5  
00:00:18,050 --> 00:00:15,960  
but I just sticking twisted

[Music]

7

00:01:10,310 --> 00:01:05,149  
hey everyone welcome back to another fun

11  
00:01:13,730 --> 00:01:10,320  
film podcast Adventure hooray

12  
00:01:15,530 --> 00:01:13,740  
my name is midnight Mike and Gretch it

13  
00:01:19,010 --> 00:01:15,540

is over there

14

00:01:22,670 --> 00:01:19,020

these glasses are built these glasses

15

00:01:24,649 --> 00:01:22,680

are making me thirsty I have I have two

16

00:01:27,890 --> 00:01:24,659

Seinfeld adjacent stories later tonight

17

00:01:30,050 --> 00:01:27,900

oh fantastic I love Seinfeld

18

00:01:32,510 --> 00:01:30,060

I just started uh re-watching it because

19

00:01:33,530 --> 00:01:32,520

why not there's really nothing else to

20

00:01:37,190 --> 00:01:33,540

watch

21

00:01:39,770 --> 00:01:37,200

stuff you've seen before a lot of new

22

00:01:42,469 --> 00:01:39,780

stuff is not that good I try I try to

23

00:01:44,770 --> 00:01:42,479

watch a lot of new stuff and it's it's

24

00:01:47,510 --> 00:01:44,780

passable when you want to just kind of

25

00:01:49,130 --> 00:01:47,520

uh fill up your brain with a lot of

26  
00:01:51,050 --> 00:01:49,140  
useless nonsense there's plenty of that

27  
00:01:56,510 --> 00:01:51,060  
out there but when it comes to good

28  
00:01:58,069 --> 00:01:56,520  
shows in my opinion few and far between

29  
00:02:02,030 --> 00:01:58,079  
that's a good show few and far between

30  
00:02:05,149 --> 00:02:02,040  
us yeah check it out it's on Amazon

31  
00:02:08,330 --> 00:02:05,159  
uh our uh our good friend and Buddy Joe

32  
00:02:14,510 --> 00:02:11,750  
he is uh he's not here he did uh he did

33  
00:02:16,850 --> 00:02:14,520  
send he left this message for us uh so

34  
00:02:18,949 --> 00:02:16,860  
here it is hi this is Joe from the our

35  
00:02:21,410 --> 00:02:18,959  
big dumb mouth podcast as everyone knows

36  
00:02:22,790 --> 00:02:21,420  
my foot is broke I asked Mike and cretch

37  
00:02:25,490 --> 00:02:22,800  
Ed to break my foot so I could go

38  
00:02:27,949 --> 00:02:25,500

undercover very deep cover so I could

39

00:02:30,650 --> 00:02:27,959

expose the tyranny of Podiatry also

40

00:02:32,449 --> 00:02:30,660

known as Bigfoot to all my POG Champs

41

00:02:34,430 --> 00:02:32,459

and piss babies I want you to know I am

42

00:02:36,830 --> 00:02:34,440

working hard to be the mommy Dom gamer

43

00:02:38,809 --> 00:02:36,840

girl you all know and love I am sorry

44

00:02:42,350 --> 00:02:38,819

pilled shab lagoo

45

00:02:43,910 --> 00:02:42,360

so there you go quite a statement it's

46

00:02:47,410 --> 00:02:43,920

almost hard to believe

47

00:02:50,390 --> 00:02:47,420

but uh that that's Joe right there

48

00:02:53,690 --> 00:02:50,400

and he's not going to be joining us for

49

00:02:55,850 --> 00:02:53,700

a few shows uh yeah that's the

50

00:03:00,050 --> 00:02:55,860

that's the like obviously for anybody

51  
00:03:01,790 --> 00:03:00,060  
doesn't know uh that was Al Joe oh well

52  
00:03:03,050 --> 00:03:01,800  
I thought it was uh

53  
00:03:07,190 --> 00:03:03,060  
um

54  
00:03:10,490 --> 00:03:07,200  
uh poor quality uh just monotone Joe

55  
00:03:13,309 --> 00:03:10,500  
over over modulated uh microphone Joe

56  
00:03:19,089 --> 00:03:13,319  
that's Al Joe not GI Joe don't confuse

57  
00:03:24,830 --> 00:03:22,250  
good question uh call in and let us know

58  
00:03:29,990 --> 00:03:28,250  
uh Joe is uh stepping back from the

59  
00:03:31,670 --> 00:03:30,000  
podcast for a few shows maybe a few

60  
00:03:34,430 --> 00:03:31,680  
weeks he's got a lot of things going on

61  
00:03:36,050 --> 00:03:34,440  
in his life he uh he broke his foot as

62  
00:03:37,490 --> 00:03:36,060  
people may have recalled from the last

63  
00:03:41,270 --> 00:03:37,500

podcast

64

00:03:42,649 --> 00:03:41,280

and uh he went to the doctor and uh they

65

00:03:45,649 --> 00:03:42,659

told him it's you know probably a little

66

00:03:47,630 --> 00:03:45,659

bit worse than what's going on and I

67

00:03:49,670 --> 00:03:47,640

think you know he's he's got his uh his

68

00:03:53,030 --> 00:03:49,680

husband is finally there with him after

69

00:03:55,729 --> 00:03:53,040

years like four years of being apart

70

00:03:57,289 --> 00:03:55,739

uh they're essentially newlyweds at this

71

00:03:59,570 --> 00:03:57,299

point and they get to be around each

72

00:04:01,130 --> 00:03:59,580

other and so God bless them like I want

73

00:04:02,869 --> 00:04:01,140

them both to be happy take some time off

74

00:04:06,410 --> 00:04:02,879

the show is going to be here for Joe

75

00:04:08,869 --> 00:04:06,420

whenever he wants to come back uh and uh

76

00:04:10,490 --> 00:04:08,879

let's we're not going anywhere Joe take

77

00:04:12,649 --> 00:04:10,500

some time off we'll be here we'll hold

78

00:04:15,770 --> 00:04:12,659

down the fort we'll try to cover some

79

00:04:18,229 --> 00:04:15,780

Joe kind of news but we never know what

80

00:04:20,810 --> 00:04:18,239

he has up his sleeve but uh yeah that's

81

00:04:23,510 --> 00:04:20,820

a joke he'll be away for a few weeks

82

00:04:25,010 --> 00:04:23,520

right I can only or let me rephrase I

83

00:04:27,830 --> 00:04:25,020

like to think that he didn't just break

84

00:04:30,770 --> 00:04:27,840

his foot in some sort of uh mundane way

85

00:04:33,290 --> 00:04:30,780

but he broke his foot off on somebody

86

00:04:35,270 --> 00:04:33,300

yeah maybe he gets it he gets uh pretty

87

00:04:37,550 --> 00:04:35,280

angry out there on the street

88

00:04:40,310 --> 00:04:37,560

he gets uh he gets into a lot of

89

00:04:43,850 --> 00:04:40,320

Confrontation Joe on the streets

90

00:04:47,030 --> 00:04:43,860

he's a on the streets with Al Joe

91

00:04:51,770 --> 00:04:47,040

you know it's uh with the three of us we

92

00:04:55,610 --> 00:04:51,780

have the uh the mind the heart and the

93

00:04:58,189 --> 00:04:55,620

soul and I think Joe

94

00:04:59,689 --> 00:04:58,199

on either mine damn it yeah I think

95

00:05:02,629 --> 00:04:59,699

that's pretty obvious Joe's the heart

96

00:05:04,070 --> 00:05:02,639

he's got the the Fiery Heart he's oh

97

00:05:07,490 --> 00:05:04,080

he's the useless guy from Captain Planet

98

00:05:10,310 --> 00:05:07,500

uh uh is that right is that yeah it was

99

00:05:12,710 --> 00:05:10,320

fire air wind water and leftovers no I'm

100

00:05:14,450 --> 00:05:12,720

the soul of a podcast everyone knows I

101

00:05:16,430 --> 00:05:14,460

am the soul okay

102

00:05:18,830 --> 00:05:16,440

so right now it's just the mind and the

103

00:05:21,890 --> 00:05:18,840

Soul here in the podcast if we do have

104

00:05:23,510 --> 00:05:21,900

uh guest hosts come in or like a third

105

00:05:25,969 --> 00:05:23,520

person hopefully it might be someone

106

00:05:28,909 --> 00:05:25,979

like Charlie uh of macro aggressions

107

00:05:30,170 --> 00:05:28,919

we'll we'll see uh only Premier guests

108

00:05:34,070 --> 00:05:30,180

is what I'm talking about I want

109

00:05:36,290 --> 00:05:34,080

Premiere top tier talent in order to uh

110

00:05:38,270 --> 00:05:36,300

take the reins over from Joe we don't

111

00:05:40,790 --> 00:05:38,280

know if that's possible and by top tier

112

00:05:42,469 --> 00:05:40,800

Talent you mean well spoken well thought

113

00:05:44,689 --> 00:05:42,479

out podcasters not

114

00:05:47,390 --> 00:05:44,699

like evening entertainment from the

115

00:05:50,689 --> 00:05:47,400

ladies uh yeah that's correct that's

116

00:05:53,090 --> 00:05:50,699

what I mean to be more specific yes

117

00:05:55,010 --> 00:05:53,100

declaration so no one's gotten any crazy

118

00:05:58,010 --> 00:05:55,020

ideas

119

00:06:00,290 --> 00:05:58,020

but it is uh Wednesday we gotta go over

120

00:06:04,070 --> 00:06:00,300

there and see what uh what's going on

121

00:06:07,610 --> 00:06:06,110

all right here we go this is Alex Jones

122

00:06:11,210 --> 00:06:07,620

clips of the week

123

00:06:15,909 --> 00:06:11,220

we are we're going all the way back I

124

00:06:18,710 --> 00:06:15,919

believe to Thursday the 18th here we go

125

00:06:20,990 --> 00:06:18,720

oh the Jews run it all they take little

126  
00:06:23,270 --> 00:06:21,000  
girls forearms and their muscles out of

127  
00:06:25,129 --> 00:06:23,280  
their thighs and build fake penises that

128  
00:06:26,510 --> 00:06:25,139  
almost always rot off and fall off in a

129  
00:06:28,909 --> 00:06:26,520  
few months looks like something about a

130  
00:06:31,070 --> 00:06:28,919  
Hellraiser we are in the Second Great

131  
00:06:34,010 --> 00:06:31,080  
Holocaust that makes what Hitler did

132  
00:06:35,870 --> 00:06:34,020  
look like an unorganized field trip of

133  
00:06:38,270 --> 00:06:35,880  
five-year-olds running around with a

134  
00:06:41,770 --> 00:06:38,280  
bunch of spasmodic grab ashing we're

135  
00:06:48,050 --> 00:06:44,930  
that thing about the arms is that true

136  
00:06:50,330 --> 00:06:48,060  
I don't know well he said it and uh

137  
00:06:51,770 --> 00:06:50,340  
that's something that's I have never

138  
00:06:53,330 --> 00:06:51,780

heard that and I don't want to look it

139

00:06:55,249 --> 00:06:53,340

up to find out if that's true or not no

140

00:06:57,170 --> 00:06:55,259

you're gonna you get flagged disgusting

141

00:06:59,629 --> 00:06:57,180

you'll get flagged looking up stuff like

142

00:07:01,909 --> 00:06:59,639

that uh

143

00:07:04,570 --> 00:07:01,919

what are you doing over there little

144

00:07:07,129 --> 00:07:04,580

girl our penis

145

00:07:09,710 --> 00:07:07,139

uh yeah they do some weird stuff there's

146

00:07:11,560 --> 00:07:09,720

no doubt medical technology is so crazy

147

00:07:15,469 --> 00:07:11,570

and awesome isn't it

148

00:07:16,790 --> 00:07:15,479

[Applause]

149

00:07:21,110 --> 00:07:16,800

it's like

150

00:07:23,510 --> 00:07:21,120

uh Owen uh Owen Shroyer Shroyer was

151  
00:07:25,969 --> 00:07:23,520  
hosting a Wednesday through Friday I

152  
00:07:27,230 --> 00:07:25,979  
think Alex was out on assignment out on

153  
00:07:28,969 --> 00:07:27,240  
vacation he's probably hanging out with

154  
00:07:30,950 --> 00:07:28,979  
Joe they're both both in Austin for

155  
00:07:32,629 --> 00:07:30,960  
right now I guess down there picking

156  
00:07:39,350 --> 00:07:32,639  
fights with people probably

157  
00:07:44,689 --> 00:07:42,770  
our steadfast producer uh put these

158  
00:07:46,249 --> 00:07:44,699  
little things together I mean I mean

159  
00:07:48,529 --> 00:07:46,259  
this is horrible it's all happening

160  
00:07:50,570 --> 00:07:48,539  
these people are eugenesis they're

161  
00:07:52,490 --> 00:07:50,580  
poisoning our water as the microchip

162  
00:07:55,189 --> 00:07:52,500  
comes in as the thumb scanners go in the

163  
00:07:56,390 --> 00:07:55,199

grocery stores it's all happening uh as

164

00:07:58,550 --> 00:07:56,400

the troops March around in black

165

00:08:01,730 --> 00:07:58,560

uniforms they're going oh it's at the

166

00:08:03,529 --> 00:08:01,740

lower defied out cabins

167

00:08:05,330 --> 00:08:03,539

they create the crisis and then they

168

00:08:06,710 --> 00:08:05,340

offer the world banking solution where

169

00:08:08,270 --> 00:08:06,720

you buy your Greenhouse credits from

170

00:08:10,850 --> 00:08:08,280

them it's all happening

171

00:08:12,409 --> 00:08:10,860

some good uh all happening classic all

172

00:08:13,969 --> 00:08:12,419

happenings there yeah those are older

173

00:08:15,710 --> 00:08:13,979

Clips run that one in the middle again

174

00:08:16,969 --> 00:08:15,720

you know where you just I don't know

175

00:08:19,309 --> 00:08:16,979

what the hell he said there but it

176

00:08:21,529 --> 00:08:19,319

tickled me so maybe he included it in

177

00:08:24,110 --> 00:08:21,539

this 45 second all happening clip we'll

178

00:08:26,390 --> 00:08:24,120

see the work brigades the tattletail

179

00:08:28,369 --> 00:08:26,400

squads it is all happening gun control

180

00:08:30,110 --> 00:08:28,379

efforts on the horizon massive bills

181

00:08:32,389 --> 00:08:30,120

hitting it's all happening I'm not

182

00:08:34,250 --> 00:08:32,399

turning my semi-autos in I'm not going

183

00:08:36,290 --> 00:08:34,260

and being thumb printed and face printed

184

00:08:38,149 --> 00:08:36,300

and registered to own guns it's all

185

00:08:40,130 --> 00:08:38,159

there it's all happening it's all

186

00:08:42,110 --> 00:08:40,140

happening the bankers have unlimited

187

00:08:43,790 --> 00:08:42,120

money our tax money they're getting rid

188

00:08:44,810 --> 00:08:43,800

of the dollar bringing in a marrow and

189

00:08:46,670 --> 00:08:44,820

creating a North American Union

190

00:08:48,889 --> 00:08:46,680

everything we told you is now admitted

191

00:08:50,810 --> 00:08:48,899

it's all happening they're making their

192

00:08:53,630 --> 00:08:50,820

move it's all happening they're coming

193

00:08:55,870 --> 00:08:53,640

with Armed Force against us a global

194

00:08:58,490 --> 00:08:55,880

bank will pay carbon taxes too I mean

195

00:09:00,050 --> 00:08:58,500

it's all happening now it's all

196

00:09:02,810 --> 00:09:00,060

introduced it's all happening right now

197

00:09:04,130 --> 00:09:02,820

because it's all happening FEMA camps

198

00:09:05,930 --> 00:09:04,140

but they're telling us it's for your own

199

00:09:07,550 --> 00:09:05,940

good it's for the illegal aliens it's

200

00:09:08,870 --> 00:09:07,560

for emergencies

201  
00:09:11,329 --> 00:09:08,880  
oh

202  
00:09:13,009 --> 00:09:11,339  
some all happening montages I did uh

203  
00:09:14,810 --> 00:09:13,019  
here's the middle one that you were

204  
00:09:17,570 --> 00:09:14,820  
talking about here but it comes in as

205  
00:09:20,509 --> 00:09:19,070  
thumpening

206  
00:09:22,310 --> 00:09:20,519  
let's marched around in black uniforms

207  
00:09:25,490 --> 00:09:22,320  
they're going oh it's at the lower

208  
00:09:27,470 --> 00:09:25,500  
defied out Kevin

209  
00:09:29,870 --> 00:09:27,480  
they create the Christ this is this is

210  
00:09:32,090 --> 00:09:29,880  
his Southern voice that's his Southern

211  
00:09:34,070 --> 00:09:32,100  
Voice that he oh it's the Lord to fight

212  
00:09:36,470 --> 00:09:34,080  
Al Qaeda is that what he was saying yeah

213  
00:09:39,050 --> 00:09:36,480

he he does that he does like a weird

214

00:09:42,769 --> 00:09:39,060

Southern Voice sometimes

215

00:09:45,829 --> 00:09:42,779

like uh he he does this voice right here

216

00:09:48,290 --> 00:09:45,839

you can play oh praise God the Rapture

217

00:09:49,970 --> 00:09:48,300

is around the corner he does he does it

218

00:09:52,910 --> 00:09:49,980

it's the same guy he's the same

219

00:09:55,910 --> 00:09:52,920

character that he does yeah

220

00:09:58,790 --> 00:09:55,920

uh he also gets also got this little

221

00:10:00,410 --> 00:09:58,800

clip of uh a Skype interaction with Alex

222

00:10:01,670 --> 00:10:00,420

Johnson I'm gonna put you on hold and

223

00:10:03,650 --> 00:10:01,680

come back to you in five minutes your

224

00:10:05,509 --> 00:10:03,660

Skype phone or whatever it is your

225

00:10:07,190 --> 00:10:05,519

Vonage phone is totally breaking up your

226

00:10:08,570 --> 00:10:07,200

points are excellent but your skype's

227

00:10:09,710 --> 00:10:08,580

breaking up I'm Gonna Let You Go you can

228

00:10:11,449 --> 00:10:09,720

call me back later if you get a good

229

00:10:13,550 --> 00:10:11,459

line I bet he's forgotten we've even got

230

00:10:16,490 --> 00:10:13,560

Skype as an emergency backup are you

231

00:10:18,650 --> 00:10:16,500

calling on a Skype phone

232

00:10:21,050 --> 00:10:18,660

your Vonage phone

233

00:10:23,090 --> 00:10:21,060

is your Skype or Vonage phone is not

234

00:10:24,170 --> 00:10:23,100

working we got to get Alex to lean into

235

00:10:27,290 --> 00:10:24,180

and start complaining about people's

236

00:10:29,449 --> 00:10:27,300

shoe phones yes well uh someone's gonna

237

00:10:31,790 --> 00:10:29,459

have to call in I'll have to call in say

238

00:10:35,030 --> 00:10:31,800

I'm calling in Alex from my shoe phone

239

00:10:37,790 --> 00:10:35,040

my Maxwell Smart shoe phone

240

00:10:39,110 --> 00:10:37,800

how does it sound am I coming in crystal

241

00:10:42,470 --> 00:10:39,120

clear

242

00:10:43,730 --> 00:10:42,480

hold on let me remove the insole

243

00:10:45,470 --> 00:10:43,740

that's where all the good smells are

244

00:10:46,850 --> 00:10:45,480

yeah

245

00:10:48,230 --> 00:10:46,860

well there you go there's Alex Jones

246

00:10:51,170 --> 00:10:48,240

clips of the week hopefully he'll be

247

00:10:52,940 --> 00:10:51,180

back in a big way uh coming tomorrow and

248

00:10:58,190 --> 00:10:52,950

possibly next week

249

00:11:03,710 --> 00:11:00,470

all right well uh we're here to talk

250

00:11:06,110 --> 00:11:03,720

about some news I have just a a bunch of

251  
00:11:08,930 --> 00:11:06,120  
headlines that I want people to be aware

252  
00:11:13,210 --> 00:11:08,940  
of a lot of a lot of news a hodgepodge

253  
00:11:17,269 --> 00:11:13,220  
of a world news entertainment paranormal

254  
00:11:19,730 --> 00:11:17,279  
uh just weird stuff so uh let's make it

255  
00:11:22,850 --> 00:11:19,740  
happen let's transition over there come

256  
00:11:22,860 --> 00:11:26,090  
there we go

257  
00:11:29,569 --> 00:11:27,650  
at the end

258  
00:11:31,290 --> 00:11:29,579  
there we go let's continue doing that

259  
00:11:36,410 --> 00:11:31,300  
again just just for sure to enjoy it

260  
00:11:36,420 --> 00:11:41,389  
the little drum machine Coda cracks me

261  
00:11:46,670 --> 00:11:43,009  
all right the the first one this has

262  
00:11:49,970 --> 00:11:46,680  
been going around in the UFO circles I

263  
00:11:52,730 --> 00:11:49,980

run in a lot of UFO circles online you

264

00:11:54,949 --> 00:11:52,740

get dizzy uh occasionally they do talk

265

00:11:56,810 --> 00:11:54,959

in circles quite a bit

266

00:11:58,550 --> 00:11:56,820

but I'll bring this up on screen for

267

00:12:01,850 --> 00:11:58,560

everyone to look at with us

268

00:12:04,790 --> 00:12:01,860

and uh here's the headline here

269

00:12:07,190 --> 00:12:04,800

uh exclusive black half football field

270

00:12:09,590 --> 00:12:07,200

size triangular UFO he's seen hovering

271

00:12:11,870 --> 00:12:09,600

over California military base for 10

272

00:12:15,590 --> 00:12:11,880

minutes before Vanishing in dramatic

273

00:12:17,210 --> 00:12:15,600

footage taken by Marines in 2021. that's

274

00:12:19,970 --> 00:12:17,220

good news that was like the world's

275

00:12:22,430 --> 00:12:19,980

longest sentence it is a powerful

276

00:12:24,710 --> 00:12:22,440

headline a very powerful headline

277

00:12:25,970 --> 00:12:24,720

perfect headline I don't know it's not

278

00:12:27,410 --> 00:12:25,980

perfect there's too much stuff in there

279

00:12:28,910 --> 00:12:27,420

there's a lot they packed that headline

280

00:12:31,490 --> 00:12:28,920

full of everything

281

00:12:33,410 --> 00:12:31,500

all the keywords and the the half

282

00:12:36,490 --> 00:12:33,420

football field size how many Ryan

283

00:12:43,009 --> 00:12:38,930

what about half giraffes how many half

284

00:12:45,889 --> 00:12:43,019

giraffes uh I got to go to chat GPT

285

00:12:50,050 --> 00:12:45,899

how many leaks do a furlong uh

286

00:12:51,710 --> 00:12:50,060

how many Ryan

287

00:12:53,629 --> 00:12:51,720

Reynolds

288

00:12:57,370 --> 00:12:53,639

can't uh

289

00:12:59,230 --> 00:12:57,380

how many Ryan Reynolds

290

00:13:02,810 --> 00:12:59,240

in

291

00:13:07,069 --> 00:13:04,569

would fit

292

00:13:11,150 --> 00:13:07,079

in a half

293

00:13:13,129 --> 00:13:11,160

football field okay

294

00:13:15,410 --> 00:13:13,139

just gonna like report you yeah it's

295

00:13:16,970 --> 00:13:15,420

like you're you're in trouble now go to

296

00:13:18,290 --> 00:13:16,980

jail

297

00:13:19,790 --> 00:13:18,300

um I don't know what this guy's up to

298

00:13:20,350 --> 00:13:19,800

but I don't trust it

299

00:13:22,509 --> 00:13:20,360

um

300

00:13:25,190 --> 00:13:22,519

approximately

301  
00:13:28,009 --> 00:13:25,200  
24.35 Ryan Reynolds and lengths would

302  
00:13:29,810 --> 00:13:28,019  
fit in a half football field so it's the

303  
00:13:31,129 --> 00:13:29,820  
internet folks we've done it yeah that

304  
00:13:32,449 --> 00:13:31,139  
was the dish on that that's the world's

305  
00:13:35,269 --> 00:13:32,459  
longest answer for something that should

306  
00:13:36,650 --> 00:13:35,279  
just be like two numbers you can use

307  
00:13:38,389 --> 00:13:36,660  
that at your next job interview people

308  
00:13:40,790 --> 00:13:38,399  
pull that one out of your hat and

309  
00:13:43,310 --> 00:13:40,800  
they're gonna by the way I I do want to

310  
00:13:46,009 --> 00:13:43,320  
say I just I'm hiring some new new

311  
00:13:48,110 --> 00:13:46,019  
people at work and uh somebody wrote

312  
00:13:51,350 --> 00:13:48,120  
their cover letter with chat GPT is

313  
00:13:52,790 --> 00:13:51,360

glaringly obvious it is terrible so for

314

00:13:55,310 --> 00:13:52,800

anyone out there listening don't ever do

315

00:13:57,829 --> 00:13:55,320

that because that one went in the didn't

316

00:14:00,190 --> 00:13:57,839

call for a screening calling uh pile so

317

00:14:05,269 --> 00:14:03,110

yeah well hey you so right now my two

318

00:14:07,670 --> 00:14:05,279

rules you put your pronouns on on your

319

00:14:10,790 --> 00:14:07,680

resume or now now you write your cover

320

00:14:13,910 --> 00:14:10,800

letter at chat GPT toss it

321

00:14:17,150 --> 00:14:13,920

well a giant black triangular shaped UFO

322

00:14:18,769 --> 00:14:17,160

the size of 24 Ryan Reynolds in length

323

00:14:21,650 --> 00:14:18,779

there we go was hovering over California

324

00:14:24,170 --> 00:14:21,660

uh over a California military base and

325

00:14:28,610 --> 00:14:24,180

was caught on Six videos and witnessed

326

00:14:31,310 --> 00:14:28,620

by 50 U.S Marines in 2021. one stunning

327

00:14:36,110 --> 00:14:31,320

picture uh shot by Officer an officer at

328

00:14:39,710 --> 00:14:36,120

the camp whip Camp Wilson in 29 Palms on

329

00:14:42,350 --> 00:14:39,720

April 20th 2021 shows the Apparently

330

00:14:44,629 --> 00:14:42,360

triangular object with lights on its

331

00:14:46,009 --> 00:14:44,639

edges above the desert mountains where

332

00:14:48,470 --> 00:14:46,019

it hovered for about 10 minutes

333

00:14:51,650 --> 00:14:48,480

according to Witnesses and the video

334

00:14:54,290 --> 00:14:51,660

shows the lights of some of some of what

335

00:14:57,829 --> 00:14:54,300

the Marines believed was a craft hanging

336

00:15:01,550 --> 00:14:57,839

in the dark shot between 8 24 pm and 8

337

00:15:04,129 --> 00:15:01,560

30 p.m at 8 29 one video recording uh

338

00:15:06,350 --> 00:15:04,139

recorded uh troops shooting a flare into

339

00:15:07,310 --> 00:15:06,360

this guy in an attempt to illuminate the

340

00:15:10,250 --> 00:15:07,320

object

341

00:15:12,769 --> 00:15:10,260

which had five red lights however before

342

00:15:14,990 --> 00:15:12,779

they could fully illuminate the black

343

00:15:17,150 --> 00:15:15,000

triangular uh

344

00:15:19,250 --> 00:15:17,160

before it could illuminate the black

345

00:15:23,230 --> 00:15:19,260

triangle it vanished Without a Trace so

346

00:15:26,509 --> 00:15:23,240

up on screen here is the the still image

347

00:15:29,210 --> 00:15:26,519

and it's it's obviously grainy is zoomed

348

00:15:31,490 --> 00:15:29,220

in I'm sure it's taken from a video and

349

00:15:34,069 --> 00:15:31,500

what we're seeing is four red lights on

350

00:15:36,889 --> 00:15:34,079

one shot side of the triangle and then

351

00:15:38,629 --> 00:15:36,899

just uh two on the other side like the

352

00:15:40,550 --> 00:15:38,639

back side doesn't have any light shining

353

00:15:44,150 --> 00:15:40,560

down I wonder if this is what people saw

354

00:15:45,530 --> 00:15:44,160

over uh Phoenix Arizona uh over 20 years

355

00:15:49,970 --> 00:15:45,540

ago

356

00:15:52,610 --> 00:15:49,980

here's the close-up of it

357

00:15:55,670 --> 00:15:52,620

you can kind of see it uh very

358

00:15:57,650 --> 00:15:55,680

fascinating if the Marines were

359

00:16:00,170 --> 00:15:57,660

so we have to take Taste of face value

360

00:16:01,790 --> 00:16:00,180

let's just take this at face value the

361

00:16:04,910 --> 00:16:01,800

Marines what they're stating is true

362

00:16:06,230 --> 00:16:04,920

they were surprised this is uh not what

363

00:16:08,569 --> 00:16:06,240

they're expecting to see in the sky

364

00:16:10,670 --> 00:16:08,579

you'd imagine that if this was some sort

365

00:16:13,550 --> 00:16:10,680

of a military training exercise they

366

00:16:14,269 --> 00:16:13,560

would have maybe uh been made aware of

367

00:16:16,610 --> 00:16:14,279

it

368

00:16:19,129 --> 00:16:16,620

uh unless this was some sort of uh

369

00:16:21,290 --> 00:16:19,139

training done on them just to test their

370

00:16:23,030 --> 00:16:21,300

their reaction psychological response

371

00:16:26,569 --> 00:16:23,040

who knows

372

00:16:29,150 --> 00:16:26,579

uh and that very well could be

373

00:16:31,069 --> 00:16:29,160

and I see here so uh soon after the

374

00:16:32,870 --> 00:16:31,079

encounter Marines said dozens of trucks

375

00:16:35,269 --> 00:16:32,880

and multiple helicopters rushed to the

376

00:16:37,850 --> 00:16:35,279

area of the base with chapters flying

377

00:16:40,069 --> 00:16:37,860

overhead until around 11 30 p.m that

378

00:16:43,370 --> 00:16:40,079

night Witnesses estimated the

379

00:16:45,470 --> 00:16:43,380

unidentified object uh it's its size

380

00:16:49,129 --> 00:16:45,480

range from the size of a stealth bomber

381

00:16:50,449 --> 00:16:49,139

which has the wingspan of 172 feet to

382

00:16:53,650 --> 00:16:50,459

approximately half the length of a

383

00:16:56,870 --> 00:16:53,660

football field or 24 Ryan Reynolds

384

00:16:58,970 --> 00:16:56,880

uh journalist Jeremy Corbell and George

385

00:17:01,430 --> 00:16:58,980

Knapp acquired six pieces of film

386

00:17:03,410 --> 00:17:01,440

footage that was captured uh during the

387

00:17:05,510 --> 00:17:03,420

event from two angles as well as one

388

00:17:07,549 --> 00:17:05,520

accompanying uh one accompanying

389

00:17:10,130 --> 00:17:07,559

photograph which they released through

390

00:17:12,110 --> 00:17:10,140

their podcast weaponized

391

00:17:13,789 --> 00:17:12,120

so maybe I can fast forward through it

392

00:17:16,370 --> 00:17:13,799

all turn off the value so I'll get the

393

00:17:17,630 --> 00:17:16,380

needle a plate on their their podcast I

394

00:17:19,730 --> 00:17:17,640

do listen to her podcast they get some

395

00:17:22,250 --> 00:17:19,740

uh some interesting guests on there they

396

00:17:23,809 --> 00:17:22,260

had one of the uh guys from Kids in the

397

00:17:26,150 --> 00:17:23,819

Hall on their podcast is talking about

398

00:17:29,810 --> 00:17:26,160

UFOs and aliens what's his name Scott

399

00:17:32,210 --> 00:17:29,820

they're all named Scott no it was uh one

400

00:17:35,510 --> 00:17:32,220

of the guy who's on news radio

401  
00:17:37,789 --> 00:17:35,520  
Dave Foley maybe oh yeah Scott Scott

402  
00:17:40,310 --> 00:17:37,799  
Foley

403  
00:17:41,810 --> 00:17:40,320  
I'm so I'm scrubbing through this and

404  
00:17:43,430 --> 00:17:41,820  
I'm not sure if they're showing the

405  
00:17:46,310 --> 00:17:43,440  
video

406  
00:17:49,190 --> 00:17:46,320  
I mean come on guys like just play it

407  
00:17:53,870 --> 00:17:49,200  
non-stop here it is here's like one of

408  
00:17:58,490 --> 00:17:55,610  
where's where's the video I'm just

409  
00:18:00,529 --> 00:17:58,500  
looking at Jeremy Corbell talking

410  
00:18:03,409 --> 00:18:00,539  
oh here here's here's the video it's

411  
00:18:05,510 --> 00:18:03,419  
pretty grainy and it does it does appear

412  
00:18:07,250 --> 00:18:05,520  
as though the the lights are evenly

413  
00:18:10,430 --> 00:18:07,260

distributed

414

00:18:12,110 --> 00:18:10,440

uh I'm gonna say that this is most

415

00:18:14,870 --> 00:18:12,120

likely

416

00:18:16,669 --> 00:18:14,880

a United States

417

00:18:18,710 --> 00:18:16,679

piece of technology

418

00:18:20,150 --> 00:18:18,720

was it a project Aurora that's the uh

419

00:18:22,370 --> 00:18:20,160

big black triangle with the lights on it

420

00:18:26,630 --> 00:18:22,380

uh that's the rumor

421

00:18:28,909 --> 00:18:26,640

uh and uh I mean if this is uh maybe

422

00:18:31,250 --> 00:18:28,919

something similar to the one seen down

423

00:18:33,830 --> 00:18:31,260

in Arizona during the the the Phoenix

424

00:18:37,250 --> 00:18:33,840

light lights episode then this is old

425

00:18:39,350 --> 00:18:37,260

Tech this is old Tech

426  
00:18:40,549 --> 00:18:39,360  
and uh so it means good that this came

427  
00:18:44,570 --> 00:18:40,559  
out

428  
00:18:46,370 --> 00:18:44,580  
doesn't mean that it's aliens all it

429  
00:18:47,890 --> 00:18:46,380  
means is that we might have some pretty

430  
00:18:50,870 --> 00:18:47,900  
cool technology

431  
00:18:52,310 --> 00:18:50,880  
and uh that's it they're gonna release

432  
00:18:55,370 --> 00:18:52,320  
it here soon

433  
00:18:57,289 --> 00:18:55,380  
uh it goes on to say the incident has

434  
00:18:59,810 --> 00:18:57,299  
Echoes of the infamous Phoenix Lights

435  
00:19:01,250 --> 00:18:59,820  
case a well-known Mass sighting of a

436  
00:19:03,409 --> 00:19:01,260  
giant triangular shaped UFO that

437  
00:19:05,990 --> 00:19:03,419  
occurred over the City of Phoenix in

438  
00:19:10,930 --> 00:19:06,000

1997 with Witnesses including then

439

00:19:10,940 --> 00:19:16,310

it's Fifi that's the way

440

00:19:19,970 --> 00:19:17,870

are you telling me that that word's not

441

00:19:24,289 --> 00:19:19,980

Fifi life

442

00:19:31,970 --> 00:19:27,110

his name is Fifi correction this is no

443

00:19:36,049 --> 00:19:34,130

Governor Fifi

444

00:19:38,029 --> 00:19:36,059

witness that and he also came out and

445

00:19:40,070 --> 00:19:38,039

made fun of the whole entire incident so

446

00:19:41,870 --> 00:19:40,080

[h\_\_\h] him

447

00:19:43,549 --> 00:19:41,880

then he then he got back into his uh

448

00:19:46,370 --> 00:19:43,559

giant triangular spaceship the size of

449

00:19:52,270 --> 00:19:46,380

24 Ryan Reynolds and flew away yeah

450

00:19:55,970 --> 00:19:54,529

despite their military experience none

451  
00:19:59,570 --> 00:19:55,980  
of the Marines could recognize the craft

452  
00:20:03,169 --> 00:19:59,580  
and describe the reaction as baffled so

453  
00:20:04,909 --> 00:20:03,179  
uh very fascinating interesting so how

454  
00:20:06,830 --> 00:20:04,919  
did they they arrive at the it's half

455  
00:20:09,289 --> 00:20:06,840  
the size of a football field though I

456  
00:20:11,330 --> 00:20:09,299  
mean that's the the guesstimation that

457  
00:20:12,950 --> 00:20:11,340  
they have compared I mean assuming the

458  
00:20:15,529 --> 00:20:12,960  
footage and the photos were from their

459  
00:20:17,210 --> 00:20:15,539  
vantage point they were quite a distance

460  
00:20:21,350 --> 00:20:17,220  
away how do you how do you make that

461  
00:20:23,210 --> 00:20:21,360  
judgment I wonder is so they pretty much

462  
00:20:25,730 --> 00:20:23,220  
they could approximate their own

463  
00:20:28,549 --> 00:20:25,740

position to the mountains and if they

464

00:20:29,570 --> 00:20:28,559

have what maybe six different pieces of

465

00:20:31,970 --> 00:20:29,580

video

466

00:20:34,610 --> 00:20:31,980

maybe with the different angles they

467

00:20:36,169 --> 00:20:34,620

could maybe calculate a size

468

00:20:39,350 --> 00:20:36,179

is that something that we could do with

469

00:20:41,690 --> 00:20:39,360

chat GPT you're saying that they they

470

00:20:45,110 --> 00:20:41,700

started they saw this thing they quickly

471

00:20:46,909 --> 00:20:45,120

sent several of their of their group in

472

00:20:48,650 --> 00:20:46,919

in opposite directions at 90 degree

473

00:20:51,710 --> 00:20:48,660

angles so they could triangulate the

474

00:20:53,390 --> 00:20:51,720

approximate size and and Direction yeah

475

00:20:56,029 --> 00:20:53,400

very cool

476  
00:20:57,350 --> 00:20:56,039  
that's what I'm guessing uh I most

477  
00:20:58,430 --> 00:20:57,360  
likely they put up their thumb and they

478  
00:21:01,150 --> 00:20:58,440  
went

479  
00:21:04,130 --> 00:21:01,160  
that maybe they they

480  
00:21:05,330 --> 00:21:04,140  
you know they probably was tattooed a

481  
00:21:06,190 --> 00:21:05,340  
tiny picture of Ryan Reynolds and

482  
00:21:09,590 --> 00:21:06,200  
they're like

483  
00:21:12,289 --> 00:21:09,600  
24 Ryan Reynolds he's 24 of him

484  
00:21:14,270 --> 00:21:12,299  
well uh one of the uh the mortarmen who

485  
00:21:15,890 --> 00:21:14,280  
was there who filmed in photographed the

486  
00:21:18,529 --> 00:21:15,900  
object said if you look at the picture

487  
00:21:20,930 --> 00:21:18,539  
you can see a black triangle shape with

488  
00:21:22,370 --> 00:21:20,940

the picture I took with the black

489

00:21:25,010 --> 00:21:22,380

triangular shape underneath the lights

490

00:21:27,590 --> 00:21:25,020

it's definitely not any type of flare

491

00:21:29,149 --> 00:21:27,600

thing or illumination rounds because

492

00:21:32,270 --> 00:21:29,159

people are saying oh it's just military

493

00:21:33,890 --> 00:21:32,280

flares it's that kind of stuff but this

494

00:21:37,430 --> 00:21:33,900

guy's saying it wasn't that and they

495

00:21:39,110 --> 00:21:37,440

used that same excuse during the 1997

496

00:21:41,390 --> 00:21:39,120

Phoenix Lights they basically said it

497

00:21:44,149 --> 00:21:41,400

was military flares which was

498

00:21:47,090 --> 00:21:44,159

I BS that's what they came up with

499

00:21:49,010 --> 00:21:47,100

afterwards uh the witness said the

500

00:21:51,649 --> 00:21:49,020

apparent object remained stationary for

501  
00:21:53,330 --> 00:21:51,659  
approximately 10 minutes but a marine

502  
00:21:55,310 --> 00:21:53,340  
can be overheard on one of the videos

503  
00:21:58,490 --> 00:21:55,320  
saying that the triangle appeared to be

504  
00:22:00,950 --> 00:21:58,500  
in motion another another Marine who the

505  
00:22:03,350 --> 00:22:00,960  
Daily Mail daily dailymail.com is

506  
00:22:05,330 --> 00:22:03,360  
keeping Anonymous or serving as an

507  
00:22:07,190 --> 00:22:05,340  
artillery man at the base when he saw

508  
00:22:09,409 --> 00:22:07,200  
the UFO he firmly rejects any

509  
00:22:12,049 --> 00:22:09,419  
suggestions that the Delight could be

510  
00:22:14,149 --> 00:22:12,059  
attributed to illumination rounds fired

511  
00:22:17,690 --> 00:22:14,159  
by artillery or any type of mundane

512  
00:22:19,610 --> 00:22:17,700  
explanation he might have recognized

513  
00:22:21,649 --> 00:22:19,620

uh quote this is something none of us

514

00:22:23,630 --> 00:22:21,659

have ever seen before it was completely

515

00:22:25,070 --> 00:22:23,640

different uh it was it was a completely

516

00:22:27,770 --> 00:22:25,080

different color the size the

517

00:22:30,230 --> 00:22:27,780

illumination was different he said uh

518

00:22:32,750 --> 00:22:30,240

when we shoot illumination rounds it's

519

00:22:34,549 --> 00:22:32,760

one if you shoot them in the air and Let

520

00:22:37,850 --> 00:22:34,559

It Drop and then you shoot another one

521

00:22:43,370 --> 00:22:40,549

okay well

522

00:22:44,810 --> 00:22:43,380

okay I see what he's saying but I'm just

523

00:22:46,789 --> 00:22:44,820

gonna throw this one out there if

524

00:22:48,950 --> 00:22:46,799

standard practice is to shoot one let it

525

00:22:51,049 --> 00:22:48,960

illuminate the area as it burns out you

526

00:22:52,789 --> 00:22:51,059

shoot a second one what happens if you

527

00:22:54,950 --> 00:22:52,799

shot four at a time and you gotta have

528

00:22:56,630 --> 00:22:54,960

to you're gonna have to shoot you're

529

00:22:58,669 --> 00:22:56,640

gonna have to have like four things

530

00:23:01,130 --> 00:22:58,679

right there to shoot

531

00:23:04,310 --> 00:23:01,140

almost simultaneously in order to create

532

00:23:07,010 --> 00:23:04,320

a triangle shape in the air I mean

533

00:23:09,710 --> 00:23:07,020

that's some precision shooting and as we

534

00:23:11,330 --> 00:23:09,720

all know the Marines have only one piece

535

00:23:13,070 --> 00:23:11,340

of field got one that's all they they

536

00:23:14,570 --> 00:23:13,080

give them and they sent it over to

537

00:23:16,669 --> 00:23:14,580

Ukraine

538

00:23:18,830 --> 00:23:16,679

you guys probably need this well the

539

00:23:20,690 --> 00:23:18,840

military activity afterwards uh kind of

540

00:23:22,810 --> 00:23:20,700

underscores this is probably some sort

541

00:23:24,770 --> 00:23:22,820

of test flight another test flight

542

00:23:26,510 --> 00:23:24,780

I would agree with you that your

543

00:23:28,370 --> 00:23:26,520

assessment is correct that this was this

544

00:23:30,669 --> 00:23:28,380

is uh what was the year on this one a

545

00:23:32,570 --> 00:23:30,679

2021.

546

00:23:34,750 --> 00:23:32,580

what did they thought it was in the late

547

00:23:38,450 --> 00:23:34,760

90s all right well

548

00:23:40,430 --> 00:23:38,460

like 90 this is 2021 very recent um but

549

00:23:41,330 --> 00:23:40,440

this is this would be the exact sort of

550

00:23:43,430 --> 00:23:41,340

thing they would be doing as they're

551

00:23:45,529 --> 00:23:43,440

flying around some sort of of new test

552

00:23:47,930 --> 00:23:45,539

platform or something to you know test a

553

00:23:49,610 --> 00:23:47,940

new new set of new propulsion mechanism

554

00:23:51,289 --> 00:23:49,620

or a new Wing shape or whatever I mean

555

00:23:52,789 --> 00:23:51,299

go look at some of the crazy looking

556

00:23:54,950 --> 00:23:52,799

planes that have been developed I mean

557

00:23:56,570 --> 00:23:54,960

what's what was the the lifting body one

558

00:23:59,210 --> 00:23:56,580

that was um

559

00:24:00,590 --> 00:23:59,220

blue something rather anyway

560

00:24:04,250 --> 00:24:00,600

just crazy looking things that they're

561

00:24:06,169 --> 00:24:04,260

testing just parts of of uh aircraft

562

00:24:07,549 --> 00:24:06,179

designs and things or new engines or who

563

00:24:08,690 --> 00:24:07,559

knows what and so yeah see that thing

564

00:24:09,950 --> 00:24:08,700

flying around and look like it's

565

00:24:11,270 --> 00:24:09,960

hovering because of the perspective

566

00:24:13,549 --> 00:24:11,280

that's coming towards you or flying away

567

00:24:18,169 --> 00:24:13,559

or something like that yeah it's it's

568

00:24:21,409 --> 00:24:18,179

probably not alien I mean probably not

569

00:24:23,750 --> 00:24:21,419

I'm leaving the door open but

570

00:24:27,950 --> 00:24:23,760

um I'll move on to the the next article

571

00:24:32,930 --> 00:24:27,960

here and I'll ask you correct why seven

572

00:24:35,810 --> 00:24:32,940

oh why do you think aliens love America

573

00:24:37,730 --> 00:24:35,820

go to aliens love America yeah

574

00:24:40,310 --> 00:24:37,740

I had questions why do Americans love

575

00:24:41,890 --> 00:24:40,320

aliens and maybe that is the the better

576  
00:24:46,730 --> 00:24:41,900  
question well

577  
00:24:50,270 --> 00:24:46,740  
uh this is from studyfinds.org uh do a

578  
00:24:53,149 --> 00:24:50,280  
do uh do aliens love America 92 percent

579  
00:24:55,310 --> 00:24:53,159  
of UFO sightings take place in the

580  
00:24:57,590 --> 00:24:55,320  
United States wait wait wait wait wait

581  
00:24:59,810 --> 00:24:57,600  
wait wait we just covered a story a few

582  
00:25:01,430 --> 00:24:59,820  
weeks ago from some Tiny Town in

583  
00:25:04,250 --> 00:25:01,440  
Scotland you've never heard of Bonnie

584  
00:25:06,529 --> 00:25:04,260  
Bridge yeah that at that place the dude

585  
00:25:08,690 --> 00:25:06,539  
freaking made up that has the most

586  
00:25:10,970 --> 00:25:08,700  
sightings and most interactions with

587  
00:25:13,970 --> 00:25:10,980  
aliens ever of all time in the world

588  
00:25:17,090 --> 00:25:13,980

that's what they're claiming

589

00:25:19,490 --> 00:25:17,100

and yeah that Bonnie Bridge story uh

590

00:25:21,169 --> 00:25:19,500

Tony from the confessionals picked up on

591

00:25:23,450 --> 00:25:21,179

Bonnie bridge and I replied to him I was

592

00:25:25,490 --> 00:25:23,460

like you know we recovered this Bonnie

593

00:25:27,830 --> 00:25:25,500

Bridge story on the podcast we never

594

00:25:31,549 --> 00:25:27,840

heard of the darn place before the story

595

00:25:33,769 --> 00:25:31,559

and I still can't track exactly what is

596

00:25:37,250 --> 00:25:33,779

going on there or what makes it the most

597

00:25:40,430 --> 00:25:37,260

uh uh sensationalized UFO hotspot in the

598

00:25:42,409 --> 00:25:40,440

world I can't find all all the events

599

00:25:45,470 --> 00:25:42,419

it's very difficult netlists are

600

00:25:47,570 --> 00:25:45,480

encompassing a much larger area in

601  
00:25:49,730 --> 00:25:47,580  
attributing that to Bonnie bridge but it

602  
00:25:50,710 --> 00:25:49,740  
wasn't very clear but now according to

603  
00:25:53,690 --> 00:25:50,720  
this report

604  
00:25:56,690 --> 00:25:53,700  
92 percent of all UFO sightings take

605  
00:26:00,160 --> 00:25:56,700  
place in the United States USA number

606  
00:26:02,930 --> 00:26:00,170  
one they aliens love us big time

607  
00:26:04,610 --> 00:26:02,940  
[Applause]

608  
00:26:06,830 --> 00:26:04,620  
this comes from Louisville Kentucky for

609  
00:26:10,490 --> 00:26:06,840  
some reason but hey if aliens are real

610  
00:26:12,470 --> 00:26:10,500  
it's Louisville Louisville uh if aliens

611  
00:26:14,630 --> 00:26:12,480  
are real they must really like studying

612  
00:26:17,210 --> 00:26:14,640  
American culture a recent poll finds

613  
00:26:18,409 --> 00:26:17,220

that you uh the United States is the UFO

614

00:26:20,269 --> 00:26:18,419

hot spot

615

00:26:23,210 --> 00:26:20,279

the number one UFO Hospital in the

616

00:26:26,210 --> 00:26:23,220

entire world and it's not even close

617

00:26:31,690 --> 00:26:26,220

according to a survey commissioned by

618

00:26:39,409 --> 00:26:34,789

bonusfinder.com boner

619

00:26:41,630 --> 00:26:39,419

not boner finder bonus damn it a

620

00:26:43,549 --> 00:26:41,640

staggering 92 percent of all reported

621

00:26:45,590 --> 00:26:43,559

UFO sightings take place in the United

622

00:26:48,110 --> 00:26:45,600

States with a hundred and twenty six

623

00:26:50,690 --> 00:26:48,120

thousand reported sightings across all

624

00:26:52,970 --> 00:26:50,700

the states since record keeping began

625

00:26:56,169 --> 00:26:52,980

Americans uh neighbors uh to the north

626  
00:26:58,810 --> 00:26:56,179  
Canada comes in second with just uh 5

627  
00:27:01,610 --> 00:26:58,820  
696 sightings during the same period

628  
00:27:03,270 --> 00:27:01,620  
interestingly weak sauce it is that's uh

629  
00:27:04,630 --> 00:27:03,280  
that's hell alone

630  
00:27:07,390 --> 00:27:04,640  
[Music]

631  
00:27:10,430 --> 00:27:07,400  
interestingly alien spacecraft

632  
00:27:12,230 --> 00:27:10,440  
spacecraft uh like to stick around a

633  
00:27:14,149 --> 00:27:12,240  
little longer up North with UFO

634  
00:27:16,909 --> 00:27:14,159  
incidents in Canada lasting for over

635  
00:27:18,830 --> 00:27:16,919  
five hours per sighting so they can last

636  
00:27:21,730 --> 00:27:18,840  
longer up there okay oh they got they

637  
00:27:26,830 --> 00:27:21,740  
got the stamina and the United Kingdom

638  
00:27:32,510 --> 00:27:29,990

3146. does the United Kingdom is that

639

00:27:34,970 --> 00:27:32,520

Encompass that one Tiny Town ever heard

640

00:27:37,610 --> 00:27:34,980

of that has all the aliens

641

00:27:42,710 --> 00:27:37,620

maybe it's not clear here from

642

00:27:47,450 --> 00:27:45,769

they need to do a better poll

643

00:27:49,970 --> 00:27:47,460

you hear anything about bonus finders

644

00:27:52,190 --> 00:27:49,980

and polls boner

645

00:27:53,690 --> 00:27:52,200

uh no matter where people are seeing the

646

00:27:55,730 --> 00:27:53,700

strange objects in the sky the story is

647

00:27:58,610 --> 00:27:55,740

often the same the full finds most

648

00:28:02,690 --> 00:27:58,620

common UFO descriptions is of strangely

649

00:28:05,630 --> 00:28:02,700

shaped lights in the sky oh thank you

650

00:28:10,970 --> 00:28:08,269

uh let's see here

651  
00:28:12,590 --> 00:28:10,980  
um let's see UF USA Kennedy Germany is

652  
00:28:14,149 --> 00:28:12,600  
down to number four Ireland number five

653  
00:28:17,029 --> 00:28:14,159  
Netherlands number six Spain number

654  
00:28:20,110 --> 00:28:17,039  
seven France Portugal and Italy

655  
00:28:23,269 --> 00:28:20,120  
okay are these all like European focused

656  
00:28:25,850 --> 00:28:23,279  
I don't know but USA number one USA

657  
00:28:27,830 --> 00:28:25,860  
number one of course that's right

658  
00:28:31,450 --> 00:28:27,840  
well I think what this underscores here

659  
00:28:35,630 --> 00:28:31,460  
is that uh the U.S has a lot more

660  
00:28:37,730 --> 00:28:35,640  
interesting technology that is of uh

661  
00:28:39,289 --> 00:28:37,740  
people are attributing this interesting

662  
00:28:41,990 --> 00:28:39,299  
technology to

663  
00:28:43,909 --> 00:28:42,000

ETS and Aliens but really I mean it

664

00:28:46,789 --> 00:28:43,919

could be originated from that it could

665

00:28:49,130 --> 00:28:46,799

be seated from that but uh for the most

666

00:28:52,430 --> 00:28:49,140

part we're driving this stuff I think or

667

00:28:56,930 --> 00:28:53,930

could it also be that we have more

668

00:28:58,250 --> 00:28:56,940

people who tend to look up exactly

669

00:29:00,710 --> 00:28:58,260

I don't know it seems like our culture

670

00:29:03,110 --> 00:29:00,720

is constantly looking down at phones

671

00:29:06,350 --> 00:29:03,120

oh yeah good point you know I I it

672

00:29:09,830 --> 00:29:06,360

seemed like uh we are a culture that

673

00:29:12,350 --> 00:29:09,840

looks down a lot uh so I would I would

674

00:29:14,690 --> 00:29:12,360

have to say that uh these numbers are

675

00:29:16,490 --> 00:29:14,700

significant considering we're probably

676  
00:29:17,450 --> 00:29:16,500  
missing half the UFOs since we're

677  
00:29:18,649 --> 00:29:17,460  
looking down

678  
00:29:19,730 --> 00:29:18,659  
yeah what the hell look up people

679  
00:29:22,190 --> 00:29:19,740  
there's more

680  
00:29:24,769 --> 00:29:22,200  
uh uh in the United States California

681  
00:29:27,590 --> 00:29:24,779  
Tops list of UFO hospitals nationally

682  
00:29:30,889 --> 00:29:27,600  
since UFO record keeping began there

683  
00:29:33,830 --> 00:29:30,899  
have been 15 480 sightings reported

684  
00:29:36,590 --> 00:29:33,840  
across the state Florida has about 8 000

685  
00:29:38,930 --> 00:29:36,600  
Washington State about 7 000 Texas has

686  
00:29:40,970 --> 00:29:38,940  
about six thousand and New York state

687  
00:29:42,169 --> 00:29:40,980  
has 5.5

688  
00:29:44,090 --> 00:29:42,179

000.

689

00:29:45,409 --> 00:29:44,100

it's interesting on on the on the list

690

00:29:46,909 --> 00:29:45,419

of the states

691

00:29:48,230 --> 00:29:46,919

um just going by population you've got

692

00:29:49,730 --> 00:29:48,240

the states with the largest populations

693

00:29:54,230 --> 00:29:49,740

towards the top New York California

694

00:29:56,570 --> 00:29:54,240

Florida uh Texas Washington way up there

695

00:29:59,090 --> 00:29:56,580

but yet Washington's population uh

696

00:30:02,930 --> 00:29:59,100

comparatively is pretty low agreed but

697

00:30:05,649 --> 00:30:02,940

it's also I would say uh has more

698

00:30:08,510 --> 00:30:05,659

Bigfoot sightings per capita

699

00:30:10,190 --> 00:30:08,520

these are UFO reports from all the

700

00:30:13,190 --> 00:30:10,200

Sasquatches

701  
00:30:16,070 --> 00:30:13,200  
I would say uh California Northern

702  
00:30:19,010 --> 00:30:16,080  
California also a Bigfoot and UFO hot

703  
00:30:20,049 --> 00:30:19,020  
spot you have Mount Shasta up there uh

704  
00:30:25,850 --> 00:30:20,059  
Washington

705  
00:30:29,149 --> 00:30:25,860  
sightings a lot of Sasquatch sightings

706  
00:30:31,730 --> 00:30:29,159  
Florida uh you got the Gulf Breeze you

707  
00:30:35,630 --> 00:30:31,740  
have a lot of rocket launches over there

708  
00:30:37,909 --> 00:30:35,640  
a lot of uh uh space force NASA all that

709  
00:30:41,570 --> 00:30:37,919  
kind of stuff a lot of Technology Texas

710  
00:30:43,549 --> 00:30:41,580  
is uh the bit of a wild card here

711  
00:30:46,490 --> 00:30:43,559  
um no Texas big feet

712  
00:30:50,149 --> 00:30:46,500  
I want to say like I would say honestly

713  
00:30:52,370 --> 00:30:50,159

just spitballing here there are more

714

00:30:54,950 --> 00:30:52,380

sightings of Sasquatch in Washington

715

00:30:57,590 --> 00:30:54,960

state in one year than there are in

716

00:31:00,049 --> 00:30:57,600

Texas in five years I'm just spitballing

717

00:31:05,210 --> 00:31:00,059

there but New York State

718

00:31:07,130 --> 00:31:05,220

um a big hotbed hot spot for UFOs with a

719

00:31:09,529 --> 00:31:07,140

the Hudson Valley

720

00:31:12,710 --> 00:31:09,539

um so there are a lot of different

721

00:31:14,870 --> 00:31:12,720

reasons or hot spots in these areas so

722

00:31:17,149 --> 00:31:14,880

uh Pennsylvania finished sixth on the

723

00:31:20,090 --> 00:31:17,159

list but UFOs here tend to stick around

724

00:31:22,310 --> 00:31:20,100

longer than anywhere else in the country

725

00:31:24,769 --> 00:31:22,320

saying staying inside for on just under

726  
00:31:27,289 --> 00:31:24,779  
40 minutes well this is well documented

727  
00:31:29,750 --> 00:31:27,299  
in the book by Stan Gordon called uh

728  
00:31:31,149 --> 00:31:29,760  
silent invasion

729  
00:31:33,409 --> 00:31:31,159  
the Arizona

730  
00:31:35,750 --> 00:31:33,419  
suspiciously low on that list got to

731  
00:31:38,330 --> 00:31:35,760  
agree and you know there's a lot of uh

732  
00:31:40,610 --> 00:31:38,340  
open Skies down there in Arizona and the

733  
00:31:42,409 --> 00:31:40,620  
military bases so I

734  
00:31:44,510 --> 00:31:42,419  
hmm a lot of Marines down there talking

735  
00:31:48,409 --> 00:31:44,520  
about flares yeah

736  
00:31:50,990 --> 00:31:48,419  
so um I'm not trying to [h\_\_\h] on uh ETS

737  
00:31:54,350 --> 00:31:51,000  
and Aliens but I think majority of this

738  
00:31:57,590 --> 00:31:54,360

stuff is uh our Tech or operated by

739

00:32:00,310 --> 00:31:57,600

humans in some way uh could be parallel

740

00:32:03,649 --> 00:32:00,320

civilization could be split off

741

00:32:04,850 --> 00:32:03,659

Rogue groups of people but uh I think

742

00:32:07,730 --> 00:32:04,860

it's mostly our

743

00:32:09,590 --> 00:32:07,740

our operation

744

00:32:12,289 --> 00:32:09,600

and I think there are a lot of people in

745

00:32:15,710 --> 00:32:12,299

the UFO Community right now

746

00:32:18,110 --> 00:32:15,720

um people that have gone that were

747

00:32:22,490 --> 00:32:18,120

kind of apprehensive about getting

748

00:32:24,769 --> 00:32:22,500

involved like uh the Weinstein scientist

749

00:32:27,950 --> 00:32:24,779

guy who's on Joe Rogan

750

00:32:31,850 --> 00:32:27,960

I think he I think he's gone in

751  
00:32:35,210 --> 00:32:31,860  
to the UFO UAP world and then has come

752  
00:32:36,830 --> 00:32:35,220  
back around saying well this means this

753  
00:32:40,130 --> 00:32:36,840  
technology it very well just could be

754  
00:32:43,250 --> 00:32:40,140  
ours uh in in some ways so

755  
00:32:45,230 --> 00:32:43,260  
not get involved and maybe E.T alien and

756  
00:32:46,190 --> 00:32:45,240  
then circling back around to it's our

757  
00:32:48,830 --> 00:32:46,200  
Tech

758  
00:32:54,970 --> 00:32:48,840  
uh so a lot of different things here

759  
00:32:54,980 --> 00:32:59,149  
there we go

760  
00:33:08,090 --> 00:33:03,070  
well uh just because I want to diversify

761  
00:33:10,850 --> 00:33:08,100  
a little bit of uh of news and uh why

762  
00:33:13,789 --> 00:33:10,860  
not let's do a little entertainment news

763  
00:33:17,149 --> 00:33:13,799

here I'm gonna get out of the UFO stuff

764

00:33:20,289 --> 00:33:17,159

and get into a little entertainment news

765

00:33:27,710 --> 00:33:24,350

uh yeah bring this up on screen here we

766

00:33:31,930 --> 00:33:30,350

here we go Indiana Jones in the dial of

767

00:33:36,529 --> 00:33:31,940

Destiny review

768

00:33:38,870 --> 00:33:36,539

gloomy and depressing Final Act hi you

769

00:33:41,029 --> 00:33:38,880

want to go get a Coke or something see a

770

00:33:43,730 --> 00:33:41,039

movie oh God I don't want to play that

771

00:33:46,549 --> 00:33:43,740

that's awful

772

00:33:50,210 --> 00:33:46,559

that's an awful impersonation get in my

773

00:33:57,289 --> 00:33:53,930

uh the new Indiana Jones movie featuring

774

00:34:01,730 --> 00:33:57,299

Harrison Ford is uh slated to come out

775

00:34:05,690 --> 00:34:01,740

at the end of June and it's not getting

776

00:34:08,210 --> 00:34:05,700

very good reviews not at all

777

00:34:09,349 --> 00:34:08,220

well after the last one why did they go

778

00:34:12,829 --> 00:34:09,359

again

779

00:34:15,710 --> 00:34:12,839

money yeah because Disney now Disney now

780

00:34:16,730 --> 00:34:15,720

owns wait does Disney own all this

781

00:34:17,869 --> 00:34:16,740

you're right I didn't even think about

782

00:34:19,609 --> 00:34:17,879

that yeah

783

00:34:21,889 --> 00:34:19,619

Disney owns Indiana Jones oh yeah

784

00:34:25,190 --> 00:34:21,899

there's going to be 27 Indiana Jones

785

00:34:27,169 --> 00:34:25,200

related TV series coming up yeah they uh

786

00:34:29,270 --> 00:34:27,179

they will try to do everything they can

787

00:34:32,450 --> 00:34:29,280

to milk this is they're gonna milk

788

00:34:36,730 --> 00:34:32,460

Harrison Ford as long as they can but uh

789

00:34:39,770 --> 00:34:36,740

Harrison Ford and Phoebe Waller Bridge

790

00:34:42,290 --> 00:34:39,780

she is the co-star in this new uh

791

00:34:45,409 --> 00:34:42,300

Indiana Jones movie can't lift a film

792

00:34:48,169 --> 00:34:45,419

that is a depressing reminder of how

793

00:34:51,950 --> 00:34:48,179

much livelier his past Adventures were

794

00:34:53,950 --> 00:34:51,960

writes Nicholas Barber now a lot of they

795

00:34:56,930 --> 00:34:53,960

showed us that the Cannes Film Festival

796

00:34:59,470 --> 00:34:56,940

and the reviews that have come out have

797

00:35:03,290 --> 00:34:59,480

basically stated that Harrison Ford

798

00:35:04,849 --> 00:35:03,300

is an old inept

799

00:35:07,670 --> 00:35:04,859

scared

800

00:35:10,370 --> 00:35:07,680

like professor and archaeologist like

801  
00:35:12,349 --> 00:35:10,380  
he's cowering in the corner while the

802  
00:35:15,530 --> 00:35:12,359  
co-star the woman is basically taking

803  
00:35:17,569 --> 00:35:15,540  
over uh the Reigns she's stepping up and

804  
00:35:20,270 --> 00:35:17,579  
doing what this old

805  
00:35:22,910 --> 00:35:20,280  
funny dirty can no longer do

806  
00:35:25,670 --> 00:35:22,920  
and it lasts it just lacks all the magic

807  
00:35:27,470 --> 00:35:25,680  
and charm that you fell in love with

808  
00:35:29,690 --> 00:35:27,480  
with like the Last Crusade Temple of

809  
00:35:31,130 --> 00:35:29,700  
Doom Raiders of Lost Ark the guy just

810  
00:35:34,730 --> 00:35:31,140  
doesn't have it and you have to imagine

811  
00:35:37,730 --> 00:35:34,740  
they must be two something he's like

812  
00:35:39,829 --> 00:35:37,740  
yeah he's 80 maybe 82. they probably I'm

813  
00:35:43,790 --> 00:35:39,839

gonna guess that they probably paid

814

00:35:46,849 --> 00:35:43,800

Harrison Ford 50 million dollars to do

815

00:35:48,950 --> 00:35:46,859

this let's find out Anna Jones and the

816

00:35:52,250 --> 00:35:48,960

what's it called in the diaper of what

817

00:35:55,510 --> 00:35:52,260

in the diaper of Doom like roof Doom

818

00:35:58,870 --> 00:35:55,520

salaries the dial of Destiny I was close

819

00:36:01,970 --> 00:35:58,880

the movie is horse crap

820

00:36:05,810 --> 00:36:01,980

uh Indiana Jones is back and it's been

821

00:36:08,450 --> 00:36:05,820

34 years since the film that was

822

00:36:10,910 --> 00:36:08,460

supposed to be supposed to be his fair

823

00:36:12,050 --> 00:36:10,920

farewell outing that was the kingdom of

824

00:36:13,609 --> 00:36:12,060

the Crystal Skull which I really don't

825

00:36:16,430 --> 00:36:13,619

even count

826

00:36:18,770 --> 00:36:16,440

but it was 15 years in in real world

827

00:36:21,470 --> 00:36:18,780

years since that came out

828

00:36:23,210 --> 00:36:21,480

and I mean that was okay it was like

829

00:36:24,829 --> 00:36:23,220

there's like a lot of hokey stuff in

830

00:36:27,829 --> 00:36:24,839

there but this is just not getting good

831

00:36:29,810 --> 00:36:27,839

reviews and this is making Disney really

832

00:36:32,170 --> 00:36:29,820

nervous apparently they spent so much

833

00:36:35,690 --> 00:36:32,180

money on this movie in a neighborhood of

834

00:36:39,109 --> 00:36:35,700

300 million dollars to where if this new

835

00:36:43,550 --> 00:36:39,119

movie does not make a billion dollars it

836

00:36:47,630 --> 00:36:46,130

they need a billion dollars to almost

837

00:36:49,790 --> 00:36:47,640

kind of like make a little bit of money

838

00:36:52,910 --> 00:36:49,800

on this okay even

839

00:36:54,109 --> 00:36:52,920

because they gotta not only uh pay for

840

00:36:55,750 --> 00:36:54,119

the movie the budget but all the

841

00:37:00,410 --> 00:36:55,760

marketing everything that goes around it

842

00:37:05,450 --> 00:37:00,420

uh and it is not looking very good this

843

00:37:08,690 --> 00:37:07,670

so I I have the the number you mentioned

844

00:37:10,190 --> 00:37:08,700

as far as how much he's getting paid

845

00:37:13,790 --> 00:37:10,200

it's kind of surprising actually okay

846

00:37:16,430 --> 00:37:13,800

give it to me so for the previous one

847

00:37:19,550 --> 00:37:16,440

Indiana Jones and the waste of time or

848

00:37:21,530 --> 00:37:19,560

whatever the [h\_\_h] was called uh what was

849

00:37:23,210 --> 00:37:21,540

on Indiana Jones and the Dan aykroyd's

850

00:37:26,930 --> 00:37:23,220

Crystal Skull Vodka yes

851  
00:37:29,569 --> 00:37:26,940  
he got paid 65 million dollars holy crap

852  
00:37:34,730 --> 00:37:32,270  
for this most recent one he made only 25

853  
00:37:36,890 --> 00:37:34,740  
million oh he must have took some deal

854  
00:37:38,630 --> 00:37:36,900  
in the back end right and so they're

855  
00:37:40,730 --> 00:37:38,640  
saying it was a basically this this

856  
00:37:43,550 --> 00:37:40,740  
article suggests that that deal was

857  
00:37:45,290 --> 00:37:43,560  
struck in 2016 so it's taken seven years

858  
00:37:46,670 --> 00:37:45,300  
to get this far

859  
00:37:48,410 --> 00:37:46,680  
um and was the sort of deal that he'll

860  
00:37:53,329 --> 00:37:48,420  
get paid that money whether or not they

861  
00:37:59,150 --> 00:37:55,430  
well this is not good it uh basically

862  
00:38:00,829 --> 00:37:59,160  
got two stars and it's I mean Harrison

863  
00:38:02,390 --> 00:38:00,839

Ford doesn't need this crap he hates

864

00:38:03,770 --> 00:38:02,400

everything he does he doesn't want to be

865

00:38:06,230 --> 00:38:03,780

in Star Wars he doesn't want to be an

866

00:38:07,550 --> 00:38:06,240

Indiana Jones and he doesn't want to

867

00:38:09,050 --> 00:38:07,560

deal with any of this crap and they keep

868

00:38:10,609 --> 00:38:09,060

asking him to do this stuff but he

869

00:38:11,930 --> 00:38:10,619

doesn't have to do it like he takes the

870

00:38:14,030 --> 00:38:11,940

money

871

00:38:15,589 --> 00:38:14,040

um so it's kind of like his fault at

872

00:38:17,210 --> 00:38:15,599

this point

873

00:38:19,310 --> 00:38:17,220

but this is not good do you think

874

00:38:20,870 --> 00:38:19,320

because reportedly in that Star Wars

875

00:38:22,609 --> 00:38:20,880

movie he was in I can't remember the

876

00:38:24,829 --> 00:38:22,619

name of that one either

877

00:38:27,829 --> 00:38:24,839

um he was in the force awakens that one

878

00:38:29,390 --> 00:38:27,839

yes apparently the the and you know

879

00:38:30,770 --> 00:38:29,400

spoilers for anybody listening right now

880

00:38:33,109 --> 00:38:30,780

but apparently the the death of his

881

00:38:36,050 --> 00:38:33,119

character was one of his demands yes I'm

882

00:38:37,550 --> 00:38:36,060

just so I'm tired of all these Star Wars

883

00:38:39,290 --> 00:38:37,560

he wanted to kill off his character he

884

00:38:41,270 --> 00:38:39,300

apparently wanted to do that in Return

885

00:38:43,370 --> 00:38:41,280

of the Jedi every movie he asked for

886

00:38:45,530 --> 00:38:43,380

that yeah every movie just killed me

887

00:38:48,130 --> 00:38:45,540

please fugitive uh I make sure I die and

888

00:38:52,970 --> 00:38:51,230

was it regarding Henry yeah shoot me uh

889

00:38:54,890 --> 00:38:52,980

just take me out

890

00:38:55,490 --> 00:38:54,900

first scene anyway

891

00:38:58,069 --> 00:38:55,500

um

892

00:38:59,930 --> 00:38:58,079

uh

893

00:39:01,970 --> 00:38:59,940

but I'm wondering are they going to try

894

00:39:03,349 --> 00:39:01,980

to pull that in this one I've not heard

895

00:39:04,670 --> 00:39:03,359

that but I'm wondering are they going to

896

00:39:07,310 --> 00:39:04,680

try to

897

00:39:09,770 --> 00:39:07,320

I heard and his character yeah I think

898

00:39:11,810 --> 00:39:09,780

so I think that there is uh some way

899

00:39:14,870 --> 00:39:11,820

that they're going to let him Fade to to

900

00:39:17,510 --> 00:39:14,880

dust he's just gonna you know go away

901  
00:39:19,970 --> 00:39:17,520  
I'm just gonna it's like in uh he's just

902  
00:39:21,829 --> 00:39:19,980  
gonna slowly Dust in the Wind Dust in

903  
00:39:24,530 --> 00:39:21,839  
the Wind he's just gonna

904  
00:39:27,170 --> 00:39:24,540  
Go off into the sunset and that's it

905  
00:39:29,390 --> 00:39:27,180  
I mean I'll be honest as a big Indiana

906  
00:39:30,770 --> 00:39:29,400  
Jones fan of of course the first three

907  
00:39:31,490 --> 00:39:30,780  
who was growing up like you did with

908  
00:39:34,130 --> 00:39:31,500  
them

909  
00:39:35,630 --> 00:39:34,140  
uh the fourth one was just not great and

910  
00:39:37,550 --> 00:39:35,640  
does not hold up well

911  
00:39:39,530 --> 00:39:37,560  
and when I heard there was a fifth one

912  
00:39:43,250 --> 00:39:39,540  
coming out of like zero interest in this

913  
00:39:45,530 --> 00:39:43,260

yeah these movies sucks [\h\_\_\h] I agree

914

00:39:48,170 --> 00:39:45,540

yeah Sandler yeah it probably it

915

00:39:50,930 --> 00:39:48,180

probably will I probably also I probably

916

00:39:52,250 --> 00:39:50,940

will go see it and I'll get annoyed and

917

00:39:53,870 --> 00:39:52,260

leave halfway through probably that's

918

00:39:56,150 --> 00:39:53,880

what's gonna happen stuff get

919

00:39:57,410 --> 00:39:56,160

increasingly upset yeah

920

00:39:59,390 --> 00:39:57,420

I will

921

00:40:01,490 --> 00:39:59,400

it's a summer blockbuster I suppose they

922

00:40:05,150 --> 00:40:01,500

have to see it uh and while we're on

923

00:40:08,030 --> 00:40:05,160

movie news I'll just bring open uh

924

00:40:10,430 --> 00:40:08,040

this other one

925

00:40:12,710 --> 00:40:10,440

not that I care about this but this is

926

00:40:15,730 --> 00:40:12,720

basically like Disney news right here

927

00:40:18,950 --> 00:40:15,740

how and how Disney is just continually

928

00:40:20,870 --> 00:40:18,960

uh failing and this is a headline here

929

00:40:23,349 --> 00:40:20,880

The Little Mermaid box office is

930

00:40:26,210 --> 00:40:23,359

tracking low in China

931

00:40:29,630 --> 00:40:26,220

probably because of racism right China

932

00:40:32,089 --> 00:40:29,640

uh partially uh China does not like

933

00:40:35,270 --> 00:40:32,099

black people that much

934

00:40:38,089 --> 00:40:35,280

I that I just think that's

935

00:40:40,430 --> 00:40:38,099

I am I speaking out of turn there I just

936

00:40:43,310 --> 00:40:40,440

I just know when they had like the

937

00:40:45,589 --> 00:40:43,320

advertisements and the posters for uh

938

00:40:47,329 --> 00:40:45,599

the Star Wars movie it had Finn he's a

939

00:40:48,530 --> 00:40:47,339

black guy and when they remember when

940

00:40:50,930 --> 00:40:48,540

they had those posters over in China

941

00:40:53,270 --> 00:40:50,940

they kind of reduced his importance on

942

00:40:55,910 --> 00:40:53,280

the poster when they then they photoshop

943

00:40:58,069 --> 00:40:55,920

him out completely yeah and so in this

944

00:41:01,190 --> 00:40:58,079

newest Little Mermaid it's a live-action

945

00:41:04,010 --> 00:41:01,200

Recreation of the animated classic but

946

00:41:06,950 --> 00:41:04,020

they instead of having like a a white uh

947

00:41:09,050 --> 00:41:06,960

girl they have a a black girl uh

948

00:41:11,650 --> 00:41:09,060

primarily feature and there's like uh

949

00:41:14,270 --> 00:41:11,660

uh it's like a mostly like black cast

950

00:41:16,069 --> 00:41:14,280

and uh they thought this was gonna go

951  
00:41:18,349 --> 00:41:16,079  
over great in China apparently it's not

952  
00:41:20,690 --> 00:41:18,359  
going over great in China they don't

953  
00:41:23,569 --> 00:41:20,700  
like this kind of stuff China

954  
00:41:26,270 --> 00:41:23,579  
I have a comparison of the two uh

955  
00:41:26,930 --> 00:41:26,280  
posters in the US version just check it

956  
00:41:29,089 --> 00:41:26,940  
out

957  
00:41:33,530 --> 00:41:29,099  
uh

958  
00:41:36,650 --> 00:41:33,540  
they don't like black people he wasn't

959  
00:41:39,050 --> 00:41:36,660  
available that day [h\_\_\h] them

960  
00:41:41,630 --> 00:41:39,060  
Tilly Photoshop that

961  
00:41:45,109 --> 00:41:41,640  
quick take the take the photo uh they

962  
00:41:46,910 --> 00:41:45,119  
got rid of them my God and honestly out

963  
00:41:48,950 --> 00:41:46,920

of the movies are horse crap there's new

964

00:41:50,390 --> 00:41:48,960

ones but I actually like Finn the best I

965

00:41:52,190 --> 00:41:50,400

was gonna say I think he was one of the

966

00:41:53,750 --> 00:41:52,200

the good characters now he had the most

967

00:41:56,750 --> 00:41:53,760

interesting backstory

968

00:41:58,730 --> 00:41:56,760

he was the former former Stormtrooper

969

00:42:00,410 --> 00:41:58,740

yeah yeah okay you're the best stories

970

00:42:02,930 --> 00:42:00,420

and they did nothing with them

971

00:42:04,910 --> 00:42:02,940

uh but uh Disney is shooting their pants

972

00:42:07,730 --> 00:42:04,920

now because they're not tracking so well

973

00:42:10,069 --> 00:42:07,740

in China uh for uh for some time Disney

974

00:42:11,930 --> 00:42:10,079

films were seemingly barred from at

975

00:42:14,569 --> 00:42:11,940

least in China that is until the former

976

00:42:16,490 --> 00:42:14,579

CEO Bob Iger returned to the company for

977

00:42:17,810 --> 00:42:16,500

the past decade many Hollywood Studios

978

00:42:20,450 --> 00:42:17,820

have looked through the foreign box

979

00:42:23,690 --> 00:42:20,460

office as a guaranteed for guaranteed

980

00:42:26,270 --> 00:42:23,700

money with China being a big part

981

00:42:29,329 --> 00:42:26,280

uh but ever since the code 19 pandemic

982

00:42:31,250 --> 00:42:29,339

in 2020 China has seemingly ignored most

983

00:42:33,230 --> 00:42:31,260

major Western Productions in favor of

984

00:42:34,910 --> 00:42:33,240

homemade films and films from other

985

00:42:38,030 --> 00:42:34,920

Asian countries but that isn't stopping

986

00:42:39,470 --> 00:42:38,040

Disney from trying uh later this week uh

987

00:42:41,270 --> 00:42:39,480

the latest installment of their

988

00:42:44,630 --> 00:42:41,280

live-action remakes The Little Mermaid

989

00:42:46,550 --> 00:42:44,640

uh starring Halle Berry uh will be

990

00:42:49,130 --> 00:42:46,560

coming out with Halle Berry plays a

991

00:42:50,630 --> 00:42:49,140

Little Mermaid I yeah yeah is she

992

00:42:52,370 --> 00:42:50,640

playing The Little Mermaid because she

993

00:42:57,309 --> 00:42:52,380

seems a little too old to be The Little

994

00:43:01,030 --> 00:42:57,319

Mermaid Photoshop I guess deep fake

995

00:43:04,190 --> 00:43:01,040

deep fake Halle Berry

996

00:43:06,170 --> 00:43:04,200

uh let's see uh so I have a photo up

997

00:43:09,230 --> 00:43:06,180

here apparently they in the Chinese

998

00:43:11,270 --> 00:43:09,240

market they heavily

999

00:43:13,550 --> 00:43:11,280

they they change the artwork heavily to

1000

00:43:15,829 --> 00:43:13,560

hide the character's race oh yeah they

1001  
00:43:17,390 --> 00:43:15,839  
do that they they don't want to let they

1002  
00:43:19,910 --> 00:43:17,400  
don't want the people over there know

1003  
00:43:24,290 --> 00:43:19,920  
like what race is in the movie because

1004  
00:43:30,170 --> 00:43:26,930  
so there you go Disney's just not doing

1005  
00:43:32,870 --> 00:43:30,180  
very well and uh they're cutting jobs

1006  
00:43:34,250 --> 00:43:32,880  
they're slashing Services they are

1007  
00:43:35,809 --> 00:43:34,260  
removing things from the streaming

1008  
00:43:38,569 --> 00:43:35,819  
service it looks like Disney plus is

1009  
00:43:40,010 --> 00:43:38,579  
going to merge with Hulu uh I wonder

1010  
00:43:42,890 --> 00:43:40,020  
like within the next five years we could

1011  
00:43:44,870 --> 00:43:42,900  
see a total implosion of Disney to where

1012  
00:43:47,870 --> 00:43:44,880  
they have to sell off lucasfilm they

1013  
00:43:48,829 --> 00:43:47,880

have to sell off ESPN and they think we

1014

00:43:52,190 --> 00:43:48,839

could buy it

1015

00:43:55,910 --> 00:43:53,809

I bet you you could get some people

1016

00:43:58,130 --> 00:43:55,920

together but maybe George Lucas will

1017

00:43:59,630 --> 00:43:58,140

will buy it back at a loss

1018

00:44:02,030 --> 00:43:59,640

you know like they'll buy it back for 2

1019

00:44:03,890 --> 00:44:02,040

billion instead of like oh okay so this

1020

00:44:05,510 --> 00:44:03,900

whole time we thought he was selling out

1021

00:44:07,190 --> 00:44:05,520

and he's going to turn around and make

1022

00:44:10,069 --> 00:44:07,200

three billion dollars on the deal by

1023

00:44:11,230 --> 00:44:10,079

buying it back yes this is the plan all

1024

00:44:14,569 --> 00:44:11,240

along

1025

00:44:16,490 --> 00:44:14,579

yeah jar jar is the key to all this

1026  
00:44:18,790 --> 00:44:16,500  
Star Wars Episode whatever we're up to

1027  
00:44:21,829 --> 00:44:18,800  
12. Jar Jar's the key

1028  
00:44:23,450 --> 00:44:21,839  
what am I doing

1029  
00:44:26,390 --> 00:44:23,460  
oh there you go there's some Disney news

1030  
00:44:27,710 --> 00:44:26,400  
some some some film news and we'll move

1031  
00:44:35,290 --> 00:44:27,720  
on and hit some other headlines some

1032  
00:44:38,750 --> 00:44:37,609  
by the way before you before you get

1033  
00:44:42,170 --> 00:44:38,760  
into your next headline I do want to

1034  
00:44:44,030 --> 00:44:42,180  
point out I have a Disney sucks uh story

1035  
00:44:47,270 --> 00:44:44,040  
if you want to bring that one up sure

1036  
00:44:49,190 --> 00:44:47,280  
it's it's a it's about it's a follow-up

1037  
00:44:51,530 --> 00:44:49,200  
news piece but it's also about something

1038  
00:44:54,829 --> 00:44:51,540

we had talked about in the past but

1039

00:44:55,609 --> 00:44:54,839

um is about uh Disney just [h\_\_h] it

1040

00:44:58,550 --> 00:44:55,619

up

1041

00:44:59,890 --> 00:44:58,560

okay yeah I'd love to talk about Disney

1042

00:45:03,490 --> 00:44:59,900

some more

1043

00:45:07,309 --> 00:45:03,500

uh oh boy uh

1044

00:45:11,030 --> 00:45:07,319

Disney remember this thing oh yes I do

1045

00:45:16,069 --> 00:45:11,040

Disney to permanently close costly Star

1046

00:45:18,410 --> 00:45:16,079

Wars themed hotel after 18 months man I

1047

00:45:20,930 --> 00:45:18,420

got mixed emotions about this one yeah

1048

00:45:24,170 --> 00:45:20,940

we talked about the the galactic Star

1049

00:45:26,690 --> 00:45:24,180

Wars Galactic star Cruiser experience

1050

00:45:30,650 --> 00:45:26,700

where it costs in a neighborhood of six

1051  
00:45:32,930 --> 00:45:30,660  
thousand dollars to stay two nights at

1052  
00:45:34,849 --> 00:45:32,940  
this concrete bunker where you're not

1053  
00:45:37,430 --> 00:45:34,859  
allowed to leave and they force you to

1054  
00:45:39,050 --> 00:45:37,440  
dress up like Jar Jar Binks the entire

1055  
00:45:41,030 --> 00:45:39,060  
time they assign you when you walk in

1056  
00:45:43,309 --> 00:45:41,040  
the door there you go your jar jar your

1057  
00:45:45,829 --> 00:45:43,319  
jar jar tonight you're one of those Pig

1058  
00:45:49,849 --> 00:45:45,839  
things from Jabba's Palace

1059  
00:45:52,190 --> 00:45:49,859  
the gomorian guardian guard now you're

1060  
00:45:55,430 --> 00:45:52,200  
dark nihilus I don't want to be dark

1061  
00:45:57,710 --> 00:45:55,440  
nihilist you're that weird uh uh robot

1062  
00:45:59,270 --> 00:45:57,720  
spider thing with a brain in a jar I

1063  
00:46:00,770 --> 00:45:59,280

don't want to be that

1064

00:46:04,010 --> 00:46:00,780

tough [h\_\_h]

1065

00:46:06,589 --> 00:46:04,020

well Walt Disney World's costly

1066

00:46:09,650 --> 00:46:06,599

uh Star Wars theme Galactic star Cruiser

1067

00:46:13,430 --> 00:46:09,660

Hotel will be permanently closing its

1068

00:46:16,730 --> 00:46:13,440

doors September approximately 18 months

1069

00:46:20,030 --> 00:46:16,740

after opening [h\_\_h]

1070

00:46:23,089 --> 00:46:20,040

after advertised uh as a two-day

1071

00:46:24,950 --> 00:46:23,099

immersive experience the galactic star

1072

00:46:27,710 --> 00:46:24,960

Cruiser provides guests with simulated

1073

00:46:32,510 --> 00:46:27,720

Voyage to a galaxy far far away while

1074

00:46:36,050 --> 00:46:32,520

aboard the hall see on a Halcyon Cruiser

1075

00:46:37,730 --> 00:46:36,060

star Cruiser voyagers uh voyagers mingle

1076

00:46:39,650 --> 00:46:37,740

with other guests and crew members while

1077

00:46:42,950 --> 00:46:39,660

aligning themselves with either the

1078

00:46:46,309 --> 00:46:42,960

light or dark side of the force giving

1079

00:46:48,109 --> 00:46:46,319

me a knobber and get knobbers in the

1080

00:46:50,569 --> 00:46:48,119

Jabba's Palace sounds like they're

1081

00:46:53,390 --> 00:46:50,579

setting up a race war there

1082

00:46:56,089 --> 00:46:53,400

uh costs for the voyage came in at a

1083

00:46:58,730 --> 00:46:56,099

staggering twelve hundred dollars per

1084

00:47:01,130 --> 00:46:58,740

person per night family packages began

1085

00:47:03,410 --> 00:47:01,140

at a whopping six thousand dollars price

1086

00:47:05,809 --> 00:47:03,420

tag included food drink admission to

1087

00:47:08,510 --> 00:47:05,819

Disney's uh Hollywood studio for our

1088

00:47:11,270 --> 00:47:08,520

planetary Excursion to Galaxy's Edge the

1089

00:47:14,089 --> 00:47:11,280

Star Wars themed uh land and exclusive

1090

00:47:17,089 --> 00:47:14,099

Magic Band uh the exclusive Magic Band

1091

00:47:18,170 --> 00:47:17,099

in a two-night stay at either a cabin or

1092

00:47:20,210 --> 00:47:18,180

a suite

1093

00:47:22,550 --> 00:47:20,220

the hotel or in the or in the engine

1094

00:47:24,109 --> 00:47:22,560

room yeah you gotta work

1095

00:47:26,270 --> 00:47:24,119

your ship's not gonna run itself you

1096

00:47:28,790 --> 00:47:26,280

gotta shovel this into that furnace yeah

1097

00:47:30,710 --> 00:47:28,800

I mean it's a space furnace you know how

1098

00:47:33,790 --> 00:47:30,720

many times Han had to fix the Millennium

1099

00:47:35,809 --> 00:47:33,800

Falcon the thing never started

1100

00:47:38,450 --> 00:47:35,819

you were just going to like take a

1101

00:47:42,530 --> 00:47:38,460

shower nope you gotta fix that ain't

1102

00:47:46,430 --> 00:47:44,569

uh though the hotel experience received

1103

00:47:47,809 --> 00:47:46,440

generally positive reviews the cost of

1104

00:47:49,849 --> 00:47:47,819

the experience apparently proved too

1105

00:47:52,250 --> 00:47:49,859

much for even the most die-hard Star

1106

00:47:53,930 --> 00:47:52,260

Wars fans forcing Disney to limit the

1107

00:47:55,910 --> 00:47:53,940

amount of voyages available as the

1108

00:47:58,250 --> 00:47:55,920

company struggled to fill rooms Disney

1109

00:48:01,609 --> 00:47:58,260

yeah wouldn't it be it would be kind of

1110

00:48:03,710 --> 00:48:01,619

awful if you signed up to go and you

1111

00:48:05,870 --> 00:48:03,720

were the only family there

1112

00:48:08,750 --> 00:48:05,880

it would be super awkward you're walking

1113

00:48:10,250 --> 00:48:08,760

around dressed up like Boba Fett and

1114

00:48:12,109 --> 00:48:10,260

like there's nowhere to interact with

1115

00:48:14,150 --> 00:48:12,119

there's no like cosplay all you're doing

1116

00:48:15,290 --> 00:48:14,160

is like engaging with the staff which is

1117

00:48:17,809 --> 00:48:15,300

[h\_\_h] they don't want to do this

1118

00:48:19,329 --> 00:48:17,819

stuff anyways

1119

00:48:23,390 --> 00:48:19,339

wow

1120

00:48:25,670 --> 00:48:23,400

uh but that thing is uh uh it's being

1121

00:48:27,589 --> 00:48:25,680

shut down

1122

00:48:30,290 --> 00:48:27,599

terrible

1123

00:48:32,390 --> 00:48:30,300

uh yeah it's gone it's gone like it's

1124

00:48:34,069 --> 00:48:32,400

like Disney has made some serious

1125

00:48:36,710 --> 00:48:34,079

missteps here it goes on to say you've

1126  
00:48:39,530 --> 00:48:36,720  
got uh the Walt Disney Company suffered

1127  
00:48:41,390 --> 00:48:39,540  
a direct to customer operating loss of

1128  
00:48:43,069 --> 00:48:41,400  
over one billion dollars the company

1129  
00:48:45,109 --> 00:48:43,079  
announced earlier this year is streaming

1130  
00:48:47,329 --> 00:48:45,119  
service also lost a staggering 2.4

1131  
00:48:49,490 --> 00:48:47,339  
million subscribers these setbacks for

1132  
00:48:53,150 --> 00:48:49,500  
the company force uh

1133  
00:48:56,030 --> 00:48:53,160  
forced reinstated Bob Iger CEO Bob Iger

1134  
00:48:57,770 --> 00:48:56,040  
to announce 70 7 000 employees layoffs

1135  
00:49:01,790 --> 00:48:57,780  
in February so they're they're just

1136  
00:49:03,890 --> 00:49:01,800  
they're up shifts Creek as a company

1137  
00:49:06,130 --> 00:49:03,900  
I don't understand how with the the

1138  
00:49:08,870 --> 00:49:06,140

power not the power the amount of money

1139

00:49:10,130 --> 00:49:08,880

that Disney brings to the table and

1140

00:49:11,390 --> 00:49:10,140

Disney owning Star Wars or even

1141

00:49:14,210 --> 00:49:11,400

licensing stars because they had the

1142

00:49:16,010 --> 00:49:14,220

star or was it star star two Star Tours

1143

00:49:16,849 --> 00:49:16,020

for the longest time

1144

00:49:18,829 --> 00:49:16,859

um

1145

00:49:20,030 --> 00:49:18,839

how do you screw up if someone says

1146

00:49:21,650 --> 00:49:20,040

because it seems like it's just a a

1147

00:49:23,930 --> 00:49:21,660

license to print money for someone to

1148

00:49:26,089 --> 00:49:23,940

say hey let's make a Star Wars themed

1149

00:49:28,790 --> 00:49:26,099

area at Disneyland and have a Star Wars

1150

00:49:31,970 --> 00:49:28,800

hotel that's just money in the bank

1151

00:49:34,730 --> 00:49:31,980

they are trying to do their own thing

1152

00:49:36,950 --> 00:49:34,740

with Star Wars and that's not what

1153

00:49:40,490 --> 00:49:36,960

people want people want Luke Skywalker

1154

00:49:43,550 --> 00:49:40,500

they want Boba Fett to be a badass they

1155

00:49:46,730 --> 00:49:43,560

want interesting stories that expand the

1156

00:49:49,010 --> 00:49:46,740

Galaxy they don't want remakes they

1157

00:49:51,890 --> 00:49:49,020

don't want reimaginings they want the

1158

00:49:53,630 --> 00:49:51,900

expanded universe and Disney did the

1159

00:49:55,430 --> 00:49:53,640

exact opposite they thought they would

1160

00:49:58,309 --> 00:49:55,440

be able to just print money by putting

1161

00:50:00,650 --> 00:49:58,319

out anything Star Wars and people put up

1162

00:50:03,829 --> 00:50:00,660

with that for about three years

1163

00:50:05,930 --> 00:50:03,839

and now they're they're tired of all

1164

00:50:08,210 --> 00:50:05,940

their crap

1165

00:50:10,430 --> 00:50:08,220

[h\_\_\h] they're tired of the things

1166

00:50:14,329 --> 00:50:10,440

that they love being demolished

1167

00:50:16,430 --> 00:50:14,339

wilkified and totally transformed

1168

00:50:18,050 --> 00:50:16,440

you're doing so great

1169

00:50:19,550 --> 00:50:18,060

what push the people over the edge was

1170

00:50:22,790 --> 00:50:19,560

that uh

1171

00:50:25,130 --> 00:50:22,800

um that mashup uh Star Wars versus The

1172

00:50:27,050 --> 00:50:25,140

Little Mermaid that was not popular I'd

1173

00:50:29,270 --> 00:50:27,060

go see that

1174

00:50:33,470 --> 00:50:29,280

I'm gonna have chat GPT write me a short

1175

00:50:36,950 --> 00:50:33,480

story about uh The Little Mermaid

1176

00:50:38,450 --> 00:50:36,960

uh joining the the rebels to fight uh

1177

00:50:40,370 --> 00:50:38,460

the Imperials no

1178

00:50:41,990 --> 00:50:40,380

no make it interesting have her join the

1179

00:50:43,849 --> 00:50:42,000

the Imperials oh

1180

00:50:45,829 --> 00:50:43,859

oh she's joining the Imperials because

1181

00:50:47,930 --> 00:50:45,839

she's taught she's tired of all these

1182

00:50:51,470 --> 00:50:47,940

these uh tired of all these Star Wars

1183

00:50:53,990 --> 00:50:51,480

tired of all these Star Wars enough with

1184

00:50:56,210 --> 00:50:54,000

the Star Wars I'm just so tired of all

1185

00:50:58,370 --> 00:50:56,220

these Star Wars

1186

00:51:00,710 --> 00:50:58,380

all right well it's sad to see I I was

1187

00:51:02,510 --> 00:51:00,720

you know if I had an extra six thousand

1188

00:51:05,829 --> 00:51:02,520

dollars laying around I would have gone

1189

00:51:09,290 --> 00:51:07,790

there's so many so many better things

1190

00:51:12,349 --> 00:51:09,300

you could spend that six thousand I know

1191

00:51:14,750 --> 00:51:12,359

I mean every like inflation's is is out

1192

00:51:16,370 --> 00:51:14,760

of control like you just don't have six

1193

00:51:17,809 --> 00:51:16,380

thousand like not many people that I

1194

00:51:20,870 --> 00:51:17,819

know just have six thousand dollars to

1195

00:51:22,549 --> 00:51:20,880

blow on us a Disney hotel

1196

00:51:23,750 --> 00:51:22,559

I don't know anybody who has that kind

1197

00:51:27,410 --> 00:51:23,760

of money

1198

00:51:30,349 --> 00:51:27,420

not even Joe Harrison Ford does Harrison

1199

00:51:32,990 --> 00:51:30,359

Ford does yeah he wouldn't go he hates

1200

00:51:34,370 --> 00:51:33,000

Star Wars do you think he could write

1201

00:51:36,470 --> 00:51:34,380

that into like his contracts like all

1202

00:51:38,329 --> 00:51:36,480

right 65 million dollars and you put me

1203

00:51:41,510 --> 00:51:38,339

up with that Star Wars hotel and when I

1204

00:51:43,370 --> 00:51:41,520

get there but I'm in I'm in kilometers

1205

00:51:45,109 --> 00:51:43,380

Indiana Jones the entire time you kill

1206

00:51:47,930 --> 00:51:45,119

me when I get there

1207

00:51:50,450 --> 00:51:47,940

and anyone refers to me as Han Solo they

1208

00:51:53,270 --> 00:51:50,460

get punched in the neck

1209

00:51:55,190 --> 00:51:53,280

this grumpy old man wandering around

1210

00:51:57,230 --> 00:51:55,200

I'd pay to see that

1211

00:51:58,130 --> 00:51:57,240

that would be a better every now and

1212

00:51:59,630 --> 00:51:58,140

then there's like a documentary about

1213

00:52:02,750 --> 00:51:59,640

the making of a movie that's better than

1214

00:52:04,370 --> 00:52:02,760

the movie that would be one of them

1215

00:52:05,110 --> 00:52:04,380

well let's move on get some more uh

1216

00:52:12,650 --> 00:52:05,120

headlines here

1217

00:52:20,150 --> 00:52:15,589

all right well uh AI company says it'll

1218

00:52:22,370 --> 00:52:20,160

perform a seance on your dead loved ones

1219

00:52:25,130 --> 00:52:22,380

oh really

1220

00:52:27,650 --> 00:52:25,140

oh yes here we are now I've talked about

1221

00:52:30,650 --> 00:52:27,660

this before talked about the Hall of

1222

00:52:33,849 --> 00:52:30,660

souls they projected in in the year they

1223

00:52:37,910 --> 00:52:33,859

futurists uh projected that in the year

1224

00:52:39,950 --> 00:52:37,920

2077 there will be something like uh a

1225

00:52:44,809 --> 00:52:39,960

virtual library where you can you can go

1226

00:52:48,109 --> 00:52:44,819

and interact with these uh AI I guess

1227

00:52:51,170 --> 00:52:48,119

simulated kind of personalities of dead

1228

00:52:55,670 --> 00:52:51,180

past personalities like uh Richard Nixon

1229

00:52:58,069 --> 00:52:55,680

or Samuel Ford uh Harrison yeah yeah

1230

00:53:00,349 --> 00:52:58,079

Harrison Ford he might uh he might be in

1231

00:53:02,630 --> 00:53:00,359

there but this is a little different

1232

00:53:05,809 --> 00:53:02,640

here so this AI company

1233

00:53:07,490 --> 00:53:05,819

says it'll perform a seance on your dead

1234

00:53:11,089 --> 00:53:07,500

loved ones

1235

00:53:13,730 --> 00:53:11,099

uh and uh you know this there's a there

1236

00:53:16,370 --> 00:53:13,740

is let's see here this is a long ass

1237

00:53:19,309 --> 00:53:16,380

article and what what futurism

1238

00:53:21,290 --> 00:53:19,319

futurism.com

1239

00:53:24,890 --> 00:53:21,300

futurism why are we reading this book

1240

00:53:26,030 --> 00:53:24,900

it's it's it's a huge thing

1241

00:53:28,490 --> 00:53:26,040

um

1242

00:53:30,670 --> 00:53:28,500

let's see I'll just uh see if I can scan

1243

00:53:33,530 --> 00:53:30,680

through this

1244

00:53:36,589 --> 00:53:33,540

uh no I'm not going to I brought this up

1245

00:53:39,530 --> 00:53:38,030

you know I'm gonna read the last two

1246

00:53:41,569 --> 00:53:39,540

paragraphs yeah okay you know what I'll

1247

00:53:43,190 --> 00:53:41,579

read a middle paragraph and the last few

1248

00:53:45,650 --> 00:53:43,200

okay the middle paragraph but

1249

00:53:48,589 --> 00:53:45,660

fascinatingly that's where the upcoming

1250

00:53:50,750 --> 00:53:48,599

service called Seance AI yes it's

1251  
00:53:53,030 --> 00:53:50,760  
actually that's what it's called sets

1252  
00:53:56,569 --> 00:53:53,040  
itself apart it's built by a software

1253  
00:53:58,970 --> 00:53:56,579  
development lab called AE Studio where

1254  
00:54:01,609 --> 00:53:58,980  
it's Creator a designer named Jaren

1255  
00:54:03,950 --> 00:54:01,619  
rocks isn't shy about that's a fake name

1256  
00:54:06,349 --> 00:54:03,960  
Jaren rocks you can't change your last

1257  
00:54:09,349 --> 00:54:06,359  
name to rocks

1258  
00:54:11,030 --> 00:54:09,359  
well he isn't uh isn't shy about the

1259  
00:54:13,250 --> 00:54:11,040  
straightforwardness of the product's

1260  
00:54:15,829 --> 00:54:13,260  
name while other companies often talk

1261  
00:54:18,170 --> 00:54:15,839  
around the implications of Resurrection

1262  
00:54:21,049 --> 00:54:18,180  
rocks leans Full Tilt into the

1263  
00:54:24,049 --> 00:54:21,059

ghoulishness and according to him it's

1264

00:54:27,290 --> 00:54:24,059

very intentional we are trying to make

1265

00:54:29,450 --> 00:54:27,300

it sound as magical and as mystical as

1266

00:54:32,870 --> 00:54:29,460

possible Rox told futurism saying that

1267

00:54:35,450 --> 00:54:32,880

the name is a call to attention over how

1268

00:54:37,370 --> 00:54:35,460

advanced large language models have

1269

00:54:39,890 --> 00:54:37,380

gotten

1270

00:54:41,390 --> 00:54:39,900

so they're trying to recreate your dead

1271

00:54:43,730 --> 00:54:41,400

loved ones

1272

00:54:47,450 --> 00:54:43,740

that's what I'm getting out of this that

1273

00:54:49,309 --> 00:54:47,460

is just uh creepy in general

1274

00:54:50,750 --> 00:54:49,319

but I was I

1275

00:54:53,030 --> 00:54:50,760

we were talking about this on like the

1276

00:54:54,970 --> 00:54:53,040

the previous like Union of the N1 when

1277

00:54:57,410 --> 00:54:54,980

it comes to like Tech like these long

1278

00:54:59,450 --> 00:54:57,420

these large language models they're not

1279

00:55:00,950 --> 00:54:59,460

really AI people think they're AI

1280

00:55:02,930 --> 00:55:00,960

because you know you interact with them

1281

00:55:04,609 --> 00:55:02,940

they you it appears as though they're

1282

00:55:06,049 --> 00:55:04,619

thinking they're really not

1283

00:55:08,930 --> 00:55:06,059

but

1284

00:55:11,329 --> 00:55:08,940

it got me thinking to about the the

1285

00:55:14,450 --> 00:55:11,339

Philip experiment to where people were

1286

00:55:17,589 --> 00:55:14,460

doing uh seances I believe back in the

1287

00:55:21,730 --> 00:55:17,599

70s and they did this experiment where

1288

00:55:26,450 --> 00:55:21,740

for the Seance to contact a dead person

1289

00:55:29,089 --> 00:55:26,460

the experiment uh organizers decided to

1290

00:55:30,650 --> 00:55:29,099

write down characteristics of a

1291

00:55:33,170 --> 00:55:30,660

fictional character

1292

00:55:36,230 --> 00:55:33,180

and so they gave it to attributes like

1293

00:55:40,069 --> 00:55:36,240

six foot tall black hair a disposition a

1294

00:55:42,549 --> 00:55:40,079

personality uh like hobbies and work in

1295

00:55:46,130 --> 00:55:42,559

life experience and totally fictional

1296

00:55:48,230 --> 00:55:46,140

and they asked the people uh who are

1297

00:55:49,750 --> 00:55:48,240

performing the Seance to see if they

1298

00:55:52,790 --> 00:55:49,760

could pick out

1299

00:55:54,049 --> 00:55:52,800

details during the Seance where they

1300

00:55:55,490 --> 00:55:54,059

thought they were contacting a dead

1301  
00:55:58,490 --> 00:55:55,500  
person and trying to get information

1302  
00:56:01,309 --> 00:55:58,500  
from a dead person but in fact they were

1303  
00:56:04,190 --> 00:56:01,319  
picking out details from

1304  
00:56:06,290 --> 00:56:04,200  
a totally fictional character

1305  
00:56:09,230 --> 00:56:06,300  
and that led me to the thought like well

1306  
00:56:11,630 --> 00:56:09,240  
if we're able to invent these kind of

1307  
00:56:12,950 --> 00:56:11,640  
things and if the Philip experiment is

1308  
00:56:15,589 --> 00:56:12,960  
true even though it is a bit

1309  
00:56:17,450 --> 00:56:15,599  
controversial to where people can have a

1310  
00:56:19,790 --> 00:56:17,460  
seance in this kind of pick up on things

1311  
00:56:20,930 --> 00:56:19,800  
that are imagined just straight out of

1312  
00:56:25,190 --> 00:56:20,940  
The Ether

1313  
00:56:27,890 --> 00:56:25,200

and what's the to say that we can't do

1314

00:56:30,770 --> 00:56:27,900

the same things with these AI like us

1315

00:56:32,990 --> 00:56:30,780

believing that they have more

1316

00:56:36,650 --> 00:56:33,000

personalities than they really do will

1317

00:56:38,770 --> 00:56:36,660

in in and of itself create some spark of

1318

00:56:43,670 --> 00:56:38,780

sentience some spark of Consciousness

1319

00:56:46,130 --> 00:56:43,680

that will then give rise to their own uh

1320

00:56:49,490 --> 00:56:46,140

real Consciousness like we believe that

1321

00:56:52,130 --> 00:56:49,500

they are so therefore they are

1322

00:56:53,569 --> 00:56:52,140

are you talking now or in 2077. I'm

1323

00:56:55,309 --> 00:56:53,579

talking now I'm talking like right

1324

00:56:57,770 --> 00:56:55,319

around the corner like this is possible

1325

00:56:59,450 --> 00:56:57,780

to where our belief they better not do

1326

00:57:01,790 --> 00:56:59,460

that I don't want to die by weird robot

1327

00:57:04,190 --> 00:57:01,800

like AI stuff I'm also open to the

1328

00:57:06,109 --> 00:57:04,200

possibility that we create these these

1329

00:57:08,450 --> 00:57:06,119

things that have such a like a limp

1330

00:57:11,089 --> 00:57:08,460

they're intelligent but very limited

1331

00:57:14,510 --> 00:57:11,099

intelligence but that might open up the

1332

00:57:16,849 --> 00:57:14,520

door to some weird demonic possession

1333

00:57:18,770 --> 00:57:16,859

like you hear like demonic possession

1334

00:57:21,370 --> 00:57:18,780

like uh in the Catholic church and

1335

00:57:24,410 --> 00:57:21,380

exorcism like demons possessing people

1336

00:57:28,370 --> 00:57:24,420

uh if if there's a an advanced enough

1337

00:57:31,010 --> 00:57:28,380

circuitry and some semblance of of brain

1338

00:57:34,250 --> 00:57:31,020

activity but electronically created in a

1339

00:57:36,950 --> 00:57:34,260

neural net uh would that allow can

1340

00:57:39,910 --> 00:57:36,960

demons slip right in there and take over

1341

00:57:42,790 --> 00:57:39,920

these AI I'm open to that too

1342

00:57:45,410 --> 00:57:42,800

demon-possessed AI

1343

00:57:48,349 --> 00:57:45,420

it all goes to the Philip experiment and

1344

00:57:51,170 --> 00:57:48,359

what we believe is possible

1345

00:57:53,270 --> 00:57:51,180

uh but I just want to bring it up and so

1346

00:57:55,430 --> 00:57:53,280

you will be talking to your dead loved

1347

00:57:58,549 --> 00:57:55,440

ones in AI whether you like it or not

1348

00:58:01,270 --> 00:57:58,559

but but the the the AI of your dead

1349

00:58:04,010 --> 00:58:01,280

loved ones could very well be a demon

1350

00:58:06,349 --> 00:58:04,020

exactly so like this is this is like

1351  
00:58:09,170 --> 00:58:06,359  
trust don't trust Grandma this is like a

1352  
00:58:09,829 --> 00:58:09,180  
modern day version of a Ouija board

1353  
00:58:12,470 --> 00:58:09,839  
um

1354  
00:58:15,170 --> 00:58:12,480  
and it's not that far off

1355  
00:58:17,569 --> 00:58:15,180  
like uh I I think we're right around

1356  
00:58:19,309 --> 00:58:17,579  
there and I you know honestly maybe I'll

1357  
00:58:21,470 --> 00:58:19,319  
just create that like I'll create an app

1358  
00:58:22,790 --> 00:58:21,480  
I'll create this large language model

1359  
00:58:24,109 --> 00:58:22,800  
and I'm going to create my own version

1360  
00:58:25,730 --> 00:58:24,119  
of the Ouija board I don't know what

1361  
00:58:27,530 --> 00:58:25,740  
it's gonna do but I gotta make some

1362  
00:58:29,329 --> 00:58:27,540  
money here people because this podcast

1363  
00:58:30,530 --> 00:58:29,339

ain't paying the bills I gotta do

1364

00:58:32,329 --> 00:58:30,540

something

1365

00:58:35,089 --> 00:58:32,339

well you keep spending all that money on

1366

00:58:39,109 --> 00:58:35,099

on Disney trips to Star Wars hotels I

1367

00:58:40,789 --> 00:58:39,119

have to do that yes I did not do that

1368

00:58:43,549 --> 00:58:40,799

yeah I Gotta See The Little Mermaid

1369

00:58:46,490 --> 00:58:43,559

three times in a weekend

1370

00:58:48,349 --> 00:58:46,500

all right well let's uh I'm gonna pick

1371

00:58:54,410 --> 00:58:48,359

out one more headline then I'll see what

1372

00:58:58,069 --> 00:58:56,630

oh boy there's a lot of things going on

1373

00:58:59,630 --> 00:58:58,079

I want to bring this one up because I do

1374

00:59:01,130 --> 00:58:59,640

have some like world news I just haven't

1375

00:59:03,289 --> 00:59:01,140

uh

1376

00:59:05,089 --> 00:59:03,299

haven't gotten to yet but I want I

1377

00:59:06,530 --> 00:59:05,099

wanted to bring this up here because I

1378

00:59:09,650 --> 00:59:06,540

think this is

1379

00:59:14,450 --> 00:59:09,660

pretty interesting piece of news

1380

00:59:16,250 --> 00:59:14,460

uh Senators issued satellite phones

1381

00:59:17,690 --> 00:59:16,260

yeah that was weird man I got mixed

1382

00:59:20,990 --> 00:59:17,700

emotions about this one it comes from

1383

00:59:23,349 --> 00:59:21,000

cbsnews.com that means that the the

1384

00:59:26,150 --> 00:59:23,359

major media Outlets want you to know

1385

00:59:28,370 --> 00:59:26,160

that Senators have been given satellite

1386

00:59:30,470 --> 00:59:28,380

phones not House of Representatives just

1387

00:59:33,950 --> 00:59:30,480

the Senators yeah because the house reps

1388

00:59:35,990 --> 00:59:33,960

also not even all the Senators oh really

1389

00:59:37,370 --> 00:59:36,000

I'd like to know who did and did not get

1390

00:59:40,549 --> 00:59:37,380

them

1391

00:59:41,930 --> 00:59:40,559

so this comes from CBS news is this a

1392

00:59:44,630 --> 00:59:41,940

sign that something's coming or is this

1393

00:59:46,670 --> 00:59:44,640

a signal to let us know that we know

1394

00:59:48,289 --> 00:59:46,680

something's coming I don't know this is

1395

00:59:50,270 --> 00:59:48,299

like some deep

1396

00:59:51,829 --> 00:59:50,280

slams kind of stuff

1397

00:59:54,470 --> 00:59:51,839

because why would they announce this if

1398

00:59:56,990 --> 00:59:54,480

there was something going on

1399

00:59:59,630 --> 00:59:57,000

so uh amid growing concerns over

1400

01:00:02,210 --> 00:59:59,640

security risks to members of Congress

1401  
01:00:03,470 --> 01:00:02,220  
more than 50 Senators have been issued

1402  
01:00:05,510 --> 01:00:03,480  
satellite phones for emergency

1403  
01:00:08,089 --> 01:00:05,520  
communications people familiar with the

1404  
01:00:10,190 --> 01:00:08,099  
measures told CBS News

1405  
01:00:11,930 --> 01:00:10,200  
the devices are part of a series of new

1406  
01:00:14,870 --> 01:00:11,940  
security measures being offered to

1407  
01:00:17,450 --> 01:00:14,880  
Senators by the Senate sergeant of at

1408  
01:00:20,150 --> 01:00:17,460  
Arms who took over shortly after the

1409  
01:00:21,770 --> 01:00:20,160  
assault on the U.S Capitol on January 6

1410  
01:00:23,630 --> 01:00:21,780  
2021.

1411  
01:00:25,430 --> 01:00:23,640  
and there's been a lot more January six

1412  
01:00:27,650 --> 01:00:25,440  
years to come out too

1413  
01:00:31,250 --> 01:00:27,660

like I haven't even touched on that

1414

01:00:33,650 --> 01:00:31,260

like how they were like over I think one

1415

01:00:35,809 --> 01:00:33,660

to two hundred uh undercover agents

1416

01:00:37,190 --> 01:00:35,819

there and

1417

01:00:38,990 --> 01:00:37,200

it just keeps getting better and better

1418

01:00:40,609 --> 01:00:39,000

that story keeps getting great

1419

01:00:42,890 --> 01:00:40,619

but back to the story the satellite

1420

01:00:44,569 --> 01:00:42,900

phone technology has been offered to all

1421

01:00:46,849 --> 01:00:44,579

100 centers

1422

01:00:48,410 --> 01:00:46,859

uh CBS News has learned that at least 50

1423

01:00:49,970 --> 01:00:48,420

have accepted the phones who wouldn't

1424

01:00:51,829 --> 01:00:49,980

take a free phone

1425

01:00:55,309 --> 01:00:51,839

it's a satellite phone that's great why

1426

01:00:56,930 --> 01:00:55,319

are 50 of them not taking it and is it

1427

01:00:59,270 --> 01:00:56,940

mostly Republicans not taking it or

1428

01:01:00,410 --> 01:00:59,280

mostly Democrats I'd like to know maybe

1429

01:01:01,789 --> 01:01:00,420

maybe they're doing a credit check

1430

01:01:04,010 --> 01:01:01,799

beforehand all right Mike here's your

1431

01:01:04,730 --> 01:01:04,020

free oh wait a minute here's your Vonage

1432

01:01:10,250 --> 01:01:04,740

phone

1433

01:01:11,870 --> 01:01:10,260

does this work probably uh CBS News has

1434

01:01:13,849 --> 01:01:11,880

learned at least 50 have accepted the

1435

01:01:15,650 --> 01:01:13,859

phones Which senate uh Which senate

1436

01:01:17,630 --> 01:01:15,660

administrative staff recommended uh

1437

01:01:19,789 --> 01:01:17,640

Senators keep in close proximity during

1438

01:01:21,410 --> 01:01:19,799

their travels in testimony before the

1439

01:01:23,630 --> 01:01:21,420

Senate appropriation Community last

1440

01:01:25,849 --> 01:01:23,640

month Senate Sergeant at Arms Karen

1441

01:01:28,549 --> 01:01:25,859

Gibson says satellite communication is

1442

01:01:31,190 --> 01:01:28,559

being deployed to ensure a redundant and

1443

01:01:32,930 --> 01:01:31,200

secure means of communication during a

1444

01:01:34,510 --> 01:01:32,940

disruptive event

1445

01:01:38,750 --> 01:01:34,520

hmm

1446

01:01:42,410 --> 01:01:38,760

uh so what would take out regular cell

1447

01:01:44,270 --> 01:01:42,420

connectivity and internet but not

1448

01:01:46,430 --> 01:01:44,280

sat phones

1449

01:01:50,630 --> 01:01:46,440

well honestly anything that

1450

01:01:54,589 --> 01:01:50,640

terrestrial in in uh in scope so you

1451

01:01:56,930 --> 01:01:54,599

know a guy with a rented uh

1452

01:01:59,930 --> 01:01:56,940

um backhoe for the weekend can take down

1453

01:02:01,309 --> 01:01:59,940

a whole bunch of network stuff okay uh

1454

01:02:05,270 --> 01:02:01,319

we also had all the stories about the

1455

01:02:07,609 --> 01:02:05,280

guys going around shooting rifles at uh

1456

01:02:09,650 --> 01:02:07,619

Empower yeah Power stations Transformers

1457

01:02:12,289 --> 01:02:09,660

substations and uh and and cell phone

1458

01:02:13,910 --> 01:02:12,299

towers that's correct uh uh I would

1459

01:02:15,049 --> 01:02:13,920

imagine that EMP would just wipe

1460

01:02:16,130 --> 01:02:15,059

everything out so even if their

1461

01:02:18,170 --> 01:02:16,140

headphones work they wouldn't have

1462

01:02:19,970 --> 01:02:18,180

anybody to talk to but maybe it had some

1463

01:02:22,970 --> 01:02:19,980

hardened facility they would

1464

01:02:24,589 --> 01:02:22,980

or let's get conspiratorial sure they

1465

01:02:27,770 --> 01:02:24,599

need to shut down there's there's an

1466

01:02:29,329 --> 01:02:27,780

upcoming need to shut down the civilian

1467

01:02:30,530 --> 01:02:29,339

internet and civilian cell phone

1468

01:02:32,809 --> 01:02:30,540

Networks

1469

01:02:34,970 --> 01:02:32,819

either blaming it on some sort of worm

1470

01:02:38,150 --> 01:02:34,980

blaming it on China blaming it on Russia

1471

01:02:40,010 --> 01:02:38,160

something and this way the uh the the

1472

01:02:42,890 --> 01:02:40,020

government can still

1473

01:02:44,890 --> 01:02:42,900

um communicate I would say that's pretty

1474

01:02:47,569 --> 01:02:44,900

good huh

1475

01:02:49,910 --> 01:02:47,579

some sort of Cyber attack

1476

01:02:52,190 --> 01:02:49,920

yeah yeah

1477

01:02:53,390 --> 01:02:52,200

I have one more Theory after when you

1478

01:02:55,430 --> 01:02:53,400

get to the end it's going to be

1479

01:02:56,630 --> 01:02:55,440

completely it's gonna be way out there

1480

01:02:58,370 --> 01:02:56,640

so when you're done with the story okay

1481

01:03:01,250 --> 01:02:58,380

I like I like the out there theories uh

1482

01:03:04,370 --> 01:03:01,260

Gibson said uh the phones are a security

1483

01:03:06,589 --> 01:03:04,380

backstop in case the an emergency that

1484

01:03:09,049 --> 01:03:06,599

takes out Communication in part of

1485

01:03:11,510 --> 01:03:09,059

America Federal funding will pay for the

1486

01:03:13,910 --> 01:03:11,520

satellite air time needed to utilize the

1487

01:03:15,710 --> 01:03:13,920

phone devices a Department of Homeland

1488

01:03:18,109 --> 01:03:15,720

Security advisors says satellite phones

1489

01:03:20,089 --> 01:03:18,119

are a tool for responding to in

1490

01:03:23,510 --> 01:03:20,099

coordinating government services in case

1491

01:03:26,089 --> 01:03:23,520

of a man-made or natural disaster that

1492

01:03:27,950 --> 01:03:26,099

wipes out communication

1493

01:03:29,690 --> 01:03:27,960

okay

1494

01:03:31,849 --> 01:03:29,700

what's your crazy Theory all right

1495

01:03:35,030 --> 01:03:31,859

here's my crazy Theory they offered

1496

01:03:38,870 --> 01:03:35,040

these to they being the Deep State the

1497

01:03:40,549 --> 01:03:38,880

the uh um NSA or whoever CIA

1498

01:03:43,130 --> 01:03:40,559

offered these sorts of things Homeland

1499

01:03:45,950 --> 01:03:43,140

Security to these Senators as a way of

1500

01:03:47,809 --> 01:03:45,960

tracking or better better

1501

01:03:50,089 --> 01:03:47,819

um uh recording all their communication

1502

01:03:52,849 --> 01:03:50,099

here the cell phone networks aren't safe

1503

01:03:54,230 --> 01:03:52,859

use this and now they can find out what

1504

01:03:56,750 --> 01:03:54,240

the Senators are up to the entire time

1505

01:03:58,670 --> 01:03:56,760

and that's why only 50 took it I really

1506

01:04:00,170 --> 01:03:58,680

would like to know what 50 took this

1507

01:04:02,150 --> 01:04:00,180

phone because that's right down the

1508

01:04:05,690 --> 01:04:02,160

middle and pretty much the Senate is 50

1509

01:04:08,569 --> 01:04:05,700

50 on Republican versus Democrat

1510

01:04:11,750 --> 01:04:08,579

to tell me all the Democrats took this

1511

01:04:14,089 --> 01:04:11,760

I don't know who got that who got the

1512

01:04:19,789 --> 01:04:16,670

I Wanna Know

1513

01:04:22,430 --> 01:04:19,799

give me the phone come on

1514

01:04:24,829 --> 01:04:22,440

it says at least 50. it's been offered

1515

01:04:26,569 --> 01:04:24,839

to all 100 at least 50 at least 50 yeah

1516

01:04:29,990 --> 01:04:26,579

they're not

1517

01:04:32,089 --> 01:04:30,000

nah we need names we gotta have some

1518

01:04:33,230 --> 01:04:32,099

names here also under a foia they should

1519

01:04:34,730 --> 01:04:33,240

print the numbers too so we can call

1520

01:04:37,670 --> 01:04:34,740

them yeah

1521

01:04:39,470 --> 01:04:37,680

it should be public record right

1522

01:04:41,089 --> 01:04:39,480

I want to I want to prank call these

1523

01:04:44,770 --> 01:04:41,099

guys

1524

01:04:48,049 --> 01:04:44,780

let's sign up for all the mailing lists

1525

01:04:52,130 --> 01:04:48,059

so that was just a little piece of

1526

01:04:55,609 --> 01:04:52,140

interesting uh news and very very

1527

01:04:57,230 --> 01:04:55,619

concerning in these troubling times but

1528

01:04:58,660 --> 01:04:57,240

um let's see what the headlines

1529

01:05:05,210 --> 01:04:58,670

correction may have over there

1530

01:05:06,650 --> 01:05:05,220

[Music]

1531

01:05:08,690 --> 01:05:06,660

by the ways I dig for that apparently

1532

01:05:10,250 --> 01:05:08,700

all the news comes through CBS on that

1533

01:05:12,289 --> 01:05:10,260

one very strange

1534

01:05:14,450 --> 01:05:12,299

okay

1535

01:05:16,250 --> 01:05:14,460

um I will do some I will do some world

1536

01:05:18,530 --> 01:05:16,260

news a little later but I want to go and

1537

01:05:20,270 --> 01:05:18,540

see what you got

1538

01:05:23,630 --> 01:05:20,280

um all right let's see where where to

1539

01:05:24,890 --> 01:05:23,640

start on this giant week-long list of

1540

01:05:26,569 --> 01:05:24,900

news

1541

01:05:28,609 --> 01:05:26,579

which started almost immediately after

1542

01:05:31,370 --> 01:05:28,619

the show yeah in fact actually I started

1543

01:05:36,530 --> 01:05:31,380

Gathering news for this show uh 47

1544

01:05:40,190 --> 01:05:38,150

um

1545

01:05:43,130 --> 01:05:40,200

let's go with this one let's let's

1546

01:05:45,829 --> 01:05:43,140

drive this show let's change the uh

1547

01:05:48,109 --> 01:05:45,839

change the tone and go right

1548

01:05:57,829 --> 01:05:48,119

into the uh the poo poo peepee jokes

1549

01:06:10,490 --> 01:05:59,329

uh

1550

01:06:12,829 --> 01:06:10,500

where in Europe do men sit down or stand

1551

01:06:18,770 --> 01:06:12,839

up to pee

1552

01:06:21,230 --> 01:06:18,780

oh really okay sits and sprinklers sit

1553

01:06:22,130 --> 01:06:21,240

sprinklers I'm guessing it's a Sherman

1554

01:06:24,170 --> 01:06:22,140

word

1555

01:06:25,910 --> 01:06:24,180

this is a very controversial topic but

1556

01:06:28,370 --> 01:06:25,920

we'll talk about it

1557

01:06:29,690 --> 01:06:28,380

is it controversial I think so we're

1558

01:06:32,750 --> 01:06:29,700

gonna find out it's very controversial

1559

01:06:35,150 --> 01:06:32,760

if men stand up or sit down to pee

1560

01:06:37,490 --> 01:06:35,160

uh arguments are growing that men should

1561

01:06:40,190 --> 01:06:37,500

sit down to urinate with some experts

1562

01:06:42,289 --> 01:06:40,200

saying it is good for health and the

1563

01:06:45,230 --> 01:06:42,299

family toothbrushes

1564

01:06:48,289 --> 01:06:45,240

but where are they hearing this advice

1565

01:06:50,690 --> 01:06:48,299

people are peeing on toothbrushes I try

1566

01:06:54,010 --> 01:06:50,700

to aim for the toilet

1567

01:06:57,529 --> 01:06:54,020

oh that's what I've been doing wrong

1568

01:06:59,870 --> 01:06:57,539

toothbrushes are gross

1569

01:07:02,569 --> 01:06:59,880

new data from your gov shed light on

1570

01:07:04,549 --> 01:07:02,579

where where in your men are most likely

1571

01:07:07,250 --> 01:07:04,559

to sit down and Bee the British Point

1572

01:07:09,289 --> 01:07:07,260

agency surveyed 13 countries to find out

1573

01:07:12,230 --> 01:07:09,299

men's peeing preferences revealing a

1574

01:07:14,930 --> 01:07:12,240

stark divide between the sit in sit

1575

01:07:17,150 --> 01:07:14,940

knots around the world yougov says it

1576

01:07:19,549 --> 01:07:17,160

was prompted to correct a Galleria

1577

01:07:22,190 --> 01:07:19,559

mission in this data after journalists

1578

01:07:25,789 --> 01:07:22,200

called it out for not having any data on

1579

01:07:28,789 --> 01:07:25,799

how many British men sat down to urinate

1580

01:07:30,890 --> 01:07:28,799

okay yes

1581

01:07:32,029 --> 01:07:30,900

oh good I'm glad the Clark corrected a

1582

01:07:33,250 --> 01:07:32,039

record so we know we have the real

1583

01:07:36,109 --> 01:07:33,260

numbers here

1584

01:07:38,809 --> 01:07:36,119

uh that uh that's despite the number of

1585

01:07:41,450 --> 01:07:38,819

claims surrounding the benefits of the

1586

01:07:42,789 --> 01:07:41,460

of the practice for mental and physical

1587

01:07:46,250 --> 01:07:42,799

well-being is

1588

01:07:48,049 --> 01:07:46,260

besides more amicable relations with

1589

01:07:49,849 --> 01:07:48,059

women in the house

1590

01:07:50,390 --> 01:07:49,859

so it looks like

1591

01:07:54,170 --> 01:07:50,400

um

1592

01:07:56,930 --> 01:07:54,180

German men are most likely to sit down

1593

01:08:00,109 --> 01:07:56,940

and pee in Europe

1594

01:08:03,589 --> 01:08:00,119

that's right you

1595

01:08:07,270 --> 01:08:03,599

okay uh followed by Sweden uh like

1596

01:08:12,849 --> 01:08:07,280

German like 62 percent Sweden 50

1597

01:08:15,049 --> 01:08:12,859

uh Denmark 44 and the UK at 24

1598

01:08:17,090 --> 01:08:15,059

you're not taking care of your duties

1599

01:08:18,709 --> 01:08:17,100

here like you're supposed to

1600

01:08:21,130 --> 01:08:18,719

I'm not the guy in charge of the study

1601

01:08:23,630 --> 01:08:21,140

yeah he's in charge of the toilets hey

1602

01:08:25,490 --> 01:08:23,640

get down over there I understand you're

1603

01:08:27,530 --> 01:08:25,500

at disappointment this week you guys

1604

01:08:29,870 --> 01:08:27,540

data found that German men were most

1605

01:08:32,450 --> 01:08:29,880

likely to sit down to pee with 62 saying

1606

01:08:35,030 --> 01:08:32,460

they do so every time or most times

1607

01:08:37,309 --> 01:08:35,040

swedes the second most likely of

1608

01:08:40,490 --> 01:08:37,319

European men to do so in Germany these

1609

01:08:43,070 --> 01:08:40,500

men are known as the Spix pinklers

1610

01:08:44,510 --> 01:08:43,080

meaning somebody who sits that who sits

1611

01:08:45,709 --> 01:08:44,520

while you're needy they got a name for

1612

01:08:48,289 --> 01:08:45,719

themselves and everything they got a

1613

01:08:50,990 --> 01:08:48,299

whole club going on over there

1614

01:08:53,229 --> 01:08:51,000

you got t-shirts probably in ball caps

1615

01:08:56,930 --> 01:08:53,239

tattoos on their arms

1616

01:08:59,150 --> 01:08:56,940

uh there there are debates inside the

1617

01:09:01,729 --> 01:08:59,160

country about whether men should sit or

1618

01:09:05,590 --> 01:09:01,739

stand some toys have signs for bidding

1619

01:09:09,110 --> 01:09:05,600

standing up though that

1620

01:09:11,570 --> 01:09:09,120

no stand to be wow that's that's pretty

1621

01:09:11,580 --> 01:09:15,110

all right

1622

01:09:19,669 --> 01:09:17,570

um some toys have signs for bidding

1623

01:09:22,490 --> 01:09:19,679

standing up though the terms uh sis

1624

01:09:23,870 --> 01:09:22,500

sprinkler implies it is not masculine

1625

01:09:25,550 --> 01:09:23,880

Behavior yeah I wouldn't I wouldn't

1626

01:09:28,189 --> 01:09:25,560

think so some of the worst offenders

1627

01:09:31,669 --> 01:09:28,199

were in Poland in the UK were only 27 24

1628

01:09:33,169 --> 01:09:31,679

of men uh peace sitting down yeah

1629

01:09:35,930 --> 01:09:33,179

they'll pay anywhere they can over there

1630

01:09:38,090 --> 01:09:35,940

they don't care they don't care who I am

1631

01:09:41,030 --> 01:09:38,100

here give me your toothbrush people I'm

1632

01:09:45,229 --> 01:09:42,950

uh Studies have shown that the practice

1633

01:09:49,249 --> 01:09:45,239

is better for Men's Health researchers

1634

01:09:51,829 --> 01:09:49,259

from uh lion Leiden University Medical

1635

01:09:53,990 --> 01:09:51,839

Center found in 2014 and helped the

1636

01:09:56,390 --> 01:09:54,000

bladder empty faster and more completely

1637

01:09:59,930 --> 01:09:56,400

something which is beneficial to those

1638

01:10:03,169 --> 01:09:59,940

with lower urinary tract problems or in

1639

01:10:04,729 --> 01:10:03,179

large prostate all right okay oh yeah

1640

01:10:07,130 --> 01:10:04,739

yeah I'm dead it doesn't

1641

01:10:09,290 --> 01:10:07,140

it doesn't ring true but whatever I'm

1642

01:10:11,209 --> 01:10:09,300

not a medical doctor like Dr Joe Biden

1643

01:10:12,950 --> 01:10:11,219

the only time I really peace like

1644

01:10:15,229 --> 01:10:12,960

sitting down is back when I was drinking

1645

01:10:17,450 --> 01:10:15,239

a lot and like on like the that's when

1646

01:10:19,610 --> 01:10:17,460

you pass out in the shower you pass out

1647

01:10:21,350 --> 01:10:19,620

you're too drunk or you wake up and

1648

01:10:23,390 --> 01:10:21,360

you're hungover and you're like I don't

1649

01:10:25,370 --> 01:10:23,400

know if I gotta pee or Crap Anything Can

1650

01:10:26,870 --> 01:10:25,380

Happen let's just see what happens and

1651  
01:10:28,669 --> 01:10:26,880  
you sit down and sometimes the magic

1652  
01:10:30,890 --> 01:10:28,679  
does happen but

1653  
01:10:33,890 --> 01:10:30,900  
I voluntarily it just seems like it's

1654  
01:10:37,610 --> 01:10:33,900  
it's a waste of time it's not efficient

1655  
01:10:41,630 --> 01:10:38,510  
um

1656  
01:10:44,870 --> 01:10:41,640  
so in this data Mexican males

1657  
01:10:47,090 --> 01:10:44,880  
were the most likely country to say they

1658  
01:10:49,669 --> 01:10:47,100  
never sat down

1659  
01:10:51,410 --> 01:10:49,679  
however Europe uh

1660  
01:10:53,390 --> 01:10:51,420  
uh your

1661  
01:10:55,790 --> 01:10:53,400  
where there's runner-ups with 33

1662  
01:10:57,950 --> 01:10:55,800  
abridgement saying they said the same

1663  
01:10:59,390 --> 01:10:57,960

they they never sat down

1664

01:11:02,450 --> 01:10:59,400

okay

1665

01:11:05,510 --> 01:11:02,460

very controversial poll interesting data

1666

01:11:07,790 --> 01:11:05,520

I just think they want to remove urinals

1667

01:11:09,770 --> 01:11:07,800

and this has everything this I see which

1668

01:11:12,830 --> 01:11:09,780

is this has everything to do with

1669

01:11:15,770 --> 01:11:12,840

bathroom Equity because if you go to any

1670

01:11:18,350 --> 01:11:15,780

kind of airport sport event and women

1671

01:11:20,990 --> 01:11:18,360

always complain about the lines at

1672

01:11:23,030 --> 01:11:21,000

restrooms right like like my wife's like

1673

01:11:25,910 --> 01:11:23,040

how do you guys go in in out of there so

1674

01:11:27,410 --> 01:11:25,920

fast like I I have to wait in line

1675

01:11:29,930 --> 01:11:27,420

because there's a whole big production

1676

01:11:31,790 --> 01:11:29,940

you gotta you gotta find a stall sit

1677

01:11:34,370 --> 01:11:31,800

down all that kind of stuff and so the

1678

01:11:36,830 --> 01:11:34,380

women's line is always longer so I think

1679

01:11:39,590 --> 01:11:36,840

they want to remove the urinals increase

1680

01:11:43,070 --> 01:11:39,600

the line length in time so there's

1681

01:11:44,149 --> 01:11:43,080

bathroom Equity across the board well

1682

01:11:46,669 --> 01:11:44,159

it's because your wife doesn't know

1683

01:11:48,770 --> 01:11:46,679

about the giant trough yeah just the

1684

01:11:51,470 --> 01:11:48,780

giant uh floor drain in the middle

1685

01:11:54,709 --> 01:11:53,689

that's like sports stadiums we just kind

1686

01:11:56,330 --> 01:11:54,719

of yeah

1687

01:11:58,550 --> 01:11:56,340

the piss trough

1688

01:12:00,530 --> 01:11:58,560

or the uh the real ones was basically

1689

01:12:01,910 --> 01:12:00,540

just a sloped slanted wall and you just

1690

01:12:05,270 --> 01:12:01,920

pee on it yeah it's down to a drain

1691

01:12:10,189 --> 01:12:07,669

um yeah I I do like your you're thinking

1692

01:12:11,689 --> 01:12:10,199

that this is to encourage people to be

1693

01:12:14,330 --> 01:12:11,699

sitting down so they can make all

1694

01:12:16,250 --> 01:12:14,340

restrooms exactly the same and they just

1695

01:12:17,750 --> 01:12:16,260

have just a bunch of toilets in there

1696

01:12:22,130 --> 01:12:17,760

yeah

1697

01:12:23,930 --> 01:12:22,140

game plan is here people

1698

01:12:25,729 --> 01:12:23,940

they're flushing the toilet on that guy

1699

01:12:27,770 --> 01:12:25,739

yeah they are

1700

01:12:29,870 --> 01:12:27,780

um Sweden by the way if you look at the

1701

01:12:31,010 --> 01:12:29,880

numbers down in the second chart there

1702

01:12:32,810 --> 01:12:31,020

um if you still have that open I don't

1703

01:12:35,510 --> 01:12:32,820

know but oh yeah I got it open

1704

01:12:37,850 --> 01:12:35,520

the the numbers in in his bookmarks

1705

01:12:39,350 --> 01:12:37,860

that's my homepage now okay keep an eye

1706

01:12:40,130 --> 01:12:39,360

on this study

1707

01:12:46,610 --> 01:12:40,140

um

1708

01:12:50,290 --> 01:12:46,620

for people who pee sitting down or

1709

01:12:52,729 --> 01:12:50,300

higher if for the younger categories

1710

01:12:55,189 --> 01:12:52,739

also if you know what they they the two

1711

01:12:58,130 --> 01:12:55,199

categories of Ages is 18 to 34 and then

1712

01:13:02,390 --> 01:12:58,140

55 and up what happened to 35 to 54.

1713

01:13:04,250 --> 01:13:02,400

that's a big swath of the uh

1714

01:13:05,510 --> 01:13:04,260

the population there maybe those are

1715

01:13:07,070 --> 01:13:05,520

people who all responded with none of

1716

01:13:08,209 --> 01:13:07,080

your freaking business yeah do whatever

1717

01:13:10,310 --> 01:13:08,219

I want

1718

01:13:11,390 --> 01:13:10,320

I'm being on you right now I'm telling

1719

01:13:13,550 --> 01:13:11,400

you

1720

01:13:16,850 --> 01:13:13,560

know people are flushing toilets 10

1721

01:13:21,649 --> 01:13:19,189

how's this end how do they end this up

1722

01:13:23,450 --> 01:13:21,659

uh last few paragraphs here some in

1723

01:13:26,450 --> 01:13:23,460

feminists and left wind circles say

1724

01:13:28,970 --> 01:13:26,460

sitting down to pee is more respectful

1725

01:13:31,630 --> 01:13:28,980

towards women believing ideas of

1726

01:13:34,970 --> 01:13:31,640

patriarchy encouragement to behave more

1727

01:13:35,689 --> 01:13:34,980

inconsiderable inconsiderably in the

1728

01:13:38,209 --> 01:13:35,699

bathroom

1729

01:13:40,910 --> 01:13:38,219

those on the right may claim the

1730

01:13:43,310 --> 01:13:40,920

practice represents uh domestication of

1731

01:13:45,950 --> 01:13:43,320

men with their more masculine traits

1732

01:13:48,530 --> 01:13:45,960

suppressed at the expense of more

1733

01:13:50,870 --> 01:13:48,540

feminine behaviors I think I think I

1734

01:13:52,370 --> 01:13:50,880

nailed it China right on board with that

1735

01:13:53,450 --> 01:13:52,380

one I'd like to hear what Alex Jones

1736

01:13:55,669 --> 01:13:53,460

thinks about when he goes into the

1737

01:13:57,830 --> 01:13:55,679

bathroom oh he does I mean come on

1738

01:14:00,410 --> 01:13:57,840

you know what he says

1739

01:14:01,669 --> 01:14:00,420

uh I don't know we'll check in you know

1740

01:14:03,229 --> 01:14:01,679

I'm the type of guy when even when

1741

01:14:04,850 --> 01:14:03,239

there's guys in a big bathroom I kind of

1742

01:14:07,370 --> 01:14:04,860

like well I'll just wait till I get home

1743

01:14:13,570 --> 01:14:07,380

I don't like you know I I mean how do

1744

01:14:13,580 --> 01:14:19,790

I just hold it I'm just hold it all day

1745

01:14:22,189 --> 01:14:21,169

yeah what about all the people that piss

1746

01:14:23,630 --> 01:14:22,199

in their pants

1747

01:14:25,729 --> 01:14:23,640

I guess technically they're standing up

1748

01:14:26,810 --> 01:14:25,739

and standing up well I don't know you

1749

01:14:29,450 --> 01:14:26,820

could piss in your pants sitting down

1750

01:14:31,610 --> 01:14:29,460

too that is her laying down

1751

01:14:33,410 --> 01:14:31,620

I only pee laying down in my bathroom

1752

01:14:34,729 --> 01:14:33,420

there's a big bottle of Lysol well

1753

01:14:36,770 --> 01:14:34,739

somebody run there and get that for me

1754

01:14:38,630 --> 01:14:36,780

yeah

1755

01:14:40,189 --> 01:14:38,640

the context of that why all of a sudden

1756

01:14:43,370 --> 01:14:40,199

it just started announcing he needed

1757

01:14:44,750 --> 01:14:43,380

Lysol on the air good question

1758

01:14:46,130 --> 01:14:44,760

I don't know what to go back and see if

1759

01:14:49,370 --> 01:14:46,140

we can dig through the archives and find

1760

01:14:55,310 --> 01:14:49,380

out chicks get on that one all right uh

1761

01:15:00,830 --> 01:14:58,490

suck my titties

1762

01:15:03,590 --> 01:15:00,840

by the way I forgot uh uh of course as

1763

01:15:06,169 --> 01:15:03,600

as guests European gross funny European

1764

01:15:07,550 --> 01:15:06,179

news credit to Herman for that one he's

1765

01:15:09,430 --> 01:15:07,560

on the Forefront

1766

01:15:11,510 --> 01:15:09,440

I think he was running that stuff

1767

01:15:12,890 --> 01:15:11,520

suspiciously I did notice that entire

1768

01:15:14,870 --> 01:15:12,900

study did not reference the Netherlands

1769

01:15:16,490 --> 01:15:14,880

at any point so

1770

01:15:18,590 --> 01:15:16,500

when he wonder if he was like deleting

1771

01:15:20,689 --> 01:15:18,600

those that line of data

1772

01:15:21,770 --> 01:15:20,699

Maybe

1773

01:15:24,050 --> 01:15:21,780

all right

1774

01:15:25,550 --> 01:15:24,060

um see you want uh you did some time

1775

01:15:28,250 --> 01:15:25,560

trap I'll give you two choices here you

1776

01:15:30,830 --> 01:15:28,260

want time traveling Vandal news or do

1777

01:15:34,189 --> 01:15:30,840

you want machines demanding Money for

1778

01:15:36,130 --> 01:15:34,199

Nothing news time traveling vandals all

1779

01:15:40,189 --> 01:15:36,140

right

1780

01:15:41,810 --> 01:15:40,199

oh one okay just one one's enough one's

1781

01:15:46,669 --> 01:15:41,820

all you need breaking news is happening

1782

01:15:51,709 --> 01:15:48,890

and we'll find out

1783

01:15:53,870 --> 01:15:51,719

uh man claiming to be time travel throws

1784

01:15:56,330 --> 01:15:53,880

brick through window to save homeowners

1785

01:15:57,410 --> 01:15:56,340

that's some good news on that front yeah

1786

01:16:00,050 --> 01:15:57,420

if he wouldn't have come back through

1787

01:16:02,450 --> 01:16:00,060

time they may have died

1788

01:16:04,910 --> 01:16:02,460

uh a 37 year old man claiming to be a

1789

01:16:07,790 --> 01:16:04,920

time traveler was arrested after he told

1790

01:16:09,590 --> 01:16:07,800

the Ocala police that he threw a brick

1791

01:16:13,610 --> 01:16:09,600

through the home window to save the

1792

01:16:15,470 --> 01:16:13,620

occupants from a future event

1793

01:16:16,550 --> 01:16:15,480

exactly what I would do if I was a time

1794

01:16:18,770 --> 01:16:16,560

traveler

1795

01:16:21,169 --> 01:16:18,780

it's a it's a classic move you go around

1796

01:16:23,870 --> 01:16:21,179

start vandalizing stuff to start saving

1797

01:16:24,830 --> 01:16:23,880

some lives right gonna get him out of

1798

01:16:26,750 --> 01:16:24,840

that house

1799

01:16:28,310 --> 01:16:26,760

he can't knock on the doors too they're

1800

01:16:29,689 --> 01:16:28,320

not going to answer that's not gonna get

1801  
01:16:32,209 --> 01:16:29,699  
him going

1802  
01:16:34,070 --> 01:16:32,219  
down no no

1803  
01:16:35,990 --> 01:16:34,080  
it's not gonna work

1804  
01:16:37,270 --> 01:16:36,000  
you gotta start smashing and demolishing

1805  
01:16:44,350 --> 01:16:37,280  
places

1806  
01:16:48,290 --> 01:16:46,490  
the brick doesn't work you got to take

1807  
01:16:49,810 --> 01:16:48,300  
it up a notch you know

1808  
01:16:52,910 --> 01:16:49,820  
foreign

1809  
01:16:55,070 --> 01:16:52,920  
violent to save these people on Saturday

1810  
01:16:57,530 --> 01:16:55,080  
May 13th the Oakland Police Department

1811  
01:16:59,870 --> 01:16:57,540  
Officer responded to a local residence

1812  
01:17:01,370 --> 01:16:59,880  
in reference to a possible burglary upon

1813  
01:17:03,169 --> 01:17:01,380

arrival the officers made contact with

1814

01:17:04,850 --> 01:17:03,179

the victims who's who own the home

1815

01:17:06,470 --> 01:17:04,860

according to the arrest report the

1816

01:17:09,169 --> 01:17:06,480

victims told the officers that a loud

1817

01:17:12,229 --> 01:17:09,179

crash woke them up and they heard their

1818

01:17:17,410 --> 01:17:12,239

baby crying when they checked on their

1819

01:17:21,169 --> 01:17:17,420

baby they observed that the uh venomous

1820

01:17:24,470 --> 01:17:21,179

abaston that filled with stuffed animals

1821

01:17:27,709 --> 01:17:24,480

uh was on the floor and and the window

1822

01:17:30,530 --> 01:17:27,719

was smashed they advised that a large

1823

01:17:32,689 --> 01:17:30,540

rock or large brick was found on the

1824

01:17:34,070 --> 01:17:32,699

floor according to the police report in

1825

01:17:36,590 --> 01:17:34,080

addition the victim stated that they

1826

01:17:39,290 --> 01:17:36,600

found a book outside their home near the

1827

01:17:41,209 --> 01:17:39,300

front door and did not belong to them

1828

01:17:42,950 --> 01:17:41,219

so this is this is very interesting this

1829

01:17:45,169 --> 01:17:42,960

is always he brought a book too in case

1830

01:17:46,669 --> 01:17:45,179

he got bored or what well depending on

1831

01:17:48,950 --> 01:17:46,679

the type of time travel that he's doing

1832

01:17:51,290 --> 01:17:48,960

he might have to spend a long time

1833

01:17:53,450 --> 01:17:51,300

waiting in one spot for time to catch up

1834

01:17:55,430 --> 01:17:53,460

so you take a ball so if he's not very

1835

01:17:56,810 --> 01:17:55,440

good at targeting his time travel he may

1836

01:17:57,950 --> 01:17:56,820

get there but it's 20 years too early so

1837

01:17:59,750 --> 01:17:57,960

he needs a book or something yeah I hope

1838

01:18:02,209 --> 01:17:59,760

not 20 years maybe just maybe 20 minutes

1839

01:18:03,770 --> 01:18:02,219

but oh well you said long time I don't

1840

01:18:05,390 --> 01:18:03,780

know long time

1841

01:18:07,970 --> 01:18:05,400

maybe he's got a whole bunch of books he

1842

01:18:09,770 --> 01:18:07,980

also walked around the perimeter of the

1843

01:18:11,630 --> 01:18:09,780

victim's home and noted that it noted in

1844

01:18:13,910 --> 01:18:11,640

the report that the gate to the backyard

1845

01:18:15,950 --> 01:18:13,920

was open the officers observed a broken

1846

01:18:17,270 --> 01:18:15,960

window and the window screen was found

1847

01:18:19,490 --> 01:18:17,280

on the ground

1848

01:18:22,070 --> 01:18:19,500

uh the back door to the victim's pool

1849

01:18:24,470 --> 01:18:22,080

was also open sounds like a very unkept

1850

01:18:26,890 --> 01:18:24,480

household it sounds like everything is

1851

01:18:29,510 --> 01:18:26,900

kind of in this array

1852

01:18:31,189 --> 01:18:29,520

uh the victims informed the officer that

1853

01:18:33,649 --> 01:18:31,199

prior to the incident the gate was

1854

01:18:36,530 --> 01:18:33,659

Secure and the screen was on the window

1855

01:18:38,750 --> 01:18:36,540

likely story yeah sure right yeah I'd

1856

01:18:40,729 --> 01:18:38,760

take my screen off every night

1857

01:18:42,410 --> 01:18:40,739

put this out here it doesn't get ruined

1858

01:18:45,169 --> 01:18:42,420

silver officers came as the neighborhood

1859

01:18:47,030 --> 01:18:45,179

in an attempt to locate the nearby in an

1860

01:18:49,790 --> 01:18:47,040

attempt to allocate a nearby security

1861

01:18:51,430 --> 01:18:49,800

camera ambers uh in the residence was

1862

01:18:55,250 --> 01:18:51,440

observed

1863

01:18:56,990 --> 01:18:55,260

that had an open front door

1864

01:18:58,070 --> 01:18:57,000

the officers made contact with one of

1865

01:19:00,550 --> 01:18:58,080

the home occupants who identified

1866

01:19:02,810 --> 01:19:00,560

himself as Daniel Robert Dinkins

1867

01:19:04,850 --> 01:19:02,820

according to the police report the

1868

01:19:06,110 --> 01:19:04,860

officers told Dinkins that they were in

1869

01:19:08,450 --> 01:19:06,120

the neighborhood investigating a

1870

01:19:10,370 --> 01:19:08,460

burglary that they had that occurred

1871

01:19:14,270 --> 01:19:10,380

down the road dinkin spontaneously told

1872

01:19:16,370 --> 01:19:14,280

the officers that may have been me

1873

01:19:18,290 --> 01:19:16,380

he further informed the officers that he

1874

01:19:22,189 --> 01:19:18,300

had gone swimming at the victim's home

1875

01:19:24,709 --> 01:19:23,689

Never Lie

1876

01:19:27,110 --> 01:19:24,719

wait

1877

01:19:28,729 --> 01:19:27,120

wasn't David Dinkins the mayor of New

1878

01:19:30,169 --> 01:19:28,739

York did this guy did he go back in time

1879

01:19:33,290 --> 01:19:30,179

he's too young but he came forward in

1880

01:19:35,689 --> 01:19:33,300

time is it the hmm good call

1881

01:19:37,430 --> 01:19:35,699

uh after being read as Miranda rights

1882

01:19:39,350 --> 01:19:37,440

Lincoln admitted that he broke into the

1883

01:19:41,090 --> 01:19:39,360

victim's residence to go swimming in

1884

01:19:43,310 --> 01:19:41,100

their pool and left the book on the

1885

01:19:44,570 --> 01:19:43,320

front porch on the front door because he

1886

01:19:47,450 --> 01:19:44,580

wanted to share the book with him

1887

01:19:49,189 --> 01:19:47,460

according to the police report see I'll

1888

01:19:52,189 --> 01:19:49,199

leave you a gift

1889

01:19:54,530 --> 01:19:52,199

it's from the future I think it's

1890

01:19:56,149 --> 01:19:54,540

further admitted that he grabbed a brick

1891

01:19:58,790 --> 01:19:56,159

and used it to break the window the

1892

01:20:00,290 --> 01:19:58,800

Bridgeport Police reports stated that

1893

01:20:02,330 --> 01:20:00,300

Dickens told the investigators that he

1894

01:20:04,130 --> 01:20:02,340

was a time traveler and needed to save

1895

01:20:06,770 --> 01:20:04,140

the victims from an event that is going

1896

01:20:08,810 --> 01:20:06,780

to occur in the future during the

1897

01:20:10,669 --> 01:20:08,820

post-miranda interview Dinkins advised

1898

01:20:13,189 --> 01:20:10,679

that he was unaware that the baby baby

1899

01:20:15,350 --> 01:20:13,199

was inside the room where the the the

1900

01:20:16,790 --> 01:20:15,360

broken window occurred he also told

1901

01:20:19,250 --> 01:20:16,800

investigators that he was trying to save

1902

01:20:23,030 --> 01:20:19,260

the baby from something way in the

1903

01:20:26,090 --> 01:20:23,040

future when the child is much older ah I

1904

01:20:30,290 --> 01:20:26,100

suspect that this guy David Dinkins

1905

01:20:33,050 --> 01:20:30,300

himself is the baby in that room oh

1906

01:20:34,370 --> 01:20:33,060

and then he eventually grows up to

1907

01:20:38,770 --> 01:20:34,380

become the mayor of New York

1908

01:20:43,130 --> 01:20:41,390

Dinkins was arrested transported to

1909

01:20:45,410 --> 01:20:43,140

Marion County Jail and he was released

1910

01:20:47,570 --> 01:20:45,420

the same day on fifteen thousand dollars

1911

01:20:52,010 --> 01:20:47,580

Bond and he's facing a felony to charge

1912

01:20:55,430 --> 01:20:52,020

for burglary uh of an occupy dwelling

1913

01:20:56,870 --> 01:20:55,440

the court date has not been scheduled

1914

01:20:59,689 --> 01:20:56,880

okay

1915

01:21:02,810 --> 01:20:59,699

so we have a baby in the future going

1916

01:21:04,430 --> 01:21:02,820

back in time to warn himself

1917

01:21:07,189 --> 01:21:04,440

so that he can eventually then go

1918

01:21:08,930 --> 01:21:07,199

farther back in time and become mayor of

1919

01:21:11,390 --> 01:21:08,940

New York

1920

01:21:14,810 --> 01:21:11,400

there you go yeah

1921

01:21:16,850 --> 01:21:14,820

it all makes sense now I think the Judge

1922

01:21:19,250 --> 01:21:16,860

should let him out because he did give

1923

01:21:22,149 --> 01:21:19,260

he did give him this is released I think

1924

01:21:27,290 --> 01:21:24,649

when he left the book so don't do it

1925

01:21:30,950 --> 01:21:27,300

again yeah a book is definitely worth a

1926

01:21:32,870 --> 01:21:30,960

smash window and some swim time

1927

01:21:36,310 --> 01:21:32,880

maybe he banned the floor get out of

1928

01:21:40,550 --> 01:21:38,689

this is a better story than the that

1929

01:21:42,830 --> 01:21:40,560

Indiana Jones movie uh yeah this

1930

01:21:45,649 --> 01:21:42,840

actually would make for a better plot

1931

01:21:47,750 --> 01:21:45,659

I mean the time traveling baby saving

1932

01:21:49,310 --> 01:21:47,760

swimmer

1933

01:21:51,350 --> 01:21:49,320

he's got all the elements of the need

1934

01:21:54,050 --> 01:21:51,360

for Hollywood script in fact I could

1935

01:21:56,209 --> 01:21:54,060

probably tell Chet GPT right there you

1936

01:21:58,550 --> 01:21:56,219

go let's write this story I mean there's

1937

01:22:01,430 --> 01:21:58,560

a writer's strike write the ending to

1938

01:22:04,610 --> 01:22:01,440

this and uh yeah it's gonna be that that

1939

01:22:07,310 --> 01:22:04,620

baby is David Dinkins the time traveler

1940

01:22:08,870 --> 01:22:07,320

he came back to save himself

1941

01:22:10,850 --> 01:22:08,880

man there's so many so many good

1942

01:22:13,250 --> 01:22:10,860

Terminator kind of things in here what

1943

01:22:16,250 --> 01:22:13,260

would we call this this story here uh

1944

01:22:18,050 --> 01:22:16,260

let me [h\_\_h] your mother no not that nah

1945

01:22:21,590 --> 01:22:18,060

it's not a good one

1946

01:22:22,729 --> 01:22:21,600

uh if it's probably Dylan no it could be

1947

01:22:27,649 --> 01:22:22,739

called Dylan

1948

01:22:28,550 --> 01:22:27,659

Dylan it kind of makes you think you

1949

01:22:30,709 --> 01:22:28,560

know

1950

01:22:37,090 --> 01:22:30,719

followed by the sequel Dylan to you son

1951

01:22:42,530 --> 01:22:40,910

that's more of a theme than uh than a

1952

01:22:44,270 --> 01:22:42,540

title for a movie and then they can wrap

1953

01:22:48,169 --> 01:22:44,280

up the trilogy with Dylan pushing too

1954

01:22:50,270 --> 01:22:48,179

many pencils yeah do you understand it

1955

01:22:52,250 --> 01:22:50,280

all right let's do uh one more wacky uh

1956

01:22:57,110 --> 01:22:52,260

news story I'm gonna do like a couple

1957

01:23:01,970 --> 01:22:59,510

by the way my vote for uh title is uh

1958

01:23:05,950 --> 01:23:01,980

baby time because that works multiple

1959

01:23:08,810 --> 01:23:05,960

ways baby time yeah okay

1960

01:23:10,790 --> 01:23:08,820

grow up and they they you know to have a

1961

01:23:15,110 --> 01:23:10,800

baby it's baby making time but I was

1962

01:23:19,630 --> 01:23:15,120

talking about baby time oh I see okay

1963

01:23:24,050 --> 01:23:19,640

wrap your mind around that one yamukio

1964

01:23:29,149 --> 01:23:26,810

yeah um all right so here's this one

1965

01:23:32,810 --> 01:23:29,159

came up and it's it's it's goofy but

1966

01:23:35,270 --> 01:23:32,820

also just generally strange that uh we

1967

01:23:37,010 --> 01:23:35,280

now have uh machines demanding money for

1968

01:23:41,209 --> 01:23:37,020

doing nothing

1969

01:23:42,890 --> 01:23:41,219

so me and the machine's having this job

1970

01:23:45,050 --> 01:23:42,900

if you were doing this job you could say

1971

01:23:47,149 --> 01:23:45,060

how about a tip but there's a machine

1972

01:23:48,649 --> 01:23:47,159

doing it okay we'll find out what's

1973

01:23:51,470 --> 01:23:48,659

going on here

1974

01:23:55,550 --> 01:23:51,480

uh self-checkout machines now ask for

1975

01:23:59,810 --> 01:23:55,560

tips in latest squeeze on customers I'm

1976

01:23:59,820 --> 01:24:05,810

this is [h\_\_h]

1977

01:24:11,470 --> 01:24:08,810

this can't be real it is real look at

1978

01:24:15,770 --> 01:24:14,209

customers already contending with the

1979

01:24:17,689 --> 01:24:15,780

squeeze on their bank account due to

1980

01:24:20,090 --> 01:24:17,699

inflation are now facing more pressure

1981

01:24:25,729 --> 01:24:20,100

as businesses introduce new tipping

1982

01:24:31,669 --> 01:24:29,030

push it all of it

1983

01:24:34,189 --> 01:24:31,679

companies including airports bakeries

1984

01:24:37,370 --> 01:24:34,199

coffee shops and sports stadiums have

1985

01:24:39,410 --> 01:24:37,380

introduced the self-serve tipping option

1986

01:24:41,870 --> 01:24:39,420

where customers can leave tips including

1987

01:24:44,450 --> 01:24:41,880

the typical 20 percent despite facing

1988

01:24:47,209 --> 01:24:44,460

minimal or no interaction with any

1989

01:24:49,010 --> 01:24:47,219

employee according to a recent report by

1990

01:24:51,350 --> 01:24:49,020

The Wall Street Journal and yeah this is

1991

01:24:54,050 --> 01:24:51,360

I mean this is out of control and I'm

1992

01:24:56,030 --> 01:24:54,060

like a good Tipper but now I am tipping

1993

01:24:58,490 --> 01:24:56,040

even more like everywhere I go where

1994

01:25:01,550 --> 01:24:58,500

they have like those card readers it's

1995

01:25:04,550 --> 01:25:01,560

like 18 tip like on everything like and

1996

01:25:07,970 --> 01:25:04,560

I don't mind tipping people uh but it is

1997

01:25:10,310 --> 01:25:07,980

now every interaction literally has a

1998

01:25:12,590 --> 01:25:10,320

tipping option the only only spots that

1999

01:25:15,169 --> 01:25:12,600

don't have them are like I think the big

2000

01:25:16,669 --> 01:25:15,179

box stores like Walmart or Target or

2001

01:25:18,290 --> 01:25:16,679

things like that I'm sure that's coming

2002

01:25:19,790 --> 01:25:18,300

I think so for the line at Home Depot

2003

01:25:21,290 --> 01:25:19,800

it's gonna ask you for a tip by the way

2004

01:25:23,209 --> 01:25:21,300

notice the little throwaway line in

2005

01:25:25,970 --> 01:25:23,219

there in the second paragraph the

2006

01:25:28,790 --> 01:25:25,980

typical 20 when did 20 become the

2007

01:25:33,169 --> 01:25:28,800

typical it's not it's typically it is

2008

01:25:34,610 --> 01:25:33,179

10. I 10 10 to 15 18 if you get screwed

2009

01:25:36,590 --> 01:25:34,620

by some big restaurant 20 if someone

2010

01:25:39,830 --> 01:25:36,600

goes way above and beyond and I'm a 20

2011

01:25:42,649 --> 01:25:39,840

Tipper kind of guy I am I'm I'd like

2012

01:25:45,530 --> 01:25:42,659

throw money around I want the money but

2013

01:25:48,350 --> 01:25:45,540

this is ridiculous tipping 20 on my my

2014

01:25:51,050 --> 01:25:48,360

going to buy a single KitKat yeah tip

2015

01:25:53,330 --> 01:25:51,060

yes eight cents there you go

2016

01:25:56,689 --> 01:25:53,340

customers report feeling obligated to

2017

01:25:58,490 --> 01:25:56,699

leave a tip as they question where and

2018

01:26:01,010 --> 01:25:58,500

to whom the extra money is actually

2019

01:26:02,870 --> 01:26:01,020

going but businesses are increasingly

2020

01:26:05,090 --> 01:26:02,880

embracing the option to boost pay for

2021

01:26:06,890 --> 01:26:05,100

workers outside salaries according to

2022

01:26:09,770 --> 01:26:06,900

the Wall Street Journal

2023

01:26:13,430 --> 01:26:09,780

uh William Michael Flynn a customer

2024

01:26:15,470 --> 01:26:13,440

behavior in tip culture professor at

2025

01:26:17,689 --> 01:26:15,480

Cornell University's Nolan School of

2026

01:26:19,970 --> 01:26:17,699

Hotel Administration told the newspaper

2027

01:26:21,050 --> 01:26:19,980

that businesses are taking advantage of

2028

01:26:23,810 --> 01:26:21,060

the opportunity

2029

01:26:27,530 --> 01:26:23,820

and who wouldn't want to get extra money

2030

01:26:30,290 --> 01:26:27,540

for very little cost if you could

2031

01:26:31,370 --> 01:26:30,300

so you're just basically saying screw

2032

01:26:34,070 --> 01:26:31,380

you

2033

01:26:43,250 --> 01:26:34,080

the service is not really what we're

2034

01:26:47,030 --> 01:26:44,750

really well if it was what if it said

2035

01:26:49,370 --> 01:26:47,040

that on the screen that I would tip for

2036

01:26:53,030 --> 01:26:49,380

that instead of it I want some money and

2037

01:26:56,689 --> 01:26:55,010

if the if you check out self checkout

2038

01:26:58,370 --> 01:26:56,699

said that yeah I'm like oh [h\_\_h] I'm

2039

01:27:00,169 --> 01:26:58,380

scared

2040

01:27:02,209 --> 01:27:00,179

also what if they started shaming people

2041

01:27:04,129 --> 01:27:02,219

so if you go through the self-checkout

2042

01:27:06,229 --> 01:27:04,139

and you don't tip they like

2043

01:27:07,430 --> 01:27:06,239

play a noise or flash a light at you or

2044

01:27:09,129 --> 01:27:07,440

something yeah curse at you or something

2045

01:27:11,930 --> 01:27:09,139

like that you [h\_\_h] goddamn [h\_\_h]

2046

01:27:13,850 --> 01:27:11,940

what the [h\_\_h] your problem

2047

01:27:17,270 --> 01:27:13,860

did not tip

2048

01:27:20,090 --> 01:27:17,280

God you goddamn [h\_\_h] [h\_\_h] [h\_\_h]

2049

01:27:22,070 --> 01:27:20,100

at the start of 2023 customers we're

2050

01:27:23,990 --> 01:27:22,080

already feeling the frustrations as

2051  
01:27:26,330 --> 01:27:24,000  
unexpected companies unexpected

2052  
01:27:29,030 --> 01:27:26,340  
companies were not only requesting tips

2053  
01:27:31,430 --> 01:27:29,040  
but some businesses were asking for up

2054  
01:27:33,590 --> 01:27:31,440  
to 30 percent according to the

2055  
01:27:35,570 --> 01:27:33,600  
Associated Press customers including the

2056  
01:27:37,010 --> 01:27:35,580  
Wall Street day trader and college

2057  
01:27:38,510 --> 01:27:37,020  
students share their experience with

2058  
01:27:41,390 --> 01:27:38,520  
leaving tips at fast food restaurants

2059  
01:27:43,729 --> 01:27:41,400  
and drive through services and brand

2060  
01:27:45,050 --> 01:27:43,739  
name coffee shops like Starbucks

2061  
01:27:47,990 --> 01:27:45,060  
yeah

2062  
01:27:51,110 --> 01:27:48,000  
uh quote I feel like there's an

2063  
01:27:53,330 --> 01:27:51,120

automatic question to ask for tipping uh

2064

01:27:56,450 --> 01:27:53,340

there should be fine print stating where

2065

01:27:58,970 --> 01:27:56,460

these tips go I agree it doesn't help to

2066

01:28:00,890 --> 01:27:58,980

it doesn't go into my pockets shut up

2067

01:28:03,110 --> 01:28:00,900

it doesn't have to be huge but it should

2068

01:28:07,129 --> 01:28:03,120

be in writing on the screen saying that

2069

01:28:09,770 --> 01:28:07,139

these tips yeah this is a day trader a

2070

01:28:12,169 --> 01:28:09,780

day trader saying this so yeah I want I

2071

01:28:13,910 --> 01:28:12,179

want a contract

2072

01:28:15,350 --> 01:28:13,920

uh it doesn't have to be huge but it

2073

01:28:17,030 --> 01:28:15,360

should be in writing or on the screen

2074

01:28:18,950 --> 01:28:17,040

saying that these tips help out

2075

01:28:21,530 --> 01:28:18,960

employees and these tips go to all

2076

01:28:24,649 --> 01:28:21,540

employees which includes management it

2077

01:28:25,490 --> 01:28:24,659

should be specified I don't think first

2078

01:28:26,870 --> 01:28:25,500

of all I don't think that's true

2079

01:28:29,390 --> 01:28:26,880

secondly why are we now tipping

2080

01:28:31,310 --> 01:28:29,400

management yeah oh yeah [h\_\_h]

2081

01:28:33,950 --> 01:28:31,320

management good job with that

2082

01:28:36,229 --> 01:28:33,960

spreadsheet Jesus Christ this has gone

2083

01:28:38,330 --> 01:28:36,239

too far it really has gone this is this

2084

01:28:41,030 --> 01:28:38,340

it's it speaks to the state of the

2085

01:28:43,910 --> 01:28:41,040

economy and like

2086

01:28:46,189 --> 01:28:43,920

like no one's getting paid what they

2087

01:28:47,870 --> 01:28:46,199

want or what they're worth I suppose

2088

01:28:50,570 --> 01:28:47,880

especially the service industry

2089

01:28:51,890 --> 01:28:50,580

everyone's struggling out there

2090

01:28:53,810 --> 01:28:51,900

and so they're trying to get it from

2091

01:28:55,010 --> 01:28:53,820

wherever they can because the businesses

2092

01:28:56,750 --> 01:28:55,020

aren't paying

2093

01:28:58,310 --> 01:28:56,760

yeah but you know darn well if you're

2094

01:29:00,709 --> 01:28:58,320

working at your grocery store at your

2095

01:29:03,470 --> 01:29:00,719

local Kroger or Safeway or whatever

2096

01:29:04,669 --> 01:29:03,480

um or Ralph's or Piggly Wiggly

2097

01:29:06,770 --> 01:29:04,679

um

2098

01:29:07,970 --> 01:29:06,780

if there's if the self-checkout machines

2099

01:29:10,129 --> 01:29:07,980

are are

2100

01:29:12,229 --> 01:29:10,139

asking for tips and people pay that 18

2101  
01:29:13,430 --> 01:29:12,239  
20 25 30 whatever the hell they're

2102  
01:29:15,890 --> 01:29:13,440  
getting ripped off

2103  
01:29:17,030 --> 01:29:15,900  
you know that's not hitting your

2104  
01:29:20,090 --> 01:29:17,040  
paycheck

2105  
01:29:22,930 --> 01:29:20,100  
every two weeks no it's not I just say I

2106  
01:29:27,110 --> 01:29:22,940  
won't tip no computers broke

2107  
01:29:28,669 --> 01:29:27,120  
this computer is broke computers broke I

2108  
01:29:29,930 --> 01:29:28,679  
don't like the self-checkout Lanes

2109  
01:29:32,930 --> 01:29:29,940  
anyway because they seem to somehow

2110  
01:29:34,010 --> 01:29:32,940  
invariably take longer yeah and then

2111  
01:29:35,570 --> 01:29:34,020  
going through the regular one well yeah

2112  
01:29:37,610 --> 01:29:35,580  
when you're ringing yourself out like

2113  
01:29:40,070 --> 01:29:37,620

you ring through some item and then like

2114

01:29:41,930 --> 01:29:40,080

the flashing light over you and it's

2115

01:29:43,070 --> 01:29:41,940

like oh everyone's looking at me now and

2116

01:29:44,930 --> 01:29:43,080

then at that point might as well just

2117

01:29:47,090 --> 01:29:44,940

leave your [h\_\_h] and go I give up I'm

2118

01:29:49,250 --> 01:29:47,100

going home yeah I'm out I'll try again

2119

01:29:51,470 --> 01:29:49,260

tomorrow

2120

01:29:53,510 --> 01:29:51,480

I'll come back this guy's here again

2121

01:29:55,910 --> 01:29:53,520

once this thing's in the system and it

2122

01:29:57,649 --> 01:29:55,920

scans properly I'll come back and do it

2123

01:30:00,470 --> 01:29:57,659

I'll just abandoned all my stuff right

2124

01:30:02,330 --> 01:30:00,480

there yep College traffic jam

2125

01:30:04,910 --> 01:30:02,340

five cards worth of groceries right

2126

01:30:07,550 --> 01:30:04,920

there five cars of groceries

2127

01:30:10,250 --> 01:30:07,560

right there put it away clean it up and

2128

01:30:15,189 --> 01:30:10,260

it's all Frozen stuffed only Frozen

2129

01:30:22,070 --> 01:30:19,850

carts ice cream first one nope

2130

01:30:24,709 --> 01:30:22,080

I'm done it didn't work the way I

2131

01:30:28,729 --> 01:30:24,719

expected no tip [h\_\_\h] that

2132

01:30:32,990 --> 01:30:30,530

they might get frustrated after like day

2133

01:30:34,910 --> 01:30:33,000

three or four of having to do that but

2134

01:30:37,370 --> 01:30:34,920

customers always right you're gonna have

2135

01:30:38,390 --> 01:30:37,380

a sign on the door of your local Kroger

2136

2148

01:31:09,350 --> 01:31:06,840

thing right like over in uh I know Japan

2149

01:31:11,750 --> 01:31:09,360

they don't accept tips a lot of uh

2150

01:31:15,590 --> 01:31:11,760

Australia like at the bar they don't

2151  
01:31:17,930 --> 01:31:15,600  
accept tips I don't know about the UK

2152  
01:31:19,790 --> 01:31:17,940  
um the UK you can pay solely the

2153  
01:31:26,330 --> 01:31:19,800

01:31:34,370 --> 01:31:28,189

2155  
01:31:42,410 --> 01:31:38,209

2156  
01:31:45,169 --> 01:31:42,420  
oh just uh just some ramp up of

2157  
01:31:48,050 --> 01:31:45,179  
escalating tensions let me uh get my

2158  
01:31:51,830 --> 01:31:48,060  
live level leveler going

2159  
01:31:54,709 --> 01:31:51,840  
we boost EQ compressed level

2160  
01:31:56,750 --> 01:31:54,719  
here I got a limit here we go we're

2161  
01:31:59,390 --> 01:31:56,760  
gonna limit right now here we go

2162  
01:32:01,310 --> 01:31:59,400  
meanwhile China may move up its plan to

2163  
01:32:04,370 --> 01:32:01,320

build a world-class military by the mid

2164

01:32:06,950 --> 01:32:04,380

21st century this is as per the draft of

2165

01:32:09,470 --> 01:32:06,960

the annual defense report by Japan and

2166

01:32:11,629 --> 01:32:09,480

this comes after claims that Beijing is

2167

01:32:13,910 --> 01:32:11,639

building up and modernizing its military

2168

01:32:16,250 --> 01:32:13,920

the Japanese draft defense paper

2169

01:32:18,649 --> 01:32:16,260

expresses concerns over increasing

2170

01:32:21,530 --> 01:32:18,659

Russian and Chinese military activities

2171

01:32:23,570 --> 01:32:21,540

in the waters around the country it says

2172

01:32:26,270 --> 01:32:23,580

that the military buildup is clearly a

2173

01:32:28,310 --> 01:32:26,280

show of force to Japan the paper is said

2174

01:32:30,890 --> 01:32:28,320

to be formally reported at a cabinet

2175

01:32:33,110 --> 01:32:30,900

meeting and released in July

2176  
01:32:37,250 --> 01:32:33,120  
as per the paper China could possess

2177  
01:32:38,990 --> 01:32:37,260  
1500 nuclear warheads by 2035. China's

2178  
01:32:40,910 --> 01:32:39,000  
focused on seeking dominance in New

2179  
01:32:43,850 --> 01:32:40,920  
Frontiers including the outer space

2180  
01:32:46,430 --> 01:32:43,860  
cyberspace and electromagnetic Warfare

2181  
01:32:48,590 --> 01:32:46,440  
Chinese leader SRI Jinping had earlier

2182  
01:32:50,709 --> 01:32:48,600  
vowed to build a world-class military by

2183  
01:32:54,169 --> 01:32:50,719  
the mid 21st century

2184  
01:32:56,030 --> 01:32:54,179  
buddy defense paper says that China may

2185  
01:32:59,570 --> 01:32:56,040  
move this deadline forward

2186  
01:33:01,310 --> 01:32:59,580  
in October 2022 China's president SRI

2187  
01:33:03,290 --> 01:33:01,320  
Jinping also called for a rapid

2188  
01:33:08,649 --> 01:33:03,300

elevation of the people's Liberation

2189

01:33:15,970 --> 01:33:11,050

music

2190

01:33:20,209 --> 01:33:18,350

at the beginning they said that the uh

2191

01:33:22,250 --> 01:33:20,219

the Chinese Army is building up

2192

01:33:23,830 --> 01:33:22,260

according to the Japanese according to

2193

01:33:26,870 --> 01:33:23,840

the Japanese meaning that the Japanese

2194

01:33:28,850 --> 01:33:26,880

want to build up their military all

2195

01:33:31,850 --> 01:33:28,860

their hey we need all they should they

2196

01:33:33,950 --> 01:33:31,860

should try the Ukraine trick yeah

2197

01:33:36,050 --> 01:33:33,960

like they just start traveling around

2198

01:33:38,270 --> 01:33:36,060

the world go now I I need all your money

2199

01:33:42,649 --> 01:33:38,280

for the year for 16. this could be a

2200

01:33:44,990 --> 01:33:42,659

problem that's my zolinski I like it

2201

01:33:49,209 --> 01:33:45,000

um but they're uh yeah so escalating

2202

01:33:53,270 --> 01:33:49,219

tensions uh and here's some more Chinese

2203

01:33:57,229 --> 01:33:55,310

get the air on beijing's role in

2204

01:33:59,149 --> 01:33:57,239

meddling with its domestic elections

2205

01:34:01,129 --> 01:33:59,159

Canada's top official handling the

2206

01:34:03,709 --> 01:34:01,139

investigation said China sought to

2207

01:34:06,530 --> 01:34:03,719

interfere in Canada's last two elections

2208

01:34:08,810 --> 01:34:06,540

but clearly failed to sway the outcome

2209

01:34:10,669 --> 01:34:08,820

authorities have also ruled out a public

2210

01:34:13,850 --> 01:34:10,679

inquiry into the matter which the

2211

01:34:15,709 --> 01:34:13,860

opposition has been demanding Beijing on

2212

01:34:17,930 --> 01:34:15,719

the other hand has repeatedly denied the

2213

01:34:20,090 --> 01:34:17,940

accusations these allegations are based

2214

01:34:22,610 --> 01:34:20,100

on leaked intelligence documents and

2215

01:34:24,410 --> 01:34:22,620

unnamed sources which include secret

2216

01:34:26,570 --> 01:34:24,420

campaign donations and some Chinese

2217

01:34:28,970 --> 01:34:26,580

operatives working for Canadian

2218

01:34:31,610 --> 01:34:28,980

candidates or lawmakers in an attempt to

2219

01:34:33,350 --> 01:34:31,620

influence policy

2220

01:34:34,910 --> 01:34:33,360

okay David Johnston

2221

01:34:36,770 --> 01:34:34,920

the official heading the probe

2222

01:34:38,629 --> 01:34:36,780

highlighted that foreign governments

2223

01:34:40,790 --> 01:34:38,639

have been trying to influence voters

2224

01:34:42,890 --> 01:34:40,800

mandate and their choices but that did

2225

01:34:44,990 --> 01:34:42,900

not have any impact on the results of

2226

01:34:47,510 --> 01:34:45,000

the election he further stated that

2227

01:34:49,430 --> 01:34:47,520

ottawa's elections are well protected by

2228

01:34:51,350 --> 01:34:49,440

sophisticated mechanisms and there is no

2229

01:34:53,510 --> 01:34:51,360

basis to lack confidence in those

2230

01:34:56,990 --> 01:34:53,520

results now initial findings reveal that

2231

01:34:59,149 --> 01:34:57,000

common interference techniques used

2232

01:35:01,310 --> 01:34:59,159

ranging from cyber attacks online

2233

01:35:02,510 --> 01:35:01,320

influence campaigns disinformation and

2234

01:35:05,149 --> 01:35:02,520

even the exploitation of Human

2235

01:35:07,610 --> 01:35:05,159

Relationships not a joke David Johnston

2236

01:35:09,290 --> 01:35:07,620

while highlighting the dangers of such a

2237

01:35:11,689 --> 01:35:09,300

move said more remains to be done

2238

01:35:14,030 --> 01:35:11,699

promptly to strengthen our capacity to

2239

01:35:16,729 --> 01:35:14,040

detect data and counter foreign

2240

01:35:19,610 --> 01:35:16,739

interference and elections okay Johnston

2241

01:35:21,890 --> 01:35:19,620

is scheduled to release a final report

2242

01:35:23,930 --> 01:35:21,900

later in October this year prime

2243

01:35:26,209 --> 01:35:23,940

minister of Canada Justin Trudeau's

2244

01:35:28,450 --> 01:35:26,219

government has recently been under Fire

2245

01:35:31,370 --> 01:35:28,460

for not giving a proper explanation over

2246

01:35:33,169 --> 01:35:31,380

beijing's alleged role in subverting

2247

01:35:36,590 --> 01:35:33,179

Canada's democracy

2248

01:35:38,390 --> 01:35:36,600

earlier this month Ottawa also expelled a

2249

01:35:39,890 --> 01:35:38,400

Chinese Diplomat who was allegedly

2250

01:35:42,709 --> 01:35:39,900

involved in meddling attempts while

2251

01:35:46,010 --> 01:35:42,719

China also reacted by sending home a

2252

01:35:50,390 --> 01:35:46,020

Canadian diplomat drugs are sex like

2253

01:35:57,410 --> 01:35:53,350

you need a time tomorrow

2254

01:35:58,970 --> 01:35:57,420

so I mean this is uh pretty interesting

2255

01:36:01,310 --> 01:35:58,980

over there I mean I'm sure people in

2256

01:36:04,370 --> 01:36:01,320

Canada already knew all this stuff that

2257

01:36:05,930 --> 01:36:04,380

uh Chinese interfered in their elections

2258

01:36:07,250 --> 01:36:05,940

and uh no there's no election

2259

01:36:11,209 --> 01:36:07,260

interference Mike it's been proven

2260

01:36:15,110 --> 01:36:11,219

overnight in Canada it appears to be

2261

01:36:17,570 --> 01:36:15,120

happening in Justin Trudeau who uh I

2262

01:36:19,070 --> 01:36:17,580

think is a greater admirer of China may

2263

01:36:22,629 --> 01:36:19,080

have gotten a Little Help From China

2264

01:36:22,639 --> 01:36:26,270

oh [h\_\_h]

2265

01:36:30,229 --> 01:36:28,070

there you go it's not too loud you're

2266

01:36:32,570 --> 01:36:30,239

going right to jail I guess so in Canada

2267

01:36:34,610 --> 01:36:32,580

yeah

2268

01:36:37,070 --> 01:36:34,620

maybe I also heard that uh Canada is

2269

01:36:40,370 --> 01:36:37,080

going to is going to permanently require

2270

01:36:43,729 --> 01:36:40,380

uh vaccinations for anybody

2271

01:36:44,350 --> 01:36:43,739

traveling to Canada so exactly that

2272

01:36:47,750 --> 01:36:44,360

yeah

2273

01:36:50,470 --> 01:36:47,760

uh I guess have fun with your covid-19

2274

01:36:54,110 --> 01:36:50,480

vaccines year-round all the time

2275

01:36:58,250 --> 01:36:54,120

constantly yep at the grocery store the

2276

01:37:01,550 --> 01:36:58,260

checkout a tip or vaccine just a tip

2277

01:37:05,270 --> 01:37:01,560

and the Bible tells us that it does yes

2278

01:37:08,330 --> 01:37:05,280

in the Bible and uh just uh let's see

2279

01:37:10,850 --> 01:37:08,340

here what else do I got here I'll uh

2280

01:37:13,189 --> 01:37:10,860

because I guess I gotta mention this

2281

01:37:15,880 --> 01:37:13,199

because this is like pretty

2282

01:37:17,149 --> 01:37:15,890

salacious news

2283

01:37:19,610 --> 01:37:17,159

[Music]

2284

01:37:21,770 --> 01:37:19,620

it's salacious crumb Mr laces crumb

2285

01:37:23,810 --> 01:37:21,780

who's now unemployed he used to work at

2286

01:37:26,330 --> 01:37:23,820

the Star Wars Hotel he works at the

2287

01:37:27,890 --> 01:37:26,340

hotel you're fired he's now on he was

2288

01:37:30,110 --> 01:37:27,900

the shuttle driver he didn't make enough

2289

01:37:31,790 --> 01:37:30,120

in tips you drive out to the parking lot

2290

01:37:34,010 --> 01:37:31,800

and pick up people help them with their

2291

01:37:36,350 --> 01:37:34,020

luggage maybe you could work at the

2292

01:37:41,810 --> 01:37:39,229

TSA silicious crumb

2293

01:37:43,790 --> 01:37:41,820

well uh here's a headline here

2294

01:37:45,350 --> 01:37:43,800

it's not like we didn't know this but

2295

01:37:47,450 --> 01:37:45,360

this is coming out

2296

01:37:49,430 --> 01:37:47,460

uh Jeffrey Epstein used knowledge of

2297

01:37:52,490 --> 01:37:49,440

Bill Gates relationship with young

2298

01:37:54,830 --> 01:37:52,500

bridge player to Blackmail the Microsoft

2299

01:37:56,689 --> 01:37:54,840

co-founder that's some good news on that

2300

01:37:59,390 --> 01:37:56,699

front oh

2301

01:38:01,669 --> 01:37:59,400

first of all I who plays Bridge anymore

2302

01:38:02,930 --> 01:38:01,679

like this is like an old person's game I

2303

01:38:05,149 --> 01:38:02,940

don't know there's young people playing

2304

01:38:07,070 --> 01:38:05,159

bridge well maybe that's why she's

2305

01:38:11,030 --> 01:38:07,080

kicking ass maybe she might be the best

2306

01:38:13,550 --> 01:38:11,040

of the best she got all her faculties

2307

01:38:16,129 --> 01:38:13,560

uh other faculties

2308

01:38:17,570 --> 01:38:16,139

this comes from the Daily Mail a Russian

2309

01:38:21,890 --> 01:38:17,580

bridge player

2310

01:38:23,689 --> 01:38:21,900

Bill Gates has been brought to light by

2311

01:38:26,149 --> 01:38:23,699

a bombshell new report which claims

2312

01:38:28,070 --> 01:38:26,159

Jeffrey Epstein used his knowledge of

2313

01:38:30,169 --> 01:38:28,080

the relationship to Blackmail the

2314

01:38:32,450 --> 01:38:30,179

Microsoft co-founder this creates the

2315

01:38:34,790 --> 01:38:32,460

financier and convicted pedophile

2316

01:38:36,890 --> 01:38:34,800

Jeffrey Epstein wanted gates to invest

2317

01:38:39,649 --> 01:38:36,900

in a multi-billion dollar charitable

2318

01:38:41,570 --> 01:38:39,659

Fund in 2013 but he would not oblige

2319

01:38:44,390 --> 01:38:41,580

Epstein layers and Gates an email

2320

01:38:46,790 --> 01:38:44,400

implying he was aware of his affair with

2321

01:38:49,430 --> 01:38:46,800

the bridge player and that he would

2322

01:38:51,110 --> 01:38:49,440

reveal his identity infidelity according

2323

01:38:54,770 --> 01:38:51,120

to the report in the Wall Street Journal

2324

01:38:57,649 --> 01:38:54,780

Gates Who Loved uh loved the card game

2325

01:38:59,629 --> 01:38:57,659

has been widely publicized I didn't were

2326

01:39:02,570 --> 01:38:59,639

you aware that Bill Gates loved no

2327

01:39:05,570 --> 01:39:02,580

Bridge Gates is a bridge player huh and

2328

01:39:09,649 --> 01:39:07,669

um Gates who loved the card game has

2329

01:39:12,050 --> 01:39:09,659

been widely publicized

2330

01:39:14,510 --> 01:39:12,060

allegedly engagement affair with the

2331

01:39:17,890 --> 01:39:14,520

bridge player after they played one

2332

01:39:20,030 --> 01:39:17,900

another in a tournament 2009.

2333

01:39:21,470 --> 01:39:20,040

uh see here

2334

01:39:25,189 --> 01:39:21,480

did he engage with her right there at

2335

01:39:28,330 --> 01:39:25,199

the table it's unclear the tech Mogul

2336

01:39:33,250 --> 01:39:28,340

who was married to Melina Gates

2337

01:39:37,970 --> 01:39:35,450

there's no D in here

2338

01:39:39,350 --> 01:39:37,980

well there isn't her name not here and

2339

01:39:40,910 --> 01:39:39,360

this is written by The Daily Mail

2340

01:39:42,470 --> 01:39:40,920

they're not going to lie to me well

2341

01:39:45,649 --> 01:39:42,480

you're also on some sort of weird like

2342

01:39:47,689 --> 01:39:45,659

news scraping Sam yeah

2343

01:39:49,490 --> 01:39:47,699

well he's familiar to Melinda pay for

2344

01:39:53,450 --> 01:39:49,500

the D's Malia

2345

01:39:56,810 --> 01:39:53,460

Gates but has since the divorced her uh

2346

01:39:58,689 --> 01:39:56,820

she she was 55 at the time of the he was

2347

01:40:01,370 --> 01:39:58,699

55 of the uh

2348

01:40:02,870 --> 01:40:01,380

55 in age of the alleged Fair uh

2349

01:40:03,770 --> 01:40:02,880

meanwhile the bridge player was in her

2350

01:40:08,570 --> 01:40:03,780

20s

2351

01:40:11,390 --> 01:40:08,580

so well he's dead so uh you know in

2352

01:40:13,189 --> 01:40:11,400

general you always have to be careful

2353

01:40:16,430 --> 01:40:13,199

do you think Bill Gates

2354

01:40:17,450 --> 01:40:16,440

and uh like if jeffreepson Epstein did

2355

01:40:20,810 --> 01:40:17,460

die

2356

01:40:24,250 --> 01:40:20,820

if he did yeah I suspect that Bill Gates

2357

01:40:27,169 --> 01:40:24,260

got together with some of his boys

2358

01:40:29,090 --> 01:40:27,179

during a bridge game hashed out a plan

2359

01:40:30,790 --> 01:40:29,100

to take this dude out

2360

01:40:33,669 --> 01:40:30,800

like it was like

2361

01:40:37,669 --> 01:40:33,679

multiple different people

2362

01:40:38,570 --> 01:40:37,679

like yeah he's got the goods and

2363

01:40:40,370 --> 01:40:38,580

everyone

2364

01:40:42,290 --> 01:40:40,380

uh let's just take him out let's take

2365

01:40:44,570 --> 01:40:42,300

him down right now

2366

01:40:47,209 --> 01:40:44,580

and unless he got out unless he got out

2367

01:40:49,189 --> 01:40:47,219

of prison which I'm totally open to in

2368

01:40:51,649 --> 01:40:49,199

fact maybe that's the way it did go down

2369

01:40:53,450 --> 01:40:51,659

I think maybe he he called um

2370

01:40:54,830 --> 01:40:53,460

uh he called the guards and told him to

2371

01:40:57,709 --> 01:40:54,840

turn off the cameras

2372

01:40:59,149 --> 01:40:57,719

uh well Bill Gates probably had all the

2373

01:41:00,770 --> 01:40:59,159

access keys if everything's running on

2374

01:41:02,570 --> 01:41:00,780

Microsoft right

2375

01:41:06,350 --> 01:41:02,580

in 10 minutes you'll get a knock at the

2376

01:41:09,290 --> 01:41:06,360

door you're asleep the cameras are off

2377

01:41:11,870 --> 01:41:09,300

well I I so uh is Bill Gates now in

2378

01:41:14,930 --> 01:41:11,880

hiding at this point

2379

01:41:16,430 --> 01:41:14,940

I mean this is like a pretty a low-key

2380

01:41:18,709 --> 01:41:16,440

kind of thing considering everything

2381

01:41:21,770 --> 01:41:18,719

that Jeffrey Epstein was involved with

2382

01:41:23,570 --> 01:41:21,780

just like a run-of-the-mill affair seems

2383

01:41:24,830 --> 01:41:23,580

pretty tame

2384

01:41:27,410 --> 01:41:24,840

you know

2385

01:41:30,169 --> 01:41:27,420

and

2386

01:41:34,010 --> 01:41:30,179

you'd imagine Bill Gates would have some

2387

01:41:35,689 --> 01:41:34,020

sort of prenuptial agreement and that if

2388

01:41:37,790 --> 01:41:35,699

he was being blackmailed and he didn't

2389

01:41:41,090 --> 01:41:37,800

want to give up multi-billions of

2390

01:41:42,410 --> 01:41:41,100

dollars to this charitable fund he might

2391

01:41:44,629 --> 01:41:42,420

approach his wife and said look listen

2392

01:41:47,030 --> 01:41:44,639

I'm being blackmail yeah I had an affair

2393

01:41:50,810 --> 01:41:47,040

but I'm not gonna be blackmailed by this

2394

01:41:52,430 --> 01:41:50,820

guy uh I'd rather lose some of the money

2395

01:41:54,470 --> 01:41:52,440

to you if you want to divorce me versus

2396

01:41:59,270 --> 01:41:54,480

Jeffrey Epstein so I think this is maybe

2397

01:42:01,189 --> 01:41:59,280

obfuscation of something darker going on

2398

01:42:02,629 --> 01:42:01,199

possibly uh by the way just digging

2399

01:42:05,810 --> 01:42:02,639

around here I found a video of Bill

2400

01:42:09,410 --> 01:42:05,820

Gates at a bridge tournament in 2010 so

2401  
01:42:11,750 --> 01:42:09,420  
13 years ago why he loves to play bridge

2402  
01:42:14,149 --> 01:42:11,760  
um I believe this is

2403  
01:42:15,709 --> 01:42:14,159  
and this is the the the the girl the

2404  
01:42:17,330 --> 01:42:15,719  
woman with whom he's alleged to have had

2405  
01:42:20,149 --> 01:42:17,340  
the affair talking with him

2406  
01:42:23,570 --> 01:42:20,159  
okay let's take a look at this uh Mila

2407  
01:42:24,830 --> 01:42:23,580  
and antonova okay there's there is audio

2408  
01:42:26,930 --> 01:42:24,840  
maybe I should play the audio because

2409  
01:42:28,970 --> 01:42:26,940  
they're interviewing him

2410  
01:42:32,090 --> 01:42:28,980  
you're talking to

2411  
01:42:34,850 --> 01:42:32,100  
Bill Gates about his love for all things

2412  
01:42:40,729 --> 01:42:37,570  
you know played

2413  
01:42:43,129 --> 01:42:40,739

uh it's both fun and then you learn how

2414

01:42:45,169 --> 01:42:43,139

to think you learn strategy uh there's

2415

01:42:46,910 --> 01:42:45,179

great people who play bridge it's you

2416

01:42:48,709 --> 01:42:46,920

know very sexy people learning new

2417

01:42:52,010 --> 01:42:48,719

things no matter how good you get what

2418

01:42:54,770 --> 01:42:52,020

do you suggest new people who wants to

2419

01:42:57,350 --> 01:42:54,780

learn it's gonna be hot uh get online

2420

01:42:59,629 --> 01:42:57,360

and find people uh that we're going to

2421

01:43:02,330 --> 01:42:59,639

make it easier to find instructors

2422

01:43:04,370 --> 01:43:02,340

online uh play another British games

2423

01:43:06,250 --> 01:43:04,380

like hearts and Spades helps a lot you

2424

01:43:09,050 --> 01:43:06,260

get a sense of the deck

2425

01:43:11,209 --> 01:43:09,060

acbl.org has some learning play bridge

2426  
01:43:13,430 --> 01:43:11,219  
piece of software so there's more and

2427  
01:43:15,350 --> 01:43:13,440  
more ways to find people in your

2428  
01:43:17,930 --> 01:43:15,360  
community or just play online do you

2429  
01:43:20,330 --> 01:43:17,940  
think the bridge help you do in your in

2430  
01:43:23,870 --> 01:43:20,340  
your work well I think it helps you

2431  
01:43:25,490 --> 01:43:23,880  
think uh in very concrete ways I you

2432  
01:43:27,950 --> 01:43:25,500  
know play a lot of card games when I was

2433  
01:43:29,450 --> 01:43:27,960  
young and I think that was super nice

2434  
01:43:31,149 --> 01:43:29,460  
you know bridge is sort of the king of

2435  
01:43:33,790 --> 01:43:31,159  
all card games

2436  
01:43:35,530 --> 01:43:33,800  
I'm madly in love with you

2437  
01:43:38,030 --> 01:43:35,540  
oh

2438  
01:43:41,570 --> 01:43:38,040

now there's a plane yeah

2439

01:43:43,910 --> 01:43:41,580

weirdo golf games on TV okay

2440

01:43:45,950 --> 01:43:43,920

all right well uh there you go uh Bill

2441

01:43:50,270 --> 01:43:45,960

Gates is in

2442

01:43:55,310 --> 01:43:53,390

okay well but I I want to point out here

2443

01:43:56,750 --> 01:43:55,320

that you made the comment early on you

2444

01:43:59,870 --> 01:43:56,760

said Bridge that's an old person's game

2445

01:44:01,850 --> 01:43:59,880

so here he is at the

2446

01:44:04,910 --> 01:44:01,860

um National Bridge tournament in Reno

2447

01:44:07,729 --> 01:44:04,920

Nevada in March of 2010. and he's

2448

01:44:09,470 --> 01:44:07,739

probably on these bouncy just based on

2449

01:44:11,689 --> 01:44:09,480

the people behind him he's even in his

2450

01:44:13,850 --> 01:44:11,699

50s on the younger side

2451

01:44:16,430 --> 01:44:13,860

and there's this other bridge player

2452

01:44:18,649 --> 01:44:16,440

who's this Russian gal in her 20s I'm

2453

01:44:19,910 --> 01:44:18,659

I'm before you go on I'm guessing that

2454

01:44:21,470 --> 01:44:19,920

this Russian girl

2455

01:44:25,129 --> 01:44:21,480

who's probably the youngest bridge

2456

01:44:29,590 --> 01:44:27,649

is probably not a looker I'm I'm just I

2457

01:44:33,649 --> 01:44:29,600

have never seen her I'm just gonna say

2458

01:44:34,550 --> 01:44:33,659

she is not like the best looking of all

2459

01:44:38,570 --> 01:44:34,560

people

2460

01:44:40,729 --> 01:44:38,580

but she was there she was there and to

2461

01:44:43,430 --> 01:44:40,739

Bill Gates anybody below the age of 30

2462

01:44:45,350 --> 01:44:43,440

is incredibly hot and I was I was gonna

2463

01:44:46,609 --> 01:44:45,360

go there but not not that I was just

2464

01:44:48,470 --> 01:44:46,619

going to suggest that she's kind of like

2465

01:44:50,149 --> 01:44:48,480

a you know she's a desert dime or a you

2466

01:44:52,310 --> 01:44:50,159

know a desert princess depending on on

2467

01:44:53,870 --> 01:44:52,320

your deployment yeah

2468

01:44:55,310 --> 01:44:53,880

but there's not a whole lot going on

2469

01:44:57,229 --> 01:44:55,320

there in Reno at this bridge tournament

2470

01:44:58,310 --> 01:44:57,239

and he's looking for some strange yeah

2471

01:45:01,370 --> 01:44:58,320

yeah

2472

01:45:03,530 --> 01:45:01,380

I think that's it like and Bill Gates

2473

01:45:05,750 --> 01:45:03,540

did this and somehow Jeffrey Epstein got

2474

01:45:07,609 --> 01:45:05,760

wind of this because he tracks everyone

2475

01:45:10,010 --> 01:45:07,619

and you use it against

2476

01:45:12,590 --> 01:45:10,020

if that's what really happened there's

2477

01:45:15,229 --> 01:45:12,600

not something darker here like I said I

2478

01:45:17,810 --> 01:45:15,239

mean is it worth like the billion dollar

2479

01:45:19,609 --> 01:45:17,820

investment into a charitable fund versus

2480

01:45:21,770 --> 01:45:19,619

telling your wife

2481

01:45:23,689 --> 01:45:21,780

it seems like uh Bill Gates should be

2482

01:45:25,550 --> 01:45:23,699

smarter than this but apparently he's

2483

01:45:27,950 --> 01:45:25,560

not

2484

01:45:29,810 --> 01:45:27,960

so okay the the entire Gates Foundation

2485

01:45:32,629 --> 01:45:29,820

was set up as kind of a lightweight

2486

01:45:35,209 --> 01:45:32,639

money laundering yeah

2487

01:45:36,590 --> 01:45:35,219

organization so

2488

01:45:41,350 --> 01:45:36,600

all right Greg let's see what you got

2489

01:45:46,910 --> 01:45:44,510

now Joe super hardcore

2490

01:45:49,250 --> 01:45:46,920

oh let's see uh we got people fighting

2491

01:45:52,310 --> 01:45:49,260

over the last Hot Pocket

2492

01:45:54,830 --> 01:45:52,320

we have uh Panda Express

2493

01:45:56,870 --> 01:45:54,840

um supporting a uh

2494

01:45:58,729 --> 01:45:56,880

research position a postdoctoral

2495

01:46:01,609 --> 01:45:58,739

fellowship

2496

01:46:04,129 --> 01:46:01,619

um oh shoot I forgot I have two Seinfeld

2497

01:46:06,350 --> 01:46:04,139

related stories okay yes we have time to

2498

01:46:08,090 --> 01:46:06,360

do we got to do Seinfeld so first for

2499

01:46:10,189 --> 01:46:08,100

each for for this one let's do this one

2500

01:46:11,570 --> 01:46:10,199

I have the clip from Seinfeld you have

2501

01:46:13,250 --> 01:46:11,580

to run this first okay

2502

01:46:16,970 --> 01:46:13,260

then I'll give you the story and they

2503

01:46:22,790 --> 01:46:16,980

don't make sense okay okay

2504

01:46:27,530 --> 01:46:25,729

between us and you I cannot have that

2505

01:46:29,149 --> 01:46:27,540

well I don't know who he is but if you

2506

01:46:31,010 --> 01:46:29,159

want a meth head I'm not getting up that

2507

01:46:32,750 --> 01:46:31,020

easy oh that's all playing a little

2508

01:46:34,810 --> 01:46:32,760

Hardball huh Donny boy

2509

01:46:37,430 --> 01:46:34,820

foreign

2510

01:46:39,470 --> 01:46:37,440

I convert your concessions to all

2511

01:46:41,149 --> 01:46:39,480

chicken no charge is that hot dogs

2512

01:46:43,790 --> 01:46:41,159

chicken dogs chicken instead of pretzels

2513

01:46:45,350 --> 01:46:43,800

chicken twists instead of beer alcoholic

2514

01:46:47,149 --> 01:46:45,360

chicken how do you make that alcohol

2515

01:46:49,310 --> 01:46:47,159

chicken how did it for a minute it's

2516

01:46:51,109 --> 01:46:49,320

like anything else that stuff sounds

2517

01:46:53,870 --> 01:46:51,119

great all right I'll have Costanza on

2518

01:46:58,490 --> 01:46:57,229

oh yeah George got traded I forgot

2519

01:47:01,609 --> 01:46:58,500

one of the things they mentioned there

2520

01:47:04,970 --> 01:47:01,619

was alcoholic chicken

2521

01:47:09,370 --> 01:47:04,980

so here's a story about some

2522

01:47:16,010 --> 01:47:14,149

uh why a poultry brand oh man it's

2523

01:47:17,570 --> 01:47:16,020

getting kind of why a poultry brand is

2524

01:47:21,050 --> 01:47:17,580

brewing beer

2525

01:47:24,890 --> 01:47:21,060

this summer the man is a goblin well

2526

01:47:27,890 --> 01:47:24,900

let's find out uh it looks good okay

2527

01:47:29,390 --> 01:47:27,900

as we creep into the Glorious Days of

2528

01:47:32,270 --> 01:47:29,400

Summer grilling season we're already

2529

01:47:34,970 --> 01:47:32,280

planning on planning out exactly what

2530

01:47:37,910 --> 01:47:34,980

will slap onto our charcoal charcoal or

2531

01:47:39,649 --> 01:47:37,920

gas grill one thing people uh love to

2532

01:47:42,649 --> 01:47:39,659

toss on the Barbie is a whole chicken

2533

01:47:45,590 --> 01:47:42,659

propped up with a built-in Throne made

2534

01:47:49,430 --> 01:47:45,600

out of a beer can the name of this

2535

01:47:51,950 --> 01:47:49,440

esteemed dish beer can chicken for those

2536

01:47:54,050 --> 01:47:51,960

who enjoy beer can chicken swear by the

2537

01:47:57,169 --> 01:47:54,060

method explaining that the beer's

2538

01:48:00,410 --> 01:47:57,179

evaporation over the heat keeps the

2539

01:48:01,910 --> 01:48:00,420

chickens uh interior moist however some

2540

01:48:04,010 --> 01:48:01,920

enthusiasts argue over which type of

2541

01:48:06,530 --> 01:48:04,020

beer is the best to use for this

2542

01:48:09,290 --> 01:48:06,540

approach RVs for example believes that

2543

01:48:12,290 --> 01:48:09,300

Miller High Life is the best for this

2544

01:48:14,629 --> 01:48:12,300

and I trust Arby's they're uh they're a

2545

01:48:17,750 --> 01:48:14,639

grilling machine no doubt about that

2546

01:48:20,870 --> 01:48:17,760

to put the matter to rest uh ubiquitous

2547

01:48:23,270 --> 01:48:20,880

poultry brand Purdue has teamed up with

2548

01:48:25,790 --> 01:48:23,280

the manhattan-based brewery torch and

2549

01:48:28,810 --> 01:48:25,800

Crown to create the ideal beer for

2550

01:48:31,310 --> 01:48:28,820

Brewing ideal beer for beer can chicken

2551

01:48:33,109 --> 01:48:31,320

it's uh it's aptly named beer can

2552

01:48:36,470 --> 01:48:33,119

chicken beer

2553

01:48:40,450 --> 01:48:36,480

which is fun to say five times fast

2554

01:48:46,729 --> 01:48:43,370

I disagree

2555

01:48:48,229 --> 01:48:46,739

I don't like it uh so what is beer can

2556

01:48:49,790 --> 01:48:48,239

chicken I thought we already described

2557

01:48:51,470 --> 01:48:49,800

what it is but we'll go over it again

2558

01:48:53,330 --> 01:48:51,480

for anybody who wasn't listening paying

2559

01:48:55,850 --> 01:48:53,340

attention beer can chicken for those who

2560

01:48:59,030 --> 01:48:55,860

haven't had it is an entire chicken

2561

01:49:01,850 --> 01:48:59,040

roasted with an aluminum beer can shoved

2562

01:49:03,590 --> 01:49:01,860

up its keister the positioning of the

2563

01:49:06,350 --> 01:49:03,600

beer allows the chicken to stand upright

2564

01:49:09,649 --> 01:49:06,360

as seen in the photos above and ensures

2565

01:49:12,950 --> 01:49:09,659

that the juices dripped out downward or

2566

01:49:16,270 --> 01:49:12,960

outward rendering the skin crisp this

2567

01:49:19,070 --> 01:49:16,280

accomplishes a a via indirect grilling

2568

01:49:21,830 --> 01:49:19,080

means the meat is not exposed to direct

2569

01:49:26,109 --> 01:49:21,840

a direct heat Source like charcoal or a

2570

01:49:28,490 --> 01:49:26,119

gas burner the beer can usually

2571

01:49:30,530 --> 01:49:28,500

uh the beer can is usually only

2572

01:49:34,010 --> 01:49:30,540

partially full some people like to throw

2573

01:49:36,470 --> 01:49:34,020

in aromatic seasoning in the empty can

2574

01:49:39,169 --> 01:49:36,480

half the empty can and it can so it can

2575

01:49:43,729 --> 01:49:39,179

generate a perfumed steam which in

2576

01:49:47,629 --> 01:49:46,189

okay so this is uh I don't know has

2577

01:49:49,790 --> 01:49:47,639

anybody out there tried this I've never

2578

01:49:51,590 --> 01:49:49,800

tried this oh yeah beer can chicken is a

2579

01:49:53,570 --> 01:49:51,600

thing yeah I've never tried it I've

2580

01:49:56,689 --> 01:49:53,580

never done it before oh it's like people

2581

01:49:58,070 --> 01:49:56,699

who swear by um uh frying their their

2582

01:50:01,250 --> 01:49:58,080

Thanksgiving turkeys and oil then they

2583

01:50:03,109 --> 01:50:01,260

burn down the garage sure it happens

2584

01:50:04,970 --> 01:50:03,119

uh and then here's the here's the link

2585

01:50:10,550 --> 01:50:04,980

for the

2586

01:50:12,590 --> 01:50:10,560

the actual they put together of course

2587

01:50:14,629 --> 01:50:12,600

their little mini site oh good they have

2588

01:50:17,510 --> 01:50:14,639

the website for this crap yeah why is it

2589

01:50:23,390 --> 01:50:17,520

not linky try this they don't do beer

2590

01:50:32,689 --> 01:50:24,950

the separate shipping terms outlined in

2611

01:51:22,609 --> 01:51:21,179

terms of service I don't know if I do

2612

01:51:24,890 --> 01:51:22,619

I don't like those shipping terms

2613

01:51:26,510 --> 01:51:24,900

they're against my religion uh can

2614

01:51:28,609 --> 01:51:26,520

2667

01:54:02,149 --> 01:54:00,229

uh the second paragraph reader to ship

2668

01:54:04,129 --> 01:54:02,159

frozen chicken is recommended to use a

2669

01:54:05,990 --> 01:54:04,139

shipping service that specializes in

2670

01:54:06,890 --> 01:54:06,000

transporting perishable Goods I don't

2671

01:54:08,390 --> 01:54:06,900

care

2672

01:54:11,870 --> 01:54:08,400

I need to get this chicken out right now

2673

01:54:14,030 --> 01:54:11,880

I don't care if it perishes or not

2674

01:54:17,330 --> 01:54:14,040

they usually provide insulated packaging

2675

01:54:19,430 --> 01:54:17,340

Refrigeration uh and expedited delivery

2676  
01:54:21,290 --> 01:54:19,440  
to maintain desirable temperature to

2677  
01:54:23,030 --> 01:54:21,300  
ensure food safety this shipping cost

2678  
01:54:24,950 --> 01:54:23,040  
will depend on size weight and distance

2679  
01:54:27,950 --> 01:54:24,960  
of the ship as well as the specific

2680  
01:54:31,430 --> 01:54:27,960  
service you choose

2681  
01:54:35,689 --> 01:54:31,440  
uh pretend the U.S

2682  
01:54:38,870 --> 01:54:35,699  
PS is the only

2683  
01:54:41,750 --> 01:54:38,880  
Shipping Company

2684  
01:54:43,669 --> 01:54:41,760  
and I only

2685  
01:54:45,950 --> 01:54:43,679  
have stamps

2686  
01:54:50,149 --> 01:54:45,960  
how many

2687  
01:54:54,950 --> 01:54:50,159  
stamps are required to this is why they

2688  
01:54:57,410 --> 01:54:54,960

invented Al uh uh eight pound Frozen

2689

01:54:59,209 --> 01:54:57,420

[Applause]

2690

01:55:03,850 --> 01:54:59,219

chicken

2691

01:55:08,990 --> 01:55:06,890

to where am I shipping to

2692

01:55:12,290 --> 01:55:09,000

New York

2693

01:55:16,430 --> 01:55:14,629

uh by the way booski suggests that uh

2694

01:55:19,609 --> 01:55:16,440

this this could be a thing because they

2695

01:55:22,850 --> 01:55:19,619

could uh uh during the summer the the

2696

01:55:23,990 --> 01:55:22,860

chicken would cook in the truck on the

2697

01:55:27,010 --> 01:55:24,000

way there

2698

01:55:32,689 --> 01:55:27,020

122 stamps

2699

01:55:37,970 --> 01:55:34,729

that's actually that's not bad actually

2700

01:55:40,370 --> 01:55:37,980

so my entire frozen chicken just covered

2701

01:55:41,990 --> 01:55:40,380

in stamps

2702

01:55:43,609 --> 01:55:42,000

the weight of the chicken well I told it

2703

01:55:46,850 --> 01:55:43,619

I told it it was gonna eat an eight

2704

01:55:52,430 --> 01:55:49,550

that's what I estimated like that's kind

2705

01:55:54,109 --> 01:55:52,440

of chickens I like to eat eight pounders

2706

01:55:55,790 --> 01:55:54,119

I mean eight pound chicken from

2707

01:55:57,530 --> 01:55:55,800

Washington I only ship eight pound

2708

01:55:59,149 --> 01:55:57,540

chickens

2709

01:56:01,550 --> 01:55:59,159

it's under eight pounds I ain't shipping

2710

01:56:04,790 --> 01:56:02,990

and if it's over it's gonna be more

2711

01:56:07,450 --> 01:56:04,800

stamps and you knew that

2712

01:56:11,330 --> 01:56:07,460

67 for this chicken that'd be worth it

2713

01:56:12,790 --> 01:56:11,340

it's Jiffy is gonna cost about uh

2714

01:56:16,669 --> 01:56:12,800

yeah

2715

01:56:17,990 --> 01:56:16,679

67.25 to ship this chicken USPS with

2716

01:56:19,370 --> 01:56:18,000

stamps

2717

01:56:22,010 --> 01:56:19,380

just letting everyone know that would be

2718

01:56:24,050 --> 01:56:22,020

worth the 67 if you go buy a chicken at

2719

01:56:26,450 --> 01:56:24,060

the store or Frozen and just put a bunch

2720

01:56:29,330 --> 01:56:26,460

of stamps on it there you go there you

2721

01:56:31,370 --> 01:56:29,340

go okay uh

2722

01:56:32,570 --> 01:56:31,380

I'm guessing a beer 16 ounces so we

2723

01:56:35,149 --> 01:56:32,580

could just do the we could do the math

2724

01:56:36,590 --> 01:56:35,159

there you know 69 16 ounce beer or an

2725

01:56:39,050 --> 01:56:36,600

eight ounce beer I guess I think they

2726  
01:56:42,410 --> 01:56:39,060  
should pour the beer into the chicken oh

2727  
01:56:45,410 --> 01:56:42,420  
to save for Save on room yeah and then

2728  
01:56:48,050 --> 01:56:45,420  
ship that that makes sense

2729  
01:56:50,810 --> 01:56:48,060  
see we're really being efficient here

2730  
01:56:55,189 --> 01:56:50,820  
with our chicken shipping methods let's

2731  
01:56:58,490 --> 01:56:55,199  
see here on on this site if I could ask

2732  
01:57:00,169 --> 01:56:58,500  
them to ship it USPS I've already done

2733  
01:57:00,850 --> 01:57:00,179  
the shipping calculations it would

2734  
01:57:03,290 --> 01:57:00,860  
require

2735  
01:57:06,590 --> 01:57:03,300  
122 stamps

2736  
01:57:12,649 --> 01:57:06,600  
could you please ship it the way I ask

2737  
01:57:16,370 --> 01:57:15,050  
okay well they have that email there

2738  
01:57:17,990 --> 01:57:16,380

submit your order and then you can

2739

01:57:21,229 --> 01:57:18,000

contact them immediately I'm going to

2740

01:57:23,089 --> 01:57:21,239

say hey look here's the math is check it

2741

01:57:24,410 --> 01:57:23,099

should be fine ship it this way and if

2742

01:57:28,129 --> 01:57:24,420

you don't ship it this way

2743

01:57:30,169 --> 01:57:28,139

cancel the order I I don't I will reject

2744

01:57:31,430 --> 01:57:30,179

this at the door even I mean I'm looking

2745

01:57:34,310 --> 01:57:31,440

at the shipping costs they're they're

2746

01:57:36,229 --> 01:57:34,320

only charging 10 bucks I mean they must

2747

01:57:38,169 --> 01:57:36,239

it's so incredibly low I just can't

2748

01:57:40,669 --> 01:57:38,179

believe they're gonna get it to me

2749

01:57:42,050 --> 01:57:40,679

seems like a trick

2750

01:57:43,129 --> 01:57:42,060

I think they're just shipping the beer

2751

01:57:44,330 --> 01:57:43,139

not the chicken

2752

01:57:46,010 --> 01:57:44,340

yeah they're just oh yeah you're right

2753

01:57:47,149 --> 01:57:46,020

they're just shipping the beer

2754

01:57:49,189 --> 01:57:47,159

you're not even worried about the

2755

01:57:51,050 --> 01:57:49,199

chicken well I'm gonna contact the

2756

01:57:53,030 --> 01:57:51,060

customer service I'm gonna have to

2757

01:57:55,129 --> 01:57:53,040

contact customer service say where's the

2758

01:57:57,109 --> 01:57:55,139

chicken like what am I supposed to kick

2759

01:57:59,450 --> 01:57:57,119

with I got the beer there's no cheese

2760

01:58:02,109 --> 01:57:59,460

where's the chicken

2761

01:58:05,570 --> 01:58:02,119

stupid it says beer can chicken

2762

01:58:07,070 --> 01:58:05,580

there's beer can chicken not beer can

2763

01:58:10,729 --> 01:58:07,080

beer yeah

2764

01:58:12,410 --> 01:58:10,739

it's false advertising I'm suing you

2765

01:58:15,609 --> 01:58:12,420

I'm suing you for false advertising

2766

01:58:18,470 --> 01:58:15,619

punitive damages Sue everybody

2767

01:58:19,550 --> 01:58:18,480

intuitive damages here I was expecting a

2768

01:58:25,129 --> 01:58:19,560

chicken

2769

01:58:26,570 --> 01:58:25,139

send beer

2770

01:58:28,669 --> 01:58:26,580

yeah that'll be the second complaint

2771

01:58:29,770 --> 01:58:28,679

okay I got the chicken this chicken is

2772

01:58:32,570 --> 01:58:29,780

dead

2773

01:58:36,350 --> 01:58:32,580

I'm gonna sue you again all its feathers

2774

01:58:43,310 --> 01:58:38,689

excuse me wrapped in some sort of shrink

2775

01:58:48,050 --> 01:58:45,770

very moist

2776

01:58:50,390 --> 01:58:48,060

the beer isn't even in the I was gonna

2777

01:58:52,129 --> 01:58:50,400

feed the beer to the chicken nah that's

2778

01:58:54,050 --> 01:58:52,139

what the recipe says

2779

01:58:55,910 --> 01:58:54,060

well I'll contact them maybe I'll order

2780

01:58:58,430 --> 01:58:55,920

from here I bet you could just drink

2781

01:59:00,290 --> 01:58:58,440

this beer by itself right

2782

01:59:01,910 --> 01:59:00,300

uh well that's so that's the advantage

2783

01:59:03,290 --> 01:59:01,920

of beer can chicken is you need one can

2784

01:59:04,910 --> 01:59:03,300

of beer for cooking the chicken the

2785

01:59:06,589 --> 01:59:04,920

other cans of beer you have to uh

2786

01:59:08,209 --> 01:59:06,599

dispose of yourself okay what's the

2787

01:59:10,910 --> 01:59:08,219

alcohol percentage

2788

01:59:12,890 --> 01:59:10,920

in in alcohol chicken no in in the in

2789

01:59:14,930 --> 01:59:12,900

the beer like it's got to have some sort

2790

01:59:16,970 --> 01:59:14,940

of like alcohol percentage like what am

2791

01:59:18,950 --> 01:59:16,980

I drinking 25 I don't know that's

2792

01:59:23,149 --> 01:59:18,960

[h\_\_\h] yeah

2793

01:59:28,250 --> 01:59:24,530

like pee and said and sit down and hear

2794

01:59:32,570 --> 01:59:30,109

well I just I'm trying to find out more

2795

01:59:34,970 --> 01:59:32,580

information about this beer

2796

01:59:36,830 --> 01:59:34,980

Jesus Christ yeah I guess if Arby's is

2797

01:59:39,709 --> 01:59:36,840

using Miller Lite this is something like

2798

01:59:43,990 --> 01:59:39,719

that something watery yeah you dispose

2799

01:59:49,790 --> 01:59:46,550

it says 5.5

2800

01:59:51,709 --> 01:59:49,800

um alcohol by volume okay

2801  
01:59:56,030 --> 01:59:51,719  
still on the low side don't believe the

2802  
02:00:02,870 --> 01:59:59,750  
I only drink 5.6 alcohol

2803  
02:00:04,850 --> 02:00:02,880  
I'm gonna I'm gonna write hello at beer

2804  
02:00:08,330 --> 02:00:04,860  
can chicken duck here

2805  
02:00:11,270 --> 02:00:08,340  
I thought it was 5.6 at one tenth

2806  
02:00:13,550 --> 02:00:11,280  
percent more alcohol and you have my you

2807  
02:00:17,109 --> 02:00:13,560  
have my business if you do that if not

2808  
02:00:20,510 --> 02:00:17,119  
cancel the order don't receive the 5.6

2809  
02:00:22,070 --> 02:00:20,520  
Ship by stamp

2810  
02:00:24,770 --> 02:00:22,080  
all right I think we're getting out of

2811  
02:00:26,270 --> 02:00:24,780  
here hold on well you got you got you

2812  
02:00:27,770 --> 02:00:26,280  
got this other Seinfeld story or you

2813  
02:00:29,030 --> 02:00:27,780

want me to say that for Saturday yeah we

2814

02:00:31,970 --> 02:00:29,040

can do one more Seinfeld story why not

2815

02:00:35,750 --> 02:00:31,980

all right it's quick we have to do the

2816

02:00:37,669 --> 02:00:35,760

we have to complete the Seinfeld so

2817

02:00:39,410 --> 02:00:37,679

first you run this one this it's a long

2818

02:00:43,240 --> 02:00:39,420

scene so I'll let you stop it when you

2819

02:00:45,050 --> 02:00:43,250

have enough chortles and Chuckles

2820

02:00:46,430 --> 02:00:45,060

[Music]

2821

02:00:47,930 --> 02:00:46,440

get this all straightened out it's like

2822

02:00:49,910 --> 02:00:47,940

a cup of tea you got any coffee and

2823

02:00:51,290 --> 02:00:49,920

coffee yeah coffee no I don't drink

2824

02:00:52,910 --> 02:00:51,300

coffee yeah you don't drink coffee how

2825

02:00:54,470 --> 02:00:52,920

about instant coffee no I don't have

2826  
02:00:55,490 --> 02:00:54,480  
they don't have any instant coffee well

2827  
02:00:58,010 --> 02:00:55,500  
I don't normally who doesn't have

2828  
02:00:59,209 --> 02:00:58,020  
instant coffee I don't you buy a jar of

2829  
02:01:01,010 --> 02:00:59,219  
Folgers crystals you put it in a

2830  
02:01:01,970 --> 02:01:01,020  
Cupboard you forget about it I made it

2831  
02:01:03,830 --> 02:01:01,980  
wrong when you need it it's there it

2832  
02:01:06,709 --> 02:01:03,840  
lasts forever it's freeze-dried freeze

2833  
02:01:11,570 --> 02:01:09,290  
really I have to remember that he took

2834  
02:01:13,609 --> 02:01:11,580  
this book out in 1971 yes and I returned

2835  
02:01:15,950 --> 02:01:13,619  
it in 1971. yeah 71 that was my first

2836  
02:01:18,890 --> 02:01:15,960  
year on the job bad year for libraries

2837  
02:01:20,930 --> 02:01:18,900  
bad year for America hippies burning

2838  
02:01:23,270 --> 02:01:20,940

library cards Abby Huffman telling

2839

02:01:24,530 --> 02:01:23,280

everybody to steal books I don't judge a

2840

02:01:26,390 --> 02:01:24,540

man by the length of his hair the kind

2841

02:01:28,250 --> 02:01:26,400

of music he listens to rock was never my

2842

02:01:29,270 --> 02:01:28,260

bag but you put on a pair of shoes when

2843

02:01:33,310 --> 02:01:29,280

you walk into the New York Public

2844

02:01:37,790 --> 02:01:35,870

I I returned that book I remember it

2845

02:01:39,410 --> 02:01:37,800

very specifically you're a comedian you

2846

02:01:41,390 --> 02:01:39,420

make people laugh I try you think this

2847

02:01:43,310 --> 02:01:41,400

is all a big joke don't you

2848

02:01:46,189 --> 02:01:43,320

thank you

2849

02:01:47,870 --> 02:01:46,199

no I don't I saw you on TV once I

2850

02:01:49,729 --> 02:01:47,880

remembered your name from my list I

2851  
02:01:51,530 --> 02:01:49,739  
looked it up sure enough it checked out

2852  
02:01:53,330 --> 02:01:51,540  
you think because you're a celebrity

2853  
02:01:54,830 --> 02:01:53,340  
it's somehow the law doesn't apply to

2854  
02:01:58,189 --> 02:01:54,840  
you that you're above the law certainly

2855  
02:02:00,169 --> 02:01:58,199  
not let me tell you something funny

2856  
02:02:02,030 --> 02:02:00,179  
you know that little stamp the one that

2857  
02:02:03,229 --> 02:02:02,040  
says New York Public Library well that

2858  
02:02:05,270 --> 02:02:03,239  
may not mean anything to you but that

2859  
02:02:07,010 --> 02:02:05,280  
means a lot to me one whole hell of a

2860  
02:02:09,890 --> 02:02:07,020  
lot sure go ahead laugh if you want to

2861  
02:02:13,129 --> 02:02:09,900  
I've seen your type before flashy making

2862  
02:02:14,450 --> 02:02:13,139  
the scene for an intervention yeah I

2863  
02:02:16,010 --> 02:02:14,460

know what you're thinking

2864

02:02:20,390 --> 02:02:16,020

this guy making such a big stink about

2865

02:02:22,070 --> 02:02:20,400

all library books let me give you a hint

2866

02:02:24,229 --> 02:02:22,080

maybe we can live without libraries

2867

02:02:26,270 --> 02:02:24,239

people like you and me maybe sure we're

2868

02:02:28,189 --> 02:02:26,280

too old to change the world what about

2869

02:02:29,930 --> 02:02:28,199

that kid sitting down opening a book

2870

02:02:33,229 --> 02:02:29,940

right now in a branch of the local

2871

02:02:35,870 --> 02:02:33,239

library and finding drawings of peepes

2872

02:02:37,209 --> 02:02:35,880

and wee-wees

2873

02:02:39,589 --> 02:02:37,219

and the

2874

02:02:42,350 --> 02:02:39,599

five Chinese Brothers

2875

02:02:43,970 --> 02:02:42,360

doesn't he deserve better look if you

2876

02:02:45,589 --> 02:02:43,980

think this is about overdue fines and

2877

02:02:47,450 --> 02:02:45,599

missing books you better think again

2878

02:02:49,490 --> 02:02:47,460

this is about that kid's right to read a

2879

02:02:52,070 --> 02:02:49,500

book without getting his mind or it or

2880

02:02:53,870 --> 02:02:52,080

maybe that turns you on Seinfeld maybe

2881

02:02:55,910 --> 02:02:53,880

that's how you get your kicks you're on

2882

02:03:02,030 --> 02:02:55,920

your good time Buddies

2883

02:03:02,040 --> 02:03:07,430

party time is over

2884

02:03:07,440 --> 02:03:15,729

that is one week

2885

02:03:21,109 --> 02:03:19,129

that seems perfect yeah that's a it's a

2886

02:03:22,970 --> 02:03:21,119

great scene so

2887

02:03:26,390 --> 02:03:22,980

it's had our story there about a library

2888

02:03:32,930 --> 02:03:26,400

cop tracking down a delinquent book oh

2889

02:03:38,870 --> 02:03:35,629

let's see here got it up on screen book

2890

02:03:41,330 --> 02:03:38,880

over deer overdue by nearly 100 years

2891

02:03:44,629 --> 02:03:41,340

return to libraries that's some good

2892

02:03:47,030 --> 02:03:44,639

news on that front wow holy crap there

2893

02:03:48,470 --> 02:03:47,040

apparently is a story uh related yeah

2894

02:03:51,109 --> 02:03:48,480

there's there's a video here and Bookman

2895

02:03:53,510 --> 02:03:51,119

is still on the job wow

2896

02:03:56,770 --> 02:03:53,520

I'm afraid to touch it but I can show it

2897

02:03:59,390 --> 02:03:56,780

to you gotcha I'm afraid to tell you

2898

02:04:01,010 --> 02:03:59,400

let's see

2899

02:04:03,410 --> 02:04:01,020

oops it's

2900

02:04:05,290 --> 02:04:03,420

falling apart we destroyed it it doesn't

2901

02:04:09,709 --> 02:04:05,300

have a spine what'd you do

2902

02:04:13,910 --> 02:04:09,719

this is in bad shape but can you blame

2903

02:04:17,270 --> 02:04:13,920

it it's seen a lot over the last 141

2904

02:04:18,950 --> 02:04:17,280

years one of my staff members brought it

2905

02:04:20,450 --> 02:04:18,960

um came up and said oh somebody had

2906

02:04:22,850 --> 02:04:20,460

returned that book

2907

02:04:24,830 --> 02:04:22,860

and um they thought it was really cool

2908

02:04:27,709 --> 02:04:24,840

it was a really old book and we didn't

2909

02:04:30,109 --> 02:04:27,719

realize quite how old it was

2910

02:04:32,750 --> 02:04:30,119

um it's falling apart falling apart and

2911

02:04:36,050 --> 02:04:32,760

past due to the Saint Helena Library by

2912

02:04:37,609 --> 02:04:36,060

96 years all of us are just you know

2913

02:04:40,450 --> 02:04:37,619

wondering where the book could have been

2914

02:04:43,550 --> 02:04:40,460

for so long you know from checked out in

2915

02:04:46,250 --> 02:04:43,560

1927 and actually

2916

02:04:50,810 --> 02:04:46,260

um none of us have seen us a library

2917

02:04:53,750 --> 02:04:50,820

book that was checked out in 1892 or

2918

02:04:57,890 --> 02:04:53,760

anything else and to have it be from

2919

02:05:00,709 --> 02:04:57,900

this library from that far back is

2920

02:05:02,810 --> 02:05:00,719

really incredible in fact the book is

2921

02:05:04,990 --> 02:05:02,820

older than the library as we know it

2922

02:05:07,490 --> 02:05:05,000

today published

2923

02:05:09,950 --> 02:05:07,500

it was one of the first books available

2924

02:05:12,950 --> 02:05:09,960

back when the library was a subscription

2925

02:05:15,649 --> 02:05:12,960

service think of it like the Netflix of

2926

02:05:18,410 --> 02:05:15,659

its day 25 cents a month to check out

2927

02:05:20,450 --> 02:05:18,420

books had someone wanted to browse its

2928

02:05:24,589 --> 02:05:20,460

Pages they would have done that here

2929

02:05:26,510 --> 02:05:24,599

this was the reading room in 1886. read

2930

02:05:29,149 --> 02:05:26,520

the fine print this is what the library

2931

02:05:31,729 --> 02:05:29,159

looked like in 1927. read about it after

2932

02:05:34,129 --> 02:05:31,739

it became public almost 100 years since

2933

02:05:35,870 --> 02:05:34,139

it was um we assume it was in the

2934

02:05:39,229 --> 02:05:35,880

building so it just

2935

02:05:42,109 --> 02:05:39,239

would love to know where it's been the

2936

02:05:45,470 --> 02:05:42,119

book's title you ask a history of the

2937

02:05:47,750 --> 02:05:45,480

United States by Benson Lawson a mystery

2938

02:05:49,570 --> 02:05:47,760

man returned it last week with little

2939

02:05:52,129 --> 02:05:49,580

explanation

2940

02:05:54,530 --> 02:05:52,139

gentlemen just said that something about

2941

02:05:56,570 --> 02:05:54,540

his father but

2942

02:05:58,729 --> 02:05:56,580

um didn't catch anything else he didn't

2943

02:06:00,950 --> 02:05:58,739

give his name it wasn't I'm sorry I

2944

02:06:01,629 --> 02:06:00,960

can't read anymore recognized

2945

02:06:04,790 --> 02:06:01,639

um

2946

02:06:07,970 --> 02:06:04,800

no idea who this gentleman is

2947

02:06:10,250 --> 02:06:07,980

so we'd love to find out more about the

2948

02:06:12,350 --> 02:06:10,260

story the library hopes to add its own

2949

02:06:14,870 --> 02:06:12,360

chapter to the story of this long

2950

02:06:17,270 --> 02:06:14,880

missing book but if the man who returned

2951  
02:06:19,850 --> 02:06:17,280  
it is watching by chance there is some

2952  
02:06:22,609 --> 02:06:19,860  
good news on this past due bill yup

2953  
02:06:26,209 --> 02:06:22,619  
estimated it more than Seventeen hundred

2954  
02:06:29,229 --> 02:06:26,219  
dollars it would have been a lot but uh

2955  
02:06:29,239 --> 02:06:33,169  
at any point

2956  
02:06:36,890 --> 02:06:34,609  
you know they gotta track down this book

2957  
02:06:38,450 --> 02:06:36,900  
thief and send him to jail yeah so they

2958  
02:06:39,950 --> 02:06:38,460  
said they don't know who it is but his

2959  
02:06:42,290 --> 02:06:39,960  
dad has checked it out well look in the

2960  
02:06:43,729 --> 02:06:42,300  
front of it get the name from the kid go

2961  
02:06:46,729 --> 02:06:43,739  
after him can't track him down

2962  
02:06:48,649 --> 02:06:46,739  
impossible we don't know who you can't

2963  
02:06:50,270 --> 02:06:48,659

just too much work

2964

02:06:51,169 --> 02:06:50,280

it also cracks me up the idea of

2965

02:06:53,149 --> 02:06:51,179

somebody

2966

02:06:55,129 --> 02:06:53,159

um returning a history book being like

2967

02:06:57,109 --> 02:06:55,139

yeah this thing has nothing about the

2968

02:06:58,910 --> 02:06:57,119

last hundred years this book sucks it

2969

02:07:02,390 --> 02:06:58,920

sucks it's awful

2970

02:07:04,790 --> 02:07:02,400

all these old books are useless they

2971

02:07:10,609 --> 02:07:08,229

send this book to Ron Perlman no no [h\_\_h]

2972

02:07:11,750 --> 02:07:10,619

they got the book back and no one gives

2973

02:07:13,609 --> 02:07:11,760

a darn although it's probably worth

2974

02:07:15,589 --> 02:07:13,619

quite a bit of money Seventeen hundred

2975

02:07:16,790 --> 02:07:15,599

dollars I have a book that's settled I

2976

02:07:18,770 --> 02:07:16,800

thought the fine was seventeen hundred

2977

02:07:19,910 --> 02:07:18,780

dollars do you calculate the fine that's

2978

02:07:21,169 --> 02:07:19,920

what that's what they said to find was

2979

02:07:23,689 --> 02:07:21,179

the past due bill would be over

2980

02:07:26,870 --> 02:07:23,699

Seventeen hundred dollars yeah okay book

2981

02:07:30,120 --> 02:07:26,880

that'll come after you he'll get you

2982

02:07:33,890 --> 02:07:30,130

he wants to get you yeah

2983

02:07:39,830 --> 02:07:37,669

that's it for us people thank you for

2984

02:07:42,050 --> 02:07:39,840

hanging out during the live show we'll

2985

02:07:45,169 --> 02:07:42,060

2986

02:07:47,930 --> 02:07:45,179

phone calls thanking some people and uh

2987

02:07:50,270 --> 02:07:47,940

just general merry making and

2988

02:07:51,180 --> 02:07:50,280

you know during the show

2989

02:07:55,609 --> 02:07:51,190

oh boy

2990

02:07:59,330 --> 02:07:57,470

haven't I've had time I'm so

3002  
02:08:27,229 --> 02:08:23,460  
so out of time

3003  
02:08:30,290 --> 02:08:27,239  
out of touch

3004  
02:08:32,330 --> 02:08:30,300  
time

3005  
02:08:33,350 --> 02:08:32,340  
there's just so much stuff going on I

3006  
02:08:36,609 --> 02:08:33,360  
just

3007  
02:08:39,649 --> 02:08:36,619  
I'm out of it you're out of touch I am

3008  
02:08:41,450 --> 02:08:39,659  
I'm out of time

3009  
02:08:43,850 --> 02:08:41,460

3014

02:08:55,010 --> 02:08:51,980

word

3015

02:08:57,589 --> 02:08:55,020

and uh tell a friend I suppose

3016

02:08:58,729 --> 02:08:57,599

in this one though and I apologize I

3017

02:09:01,250 --> 02:08:58,739

know a lot of people are expecting a

3018

02:09:04,070 --> 02:09:01,260

show on Saturday I was out at a family

3019

02:09:05,570 --> 02:09:04,080

function in Buffalo New York and uh we

3020

02:09:07,250 --> 02:09:05,580

made the announcement like late in the

3021

02:09:08,750 --> 02:09:07,260

show I'll try to do a better job of

3022

02:09:11,810 --> 02:09:08,760

making those announcements earlier on

3023

02:09:13,970 --> 02:09:11,820

and also providing like a like maybe a

3024

02:09:15,350 --> 02:09:13,980

re-broadcast of an older episode for

3025

02:09:17,990 --> 02:09:15,360

people

3026  
02:09:19,550 --> 02:09:18,000  
um to keep them in the know so I guess

3027  
02:09:21,290 --> 02:09:19,560  
people were recommending that it's like

3028  
02:09:23,030 --> 02:09:21,300  
hey just you know upload an older

3029  
02:09:25,010 --> 02:09:23,040  
podcast and it's like okay I know

3030  
02:09:26,450 --> 02:09:25,020  
Charlie does that and some other

3031  
02:09:27,770 --> 02:09:26,460  
podcasts do that can't tell the

3032  
02:09:31,129 --> 02:09:27,780  
difference anyway just run an old one

3033  
02:09:32,810 --> 02:09:31,139  
it's basically the same news over and

3034  
02:09:34,550 --> 02:09:32,820  
over again

3035  
02:09:36,410 --> 02:09:34,560  
so I'll do that next time I'll I'll

3036  
02:09:38,870 --> 02:09:36,420  
release an episode that pretty much

3037  
02:09:40,850 --> 02:09:38,880  
aired on the exact same day like seven

3038  
02:09:41,560 --> 02:09:40,860

years ago it's gonna be pretty much the

3039

02:09:45,010 --> 02:09:41,570

same moves

3040

02:09:47,990 --> 02:09:45,020

[Music]

3041

02:09:51,229 --> 02:09:48,000

that is true

3042

02:09:53,689 --> 02:09:51,239

yeah

3043

02:09:55,430 --> 02:09:53,699

well thank you everyone thank you chop

3044

02:09:57,589 --> 02:09:55,440

lagoo

3045

02:10:08,790 --> 02:09:57,599

keep watching the skis for those old

3046

02:10:22,089 --> 02:10:15,900

[Music]

3047

02:10:26,169 --> 02:10:24,270
