

# UFO of Vegas

1  
00:00:05,950 --> 00:00:01,030

[Applause]

2  
00:00:13,370 --> 00:00:09,589

that line here red and white lights in

3  
00:00:15,350 --> 00:00:13,380

the sky over Las Vegas Park UFO reports

4  
00:00:19,130 --> 00:00:15,360

I'll read this and then we'll go through

5  
00:00:22,910 --> 00:00:19,140

some video and then a possible

6  
00:00:25,310 --> 00:00:22,920

possible explanation but we'll we'll see

7  
00:00:27,290 --> 00:00:25,320

so dozens of witnesses took the social

8  
00:00:30,050 --> 00:00:27,300

media to post photographs and video

9  
00:00:32,569 --> 00:00:30,060

clips of the unusual aerial aerial

10  
00:00:34,729 --> 00:00:32,579

phenomenon while it is certainly not

11  
00:00:36,830 --> 00:00:34,739

unusual to see lights in the sky over

12  
00:00:39,229 --> 00:00:36,840

Las Vegas the phenomenon in the night

13  
00:00:41,330 --> 00:00:39,239

sky over Sin City last month was

14

00:00:43,310 --> 00:00:41,340

seemingly something a little bit more

15

00:00:45,470 --> 00:00:43,320

unusual

16

00:00:47,090 --> 00:00:45,480

consisting of red and white glowing

17

00:00:49,130 --> 00:00:47,100

lights spinning through the clouds the

18

00:00:52,010 --> 00:00:49,140

spectacle was enough to unnerve a lot of

19

00:00:54,410 --> 00:00:52,020

people on the ground and the industry

20

00:00:56,810 --> 00:00:54,420

was soon all over social media suffice

21

00:00:58,369 --> 00:00:56,820

to say the sightings were unlikely to be

22

00:01:01,310 --> 00:00:58,379

the result of an extraterrestrial

23

00:01:04,729 --> 00:01:01,320

visitation but perhaps more intriguingly

24

00:01:08,630 --> 00:01:04,739

they weren't necessarily down to down to

25

00:01:10,670 --> 00:01:08,640

any sort of conventional aircraft either

26

00:01:14,750 --> 00:01:10,680

according to the National Weather

27

00:01:16,730 --> 00:01:14,760

Service the most probable culprit was a

28

00:01:20,870 --> 00:01:16,740

type of fascinating atmospheric

29

00:01:24,109 --> 00:01:20,880

phenomenon known as Light Pillars

30

00:01:25,850 --> 00:01:24,119

the so long pillars of multi-colored

31

00:01:28,550 --> 00:01:25,860

like streaking through the sky seem to

32

00:01:30,469 --> 00:01:28,560

be the perfect backdrop for impending

33

00:01:33,109 --> 00:01:30,479

Alien Invasion but in reality Light

34

00:01:34,730 --> 00:01:33,119

Pillars are a more common effect that

35

00:01:37,310 --> 00:01:34,740

can be found all over the world the

36

00:01:38,929 --> 00:01:37,320

agency wrote on its website

37

00:01:41,030 --> 00:01:38,939

they come from above not

38

00:01:43,969 --> 00:01:41,040

extraterrestrials but tiny crystals of

39

00:01:46,330 --> 00:01:43,979

ice hanging in the atmosphere Ice is

40

00:01:50,030 --> 00:01:46,340

very thin shaped like plates with

41

00:01:51,950 --> 00:01:50,040

hexagonal faces according to this report

42

00:01:53,929 --> 00:01:51,960

uh and then it goes on to say when ice

43

00:01:57,830 --> 00:01:53,939

drift that drifts down through the air

44

00:02:01,609 --> 00:01:57,840

it falls close uh close horizontally

45

00:02:04,670 --> 00:02:01,619

okay at the top and bottom are the faces

46

00:02:07,609 --> 00:02:04,680

with more area Ice is very reflective so

47

00:02:10,790 --> 00:02:07,619

when light hits those wider faces it

48

00:02:13,369 --> 00:02:10,800

bounces around and reflects off more ice

49

00:02:17,770 --> 00:02:13,379

crystals and so that's what

50

00:02:19,850 --> 00:02:17,780

there's something in the clouds that is

51  
00:02:22,970 --> 00:02:19,860  
reflecting they're saying it's ice

52  
00:02:24,890 --> 00:02:22,980  
crystals that that are just hovering

53  
00:02:27,050 --> 00:02:24,900  
there and that's what I mean that's what

54  
00:02:30,410 --> 00:02:27,060  
it looks like to me but maybe it is just

55  
00:02:32,570 --> 00:02:30,420  
a series of ice crystals falling in

56  
00:02:35,089 --> 00:02:32,580  
secession and that it's not like

57  
00:02:37,130 --> 00:02:35,099  
hovering ice crystals it's just a group

58  
00:02:39,710 --> 00:02:37,140  
of them falling and the same reflection

59  
00:02:44,470 --> 00:02:39,720  
happens each time so I'll play that's

60  
00:02:47,809 --> 00:02:44,480  
unmistakable that is a UFO

61  
00:02:51,890 --> 00:02:47,819  
above the world famous Sapphire I mean

62  
00:02:54,550 --> 00:02:51,900  
there is something in the sky it's red

63  
00:03:01,390 --> 00:02:57,949

there's these two white

64

00:03:04,369 --> 00:03:01,400

lights over here

65

00:03:06,530 --> 00:03:04,379

there's some other lights right there

66

00:03:10,910 --> 00:03:06,540

yeah there are lights

67

00:03:12,649 --> 00:03:10,920

and then it's so weird the way that our

68

00:03:14,990 --> 00:03:12,659

lights

69

00:03:19,250 --> 00:03:15,000

shine up in the sky

70

00:03:24,110 --> 00:03:21,589

so what's going on here for people

71

00:03:26,089 --> 00:03:24,120

listening at home is that there are

72

00:03:28,610 --> 00:03:26,099

giant spotlights on the ground next to

73

00:03:31,369 --> 00:03:28,620

the guy filming and they're traversing

74

00:03:35,449 --> 00:03:31,379

the sky and as they approach the the l

75

00:03:37,910 --> 00:03:35,459

would the center of this supposed object

76

00:03:40,309 --> 00:03:37,920

um the spotlight comes into I guess

77

00:03:42,289 --> 00:03:40,319

contact with something that does reflect

78

00:03:44,809 --> 00:03:42,299

back light as it looks like a very

79

00:03:47,270 --> 00:03:44,819

bright spot so I to me it doesn't appear

80

00:03:49,850 --> 00:03:47,280

to be moving there's something it

81

00:03:52,009 --> 00:03:49,860

appears to be stationary in the sky and

82

00:03:53,930 --> 00:03:52,019

it's bouncing off of it

83

00:03:56,690 --> 00:03:53,940

uh I don't want to go to tick tock don't

84

00:03:58,250 --> 00:03:56,700

take me to tick tock I want to play this

85

00:03:59,809 --> 00:03:58,260

it's forced me to go to tick tock okay

86

00:04:01,369 --> 00:03:59,819

I'll go to tick tock

87

00:04:04,210 --> 00:04:01,379

well let's do it

88

00:04:07,789 --> 00:04:04,220

I'll do whatever you want me to do

89

00:04:10,750 --> 00:04:07,799

there's uh UFO directly above the club

90

00:04:13,070 --> 00:04:10,760

right now and so we're walking out

91

00:04:22,370 --> 00:04:13,080

they're in the club they're clubbing

92

00:04:26,270 --> 00:04:24,650

and so they're walking outside they're

93

00:04:28,370 --> 00:04:26,280

looking up in the sky and there are a

94

00:04:29,870 --> 00:04:28,380

couple lights in the sky and then so

95

00:04:32,810 --> 00:04:29,880

I'll try to pause it on the the section

96

00:04:37,070 --> 00:04:34,670

so it's going to pause I'm gonna try to

97

00:04:40,670 --> 00:04:37,080

pause it on the part where it reflects

98

00:04:43,189 --> 00:04:40,680

and I don't want to do that right there

99

00:04:45,170 --> 00:04:43,199

so you see like there's a little dot of

100

00:04:48,530 --> 00:04:45,180

light it's right next to the the red

101  
00:04:52,370 --> 00:04:48,540  
Center where it appears to be reflecting

102  
00:04:56,510 --> 00:04:52,380  
so if it is an atmospheric phenomenon

103  
00:05:01,010 --> 00:04:56,520  
and it is ice that is reflecting light

104  
00:05:03,350 --> 00:05:01,020  
why is it only happening in one spot now

105  
00:05:06,170 --> 00:05:03,360  
uh maybe there is a a nice reasonable

106  
00:05:07,909 --> 00:05:06,180  
conventional explanation for this uh I'd

107  
00:05:10,490 --> 00:05:07,919  
like to think so

108  
00:05:13,490 --> 00:05:10,500  
but I would like that to be answered if

109  
00:05:15,290 --> 00:05:13,500  
it's if it's possible aliens that's one

110  
00:05:17,629 --> 00:05:15,300  
explanation right there yeah I need to

111  
00:05:20,370 --> 00:05:17,639  
be calling damn news I think they did I

112  
00:05:25,310 --> 00:05:20,380  
think they did call the damn news

113  
00:05:25,320 --> 00:05:30,249

all right

114

00:05:35,749 --> 00:05:33,830

I mean it's it's fascinating it looks

115

00:05:37,550 --> 00:05:35,759

very interesting and that's I mean

116

00:05:39,110 --> 00:05:37,560

there's uh there's got to do more videos

117

00:05:41,450 --> 00:05:39,120

somewhere that's the one that's that's

118

00:05:43,430 --> 00:05:41,460

the most popular one going around on

119

00:05:45,950 --> 00:05:43,440

social media

120

00:05:49,010 --> 00:05:45,960

um it looks fascinating I don't know if

121

00:05:50,570 --> 00:05:49,020

they're I try to look at the local Las

122

00:05:53,150 --> 00:05:50,580

Vegas news to see if there was like a

123

00:05:56,090 --> 00:05:53,160

local news report uh there apparently

124

00:05:58,310 --> 00:05:56,100

was no radar report of anything

125

00:06:00,469 --> 00:05:58,320

uh just a lot of these different videos

126

00:06:04,810 --> 00:06:00,479

from different angles and so they're

127

00:06:07,730 --> 00:06:04,820

chalking it up to atmospheric phenomenon

128

00:06:10,550 --> 00:06:07,740

uh so there's a couple different reports

129

00:06:13,310 --> 00:06:10,560

so the hill wrote about this obviously

130

00:06:15,950 --> 00:06:13,320

and they're they're going with the oh

131

00:06:18,110 --> 00:06:15,960

it's just ice crystals up there

132

00:06:20,689 --> 00:06:18,120

uh and it very well could be that so

133

00:06:23,870 --> 00:06:20,699

yeah uh the hill says UFO over Las Vegas

134

00:06:26,570 --> 00:06:23,880

strip more likely a rare weather

135

00:06:28,969 --> 00:06:26,580

phenomenon this has happened before like

136

00:06:29,930 --> 00:06:28,979

the the pillars of light

137

00:06:31,610 --> 00:06:29,940

um this

138

00:06:33,590 --> 00:06:31,620

tends to look a little different than

139

00:06:34,909 --> 00:06:33,600

what I remember seeing especially like

140

00:06:36,950 --> 00:06:34,919

in China you see like these large

141

00:06:39,469 --> 00:06:36,960

pillars of light that shoot up into the

142

00:06:42,170 --> 00:06:39,479

sky uh very interesting looking

143

00:06:45,409 --> 00:06:42,180

but that doesn't look like what we're

144

00:06:47,090 --> 00:06:45,419

seeing in Las Vegas

145

00:06:47,990 --> 00:06:47,100

but this is this is what they're going

146

00:06:50,749 --> 00:06:48,000

with

147

00:06:51,529 --> 00:06:50,759

this is what we got so okay y'all need

148

00:06:53,870 --> 00:06:51,539

to be

149

00:06:56,330 --> 00:06:53,880

[h\_\_h] right here they were they were they

150

00:06:57,409 --> 00:06:56,340

looking at them okay they're looking at

151  
00:07:01,249 --> 00:06:57,419  
us

152  
00:07:02,689 --> 00:07:01,259  
uh so that's all I got on on that one we

153  
00:07:09,590 --> 00:07:02,699  
will move on

154  
00:07:15,350 --> 00:07:12,710  
yeah okay

155  
00:07:17,870 --> 00:07:15,360  
I do have something and I'll talk about

156  
00:07:20,270 --> 00:07:17,880  
this before credit gets here uh I was

157  
00:07:23,330 --> 00:07:20,280  
debating whether or not I was going to

158  
00:07:29,330 --> 00:07:23,340  
bring this up because this is uh

159  
00:07:34,010 --> 00:07:29,340  
this could fall in line with Corey good

160  
00:07:35,150 --> 00:07:34,020  
areas of of content you know Corey good

161  
00:07:37,550 --> 00:07:35,160  
um

162  
00:07:39,170 --> 00:07:37,560  
he claims to have been part of the

163  
00:07:42,710 --> 00:07:39,180

secret space program

164

00:07:44,350 --> 00:07:42,720

and that he is receiving memories

165

00:07:47,570 --> 00:07:44,360

through a conduit

166

00:07:50,330 --> 00:07:47,580

uh via meditation to receive additional

167

00:07:52,249 --> 00:07:50,340

information about his 20 years in the

168

00:07:56,029 --> 00:07:52,259

secret space program and back I I think

169

00:07:57,350 --> 00:07:56,039

he's BS and same with David Wilcox

170

00:07:59,210 --> 00:07:57,360

um and they're he's currently in

171

00:08:02,270 --> 00:07:59,220

litigation but there is a another piece

172

00:08:05,510 --> 00:08:02,280

of audio that it kind of feels the same

173

00:08:09,469 --> 00:08:05,520

way although the guy the person actually

174

00:08:11,570 --> 00:08:09,479

doing the speaking he comes off a lot uh

175

00:08:14,390 --> 00:08:11,580

I don't want to say credible but at

176

00:08:18,830 --> 00:08:14,400

least a lot more likable and this is

177

00:08:23,089 --> 00:08:18,840

from the Regina Meredith uh YouTube show

178

00:08:26,050 --> 00:08:23,099

uh Regina has a show on Gaia she does a

179

00:08:30,589 --> 00:08:26,060

ton of different episodes ranging from

180

00:08:35,269 --> 00:08:30,599

uh topics including being a psychic uh

181

00:08:37,190 --> 00:08:35,279

trans mediumship past lives UFOs

182

00:08:38,870 --> 00:08:37,200

et's all over the place all that kind of

183

00:08:42,110 --> 00:08:38,880

stuff

184

00:08:45,350 --> 00:08:42,120

um and so she had a person on that just

185

00:08:48,470 --> 00:08:45,360

goes by the name Tim

186

00:08:51,829 --> 00:08:48,480

oh crutch is here

187

00:08:52,740 --> 00:08:51,839

there you go credit is here let's let's

188

00:08:55,550 --> 00:08:52,750

ring him in

189

00:08:56,990 --> 00:08:55,560

[Applause]

190

00:08:58,210 --> 00:08:57,000

I should give him I should give him a

191

00:09:01,310 --> 00:08:58,220

whoop

192

00:09:03,350 --> 00:09:01,320

[Applause]

193

00:09:04,490 --> 00:09:03,360

there he is he's he's whooping there he

194

00:09:06,829 --> 00:09:04,500

is

195

00:09:08,990 --> 00:09:06,839

sorry for the delay that's all right

196

00:09:11,810 --> 00:09:09,000

engineering I half-assed that project

197

00:09:14,389 --> 00:09:11,820

estimate well I mean it's better to get

198

00:09:16,730 --> 00:09:14,399

something done than nothing now right

199

00:09:18,650 --> 00:09:16,740

I'm gonna have three do it in a week but

200

00:09:19,850 --> 00:09:18,660

yeah so I was getting ready to talk

201  
00:09:25,009 --> 00:09:19,860  
about

202  
00:09:26,930 --> 00:09:25,019  
uh a quasi-cory good kind of situation

203  
00:09:28,130 --> 00:09:26,940  
um oh I got the right hat on then yeah

204  
00:09:30,710 --> 00:09:28,140  
you do

205  
00:09:32,269 --> 00:09:30,720  
space force hat yeah for anyone just uh

206  
00:09:36,530 --> 00:09:32,279  
listening at home

207  
00:09:40,250 --> 00:09:36,540  
and uh to here we go space force so this

208  
00:09:43,130 --> 00:09:40,260  
guy um he goes by the name Tim

209  
00:09:45,470 --> 00:09:43,140  
that's all he goes by is Tim

210  
00:09:49,009 --> 00:09:45,480  
and he's being interviewed by Regina

211  
00:09:52,130 --> 00:09:49,019  
Meredith who has a fairly successful uh

212  
00:09:54,650 --> 00:09:52,140  
TV program or series on Gaia TV she has

213  
00:09:56,269 --> 00:09:54,660

her own YouTube channel uh she's very

214

00:09:58,850 --> 00:09:56,279

big in the community if you if you like

215

00:10:00,769 --> 00:09:58,860

all this kind of metaphysical UFO

216

00:10:03,829 --> 00:10:00,779

paranormal stuff and she's interviewing

217

00:10:08,030 --> 00:10:03,839

this guy this guy claims to be working

218

00:10:11,690 --> 00:10:08,040

on a project in Germany

219

00:10:13,009 --> 00:10:11,700

that is communicating with different

220

00:10:16,130 --> 00:10:13,019

entities

221

00:10:18,710 --> 00:10:16,140

using particular types of technology to

222

00:10:20,870 --> 00:10:18,720

interact with these entities at

223

00:10:24,410 --> 00:10:20,880

different frequencies higher frequencies

224

00:10:28,130 --> 00:10:24,420

is what he is is claiming and in

225

00:10:31,009 --> 00:10:28,140

specifically he and his group claim to

226

00:10:35,030 --> 00:10:31,019

be communicating with uh something they

227

00:10:38,030 --> 00:10:35,040

call being six like alien six a bean not

228

00:10:39,590 --> 00:10:38,040

a bean like you're gonna eat beans for

229

00:10:41,690 --> 00:10:39,600

dinner being

230

00:10:44,090 --> 00:10:41,700

uh and they're communicating with this

231

00:10:46,370 --> 00:10:44,100

entity and they're having a back and

232

00:10:48,650 --> 00:10:46,380

forth a general conversation Small Talk

233

00:10:51,110 --> 00:10:48,660

chit chat back and forth and he is

234

00:10:53,449 --> 00:10:51,120

providing information about our reality

235

00:10:57,050 --> 00:10:53,459

about uh

236

00:11:00,170 --> 00:10:57,060

the nature of humanity and and time in

237

00:11:02,690 --> 00:11:00,180

general and so in this first clip I have

238

00:11:06,650 --> 00:11:02,700

he talks about Tim

239

00:11:08,750 --> 00:11:06,660

uh he talks about dreaming and

240

00:11:10,430 --> 00:11:08,760

frequencies now a few episodes ago we

241

00:11:12,650 --> 00:11:10,440

talked about the different dimensions

242

00:11:17,389 --> 00:11:12,660

that we all could occupy I think it was

243

00:11:20,829 --> 00:11:17,399

ranging from like three to ten and there

244

00:11:24,470 --> 00:11:20,839

is like a dream Dimension well he he

245

00:11:27,170 --> 00:11:24,480

references this as like the dreaming uh

246

00:11:29,090 --> 00:11:27,180

that we do is in a particular frequency

247

00:11:32,150 --> 00:11:29,100

and it's a little hard to understand

248

00:11:33,290 --> 00:11:32,160

because he's uh he's German but here it

249

00:11:36,769 --> 00:11:33,300

is

250

00:11:38,350 --> 00:11:36,779

um a frequency a wavelength basically uh

251  
00:11:41,750 --> 00:11:38,360  
doesn't mean that you

252  
00:11:42,769 --> 00:11:41,760  
necessarily sorry have uh space at all

253  
00:11:45,530 --> 00:11:42,779  
so

254  
00:11:48,590 --> 00:11:45,540  
um uh one a very popular example of them

255  
00:11:51,470 --> 00:11:48,600  
always bringing up is like um when you

256  
00:11:55,190 --> 00:11:51,480  
dream you're actually in a certain

257  
00:11:57,350 --> 00:11:55,200  
frequency frequential Harmony but it's

258  
00:12:00,290 --> 00:11:57,360  
not possible to locate your

259  
00:12:02,150 --> 00:12:00,300  
Consciousness at all because

260  
00:12:04,490 --> 00:12:02,160  
um we're always measuring from the

261  
00:12:06,769 --> 00:12:04,500  
outside from the you know 3D perspective

262  
00:12:10,550 --> 00:12:06,779  
from whatever Dimension we can you know

263  
00:12:13,250 --> 00:12:10,560

fill in but um there's actually no way

264

00:12:14,930 --> 00:12:13,260

to locate your Consciousness while

265

00:12:16,790 --> 00:12:14,940

you're actually dreaming so that that's

266

00:12:18,949 --> 00:12:16,800

an inter-frequential field

267

00:12:21,170 --> 00:12:18,959

so he's talking about these different

268

00:12:23,930 --> 00:12:21,180

levels of frequency which we can

269

00:12:26,990 --> 00:12:23,940

interact with and by just naturally one

270

00:12:28,970 --> 00:12:27,000

is the the dreaming frequency and he

271

00:12:31,310 --> 00:12:28,980

says they have a particular piece of

272

00:12:33,590 --> 00:12:31,320

technology that enables them to

273

00:12:37,190 --> 00:12:33,600

communicate with even higher frequencies

274

00:12:40,310 --> 00:12:37,200

and directly communicate with being six

275

00:12:43,550 --> 00:12:40,320

now he goes into the background here of

276

00:12:47,750 --> 00:12:43,560

uh of Germany and what they were doing

277

00:12:49,069 --> 00:12:47,760

during World War II and for people in

278

00:12:51,889 --> 00:12:49,079

the the UFO Community I think it's

279

00:12:52,790 --> 00:12:51,899

fairly common knowledge that uh the

280

00:12:55,430 --> 00:12:52,800

Germans

281

00:12:59,269 --> 00:12:55,440

uh they were pretty interested in the

282

00:13:01,730 --> 00:12:59,279

occult and that they uh possibly

283

00:13:04,490 --> 00:13:01,740

according to speculation rumor were

284

00:13:07,670 --> 00:13:04,500

using some sort of trans channeling

285

00:13:10,569 --> 00:13:07,680

through the brill Society in order to

286

00:13:13,430 --> 00:13:10,579

communicate with some form of

287

00:13:16,069 --> 00:13:13,440

extraterrestrial to get

288

00:13:18,170 --> 00:13:16,079

wonder weapon technology that's that's

289

00:13:21,769 --> 00:13:18,180

the speculation here that ranges from

290

00:13:24,410 --> 00:13:21,779

like the Nazi Bell to uh all the the

291

00:13:27,230 --> 00:13:24,420

crazy aircraft that they had uh but he

292

00:13:29,930 --> 00:13:27,240

goes into a little bit of what uh

293

00:13:31,550 --> 00:13:29,940

Germany was uh doing so that's actually

294

00:13:33,889 --> 00:13:31,560

a long history

295

00:13:35,569 --> 00:13:33,899

um to trying to communicate with these

296

00:13:37,069 --> 00:13:35,579

kind of interfrequency beings in

297

00:13:40,190 --> 00:13:37,079

Germany

298

00:13:43,310 --> 00:13:40,200

um uh because that all started you know

299

00:13:44,690 --> 00:13:43,320

some time ago in in World War II uh

300

00:13:46,790 --> 00:13:44,700

actually

301  
00:13:48,590 --> 00:13:46,800  
um where they set up some kind of

302  
00:13:51,350 --> 00:13:48,600  
projects in order to what they called

303  
00:13:54,949 --> 00:13:51,360  
the Austin guys which actually actually

304  
00:13:57,410 --> 00:13:54,959  
means uh the Mind from outside so uh

305  
00:14:01,129 --> 00:13:57,420  
basically these the German scientists at

306  
00:14:08,750 --> 00:14:04,370  
um was the the time span around that

307  
00:14:11,509 --> 00:14:08,760  
um they uh they had this concept of

308  
00:14:13,970 --> 00:14:11,519  
um the universe is operating in

309  
00:14:15,650 --> 00:14:13,980  
Consciousness even outside our

310  
00:14:18,949 --> 00:14:15,660  
perceptible field

311  
00:14:20,629 --> 00:14:18,959  
so he goes on to say that

312  
00:14:22,910 --> 00:14:20,639  
um the Germans they were in

313  
00:14:26,569 --> 00:14:22,920

communication with these these higher

314

00:14:28,970 --> 00:14:26,579

entities at different frequencies and

315

00:14:31,730 --> 00:14:28,980

that they were uh the Germans were

316

00:14:36,230 --> 00:14:31,740

actually given the the ability by these

317

00:14:38,509 --> 00:14:36,240

uh entities to uh create LSD but Hitler

318

00:14:40,310 --> 00:14:38,519

didn't want to use it or didn't know

319

00:14:43,490 --> 00:14:40,320

what to do with it so they didn't decide

320

00:14:45,350 --> 00:14:43,500

to implement using LSD in a in a massive

321

00:14:47,329 --> 00:14:45,360

way I don't know if the they're the

322

00:14:49,189 --> 00:14:47,339

Germans did I always knew the story of

323

00:14:51,410 --> 00:14:49,199

LSD when it comes to like Timothy Leary

324

00:14:53,750 --> 00:14:51,420

and all that kind of stuff

325

00:14:55,490 --> 00:14:53,760

um I don't know the the exact origins of

326

00:14:57,230 --> 00:14:55,500

LSD this guy's claiming it's coming from

327

00:15:00,470 --> 00:14:57,240

Aliens as a way

328

00:15:02,810 --> 00:15:00,480

to unable to give us a conduit to

329

00:15:04,970 --> 00:15:02,820

communicate with higher frequencies and

330

00:15:07,129 --> 00:15:04,980

dimensions

331

00:15:08,689 --> 00:15:07,139

uh I mean it was around back then the

332

00:15:10,250 --> 00:15:08,699

Germans were big on amphetamines yeah

333

00:15:12,650 --> 00:15:10,260

they love that stuff

334

00:15:14,269 --> 00:15:12,660

um but I

335

00:15:16,009 --> 00:15:14,279

think it was developed in the 20s or 30s

336

00:15:18,650 --> 00:15:16,019

so it was around before Timothy started

337

00:15:20,689 --> 00:15:18,660

doing all this Research into it but well

338

00:15:22,910 --> 00:15:20,699

this guy's saying it came from Aliens

339

00:15:24,889 --> 00:15:22,920

all right okay so the aliens are now

340

00:15:27,710 --> 00:15:24,899

showing up and being like here's some

341

00:15:29,449 --> 00:15:27,720

drugs take these yeah that's one step

342

00:15:30,650 --> 00:15:29,459

from like hey hey kids want to check out

343

00:15:33,710 --> 00:15:30,660

my van

344

00:15:37,670 --> 00:15:33,720

uh not that far away but when it comes

345

00:15:40,069 --> 00:15:37,680

to like modern day usage of of DMT and

346

00:15:41,689 --> 00:15:40,079

what people see when they go to the DMT

347

00:15:44,329 --> 00:15:41,699

land and I played clips from that they

348

00:15:45,889 --> 00:15:44,339

see machine elves uh some people do walk

349

00:15:49,069 --> 00:15:45,899

away with some pretty interesting

350

00:15:52,430 --> 00:15:49,079

knowledge of what these machine elves uh

351

00:15:55,430 --> 00:15:52,440

do and what their technology is they

352

00:15:58,430 --> 00:15:55,440

they claim the DMT elves claim to have

353

00:16:00,650 --> 00:15:58,440

like Wormhole memory technology where

354

00:16:02,750 --> 00:16:00,660

they can use our memories to jump into

355

00:16:04,550 --> 00:16:02,760

any part of the timeline that we have

356

00:16:06,050 --> 00:16:04,560

lived and since we've all lived a

357

00:16:07,910 --> 00:16:06,060

timeline they can just jump around using

358

00:16:10,610 --> 00:16:07,920

that technology and that the machine

359

00:16:13,910 --> 00:16:10,620

elves are everything everywhere all at

360

00:16:16,069 --> 00:16:13,920

once and they are intimately uh familiar

361

00:16:17,449 --> 00:16:16,079

with all actions you will take and have

362

00:16:20,210 --> 00:16:17,459

ever taken

363

00:16:22,730 --> 00:16:20,220

that's they're they're like everything

364

00:16:24,350 --> 00:16:22,740

um time Tesseract thing something like

365

00:16:26,870 --> 00:16:24,360

that and the Machine elves are just out

366

00:16:28,189 --> 00:16:26,880

there dancing and partying and they

367

00:16:30,170 --> 00:16:28,199

can't wait for you to join them again

368

00:16:32,329 --> 00:16:30,180

one day we'll see what happens I might

369

00:16:33,650 --> 00:16:32,339

be busy but we'll see

370

00:16:35,750 --> 00:16:33,660

um

371

00:16:37,129 --> 00:16:35,760

this last clip I have from him he talks

372

00:16:41,030 --> 00:16:37,139

about the

373

00:16:44,090 --> 00:16:41,040

the technology that is used in order to

374

00:16:48,410 --> 00:16:44,100

communicate with these higher frequency

375

00:16:51,350 --> 00:16:48,420

entities so the setup itself is you have

376

00:16:54,170 --> 00:16:51,360

um uh you know special isolated boxes

377

00:16:57,829 --> 00:16:54,180

containers so to speak where one person

378

00:16:58,629 --> 00:16:57,839

uh a human or whatever a life form can

379

00:17:02,810 --> 00:16:58,639

enter

380

00:17:05,510 --> 00:17:02,820

and you isolate this room and you then

381

00:17:08,689 --> 00:17:05,520

use uh special coils in order to

382

00:17:11,150 --> 00:17:08,699

compress the frequencies of reality in

383

00:17:14,030 --> 00:17:11,160

one location so what's gonna happen is

384

00:17:16,069 --> 00:17:14,040

that uh the frequencies of that room are

385

00:17:18,169 --> 00:17:16,079

getting so compressed

386

00:17:20,510 --> 00:17:18,179

um that through

387

00:17:24,169 --> 00:17:20,520

um through this you can actually

388

00:17:26,150 --> 00:17:24,179

communicate uh with this being six which

389

00:17:27,049 --> 00:17:26,160

is actually a translation from the

390

00:17:29,030 --> 00:17:27,059

German

391

00:17:31,850 --> 00:17:29,040

um word so

392

00:17:33,650 --> 00:17:31,860

um it it doesn't really have a name in

393

00:17:35,870 --> 00:17:33,660

that way because

394

00:17:38,930 --> 00:17:35,880

um what's interesting interesting is

395

00:17:41,630 --> 00:17:38,940

that it's operates at level 6

396

00:17:44,630 --> 00:17:41,640

Consciousness While most people on this

397

00:17:46,850 --> 00:17:44,640

planet are actually mostly uh operating

398

00:17:49,029 --> 00:17:46,860

on a level three conscious or level four

399

00:17:51,590 --> 00:17:49,039

Consciousness if

400

00:17:53,029 --> 00:17:51,600

so each time you can go up to level six

401  
00:17:54,950 --> 00:17:53,039  
now what he says like level six

402  
00:17:57,710 --> 00:17:54,960  
Consciousness is that that is a

403  
00:18:01,310 --> 00:17:57,720  
Consciousness that can basically see all

404  
00:18:03,890 --> 00:18:01,320  
of time and that they are not within

405  
00:18:05,930 --> 00:18:03,900  
their overseeing time they're outside of

406  
00:18:08,510 --> 00:18:05,940  
our timeline we're we're down here we're

407  
00:18:11,210 --> 00:18:08,520  
in the the muck we're living it but they

408  
00:18:13,789 --> 00:18:11,220  
are above it and they can kind of see

409  
00:18:18,049 --> 00:18:13,799  
all branches of the timeline and Tim

410  
00:18:20,150 --> 00:18:18,059  
says Timothy says that um our reality is

411  
00:18:24,230 --> 00:18:20,160  
basically like a timeline if you picture

412  
00:18:26,510 --> 00:18:24,240  
a timeline and it is like a Christmas

413  
00:18:28,010 --> 00:18:26,520

tree a pine tree where there's a bunch

414

00:18:29,690 --> 00:18:28,020  
of different branches some of the

415

00:18:31,789 --> 00:18:29,700  
branches go out further

416

00:18:36,110 --> 00:18:31,799  
and some of the some of them are more

417

00:18:38,270 --> 00:18:36,120  
closely uh closer to the trunk but he

418

00:18:39,529 --> 00:18:38,280  
says that time will spread out like that

419

00:18:42,830 --> 00:18:39,539  
in these different branches but

420

00:18:44,750 --> 00:18:42,840  
ultimately will collapse back in to the

421

00:18:47,450 --> 00:18:44,760  
main trunk

422

00:18:50,210 --> 00:18:47,460  
now the entity that there so the branch

423

00:18:52,789 --> 00:18:50,220  
things Branch out but but come back I

424

00:18:54,830 --> 00:18:52,799  
mean he says he's he he says that it

425

00:18:57,650 --> 00:18:54,840  
will ultimately collapse back in like

426  
00:18:59,510 --> 00:18:57,660  
the the main timeline our main timeline

427  
00:19:05,930 --> 00:18:59,520  
here

428  
00:19:06,950 --> 00:19:05,940  
out of existence like the end of a

429  
00:19:09,710 --> 00:19:06,960  
branch

430  
00:19:12,110 --> 00:19:09,720  
or a needle but then there are our

431  
00:19:13,250 --> 00:19:12,120  
heartier branches that will live a

432  
00:19:17,029 --> 00:19:13,260  
little longer

433  
00:19:19,190 --> 00:19:17,039  
yeah uh so you add mactose in the chat

434  
00:19:20,690 --> 00:19:19,200  
yeah still from Norris mythology is

435  
00:19:22,310 --> 00:19:20,700  
built that way it's a tree with branches

436  
00:19:23,750 --> 00:19:22,320  
and some branches are longer than others

437  
00:19:25,010 --> 00:19:23,760  
and if you look at maps of the universe

438  
00:19:26,930 --> 00:19:25,020

it's even built that way I mean the

439

00:19:29,450 --> 00:19:26,940

universe despite the fact that if you go

440

00:19:31,430 --> 00:19:29,460

back to us to The Singularity of the big

441

00:19:32,870 --> 00:19:31,440

bang you would think the universe will

442

00:19:35,150 --> 00:19:32,880

be the same size all the way around but

443

00:19:39,350 --> 00:19:35,160

it ain't so what's that all about so

444

00:19:42,289 --> 00:19:39,360

there's it is multi-faceted like that he

445

00:19:44,930 --> 00:19:42,299

Tim I'm speaking about Tim here Tim goes

446

00:19:47,090 --> 00:19:44,940

on to say that there are other races

447

00:19:50,570 --> 00:19:47,100

like he's he's hap he happens to be

448

00:19:54,049 --> 00:19:50,580

talking to a race that is somewhat

449

00:19:55,610 --> 00:19:54,059

friendly somewhat interested in exchange

450

00:19:58,370 --> 00:19:55,620

of information but he said there are

451  
00:20:00,590 --> 00:19:58,380  
other races that are coming here uh like

452  
00:20:03,650 --> 00:20:00,600  
the Grays that

453  
00:20:05,810 --> 00:20:03,660  
um are neither good nor bad they they

454  
00:20:07,970 --> 00:20:05,820  
feel the grace they feel they are doing

455  
00:20:10,010 --> 00:20:07,980  
something that is best for us they have

456  
00:20:12,710 --> 00:20:10,020  
good intentions but he calls them a

457  
00:20:13,850 --> 00:20:12,720  
gardening race meaning that there are a

458  
00:20:16,970 --> 00:20:13,860  
couple ways to Garden you can either

459  
00:20:19,490 --> 00:20:16,980  
plant it and set it and forget it or you

460  
00:20:20,990 --> 00:20:19,500  
plant your crops and you come back and

461  
00:20:23,150 --> 00:20:21,000  
you check up on them to make sure

462  
00:20:24,350 --> 00:20:23,160  
everything's going according to plan so

463  
00:20:25,730 --> 00:20:24,360

he calls them like hey they're coming

464

00:20:27,890 --> 00:20:25,740

back they check up on the crops that

465

00:20:32,289 --> 00:20:27,900

they planted that being us

466

00:20:35,210 --> 00:20:32,299

and he said there's mostly mostly

467

00:20:37,970 --> 00:20:35,220

well-intentioned uh extraterrestrials

468

00:20:41,810 --> 00:20:37,980

out there he's at about 90 95 but there

469

00:20:43,789 --> 00:20:41,820

are five percent out there that are bad

470

00:20:45,950 --> 00:20:43,799

they're the baddies and you got to watch

471

00:20:48,110 --> 00:20:45,960

out for them so the kind of like the the

472

00:20:51,409 --> 00:20:48,120

psychopathic races maybe that could be

473

00:20:53,270 --> 00:20:51,419

uh the reptilians the lizard people

474

00:20:55,430 --> 00:20:53,280

but that would kind of make sense what

475

00:20:57,830 --> 00:20:55,440

is you happen to know the percentage of

476

00:20:59,990 --> 00:20:57,840

people on on this planet that are

477

00:21:03,049 --> 00:21:00,000

psychopaths it's like a it's like a

478

00:21:04,250 --> 00:21:03,059

smaller percent of the group

479

00:21:05,630 --> 00:21:04,260

um I don't know based on recent

480

00:21:07,669 --> 00:21:05,640

elections I'd say close to 40 percent

481

00:21:09,230 --> 00:21:07,679

pretty high yeah I would say pretty high

482

00:21:11,210 --> 00:21:09,240

but they and they also like the

483

00:21:13,850 --> 00:21:11,220

Psychopaths tend to be real go-getters

484

00:21:15,950 --> 00:21:13,860

and they will do anything to get to the

485

00:21:19,010 --> 00:21:15,960

top or to achieve the uh the power they

486

00:21:20,870 --> 00:21:19,020

think they deserve uh so maybe there are

487

00:21:23,150 --> 00:21:20,880

some alien races like that

488

00:21:26,330 --> 00:21:23,160

he says that I mean so he did he hasn't

489

00:21:28,970 --> 00:21:26,340

said anything really proprietary stuff

490

00:21:31,730 --> 00:21:28,980

that I really haven't heard before he

491

00:21:34,250 --> 00:21:31,740

didn't divulge any like super uh

492

00:21:37,010 --> 00:21:34,260

specific information about this I just

493

00:21:39,830 --> 00:21:37,020

found it his his use of frequencies and

494

00:21:42,830 --> 00:21:39,840

contacting higher uh entities uh

495

00:21:45,230 --> 00:21:42,840

fascinating I wish you'd go more into

496

00:21:48,710 --> 00:21:45,240

specifics but it did remind me a little

497

00:21:51,649 --> 00:21:48,720

bit of the HBO series uh Dark Materials

498

00:21:55,010 --> 00:21:51,659

which just wrapped up uh it's it's

499

00:21:57,230 --> 00:21:55,020

series and it was very satisfying and I

500

00:22:01,010 --> 00:21:57,240

recommend anybody who's kind of into

501

00:22:04,250 --> 00:22:01,020

this kind of stuff check it out it uh it

502

00:22:07,149 --> 00:22:04,260

does a very good job of kind of weaving

503

00:22:09,409 --> 00:22:07,159

its story together but also weaving into

504

00:22:12,289 --> 00:22:09,419

uh like some of the weirder

505

00:22:15,590 --> 00:22:12,299

conspiratorial stuff like uh kidnapping

506

00:22:18,289 --> 00:22:15,600

of children uh alternate Dimensions

507

00:22:19,850 --> 00:22:18,299

higher levels of existence all that kind

508

00:22:22,669 --> 00:22:19,860

of stuff it's weaved together really

509

00:22:25,370 --> 00:22:22,679

well uh and it's shot beautifully as

510

00:22:28,310 --> 00:22:25,380

well so check it out uh

511

00:22:32,090 --> 00:22:28,320

estimate from the 2005 book sociopath so

512

00:22:33,529 --> 00:22:32,100

the sociopath next door uh sociopaths

513

00:22:35,330 --> 00:22:33,539

picked up four percent of the US

514

00:22:37,789 --> 00:22:35,340

population okay

515

00:22:39,590 --> 00:22:37,799

well Tim was saying that the bad race is

516

00:22:41,690 --> 00:22:39,600

about are only like five percent so

517

00:22:43,070 --> 00:22:41,700

that's close so four percent that's in

518

00:22:44,810 --> 00:22:43,080

so you're like Ah that's not many keep

519

00:22:47,390 --> 00:22:44,820

in mind if you because people are bad at

520

00:22:50,830 --> 00:22:47,400

statistics four percent of 330 million

521

00:22:56,990 --> 00:22:53,510

how many people are in government

522

00:22:58,490 --> 00:22:57,000

all of them uh I would like the the U.S

523

00:23:00,409 --> 00:22:58,500

federal government would have employees

524

00:23:02,510 --> 00:23:00,419

about what a million people maybe is

525

00:23:04,130 --> 00:23:02,520

that high yeah probably more than that

526  
00:23:05,450 --> 00:23:04,140  
but yeah

527  
00:23:06,950 --> 00:23:05,460  
and yeah I mean that would be the next

528  
00:23:08,690 --> 00:23:06,960  
question is okay it's only four percent

529  
00:23:10,909 --> 00:23:08,700  
of the population but do they naturally

530  
00:23:13,250 --> 00:23:10,919  
kind of gravitate towards certain

531  
00:23:15,110 --> 00:23:13,260  
you know professions or certain you know

532  
00:23:16,730 --> 00:23:15,120  
places to live or you know whatever and

533  
00:23:18,950 --> 00:23:16,740  
then there's going to be clusters around

534  
00:23:23,029 --> 00:23:18,960  
that yeah they like to Cluster up and

535  
00:23:27,350 --> 00:23:23,039  
support each other I suppose and uh yeah

536  
00:23:29,690 --> 00:23:27,360  
so that's what I got on uh weird alien

537  
00:23:31,020 --> 00:23:29,700  
stuff right now we'll move on and see if

538  
00:23:33,470 --> 00:23:31,030

we can get through some current events

539

00:23:36,120 --> 00:23:33,480

[Music]

540

00:23:36,590 --> 00:23:36,130

foreign

541

00:23:42,130 --> 00:23:36,600

[Music]

542

00:23:46,250 --> 00:23:45,049

set it and forget it that's that's what

543

00:23:49,190 --> 00:23:46,260

happened to us

544

00:23:51,890 --> 00:23:49,200

the aliens came they tweaked our DNA

545

00:23:53,330 --> 00:23:51,900

they said it but no they didn't they I

546

00:23:56,870 --> 00:23:53,340

mean I guess for a couple thousand years

547

00:23:58,789 --> 00:23:56,880

they they have overtly forgotten us

548

00:24:00,110 --> 00:23:58,799

but uh the stories are true they're

549

00:24:01,430 --> 00:24:00,120

coming back and checking up every now

550

00:24:03,169 --> 00:24:01,440

and again

551

00:24:04,610 --> 00:24:03,179

grabbing your balls touching it doing

552

00:24:06,049 --> 00:24:04,620

whatever they got to do to get to get

553

00:24:07,549 --> 00:24:06,059

the job done but here's a question if

554

00:24:08,630 --> 00:24:07,559

they if that's other 10 in their garden

555

00:24:10,190 --> 00:24:08,640

they're planting everything they're

556

00:24:11,270 --> 00:24:10,200

leaving they're coming back later ball

557

00:24:12,350 --> 00:24:11,280

they come back later and they don't like

558

00:24:13,730 --> 00:24:12,360

what they see are they just going to

559

00:24:17,390 --> 00:24:13,740

plow that field under

560

00:24:20,990 --> 00:24:17,400

well I mean the great flood 12 000 years

561

00:24:23,750 --> 00:24:21,000

ago uh maybe we've got to maybe throw an

562

00:24:26,450 --> 00:24:23,760

asteroid at the planet Maybe

563

00:24:29,870 --> 00:24:26,460

that's what the I mean I think partially

564

00:24:32,330 --> 00:24:29,880

the book A Enoch is about you know is uh

565

00:24:33,710 --> 00:24:32,340

Wicked man but they try to blame

566

00:24:35,510 --> 00:24:33,720

everything on us so they just wiped out

567

00:24:37,549 --> 00:24:35,520

like they they threw a great flood but

568

00:24:40,010 --> 00:24:37,559

it was the it wasn't the Nephilim that

569

00:24:41,990 --> 00:24:40,020

just kind of got out of control and so

570

00:24:42,890 --> 00:24:42,000

God came down and said listen you guys

571

00:24:46,909 --> 00:24:42,900

are

572

00:24:48,950 --> 00:24:46,919

gonna wipe out the entire thing and

573

00:24:51,409 --> 00:24:48,960

start fresh

574

00:24:54,289 --> 00:24:51,419

and that's what they did yeah the the

575

00:24:55,909 --> 00:24:54,299

there's flood missing like every yeah

576

00:24:57,529 --> 00:24:55,919

every religion but yeah and that was

577

00:24:59,690 --> 00:24:57,539

part of it was

578

00:25:00,669 --> 00:24:59,700

I hate these dinosaurs yeah flood them

579

00:25:04,070 --> 00:25:00,679

out

580

00:25:05,510 --> 00:25:04,080

they're eating all the grass yeah [h\_\_h]

581

00:25:09,350 --> 00:25:05,520

them

582

00:25:12,430 --> 00:25:09,360

well there is an update on the

583

00:25:15,169 --> 00:25:12,440

Power Station sabotage

584

00:25:18,289 --> 00:25:15,179

can you believe yes racism was it racism

585

00:25:21,110 --> 00:25:18,299

they caught him they got it they got the

586

00:25:24,409 --> 00:25:21,120

one guy Mr racism well I got Steve

587

00:25:27,529 --> 00:25:24,419

racism I I in this news report they do

588

00:25:29,029 --> 00:25:27,539

not say anything about racism or

589

00:25:29,990 --> 00:25:29,039

anything like that I'll bring it up on

590

00:25:33,769 --> 00:25:30,000

screen

591

00:25:36,049 --> 00:25:33,779

uh and we will see what uh what they

592

00:25:39,289 --> 00:25:36,059

have to say about this but

593

00:25:43,149 --> 00:25:39,299

so far nothing like that let's see here

594

00:25:46,130 --> 00:25:43,159

what we do know it was 100 not the FBI

595

00:25:47,570 --> 00:25:46,140

buying a rifle for a mentally challenged

596

00:25:50,690 --> 00:25:47,580

individual and convincing him to go take

597

00:25:53,510 --> 00:25:50,700

pot shots at uh at insulators on power

598

00:25:55,850 --> 00:25:53,520

stations no that wasn't the case no way

599

00:26:00,230 --> 00:25:55,860

but here's the uh here's the news report

600

00:26:02,330 --> 00:26:00,240

here uh from MSN we now know it took

601  
00:26:04,370 --> 00:26:02,340  
just days for the FBI to link these two

602  
00:26:06,049 --> 00:26:04,380  
Puyallup men to four Christmas Day

603  
00:26:09,230 --> 00:26:06,059  
attacks on Pierce County power

604  
00:26:11,450 --> 00:26:09,240  
substations 40 year old Jeremy Crahan

605  
00:26:13,549 --> 00:26:11,460  
and 32 year old Matthew Greenwood

606  
00:26:16,250 --> 00:26:13,559  
believed to be seen here in federal

607  
00:26:17,870 --> 00:26:16,260  
court documents both now charged with

608  
00:26:20,390 --> 00:26:17,880  
the conspiracy to damage energy

609  
00:26:23,330 --> 00:26:20,400  
facilities Greenwood also facing account

610  
00:26:24,890 --> 00:26:23,340  
of possession of unregistered firearms a

611  
00:26:27,230 --> 00:26:24,900  
search warrant for this Puyallup palm

612  
00:26:29,570 --> 00:26:27,240  
and RV on New Year's Day led to the

613  
00:26:31,610 --> 00:26:29,580

Firearms court documents allege this

614

00:26:33,710 --> 00:26:31,620

truck plus clothing bolt cutters and

615

00:26:35,810 --> 00:26:33,720

gloves found at the Puyallup property

616

00:26:38,510 --> 00:26:35,820

National investigators saw on Puget

617

00:26:40,610 --> 00:26:38,520

Sound energy surveillance it's very

618

00:26:42,590 --> 00:26:40,620

unnerving Josie said the outage attack

619

00:26:45,049 --> 00:26:42,600

near her Puyallup home was one thing but

620

00:26:47,330 --> 00:26:45,059

an arrest on her street to see that

621

00:26:49,370 --> 00:26:47,340

they're like four houses away from me is

622

00:26:50,810 --> 00:26:49,380

a little terrifying the charge of the

623

00:26:53,210 --> 00:26:50,820

ledge bolt cutters were used to get

624

00:26:55,789 --> 00:26:53,220

inside for Pierce County stations from

625

00:26:57,409 --> 00:26:55,799

Puyallup to kapowsin and a high side

626  
00:27:00,230 --> 00:26:57,419  
switch tampered with at each location

627  
00:27:02,450 --> 00:27:00,240  
power was cut to thousands and caused at

628  
00:27:04,549 --> 00:27:02,460  
least three million in Damages U.S

629  
00:27:07,070 --> 00:27:04,559  
attorney Nick Brown ultimately the diet

630  
00:27:09,289 --> 00:27:07,080  
no dire consequences happen but anytime

631  
00:27:11,269 --> 00:27:09,299  
a massive power outage occurs it can be

632  
00:27:13,430 --> 00:27:11,279  
very very dangerous and indeed very

633  
00:27:15,350 --> 00:27:13,440  
deadly so the attacks that happened here

634  
00:27:17,330 --> 00:27:15,360  
were incredibly dangerous we asked if

635  
00:27:19,370 --> 00:27:17,340  
any possible connection to other Power

636  
00:27:23,870 --> 00:27:19,380  
Station attacks around the country and

637  
00:27:28,610 --> 00:27:25,909  
determined about the fact I was happy to

638  
00:27:30,529 --> 00:27:28,620

hear that they arrested two people

639

00:27:32,029 --> 00:27:30,539

okay there we go

640

00:27:36,950 --> 00:27:32,039

uh so they arrested a lot of people

641

00:27:38,930 --> 00:27:36,960

there's no speculation as to motive or

642

00:27:41,210 --> 00:27:38,940

if they were hired to do this who they

643

00:27:42,590 --> 00:27:41,220

had connections with uh and I can't

644

00:27:44,330 --> 00:27:42,600

believe they're not speculating like

645

00:27:46,190 --> 00:27:44,340

typically there's some sort of opinion

646

00:27:47,930 --> 00:27:46,200

piece and I looked around for additional

647

00:27:50,630 --> 00:27:47,940

information on this I couldn't find any

648

00:27:53,450 --> 00:27:50,640

uh speculation on this at all

649

00:27:55,010 --> 00:27:53,460

so it makes me

650

00:27:56,450 --> 00:27:55,020

makes me wonder what's really going on

651  
00:27:58,130 --> 00:27:56,460  
if they could tie it to Russia why

652  
00:27:59,870 --> 00:27:58,140  
wouldn't they do that already if they

653  
00:28:02,390 --> 00:27:59,880  
could tie it to white supremacy why

654  
00:28:04,190 --> 00:28:02,400  
wouldn't they lead with that so what

655  
00:28:06,230 --> 00:28:04,200  
does it really tie to at this point

656  
00:28:08,570 --> 00:28:06,240  
there's two guys they just wanted to do

657  
00:28:10,490 --> 00:28:08,580  
it for shits and giggles no no no no how

658  
00:28:12,769 --> 00:28:10,500  
long until the FBI comes out be like oh

659  
00:28:15,529 --> 00:28:12,779  
uh yeah we do all about them

660  
00:28:17,210 --> 00:28:15,539  
uh it's possible it's possible that they

661  
00:28:20,450 --> 00:28:17,220  
had uh eyes on these guys for a long

662  
00:28:23,149 --> 00:28:20,460  
time they did get him on uh unregistered

663  
00:28:25,310 --> 00:28:23,159

weapons uh by the way I heard that what

664

00:28:27,169 --> 00:28:25,320

is a registered firearm so I don't know

665

00:28:29,810 --> 00:28:27,179

like so is it different have you ever

666

00:28:33,110 --> 00:28:29,820

registered a firearm well only when I

667

00:28:34,850 --> 00:28:33,120

like I I filed an application so they

668

00:28:37,970 --> 00:28:34,860

could do a background check they ran a

669

00:28:40,010 --> 00:28:37,980

background check on you but there's no

670

00:28:41,510 --> 00:28:40,020

firearm registry they keep telling us

671

00:28:43,850 --> 00:28:41,520

over and over and over

672

00:28:45,950 --> 00:28:43,860

yeah I I found that to be kind of

673

00:28:47,870 --> 00:28:45,960

curious as well so the ATF is now

674

00:28:52,310 --> 00:28:47,880

involved

675

00:28:53,810 --> 00:28:52,320

um the FBI and the local PD as well yeah

676

00:28:59,289 --> 00:28:53,820

but so what is a

677

00:29:03,169 --> 00:29:01,190

I'm surprised they didn't have photos of

678

00:29:06,409 --> 00:29:03,179

these guys were in mega hats so yeah no

679

00:29:07,789 --> 00:29:06,419

they didn't they didn't get that so this

680

00:29:09,649 --> 00:29:07,799

must have been like the B team from the

681

00:29:11,149 --> 00:29:09,659

FBI running this one well everyone's

682

00:29:14,149 --> 00:29:11,159

still coming back from vacation oh

683

00:29:15,649 --> 00:29:14,159

they're on vacation oh yeah they so I'm

684

00:29:17,450 --> 00:29:15,659

taking I'm going to take the next Friday

685

00:29:19,610 --> 00:29:17,460

off Give It to Charlie what happened is

686

00:29:21,470 --> 00:29:19,620

the B Team came in they tried extra hard

687

00:29:23,029 --> 00:29:21,480

and they actually caught the guys

688

00:29:24,710 --> 00:29:23,039

they didn't they weren't supposed to

689

00:29:26,690 --> 00:29:24,720

catch him

690

00:29:28,549 --> 00:29:26,700

but the comment from the chat as far

691

00:29:29,750 --> 00:29:28,559

yeah nobody good point um this is in

692

00:29:32,269 --> 00:29:29,760

Washington which is basically a

693

00:29:34,190 --> 00:29:32,279

communist hellhole at this point the

694

00:29:35,510 --> 00:29:34,200

I'll have to does Washington have a

695

00:29:38,450 --> 00:29:35,520

registration it would not surprise me

696

00:29:40,730 --> 00:29:38,460

honestly it's so it'd be a state thing

697

00:29:42,710 --> 00:29:40,740

could be yeah okay well if it's a state

698

00:29:46,370 --> 00:29:42,720

thing then why is the ATF involved

699

00:29:48,110 --> 00:29:46,380

because it all goes through the ATS okay

700

00:29:49,909 --> 00:29:48,120

all right well we'll move on I got

701  
00:29:51,289 --> 00:29:49,919  
another story here another update for

702  
00:29:54,430 --> 00:29:51,299  
people

703  
00:29:57,529 --> 00:29:55,909  
[Applause]

704  
00:29:59,389 --> 00:29:57,539  
what about the relationship what about

705  
00:30:01,970 --> 00:29:59,399  
the uh Power it was in North Carolina

706  
00:30:03,769 --> 00:30:01,980  
somewhere there was one in I think

707  
00:30:05,750 --> 00:30:03,779  
Virginia that they were trying to blame

708  
00:30:08,570 --> 00:30:05,760  
on white supremacy because the power

709  
00:30:11,090 --> 00:30:08,580  
went out to like a drag queen Story Time

710  
00:30:14,029 --> 00:30:11,100  
show and so they're trying to blame

711  
00:30:16,370 --> 00:30:14,039  
uh the right or anybody that wasn't them

712  
00:30:19,430 --> 00:30:16,380  
on that and not just like maybe just a

713  
00:30:21,830 --> 00:30:19,440

local accidental power failure or just

714

00:30:24,169 --> 00:30:21,840

maybe two other kind of politically

715

00:30:26,210 --> 00:30:24,179

Affiliated people and that that's that

716

00:30:27,470 --> 00:30:26,220

dropped if you notice like that's not in

717

00:30:30,409 --> 00:30:27,480

the headlines anymore

718

00:30:33,110 --> 00:30:30,419

and so if they can't explain these

719

00:30:34,430 --> 00:30:33,120

things and they don't really have a good

720

00:30:35,570 --> 00:30:34,440

motive they're not going to talk about

721

00:30:37,130 --> 00:30:35,580

it that means there's something else

722

00:30:39,529 --> 00:30:37,140

going on either like these guys are like

723

00:30:41,450 --> 00:30:39,539

hired to do this or other teams were

724

00:30:43,909 --> 00:30:41,460

hired to do this and they can't stop it

725

00:30:45,830 --> 00:30:43,919

so they're not going to talk about it

726

00:30:47,149 --> 00:30:45,840

the weird thing is I mean this this is

727

00:30:48,889 --> 00:30:47,159

what I don't understand if they have

728

00:30:50,630 --> 00:30:48,899

quote-unquote firearms and from that one

729

00:30:52,310 --> 00:30:50,640

photo they looked like they were um just

730

00:30:54,529 --> 00:30:52,320

hunting rifles

731

00:30:56,690 --> 00:30:54,539

um yeah so a 30 out six I mean that's

732

00:30:59,090 --> 00:30:56,700

got a lot of punch to it

733

00:31:01,010 --> 00:30:59,100

why do you have to use bolt cutters to

734

00:31:02,750 --> 00:31:01,020

get into the station you can sit across

735

00:31:04,789 --> 00:31:02,760

the street and do that it just doesn't

736

00:31:07,310 --> 00:31:04,799

make any sense so it did say they went

737

00:31:08,750 --> 00:31:07,320

in there and they they flipped a few

738

00:31:11,269 --> 00:31:08,760

switches

739

00:31:13,970 --> 00:31:11,279

I so I guess they had to go in there to

740

00:31:15,710 --> 00:31:13,980

to do that to actually get access and

741

00:31:17,690 --> 00:31:15,720

flip some switches but you imagine a

742

00:31:22,090 --> 00:31:17,700

couple bullets might do the job that

743

00:31:24,529 --> 00:31:22,100

you're you're looking to do I don't know

744

00:31:26,810 --> 00:31:24,539

there's beeping lights there's there's

745

00:31:29,570 --> 00:31:26,820

there's switches that need to be flipped

746

00:31:31,250 --> 00:31:29,580

and all that kind of stuff who knows but

747

00:31:33,169 --> 00:31:31,260

what about all the ones that Shatner saw

748

00:31:35,450 --> 00:31:33,179

that were blinking and flashing and

749

00:31:37,310 --> 00:31:35,460

flashing and blinking and it's too

750

00:31:38,570 --> 00:31:37,320

confusing for most people what about the

751

00:31:40,310 --> 00:31:38,580

uh they also had lights that were

752

00:31:43,970 --> 00:31:40,320

blinking out of sequence well you got to

753

00:31:45,350 --> 00:31:43,980

suggested sequence yeah in sequence that

754

00:31:49,669 --> 00:31:45,360

really helps

755

00:31:50,870 --> 00:31:49,679

but here's our uh next uh update here

756

00:31:56,690 --> 00:31:50,880

uh

757

00:32:01,029 --> 00:31:56,700

may be caused by environmental factors

758

00:32:03,169 --> 00:32:01,039

unidentified health problems and stress

759

00:32:05,990 --> 00:32:03,179

is environmental health factors does

760

00:32:07,850 --> 00:32:06,000

that include climate change I I would

761

00:32:10,070 --> 00:32:07,860

say that it probably could let's see if

762

00:32:12,769 --> 00:32:10,080

the article says this

763

00:32:17,090 --> 00:32:12,779

The Havana syndrome this which started

764

00:32:20,450 --> 00:32:17,100

back in uh I would say late 2016 yeah

765

00:32:22,610 --> 00:32:20,460

2016 or so yeah at the embassy in Cuba

766

00:32:25,070 --> 00:32:22,620

Havana Cuba where people started hearing

767

00:32:29,029 --> 00:32:25,080

like loud buzzing and chirping cricket

768

00:32:32,029 --> 00:32:29,039

sounds people suffered massive brain

769

00:32:33,289 --> 00:32:32,039

injuries they felt sick and nauseous uh

770

00:32:35,870 --> 00:32:33,299

this then persisted there are some

771

00:32:37,909 --> 00:32:35,880

people overseas that I think near China

772

00:32:39,529 --> 00:32:37,919

or in China experience something similar

773

00:32:41,750 --> 00:32:39,539

they were attached to Kamala Harris's

774

00:32:44,570 --> 00:32:41,760

Entourage Vietnam yeah

775

00:32:48,049 --> 00:32:44,580

and then it happened they they confirmed

776

00:32:50,690 --> 00:32:48,059

again it happened uh in DC and other

777

00:32:54,769 --> 00:32:50,700

people were reporting this thing go on

778

00:32:57,350 --> 00:32:54,779

like in DC so it wasn't just an isolated

779

00:32:58,850 --> 00:32:57,360

incident but here's the cia's uh

780

00:33:00,769 --> 00:32:58,860

explanation so

781

00:33:02,870 --> 00:33:00,779

uh experts have been claiming for years

782

00:33:04,490 --> 00:33:02,880

that Havana syndrome diagnosed in

783

00:33:06,710 --> 00:33:04,500

America government employees and their

784

00:33:09,470 --> 00:33:06,720

family members is likely caused by

785

00:33:14,090 --> 00:33:09,480

exposure to electromagnetic or microwave

786

00:33:17,149 --> 00:33:14,100

energy also known as radio frequency RF

787

00:33:19,250 --> 00:33:17,159

uh in August of 2022 the bite

788

00:33:21,649 --> 00:33:19,260

Administration started providing

789

00:33:25,070 --> 00:33:21,659

financial compensation to some victims

790

00:33:27,769 --> 00:33:25,080

however allegedly a few if any of them

791

00:33:29,990 --> 00:33:27,779

are employed by the Central Intelligence

792

00:33:32,630 --> 00:33:30,000

Agency in September FBI agents who

793

00:33:33,950 --> 00:33:32,640

reported symptoms claim that that they

794

00:33:36,169 --> 00:33:33,960

were also being ignored by the

795

00:33:38,810 --> 00:33:36,179

government so some of them hired lawyers

796

00:33:42,110 --> 00:33:38,820

and the volunteer I guess more recently

797

00:33:44,389 --> 00:33:42,120

the CIA issued a new report about what

798

00:33:46,549 --> 00:33:44,399

may or may not be causing the health

799

00:33:48,230 --> 00:33:46,559

conditions well it sounds like

800

00:33:49,430 --> 00:33:48,240

I'm just going to guess here they're

801  
00:33:51,590 --> 00:33:49,440  
blaming everything on the environment

802  
00:33:53,690 --> 00:33:51,600  
because they do not want to pay up

803  
00:33:55,250 --> 00:33:53,700  
that's it they do not want to okay this

804  
00:33:58,210 --> 00:33:55,260  
is this is like Airlines and weather it

805  
00:34:00,710 --> 00:33:58,220  
was weather related so that's active gun

806  
00:34:03,409 --> 00:34:00,720  
Force Major Act of God nothing to do

807  
00:34:06,169 --> 00:34:03,419  
with it sorry yeah so they I I would say

808  
00:34:09,109 --> 00:34:06,179  
they were told find a reasonable

809  
00:34:12,169 --> 00:34:09,119  
explanation that is not directly linked

810  
00:34:14,030 --> 00:34:12,179  
to some foreign State actor terrorism or

811  
00:34:15,589 --> 00:34:14,040  
anything to deal with it that has to do

812  
00:34:17,690 --> 00:34:15,599  
with being on the job

813  
00:34:20,990 --> 00:34:17,700

but here this is could they Blame It On

814

00:34:23,810 --> 00:34:21,000

The Rain they should like Milli Vanilli

815

00:34:26,149 --> 00:34:23,820

wrong you got it

816

00:34:28,849 --> 00:34:26,159

goes on to say CAA can't prove Havana

817

00:34:30,349 --> 00:34:28,859

syndrome came from an enemy attack well

818

00:34:32,570 --> 00:34:30,359

also they probably can't prove that it

819

00:34:34,129 --> 00:34:32,580

didn't come from an enemy attack and

820

00:34:38,570 --> 00:34:34,139

they specify enemy attack as opposed to

821

00:34:41,030 --> 00:34:38,580

their own stuff Friendly Fire yeah uh a

822

00:34:43,190 --> 00:34:41,040

phased investigation report released by

823

00:34:45,589 --> 00:34:43,200

the U.S Central Intelligence Agency on

824

00:34:47,810 --> 00:34:45,599

the 20th believes that most of the

825

00:34:49,909 --> 00:34:47,820

so-called Havana syndrome among U.S

826

00:34:51,530 --> 00:34:49,919

embassy Personnel may be caused by

827

00:34:54,169 --> 00:34:51,540

environmental factors unidentified

828

00:34:56,510 --> 00:34:54,179

health problems and stress

829

00:34:57,530 --> 00:34:56,520

what if they weren't vaccinated why

830

00:34:59,510 --> 00:34:57,540

didn't they didn't include that in here

831

00:35:02,030 --> 00:34:59,520

like they weren't vaccinated therefore

832

00:35:02,690 --> 00:35:02,040

they I know it was back in 2016 but you

833

00:35:05,150 --> 00:35:02,700

know

834

00:35:07,730 --> 00:35:05,160

gotta gotta include that yes I got them

835

00:35:12,589 --> 00:35:10,130

um uh problems and stress it is not

836

00:35:14,450 --> 00:35:12,599

caused by a large-scale use of secret

837

00:35:17,390 --> 00:35:14,460

weapons and secret weaponses and quotes

838

00:35:19,130 --> 00:35:17,400

by a hostile country allegedly Havana

839

00:35:21,290 --> 00:35:19,140

syndrome involves U.S diplomatic

840

00:35:24,530 --> 00:35:21,300

personnel and their families in Cuba

841

00:35:27,170 --> 00:35:24,540

France Australia Switzerland Austria

842

00:35:29,270 --> 00:35:27,180

Russia Germany and other countries and

843

00:35:32,210 --> 00:35:29,280

most of the cases are residents in

844

00:35:34,849 --> 00:35:32,220

Havana the capital of Cuba

845

00:35:36,530 --> 00:35:34,859

according to the reports uh these

846

00:35:38,270 --> 00:35:36,540

ex-patriates

847

00:35:43,810 --> 00:35:38,280

uh

848

00:35:46,790 --> 00:35:43,820

hearing loss dizziness nausea migraines

849

00:35:48,230 --> 00:35:46,800

fatigue and other symptoms U.S

850

00:35:51,290 --> 00:35:48,240

government later called these symptoms

851  
00:35:54,470 --> 00:35:51,300  
consistent with mild traumatic brain

852  
00:35:56,150 --> 00:35:54,480  
injury as Havana syndrome is what they

853  
00:35:58,550 --> 00:35:56,160  
dubbed it and believed it was caused by

854  
00:36:00,950 --> 00:35:58,560  
the use of a secret weapon by a hostile

855  
00:36:02,810 --> 00:36:00,960  
country at the end of 2020 the National

856  
00:36:04,970 --> 00:36:02,820  
Academy of Science engineering and

857  
00:36:06,230 --> 00:36:04,980  
Medicine which is which was also

858  
00:36:07,910 --> 00:36:06,240  
commissioned by the U.S state Department

859  
00:36:09,290 --> 00:36:07,920  
to investigate the matter issued a

860  
00:36:11,569 --> 00:36:09,300  
report stating that the attack from

861  
00:36:15,589 --> 00:36:11,579  
radio frequency waves should be the most

862  
00:36:18,890 --> 00:36:15,599  
credible explanation for Havana syndrome

863  
00:36:20,750 --> 00:36:18,900

so there you go that's what they said

864

00:36:22,910 --> 00:36:20,760

according to reports from the U.S media

865

00:36:24,349 --> 00:36:22,920

several CIA officers who did not want to

866

00:36:28,790 --> 00:36:24,359

be named revealed that the CIA

867

00:36:31,130 --> 00:36:28,800

investigated uh most of the 1 000 Havana

868

00:36:33,530 --> 00:36:31,140

syndrome cases and believe that these

869

00:36:36,650 --> 00:36:33,540

cases cannot be exclaimed explained by

870

00:36:39,050 --> 00:36:36,660

the same reason but unlikely to have

871

00:36:41,930 --> 00:36:39,060

been caused by the use of secret weapons

872

00:36:43,730 --> 00:36:41,940

by a hostile State however the CIA also

873

00:36:45,470 --> 00:36:43,740

said the investigation had not been

874

00:36:48,650 --> 00:36:45,480

completed and that there are still more

875

00:36:51,530 --> 00:36:48,660

than 20 cases without investigating the

876

00:36:54,470 --> 00:36:51,540

reasons that can be explained

877

00:36:56,390 --> 00:36:54,480

so the possibility that foreign forces

878

00:36:57,410 --> 00:36:56,400

are behind the scenes cannot be ruled

879

00:36:58,970 --> 00:36:57,420

out

880

00:37:01,370 --> 00:36:58,980

okay it sounds like they're

881

00:37:03,470 --> 00:37:01,380

contradicting the headline here

882

00:37:05,089 --> 00:37:03,480

well to your point they said they can't

883

00:37:07,250 --> 00:37:05,099

prove but they also can't not prove it

884

00:37:11,510 --> 00:37:07,260

but the Academy of Science says it most

885

00:37:15,349 --> 00:37:13,190

um when people experience symptoms and

886

00:37:17,030 --> 00:37:15,359

illness so this is like the article from

887

00:37:18,650 --> 00:37:17,040

the activists

888

00:37:20,589 --> 00:37:18,660

now when people experience symptoms and

889

00:37:22,849 --> 00:37:20,599

illnesses after being exposed to

890

00:37:25,730 --> 00:37:22,859

electromagnetic frequencies also

891

00:37:28,370 --> 00:37:25,740

referring to Electro smog also referred

892

00:37:29,569 --> 00:37:28,380

to as Electro smog this is often

893

00:37:32,329 --> 00:37:29,579

referred that's what they're calling

894

00:37:33,230 --> 00:37:32,339

here Electro never heard that oh that

895

00:37:34,910 --> 00:37:33,240

sounds amazing I've never heard of

896

00:37:37,130 --> 00:37:34,920

electric smog either but according to

897

00:37:39,950 --> 00:37:37,140

msnbcnews.com

898

00:37:43,670 --> 00:37:39,960

uh it is a thing that sounds like the

899

00:37:45,890 --> 00:37:43,680

name uh or it sounds like the the uh one

900

00:37:47,569 --> 00:37:45,900

of the the weapons or something of a

901  
00:37:50,030 --> 00:37:47,579  
crappy comic book bad guy you've got

902  
00:37:51,770 --> 00:37:50,040  
your bad guy Electro man yeah like I'm

903  
00:37:53,510 --> 00:37:51,780  
gonna release my Electro Smog and then

904  
00:37:54,770 --> 00:37:53,520  
Captain Planet has to like come out of

905  
00:37:57,410 --> 00:37:54,780  
his like

906  
00:37:58,910 --> 00:37:57,420  
weird sewer hole and punch him or

907  
00:38:01,490 --> 00:37:58,920  
something yeah do you understand that

908  
00:38:03,349 --> 00:38:01,500  
okay it's not convoluted at all uh so

909  
00:38:05,630 --> 00:38:03,359  
apparently um records going back at

910  
00:38:07,730 --> 00:38:05,640  
least to 2015. Electro smog refers to

911  
00:38:09,589 --> 00:38:07,740  
all man-made electromagnetic radiation

912  
00:38:13,310 --> 00:38:09,599  
created and present in our surrounding

913  
00:38:15,650 --> 00:38:13,320

environment apparently well

914

00:38:18,109 --> 00:38:15,660

um electric smog this is often referred

915

00:38:20,510 --> 00:38:18,119

to as microwave sickness radiation

916

00:38:22,370 --> 00:38:20,520

sickness electromagnetic sensity or

917

00:38:23,930 --> 00:38:22,380

electromagnetic hypersensitive

918

00:38:27,050 --> 00:38:23,940

sensitivity

919

00:38:30,290 --> 00:38:27,060

uh electric smog includes microwave AKA

920

00:38:32,390 --> 00:38:30,300

radio frequencies AKA Wireless Wi-Fi

921

00:38:35,930 --> 00:38:32,400

radiation from cell phones cell towers

922

00:38:38,450 --> 00:38:35,940

utilities Smart Meters 5G and numerous

923

00:38:40,730 --> 00:38:38,460

other sources power stations power

924

00:38:41,750 --> 00:38:40,740

stations maybe it may be yeah maybe you

925

00:38:43,490 --> 00:38:41,760

have to get some bolt cutters going

926  
00:38:45,650 --> 00:38:43,500  
there and turn that off for them Decades

927  
00:38:49,609 --> 00:38:45,660  
of research has already determined that

928  
00:38:52,310 --> 00:38:49,619  
exposure to biologically harmful and Es

929  
00:38:54,950 --> 00:38:52,320  
I guess electromagnetic Electro smog is

930  
00:38:55,970 --> 00:38:54,960  
a federally recognized disability in the

931  
00:38:59,750 --> 00:38:55,980  
U.S

932  
00:39:01,849 --> 00:38:59,760  
really it is in uh 2021 a Federal Court

933  
00:39:03,650 --> 00:39:01,859  
ruled in favor of organizations and

934  
00:39:06,290 --> 00:39:03,660  
petitioners that sued the Federal

935  
00:39:08,390 --> 00:39:06,300  
Communications Commission for not

936  
00:39:10,910 --> 00:39:08,400  
adequately protecting Americans from

937  
00:39:13,490 --> 00:39:10,920  
Wireless radiation exposure including 5G

938  
00:39:15,530 --> 00:39:13,500

in November of 2022 one of the

939

00:39:16,970 --> 00:39:15,540

organizations announced it is seeking

940

00:39:19,670 --> 00:39:16,980

plaintiffs

941

00:39:21,530 --> 00:39:19,680

who have been injured by exposure from

942

00:39:23,569 --> 00:39:21,540

cell towers and Wi-Fi

943

00:39:26,030 --> 00:39:23,579

okay uh and more government employees

944

00:39:28,730 --> 00:39:26,040

report event syndrome and have filed

945

00:39:31,750 --> 00:39:28,740

lawsuits so there you go say the CIA

946

00:39:35,750 --> 00:39:31,760

says probably environmental factors

947

00:39:38,089 --> 00:39:35,760

and the academy for Sciences is probably

948

00:39:39,170 --> 00:39:38,099

radio frequencies and people are getting

949

00:39:42,230 --> 00:39:39,180

sick

950

00:39:44,150 --> 00:39:42,240

palpitations I can't concentrate I

951  
00:39:47,390 --> 00:39:44,160  
forget things I

952  
00:39:49,430 --> 00:39:47,400  
I get confused yeah

953  
00:39:50,390 --> 00:39:49,440  
all those things have happened can we

954  
00:39:52,250 --> 00:39:50,400  
include

955  
00:39:54,589 --> 00:39:52,260  
um 5G on that because that's a

956  
00:39:56,270 --> 00:39:54,599  
conspiracy theory yeah well 5G is listed

957  
00:39:58,730 --> 00:39:56,280  
on here

958  
00:40:00,349 --> 00:39:58,740  
um it is it is listed so

959  
00:40:02,810 --> 00:40:00,359  
this is the update and I think they're

960  
00:40:05,270 --> 00:40:02,820  
going to want to drop it after this

961  
00:40:07,190 --> 00:40:05,280  
like this is like the the CIA is gonna

962  
00:40:08,870 --> 00:40:07,200  
like Drop It Like no more they have like

963  
00:40:10,130 --> 00:40:08,880

20 more cases what are they related

964

00:40:11,569 --> 00:40:10,140

they're just gonna close the book on

965

00:40:13,010 --> 00:40:11,579

this one completely yeah it didn't

966

00:40:15,470 --> 00:40:13,020

happen that's it

967

00:40:17,030 --> 00:40:15,480

it's like after that what really are

968

00:40:21,230 --> 00:40:17,040

they gonna say because they probably

969

00:40:23,510 --> 00:40:21,240

know the real answer they just can't say

970

00:40:25,550 --> 00:40:23,520

that's it that's the case closed time to

971

00:40:27,710 --> 00:40:25,560

move on exactly

972

00:40:29,150 --> 00:40:27,720

yeah

973

00:40:30,470 --> 00:40:29,160

that's all they want to do they want to

974

00:40:32,450 --> 00:40:30,480

move on

975

00:40:34,550 --> 00:40:32,460

well if they admit that this is

976

00:40:36,829 --> 00:40:34,560

something they either know about from

977

00:40:39,470 --> 00:40:36,839

from foreign actors or their own though

978

00:40:41,870 --> 00:40:39,480

there are microwave weapons but not used

979

00:40:44,510 --> 00:40:41,880

for Jennifer crowd dispersal things

980

00:40:46,849 --> 00:40:44,520

um then it might kind of

981

00:40:48,710 --> 00:40:46,859

you know it basically might open that

982

00:40:50,630 --> 00:40:48,720

that entire can of worms for all sorts

983

00:40:53,870 --> 00:40:50,640

of stuff so yeah if they can if they say

984

00:40:55,910 --> 00:40:53,880

we believe it is

985

00:40:58,130 --> 00:40:55,920

another country doing this but we don't

986

00:41:00,710 --> 00:40:58,140

know who and we by the way we can't

987

00:41:02,750 --> 00:41:00,720

defend you from it uh that's a lack of

988

00:41:04,730 --> 00:41:02,760

confidence that's a loss of additional

989

00:41:06,650 --> 00:41:04,740

loss of faith in the government they

990

00:41:08,210 --> 00:41:06,660

can't have that so just chalk it up to

991

00:41:10,730 --> 00:41:08,220

the government chalk it up the climate

992

00:41:15,109 --> 00:41:10,740

change chalk it up to anything else that

993

00:41:17,089 --> 00:41:15,119

isn't like by a person doing it

994

00:41:20,230 --> 00:41:17,099

though I do want to raise the question

995

00:41:22,130 --> 00:41:20,240

why was it it seemed to be only around

996

00:41:23,810 --> 00:41:22,140

embassies and involving like

997

00:41:25,250 --> 00:41:23,820

intelligence Personnel at embassies and

998

00:41:26,810 --> 00:41:25,260

consulates and things like that so

999

00:41:29,569 --> 00:41:26,820

wouldn't it be affecting way more people

1000

00:41:32,089 --> 00:41:29,579

than that you'd imagine like there's way

1001

00:41:34,190 --> 00:41:32,099

more people that are under stress and

1002

00:41:35,150 --> 00:41:34,200

have similar working conditions as to

1003

00:41:38,270 --> 00:41:35,160

those people

1004

00:41:44,190 --> 00:41:38,280

so uh they're apparently they're not

1005
