00:00:00,840 --> 00:00:12,190
[Music]

2
00:00:16,730 --> 00:00:15,560
how do you go to the bathroom

3
00:00:18,470 --> 00:00:16,740
[Music]

4
00:00:20,110 --> 00:00:18,480
yes

5
00:00:29,450 --> 00:00:20,120
just do it

6
00:00:32,330 --> 00:00:30,900
ships Galen

7
00:00:39,950 --> 00:00:32,340
[Music]

8
00:00:39,960 --> 00:00:56,490
's David

9
00:00:56,500 --> 00:01:00,110
[Music]

10
00:01:00,120 --> 00:01:03,549
hey

11
00:01:09,360 --> 00:01:07,010
welcome back everyone to another uh

12
00:01:10,080 --> 00:01:09,370
podcast Adventure race Midnight Mike

13
00:01:11,649 --> 00:01:10,090

[Applause]

14

00:01:17,149 --> 00:01:11,659

[Music]

15

00:01:22,969 --> 00:01:19,270

none of you didn't think

16

00:01:28,000 --> 00:01:25,190

uh David montage

17

00:01:30,410 --> 00:01:28,010

Joe is not here today

18

00:01:32,330 --> 00:01:30,420

[Applause]

19

00:01:34,730 --> 00:01:32,340

it's actually recently come out that he

20

00:01:36,950 --> 00:01:34,740

was on Epstein's uh calendar so he fled

21

00:01:38,810 --> 00:01:36,960

to Mexico for a little bit

22

00:01:40,609 --> 00:01:38,820

but that's gonna be cleared up here in

23

00:01:42,830 --> 00:01:40,619

the next few days is he working is he on

24

00:01:45,770 --> 00:01:42,840

vacation what's happening I think it's a

25

00:01:47,630 --> 00:01:45,780

unknown situation a working vacation

26

00:01:48,410 --> 00:01:47,640

could be yeah

27

00:01:51,410 --> 00:01:48,420

um

28

00:01:54,469 --> 00:01:51,420

and you know Joe has various business

29

00:01:56,749 --> 00:01:54,479

dealings in in Mexico he's a he's Global

30

00:02:01,010 --> 00:01:56,759

he's a global entity he's a businessman

31

00:02:02,810 --> 00:02:01,020

of uh various skill negotiating 2023

32

00:02:04,789 --> 00:02:02,820

Mike he's a business person business

33

00:02:05,330 --> 00:02:04,799

person I'm sorry you're right he's a

34

00:02:08,210 --> 00:02:05,340

business person

35

00:02:11,930 --> 00:02:08,220

[Applause]

36

00:02:14,869 --> 00:02:11,940

but he will not be here Wednesday or

37

00:02:17,690 --> 00:02:14,879

Saturday he's got a lot of things to do

38

00:02:19,910 --> 00:02:17,700

so it's just us maybe you know I was

39

00:02:21,530 --> 00:02:19,920

going to invite Charlie on maybe he's

40

00:02:24,350 --> 00:02:21,540

the only one that really understands

41

00:02:27,670 --> 00:02:24,360

this show and but he does a show on

42

00:02:31,130 --> 00:02:27,680

Saturday he does the uh TNT

43

00:02:32,510 --> 00:02:31,140

live talk radio show uh His Radio Show

44

00:02:34,610 --> 00:02:32,520

he's too big for this yeah I know

45

00:02:36,290 --> 00:02:34,620

exactly he's too big but he does a live

46

00:02:39,229 --> 00:02:36,300

talk radio show

47

00:02:41,690 --> 00:02:39,239

um I'll post a link to it and he does it

48

00:02:44,210 --> 00:02:41,700

uh Saturdays like an hour before this

49

00:02:45,650 --> 00:02:44,220

show so he's almost a competitor but

50

00:02:46,850 --> 00:02:45,660

what if we were to what if we were to

51
00:02:48,770 --> 00:02:46,860
start the show an hour earlier and call

52
00:02:50,089 --> 00:02:48,780
in I said yes you're saying to his show

53
00:02:52,009 --> 00:02:50,099
and then we'll just take over and run

54
00:02:54,350 --> 00:02:52,019
the show over the phone line yeah well

55
00:02:56,210 --> 00:02:54,360
we could do that if it's uh I guess it

56
00:02:58,670 --> 00:02:56,220
doesn't really matter on quality would

57
00:03:00,650 --> 00:02:58,680
we do regardless you know it doesn't

58
00:03:02,809 --> 00:03:00,660
matter we'll just do it I know you

59
00:03:04,550 --> 00:03:02,819
strive for Quality so I'm sure yeah you

60
00:03:07,550 --> 00:03:04,560
would uh have issues with everything

61
00:03:10,970 --> 00:03:07,560
getting necked down to a tiny uh phone

62
00:03:13,670 --> 00:03:10,980
connection yeah your phone's bad yeah

63
00:03:15,890 --> 00:03:13,680

well we got a lot of things to get to we

64

00:03:18,890 --> 00:03:15,900

do we have a lot of uh interesting news

65

00:03:21,770 --> 00:03:18,900

uh interesting topics to get to but it

66

00:03:23,940 --> 00:03:21,780

is Wednesday why delay let's talk about

67

00:03:28,309 --> 00:03:23,950

some Alex Jones clips of the week

68

00:03:32,570 --> 00:03:30,710

now our uh

69

00:03:35,149 --> 00:03:32,580

our producer gets

70

00:03:38,869 --> 00:03:35,159

the Intrepid producer is that a good

71

00:03:41,630 --> 00:03:38,879

adjective to use no not Intrepid uh what

72

00:03:44,570 --> 00:03:41,640

about flatulent uh not flashing either

73

00:03:47,750 --> 00:03:44,580

he's he's um uh

74

00:03:49,130 --> 00:03:47,760

he would be reliable well I think we

75

00:03:51,589 --> 00:03:49,140

need he needs a better adjective and

76

00:03:53,990 --> 00:03:51,599

reliable he does a lot of good work it's

77

00:03:58,550 --> 00:03:54,000

like uh what if we just started calling

78

00:04:02,509 --> 00:03:58,560

him Old Reliable Old Reliable okay okay

79

00:04:05,149 --> 00:04:02,519

okay okay Old Reliable gets uh putting

80

00:04:06,289 --> 00:04:05,159

out some good clips for us doing a lot

81

00:04:08,930 --> 00:04:06,299

of work

82

00:04:11,869 --> 00:04:08,940

and so let's do some of the uh wait wait

83

00:04:14,050 --> 00:04:11,879

wait how about steadfast steadfast I do

84

00:04:16,670 --> 00:04:14,060

like steadfast

85

00:04:18,530 --> 00:04:16,680

uh there's a lot of things we could we

86

00:04:20,990 --> 00:04:18,540

could say about him he's a backbone like

87

00:04:22,370 --> 00:04:21,000

a ramrod yeah he's got a backbone like a

88

00:04:24,350 --> 00:04:22,380

ramrod there's no doubt isn't he

89

00:04:27,170 --> 00:04:24,360

describing like his wife you said that

90

00:04:31,450 --> 00:04:27,180

yes he was very I would imagine you're

91

00:04:36,110 --> 00:04:33,590

because he can prop him up when he

92

00:04:37,969 --> 00:04:36,120

starts to uh stumble around run that one

93

00:04:40,550 --> 00:04:37,979

with uh how about an Alex Jones put that

94

00:04:41,990 --> 00:04:40,560

on my Tombstone oh this is tough I gotta

95

00:04:43,010 --> 00:04:42,000

go all the way over there that's like

96

00:04:44,749 --> 00:04:43,020

the three different screens let's see if

97

00:04:47,150 --> 00:04:44,759

I can do this is a backbone like a

98

00:04:49,129 --> 00:04:47,160

ramrod uh put that on my Tombstone there

99

00:04:50,870 --> 00:04:49,139

we go

100

00:04:52,370 --> 00:04:50,880

this is why I practice

101
00:04:53,990 --> 00:04:52,380
this is why I sit down here and do

102
00:04:56,629 --> 00:04:54,000
nothing but practice

103
00:04:58,490 --> 00:04:56,639
um okay let's start off with Atlas Jones

104
00:05:02,710 --> 00:04:58,500
clips of the week this is a short one

105
00:05:06,650 --> 00:05:04,909
my main mission is just kill all the

106
00:05:12,469 --> 00:05:06,660
Jews you know I'm so sick of these black

107
00:05:18,469 --> 00:05:16,730
wow uh coming coming in hard coming in

108
00:05:19,850 --> 00:05:18,479
hot and hard I'm curious about his

109
00:05:22,850 --> 00:05:19,860
vampire experience what happened there

110
00:05:25,670 --> 00:05:22,860
yeah I'm curious about his uh Cryptid

111
00:05:27,050 --> 00:05:25,680
experience uh this is uh monster maze so

112
00:05:28,670 --> 00:05:27,060
anything any kind of additional

113
00:05:31,430 --> 00:05:28,680

information that you might have Alex

114

00:05:34,610 --> 00:05:31,440

about vampire encounters we we'd love to

115

00:05:37,610 --> 00:05:34,620

know an actual Goblin vampire

116

00:05:40,010 --> 00:05:37,620

in d d that would be a hybrid race

117

00:05:41,390 --> 00:05:40,020

and yeah like it's not racist well you

118

00:05:44,029 --> 00:05:41,400

have to pick are you gonna take the

119

00:05:45,770 --> 00:05:44,039

attributes of the vampire or the Goblin

120

00:05:47,210 --> 00:05:45,780

and I think if it all comes down to it

121

00:05:49,610 --> 00:05:47,220

you want the attributes and the special

122

00:05:51,710 --> 00:05:49,620

powers of the uh of the vampire I think

123

00:05:52,850 --> 00:05:51,720

they've had better Powers but I think I

124

00:05:56,390 --> 00:05:52,860

think Alex would disagree with you and

125

00:06:01,070 --> 00:05:56,400

he would say the goblin uh maybe the

126

00:06:03,350 --> 00:06:01,080

goblin okay he's a big gamer he knows

127

00:06:06,230 --> 00:06:03,360

uh God what a nightmare Alex Jones would

128

00:06:08,150 --> 00:06:06,240

be at a d d table you would never you

129

00:06:10,070 --> 00:06:08,160

wouldn't be able to to get the best

130

00:06:13,370 --> 00:06:10,080

character creation no the characters I

131

00:06:16,550 --> 00:06:13,380

mean four hours in character creation

132

00:06:18,890 --> 00:06:16,560

all right here is a Tuesday uh I think

133

00:06:20,870 --> 00:06:18,900

just yesterday here we go dumbass my dad

134

00:06:23,150 --> 00:06:20,880

finally beat the hell out of me oh my

135

00:06:24,590 --> 00:06:23,160

God it's it's massive take your phone

136

00:06:26,210 --> 00:06:24,600

off speakerphone brother that's funny

137

00:06:27,590 --> 00:06:26,220

are you gonna post this the internet as

138

00:06:29,150 --> 00:06:27,600

a joke I appreciate your call the way

139

00:06:30,650 --> 00:06:29,160

you stop the spiders is you you draw

140

00:06:31,969 --> 00:06:30,660

this razor blade across your carotid

141

00:06:33,590 --> 00:06:31,979

artery and then they go away well you're

142

00:06:35,689 --> 00:06:33,600

a boy you're playing with with a dump

143

00:06:36,950 --> 00:06:35,699

truck women eating feces he's never got

144

00:06:38,029 --> 00:06:36,960

out of your head you know the ecliptic

145

00:06:40,670 --> 00:06:38,039

starts and all sudden it's a woman

146

00:06:44,290 --> 00:06:40,680

eating crap I'm sorry to be grossier

147

00:06:47,270 --> 00:06:44,300

oh there we go he's all over the place

148

00:06:49,490 --> 00:06:47,280

you love the species stuff piles of

149

00:06:51,409 --> 00:06:49,500

feces riding on the walls with feces the

150

00:06:53,629 --> 00:06:51,419

lowest form of crap it's all real and

151
00:06:56,090 --> 00:06:53,639
it's all happening

152
00:07:00,290 --> 00:06:56,100
uh and then the last one is from today

153
00:07:08,749 --> 00:07:02,409
it

154
00:07:09,890 --> 00:07:08,759
is absolutely disgusting well Governor

155
00:07:11,150 --> 00:07:09,900
DeSantis is going to actually get

156
00:07:12,469 --> 00:07:11,160
pedophiles and I said well the Secret

157
00:07:13,969 --> 00:07:12,479
Service may have a problem with that you

158
00:07:17,710 --> 00:07:13,979
know I really hate black people in the

159
00:07:23,570 --> 00:07:21,469
he had like a real quick uh I'm gay in

160
00:07:28,129 --> 00:07:23,580
there it was almost kind of like it was

161
00:07:31,550 --> 00:07:28,139
in the background it was uh off mic

162
00:07:34,550 --> 00:07:31,560
and let's see here uh here it is I'm

163
00:07:38,390 --> 00:07:36,469

I'm assuming that's taken out of context

164

00:07:40,730 --> 00:07:38,400

I don't know for sure

165

00:07:42,830 --> 00:07:40,740

so which is just one of those things I

166

00:07:44,510 --> 00:07:42,840

mean it it continues to baffle me

167

00:07:46,430 --> 00:07:44,520

there's been so many lawsuits against

168

00:07:48,170 --> 00:07:46,440

him for various odds and ends they could

169

00:07:49,610 --> 00:07:48,180

take just anything out of context and

170

00:07:51,950 --> 00:07:49,620

probably Hammer them into the ground on

171

00:07:55,010 --> 00:07:51,960

this stuff yeah we do it for fun because

172

00:07:57,710 --> 00:07:55,020

uh he's a bombastic entertaining person

173

00:08:01,070 --> 00:07:57,720

he presents some good information he's

174

00:08:03,890 --> 00:08:01,080

got some interesting takes uh but he's

175

00:08:05,089 --> 00:08:03,900

over the top at times very theatrical as

176

00:08:07,430 --> 00:08:05,099

what we were talking about in the

177

00:08:09,550 --> 00:08:07,440

Discord earlier in regards to like

178

00:08:12,409 --> 00:08:09,560

Stephen Crowder can be very theatrical

179

00:08:14,150 --> 00:08:12,419

uh Jones is the same way over the top he

180

00:08:16,550 --> 00:08:14,160

gets attention obviously

181

00:08:19,790 --> 00:08:16,560

and that's why he is so fun to play

182

00:08:22,010 --> 00:08:19,800

clips from he's also I mean it may be

183

00:08:23,869 --> 00:08:22,020

years after the fact but he's often

184

00:08:26,689 --> 00:08:23,879

proven right about stuff yeah yeah he's

185

00:08:29,570 --> 00:08:26,699

uh he when it comes to like hardcore

186

00:08:31,430 --> 00:08:29,580

policies like New World Order policies

187

00:08:33,829 --> 00:08:31,440

and like think tanks and that kind of

188

00:08:35,990 --> 00:08:33,839

stuff he reads the documents he has the

189

00:08:38,930 --> 00:08:36,000

documents and yet some of it sounds

190

00:08:41,870 --> 00:08:38,940

Looney Tunes at the time but when it

191

00:08:44,029 --> 00:08:41,880

comes to uh uh training exercises

192

00:08:45,650 --> 00:08:44,039

thought experiments and then they write

193

00:08:48,470 --> 00:08:45,660

papers about that stuff and all Alex

194

00:08:50,810 --> 00:08:48,480

Jones does is read those training

195

00:08:55,070 --> 00:08:50,820

exercises yeah it sounds wacky but some

196

00:08:58,370 --> 00:08:55,080

of it uh turns out to be true and happen

197

00:09:00,949 --> 00:08:58,380

in real life so he's been he's been

198

00:09:02,630 --> 00:09:00,959

proven like I'm a lot of the big topics

199

00:09:04,490 --> 00:09:02,640

I would say you know he's got a pretty

200

00:09:06,350 --> 00:09:04,500

good percentage rating

201
00:09:09,650 --> 00:09:06,360
obviously there's some stuff but it's

202
00:09:11,389 --> 00:09:09,660
tougher to prove like uh

203
00:09:13,310 --> 00:09:11,399
lizard people which I don't even know if

204
00:09:16,150 --> 00:09:13,320
he believes in but he he thinks that

205
00:09:19,850 --> 00:09:16,160
there's a demonic force on this planet

206
00:09:22,910 --> 00:09:19,860
that is uh in charge it's tough to prove

207
00:09:24,710 --> 00:09:22,920
a demonic satanic force that is running

208
00:09:27,170 --> 00:09:24,720
a lot of this weird stuff that's more of

209
00:09:29,389 --> 00:09:27,180
a belief system you know agreed but I

210
00:09:32,210 --> 00:09:29,399
certainly wouldn't bet against him

211
00:09:34,250 --> 00:09:32,220
no and it would be tough too a lot of

212
00:09:37,190 --> 00:09:34,260
stuff that we see is it seems pretty

213
00:09:40,490 --> 00:09:37,200

insane and I guess you can you could

214

00:09:42,290 --> 00:09:40,500

call it demonic sure we could do that

215

00:09:45,410 --> 00:09:42,300

um but we'll move on we won't debate

216

00:09:47,389 --> 00:09:45,420

that there's a lot of things to uh to

217

00:09:50,630 --> 00:09:47,399

get to and through the Wednesday once

218

00:09:53,930 --> 00:09:50,640

that's all that's all I got for uh

219

00:09:55,430 --> 00:09:53,940

for Alex Jones clips of the week yeah

220

00:09:57,769 --> 00:09:55,440

it's a it's a bit oh he must have been

221

00:09:58,910 --> 00:09:57,779

out on Monday I see yeah Owen hosted

222

00:10:00,230 --> 00:09:58,920

Friday and Monday so we're missing two

223

00:10:03,540 --> 00:10:00,240

days

224

00:10:08,630 --> 00:10:03,550

but uh you know it is uh it is May

225

00:10:13,970 --> 00:10:11,030

it is Monster May

226

00:10:17,509 --> 00:10:13,980

I didn't know if I was gonna do this

227

00:10:18,829 --> 00:10:17,519

segment this year I'm unprepared for

228

00:10:22,670 --> 00:10:18,839

this Mike

229

00:10:24,590 --> 00:10:22,680

well aren't we all uh

230

00:10:28,070 --> 00:10:24,600

uh I wasn't sure because I've been doing

231

00:10:32,150 --> 00:10:28,080

Monster may I believe since 2018 2019

232

00:10:34,070 --> 00:10:32,160

every May uh usually uh definitely 18 I

233

00:10:36,050 --> 00:10:34,080

remember that okay

234

00:10:39,230 --> 00:10:36,060

and typically I talk I talk about uh

235

00:10:41,210 --> 00:10:39,240

Cryptids I talk about uh all the weird

236

00:10:42,470 --> 00:10:41,220

little creatures out there

237

00:10:45,790 --> 00:10:42,480

um maybe not every episode but

238

00:10:47,990 --> 00:10:45,800

definitely on a weekly basis and uh

239

00:10:50,690 --> 00:10:48,000

cryptozoology unless you listen to

240

00:10:52,550 --> 00:10:50,700

like podcasts and just talk about that

241

00:10:54,290 --> 00:10:52,560

some stuff gets lost and there's a lot

242

00:10:56,030 --> 00:10:54,300

of stories I'm not sure if we're

243

00:10:57,949 --> 00:10:56,040

breaking any new ground here with

244

00:11:00,710 --> 00:10:57,959

anything that we're covering but these

245

00:11:03,050 --> 00:11:00,720

are fun topics and I'd love to consider

246

00:11:06,230 --> 00:11:03,060

the possibilities of these crypto

247

00:11:09,290 --> 00:11:06,240

Zoological creatures in this segment I

248

00:11:12,170 --> 00:11:09,300

will be playing some uh some clips from

249

00:11:14,210 --> 00:11:12,180

a little show hosted by William Shatner

250

00:11:18,769 --> 00:11:14,220

William Shatner hosts a show called The

251
00:11:21,350 --> 00:11:18,779
Unexplained now that is uh u in X forget

252
00:11:23,690 --> 00:11:21,360
about that e that e gets in the way it's

253
00:11:26,389 --> 00:11:23,700
unexplained

254
00:11:28,730 --> 00:11:26,399
and in this show he goes over various

255
00:11:31,670 --> 00:11:28,740
weird topics it's not unlike what his

256
00:11:34,910 --> 00:11:31,680
old buddy Leonard Nimoy did back in the

257
00:11:36,470 --> 00:11:34,920
uh the 70s within in search of but this

258
00:11:37,389 --> 00:11:36,480
is Shatner so you know it's gonna be

259
00:11:42,050 --> 00:11:37,399
better

260
00:11:46,970 --> 00:11:42,060
uh and uh in this first clip he kind of

261
00:11:49,430 --> 00:11:46,980
gives an overview about everything that

262
00:11:51,110 --> 00:11:49,440
may be possible with the Bigfoot

263
00:11:54,769 --> 00:11:51,120

phenomenon in this episode that's what

264

00:11:56,990 --> 00:11:54,779

he's he is dedicating it to Bigfoot he

265

00:11:58,190 --> 00:11:57,000

does some narration throughout the

266

00:12:00,590 --> 00:11:58,200

episode but mostly it's like

267

00:12:02,150 --> 00:12:00,600

reenactments they have uh other people

268

00:12:03,889 --> 00:12:02,160

going out talking to people on the

269

00:12:06,470 --> 00:12:03,899

ground about Bigfoot but this is what

270

00:12:10,690 --> 00:12:06,480

Shatner is saying

271

00:12:18,050 --> 00:12:13,750

it hides in the shadows

272

00:12:21,410 --> 00:12:18,060

a giant hairy creature that walks on two

273

00:12:21,940 --> 00:12:21,420

feet right then watches us with glowing

274

00:12:23,870 --> 00:12:21,950

eyes

275

00:12:26,810 --> 00:12:23,880

[Music]

276

00:12:29,690 --> 00:12:26,820

does Bigfoot really exist what is that

277

00:12:31,610 --> 00:12:29,700

part A Part man

278

00:12:34,250 --> 00:12:31,620

it's crazy as it seems

279

00:12:36,889 --> 00:12:34,260

there are many who believe that not only

280

00:12:38,449 --> 00:12:36,899

is such a creature real

281

00:12:40,190 --> 00:12:38,459

but they've seen it

282

00:12:44,870 --> 00:12:40,200

tracked it

283

00:12:48,230 --> 00:12:44,880

even photographed it but then if Bigfoot

284

00:12:49,970 --> 00:12:48,240

does exist what is it

285

00:12:53,810 --> 00:12:49,980

where does it come from

286

00:12:59,629 --> 00:12:53,820

how many are there and perhaps more

287

00:13:04,009 --> 00:13:01,910

would we be afraid of it

288

00:13:06,710 --> 00:13:04,019

well

289

00:13:09,110 --> 00:13:06,720

that is what we'll try and find out

290

00:13:11,090 --> 00:13:09,120

and that's exactly what he does

291

00:13:15,110 --> 00:13:11,100

throughout the episode now what I like

292

00:13:18,230 --> 00:13:15,120

about this is that they give a a history

293

00:13:20,629 --> 00:13:18,240

they talk to people that have had uh

294

00:13:24,650 --> 00:13:20,639

Bigfoot experiences out there and then

295

00:13:27,590 --> 00:13:24,660

they they also take the the approach uh

296

00:13:30,230 --> 00:13:27,600

of talking about the division in the big

297

00:13:32,329 --> 00:13:30,240

Fear Community where there are people in

298

00:13:35,629 --> 00:13:32,339

the in the big Bigfoot Community who are

299

00:13:38,449 --> 00:13:35,639

absolutely hell-bent on convincing

300

00:13:40,790 --> 00:13:38,459

everyone else that Bigfoot is real and

301

00:13:43,129 --> 00:13:40,800

it's a North American primate there's

302

00:13:44,930 --> 00:13:43,139

nothing special or unique about uh

303

00:13:48,410 --> 00:13:44,940

Bigfoot and then there's the other side

304

00:13:50,449 --> 00:13:48,420

I believe that Bigfoot may be a

305

00:13:53,569 --> 00:13:50,459

supernatural creature maybe there might

306

00:13:56,810 --> 00:13:53,579

be something that is not entirely uh

307

00:13:58,850 --> 00:13:56,820

tangible about this creature but

308

00:14:01,610 --> 00:13:58,860

um we'll get to that those segments here

309

00:14:03,230 --> 00:14:01,620

but first he's going to talk about well

310

00:14:06,110 --> 00:14:03,240

you hire somebody else to talk about the

311

00:14:08,449 --> 00:14:06,120

history of Bigfoot here it is

312

00:14:10,550 --> 00:14:08,459

before 1958 people didn't use the word

313

00:14:12,769 --> 00:14:10,560

Bigfoot

314

00:14:15,829 --> 00:14:12,779

but it was in 1958 Northern California

315

00:14:17,870 --> 00:14:15,839

guys building a road

316

00:14:19,610 --> 00:14:17,880

found footprints around their gear when

317

00:14:21,650 --> 00:14:19,620

they would come back in the morning and

318

00:14:24,829 --> 00:14:21,660

a guy named Jerry crew made plaster

319

00:14:27,650 --> 00:14:24,839

Footprints of these tracks and showed

320

00:14:30,650 --> 00:14:27,660

them to a reporter in Eureka and they

321

00:14:32,750 --> 00:14:30,660

dubbed it Bigfoot that was where the

322

00:14:35,329 --> 00:14:32,760

name first originated and got into

323

00:14:37,790 --> 00:14:35,339

American vocabulary

324

00:14:40,430 --> 00:14:37,800

photos of Jerry crew's cast of giant

325

00:14:41,350 --> 00:14:40,440

Footprints made headlines across the

326

00:14:44,629 --> 00:14:41,360

country

327

00:14:47,269 --> 00:14:44,639

many Americans came to believe that a

328

00:14:51,590 --> 00:14:47,279

tall bipedal ape-like creature roamed

329

00:14:58,430 --> 00:14:53,990

I grew up in Washington state where it's

330

00:15:02,710 --> 00:14:59,990

foot is the mascot of different

331

00:15:08,449 --> 00:15:06,350

Bigfoot is all over billboards

332

00:15:11,590 --> 00:15:08,459

as a young boy in Washington state I

333

00:15:14,750 --> 00:15:11,600

fully believed in Bigfoot's existence

334

00:15:17,569 --> 00:15:14,760

well thank you yes a lot of people do

335

00:15:20,389 --> 00:15:17,579

now in this next uh little segment here

336

00:15:22,550 --> 00:15:20,399

uh they have uh they go out and they're

337

00:15:24,470 --> 00:15:22,560

talking to this uh these people and they

338

00:15:27,110 --> 00:15:24,480

seem perfectly reasonable they're having

339

00:15:30,470 --> 00:15:27,120

this extraordinary encounter with a

340

00:15:33,410 --> 00:15:30,480

Bigfoot and it doesn't stop there they

341

00:15:36,889 --> 00:15:33,420

see something else that makes it all

342

00:15:44,090 --> 00:15:40,930

the Sierra Nevada mountains spring 2019.

343

00:15:46,490 --> 00:15:44,100

researcher Robert Carter is leading a

344

00:15:49,670 --> 00:15:46,500

Bigfoot expedition in a remote part of

345

00:15:54,290 --> 00:15:51,230

I was about to ask it a little bit

346

00:15:57,350 --> 00:15:54,300

darker and all of a sudden we hear these

347

00:15:59,870 --> 00:15:57,360

horrendous footsteps

348

00:16:04,069 --> 00:15:59,880

as we looked in front of us

349

00:16:06,829 --> 00:16:04,079

what we saw had two legs

350

00:16:08,150 --> 00:16:06,839

and it looked like the conical shaped

351
00:16:10,129 --> 00:16:08,160
head

352
00:16:11,810 --> 00:16:10,139
broad shoulders

353
00:16:14,030 --> 00:16:11,820
and it's sitting right there I'm looking

354
00:16:15,710 --> 00:16:14,040
at it

355
00:16:17,449 --> 00:16:15,720
Robert and his companions were

356
00:16:19,670 --> 00:16:17,459
astonished by the two-legged creature

357
00:16:22,550 --> 00:16:19,680
moving near them but what happened next

358
00:16:25,730 --> 00:16:22,560
was even more extraordinary

359
00:16:27,230 --> 00:16:25,740
soon as that happened it was like if

360
00:16:29,210 --> 00:16:27,240
somebody had parked their car down there

361
00:16:31,370 --> 00:16:29,220
and turned on headlights what is that

362
00:16:33,470 --> 00:16:31,380
lit up the whole area

363
00:16:35,509 --> 00:16:33,480

and I remember looking at that

364

00:16:40,910 --> 00:16:35,519

and the lights stayed on

365

00:16:42,170 --> 00:16:40,920

one two three off and then it just went

366

00:16:44,689 --> 00:16:42,180

silent

367

00:16:47,090 --> 00:16:44,699

they said they continue to see lights in

368

00:16:49,970 --> 00:16:47,100

the woods after their Bigfoot encounter

369

00:16:53,449 --> 00:16:49,980

and that's not uncommon

370

00:16:55,910 --> 00:16:53,459

um when you're out especially deep in

371

00:16:58,310 --> 00:16:55,920

the forest it's a common thing I think

372

00:16:59,329 --> 00:16:58,320

if you're encountering the Paranormal in

373

00:17:03,530 --> 00:16:59,339

the woods

374

00:17:05,809 --> 00:17:03,540

that can't be really pinpointed yeah a

375

00:17:07,730 --> 00:17:05,819

lot of debunkers will say oh it's a it's

376

00:17:10,669 --> 00:17:07,740

a it's an aircraft it's a helicopter

377

00:17:12,530 --> 00:17:10,679

it's a car but the more that people try

378

00:17:14,569 --> 00:17:12,540

to track down the lights is almost like

379

00:17:17,090 --> 00:17:14,579

they're endlessly walking to something

380

00:17:18,890 --> 00:17:17,100

that keeps moving further and further

381

00:17:21,770 --> 00:17:18,900

away from them until it just disappears

382

00:17:24,409 --> 00:17:21,780

and in this instance the uh the close

383

00:17:28,189 --> 00:17:24,419

proximity of the Bigfoot sighting and uh

384

00:17:30,010 --> 00:17:28,199

the lights or UFOs is not uncommon uh

385

00:17:34,370 --> 00:17:30,020

typically when you have

386

00:17:37,610 --> 00:17:34,380

UFO sightings soon after or before there

387

00:17:40,930 --> 00:17:37,620

are Bigfoot sightings the uh the book

388

00:17:43,850 --> 00:17:40,940

written by Stan Gordon a silent Invasion

389

00:17:45,950 --> 00:17:43,860

catalogs this uh these experiences uh

390

00:17:48,950 --> 00:17:45,960

specifically in Pennsylvania throughout

391

00:17:51,830 --> 00:17:48,960

the 60s and 70s but there's a plenty

392

00:17:53,390 --> 00:17:51,840

plenty of events like that uh just a

393

00:17:55,930 --> 00:17:53,400

brief one before I move on move on to

394

00:18:01,190 --> 00:17:55,940

the last button uh

395

00:18:04,130 --> 00:18:01,200

1967 in Baja California

396

00:18:05,930 --> 00:18:04,140

uh this is uh and I don't know if it's

397

00:18:08,990 --> 00:18:05,940

up to verify but hey this is a story

398

00:18:11,150 --> 00:18:09,000

okay Military Intelligence units were

399

00:18:14,690 --> 00:18:11,160

called to a remote Desert location where

400

00:18:16,130 --> 00:18:14,700

UFO had crashed several big trucks were

401
00:18:17,690 --> 00:18:16,140
went to the scene including some

402
00:18:21,470 --> 00:18:17,700
equipped with what appeared to be

403
00:18:24,289 --> 00:18:21,480
special devices when the unit arrived at

404
00:18:26,570 --> 00:18:24,299
the UFO crash site a pungent odor

405
00:18:29,510 --> 00:18:26,580
permeated of the air the object itself

406
00:18:31,970 --> 00:18:29,520
was oblong in shape was broken in two

407
00:18:34,789 --> 00:18:31,980
but apparently landed before exploding

408
00:18:37,250 --> 00:18:34,799
lying in several places where bodies of

409
00:18:39,049 --> 00:18:37,260
the occupants they were described as

410
00:18:41,570 --> 00:18:39,059
being hideous

411
00:18:44,330 --> 00:18:41,580
uh they were huge about nine feet tall

412
00:18:46,549 --> 00:18:44,340
covered with fine hair and with a

413
00:18:48,830 --> 00:18:46,559

perfect lightness likeness of what has

414

00:18:51,590 --> 00:18:48,840

been described as Bigfoot their faces

415

00:18:55,490 --> 00:18:51,600

were hairless [h__h] in appearance

416

00:18:58,970 --> 00:18:55,500

with flat wide noses the mouse which uh

417

00:19:01,490 --> 00:18:58,980

appeared to have been in agony showed a

418

00:19:04,010 --> 00:19:01,500

row of teeth with with uh would look

419

00:19:06,470 --> 00:19:04,020

like stubby fangs one of the creatures

420

00:19:08,630 --> 00:19:06,480

was apparently found alive when the men

421

00:19:10,430 --> 00:19:08,640

attempted to give it water the creature

422

00:19:14,630 --> 00:19:10,440

then reached up and grabbed the man's

423

00:19:17,510 --> 00:19:14,640

hand and shoulder and then gasped and

424

00:19:18,770 --> 00:19:17,520

died so CL I guess a classic movie Death

425

00:19:21,110 --> 00:19:18,780

right there

426

00:19:25,490 --> 00:19:21,120

uh each of the creatures wore a copper

427

00:19:28,669 --> 00:19:25,500

colored belt with a huge uh buckled uh

428

00:19:32,390 --> 00:19:28,679

rifled uh rifle a rifle rifled with small

429

00:19:35,330 --> 00:19:32,400

buttons it was uh it is said that the

430

00:19:37,730 --> 00:19:35,340

belts glowed when activated but the

431

00:19:39,529 --> 00:19:37,740

source uh was not disclosed or found out

432

00:19:42,529 --> 00:19:39,539

on the creature's feet were boots

433

00:19:44,630 --> 00:19:42,539

resembling sandals but with very thick

434

00:19:47,270 --> 00:19:44,640

soles

435

00:19:49,010 --> 00:19:47,280

um it's a it's rumored that the remains

436

00:19:49,909 --> 00:19:49,020

were taken to the Yuma Air Base in

437

00:19:52,250 --> 00:19:49,919

Arizona

438

00:19:54,830 --> 00:19:52,260

but unknown so that's 1960 there was a

439

00:19:56,750 --> 00:19:54,840

lot of detail about a belt yeah a lot of

440

00:19:59,630 --> 00:19:56,760

uh interesting detail about belts in

441

00:20:02,930 --> 00:19:59,640

shoes which I like I like it when com

442

00:20:04,850 --> 00:20:02,940

people comment about the accessories of

443

00:20:06,890 --> 00:20:04,860

these creatures uh what do they got they

444

00:20:09,049 --> 00:20:06,900

got the like Coach bags are they are

445

00:20:10,909 --> 00:20:09,059

they a Coach bag people or maybe they

446

00:20:12,590 --> 00:20:10,919

just like hyper color Everyone likes

447

00:20:15,110 --> 00:20:12,600

hyper color but no these guys have gold

448

00:20:17,930 --> 00:20:15,120

uh Gold Belts and sandals typical

449

00:20:21,529 --> 00:20:17,940

California hippies

450

00:20:24,110 --> 00:20:21,539

no but again no details about their uh

451
00:20:25,909 --> 00:20:24,120
their genitals no okay they look down at

452
00:20:26,930 --> 00:20:25,919
the belt didn't go any lower they were

453
00:20:28,970 --> 00:20:26,940
yeah they were close they were like

454
00:20:30,710 --> 00:20:28,980
another another couple in nope just

455
00:20:33,590 --> 00:20:30,720
gonna talk about this bill the belt's

456
00:20:36,230 --> 00:20:33,600
pretty interesting by itself but so this

457
00:20:38,750 --> 00:20:36,240
last clip from Shatner's unexplained

458
00:20:42,650 --> 00:20:38,760
this is where

459
00:20:45,529 --> 00:20:42,660
uh it's like uh Bigfoot goes beyond the

460
00:20:47,990 --> 00:20:45,539
the physical like a primate and then in

461
00:20:51,350 --> 00:20:48,000
Alaska we had a Bigfoot in UFOs this is

462
00:20:52,909 --> 00:20:51,360
kind of Bigfoot paranormal kind of stuff

463
00:20:56,210 --> 00:20:52,919

here so here's it's a little bit longer

464

00:20:58,610 --> 00:20:56,220

Bud pretty interesting here we go

465

00:21:02,510 --> 00:20:58,620

night Joe and Janice were sitting around

466

00:21:05,150 --> 00:21:02,520

a fire pit when Joe noticed something

467

00:21:09,110 --> 00:21:05,160

strange

468

00:21:12,710 --> 00:21:09,120

as we're talking I see between these

469

00:21:15,770 --> 00:21:12,720

bound structures two very bright very

470

00:21:18,289 --> 00:21:15,780

Vivid lime green lights

471

00:21:20,930 --> 00:21:18,299

and they're floating across this open

472

00:21:22,970 --> 00:21:20,940

area between these structures

473

00:21:25,010 --> 00:21:22,980

I thought wow Tennessee's got some

474

00:21:27,650 --> 00:21:25,020

pretty extremely large lightning bugs

475

00:21:29,690 --> 00:21:27,660

out here but the green lights started to

476
00:21:32,230 --> 00:21:29,700
come closer to him and Joe realized that

477
00:21:35,270 --> 00:21:32,240
what he thought were fireflies

478
00:21:37,730 --> 00:21:35,280
were actually glowing eyes

479
00:21:40,690 --> 00:21:37,740
I can see no structure

480
00:21:43,610 --> 00:21:40,700
of a very large

481
00:21:46,490 --> 00:21:43,620
long-haired Shaggy what looked like a

482
00:21:48,649 --> 00:21:46,500
very muscular ape and I looked over at

483
00:21:51,529 --> 00:21:48,659
Janice and she's just looking at me with

484
00:21:53,149 --> 00:21:51,539
this grin what is that she says he wants

485
00:21:55,130 --> 00:21:53,159
to know if you're gonna go back to

486
00:21:57,830 --> 00:21:55,140
Colorado and tell people you saw

487
00:21:59,690 --> 00:21:57,840
fireflies how Janice would even know

488
00:22:02,930 --> 00:21:59,700

that that thought even entered my head

489

00:22:04,730 --> 00:22:02,940

brief as that thought was I really have

490

00:22:06,890 --> 00:22:04,740

no idea

491

00:22:08,690 --> 00:22:06,900

Joe is astonished to see that Jenna seem

492

00:22:10,430 --> 00:22:08,700

to be able to mentally communicate with

493

00:22:12,049 --> 00:22:10,440

the creature which was somehow reading

494

00:22:14,870 --> 00:22:12,059

his mind too

495

00:22:16,970 --> 00:22:14,880

Janice said he wants you to come back to

496

00:22:19,250 --> 00:22:16,980

the ditch line he wants to see you he

497

00:22:21,890 --> 00:22:19,260

wants you to see him and I thought oh

498

00:22:24,289 --> 00:22:21,900

this is insane let's but she gives me

499

00:22:27,049 --> 00:22:24,299

this big flashlight so I started walking

500

00:22:30,710 --> 00:22:27,059

over there and back out behind the house

501
00:22:33,049 --> 00:22:30,720
and I pointed the light forward and here

502
00:22:35,810 --> 00:22:33,059
in this open area stood this guy that

503
00:22:37,909 --> 00:22:35,820
had to be about eight or nine feet tall

504
00:22:39,190 --> 00:22:37,919
I've never heard or seen anything like

505
00:22:40,430 --> 00:22:39,200
it in my entire life

506
00:22:42,470 --> 00:22:40,440
[Music]

507
00:22:44,270 --> 00:22:42,480
you think that after standing toe-to-toe

508
00:22:47,210 --> 00:22:44,280
with Bigfoot Joe would remember

509
00:22:50,630 --> 00:22:47,220
everything about such an encounter

510
00:22:52,850 --> 00:22:50,640
but as it turns out Joe's memory is a

511
00:22:54,770 --> 00:22:52,860
little fuzzy

512
00:22:57,409 --> 00:22:54,780
I don't know what happened at the tail

513
00:22:59,750 --> 00:22:57,419

end of that I just remember standing

514

00:23:01,430 --> 00:22:59,760

back at the camp talking to Janice I

515

00:23:04,010 --> 00:23:01,440

don't remember walking away I don't

516

00:23:06,830 --> 00:23:04,020

remember how did that end

517

00:23:07,909 --> 00:23:06,840

which is to me even now all these years

518

00:23:10,190 --> 00:23:07,919

later

519

00:23:12,529 --> 00:23:10,200

is really bizarre

520

00:23:15,649 --> 00:23:12,539

to many observers Joe's description of

521

00:23:17,570 --> 00:23:15,659

Bigfoot sounds less like a primate and

522

00:23:18,789 --> 00:23:17,580

more like something paranormal

523

00:23:21,669 --> 00:23:18,799

[Music]

524

00:23:24,470 --> 00:23:21,679

you also noticed when he got back home

525

00:23:27,590 --> 00:23:24,480

that uh after he got out of the shower

526

00:23:29,750 --> 00:23:27,600

he found like this hole in the back of

527

00:23:32,210 --> 00:23:29,760

his skull and he said he could pretty

528

00:23:34,970 --> 00:23:32,220

much fit his pinky in there I don't know

529

00:23:36,890 --> 00:23:34,980

why you'd want to do that but uh that's

530

00:23:38,090 --> 00:23:36,900

not good don't do that yeah it's

531

00:23:39,049 --> 00:23:38,100

typically you don't want to stick whole

532

00:23:40,730 --> 00:23:39,059

like

533

00:23:43,490 --> 00:23:40,740

fingers and holes in your head but hey

534

00:23:44,810 --> 00:23:43,500

dude it's her own and uh he found that

535

00:23:47,330 --> 00:23:44,820

to be kind of curious because because

536

00:23:48,710 --> 00:23:47,340

there was no pain associated with it he

537

00:23:51,529 --> 00:23:48,720

didn't even know it was there until he

538

00:23:54,230 --> 00:23:51,539

was basically like washing his hair

539

00:23:56,029 --> 00:23:54,240

um so missing time missing memory with

540

00:23:58,990 --> 00:23:56,039

this Bigfoot encounter which I don't

541

00:24:01,970 --> 00:23:59,000

know is common with Bigfoot encounters

542

00:24:05,930 --> 00:24:01,980

uh so that's why it kind of goes into

543

00:24:07,549 --> 00:24:05,940

the UFO paranormal area of it all

544

00:24:10,310 --> 00:24:07,559

well we've definitely had stories of

545

00:24:11,870 --> 00:24:10,320

Bigfoots being associated with UFO UFO

546

00:24:14,330 --> 00:24:11,880

sightings things like that at the same

547

00:24:15,770 --> 00:24:14,340

time or same location yeah but but never

548

00:24:18,289 --> 00:24:15,780

the missing time that I'm aware of

549

00:24:20,270 --> 00:24:18,299

they're at UFO missing time yeah but not

550

00:24:22,730 --> 00:24:20,280

Bigfoot missing time so that's a bit of

551
00:24:26,990 --> 00:24:22,740
a curiosity uh also people have

552
00:24:29,930 --> 00:24:27,000
experienced uh headaches queasiness uh a

553
00:24:32,690 --> 00:24:29,940
general feeling of being sick sometimes

554
00:24:34,970 --> 00:24:32,700
in the close proximity of Bigfoot

555
00:24:38,029 --> 00:24:34,980
weather I doubt that has anything to do

556
00:24:39,470 --> 00:24:38,039
with the pungent stench but it could

557
00:24:42,590 --> 00:24:39,480
um but we know we know it's definitely

558
00:24:44,870 --> 00:24:42,600
not uh Havana syndrome no definitely not

559
00:24:47,570 --> 00:24:44,880
Havana syndrome not as far as We Know

560
00:24:49,190 --> 00:24:47,580
uh unconfirmed uh probably still

561
00:24:50,870 --> 00:24:49,200
wouldn't rule it out

562
00:24:53,990 --> 00:24:50,880
so there you go there are some clips

563
00:24:55,630 --> 00:24:54,000

from William Shatner's

564

00:24:58,070 --> 00:24:55,640

uh TV series

565

00:24:59,990 --> 00:24:58,080

unexplained and uh I will continue

566

00:25:02,149 --> 00:25:00,000

watching it it's just kind of fun to

567

00:25:05,330 --> 00:25:02,159

pick through like not every episodes of

568

00:25:07,970 --> 00:25:05,340

banger but when he talks about UFOs and

569

00:25:09,529 --> 00:25:07,980

Cryptids it's uh so it's a winner for me

570

00:25:11,690 --> 00:25:09,539

I like those

571

00:25:14,570 --> 00:25:11,700

does he um he doesn't I mean he does

572

00:25:16,430 --> 00:25:14,580

voice over like a bookend uh intro outro

573

00:25:19,850 --> 00:25:16,440

sort of thing he doesn't he's not out on

574

00:25:21,529 --> 00:25:19,860

on on uh location hosting these things

575

00:25:23,750 --> 00:25:21,539

oh he doesn't leave his house no yeah I

576

00:25:25,610 --> 00:25:23,760

think he I think he just says is he in

577

00:25:27,409 --> 00:25:25,620

studio or is he just voice over and look

578

00:25:29,390 --> 00:25:27,419

no he's in the studio they have they

579

00:25:31,070 --> 00:25:29,400

have him in studios somewhere but he's

580

00:25:32,930 --> 00:25:31,080

not leaving that chair there's no doubt

581

00:25:34,190 --> 00:25:32,940

about that he's shattering her he's not

582

00:25:35,990 --> 00:25:34,200

it's hard for that chair that's that's

583

00:25:39,010 --> 00:25:36,000

the Kirkshire yeah exactly he's not

584

00:25:41,770 --> 00:25:39,020

gonna leave that thing he earned it

585

00:25:46,669 --> 00:25:41,780

monster May

586

00:25:49,730 --> 00:25:46,679

[Music]

587

00:25:52,190 --> 00:25:49,740

all right there is so much going on in

588

00:25:55,190 --> 00:25:52,200

the world so many different headlines we

589

00:25:57,769 --> 00:25:55,200

are going to see if we can uh just plow

590

00:26:01,690 --> 00:25:57,779

through what is going on in this world

591

00:26:03,890 --> 00:26:01,700

and maybe we can come up with some idea

592

00:26:05,210 --> 00:26:03,900

about what's happening and where it's

593

00:26:10,669 --> 00:26:05,220

all going so here we go let's get it

594

00:26:14,390 --> 00:26:12,350

top news over here credit

595

00:26:16,190 --> 00:26:14,400

and is it is it all happening or just

596

00:26:18,950 --> 00:26:16,200

partially happening

597

00:26:21,470 --> 00:26:18,960

um it's it's all happening it's all here

598

00:26:23,570 --> 00:26:21,480

it's all going down it's all happening

599

00:26:25,909 --> 00:26:23,580

it's all going down too it's all going

600

00:26:28,430 --> 00:26:25,919

down exactly so I'll just start with

601
00:26:31,130 --> 00:26:28,440
this one I wanted to bring this up and

602
00:26:34,130 --> 00:26:31,140
uh I like rock and roll people know this

603
00:26:36,190 --> 00:26:34,140
about me I'm a rock and roller and I

604
00:26:40,490 --> 00:26:36,200
like to talk about rock and roll

605
00:26:44,029 --> 00:26:40,500
and uh this is kind of uh relevant to

606
00:26:46,070 --> 00:26:44,039
the overall conversation of what's going

607
00:26:49,250 --> 00:26:46,080
on in the world today so I'll bring this

608
00:26:52,090 --> 00:26:49,260
up on screen I'll play the audio

609
00:26:55,430 --> 00:26:52,100
over here please

610
00:26:57,950 --> 00:26:55,440
uh here we go here is uh

611
00:27:00,230 --> 00:26:57,960
oh you know what it's not up on screen

612
00:27:01,970 --> 00:27:00,240
you mean there's nothing there and

613
00:27:03,049 --> 00:27:01,980

there's nothing there there's nothing

614

00:27:06,230 --> 00:27:03,059

there

615

00:27:11,210 --> 00:27:08,390

okay here we go

616

00:27:13,549 --> 00:27:11,220

kiss singer and guitarist Paul Stanley

617

00:27:15,590 --> 00:27:13,559

is making headlines after releasing a

618

00:27:18,289 --> 00:27:15,600

statement onto his Twitter account

619

00:27:20,570 --> 00:27:18,299

yesterday surrounding his thoughts and

620

00:27:23,690 --> 00:27:20,580

opinions on gender reassignment for

621

00:27:26,390 --> 00:27:23,700

children Paul Stanley shared my thoughts

622

00:27:28,549 --> 00:27:26,400

on what I'm seeing there is a big

623

00:27:31,190 --> 00:27:28,559

difference between teaching acceptance

624

00:27:33,950 --> 00:27:31,200

and normalizing and even encouraging

625

00:27:37,010 --> 00:27:33,960

participation in a lifestyle that

626
00:27:39,830 --> 00:27:37,020
confuses young children into questioning

627
00:27:43,010 --> 00:27:39,840
their sexual identification as though

628
00:27:45,710 --> 00:27:43,020
some sort of game and then parents in

629
00:27:48,669 --> 00:27:45,720
some cases allow it there are

630
00:27:51,830 --> 00:27:48,679
individuals who as adults may decide

631
00:27:54,710 --> 00:27:51,840
reassignment is their needed choice but

632
00:27:57,409 --> 00:27:54,720
turning this into a game or parents

633
00:28:00,710 --> 00:27:57,419
normalizing it as some sort of natural

634
00:28:03,590 --> 00:28:00,720
alternative or believing that because a

635
00:28:06,289 --> 00:28:03,600
little boy likes to play dress-up in his

636
00:28:08,390 --> 00:28:06,299
sister's clothes or a girl in her

637
00:28:11,390 --> 00:28:08,400
brothers we should lead them steps

638
00:28:13,970 --> 00:28:11,400

further down a path that's far from the

639

00:28:16,430 --> 00:28:13,980

innocence of what they are doing with

640

00:28:20,090 --> 00:28:16,440

many children who have no real sense of

641

00:28:22,789 --> 00:28:20,100

sexuality or sexual experiences caught

642

00:28:26,149 --> 00:28:22,799

up in the fun of using pronouns and

643

00:28:29,149 --> 00:28:26,159

saying what they identify as some adults

644

00:28:32,149 --> 00:28:29,159

mistakenly confuse teaching acceptance

645

00:28:34,789 --> 00:28:32,159

with normalizing and encouraging a

646

00:28:37,490 --> 00:28:34,799

situation that has been a struggle for

647

00:28:41,330 --> 00:28:37,500

those truly affected and have turned it

648

00:28:43,310 --> 00:28:41,340

into a sad and dangerous fad Stanley's

649

00:28:46,310 --> 00:28:43,320

post received several reactions

650

00:28:48,769 --> 00:28:46,320

including some from fellow musicians D

651
00:28:51,110 --> 00:28:48,779
Snyder re-shared Stanley's post and

652
00:28:54,409 --> 00:28:51,120
wrote you know what there was a time

653
00:28:57,710 --> 00:28:54,419
where I felt pretty too glad my parents

654
00:29:00,649 --> 00:28:57,720
didn't jump to any conclusions well said

655
00:29:03,230 --> 00:29:00,659
Paul Stanley The Offspring guitarist

656
00:29:06,230 --> 00:29:03,240
noodles gave a different reaction than D

657
00:29:08,450 --> 00:29:06,240
Snyder where he shared this is a very

658
00:29:11,690 --> 00:29:08,460
disappointing take especially from

659
00:29:14,810 --> 00:29:11,700
someone who wore high heels makeup and

660
00:29:17,690 --> 00:29:14,820
teased up hair his whole career as a

661
00:29:20,930 --> 00:29:17,700
young kid your band helped teach me that

662
00:29:23,389 --> 00:29:20,940
I could be whatever I wanted to be I

663
00:29:26,330 --> 00:29:23,399

guess it was just gimmickery after all

664

00:29:28,610 --> 00:29:26,340

Paul Stanley's statement comes at a time

665

00:29:33,409 --> 00:29:28,620

where this is a hot topic of discussion

666

00:29:37,669 --> 00:29:36,169

just quick question on this um why does

667

00:29:39,289 --> 00:29:37,679

the voiceover for this sound like it's

668

00:29:42,110 --> 00:29:39,299

somebody who's just learning how to

669

00:29:45,049 --> 00:29:42,120

operate somebody's mouth I I this is

670

00:29:47,750 --> 00:29:45,059

this comes from Rock feed on YouTube one

671

00:29:50,389 --> 00:29:47,760

of the Premier Rock news channels uh the

672

00:29:53,269 --> 00:29:50,399

guys got a lot of followers I I I'm not

673

00:29:55,490 --> 00:29:53,279

gonna talk [h__h] about it how dare you uh

674

00:29:57,769 --> 00:29:55,500

be smirch his name his I don't know his

675

00:30:00,889 --> 00:29:57,779

name his just his voiceover isn't very

676

00:30:03,470 --> 00:30:00,899

good and he is learning to operate his

677

00:30:06,289 --> 00:30:03,480

tongue he's got the William Shatner

678

00:30:07,789 --> 00:30:06,299

Cadence I get or he's true I don't know

679

00:30:09,769 --> 00:30:07,799

if he's trying to do that or it's just

680

00:30:11,210 --> 00:30:09,779

weird also why would they put if if it's

681

00:30:12,889 --> 00:30:11,220

News why would they put a music bed

682

00:30:16,130 --> 00:30:12,899

below it it just makes it difficult uh

683

00:30:18,649 --> 00:30:16,140

yeah well it's rock feed so he's got to

684

00:30:20,930 --> 00:30:18,659

Rock It Up you know and uh he'll let you

685

00:30:22,610 --> 00:30:20,940

know this came from a rock Channel yeah

686

00:30:24,830 --> 00:30:22,620

I think that essentially that's what

687

00:30:26,750 --> 00:30:24,840

he's doing there so put some like light

688

00:30:28,070 --> 00:30:26,760

jazz below it maybe some herb Alpert

689

00:30:29,930 --> 00:30:28,080

wouldn't have the same effect no it

690

00:30:31,730 --> 00:30:29,940

would not uh this is Paul Stanley of

691

00:30:35,810 --> 00:30:31,740

Kiss coming out throwing himself in the

692

00:30:37,930 --> 00:30:35,820

middle middle of the uh Tran I guess the

693

00:30:40,850 --> 00:30:37,940

inclusivity transgender

694

00:30:42,470 --> 00:30:40,860

focusing specifically on the kids yes he

695

00:30:44,210 --> 00:30:42,480

doesn't like when this the kids are

696

00:30:46,970 --> 00:30:44,220

functioning getting pushed into this by

697

00:30:49,909 --> 00:30:46,980

their parents yeah

698

00:30:51,590 --> 00:30:49,919

and at the end there like and so he's

699

00:30:53,870 --> 00:30:51,600

got some support from the old rockers

700

00:30:56,990 --> 00:30:53,880

like d Snyder of Twist's sister although

701
00:30:58,549 --> 00:30:57,000
noodles if if you noodles from The

702
00:31:00,590 --> 00:30:58,559
Offspring I'll bring his statement back

703
00:31:02,810 --> 00:31:00,600
up there

704
00:31:04,130 --> 00:31:02,820
um he said noodles the guitar player

705
00:31:05,750 --> 00:31:04,140
from The Offspring said very

706
00:31:08,210 --> 00:31:05,760
disappointing take especially from

707
00:31:10,370 --> 00:31:08,220
someone who wore high heels makeup

708
00:31:13,310 --> 00:31:10,380
because that's the same thing and teased

709
00:31:15,649 --> 00:31:13,320
up his hair his whole career so yeah

710
00:31:16,549 --> 00:31:15,659
that's and he did that as an adult you

711
00:31:19,850 --> 00:31:16,559
know

712
00:31:22,190 --> 00:31:19,860
um he didn't do it as a as a a pre-teen

713
00:31:24,590 --> 00:31:22,200

I guess and he went on to say as a young

714

00:31:27,470 --> 00:31:24,600

kid your band helped me teach teach me

715

00:31:29,750 --> 00:31:27,480

that I could be whatever I wanted to be

716

00:31:31,850 --> 00:31:29,760

so he was into kind of freedom and

717

00:31:32,870 --> 00:31:31,860

expressing yourself how you you see fit

718

00:31:36,049 --> 00:31:32,880

and that's fine

719

00:31:40,350 --> 00:31:36,059

I guess it just all gimmick gimmetry uh

720

00:31:43,370 --> 00:31:40,360

gimmickery uh after all so don't worry

721

00:31:45,350 --> 00:31:43,380

[Music]

722

00:31:47,930 --> 00:31:45,360

okay Gene Simmons say uh grab his dick

723

00:31:49,970 --> 00:31:47,940

and twist it not that I know I mean I

724

00:31:52,549 --> 00:31:49,980

don't know how Gene would feel about

725

00:31:55,370 --> 00:31:52,559

this this is uh this can't be good for

726
00:31:58,090 --> 00:31:55,380
business and we know Gene Loves good

727
00:32:00,169 --> 00:31:58,100
business as soon as Paul these guys run

728
00:32:02,510 --> 00:32:00,179
uh they love their business so much

729
00:32:05,210 --> 00:32:02,520
they've had like seven different final

730
00:32:06,710 --> 00:32:05,220
world tours like the tours to end all

731
00:32:08,269 --> 00:32:06,720
tours they said this is it this is the

732
00:32:09,529 --> 00:32:08,279
final one they loved it so much and

733
00:32:12,649 --> 00:32:09,539
they're making so much money they've had

734
00:32:15,110 --> 00:32:12,659
seven final tours on kiss there will

735
00:32:17,450 --> 00:32:15,120
always be a final tour

736
00:32:20,029 --> 00:32:17,460
followed by a reunion tour

737
00:32:22,130 --> 00:32:20,039
um so he's wading into this debate and

738
00:32:24,649 --> 00:32:22,140

noodles Offspring they they got into

739

00:32:26,690 --> 00:32:24,659

some news a few years ago because they

740

00:32:31,389 --> 00:32:26,700

kicked out their drummer

741

00:32:34,789 --> 00:32:31,399

for not taking the covid-19 vaccine

742

00:32:37,310 --> 00:32:34,799

uh and we I believe we commented on it

743

00:32:39,769 --> 00:32:37,320

at the time and a lot of other people

744

00:32:43,130 --> 00:32:39,779

did saying that's not uh really

745

00:32:46,070 --> 00:32:43,140

respecting other people's choices and I

746

00:32:50,450 --> 00:32:46,080

get it everyone was scared as heck at

747

00:32:52,610 --> 00:32:50,460

the time I would say well not everyone

748

00:32:54,950 --> 00:32:52,620

um I would say 40 of the population

749

00:32:56,810 --> 00:32:54,960

where it was scared as heck

750

00:33:00,049 --> 00:32:56,820

uh the rest were kind of waiting to see

751

00:33:03,649 --> 00:33:00,059

what happens but uh given the most

752

00:33:08,090 --> 00:33:03,659

recent news uh and I'll transition over

753

00:33:10,850 --> 00:33:08,100

to uh this story here

754

00:33:12,950 --> 00:33:10,860

we go transitioning now well this is

755

00:33:16,190 --> 00:33:12,960

related because this is Offspring news I

756

00:33:19,549 --> 00:33:16,200

mentioned covid-19 in the vaccine

757

00:33:24,710 --> 00:33:19,559

so this uh headline here uh proof the

758

00:33:27,350 --> 00:33:24,720

FDA knew on September 17th 2021 that

759

00:33:30,350 --> 00:33:27,360

people who got the covid vaccine were

760

00:33:33,230 --> 00:33:30,360

two times more likely to be infected

761

00:33:36,110 --> 00:33:33,240

it's not good news so it turns out that

762

00:33:39,500 --> 00:33:36,120

if you want to not get sick the

763

00:33:42,350 --> 00:33:39,510

offspring's drummer made the right move

764

00:33:43,909 --> 00:33:42,360

[Applause]

765

00:33:49,909 --> 00:33:43,919

what was the date on that one they said

766

00:33:55,190 --> 00:33:52,669

um and uh so uh why didn't they warn us

767

00:33:57,169 --> 00:33:55,200

at the time instead they remained silent

768

00:33:58,730 --> 00:33:57,179

the madness should have been the

769

00:34:01,009 --> 00:33:58,740

opposite or the Mandate should have been

770

00:34:03,529 --> 00:34:01,019

the opposite Hospital should have fired

771

00:34:05,750 --> 00:34:03,539

anyone who got vaccinated

772

00:34:10,010 --> 00:34:05,760

um and it's there's documents here from

773

00:34:11,690 --> 00:34:10,020

uh the uh the FDA right here so I guess

774

00:34:13,970 --> 00:34:11,700

I would say in general there's been a

775

00:34:16,430 --> 00:34:13,980

lot of backtracking on this a ton

776

00:34:20,329 --> 00:34:16,440

because I remember at the time uh when

777

00:34:22,909 --> 00:34:20,339

they used emergency use authorization to

778

00:34:24,589 --> 00:34:22,919

get this through is that this was to

779

00:34:27,530 --> 00:34:24,599

prevent the spread

780

00:34:31,730 --> 00:34:27,540

and the way you prevent uh spreading of

781

00:34:34,730 --> 00:34:31,740

of sickness is to not get sick and if uh

782

00:34:37,609 --> 00:34:34,740

you're two times more likely to get sick

783

00:34:39,589 --> 00:34:37,619

that means you're probably two times

784

00:34:43,609 --> 00:34:39,599

more likely to spread it

785

00:34:45,770 --> 00:34:43,619

I'm not a math wizard there uh

786

00:34:47,930 --> 00:34:45,780

statistician but it's that seems like

787

00:34:49,250 --> 00:34:47,940

it's along those lines that might sound

788

00:34:51,710 --> 00:34:49,260

true

789

00:34:54,230 --> 00:34:51,720

uh so yeah that that's coming out

790

00:34:56,389 --> 00:34:54,240

there's a lot of weird stuff that is

791

00:34:59,089 --> 00:34:56,399

going on with this and it would

792

00:35:01,609 --> 00:34:59,099

complain a lot like anybody who got the

793

00:35:04,070 --> 00:35:01,619

vaccine how quickly did you get sick

794

00:35:05,810 --> 00:35:04,080

after you got the vaccine

795

00:35:07,790 --> 00:35:05,820

um I would say a good number of people

796

00:35:09,530 --> 00:35:07,800

but it would have been worse if they

797

00:35:11,210 --> 00:35:09,540

hadn't got the vaccine Mike that's

798

00:35:13,790 --> 00:35:11,220

that's what they say if that's

799

00:35:16,370 --> 00:35:13,800

impossible to prove and I it's

800

00:35:17,750 --> 00:35:16,380

impossible to prove I'm on my 27th

801
00:35:19,910 --> 00:35:17,760
booster and even though I keep getting

802
00:35:21,950 --> 00:35:19,920
sick it could have been worse

803
00:35:23,390 --> 00:35:21,960
well I mean this comes out from the FDA

804
00:35:25,430 --> 00:35:23,400
there's various links to the Cleveland

805
00:35:29,089 --> 00:35:25,440
Clinic in here

806
00:35:32,410 --> 00:35:29,099
um there is a it's well documented and

807
00:35:36,290 --> 00:35:32,420
now now fauci's coming out now saying

808
00:35:39,950 --> 00:35:36,300
we shouldn't play the blame game on this

809
00:35:42,170 --> 00:35:39,960
we can't play the blame game you guys we

810
00:35:44,210 --> 00:35:42,180
were we didn't know a lot we can't play

811
00:35:45,770 --> 00:35:44,220
the blame game it's called the fouchy

812
00:35:48,770 --> 00:35:45,780
effect yeah

813
00:35:51,829 --> 00:35:48,780

we didn't know we just didn't know but

814

00:35:54,829 --> 00:35:51,839

they did know back in 2021 but that may

815

00:35:57,290 --> 00:35:54,839

have I would imagine that would have

816

00:35:59,990 --> 00:35:57,300

caused the sale and use of the vaccine

817

00:36:01,910 --> 00:36:00,000

to absolutely plummet if you said to him

818

00:36:04,069 --> 00:36:01,920

by the way when you take this this is

819

00:36:05,390 --> 00:36:04,079

going to increase your chances of

820

00:36:08,089 --> 00:36:05,400

getting covered

821

00:36:10,069 --> 00:36:08,099

but maybe that was the point all along

822

00:36:13,130 --> 00:36:10,079

what do you think about that I think the

823

00:36:15,470 --> 00:36:13,140

point along was to make a bunch of money

824

00:36:17,630 --> 00:36:15,480

well yeah they they certainly did that I

825

00:36:19,670 --> 00:36:17,640

got anybody

826

00:36:22,810 --> 00:36:19,680

nicer have some money but I need way

827

00:36:25,970 --> 00:36:22,820

more money oh okay I want the money

828

00:36:26,990 --> 00:36:25,980

there you go that was that you just

829

00:36:28,490 --> 00:36:27,000

summarized a whole bunch of those

830

00:36:30,710 --> 00:36:28,500

meetings with this yeah pretty much yeah

831

00:36:32,930 --> 00:36:30,720

you know that let's keep this quiet put

832

00:36:35,390 --> 00:36:32,940

fauci on the street with the D.C mayor

833

00:36:37,010 --> 00:36:35,400

guilt people into taking this stuff yeah

834

00:36:39,290 --> 00:36:37,020

they're gonna get sick but our bottom

835

00:36:41,870 --> 00:36:39,300

line bottom line is gonna be terrific

836

00:36:45,349 --> 00:36:41,880

it's gonna be great okay that fourth

837

00:36:47,510 --> 00:36:45,359

house in Colorado doesn't by itself

838

00:36:51,220 --> 00:36:47,520

so I'll move on with some more headlines

839

00:36:55,790 --> 00:36:53,470

[Music]

840

00:36:59,690 --> 00:36:55,800

[Applause]

841

00:37:02,810 --> 00:36:59,700

so in uh international news

842

00:37:05,630 --> 00:37:02,820

uh uh there's some Shenanigans going on

843

00:37:08,870 --> 00:37:05,640

and people really don't know what to

844

00:37:12,050 --> 00:37:08,880

make of this just yet but I'll I'll play

845

00:37:16,670 --> 00:37:12,060

this this is from I believe NBC this is

846

00:37:18,030 --> 00:37:16,680

this is mainstream news wnbc no I think

847

00:37:21,970 --> 00:37:18,040

this is just regular

848

00:37:31,609 --> 00:37:25,430

uh this is MSNBC so you know they're

849

00:37:35,810 --> 00:37:34,130

let me uh bring up my uh I still can't

850

00:37:37,910 --> 00:37:35,820

not not hear it that way when someone

851
00:37:39,890 --> 00:37:37,920
says NBC if you've watched private parts

852
00:37:42,890 --> 00:37:39,900
you've got to say it that way everyone

853
00:37:44,030 --> 00:37:42,900
loves Pig vomit uh this is from MSNBC

854
00:37:46,130 --> 00:37:44,040
here we go

855
00:37:48,530 --> 00:37:46,140
with some breaking news Russian

856
00:37:50,089 --> 00:37:48,540
authorities are accusing Ukraine of

857
00:37:52,190 --> 00:37:50,099
attempting to attack the Kremlin

858
00:37:54,650 --> 00:37:52,200
overnight with a pair of drones Russian

859
00:37:56,630 --> 00:37:54,660
officials labeled the alleged attempt as

860
00:37:58,849 --> 00:37:56,640
a quote terrorist act saying the Russian

861
00:38:01,190 --> 00:37:58,859
military and security forces disabled

862
00:38:03,230 --> 00:38:01,200
the drones before they could strike the

863
00:38:05,630 --> 00:38:03,240

Kremlin added President Vladimir Putin

864

00:38:07,970 --> 00:38:05,640

is safe and continuing to work with his

865

00:38:10,030 --> 00:38:07,980

schedule unchanged we should note there

866

00:38:12,770 --> 00:38:10,040

is no verified evidence the attack

867

00:38:14,690 --> 00:38:12,780

provided to us or anyone else by Russian

868

00:38:17,329 --> 00:38:14,700

officials according to Reuters a senior

869

00:38:22,430 --> 00:38:17,339

Ukrainian presidential official says

870

00:38:27,650 --> 00:38:24,890

each we should note there is no verified

871

00:38:29,270 --> 00:38:27,660

evidence the attack provided to us or

872

00:38:32,030 --> 00:38:29,280

anyone else by Russian officials

873

00:38:33,050 --> 00:38:32,040

according to Reuters a senior they just

874

00:38:34,550 --> 00:38:33,060

said right there he just dropped it in

875

00:38:36,530 --> 00:38:34,560

there's no evidence there's no evidence

876

00:38:38,210 --> 00:38:36,540

of this happening but I noticed it's a

877

00:38:40,730 --> 00:38:38,220

10 minute video of them going on and on

878

00:38:42,650 --> 00:38:40,740

and on and on and on about this yes it's

879

00:38:45,829 --> 00:38:42,660

a 10 minute video of new evidence the

880

00:38:50,410 --> 00:38:45,839

only evidence is that there is some cell

881

00:38:54,170 --> 00:38:50,420

camera footage some cell video of smoke

882

00:38:55,370 --> 00:38:54,180

over what is the Russian version of The

883

00:38:57,410 --> 00:38:55,380

White House now the Russians are

884

00:38:58,970 --> 00:38:57,420

claiming they shot down drones that were

885

00:39:01,670 --> 00:38:58,980

approaching they're claiming it was an

886

00:39:03,230 --> 00:39:01,680

assassination attempt our media and

887

00:39:05,569 --> 00:39:03,240

maybe even our government's saying well

888

00:39:07,430 --> 00:39:05,579

we see no evidence of this you guys are

889

00:39:08,390 --> 00:39:07,440

claiming this you see no evidence of

890

00:39:11,210 --> 00:39:08,400

this but

891

00:39:13,010 --> 00:39:11,220

come on uh at this point yeah it very

892

00:39:15,829 --> 00:39:13,020

well may be true but there's other

893

00:39:18,589 --> 00:39:15,839

headlines that are flat out suggesting

894

00:39:21,410 --> 00:39:18,599

that this is a false flag

895

00:39:23,990 --> 00:39:21,420

uh that the uh this comes from the

896

00:39:26,990 --> 00:39:24,000

National Review did Ukraine attempt a

897

00:39:31,069 --> 00:39:27,000

drone attack on the Kremlin or was it a

898

00:39:34,609 --> 00:39:31,079

Russian false flag or

899

00:39:37,910 --> 00:39:34,619

was it NATO Western allies whatever us

900

00:39:39,890 --> 00:39:37,920

doing it to prolong this war yeah or to

901
00:39:43,370 --> 00:39:39,900
really ramp it up because we have some

902
00:39:46,010 --> 00:39:43,380
psychos in power or lick it up lick it

903
00:39:47,510 --> 00:39:46,020
up shoot it up ramp it up whatever you

904
00:39:49,790 --> 00:39:47,520
want to do

905
00:39:51,230 --> 00:39:49,800
uh does this does this report this long

906
00:39:52,250 --> 00:39:51,240
video does it have the actual footage in

907
00:39:55,910 --> 00:39:52,260
it because I've seen footage floating

908
00:39:57,710 --> 00:39:55,920
around I I know this was uh I got this

909
00:40:00,050 --> 00:39:57,720
uh clip earlier today I don't I don't

910
00:40:01,970 --> 00:40:00,060
have the footage of it it hasn't it's

911
00:40:03,650 --> 00:40:01,980
going into the carrot shop but it does

912
00:40:05,390 --> 00:40:03,660
have Joe Scarborough talking and do you

913
00:40:07,310 --> 00:40:05,400

want to hear uh Joe Scarborough weigh in

914

00:40:08,990 --> 00:40:07,320

on this yes and a reminder Joe

915

00:40:10,670 --> 00:40:09,000

Scarborough is the one who allegedly

916

00:40:11,990 --> 00:40:10,680

killed his pregnant intern by bashing

917

00:40:13,310 --> 00:40:12,000

her head against the side of a desk yeah

918

00:40:16,010 --> 00:40:13,320

I was listening to Joe

919

00:40:18,109 --> 00:40:16,020

location services can be disabled but

920

00:40:20,270 --> 00:40:18,119

you would need to be fairly skilled at

921

00:40:21,829 --> 00:40:20,280

doing that but you couldn't fly a small

922

00:40:24,410 --> 00:40:21,839

drone like that all the way from from

923

00:40:27,589 --> 00:40:24,420

Kiev or anywhere in Ukraine

924

00:40:28,450 --> 00:40:27,599

yeah and Richard Joe here

925

00:40:31,069 --> 00:40:28,460

um

926

00:40:32,690 --> 00:40:31,079

this does I mean none of this adds up

927

00:40:35,089 --> 00:40:32,700

especially if you look at it from the

928

00:40:38,089 --> 00:40:35,099

Ukrainian side can you talk about how

929

00:40:42,349 --> 00:40:38,099

the ukrainians have known from the start

930

00:40:44,270 --> 00:40:42,359

uh that so much of of their success

931

00:40:45,829 --> 00:40:44,280

depends on support from the West support

932

00:40:48,829 --> 00:40:45,839

from Europe support from the United

933

00:40:50,810 --> 00:40:48,839

States uh and and those allies have made

934

00:40:54,290 --> 00:40:50,820

it very clear that they will fight to

935

00:40:55,630 --> 00:40:54,300

defend Ukraine uh but but they draw the

936

00:40:58,370 --> 00:40:55,640

line at

937

00:41:01,069 --> 00:40:58,380

Ukraine escalating this into something

938

00:41:03,170 --> 00:41:01,079

that could lead to a third world war uh

939

00:41:04,910 --> 00:41:03,180

can you explain how again as the

940

00:41:07,250 --> 00:41:04,920

Ukrainian said today would be

941

00:41:10,430 --> 00:41:07,260

counterproductive but also how it would

942

00:41:14,030 --> 00:41:10,440

just be foolish because they would risk

943

00:41:16,849 --> 00:41:14,040

cutting off the the supplies of of War

944

00:41:19,010 --> 00:41:16,859

material that are helping them exist

945

00:41:21,230 --> 00:41:19,020

right now

946

00:41:23,510 --> 00:41:21,240

oh there you go there it is the

947

00:41:25,010 --> 00:41:23,520

doing the normal talking points uh who

948

00:41:26,750 --> 00:41:25,020

knows it's it sounded like he was

949

00:41:29,390 --> 00:41:26,760

getting stuff in his ear and he was they

950

00:41:32,810 --> 00:41:29,400

were trying to get him to come around to

951
00:41:35,270 --> 00:41:32,820
um to his conclusion there yeah I mean

952
00:41:38,210 --> 00:41:35,280
regardless it looks like the whether

953
00:41:40,310 --> 00:41:38,220
Russia did it to themselves or it was

954
00:41:42,290 --> 00:41:40,320
Ukraine or NATO back the result is going

955
00:41:44,630 --> 00:41:42,300
to be the same uh there's probably going

956
00:41:47,390 --> 00:41:44,640
to be a ramp up I guess the goal would

957
00:41:49,730 --> 00:41:47,400
be I guess if this was the ukrainians or

958
00:41:52,430 --> 00:41:49,740
NATO attacking that they want to force

959
00:41:54,109 --> 00:41:52,440
Russia to not have as many troops on the

960
00:41:55,970 --> 00:41:54,119
front lines and deploy back because

961
00:41:56,990 --> 00:41:55,980
their security is breached or whatever

962
00:42:03,290 --> 00:41:57,000
and

963
00:42:05,750 --> 00:42:03,300

that would be justification for larger

964

00:42:08,150 --> 00:42:05,760

strikes or maybe even increased use of

965

00:42:10,910 --> 00:42:08,160

of more advanced weapons deadlier

966

00:42:12,050 --> 00:42:10,920

weapons here's my guess they they this

967

00:42:14,630 --> 00:42:12,060

was

968

00:42:15,950 --> 00:42:14,640

Western nonsense or you know Ukraine I

969

00:42:17,930 --> 00:42:15,960

don't think it's used ukrainians Western

970

00:42:20,450 --> 00:42:17,940

nonsense to do this to to continue

971

00:42:23,690 --> 00:42:20,460

poking the bear of Russia

972

00:42:25,069 --> 00:42:23,700

to get them to send more troops or to go

973

00:42:26,990 --> 00:42:25,079

on more offenses because if you look at

974

00:42:29,810 --> 00:42:27,000

what Russia has done in the last over a

975

00:42:31,670 --> 00:42:29,820

year they really haven't taken any

976

00:42:33,290 --> 00:42:31,680

additional territory

977

00:42:35,390 --> 00:42:33,300

um they're just sitting there so they

978

00:42:37,550 --> 00:42:35,400

have no intention of quote unquote

979

00:42:39,829 --> 00:42:37,560

um uh invading and absorbing Ukraine

980

00:42:41,569 --> 00:42:39,839

that's not their their intention but we

981

00:42:43,550 --> 00:42:41,579

need to keep poking that bear so we can

982

00:42:46,670 --> 00:42:43,560

keep things going so we can keep sending

983

00:42:48,230 --> 00:42:46,680

money or uh arms and weapons and

984

00:42:51,170 --> 00:42:48,240

equipment over that direction so we can

985

00:42:53,569 --> 00:42:51,180

keep that 10 for the big guy going but

986

00:42:56,089 --> 00:42:53,579

in the grand scheme if we're also

987

00:42:58,609 --> 00:42:56,099

supposed to fight China

988

00:43:01,370 --> 00:42:58,619

why would you want to continue this

989

00:43:02,630 --> 00:43:01,380

conflict over there unless you've

990

00:43:05,210 --> 00:43:02,640

already decided that you're going to

991

00:43:06,770 --> 00:43:05,220

give up Taiwan to China and you're not

992

00:43:08,510 --> 00:43:06,780

really going to fight over there yeah

993

00:43:11,150 --> 00:43:08,520

that one's a little different because

994

00:43:12,470 --> 00:43:11,160

Taiwan they in recent memory have

995

00:43:15,230 --> 00:43:12,480

already fought

996

00:43:15,770 --> 00:43:15,240

um China during the uh you know the uh

997

00:43:16,910 --> 00:43:15,780

um

998

00:43:19,609 --> 00:43:16,920

the hell was the name of the revolution

999

00:43:21,710 --> 00:43:19,619

in the 40s anyway China they've got

1000

00:43:23,150 --> 00:43:21,720

nukes so that one will go nuclear real

1001

00:43:24,890 --> 00:43:23,160

quick if they start

1002

00:43:27,349 --> 00:43:24,900

um start poking at that one

1003

00:43:29,030 --> 00:43:27,359

and to your point they're gonna have to

1004

00:43:31,910 --> 00:43:29,040

let that one go because you can't then

1005

00:43:34,309 --> 00:43:31,920

make China the bad guy because we rely

1006

00:43:36,430 --> 00:43:34,319

on China for way too much of our economy

1007

00:43:38,150 --> 00:43:36,440

yes whereas Russia you can be like yes

1008

00:43:42,650 --> 00:43:38,160

what are we different from Russia

1009

00:43:44,690 --> 00:43:42,660

exactly uh what oil come on we can we're

1010

00:43:46,970 --> 00:43:44,700

doing without that just fine we got the

1011

00:43:48,410 --> 00:43:46,980

Saudis back in this right we have our

1012

00:43:49,930 --> 00:43:48,420

own oil but we can't because that's bad

1013

00:43:52,130 --> 00:43:49,940

too

1014

00:43:54,050 --> 00:43:52,140

footage of this in the carrot shop if

1015

00:43:56,270 --> 00:43:54,060

you wanted footage in the carrot shop

1016

00:43:57,790 --> 00:43:56,280

okay let's take a look let's see here

1017

00:44:00,910 --> 00:43:57,800

let's bring this up this is from Twitter

1018

00:44:04,430 --> 00:44:00,920

we'll bring this up on screen

1019

00:44:06,589 --> 00:44:04,440

and what we're looking at here it looks

1020

00:44:07,730 --> 00:44:06,599

like a UFO or a drone flying in and they

1021

00:44:09,349 --> 00:44:07,740

shoot it down I wonder how they shot

1022

00:44:10,069 --> 00:44:09,359

that thing down they didn't shoot it

1023

00:44:12,050 --> 00:44:10,079

down

1024

00:44:15,349 --> 00:44:12,060

what happened what do you think that's a

1025

00:44:18,829 --> 00:44:15,359

small drone with a flare on it

1026

00:44:20,990 --> 00:44:18,839

you think the flare or basically the

1027

00:44:23,630 --> 00:44:21,000

flare fireworks I mean that was not an

1028

00:44:25,250 --> 00:44:23,640

explosive device

1029

00:44:26,569 --> 00:44:25,260

you don't think that thing was shot down

1030

00:44:29,270 --> 00:44:26,579

no

1031

00:44:31,250 --> 00:44:29,280

so it was exploded to make it look like

1032

00:44:33,770 --> 00:44:31,260

it was shot down that would lead no no

1033

00:44:37,270 --> 00:44:33,780

no I'm what I'm saying is this was them

1034

00:44:39,950 --> 00:44:37,280

trying to quote unquote bomb the Kremlin

1035

00:44:41,809 --> 00:44:39,960

so this was the Drone itself had that on

1036

00:44:43,309 --> 00:44:41,819

there so it flew over it got directly

1037

00:44:46,430 --> 00:44:43,319

above the the Dome of whatever building

1038

00:44:49,309 --> 00:44:46,440

that is and and uh off it went so you

1039

00:44:51,349 --> 00:44:49,319

think it this was like this set fire uh

1040

00:44:53,210 --> 00:44:51,359

like that or

1041

00:44:55,010 --> 00:44:53,220

because I mean it didn't look like a

1042

00:44:56,750 --> 00:44:55,020

super high explosive I mean it's hard no

1043

00:44:59,390 --> 00:44:56,760

it didn't that's why clearly this is

1044

00:45:00,950 --> 00:44:59,400

this is bullcrap so hmm

1045

00:45:02,390 --> 00:45:00,960

it's basically it's basically fireworks

1046

00:45:04,250 --> 00:45:02,400

or a flare that they set off over there

1047

00:45:07,069 --> 00:45:04,260

and the best thing you could argue is

1048

00:45:09,470 --> 00:45:07,079

well if we can get this over your um uh

1049

00:45:11,150 --> 00:45:09,480

uh over the walls of the Kremlin what

1050

00:45:13,069 --> 00:45:11,160

else can we get to

1051
00:45:14,870 --> 00:45:13,079
yeah I think that you make that argument

1052
00:45:16,309 --> 00:45:14,880
but yeah I think that's the point

1053
00:45:17,750 --> 00:45:16,319
by the way you notice there's a flag

1054
00:45:19,730 --> 00:45:17,760
back there in the background that was is

1055
00:45:21,829 --> 00:45:19,740
waving at one point and when the

1056
00:45:23,630 --> 00:45:21,839
explosion the the firework goes off on

1057
00:45:26,210 --> 00:45:23,640
this thing close to it it's so uh

1058
00:45:28,910 --> 00:45:26,220
powerful the flag doesn't move oh wow

1059
00:45:31,250 --> 00:45:28,920
yeah it doesn't do anything hmm okay

1060
00:45:35,270 --> 00:45:31,260
buddy

1061
00:45:37,550 --> 00:45:35,280
all right well uh tensions are rising uh

1062
00:45:40,849 --> 00:45:37,560
meanwhile back here in the states things

1063
00:45:42,160 --> 00:45:40,859

are getting uh even more goofy Let's uh

1064

00:45:46,310 --> 00:45:42,170

listen Mario

1065

00:45:47,990 --> 00:45:46,320

[Music]

1066

00:45:53,630 --> 00:45:48,000

[Applause]

1067

00:45:56,210 --> 00:45:53,640

so we have uh just Lane Maxwell in uh in

1068

00:45:59,510 --> 00:45:56,220

jail there are new documents that have

1069

00:46:02,450 --> 00:45:59,520

been dumped related to Epstein but uh

1070

00:46:04,970 --> 00:46:02,460

just leave his brother dumps uh a big

1071

00:46:06,530 --> 00:46:04,980

massive dumps you know you know that

1072

00:46:08,390 --> 00:46:06,540

graduate come on you know that where's

1073

00:46:10,430 --> 00:46:08,400

my massive so you know what I say to

1074

00:46:13,309 --> 00:46:10,440

that dump all you want

1075

00:46:17,150 --> 00:46:13,319

I hope you dump a lot big massive dumps

1076
00:46:19,250 --> 00:46:17,160
uh but uh this thing's brother is coming

1077
00:46:23,150 --> 00:46:19,260
out defending

1078
00:46:25,849 --> 00:46:23,160
his sister who's in jail so here's uh

1079
00:46:28,730 --> 00:46:25,859
exactly a household name but her high

1080
00:46:31,250 --> 00:46:28,740
profile case probably had you glued to

1081
00:46:33,890 --> 00:46:31,260
the TV we are talking about Glenn

1082
00:46:35,990 --> 00:46:33,900
Maxwell who along with Jeffrey Epstein

1083
00:46:38,210 --> 00:46:36,000
was convicted of sex trafficking young

1084
00:46:40,670 --> 00:46:38,220
girls I actually met her sister several

1085
00:46:42,650 --> 00:46:40,680
years ago here in the Bay Area and only

1086
00:46:45,170 --> 00:46:42,660
recently had the chance to talk with

1087
00:46:48,290 --> 00:46:45,180
their brother from London it's an

1088
00:46:51,589 --> 00:46:48,300

interview you'll only see on Kron 4.

1089

00:46:53,690 --> 00:46:51,599

from princes to presidents big names are

1090

00:46:58,190 --> 00:46:53,700

associated with the Epstein Scandal

1091

00:47:00,309 --> 00:46:58,200

everything that's catnip to tabloids sex

1092

00:47:03,530 --> 00:47:00,319

royalty

1093

00:47:06,470 --> 00:47:03,540

politicians a lady at the center of it

1094

00:47:08,990 --> 00:47:06,480

all Glenn Maxwell is at the center of an

1095

00:47:10,910 --> 00:47:09,000

international sex scandal involving her

1096

00:47:13,910 --> 00:47:10,920

former boyfriend Jeffrey Epstein

1097

00:47:16,910 --> 00:47:13,920

speaking for her her brother Ian Maxwell

1098

00:47:21,589 --> 00:47:16,920

she wish she had never met Jeff Epstein

1099

00:47:25,790 --> 00:47:21,599

and um because the Havoc the the

1100

00:47:27,829 --> 00:47:25,800

relationship has caused Glenn Maxwell is

1101
00:47:30,470 --> 00:47:27,839
serving a 20-year sentence at the

1102
00:47:32,690 --> 00:47:30,480
Tallahassee federal prison for her role

1103
00:47:35,630 --> 00:47:32,700
in sex trafficking underage victims

1104
00:47:38,150 --> 00:47:35,640
she's now filed an appeal saying she

1105
00:47:41,050 --> 00:47:38,160
didn't get a fair trial it was basically

1106
00:47:46,849 --> 00:47:41,060
a a stitch up

1107
00:47:50,569 --> 00:47:46,859
from after Jeffrey Epstein died in U.S

1108
00:47:52,550 --> 00:47:50,579
government custody when William Barr was

1109
00:47:55,309 --> 00:47:52,560
attorney general the billionaire

1110
00:47:58,309 --> 00:47:55,319
financier was found hanged in his jail

1111
00:48:00,589 --> 00:47:58,319
cell in an apparent suicide the only

1112
00:48:03,530 --> 00:48:00,599
person to actually take the fall is is

1113
00:48:06,710 --> 00:48:03,540

Jeff Epstein and he's dead of course oh

1114

00:48:09,829 --> 00:48:06,720

we don't really know so yeah because of

1115

00:48:11,569 --> 00:48:09,839

the extent of what happened uh that

1116

00:48:13,250 --> 00:48:11,579

night at their his own family think he

1117

00:48:15,950 --> 00:48:13,260

was murdered my sister thinks he was

1118

00:48:19,190 --> 00:48:15,960

murdered Elaine Maxwell believes she was

1119

00:48:21,250 --> 00:48:19,200

blamed for Epstein's crimes to satisfy

1120

00:48:24,650 --> 00:48:21,260

public outrage

1121

00:48:25,750 --> 00:48:24,660

victims how do you address how does she

1122

00:48:28,430 --> 00:48:25,760

address

1123

00:48:31,069 --> 00:48:28,440

their terrible experience she

1124

00:48:32,450 --> 00:48:31,079

acknowledged their suffering I have to

1125

00:48:36,710 --> 00:48:32,460

do it and

1126

00:48:39,530 --> 00:48:36,720

as an expressed considerable empathy for

1127

00:48:41,870 --> 00:48:39,540

them Maxwell's appeal claims among other

1128

00:48:45,770 --> 00:48:41,880

things that a juror failed to disclose

1129

00:48:47,630 --> 00:48:45,780

he was a victim of child abuse as for a

1130

00:48:50,569 --> 00:48:47,640

reported little black book and secret

1131

00:48:52,430 --> 00:48:50,579

videotapes Ian Maxwell says if there

1132

00:48:55,790 --> 00:48:52,440

were smoking guns they would have come

1133

00:48:59,450 --> 00:48:55,800

to the surface by now still he fears for

1134

00:49:02,329 --> 00:48:59,460

his sister's safety if there are other

1135

00:49:04,970 --> 00:49:02,339

people that have not yet come into

1136

00:49:08,329 --> 00:49:04,980

the prosecution's orbit and who may be

1137

00:49:10,250 --> 00:49:08,339

powerful people and don't wish to be uh

1138

00:49:12,710 --> 00:49:10,260

involved in this

1139

00:49:16,490 --> 00:49:12,720

somehow that they would find it an

1140

00:49:18,650 --> 00:49:16,500

ability to murder my sister or cause her

1141

00:49:20,630 --> 00:49:18,660

to have an accident that looks like an

1142

00:49:23,089 --> 00:49:20,640

accident but isn't

1143

00:49:25,790 --> 00:49:23,099

it may take more than six months for her

1144

00:49:28,250 --> 00:49:25,800

appeal to be heard in the meantime lan

1145

00:49:31,069 --> 00:49:28,260

Maxwell says his family is standing by

1146

00:49:34,550 --> 00:49:31,079

their sister we are her family we love

1147

00:49:36,290 --> 00:49:34,560

her we miss her and we will support and

1148

00:49:37,849 --> 00:49:36,300

defend her

1149

00:49:39,770 --> 00:49:37,859

there have been a number of

1150

00:49:41,930 --> 00:49:39,780

documentaries many of them salacious

1151

00:49:44,450 --> 00:49:41,940

that look into the life and death of

1152

00:49:46,250 --> 00:49:44,460

Serial sex offender Jeffrey Epstein and

1153

00:49:49,490 --> 00:49:46,260

his victims who have come forward to

1154

00:49:52,250 --> 00:49:49,500

share their stories so far Glenn Maxwell

1155

00:49:55,309 --> 00:49:52,260

has remained mostly silent during her

1156

00:49:57,829 --> 00:49:55,319

trial and even now let's just keep going

1157

00:49:59,569 --> 00:49:57,839

my friend but we're definitely not going

1158

00:50:01,609 --> 00:49:59,579

to mention the fact that all these

1159

00:50:04,870 --> 00:50:01,619

people were involved with Epstein nor

1160

00:50:11,470 --> 00:50:04,880

that uh somehow all of these

1161

00:50:17,109 --> 00:50:13,910

sorry about that the sex tracking Africa

1162

00:50:19,970 --> 00:50:17,119

allegations against Julian Maxwell

1163

00:50:21,410 --> 00:50:19,980

apparently there's no actual people who

1164

00:50:24,290 --> 00:50:21,420

are actually trafficking the people it

1165

00:50:27,349 --> 00:50:24,300

was just uh just happened to mysterious

1166

00:50:29,870 --> 00:50:27,359

ghosts and Phantoms specters

1167

00:50:31,150 --> 00:50:29,880

but uh now it looks like the The Wall

1168

00:50:34,670 --> 00:50:31,160

Street Journal

1169

00:50:36,890 --> 00:50:34,680

is uh reporting on Jeffrey Epstein even

1170

00:50:38,390 --> 00:50:36,900

more so this is a recent story behind

1171

00:50:41,270 --> 00:50:38,400

The Wall Street journals titled Jeffrey

1172

00:50:44,270 --> 00:50:41,280

Epstein documents part two dinner with

1173

00:50:46,130 --> 00:50:44,280

Lauren Summers and movie screenings with

1174

00:50:48,230 --> 00:50:46,140

Woody Allen I believe the the other

1175

00:50:49,569 --> 00:50:48,240

document dumped the the big mass of

1176

00:50:54,589 --> 00:50:49,579

first dump

1177

00:50:57,829 --> 00:50:54,599

was uh that uh Noam Chomsky had met with

1178

00:51:00,829 --> 00:50:57,839

Jeffrey Epstein on several occasions and

1179

00:51:02,210 --> 00:51:00,839

so this is just gets so more strange and

1180

00:51:04,490 --> 00:51:02,220

more strange the more you look into

1181

00:51:07,190 --> 00:51:04,500

Jeffrey he's tied to everyone everyone

1182

00:51:09,650 --> 00:51:07,200

big massive dumps that's just a

1183

00:51:13,030 --> 00:51:09,660

coincidence don't worry about that and

1184

00:51:15,650 --> 00:51:13,040

uh he he was a mover and Shaker he he

1185

00:51:18,410 --> 00:51:15,660

must have had dirt on so many different

1186

00:51:20,450 --> 00:51:18,420

people and no one looked into his

1187

00:51:22,670 --> 00:51:20,460

background because he had all the money

1188

00:51:25,370 --> 00:51:22,680

like billions and billions of dollars

1189

00:51:28,069 --> 00:51:25,380

spreading around buying influence buying

1190

00:51:31,250 --> 00:51:28,079

meetings with top uh thinkers and

1191

00:51:33,829 --> 00:51:31,260

scientists and an effort to build some

1192

00:51:35,930 --> 00:51:33,839

sort of a clone army of himself or some

1193

00:51:37,309 --> 00:51:35,940

sort I'm sort yeah I mean that's what it

1194

00:51:38,990 --> 00:51:37,319

looks like with some of the when you

1195

00:51:41,089 --> 00:51:39,000

read this about this stuff and Zorro

1196

00:51:43,010 --> 00:51:41,099

Ranch no one talks about Zora Ranch

1197

00:51:44,089 --> 00:51:43,020

anymore yeah the ranch out in New Mexico

1198

00:51:45,290 --> 00:51:44,099

where they were doing all sorts of

1199

00:51:46,809 --> 00:51:45,300

genetic experience I mean he was trying

1200

00:51:49,130 --> 00:51:46,819

to hire women who all had certain

1201
00:51:50,690 --> 00:51:49,140
genetic features and it was very strange

1202
00:51:54,109 --> 00:51:50,700
yeah he's like building his own Clone

1203
00:51:55,970 --> 00:51:54,119
Army it's uh it's weird I mean and it's

1204
00:51:57,109 --> 00:51:55,980
relevant because tomorrow's like uh May

1205
00:51:59,270 --> 00:51:57,119
the 4th

1206
00:52:01,549 --> 00:51:59,280
so just to talk about Epstein and his

1207
00:52:04,250 --> 00:52:01,559
clone army versus uh that was a hell of

1208
00:52:07,510 --> 00:52:04,260
a transition I'm just saying you shifted

1209
00:52:10,910 --> 00:52:07,520
without the clutch yeah I think it's too

1210
00:52:13,609 --> 00:52:10,920
much speaking of sex trafficking here's

1211
00:52:16,270 --> 00:52:13,619
Star Wars Star Wars

1212
00:52:19,370 --> 00:52:16,280
well

1213
00:52:20,630 --> 00:52:19,380

uh so this this stuff is continuing to

1214

00:52:22,970 --> 00:52:20,640

come out

1215

00:52:26,089 --> 00:52:22,980

um and people are continuing to have uh

1216

00:52:28,010 --> 00:52:26,099

answer questions about it

1217

00:52:29,210 --> 00:52:28,020

but uh they're really not I don't think

1218

00:52:30,470 --> 00:52:29,220

anything's really going to happen with

1219

00:52:33,410 --> 00:52:30,480

this

1220

00:52:37,970 --> 00:52:33,420

uh I don't know I I don't disagree with

1221

00:52:41,150 --> 00:52:37,980

Ian that um his sister was uh convicted

1222

00:52:43,609 --> 00:52:41,160

just as a kind of convicted as proxy for

1223

00:52:44,630 --> 00:52:43,619

for Epstein yeah probably um not to say

1224

00:52:45,770 --> 00:52:44,640

she wasn't involved in that sort of

1225

00:52:47,089 --> 00:52:45,780

thing but that's what they they kind of

1226

00:52:49,069 --> 00:52:47,099

threw the book header for that so they

1227

00:52:51,589 --> 00:52:49,079

had to get somebody they had to show

1228

00:52:53,750 --> 00:52:51,599

that somehow Justice was being served it

1229

00:52:57,470 --> 00:52:53,760

was such a big story at the time

1230

00:53:00,470 --> 00:52:57,480

in an effort to maintain like the

1231

00:53:02,750 --> 00:53:00,480

semblance of Justice in in this world

1232

00:53:05,030 --> 00:53:02,760

they had to do something because if they

1233

00:53:07,670 --> 00:53:05,040

just didn't do anything

1234

00:53:10,430 --> 00:53:07,680

uh it would show that the the system is

1235

00:53:12,230 --> 00:53:10,440

all it's officially rigged and they're

1236

00:53:15,770 --> 00:53:12,240

they're signing it they're basically

1237

00:53:17,030 --> 00:53:15,780

saying F you right to your face it's not

1238

00:53:18,650 --> 00:53:17,040

like they do that with other things but

1239

00:53:21,589 --> 00:53:18,660

they couldn't do with this because like

1240

00:53:23,630 --> 00:53:21,599

Jeffrey Epstein died in jail they had to

1241

00:53:26,569 --> 00:53:23,640

maintain some sort of

1242

00:53:27,890 --> 00:53:26,579

error like it's all like show at this

1243

00:53:29,990 --> 00:53:27,900

point it's like it's like a it's a movie

1244

00:53:31,609 --> 00:53:30,000

that they have to play out they have to

1245

00:53:33,290 --> 00:53:31,619

play it out or else no one's gonna

1246

00:53:36,109 --> 00:53:33,300

continue to see the sequels and they

1247

00:53:37,670 --> 00:53:36,119

want people to see those sequels yeah

1248

00:53:40,010 --> 00:53:37,680

no that one was just that was that one

1249

00:53:42,170 --> 00:53:40,020

was way too blatant yeah as far as like

1250

00:53:43,790 --> 00:53:42,180

oh he died in jail on suicide watch and

1251
00:53:45,770 --> 00:53:43,800
the cameras they turned off and they

1252
00:53:48,589 --> 00:53:45,780
were asleep and people weren't there and

1253
00:53:50,690 --> 00:53:48,599
it was weird and it's just a weird

1254
00:53:53,150 --> 00:53:50,700
string of coincidences you know oopsie

1255
00:53:55,010 --> 00:53:53,160
Daisy oops Yeah we accidentally had the

1256
00:53:57,230 --> 00:53:55,020
cameras turns off turned off and then

1257
00:54:00,230 --> 00:53:57,240
oops there were other cameras that were

1258
00:54:02,390 --> 00:54:00,240
rolling but we we accidentally overwrote

1259
00:54:05,150 --> 00:54:02,400
those hard drives and we can't recover

1260
00:54:06,790 --> 00:54:05,160
that footage oopsie Daisy and the guards

1261
00:54:12,589 --> 00:54:06,800
that we're supposed to be watching them

1262
00:54:14,390 --> 00:54:12,599
they were they were asleep oopsie Daisy

1263
00:54:17,390 --> 00:54:14,400

yeah it was just too much to that

1264

00:54:20,150 --> 00:54:17,400

one yeah a lot of different things oh

1265

00:54:23,990 --> 00:54:20,160

and by the way uh uh attorney general

1266

00:54:27,370 --> 00:54:24,000

Barr his dad hired Jeffrey Epstein to

1267

00:54:29,750 --> 00:54:27,380

work at his college that's weird

1268

00:54:31,970 --> 00:54:29,760

Epstein himself to like teach math

1269

00:54:34,370 --> 00:54:31,980

classes there or something yes

1270

00:54:37,490 --> 00:54:34,380

just weird and and and attorney

1271

00:54:41,030 --> 00:54:37,500

general's bar his dad he wrote a book

1272

00:54:42,609 --> 00:54:41,040

about Intergalactic sex trade he wrote a

1273

00:54:46,250 --> 00:54:42,619

science fiction novel about

1274

00:54:48,530 --> 00:54:46,260

Intergalactic sex slave trade

1275

00:54:51,589 --> 00:54:48,540

How Bizarre

1276
00:54:54,530 --> 00:54:51,599
with a lead character named Jeff I don't

1277
00:54:58,490 --> 00:54:56,510
but we'll move on we'll move on I got

1278
00:54:59,990 --> 00:54:58,500
the one or two more headlines and then

1279
00:55:02,990 --> 00:55:00,000
they'll pass it over to correction maybe

1280
00:55:09,349 --> 00:55:03,000
open the phone lines we'll see

1281
00:55:11,690 --> 00:55:09,359
[Music]

1282
00:55:14,750 --> 00:55:11,700
all right well here's a headline here uh

1283
00:55:19,490 --> 00:55:14,760
the Pentagon scrambles three F-22 Jets

1284
00:55:21,890 --> 00:55:19,500
to intercept UFO over Hawaii yeah that's

1285
00:55:25,549 --> 00:55:24,230
I think Joe's out in Hawaii trying to

1286
00:55:26,930 --> 00:55:25,559
destroy the place but uh that's

1287
00:55:29,150 --> 00:55:26,940
unconfirmed he's out there throwing

1288
00:55:30,770 --> 00:55:29,160

rocks at the UFO he does not like Hawaii

1289

00:55:32,210 --> 00:55:30,780

Joe wants to destroy the entire place

1290

00:55:33,829 --> 00:55:32,220

and it's going to take him a while but

1291

00:55:35,870 --> 00:55:33,839

uh really Joe has some sort of Vendetta

1292

00:55:38,990 --> 00:55:35,880

against Hawaii as far as I know

1293

00:55:41,990 --> 00:55:39,000

Hawaii uh but according to this news

1294

00:55:44,630 --> 00:55:42,000

article an object spotted over the

1295

00:55:46,490 --> 00:55:44,640

remote Pacific State prompted the U.S

1296

00:55:49,190 --> 00:55:46,500

Air Force to send out three fighter jets

1297

00:55:50,930 --> 00:55:49,200

last week uh earlier this year there was

1298

00:55:53,089 --> 00:55:50,940

a spat of sightings involving strange

1299

00:55:56,270 --> 00:55:53,099

spherical balloon-like objects being

1300

00:55:57,109 --> 00:55:56,280

cited not only balloon like objects

1301
00:55:59,510 --> 00:55:57,119
thank you

1302
00:56:00,950 --> 00:55:59,520
this strange balloon-like objects

1303
00:56:02,690 --> 00:56:00,960
possibly balloons it looks like a

1304
00:56:04,430 --> 00:56:02,700
balloon but it's just a it's like a

1305
00:56:07,190 --> 00:56:04,440
balloon balloon

1306
00:56:08,990 --> 00:56:07,200
it doesn't identify as a balloon yeah

1307
00:56:10,670 --> 00:56:09,000
and we don't want to misidentify it

1308
00:56:12,890 --> 00:56:10,680
because it's 2023 and we'll get canceled

1309
00:56:14,750 --> 00:56:12,900
uh earlier this year there was a spat of

1310
00:56:17,930 --> 00:56:14,760
sightings involving strains spherical

1311
00:56:19,309 --> 00:56:17,940
balloon like objects being cited not

1312
00:56:22,010 --> 00:56:19,319
only over the United States but also

1313
00:56:24,430 --> 00:56:22,020

over Canada and Beyond

1314

00:56:28,069 --> 00:56:24,440

what's beyond

1315

00:56:29,870 --> 00:56:28,079

uh the hollow Earth I guess they said

1316

00:56:31,430 --> 00:56:29,880

United States to the hollow Earth Canada

1317

00:56:33,290 --> 00:56:31,440

and Beyond

1318

00:56:35,270 --> 00:56:33,300

is they talk about the Atlantic Ocean

1319

00:56:37,309 --> 00:56:35,280

where we we've shot down the first one

1320

00:56:40,609 --> 00:56:37,319

or they I don't know what they mean by

1321

00:56:41,809 --> 00:56:40,619

that okay well beyond would be the uh I

1322

00:56:44,569 --> 00:56:41,819

assume they mean going north would be

1323

00:56:46,970 --> 00:56:44,579

the Arctic right but maybe there were

1324

00:56:48,650 --> 00:56:46,980

balloons uh reported over South America

1325

00:56:50,569 --> 00:56:48,660

States so you can't you can't have

1326

00:56:52,130 --> 00:56:50,579

United States

1327

00:56:53,329 --> 00:56:52,140

um and then refer to Canada and then say

1328

00:56:54,770 --> 00:56:53,339

Beyond and also being referred to the

1329

00:56:57,370 --> 00:56:54,780

United States of course who wrote this

1330

00:57:00,049 --> 00:56:57,380

is the same author who said the remote

1331

00:57:02,329 --> 00:57:00,059

described Hawaii as a remote Pacific

1332

00:57:04,190 --> 00:57:02,339

state that is correct which is just a

1333

00:57:05,569 --> 00:57:04,200

weird way to phrase it it's factually

1334

00:57:10,370 --> 00:57:05,579

correct

1335

00:57:12,650 --> 00:57:10,380

uh us fighter jets were sent to

1336

00:57:14,450 --> 00:57:12,660

intercept the objects reportedly shot uh

1337

00:57:16,730 --> 00:57:14,460

reportedly shot several of them

1338

00:57:19,430 --> 00:57:16,740

including uh one described as a

1339

00:57:22,490 --> 00:57:19,440

cylindrical and silverish gray that was

1340

00:57:25,430 --> 00:57:22,500

traveling over Alaska at about 40 000

1341

00:57:27,710 --> 00:57:25,440

feet while the phenomenon had died down

1342

00:57:29,630 --> 00:57:27,720

in recent months a few days ago a

1343

00:57:31,670 --> 00:57:29,640

sighting of another mysterious spherical

1344

00:57:33,410 --> 00:57:31,680

object over Hawaii reportedly prompted

1345

00:57:37,130 --> 00:57:33,420

the United States Air Force to scramble

1346

00:57:39,290 --> 00:57:37,140

three F-22 fighter jets the U.S

1347

00:57:41,750 --> 00:57:39,300

indo-pacific command responded to the

1348

00:57:43,569 --> 00:57:41,760

unidentified radar signature Friday in

1349

00:57:46,730 --> 00:57:43,579

the vicinity of the island of Hawaii

1350

00:57:50,089 --> 00:57:46,740

spokes uh spokesman of the indo-pacific

1351
00:57:51,710 --> 00:57:50,099
command told the war zone I I like the

1352
00:57:54,950 --> 00:57:51,720
war zone they do good reporting they do

1353
00:57:56,630 --> 00:57:54,960
great reporting is it uh Tyler uh what's

1354
00:57:58,190 --> 00:57:56,640
this guy's name Tyler Rockaway or

1355
00:57:59,630 --> 00:57:58,200
whatever and I'll find out when I'm done

1356
00:58:01,010 --> 00:57:59,640
with this you're not even reading the

1357
00:58:03,410 --> 00:58:01,020
words and what is this Source this is

1358
00:58:05,510 --> 00:58:03,420
like the abbreviated version The War

1359
00:58:07,549 --> 00:58:05,520
Zone article is entirely too long for

1360
00:58:09,650 --> 00:58:07,559
this show

1361
00:58:11,510 --> 00:58:09,660
balloon I just don't like when people

1362
00:58:14,809 --> 00:58:11,520
take somebody else's article and rewrite

1363
00:58:16,970 --> 00:58:14,819

it okay well

1364

00:58:19,010 --> 00:58:16,980

well as part of our normal daily

1365

00:58:20,809 --> 00:58:19,020

operations we closely track all vessels

1366

00:58:22,730 --> 00:58:20,819

and aircraft in the indo-pacific area

1367

00:58:24,710 --> 00:58:22,740

and of operation through a combination

1368

00:58:27,170 --> 00:58:24,720

of joint capabilities to protect the U.S

1369

00:58:29,650 --> 00:58:27,180

Homeland support our allies and partners

1370

00:58:32,030 --> 00:58:29,660

and secure the free and open

1371

00:58:35,030 --> 00:58:32,040

indo-pacific the ethics are free and

1372

00:58:37,730 --> 00:58:35,040

open internet no the indo-pacific the

1373

00:58:40,849 --> 00:58:37,740

outlet also spoke to uh spoke to a

1374

00:58:43,789 --> 00:58:40,859

Department of Defense spokesperson who

1375

00:58:45,950 --> 00:58:43,799

said they say spokesman

1376

00:58:47,150 --> 00:58:45,960

can't say that they say spoke cancel

1377

00:58:49,849 --> 00:58:47,160

this person

1378

00:58:51,650 --> 00:58:49,859

the department of uh the Department of

1379

00:58:54,650 --> 00:58:51,660

Defense and the Federal Aviation

1380

00:58:58,130 --> 00:58:54,660

Administration detected and observed

1381

00:59:01,190 --> 00:58:58,140

April 28th on April 28th in unmanned

1382

00:59:03,650 --> 00:59:01,200

balloon off the coast Hawaii floating at

1383

00:59:05,510 --> 00:59:03,660

approximately 36 000 feet well they say

1384

00:59:07,370 --> 00:59:05,520

balloon here

1385

00:59:10,069 --> 00:59:07,380

uh ownership is a balloon like object

1386

00:59:12,970 --> 00:59:10,079

Mike yes well it's also cylindrical

1387

00:59:16,069 --> 00:59:12,980

round spherical balloon like a balloon

1388

00:59:18,289 --> 00:59:16,079

ownership of the balloon is unknown but

1389

00:59:20,690 --> 00:59:18,299

there is no indication well like

1390

00:59:22,430 --> 00:59:20,700

someone's name on it maybe they have

1391

00:59:24,410 --> 00:59:22,440

like some weird name on the side of it

1392

00:59:27,650 --> 00:59:24,420

like it's an advertisement for some

1393

00:59:30,530 --> 00:59:27,660

products it belongs to tide it's good

1394

00:59:34,930 --> 00:59:30,540

year we shot it down anyways find this

1395

00:59:37,549 --> 00:59:34,940

Goodyear guy kill him take it out

1396

00:59:39,829 --> 00:59:37,559

it's scary

1397

00:59:42,589 --> 00:59:39,839

uh ownership of the balloon is unknown

1398

00:59:45,589 --> 00:59:42,599

but there is no indication that it was

1399

00:59:48,530 --> 00:59:45,599

maneuvering or being controlled by a

1400

00:59:51,230 --> 00:59:48,540

foreign or adversarial actor

1401

00:59:53,390 --> 00:59:51,240

well there's no indication that it's not

1402

00:59:56,450 --> 00:59:53,400

either exactly without it they don't

1403

00:59:58,309 --> 00:59:56,460

have a lot of evidence here

1404

00:59:59,150 --> 00:59:58,319

what does a Joe Scarborough think about

1405

01:00:01,370 --> 00:59:59,160

this

1406

01:00:03,109 --> 01:00:01,380

uh Joe Scarborough I don't even know if

1407

01:00:04,849 --> 01:00:03,119

I have any clips from Joe Scarborough

1408

01:00:06,770 --> 01:00:04,859

over here

1409

01:00:07,910 --> 01:00:06,780

because I'm sure he's got some someone

1410

01:00:09,670 --> 01:00:07,920

talking in his ear telling him to

1411

01:00:11,750 --> 01:00:09,680

somehow turn this around about Ukraine

1412

01:00:14,990 --> 01:00:11,760

uh I don't know if they can blame this

1413

01:00:17,510 --> 01:00:15,000

one on Russia I tried I doubt that they

1414

01:00:19,970 --> 01:00:17,520

can you wait somehow they will make this

1415

01:00:21,890 --> 01:00:19,980

about Russia helping China with their

1416

01:00:24,770 --> 01:00:21,900

balloon program I probably could see

1417

01:00:27,289 --> 01:00:24,780

that I could see that okay

1418

01:00:30,589 --> 01:00:27,299

let's see the war zone article who wrote

1419

01:00:34,690 --> 01:00:30,599

this you were asking I looked up it's

1420

01:00:37,670 --> 01:00:34,700

not it's not uh Howard Altman Joseph uh

1421

01:00:39,170 --> 01:00:37,680

trevithick Trevor thick and it's a

1422

01:00:41,750 --> 01:00:39,180

pretty lengthy article about this stuff

1423

01:00:44,870 --> 01:00:41,760

so it's very very girthy yeah very thick

1424

01:00:48,109 --> 01:00:44,880

article the drive.com in the war zone

1425

01:00:51,289 --> 01:00:48,119

they do really good at this uh

1426

01:00:53,329 --> 01:00:51,299

just kind of a reporting

1427

01:00:55,549 --> 01:00:53,339

all right well there you go there's some

1428

01:00:57,950 --> 01:00:55,559

uh music really the photo I have up here

1429

01:01:00,289 --> 01:00:57,960

on on screen is of the one of the the

1430

01:01:02,210 --> 01:01:00,299

other balloons uh which came out several

1431

01:01:04,549 --> 01:01:02,220

weeks or months afterwards where they

1432

01:01:06,710 --> 01:01:04,559

pointed out that apparently we had

1433

01:01:09,170 --> 01:01:06,720

um uh this was from a U2

1434

01:01:10,730 --> 01:01:09,180

uh spy plane just flying above it

1435

01:01:12,770 --> 01:01:10,740

constantly just kind of watching it all

1436

01:01:14,510 --> 01:01:12,780

the way across the country look at that

1437

01:01:16,490 --> 01:01:14,520

guy I only started reporting on it when

1438

01:01:18,049 --> 01:01:16,500

people could see it over was it Montana

1439

01:01:20,210 --> 01:01:18,059

I think Wyoming yeah I think it was

1440

01:01:22,490 --> 01:01:20,220

Montana

1441

01:01:23,750 --> 01:01:22,500

where they could see it with the naked

1442

01:01:25,370 --> 01:01:23,760

eye that's all that's when people

1443

01:01:27,410 --> 01:01:25,380

started caring about it and they blew up

1444

01:01:31,069 --> 01:01:27,420

into a story people started talking

1445

01:01:32,630 --> 01:01:31,079

about aliens in uaps

1446

01:01:36,410 --> 01:01:32,640

and then the whole thing just kind of

1447

01:01:40,069 --> 01:01:38,210

well I think the the concern there was

1448

01:01:41,390 --> 01:01:40,079

it got over Montana and people just

1449

01:01:43,910 --> 01:01:41,400

started taking pot shots at it you

1450

01:01:46,069 --> 01:01:43,920

didn't have that mm-hmm y'all need to be

1451

01:01:48,410 --> 01:01:46,079

calling damn news

1452

01:01:51,109 --> 01:01:48,420

they did call the damn news called the

1453

01:01:53,930 --> 01:01:51,119

damn news they call the damn news

1454

01:01:55,609 --> 01:01:53,940

I don't know what does it say down here

1455

01:01:58,069 --> 01:01:55,619

y'all in this [h__h] right here yeah okay

1456

01:02:01,789 --> 01:01:58,079

they're looking at us okay look at that

1457

01:02:02,990 --> 01:02:01,799

[h__h] okay yeah I forgot that's a good

1458

01:02:05,210 --> 01:02:03,000

one too

1459

01:02:07,849 --> 01:02:05,220

that's a really good one

1460

01:02:09,829 --> 01:02:07,859

all right uh you want to do like a news

1461

01:02:12,170 --> 01:02:09,839

story do you want to open phones Crusher

1462

01:02:14,210 --> 01:02:12,180

well let's open the phones okay sure

1463

01:02:15,950 --> 01:02:14,220

let's uh go over and open the phones a

1464

01:02:18,349 --> 01:02:15,960

little bit I would like to hear from

1465

01:02:20,270 --> 01:02:18,359

Stan in Alaska now let's go ahead take

1466

01:02:23,630 --> 01:02:20,280

the phone calls

1467

01:02:27,230 --> 01:02:25,490

or you can Skype directly in we

1468

01:02:29,210 --> 01:02:27,240

typically don't take uh phones on

1469

01:02:32,390 --> 01:02:29,220

Wednesdays but you know Joe's not here

1470

01:02:34,789 --> 01:02:32,400

guys he's in Alaska destroying

1471

01:02:35,990 --> 01:02:34,799

and maybe Joe will who knows wait he's

1472

01:02:39,289 --> 01:02:36,000

in Alaska now you said he was in Hawaii

1473

01:02:41,089 --> 01:02:39,299

oh yeah he's destroying Hawaii my bad

1474

01:02:43,190 --> 01:02:41,099

I hit the Alaskan Hawaii confused

1475

01:02:45,890 --> 01:02:43,200

because they both have absolutions

1476

01:02:47,870 --> 01:02:45,900

they're both remote Pacific Islands yeah

1477

01:02:51,410 --> 01:02:47,880

or state sorry

1478

01:02:53,089 --> 01:02:51,420

you have like uh I do have a a a little

1479

01:02:54,650 --> 01:02:53,099

follow-up to it I believe the story that

1480

01:02:57,950 --> 01:02:54,660

we covered

1481

01:03:01,370 --> 01:02:57,960

um last year at some point

1482

01:03:07,190 --> 01:03:04,309

uh the hunt for Nazi gold in Dutch

1483

01:03:10,430 --> 01:03:07,200

Village is called off yes

1484

01:03:11,990 --> 01:03:10,440

uh the gold had allegedly been buried in

1485

01:03:13,910 --> 01:03:12,000

a German countries in the German

1486

01:03:16,069 --> 01:03:13,920

Countryside by Nazi soldiers during

1487

01:03:18,170 --> 01:03:16,079

World War II The Story Goes that during

1488

01:03:20,809 --> 01:03:18,180

the final days of the second World War

1489

01:03:23,329 --> 01:03:20,819

four German soldiers decided to bury a

1490

01:03:24,950 --> 01:03:23,339

horde of riches in a field somewhere in

1491

01:03:27,230 --> 01:03:24,960

the Dutch Countryside

1492

01:03:30,589 --> 01:03:27,240

they're stolen treasure consisted of

1493

01:03:33,530 --> 01:03:30,599

gold jewels watches diamonds and

1494

01:03:36,109 --> 01:03:33,540

gemstones worth over 15 million dollars

1495

01:03:39,049 --> 01:03:36,119

in today's money always not teeth and

1496

01:03:41,690 --> 01:03:39,059

gold fillings no all placed inside four

1497

01:03:43,670 --> 01:03:41,700

ammunition cases and buried in the

1498

01:03:44,690 --> 01:03:43,680

ground well this is very specific it

1499

01:03:47,329 --> 01:03:44,700

seems like they have a lot of

1500

01:03:49,970 --> 01:03:47,339

information about this treasure

1501

01:03:52,069 --> 01:03:49,980

earlier this year the National Archives

1502

01:03:53,569 --> 01:03:52,079

of the Netherlands released a trove of

1503

01:03:55,549 --> 01:03:53,579

documents to the public that included a

1504

01:03:57,170 --> 01:03:55,559

map allegedly showing the location of

1505

01:03:58,069 --> 01:03:57,180

this buried treasure which we talked

1506

01:04:00,650 --> 01:03:58,079

about

1507

01:04:02,630 --> 01:04:00,660

ever since amateur treasure Hunters have

1508

01:04:03,829 --> 01:04:02,640

been attempting to find and retrieve the

1509

01:04:05,510 --> 01:04:03,839

gold for themselves they're just going

1510

01:04:08,510 --> 01:04:05,520

out there like digging random holes

1511

01:04:09,770 --> 01:04:08,520

tearing up the countryside well that was

1512

01:04:11,329 --> 01:04:09,780

one of the complaints that people had

1513

01:04:12,829 --> 01:04:11,339

was they had this rough map but enough

1514

01:04:14,510 --> 01:04:12,839

stuff had changed in years and they just

1515

01:04:16,730 --> 01:04:14,520

been digging [\h__\h] up you can't you can't

1516

01:04:17,750 --> 01:04:16,740

find anything unless you dig I have to

1517

01:04:20,450 --> 01:04:17,760

do it

1518

01:04:21,589 --> 01:04:20,460

hmm I'm gonna start at one end of the

1519

01:04:25,130 --> 01:04:21,599

town I'm going to work to the other I'll

1520

01:04:27,109 --> 01:04:25,140

get there [\h__\h] your grass I need gold I

1521

01:04:30,349 --> 01:04:27,119

don't care about your lawn I want the

1522

01:04:33,289 --> 01:04:30,359

gold now uh though with efforts to

1523

01:04:35,630 --> 01:04:33,299

unearth the treasure having repeatedly

1524

01:04:38,030 --> 01:04:35,640

come up empty Village officials have

1525

01:04:40,370 --> 01:04:38,040

called off the search while concluding

1526
01:04:42,770 --> 01:04:40,380
that the gold simply isn't there anymore

1527
01:04:44,510 --> 01:04:42,780
aha

1528
01:04:45,829 --> 01:04:44,520
or they already found it and they're

1529
01:04:47,569 --> 01:04:45,839
tired of people tearing up their lawn

1530
01:04:49,270 --> 01:04:47,579
that's exactly the way I'd do it I'd be

1531
01:04:52,490 --> 01:04:49,280
like oh no there's no gold it's not here

1532
01:04:55,190 --> 01:04:52,500
never mind my new car yeah uh stop

1533
01:04:58,190 --> 01:04:55,200
tearing up my lawn there is no gold and

1534
01:04:59,569 --> 01:04:58,200
that's it stop looking uh Herman is in

1535
01:05:01,250 --> 01:04:59,579
the chat and he says tourists are still

1536
01:05:02,270 --> 01:05:01,260
there but now they're looking around in

1537
01:05:05,930 --> 01:05:02,280
people's Gardens and it's causing

1538
01:05:08,930 --> 01:05:07,789

I bet people have I think I think that

1539

01:05:10,609 --> 01:05:08,940

is the issue people are just like

1540

01:05:12,349 --> 01:05:10,619

hopping fences and digging up people's

1541

01:05:14,690 --> 01:05:12,359

Gardens yeah

1542

01:05:18,589 --> 01:05:14,700

uh we want to say we have concluded that

1543

01:05:22,069 --> 01:05:18,599

there is no Nazi treasure in omarin

1544

01:05:23,690 --> 01:05:22,079

said the spokesperson for uh some some

1545

01:05:25,730 --> 01:05:23,700

weird name I'm not gonna even pronounce

1546

01:05:27,049 --> 01:05:25,740

it here okay it says it's just an

1547

01:05:29,930 --> 01:05:27,059

entirely weird name I'm not going to

1548

01:05:32,030 --> 01:05:29,940

pronounce it burget van akenquint no I

1549

01:05:35,870 --> 01:05:32,040

don't think that's uh that's it big Jim

1550

01:05:38,690 --> 01:05:35,880

Tucker Big Jim Tucker

1551
01:05:41,510 --> 01:05:38,700
uh we do assume that the treasure was

1552
01:05:43,849 --> 01:05:41,520
once buried in omarin but it has been

1553
01:05:46,490 --> 01:05:43,859
removed at some stage oh so they

1554
01:05:48,410 --> 01:05:46,500
acknowledge it was there somebody found

1555
01:05:51,049 --> 01:05:48,420
it didn't tell anybody else and is

1556
01:05:53,569 --> 01:05:51,059
living large somewhere okay they just

1557
01:05:55,069 --> 01:05:53,579
admitted they they took it

1558
01:05:56,690 --> 01:05:55,079
they found

1559
01:05:58,849 --> 01:05:56,700
okay wasn't there a similar story the

1560
01:06:00,770 --> 01:05:58,859
FBI did that in the U.S with some very

1561
01:06:02,510 --> 01:06:00,780
buried gold and they went and stole it

1562
01:06:04,430 --> 01:06:02,520
and just ran off with it the every time

1563
01:06:06,650 --> 01:06:04,440

you find some kind of weird treasure

1564

01:06:08,030 --> 01:06:06,660

like weird like gold gold treasure in

1565

01:06:10,670 --> 01:06:08,040

the United States the FBI always comes

1566

01:06:12,230 --> 01:06:10,680

by and they take the gold it was like I

1567

01:06:15,470 --> 01:06:12,240

think there's a story recently I think

1568

01:06:17,990 --> 01:06:15,480

out of California where uh someone found

1569

01:06:19,130 --> 01:06:18,000

like a a maybe a stack of like gold

1570

01:06:21,170 --> 01:06:19,140

coins

1571

01:06:23,870 --> 01:06:21,180

uh they called the authorities and they

1572

01:06:26,870 --> 01:06:23,880

just came in and took it that's it it's

1573

01:06:29,630 --> 01:06:26,880

like don't call anybody just sell it you

1574

01:06:32,089 --> 01:06:29,640

know what are you calling at that point

1575

01:06:35,150 --> 01:06:32,099

uh this is from the Atlantic last summer

1576

01:06:38,390 --> 01:06:35,160

uh FBI steals a trove a civil war gold

1577

01:06:40,789 --> 01:06:38,400

ah was that the famed Confederate

1578

01:06:42,770 --> 01:06:40,799

Treasure of the the south I mean that's

1579

01:06:45,049 --> 01:06:42,780

uh that's a

1580

01:06:46,309 --> 01:06:45,059

a long story maybe I don't think it was

1581

01:06:48,470 --> 01:06:46,319

I don't think it was Confederate because

1582

01:06:50,569 --> 01:06:48,480

it was in Carlisle Pennsylvania June

1583

01:06:53,029 --> 01:06:50,579

1863 Union Soldiers transporting a

1584

01:06:54,470 --> 01:06:53,039

shipment of gold became lost somebody

1585

01:06:56,210 --> 01:06:54,480

found it and then they of course told

1586

01:07:00,109 --> 01:06:56,220

the FBI who came in like we need this

1587

01:07:01,990 --> 01:07:00,119

for uh evidence whoops yonk that's ours

1588

01:07:05,630 --> 01:07:02,000

evidence we're gonna we're we're

1589

01:07:07,430 --> 01:07:05,640

investigating the the union and the

1590

01:07:10,010 --> 01:07:07,440

Confederates we're working on a case

1591

01:07:13,250 --> 01:07:10,020

against them they're up to no good yeah

1592

01:07:15,770 --> 01:07:13,260

it's all going into documents

1593

01:07:18,950 --> 01:07:15,780

so there you go so if you find gold be

1594

01:07:21,230 --> 01:07:18,960

it Nazi uh be it from Civil War don't

1595

01:07:25,130 --> 01:07:21,240

tell people

1596

01:07:26,569 --> 01:07:25,140

yeah just shut your trap sell it

1597

01:07:28,150 --> 01:07:26,579

God what do you think you are Indiana

1598

01:07:30,910 --> 01:07:28,160

Jones

1599

01:07:33,349 --> 01:07:30,920

belongs in a museum

1600

01:07:37,069 --> 01:07:33,359

no it belongs belongs in my bank account

1601

01:07:45,910 --> 01:07:38,930

all right corrected let's see what you

1602

01:07:50,829 --> 01:07:48,470

I don't want y'all go relaxing too much

1603

01:07:53,150 --> 01:07:50,839

I've always ain't out of trouble yet

1604

01:07:55,670 --> 01:07:53,160

it's true

1605

01:07:59,029 --> 01:07:55,680

uh Dukes of Hazzard there

1606

01:08:01,309 --> 01:07:59,039

um so I've got a handful of of Oddball

1607

01:08:04,370 --> 01:08:01,319

news but you mentioned earlier it is May

1608

01:08:06,770 --> 01:08:04,380

3rd which means tomorrow is May the 4th

1609

01:08:10,430 --> 01:08:06,780

which makes it national Star Trek day

1610

01:08:14,270 --> 01:08:10,440

yes it is Captain Kirk some more and uh

1611

01:08:16,789 --> 01:08:14,280

Spock and uh Frodo and all those guys

1612

01:08:19,130 --> 01:08:16,799

from your favorite Star Trek movies I am

1613

01:08:23,890 --> 01:08:19,140

my father the X-Men

1614

01:08:30,289 --> 01:08:26,209

so let's see I'm trying to find I've got

1615

01:08:33,769 --> 01:08:32,209

Star Wars

1616

01:08:35,269 --> 01:08:33,779

um all right so this one I just found

1617

01:08:37,189 --> 01:08:35,279

somewhat farcical we're gonna start with

1618

01:08:39,650 --> 01:08:37,199

this because it's easy to get into

1619

01:08:41,450 --> 01:08:39,660

so Yahoo of course jumps right in with

1620

01:08:45,110 --> 01:08:41,460

their version trying to explain to

1621

01:08:47,030 --> 01:08:45,120

people how to count uh numbers on the

1622

01:08:51,470 --> 01:08:47,040

sides of their DVD cases or as it's

1623

01:08:53,090 --> 01:08:51,480

listed in um uh by Netflix so here's how

1624

01:08:54,829 --> 01:08:53,100

to watch the movies in order because

1625

01:08:56,150 --> 01:08:54,839

apparently this is confusing to people I

1626
01:08:57,950 --> 01:08:56,160
don't know how to watch movies in order

1627
01:09:00,829 --> 01:08:57,960
I'm glad they're showing me let's see

1628
01:09:04,370 --> 01:09:00,839
let's see if they have a unique way to

1629
01:09:08,530 --> 01:09:04,380
watch the Star Wars movies in order

1630
01:09:14,870 --> 01:09:12,410
okay there goes one movie

1631
01:09:19,610 --> 01:09:14,880
May the fourth be with you how to watch

1632
01:09:22,789 --> 01:09:19,620
Star Wars in chronological order well

1633
01:09:24,890 --> 01:09:22,799
good I'm glad that we're finally getting

1634
01:09:27,470 --> 01:09:24,900
into this information now I'm just so

1635
01:09:28,669 --> 01:09:27,480
tired of all these Star Wars it's a

1636
01:09:31,570 --> 01:09:28,679
little early if you get tired about it

1637
01:09:34,490 --> 01:09:31,580
but okay uh May the fourth be with you

1638
01:09:36,530 --> 01:09:34,500

although I'd known otherwise known as

1639

01:09:40,249 --> 01:09:36,540

Star Wars day I'm surprised they haven't

1640

01:09:42,110 --> 01:09:40,259

like renamed it as Disney Star Wars Day

1641

01:09:43,370 --> 01:09:42,120

or Star Wars day and every time they

1642

01:09:45,650 --> 01:09:43,380

they you say it you have to put the

1643

01:09:47,570 --> 01:09:45,660

little trademark in there yeah

1644

01:09:49,970 --> 01:09:47,580

um it's just a few days away and what a

1645

01:09:54,229 --> 01:09:49,980

better way to celebrate than with a Star

1646

01:09:55,970 --> 01:09:54,239

Wars movie and show a marathon oh yes

1647

01:09:58,130 --> 01:09:55,980

uh along

1648

01:10:01,610 --> 01:09:58,140

time ago in a galaxy far far far far far

1649

01:10:05,330 --> 01:10:01,620

far far away the Star Wars Universe was

1650

01:10:06,890 --> 01:10:05,340

just a a few movies wide these days it

1651
01:10:09,169 --> 01:10:06,900
is ever expanding franchise which

1652
01:10:11,090 --> 01:10:09,179
includes prequel films like solo

1653
01:10:12,890 --> 01:10:11,100
spin-offs such as Andor and popular

1654
01:10:15,650 --> 01:10:12,900
streaming series like the Mandalorian

1655
01:10:19,070 --> 01:10:15,660
and the Book of Boba Fett

1656
01:10:21,530 --> 01:10:19,080
uh with over 20 movies and shows making

1657
01:10:23,709 --> 01:10:21,540
up the Star Wars Cinematic Universe plus

1658
01:10:26,270 --> 01:10:23,719
the recently announced upcoming film

1659
01:10:28,310 --> 01:10:26,280
Trilogy did you know about that one the

1660
01:10:30,169 --> 01:10:28,320
upcoming film trilogy

1661
01:10:31,430 --> 01:10:30,179
getting sick and tired of all these Star

1662
01:10:32,510 --> 01:10:31,440
Wars that's another reference to Star

1663
01:10:35,689 --> 01:10:32,520

Wars

1664

01:10:38,390 --> 01:10:35,699

uh in the new upcoming film Trilogy

1665

01:10:41,030 --> 01:10:38,400

following Daisy Ridley's Rey character

1666

01:10:43,010 --> 01:10:41,040

which we all loved

1667

01:10:44,270 --> 01:10:43,020

wait did they already do a Trilogy about

1668

01:10:48,770 --> 01:10:44,280

her they're doing another another

1669

01:10:50,209 --> 01:10:48,780

Trilogy with Rey what am I doing at a

1670

01:10:51,649 --> 01:10:50,219

certain point these movies become like

1671

01:10:54,709 --> 01:10:51,659

work

1672

01:10:57,890 --> 01:10:54,719

you got to really pay attention

1673

01:10:59,750 --> 01:10:57,900

it's just it's a

1674

01:11:00,350 --> 01:10:59,760

it's just too much but yeah

1675

01:11:03,229 --> 01:11:00,360

um

1676

01:11:06,050 --> 01:11:03,239

so how to watch these movies

1677

01:11:07,850 --> 01:11:06,060

I gotta I actually now I gotta know

1678

01:11:10,070 --> 01:11:07,860

much like the MCU in recent years the

1679

01:11:12,649 --> 01:11:10,080

release uh the release order of Star

1680

01:11:15,110 --> 01:11:12,659

Wars content doesn't always align with

1681

01:11:16,490 --> 01:11:15,120

where the movie or shows fall in the

1682

01:11:18,590 --> 01:11:16,500

story's timeline so while the original

1683

01:11:20,510 --> 01:11:18,600

Star Wars Trilogy starring Mark Hamill

1684

01:11:22,850 --> 01:11:20,520

Harrison Ford and Carrie Fisher was

1685

01:11:24,550 --> 01:11:22,860

released in 1977. there are currently

1686

01:11:27,290 --> 01:11:24,560

multiple shows and movies

1687

01:11:31,669 --> 01:11:27,300

pre-dating the events of Star Wars

1688

01:11:34,850 --> 01:11:31,679

episode four A New Hope hello there

1689

01:11:36,649 --> 01:11:34,860

uh so that's your uncle talking yeah I

1690

01:11:38,810 --> 01:11:36,659

guess it is yeah come here my little

1691

01:11:40,070 --> 01:11:38,820

friend no no not yet we haven't gotten

1692

01:11:42,530 --> 01:11:40,080

the first move yet so how do we watch

1693

01:11:44,209 --> 01:11:42,540

this in the correct order the correct

1694

01:11:46,490 --> 01:11:44,219

timeline which I probably will do I'll

1695

01:11:48,169 --> 01:11:46,500

actually start watching this tomorrow

1696

01:11:50,030 --> 01:11:48,179

I'll let her know what I let everyone

1697

01:11:51,649 --> 01:11:50,040

I'll let everyone know what I find out

1698

01:11:53,090 --> 01:11:51,659

uh

1699

01:11:54,830 --> 01:11:53,100

episode one so you start with episode

1700

01:11:56,990 --> 01:11:54,840

one Phantom Menace then you move on to

1701

01:11:59,630 --> 01:11:57,000

episode two the attack of the Clones

1702

01:12:04,390 --> 01:11:59,640

then

1703

01:12:07,970 --> 01:12:04,400

the movie

1704

01:12:10,010 --> 01:12:07,980

then you watch Star Wars the Clone War

1705

01:12:11,630 --> 01:12:10,020

series okay

1706

01:12:12,709 --> 01:12:11,640

then you're back to episode three

1707

01:12:14,510 --> 01:12:12,719

Revenge of the city wait wait wait wait

1708

01:12:16,370 --> 01:12:14,520

wait hold on hold on

1709

01:12:18,590 --> 01:12:16,380

what the hell is a Clone Wars movie I

1710

01:12:21,590 --> 01:12:18,600

thought that was a TV TV uh cartoon TV

1711

01:12:22,930 --> 01:12:21,600

series there was a Clone Wars animated

1712

01:12:25,550 --> 01:12:22,940

movie

1713

01:12:28,490 --> 01:12:25,560

uh you just gotta look for it Cratchit

1714

01:12:30,530 --> 01:12:28,500

open up your eyes

1715

01:12:32,390 --> 01:12:30,540

is this one that was so popular that

1716

01:12:35,450 --> 01:12:32,400

they're they're trying to bury it or

1717

01:12:37,669 --> 01:12:35,460

what was it like part of the TV show no

1718

01:12:40,250 --> 01:12:37,679

it was good people seem to enjoy it Wars

1719

01:12:41,930 --> 01:12:40,260

Clone Wars movie

1720

01:12:43,970 --> 01:12:41,940

you don't even know what's going on with

1721

01:12:46,189 --> 01:12:43,980

Star Wars anymore I don't know at a

1722

01:12:48,350 --> 01:12:46,199

certain point it's become noise that's

1723

01:12:49,310 --> 01:12:48,360

your uncle talking it's not my well he'd

1724

01:12:51,590 --> 01:12:49,320

probably agree

1725

01:12:53,750 --> 01:12:51,600

so episode three so after the Clone Wars

1726

01:12:55,550 --> 01:12:53,760

series you do episode three Revenge of

1727

01:12:58,070 --> 01:12:55,560

the Sith then you move on to Star Wars

1728

01:13:00,770 --> 01:12:58,080

the bad batch what the hell is the bad

1729

01:13:04,070 --> 01:13:00,780

bet it's about clones it's about clone

1730

01:13:06,770 --> 01:13:04,080

soldiers that are bad they're autonomous

1731

01:13:09,350 --> 01:13:06,780

they can do their own thing man get with

1732

01:13:11,110 --> 01:13:09,360

the times

1733

01:13:13,430 --> 01:13:11,120

please

1734

01:13:14,470 --> 01:13:13,440

honestly I have never heard of the bad

1735

01:13:18,070 --> 01:13:14,480

batch

1736

01:13:20,330 --> 01:13:18,080

good yeah thanks uh

1737

01:13:22,550 --> 01:13:20,340

then after the bad batch you want to hit

1738

01:13:25,550 --> 01:13:22,560

solo a Star Wars story

1739

01:13:28,610 --> 01:13:25,560

then you want to hit the Obi-Wan Kenobi

1740

01:13:31,070 --> 01:13:28,620

TV series then you want to hit Star Wars

1741

01:13:33,830 --> 01:13:31,080

Rebels then you want to do the Andor

1742

01:13:36,470 --> 01:13:33,840

series which in my opinion is the best

1743

01:13:39,590 --> 01:13:36,480

Star Wars content produced

1744

01:13:40,970 --> 01:13:39,600

since the 2000s then after and or you

1745

01:13:43,070 --> 01:13:40,980

want to do rogue one a Star Wars story

1746

01:13:45,169 --> 01:13:43,080

then you want to do episode four A New

1747

01:13:47,570 --> 01:13:45,179

Hope then episode 5 The Empire Strikes

1748

01:13:50,030 --> 01:13:47,580

Back Then episode 6 Return of the Jedi

1749

01:13:52,310 --> 01:13:50,040

then you want to do the Mandalorian then

1750

01:13:55,130 --> 01:13:52,320

you want to do book a Boba Fett then you

1751
01:13:57,530 --> 01:13:55,140
want to do Star Wars resistance which I

1752
01:14:00,709 --> 01:13:57,540
think is an animated series

1753
01:14:03,130 --> 01:14:00,719
I have no idea what this thing is

1754
01:14:05,270 --> 01:14:03,140
Star Wars resistance Star Wars versus

1755
01:14:08,090 --> 01:14:05,280
another TV series

1756
01:14:09,709 --> 01:14:08,100
then you want to do episode 7 the force

1757
01:14:14,330 --> 01:14:09,719
awakens and you want to do the Last Jedi

1758
01:14:16,189 --> 01:14:14,340
then the rise of Skywalker you gotta do

1759
01:14:17,689 --> 01:14:16,199
that all but I was going into Toshi

1760
01:14:20,649 --> 01:14:17,699
station to pick up some power converters

1761
01:14:22,490 --> 01:14:20,659
no you're watching all these movies

1762
01:14:26,209 --> 01:14:22,500
you can waste time with your friends

1763
01:14:30,590 --> 01:14:26,219

when your chores are done yeah um

1764

01:14:35,090 --> 01:14:32,930

there's a lot of stuff in here

1765

01:14:37,310 --> 01:14:35,100

this is this

1766

01:14:39,530 --> 01:14:37,320

wait what's so it keeps going says

1767

01:14:42,290 --> 01:14:39,540

what's Star Wars Vision it says bonus

1768

01:14:45,590 --> 01:14:42,300

Star Wars Visions this is too much I

1769

01:14:47,450 --> 01:14:45,600

think it's too much

1770

01:14:49,910 --> 01:14:47,460

there was Visions animate another

1771

01:14:53,030 --> 01:14:49,920

animated how many cartoon series are

1772

01:14:55,189 --> 01:14:53,040

there in Star Wars there's a lot

1773

01:14:57,950 --> 01:14:55,199

maybe four

1774

01:15:00,830 --> 01:14:57,960

it actually Four may not be far off I

1775

01:15:02,570 --> 01:15:00,840

think so yeah don't believe the 5.6 are

1776

01:15:04,189 --> 01:15:02,580

there 5.6 of them are they working on

1777

01:15:07,490 --> 01:15:04,199

the sixth it could be it could be in

1778

01:15:11,209 --> 01:15:09,410

oh my God

1779

01:15:14,689 --> 01:15:11,219

too much of this

1780

01:15:19,850 --> 01:15:16,729

talk about beating a dead horse or

1781

01:15:21,649 --> 01:15:19,860

milking a dry cow good lord they're

1782

01:15:25,490 --> 01:15:21,659

really you know to get everything they

1783

01:15:28,310 --> 01:15:26,570

but that's what's happening tomorrow

1784

01:15:29,630 --> 01:15:28,320

people so I I think we'll all be

1785

01:15:31,550 --> 01:15:29,640

watching this together I'll be starting

1786

01:15:34,270 --> 01:15:31,560

in order to watch all of this tomorrow

1787

01:15:36,830 --> 01:15:34,280

I'll be starting at 1am

1788

01:15:38,510 --> 01:15:36,840

and uh powering through it

1789

01:15:40,130 --> 01:15:38,520

yeah I guess how long would it take

1790

01:15:41,149 --> 01:15:40,140

that's the next question yeah if I were

1791

01:15:42,530 --> 01:15:41,159

writing this freaking article that's

1792

01:15:43,850 --> 01:15:42,540

what I would do is how how long would it

1793

01:15:45,229 --> 01:15:43,860

take to start to finish all the way

1794

01:15:48,070 --> 01:15:45,239

through this that's a good question for

1795

01:15:54,770 --> 01:15:51,590

hey internet figure this [h__\h] out hey

1796

01:15:56,870 --> 01:15:54,780

man oh man he wants me to log in let's

1797

01:15:59,330 --> 01:15:56,880

see if I can log in I I'm kind of

1798

01:15:59,340 --> 01:16:04,430

uh see here

1799

01:16:09,770 --> 01:16:06,890

I'm logging in I'm typing rapidly

1800

01:16:12,669 --> 01:16:09,780

feverishly

1801
01:16:23,149 --> 01:16:18,890
uh how long would it take

1802
01:16:27,890 --> 01:16:23,159
for me to watch every

1803
01:16:33,410 --> 01:16:27,900
movie every Star Wars

1804
01:16:33,420 --> 01:16:39,050
how long add it all up

1805
01:16:44,390 --> 01:16:40,490
you got people in the in the chat are

1806
01:16:47,209 --> 01:16:44,400
guessing five days three days uh 149

1807
01:16:49,610 --> 01:16:47,219
hours and 41 minutes

1808
01:16:52,250 --> 01:16:49,620
was that all the TV shows too

1809
01:16:54,290 --> 01:16:52,260
according to chat GPT and they have it

1810
01:16:57,290 --> 01:16:54,300
listed here

1811
01:16:59,750 --> 01:16:57,300
that's only 5.6 days I don't think I can

1812
01:17:02,590 --> 01:16:59,760
get that done in one day no you cannot

1813
01:17:06,050 --> 01:17:02,600

watch 6.2 days worth of stuff in one day

1814

01:17:08,350 --> 01:17:06,060

at what speed would I have to watch it

1815

01:17:11,450 --> 01:17:08,360

or

1816

01:17:13,850 --> 01:17:11,460

okay this movie's only 25 minutes long

1817

01:17:16,149 --> 01:17:13,860

what the hell

1818

01:17:21,530 --> 01:17:16,159

and what

1819

01:17:25,310 --> 01:17:21,540

speed would I have to watch

1820

01:17:27,709 --> 01:17:25,320

in in order to

1821

01:17:29,149 --> 01:17:27,719

view one hour yeah we've got people

1822

01:17:31,070 --> 01:17:29,159

bringing up what about Caravan of

1823

01:17:33,110 --> 01:17:31,080

Courage the Ewok Adventure what was the

1824

01:17:35,149 --> 01:17:33,120

other one the uh battle for Endor what

1825

01:17:37,010 --> 01:17:35,159

about all that [h__h] no one remembers

1826

01:17:39,229 --> 01:17:37,020

battle for Endor with

1827

01:17:41,630 --> 01:17:39,239

um uh I can't think of a guy's name now

1828

01:17:43,610 --> 01:17:41,640

the diabetes guy

1829

01:17:47,890 --> 01:17:43,620

oh

1830

01:17:50,570 --> 01:17:47,900

would have to watch everything at

1831

01:17:53,330 --> 01:17:50,580

625 speed

1832

01:17:55,729 --> 01:17:53,340

you better get going yeah

1833

01:18:00,890 --> 01:17:55,739

yeah so if I can tune everything I watch

1834

01:18:06,890 --> 01:18:00,900

at at 6.25 times the normal speed I can

1835

01:18:12,229 --> 01:18:10,189

okay finally check GPT is paying off

1836

01:18:14,870 --> 01:18:12,239

yeah it's totally worth all the money

1837

01:18:16,960 --> 01:18:14,880

that Microsoft spent on it

1838

01:18:21,850 --> 01:18:16,970

all right uh next story

1839

01:18:25,970 --> 01:18:21,860

[Music]

1840

01:18:30,290 --> 01:18:27,950

um I don't know if like casual so I did

1841

01:18:31,669 --> 01:18:30,300

uh post into the Discord today that

1842

01:18:33,470 --> 01:18:31,679

today being Star Wars day or tomorrow

1843

01:18:35,390 --> 01:18:33,480

being Star Wars day looking for any sort

1844

01:18:37,430 --> 01:18:35,400

of Star Wars related Oddball news we

1845

01:18:40,729 --> 01:18:37,440

could bring up uh so I got a couple from

1846

01:18:43,669 --> 01:18:40,739

people uh this one credit to jigs22 in

1847

01:18:46,310 --> 01:18:43,679

the Discord brings us this story which I

1848

01:18:48,770 --> 01:18:46,320

will put in a carrot shop

1849

01:18:51,770 --> 01:18:48,780

if you are living in Colorado and want

1850

01:18:54,290 --> 01:18:51,780

to really get in on some uh some Star

1851

01:18:56,110 --> 01:18:54,300

Wars action here you go I do I really

1852

01:18:59,689 --> 01:18:56,120

really do

1853

01:19:02,630 --> 01:18:59,699

uh okay so here's a headline here Star

1854

01:19:05,630 --> 01:19:02,640

Wars themed license plates set to be

1855

01:19:07,250 --> 01:19:05,640

auctioned in Colorado that's some good

1856

01:19:08,209 --> 01:19:07,260

news on that front how much we looking

1857

01:19:09,950 --> 01:19:08,219

at

1858

01:19:11,750 --> 01:19:09,960

I'll get in on this auction I don't even

1859

01:19:14,030 --> 01:19:11,760

live there well we'll give you fourteen

1860

01:19:15,950 --> 01:19:14,040

thousand dollars okay

1861

01:19:17,750 --> 01:19:15,960

I don't know if that's it seems a little

1862

01:19:20,689 --> 01:19:17,760

excessive for a license plate but we'll

1863

01:19:22,850 --> 01:19:20,699

see it depends what the art is on the

1864

01:19:25,010 --> 01:19:22,860

license plate it all depends on how good

1865

01:19:27,950 --> 01:19:25,020

this license plate really looks

1866

01:19:30,590 --> 01:19:27,960

uh so may the fourth be with you in

1867

01:19:33,110 --> 01:19:30,600

Colorado yes the Colorado DMV and the

1868

01:19:35,390 --> 01:19:33,120

Colorado disability funding committee

1869

01:19:37,490 --> 01:19:35,400

have teamed up to auction off the rights

1870

01:19:41,149 --> 01:19:37,500

to use 12 different Star Wars themes

1871

01:19:45,770 --> 01:19:43,910

uh they include so all plates

1872

01:19:49,370 --> 01:19:45,780

configurations are currently have a

1873

01:19:50,570 --> 01:19:49,380

starting bid of 100 so that's the

1874

01:19:53,090 --> 01:19:50,580

starting bid

1875

01:19:54,830 --> 01:19:53,100

for this illness yeah okay

1876

01:19:57,110 --> 01:19:54,840

I'll tell you what I'll give you

1877

01:19:58,970 --> 01:19:57,120

fourteen thousand dollars he's going in

1878

01:20:01,729 --> 01:19:58,980

hard it just comes and he buys them all

1879

01:20:04,250 --> 01:20:01,739

out I need all these he's going in real

1880

01:20:06,350 --> 01:20:04,260

hard with that with that bid starting

1881

01:20:08,510 --> 01:20:06,360

bid just ruins it for everybody Jesus

1882

01:20:10,790 --> 01:20:08,520

Christ Hawk you ruin everything auto

1883

01:20:13,610 --> 01:20:10,800

auctions work you ruin every goddamn

1884

01:20:19,310 --> 01:20:16,490

well the plates include Akbar

1885

01:20:21,050 --> 01:20:19,320

Anakin Boba um I bet Bobo is going to go

1886

01:20:23,510 --> 01:20:21,060

for a lot of money

1887

01:20:25,490 --> 01:20:23,520

uh chewy fat oh if that's gonna go for a

1888

01:20:28,850 --> 01:20:25,500

lot of money too a lot of money too May

1889

01:20:31,370 --> 01:20:28,860

the fourth uh Mr Vader who wants to have

1890

01:20:34,430 --> 01:20:31,380

the Mr Vader

1891

01:20:36,410 --> 01:20:34,440

Star Wars why not just Vader was that

1892

01:20:39,290 --> 01:20:36,420

his formal name like in the in the in

1893

01:20:44,169 --> 01:20:39,300

the original cut hey Vader no it's Mr

1894

01:20:48,530 --> 01:20:44,179

Vader Mr Vader you what is

1895

01:20:51,169 --> 01:20:48,540

uh then uh my X-Wing Obi-Wan red two red

1896

01:20:54,169 --> 01:20:51,179

five oh okay this is red five I'm going

1897

01:20:55,970 --> 01:20:54,179

in three and four yeah well they have

1898

01:20:58,310 --> 01:20:55,980

red two down here

1899

01:21:02,149 --> 01:20:58,320

uh these have red two and red five I

1900

01:21:03,530 --> 01:21:02,159

guess red two wedge and Tilly's maybe uh

1901

01:21:05,630 --> 01:21:03,540

may have been wedge I don't remember red

1902

01:21:08,750 --> 01:21:05,640

five standing by

1903

01:21:11,570 --> 01:21:08,760

and then you can have Star War not Star

1904

01:21:16,070 --> 01:21:11,580

Wars you can have still one of them you

1905

01:21:17,169 --> 01:21:16,080

can have Star Wars [h__h] the S you have

1906

01:21:19,610 --> 01:21:17,179

to pick

1907

01:21:23,030 --> 01:21:19,620

why wouldn't they have star like Star

1908

01:21:26,090 --> 01:21:23,040

Wars but like Str Wars to at least make

1909

01:21:28,490 --> 01:21:26,100

it have it make sense yeah I'm with you

1910

01:21:30,410 --> 01:21:28,500

just lose the a

1911

01:21:33,490 --> 01:21:30,420

uh people are asking the chat uh how

1912

01:21:40,370 --> 01:21:36,950

where's my porkage plate

1913

01:21:43,910 --> 01:21:40,380

I paid 14 000 for Star War we didn't get

1914

01:21:46,910 --> 01:21:43,920

the whole thing this is [h__h]

1915

01:21:48,770 --> 01:21:46,920

what jar jar ain't got jar jar on here

1916

01:21:51,169 --> 01:21:48,780

you notice that yeah someone has that

1917

01:21:54,709 --> 01:21:51,179

they won't give that up I'm keeping that

1918

01:21:54,719 --> 01:21:58,130

um

1919

01:22:03,530 --> 01:22:00,770

he's the key to all this

1920

01:22:06,530 --> 01:22:03,540

Focus here's the link to the um the

1921

01:22:09,110 --> 01:22:06,540

bidding the auction all good

1922

01:22:11,630 --> 01:22:09,120

uh starts tomorrow 8 A.M Mountain Time

1923

01:22:13,669 --> 01:22:11,640

Charlie for a week Charlie you gotta get

1924

01:22:16,669 --> 01:22:13,679

in on this

1925

01:22:18,950 --> 01:22:16,679

I need Charlie of macro aggressions

1926

01:22:24,290 --> 01:22:18,960

driving around in an Obi-Wan Kenobi

1927

01:22:25,370 --> 01:22:24,300

plate or Mr Vader or Star War if these

1928

01:22:27,590 --> 01:22:25,380

are the real plates we're looking at

1929

01:22:29,689 --> 01:22:27,600

they didn't license the artwork from

1930

01:22:33,169 --> 01:22:29,699

Star Wars it's just the goddamn Rocky

1931

01:22:35,330 --> 01:22:33,179

Mountains with like these these words on

1932

01:22:38,090 --> 01:22:35,340

them but John Denver's full of [h__\h] like

1933

01:22:39,890 --> 01:22:38,100

there's no Death Star there's no X-Wing

1934

01:22:43,010 --> 01:22:39,900

there's no lightsabers like if I'm gonna

1935

01:22:45,770 --> 01:22:43,020

have Mr Vader I want a red lightsaber I

1936

01:22:48,290 --> 01:22:45,780

want Darth Vader's helmet up there

1937

01:22:50,450 --> 01:22:48,300

but no we're not getting that at all go

1938

01:22:54,050 --> 01:22:50,460

away

1939

01:22:56,450 --> 01:22:54,060

like Star War Star Wars

1940

01:22:57,649 --> 01:22:56,460

now we can afford one whoever gets

1941

01:22:58,790 --> 01:22:57,659

that's gonna you immediately put a

1942

01:23:00,590 --> 01:22:58,800

sticker next to the end of their place

1943

01:23:02,630 --> 01:23:00,600

of course they're gonna get pulled over

1944

01:23:04,850 --> 01:23:02,640

and shot

1945

01:23:06,770 --> 01:23:04,860

that cop's gonna pull him over all right

1946

01:23:11,330 --> 01:23:06,780

buddy you're missing an S your camera in

1947

01:23:15,470 --> 01:23:13,790

also I'm skeptical of Chewie being

1948

01:23:17,390 --> 01:23:15,480

spelled with a y yeah me too I think

1949

01:23:18,729 --> 01:23:17,400

it's technically spelled with an i yeah

1950

01:23:22,850 --> 01:23:18,739

I think it's

1951

01:23:25,130 --> 01:23:22,860

c-h-e-w-i-e which would fit on the plate

1952

01:23:27,590 --> 01:23:25,140

who's behind it this feels like a Star

1953

01:23:29,930 --> 01:23:27,600

Trek fans behind this this one who hates

1954

01:23:31,610 --> 01:23:29,940

Star Wars yeah

1955

01:23:33,050 --> 01:23:31,620

and there's a lot of us around that

1956

01:23:35,330 --> 01:23:33,060

would do something like this that make

1957

01:23:36,709 --> 01:23:35,340

it convincing like you actually care but

1958

01:23:38,750 --> 01:23:36,719

not really

1959

01:23:40,370 --> 01:23:38,760

yeah this is a

1960

01:23:43,189 --> 01:23:40,380

wait a minute OB wait I just noticed

1961

01:23:44,330 --> 01:23:43,199

look at the plate for Obi-Wan yeah it's

1962

01:23:46,430 --> 01:23:44,340

got the

1963

01:23:47,750 --> 01:23:46,440

it's not even spelled correctly it's got

1964

01:23:49,850 --> 01:23:47,760

the number one in there it's got a

1965

01:23:56,410 --> 01:23:49,860

number one in there and then also the

1966

01:24:00,669 --> 01:23:56,420

one Obi One One Obi-Wan Obi One One

1967

01:24:05,870 --> 01:24:04,669

Obi One One so here's the here's the fun

1968

01:24:07,729 --> 01:24:05,880

thing I wonder if you can look up these

1969

01:24:09,649 --> 01:24:07,739

plates after they get issued he could

1970

01:24:10,850 --> 01:24:09,659

find out who these poor bastards you

1971

01:24:13,790 --> 01:24:10,860

have the wrong all these plates are

1972

01:24:17,630 --> 01:24:15,229

it's probably true

1973

01:24:19,550 --> 01:24:17,640

yeah

1974

01:24:21,470 --> 01:24:19,560

so there's the uh everyone

1975

01:24:23,530 --> 01:24:21,480

um watching the stream there's the ob11

1976

01:24:26,330 --> 01:24:23,540

plate if you want to get in on that one

1977

01:24:27,590 --> 01:24:26,340

it's got to be a misprint this is gonna

1978

01:24:30,110 --> 01:24:27,600

be worth some money it's like when they

1979

01:24:34,490 --> 01:24:30,120

have those goofy uh baseball cards that

1980

01:24:38,450 --> 01:24:36,530

um it says

1981

01:24:39,590 --> 01:24:38,460

proceeds benefit the Colorado disability

1982

01:24:41,229 --> 01:24:39,600

funding committee used to provide grants

1983

01:24:44,270 --> 01:24:41,239

to organizations

1984

01:24:46,490 --> 01:24:44,280

you still have to oh interesting you

1985

01:24:48,290 --> 01:24:46,500

still have to pay all state fees with

1986

01:24:49,610 --> 01:24:48,300

these too so even if you spend fourteen

1987

01:24:51,350 --> 01:24:49,620

thousand dollars on the plate you're

1988

01:24:53,630 --> 01:24:51,360

still you're still required to pay all

1989

01:24:55,370 --> 01:24:53,640

the other fees uh-uh brother

1990

01:24:57,229 --> 01:24:55,380

I ain't doing it I was walking in there

1991

01:24:59,689 --> 01:24:57,239

grabbing my plane I'm leaving

1992

01:25:01,669 --> 01:24:59,699

I'll drive it legally I don't have a car

1993

01:25:03,350 --> 01:25:01,679

I was gonna put on my bike yep

1994

01:25:05,030 --> 01:25:03,360

that's what red five would do they're

1995

01:25:07,970 --> 01:25:05,040

not gonna they're not gonna pay taxes to

1996

01:25:11,169 --> 01:25:07,980

the Empire we could Kitty now

1997

01:25:14,270 --> 01:25:11,179

Immortal words of Obi-Wan one one yeah

1998

01:25:18,830 --> 01:25:14,280

I ain't got no plate

1999

01:25:22,189 --> 01:25:20,990

what a disaster they need to think this

2000

01:25:27,310 --> 01:25:22,199

through better next time they announce

2001

01:25:32,350 --> 01:25:30,229

their brainstorming committee really was

2002

01:25:35,630 --> 01:25:32,360

lackluster on this one they they

2003

01:25:38,570 --> 01:25:35,640

probably farmed us out to the intern

2004

01:25:41,090 --> 01:25:38,580

who was doing everything on chat GPT and

2005

01:25:42,229 --> 01:25:41,100

like Google and this is what he came up

2006

01:25:44,689 --> 01:25:42,239

with

2007

01:25:47,570 --> 01:25:44,699

a bunch of [h__\h] so you're saying he

2008

01:25:48,770 --> 01:25:47,580

forgot until the day it was due yeah uh

2009

01:25:53,689 --> 01:25:48,780

Ted we have that meeting about those

2010

01:25:56,030 --> 01:25:53,699

license plates oh [h__\h] [h__\h]

2011

01:25:59,470 --> 01:25:56,040

I gotta do this now

2012

01:26:03,470 --> 01:25:59,480

okay word Awards of pendalanian

2013

01:26:05,090 --> 01:26:03,480

hold on let me print some stuff off

2014

01:26:06,470 --> 01:26:05,100

I'm quickly looking through for any Star

2015

01:26:08,209 --> 01:26:06,480

Wars theme things in the database and

2016

01:26:09,890 --> 01:26:08,219

they're all they're all taken oh my God

2017

01:26:12,050 --> 01:26:09,900

my Photoshop is crashing they're

2018

01:26:13,010 --> 01:26:12,060

expecting mock-ups right now I'll just

2019

01:26:14,689 --> 01:26:13,020

put the Rocky Mountains in the

2020

01:26:16,189 --> 01:26:14,699

background for every one of them

2021

01:26:17,570 --> 01:26:16,199

they're expecting an original artwork

2022

01:26:19,729 --> 01:26:17,580

for each one of the plates no just put

2023

01:26:21,050 --> 01:26:19,739

the Rocky Mountains it's simple wait I

2024

01:26:24,169 --> 01:26:21,060

didn't even spell Obi-Wan correct yeah

2025

01:26:30,530 --> 01:26:29,090

my X-Wing oh yeah that sounds great okay

2026

01:26:32,209 --> 01:26:30,540

which is a famous line from the movie

2027

01:26:33,950 --> 01:26:32,219

where Luke goes up and washes and he

2028

01:26:36,830 --> 01:26:33,960

says this is my ex then he sings this

2029

01:26:38,510 --> 01:26:36,840

song why do they have red 2 with the

2030

01:26:40,070 --> 01:26:38,520

number the numeral two at the end but

2031

01:26:41,570 --> 01:26:40,080

red five doesn't have the numeral five

2032

01:26:45,350 --> 01:26:41,580

at the end

2033

01:26:46,490 --> 01:26:45,360

uh it seems inconsistent yes I think

2034

01:26:47,990 --> 01:26:46,500

they did their best on what was Star

2035

01:26:50,090 --> 01:26:48,000

Wars theme but again why wouldn't you

2036

01:26:52,850 --> 01:26:50,100

find better

2037

01:26:54,950 --> 01:26:52,860

um uh better license plates [h__h] all

2038

01:26:56,510 --> 01:26:54,960

of it I I agree Arnold this is all

2039

01:26:58,550 --> 01:26:56,520

[h__\h] hmm

2040

01:26:59,810 --> 01:26:58,560

as soon as I added up here

2041

01:27:02,090 --> 01:26:59,820

I can't believe they didn't think this

2042

01:27:03,649 --> 01:27:02,100

ring all the way through but you tell me

2043

01:27:05,870 --> 01:27:03,659

they couldn't get Han Solo I mean that

2044

01:27:08,470 --> 01:27:05,880

would fit yeah yeah well you had to

2045

01:27:16,390 --> 01:27:08,480

leave off an O it'd be Han Solo

2046

01:27:23,570 --> 01:27:18,169

Leia

2047

01:27:26,870 --> 01:27:23,580

couldn't get that where's the female

2048

01:27:28,610 --> 01:27:26,880

representation on this I don't see any

2049

01:27:33,169 --> 01:27:28,620

female representation on any of these

2050

01:27:39,950 --> 01:27:33,179

plates no uh man marfma or a mop Gideon

2051

01:27:45,229 --> 01:27:41,350

pass

2052

01:27:51,709 --> 01:27:48,350

there's no my Martha

2053

01:27:54,590 --> 01:27:51,719

it's not oh good lord the Mr Vader one

2054

01:27:56,629 --> 01:27:54,600

just confuses me Big Jim Tucker get paid

2055

01:27:58,370 --> 01:27:56,639

Jim Tucker up there why not why not why

2056

01:28:00,590 --> 01:27:58,380

not like Dr Vader he couldn't even give

2057

01:28:02,050 --> 01:28:00,600

him like a PhD or something yeah maybe

2058

01:28:04,430 --> 01:28:02,060

Tom

2059

01:28:06,830 --> 01:28:04,440

shimabukuro you remember your time sure

2060

01:28:08,390 --> 01:28:06,840

my book wrote from Star Wars he's a

2061

01:28:10,790 --> 01:28:08,400

background character he's just that guy

2062

01:28:12,590 --> 01:28:10,800

in the back he's over there he was

2063

01:28:16,090 --> 01:28:12,600

akbar's co-pilot you remember that time

2064

01:28:18,410 --> 01:28:16,100

should book a rose

2065

01:28:20,570 --> 01:28:18,420

he was that guy standing he's one of the

2066

01:28:22,070 --> 01:28:20,580

two guys standing next to the um the the

2067

01:28:23,750 --> 01:28:22,080

when they fired the laser and he was

2068

01:28:26,390 --> 01:28:23,760

standing next to it oh yeah then you

2069

01:28:30,169 --> 01:28:26,400

stepped on by the at that oh yeah

2070

01:28:34,729 --> 01:28:32,570

Tom Pepper's losing Star Wars

2071

01:28:37,189 --> 01:28:34,739

selling Star Wars vaguely Star Wars

2072

01:28:39,890 --> 01:28:37,199

related background character names

2073

01:28:42,530 --> 01:28:39,900

uh I'd buy it I buy the I buy one of

2074

01:28:44,510 --> 01:28:42,540

those those

2075

01:28:46,010 --> 01:28:44,520

all right we'll move on let's let's see

2076

01:28:51,010 --> 01:28:46,020

we'll see what else you got over there

2077

01:28:55,010 --> 01:28:53,090

hey baby

2078

01:28:56,510 --> 01:28:55,020

all right so last Star Wars story I I

2079

01:28:58,610 --> 01:28:56,520

have it's from earlier this year so they

2080

01:29:01,669 --> 01:28:58,620

do a big convention or a big conference

2081

01:29:03,110 --> 01:29:01,679

called Star Wars celebration oh where uh

2082

01:29:05,510 --> 01:29:03,120

thousands of people show up and the

2083

01:29:07,669 --> 01:29:05,520

whole place smells like Bo I'm sure

2084

01:29:09,470 --> 01:29:07,679

um and uh there was a fight that broke

2085

01:29:11,810 --> 01:29:09,480

out so credit to Herman for digging up

2086

01:29:14,810 --> 01:29:11,820

uh this nonsense oh yeah huge fight

2087

01:29:17,209 --> 01:29:14,820

takes place and Star Wars celebration oh

2088

01:29:22,669 --> 01:29:20,149

uh blasters and lightsabers probably

2089

01:29:24,590 --> 01:29:22,679

flying I'm guessing I'm gonna use these

2090

01:29:26,950 --> 01:29:24,600

plates everywhere license plates flying

2091

01:29:30,229 --> 01:29:26,960

I'm guessing someone hit another

2092

01:29:35,590 --> 01:29:30,239

person's Ewok with a lightsaber and it

2093

01:29:39,350 --> 01:29:37,310

it probably started with someone

2094

01:29:41,390 --> 01:29:39,360

pointing out that someone's uh costume

2095

01:29:41,830 --> 01:29:41,400

was not uh you know 100 correct yeah

2096

01:29:44,689 --> 01:29:41,840

probably

2097

01:29:48,050 --> 01:29:44,699

[Music]

2098

01:29:53,629 --> 01:29:50,629

how was that noise that was a Sonic

2099

01:29:57,229 --> 01:29:53,639

depth charge released by uh Django

2100

01:30:01,310 --> 01:29:59,390

from the [h__h] movies the great

2101
01:30:03,830 --> 01:30:01,320
they're good comparatively to the new

2102
01:30:07,070 --> 01:30:03,840
sequels the the George Lucas prequels

2103
01:30:09,050 --> 01:30:07,080
are like cinematic masterpieces I wonder

2104
01:30:10,850 --> 01:30:09,060
if I go that far compared to the news

2105
01:30:13,070 --> 01:30:10,860
Disney [h__h]

2106
01:30:14,870 --> 01:30:13,080
the new ones don't definitely the new

2107
01:30:17,149 --> 01:30:14,880
ones more work I don't think the

2108
01:30:18,649 --> 01:30:17,159
prequels hold up

2109
01:30:20,689 --> 01:30:18,659
okay

2110
01:30:22,910 --> 01:30:20,699
a horde of fans battle against one

2111
01:30:24,709 --> 01:30:22,920
another at the planet's biggest Star

2112
01:30:27,890 --> 01:30:24,719
Wars convention

2113
01:30:30,050 --> 01:30:27,900

Star Wars celebration Europe 2023 has

2114

01:30:32,930 --> 01:30:30,060

been taking place across uh the weekend

2115

01:30:34,729 --> 01:30:32,940

in London's Excel Convention Center the

2116

01:30:36,590 --> 01:30:34,739

four-day event fans worldwide came

2117

01:30:38,810 --> 01:30:36,600

together to celebrate the Galaxy George

2118

01:30:40,790 --> 01:30:38,820

Lucas created cosplaying characters from

2119

01:30:43,189 --> 01:30:40,800

across lucasfilms Canon of film

2120

01:30:45,470 --> 01:30:43,199

television games Books and Comics to

2121

01:30:47,930 --> 01:30:45,480

hear the latest announcements and share

2122

01:30:50,510 --> 01:30:47,940

in their love of the force

2123

01:30:54,229 --> 01:30:50,520

the bustling convention floor is like

2124

01:30:56,209 --> 01:30:54,239

entering Moss Eisley or Moss espa itself

2125

01:30:58,430 --> 01:30:56,219

that's a very

2126

01:31:01,790 --> 01:30:58,440

that's a deep uh what is moss esper

2127

01:31:03,649 --> 01:31:01,800

versus Moss Eisley you know isn't Moss

2128

01:31:05,330 --> 01:31:03,659

espa the Spaceport and Moss Eisley was

2129

01:31:08,149 --> 01:31:05,340

the closest town to where

2130

01:31:10,490 --> 01:31:08,159

um Luke lived you don't need to see his

2131

01:31:12,770 --> 01:31:10,500

identification maybe how much I'm not I

2132

01:31:14,689 --> 01:31:12,780

should know I should know that pretty

2133

01:31:16,310 --> 01:31:14,699

sure ma cespo was the Spaceport and Moss

2134

01:31:18,110 --> 01:31:16,320

Eisley was like the shitty little like

2135

01:31:21,169 --> 01:31:18,120

Crossroads where he goes down to get his

2136

01:31:24,110 --> 01:31:21,179

power converters at Toshi station

2137

01:31:25,729 --> 01:31:24,120

uh okay there's Stormtroopers aliens

2138

01:31:28,610 --> 01:31:25,739

Jedi Sith and everything in between

2139

01:31:31,550 --> 01:31:28,620

going on about their Day visiting packed

2140

01:31:33,350 --> 01:31:31,560

showcases shopping and exploring what is

2141

01:31:35,689 --> 01:31:33,360

on offer

2142

01:31:38,930 --> 01:31:35,699

so what about this goddamn fight I want

2143

01:31:41,090 --> 01:31:40,129

so

2144

01:31:42,770 --> 01:31:41,100

um

2145

01:31:44,450 --> 01:31:42,780

but some of the fans take things once

2146

01:31:47,149 --> 01:31:44,460

they're further arranging large scale

2147

01:31:48,770 --> 01:31:47,159

large-scale meetups and pop-up style

2148

01:31:50,629 --> 01:31:48,780

events over the weekend one of these

2149

01:31:54,649 --> 01:31:50,639

captured by a fan

2150

01:31:56,510 --> 01:31:54,659

I shared it on Twitter and

2151

01:32:01,790 --> 01:31:56,520

what we're looking at here

2152

01:32:04,250 --> 01:32:01,800

uh quite a few nerds on a bridge and

2153

01:32:07,490 --> 01:32:04,260

they're attacking each other

2154

01:32:09,709 --> 01:32:07,500

with lightsabers very casually and then

2155

01:32:14,030 --> 01:32:09,719

they walk past each other

2156

01:32:18,470 --> 01:32:16,490

okay

2157

01:32:20,629 --> 01:32:18,480

that's that's exactly what happened

2158

01:32:22,490 --> 01:32:20,639

there

2159

01:32:24,649 --> 01:32:22,500

excitement

2160

01:32:26,689 --> 01:32:24,659

look the absolutely they're considering

2161

01:32:28,669 --> 01:32:26,699

this a fight at the Star Wars

2162

01:32:29,570 --> 01:32:28,679

celebration yeah this story is [h__h]

2163

01:32:32,390 --> 01:32:29,580

Herman

2164

01:32:34,370 --> 01:32:32,400

now the video shows a her a horde of

2165

01:32:35,870 --> 01:32:34,380

lightsaber wielding Star Wars there's

2166

01:32:37,490 --> 01:32:35,880

like eight people there there's just a

2167

01:32:40,310 --> 01:32:37,500

few handful

2168

01:32:42,290 --> 01:32:40,320

a horde of lightsaber wielding Star Wars

2169

01:32:44,810 --> 01:32:42,300

fans igniting their blades and running

2170

01:32:48,290 --> 01:32:44,820

at one another with distant battle cries

2171

01:32:50,870 --> 01:32:49,669

that was the Battleground that was the

2172

01:32:54,410 --> 01:32:50,880

Battle Cry

2173

01:32:58,250 --> 01:32:56,270

the setting is reminiscent of the Duel

2174

01:33:00,850 --> 01:32:58,260

of the Fates with the bridge mimicking

2175

01:33:03,010 --> 01:33:00,860

the uh walkways

2176

01:33:06,830 --> 01:33:03,020

obi-1-1

2177

01:33:10,310 --> 01:33:06,840

Obi-Wan one one Kenobi and Qui-Gon Jinn

2178

01:33:11,870 --> 01:33:10,320

fought against Darth Maul at the end of

2179

01:33:14,930 --> 01:33:11,880

Star Wars Episode 1 The Phantom Menace

2180

01:33:20,450 --> 01:33:17,930

yeah Herman uh this is [h__\h] I want

2181

01:33:23,030 --> 01:33:20,460

to see blood I want to see Angry crying

2182

01:33:25,850 --> 01:33:23,040

fans I want to see torn cosplay costumes

2183

01:33:28,010 --> 01:33:25,860

I want to see people that are we're so

2184

01:33:29,330 --> 01:33:28,020

scarred by this event they have forsaken

2185

01:33:30,169 --> 01:33:29,340

star Star Wars for the rest of their

2186

01:33:33,350 --> 01:33:30,179

lives

2187

01:33:35,330 --> 01:33:33,360

because it's just too dangerous

2188

01:33:37,490 --> 01:33:35,340

so I just noticed in the video they

2189

01:33:38,450 --> 01:33:37,500

started far into the the opposite ends

2190

01:33:39,590 --> 01:33:38,460

of the bridge they run towards each

2191

01:33:41,390 --> 01:33:39,600

other they have their little fight they

2192

01:33:42,590 --> 01:33:41,400

run they walk away do you think they all

2193

01:33:44,270 --> 01:33:42,600

just got winded and that's why it

2194

01:33:45,709 --> 01:33:44,280

stopped yeah I think they just couldn't

2195

01:33:47,750 --> 01:33:45,719

take it anymore

2196

01:33:49,790 --> 01:33:47,760

I think they just gave up so they they

2197

01:33:51,370 --> 01:33:49,800

lit up their lightsabers they're running

2198

01:33:55,430 --> 01:33:51,380

at one another

2199

01:33:57,530 --> 01:33:55,440

and they kind of meet in the middle they

2200

01:33:59,510 --> 01:33:57,540

kind of slap each other a little bit

2201
01:34:02,209 --> 01:33:59,520
prank playing grab ass with one another

2202
01:34:04,490 --> 01:34:02,219
and then it lasts for like

2203
01:34:06,669 --> 01:34:04,500
five seconds and they move on a bunch of

2204
01:34:09,470 --> 01:34:06,679
goddamn nerds

2205
01:34:10,790 --> 01:34:09,480
they don't yeah work out a little bit do

2206
01:34:12,770 --> 01:34:10,800
some push-ups before you go to this

2207
01:34:14,570 --> 01:34:12,780
thing yes guys do your cardio gotta get

2208
01:34:15,950 --> 01:34:14,580
in the Jedi fighting sheep you guys

2209
01:34:18,169 --> 01:34:15,960
aren't doing it

2210
01:34:28,030 --> 01:34:18,179
Obi-Wan one will be disappointed [h__\h]

2211
01:34:31,729 --> 01:34:30,229
uh the weekend has seen some big

2212
01:34:34,370 --> 01:34:31,739
announcements for the future of Star

2213
01:34:37,850 --> 01:34:34,380

Wars uh entertainment uh with a trio of

2214

01:34:40,310 --> 01:34:37,860

new films revealed by lucasfilm uh the

2215

01:34:42,830 --> 01:34:40,320

boss Kathleen Kennedy is is basically

2216

01:34:44,510 --> 01:34:42,840

saying hey we're doing new movies

2217

01:34:46,310 --> 01:34:44,520

and she started her first her uh

2218

01:34:49,729 --> 01:34:46,320

announcement with you thought these last

2219

01:34:51,649 --> 01:34:49,739

ones were bad yeah like it or not we're

2220

01:34:53,689 --> 01:34:51,659

doing this stuff because we don't got

2221

01:34:55,330 --> 01:34:53,699

anything else what do you got to do stop

2222

01:34:59,750 --> 01:34:55,340

us

2223

01:35:01,790 --> 01:34:59,760

highly anticipated TV shows such as the

2224

01:35:04,070 --> 01:35:01,800

Acolyte and the Skeleton Crew so whether

2225

01:35:06,470 --> 01:35:04,080

or not uh they actually do this or not

2226

01:35:09,590 --> 01:35:06,480

like they they announce Star Wars stuff

2227

01:35:13,490 --> 01:35:09,600

all the time and it gets yanked down

2228

01:35:16,729 --> 01:35:13,500

because they over promise and then they

2229

01:35:19,010 --> 01:35:16,739

under deliver in multiple different ways

2230

01:35:21,350 --> 01:35:19,020

I think there's a lot of turmoil within

2231

01:35:23,330 --> 01:35:21,360

lucasfilm I mean given what happened

2232

01:35:25,370 --> 01:35:23,340

with the most recent season of

2233

01:35:28,370 --> 01:35:25,380

Mandalorian which was kind of lackluster

2234

01:35:30,229 --> 01:35:28,380

uh and it didn't uh it seemed like it

2235

01:35:32,750 --> 01:35:30,239

really could have been three or four

2236

01:35:35,209 --> 01:35:32,760

episodes and they expanded it to eight

2237

01:35:38,390 --> 01:35:35,219

either John Favreau gave up on it

2238

01:35:39,830 --> 01:35:38,400

or he's being sidelined well and I

2239

01:35:41,390 --> 01:35:39,840

noticed that I watched the first season

2240

01:35:43,669 --> 01:35:41,400

whenever that came out several years ago

2241

01:35:44,390 --> 01:35:43,679

that was before covet I think

2242

01:35:46,010 --> 01:35:44,400

um

2243

01:35:47,990 --> 01:35:46,020

and I noticed I was like this the series

2244

01:35:49,669 --> 01:35:48,000

with with these streaming series they've

2245

01:35:51,470 --> 01:35:49,679

recently been moving to you only get six

2246

01:35:53,510 --> 01:35:51,480

or eight or ten episodes

2247

01:35:55,129 --> 01:35:53,520

but when there's when you have a shorter

2248

01:35:57,229 --> 01:35:55,139

series like that Eight Episodes ten

2249

01:35:59,570 --> 01:35:57,239

episodes and there's already like Filler

2250

01:36:01,669 --> 01:35:59,580

episodes that don't do anything it just

2251

01:36:04,550 --> 01:36:01,679

says to me they're just out of ideas

2252

01:36:06,770 --> 01:36:04,560

so I it's just incredibly odd to think

2253

01:36:08,149 --> 01:36:06,780

about I don't think John Favreau is the

2254

01:36:09,770 --> 01:36:08,159

kind of guy who gets out of ideas

2255

01:36:11,510 --> 01:36:09,780

especially when you're this passionate

2256

01:36:14,570 --> 01:36:11,520

about Star Wars which I think that he is

2257

01:36:17,450 --> 01:36:14,580

I think what happened he had a plan for

2258

01:36:20,930 --> 01:36:17,460

his series and that planned got

2259

01:36:23,270 --> 01:36:20,940

sidelined by higher ups and they wanted

2260

01:36:27,290 --> 01:36:23,280

it to go in a direction that he did not

2261

01:36:30,110 --> 01:36:27,300

initially plan and so he was forced uh

2262

01:36:32,030 --> 01:36:30,120

by their executive decisions to rewrite

2263

01:36:33,770 --> 01:36:32,040

his story

2264

01:36:35,750 --> 01:36:33,780

and so he's like okay I really didn't

2265

01:36:37,430 --> 01:36:35,760

plan on this I'll I'll throw this in

2266

01:36:40,490 --> 01:36:37,440

here I'll throw I'll change this over

2267

01:36:41,870 --> 01:36:40,500

here uh that will line up with what you

2268

01:36:43,430 --> 01:36:41,880

guys are trying to do in the future but

2269

01:36:45,070 --> 01:36:43,440

that's not what I envisioned I think

2270

01:36:48,890 --> 01:36:45,080

there are some internal battles going on

2271

01:36:50,390 --> 01:36:48,900

uh they can't get on the same page and

2272

01:36:52,729 --> 01:36:50,400

when you when that when that happens

2273

01:36:54,649 --> 01:36:52,739

you're going to produce mediocre content

2274

01:36:56,750 --> 01:36:54,659

which is what we've seen out of Star

2275

01:36:58,310 --> 01:36:56,760

Wars pretty much besides like Andor in

2276

01:37:01,129 --> 01:36:58,320

the first two seasons of the Mandalorian

2277

01:37:03,110 --> 01:37:01,139

it's been pretty mediocre

2278

01:37:04,550 --> 01:37:03,120

do you think he kind of Drew the line

2279

01:37:07,910 --> 01:37:04,560

when they wanted him to introduce that

2280

01:37:09,590 --> 01:37:07,920

new character Obi-Wan one I I yeah he

2281

01:37:11,750 --> 01:37:09,600

probably is like we can't do this it

2282

01:37:13,129 --> 01:37:11,760

doesn't make any sense

2283

01:37:14,930 --> 01:37:13,139

you're not even following the lore

2284

01:37:17,209 --> 01:37:14,940

anymore I think it all came it has to do

2285

01:37:19,729 --> 01:37:17,219

with baby Yoda and that the the

2286

01:37:22,189 --> 01:37:19,739

higher-ups failed

2287

01:37:25,729 --> 01:37:22,199

to anticipate the need in the want for

2288

01:37:27,169 --> 01:37:25,739

baby Yoda merchandise uh baby Yoda was

2289

01:37:29,149 --> 01:37:27,179

only supposed to be included in the

2290

01:37:30,470 --> 01:37:29,159

first two seasons and then he was gonna

2291

01:37:31,550 --> 01:37:30,480

say it it seems to me like they

2292

01:37:33,410 --> 01:37:31,560

introduce this character and they don't

2293

01:37:36,350 --> 01:37:33,420

know what to do with it well he was

2294

01:37:40,010 --> 01:37:36,360

supposed to move on to be trained as a

2295

01:37:43,070 --> 01:37:40,020

Jedi by Luke and move that story on to

2296

01:37:44,990 --> 01:37:43,080

Luke doing the whole Jedi thing but they

2297

01:37:46,250 --> 01:37:45,000

were like no I think the higher up said

2298

01:37:48,950 --> 01:37:46,260

no

2299

01:37:50,870 --> 01:37:48,960

uh this thing is so cute it's so popular

2300

01:37:52,129 --> 01:37:50,880

we can sell so much more merchandise

2301

01:37:55,070 --> 01:37:52,139

with this thing it's got to be in the

2302

01:37:58,610 --> 01:37:55,080

Mandalorian so they forced John Favreau

2303

01:38:00,350 --> 01:37:58,620

to write this thing back in and kind of

2304

01:38:02,870 --> 01:38:00,360

weave in and out of the storyline I

2305

01:38:04,430 --> 01:38:02,880

think that maybe what happened I'm just

2306

01:38:05,450 --> 01:38:04,440

guessing and I think a little like

2307

01:38:07,370 --> 01:38:05,460

there's a lot of other people out there

2308

01:38:10,189 --> 01:38:07,380

to have a theory too like Doom [h__h] and

2309

01:38:13,070 --> 01:38:10,199

and some of the other uh Big Nerd shows

2310

01:38:14,390 --> 01:38:13,080

that I watch uh it's and I I agree with

2311

01:38:17,090 --> 01:38:14,400

their their theories on it like that

2312

01:38:19,729 --> 01:38:17,100

that kind of makes sense

2313

01:38:21,709 --> 01:38:19,739

but okay

2314

01:38:23,300 --> 01:38:21,719

all right let's do another story

2315

01:38:27,830 --> 01:38:23,310

question all right

2316

01:38:29,990 --> 01:38:27,840

[Music]

2317

01:38:32,510 --> 01:38:30,000

what am I doing

2318

01:38:36,229 --> 01:38:32,520

uh so we are out of uh Star Wars land

2319

01:38:37,970 --> 01:38:36,239

here I'm sorry I'm just so tired of all

2320

01:38:40,729 --> 01:38:37,980

these Star Wars

2321

01:38:42,530 --> 01:38:40,739

let's see so that's not I don't do that

2322

01:38:44,149 --> 01:38:42,540

one oops we forgot a Bigfoot story sorry

2323

01:38:45,709 --> 01:38:44,159

about that oh

2324

01:38:47,330 --> 01:38:45,719

you gonna go back to that one there's a

2325

01:38:50,209 --> 01:38:47,340

there's Bigfoot news

2326

01:38:51,590 --> 01:38:50,219

well I got the some paranormal stuff for

2327

01:38:53,450 --> 01:38:51,600

Saturday if you can save that for

2328

01:38:55,250 --> 01:38:53,460

Saturday okay wait let me double check

2329

01:38:57,169 --> 01:38:55,260

the date on this it's about a thing

2330

01:38:59,629 --> 01:38:57,179

which the date is

2331

01:39:02,750 --> 01:38:59,639

June 9th okay we're good okay remind me

2332

01:39:03,709 --> 01:39:02,760

Saturday we'll talk about Bigfoot stuff

2333

01:39:05,990 --> 01:39:03,719

um

2334

01:39:08,510 --> 01:39:06,000

let's see how about this one so here's a

2335

01:39:10,490 --> 01:39:08,520

guy Rex's truck causes all sorts of

2336

01:39:12,950 --> 01:39:10,500

havoc on a highway

2337

01:39:14,689 --> 01:39:12,960

but not in the way you're thinking Hmm

2338

01:39:16,850 --> 01:39:14,699

now I'm curious

2339

01:39:19,910 --> 01:39:16,860

I think there might be a new story with

2340

01:39:23,090 --> 01:39:19,920

this one I'm not 100 sure

2341

01:39:27,530 --> 01:39:23,100

no no new story sorry

2342

01:39:30,110 --> 01:39:27,540

uh crash unleashes one million bees on

2343

01:39:32,030 --> 01:39:30,120

to Florida Highway oh boy man I got

2344

01:39:36,410 --> 01:39:32,040

mixed emotions about this one yeah I

2345

01:39:42,590 --> 01:39:39,290

Everyone likes a good car crash but uh

2346

01:39:44,629 --> 01:39:42,600

the bees has a whole nother problem a

2347

01:39:46,729 --> 01:39:44,639

semi-track hauling beehives crashed

2348

01:39:48,890 --> 01:39:46,739

early Tuesday releasing a swarm of bees

2349

01:39:50,090 --> 01:39:48,900

onto unsuspecting morning commuters

2350

01:39:53,450 --> 01:39:50,100

that'll wake you up in the morning

2351

01:39:54,830 --> 01:39:53,460

driving through a swarm of babies in the

2352

01:39:56,689 --> 01:39:54,840

morning I need one of those signs where

2353

01:39:58,430 --> 01:39:56,699

the highway says caution bees what's

2354

01:40:00,649 --> 01:39:58,440

worse is like you know when every time

2355

01:40:02,090 --> 01:40:00,659

there's a wreck people slow down and

2356

01:40:04,310 --> 01:40:02,100

you're in traffic and then you're just

2357

01:40:05,810 --> 01:40:04,320

waiting there now you waiting there and

2358

01:40:08,090 --> 01:40:05,820

potentially they're being attacked by

2359

01:40:09,950 --> 01:40:08,100

millions of bees

2360

01:40:11,510 --> 01:40:09,960

especially if there's lots of traffic so

2361

01:40:12,590 --> 01:40:11,520

you slow down and you're and it's

2362

01:40:14,990 --> 01:40:12,600

morning so you're like I'm Gonna Roll My

2363

01:40:16,729 --> 01:40:15,000

Windows Down let some air in yeah oh no

2364

01:40:19,370 --> 01:40:16,739

it's so hot in here

2365

01:40:20,510 --> 01:40:19,380

no you're [h__h] you're gonna screw

2366

01:40:22,450 --> 01:40:20,520

yourself

2367

01:40:24,890 --> 01:40:22,460

I mean

2368

01:40:27,050 --> 01:40:24,900

I'm sorry I was trying to roll down the

2369

01:40:29,149 --> 01:40:27,060

window

2370

01:40:31,910 --> 01:40:29,159

okay there we go

2371

01:40:33,950 --> 01:40:31,920

uh Florida Highway Patrol told NBC

2372

01:40:35,030 --> 01:40:33,960

affiliate the truck was hauling beehives

2373

01:40:37,669 --> 01:40:35,040

which were

2374

01:40:41,689 --> 01:40:37,679

uh home to around 1 million bees a crash

2375

01:40:44,270 --> 01:40:41,699

happened on US 301 near Baldwin which is

2376

01:40:46,010 --> 01:40:44,280

just outside Jacksonville city limits

2377

01:40:47,390 --> 01:40:46,020

no one was hurting a crash according to

2378

01:40:49,970 --> 01:40:47,400

the police department but some of the

2379

01:40:52,729 --> 01:40:49,980

hives were damaged leaving the Swarm uh

2380

01:40:55,669 --> 01:40:52,739

bees uh confused and they're gathering

2381

01:40:57,709 --> 01:40:55,679

around the truck uh beekeepers loaded

2382

01:40:59,990 --> 01:40:57,719

the intact hives into other trucks

2383

01:41:02,750 --> 01:41:00,000

before the road reopened around 7 A.M

2384

01:41:05,689 --> 01:41:02,760

the damage highs were hauled away along

2385

01:41:07,610 --> 01:41:05,699

with the semi so okay it sounds like it

2386

01:41:10,729 --> 01:41:07,620

all ended well the bees got back in

2387

01:41:11,750 --> 01:41:10,739

their hive and everything I think they

2388

01:41:13,070 --> 01:41:11,760

got them all do you think someone had to

2389

01:41:15,290 --> 01:41:13,080

go through and count them

2390

01:41:16,669 --> 01:41:15,300

yeah that's the thing like a million

2391

01:41:18,350 --> 01:41:16,679

bees you figure you're gonna there's

2392

01:41:19,970 --> 01:41:18,360

gonna be a few stragglers

2393

01:41:22,250 --> 01:41:19,980

like they're not all going to be in

2394

01:41:23,930 --> 01:41:22,260

there so you think this this truck shows

2395

01:41:26,930 --> 01:41:23,940

up to some you know some farmer and he's

2396

01:41:29,930 --> 01:41:26,940

like uh there's only 999 998. we got

2397

01:41:32,570 --> 01:41:29,940

most of them there's like there's five

2398

01:41:35,390 --> 01:41:32,580

that we can't find lock it back out and

2399

01:41:38,209 --> 01:41:35,400

get those bees find the bees

2400

01:41:39,350 --> 01:41:38,219

I'm not paying I ain't leave it here I

2401

01:41:42,229 --> 01:41:39,360

ain't moved the truck until we find

2402

01:41:44,990 --> 01:41:42,239

every last B this bill of ladies lading

2403

01:41:46,669 --> 01:41:45,000

says one million bees and I'm counting

2404

01:41:52,129 --> 01:41:46,679

them one at a time

2405

01:41:55,669 --> 01:41:53,330

good boy

2406

01:41:58,189 --> 01:41:55,679

that's that's a unique insurance that

2407

01:42:00,050 --> 01:41:58,199

you'd have to have to to do that it's

2408

01:42:01,510 --> 01:42:00,060

not like your standard truck insurance

2409

01:42:04,129 --> 01:42:01,520

right

2410

01:42:05,629 --> 01:42:04,139

you need apiary Insurance yeah the

2411

01:42:08,570 --> 01:42:05,639

General's not covering this one are they

2412

01:42:11,149 --> 01:42:08,580

I don't think so called State Farm uh

2413

01:42:13,370 --> 01:42:11,159

you guys cover bees I'm hauling about a

2414

01:42:16,310 --> 01:42:13,380

million bees

2415

01:42:19,729 --> 01:42:16,320

and I'm telling you I might crash

2416

01:42:22,250 --> 01:42:19,739

I might have lost a few of them

2417

01:42:24,850 --> 01:42:22,260

how much do you insure like one piece I

2418

01:42:29,770 --> 01:42:24,860

want to ensure one B

2419

01:42:32,689 --> 01:42:29,780

I need a million dollar policy on 1B

2420

01:42:34,310 --> 01:42:32,699

don't ask questions

2421

01:42:35,990 --> 01:42:34,320

send me the forms

2422

01:42:38,689 --> 01:42:36,000

I wonder I wonder if you can just take

2423

01:42:41,209 --> 01:42:38,699

out insurance like one insect

2424

01:42:43,370 --> 01:42:41,219

I tell you I doubt you could find I bet

2425

01:42:46,070 --> 01:42:43,380

the premium would be also off the hook

2426

01:42:47,510 --> 01:42:46,080

you couldn't deal with that well I bet

2427

01:42:48,950 --> 01:42:47,520

you could find someone who would do that

2428

01:42:50,990 --> 01:42:48,960

but you're gonna have a model like the

2429

01:42:53,330 --> 01:42:51,000

mob would do it for you

2430

01:42:55,790 --> 01:42:53,340

oh I got you the big at six percent

2431

01:42:56,990 --> 01:42:55,800

no that's uh 350 a week so you know what

2432

01:43:01,629 --> 01:42:57,000

you're doing don't worry no one's

2433

01:43:05,510 --> 01:43:03,950

until you need the bees you come to me

2434

01:43:07,250 --> 01:43:05,520

tell you what you tell me where you eat

2435

01:43:08,570 --> 01:43:07,260

the piece I get the piece there yeah I I

2436

01:43:09,530 --> 01:43:08,580

it's the only people that would take

2437

01:43:11,209 --> 01:43:09,540

care of it

2438

01:43:12,340 --> 01:43:11,219

One More Story before we get out of here

2439

01:43:16,990 --> 01:43:12,350

come on

2440

01:43:20,330 --> 01:43:17,000

[Music]

2441

01:43:22,370 --> 01:43:20,340

so much no condition

2442

01:43:25,669 --> 01:43:22,380

um I've got uh follow-up story about

2443

01:43:28,669 --> 01:43:25,679

bears I've got an Andre the Giant story

2444

01:43:29,629 --> 01:43:28,679

um I've got a story about

2445

01:43:32,810 --> 01:43:29,639

um

2446

01:43:34,790 --> 01:43:32,820

selling body parts or yeah selling body

2447

01:43:36,590 --> 01:43:34,800

parts and a story about a guy drilling a

2448

01:43:40,010 --> 01:43:36,600

hole in the back of his own head now

2449

01:43:44,930 --> 01:43:42,890

so we had a series of stories about body

2450

01:43:47,270 --> 01:43:44,940

parts gone missing if you recall oh yeah

2451

01:43:51,649 --> 01:43:47,280

Denver actually a lot of a lot of Denver

2452

01:43:53,390 --> 01:43:51,659

and Colorado news yeah yeah

2453

01:43:55,330 --> 01:43:53,400

um so complaints about the last people

2454

01:43:58,189 --> 01:43:55,340

who complained about the obi-1-1 license

2455

01:44:00,050 --> 01:43:58,199

uh so here's a woman who just uh said

2456

01:44:02,090 --> 01:44:00,060

you know look I'm I'm gonna take these

2457

01:44:03,649 --> 01:44:02,100

these body parts I'm gonna sell them no

2458

01:44:06,169 --> 01:44:03,659

one's using them

2459

01:44:09,169 --> 01:44:06,179

this guy doesn't need them yeah

2460

01:44:13,070 --> 01:44:09,179

Arkansas woman pleads uh not guilty to

2461

01:44:15,169 --> 01:44:13,080

selling over 20 boxes of stolen human

2462

01:44:17,629 --> 01:44:15,179

body parts

2463

01:44:20,570 --> 01:44:17,639

quite the story

2464

01:44:22,189 --> 01:44:20,580

20 boxes well how big are these boxes

2465

01:44:25,129 --> 01:44:22,199

and that's the question

2466

01:44:27,350 --> 01:44:25,139

an Arkansas woman uh pleaded not guilty

2467

01:44:29,270 --> 01:44:27,360

to charges she stole body parts from

2468

01:44:31,669 --> 01:44:29,280

Medical School cadavers and sold them

2469

01:44:34,430 --> 01:44:31,679

through Facebook for about eleven

2470

01:44:35,890 --> 01:44:34,440

thousand dollars

2471

01:44:38,450 --> 01:44:35,900

[Music]

2472

01:44:40,430 --> 01:44:38,460

I'll give you fourteen thousand dollars

2473

01:44:44,149 --> 01:44:40,440

outbid again and I wanted those body

2474

01:44:47,450 --> 01:44:44,159

parts I needed them on eBay damn it Hulk

2475

01:44:48,890 --> 01:44:47,460

who's this Hogan guy she sold it through

2476
01:44:50,810 --> 01:44:48,900
the Facebook Marketplace I'm surprised

2477
01:44:52,070 --> 01:44:50,820
Facebook didn't flag this they take down

2478
01:44:54,890 --> 01:44:52,080
everything else they take down Hunter

2479
01:44:57,350 --> 01:44:54,900
buys stuff they take down you know uh

2480
01:44:59,229 --> 01:44:57,360
Ukraine disinformation they won't take

2481
01:45:02,830 --> 01:44:59,239
down body parts

2482
01:45:05,689 --> 01:45:02,840
that's cool that's fine that's good

2483
01:45:07,609 --> 01:45:05,699
uh Candace Chapman Scott a 36 year old

2484
01:45:09,530 --> 01:45:07,619
former Mortuary service worker is

2485
01:45:13,129 --> 01:45:09,540
accused of selling 20 boxes of

2486
01:45:15,410 --> 01:45:13,139
everything from human skin to skulls to

2487
01:45:17,990 --> 01:45:15,420
a man in Pennsylvania according to a

2488
01:45:20,030 --> 01:45:18,000

Federal grand jury indictment unsealed

2489

01:45:22,189 --> 01:45:20,040

by Little Rock so one guy bought 20

2490

01:45:23,330 --> 01:45:22,199

boxes of stuff one guy bought all this

2491

01:45:25,910 --> 01:45:23,340

stuff

2492

01:45:27,770 --> 01:45:25,920

what's he building something's going on

2493

01:45:29,270 --> 01:45:27,780

something's going on

2494

01:45:31,129 --> 01:45:29,280

hmm

2495

01:45:33,350 --> 01:45:31,139

I don't know well we're gonna find out

2496

01:45:36,410 --> 01:45:33,360

what this uh what this guy is doing it

2497

01:45:38,689 --> 01:45:36,420

was was that was the receiver charged

2498

01:45:40,850 --> 01:45:38,699

so scholar starts with uh 12 counts of

2499

01:45:42,890 --> 01:45:40,860

mail fraud wire fraud and Interstate

2500

01:45:44,209 --> 01:45:42,900

transportation of stolen property a

2501

01:45:47,209 --> 01:45:44,219

lawyer representing her did not

2502

01:45:48,470 --> 01:45:47,219

immediately return a phone call from NPR

2503

01:45:50,090 --> 01:45:48,480

requesting comment according to the

2504

01:45:51,530 --> 01:45:50,100

court document Scott worked for a

2505

01:45:53,330 --> 01:45:51,540

company that offered commercial

2506

01:45:56,450 --> 01:45:53,340

cremation services

2507

01:45:58,430 --> 01:45:56,460

one of their clients was an anatomy lab

2508

01:46:00,770 --> 01:45:58,440

at the University of Arkansas which used

2509

01:46:02,149 --> 01:46:00,780

donated cadavers for Medical Education

2510

01:46:04,070 --> 01:46:02,159

and Research

2511

01:46:06,229 --> 01:46:04,080

one of the company's scheduled pickup

2512

01:46:08,350 --> 01:46:06,239

days uh she messes the owner of a

2513

01:46:10,729 --> 01:46:08,360

Facebook group what group is that

2514

01:46:13,010 --> 01:46:10,739

explaining how uh they do name it here

2515

01:46:15,229 --> 01:46:13,020

at one point uh Facebook private

2516

01:46:17,629 --> 01:46:15,239

Facebook group named Oddities oh okay

2517

01:46:20,209 --> 01:46:17,639

she mentioned a private Facebook group

2518

01:46:22,310 --> 01:46:20,219

explaining how she acquired the corpses

2519

01:46:25,970 --> 01:46:22,320

named Oddities the private Facebook

2520

01:46:29,330 --> 01:46:25,980

group contained about 380 members and

2521

01:46:32,629 --> 01:46:29,340

builds itself as a safe way to shop well

2522

01:46:37,250 --> 01:46:35,450

um I follow your page in in work and I

2523

01:46:39,350 --> 01:46:37,260

love it Scott wrote to the owner

2524

01:46:41,270 --> 01:46:39,360

according to the indictment just out of

2525

01:46:48,790 --> 01:46:41,280

curiosity would you know anyone in the

2526

01:46:53,930 --> 01:46:51,410

by the way do you know anybody

2527

01:46:57,950 --> 01:46:53,940

uh Scott sent pictures of two brains and

2528

01:47:00,890 --> 01:46:57,960

a heart a man offered uh 1100 or 1200

2529

01:47:04,490 --> 01:47:00,900

via Paypal in case got pointers on how

2530

01:47:06,470 --> 01:47:04,500

to ship the three organs to him in Enola

2531

01:47:08,930 --> 01:47:06,480

Pennsylvania via the U.S Postal Service

2532

01:47:10,490 --> 01:47:08,940

you know use the USPS why not just put

2533

01:47:12,350 --> 01:47:10,500

put some stamps on it it's fine yeah

2534

01:47:13,370 --> 01:47:12,360

yeah this is what I want this is what I

2535

01:47:15,410 --> 01:47:13,380

need

2536

01:47:17,570 --> 01:47:15,420

over the course of the next nine months

2537

01:47:21,109 --> 01:47:17,580

Scott proceeded to ship the man an ear

2538

01:47:25,550 --> 01:47:21,119

in arm lungs liver kidneys hands breasts

2539

01:47:27,530 --> 01:47:25,560

penises multiple multiple penises only

2540

01:47:31,609 --> 01:47:27,540

one head but this guy had multiple dicks

2541

01:47:34,370 --> 01:47:31,619

yeah fetuses skin skull and one whole

2542

01:47:37,070 --> 01:47:34,380

human head in exchange he paid her about

2543

01:47:40,250 --> 01:47:37,080

ten thousand or eleven thousand dollars

2544

01:47:42,350 --> 01:47:40,260

in 16 separate PayPal transfers each

2545

01:47:44,450 --> 01:47:42,360

time Scott returned the rest of the

2546

01:47:46,609 --> 01:47:44,460

remains cremated it to the schools it

2547

01:47:47,570 --> 01:47:46,619

seems like she's going to serve the

2548

01:47:49,250 --> 01:47:47,580

science

2549

01:47:50,689 --> 01:47:49,260

wait wait wait wait wait so this little

2550

01:47:52,729 --> 01:47:50,699

note here about she returned the rest of

2551

01:47:56,109 --> 01:47:52,739

the remains so she was taking entire

2552

01:47:59,390 --> 01:47:56,119

corpses out of the the mortuary

2553

01:48:00,770 --> 01:47:59,400

penis from this guy I just need to skin

2554

01:48:03,169 --> 01:48:00,780

from this one

2555

01:48:05,870 --> 01:48:03,179

I'll take his skull and I'll take her

2556

01:48:07,189 --> 01:48:05,880

breaths yeah so do you think in the

2557

01:48:09,350 --> 01:48:07,199

morning she's coming back into work with

2558

01:48:10,850 --> 01:48:09,360

just like several large bags and people

2559

01:48:13,669 --> 01:48:10,860

don't think anything of it she's walking

2560

01:48:16,970 --> 01:48:13,679

in with grocery bags don't worry don't

2561

01:48:20,330 --> 01:48:16,980

worry don't don't mind me just my lunch

2562

01:48:23,330 --> 01:48:20,340

just my luncheon is large 40 gallon

2563

01:48:25,010 --> 01:48:23,340

plastic bag got a funky bag dripping

2564

01:48:27,169 --> 01:48:25,020

stuff out of the back of it

2565

01:48:29,570 --> 01:48:27,179

uh the indictment does not name the

2566

01:48:32,090 --> 01:48:29,580

buyer but separate State charges connect

2567

01:48:35,330 --> 01:48:32,100

the case to Pennsylvania resident Jeremy

2568

01:48:36,410 --> 01:48:35,340

Lee Pauly age 40. I like that I say you

2569

01:48:38,830 --> 01:48:36,420

know this doesn't actually say who did

2570

01:48:41,930 --> 01:48:38,840

it but it was this guy but Jeremy did it

2571

01:48:46,370 --> 01:48:41,940

it was him there he is of course it was

2572

01:48:48,590 --> 01:48:46,380

Jerry his license plate is Obi obi-1-1

2573

01:48:50,629 --> 01:48:48,600

Paulie was charged by the Cumberland

2574

01:48:52,430 --> 01:48:50,639

County Criminal Court with four counts

2575

01:48:54,530 --> 01:48:52,440

of receiving stolen property well he

2576

01:48:56,629 --> 01:48:54,540

didn't know it was stolen

2577

01:48:58,129 --> 01:48:56,639

well receiving stolen purchasing stolen

2578

01:49:00,350 --> 01:48:58,139

property is not absolving you you're

2579

01:49:02,149 --> 01:49:00,360

right of the crime but

2580

01:49:04,370 --> 01:49:02,159

was it really stolen I mean who owned it

2581

01:49:05,629 --> 01:49:04,380

can you own a person well I think we

2582

01:49:08,149 --> 01:49:05,639

should litigate property probably

2583

01:49:10,430 --> 01:49:08,159

technically property of

2584

01:49:12,229 --> 01:49:10,440

the facility issue is working at I mean

2585

01:49:13,910 --> 01:49:12,239

I'm guessing that's what they mean but

2586

01:49:15,709 --> 01:49:13,920

do they actually if you go to get if you

2587

01:49:17,270 --> 01:49:15,719

go to get cremated in a mortuary or do

2588

01:49:20,810 --> 01:49:17,280

they own you

2589

01:49:25,370 --> 01:49:23,030

who's the victim here

2590

01:49:28,609 --> 01:49:25,380

hey science I was gonna burn those parts

2591

01:49:30,830 --> 01:49:28,619

but you you sold them

2592

01:49:35,270 --> 01:49:30,840

I wanted to burn them but you sold them

2593

01:49:37,430 --> 01:49:35,280

on eBay or Facebook on Facebook

2594

01:49:41,689 --> 01:49:37,440

uh the police are tipped off to Paulie's

2595

01:49:43,669 --> 01:49:41,699

purchases in uh July June of 2020 or

2596

01:49:45,410 --> 01:49:43,679

June of 2022 according to the press

2597

01:49:47,750 --> 01:49:45,420

release who tipped him off

2598

01:49:49,550 --> 01:49:47,760

yeah I got a hot tip for you

2599

01:49:51,290 --> 01:49:49,560

hey look over here this guy's buying

2600

01:49:53,870 --> 01:49:51,300

penises

2601
01:49:56,149 --> 01:49:53,880
I've been watching them check out check

2602
01:49:57,830 --> 01:49:56,159
out what this guy gets in the mail I go

2603
01:50:00,290 --> 01:49:57,840
through all this mail it's constantly

2604
01:50:02,450 --> 01:50:00,300
brains and penises it's just heads and

2605
01:50:04,550 --> 01:50:02,460
penises and it looks like the real stuff

2606
01:50:06,229 --> 01:50:04,560
too and that's not even good ones not

2607
01:50:09,530 --> 01:50:06,239
even the Chinese knockoff this looks

2608
01:50:11,810 --> 01:50:09,540
like real American penis

2609
01:50:15,169 --> 01:50:11,820
uh in July a caller reported finding

2610
01:50:17,209 --> 01:50:15,179
human organs and human skin rest resting

2611
01:50:18,590 --> 01:50:17,219
in five gallon buckets in Paulie's

2612
01:50:21,050 --> 01:50:18,600
basement why are you going through

2613
01:50:22,070 --> 01:50:21,060

Jeremy's basement what's he doing who's

2614

01:50:23,510 --> 01:50:22,080

the caller and what are they doing in

2615

01:50:25,430 --> 01:50:23,520

the basement yeah why are you going

2616

01:50:26,830 --> 01:50:25,440

through Jeremy's basement it's locked

2617

01:50:28,910 --> 01:50:26,840

you shouldn't be down there

2618

01:50:30,530 --> 01:50:28,920

[Music]

2619

01:50:31,609 --> 01:50:30,540

it's just a dirt floor and a big hole

2620

01:50:33,649 --> 01:50:31,619

with people in it I don't know what's

2621

01:50:36,229 --> 01:50:33,659

going on down there uh officials confirm

2622

01:50:38,330 --> 01:50:36,239

the report confiscating all remains and

2623

01:50:41,689 --> 01:50:38,340

intercepted any additional set of

2624

01:50:43,609 --> 01:50:41,699

packages containing Parts uh as they

2625

01:50:47,870 --> 01:50:43,619

were being shipped from scrant shipped

2626

01:50:49,850 --> 01:50:47,880

in Scranton ah the Biden connection

2627

01:50:51,530 --> 01:50:49,860

good point I know what he's up to over

2628

01:50:53,870 --> 01:50:51,540

there yeah are they trying to like build

2629

01:50:56,930 --> 01:50:53,880

a new Joe Biden slowly Maybe

2630

01:50:59,510 --> 01:50:56,940

younger more lean fit with multiple

2631

01:51:03,410 --> 01:50:59,520

penises six or Six Million Dollar Man

2632

01:51:08,330 --> 01:51:06,050

uh Paulie's Facebook page is still uh

2633

01:51:10,609 --> 01:51:08,340

still selling a human hand in a full set

2634

01:51:13,490 --> 01:51:10,619

of human ribs which probably says came

2635

01:51:15,830 --> 01:51:13,500

from France okay yeah I bet they did

2636

01:51:18,350 --> 01:51:15,840

all right I believe him

2637

01:51:20,629 --> 01:51:18,360

I got no reason to doubt this guy it's

2638

01:51:22,250 --> 01:51:20,639

totally legit Jeremy's he's been an

2639

01:51:25,129 --> 01:51:22,260

honest guy

2640

01:51:27,470 --> 01:51:25,139

up until this point it's been forthright

2641

01:51:29,570 --> 01:51:27,480

to us up to now so probably the guy

2642

01:51:31,790 --> 01:51:29,580

sells the guy claims to sell human body

2643

01:51:34,490 --> 01:51:31,800

parts and that's what we get he's been

2644

01:51:36,470 --> 01:51:34,500

an honest broker

2645

01:51:39,229 --> 01:51:36,480

a website bearing his name describes him

2646

01:51:41,050 --> 01:51:39,239

as a preservation specialist who works

2647

01:51:43,930 --> 01:51:41,060

to produce Educational Tools through

2648

01:51:47,629 --> 01:51:43,940

reconditioning retired medical remains

2649

01:51:49,790 --> 01:51:47,639

ooh dead bodies yeah

2650

01:51:51,109 --> 01:51:49,800

stretch the skin over the face a

2651
01:51:53,149 --> 01:51:51,119
spokesperson for the University of

2652
01:51:55,430 --> 01:51:53,159
Arkansas medical school told NPR that

2653
01:51:57,950 --> 01:51:55,440
school is appalled that anybody would

2654
01:52:00,109 --> 01:51:57,960
desecrate medical donations for their

2655
01:52:01,490 --> 01:52:00,119
own gain I guess they're going to say a

2656
01:52:04,189 --> 01:52:01,500
spokesperson for the medical school said

2657
01:52:07,729 --> 01:52:04,199
who took what now yeah

2658
01:52:10,189 --> 01:52:07,739
human bodies are an indispensable Aid in

2659
01:52:13,390 --> 01:52:10,199
the education of medical students but we

2660
01:52:18,609 --> 01:52:16,129
uh we are extremely respectful of our

2661
01:52:22,609 --> 01:52:18,619
donors uh when they're in our care

2662
01:52:24,410 --> 01:52:22,619
before we throw them in a furnace

2663
01:52:25,970 --> 01:52:24,420

or we chop them up we need that skin

2664

01:52:28,729 --> 01:52:25,980

back yeah

2665

01:52:30,709 --> 01:52:28,739

that's my skin I was going to use it as

2666

01:52:33,109 --> 01:52:30,719

stocking stuffers

2667

01:52:35,350 --> 01:52:33,119

like Halloween costume my kids love skin

2668

01:52:38,990 --> 01:52:35,360

oh God

2669

01:52:41,090 --> 01:52:39,000

uh each year the school holds a a

2670

01:52:42,649 --> 01:52:41,100

ceremony for medical students to honor

2671

01:52:45,109 --> 01:52:42,659

the deceased donors who help them

2672

01:52:47,890 --> 01:52:45,119

supplement their education Taylor says

2673

01:52:51,590 --> 01:52:47,900

that they partner with local uh

2674

01:52:55,310 --> 01:52:51,600

cemeteries and crematories cemeteries

2675

01:52:58,669 --> 01:52:55,320

cemeteries to house the ashes or return

2676

01:53:00,950 --> 01:52:58,679

them to the family upon request okay

2677

01:53:02,570 --> 01:53:00,960

what could you donate like a dead

2678

01:53:04,490 --> 01:53:02,580

relative to the medical school but ask

2679

01:53:06,410 --> 01:53:04,500

for it back when you're done yeah like I

2680

01:53:08,270 --> 01:53:06,420

changed my mind

2681

01:53:11,689 --> 01:53:08,280

yeah you can use this but I need that

2682

01:53:13,609 --> 01:53:11,699

back yeah I kind of want that back

2683

01:53:15,290 --> 01:53:13,619

uh it just wouldn't it wouldn't be

2684

01:53:17,570 --> 01:53:15,300

Thanksgiving without MIMA at the table

2685

01:53:19,669 --> 01:53:17,580

Taylor said the FBI is trying to

2686

01:53:22,250 --> 01:53:19,679

identify which cadavers were impacted

2687

01:53:25,250 --> 01:53:22,260

but it's a challenge given the involving

2688

01:53:27,169 --> 01:53:25,260

ones like yeah we don't know who's where

2689

01:53:30,050 --> 01:53:27,179

we got foots and feets going all through

2690

01:53:34,430 --> 01:53:32,209

step one as he's coming as we chop them

2691

01:53:36,649 --> 01:53:34,440

all up yeah I don't know so we don't

2692

01:53:39,770 --> 01:53:36,659

know there's so many hands out there and

2693

01:53:43,430 --> 01:53:39,780

heads in the mail it's tough to track we

2694

01:53:46,490 --> 01:53:43,440

call this the hands rooms

2695

01:53:49,490 --> 01:53:46,500

uh the school and the cremation company

2696

01:53:52,070 --> 01:53:49,500

knew nothing of the sale until we they

2697

01:53:54,649 --> 01:53:52,080

were contacted by the FBI Last Summer

2698

01:53:57,830 --> 01:53:54,659

now the company fires got immediately I

2699

01:54:01,669 --> 01:53:57,840

sue for wrongful termination nowhere did

2700

01:54:03,530 --> 01:54:01,679

it say I couldn't sell the body parts

2701
01:54:05,770 --> 01:54:03,540
I understand this is generally frowned

2702
01:54:08,629 --> 01:54:05,780
upon but yeah I thought it was just

2703
01:54:09,890 --> 01:54:08,639
frowned upon like maybe you shouldn't

2704
01:54:13,189 --> 01:54:09,900
but

2705
01:54:15,470 --> 01:54:13,199
yeah I'd wrong for termination

2706
01:54:17,030 --> 01:54:15,480
Scott uh Scott is in custody with the

2707
01:54:19,250 --> 01:54:17,040
bail here not wrong should I not have

2708
01:54:22,189 --> 01:54:19,260
done this yeah is that wrong should I

2709
01:54:25,430 --> 01:54:22,199
not have done that where's my Seinfeld

2710
01:54:28,129 --> 01:54:25,440
all right uh yeah I was supposed to act

2711
01:54:30,770 --> 01:54:28,139
in a civilized way no it's not that is

2712
01:54:32,570 --> 01:54:30,780
not that one was that wrong should I not

2713
01:54:34,430 --> 01:54:32,580

have done that I gotta plead ignorance

2714

01:54:35,870 --> 01:54:34,440

on this thing because if anyone had said

2715

01:54:37,430 --> 01:54:35,880

anything to me at all when I first

2716

01:54:41,510 --> 01:54:37,440

started here that that sort of thing was

2717

01:54:45,649 --> 01:54:43,669

well I just I just see the argument

2718

01:54:46,930 --> 01:54:45,659

going exactly that way like word for

2719

01:54:49,850 --> 01:54:46,940

word

2720

01:54:51,590 --> 01:54:49,860

uh Scott is in custody with mail uh with

2721

01:54:54,169 --> 01:54:51,600

a bell hearing scheduled for Tuesday her

2722

01:54:55,750 --> 01:54:54,179

trial set to begin on May 30th so we're

2723

01:54:57,350 --> 01:54:55,760

all pulling for

2724

01:54:58,790 --> 01:54:57,360

Center

2725

01:55:02,030 --> 01:54:58,800

your

2726

01:55:05,149 --> 01:55:02,040

parts you got laying around she needs to

2727

01:55:07,729 --> 01:55:05,159

fund her attorney somehow

2728

01:55:09,590 --> 01:55:07,739

what by selling extra parts yeah these

2729

01:55:10,669 --> 01:55:09,600

were mine I brought them from home

2730

01:55:12,350 --> 01:55:10,679

yeah

2731

01:55:15,649 --> 01:55:12,360

drop off your toes send it to her who

2732

01:55:17,390 --> 01:55:15,659

knows one two at a time all right I

2733

01:55:20,709 --> 01:55:17,400

think we're getting out of here we've

2734

01:55:24,050 --> 01:55:20,719

done it made a mess of it yeah we did

2735

01:55:26,270 --> 01:55:24,060

wow I'm just kind of amazed of how many

2736

01:55:29,149 --> 01:55:26,280

body parts really do travel through

2737

01:55:31,790 --> 01:55:29,159

Courier in this country whether severed

2738

01:55:33,830 --> 01:55:31,800

heads in Colorado body parts from

2739

01:55:35,570 --> 01:55:33,840

Arkansas to Pennsylvania

2740

01:55:37,609 --> 01:55:35,580

I think we're only scratching the

2741

01:55:38,689 --> 01:55:37,619

surface here with what really is being

2742

01:55:40,189 --> 01:55:38,699

shipped

2743

01:55:41,390 --> 01:55:40,199

you know it raises some questions do you

2744

01:55:43,189 --> 01:55:41,400

think at a certain point the Postal

2745

01:55:46,490 --> 01:55:43,199

Service would be like uh this is like

2746

01:55:49,430 --> 01:55:46,500

the third hand this week our dogs aren't

2747

01:55:51,830 --> 01:55:49,440

trained to smell for body parts

2748

01:55:53,990 --> 01:55:51,840

this the smell for marijuana and that's

2749

01:55:55,850 --> 01:55:54,000

it

2750

01:55:58,129 --> 01:55:55,860

okay I'm surprised they don't have like

2751
01:55:59,030 --> 01:55:58,139
dogs that sniff out for this kind of

2752
01:56:01,430 --> 01:55:59,040
stuff

2753
01:56:03,950 --> 01:56:01,440
body sniffing dogs yeah I I don't know

2754
01:56:05,629 --> 01:56:03,960
I'm sure they got them

2755
01:56:07,790 --> 01:56:05,639
like search and rescue dogs searching

2756
01:56:09,649 --> 01:56:07,800
for like humans remains but these are

2757
01:56:13,129 --> 01:56:09,659
like embalmed cadavers right yeah I

2758
01:56:15,290 --> 01:56:13,139
guess so maybe that changes everything

2759
01:56:16,850 --> 01:56:15,300
I don't know

2760
01:56:19,129 --> 01:56:16,860
I kind of wonder how much time she can

2761
01:56:20,689 --> 01:56:19,139
get for this

2762
01:56:22,609 --> 01:56:20,699
like I want to follow a trial like

2763
01:56:24,169 --> 01:56:22,619

what's gonna happen to her

2764

01:56:28,070 --> 01:56:24,179

all right eat the trial of the century

2765

01:56:29,629 --> 01:56:28,080

this could be the trial of the century

2766

01:56:30,770 --> 01:56:29,639

I think they're gonna try to Railroad

2767

01:56:35,870 --> 01:56:30,780

her

2768

01:56:37,669 --> 01:56:35,880

parts

2769

01:56:39,290 --> 01:56:37,679

don't forget to happen to that lady in a

2770

01:56:42,169 --> 01:56:39,300

couple years ago and what's gonna happen

2771

01:56:43,729 --> 01:56:42,179

to Jeremy when's his trial start

2772

01:56:45,410 --> 01:56:43,739

I don't know I think Jeremy's gonna go

2773

01:56:48,229 --> 01:56:45,420

scot-free because like there's somebody

2774

01:56:50,090 --> 01:56:48,239

who's just down in his basement you know

2775

01:56:53,270 --> 01:56:50,100

what do you do to my basement you can't

2776

01:56:55,370 --> 01:56:53,280

use that as evidence that's [h__\h]

2777

01:56:57,290 --> 01:56:55,380

for a legitimate Facebook business leave

2778

01:56:58,970 --> 01:56:57,300

him alone by the way isn't that how all

2779

01:57:01,070 --> 01:56:58,980

the horror movies go like someone sneaks

2780

01:57:02,330 --> 01:57:01,080

into the the murderer's house and starts

2781

01:57:03,470 --> 01:57:02,340

walking around in the basement it would

2782

01:57:04,970 --> 01:57:03,480

be kind of freak if you're going through

2783

01:57:07,010 --> 01:57:04,980

Jeremy's basement you're just finding

2784

01:57:08,510 --> 01:57:07,020

buckets of body parts like oh my God

2785

01:57:10,430 --> 01:57:08,520

Jeremy what have you been up to dude

2786

01:57:12,109 --> 01:57:10,440

this is just full of penises this is

2787

01:57:13,310 --> 01:57:12,119

crazy you got a bucket full of penises

2788

01:57:17,030 --> 01:57:13,320

over here

2789

01:57:17,040 --> 01:57:21,770

they're labeled by length very detailed

2790

01:57:26,530 --> 01:57:25,010

uh we'll be back on Saturday 12 o'clock

2791

01:57:28,609 --> 01:57:26,540

Eastern Standard Time and go to

2792

01:57:30,109 --> 01:57:28,619

obdmpod.com if you want to support the

2793

01:57:32,750 --> 01:57:30,119

show just links there if you want to

2794

01:57:35,030 --> 01:57:32,760

join the Discord uh join patreon or

2795

01:57:38,030 --> 01:57:35,040

submit a donation to through PayPal

2796

01:57:39,410 --> 01:57:38,040

that's how you do it it's kind of get

2797

01:57:44,030 --> 01:57:39,420

rid of all the Ruffians out there

2798

01:57:48,229 --> 01:57:45,410

well thank you everyone thank you

2799

01:57:50,330 --> 01:57:48,239

Gretchen travel agoo

2800

01:57:53,149 --> 01:57:50,340

keep watching the skis

2801

01:57:56,629 --> 01:57:53,159

I'm back baby would you believe when I

2802

01:57:59,270 --> 01:57:56,639

was 18 I had a silver dollar collection

2803

01:58:02,149 --> 01:57:59,280

brought to you by Pfizer I hated what

2804

01:58:04,490 --> 01:58:02,159

liquor had done to us look at your child

2805

01:58:05,750 --> 01:58:04,500

Corn Pop was a bad dude there's no

2806

01:58:13,170 --> 01:58:05,760

question you screwed up I'm just

2807

01:58:16,340 --> 01:58:16,330

[Music]

2808

01:58:22,820 --> 01:58:21,709

that's about allagu [h__h] ubu sit good

2809

01:58:25,390 --> 01:58:22,830

dog

2810

01:58:29,169 --> 01:58:25,400

[Music]
