

1
00:00:03,280 --> 00:00:01,969
[Applause]

2
00:00:15,660 --> 00:00:03,290
foreign

3
00:01:03,310 --> 00:00:42,650
[Music]

4
00:01:09,350 --> 00:01:06,770
welcome back to another fun-filled

5
00:01:10,310 --> 00:01:09,360
podcast Adventure yes my name's midnight

6
00:01:13,969 --> 00:01:10,320
Mike

7
00:01:20,810 --> 00:01:18,710
I am I'm uh in the Joe spot tonight yeah

8
00:01:22,730 --> 00:01:20,820
and Joe is standing in line for Ed

9
00:01:24,950 --> 00:01:22,740
Sheeran concert tickets

10
00:01:28,429 --> 00:01:24,960
Ed Sheeran's trying to return to music

11
00:01:30,289 --> 00:01:28,439
after him winning that lawsuit so uh Joe

12
00:01:31,880 --> 00:01:30,299
is doing that

13
00:01:34,310 --> 00:01:31,890

we wish him the best of luck

14

00:01:36,289 --> 00:01:34,320

[Music]

15

00:01:38,810 --> 00:01:36,299

I wonder how much Ed Sheeran tickets oh

16

00:01:41,330 --> 00:01:38,820

don't even ask I bet they're going in

17

00:01:43,310 --> 00:01:41,340

the tens of dollars

18

00:01:44,929 --> 00:01:43,320

and remember congrats again to that guy

19

00:01:46,670 --> 00:01:44,939

for his pivot after the Harry Potter

20

00:01:48,530 --> 00:01:46,680

movies ended

21

00:01:51,170 --> 00:01:48,540

I remember a few months ago we talked

22

00:01:54,109 --> 00:01:51,180

about uh Bruce Springsteen tickets and

23

00:01:55,850 --> 00:01:54,119

uh uh Taylor Swift concert tickets like

24

00:01:57,530 --> 00:01:55,860

being in the thousands of dollars

25

00:01:58,730 --> 00:01:57,540

because they're doing like Dynamic

26

00:02:00,770 --> 00:01:58,740

pricing now

27

00:02:03,050 --> 00:02:00,780

and dynamic pricing for concert tickets

28

00:02:04,730 --> 00:02:03,060

means uh whoever can pay the most will

29

00:02:06,770 --> 00:02:04,740

will get the tickets that's all it is

30

00:02:08,930 --> 00:02:06,780

there's no set amount it's basically

31

00:02:10,790 --> 00:02:08,940

whatever the market demands and so I

32

00:02:13,430 --> 00:02:10,800

think they're like Taylor Swift tickets

33

00:02:16,309 --> 00:02:13,440

going for fifteen thousand dollars

34

00:02:19,010 --> 00:02:16,319

twenty thousand dollars and this is

35

00:02:20,210 --> 00:02:19,020

crazy I'll give you fourteen thousand

36

00:02:22,130 --> 00:02:20,220

dollars that's not to say I'm pretty

37

00:02:23,690 --> 00:02:22,140

sure Hulk has been ruining that uh

38

00:02:25,790 --> 00:02:23,700

Dynamic pricing model that's his

39

00:02:27,770 --> 00:02:25,800

business he likes to go on uh get these

40

00:02:29,630 --> 00:02:27,780

tickets early sell them on StubHub

41

00:02:31,010 --> 00:02:29,640

that's what he does he's on there day

42

00:02:33,470 --> 00:02:31,020

one

43

00:02:37,430 --> 00:02:33,480

uh raising the price for everybody I

44

00:02:39,410 --> 00:02:37,440

doubt Ed Sheeran commands more than a

45

00:02:41,390 --> 00:02:39,420

hundred dollars per ticket I just don't

46

00:02:43,309 --> 00:02:41,400

I don't hear a lot of Ed sheer and

47

00:02:46,430 --> 00:02:43,319

demand on the street when I'm out there

48

00:02:47,690 --> 00:02:46,440

I don't see any of his t-shirts uh none

49

00:02:49,270 --> 00:02:47,700

of that stuff so who knows maybe we'll

50

00:02:51,290 --> 00:02:49,280

figure it out

51
00:02:52,910 --> 00:02:51,300
uh I'm gonna happen to spend the next

52
00:02:55,309 --> 00:02:52,920
few minutes looking up it please do you

53
00:03:03,170 --> 00:02:55,319
look up that while I play some Alex

54
00:03:08,449 --> 00:03:06,770
and uh this version or this uh segment

55
00:03:10,910 --> 00:03:08,459
of Alex Jones clips of the week is

56
00:03:13,250 --> 00:03:10,920
brought to you by three supporters of

57
00:03:14,809 --> 00:03:13,260
the show yes we have Sean Ward thank you

58
00:03:17,449 --> 00:03:14,819
big time for supporting the show we also

59
00:03:21,589 --> 00:03:17,459
have Miguel mean tone thank you and we

60
00:03:24,229 --> 00:03:21,599
also have Chris AKA back sp52 thank you

61
00:03:27,949 --> 00:03:24,239
guys for being long time hardcore

62
00:03:30,170 --> 00:03:27,959
supporters of the show

63
00:03:32,630 --> 00:03:30,180

and and they're supporting Only The Alex

64

00:03:34,430 --> 00:03:32,640

Jones clips of the week uh they might

65

00:03:36,170 --> 00:03:34,440

not be supporting other content I don't

66

00:03:37,729 --> 00:03:36,180

know yet it's indeterminate typically

67

00:03:39,470 --> 00:03:37,739

The Alex Jones clips of the week are the

68

00:03:41,809 --> 00:03:39,480

fan favorite we haven't read any of the

69

00:03:45,170 --> 00:03:41,819

headlines yet so we don't know

70

00:03:46,910 --> 00:03:45,180

it could be uh a big Miss we'll we'll

71

00:03:47,990 --> 00:03:46,920

find out be a part of the meeting but

72

00:03:49,509 --> 00:03:48,000

yes thank you for being a part of the

73

00:03:52,190 --> 00:03:49,519

magic

74

00:03:57,050 --> 00:03:52,200

and um

75

00:03:58,910 --> 00:03:57,060

and let's see here we got uh

76

00:04:01,670 --> 00:03:58,920

we have a lot of different things I

77

00:04:03,890 --> 00:04:01,680

don't know if uh so there is a shout out

78

00:04:05,869 --> 00:04:03,900

for Charlie Robinson and macro

79

00:04:07,910 --> 00:04:05,879

aggressions last Friday on Alex Jones I

80

00:04:10,250 --> 00:04:07,920

didn't get a chance to grab it uh we'll

81

00:04:12,110 --> 00:04:10,260

see if uh guess has this included in his

82

00:04:14,990 --> 00:04:12,120

uh rundown we'll find out but also

83

00:04:16,490 --> 00:04:15,000

Charlie was also the ISO on No Agenda

84

00:04:19,310 --> 00:04:16,500

last night I know Charlie's been all

85

00:04:22,370 --> 00:04:19,320

over the place he did the uh the wow

86

00:04:24,050 --> 00:04:22,380

on No Agenda so a lot of macro

87

00:04:25,670 --> 00:04:24,060

aggressions Charlie getting out there in

88

00:04:27,230 --> 00:04:25,680

a big way yeah but I don't think they

89

00:04:29,870 --> 00:04:27,240

credited him no I don't think they did

90

00:04:31,430 --> 00:04:29,880

well as I was listening to that ISO of

91

00:04:34,310 --> 00:04:31,440

Charlie's like that that sounds really

92

00:04:35,810 --> 00:04:34,320

familiar it sounds like Charlie and uh

93

00:04:37,969 --> 00:04:35,820

sure enough it was

94

00:04:40,189 --> 00:04:37,979

they they should credit the isos there

95

00:04:41,629 --> 00:04:40,199

that is a a good way to get your name

96

00:04:43,010 --> 00:04:41,639

out there but I guess that might be too

97

00:04:45,290 --> 00:04:43,020

much work for them

98

00:04:48,170 --> 00:04:45,300

uh but here's the first one we got from

99

00:04:50,030 --> 00:04:48,180

guess this is uh this he says this

100

00:04:52,270 --> 00:04:50,040

caught my ears hoping AJ would have a

101
00:04:55,909 --> 00:04:52,280
better response this could be

102
00:04:57,590 --> 00:04:55,919
uh here we go this might be it we're

103
00:04:59,150 --> 00:04:57,600
just talking about is it okay if I plug

104
00:05:00,830 --> 00:04:59,160
somebody else that you guys carry on

105
00:05:02,810 --> 00:05:00,840
Bank sure videos

106
00:05:04,490 --> 00:05:02,820
um you know I love your show I love Owen

107
00:05:06,230 --> 00:05:04,500
Troyer I love all the shows I love it

108
00:05:07,730 --> 00:05:06,240
that's why we love it who is it but if

109
00:05:10,010 --> 00:05:07,740
you need a little bit of extra macro

110
00:05:11,990 --> 00:05:10,020
aggressions Charlie Robinson um is

111
00:05:13,730 --> 00:05:12,000
fantastic and it's just an hour you know

112
00:05:15,409 --> 00:05:13,740
I think it is two one hour episodes a

113
00:05:16,730 --> 00:05:15,419

week so it's you know a good little

114

00:05:18,350 --> 00:05:16,740

supplement when you need a little bit of

115

00:05:20,510 --> 00:05:18,360

extra to listen to when you've listened

116

00:05:22,670 --> 00:05:20,520

to all the other infowar shows shows

117

00:05:24,409 --> 00:05:22,680

he's really great I will check it out

118

00:05:28,810 --> 00:05:24,419

Matt all right

119

00:05:33,290 --> 00:05:31,490

okay awesome thank you kids are getting

120

00:05:36,290 --> 00:05:33,300

that I'm sure Charlie really appreciates

121

00:05:38,810 --> 00:05:36,300

that uh Charlie's response was woot and

122

00:05:41,029 --> 00:05:38,820

[h__\h] yeah all right yes

123

00:05:43,370 --> 00:05:41,039

uh so yeah Charlie congratulations on

124

00:05:45,830 --> 00:05:43,380

the half-hearted response from Alex on

125

00:05:48,170 --> 00:05:45,840

that it's something the non-committal I

126

00:05:50,330 --> 00:05:48,180

will check that out I uh I did hear that

127

00:05:52,730 --> 00:05:50,340

Alex Jones was pranked

128

00:05:54,710 --> 00:05:52,740

um at some point in the past week uh I

129

00:05:57,350 --> 00:05:54,720

don't know we'll see if we have that

130

00:06:00,350 --> 00:05:57,360

uh but here we go this uh here's the

131

00:06:01,610 --> 00:06:00,360

Montage from Thursday here we go my dad

132

00:06:03,110 --> 00:06:01,620

had sex with me in the shower and

133

00:06:05,330 --> 00:06:03,120

anytime you want to commit suicide

134

00:06:06,830 --> 00:06:05,340

you're happy to come by and take care of

135

00:06:08,689 --> 00:06:06,840

that for you get the get the full image

136

00:06:11,510 --> 00:06:08,699

of a man bending your 11 year old son

137

00:06:13,189 --> 00:06:11,520

over in a shed and raping him in the

138

00:06:14,510 --> 00:06:13,199

rear end I want to cause to show it to

139

00:06:16,010 --> 00:06:14,520

you I want to have sex with you I want

140

00:06:17,570 --> 00:06:16,020

to pleasure you I wrote a book

141

00:06:18,830 --> 00:06:17,580

describing how to attack the US capital

142

00:06:20,270 --> 00:06:18,840

and burn it down because the neighbor

143

00:06:21,890 --> 00:06:20,280

wants to have sex with you in the shed

144

00:06:24,110 --> 00:06:21,900

it's going to be great sucking my

145

00:06:25,969 --> 00:06:24,120

titties this is some type of AI garbage

146

00:06:28,070 --> 00:06:25,979

what the hell is this you see a top

147

00:06:34,270 --> 00:06:28,080

Democrat politician they're having sex

148

00:06:38,029 --> 00:06:36,110

how do you know which one you're going

149

00:06:41,629 --> 00:06:38,039

to pull an ISO of how does that come out

150

00:06:43,010 --> 00:06:41,639

just like in casual Broadcasting

151
00:06:44,689 --> 00:06:43,020
I know I'm wondering at this point are

152
00:06:46,490 --> 00:06:44,699
people submitting stories to Alex

153
00:06:48,409 --> 00:06:46,500
knowing that he will probably read

154
00:06:50,590 --> 00:06:48,419
through some of the text and then just

155
00:06:52,300 --> 00:06:50,600
say odd things

156
00:06:55,730 --> 00:06:52,310
suck my titties

157
00:07:00,170 --> 00:06:57,710
Ted talk a lot of very suspicious

158
00:07:03,050 --> 00:07:00,180
specific shed talk a lot of shed talk

159
00:07:04,909 --> 00:07:03,060
doing awful awful things in the shed I

160
00:07:07,309 --> 00:07:04,919
use my uh I don't even have a [h__\h] if I

161
00:07:09,890 --> 00:07:07,319
did it would mainly be used for storing

162
00:07:12,830 --> 00:07:09,900
uh tools and various Lawn Care Equipment

163
00:07:14,090 --> 00:07:12,840

not for any kind of uh sexual acts but

164

00:07:15,650 --> 00:07:14,100

well that's what you get a second shed

165

00:07:18,110 --> 00:07:15,660

for that yeah you get the experi backup

166

00:07:21,249 --> 00:07:18,120

shed for that Arthur two sheds Jackson

167

00:07:24,110 --> 00:07:21,259

two people got that joke well here he is

168

00:07:25,370 --> 00:07:24,120

uh Friday here we go all right how do I

169

00:07:27,350 --> 00:07:25,380

pronounce the perfect Tennessee you know

170

00:07:28,670 --> 00:07:27,360

I'm stupid little sablo am I saying that

171

00:07:32,570 --> 00:07:28,680

right I'm sorry from Tennessee go ahead

172

00:07:35,749 --> 00:07:32,580

needles garbage feces and gay pride

173

00:07:37,670 --> 00:07:35,759

Flags everywhere piss crap needles

174

00:07:39,469 --> 00:07:37,680

everywhere pools of piss everywhere

175

00:07:41,330 --> 00:07:39,479

there's a pile of human feces right

176

00:07:42,830 --> 00:07:41,340

there there's another pile of crap by

177

00:07:43,790 --> 00:07:42,840

the door what else you want to say smart

178

00:07:48,230 --> 00:07:43,800

guy

179

00:07:50,689 --> 00:07:48,890

um

180

00:07:52,309 --> 00:07:50,699

there was like right there at the end

181

00:07:53,930 --> 00:07:52,319

was probably the prank call on Friday

182

00:07:58,010 --> 00:07:53,940

off the ground see if I can grab that

183

00:08:00,830 --> 00:07:58,020

it's a longer longer segment

184

00:08:03,170 --> 00:08:00,840

and then we got uh Monday here we go

185

00:08:05,450 --> 00:08:03,180

appreciate your call uh I don't really

186

00:08:07,129 --> 00:08:05,460

agree with that uh some of those things

187

00:08:08,510 --> 00:08:07,139

and I think that was a Prank Caller I

188

00:08:10,610 --> 00:08:08,520

like those guys you know they're they're

189

00:08:13,129 --> 00:08:10,620

pretty nice I saw feces on the ground

190

00:08:15,710 --> 00:08:13,139

twice in one day Saturday you better

191

00:08:17,689 --> 00:08:15,720

have the money you're dead wow okay a

192

00:08:19,550 --> 00:08:17,699

lot of pieces thought I have a I had to

193

00:08:21,170 --> 00:08:19,560

build a whole new soundboard

194

00:08:23,809 --> 00:08:21,180

well and the other one was like three

195

00:08:27,050 --> 00:08:23,819

clips of piss yeah

196

00:08:31,369 --> 00:08:27,060

which I like it's a it's kind of our our

197

00:08:32,209 --> 00:08:31,379

chant yes what the [h__\h] yes yes yes

198

00:08:39,589 --> 00:08:32,219

yes

199

00:08:41,389 --> 00:08:39,599

uh uh all right what do we do we do uh

200

00:08:43,909 --> 00:08:41,399

Monday we didn't know we need to do

201
00:08:45,410 --> 00:08:43,919
Tuesday here we go Tuesday

202
00:08:46,730 --> 00:08:45,420
I don't know how it goes to the TSS

203
00:08:48,769 --> 00:08:46,740
checkpoint have them ask me questions

204
00:08:50,630 --> 00:08:48,779
grab my dick I want to take this time

205
00:08:51,889 --> 00:08:50,640
today to say goodbye to everybody unless

206
00:08:53,329 --> 00:08:51,899
you know I appreciate the fight you put

207
00:08:54,650 --> 00:08:53,339
up and God's been watching and that's

208
00:08:57,170 --> 00:08:54,660
what really matters here this is a test

209
00:08:58,790 --> 00:08:57,180
things are so bad not to be a liar you

210
00:09:01,790 --> 00:08:58,800
if I didn't tell you that what's being

211
00:09:04,130 --> 00:09:01,800
done is irrevocable unprecedented and

212
00:09:05,990 --> 00:09:04,140
Beyond dangerous they literally have to

213
00:09:07,370 --> 00:09:06,000

wipe his ass all day he poops his pants

214

00:09:09,350 --> 00:09:07,380

he doesn't know who he is this is

215

00:09:12,850 --> 00:09:09,360

disgusting they want to grab my genitals

216

00:09:17,690 --> 00:09:16,250

well yes I'm curious why does he choose

217

00:09:20,030 --> 00:09:17,700

to go to the stupid airport instead of

218

00:09:22,310 --> 00:09:20,040

the good airport just tell them suck my

219

00:09:24,110 --> 00:09:22,320

titties

220

00:09:26,269 --> 00:09:24,120

let's go through TSA and say that they

221

00:09:28,610 --> 00:09:26,279

want to check you out there you go

222

00:09:30,530 --> 00:09:28,620

give me invitation and then we got

223

00:09:31,550 --> 00:09:30,540

Wednesday here we go and I love Joe he's

224

00:09:34,090 --> 00:09:31,560

a good friend of mine was right here in

225

00:09:36,170 --> 00:09:34,100

Austin Anderson Cooper he's hot Google

226

00:09:38,210 --> 00:09:36,180

phthaloplasty it's all happening it's

227

00:09:39,949 --> 00:09:38,220

too much to watch the videos okay I'm

228

00:09:41,269 --> 00:09:39,959

chopping the penises up and cutting the

229

00:09:43,190 --> 00:09:41,279

uterus is out and cutting the breast off

230

00:09:45,230 --> 00:09:43,200

and I'll show you photos Okay most

231

00:09:47,590 --> 00:09:45,240

people think of rape and sexy rape is

232

00:09:53,449 --> 00:09:49,910

sounds like he was quoting uh what's her

233

00:09:56,870 --> 00:09:53,459

face yeah from uh Trump's uh uh

234

00:09:59,690 --> 00:09:56,880

deposition Trump losing his civil rights

235

00:10:02,030 --> 00:09:59,700

not he's not guilty but somehow guilty

236

00:10:04,670 --> 00:10:02,040

yeah Trump verdict Trump's had a lot of

237

00:10:07,250 --> 00:10:04,680

news recently like he he lost the uh the

238

00:10:09,170 --> 00:10:07,260

civil suit when no he didn't I thought

239

00:10:11,210 --> 00:10:09,180

he lost that he owes five million

240

00:10:12,829 --> 00:10:11,220

dollars he was held liable but he was

241

00:10:16,130 --> 00:10:12,839

also

242

00:10:19,070 --> 00:10:16,140

um uh they they said he was not guilty

243

00:10:21,050 --> 00:10:19,080

of of rape oh okay so he's a rapist

244

00:10:23,570 --> 00:10:21,060

who's not a rapist but somehow is guilty

245

00:10:26,030 --> 00:10:23,580

of needing to pay money because he

246

00:10:27,829 --> 00:10:26,040

didn't rape something okay well okay

247

00:10:31,430 --> 00:10:27,839

it's convoluted it'll get overturned on

248

00:10:35,210 --> 00:10:31,440

appeal and then Trump had that big CNN

249

00:10:38,389 --> 00:10:35,220

appearance uh last night whereas a town

250

00:10:40,250 --> 00:10:38,399

hall meeting was this Trump uh a lot of

251
00:10:44,269 --> 00:10:40,260
uh the Trump supporters were there I'm

252
00:10:47,470 --> 00:10:44,279
assuming and then one and or as CNN host

253
00:10:50,509 --> 00:10:47,480
who's effectively kind of challenging

254
00:10:52,730 --> 00:10:50,519
Trump on a good number of things that he

255
00:10:56,449 --> 00:10:52,740
was saying uh it was almost like she was

256
00:10:58,850 --> 00:10:56,459
debating Trump uh and uh I I caught this

257
00:11:02,690 --> 00:10:58,860
little thing that uh Trump said her cat

258
00:11:07,009 --> 00:11:04,250
please tell me you pulled just the

259
00:11:09,290 --> 00:11:07,019
vagina I I I I I don't I have the cat

260
00:11:13,190 --> 00:11:09,300
and vagina but I will I will cut it down

261
00:11:15,710 --> 00:11:13,200
so we have that at the at the ready

262
00:11:17,810 --> 00:11:15,720
just a lot of things going on is that

263
00:11:19,850 --> 00:11:17,820

true that the crazy lady's uh cat is

264

00:11:22,490 --> 00:11:19,860

named vagina according to True uh

265

00:11:24,769 --> 00:11:22,500

according to trump it is true into true

266

00:11:28,730 --> 00:11:24,779

uh let me check Snopes I don't trust you

267

00:11:32,449 --> 00:11:30,949

please do check it out

268

00:11:34,730 --> 00:11:32,459

uh by the way the most expensive Ed

269

00:11:38,030 --> 00:11:34,740

Sheeran ticket I can find so far 225

270

00:11:41,509 --> 00:11:40,190

they ain't no Taylor Swift like twenty

271

00:11:44,870 --> 00:11:41,519

thousand dollar ticket you know what the

272

00:11:46,370 --> 00:11:44,880

hell is it I need Hulk dude the guy's on

273

00:11:47,810 --> 00:11:46,380

the down slide man he's on the back half

274

00:11:49,670 --> 00:11:47,820

of his career

275

00:11:52,009 --> 00:11:49,680

what do you want

276

00:11:54,350 --> 00:11:52,019

uh all right let's get to some uh

277

00:11:57,670 --> 00:11:54,360

headlines let's get to some news let's

278

00:12:04,069 --> 00:11:57,680

get this some fun all right

279

00:12:10,310 --> 00:12:07,250

as everyone knows and cares uh we have a

280

00:12:12,110 --> 00:12:10,320

new King in England that is uh King

281

00:12:15,470 --> 00:12:12,120

Charles

282

00:12:18,050 --> 00:12:15,480

and we can Chuck King

283

00:12:20,810 --> 00:12:18,060

it's not the uh movie with um John

284

00:12:23,030 --> 00:12:20,820

Goodman King no King around King Ralph

285

00:12:26,509 --> 00:12:23,040

King Ralph that was a a runaway

286

00:12:29,329 --> 00:12:26,519

Blockbuster hit in the 80s King Ralph

287

00:12:30,949 --> 00:12:29,339

uh and that was like uh I think if I

288

00:12:33,769 --> 00:12:30,959

remember that movie correctly and I

289

00:12:36,769 --> 00:12:33,779

probably do it was

290

00:12:38,449 --> 00:12:36,779

like uh King Ralph or Ralph was just

291

00:12:41,210 --> 00:12:38,459

living in the United States he was some

292

00:12:43,850 --> 00:12:41,220

schlub who just so happened to have

293

00:12:46,009 --> 00:12:43,860

Royal bloodline and they needed a king

294

00:12:48,230 --> 00:12:46,019

so they imported him over from United

295

00:12:49,910 --> 00:12:48,240

States to England to be the king and he

296

00:12:52,670 --> 00:12:49,920

didn't know how to act he didn't know

297

00:12:54,470 --> 00:12:52,680

all the Royal pleasantries and etiquette

298

00:12:56,990 --> 00:12:54,480

he didn't know and he was it was this

299

00:13:00,290 --> 00:12:57,000

one hilarious laugh after another during

300

00:13:03,530 --> 00:13:02,269

that I'm just laughing right now

301
00:13:05,870 --> 00:13:03,540
thinking about it I'm not sure if I've

302
00:13:07,670 --> 00:13:05,880
ever actually seen that movie oh we

303
00:13:09,590 --> 00:13:07,680
should we should we're gonna stop right

304
00:13:11,150 --> 00:13:09,600
now and just we should watch it on obdm

305
00:13:13,670 --> 00:13:11,160
at some point in time

306
00:13:15,590 --> 00:13:13,680
just watch it all together but uh here's

307
00:13:19,670 --> 00:13:15,600
a speaking of Kings

308
00:13:22,190 --> 00:13:19,680
I got this uh this headline over here a

309
00:13:24,350 --> 00:13:22,200
coven of British witches and pagans

310
00:13:27,949 --> 00:13:24,360
pledged their allegiance to King Charles

311
00:13:30,530 --> 00:13:27,959
claiming he is very Pagan and supportive

312
00:13:32,030 --> 00:13:30,540
of their beliefs that's some good news

313
00:13:34,430 --> 00:13:32,040

on that front

314

00:13:37,490 --> 00:13:34,440

so there you go we got some uh witches

315

00:13:41,030 --> 00:13:37,500

witchcraft pagans all rallying behind

316

00:13:42,889 --> 00:13:41,040

the new King this is good okay

317

00:13:45,710 --> 00:13:42,899

do they go into why they say they think

318

00:13:47,810 --> 00:13:45,720

he's a pagan and supports them

319

00:13:49,490 --> 00:13:47,820

um well we'll worry through this article

320

00:13:51,230 --> 00:13:49,500

and there's a

321

00:13:53,569 --> 00:13:51,240

probably some documentation here we'll

322

00:13:55,310 --> 00:13:53,579

find out uh this is what the article

323

00:13:57,829 --> 00:13:55,320

says I posted an important article last

324

00:14:00,050 --> 00:13:57,839

week detailing how King Charles III is

325

00:14:02,329 --> 00:14:00,060

the leader of the global sustainable

326

00:14:04,850 --> 00:14:02,339

development movement being implemented

327

00:14:08,030 --> 00:14:04,860

through the United Nations or United

328

00:14:10,550 --> 00:14:08,040

Nations agenda 2030 with help from the

329

00:14:12,889 --> 00:14:10,560

world economic Forum I noted in that

330

00:14:15,110 --> 00:14:12,899

article come on they do this to me every

331

00:14:16,370 --> 00:14:15,120

time they give me a pop-up I'm trying to

332

00:14:19,009 --> 00:14:16,380

read your article

333

00:14:21,050 --> 00:14:19,019

I noted in that article uh his near

334

00:14:23,150 --> 00:14:21,060

religious fervor in supporting the

335

00:14:24,889 --> 00:14:23,160

so-called green agenda complete with its

336

00:14:27,110 --> 00:14:24,899

insane plan for total decarbonization

337

00:14:28,850 --> 00:14:27,120

that if successful would lead to mass

338

00:14:32,030 --> 00:14:28,860

starvation and depopulation of the

339

00:14:34,550 --> 00:14:32,040

planet taken to its extreme in this uh

340

00:14:36,050 --> 00:14:34,560

this is a form of Earth worship I

341

00:14:38,210 --> 00:14:36,060

reported

342

00:14:41,269 --> 00:14:38,220

I don't disagree

343

00:14:43,730 --> 00:14:41,279

uh a lot of these Greenies do hold the

344

00:14:46,910 --> 00:14:43,740

uh the planet Earth itself in higher

345

00:14:48,710 --> 00:14:46,920

regard than human life I can I can kind

346

00:14:50,930 --> 00:14:48,720

of see that angle definitely that you

347

00:14:53,210 --> 00:14:50,940

know they'll murder you for a tree

348

00:14:55,430 --> 00:14:53,220

and it goes on to say let's not forget

349

00:14:58,370 --> 00:14:55,440

what took place at last year's United

350

00:15:00,769 --> 00:14:58,380

United Nations cop 27 climate conference

351

00:15:03,350 --> 00:15:00,779

in Egypt when blatant Pagan Earth

352

00:15:05,870 --> 00:15:03,360

worship was on full display

353

00:15:09,110 --> 00:15:05,880

and maybe there's pictures of it there

354

00:15:12,590 --> 00:15:09,120

just let's check it out

355

00:15:14,269 --> 00:15:12,600

um no it's just a PDF a very lengthy PDF

356

00:15:17,389 --> 00:15:14,279

okay

357

00:15:20,210 --> 00:15:17,399

check out this PDF

358

00:15:21,829 --> 00:15:20,220

um for more on this see my October 25th

359

00:15:23,629 --> 00:15:21,839

article in which climate activist Dennis

360

00:15:25,730 --> 00:15:23,639

Meadows clearly explains in the video

361

00:15:27,710 --> 00:15:25,740

that the climate crisis can never be

362

00:15:29,710 --> 00:15:27,720

solved without drastic population

363

00:15:32,389 --> 00:15:29,720

reduction

364

00:15:34,129 --> 00:15:32,399

now comes this bombshell from the UK

365

00:15:35,870 --> 00:15:34,139

table of the sun which reports that

366

00:15:38,329 --> 00:15:35,880

witches and pagans from across the

367

00:15:40,610 --> 00:15:38,339

United Kingdom gather to cast spells in

368

00:15:42,710 --> 00:15:40,620

support of King Charles during a special

369

00:15:43,970 --> 00:15:42,720

coronation ritual ceremony

370

00:15:45,829 --> 00:15:43,980

now

371

00:15:48,170 --> 00:15:45,839

during this coronation ritual ceremony

372

00:15:51,290 --> 00:15:48,180

maybe you can find the scratch it during

373

00:15:55,610 --> 00:15:51,300

this on TV it does look like

374

00:15:58,730 --> 00:15:55,620

there is some kind of witch or warlock

375

00:16:01,430 --> 00:15:58,740

walking in the background oh yeah we're

376

00:16:03,530 --> 00:16:01,440

uh Dr fauci showed up something weird is

377

00:16:05,569 --> 00:16:03,540

going on there the goblin it could have

378

00:16:09,170 --> 00:16:05,579

been the goblin but it was some kind of

379

00:16:11,389 --> 00:16:09,180

weird creature like with a cape and a

380

00:16:15,610 --> 00:16:11,399

scepter walking in the background it was

381

00:16:20,509 --> 00:16:17,509

Macho Man

382

00:16:22,970 --> 00:16:20,519

let's bring him up on screen

383

00:16:25,850 --> 00:16:22,980

yeah there he is that's that hooded

384

00:16:28,670 --> 00:16:25,860

figure in the background was on TV and

385

00:16:31,970 --> 00:16:28,680

as the coronation took place uh a

386

00:16:35,329 --> 00:16:31,980

scepter long black cloak uh a pointed

387

00:16:37,790 --> 00:16:35,339

Hood looks pretty crazy the Goblin

388

00:16:39,710 --> 00:16:37,800

pouchy could be I don't know if it's

389

00:16:41,389 --> 00:16:39,720

falchy is this fauci have that kind of a

390

00:16:42,710 --> 00:16:41,399

tire does he wear that kind of stuff I

391

00:16:43,910 --> 00:16:42,720

think that's what he wears naturally and

392

00:16:45,470 --> 00:16:43,920

then he has to put on his suit when he

393

00:16:47,930 --> 00:16:45,480

goes on TV okay

394

00:16:50,689 --> 00:16:47,940

but yeah very crazy

395

00:16:52,370 --> 00:16:50,699

so uh according to the sun witches

396

00:16:54,530 --> 00:16:52,380

warlocks and pagans from across the

397

00:16:56,629 --> 00:16:54,540

United Kingdom gather to cast spells in

398

00:17:00,170 --> 00:16:56,639

support of King Charles during the

399

00:17:03,050 --> 00:17:00,180

special coordination ritual ceremony

400

00:17:05,150 --> 00:17:03,060

uh the Spells uh involve lighting blue

401
00:17:06,829 --> 00:17:05,160
red and white candles burning incense

402
00:17:09,350 --> 00:17:06,839
scattering rose petals and giving

403
00:17:11,449 --> 00:17:09,360
magical gifts to each other on

404
00:17:12,470 --> 00:17:11,459
Coronation Day kind of sounds like this

405
00:17:15,890 --> 00:17:12,480
Christmas

406
00:17:18,289 --> 00:17:15,900
really or some sort of orgy oh yeah that

407
00:17:19,909 --> 00:17:18,299
too uh which is began to cast spells

408
00:17:22,669 --> 00:17:19,919
several days ahead of the May 6

409
00:17:25,370 --> 00:17:22,679
coronation of King's Charles uh Julie

410
00:17:27,350 --> 00:17:25,380
asked aspinall uh 58 year old

411
00:17:30,530 --> 00:17:27,360
self-described pagan

412
00:17:32,510 --> 00:17:30,540
uh of pagan witch and the main organizer

413
00:17:34,669 --> 00:17:32,520

of the event spoke in depth with the sun

414

00:17:37,010 --> 00:17:34,679

she said the witches uh as you said the

415

00:17:38,990 --> 00:17:37,020

witch's coronation ritual took place on

416

00:17:42,470 --> 00:17:39,000

the Festival of witches and pagans being

417

00:17:44,510 --> 00:17:42,480

held in uh Coventry over the coronation

418

00:17:46,370 --> 00:17:44,520

weekend more than 2 000 people were

419

00:17:49,549 --> 00:17:46,380

expected to attend the festival which

420

00:17:51,950 --> 00:17:49,559

featured uh a range of workshops from

421

00:17:54,049 --> 00:17:51,960

one making and spell casting to Crystal

422

00:17:57,230 --> 00:17:54,059

Skull healing

423

00:18:01,130 --> 00:17:57,240

okay uh I didn't know crystal skulls

424

00:18:04,130 --> 00:18:01,140

were used in in healing I've always uh

425

00:18:07,070 --> 00:18:04,140

just known crystal skulls to be uh these

426

00:18:10,310 --> 00:18:07,080

uh weird artifacts found like in the uh

427

00:18:11,930 --> 00:18:10,320

the dry desert regions of like Central

428

00:18:14,390 --> 00:18:11,940

and South America

429

00:18:16,310 --> 00:18:14,400

and uh Dan aykroyd's vodka yeah

430

00:18:17,330 --> 00:18:16,320

absolutely which is not a bad vodka I've

431

00:18:19,970 --> 00:18:17,340

had it

432

00:18:22,789 --> 00:18:19,980

uh chicken out of the skull uh I have

433

00:18:26,330 --> 00:18:22,799

I've taken a swig out of the skull sure

434

00:18:28,010 --> 00:18:26,340

got to I mean it's part of the the charm

435

00:18:30,230 --> 00:18:28,020

of it

436

00:18:32,090 --> 00:18:30,240

goes on to say a series of night rituals

437

00:18:34,150 --> 00:18:32,100

were also planned according to the

438

00:18:38,029 --> 00:18:34,160

official website rituals night rituals

439

00:18:41,690 --> 00:18:38,039

from 80s and 80s um uh like uh

440

00:18:43,970 --> 00:18:41,700

heartthrob ballad band night ritual

441

00:18:45,289 --> 00:18:43,980

uh well a series of night rituals were

442

00:18:47,029 --> 00:18:45,299

also planned according to the official

443

00:18:48,110 --> 00:18:47,039

website description of the eventual

444

00:18:50,750 --> 00:18:48,120

stated

445

00:18:54,049 --> 00:18:50,760

we have been tasked by the great mother

446

00:18:56,630 --> 00:18:54,059

to teach the ways of the witch and Pagan

447

00:18:59,510 --> 00:18:56,640

to those who need it we work hard to

448

00:19:02,570 --> 00:18:59,520

develop young curious minds draw out and

449

00:19:05,330 --> 00:19:02,580

nurture natural talents

450

00:19:07,430 --> 00:19:05,340

the event was organized by aspinall and

451

00:19:10,850 --> 00:19:07,440

her coven or coven

452

00:19:13,310 --> 00:19:10,860

uh the coven of Gaia she told the king

453

00:19:15,950 --> 00:19:13,320

she told the uh the son that King

454

00:19:18,470 --> 00:19:15,960

Charles has always been very supportive

455

00:19:20,930 --> 00:19:18,480

of the Pagan community in her interview

456

00:19:22,850 --> 00:19:20,940

with her son Aspen aspinall stated we

457

00:19:25,610 --> 00:19:22,860

know King Charles is the head of the

458

00:19:28,970 --> 00:19:25,620

Church of England but he but to us he's

459

00:19:32,150 --> 00:19:28,980

very Pagan in his beliefs too his uh

460

00:19:35,029 --> 00:19:32,160

invitation featured on Green Man and

461

00:19:36,950 --> 00:19:35,039

lots of other Pagan rituals invoke is

462

00:19:40,510 --> 00:19:36,960

it in invitation or invocation it's

463

00:19:44,990 --> 00:19:43,070

they're saying that there was Pagan

464

00:19:46,610 --> 00:19:45,000

imagery on the coronation invitation oh

465

00:19:48,350 --> 00:19:46,620

now I gotta look that one up uh here it

466

00:19:51,470 --> 00:19:48,360

is okay

467

00:19:53,450 --> 00:19:51,480

here's the picture of it on screen

468

00:19:55,370 --> 00:19:53,460

so the invitation for people just

469

00:19:59,330 --> 00:19:55,380

listening at home uh to the coronation

470

00:20:02,630 --> 00:19:59,340

is it does feature a lot of greenery a

471

00:20:07,630 --> 00:20:02,640

lot of bright colorful earth type of

472

00:20:09,950 --> 00:20:07,640

colors uh a lot of green twigs

473

00:20:12,470 --> 00:20:09,960

I think it's the Green Man the Green Man

474

00:20:14,029 --> 00:20:12,480

and then there's a guy it almost kind of

475

00:20:16,070 --> 00:20:14,039

looks like a Swamp Thing

476

00:20:17,090 --> 00:20:16,080

it looks kind of like uh Swamp Thing

477

00:20:19,970 --> 00:20:17,100

coming out of the bottom of the

478

00:20:21,770 --> 00:20:19,980

invitation look at that face my guess is

479

00:20:23,390 --> 00:20:21,780

it's hard to say what the actual imagery

480

00:20:24,650 --> 00:20:23,400

was but I would it's probably based on

481

00:20:26,270 --> 00:20:24,660

the legend of Sir Garland and The Green

482

00:20:29,630 --> 00:20:26,280

Green Knight um

483

00:20:31,669 --> 00:20:29,640

well his mother the queen was adopted as

484

00:20:33,890 --> 00:20:31,679

a druid in Wales when she was young

485

00:20:35,630 --> 00:20:33,900

asmel told her son the royal family has

486

00:20:37,610 --> 00:20:35,640

always been supportive of pagan beliefs

487

00:20:40,190 --> 00:20:37,620

King Charles is very much into saving

488

00:20:42,110 --> 00:20:40,200

the family saving trees nature and

489

00:20:43,909 --> 00:20:42,120

that's how we and that's how we live so

490

00:20:45,049 --> 00:20:43,919

we want to include him in the ceremony

491

00:20:46,970 --> 00:20:45,059

okay

492

00:20:49,430 --> 00:20:46,980

so far I'm not seeing anything like

493

00:20:50,990 --> 00:20:49,440

satanic in this or at least not overtly

494

00:20:52,490 --> 00:20:51,000

stated they're really leaning on the

495

00:20:54,230 --> 00:20:52,500

nature thing that well you know Charles

496

00:20:57,830 --> 00:20:54,240

supports conservation so thus he

497

00:20:59,810 --> 00:20:57,840

supports paganism it's a stretch it's a

498

00:21:01,250 --> 00:20:59,820

bit of a stretch but uh

499

00:21:03,770 --> 00:21:01,260

the Covenant of guy has special

500

00:21:05,750 --> 00:21:03,780

coordination ritual took place on Sunday

501
00:21:07,490 --> 00:21:05,760
May 7th and involved witches and pagans

502
00:21:08,990 --> 00:21:07,500
gathering in circles and chanting their

503
00:21:11,330 --> 00:21:09,000
allegiance to Charles well it's a little

504
00:21:14,570 --> 00:21:11,340
different than what uh happened to uh

505
00:21:15,770 --> 00:21:14,580
Trump when he was elected I I do uh

506
00:21:17,870 --> 00:21:15,780
remember

507
00:21:20,750 --> 00:21:17,880
that there was a coven of witches on

508
00:21:24,230 --> 00:21:20,760
Tick Tock that were in direct opposition

509
00:21:26,630 --> 00:21:24,240
to both elect or both the times the

510
00:21:29,690 --> 00:21:26,640
Trump ran for office both times he was

511
00:21:30,649 --> 00:21:29,700
elected oops well I mean one official

512
00:21:36,850 --> 00:21:30,659
time

513
00:21:40,010 --> 00:21:36,860

Biden won out somehow it's so weird

514

00:21:41,870 --> 00:21:40,020

he did it

515

00:21:43,490 --> 00:21:41,880

he got in there you can't deny it he got

516

00:21:45,409 --> 00:21:43,500

in there one way or the other the guy's

517

00:21:47,930 --> 00:21:45,419

president

518

00:21:51,409 --> 00:21:47,940

and uh yeah the witches on Tick Tock did

519

00:21:53,090 --> 00:21:51,419

not like Trump so uh but hey how uh how

520

00:21:57,289 --> 00:21:53,100

popular

521

00:21:58,490 --> 00:21:57,299

is uh uh is witchcraft in 2023 well I

522

00:22:01,070 --> 00:21:58,500

just so happen to have an article about

523

00:22:03,649 --> 00:22:01,080

Witchcraft and its popularity right now

524

00:22:05,990 --> 00:22:03,659

I gotta say just because

525

00:22:06,770 --> 00:22:06,000

I have a stepdaughter she's on Tick Tock

526

00:22:10,250 --> 00:22:06,780

a lot

527

00:22:12,890 --> 00:22:10,260

uh uh it is a big thing spirituality

528

00:22:15,950 --> 00:22:12,900

witchcraft all this kind of thing huge

529

00:22:17,090 --> 00:22:15,960

on Tick Tock and these kids are dabbling

530

00:22:19,130 --> 00:22:17,100

with things that they don't fully

531

00:22:21,649 --> 00:22:19,140

understand they're just like using Ouija

532

00:22:23,510 --> 00:22:21,659

boards nonchalantly for like daily use

533

00:22:26,029 --> 00:22:23,520

and uh personally I don't think he

534

00:22:28,490 --> 00:22:26,039

should be doing that

535

00:22:32,510 --> 00:22:28,500

well at that age they're impressionable

536

00:22:34,970 --> 00:22:32,520

and anything that goes against uh you

537

00:22:36,710 --> 00:22:34,980

know modern Norms so

538

00:22:39,049 --> 00:22:36,720

um established religion is not cool but

539

00:22:41,750 --> 00:22:39,059

I will I'll read about paganism because

540

00:22:43,430 --> 00:22:41,760

that's cool yeah so here's the headline

541

00:22:49,490 --> 00:22:43,440

here how many people believe witchcraft

542

00:22:51,350 --> 00:22:49,500

is real in 2023 too no four no maybe

543

00:22:52,669 --> 00:22:51,360

four there you go maybe four no there's

544

00:22:56,029 --> 00:22:52,679

a lot more in that probably I would say

545

00:22:58,010 --> 00:22:56,039

40 million I would say 5.6 it's a huge

546

00:23:02,149 --> 00:22:58,020

wait before you scroll down

547

00:23:05,029 --> 00:23:02,159

is this in the U.S or worldwide hmm

548

00:23:07,970 --> 00:23:05,039

I'm gonna have to say worldwide uh but I

549

00:23:12,049 --> 00:23:10,010

I would say it's it's in the tens of

550

00:23:13,669 --> 00:23:12,059

millions that the that believe in

551

00:23:14,510 --> 00:23:13,679

witchcraft well at a certain point you

552

00:23:16,789 --> 00:23:14,520

have to start asking how they're

553

00:23:18,110 --> 00:23:16,799

defining witchcraft yeah and just

554

00:23:21,230 --> 00:23:18,120

because you believe in it doesn't mean

555

00:23:23,450 --> 00:23:21,240

you practice it and so I

556

00:23:25,909 --> 00:23:23,460

I believe in a lot of this strange stuff

557

00:23:28,070 --> 00:23:25,919

it doesn't mean I practice it so

558

00:23:30,950 --> 00:23:28,080

but we'll read this and see where where

559

00:23:32,330 --> 00:23:30,960

the numbers really live

560

00:23:34,549 --> 00:23:32,340

I want to know maybe I'm surrounded by

561

00:23:36,470 --> 00:23:34,559

witches I don't even know it 12 I'm up

562

00:23:38,930 --> 00:23:36,480

to 12 now

563

00:23:41,930 --> 00:23:38,940

um where have I been for the last year

564

00:23:43,909 --> 00:23:41,940

uh year or four months in four months oh

565

00:23:45,710 --> 00:23:43,919

you know stuff this is the guy writing

566

00:23:47,149 --> 00:23:45,720

here from stranger wow this is a

567

00:23:49,669 --> 00:23:47,159

riveting way to start an article I'm

568

00:23:52,130 --> 00:23:49,679

already done with this one anyways do

569

00:23:54,350 --> 00:23:52,140

you believe in the Lord anyways do you

570

00:23:56,090 --> 00:23:54,360

believe in the evil eye a supernatural

571

00:23:58,370 --> 00:23:56,100

curse cast by nothing more than the

572

00:24:00,529 --> 00:23:58,380

Unseen disgruntled glare believe it or

573

00:24:02,690 --> 00:24:00,539

not that concept played a major role in

574

00:24:05,390 --> 00:24:02,700

a paranormal study published back on

575

00:24:08,330 --> 00:24:05,400

November 23rd of 2022 in the journal

576

00:24:10,370 --> 00:24:08,340

plus one which involved a belief in

577

00:24:13,970 --> 00:24:10,380

witchcraft you might think witchcraft

578

00:24:16,970 --> 00:24:13,980

witches Wizards and Magic are all things

579

00:24:19,669 --> 00:24:16,980

we put behind us by now but but you

580

00:24:21,110 --> 00:24:19,679

would be mistaken friends as belief in

581

00:24:24,049 --> 00:24:21,120

the Supernatural is holding on

582

00:24:26,390 --> 00:24:24,059

impossibly even surging

583

00:24:29,210 --> 00:24:26,400

titled witchcraft beliefs around the

584

00:24:31,010 --> 00:24:29,220

world and exploratory analysis the study

585

00:24:33,049 --> 00:24:31,020

looked at a number of people across the

586

00:24:35,750 --> 00:24:33,059

globe who truly believe in Witchcraft

587

00:24:38,390 --> 00:24:35,760

and by extension magic and superstitions

588

00:24:41,029 --> 00:24:38,400

the data set the use contained

589

00:24:44,930 --> 00:24:41,039

information gathered by a Pew Research

590

00:24:47,330 --> 00:24:44,940

Center study and from 2008 to 2016

591

00:24:48,289 --> 00:24:47,340

involving a hundred and forty thousand

592

00:24:52,370 --> 00:24:48,299

people

593

00:24:54,830 --> 00:24:52,380

from 95 countries and territories in

594

00:24:57,049 --> 00:24:54,840

place uh in places both big and small we

595

00:24:59,149 --> 00:24:57,059

found that over 40 percent of the

596

00:25:00,830 --> 00:24:59,159

world's population holds some belief in

597

00:25:02,149 --> 00:25:00,840

witchcraft

598

00:25:04,669 --> 00:25:02,159

so I guess they're thrown in

599

00:25:06,350 --> 00:25:04,679

superstitions in there well yeah and

600

00:25:09,289 --> 00:25:06,360

they also said how did they uh by

601
00:25:11,270 --> 00:25:09,299
extension magic and Superstition so

602
00:25:13,430 --> 00:25:11,280
it's getting

603
00:25:15,169 --> 00:25:13,440
they're really like expanding the

604
00:25:17,450 --> 00:25:15,179
definition to cover a lot of different

605
00:25:19,430 --> 00:25:17,460
things this is also pre-pandemic and we

606
00:25:21,169 --> 00:25:19,440
know now people only believe in science

607
00:25:23,149 --> 00:25:21,179
yes

608
00:25:25,029 --> 00:25:23,159
according to the study beliefs varies

609
00:25:27,890 --> 00:25:25,039
from location location as you'd expect

610
00:25:29,930 --> 00:25:27,900
one major example of these varying rates

611
00:25:31,430 --> 00:25:29,940
of belief which researchers specifically

612
00:25:33,950 --> 00:25:31,440
highlighted is the difference between

613
00:25:35,630 --> 00:25:33,960

Sweden and Tunisia

614

00:25:37,730 --> 00:25:35,640

which beliefs because that's that's how

615

00:25:39,649 --> 00:25:37,740

I compare things which belief in

616

00:25:43,149 --> 00:25:39,659

witchcraft rests at about nine percent

617

00:25:45,890 --> 00:25:43,159

and ninety percent respectively so

618

00:25:47,630 --> 00:25:45,900

Sweden not so much Tunisia all

619

00:25:50,390 --> 00:25:47,640

witchcraft all the time

620

00:25:51,890 --> 00:25:50,400

[Applause]

621

00:25:53,630 --> 00:25:51,900

gonna raise a question because what is

622

00:25:55,010 --> 00:25:53,640

the like what's the religious breakdown

623

00:25:57,289 --> 00:25:55,020

of Tunisia

624

00:25:59,390 --> 00:25:57,299

and could it just be that

625

00:26:00,350 --> 00:25:59,400

um a significant people this is

626

00:26:01,909 --> 00:26:00,360

significant amount of people that's

627

00:26:04,610 --> 00:26:01,919

that's their religion

628

00:26:07,370 --> 00:26:04,620

yeah and does superstition fall

629

00:26:08,990 --> 00:26:07,380

naturally in those religions and because

630

00:26:10,850 --> 00:26:09,000

I mean there's a lot of superstitions

631

00:26:13,549 --> 00:26:10,860

around every religion but do they call

632

00:26:15,590 --> 00:26:13,559

them superstitions or religious ceremony

633

00:26:18,350 --> 00:26:15,600

at that point

634

00:26:20,570 --> 00:26:18,360

uh it was also they also discovered some

635

00:26:22,610 --> 00:26:20,580

correlation between belief in uh

636

00:26:24,830 --> 00:26:22,620

Supernatural powers and how satisfied

637

00:26:28,029 --> 00:26:24,840

people are with their own lives as well

638

00:26:30,230 --> 00:26:28,039

as uh with how often people experience

639

00:26:33,830 --> 00:26:30,240

misfortunes the two strongest

640

00:26:35,390 --> 00:26:33,840

misfortunes were exposure to drought and

641

00:26:37,610 --> 00:26:35,400

unemployment in the unemployment rate

642

00:26:39,769 --> 00:26:37,620

the study suggests that belief in

643

00:26:42,169 --> 00:26:39,779

witchcraft may actually be a coping

644

00:26:44,870 --> 00:26:42,179

mechanism for dealing with with uh such

645

00:26:46,310 --> 00:26:44,880

things oh okay I got it so if you get

646

00:26:49,310 --> 00:26:46,320

flooded

647

00:26:53,510 --> 00:26:49,320

uh witchcraft yes if you lose your job

648

00:26:55,430 --> 00:26:53,520

witchcraft uh my car was set on fire the

649

00:26:59,210 --> 00:26:55,440

goblin the Goblins set my car on fire

650

00:27:02,810 --> 00:26:59,220

again also witchcraft yeah the Goblin

651
00:27:04,850 --> 00:27:02,820
yeah well you know Tunisia is in the

652
00:27:07,250 --> 00:27:04,860
African continent the African continent

653
00:27:10,130 --> 00:27:07,260
holds a lot of different belief systems

654
00:27:11,090 --> 00:27:10,140
that Sweden for instance just doesn't

655
00:27:12,890 --> 00:27:11,100
have

656
00:27:15,049 --> 00:27:12,900
Tunisia was also full of bunch of crazy

657
00:27:16,789 --> 00:27:15,059
people who like put some elephants on

658
00:27:18,529 --> 00:27:16,799
boats and cross the Alps it went

659
00:27:19,450 --> 00:27:18,539
straight into Rome what the hell do it

660
00:27:21,830 --> 00:27:19,460
for fun

661
00:27:24,769 --> 00:27:21,840
I'll show you

662
00:27:26,990 --> 00:27:24,779
uh but what is witchcraft anyways the

663
00:27:28,549 --> 00:27:27,000

study defines it as an ability of

664

00:27:31,490 --> 00:27:28,559

certain people to intentionally cause

665

00:27:33,470 --> 00:27:31,500

harm via Supernatural means

666

00:27:35,090 --> 00:27:33,480

so they're just saying it to cause it's

667

00:27:36,529 --> 00:27:35,100

hard yeah that's a pretty narrow

668

00:27:39,049 --> 00:27:36,539

definition I think that people would

669

00:27:41,390 --> 00:27:39,059

argue with that and say that's one

670

00:27:43,490 --> 00:27:41,400

aspect of which of Witchcraft is yeah

671

00:27:45,169 --> 00:27:43,500

it's the intentional harm because I've

672

00:27:48,409 --> 00:27:45,179

heard of white witches gray witches

673

00:27:51,590 --> 00:27:48,419

black witches uh the the coven that we

674

00:27:54,409 --> 00:27:51,600

just talked about related to uh King

675

00:27:57,010 --> 00:27:54,419

Charles almost said Prince Charles

676

00:28:00,110 --> 00:27:57,020

um those appear to be uh green witches

677

00:28:01,490 --> 00:28:00,120

yeah the green witches

678

00:28:04,190 --> 00:28:01,500

that's right

679

00:28:05,810 --> 00:28:04,200

uh following this definition all of the

680

00:28:08,210 --> 00:28:05,820

surveys included in their data set ask

681

00:28:10,850 --> 00:28:08,220

the question regarding the evil eye a

682

00:28:13,370 --> 00:28:10,860

method I found particularly intriguing

683

00:28:15,710 --> 00:28:13,380

the full question was do you believe in

684

00:28:18,169 --> 00:28:15,720

the evil eye or that certain people can

685

00:28:20,149 --> 00:28:18,179

cast curses or spells that cause bad

686

00:28:23,090 --> 00:28:20,159

things to happen on someone their

687

00:28:25,190 --> 00:28:23,100

reasoning for this question was that it

688

00:28:27,649 --> 00:28:25,200

referenced both the evil eye curse

689

00:28:29,870 --> 00:28:27,659

itself as well as what they call the

690

00:28:32,750 --> 00:28:29,880

concept of Witchcraft allowing them to

691

00:28:35,090 --> 00:28:32,760

focus specifically on belief

692

00:28:37,430 --> 00:28:35,100

hmm

693

00:28:39,049 --> 00:28:37,440

okay so a lot of people out there

694

00:28:40,430 --> 00:28:39,059

believe in the evil eye like someone

695

00:28:41,990 --> 00:28:40,440

gave you the evil eye someone gave you

696

00:28:43,490 --> 00:28:42,000

the crook guy I think my dog gives me

697

00:28:46,490 --> 00:28:43,500

the evil eye sometimes

698

00:28:49,070 --> 00:28:46,500

or the stink guy or the skunk yeah

699

00:28:51,110 --> 00:28:49,080

uh the photo up of uh Kramer getting the

700

00:28:52,010 --> 00:28:51,120

crook guy from FDR oh let's take a look

701
00:28:54,110 --> 00:28:52,020
at that

702
00:28:57,049 --> 00:28:54,120
oh yeah that's the one

703
00:28:58,190 --> 00:28:57,059
that that is the one that uh curse

704
00:29:02,090 --> 00:28:58,200
Kramer

705
00:29:06,649 --> 00:29:04,130
uh so where are we where are we going

706
00:29:08,810 --> 00:29:06,659
with all this okay I'll scroll down here

707
00:29:12,049 --> 00:29:08,820
uh a Gallup poll that I shared back in

708
00:29:14,630 --> 00:29:12,059
October 2021 also pointed to an increase

709
00:29:16,909 --> 00:29:14,640
in belief in spacecraft from other

710
00:29:19,549 --> 00:29:16,919
planets with about 41 of us adults

711
00:29:21,470 --> 00:29:19,559
believing so perhaps this is the overall

712
00:29:24,230 --> 00:29:21,480
percentage of those who believe in the

713
00:29:25,789 --> 00:29:24,240

Paranormal right around 40 percent

714

00:29:27,769 --> 00:29:25,799

wait are they saying that witches come

715

00:29:28,909 --> 00:29:27,779

from outer space no they no this is a

716

00:29:30,409 --> 00:29:28,919

totally different poll

717

00:29:32,210 --> 00:29:30,419

oh why is it in the same order it's

718

00:29:35,210 --> 00:29:32,220

going they're going they're going down

719

00:29:37,730 --> 00:29:35,220

here and they're like talking about

720

00:29:41,110 --> 00:29:37,740

strange beliefs by large populations of

721

00:29:44,029 --> 00:29:41,120

people that's interesting shifted

722

00:29:45,950 --> 00:29:44,039

shifted subjects without you know any

723

00:29:48,289 --> 00:29:45,960

sort of transition there well I scrolled

724

00:29:50,210 --> 00:29:48,299

down to like the last few uh paragraphs

725

00:29:53,149 --> 00:29:50,220

here because he's going on and on and on

726

00:29:55,310 --> 00:29:53,159

and on he's just rattling on him he was

727

00:29:58,010 --> 00:29:55,320

going on about uh Tick Tock and

728

00:30:00,889 --> 00:29:58,020

Tick-Tock witches that I mentioned and

729

00:30:02,930 --> 00:30:00,899

then yeah Tick-Tock witches and then uh

730

00:30:06,710 --> 00:30:02,940

which is a huge population

731

00:30:08,210 --> 00:30:06,720

and and then uh the belief in UFOs and

732

00:30:10,010 --> 00:30:08,220

then goes out and say in the end there's

733

00:30:13,310 --> 00:30:10,020

always middle ground and that middle

734

00:30:15,950 --> 00:30:13,320

ground lies in the word maybe uh he goes

735

00:30:17,269 --> 00:30:15,960

on to say I'm an absurdist after all I

736

00:30:19,730 --> 00:30:17,279

don't know what the heck is going on so

737

00:30:26,750 --> 00:30:24,289

okay so witchcraft uh very popular today

738

00:30:29,570 --> 00:30:26,760

in this world

739

00:30:31,070 --> 00:30:29,580

according to their definition

740

00:30:32,510 --> 00:30:31,080

hell I think someone can give you the

741

00:30:34,310 --> 00:30:32,520

evil eye

742

00:30:36,529 --> 00:30:34,320

I don't know I I mean I've encountered

743

00:30:38,090 --> 00:30:36,539

some pretty strange people out there I'm

744

00:30:39,830 --> 00:30:38,100

not gonna discount that and the

745

00:30:43,070 --> 00:30:39,840

definition of an evil eye versus like a

746

00:30:47,289 --> 00:30:43,080

crook guy one of my former bosses she

747

00:30:50,750 --> 00:30:47,299

was a self-proclaimed witch and if you

748

00:30:53,990 --> 00:30:50,760

made her mad or did something behind her

749

00:30:57,070 --> 00:30:54,000

back she would go like at night go to a

750

00:31:01,070 --> 00:30:57,080

bar just like creepy little bar

751
00:31:02,570 --> 00:31:01,080
and she would cast hexes and spells on

752
00:31:03,590 --> 00:31:02,580
people

753
00:31:06,950 --> 00:31:03,600
um

754
00:31:09,350 --> 00:31:06,960
I I don't know if it worked but uh I got

755
00:31:11,810 --> 00:31:09,360
incredibly sick once when I was working

756
00:31:13,909 --> 00:31:11,820
close to her uh I know other people lost

757
00:31:16,370 --> 00:31:13,919
their jobs all coincidence probably but

758
00:31:19,669 --> 00:31:16,380
she was under the under the belief like

759
00:31:20,750 --> 00:31:19,679
her hexes and curses were working and uh

760
00:31:23,210 --> 00:31:20,760
she's probably still practicing

761
00:31:25,370 --> 00:31:23,220
witchcraft today as we speak wait so you

762
00:31:27,409 --> 00:31:25,380
said she was your boss yeah but other

763
00:31:28,970 --> 00:31:27,419

people lost their jobs because of her

764

00:31:32,510 --> 00:31:28,980

witchcraft or because she just fired

765

00:31:35,389 --> 00:31:32,520

them uh they lost their job to to any

766

00:31:38,149 --> 00:31:35,399

number of reasons it was 2007 and I

767

00:31:42,549 --> 00:31:38,159

worked in the real estate market so you

768

00:31:47,810 --> 00:31:45,110

I was trying to market for people

769

00:31:49,370 --> 00:31:47,820

flipping houses yeah

770

00:31:51,470 --> 00:31:49,380

those two layers removed from house

771

00:31:53,330 --> 00:31:51,480

flippers were you the crappy guy who

772

00:31:55,549 --> 00:31:53,340

showed up to install new cabinets and

773

00:31:56,630 --> 00:31:55,559

you didn't no I I was in marketing I was

774

00:31:58,310 --> 00:31:56,640

in the marketing department I didn't

775

00:32:00,590 --> 00:31:58,320

have anything to do with Renovations at

776

00:32:05,450 --> 00:32:02,810

I designed stuff

777

00:32:06,950 --> 00:32:05,460

for uh real estate brokers who are the

778

00:32:08,750 --> 00:32:06,960

worst clients by the way they don't know

779

00:32:09,710 --> 00:32:08,760

did you design the signs they hang on

780

00:32:10,789 --> 00:32:09,720

the side of the road and did you put

781

00:32:13,310 --> 00:32:10,799

were you the one who came with the

782

00:32:16,070 --> 00:32:13,320

phrase not haunted no I should have

783

00:32:18,830 --> 00:32:16,080

though that's a good selling point no

784

00:32:20,210 --> 00:32:18,840

witches no witches definitely not

785

00:32:22,250 --> 00:32:20,220

haunted

786

00:32:24,470 --> 00:32:22,260

probably

787

00:32:26,210 --> 00:32:24,480

all right we'll move on here enough with

788

00:32:29,030 --> 00:32:26,220

the Witchcraft I'm going to do some uh

789

00:32:34,549 --> 00:32:29,040

follow-up and some world news

790

00:32:40,730 --> 00:32:38,510

all right well this is uh some some news

791

00:32:42,830 --> 00:32:40,740

I guess this is some current events

792

00:32:46,070 --> 00:32:42,840

right here I'll play this over here let

793

00:32:48,610 --> 00:32:46,080

me get my audio leveler by the way

794

00:32:50,750 --> 00:32:48,620

before I forget I do have one potential

795

00:32:52,850 --> 00:32:50,760

semi-paranormal related story and one

796

00:32:54,049 --> 00:32:52,860

follow-up news story oh okay and I

797

00:32:56,930 --> 00:32:54,059

always seem to forget that until we get

798

00:32:59,630 --> 00:32:56,940

to the goofball news well

799

00:33:01,310 --> 00:32:59,640

um after I play this one let's hear it

800

00:33:03,649 --> 00:33:01,320

I'm gonna play this right here we go

801
00:33:07,450 --> 00:33:03,659
dual bonds bid to run for the presidency

802
00:33:09,409 --> 00:33:07,460
again in 2024 has hit a major roadblock

803
00:33:10,909 --> 00:33:09,419
inconvenient questions have not been

804
00:33:12,409 --> 00:33:10,919
raised about his family's business

805
00:33:14,630 --> 00:33:12,419
interests

806
00:33:16,909 --> 00:33:14,640
the allegations are that he used this

807
00:33:19,190 --> 00:33:16,919
influence to Pedal money from foreign

808
00:33:21,289 --> 00:33:19,200
entities including from countries such

809
00:33:23,269 --> 00:33:21,299
as China and Romania and this happened

810
00:33:26,090 --> 00:33:23,279
we must make it clear for our viewers

811
00:33:28,490 --> 00:33:26,100
during its tenure as the vice president

812
00:33:30,889 --> 00:33:28,500
under Barack Obama

813
00:33:32,750 --> 00:33:30,899

so the question is is Joe Biden guilty

814

00:33:35,330 --> 00:33:32,760

of having used this influence

815

00:33:37,190 --> 00:33:35,340

to promote his own family's business

816

00:33:39,049 --> 00:33:37,200

interests

817

00:33:40,370 --> 00:33:39,059

well the house oversight committee has

818

00:33:42,590 --> 00:33:40,380

in fact made some pretty alarming

819

00:33:45,529 --> 00:33:42,600

Revelations now take a look at this

820

00:33:47,330 --> 00:33:45,539

memorandum it says that bidens along

821

00:33:49,130 --> 00:33:47,340

with their Associates managed to rake in

822

00:33:50,990 --> 00:33:49,140

at least about 10 million dollars in

823

00:33:54,590 --> 00:33:51,000

terms of foreign currency you heard it

824

00:33:56,509 --> 00:33:54,600

right 10 million dollars so how did the

825

00:33:58,549 --> 00:33:56,519

bidens get away with that through a

826

00:34:00,710 --> 00:33:58,559

meticulously plotted plan by creating a

827

00:34:03,649 --> 00:34:00,720

complicated web of more than 20 shell

828

00:34:05,149 --> 00:34:03,659

companies coach 16 of them were limited

829

00:34:07,730 --> 00:34:05,159

liability companies and they were in

830

00:34:09,169 --> 00:34:07,740

fact formed when Joe Biden was the vice

831

00:34:11,510 --> 00:34:09,179

president of the United States of

832

00:34:13,310 --> 00:34:11,520

America and they were handled by Joe

833

00:34:15,230 --> 00:34:13,320

Barnes Associates

834

00:34:17,450 --> 00:34:15,240

now what was the purpose of these

835

00:34:20,089 --> 00:34:17,460

companies well the purpose was simple it

836

00:34:22,970 --> 00:34:20,099

was to hide the source of cash to

837

00:34:25,669 --> 00:34:22,980

disguise the illicit if not illegal

838

00:34:27,530 --> 00:34:25,679

payments and nothing else the child the

839

00:34:30,230 --> 00:34:27,540

foreign money was allowed to freely flow

840

00:34:32,329 --> 00:34:30,240

into these firms and later this money

841

00:34:36,349 --> 00:34:32,339

rolled into the different bank accounts

842

00:34:39,349 --> 00:34:36,359

to land into the wallets and purposes of

843

00:34:41,690 --> 00:34:39,359

the bidens in the end now

844

00:34:44,149 --> 00:34:41,700

I've heard different things on this like

845

00:34:48,530 --> 00:34:44,159

there is no smoking gun yet they have

846

00:34:50,210 --> 00:34:48,540

some paper trail there is uh no nothing

847

00:34:52,310 --> 00:34:50,220

concrete there's a lot of speculation

848

00:34:55,010 --> 00:34:52,320

some Paper Trails they don't have

849

00:34:56,270 --> 00:34:55,020

everything that they need to get Joe

850

00:34:57,470 --> 00:34:56,280

Biden you know anything about this

851
00:35:00,410 --> 00:34:57,480
graduate

852
00:35:03,050 --> 00:35:00,420
I know Joe Biden is uh as crooked as a

853
00:35:04,849 --> 00:35:03,060
ramrod uh I mean

854
00:35:07,849 --> 00:35:04,859
there's so there's been they're trying

855
00:35:10,430 --> 00:35:07,859
to track they're trying to track um uh

856
00:35:13,069 --> 00:35:10,440
uh what's what's the term here um

857
00:35:15,710 --> 00:35:13,079
laundered money through a bunch of shell

858
00:35:18,470 --> 00:35:15,720
companies coming through China and

859
00:35:20,170 --> 00:35:18,480
there's like a huge amount of of red

860
00:35:22,790 --> 00:35:20,180
tape not red tape a huge amount of

861
00:35:24,890 --> 00:35:22,800
bureaucratic tape trying to funnel this

862
00:35:27,130 --> 00:35:24,900
money around and they named a whole

863
00:35:29,089 --> 00:35:27,140

bunch of the Biden Clan as being

864

00:35:30,589 --> 00:35:29,099

recipients of it whether or not they

865

00:35:32,630 --> 00:35:30,599

knew that or not their names were

866

00:35:34,190 --> 00:35:32,640

attached to it of course Joe Biden

867

00:35:35,510 --> 00:35:34,200

wasn't magically

868

00:35:36,589 --> 00:35:35,520

um and there was there were some

869

00:35:38,089 --> 00:35:36,599

comments about how well they couldn't

870

00:35:39,950 --> 00:35:38,099

tie this to the president even though

871

00:35:42,230 --> 00:35:39,960

like everybody in his family was tied to

872

00:35:45,109 --> 00:35:42,240

it so well where's Tim he's got the

873

00:35:48,770 --> 00:35:45,119

money Tim Biden he has the money man mom

874

00:35:50,569 --> 00:35:48,780

is she here you know if this same exact

875

00:35:52,790 --> 00:35:50,579

thing was tied to Trump they would be

876

00:35:54,890 --> 00:35:52,800

all over it 24 7 non-stop you'd have

877

00:35:58,130 --> 00:35:54,900

every expert from you know the financial

878

00:35:59,630 --> 00:35:58,140

area detailing out with um all the

879

00:36:03,530 --> 00:35:59,640

charts how this worked and all the stuff

880

00:36:09,050 --> 00:36:06,349

a lot of of paper they need some they

881

00:36:10,849 --> 00:36:09,060

need some more stuff well in this

882

00:36:13,550 --> 00:36:10,859

headline here from New York Post FBI

883

00:36:16,790 --> 00:36:13,560

refuses to give Congress informant file

884

00:36:18,650 --> 00:36:16,800

alleging Biden took bribes as vice

885

00:36:19,730 --> 00:36:18,660

president since this goes well there was

886

00:36:22,310 --> 00:36:19,740

a peanut for this and they just didn't

887

00:36:24,109 --> 00:36:22,320

turn it in yeah so the FBI I think they

888

00:36:26,270 --> 00:36:24,119

were subpoenaed and then the FBI

889

00:36:29,210 --> 00:36:26,280

basically said go f yourself we're not

890

00:36:32,089 --> 00:36:29,220

giving you anything

891

00:36:34,609 --> 00:36:32,099

um it's uh pretty heavy duty so the FBI

892

00:36:36,470 --> 00:36:34,619

concluded we hope as this helps you

893

00:36:38,630 --> 00:36:36,480

understand that keeping this kind of

894

00:36:40,910 --> 00:36:38,640

source information free from the

895

00:36:42,890 --> 00:36:40,920

perception or reality of improper

896

00:36:44,930 --> 00:36:42,900

influence and preventing the redirection

897

00:36:47,750 --> 00:36:44,940

of this information for non-law

898

00:36:49,849 --> 00:36:47,760

enforcement or non-intelligence uses is

899

00:36:52,490 --> 00:36:49,859

necessary for the FBI's executive

900

00:36:54,530 --> 00:36:52,500

execution of our law enforcement and

901
00:36:56,569 --> 00:36:54,540
National Security responsibilities

902
00:36:59,569 --> 00:36:56,579
so the one of the Republicans comes

903
00:37:01,490 --> 00:36:59,579
slam the fbi for stonewalling but he

904
00:37:03,530 --> 00:37:01,500
did not immediately announce further

905
00:37:04,550 --> 00:37:03,540
steps to acquire the document in

906
00:37:06,170 --> 00:37:04,560
question

907
00:37:08,329 --> 00:37:06,180
Congress has the power to apply

908
00:37:11,089 --> 00:37:08,339
Financial pressures uh pressure to the

909
00:37:13,910 --> 00:37:11,099
agency and can also use litigation to

910
00:37:15,730 --> 00:37:13,920
enforce its order or attempt to shame

911
00:37:18,589 --> 00:37:15,740
officials through

912
00:37:20,510 --> 00:37:18,599
uh contempt votes so I don't think shame

913
00:37:22,069 --> 00:37:20,520

is going to work I don't think budget is

914

00:37:26,390 --> 00:37:22,079

going to work you got to just go after

915

00:37:28,069 --> 00:37:26,400

him with uh everything you got legally

916

00:37:30,770 --> 00:37:28,079

there you go

917

00:37:33,050 --> 00:37:30,780

so there's uh there's a a battle going

918

00:37:35,450 --> 00:37:33,060

on and this all goes back to when Joe

919

00:37:36,530 --> 00:37:35,460

Biden was vice president under Barack

920

00:37:38,569 --> 00:37:36,540

Obama

921

00:37:40,910 --> 00:37:38,579

that's it it's all going back then

922

00:37:44,930 --> 00:37:40,920

how many years ago was that

923

00:37:47,390 --> 00:37:44,940

well two two thousand uh yeah uh it's

924

00:37:49,069 --> 00:37:47,400

2008 to 2016. um

925

00:37:51,770 --> 00:37:49,079

uh but yeah famously there's the the

926

00:37:54,589 --> 00:37:51,780

thing about him uh demanding a Shakedown

927

00:37:55,730 --> 00:37:54,599

money from a from uh um Ukraine to fire

928

00:37:57,710 --> 00:37:55,740

people and all that stuff but no that

929

00:38:00,829 --> 00:37:57,720

never happened that's different

930

00:38:03,770 --> 00:38:00,839

look I mean the guy has been in uh

931

00:38:05,990 --> 00:38:03,780

government is almost his entire life you

932

00:38:08,450 --> 00:38:06,000

don't think he's like as corrupt as they

933

00:38:10,130 --> 00:38:08,460

come and like how does he get so much

934

00:38:11,750 --> 00:38:10,140

money how does he get so much money and

935

00:38:13,370 --> 00:38:11,760

I saw some response online like I go on

936

00:38:14,810 --> 00:38:13,380

Reddit and like like look at the

937

00:38:16,010 --> 00:38:14,820

response what's the what's the mental

938

00:38:18,829 --> 00:38:16,020

gymnastics

939

00:38:22,730 --> 00:38:18,839

um wow it looks corrupt everything he

940

00:38:24,829 --> 00:38:22,740

did was done legally like creating all

941

00:38:27,109 --> 00:38:24,839

these shells all these corporate shells

942

00:38:29,089 --> 00:38:27,119

and and funneling money from one to

943

00:38:32,329 --> 00:38:29,099

another to off you skate

944

00:38:34,609 --> 00:38:32,339

uh its origin while

945

00:38:36,589 --> 00:38:34,619

it's legal yeah it looks a little scummy

946

00:38:38,329 --> 00:38:36,599

but technically it's legal and he can do

947

00:38:42,109 --> 00:38:38,339

it and that's what they're saying

948

00:38:44,569 --> 00:38:42,119

was he wrong was that found upon I

949

00:38:47,030 --> 00:38:44,579

I so I guess they're gonna keep going

950

00:38:49,790 --> 00:38:47,040

and then eventually the FBI will give

951
00:38:51,470 --> 00:38:49,800
him up and Joe Biden wants to step down

952
00:38:53,870 --> 00:38:51,480
and then he can't run they'll probably

953
00:38:57,230 --> 00:38:53,880
try to they'll probably try to let it go

954
00:39:00,710 --> 00:38:57,240
as long as possible until the primary

955
00:39:03,170 --> 00:39:00,720
Seasons really ramps up and uh then

956
00:39:05,030 --> 00:39:03,180
they'll pull the string on them

957
00:39:07,910 --> 00:39:05,040
and replace them with who

958
00:39:09,770 --> 00:39:07,920
hmm well kamalas probably would be a

959
00:39:11,390 --> 00:39:09,780
good president for at least two months

960
00:39:13,130 --> 00:39:11,400
two months

961
00:39:15,770 --> 00:39:13,140
I think I think she's too unpredictable

962
00:39:17,390 --> 00:39:15,780
from the standpoint of um at least Biden

963
00:39:20,270 --> 00:39:17,400

will do what he's what he's told and is

964

00:39:22,430 --> 00:39:20,280

an easy puppet for uh for the The

965

00:39:25,250 --> 00:39:22,440

Establishment

966

00:39:26,329 --> 00:39:25,260

um I don't think camela is as reliable

967

00:39:27,770 --> 00:39:26,339

for that because she'll just start

968

00:39:30,190 --> 00:39:27,780

talking about random stuff well I think

969

00:39:34,250 --> 00:39:30,200

she's just gonna be a stop gap between

970

00:39:36,290 --> 00:39:34,260

Biden's resignation until the the

971

00:39:38,089 --> 00:39:36,300

election and so oh you think he's going

972

00:39:40,130 --> 00:39:38,099

to resign before the election I think so

973

00:39:41,210 --> 00:39:40,140

before some of Camelot but run a

974

00:39:43,790 --> 00:39:41,220

different candidate yeah they're gonna

975

00:39:45,829 --> 00:39:43,800

run Gavin Gavin from California really

976

00:39:47,870 --> 00:39:45,839

think so yeah I think so I think he uh

977

00:39:49,190 --> 00:39:47,880

he's done enough damage to California he

978

00:39:50,870 --> 00:39:49,200

might as well spread it out across the

979

00:39:51,950 --> 00:39:50,880

country look at that he did a good job

980

00:39:54,109 --> 00:39:51,960

out there

981

00:39:55,430 --> 00:39:54,119

I mean he's been on tour he's been going

982

00:39:57,470 --> 00:39:55,440

all across the country he's been on

983

00:39:58,849 --> 00:39:57,480

Twitter that's true and so he's really

984

00:40:01,370 --> 00:39:58,859

trying to get his name out there he

985

00:40:04,670 --> 00:40:01,380

looks like a president uh the guy is

986

00:40:06,950 --> 00:40:04,680

tall he's got a restaurant manager it

987

00:40:08,150 --> 00:40:06,960

looks like a younger version of Mitt

988

00:40:13,990 --> 00:40:08,160

Romney

989

00:40:17,030 --> 00:40:14,000

president either so uh yeah but

990

00:40:17,750 --> 00:40:17,040

uh that's that's what uh that's what I

991

00:40:22,849 --> 00:40:17,760

think

992

00:40:25,190 --> 00:40:22,859

won

993

00:40:28,790 --> 00:40:25,200

at one time claimed that Gavin Newsom

994

00:40:32,690 --> 00:40:28,800

has a two foot long you know what

995

00:40:34,609 --> 00:40:32,700

I I I I finger I swear to God I think

996

00:40:37,609 --> 00:40:34,619

Alex Jones said that at one point in

997

00:40:39,710 --> 00:40:37,619

time a two foot long penis let me see if

998

00:40:41,990 --> 00:40:39,720

I can bring it up

999

00:40:46,910 --> 00:40:42,000

uh

1000

00:40:48,349 --> 00:40:46,920

out to dig through my archives but

1001
00:40:51,950 --> 00:40:48,359
um he was claiming at one point in time

1002
00:40:53,930 --> 00:40:51,960
yeah he did have a big giant penis Gavin

1003
00:40:55,250 --> 00:40:53,940
Newsom so I don't know if that means

1004
00:40:58,250 --> 00:40:55,260
anything for the witches out there in

1005
00:41:00,230 --> 00:40:58,260
the pagans but uh the guy he he can

1006
00:41:03,230 --> 00:41:00,240
perform apparently you can get it to get

1007
00:41:07,849 --> 00:41:04,970
so that's that's what that's what I'm

1008
00:41:10,910 --> 00:41:07,859
I'm my speculation

1009
00:41:13,190 --> 00:41:10,920
all right uh another little uh piece of

1010
00:41:15,530 --> 00:41:13,200
follow-up news

1011
00:41:18,470 --> 00:41:15,540
here we go uh you guys remember that big

1012
00:41:21,710 --> 00:41:18,480
uh it looks like the um uh stream died I

1013
00:41:25,250 --> 00:41:21,720

want to check your connectioni uh

1014

00:41:28,010 --> 00:41:25,260

uh it still looks okay over here

1015

00:41:33,109 --> 00:41:28,020

I'm not getting any

1016

00:41:34,550 --> 00:41:33,119

yeah we're good it's back huh hiccup it

1017

00:41:35,750 --> 00:41:34,560

was Gavin Newsome he's standing on

1018

00:41:39,349 --> 00:41:35,760

things for this

1019

00:41:41,450 --> 00:41:39,359

and I just I upgraded my internet so I

1020

00:41:44,390 --> 00:41:41,460

now have uh

1021

00:41:47,150 --> 00:41:44,400

two megabits two megabits up so now I

1022

00:41:48,710 --> 00:41:47,160

can stream in 720p like I pay a lot of

1023

00:41:49,910 --> 00:41:48,720

money for internet like I shouldn't have

1024

00:41:52,130 --> 00:41:49,920

this problem

1025

00:41:56,690 --> 00:41:52,140

but uh you guys remember that the big

1026

00:41:58,849 --> 00:41:56,700

train wreck in Ohio East Palestine

1027

00:42:00,530 --> 00:41:58,859

I remember the Super Bowl yeah exactly

1028

00:42:02,270 --> 00:42:00,540

no one remembers this but here's a

1029

00:42:04,310 --> 00:42:02,280

follow-up on this this comes from I

1030

00:42:05,569 --> 00:42:04,320

believe ABC here we go gonna turn now to

1031

00:42:07,970 --> 00:42:05,579

the company at the center of the

1032

00:42:10,190 --> 00:42:07,980

February toxic train derailment in East

1033

00:42:12,050 --> 00:42:10,200

Palestine now saying they'll compensate

1034

00:42:14,089 --> 00:42:12,060

the home moment affected by it as

1035

00:42:15,589 --> 00:42:14,099

another Norfolk Southern Train derailed

1036

00:42:17,270 --> 00:42:15,599

overnight our transportation

1037

00:42:18,710 --> 00:42:17,280

correspondent you'll Benitez this track

1038

00:42:19,970 --> 00:42:18,720

in the latest for us good morning Geo

1039

00:42:21,589 --> 00:42:19,980

hey Michael good morning yeah East

1040

00:42:23,630 --> 00:42:21,599

Palestine owners have been calling for

1041

00:42:25,730 --> 00:42:23,640

this since that toxic derailment just

1042

00:42:27,589 --> 00:42:25,740

over three months ago those homeowners

1043

00:42:29,030 --> 00:42:27,599

have said they will never be able to

1044

00:42:31,370 --> 00:42:29,040

sell their homes for what they were

1045

00:42:33,650 --> 00:42:31,380

worth before that toxic spill now

1046

00:42:35,329 --> 00:42:33,660

Norfolk Southern CEO says it will pay

1047

00:42:37,250 --> 00:42:35,339

those homeowners for declines in their

1048

00:42:39,349 --> 00:42:37,260

property values the company telling the

1049

00:42:42,109 --> 00:42:39,359

U.S Senate it will establish a fund for

1050

00:42:43,970 --> 00:42:42,119

homes within a five mile radius of the

1051
00:42:45,290 --> 00:42:43,980
derailment and this morning Norfolk

1052
00:42:47,270 --> 00:42:45,300
Southern is still struggling with

1053
00:42:48,910 --> 00:42:47,280
derailments just hours ago another one

1054
00:42:51,349 --> 00:42:48,920
this time in Newcastle Pennsylvania

1055
00:42:54,109 --> 00:42:51,359
thankfully there were no injuries and

1056
00:42:56,750 --> 00:42:54,119
we're told only candle wax and salt were

1057
00:42:58,670 --> 00:42:56,760
spilled no hazardous materials meanwhile

1058
00:43:00,530 --> 00:42:58,680
well on that fund for homeowners in East

1059
00:43:02,809 --> 00:43:00,540
Palestine the company said it will not

1060
00:43:04,790 --> 00:43:02,819
wait it will establish that fund

1061
00:43:06,230 --> 00:43:04,800
immediately Robert Sharon is going to

1062
00:43:08,450 --> 00:43:06,240
help a lot of families all right Geo

1063
00:43:10,069 --> 00:43:08,460

thank you hi everyone George

1064

00:43:12,410 --> 00:43:10,079

stephanopoul so that I mean this was

1065

00:43:15,349 --> 00:43:12,420

posted nine hours ago so uh even more

1066

00:43:17,390 --> 00:43:15,359

train wrecks in North Norfolk uh

1067

00:43:19,609 --> 00:43:17,400

continuing to spread the disaster across

1068

00:43:22,010 --> 00:43:19,619

the country there you go

1069

00:43:23,089 --> 00:43:22,020

well so here's the question on that they

1070

00:43:24,290 --> 00:43:23,099

said they're going to compensate people

1071

00:43:26,870 --> 00:43:24,300

for the value of their homes are they

1072

00:43:28,609 --> 00:43:26,880

compensating for the current value the

1073

00:43:30,470 --> 00:43:28,619

current value the market value how are

1074

00:43:32,750 --> 00:43:30,480

they assessing the cost is it the value

1075

00:43:34,430 --> 00:43:32,760

of the home before the crash or the

1076
00:43:37,910 --> 00:43:34,440
current value and then they'll take care

1077
00:43:38,809 --> 00:43:37,920
of any depreciation henceforth yeah I'll

1078
00:43:39,770 --> 00:43:38,819
tell you right now depending on how

1079
00:43:41,150 --> 00:43:39,780
they're gonna price it out I might be

1080
00:43:44,030 --> 00:43:41,160
interested in buying most of that town

1081
00:43:46,309 --> 00:43:44,040
you could you could get it for quite a

1082
00:43:48,710 --> 00:43:46,319
deal I tell you what I'll give you

1083
00:43:50,870 --> 00:43:48,720
fourteen thousand dollars bill beat me

1084
00:43:54,290 --> 00:43:50,880
to it maybe

1085
00:43:55,730 --> 00:43:54,300
what do you think maybe all right I mean

1086
00:43:57,890 --> 00:43:55,740
sure

1087
00:44:00,349 --> 00:43:57,900
just think about you Hulk just calling

1088
00:44:03,309 --> 00:44:00,359

people out best offering them 14 000 or

1089

00:44:06,349 --> 00:44:03,319

random [h__\h] you could do a train match

1090

00:44:07,370 --> 00:44:06,359

you guys can wrestle on top of the uh

1091

00:44:15,290 --> 00:44:07,380

the

1092

00:44:18,589 --> 00:44:15,300

Undertaker versus Hulk on top of a train

1093

00:44:20,750 --> 00:44:18,599

in East Palestine Ohio what if you built

1094

00:44:22,430 --> 00:44:20,760

a ring right on the spot where they set

1095

00:44:24,230 --> 00:44:22,440

fire to all that stuff oh God it'd be

1096

00:44:26,690 --> 00:44:24,240

great let's do it

1097

00:44:29,630 --> 00:44:26,700

anything

1098

00:44:31,910 --> 00:44:29,640

come out I would with five arms when the

1099

00:44:34,730 --> 00:44:31,920

match is done

1100

00:44:36,109 --> 00:44:34,740

you have to wear a mask full-time

1101

00:44:38,030 --> 00:44:36,119

well

1102

00:44:40,490 --> 00:44:38,040

um you see here when it comes to uh

1103

00:44:43,309 --> 00:44:40,500

world news I'll just do one brief little

1104

00:44:44,809 --> 00:44:43,319

piece of world news over here here we go

1105

00:44:47,150 --> 00:44:44,819

can't forget our

1106

00:44:48,890 --> 00:44:47,160

people around the world here we go now

1107

00:44:50,450 --> 00:44:48,900

hundreds of residents gathered in front

1108

00:44:51,890 --> 00:44:50,460

of Rome's town where are you pulling

1109

00:44:54,589 --> 00:44:51,900

these clips to protest against the

1110

00:44:57,349 --> 00:44:54,599

recent measures on polluting cars by

1111

00:44:59,210 --> 00:44:57,359

mayor to combat air pollution the recent

1112

00:45:02,030 --> 00:44:59,220

limitations will ban relatively modern

1113

00:45:04,609 --> 00:45:02,040

cars including Euro 4 diesel vehicles by

1114

00:45:06,410 --> 00:45:04,619

November 2023 and your five diesel

1115

00:45:08,210 --> 00:45:06,420

vehicles by November 2020. this is in

1116

00:45:13,150 --> 00:45:08,220

Rome by the way Rome what the hell is a

1117

00:45:17,870 --> 00:45:15,530

cities are still exceeding air pollution

1118

00:45:20,290 --> 00:45:17,880

limits and getting repeatedly fined by

1119

00:45:22,910 --> 00:45:20,300

the European Union

1120

00:45:24,309 --> 00:45:22,920

methane and liquefied petroleum gas are

1121

00:45:26,930 --> 00:45:24,319

much less polluting than a

1122

00:45:29,630 --> 00:45:26,940

gasoline-propelled new car this is

1123

00:45:31,190 --> 00:45:29,640

obvious I hope they will rethink these

1124

00:45:33,950 --> 00:45:31,200

restrictions as they are completely

1125

00:45:36,349 --> 00:45:33,960

logical according to the European

1126
00:45:39,010 --> 00:45:36,359
environment agency air pollution Remains

1127
00:45:42,890 --> 00:45:39,020
the worst health risk factor in Europe

1128
00:45:44,930 --> 00:45:42,900
as it worsens asthma heart diseases and

1129
00:45:47,089 --> 00:45:44,940
strokes The Italian environmental

1130
00:45:49,010 --> 00:45:47,099
Association also stressed in its 2022

1131
00:45:51,069 --> 00:45:49,020
annual report on air quality that

1132
00:45:53,990 --> 00:45:51,079
Italian cities such as Milan and Rome

1133
00:45:56,569 --> 00:45:54,000
repeatedly exceed particulate matter and

1134
00:45:58,309 --> 00:45:56,579
nitrogen dioxide limits Rome is heavily

1135
00:46:00,589 --> 00:45:58,319
dependent on car-based individual

1136
00:46:02,390 --> 00:46:00,599
Transportation while the public transit

1137
00:46:04,849 --> 00:46:02,400
system lags behind many European cities

1138
00:46:07,130 --> 00:46:04,859

and the three Metro lines serve just a

1139

00:46:08,690 --> 00:46:07,140

fraction of Rome's commuters this

1140

00:46:10,550 --> 00:46:08,700

contributes to heavy traffic congestion

1141

00:46:13,130 --> 00:46:10,560

in the city Roman residents and car

1142

00:46:15,650 --> 00:46:13,140

drivers are however asking for a slower

1143

00:46:17,089 --> 00:46:15,660

transition to less polluting cars and to

1144

00:46:20,630 --> 00:46:17,099

an improvement of public transport

1145

00:46:22,370 --> 00:46:20,640

before imposing strict bans who gives a

1146

00:46:24,829 --> 00:46:22,380

[h__h] who gives a [h__h]

1147

00:46:26,990 --> 00:46:24,839

it's kind of my thought also was were

1148

00:46:28,490 --> 00:46:27,000

they leaving the audio on for the back

1149

00:46:29,569 --> 00:46:28,500

the uh the stock footage they had or

1150

00:46:31,790 --> 00:46:29,579

were there people like in the studio

1151
00:46:33,910 --> 00:46:31,800
with her show I don't know it's not so

1152
00:46:36,290 --> 00:46:33,920
this Indian news agency

1153
00:46:38,510 --> 00:46:36,300
w-i-o-n I get a lot of news it's

1154
00:46:41,450 --> 00:46:38,520
pronounced will

1155
00:46:43,609 --> 00:46:41,460
uh I I like them because yeah I try to

1156
00:46:45,430 --> 00:46:43,619
get news about the rest of the world

1157
00:46:53,510 --> 00:46:45,440
from

1158
00:46:55,370 --> 00:46:53,520
make it maybe seem as non-biased as

1159
00:46:56,750 --> 00:46:55,380
possible oh I see so you want world news

1160
00:46:58,490 --> 00:46:56,760
but you want world news from somebody

1161
00:47:00,290 --> 00:46:58,500
from the other side of the world correct

1162
00:47:02,450 --> 00:47:00,300
I want somebody on the opposite side of

1163
00:47:05,210 --> 00:47:02,460

the globe reporting about the opposite

1164

00:47:06,890 --> 00:47:05,220

side of the globe so they have no real

1165

00:47:09,230 --> 00:47:06,900

ties to it like they don't care either

1166

00:47:11,329 --> 00:47:09,240

way I I at least that's my opinion on it

1167

00:47:13,309 --> 00:47:11,339

maybe kind of my reaction too yeah so I

1168

00:47:15,470 --> 00:47:13,319

was like okay they're just covering the

1169

00:47:17,210 --> 00:47:15,480

protest there in in Rome and uh

1170

00:47:19,670 --> 00:47:17,220

apparently people want to keep their uh

1171

00:47:22,069 --> 00:47:19,680

what kind of cars are those they're e5s

1172

00:47:23,990 --> 00:47:22,079

there's e4s they love them well yeah so

1173

00:47:26,210 --> 00:47:24,000

I was looking that up there's there's

1174

00:47:28,370 --> 00:47:26,220

um uh first European exhaust emission

1175

00:47:32,329 --> 00:47:28,380

standard was introduced in 1970 so since

1176

00:47:38,930 --> 00:47:32,339

then they're now up to Euro six as of uh

1177

00:47:41,150 --> 00:47:38,940

uh 2014 with the Euro 6D in 2017 and

1178

00:47:44,030 --> 00:47:41,160

probably a Euro seven coming soon if not

1179

00:47:50,770 --> 00:47:44,040

I don't believe the 5.6 yeah what

1180

00:47:55,430 --> 00:47:53,630

how dare they

1181

00:47:59,270 --> 00:47:55,440

use nonsense numbers it's like oh well

1182

00:48:02,150 --> 00:47:59,280

you can only have 2.3 grams 2.3 grams

1183

00:48:04,430 --> 00:48:02,160

per kilometer of co uh emissions how the

1184

00:48:07,970 --> 00:48:04,440

hell are you measuring that

1185

00:48:10,430 --> 00:48:07,980

it's a wacky world and we can only pray

1186

00:48:13,190 --> 00:48:10,440

that King Charles will Deliver Us from

1187

00:48:15,650 --> 00:48:13,200

this carbon Madness by the power of his

1188

00:48:17,150 --> 00:48:15,660

fingers yes his pudgy little sausage

1189

00:48:22,190 --> 00:48:17,160

fingers

1190

00:48:23,990 --> 00:48:22,200

got he's got his Jimmy Dean Jimmy Dean

1191

00:48:25,370 --> 00:48:24,000

saws his fingers but pretty sure he can

1192

00:48:28,309 --> 00:48:25,380

you put up an image of Prince Charles

1193

00:48:31,910 --> 00:48:28,319

hands and his little sausage fingers

1194

00:48:34,250 --> 00:48:31,920

and this little sausage yeah or southern

1195

00:48:37,190 --> 00:48:34,260

people to eat with the breakfast with

1196

00:48:38,809 --> 00:48:37,200

the fried eggs and the T-bone steak it

1197

00:48:41,329 --> 00:48:38,819

certainly is and you've got three men

1198

00:48:45,230 --> 00:48:41,339

that weigh over 200 pounds a piece yeah

1199

00:48:46,970 --> 00:48:45,240

goodbye I'm a Texas man let me find King

1200

00:48:48,829 --> 00:48:46,980

Charles's little sausage fingers no

1201

00:48:52,010 --> 00:48:48,839

let's get those up on the screen

1202

00:48:53,809 --> 00:48:52,020

oh my God holy crap it ain't gonna work

1203

00:48:55,849 --> 00:48:53,819

got some sort of Edema I don't know how

1204

00:48:58,190 --> 00:48:55,859

he gets his ring on it yeah that Ring's

1205

00:49:00,109 --> 00:48:58,200

not coming off

1206

00:49:03,170 --> 00:49:00,119

you look at that ring he's got sausage

1207

00:49:04,790 --> 00:49:03,180

fingers those look like Maple sausage

1208

00:49:06,109 --> 00:49:04,800

and we don't eat those

1209

00:49:08,329 --> 00:49:06,119

look at this one talk about poor

1210

00:49:10,370 --> 00:49:08,339

circulation Maple sausages are for for

1211

00:49:14,210 --> 00:49:10,380

people in the North

1212

00:49:16,370 --> 00:49:14,220

oh my God yeah it looks awful holy crap

1213

00:49:17,870 --> 00:49:16,380

clearly got some sort of uh edema what

1214

00:49:21,109 --> 00:49:17,880

what's the where you your circulation

1215

00:49:24,170 --> 00:49:21,119

isn't good in your hands uh

1216

00:49:28,309 --> 00:49:26,089

do I have it

1217

00:49:29,870 --> 00:49:28,319

says sausage fingers this is from a

1218

00:49:32,809 --> 00:49:29,880

doctor sausage fingers are officially

1219

00:49:33,950 --> 00:49:32,819

known as dactylitis

1220

00:49:36,710 --> 00:49:33,960

there you go

1221

00:49:38,990 --> 00:49:36,720

okay Jack the lights it's known as

1222

00:49:40,910 --> 00:49:39,000

dactylitis or sausage digit is

1223

00:49:43,490 --> 00:49:40,920

inflammation of entire digit and can be

1224

00:49:47,990 --> 00:49:43,500

painful wow they literally call it

1225

00:49:49,190 --> 00:49:48,000

sausage digit huh

1226

00:49:51,650 --> 00:49:49,200

okay

1227

00:49:53,510 --> 00:49:51,660

I like to eat

1228

00:49:55,970 --> 00:49:53,520

okay well there we go we learned more

1229

00:49:58,370 --> 00:49:55,980

about his hands than ever expected to

1230

00:50:00,290 --> 00:49:58,380

ever know about his hands but okay

1231

00:50:02,450 --> 00:50:00,300

oh he's now king the king of he's King

1232

00:50:04,730 --> 00:50:02,460

of the hands all right well we're gonna

1233

00:50:06,589 --> 00:50:04,740

move on and we're gonna see what

1234

00:50:08,569 --> 00:50:06,599

creched may have over there I know you

1235

00:50:11,930 --> 00:50:08,579

got some follow-ups so let's follow and

1236

00:50:13,500 --> 00:50:11,940

I have I also have a uh a semi missing

1237

00:50:19,730 --> 00:50:13,510

4-1-1 story oh awesome

1238

00:50:20,930 --> 00:50:19,740

[Music]

1239

00:50:23,270 --> 00:50:20,940

all right so do you want the follow-up

1240

00:50:25,730 --> 00:50:23,280

or do you want the Missing 411 story

1241

00:50:27,069 --> 00:50:25,740

well I went missing four one one story

1242

00:50:30,530 --> 00:50:27,079

because

1243

00:50:32,390 --> 00:50:30,540

I have some well maybe I'll I'll say

1244

00:50:34,609 --> 00:50:32,400

that until Saturday yeah I'll save it to

1245

00:50:37,130 --> 00:50:34,619

Saturday but go ahead just do the

1246

00:50:38,690 --> 00:50:37,140

Missing 411 thing missing 4-1-1 it's not

1247

00:50:42,130 --> 00:50:38,700

an official missing four one but it's

1248

00:50:44,450 --> 00:50:42,140

it's got a lot of the same uh

1249

00:50:50,329 --> 00:50:44,460

characteristics okay that we see in

1250

00:50:56,690 --> 00:50:52,970

uh here we go here is the uh the

1251
00:50:58,730 --> 00:50:56,700
headline boy age eight survives two days

1252
00:51:02,809 --> 00:50:58,740
in Michigan wilderness

1253
00:51:03,950 --> 00:51:02,819
by eating snow that's some good news on

1254
00:51:06,589 --> 00:51:03,960
that front

1255
00:51:09,410 --> 00:51:06,599
okay well I okay good for him stay

1256
00:51:11,150 --> 00:51:09,420
hydrated two days you you can you can go

1257
00:51:14,510 --> 00:51:11,160
weeks without food

1258
00:51:17,329 --> 00:51:14,520
but uh you gotta have that hydration

1259
00:51:19,130 --> 00:51:17,339
an eight-year-old boy uh lost in the

1260
00:51:20,870 --> 00:51:19,140
remote Woodlands a Michigan survived for

1261
00:51:23,150 --> 00:51:20,880
two days by eating snow and hiding

1262
00:51:26,569 --> 00:51:23,160
beneath the log for shelter

1263
00:51:28,490 --> 00:51:26,579

uh Nate uh nemi

1264

00:51:30,290 --> 00:51:28,500

I went missing on Saturday while camping

1265

00:51:32,450 --> 00:51:30,300

with his family in the Porcupine

1266

00:51:33,410 --> 00:51:32,460

Mountains uh porcupine Mountain State

1267

00:51:35,270 --> 00:51:33,420

Park

1268

00:51:38,930 --> 00:51:35,280

he got lost while walking walking

1269

00:51:40,069 --> 00:51:38,940

together firewood sparking 150 person

1270

00:51:42,530 --> 00:51:40,079

search

1271

00:51:44,750 --> 00:51:42,540

uh an effort to rescue him on Monday he

1272

00:51:46,970 --> 00:51:44,760

was found underneath a log it said

1273

00:51:49,309 --> 00:51:46,980

underneath his log like he owned a plane

1274

00:51:50,809 --> 00:51:49,319

this is my log I brought it with me I'm

1275

00:51:54,290 --> 00:51:50,819

sleeping here and he's like you marked

1276

00:51:57,049 --> 00:51:54,300

it like a dog this was a log until I

1277

00:51:58,790 --> 00:51:57,059

pissed all over it now it's my log on

1278

00:52:01,010 --> 00:51:58,800

Monday he was found underneath his log

1279

00:52:03,230 --> 00:52:01,020

in good health with uh about two miles

1280

00:52:05,329 --> 00:52:03,240

from his camp uh he had braved the

1281

00:52:07,670 --> 00:52:05,339

elements by taking shelter under a log

1282

00:52:09,829 --> 00:52:07,680

where he was ultimately found well he

1283

00:52:12,230 --> 00:52:09,839

really loved his log there's three times

1284

00:52:14,690 --> 00:52:12,240

I mentioned this lock yeah

1285

00:52:18,230 --> 00:52:14,700

the boy told police he ate clean snow

1286

00:52:20,030 --> 00:52:18,240

for hydration how do you know it's clean

1287

00:52:21,410 --> 00:52:20,040

well because he marked his log so you

1288

00:52:26,329 --> 00:52:21,420

know so he didn't pee in the snow he

1289

00:52:30,230 --> 00:52:28,190

it probably it might act as a repellent

1290

00:52:31,849 --> 00:52:30,240

it doesn't like human urine like repel

1291

00:52:33,470 --> 00:52:31,859

certain animals like I don't like that

1292

00:52:36,770 --> 00:52:33,480

stuff yeah that's the idea is the market

1293

00:52:39,230 --> 00:52:36,780

territory exactly so his kid's smart yes

1294

00:52:41,030 --> 00:52:39,240

uh soon after the alarm was raised on

1295

00:52:43,010 --> 00:52:41,040

Saturday his mother thanked people for

1296

00:52:45,829 --> 00:52:43,020

their support but implored everyone to

1297

00:52:48,829 --> 00:52:45,839

please stay away it will make it harder

1298

00:52:52,190 --> 00:52:48,839

to find him what also leave the log

1299

00:52:55,670 --> 00:52:52,200

alone that's my log is coming home with

1300

00:52:58,730 --> 00:52:55,680

us I'd like an interview with the log

1301

00:53:01,069 --> 00:52:58,740

uh State Police said the train is very

1302

00:53:03,170 --> 00:53:01,079

remote and hilly with lots of standing

1303

00:53:06,230 --> 00:53:03,180

water due uh due to the time of year

1304

00:53:09,290 --> 00:53:06,240

several roads were impassable due to the

1305

00:53:12,410 --> 00:53:09,300

amount of snow uh a team focused around

1306

00:53:14,329 --> 00:53:12,420

uh 40 square miles in the park

1307

00:53:16,670 --> 00:53:14,339

eventually finding the boy he was

1308

00:53:18,349 --> 00:53:16,680

reunited with his family police said

1309

00:53:19,849 --> 00:53:18,359

we kind of messed up but they didn't

1310

00:53:21,890 --> 00:53:19,859

reunite him with his family

1311

00:53:25,970 --> 00:53:21,900

we found them we can reunite them nope

1312

00:53:28,490 --> 00:53:25,980

nope to jail you need to go to jail

1313

00:53:30,710 --> 00:53:28,500

ship them to another family yeah

1314

00:53:32,630 --> 00:53:30,720

yeah I need to go to jail you know how

1315

00:53:34,730 --> 00:53:32,640

much effort and money we spent trying to

1316

00:53:36,530 --> 00:53:34,740

find you kid and if you can't pay up

1317

00:53:38,329 --> 00:53:36,540

you're going to jail

1318

00:53:40,190 --> 00:53:38,339

so they they used to do that in the uh

1319

00:53:42,349 --> 00:53:40,200

and I think they still do a lot of areas

1320

00:53:43,790 --> 00:53:42,359

that do Alpine skiing if you go out of

1321

00:53:45,829 --> 00:53:43,800

bounds and they have to come rescue you

1322

00:53:47,390 --> 00:53:45,839

yeah um they stick you with the bill

1323

00:53:50,510 --> 00:53:47,400

which I agree with

1324

00:53:52,370 --> 00:53:50,520

if you're taking unnecessary risks and

1325

00:53:54,049 --> 00:53:52,380

you're you're expecting them to spend a

1326
00:53:56,510 --> 00:53:54,059
quarter million dollars to come rescue

1327
00:53:57,829 --> 00:53:56,520
you well you got to pay the sheriff

1328
00:53:59,089 --> 00:53:57,839
shows up with their helicopter and all

1329
00:54:00,410 --> 00:53:59,099
these guys on snowmobiles and they

1330
00:54:02,809 --> 00:54:00,420
finally get you they're like all right

1331
00:54:04,490 --> 00:54:02,819
you're good all right here's the bill

1332
00:54:06,410 --> 00:54:04,500
have fun with that yeah

1333
00:54:08,150 --> 00:54:06,420
good luck I'm a girl I got a boyfriend

1334
00:54:09,710 --> 00:54:08,160
I'm happy I know I meant to play I

1335
00:54:11,990 --> 00:54:09,720
didn't mean that I didn't mean to play

1336
00:54:14,329 --> 00:54:12,000
that I meant to play this I really need

1337
00:54:16,609 --> 00:54:14,339
some money

1338
00:54:18,589 --> 00:54:16,619

I didn't mean it I thought you had one

1339

00:54:21,470 --> 00:54:18,599

of him say something about a law I

1340

00:54:25,549 --> 00:54:21,480

didn't no I haven't I I have him talking

1341

00:54:27,530 --> 00:54:25,559

to a log suck my titties

1342

00:54:29,089 --> 00:54:27,540

good Lord he likes kinky stuff in the

1343

00:54:31,010 --> 00:54:29,099

woods we all know that

1344

00:54:32,870 --> 00:54:31,020

there's a kind of goofy out there oh

1345

00:54:35,930 --> 00:54:32,880

it's good the boy was found I'd like to

1346

00:54:38,930 --> 00:54:35,940

hear an interview with the boy and to

1347

00:54:40,370 --> 00:54:38,940

see if there were any helpful Bears or

1348

00:54:43,549 --> 00:54:40,380

Wolves or anything like that that

1349

00:54:46,309 --> 00:54:43,559

visited him during that two-day period

1350

00:54:50,210 --> 00:54:46,319

now this kid was eight

1351

00:54:52,549 --> 00:54:50,220

um not typically the age of a Missing

1352

00:54:55,490 --> 00:54:52,559

411 disappearance when when it comes to

1353

00:54:57,349 --> 00:54:55,500

kids going missing being found again and

1354

00:54:59,809 --> 00:54:57,359

then having a story about a helpful bear

1355

00:55:02,450 --> 00:54:59,819

typically that's yeah toddler age up to

1356

00:55:04,730 --> 00:55:02,460

six uh eight uh they can communicate

1357

00:55:07,370 --> 00:55:04,740

pretty well and uh probably have a good

1358

00:55:09,190 --> 00:55:07,380

idea of what they're seeing

1359

00:55:12,170 --> 00:55:09,200

these you know

1360

00:55:13,490 --> 00:55:12,180

she's pretty specific about this log he

1361

00:55:15,170 --> 00:55:13,500

does like the log

1362

00:55:19,670 --> 00:55:15,180

uh in fact the family should take the

1363

00:55:21,230 --> 00:55:19,680

the log bronze it as is uh his little

1364

00:55:23,809 --> 00:55:21,240

safety blanket I mean I think that log

1365

00:55:25,190 --> 00:55:23,819

saved his life that's the hell of a log

1366

00:55:27,109 --> 00:55:25,200

I wonder if they could put it up

1367

00:55:28,670 --> 00:55:27,119

vertical in the front yard and then they

1368

00:55:30,290 --> 00:55:28,680

could get the local city to complain

1369

00:55:33,410 --> 00:55:30,300

about the seven foot log in their yard

1370

00:55:37,430 --> 00:55:33,420

oh yeah like uh like the seven foot

1371

00:55:47,230 --> 00:55:37,440

penis that they complain about yep yeah

1372

00:55:52,250 --> 00:55:50,150

hey kids start jumping up and down like

1373

00:55:53,829 --> 00:55:52,260

idiots because look what's new from log

1374

00:55:58,370 --> 00:55:53,839

this time

1375

00:56:00,349 --> 00:55:58,380

it's all new action log oh wow this

1376

00:56:03,470 --> 00:56:00,359

isn't the original one what is all this

1377

00:56:07,870 --> 00:56:03,480

stuff for adventure with these great new

1378

00:56:11,150 --> 00:56:07,880

action outfits Vlog from random Stimpy

1379

00:56:12,950 --> 00:56:11,160

that was the second one yeah well this

1380

00:56:13,150 --> 00:56:12,960

is what came up maybe this is the

1381

00:56:15,549 --> 00:56:13,160

original

1382

00:56:22,809 --> 00:56:15,559

[Music]

1383

00:56:22,819 --> 00:56:27,470

no no

1384

00:56:33,470 --> 00:56:30,770

a video game I want the song give me

1385

00:56:35,270 --> 00:56:33,480

give me the song oh boy yeah you're

1386

00:56:39,500 --> 00:56:35,280

you're searching is terrible for this

1387

00:57:03,049 --> 00:56:47,740

[Music]

1388

00:57:08,809 --> 00:57:05,710

they suck

1389

00:57:10,730 --> 00:57:08,819

return my log

1390

00:57:12,190 --> 00:57:10,740

yeah there you go okay guys very own

1391

00:57:14,990 --> 00:57:12,200

vlog

1392

00:57:24,770 --> 00:57:15,000

uh all right uh

1393

00:57:29,390 --> 00:57:27,230

yeah fine all right so this is a

1394

00:57:32,030 --> 00:57:29,400

follow-up story and I don't remember

1395

00:57:35,089 --> 00:57:32,040

exactly when we we covered this but

1396

00:57:37,430 --> 00:57:35,099

I'll get this in a carriage up for you

1397

00:57:40,130 --> 00:57:37,440

um it was probably at least a year ago

1398

00:57:41,930 --> 00:57:40,140

if not longer when this whole thing

1399

00:57:43,910 --> 00:57:41,940

started and we covered I think twice

1400

00:57:45,950 --> 00:57:43,920

kind of as it worked its way through the

1401

00:57:48,109 --> 00:57:45,960

court system yeah we uh we covered this

1402

00:57:51,109 --> 00:57:48,119

kind of news and this is where we really

1403

00:57:52,670 --> 00:57:51,119

Excel as covering uh specifically this

1404

00:57:55,309 --> 00:57:52,680

type of news apparently it was two years

1405

00:57:58,609 --> 00:57:55,319

ago January of 21 I think okay well good

1406

00:58:01,790 --> 00:57:58,619

we finally got resolution Maybe

1407

00:58:04,790 --> 00:58:01,800

a woman who sued over Subway Tunis seeks

1408

00:58:08,270 --> 00:58:04,800

to quit case Subway demands sanctions

1409

00:58:12,710 --> 00:58:08,280

that's a huge piece of news well she she

1410

00:58:17,809 --> 00:58:14,809

he needs a carb load

1411

00:58:19,490 --> 00:58:17,819

let me get some energy from Subway

1412

00:58:21,890 --> 00:58:19,500

you can't quit now you've come too far

1413

00:58:23,690 --> 00:58:21,900

you can't quit a California woman suing

1414

00:58:25,849 --> 00:58:23,700

Subway claiming it's tuna products

1415

00:58:28,250 --> 00:58:25,859

contain ingredients other than tuna

1416

00:58:30,109 --> 00:58:28,260

wants to end the lawsuit because she is

1417

00:58:31,910 --> 00:58:30,119

pregnant prompting Subway to demand her

1418

00:58:34,130 --> 00:58:31,920

lawyers to be sanctioned for bringing a

1419

00:58:35,329 --> 00:58:34,140

frivolous case just because you're

1420

00:58:37,370 --> 00:58:35,339

pregnant you're stopping the suit

1421

00:58:39,650 --> 00:58:37,380

there's no way

1422

00:58:41,630 --> 00:58:39,660

you gotta keep going yeah which nothing

1423

00:58:45,770 --> 00:58:41,640

she's pregnant she can't be eating 27

1424

00:58:47,569 --> 00:58:45,780

Subway tuna sandwiches every day yeah so

1425

00:58:49,730 --> 00:58:47,579

you need to expand your lawsuit to other

1426

00:58:51,289 --> 00:58:49,740

people too

1427

00:58:56,510 --> 00:58:51,299

but uh

1428

00:59:00,109 --> 00:58:56,520

uh nilima Amin said her severe morning

1429

00:59:01,970 --> 00:59:00,119

sickness and debilitating conditions and

1430

00:59:03,890 --> 00:59:01,980

she's prepares for a third child have

1431

00:59:06,770 --> 00:59:03,900

left her unable to proceed with the

1432

00:59:10,069 --> 00:59:06,780

obligations as plaintiff and requires

1433

00:59:12,410 --> 00:59:10,079

her to focus on her health and family

1434

00:59:13,309 --> 00:59:12,420

she wants to dismiss the case in San

1435

00:59:16,069 --> 00:59:13,319

Francisco Federal Court without

1436

00:59:17,750 --> 00:59:16,079

prejudice which would let her Sue again

1437

00:59:19,430 --> 00:59:17,760

when she feels better and I think that's

1438

00:59:22,010 --> 00:59:19,440

the most appropriate thing once you've

1439

00:59:24,049 --> 00:59:22,020

recovers from the pregnancy sue the hell

1440

00:59:26,809 --> 00:59:24,059

out of Subway once again

1441

00:59:30,770 --> 00:59:26,819

in the May 4th filing Subway and I'm in

1442

00:59:32,990 --> 00:59:30,780

excuse uh excuse flunked the

1443

00:59:35,750 --> 00:59:33,000

the execution flunked the straight face

1444

00:59:38,450 --> 00:59:35,760

test and her lawyers likely realized it

1445

00:59:40,430 --> 00:59:38,460

would not simply pay the windfall

1446

00:59:43,910 --> 00:59:40,440

settlement that they hoped to get by

1447

00:59:46,130 --> 00:59:43,920

constructing a high profile Shakedown

1448

00:59:48,650 --> 00:59:46,140

Subway also said the media frenzy from

1449

00:59:51,589 --> 00:59:48,660

the lawsuit caused severe heart media

1450

00:59:52,789 --> 00:59:51,599

frenzy who else who else covered the

1451

00:59:55,309 --> 00:59:52,799

story but us

1452

00:59:58,130 --> 00:59:55,319

I can't recall anybody

1453

01:00:00,589 --> 00:59:58,140

covering the story but our big dumb

1454

01:00:03,230 --> 01:00:00,599

mouth also I I don't think the people

1455

01:00:05,210 --> 01:00:03,240

who are buying tuna sandwiches from

1456

01:00:07,130 --> 01:00:05,220

Subway are that discriminating about the

1457

01:00:08,630 --> 01:00:07,140

quality of the the

1458

01:00:10,789 --> 01:00:08,640

quote unquote meat on their sandwich

1459

01:00:12,589 --> 01:00:10,799

they don't even care if it's tuna they

1460

01:00:14,750 --> 01:00:12,599

just wanted you to call it tuna just

1461

01:00:16,910 --> 01:00:14,760

tell them it's tuna it could be cat meat

1462

01:00:19,130 --> 01:00:16,920

they don't care

1463

01:00:20,690 --> 01:00:19,140

well Subway said the media frenzy from

1464

01:00:22,849 --> 01:00:20,700

the lawsuit caused severe harm in

1465

01:00:24,289 --> 01:00:22,859

faulted I'm in Ever Changing theories to

1466

01:00:26,569 --> 01:00:24,299

debunk its claim that his tuna

1467

01:00:29,569 --> 01:00:26,579

sandwiches salads and wraps contained

1468

01:00:32,210 --> 01:00:29,579

100 tuna the chain wants a man proposed

1469

01:00:36,289 --> 01:00:32,220

class action lawsuit dismissed and Her

1470

01:00:40,430 --> 01:00:36,299

Seven lawyers to pay at least 618

1471

01:00:42,049 --> 01:00:40,440

000 of its legal bills holy crap

1472

01:00:44,990 --> 01:00:42,059

but these lawyers are really regretting

1473

01:00:47,930 --> 01:00:45,000

this now she's has seven Liars on just

1474

01:00:50,690 --> 01:00:47,940

her team yeah she's got a team she has

1475

01:00:52,130 --> 01:00:50,700

more lawyers than OJ did to get this job

1476

01:00:54,470 --> 01:00:52,140

done yeah

1477

01:00:57,470 --> 01:00:54,480

uh Jeffrey lamb one of the plainest

1478

01:00:58,849 --> 01:00:57,480

lawyers declined to comment and said uh

1479

01:01:01,430 --> 01:00:58,859

said Court protocol requires that

1480

01:01:03,230 --> 01:01:01,440

almonds filing solely articulate our

1481

01:01:04,430 --> 01:01:03,240

position I'm not sure what that means

1482

01:01:07,010 --> 01:01:04,440

uh he means he's not going to go into

1483

01:01:08,750 --> 01:01:07,020

detail and says basically like the they

1484

01:01:10,910 --> 01:01:08,760

can only talk about the way the case has

1485

01:01:12,710 --> 01:01:10,920

been filed oh okay yeah read it back

1486

01:01:13,730 --> 01:01:12,720

because someone someone probably reached

1487

01:01:15,170 --> 01:01:13,740

out and said hey what do you think about

1488

01:01:16,370 --> 01:01:15,180

her now wanting to back out of this case

1489

01:01:18,530 --> 01:01:16,380

and he's like I'm just going to tell you

1490

01:01:21,530 --> 01:01:18,540

what's on the legal documents yeah yeah

1491

01:01:23,030 --> 01:01:21,540

you can read it read about it uh she

1492

01:01:25,250 --> 01:01:23,040

accused of Earl that's been doing it

1493

01:01:27,049 --> 01:01:25,260

that's all he does he's honest on his

1494

01:01:30,710 --> 01:01:27,059

honest Tick Tock oh he's just reading

1495

01:01:36,710 --> 01:01:33,589

uh CQ Subway of using other fish species

1496

01:01:39,829 --> 01:01:36,720

chicken pork and cattle in his tuna

1497

01:01:41,750 --> 01:01:39,839

product or no tuna at all

1498

01:01:44,210 --> 01:01:41,760

well that's quite a claim

1499

01:01:47,750 --> 01:01:44,220

uh last July U.S District district judge

1500

01:01:51,789 --> 01:01:47,760

John tiger of San Francisco let amen's

1501
01:01:55,309 --> 01:01:53,990
but you know he pronounces it as tough

1502
01:01:59,990 --> 01:01:55,319
yeah he does

1503
01:02:02,329 --> 01:02:00,000
tiger yeah uh he let the keys continue

1504
01:02:04,430 --> 01:02:02,339
but rejected her claims that reasonable

1505
01:02:07,069 --> 01:02:04,440
consumers would expect only tuna and

1506
01:02:09,230 --> 01:02:07,079
nothing else calling a fact of life that

1507
01:02:12,289 --> 01:02:09,240
ingredients such as mayonnaise were okay

1508
01:02:14,030 --> 01:02:12,299
well that's a bit specious I mean if

1509
01:02:15,950 --> 01:02:14,040
someone says this is a tuna sandwich

1510
01:02:17,809 --> 01:02:15,960
it's a chicken sandwich I assume they're

1511
01:02:19,609 --> 01:02:17,819
just they're describing the primary meat

1512
01:02:21,049 --> 01:02:19,619
content I don't care what else is on

1513
01:02:22,549 --> 01:02:21,059

there if there's a tomato on my chicken

1514

01:02:24,650 --> 01:02:22,559

sandwich it's not going to ruin my day

1515

01:02:26,390 --> 01:02:24,660

it might ruin my day I don't like

1516

01:02:28,190 --> 01:02:26,400

tomatoes in my sandwiches and I sure as

1517

01:02:29,990 --> 01:02:28,200

hell do not like mayonnaise on any

1518

01:02:31,370 --> 01:02:30,000

sandwich I ever eat

1519

01:02:32,990 --> 01:02:31,380

what about pickles what about just

1520

01:02:35,510 --> 01:02:33,000

pickles pickles I don't want them

1521

01:02:37,069 --> 01:02:35,520

anywhere near my [h__h] I don't eat

1522

01:02:40,130 --> 01:02:37,079

condiments I don't want that and for

1523

01:02:43,970 --> 01:02:40,140

this judge if you want you want dry

1524

01:02:48,170 --> 01:02:43,980

bread chicken dry bread that's it pretty

1525

01:02:50,569 --> 01:02:48,180

much maybe maybe some cheese maybe a

1526

01:02:52,750 --> 01:02:50,579

little lettuce for some texture maybe

1527

01:02:59,089 --> 01:02:52,760

grilled onions

1528

01:03:01,490 --> 01:02:59,099

that's it that's all I need that's all I

1529

01:03:04,250 --> 01:03:01,500

want and for this judge to assume that

1530

01:03:06,289 --> 01:03:04,260

someone like me would just have the

1531

01:03:08,510 --> 01:03:06,299

assumption that if I ordered chicken

1532

01:03:11,329 --> 01:03:08,520

that it would automatically be mixed

1533

01:03:12,530 --> 01:03:11,339

with other things is [h__\h] yeah I

1534

01:03:14,210 --> 01:03:12,540

agree

1535

01:03:17,270 --> 01:03:14,220

I don't think this judge has ever eaten

1536

01:03:19,549 --> 01:03:17,280

a sandwich he needs to be disbarred

1537

01:03:21,770 --> 01:03:19,559

he needs to go to jail yeah he needs to

1538

01:03:24,349 --> 01:03:21,780

go to jail he needs to go to jail you're

1539

01:03:25,970 --> 01:03:24,359

going to sandwich jail

1540

01:03:27,349 --> 01:03:25,980

your job is to sit there and make those

1541

01:03:29,950 --> 01:03:27,359

sandwiches that they sell at the airport

1542

01:03:32,150 --> 01:03:29,960

you're going to Subway's private jail

1543

01:03:34,970 --> 01:03:32,160

which you know they probably have over

1544

01:03:38,870 --> 01:03:34,980

employees it's in the basement uh well

1545

01:03:42,289 --> 01:03:40,789

uh the case these things don't come

1546

01:03:44,030 --> 01:03:42,299

pre-sliced

1547

01:03:47,329 --> 01:03:44,040

the case almond versus Subway

1548

01:03:48,890 --> 01:03:47,339

restaurants in Inc uh

1549

01:03:51,349 --> 01:03:48,900

the U.S it's a court Northern District

1550

01:03:52,789 --> 01:03:51,359

Court okay this is just a filing okay I

1551
01:03:54,470 --> 01:03:52,799
guess we should probably take up the

1552
01:03:58,250 --> 01:03:54,480
case in her honor

1553
01:03:59,750 --> 01:03:58,260
oh you want to pick up the slack yeah I

1554
01:04:02,150 --> 01:03:59,760
think we should countersue her for

1555
01:04:04,309 --> 01:04:02,160
dropping the case no [h__\h] we're getting

1556
01:04:06,349 --> 01:04:04,319
content we're the media frenzy tough it

1557
01:04:07,930 --> 01:04:06,359
out there's plenty there's plenty of

1558
01:04:11,089 --> 01:04:07,940
people out there that probably have

1559
01:04:12,589 --> 01:04:11,099
litigation laws and there's lawyers out

1560
01:04:14,210 --> 01:04:12,599
there probably dealing with this that

1561
01:04:17,329 --> 01:04:14,220
are currently pregnant

1562
01:04:19,010 --> 01:04:17,339
do it look at your child this case has

1563
01:04:20,390 --> 01:04:19,020

been going on so long she's been

1564

01:04:22,069 --> 01:04:20,400

pregnant had a kid got pregnant again

1565

01:04:24,309 --> 01:04:22,079

got a second kid on the way yeah your

1566

01:04:27,829 --> 01:04:24,319

child

1567

01:04:31,010 --> 01:04:27,839

Force feeding your kids Subway Eat This

1568

01:04:35,210 --> 01:04:31,020

tuna it's not tuna mom

1569

01:04:40,250 --> 01:04:37,670

well this is quite a turn of events an

1570

01:04:42,410 --> 01:04:40,260

quieter turn and uh

1571

01:04:43,789 --> 01:04:42,420

you know they filed for a motion to

1572

01:04:45,109 --> 01:04:43,799

dismiss maybe they won't let her dismiss

1573

01:04:46,549 --> 01:04:45,119

the case maybe they'll force her to go

1574

01:04:48,530 --> 01:04:46,559

through with it but we'll find out I

1575

01:04:50,750 --> 01:04:48,540

want some more they're gonna force her

1576

01:04:52,190 --> 01:04:50,760

to go through with the trial no you're

1577

01:04:54,349 --> 01:04:52,200

going to continue the lawsuit until you

1578

01:04:56,030 --> 01:04:54,359

continue the lawsuit

1579

01:04:58,010 --> 01:04:56,040

care how many kids you have or how much

1580

01:05:03,970 --> 01:04:58,020

tuna you have to eat yeah all right

1581

01:05:08,390 --> 01:05:06,770

surprise [h__h] I'm just wondering

1582

01:05:10,309 --> 01:05:08,400

do you think do you think Subway caters

1583

01:05:15,049 --> 01:05:10,319

does uh the trial

1584

01:05:16,970 --> 01:05:15,059

hmm that might be construed as like

1585

01:05:19,250 --> 01:05:16,980

paying off the judge

1586

01:05:21,049 --> 01:05:19,260

if they slide them like a foot long like

1587

01:05:22,490 --> 01:05:21,059

after every sessions again take this

1588

01:05:25,270 --> 01:05:22,500

home don't tell anybody where you got

1589

01:05:27,770 --> 01:05:25,280

this no mayo on this one

1590

01:05:29,450 --> 01:05:27,780

just the way you like it even though you

1591

01:05:31,130 --> 01:05:29,460

assume that there's Mayo in there you

1592

01:05:33,829 --> 01:05:31,140

might assume there's Mayo on here but

1593

01:05:35,809 --> 01:05:33,839

there's there's not Mayo don't worry

1594

01:05:37,549 --> 01:05:35,819

about it we're looking after you at

1595

01:05:41,990 --> 01:05:37,559

Subway

1596

01:05:44,270 --> 01:05:42,000

you guys he's making a lot of

1597

01:05:45,829 --> 01:05:44,280

assumptions about fast food

1598

01:05:47,450 --> 01:05:45,839

you never know what's on there it could

1599

01:05:49,430 --> 01:05:47,460

be pizza or anything

1600

01:05:52,789 --> 01:05:49,440

it could be dirt

1601
01:05:54,049 --> 01:05:52,799
y Jesus oh man all right uh what the

1602
01:05:55,730 --> 01:05:54,059
hell are we starting with here it's just

1603
01:05:57,589 --> 01:05:55,740
a bunch of goofball stuff in here oh

1604
01:05:59,210 --> 01:05:57,599
let's start with with this one let's

1605
01:06:02,450 --> 01:05:59,220
stay slightly food related and we'll go

1606
01:06:06,950 --> 01:06:04,250
this one gets weird by the time you get

1607
01:06:09,609 --> 01:06:06,960
to the sixth word okay well we'll find

1608
01:06:17,030 --> 01:06:12,829
I see here yep oh yeah right there

1609
01:06:19,789 --> 01:06:17,040
suspicious chef Chef Boyardee can on

1610
01:06:21,170 --> 01:06:19,799
Wheels lead Chicago cops to shut down

1611
01:06:23,809 --> 01:06:21,180
street

1612
01:06:26,510 --> 01:06:23,819
that's a funny headline this I There's

1613
01:06:28,910 --> 01:06:26,520

an actual Chef suspicious Shepard you

1614

01:06:31,370 --> 01:06:28,920

can on wheels

1615

01:06:32,870 --> 01:06:31,380

leads Chicago cops to shut down the

1616

01:06:33,710 --> 01:06:32,880

street and here's a picture of this

1617

01:06:35,990 --> 01:06:33,720

thing

1618

01:06:38,329 --> 01:06:36,000

it's exactly what what the headline

1619

01:06:41,630 --> 01:06:38,339

suggests it's a can on Wheels it's a can

1620

01:06:44,210 --> 01:06:41,640

and it looks to be on skateboard wheels

1621

01:06:45,529 --> 01:06:44,220

this could be slime ball Wheels I'm not

1622

01:06:47,270 --> 01:06:45,539

sure but they definitely look like

1623

01:06:49,010 --> 01:06:47,280

skateboard wheels

1624

01:06:51,230 --> 01:06:49,020

it's pretty intense what we're looking

1625

01:06:52,430 --> 01:06:51,240

at right there be honest with you I

1626
01:06:55,490 --> 01:06:52,440
don't know what to make of this but it's

1627
01:06:57,770 --> 01:06:55,500
pretty crazy look at that guy

1628
01:06:59,870 --> 01:06:57,780
uh Chicago Street was shut down on

1629
01:07:02,089 --> 01:06:59,880
Tuesday after cop spotted a suspicious

1630
01:07:06,890 --> 01:07:02,099
package that turned out to be an

1631
01:07:09,010 --> 01:07:06,900
educational and tasty school project

1632
01:07:12,349 --> 01:07:09,020
is this like a new version of uh

1633
01:07:13,430 --> 01:07:12,359
pinewood derby and stuff that's kind of

1634
01:07:15,589 --> 01:07:13,440
what they're getting out here yeah no

1635
01:07:16,730 --> 01:07:15,599
really I just guessed and that's what

1636
01:07:19,549 --> 01:07:16,740
they're doing okay

1637
01:07:21,829 --> 01:07:19,559
uh Fox News uh says the package that

1638
01:07:24,109 --> 01:07:21,839

spooked police officers turned out to be

1639

01:07:28,430 --> 01:07:24,119

an odd Contraption a can of Chef

1640

01:07:31,069 --> 01:07:28,440

Boyardee ravioli and a thin green wired

1641

01:07:33,890 --> 01:07:31,079

tape to a set of wheels

1642

01:07:38,750 --> 01:07:36,410

and it looks like

1643

01:07:40,910 --> 01:07:38,760

it was laying down I don't know if it

1644

01:07:42,670 --> 01:07:40,920

was this shift canadaship you already

1645

01:07:45,589 --> 01:07:42,680

actually laying down

1646

01:07:48,049 --> 01:07:45,599

uh like lines in the road no it just

1647

01:07:50,329 --> 01:07:48,059

happens to be on the the lane marker I

1648

01:07:51,650 --> 01:07:50,339

wondered this is a new line marker oh

1649

01:07:53,870 --> 01:07:51,660

you think the city was deploying this

1650

01:07:55,910 --> 01:07:53,880

yes the city deployed this to fix the

1651
01:07:57,349 --> 01:07:55,920
streets we can't afford to have the guys

1652
01:08:00,650 --> 01:07:57,359
in the big trucks so we're gonna give

1653
01:08:02,390 --> 01:08:00,660
Charlie a uh an empty can he put Peyton

1654
01:08:03,770 --> 01:08:02,400
and roll it down the street it's the

1655
01:08:06,710 --> 01:08:03,780
best we could do

1656
01:08:08,990 --> 01:08:06,720
sorry man budget cuts this is our drone

1657
01:08:10,670 --> 01:08:09,000
investigators briefly shut down both

1658
01:08:12,829 --> 01:08:10,680
State Street and Chicago transit

1659
01:08:15,650 --> 01:08:12,839
authorities Red Line train which ran

1660
01:08:19,550 --> 01:08:18,530
they just shut everything down I like

1661
01:08:22,309 --> 01:08:19,560
how the underground was shut down too

1662
01:08:24,650 --> 01:08:22,319
shut down the subway that uh ravioli

1663
01:08:26,930 --> 01:08:24,660

could leak down there a spokesperson for

1664

01:08:29,269 --> 01:08:26,940

DePaul University which is located in

1665

01:08:31,669 --> 01:08:29,279

Chicago told news outlet and told the

1666

01:08:34,010 --> 01:08:31,679

news outlet that a design student was

1667

01:08:35,870 --> 01:08:34,020

responsible for the can on wheels that

1668

01:08:39,229 --> 01:08:35,880

served as a prototype of a vehicle

1669

01:08:40,789 --> 01:08:39,239

created for our class assignment

1670

01:08:42,590 --> 01:08:40,799

okay

1671

01:08:45,530 --> 01:08:42,600

what kind of class assignment is this

1672

01:08:50,809 --> 01:08:47,450

this is what the this is a Meals on

1673

01:08:55,789 --> 01:08:54,650

well I have related food news if you can

1674

01:08:58,910 --> 01:08:55,799

believe it

1675

01:09:00,410 --> 01:08:58,920

is it about Chicago or uh ravioli

1676

01:09:02,570 --> 01:09:00,420

it's about neither

1677

01:09:04,789 --> 01:09:02,580

oh

1678

01:09:05,510 --> 01:09:04,799

yeah and it's about neither

1679

01:09:07,789 --> 01:09:05,520

um

1680

01:09:09,650 --> 01:09:07,799

this is a bit

1681

01:09:11,269 --> 01:09:09,660

weird if you can believe it but I'll

1682

01:09:12,910 --> 01:09:11,279

bring this up on screen

1683

01:09:16,970 --> 01:09:12,920

here we go

1684

01:09:19,729 --> 01:09:16,980

Michelin star Chef to add semen to the

1685

01:09:21,289 --> 01:09:19,739

menu at popular restaurant that's good

1686

01:09:23,990 --> 01:09:21,299

news

1687

01:09:28,910 --> 01:09:26,329

um okay well he's a Michelin star Chef

1688

01:09:30,829 --> 01:09:28,920

he's got to know what he's doing

1689

01:09:32,570 --> 01:09:30,839

uh so let's see your mouth a Michelin

1690

01:09:35,749 --> 01:09:32,580

star Chef is looking to add

1691

01:09:37,849 --> 01:09:35,759

fish semen to the menu at his popular

1692

01:09:39,950 --> 01:09:37,859

restaurant Spanish celebrity chef wait

1693

01:09:43,070 --> 01:09:39,960

wait is this restaurant called Subway no

1694

01:09:45,709 --> 01:09:43,080

it's not called Subway come on

1695

01:09:46,789 --> 01:09:45,719

well he said it's fish semen well you

1696

01:09:47,990 --> 01:09:46,799

know anything can be missed with that

1697

01:09:49,010 --> 01:09:48,000

scene you don't know you don't know

1698

01:09:50,329 --> 01:09:49,020

what's you don't know what's on that

1699

01:09:52,189 --> 01:09:50,339

sandwich it could be just nothing but

1700

01:09:54,830 --> 01:09:52,199

fishy that's why I get mine well Spanish

1701

01:09:58,250 --> 01:09:54,840

celebrity chef uh was invited to try the

1702

01:10:01,370 --> 01:09:58,260

dish called the shirico by a Japanese

1703

01:10:02,750 --> 01:10:01,380

Chef Hiro Sato it comes from a puffer

1704

01:10:05,810 --> 01:10:02,760

puffer fish

1705

01:10:08,030 --> 01:10:05,820

but also octopus monkfish and even Cod

1706

01:10:10,250 --> 01:10:08,040

so it's all it's not even pure semen

1707

01:10:12,350 --> 01:10:10,260

from one fish they're like are they

1708

01:10:15,590 --> 01:10:12,360

compiling all this semen from every fish

1709

01:10:17,330 --> 01:10:15,600

in the ocean like Subway sandwich

1710

01:10:18,650 --> 01:10:17,340

what's that's what goes on the Subway

1711

01:10:20,689 --> 01:10:18,660

sandwich

1712

01:10:22,970 --> 01:10:20,699

uh in Japanese Cuisine the dish is

1713

01:10:25,070 --> 01:10:22,980

considered a delicacy

1714

01:10:29,030 --> 01:10:25,080

can you believe that I know some people

1715

01:10:32,510 --> 01:10:29,040

eat fish eggs and uh like all like weird

1716

01:10:34,430 --> 01:10:32,520

mussels and stuff like that but I'm not

1717

01:10:37,130 --> 01:10:34,440

going to eat this stuff I actually want

1718

01:10:39,770 --> 01:10:37,140

to throw up the semen is extracted by

1719

01:10:43,010 --> 01:10:39,780

separating the sperm sacks in the male

1720

01:10:45,350 --> 01:10:43,020

fish and can vary in color from white to

1721

01:10:48,430 --> 01:10:45,360

a pinkish tone Oh

1722

01:10:50,990 --> 01:10:48,440

after recently trying the dish in Japan

1723

01:10:55,189 --> 01:10:51,000

uh someone said grilled puffer fish

1724

01:10:57,050 --> 01:10:55,199

semen in Indescribable it blew my mind

1725

01:10:58,850 --> 01:10:57,060

enormously

1726

01:10:59,990 --> 01:10:58,860

that's what one guy how does he know

1727

01:11:02,030 --> 01:11:00,000

that's what he was eating they could

1728

01:11:03,290 --> 01:11:02,040

have been like here eat this I like to

1729

01:11:05,330 --> 01:11:03,300

eat

1730

01:11:06,709 --> 01:11:05,340

yeah send Alex over there you know

1731

01:11:08,930 --> 01:11:06,719

anything eat a Reuben sandwich you're

1732

01:11:11,330 --> 01:11:08,940

gonna break sprinkle a little uh fist

1733

01:11:14,810 --> 01:11:11,340

semen on it reuben sandwich he was

1734

01:11:16,550 --> 01:11:14,820

eating a ruby sandwich during the break

1735

01:11:17,750 --> 01:11:16,560

that's it how much stuff does he eat

1736

01:11:19,090 --> 01:11:17,760

during the break how long does that

1737

01:11:21,770 --> 01:11:19,100

break too

1738

01:11:23,090 --> 01:11:21,780

it takes a while to eat a whole reuben

1739

01:11:25,850 --> 01:11:23,100

sandwich yeah see that's a good sandwich

1740

01:11:27,590 --> 01:11:25,860

for the break yeah 20 minutes um during

1741

01:11:29,030 --> 01:11:27,600

the break I eat a lot of you know

1742

01:11:30,950 --> 01:11:29,040

chicken fried steaks and all the rest of

1743

01:11:35,570 --> 01:11:30,960

it

1744

01:11:37,990 --> 01:11:35,580

now reporting uh reportedly considering

1745

01:11:43,250 --> 01:11:38,000

adding the Japanese delicacy to his menu

1746

01:11:45,410 --> 01:11:43,260

at a plush diver XO Restaurant in Madrid

1747

01:11:49,370 --> 01:11:45,420

so there you go our uh people listeners

1748

01:11:54,470 --> 01:11:49,380

in Spain go check this out get some uh

1749

01:11:55,510 --> 01:11:54,480

fish semen apparently it's it's great

1750

01:12:00,050 --> 01:11:55,520

one

1751

01:12:02,510 --> 01:12:00,060

fan commented it's warm from the Gill in

1752

01:12:03,649 --> 01:12:02,520

a mouth and a mouthful I don't know what

1753

01:12:05,390 --> 01:12:03,659

that means this must be translation

1754

01:12:06,830 --> 01:12:05,400

difficulty

1755

01:12:10,669 --> 01:12:06,840

uh

1756

01:12:14,270 --> 01:12:10,679

it had a very memorable texture there

1757

01:12:15,950 --> 01:12:14,280

you go oh okay

1758

01:12:17,510 --> 01:12:15,960

I could have been just eating Mayo for

1759

01:12:19,189 --> 01:12:17,520

all they know we don't know we have no

1760

01:12:20,510 --> 01:12:19,199

idea when we call the weird stuff when

1761

01:12:21,770 --> 01:12:20,520

they go to flavor 10 they don't know

1762

01:12:23,180 --> 01:12:21,780

what they're actually eating let's move

1763

01:12:28,550 --> 01:12:23,190

on I'm sorry sorry people

1764

01:12:30,950 --> 01:12:28,560

[Music]

1765

01:12:32,209 --> 01:12:30,960

I don't think so buddy you know speaking

1766

01:12:33,649 --> 01:12:32,219

of food stuff and I completely forgot I

1767

01:12:37,550 --> 01:12:33,659

was gonna bring this one up early

1768

01:12:38,930 --> 01:12:37,560

um so I found a article today just

1769

01:12:40,130 --> 01:12:38,940

talking about rent or yesterday or

1770

01:12:41,570 --> 01:12:40,140

whatever it was

1771

01:12:43,250 --> 01:12:41,580

um

1772

01:12:46,430 --> 01:12:43,260

just gonna put this one oh so I'm gonna

1773

01:12:47,510 --> 01:12:46,440

do this copy image paste oh image so

1774

01:12:48,950 --> 01:12:47,520

this one there's no news stories you

1775

01:12:51,950 --> 01:12:48,960

want to bring this up okay

1776

01:12:54,950 --> 01:12:51,960

um so bring this up full screen for me

1777

01:12:56,870 --> 01:12:54,960

Doritos announced some new version of

1778

01:12:59,510 --> 01:12:56,880

um you know the Doritos whatever

1779

01:13:01,070 --> 01:12:59,520

[h__h] but it was one side was some

1780

01:13:03,350 --> 01:13:01,080

sort of pickle flavor and the other side

1781

01:13:06,890 --> 01:13:03,360

was some sort of ranch flavor and I said

1782

01:13:08,870 --> 01:13:06,900

hey we need this to be night pickle and

1783

01:13:10,550 --> 01:13:08,880

Skinwalker Ranch I see what you're

1784

01:13:12,649 --> 01:13:10,560

saying right there yeah and credit to

1785

01:13:14,090 --> 01:13:12,659

adrenicidal and Discord for doing that

1786

01:13:16,430 --> 01:13:14,100

so we photoshopped this so we have

1787

01:13:20,570 --> 01:13:16,440

here's our official obdm chips of mix of

1788

01:13:22,550 --> 01:13:20,580

night pickle and Skinwalker Ranch yay

1789

01:13:25,070 --> 01:13:22,560

they really got to make this now good

1790

01:13:27,110 --> 01:13:25,080

Photoshop John like this is the per this

1791

01:13:28,970 --> 01:13:27,120

is all you need to sell a chip is good

1792

01:13:30,770 --> 01:13:28,980

product design it doesn't matter really

1793

01:13:32,750 --> 01:13:30,780

what it tastes like

1794

01:13:34,850 --> 01:13:32,760

it's got something it tastes like fish

1795

01:13:35,630 --> 01:13:34,860

semen apparently yeah it looks good

1796

01:13:38,470 --> 01:13:35,640

though

1797

01:13:41,870 --> 01:13:38,480

I would try that night pickle with

1798

01:13:44,149 --> 01:13:41,880

Skinwalker Ranch that's perfect

1799

01:13:46,729 --> 01:13:44,159

uh so in the chat apparently Jeep Brady

1800

01:13:48,050 --> 01:13:46,739

93 is apparently his adrenocidal so you

1801
01:13:50,330 --> 01:13:48,060
guys can do the math on that one I guess

1802
01:13:52,669 --> 01:13:50,340
okay there you go well thank you for

1803
01:13:55,450 --> 01:13:52,679
doing that yeah but that was nicely done

1804
01:13:58,189 --> 01:13:55,460
I will save this and this will go

1805
01:13:59,630 --> 01:13:58,199
uh on the Instagram

1806
01:14:01,490 --> 01:13:59,640
right here there's a there's a higher

1807
01:14:03,110 --> 01:14:01,500
quality version in um the news channel

1808
01:14:04,669 --> 01:14:03,120
on the uh

1809
01:14:06,050 --> 01:14:04,679
okay I don't know I don't know how well

1810
01:14:07,729 --> 01:14:06,060
it shows up there I don't know as far as

1811
01:14:09,590 --> 01:14:07,739
the actual quality one through this I'll

1812
01:14:11,030 --> 01:14:09,600
find it okay yeah it's in the news

1813
01:14:13,070 --> 01:14:11,040

channel or it's also in the I think I've

1814

01:14:14,810 --> 01:14:13,080

written memes in discourse oh cool and

1815

01:14:16,930 --> 01:14:14,820

I'll grab it and post it tonight anyway

1816

01:14:19,010 --> 01:14:16,940

I'm laying in bed thinking of Corey

1817

01:14:21,169 --> 01:14:19,020

don't think a Corey Feldman think about

1818

01:14:23,750 --> 01:14:21,179

some some pickle flavored chips you guys

1819

01:14:26,890 --> 01:14:23,760

kisses so good you know he does you know

1820

01:14:33,770 --> 01:14:30,890

all right you're a great kisser

1821

01:14:35,590 --> 01:14:33,780

weird all right uh I gotta transition

1822

01:14:39,950 --> 01:14:35,600

you over there there we go okay

1823

01:14:42,590 --> 01:14:39,960

[Music]

1824

01:14:45,110 --> 01:14:42,600

I think I'm a good kisser

1825

01:14:47,750 --> 01:14:45,120

all right so this story is weird and

1826

01:14:49,550 --> 01:14:47,760

there is video footage of this

1827

01:14:51,709 --> 01:14:49,560

and we've we've had some recent stories

1828

01:14:53,030 --> 01:14:51,719

similar to this with just strange fights

1829

01:14:55,070 --> 01:14:53,040

breaking out

1830

01:14:58,189 --> 01:14:55,080

so here's a whole bunch of people

1831

01:15:02,330 --> 01:14:58,199

getting involved oh good I like fights

1832

01:15:03,830 --> 01:15:02,340

and again video of it a video okay I'll

1833

01:15:07,630 --> 01:15:03,840

read the headline for everyone out there

1834

01:15:12,229 --> 01:15:10,189

Abbotsford Abbotsford Police look to

1835

01:15:14,630 --> 01:15:12,239

identify suspects who damaged local

1836

01:15:16,070 --> 01:15:14,640

property okay well I don't know we

1837

01:15:18,470 --> 01:15:16,080

finished you got to finish the headline

1838

01:15:20,209 --> 01:15:18,480

why that's all it says up there oh uh

1839

01:15:22,610 --> 01:15:20,219

look uh

1840

01:15:25,189 --> 01:15:22,620

six to six uh seek to identify suspects

1841

01:15:29,209 --> 01:15:25,199

who damaged local property with ax and

1842

01:15:31,010 --> 01:15:29,219

swords holy crap okay

1843

01:15:33,830 --> 01:15:31,020

uh I'm on board

1844

01:15:36,169 --> 01:15:33,840

I like people who use weird stuff here

1845

01:15:36,179 --> 01:15:43,330

you know what we're looking at here

1846

01:15:50,270 --> 01:15:47,209

video three cars approaching a house and

1847

01:15:53,209 --> 01:15:50,280

attackers smashing windshields jumping

1848

01:15:56,870 --> 01:15:53,219

on the hood of a car and vandalizing the

1849

01:15:59,689 --> 01:15:56,880

residents one person is seen using an ax

1850

01:16:02,390 --> 01:15:59,699

to break down the front door an attack

1851

01:16:04,310 --> 01:16:02,400

that took place on April 29th the

1852

01:16:07,250 --> 01:16:04,320

Abbotsford Police Department releasing

1853

01:16:10,189 --> 01:16:07,260

this footage to help identify the people

1854

01:16:13,370 --> 01:16:10,199

in it and now the aftermath of the

1855

01:16:17,590 --> 01:16:13,380

attack can still be seen here at the

1856

01:16:22,970 --> 01:16:20,149

the owner of the house tells our sister

1857

01:16:26,209 --> 01:16:22,980

station Omni News that he's still very

1858

01:16:28,070 --> 01:16:26,219

shocked this happened he says in the 22

1859

01:16:30,470 --> 01:16:28,080

years he's lived up this house with his

1860

01:16:32,390 --> 01:16:30,480

family nothing like this has happened

1861

01:16:35,149 --> 01:16:32,400

before the weapons that were used were

1862

01:16:36,669 --> 01:16:35,159

baseball bats axes swords shovels and

1863

01:16:38,750 --> 01:16:36,679

all sorts of different things

1864

01:16:41,149 --> 01:16:38,760

from the Abbotsford Police Department

1865

01:16:48,729 --> 01:16:41,159

says he wants the public to help

1866

01:16:53,689 --> 01:16:51,709

and to see young uh man appears young

1867

01:16:56,229 --> 01:16:53,699

men in their 20s uh having this type of

1868

01:16:58,550 --> 01:16:56,239

violence in our community

1869

01:17:01,430 --> 01:16:58,560

we want to hold these people accountable

1870

01:17:03,830 --> 01:17:01,440

we want to have some justice Singh says

1871

01:17:06,830 --> 01:17:03,840

by the time they called the police the

1872

01:17:08,990 --> 01:17:06,840

attackers had already fled he says he

1873

01:17:11,750 --> 01:17:09,000

has suspicion that the attack may be

1874

01:17:13,490 --> 01:17:11,760

related to tenants from Calgary who

1875

01:17:15,950 --> 01:17:13,500

rented his basement Suite back in

1876
01:17:18,410 --> 01:17:15,960
February and he is pleading for anyone

1877
01:17:20,510 --> 01:17:18,420
who may recognize the individuals in the

1878
01:17:22,610 --> 01:17:20,520
video to come forward to the police

1879
01:17:24,410 --> 01:17:22,620
we're trying to determine why this

1880
01:17:26,330 --> 01:17:24,420
occurred there's many people that live

1881
01:17:29,330 --> 01:17:26,340
in this residence we are sorting through

1882
01:17:31,010 --> 01:17:29,340
the motive behind this we want the

1883
01:17:32,810 --> 01:17:31,020
community to watch the video we know

1884
01:17:34,370 --> 01:17:32,820
there's people that can identify some of

1885
01:17:36,770 --> 01:17:34,380
these individuals we want them to call

1886
01:17:39,410 --> 01:17:36,780
us and be part of holding these people

1887
01:17:43,850 --> 01:17:39,420
accountable in Vancouver Angela Bauer

1888
01:17:47,390 --> 01:17:45,290

so at the beginning of the video like

1889

01:17:49,250 --> 01:17:47,400

four cars roll up and it's like a clown

1890

01:17:51,770 --> 01:17:49,260

car procession of people piling out and

1891

01:17:52,790 --> 01:17:51,780

they all have swords yeah it's really

1892

01:17:55,669 --> 01:17:52,800

weird

1893

01:17:59,330 --> 01:17:55,679

and there's probably at least 10 people

1894

01:18:00,709 --> 01:17:59,340

there with accessories baseball bats uh

1895

01:18:02,630 --> 01:18:00,719

we don't know if any of the the swords

1896

01:18:04,310 --> 01:18:02,640

were magical they didn't they didn't say

1897

01:18:05,570 --> 01:18:04,320

that on there any additional

1898

01:18:06,830 --> 01:18:05,580

characteristics on that side it could

1899

01:18:08,750 --> 01:18:06,840

have been plus five versus cards

1900

01:18:11,450 --> 01:18:08,760

definitely the ax was plus two versus

1901

01:18:13,790 --> 01:18:11,460

doors yeah they had the uh the plus

1902

01:18:16,130 --> 01:18:13,800

three versus uh decorative shrubbers yes

1903

01:18:18,110 --> 01:18:16,140

on his on his Bat you know it could have

1904

01:18:21,470 --> 01:18:18,120

been mystically bestowed items and they

1905

01:18:23,810 --> 01:18:21,480

were just using them as intended but uh

1906

01:18:26,510 --> 01:18:23,820

it looked like 10 guys 10 guys jumped

1907

01:18:29,450 --> 01:18:26,520

out and did that I'm assuming guys

1908

01:18:32,209 --> 01:18:29,460

but that's 2023 Mike you can't be too

1909

01:18:33,350 --> 01:18:32,219

sure typically what guys do guys do

1910

01:18:35,570 --> 01:18:33,360

stuff like that

1911

01:18:37,729 --> 01:18:35,580

do you have a penis

1912

01:18:39,290 --> 01:18:37,739

and a sword yeah

1913

01:18:40,970 --> 01:18:39,300

exactly

1914

01:18:43,070 --> 01:18:40,980

well hopefully they uh bring those

1915

01:18:46,880 --> 01:18:43,080

fellows to Justice

1916

01:18:57,350 --> 01:18:50,649

[Music]

1917

01:19:00,290 --> 01:18:58,370

um

1918

01:19:02,750 --> 01:19:00,300

so we got a family suing McDonald's over

1919

01:19:05,510 --> 01:19:02,760

a chicken nugget hmm

1920

01:19:09,770 --> 01:19:05,520

we have a oh let's go with this one we

1921

01:19:11,149 --> 01:19:09,780

have a storm that was so powerful so

1922

01:19:14,149 --> 01:19:11,159

damaging

1923

01:19:15,890 --> 01:19:14,159

that uh it destroyed

1924

01:19:20,450 --> 01:19:15,900

This Woman's dessert

1925

01:19:22,250 --> 01:19:20,460

really destroyed a dessert ruin it hmm

1926

01:19:23,810 --> 01:19:22,260

no more

1927

01:19:25,130 --> 01:19:23,820

it sounds like some pretty critical

1928

01:19:28,910 --> 01:19:25,140

information

1929

01:19:31,729 --> 01:19:28,920

uh tornadic storm in Clay County rips

1930

01:19:34,070 --> 01:19:31,739

off coconut cream pie

1931

01:19:36,709 --> 01:19:34,080

oh really

1932

01:19:38,810 --> 01:19:36,719

rips the top off rips the top off holy

1933

01:19:41,750 --> 01:19:38,820

crap man I got mixed emotions about this

1934

01:19:43,430 --> 01:19:41,760

one leaving the entire pie interior

1935

01:19:44,870 --> 01:19:43,440

exposed

1936

01:19:46,390 --> 01:19:44,880

well this is what they're writing about

1937

01:19:49,970 --> 01:19:46,400

on

1938

01:19:51,770 --> 01:19:49,980

k-s-n-t.com top news opening story

1939

01:19:53,630 --> 01:19:51,780

tonight

1940

01:19:56,030 --> 01:19:53,640

severe storms that move through

1941

01:19:58,070 --> 01:19:56,040

Northeastern northeast Kansas this week

1942

01:20:01,070 --> 01:19:58,080

cause minimal damage across the area but

1943

01:20:03,110 --> 01:20:01,080

one damage report was the first for our

1944

01:20:04,850 --> 01:20:03,120

local entrepreneur

1945

01:20:08,450 --> 01:20:04,860

Clay County Kansas Emergency Management

1946

01:20:10,490 --> 01:20:08,460

said as uh said assessors with the

1947

01:20:12,470 --> 01:20:10,500

National Weather Service determined a

1948

01:20:14,630 --> 01:20:12,480

tornado likely touched down Northeast

1949

01:20:16,669 --> 01:20:14,640

Oak Hill on Tuesday Morning the office

1950

01:20:19,729 --> 01:20:16,679

received damage reports from all across

1951

01:20:22,669 --> 01:20:19,739

the county uh ranging from limbsdwn and

1952

01:20:26,390 --> 01:20:22,679

washed out uh old uh washed out country

1953

01:20:29,930 --> 01:20:26,400

County Roads but one of clay Center's

1954

01:20:32,630 --> 01:20:29,940

local Bakers filed a report uh filed a

1955

01:20:36,770 --> 01:20:32,640

report the emergency manager said

1956

01:20:39,649 --> 01:20:36,780

brought a tear to her eye Nancy Kimbo

1957

01:20:41,510 --> 01:20:39,659

Kim Borough is well known in Clay Center

1958

01:20:43,750 --> 01:20:41,520

for bait for her baking especially her

1959

01:20:46,490 --> 01:20:43,760

pies for years she and her family ran

1960

01:20:47,930 --> 01:20:46,500

Morey's Family Restaurant sounds like a

1961

01:20:50,450 --> 01:20:47,940

dive

1962

01:20:52,910 --> 01:20:50,460

uh sort of exclusively tuna sandwiches

1963

01:20:56,450 --> 01:20:52,920

with mayo uh when they decided to close

1964

01:21:00,110 --> 01:20:56,460

business uh late last June uh uh Kim

1965

01:21:02,689 --> 01:21:00,120

borrow started baking her Wares at the

1966

01:21:04,550 --> 01:21:02,699

Clay Center Family Market sounds like a

1967

01:21:06,590 --> 01:21:04,560

black market kind of deal going on

1968

01:21:08,390 --> 01:21:06,600

selling pies underneath the table gray

1969

01:21:09,830 --> 01:21:08,400

Market pies yeah sell them out the back

1970

01:21:10,910 --> 01:21:09,840

door it's probably not licensed to do

1971

01:21:15,590 --> 01:21:10,920

that

1972

01:21:17,570 --> 01:21:15,600

uh Kimbrough said uh her son was

1973

01:21:20,810 --> 01:21:17,580

delivering some of her baked goods

1974

01:21:23,810 --> 01:21:20,820

probably illegally to the Clay Center

1975

01:21:25,729 --> 01:21:23,820

Country Club for its weekly dinner on

1976

01:21:27,410 --> 01:21:25,739

Tuesday afternoon just when the storm

1977

01:21:31,850 --> 01:21:27,420

arrives you said the wind was so strong

1978

01:21:34,250 --> 01:21:31,860

it ripped the uh meringue top off the

1979

01:21:36,290 --> 01:21:34,260

coconut cream pie and splattered it

1980

01:21:40,070 --> 01:21:36,300

across the parking lot

1981

01:21:43,070 --> 01:21:40,080

oh my God what the [h__h]

1982

01:21:45,410 --> 01:21:43,080

there was called the police too uh there

1983

01:21:48,229 --> 01:21:45,420

was no way to the meringue it's just air

1984

01:21:49,910 --> 01:21:48,239

mostly so it just took off she said

1985

01:21:51,649 --> 01:21:49,920

despite the wind damage the kitchen

1986

01:21:53,930 --> 01:21:51,659

decided to go ahead and serve the pies

1987

01:21:56,090 --> 01:21:53,940

to the guests wow

1988

01:21:57,470 --> 01:21:56,100

they're true heroes true here did she

1989

01:21:59,030 --> 01:21:57,480

wait wait did she go pick up the

1990

01:22:00,950 --> 01:21:59,040

meringue and put it back on the pie and

1991

01:22:02,870 --> 01:22:00,960

then serve it undetermined

1992

01:22:04,430 --> 01:22:02,880

I mean he's perfectly good meringue you

1993

01:22:05,870 --> 01:22:04,440

probably don't want to ruin it and just

1994

01:22:06,649 --> 01:22:05,880

like leave it there for the birds so

1995

01:22:10,189 --> 01:22:06,659

yeah

1996

01:22:11,290 --> 01:22:10,199

let's scoop that back up uh no one saw

1997

01:22:15,410 --> 01:22:11,300

it

1998

01:22:16,790 --> 01:22:15,420

uh quote uh he was big nobody thought uh

1999

01:22:18,830 --> 01:22:16,800

he was digging the cool whip out of the

2000

01:22:21,169 --> 01:22:18,840

freezer gimbus out he goes don't worry

2001

01:22:26,630 --> 01:22:21,179

about it we'll fix it so they replace

2002

01:22:29,990 --> 01:22:26,640

the meringue with standard Cool Whip

2003

01:22:31,790 --> 01:22:30,000

Cool Whip this is [h__h] yeah it's not

2004

01:22:32,930 --> 01:22:31,800

the pie I ordered this is not what we

2005

01:22:35,510 --> 01:22:32,940

paid for

2006

01:22:38,450 --> 01:22:35,520

yeah he needs to go to jail

2007

01:22:41,330 --> 01:22:38,460

someone's going down for this

2008

01:22:43,010 --> 01:22:41,340

uh Kimbo isn't sure whether diners knew

2009

01:22:44,870 --> 01:22:43,020

about the last second pie repair but

2010

01:22:46,790 --> 01:22:44,880

said it turned out just fine her

2011

01:22:48,250 --> 01:22:46,800

strawberry rhubarb last second pie

2012

01:22:50,689 --> 01:22:48,260

repair

2013

01:22:53,689 --> 01:22:50,699

did she write all this through the

2014

01:22:56,270 --> 01:22:53,699

Emergency Management Center in Kansas

2015

01:22:59,930 --> 01:22:56,280

when they're dealing with

2016

01:23:04,729 --> 01:23:02,330

man we got a tornado going on my pie

2017

01:23:06,890 --> 01:23:04,739

it's fine though we fixed it with Cool

2018

01:23:11,390 --> 01:23:06,900

Whip so don't I'm trying to trying to

2019

01:23:16,310 --> 01:23:13,850

it's it's uh I think it's funny I really

2020

01:23:18,110 --> 01:23:16,320

do it's just something that is kind of

2021

01:23:21,229 --> 01:23:18,120

comical it'll probably never happen

2022

01:23:25,550 --> 01:23:22,970

she said she was happy to let her son

2023

01:23:27,709 --> 01:23:25,560

Caleb who enjoys storm chasing make

2024

01:23:30,229 --> 01:23:27,719

deliveries in his

2025

01:23:32,209 --> 01:23:30,239

in inclement weather so she sends her

2026

01:23:34,850 --> 01:23:32,219

son out when it's dangerous because this

2027

01:23:36,590 --> 01:23:34,860

guy outside you take this pie he's kind

2028

01:23:38,570 --> 01:23:36,600

of some kind of sick freak thrill junkie

2029

01:23:41,870 --> 01:23:38,580

who gets off on delivering pies and

2030

01:23:44,390 --> 01:23:41,880

storms this guy this kid loves it

2031

01:23:46,130 --> 01:23:44,400

go ahead he does he loves it the way

2032

01:23:48,590 --> 01:23:46,140

it's phrased though she said she's happy

2033

01:23:51,530 --> 01:23:48,600

to let her son Caleb who also enjoys

2034

01:23:52,910 --> 01:23:51,540

storm chasing so clearly he enjoys

2035

01:23:55,910 --> 01:23:52,920

something else I'm guessing he also

2036

01:23:57,470 --> 01:23:55,920

enjoys pie chasing probably or like

2037

01:23:59,630 --> 01:23:57,480

meringue he's an expert he's the

2038

01:24:01,310 --> 01:23:59,640

County's fastest meringue Chaser what

2039

01:24:05,270 --> 01:24:01,320

I'm picking up on here this this kid

2040

01:24:06,890 --> 01:24:05,280

Caleb is putting the pies in danger with

2041

01:24:08,570 --> 01:24:06,900

that when it's not warranted he's

2042

01:24:11,030 --> 01:24:08,580

probably chasing storms and delivering

2043

01:24:12,890 --> 01:24:11,040

pies all day long oh at the same time at

2044

01:24:15,050 --> 01:24:12,900

the same time

2045

01:24:16,610 --> 01:24:15,060

sorry ma'am your Pie's got a little uh

2046

01:24:18,649 --> 01:24:16,620

storm damaged

2047

01:24:21,470 --> 01:24:18,659

[h__\h] she looks like a bite

2048

01:24:23,450 --> 01:24:21,480

and she goes my husband he passed away a

2049

01:24:24,770 --> 01:24:23,460

few years ago but he was a storm chase

2050

01:24:26,450 --> 01:24:24,780

the dinosaur

2051

01:24:28,189 --> 01:24:26,460

yeah did a storm get him was this the

2052

01:24:29,450 --> 01:24:28,199

same storm did the tornado come back for

2053

01:24:31,370 --> 01:24:29,460

the family

2054

01:24:34,370 --> 01:24:31,380

storm too Revenge yeah I was gonna say

2055

01:24:37,790 --> 01:24:34,380

tornado two this time it's personal

2056

01:24:41,270 --> 01:24:37,800

uh but he was he was a storm chaser uh

2057

01:24:44,390 --> 01:24:41,280

and so the boys grew up that way

2058

01:24:47,510 --> 01:24:44,400

when they when there was a tornado they

2059

01:24:52,430 --> 01:24:49,970

dragging dragging your kids out chasing

2060

01:24:53,870 --> 01:24:52,440

storms terrified

2061

01:24:56,209 --> 01:24:53,880

y'all kids get in the truck I'm getting

2062

01:24:57,709 --> 01:24:56,219

a pie we're going uh

2063

01:24:59,209 --> 01:24:57,719

uh yeah when there was a tornado they

2064

01:25:01,370 --> 01:24:59,219

were gone they're not afraid of it at

2065

01:25:04,209 --> 01:25:01,380

all I gladly let him make the delivery

2066

01:25:06,709 --> 01:25:04,219

for me she said

2067

01:25:08,149 --> 01:25:06,719

basically you're letting your son put

2068

01:25:09,290 --> 01:25:08,159

himself in harm way and potentially die

2069

01:25:12,530 --> 01:25:09,300

it sounds like you don't like your son

2070

01:25:13,669 --> 01:25:12,540

that much yes there'll be a story next

2071

01:25:15,050 --> 01:25:13,679

year she's like yeah and her kids are

2072

01:25:16,510 --> 01:25:15,060

dead too but she's still making pies

2073

01:25:19,310 --> 01:25:16,520

[h__\h] them

2074

01:25:20,870 --> 01:25:19,320

all right well I'm glad the pie got

2075

01:25:22,850 --> 01:25:20,880

repaired

2076

01:25:24,470 --> 01:25:22,860

but but that was like a shitty patch job

2077

01:25:25,970 --> 01:25:24,480

that's not meringue it's cool whip it's

2078

01:25:27,290 --> 01:25:25,980

not what you pay for you didn't pay for

2079

01:25:30,890 --> 01:25:27,300

Cool Whip

2080

01:25:32,689 --> 01:25:30,900

you just kind of just give it extra pie

2081

01:25:33,830 --> 01:25:32,699

you probably got pies everywhere laying

2082

01:25:36,830 --> 01:25:33,840

around

2083

01:25:39,950 --> 01:25:36,840

can't give him a new one it's [h__h]

2084

01:25:42,169 --> 01:25:39,960

not a not a storm fresh pie well we

2085

01:25:43,910 --> 01:25:42,179

should follow a lawsuit against her

2086

01:25:46,910 --> 01:25:43,920

oh this lady we're just gonna go after

2087

01:25:49,669 --> 01:25:46,920

her yeah go after her she's admitting to

2088

01:25:51,350 --> 01:25:49,679

Pat trying to pass off meringue uh when

2089

01:25:53,630 --> 01:25:51,360

it's really just Cool Whip there's an

2090

01:25:55,729 --> 01:25:53,640

obviously clear-cut instance of fraud

2091

01:25:58,149 --> 01:25:55,739

here food fraud

2092

01:26:00,169 --> 01:25:58,159

I do like the mental image of her

2093

01:26:01,850 --> 01:26:00,179

delivering these pies and meringue goes

2094

01:26:03,229 --> 01:26:01,860

whipping off into the parking lot she

2095

01:26:05,090 --> 01:26:03,239

quickly looks around to see if anybody

2096

01:26:06,229 --> 01:26:05,100

saw it and goes and just pick it up yeah

2097

01:26:08,149 --> 01:26:06,239

why not

2098

01:26:10,010 --> 01:26:08,159

put that back on the pie a little gravel

2099

01:26:10,860 --> 01:26:10,020

a little dirt it's fine

2100

01:26:19,370 --> 01:26:10,870

all right next story

2101

01:26:22,490 --> 01:26:19,380

[Music]

2102

01:26:24,050 --> 01:26:22,500

oh that was pretty brutal yeah

2103

01:26:25,610 --> 01:26:24,060

uh you want to stay with uh You Wanna

2104

01:26:28,209 --> 01:26:25,620

Stay in Kansas with another Kansas story

2105

01:26:30,950 --> 01:26:28,219

yeah let's do it all right here's a

2106

01:26:32,450 --> 01:26:30,960

follow-up Kansas story

2107

01:26:33,770 --> 01:26:32,460

because it's just apparently a bunch of

2108

01:26:39,250 --> 01:26:33,780

interesting stuff happening there we

2109

01:26:45,709 --> 01:26:43,370

and just trying to load and

2110

01:26:50,330 --> 01:26:45,719

and trying to load it's thinking about

2111

01:26:53,810 --> 01:26:51,770

what do you think the artwork for this

2112

01:26:57,770 --> 01:26:53,820

episode should it be uh King Charles

2113

01:27:00,410 --> 01:26:57,780

eating a pie that is clearly Cool Whip

2114

01:27:03,169 --> 01:27:00,420

or should it be King Charles with an ax

2115

01:27:04,610 --> 01:27:03,179

destroying somebody's car

2116

01:27:07,910 --> 01:27:04,620

uh

2117

01:27:10,550 --> 01:27:07,920

the

2118

01:27:12,590 --> 01:27:10,560

pie uh meringue blowing off okay we'll

2119

01:27:14,270 --> 01:27:12,600

see if I'll see if the uh Charles

2120

01:27:16,750 --> 01:27:14,280

chasing after yeah King Charles making

2121

01:27:19,070 --> 01:27:16,760

pies during a tornado

2122

01:27:20,870 --> 01:27:19,080

tornado in the background yeah okay okay

2123

01:27:22,430 --> 01:27:20,880

that's it we'll see if we can hey I can

2124

01:27:25,610 --> 01:27:22,440

do that

2125

01:27:28,129 --> 01:27:25,620

uh but here's the headline here uh don't

2126
01:27:31,850 --> 01:27:28,139
fish with a gun in Kansas game warden

2127
01:27:33,830 --> 01:27:31,860
says that's a huge piece of news hmm

2128
01:27:36,950 --> 01:27:33,840
that's interesting

2129
01:27:39,169 --> 01:27:36,960
I thought that would be kind of like

2130
01:27:42,169 --> 01:27:39,179
normal practice some people like I know

2131
01:27:44,750 --> 01:27:42,179
they fish with like explosives or

2132
01:27:48,169 --> 01:27:44,760
electricity like to me that's like

2133
01:27:50,510 --> 01:27:48,179
inhumane that's like it's kind of creepy

2134
01:27:53,570 --> 01:27:50,520
too but uh fish for the gun I thought

2135
01:27:55,610 --> 01:27:53,580
yeah kind of typical but okay

2136
01:27:58,250 --> 01:27:55,620
uh someone allegedly decided to use a

2137
01:28:01,010 --> 01:27:58,260
nine millimeter gun to catch a fish

2138
01:28:02,270 --> 01:28:01,020

in Garden is it how do you don't catch a

2139

01:28:03,649 --> 01:28:02,280

fish with them yeah I don't think

2140

01:28:05,870 --> 01:28:03,659

they're catching a fish with the bullet

2141

01:28:08,270 --> 01:28:05,880

you're just you're shooting a fish and

2142

01:28:10,910 --> 01:28:08,280

it's dead and then you you pick the fish

2143

01:28:13,910 --> 01:28:10,920

up you're not catching a fish

2144

01:28:15,470 --> 01:28:13,920

this is [h__h]

2145

01:28:17,750 --> 01:28:15,480

that wasn't a nine millimeter no it

2146

01:28:18,590 --> 01:28:17,760

wasn't that was a 12 gauge that's a

2147

01:28:20,330 --> 01:28:18,600

shotgun

2148

01:28:21,649 --> 01:28:20,340

uh well they said they use nine

2149

01:28:23,570 --> 01:28:21,659

millimeter to catch a fish in Garden

2150

01:28:25,930 --> 01:28:23,580

City on Tuesday but they got caught by

2151
01:28:29,270 --> 01:28:25,940
the game wardens yeah they certainly did

2152
01:28:31,189 --> 01:28:29,280
right because of the sound yeah

2153
01:28:34,310 --> 01:28:31,199
because you know he didn't get that fish

2154
01:28:37,689 --> 01:28:34,320
in the first hit there was a multiple

2155
01:28:40,310 --> 01:28:37,699
multiple rounds being fired next

2156
01:28:42,050 --> 01:28:40,320
over there unloading yeah magazine after

2157
01:28:43,970 --> 01:28:42,060
magazine after magazine

2158
01:28:48,470 --> 01:28:43,980
yeah it's unloading everything he's got

2159
01:28:53,530 --> 01:28:50,810
there we go so Kansas Kansas Wildlife

2160
01:28:57,229 --> 01:28:53,540
and Parks game board in Finley County

2161
01:29:00,110 --> 01:28:57,239
did not say where it happened or if the

2162
01:29:03,169 --> 01:29:00,120
person was a man or woman but they did

2163
01:29:07,990 --> 01:29:03,179

say they seized a gun and kick it as a

2164

01:29:16,570 --> 01:29:10,970

all right caught the fish

2165

01:29:20,209 --> 01:29:16,580

Jesus the fishes one yeah half

2166

01:29:22,070 --> 01:29:20,219

just bits and pieces that's where Subway

2167

01:29:23,570 --> 01:29:22,080

gets their tuna they did not say it was

2168

01:29:25,310 --> 01:29:23,580

if it was a man or woman but they said

2169

01:29:27,950 --> 01:29:25,320

They seized the guns and take it to the

2170

01:29:31,669 --> 01:29:27,960

person for allegedly using illegal means

2171

01:29:33,410 --> 01:29:31,679

to take fish or in for not having a

2172

01:29:34,850 --> 01:29:33,420

fishing license and there you go that's

2173

01:29:38,149 --> 01:29:34,860

the most important one that's what they

2174

01:29:39,830 --> 01:29:38,159

got them yeah he needs to go

2175

01:29:41,510 --> 01:29:39,840

remember we did that story about the was

2176
01:29:43,250 --> 01:29:41,520
it the Ohio wild man who was like

2177
01:29:45,229 --> 01:29:43,260
accosting people about their fishing

2178
01:29:47,450 --> 01:29:45,239
license

2179
01:29:48,890 --> 01:29:47,460
uh yeah I think that's pretty common

2180
01:29:50,270 --> 01:29:48,900
they really want you to have that

2181
01:29:51,830 --> 01:29:50,280
goddamn fishing license

2182
01:29:52,910 --> 01:29:51,840
they really don't care the fact the guy

2183
01:29:55,850 --> 01:29:52,920
was just going through magazine after

2184
01:29:57,590 --> 01:29:55,860
magazine of uh of uh of his ammunition

2185
01:30:00,110 --> 01:29:57,600
at this fish it was that he didn't have

2186
01:30:04,550 --> 01:30:00,120
a license yeah to the people in chat I

2187
01:30:09,169 --> 01:30:04,560
hear you uh this stream is uh glitchy I

2188
01:30:12,709 --> 01:30:09,179

will upload the entire thing to

2189

01:30:13,970 --> 01:30:12,719

Odyssey and uh YouTube so uh look for it

2190

01:30:16,010 --> 01:30:13,980

there I'll upload it tomorrow morning

2191

01:30:19,390 --> 01:30:16,020

yeah twitch has been having some some

2192

01:30:22,790 --> 01:30:19,400

issues yeah sorry

2193

01:30:23,930 --> 01:30:22,800

we have a very firm in a good stream

2194

01:30:25,550 --> 01:30:23,940

over here we have good connections so

2195

01:30:26,870 --> 01:30:25,560

something's going on with twitch it's

2196

01:30:28,850 --> 01:30:26,880

possible they found out about us and

2197

01:30:30,110 --> 01:30:28,860

just they don't like us than like fish

2198

01:30:32,030 --> 01:30:30,120

stories

2199

01:30:33,890 --> 01:30:32,040

a lot of fish violence

2200

01:30:35,870 --> 01:30:33,900

and you know Facebook post the warden

2201
01:30:38,149 --> 01:30:35,880
said it is illegal to use Firearms to

2202
01:30:41,810 --> 01:30:38,159
catch fish they said uh non-sport fish

2203
01:30:46,250 --> 01:30:41,820
may only be taken with fishing poles and

2204
01:30:49,490 --> 01:30:46,260
line Trot lines set lines gig crossbow

2205
01:30:51,410 --> 01:30:49,500
or bow and arrow with a line attached so

2206
01:30:54,530 --> 01:30:51,420
there you go what if he touched the line

2207
01:30:56,030 --> 01:30:54,540
to his bullets there you go

2208
01:30:58,430 --> 01:30:56,040
so if he's sitting there on the shore

2209
01:31:00,890 --> 01:30:58,440
tying a fishing line to each one of his

2210
01:31:02,149 --> 01:31:00,900
rounds before he fires seems to me you

2211
01:31:03,890 --> 01:31:02,159
could say it's a small crossbow what

2212
01:31:09,709 --> 01:31:03,900
about a Harpoon Gun can I bring my

2213
01:31:13,850 --> 01:31:11,750

sure yeah I would like I would like

2214

01:31:17,689 --> 01:31:13,860

subway tuna cut only

2215

01:31:20,050 --> 01:31:17,699

with pistols I prefer if my fish were

2216

01:31:22,129 --> 01:31:20,060

killed with a shotgun

2217

01:31:23,629 --> 01:31:22,139

you were asking about a Harpoon Gun they

2218

01:31:25,550 --> 01:31:23,639

do allow gigs which is basically the

2219

01:31:28,370 --> 01:31:25,560

same thing as that's just the hooked uh

2220

01:31:29,390 --> 01:31:28,380

Barb so why not oh really okay yeah so I

2221

01:31:31,370 --> 01:31:29,400

think you're I think you're legit Mike

2222

01:31:33,470 --> 01:31:31,380

to sit out there with a Harpoon Gun and

2223

01:31:34,370 --> 01:31:33,480

go fishing okay well

2224

01:31:36,410 --> 01:31:34,380

um

2225

01:31:38,810 --> 01:31:36,420

I don't have a Harpoon Gun currently so

2226

01:31:42,290 --> 01:31:38,820

if anybody has one and wants to send me

2227

01:31:44,629 --> 01:31:42,300

one let's go lend me or Harpoon Gun so I

2228

01:31:46,250 --> 01:31:44,639

can go fishing

2229

01:31:47,750 --> 01:31:46,260

well this guy's going to jail for a long

2230

01:31:48,950 --> 01:31:47,760

time there's no doubt about that that's

2231

01:31:50,870 --> 01:31:48,960

right

2232

01:31:52,790 --> 01:31:50,880

he's uh number one on the FBI's most

2233

01:31:55,610 --> 01:31:52,800

wanted it says not only is using a gun

2234

01:31:58,129 --> 01:31:55,620

to uh to fish illegal in Kansas it can

2235

01:31:59,689 --> 01:31:58,139

also be dangerous

2236

01:32:01,020 --> 01:31:59,699

so there you go

2237

01:32:02,570 --> 01:32:01,030

remember that people

2238

01:32:04,610 --> 01:32:02,580

[Music]

2239

01:32:05,990 --> 01:32:04,620

all right it says on here shooting at a

2240

01:32:08,390 --> 01:32:06,000

body of water can be dangerous because

2241

01:32:11,450 --> 01:32:08,400

bullets can Ricochet off the surface of

2242

01:32:13,250 --> 01:32:11,460

the water it's [h__h] I mean I guess

2243

01:32:14,629 --> 01:32:13,260

I guess potentially if you're at the

2244

01:32:16,310 --> 01:32:14,639

right angle but that's pretty shallow

2245

01:32:18,709 --> 01:32:16,320

angle to do that I've never seen that in

2246

01:32:21,649 --> 01:32:18,719

any movie I watched

2247

01:32:23,810 --> 01:32:21,659

all the guy I see in the movies I watch

2248

01:32:26,510 --> 01:32:23,820

when you're running from people you jump

2249

01:32:29,030 --> 01:32:26,520

into the water and bullets will just

2250

01:32:30,530 --> 01:32:29,040

like Zip right past you and you hide out

2251

01:32:32,990 --> 01:32:30,540

underneath the water for at least 30

2252

01:32:34,250 --> 01:32:33,000

seconds until the people go away that is

2253

01:32:36,350 --> 01:32:34,260

that is the legitimate thing there's

2254

01:32:39,709 --> 01:32:36,360

there's a huge amount of energy transfer

2255

01:32:41,030 --> 01:32:39,719

as as live rounds enter enter the um uh

2256

01:32:43,010 --> 01:32:41,040

the surface of the water they lose a

2257

01:32:44,990 --> 01:32:43,020

huge amount of energy and they also lose

2258

01:32:47,030 --> 01:32:45,000

trajectory

2259

01:32:49,430 --> 01:32:47,040

um almost immediately yeah exactly and

2260

01:32:51,709 --> 01:32:49,440

let's [h__\h] hook that [h__\h] and we'll

2261

01:32:53,050 --> 01:32:51,719

be on the [h__\h] News man yeah you

2262

01:32:55,910 --> 01:32:53,060

gotta uh

2263

01:33:00,250 --> 01:32:55,920

a great GIF up there of a guy holding a

2264

01:33:02,750 --> 01:33:00,260

fish that that turns into a machine gun

2265

01:33:09,410 --> 01:33:02,760

JJ we could get some big money for that

2266

01:33:11,870 --> 01:33:10,669

at least shifting thing

2267

01:33:15,110 --> 01:33:11,880

that's what came up first when it said

2268

01:33:17,750 --> 01:33:15,120

uh when I said fish gun is that is that

2269

01:33:21,950 --> 01:33:17,760

it that's awesome it's a baby [h__h]

2270

01:33:25,550 --> 01:33:23,450

you think it was Jay and his buddy we're

2271

01:33:27,590 --> 01:33:25,560

uh out in Kansas oh they're fed up with

2272

01:33:29,149 --> 01:33:27,600

fishing at this point they just grabbed

2273

01:33:30,590 --> 01:33:29,159

the closest gun they got and said we're

2274

01:33:32,629 --> 01:33:30,600

doing this

2275

01:33:34,129 --> 01:33:32,639

they're dupinus these baby [h__h]

2276

01:33:38,149 --> 01:33:34,139

whales are duping us we're not taking us

2277

01:33:47,090 --> 01:33:38,159

down again baby what the [h__h] is that

2278

01:33:50,750 --> 01:33:48,709

all right let's stay with the uh Oddball

2279

01:33:53,990 --> 01:33:50,760

news uh this is from uh this one's from

2280

01:33:56,510 --> 01:33:54,000

Alabama Alabama

2281

01:33:58,010 --> 01:33:56,520

serious guy gets pulled over but uh he's

2282

01:34:02,270 --> 01:33:58,020

riding something weird

2283

01:34:02,280 --> 01:34:06,250

um interesting okay

2284

01:34:12,649 --> 01:34:10,490

uh man pulled over on jet ski in that

2285

01:34:15,290 --> 01:34:12,659

was it dolphin

2286

01:34:17,510 --> 01:34:15,300

I'm not looking at it is it dolphin

2287

01:34:18,770 --> 01:34:17,520

please say it's Street Lefty oh it's

2288

01:34:22,250 --> 01:34:18,780

Daphne

2289

01:34:25,129 --> 01:34:22,260

uh police say it's street legal okay

2290

01:34:26,450 --> 01:34:25,139

I'm upset by this yeah uh it is

2291

01:34:27,470 --> 01:34:26,460

upsetting because there's a picture of a

2292

01:34:29,930 --> 01:34:27,480

guy

2293

01:34:32,810 --> 01:34:29,940

uh on a jet ski

2294

01:34:34,550 --> 01:34:32,820

on the road

2295

01:34:36,169 --> 01:34:34,560

they blaked out his face for some reason

2296

01:34:38,510 --> 01:34:36,179

this is a proud moment why would you

2297

01:34:41,090 --> 01:34:38,520

blank out this guy's face

2298

01:34:44,270 --> 01:34:41,100

he's doing what everyone wants to do

2299

01:34:46,729 --> 01:34:44,280

and Daphne in uh Alabama

2300

01:34:50,209 --> 01:34:46,739

police officer pulled over man driving a

2301
01:34:51,950 --> 01:34:50,219
jet ski down Highway 98 Friday according

2302
01:34:53,810 --> 01:34:51,960
to a Facebook post from the Daphne

2303
01:34:56,810 --> 01:34:53,820
Police Department the post said officers

2304
01:35:00,470 --> 01:34:56,820
received multiple 9-1-1 calls about a

2305
01:35:03,169 --> 01:35:00,480
guy driving a jet ski on 98 officer said

2306
01:35:07,189 --> 01:35:03,179
the jet ski was tagged and street legal

2307
01:35:09,370 --> 01:35:07,199
the man was from out of state of course

2308
01:35:11,870 --> 01:35:09,380
probably from Kansas yeah done fishing

2309
01:35:15,050 --> 01:35:11,880
officer said that they sent him on his

2310
01:35:16,490 --> 01:35:15,060
way with a warning and instructions to

2311
01:35:18,470 --> 01:35:16,500
get a helmet what was the warning for

2312
01:35:19,610 --> 01:35:18,480
was a warning for the helmet

2313
01:35:21,350 --> 01:35:19,620

does this thing have a windshield

2314

01:35:23,390 --> 01:35:21,360

doesn't have a windshield

2315

01:35:25,669 --> 01:35:23,400

maybe that's it

2316

01:35:27,310 --> 01:35:25,679

he was only carrying one gun at Alabama

2317

01:35:30,290 --> 01:35:27,320

okay

2318

01:35:32,570 --> 01:35:30,300

uh a picture attached of the post shows

2319

01:35:35,689 --> 01:35:32,580

man sitting on a bright yellow jet ski

2320

01:35:37,729 --> 01:35:35,699

with pig Stripes Daphne police vehicle

2321

01:35:40,430 --> 01:35:37,739

is seen behind the man with lights on

2322

01:35:43,790 --> 01:35:40,440

yeah I see that you described it picture

2323

01:35:45,890 --> 01:35:43,800

they're describing the picture okay

2324

01:35:47,990 --> 01:35:45,900

I'd like to see this thing drive like

2325

01:35:50,209 --> 01:35:48,000

how is it driving like where are the

2326

01:35:52,790 --> 01:35:50,219

wheels so yeah let me get you here's a

2327

01:35:55,070 --> 01:35:52,800

here's a video of a similar thing this

2328

01:35:57,050 --> 01:35:55,080

apparently is a known thing okay

2329

01:35:59,209 --> 01:35:57,060

there we go here's a YouTuber video for

2330

01:36:01,250 --> 01:35:59,219

you a YouTuber is converting jet skis

2331

01:36:04,189 --> 01:36:01,260

into basically motorbikes

2332

01:36:08,030 --> 01:36:04,199

uh kind of other way around but yeah

2333

01:36:09,950 --> 01:36:08,040

here's footage of it okay there it is

2334

01:36:13,550 --> 01:36:09,960

it looks kind of goofy

2335

01:36:16,430 --> 01:36:13,560

yeah I'd call the cops and I've got two

2336

01:36:19,189 --> 01:36:16,440

get that guy off the street yeah he

2337

01:36:20,570 --> 01:36:19,199

needs to go to go to jail

2338

01:36:22,430 --> 01:36:20,580

I want to hear I want to hear what this

2339

01:36:24,770 --> 01:36:22,440

thing sounds like here it is here's

2340

01:36:26,930 --> 01:36:24,780

here's the sound for this

2341

01:36:30,229 --> 01:36:26,940

man you

2342

01:36:31,310 --> 01:36:30,239

won't be jet ski in the ATL going down

2343

01:36:41,890 --> 01:36:31,320

the highway

2344

01:36:41,900 --> 01:36:47,590

that's pretty cool

2345

01:36:55,729 --> 01:36:51,530

motorcycle jet ski y'all this is crazy

2346

01:37:00,709 --> 01:36:57,709

all right hey let's say it's this

2347

01:37:02,689 --> 01:37:00,719

motorcycle conversion looks pretty cool

2348

01:37:04,790 --> 01:37:02,699

all right

2349

01:37:06,770 --> 01:37:04,800

well but you've likely seen the video by

2350

01:37:08,629 --> 01:37:06,780

now oh man on a jet ski riding around

2351

01:37:10,250 --> 01:37:08,639

the streets of Jacksonville I really

2352

01:37:11,870 --> 01:37:10,260

don't see that every day today we caught

2353

01:37:13,729 --> 01:37:11,880

up with that young man who built the

2354

01:37:15,590 --> 01:37:13,739

vehicle and the video has gone viral

2355

01:37:17,689 --> 01:37:15,600

jewelry is here with answers to a lot of

2356

01:37:19,850 --> 01:37:17,699

questions that you have been posing

2357

01:37:22,129 --> 01:37:19,860

about this Joy it is an amazing it

2358

01:37:24,950 --> 01:37:22,139

really is the Tariq Mary Trey Yarbrough

2359

01:37:27,229 --> 01:37:24,960

he works in a fabrication shop he's got

2360

01:37:29,030 --> 01:37:27,239

quite the talent as you can see so he's

2361

01:37:31,430 --> 01:37:29,040

taken steps to make sure this ski

2362

01:37:33,590 --> 01:37:31,440

scooter is street legal it's got tail

2363

01:37:35,330 --> 01:37:33,600

lights it's got a license plate but that

2364

01:37:38,709 --> 01:37:35,340

information just scratches the surface

2365

01:37:40,490 --> 01:37:38,719

of the questions we just had to ask

2366

01:37:42,110 --> 01:37:40,500

awesome

2367

01:37:43,790 --> 01:37:42,120

all right I'm done with this guy

2368

01:37:45,410 --> 01:37:43,800

these guys are anywhere these guys are

2369

01:37:49,430 --> 01:37:45,420

nuisances

2370

01:37:51,350 --> 01:37:49,440

damn roving jet ski mobs yeah there's no

2371

01:37:53,810 --> 01:37:51,360

argument the chat is it a Sea-Doo is it

2372

01:37:55,189 --> 01:37:53,820

a wave runner I get it yeah man it's a

2373

01:37:57,709 --> 01:37:55,199

good question we're using the generic

2374

01:37:59,750 --> 01:37:57,719

term the overarching term of anything

2375

01:38:02,510 --> 01:37:59,760

like that as a jet ski yeah I get it

2376

01:38:02,520 --> 01:38:09,910

all right oh uh yep here we go

2377

01:38:15,590 --> 01:38:12,830

look at the size of that thing there's

2378

01:38:19,070 --> 01:38:15,600

another guy gets pulled over

2379

01:38:24,410 --> 01:38:19,080

um and just kind of leaned into this one

2380

01:38:30,470 --> 01:38:26,870

let's see here bring this up on the

2381

01:38:32,209 --> 01:38:30,480

screen man in beer costume arrested for

2382

01:38:35,090 --> 01:38:32,219

DUI

2383

01:38:37,490 --> 01:38:35,100

that's a funny headline

2384

01:38:40,010 --> 01:38:37,500

yeah and what we're looking at is a guy

2385

01:38:42,830 --> 01:38:40,020

uh could be a gay gentleman in a Bud

2386

01:38:45,410 --> 01:38:42,840

Light costume

2387

01:38:47,629 --> 01:38:45,420

we don't know

2388

01:38:49,550 --> 01:38:47,639

could be

2389

01:38:51,410 --> 01:38:49,560

I mean we don't know

2390

01:38:53,390 --> 01:38:51,420

uh okay

2391

01:38:55,430 --> 01:38:53,400

everybody's going to a party or he's

2392

01:38:57,290 --> 01:38:55,440

like one of those uh those guys in the

2393

01:38:58,970 --> 01:38:57,300

street that wave around signs to you

2394

01:39:00,890 --> 01:38:58,980

know sell advertisements for like

2395

01:39:02,209 --> 01:39:00,900

businesses maybe this guy was like oh

2396

01:39:03,590 --> 01:39:02,219

okay so he's standing out in front of

2397

01:39:05,510 --> 01:39:03,600

looking liquor stores trying to like

2398

01:39:06,590 --> 01:39:05,520

sell Bud Light but he's also drinking

2399

01:39:09,649 --> 01:39:06,600

Bud Light

2400

01:39:12,350 --> 01:39:09,659

yeah he's working technically

2401
01:39:14,450 --> 01:39:12,360
on the clock buddy uh Franklin County

2402
01:39:17,209 --> 01:39:14,460
Deputy made an interesting traffic stop

2403
01:39:19,070 --> 01:39:17,219
last week uh is this frankly I was in

2404
01:39:20,510 --> 01:39:19,080
Kansas again

2405
01:39:24,290 --> 01:39:20,520
yeah you're right another Kansas State

2406
01:39:26,330 --> 01:39:24,300
Kansas stories wow hilarious

2407
01:39:28,250 --> 01:39:26,340
uh Franklin County Deputy made an

2408
01:39:29,990 --> 01:39:28,260
interesting traffic stop last week the

2409
01:39:32,990 --> 01:39:30,000
Sheriff's Office was alerted to a

2410
01:39:34,850 --> 01:39:33,000
possible drunk driver Northbound on I-35

2411
01:39:37,070 --> 01:39:34,860
deputies located the car and pulled it

2412
01:39:39,350 --> 01:39:37,080
over well how do they know it was a

2413
01:39:40,970 --> 01:39:39,360

possible drunk driver like what was

2414

01:39:43,010 --> 01:39:40,980

called in was it just because they saw a

2415

01:39:44,270 --> 01:39:43,020

guy dressed in a Bud Light costume I

2416

01:39:46,729 --> 01:39:44,280

think I think somebody probably assumed

2417

01:39:49,790 --> 01:39:46,739

this man has drunk drunk drink drink it

2418

01:39:51,590 --> 01:39:49,800

drunk drunken did it so much beer he's

2419

01:39:54,590 --> 01:39:51,600

turned into a can of Bud Light

2420

01:39:57,410 --> 01:39:54,600

well when the driver stepped out stepped

2421

01:39:59,689 --> 01:39:57,420

out for a sobriety test he was wearing a

2422

01:40:02,330 --> 01:39:59,699

Bud Light costume

2423

01:40:04,490 --> 01:40:02,340

a court a career in law enforcement is

2424

01:40:06,290 --> 01:40:04,500

exciting but you get to experience

2425

01:40:08,750 --> 01:40:06,300

something new every day sometimes you

2426

01:40:10,189 --> 01:40:08,760

see things you can't believe so the

2427

01:40:13,370 --> 01:40:10,199

Sheriff's Office and the Facebook post

2428

01:40:16,550 --> 01:40:13,380

the drivers uh the driver costume and

2429

01:40:19,490 --> 01:40:16,560

all was placed under arrest for drunk

2430

01:40:21,350 --> 01:40:19,500

driving yeah

2431

01:40:24,649 --> 01:40:21,360

wait did they arrest the costume is that

2432

01:40:26,810 --> 01:40:24,659

what they said uh the driver costume and

2433

01:40:28,669 --> 01:40:26,820

all were placed under arrest

2434

01:40:30,410 --> 01:40:28,679

well this guy is certainly when he gets

2435

01:40:32,209 --> 01:40:30,420

to the jail he's gonna take it in the

2436

01:40:34,010 --> 01:40:32,219

can

2437

01:40:34,810 --> 01:40:34,020

how could you have done this what'd you

2438

01:40:37,669 --> 01:40:34,820

do

2439

01:40:41,629 --> 01:40:37,679

disappointed and wait for that one and

2440

01:40:45,590 --> 01:40:41,639

you are one pathetic loser

2441

01:40:49,550 --> 01:40:47,270

[Applause]

2442

01:40:53,750 --> 01:40:49,560

would you like that in the can I have

2443

01:40:59,930 --> 01:40:55,490

what's that from

2444

01:41:04,850 --> 01:41:02,810

uh it's a sad day there's a video of

2445

01:41:05,689 --> 01:41:04,860

that by the way of this not of well it's

2446

01:41:07,669 --> 01:41:05,699

probably a video the can thing too

2447

01:41:08,870 --> 01:41:07,679

there's a video of this guy getting

2448

01:41:11,330 --> 01:41:08,880

making

2449

01:41:14,149 --> 01:41:11,340

business video or is this an image it's

2450

01:41:17,870 --> 01:41:14,159

just a picture yeah bastards I normally

2451

01:41:20,149 --> 01:41:17,880

don't support police brutality but for

2452

01:41:22,370 --> 01:41:20,159

this guy for this guy you know break out

2453

01:41:24,790 --> 01:41:22,380

the billy clubs and you know Crush that

2454

01:41:29,810 --> 01:41:28,550

was sent to local recycling here

2455

01:41:31,910 --> 01:41:29,820

that's what they should have said was

2456

01:41:34,550 --> 01:41:31,920

this guy went to jail his costume was at

2457

01:41:35,390 --> 01:41:34,560

the local recycling center

2458

01:41:37,189 --> 01:41:35,400

yeah

2459

01:41:38,990 --> 01:41:37,199

hmm okay well they're cleaning up the

2460

01:41:41,209 --> 01:41:39,000

streets out there wouldn't they wouldn't

2461

01:41:42,890 --> 01:41:41,219

you think that the sheriff's deputies

2462

01:41:44,629 --> 01:41:42,900

have a sense of humor about it it's like

2463

01:41:47,209 --> 01:41:44,639

okay I tell you what we're going to give

2464

01:41:49,129 --> 01:41:47,219

you a warning just take out the costume

2465

01:41:52,310 --> 01:41:49,139

and call somebody to come pick you up

2466

01:41:53,330 --> 01:41:52,320

you know it like I think though is maybe

2467

01:41:54,229 --> 01:41:53,340

that was where they started but when

2468

01:41:56,510 --> 01:41:54,239

they asked them to step out of the

2469

01:41:57,830 --> 01:41:56,520

vehicle like six or seven empties like

2470

01:41:59,930 --> 01:41:57,840

rolled out and

2471

01:42:02,270 --> 01:41:59,940

I would have like if I was if I was a

2472

01:42:05,570 --> 01:42:02,280

beer can here I would have refused fuel

2473

01:42:07,609 --> 01:42:05,580

sobriety without my lawyer like I I will

2474

01:42:10,010 --> 01:42:07,619

take this test only with my lawyer

2475

01:42:12,770 --> 01:42:10,020

present that buys you some time to sober

2476

01:42:13,970 --> 01:42:12,780

up maybe drink they can they can force

2477

01:42:16,310 --> 01:42:13,980

you to or they can force you to give

2478

01:42:16,970 --> 01:42:16,320

blood for things like that so can they

2479

01:42:18,530 --> 01:42:16,980

um

2480

01:42:20,450 --> 01:42:18,540

they can do they can force you to get

2481

01:42:21,890 --> 01:42:20,460

blood you just can't refuse like flat

2482

01:42:23,390 --> 01:42:21,900

out because when I got pulled over I

2483

01:42:25,250 --> 01:42:23,400

refused to take the breathalyzer I was

2484

01:42:27,109 --> 01:42:25,260

like ain't doing it now they'll hold you

2485

01:42:29,510 --> 01:42:27,119

down take blood um by the way somebody's

2486

01:42:32,149 --> 01:42:29,520

in the chat who said it uh it just rise

2487

01:42:33,709 --> 01:42:32,159

and fall said this guy was uh going to a

2488

01:42:37,250 --> 01:42:33,719

costume party and he was going as a

2489

01:42:38,450 --> 01:42:37,260

drunk driver oh well well it worked

2490

01:42:40,790 --> 01:42:38,460

success yeah

2491

01:42:44,270 --> 01:42:40,800

[Applause]

2492

01:42:48,950 --> 01:42:44,280

all right Christian One More Story let's

2493

01:42:52,250 --> 01:42:50,550

thank you

2494

01:42:54,229 --> 01:42:52,260

[Music]

2495

01:42:55,609 --> 01:42:54,239

all right let me give you a couple of

2496

01:42:57,050 --> 01:42:55,619

headlines here we've got a complete

2497

01:42:59,629 --> 01:42:57,060

people complaining about an ice cream

2498

01:43:01,490 --> 01:42:59,639

stand that opened up near Auschwitz it

2499

01:43:02,270 --> 01:43:01,500

is a bit unsettling yeah it's a bit

2500

01:43:02,990 --> 01:43:02,280

weird

2501

01:43:05,390 --> 01:43:03,000

um

2502

01:43:07,669 --> 01:43:05,400

the BBC has a new broadcasting studio

2503

01:43:10,149 --> 01:43:07,679

built on a bicycle in the Netherlands so

2504

01:43:12,890 --> 01:43:10,159

Herman can go out there and steal that

2505

01:43:15,189 --> 01:43:12,900

we have a hotel manager who's waking

2506

01:43:20,450 --> 01:43:15,199

guests up by sucking on their toes

2507

01:43:24,470 --> 01:43:22,430

oh I also had a I had a Jared from

2508

01:43:27,770 --> 01:43:24,480

Subway story but we already passed our

2509

01:43:35,570 --> 01:43:32,510

all right so here is the uh toe sucker

2510

01:43:38,209 --> 01:43:35,580

this one's Tennessee not Kansas sorry

2511

01:43:40,490 --> 01:43:38,219

but we could say it was Kansas yeah

2512

01:43:43,310 --> 01:43:40,500

it's close enough uh Hilton Hotel

2513

01:43:47,290 --> 01:43:43,320

manager arrested for waking gas up by

2514

01:43:49,550 --> 01:43:47,300

sucking their toes oh really

2515

01:43:51,290 --> 01:43:49,560

but what this is what they called for

2516

01:43:54,950 --> 01:43:51,300

you know like hey you can call like the

2517

01:43:56,689 --> 01:43:54,960

front desk wake me up at 6 p.m or 6 a.m

2518

01:43:58,970 --> 01:43:56,699

or whatever time like is it you could

2519

01:44:01,430 --> 01:43:58,980

yeah you can get a wake-up call this is

2520

01:44:03,350 --> 01:44:01,440

what he does to wake people up

2521

01:44:04,430 --> 01:44:03,360

a lot of times phones just ring and ring

2522

01:44:06,410 --> 01:44:04,440

and ring and they sleep through that

2523

01:44:09,970 --> 01:44:06,420

phone call also he offers a personal

2524

01:44:12,770 --> 01:44:09,980

service Personal Touch I'm talking about

2525

01:44:15,590 --> 01:44:12,780

bedside Decor this is what you do

2526

01:44:17,810 --> 01:44:15,600

bedside Manor this guy has

2527

01:44:19,850 --> 01:44:17,820

a Hilton hotel manager was arrested and

2528

01:44:24,169 --> 01:44:19,860

charged Friday for entering guest rooms

2529

01:44:28,629 --> 01:44:24,179

and sucking on customers toes okay suck

2530

01:44:35,090 --> 01:44:31,490

uh David Neal 52 was charged with

2531

01:44:37,250 --> 01:44:35,100

aggravated burglary and assault for

2532

01:44:40,129 --> 01:44:37,260

entering a male guest room and sucking

2533

01:44:43,790 --> 01:44:40,139

on his toes how is it

2534

01:44:46,070 --> 01:44:43,800

hmm aggravated burglar I guess he's a

2535

01:44:47,570 --> 01:44:46,080

hotel manager he assumes that all those

2536

01:44:50,990 --> 01:44:47,580

rooms are his he can go probably

2537

01:44:53,750 --> 01:44:51,000

anywhere he wants but I may be legally

2538

01:44:55,370 --> 01:44:53,760

once you rent that room it's technically

2539

01:44:58,430 --> 01:44:55,380

yours right

2540

01:45:01,430 --> 01:44:58,440

no you're it's a tenancy law so that's

2541

01:45:03,229 --> 01:45:01,440

[h__h] as the owner of the proprietary

2542

01:45:05,450 --> 01:45:03,239

would still have the uh right to enter

2543

01:45:07,070 --> 01:45:05,460

this he has a right to suck the toes not

2544

01:45:08,450 --> 01:45:07,080

the manager

2545

01:45:11,209 --> 01:45:08,460

okay

2546

01:45:12,950 --> 01:45:11,219

he overstepped his authority sounds like

2547

01:45:14,689 --> 01:45:12,960

well Nashville police were dispatched

2548

01:45:17,090 --> 01:45:14,699

certainly shortly after 5 a.m Steve look

2549

01:45:19,430 --> 01:45:17,100

at that wake-up call 5 a.m this was part

2550

01:45:21,830 --> 01:45:19,440

of a week off okay gotcha I'm telling

2551

01:45:23,149 --> 01:45:21,840

you this guy who got his toes sucked he

2552

01:45:26,169 --> 01:45:23,159

probably called down to the front office

2553

01:45:29,530 --> 01:45:26,179

and said can you wake me up at 5am

2554

01:45:32,030 --> 01:45:29,540

and and this guy David

2555

01:45:32,990 --> 01:45:32,040

uh said okay well he didn't know if he

2556

01:45:35,510 --> 01:45:33,000

did anything

2557

01:45:38,709 --> 01:45:35,520

he didn't say how you he wanted to be

2558

01:45:41,149 --> 01:45:38,719

woken up so here we go David

2559

01:45:42,109 --> 01:45:41,159

so here's the question did you think do

2560

01:45:43,970 --> 01:45:42,119

you think when they got checked in the

2561

01:45:45,350 --> 01:45:43,980

night before the manager said would you

2562

01:45:48,229 --> 01:45:45,360

like a wake-up call he said yes he says

2563

01:45:50,050 --> 01:45:48,239

I guarantee I can wake you up

2564

01:45:51,850 --> 01:45:50,060

take off your shoes first

2565

01:45:54,470 --> 01:45:51,860

before

2566

01:45:56,570 --> 01:45:54,480

your shoes off make sure your shoes are

2567

01:45:59,209 --> 01:45:56,580

off before you get into our beds and

2568

01:46:01,490 --> 01:45:59,219

your socks are off too yeah let a foot

2569

01:46:03,109 --> 01:46:01,500

hang out just just do it you look really

2570

01:46:05,930 --> 01:46:03,119

tense why don't you go into your room

2571

01:46:08,390 --> 01:46:05,940

walk around with your socks off and make

2572

01:46:13,510 --> 01:46:08,400

fists with your toes it's supposed to

2573

01:46:19,129 --> 01:46:15,169

Nashville Nashville police were

2574

01:46:22,070 --> 01:46:19,139

dispatched shortly after 5 a.m uh to 1

2575

01:46:24,770 --> 01:46:22,080

21 4th Avenue where the Hilton Hotel uh

2576

01:46:26,870 --> 01:46:24,780

Hilton Hotel resides a spokesperson for

2577

01:46:29,510 --> 01:46:26,880

the city police department said while

2578

01:46:31,370 --> 01:46:29,520

investigating a complaint officers

2579

01:46:34,189 --> 01:46:31,380

discovered that Neo working as a night

2580

01:46:36,770 --> 01:46:34,199

manager at the time made a key card and

2581

01:46:40,430 --> 01:46:36,780

entered the guest room very crafty David

2582

01:46:42,830 --> 01:46:40,440

very crafty that is Neil David was the

2583

01:46:45,890 --> 01:46:42,840

the sucky not the sucker no it's David

2584

01:46:47,930 --> 01:46:45,900

Neal his name the suck the toe sucker

2585

01:46:50,629 --> 01:46:47,940

the guy David Neal I thought I thought

2586

01:46:53,689 --> 01:46:50,639

David was the victim David's the toe

2587

01:46:55,490 --> 01:46:53,699

sucker David oh

2588

01:46:57,770 --> 01:46:55,500

you'd all be dead now if it wasn't my

2589

01:47:00,410 --> 01:46:57,780

David he has to suck your toes or you

2590

01:47:03,169 --> 01:47:00,420

will die you will die you don't let him

2591

01:47:04,850 --> 01:47:03,179

in there with those toes in his mouth a

2592

01:47:07,010 --> 01:47:04,860

snake bit your toe you didn't see it but

2593

01:47:08,870 --> 01:47:07,020

it happened it was it was a Secret Snake

2594

01:47:12,229 --> 01:47:08,880

did it

2595

01:47:13,490 --> 01:47:12,239

I gotta suck them the venom out got to

2596

01:47:15,709 --> 01:47:13,500

get the poison

2597

01:47:21,590 --> 01:47:15,719

uh

2598

01:47:25,010 --> 01:47:21,600

working as a night manager at the time

2599

01:47:27,410 --> 01:47:25,020

made a key card and entered the guest

2600

01:47:29,390 --> 01:47:27,420

room the guest then woke up to find Neil

2601
01:47:31,609 --> 01:47:29,400
sucking on his toes which he immediately

2602
01:47:33,430 --> 01:47:31,619
confronted he didn't let that go for a

2603
01:47:36,169 --> 01:47:33,440
little bit

2604
01:47:37,669 --> 01:47:36,179
like hey this isn't I'm going to

2605
01:47:39,109 --> 01:47:37,679
complain and if you better stop a couple

2606
01:47:40,790 --> 01:47:39,119
more minutes of this I'm I'm gonna file

2607
01:47:42,709 --> 01:47:40,800
like he faked that he was sleeping for

2608
01:47:45,050 --> 01:47:42,719
like another few minutes

2609
01:47:46,729 --> 01:47:45,060
the guests recognized Neil because the

2610
01:47:48,649 --> 01:47:46,739
day before he came into the room with

2611
01:47:50,930 --> 01:47:48,659
another employee to fix an issue with

2612
01:47:52,729 --> 01:47:50,940
the television there's no issue there is

2613
01:47:53,870 --> 01:47:52,739

no broken television oh you think he's

2614

01:47:55,010 --> 01:47:53,880

scouting people's feet yeah he's like

2615

01:47:57,590 --> 01:47:55,020

you got to come in here and check out

2616

01:47:59,689 --> 01:47:57,600

this guy's feet

2617

01:48:01,970 --> 01:47:59,699

look at this guy's toes take a look at

2618

01:48:03,830 --> 01:48:01,980

those Nikes oh man

2619

01:48:05,629 --> 01:48:03,840

uh Neil claimed that he entered the room

2620

01:48:09,550 --> 01:48:05,639

because he smelled smoke and was

2621

01:48:16,370 --> 01:48:13,370

okay that's a likely excuse okay

2622

01:48:18,590 --> 01:48:16,380

all right

2623

01:48:20,930 --> 01:48:18,600

um however the night manager did not

2624

01:48:23,810 --> 01:48:20,940

report the issue to security furthermore

2625

01:48:27,050 --> 01:48:23,820

no resident reported smelling smoke well

2626

01:48:29,209 --> 01:48:27,060

he probably has a very finely tuned

2627

01:48:31,430 --> 01:48:29,219

sense of smell he's got a nose like a

2628

01:48:32,629 --> 01:48:31,440

blood house yeah the officers asked he

2629

01:48:34,850 --> 01:48:32,639

gets that because he's got an over

2630

01:48:37,550 --> 01:48:34,860

developed sinus yeah from all sorts of

2631

01:48:40,189 --> 01:48:37,560

sucking activity uh when officers asked

2632

01:48:41,990 --> 01:48:40,199

where uh the room key was Neil replied

2633

01:48:43,790 --> 01:48:42,000

that he threw it away

2634

01:48:46,430 --> 01:48:43,800

the spokesperson said

2635

01:48:48,470 --> 01:48:46,440

the room key was never recovered see no

2636

01:48:52,910 --> 01:48:48,480

proof no evidence

2637

01:48:55,129 --> 01:48:52,920

and the Nashville police uh Nashville

2638

01:48:56,870 --> 01:48:55,139

police Central Precinct detectives led

2639

01:49:00,050 --> 01:48:56,880

the investigation and issued warrants

2640

01:49:02,390 --> 01:49:00,060

against Neil he was arrested at his

2641

01:49:05,450 --> 01:49:02,400

Lebanon Tennessee residents Neil is

2642

01:49:09,350 --> 01:49:05,460

currently in jail to be released on

2643

01:49:17,109 --> 01:49:09,360

twenty thousand dollars in bond okay

2644

01:49:21,470 --> 01:49:19,250

uh he's probably pretty popular in jail

2645

01:49:26,229 --> 01:49:21,480

he's like I would imagine this guy will

2646

01:49:31,390 --> 01:49:30,169

get those shoes off for the toes oh my

2647

01:49:34,070 --> 01:49:31,400

God

2648

01:49:36,590 --> 01:49:34,080

I never understood that like being into

2649

01:49:38,510 --> 01:49:36,600

like the the foot fetish or the toe

2650

01:49:40,669 --> 01:49:38,520

fetish never never understood it really

2651

01:49:43,790 --> 01:49:40,679

a lot of weird stuff out there this dude

2652

01:49:46,070 --> 01:49:43,800

is into all of it uh David Neal he's

2653

01:49:47,689 --> 01:49:46,080

he's a

2654

01:49:50,450 --> 01:49:47,699

he's one of them he's just trying to get

2655

01:49:52,550 --> 01:49:50,460

the job done but uh just trying to get

2656

01:49:54,050 --> 01:49:52,560

the job done that's it I still like the

2657

01:49:55,250 --> 01:49:54,060

fact that maybe he's checking in he's

2658

01:49:57,290 --> 01:49:55,260

just making small talk with a guy

2659

01:49:59,090 --> 01:49:57,300

checking into the to the hotel and he's

2660

01:50:00,950 --> 01:49:59,100

makes a comment about needing a wake-up

2661

01:50:02,450 --> 01:50:00,960

call but complains he never that never

2662

01:50:04,490 --> 01:50:02,460

wakes him up you know I'll just sleep

2663

01:50:07,070 --> 01:50:04,500

through that uh I'm surprised you didn't

2664

01:50:09,050 --> 01:50:07,080

say like he smelled Smokey he'd be like

2665

01:50:11,270 --> 01:50:09,060

he wasn't offering like early morning

2666

01:50:13,430 --> 01:50:11,280

pedicures or something like that like

2667

01:50:15,050 --> 01:50:13,440

something like oh you I thought he

2668

01:50:17,870 --> 01:50:15,060

wanted a pedicure and that's what I was

2669

01:50:19,850 --> 01:50:17,880

doing it's really tough to to really

2670

01:50:22,609 --> 01:50:19,860

blow this one off and come up with a

2671

01:50:24,770 --> 01:50:22,619

good excuse of why your mouth was

2672

01:50:27,410 --> 01:50:24,780

wrapped around some other gentleman's

2673

01:50:28,430 --> 01:50:27,420

toe who did not ask for that it's tough

2674

01:50:30,590 --> 01:50:28,440

to really

2675

01:50:34,070 --> 01:50:30,600

come up with a good excuse

2676

01:50:36,709 --> 01:50:34,080

Me Maybe the guy did ask for it and is

2677

01:50:38,390 --> 01:50:36,719

now trying to to oh yeah maybe he's

2678

01:50:40,729 --> 01:50:38,400

trying to cover up

2679

01:50:42,169 --> 01:50:40,739

he's like hey I saw you carrying in Bud

2680

01:50:45,950 --> 01:50:42,179

Light I just figured you're kind of into

2681

01:50:50,270 --> 01:50:47,330

you get on your car in your Bud Light

2682

01:50:52,669 --> 01:50:50,280

costume yeah they figure into some toe

2683

01:50:56,390 --> 01:50:52,679

sucking my bad

2684

01:50:58,070 --> 01:50:56,400

just logically you can understand cops

2685

01:50:59,510 --> 01:50:58,080

would understand that yo you all

2686

01:51:01,370 --> 01:50:59,520

understand that it's your Bud Light

2687

01:51:04,250 --> 01:51:01,380

costume and your your Subway tuna

2688

01:51:07,250 --> 01:51:04,260

sandwich with extra mayo yeah solid

2689

01:51:08,750 --> 01:51:07,260

night it's down to clown with the toes

2690

01:51:10,400 --> 01:51:08,760

all right we're getting out of here

2691

01:51:14,990 --> 01:51:10,410

people yeah that's good

2692

01:51:17,450 --> 01:51:15,000

[Music]

2693

01:51:20,689 --> 01:51:17,460

this thing man uh hopefully you all will

2694

01:51:23,570 --> 01:51:20,699

be here on Saturday we will see

2695

01:51:26,270 --> 01:51:23,580

we missed Joe people missed Joe

2696

01:51:28,070 --> 01:51:26,280

if he got trapped at the border uh I

2697

01:51:30,430 --> 01:51:28,080

don't think he's trapped the Border I

2698

01:51:32,750 --> 01:51:30,440

think he's back he's back in a big way

2699

01:51:34,490 --> 01:51:32,760

he just has a lot of stuff to do he's

2700

01:51:36,050 --> 01:51:34,500

got to play ketchup you know that's

2701
01:51:37,970 --> 01:51:36,060
right he was gone for most last weeks

2702
01:51:39,709 --> 01:51:37,980
yeah he's back though he's gotta play

2703
01:51:43,810 --> 01:51:39,719
catch-up with work and whatnot so I

2704
01:51:48,470 --> 01:51:46,070
oh man

2705
01:51:49,970 --> 01:51:48,480
what a long day tell you what having a

2706
01:51:52,189 --> 01:51:49,980
migraine and that's why we didn't do the

2707
01:51:54,830 --> 01:51:52,199
show on Wednesday I had a migraine he

2708
01:51:58,189 --> 01:51:54,840
completely wipes you out even the day

2709
01:52:00,770 --> 01:51:58,199
after total energy drain

2710
01:52:03,109 --> 01:52:00,780
I'm just like I my headache went away

2711
01:52:04,620 --> 01:52:03,119
finally at like noon

2712
01:52:06,229 --> 01:52:04,630
hellacious headache

2713
01:52:07,530 --> 01:52:06,239

[Music]

2714

01:52:09,590 --> 01:52:07,540

it's suego sometimes

2715

01:52:12,709 --> 01:52:09,600

[Music]

2716

01:52:16,010 --> 01:52:12,719

you know you don't cure that toes toe

2717

01:52:16,910 --> 01:52:16,020

sucking maybe maybe but you you can't do

2718

01:52:19,490 --> 01:52:16,920

the soccer you have to have somebody

2719

01:52:23,090 --> 01:52:19,500

come over and work your toes so call

2720

01:52:26,350 --> 01:52:23,100

that David guy uh old wives tale I call

2721

01:52:30,649 --> 01:52:26,360

him up and say I got a migraine

2722

01:52:34,850 --> 01:52:32,750

well thank everyone for hanging out uh

2723

01:52:38,030 --> 01:52:34,860

for the live show I know there are some

2724

01:52:41,090 --> 01:52:38,040

issues so I will upload the uh the video

2725

01:52:43,550 --> 01:52:41,100

to YouTube you guys can watch it there

2726

01:52:45,410 --> 01:52:43,560

it'll be over an odyssey as well we're

2727

01:52:47,450 --> 01:52:45,420

considering doing more stuff on Rumble

2728

01:52:50,149 --> 01:52:47,460

we have to come to some sort of

2729

01:52:52,250 --> 01:52:50,159

consensus on what that will be is Rubble

2730

01:52:56,030 --> 01:52:52,260

the one that wants exclusive content

2731

01:52:58,850 --> 01:52:56,040

they desire exclusive content yeah

2732

01:53:01,490 --> 01:52:58,860

they like it but they can live elsewhere

2733

01:53:03,169 --> 01:53:01,500

I mean we'll have to figure that out I

2734

01:53:04,729 --> 01:53:03,179

just don't like the the rubble interface

2735

01:53:06,290 --> 01:53:04,739

I don't like the way it feels but I

2736

01:53:08,629 --> 01:53:06,300

heard it's gotten better

2737

01:53:10,250 --> 01:53:08,639

so we will we will try uh Rumble at some

2738

01:53:12,229 --> 01:53:10,260

point in time in the near future because

2739

01:53:13,970 --> 01:53:12,239

maybe uh

2740

01:53:14,990 --> 01:53:13,980

twitch doesn't like us anymore but I

2741

01:53:17,450 --> 01:53:15,000

don't think the infrastructure at

2742

01:53:21,890 --> 01:53:17,460

rumbles any better for streaming but we

2743

01:53:29,600 --> 01:53:24,169

got right

2744

01:53:42,290 --> 01:53:38,030

[Music]

2745

01:53:44,810 --> 01:53:42,300

keep watching the skis for those toes

2746

01:53:47,709 --> 01:53:44,820

coming terminate us immediately look at

2747

01:53:52,669 --> 01:53:51,109

I didn't want to take a shower with you

2748

01:53:54,109 --> 01:53:52,679

right away I need to have your back you

2749

01:53:57,290 --> 01:53:54,119

can basically be in the shower and then

2750

01:54:03,250 --> 01:53:57,300

I would start to massage your boob

2751

01:54:11,640 --> 01:54:07,270

I hate this plane that's about

2752

01:54:13,390 --> 01:54:11,650

allagu sit ubu sit good dog

2753

01:54:17,410 --> 01:54:13,400

[Music]

2754

01:54:20,990 --> 01:54:17,420

we're done no that show is over
