

# UFO NEWS

1  
00:00:00,299 --> 00:00:03,970  
oh

2  
00:00:08,450 --> 00:00:06,550  
wow

3  
00:00:12,290 --> 00:00:08,460  
all right viewer here's the headline

4  
00:00:15,230 --> 00:00:12,300  
here uh UFO reportedly spotted over

5  
00:00:18,410 --> 00:00:15,240  
Russian nuclear power plant that's good

6  
00:00:22,250 --> 00:00:18,420  
news oh wow okay well people remember we

7  
00:00:25,730 --> 00:00:22,260  
covered a story in late January of 2023

8  
00:00:28,490 --> 00:00:25,740  
Russia claimed to have shot down uh a

9  
00:00:29,750 --> 00:00:28,500  
UAP that was the headline it could have

10  
00:00:32,269 --> 00:00:29,760  
been a drone it could have been

11  
00:00:35,630 --> 00:00:32,279  
something uh deployed by the United

12  
00:00:38,870 --> 00:00:35,640  
States Ukraine or NATO unconfirmed

13  
00:00:40,209 --> 00:00:38,880

Russia simply said that it shot down a

14

00:00:42,830 --> 00:00:40,219

UAP

15

00:00:46,729 --> 00:00:42,840

but here is another little thing right

16

00:00:48,590 --> 00:00:46,739

here so yeah Russia spotted uh one a UFO

17

00:00:51,229 --> 00:00:48,600

that's what it's claimed to be over one

18

00:00:53,510 --> 00:00:51,239

of their power plants the incident

19

00:00:55,970 --> 00:00:53,520

which is being investigated by Russian

20

00:00:59,150 --> 00:00:55,980

authorities could be linked to similar

21

00:01:01,189 --> 00:00:59,160

sightings over other countries according

22

00:01:04,850 --> 00:01:01,199

to reports the object was spotted on

23

00:01:07,250 --> 00:01:04,860

Wednesday over the Leningrad nuclear

24

00:01:10,570 --> 00:01:07,260

power plant in the city of

25

00:01:15,590 --> 00:01:10,580

sauce sauce Novi

26

00:01:17,690 --> 00:01:15,600

in the lingrad osplas descriptions of it

27

00:01:19,609 --> 00:01:17,700

in the media have been varied with one

28

00:01:22,310 --> 00:01:19,619

report claiming that it had been seen at

29

00:01:25,310 --> 00:01:22,320

an altitude of around 10 000 feet and

30

00:01:28,310 --> 00:01:25,320

was moving at speeds upwards of 200

31

00:01:31,010 --> 00:01:28,320

kilometers per hour so what 200

32

00:01:34,070 --> 00:01:31,020

kilometers per hour is like 160 miles an

33

00:01:39,950 --> 00:01:36,590

it seems like 10 000 feet and at that

34

00:01:43,010 --> 00:01:39,960

speed seems like a typical drone speed I

35

00:01:43,969 --> 00:01:43,020

don't know like like a military drone I

36

00:01:46,929 --> 00:01:43,979

suppose

37

00:01:50,030 --> 00:01:46,939

yeah not commercial but military

38

00:01:51,830 --> 00:01:50,040

military officials asked you know tasked

39

00:01:54,350 --> 00:01:51,840

with investigating the case stated that

40

00:01:56,450 --> 00:01:54,360

it was neither a plane nor a drone

41

00:02:00,230 --> 00:01:56,460

that's what it said they said it was

42

00:02:02,630 --> 00:02:00,240

neither plane nor drone

43

00:02:06,350 --> 00:02:02,640

so the object

44

00:02:09,249 --> 00:02:06,360

the unknown object moved uh at the speed

45

00:02:12,110 --> 00:02:09,259

of the wind when officials said

46

00:02:14,510 --> 00:02:12,120

so it was going with wind is this a

47

00:02:16,309 --> 00:02:14,520

Chinese weather balloon or a Chinese spy

48

00:02:17,809 --> 00:02:16,319

balloon over Russia

49

00:02:21,470 --> 00:02:17,819

is that what we're talking about here

50

00:02:26,570 --> 00:02:23,690

uh this means it doesn't have engines

51  
00:02:27,949 --> 00:02:26,580  
which means it isn't a drone or an

52  
00:02:30,170 --> 00:02:27,959  
airplane so it could have been a Chinese

53  
00:02:33,710 --> 00:02:30,180  
spy blue I got a problem with Chinese

54  
00:02:35,390 --> 00:02:33,720  
balloon uh confusion quickly spread over

55  
00:02:39,110 --> 00:02:35,400  
the nature of the incident however when

56  
00:02:41,089 --> 00:02:39,120  
linograd Deputy Governor uh moved to

57  
00:02:43,190 --> 00:02:41,099  
dismiss the story entirely by claiming

58  
00:02:44,809 --> 00:02:43,200  
that the information was untrue given

59  
00:02:46,490 --> 00:02:44,819  
the possibility that the object could be

60  
00:02:48,589 --> 00:02:46,500  
some sort of balloon

61  
00:02:51,229 --> 00:02:48,599  
the sighting has been linked to other

62  
00:02:54,589 --> 00:02:51,239  
recent sightings of alleged spy balloons

63  
00:02:56,809 --> 00:02:54,599

over the U.S and elsewhere

64

00:03:00,130 --> 00:02:56,819

as things stand Russian officials are

65

00:03:02,390 --> 00:03:00,140

monitoring the object but are otherwise

66

00:03:08,390 --> 00:03:02,400

unconcerned they haven't shot down the

67

00:03:16,009 --> 00:03:11,809

well back in Let's see we covered a

68

00:03:19,449 --> 00:03:16,019

story back in 2019 2020 of a variety of

69

00:03:23,030 --> 00:03:19,459

stories of uap's UFOs drones whatever

70

00:03:24,949 --> 00:03:23,040

over United States power plants ranging

71

00:03:30,530 --> 00:03:24,959

from the years like 2015 all the way up

72

00:03:32,390 --> 00:03:30,540

until 2022 of of of incursions over uh

73

00:03:35,350 --> 00:03:32,400

fairly secure

74

00:03:39,110 --> 00:03:35,360

power plants in the United States and uh

75

00:03:41,210 --> 00:03:39,120

according to the reports we read the FAA

76

00:03:44,270 --> 00:03:41,220

were aware of those reports so was the

77

00:03:48,589 --> 00:03:44,280

FBI we don't know whatever came of those

78

00:03:50,750 --> 00:03:48,599

stories but and most of those events it

79

00:03:55,190 --> 00:03:50,760

did appear that they were drones like

80

00:03:56,990 --> 00:03:55,200

either commercial or operated by some

81

00:03:59,390 --> 00:03:57,000

um some different country

82

00:04:01,729 --> 00:03:59,400

in this uh Russian UFO they're just

83

00:04:03,470 --> 00:04:01,739

using UFO to get the headline here but

84

00:04:05,149 --> 00:04:03,480

it did appear uh they're even saying

85

00:04:07,970 --> 00:04:05,159

it's a balloon it's probably a balloon

86

00:04:11,690 --> 00:04:07,980

it's moving with the wind so

87

00:04:15,770 --> 00:04:11,700

um that's probably exactly what it is

88

00:04:18,530 --> 00:04:15,780

but I do have another little piece of

89

00:04:22,730 --> 00:04:18,540

UFO footage now this is

90

00:04:26,689 --> 00:04:22,740

this was captured up in the skies this

91

00:04:31,249 --> 00:04:26,699

is slowed down footage of a plane coming

92

00:04:35,330 --> 00:04:31,259

right past a UFO this is slowed down

93

00:04:37,550 --> 00:04:35,340

now this plane uh tough to say how how

94

00:04:39,890 --> 00:04:37,560

high up this was I'm gonna guess I think

95

00:04:43,189 --> 00:04:39,900

if I remember like just being posted on

96

00:04:46,370 --> 00:04:43,199

Reddit anywhere from 20 to 30 000 feet

97

00:04:49,850 --> 00:04:46,380

um and you see this

98

00:04:51,710 --> 00:04:49,860

drone or not drone UFO whizzing right

99

00:04:53,330 --> 00:04:51,720

past but this is slowed down and I will

100

00:04:57,290 --> 00:04:53,340

pause it when it gets closed because you

101  
00:05:00,770 --> 00:04:57,300  
can see that this thing has a flat

102  
00:05:04,430 --> 00:05:00,780  
underbelly and almost a domed shape on

103  
00:05:06,710 --> 00:05:04,440  
top and this thing whizzes right past uh

104  
00:05:08,689 --> 00:05:06,720  
this uh this plane here

105  
00:05:12,050 --> 00:05:08,699  
I'm going to uh they got the camera

106  
00:05:13,670 --> 00:05:12,060  
right here it's going to come into Focus

107  
00:05:16,129 --> 00:05:13,680  
and I will

108  
00:05:19,129 --> 00:05:16,139  
then you freeze and enhance because I I

109  
00:05:21,770 --> 00:05:19,139  
will freeze and enhance

110  
00:05:24,710 --> 00:05:21,780  
here it comes into it's slowing up right

111  
00:05:24,720 --> 00:05:29,930  
they're really

112  
00:05:35,210 --> 00:05:33,529  
it says is coming by and it like it

113  
00:05:36,770 --> 00:05:35,220

looks like a diamond shape as it comes

114

00:05:38,930 --> 00:05:36,780

but

115

00:05:40,490 --> 00:05:38,940

it's going past right now it's like in

116

00:05:41,749 --> 00:05:40,500

this it's literally in the center of the

117

00:05:43,969 --> 00:05:41,759

screen right now

118

00:05:47,090 --> 00:05:43,979

and I'll pause it right there

119

00:05:50,390 --> 00:05:47,100

it's like the

120

00:05:52,430 --> 00:05:50,400

the underbelly is facing the plane a

121

00:05:55,370 --> 00:05:52,440

little bit and there is a bit of a dome

122

00:05:56,749 --> 00:05:55,380

shape on top it almost looks like

123

00:06:01,310 --> 00:05:56,759

if

124

00:06:03,590 --> 00:06:01,320

you had a stingray shape but without

125

00:06:05,990 --> 00:06:03,600

that long pointy tail that's the kind of

126

00:06:07,670 --> 00:06:06,000

shape this UFO has and it's paused on

127

00:06:11,510 --> 00:06:07,680

screen over there and you can see light

128

00:06:14,029 --> 00:06:11,520

reflecting off the the top of it

129

00:06:17,570 --> 00:06:14,039

um it's almost a little bit like a Delta

130

00:06:19,730 --> 00:06:17,580

shape but with a rounded hump on I would

131

00:06:21,050 --> 00:06:19,740

classify it as a top the non-flat side

132

00:06:23,809 --> 00:06:21,060

of it

133

00:06:25,610 --> 00:06:23,819

uh it I mean it could be a balloon I'm

134

00:06:28,370 --> 00:06:25,620

gonna I'll put it out there it could be

135

00:06:30,409 --> 00:06:28,380

a balloon balloon but it's not like any

136

00:06:32,990 --> 00:06:30,419

balloon that I have seen it's not like a

137

00:06:35,210 --> 00:06:33,000

party balloon it's not uh it's not

138

00:06:39,110 --> 00:06:35,220

Tethered to anything like any sort uh

139

00:06:41,029 --> 00:06:39,120

there's no uh towel it's very yeah it's

140

00:06:43,129 --> 00:06:41,039

difficult to tell but it's paused on the

141

00:06:45,950 --> 00:06:43,139

screen right here you can it kind of

142

00:06:49,730 --> 00:06:45,960

looks like Boba Fett's ship oh the slave

143

00:06:52,610 --> 00:06:49,740

one yeah it does it does look shape a

144

00:06:55,850 --> 00:06:52,620

little bit like uh slave one look at the

145

00:06:58,969 --> 00:06:55,860

size of that thing it's I mean it's

146

00:07:02,029 --> 00:06:58,979

tough to gauge size at the at this thing

147

00:07:04,189 --> 00:07:02,039

of this thing but it's there I mean

148

00:07:06,650 --> 00:07:04,199

there is something I mean it is an

149

00:07:08,210 --> 00:07:06,660

object in the sky it is a UFO we don't

150

00:07:09,950 --> 00:07:08,220

know what it is

151

00:07:12,950 --> 00:07:09,960

and I I have a pause on screen right

152

00:07:14,990 --> 00:07:12,960

here so I mean

153

00:07:17,390 --> 00:07:15,000

who's investigating this is this part of

154

00:07:20,210 --> 00:07:17,400

the is this uh

155

00:07:23,450 --> 00:07:20,220

something that the UAP task force

156

00:07:25,430 --> 00:07:23,460

that is severely under funded is going

157

00:07:28,249 --> 00:07:25,440

to look at what are they going to do

158

00:07:31,730 --> 00:07:28,259

with this uh do they have radar

159

00:07:33,170 --> 00:07:31,740

signatures that they can uh take and but

160

00:07:34,490 --> 00:07:33,180

this thing is incredibly small it looks

161

00:07:36,469 --> 00:07:34,500

like it's not it's definitely not the

162

00:07:39,110 --> 00:07:36,479

size of the plane it is coming it's

163

00:07:42,110 --> 00:07:39,120

going past the plane really quickly

164

00:07:46,610 --> 00:07:42,120

so there goes it just goes right past so

165

00:07:49,610 --> 00:07:46,620

not really UAP news not UFO news but

166

00:07:51,529 --> 00:07:49,620

just a little piece of uh video I wanted

167

00:07:53,330 --> 00:07:51,539

to bring to your show

168

00:07:55,129 --> 00:07:53,340

I mean something

169

00:07:57,589 --> 00:07:55,139

it's much more it's much more clear

170

00:08:00,170 --> 00:07:57,599

footage than we've seen of Bigfoot

171

00:08:01,670 --> 00:08:00,180

very true it is definitely something it

172

00:08:03,890 --> 00:08:01,680

is definitely there there's a lot of

173

00:08:06,589 --> 00:08:03,900

water drops on the window at first I

174

00:08:08,930 --> 00:08:06,599

thought it was the water drops and I saw

175

00:08:11,270 --> 00:08:08,940

the little Diamond thing and it's so

176

00:08:13,790 --> 00:08:11,280

yeah it looks like goo it's like gray

177

00:08:16,990 --> 00:08:13,800

goo in a diamond shape

178

00:08:19,189 --> 00:08:17,000

yeah I mean it's very interesting yeah

179

00:08:22,309 --> 00:08:19,199

and this is kind of like a little

180

00:08:23,390 --> 00:08:22,319

something from Joe Rogan

181

00:08:26,629 --> 00:08:23,400

um

182

00:08:28,969 --> 00:08:26,639

and this is uh Joe Rogan and Bill

183

00:08:31,369 --> 00:08:28,979

ottman react to calm Kelleher

184

00:08:35,089 --> 00:08:31,379

acknowledging that the U.S has downed

185

00:08:40,130 --> 00:08:35,099

UFOs of Unknown Origin

186

00:08:41,630 --> 00:08:40,140

so a calm is probably most recognized as

187

00:08:42,889 --> 00:08:41,640

being

188

00:08:46,550 --> 00:08:42,899

um

189

00:08:48,710 --> 00:08:46,560

uh tied to the the skinwalker uh

190

00:08:52,009 --> 00:08:48,720

Skinwalker Ranch so he wrote a book in

191

00:08:54,530 --> 00:08:52,019

conjunction or wrote a book with uh

192

00:08:57,530 --> 00:08:54,540

George Knapp the hunt for Skinwalker and

193

00:08:59,750 --> 00:08:57,540

he was on the knits team which was

194

00:09:02,509 --> 00:08:59,760

tasked with investigating all the weird

195

00:09:04,130 --> 00:09:02,519

stuff that was going on at Skinwalker

196

00:09:05,930 --> 00:09:04,140

Ranch and has since uh released another

197

00:09:10,070 --> 00:09:05,940

book called skinwalkers at the Pentagon

198

00:09:12,050 --> 00:09:10,080

so when calm talks uh I I listen he's a

199

00:09:15,170 --> 00:09:12,060

very educated person he's tied to the

200

00:09:16,430 --> 00:09:15,180

subject and seems to be pretty in tune

201  
00:09:19,610 --> 00:09:16,440  
with stuff so I'll bring the stuff on

202  
00:09:25,910 --> 00:09:23,509  
here we go there we go here we go does

203  
00:09:27,530 --> 00:09:25,920  
our government have downed UFOs from

204  
00:09:29,690 --> 00:09:27,540  
Unknown Origin that they've been trying

205  
00:09:31,430 --> 00:09:29,700  
and are trying to reverse engineer and

206  
00:09:33,110 --> 00:09:31,440  
exploit those Technologies understand

207  
00:09:36,769 --> 00:09:33,120  
the physics and understand that

208  
00:09:39,050 --> 00:09:36,779  
technology we have that too with

209  
00:09:40,730 --> 00:09:39,060  
I can't talk about that but the answer

210  
00:09:42,290 --> 00:09:40,740  
is yes

211  
00:09:44,570 --> 00:09:42,300  
I can't talk about it because it is from

212  
00:09:47,090 --> 00:09:44,580  
weaponized uh Jeremy Corbell and George

213  
00:09:49,910 --> 00:09:47,100

## Knapp's podcast

214

00:09:54,410 --> 00:09:49,920

just that answer alone so who is comb

215

00:09:56,590 --> 00:09:54,420

that was who is he well of course he is

216

00:09:59,329 --> 00:09:56,600

explain who he is Jeremy

217

00:10:02,509 --> 00:09:59,339

he is a program manager for the

218

00:10:05,030 --> 00:10:02,519

government's largest UFO program

219

00:10:06,490 --> 00:10:05,040

which is that Arrow I don't know it

220

00:10:08,870 --> 00:10:06,500

might be you know much

221

00:10:11,470 --> 00:10:08,880

Jamie could find that out that's about

222

00:10:14,030 --> 00:10:11,480

to say yeah I mean

223

00:10:17,210 --> 00:10:14,040

the type of whistleblower protections

224

00:10:19,370 --> 00:10:17,220

that are available like I hope we can

225

00:10:21,230 --> 00:10:19,380

expand that so it's not just for UFO

226

00:10:23,870 --> 00:10:21,240

related stuff but also for surveillance

227

00:10:26,090 --> 00:10:23,880

yeah to protect the snowden's and

228

00:10:28,070 --> 00:10:26,100

assangeas of the world like we need we

229

00:10:30,410 --> 00:10:28,080

need that and that's why I think that

230

00:10:32,570 --> 00:10:30,420

this uh office is going to be successful

231

00:10:35,110 --> 00:10:32,580

it's because like you can't the people

232

00:10:37,910 --> 00:10:35,120

who are doing the the black projects

233

00:10:40,310 --> 00:10:37,920

need to have reassurance that they're

234

00:10:41,449 --> 00:10:40,320

not going to be screwed after coming

235

00:10:44,569 --> 00:10:41,459

forward

236

00:10:47,750 --> 00:10:44,579

and so you know this this type of

237

00:10:50,569 --> 00:10:47,760

legislation is is so key um I had an

238

00:10:52,550 --> 00:10:50,579

exchange with with melon recently and he

239

00:10:56,030 --> 00:10:52,560

actually told me to uh to mention this

240

00:10:59,870 --> 00:10:56,040

so he was saying that Lazar should come

241

00:11:01,370 --> 00:10:59,880

forward through Arrow because no sorry

242

00:11:05,750 --> 00:11:01,380

no

243

00:11:08,990 --> 00:11:05,760

involved then

244

00:11:11,630 --> 00:11:09,000

he could participate in that

245

00:11:13,190 --> 00:11:11,640

organization and and put it through

246

00:11:14,449 --> 00:11:13,200

because that's the channel that we have

247

00:11:16,550 --> 00:11:14,459

now

248

00:11:20,690 --> 00:11:16,560

the idea that someone is going to come

249

00:11:22,670 --> 00:11:20,700

out and say we have downed UFOs but we

250

00:11:24,949 --> 00:11:22,680

can't talk about it yep

251  
00:11:27,949 --> 00:11:24,959  
what does that mean do you have

252  
00:11:30,230 --> 00:11:27,959  
something that was unidentified that is

253  
00:11:33,230 --> 00:11:30,240  
from some other state some other

254  
00:11:35,030 --> 00:11:33,240  
government that you found and it's a

255  
00:11:36,650 --> 00:11:35,040  
it's unidentified

256  
00:11:39,050 --> 00:11:36,660  
or are you saying you have something

257  
00:11:40,670 --> 00:11:39,060  
from another planet there's two there's

258  
00:11:43,250 --> 00:11:40,680  
two very different answers right because

259  
00:11:45,590 --> 00:11:43,260  
the the Chinese balloons included in

260  
00:11:47,750 --> 00:11:45,600  
this as well so if that gets down you

261  
00:11:50,630 --> 00:11:47,760  
know that's that constitutes crash

262  
00:11:52,790 --> 00:11:50,640  
materials right like what is a you it's

263  
00:11:55,190 --> 00:11:52,800

unidentified what does that mean but are

264

00:11:56,750 --> 00:11:55,200

you saying that you have something that

265

00:11:58,430 --> 00:11:56,760

you re you're back engineering from

266

00:12:00,650 --> 00:11:58,440

another country or you're saying you

267

00:12:04,430 --> 00:12:00,660

have something that is of

268

00:12:05,870 --> 00:12:04,440

some completely Unknown Origin like so

269

00:12:07,850 --> 00:12:05,880

what they're referring to here is like

270

00:12:11,630 --> 00:12:07,860

in the legislation what established I

271

00:12:14,630 --> 00:12:11,640

believe the uh the recent rounds of the

272

00:12:16,310 --> 00:12:14,640

defense department coming to the uh I

273

00:12:18,610 --> 00:12:16,320

think Congress and and talking about

274

00:12:21,590 --> 00:12:18,620

uaps is that there are special

275

00:12:23,870 --> 00:12:21,600

whistleblower protections included in

276

00:12:26,230 --> 00:12:23,880

that meaning that if you happen if you

277

00:12:30,590 --> 00:12:26,240

just happen to work on a black project

278

00:12:33,590 --> 00:12:30,600

that uh involves I guess downed alien

279

00:12:36,170 --> 00:12:33,600

technology or you know off-world stuff

280

00:12:39,410 --> 00:12:36,180

uh you can come forward talk about it

281

00:12:41,990 --> 00:12:39,420

and you are free from reprisal I guess

282

00:12:44,629 --> 00:12:42,000

government proposal but when has that

283

00:12:46,190 --> 00:12:44,639

ever worked uh just because you think

284

00:12:49,490 --> 00:12:46,200

that that you have whistleblower

285

00:12:52,970 --> 00:12:49,500

protection doesn't mean that these super

286

00:12:55,610 --> 00:12:52,980

secret Black Project people these

287

00:12:57,290 --> 00:12:55,620

special access projects

288

00:12:59,389 --> 00:12:57,300

um they don't have their own internal

289

00:13:01,550 --> 00:12:59,399

security that are just going to take

290

00:13:04,550 --> 00:13:01,560

care of you when you start to think

291

00:13:08,329 --> 00:13:04,560

about blowing the whistle

292

00:13:09,710 --> 00:13:08,339

and so yeah you could contact uh your

293

00:13:11,389 --> 00:13:09,720

congressman and say hey I got some

294

00:13:13,370 --> 00:13:11,399

information about this but it's I I

295

00:13:16,370 --> 00:13:13,380

would have to imagine as soon as you

296

00:13:20,030 --> 00:13:16,380

make that contact at a first official

297

00:13:21,470 --> 00:13:20,040

kind of uh Overture to disclose that

298

00:13:23,389 --> 00:13:21,480

this information you're going to be

299

00:13:25,310 --> 00:13:23,399

taken care of

300

00:13:26,930 --> 00:13:25,320

yeah taking care of in a bad way you're

301  
00:13:27,949 --> 00:13:26,940  
gonna go hang yourself in the park and

302  
00:13:30,350 --> 00:13:27,959  
shoot yourself in the back of the head

303  
00:13:33,290 --> 00:13:30,360  
twice uh I uh I hope it's not that bad

304  
00:13:36,410 --> 00:13:33,300  
but if that technology does exist and I

305  
00:13:38,810 --> 00:13:36,420  
think that it does in some capacity uh

306  
00:13:40,910 --> 00:13:38,820  
they're not gonna let it uh go like the

307  
00:13:42,650 --> 00:13:40,920  
game is just starting like the the plot

308  
00:13:44,690 --> 00:13:42,660  
is just starting to get really

309  
00:13:48,290 --> 00:13:44,700  
interesting with this stuff and whether

310  
00:13:51,350 --> 00:13:48,300  
or not they fully roll out like a a blue

311  
00:13:55,310 --> 00:13:51,360  
beam scenario where it is a manufactured

312  
00:13:56,030 --> 00:13:55,320  
Alien Invasion uh or or not

313  
00:13:57,530 --> 00:13:56,040

um

314

00:13:59,030 --> 00:13:57,540

they have to protect that technology

315

00:14:00,470 --> 00:13:59,040

they have to protect that whatever

316

00:14:02,569 --> 00:14:00,480

knowledge they have and they certainly

317

00:14:05,629 --> 00:14:02,579

don't want to share it too much because

318

00:14:08,329 --> 00:14:05,639

if we start having whistleblowers come

319

00:14:11,389 --> 00:14:08,339

forward and they're on record saying

320

00:14:14,030 --> 00:14:11,399

yeah we have these Technologies we have

321

00:14:17,090 --> 00:14:14,040

ways to power the CR these craft that

322

00:14:19,910 --> 00:14:17,100

defies a law laws of physics and we're

323

00:14:23,569 --> 00:14:19,920

using different types of energy and

324

00:14:24,949 --> 00:14:23,579

propulsion that could alleviate uh many

325

00:14:27,230 --> 00:14:24,959

of the world's problems but we've been

326

00:14:28,730 --> 00:14:27,240

holding it back for 40 years because X Y

327

00:14:31,430 --> 00:14:28,740

and Z it's not going to look good it's

328

00:14:34,129 --> 00:14:31,440

going to be a bad piece of PR to have to

329

00:14:35,150 --> 00:14:34,139

uh to manage from the Pentagon and they

330

00:14:37,910 --> 00:14:35,160

don't want to do it they have bad enough

331

00:14:40,129 --> 00:14:37,920

PR as it is

332

00:14:44,150 --> 00:14:40,139

um so I have this other little clip here

333

00:14:49,670 --> 00:14:45,889

um I believe it's from the Pentagon this

334

00:14:53,990 --> 00:14:49,680

could be oh this is from us space Force

335

00:14:56,090 --> 00:14:54,000

Major General John Olson so you might

336

00:14:58,850 --> 00:14:56,100

know him of the Olsen twins uh Fame

337

00:15:01,970 --> 00:14:58,860

space force one of the Olsen twins who's

338

00:15:03,949 --> 00:15:01,980

2023 this is a fair fair assessment yep

339

00:15:06,170 --> 00:15:03,959

here and this is him talking about

340

00:15:09,230 --> 00:15:06,180

everything part of you this is what the

341

00:15:11,090 --> 00:15:09,240

they need now okay

342

00:15:14,269 --> 00:15:11,100

funny I think the second part of your

343

00:15:17,090 --> 00:15:14,279

question uh was related to UAP or

344

00:15:20,150 --> 00:15:17,100

unidentified aerial uh phenomenon and

345

00:15:23,030 --> 00:15:20,160

that uat task force

346

00:15:26,150 --> 00:15:23,040

um and and as far as I'm concerned or or

347

00:15:28,250 --> 00:15:26,160

knowledgeable above about that I do

348

00:15:30,410 --> 00:15:28,260

believe it does involve collaborative

349

00:15:33,470 --> 00:15:30,420

inputs and

350

00:15:35,689 --> 00:15:33,480

um information exchange with all kinds

351  
00:15:39,050 --> 00:15:35,699  
of countries around the globe because I

352  
00:15:41,110 --> 00:15:39,060  
think these are not just uh solely

353  
00:15:44,870 --> 00:15:41,120  
um

354  
00:15:47,030 --> 00:15:44,880  
actions or or or uh events that have

355  
00:15:48,829 --> 00:15:47,040  
occurred within the con confines in the

356  
00:15:50,329 --> 00:15:48,839  
United States they've they've occurred

357  
00:15:52,310 --> 00:15:50,339  
globally and I think we're collecting

358  
00:15:54,590 --> 00:15:52,320  
that information uh we're sharing

359  
00:15:57,050 --> 00:15:54,600  
information we view that as an open and

360  
00:15:58,970 --> 00:15:57,060  
transparent effort and activity through

361  
00:16:02,509 --> 00:15:58,980  
uh through the United States Congress

362  
00:16:05,810 --> 00:16:02,519  
and and executed by our UAP task force

363  
00:16:08,150 --> 00:16:05,820

office and so I I I would encourage

364

00:16:10,790 --> 00:16:08,160

greater uh collaboration and cooperation

365

00:16:13,129 --> 00:16:10,800

in that and particularly I think as we

366

00:16:17,030 --> 00:16:13,139

see uh various technologies that will

367

00:16:19,129 --> 00:16:17,040

help uh demystify or debunk or clarify

368

00:16:21,410 --> 00:16:19,139

um but but I think it's also important

369

00:16:23,990 --> 00:16:21,420

one of the one of the reasons that we

370

00:16:26,629 --> 00:16:24,000

are doing uh this effort is because

371

00:16:29,030 --> 00:16:26,639

National Security concerns are of

372

00:16:30,710 --> 00:16:29,040

Paramount importance and so is safety of

373

00:16:33,889 --> 00:16:30,720

flight and deconfliction and collision

374

00:16:36,889 --> 00:16:33,899

avoidance and and issues to preserve and

375

00:16:38,449 --> 00:16:36,899

protect human life so when we can uh we

376

00:16:40,670 --> 00:16:38,459

when we can better share and exchange

377

00:16:43,069 --> 00:16:40,680

information I think that's better much

378

00:16:45,110 --> 00:16:43,079

like we do in the international civil

379

00:16:48,230 --> 00:16:45,120

aviation organization or otherwise known

380

00:16:50,810 --> 00:16:48,240

as Iko uh or in any other International

381

00:16:53,090 --> 00:16:50,820

bodies as well I think there's a fertile

382

00:16:54,590 --> 00:16:53,100

an important opportunity to be pursued

383

00:16:57,290 --> 00:16:54,600

there

384

00:17:01,009 --> 00:16:57,300

that guy's just a riveting riveting

385

00:17:02,990 --> 00:17:01,019

speaker yeah yeah it's it sounds like uh

386

00:17:05,510 --> 00:17:03,000

maybe to say hey let us know if you see

387

00:17:07,250 --> 00:17:05,520

any of our super secret stuff over your

388

00:17:09,590 --> 00:17:07,260

airspace and then we know it's not

389

00:17:11,409 --> 00:17:09,600

cloaked so thanks and we can come drone

390

00:17:14,990 --> 00:17:11,419

you yeah

391

00:17:17,270 --> 00:17:15,000

uh like I said I think there's a real

392

00:17:19,250 --> 00:17:17,280

UFOs and then there's the stuff that uh

393

00:17:22,490 --> 00:17:19,260

we pump out I think the second point oh

394

00:17:23,929 --> 00:17:22,500

my God no there you go he's just gonna

395

00:17:25,250 --> 00:17:23,939

keep talking you don't you don't you

396

00:17:27,289 --> 00:17:25,260

don't tell that guy to sit down he just

397

00:17:29,750 --> 00:17:27,299

keeps going yeah

398

00:17:31,490 --> 00:17:29,760

and then uh just one more piece this is

399

00:17:34,970 --> 00:17:31,500

I don't know if this is a follow-up but

400

00:17:37,610 --> 00:17:34,980

this was uh sent to us and we played

401  
00:17:40,250 --> 00:17:37,620  
this video I believe on the last show it

402  
00:17:44,330 --> 00:17:40,260  
was that slowed down slow motion of that

403  
00:17:46,190 --> 00:17:44,340  
uh UFO flying past the window of

404  
00:17:49,330 --> 00:17:46,200  
uh an airplane

405  
00:17:52,010 --> 00:17:49,340  
and so this is uh two shows ago

406  
00:17:53,390 --> 00:17:52,020  
two shows there it is it wasn't there I

407  
00:17:58,970 --> 00:17:53,400  
was not you can take a look at this

408  
00:18:02,570 --> 00:17:58,980  
thing this is the blown up of image of a

409  
00:18:04,250 --> 00:18:02,580  
still frame of it and it looks like uh

410  
00:18:05,570 --> 00:18:04,260  
it's like Flight of the Navigator it

411  
00:18:07,490 --> 00:18:05,580  
does it looks like Flight of the

412  
00:18:09,470 --> 00:18:07,500  
Navigator exactly like that and this was

413  
00:18:12,529 --> 00:18:09,480

flying past the uh

414

00:18:15,529 --> 00:18:12,539

the the window of a complaint so yeah

415

00:18:17,270 --> 00:18:15,539

well-known club that looks like is um

416

00:18:18,409 --> 00:18:17,280

you remember about 15 years ago we had

417

00:18:19,970 --> 00:18:18,419

this little story from I think it was

418

00:18:22,669 --> 00:18:19,980

Colorado called or New Mexico maybe

419

00:18:24,289 --> 00:18:22,679

called balloon boy where the family said

420

00:18:25,909 --> 00:18:24,299

their kid was in a balloon and it caused

421

00:18:29,510 --> 00:18:25,919

the whole thing for a day or two oh yeah

422

00:18:33,350 --> 00:18:29,520

that was in like 2007 2008 where balloon

423

00:18:35,750 --> 00:18:33,360

boy the family claimed that their little

424

00:18:38,029 --> 00:18:35,760

son was up in some sort of large balloon

425

00:18:41,390 --> 00:18:38,039

and it got untethered flew up into the

426  
00:18:44,029 --> 00:18:41,400  
sky and it created this whole big media

427  
00:18:45,650 --> 00:18:44,039  
frenzy it turns out it was all stunt it

428  
00:18:47,690 --> 00:18:45,660  
was all a lie

429  
00:18:50,390 --> 00:18:47,700  
the cute boys never in that balloon

430  
00:18:52,010 --> 00:18:50,400  
balloon but the balloon that they used

431  
00:18:54,049 --> 00:18:52,020  
was kind of looked like that it was

432  
00:18:55,669 --> 00:18:54,059  
silver and kind of like a flat sphere so

433  
00:18:59,690 --> 00:18:55,679  
yeah it kind of looked like a

434  
00:19:03,289 --> 00:18:59,700  
traditional Roswell UFO what uh like a

435  
00:19:05,210 --> 00:19:03,299  
1950s UFO but uh that's not what we see

436  
00:19:07,070 --> 00:19:05,220  
on so look at this one put it up give me

437  
00:19:08,750 --> 00:19:07,080  
a second here okay you bring up balloon

438  
00:19:10,370 --> 00:19:08,760

boy but here's balloon boy and his

439

00:19:12,890 --> 00:19:10,380

balloon maybe he's actually in there

440

00:19:15,950 --> 00:19:12,900

he's still up there Chinese balloon boy

441

00:19:17,330 --> 00:19:15,960

Chinese spy balloon Chinese spy balloon

442

00:19:21,049 --> 00:19:17,340

boy

443

00:19:24,470 --> 00:19:21,059

well uh the kind of look somewhat

444

00:19:28,070 --> 00:19:24,480

familiar I don't know question but uh

445

00:19:30,470 --> 00:19:28,080

but uh back to this uh piece of uh

446

00:19:32,570 --> 00:19:30,480

footage that we played uh the clips

447

00:19:34,730 --> 00:19:32,580

which was uh which has been doing the

448

00:19:36,710 --> 00:19:34,740

rounds on several social media sites and

449

00:19:38,330 --> 00:19:36,720

various news outlets uh this week was

450

00:19:40,190 --> 00:19:38,340

filmed from the window of a private

451  
00:19:42,830 --> 00:19:40,200  
plane on April 4th during a flight

452  
00:19:44,570 --> 00:19:42,840  
somewhere over Colombia in the video a

453  
00:19:46,909 --> 00:19:44,580  
strange object can be seen hurtling

454  
00:19:49,370 --> 00:19:46,919  
towards the plane from some clouds up

455  
00:19:50,930 --> 00:19:49,380  
ahead before passing the aircraft on the

456  
00:19:55,070 --> 00:19:50,940  
left-hand side

457  
00:19:56,690 --> 00:19:55,080  
a close-up shows the UFO could be us to

458  
00:19:59,630 --> 00:19:56,700  
be a metallic object

459  
00:20:02,169 --> 00:19:59,640  
uh almost like a curved sheet of metal

460  
00:20:05,870 --> 00:20:02,179  
with no uh discernible features

461  
00:20:09,110 --> 00:20:05,880  
indicative of propulsion and no

462  
00:20:10,250 --> 00:20:09,120  
similarity to any known type of aircraft

463  
00:20:12,470 --> 00:20:10,260

well

464

00:20:14,510 --> 00:20:12,480

I don't know I mean

465

00:20:17,090 --> 00:20:14,520

we just named two it looks like what the

466

00:20:19,010 --> 00:20:17,100

hell it kind of I mean you have the

467

00:20:21,289 --> 00:20:19,020

balloon boy up on screen right there and

468

00:20:22,310 --> 00:20:21,299

it doesn't look like that Cratchit that

469

00:20:25,370 --> 00:20:22,320

looks like

470

00:20:28,010 --> 00:20:25,380

like a a popcorn one of those 1980s

471

00:20:29,450 --> 00:20:28,020

Jiffy Pop a Jiffy Pop bag that's what it

472

00:20:30,230 --> 00:20:29,460

looks like that you have on screen right

473

00:20:31,549 --> 00:20:30,240

there

474

00:20:32,990 --> 00:20:31,559

I thought you're gonna say the one that

475

00:20:34,730 --> 00:20:33,000

we just saw in Brazil was a Jiffy Pop

476

00:20:35,870 --> 00:20:34,740

back no the one the one you have on

477

00:20:38,810 --> 00:20:35,880

screen from balloon boy looks like a

478

00:20:41,990 --> 00:20:38,820

Jiffy Pop bag yeah

479

00:20:44,450 --> 00:20:42,000

the uh the one I have on screen looks

480

00:20:46,970 --> 00:20:44,460

it looks like uh almost like a almost

481

00:20:50,210 --> 00:20:46,980

almost like a stealth fighter kind of

482

00:20:52,669 --> 00:20:50,220

but unless it was more of a convex back

483

00:20:53,870 --> 00:20:52,679

of it and it's all filled in well it

484

00:20:55,430 --> 00:20:53,880

does look like the plate of the

485

00:20:57,169 --> 00:20:55,440

Navigator thing it does look if you put

486

00:21:00,590 --> 00:20:57,179

it put a flight on the Navigator that's

487

00:21:02,090 --> 00:21:00,600

a better image rather than balloon boy

488

00:21:05,630 --> 00:21:02,100

I just like the idea that balloon boy's

489

00:21:07,549 --> 00:21:05,640

still up there he is we can only hope

490

00:21:09,650 --> 00:21:07,559

um let's see here's

491

00:21:11,450 --> 00:21:09,660

so so well in the movie it changed shape

492

00:21:13,909 --> 00:21:11,460

I'm trying to find pictures here

493

00:21:16,310 --> 00:21:13,919

so with this thing uh as things stand

494

00:21:18,770 --> 00:21:16,320

the nature of the object remains unclear

495

00:21:21,590 --> 00:21:18,780

it is possible that it is a piece of

496

00:21:24,110 --> 00:21:21,600

debris from something or perhaps a sheet

497

00:21:26,630 --> 00:21:24,120

of some lightweight metallic material

498

00:21:28,250 --> 00:21:26,640

caught by the wind I don't know it

499

00:21:31,250 --> 00:21:28,260

doesn't look like a sheet of anything it

500

00:21:34,070 --> 00:21:31,260

looks like it's a craft of some sort but

501

00:21:38,270 --> 00:21:34,080

it's flying on its side it's not like

502

00:21:42,169 --> 00:21:38,280

it's like the bottom part of it is is

503

00:21:44,630 --> 00:21:42,179

like at a 90 degree angle like it's not

504

00:21:46,250 --> 00:21:44,640

facing the bottom of it is not facing

505

00:21:47,570 --> 00:21:46,260

the ground so it's traveling in a very

506

00:21:50,450 --> 00:21:47,580

weird way and when it flew past the

507

00:21:52,210 --> 00:21:50,460

plane it was flying past the plane uh in

508

00:21:54,649 --> 00:21:52,220

that orientation

509

00:21:56,750 --> 00:21:54,659

uh see there's also a chance that it

510

00:21:59,630 --> 00:21:56,760

could be a hoax created using computer

511

00:22:01,070 --> 00:21:59,640

imagery oh really it could be a hoax I

512

00:22:03,110 --> 00:22:01,080

didn't know about that but it's like

513

00:22:06,169 --> 00:22:03,120

remember years ago that guy created the

514

00:22:07,730 --> 00:22:06,179

um uh video or he had video of uh crop

515

00:22:10,730 --> 00:22:07,740

circles getting created and it turns out

516

00:22:12,529 --> 00:22:10,740

there was all just CGI so yeah yeah

517

00:22:15,230 --> 00:22:12,539

so we play the footage I just wanted to

518

00:22:17,350 --> 00:22:15,240

bring that back up uh uh it's a it's

519

00:22:20,930 --> 00:22:17,360

fascinating but without like I said

520

00:22:22,370 --> 00:22:20,940

radar data and does does Colombia even

521

00:22:25,270 --> 00:22:22,380

have an Air Force they got to have at

522

00:22:29,450 --> 00:22:25,280

least one plane do they even have

523

00:22:33,350 --> 00:22:29,460

can we get them to chime in on this

524

00:22:34,789 --> 00:22:33,360

oh God probably not I hope that they do

525

00:22:36,529 --> 00:22:34,799

oh there you go Flight of the Navigator

526

00:22:39,770 --> 00:22:36,539

yeah right there

527

00:22:42,110 --> 00:22:39,780

that looks more yeah that image of

528

00:22:44,930 --> 00:22:42,120

Flight of the Navigator looks more like

529

00:22:47,570 --> 00:22:44,940

this UFO yeah that's it it's Flight of

530

00:22:48,830 --> 00:22:47,580

the Navigator yep when when did that

531

00:22:51,350 --> 00:22:48,840

remember that movie had time travel when

532

00:22:54,110 --> 00:22:51,360

did that 1986 yeah but remember he was

533

00:22:57,409 --> 00:22:54,120

like he went back to 1977. oh okay or

534

00:22:59,210 --> 00:22:57,419

1978 to go see the Bee Gees

535

00:23:01,549 --> 00:22:59,220

and he stole an alien and kept in his

536

00:23:03,409 --> 00:23:01,559

pocket yeah

537

00:23:06,470 --> 00:23:03,419

he's a kidnapper

538

00:23:08,330 --> 00:23:06,480

uh yeah 86 and 78 were the two times or

539

00:23:10,070 --> 00:23:08,340

time periods in that movie Why Did I

540

00:23:12,049 --> 00:23:10,080

remember that yeah that's good you know

541

00:23:13,490 --> 00:23:12,059

that that's what I know that's the

542

00:23:15,230 --> 00:23:13,500

information you have right at the tip of

543

00:23:16,970 --> 00:23:15,240

your tongue constantly ready to go at a

544

00:23:19,730 --> 00:23:16,980

moment's notice someone asked about an

545

00:23:22,070 --> 00:23:19,740

obscure 1986 live-action Disney film and

546

00:23:24,230 --> 00:23:22,080

you're all over it who did the voice of

547

00:23:25,190 --> 00:23:24,240

the alien I know that one Pee-wee Herman

548

00:23:27,470 --> 00:23:25,200

did that

549

00:23:30,230 --> 00:23:27,480

yep I do know that yeah why the hell do

550

00:23:37,549 --> 00:23:33,529

I don't know okay well let's uh

551  
00:23:38,990 --> 00:23:37,559  
transition out of here and I can thank a

552  
00:23:43,490 --> 00:23:39,000  
few people and then we'll try to get to

553  
00:23:48,770 --> 00:23:46,970  
all right well I definitely want to uh

554  
00:23:51,830 --> 00:23:48,780  
thank some people help uh for helping

555  
00:23:55,310 --> 00:23:51,840  
support the show Big Time your support

556  
00:23:56,990 --> 00:23:55,320  
means a lot so let me start here

557  
00:24:00,289 --> 00:23:57,000  
well it's been such a long time I don't

558  
00:24:01,730 --> 00:24:00,299  
even know if this uh drawbridge works so

559  
00:24:04,490 --> 00:24:01,740  
let me hold on let me uh see if I can

560  
00:24:06,830 --> 00:24:04,500  
cue the drawbridge here

561  
00:24:09,730 --> 00:24:06,840  
it's a rusty drawbridge

562  
00:24:12,649 --> 00:24:09,740  
I gotta lower this drawbridge down

563  
00:24:15,169 --> 00:24:12,659

there we go let's see if I can crank it

564

00:24:18,049 --> 00:24:15,179

yep it's working okay I guess I'll start

565

00:24:19,730 --> 00:24:18,059

walking across this there we go oh there

566

00:24:21,950 --> 00:24:19,740

walking across the there's the donkey

567

00:24:22,930 --> 00:24:21,960

Destiny right there slap that thing

568

00:24:25,490 --> 00:24:22,940

right there

569

00:24:27,830 --> 00:24:25,500

there's a fly buzzing around in here

570

00:24:29,990 --> 00:24:27,840

gotta get some fly traps break the first

571

00:24:33,049 --> 00:24:30,000

window hey there's bogey here's Mr

572

00:24:34,909 --> 00:24:33,059

mustache and then ah

573

00:24:41,510 --> 00:24:34,919

there he goes it's the chicken of

574

00:24:46,430 --> 00:24:43,570

[Music]

575

00:24:48,529 --> 00:24:46,440

there we go and I gotta start smashing

576

00:24:51,770 --> 00:24:48,539

windows in order to thank people

577

00:24:55,430 --> 00:24:51,780

and on patreon I want to thank uh Phil K

578

00:25:00,409 --> 00:24:55,440

we also got Matt J got Alyssa Ingrid

579

00:25:06,289 --> 00:25:00,419

less F in Callahan Jason W brand and ddg

580

00:25:11,149 --> 00:25:06,299

Jeremy Leo B Joe Jonathan D T C Lane s

581

00:25:14,690 --> 00:25:11,159

David H Don H Felix Joseph K Adam P uh

582

00:25:16,390 --> 00:25:14,700

Tater mitts yes cauli and Tim Tim if I

583

00:25:21,049 --> 00:25:16,400

forgot anybody on patreon let me know

584

00:25:25,490 --> 00:25:21,059

and uh or PayPal we got Raymond D Diane

585

00:25:28,549 --> 00:25:25,500

d Keith oh Chris W Timothy T actually M

586

00:25:30,529 --> 00:25:28,559

Andrew G

587

00:25:33,110 --> 00:25:30,539

and then on subscribe star we'll get

588

00:25:36,409 --> 00:25:33,120

some hardcore's out there with uh too

589

00:25:40,370 --> 00:25:36,419

many Mai Tais Danny SG mailbox said

590

00:25:42,950 --> 00:25:40,380

Felix and tone the bone so thank you all

591

00:25:45,769 --> 00:25:42,960

very much let me raise that drawbridge

592

00:25:47,750 --> 00:25:45,779

back up pop a Hot Pocket in the

593

00:25:51,169 --> 00:25:47,760

microwave to celebrate everyone out

594

00:25:55,850 --> 00:25:53,630

and we are going to

595

00:25:58,010 --> 00:25:55,860

get out of here

596

00:26:00,830 --> 00:25:58,020

there we go and what's this hot pocket

597

00:26:03,409 --> 00:26:00,840

is done we are going to try to roll

598

00:26:04,610 --> 00:26:03,419

to the New Kingdom yes people having a

599

00:26:06,769 --> 00:26:04,620

safe microwave that still has the door

600

00:26:09,769 --> 00:26:06,779

on this is the good microwave this is

601  
00:26:12,289 --> 00:26:09,779  
the one that uh is fine

602  
00:26:13,970 --> 00:26:12,299  
this is the one I that I tested

603  
00:26:16,310 --> 00:26:13,980  
and I'm testing it right now right now

604  
00:26:17,930 --> 00:26:16,320  
with a a Hot Pocket

605  
00:26:22,610 --> 00:26:17,940  
remember we did a Hot Pocket challenge

606  
00:26:25,610 --> 00:26:22,620  
in 200 uh 19 2020.

607  
00:26:27,649 --> 00:26:25,620  
it worked see look at it there we go

608  
00:26:30,890 --> 00:26:27,659  
thank you I do remember you made Joey

609  
00:26:32,990 --> 00:26:30,900  
the hot pocket on the air that was fun

610  
00:26:34,370 --> 00:26:33,000  
uh just for for the sake of doing can

611  
00:26:36,769 --> 00:26:34,380  
you can you run the dangerous microwave

612  
00:26:39,110 --> 00:26:36,779  
for a few seconds okay this will uh

613  
00:26:40,610 --> 00:26:39,120

pretty much irradiate everyone in the uh

614

00:26:42,710 --> 00:26:40,620

the castle but okay here we go

615

00:26:46,310 --> 00:26:42,720

[Music]

616

00:26:46,320 --> 00:26:51,769

pockets

617

00:26:57,649 --> 00:26:54,950

black molten lava at this point just

618

00:26:59,690 --> 00:26:57,659

just charcoal briquette yeah okay

619

00:27:01,190 --> 00:26:59,700

okay but we're gonna try to get to the

620

00:27:02,510 --> 00:27:01,200

New Kingdom right now people have been

621

00:27:05,090 --> 00:27:02,520

asking me everywhere it goes they go so

622

00:27:06,950 --> 00:27:05,100

they say hey yo crypto uh when we get

623

00:27:08,029 --> 00:27:06,960

into the New Kingdom and that was crypto

624

00:27:09,230 --> 00:27:08,039

did you give yourself another nickname

625

00:27:10,850 --> 00:27:09,240

that's my name back in high school

626

00:27:14,330 --> 00:27:10,860

people know me around here they say hey

627

00:27:16,310 --> 00:27:14,340

yo crypto and then ask me a question and

628

00:27:19,430 --> 00:27:16,320

uh

629

00:27:23,350 --> 00:27:19,440

yeah it's true absolutely Joe was he

630

00:27:29,269 --> 00:27:25,549

did you have any nicknames in college

631

00:27:31,130 --> 00:27:29,279

yeah crypto hey yo crypto no you did not

632

00:27:33,470 --> 00:27:31,140

no one was calling you that as far as I

633

00:27:35,990 --> 00:27:33,480

could tell

634

00:27:38,210 --> 00:27:36,000

well they do now okay

635

00:27:41,090 --> 00:27:38,220

but uh first things first I gotta talk

636

00:27:42,909 --> 00:27:41,100

about the UFO hearing that was today

637

00:27:48,350 --> 00:27:42,919

they do it every year

638

00:27:50,090 --> 00:27:48,360

and I gotta say it was a big stinkaroo

639

00:27:53,390 --> 00:27:50,100

very boring

640

00:27:55,970 --> 00:27:53,400

uh not much came out of it it was a

641

00:27:58,010 --> 00:27:55,980

bunch of him and Holland uh the the

642

00:28:01,669 --> 00:27:58,020

person who was

643

00:28:03,529 --> 00:28:01,679

uh I guess paneling uh Dr Kirkpatrick he

644

00:28:06,649 --> 00:28:03,539

basically said we could explain pretty

645

00:28:07,909 --> 00:28:06,659

much everything given enough data and

646

00:28:10,330 --> 00:28:07,919

the things that they don't have enough

647

00:28:14,870 --> 00:28:10,340

data for they don't resolve the cases

648

00:28:16,310 --> 00:28:14,880

they just uh leave them in the uh the

649

00:28:18,529 --> 00:28:16,320

open file

650

00:28:21,649 --> 00:28:18,539

he also stated that

651  
00:28:25,130 --> 00:28:21,659  
when he works with the Intel community

652  
00:28:27,590 --> 00:28:25,140  
and if there is a UAP

653  
00:28:31,130 --> 00:28:27,600  
and he sends it off to the Intel

654  
00:28:33,350 --> 00:28:31,140  
Community for verification if uh they

655  
00:28:35,210 --> 00:28:33,360  
both both groups of people that he's

656  
00:28:38,450 --> 00:28:35,220  
working with if they immediately

657  
00:28:40,490 --> 00:28:38,460  
acknowledge it and recognize it or if

658  
00:28:41,630 --> 00:28:40,500  
it's known to them they'll just close

659  
00:28:44,289 --> 00:28:41,640  
the case

660  
00:28:47,029 --> 00:28:44,299  
so there could be true unknowns there

661  
00:28:48,169 --> 00:28:47,039  
and the Intel Community is lying to them

662  
00:28:49,789 --> 00:28:48,179  
and say yeah we know what it is close

663  
00:28:53,210 --> 00:28:49,799

the case and that's what kind of happens

664

00:28:56,390 --> 00:28:53,220

uh there is uh one little segment of

665

00:28:59,830 --> 00:28:56,400

audio that I'll play from it and I think

666

00:29:02,690 --> 00:28:59,840

it's just a basically uh

667

00:29:05,029 --> 00:29:02,700

kind of diss in Russia a little bit but

668

00:29:07,610 --> 00:29:05,039

then they're also kind of saying China's

669

00:29:10,010 --> 00:29:07,620

got some stuff so let me

670

00:29:13,130 --> 00:29:10,020

bring up my

671

00:29:15,350 --> 00:29:13,140

audio Improvement button there we go

672

00:29:20,330 --> 00:29:15,360

improve the audio you can't tell but I

673

00:29:25,610 --> 00:29:22,669

yeah thank you madam chair and Dr

674

00:29:28,430 --> 00:29:25,620

Kirkpatrick the odni annual threat

675

00:29:31,549 --> 00:29:28,440

assessment states that China's space

676

00:29:34,450 --> 00:29:31,559

activities are designed to erode U.S

677

00:29:37,789 --> 00:29:34,460

influence across military technological

678

00:29:40,010 --> 00:29:37,799

economic and diplomatic spheres likewise

679

00:29:43,250 --> 00:29:40,020

Russia will remain a key space

680

00:29:45,590 --> 00:29:43,260

competitor in the course of your work

681

00:29:48,470 --> 00:29:45,600

have you become aware of any Chinese or

682

00:29:52,010 --> 00:29:48,480

Russia technical advancements to surveil

683

00:29:54,830 --> 00:29:52,020

or attack U.S interests

684

00:29:57,409 --> 00:29:54,840

so that's a great question part of what

685

00:30:00,430 --> 00:29:57,419

we have to do as we go through these

686

00:30:02,630 --> 00:30:00,440

especially the ones that show

687

00:30:05,510 --> 00:30:02,640

signatures of advanced technical

688

00:30:07,970 --> 00:30:05,520

capabilities is determine if there's a

689

00:30:11,269 --> 00:30:07,980

foreign Nexus

690

00:30:13,730 --> 00:30:11,279

that's really hard if what we observe

691

00:30:16,310 --> 00:30:13,740

doesn't have a Chinese or Russian flag

692

00:30:18,230 --> 00:30:16,320

on the side of it

693

00:30:20,210 --> 00:30:18,240

now

694

00:30:20,750 --> 00:30:20,220

I think it is

695

00:30:23,029 --> 00:30:20,760

um

696

00:30:28,430 --> 00:30:23,039

prudent to say

697

00:30:30,350 --> 00:30:28,440

of the of the cases that are showing

698

00:30:32,570 --> 00:30:30,360

it you know some sort of advanced

699

00:30:34,909 --> 00:30:32,580

technical signature of which we're

700

00:30:38,750 --> 00:30:34,919

talking single percentages of the entire

701  
00:30:40,909 --> 00:30:38,760  
population of cases we have

702  
00:30:42,889 --> 00:30:40,919  
um I am concerned

703  
00:30:46,190 --> 00:30:42,899  
about

704  
00:30:48,649 --> 00:30:46,200  
what that Nexus is and I have indicators

705  
00:30:50,750 --> 00:30:48,659  
that some are related to foreign

706  
00:30:53,930 --> 00:30:50,760  
capabilities

707  
00:30:55,190 --> 00:30:53,940  
we have to investigate that with our IC

708  
00:30:57,830 --> 00:30:55,200  
partners

709  
00:30:59,870 --> 00:30:57,840  
and as we get evidence to support that

710  
00:31:04,010 --> 00:30:59,880  
that gets then handed off to the

711  
00:31:06,529 --> 00:31:04,020  
appropriate IC agency to investigate

712  
00:31:09,169 --> 00:31:06,539  
again it becomes an SCP at that point

713  
00:31:12,049 --> 00:31:09,179

yeah somebody else's problem right very

714

00:31:15,889 --> 00:31:12,059

good thank you so he went on to say that

715

00:31:19,370 --> 00:31:15,899

when it comes to the unexplainable

716

00:31:21,830 --> 00:31:19,380

uh aerial phenomenon that they have

717

00:31:24,350 --> 00:31:21,840

captured they have sensor data they have

718

00:31:28,450 --> 00:31:24,360

video of it

719

00:31:32,750 --> 00:31:28,460

um there is some like

720

00:31:34,730 --> 00:31:32,760

capabilities that are Beyond some

721

00:31:37,850 --> 00:31:34,740

spectrum of what we currently you know

722

00:31:41,330 --> 00:31:37,860

commonly would consider we have

723

00:31:43,430 --> 00:31:41,340

um and he is attributing some of that to

724

00:31:47,389 --> 00:31:43,440

either Russia or China but he says

725

00:31:49,130 --> 00:31:47,399

probably not Russia most likely China as

726

00:31:51,950 --> 00:31:49,140

he's like he's basically kind of dissing

727

00:31:54,830 --> 00:31:51,960

Russia and saying no China is the the

728

00:31:58,010 --> 00:31:54,840

real problem here so we need to focus on

729

00:32:01,669 --> 00:31:58,020

what they may have and he went on to say

730

00:32:04,490 --> 00:32:01,679

that uh the reason why China may have uh

731

00:32:07,549 --> 00:32:04,500

different types of capabilities is

732

00:32:10,250 --> 00:32:07,559

because they're willing to test uh early

733

00:32:14,570 --> 00:32:10,260

and often without any consideration of

734

00:32:18,110 --> 00:32:14,580

safety or impact uh they they will just

735

00:32:19,909 --> 00:32:18,120

try things and to see if it works uh

736

00:32:22,549 --> 00:32:19,919

where you didn't really attribute those

737

00:32:25,190 --> 00:32:22,559

kind of characteristics to Russia uh or

738

00:32:27,710 --> 00:32:25,200

even ourselves so he was kind of framing

739

00:32:29,750 --> 00:32:27,720

it like Russia is doing some stuff and

740

00:32:32,630 --> 00:32:29,760

we would like to know exactly what they

741

00:32:33,950 --> 00:32:32,640

are doing but this guy is the head of

742

00:32:37,310 --> 00:32:33,960

the panel that is trying to coordinate

743

00:32:40,669 --> 00:32:37,320

all the UAP UFO stuff uh I doubt he's

744

00:32:43,909 --> 00:32:40,679

getting fed all the information he's if

745

00:32:46,490 --> 00:32:43,919

he's sending out a verification to the

746

00:32:48,470 --> 00:32:46,500

various intelligence Community or DOD

747

00:32:50,930 --> 00:32:48,480

for if they can acknowledge

748

00:32:52,370 --> 00:32:50,940

top secret projects he's he's probably

749

00:32:56,029 --> 00:32:52,380

not getting the full story but this guy

750

00:32:58,370 --> 00:32:56,039

has quite a uh resume and seems to be

751  
00:32:59,930 --> 00:32:58,380  
and at least but somewhat reasonable on

752  
00:33:03,529 --> 00:32:59,940  
this in this hearing but nothing really

753  
00:33:08,810 --> 00:33:06,529  
you don't say I mean they did talk some

754  
00:33:10,909 --> 00:33:08,820  
about Chinese spy balloons they did the

755  
00:33:12,649 --> 00:33:10,919  
Chinese five balloon thing came up quite

756  
00:33:16,490 --> 00:33:12,659  
a bit

757  
00:33:21,470 --> 00:33:16,500  
and I need to hear uh balloon bat yes

758  
00:33:26,690 --> 00:33:23,330  
foreign

759  
00:33:29,630 --> 00:33:26,700  
he's not sure about it but so they were

760  
00:33:32,230 --> 00:33:29,640  
just in Russia there but it just so

761  
00:33:34,370 --> 00:33:32,240  
happens like an article came out on the

762  
00:33:39,649 --> 00:33:34,380  
debrief.org about

763  
00:33:41,870 --> 00:33:39,659

Uh Russian UFO Wonder Weapons and new

764

00:33:44,570 --> 00:33:41,880

physical principles and this is a long

765

00:33:46,789 --> 00:33:44,580

article and I I perused it I looked

766

00:33:50,269 --> 00:33:46,799

through it I even glanced that a little

767

00:33:51,649 --> 00:33:50,279

bit here and uh here's what I came away

768

00:33:54,889 --> 00:33:51,659

with

769

00:33:57,230 --> 00:33:54,899

um is that the Russians

770

00:33:59,509 --> 00:33:57,240

are very interested at least certain

771

00:34:02,750 --> 00:33:59,519

segment segments within the Russian

772

00:34:06,470 --> 00:34:02,760

military at least were very interested

773

00:34:09,530 --> 00:34:06,480

in new types of physics and types of

774

00:34:13,250 --> 00:34:09,540

weapons to be researched and deployed

775

00:34:17,270 --> 00:34:13,260

like in October of 2017 Russian Major

776

00:34:19,669 --> 00:34:17,280

General uh klisloff told the state media

777

00:34:21,710 --> 00:34:19,679

outlet that the military equipment based

778

00:34:26,270 --> 00:34:21,720

on new physical principles was already

779

00:34:28,190 --> 00:34:26,280

being tested and it is in the process of

780

00:34:29,810 --> 00:34:28,200

being deployed in certain regions now

781

00:34:31,609 --> 00:34:29,820

you want to say notwithstanding these

782

00:34:33,349 --> 00:34:31,619

claims and again considering the

783

00:34:35,810 --> 00:34:33,359

Russian's military performance in

784

00:34:37,730 --> 00:34:35,820

Ukraine this renewed talk of weapons

785

00:34:39,589 --> 00:34:37,740

based upon new physical principles

786

00:34:42,290 --> 00:34:39,599

appears to be a little more than

787

00:34:44,210 --> 00:34:42,300

propaganda especially fantasies designed

788

00:34:46,730 --> 00:34:44,220

to make the Russian public feel more

789

00:34:49,609 --> 00:34:46,740

secure about its place in the world in

790

00:34:52,669 --> 00:34:49,619

military hierarchy and what they're

791

00:34:55,490 --> 00:34:52,679

saying here if the Russians do have

792

00:34:58,130 --> 00:34:55,500

these Wonder Weapons why haven't they

793

00:35:00,530 --> 00:34:58,140

been deployed in the Ukraine in uh the

794

00:35:02,750 --> 00:35:00,540

battle with Ukraine if they have this

795

00:35:05,030 --> 00:35:02,760

capability why not use it we haven't

796

00:35:06,890 --> 00:35:05,040

seen it yet or if they've used it it

797

00:35:08,750 --> 00:35:06,900

hasn't been noticed by us or we haven't

798

00:35:12,470 --> 00:35:08,760

been told about it what are you chicken

799

00:35:17,630 --> 00:35:15,829

um it goes on it goes on to say however

800

00:35:19,670 --> 00:35:17,640

perhaps the most intriguing part isn't

801  
00:35:21,609 --> 00:35:19,680  
whether or not Russia has developed or

802  
00:35:24,589 --> 00:35:21,619  
is trying to develop

803  
00:35:27,410 --> 00:35:24,599  
bio-robotic super soldiers instead it is

804  
00:35:29,089 --> 00:35:27,420  
where the uh where this revived concept

805  
00:35:32,750 --> 00:35:29,099  
of weapons based on new physical

806  
00:35:36,050 --> 00:35:32,760  
principle appears to stem from some uh

807  
00:35:39,770 --> 00:35:36,060  
some of bellossa's predictions Bellows

808  
00:35:41,270 --> 00:35:39,780  
was a another uh Vladimir Bellows

809  
00:35:43,790 --> 00:35:41,280  
another higher up in the Russian

810  
00:35:46,069 --> 00:35:43,800  
military some of Belushi's predictions

811  
00:35:48,950 --> 00:35:46,079  
of Future Weapons flirt with The Fringe

812  
00:35:52,010 --> 00:35:48,960  
in the SEC section on weather balloons

813  
00:35:54,230 --> 00:35:52,020

and weather weapons below mentions the

814

00:35:56,870 --> 00:35:54,240

U.S Department of Defense is former high

815

00:36:01,790 --> 00:35:56,880

frequency active oral research program

816

00:36:04,550 --> 00:36:01,800

or harp and in ionic sphere research

817

00:36:06,829 --> 00:36:04,560

program located in Alaska

818

00:36:09,470 --> 00:36:06,839

uh so this guy in Russia is referencing

819

00:36:11,329 --> 00:36:09,480

harp and he goes he goes on to say harp

820

00:36:13,190 --> 00:36:11,339

has been called the Moby Dick of

821

00:36:15,589 --> 00:36:13,200

conspiracy theories with proponents

822

00:36:18,230 --> 00:36:15,599

believing the facility's high frequency

823

00:36:20,030 --> 00:36:18,240

antenna array can be used to control and

824

00:36:22,250 --> 00:36:20,040

weaponize weather

825

00:36:25,010 --> 00:36:22,260

uh scientists have long maintained that

826

00:36:27,710 --> 00:36:25,020

conspiracy Advocates are ignorant of

827

00:36:31,849 --> 00:36:27,720

what the large ionic research instrument

828

00:36:34,130 --> 00:36:31,859

at harp is capable of and the bounds of

829

00:36:37,430 --> 00:36:34,140

natural science not to mention these

830

00:36:39,829 --> 00:36:37,440

science uh that since 2015 harp has been

831

00:36:43,250 --> 00:36:39,839

solely operated by the University of

832

00:36:44,510 --> 00:36:43,260

Alaska and Fairbanks not the dod

833

00:36:47,089 --> 00:36:44,520

but

834

00:36:48,109 --> 00:36:47,099

according to the officials

835

00:36:51,109 --> 00:36:48,119

um

836

00:36:52,790 --> 00:36:51,119

they are uh looking at that kind of

837

00:36:56,690 --> 00:36:52,800

similar kind like

838

00:36:58,970 --> 00:36:56,700

a Russian version of harp and that they

839

00:37:02,210 --> 00:36:58,980

might not be able to control the weather

840

00:37:04,849 --> 00:37:02,220

but they might be able to do and shoot

841

00:37:07,550 --> 00:37:04,859

certain things into the atmosphere to

842

00:37:10,069 --> 00:37:07,560

create uh disastrous amounts of weather

843

00:37:13,130 --> 00:37:10,079

like you could you might not be able to

844

00:37:15,650 --> 00:37:13,140

control the exact size of the storm or

845

00:37:18,650 --> 00:37:15,660

uh the the wind speed but you can say I

846

00:37:21,829 --> 00:37:18,660

can create an insane hurricane that

847

00:37:23,270 --> 00:37:21,839

could totally destroy Florida

848

00:37:24,829 --> 00:37:23,280

um I guess to a certain degree that is

849

00:37:27,470 --> 00:37:24,839

controlling the weather it's not it's

850

00:37:30,230 --> 00:37:27,480

not a very minute level level and that's

851

00:37:32,630 --> 00:37:30,240

what the Russians are saying well we all

852

00:37:35,150 --> 00:37:32,640

know that science has a impeccable

853

00:37:37,790 --> 00:37:35,160

reputation and everyone believes science

854

00:37:38,750 --> 00:37:37,800

as soon as you say science says we all

855

00:37:41,890 --> 00:37:38,760

know

856

00:37:44,329 --> 00:37:41,900

truth is uh forthcoming

857

00:37:46,069 --> 00:37:44,339

you know so they have a great reputation

858

00:37:47,569 --> 00:37:46,079

and I love how they're going to say oh

859

00:37:49,490 --> 00:37:47,579

yeah well this whole weather control

860

00:37:52,670 --> 00:37:49,500

thing even though that's what Bill Gates

861

00:37:55,130 --> 00:37:52,680

has you know he has like

862

00:37:57,589 --> 00:37:55,140

uh doesn't have like patents and stuff

863

00:37:59,930 --> 00:37:57,599

or he owns companies who have patents on

864

00:38:02,450 --> 00:37:59,940

the Geo engine the stratospheric aerosol

865

00:38:04,670 --> 00:38:02,460

eyes yeah they want to put like some

866

00:38:07,069 --> 00:38:04,680

sort of like sulfuric acid in the

867

00:38:08,930 --> 00:38:07,079

atmosphere to block out the sun yeah so

868

00:38:10,609 --> 00:38:08,940

they can't control the weather so much

869

00:38:13,250 --> 00:38:10,619

that they're patenting it and talking

870

00:38:14,990 --> 00:38:13,260

about it in public and then there's

871

00:38:16,609 --> 00:38:15,000

operation Popeye as far back as the

872

00:38:18,050 --> 00:38:16,619

Vietnam War so yeah of course we can't

873

00:38:20,329 --> 00:38:18,060

control the weather because there's a

874

00:38:23,510 --> 00:38:20,339

hundred thousand examples of evidence

875

00:38:25,609 --> 00:38:23,520

the Olympics like China did this like

876

00:38:27,650 --> 00:38:25,619

they do it all the time but of course

877

00:38:29,990 --> 00:38:27,660

they can't do it because they said so

878

00:38:32,210 --> 00:38:30,000

science said they can't do it

879

00:38:33,770 --> 00:38:32,220

so this next this last little bit that

880

00:38:37,130 --> 00:38:33,780

I'll I'll read

881

00:38:41,329 --> 00:38:37,140

um kind of speaks to the current UFO UAP

882

00:38:42,890 --> 00:38:41,339

discussion and maybe what Russia still

883

00:38:45,890 --> 00:38:42,900

thinks about it I don't know

884

00:38:47,510 --> 00:38:45,900

uh according to the intelligence to the

885

00:38:50,030 --> 00:38:47,520

intelligence official Russia's

886

00:38:52,730 --> 00:38:50,040

unwillingness to discuss UFOs especially

887

00:38:53,930 --> 00:38:52,740

the United States sudden interest likely

888

00:38:56,270 --> 00:38:53,940

has something to do with his own history

889

00:38:58,790 --> 00:38:56,280

of using the subject as an intelligence

890

00:39:01,010 --> 00:38:58,800

tool the term UFO was banned at one

891

00:39:03,589 --> 00:39:01,020

point in the Soviet Union they used it

892

00:39:05,990 --> 00:39:03,599

as a trap so probably they assume it's a

893

00:39:09,230 --> 00:39:06,000

trap now

894

00:39:11,390 --> 00:39:09,240

um which is pretty interesting

895

00:39:13,670 --> 00:39:11,400

um but they uh

896

00:39:16,730 --> 00:39:13,680

they went on to uh say according to the

897

00:39:18,530 --> 00:39:16,740

officials uh in the late 70s and 80s

898

00:39:21,650 --> 00:39:18,540

Soviet intelligence Services believe

899

00:39:25,010 --> 00:39:21,660

that persons interested in paranormal

900

00:39:27,349 --> 00:39:25,020

topics like uh psychics ghosts and UFOs

901  
00:39:30,230 --> 00:39:27,359  
were mentally weak and highly

902  
00:39:32,030 --> 00:39:30,240  
susceptible to malign influence so you

903  
00:39:36,650 --> 00:39:32,040  
kind of think that Joe such low-hanging

904  
00:39:38,569 --> 00:39:36,660  
fruit for the dummies yeah oh it is it

905  
00:39:41,030 --> 00:39:38,579  
is it can be that was what was I saying

906  
00:39:44,089 --> 00:39:41,040  
about the space about the stupid the

907  
00:39:45,770 --> 00:39:44,099  
balloons yeah it was yeah yeah well who

908  
00:39:47,270 --> 00:39:45,780  
who said that was what I was talking

909  
00:39:48,829 --> 00:39:47,280  
about yeah you were talking about the

910  
00:39:50,630 --> 00:39:48,839  
balloons yep absolutely and I was saying

911  
00:39:52,910 --> 00:39:50,640  
it's low-hanging fruit for the dummies

912  
00:39:55,310 --> 00:39:52,920  
because they were all like oh uaps you

913  
00:39:56,829 --> 00:39:55,320

have it's like dude it's a [h\_\_\h]

914

00:39:59,630 --> 00:39:56,839

balloon

915

00:40:01,430 --> 00:39:59,640

calm down

916

00:40:04,490 --> 00:40:01,440

um

917

00:40:07,069 --> 00:40:04,500

so the last little bit right here

918

00:40:10,270 --> 00:40:07,079

so former senior U.S intelligence

919

00:40:13,430 --> 00:40:10,280

Community uh Community official Dr Eric

920

00:40:16,970 --> 00:40:13,440

hasseltine points out there are plenty

921

00:40:20,569 --> 00:40:16,980

of reasons that some of the Exotic RF em

922

00:40:22,730 --> 00:40:20,579

in acoustic weapons mentioned in the

923

00:40:25,430 --> 00:40:22,740

Russian documents

924

00:40:27,530 --> 00:40:25,440

um are precisely like the type of thing

925

00:40:29,450 --> 00:40:27,540

that could account for the rash of

926

00:40:32,930 --> 00:40:29,460

anomalous health effects commonly

927

00:40:34,670 --> 00:40:32,940

referred to as Havana syndrome so the

928

00:40:36,170 --> 00:40:34,680

kind the kind of things that the

929

00:40:38,270 --> 00:40:36,180

Russians were talking about with

930

00:40:40,430 --> 00:40:38,280

microwaves directed energy weapons all

931

00:40:42,310 --> 00:40:40,440

that kind of stuff they were talking

932

00:40:45,170 --> 00:40:42,320

about for years

933

00:40:47,270 --> 00:40:45,180

and uh of course the U.S intelligence

934

00:40:49,370 --> 00:40:47,280

Community is like oh yeah the Russians

935

00:40:51,950 --> 00:40:49,380

have been talking about it it's kind of

936

00:40:55,069 --> 00:40:51,960

mirrors what the Havana syndrome is all

937

00:41:00,230 --> 00:40:55,079

about even though our CIA

938

00:41:02,650 --> 00:41:00,240

has said that there is no link to a

939

00:41:05,150 --> 00:41:02,660

state actor or a foreign actor

940

00:41:07,550 --> 00:41:05,160

responsible for the Havana syndrome so

941

00:41:09,829 --> 00:41:07,560

there's just a bunch of way we are super

942

00:41:12,410 --> 00:41:09,839

trustworthy if there's anyone I trust

943

00:41:15,109 --> 00:41:12,420

more than scientists it's the CIA yeah

944

00:41:17,630 --> 00:41:15,119

anything they say you can believe that's

945

00:41:20,390 --> 00:41:17,640

right uh there are cattle mutilations

946

00:41:22,550 --> 00:41:20,400

going on in Texas uh I'm ticked I had

947

00:41:25,250 --> 00:41:22,560

this story for Saturday and like we

948

00:41:27,650 --> 00:41:25,260

didn't cover it so oh okay well I got it

949

00:41:29,750 --> 00:41:27,660

here they're gonna run it anyway

950

00:41:31,790 --> 00:41:29,760

yeah we can do it again there might be

951  
00:41:33,530 --> 00:41:31,800  
some new information I'm not going to

952  
00:41:36,710 --> 00:41:33,540  
run the story from like four days ago oh

953  
00:41:38,210 --> 00:41:36,720  
okay well I got this uh information up

954  
00:41:40,849 --> 00:41:38,220  
here that I really want everyone to know

955  
00:41:43,670 --> 00:41:40,859  
about cattle mutilations in Texas and

956  
00:41:46,970 --> 00:41:43,680  
this is made mainstream news not even

957  
00:41:48,890 --> 00:41:46,980  
just uh uh local yokels over there in

958  
00:41:50,930 --> 00:41:48,900  
Texas talking about this we're talking

959  
00:41:52,910 --> 00:41:50,940  
about this is on Fox as well this is a

960  
00:41:55,310 --> 00:41:52,920  
fox what other news the deaths and

961  
00:41:57,650 --> 00:41:55,320  
mutilation of cattle along Texas Old San

962  
00:41:59,690 --> 00:41:57,660  
Antonio Road in Madison County are under

963  
00:42:01,849 --> 00:41:59,700

investigation according to the Madison

964

00:42:04,069 --> 00:42:01,859

County Sheriff's Office Rancher said

965

00:42:06,950 --> 00:42:04,079

that a six-year-old Longhorn cross cow

966

00:42:09,770 --> 00:42:06,960

was found dead at their Ranch mutilated

967

00:42:11,990 --> 00:42:09,780

and lying on its side a straight clean

968

00:42:13,730 --> 00:42:12,000

cut with apparent Precision was made to

969

00:42:16,730 --> 00:42:13,740

remove the hide around the cow's mouth

970

00:42:19,370 --> 00:42:16,740

on one side leaving the meat under the

971

00:42:20,990 --> 00:42:19,380

removed hide untouched the tongue was

972

00:42:23,329 --> 00:42:21,000

also completely removed from the body

973

00:42:25,849 --> 00:42:23,339

with no blood spill the Sheriff's Office

974

00:42:27,650 --> 00:42:25,859

says there were no signs of struggle and

975

00:42:30,650 --> 00:42:27,660

the grass around the cow was under

976

00:42:32,750 --> 00:42:30,660

disturbed no Footprints or tire tracks

977

00:42:35,089 --> 00:42:32,760

were noted in the area while looking

978

00:42:36,950 --> 00:42:35,099

into the longhorn cross death the

979

00:42:39,470 --> 00:42:36,960

Sheriff's Office says that five other

980

00:42:41,870 --> 00:42:39,480

similar acts involving four adult cows

981

00:42:44,870 --> 00:42:41,880

and one yearling were reported along the

982

00:42:47,450 --> 00:42:44,880

area of Texas or running into Brazos

983

00:42:50,089 --> 00:42:47,460

County in Robertson County each incident

984

00:42:52,730 --> 00:42:50,099

happened in different locations pastures

985

00:42:54,829 --> 00:42:52,740

and herds

986

00:42:57,230 --> 00:42:54,839

so there you go there's some uh crazy

987

00:42:59,390 --> 00:42:57,240

stuff now go ahead they didn't mention

988

00:43:00,410 --> 00:42:59,400

the best part but go ahead uh well I was

989

00:43:02,510 --> 00:43:00,420

gonna bring well tonight authorities

990

00:43:04,250 --> 00:43:02,520

North I was going to bring open the the

991

00:43:06,230 --> 00:43:04,260

Fox news item because it was covered on

992

00:43:08,329 --> 00:43:06,240

like Fox News oh what were you gonna say

993

00:43:10,250 --> 00:43:08,339

graduate uh there's a there's a part

994

00:43:11,990 --> 00:43:10,260

they left out of that that I'll run the

995

00:43:14,210 --> 00:43:12,000

Fox News version and then we'll uh we'll

996

00:43:16,849 --> 00:43:14,220

see if this has it okay I'll run the Fox

997

00:43:18,530 --> 00:43:16,859

News version on top of that the areas

998

00:43:21,410 --> 00:43:18,540

around the carcasses were undisturbed

999

00:43:23,329 --> 00:43:21,420

like no signs of a struggle for the cows

1000

00:43:24,710 --> 00:43:23,339

and as troubling as all this is stories

1001  
00:43:27,710 --> 00:43:24,720  
like this have been happening actually

1002  
00:43:29,450 --> 00:43:27,720  
for decades as far back as the 1970s the

1003  
00:43:32,750 --> 00:43:29,460  
New York Times was reporting that nearly

1004  
00:43:35,030 --> 00:43:32,760  
200 cows in 11 states were found

1005  
00:43:37,550 --> 00:43:35,040  
mysteriously mutilated where ranchers

1006  
00:43:39,230 --> 00:43:37,560  
reported that utters Eyes Ears sex

1007  
00:43:40,250 --> 00:43:39,240  
organs and tongues seem to have been

1008  
00:43:41,809 --> 00:43:40,260  
removed

1009  
00:43:44,569 --> 00:43:41,819  
sounds familiar

1010  
00:43:46,910 --> 00:43:44,579  
so who is behind this me seemingly 40

1011  
00:43:48,370 --> 00:43:46,920  
Years of unexplained phenomenon I don't

1012  
00:43:51,910 --> 00:43:48,380  
know teenagers

1013  
00:43:55,609 --> 00:43:51,920

on cattle ranchers

1014

00:43:58,849 --> 00:43:55,619

worshippers of some odd religion

1015

00:44:01,069 --> 00:43:58,859

aliens what could this be this is so odd

1016

00:44:02,870 --> 00:44:01,079

we have to consider any possibility

1017

00:44:04,910 --> 00:44:02,880

you've heard stories of crop circles

1018

00:44:06,170 --> 00:44:04,920

appearing on farms could they be leaving

1019

00:44:07,370 --> 00:44:06,180

a message that they're taking our

1020

00:44:09,530 --> 00:44:07,380

livestock

1021

00:44:10,910 --> 00:44:09,540

do extraterrestrials have an infatuation

1022

00:44:12,589 --> 00:44:10,920

with farmland

1023

00:44:14,870 --> 00:44:12,599

in just the last few days the Department

1024

00:44:17,690 --> 00:44:14,880

of Defense has released new footage you

1025

00:44:20,690 --> 00:44:17,700

know he goes into different areas beyond

1026

00:44:22,849 --> 00:44:20,700

the Catal mutilation here uh but uh

1027

00:44:24,470 --> 00:44:22,859

there is an interview with a guy right

1028

00:44:27,050 --> 00:44:24,480

here coming up out there

1029

00:44:28,490 --> 00:44:27,060

UFO Seekers lead investigator Tim Doyle

1030

00:44:33,109 --> 00:44:28,500

joins me now

1031

00:44:38,150 --> 00:44:35,089

well something strange and in fact it's

1032

00:44:41,089 --> 00:44:38,160

been happening in Texas for a long time

1033

00:44:43,309 --> 00:44:41,099

here's a picture of a Texas Tech student

1034

00:44:45,309 --> 00:44:43,319

who actually had his car shut off by a

1035

00:44:47,990 --> 00:44:45,319

UFO object and you're seeing the sheriff

1036

00:44:50,930 --> 00:44:48,000

participating in this but cattle

1037

00:44:53,390 --> 00:44:50,940

mutilations have been going on in depth

1038

00:44:56,329 --> 00:44:53,400

since the 70s there was a New Mexico

1039

00:44:58,490 --> 00:44:56,339

state police officer who investigated up

1040

00:45:02,930 --> 00:44:58,500

to 90 cattle mutilations in New Mexico

1041

00:45:05,690 --> 00:45:02,940

in one of those cases from 1976 Gabe

1042

00:45:08,450 --> 00:45:05,700

Valdez the police officer found evidence

1043

00:45:11,630 --> 00:45:08,460

of a triangular shaped object landing

1044

00:45:14,210 --> 00:45:11,640

near a cow then some type of tripods

1045

00:45:16,730 --> 00:45:14,220

exiting this craft and these tripods

1046

00:45:19,250 --> 00:45:16,740

were anywhere from 28 inches to four

1047

00:45:21,890 --> 00:45:19,260

inches in length now Gabe said in his

1048

00:45:25,190 --> 00:45:21,900

investigation that these tripods that

1049

00:45:29,390 --> 00:45:25,200

exited this UFO craft followed the cow

1050

00:45:32,930 --> 00:45:29,400

for 600 feet before the cow finally fell

1051

00:45:35,809 --> 00:45:32,940

dead and these tripods had little tracks

1052

00:45:38,089 --> 00:45:35,819

that left on the ground Gabe returned to

1053

00:45:40,250 --> 00:45:38,099

the same incident site for a second time

1054

00:45:44,270 --> 00:45:40,260

and found that these tracks had actually

1055

00:45:47,510 --> 00:45:44,280

gone over his tire tracks so so Tim look

1056

00:45:49,010 --> 00:45:47,520

you know I have an open mind about all

1057

00:45:50,210 --> 00:45:49,020

of these topics I'm open to the

1058

00:45:51,530 --> 00:45:50,220

possibility I'm also open to the

1059

00:45:53,270 --> 00:45:51,540

possibility to be manipulated by the

1060

00:45:55,370 --> 00:45:53,280

government to increase budgets as was

1061

00:45:56,930 --> 00:45:55,380

recently said by Elon Musk but here's

1062

00:45:58,790 --> 00:45:56,940

the thing it's usually the simplest

1063

00:45:59,750 --> 00:45:58,800

explanation acknowledging that these

1064

00:46:01,130 --> 00:45:59,760

things have been happening for quite

1065

00:46:03,170 --> 00:46:01,140

he's not going to go into anything else

1066

00:46:06,290 --> 00:46:03,180

but uh

1067

00:46:09,349 --> 00:46:06,300

yeah so uh Madison County Texas Academy

1068

00:46:11,930 --> 00:46:09,359

relations uh what else in that story

1069

00:46:13,370 --> 00:46:11,940

graduate that was not told so I have a

1070

00:46:15,230 --> 00:46:13,380

Lincoln carrot shop

1071

00:46:18,530 --> 00:46:15,240

um this is the this is the story I

1072

00:46:20,809 --> 00:46:18,540

pulled from uh last Saturday Okay um go

1073

00:46:22,970 --> 00:46:20,819

down to or search for the the phrase on

1074

00:46:26,329 --> 00:46:22,980

two of the five cows

1075

00:46:28,370 --> 00:46:26,339

two okay it's about half well I don't

1076

00:46:30,770 --> 00:46:28,380

know what happened okay yeah on on two

1077

00:46:33,890 --> 00:46:30,780

of the five cows a circular cut was made

1078

00:46:36,410 --> 00:46:33,900

removing the anus in the external

1079

00:46:38,870 --> 00:46:36,420

genitalia this circular cut was made

1080

00:46:41,329 --> 00:46:38,880

with the same precision as the cuts

1081

00:46:42,530 --> 00:46:41,339

noted around the jawline of each cow the

1082

00:46:45,530 --> 00:46:42,540

Madison County Sheriff's Department

1083

00:46:47,690 --> 00:46:45,540

stated continue adding just like the

1084

00:46:49,730 --> 00:46:47,700

first there were no signs of struggle or

1085

00:46:52,370 --> 00:46:49,740

disturbance in the grass no blood spill

1086

00:46:55,309 --> 00:46:52,380

and no noticeable tracks no Predators or

1087

00:46:58,190 --> 00:46:55,319

Birds would scavenge The Remains for

1088

00:47:00,290 --> 00:46:58,200

several weeks after the death

1089

00:47:01,190 --> 00:47:00,300

so it was tainted tainted media at that

1090

00:47:03,050 --> 00:47:01,200

point

1091

00:47:05,690 --> 00:47:03,060

yeah so very strange also the the

1092

00:47:07,490 --> 00:47:05,700

removal of genitalia and also the anus

1093

00:47:11,089 --> 00:47:07,500

that's the first time I've seen that uh

1094

00:47:13,130 --> 00:47:11,099

come up there so I have to do it

1095

00:47:14,809 --> 00:47:13,140

well you know hey what what Alex has to

1096

00:47:18,230 --> 00:47:14,819

do on his Friday night to wind down from

1097

00:47:19,849 --> 00:47:18,240

a busy week of crazy news yeah yeah I

1098

00:47:22,250 --> 00:47:19,859

didn't hear that level of detail in any

1099

00:47:23,030 --> 00:47:22,260

of the reports that we just heard there

1100

00:47:25,010 --> 00:47:23,040

so

1101  
00:47:28,609 --> 00:47:25,020  
um and yeah these Academy mutilations

1102  
00:47:32,349 --> 00:47:28,619  
aren't new uh and I went looking for any

1103  
00:47:35,870 --> 00:47:32,359  
sort of other crazy uh incidenti

1104  
00:47:38,170 --> 00:47:35,880  
incidences in uh Madison County Texas

1105  
00:47:41,450 --> 00:47:38,180  
and I found one from

1106  
00:47:44,329 --> 00:47:41,460  
1992. this is for in uh

1107  
00:47:47,150 --> 00:47:44,339  
uh Madison County Texas 1992 January a

1108  
00:47:49,010 --> 00:47:47,160  
witness was awakened by her dogs barking

1109  
00:47:51,349 --> 00:47:49,020  
ferociously outside her bedroom window

1110  
00:47:53,950 --> 00:47:51,359  
she sat up in bed looked out the window

1111  
00:47:57,410 --> 00:47:53,960  
where outside she saw a light

1112  
00:47:59,329 --> 00:47:57,420  
and then she saw

1113  
00:48:02,630 --> 00:47:59,339

uh something that completely shocked her

1114

00:48:05,210 --> 00:48:02,640

which was a strange goat man Lake

1115

00:48:07,910 --> 00:48:05,220

creature walking under a pecan tree

1116

00:48:09,710 --> 00:48:07,920

while her dogs steadily nipped at its

1117

00:48:12,050 --> 00:48:09,720

heels the creature was about seven feet

1118

00:48:14,809 --> 00:48:12,060

tall and was standing upright like a man

1119

00:48:18,349 --> 00:48:14,819

with slightly curved shoulders and with

1120

00:48:20,450 --> 00:48:18,359

horns and Hooves of a goat uh its hands

1121

00:48:23,329 --> 00:48:20,460

were slightly curled with some very

1122

00:48:25,910 --> 00:48:23,339

nasty looking gray fingernails uh his

1123

00:48:28,430 --> 00:48:25,920

skin was yellowish green color with

1124

00:48:30,829 --> 00:48:28,440

sparse hair all over the body its legs

1125

00:48:32,690 --> 00:48:30,839

and body were that of a man she caught a

1126

00:48:35,990 --> 00:48:32,700

glimpse of the side of the face which

1127

00:48:38,270 --> 00:48:36,000

was nearly the shape of a man's uh the

1128

00:48:40,309 --> 00:48:38,280

creature never turned to look at her and

1129

00:48:41,410 --> 00:48:40,319

quickly walked from the area and the

1130

00:48:43,609 --> 00:48:41,420

dogs later

1131

00:48:45,349 --> 00:48:43,619

from time to time she could hear the

1132

00:48:48,250 --> 00:48:45,359

sounds of a goat calling in the night

1133

00:48:51,770 --> 00:48:48,260

according to the witness

1134

00:48:53,210 --> 00:48:51,780

she was able to just kind of watch that

1135

00:48:55,190 --> 00:48:53,220

um the thing walk around for a bit you

1136

00:48:58,910 --> 00:48:55,200

just walk around yeah look at that guy

1137

00:49:02,630 --> 00:48:58,920

also what color was his skin uh it was a

1138

00:49:06,170 --> 00:49:02,640

green skin green green skin yeah green

1139

00:49:07,550 --> 00:49:06,180

skin and and gray skin greenish skin I

1140

00:49:11,329 --> 00:49:07,560

don't care what color they are just yeah

1141

00:49:14,890 --> 00:49:11,339

it actually said yellowish green skin

1142

00:49:18,050 --> 00:49:14,900

yellowish green skin he had green balls

1143

00:49:20,270 --> 00:49:18,060

were their balls weren't the balls white

1144

00:49:22,730 --> 00:49:20,280

I don't know we did the balls are all

1145

00:49:24,950 --> 00:49:22,740

over the place we don't know but uh

1146

00:49:26,950 --> 00:49:24,960

there you go there's some weird uh

1147

00:49:30,470 --> 00:49:26,960

Academy relations being covered by

1148

00:49:32,569 --> 00:49:30,480

mainstream news now uh big big time Fox

1149

00:49:33,650 --> 00:49:32,579

News so that's uh that's pretty

1150

00:49:36,109 --> 00:49:33,660

important

1151

00:49:38,630 --> 00:49:36,119

uh but that's it uh I doubt we'll hear

1152

00:49:40,670 --> 00:49:38,640

much more from that on mainstream news

1153

00:49:41,990 --> 00:49:40,680

like a follow-up of that story it's just

1154

00:49:45,230 --> 00:49:42,000

gonna go because there's really no

1155

00:49:47,329 --> 00:49:45,240

follow-up there's no uh massive uh

1156

00:49:48,650 --> 00:49:47,339

investigation that comes in and talks to

1157

00:49:49,849 --> 00:49:48,660

the ranchers and say we're gonna get to

1158

00:49:51,290 --> 00:49:49,859

the bottom of this and find out what

1159

00:49:53,690 --> 00:49:51,300

happened to your cat all day it's just

1160

00:49:55,309 --> 00:49:53,700

it's left a mystery and that's it well

1161

00:49:57,290 --> 00:49:55,319

there's a Facebook post from the Madison

1162

00:49:58,870 --> 00:49:57,300

County Sheriff's Office I'm guessing my

1163

00:50:01,609 --> 00:49:58,880

Curious uh

1164

00:50:03,290 --> 00:50:01,619

my curiosity is did they post any

1165

00:50:06,290 --> 00:50:03,300

follow-ups this is from the 19th so this

1166

00:50:08,690 --> 00:50:06,300

is a week ago today right it's all right

1167

00:50:10,069 --> 00:50:08,700

yeah yeah just about yeah

1168

00:50:11,809 --> 00:50:10,079

um

1169

00:50:14,870 --> 00:50:11,819

so I'm not sure if there's been any

1170

00:50:16,730 --> 00:50:14,880

follow-ups on this but it's been a week

1171

00:50:18,770 --> 00:50:16,740

well uh maybe there's something we can

1172

00:50:20,870 --> 00:50:18,780

take a look at uh for Saturday see if

1173

00:50:22,970 --> 00:50:20,880

there are any follow-ups did they find

1174

00:50:26,329 --> 00:50:22,980

did they wind up finding tracks or

1175

00:50:28,790 --> 00:50:26,339

tripod marks close by uh they didn't

1176

00:50:31,490 --> 00:50:28,800

find anything in the immediate area but

1177

00:50:35,710 --> 00:50:31,500

you never know keep us in

1178

00:50:38,930 --> 00:50:35,720

our big Thumb off at gmail.com check out
