ZOMBOID

1
00:00:03,249 --> 00:00:01,030
[Applause]

2
00:00:04,930 --> 00:00:03,259
thank you

3
00:00:08,810 --> 00:00:04,940
oh

4
00:00:10,850 --> 00:00:08,820
my God it's black

5
00:00:12,770 --> 00:00:10,860
these are my dirty socks to bandage my

6
00:00:14,670 --> 00:00:12,780
hand

7
00:00:16,630 --> 00:00:14,680
oh [h__h]

8
00:00:20,810 --> 00:00:16,640
[Applause]

9
00:00:23,929 --> 00:00:20,820
holy [h__h] I'm gonna I'm at the uh

10
00:00:26,810 --> 00:00:23,939
I'm in a trailer park too

11
00:00:29,029 --> 00:00:26,820
hey do you remember Fort Jones I I yeah

12
00:00:30,349 --> 00:00:29,039
I do vaguely remember Ford Jones that's

13
00:00:32,690 --> 00:00:30,359

that convenience store by the trailer

14

00:00:35,410 --> 00:00:32,700

park okay I might not be that far away

15

00:00:35,420 --> 00:00:41,209

yeah shit's cold

16

00:00:41,219 --> 00:00:45,350

grabbing one far

17

00:00:56,330 --> 00:00:48,889

I'm equipping my baseball bat right now

18

00:01:03,349 --> 00:00:58,910

hey Harrison coming up on you I see you

19

00:01:08,270 --> 00:01:06,170

I'm coming in from the north oh yeah

20

00:01:11,270 --> 00:01:08,280

yeah yeah cool awesome hey this this

21

00:01:14,510 --> 00:01:11,280

makes things a little easier for us

22

00:01:17,510 --> 00:01:14,520

I'm gonna check out this car real quick

23

00:01:24,910 --> 00:01:17,520

a hand torch these people are British

24

00:01:29,210 --> 00:01:26,350

[Music]

25

00:01:34,429 --> 00:01:29,220

this thing's

26
00:01:37,540 --> 00:01:36,890
there's like a wind vane uh thing on my

27
00:01:39,710 --> 00:01:37,550
character

28
00:01:42,289 --> 00:01:39,720
[Music]

29
00:01:46,550 --> 00:01:42,299
yeah I see you on outside I think

30
00:01:52,069 --> 00:01:49,850
there's a couple of them oh boy oh boy

31
00:02:00,310 --> 00:01:52,079
is that you yeah right around the

32
00:02:04,850 --> 00:02:02,929
stop on it

33
00:02:07,310 --> 00:02:04,860
I think there's another one around here

34
00:02:09,830 --> 00:02:07,320
infected blood

35
00:02:11,630 --> 00:02:09,840
your blood's infected no I expected

36
00:02:17,030 --> 00:02:11,640
Blood on the zombies there's another one

37
00:02:20,449 --> 00:02:19,190
we need some pawn shop jackets we need

38
00:02:21,949 --> 00:02:20,459

jackets

39

00:02:24,170 --> 00:02:21,959

oh [h__h]

40

00:02:34,970 --> 00:02:24,180

it's a zombie in the freaking storm room

41

00:02:34,980 --> 00:02:39,050

all right

42

00:02:45,470 --> 00:02:40,670

so we kind of need

43

00:02:49,670 --> 00:02:47,630

rip sheets yeah I'll just uh oh there

44

00:02:52,369 --> 00:02:49,680

was a flashlight in batteries in the

45

00:02:54,589 --> 00:02:52,379

proper convenience store I saw a crowbar

46

00:02:58,729 --> 00:02:54,599

what do I press for my uh inventory it

47

00:03:00,830 --> 00:02:58,739

got it disappeared I maybe

48

00:03:02,210 --> 00:03:00,840

oh there we go yeah I so I have a

49

00:03:04,250 --> 00:03:02,220

backpack I gotta transfer some stuff

50

00:03:07,009 --> 00:03:04,260

over there

51
00:03:09,050 --> 00:03:07,019
oh I said you were crying out lighter

52
00:03:10,729 --> 00:03:09,060
cigarettes

53
00:03:15,710 --> 00:03:10,739
this is a military recruiting office

54
00:03:15,720 --> 00:03:24,710
I'd grab the crowbar

55
00:03:28,850 --> 00:03:26,149
you know what's that wind vane must be

56
00:03:32,089 --> 00:03:28,860
nothing here outside

57
00:03:36,770 --> 00:03:32,099
yeah that wind vane it means battery

58
00:03:45,550 --> 00:03:39,350
zombie [h__\h] where

59
00:03:45,560 --> 00:03:49,250
there's a couple

60
00:03:49,260 --> 00:03:58,750
I had to back off

61
00:04:17,810 --> 00:04:03,050
this is tough tough sucker

62
00:04:24,469 --> 00:04:20,689
grab the screwdriver

63
00:04:27,350 --> 00:04:24,479

a lug wrench do we need a lug wrench I

64

00:04:29,090 --> 00:04:27,360

know I doubt it let's do card work

65

00:04:32,090 --> 00:04:29,100

yeah I guess you're right we're gonna

66

00:04:34,370 --> 00:04:32,100

try to steal cars not fix them right

67

00:04:35,930 --> 00:04:34,380

all the oh well it's burritos muffins oh

68

00:04:38,870 --> 00:04:35,940

it's the rotten these are all rotten

69

00:04:41,810 --> 00:04:38,880

this is all rotten [h__\h]

70

00:04:44,510 --> 00:04:41,820

margin that's good that's good stuff all

71

00:04:47,150 --> 00:04:44,520

right let's get this thing let's go I'm

72

00:04:48,830 --> 00:04:47,160

gonna change my bandage yeah

73

00:04:56,870 --> 00:04:48,840

door should be fine oh there's multiple

74

00:04:56,880 --> 00:05:05,469

oh

75

00:05:10,430 --> 00:05:07,610

all right let's go I think we gotta head

76

00:05:14,330 --> 00:05:11,689

let's do it

77

00:05:16,010 --> 00:05:14,340

try and find some jackets yeah I'm not

78

00:05:17,570 --> 00:05:16,020

sure where that would be unless we go to

79

00:05:20,210 --> 00:05:17,580

the laundromat they might have clothes

80

00:05:22,969 --> 00:05:21,770

they're all going towards the [h__h]

81

00:05:25,129 --> 00:05:22,979

car

82

00:05:29,749 --> 00:05:25,139

oh my God so we're basically salmon

83

00:05:33,490 --> 00:05:29,759

going Upstream it uh would appear so oh

84

00:05:37,070 --> 00:05:33,500

no down this way yeah

85

00:05:40,909 --> 00:05:37,080

oh no oh no

86

00:05:40,919 --> 00:05:44,350

um

87

00:05:51,590 --> 00:05:49,550

this is real this is bad Rick's you're

88

00:05:52,790 --> 00:05:51,600

blocking you're blocking I'm I'm going

89

00:06:00,830 --> 00:05:52,800

through it too

90

00:06:07,070 --> 00:06:03,529

okay okay okay

91

00:06:12,529 --> 00:06:07,080

these zombies are [h__h] fast dude

92

00:06:20,450 --> 00:06:16,730

there's a runner after you holy [h__h]

93

00:06:25,490 --> 00:06:23,029

a Ticky early fast zombie let's go south

94

00:06:26,990 --> 00:06:25,500

go south yep oh oh no maybe that's not a

95

00:06:29,029 --> 00:06:27,000

good idea but there's a zombie running

96

00:06:30,230 --> 00:06:29,039

after me

97

00:06:33,770 --> 00:06:30,240

I don't know

98

00:06:42,350 --> 00:06:37,010

he might be faster than me

99

00:06:47,990 --> 00:06:45,650

I'm I'm continuing to go south

100

00:06:49,189 --> 00:06:48,000

oh this is jogging zombies oh my God

101
00:06:52,010 --> 00:06:49,199
yeah yeah that's what I'm saying there's

102
00:06:54,469 --> 00:06:52,020
running zombies this is like Dawn of the

103
00:06:56,270 --> 00:06:54,479
Dead remake

104
00:06:58,490 --> 00:06:56,280
yeah I heard turkey

105
00:07:02,330 --> 00:06:58,500
yeah I I'm hearing

106
00:07:03,890 --> 00:07:02,340
Wildlife too climb the fence

107
00:07:06,469 --> 00:07:03,900
how'd you do that how'd you get up over

108
00:07:09,950 --> 00:07:06,479
there yeah

109
00:07:16,850 --> 00:07:12,050
let's let's take it easy around here not

110
00:07:24,010 --> 00:07:19,490
let's see if we can take this guy out

111
00:07:24,020 --> 00:07:38,830
oh my God

112
00:07:43,189 --> 00:07:41,809
she's got a sweater you might be able to

113
00:07:45,290 --> 00:07:43,199

wear that

114

00:07:52,969 --> 00:07:45,300

put a sweater on

115

00:07:52,979 --> 00:07:56,270

all right

116

00:08:00,409 --> 00:07:57,469

this is what this is what we're doing

117

00:08:01,730 --> 00:08:00,419

now oh we gotta get out of here Jeff we

118

00:08:04,430 --> 00:08:01,740

got a retreat

119

00:08:09,909 --> 00:08:04,440

not too many of them

120

00:08:17,809 --> 00:08:12,890

back over the fence back back the way we

121

00:08:17,819 --> 00:08:21,309

back over the fence

122

00:08:31,790 --> 00:08:23,930

all right we'll run this bench line down

123

00:08:39,230 --> 00:08:33,949

I'll be behind you yep

124

00:08:39,240 --> 00:08:43,010

cut over

125

00:08:43,020 --> 00:08:47,750

okay

126
00:08:47,760 --> 00:09:03,290
wow

127
00:09:08,030 --> 00:09:05,329
okay

128
00:09:09,290 --> 00:09:08,040
we gotta find a place I saw zombies over

129
00:09:12,530 --> 00:09:09,300
there dude

130
00:09:14,690 --> 00:09:12,540
yep get do not do not cross the fence

131
00:09:20,030 --> 00:09:14,700
you know there's like 20 of them okay

132
00:09:24,769 --> 00:09:22,009
we gotta find a place where it's it's

133
00:09:27,170 --> 00:09:24,779
relatively calm high exertion Jesus

134
00:09:29,630 --> 00:09:27,180
Christ okay we'll we'll chill out here

135
00:09:33,230 --> 00:09:29,640
just sit down for a second in the ground

136
00:09:33,240 --> 00:09:38,650
we gotta find a place yes

137
00:09:44,570 --> 00:09:41,150
we're going in there we're shutting the

138
00:09:44,580 --> 00:09:49,310

he open the window

139

00:09:53,269 --> 00:09:51,470

climb through

140

00:09:54,949 --> 00:09:53,279

oh my God

141

00:09:57,170 --> 00:09:54,959

closed window

142

00:09:58,590 --> 00:09:57,180

where's that where's that alarm

143

00:10:00,889 --> 00:09:58,600

you can't you can disarm it

144

00:10:03,530 --> 00:10:00,899

[Music]

145

00:10:05,269 --> 00:10:03,540

if we should leave

146

00:10:13,850 --> 00:10:05,279

you think we should get out of here oh

147

00:10:13,860 --> 00:10:17,329

maybe this car's got gas

148

00:10:17,339 --> 00:10:20,389

find out

149

00:10:26,750 --> 00:10:23,220

oh I'm gonna hop in there

150

00:10:30,050 --> 00:10:28,490

yeah I can't get in

151
00:10:32,030 --> 00:10:30,060

[Music]

152
00:10:34,730 --> 00:10:32,040

block

153
00:10:39,590 --> 00:10:34,740

son of a [h__h]

154
00:10:44,630 --> 00:10:39,600
okay that house distracted him oh my God

155
00:10:48,590 --> 00:10:46,910
oh my God this is some bad bad luck we

156
00:10:50,870 --> 00:10:48,600
got going on here

157
00:10:54,590 --> 00:10:50,880
so we should be coming up on if we cut

158
00:10:58,610 --> 00:10:54,600
to the West Northwest there should be a

159
00:11:02,630 --> 00:10:58,620
all right I see it oh my God oh God

160
00:11:07,670 --> 00:11:04,130
we might just have to find a house and

161
00:11:07,680 --> 00:11:12,710
now my guy's getting a little tired

162
00:11:22,310 --> 00:11:15,470
oh my God

163
00:11:25,970 --> 00:11:24,530

oh my guy's tired now

164

00:11:31,850 --> 00:11:25,980

my guy's tired

165

00:11:33,470 --> 00:11:31,860

he got me

166

00:11:35,240 --> 00:11:33,480

freaking got me

167

00:11:38,290 --> 00:11:35,250

run

168

00:11:42,910 --> 00:11:38,300

[Applause]

169

00:11:42,920 --> 00:11:47,449

I'll be back

170

00:11:50,329 --> 00:11:49,130

I can just throw Rick into the zombies

171

00:11:53,569 --> 00:11:50,339

we could try and spawn it in a different

172

00:11:55,250 --> 00:11:53,579

town uh we might have to try yeah I'm

173

00:11:58,610 --> 00:11:55,260

not sure what I can do out here uh yeah
