

Downed UFO and Psychic Attacks

1
00:00:06,670 --> 00:00:01,030

[Applause]

2
00:00:11,270 --> 00:00:09,169

uh when we have we have crossover news

3
00:00:13,070 --> 00:00:11,280

Joe we have crossover geopolitical news

4
00:00:13,910 --> 00:00:13,080

in paranormal UFO news can you believe

5
00:00:17,269 --> 00:00:13,920

that

6
00:00:19,609 --> 00:00:17,279

uh we do uh yeah I've been on the show

7
00:00:25,570 --> 00:00:22,929

I guess you have haven't you

8
00:00:29,269 --> 00:00:25,580

uh well uh

9
00:00:32,569 --> 00:00:29,279

there was a suspected UFO shot down over

10
00:00:35,270 --> 00:00:32,579

Russia about a day and a half ago yeah

11
00:00:37,430 --> 00:00:35,280

I'll bring this up on screen

12
00:00:39,410 --> 00:00:37,440

and then we'll we'll just dive into it

13
00:00:42,110 --> 00:00:39,420

there's a news report that I will play

14

00:00:44,510 --> 00:00:42,120

over here there's really not much to be

15

00:00:46,670 --> 00:00:44,520

shown on screen so just to play the news

16

00:00:48,290 --> 00:00:46,680

report and uh

17

00:00:51,170 --> 00:00:48,300

here we go

18

00:00:55,069 --> 00:00:51,180

Russian air defenses Melissa did say

19

00:00:56,630 --> 00:00:55,079

that they shot down a UFO they actually

20

00:00:59,750 --> 00:00:56,640

released some video of it we're looking

21

00:01:02,569 --> 00:00:59,760

at it here this was reportedly shot down

22

00:01:05,329 --> 00:01:02,579

in the rustov area near the Ukraine

23

00:01:07,609 --> 00:01:05,339

border the governor of this Russian

24

00:01:10,010 --> 00:01:07,619

region said the UFO was a small sized

25

00:01:12,830 --> 00:01:10,020

object in the shape of a ball and was

26

00:01:14,929 --> 00:01:12,840

flying roughly a mile and a half in high

27

00:01:16,850 --> 00:01:14,939

in the sky on January 3rd when the

28

00:01:20,149 --> 00:01:16,860

decision was made to shoot it down now

29

00:01:22,370 --> 00:01:20,159

it is not clear what the object is it's

30

00:01:24,410 --> 00:01:22,380

certainly possible it was a you know a

31

00:01:26,870 --> 00:01:24,420

Ukrainian or maybe even a Russian drone

32

00:01:29,149 --> 00:01:26,880

uh related to the conflict we don't know

33

00:01:31,429 --> 00:01:29,159

still though back in September the

34

00:01:34,249 --> 00:01:31,439

National Academy of Sciences of Ukraine

35

00:01:37,310 --> 00:01:34,259

claimed the sky's over Kiev we're

36

00:01:40,550 --> 00:01:37,320

swarming with unidentified flying

37

00:01:42,469 --> 00:01:40,560

objects so add this to our long list of

38

00:01:45,890 --> 00:01:42,479

what was that

39

00:01:47,690 --> 00:01:45,900

there you go okay so wait a minute so is

40

00:01:49,069 --> 00:01:47,700

this what we're seeing now that's the

41

00:01:51,590 --> 00:01:49,079

video of it getting shot down yeah

42

00:01:53,810 --> 00:01:51,600

that's that that is the video that have

43

00:01:55,429 --> 00:01:53,820

been it has been going around and all we

44

00:01:57,889 --> 00:01:55,439

were looking at for anybody who was

45

00:01:59,569 --> 00:01:57,899

listening at home is just a bright light

46

00:02:01,910 --> 00:01:59,579

coming from the ground going up to the

47

00:02:03,889 --> 00:02:01,920

sky supposedly shooting

48

00:02:07,130 --> 00:02:03,899

a ball of light but I don't even see the

49

00:02:10,249 --> 00:02:07,140

ball of light in this video at all

50

00:02:12,830 --> 00:02:10,259

uh look at this look at these two look

51
00:02:15,229 --> 00:02:12,840
at these clowns yes I love these

52
00:02:17,510 --> 00:02:15,239
reporters they look very serious like

53
00:02:19,910 --> 00:02:17,520
they are a hundred percent I mean this

54
00:02:22,850 --> 00:02:19,920
Mike this may be the biggest scoop and

55
00:02:24,410 --> 00:02:22,860
it's only January yeah well Joe that

56
00:02:26,150 --> 00:02:24,420
reporter enjoys the biggest scoop every

57
00:02:29,449 --> 00:02:26,160
night on his ice cream yeah he's

58
00:02:32,110 --> 00:02:29,459
enjoying big Scoops all the time he's

59
00:02:35,330 --> 00:02:32,120
he's a bigger boy that's fine you know

60
00:02:38,210 --> 00:02:35,340
chocolate chip

61
00:02:40,729 --> 00:02:38,220
so this uh this has been going around to

62
00:02:42,110 --> 00:02:40,739
quite a few uh news reports what's the

63
00:02:44,869 --> 00:02:42,120

source on this other than like random

64

00:02:47,690 --> 00:02:44,879

ass YouTube videos actual Source yeah

65

00:02:50,449 --> 00:02:47,700

Jerusalem Post is uh on this I have one

66

00:02:52,610 --> 00:02:50,459

from actual source so I got uh this just

67

00:02:55,430 --> 00:02:52,620

quite a few just type down Russia shoot

68

00:02:56,210 --> 00:02:55,440

down UFO and it's quite a quite a bit

69

00:02:58,309 --> 00:02:56,220

um

70

00:03:00,710 --> 00:02:58,319

now in that news report he said it could

71

00:03:02,210 --> 00:03:00,720

have been a Ukrainian drone or a Russian

72

00:03:04,550 --> 00:03:02,220

drone that was shot down they didn't

73

00:03:06,830 --> 00:03:04,560

even mention that it could be a U.S

74

00:03:08,630 --> 00:03:06,840

drone that could have been shot in a

75

00:03:10,809 --> 00:03:08,640

NATO drone or anything yeah

76

00:03:16,009 --> 00:03:10,819

um now if people remember

77

00:03:19,190 --> 00:03:16,019

uh IQ back in I think 2016 2017 there

78

00:03:23,149 --> 00:03:19,200

was a very very fast-moving drone that

79

00:03:27,350 --> 00:03:23,159

strafed uh Iranian troops that were uh

80

00:03:30,649 --> 00:03:27,360

shooting artillery at it it was just a

81

00:03:32,330 --> 00:03:30,659

glowing ball of light uh and it flew

82

00:03:34,430 --> 00:03:32,340

super low to the ground and there was

83

00:03:36,949 --> 00:03:34,440

some video out there very hard to uh

84

00:03:38,869 --> 00:03:36,959

actually uh see that and then a few

85

00:03:43,789 --> 00:03:38,879

months later there was video that came

86

00:03:46,610 --> 00:03:43,799

out of Utah of a fast-moving ball of uh

87

00:03:49,250 --> 00:03:46,620

well it was a silvery kind of object

88

00:03:51,350 --> 00:03:49,260

that was moving thousands and thousands

89

00:03:53,149 --> 00:03:51,360

of miles an hour Joe and I talked about

90

00:03:54,890 --> 00:03:53,159

that at length if you look on YouTube

91

00:03:56,869 --> 00:03:54,900

there's a there's like a 30 minute clip

92

00:04:01,130 --> 00:03:56,879

of us going over and over the video it's

93

00:04:04,670 --> 00:04:01,140

like 4K resolution uh video of this UFO

94

00:04:05,509 --> 00:04:04,680

going straight across the land uh pretty

95

00:04:07,970 --> 00:04:05,519

clear

96

00:04:09,710 --> 00:04:07,980

people trying to debug it claiming that

97

00:04:11,809 --> 00:04:09,720

it was like an insect close to the

98

00:04:13,850 --> 00:04:11,819

camera I don't know it wasn't

99

00:04:15,530 --> 00:04:13,860

um and then now we have this so I think

100

00:04:18,890 --> 00:04:15,540

it honestly what what they were probably

101
00:04:21,229 --> 00:04:18,900
shooting down was a Ukrainian drone

102
00:04:23,210 --> 00:04:21,239
or one of ours doing some kind of

103
00:04:25,790 --> 00:04:23,220
reconnaissance like something that was

104
00:04:27,050 --> 00:04:25,800
attached to us and they shot it down but

105
00:04:30,249 --> 00:04:27,060
you could imagine if this is a

106
00:04:34,070 --> 00:04:30,259
fast-moving drone it could have evaded

107
00:04:36,110 --> 00:04:34,080
uh this uh anti-air missile system or

108
00:04:37,310 --> 00:04:36,120
whatever you know high altitude

109
00:04:39,830 --> 00:04:37,320
reconnaissance drones do not move

110
00:04:41,689 --> 00:04:39,840
quickly no well the ones that I see uh

111
00:04:43,189 --> 00:04:41,699
the ones that I just referenced uh they

112
00:04:46,189 --> 00:04:43,199
certainly did so this may have been

113
00:04:48,110 --> 00:04:46,199

older Tech not the not the latest the

114

00:04:49,310 --> 00:04:48,120

greatest high altitude reconnaissance so

115

00:04:50,570 --> 00:04:49,320

it's just loitering over the area it was

116

00:04:52,909 --> 00:04:50,580

over an air base so they shot it down

117

00:04:55,670 --> 00:04:52,919

yeah so those things they putter along

118

00:04:57,650 --> 00:04:55,680

there at 150 miles an hour so let's run

119

00:05:00,170 --> 00:04:57,660

a race a race car powder and these

120

00:05:03,230 --> 00:05:00,180

racetrack pattern they shot it down

121

00:05:05,330 --> 00:05:03,240

so it's not like what we think of UFOs

122

00:05:06,770 --> 00:05:05,340

like uh aliens no I would say that's a

123

00:05:09,650 --> 00:05:06,780

translation thing they shot down an

124

00:05:11,629 --> 00:05:09,660

unidentified aircraft which got

125

00:05:14,330 --> 00:05:11,639

translated as unidentified flying object

126

00:05:16,969 --> 00:05:14,340

oh my God it's a UFO but if it was

127

00:05:18,710 --> 00:05:16,979

purely an alien that is that's

128

00:05:21,950 --> 00:05:18,720

remarkable and that's that should be

129

00:05:23,450 --> 00:05:21,960

good showing up oh let's go land over

130

00:05:26,689 --> 00:05:23,460

here blam

131

00:05:27,890 --> 00:05:26,699

um if it were truly playing into you

132

00:05:30,050 --> 00:05:27,900

know our ongoing theory about this

133

00:05:31,610 --> 00:05:30,060

long-term disclosure soft disclosure

134

00:05:34,430 --> 00:05:31,620

coming from the US government they would

135

00:05:36,790 --> 00:05:34,440

have referred to it as a UAP yes correct

136

00:05:41,450 --> 00:05:36,800

but they didn't

137

00:05:45,409 --> 00:05:41,460

another one but uh the Russians at least

138

00:05:48,050 --> 00:05:45,419

as a culture they're fairly open to uh

139

00:05:50,870 --> 00:05:48,060

aliens and extraterrestrials like as a

140

00:05:53,810 --> 00:05:50,880

people uh they are they have a a very

141

00:05:56,450 --> 00:05:53,820

fairly long history of uh folklore

142

00:05:58,490 --> 00:05:56,460

around this kind of stuff uh I don't

143

00:06:01,129 --> 00:05:58,500

know what how the media over there

144

00:06:03,230 --> 00:06:01,139

reports it over here for decades and

145

00:06:04,790 --> 00:06:03,240

decades and decades when that subject

146

00:06:06,110 --> 00:06:04,800

gets brought up the the news media just

147

00:06:08,870 --> 00:06:06,120

makes fun of people calling them crazy

148

00:06:11,150 --> 00:06:08,880

delusional or they saw you know Santa

149

00:06:12,890 --> 00:06:11,160

Claus in the sky or swamp gas they

150

00:06:13,969 --> 00:06:12,900

really dismiss it but over in Russia

151
00:06:17,170 --> 00:06:13,979
they kind of take it a little bit more

152
00:06:19,850 --> 00:06:17,180
serious uh or at least they'll they will

153
00:06:20,629 --> 00:06:19,860
indulge in the thoughts uh a little bit

154
00:06:28,010 --> 00:06:20,639
more

155
00:06:30,529 --> 00:06:28,020
related to paranormal

156
00:06:32,090 --> 00:06:30,539
stuff in relation to geopolitics and the

157
00:06:32,990 --> 00:06:32,100
conflict currently going on I have this

158
00:06:35,629 --> 00:06:33,000
headline

159
00:06:38,870 --> 00:06:35,639
uh and I'll bring this up on screen

160
00:06:42,110 --> 00:06:38,880
right here please here's a headline

161
00:06:45,050 --> 00:06:42,120
Russia is afraid of Western psychic

162
00:06:46,730 --> 00:06:45,060
attacks that's good news

163
00:06:49,309 --> 00:06:46,740

oh yes you heard me

164

00:06:52,070 --> 00:06:49,319

uh Russia is afraid of Western psychic

165

00:06:55,249 --> 00:06:52,080

attacks and this is this was written not

166

00:06:59,029 --> 00:06:55,259

but a few days ago so this is a current

167

00:07:01,010 --> 00:06:59,039

fear of Russia when it comes to psychic

168

00:07:03,770 --> 00:07:01,020

attacks

169

00:07:07,430 --> 00:07:03,780

um and so this is written on the 3rd of

170

00:07:10,070 --> 00:07:07,440

January 2023 a few days later uh the

171

00:07:14,270 --> 00:07:10,080

Russian shutdown what they claim to be

172

00:07:18,290 --> 00:07:14,280

a UFO so keep that in mind psychic UFO

173

00:07:21,409 --> 00:07:18,300

well if you get dig deep into the UFO

174

00:07:25,070 --> 00:07:21,419

history uh there's a there's you can't

175

00:07:27,350 --> 00:07:25,080

separate psychic related topics and

176

00:07:29,450 --> 00:07:27,360

Consciousness and UFOs they're kind of

177

00:07:32,029 --> 00:07:29,460

they're in the same ballpark they're not

178

00:07:34,129 --> 00:07:32,039

the same game but it's in the same

179

00:07:36,650 --> 00:07:34,139

league if you know what I'm saying what

180

00:07:39,170 --> 00:07:36,660

if the UFO was carrying psychics who

181

00:07:41,930 --> 00:07:39,180

were gonna do some up close actual

182

00:07:43,550 --> 00:07:41,940

remote viewing oh well then you just

183

00:07:45,350 --> 00:07:43,560

have to deliver I don't you don't even

184

00:07:48,350 --> 00:07:45,360

have to deliver the psychics or the

185

00:07:50,089 --> 00:07:48,360

remote viewers anywhere close to the

186

00:07:51,170 --> 00:07:50,099

theater of war better than right you

187

00:07:52,550 --> 00:07:51,180

just put them right there and they can

188

00:07:54,770 --> 00:07:52,560

remotely view it with their own eyeballs

189

00:07:56,809 --> 00:07:54,780

okay fine and then with binoculars is

190

00:07:59,029 --> 00:07:56,819

what you're saying yeah send over guys

191

00:08:02,150 --> 00:07:59,039

with binoculars we should Market some

192

00:08:04,610 --> 00:08:02,160

remote viewing binoculars okay well back

193

00:08:07,909 --> 00:08:04,620

to this article uh

194

00:08:11,150 --> 00:08:07,919

when it comes to Russia

195

00:08:13,189 --> 00:08:11,160

fearing psychic attacks from uh the West

196

00:08:14,930 --> 00:08:13,199

uh there are plenty of reasons these

197

00:08:17,749 --> 00:08:14,940

days to wonder if Russian President

198

00:08:20,150 --> 00:08:17,759

Vladimir Putin and his cronies are Off

199

00:08:22,790 --> 00:08:20,160

Their Rockers but a recent leaked Memo

200

00:08:24,409 --> 00:08:22,800

from the Kremlin reveals that those in

201
00:08:26,869 --> 00:08:24,419
charge of the Russian Russian government

202
00:08:29,270 --> 00:08:26,879
are further down the rabbit hole than

203
00:08:31,610 --> 00:08:29,280
most of us realized the memo published

204
00:08:34,010 --> 00:08:31,620
by The Insider a Russian news Outlet in

205
00:08:37,670 --> 00:08:34,020
Exile outlines how the Russian Federal

206
00:08:40,010 --> 00:08:37,680
guard service the fso which protects

207
00:08:43,490 --> 00:08:40,020
high-ranking officials such as Putin

208
00:08:45,590 --> 00:08:43,500
would handle the invasion of Ukraine or

209
00:08:47,750 --> 00:08:45,600
any other War spilling over onto the

210
00:08:50,509 --> 00:08:47,760
country's own soil it focuses on

211
00:08:53,750 --> 00:08:50,519
psychological preparedness uh in

212
00:08:55,730 --> 00:08:53,760
ensuring that the fso officers would

213
00:08:58,490 --> 00:08:55,740

have the moral and psychological support

214

00:09:01,670 --> 00:08:58,500

needed to resist with the memo calls a

215

00:09:04,250 --> 00:09:01,680

potential massive ideological attack

216

00:09:06,710 --> 00:09:04,260

but the Russians aren't simply worried

217

00:09:08,449 --> 00:09:06,720

about the usual wartime propaganda like

218

00:09:10,190 --> 00:09:08,459

the sneaky radio broadcast or

219

00:09:12,710 --> 00:09:10,200

underground newspapers instead the

220

00:09:16,190 --> 00:09:12,720

Kremlin is mounting preparations for

221

00:09:20,030 --> 00:09:16,200

what it calls a psychological infection

222

00:09:22,910 --> 00:09:20,040

of personnel by an enemy who would

223

00:09:27,230 --> 00:09:22,920

manipulate them through hypnosis as well

224

00:09:28,670 --> 00:09:27,240

as through unknown mystical and psychic

225

00:09:30,710 --> 00:09:28,680

powers

226

00:09:33,530 --> 00:09:30,720

you got that so far

227

00:09:34,850 --> 00:09:33,540

no but I

228

00:09:37,190 --> 00:09:34,860

it almost sounds like they're worried

229

00:09:38,930 --> 00:09:37,200

about like just media propaganda if it's

230

00:09:41,509 --> 00:09:38,940

like wide scale like that they're

231

00:09:45,230 --> 00:09:41,519

worried about any and all types of

232

00:09:47,690 --> 00:09:45,240

influence on their their troops that

233

00:09:50,870 --> 00:09:47,700

should ban Tick Tock uh maybe they have

234

00:09:52,310 --> 00:09:50,880

or is take talk a lot in Russia I don't

235

00:09:54,050 --> 00:09:52,320

know it's just full of influencers so if

236

00:09:57,470 --> 00:09:54,060

you don't want those people around

237

00:09:59,269 --> 00:09:57,480

uh the memo warns of PSI generators and

238

00:10:01,610 --> 00:09:59,279

hypnotic abilities used by Foreign

239

00:10:03,769 --> 00:10:01,620

Personnel uh beliefs in mysticism uh

240

00:10:05,930 --> 00:10:03,779

Mystic Powers is relatively common in

241

00:10:08,509 --> 00:10:05,940

Russia where roughly 20 of the people

242

00:10:12,230 --> 00:10:08,519

have visited a psychic in more than 60

243

00:10:14,990 --> 00:10:12,240

percent believe in some form of magic uh

244

00:10:17,389 --> 00:10:15,000

not a lady yeah I I like like I just

245

00:10:19,490 --> 00:10:17,399

said before this the their culture over

246

00:10:20,990 --> 00:10:19,500

there is much more open you said they

247

00:10:22,910 --> 00:10:21,000

were open to aliens and now they're

248

00:10:27,190 --> 00:10:22,920

saying they've all believed they're open

249

00:10:31,190 --> 00:10:27,200

to the Paranormal you got that okay

250

00:10:34,790 --> 00:10:31,200

broadly all right you understand that

251

00:10:36,410 --> 00:10:34,800

not really but uh okay well such fears

252

00:10:38,930 --> 00:10:36,420

to see here so

253

00:10:40,370 --> 00:10:38,940

um like 60 uh believe in some form of

254

00:10:42,230 --> 00:10:40,380

magic

255

00:10:44,750 --> 00:10:42,240

um I say they go on the state they talk

256

00:10:48,470 --> 00:10:44,760

to a Russian expert who says this issue

257

00:10:50,569 --> 00:10:48,480

of hypnosis and telekinesis whatever it

258

00:10:53,090 --> 00:10:50,579

is they're attempting to do I think the

259

00:10:55,850 --> 00:10:53,100

Russian true the Russians truly believe

260

00:10:58,310 --> 00:10:55,860

it most of us are still trying to exist

261

00:11:00,710 --> 00:10:58,320

in the real world and the Russian

262

00:11:02,829 --> 00:11:00,720

leadership are not they're not trying

263

00:11:06,650 --> 00:11:02,839

anymore

264

00:11:08,870 --> 00:11:06,660

uh such fears May uh be forced

265

00:11:10,550 --> 00:11:08,880

uh may be enforced at the top it's been

266

00:11:12,350 --> 00:11:10,560

long rumored that Russian leaders

267

00:11:15,350 --> 00:11:12,360

including Putin believe in mysticism

268

00:11:18,650 --> 00:11:15,360

astrology numerology and psychics as

269

00:11:21,290 --> 00:11:18,660

well as a conviction that their ruler uh

270

00:11:23,210 --> 00:11:21,300

the rule over a greater Russia is

271

00:11:24,650 --> 00:11:23,220

precedented and we've we've talked about

272

00:11:26,630 --> 00:11:24,660

this we talked about

273

00:11:29,090 --> 00:11:26,640

um you know previous articles it's hard

274

00:11:31,970 --> 00:11:29,100

to tell what is Western propaganda that

275

00:11:35,030 --> 00:11:31,980

is hyped up versus what is Russian

276

00:11:37,610 --> 00:11:35,040

belief systems of the higher Echelon of

277

00:11:39,650 --> 00:11:37,620

the government we talked about uh the uh

278

00:11:41,769 --> 00:11:39,660

reindeer blood the magic reindeer blood

279

00:11:44,810 --> 00:11:41,779

a few episodes ago

280

00:11:47,210 --> 00:11:44,820

sacrifices uh sacrificing reindeers and

281

00:11:49,910 --> 00:11:47,220

chopping off their antlers because of

282

00:11:52,370 --> 00:11:49,920

the antlers of reindeer uh provide good

283

00:11:54,410 --> 00:11:52,380

luck and good fortune that's a real

284

00:11:56,030 --> 00:11:54,420

thing they do over there

285

00:11:58,610 --> 00:11:56,040

um now whether or not Putin takes part

286

00:12:01,850 --> 00:11:58,620

in that uh who knows

287

00:12:06,410 --> 00:12:01,860

but it's not uncommon for leaders of any

288

00:12:08,930 --> 00:12:06,420

country to consult Mystics seers and

289

00:12:11,329 --> 00:12:08,940

just uh occultists in general in order

290

00:12:13,790 --> 00:12:11,339

to gain insight into whatever kind of

291

00:12:16,550 --> 00:12:13,800

political goals they may have

292

00:12:17,870 --> 00:12:16,560

Reagan's the Reagans did that with uh

293

00:12:19,730 --> 00:12:17,880

astrology

294

00:12:21,110 --> 00:12:19,740

um yeah you're telling me with Nancy

295

00:12:22,730 --> 00:12:21,120

Reagan learned through astrology she

296

00:12:25,069 --> 00:12:22,740

wasn't talking to Ronnie about it during

297

00:12:28,430 --> 00:12:25,079

bed when they were making speeches jelly

298

00:12:34,310 --> 00:12:31,490

um so this all seems a little uh crazy

299

00:12:36,470 --> 00:12:34,320

to your average person

300

00:12:40,310 --> 00:12:36,480

right I know Joe doesn't buy this he

301
00:12:42,170 --> 00:12:40,320
thinks this is probably bobkus

302
00:12:43,850 --> 00:12:42,180
am I assuming that correctly jumping

303
00:12:46,850 --> 00:12:43,860
around that yeah you were Malarkey

304
00:12:49,970 --> 00:12:46,860
that's right yeah that's it's hooey

305
00:12:51,769 --> 00:12:49,980
I don't know well there is here in this

306
00:12:53,750 --> 00:12:51,779
country Mike we only believe hard

307
00:12:56,090 --> 00:12:53,760
science given to us by pharmaceutical

308
00:12:57,530 --> 00:12:56,100
companies correct that is yes that is

309
00:13:00,710 --> 00:12:57,540
correct Gretchen

310
00:13:02,329 --> 00:13:00,720
oh I got my mask on I'm sorry old

311
00:13:06,710 --> 00:13:02,339
Cratchit saying it like it is oh

312
00:13:09,949 --> 00:13:06,720
crutches that's true uh but up here I

313
00:13:12,650 --> 00:13:09,959

have a an article say five true stories

314

00:13:16,810 --> 00:13:12,660

about the military's Research into

315

00:13:20,449 --> 00:13:16,820

Paranormal Activity and this documents

316

00:13:22,009 --> 00:13:20,459

uh a lot of what we already know about

317

00:13:24,590 --> 00:13:22,019

um some of the stuff that the CIA was

318

00:13:27,170 --> 00:13:24,600

doing with MK Ultra and the project

319

00:13:30,889 --> 00:13:27,180

Stargate with remote viewing but it also

320

00:13:32,930 --> 00:13:30,899

uh insinuates that uh the intelligence

321

00:13:35,389 --> 00:13:32,940

the intelligence communities that were

322

00:13:37,730 --> 00:13:35,399

investigating this paranormal research

323

00:13:39,350 --> 00:13:37,740

on the U.S side

324

00:13:41,810 --> 00:13:39,360

um basically we're saying we have to

325

00:13:45,769 --> 00:13:41,820

investigate it because the Russians are

326

00:13:48,829 --> 00:13:45,779

investigating the exact same thing that

327

00:13:50,269 --> 00:13:48,839

uh we only were dipping our toes in the

328

00:13:52,129 --> 00:13:50,279

remote viewing water because we know the

329

00:13:54,889 --> 00:13:52,139

Russians are doing it is a psychic cold

330

00:13:56,990 --> 00:13:54,899

war is what uh essentially what it

331

00:13:59,210 --> 00:13:57,000

amounts to so you have like uh

332

00:14:00,590 --> 00:13:59,220

uh with this the top five it all started

333

00:14:03,290 --> 00:14:00,600

with the Nazis

334

00:14:06,410 --> 00:14:03,300

uh some of whom were obsessed with black

335

00:14:09,230 --> 00:14:06,420

magic which is correct with the rural

336

00:14:13,850 --> 00:14:09,240

Society Hitler and the the Third Reich

337

00:14:16,490 --> 00:14:13,860

were actively uh lobbying occultists for

338

00:14:18,050 --> 00:14:16,500

advice and and goals with the Third

339

00:14:20,210 --> 00:14:18,060

Reich

340

00:14:22,310 --> 00:14:20,220

and then you had the uh the Cold War

341

00:14:24,290 --> 00:14:22,320

arms race spilled over into psychic

342

00:14:24,949 --> 00:14:24,300

research

343

00:14:27,350 --> 00:14:24,959

um

344

00:14:29,810 --> 00:14:27,360

and so the it goes basically it's the

345

00:14:31,790 --> 00:14:29,820

little snippet here now the CA and K KGB

346

00:14:33,829 --> 00:14:31,800

would conduct similar experiments each

347

00:14:36,170 --> 00:14:33,839

side arguing that the other side's

348

00:14:38,990 --> 00:14:36,180

program required counter measurements in

349

00:14:42,230 --> 00:14:39,000

order to defend against them so I have

350

00:14:44,990 --> 00:14:42,240

to hire Jean Gray of the X-Men because

351
00:14:47,389 --> 00:14:45,000
the Russians got you know the the

352
00:14:48,530 --> 00:14:47,399
crystal lady so

353
00:14:50,810 --> 00:14:48,540
why

354
00:14:55,069 --> 00:14:53,210
I'm trying to talk in uh you know marvel

355
00:14:57,470 --> 00:14:55,079
terms

356
00:14:59,870 --> 00:14:57,480
um the hell's the crystal lady and it

357
00:15:02,509 --> 00:14:59,880
goes on to say well I think I forget her

358
00:15:04,250 --> 00:15:02,519
name but wasn't Jean Gray Jean Gray is

359
00:15:07,250 --> 00:15:04,260
the bald guy who led the X-Men No that's

360
00:15:09,230 --> 00:15:07,260
Xavier Jean Gray was the Phoenix she

361
00:15:11,509 --> 00:15:09,240
erupted into flame and was like this

362
00:15:13,790 --> 00:15:11,519
super powerful mutant Who Rose From the

363
00:15:16,310 --> 00:15:13,800

Ashes came back from the dead and was

364

00:15:17,449 --> 00:15:16,320
able to just annihilate Worlds by

365

00:15:19,550 --> 00:15:17,459
herself

366

00:15:23,750 --> 00:15:19,560
the crystal lady a bunch of nerds Chris

367

00:15:26,930 --> 00:15:25,310
um but then like number three here they

368

00:15:29,150 --> 00:15:26,940
had that that time

369

00:15:31,250 --> 00:15:29,160
um a secretary with psychic powers found

370

00:15:34,370 --> 00:15:31,260
a down Soviet bomber which is true

371

00:15:37,009 --> 00:15:34,380
through the use of remote viewing uh

372

00:15:39,650 --> 00:15:37,019
back in I believe the late 70s they were

373

00:15:43,009 --> 00:15:39,660
able to use remote viewing to find a

374

00:15:44,990 --> 00:15:43,019
downed Soviet bomber in Africa before

375

00:15:46,970 --> 00:15:45,000
the Soviets could get to it so uh very

376

00:15:48,949 --> 00:15:46,980

handy dandy to have some psychics in

377

00:15:50,449 --> 00:15:48,959

your pocket to use to find uh some

378

00:15:52,730 --> 00:15:50,459

pretty interesting things

379

00:15:55,430 --> 00:15:52,740

and then obviously The Men Who Stare at

380

00:15:57,829 --> 00:15:55,440

Goats that project Stargate

381

00:16:01,250 --> 00:15:57,839

um scenario there's a documentary called

382

00:16:03,949 --> 00:16:01,260

Third Eye Spies that people can take a

383

00:16:06,170 --> 00:16:03,959

look at uh does a pretty good job

384

00:16:08,329 --> 00:16:06,180

and so as I was kind of looking through

385

00:16:10,910 --> 00:16:08,339

all this stuff because Putin's very

386

00:16:12,949 --> 00:16:10,920

concerned about psychic Warfare uh if

387

00:16:14,769 --> 00:16:12,959

he's concerned about it that means we're

388

00:16:18,110 --> 00:16:14,779

concerned about it

389

00:16:20,030 --> 00:16:18,120

uh and especially coupled with the

390

00:16:23,210 --> 00:16:20,040

previous show when we talked about the

391

00:16:25,269 --> 00:16:23,220

report about Havana syndrome and the

392

00:16:28,610 --> 00:16:25,279

most recent report put out by the CIA

393

00:16:31,150 --> 00:16:28,620

they said there's nothing really to

394

00:16:35,569 --> 00:16:31,160

worry about because it's all

395

00:16:38,629 --> 00:16:35,579

environmental stresses uh the health of

396

00:16:41,509 --> 00:16:38,639

the individual and the CIA says it is

397

00:16:44,870 --> 00:16:41,519

not the ACT Havana syndrome is not the

398

00:16:47,569 --> 00:16:44,880

result of a hostile act by a foreign

399

00:16:50,150 --> 00:16:47,579

power not there's no microwave radiation

400

00:16:53,050 --> 00:16:50,160

there's no direct assault it's all

401
00:16:56,389 --> 00:16:53,060
basically people who just coincidentally

402
00:16:58,850 --> 00:16:56,399
work for the federal government and all

403
00:17:02,030 --> 00:16:58,860
have very similar symptoms of being sick

404
00:17:04,730 --> 00:17:02,040
and pretty severely injured uh when they

405
00:17:08,569 --> 00:17:04,740
are closely aligned to embassies or

406
00:17:11,990 --> 00:17:08,579
high-ranking you know Entourage

407
00:17:13,549 --> 00:17:12,000
but uh I did a little digging and I

408
00:17:15,530 --> 00:17:13,559
found this PDF I'll put this in the uh

409
00:17:17,270 --> 00:17:15,540
the show notes so people can can look

410
00:17:20,390 --> 00:17:17,280
through this

411
00:17:24,770 --> 00:17:20,400
um and this is details some of

412
00:17:26,390 --> 00:17:24,780
the the projects that did happen

413
00:17:28,669 --> 00:17:26,400

um and this is titled Russian book

414

00:17:30,830 --> 00:17:28,679

translation project results so someone

415

00:17:33,770 --> 00:17:30,840

was looking at the rut what the Russians

416

00:17:36,110 --> 00:17:33,780

were concerned about and what the CIA

417

00:17:39,130 --> 00:17:36,120

was doing when it comes to

418

00:17:43,190 --> 00:17:39,140

how do you Influence People

419

00:17:45,830 --> 00:17:43,200

uh through technology and quasi

420

00:17:49,310 --> 00:17:45,840

paranormal ways and this is a pretty

421

00:17:53,150 --> 00:17:49,320

lengthy PDF and there's various sources

422

00:17:56,029 --> 00:17:53,160

cited and so when it comes to uh should

423

00:17:58,070 --> 00:17:56,039

uh Putin be concerned about psychic

424

00:18:01,970 --> 00:17:58,080

influence propaganda whether it's coming

425

00:18:05,210 --> 00:18:01,980

from the radio or remotely

426

00:18:08,510 --> 00:18:05,220

uh access the brains through through

427

00:18:10,730 --> 00:18:08,520

psychics well there is ways that you can

428

00:18:13,549 --> 00:18:10,740

directly talk to people through

429

00:18:15,409 --> 00:18:13,559

microwaves and maybe they're doing this

430

00:18:17,630 --> 00:18:15,419

as some sort of like uh subversive

431

00:18:20,390 --> 00:18:17,640

campaign the West is using some of this

432

00:18:22,789 --> 00:18:20,400

high technology to directly get into

433

00:18:24,650 --> 00:18:22,799

Russian troops brains

434

00:18:26,450 --> 00:18:24,660

and so oh okay I like that so they're

435

00:18:28,909 --> 00:18:26,460

setting up these drones that are beaming

436

00:18:31,730 --> 00:18:28,919

microwave things into the Russians heads

437

00:18:33,110 --> 00:18:31,740

yeah yeah like the Navy Yard shooter and

438

00:18:34,549 --> 00:18:33,120

all the other kind of stuff we hear

439

00:18:35,990 --> 00:18:34,559

about yes because that guy was carving

440

00:18:38,330 --> 00:18:36,000

stuff on his gun and hearing voices

441

00:18:40,310 --> 00:18:38,340

doesn't mean he wasn't hearing voices

442

00:18:42,890 --> 00:18:40,320

yeah so that's true you can hear voices

443

00:18:45,049 --> 00:18:42,900

without microwaves you just naturally

444

00:18:48,470 --> 00:18:45,059

just for fun

445

00:18:50,150 --> 00:18:48,480

um and so for Fun Some of like according

446

00:18:53,630 --> 00:18:50,160

to this PDF I'll put it in there some of

447

00:18:57,549 --> 00:18:53,640

like the scientifically proven symptoms

448

00:19:00,110 --> 00:18:57,559

that can be the result of radiation

449

00:19:02,029 --> 00:19:00,120

directed radio radiation through

450

00:19:05,690 --> 00:19:02,039

microwaves

451

00:19:10,130 --> 00:19:05,700

um is uh microwave hearing as part of a

452

00:19:12,909 --> 00:19:10,140

Dia report in 1976 uh then you have

453

00:19:15,890 --> 00:19:12,919

acoustic psycho correction transmission

454

00:19:17,630 --> 00:19:15,900

of specific commands into the

455

00:19:20,270 --> 00:19:17,640

subconscious

456

00:19:23,029 --> 00:19:20,280

um then you have the EMR signals to the

457

00:19:26,029 --> 00:19:23,039

brain causing visual disturbances as

458

00:19:29,930 --> 00:19:26,039

demonstrated in 1985 injection of words

459

00:19:32,150 --> 00:19:29,940

numbers into the brain via EMR waves

460

00:19:34,810 --> 00:19:32,160

and then manipulation of emotions via

461

00:19:38,270 --> 00:19:34,820

magnetic signals to the brave brain

462

00:19:40,610 --> 00:19:38,280

reading Thoughts by deciphering brains

463

00:19:43,610 --> 00:19:40,620

electromagnetic signals

464

00:19:46,010 --> 00:19:43,620

um this is as demonstrated in year 2000

465

00:19:49,730 --> 00:19:46,020

so everything's like

466

00:19:51,470 --> 00:19:49,740

uh footnoted here in this PDF uh very

467

00:19:55,669 --> 00:19:51,480

well thought out

468

00:19:57,830 --> 00:19:55,679

and I think it's fairly within the realm

469

00:20:00,350 --> 00:19:57,840

of real possibility that we have this

470

00:20:02,390 --> 00:20:00,360

technology we're using it and that the

471

00:20:03,590 --> 00:20:02,400

Russians have this technology and maybe

472

00:20:07,909 --> 00:20:03,600

using it

473

00:20:09,289 --> 00:20:07,919

and that there is a real like below the

474

00:20:13,130 --> 00:20:09,299

surface conflict going on yeah there's

475

00:20:15,590 --> 00:20:13,140

the over Ukrainian kinetic conflict but

476
00:20:20,210 --> 00:20:15,600
then you have maybe someone like us

477
00:20:23,450 --> 00:20:20,220
flying drones over that is bombarding uh

478
00:20:26,330 --> 00:20:23,460
the populace with low frequency waves to

479
00:20:30,890 --> 00:20:26,340
influence their emotions to cause this

480
00:20:33,529 --> 00:20:30,900
unsettledness within Russia to Spur some

481
00:20:35,930 --> 00:20:33,539
sort of rebellion or an emotion that

482
00:20:39,169 --> 00:20:35,940
would lead them most likely to rebel

483
00:20:42,710 --> 00:20:41,330
there you go well microwaves by

484
00:20:44,289 --> 00:20:42,720
definition would be high frequency not

485
00:20:47,150 --> 00:20:44,299
low frequency

486
00:20:49,730 --> 00:20:47,160
extreme like so what they had on the the

487
00:20:52,010 --> 00:20:49,740
guy's gun was extremely low frequency

488
00:20:53,930 --> 00:20:52,020

the elf waves but then microwaves yeah

489

00:20:56,330 --> 00:20:53,940

much higher yeah well the Navy does that

490

00:20:57,770 --> 00:20:56,340

they base it out of uh Kansas Nebraska

491

00:20:59,870 --> 00:20:57,780

they broadcast all over the planet

492

00:21:02,150 --> 00:20:59,880

through the planet um

493

00:21:05,330 --> 00:21:02,160

so hey what about your microwave dishes

494

00:21:09,289 --> 00:21:05,340

do this stuff my way well it it doesn't

495

00:21:12,110 --> 00:21:09,299

work as well as I would hope uh there's

496

00:21:12,120 --> 00:21:19,070

I mean it works well

497

00:21:22,970 --> 00:21:20,870

it works well if you want to like shoot

498

00:21:25,130 --> 00:21:22,980

like thoughts into your own head and

499

00:21:26,690 --> 00:21:25,140

heat a Hot Pocket at the same time

500

00:21:28,070 --> 00:21:26,700

just put the cold hot bucket in your

501
00:21:30,169 --> 00:21:28,080
mouth you got to stick your head in the

502
00:21:30,950 --> 00:21:30,179
microwave to get thoughts transferred in

503
00:21:33,169 --> 00:21:30,960
there

504
00:21:35,149 --> 00:21:33,179
and they're not good when you use it you

505
00:21:38,570 --> 00:21:35,159
do it like when they do x-rays where you

506
00:21:39,950 --> 00:21:38,580
like leave the room yeah

507
00:21:41,630 --> 00:21:39,960
you put food in the microwave then leave

508
00:21:43,130 --> 00:21:41,640
the room and go huddle behind a lead

509
00:21:44,630 --> 00:21:43,140
blanket honey will you put the Hot

510
00:21:45,950 --> 00:21:44,640
Pocket in them in the microwave for me

511
00:21:47,890 --> 00:21:45,960
when I go stand in the living room

512
00:21:50,770 --> 00:21:47,900
behind this lead blanket

513
00:21:54,250 --> 00:21:50,780

he bought an email

514

00:21:57,470 --> 00:21:54,260

at gmail.com check out
