# ZOMBOID

1  
00:00:06,130 --> 00:00:01,030  
[Applause]

2  
00:00:06,140 --> 00:00:13,509  
the port Edition baseball

3  
00:00:13,519 --> 00:00:20,929  
lights are still on

4  
00:00:26,210 --> 00:00:24,170  
uh I appear to be possibly in the

5  
00:00:29,269 --> 00:00:26,220  
trailer parks

6  
00:00:36,310 --> 00:00:29,279  
yeah and there's zombies all around me

7  
00:00:41,990 --> 00:00:39,650  
do you have a two-story house yeah two

8  
00:00:44,270 --> 00:00:42,000  
two story okay so I'm gonna assume

9  
00:00:46,790 --> 00:00:44,280  
you're probably south of me

10  
00:00:50,270 --> 00:00:46,800  
yeah I think so so I'm in the trailer

11  
00:00:52,490 --> 00:00:50,280  
parks I'm going to uh head south and

12  
00:00:57,290 --> 00:00:52,500  
pretend as though like I'm headed to

13  
00:01:10,490 --> 00:00:59,389

there's a car right here maybe I'll get

14

00:01:10,500 --> 00:01:21,109

I cannot tear the bath towel up

15

00:01:26,510 --> 00:01:23,990

all right got some shrimp sheets

16

00:01:30,050 --> 00:01:26,520

yeah I might not be that far away from

17

00:01:30,060 --> 00:01:33,649

yeah I don't think I am

18

00:01:33,659 --> 00:01:37,370

it might be close too

19

00:01:43,670 --> 00:01:39,050

all right plenty Dead zombies around

20

00:01:49,670 --> 00:01:46,069

a guy is uh

21

00:01:52,510 --> 00:01:49,680

moist unpleasantly hot yeah the guy's

22

00:01:55,370 --> 00:01:52,520

slightly moist I ran into another player

23

00:01:57,170 --> 00:01:55,380

or something yeah

24

00:01:58,789 --> 00:01:57,180

I'm at Courtney medical already I'm

25

00:02:01,969 --> 00:01:58,799

headed there I'm I'm just at the

26

00:02:07,429 --> 00:02:03,830

they started loot it all [h\_\_h] actually

27

00:02:10,190 --> 00:02:07,439

no tonight I'm at the motel the uh

28

00:02:12,350 --> 00:02:10,200

weights Watts motel or something like

29

00:02:15,110 --> 00:02:12,360

that so

30

00:02:17,330 --> 00:02:15,120

trigger to the police station

31

00:02:25,790 --> 00:02:17,340

yeah good idea

32

00:02:25,800 --> 00:02:35,290

only one way to find out

33

00:02:41,570 --> 00:02:39,490

there we go we got in there

34

00:02:50,690 --> 00:02:41,580

36

00:02:58,739 --> 00:03:02,869

37

00:03:02,879 --> 00:03:07,130

40

00:03:23,570 --> 00:03:13,560

41

00:03:23,580 --> 00:03:28,270

sorry fat doorknob it's a voice

42

00:03:28,280 --> 00:03:32,449

51  
00:04:18,710 --> 00:04:14,390  
the police station should he died the

52  
00:04:18,720 --> 00:04:25,430

55  
00:04:47,930 --> 00:04:45,170  
it's

56  
00:04:51,170 --> 00:04:47,940  
hard for jail people leaving [h\_\_h]

57  
00:04:59,390 --> 00:04:52,969  
sling

58  
00:05:05,629 --> 00:05:01,730  
won't stay still

59  
00:05:09,490 --> 00:05:05,639  
box of 308 shotgun

60  
00:05:13,170 --> 00:05:09,500

164

00:14:44,579 --> 00:14:50,449

[h\_\_\h]

165

00:14:57,889 --> 00:14:52,430

166

00:15:02,870 --> 00:15:01,250

167

00:15:04,490 --> 00:15:02,880

169

00:15:13,320 --> 00:15:19,670

just a simple

186
