

How to be a Prepper

1
00:00:06,369 --> 00:00:01,030
[Applause]

2
00:00:13,009 --> 00:00:10,250
emergency preps from A to Z yeah right

3
00:00:14,749 --> 00:00:13,019
really yes okay

4
00:00:18,070 --> 00:00:14,759
well I'm kind of curious about this we'd

5
00:00:21,650 --> 00:00:18,080
like to prepare and so uh a

6
00:00:23,150 --> 00:00:21,660
alcohol-based sanitizer

7
00:00:32,450 --> 00:00:23,160
okay

8
00:00:34,910 --> 00:00:32,460
can see that I I you know I I guess I

9
00:00:38,990 --> 00:00:34,920
have I have a few around here so uh see

10
00:00:43,310 --> 00:00:39,000
cash need that in an emergency D is for

11
00:00:45,290 --> 00:00:43,320
drinking water uh e is for emergency

12
00:00:46,250 --> 00:00:45,300
contact list you know that's something I

13
00:00:48,069 --> 00:00:46,260

don't have do you have one of those

14

00:00:52,130 --> 00:00:48,079

written down Joe

15

00:00:55,069 --> 00:00:52,140

no but I mean I you talked to my it's in

16

00:00:57,170 --> 00:00:55,079

my phone man it'll be fine so like if

17

00:00:59,090 --> 00:00:57,180

it's gonna be like a whatever space

18

00:01:00,410 --> 00:00:59,100

event solar flare none of that shit's

19

00:01:03,049 --> 00:01:00,420

gonna work anyway what are you gonna do

20

00:01:05,090 --> 00:01:03,059

you're gonna dial the phone yes until it

21

00:01:07,670 --> 00:01:05,100

starts working again you're gonna you

22

00:01:09,530 --> 00:01:07,680

got a landline the [h__h] yeah I'm just

23

00:01:14,590 --> 00:01:09,540

gonna start dialing randomly and

24

00:01:14,600 --> 00:01:17,810

I forget

25

00:01:21,050 --> 00:01:19,370

I'm gonna get somebody

26

00:01:23,450 --> 00:01:21,060

pick up

27

00:01:26,330 --> 00:01:23,460

all right Mike by the way the joke of it

28

00:01:28,130 --> 00:01:26,340

is if you were to get that um uh

29

00:01:30,109 --> 00:01:28,140

Peter take that sound file you have it's

30

00:01:31,490 --> 00:01:30,119

got them dialing and get a live

31

00:01:32,990 --> 00:01:31,500

connection you could probably actually

32

00:01:35,090 --> 00:01:33,000

trick the phone system into dialing it

33

00:01:36,789 --> 00:01:35,100

yeah we'd recognize those stones yep

34

00:01:39,050 --> 00:01:36,799

yeah

35

00:01:43,490 --> 00:01:39,060

well I did

36

00:01:43,500 --> 00:01:48,429

no I somehow guys

37

00:01:48,439 --> 00:01:53,830

the line

38

00:01:58,789 --> 00:01:56,389

a listener to the Jimmy Dore Show when

39

00:02:00,530 --> 00:01:58,799

he has um oh what's the guy Mike McRae

40

00:02:03,710 --> 00:02:00,540

do Joe Biden on the phone it is worth

41

00:02:06,410 --> 00:02:03,720

every freaking he's fantastic

42

00:02:08,570 --> 00:02:06,420

you don't like it he makes him sound

43

00:02:10,669 --> 00:02:08,580

like he's more with it than he is but

44

00:02:13,070 --> 00:02:10,679

yeah he's funny

45

00:02:15,650 --> 00:02:13,080

well uh f

46

00:02:17,270 --> 00:02:15,660

for the prep list is for fire

47

00:02:19,729 --> 00:02:17,280

extinguisher

48

00:02:23,030 --> 00:02:19,739

and then you have G is for generator I

49

00:02:25,010 --> 00:02:23,040

have both those H is for hazardous

50

00:02:26,510 --> 00:02:25,020

material kit

51
00:02:27,470 --> 00:02:26,520
okay

52
00:02:29,270 --> 00:02:27,480
um

53
00:02:30,890 --> 00:02:29,280
in the event of a chemical spill or

54
00:02:32,690 --> 00:02:30,900
other hazardous materials it's important

55
00:02:34,369 --> 00:02:32,700
to have hazardous material kit on hand

56
00:02:36,290 --> 00:02:34,379
this should include protective gears

57
00:02:38,330 --> 00:02:36,300
such as gloves and respirators as well

58
00:02:40,550 --> 00:02:38,340
as supplies for cleaning up and

59
00:02:42,350 --> 00:02:40,560
neutralizing Hazards are they talking

60
00:02:44,630 --> 00:02:42,360
about like you knocking over like an old

61
00:02:46,610 --> 00:02:44,640
car battery or like there's a massive

62
00:02:48,589 --> 00:02:46,620
chemical spill at that factory at the

63
00:02:50,509 --> 00:02:48,599

edge of town that comes rolling into in

64

00:02:52,009 --> 00:02:50,519

you know down the street yeah they're

65

00:02:54,170 --> 00:02:52,019

not very specific here much like the

66

00:02:56,869 --> 00:02:54,180

blind sear because the goggles do

67

00:02:58,850 --> 00:02:56,879

nothing yeah maybe I mean I can just put

68

00:03:01,490 --> 00:02:58,860

on anything I guess yeah sweet potatoes

69

00:03:04,970 --> 00:03:01,500

and collard greens and a big salad and

70

00:03:07,790 --> 00:03:04,980

corn on the cob and deviled eggs and

71

00:03:09,410 --> 00:03:07,800

green beans and chicken fried steaks

72

00:03:12,110 --> 00:03:09,420

don't know how a big sound's gonna help

73

00:03:14,050 --> 00:03:12,120

me fight a chlorine spill but I'll try

74

00:03:17,630 --> 00:03:14,060

hey why not

75

00:03:20,990 --> 00:03:17,640

I don't have a suit I do have collard

76
00:03:23,630 --> 00:03:21,000
greens and deviled eggs and chicken

77
00:03:26,149 --> 00:03:23,640
fried steak I'll take the chicken fried

78
00:03:28,190 --> 00:03:26,159
steak to the chlorine spill

79
00:03:29,990 --> 00:03:28,200
maybe I can resuscitate people with the

80
00:03:32,030 --> 00:03:30,000
big lone man at the edge of the pool

81
00:03:34,490 --> 00:03:32,040
just throwing what looks like chicken

82
00:03:36,170 --> 00:03:34,500
fried steak into it he's shoving big

83
00:03:37,729 --> 00:03:36,180
salads into people's mouths trying to

84
00:03:39,470 --> 00:03:37,739
resuscitate them

85
00:03:41,449 --> 00:03:39,480
that's not how you do it

86
00:03:46,570 --> 00:03:41,459
but he's trying

87
00:03:51,050 --> 00:03:48,610
wrong

88
00:03:56,089 --> 00:03:51,060

number I

89

00:03:57,949 --> 00:03:56,099

you're gonna want that you gotta you

90

00:04:01,030 --> 00:03:57,959

want to file your claims right away when

91

00:04:03,890 --> 00:04:01,040

it when like a nuclear bomb goes off

92

00:04:05,869 --> 00:04:03,900

so as Joe just said if there's something

93

00:04:07,789 --> 00:04:05,879

like a solar storm or whatever that's

94

00:04:08,809 --> 00:04:07,799

that level what the [h__h] good is it

95

00:04:10,729 --> 00:04:08,819

going to do for you to have your like

96

00:04:12,710 --> 00:04:10,739

insurance forms I'm calling my insurance

97

00:04:14,690 --> 00:04:12,720

guy every day I'm driving to his house

98

00:04:16,250 --> 00:04:14,700

in the Armageddon he's like I better be

99

00:04:17,930 --> 00:04:16,260

covered [h__h] that's where the

100

00:04:19,849 --> 00:04:17,940

guy in the road was going he and his kid

101
00:04:22,180 --> 00:04:19,859
were going to the insurance office yes

102
00:04:27,370 --> 00:04:22,190
they had some questions about his claim

103
00:04:34,610 --> 00:04:31,129
sign your policy on page three sub

104
00:04:37,310 --> 00:04:34,620
paragraph B box C uh what do I put here

105
00:04:39,710 --> 00:04:37,320
one or two

106
00:04:41,510 --> 00:04:39,720
you get all of your emergency pliers

107
00:04:43,670 --> 00:04:41,520
together because you have to go to the

108
00:04:45,050 --> 00:04:43,680
search adjuster in person so you gotta

109
00:04:47,450 --> 00:04:45,060
you gotta go there

110
00:04:51,530 --> 00:04:47,460
to follow your proper paperwork

111
00:04:52,790 --> 00:04:51,540
uh but uh number J is a jacket you need

112
00:04:55,370 --> 00:04:52,800
it you're going to want a jacket people

113
00:04:57,650 --> 00:04:55,380

You're Gonna Want a jacket uh K is for

114

00:05:00,530 --> 00:04:57,660

knife which is always good to have

115

00:05:03,050 --> 00:05:00,540

uh L uh light source yeah I definitely

116

00:05:05,270 --> 00:05:03,060

want a light source M is for medical

117

00:05:06,350 --> 00:05:05,280

supplies absolutely need a basic first

118

00:05:11,210 --> 00:05:06,360

aid kit

119

00:05:12,950 --> 00:05:11,220

uh in is for non-perishable foods which

120

00:05:15,070 --> 00:05:12,960

we should all have and there's plenty of

121

00:05:17,270 --> 00:05:15,080

like sweet potatoes

122

00:05:20,689 --> 00:05:17,280

that's the perishable you don't need

123

00:05:22,249 --> 00:05:20,699

that but cigarettes and lottery tickets

124

00:05:24,230 --> 00:05:22,259

that's not perishable and chewing

125

00:05:28,490 --> 00:05:24,240

tobacco non-perishable and Hot Pockets

126
00:05:32,210 --> 00:05:28,500
and honey buns and coffee and Gatorade

127
00:05:35,990 --> 00:05:32,220
and Coca-Cola and aspirin and lighters

128
00:05:40,310 --> 00:05:36,000
yep and ice cream yeah no no potato

129
00:05:42,770 --> 00:05:40,320
chips yeah and magazines yeah okay well

130
00:05:44,050 --> 00:05:42,780
is is a Hot Pocket non-perishable it's

131
00:05:46,610 --> 00:05:44,060
frozen

132
00:05:47,870 --> 00:05:46,620
I'd worry about Hot Pockets and ice

133
00:05:49,129 --> 00:05:47,880
cream I think everything else on that

134
00:05:50,570 --> 00:05:49,139
list you're probably good because that's

135
00:05:53,090 --> 00:05:50,580
what you get your you have your

136
00:05:55,909 --> 00:05:53,100
generator to keep posting

137
00:05:58,310 --> 00:05:55,919
generator keep your hot pot can't let

138
00:06:00,950 --> 00:05:58,320

these babies get warm yeah you got a

139

00:06:03,110 --> 00:06:00,960

generator plugged into a freezer and a

140

00:06:04,730 --> 00:06:03,120

microwave

141

00:06:06,890 --> 00:06:04,740

you're ready

142

00:06:08,990 --> 00:06:06,900

sir it looks like your emergency kit is

143

00:06:10,430 --> 00:06:09,000

just a generator and a microwave yeah

144

00:06:13,850 --> 00:06:10,440

hey man

145

00:06:16,370 --> 00:06:13,860

uh O is for oxygen tanks if your family

146

00:06:18,050 --> 00:06:16,380

if if you or your family member relies

147

00:06:19,670 --> 00:06:18,060

on oxygen tanks for medical purposes

148

00:06:22,129 --> 00:06:19,680

it's important to have a supply of tanks

149

00:06:23,930 --> 00:06:22,139

on hand in cases of emergency that's

150

00:06:25,490 --> 00:06:23,940

oddly specific couldn't you say o is

151

00:06:27,469 --> 00:06:25,500

also oxygen tanks if you need to throw

152

00:06:32,210 --> 00:06:27,479

them at people coming towards your house

153

00:06:36,830 --> 00:06:35,150

uh PE is for pet supplies if you have

154

00:06:39,050 --> 00:06:36,840

pets it's important to include them in

155

00:06:41,330 --> 00:06:39,060

your emergency plans yeah I totally

156

00:06:43,850 --> 00:06:41,340

agree I have I have stuff stored for my

157

00:06:46,189 --> 00:06:43,860

doggies and cats just in case they're

158

00:06:50,029 --> 00:06:46,199

probably good for about a month or two

159

00:06:52,309 --> 00:06:50,039

same actually I have a backup bag I

160

00:06:54,710 --> 00:06:52,319

always try to have a backup bag of the I

161

00:06:56,809 --> 00:06:54,720

get a big ass bag and it would probably

162

00:06:58,370 --> 00:06:56,819

last a while it may be close to

163

00:06:59,510 --> 00:06:58,380

non-perishable because the dogs don't

164

00:07:01,730 --> 00:06:59,520

give a [h__\h]

165

00:07:05,090 --> 00:07:01,740

uh number Q is an interesting quick

166

00:07:07,969 --> 00:07:05,100

clotting products uh so a quick clotting

167

00:07:11,270 --> 00:07:07,979

powder is a highly effective uh thing

168

00:07:12,890 --> 00:07:11,280

for controlling bleeding

169

00:07:15,050 --> 00:07:12,900

um help stop bleeding within minutes of

170

00:07:16,490 --> 00:07:15,060

application is made from clay-like

171

00:07:17,570 --> 00:07:16,500

substance that is applied directly to

172

00:07:19,969 --> 00:07:17,580

the wound

173

00:07:21,710 --> 00:07:19,979

uh where it absorbs uh excessive blood

174

00:07:25,430 --> 00:07:21,720

do you have any of that Joe do you have

175

00:07:27,650 --> 00:07:25,440

Claudia like clotting agents

176

00:07:29,570 --> 00:07:27,660

I do not have clotting agents but I do

177

00:07:31,850 --> 00:07:29,580

have the self-adhesive bandage I don't

178

00:07:33,230 --> 00:07:31,860

know if that counts get some Israeli

179

00:07:35,270 --> 00:07:33,240

bandages some quick clot and some

180

00:07:38,170 --> 00:07:35,280

tourniquets they're I think there are

181

00:07:41,510 --> 00:07:38,180

other so they recommend here quick clot

182

00:07:43,249 --> 00:07:41,520

gauze and cleox powder I'm gonna get

183

00:07:45,469 --> 00:07:43,259

both those although there are some other

184

00:07:48,830 --> 00:07:45,479

things you can use in place of these

185

00:07:52,809 --> 00:07:48,840

clotting agents yeah cigarettes lottery

186

00:07:55,730 --> 00:07:52,819

tickets and chewing tobacco yes

187

00:07:57,770 --> 00:07:55,740

maybe hold still I gotta shove chewing

188

00:08:00,409 --> 00:07:57,780

tobacco into your Gun Room sorry sir oh

189

00:08:02,770 --> 00:08:00,419

that's a Hot Pocket hold still the hot

190

00:08:06,230 --> 00:08:02,780

pocket if I mash it into your your

191

00:08:07,670 --> 00:08:06,240

shotgun wound it will clot up and this

192

00:08:09,110 --> 00:08:07,680

is this is frozen because of my

193

00:08:10,969 --> 00:08:09,120

generator powered freezer I have to

194

00:08:13,129 --> 00:08:10,979

microwave it real quick but

195

00:08:17,749 --> 00:08:13,139

yeah hold on let me microwave the

196

00:08:20,809 --> 00:08:19,129

now the outside's still going to be

197

00:08:22,610 --> 00:08:20,819

frozen but the or the outside's going to

198

00:08:26,510 --> 00:08:22,620

be uh hot the inside's still going to be

199

00:08:29,510 --> 00:08:26,520

frozen so just be careful hold on

200

00:08:32,930 --> 00:08:29,520

don't die for the next 30 seconds while

201
00:08:35,930 --> 00:08:32,940
I eat up this hot pocket I'm gonna shove

202
00:08:38,149 --> 00:08:35,940
it into your bleeding wound

203
00:08:41,089 --> 00:08:38,159
obviously you're shot by somebody we

204
00:08:43,430 --> 00:08:41,099
wanted your oxygen cloth but okay

205
00:08:44,840 --> 00:08:43,440
uh look at your pet emergency kit maybe

206
00:08:47,630 --> 00:08:44,850
I'm gonna stealing my dog

207
00:08:51,110 --> 00:08:47,640
[Music]

208
00:08:54,050 --> 00:08:51,120
uh R is for respirator

209
00:08:56,030 --> 00:08:54,060
uh s is for smoke detector

210
00:08:58,610 --> 00:08:56,040
wait wait wait wait wait wait so

211
00:09:03,710 --> 00:08:58,620
respirator mask they talk about the

212
00:09:08,090 --> 00:09:05,210
whatever you don't shove in your wound

213
00:09:11,210 --> 00:09:08,100

we'll eat yeah I made two so we could

214

00:09:14,269 --> 00:09:11,220

have one as a snack I get hungry

215

00:09:15,590 --> 00:09:14,279

given medical attention all this all

216

00:09:16,910 --> 00:09:15,600

this emergency medicine is making me

217

00:09:19,009 --> 00:09:16,920

hungry

218

00:09:20,389 --> 00:09:19,019

um so they talked about respirators here

219

00:09:22,430 --> 00:09:20,399

but we over the past three years we've

220

00:09:24,350 --> 00:09:22,440

been told that a shitty piece of cloth

221

00:09:26,030 --> 00:09:24,360

over your mouth is just as good as any

222

00:09:27,550 --> 00:09:26,040

respirators exactly so you can cross

223

00:09:30,829 --> 00:09:27,560

this one off the list

224

00:09:33,230 --> 00:09:30,839

uh s smoke detectors

225

00:09:36,170 --> 00:09:33,240

um what what smoke detectors is a vital

226

00:09:38,750 --> 00:09:36,180

component of any emergency I think those

227

00:09:40,970 --> 00:09:38,760

are called noses yeah

228

00:09:42,949 --> 00:09:40,980

like I'm not going to be worried about

229

00:09:45,949 --> 00:09:42,959

if my smoke detector works if the [h__h]

230

00:09:47,810 --> 00:09:45,959

goes down you know like a comet comes

231

00:09:49,670 --> 00:09:47,820

too close asteroid impact I'm not going

232

00:09:52,370 --> 00:09:49,680

to be running around asking my wife for

233

00:09:54,650 --> 00:09:52,380

to make sure the smoke detector is worse

234

00:09:57,410 --> 00:09:54,660

because if we're talking about Gathering

235

00:09:59,690 --> 00:09:57,420

up uh respirators and quick clotting

236

00:10:02,509 --> 00:09:59,700

agents I don't think smoke detectors is

237

00:10:05,750 --> 00:10:02,519

high on the list I I would say not I

238

00:10:07,990 --> 00:10:05,760

would say it's pretty far down the list

239

00:10:10,730 --> 00:10:08,000

just launched missiles honey

240

00:10:12,190 --> 00:10:10,740

there's batteries check the batteries I

241

00:10:16,490 --> 00:10:12,200

think they're blinking

242

00:10:20,329 --> 00:10:18,829

uh T is for ten a tent is an important

243

00:10:21,949 --> 00:10:20,339

item to have in an emergency because it

244

00:10:25,070 --> 00:10:21,959

can provide shelter yeah absolutely we

245

00:10:27,410 --> 00:10:25,080

got ours up in the backyard right now

246

00:10:30,350 --> 00:10:27,420

it's up there all the time yep I'm going

247

00:10:32,990 --> 00:10:30,360

[h__h] goes down going to the tent

248

00:10:36,530 --> 00:10:33,000

it's gonna ride it out back there

249

00:10:39,110 --> 00:10:36,540

uh U is for USB charger absolutely gotta

250

00:10:42,050 --> 00:10:39,120

have that V is for Vaseline

251
00:10:43,300 --> 00:10:42,060
uh you know hey never know uh you might

252
00:10:44,930 --> 00:10:43,310
be bored so okay

253
00:10:47,930 --> 00:10:44,940
[Music]

254
00:10:50,569 --> 00:10:47,940
what else can I fit in here uh

255
00:10:52,250 --> 00:10:50,579
Vaseline is a versatile product that can

256
00:10:53,990 --> 00:10:52,260
be used for a variety of emergency

257
00:10:56,210 --> 00:10:54,000
situations

258
00:10:59,329 --> 00:10:56,220
it can be used to protect and moisturize

259
00:11:01,069 --> 00:10:59,339
the skin as well as to seal small cuts

260
00:11:03,590 --> 00:11:01,079
and scratches in survival situations

261
00:11:07,430 --> 00:11:03,600
Vaseline can be used as a fire starter

262
00:11:10,150 --> 00:11:07,440
or to lubricate gear

263
00:11:11,410 --> 00:11:10,160

that doesn't hear it does

264

00:11:14,449 --> 00:11:11,420

[Music]

265

00:11:17,210 --> 00:11:14,459

uh W's for water filter gotta have that

266

00:11:19,069 --> 00:11:17,220

X is for exacto knife I mean I gotta

267

00:11:21,050 --> 00:11:19,079

agree with this people don't talk about

268

00:11:23,509 --> 00:11:21,060

this very often but exacto knife or

269

00:11:25,069 --> 00:11:23,519

blade is a precise cutting tool that can

270

00:11:26,990 --> 00:11:25,079

be used to cut through a variety of

271

00:11:28,550 --> 00:11:27,000

material including paper Fabric and

272

00:11:29,990 --> 00:11:28,560

plastic is especially useful in

273

00:11:32,329 --> 00:11:30,000

emergency situations to cut through

274

00:11:34,130 --> 00:11:32,339

small items or make precise Cuts it's

275

00:11:36,410 --> 00:11:34,140

basically like a scalpel Joe and I yeah

276

00:11:38,810 --> 00:11:36,420

got proficient at using these things but

277

00:11:40,970 --> 00:11:38,820

but K was for knife and X is for why do

278

00:11:42,650 --> 00:11:40,980

you have two knives I I guess so you

279

00:11:45,410 --> 00:11:42,660

could really kill two birds one stone

280

00:11:47,810 --> 00:11:45,420

here but it is this is I would think X

281

00:11:51,290 --> 00:11:47,820

would be better sir by xylophone Maybe

282

00:11:54,910 --> 00:11:51,300

music uh I guess to pass the time or to

283

00:11:57,650 --> 00:11:54,920

charm people as they come over foreign

284

00:11:59,930 --> 00:11:57,660

to draw people closer towards the Kill

285

00:12:03,889 --> 00:11:59,940

Zone yes like what is that music y'all

286

00:12:05,329 --> 00:12:03,899

hear that music oh here's xylophones

287

00:12:08,269 --> 00:12:05,339

I think they have their insurance

288

00:12:10,069 --> 00:12:08,279

documents I think I hear a steel drum

289

00:12:12,889 --> 00:12:10,079

ain't steel drum it's a xylophone

290

00:12:14,150 --> 00:12:12,899

[h__\h]

291

00:12:16,130 --> 00:12:14,160

you're out of the you're out of the

292

00:12:18,470 --> 00:12:16,140

post-apocalyptic gang because you can't

293

00:12:20,710 --> 00:12:18,480

identify anything the instruments

294

00:12:25,370 --> 00:12:20,720

correctly

295

00:12:26,449 --> 00:12:25,380

and uh Y is for yellow rubber cleaning

296

00:12:29,389 --> 00:12:26,459

gloves

297

00:12:33,290 --> 00:12:29,399

what that's a stretch that's what

298

00:12:34,670 --> 00:12:33,300

they're doing here and Z is for zip top

299

00:12:36,050 --> 00:12:34,680

bags

300

00:12:38,750 --> 00:12:36,060

they call a friend that interesting that

301

00:12:40,790 --> 00:12:38,760

he uses zip top as a generic term but

302

00:12:43,490 --> 00:12:40,800

clearly called out exacto by brand name

303

00:12:44,990 --> 00:12:43,500

yes there's no team next to it exactly

304

00:12:47,810 --> 00:12:45,000

they couldn't use zip lock because of

305

00:12:49,910 --> 00:12:47,820

the trademark it's they don't want to be

306

00:12:52,550 --> 00:12:49,920

associated with prepper lists

307

00:12:55,129 --> 00:12:52,560

okay

308

00:12:56,569 --> 00:12:55,139

I agree I got most of these things you

309

00:13:00,410 --> 00:12:56,579

know the only thing I'm running low on

310

00:13:03,110 --> 00:13:00,420

is Vaseline and I'm low on it Vaseline

311

00:13:05,690 --> 00:13:03,120

and exacto knives

312

00:13:07,310 --> 00:13:05,700

and insurance documents insurance I mean

313

00:13:09,530 --> 00:13:07,320

yeah having that guy in my contact

314

00:13:11,210 --> 00:13:09,540

emergency contact list

315

00:13:12,290 --> 00:13:11,220

but looking back over this I find it

316

00:13:16,009 --> 00:13:12,300

interesting that F is for fire

317

00:13:17,870 --> 00:13:16,019

extinguisher not fire starter yeah

318

00:13:19,670 --> 00:13:17,880

like there's nothing you need a tent but

319

00:13:22,970 --> 00:13:19,680

a way to put out a fire not start one

320

00:13:24,530 --> 00:13:22,980

yeah I there's no kind of Fire Starting

321

00:13:26,449 --> 00:13:24,540

instrument here

322

00:13:28,069 --> 00:13:26,459

dude there's there's one I can't

323

00:13:29,930 --> 00:13:28,079

remember the brand but there was one

324

00:13:32,750 --> 00:13:29,940

that I watched that's like you could

325

00:13:35,389 --> 00:13:32,760

just it it lights in the rain

326

00:13:36,769 --> 00:13:35,399

it's some like prepper [h__h] because I

327

00:13:38,629 --> 00:13:36,779

was getting a lot of prep RADS on

328

00:13:40,430 --> 00:13:38,639

Instagram a while ago but it was it was

329

00:13:44,150 --> 00:13:40,440

incredible I gotta find it I was gonna

330

00:13:46,430 --> 00:13:44,160

buy it hmm if you see it again I'd like

331

00:13:48,710 --> 00:13:46,440

to be a part of that I'd like to put my

332

00:13:51,889 --> 00:13:48,720

[h__h] yeah

333

00:13:56,530 --> 00:13:51,899

oh this is a damn fine list got us one

334

00:13:58,790 --> 00:13:56,540

step closer to the uh the New Kingdom

335

00:14:02,509 --> 00:13:58,800

in the New Kingdom you'll have all these

336

00:14:04,610 --> 00:14:02,519

all this [h__h] it comes by default

337

00:14:06,410 --> 00:14:04,620

that's fantastic uh I don't know if we

338

00:14:07,490 --> 00:14:06,420

have time for another story but we can

339

00:14:08,810 --> 00:14:07,500

try

340

00:14:13,420 --> 00:14:08,820

let's see if I can find a short one

341

00:14:18,899 --> 00:14:18,889

[Music]

342

00:14:22,190 --> 00:14:20,990

oh [h__h] all right I'll rattle off a

343

00:14:22,850 --> 00:14:22,200

couple headlines

344

00:14:25,490 --> 00:14:22,860

um

345

00:14:28,069 --> 00:14:25,500

so after uh they don't mention by name

346

00:14:28,970 --> 00:14:28,079

but after Epstein died now uh Biden's

347

00:14:31,550 --> 00:14:28,980

gonna

348

00:14:33,290 --> 00:14:31,560

um sign a bill that forces all security

349

00:14:37,610 --> 00:14:33,300

cameras in the bureau prisons to work

350

00:14:39,290 --> 00:14:37,620

all the time oh well he's dead so uh you

351
00:14:40,490 --> 00:14:39,300
know in general you always have to be

352
00:14:42,829 --> 00:14:40,500
careful

353
00:14:45,650 --> 00:14:42,839
or do yep

354
00:14:48,889 --> 00:14:45,660
um I do have the one that exists only as

355
00:14:51,769 --> 00:14:48,899
an uh a story for you to play Drops

356
00:14:52,850 --> 00:14:51,779
about fishing well we'll save that one

357
00:14:53,870 --> 00:14:52,860
for Saturday because I know where you're

358
00:14:55,910 --> 00:14:53,880
okay

359
00:14:58,730 --> 00:14:55,920
uh we have a California teen who made up

360
00:15:01,310 --> 00:14:58,740
fake parking tickets to collect payments

361
00:15:03,110 --> 00:15:01,320
pretty ingenious uh we have Atlantic

362
00:15:04,430 --> 00:15:03,120
City New Jersey uh they don't fix a

363
00:15:06,769 --> 00:15:04,440

giant pothole so people went out and put

364

00:15:08,290 --> 00:15:06,779

a Christmas tree in it kind of like what

365

00:15:11,210 --> 00:15:08,300

Rod Stewart did

366

00:15:13,370 --> 00:15:11,220

maybe it was Rod Stewart Maybe

367

00:15:16,850 --> 00:15:13,380

uh South Korea Has Lifted its ban on

368

00:15:19,730 --> 00:15:16,860

imported sex dolls Oh about time

369

00:15:21,350 --> 00:15:19,740

uh Arizona man uh tries to bring a woman

370

00:15:22,790 --> 00:15:21,360

Back to Life by stabbing her in the

371

00:15:25,129 --> 00:15:22,800

heart does that work

372

00:15:27,230 --> 00:15:25,139

no it did not work let's read that one

373

00:15:29,750 --> 00:15:27,240

real quick okay

374

00:15:33,710 --> 00:15:32,210

and into carrot shop there you go uh

375

00:15:36,370 --> 00:15:33,720

this is from uh your neck of the woods

376

00:15:40,250 --> 00:15:36,380

in uh or your old yeah

377

00:15:43,490 --> 00:15:40,260

so I thought of Phoenix here Mesa

378

00:15:45,410 --> 00:15:43,500

all right yeah Arizona man

379

00:15:48,230 --> 00:15:45,420

tries to bring women Back to Life by

380

00:15:50,389 --> 00:15:48,240

stabbing her in the heart police say man

381

00:15:52,269 --> 00:15:50,399

I got mixed emotions about this one yeah

382

00:15:55,430 --> 00:15:52,279

wouldn't it be something if it worked

383

00:15:58,250 --> 00:15:55,440

holy crap this [h__h] works

384

00:16:00,889 --> 00:15:58,260

write that down uh in Mesa Arizona

385

00:16:02,810 --> 00:16:00,899

Arizona man is accused of performing a

386

00:16:05,210 --> 00:16:02,820

ritual to bring a dead woman Back to

387

00:16:07,970 --> 00:16:05,220

Life by stabbing her in the heart and

388

00:16:10,310 --> 00:16:07,980

then not telling police about it uh

389

00:16:12,710 --> 00:16:10,320

after about the body for days Authority

390

00:16:14,210 --> 00:16:12,720

says okay what he's probably waiting for

391

00:16:15,910 --> 00:16:14,220

the ritual to work it takes a while to

392

00:16:20,389 --> 00:16:15,920

warm that stuff up

393

00:16:23,210 --> 00:16:20,399

uh Joe uh Steven Stefan Joseph Anderson

394

00:16:24,650 --> 00:16:23,220

34 of meso was arrested Wednesday and

395

00:16:26,810 --> 00:16:24,660

charged with one felony count of

396

00:16:30,230 --> 00:16:26,820

disorderly conduct one felony count of

397

00:16:34,009 --> 00:16:30,240

Mutilation of a body in a misdemeanor

398

00:16:36,590 --> 00:16:34,019

count of failure to report a death

399

00:16:40,610 --> 00:16:36,600

um Anderson also faces a recommended

400

00:16:43,850 --> 00:16:40,620

charge of being prohibited uh being

401
00:16:46,870 --> 00:16:43,860
a prohibited professor of weapons

402
00:16:50,329 --> 00:16:46,880
prohibited oh possessor of weapons

403
00:16:51,889 --> 00:16:50,339
professor professor of what I said wrong

404
00:16:53,509 --> 00:16:51,899
that's a quiet time it's like a d d

405
00:16:56,090 --> 00:16:53,519
title yeah put that on your business

406
00:16:57,290 --> 00:16:56,100
card like my class in d d is a professor

407
00:17:01,850 --> 00:16:57,300
of weapons

408
00:17:03,889 --> 00:17:01,860
convicted felon and is not allowed to

409
00:17:05,270 --> 00:17:03,899
have a knife according to the island

410
00:17:07,490 --> 00:17:05,280
you're not if you're a felon you can't

411
00:17:09,490 --> 00:17:07,500
even have a knife but there was two on

412
00:17:12,350 --> 00:17:09,500
that list you have two kinds of knives

413
00:17:15,169 --> 00:17:12,360

exacto blade and the regular kind

414

00:17:17,990 --> 00:17:15,179

uh court records show uh Anderson met

415

00:17:19,970 --> 00:17:18,000

the woman Rebecca Lynn Lambert 33 at a

416

00:17:21,650 --> 00:17:19,980

park near his house the couple went to

417

00:17:24,530 --> 00:17:21,660

Anderson's bedroom and allegedly took

418

00:17:26,929 --> 00:17:24,540

methamphetamines allegedly

419

00:17:28,549 --> 00:17:26,939

Anderson allegedly told investigators

420

00:17:31,669 --> 00:17:28,559

that he took a shower when he returned

421

00:17:33,409 --> 00:17:31,679

to the bedroom Lambert was dead

422

00:17:34,970 --> 00:17:33,419

okay court documents stated that

423

00:17:36,529 --> 00:17:34,980

Anderson tried to revive Lambert by

424

00:17:38,810 --> 00:17:36,539

performing a ritual that included

425

00:17:41,150 --> 00:17:38,820

stabbing the woman in the heart with a

426

00:17:44,270 --> 00:17:41,160

five-inch knife

427

00:17:45,830 --> 00:17:44,280

uh Anderson was observed in the middle

428

00:17:49,789 --> 00:17:45,840

of the street holding a knife and a

429

00:17:52,430 --> 00:17:49,799

hammer uh oh uh officers arrived to the

430

00:17:54,049 --> 00:17:52,440

scene moments later I told him to drop

431

00:17:55,669 --> 00:17:54,059

the knife which he did Anderson was

432

00:17:57,289 --> 00:17:55,679

taken into custody according to the

433

00:17:59,510 --> 00:17:57,299

television station reporting on this

434

00:18:01,549 --> 00:17:59,520

according to police Anderson was taken

435

00:18:02,870 --> 00:18:01,559

to a mental health facility and a

436

00:18:04,970 --> 00:18:02,880

telephone call to his mother Anderson

437

00:18:07,850 --> 00:18:04,980

allegedly told her to keep his children

438

00:18:10,549 --> 00:18:07,860

out of his bedroom don't go in there

439

00:18:12,529 --> 00:18:10,559

whatever you do do not go in there uh

440

00:18:15,950 --> 00:18:12,539

Curious the women went to the residence

441

00:18:18,289 --> 00:18:15,960

and found Lambert's body oh boy so he

442

00:18:20,390 --> 00:18:18,299

was the cops showed up they're unrelated

443

00:18:21,590 --> 00:18:20,400

to the dead body well they arrested him

444

00:18:22,909 --> 00:18:21,600

because he was out in the street with a

445

00:18:24,890 --> 00:18:22,919

knife and a hammer apparently looking

446

00:18:26,990 --> 00:18:24,900

for Paul Pelosi or something it's a bad

447

00:18:28,970 --> 00:18:27,000

look it's tough it's tough tough to

448

00:18:30,830 --> 00:18:28,980

justify that went to the cops

449

00:18:33,049 --> 00:18:30,840

and then he tells his mom hey I'm in

450

00:18:34,310 --> 00:18:33,059

jail but whatever you don't go in the

451
00:18:36,529 --> 00:18:34,320
bedroom

452
00:18:38,750 --> 00:18:36,539
she's like okay and she immediately goes

453
00:18:41,210 --> 00:18:38,760
in the bedroom and that's just a corpse

454
00:18:42,710 --> 00:18:41,220
on the ground you say Sir why do you

455
00:18:44,630 --> 00:18:42,720
have a knife and Hammer in the streets

456
00:18:46,549 --> 00:18:44,640
I'm going to Chuck E cheese this is what

457
00:18:49,970 --> 00:18:46,559
you take there I'm bringing my own

458
00:18:52,730 --> 00:18:49,980
utensils Friday night Fight Night Fights

459
00:18:56,210 --> 00:18:52,740
fight night at Chuck E cheese tonight

460
00:18:59,750 --> 00:18:56,220
uh 50 off second pizza

461
00:19:01,490 --> 00:18:59,760
yep um I never heard of the the that

462
00:19:04,310 --> 00:19:01,500
knife ritual stabbing someone in the

463
00:19:05,390 --> 00:19:04,320

heart with a knife would work I'm just

464

00:19:07,190 --> 00:19:05,400

wondering if this guy got confused

465

00:19:09,110 --> 00:19:07,200

because he watched Pulp Fiction and they

466

00:19:11,690 --> 00:19:09,120

they jammed that like adrenaline needle

467

00:19:13,010 --> 00:19:11,700

in someone's heart and they that shocks

468

00:19:15,230 --> 00:19:13,020

him back to life with that adrenaline

469

00:19:17,510 --> 00:19:15,240

shot like if you saw that movie but just

470

00:19:19,190 --> 00:19:17,520

misremembered it in place of the

471

00:19:21,650 --> 00:19:19,200

adrenaline needle

472

00:19:23,210 --> 00:19:21,660

he used a knife expecting the same

473

00:19:24,710 --> 00:19:23,220

results here's the other question was

474

00:19:26,990 --> 00:19:24,720

she actually dead or just passed out

475

00:19:29,090 --> 00:19:27,000

yeah and he killed her that's the thing

476

00:19:31,310 --> 00:19:29,100

like how do you

477

00:19:35,029 --> 00:19:31,320

again maybe the corners can identify

478

00:19:36,950 --> 00:19:35,039

like cause of death but I don't know

479

00:19:40,669 --> 00:19:36,960

maybe he covered up his own crime by

480

00:19:41,870 --> 00:19:40,679

stabbing her and giving her drugs

481

00:19:43,850 --> 00:19:41,880

well let's see this took place in

482

00:19:44,930 --> 00:19:43,860

November and there's no follow-up on it

483

00:19:48,660 --> 00:19:44,940

so

484

00:19:50,830 --> 00:19:48,670

you might be out by now yeah probably

485

00:19:53,330 --> 00:19:50,840

[Music]

486

00:19:54,110 --> 00:19:53,340

served his time yeah served your time

487

00:19:56,029 --> 00:19:54,120

yeah

488

00:19:58,630 --> 00:19:56,039

don't stab any more people you promise

489

00:20:02,990 --> 00:19:58,640

okay good enough for me
