

Giants in Mexico

1
00:00:07,190 --> 00:00:03,830
so there is uh a bit of a story going

2
00:00:11,150 --> 00:00:07,200
around here there's a couple different

3
00:00:12,890 --> 00:00:11,160
and this could be initially initially

4
00:00:15,770 --> 00:00:12,900
you could say hey this is this weekly

5
00:00:16,730 --> 00:00:15,780
world news kind of stuff like giants in

6
00:00:19,189 --> 00:00:16,740
Mexico

7
00:00:20,990 --> 00:00:19,199
uh but I'll turn this on so this comes

8
00:00:25,310 --> 00:00:21,000
uh from

9
00:00:27,429 --> 00:00:25,320
a Mexican Language online newspaper uh

10
00:00:32,030 --> 00:00:27,439
I'll try to translate it as best I can

11
00:00:35,630 --> 00:00:32,040
and the reports are coming from a town a

12
00:00:38,110 --> 00:00:35,640
suburb just north of Mexico City

13
00:00:41,330 --> 00:00:38,120

and so uh

14

00:00:45,350 --> 00:00:41,340

allegedly uh some people took some

15

00:00:46,690 --> 00:00:45,360

videos of an alleged giant walking along

16

00:00:49,610 --> 00:00:46,700

a hillside

17

00:00:51,170 --> 00:00:49,620

in their neighborhood now what's on

18

00:00:54,290 --> 00:00:51,180

screen right here a couple of uh

19

00:00:57,049 --> 00:00:54,300

screenshots of the alleged giant walking

20

00:00:59,990 --> 00:00:57,059

from left to right along the Hillside

21

00:01:01,130 --> 00:01:00,000

and I mean whatever it is it is quite

22

00:01:03,889 --> 00:01:01,140

large

23

00:01:05,810 --> 00:01:03,899

so on Social Network star endless viral

24

00:01:07,550 --> 00:01:05,820

videos and more things that we cannot

25

00:01:11,210 --> 00:01:07,560

explain one of the most reoccurring

26

00:01:14,690 --> 00:01:11,220

themes is the Giants and it turns out

27

00:01:16,850 --> 00:01:14,700

that one was captured in a powerful this

28

00:01:18,350 --> 00:01:16,860

is translated I'm powerful video but

29

00:01:20,810 --> 00:01:18,360

before telling you all the details we

30

00:01:22,249 --> 00:01:20,820

recommend following us here so there's a

31

00:01:24,730 --> 00:01:22,259

Tic Tac account that we can follow if we

32

00:01:26,810 --> 00:01:24,740

want to let's do that one uh dancing

33

00:01:28,670 --> 00:01:26,820

Legends and Miss are something very

34

00:01:31,010 --> 00:01:28,680

particular around the world but New

35

00:01:33,710 --> 00:01:31,020

Mexico we always give it a special touch

36

00:01:35,330 --> 00:01:33,720

to make history better I'm not sure what

37

00:01:38,090 --> 00:01:35,340

that means but okay whether it's about

38

00:01:39,830 --> 00:01:38,100

this one's machine translated uh well

39

00:01:42,830 --> 00:01:39,840

they did give me an option to translate

40

00:01:45,289 --> 00:01:42,840

via the webpage and that's what I did

41

00:01:49,490 --> 00:01:45,299

because uh my Spanish is very piss-poor

42

00:01:53,929 --> 00:01:52,370

um so whether it's a it is uh ghosts or

43

00:01:55,910 --> 00:01:53,939

whatever uh they're trying to make their

44

00:01:57,950 --> 00:01:55,920

history better UFOs or something out of

45

00:02:00,469 --> 00:01:57,960

this world they try to incorporate that

46

00:02:04,910 --> 00:02:00,479

and they do gown in Central and South

47

00:02:06,649 --> 00:02:04,920

America they they indulge in these these

48

00:02:09,290 --> 00:02:06,659

stores a lot more at least in in the

49

00:02:11,869 --> 00:02:09,300

press and the people than here up in uh

50

00:02:13,490 --> 00:02:11,879

the northern hemisphere

51
00:02:16,070 --> 00:02:13,500
um so there is a tick tocker who

52
00:02:18,830 --> 00:02:16,080
supposedly recorded a giant while

53
00:02:22,070 --> 00:02:18,840
walking down the hill of the leblanca

54
00:02:23,150 --> 00:02:22,080
neighborhood uh just north of Mexico

55
00:02:25,850 --> 00:02:23,160
City

56
00:02:29,290 --> 00:02:25,860
and I'll I'll play The Tick Tock video

57
00:02:31,510 --> 00:02:29,300
it's it's on screen right here

58
00:02:33,410 --> 00:02:31,520
and

59
00:02:34,850 --> 00:02:33,420
so there's people

60
00:02:39,250 --> 00:02:34,860
making a big commotion to background

61
00:02:42,150 --> 00:02:39,260
they obviously see something and that

62
00:02:43,490 --> 00:02:42,160
Unfortunately they filmed vertically

63
00:02:45,350 --> 00:02:43,500

[Music]

64

00:02:49,729 --> 00:02:45,360

but they ran home to get their worst

65

00:02:52,790 --> 00:02:49,739

phone it's a little shake it is and it

66

00:02:55,430 --> 00:02:52,800

is there is a figure on the hill that is

67

00:02:57,589 --> 00:02:55,440

moving from left to right it's yeah it's

68

00:02:59,330 --> 00:02:57,599

tough to say how fast it's moving but it

69

00:03:03,290 --> 00:02:59,340

is moving quite quickly

70

00:03:04,130 --> 00:03:03,300

and it does appear to be quite large

71

00:03:06,530 --> 00:03:04,140

um

72

00:03:07,630 --> 00:03:06,540

so that was one of the videos that came

73

00:03:10,009 --> 00:03:07,640

out

74

00:03:12,050 --> 00:03:10,019

the the video there showing the houses

75

00:03:13,309 --> 00:03:12,060

and the that just looks like a person

76

00:03:15,229 --> 00:03:13,319

walking along the hill I'm not seeing

77

00:03:17,570 --> 00:03:15,239

anything in this in the video that would

78

00:03:19,970 --> 00:03:17,580

give a different scale to the person you

79

00:03:20,990 --> 00:03:19,980

don't think it looks large oh no there's

80

00:03:22,430 --> 00:03:21,000

a house right in the front they're

81

00:03:23,509 --> 00:03:22,440

barely bigger than the window I would

82

00:03:28,070 --> 00:03:23,519

say

83

00:03:29,750 --> 00:03:28,080

seven feet tall it's tough to judge from

84

00:03:31,610 --> 00:03:29,760

here

85

00:03:33,110 --> 00:03:31,620

um but it does look I'm gonna go on

86

00:03:35,570 --> 00:03:33,120

record and say I think it's a larger

87

00:03:37,070 --> 00:03:35,580

object It's a larger figure moving we'll

88

00:03:38,630 --> 00:03:37,080

get some dude up there looking around on

89

00:03:40,789 --> 00:03:38,640

the hillside we we're gonna have to get

90

00:03:43,550 --> 00:03:40,799

a person to get up there uh so you can

91

00:03:45,289 --> 00:03:43,560

make a size comparison there's no doubt

92

00:03:46,789 --> 00:03:45,299

about that you're suggesting we have

93

00:03:48,770 --> 00:03:46,799

somebody go back in time and run up

94

00:03:50,449 --> 00:03:48,780

there to stand next to them well they

95

00:03:52,970 --> 00:03:50,459

can do it right now they could stand in

96

00:03:54,410 --> 00:03:52,980

the same spot and tell their buddy go

97

00:03:56,630 --> 00:03:54,420

run up in the hell let me videotape you

98

00:03:59,210 --> 00:03:56,640

so we have some sort of comparison but

99

00:04:00,649 --> 00:03:59,220

uh I don't think that that exists well

100

00:04:03,170 --> 00:04:00,659

um as we're going to go through this

101
00:04:04,670 --> 00:04:03,180
video of this as usually happens in this

102
00:04:06,589 --> 00:04:04,680
type of situation recording is not very

103
00:04:08,330 --> 00:04:06,599
good and the person records moves

104
00:04:11,750 --> 00:04:08,340
constantly of course

105
00:04:13,309 --> 00:04:11,760
uh you can hardly see a uh it over the

106
00:04:15,949 --> 00:04:13,319
top of the hill and it's not very clear

107
00:04:18,890 --> 00:04:15,959
before many of the users said it was the

108
00:04:21,170 --> 00:04:18,900
giant of Santa muturu or it was simply

109
00:04:22,909 --> 00:04:21,180
nothing at all some even gave themselves

110
00:04:25,430 --> 00:04:22,919
an opportunity to joke leaving comments

111
00:04:27,350 --> 00:04:25,440
like it was me so uh they're they're

112
00:04:30,350 --> 00:04:27,360
commenting on comments on The Tick Tock

113
00:04:31,780 --> 00:04:30,360

okay it was a giant santamuerte

114

00:04:33,409 --> 00:04:31,790

interesting

115

00:04:36,230 --> 00:04:33,419

[Music]

116

00:04:37,790 --> 00:04:36,240

um Saint death is that a thing I may be

117

00:04:40,010 --> 00:04:37,800

um although there were comments that

118

00:04:41,930 --> 00:04:40,020

caught attention it turns out that in

119

00:04:45,110 --> 00:04:41,940

Canada a young man

120

00:04:47,150 --> 00:04:45,120

recorded a very similar type of giant on

121

00:04:49,430 --> 00:04:47,160

top of a hill but after uploading that

122

00:04:50,990 --> 00:04:49,440

Tick Tock video he said it was a joke

123

00:04:53,390 --> 00:04:51,000

however he disappeared without leaving

124

00:04:56,210 --> 00:04:53,400

any trace of his whereabouts and nothing

125

00:04:57,830 --> 00:04:56,220

so far is known about him so I got uh

126

00:05:00,409 --> 00:04:57,840

sent that video over and over again

127

00:05:03,290 --> 00:05:00,419

where there is a guy in Canada driving

128

00:05:05,570 --> 00:05:03,300

down the road and up atop a snowy

129

00:05:07,490 --> 00:05:05,580

Hilltop there appears to be a very large

130

00:05:10,310 --> 00:05:07,500

figure

131

00:05:12,710 --> 00:05:10,320

um and you know also shaky footy footage

132

00:05:15,129 --> 00:05:12,720

and then that that user just kind of

133

00:05:17,749 --> 00:05:15,139

disappeared uh this rumor that he was

134

00:05:21,409 --> 00:05:17,759

disappeared or whatever it's tough to

135

00:05:24,529 --> 00:05:21,419

know what is CGI nowadays versus a

136

00:05:26,029 --> 00:05:24,539

genuine event or just a bear or just a

137

00:05:29,390 --> 00:05:26,039

bear for a crying out loud yeah

138

00:05:32,570 --> 00:05:29,400

absolutely uh Nuestra Senor De La Muerte

139

00:05:34,249 --> 00:05:32,580

often known as just Santa Muerte um is a

140

00:05:35,390 --> 00:05:34,259

female personification of death so

141

00:05:36,650 --> 00:05:35,400

that's what people are saying in the

142

00:05:38,689 --> 00:05:36,660

comments there what they mean is that

143

00:05:40,070 --> 00:05:38,699

could this be our did we catch a glimpse

144

00:05:40,969 --> 00:05:40,080

of death actually coming for somebody

145

00:05:43,189 --> 00:05:40,979

yeah

146

00:05:45,050 --> 00:05:43,199

uh now there was a a different camera

147

00:05:46,670 --> 00:05:45,060

angle of this thing I don't think I have

148

00:05:48,290 --> 00:05:46,680

that right here the cameras I think uh

149

00:05:50,390 --> 00:05:48,300

Coast to Coast let me see if Coast to

150

00:05:52,550 --> 00:05:50,400

Coast AM had it um

151
00:05:53,870 --> 00:05:52,560
bring it up but it's not much different

152
00:05:56,629 --> 00:05:53,880
it's it's like there's two different

153
00:05:57,490 --> 00:05:56,639
camera angles and it's pretty much the

154
00:05:59,050 --> 00:05:57,500
same

155
00:06:02,450 --> 00:05:59,060
distant

156
00:06:04,430 --> 00:06:02,460
blurred uh hard to tell exactly what's

157
00:06:07,850 --> 00:06:04,440
going on you know

158
00:06:11,870 --> 00:06:07,860
uh but it was an event that happened so

159
00:06:14,210 --> 00:06:11,880
I went looking to see if there are other

160
00:06:18,770 --> 00:06:14,220
reports of giants

161
00:06:22,990 --> 00:06:18,780
in this area specifically uh Mexico

162
00:06:26,930 --> 00:06:23,000
and I did find some interesting details

163
00:06:28,070 --> 00:06:26,940

uh some some stories of other Giants in

164

00:06:30,890 --> 00:06:28,080

Mexico

165

00:06:32,870 --> 00:06:30,900

so this is this is what I discovered

166

00:06:36,050 --> 00:06:32,880

uh we've heard of giants of North

167

00:06:37,730 --> 00:06:36,060

America uh there's stories from the late

168

00:06:39,430 --> 00:06:37,740

1800s early

169

00:06:42,950 --> 00:06:39,440

uh

170

00:06:44,990 --> 00:06:42,960

1900s of archaeologists the and the

171

00:06:46,730 --> 00:06:45,000

expansion of the West going out there

172

00:06:49,550 --> 00:06:46,740

when they when they come across these

173

00:06:52,670 --> 00:06:49,560

weird burial sites they will find the

174

00:06:56,090 --> 00:06:52,680

remains or did find the remains of giant

175

00:06:57,350 --> 00:06:56,100

humanoid skeletons and you know we had

176

00:06:58,790 --> 00:06:57,360

stories written up on these in the

177

00:07:00,409 --> 00:06:58,800

Smithsonian would come and like collect

178

00:07:02,510 --> 00:07:00,419

the bones you never see them again tons

179

00:07:04,870 --> 00:07:02,520

of these stories tons of these stories

180

00:07:08,330 --> 00:07:04,880

uh you can there's newspaper clippings

181

00:07:10,550 --> 00:07:08,340

and uh the rumor is or the thought is

182

00:07:13,850 --> 00:07:10,560

that the Smithsonian at the time in the

183

00:07:16,189 --> 00:07:13,860

director Powell uh came in and swept

184

00:07:18,409 --> 00:07:16,199

this under the rug took it away because

185

00:07:21,589 --> 00:07:18,419

it didn't really fall in line with what

186

00:07:25,670 --> 00:07:21,599

they envisioned uh science and

187

00:07:27,830 --> 00:07:25,680

Christianity to be they wanted it to be

188

00:07:29,270 --> 00:07:27,840

a certain way so they just hid evidence

189

00:07:30,230 --> 00:07:29,280

because it didn't fall in line with the

190

00:07:31,189 --> 00:07:30,240

narrative that they were trying to

191

00:07:34,189 --> 00:07:31,199

create

192

00:07:35,330 --> 00:07:34,199

uh but a lot of stories like that in

193

00:07:37,670 --> 00:07:35,340

North America

194

00:07:40,249 --> 00:07:37,680

when it comes to Mexico wasn't really

195

00:07:43,070 --> 00:07:40,259

familiar with a lot of giant stories and

196

00:07:45,710 --> 00:07:43,080

legends but I got two right here

197

00:07:49,850 --> 00:07:45,720

so this first story I got for you comes

198

00:07:52,010 --> 00:07:49,860

from January 8th 1930.

199

00:07:54,469 --> 00:07:52,020

now this takes place about two hours

200

00:07:57,230 --> 00:07:54,479

south of Mexico City so not that far

201
00:07:59,809 --> 00:07:57,240
away from where the incident we just saw

202
00:08:03,770 --> 00:07:59,819
of this videotape

203
00:08:06,770 --> 00:08:03,780
there was a 39 year old woman she was an

204
00:08:09,350 --> 00:08:06,780
American drug addict she was living near

205
00:08:12,110 --> 00:08:09,360
Mexico City and she was in constant pain

206
00:08:14,570 --> 00:08:12,120
so she was self-medicating for her pain

207
00:08:16,550 --> 00:08:14,580
back in the 30s she had a friend that

208
00:08:17,390 --> 00:08:16,560
was a doctor that she would hang out

209
00:08:20,330 --> 00:08:17,400
with

210
00:08:22,070 --> 00:08:20,340
one day the doctor came by uh picked her

211
00:08:25,010 --> 00:08:22,080
up in the car she wasn't feeling very

212
00:08:28,129 --> 00:08:25,020
well so the doctor said here uh drink

213
00:08:31,249 --> 00:08:28,139

this vial of mystery stuff and you might

214

00:08:33,649 --> 00:08:31,259

feel better so she down the vial and she

215

00:08:36,170 --> 00:08:33,659

passed out uh next thing she remembered

216

00:08:39,350 --> 00:08:36,180

she wakes up uh in some weird

217

00:08:41,690 --> 00:08:39,360

mountainous Countryside uh it is lit up

218

00:08:44,029 --> 00:08:41,700

brightly by the moon and she saw the

219

00:08:46,970 --> 00:08:44,039

doctor her friend over standing next to

220

00:08:50,470 --> 00:08:46,980

the car and some some leaves and a

221

00:08:54,230 --> 00:08:50,480

Greenery the doctor walked over to her

222

00:08:55,970 --> 00:08:54,240

raised his arms and started wailing and

223

00:08:58,009 --> 00:08:55,980

shouting to make a big commotion then

224

00:09:01,550 --> 00:08:58,019

all of a sudden The Greenery behind him

225

00:09:03,949 --> 00:09:01,560

started to shake and move revealing a

226

00:09:06,290 --> 00:09:03,959

large opening to a cave

227

00:09:08,630 --> 00:09:06,300

and she sees that doctors start walking

228

00:09:11,269 --> 00:09:08,640

to this opening she's still a little

229

00:09:13,850 --> 00:09:11,279

hangover a little out of it but she gets

230

00:09:17,630 --> 00:09:13,860

up and follows the doctor into the cave

231

00:09:20,690 --> 00:09:17,640

where she notices that a blue light is

232

00:09:23,509 --> 00:09:20,700

being emitted from the cave and she's

233

00:09:26,210 --> 00:09:23,519

like okay this is kind of weird as she

234

00:09:28,730 --> 00:09:26,220

uh walked she felt herself become

235

00:09:31,910 --> 00:09:28,740

lighter and start to float and as she

236

00:09:34,850 --> 00:09:31,920

continued to float up and Float forward

237

00:09:37,970 --> 00:09:34,860

she floated over some water where down

238

00:09:42,110 --> 00:09:37,980

below she saw weird colored inhabitants

239

00:09:44,030 --> 00:09:42,120

of the caves playing in the water below

240

00:09:45,590 --> 00:09:44,040

he's like okay that's kind of weird and

241

00:09:48,410 --> 00:09:45,600

then she started to feel a little queasy

242

00:09:50,030 --> 00:09:48,420

again she started to she passed out and

243

00:09:53,870 --> 00:09:50,040

the next thing she remembered she wakes

244

00:09:55,850 --> 00:09:53,880

up on a table surrounded by humanoid

245

00:09:59,630 --> 00:09:55,860

Giants

246

00:10:01,970 --> 00:09:59,640

um these are very large humanoids and

247

00:10:04,550 --> 00:10:01,980

next thing she knows she felt some sort

248

00:10:07,009 --> 00:10:04,560

of like only what she described as

249

00:10:09,050 --> 00:10:07,019

Heavenly relief from the pain that she

250

00:10:10,850 --> 00:10:09,060

has experienced for so long they must

251
00:10:14,990 --> 00:10:10,860
have performed some sort of procedure on

252
00:10:17,750 --> 00:10:15,000
her that allowed her to be relieved of

253
00:10:19,550 --> 00:10:17,760
all the constant pain that she was in

254
00:10:21,590 --> 00:10:19,560
uh she then again got this weird

255
00:10:26,150 --> 00:10:21,600
floating feeling floated up but was

256
00:10:29,509 --> 00:10:26,160
drifted back down to a bed that was 15

257
00:10:31,850 --> 00:10:29,519
feet long and about nine feet wide this

258
00:10:34,550 --> 00:10:31,860
in this room that she was in had huge

259
00:10:37,970 --> 00:10:34,560
pieces of furniture everything seemed to

260
00:10:40,009 --> 00:10:37,980
be made out of some sort of silvery

261
00:10:42,650 --> 00:10:40,019
metal substance

262
00:10:46,910 --> 00:10:42,660
next thing she knows is

263
00:10:49,610 --> 00:10:46,920

a giant female uh enters the room and

264

00:10:52,550 --> 00:10:49,620

tells Margaret the the drug addict from

265

00:10:55,069 --> 00:10:52,560

America that she has been cured of her

266

00:10:57,470 --> 00:10:55,079

pain and of her addictions

267

00:10:59,930 --> 00:10:57,480

and Margaret's like ah this is fantastic

268

00:11:03,350 --> 00:10:59,940

this is just what I was looking for well

269

00:11:05,150 --> 00:11:03,360

uh Margaret stayed down below uh in this

270

00:11:07,190 --> 00:11:05,160

underground Cavern system with the

271

00:11:10,190 --> 00:11:07,200

Giants for about five days during the

272

00:11:13,009 --> 00:11:10,200

time she was given a tour of the

273

00:11:16,730 --> 00:11:13,019

underground system down here and noticed

274

00:11:18,730 --> 00:11:16,740

that these humanoids down here have a

275

00:11:21,530 --> 00:11:18,740

pretty Advanced Machinery like almost

276

00:11:24,350 --> 00:11:21,540

manufacturing they traveled around in

277

00:11:27,769 --> 00:11:24,360

the cave system by the way of like this

278

00:11:30,050 --> 00:11:27,779

wheelless tube-like structure

279

00:11:33,650 --> 00:11:30,060

um that is had two seats and it was

280

00:11:35,389 --> 00:11:33,660

powered or steered through thought

281

00:11:36,710 --> 00:11:35,399

now the final piece of information that

282

00:11:39,710 --> 00:11:36,720

she was given before she went back to

283

00:11:41,509 --> 00:11:39,720

the surface is that uh the Giants

284

00:11:44,090 --> 00:11:41,519

they do help people they'll bring people

285

00:11:46,069 --> 00:11:44,100

down curem of like Burns illnesses all

286

00:11:49,790 --> 00:11:46,079

that kind of stuff but also the Giants

287

00:11:51,889 --> 00:11:49,800

do occupy the surface as well but when

288

00:11:55,250 --> 00:11:51,899

they go to the surface they are reduced

289

00:11:57,230 --> 00:11:55,260

down in size to so they can mingle in

290

00:11:59,090 --> 00:11:57,240

with the with the rest of Human Society

291

00:12:03,410 --> 00:11:59,100

at which point in time and this is what

292

00:12:05,630 --> 00:12:03,420

was said uh these reduced Giants and uh

293

00:12:08,509 --> 00:12:05,640

they become uh judges they become

294

00:12:10,250 --> 00:12:08,519

doctors lawyers police officers all all

295

00:12:14,210 --> 00:12:10,260

the rest all all those types of

296

00:12:16,730 --> 00:12:14,220

professions that uh Giants shrunk down

297

00:12:19,490 --> 00:12:16,740

they come up from the underground to

298

00:12:21,530 --> 00:12:19,500

live on the surface and they become uh

299

00:12:24,650 --> 00:12:21,540

lawyers and judges

300

00:12:26,329 --> 00:12:24,660

and so Margaret left the cave system and

301

00:12:29,210 --> 00:12:26,339

uh lived her life until the age of about

302

00:12:31,490 --> 00:12:29,220

65 where she died of a stroke

303

00:12:33,949 --> 00:12:31,500

was she jabbed

304

00:12:36,350 --> 00:12:33,959

confirmed this is back in 1930 so I

305

00:12:39,110 --> 00:12:36,360

don't know what was going on at the time

306

00:12:42,410 --> 00:12:39,120

maybe maybe they had like super mRNA

307

00:12:45,889 --> 00:12:42,420

stuff by the magical giant people maybe

308

00:12:47,210 --> 00:12:45,899

uh but I mean that so I'm 100 on board

309

00:12:50,569 --> 00:12:47,220

with everything in that story until the

310

00:12:52,610 --> 00:12:50,579

uh magical Shrinky Dink stuff uh that's

311

00:12:55,069 --> 00:12:52,620

that's a that's a bridge too far that's

312

00:12:57,470 --> 00:12:55,079

I I know that's where like they shrink

313

00:13:00,829 --> 00:12:57,480

down their their their people so they

314

00:13:02,870 --> 00:13:00,839

can uh go to the surface and become

315

00:13:05,030 --> 00:13:02,880

judges lawyers and policemen that's so I

316

00:13:08,389 --> 00:13:05,040

was like okay I'd like the all the other

317

00:13:10,370 --> 00:13:08,399

elements has like um a hollow Earth kind

318

00:13:12,590 --> 00:13:10,380

of feel to it not that dissimilar from

319

00:13:13,930 --> 00:13:12,600

some other stories but then you know the

320

00:13:17,030 --> 00:13:13,940

shrink ray

321

00:13:19,190 --> 00:13:17,040

uh yeah but the Giants uh big people

322

00:13:21,829 --> 00:13:19,200

down there I guess wow that's pretty big

323

00:13:25,970 --> 00:13:21,839

yeah and pretty big down there and then

324

00:13:30,190 --> 00:13:25,980

one more story about Mexican Giants

325

00:13:33,949 --> 00:13:30,200

here we go this one is from March 20th

326

00:13:36,829 --> 00:13:33,959

1993 and this takes place about seven

327

00:13:38,150 --> 00:13:36,839

hours south of Mexico City ever on the

328

00:13:40,370 --> 00:13:38,160

the Gulf Coast

329

00:13:43,910 --> 00:13:40,380

so there's this guy Julio it's about 5

330

00:13:46,490 --> 00:13:43,920

a.m he was sleeping in his room when he

331

00:13:49,069 --> 00:13:46,500

noticed a bright blue light

332

00:13:50,810 --> 00:13:49,079

probably I'm not I'm assuming it might

333

00:13:52,310 --> 00:13:50,820

be similar to the blue light that was in

334

00:13:54,590 --> 00:13:52,320

the cave system before Margaret went in

335

00:13:56,389 --> 00:13:54,600

there in 1930 but Julio was sleeping

336

00:13:58,670 --> 00:13:56,399

when he noticed a bright blue light into

337

00:14:01,430 --> 00:13:58,680

his room and soon everything in the room

338

00:14:03,889 --> 00:14:01,440

was enveloped in that blue light he got

339

00:14:06,650 --> 00:14:03,899

up went to the window and he saw a

340

00:14:09,769 --> 00:14:06,660

Golden Disc shaped craft about 40 feet

341

00:14:12,650 --> 00:14:09,779

in diameter uh land out and then he saw

342

00:14:16,009 --> 00:14:12,660

the a hatch open up on the craft several

343

00:14:17,329 --> 00:14:16,019

huge figures step out each about eight

344

00:14:19,670 --> 00:14:17,339

feet tall

345

00:14:21,050 --> 00:14:19,680

uh Julio said oh my God I gotta go out

346

00:14:24,350 --> 00:14:21,060

and say hello to these guys he ran

347

00:14:27,050 --> 00:14:24,360

outside uh greeted them and one of the

348

00:14:29,509 --> 00:14:27,060

tall humanoids said that um

349

00:14:33,410 --> 00:14:29,519

he's basically said uh we have bases all

350

00:14:37,970 --> 00:14:33,420

around here uh and nothing to be alarmed

351
00:14:39,829 --> 00:14:37,980
about uh by the way this planet Earth is

352
00:14:41,389 --> 00:14:39,839
visited by other humanoids you might

353
00:14:43,069 --> 00:14:41,399
want to watch out for them they're the

354
00:14:46,009 --> 00:14:43,079
short guys with big heads big eyes

355
00:14:49,310 --> 00:14:46,019
they're the ones that are mutilating

356
00:14:51,410 --> 00:14:49,320
your cattle and Julia said oh okay

357
00:14:55,009 --> 00:14:51,420
thanks for the info he went back upside

358
00:14:57,590 --> 00:14:55,019
back inside went to sleep and the craft

359
00:15:00,949 --> 00:14:57,600
took off over the next few uh weeks

360
00:15:03,710 --> 00:15:00,959
Julio lost a lot of weight became a

361
00:15:06,290 --> 00:15:03,720
little unhealthy but recovered and

362
00:15:09,769 --> 00:15:06,300
that's what happened to Julio meeting

363
00:15:11,750 --> 00:15:09,779

the Giants from the golden saucer

364

00:15:13,129 --> 00:15:11,760

did he go out and defend his cattle what

365

00:15:14,150 --> 00:15:13,139

the hell where's the second part of this

366

00:15:16,730 --> 00:15:14,160

well

367

00:15:18,650 --> 00:15:16,740

the tall guys they're not interested in

368

00:15:19,490 --> 00:15:18,660

the cattle apparently no no but they

369

00:15:21,410 --> 00:15:19,500

said there's somebody else is coming

370

00:15:23,150 --> 00:15:21,420

down muelling his cattle well yeah the

371

00:15:25,910 --> 00:15:23,160

white and Julio go and get a shotgun go

372

00:15:28,310 --> 00:15:25,920

out and fire two blasts in the air uh

373

00:15:30,470 --> 00:15:28,320

maybe it wasn't an imminent threat

374

00:15:32,629 --> 00:15:30,480

it was not an imminent threat it was

375

00:15:35,810 --> 00:15:32,639

basically kind of like a heads up you

376

00:15:38,449 --> 00:15:35,820

know fired two blasts outside the house

377

00:15:39,769 --> 00:15:38,459

man you can do that well say the uh the

378

00:15:40,970 --> 00:15:39,779

description of him getting sick and then

379

00:15:42,769 --> 00:15:40,980

recovering does sound like he was almost

380

00:15:45,829 --> 00:15:42,779

like exposed to radiation yeah that's

381

00:15:47,150 --> 00:15:45,839

classic I've been too close to a UFO I

382

00:15:49,189 --> 00:15:47,160

got sick

383

00:15:51,949 --> 00:15:49,199

and uh something bad happened to me by

384

00:15:53,689 --> 00:15:51,959

the way in the UFO report uh that was

385

00:15:57,530 --> 00:15:53,699

delivered to Congress the the public

386

00:16:00,530 --> 00:15:57,540

version it was asked do or did Pilots

387

00:16:02,810 --> 00:16:00,540

get sick when they got close to UFOs and

388

00:16:05,350 --> 00:16:02,820

in the report it said no that no one

389

00:16:07,910 --> 00:16:05,360

experienced any sort of

390

00:16:10,009 --> 00:16:07,920

ailments uh when they got in close

391

00:16:11,210 --> 00:16:10,019

proximity to UFOs you know they'd have

392

00:16:12,530 --> 00:16:11,220

to be exposed for a longer period than

393

00:16:14,030 --> 00:16:12,540

that I mean you get a lot enough solar

394

00:16:16,610 --> 00:16:14,040

radiation just you know between you and

395

00:16:18,530 --> 00:16:16,620

some some leaded glass in the sky of the

396

00:16:19,730 --> 00:16:18,540

huge amounts of radiation there yeah it

397

00:16:21,889 --> 00:16:19,740

was different different kind but yeah

398

00:16:23,990 --> 00:16:21,899

and like I I don't know how close some

399

00:16:25,730 --> 00:16:24,000

of these you know Pilots got to them I

400

00:16:27,230 --> 00:16:25,740

mean a few hundred feet a few thousand

401
00:16:29,030 --> 00:16:27,240
maybe witnessing some of the the

402
00:16:30,769 --> 00:16:29,040
aircraft up there a couple of Miles yeah

403
00:16:32,689 --> 00:16:30,779
we're talking about with these UFO

404
00:16:35,210 --> 00:16:32,699
encounters I mean these people are

405
00:16:37,850 --> 00:16:35,220
getting pretty darn close like uh it's

406
00:16:39,470 --> 00:16:37,860
pretty immediate exposure

407
00:16:41,930 --> 00:16:39,480
but that's it that's all I got for uh

408
00:16:45,290 --> 00:16:41,940
for uh Giants in Mexico I wanted to

409
00:16:47,150 --> 00:16:45,300
start it off with uh the video of

410
00:16:49,189 --> 00:16:47,160
current Giants in Mexico and then going

411
00:16:51,650 --> 00:16:49,199
to a little bit of hey you know what by

412
00:16:53,749 --> 00:16:51,660
the way there are reports of other

413
00:16:56,269 --> 00:16:53,759

humanoid Giants in Mexico so and there's

414

00:16:58,310 --> 00:16:56,279

more I'll I I found a bunch but this is

415

00:17:02,590 --> 00:16:58,320

all I got for right give us an email at

416

00:17:05,809 --> 00:17:02,600

our big thumb mouth gmail.com check out
