

# HOLLOW EARTH

1  
00:00:00,299 --> 00:00:03,230  
oh

2  
00:00:03,240 --> 00:00:06,490  
well

3  
00:00:12,290 --> 00:00:08,570  
so I've been threatening to do this

4  
00:00:17,109 --> 00:00:12,300  
segment for quite a while and I'm I'm

5  
00:00:23,390 --> 00:00:17,119  
going to talk about Hollow Earth or

6  
00:00:28,189 --> 00:00:25,790  
Hollow Earth is uh one of these topics

7  
00:00:31,250 --> 00:00:28,199  
it's very divisive uh even in the uh

8  
00:00:32,269 --> 00:00:31,260  
paranormal Community because we have all

9  
00:00:35,630 --> 00:00:32,279  
grown up

10  
00:00:39,410 --> 00:00:35,640  
uh to think that the the Earth is a

11  
00:00:41,209 --> 00:00:39,420  
solid round mass and that the only

12  
00:00:44,090 --> 00:00:41,219  
things underneath the ground are dead

13  
00:00:47,090 --> 00:00:44,100

bodies dinosaur bones maybe some oil

14

00:00:48,770 --> 00:00:47,100

magma and the earth's core is somewhere

15

00:00:50,330 --> 00:00:48,780

down there but it's pretty much solid is

16

00:00:53,049 --> 00:00:50,340

what they say

17

00:00:57,650 --> 00:00:53,059

but if you go back in time

18

00:00:59,569 --> 00:00:57,660

and possibly even learn about some of

19

00:01:02,510 --> 00:00:59,579

the ancient cultures and civilizations

20

00:01:05,210 --> 00:01:02,520

that predate us thousands of years ago

21

00:01:06,230 --> 00:01:05,220

maybe even five to ten thousand years

22

00:01:08,330 --> 00:01:06,240

ago

23

00:01:09,109 --> 00:01:08,340

there are different stories that come

24

00:01:12,530 --> 00:01:09,119

about

25

00:01:14,149 --> 00:01:12,540

when it comes to the origins of mankind

26

00:01:17,210 --> 00:01:14,159

and

27

00:01:18,530 --> 00:01:17,220

us humans in general now last year I

28

00:01:20,510 --> 00:01:18,540

talked about Hollow Earth and some of

29

00:01:22,370 --> 00:01:20,520

the weird things that happened uh uh

30

00:01:24,710 --> 00:01:22,380

some of the old stories about a giant

31

00:01:27,469 --> 00:01:24,720

cataclysm that took place that drove

32

00:01:29,990 --> 00:01:27,479

people from the north to the South uh

33

00:01:34,010 --> 00:01:30,000

also referenced the the race of little

34

00:01:36,950 --> 00:01:34,020

people the pygmies that uh fought storks

35

00:01:41,149 --> 00:01:36,960

or cranes and their stories about those

36

00:01:44,090 --> 00:01:41,159

uh entities or beings uh throughout many

37

00:01:46,429 --> 00:01:44,100

cultures of this planet

38

00:01:47,330 --> 00:01:46,439

now when it comes to uh what I'm going

39

00:01:49,850 --> 00:01:47,340

to talk about in some of the clips I'm

40

00:01:53,749 --> 00:01:49,860

going to play it's this is coming from

41

00:01:56,149 --> 00:01:53,759

a movie that does have a Christian slant

42

00:01:59,389 --> 00:01:56,159

it's done by the same company who

43

00:02:02,030 --> 00:01:59,399

produced the movie uh where they uh they

44

00:02:03,170 --> 00:02:02,040

accuse aliens of being demons demons in

45

00:02:05,690 --> 00:02:03,180

disguise

46

00:02:09,469 --> 00:02:05,700

uh it's the same company but this this

47

00:02:12,410 --> 00:02:09,479

documentary is not as heavily focused on

48

00:02:14,270 --> 00:02:12,420

like biblical reinterpretations of old

49

00:02:15,710 --> 00:02:14,280

Tales they're just saying hey here's

50

00:02:17,030 --> 00:02:15,720

some information we found out about

51

00:02:19,970 --> 00:02:17,040

Hollow Earth

52

00:02:22,250 --> 00:02:19,980

uh let's have some fun with it uh and

53

00:02:23,890 --> 00:02:22,260

this first little clip here is about

54

00:02:27,890 --> 00:02:23,900

Native Americans

55

00:02:31,010 --> 00:02:27,900

and what they grew up learning about

56

00:02:33,170 --> 00:02:31,020

their Origins and what they've learned

57

00:02:35,750 --> 00:02:33,180

here we go just a little little segment

58

00:02:38,150 --> 00:02:35,760

uh about Native Americans

59

00:02:40,670 --> 00:02:38,160

in Hollow Earth among the Native

60

00:02:43,550 --> 00:02:40,680

American peoples the Navajo Legends

61

00:02:46,070 --> 00:02:43,560

teach that the forerunners of Man Came

62

00:02:48,710 --> 00:02:46,080

from Beneath the Earth the ancient ones

63

00:02:50,330 --> 00:02:48,720

had Supernatural Powers but they were

64

00:02:52,490 --> 00:02:50,340

driven from their Caverns by a great

65

00:02:54,589 --> 00:02:52,500

flood what's on the surface of Earth

66

00:02:56,570 --> 00:02:54,599

they passed on their great knowledge to

67

00:02:59,330 --> 00:02:56,580

the human race before once again

68

00:03:00,830 --> 00:02:59,340

returning to their great Sanctuary back

69

00:03:03,290 --> 00:03:00,840

inside the Earth

70

00:03:05,630 --> 00:03:03,300

among my people we have a saying that

71

00:03:09,229 --> 00:03:05,640

it's a in the time of the guacara

72

00:03:11,990 --> 00:03:09,239

guacara Jagua and guacara means in the

73

00:03:13,790 --> 00:03:12,000

ancient times of the caves and there was

74

00:03:15,830 --> 00:03:13,800

one very specific Cave the Cave of the

75

00:03:16,990 --> 00:03:15,840

Jagua or the hogwa well I thought it was

76

00:03:20,570 --> 00:03:17,000

a starter

77

00:03:22,550 --> 00:03:20,580

according to our stories we emerged from

78

00:03:24,470 --> 00:03:22,560

we came out of this cave after there was

79

00:03:25,250 --> 00:03:24,480

a cataclysmic flood that covered the

80

00:03:28,070 --> 00:03:25,260

land

81

00:03:31,070 --> 00:03:28,080

and from there the we also see a lot of

82

00:03:33,830 --> 00:03:31,080

motifs of my tribes of spirals and those

83

00:03:36,050 --> 00:03:33,840

those are stories of the migration

84

00:03:37,070 --> 00:03:36,060

routes that we took when we came out of

85

00:03:40,009 --> 00:03:37,080

the cave

86

00:03:42,530 --> 00:03:40,019

the underworld of our people very

87

00:03:45,050 --> 00:03:42,540

similar to the Cherokee Stories the

88

00:03:47,449 --> 00:03:45,060

creek stories of Maya Incan stories of

89

00:03:49,130 --> 00:03:47,459

underwater Panther in in these

90

00:03:51,410 --> 00:03:49,140

underworlds where there is completely

91

00:03:52,550 --> 00:03:51,420

different civilizations that lived under

92

00:03:55,190 --> 00:03:52,560

there

93

00:03:56,470 --> 00:03:55,200

I don't know of any stories of how we

94

00:03:59,030 --> 00:03:56,480

got there

95

00:04:00,289 --> 00:03:59,040

because our creation story starts with

96

00:04:01,610 --> 00:04:00,299

being created from the earth that

97

00:04:03,530 --> 00:04:01,620

Creator made us from the dust of the

98

00:04:05,570 --> 00:04:03,540

Earth but

99

00:04:07,910 --> 00:04:05,580

when that happened who knows we don't

100

00:04:09,710 --> 00:04:07,920

have a timetable on that but at some

101  
00:04:11,809 --> 00:04:09,720  
point we went from being on the surface

102  
00:04:13,670 --> 00:04:11,819  
to being Underground

103  
00:04:15,229 --> 00:04:13,680  
there's also stories that this is a

104  
00:04:17,629 --> 00:04:15,239  
personal story that was told by my

105  
00:04:18,530 --> 00:04:17,639  
grandfather and grandmother and he's the

106  
00:04:20,990 --> 00:04:18,540  
one who shared a lot of these

107  
00:04:23,090 --> 00:04:21,000  
traditional stories with me but this is

108  
00:04:25,850 --> 00:04:23,100  
more modern and more recent there's a

109  
00:04:29,030 --> 00:04:25,860  
place on our home island of borican in

110  
00:04:32,770 --> 00:04:29,040  
Puerto Rico called Arecibo and in

111  
00:04:36,530 --> 00:04:32,780  
Arecibo is where the seti project is is

112  
00:04:38,870 --> 00:04:36,540  
working through and it's a huge array of

113  
00:04:40,189 --> 00:04:38,880

satellites it was built obviously during

114

00:04:43,189 --> 00:04:40,199

my grandfather's time I don't know when

115

00:04:45,290 --> 00:04:43,199

it was built exactly but the purpose for

116

00:04:46,790 --> 00:04:45,300

it is being used now for the search for

117

00:04:49,490 --> 00:04:46,800

extraterrestrial life

118

00:04:51,230 --> 00:04:49,500

and my grandfather in those days before

119

00:04:52,430 --> 00:04:51,240

when the military had control of this

120

00:04:55,430 --> 00:04:52,440

area I don't know if the military has

121

00:04:57,770 --> 00:04:55,440

control now but he would always when he

122

00:05:00,170 --> 00:04:57,780

was young he would go canoeing across

123

00:05:02,450 --> 00:05:00,180

the waters near this area

124

00:05:04,490 --> 00:05:02,460

when he met my grandmother he wanted to

125

00:05:06,230 --> 00:05:04,500

take her canoeing one night you know and

126

00:05:08,810 --> 00:05:06,240

so my grandmother being you know the

127

00:05:11,210 --> 00:05:08,820

voice of wisdom she said no we can't go

128

00:05:14,090 --> 00:05:11,220

there that it's it's a it's cordoned off

129

00:05:16,129 --> 00:05:14,100

now the military has control of it and

130

00:05:18,590 --> 00:05:16,139

my grandfather was he was also a chief

131

00:05:20,450 --> 00:05:18,600

he was a casuke a very respected man and

132

00:05:22,490 --> 00:05:20,460

had no fear of anybody including the

133

00:05:24,170 --> 00:05:22,500

military and he just basically said I

134

00:05:26,930 --> 00:05:24,180

don't care this I want to go for a canoe

135

00:05:28,310 --> 00:05:26,940

ride you know with with my bride so they

136

00:05:31,310 --> 00:05:28,320

got in the canoe and they went out

137

00:05:34,070 --> 00:05:31,320

across the lake and there was a point

138

00:05:36,170 --> 00:05:34,080

where they were on the lake and the

139

00:05:38,210 --> 00:05:36,180

soldiers started yelling at them from

140

00:05:40,550 --> 00:05:38,220

the encampment to get out of the water

141

00:05:42,110 --> 00:05:40,560

they were signing spotlights on them and

142

00:05:43,969 --> 00:05:42,120

everything so my grandfather started to

143

00:05:45,469 --> 00:05:43,979

turn around and he said it was very

144

00:05:47,510 --> 00:05:45,479

heated you know you got to get out get

145

00:05:50,689 --> 00:05:47,520

out you know and so he's paddling out

146

00:05:52,909 --> 00:05:50,699

and he said that from underneath

147

00:05:53,689 --> 00:05:52,919

the the surface of the water there was a

148

00:05:57,230 --> 00:05:53,699

light

149

00:05:59,510 --> 00:05:57,240

and bigger and bigger and bigger and so

150

00:06:01,430 --> 00:05:59,520

he started paddling even more so my

151  
00:06:04,070 --> 00:06:01,440  
grandmother's like get us off this water

152  
00:06:06,230 --> 00:06:04,080  
get us off this water it has well right

153  
00:06:07,969 --> 00:06:06,240  
before they almost got to the shore and

154  
00:06:11,270 --> 00:06:07,979  
the military the soldiers are yelling at

155  
00:06:14,330 --> 00:06:11,280  
them this disc came flying out of the

156  
00:06:16,129 --> 00:06:14,340  
water and just into the sky

157  
00:06:18,110 --> 00:06:16,139  
and my grandfather said it headed

158  
00:06:19,490 --> 00:06:18,120  
towards the the Seven Sisters which uh

159  
00:06:22,249 --> 00:06:19,500  
the Pleiades

160  
00:06:25,309 --> 00:06:22,259  
that goes into uh additional uh stories

161  
00:06:27,230 --> 00:06:25,319  
about the Paranormal encounters and in

162  
00:06:29,870 --> 00:06:27,240  
Hollow Earth but this documentary is

163  
00:06:32,450 --> 00:06:29,880

about two and a half hours long uh fat

164

00:06:35,930 --> 00:06:32,460

like packed full of like these weird

165

00:06:38,090 --> 00:06:35,940

little uh stories about the origins of

166

00:06:41,090 --> 00:06:38,100

Hollow Earth like it goes into where

167

00:06:42,830 --> 00:06:41,100

some of these entrances are and it goes

168

00:06:46,909 --> 00:06:42,840

into detail about oh there's interests

169

00:06:51,170 --> 00:06:46,919

in South America it also goes into uh

170

00:06:54,050 --> 00:06:51,180

what may be below the surface uh it is

171

00:06:56,749 --> 00:06:54,060

possibly uh if there is Hollow Earth

172

00:07:00,830 --> 00:06:56,759

there is a race down there and they are

173

00:07:03,770 --> 00:07:00,840

ruled by uh the underworld king and the

174

00:07:05,870 --> 00:07:03,780

underworld King has access to vast array

175

00:07:08,029 --> 00:07:05,880

of Technology the technology that was

176

00:07:10,189 --> 00:07:08,039

developed above the surface and then

177

00:07:12,469 --> 00:07:10,199

after the cataclysm all that good

178

00:07:15,170 --> 00:07:12,479

technology taken below the surface so

179

00:07:17,749 --> 00:07:15,180

they could survive while all of us up

180

00:07:19,129 --> 00:07:17,759

here were toiling around during the

181

00:07:21,770 --> 00:07:19,139

great flood and enough to pick up the

182

00:07:24,170 --> 00:07:21,780

pieces afterwards in developing pretty

183

00:07:26,390 --> 00:07:24,180

much a parallel civilization above

184

00:07:28,969 --> 00:07:26,400

ground while they had all the goodies

185

00:07:31,129 --> 00:07:28,979

like you know iPhones and iPads down

186

00:07:33,529 --> 00:07:31,139

there and you know they didn't have

187

00:07:35,150 --> 00:07:33,539

specifically iPads but some pretty

188

00:07:38,330 --> 00:07:35,160

high-tech stuff down there

189

00:07:40,370 --> 00:07:38,340

now it's an interesting Steely eels had

190

00:07:41,749 --> 00:07:40,380

the exact same idea I had while I was

191

00:07:43,730 --> 00:07:41,759

over there getting my coffee ready for

192

00:07:46,490 --> 00:07:43,740

tomorrow

193

00:07:47,930 --> 00:07:46,500

have we talked about Hollow Earth

194

00:07:50,510 --> 00:07:47,940

connecting to the deep underground

195

00:07:51,830 --> 00:07:50,520

military bases is that could that be

196

00:07:53,390 --> 00:07:51,840

part of it

197

00:07:55,010 --> 00:07:53,400

there is

198

00:08:00,830 --> 00:07:55,020

throughout I wasn't going to play this

199

00:08:04,150 --> 00:08:00,840

clip but there is a person that is on uh

200

00:08:08,450 --> 00:08:04,160

in this documentary who who works for

201  
00:08:12,589 --> 00:08:08,460  
the uh some some uh branch of the

202  
00:08:15,890 --> 00:08:12,599  
military a pretty high muckety muck and

203  
00:08:19,010 --> 00:08:15,900  
was getting pretty friendly with uh some

204  
00:08:21,290 --> 00:08:19,020  
of uh the people and as he was kind of

205  
00:08:23,749 --> 00:08:21,300  
getting well known by moving up the

206  
00:08:26,390 --> 00:08:23,759  
ranks they thought he might be in the

207  
00:08:28,249 --> 00:08:26,400  
know so they decided to kind of tap him

208  
00:08:30,770 --> 00:08:28,259  
and I got this clip I wasn't gonna play

209  
00:08:32,870 --> 00:08:30,780  
but since you asked this is kind of like

210  
00:08:35,329 --> 00:08:32,880  
a connection between Hollow Earth and

211  
00:08:39,409 --> 00:08:35,339  
deep underground military bases people

212  
00:08:42,190 --> 00:08:39,419  
were taken into very dark deep

213  
00:08:45,410 --> 00:08:42,200

but I would only call underground bases

214

00:08:46,610 --> 00:08:45,420

I've had first-hand accounts this guy

215

00:08:48,949 --> 00:08:46,620

was military

216

00:08:51,590 --> 00:08:48,959

and he scored very very high in the top

217

00:08:53,090 --> 00:08:51,600

one percentile of his class and so he

218

00:08:57,829 --> 00:08:53,100

was being

219

00:08:58,730 --> 00:08:57,839

um sort of courted by the brass and one

220

00:09:01,670 --> 00:08:58,740

night

221

00:09:03,710 --> 00:09:01,680

some guy some high-ranking guy came and

222

00:09:05,750 --> 00:09:03,720

picked this guy up and they started

223

00:09:08,930 --> 00:09:05,760

belting down the drinks and one thing

224

00:09:11,329 --> 00:09:08,940

led to another and they went on a three

225

00:09:13,730 --> 00:09:11,339

to four to five hour drive

226

00:09:16,430 --> 00:09:13,740

out in the middle of nowhere and this

227

00:09:19,130 --> 00:09:16,440

gentleman found himself

228

00:09:20,750 --> 00:09:19,140

in an underground base below a mountain

229

00:09:23,290 --> 00:09:20,760

and in front of him he comes on the

230

00:09:25,850 --> 00:09:23,300

record and says it all in front of him

231

00:09:27,829 --> 00:09:25,860

were the little Grays that we all know

232

00:09:30,829 --> 00:09:27,839

the big black eyes the little gray

233

00:09:33,829 --> 00:09:30,839

aliens and U.S technicians working side

234

00:09:36,829 --> 00:09:33,839

by side in the distance were these tall

235

00:09:39,170 --> 00:09:36,839

whites which can only be described as

236

00:09:41,449 --> 00:09:39,180

some sort of an off-world entity

237

00:09:44,949 --> 00:09:41,459

he freaked and then by the way they were

238

00:09:48,530 --> 00:09:44,959

working on flying saucers working on UFOs

239

00:09:50,990 --> 00:09:48,540

like most people it was

240

00:09:53,030 --> 00:09:51,000

instant cognitive dissonance there's

241

00:09:56,150 --> 00:09:53,040

nothing in his Paradigm nothing in his

242

00:09:58,130 --> 00:09:56,160

world view which allows him to to

243

00:10:00,410 --> 00:09:58,140

process process any of the information

244

00:10:02,269 --> 00:10:00,420

he's just being slammed with all this

245

00:10:05,930 --> 00:10:02,279

stuff and he's going like what do I do

246

00:10:08,269 --> 00:10:05,940

with this and he basically freaked and

247

00:10:09,650 --> 00:10:08,279

and got out of there and didn't want

248

00:10:12,170 --> 00:10:09,660

anything to do with the program he was

249

00:10:14,269 --> 00:10:12,180

being initiated into this very secret

250

00:10:16,310 --> 00:10:14,279

program he didn't want anything to do

251  
00:10:19,430 --> 00:10:16,320  
with it and of course when he came down

252  
00:10:21,590 --> 00:10:19,440  
with that they immediately

253  
00:10:23,150 --> 00:10:21,600  
did what I would could only call damage

254  
00:10:25,250 --> 00:10:23,160  
control

255  
00:10:29,210 --> 00:10:25,260  
psychotropic drugs

256  
00:10:31,910 --> 00:10:29,220  
quarantine to basically break him and

257  
00:10:34,009 --> 00:10:31,920  
this is like you know decades later he

258  
00:10:36,410 --> 00:10:34,019  
comes on the record his face is

259  
00:10:38,750 --> 00:10:36,420  
completely blacked out and I can see him

260  
00:10:41,329 --> 00:10:38,760  
shaking as he's telling me the story

261  
00:10:42,650 --> 00:10:41,339  
and what he's describing there sounds an

262  
00:10:48,650 --> 00:10:42,660  
awful

263  
00:10:51,710 --> 00:10:48,660

underground UFO base that's uh rumor now

264

00:10:54,170 --> 00:10:51,720

that came to prominence because of uh

265

00:10:56,329 --> 00:10:54,180

Phil Schneider who did the UFO circuit

266

00:10:57,829 --> 00:10:56,339

back in the 90s and Phil Schneider kind

267

00:10:58,910 --> 00:10:57,839

of had like a deformed hand and he

268

00:11:01,150 --> 00:10:58,920

talked about

269

00:11:05,090 --> 00:11:01,160

uh a base

270

00:11:08,990 --> 00:11:05,100

uh in Dolce New Mexico where he was sent

271

00:11:10,130 --> 00:11:09,000

in to kind of uh root out well he was

272

00:11:12,410 --> 00:11:10,140

part of a team I think he was part of

273

00:11:15,410 --> 00:11:12,420

like the scientific Wing or the Recon

274

00:11:18,110 --> 00:11:15,420

side of the team into this uh this base

275

00:11:20,690 --> 00:11:18,120

to kind of ask the aliens to politely

276

00:11:22,250 --> 00:11:20,700

leave and they got into a firefight so

277

00:11:24,710 --> 00:11:22,260

what was just described in that clip

278

00:11:27,470 --> 00:11:24,720

kind of mirrors what Phil Schneider was

279

00:11:30,290 --> 00:11:27,480

talking about but also it's important to

280

00:11:32,930 --> 00:11:30,300

remember movies like The Mirage Men

281

00:11:35,750 --> 00:11:32,940

where they specifically in that movie

282

00:11:38,509 --> 00:11:35,760

mention purposely planting

283

00:11:41,150 --> 00:11:38,519

disinformation within the UFO Community

284

00:11:43,790 --> 00:11:41,160

specifically Dolce

285

00:11:45,710 --> 00:11:43,800

um in mentioning Dolce uh in order to

286

00:11:48,350 --> 00:11:45,720

throw people in the UFO Community off

287

00:11:51,829 --> 00:11:48,360

the scent of legitimate U.S Secret

288

00:11:54,710 --> 00:11:51,839

projects now Dolce could have a UFO base

289

00:11:57,170 --> 00:11:54,720

and simultaneously the the CIA or the

290

00:12:01,190 --> 00:11:57,180

NSA could have planted this information

291

00:12:02,630 --> 00:12:01,200

um or neither are true but there's a

292

00:12:04,370 --> 00:12:02,640

seems to be some sort of connection

293

00:12:07,069 --> 00:12:04,380

between deep underground military bases

294

00:12:09,530 --> 00:12:07,079

and Hollow Earth uh even going back to

295

00:12:11,509 --> 00:12:09,540

the story I referenced last year where

296

00:12:13,009 --> 00:12:11,519

it was you remember correction you might

297

00:12:15,530 --> 00:12:13,019

remember this guy a Native American guy

298

00:12:18,110 --> 00:12:15,540

who was a hermaphrodite who got drafted

299

00:12:20,630 --> 00:12:18,120

into the military and his first job was

300

00:12:24,350 --> 00:12:20,640

working at Area 51 and they sit on like

301  
00:12:27,829 --> 00:12:24,360  
12 floors below Area 51 to basically be

302  
00:12:30,829 --> 00:12:27,839  
the liaison between the humans and

303  
00:12:33,769 --> 00:12:30,839  
Hollow Earth people and the hollow Earth

304  
00:12:36,230 --> 00:12:33,779  
people asked the humans hey can you

305  
00:12:38,210 --> 00:12:36,240  
please stop blowing up uh your Atomic

306  
00:12:40,550 --> 00:12:38,220  
weapons it's really kind of shaking

307  
00:12:42,470 --> 00:12:40,560  
things down here spilling drinks is you

308  
00:12:44,030 --> 00:12:42,480  
know tipping over a lot of plates people

309  
00:12:45,470 --> 00:12:44,040  
are very upset

310  
00:12:47,449 --> 00:12:45,480  
I don't think we complied with that

311  
00:12:49,069 --> 00:12:47,459  
because we continue to detonate nuke

312  
00:12:50,269 --> 00:12:49,079  
bombs out in the desert for what a

313  
00:12:53,810 --> 00:12:50,279

decade

314

00:12:55,370 --> 00:12:53,820

but a lot of weird parallels uh with

315

00:12:59,350 --> 00:12:55,380

other people's stories

316

00:13:02,509 --> 00:12:59,360

um but it all comes down as most modern

317

00:13:03,530 --> 00:13:02,519

conspiracies do it all comes down to the

318

00:13:08,650 --> 00:13:03,540

Nazis

319

00:13:12,889 --> 00:13:08,660

they couldn't get enough of it uh Hitler

320

00:13:16,790 --> 00:13:12,899

uh Hitler and his occult beliefs and

321

00:13:21,470 --> 00:13:16,800

much of the Nazi occultists believe that

322

00:13:24,949 --> 00:13:21,480

the true origin of mankind was below the

323

00:13:27,769 --> 00:13:24,959

surface of the Earth and they tried like

324

00:13:31,190 --> 00:13:27,779

hell to get weird artifacts throughout

325

00:13:34,670 --> 00:13:31,200

history to get as much knowledge as

326

00:13:36,650 --> 00:13:34,680

possible uh doing Expeditions all across

327

00:13:39,650 --> 00:13:36,660

the globe to really expand their

328

00:13:41,750 --> 00:13:39,660

knowledge and place a foothold on their

329

00:13:43,910 --> 00:13:41,760

interests uh here is just a little bit

330

00:13:46,069 --> 00:13:43,920

here's a clip about the Nazis and their

331

00:13:47,990 --> 00:13:46,079

interest in Hollow Earth but some of the

332

00:13:50,150 --> 00:13:48,000

most notable Expeditions of the hollow

333

00:13:52,850 --> 00:13:50,160

Earth seem to carry us into the realm of

334

00:13:54,470 --> 00:13:52,860

the Nazis in Antarctica the Nazis were

335

00:13:56,870 --> 00:13:54,480

not only keen on obtaining the most

336

00:13:58,970 --> 00:13:56,880

powerful occult relics and manuscripts

337

00:14:00,949 --> 00:13:58,980

but they were also emphatic in their

338

00:14:03,530 --> 00:14:00,959

search for the inner earth

339

00:14:05,590 --> 00:14:03,540

the Nazis did have a vast interest in

340

00:14:08,810 --> 00:14:05,600

looking for an opening to a hollow Earth

341

00:14:11,750 --> 00:14:08,820

it was actually a prophetic part of

342

00:14:14,569 --> 00:14:11,760

their whole belief system that they were

343

00:14:16,730 --> 00:14:14,579

destined someday to be reintroduced

344

00:14:21,470 --> 00:14:16,740

through an opening of The Hollow Earth

345

00:14:23,509 --> 00:14:21,480

to a pure bred race that was part of

346

00:14:25,430 --> 00:14:23,519

what they were as being the diluted race

347

00:14:27,889 --> 00:14:25,440

on the surface there was a purebred race

348

00:14:31,910 --> 00:14:27,899

this goes back to Helena povatsky and

349

00:14:35,030 --> 00:14:31,920

her book secret Doctrine the Nazis knew

350

00:14:37,250 --> 00:14:35,040

through all of the Arcane hidden and

351

00:14:40,449 --> 00:14:37,260

occultic knowledge that there were

352

00:14:44,030 --> 00:14:40,459

underground cities and civilizations

353

00:14:46,670 --> 00:14:44,040

still functioning in their power the

354

00:14:50,470 --> 00:14:46,680

Nazis knew about the stuff and they did

355

00:14:54,050 --> 00:14:50,480

hire uh they did Mount expeditions

356

00:14:56,870 --> 00:14:54,060

to travel the planet looking for

357

00:15:00,650 --> 00:14:56,880

artifacts looking for talismans looking

358

00:15:02,269 --> 00:15:00,660

for the old gods in 1938 the Germans

359

00:15:05,329 --> 00:15:02,279

began planning an expedition to

360

00:15:07,790 --> 00:15:05,339

Antarctica at the beginning of 1939 A

361

00:15:09,949 --> 00:15:07,800

Nazi Expedition finally explored what

362

00:15:13,310 --> 00:15:09,959

was at the time an Uncharted area of the

363

00:15:15,170 --> 00:15:13,320

Arctic by foot and by plane the Nazis

364

00:15:17,689 --> 00:15:15,180

had surveyed a particular area that they

365

00:15:21,769 --> 00:15:17,699

were interested in clearly with a secret

366

00:15:25,370 --> 00:15:21,779

agenda they called it new schwabenland

367

00:15:28,370 --> 00:15:25,380

now anybody kind of uh

368

00:15:32,329 --> 00:15:28,380

even with a limited interest in Hollow

369

00:15:33,769 --> 00:15:32,339

Earth or like the Nazi conspiracies uh

370

00:15:37,910 --> 00:15:33,779

no about

371

00:15:40,870 --> 00:15:37,920

Antarctica and operation high jump so uh

372

00:15:43,850 --> 00:15:40,880

the the Nazis set up a base called 211

373

00:15:46,009 --> 00:15:43,860

and that was kind of like their foothold

374

00:15:49,430 --> 00:15:46,019

on Antarctica

375

00:15:52,250 --> 00:15:49,440

now we fought the war in World War II

376

00:15:54,069 --> 00:15:52,260

and we supposedly won at least that's

377

00:15:57,590 --> 00:15:54,079

what the media told us

378

00:15:59,449 --> 00:15:57,600

and uh but you know after the war

379

00:16:01,670 --> 00:15:59,459

there's Operation Paperclip a lot of

380

00:16:03,230 --> 00:16:01,680

Nazi scientists and Intelligence

381

00:16:06,110 --> 00:16:03,240

Officers went to the United States of

382

00:16:09,610 --> 00:16:06,120

America a lot went to Russia

383

00:16:12,530 --> 00:16:09,620

uh Bible accounts a lot of Nazis escaped

384

00:16:15,350 --> 00:16:12,540

uh some went to South America and some

385

00:16:17,269 --> 00:16:15,360

other some others went to South or

386

00:16:19,490 --> 00:16:17,279

Antarctica that's the that's the rumor

387

00:16:22,310 --> 00:16:19,500

like the a lot of Technology

388

00:16:25,670 --> 00:16:22,320

and a lot of high muckity mucks went to

389

00:16:29,689 --> 00:16:25,680

Antarctica that's where operation high

390

00:16:32,449 --> 00:16:29,699

jump comes in and Admiral bird now

391

00:16:35,990 --> 00:16:32,459

just a limited uh kind of overview of

392

00:16:39,290 --> 00:16:36,000

operation high jump is that it was an

393

00:16:41,810 --> 00:16:39,300

expedition exploratory Mission with a

394

00:16:46,069 --> 00:16:41,820

bunch of ships I think there's a close

395

00:16:48,290 --> 00:16:46,079

to I think 10 to 12 fairly large ships

396

00:16:49,310 --> 00:16:48,300

going down there one aircraft carrier I

397

00:16:53,110 --> 00:16:49,320

believe

398

00:16:57,710 --> 00:16:53,120

and uh this was like 1946 to

399

00:17:01,550 --> 00:16:57,720

1947. also called task force 68. Admiral

400

00:17:03,650 --> 00:17:01,560

Byrd was leading the charge and by all

401

00:17:06,169 --> 00:17:03,660

accounts there was some sort of uh

402

00:17:09,169 --> 00:17:06,179

conflict some sort of scuffle uh at

403

00:17:10,730 --> 00:17:09,179

least that's the the conspiracy rumor uh

404

00:17:12,590 --> 00:17:10,740

causing immense amount of damage to the

405

00:17:16,909 --> 00:17:12,600

fleet they did wind up going back

406

00:17:19,970 --> 00:17:16,919

and Admiral Byrd uh is on record about

407

00:17:22,370 --> 00:17:19,980

going down to Antarctica and talking

408

00:17:24,230 --> 00:17:22,380

pretty openly about what he

409

00:17:25,730 --> 00:17:24,240

saw there he was also pretty open about

410

00:17:28,610 --> 00:17:25,740

what he saw in

411

00:17:30,110 --> 00:17:28,620

at the North Pole like this guy has been

412

00:17:32,510 --> 00:17:30,120

to both polls probably one of the few

413

00:17:34,370 --> 00:17:32,520

people ever to do such a thing and he's

414

00:17:37,010 --> 00:17:34,380

like hey I saw some stuff so here's a

415

00:17:38,810 --> 00:17:37,020

little intro on to uh Admiral Byrd these

416

00:17:40,909 --> 00:17:38,820

next three Clips they're they're a

417

00:17:43,970 --> 00:17:40,919

little long because it gets into his own

418

00:17:46,909 --> 00:17:43,980

wild stuff here we go Richard Evelyn

419

00:17:48,710 --> 00:17:46,919

Byrd was an American naval officer who

420

00:17:51,590 --> 00:17:48,720

specialized in Feats of great

421

00:17:54,890 --> 00:17:51,600

exploration he was a pioneering American

422

00:17:57,950 --> 00:17:54,900

Aviator he was a polar Explorer and he

423

00:17:59,870 --> 00:17:57,960

was an organizer of polar Logistics he

424

00:18:02,570 --> 00:17:59,880

served as a navigator and Expedition

425

00:18:04,909 --> 00:18:02,580

leader on aircraft flights in which he

426  
00:18:07,130 --> 00:18:04,919  
crossed the Atlantic Ocean a segment of

427  
00:18:10,549 --> 00:18:07,140  
the Arctic Ocean and even a segment of

428  
00:18:12,830 --> 00:18:10,559  
the Antarctic Plateau bird claimed that

429  
00:18:15,409 --> 00:18:12,840  
his Expeditions had been the first to

430  
00:18:18,230 --> 00:18:15,419  
reach the North and South Poles by air

431  
00:18:19,909 --> 00:18:18,240  
and he was highly accredited and praised

432  
00:18:23,090 --> 00:18:19,919  
for these major accomplishments

433  
00:18:25,610 --> 00:18:23,100  
worldwide it was in his lifetime that

434  
00:18:27,770 --> 00:18:25,620  
bird had amassed 22 citations and

435  
00:18:29,630 --> 00:18:27,780  
special accommodations including the

436  
00:18:31,909 --> 00:18:29,640  
Medal of Honor which is the highest

437  
00:18:34,490 --> 00:18:31,919  
honor for heroism given by the United

438  
00:18:37,310 --> 00:18:34,500

States bird was one of only four

439

00:18:40,130 --> 00:18:37,320

Americans in history entitled to wear a

440

00:18:43,250 --> 00:18:40,140

medal with their own image on it he was

441

00:18:45,830 --> 00:18:43,260

a national hero and Explorer a awarded

442

00:18:48,289 --> 00:18:45,840

with notoriety even from the Smithsonian

443

00:18:51,230 --> 00:18:48,299

Admiral Byrd was held to a high degree

444

00:18:53,750 --> 00:18:51,240

of respect in terms of the world and he

445

00:18:55,789 --> 00:18:53,760

was highly regarded and valued by the

446

00:18:58,190 --> 00:18:55,799

U.S government for a lifetime of

447

00:19:01,610 --> 00:18:58,200

accomplishments through Expeditions and

448

00:19:03,590 --> 00:19:01,620

missions finally he was on the cover of

449

00:19:07,250 --> 00:19:03,600

Time Magazine published on Monday

450

00:19:10,190 --> 00:19:07,260

November 8 1926 as well as two

451  
00:19:13,190 --> 00:19:10,200  
commemorative postage stamps and his

452  
00:19:15,890 --> 00:19:13,200  
Expeditions were publicized greatly in

453  
00:19:19,070 --> 00:19:15,900  
the media of his day

454  
00:19:23,810 --> 00:19:21,049  
found out whether there was any land

455  
00:19:26,390 --> 00:19:23,820  
north of the North American continent he

456  
00:19:28,250 --> 00:19:26,400  
made that first discovery flight and I

457  
00:19:29,570 --> 00:19:28,260  
must say that Admiral Byrd our guest

458  
00:19:32,029 --> 00:19:29,580  
tonight is not only our greatest living

459  
00:19:34,250 --> 00:19:32,039  
Explorer but he's been an inspiration to

460  
00:19:35,990 --> 00:19:34,260  
countless Americans and Robert you've

461  
00:19:38,870 --> 00:19:36,000  
been to both the North Pole and the

462  
00:19:41,990 --> 00:19:38,880  
South Pole is there any unexplored land

463  
00:19:44,630 --> 00:19:42,000

left on this Earth that might appeal to

464

00:19:47,090 --> 00:19:44,640

adventurous Young Americans uh yes there

465

00:19:48,830 --> 00:19:47,100

is and not up around the North Pole

466

00:19:50,570 --> 00:19:48,840

because it's getting crowded up there

467

00:19:53,390 --> 00:19:50,580

now because they find out it's really

468

00:19:56,029 --> 00:19:53,400

usable not only to live in

469

00:19:58,310 --> 00:19:56,039

but militarily

470

00:20:00,770 --> 00:19:58,320

so what we have here is someone who

471

00:20:02,270 --> 00:20:00,780

isn't exactly a Johnny come lately we're

472

00:20:04,970 --> 00:20:02,280

not talking about a questionable

473

00:20:07,370 --> 00:20:04,980

conspiracy theorist but rather someone

474

00:20:10,070 --> 00:20:07,380

with a lifetime of Adventures and

475

00:20:13,370 --> 00:20:10,080

documented stories of expeditions that

476  
00:20:16,250 --> 00:20:13,380  
we only hear about or see in the movies

477  
00:20:18,669 --> 00:20:16,260  
that being stated a diary has surfaced

478  
00:20:20,870 --> 00:20:18,679  
claiming to be that of Admiral bird

479  
00:20:22,850 --> 00:20:20,880  
documenting one of the most amazing

480  
00:20:25,010 --> 00:20:22,860  
expeditions to date

481  
00:20:28,250 --> 00:20:25,020  
we're dealing with a man who was taken

482  
00:20:30,230 --> 00:20:28,260  
into the North Pole by UFOs and was

483  
00:20:32,750 --> 00:20:30,240  
forced to meet with the inner earth king

484  
00:20:36,110 --> 00:20:32,760  
or the master if we're going by the

485  
00:20:38,210 --> 00:20:36,120  
diary's own terminology no one can state

486  
00:20:39,950 --> 00:20:38,220  
it better than the words of the Diary

487  
00:20:42,770 --> 00:20:39,960  
itself

488  
00:20:48,049 --> 00:20:42,780

now I looked into it and I can't find

489

00:20:50,990 --> 00:20:48,059

whether or not this diary is valid or

490

00:20:54,350 --> 00:20:51,000

not but the next few Clips I have are

491

00:20:56,890 --> 00:20:54,360

supposedly from Admiral Bird's diary and

492

00:20:59,630 --> 00:20:56,900

what he uh

493

00:21:03,470 --> 00:20:59,640

encountered or had to deal with while

494

00:21:05,630 --> 00:21:03,480

dealing with inner earth higher ups it's

495

00:21:07,610 --> 00:21:05,640

also important to keep in mind that

496

00:21:10,669 --> 00:21:07,620

people like to visit Antarctica

497

00:21:14,810 --> 00:21:10,679

especially uh dignitaries so whether

498

00:21:17,750 --> 00:21:14,820

it's Vladimir Putin the the pope uh John

499

00:21:19,850 --> 00:21:17,760

Kerry apparently a lot of people like to

500

00:21:21,890 --> 00:21:19,860

go down there for whatever reason maybe

501  
00:21:25,310 --> 00:21:21,900  
they're there to check out the Penguins

502  
00:21:26,990 --> 00:21:25,320  
maybe they're there to see a pyramid or

503  
00:21:29,330 --> 00:21:27,000  
maybe they're there to see old

504  
00:21:33,049 --> 00:21:29,340  
technology a civilization that has long

505  
00:21:35,330 --> 00:21:33,059  
since faded away or someone who is still

506  
00:21:37,549 --> 00:21:35,340  
there and demands their presence but

507  
00:21:40,789 --> 00:21:37,559  
this uh this next clip is supposedly

508  
00:21:44,930 --> 00:21:40,799  
from Admiral Bird's diary as he's flying

509  
00:21:50,090 --> 00:21:48,350  
February 19 1947.

510  
00:21:51,950 --> 00:21:50,100  
oh 600 hours

511  
00:21:53,870 --> 00:21:51,960  
all preparations are complete for our

512  
00:21:57,289 --> 00:21:53,880  
flight northward and we are airborne

513  
00:22:01,549 --> 00:21:57,299

with full fuel tanks at 0610 hours

514

00:22:04,490 --> 00:22:01,559

10 hours fast ice and snow below

515

00:22:06,409 --> 00:22:04,500

09 15 hours in the distance is what

516

00:22:08,690 --> 00:22:06,419

appears to be mountains

517

00:22:10,130 --> 00:22:08,700

10 hundred hours we are crossing over

518

00:22:12,230 --> 00:22:10,140

the small mountain range and still

519

00:22:14,390 --> 00:22:12,240

proceeding northward as best as can be

520

00:22:16,010 --> 00:22:14,400

ascertained beyond the mountain range is

521

00:22:17,450 --> 00:22:16,020

what appears to be a valley with a small

522

00:22:19,370 --> 00:22:17,460

River or stream running through the

523

00:22:21,770 --> 00:22:19,380

center portion there should be no Green

524

00:22:23,810 --> 00:22:21,780

valley below something is definitely

525

00:22:25,370 --> 00:22:23,820

wrong and abnormal here we should be

526

00:22:27,289 --> 00:22:25,380

over ice and snow

527

00:22:29,390 --> 00:22:27,299

to the port side are great forests

528

00:22:30,710 --> 00:22:29,400

growing on the mountain slopes our

529

00:22:32,930 --> 00:22:30,720

navigation instruments are still

530

00:22:34,669 --> 00:22:32,940

spinning the gyroscope is oscillating

531

00:22:38,390 --> 00:22:34,679

back and forth

532

00:22:40,549 --> 00:22:38,400

1005 hours I alter altitude to 1400 feet

533

00:22:42,950 --> 00:22:40,559

and execute a sharp left turn to better

534

00:22:45,049 --> 00:22:42,960

examine the valley below it is green

535

00:22:47,930 --> 00:22:45,059

with either Moss or a type of tight-knit

536

00:22:49,909 --> 00:22:47,940

grass the light here seems different I

537

00:22:51,710 --> 00:22:49,919

cannot see the sun anymore we make

538

00:22:53,930 --> 00:22:51,720

another left turn and we spot what seems

539

00:22:57,470 --> 00:22:53,940

to be a large animal of some kind below

540

00:22:59,510 --> 00:22:57,480

us it appears to be an elephant no it

541

00:23:01,909 --> 00:22:59,520

looks more like a mammoth this is

542

00:23:03,890 --> 00:23:01,919

incredible yet there it is decrease

543

00:23:06,350 --> 00:23:03,900

altitude to 1000 feet and take

544

00:23:08,750 --> 00:23:06,360

binoculars to better examine the animal

545

00:23:10,310 --> 00:23:08,760

it is confirmed it is definitely a

546

00:23:12,710 --> 00:23:10,320

mammoth-like animal

547

00:23:15,409 --> 00:23:12,720

report this to base camp

548

00:23:18,010 --> 00:23:15,419

10 30 hours the external temperature

549

00:23:20,810 --> 00:23:18,020

indicator reads 74 degrees Fahrenheit

550

00:23:23,450 --> 00:23:20,820

continuing on our heading now navigation

551  
00:23:25,549 --> 00:23:23,460  
instruments seem normal now I am puzzled

552  
00:23:29,149 --> 00:23:25,559  
over their actions attempt to contact

553  
00:23:31,010 --> 00:23:29,159  
base camp radio is not functioning

554  
00:23:32,990 --> 00:23:31,020  
11 30 hours

555  
00:23:35,990 --> 00:23:33,000  
Countryside below is more level than

556  
00:23:37,789 --> 00:23:36,000  
normal if I may use that word a head we

557  
00:23:39,529 --> 00:23:37,799  
spot what seems to be a city

558  
00:23:41,990 --> 00:23:39,539  
this is impossible

559  
00:23:45,649 --> 00:23:42,000  
aircraft seems light and oddly buoyant

560  
00:23:47,990 --> 00:23:45,659  
the controls refuse to respond my God

561  
00:23:50,090 --> 00:23:48,000  
off our port and starboard wings are a

562  
00:23:52,789 --> 00:23:50,100  
strange type of aircraft they are

563  
00:23:54,470 --> 00:23:52,799

closing rapidly alongside they are disc

564

00:23:57,230 --> 00:23:54,480

shaped and have a radiant quality to

565

00:23:59,390 --> 00:23:57,240

them they're close enough now to see the

566

00:24:02,990 --> 00:23:59,400

markings on them it is a type of

567

00:24:05,930 --> 00:24:03,000

swastika this is fantastic where are we

568

00:24:08,930 --> 00:24:05,940

what has happened I touched the controls

569

00:24:10,970 --> 00:24:08,940

again they will not respond we are

570

00:24:12,409 --> 00:24:10,980

caught in an invisible vice grip of some

571

00:24:15,950 --> 00:24:12,419

type

572

00:24:18,289 --> 00:24:15,960

11 35 hours our radio crackles and a

573

00:24:20,270 --> 00:24:18,299

voice comes through in English with what

574

00:24:23,390 --> 00:24:20,280

perhaps is a slight Nordic or Germanic

575

00:24:25,850 --> 00:24:23,400

accent the message is welcome Admiral to

576

00:24:27,289 --> 00:24:25,860

our domain we shall land you in exactly

577

00:24:30,169 --> 00:24:27,299

seven minutes

578

00:24:31,789 --> 00:24:30,179

relax Admiral you're in good hands

579

00:24:34,130 --> 00:24:31,799

I note the engines of our plane have

580

00:24:36,470 --> 00:24:34,140

stopped running the aircraft is under

581

00:24:38,029 --> 00:24:36,480

some strange control and is now turning

582

00:24:40,310 --> 00:24:38,039

itself

583

00:24:44,029 --> 00:24:40,320

so at that point in time Admiral Byrd is

584

00:24:45,649 --> 00:24:44,039

brought down what is uh a tractor beep

585

00:24:48,770 --> 00:24:45,659

pretty much you what he's described me

586

00:24:52,549 --> 00:24:48,780

was he was caught in a tractor beam by

587

00:24:54,350 --> 00:24:52,559

uh Germans Nazis brought in to an

588

00:24:57,830 --> 00:24:54,360

underground facility he was greeted

589

00:25:01,130 --> 00:24:57,840

taken out of uh his airplane and said

590

00:25:04,310 --> 00:25:01,140

hey uh someone wants to meet you

591

00:25:06,190 --> 00:25:04,320

he is the the ruler of this underworld

592

00:25:09,350 --> 00:25:06,200

they call him the master

593

00:25:13,130 --> 00:25:09,360

and here is a bit of the conversation

594

00:25:16,010 --> 00:25:13,140

between Admiral Byrd and the master the

595

00:25:17,990 --> 00:25:16,020

lord of the hollow Earth realm at least

596

00:25:20,990 --> 00:25:18,000

of this realm and this is the last clip

597

00:25:22,510 --> 00:25:21,000

I got here we go but now Admiral I shall

598

00:25:25,130 --> 00:25:22,520

tell you why you have been summoned here

599

00:25:27,049 --> 00:25:25,140

our interest rightly begins just after

600

00:25:30,169 --> 00:25:27,059

your race exploded the first atomic

601  
00:25:32,570 --> 00:25:30,179  
bombs over Hiroshima and Nagasaki Japan

602  
00:25:34,850 --> 00:25:32,580  
it was at that alarming time we sent our

603  
00:25:36,529 --> 00:25:34,860  
flying machines the fluger rods to your

604  
00:25:39,049 --> 00:25:36,539  
surface world to investigate what your

605  
00:25:41,510 --> 00:25:39,059  
race had done that is of course past

606  
00:25:42,769 --> 00:25:41,520  
history now my dear Admiral but I must

607  
00:25:45,049 --> 00:25:42,779  
continue on

608  
00:25:47,870 --> 00:25:45,059  
you see we have never interfered before

609  
00:25:50,570 --> 00:25:47,880  
in your racist Wars and barbarity

610  
00:25:52,730 --> 00:25:50,580  
but now we must for you have learned to

611  
00:25:53,690 --> 00:25:52,740  
tamper with a certain power that is not

612  
00:25:57,169 --> 00:25:53,700  
for man

613  
00:25:58,850 --> 00:25:57,179

namely that of atomic energy our

614

00:26:01,430 --> 00:25:58,860

emissaries have already delivered

615

00:26:03,769 --> 00:26:01,440

messages to the powers of your world and

616

00:26:06,230 --> 00:26:03,779

yet they do not heed now you have been

617

00:26:09,409 --> 00:26:06,240

chosen to be witness here that our world

618

00:26:11,029 --> 00:26:09,419

does exist you see our culture and

619

00:26:13,909 --> 00:26:11,039

science is many thousands of years

620

00:26:15,529 --> 00:26:13,919

beyond your race Admiral I interrupted

621

00:26:17,990 --> 00:26:15,539

but what does this have to do with me

622

00:26:20,330 --> 00:26:18,000

sir the Master's eyes seem to penetrate

623

00:26:22,730 --> 00:26:20,340

deeply into my mind and after studying

624

00:26:24,529 --> 00:26:22,740

me for a few moments he replied your

625

00:26:27,110 --> 00:26:24,539

race has now reached the point of no

626  
00:26:29,149 --> 00:26:27,120  
return for there are those among you who

627  
00:26:30,890 --> 00:26:29,159  
would destroy your very World rather

628  
00:26:35,029 --> 00:26:30,900  
than relinquish their power as they know

629  
00:26:37,850 --> 00:26:35,039  
it I nodded and the master continued in

630  
00:26:40,310 --> 00:26:37,860  
1945 and afterward we tried to contact

631  
00:26:41,330 --> 00:26:40,320  
your race but our efforts were met with

632  
00:26:44,450 --> 00:26:41,340  
hostility

633  
00:26:46,549 --> 00:26:44,460  
our flue garage were fired upon yes even

634  
00:26:48,049 --> 00:26:46,559  
pursued with malice and animosity by

635  
00:26:49,190 --> 00:26:48,059  
your fighter planes

636  
00:26:54,110 --> 00:26:49,200  
so

637  
00:26:56,269 --> 00:26:54,120  
storm gathering in your world

638  
00:26:58,070 --> 00:26:56,279

a black Fury that will not spend itself

639

00:27:00,169 --> 00:26:58,080

for many years

640

00:27:02,529 --> 00:27:00,179

there will be no answer in your arms

641

00:27:05,630 --> 00:27:02,539

there will be no safety in your science

642

00:27:07,850 --> 00:27:05,640

it may rage on until every flower of

643

00:27:10,490 --> 00:27:07,860

your culture is trampled and all human

644

00:27:12,890 --> 00:27:10,500

things are leveled in vast chaos

645

00:27:14,930 --> 00:27:12,900

your recent war was only a Prelude of

646

00:27:17,149 --> 00:27:14,940

what is yet to come for your race

647

00:27:19,970 --> 00:27:17,159

we here see it more clearly with each

648

00:27:23,510 --> 00:27:19,980

hour do you say I'm mistaken

649

00:27:25,370 --> 00:27:23,520

no I answer it happened once before the

650

00:27:27,110 --> 00:27:25,380

Dark Ages came and they lasted for more

651  
00:27:30,529 --> 00:27:27,120  
than 500 years

652  
00:27:32,390 --> 00:27:30,539  
my son replied the master the Dark Ages

653  
00:27:34,730 --> 00:27:32,400  
it will come now for your race will

654  
00:27:36,409 --> 00:27:34,740  
cover the Earth like a Paul but I

655  
00:27:38,810 --> 00:27:36,419  
believe that some of your race will live

656  
00:27:40,130 --> 00:27:38,820  
through the storm beyond that I cannot

657  
00:27:43,610 --> 00:27:40,140  
say

658  
00:27:47,029 --> 00:27:43,620  
and it basically gives animal birth

659  
00:27:49,549 --> 00:27:47,039  
message stop blowing [\h\_\_\h] up and we will

660  
00:27:51,710 --> 00:27:49,559  
live pretty much in Harmony and Admiral

661  
00:27:55,610 --> 00:27:51,720  
bird said well I only have so much sway

662  
00:27:57,409 --> 00:27:55,620  
sway with our politicians and I have no

663  
00:28:00,049 --> 00:27:57,419

political power whatsoever

664

00:28:02,450 --> 00:28:00,059

and so the master said well you better

665

00:28:05,570 --> 00:28:02,460

do what you can put them back in his

666

00:28:08,750 --> 00:28:05,580

plane and Admiral bird took off and that

667

00:28:12,110 --> 00:28:08,760

was it for uh Admiral Byrd meeting the

668

00:28:14,510 --> 00:28:12,120

master of Hollow Earth

669

00:28:16,970 --> 00:28:14,520

um and I'll wrap it up with this like we

670

00:28:17,690 --> 00:28:16,980

know a lot of dignitaries visit

671

00:28:19,370 --> 00:28:17,700

um

672

00:28:21,710 --> 00:28:19,380

Antarctica

673

00:28:25,310 --> 00:28:21,720

they have an interest in it we know that

674

00:28:28,990 --> 00:28:25,320

the world economic forum is uh its

675

00:28:31,570 --> 00:28:29,000

mascot is a a German

676

00:28:35,390 --> 00:28:31,580

accented uh

677

00:28:39,289 --> 00:28:35,400

narcissist power hungry person it just

678

00:28:43,190 --> 00:28:39,299

seems like the the the Nazis in that way

679

00:28:46,909 --> 00:28:43,200

of thinking that uh that style of ruling

680

00:28:48,590 --> 00:28:46,919

over people hasn't died out and if all

681

00:28:50,870 --> 00:28:48,600

these stories are true about Hollow

682

00:28:53,630 --> 00:28:50,880

Earth and the Nazis Expedition and how

683

00:28:55,730 --> 00:28:53,640

they really did escape a complete

684

00:28:58,549 --> 00:28:55,740

collapse they very well could be

685

00:29:01,730 --> 00:28:58,559

exerting force today over political

686

00:29:03,890 --> 00:29:01,740

decisions uh just as much now as they

687

00:29:06,950 --> 00:29:03,900

did back then and that the technology

688

00:29:09,830 --> 00:29:06,960

that they had uh the the Wonder Weapons

689

00:29:11,990 --> 00:29:09,840

uh were were shuttled away some some

690

00:29:14,750 --> 00:29:12,000

went over to the United States maybe a

691

00:29:16,250 --> 00:29:14,760

few went over to Soviet Russia but then

692

00:29:19,210 --> 00:29:16,260

a good deal of them went down to

693

00:29:22,970 --> 00:29:19,220

Antarctica so they could ally themselves

694

00:29:26,210 --> 00:29:22,980

with whatever is living down there and

695

00:29:30,110 --> 00:29:26,220

that the early UFO flaps of the

696

00:29:32,810 --> 00:29:30,120

uh late 40s early 50s weren't really

697

00:29:35,149 --> 00:29:32,820

UFOs or aliens from a different star

698

00:29:38,330 --> 00:29:35,159

system they were coming from Hollow

699

00:29:42,590 --> 00:29:38,340

Earth and specifically human-made UFOs

700

00:29:46,149 --> 00:29:42,600

uh Nazi Tech that was kind of uh a line

701  
00:29:48,590 --> 00:29:46,159  
more with the hollow Earth Master crazy

702  
00:29:50,870 --> 00:29:48,600  
far-fetched stuff but I love it Chinese

703  
00:29:57,409 --> 00:29:50,880  
spy balloon

704  
00:30:00,230 --> 00:29:57,419  
so what a wild tale a hollow Earth and

705  
00:30:02,269 --> 00:30:00,240  
uh what lies below the surface it's so

706  
00:30:03,710 --> 00:30:02,279  
Fantastical like telling people that uh

707  
00:30:06,950 --> 00:30:03,720  
there's aliens from a different star

708  
00:30:08,930 --> 00:30:06,960  
system seems quite uh trite at this

709  
00:30:10,669 --> 00:30:08,940  
point when you tell them that there is a

710  
00:30:12,169 --> 00:30:10,679  
king of Hollow Earth down there

711  
00:30:13,750 --> 00:30:12,179  
somewhere

712  
00:30:16,310 --> 00:30:13,760  
grabbing

713  
00:30:18,110 --> 00:30:16,320

well-respected and known Pilots to

714

00:30:21,049 --> 00:30:18,120

deliver messages back to the humans

715

00:30:22,850 --> 00:30:21,059

that's that's even crazier but

716

00:30:25,190 --> 00:30:22,860

that's where we're at

717

00:30:28,610 --> 00:30:25,200

Hollow Earth

718

00:30:30,409 --> 00:30:28,620

all right Joe I blabbered on uh enough

719

00:30:32,330 --> 00:30:30,419

uh do you got anything over there or you

720

00:30:35,210 --> 00:30:32,340

have any statements you want to State

721

00:30:38,510 --> 00:30:35,220

your uh State your case your piece

722

00:30:40,010 --> 00:30:38,520

no everybody was waiting with baited

723

00:30:43,730 --> 00:30:40,020

breath though for the hollow Earth

724

00:30:47,930 --> 00:30:46,250

it's craziness and that's just a drop in

725

00:30:52,850 --> 00:30:47,940

a bucket we didn't get to

726

00:30:55,669 --> 00:30:52,860

uh the the lizard City of La which uh

727

00:30:58,250 --> 00:30:55,679

was discovered which was discovered when

728

00:30:59,389 --> 00:30:58,260

there was a push west in the United

729

00:31:00,950 --> 00:30:59,399

States

730

00:31:02,930 --> 00:31:00,960

we didn't get to all the different

731

00:31:05,990 --> 00:31:02,940

locations of where you could enter

732

00:31:08,930 --> 00:31:06,000

Hollow Earth uh we only touched on

733

00:31:10,789 --> 00:31:08,940

operation high jump a little bit and we

734

00:31:13,549 --> 00:31:10,799

didn't get into the real estate market

735

00:31:15,169 --> 00:31:13,559

down there oh it's I mean

736

00:31:16,970 --> 00:31:15,179

if you if you know people if you've got

737

00:31:18,409 --> 00:31:16,980

a realtor you can get a good spot but

738

00:31:20,210 --> 00:31:18,419

you got to know somebody who's uh who's

739

00:31:21,350 --> 00:31:20,220

accredited and certified to sell your

740

00:31:24,529 --> 00:31:21,360

stuff down there that's the difficult

741

00:31:27,470 --> 00:31:24,539

part how is is lizard City bumping or

742

00:31:29,510 --> 00:31:27,480

which is that I think it's I mean if you

743

00:31:31,730 --> 00:31:29,520

say it's out west by California I don't

744

00:31:33,830 --> 00:31:31,740

know well it's under it's under la

745

00:31:37,370 --> 00:31:33,840

the curtains match the drapes over there

746

00:31:39,590 --> 00:31:37,380

yeah maybe for the carpet matches the

747

00:31:41,450 --> 00:31:39,600

drapes however they say it well the

748

00:31:44,330 --> 00:31:41,460

lizard city was discovered like I think

749

00:31:47,090 --> 00:31:44,340

in the late 18 early 1900s when they

750

00:31:49,430 --> 00:31:47,100

were building out LA and uh we didn't we

751  
00:31:52,669 --> 00:31:49,440  
didn't get a chance going to that uh or

752  
00:31:58,510 --> 00:31:52,679  
get into the Thule Society it's a whole

753  
00:32:00,649 --> 00:31:58,520  
tangled web of mysticism and uh crazy

754  
00:32:05,029 --> 00:32:00,659  
stories from

755  
00:32:08,029 --> 00:32:05,039  
ancient Humanity up till Nazi Germany to

756  
00:32:10,730 --> 00:32:08,039  
present day it's just a crazy it's a

757  
00:32:12,470 --> 00:32:10,740  
crazy bag of stories and uh I think that

758  
00:32:14,630 --> 00:32:12,480  
there's something there it might not be

759  
00:32:16,909 --> 00:32:14,640  
exactly this but I think that there's

760  
00:32:18,289 --> 00:32:16,919  
something there and obviously the United

761  
00:32:21,529 --> 00:32:18,299  
States has deep underground military

762  
00:32:24,169 --> 00:32:21,539  
bases and uh what they're being used for

763  
00:32:26,029 --> 00:32:24,179

uh specifically we don't know

764

00:32:27,769 --> 00:32:26,039

but it's a it's a fact I mean I think

765

00:32:29,149 --> 00:32:27,779

the deep underground [h\_\_h] seems more

766

00:32:31,850 --> 00:32:29,159

believable we've seen a lot of that

767

00:32:34,310 --> 00:32:31,860

evidence and Lord knows I mean if there

768

00:32:36,350 --> 00:32:34,320

is anything Hollow Earth related that

769

00:32:38,570 --> 00:32:36,360

comes from something else

770

00:32:40,789 --> 00:32:38,580

it's almost like that stuff you believe

771

00:32:43,610 --> 00:32:40,799

about alien Tech being

772

00:32:46,669 --> 00:32:43,620

you know skirt right away or whatever

773

00:32:49,190 --> 00:32:46,679

the term is like they take it hide it

774

00:32:50,990 --> 00:32:49,200

away and do what they can with it and

775

00:32:52,909 --> 00:32:51,000

yeah there's no aliens shut the [h\_\_h] up

776

00:32:54,950 --> 00:32:52,919

and then they take it in like reverse

777

00:32:56,990 --> 00:32:54,960

engineer it it would be the same for

778

00:32:58,909 --> 00:32:57,000

Hollow Earth if there is anything such

779

00:33:00,230 --> 00:32:58,919

as that they'll just go take it for

780

00:33:02,269 --> 00:33:00,240

their own [h\_\_h]

781

00:33:04,789 --> 00:33:02,279

you know yeah it's tough to know what

782

00:33:06,889 --> 00:33:04,799

his UFO fan fiction versus like

783

00:33:09,769 --> 00:33:06,899

disinformation put out there about the

784

00:33:13,190 --> 00:33:09,779

government versus actual genuine things

785

00:33:15,409 --> 00:33:13,200

and it's a it's just a fun topic to

786

00:33:16,930 --> 00:33:15,419

discuss and uh speculate give us an

787
