

A black and white photograph showing a muscular, grey-skinned alien with large, pointed ears sitting at a conference table. The alien is looking towards a man in a dark suit who is sitting opposite him. The man is holding a pen and looking at the alien. On the table are several white coffee cups on saucers and some papers. The background features horizontal blinds. The text "ALIENS ARE DEMONS" is overlaid in large, bold, yellow capital letters across the center of the image.

ALIENS ARE DEMONS

1
00:00:00,299 --> 00:00:03,230
oh

2
00:00:09,410 --> 00:00:05,829
well

3
00:00:15,110 --> 00:00:09,420
so I've been doing a lot of listening

4
00:00:17,330 --> 00:00:15,120
and reading about UFOs and or demons

5
00:00:20,570 --> 00:00:17,340
um and I'll put this uh the full length

6
00:00:23,510 --> 00:00:20,580
audio up on patreon now

7
00:00:25,429 --> 00:00:23,520
what I'm going to talk about is uh

8
00:00:27,290 --> 00:00:25,439
probably coming from a Christian angle

9
00:00:30,890 --> 00:00:27,300
in fact the problem is no problem it is

10
00:00:34,010 --> 00:00:30,900
coming from a Christian Bible angle of

11
00:00:35,090 --> 00:00:34,020
the UFO phenomenon uh this is like some

12
00:00:37,850 --> 00:00:35,100
of the clips I'm gonna play this is

13
00:00:40,069 --> 00:00:37,860

their assessment of what's going on and

14

00:00:42,350 --> 00:00:40,079

what it all means when it comes to UFOs

15

00:00:45,470 --> 00:00:42,360

and entities coming into our reality

16

00:00:46,970 --> 00:00:45,480

interacting with us and higher-ups in

17

00:00:49,970 --> 00:00:46,980

the government

18

00:00:52,010 --> 00:00:49,980

um it there's a

19

00:00:55,670 --> 00:00:52,020

and I just heard about this apparently

20

00:00:57,290 --> 00:00:55,680

so back in the 40s uh when the United

21

00:00:59,930 --> 00:00:57,300

States government was really getting

22

00:01:01,910 --> 00:00:59,940

involved with investigating the UFO

23

00:01:03,770 --> 00:01:01,920

phenomenon after Roswell all that kind

24

00:01:06,350 --> 00:01:03,780

of stuff they put together a basically a

25

00:01:10,330 --> 00:01:06,360

think tank and within this giant Think

26

00:01:14,270 --> 00:01:10,340

Tank there was a subset of

27

00:01:16,969 --> 00:01:14,280

Christians called the Collins Elite now

28

00:01:18,830 --> 00:01:16,979

this the subset the Collins Elite uh

29

00:01:21,469 --> 00:01:18,840

nothing can really be pinpointed back to

30

00:01:24,350 --> 00:01:21,479

an exact group or a paper trail it's

31

00:01:28,010 --> 00:01:24,360

only been through Word of Mouth now

32

00:01:29,870 --> 00:01:28,020

it's important to remember with all this

33

00:01:31,670 --> 00:01:29,880

UFO stuff

34

00:01:35,090 --> 00:01:31,680

um this information can easily be

35

00:01:37,490 --> 00:01:35,100

something akin to Mirage man kind of

36

00:01:39,590 --> 00:01:37,500

scenario where there's uh genuine

37

00:01:43,190 --> 00:01:39,600

information genuine events but then

38

00:01:46,010 --> 00:01:43,200

there is information injected into these

39

00:01:47,390 --> 00:01:46,020

stories to kind of throw people off the

40

00:01:49,130 --> 00:01:47,400

course

41

00:01:50,810 --> 00:01:49,140

um so I can completely take that into

42

00:01:52,969 --> 00:01:50,820

account so this first clip is going to

43

00:01:54,730 --> 00:01:52,979

talk a little bit about the the Collins

44

00:01:59,569 --> 00:01:54,740

Elite

45

00:02:02,749 --> 00:01:59,579

and uh set up how uh this current flap

46

00:02:07,730 --> 00:02:02,759

uh wave I would say current from the

47

00:02:09,529 --> 00:02:07,740

1940s on uh really came about and uh it

48

00:02:13,190 --> 00:02:09,539

all goes back to

49

00:02:15,350 --> 00:02:13,200

an old JPL uh

50

00:02:17,089 --> 00:02:15,360

guy name

51
00:02:21,890 --> 00:02:17,099
uh Parsons

52
00:02:25,250 --> 00:02:21,900
uh Jack Parsons and Jack Parsons was a

53
00:02:27,290 --> 00:02:25,260
very intelligent smart inventive person

54
00:02:31,130 --> 00:02:27,300
when it comes to rocketry but he was

55
00:02:34,190 --> 00:02:31,140
also a big fan of Aleister Crowley and

56
00:02:36,830 --> 00:02:34,200
got involved in some dark arts so here

57
00:02:38,270 --> 00:02:36,840
this clip speaks to that we started off

58
00:02:40,670 --> 00:02:38,280
by talking about a group known as the

59
00:02:42,470 --> 00:02:40,680
Collins Elite now let's just go back in

60
00:02:44,509 --> 00:02:42,480
time there was an event that took place

61
00:02:46,550 --> 00:02:44,519
back in the late 40s known as The

62
00:02:47,809 --> 00:02:46,560
Babylon working ritual now this was a

63
00:02:51,890 --> 00:02:47,819

ritual that was carried out by Jack

64

00:02:53,690 --> 00:02:51,900

Parsons JPL you know people will even to

65

00:02:55,850 --> 00:02:53,700

this day say that JPL stands for for

66

00:02:58,670 --> 00:02:55,860

Jack Parsons Laboratories but on paper

67

00:03:00,949 --> 00:02:58,680

it's jet propulsion Laboratories JPL is

68

00:03:02,690 --> 00:03:00,959

Major it's a historic I mean so much

69

00:03:05,570 --> 00:03:02,700

surrounding this so much history here

70

00:03:08,270 --> 00:03:05,580

Jack Parsons was not professionally

71

00:03:10,850 --> 00:03:08,280

trained yet he was tapping into high

72

00:03:12,290 --> 00:03:10,860

technology and building Rockets

73

00:03:14,089 --> 00:03:12,300

how do you do that without any type of

74

00:03:17,030 --> 00:03:14,099

formal training there were no rocket

75

00:03:20,449 --> 00:03:17,040

programs in America before Jack Parsons

76

00:03:23,089 --> 00:03:20,459

this is Paramount to understand this guy

77

00:03:25,369 --> 00:03:23,099

was tapping into you know theosophy the

78

00:03:27,710 --> 00:03:25,379

Lima the Lima the religion of Aleister

79

00:03:30,229 --> 00:03:27,720

Crowley uh he was a disciple of Aleister

80

00:03:31,250 --> 00:03:30,239

Crowley and he was working with L Ron

81

00:03:33,589 --> 00:03:31,260

Hubbard who was the founder of

82

00:03:35,690 --> 00:03:33,599

Scientology interestingly not only did L

83

00:03:37,610 --> 00:03:35,700

Ron Hubbard start Scientology but he was

84

00:03:39,350 --> 00:03:37,620

a science fiction writer the movie

85

00:03:40,970 --> 00:03:39,360

Battlefield Earth with John Travolta

86

00:03:43,369 --> 00:03:40,980

well that was written by L Ron Hubbard

87

00:03:45,770 --> 00:03:43,379

interestingly also John Travolta is a

88

00:03:48,410 --> 00:03:45,780

Scientologist right now I mentioned this

89

00:03:49,850 --> 00:03:48,420

because this is a man who writes science

90

00:03:52,610 --> 00:03:49,860

fiction

91

00:03:53,990 --> 00:03:52,620

yet he started a religion based on

92

00:03:55,789 --> 00:03:54,000

science fiction

93

00:03:58,250 --> 00:03:55,799

there has to be something in there where

94

00:03:59,690 --> 00:03:58,260

he's getting these Clues and these these

95

00:04:01,789 --> 00:03:59,700

ideas he's getting these from another

96

00:04:04,190 --> 00:04:01,799

realm from that point you know they

97

00:04:07,009 --> 00:04:04,200

ripped a hole open at his face time and

98

00:04:09,350 --> 00:04:07,019

from that point afterwards you had

99

00:04:11,110 --> 00:04:09,360

um well regardless of what Parsons

100

00:04:13,729 --> 00:04:11,120

actually

101
00:04:15,170 --> 00:04:13,739
successfully uh completed during that

102
00:04:17,629 --> 00:04:15,180
with the [h__\h] of Babylon and different

103
00:04:20,150 --> 00:04:17,639
things after that you had the Roswell

104
00:04:23,570 --> 00:04:20,160
incident you had the Kenneth Arnold's uh

105
00:04:26,090 --> 00:04:23,580
sightings you had in 53 there was uh the

106
00:04:27,409 --> 00:04:26,100
swarm of UFOs that flew over the White

107
00:04:29,330 --> 00:04:27,419
House

108
00:04:31,550 --> 00:04:29,340
um and so there's this this uh

109
00:04:34,189 --> 00:04:31,560
unleashing of Supernatural activity that

110
00:04:36,409 --> 00:04:34,199
took place after that ritual was

111
00:04:40,670 --> 00:04:36,419
performed so there you go uh Jack

112
00:04:43,010 --> 00:04:40,680
Parsons is responsible for uh uh

113
00:04:44,749 --> 00:04:43,020

Conjuring open a portal which allowed

114

00:04:48,650 --> 00:04:44,759

certain entities to come through now

115

00:04:51,170 --> 00:04:48,660

there are naturally occurring portals uh

116

00:04:53,030 --> 00:04:51,180

you could say something that is much

117

00:04:55,790 --> 00:04:53,040

more natural might be a place like the

118

00:04:57,890 --> 00:04:55,800

meadow down south uh the one Skinwalker

119

00:04:59,689 --> 00:04:57,900

Ranch by all accounts was created by

120

00:05:02,570 --> 00:04:59,699

Native Americans

121

00:05:04,189 --> 00:05:02,580

and while uh I won't be able to talk

122

00:05:06,770 --> 00:05:04,199

about it during this segment probably

123

00:05:08,330 --> 00:05:06,780

next week I'll talk about uh

124

00:05:10,550 --> 00:05:08,340

the rituals performed by Native

125

00:05:12,290 --> 00:05:10,560

Americans and their relationship to

126

00:05:16,070 --> 00:05:12,300

Hollow Earth and how this all kind of

127

00:05:18,950 --> 00:05:16,080

wraps around because like this

128

00:05:21,350 --> 00:05:18,960

this view of the UFO phenomenon and

129

00:05:24,529 --> 00:05:21,360

entities isn't just contained from like

130

00:05:27,770 --> 00:05:24,539

the 1940s on it goes all the way back to

131

00:05:29,990 --> 00:05:27,780

the origins of mankind and what lives

132

00:05:31,610 --> 00:05:30,000

below the surface and their influence

133

00:05:34,430 --> 00:05:31,620

what lives below the surface their

134

00:05:36,350 --> 00:05:34,440

influence on mankind today

135

00:05:38,210 --> 00:05:36,360

so I'll try to wrap it around over the

136

00:05:39,409 --> 00:05:38,220

next few episodes

137

00:05:41,090 --> 00:05:39,419

um but

138

00:05:45,290 --> 00:05:41,100

um so there you go got Jack Parsons

139

00:05:47,510 --> 00:05:45,300

ripping open a portal and these entities

140

00:05:50,450 --> 00:05:47,520

come through now uh anybody who's

141

00:05:52,550 --> 00:05:50,460

listening to this show or has uh read

142

00:05:54,409 --> 00:05:52,560

anything about alien contacts or alien

143

00:05:57,290 --> 00:05:54,419

experiences throughout the ages going

144

00:06:00,170 --> 00:05:57,300

back to as as far back as uh the

145

00:06:02,570 --> 00:06:00,180

Renaissance to modern day it seems as

146

00:06:04,430 --> 00:06:02,580

though a lot of these alien encounters

147

00:06:08,210 --> 00:06:04,440

seem to change

148

00:06:11,749 --> 00:06:08,220

with the era that they're in and almost

149

00:06:13,670 --> 00:06:11,759

as if they're using parts of what you

150

00:06:16,490 --> 00:06:13,680

have in your brain to construct an image

151

00:06:18,770 --> 00:06:16,500

for you to view and interact with

152

00:06:21,590 --> 00:06:18,780

um and we'll get to a little bit uh

153

00:06:23,510 --> 00:06:21,600

later we'll get on uh I'll explain why

154

00:06:25,730 --> 00:06:23,520

that may be a little bit later but this

155

00:06:29,510 --> 00:06:25,740

next uh this next little clip here is

156

00:06:32,150 --> 00:06:29,520

about the Collins Elite and

157

00:06:35,150 --> 00:06:32,160

what they're doing to contact these

158

00:06:37,129 --> 00:06:35,160

entities since the rip uh in in the

159

00:06:39,290 --> 00:06:37,139

dimensions was opened up by Jack Parsons

160

00:06:40,790 --> 00:06:39,300

we present the information this is what

161

00:06:42,830 --> 00:06:40,800

they said in the 40s and it's only

162

00:06:44,390 --> 00:06:42,840

gotten worse over the years now let me

163

00:06:45,830 --> 00:06:44,400

just draw us into this other area real

164

00:06:48,350 --> 00:06:45,840

fast

165

00:06:52,309 --> 00:06:48,360

it is grouped to Collins Elite they

166

00:06:54,790 --> 00:06:52,319

really wanted to create

167

00:06:57,670 --> 00:06:54,800

how can I put this they wanted to create

168

00:06:59,990 --> 00:06:57,680

some type of resistance

169

00:07:01,670 --> 00:07:00,000

non-aggressive of course non-aggressive

170

00:07:03,050 --> 00:07:01,680

resistance that's what I I seemed I

171

00:07:04,550 --> 00:07:03,060

understand that from my studies that's

172

00:07:06,469 --> 00:07:04,560

what I believe they wanted a

173

00:07:08,090 --> 00:07:06,479

non-aggressive resistance to what was

174

00:07:09,890 --> 00:07:08,100

taking place because they saw that when

175

00:07:12,050 --> 00:07:09,900

I'm when a man or a group of men began

176
00:07:13,909 --> 00:07:12,060
to communicate with these these entities

177
00:07:15,590 --> 00:07:13,919
the hunger for power gets greater and

178
00:07:17,029 --> 00:07:15,600
greater and greater and then you're no

179
00:07:18,890 --> 00:07:17,039
longer trying to get answers you're now

180
00:07:21,050 --> 00:07:18,900
wanting to ask them to give you

181
00:07:23,330 --> 00:07:21,060
blessings you're now getting technology

182
00:07:24,950 --> 00:07:23,340
and information from these entities and

183
00:07:26,510 --> 00:07:24,960
you're utilizing it in the way that you

184
00:07:28,610 --> 00:07:26,520
structure your government moving forward

185
00:07:31,309 --> 00:07:28,620
and you would say well why why would

186
00:07:32,510 --> 00:07:31,319
these entities need the government it's

187
00:07:34,129 --> 00:07:32,520
not a matter of them needing the

188
00:07:35,990 --> 00:07:34,139

government it's a matter of setting up

189

00:07:37,790 --> 00:07:36,000

the scene for the end times deception

190

00:07:40,010 --> 00:07:37,800

where the Antichrist is going to unite

191

00:07:42,110 --> 00:07:40,020

the governments of the world it's all

192

00:07:43,309 --> 00:07:42,120

part of their long game they've been

193

00:07:44,870 --> 00:07:43,319

working on this since the beginning of

194

00:07:47,629 --> 00:07:44,880

time it didn't work at the Tower of

195

00:07:49,309 --> 00:07:47,639

Babel the Lord ended it quickly you know

196

00:07:51,230 --> 00:07:49,319

but here we are today

197

00:07:53,390 --> 00:07:51,240

where are we today and what happened

198

00:07:55,309 --> 00:07:53,400

between then and now well what we find

199

00:07:57,770 --> 00:07:55,319

out is that one of our contacts Stan Deo

200

00:08:00,529 --> 00:07:57,780

who by the way Tom Horn gave us a great

201
00:08:02,749 --> 00:08:00,539
endorsement of standee Tom Horn before

202
00:08:04,790 --> 00:08:02,759
his house burned down uh years ago he

203
00:08:07,430 --> 00:08:04,800
had this this big newspaper article from

204
00:08:09,350 --> 00:08:07,440
the UK and standing on the cover uh with

205
00:08:12,110 --> 00:08:09,360
these other Elite doctors and scientists

206
00:08:13,969 --> 00:08:12,120
it's Stan Deo and they're giving him

207
00:08:16,969 --> 00:08:13,979
Credit in the UK public knowledge that

208
00:08:20,150 --> 00:08:16,979
he's working on anti-gravity craft

209
00:08:22,610 --> 00:08:20,160
so you have in the 40s and 50s there

210
00:08:26,689 --> 00:08:22,620
people within the Pentagon uh civilian

211
00:08:29,150 --> 00:08:26,699
groups uh to do you can say seances or

212
00:08:32,269 --> 00:08:29,160
using psychic powers in order to try to

213
00:08:34,370 --> 00:08:32,279

contact these entities not unlike what

214

00:08:38,269 --> 00:08:34,380

Hitler in the viral Society were doing

215

00:08:41,750 --> 00:08:38,279

back in the 20s and 30s uh in the run-up

216

00:08:44,949 --> 00:08:41,760

to World War II where uh back then they

217

00:08:48,949 --> 00:08:44,959

were channeling information

218

00:08:52,449 --> 00:08:48,959

uh and contacting entities uh

219

00:08:56,090 --> 00:08:52,459

in rumors speculated to in order to get

220

00:08:58,250 --> 00:08:56,100

secrets of uh technological wonder and

221

00:09:00,889 --> 00:08:58,260

all their Wonder Weapons and and ideas

222

00:09:05,150 --> 00:09:00,899

and it's pretty well known that Hitler

223

00:09:07,850 --> 00:09:05,160

was on a quest for Holy items to seek A

224

00:09:09,470 --> 00:09:07,860

different race that possibly lived below

225

00:09:13,009 --> 00:09:09,480

the surface Hollow Earth that's why

226

00:09:14,930 --> 00:09:13,019

Hitler traveled uh to or the Nazis and

227

00:09:18,170 --> 00:09:14,940

supposedly Hitler traveled to Antarctica

228

00:09:20,990 --> 00:09:18,180

to investigate entrances into Hollow

229

00:09:23,630 --> 00:09:21,000

Earth and to move bases down there they

230

00:09:25,970 --> 00:09:23,640

had incredible technology no doubt uh

231

00:09:27,470 --> 00:09:25,980

and it looks like in the United States

232

00:09:29,630 --> 00:09:27,480

government they were trying to do

233

00:09:32,449 --> 00:09:29,640

something similar as to what Hitler was

234

00:09:35,630 --> 00:09:32,459

doing now uh they were channeling these

235

00:09:38,329 --> 00:09:35,640

entities in this these people claim that

236

00:09:40,850 --> 00:09:38,339

what they're channeling is uh demonic

237

00:09:43,430 --> 00:09:40,860

it's evil in nature apparently Hitler

238

00:09:45,110 --> 00:09:43,440

didn't really care about that and a good

239

00:09:46,730 --> 00:09:45,120

chunk of the people within our

240

00:09:48,530 --> 00:09:46,740

government don't don't really care about

241

00:09:49,790 --> 00:09:48,540

that because the payoff is new

242

00:09:51,590 --> 00:09:49,800

technology apology

243

00:09:54,410 --> 00:09:51,600

it's new information there's only a

244

00:09:57,290 --> 00:09:54,420

certain small segment within the that

245

00:10:00,829 --> 00:09:57,300

within that government uh the Collins

246

00:10:03,170 --> 00:10:00,839

Elite that really care about upholding

247

00:10:05,630 --> 00:10:03,180

the values of Christianity and believing

248

00:10:09,230 --> 00:10:05,640

in the Bible uh now they talked about

249

00:10:11,710 --> 00:10:09,240

this guy named Stan uh Deo in here uh I

250

00:10:14,690 --> 00:10:11,720

I listened to a lot of interviews by him

251

00:10:17,150 --> 00:10:14,700

and this is the intro to him so he talks

252

00:10:20,930 --> 00:10:17,160

with a lot of confidence as if he is

253

00:10:23,030 --> 00:10:20,940

done a lot of things and knows a lot of

254

00:10:25,910 --> 00:10:23,040

information regarding

255

00:10:28,310 --> 00:10:25,920

um anti-gravity technology UFOs he names

256

00:10:31,190 --> 00:10:28,320

he names a lot of names he comes off as

257

00:10:34,250 --> 00:10:31,200

a very interesting person so here's uh

258

00:10:37,070 --> 00:10:34,260

here's here's his intro so Stan tell us

259

00:10:38,449 --> 00:10:37,080

just briefly about your background up

260

00:10:41,690 --> 00:10:38,459

the hill here at the Air Force Academy I

261

00:10:43,970 --> 00:10:41,700

was Cadet there for about two years I

262

00:10:46,250 --> 00:10:43,980

trained at IBM for programming Systems

263

00:10:47,990 --> 00:10:46,260

Operations and for a short period of

264

00:10:51,110 --> 00:10:48,000

time I worked on the cover for the FBI

265

00:10:53,269 --> 00:10:51,120

in Dallas to from the ferried out some

266

00:10:54,889 --> 00:10:53,279

illegal communication between the

267

00:10:56,990 --> 00:10:54,899

foreign head of state and people in the

268

00:11:00,650 --> 00:10:57,000

company I was working for

269

00:11:02,630 --> 00:11:00,660

um so the FBI Air Force that's the

270

00:11:04,850 --> 00:11:02,640

background there and then computing

271

00:11:06,889 --> 00:11:04,860

so he's uh

272

00:11:10,430 --> 00:11:06,899

he's got quite a resume according to

273

00:11:14,090 --> 00:11:10,440

himself and that he was working at a

274

00:11:17,150 --> 00:11:14,100

large corporation he was uh recruited

275

00:11:20,630 --> 00:11:17,160

out of this Corporation to go work

276

00:11:22,150 --> 00:11:20,640

at a laboratory a laboratory down in

277

00:11:25,430 --> 00:11:22,160

Australia

278

00:11:27,170 --> 00:11:25,440

and at during this conversation uh they

279

00:11:28,670 --> 00:11:27,180

recruited him because he was working on

280

00:11:30,949 --> 00:11:28,680

very interesting new technology

281

00:11:33,170 --> 00:11:30,959

specifically like anti-gravity kind of

282

00:11:36,230 --> 00:11:33,180

stuff so they they shipped him over to

283

00:11:40,009 --> 00:11:36,240

Australia to kind of work

284

00:11:44,150 --> 00:11:40,019

um in some limited capacity on this new

285

00:11:46,970 --> 00:11:44,160

technology and while he was there he

286

00:11:49,490 --> 00:11:46,980

came to understand that well it's not

287

00:11:52,670 --> 00:11:49,500

this that we're working on uh

288

00:11:55,810 --> 00:11:52,680

anti-gravity is that there is a joint

289

00:11:59,329 --> 00:11:55,820

venture between some of these entities

290

00:12:01,490 --> 00:11:59,339

and humans here in order to construct

291

00:12:03,470 --> 00:12:01,500

different pieces of Technology

292

00:12:05,990 --> 00:12:03,480

and the thought is that once the Riff

293

00:12:09,949 --> 00:12:06,000

was open it while it did allow entities

294

00:12:13,550 --> 00:12:09,959

in they have to construct their devices

295

00:12:15,190 --> 00:12:13,560

out of the technology of that era now

296

00:12:18,130 --> 00:12:15,200

they have certain pieces of information

297

00:12:21,170 --> 00:12:18,140

they're super smart they have access to

298

00:12:22,850 --> 00:12:21,180

uh uh how to construct these things but

299

00:12:25,009 --> 00:12:22,860

they can't really construct it all

300

00:12:27,110 --> 00:12:25,019

themselves they need material Goods in

301

00:12:30,470 --> 00:12:27,120

order to construct their technological

302

00:12:33,110 --> 00:12:30,480

uh Terrors if you will and so standejo

303

00:12:37,150 --> 00:12:33,120

uh has this to say about the joint

304

00:12:40,850 --> 00:12:37,160

ventures between humans and non-humans

305

00:12:43,610 --> 00:12:40,860

but later I found out that they they're

306

00:12:45,170 --> 00:12:43,620

talking about was um from beings that

307

00:12:48,590 --> 00:12:45,180

they were working with that aren't from

308

00:12:51,290 --> 00:12:48,600

Earth and they had a joint project for

309

00:12:53,230 --> 00:12:51,300

humans and Multinational groups were

310

00:12:56,269 --> 00:12:53,240

supplying underground facilities

311

00:12:58,190 --> 00:12:56,279

sometimes under ocean facilities with

312

00:13:01,430 --> 00:12:58,200

infrastructure to allow these visitors

313

00:13:02,569 --> 00:13:01,440

to build equipment they want and in

314

00:13:04,370 --> 00:13:02,579

return we were getting certain

315

00:13:07,009 --> 00:13:04,380

Technologies like you know refined

316

00:13:09,470 --> 00:13:07,019

anti-gravity and time dilation devices

317

00:13:11,210 --> 00:13:09,480

and systems and molecular physics where

318

00:13:13,009 --> 00:13:11,220

you can walk through walls without you

319

00:13:14,569 --> 00:13:13,019

know breaking yourself on the wall

320

00:13:16,629 --> 00:13:14,579

there were just a lot of things that we

321

00:13:19,490 --> 00:13:16,639

got in return but they were kind of

322

00:13:21,290 --> 00:13:19,500

low-level toys and uh

323

00:13:22,150 --> 00:13:21,300

once our visitors that we were working

324

00:13:24,530 --> 00:13:22,160

with

325

00:13:26,329 --> 00:13:24,540

made what they needed to keep their

326

00:13:28,850 --> 00:13:26,339

operation going without our help

327

00:13:31,670 --> 00:13:28,860

they summarily started kicking us out of

328

00:13:33,769 --> 00:13:31,680

these bases and it got to shooting

329

00:13:35,750 --> 00:13:33,779

battles in a couple places as far as I

330

00:13:37,850 --> 00:13:35,760

understand my security guys told me

331

00:13:41,509 --> 00:13:37,860

about I wasn't there

332

00:13:43,069 --> 00:13:41,519

in the late mid to late 70s we lost

333

00:13:45,110 --> 00:13:43,079

control of all of our joint facilities

334

00:13:46,970 --> 00:13:45,120

with them now

335

00:13:50,210 --> 00:13:46,980

they they turned me loose and another

336

00:13:53,269 --> 00:13:50,220

guy like me over in London and said pack

337

00:13:55,670 --> 00:13:53,279

up your gear disappear hide and we were

338

00:13:57,889 --> 00:13:55,680

the keepers of What secrets we knew to

339

00:13:59,449 --> 00:13:57,899

share should they all go down and no one

340

00:14:01,250 --> 00:13:59,459

would ever know what happened

341

00:14:03,470 --> 00:14:01,260

uh there may have been others but those

342

00:14:05,329 --> 00:14:03,480

myself and that guy in England uh London

343

00:14:07,069 --> 00:14:05,339

was the one I knew about you're working

344

00:14:10,250 --> 00:14:07,079

in these groups that are working with

345

00:14:12,949 --> 00:14:10,260

them with these entities what were the

346

00:14:16,069 --> 00:14:12,959

types of entities the kind of Gray

347

00:14:18,310 --> 00:14:16,079

colored small ones uh with big eyes the

348

00:14:20,509 --> 00:14:18,320

taller gray ones with big eyes as well

349

00:14:24,050 --> 00:14:20,519

and something that looked like humans

350

00:14:25,490 --> 00:14:24,060

like a like a fair haired Nordic type

351

00:14:26,750 --> 00:14:25,500

description they were basically tall

352

00:14:30,110 --> 00:14:26,760

slender

353

00:14:32,509 --> 00:14:30,120

and uh oh yeah and their skin if you

354

00:14:34,790 --> 00:14:32,519

looked at it sideways in the sunlight it

355

00:14:37,009 --> 00:14:34,800

was likely even oil slick it was kind of

356

00:14:38,690 --> 00:14:37,019

like little rainbows and they said that

357

00:14:41,329 --> 00:14:38,700

was from the small scales different than

358

00:14:43,550 --> 00:14:41,339

our skin cells now he kind of wraps this

359

00:14:45,530 --> 00:14:43,560

up here I just have two more Clips here

360

00:14:47,629 --> 00:14:45,540

um he wraps us up

361

00:14:49,189 --> 00:14:47,639

um by stating and this has been a theme

362

00:14:52,069 --> 00:14:49,199

throughout kind of like the entire

363

00:14:54,590 --> 00:14:52,079

documentary here is that

364

00:14:57,470 --> 00:14:54,600

um there are multiple different entities

365

00:15:00,290 --> 00:14:57,480

but they all have the same source and

366

00:15:03,290 --> 00:15:00,300

the same goal which is to

367

00:15:05,629 --> 00:15:03,300

assert some sort of influence and

368

00:15:08,509 --> 00:15:05,639

control over humans like the the

369

00:15:10,970 --> 00:15:08,519

supposed Eisenhower meeting with the

370

00:15:12,590 --> 00:15:10,980

with the aliens uh I think at Edwards

371

00:15:14,329 --> 00:15:12,600

Air Force Base well

372

00:15:16,670 --> 00:15:14,339

he may have had two different meetings

373

00:15:20,030 --> 00:15:16,680

one with like the little gray aliens and

374

00:15:22,430 --> 00:15:20,040

another with the tall nordics and the uh

375

00:15:24,829 --> 00:15:22,440

the little gray alien said hey

376

00:15:28,069 --> 00:15:24,839

um we will give you technology if you

377

00:15:30,769 --> 00:15:28,079

give us humans whereas the Nordic said

378

00:15:33,410 --> 00:15:30,779

we will give you technology if you just

379

00:15:34,550 --> 00:15:33,420

give up all your nukes and so our

380

00:15:37,730 --> 00:15:34,560

government said well we're not giving up

381

00:15:39,889 --> 00:15:37,740

our nukes you can take some humans and

382

00:15:42,170 --> 00:15:39,899

so they made a deal with the small

383

00:15:43,490 --> 00:15:42,180

little gray guys now uh they're just

384

00:15:45,410 --> 00:15:43,500

they're cut from the same cloth they

385

00:15:48,410 --> 00:15:45,420

just have different strategies to assert

386

00:15:50,930 --> 00:15:48,420

control and this is the last piece from

387

00:15:53,150 --> 00:15:50,940

uh Stan dejo and the biblical stories

388

00:15:55,610 --> 00:15:53,160

they talk about Satan being in charge of

389

00:15:57,949 --> 00:15:55,620

a rebellion being cast down to earth

390

00:15:59,389 --> 00:15:57,959

well I think it's that he was in this

391

00:16:01,910 --> 00:15:59,399

Parable Universe at a higher energy

392

00:16:03,850 --> 00:16:01,920

level he was cast down with some of

393

00:16:07,009 --> 00:16:03,860

these cohorts and they made these beings

394

00:16:08,150 --> 00:16:07,019

to build a lie a deception for the

395

00:16:11,629 --> 00:16:08,160

people of Earth

396

00:16:14,689 --> 00:16:11,639

and that deception was that okay little

397

00:16:17,629 --> 00:16:14,699

Gray's nordics all these kind here are

398

00:16:19,310 --> 00:16:17,639

invading us and uh abducting us then

399

00:16:21,350 --> 00:16:19,320

Satan is going to come in with his crew

400

00:16:23,509 --> 00:16:21,360

that looked just like us are friendly

401
00:16:26,990 --> 00:16:23,519
and will Deliver Us from these nasty

402
00:16:29,030 --> 00:16:27,000
little aliens that way the satanic ones

403
00:16:30,949 --> 00:16:29,040
who appear to be good and friendly can

404
00:16:33,889 --> 00:16:30,959
help us set up the world government

405
00:16:35,629 --> 00:16:33,899
and then he can take over the planet

406
00:16:38,990 --> 00:16:35,639
with his man who's going to be the human

407
00:16:42,290 --> 00:16:39,000
Antichrist which uh the Messiah Yeshua

408
00:16:44,689 --> 00:16:42,300
Jesus in the Greek will land with his

409
00:16:47,329 --> 00:16:44,699
troops and have battle with Satan and

410
00:16:49,670 --> 00:16:47,339
his minions who have executed this great

411
00:16:52,970 --> 00:16:49,680
deception to the people of Earth

412
00:16:54,290 --> 00:16:52,980
is it going to be on Pay-per-view uh I I

413
00:16:55,790 --> 00:16:54,300

think we're gonna be able to watch it I

414

00:16:58,790 --> 00:16:55,800

think this is what the world academic

415

00:16:59,930 --> 00:16:58,800

forum's trying to do good I think that I

416

00:17:02,329 --> 00:16:59,940

think they're trying to set up their

417

00:17:04,669 --> 00:17:02,339

their technological prison right now in

418

00:17:07,549 --> 00:17:04,679

anticipation of a One World Government

419

00:17:09,890 --> 00:17:07,559

uh there certainly seems to be a lot of

420

00:17:12,590 --> 00:17:09,900

German influence on the world economic

421

00:17:13,909 --> 00:17:12,600

forum and uh by some of the stuff that

422

00:17:15,110 --> 00:17:13,919

I've been reading and listening to that

423

00:17:19,370 --> 00:17:15,120

the

424

00:17:21,169 --> 00:17:19,380

away it just kind of got absorbed into

425

00:17:24,530 --> 00:17:21,179

different parts of the government some

426

00:17:26,210 --> 00:17:24,540

uh escape to Argentina and others with a

427

00:17:28,789 --> 00:17:26,220

lot of technology and a lot of men

428

00:17:31,610 --> 00:17:28,799

escape to Antarctica where they still

429

00:17:34,190 --> 00:17:31,620

exert control uh they're just maybe not

430

00:17:37,730 --> 00:17:34,200

as visible as they once were and don't

431

00:17:39,650 --> 00:17:37,740

forget NASA in NASA too yeah of course

432

00:17:41,029 --> 00:17:39,660

of course well Mike to be fair I mean

433

00:17:42,350 --> 00:17:41,039

they just want to organize things you

434

00:17:44,570 --> 00:17:42,360

know they just want everything's nicely

435

00:17:46,490 --> 00:17:44,580

organized and regimented maybe some

436

00:17:49,250 --> 00:17:46,500

people in camps it just seems like

437

00:17:51,409 --> 00:17:49,260

there's a heavily uh there's a heavy

438

00:17:54,049 --> 00:17:51,419

Nazi influence over all governments

439

00:17:57,130 --> 00:17:54,059

still the same the same mentality the

440

00:17:59,870 --> 00:17:57,140

same uh the same divisiveness propaganda

441

00:18:03,950 --> 00:17:59,880

uh after World War II it seems like we

442

00:18:05,930 --> 00:18:03,960

absorbed that mentality in order to uh

443

00:18:08,210 --> 00:18:05,940

organize our intelligence agencies and

444

00:18:10,850 --> 00:18:08,220

governments and uh

445

00:18:12,830 --> 00:18:10,860

I don't know if there's a direct uh tie

446

00:18:15,169 --> 00:18:12,840

to uh influence from Antarctica but I'll

447

00:18:16,250 --> 00:18:15,179

get into that uh next week but in this

448

00:18:17,029 --> 00:18:16,260

last if you're not careful it's gonna

449

00:18:18,590 --> 00:18:17,039

say if you're not careful you're gonna

450

00:18:19,490 --> 00:18:18,600

start noticing things too so don't yeah

451

00:18:21,710 --> 00:18:19,500

I know

452

00:18:24,650 --> 00:18:21,720

well in this last clip because uh they

453

00:18:27,350 --> 00:18:24,660

mentioned alien bases they mentioned uh

454

00:18:29,510 --> 00:18:27,360

a team of humans and Aliens working

455

00:18:32,270 --> 00:18:29,520

together and that there's alien bases

456

00:18:35,210 --> 00:18:32,280

across the the planet well in in this

457

00:18:36,830 --> 00:18:35,220

clip here this is Jim Mars giving uh one

458

00:18:40,310 --> 00:18:36,840

of his last speeches before he died and

459

00:18:42,529 --> 00:18:40,320

Jim Mars is a a renowned UFO researcher

460

00:18:44,990 --> 00:18:42,539

conspiracy researcher he has written a

461

00:18:49,190 --> 00:18:45,000

number of books and this is him talking

462

00:18:51,770 --> 00:18:49,200

about uh alien bases and remote viewing

463

00:18:54,169 --> 00:18:51,780

and what uh what they saw in relation to

464

00:18:56,330 --> 00:18:54,179

alien bases so there's a lot of stuff

465

00:18:58,730 --> 00:18:56,340

that we're not being told about

466

00:19:01,850 --> 00:18:58,740

uh of course it all goes back to one of

467

00:19:04,010 --> 00:19:01,860

the best psychics was Pat price

468

00:19:06,529 --> 00:19:04,020

um and uh

469

00:19:09,230 --> 00:19:06,539

he early on showed up for work one day

470

00:19:10,130 --> 00:19:09,240

when they were testing remote viewing at

471

00:19:13,430 --> 00:19:10,140

uh

472

00:19:15,590 --> 00:19:13,440

Stanford Research Institute

473

00:19:17,270 --> 00:19:15,600

and uh

474

00:19:19,430 --> 00:19:17,280

says

475

00:19:21,230 --> 00:19:19,440

you know I was doing some real hook

476

00:19:25,070 --> 00:19:21,240

viewing at home and I found that there

477

00:19:26,930 --> 00:19:25,080

are four alien bases on the earth he

478

00:19:29,450 --> 00:19:26,940

said one of them is under they're all

479

00:19:31,669 --> 00:19:29,460

under mountains some one is under mount

480

00:19:34,130 --> 00:19:31,679

Perdido in the Pyrenees Mountains

481

00:19:37,730 --> 00:19:34,140

between Spain France the other is under

482

00:19:40,010 --> 00:19:37,740

mount inyagani in Zimbabwe another is

483

00:19:43,070 --> 00:19:40,020

under mount Zeal in Australia and mount

484

00:19:45,169 --> 00:19:43,080

Hayes in Alaska well everybody just went

485

00:19:49,850 --> 00:19:45,179

huh

486

00:19:52,010 --> 00:19:49,860

but they file that away and then uh

487

00:19:54,830 --> 00:19:52,020

some years later when they had formed

488

00:19:58,250 --> 00:19:54,840

the remote viewing unit and Skip Atwater

489

00:19:59,810 --> 00:19:58,260

was in charge of their training he was

490

00:20:02,690 --> 00:19:59,820

told why don't you give them some kind

491

00:20:05,510 --> 00:20:02,700

of really strange Target you know well

492

00:20:08,330 --> 00:20:05,520

he remembered Pat Price's earlier remote

493

00:20:11,090 --> 00:20:08,340

viewing so he dug out the files and he

494

00:20:12,890 --> 00:20:11,100

targeted the remote viewers he said you

495

00:20:14,210 --> 00:20:12,900

know gave him a coordinate which

496

00:20:17,090 --> 00:20:14,220

represented

497

00:20:18,650 --> 00:20:17,100

are there alien bases on the earth and

498

00:20:22,010 --> 00:20:18,660

sure enough they come back and they

499

00:20:29,029 --> 00:20:26,210

it's interesting because as I recall the

500

00:20:31,970 --> 00:20:29,039

the one in Alaska is like a weather

501
00:20:34,070 --> 00:20:31,980
station it's it's observing and

502
00:20:38,150 --> 00:20:34,080
recording what the environment of the

503
00:20:41,510 --> 00:20:38,160
earth is doing okay uh the one in

504
00:20:43,490 --> 00:20:41,520
Australia is kind of an r r restaurant

505
00:20:45,409 --> 00:20:43,500
Recreation Center and they said there

506
00:20:47,630 --> 00:20:45,419
you find different types of aliens and

507
00:20:48,710 --> 00:20:47,640
humans and they're just they're kind of

508
00:20:50,710 --> 00:20:48,720
like I don't know kind of like a

509
00:20:53,870 --> 00:20:50,720
shopping mall or something

510
00:20:56,150 --> 00:20:53,880
uh the one in Africa is a repair center

511
00:20:59,450 --> 00:20:56,160
that's where you go if your craft needs

512
00:21:01,789 --> 00:20:59,460
repair and so they verified and came up

513
00:21:04,510 --> 00:21:01,799

with the same thing Pat price had come

514

00:21:09,289 --> 00:21:04,520

up with which I think lends a lot of

515

00:21:11,990 --> 00:21:09,299

credibility to the whole story

516

00:21:15,770 --> 00:21:12,000

so there you go uh remote viewers

517

00:21:18,049 --> 00:21:15,780

looking at alien bases and uh weird

518

00:21:20,350 --> 00:21:18,059

stuff so I mean I will get into the

519

00:21:23,810 --> 00:21:20,360

hollow Earth connection next Wednesday

520

00:21:27,470 --> 00:21:23,820

uh it's just a it's a wild story and

521

00:21:30,770 --> 00:21:27,480

it's a an interesting perspective on not

522

00:21:33,470 --> 00:21:30,780

only the UFO phenomenon but the the fall

523

00:21:36,590 --> 00:21:33,480

of the Nazis and channeling and

524

00:21:40,789 --> 00:21:36,600

occultism and what we're seeing kind of

525

00:21:43,490 --> 00:21:40,799

being constructed around us with the uh

526

00:21:45,470 --> 00:21:43,500

coveted passports and trackings you know

527

00:21:46,669 --> 00:21:45,480

dollars like it's like the B system is

528

00:21:49,789 --> 00:21:46,679

right there

529

00:21:52,130 --> 00:21:49,799

uh and it's just ready to be turned

530

00:21:54,590 --> 00:21:52,140

loose on us and uh it just needs to be a

531

00:21:57,830 --> 00:21:54,600

few more events a few more events before

532

00:21:58,789 --> 00:21:57,840

it can really pop off but uh that's what

533

00:22:01,730 --> 00:21:58,799

I got

534

00:22:04,130 --> 00:22:01,740

we think they have like uh Intergalactic

535

00:22:06,529 --> 00:22:04,140

glory holes at the repair shop in Africa

536

00:22:09,890 --> 00:22:06,539

we got to do something to kill that time

537

00:22:12,770 --> 00:22:09,900

yeah I'm waiting for my craft

538

00:22:15,830 --> 00:22:12,780

to get you know I got flat tire when I

539

00:22:18,529 --> 00:22:15,840

was uh you know doing donuts on the moon

540

00:22:20,630 --> 00:22:18,539

and

541

00:22:22,850 --> 00:22:20,640

you got to bring it down to my uh my

542

00:22:25,070 --> 00:22:22,860

repair shop luckily a tractor tractor

543

00:22:26,810 --> 00:22:25,080

brought up the cow a little fast came

544

00:22:29,270 --> 00:22:26,820

right through the ceiling although I

545

00:22:33,169 --> 00:22:29,280

just got a call my UFO's warranty just

546

00:22:37,730 --> 00:22:35,510

I gotta get a new uh UFO warranty on it

547

00:22:40,730 --> 00:22:37,740

but oh I hit the glory hole right here

548

00:22:44,029 --> 00:22:40,740

it's a wild story and it's it's it is a

549

00:22:46,390 --> 00:22:44,039

wild perspective on on what is going on

550

00:22:50,149 --> 00:22:46,400

it's it's way even it's more bizarre

551
00:22:51,770 --> 00:22:50,159
than just believing in UFOs coming from

552
00:22:54,470 --> 00:22:51,780
a few light years over a few star

553
00:22:58,190 --> 00:22:54,480
systems over having to deal with demons

554
00:23:00,590 --> 00:22:58,200
and biblical uh prophecies all that kind

555
00:23:03,890 --> 00:23:00,600
of stuff it's a whole new

556
00:23:07,130 --> 00:23:03,900
landscape of of trying to understand the

557
00:23:09,529 --> 00:23:07,140
phenomena and the the phenomenon has

558
00:23:11,870 --> 00:23:09,539
been going on for thousands of years and

559
00:23:15,049 --> 00:23:11,880
so uh next week I'll dig into uh Hollow

560
00:23:17,210 --> 00:23:15,059
Earth and uh it's connection to uh all

561
00:23:18,890 --> 00:23:17,220
of this Malarkey here we are gonna get

562
00:23:21,230 --> 00:23:18,900
to the bottom of it we're gonna figure

563
00:23:22,909 --> 00:23:21,240

it out we will that's that's Mike's goal

564

00:23:24,649 --> 00:23:22,919

for the end of the year is that his end

565

00:23:27,649 --> 00:23:24,659

of the year review and his goal setting

566

00:23:30,649 --> 00:23:27,659

session yeah but by the end of time by

567

00:23:33,169 --> 00:23:30,659

the end of the year 2023 we're gonna

568

00:23:36,470 --> 00:23:33,179

understand Underground

569

00:23:38,570 --> 00:23:36,480

Hollow Earth and the demon alien

570

00:23:41,630 --> 00:23:38,580

connection and where these bases are

571

00:23:43,430 --> 00:23:41,640

yeah I'm it's my goal to consume like

572

00:23:45,529 --> 00:23:43,440

hundreds of hours of this stuff and read

573

00:23:48,049 --> 00:23:45,539

books and then can dis condense it down

574

00:23:51,409 --> 00:23:48,059

to like 20 to 30 minute segments that's

575

00:23:55,669 --> 00:23:51,419

that's what I do and it comes out as

576

00:23:57,950 --> 00:23:55,679

completely crazy I get it but this is

577

00:24:00,409 --> 00:23:57,960

the word I live in and the Paranormal

578

00:24:02,090 --> 00:24:00,419

juicer yeah juice it right into it you

579

00:24:04,490 --> 00:24:02,100

just take all this

580

00:24:06,649 --> 00:24:04,500

content and juice it into this tiny

581

00:24:09,370 --> 00:24:06,659

vessel I'm trying to that is your brain

582

00:24:12,789 --> 00:24:09,380

give us an email

583

00:24:15,890 --> 00:24:12,799

at gmail.com check out

584

00:24:19,250 --> 00:24:15,900

obdempo.com for other social media and
