

A large, ornate Victorian house with a prominent bay window and a turret. The house is made of wood and has a dark roof. In the foreground, a white sign on a post reads "HOME FOR SALE" in red letters. A ghost in a white sheet is standing in front of the house. The sky is dark and cloudy.

1
00:00:00,299 --> 00:00:03,249
oh

2
00:00:08,690 --> 00:00:06,130
well

3
00:00:11,270 --> 00:00:08,700
uh how to sell a haunted house the

4
00:00:13,009 --> 00:00:11,280
economic realities of owning a haunted

5
00:00:15,169 --> 00:00:13,019
property now this is something we've

6
00:00:17,090 --> 00:00:15,179
also talked about before on the show

7
00:00:19,070 --> 00:00:17,100
where I believe there's three states

8
00:00:21,170 --> 00:00:19,080
with New Jersey New York and maybe

9
00:00:24,529 --> 00:00:21,180
Minnesota have specific laws on the

10
00:00:26,810 --> 00:00:24,539
books concerning haunted properties

11
00:00:29,870 --> 00:00:26,820
and whether it has to be disclosed right

12
00:00:31,070 --> 00:00:29,880
yeah it's about disclosure of a haunted

13
00:00:32,930 --> 00:00:31,080

property

14

00:00:34,850 --> 00:00:32,940

Most states they don't care they're like

15

00:00:38,270 --> 00:00:34,860

you tell people or not you don't have to

16

00:00:39,650 --> 00:00:38,280

there's no law required requiring it

17

00:00:42,049 --> 00:00:39,660

um but I'll read a little bit of this

18

00:00:44,209 --> 00:00:42,059

because this is a huge article this

19

00:00:46,069 --> 00:00:44,219

comes from tor.com

20

00:00:47,330 --> 00:00:46,079

uh they pay no rent

21

00:00:49,729 --> 00:00:47,340

they don't cover their share of

22

00:00:51,529 --> 00:00:49,739

utilities they make weird noises in the

23

00:00:53,810 --> 00:00:51,539

middle of the night and as far as

24

00:00:56,750 --> 00:00:53,820

roommates are concerned ghosts suck even

25

00:00:59,029 --> 00:00:56,760

worse once they start squatting in your

26
00:01:01,630 --> 00:00:59,039
home there's no legal recourse consider

27
00:01:05,149 --> 00:01:01,640
the four roommates in

28
00:01:07,310 --> 00:01:05,159
1834 Bristol who went to a lawyer to ask

29
00:01:09,890 --> 00:01:07,320
if they ask if he'd help them break

30
00:01:12,109 --> 00:01:09,900
their lease on a flat because they saw a

31
00:01:14,149 --> 00:01:12,119
strange blue light and two women

32
00:01:16,730 --> 00:01:14,159
floating around dressed in morning

33
00:01:19,670 --> 00:01:16,740
clothes as well as a woman with blonde

34
00:01:21,649 --> 00:01:19,680
hair and gray eyes spotted by one of

35
00:01:24,530 --> 00:01:21,659
their daughters that's a that's at least

36
00:01:26,030 --> 00:01:24,540
seven people in one apartment eight if

37
00:01:28,130 --> 00:01:26,040
you count the daughter nine if you count

38
00:01:29,749 --> 00:01:28,140

the blue light the lawyer refused this

39

00:01:32,090 --> 00:01:29,759

case so the men went to the local

40

00:01:34,070 --> 00:01:32,100

magistrate who told them that ghost did

41

00:01:38,690 --> 00:01:34,080

not exist one of the men cited John

42

00:01:41,630 --> 00:01:38,700

Wesley the founder of uh a methodism

43

00:01:44,210 --> 00:01:41,640

I guess it's a sect of uh Christianity

44

00:01:47,929 --> 00:01:44,220

as proof that they did the magistrate

45

00:01:49,910 --> 00:01:47,939

told them to get lost uh the moral never

46

00:01:52,789 --> 00:01:49,920

act as your own loyal lawyer when trying

47

00:01:54,289 --> 00:01:52,799

to deal with ghosts additional moral If

48

00:01:56,990 --> 00:01:54,299

ghosts are squatting in your apartment

49

00:01:59,630 --> 00:01:57,000

you are screwed Millennials think they

50

00:02:01,249 --> 00:01:59,640

can't catch a break in an overcrowded

51
00:02:03,289 --> 00:02:01,259
housing market that's nothing compared

52
00:02:06,170 --> 00:02:03,299
to how the living can't catch a break in

53
00:02:08,870 --> 00:02:06,180
a housing market oozing with overly

54
00:02:11,690 --> 00:02:08,880
entitled Supernatural entities who have

55
00:02:14,510 --> 00:02:11,700
no respect for both uh the boundaries of

56
00:02:17,750 --> 00:02:14,520
life and death or for contractual law

57
00:02:19,369 --> 00:02:17,760
uh ghosts have been in pain so I'll I'll

58
00:02:20,809 --> 00:02:19,379
see if I can move down here though

59
00:02:22,670 --> 00:02:20,819
although they're they're making some

60
00:02:25,250 --> 00:02:22,680
good points here I suppose

61
00:02:27,470 --> 00:02:25,260
and the the housing market is kind of uh

62
00:02:28,729 --> 00:02:27,480
in turmoil right now and I don't know

63
00:02:30,910 --> 00:02:28,739

this this was a rental right this is

64

00:02:34,490 --> 00:02:30,920

when they weren't buying yeah but still

65

00:02:36,650 --> 00:02:34,500

uh they asked to break their lease rent

66

00:02:39,589 --> 00:02:36,660

binds a whole another can of worms at

67

00:02:41,330 --> 00:02:39,599

least your lease is up at usually a year

68

00:02:43,009 --> 00:02:41,340

or two which point you can move out of

69

00:02:46,850 --> 00:02:43,019

the Haunted property if you bought

70

00:02:51,650 --> 00:02:47,690

um

71

00:02:54,350 --> 00:02:51,660

as early as 1858 haunted houses were

72

00:02:56,330 --> 00:02:54,360

advertised as tourist destinations in

73

00:02:58,550 --> 00:02:56,340

local British guidebooks and Charles

74

00:03:00,470 --> 00:02:58,560

Dickens actively sought Inns in homes

75

00:03:02,089 --> 00:03:00,480

where he could experience sleep

76

00:03:04,009 --> 00:03:02,099

molestation

77

00:03:06,650 --> 00:03:04,019

there's something that I have been

78

00:03:07,490 --> 00:03:06,660

reading a lot about

79

00:03:10,430 --> 00:03:07,500

um

80

00:03:12,110 --> 00:03:10,440

in especially from like the special book

81

00:03:14,390 --> 00:03:12,120

section in the bookstore

82

00:03:18,110 --> 00:03:14,400

typically back in in this day and age

83

00:03:20,750 --> 00:03:18,120

they were called succubus or Incubus and

84

00:03:25,250 --> 00:03:20,760

oftentimes these sleep molestation

85

00:03:26,869 --> 00:03:25,260

events did uh did occur and it right

86

00:03:30,890 --> 00:03:26,879

around five percent of the population

87

00:03:35,390 --> 00:03:30,900

did have some sort of of you could call

88

00:03:36,830 --> 00:03:35,400

it sleep molestation and they were uh

89

00:03:38,869 --> 00:03:36,840

sexually assaulted in the middle of

90

00:03:41,589 --> 00:03:38,879

night sometimes women were impregnated

91

00:03:45,170 --> 00:03:41,599

or babies were taken

92

00:03:48,530 --> 00:03:45,180

ghost babies but oftentimes at least in

93

00:03:51,170 --> 00:03:48,540

England it was ghosts Spirits or demons

94

00:03:53,270 --> 00:03:51,180

in Iceland it was fairies

95

00:03:58,789 --> 00:03:53,280

um but Charles Dickens apparently wanted

96

00:04:01,910 --> 00:03:58,799

to get molested in 1907 in a 1907

97

00:04:04,729 --> 00:04:01,920

interview with the Daily Mirror won uh

98

00:04:06,830 --> 00:04:04,739

one West End real estate agent said we

99

00:04:08,869 --> 00:04:06,840

keep on hand a list of ancient houses

100

00:04:11,390 --> 00:04:08,879

which are claimed claimed to be visited

101
00:04:13,490 --> 00:04:11,400
with apparitions however the agent

102
00:04:16,969 --> 00:04:13,500
reported that these homes were mostly

103
00:04:19,789 --> 00:04:16,979
sought by Americans who had extremely

104
00:04:22,370 --> 00:04:19,799
classist tastes some Americans are

105
00:04:25,129 --> 00:04:22,380
particular regarding ghosts the agent

106
00:04:27,830 --> 00:04:25,139
said like the one that is an original

107
00:04:30,590 --> 00:04:27,840
kind particularly one that has

108
00:04:32,450 --> 00:04:30,600
historical associations I believe that

109
00:04:34,370 --> 00:04:32,460
if you could convince one of these

110
00:04:37,070 --> 00:04:34,380
Americans that a certain house was

111
00:04:39,770 --> 00:04:37,080
haunted by the shade of Queen Elizabeth

112
00:04:41,090 --> 00:04:39,780
they would pay any price you demanded

113
00:04:43,490 --> 00:04:41,100

for it

114

00:04:46,129 --> 00:04:43,500

so the Americans who went over there

115

00:04:47,590 --> 00:04:46,139

that we don't want our houses haunted by

116

00:04:50,930 --> 00:04:47,600

any just

117

00:04:54,710 --> 00:04:50,940

Street urchins and rastabouts and

118

00:04:58,129 --> 00:04:54,720

Scallywags we demand upper to high-class

119

00:05:00,110 --> 00:04:58,139

ghosts That's a classic Mike yeah they

120

00:05:02,990 --> 00:05:00,120

don't they don't want riffraff ghosts

121

00:05:07,030 --> 00:05:03,000

banging change they want uh they want

122

00:05:11,810 --> 00:05:09,590

who are into molestation apparently I

123

00:05:14,030 --> 00:05:11,820

guess so yeah well that's the Royals

124

00:05:18,830 --> 00:05:16,790

seems to be uh quite popular with the uh

125

00:05:21,770 --> 00:05:18,840

the elite crowd and it certainly does

126

00:05:24,110 --> 00:05:21,780

like Charles Dickens was

127

00:05:25,850 --> 00:05:24,120

seeking out to get molested like he was

128

00:05:27,710 --> 00:05:25,860

like laying in bed it's like I'm all

129

00:05:30,909 --> 00:05:27,720

alone in here I hope nothing happens to

130

00:05:36,830 --> 00:05:34,270

oh no I'm tired I'm

131

00:05:38,689 --> 00:05:36,840

not sure if this door locks I'll

132

00:05:42,890 --> 00:05:38,699

probably be asleep here in about five

133

00:05:46,749 --> 00:05:42,900

minutes I don't ever wake up guys I'm a

134

00:05:51,890 --> 00:05:49,969

uh with with money to be made from the

135

00:05:54,350 --> 00:05:51,900

future audience of the crown ghost began

136

00:05:58,070 --> 00:05:54,360

popping up in real estate ads like this

137

00:06:01,070 --> 00:05:58,080

one from 1936 haunted house for sale

138

00:06:03,710 --> 00:06:01,080

uh Century House is uh like a Century

139

00:06:05,210 --> 00:06:03,720

House in quiet Sussex Village ideal for

140

00:06:08,090 --> 00:06:05,220

guest house

141

00:06:10,850 --> 00:06:08,100

in 1919 several British newspapers

142

00:06:13,670 --> 00:06:10,860

carried an ad for a sale of beckington

143

00:06:15,529 --> 00:06:13,680

Castle claiming that the place was all

144

00:06:17,810 --> 00:06:15,539

the more desirable because it was

145

00:06:19,850 --> 00:06:17,820

reported to be haunted

146

00:06:22,249 --> 00:06:19,860

this goes back a long way so it's not

147

00:06:24,650 --> 00:06:22,259

it's it's not like a new thing that

148

00:06:27,469 --> 00:06:24,660

people are into apparently it's been

149

00:06:28,850 --> 00:06:27,479

it's been this way for quite a quite a

150

00:06:30,950 --> 00:06:28,860

long time

151

00:06:33,050 --> 00:06:30,960

is it is like you think it's the more

152

00:06:36,710 --> 00:06:33,060

money you have the more you want to

153

00:06:39,469 --> 00:06:36,720

throw at like experiencing these more

154

00:06:41,990 --> 00:06:39,479

unattainable experiences

155

00:06:46,909 --> 00:06:43,670

you're saying they're bored with their

156

00:06:48,529 --> 00:06:46,919

normal uh housing a normal apartment so

157

00:06:49,909 --> 00:06:48,539

uh they're like let's get let's get a

158

00:06:52,610 --> 00:06:49,919

new one that's got some ghosts in there

159

00:06:54,770 --> 00:06:52,620

yes exactly I've been molested by

160

00:06:56,809 --> 00:06:54,780

everyone else let's see if I can get

161

00:06:59,409 --> 00:06:56,819

molested by a ghost

162

00:07:02,090 --> 00:06:59,419

just let's raise the bar

163

00:07:03,890 --> 00:07:02,100

you've been molested by the best now try

164

00:07:06,050 --> 00:07:03,900

the rest

165

00:07:08,450 --> 00:07:06,060

and so and this goes on here and so we

166

00:07:12,050 --> 00:07:08,460

see that ghost roommates are ultimately

167

00:07:14,150 --> 00:07:12,060

a class issue if you are a tenant you

168

00:07:15,890 --> 00:07:14,160

are haunted by a crazy Supernatural

169

00:07:17,749 --> 00:07:15,900

entity that breaks your stuff and

170

00:07:20,150 --> 00:07:17,759

frightens your children if you are a

171

00:07:22,790 --> 00:07:20,160

landlord you suddenly own a valuable

172

00:07:25,129 --> 00:07:22,800

commodity the home where the parent

173

00:07:27,710 --> 00:07:25,139

family lived in Rhode Island which

174

00:07:31,550 --> 00:07:27,720

formed the basis for The Conjuring films

175

00:07:35,150 --> 00:07:31,560

was sold for 27 above asking price in

176
00:07:36,529 --> 00:07:35,160
2022 and the Stanley Hotel which is the

177
00:07:39,830 --> 00:07:36,539
inspiration for Stephen King's The

178
00:07:42,650 --> 00:07:39,840
Shining runs a Brisk business in ghost

179
00:07:44,210 --> 00:07:42,660
tours yeah it's a big Market

180
00:07:45,950 --> 00:07:44,220
especially these famous haunted houses

181
00:07:47,749 --> 00:07:45,960
it's huge Market

182
00:07:50,510 --> 00:07:47,759
yeah we covered the one about the uh um

183
00:07:52,430 --> 00:07:50,520
the basis for The Exorcist that it uh

184
00:07:53,689 --> 00:07:52,440
was selling way over value because it

185
00:07:57,290 --> 00:07:53,699
had that um

186
00:08:00,230 --> 00:07:57,300
that uh historic cachet to it yeah

187
00:08:01,909 --> 00:08:00,240
uh but even among landlords there is a

188
00:08:04,309 --> 00:08:01,919

class to buy if you own a

189

00:08:05,809 --> 00:08:04,319

run-of-the-mill haunted property not

190

00:08:07,790 --> 00:08:05,819

lucky enough to be featured in a series

191

00:08:11,270 --> 00:08:07,800

of Blockbuster films your ghost tenants

192

00:08:13,969 --> 00:08:11,280

will cause uh will cause you to take 50

193

00:08:16,730 --> 00:08:13,979

percent longer to sell your home and

194

00:08:20,150 --> 00:08:16,740

they will lower the value by 15 to 35

195

00:08:21,950 --> 00:08:20,160

percent according to one study

196

00:08:24,469 --> 00:08:21,960

um and in more and more States

197

00:08:26,990 --> 00:08:24,479

disclosure laws are required require you

198

00:08:29,510 --> 00:08:27,000

to advise sellers of any reported

199

00:08:32,449 --> 00:08:29,520

haunting making it much harder for you

200

00:08:35,329 --> 00:08:32,459

to move your stigmatized property

201
00:08:37,610 --> 00:08:35,339
uh so we see that ghosts as we always

202
00:08:40,310 --> 00:08:37,620
suspected are just one more Cog in the

203
00:08:42,889 --> 00:08:40,320
Machinery of economic oppression that

204
00:08:44,570 --> 00:08:42,899
perpetrates systematic inequality and

205
00:08:49,070 --> 00:08:44,580
destroys social Mobility for average

206
00:08:52,190 --> 00:08:49,080
Americans everywhere thanks ghosts

207
00:08:54,250 --> 00:08:52,200
so Lewis landed an article there but it

208
00:08:56,269 --> 00:08:54,260
is like if like if we just start

209
00:08:57,410 --> 00:08:56,279
hypothetical we start killing people in

210
00:08:59,389 --> 00:08:57,420
my house

211
00:09:01,610 --> 00:08:59,399
just to see if they turn into ghosts

212
00:09:04,009 --> 00:09:01,620
yeah yeah I'm trying to raise the

213
00:09:06,650 --> 00:09:04,019

property value here

214

00:09:08,750 --> 00:09:06,660

I'm not I'm not sure I follow your logic

215

00:09:11,150 --> 00:09:08,760

there Mike hypothetically

216

00:09:13,490 --> 00:09:11,160

I'm I want I gotta collect the ghosts I

217

00:09:15,170 --> 00:09:13,500

want a really haunted property and it's

218

00:09:16,670 --> 00:09:15,180

gonna there's gonna have to be some

219

00:09:19,970 --> 00:09:16,680

really horrific [h__h] going down I'm

220

00:09:22,190 --> 00:09:19,980

talking about dancing chanting uh like

221

00:09:23,470 --> 00:09:22,200

lots of lots of Moaning is what I'm

222

00:09:26,269 --> 00:09:23,480

talking about

223

00:09:28,009 --> 00:09:26,279

lots of lots of moaning and you gotta

224

00:09:29,870 --> 00:09:28,019

make enough commotion so where it gets

225

00:09:31,910 --> 00:09:29,880

on the news to where people want to

226

00:09:34,550 --> 00:09:31,920

write books about you and create movies

227

00:09:35,810 --> 00:09:34,560

and stuff like that no point I'll just

228

00:09:37,250 --> 00:09:35,820

just to warn you if you kill enough

229

00:09:38,389 --> 00:09:37,260

people in this place you're going to get

230

00:09:41,329 --> 00:09:38,399

on the news but for the wrong reason

231

00:09:42,590 --> 00:09:41,339

yeah I know like when you do all this

232

00:09:44,150 --> 00:09:42,600

stuff you're not going to be able to

233

00:09:46,490 --> 00:09:44,160

enjoy the fruits of your labor because

234

00:09:48,769 --> 00:09:46,500

you're going to be in prison in prison

235

00:09:51,170 --> 00:09:48,779

for the rest of your life in in federal

236

00:09:53,150 --> 00:09:51,180

pound me in the ass prison so I I

237

00:09:54,889 --> 00:09:53,160

couldn't do it but you know this is

238

00:09:57,590 --> 00:09:54,899

something maybe my grandfather should

239

00:09:59,690 --> 00:09:57,600

have done or my my dad to really you

240

00:10:01,130 --> 00:09:59,700

know pass the torch you know the the

241

00:10:02,690 --> 00:10:01,140

family heirloom

242

00:10:05,150 --> 00:10:02,700

that's what I'm gonna leave for my

243

00:10:08,389 --> 00:10:05,160

grandkids I've killed 17 people in here

244

00:10:10,670 --> 00:10:08,399

yeah it's eventually son it's gonna this

245

00:10:12,110 --> 00:10:10,680

the property is gonna Skyrocket one of

246

00:10:15,290 --> 00:10:12,120

them is bound to turn into a ghost who

247

00:10:17,750 --> 00:10:15,300

likes to molest you at night but it is I

248

00:10:19,430 --> 00:10:17,760

mean I'm surprised there's I'm sure

249

00:10:21,650 --> 00:10:19,440

there are Hollywood people out there

250

00:10:24,410 --> 00:10:21,660

right now trying to find like a really

251
00:10:27,350 --> 00:10:24,420
interesting haunted property to to kind

252
00:10:29,750 --> 00:10:27,360
of work over turn into a new series or a

253
00:10:31,910 --> 00:10:29,760
movie that's a series like what the

254
00:10:34,550 --> 00:10:31,920
house house flipper but but haunted

255
00:10:37,009 --> 00:10:34,560
house flipper there we go

256
00:10:39,650 --> 00:10:37,019
with white white Haunted House Flipper

257
00:10:42,290 --> 00:10:39,660
on the Sci-Fi channel every October I'd

258
00:10:44,329 --> 00:10:42,300
be in there right away

259
00:10:45,889 --> 00:10:44,339
that'd be amazing now the question is

260
00:10:47,930 --> 00:10:45,899
are they able to just do they have to

261
00:10:49,550 --> 00:10:47,940
disclose that to potential buyers that

262
00:10:51,350 --> 00:10:49,560
it was haunted or are they just trying

263
00:10:53,389 --> 00:10:51,360

to hide it like because house flipping

264

00:10:54,949 --> 00:10:53,399

is usually like we knock down a wall in

265

00:10:56,210 --> 00:10:54,959

the living room and we made the paint

266

00:10:58,430 --> 00:10:56,220

really ugly

267

00:11:00,170 --> 00:10:58,440

yeah and that's it so we found some

268

00:11:01,130 --> 00:11:00,180

asbestos we found all this stuff we're

269

00:11:03,430 --> 00:11:01,140

just trying to get it we're trying to

270

00:11:05,990 --> 00:11:03,440

get it to paint it right over that yeah

271

00:11:08,509 --> 00:11:06,000

but with haunted house flippers I think

272

00:11:10,310 --> 00:11:08,519

it it comes down to a marketing angle

273

00:11:11,690 --> 00:11:10,320

you got to get the word out to people

274

00:11:14,329 --> 00:11:11,700

who are interested in buying these

275

00:11:16,009 --> 00:11:14,339

properties and so yeah you Spruce it up

276

00:11:19,490 --> 00:11:16,019

a little bit you make it livable but

277

00:11:21,050 --> 00:11:19,500

then it's also you gotta have uh the

278

00:11:23,630 --> 00:11:21,060

list of people that are interested in

279

00:11:25,850 --> 00:11:23,640

buying really haunted houses so and you

280

00:11:28,090 --> 00:11:25,860

gotta have a good ghost you gotta have a

281

00:11:30,530 --> 00:11:28,100

great ghost yeah

282

00:11:32,690 --> 00:11:30,540

you have a famous ghost or something if

283

00:11:35,110 --> 00:11:32,700

you have a ghost be one of the co-hosts

284

00:11:37,430 --> 00:11:35,120

I would hope so

285

00:11:39,110 --> 00:11:37,440

uh front of the show Charlie Robinson

286

00:11:40,670 --> 00:11:39,120

says he's on board with that and he's

287

00:11:42,769 --> 00:11:40,680

got that uh fancy real estate background

288

00:11:47,150 --> 00:11:42,779

he does like Charlie knows about this

289

00:11:49,790 --> 00:11:47,160

stuff and I would hope that if he would

290

00:11:53,889 --> 00:11:49,800

like he's into this kind of stuff so why

291

00:11:56,449 --> 00:11:53,899

is it proper to disclose like hauntings

292

00:11:58,490 --> 00:11:56,459

he did stuff in Vegas and stuff like

293

00:12:00,650 --> 00:11:58,500

that like uh you'd imagine like a good

294

00:12:02,870 --> 00:12:00,660

chunk of like Vegas is just haunted with

295

00:12:04,550 --> 00:12:02,880

like people who went to the buffet and

296

00:12:06,710 --> 00:12:04,560

never made it to that hotel exclusively

297

00:12:09,889 --> 00:12:06,720

dead strippers yeah just like a lot of

298

00:12:13,870 --> 00:12:09,899

like oh I'm hungry kind of ghosts

299

00:12:19,370 --> 00:12:16,370

hotels like in the motels in Vegas

300

00:12:21,829 --> 00:12:19,380

haunted probably they're just they just

301

00:12:23,449 --> 00:12:21,839

sweep them under the bed yeah stuff them

302

00:12:25,910 --> 00:12:23,459

under there put another couple moth

303

00:12:28,009 --> 00:12:25,920

balls up yeah

304

00:12:31,730 --> 00:12:28,019

uh Charlie says no disclosure is

305

00:12:33,710 --> 00:12:31,740

necessary okay well we I yeah maybe not

306

00:12:37,009 --> 00:12:33,720

in Vegas in New Jersey I believe it is

307

00:12:39,290 --> 00:12:37,019

but uh at this point you only I guess

308

00:12:41,269 --> 00:12:39,300

you only really want to disclose it if

309

00:12:43,250 --> 00:12:41,279

you got a really good story and if

310

00:12:45,230 --> 00:12:43,260

there's like a lot of good evidence that

311

00:12:47,150 --> 00:12:45,240

it is haunted because if you don't have

312

00:12:49,069 --> 00:12:47,160

that stuff to really sell with it it's

313

00:12:50,329 --> 00:12:49,079

just a bunch of rumor and innuendo and

314

00:12:52,790 --> 00:12:50,339

it sounds like a hassle but if you got

315

00:12:54,490 --> 00:12:52,800

some a good story behind it and some

316

00:12:56,629 --> 00:12:54,500

pretty good photographic proof or video

317

00:12:58,850 --> 00:12:56,639

that's when you can start marketing it

318

00:12:59,930 --> 00:12:58,860

to people who want to give a lesson in

319

00:13:01,670 --> 00:12:59,940

the middle of night like Charles

320

00:13:11,230 --> 00:13:01,680

Dickinson

321

00:13:15,590 --> 00:13:11,240

uh Iron Maiden

322

00:13:17,210 --> 00:13:15,600

which is confusing celebrities now

323

00:13:21,129 --> 00:13:17,220

Bruce Dickinson writing his ghost

324

00:13:24,230 --> 00:13:21,139

stories and going to sleep in bed oh yes

325

00:13:25,250 --> 00:13:24,240

yes by the way I put in Carousel if

326

00:13:28,009 --> 00:13:25,260

you're interested here's an actual

327

00:13:30,949 --> 00:13:28,019

listing found this on Reddit of a um an

328

00:13:32,150 --> 00:13:30,959

apartment listing uh and mentions a

329

00:13:33,829 --> 00:13:32,160

couple things about hauntings in here

330

00:13:35,110 --> 00:13:33,839

trying to entice people to uh needs a

331

00:13:38,750 --> 00:13:35,120

roommate basically

332

00:13:40,009 --> 00:13:38,760

the the ghost needs a roommate well I

333

00:13:41,750 --> 00:13:40,019

don't know if it's a ghost this could be

334

00:13:44,629 --> 00:13:41,760

from a ghost I suppose I assume it's

335

00:13:46,310 --> 00:13:44,639

from a live tenant but yeah I'm gonna

336

00:13:49,690 --> 00:13:46,320

say if the ghost can go to Kinkos that's

337

00:13:54,710 --> 00:13:52,490

well they expend a lot of uh psychic

338

00:13:56,509 --> 00:13:54,720

energy doing that and Sir depending on

339

00:13:59,210 --> 00:13:56,519

what level the ghost is they only have

340

00:14:00,590 --> 00:13:59,220

so many points they can spend and uh

341

00:14:03,290 --> 00:14:00,600

they probably wouldn't want to waste it

342

00:14:09,370 --> 00:14:05,930

uh looking for a place to live I can

343

00:14:11,750 --> 00:14:09,380

help two-bedroom apartment in Ravenwood

344

00:14:13,310 --> 00:14:11,760

1100 bucks a month okay not bad

345

00:14:14,750 --> 00:14:13,320

depending I don't know where this is

346

00:14:16,910 --> 00:14:14,760

exactly Apartment information one

347

00:14:19,670 --> 00:14:16,920

bedroom decent kitchen laundry and

348

00:14:21,829 --> 00:14:19,680

building easy access to the bus uh

349

00:14:25,190 --> 00:14:21,839

heating included near grocery store

350

00:14:28,550 --> 00:14:25,200

window box AC not a big fan of that

351

00:14:30,970 --> 00:14:28,560

uh cats okay new dogs basement okay not

352

00:14:33,230 --> 00:14:30,980

haunted it says not haunted

353

00:14:35,090 --> 00:14:33,240

right there just throws it under one of

354

00:14:37,610 --> 00:14:35,100

the one of the uh the amenities there

355

00:14:42,350 --> 00:14:41,389

about me 25 year old LGBT well which one

356

00:14:44,629 --> 00:14:42,360

are you

357

00:14:48,530 --> 00:14:44,639

all of them

358

00:14:50,569 --> 00:14:48,540

so you just put tea on there or put G

359

00:14:53,889 --> 00:14:50,579

I don't know does that work because

360

00:14:56,949 --> 00:14:53,899

you're right you should specify which

361

00:15:00,829 --> 00:14:56,959

are you a g

362

00:15:02,329 --> 00:15:00,839

wait what's that mean uh game master ax

363

00:15:04,790 --> 00:15:02,339

thrower well that sounds like a

364

00:15:06,310 --> 00:15:04,800

liability right there does he do them

365

00:15:10,069 --> 00:15:06,320

both at the same time

366

00:15:12,590 --> 00:15:10,079

I asked her while my game master okay

367

00:15:14,689 --> 00:15:12,600

he likes cooking likes video games owns

368

372

00:15:26,290 --> 00:15:23,459

[Laughter]

373

00:15:30,069 --> 00:15:26,300

I I at least with an option to buy

374

00:15:33,889 --> 00:15:30,079

uh uh He makes music or it makes music

375

00:15:36,350 --> 00:15:33,899

uh graphic design can list things

376

00:15:38,870 --> 00:15:36,360

I can list things too

377

00:15:40,610 --> 00:15:38,880

blue uh dog

378

00:15:42,110 --> 00:15:40,620

cat there's a there's a list of things

379

00:15:45,290 --> 00:15:42,120

right there

380

00:15:46,310 --> 00:15:45,300

um looking for a roommate in uh clean

381

00:15:49,189 --> 00:15:46,320

things

382

00:15:50,449 --> 00:15:49,199

have job or other steady income cool

383

00:15:53,090 --> 00:15:50,459

person

384

00:15:55,610 --> 00:15:53,100

not figment of my imagination

385

00:15:57,710 --> 00:15:55,620

knows what they're doing in my life or

386

00:16:00,230 --> 00:15:57,720

can fake it okay

387

00:16:02,389 --> 00:16:00,240

not a huge want list but probably

388

00:16:03,889 --> 00:16:02,399

possible I find it odd that he does

389

00:16:06,290 --> 00:16:03,899

confirm that the apartment is not

390

00:16:07,730 --> 00:16:06,300

haunted but also he's looking for a

391

00:16:10,009 --> 00:16:07,740

roommate who is not a figment of his

392

00:16:12,110 --> 00:16:10,019

imagination presumably because he's had

393

00:16:14,569 --> 00:16:12,120

roommates in the past who have turned

394

00:16:16,250 --> 00:16:14,579

out to be figments of his imagination or

395

00:16:17,870 --> 00:16:16,260

at least a possibility

396

00:16:19,550 --> 00:16:17,880

maybe that's why they took up ax Droid

397

00:16:22,310 --> 00:16:19,560

to see like are you real or are you a

398

00:16:25,189 --> 00:16:22,320

ghost I'll throw an ax at you let's test

399

00:16:28,970 --> 00:16:25,199

this with an app he got the ghost an

400

00:16:30,889 --> 00:16:28,980

Aaron he made the ghost whoops

401

00:16:34,370 --> 00:16:30,899

okay

402

00:16:39,889 --> 00:16:36,670

I like that he can list things

403

00:16:42,410 --> 00:16:39,899

that's a and has a vacuum cleaner oh no

404

00:16:44,210 --> 00:16:42,420

405

00:16:47,170 --> 00:16:44,220
