

News Attack

1
00:00:09,970 --> 00:00:01,030

[Applause]

2
00:00:13,490 --> 00:00:12,110

there's eight different things going on

3
00:00:16,550 --> 00:00:13,500

here I don't know what's going on

4
00:00:20,450 --> 00:00:18,830

um well I don't have any like theme to

5
00:00:21,650 --> 00:00:20,460

today I just got a random assortment of

6
00:00:24,710 --> 00:00:21,660

stuff

7
00:00:27,470 --> 00:00:24,720

um as is often most of the time but um

8
00:00:30,650 --> 00:00:27,480

where should we start

9
00:00:34,729 --> 00:00:30,660

so last week we talked about some some

10
00:00:36,709 --> 00:00:34,739

uh brand new uh toilet technology oh yes

11
00:00:40,250 --> 00:00:36,719

we did that you could you could pee all

12
00:00:41,690 --> 00:00:40,260

over and it would it would uh um it

13
00:00:43,910 --> 00:00:41,700

would give you health indicators like

14

00:00:45,410 --> 00:00:43,920

you do your health information this

15

00:00:47,150 --> 00:00:45,420

might be good for people that are really

16

00:00:49,850 --> 00:00:47,160

pushing things like I said I I thought

17

00:00:51,650 --> 00:00:49,860

it'd be better if they told you if you

18

00:00:54,049 --> 00:00:51,660

like were partying too hard and to kind

19

00:00:56,150 --> 00:00:54,059

of give you like bonus points like

20

00:01:00,709 --> 00:00:56,160

if you're if your piss is mostly whiskey

21

00:01:05,329 --> 00:01:02,990

um so here's a related one in in you

22

00:01:10,310 --> 00:01:05,339

know as far as more toilet technology to

23

00:01:11,690 --> 00:01:10,320

help you diagnose your own problems okay

24

00:01:14,690 --> 00:01:11,700

Let's uh

25

00:01:17,090 --> 00:01:14,700

I like toilet Tech here we go bring this

26

00:01:20,630 --> 00:01:17,100

up on screen here

27

00:01:23,149 --> 00:01:20,640

uh new AI listens to toilet sounds to

28

00:01:26,149 --> 00:01:23,159

detect diarrhea that's some good news on

29

00:01:28,190 --> 00:01:26,159

that front I don't think I need AI to

30

00:01:29,950 --> 00:01:28,200

help me with that though like yes you do

31

00:01:32,210 --> 00:01:29,960

Mike

32

00:01:35,630 --> 00:01:32,220

maybe I don't know maybe I have more

33

00:01:41,810 --> 00:01:39,710

okay well I uh so do I have to like take

34

00:01:45,469 --> 00:01:41,820

pictures of my crap and send that to

35

00:01:46,670 --> 00:01:45,479

chat GPT to let the or so I put

36

00:01:47,990 --> 00:01:46,680

something in my toilet we'll find out

37

00:01:49,429 --> 00:01:48,000

I'm not gonna expect you I'm just gonna

38

00:01:52,130 --> 00:01:49,439

read the article

39

00:01:54,289 --> 00:01:52,140

uh artificial intelligence has achieved

40

00:01:57,170 --> 00:01:54,299

another Milestone Discerning the sounds

41

00:02:00,050 --> 00:01:57,180

of an unhealthy bowel movement

42

00:02:05,270 --> 00:02:00,060

a design for a diarrhea detector could

43

00:02:07,850 --> 00:02:05,280

be a a alert Health officials to disease

44

00:02:09,410 --> 00:02:07,860

outbreaks like cholera was recently

45

00:02:11,930 --> 00:02:09,420

presented by Asian years from Georgia

46

00:02:14,270 --> 00:02:11,940

Tech Research Institute someday the AI

47

00:02:18,410 --> 00:02:14,280

could even be used with Home Smart

48

00:02:20,089 --> 00:02:18,420

devices to monitor one's bowel Health uh

49

00:02:22,070 --> 00:02:20,099

that's good news

50

00:02:23,630 --> 00:02:22,080

I want I want to suggestion we have we

51
00:02:27,650 --> 00:02:23,640
need two devices hanging in the toilet

52
00:02:29,690 --> 00:02:27,660
one for poo poo one for PP uh uh yes in

53
00:02:31,490 --> 00:02:29,700
my entire inside of my toilet bowl is

54
00:02:33,050 --> 00:02:31,500
gonna be just monitors for different

55
00:02:36,110 --> 00:02:33,060
types of things

56
00:02:38,570 --> 00:02:36,120
and they all talk to Alexa and USB

57
00:02:40,850 --> 00:02:38,580
charge I need UB Outlets uh USB outlets

58
00:02:43,130 --> 00:02:40,860
on my toilet now

59
00:02:46,790 --> 00:02:43,140
a prototype accurately identified

60
00:02:49,430 --> 00:02:46,800
diarrhea uh 98 of the time

61
00:02:52,850 --> 00:02:49,440
the engineers told uh told a conference

62
00:02:53,750 --> 00:02:52,860
at the acoustical study of America in

63
00:02:56,630 --> 00:02:53,760

Nashville

64

00:02:59,210 --> 00:02:56,640

even uh even background noise it was

65

00:03:03,229 --> 00:02:59,220

correct uh 96 of time what kind of

66

00:03:06,050 --> 00:03:03,239

diarrhea background noise do you have

67

00:03:08,210 --> 00:03:06,060

like like guys with backing trucks up or

68

00:03:09,949 --> 00:03:08,220

something in there I I don't know it's

69

00:03:13,009 --> 00:03:09,959

loud music I don't know people are

70

00:03:14,390 --> 00:03:13,019

flushing toilets 10 times 15 times yeah

71

00:03:16,130 --> 00:03:14,400

maybe

72

00:03:20,509 --> 00:03:16,140

uh cholera infects millions of people

73

00:03:23,509 --> 00:03:20,519

each year killing up to 100 and 43

74

00:03:25,130 --> 00:03:23,519

000 who became dehydrated from severe

75

00:03:27,530 --> 00:03:25,140

diarrhea according to the World Health

76

00:03:29,630 --> 00:03:27,540

Organization wow I don't know do you

77

00:03:32,990 --> 00:03:29,640

think more or less people died during

78

00:03:35,630 --> 00:03:33,000

January 6 versus cholera each year most

79

00:03:38,229 --> 00:03:35,640

people on January 6 died of Cholera all

80

00:03:41,210 --> 00:03:38,239

right he's a massive guy just an

81

00:03:42,710 --> 00:03:41,220

explosive cholera that was taking out 10

82

00:03:44,630 --> 00:03:42,720

or 12 people to shot

83

00:03:47,570 --> 00:03:44,640

uh many deaths could have been avoided

84

00:03:49,610 --> 00:03:47,580

with an oil rehydration solution if the

85

00:03:53,030 --> 00:03:49,620

outbreak is spotted fast enough cholera

86

00:03:55,610 --> 00:03:53,040

can be lethal within 24 hours after

87

00:03:58,009 --> 00:03:55,620

symptoms start okay so you know what I

88

00:04:00,050 --> 00:03:58,019

say to that dump all you want

89

00:04:02,330 --> 00:04:00,060

I hope you dump a lot

90

00:04:04,610 --> 00:04:02,340

the device could be installed in public

91

00:04:07,430 --> 00:04:04,620

toilets where inadequate Plumbing raises

92

00:04:10,910 --> 00:04:07,440

the risk for collar outbreak so they

93

00:04:12,649 --> 00:04:10,920

want to monitor public crap because at

94

00:04:15,229 --> 00:04:12,659

that point it's not your own it's

95

00:04:16,969 --> 00:04:15,239

basically like trash it's like public uh

96

00:04:19,789 --> 00:04:16,979

what's it called it's just the public

97

00:04:21,949 --> 00:04:19,799

Commons or just uh

98

00:04:23,450 --> 00:04:21,959

public domain public domain public

99

00:04:25,670 --> 00:04:23,460

domain diarrhea is what I'm talking

100

00:04:26,990 --> 00:04:25,680

about here hey yeah once once you

101

00:04:28,490 --> 00:04:27,000

deposit once that leaves your body

102

00:04:31,490 --> 00:04:28,500

that's now belongs to the government

103

00:04:33,050 --> 00:04:31,500

yeah big massive dumps

104

00:04:35,270 --> 00:04:33,060

uh

105

00:04:38,689 --> 00:04:35,280

the idea grew out of a conversation

106

00:04:42,469 --> 00:04:38,699

about how covid-19 can be monitored and

107

00:04:45,950 --> 00:04:42,479

analyzed uh by analyzing sewage says

108

00:04:49,129 --> 00:04:45,960

project co-lead Alexis Noel PhD a bio

109

00:04:50,870 --> 00:04:49,139

and biomechanic engineering okay

110

00:04:52,070 --> 00:04:50,880

he was talking around talking he was

111

00:04:53,689 --> 00:04:52,080

he's sitting around with his buddies at

112

00:04:55,070 --> 00:04:53,699

the lunch table talking about people's

113

00:04:57,050 --> 00:04:55,080

diarrhea

114

00:05:01,010 --> 00:04:57,060

mm-hmm

115

00:05:05,930 --> 00:05:03,170

um other researchers have considered

116

00:05:07,210 --> 00:05:05,940

video analysis to look for diarrhea oh

117

00:05:10,790 --> 00:05:07,220

okay

118

00:05:13,129 --> 00:05:10,800

yeah who's putting those cameras Oh Boy

119

00:05:15,710 --> 00:05:13,139

so they want they're they're peeping

120

00:05:17,930 --> 00:05:15,720

Toms is what they initially said

121

00:05:20,629 --> 00:05:17,940

and then they settled on just acoustic

122

00:05:22,129 --> 00:05:20,639

devices yep

123

00:05:23,270 --> 00:05:22,139

uh you think we can install cameras and

124

00:05:25,550 --> 00:05:23,280

everyone's toilet no can we sell

125

00:05:27,230 --> 00:05:25,560

microphones probably uh he's like I was

126

00:05:30,170 --> 00:05:27,240

curious if we could detect diarrhea

127

00:05:31,909 --> 00:05:30,180

diarrhea using sound Noel said and some

128

00:05:34,129 --> 00:05:31,919

folks are a little worried about having

129

00:05:39,550 --> 00:05:34,139

a camera pointed at their bum in the

130

00:05:41,749 --> 00:05:39,560

toilet yep some folks some just innocent

131

00:05:44,510 --> 00:05:41,759

toilet voyers out there they'd probably

132

00:05:47,629 --> 00:05:44,520

be into this kind of stuff

133

00:05:50,150 --> 00:05:47,639

this is ridiculous but I mean I

134

00:05:52,070 --> 00:05:50,160

understand like I understand some of the

135

00:05:54,650 --> 00:05:52,080

health benefits of it they're not

136

00:05:57,290 --> 00:05:54,660

talking about this being used to

137

00:05:59,330 --> 00:05:57,300

evaluate your own health like giving you

138

00:06:01,430 --> 00:05:59,340

a notification like if some sort of like

139

00:06:02,990 --> 00:06:01,440

badge like you get on Foursquare like oh

140

00:06:05,570 --> 00:06:03,000

I'm the mayor of diarrhea town today

141

00:06:08,150 --> 00:06:05,580

that's great I went to Taco Bell uh no

142

00:06:10,210 --> 00:06:08,160

they're talking about public health for

143

00:06:12,350 --> 00:06:10,220

detecting

144

00:06:14,510 --> 00:06:12,360

disease outbreaks all that kind of stuff

145

00:06:16,850 --> 00:06:14,520

whereas the one for the the urinal one

146

00:06:18,189 --> 00:06:16,860

you had last week credit that was all

147

00:06:22,189 --> 00:06:18,199

about your own health that was all about

148

00:06:24,110 --> 00:06:22,199

uh helping you and having a better uh

149

00:06:27,710 --> 00:06:24,120

healthier life

150

00:06:29,570 --> 00:06:27,720

why not both I guess just

151
00:06:31,070 --> 00:06:29,580
um the scary thing about this one scary

152
00:06:33,230 --> 00:06:31,080
the odd thing about this one is they're

153
00:06:35,510 --> 00:06:33,240
they're talking about how accurate it is

154
00:06:36,770 --> 00:06:35,520
a diagnosing this as if to your earlier

155
00:06:38,809 --> 00:06:36,780
comment as if people can't tell

156
00:06:40,730 --> 00:06:38,819
themselves so what they want to do is

157
00:06:41,990 --> 00:06:40,740
put this into you know public spaces or

158
00:06:44,629 --> 00:06:42,000
whatnot then they can pull information

159
00:06:47,390 --> 00:06:44,639
from there but if you've ever gone into

160
00:06:48,890 --> 00:06:47,400
a public you know Men's Room a lot of

161
00:06:53,710 --> 00:06:48,900
those have already been destroyed by

162
00:07:01,370 --> 00:06:58,430
that's a a that's a 1985 Kohler toilet

163
00:07:03,650 --> 00:07:01,380

right there model of 465.

164

00:07:05,650 --> 00:07:03,660

but the article finishes it up like this

165

00:07:08,990 --> 00:07:05,660

uh quote we're not collecting anything

166

00:07:11,210 --> 00:07:09,000

identifiable about people oh yeah not

167

00:07:14,150 --> 00:07:11,220

wittingly yeah not waitingly that's for

168

00:07:15,830 --> 00:07:14,160

sure but inevitably they they will

169

00:07:17,450 --> 00:07:15,840

collect information about you they're

170

00:07:19,730 --> 00:07:17,460

going to know where you are because they

171

00:07:21,050 --> 00:07:19,740

have your cell phone data and so they're

172

00:07:22,670 --> 00:07:21,060

going to be able to track you to the

173

00:07:25,430 --> 00:07:22,680

public restroom that you use five times

174

00:07:26,990 --> 00:07:25,440

a day and they're going to know you

175

00:07:29,330 --> 00:07:27,000

there because of GPS and then they're

176

00:07:31,249 --> 00:07:29,340

going to know uh exactly what kind of uh

177

00:07:32,150 --> 00:07:31,259

dump you got so they got this

178

00:07:34,129 --> 00:07:32,160

information they'll be able to leverage

179

00:07:36,469 --> 00:07:34,139

your location data the track where you

180

00:07:38,029 --> 00:07:36,479

last ate where you were and then they're

181

00:07:40,070 --> 00:07:38,039

going to start warning Arby's when you

182

00:07:42,469 --> 00:07:40,080

go into the restaurant sir you cannot go

183

00:07:44,450 --> 00:07:42,479

into the restroom not even afford to

184

00:07:47,749 --> 00:07:44,460

keep cleaning up after you yeah when was

185

00:07:49,070 --> 00:07:47,759

the last time you were at Arby's I don't

186

00:07:51,589 --> 00:07:49,080

know I don't know

187

00:07:53,749 --> 00:07:51,599

well we know yeah not wittingly you

188

00:07:56,150 --> 00:07:53,759

didn't wittingly go to Arby's today okay

189

00:07:58,309 --> 00:07:56,160

you just found yourself there

190

00:08:00,350 --> 00:07:58,319

uh researchers have determined have not

191

00:08:02,510 --> 00:08:00,360

yet determined how many devices would be

192

00:08:04,610 --> 00:08:02,520

needed to cover Community or where to

193

00:08:06,650 --> 00:08:04,620

ideally place them well ideally you want

194

00:08:08,689 --> 00:08:06,660

to place these things in toilets if

195

00:08:09,830 --> 00:08:08,699

you're detecting diarrhea that's I would

196

00:08:11,749 --> 00:08:09,840

start there

197

00:08:13,070 --> 00:08:11,759

well but in some public restrooms just

198

00:08:13,969 --> 00:08:13,080

like within about three feet of the

199

00:08:15,710 --> 00:08:13,979

toilet

200

00:08:17,809 --> 00:08:15,720

uh the algorithm still needs to be

201

00:08:20,150 --> 00:08:17,819

refined using better audio data

202

00:08:22,430 --> 00:08:20,160

collected data collected in controlled

203

00:08:24,350 --> 00:08:22,440

conditions oh my God so that means that

204

00:08:26,990 --> 00:08:24,360

they gotta tell their buddies at the lab

205

00:08:29,510 --> 00:08:27,000

we gotta go to Taco Bell you have to get

206

00:08:32,269 --> 00:08:29,520

diarrhea today we're on a deadline to

207

00:08:35,750 --> 00:08:32,279

test these devices we need a Baseline

208

00:08:38,149 --> 00:08:35,760

yeah hey eat this it's called a bouncy

209

00:08:40,790 --> 00:08:38,159

effect gotta got a faucy effect coming

210

00:08:45,350 --> 00:08:40,800

on I went to RVs and Taco Bell twice

211

00:08:50,090 --> 00:08:47,750

uh all right

212

00:08:53,449 --> 00:08:50,100

so uh Gatlin one of the scientists here

213

00:08:55,430 --> 00:08:53,459

also hopes to train the AI to work in

214

00:08:57,410 --> 00:08:55,440

outdoor latrines which are common in

215

00:09:00,050 --> 00:08:57,420

areas without functioning sewage systems

216

00:09:03,829 --> 00:09:02,090

we talked about

217

00:09:05,090 --> 00:09:03,839

he's stepping on Gage's territory

218

00:09:08,329 --> 00:09:05,100

because gates for years was talking

219

00:09:10,370 --> 00:09:08,339

about building specialized toilets yeah

220

00:09:12,410 --> 00:09:10,380

nuclear toilets

221

00:09:13,910 --> 00:09:12,420

that's what we're talking about here

222

00:09:19,690 --> 00:09:13,920

all right we'll move on this is an

223

00:09:24,889 --> 00:09:23,090

a little cretched

224

00:09:26,810 --> 00:09:24,899

all right so here's one I we talked

225

00:09:28,310 --> 00:09:26,820

about this before and I couldn't find

226

00:09:29,630 --> 00:09:28,320

the the earlier one but it was a couple

227

00:09:31,910 --> 00:09:29,640

years ago

228

00:09:33,350 --> 00:09:31,920

um get this into character for you and

229

00:09:36,350 --> 00:09:33,360

so now there's another opportunity for

230

00:09:37,430 --> 00:09:36,360

people interested in a unique job oh

231

00:09:41,690 --> 00:09:37,440

great

232

00:09:45,050 --> 00:09:41,700

no times are tough out there and uh

233

00:09:48,889 --> 00:09:45,060

this job is uh available for anybody who

234

00:09:51,829 --> 00:09:48,899

needs it hot dog Oscar Meyer is hiring a

235

00:09:53,990 --> 00:09:51,839

new class of Wienermobile driver to

236

00:09:55,850 --> 00:09:54,000

travel across the United States that's

237

00:09:57,829 --> 00:09:55,860

some good news on that front

238

00:10:02,090 --> 00:09:57,839

absolutely

239

00:10:04,310 --> 00:10:02,100

oh yes 12 lucky hot Doggers will earn a

240

00:10:07,370 --> 00:10:04,320

one-year full-time gig behind the wheel

241

00:10:09,290 --> 00:10:07,380

of the wiener mobile when I thought the

242

00:10:10,970 --> 00:10:09,300

Wienermobile was used by NASA to

243

00:10:13,670 --> 00:10:10,980

transport the astronauts from the

244

00:10:15,530 --> 00:10:13,680

command facility to the actual rocket I

245

00:10:17,449 --> 00:10:15,540

thought that's what we decided upon

246

00:10:18,769 --> 00:10:17,459

well that would they had an RV and had

247

00:10:19,850 --> 00:10:18,779

trouble with their old Airstream RVs

248

00:10:22,130 --> 00:10:19,860

they were going to use the Wienermobile

249

00:10:25,430 --> 00:10:22,140

oh independent available yeah in a pinch

250

00:10:26,810 --> 00:10:25,440

okay backup uh there is a there is a a

251

00:10:28,070 --> 00:10:26,820

video attached to this but it's not a

252

00:10:29,630 --> 00:10:28,080

it's not a real video it's a fake one

253

00:10:31,130 --> 00:10:29,640

it's one of those okay it's your your

254

00:10:33,170 --> 00:10:31,140

worst kind here's some Stills with uh

255

00:10:34,730 --> 00:10:33,180

music behind it oh okay don't get

256

00:10:38,570 --> 00:10:34,740

tricked

257

00:10:41,150 --> 00:10:38,580

uh uh let's get this hot dog on a roll

258

00:10:42,710 --> 00:10:41,160

yes Oscar Meyer is hiring its newest

259

00:10:45,829 --> 00:10:42,720

class of hot Doggers to travel across

260

00:10:49,190 --> 00:10:45,839

America in its iconic weiner mobile the

261

00:10:52,190 --> 00:10:49,200

27 foot long hot dog on Wheels set out

262

00:10:55,250 --> 00:10:52,200

uh sets out each year to spark some

263

00:10:58,790 --> 00:10:55,260

Smiles with this iconic look but only a

264

00:11:00,590 --> 00:10:58,800

select group of 12 the elite will be

265

00:11:02,630 --> 00:11:00,600

invited to hit the road according to a

266

00:11:05,870 --> 00:11:02,640

recent press release

267

00:11:07,430 --> 00:11:05,880

uh I wonder whether qualifications are

268

00:11:09,889 --> 00:11:07,440

I wonder

269

00:11:11,509 --> 00:11:09,899

well they they don't have a bathroom on

270

00:11:12,769 --> 00:11:11,519

board so you have to use public

271

00:11:14,990 --> 00:11:12,779

restrooms which all have toilet

272

00:11:16,670 --> 00:11:15,000

detectors in them so I wonder if that

273

00:11:18,170 --> 00:11:16,680

guy who ran those people over at that

274

00:11:20,150 --> 00:11:18,180

parade is available to drive their

275

00:11:22,910 --> 00:11:20,160

Wienermobile maybe he might be out by

276

00:11:24,829 --> 00:11:22,920

now so he might see if I can at the at

277

00:11:26,150 --> 00:11:24,839

the bottom here is the job

278

00:11:28,130 --> 00:11:26,160

um

279

00:11:29,269 --> 00:11:28,140

the link to their job or their job site

280

00:11:31,850 --> 00:11:29,279

I don't see if I can find the actual job

281

00:11:34,069 --> 00:11:31,860

here so it's called hot Doggers will be

282

00:11:36,230 --> 00:11:34,079

responsible for maintaining a fleet of

283

00:11:38,930 --> 00:11:36,240

six wiener mobiles creating social

284

00:11:41,870 --> 00:11:38,940

content for various brand channels and

285

00:11:45,230 --> 00:11:41,880

collectively handing out more than 250

286

00:11:47,329 --> 00:11:45,240

000 wiener whistles each year

287

00:11:50,030 --> 00:11:47,339

is that some sort of code that's it

288

00:11:51,889 --> 00:11:50,040

sounds like yeah that's some lingo right

289

00:11:54,470 --> 00:11:51,899

there I'm not familiar with each hot

290

00:11:57,170 --> 00:11:54,480

dogger will serve an official Oscar

291

00:12:00,350 --> 00:11:57,180

Meyers serve as an official Oscar Meyer

292

00:12:03,470 --> 00:12:00,360

spokesperson as more than 200 events per

293

00:12:05,829 --> 00:12:03,480

at more than 200 events per year wow 200

294

00:12:08,690 --> 00:12:05,839

events per year so you're basically

295

00:12:11,030 --> 00:12:08,700

you're on tour with the Wienermobile

296

00:12:13,009 --> 00:12:11,040

going from event to event

297

00:12:16,550 --> 00:12:13,019

what's the what's the salary for this

298

00:12:20,269 --> 00:12:18,230

if I was going to accept this job I

299

00:12:21,530 --> 00:12:20,279

would need at least 150 000 a year to

300

00:12:24,769 --> 00:12:21,540

just kind of work

301
00:12:26,509 --> 00:12:24,779
this is me though so I I did find the um

302
00:12:27,530 --> 00:12:26,519
the actual job listing just put that

303
00:12:29,030 --> 00:12:27,540
Carriage up if you want to go through

304
00:12:31,850 --> 00:12:29,040
the actual job application I'm looking

305
00:12:34,009 --> 00:12:31,860
to see what they say for salary here

306
00:12:37,150 --> 00:12:34,019
asking for a salary range you you'll the

307
00:12:40,850 --> 00:12:37,160
salary range you'll make anywhere from

308
00:12:42,350 --> 00:12:40,860
10 to 20 an hour

309
00:12:43,850 --> 00:12:42,360
doesn't uh

310
00:12:46,250 --> 00:12:43,860
the way this is written is not clear

311
00:12:48,050 --> 00:12:46,260
that does list a salary but

312
00:12:49,910 --> 00:12:48,060
the way it's written is not clear what

313
00:12:52,610 --> 00:12:49,920

the hell they mean

314

00:12:55,490 --> 00:12:52,620

I think there's a typo in it uh your

315

00:12:58,550 --> 00:12:55,500

description requirements uh the Oscar

316

00:13:00,350 --> 00:12:58,560

Meyer hot dogger is an outgoing Creator

317

00:13:03,110 --> 00:13:00,360

friendly exuberant

318

00:13:04,910 --> 00:13:03,120

college graduate who has an appetite for

319

00:13:07,430 --> 00:13:04,920

adventure why do you need a college be a

320

00:13:11,150 --> 00:13:07,440

college graduate so you can underpay

321

00:13:12,590 --> 00:13:11,160

them this this automatically eliminates

322

00:13:14,810 --> 00:13:12,600

anybody who can't afford to go to

323

00:13:17,150 --> 00:13:14,820

college so a vast majority of the

324

00:13:19,670 --> 00:13:17,160

population a lot of inner city people I

325

00:13:21,530 --> 00:13:19,680

would say this this is a racist job

326

00:13:23,509 --> 00:13:21,540

description already

327

00:13:25,730 --> 00:13:23,519

I'm not even being sarcastic here I

328

00:13:27,350 --> 00:13:25,740

think it is

329

00:13:30,530 --> 00:13:27,360

um oh here you go here you go it's a

330

00:13:31,970 --> 00:13:30,540

competitive package including 35 to six

331

00:13:34,009 --> 00:13:31,980

see that's what I'm I think it's

332

00:13:34,790 --> 00:13:34,019

something yeah I think it's supposed to

333

00:13:35,629 --> 00:13:34,800

be 35

334

00:13:39,590 --> 00:13:35,639

000.

335

00:13:42,590 --> 00:13:39,600

35 000 to go on tour like this uh-huh

336

00:13:44,509 --> 00:13:42,600

a weekly allowance of 150 because they

337

00:13:47,210 --> 00:13:44,519

say 7 200 there so let's say it is

338

00:13:49,310 --> 00:13:47,220

paying hot dogs like your salary is in

339

00:13:51,050 --> 00:13:49,320

all Oscar Meyer Wiener hot dogs and you

340

00:13:52,670 --> 00:13:51,060

may pay an Oscar minor script but by

341

00:13:54,889 --> 00:13:52,680

Script they just being hot dogs I make

342

00:13:59,690 --> 00:13:54,899

five hot dogs an hour

343

00:14:01,250 --> 00:13:59,700

35 to 60 dollars an hour or no I think

344

00:14:04,069 --> 00:14:01,260

it's 35 000 because if you look where it

345

00:14:05,990 --> 00:14:04,079

says weekly allowance it's a 7200 a year

346

00:14:07,970 --> 00:14:06,000

which is actually not right either at 7

347

00:14:10,550 --> 00:14:07,980

800 a year but still

348

00:14:14,350 --> 00:14:10,560

I'm entitled to get it together a two

349

00:14:18,350 --> 00:14:16,730

I mean on that kind of salary yeah

350

00:14:22,269 --> 00:14:18,360

that's the very definition of per diem

351

00:14:25,430 --> 00:14:22,279

oh really so per day per day yes

352

00:14:27,650 --> 00:14:25,440

right well I'm in Command Center Alpha

353

00:14:29,150 --> 00:14:27,660

One money after

354

00:14:30,889 --> 00:14:29,160

uh

355

00:14:32,389 --> 00:14:30,899

so actually if you look at this they

356

00:14:33,710 --> 00:14:32,399

give you an extra seven thousand dollars

357

00:14:35,329 --> 00:14:33,720

for for

358

00:14:37,430 --> 00:14:35,339

um meals and personal travel

359

00:14:38,569 --> 00:14:37,440

now if you're handing out hot dogs what

360

00:14:40,069 --> 00:14:38,579

they call them wiener whistles you're

361

00:14:41,750 --> 00:14:40,079

giving people a wiener whistle behind

362

00:14:43,910 --> 00:14:41,760

each uh dumpster

363

00:14:46,129 --> 00:14:43,920

um you can you can save some extra hot

364

00:14:48,470 --> 00:14:46,139

dogs you don't have to buy food yeah a

365

00:14:50,150 --> 00:14:48,480

hot dog party that's right everywhere

366

00:14:53,629 --> 00:14:50,160

you go is a hot dog party pretty much

367

00:14:57,170 --> 00:14:53,639

this is a hot dog party on wheels

368

00:14:59,629 --> 00:14:57,180

uh yeah you the the candidate must uh

369

00:15:01,790 --> 00:14:59,639

also work with internal and external

370

00:15:04,310 --> 00:15:01,800

customer promotions marketing and sales

371

00:15:07,069 --> 00:15:04,320

professionals manage their own travel

372

00:15:09,350 --> 00:15:07,079

public relations uh firm on Wheels

373

00:15:11,870 --> 00:15:09,360

organize promotions contributing to

374

00:15:13,910 --> 00:15:11,880

brain social content and pitching TV

375

00:15:16,550 --> 00:15:13,920

radio and print media this is an awful

376

00:15:18,170 --> 00:15:16,560

lot of work for 30 thigs 35 000 a year

377

00:15:19,970 --> 00:15:18,180

forty thousand dollars a year

378

00:15:22,670 --> 00:15:19,980

this is a lot that's what I'm saying

379

00:15:25,850 --> 00:15:22,680

that's why I'm saying is that does it

380

00:15:28,550 --> 00:15:25,860

say anywhere in this that you cannot use

381

00:15:30,710 --> 00:15:28,560

the Wienermobile as an Uber or Lyft I

382

00:15:33,050 --> 00:15:30,720

would say I make up the Gap I see what

383

00:15:34,670 --> 00:15:33,060

you're saying like as like a little live

384

00:15:37,670 --> 00:15:34,680

in it

385

00:15:40,490 --> 00:15:37,680

I would use it as an Airbnb yeah

386

00:15:42,650 --> 00:15:40,500

oh you could yeah do why not both rent

387

00:15:45,590 --> 00:15:42,660

it out as an Airbnb but then also drive

388

00:15:49,430 --> 00:15:45,600

people for Uber there you go

389

00:15:52,730 --> 00:15:49,440

and then slam hot dogs down their throat

390

00:15:54,470 --> 00:15:52,740

give them all a wiener there you go

391

00:15:56,449 --> 00:15:54,480

oh these are the best hot dogs they're

392

00:15:57,530 --> 00:15:56,459

so succulent sorry folks I got three

393

00:15:58,670 --> 00:15:57,540

jobs here we gotta pick up two more

394

00:16:01,210 --> 00:15:58,680

people and I gotta give you all a wiener

395

00:16:04,430 --> 00:16:01,220

whistle qualifications bachelor's degree

396

00:16:05,629 --> 00:16:04,440

bachelor's degree required preferably in

397

00:16:07,670 --> 00:16:05,639

public relations journalism

398

00:16:11,350 --> 00:16:07,680

Communications advertising or marketing

399

00:16:13,670 --> 00:16:11,360

you must have a minimum of a 3.0 GPA

400

00:16:15,590 --> 00:16:13,680

excellent communication skills and

401

00:16:17,389 --> 00:16:15,600

relation skills outgoing friendly and

402

00:16:19,970 --> 00:16:17,399

passionate that's all these are all me

403

00:16:23,090 --> 00:16:19,980

so far uh bilingual candidates are

404

00:16:24,769 --> 00:16:23,100

encouraged to apply uh required balance

405

00:16:27,710 --> 00:16:24,779

driver's license including a favorable

406

00:16:30,170 --> 00:16:27,720

driving record not me uh

407

00:16:32,930 --> 00:16:30,180

uh legally authorized to work in the

408

00:16:35,990 --> 00:16:32,940

United States and applicant will not

409

00:16:37,730 --> 00:16:36,000

require employment Visa sponsorship must

410

00:16:40,370 --> 00:16:37,740

be able to work on major holidays well

411

00:16:44,030 --> 00:16:40,380

what about uh January 6th is that or

412

00:16:47,449 --> 00:16:44,040

July 6th at Biden July 6th

413

00:16:49,790 --> 00:16:47,459

uh desire and ability to spend the year

414

00:16:50,689 --> 00:16:49,800

on the road as Ambassador for Oscar

415

00:16:52,850 --> 00:16:50,699

Meyer

416

00:16:55,970 --> 00:16:52,860

uh must be comfortable with daily road

417

00:16:58,370 --> 00:16:55,980

travel in the Wienermobile and staying

418

00:17:01,670 --> 00:16:58,380

in hotels for short-term corporate

419

00:17:04,789 --> 00:17:01,680

housing throughout the United States

420

00:17:06,289 --> 00:17:04,799

oh I mean oh no not a not bad if you

421

00:17:08,809 --> 00:17:06,299

like to travel the country permanent a

422

00:17:11,870 --> 00:17:10,549

the way this reaches what they really

423

00:17:14,090 --> 00:17:11,880

want is there's a couple of new College

424

00:17:16,429 --> 00:17:14,100

grads who will be um basically this is a

425

00:17:17,390 --> 00:17:16,439

paid internship yeah and that's what it

426
00:17:19,970 --> 00:17:17,400
seems like

427
00:17:21,169 --> 00:17:19,980
they're really trying to

428
00:17:24,230 --> 00:17:21,179
get somebody with a lot of

429
00:17:27,350 --> 00:17:24,240
qualifications and pay them extremely

430
00:17:30,289 --> 00:17:27,360
low well I don't know first first job in

431
00:17:34,130 --> 00:17:30,299
something like PR making 42 Grand is not

432
00:17:37,370 --> 00:17:34,140
awful but yeah yeah I

433
00:17:39,470 --> 00:17:37,380
in this in this economy with inflation

434
00:17:41,450 --> 00:17:39,480
I didn't say it's great but

435
00:17:43,270 --> 00:17:41,460
you can make it work I paid way less

436
00:17:45,770 --> 00:17:43,280
than that for my first job

437
00:17:47,350 --> 00:17:45,780
you twist his wiener you gotta twist his

438
00:17:54,289 --> 00:17:47,360

wiener

439

00:17:58,970 --> 00:17:57,230

well interesting uh I think a lot of our

440

00:18:00,950 --> 00:17:58,980

listeners will be applying for this

441

00:18:02,630 --> 00:18:00,960

position and if you happen to get a

442

00:18:04,370 --> 00:18:02,640

competitive you know swing on by Central

443

00:18:09,250 --> 00:18:04,380

Ohio I'll come check out your wiener

444

00:18:14,750 --> 00:18:13,190

holy [h__h] grow some balls

445

00:18:17,570 --> 00:18:14,760

I wonder if the uh

446

00:18:19,430 --> 00:18:17,580

the wiener tour uh only follows the same

447

00:18:22,310 --> 00:18:19,440

overlays with the same pattern as uh

448

00:18:25,970 --> 00:18:22,320

Missing 4-1-1 no I I and

449

00:18:28,310 --> 00:18:25,980

it's wake the wiener wake is there a

450

00:18:31,789 --> 00:18:28,320

mass eruption of violence at restaurants

451
00:18:34,010 --> 00:18:31,799
specifically fast food places

452
00:18:35,390 --> 00:18:34,020
every time there's there's viral footage

453
00:18:36,590 --> 00:18:35,400
of a fight at a fast food place in the

454
00:18:37,549 --> 00:18:36,600
background the wiener my girl's driving

455
00:18:38,630 --> 00:18:37,559
away

456
00:18:40,909 --> 00:18:38,640
um

457
00:18:42,830 --> 00:18:40,919
like eight rolls in the town psychic

458
00:18:46,250 --> 00:18:42,840
energy is get pumped up through the roof

459
00:18:49,430 --> 00:18:46,260
because it is emitting weird microwave

460
00:18:51,950 --> 00:18:49,440
Transmissions infecting people's minds

461
00:18:54,049 --> 00:18:51,960
causing them to have mental breakdowns

462
00:18:59,150 --> 00:18:54,059
causing fights giving them the urge to

463
00:19:04,010 --> 00:19:01,610

pretty much I like that I'm gonna I'm

464

00:19:06,650 --> 00:19:04,020

gonna draw a comic based upon uh the

465

00:19:08,330 --> 00:19:06,660

Wienermobile and some guy who installs

466

00:19:10,669 --> 00:19:08,340

these weird Technologies and as he

467

00:19:12,470 --> 00:19:10,679

travels the country I would like to know

468

00:19:14,330 --> 00:19:12,480

can we get a correlation between all the

469

00:19:16,610 --> 00:19:14,340

different places and times where we've

470

00:19:19,070 --> 00:19:16,620

had reports of the Havana syndrome and

471

00:19:20,150 --> 00:19:19,080

where the Wienermobile was yes I'd like

472

00:19:21,650 --> 00:19:20,160

to know

473

00:19:24,770 --> 00:19:21,660

I bet there's some kind of weird

474

00:19:28,850 --> 00:19:24,780

correlation we can make

475

00:19:31,669 --> 00:19:30,169

uh all right got another story here is

476

00:19:32,990 --> 00:19:31,679

another person kind of bad at this

477

00:19:34,730 --> 00:19:33,000

speaking of people's jobs or somebody

478

00:19:36,529 --> 00:19:34,740

who's bad at their job or maybe he's

479

00:19:38,029 --> 00:19:36,539

great at his job I don't know but this

480

00:19:39,950 --> 00:19:38,039

happened in uh in the Netherlands I

481

00:19:41,330 --> 00:19:39,960

pulled this one because I it amused me

482

00:19:43,850 --> 00:19:41,340

when I was reading through headlines and

483

00:19:45,950 --> 00:19:43,860

I told Herman I'd pull up a a story

484

00:19:47,810 --> 00:19:45,960

about a sheeple airport just for him

485

00:19:49,250 --> 00:19:47,820

okay great

486

00:19:55,870 --> 00:19:49,260

uh

487

00:20:02,210 --> 00:19:58,909

at chipple with engine running as driver

488

00:20:04,610 --> 00:20:02,220

catches a flight oh man oh really he's

489

00:20:07,250 --> 00:20:04,620

like hell of this I gotta catch a flight

490

00:20:08,930 --> 00:20:07,260

a delivery van full of packages with his

491

00:20:11,930 --> 00:20:08,940

engine running was abandoned in front of

492

00:20:14,029 --> 00:20:11,940

the uh shrimple Airport's departure Hall

493

00:20:16,930 --> 00:20:14,039

on Wednesday evening the driver left it

494

00:20:20,830 --> 00:20:16,940

there uh to board a plane

495

00:20:22,789 --> 00:20:20,840

okay what's wrong

496

00:20:24,409 --> 00:20:22,799

I got a flight to catch I'm not gonna

497

00:20:26,150 --> 00:20:24,419

Park this I mean that is a really

498

00:20:28,250 --> 00:20:26,160

awesome move because then you don't got

499

00:20:33,130 --> 00:20:28,260

to worry about uh Airport parking and

500

00:20:34,789 --> 00:20:33,140

like long-term pain power moves it is

501
00:20:37,190 --> 00:20:34,799
uh

502
00:20:38,930 --> 00:20:37,200
quote it often happens that curious drop

503
00:20:42,350 --> 00:20:38,940
off packages at the airport but this

504
00:20:44,870 --> 00:20:42,360
time no one came back uh when we we then

505
00:20:47,150 --> 00:20:44,880
saw on camera images how the gentleman

506
00:20:49,310 --> 00:20:47,160
left his van and checked in at the

507
00:20:51,529 --> 00:20:49,320
airport presumably to go on a trip this

508
00:20:52,490 --> 00:20:51,539
spokesperson said presumably to go on a

509
00:20:53,810 --> 00:20:52,500
trip

510
00:20:56,150 --> 00:20:53,820
okay

511
00:21:00,289 --> 00:20:56,160
I think he just took a trip

512
00:21:02,510 --> 00:21:00,299
uh let's see here the uh like I can't I

513
00:21:04,730 --> 00:21:02,520

can't pronounce this weird uh military

514

00:21:07,549 --> 00:21:04,740

police basically military police

515

00:21:09,650 --> 00:21:07,559

uh force is that working with uh on part

516

00:21:11,630 --> 00:21:09,660

of the Dutch military and is responsible

517

00:21:13,310 --> 00:21:11,640

for air airport security so they're

518

00:21:16,130 --> 00:21:13,320

they're on board they got the big guys

519

00:21:18,950 --> 00:21:16,140

on the on the on the senior

520

00:21:20,990 --> 00:21:18,960

uh I say okay they called in dog

521

00:21:24,650 --> 00:21:21,000

sniffers to examine the van for

522

00:21:26,390 --> 00:21:24,660

explosives and other Contraband didn't

523

00:21:28,310 --> 00:21:26,400

find anything suspicious

524

00:21:29,390 --> 00:21:28,320

is this a bunch of Oscar Meyer wieners

525

00:21:32,029 --> 00:21:29,400

that's what I was going to say are we

526

00:21:34,669 --> 00:21:32,039

are we going to see like 35 different

527

00:21:36,470 --> 00:21:34,679

Oscar Meyer wienersmobile just abandoned

528

00:21:37,789 --> 00:21:36,480

at airports as they catch flights to go

529

00:21:40,130 --> 00:21:37,799

someplace else because they realize the

530

00:21:42,470 --> 00:21:40,140

gig sucks

531

00:21:45,409 --> 00:21:42,480

like they tried it for 500 miles and

532

00:21:50,830 --> 00:21:47,890

and there's the Oscar wiener mobile

533

00:21:54,710 --> 00:21:50,840

parked on the side of the road with like

534

00:21:57,310 --> 00:21:54,720

a flat tire just left one wheel up on

535

00:22:01,700 --> 00:21:57,320

the curb with their hazard lights on

536

00:22:04,490 --> 00:22:01,710

that's a sign in the window back in 10.

537

00:22:07,130 --> 00:22:04,500

[Music]

538

00:22:09,110 --> 00:22:07,140

ah the owner of the courier company was

539

00:22:11,029 --> 00:22:09,120

uh caught completely unaware and did not

540

00:22:13,130 --> 00:22:11,039

know the delivery worker had even

541

00:22:14,390 --> 00:22:13,140

planned a trip surprise collie who's

542

00:22:16,310 --> 00:22:14,400

going to pick up the van later on

543

00:22:17,990 --> 00:22:16,320

Wednesday evening okay

544

00:22:19,490 --> 00:22:18,000

what about the packages

545

00:22:21,649 --> 00:22:19,500

there's a note in here it says um

546

00:22:23,930 --> 00:22:21,659

technically The Courier did not commit a

547

00:22:26,210 --> 00:22:23,940

felony the only illegal act was parking

548

00:22:28,610 --> 00:22:26,220

in a No Parking Zone

549

00:22:30,289 --> 00:22:28,620

oh yeah I'm [h__h] I'm pretty sure

550

00:22:31,730 --> 00:22:30,299

we're all well aware that the red zone

551
00:22:34,970 --> 00:22:31,740
is for loading and unloading only

552
00:22:36,710 --> 00:22:34,980
there's no parking in the Red Zone yep

553
00:22:39,710 --> 00:22:36,720
I guess I gotta find this guy and give

554
00:22:41,390 --> 00:22:39,720
him a ticket I wonder where he flew to

555
00:22:43,909 --> 00:22:41,400
yeah we need follow-up story Herman

556
00:22:46,490 --> 00:22:43,919
tracked this guy down yeah talk to the

557
00:22:48,649 --> 00:22:46,500
Kmart figure out where this guy went and

558
00:22:50,870 --> 00:22:48,659
what was you know is he just to avoid

559
00:22:53,090 --> 00:22:50,880
parking or was he quitting yeah it was

560
00:22:55,370 --> 00:22:53,100
just some or was he delivering a package

561
00:22:57,230 --> 00:22:55,380
like this package maybe maybe it was he

562
00:22:58,130 --> 00:22:57,240
had one that was mislabeled he was like

563
00:23:07,789 --> 00:22:58,140

well

564

00:23:12,049 --> 00:23:10,190

very expensive package to deliver but

565

00:23:13,430 --> 00:23:12,059

okay

566

00:23:20,230 --> 00:23:13,440

leave the truck running it'll be there

567

00:23:20,240 --> 00:23:24,710

keep [h__h] that chicken

568

00:23:28,549 --> 00:23:26,210

all right let's see what we got here so

569

00:23:30,649 --> 00:23:28,559

we have a um an inadvertent text message

570

00:23:32,210 --> 00:23:30,659

goes out to a huge number of people in

571

00:23:34,549 --> 00:23:32,220

the UK telling them they all have cancer

572

00:23:35,930 --> 00:23:34,559

and then they say whoops we meant Merry

573

00:23:38,330 --> 00:23:35,940

Christmas

574

00:23:47,169 --> 00:23:38,340

what

575

00:23:51,230 --> 00:23:49,190

we talked about this every now and then

576
00:23:53,750 --> 00:23:51,240
so now they have a random foot that they

577
00:23:56,090 --> 00:23:53,760
found in Yellowstone no person attached

578
00:23:58,010 --> 00:23:56,100
but a foot okay

579
00:23:59,810 --> 00:23:58,020
um and then a actual video and there is

580
00:24:02,810 --> 00:23:59,820
video of this one happening of these

581
00:24:04,190 --> 00:24:02,820
guys trying to um uh set fire to a

582
00:24:05,630 --> 00:24:04,200
building for arson and accidentally set

583
00:24:07,390 --> 00:24:05,640
themselves on fire

584
00:24:11,630 --> 00:24:07,400
um

585
00:24:13,370 --> 00:24:11,640
government text messages though that's

586
00:24:15,049 --> 00:24:13,380
the one I want to know about like all

587
00:24:16,850 --> 00:24:15,059
right

588
00:24:19,610 --> 00:24:16,860

that's

589

00:24:21,049 --> 00:24:19,620

it seems like a solution as the new

590

00:24:23,210 --> 00:24:21,059

agenda guys would think this is some

591

00:24:26,149 --> 00:24:23,220

kind of op

592

00:24:27,529 --> 00:24:26,159

could be sounds like a scam that's what

593

00:24:28,970 --> 00:24:27,539

Curry would think this is some kind of

594

00:24:31,789 --> 00:24:28,980

op but

595

00:24:33,710 --> 00:24:31,799

uh here we go here is the uh the

596

00:24:36,529 --> 00:24:33,720

headline here uh UK Medical Center

597

00:24:39,529 --> 00:24:36,539

apologize for sending text sending mass

598

00:24:43,010 --> 00:24:39,539

text cancer diagnosis instead of Merry

599

00:24:45,590 --> 00:24:43,020

Christmas message oopsie Daisy it was

600

00:24:47,750 --> 00:24:45,600

the next one over on the menu yeah like

601
00:24:48,730 --> 00:24:47,760
you have to don't you have to type that

602
00:24:50,289 --> 00:24:48,740
out

603
00:24:52,850 --> 00:24:50,299
foreign

604
00:24:54,350 --> 00:24:52,860
we're very sorry you have cancer I mean

605
00:24:57,470 --> 00:24:54,360
Merry Christmas

606
00:24:59,330 --> 00:24:57,480
sorry I'd get this mixed up uh a medical

607
00:25:01,909 --> 00:24:59,340
center in the United Kingdom reportedly

608
00:25:05,270 --> 00:25:01,919
meant to text thousands of his patients

609
00:25:07,310 --> 00:25:05,280
a message wishing them a very merry

610
00:25:10,490 --> 00:25:07,320
Christmas but instead sent a message

611
00:25:14,990 --> 00:25:10,500
claiming recipients uh had a diagnosis

612
00:25:16,090 --> 00:25:15,000
diagnosis of aggressive lung cancer oh

613
00:25:18,289 --> 00:25:16,100

my God

614

00:25:22,610 --> 00:25:18,299

what'd you do

615

00:25:25,909 --> 00:25:22,620

God there's some goddamn [h__\h] uh

616

00:25:28,610 --> 00:25:25,919

it's a mistake staff at uh asker Medical

617

00:25:30,230 --> 00:25:28,620

Practice immediately apologized for in a

618

00:25:32,810 --> 00:25:30,240

follow-up mass text message according to

619

00:25:34,130 --> 00:25:32,820

the BBC but isn't stopping the criticism

620

00:25:36,470 --> 00:25:34,140

from flowing in

621

00:25:37,909 --> 00:25:36,480

yeah I mean honestly two days before

622

00:25:39,950 --> 00:25:37,919

Christmas getting that kind of news

623

00:25:43,549 --> 00:25:39,960

because like you probably get the

624

00:25:46,070 --> 00:25:43,559

message you put the phone down and go

625

00:25:49,190 --> 00:25:46,080

holy crap and then you tell your entire

626

00:25:51,049 --> 00:25:49,200

family what's going on in some instances

627

00:25:53,330 --> 00:25:51,059

and then you don't look at your phone

628

00:25:54,649 --> 00:25:53,340

because you're you're busy crying so you

629

00:25:57,110 --> 00:25:54,659

don't get the follow-up text message

630

00:25:59,090 --> 00:25:57,120

maybe for like an hour later or probably

631

00:26:00,950 --> 00:25:59,100

after you have massive diarrhea from

632

00:26:03,350 --> 00:26:00,960

gorging yourself on Taco Bell because

633

00:26:05,029 --> 00:26:03,360

this is the end of times my life is over

634

00:26:06,890 --> 00:26:05,039

I'm gonna eat anything and everything I

635

00:26:08,990 --> 00:26:06,900

want

636

00:26:10,250 --> 00:26:09,000

I'd like to think that this was the last

637

00:26:12,289 --> 00:26:10,260

thing that this person had to do before

638

00:26:13,490 --> 00:26:12,299

they left for their Christmas break and

639

00:26:15,590 --> 00:26:13,500

so they were like all right got already

640

00:26:16,970 --> 00:26:15,600

send and they closed their computer and

641

00:26:19,070 --> 00:26:16,980

they left yeah

642

00:26:21,409 --> 00:26:19,080

and so they let that that linger over

643

00:26:25,070 --> 00:26:21,419

the entire holiday weekend they yeah

644

00:26:27,409 --> 00:26:25,080

they said in an immediate follow-up of

645

00:26:29,990 --> 00:26:27,419

like follow-up but how quickly was that

646

00:26:32,210 --> 00:26:30,000

follow-up text message uh so the initial

647

00:26:34,810 --> 00:26:32,220

message uh was sent on December 23rd

648

00:26:39,230 --> 00:26:34,820

patients were asked to fill out a form

649

00:26:41,269 --> 00:26:39,240

ds-150 one five zero zero reportedly uh

650

00:26:43,190 --> 00:26:41,279

meant for the terminally ill who are

651
00:26:45,830 --> 00:26:43,200
seeking benefits the same message told

652
00:26:48,110 --> 00:26:45,840
recipients that they had been diagnosed

653
00:26:50,750 --> 00:26:48,120
with an aggressive form of lung cancer

654
00:26:52,430 --> 00:26:50,760
uh that has been metastasized it's very

655
00:26:53,590 --> 00:26:52,440
specific in The Testament text messages

656
00:26:56,330 --> 00:26:53,600
too

657
00:26:58,370 --> 00:26:56,340
oh my God uh

658
00:27:01,310 --> 00:26:58,380
okay

659
00:27:04,610 --> 00:27:01,320
um you can continue on here because I'm

660
00:27:06,649 --> 00:27:04,620
kind of curious like when they rectified

661
00:27:09,710 --> 00:27:06,659
the situation another tax Mass tax

662
00:27:12,049 --> 00:27:09,720
message was sent shortly after the first

663
00:27:14,409 --> 00:27:12,059

and it asked patients to please accept

664

00:27:17,570 --> 00:27:14,419

the medical centers to see your apology

665

00:27:18,649 --> 00:27:17,580

for the previous text message sent well

666

00:27:21,529 --> 00:27:18,659

do you still want me to fill out the

667

00:27:24,230 --> 00:27:21,539

form or not I don't they weren't they're

668

00:27:26,390 --> 00:27:24,240

apologizing for the form but should I

669

00:27:27,470 --> 00:27:26,400

fill it out or not they're not they're

670

00:27:29,810 --> 00:27:27,480

not clear that's still gonna fill out

671

00:27:31,909 --> 00:27:29,820

the form anyway just in case yeah you

672

00:27:34,010 --> 00:27:31,919

never know they make mistakes

673

00:27:36,710 --> 00:27:34,020

which is the mistake the second one or

674

00:27:40,010 --> 00:27:36,720

the first one uh the BBC reports the

675

00:27:41,390 --> 00:27:40,020

second message came about an hour after

676

00:27:43,730 --> 00:27:41,400

the first some recipients were

677

00:27:47,570 --> 00:27:43,740

reportedly very worried and confused

678

00:27:52,850 --> 00:27:50,149

one patient reportedly said that she was

679

00:27:55,669 --> 00:27:52,860

waiting on a medical test results when

680

00:27:58,730 --> 00:27:55,679

she received a text message

681

00:28:01,549 --> 00:27:58,740

oh my God uh Sarah tells the BBC that

682

00:28:03,830 --> 00:28:01,559

she felt sick to my teeth and broke down

683

00:28:07,190 --> 00:28:03,840

Sick to my teeth

684

00:28:08,630 --> 00:28:07,200

okay oh she was so paralyzed she was so

685

00:28:11,149 --> 00:28:08,640

she got sick to her teeth which is

686

00:28:12,230 --> 00:28:11,159

unheard of is that an actual phrase sick

687

00:28:14,750 --> 00:28:12,240

to my teeth

688

00:28:16,669 --> 00:28:14,760

uh when she got the first message only

689

00:28:18,710 --> 00:28:16,679

be told later it was a mistake almost a

690

00:28:21,110 --> 00:28:18,720

Christmas miracle

691

00:28:23,750 --> 00:28:21,120

uh another woman who wished to remain

692

00:28:25,610 --> 00:28:23,760

remain anonymous told the BBC that the

693

00:28:28,430 --> 00:28:25,620

text message she received made her very

694

00:28:32,750 --> 00:28:28,440

worried oh okay and caused her to walk

695

00:28:38,630 --> 00:28:35,990

oh boy that what a blunder

696

00:28:40,490 --> 00:28:38,640

but an absolute blunder

697

00:28:43,130 --> 00:28:40,500

hmm

698

00:28:46,070 --> 00:28:43,140

I assume that person kept their job but

699

00:28:49,490 --> 00:28:48,289

I guess you could like in the spirit of

700

00:28:53,330 --> 00:28:49,500

the holiday

701
00:28:55,970 --> 00:28:53,340
I I suppose you could but belated jingle

702
00:28:58,370 --> 00:28:55,980
Bingo yeah belated jingle Bingo on that

703
00:29:03,529 --> 00:29:00,470
boy

704
00:29:05,750 --> 00:29:03,539
uh yeah the last one what if the text

705
00:29:07,370 --> 00:29:05,760
message was meant for someone and then

706
00:29:09,529 --> 00:29:07,380
they are told it's a Christmas message

707
00:29:10,909 --> 00:29:09,539
then told again oh no that was actually

708
00:29:13,250 --> 00:29:10,919
meant for you

709
00:29:15,049 --> 00:29:13,260
could they do a second return yeah like

710
00:29:17,269 --> 00:29:15,059
oh we're sorry no way actually you know

711
00:29:19,130 --> 00:29:17,279
Mike for you we did mean that this one's

712
00:29:20,450 --> 00:29:19,140
real get down here right away the third

713
00:29:22,370 --> 00:29:20,460

message

714

00:29:24,889 --> 00:29:22,380

we wanted to confirm that it was only

715

00:29:26,330 --> 00:29:24,899

meant for you not everyone else so sorry

716

00:29:27,950 --> 00:29:26,340

about the three text messages you might

717

00:29:29,870 --> 00:29:27,960

be on a limited plan but yeah you are

718

00:29:32,029 --> 00:29:29,880

gonna die please ignore the previous

719

00:29:33,950 --> 00:29:32,039

seven messages this is the real one this

720

00:29:35,870 --> 00:29:33,960

is real

721

00:29:38,029 --> 00:29:35,880

722

00:29:42,310 --> 00:29:38,039
