to bring in their own

404
00:17:18,230 --> 00:17:16,439
kid but this is going to be a

405
00:17:20,150 --> 00:17:18,240
convenience thing like they don't want

406
00:17:22,130 --> 00:17:20,160
their own bodies to change so they're

407
00:17:24,230 --> 00:17:22,140
going to grow their their pod kid their

408
00:17:27,710 --> 00:17:24,240
pod baby and it's going to come out

409
00:17:30,049 --> 00:17:27,720
probably disconnected and completely uh

410
00:17:31,610 --> 00:17:30,059
devoid of all emotion and this will be

411
00:17:33,470 --> 00:17:31,620
the rise of the Antichrist here the

412
00:17:35,930 --> 00:17:33,480
birth of one of these is soulless kids

413
00:17:38,690 --> 00:17:35,940

that has no physical attachment I'm sure

414

00:17:41,029 --> 00:17:38,700

all everything you like being grown

415

00:17:43,370 --> 00:17:41,039

inside of your mother is critically

416

00:17:44,390 --> 00:17:43,380

important to becoming a well-adjusted

417

00:17:47,810 --> 00:17:44,400

human

418

00:17:50,210 --> 00:17:47,820

I'm just having an immune system yeah

419

00:17:52,669 --> 00:17:50,220

this is crazy

420

00:17:55,190 --> 00:17:52,679

and uh the blind seer

421

00:17:59,330 --> 00:17:55,200

uh of the Balkans is saying hey this is

422

00:18:00,710 --> 00:17:59,340

coming 2023. it's happening

423

00:18:02,570 --> 00:18:00,720

my God

424

00:18:04,789 --> 00:18:02,580

uh we have a good good point from the

425

00:18:06,950 --> 00:18:04,799

chat uh Zach's thing says why are all

426

00:18:10,250 --> 00:18:06,960

the babies in that video White

427

00:18:12,049 --> 00:18:10,260

they are choosing that skin color

428

00:18:14,100 --> 00:18:12,059

that's what they're choosing because of

429

00:18:15,490 --> 00:18:14,110

Gene editing

430

00:18:17,990 --> 00:18:15,500

[Music]

431

00:18:20,330 --> 00:18:18,000

you're right all the all the babies in

432

00:18:22,909 --> 00:18:20,340

the video are white we should write them

433

00:18:25,610 --> 00:18:22,919

a nasty note on such a racist

434

00:18:28,070 --> 00:18:25,620

yeah this is that's what they're saying

435

00:18:30,710 --> 00:18:28,080

the future is going to be so

436

00:18:32,450 --> 00:18:30,720

it is it is kind of it's creepy this is

437

00:18:33,770 --> 00:18:32,460

very creepy [h__\h] uh we can come back

438

00:18:35,870 --> 00:18:33,780

this I'm gonna finish some predictions

439

00:18:38,930 --> 00:18:35,880

but this is

440

00:18:43,370 --> 00:18:40,970

um so back to the blind Mystic okay uh

441

00:18:47,029 --> 00:18:43,380

then she goes on to predict

442

00:18:50,510 --> 00:18:47,039

if if if pod babies solar flares and bio

443

00:18:55,789 --> 00:18:50,520

weapons isn't enough uh there will be a

444

00:18:58,490 --> 00:18:55,799

change in Earth's orbit in 2023.

445

00:19:00,830 --> 00:18:58,500

Bob uh Bob's final prediction for 2023

446

00:19:03,110 --> 00:19:00,840

is just as concerning as the other three

447

00:19:05,510 --> 00:19:03,120

the fortune teller reckons a change will

448

00:19:07,450 --> 00:19:05,520

take place in the earth's Urban orbit

449

00:19:10,430 --> 00:19:07,460

potentially leading to a devastating

450

00:19:12,169 --> 00:19:10,440

shift to in the environment horrifying

451
00:19:14,630 --> 00:19:12,179
consequences could spell the end of the

452
00:19:18,049 --> 00:19:14,640
human race with radiation spikes and

453
00:19:20,930 --> 00:19:18,059
soaring temperatures from uh the even

454
00:19:22,909 --> 00:19:20,940
wreaking havoc on all Life as we know it

455
00:19:24,890 --> 00:19:22,919
so there you go change in Earth's orbit

456
00:19:27,710 --> 00:19:24,900
which I think would only really take

457
00:19:31,549 --> 00:19:27,720
place in a significant way if a large

458
00:19:34,669 --> 00:19:31,559
mass just Glides by Earth and pulls it

459
00:19:37,370 --> 00:19:34,679
out of orbit like what other explanation

460
00:19:40,270 --> 00:19:37,380
would there be for a change in orbit

461
00:19:42,590 --> 00:19:40,280
gotta be Planet X

462
00:19:44,990 --> 00:19:42,600
you know how do they phrase the change

463
00:19:46,490 --> 00:19:45,000

in orbit there

464

00:19:50,029 --> 00:19:46,500

uh

465

00:19:54,710 --> 00:19:51,350

wait so you're saying this person wasn't

466

00:19:56,570 --> 00:19:54,720

specific enough I don't think so

467

00:19:59,510 --> 00:19:56,580

I mean I people can look through I'll in

468

00:20:01,909 --> 00:19:59,520

the links for the uh uh this podcast

469

00:20:04,130 --> 00:20:01,919

I'll put uh links to her predictions

470

00:20:07,250 --> 00:20:04,140

like there's a an index of predictions

471

00:20:09,770 --> 00:20:07,260

that I found uh from Edgar Casey to

472

00:20:11,770 --> 00:20:09,780

Blind Mystic to all this stuff and

473

00:20:15,650 --> 00:20:11,780

people can just dig through there

474

00:20:18,770 --> 00:20:15,660

and see what uh they said

475

00:20:22,430 --> 00:20:18,780

so for her but I mean there's other ones

476

00:20:24,770 --> 00:20:22,440

uh for for prophecies in 2023 or 2026

477

00:20:27,289 --> 00:20:24,780

like nuclear fallout all that kind of

478

00:20:30,110 --> 00:20:27,299

stuff uh no vegetation all because of

479

00:20:32,150 --> 00:20:30,120

typically War as for a change in orbit

480

00:20:35,870 --> 00:20:32,160

uh I'm not seeing that but the good news

481

00:20:38,210 --> 00:20:35,880

is like the blind Mystic

482

00:20:40,150 --> 00:20:38,220

um her prediction to stop at

483

00:20:42,830 --> 00:20:40,160

50

484

00:20:45,289 --> 00:20:42,840

79 which means the world ends there so

485

00:20:46,909 --> 00:20:45,299

we have a few thousand more years so a

486

00:20:48,470 --> 00:20:46,919

change in orbit is not going to kill off

487

00:20:50,870 --> 00:20:48,480

everyone

488

00:20:53,990 --> 00:20:50,880

so that's good that's some good news in

489

00:20:59,390 --> 00:20:56,510

but there are other more immediate

490

00:21:02,409 --> 00:20:59,400

things I'm going to just kind of change

491

00:21:04,909 --> 00:21:02,419

gears a little bit right here

492

00:21:08,690 --> 00:21:04,919

as everyone knows I left I'd love to

493

00:21:10,850 --> 00:21:08,700

follow uh UFO news I love to follow all

494

00:21:11,690 --> 00:21:10,860

this kind of uh weird and interesting

495

00:21:14,870 --> 00:21:11,700

things

496

00:21:16,430 --> 00:21:14,880

and uh this Reddit thread was going on

497

00:21:18,950 --> 00:21:16,440

and I actually pulled this clip from

498

00:21:20,870 --> 00:21:18,960

this gentleman about two weeks ago but

499

00:21:22,789 --> 00:21:20,880

it didn't become super relevant until

500

00:21:25,010 --> 00:21:22,799

now

501
00:21:28,310 --> 00:21:25,020
um but I'll bring this up on screen just

502
00:21:32,149 --> 00:21:28,320
Twitter thread is what will happen in

503
00:21:33,710 --> 00:21:32,159
2027 Does Elon know is that why the

504
00:21:36,289 --> 00:21:33,720
elites are building giant underground

505
00:21:38,570 --> 00:21:36,299
cities born the boring company and

506
00:21:41,029 --> 00:21:38,580
currently building bases on the moon

507
00:21:43,610 --> 00:21:41,039
uh what is going on so the this is a

508
00:21:46,190 --> 00:21:43,620
former CIA officer John Ramirez claims

509
00:21:49,370 --> 00:21:46,200
the government is aware of an impending

510
00:21:51,950 --> 00:21:49,380
event in 2027 which will reveal

511
00:21:53,750 --> 00:21:51,960
something quite significant so people

512
00:21:54,830 --> 00:21:53,760
are being or so people are being

513
00:21:56,450 --> 00:21:54,840

prepared

514

00:21:59,210 --> 00:21:56,460

pay for something

515

00:22:02,210 --> 00:21:59,220

uh and I have the clip and here is like

516

00:22:03,950 --> 00:22:02,220

the there's two different clips here uh

517

00:22:06,350 --> 00:22:03,960

I'll play the the longer ones two

518

00:22:08,990 --> 00:22:06,360

minutes this is

519

00:22:14,450 --> 00:22:09,000

um initially John Ramirez was being

520

00:22:17,570 --> 00:22:14,460

interviewed about his uh belief in UFOs

521

00:22:20,390 --> 00:22:17,580

UFO technology and keep in mind he's

522

00:22:22,430 --> 00:22:20,400

xcia and he's been making the rounds a

523

00:22:24,710 --> 00:22:22,440

little bit more prominently regarding

524

00:22:26,149 --> 00:22:24,720

UFO disclosure and what the CIA knows

525

00:22:28,370 --> 00:22:26,159

what the government knows

526

00:22:30,169 --> 00:22:28,380

and so you can take this with a grain of

527

00:22:33,169 --> 00:22:30,179

salt if he's being genuine like a

528

00:22:35,750 --> 00:22:33,179

genuine uh CIA guy that just wants to

529

00:22:38,450 --> 00:22:35,760

get their information out or is he

530

00:22:41,810 --> 00:22:38,460

purposely giving this information out to

531

00:22:43,190 --> 00:22:41,820

elicit some kind of reaction uh you can

532

00:22:45,890 --> 00:22:43,200

decide but here's here's the clip of

533

00:22:49,909 --> 00:22:45,900

John Ramirez uh we're kind of preparing

534

00:22:52,310 --> 00:22:49,919

the the U.S population at least then uh

535

00:22:54,230 --> 00:22:52,320

by extension the world population and to

536

00:22:56,810 --> 00:22:54,240

that reality that there is something

537

00:22:58,669 --> 00:22:56,820

there is a presence here and that we

538

00:23:00,770 --> 00:22:58,679

need to explain this presence because if

539

00:23:02,750 --> 00:23:00,780

they show up and we continue to do what

540

00:23:04,789 --> 00:23:02,760

we did before in previous decades and

541

00:23:06,950 --> 00:23:04,799

this show up there will be mass panic

542

00:23:08,710 --> 00:23:06,960

but if you understand that though these

543

00:23:12,649 --> 00:23:08,720

are real and we have five years from

544

00:23:15,830 --> 00:23:12,659

2022 or maybe now four years uh if they

545

00:23:17,570 --> 00:23:15,840

come in 2027 uh for for the US

546

00:23:21,110 --> 00:23:17,580

government to prepare the people about

547

00:23:24,350 --> 00:23:21,120

what is up there and in many ways I

548

00:23:26,450 --> 00:23:24,360

think uh the word got out uh within the

549

00:23:30,169 --> 00:23:26,460

government that they're showing up

550

00:23:31,970 --> 00:23:30,179

in 2027 and uh we better be prepared and

551
00:23:34,010 --> 00:23:31,980
and if not there's going to be a lot of

552
00:23:36,710 --> 00:23:34,020
explaining to do

553
00:23:38,630 --> 00:23:36,720
um and so I think that dialogue has

554
00:23:40,850 --> 00:23:38,640
happened within

555
00:23:42,770 --> 00:23:40,860
uh inside the government in certain

556
00:23:46,130 --> 00:23:42,780
areas inside the government that we need

557
00:23:49,190 --> 00:23:46,140
to prepare and that's why in 2017 uh

558
00:23:51,830 --> 00:23:49,200
that set a clock of 10 years and why Lou

559
00:23:54,049 --> 00:23:51,840
Elizondo uh earlier in this year said

560
00:23:55,490 --> 00:23:54,059
you know just find a hobby for five

561
00:23:58,370 --> 00:23:55,500
years

562
00:24:00,529 --> 00:23:58,380
and uh you know it'll all be out in five

563
00:24:02,210 --> 00:24:00,539

years and he said that this year so that

564

00:24:06,409 --> 00:24:02,220
was 2027.

565

00:24:08,270 --> 00:24:06,419
and I would say I've heard 2027 in a

566

00:24:11,570 --> 00:24:08,280
kind of an official capacity and I can't

567

00:24:15,049 --> 00:24:11,580
reveal so I think um I I would say that

568

00:24:16,490 --> 00:24:15,059
people in the government are aware of

569

00:24:20,390 --> 00:24:16,500
something happening

570

00:24:22,490 --> 00:24:20,400
and that there's limited time uh

571

00:24:25,010 --> 00:24:22,500
a few more years to prepare the people

572

00:24:28,850 --> 00:24:25,020
and that's what's wrapping up uh this

573

00:24:31,970 --> 00:24:28,860
acceleration uh from the previous seven

574

00:24:34,490 --> 00:24:31,980
decades of not even acknowledging it to

575

00:24:37,010 --> 00:24:34,500
now we we are acknowledging it at a

576

00:24:38,990 --> 00:24:37,020

faster and faster pace

577

00:24:40,970 --> 00:24:39,000

there you go

578

00:24:43,970 --> 00:24:40,980

um according to him they're preparing

579

00:24:49,669 --> 00:24:43,980

people and they want to get get get us

580

00:24:52,310 --> 00:24:49,679

ready us us peons for the appearance of

581

00:24:54,230 --> 00:24:52,320

aliens disclosure UFO disclosure is what

582

00:24:55,970 --> 00:24:54,240

he's talking about right there and

583

00:24:58,490 --> 00:24:55,980

there's a there's a specific timeline

584

00:25:01,190 --> 00:24:58,500

there so starting at the end of 2017

585

00:25:04,310 --> 00:25:01,200

with the release of that uh New York

586

00:25:06,110 --> 00:25:04,320

Times article about the Tic Tac UFO and

587

00:25:10,310 --> 00:25:06,120

all that stuff that was the the 10-year

588

00:25:12,950 --> 00:25:10,320

Mark to get people kind of on board with

589

00:25:15,470 --> 00:25:12,960

this new reality he's not being specific

590

00:25:17,270 --> 00:25:15,480

really he just says they're they the

591

00:25:20,390 --> 00:25:17,280

government at least certain people to

592

00:25:22,190 --> 00:25:20,400

know are aware of this I would say if if

593

00:25:24,169 --> 00:25:22,200

this is true they're certainly taking

594

00:25:24,710 --> 00:25:24,179

their time

595

00:25:27,110 --> 00:25:24,720

um

596

00:25:29,750 --> 00:25:27,120

I I no one's really talking about the

597

00:25:31,010 --> 00:25:29,760

UFO reality at all uh they're not

598

00:25:33,769 --> 00:25:31,020

telling people to prepare and like

599

00:25:34,909 --> 00:25:33,779

prepare how is he insinuating that

600

00:25:36,950 --> 00:25:34,919

there's going to be some sort of

601
00:25:38,450 --> 00:25:36,960
invasion

602
00:25:40,909 --> 00:25:38,460
um is there going to be some sort of

603
00:25:43,370 --> 00:25:40,919
conflict is this all part of like the

604
00:25:45,409 --> 00:25:43,380
the new space tax what they that they

605
00:25:48,529 --> 00:25:45,419
want to implement in order to create

606
00:25:50,390 --> 00:25:48,539
more space weapons and space wars

607
00:25:53,149 --> 00:25:50,400
uh Star Wars trademarked I can't use

608
00:25:55,490 --> 00:25:53,159
that uh so

609
00:25:58,010 --> 00:25:55,500
take that for what it is I like his

610
00:26:00,350 --> 00:25:58,020
Candor I like that he's being open and

611
00:26:02,990 --> 00:26:00,360
honest about what he supposedly believes

612
00:26:05,570 --> 00:26:03,000
the CIA knows what he knows but like I

613
00:26:07,430 --> 00:26:05,580

said before he CIA can you trust what he

614

00:26:09,529 --> 00:26:07,440

says

615

00:26:12,049 --> 00:26:09,539

I don't know I take it with a grain of

616

00:26:14,990 --> 00:26:13,669

um but then back back to the Twitter

617

00:26:17,450 --> 00:26:15,000

thread

618

00:26:19,850 --> 00:26:17,460

um yeah they're like I'm I'm assuming

619

00:26:22,490 --> 00:26:19,860

that if something is going going to

620

00:26:26,990 --> 00:26:22,500

happen in 2026 2027

621

00:26:29,510 --> 00:26:27,000

uh the rich people know and that they're

622

00:26:33,169 --> 00:26:29,520

making preparations maybe the reason

623

00:26:36,590 --> 00:26:33,179

we've seen like all this preparation all

624

00:26:38,570 --> 00:26:36,600

the the mandates for everything and that

625

00:26:40,549 --> 00:26:38,580

they're cracking down it does seem like

626
00:26:42,590 --> 00:26:40,559
they're rushing towards something like

627
00:26:44,510 --> 00:26:42,600
timelines got shifted and so they had to

628
00:26:47,570 --> 00:26:44,520
roll out technology that wasn't really

629
00:26:50,450 --> 00:26:47,580
truly vetted and like it seems kind of

630
00:26:52,490 --> 00:26:50,460
sloppy with the backs and then digital

631
00:26:55,490 --> 00:26:52,500
currencies like it does seem like

632
00:26:57,049 --> 00:26:55,500
they're rushing to a goal line we just

633
00:27:00,769 --> 00:26:57,059
don't know what that goal line is and

634
00:27:04,370 --> 00:27:02,690
um and then one little final clip here

635
00:27:07,190 --> 00:27:04,380
this is from

636
00:27:10,430 --> 00:27:07,200
uh uh Chris Bledsoe he's been on the

637
00:27:14,269 --> 00:27:10,440
union of The Unwanted he's had some uh

638
00:27:17,510 --> 00:27:14,279

very uh prolific uh UFO experiences he

639

00:27:18,830 --> 00:27:17,520

and his father have had uh UFO

640

00:27:21,350 --> 00:27:18,840

experiences

641

00:27:23,269 --> 00:27:21,360

uh he can be a bit of a divisive

642

00:27:25,610 --> 00:27:23,279

character in the UFO Community because

643

00:27:29,149 --> 00:27:25,620

he has some pretty

644

00:27:31,549 --> 00:27:29,159

out there I guess uh claims about UFOs

645

00:27:33,890 --> 00:27:31,559

he believes that uh in things that UFOs

646

00:27:36,110 --> 00:27:33,900

are just coming to his property all the

647

00:27:40,130 --> 00:27:36,120

time and that they come there so much

648

00:27:42,049 --> 00:27:40,140

that he has uh CIA people there visiting

649

00:27:43,730 --> 00:27:42,059

because it is such a hot spot so they

650

00:27:47,330 --> 00:27:43,740

want to go down and check it out

651
00:27:51,830 --> 00:27:47,340
uh but this happened uh Chris had an

652
00:27:56,330 --> 00:27:51,840
experience in April of of 20

653
00:27:59,810 --> 00:27:56,340
2012 and uh he had some

654
00:28:01,610 --> 00:27:59,820
messages given to him by some person

655
00:28:03,950 --> 00:28:01,620
some entity and this is what he had to

656
00:28:05,590 --> 00:28:03,960
say about 2026. so what I'm

657
00:28:08,630 --> 00:28:05,600
understanding let me just clarify this

658
00:28:10,070 --> 00:28:08,640
when you were with this entity in 2012

659
00:28:11,930 --> 00:28:10,080
she told you

660
00:28:13,070 --> 00:28:11,940
right stop me when I'm wrong I don't

661
00:28:14,330 --> 00:28:13,080
want to say it wrong it was your

662
00:28:16,130 --> 00:28:14,340
experience but I'm just going to

663
00:28:19,549 --> 00:28:16,140

paraphrase okay cut in when I get it

664

00:28:21,250 --> 00:28:19,559

wrong if I do she told you that when the

665

00:28:24,169 --> 00:28:21,260

red star regulus

666

00:28:27,230 --> 00:28:24,179

aligns with the Gaze of the Sphinx level

667

00:28:30,409 --> 00:28:27,240

Before Sunrise Before Sunrise in the

668

00:28:32,149 --> 00:28:30,419

constellation Leo at dawn that we would

669

00:28:34,250 --> 00:28:32,159

enter a new knowledge and Awakening is

670

00:28:36,470 --> 00:28:34,260

that correct new knowledge now what

671

00:28:40,250 --> 00:28:36,480

you're telling me is researchers

672

00:28:42,830 --> 00:28:40,260

have through you know astronomical uh

673

00:28:44,630 --> 00:28:42,840

simulations have verified that that

674

00:28:46,250 --> 00:28:44,640

specific alignment happens in the year

675

00:28:47,690 --> 00:28:46,260

forget about March forget about

676

00:28:49,450 --> 00:28:47,700

September forget about that that

677

00:28:52,970 --> 00:28:49,460

alignment happens sometime in the year

678

00:28:55,669 --> 00:28:52,980

2026. yeah the Easter there you go okay

679

00:28:58,190 --> 00:28:55,679

some kind of new knowledge in 2026 and

680

00:29:01,010 --> 00:28:58,200

uh that's the the Bledsoe family right

681

00:29:02,510 --> 00:29:01,020

there but he and his father I think his

682

00:29:04,490 --> 00:29:02,520

father was speaking there he had the

683

00:29:07,250 --> 00:29:04,500

experience uh some kind of new knowledge

684

00:29:08,990 --> 00:29:07,260

in 2026 right around Easter is that new

685

00:29:10,909 --> 00:29:09,000

knowledge the the knowledge that we are

686

00:29:13,490 --> 00:29:10,919

not alone in the universe or something

687

00:29:15,409 --> 00:29:13,500

about our our history a true nature of

688

00:29:17,870 --> 00:29:15,419

humanity I guess we'll just have to wait

689

00:29:20,149 --> 00:29:17,880

and see like the CIA officer uh said uh

690

00:29:22,490 --> 00:29:20,159

Joe we just have to get hobbies for the

691

00:29:26,269 --> 00:29:22,500

next few years and then all will be

692

00:29:29,510 --> 00:29:26,279

revealed so don't worry about it aliens

693

00:29:32,690 --> 00:29:29,520

Can it can it be just drinking and

694

00:29:35,029 --> 00:29:32,700

pounding off you can do that sure

695

00:29:37,090 --> 00:29:35,039

all right is that that sounds like more

696

00:29:41,210 --> 00:29:37,100

of a way of life than a hobby

697

00:29:44,870 --> 00:29:41,220

it is that's a commitment

698

00:29:52,250 --> 00:29:48,590

um but that is what I I have on uh the

699

00:29:55,549 --> 00:29:52,260

predictions for 2023 2026 and 27. uh

700

00:29:57,350 --> 00:29:55,559

interesting times so uh who the heck

701

00:29:59,769 --> 00:29:57,360

knows but it's fun to speculate give us

702

00:30:04,490 --> 00:29:59,779

an email at
