

SAD TIMES

1
00:00:00,299 --> 00:00:03,230
oh

2
00:00:11,410 --> 00:00:05,829
well

3
00:00:16,490 --> 00:00:14,930
I don't think so buddy so uh we this is

4
00:00:17,810 --> 00:00:16,500
a topic we uh it's already in character

5
00:00:20,150 --> 00:00:17,820
if you want to load that up it's a topic

6
00:00:21,590 --> 00:00:20,160
we cover uh pretty routinely I want to

7
00:00:24,170 --> 00:00:21,600
stay make sure we stay on top of the

8
00:00:25,310 --> 00:00:24,180
most recent toilet technology yeah we do

9
00:00:26,990 --> 00:00:25,320
like this and people like when we cover

10
00:00:29,029 --> 00:00:27,000
this kind of thing because it's

11
00:00:31,070 --> 00:00:29,039
something that we all have to do uh

12
00:00:34,430 --> 00:00:31,080
throughout our lives is uh use the

13
00:00:37,450 --> 00:00:34,440

toilet and this headline is uh

14

00:00:40,310 --> 00:00:37,460

this slope toilet is meant to increase

15

00:00:44,330 --> 00:00:40,320

workplace productivity that's some good

16

00:00:46,069 --> 00:00:44,340

news on that front sloped toilets

17

00:00:48,590 --> 00:00:46,079

so what we're looking at is the standard

18

00:00:52,069 --> 00:00:48,600

toilet but the the actual Bowl which you

19

00:00:55,610 --> 00:00:52,079

would sit down it is angled forward so

20

00:00:58,130 --> 00:00:55,620

you would slide off and or your balls

21

00:00:59,990 --> 00:00:58,140

and weenie would be wedged up against

22

00:01:01,729 --> 00:01:00,000

the front of the toilet seat if you got

23

00:01:02,750 --> 00:01:01,739

to sit down to do your business I wasn't

24

00:01:04,070 --> 00:01:02,760

even thinking about that I was thinking

25

00:01:06,050 --> 00:01:04,080

more about this somebody ending up on

26

00:01:08,030 --> 00:01:06,060

the floor in front of it just covered in

27

00:01:09,710 --> 00:01:08,040

their own filth I think with these kind

28

00:01:12,289 --> 00:01:09,720

of new toilets we're going to see an

29

00:01:13,490 --> 00:01:12,299

increase in penis injury you know oh we

30

00:01:14,990 --> 00:01:13,500

could go back to that list maybe that'll

31

00:01:18,310 --> 00:01:15,000

be a new one on the list or penis injury

32

00:01:20,929 --> 00:01:18,320

is trapped in front of toilet

33

00:01:24,469 --> 00:01:20,939

miss the button as the ejection seat

34

00:01:27,410 --> 00:01:24,479

Force you back out to work I see well

35

00:01:29,090 --> 00:01:27,420

remember there's a timer yeah the

36

00:01:31,429 --> 00:01:29,100

Chinese have toilet timers we covered

37

00:01:33,950 --> 00:01:31,439

that story a few years ago where in

38

00:01:35,390 --> 00:01:33,960

China in some places they force you to

39

00:01:39,230 --> 00:01:35,400

clock into the toilet and I think they

40

00:01:41,090 --> 00:01:39,240

give you a very small range to do your

41

00:01:44,630 --> 00:01:41,100

business like I need like I couldn't

42

00:01:45,590 --> 00:01:44,640

live in China's work situation I just

43

00:01:48,230 --> 00:01:45,600

wouldn't go to the bathroom there

44

00:01:50,929 --> 00:01:48,240

because I I need to take my time

45

00:01:53,090 --> 00:01:50,939

two minutes you hurry up [h__\h] now I need

46

00:01:56,569 --> 00:01:53,100

at least an hour to do my business two

47

00:01:58,490 --> 00:01:56,579

at least an hour maybe four is it too

48

00:02:00,530 --> 00:01:58,500

much to ask to have two uninterrupted 80

49

00:02:02,270 --> 00:02:00,540

minute toilet breaks during the week

50

00:02:04,850 --> 00:02:02,280

you need to get comfortable I gotta do

51
00:02:08,270 --> 00:02:04,860
Angry Birds and do all my Marvel Strike

52
00:02:11,029 --> 00:02:08,280
Force get mobile game stuff

53
00:02:13,550 --> 00:02:11,039
oh well the slanty toilet has a radical

54
00:02:15,770 --> 00:02:13,560
new design uh does it keep you healthy

55
00:02:17,869 --> 00:02:15,780
in reduced disease as the manufacturer

56
00:02:20,570 --> 00:02:17,879
claims or is it simply annoying I think

57
00:02:22,850 --> 00:02:20,580
it's just simply annoying because

58
00:02:24,770 --> 00:02:22,860
everyone knows like this The Squatty

59
00:02:26,630 --> 00:02:24,780
Potty that's the best piece of toilet

60
00:02:28,130 --> 00:02:26,640
technology that has come out within that

61
00:02:31,010 --> 00:02:28,140
we say the past 20 years where The

62
00:02:33,949 --> 00:02:31,020
Squatty Potty raises your feet up off

63
00:02:35,710 --> 00:02:33,959

the ground to put basically put you in a

64

00:02:38,210 --> 00:02:35,720

squat position

65

00:02:40,790 --> 00:02:38,220

uh it's a stool you put in front of your

66

00:02:44,089 --> 00:02:40,800

toilet so when you sit down it raises

67

00:02:46,910 --> 00:02:44,099

your legs up so it was like the way that

68

00:02:48,770 --> 00:02:46,920

Chinese and Indonesians poop is like a

69

00:02:50,449 --> 00:02:48,780

hole in the ground correctly that's just

70

00:02:52,729 --> 00:02:50,459

[h__h] in the hole so look at this The

71

00:02:55,790 --> 00:02:52,739

Squatty Potty is a is a is a stool why

72

00:02:58,130 --> 00:02:55,800

didn't they call it the stool stool

73

00:02:59,990 --> 00:02:58,140

hmm

74

00:03:02,150 --> 00:03:00,000

I'm very concerned about this piece of

75

00:03:05,930 --> 00:03:02,160

technology but the engineers behind the

76

00:03:08,990 --> 00:03:05,940

the slanty of British produced toilet uh

77

00:03:11,149 --> 00:03:09,000

offers an Innovative angle on toilet

78

00:03:13,009 --> 00:03:11,159

design the internal parts function like

79

00:03:15,170 --> 00:03:13,019

a standard toilet but the the seats

80

00:03:16,910 --> 00:03:15,180

profile is far more is far from standard

81

00:03:20,270 --> 00:03:16,920

rather than the traditional horizontal

82

00:03:23,210 --> 00:03:20,280

toilet seat uh the slanty tilts downward

83

00:03:26,089 --> 00:03:23,220

at an angle changing the user's body

84

00:03:30,110 --> 00:03:26,099

position depending on who you asked this

85

00:03:32,270 --> 00:03:30,120

is a sanitary upgrade or a degrading

86

00:03:34,070 --> 00:03:32,280

piece of corporate micromanaging let's

87

00:03:35,990 --> 00:03:34,080

take a look at how this land because

88

00:03:37,250 --> 00:03:36,000

yeah if you're you're probably going to

89

00:03:38,930 --> 00:03:37,260

be working your legs more you're going

90

00:03:41,570 --> 00:03:38,940

to be working probably your calf muscles

91

00:03:44,210 --> 00:03:41,580

in order to get that angle you know you

92

00:03:46,729 --> 00:03:44,220

need to do your business

93

00:03:48,770 --> 00:03:46,739

I'm imagining that uh you're gonna have

94

00:03:50,690 --> 00:03:48,780

a lot of guys with like pretty healthy

95

00:03:52,970 --> 00:03:50,700

legs like they're basically doing like

96

00:03:55,309 --> 00:03:52,980

squats like wall wall sits the entire

97

00:03:57,050 --> 00:03:55,319

time they should put um really highly

98

00:03:58,789 --> 00:03:57,060

polished floors in front of this so you

99

00:04:00,229 --> 00:03:58,799

so as you push with your feet they start

100

00:04:02,750 --> 00:04:00,239

to slip it's living and slide yeah

101
00:04:04,369 --> 00:04:02,760
people are flushing toilets 10 times 15

102
00:04:07,789 --> 00:04:04,379
times

103
00:04:11,410 --> 00:04:07,799
uh the slanty toilet came to be after

104
00:04:15,890 --> 00:04:14,270
found himself waiting in line for a

105
00:04:18,830 --> 00:04:15,900
public restroom at the United king in

106
00:04:21,949 --> 00:04:18,840
the United Kingdom as Gill told the BBC

107
00:04:24,950 --> 00:04:21,959
in 2019 I stopped off at the at a

108
00:04:27,950 --> 00:04:24,960
Motorway to go to the lou and realize

109
00:04:29,230 --> 00:04:27,960
that there's a huge cue for the Lou

110
00:04:31,850 --> 00:04:29,240
I wonder

111
00:04:34,490 --> 00:04:31,860
people were doing in there some were

112
00:04:37,189 --> 00:04:34,500
coming out with their mobile phones so

113
00:04:39,530 --> 00:04:37,199

because he's selfish and couldn't let

114

00:04:42,590 --> 00:04:39,540

dudes do what they got to do in there he

115

00:04:45,249 --> 00:04:42,600

invented a whole new toilet just for him

116

00:04:48,350 --> 00:04:45,259

yeah

117

00:04:51,350 --> 00:04:48,360

here's the thing uh businesses are not

118

00:04:54,370 --> 00:04:51,360

going to want to buy a new toilet

119

00:04:56,810 --> 00:04:54,380

uh they're gonna it's a it's a it's an

120

00:04:58,430 --> 00:04:56,820

unnecessary expense at this point in a lot

121

00:05:01,610 --> 00:04:58,440

of businesses is probably not in their

122

00:05:04,189 --> 00:05:01,620

bottom line maybe if they're building a

123

00:05:06,830 --> 00:05:04,199

new business like a new a building for a

124

00:05:08,810 --> 00:05:06,840

business that's possible but I don't

125

00:05:10,370 --> 00:05:08,820

know I don't think so you raise a good

126
00:05:12,409 --> 00:05:10,380
point uh most businesses do not even

127
00:05:13,610 --> 00:05:12,419
purchase the the toilets and fixtures

128
00:05:15,710 --> 00:05:13,620
and all that I mean that's part of the

129
00:05:17,930 --> 00:05:15,720
lease of the building that they're in so

130
00:05:20,629 --> 00:05:17,940
if they're building a new structure they

131
00:05:22,249 --> 00:05:20,639
may specify this type of toilet but that

132
00:05:23,510 --> 00:05:22,259
only how often does a company build a

133
00:05:26,210 --> 00:05:23,520
new building every couple of years at

134
00:05:28,430 --> 00:05:26,220
most unless you're Amazon but it's it

135
00:05:30,230 --> 00:05:28,440
says for most users the slanty toilet

136
00:05:32,689 --> 00:05:30,240
will become uncomfortable after about

137
00:05:35,990 --> 00:05:32,699
five minutes but that depends on several

138
00:05:37,490 --> 00:05:36,000

factors including users leg strength and

139

00:05:40,189 --> 00:05:37,500

some people simply can't use slanted

140

00:05:42,409 --> 00:05:40,199

toilets at all like kids seniors or

141

00:05:44,570 --> 00:05:42,419

anyone with mobility issues so this is

142

00:05:46,490 --> 00:05:44,580

like going against like probably a lot

143

00:05:48,350 --> 00:05:46,500

of like civil rights legislation for

144

00:05:49,730 --> 00:05:48,360

ease of access to because why can't

145

00:05:51,950 --> 00:05:49,740

seniors use them

146

00:05:53,570 --> 00:05:51,960

they don't get the leg strength well

147

00:05:55,370 --> 00:05:53,580

they they make special chairs for

148

00:05:58,490 --> 00:05:55,380

seniors that like kind of tip you off to

149

00:06:00,290 --> 00:05:58,500

get you to stand up faster so would it

150

00:06:02,050 --> 00:06:00,300

be the same thing no no there is no

151

00:06:04,070 --> 00:06:02,060

bathroom

152

00:06:06,590 --> 00:06:04,080

don't you just hold it there is no

153

00:06:08,390 --> 00:06:06,600

bathroom just Schwarzenegger standing in

154

00:06:11,390 --> 00:06:08,400

an empty room there's only productivity

155

00:06:13,909 --> 00:06:11,400

that's the next why are you not working

156

00:06:16,249 --> 00:06:13,919

uh this isn't the first toilet to be

157

00:06:19,610 --> 00:06:16,259

made at an angle or even the first from

158

00:06:22,909 --> 00:06:19,620

the UK the The Stoke on Trent based

159

00:06:25,570 --> 00:06:22,919

manufacturer uh two folds holds a 1911

160

00:06:28,210 --> 00:06:25,580

patent on the

161

00:06:32,950 --> 00:06:28,220

nattera

162

00:06:36,650 --> 00:06:32,960

net era toilet which uh made forward

163

00:06:38,450 --> 00:06:36,660

natural like natural natural uh made in

164

00:06:40,550 --> 00:06:38,460

a forward and backward sloping model

165

00:06:42,110 --> 00:06:40,560

Okay so

166

00:06:43,309 --> 00:06:42,120

I guess what would be a point of a

167

00:06:44,870 --> 00:06:43,319

backward sloping that would keep you

168

00:06:47,390 --> 00:06:44,880

they want to keep you they want to keep

169

00:06:48,770 --> 00:06:47,400

locked in you're not you're not pooping

170

00:06:50,990 --> 00:06:48,780

long enough Mike oh I found a photo of

171

00:06:52,809 --> 00:06:51,000

it here I'll put this up yeah look at

172

00:06:58,129 --> 00:06:52,819

this weird-ass thing

173

00:07:03,249 --> 00:07:01,430

wow so it looks back so it keeps you

174

00:07:06,409 --> 00:07:03,259

locked in place

175

00:07:18,010 --> 00:07:06,419

firmly positioned I'm going to take a

176

00:07:18,020 --> 00:07:21,950

toilet yeah

177

00:07:26,930 --> 00:07:24,710

well I I this is interesting toy

178

00:07:28,610 --> 00:07:26,940

technology I think it the same thing can

179

00:07:30,770 --> 00:07:28,620

be done like if you if you're concerned

180

00:07:32,150 --> 00:07:30,780

about productivity timers like the

181

00:07:35,330 --> 00:07:32,160

Chinese have figured us out toilet

182

00:07:36,469 --> 00:07:35,340

timers and then severe electric shock if

183

00:07:38,450 --> 00:07:36,479

you don't get off that toilet in time

184

00:07:40,370 --> 00:07:38,460

just Electrify the toilet seat if you

185

00:07:42,110 --> 00:07:40,380

want people to get out that thing no

186

00:07:43,610 --> 00:07:42,120

doors on stalls just holes in the ground

187

00:07:45,050 --> 00:07:43,620

and a guy standing there the bullhorn

188

00:07:46,189 --> 00:07:45,060

pretty much

189

00:07:48,950 --> 00:07:46,199

yeah

190

00:07:54,610 --> 00:07:48,960

it's like Amazon does it mm-hmm well

191

00:07:59,450 --> 00:07:57,290

it's full of [h__\h] all right so I got the

192

00:08:01,969 --> 00:07:59,460

story I did mention it uh earlier on the

193

00:08:03,589 --> 00:08:01,979

previous show um kind of just thinking

194

00:08:06,950 --> 00:08:03,599

about Joe again because this is a Austin

195

00:08:08,510 --> 00:08:06,960

is going to uh address their new their

196

00:08:10,129 --> 00:08:08,520

walking and biking trails because

197

00:08:13,010 --> 00:08:10,139

apparently the old ones are racist so we

198

00:08:16,430 --> 00:08:14,870

um we have a trucker who gets 24 tickets

199

00:08:22,369 --> 00:08:16,440

in 24 hours

200

00:08:25,070 --> 00:08:22,379

police called out to investigate the

201
00:08:27,290 --> 00:08:25,080
sound of somebody pounding their pork oh

202
00:08:29,689 --> 00:08:27,300
really

203
00:08:31,550 --> 00:08:29,699
um Thailand has a Hershey's chocolate

204
00:08:33,889 --> 00:08:31,560
Burger

205
00:08:35,570 --> 00:08:33,899
this headline says it all not sure about

206
00:08:37,790 --> 00:08:35,580
that another follow-up story we talked

207
00:08:40,130 --> 00:08:37,800
about the high price of the Disney

208
00:08:42,350 --> 00:08:40,140
crazy Star Wars Hotel well now they're

209
00:08:44,269 --> 00:08:42,360
cutting like 30 off of it and people are

210
00:08:46,730 --> 00:08:44,279
pissed at what they're paying oh wow

211
00:08:48,410 --> 00:08:46,740
look at this headline I I'd like to do a

212
00:08:50,630 --> 00:08:48,420
follow-up on the Disney the Disney

213
00:08:53,030 --> 00:08:50,640

cruise because I mean yeah Disney hotel

214

00:08:54,530 --> 00:08:53,040

yeah Disney hotel I'm just one of those

215

00:08:56,090 --> 00:08:54,540

like it was like five thousand dollars

216

00:08:58,009 --> 00:08:56,100

for a family of four and you have to

217

00:08:59,690 --> 00:08:58,019

stay there for it was like a week before

218

00:09:01,790 --> 00:08:59,700

like a four day stay it was like a

219

00:09:04,190 --> 00:09:01,800

minimum amount of days yeah and they

220

00:09:06,290 --> 00:09:04,200

demand you like come in character and

221

00:09:08,509 --> 00:09:06,300

they have crappy food and you sleep in

222

00:09:10,790 --> 00:09:08,519

bunk beds if I remember correctly like

223

00:09:13,250 --> 00:09:10,800

the accommodations it wasn't luxurious

224

00:09:15,710 --> 00:09:13,260

you're basically staying in the same

225

00:09:18,590 --> 00:09:15,720

accommodations as your average Clone

226

00:09:20,150 --> 00:09:18,600

Trooper which is that is one of the

227

00:09:21,949 --> 00:09:20,160

specific things called out by people is

228

00:09:24,350 --> 00:09:21,959

that the for as much as they're paying

229

00:09:25,610 --> 00:09:24,360

and while it's an experienced hotel for

230

00:09:27,530 --> 00:09:25,620

as much as they're paying the

231

00:09:30,050 --> 00:09:27,540

accommodations themselves are nowhere

232

00:09:32,090 --> 00:09:30,060

near worth it yeah

233

00:09:33,410 --> 00:09:32,100

yeah and that's the thing I I would be

234

00:09:35,810 --> 00:09:33,420

pretty uh

235

00:09:40,730 --> 00:09:35,820

pretty turned off by that too but uh

236

00:09:43,090 --> 00:09:40,740

here we go uh Disney chops price at five

237

00:09:46,610 --> 00:09:43,100

thousand dollars a night Star Wars Hotel

238

00:09:48,290 --> 00:09:46,620

panned by guests that's some good news

239

00:09:50,509 --> 00:09:48,300

on that front yeah because this this is

240

00:09:53,570 --> 00:09:50,519

not an attainable goal for your average

241

00:09:55,070 --> 00:09:53,580

middle class family uh even well to do

242

00:09:57,110 --> 00:09:55,080

Fame it's like five thousand dollars

243

00:09:59,509 --> 00:09:57,120

when it comes to like what you're gonna

244

00:10:02,750 --> 00:09:59,519

spend your vacation money on going and

245

00:10:04,850 --> 00:10:02,760

sleeping in bunk beds at uh some park

246

00:10:06,290 --> 00:10:04,860

where you can't leave is not Thompson

247

00:10:09,650 --> 00:10:06,300

the list

248

00:10:14,150 --> 00:10:09,660

uh uh so it goes on to say

249

00:10:16,850 --> 00:10:14,160

the force is definitely not with them

250

00:10:20,090 --> 00:10:16,860

oh Jesus Christ I'm just so tired of all

251
00:10:22,610 --> 00:10:20,100
these Star Wars Disney's last prices at

252
00:10:24,769 --> 00:10:22,620
its widely criticized Ultra expensive

253
00:10:29,030 --> 00:10:24,779
Star Wars Galactic star Cruiser hotel

254
00:10:30,829 --> 00:10:29,040
where some rooms have been derided as a

255
00:10:34,009 --> 00:10:30,839
windowless bunker

256
00:10:35,930 --> 00:10:34,019
build as an immersive experience well a

257
00:10:36,730 --> 00:10:35,940
jail is an immersive experience too it's

258
00:10:39,470 --> 00:10:36,740
like

259
00:10:42,410 --> 00:10:39,480
a lot of immersive experiences in this

260
00:10:44,990 --> 00:10:42,420
soil I mean

261
00:10:46,490 --> 00:10:45,000
uh okay well bill doesn't as an

262
00:10:48,290 --> 00:10:46,500
immersive experience where guests can

263
00:10:49,790 --> 00:10:48,300

interact with the characters from the

264

00:10:52,370 --> 00:10:49,800

Star Wars franchise

265

00:10:54,230 --> 00:10:52,380

uh the 100 room Hotel requires guests to

266

00:10:56,210 --> 00:10:54,240

book a minimum of two nights priced at

267

00:10:59,090 --> 00:10:56,220

about five thousand dollars per couple

268

00:11:01,970 --> 00:10:59,100

and closer to six six thousand dollars

269

00:11:04,130 --> 00:11:01,980

for a family of four the cost of the

270

00:11:05,750 --> 00:11:04,140

tricked out Suite jumps to twenty

271

00:11:08,750 --> 00:11:05,760

thousand dollars so if you want the

272

00:11:11,150 --> 00:11:08,760

really nice accommodations 20

273

00:11:14,150 --> 00:11:11,160

000 yeah you want blankets on your bunk

274

00:11:16,790 --> 00:11:14,160

bed you pay up I tell you what I'll give

275

00:11:20,630 --> 00:11:16,800

you fourteen thousand dollars and so

276

00:11:24,050 --> 00:11:20,640

well uh but early on guests complained

277

00:11:26,990 --> 00:11:24,060

about the out of this galaxy priced room

278

00:11:29,569 --> 00:11:27,000

rates food costs and Star Wars themed

279

00:11:31,970 --> 00:11:29,579

extras like private portrait sessions

280

00:11:34,130 --> 00:11:31,980

with photographers so wait a second with

281

00:11:36,350 --> 00:11:34,140

the uh six thousand dollars you pay for

282

00:11:39,410 --> 00:11:36,360

your family food is not included there's

283

00:11:41,389 --> 00:11:39,420

not even like a Cantina Buffet I think

284

00:11:43,130 --> 00:11:41,399

some food is included but not at all

285

00:11:45,530 --> 00:11:43,140

that's another one of the complaints not

286

00:11:47,030 --> 00:11:45,540

even like Jabba the Huts Buffet where

287

00:11:49,370 --> 00:11:47,040

they have like you know themed things

288

00:11:52,069 --> 00:11:49,380

from Jabba Hut like a like a vat of

289

00:11:54,050 --> 00:11:52,079

eyeballs you know the frogs in jars yeah

290

00:11:58,490 --> 00:11:54,060

yeah like stuff like that stuff that's

291

00:12:02,389 --> 00:12:00,230

um anger bubbled up before the hotel

292

00:12:04,670 --> 00:12:02,399

opened last March over a promotional

293

00:12:06,470 --> 00:12:04,680

video which was eventually scrubbed from

294

00:12:08,930 --> 00:12:06,480

Twitter and YouTube fan slammed the

295

00:12:10,310 --> 00:12:08,940

lodging as subpar and too expensive with

296

00:12:12,769 --> 00:12:10,320

some referring to the hotel as a

297

00:12:17,569 --> 00:12:12,779

windowless bunker and a Suburban Junior

298

00:12:21,470 --> 00:12:19,250

the lightsaber training looks about

299

00:12:24,350 --> 00:12:21,480

exciting as a roadside sobriety test

300

00:12:26,930 --> 00:12:24,360

when Disney Watcher commented

301
00:12:28,850 --> 00:12:26,940
and then there's there's a picture of a

302
00:12:31,850 --> 00:12:28,860
guy in his bunk he's on the top bunk and

303
00:12:34,069 --> 00:12:31,860
these look like small bunks like I'm 6'2

304
00:12:37,430 --> 00:12:34,079
uh I would not be able to comfortably

305
00:12:40,069 --> 00:12:37,440
sleep inside you sleep here Dad yeah you

306
00:12:42,110 --> 00:12:40,079
sleep yeah you've taken your first step

307
00:12:43,910 --> 00:12:42,120
into a larger world we were not inside

308
00:12:46,970 --> 00:12:43,920
this immersive bunker environment

309
00:12:48,410 --> 00:12:46,980
smaller bed that's right yeah

310
00:12:50,389 --> 00:12:48,420
and he's on his phone there's nothing

311
00:12:52,250 --> 00:12:50,399
exciting going on in this room I mean

312
00:12:55,069 --> 00:12:52,260
it's I mean it looks cool like if it was

313
00:12:56,810 --> 00:12:55,079

like the set of a movie but not some

314

00:12:58,750 --> 00:12:56,820

place that you want to spend your

315

00:13:02,690 --> 00:12:58,760

vacation

316

00:13:05,030 --> 00:13:02,700

the window was like uh Outdoors of like

317

00:13:06,889 --> 00:13:05,040

being in a Star Wars City with like [h__h]

318

00:13:08,690 --> 00:13:06,899

flying around and everything so that

319

00:13:10,250 --> 00:13:08,700

actually showed that is the windows is

320

00:13:12,050 --> 00:13:10,260

they have um you're supposed to be like

321

00:13:14,810 --> 00:13:12,060

so the idea is you're on a space cruiser

322

00:13:17,150 --> 00:13:14,820

so out the window is space flying by

323

00:13:19,790 --> 00:13:17,160

like all the background [h__h] in um uh

324

00:13:20,810 --> 00:13:19,800

Star Trek yeah but I think people get a

325

00:13:22,009 --> 00:13:20,820

little claustrophobic and they don't

326

00:13:23,930 --> 00:13:22,019

think they thought about that that hey

327

00:13:26,329 --> 00:13:23,940

if I'm looking at a looping video of

328

00:13:28,730 --> 00:13:26,339

fake space flying by that's not very

329

00:13:31,610 --> 00:13:28,740

interesting that's your uncle talking

330

00:13:33,410 --> 00:13:31,620

well my uncle knows what's up my uncle

331

00:13:35,810 --> 00:13:33,420

knows how to get a good bang for his

332

00:13:39,470 --> 00:13:35,820

butt on his deathbed my uncle said ever

333

00:13:41,750 --> 00:13:39,480

stay at a fake space Hotel

334

00:13:43,790 --> 00:13:41,760

the price to stay also does not include

335

00:13:47,269 --> 00:13:43,800

alcohol oh my God how you gonna make

336

00:13:50,329 --> 00:13:47,279

this this stay tolerable the one thing I

337

00:13:52,550 --> 00:13:50,339

need to make this vacation work the only

338

00:13:54,710 --> 00:13:52,560

thing you get is blue milk I need more

339

00:13:56,509 --> 00:13:54,720

yellow I need regalian rot gut whatever

340

00:14:00,050 --> 00:13:56,519

the stuff that Obi-Wan Obi-Wan was

341

00:14:01,970 --> 00:14:00,060

drinking in the desert but uh so price

342

00:14:06,290 --> 00:14:01,980

of alcohol was not included which runs

343

00:14:09,170 --> 00:14:06,300

around 13 for a beer eleven dollars and

344

00:14:12,410 --> 00:14:09,180

up for wine and 23 dollars for specialty

345

00:14:15,350 --> 00:14:12,420

drinks or and none of that is like

346

00:14:17,269 --> 00:14:15,360

included and none of the extra Star Wars

347

00:14:20,389 --> 00:14:17,279

themed extras are included at all for

348

00:14:22,730 --> 00:14:20,399

instance it costs 99 minimum to hire a

349

00:14:24,530 --> 00:14:22,740

photographer for a portrait if you want

350

00:14:27,590 --> 00:14:24,540

to sit at the head of the Captain's

351

00:14:30,050 --> 00:14:27,600

Table in the star Cruisers crown of

352

00:14:34,269 --> 00:14:30,060

corellia uh in that dining room you'll

353

00:14:40,689 --> 00:14:34,279

need to cough up an extra 30 dollars

354

00:14:47,269 --> 00:14:43,370

my God

355

00:14:49,370 --> 00:14:47,279

you're going to single-handedly uh

356

00:14:50,870 --> 00:14:49,380

um fund The Next Star Wars movie yeah

357

00:14:54,170 --> 00:14:50,880

they're that's what they were trying to

358

00:14:57,650 --> 00:14:54,180

do with this uh in order to entice guess

359

00:14:59,990 --> 00:14:57,660

the uh the The Mouse House is now

360

00:15:01,790 --> 00:15:00,000

offering up to seven hundred dollars on

361

00:15:04,310 --> 00:15:01,800

a two night stay according oh wow that's

362

00:15:06,590 --> 00:15:04,320

quite a slashing of prices

363

00:15:08,509 --> 00:15:06,600

instead of six thousand or four thousand

364

00:15:11,629 --> 00:15:08,519

dollars per couple seven hundred dollars

365

00:15:14,090 --> 00:15:11,639

for a two night stay so beat

366

00:15:16,670 --> 00:15:14,100

according to the company's website uh

367

00:15:19,189 --> 00:15:16,680

last November Disney uh announced that

368

00:15:21,410 --> 00:15:19,199

uh discounts for up to 30 were being

369

00:15:24,290 --> 00:15:21,420

made available to the Disney Vacation

370

00:15:27,290 --> 00:15:24,300

Club members but now uh non-vacation

371

00:15:29,329 --> 00:15:27,300

club members can access the discount a

372

00:15:31,550 --> 00:15:29,339

rarity at the house of mouse meaning

373

00:15:33,949 --> 00:15:31,560

that no one is staying there they're

374

00:15:37,670 --> 00:15:33,959

bleeding money and they need people in

375

00:15:40,310 --> 00:15:37,680

there just to break even I have foreseen

376

00:15:45,590 --> 00:15:43,030

by the way I put up this photo of um uh

377

00:15:46,970 --> 00:15:45,600

apparently part of the hotel it to talk

378

00:15:49,670 --> 00:15:46,980

about here's your uh your suburban

379

00:15:52,790 --> 00:15:49,680

Junior High here's a awesome Star Wars

380

00:15:56,870 --> 00:15:52,800

stairwell with some creepy dude in it

381

00:15:59,389 --> 00:15:56,880

and it looks like Chewbacca maybe look

382

00:16:02,269 --> 00:15:59,399

at that greasy lawyer that's well it

383

00:16:04,970 --> 00:16:02,279

could be uh uh Chewbacca lawyer it could

384

00:16:07,670 --> 00:16:04,980

be a Wookie lawyer possibly look at that

385

00:16:10,069 --> 00:16:07,680

sack of Filth

386

00:16:10,970 --> 00:16:10,079

but if this is the experience and you

387

00:16:12,170 --> 00:16:10,980

can see to the right there there's

388

00:16:14,090 --> 00:16:12,180

actually the lens of a camera so

389

00:16:15,889 --> 00:16:14,100

somebody I think was shooting this as a

390

00:16:17,090 --> 00:16:15,899

promotional

391

00:16:18,889 --> 00:16:17,100

um photo

392

00:16:20,930 --> 00:16:18,899

if this is as dressed up as the whole

393

00:16:22,490 --> 00:16:20,940

place got you know and I paid six

394

00:16:24,050 --> 00:16:22,500

thousand dollars for the family to go

395

00:16:26,569 --> 00:16:24,060

there including or not including airfare

396

00:16:29,870 --> 00:16:26,579

and all that stuff I'd be pissed this is

397

00:16:31,550 --> 00:16:29,880

awful like it does it looks like uh like

398

00:16:33,110 --> 00:16:31,560

a like a stairwell leading to a

399

00:16:34,430 --> 00:16:33,120

gymnasium at a high school and

400

00:16:35,569 --> 00:16:34,440

everyone's kind of like in crappy

401
00:16:37,430 --> 00:16:35,579
costumes like I don't know who these

402
00:16:39,590 --> 00:16:37,440
people are they're just great these are

403
00:16:41,449 --> 00:16:39,600
Luke Skywalker's Chums

404
00:16:42,710 --> 00:16:41,459
these are all new Skywalker's Chums

405
00:16:44,389 --> 00:16:42,720
that's right

406
00:16:46,490 --> 00:16:44,399
oh boy that's another reference to Star

407
00:16:48,230 --> 00:16:46,500
Wars yeah it is

408
00:16:49,790 --> 00:16:48,240
uh yeah I'd be incredibly disappointed

409
00:16:51,170 --> 00:16:49,800
I'm sure there's like a lot of Star Wars

410
00:16:53,509 --> 00:16:51,180
fans out there that are really excited

411
00:16:54,889 --> 00:16:53,519
about this then but they they really

412
00:16:57,350 --> 00:16:54,899
should have tempered their excitement

413
00:16:59,150 --> 00:16:57,360

after the Disney Star Wars movies

414

00:17:00,889 --> 00:16:59,160

because they was while they look good

415

00:17:04,189 --> 00:17:00,899

they just weren't executed very well the

416

00:17:06,530 --> 00:17:04,199

care to the world and the characters was

417

00:17:09,230 --> 00:17:06,540

just not there why would you expect that

418

00:17:11,689 --> 00:17:09,240

care and precision to be uh throughout

419

00:17:13,010 --> 00:17:11,699

this entire Star cruise line uh it

420

00:17:15,110 --> 00:17:13,020

doesn't make any sense this is a money

421

00:17:17,689 --> 00:17:15,120

grab and they shot themselves in the

422

00:17:20,210 --> 00:17:17,699

foot they're gonna have to spend uh more

423

00:17:22,669 --> 00:17:20,220

money to try to fix it and reduce the

424

00:17:25,010 --> 00:17:22,679

price for your average person they got

425

00:17:27,590 --> 00:17:25,020

to get P they need people like me to go

426

00:17:31,190 --> 00:17:27,600

there someone who likes Star Wars

427

00:17:32,750 --> 00:17:31,200

but not at that rate I like it at a much

428

00:17:34,789 --> 00:17:32,760

cheaper rate

429

00:17:38,270 --> 00:17:34,799

so

430

00:17:40,610 --> 00:17:38,280

here is like it

431

00:17:42,289 --> 00:17:40,620

the the idea is this is completely uh

432

00:17:44,750 --> 00:17:42,299

immersive that you spend time in there

433

00:17:45,950 --> 00:17:44,760

you're you're you're involved in the the

434

00:17:47,630 --> 00:17:45,960

Star Wars universe and yet then they're

435

00:17:50,330 --> 00:17:47,640

asking for money for things which takes

436

00:17:53,630 --> 00:17:50,340

you out immediately uh the biggest the

437

00:17:55,669 --> 00:17:53,640

biggest discount is uh 350 per night

438

00:17:59,150 --> 00:17:55,679

well aren't they just Airbnb the entire

439

00:18:02,270 --> 00:17:59,160

thing put it on Airbnb and let people

440

00:18:03,830 --> 00:18:02,280

just go to and from that's it or they

441

00:18:06,590 --> 00:18:03,840

could just shut the whole thing down why

442

00:18:08,630 --> 00:18:06,600

not evacuate in Our Moment of Triumph

443

00:18:10,130 --> 00:18:08,640

it's not enough you're not trying from

444

00:18:13,789 --> 00:18:10,140

yet buddy

445

00:18:16,430 --> 00:18:13,799

uh so 350 per night for uh is for uh

446

00:18:18,409 --> 00:18:16,440

packaging of a Star cruise stay with

447

00:18:21,169 --> 00:18:18,419

additional nights at Disney World's

448

00:18:23,090 --> 00:18:21,179

Beach Club oh wow okay so they're trying

449

00:18:26,810 --> 00:18:23,100

to package it with other accommodations

450

00:18:29,150 --> 00:18:26,820

already in the the Disney portfolio

451
00:18:31,250 --> 00:18:29,160
all right the offer is valid uh if you

452
00:18:33,529 --> 00:18:31,260
guys want to go between February 5th and

453
00:18:37,250 --> 00:18:33,539
September 30th although there are some

454
00:18:39,350 --> 00:18:37,260
blacked out dates so uh I mean you gotta

455
00:18:41,090 --> 00:18:39,360
most of the summer and spring if you

456
00:18:42,650 --> 00:18:41,100
guys want to go down to this uh Star

457
00:18:44,930 --> 00:18:42,660
cruise it'd be great to have an OBD and

458
00:18:53,289 --> 00:18:44,940
meet up down there and just totally I

459
00:18:57,650 --> 00:18:55,490
Red Roof Inn

460
00:18:59,930 --> 00:18:57,660
all right staying at the Days Inn they

461
00:19:02,090 --> 00:18:59,940
got free breakfast yeah hotels are

462
00:19:04,190 --> 00:19:02,100
supposed to be drawers pretty much

463
00:19:06,049 --> 00:19:04,200

you're right so you could go out and

464

00:19:08,270 --> 00:19:06,059

enjoy yourself unless the hotel is

465

00:19:11,029 --> 00:19:08,280

banging this sounds like it's not a

466

00:19:13,070 --> 00:19:11,039

banging Hotel sounds like there'd be at

467

00:19:14,990 --> 00:19:13,080

most a bunch of rich people with their

468

00:19:17,029 --> 00:19:15,000

[h__h] kids

469

00:19:19,130 --> 00:19:17,039

yeah

470

00:19:21,409 --> 00:19:19,140

I'm getting too old for this sort of

471

00:19:23,169 --> 00:19:21,419

thing that's right I I probably got the

472

00:19:26,450 --> 00:19:23,179

West End or some [h__h]

473

00:19:30,409 --> 00:19:26,460

Beyond me we can go to Roy Rogers they

474

00:19:32,150 --> 00:19:30,419

saw on the Roy Rogers uh in are you

475

00:19:34,610 --> 00:19:32,160

thinking of Howard Johnson's Howard

476

00:19:37,130 --> 00:19:34,620

Johnson's yes Howard Johnson I don't

477

00:19:40,010 --> 00:19:37,140

think those exist anymore

478

00:19:44,450 --> 00:19:42,830

they got closed down I guess oh they got

479

00:19:47,330 --> 00:19:44,460

bought by uh Disney and now they're part

480

00:19:50,390 --> 00:19:47,340

of Star Wars uh Howard Johnson Star Wars

481

00:19:52,190 --> 00:19:50,400

Hotel I heard rumor is on the street so

482

00:19:54,190 --> 00:19:52,200

they're releasing Indiana Jones part

483

00:19:56,750 --> 00:19:54,200

five this summer

484

00:19:58,970 --> 00:19:56,760

and they test screened it they're tired

485

00:20:01,730 --> 00:19:58,980

of these Indiana Jones did not go over

486

00:20:03,770 --> 00:20:01,740

well so they're doing well new reshoots

487

00:20:05,330 --> 00:20:03,780

after the last one which did not go over

488

00:20:08,210 --> 00:20:05,340

well they're like oh I got a better idea

489

00:20:10,490 --> 00:20:08,220

let's do it again [h__h] yeah and uh it

490

00:20:12,710 --> 00:20:10,500

did not go well because they were uh

491

00:20:14,810 --> 00:20:12,720

trying to include a new female character

492

00:20:15,909 --> 00:20:14,820

who's taking over for Indiana Jones how

493

00:20:18,470 --> 00:20:15,919

were

494

00:20:21,470 --> 00:20:18,480

and they're reshooting like everything

495

00:20:24,169 --> 00:20:21,480

because it's just like they can't have

496

00:20:27,590 --> 00:20:24,179

another failure they have to have a

497

00:20:28,490 --> 00:20:27,600

successful Disney Lucasville movie and

498

00:20:29,990 --> 00:20:28,500

so they're just we're shooting it

499

00:20:31,549 --> 00:20:30,000

they're gonna spend like another 50 to

500

00:20:34,070 --> 00:20:31,559

100 million dollars to make try to make

501
00:20:36,049 --> 00:20:34,080
it good make it what the fans want

502
00:20:38,630 --> 00:20:36,059
didn't they try that in the last one

503
00:20:41,150 --> 00:20:38,640
they tried to introduce uh Indiana Jones

504
00:20:44,810 --> 00:20:41,160
is like his his illegitimate kid or

505
00:20:46,690 --> 00:20:44,820
something yeah that was uh Shia LaBeouf

506
00:20:48,830 --> 00:20:46,700
yeah

507
00:20:51,830 --> 00:20:48,840
with the implication that he would then

508
00:20:53,390 --> 00:20:51,840
take over the um uh the the series and

509
00:20:55,490 --> 00:20:53,400
you'd have a lot of Shia LaBeouf Indiana

510
00:20:57,110 --> 00:20:55,500
Jones movies I could take that I like

511
00:20:59,150 --> 00:20:57,120
Sharia LaBeouf but he's not active

512
00:21:01,549 --> 00:20:59,160
anymore so they they had to find

513
00:21:04,549 --> 00:21:01,559

someplace else and the the head of

514

00:21:06,470 --> 00:21:04,559

lucasfilm Kathleen Kennedy wants more

515

00:21:08,350 --> 00:21:06,480

women in Star Wars and everything she

516

00:21:11,990 --> 00:21:08,360

does so she was trying to pass a torch

517

00:21:15,049 --> 00:21:12,000

to a a woman version of Indiana Jones

518

00:21:19,330 --> 00:21:15,059

and a new one called Indiana Jones and

519

00:21:25,730 --> 00:21:22,549

Indiana Indiana Jones and the dial of

520

00:21:27,169 --> 00:21:25,740

Destin oh God I don't think so buddy

521

00:21:28,490 --> 00:21:27,179

I mean that would be a better title

522

00:21:31,250 --> 00:21:28,500

Indiana Jones and the I don't think so

523

00:21:34,850 --> 00:21:31,260

buddy yeah

524

00:21:36,590 --> 00:21:34,860

style of Destiny uh I think I've not

525

00:21:39,130 --> 00:21:36,600

even heard about this he and he fights

526

00:21:42,610 --> 00:21:39,140

Hitler at the end again

527

00:21:44,930 --> 00:21:42,620

he twists uh Hitler's dick right off

528

00:21:47,330 --> 00:21:44,940

it's a very controversial scene that's

529

00:21:50,390 --> 00:21:47,340

what this is Dick twist yeah

530

00:21:52,430 --> 00:21:50,400

freaking twisted

531

00:21:53,690 --> 00:21:52,440

Indiana Jones is going around the entire

532

00:21:55,370 --> 00:21:53,700

movie twisting people's dick because

533

00:21:56,990 --> 00:21:55,380

he's old and senile

534

00:21:58,730 --> 00:21:57,000

they take him out of the old folks home

535

00:22:00,049 --> 00:21:58,740

and they didn't realize like oh he

536

00:22:01,669 --> 00:22:00,059

touches people because he's old and so

537

00:22:03,289 --> 00:22:01,679

you know he goes around twisting

538

00:22:04,970 --> 00:22:03,299

people's penises

539

00:22:08,630 --> 00:22:04,980

that's a very it's a very weird song

540

00:22:10,200 --> 00:22:08,640

it's just his excuse I felt dirty even

541

00:22:11,690 --> 00:22:10,210

looking at it

542

00:22:13,130 --> 00:22:11,700

[Music]

543

00:22:15,350 --> 00:22:13,140

all right I think we gotta get out of

544

00:22:17,870 --> 00:22:15,360

here so this they've already filmed this

545

00:22:21,110 --> 00:22:17,880

I've never heard of this movie yeah it's

546

00:22:22,850 --> 00:22:21,120

filmed oh began shooting in uh June 2021

547

00:22:24,049 --> 00:22:22,860

okay so they've been done for a year

548

00:22:25,549 --> 00:22:24,059

yeah they must have really [h__h] up

549

00:22:28,450 --> 00:22:25,559

yeah they think they really [h__h] it up

550

00:22:31,330 --> 00:22:28,460

he bought an email at

551

00:22:34,490 --> 00:22:31,340

gmail.com check out

552

00:22:37,789 --> 00:22:34,500
