4  
00:00:19,070 --> 00:00:17,250

13  
00:01:11,090 --> 00:01:08,280

fun-filled podcast Adventure yay

14

00:01:13,070 --> 00:01:11,100

mine's midnight Mike scratch head is

15

00:01:14,310 --> 00:01:13,080

over there yes

16

00:01:16,550 --> 00:01:14,320

foreign

17

00:01:25,690 --> 00:01:16,560

[Applause]

18

00:01:31,510 --> 00:01:29,090

s are peaches but peaches and plums are

19

00:01:34,990 --> 00:01:31,520

also peaches that's the name

20

00:01:38,090 --> 00:01:35,000

I could translate Japanese

21

00:01:49,450 --> 00:01:38,100

I got it down

22

00:01:56,090 --> 00:01:52,069

sounds like a uh someone's trying to

23

00:01:58,850 --> 00:01:57,649

and it's like a moped that just won't

24

00:02:00,590 --> 00:01:58,860

start right there you're gonna have to

25

00:02:02,630 --> 00:02:00,600

use that next time you do the uh the

26  
00:02:05,630 --> 00:02:02,640  
full car starting sound yeah some some

27  
00:02:08,150 --> 00:02:05,640  
Momo Momos incorporate that in there

28  
00:02:11,270 --> 00:02:08,160  
well welcome back everyone to uh a

29  
00:02:13,570 --> 00:02:11,280  
Saturday show thank you for joining us

30  
00:02:17,210 --> 00:02:13,580  
here live yes

31  
00:02:20,089 --> 00:02:17,220  
uh once again we have to acknowledge

32  
00:02:21,650 --> 00:02:20,099  
that our good friend and co-host Joe is

33  
00:02:23,449 --> 00:02:21,660  
not here but he just send in a message

34  
00:02:26,030 --> 00:02:23,459  
to let us know what uh what he's doing

35  
00:02:28,550 --> 00:02:26,040  
so this is what Joe is uh doing why he

36  
00:02:30,650 --> 00:02:28,560  
can't be here hi this is Joe from the

37  
00:02:32,089 --> 00:02:30,660  
our big dumb mouth podcast I'm not on

38  
00:02:34,369 --> 00:02:32,099

the show today because I'm at Target

39

00:02:35,990 --> 00:02:34,379

shopping for summer swimwear after

40

00:02:37,790 --> 00:02:36,000

Target I'm planning on going to Disney

41

00:02:40,970 --> 00:02:37,800

World to start a few fights and then

42

00:02:44,210 --> 00:02:40,980

drink a crap ton of Bud Light shab la

43

00:02:45,890 --> 00:02:44,220

goo well that's quite the message

44

00:02:48,770 --> 00:02:45,900

what happened to shablagoo there at the

45

00:02:50,449 --> 00:02:48,780

end yeah well uh Joe has his own way of

46

00:02:55,750 --> 00:02:50,459

saying straw Lagoon to everyone out

47

00:03:00,770 --> 00:02:58,430

well that's it that's there's Joe right

48

00:03:02,990 --> 00:03:00,780

there driving it so well I'm glad he's

49

00:03:05,210 --> 00:03:03,000

enjoying his uh second honeymoon yeah

50

00:03:06,830 --> 00:03:05,220

but nothing says fun like going to

51  
00:03:09,530 --> 00:03:06,840  
Disney World and starting some fights

52  
00:03:10,910 --> 00:03:09,540  
with your new husband uh not we like not

53  
00:03:12,110 --> 00:03:10,920  
fighting your husband but like but

54  
00:03:14,270 --> 00:03:12,120  
you're basically gonna tag team match

55  
00:03:16,369 --> 00:03:14,280  
version going to Disney World with your

56  
00:03:18,710 --> 00:03:16,379  
new husband to fight other families yes

57  
00:03:20,630 --> 00:03:18,720  
to fight yeah to fight to go to that uh

58  
00:03:22,369 --> 00:03:20,640  
that place we saw with the um everyone

59  
00:03:24,050 --> 00:03:22,379  
lines up for the family photos and

60  
00:03:25,790 --> 00:03:24,060  
starting fights there before they can

61  
00:03:27,949 --> 00:03:25,800  
get their family photos yeah that's what

62  
00:03:29,570 --> 00:03:27,959  
you want to do in your new swimwear from

63  
00:03:32,270 --> 00:03:29,580

Target it brings people closer together

64

00:03:33,410 --> 00:03:32,280

it really tightens that family bond why

65

00:03:35,390 --> 00:03:33,420

are they why they call this country a

66

00:03:38,690 --> 00:03:35,400

Melting Pot

67

00:03:40,430 --> 00:03:38,700

melt this [h\_\_h] and these thrown

68

00:03:42,589 --> 00:03:40,440

Haymakers left and right at the Magic

69

00:03:45,949 --> 00:03:42,599

Kingdom this these are real stories

70

00:03:50,990 --> 00:03:48,770

uh I did have a story uh like last week

71

00:03:53,270 --> 00:03:51,000

we just didn't get to it of a giant

72

00:03:56,330 --> 00:03:53,280

brawl that took place in an airport

73

00:03:58,630 --> 00:03:56,340

because flights were delayed and it

74

00:04:00,830 --> 00:03:58,640

never happens and I was like well

75

00:04:02,330 --> 00:04:00,840

they're just pre-gaming before they get

76

00:04:04,009 --> 00:04:02,340  
to Disney probably before they're

77

00:04:05,690 --> 00:04:04,019  
getting any sort of like this is a

78

00:04:07,789 --> 00:04:05,700  
charter reflected Disney yeah they're so

79

00:04:09,890 --> 00:04:07,799  
amped up uh they just started fighting

80

00:04:11,750 --> 00:04:09,900  
before they got to their destination

81

00:04:13,369 --> 00:04:11,760  
that's what happens sometimes taking on

82

00:04:15,470 --> 00:04:13,379  
all comers

83

00:04:16,670 --> 00:04:15,480  
uh before we get to any headlines here

84

00:04:18,770 --> 00:04:16,680  
I'm going to play this piece of music

85

00:04:21,050 --> 00:04:18,780  
this was sent in by a few people because

86

00:04:23,930 --> 00:04:21,060  
they know I like the The Melvins

87

00:04:27,110 --> 00:04:23,940  
and I think uh The Melvins right now are

88

00:04:28,610 --> 00:04:27,120

part of like a meme and The Melvins are

89

00:04:30,650 --> 00:04:28,620

abandoned sort of back in the 80s

90

00:04:33,350 --> 00:04:30,660

they're like considered the Godfathers

91

00:04:35,749 --> 00:04:33,360

of grunge uh Nirvana and Kurt Cobain

92

00:04:37,790 --> 00:04:35,759

they love The Melvins and The Melvins

93

00:04:41,150 --> 00:04:37,800

just really never saw that that level of

94

00:04:42,590 --> 00:04:41,160

Nirvana success like very few bands do

95

00:04:44,870 --> 00:04:42,600

but

96

00:04:46,969 --> 00:04:44,880

um Melvin's there I know I guess meme

97

00:04:50,450 --> 00:04:46,979

worthy and I'm not gonna play the meme

98

00:04:54,590 --> 00:04:50,460

on screen so just imagine this music

99

00:04:57,230 --> 00:04:54,600

with pictures of uh Ukrainian war

100

00:04:58,249 --> 00:04:57,240

footage and it's a brutal Ukrainian war

101  
00:05:00,230 --> 00:04:58,259  
footage that I'm not going to show

102  
00:05:03,530 --> 00:05:00,240  
because quite frankly it's just like

103  
00:05:04,730 --> 00:05:03,540  
yeah it's too intense but uh this is the

104  
00:05:05,450 --> 00:05:04,740  
song that is being played to that

105  
00:05:06,650 --> 00:05:05,460  
imagery

106  
00:05:44,150 --> 00:05:06,660  
[Music]

107  
00:05:49,490 --> 00:05:46,310  
you get the point of that that's the

108  
00:05:51,650 --> 00:05:49,500  
Melvin's covering the Beach Boys

109  
00:05:54,890 --> 00:05:51,660  
I get around but that's Melvin's doing

110  
00:05:56,450 --> 00:05:54,900  
their version I [h\_\_\h] around and uh Mike

111  
00:05:59,050 --> 00:05:56,460  
I thought this was a family show it is

112  
00:06:02,990 --> 00:05:59,060  
it's a family show but it's also

113  
00:06:06,710 --> 00:06:03,000

uh a fun show and not all fun things are

114

00:06:09,050 --> 00:06:06,720

family fun sorry see it's a family show

115

00:06:10,850 --> 00:06:09,060

but I just the veneers I

116

00:06:12,170 --> 00:06:10,860

sorry people I should have bleeped it I

117

00:06:14,150 --> 00:06:12,180

should have bleeped that up I'm sorry so

118

00:06:15,710 --> 00:06:14,160

I bleep around

119

00:06:18,050 --> 00:06:15,720

this is what I meant to say I believe

120

00:06:20,930 --> 00:06:18,060

around uh well there you go that was

121

00:06:23,870 --> 00:06:20,940

sent in by a few people uh and uh The

122

00:06:25,670 --> 00:06:23,880

Melvins are are meme worthy uh today so

123

00:06:27,110 --> 00:06:25,680

that's uh good for them they'll get a

124

00:06:29,450 --> 00:06:27,120

few more hits

125

00:06:32,689 --> 00:06:29,460

and The Melvins put out a brand new

126  
00:06:35,450 --> 00:06:32,699  
album pretty much every year go on tour

127  
00:06:37,909 --> 00:06:35,460  
and you can probably check him out at

128  
00:06:40,969 --> 00:06:37,919  
least twice a year in any major city

129  
00:06:42,590 --> 00:06:40,979  
that you might be living close to I like

130  
00:06:44,409 --> 00:06:42,600  
seeing them what's your favorite song by

131  
00:06:47,990 --> 00:06:44,419  
the Melvin's crashes

132  
00:06:51,290 --> 00:06:48,000  
uh that one I guess I like sweet uh

133  
00:06:55,490 --> 00:06:51,300  
sweet Willy roll bar and honey bucket I

134  
00:06:57,529 --> 00:06:55,500  
like uh anything off of stag uh they're

135  
00:06:59,870 --> 00:06:57,539  
uh they're an acquired taste The Melvins

136  
00:07:02,150 --> 00:06:59,880  
are in a choir taste for a band

137  
00:07:04,909 --> 00:07:02,160  
because I'm typing in Wikipedia The

138  
00:07:07,670 --> 00:07:04,919

Melvins no is this Melvin's

139

00:07:09,350 --> 00:07:07,680

you just said The Melvins well it's kind

140

00:07:12,110 --> 00:07:09,360

of like Ukraine yeah it's kind of like

141

00:07:14,390 --> 00:07:12,120

how I say the Ukraine this is Melbourne

142

00:07:17,150 --> 00:07:14,400

see right there in a Wikipedia Melvin's

143

00:07:18,529 --> 00:07:17,160

parentheses sometimes The Melvins I

144

00:07:20,689 --> 00:07:18,539

think they did that because they got

145

00:07:22,670 --> 00:07:20,699

into some kind of legal dispute and they

146

00:07:25,749 --> 00:07:22,680

changed their name from The Melvins and

147

00:07:27,610 --> 00:07:25,759

then they I think their website is

148

00:07:31,129 --> 00:07:27,620

themelvins.net

149

00:07:33,350 --> 00:07:31,139

so it's there's a lot of debate get your

150

00:07:36,110 --> 00:07:33,360

[h\_\_h] together Melvin or the Melvin no

151

00:07:38,210 --> 00:07:36,120

there's a lot of debate over that

152

00:07:41,150 --> 00:07:38,220

they should go they should do like a a

153

00:07:43,370 --> 00:07:41,160

concept album known just as the

154

00:07:46,610 --> 00:07:43,380

I'm sure that they probably have thought

155

00:07:48,890 --> 00:07:46,620

about it they do a lot of weird stuff

156

00:07:50,629 --> 00:07:48,900

and uh while we're talking about grunge

157

00:07:53,390 --> 00:07:50,639

and music I want to bring up this uh

158

00:07:55,129 --> 00:07:53,400

headline here because uh well do they

159

00:07:58,430 --> 00:07:55,139

seriously haven't I have a album called

160

00:08:01,189 --> 00:07:58,440

uh sieg howdy that's right they also

161

00:08:02,809 --> 00:08:01,199

have one called Electra [h\_\_\h]

162

00:08:04,850 --> 00:08:02,819

uh that's a good album we're gonna

163

00:08:06,110 --> 00:08:04,860

retroactively cancel them for that the

164

00:08:12,230 --> 00:08:06,120

uh

165

00:08:16,370 --> 00:08:12,240

titles song titles Bases Loaded but

166

00:08:21,710 --> 00:08:18,710

but here's the first headline here this

167

00:08:23,150 --> 00:08:21,720

is grunge a grunge related 90s related

168

00:08:25,790 --> 00:08:23,160

headline

169

00:08:28,490 --> 00:08:25,800

uh Kurt Cobain

170

00:08:31,550 --> 00:08:28,500

uh his guitar is smashed Fender guitar

171

00:08:32,649 --> 00:08:31,560

sells for almost 600

172

00:08:35,630 --> 00:08:32,659

000

173

00:08:38,870 --> 00:08:35,640

holy moly I tell you what no no no don't

174

00:08:40,310 --> 00:08:38,880

say it uh you're good you think he was

175

00:08:41,810 --> 00:08:40,320

there in the front I think Hawks is

176

00:08:44,990 --> 00:08:41,820

going to lose Mr Hogan we're already

177

00:08:46,790 --> 00:08:45,000

over 200 000. I'll tell you what no

178

00:08:49,610 --> 00:08:46,800

six hundred thousand dollars for a

179

00:08:51,110 --> 00:08:49,620

smashed Fender guitar yeah uh Kurt

180

00:08:53,690 --> 00:08:51,120

Cobain Oh I thought you said it was a

181

00:08:56,449 --> 00:08:53,700

guitar with a smashed Fender no not like

182

00:08:59,570 --> 00:08:56,459

a like they need some body work done on

183

00:09:01,910 --> 00:08:59,580

it like it's no it's this is a a fender

184

00:09:04,370 --> 00:09:01,920

is the brand so a Fender Stratocaster so

185

00:09:07,730 --> 00:09:04,380

Kurt Cobain smashed Fender Stratocaster

186

00:09:10,610 --> 00:09:07,740

guitar sold at auction for 595

187

00:09:13,190 --> 00:09:10,620

000 900 595

188

00:09:16,009 --> 00:09:13,200

thousand and nine hundred dollars uh

189

00:09:18,590 --> 00:09:16,019

more than 10 times its original estimate

190

00:09:20,930 --> 00:09:18,600

the Nirvana front ends left-handed at

191

00:09:23,389 --> 00:09:20,940

left guitar was smashed while the grunge

192

00:09:26,630 --> 00:09:23,399

Pioneers were making their seminal never

193

00:09:29,449 --> 00:09:26,640

mind album in the early 90s reassembled

194

00:09:32,570 --> 00:09:29,459

a but unplayable it's expected to sell

195

00:09:35,269 --> 00:09:32,580

for between sixty thousand and eighty

196

00:09:36,889 --> 00:09:35,279

well it's reassembled you just can't

197

00:09:38,810 --> 00:09:36,899

play the thing I like how they had to

198

00:09:41,090 --> 00:09:38,820

specify that the one that he smashed on

199

00:09:42,650 --> 00:09:41,100

stage into a billion pieces well we kind

200

00:09:44,150 --> 00:09:42,660

of stuck it back to you it doesn't work

201  
00:09:46,310 --> 00:09:44,160  
but yeah you can't do anything

202  
00:09:49,190 --> 00:09:46,320  
computer's broke

203  
00:09:51,650 --> 00:09:49,200  
guitar is broke uh it was expected to

204  
00:09:55,370 --> 00:09:51,660  
sell for between sixty and eighty

205  
00:09:57,290 --> 00:09:55,380  
thousand dollars at the Julian's auction

206  
00:09:59,090 --> 00:09:57,300  
at the Hard Rock Cafe in New York over

207  
00:10:01,250 --> 00:09:59,100  
the weekend but it went for six hundred

208  
00:10:03,170 --> 00:10:01,260  
thousand dollars it featured signatures

209  
00:10:05,210 --> 00:10:03,180  
from Nirvana's three members Kurt Cobain

210  
00:10:08,570 --> 00:10:05,220  
Christopher Selleck and Dave Grohl along

211  
00:10:11,150 --> 00:10:08,580  
with an inscription by Cobain uh by

212  
00:10:13,310 --> 00:10:11,160  
Cobain's address to the late Screaming

213  
00:10:15,350 --> 00:10:13,320

Trees lead singer Mark Lanigan wow

214

00:10:17,030 --> 00:10:15,360

according to Julian's Austin corbane

215

00:10:20,030 --> 00:10:17,040

gave the guitar to Lanigan during

216

00:10:21,590 --> 00:10:20,040

Nirvana's never mind tour 1992. now

217

00:10:23,750 --> 00:10:21,600

that's pretty cool I mean it's a great

218

00:10:26,570 --> 00:10:23,760

piece of Rock and Roll history there

219

00:10:31,190 --> 00:10:26,580

uh who bought this thing that's what I

220

00:10:33,050 --> 00:10:31,200

uh I want to know me Paul no Paul Cogan

221

00:10:35,810 --> 00:10:33,060

did not uh

222

00:10:37,250 --> 00:10:35,820

buy this thing that's for damn sure I

223

00:10:38,449 --> 00:10:37,260

don't think Hulk has a kind of extra

224

00:10:40,790 --> 00:10:38,459

cash laying around you don't know what

225

00:10:43,430 --> 00:10:40,800

kind of cash Hulk has he doesn't got he

226

00:10:45,769 --> 00:10:43,440

has a bathroom concierge as proven by

227

00:10:47,810 --> 00:10:45,779

his Twitter post that is true

228

00:10:51,850 --> 00:10:47,820

nope a person does nothing but just wait

229

00:10:54,889 --> 00:10:51,860

for him to say I need TP brother

230

00:10:57,290 --> 00:10:54,899

uh so the guitar Cobain played during

231

00:11:01,009 --> 00:10:57,300

the legendary live acoustic set for MTV

232

00:11:04,250 --> 00:11:01,019

Unplugged in 1983 uh was sold two years

233

00:11:05,690 --> 00:11:04,260

ago for 16 or for six million dollars

234

00:11:08,630 --> 00:11:05,700

six million dollars for That acoustic

235

00:11:09,410 --> 00:11:08,640

guitar what six million for his acoustic

236

00:11:11,329 --> 00:11:09,420

guitar

237

00:11:13,250 --> 00:11:11,339

well which that's the one I have up on

238

00:11:15,530 --> 00:11:13,260

screen which I'll tell you what yeah do

239

00:11:19,190 --> 00:11:15,540

I have the wrong Fender no that's

240

00:11:19,970 --> 00:11:19,200

that's the he's a acoustic guitar uh but

241

00:11:22,009 --> 00:11:19,980

that's not the one you were talking

242

00:11:25,069 --> 00:11:22,019

about no uh the one I was talking about

243

00:11:27,230 --> 00:11:25,079

was his electric guitar that was uh

244

00:11:29,750 --> 00:11:27,240

so I don't know uh that one looks

245

00:11:31,190 --> 00:11:29,760

playable right now we don't know it I'm

246

00:11:33,530 --> 00:11:31,200

assuming it's still playable but man

247

00:11:37,310 --> 00:11:33,540

that's crazy

248

00:11:39,949 --> 00:11:37,320

that is insane uh how much of that money

249

00:11:43,970 --> 00:11:39,959

does Courtney Love get hmm

250

00:11:46,310 --> 00:11:43,980

well I think at this point in time uh

251  
00:11:51,949 --> 00:11:46,320  
Kurt Cobain's daughter Francis I think

252  
00:11:54,050 --> 00:11:51,959  
owns a good chunk of the like nirvata

253  
00:11:55,970 --> 00:11:54,060  
stuff related to what Kurt Cobain did

254  
00:11:56,870 --> 00:11:55,980  
which is like who's in charge of the

255  
00:11:59,090 --> 00:11:56,880  
estate

256  
00:12:01,310 --> 00:11:59,100  
I think it's Fran Francis I think it's

257  
00:12:03,470 --> 00:12:01,320  
uh Kurt Cobain's daughter at this point

258  
00:12:06,650 --> 00:12:03,480  
I think she's the one who holds the

259  
00:12:08,690 --> 00:12:06,660  
reins on a good number of these uh items

260  
00:12:10,970 --> 00:12:08,700  
here's an article who inherited more

261  
00:12:15,769 --> 00:12:10,980  
from Kurt Cobain Francis being or

262  
00:12:18,110 --> 00:12:15,779  
Courtney Love Me no okay how much did he

263  
00:12:19,490 --> 00:12:18,120

get Hulk it would be awesome if Kurt

264

00:12:21,290 --> 00:12:19,500

Cobain wrote into the will that he's

265

00:12:23,269 --> 00:12:21,300

given everything the Hulk Hogan his

266

00:12:24,769 --> 00:12:23,279

favorite wrestler his favorite wrestler

267

00:12:26,329 --> 00:12:24,779

he's just writing his will late at night

268

00:12:28,430 --> 00:12:26,339

and just watching wrestling reruns yeah

269

00:12:31,009 --> 00:12:28,440

why not get all of that guy give it to

270

00:12:34,009 --> 00:12:31,019

Hulk Hogan and Andre giant

271

00:12:37,550 --> 00:12:34,019

uh it's it says that Cobain's estate is

272

00:12:39,530 --> 00:12:37,560

worth an estimated 450 million woo

273

00:12:42,590 --> 00:12:39,540

man

274

00:12:44,269 --> 00:12:42,600

still after all these years after he uh

275

00:12:46,550 --> 00:12:44,279

he didn't leave a will so yeah maybe

276

00:12:49,370 --> 00:12:46,560

Hulk Hogan still got a chance he could

277

00:12:53,030 --> 00:12:49,380

sue I I think that he should I was his

278

00:12:54,829 --> 00:12:53,040

favorite wrestler I deserve that money

279

00:12:56,329 --> 00:12:54,839

I think he's playing you know that uh

280

00:12:58,610 --> 00:12:56,339

famous video of

281

00:13:00,350 --> 00:12:58,620

of Hulk Hogan playing the guitar and I

282

00:13:01,970 --> 00:13:00,360

want to I'm I'm a real American that I

283

00:13:04,190 --> 00:13:01,980

think that's Kurt Cobain's guitar

284

00:13:06,050 --> 00:13:04,200

I don't take a look at that guitar and

285

00:13:07,370 --> 00:13:06,060

you put it next to the smash one of Kurt

286

00:13:09,050 --> 00:13:07,380

Cobain you'll find it probably one of

287

00:13:10,670 --> 00:13:09,060

the same

288

00:13:13,970 --> 00:13:10,680

but there you go there's some a little

289

00:13:16,790 --> 00:13:13,980

bit of grunge news for everyone

290

00:13:18,829 --> 00:13:16,800

uh and Everyone likes the grunge news

291

00:13:21,350 --> 00:13:18,839

uh getting comments in the chat that the

292

00:13:24,710 --> 00:13:21,360

levels are apparently my level is low

293

00:13:26,090 --> 00:13:24,720

okay I can I can crank up on this end

294

00:13:27,590 --> 00:13:26,100

but that may jack up everything you've

295

00:13:28,970 --> 00:13:27,600

got going now you can Crank It Up of

296

00:13:30,170 --> 00:13:28,980

this see what happens uh jacket a little

297

00:13:32,210 --> 00:13:30,180

bit

298

00:13:34,069 --> 00:13:32,220

that's gross

299

00:13:35,090 --> 00:13:34,079

you're a little I could see I could see

300

00:13:36,470 --> 00:13:35,100

your levels a little low I was

301  
00:13:39,110 --> 00:13:36,480  
compensating over here but yeah you're

302  
00:13:41,449 --> 00:13:39,120  
hitting oh oh now I gotta figure out

303  
00:13:44,810 --> 00:13:41,459  
what's going on here all right

304  
00:13:46,910 --> 00:13:44,820  
there's like three more DB

305  
00:13:50,329 --> 00:13:46,920  
there's a bunch more DC now I'm red on

306  
00:13:52,190 --> 00:13:50,339  
my side but okay well uh I'll leave it

307  
00:13:55,790 --> 00:13:52,200  
leave it like that and oh you know what

308  
00:13:59,629 --> 00:13:55,800  
I bet Zoom broke something let me check

309  
00:14:01,129 --> 00:13:59,639  
I just cranked you up by two DB out over

310  
00:14:03,889 --> 00:14:01,139  
here

311  
00:14:05,930 --> 00:14:03,899  
uh weird oh yeah so

312  
00:14:07,550 --> 00:14:05,940  
now zoom's automatic is not on I thought

313  
00:14:09,230 --> 00:14:07,560

maybe that was it all right well I'll

314

00:14:11,750 --> 00:14:09,240

crank up that

315

00:14:13,610 --> 00:14:11,760

no I fixed it over it's not fine to me

316

00:14:16,910 --> 00:14:13,620

so it's something something between me

317

00:14:18,350 --> 00:14:16,920

and everybody else okay uh I cranked it

318

00:14:20,150 --> 00:14:18,360

up over here so you're

319

00:14:21,829 --> 00:14:20,160

you're you're good you should be better

320

00:14:23,629 --> 00:14:21,839

so people are saying it sounds good now

321

00:14:25,610 --> 00:14:23,639

so well I just want to make sure because

322

00:14:27,350 --> 00:14:25,620

it shows I'm peeking on my side and I

323

00:14:29,750 --> 00:14:27,360

don't want to start clipping okay now

324

00:14:31,790 --> 00:14:29,760

people are saying too loud

325

00:14:33,050 --> 00:14:31,800

you I didn't all right just start

326

00:14:35,329 --> 00:14:33,060

kicking people out of the twitch Channel

327

00:14:37,610 --> 00:14:35,339

now it's too loud is it too loud I don't

328

00:14:39,650 --> 00:14:37,620

know uh

329

00:14:42,110 --> 00:14:39,660

uh okay I'm not see I can't hear myself

330

00:14:45,230 --> 00:14:42,120

on the far end of the Stream

331

00:14:47,569 --> 00:14:45,240

it sounds fine but whatever now it'll be

332

00:14:50,150 --> 00:14:47,579

fixed in fixed in post I'll fix it and

333

00:14:51,650 --> 00:14:50,160

put a fixed [h\_\_h] in post I do I fix and

334

00:14:53,689 --> 00:14:51,660

post

335

00:14:56,449 --> 00:14:53,699

all right we'll move on let's uh live

336

00:14:58,430 --> 00:14:56,459

yeah uh people saying sounds fine okay

337

00:15:04,370 --> 00:14:58,440

fine here we go we'll move on and do

338

00:15:08,269 --> 00:15:06,350

[Applause]

339

00:15:11,090 --> 00:15:08,279

let's see here I just have like a a

340

00:15:15,110 --> 00:15:11,100

cornucopia stuff this is kind of like a

341

00:15:17,629 --> 00:15:15,120

potpourri uh a show which I said smorgas

342

00:15:20,389 --> 00:15:17,639

board I said like the last Saturday of

343

00:15:22,730 --> 00:15:20,399

every month would be Discord news

344

00:15:24,949 --> 00:15:22,740

generated Saturday

345

00:15:29,810 --> 00:15:24,959

but it turns out

346

00:15:33,110 --> 00:15:29,820

Herman from Holland submits about 90 of

347

00:15:35,449 --> 00:15:33,120

all headlines in the Discord

348

00:15:38,689 --> 00:15:35,459

and so he's the first one up in the

349

00:15:42,189 --> 00:15:38,699

morning he gets first dibs yeah

350

00:15:47,090 --> 00:15:42,199

so I'll try to do uh some from Herman

351  
00:15:48,829 --> 00:15:47,100  
and some from some other notable just so

352  
00:15:51,290 --> 00:15:48,839  
I'm clear these are stories you pulled

353  
00:15:53,810 --> 00:15:51,300  
exclusively from the news channel in

354  
00:15:55,250 --> 00:15:53,820  
Discord the ones that I will mention

355  
00:15:56,569 --> 00:15:55,260  
their name

356  
00:15:58,850 --> 00:15:56,579  
okay because I grabbed a bunch of those

357  
00:16:01,129 --> 00:15:58,860  
too when you reminded me this morning

358  
00:16:04,250 --> 00:16:01,139  
I would consider only one being like

359  
00:16:06,230 --> 00:16:04,260  
goofball news yeah so we're all mixed up

360  
00:16:08,689 --> 00:16:06,240  
this is not everything is Discord

361  
00:16:12,710 --> 00:16:08,699  
submitted but some

362  
00:16:15,490 --> 00:16:12,720  
and this is uh was submitted by uh jigs

363  
00:16:18,590 --> 00:16:15,500

and the headlines

364

00:16:21,490 --> 00:16:18,600

a j i

365

00:16:23,810 --> 00:16:21,500

g z okay I'm just saying yeah yeah

366

00:16:25,689 --> 00:16:23,820

multiple people in there okay so

367

00:16:28,730 --> 00:16:25,699

headline up on screen here uh New York

368

00:16:32,569 --> 00:16:28,740

freezes account deposits uh at Capital

369

00:16:35,329 --> 00:16:32,579

One bank that's some good news

370

00:16:38,150 --> 00:16:35,339

so this is like breaking and I I this is

371

00:16:40,249 --> 00:16:38,160

like tweeted out uh and there's some

372

00:16:42,170 --> 00:16:40,259

explanations behind this but here's the

373

00:16:45,230 --> 00:16:42,180

Tweet just in New York City freezes

374

00:16:47,210 --> 00:16:45,240

deposits at Capital One bank now what

375

00:16:49,490 --> 00:16:47,220

are the the reasons is it is it a

376

00:16:52,670 --> 00:16:49,500

failing bank is it fraud is it something

377

00:16:54,230 --> 00:16:52,680

worse uh this is fun okay just yeah just

378

00:16:55,970 --> 00:16:54,240

just want to see if we can do it but no

379

00:16:57,590 --> 00:16:55,980

just turn off deposit see what happens

380

00:16:59,629 --> 00:16:57,600

according to this article the reason

381

00:17:02,600 --> 00:16:59,639

they froze deposits is because the bank

382

00:17:09,189 --> 00:17:02,610

didn't do enough to fight discrimination

383

00:17:17,569 --> 00:17:14,569

and market watch is confirming this oh

384

00:17:19,669 --> 00:17:17,579

what [h\_\_h] so New York City's banking

385

00:17:21,949 --> 00:17:19,679

commission voted to freeze deposits at

386

00:17:25,789 --> 00:17:21,959

Capital One Financial Corporation

387

00:17:27,710 --> 00:17:25,799

and key corpse uh after two banks failed

388

00:17:29,630 --> 00:17:27,720

to submit required plans showing their

389

00:17:31,909 --> 00:17:29,640

effort to Halt discrimination to City's

390

00:17:34,549 --> 00:17:31,919

comptroller said in a statement on

391

00:17:37,190 --> 00:17:34,559

Thursday alleging the banks uh outright

392

00:17:40,549 --> 00:17:37,200

refused to submit required policies the

393

00:17:42,669 --> 00:17:40,559

Comptroller uh also voted against uh

394

00:17:46,909 --> 00:17:42,679

designating Wells Fargo

395

00:17:49,669 --> 00:17:46,919

and P and c and international PSD and

396

00:17:51,470 --> 00:17:49,679

PhD Bank International to hold public

397

00:17:53,210 --> 00:17:51,480

funds the statement set so uh

398

00:17:55,310 --> 00:17:53,220

unfortunately uh despite several

399

00:17:57,169 --> 00:17:55,320

opportunities to do so five banks failed

400

00:17:59,630 --> 00:17:57,179

to comply with New York City's banking

401  
00:18:02,289 --> 00:17:59,640  
commission's designation process leaving

402  
00:18:04,490 --> 00:18:02,299  
us to conclude that they are not taking

403  
00:18:07,370 --> 00:18:04,500  
meaningful actions to combat

404  
00:18:09,590 --> 00:18:07,380  
discrimination in their operations and

405  
00:18:12,049 --> 00:18:09,600  
are not responsible stewards of public

406  
00:18:14,110 --> 00:18:12,059  
dollars what kind of discrimination are

407  
00:18:16,549 --> 00:18:14,120  
they

408  
00:18:18,710 --> 00:18:16,559  
any type in particular just like in

409  
00:18:20,930 --> 00:18:18,720  
general well they're not y'all ain't

410  
00:18:23,630 --> 00:18:20,940  
woke enough I think that's what they're

411  
00:18:25,250 --> 00:18:23,640  
they're getting at now ever like the the

412  
00:18:28,669 --> 00:18:25,260  
term discrimination might vary from

413  
00:18:29,930 --> 00:18:28,679

state to state in New York City or New

414

00:18:32,510 --> 00:18:29,940

York State might have a very different

415

00:18:34,130 --> 00:18:32,520

definition versus like even New York

416

00:18:36,529 --> 00:18:34,140

City because it says New York City is

417

00:18:39,529 --> 00:18:36,539

freezing deposits not necessarily New

418

00:18:40,669 --> 00:18:39,539

York state New York city so it I guess

419

00:18:42,590 --> 00:18:40,679

it's the

420

00:18:44,330 --> 00:18:42,600

it's up in the air here but it says all

421

00:18:46,549 --> 00:18:44,340

three members of the banking commission

422

00:18:49,370 --> 00:18:46,559

which include the Comptroller mayor and

423

00:18:51,529 --> 00:18:49,380

finance commissioner voted to take

424

00:18:54,710 --> 00:18:51,539

action against Capital One and key Corp

425

00:18:56,630 --> 00:18:54,720

which retrospectively held 7.2 million

426

00:18:59,630 --> 00:18:56,640

and 10 million in City deposits at the

427

00:19:02,450 --> 00:18:59,640

end of last month both cans uh both can

428

00:19:04,010 --> 00:19:02,460

service existing contracts for one year

429

00:19:06,049 --> 00:19:04,020

under the move

430

00:19:07,690 --> 00:19:06,059

so what are what are these specific

431

00:19:10,190 --> 00:19:07,700

complaints they have about

432

00:19:12,169 --> 00:19:10,200

discrimination from these Banks I I

433

00:19:15,289 --> 00:19:12,179

haven't dug in that deep this is so

434

00:19:19,730 --> 00:19:15,299

market watch is confirming this

435

00:19:21,590 --> 00:19:19,740

but market watch isn't going into

436

00:19:25,970 --> 00:19:21,600

the specifics here's this maybe the

437

00:19:28,909 --> 00:19:25,980

Comptroller statement has specifics on

438

00:19:31,669 --> 00:19:28,919

the Discrimination I'd like to hear from

439

00:19:34,789 --> 00:19:31,679

the real comptroller well that's very

440

00:19:41,110 --> 00:19:38,110

uh uh combat Institute additional

441

00:19:44,029 --> 00:19:41,120

soundness so

442

00:19:47,330 --> 00:19:44,039

instituted additional soundness criteria

443

00:19:49,190 --> 00:19:47,340

soundness criteria what is this this is

444

00:19:51,230 --> 00:19:49,200

like links within links within links to

445

00:19:53,150 --> 00:19:51,240

find out what questions referring to um

446

00:19:55,130 --> 00:19:53,160

uh the strength of the actual banking

447

00:19:57,490 --> 00:19:55,140

institution so it's it's kind of their

448

00:20:00,650 --> 00:19:57,500

um their stress testing

449

00:20:02,330 --> 00:20:00,660

uh so the perspectives we heard today

450

00:20:04,789 --> 00:20:02,340

from New Yorkers who experience

451  
00:20:07,130 --> 00:20:04,799  
discrimination in the process of open

452  
00:20:09,289 --> 00:20:07,140  
and closing accounts the front line Bank

453  
00:20:11,270 --> 00:20:09,299  
staff who faced illegal and abusive

454  
00:20:13,250 --> 00:20:11,280  
practice should give us all pause we

455  
00:20:15,049 --> 00:20:13,260  
heard from many residents concerned that

456  
00:20:17,870 --> 00:20:15,059  
taxpayer dollars are going to Banks to

457  
00:20:19,730 --> 00:20:17,880  
provide financing for predatory lending

458  
00:20:23,870 --> 00:20:19,740  
fossil fuel extraction and gun

459  
00:20:26,870 --> 00:20:23,880  
manufacturing and support the idea of a

460  
00:20:28,490 --> 00:20:26,880  
public bank that would instead put those

461  
00:20:31,010 --> 00:20:28,500  
dollars to work for our communities the

462  
00:20:33,289 --> 00:20:31,020  
banking commissions can also and should

463  
00:20:34,970 --> 00:20:33,299

assume a stronger role in assuring that

464

00:20:37,070 --> 00:20:34,980

the city Only conducts business with

465

00:20:39,470 --> 00:20:37,080

banks who demonstrate their commitment

466

00:20:40,870 --> 00:20:39,480

to community reinvestment in Fair Credit

467

00:20:44,330 --> 00:20:40,880

practices

468

00:20:46,250 --> 00:20:44,340

which is none of which is required by

469

00:20:48,650 --> 00:20:46,260

any sort of publicly held company whose

470

00:20:50,270 --> 00:20:48,660

obligation is to the shareholders not to

471

00:20:52,070 --> 00:20:50,280

whatever random ass [h\_\_h] they come

472

00:20:53,289 --> 00:20:52,080

up with this week so they called out

473

00:20:56,029 --> 00:20:53,299

there that like oh they're they're

474

00:20:58,610 --> 00:20:56,039

putting investments into fossil fuels

475

00:21:01,070 --> 00:20:58,620

because it makes money because people

476

00:21:02,870 --> 00:21:01,080

want those fuels I gotta have my fossil

477

00:21:04,190 --> 00:21:02,880

fuels I went out and bought some extra

478

00:21:05,930 --> 00:21:04,200

fossil fuels this morning I didn't have

479

00:21:08,330 --> 00:21:05,940

enough and like they put gun

480

00:21:12,650 --> 00:21:08,340

Manufacturing in there well that's like

481

00:21:15,890 --> 00:21:12,660

most of the the economy is the war

482

00:21:16,970 --> 00:21:15,900

economy the same people who decry that

483

00:21:18,830 --> 00:21:16,980

and say

484

00:21:21,350 --> 00:21:18,840

we have to shut down these Banks because

485

00:21:24,230 --> 00:21:21,360

they are supporting gun manufacturing

486

00:21:25,909 --> 00:21:24,240

put on their blue and yellow Slava

487

00:21:28,190 --> 00:21:25,919

Ukraine shirt and go out and support an

488

00:21:29,690 --> 00:21:28,200

extra 87 kajillion dollars for Ukraine

489

00:21:32,690 --> 00:21:29,700

to blow up people that's where you make

490

00:21:35,630 --> 00:21:32,700

the money that is where you make the

491

00:21:39,830 --> 00:21:35,640

money there you go so interesting stuff

492

00:21:41,690 --> 00:21:39,840

I suspect that the these Banks

493

00:21:44,570 --> 00:21:41,700

um have enough money where they could

494

00:21:46,310 --> 00:21:44,580

probably file suit and yeah it's hard to

495

00:21:47,690 --> 00:21:46,320

say how it's going to go you you know

496

00:21:50,029 --> 00:21:47,700

one of two things happen either a the

497

00:21:51,590 --> 00:21:50,039

banks will go out of business suddenly

498

00:21:53,270 --> 00:21:51,600

um as it's been seen a number of times

499

00:21:55,190 --> 00:21:53,280

this this year already

500

00:21:57,890 --> 00:21:55,200

or B the banks are going to be just fine

501  
00:22:00,830 --> 00:21:57,900  
your money may be gone but

502  
00:22:02,570 --> 00:22:00,840  
yeah I suspect they'll just comply like

503  
00:22:04,909 --> 00:22:02,580  
the banks will use this as a reason to

504  
00:22:07,310 --> 00:22:04,919  
comply or to put 10 seconds to comply

505  
00:22:09,529 --> 00:22:07,320  
yeah like something I don't know it's

506  
00:22:11,029 --> 00:22:09,539  
it's goofy it's a lot of goofy stuff

507  
00:22:12,529 --> 00:22:11,039  
going on but

508  
00:22:14,029 --> 00:22:12,539  
I just want to say this to anybody

509  
00:22:16,549 --> 00:22:14,039  
listening right now and especially to

510  
00:22:19,490 --> 00:22:16,559  
the 700 people listening on Tuesday

511  
00:22:21,350 --> 00:22:19,500  
Morning on your way to work take all

512  
00:22:23,570 --> 00:22:21,360  
your money out of these big Banks put it

513  
00:22:26,210 --> 00:22:23,580

into your local credit union

514

00:22:28,370 --> 00:22:26,220

are you do you use a credit union yeah

515

00:22:29,750 --> 00:22:28,380

yeah we do too I I have let me let me

516

00:22:32,330 --> 00:22:29,760

phrase this carefully

517

00:22:34,070 --> 00:22:32,340

we have never banked with a large bank

518

00:22:35,810 --> 00:22:34,080

that I can recall it's always been

519

00:22:37,250 --> 00:22:35,820

Credit Unions all the way through that's

520

00:22:39,590 --> 00:22:37,260

for day I'm sure

521

00:22:42,590 --> 00:22:39,600

I we have uh we have a credit union here

522

00:22:45,830 --> 00:22:42,600

that we use so we do uh attach ourselves

523

00:22:47,930 --> 00:22:45,840

to a big bank but uh a good majority of

524

00:22:50,029 --> 00:22:47,940

our assets I think are in uh like a

525

00:22:51,409 --> 00:22:50,039

credit union there's nothing nothing you

526

00:22:53,270 --> 00:22:51,419

get from a large you know Bank of

527

00:22:54,409 --> 00:22:53,280

America Key Bank Capital One Bank any

528

00:22:56,450 --> 00:22:54,419

good stuff that you can't get from a

529

00:22:58,070 --> 00:22:56,460

credit union yeah

530

00:22:59,690 --> 00:22:58,080

the most about credit unions there's

531

00:23:01,789 --> 00:22:59,700

like actual P you go in like look

532

00:23:02,810 --> 00:23:01,799

there's like Bob and Marsha and you can

533

00:23:05,210 --> 00:23:02,820

talk to them

534

00:23:07,430 --> 00:23:05,220

now you can do without people yeah Big

535

00:23:10,549 --> 00:23:07,440

Jim Tucker hey look there's big big gym

536

00:23:12,710 --> 00:23:10,559

money Banker my uh my bank teller is big

538

00:23:16,549 --> 00:23:15,120

he's great well you have that recording

539

00:23:18,590 --> 00:23:16,559

of trump going into his bank looking for

540

00:23:20,690 --> 00:23:18,600

545

00:23:40,909 --> 00:23:36,720

of the Americas

546

00:23:45,649 --> 00:23:43,610

just I was out of context [h\_\_h] for him

547

00:23:48,529 --> 00:23:45,659

all right

548

00:23:51,409 --> 00:23:48,539

that's what he does

549

00:23:53,270 --> 00:23:51,419

uh another headline chat in the chat um

550

00:23:55,250 --> 00:23:53,280

I'm sorry so I'll pause it what what are

551  
00:23:56,690 --> 00:23:55,260  
they saying in the chat say in the chat

552  
00:23:58,789 --> 00:23:56,700  
uh squalor bill says he banks

553  
00:24:01,730 --> 00:23:58,799  
exclusively at the first big Luther of

554  
00:24:03,770 --> 00:24:01,740  
New York oh really okay

555  
00:24:05,350 --> 00:24:03,780  
not bad big Luther Bank

556  
00:24:10,510 --> 00:24:05,360  
Tom

557  
00:24:17,710 --> 00:24:10,520  
shimabukuro bank at the the bank of time

558  
00:24:22,190 --> 00:24:20,330  
uh all right let's see what these other

559  
00:24:25,130 --> 00:24:22,200  
headlines are other headlines come on

560  
00:24:26,810 --> 00:24:25,140  
that's some good oh no no one okay you

561  
00:24:30,049 --> 00:24:26,820  
know this is pushing buttons at random

562  
00:24:32,230 --> 00:24:30,059  
now okay I'll do that I'll press buzz it

563  
00:24:41,590 --> 00:24:32,240

red here we go

564

00:24:44,810 --> 00:24:43,789

that's what I'm gonna do from now on I'm

565

00:24:46,610 --> 00:24:44,820

just gonna press I'm gonna tell your

566

00:24:48,590 --> 00:24:46,620

screen of Lily Tomlin upset during the

567

00:24:51,529 --> 00:24:48,600

filming of uh I heart huckabees just

568

00:24:53,630 --> 00:24:51,539

gonna press four or five buttons at a

569

00:24:55,250 --> 00:24:53,640

time and and that's gonna those are

570

00:24:57,649 --> 00:24:55,260

gonna be my sound drops nothing targeted

571

00:24:59,149 --> 00:24:57,659

just cluster bombing of sound effects

572

00:25:01,270 --> 00:24:59,159

for the rest of the show

573

00:25:05,750 --> 00:25:01,280

it's a war crime

574

00:25:09,350 --> 00:25:05,760

uh all right here is a another uh uh uh

575

00:25:12,169 --> 00:25:09,360

headline here I'll bring this up on on

576

00:25:14,090 --> 00:25:12,179

screen is this also a Discord one uh no

577

00:25:16,490 --> 00:25:14,100

this is uh mine I'm surprised Discord

578

00:25:19,789 --> 00:25:16,500

didn't have it this is non-disco related

579

00:25:23,529 --> 00:25:19,799

uh Google withdraws slavery Simulator

580

00:25:26,649 --> 00:25:23,539

game app after Brazil outcry

581

00:25:26,659 --> 00:25:32,210

thanks Alex

582

00:25:35,930 --> 00:25:33,289

what

583

00:25:37,669 --> 00:25:35,940

this actual game called slavely slavery

584

00:25:38,930 --> 00:25:37,679

simulator simulator and someone's like

585

00:25:42,470 --> 00:25:38,940

yeah that's good for the App Store

586

00:25:44,750 --> 00:25:42,480

that's great uh dub slavey's slavery

587

00:25:47,149 --> 00:25:44,760

Simulator the Portuguese language based

588

00:25:49,909 --> 00:25:47,159

uh game it's all players trade in slaves

589

00:25:52,250 --> 00:25:49,919

and strategize to prevent uh abolition

590

00:25:55,370 --> 00:25:52,260

of slaves in order to amass virtual

591

00:26:01,310 --> 00:25:57,710

it's crazy

592

00:26:02,750 --> 00:26:01,320

8th graders made this on a dare probably

593

00:26:04,430 --> 00:26:02,760

and they're making money in the Google

594

00:26:06,710 --> 00:26:04,440

Play Store I'm surprised they got it

595

00:26:07,789 --> 00:26:06,720

like they got through the review process

596

00:26:09,409 --> 00:26:07,799

yeah that's what I mean it's like

597

00:26:11,330 --> 00:26:09,419

someone had to approve it right I would

598

00:26:13,010 --> 00:26:11,340

imagine so not unless Google's a lot

599

00:26:14,870 --> 00:26:13,020

more loosey-goosey than Apple is I know

600

00:26:17,510 --> 00:26:14,880

Apple probably wouldn't allow this but

601  
00:26:20,450 --> 00:26:17,520  
you know maybe uh Google is basically

602  
00:26:22,850 --> 00:26:20,460  
has a policy only if people complain

603  
00:26:25,669 --> 00:26:22,860  
will we take it down

604  
00:26:27,769 --> 00:26:25,679  
uh you have enough people complain yeah

605  
00:26:30,230 --> 00:26:27,779  
the prosecutor's office said it had open

606  
00:26:32,510 --> 00:26:30,240  
an investigation for hate speech related

607  
00:26:34,669 --> 00:26:32,520  
to the games download uh that was

608  
00:26:38,210 --> 00:26:34,679  
downloaded by hundreds of people the

609  
00:26:39,710 --> 00:26:38,220  
habits it doesn't hurt like three

610  
00:26:42,350 --> 00:26:39,720  
billion there's a lot of people in

611  
00:26:44,710 --> 00:26:42,360  
Brazil there's a ton of like I would say

612  
00:26:48,350 --> 00:26:44,720  
Brazilian population

613  
00:26:49,850 --> 00:26:48,360

150 million oh you're way low on that

614

00:26:51,710 --> 00:26:49,860

you think I'm way low on that Brazilian

615

00:26:53,750 --> 00:26:51,720

population let's find out ask internet

616

00:26:56,149 --> 00:26:53,760

internet says Brazil

617

00:26:58,490 --> 00:26:56,159

fifth largest country in the world

618

00:27:01,669 --> 00:26:58,500

uh uh with not actually giving me

619

00:27:02,930 --> 00:27:01,679

numbers here awesome what is it 118

620

00:27:06,769 --> 00:27:02,940

million

621

00:27:11,210 --> 00:27:09,230

well the app itself had come with a

622

00:27:13,490 --> 00:27:11,220

disclaimer condemning all types of

623

00:27:16,370 --> 00:27:13,500

slavery and insisting the game was

624

00:27:17,690 --> 00:27:16,380

solely for entertainment purposes why

625

00:27:20,090 --> 00:27:17,700

wouldn't you say it's for educational

626

00:27:22,789 --> 00:27:20,100

purposes it's just it's just prank bro

627

00:27:24,769 --> 00:27:22,799

it's fun to enslave people's ways and

628

00:27:26,630 --> 00:27:24,779

entertaining is what they were saying it

629

00:27:30,590 --> 00:27:26,640

wasn't for educational purposes like

630

00:27:33,110 --> 00:27:30,600

like it's kind of like uh there's a lot

631

00:27:37,070 --> 00:27:33,120

of games out there that are darker in

632

00:27:38,810 --> 00:27:37,080

nature it has themes of death and and

633

00:27:40,250 --> 00:27:38,820

disease and it's for educational

634

00:27:42,649 --> 00:27:40,260

purposes yeah they can be amusing

635

00:27:44,570 --> 00:27:42,659

entertaining but they're primarily for

636

00:27:49,210 --> 00:27:44,580

education I suppose

637

00:27:53,330 --> 00:27:51,590

yeah I mean there's probably you can

638

00:27:55,909 --> 00:27:53,340

emulate it you can probably get a

639

00:27:57,350 --> 00:27:55,919

Commodore 64 emulator anywhere I lost

640

00:28:00,310 --> 00:27:57,360

all my [h\_\_h] Crossing that River and my

641

00:28:02,930 --> 00:28:00,320

wagon only has one wheel it's not good

642

00:28:05,090 --> 00:28:02,940

uh after we're drawing the app from its

643

00:28:06,769 --> 00:28:05,100

games uh Play Store Google said that in

644

00:28:08,510 --> 00:28:06,779

a statement that applications that

645

00:28:10,549 --> 00:28:08,520

promote violence or hatred against

646

00:28:12,769 --> 00:28:10,559

groups of people or individuals because

647

00:28:15,350 --> 00:28:12,779

of their skin color or ethnic origin

648

00:28:18,730 --> 00:28:15,360

would not be allowed on its platform

649

00:28:21,049 --> 00:28:18,740

then why did you allow it

650

00:28:23,810 --> 00:28:21,059

that sounds all well and good Google but

651  
00:28:25,850 --> 00:28:23,820  
uh why'd you allow that there yeah you

652  
00:28:27,529 --> 00:28:25,860  
you basically allowed it and only took

653  
00:28:29,330 --> 00:28:27,539  
it down when people complained

654  
00:28:32,330 --> 00:28:29,340  
uh the company invited users to report

655  
00:28:37,370 --> 00:28:34,190  
yeah

656  
00:28:40,490 --> 00:28:37,380  
uh Brazil's Ministry of racial Equity or

657  
00:28:42,769 --> 00:28:40,500  
equality said it had asked Google to put

658  
00:28:44,750 --> 00:28:42,779  
in place measures to filter out content

659  
00:28:46,610 --> 00:28:44,760  
containing hate speech intolerance and

660  
00:28:49,669 --> 00:28:46,620  
racism and to prevent it from spreading

661  
00:28:52,669 --> 00:28:49,679  
so easily without moderation

662  
00:28:54,710 --> 00:28:52,679  
uh racism is still a problem in Brazil

663  
00:28:58,250 --> 00:28:54,720

the the last country in the Americas to

664

00:29:00,710 --> 00:28:58,260

about slavery uh and it did so in 1888

665

00:29:03,830 --> 00:29:00,720

more than 56 percent of the population

666

00:29:05,870 --> 00:29:03,840

is afro-brazilian

667

00:29:08,450 --> 00:29:05,880

yeah not many people talk about Brazil

668

00:29:10,490 --> 00:29:08,460

when it comes to uh the slave trade I

669

00:29:13,370 --> 00:29:10,500

think America pretty much takes the the

670

00:29:16,610 --> 00:29:13,380

heat for a good chunk of that

671

00:29:18,649 --> 00:29:16,620

only uh slavery only existed in America

672

00:29:21,590 --> 00:29:18,659

yeah but Brazil's got you know it's got

673

00:29:23,870 --> 00:29:21,600

its own history nope only America and

674

00:29:26,210 --> 00:29:23,880

Brazil is one of the countries with the

675

00:29:28,090 --> 00:29:26,220

with the most consumers on Google's

676

00:29:30,950 --> 00:29:28,100

platform and their

677

00:29:34,549 --> 00:29:30,960

and there one finds this app that

678

00:29:37,370 --> 00:29:34,559

recalls an air of slavery but uh with

679

00:29:41,630 --> 00:29:37,380

bonuses bonuses for those who torture

680

00:29:43,130 --> 00:29:41,640

the most oh wow holy [\h\_\_\h] the [\h\_\_\h] wow

681

00:29:45,230 --> 00:29:43,140

that's crazy

682

00:29:48,470 --> 00:29:45,240

that's taking it to like past the

683

00:29:49,610 --> 00:29:48,480

educational level and now you're just

684

00:29:51,409 --> 00:29:49,620

getting into like almost kind of like

685

00:29:53,630 --> 00:29:51,419

smut gameplay now you're just an

686

00:29:55,490 --> 00:29:53,640

entertainment land I mean it's it's it's

687

00:29:57,649 --> 00:29:55,500

not even like what like Grand Theft Auto

688

00:30:03,549 --> 00:29:57,659

is a fictional world

689

00:30:09,169 --> 00:30:07,130

La New York and uh okay Miami and

690

00:30:12,769 --> 00:30:09,179

fictional characters fictional

691

00:30:14,230 --> 00:30:12,779

characters in a somewhat realistic world

692

00:30:18,110 --> 00:30:14,240

yeah

693

00:30:21,350 --> 00:30:18,120

uh Google has spoken out against the so

694

00:30:24,350 --> 00:30:21,360

uh okay so uh goes on to say this is not

695

00:30:27,470 --> 00:30:24,360

only about racism but also fascism she

696

00:30:30,049 --> 00:30:27,480

told the AFP here in Brazil we have a

697

00:30:32,210 --> 00:30:30,059

neo-fascist movement that it that is not

698

00:30:37,430 --> 00:30:32,220

afraid to show itself because a lack of

699

00:30:40,850 --> 00:30:38,330

um

700

00:30:43,250 --> 00:30:40,860

Google has spoken out against the bill

701  
00:30:44,930 --> 00:30:43,260  
seeking to stem online disinformation in

702  
00:30:47,690 --> 00:30:44,940  
Brazil saying it seriously threatens

703  
00:30:49,490 --> 00:30:47,700  
free speech so okay so I guess Google's

704  
00:30:52,310 --> 00:30:49,500  
saying we'll do our best to make sure

705  
00:30:53,870 --> 00:30:52,320  
this stuff doesn't get out there but

706  
00:30:55,990 --> 00:30:53,880  
we're trying to really promote Free

707  
00:30:59,029 --> 00:30:56,000  
Speech everywhere but the United States

708  
00:31:00,710 --> 00:30:59,039  
we're big on Free Speech unless you

709  
00:31:04,029 --> 00:31:00,720  
pointed out that you don't like it yeah

710  
00:31:07,850 --> 00:31:06,230  
it goes right next to each other because

711  
00:31:09,769 --> 00:31:07,860  
that worked pretty well yeah they were

712  
00:31:13,909 --> 00:31:09,779  
pretty well all right we'll we'll move

713  
00:31:16,909 --> 00:31:13,919

we'll move on and uh see what else we we

714

00:31:23,100 --> 00:31:16,919

got here we go uh let's see if I can do

715

00:31:23,110 --> 00:31:26,510

[Applause]

716

00:31:31,970 --> 00:31:29,690

not not a fan of the uh the the musical

717

00:31:34,310 --> 00:31:31,980

instruments it's tough to do multiple

718

00:31:35,450 --> 00:31:34,320

drops with music unless they're in the

719

00:31:37,250 --> 00:31:35,460

same key

720

00:31:41,690 --> 00:31:37,260

and I did not write those in the same

721

00:31:46,669 --> 00:31:43,010

um

722

00:31:48,289 --> 00:31:46,679

speaking of uh well here I'll change

723

00:31:50,330 --> 00:31:48,299

things up and do some a little

724

00:31:52,010 --> 00:31:50,340

paranormal news

725

00:31:54,649 --> 00:31:52,020

this is from Discord

726

00:31:56,870 --> 00:31:54,659

not from Discord I do have some stuff in

727

00:32:00,769 --> 00:31:56,880

Discord uh paranormal related I'll cover

728

00:32:05,330 --> 00:32:02,330

I have some paranormal too when you want

729

00:32:09,409 --> 00:32:05,340

to get to it okay great

730

00:32:15,789 --> 00:32:11,450

let's see here oh yeah Connecticut

731

00:32:18,950 --> 00:32:15,799

witches have been exonerated over

732

00:32:21,350 --> 00:32:18,960

370 years later I love that headline

733

00:32:24,590 --> 00:32:21,360

piece of news

734

00:32:27,230 --> 00:32:24,600

uh lawmakers in the state have uh voted

735

00:32:29,450 --> 00:32:27,240

to exonerate dozens of individuals who

736

00:32:30,649 --> 00:32:29,460

were convicted of Witchcraft hundreds of

737

00:32:32,750 --> 00:32:30,659

years ago

738

00:32:35,570 --> 00:32:32,760

it was a little late don't you think

739

00:32:37,310 --> 00:32:35,580

wait are they still alive I would well

740

00:32:40,130 --> 00:32:37,320

if they're still alive that would almost

741

00:32:42,230 --> 00:32:40,140

prove that their wishes right and then

742

00:32:43,970 --> 00:32:42,240

you shouldn't really exonerate them we

743

00:32:45,830 --> 00:32:43,980

want to exonerate these women from 300

744

00:32:47,990 --> 00:32:45,840

years ago and they're here today wait a

745

00:32:51,250 --> 00:32:48,000

minute Burnham

746

00:32:53,510 --> 00:32:51,260

no I I I'm pretty sure that they're dead

747

00:32:54,950 --> 00:32:53,520

uh being convicted I don't want you to

748

00:32:57,230 --> 00:32:54,960

believe yeah well being convicted of

749

00:33:00,230 --> 00:32:57,240

Witchcraft in colonial America was no

750

00:33:02,510 --> 00:33:00,240

trivial matter not only were there uh

751  
00:33:04,610 --> 00:33:02,520  
were you unlikely to be given a fair or

752  
00:33:06,409 --> 00:33:04,620  
objective trial but the punishment for

753  
00:33:08,389 --> 00:33:06,419  
being found guilty typically involved

754  
00:33:09,289 --> 00:33:08,399  
being put to death usually at the end of

755  
00:33:12,230 --> 00:33:09,299  
a rope

756  
00:33:13,789 --> 00:33:12,240  
uh while typically at the end of a row

757  
00:33:15,110 --> 00:33:13,799  
not all I thought they burned them I

758  
00:33:17,630 --> 00:33:15,120  
thought so too like burned the witch

759  
00:33:19,669 --> 00:33:17,640  
burn them at the stake or stone them or

760  
00:33:21,409 --> 00:33:19,679  
uh throw them in the in the in the lake

761  
00:33:23,210 --> 00:33:21,419  
and if they drowned they weren't witches

762  
00:33:24,889 --> 00:33:23,220  
I think there was a Monty Python method

763  
00:33:27,289 --> 00:33:24,899

for determining that was pretty common

764

00:33:29,690 --> 00:33:27,299

actually wasn't okay

765

00:33:31,430 --> 00:33:29,700

well it's obviously too late for those

766

00:33:33,529 --> 00:33:31,440

who were executed the descendants of

767

00:33:35,389 --> 00:33:33,539

these uh convict convicted witches have

768

00:33:38,029 --> 00:33:35,399

long campaigned lawmakers in the United

769

00:33:41,570 --> 00:33:38,039

States to exonerate their ancestors now

770

00:33:43,570 --> 00:33:41,580

thanks to the tireless efforts of the CT

771

00:33:46,850 --> 00:33:43,580

witch trial exoneration project

772

00:33:49,389 --> 00:33:46,860

officials in Connecticut have this month

773

00:33:51,430 --> 00:33:49,399

have this month voted

774

00:33:55,070 --> 00:33:51,440

33-1

775

00:33:57,049 --> 00:33:55,080

to exonerate 12 individuals who have

776

00:33:59,630 --> 00:33:57,059

been wrongly convicted of Witchcraft in

777

00:34:02,950 --> 00:33:59,640

the state who's that one person who are

778

00:34:05,269 --> 00:34:02,960

the pope who said I am not exonerating

779

00:34:07,450 --> 00:34:05,279

these all in favor

780

00:34:10,310 --> 00:34:07,460

aye [h\_\_h] them

781

00:34:14,990 --> 00:34:10,320

opposed to the guy in the back hey

782

00:34:18,589 --> 00:34:16,490

I want to know if that one person does

783

00:34:20,990 --> 00:34:18,599

that hold out

784

00:34:23,750 --> 00:34:21,000

uh okay he actually talks about the one

785

00:34:26,030 --> 00:34:23,760

vote was it Steve torquamada no it

786

00:34:29,829 --> 00:34:26,040

wasn't Steve torkamada I don't think

787

00:34:33,109 --> 00:34:29,839

Steve took him out was was there Tom

788

00:34:35,149 --> 00:34:33,119

and Tom humabukuro was the holdout vote

789

00:34:37,310 --> 00:34:35,159

but if it looks like the the one vote

790

00:34:40,369 --> 00:34:37,320

against came from Senator Rob Sampson

791

00:34:43,430 --> 00:34:40,379

who argued that it was Samson yeah Rob

792

00:34:46,430 --> 00:34:43,440

Sampson who argued it was wrong to

793

00:34:48,829 --> 00:34:46,440

dictate what was right or wrong about

794

00:34:51,710 --> 00:34:48,839

periods of the past that we have no

795

00:34:55,310 --> 00:34:54,290

so that is what a chicken [h\_\_h] statement

796

00:34:59,329 --> 00:34:55,320

to say

797

00:35:02,270 --> 00:34:59,339

uh you can you can observe the past and

798

00:35:04,250 --> 00:35:02,280

acknowledge that wrongs were done and

799

00:35:05,870 --> 00:35:04,260

that they shouldn't have been done that

800

00:35:07,910 --> 00:35:05,880

way you can't fix the past like that but

801  
00:35:10,010 --> 00:35:07,920  
you can acknowledge that bad decisions

802  
00:35:12,109 --> 00:35:10,020  
were made and acknowledging that

803  
00:35:14,150 --> 00:35:12,119  
hopefully prevents those same bad

804  
00:35:16,790 --> 00:35:14,160  
decisions not being repeated here in the

805  
00:35:19,190 --> 00:35:16,800  
present and in the future but Rob uh

806  
00:35:20,569 --> 00:35:19,200  
Samson Senator Rob sense uh Samson does

807  
00:35:22,130 --> 00:35:20,579  
not believe that

808  
00:35:24,349 --> 00:35:22,140  
don't you have a drop of somebody saying

809  
00:35:26,270 --> 00:35:24,359  
mistakes were made we have I have a lot

810  
00:35:27,650 --> 00:35:26,280  
of drop saying mistakes were made I

811  
00:35:29,810 --> 00:35:27,660  
acknowledge that mistakes were made

812  
00:35:32,690 --> 00:35:29,820  
mistakes were made clearly mistakes were

813  
00:35:34,849 --> 00:35:32,700

made a serious mistake was made not

814

00:35:36,410 --> 00:35:34,859

according to Senator Rob Samson he can't

815

00:35:37,910 --> 00:35:36,420

judge the past it's not for us to tell

816

00:35:39,910 --> 00:35:37,920

whether that was a mistake or not he

817

00:35:42,770 --> 00:35:39,920

can't judge the past like that

818

00:35:44,450 --> 00:35:42,780

uh quote I don't want to see bills that

819

00:35:47,030 --> 00:35:44,460

rightfully or wrongfully attempt to

820

00:35:50,210 --> 00:35:47,040

paint America as a bad place with a bad

821

00:35:52,250 --> 00:35:50,220

history I want to focus on where we're

822

00:35:54,410 --> 00:35:52,260

going which is a brighter and better

823

00:35:55,849 --> 00:35:54,420

future

824

00:35:58,250 --> 00:35:55,859

okay

825

00:36:00,050 --> 00:35:58,260

well I think you could only have a

826

00:36:02,569 --> 00:36:00,060

brighter and better future if you do

827

00:36:04,490 --> 00:36:02,579

learn from mistakes and acknowledge

828

00:36:07,010 --> 00:36:04,500

mistakes

829

00:36:08,930 --> 00:36:07,020

this is coming from the same world where

830

00:36:10,550 --> 00:36:08,940

we have slavery simulator now for

831

00:36:12,230 --> 00:36:10,560

Android

832

00:36:14,630 --> 00:36:12,240

they took that down though it's all good

833

00:36:17,210 --> 00:36:14,640

okay so it's fine it's fine they took

834

00:36:19,550 --> 00:36:17,220

that down mistakes were made mistakes

835

00:36:20,450 --> 00:36:19,560

were made there clearly mistakes were

836

00:36:22,970 --> 00:36:20,460

made

837

00:36:25,970 --> 00:36:22,980

yeah here's George H.W bush to apologize

838

00:36:27,530 --> 00:36:25,980

for us uh the average the advocacy group

839

00:36:29,810 --> 00:36:27,540

meanwhile was very pleased with the

840

00:36:31,609 --> 00:36:29,820

result of the vote uh quote we are

841

00:36:33,950 --> 00:36:31,619

grateful to descendants Advocates

842

00:36:35,810 --> 00:36:33,960

historians legislators of both parties

843

00:36:38,270 --> 00:36:35,820

and many others who made this official

844

00:36:39,650 --> 00:36:38,280

resolution possible they said we will

845

00:36:43,490 --> 00:36:39,660

continue to advocate for historical

846

00:36:47,390 --> 00:36:43,500

education and memorialization of the

847

00:36:49,970 --> 00:36:47,400

witch witch trials witch trial victims

848

00:36:52,550 --> 00:36:49,980

yeah I mean with trials listen whether

849

00:36:55,910 --> 00:36:52,560

they are witches or not uh let's let

850

00:36:58,390 --> 00:36:55,920

bygones be bygones at this point

851

00:37:01,849 --> 00:36:58,400

clearly some are witches

852

00:37:05,150 --> 00:37:01,859

there's probably at least one maybe yeah

853

00:37:07,849 --> 00:37:05,160

100 sure so like whether or not all of

854

00:37:10,310 --> 00:37:07,859

them are witches and no maybe one or two

855

00:37:11,569 --> 00:37:10,320

gave the rest of them a bad name and you

856

00:37:15,130 --> 00:37:11,579

shouldn't have killed all of them maybe

857

00:37:17,450 --> 00:37:15,140

just like a small percentage of them

858

00:37:19,130 --> 00:37:17,460

so you can exonerate some of them but

859

00:37:21,890 --> 00:37:19,140

not all of them well I would say

860

00:37:23,750 --> 00:37:21,900

wholesale exoneration but acknowledge

861

00:37:26,690 --> 00:37:23,760

that some were definitely were witches

862

00:37:29,870 --> 00:37:26,700

in order to appease Senator Rob Sampson

863

00:37:34,750 --> 00:37:29,880

so who are who are we to judge Mike uh

864

00:37:36,890 --> 00:37:34,760

Rob Sampson uh can can judge this Bob

865

00:37:40,430 --> 00:37:36,900

uh so okay

866

00:37:42,410 --> 00:37:40,440

I guess you know if there is a

867

00:37:47,270 --> 00:37:42,420

there's a like a lot of articles about

868

00:37:50,569 --> 00:37:47,280

the the memories that your DNA can have

869

00:37:52,370 --> 00:37:50,579

that's Pat like ancestral DNA I read a

870

00:37:53,810 --> 00:37:52,380

little read up on like this quite a bit

871

00:37:55,329 --> 00:37:53,820

there's a lot of talk about this like

872

00:38:04,849 --> 00:37:55,339

past

873

00:38:06,109 --> 00:38:04,859

your lineage could impact you as a

874

00:38:07,910 --> 00:38:06,119

person and I think there's like a lot of

875

00:38:09,710 --> 00:38:07,920

talk about this and I guess if

876

00:38:11,750 --> 00:38:09,720

acknowledging

877

00:38:14,329 --> 00:38:11,760

in some way that some bad things did

878

00:38:17,210 --> 00:38:14,339

happen can alleviate some of that then I

879

00:38:19,130 --> 00:38:17,220

guess do it it's it there was a school

880

00:38:21,230 --> 00:38:19,140

of thought when um people were in

881

00:38:22,790 --> 00:38:21,240

Victorian folks were debating

882

00:38:24,109 --> 00:38:22,800

um The evolutionary theory there's a

883

00:38:25,910 --> 00:38:24,119

school of thought that one's Behavior

884

00:38:28,490 --> 00:38:25,920

would carry on and I want to say that

885

00:38:31,010 --> 00:38:28,500

was Huxley who brought that up but I'm

886

00:38:33,770 --> 00:38:31,020

that may be lamarckian I I'm out of my

887

00:38:35,990 --> 00:38:33,780

depth here but that to your point that

888

00:38:37,790 --> 00:38:36,000

you say well if you're if your parents

889

00:38:40,730 --> 00:38:37,800

were bad people

890

00:38:44,390 --> 00:38:40,740

you just by nature of their behavior

891

00:38:46,069 --> 00:38:44,400

will will have that in your in your not

892

00:38:47,750 --> 00:38:46,079

your upbringing but in your uh in your

893

00:38:49,849 --> 00:38:47,760

makeup so you will be a bad person too

894

00:38:51,770 --> 00:38:49,859

yeah it's a bad way to look at things it

895

00:38:54,230 --> 00:38:51,780

really is because then you could just

896

00:38:56,150 --> 00:38:54,240

say well you come from a bad family

897

00:38:59,329 --> 00:38:56,160

therefore you're most likely going to be

898

00:39:02,150 --> 00:38:59,339

bad and you need to go to jail right now

899

00:39:04,550 --> 00:39:02,160

yeah you need to go to jail so Israel

900

00:39:06,349 --> 00:39:04,560

it's a lamarckian inheritance theory is

901  
00:39:08,210 --> 00:39:06,359  
what it's known as so I give myself

902  
00:39:10,609 --> 00:39:08,220  
three quarters credit for getting a name

903  
00:39:11,930 --> 00:39:10,619  
after I got Huxley who was wrong not bad

904  
00:39:17,329 --> 00:39:11,940  
not bad because Huxley was a big

905  
00:39:19,970 --> 00:39:18,050  
um

906  
00:39:25,329 --> 00:39:19,980  
was a big supporter of Darwin

907  
00:39:29,150 --> 00:39:27,290  
is exactly what you're describing

908  
00:39:31,550 --> 00:39:29,160  
standpoint of behavior can be passed on

909  
00:39:36,550 --> 00:39:31,560  
yeah which is [h\_\_h]

910  
00:39:38,770 --> 00:39:36,560  
[Music]

911  
00:39:41,210 --> 00:39:38,780  
where's the [h\_\_h]

912  
00:39:43,250 --> 00:39:41,220  
hey hey you only did one of those I

913  
00:39:46,910 --> 00:39:43,260

didn't no I did I did too you listen

914

00:39:49,930 --> 00:39:46,920

listen closely what the [\h\_\_\h] man I'm

915

00:39:56,810 --> 00:39:53,870

I mean dude listen you said piss right

916

00:39:58,790 --> 00:39:56,820

at the beginning what is this [\h\_\_\h] okay

917

00:40:00,710 --> 00:39:58,800

well this is not much it disappears

918

00:40:03,470 --> 00:40:00,720

right into his what this is not much of

919

00:40:06,609 --> 00:40:03,480

a family show is it this really isn't I

920

00:40:11,450 --> 00:40:06,619

mean let's see if I can

921

00:40:14,270 --> 00:40:11,460

I'm trying to stack my my uh my family's

922

00:40:16,010 --> 00:40:14,280

my family Clips but no I can't

923

00:40:18,530 --> 00:40:16,020

trying to

924

00:40:20,270 --> 00:40:18,540

no it's not working

925

00:40:21,589 --> 00:40:20,280

no okay

926  
00:40:24,050 --> 00:40:21,599  
all right

927  
00:40:25,609 --> 00:40:24,060  
uh why don't you take a headline over

928  
00:40:27,470 --> 00:40:25,619  
there question when you take a headline

929  
00:40:30,230 --> 00:40:27,480  
do you want paranormal yet or not yeah

930  
00:40:37,930 --> 00:40:30,240  
let's do a little paranormal all right

931  
00:40:42,950 --> 00:40:40,670  
wow did you get the Schwarzenegger going

932  
00:40:44,870 --> 00:40:42,960  
and everything yeah uh let me do some

933  
00:40:46,010 --> 00:40:44,880  
scrolling here through the massive list

934  
00:40:51,950 --> 00:40:46,020  
of news

935  
00:40:53,390 --> 00:40:51,960  
paranormal meets real estate oh

936  
00:40:55,490 --> 00:40:53,400  
sort of

937  
00:40:58,490 --> 00:40:55,500  
oh I love this

938  
00:40:59,630 --> 00:40:58,500

so this is like real estate slash

939

00:41:03,829 --> 00:40:59,640

like

940

00:41:07,790 --> 00:41:06,530

okay I'm in the I'm into this kind of

941

00:41:11,750 --> 00:41:07,800

stuff I'm always looking for a good deal

942

00:41:11,760 --> 00:41:17,030

no okay here we go

943

00:41:25,390 --> 00:41:19,910

uh the Country House is now offering

944

00:41:31,970 --> 00:41:28,670

uh so I like this uh would you go

945

00:41:33,530 --> 00:41:31,980

camping at The Conjuring house well not

946

00:41:35,990 --> 00:41:33,540

wait no wait

947

00:41:37,430 --> 00:41:36,000

I don't know maybe

948

00:41:40,010 --> 00:41:37,440

yeah

949

00:41:41,630 --> 00:41:40,020

it depends I haven't seen The Conjuring

950

00:41:43,730 --> 00:41:41,640

so I don't know what that it's not I

951  
00:41:46,630 --> 00:41:43,740  
mean it's it's a well-made movie but

952  
00:41:50,450 --> 00:41:46,640  
it's spooky as heck

953  
00:41:53,390 --> 00:41:50,460  
oh no this is about uh I I think the the

954  
00:41:56,089 --> 00:41:53,400  
family that tried to investigate the

955  
00:41:57,770 --> 00:41:56,099  
Amityville hor like house I think I

956  
00:42:00,829 --> 00:41:57,780  
don't know I don't know but I think it's

957  
00:42:03,109 --> 00:42:00,839  
a husband and wife paranormal team uh

958  
00:42:04,370 --> 00:42:03,119  
parapsychologist who who go and

959  
00:42:07,490 --> 00:42:04,380  
investigate

960  
00:42:08,750 --> 00:42:07,500  
the hauntings and I think maybe they're

961  
00:42:10,730 --> 00:42:08,760  
investigating hauntings and they come

962  
00:42:13,069 --> 00:42:10,740  
home to their nice quiet country house

963  
00:42:15,410 --> 00:42:13,079

and there's hauntings something like

964

00:42:17,630 --> 00:42:15,420

that I guess okay but uh would you go

965

00:42:19,730 --> 00:42:17,640

camping at The Conjuring house well you

966

00:42:21,890 --> 00:42:19,740

can do just that as outdoor camping

967

00:42:24,710 --> 00:42:21,900

experiences are now available at the

968

00:42:27,349 --> 00:42:24,720

home made famous by the 2013 horror

969

00:42:30,609 --> 00:42:27,359

movie the house which is located in a

970

00:42:34,250 --> 00:42:30,619

small Rhode Island Town uh

971

00:42:36,290 --> 00:42:34,260

burriville is allegedly haunted

972

00:42:38,089 --> 00:42:36,300

allegedly

973

00:42:40,069 --> 00:42:38,099

uh quote this is your chance to

974

00:42:42,410 --> 00:42:40,079

experience what has earned The Conjuring

975

00:42:44,750 --> 00:42:42,420

house it's legendary status according to

976  
00:42:47,750 --> 00:42:44,760  
the country's House website the spirits

977  
00:42:49,970 --> 00:42:47,760  
are calling are you brave enough to

978  
00:42:52,430 --> 00:42:49,980  
answer are you Tough Enough

979  
00:42:54,530 --> 00:42:52,440  
I don't know if I'm gonna go it I don't

980  
00:42:56,750 --> 00:42:54,540  
know I I don't like this kind of stuff I

981  
00:42:58,190 --> 00:42:56,760  
don't know if I'm gonna go yes

982  
00:42:59,030 --> 00:42:58,200  
I'm just going to say looking at this

983  
00:42:59,750 --> 00:42:59,040  
house

984  
00:43:02,390 --> 00:42:59,760  
um

985  
00:43:04,370 --> 00:43:02,400  
it does not look well maintained it

986  
00:43:06,650 --> 00:43:04,380  
looks creepy

987  
00:43:08,390 --> 00:43:06,660  
looks like it's full of mold probably

988  
00:43:10,069 --> 00:43:08,400

some fungus you're gonna get some black

989

00:43:12,170 --> 00:43:10,079

mold here probably gonna come out with

990

00:43:14,270 --> 00:43:12,180

at least a runny nose and some coughing

991

00:43:16,309 --> 00:43:14,280

so that's not a good experience

992

00:43:19,609 --> 00:43:16,319

uh the ultimate paranormal Outdoor

993

00:43:24,950 --> 00:43:19,619

Adventure incorporates ghosts in camping

994

00:43:27,910 --> 00:43:24,960

or what has been dubbed as G jamping GA

995

00:43:31,970 --> 00:43:29,470

camping

996

00:43:33,890 --> 00:43:31,980

guess we'll need to pack their bags as

997

00:43:36,829 --> 00:43:33,900

well as a whole lot of courage to get

998

00:43:39,710 --> 00:43:36,839

ready for paranormal activities of

999

00:43:41,030 --> 00:43:39,720

investigating like bourbon or what yeah

1000

00:43:43,309 --> 00:43:41,040

I guess

1001  
00:43:46,250 --> 00:43:43,319  
uh the new gaming experience will take

1002  
00:43:47,870 --> 00:43:46,260  
you beyond the walls

1003  
00:43:51,410 --> 00:43:47,880  
beyond the walls of The Conjuring house

1004  
00:43:53,270 --> 00:43:51,420  
and immerse you in a land for an

1005  
00:43:55,910 --> 00:43:53,280  
unforgettable overnight investigation

1006  
00:43:58,069 --> 00:43:55,920  
within the walls of our three to four

1007  
00:44:01,490 --> 00:43:58,079  
person tents the website notes with only

1008  
00:44:04,190 --> 00:44:01,500  
four well within the walls of our three

1009  
00:44:06,650 --> 00:44:04,200  
to four person tents what the Yeah you

1010  
00:44:09,170 --> 00:44:06,660  
within the walls of our three to four

1011  
00:44:11,329 --> 00:44:09,180  
person tests aren't those walls just

1012  
00:44:18,770 --> 00:44:11,339  
pieces of canvas or most likely nylon

1013  
00:44:22,670 --> 00:44:20,390

I'm hearing I'm hearing two different

1014

00:44:28,550 --> 00:44:22,680

answers there are are they or aren't

1015

00:44:34,250 --> 00:44:32,270

with uh only eight sites available these

1016

00:44:36,230 --> 00:44:34,260

These are the perfect base for your

1017

00:44:38,990 --> 00:44:36,240

overnight adventures in this iconic

1018

00:44:40,609 --> 00:44:39,000

location visitors are to bring their own

1019

00:44:42,530 --> 00:44:40,619

equipment to investigate what might

1020

00:44:45,290 --> 00:44:42,540

await uh them in the darkness because

1021

00:44:48,890 --> 00:44:45,300

this excursion is sure to test your

1022

00:44:50,390 --> 00:44:48,900

capacity to experience the Paranormal

1023

00:44:53,329 --> 00:44:50,400

you know I'm reading that previous

1024

00:44:54,829 --> 00:44:53,339

sentence there and it still confuses me

1025

00:44:56,870 --> 00:44:54,839

um immerse you in the land for an

1026  
00:44:58,970 --> 00:44:56,880  
unforgettable overnight investigation

1027  
00:45:01,010 --> 00:44:58,980  
within the walls of our three to four

1028  
00:45:03,170 --> 00:45:01,020  
percent so you can only investigate

1029  
00:45:04,849 --> 00:45:03,180  
things within your tent

1030  
00:45:08,450 --> 00:45:04,859  
it's not clear

1031  
00:45:11,089 --> 00:45:08,460  
and investigate anything you want as

1032  
00:45:13,670 --> 00:45:11,099  
long as it's within that tent yeah

1033  
00:45:15,530 --> 00:45:13,680  
it's I I'm assuming that they can't keep

1034  
00:45:17,390 --> 00:45:15,540  
you in the tent the entire night it's

1035  
00:45:18,770 --> 00:45:17,400  
probably like you can't

1036  
00:45:20,690 --> 00:45:18,780  
you got to go out and use the bathroom

1037  
00:45:23,030 --> 00:45:20,700  
not least you're just expecting you to

1038  
00:45:26,349 --> 00:45:23,040

relieve yourself in the tent with three

1039

00:45:28,790 --> 00:45:26,359

other people in there that's bizarre

1040

00:45:31,430 --> 00:45:28,800

after dark I'm not gonna pay good money

1041

00:45:33,550 --> 00:45:31,440

I need privacy when I when I relieve

1042

00:45:35,390 --> 00:45:33,560

myself I'm not going to do that

1043

00:45:37,490 --> 00:45:35,400

uh

1044

00:45:40,550 --> 00:45:37,500

I would imagine you'd be able to tour

1045

00:45:43,010 --> 00:45:40,560

the ground you would be able to uh set

1046

00:45:45,290 --> 00:45:43,020

up your your ghost meters your your EVPs

1047

00:45:47,690 --> 00:45:45,300

your recording devices in order to

1048

00:45:49,790 --> 00:45:47,700

capture the sounds of spirits that uh

1049

00:45:51,950 --> 00:45:49,800

have long since past people who may

1050

00:45:53,450 --> 00:45:51,960

still haunt the property I've seen a

1051  
00:45:55,609 --> 00:45:53,460  
ghost investigations on this property

1052  
00:45:58,849 --> 00:45:55,619  
and they still pick up creepy stuff

1053  
00:46:02,270 --> 00:45:58,859  
there now bio accounts the the amount of

1054  
00:46:05,270 --> 00:46:02,280  
hauntings have gone down but they still

1055  
00:46:06,829 --> 00:46:05,280  
I they still report activity at this

1056  
00:46:08,630 --> 00:46:06,839  
property and it's just not the house

1057  
00:46:11,210 --> 00:46:08,640  
itself it's like the entire property

1058  
00:46:12,230 --> 00:46:11,220  
does have aspects of of Paranormal

1059  
00:46:14,510 --> 00:46:12,240  
Activity

1060  
00:46:16,370 --> 00:46:14,520  
so there I think there is like a value

1061  
00:46:19,910 --> 00:46:16,380  
there if you're a hardcore Ghost Hunter

1062  
00:46:24,170 --> 00:46:19,920  
there is value to this now how much are

1063  
00:46:27,670 --> 00:46:24,180

they charging well uh 20 dates from June

1064

00:46:31,010 --> 00:46:27,680

to October are available starting at 300

1065

00:46:32,310 --> 00:46:31,020

per night for camping

1066

00:46:34,430 --> 00:46:32,320

gee

1067

00:46:36,890 --> 00:46:34,440

[Applause]

1068

00:46:39,109 --> 00:46:36,900

for campy 300 per night and we don't

1069

00:46:40,730 --> 00:46:39,119

even know what the amenities are with

1070

00:46:44,089 --> 00:46:40,740

this if this sounds like they give you a

1071

00:46:46,790 --> 00:46:44,099

tent it's not even clear it's a three or

1072

00:46:48,530 --> 00:46:46,800

four four person we don't know it's not

1073

00:46:49,370 --> 00:46:48,540

clear a lot of things just are not clear

1074

00:46:51,589 --> 00:46:49,380

here

1075

00:46:52,910 --> 00:46:51,599

uh maybe that means you book three and

1076  
00:46:55,069 --> 00:46:52,920  
they will give you a fourth person who

1077  
00:46:56,329 --> 00:46:55,079  
may or may not be a ghost hmm well that

1078  
00:46:58,790 --> 00:46:56,339  
would be a benefit then that's a

1079  
00:47:01,849 --> 00:46:58,800  
guaranteed haunting

1080  
00:47:04,430 --> 00:47:01,859  
uh eight campsites were rated on the

1081  
00:47:07,430 --> 00:47:04,440  
Fright factor of one to ten so guests

1082  
00:47:08,990 --> 00:47:07,440  
can better plan their evening

1083  
00:47:10,910 --> 00:47:09,000  
so there are certain campsites there

1084  
00:47:12,950 --> 00:47:10,920  
that are more frightening than other

1085  
00:47:15,470 --> 00:47:12,960  
campsites yeah the ones closer to the

1086  
00:47:17,809 --> 00:47:15,480  
turrets maybe that's horrifying I'm

1087  
00:47:19,250 --> 00:47:17,819  
hearing weird noises out there there's a

1088  
00:47:21,470 --> 00:47:19,260

bunch of gurgling and groaning the

1089

00:47:24,470 --> 00:47:21,480

mirrors a bunch of weird stuff all night

1090

00:47:26,690 --> 00:47:24,480

we're definitely hotter here also it

1091

00:47:29,270 --> 00:47:26,700

really stinks

1092

00:47:31,069 --> 00:47:29,280

I think Bigfoot's closes things like

1093

00:47:36,130 --> 00:47:31,079

Bigfoot around here

1094

00:47:41,740 --> 00:47:39,230

Chinese ghosts are now good hygiene

1095

00:47:45,230 --> 00:47:41,750

there has no visit again three stars

1096

00:47:47,329 --> 00:47:45,240

[Laughter]

1097

00:47:49,309 --> 00:47:47,339

uh there have been existing overnight

1098

00:47:51,410 --> 00:47:49,319

bookings at the house with guest stain

1099

00:47:53,089 --> 00:47:51,420

within the home tours of The Conjuring

1100

00:47:56,109 --> 00:47:53,099

house which are led by experienced

1101

00:47:58,609 --> 00:47:56,119

guides are also offered

1102

00:48:00,530 --> 00:47:58,619

journey through this Infamous house and

1103

00:48:04,130 --> 00:48:00,540

learn about its history and the spirits

1104

00:48:05,870 --> 00:48:04,140

that remain here their website notes

1105

00:48:08,750 --> 00:48:05,880

so yeah the yeah the house was made

1106

00:48:09,589 --> 00:48:08,760

famous by Ed in Lorraine Warren

1107

00:48:12,050 --> 00:48:09,599

um

1108

00:48:14,329 --> 00:48:12,060

and that so I think that's uh so The

1109

00:48:19,430 --> 00:48:14,339

Conjuring movies follow Ed and Lorraine

1110

00:48:22,430 --> 00:48:21,170

um by the way the website uh the link at

1111

00:48:23,750 --> 00:48:22,440

the bottom there actually there's a lot

1112

00:48:25,130 --> 00:48:23,760

of good stuff on their website this is a

1113

00:48:27,730 --> 00:48:25,140

really first of all really well put

1114

00:48:30,650 --> 00:48:27,740

together website and lots of details on

1115

00:48:32,450 --> 00:48:30,660

camping there as well as the other

1116

00:48:34,190 --> 00:48:32,460

things going on tours and whatnot at the

1117

00:48:35,809 --> 00:48:34,200

at the house that's a pretty cool

1118

00:48:39,050 --> 00:48:35,819

website starts off with like this video

1119

00:48:42,770 --> 00:48:39,060

intro walking through the house uh

1120

00:48:45,170 --> 00:48:42,780

experiences uh overweight men trying to

1121

00:48:47,990 --> 00:48:45,180

look for ghosts uh some guy messing with

1122

00:48:49,970 --> 00:48:48,000

his phone yeah typically it's overweight

1123

00:48:52,010 --> 00:48:49,980

guys in their 40s that are really

1124

00:48:54,109 --> 00:48:52,020

interested in ghosts tourists wearing

1125

00:48:56,390 --> 00:48:54,119

shorts that are way too short with lots

1126

00:48:58,670 --> 00:48:56,400

of stuff in the pockets yeah as as like

1127

00:49:01,309 --> 00:48:58,680

uh middle-aged men as their favorite NFL

1128

00:49:04,250 --> 00:49:01,319

teams stop doing as well they get more

1129

00:49:05,990 --> 00:49:04,260

interested in looking for ghosts

1130

00:49:08,530 --> 00:49:06,000

we didn't make the playoff this year I'm

1131

00:49:12,230 --> 00:49:08,540

gonna go look for ghosts

1132

00:49:14,210 --> 00:49:12,240

damn Bengals where's those ghosts yeah

1133

00:49:17,089 --> 00:49:14,220

oh you can rent the house for uh private

1134

00:49:19,670 --> 00:49:17,099

events what about marriages can you get

1135

00:49:21,589 --> 00:49:19,680

married there yes example events could

1136

00:49:23,870 --> 00:49:21,599

include weddings number one on the list

1137

00:49:26,329 --> 00:49:23,880

really weddings partings team building

1138

00:49:27,829 --> 00:49:26,339

events now there there you go you do

1139

00:49:30,290 --> 00:49:27,839

your next corporate event there and you

1140

00:49:32,150 --> 00:49:30,300

scared the [h\_\_h] out of the new people

1141

00:49:34,270 --> 00:49:32,160

yeah

1142

00:49:38,150 --> 00:49:34,280

I don't like going to these areas

1143

00:49:41,870 --> 00:49:38,160

because I am of the belief of a a

1144

00:49:44,390 --> 00:49:41,880

paranormal attachments like uh you put

1145

00:49:46,250 --> 00:49:44,400

yourself in a situation where there is

1146

00:49:48,770 --> 00:49:46,260

Paranormal Activity

1147

00:49:52,069 --> 00:49:48,780

and then next thing you know you have a

1148

00:49:53,750 --> 00:49:52,079

ghost attaching itself to you and

1149

00:49:55,910 --> 00:49:53,760

wreaking havoc through your life like we

1150

00:49:59,630 --> 00:49:55,920

talked about that creepy oh I'm sorry

1151  
00:50:02,710 --> 00:49:59,640  
beautiful doll down in the in the family

1152  
00:50:06,050 --> 00:50:02,720  
or Michael or Pete or that that's

1153  
00:50:09,109 --> 00:50:06,060  
cursed doll what was his name down in

1154  
00:50:11,809 --> 00:50:09,119  
the Florida Keys and if you made fun of

1155  
00:50:13,250 --> 00:50:11,819  
it if you said bad things about it you

1156  
00:50:16,069 --> 00:50:13,260  
try to take his picture without his

1157  
00:50:18,710 --> 00:50:16,079  
permission you made any sort of like

1158  
00:50:21,770 --> 00:50:18,720  
weird eye you give it the evil eye and

1159  
00:50:23,750 --> 00:50:21,780  
then your life was cursed and there's

1160  
00:50:26,210 --> 00:50:23,760  
many an example of people that were

1161  
00:50:28,790 --> 00:50:26,220  
going up to that doll making fun of it

1162  
00:50:31,190 --> 00:50:28,800  
and then their life is just ruined and

1163  
00:50:33,650 --> 00:50:31,200

he's committing suicide right there it's

1164

00:50:35,990 --> 00:50:33,660

just crazy so I like like I'm fascinated

1165

00:50:37,430 --> 00:50:36,000

by the Paranormal I will observe it from

1166

00:50:40,010 --> 00:50:37,440

a distance I don't know if I want to put

1167

00:50:42,890 --> 00:50:40,020

myself in those situations to where uh I

1168

00:50:45,890 --> 00:50:42,900

can be susceptible to Spirit attachment

1169

00:50:47,690 --> 00:50:45,900

I don't want that that's right

1170

00:50:48,650 --> 00:50:47,700

well I would just wonder how well would

1171

00:50:50,150 --> 00:50:48,660

it go over if you said we're going to

1172

00:50:51,650 --> 00:50:50,160

have our corporate team building event

1173

00:50:54,010 --> 00:50:51,660

here

1174

00:50:56,390 --> 00:50:54,020

I think some people might be into it

1175

00:50:58,370 --> 00:50:56,400

especially if you have a younger team

1176  
00:51:00,410 --> 00:50:58,380  
and that younger team they're on Tick

1177  
00:51:02,569 --> 00:51:00,420  
Tock they're probably familiar with Tick

1178  
00:51:04,730 --> 00:51:02,579  
Tock witches they're familiar uh more

1179  
00:51:06,530 --> 00:51:04,740  
with Paranormal Activity I think it

1180  
00:51:09,109 --> 00:51:06,540  
might be a pretty excellent team

1181  
00:51:10,430 --> 00:51:09,119  
building opportunity

1182  
00:51:12,710 --> 00:51:10,440  
it's also a good opportunity to play

1183  
00:51:14,390 --> 00:51:12,720  
pranks on people sure you can do your

1184  
00:51:16,010 --> 00:51:14,400  
risk assessment for business strategy

1185  
00:51:17,210 --> 00:51:16,020  
there too using a Ouija board that's

1186  
00:51:18,770 --> 00:51:17,220  
right we're going to identify our key

1187  
00:51:19,750 --> 00:51:18,780  
performance indicators using this Ouija

1188  
00:51:21,950 --> 00:51:19,760

board

1189

00:51:25,270 --> 00:51:21,960

just keeps telling me to [\h\_\_\h] off I'm

1190

00:51:27,710 --> 00:51:25,280

not sure what that is I'll do it

1191

00:51:31,130 --> 00:51:27,720

evil Bob told me to [\h\_\_\h] off through the

1192

00:51:34,970 --> 00:51:31,140

Ouija board these kpis are [\h\_\_\h] man

1193

00:51:36,290 --> 00:51:34,980

uh 300 bucks a night nah nah I don't

1194

00:51:38,089 --> 00:51:36,300

think yeah does that does that I'm just

1195

00:51:39,589 --> 00:51:38,099

curious does that come with something do

1196

00:51:40,790 --> 00:51:39,599

you get something for that 300 bucks a

1197

00:51:42,609 --> 00:51:40,800

night

1198

00:51:45,770 --> 00:51:42,619

you get the tents

1199

00:51:47,870 --> 00:51:45,780

that's what you get you get the 10.

1200

00:51:49,069 --> 00:51:47,880

I think that's what you can expect I'm

1201  
00:51:51,410 --> 00:51:49,079  
looking through the I'm looking through

1202  
00:51:54,890 --> 00:51:51,420  
the webpage here for the the camp the

1203  
00:51:58,069 --> 00:51:54,900  
I'm sorry the camping experience

1204  
00:51:59,870 --> 00:51:58,079  
um and I don't think you get

1205  
00:52:01,910 --> 00:51:59,880  
there's a trailer I'm not sleeping in no

1206  
00:52:03,710 --> 00:52:01,920  
trailer that's even worse yeah I'd

1207  
00:52:06,049 --> 00:52:03,720  
rather not sleep oh you can sleep in the

1208  
00:52:08,329 --> 00:52:06,059  
pet cemetery oh that's nice

1209  
00:52:11,809 --> 00:52:08,339  
yeah don't do that I'd rather not sleep

1210  
00:52:14,089 --> 00:52:11,819  
in a pet cemetery but you know taste

1211  
00:52:15,589 --> 00:52:14,099  
their own you must read the following or

1212  
00:52:17,580 --> 00:52:15,599  
risk being asked to leave without a

1213  
00:52:18,290 --> 00:52:17,590

refund okay

1214

00:52:19,670 --> 00:52:18,300

[Music]

1215

00:52:25,390 --> 00:52:19,680

um

1216

00:52:30,530 --> 00:52:28,670

okay uh you got a guided tour the

1217

00:52:32,870 --> 00:52:30,540

merchandise room is open overnight

1218

00:52:35,150 --> 00:52:32,880

investigation begins you can investigate

1219

00:52:38,450 --> 00:52:35,160

anywhere on the property including

1220

00:52:41,329 --> 00:52:38,460

around other campsites but stay out of

1221

00:52:44,089 --> 00:52:41,339

their tents oh

1222

00:52:46,250 --> 00:52:44,099

uh starting at 10 p.m quiet hours per

1223

00:52:51,430 --> 00:52:46,260

Town ordinance you can still investigate

1224

00:52:55,030 --> 00:52:54,049

not sure really what that means

1225

00:52:59,089 --> 00:52:55,040

um

1226  
00:53:01,549 --> 00:52:59,099  
1am your private investigation at your

1227  
00:53:04,970 --> 00:53:01,559  
tent area begins investigate your site

1228  
00:53:08,329 --> 00:53:04,980  
in other areas without tents a 50-foot

1229  
00:53:09,790 --> 00:53:08,339  
buffer no-go Zone takes effect wow

1230  
00:53:11,690 --> 00:53:09,800  
they're pretty hardcore about this

1231  
00:53:13,730 --> 00:53:11,700  
there's people out there with like

1232  
00:53:15,370 --> 00:53:13,740  
measuring sticks yeah I guess so tell

1233  
00:53:18,609 --> 00:53:15,380  
them to shut up

1234  
00:53:20,630 --> 00:53:18,619  
49 feet get out of here

1235  
00:53:22,670 --> 00:53:20,640  
all right I'm gonna shut up and take

1236  
00:53:25,010 --> 00:53:22,680  
your calls no no we're not taking calls

1237  
00:53:26,450 --> 00:53:25,020  
10 a.m is checkout time please bring all

1238  
00:53:28,910 --> 00:53:26,460

1239

00:53:31,010 --> 00:53:28,920

you leave leave nothing behind there is

1240

00:53:35,390 --> 00:53:31,020

no formal checkout process you just

1241

00:53:36,349 --> 00:53:35,400

peace out okay weird

1242

00:53:38,930 --> 00:53:36,359

um

1243

00:53:41,630 --> 00:53:38,940

yeah I'm not sure I'm I'm 300 seems like

1244

00:53:44,510 --> 00:53:41,640

a lot for uh wander around somebody's

1245

00:53:46,250 --> 00:53:44,520

yard and stay in their tent yeah it does

1246

00:53:48,470 --> 00:53:46,260

it does say they have Wi-Fi though so

1247

00:53:49,849 --> 00:53:48,480

that's good bone that's a bonus ghosts

1248

00:53:51,530 --> 00:53:49,859

love to connect they like the free Wi-Fi

1249

00:53:54,530 --> 00:53:51,540

some of those ghosts they don't have

1250

00:53:55,730 --> 00:53:54,540

newer phones you have to um uh kind of

1251  
00:53:58,190 --> 00:53:55,740  
keep them up to date on what's going on

1252  
00:54:01,609 --> 00:53:58,200  
around the world so um plan for plenty

1253  
00:54:03,349 --> 00:54:01,619  
of time for that using your iPad

1254  
00:54:05,150 --> 00:54:03,359  
uh what do you say do you want to take a

1255  
00:54:07,130 --> 00:54:05,160  
few phone calls let's take some phone

1256  
00:54:11,390 --> 00:54:07,140  
calls sure let's take a few phone calls

1257  
00:54:11,400 --> 00:54:15,130  
foreign

1258  
00:54:19,370 --> 00:54:17,809  
six one four that's why I cut off

1259  
00:54:21,410 --> 00:54:19,380  
because I had to run my limiter and open

1260  
00:54:24,549 --> 00:54:21,420  
up Skype and my computer just didn't

1261  
00:54:28,970 --> 00:54:27,290  
614-388-9109 and we'll take some phone

1262  
00:54:31,190 --> 00:54:28,980  
calls let's go ahead and take the phone

1263  
00:54:33,530 --> 00:54:31,200

calls

1264

00:54:37,010 --> 00:54:33,540

caller you're on the air

1265

00:54:40,609 --> 00:54:37,020

I just want to say thank you to to you

1266

00:54:42,650 --> 00:54:40,619

Joe crush it into the whole piss on me

1267

00:54:45,230 --> 00:54:42,660

little holiday y'all have done you have

1268

00:54:47,210 --> 00:54:45,240

no idea how much y'all mean to us yeah

1269

00:54:51,290 --> 00:54:47,220

I've been the biggest supporters of my

1270

00:55:04,549 --> 00:54:54,589

Vegas

1271

00:55:12,049 --> 00:55:09,530

long story short uh I was front row at

1272

00:55:16,549 --> 00:55:12,059

the Las Vegas sick new word it was a

1273

00:55:19,690 --> 00:55:16,559

14-hour festival my legs uh um damn near

1274

00:55:23,030 --> 00:55:19,700

gave out System of a Down I was getting

1275

00:55:25,970 --> 00:55:23,040

crushed by a uh

1276

00:55:27,710 --> 00:55:25,980

sea of people trying to make sure that

1277

00:55:29,569 --> 00:55:27,720

my woman had a little bit of breathed

1278

00:55:32,329 --> 00:55:29,579

room while I had none

1279

00:55:35,030 --> 00:55:32,339

just so we could see System of a Down

1280

00:55:35,990 --> 00:55:35,040

which was the headliner yeah but of

1281

00:55:39,049 --> 00:55:36,000

course

1282

00:55:41,089 --> 00:55:39,059

I saw every band of my childhood I've

1283

00:55:44,210 --> 00:55:41,099

never wanted to see which was P.O.D

1284

00:55:48,230 --> 00:55:44,220

Seville Deftones a corn of course

1285

00:55:50,750 --> 00:55:48,240

Incubus and there was a new band that I

1286

00:55:53,089 --> 00:55:50,760

never heard of until I saw them and now

1287

00:55:55,250 --> 00:55:53,099

I'm the biggest fan ever I cannot stop

1288

00:55:58,069 --> 00:55:55,260

listening to them they are punk band

1289

00:55:59,750 --> 00:55:58,079

Mike you probably know them turn style

1290

00:56:02,270 --> 00:55:59,760

oh yeah they're great yeah

1291

00:56:04,730 --> 00:56:02,280

this they freaking put on a show and I

1292

00:56:09,290 --> 00:56:04,740

know and we're gonna go see them live in

1293

00:56:11,510 --> 00:56:09,300

July they are opening for blink-182.

1294

00:56:13,430 --> 00:56:11,520

but anyways you you survived I mean this

1295

00:56:15,530 --> 00:56:13,440

is why I don't go into pits anymore

1296

00:56:17,809 --> 00:56:15,540

because what you're experiencing and

1297

00:56:20,270 --> 00:56:17,819

what you experience is like it's

1298

00:56:22,430 --> 00:56:20,280

suffocating and it is a battle when you

1299

00:56:23,690 --> 00:56:22,440

go into a pit it's like it's not like

1300

00:56:25,730 --> 00:56:23,700

you don't enjoy the music you're just

1301  
00:56:26,870 --> 00:56:25,740  
trying to survive

1302  
00:56:29,329 --> 00:56:26,880  
yeah

1303  
00:56:31,670 --> 00:56:29,339  
you have you have two choices

1304  
00:56:35,150 --> 00:56:31,680  
you raise your hand and say help help

1305  
00:56:38,809 --> 00:56:35,160  
right and they get you out of there or

1306  
00:56:41,510 --> 00:56:38,819  
you go through the [h\_\_\h]

1307  
00:56:44,210 --> 00:56:41,520  
and what what I did was while I was

1308  
00:56:46,970 --> 00:56:44,220  
getting pushed and almost trampled to

1309  
00:56:49,790 --> 00:56:46,980  
the ground I'm singing the lyrics of the

1310  
00:56:52,490 --> 00:56:49,800  
songs completely fine with what's going

1311  
00:56:54,890 --> 00:56:52,500  
on but knowing that I'm going about to

1312  
00:56:58,849 --> 00:56:54,900  
pass out yeah you're gonna die

1313  
00:57:01,010 --> 00:56:58,859

because I'm a die-hard fan dude you got

1314

00:57:03,049 --> 00:57:01,020

lucky man you're lucky you're you're a

1315

00:57:04,849 --> 00:57:03,059

bit of a younger man uh there are

1316

00:57:06,290 --> 00:57:04,859

several times in my life when I was in a

1317

00:57:08,569 --> 00:57:06,300

pit where I thought it was gonna I was

1318

00:57:09,950 --> 00:57:08,579

gonna pass out now the pit protocol is

1319

00:57:12,349 --> 00:57:09,960

like when you fall down other people

1320

00:57:14,270 --> 00:57:12,359

around you should pick you up and bring

1321

00:57:17,450 --> 00:57:14,280

you to your feet doesn't always happen

1322

00:57:19,370 --> 00:57:17,460

sometimes you get trampled and uh you

1323

00:57:22,250 --> 00:57:19,380

just get to stampeder to death but I'm

1324

00:57:24,650 --> 00:57:22,260

glad you made it out there dude

1325

00:57:28,130 --> 00:57:24,660

yeah it was a

1326

00:57:30,829 --> 00:57:28,140

a winning lifetime experience

1327

00:57:33,230 --> 00:57:30,839

but very excruciating uh I could not get

1328

00:57:35,870 --> 00:57:33,240

out of the bathtub that night my legs

1329

00:57:37,549 --> 00:57:35,880

were in shock yeah

1330

00:57:38,690 --> 00:57:37,559

I was having cramps are you gonna be

1331

00:57:40,309 --> 00:57:38,700

able to make it to the marriage you're

1332

00:57:44,290 --> 00:57:40,319

gonna be able to walk down the aisle

1333

00:57:47,630 --> 00:57:44,300

okay July 15th is the wedding good good

1334

00:57:49,609 --> 00:57:47,640

blowtorch you need to add more stuff to

1335

00:57:50,750 --> 00:57:49,619

your registry yeah Chris you're saying

1336

00:57:53,270 --> 00:57:50,760

you got to add more stuff to your

1337

00:57:55,730 --> 00:57:53,280

registry and I agree like you you have

1338

00:57:58,670 --> 00:57:55,740

very practical things on there

1339

00:58:01,190 --> 00:57:58,680

one thing that we are going to add uh

1340

00:58:03,770 --> 00:58:01,200

and we appreciate any and you know all

1341

00:58:05,390 --> 00:58:03,780

the help all the all the gifts but we

1342

00:58:08,030 --> 00:58:05,400

are starting and you know all about this

1343

00:58:11,690 --> 00:58:08,040

we're starting a garden yeah yeah we

1344

00:58:15,410 --> 00:58:11,700

planted uh tomatoes basil onion

1345

00:58:19,849 --> 00:58:18,530

everything a little bit of everything

1346

00:58:21,349 --> 00:58:19,859

but I love you I don't want to take up

1347

00:58:23,690 --> 00:58:21,359

too much time

1348

00:58:26,030 --> 00:58:23,700

but I think about y'all every day and

1349

00:58:27,710 --> 00:58:26,040

listen to reruns every day

1350

00:58:29,510 --> 00:58:27,720

well thank you blood torch you update

1351

00:58:31,549 --> 00:58:29,520

your wedding registry with guarding

1352

00:58:34,190 --> 00:58:31,559

relating items and I'm sure people would

1353

00:58:35,690 --> 00:58:34,200

love to buy that for you too oh my God

1354

00:58:38,020 --> 00:58:35,700

thank you so much all right take care of

1355

00:58:41,630 --> 00:58:38,030

me I'm glad you're alive

1356

00:58:47,089 --> 00:58:44,450

System of Down we'll mess you up

1357

00:58:49,370 --> 00:58:47,099

caller you're on the air

1358

00:58:52,910 --> 00:58:49,380

hey guys uh hey it's uh Jared in

1359

00:58:55,250 --> 00:58:52,920

Jacksonville hey Jared hello hey uh so

1360

00:58:57,410 --> 00:58:55,260

we I'm considering doing something uh

1361

00:59:00,470 --> 00:58:57,420

big all right

1362

00:59:03,109 --> 00:59:00,480

and uh I've got a week coming up in July

1363

00:59:05,450 --> 00:59:03,119

that I'm off from work and I live in

1364

00:59:07,569 --> 00:59:05,460

Jacksonville Florida and I'm thinking

1365

00:59:11,210 --> 00:59:07,579

about going just going out to the beach

1366

00:59:14,690 --> 00:59:11,220

and walking North like uh you know

1367

00:59:18,109 --> 00:59:14,700

walking uh in in the evening uh

1368

00:59:19,609 --> 00:59:18,119

nighttime taking a tent with me and and

1369

00:59:23,710 --> 00:59:19,619

camping on the beach

1370

00:59:27,130 --> 00:59:23,720

uh and see how far I can get and either

1371

00:59:30,950 --> 00:59:27,140

find somewhere to walk to and fly back

1372

00:59:32,150 --> 00:59:30,960

or decide to walk back

1373

00:59:35,210 --> 00:59:32,160

um

1374

00:59:37,490 --> 00:59:35,220

like I would take my I would take money

1375

00:59:39,109 --> 00:59:37,500

with me and uh my phone and a battery

1376

00:59:46,849 --> 00:59:39,119

and

1377

00:59:50,089 --> 00:59:46,859

but it yeah I think it would be like

1378

00:59:52,250 --> 00:59:50,099

um you know personal growth or

1379

00:59:53,870 --> 00:59:52,260

so you just doing this for like an

1380

00:59:55,549 --> 00:59:53,880

endurance test for yourself to say hey

1381

00:59:58,730 --> 00:59:55,559

I'm just going to take a backpack and

1382

01:00:01,069 --> 00:59:58,740

I'm gonna go North and see what happens

1383

01:00:04,490 --> 01:00:01,079

yeah I've done I've done a couple

1384

01:00:08,030 --> 01:00:04,500

triathlons and 15ks and 5Ks and all that

1385

01:00:09,710 --> 01:00:08,040

I'm a veteran uh so you know that's not

1386

01:00:13,789 --> 01:00:09,720

an issue and I'm

1387

01:00:16,370 --> 01:00:13,799

I'm trying to strategize on like not uh

1388

01:00:20,809 --> 01:00:16,380

not getting robbed while you're sleeping

1389

01:00:24,230 --> 01:00:20,819

and but if I sleep during the day and

1390

01:00:26,690 --> 01:00:24,240

well populated areas like uh there's

1391

01:00:28,609 --> 01:00:26,700

normally safety like that uh is there

1392

01:00:30,349 --> 01:00:28,619

anything you all can think of that I

1393

01:00:32,030 --> 01:00:30,359

might need to consider to do this yeah

1394

01:00:34,730 --> 01:00:32,040

there's a there's a bunch of things that

1395

01:00:36,890 --> 01:00:34,740

uh I would uh ask that you would uh take

1396

01:00:38,270 --> 01:00:36,900

with you especially for things like that

1397

01:00:40,430 --> 01:00:38,280

you're talking about like cigarettes

1398

01:00:42,049 --> 01:00:40,440

cigarettes and lottery tickets lottery

1399

01:00:44,870 --> 01:00:42,059

tickets with you and chewing Dubai

1400

01:00:48,589 --> 01:00:44,880

chewing tobacco Hot Pockets and honey

1401

01:00:52,190 --> 01:00:48,599

buns and coffee and Gatorade and

1402

01:00:54,069 --> 01:00:52,200

Coca-Cola and aspirin and lighters yeah

1403

01:00:56,589 --> 01:00:54,079

definitely think lighters and ice cream

1404

01:00:59,630 --> 01:00:56,599

and potato chips

1405

01:01:02,870 --> 01:00:59,640

I would definitely take a couple MREs

1406

01:01:05,329 --> 01:01:02,880

with me energy bars I would start out

1407

01:01:08,510 --> 01:01:05,339

with a gallon of water and you know I'd

1408

01:01:10,609 --> 01:01:08,520

stop and buy beer and uh and bring a

1409

01:01:11,630 --> 01:01:10,619

couple books with me and

1410

01:01:14,809 --> 01:01:11,640

um

1411

01:01:17,390 --> 01:01:14,819

but uh I I would say the only

1412

01:01:20,030 --> 01:01:17,400

recommendation is document your journey

1413

01:01:21,829 --> 01:01:20,040

whether it's not like like a video blog

1414

01:01:23,990 --> 01:01:21,839

or something like that something that

1415

01:01:26,150 --> 01:01:24,000

you can update people because I would I

1416

01:01:28,549 --> 01:01:26,160

would be curious about your your journey

1417

01:01:30,410 --> 01:01:28,559

like what your what you're going through

1418

01:01:33,589 --> 01:01:30,420

what we're like where you're starting

1419

01:01:35,630 --> 01:01:33,599

off where you plan on on sleeping that

1420

01:01:37,609 --> 01:01:35,640

night what are some things to watch out

1421

01:01:40,609 --> 01:01:37,619

for because it almost sounds like you're

1422

01:01:43,190 --> 01:01:40,619

kind of hobbing a little bit and yeah

1423

01:01:45,230 --> 01:01:43,200

that's a that's a fascinating little

1424

01:01:47,809 --> 01:01:45,240

journey for yourself or big Journey

1425

01:01:49,609 --> 01:01:47,819

document it make sure that you you

1426

01:01:51,770 --> 01:01:49,619

expose what you learn to other people

1427

01:01:53,569 --> 01:01:51,780

who may actually find your story

1428

01:01:54,890 --> 01:01:53,579

inspiring and want to do it themselves

1429

01:01:56,750 --> 01:01:54,900

yeah

1430

01:01:58,549 --> 01:01:56,760

okay

1431

01:02:00,049 --> 01:01:58,559

I mean you're a veteran you know how to

1432

01:02:01,549 --> 01:02:00,059

take care of yourself you probably have

1433

01:02:04,190 --> 01:02:01,559

been trained in the martial arts like

1434

01:02:09,349 --> 01:02:04,200

myself so you can handle yourself

1435

01:02:10,549 --> 01:02:09,359

yeah yeah uh hey uh a quick thing um I

1436

01:02:13,910 --> 01:02:10,559

keep thinking about

1437

01:02:16,430 --> 01:02:13,920

um the Vulcan mind meld yeah like how

1438

01:02:18,470 --> 01:02:16,440

awesome would it be to be able to get

1439

01:02:21,890 --> 01:02:18,480

into a conversation with someone and

1440

01:02:23,390 --> 01:02:21,900

like you learned their entire life and

1441

01:02:26,089 --> 01:02:23,400

everything that they've experienced from

1442

01:02:28,069 --> 01:02:26,099

their perspective and then while that's

1443

01:02:29,569 --> 01:02:28,079

going on they're learning about your

1444

01:02:32,750 --> 01:02:29,579

entire life and everything from your

1445

01:02:35,329 --> 01:02:32,760

your perspective and then like are we

1446

01:02:38,150 --> 01:02:35,339

going that way with AI or with

1447

01:02:40,670 --> 01:02:38,160

um uh the hive mind or neural link I

1448

01:02:42,950 --> 01:02:40,680

think that's what uh Elon Musk is trying

1449

01:02:45,470 --> 01:02:42,960

to do with the neuralink in fact he just

1450

01:02:47,990 --> 01:02:45,480

got FEA approved after being denied

1451

01:02:50,690 --> 01:02:48,000

several times he have he has just gotten

1452

01:02:52,010 --> 01:02:50,700

FDA approval for human testing with the

1453

01:02:53,329 --> 01:02:52,020

neural link well I have the headline

1454

01:02:55,370 --> 01:02:53,339

here and I think what you're talking

1455

01:02:57,470 --> 01:02:55,380

about there is where we're going that

1456

01:02:59,210 --> 01:02:57,480

exchange information to where you don't

1457

01:03:02,150 --> 01:02:59,220

have to talk to anybody anymore anymore

1458

01:03:03,349 --> 01:03:02,160

you just download what they're asking

1459

01:03:04,549 --> 01:03:03,359

you and you're like okay I'll talk to

1460

01:03:06,589 --> 01:03:04,559

you I won't even talk to you later

1461

01:03:07,670 --> 01:03:06,599

because I know what you're going say

1462

01:03:10,910 --> 01:03:07,680

yeah

1463

01:03:13,549 --> 01:03:10,920

scary hey hey I told you all I keep

1464

01:03:16,430 --> 01:03:13,559

listening to older episodes and I keep

1465

01:03:18,349 --> 01:03:16,440

daydreaming like uh wouldn't it be

1466

01:03:20,630 --> 01:03:18,359

awesome if uh I'm listening to an old

1467

01:03:23,510 --> 01:03:20,640

episode and you open up the phones and

1468

01:03:25,849 --> 01:03:23,520

then I call in from present day and I I

1469

01:03:28,789 --> 01:03:25,859

talk to you from it to an old episode

1470

01:03:34,809 --> 01:03:28,799

and I can drop a link to a uh a current

1471

01:03:38,390 --> 01:03:37,250

yeah this isn't some Inception stuff

1472

01:03:40,930 --> 01:03:38,400

here so

1473

01:03:42,890 --> 01:03:40,940

yeah what's your name

1474

01:03:43,569 --> 01:03:42,900

Jacksonville oh Jacksonville

1475

01:03:45,650 --> 01:03:43,579

Jacksonville

1476

01:03:47,390 --> 01:03:45,660

well uh Mike it was like three minutes

1477

01:03:50,270 --> 01:03:47,400

ago sorry good luck on your your Voyage

1478

01:03:51,950 --> 01:03:50,280

keep us updated and uh what you decided

1479

01:03:54,230 --> 01:03:51,960

to do and where you stay okay

1480

01:03:56,450 --> 01:03:54,240

yeah I I need to send you an email so I

1481

01:03:57,950 --> 01:03:56,460

can join the uh the Discord all right

1482

01:04:01,150 --> 01:03:57,960

man send me an email

1483

01:04:05,270 --> 01:04:01,160

all right all right back out later

1484

01:04:07,130 --> 01:04:05,280

hello take one more phone call I mean

1485

01:04:08,990 --> 01:04:07,140

that's an interesting Voyage quest for

1486

01:04:10,670 --> 01:04:09,000

yourself

1487

01:04:12,349 --> 01:04:10,680

you do a whole bunch of peyote and just

1488

01:04:16,010 --> 01:04:12,359

go wander around the desert too yeah you

1489

01:04:17,990 --> 01:04:16,020

can do that uh caller last caller hello

1490

01:04:19,609 --> 01:04:18,000

it's uh Chandler from Massachusetts hey

1491

01:04:21,950 --> 01:04:19,619

Ciao Bella

1492

01:04:24,349 --> 01:04:21,960

um no I wanted to add some stuff on the

1493

01:04:26,390 --> 01:04:24,359

uh last call actually so um if he's

1494

01:04:27,770 --> 01:04:26,400

doing that there are some key things

1495

01:04:30,470 --> 01:04:27,780

that you kind of need that would really

1496

01:04:35,569 --> 01:04:30,480

help you out and one of them would be a

1497

01:04:37,490 --> 01:04:35,579

very lightweight single person tent okay

1498

01:04:38,930 --> 01:04:37,500

um you can carry that and then the

1499

01:04:41,030 --> 01:04:38,940

second thing well the main thing really

1500

01:04:43,130 --> 01:04:41,040

is you have to be aware of how much your

1501

01:04:44,930 --> 01:04:43,140

pack weighs it's pretty much like a

1502

01:04:47,210 --> 01:04:44,940

video game where it's like you get over

1503

01:04:48,589 --> 01:04:47,220

encumbered and you have to consider that

1504

01:04:50,450 --> 01:04:48,599

the more weight that you're carrying on

1505

01:04:53,510 --> 01:04:50,460

your backpack is it should also be one

1506

01:04:54,710 --> 01:04:53,520

that straps along your waist never carry

1507

01:04:57,530 --> 01:04:54,720

it on one that's just over your

1508

01:04:59,870 --> 01:04:57,540

shoulders or your blow out your back

1509

01:05:01,910 --> 01:04:59,880

um make sure you have good shoes then

1510

01:05:06,670 --> 01:05:01,920

also make sure you have a water filter

1511

01:05:11,750 --> 01:05:09,410

the life straws though they wear out

1512

01:05:13,970 --> 01:05:11,760

after like 20 uses oh okay uh what you

1513

01:05:15,710 --> 01:05:13,980

really want is

1514

01:05:18,470 --> 01:05:15,720

um you want some spare I think it's like

1515

01:05:20,630 --> 01:05:18,480

iodide pills you throw them in water

1516

01:05:22,849 --> 01:05:20,640

it's basically salt and it kind of kills

1517

01:05:25,190 --> 01:05:22,859

almost the bacteria but you still gotta

1518

01:05:26,630 --> 01:05:25,200

filter it through if there's minerals or

1519

01:05:27,950 --> 01:05:26,640

bad minerals in the water but yeah

1520

01:05:29,390 --> 01:05:27,960

anyways

1521

01:05:31,130 --> 01:05:29,400

um which is another thing you have to

1522

01:05:32,690 --> 01:05:31,140

remember that if you boil the water it

1523

01:05:35,690 --> 01:05:32,700

kills the bacteria but you can still

1524

01:05:38,510 --> 01:05:35,700

have all sorts of chemicals in it you

1525

01:05:40,609 --> 01:05:38,520

know uh one of the best things to have

1526  
01:05:42,230 --> 01:05:40,619  
would be a Boy Scout I'm an eagle scout

1527  
01:05:44,390 --> 01:05:42,240  
and if you can come across a Boy Scout

1528  
01:05:45,530 --> 01:05:44,400  
Handbook it literally has like

1529  
01:05:47,150 --> 01:05:45,540  
everything in it that you need to

1530  
01:05:48,289 --> 01:05:47,160  
survive in the woods you're an eagle

1531  
01:05:50,750 --> 01:05:48,299  
scout

1532  
01:05:53,410 --> 01:05:50,760  
yeah I bet you could beat up like four

1533  
01:05:56,210 --> 01:05:53,420  
Boy Scouts at one time couldn't you yeah

1534  
01:05:57,470 --> 01:05:56,220  
but I wouldn't want to because uh uh no

1535  
01:05:59,809 --> 01:05:57,480  
because I've been

1536  
01:06:01,130 --> 01:05:59,819  
enough times

1537  
01:06:02,450 --> 01:06:01,140  
now you're not an eagle scout unless

1538  
01:06:04,970 --> 01:06:02,460

you've gotten hazed a couple times come

1539

01:06:06,829 --> 01:06:04,980

on I mean it's no big I mean being an

1540

01:06:09,109 --> 01:06:06,839

eagles cow that's a that's a fairly

1541

01:06:11,690 --> 01:06:09,119

significant accomplishment

1542

01:06:13,130 --> 01:06:11,700

yeah and then the sad thing is is the

1543

01:06:15,289 --> 01:06:13,140

fact that boy scouts is almost like on

1544

01:06:17,150 --> 01:06:15,299

the outs now for numerous reasons you

1545

01:06:19,549 --> 01:06:17,160

know and uh I

1546

01:06:20,750 --> 01:06:19,559

but well I mean you know there's kind of

1547

01:06:23,329 --> 01:06:20,760

like the Catholic church a little bit

1548

01:06:25,730 --> 01:06:23,339

but uh the thing is too is that I was in

1549

01:06:27,950 --> 01:06:25,740

a troop that all my dads just wanted to

1550

01:06:29,450 --> 01:06:27,960

shoot guns and go out and camp on state

1551

01:06:31,130 --> 01:06:29,460

property and you know it was pretty

1552

01:06:32,870 --> 01:06:31,140

awesome actually and now dads just want

1553

01:06:36,109 --> 01:06:32,880

to put on high heels and go to Target so

1554

01:06:39,650 --> 01:06:37,730

as long as they're still trying to

1555

01:06:41,930 --> 01:06:39,660

survive you know some of them are that's

1556

01:06:43,549 --> 01:06:41,940

all that matters yeah so she'll have

1557

01:06:45,289 --> 01:06:43,559

somebody light a fire

1558

01:06:46,910 --> 01:06:45,299

one other thing I wanted to call in

1559

01:06:49,250 --> 01:06:46,920

about and it was the original reason why

1560

01:06:51,529 --> 01:06:49,260

I wanted to call in is that um this is a

1561

01:06:53,510 --> 01:06:51,539

completely separate uh subject uh that

1562

01:06:55,970 --> 01:06:53,520

when I was a kid

1563

01:06:58,490 --> 01:06:55,980

um I had like Chuck E Cheese Style

1564

01:07:00,470 --> 01:06:58,500

fights happening in my high school

1565

01:07:02,510 --> 01:07:00,480

almost on like on every other daily

1566

01:07:04,609 --> 01:07:02,520

basis wow

1567

01:07:07,190 --> 01:07:04,619

in the cafeteria

1568

01:07:09,049 --> 01:07:07,200

all right so what it was is it always

1569

01:07:10,730 --> 01:07:09,059

happened on the third floor railing

1570

01:07:13,069 --> 01:07:10,740

where like or the third floor balcony

1571

01:07:15,650 --> 01:07:13,079

where they had these railings where like

1572

01:07:17,809 --> 01:07:15,660

you you would have to be seven feet and

1573

01:07:19,849 --> 01:07:17,819

like locked someone over the railing

1574

01:07:23,270 --> 01:07:19,859

like to fall off so it was basically

1575

01:07:24,829 --> 01:07:23,280

like a cage match and so it was on like

1576

01:07:26,690 --> 01:07:24,839

the balcony and thing is if you were

1577

01:07:28,490 --> 01:07:26,700

walking into the school you could see

1578

01:07:30,710 --> 01:07:28,500

the fight from the third floor so it's

1579

01:07:33,829 --> 01:07:30,720

like whenever there was a fight everyone

1580

01:07:37,670 --> 01:07:33,839

knew to do it on the third floor and

1581

01:07:40,309 --> 01:07:37,680

they had this failed system where they

1582

01:07:42,349 --> 01:07:40,319

would be like over the intercom all um

1583

01:07:44,569 --> 01:07:42,359

all faculty to the third floor all

1584

01:07:46,190 --> 01:07:44,579

faculty the third floor so the teachers

1585

01:07:47,809 --> 01:07:46,200

that were on the third floor would run

1586

01:07:50,150 --> 01:07:47,819

out of their classrooms to break up the

1587

01:07:53,569 --> 01:07:50,160

fight which then the entire classroom

1588

01:07:57,049 --> 01:07:53,579

would follow the teacher and then make

1589

01:08:00,230 --> 01:07:57,059

like a a wall of kids to like block the

1590

01:08:02,630 --> 01:08:00,240

teachers from getting into the fight and

1591

01:08:04,130 --> 01:08:02,640

the fun is funniest part about it was

1592

01:08:09,529 --> 01:08:04,140

that two-thirds of the time it was a cat

1593

01:08:12,349 --> 01:08:11,150

you know we're

1594

01:08:14,809 --> 01:08:12,359

a kid better and it was in like the

1595

01:08:17,269 --> 01:08:14,819

early 2000s I kind of still look back on

1596

01:08:19,370 --> 01:08:17,279

it I'm like that reminds me a lot of

1597

01:08:21,470 --> 01:08:19,380

those Disney World fights man I mean you

1598

01:08:23,150 --> 01:08:21,480

can set a lot of stuff there you gotta

1599

01:08:27,229 --> 01:08:23,160

wonder what was in this wall were those

1600

01:08:29,990 --> 01:08:27,239

walls extra magnetic or or did it did it

1601

01:08:32,930 --> 01:08:30,000

uh bring these emotions out of people

1602

01:08:36,229 --> 01:08:32,940

like uh like you walk past something and

1603

01:08:38,450 --> 01:08:36,239

it it because of those elements that

1604

01:08:40,669 --> 01:08:38,460

created those structures that it's it

1605

01:08:42,709 --> 01:08:40,679

provokes something in your your psyche

1606

01:08:44,930 --> 01:08:42,719

that you wanted to laugh it's very funny

1607

01:08:47,329 --> 01:08:44,940

you say that because that balcony on the

1608

01:08:49,970 --> 01:08:47,339

third floor that we fought on I ain't or

1609

01:08:53,829 --> 01:08:49,980

I never did but I watched it

1610

01:08:56,749 --> 01:08:53,839

um I that's the panopticon it's um a

1611

01:09:00,349 --> 01:08:56,759

architectural design that

1612

01:09:02,269 --> 01:09:00,359

um it's uh also a uh uh Phyllis like a

1613

01:09:04,550 --> 01:09:02,279

philosophical concept as well too but

1614

01:09:07,249 --> 01:09:04,560

basically it's comes from a prison

1615

01:09:09,229 --> 01:09:07,259

architectural design where one person is

1616

01:09:13,130 --> 01:09:09,239

in a centered Watch Tower and then they

1617

01:09:14,809 --> 01:09:13,140

can view all the people in the uh cells

1618

01:09:16,329 --> 01:09:14,819

at one time but then the thing is you

1619

01:09:20,269 --> 01:09:16,339

take the people out of the Watchtower

1620

01:09:22,249 --> 01:09:20,279

and the the subjects view themselves and

1621

01:09:24,709 --> 01:09:22,259

most high schools that were built in the

1622

01:09:26,570 --> 01:09:24,719

70s and 80s use this design and that was

1623

01:09:28,070 --> 01:09:26,580

the school that I was in so it's really

1624

01:09:30,530 --> 01:09:28,080

funny you said that yeah that's the

1625

01:09:33,050 --> 01:09:30,540

that's the Bentham panopticon yeah

1626  
01:09:34,309 --> 01:09:33,060  
mm-hmm yeah so anyways I'll let you go

1627  
01:09:36,950 --> 01:09:34,319  
but Mike you just hit the nail on the

1628  
01:09:38,269 --> 01:09:36,960  
head all right hey thank you man yep all

1629  
01:09:40,400 --> 01:09:38,279  
right thank you oh thank you again and

1630  
01:09:42,590 --> 01:09:40,410  
shout out

1631  
01:09:44,329 --> 01:09:42,600  
[Music]

1632  
01:09:47,329 --> 01:09:44,339  
let me shut down okay some good calls

1633  
01:09:50,090 --> 01:09:47,339  
there some interesting calls

1634  
01:09:52,490 --> 01:09:50,100  
yeah I'm curious about his um Fight Club

1635  
01:09:54,050 --> 01:09:52,500  
High School there that's very strange

1636  
01:09:57,890 --> 01:09:54,060  
I mean we had some fights in high school

1637  
01:09:59,630 --> 01:09:57,900  
like uh but nothing like where it was as

1638  
01:10:01,209 --> 01:09:59,640

frequent as to what he was talking about

1639

01:10:04,729 --> 01:10:01,219

it was mostly

1640

01:10:07,310 --> 01:10:04,739

uh scuffles in the hallway between a

1641

01:10:10,189 --> 01:10:07,320

couple football players and it lasted

1642

01:10:12,370 --> 01:10:10,199

for 10 to 15 seconds if that

1643

01:10:14,270 --> 01:10:12,380

nothing significant no West Side Story

1644

01:10:17,450 --> 01:10:14,280

kind of stuff

1645

01:10:18,890 --> 01:10:17,460

switchblades or anything like that

1646

01:10:22,000 --> 01:10:18,900

uh

1647

01:10:27,250 --> 01:10:22,010

else crash it has over there

1648

01:10:31,130 --> 01:10:27,260

[Music]

1649

01:10:32,510 --> 01:10:31,140

oh [h\_\_h] I can't believe you've done this

1650

01:10:34,970 --> 01:10:32,520

um I'm potentially where we are on time

1651

01:10:36,950 --> 01:10:34,980

is it goofball news time we can do

1652

01:10:39,649 --> 01:10:36,960

whatever we want you know it's the free

1653

01:10:42,590 --> 01:10:39,659

association show so we're having debates

1654

01:10:45,850 --> 01:10:42,600

in the twitch chat about how apparently

1655

01:10:48,649 --> 01:10:45,860

uh Baden Powell was um

1656

01:10:50,350 --> 01:10:48,659

inspired by Nazis to form the Boy Scouts

1657

01:10:52,490 --> 01:10:50,360

even though he did it 30 years earlier

1658

01:10:54,649 --> 01:10:52,500

okay funny how that works one of those

1659

01:10:56,510 --> 01:10:54,659

things like if I could go back in time I

1660

01:10:58,370 --> 01:10:56,520

would have would have joined the Boy

1661

01:11:00,950 --> 01:10:58,380

Scouts and I would love to have been an

1662

01:11:02,870 --> 01:11:00,960

eagle scout but I'm an eagle scout from

1663

01:11:05,630 --> 01:11:02,880

1992. are you really you're an eagle

1664

01:11:08,390 --> 01:11:05,640

scout holy crap

1665

01:11:09,950 --> 01:11:08,400

wrong back when it required a ton of

1666

01:11:11,270 --> 01:11:09,960

work and meant something not So Much

1667

01:11:15,490 --> 01:11:11,280

Anymore

1668

01:11:20,990 --> 01:11:19,250

the paramilitary the eagle scout no no

1669

01:11:22,729 --> 01:11:21,000

no so you got that wrong

1670

01:11:23,570 --> 01:11:22,739

yeah I know that's red on

1671

01:11:25,669 --> 01:11:23,580

um

1672

01:11:29,090 --> 01:11:25,679

so let's stay on the tip this is from

1673

01:11:32,630 --> 01:11:29,100

our uh our good friend of the show and

1674

01:11:36,830 --> 01:11:32,640

expert audio Grabber scrippter guy jits

1675

01:11:38,030 --> 01:11:36,840

yeah all right and as with uh many many

1676

01:11:39,950 --> 01:11:38,040

um

1677

01:11:42,410 --> 01:11:39,960

uh news stories this one I grabbed just

1678

01:11:45,350 --> 01:11:42,420

a few hours after we finished our

1679

01:11:49,149 --> 01:11:45,360

previous show no but it's staying on the

1680

01:11:51,410 --> 01:11:49,159

topic of strange measurement units

1681

01:11:53,689 --> 01:11:51,420

specifically related to asteroids there

1682

01:11:56,030 --> 01:11:53,699

seems to now be a theme of who can come

1683

01:11:58,370 --> 01:11:56,040

up with the most Oddball unit of

1684

01:12:00,050 --> 01:11:58,380

measurement for incoming asteroids

1685

01:12:03,830 --> 01:12:00,060

and this one is about one of our

1686

01:12:05,570 --> 01:12:03,840

favorite people oh really okay

1687

01:12:08,570 --> 01:12:05,580

well let's see if we can get this going

1688

01:12:11,890 --> 01:12:08,580

this is quite the story oops wrong

1689

01:12:14,689 --> 01:12:11,900

button but uh I did it

1690

01:12:18,669 --> 01:12:14,699

press it up here

1691

01:12:21,649 --> 01:12:18,679

uh gigantic asteroid the size of

1692

01:12:27,110 --> 01:12:21,659

422 Hulk Hogans set to crash into

1693

01:12:35,270 --> 01:12:30,830

Jesus I'm glad I mean we're getting

1694

01:12:37,910 --> 01:12:35,280

goofy to where now the show memes are

1695

01:12:39,050 --> 01:12:37,920

being are no longer influenced by the

1696

01:12:41,930 --> 01:12:39,060

headlines

1697

01:12:43,669 --> 01:12:41,940

is coming full circle yeah somehow our

1698

01:12:45,649 --> 01:12:43,679

our memes are colliding here this is

1699

01:12:47,330 --> 01:12:45,659

kind of like the singularity of goofball

1700

01:12:48,350 --> 01:12:47,340

measurements for asteroids and Hulk

1701  
01:12:50,510 --> 01:12:48,360  
Hogan

1702  
01:12:52,850 --> 01:12:50,520  
one of the biggest asteroids to crash

1703  
01:12:56,890 --> 01:12:52,860  
into Earth's orbit is set to do so next

1704  
01:13:00,550 --> 01:12:56,900  
month given the catchy title of 2020

1705  
01:13:03,290 --> 01:13:00,560  
DB5 uh it has been placed in NASA's

1706  
01:13:06,649 --> 01:13:03,300  
near-earth object list ahead of its

1707  
01:13:08,169 --> 01:13:06,659  
impact June 15th uh measuring that a

1708  
01:13:10,970 --> 01:13:08,179  
whopping

1709  
01:13:12,910 --> 01:13:10,980  
850 meters in diameter rack The Rock

1710  
01:13:16,970 --> 01:13:12,920  
will also be traveling around

1711  
01:13:19,010 --> 01:13:16,980  
9.5 kilometers per second

1712  
01:13:19,970 --> 01:13:19,020  
oh gee that's pretty fast I would

1713  
01:13:22,729 --> 01:13:19,980

imagine

1714

01:13:25,790 --> 01:13:22,739

uh The Daily Star top boffins worked out

1715

01:13:29,630 --> 01:13:25,800

that the 850 meters is the same and the

1716

01:13:32,169 --> 01:13:29,640

same around as 422 Hulk Hogan standing

1717

01:13:35,050 --> 01:13:32,179

one on top of the other okay

1718

01:13:39,050 --> 01:13:35,060

Hulk Hogan

1719

01:13:42,189 --> 01:13:39,060

uh the former multi-time uh wrestling

1720

01:13:45,350 --> 01:13:42,199

champion allegedly measures around

1721

01:13:48,169 --> 01:13:45,360

2.01 meters in length although he also

1722

01:13:50,810 --> 01:13:48,179

claimed to have a 24 inch bicep at uh

1723

01:13:53,330 --> 01:13:50,820

one stage what I mean claimed he did he

1724

01:13:56,209 --> 01:13:53,340

had 24 inch pythons why are they why are

1725

01:13:57,950 --> 01:13:56,219

they saying they dismissing that

1726

01:13:59,330 --> 01:13:57,960

uh it's almost written as if they don't

1727

01:14:00,890 --> 01:13:59,340

trust the measurement they're like oh

1728

01:14:02,149 --> 01:14:00,900

some sort of these weird inches I don't

1729

01:14:04,790 --> 01:14:02,159

know what the hell that's all about I do

1730

01:14:06,050 --> 01:14:04,800

no Hulk Hogan was a very tall individual

1731

01:14:08,030 --> 01:14:06,060

I don't know if he's still tall but I

1732

01:14:10,370 --> 01:14:08,040

think he was like six six Maybe

1733

01:14:12,169 --> 01:14:10,380

you know what are you getting you shrink

1734

01:14:13,729 --> 01:14:12,179

some you know well they said what two

1735

01:14:18,050 --> 01:14:13,739

point two two meters yeah he'd be six

1736

01:14:22,370 --> 01:14:20,810

uh this bike uh coming very close to the

1737

01:14:24,470 --> 01:14:22,380

plan of NASA scientists have not

1738

01:14:27,350 --> 01:14:24,480

confirmed of any damage will be caused

1739

01:14:29,570 --> 01:14:27,360

uh but it's highly unlikely to

1740

01:14:34,070 --> 01:14:29,580

and last time a rock a giant rock came

1741

01:14:36,530 --> 01:14:34,080

near the Earth uh was 1995 with three

1742

01:14:39,470 --> 01:14:36,540

separate visits in the 1960s taking

1743

01:14:43,490 --> 01:14:39,480

place uh before that uh the first time

1744

01:14:45,130 --> 01:14:43,500

it was spotted was on May 28 1905 when I

1745

01:14:47,510 --> 01:14:45,140

was traveling around

1746

01:14:49,189 --> 01:14:47,520

10.59 kilometers per second at the time

1747

01:14:50,090 --> 01:14:49,199

so it slowed up a little bit you know

1748

01:14:52,189 --> 01:14:50,100

what the hell is getting it's getting

1749

01:14:55,970 --> 01:14:52,199

slower getting lazy

1750

01:14:59,410 --> 01:14:55,980

uh NASA scheduled to uh schedule has it

1751

01:15:04,209 --> 01:14:59,420

visiting Earth for the last time

1752

01:15:06,649 --> 01:15:04,219

uh until July 23rd

1753

01:15:09,229 --> 01:15:06,659

2179. I'm not waiting for that it's

1754

01:15:10,910 --> 01:15:09,239

gonna take a lot of time

1755

01:15:12,709 --> 01:15:10,920

okay

1756

01:15:14,030 --> 01:15:12,719

can we can we start a petition so kind

1757

01:15:15,770 --> 01:15:14,040

of like Haley's comment or Halley's

1758

01:15:18,229 --> 01:15:15,780

comment uh we can get this one called

1759

01:15:19,729 --> 01:15:18,239

like the hulkster asteroid yeah

1760

01:15:21,110 --> 01:15:19,739

something like that you're embarrassing

1761

01:15:23,330 --> 01:15:21,120

me running around like an idiot in your

1762

01:15:26,090 --> 01:15:23,340

trunks if we get some can we get some

1763

01:15:28,910 --> 01:15:26,100

trunks on this uh right there trying to

1764

01:15:31,130 --> 01:15:28,920

trying to shame this asteroid

1765

01:15:33,050 --> 01:15:31,140

we get some Giant Hulk Hogan trunks on

1766

01:15:35,450 --> 01:15:33,060

this and maybe or put a bandana on this

1767

01:15:37,189 --> 01:15:35,460

asteroid bandana that's weird quick

1768

01:15:39,050 --> 01:15:37,199

summon that's that's your album art

1769

01:15:40,790 --> 01:15:39,060

right there you need

1770

01:15:43,189 --> 01:15:40,800

um an asteroid with the Hulk Hogan

1771

01:15:45,410 --> 01:15:43,199

bandana on it crashing into Earth yeah

1772

01:15:48,050 --> 01:15:45,420

those are my shirts I've got a right to

1773

01:15:50,149 --> 01:15:48,060

sell them and now now they ask for

1774

01:15:52,189 --> 01:15:50,159

selling T-shirts it's your new

1775

01:15:54,110 --> 01:15:52,199

impersonate Hulk Hogan so we need an

1776

01:15:56,689 --> 01:15:54,120

asteroid now with the sunglasses the

1777

01:15:57,770 --> 01:15:56,699

handlebar mustache and the bandana I

1778

01:16:01,729 --> 01:15:57,780

guess I would have to do them personally

1779

01:16:04,430 --> 01:16:01,739

I would have to do like Hulk Hogan as an

1780

01:16:06,470 --> 01:16:04,440

asteroid crashing into Earth something

1781

01:16:08,930 --> 01:16:06,480

like that something along those lines

1782

01:16:11,630 --> 01:16:08,940

yeah yeah something I don't know

1783

01:16:15,410 --> 01:16:11,640

wow you're pretty quick for a big guy it

1784

01:16:17,990 --> 01:16:15,420

is a big guy about nine uh kilometers

1785

01:16:20,689 --> 01:16:18,000

per per second it's pretty fast well

1786

01:16:24,590 --> 01:16:20,699

that's the speed yes I mean yeah 100 or

1787

01:16:27,890 --> 01:16:24,600

850 meters yeah yeah it's a big guy how

1788

01:16:32,149 --> 01:16:30,410

we don't know how many Hulk Hogans how

1789

01:16:33,649 --> 01:16:32,159

many Hulk Hogan's in a fur along

1790

01:16:36,050 --> 01:16:33,659

so here's a question with all these

1791

01:16:38,270 --> 01:16:36,060

Oddball units of measurement how long

1792

01:16:39,850 --> 01:16:38,280

until some goofball car company probably

1793

01:16:44,689 --> 01:16:39,860

Tesla because they let you do this [h\_\_\h]

1794

01:16:46,430 --> 01:16:44,699

lets you go into your um your uh the

1795

01:16:49,490 --> 01:16:46,440

car's computer the instrument panel and

1796

01:16:52,250 --> 01:16:49,500

change the odometer to be measured in

1797

01:16:54,470 --> 01:16:52,260

something else you can customize it like

1798

01:16:55,910 --> 01:16:54,480

I wanna I I no longer want miles I want

1799

01:16:57,470 --> 01:16:55,920

kilometers

1800

01:16:59,930 --> 01:16:57,480

well you can do that I can do that right

1801  
01:17:01,430 --> 01:16:59,940  
now in my car and it's analog but I

1802  
01:17:03,169 --> 01:17:01,440  
wouldn't measure how fast am I going in

1803  
01:17:06,290 --> 01:17:03,179  
Hulk in the length of Hulk Hogan's in

1804  
01:17:09,050 --> 01:17:06,300  
Hulk Hogan's yes I'm traveling so I'm

1805  
01:17:10,310 --> 01:17:09,060  
traveling 100 Hulk Hogans per hour I

1806  
01:17:12,470 --> 01:17:10,320  
wasn't suggesting a speedometer that's

1807  
01:17:13,870 --> 01:17:12,480  
dangerous but I do like that do you know

1808  
01:17:16,790 --> 01:17:13,880  
how fast you're going

1809  
01:17:19,130 --> 01:17:16,800  
650 Hulk Hogans an hour I pulled you

1810  
01:17:20,510 --> 01:17:19,140  
over a year ago in 500 Hulk Hogans per

1811  
01:17:23,090 --> 01:17:20,520  
hour

1812  
01:17:25,970 --> 01:17:23,100  
the speed limit is clear

1813  
01:17:28,790 --> 01:17:25,980

it's like in in the early days prior to

1814

01:17:30,410 --> 01:17:28,800

standardization of time zones

1815

01:17:31,910 --> 01:17:30,420

um every city would set its own time

1816

01:17:33,950 --> 01:17:31,920

where every municipality would set its

1817

01:17:35,630 --> 01:17:33,960

own time to their area because obviously

1818

01:17:36,890 --> 01:17:35,640

the Sun as it moves across the sky et

1819

01:17:38,030 --> 01:17:36,900

cetera et cetera

1820

01:17:39,530 --> 01:17:38,040

so they didn't have standardized time

1821

01:17:41,630 --> 01:17:39,540

zones until really the railroad started

1822

01:17:43,310 --> 01:17:41,640

uh forcing it so why can't every

1823

01:17:44,709 --> 01:17:43,320

municipality use their own unit of

1824

01:17:47,270 --> 01:17:44,719

measurement

1825

01:17:48,350 --> 01:17:47,280

uh I guess they could if they wanted if

1826

01:17:49,790 --> 01:17:48,360

they want to deal with that headache

1827

01:17:51,169 --> 01:17:49,800

yeah then they have to go out and change

1828

01:17:52,490 --> 01:17:51,179

every time there's like a new mayor they

1829

01:17:53,570 --> 01:17:52,500

have to go out and change the uh all the

1830

01:17:55,669 --> 01:17:53,580

speed limits

1831

01:17:59,149 --> 01:17:55,679

well speed limit signs I mean so instead

1832

01:18:02,810 --> 01:17:59,159

of saying 35 miles per hour it says 6.02

1833

01:18:06,470 --> 01:18:05,510

um I'll have to watch out for this story

1834

01:18:09,470 --> 01:18:06,480

here

1835

01:18:11,390 --> 01:18:09,480

so all right let's uh let's move on I

1836

01:18:15,050 --> 01:18:11,400

might have to let my dog out here in a

1837

01:18:17,149 --> 01:18:15,060

second she he's really going crazy so uh

1838

01:18:19,250 --> 01:18:17,159

uh why don't I just let my dog out real

1839

01:18:21,110 --> 01:18:19,260

quick and I'll be back inside I'm just

1840

01:18:23,209 --> 01:18:21,120

gonna let him outside and see who he

1841

01:18:24,110 --> 01:18:23,219

does I'll pick a random ass story and

1842

01:18:25,189 --> 01:18:24,120

start talking about it you're like

1843

01:18:26,930 --> 01:18:25,199

people aren't gonna be able to see it

1844

01:18:28,490 --> 01:18:26,940

all right

1845

01:18:29,510 --> 01:18:28,500

uh you guys hear about this Conjuring

1846

01:18:31,610 --> 01:18:29,520

huh oh wait where did he did that one

1847

01:18:32,930 --> 01:18:31,620

didn't we

1848

01:18:34,910 --> 01:18:32,940

all right so we're gonna do this one

1849

01:18:36,649 --> 01:18:34,920

because this happens today and every now

1850

01:18:38,689 --> 01:18:36,659

and then I see these stories and I miss

1851

01:18:41,270 --> 01:18:38,699

it because there's there's too many of

1852

01:18:42,830 --> 01:18:41,280

these these pseudo-holidays

1853

01:18:44,209 --> 01:18:42,840

um I will put this into carrot shops as

1854

01:18:47,330 --> 01:18:44,219

soon as Mike is back you'll get it up on

1855

01:18:49,250 --> 01:18:47,340

screen but um Mike is back just that

1856

01:18:50,990 --> 01:18:49,260

fast but I was that was fast I didn't

1857

01:18:53,149 --> 01:18:51,000

even get into my full story here my my

1858

01:18:55,790 --> 01:18:53,159

wife came down and okay

1859

01:18:58,189 --> 01:18:55,800

took care of him you said rescue bogey I

1860

01:19:01,189 --> 01:18:58,199

was like hey you need to go out

1861

01:19:04,450 --> 01:19:01,199

um did you put on on Twitter about a

1862

01:19:07,550 --> 01:19:04,460

toilet paper brother yeah brother

1863

01:19:08,450 --> 01:19:07,560

the dog used to go out brother

1864

01:19:11,030 --> 01:19:08,460

um

1865

01:19:13,970 --> 01:19:11,040

so this story in the carrot shop and as

1866

01:19:15,470 --> 01:19:13,980

I was explaining I often miss the the

1867

01:19:17,630 --> 01:19:15,480

dates on these days because there's

1868

01:19:20,209 --> 01:19:17,640

always a you know a a national something

1869

01:19:22,310 --> 01:19:20,219

day and this is actually today so this

1870

01:19:23,450 --> 01:19:22,320

is this is prescient news uh get people

1871

01:19:24,709 --> 01:19:23,460

out there so right after the show please

1872

01:19:25,729 --> 01:19:24,719

go out oh wait I'll take it back

1873

01:19:27,470 --> 01:19:25,739

tomorrow

1874

01:19:30,290 --> 01:19:27,480

um it's even better plan your day for

1875

01:19:32,930 --> 01:19:30,300

tomorrow Tomorrow is National Hamburger

1876

01:19:34,669 --> 01:19:32,940

Day all right guys you can catch on that

1877

01:19:37,070 --> 01:19:34,679

front that is good news Alex and you can

1878

01:19:39,110 --> 01:19:37,080

get some free freaking hamburgers yeah

1879

01:19:42,649 --> 01:19:39,120

where to get free food on National

1880

01:19:45,010 --> 01:19:42,659

Hamburger Day a Wendy's Arby's Sonic and

1881

01:19:49,010 --> 01:19:45,020

others chains are offering discount

1882

01:19:50,990 --> 01:19:49,020

and BOGO burgers this Sunday what does

1883

01:19:53,209 --> 01:19:51,000

BOGO I guess we'll find out buy one get

1884

01:19:55,189 --> 01:19:53,219

one oh buy one get one okay Memorial Day

1885

01:19:56,750 --> 01:19:55,199

weekend might be prime time for hosting

1886

01:19:58,610 --> 01:19:56,760

cookouts and Grilling but thankfully for

1887

01:20:00,709 --> 01:19:58,620

those of us who don't feel like busting

1888

01:20:03,530 --> 01:20:00,719

out our own grilling tools National

1889

01:20:06,050 --> 01:20:03,540

Hamburger Day is Sunday May 28th the

1890

01:20:08,450 --> 01:20:06,060

restaurants below are not only happy to

1891

01:20:11,390 --> 01:20:08,460

fire up the grill and deliver you a full

1892

01:20:14,410 --> 01:20:11,400

stack Burger but they're also offering

1893

01:20:16,490 --> 01:20:14,420

deals on those burgers and honoring the

1894

01:20:19,250 --> 01:20:16,500

manufactured holiday what they gotta say

1895

01:20:21,470 --> 01:20:19,260

manufactured holiday

1896

01:20:24,050 --> 01:20:21,480

as opposed to naturally occurring yeah

1897

01:20:27,590 --> 01:20:24,060

like it just kind of spring fully formed

1898

01:20:31,669 --> 01:20:27,600

what is that about you'll see

1899

01:20:33,410 --> 01:20:31,679

like they they they link to uh 12 other

1900

01:20:34,910 --> 01:20:33,420

obscure national food holidays you've

1901

01:20:36,649 --> 01:20:34,920

probably never heard of but every

1902

01:20:38,990 --> 01:20:36,659

holiday is manufactured at least

1903

01:20:41,330 --> 01:20:39,000

acknowledged in some way

1904

01:20:43,370 --> 01:20:41,340

this is what a bizarre thing to say

1905

01:20:45,169 --> 01:20:43,380

well it's not like say Juneteenth which

1906

01:20:46,669 --> 01:20:45,179

is a completely national holiday that

1907

01:20:50,990 --> 01:20:46,679

everyone heard of prior to two years ago

1908

01:20:52,910 --> 01:20:51,000

yeah what the [h\_\_h] uh well uh check out

1909

01:20:54,770 --> 01:20:52,920

all the places you can get deals for

1910

01:20:56,570 --> 01:20:54,780

National Hamburger Day uh you can get

1911

01:20:58,390 --> 01:20:56,580

Arby's you can go to Arby's we like that

1912

01:21:01,250 --> 01:20:58,400

they have the uh

1913

01:21:03,229 --> 01:21:01,260

uh Arbors is not only bring it back it's

1914

01:21:05,570 --> 01:21:03,239

wagyu Steakhouse burger but it will be

1915

01:21:07,310 --> 01:21:05,580

also offering the uh bacon ranch version

1916

01:21:08,570 --> 01:21:07,320

as well so look out for that Buffalo

1917

01:21:10,490 --> 01:21:08,580

Wild Wings

1918

01:21:12,350 --> 01:21:10,500

I've never I don't think of burgers when

1919

01:21:15,530 --> 01:21:12,360

I think of Buffalo Wild Wings same with

1920

01:21:19,550 --> 01:21:15,540

Arby's Arby's is a weird one too yeah

1921

01:21:21,649 --> 01:21:19,560

you also can go to a Next Level Burger

1922

01:21:23,090 --> 01:21:21,659

that makes sense Smash Burger which I've

1923

01:21:27,229 --> 01:21:23,100

never been to but I've heard okay things

1924

01:21:29,630 --> 01:21:27,239

about it uh Sonic Drive-In okay way back

1925

01:21:33,590 --> 01:21:29,640

Burgers never heard of it

1926

01:21:35,750 --> 01:21:33,600

and Wendy's uh so Wendy's the home of

1927

01:21:37,550 --> 01:21:35,760

the four for four dollar deal has been

1928

01:21:41,270 --> 01:21:37,560

celebrating Burgers all month and May

1929

01:21:43,130 --> 01:21:41,280

28th is no exception if you buy one

1930

01:21:44,930 --> 01:21:43,140

premium hamburger at a regular price

1931

01:21:49,310 --> 01:21:44,940

through the Wendy's app you'll get

1932

01:21:51,410 --> 01:21:49,320

another one for a dollar until May 31st

1933

01:21:52,430 --> 01:21:51,420

that's a good deal I was gonna say

1934

01:21:55,250 --> 01:21:52,440

actually that's a good deal a dollar

1935

01:21:57,709 --> 01:21:55,260

exactly hamburger

1936

01:21:59,510 --> 01:21:57,719

wow okay I didn't oh my power just went

1937

01:22:02,510 --> 01:21:59,520

out

1938

01:22:05,030 --> 01:22:02,520

ooh crutches you uh you see that oh my

1939

01:22:07,550 --> 01:22:05,040

God yeah my power just got cut in this

1940

01:22:10,250 --> 01:22:07,560

entire place your lights are out

1941

01:22:12,110 --> 01:22:10,260

oh boy I can hear [\h\_\_\h] beeping now oh as

1942

01:22:13,250 --> 01:22:12,120

UPS's are going oh boy they're coming

1943

01:22:16,010 --> 01:22:13,260

for you see this is what happened

1944

01:22:17,390 --> 01:22:16,020

because we just bad-mouthed uh Buffalo

1945

01:22:19,250 --> 01:22:17,400

Wild Wings

1946

01:22:22,550 --> 01:22:19,260

okay we're not putting up with that [\h\_\_\h]

1947

01:22:24,890 --> 01:22:22,560

well uh I think like my power's out I'm

1948

01:22:26,209 --> 01:22:24,900

on I'm on battery backup right now do

1949

01:22:30,350 --> 01:22:26,219

you want to roll out I think we have to

1950

01:22:32,630 --> 01:22:30,360

roll out until sorry people but

1951

01:22:34,610 --> 01:22:32,640

I basically have five to ten minutes of

1952

01:22:37,189 --> 01:22:34,620

battery backup before

1953

01:22:41,209 --> 01:22:37,199

it just dies on us so I might as well

1954

01:22:43,490 --> 01:22:41,219

close down the show now properly sorry

1955

01:22:44,750 --> 01:22:43,500

how about playing Buffalo Wild Wings oh

1956

01:22:47,510 --> 01:22:44,760

my God

1957

01:22:50,330 --> 01:22:47,520

did that Hulk asteroid hit your farm

1958

01:22:52,910 --> 01:22:50,340

oh my God I can't even like the the

1959

01:22:54,890 --> 01:22:52,920

sound is not even working over here

1960

01:22:57,110 --> 01:22:54,900

so I can't even play the outer music I

1961

01:22:59,630 --> 01:22:57,120

think your mixer is out yeah my mixer's

1962

01:23:01,430 --> 01:22:59,640

out like it's going like it's there's

1963

01:23:03,169 --> 01:23:01,440

just enough juice for it to stay on but

1964

01:23:05,750 --> 01:23:03,179

there's not much else

1965

01:23:08,390 --> 01:23:05,760

oh holy crap hey powers back I fixed it

1966

01:23:11,810 --> 01:23:08,400

holy crap you fixed that

1967

01:23:12,590 --> 01:23:11,820

there you go balls holy crap that was

1968

01:23:13,729 --> 01:23:12,600

you know what you know what happened

1969

01:23:16,310 --> 01:23:13,739

with some guy down at the end of your

1970

01:23:19,130 --> 01:23:16,320

street was like hey Steve which one of

1971

01:23:22,189 --> 01:23:19,140

these that was bizarre

1972

01:23:23,209 --> 01:23:22,199

that was bizarre yeah and you're it was

1973

01:23:24,770 --> 01:23:23,219

interesting why is your Powerpuff came

1974

01:23:27,350 --> 01:23:24,780

back your uh your drops did come back

1975

01:23:28,970 --> 01:23:27,360

through so yeah it's crazy

1976

01:23:34,189 --> 01:23:28,980

okay

1977

01:23:36,410 --> 01:23:34,199

we'll stick around for another half hour

1978

01:23:39,229 --> 01:23:36,420

I can do an extra four hours now

1979

01:23:41,149 --> 01:23:39,239

holy crap that was bizarre I wonder if

1980

01:23:42,530 --> 01:23:41,159

uh was it was it just the circuit your

1981

01:23:44,030 --> 01:23:42,540

stuff is on or was it the whole house it

1982

01:23:46,370 --> 01:23:44,040

was I think the entire house because I

1983

01:23:48,169 --> 01:23:46,380

saw all the the lights and the rest of

1984

01:23:50,630 --> 01:23:48,179

uh Command Center alpha one over to the

1985

01:23:52,970 --> 01:23:50,640

left was the left side of Command Center

1986

01:23:55,510 --> 01:23:52,980

yeah it was all out too but I got all

1987

01:23:58,550 --> 01:23:55,520

this hooked up to like

1988

01:24:01,910 --> 01:23:58,560

UPS uh backups yeah I could hear him

1989

01:24:04,669 --> 01:24:01,920

beeping and uh so it was made I'm able

1990

01:24:06,229 --> 01:24:04,679

to maintain like the show but I can't do

1991

01:24:08,450 --> 01:24:06,239

much up I can close things down

1992

01:24:11,030 --> 01:24:08,460

gracefully so I don't lose anything but

1993

01:24:13,090 --> 01:24:11,040

uh it's tough to keep things going but

1994

01:24:16,189 --> 01:24:13,100

we'll install some new computers

1995

01:24:19,250 --> 01:24:16,199

uh listen we've been we've installed a

1996

01:24:20,450 --> 01:24:19,260

lot of new systems lately but uh we

1997

01:24:22,010 --> 01:24:20,460

don't know what's going on there we've

1998

01:24:23,750 --> 01:24:22,020

had a lot of technical problems lately

1999

01:24:25,130 --> 01:24:23,760

and uh I I'm trying to get better

2000

01:24:26,270 --> 01:24:25,140

equipment I think we put in a lot of

2001

01:24:27,470 --> 01:24:26,280

expensive equipment maybe we need to get

2002

01:24:28,729 --> 01:24:27,480

rid of it

2003

01:24:30,649 --> 01:24:28,739

because it doesn't seem to be the

2004

01:24:33,770 --> 01:24:30,659

solution

2005

01:24:36,709 --> 01:24:33,780

all right well I'm gonna uh move on here

2006

01:24:38,570 --> 01:24:36,719

and I'm gonna thank some people oh we

2007

01:24:41,990 --> 01:24:38,580

have a drawbridge of donations yeah just

2008

01:24:43,550 --> 01:24:42,000

uh I'm gonna just do uh just a limited

2009

01:24:44,990 --> 01:24:43,560

amount right here just some PayPal

2010

01:24:49,070 --> 01:24:45,000

people

2011

01:24:54,470 --> 01:24:49,080

and open up the drawbridge right here

2012

01:24:59,630 --> 01:24:56,930

start walking across the uh the

2013

01:25:02,810 --> 01:24:59,640

drawbridge right there

2014

01:25:05,030 --> 01:25:02,820

I probably should open it first and then

2015

01:25:07,250 --> 01:25:05,040

slap the donkey of Destiny right there

2016

01:25:10,910 --> 01:25:07,260

start breaking the windows as I go in

2017

01:25:16,450 --> 01:25:10,920

open up the garage door there we go

2018

01:25:22,970 --> 01:25:19,610

and then uh there's the the bear that

2019

01:25:25,130 --> 01:25:22,980

defends everything there we go oh and

2020

01:25:27,530 --> 01:25:25,140

then I just start breaking glass as I

2021

01:25:29,270 --> 01:25:27,540

thank some people here through uh the

2022

01:25:32,709 --> 01:25:29,280

PayPal donation three the first one we

2023

01:25:36,169 --> 01:25:32,719

have is Carl came in big time he donated

2024

01:25:38,570 --> 01:25:36,179

uh I think enough money to where I think

2025

01:25:39,550 --> 01:25:38,580

I can buy the new computer now so thank

2026

01:25:42,709 --> 01:25:39,560

2032

01:26:01,310 --> 01:25:59,280

to w a uh w a t-p a year ago I got tired

2033

01:26:04,010 --> 01:26:01,320

of listening to the same [h\_\_\h] now the

2034

01:26:05,750 --> 01:26:04,020

dick show still has that guy on but and

2035

01:26:07,669 --> 01:26:05,760

I do like his voice just not his podcast

2036

01:26:10,310 --> 01:26:07,679

keep up the good work well thank you

2037

01:26:13,189 --> 01:26:10,320

gonna need that money to reinstall I

2042

01:26:27,830 --> 01:26:24,000

think

2043

01:26:31,910 --> 01:26:27,840

57 windows thank you very much let me

2044

01:26:35,750 --> 01:26:33,410

you're going to spend most of the

2045

01:26:37,930 --> 01:26:35,760

donated money on window replacements

2046

01:26:43,850 --> 01:26:37,940

yeah I like to buy the best Windows

2047

01:26:48,770 --> 01:26:46,129

decorative stained glass with various

2048

01:26:49,930 --> 01:26:48,780

scene scenes all depicting

2049

01:26:53,629 --> 01:26:49,940

um

2050

01:26:56,950 --> 01:26:53,639

my favorite parts of The Hobbit yes and

2051

01:26:59,750 --> 01:26:56,960

Hulk Hogan posing yeah

2052

01:27:03,530 --> 01:26:59,760

being inserted Into The Hobbit I wonder

2053

01:27:06,169 --> 01:27:03,540

if I can do a a an AI of a stained glass

2054

01:27:07,390 --> 01:27:06,179

of Hulk Hogan as an asteroid impacting

2055

01:27:10,550 --> 01:27:07,400

Earth

2056

01:27:13,970 --> 01:27:10,560

stained glass version I like it maybe

2057

01:27:16,010 --> 01:27:13,980

well I'll bounce over here and I got a

2058

01:27:17,890 --> 01:27:16,020

few headlines and we'll cut back over to

2059

01:27:20,149 --> 01:27:17,900

correction

2060

01:27:22,010 --> 01:27:20,159

[Applause]

2061

01:27:23,330 --> 01:27:22,020

this is not uh this is just something I

2062

01:27:26,090 --> 01:27:23,340

wanted to bring up I came across this

2063

01:27:27,530 --> 01:27:26,100

article this is uh very concerning I

2064

01:27:29,689 --> 01:27:27,540

guess I knew this was possible I just

2065

01:27:32,810 --> 01:27:29,699

didn't know it was

2066

01:27:35,629 --> 01:27:32,820

so terrifying but uh

2067

01:27:38,689 --> 01:27:35,639

here's headline on screen man hears snap

2068

01:27:41,810 --> 01:27:38,699

during sex winds up in hospital with

2069

01:27:43,790 --> 01:27:41,820

triple penis fracture that's some good

2070

01:27:47,270 --> 01:27:43,800

news no it's not good news that's not

2071

01:27:51,770 --> 01:27:49,189

I didn't know this could happen I knew

2072

01:27:55,610 --> 01:27:51,780

you could uh injure your penis while

2073

01:28:00,110 --> 01:27:55,620

while doing activities like that but to

2074

01:28:04,010 --> 01:28:00,120

fracture your penis that's that is crazy

2075

01:28:06,470 --> 01:28:04,020

uh a man in Tanzania oh okay oh so this

2076

01:28:08,330 --> 01:28:06,480

is made they go crazy over there no it's

2077

01:28:10,250 --> 01:28:08,340

just made up a man in Tanzania was sent

2078

01:28:12,709 --> 01:28:10,260

to the hospital after hearing a snap

2079

01:28:14,930 --> 01:28:12,719

during sex with his female partner

2080

01:28:18,590 --> 01:28:14,940

a loud snap occurred when the penis

2081

01:28:21,050 --> 01:28:18,600

slipped out and lost its way and stuck

2082

01:28:22,910 --> 01:28:21,060

in the woman as he was trying to

2083

01:28:26,510 --> 01:28:22,920

reinsert

2084

01:28:28,490 --> 01:28:26,520

wait what and I guess instruct the woman

2085

01:28:31,370 --> 01:28:28,500

not stuck in the woman struck the woman

2086

01:28:34,010 --> 01:28:31,380

as he was trying to reinsert the doctors

2087

01:28:35,870 --> 01:28:34,020

reported in the international Journal of

2088

01:28:38,510 --> 01:28:35,880

surgery case reports well it's from the

2089

01:28:39,950 --> 01:28:38,520

journal Cratchit

2090

01:28:44,890 --> 01:28:39,960

and I'm just trying to wrap my head

2091

01:28:49,370 --> 01:28:47,209

lost the way

2092

01:28:53,270 --> 01:28:49,380

he got lost

2093

01:28:55,430 --> 01:28:53,280

and then struck the woman yeah he

2094

01:29:00,530 --> 01:28:55,440

couldn't couldn't find his way home yeah

2095

01:29:04,430 --> 01:29:00,540

I got lost I couldn't find my way home

2096

01:29:06,470 --> 01:29:04,440

then there was a loud crack uh but the

2097

01:29:07,810 --> 01:29:06,480

uh okay so and this is documented I

2098

01:29:10,310 --> 01:29:07,820

brought it up this is uh from

2099

01:29:12,649 --> 01:29:10,320

sciencedirect.com this is an actual case

2100

01:29:14,810 --> 01:29:12,659

so this is this is real I only get my

2101  
01:29:16,729 --> 01:29:14,820  
science news from fauci okay well he's a

2102  
01:29:18,950 --> 01:29:16,739  
good one too oh we should start doing

2103  
01:29:20,689 --> 01:29:18,960  
that like next time he's on the show we

2104  
01:29:22,310 --> 01:29:20,699  
need to call in because he is science we

2105  
01:29:24,590 --> 01:29:22,320  
can just ask him these questions

2106  
01:29:26,510 --> 01:29:24,600  
so by the time the Unlucky man arrived

2107  
01:29:27,709 --> 01:29:26,520  
at the hospital his penis was no longer

2108  
01:29:31,430 --> 01:29:27,719  
a wreck

2109  
01:29:32,990 --> 01:29:31,440  
well what a loser come on man you can't

2110  
01:29:34,250 --> 01:29:33,000  
you have no stay in power come on keep

2111  
01:29:36,350 --> 01:29:34,260  
it up

2112  
01:29:38,330 --> 01:29:36,360  
what's wrong with you uh his penis no

2113  
01:29:41,270 --> 01:29:38,340

longer Act was swollen painful and

2114

01:29:44,270 --> 01:29:41,280

bloody oh my God

2115

01:29:48,370 --> 01:29:44,280

that's how hard were you going

2116

01:29:51,590 --> 01:29:48,380

like slow it down in a pool of blood

2117

01:29:53,990 --> 01:29:51,600

uh though the penis contains no bones

2118

01:29:56,570 --> 01:29:54,000

it's referred to as a fracture when it's

2119

01:30:02,209 --> 01:29:56,580

fibrous connective tissues called the

2120

01:30:04,189 --> 01:30:02,219

Tuka a blue Gaga is is injured or

2121

01:30:05,090 --> 01:30:04,199

ruptured

2122

01:30:08,930 --> 01:30:05,100

yeah

2123

01:30:13,430 --> 01:30:08,940

as I was speaking clinically here people

2124

01:30:15,290 --> 01:30:13,440

is enlargement medulla oblongata

2125

01:30:17,570 --> 01:30:15,300

um an MRI revealed that the man had

2126  
01:30:21,709 --> 01:30:17,580  
injured his penis in three places along

2127  
01:30:24,950 --> 01:30:21,719  
the Tunica blue Gaga in a pair of

2128  
01:30:26,649 --> 01:30:24,960  
erectile tissue bodies known as the

2129  
01:30:29,149 --> 01:30:26,659  
Corporal

2130  
01:30:31,430 --> 01:30:29,159  
conversa I'm just going to start saying

2131  
01:30:36,770 --> 01:30:31,440  
medical stories now in another area

2132  
01:30:42,530 --> 01:30:39,169  
additionally he has sustained a partial

2133  
01:30:45,649 --> 01:30:42,540  
tear in the urethra and the tube that

2134  
01:30:47,510 --> 01:30:45,659  
carries semen and urine out of the penis

2135  
01:30:49,189 --> 01:30:47,520  
okay well this is crazy I didn't know

2136  
01:30:51,950 --> 01:30:49,199  
this could happen and there's there's

2137  
01:30:54,290 --> 01:30:51,960  
actual um there's x-rays here

2138  
01:30:58,430 --> 01:30:54,300

so what is the fix here

2139

01:31:01,610 --> 01:30:59,570

um

2140

01:31:03,729 --> 01:31:01,620

so I like the stock photo of the guy

2141

01:31:06,709 --> 01:31:03,739

covering his crotch yeah yeah

2142

01:31:09,050 --> 01:31:06,719

just so this is what they showed on the

2143

01:31:10,189 --> 01:31:09,060

new yorkpost.com oh okay that's what it

2144

01:31:11,570 --> 01:31:10,199

looks like that's what it looks like

2145

01:31:13,970 --> 01:31:11,580

yeah that looks like the guy from

2146

01:31:16,610 --> 01:31:13,980

Tanzania

2147

01:31:19,010 --> 01:31:16,620

uh so doctors warned that a penis

2148

01:31:21,169 --> 01:31:19,020

fracture isn't something to ignore

2149

01:31:25,129 --> 01:31:21,179

as it can lead to erectile dysfunction

2150

01:31:27,410 --> 01:31:25,139

did you ignore this never mind

2151  
01:31:31,490 --> 01:31:27,420  
it'll fix it so what was that nothing

2152  
01:31:34,669 --> 01:31:31,500  
just keep going keep going uh difficulty

2153  
01:31:36,709 --> 01:31:34,679  
urinating and uh some kind of disease

2154  
01:31:38,689 --> 01:31:36,719  
I'm not going to pronounce but you could

2155  
01:31:41,570 --> 01:31:38,699  
get it

2156  
01:31:43,970 --> 01:31:41,580  
um which it can also lead to Bent

2157  
01:31:47,689 --> 01:31:43,980  
erections pain in the penis with

2158  
01:31:48,770 --> 01:31:47,699  
erection and penile plaque oh my God

2159  
01:31:50,930 --> 01:31:48,780  
okay

2160  
01:31:53,270 --> 01:31:50,940  
uh he was the quote he was seen at the

2161  
01:31:55,189 --> 01:31:53,280  
clinic six months post-oper Opera

2162  
01:31:57,530 --> 01:31:55,199  
operation where he reported to have

2163  
01:31:59,750 --> 01:31:57,540

resumed his sexual life without any

2164

01:32:01,729 --> 01:31:59,760

difficulties and the penile shaft looked

2165

01:32:03,290 --> 01:32:01,739

okay so that's good news he's banging

2166

01:32:04,729 --> 01:32:03,300

cocktail waitresses too at a time yeah

2167

01:32:08,330 --> 01:32:04,739

he's good that's some good news on that

2168

01:32:10,669 --> 01:32:08,340

front in the recovery room first

2169

01:32:14,209 --> 01:32:10,679

I'm back in a big way yeah I'm gonna

2170

01:32:17,270 --> 01:32:15,470

Drive

2171

01:32:19,490 --> 01:32:17,280

yeah how do you know if it works unless

2172

01:32:20,570 --> 01:32:19,500

they're really willing to you think

2173

01:32:22,189 --> 01:32:20,580

that's yeah you think it's part of that

2174

01:32:23,270 --> 01:32:22,199

post-op uh visit with the doctor like

2175

01:32:24,850 --> 01:32:23,280

all right everything feeling good and

2176

01:32:29,030 --> 01:32:24,860

okay all right go take it for test drive

2177

01:32:31,250 --> 01:32:29,040

right now go do it I think Joe has a a

2178

01:32:33,290 --> 01:32:31,260

comment about this hi this is Joe from

2179

01:32:35,390 --> 01:32:33,300

the our big dumb mouth podcast I too

2180

01:32:37,250 --> 01:32:35,400

have broke my penis Dunn broke it in

2181

01:32:39,290 --> 01:32:37,260

like five or eight spots went to Arby's

2182

01:32:41,990 --> 01:32:39,300

got an Americana roast beef sandwich

2183

01:32:43,850 --> 01:32:42,000

it's thinly sliced roast beef topped

2184

01:32:45,830 --> 01:32:43,860

with American cheese lettuce tomato red

2185

01:32:48,229 --> 01:32:45,840

onions and a special sauce on a toasted

2186

01:32:49,970 --> 01:32:48,239

sesame bun limited time only at

2187

01:32:52,189 --> 01:32:49,980

participating U.S locations while

2188

01:32:53,270 --> 01:32:52,199

supplies last I felt way better after

2189

01:32:57,250 --> 01:32:53,280

that

2190

01:33:02,629 --> 01:32:57,260

ever

2191

01:33:07,370 --> 01:33:05,510

Joe just just on point the question is

2192

01:33:10,250 --> 01:33:07,380

did you have that already or did you

2193

01:33:13,010 --> 01:33:10,260

pull this story because you had that I I

2194

01:33:16,070 --> 01:33:13,020

pulled this story and Joe piped in Joe

2195

01:33:17,450 --> 01:33:16,080

piped in and said I have a story about

2196

01:33:19,310 --> 01:33:17,460

I want to tell you what my experience at

2197

01:33:21,229 --> 01:33:19,320

Harvest well we had a story a couple of

2198

01:33:22,970 --> 01:33:21,239

months ago about like this a list of all

2199

01:33:24,830 --> 01:33:22,980

the penile injuries people reported yeah

2200

01:33:27,110 --> 01:33:24,840

we did we covered that and a lot of them

2201

01:33:29,149 --> 01:33:27,120

were kind of related to this yeah

2202

01:33:31,550 --> 01:33:29,159

I've never heard of someone going so

2203

01:33:34,189 --> 01:33:31,560

hard that they couldn't do it so

2204

01:33:35,209 --> 01:33:34,199

and uh but okay that's my favorite my

2205

01:33:36,530 --> 01:33:35,219

favorite part about that story is they

2206

01:33:39,290 --> 01:33:36,540

say this is not something that should be

2207

01:33:42,350 --> 01:33:39,300

ignored if this happens to you yeah you

2208

01:33:43,850 --> 01:33:42,360

know maybe maybe in your youth you would

2209

01:33:46,490 --> 01:33:43,860

ignore that kind of thing it's like oh

2210

01:33:47,330 --> 01:33:46,500

it'll it'll go away anyone's ignoring

2211

01:33:48,530 --> 01:33:47,340

this

2212

01:33:50,149 --> 01:33:48,540

okay

2213

01:33:51,709 --> 01:33:50,159

I'm just saying I think that they might

2214

01:33:54,229 --> 01:33:51,719

some people in their youth might just

2215

01:33:56,510 --> 01:33:54,239

say I'll just worry about this later I I

2216

01:34:00,350 --> 01:33:56,520

had a I had a co-host on the show Jason

2217

01:34:05,390 --> 01:34:00,360

croniger and there was one time where

2218

01:34:08,410 --> 01:34:05,400

he fell his leg uh fell on to an antenna

2219

01:34:10,970 --> 01:34:08,420

of a car and it like punctured his leg

2220

01:34:13,610 --> 01:34:10,980

and that antenna got pushed right

2221

01:34:15,649 --> 01:34:13,620

through his leg and he was so drunk he

2222

01:34:17,450 --> 01:34:15,659

just passed out and forgot about it they

2223

01:34:20,209 --> 01:34:17,460

wrapped it up and like kind of like

2224

01:34:22,370 --> 01:34:20,219

shoved stuff back in there and never

2225

01:34:25,189 --> 01:34:22,380

went to the doctors for that horrific

2226

01:34:27,890 --> 01:34:25,199

puncture wound in his leg and so he's

2227

01:34:31,310 --> 01:34:27,900

the kind of guy a skateboarder that will

2228

01:34:33,890 --> 01:34:31,320

just take the pain and ignore it and

2229

01:34:36,890 --> 01:34:33,900

just carry on with his life I I ran into

2230

01:34:38,990 --> 01:34:36,900

him a few years ago after the antenna in

2231

01:34:40,970 --> 01:34:39,000

his leg no he's his leg was fine but he

2232

01:34:44,209 --> 01:34:40,980

he broke his arm we were out at a bar

2233

01:34:46,129 --> 01:34:44,219

his arm was broken and swollen and I was

2234

01:34:47,510 --> 01:34:46,139

like dude that looks bad he's like I'm

2235

01:34:50,090 --> 01:34:47,520

just gonna live with it I'm not gonna go

2236

01:34:51,890 --> 01:34:50,100

to the doctors and so he do

2237

01:34:54,669 --> 01:34:51,900

he's that kind of guy so he's the kind

2238

01:34:57,290 --> 01:34:54,679

of guy he would ignore penile fractures

2239

01:34:59,629 --> 01:34:57,300

uh just because he's he's that tough

2240

01:35:02,209 --> 01:34:59,639

he's tough it out

2241

01:35:04,729 --> 01:35:02,219

he's tough all right I'll put some dirt

2242

01:35:07,910 --> 01:35:04,739

on it good nice Band-Aid I'm good up on

2243

01:35:09,530 --> 01:35:07,920

screen you have a a glass uh stained

2244

01:35:11,750 --> 01:35:09,540

glass stained glass Hulk Hogan wow look

2245

01:35:13,550 --> 01:35:11,760

at that that's amazing it he looks like

2246

01:35:16,010 --> 01:35:13,560

somebody was inspired by they live as

2247

01:35:18,770 --> 01:35:16,020

well it does it looks a little creepy

2248

01:35:21,050 --> 01:35:18,780

yeah uh-uh brother

2249

01:35:24,290 --> 01:35:21,060

yeah I'm not a fan of that one hmm

2250

01:35:27,300 --> 01:35:24,300

well I got the one more story that we'll

2251

01:35:30,709 --> 01:35:27,310

finish up with corrected headlines

2252

01:35:35,030 --> 01:35:33,950

I'll bring this up on uh screen right

2253

01:35:38,090 --> 01:35:35,040

here

2254

01:35:40,250 --> 01:35:38,100

the Stanford Professor with CIA ties

2255

01:35:44,510 --> 01:35:40,260

says aliens are a hundred percent

2256

01:35:46,910 --> 01:35:44,520

already here I love that headline

2257

01:35:49,250 --> 01:35:46,920

oh yeah it was a Stamper for Professor

2258

01:35:52,250 --> 01:35:49,260

Gary Noland I have a feeling that it is

2259

01:35:53,510 --> 01:35:52,260

this guy says a lot of stuff so Stanford

2260

01:35:55,610 --> 01:35:53,520

professor

2261

01:35:57,530 --> 01:35:55,620

uh who claims to have worked with

2262

01:36:00,350 --> 01:35:57,540

intelligence and defense groups claims

2263

01:36:04,250 --> 01:36:00,360

aliens have already been Unearthed for

2264

01:36:06,290 --> 01:36:04,260

thousands of years okay so thousands of

2265

01:36:09,110 --> 01:36:06,300

years we are the aliens

2266

01:36:12,110 --> 01:36:09,120

and by the way uh just for for context

2267

01:36:15,470 --> 01:36:12,120

Herman from Holland uh submitted this

2268

01:36:20,330 --> 01:36:18,169

uh Gary Nolan PhD professor in the

2269

01:36:22,610 --> 01:36:20,340

department of pathology at the Stanford

2270

01:36:24,950 --> 01:36:22,620

University School of Medicine worked

2271

01:36:26,990 --> 01:36:24,960

with groups to understand changes in the

2272

01:36:29,570 --> 01:36:27,000

brain of people who have had encounters

2273

01:36:32,629 --> 01:36:29,580

with unidentified aerial phenomena or

2274

01:36:35,450 --> 01:36:32,639

uaps No One Believes that aliens are

2275

01:36:36,530 --> 01:36:35,460

probably using drones and AI to study

2276

01:36:39,110 --> 01:36:36,540

humans

2277

01:36:42,830 --> 01:36:39,120

that's interesting like now that we are

2278

01:36:45,110 --> 01:36:42,840

commonly using the phrase Ai and like

2279

01:36:47,689 --> 01:36:45,120

chat GPT now it's over over using it

2280

01:36:52,189 --> 01:36:47,699

over using it now they're they're

2281

01:36:55,129 --> 01:36:52,199

putting that onto uaps and UFOs I'm sure

2282

01:36:57,350 --> 01:36:55,139

that there's some aspect of it but

2283

01:36:58,790 --> 01:36:57,360

anyways a prominent University Professor

2284

01:37:00,470 --> 01:36:58,800

who has conducted Consulting work for

2285

01:37:01,729 --> 01:37:00,480

intelligence uh for the intelligence

2286

01:37:04,430 --> 01:37:01,739

communities

2287

01:37:06,590 --> 01:37:04,440

and uh defense contractors uh says he

2288

01:37:09,169 --> 01:37:06,600

believes that aliens have not only

2289

01:37:12,229 --> 01:37:09,179

visited Earth but have probably also

2290

01:37:14,990 --> 01:37:12,239

done so for thousands of years Gary

2291

01:37:16,310 --> 01:37:15,000

Nolan PhD a respected professor in the

2292

01:37:18,050 --> 01:37:16,320

department of pathology at Stanford

2293

01:37:20,209 --> 01:37:18,060

University of Medicine made this

2294

01:37:21,709 --> 01:37:20,219

striking claim this week at a Global

2295

01:37:23,990 --> 01:37:21,719

Leadership and networking Forum in New

2296

01:37:26,090 --> 01:37:24,000

York City during a session titled the

2297

01:37:29,390 --> 01:37:26,100

Pentagon extraterrestrial intelligence

2298

01:37:32,330 --> 01:37:29,400

and crashed UFOs why do they point out

2299

01:37:33,950 --> 01:37:32,340

he's a respected Professor I don't know

2300

01:37:36,590 --> 01:37:33,960

as opposed to like

2301

01:37:39,410 --> 01:37:36,600

now this question the the Oddball

2302

01:37:41,450 --> 01:37:39,420

crackpot down at the end of the hall

2303

01:37:43,129 --> 01:37:41,460

yeah it's like if you have to say you're

2304

01:37:44,810 --> 01:37:43,139

respected are you because now I'm

2305

01:37:46,850 --> 01:37:44,820

questioning the fact whether or not he

2306

01:37:47,990 --> 01:37:46,860

is respected or not yeah it's a good

2307

01:37:51,649 --> 01:37:48,000

point

2308

01:37:53,390 --> 01:37:51,659

what an odd thing to say um

2309

01:37:56,229 --> 01:37:53,400

there are I guess there are comments of

2310

01:37:59,810 --> 01:37:56,239

him uh saying this uh saying this stuff

2311

01:38:01,790 --> 01:37:59,820

I was 18 minutes here uh just run the

2312

01:38:04,510 --> 01:38:01,800

whole thing 18 years it's the final 18

2313

01:38:10,790 --> 01:38:07,729

uh I'll I'll I will play a little bit of

2314

01:38:13,910 --> 01:38:10,800

it and uh maybe we can get maybe he

2315

01:38:15,709 --> 01:38:13,920

provides more context to what he's

2316

01:38:21,709 --> 01:38:15,719

stating I like how the title of that

2317

01:38:26,450 --> 01:38:23,410

uh being presented on

2318

01:38:30,050 --> 01:38:26,460

popularmechanics.com well to be fair

2319

01:38:32,450 --> 01:38:30,060

those guys cranked out when we were kids

2320

01:38:35,149 --> 01:38:32,460

was it every every other issue was about

2321

01:38:38,149 --> 01:38:35,159

like UFOs and and project Aurora and all

2322

01:38:39,410 --> 01:38:38,159

that stuff I mean so they indulge a

2323

01:38:42,110 --> 01:38:39,420

little bit here so they're on they're on

2324

01:38:44,330 --> 01:38:42,120

on board because that sells magazines

2325

01:38:45,350 --> 01:38:44,340

so here we go here's have aliens visited

2326

01:38:48,470 --> 01:38:45,360

Earth

2327

01:38:52,250 --> 01:38:48,480

do you believe that extraterrestrial

2328

01:38:54,590 --> 01:38:52,260

intelligence has visited planet Earth

2329

01:38:56,510 --> 01:38:54,600

yes I think we can go a step further it

2330

01:38:59,810 --> 01:38:56,520

hasn't just visited it's been here a

2331

01:39:02,870 --> 01:38:59,820

long time and it's still here uh and it

2332

01:39:04,490 --> 01:39:02,880

has into the question basically

2333

01:39:06,830 --> 01:39:04,500

um you know people talk about the wow

2334

01:39:09,050 --> 01:39:06,840

signal uh looking for extraterrestrial

2335

01:39:11,030 --> 01:39:09,060

intelligence the wow signal is that

2336

01:39:13,070 --> 01:39:11,040

people see it on an almost regular basis

2337

01:39:16,250 --> 01:39:13,080

that's the communication that's already

2338

01:39:18,770 --> 01:39:16,260

here and and that statement seems so

2339

01:39:21,229 --> 01:39:18,780

incredible that it just have to believe

2340

01:39:23,330 --> 01:39:21,239

right people hear that and maybe a lot

2341

01:39:24,590 --> 01:39:23,340

of people here hear that and they don't

2342

01:39:27,050 --> 01:39:24,600

believe it

2343

01:39:29,870 --> 01:39:27,060

and so I'm curious

2344

01:39:31,970 --> 01:39:29,880

if you had to assign a probability to

2345

01:39:33,290 --> 01:39:31,980

that statement that you believe what

2346

01:39:35,390 --> 01:39:33,300

extraterrestrial intelligence has

2347

01:39:37,970 --> 01:39:35,400

visited visited this planet what

2348

01:39:39,890 --> 01:39:37,980

probability would you assign a hundred

2349

01:39:43,189 --> 01:39:39,900

percent

2350

01:39:44,629 --> 01:39:43,199

and not just my opinion I mean look

2351

01:39:47,390 --> 01:39:44,639

um

2352

01:39:50,450 --> 01:39:47,400

the National Defense appropriation Act

2353

01:39:52,250 --> 01:39:50,460

passed last year signed by by Biden in

2354

01:39:55,610 --> 01:39:52,260

uh December

2355

01:39:57,410 --> 01:39:55,620

30 pages of that is the establishments

2356

01:39:58,550 --> 01:39:57,420

of an unidentified aerial phenomenon

2357

01:40:00,470 --> 01:39:58,560

office

2358

01:40:02,030 --> 01:40:00,480

the establishments of looking into the

2359

01:40:06,050 --> 01:40:02,040

harm that's happened to an even number

2360

01:40:08,030 --> 01:40:06,060

of the individuals going back to okay

2361

01:40:10,490 --> 01:40:08,040

so he said 100 he's like he's

2362

01:40:11,930 --> 01:40:10,500

comfortable saying 100 percent

2363

01:40:13,250 --> 01:40:11,940

100 percent

2364

01:40:14,750 --> 01:40:13,260

he also didn't answer the question

2365

01:40:16,970 --> 01:40:14,760

though they said Do You Believe aliens

2366

01:40:18,050 --> 01:40:16,980

are here yes or no and well no they

2367

01:40:19,790 --> 01:40:18,060

didn't say yes no but it's a yes no

2368

01:40:22,370 --> 01:40:19,800

question he said I'd go further than

2369

01:40:24,350 --> 01:40:22,380

that they've always been here like but

2370

01:40:28,310 --> 01:40:24,360

that you didn't say yes or no dude yeah

2371

01:40:32,450 --> 01:40:30,649

okay well there uh I mean who am I to

2372

01:40:34,910 --> 01:40:32,460

argue with a respected Stanford

2373

01:40:36,530 --> 01:40:34,920

Professor a respected professor in the

2374

01:40:38,510 --> 01:40:36,540

department of pathology he has

2375

01:40:40,070 --> 01:40:38,520

government ties yes he does have

2376

01:40:42,050 --> 01:40:40,080

government he'll dissect those aliens

2377

01:40:45,550 --> 01:40:42,060

he's the guy that they call when they

2378

01:40:48,950 --> 01:40:48,110

when they collect another alien body

2379

01:40:50,689 --> 01:40:48,960

they're like all right you got to come

2380

01:40:52,430 --> 01:40:50,699

and do the alien autopsy

2381

01:40:54,830 --> 01:40:52,440

and he went on to say so this article

2382

01:40:57,110 --> 01:40:54,840

goes on to say in the 2021 Vice profiled

2383

01:40:58,790 --> 01:40:57,120

Norland covering his work in UFOs in

2384

01:41:01,430 --> 01:40:58,800

that peace knowing claimed that he had

2385

01:41:04,070 --> 01:41:01,440

formally consulted for people associated

2386

01:41:05,870 --> 01:41:04,080

with the CIA and some Aeronautics

2387

01:41:08,270 --> 01:41:05,880

corporations he had been asked to

2388

01:41:11,090 --> 01:41:08,280

examine the MRIs of pilots who had

2389

01:41:13,430 --> 01:41:11,100

gotten close to supposed uaps and the

2390

01:41:16,129 --> 01:41:13,440

fields generated by them

2391

01:41:20,209 --> 01:41:16,139

uh he further described UAP witnesses as

2392

01:41:22,370 --> 01:41:20,219

having a smorgasbord of symptoms and and

2393

01:41:24,590 --> 01:41:22,380

stated that one individual had been

2394

01:41:26,930 --> 01:41:24,600

harmed at the Skinwalker Ranch a private

2395

01:41:28,129 --> 01:41:26,940

Ranch in Utah with a history of

2396

01:41:30,350 --> 01:41:28,139

paranormal activities including

2397

01:41:33,350 --> 01:41:30,360

sightings of uaps

2398

01:41:35,629 --> 01:41:33,360

so I'm I'm gonna next year I'm gonna

2399

01:41:36,890 --> 01:41:35,639

bring up some more Skinwalker Ranch TV

2400

01:41:38,570 --> 01:41:36,900

show clips because it's been a few

2401  
01:41:40,010 --> 01:41:38,580  
episodes and I've been collecting them

2402  
01:41:41,270 --> 01:41:40,020  
there's been some episodes that have

2403  
01:41:42,890 --> 01:41:41,280  
been lackluster that's why I haven't

2404  
01:41:46,010 --> 01:41:42,900  
been doing it every week and since they

2405  
01:41:49,629 --> 01:41:46,020  
have and uh well I I'm trying to just

2406  
01:41:52,550 --> 01:41:49,639  
bring like a a tight 15 minutes of uh

2407  
01:41:53,990 --> 01:41:52,560  
interesting stuff from from the TV shows

2408  
01:41:56,030 --> 01:41:54,000  
it seems like they've been adding a

2409  
01:41:59,810 --> 01:41:56,040  
little bit more uh fluff and filler to

2410  
01:42:02,510 --> 01:41:59,820  
the TV show no that's just my appear on

2411  
01:42:04,189 --> 01:42:02,520  
on season 27 of guys who won't

2412  
01:42:06,050 --> 01:42:04,199  
investigate paranormal stuff at a

2413  
01:42:08,209 --> 01:42:06,060

paranormal place I hear that they're

2414

01:42:09,950 --> 01:42:08,219

going to go camping at the uh The

2415

01:42:11,570 --> 01:42:09,960

Conjuring house I'll wait for that the

2416

01:42:13,669 --> 01:42:11,580

three episode Arc where they go camping

2417

01:42:15,530 --> 01:42:13,679

at The Conjuring house

2418

01:42:17,270 --> 01:42:15,540

and they get yelled at by one of the

2419

01:42:20,689 --> 01:42:17,280

guys before breaking the uh the quiet

2420

01:42:24,350 --> 01:42:23,030

well let's uh let's move on we'll do a

2421

01:42:29,709 --> 01:42:24,360

couple more headlines over there into a

2422

01:42:34,790 --> 01:42:32,520

Shaka when the walls fell

2423

01:42:36,830 --> 01:42:34,800

[Music]

2424

01:42:38,689 --> 01:42:36,840

um all right let's see what we got here

2425

01:42:40,550 --> 01:42:38,699

I have oh

2426

01:42:45,169 --> 01:42:40,560

let's go with this

2427

01:42:47,209 --> 01:42:45,179

here's a story about a new buy now pay

2428

01:42:49,609 --> 01:42:47,219

later scheme for pizza

2429

01:42:52,370 --> 01:42:49,619

out of New Zealand but it allows you to

2430

01:42:56,270 --> 01:42:52,380

pay when you're dead

2431

01:43:01,450 --> 01:42:59,390

hell Pizza launches new buy now pay when

2432

01:43:07,510 --> 01:43:01,460

your dead payment scheme

2433

01:43:11,709 --> 01:43:09,890

uh that doesn't sound too far off from

2434

01:43:18,129 --> 01:43:11,719

what he normally talks now

2435

01:43:22,070 --> 01:43:20,689

I like it when Joe Biden says seven

2436

01:43:27,050 --> 01:43:22,080

different things at one time let's see

2437

01:43:27,060 --> 01:43:30,370

New Hampshire

2438

01:43:37,149 --> 01:43:33,709

Howard Dean in there yeah

2439

01:43:42,950 --> 01:43:39,590

why is that guy have a mic

2440

01:43:45,470 --> 01:43:42,960

uh hell Pizza has hit at controversial

2441

01:43:47,870 --> 01:43:45,480

buy now pay later scheme by offering

2442

01:43:51,410 --> 01:43:47,880

kiwis a chance to pay for pizza a lot

2443

01:43:53,090 --> 01:43:51,420

later when they're dead

2444

01:43:54,770 --> 01:43:53,100

okay

2445

01:43:56,750 --> 01:43:54,780

hopefully not implying that the pizza is

2446

01:43:59,810 --> 01:43:56,760

going to kill them though maybe maybe

2447

01:44:01,609 --> 01:43:59,820

we're being murdered by this pizza uh

2448

01:44:04,129 --> 01:44:01,619

hell announced this new after uh

2449

01:44:05,990 --> 01:44:04,139

afterlife pay on Thursday morning saying

2450

01:44:08,750 --> 01:44:06,000

they're tearing up the heat on buy now

2451

01:44:11,330 --> 01:44:08,760

pay later oh which is uh which are

2452

01:44:13,910 --> 01:44:11,340

trapping a growing number of kiwis in

2453

01:44:16,310 --> 01:44:13,920

spirals of debt particularly amid the

2454

01:44:19,970 --> 01:44:16,320

cost of living crisis so yeah everything

2455

01:44:21,950 --> 01:44:19,980

is more expensive the uh after light pay

2456

01:44:23,030 --> 01:44:21,960

will only be available to select number

2457

01:44:25,490 --> 01:44:23,040

of people

2458

01:44:28,250 --> 01:44:25,500

those who are selected will be invited

2459

01:44:30,410 --> 01:44:28,260

to sign a real amendment to their Wills

2460

01:44:31,729 --> 01:44:30,420

allowing the cost of their pieces to be

2461

01:44:34,310 --> 01:44:31,739

collected upon their death no interest

2462

01:44:37,550 --> 01:44:34,320

or fees will apply and the agreement is

2463

01:44:39,890 --> 01:44:37,560

legally binding hell sent good Lord I

2464

01:44:41,629 --> 01:44:39,900

want people to amend their Wills to buy

2465

01:44:44,209 --> 01:44:41,639

pizza yeah

2466

01:44:45,590 --> 01:44:44,219

now I didn't read I didn't read all the

2467

01:44:47,090 --> 01:44:45,600

way through the story did they open a

2468

01:44:49,129 --> 01:44:47,100

line of credit for you so you can get as

2469

01:44:50,689 --> 01:44:49,139

much pizza as you want I wonder if

2470

01:44:52,669 --> 01:44:50,699

there's something in here where you're

2471

01:44:56,629 --> 01:44:52,679

signing your soul over to this pizza

2472

01:44:59,209 --> 01:44:56,639

company oh like it's hell Pizza

2473

01:45:03,109 --> 01:44:59,219

so you're signing not just over assets

2474

01:45:05,090 --> 01:45:03,119

but your actual soul to this paternal

2475

01:45:07,910 --> 01:45:05,100

existence your internal soul to this

2476

01:45:09,550 --> 01:45:07,920

pizza company for a delicious 12 inch

2477

01:45:19,129 --> 01:45:09,560

pizza

2478

01:45:22,430 --> 01:45:19,139

uh the CEO Ben coming

2479

01:45:25,550 --> 01:45:22,440

said uh after lipay was born after they

2480

01:45:27,050 --> 01:45:25,560

were approached by bnpl providers who

2481

01:45:28,729 --> 01:45:27,060

wanted to offer the service to his

2482

01:45:31,490 --> 01:45:28,739

customers

2483

01:45:34,729 --> 01:45:31,500

wait so this wasn't even their idea they

2484

01:45:37,729 --> 01:45:34,739

said some sketchy buy now pay later

2485

01:45:39,850 --> 01:45:37,739

weird credit agency [h\_\_h] you know

2486

01:45:42,649 --> 01:45:39,860

like the the buy here pay here car

2487

01:45:43,910 --> 01:45:42,659

sketchy park car places or like hey just

2488

01:45:45,830 --> 01:45:43,920

let them have the car we just want their

2489

01:45:48,770 --> 01:45:45,840

soul this sounds like a reverse mortgage

2490

01:45:50,149 --> 01:45:48,780

scheme that you see on TV like why don't

2491

01:45:52,010 --> 01:45:50,159

you sign over your mortgage we'll do a

2492

01:45:53,870 --> 01:45:52,020

reverse mortgage on your house and you

2493

01:45:56,330 --> 01:45:53,880

get all the free pieces you want until

2494

01:45:58,129 --> 01:45:56,340

you die and then we take your house this

2495

01:46:01,430 --> 01:45:58,139

nice man said that they'll give me money

2496

01:46:03,550 --> 01:46:01,440

every month I just go to hell pretty

2497

01:46:06,169 --> 01:46:03,560

good huh

2498

01:46:07,669 --> 01:46:06,179

don't take that deal uh we're seeing a

2499

01:46:09,709 --> 01:46:07,679

growing number of people using these

2500

01:46:11,689 --> 01:46:09,719

schemes uh using the schemes to buy

2501

01:46:13,910 --> 01:46:11,699

essential items like food and we think

2502

01:46:15,649 --> 01:46:13,920

we're taking it a step too far when

2503

01:46:18,050 --> 01:46:15,659

you've got quick services like

2504

01:46:20,629 --> 01:46:18,060

restaurants like ours being asked to

2505

01:46:22,729 --> 01:46:20,639

offer buy now pay later schemes for what

2506

01:46:24,290 --> 01:46:22,739

is considered a treat especially when

2507

01:46:27,169 --> 01:46:24,300

you consider people are falling behind

2508

01:46:32,030 --> 01:46:27,179

in their payments and the 10.5 percent

2509

01:46:34,750 --> 01:46:32,040

and loans that new zealands are in uh

2510

01:46:38,270 --> 01:46:34,760

are being offered I guess are errors

2511

01:46:38,990 --> 01:46:38,280

arrears arrears that's your underwater

2512

01:46:42,169 --> 01:46:39,000

um

2513

01:46:45,830 --> 01:46:42,179

after light pay will initially run as a

2514

01:46:48,290 --> 01:46:45,840

trial with anyone 18 years or older

2515

01:46:50,990 --> 01:46:48,300

eligible to apply the applicants of the

2516

01:46:54,350 --> 01:46:51,000

applicants 666 people

2517

01:46:57,890 --> 01:46:54,360

will be selected the offer has been

2518

01:47:01,750 --> 01:46:57,900

extended to 666 people in Australia

2519

01:47:05,990 --> 01:47:01,760

so they're really uh lean in to

2520

01:47:08,570 --> 01:47:06,000

the uh the Satanism in Hell thing but

2521

01:47:10,189 --> 01:47:08,580

how it's still not clear is this for one

2522

01:47:12,169 --> 01:47:10,199

pizza

2523

01:47:14,810 --> 01:47:12,179

it's not clear

2524

01:47:17,050 --> 01:47:14,820

I guess you can order as many pizzas as

2525

01:47:21,410 --> 01:47:17,060

you want and they'll just deduct that

2526

01:47:23,330 --> 01:47:21,420

from your assets when you die

2527

01:47:26,090 --> 01:47:23,340

if you could say all right this means I

2528

01:47:27,830 --> 01:47:26,100

don't it's incredibly unhealthy but I

2529

01:47:29,870 --> 01:47:27,840

don't have to ever buy groceries again

2530

01:47:31,370 --> 01:47:29,880

because I can just get unlimited pizzas

2531

01:47:33,970 --> 01:47:31,380

from this place because I've handed over

2532

01:47:36,129 --> 01:47:33,980

my Eternal Soul

2533

01:47:38,990 --> 01:47:36,139

I guess so

2534

01:47:41,810 --> 01:47:39,000

uh this is quite a lengthy article about

2535

01:47:43,310 --> 01:47:41,820

this and I this obviously speaks to the

2536

01:47:45,169 --> 01:47:43,320

state of the economy and how people are

2537

01:47:47,090 --> 01:47:45,179

really struggling to buy food for

2538

01:47:49,370 --> 01:47:47,100

themselves so much so that they're

2539

01:47:51,470 --> 01:47:49,380

they're taking out loans against their

2540

01:47:54,050 --> 01:47:51,480

assets and their equity and whatever

2541

01:47:55,550 --> 01:47:54,060

they own to to get food and now this

2542

01:47:57,350 --> 01:47:55,560

pizza place is saying we'll do the same

2543

01:47:59,990 --> 01:47:57,360

thing

2544

01:48:01,669 --> 01:48:00,000

it's it's kind of crazy times

2545

01:48:04,129 --> 01:48:01,679

it looks like it's only for one pizza

2546

01:48:07,310 --> 01:48:04,139

though because they have a photo of the

2547

01:48:08,689 --> 01:48:07,320

of the form itself the the codicil to

2548

01:48:10,310 --> 01:48:08,699

the will at the top

2549

01:48:12,410 --> 01:48:10,320

it says I

2550

01:48:14,090 --> 01:48:12,420

state your name state your name hereby

2551

01:48:17,570 --> 01:48:14,100

declare to repay help each of the sum of

2552

01:48:19,250 --> 01:48:17,580

blank for the double blank pizza for the

2553

01:48:25,609 --> 01:48:19,260

pizza

2554

01:48:27,770 --> 01:48:25,619

hold out for more than one well get more

2555

01:48:30,350 --> 01:48:27,780

than one pizza Alex

2556

01:48:32,270 --> 01:48:30,360

yeah up the ante here

2557

01:48:34,910 --> 01:48:32,280

and they do have a good marketing scheme

2558

01:48:37,729 --> 01:48:34,920

where on on the uh the marketing like

2559

01:48:40,070 --> 01:48:37,739

flyer it is like a zombie hand reaching

2560

01:48:43,250 --> 01:48:40,080

up out of the Grave with a phone that

2561

01:48:45,350 --> 01:48:43,260

says after life pay

2562

01:48:47,750 --> 01:48:45,360

S I mean I mean they got good marketing

2563

01:48:49,850 --> 01:48:47,760

around it I suppose

2564

01:48:53,510 --> 01:48:49,860

I don't know it's it sounds it sounds

2565

01:48:54,890 --> 01:48:53,520

very goofy and legally I typically I

2566

01:48:56,450 --> 01:48:54,900

wouldn't amend my will to pay a pizza

2567

01:48:58,010 --> 01:48:56,460

company but I don't know I guess I could

2568

01:48:59,570 --> 01:48:58,020

be convinced that's a good there is a

2569

01:49:00,709 --> 01:48:59,580

video of this of them but I mean it's

2570

01:49:02,689 --> 01:49:00,719

probably part of a commercial but

2571

01:49:04,370 --> 01:49:02,699

there's a video of them on this on the

2572

01:49:07,129 --> 01:49:04,380

website here at the top

2573

01:49:09,770 --> 01:49:07,139

um of them showing up with an attorney

2574

01:49:13,550 --> 01:49:09,780

and having somebody sign this amended

2575

01:49:16,970 --> 01:49:13,560

will for their free pizza oh yeah okay

2576

01:49:19,310 --> 01:49:16,980

is is that I guess so

2577

01:49:21,950 --> 01:49:19,320

yeah I'll I'll see if there's any sound

2578

01:49:23,390 --> 01:49:21,960

I'll play it and see there's there's

2579

01:49:26,149 --> 01:49:23,400

sound associated with this because

2580

01:49:28,250 --> 01:49:26,159

that's this is should be bizarre oh yeah

2581

01:49:30,169 --> 01:49:28,260

here it is okay yeah there he's showing

2582

01:49:36,950 --> 01:49:30,179

up and I'll play the sound sorry people

2583

01:49:44,870 --> 01:49:38,810

why does their scooter sound like a

2584

01:49:49,189 --> 01:49:48,290

Mr pizza with extra jalapenos that'll be

2585

01:49:51,169 --> 01:49:49,199

25

2586

01:49:53,030 --> 01:49:51,179

um did you want to pay now or would you

2587

01:49:56,270 --> 01:49:53,040

like to use something we call afterlife

2588

01:50:02,990 --> 01:49:59,530

after live pay

2589

01:50:04,850 --> 01:50:03,000

after I pay what's afterlife pay oh it's

2590

01:50:07,669 --> 01:50:04,860

a new service we're trialling um you see

2591

01:50:09,350 --> 01:50:07,679

uh my life friend over here yeah you

2592

01:50:11,629 --> 01:50:09,360

just need to sign a few papers with them

2593

01:50:14,030 --> 01:50:11,639

and then you'll only pay once you're

2594

01:50:14,040 --> 01:50:18,890

right

2595

01:50:22,129 --> 01:50:21,060

when I die yeah

2596

01:50:23,629 --> 01:50:22,139

[Music]

2597

01:50:26,990 --> 01:50:23,639

we get to eat the pizza before I die

2598

01:50:30,290 --> 01:50:27,000

yeah you eat the pizza now and then pay

2599

01:50:31,430 --> 01:50:30,300

once you you don't even remember you

2600

01:50:35,030 --> 01:50:31,440

know the pizza because you'll be you

2601  
01:50:37,790 --> 01:50:35,040  
know dead it's not for a while that's it

2602  
01:50:39,530 --> 01:50:37,800  
feels lucky that is yeah you might be

2603  
01:50:41,450 --> 01:50:39,540  
waiting a while okay well that sounds

2604  
01:50:44,270 --> 01:50:41,460  
like a pretty good deal deep from the

2605  
01:50:46,750 --> 01:50:44,280  
vaccine okay this is very strange just

2606  
01:50:49,910 --> 01:50:46,760  
sign here yes yes

2607  
01:50:52,570 --> 01:50:49,920  
what for the double I don't there's just

2608  
01:50:54,430 --> 01:50:52,580  
legally it's all above board

2609  
01:50:55,840 --> 01:50:54,440  
thank you

2610  
01:50:57,669 --> 01:50:55,850  
see you later

2611  
01:50:59,810 --> 01:50:57,679  
[Music]

2612  
01:51:01,189 --> 01:50:59,820  
you have a good night you have a good

2613  
01:51:02,990 --> 01:51:01,199

night well they're not really having to

2614

01:51:05,270 --> 01:51:03,000

convince them too much

2615

01:51:07,810 --> 01:51:05,280

see you later

2616

01:51:09,950 --> 01:51:07,820

oh you wanna yes

2617

01:51:11,990 --> 01:51:09,960

just sign here

2618

01:51:14,870 --> 01:51:12,000

take all your [h\_\_h] throw this pizza on

2619

01:51:16,930 --> 01:51:14,880

Your Grave it's kind of you know it's a

2620

01:51:19,090 --> 01:51:16,940

clever marketing scheme

2621

01:51:20,930 --> 01:51:19,100

uh

2622

01:51:22,129 --> 01:51:20,940

here's the thing people who are that

2623

01:51:24,229 --> 01:51:22,139

dumb just go back to them and get them

2624

01:51:26,810 --> 01:51:24,239

to sign more [h\_\_h] yeah at that point you

2625

01:51:28,790 --> 01:51:26,820

want a free TV you want this all that

2626

01:51:31,550 --> 01:51:28,800

kind of stuff so you got a nice car

2627

01:51:33,169 --> 01:51:31,560

there sign here this is mine now it's

2628

01:51:34,609 --> 01:51:33,179

gonna be somebody who overextends

2629

01:51:37,609 --> 01:51:34,619

himself and it's going to trickle down

2630

01:51:39,649 --> 01:51:37,619

to like your loved ones who are

2631

01:51:42,470 --> 01:51:39,659

basically inheriting your estate you're

2632

01:51:43,910 --> 01:51:42,480

just gonna inherit all this debt because

2633

01:51:46,310 --> 01:51:43,920

you ate you decided to have like you

2634

01:51:47,330 --> 01:51:46,320

know 57 pieces before you died see they

2635

01:51:48,890 --> 01:51:47,340

need to follow up when they're reading

2636

01:51:50,149 --> 01:51:48,900

the will and they've got the family

2637

01:51:51,290 --> 01:51:50,159

there and then they have to take out a

2638

01:51:53,990 --> 01:51:51,300

huge amount of money to pay this pizza

2639

01:51:55,250 --> 01:51:54,000

place yeah exactly

2640

01:51:56,689 --> 01:51:55,260

it's like they've got all the family

2641

01:51:57,770 --> 01:51:56,699

there wearing you know black suits and

2642

01:51:58,790 --> 01:51:57,780

their black clothes they're in mourning

2643

01:52:00,649 --> 01:51:58,800

and there's a guy in the back just a

2644

01:52:04,070 --> 01:52:00,659

pizza guy

2645

01:52:06,109 --> 01:52:04,080

he's here to collect break some legs

2646

01:52:07,910 --> 01:52:06,119

fascinating very interesting all right

2647

01:52:09,470 --> 01:52:07,920

one more headline crashes before we

2648

01:52:14,220 --> 01:52:09,480

gotta get out of here yeah right before

2649

01:52:17,810 --> 01:52:15,850

[Music]

2650

01:52:21,109 --> 01:52:17,820

his eyes

2651

01:52:26,209 --> 01:52:23,830

darmach and July

2652

01:52:29,030 --> 01:52:26,219

yes yes

2653

01:52:30,830 --> 01:52:29,040

freaking star all right um

2654

01:52:32,330 --> 01:52:30,840

man I got a bunch of stories here so do

2655

01:52:33,950 --> 01:52:32,340

you want to be or do you want to be do

2656

01:52:35,750 --> 01:52:33,960

you want a story about

2657

01:52:38,090 --> 01:52:35,760

um people now selling more [h\_\_h] from

2658

01:52:40,010 --> 01:52:38,100

random uh Taylor Swift related concerts

2659

01:52:42,169 --> 01:52:40,020

we covered that once before yeah we did

2660

01:52:44,050 --> 01:52:42,179

someone last last time someone sold

2661

01:52:46,430 --> 01:52:44,060

contacts that they wore to Taylor Swift

2662

01:52:47,810 --> 01:52:46,440

concert yeah

2663

01:52:51,169 --> 01:52:47,820

um people are now trying to sell rain

2664

01:52:53,450 --> 01:52:51,179

water from a concert interesting okay

2665

01:52:54,830 --> 01:52:53,460

um I wonder how much that goes for

2666

01:52:57,050 --> 01:52:54,840

let's see well you wanna do that story

2667

01:52:58,729 --> 01:52:57,060

and do that story but I got more okay a

2668

01:53:00,950 --> 01:52:58,739

landlord who started an apartment fire

2669

01:53:02,750 --> 01:53:00,960

while singing We Didn't Start the Fire

2670

01:53:04,570 --> 01:53:02,760

that's a that's a that's a funny

2671

01:53:07,250 --> 01:53:04,580

headline

2672

01:53:09,590 --> 01:53:07,260

Indianapolis now says it's uh they're

2673

01:53:12,229 --> 01:53:09,600

gonna lift its ban on throwing stars

2674

01:53:14,330 --> 01:53:12,239

hmm that's a good one too

2675

01:53:16,790 --> 01:53:14,340

uh let's see what else we got here

2676  
01:53:19,430 --> 01:53:16,800  
um there's a bear who ate 60 cupcakes

2677  
01:53:20,770 --> 01:53:19,440  
from a bakery look at this nightmare

2678  
01:53:23,629 --> 01:53:20,780  
headline

2679  
01:53:26,629 --> 01:53:23,639  
uh the FBI has details about a plot to

2680  
01:53:29,030 --> 01:53:26,639  
assassinate Queen Elizabeth II hmm

2681  
01:53:31,189 --> 01:53:29,040  
uh I saw you did have this one the U.S

2682  
01:53:32,570 --> 01:53:31,199  
to give away free lighthouses yeah I saw

2683  
01:53:34,850 --> 01:53:32,580  
that one yeah

2684  
01:53:36,530 --> 01:53:34,860  
uh here's an ancient toilet in Jerusalem

2685  
01:53:39,050 --> 01:53:36,540  
hmm

2686  
01:53:41,330 --> 01:53:39,060  
um let's see uh Toronto Blue Jays hiked

2687  
01:53:44,450 --> 01:53:41,340  
their season season pass or season

2688  
01:53:45,830 --> 01:53:44,460

tickets price by 800 percent and then

2689

01:53:49,669 --> 01:53:45,840

say it was just a joke

2690

01:53:51,590 --> 01:53:49,679

yeah sure uh and let's see we also have

2691

01:53:52,750 --> 01:53:51,600

a London knife crime being blamed on

2692

01:53:55,070 --> 01:53:52,760

climate change

2693

01:53:56,450 --> 01:53:55,080

perfect headline

2694

01:53:57,370 --> 01:53:56,460

so I don't know we're all over the place

2695

01:54:00,590 --> 01:53:57,380

there

2696

01:54:02,330 --> 01:54:00,600

uh I think for like a follow-up I'm very

2697

01:54:04,850 --> 01:54:02,340

curious to see what other people are

2698

01:54:06,590 --> 01:54:04,860

selling from Taylor Swift Taylor Swift's

2699

01:54:08,270 --> 01:54:06,600

concerts and see how much they're asking

2700

01:54:09,109 --> 01:54:08,280

for this stuff I think it's a great

2701  
01:54:10,669 --> 01:54:09,119  
follow

2702  
01:54:12,649 --> 01:54:10,679  
that's right we've covered this twice

2703  
01:54:14,390 --> 01:54:12,659  
already with these insane concert prices

2704  
01:54:15,950 --> 01:54:14,400  
and people selling [\h\_\_\h] from the concert

2705  
01:54:17,810 --> 01:54:15,960  
in fact yeah the last one was what it

2706  
01:54:19,790 --> 01:54:17,820  
was contact lenses

2707  
01:54:22,129 --> 01:54:19,800  
from somebody who may or may not have

2708  
01:54:24,709 --> 01:54:22,139  
actually seen a concert

2709  
01:54:28,030 --> 01:54:24,719  
yeah so uh here here it is on screen

2710  
01:54:32,590 --> 01:54:28,040  
Taylor Swift fans try selling rain water

2711  
01:54:34,970 --> 01:54:32,600  
from soggy Gillette Stadium concert

2712  
01:54:36,709 --> 01:54:34,980  
oh really

2713  
01:54:39,410 --> 01:54:36,719

and there's video of this too uh yeah

2714

01:54:41,270 --> 01:54:39,420

there's like a 19 second video I'll I'll

2715

01:54:45,350 --> 01:54:41,280

see what it is from the ticket he talks

2716

01:54:50,709 --> 01:54:47,830

it's not like brush fires

2717

01:54:53,209 --> 01:54:50,719

we have encased victims

2718

01:54:57,729 --> 01:54:53,219

I won't leave here we started this

2719

01:55:02,629 --> 01:55:00,350

I'll watch it sure you got an ad on that

2720

01:55:04,970 --> 01:55:02,639

Taylor Swift fan still feeling the glow

2721

01:55:06,410 --> 01:55:04,980

from the shows are selling rain from her

2722

01:55:07,970 --> 01:55:06,420

Saturday show at Gillette the little

2723

01:55:11,629 --> 01:55:07,980

containers of water were posted online

2724

01:55:13,729 --> 01:55:11,639

today for 250 dollars they have since

2725

01:55:15,590 --> 01:55:13,739

been taken down the pouring rainbow

2726

01:55:17,990 --> 01:55:15,600

didn't stop the fans from enjoying

2727

01:55:20,810 --> 01:55:18,000

Swift's eras Tour on Saturday night at

2728

01:55:23,090 --> 01:55:20,820

Gillette The Golden Child stories

2729

01:55:24,649 --> 01:55:23,100

because we can bring someone too so

2730

01:55:25,850 --> 01:55:24,659

there you go

2731

01:55:28,310 --> 01:55:25,860

um

2732

01:55:29,870 --> 01:55:28,320

yeah so uh fans have been attempting to

2733

01:55:33,350 --> 01:55:29,880

sell their rain water from Saturday's

2734

01:55:35,930 --> 01:55:33,360

concert for 250 per container Swift's

2735

01:55:39,229 --> 01:55:35,940

the era store made Foxborough home for

2736

01:55:42,530 --> 01:55:39,239

the three sold out shows that Drew 200

2737

01:55:44,450 --> 01:55:42,540

000 fans to the stadium holy moly

2738

01:55:47,390 --> 01:55:44,460

experts believe the torque could end up

2739

01:55:50,050 --> 01:55:47,400

setting records and may push Taylor

2740

01:55:54,890 --> 01:55:50,060

Swift's net worth to over

2741

01:55:56,990 --> 01:55:54,900

one billion dollars holy moly do you

2742

01:55:59,870 --> 01:55:57,000

think we can start to anytime they bring

2743

01:56:02,030 --> 01:55:59,880

up this this thing about like uh uh tax

2744

01:56:03,950 --> 01:56:02,040

the rich and Eat the Rich and get rid of

2745

01:56:05,450 --> 01:56:03,960

the billionaire class can we also point

2746

01:56:07,970 --> 01:56:05,460

out that that means Taylor Swift now too

2747

01:56:11,629 --> 01:56:07,980

maybe yeah hilarious I think we have to

2748

01:56:13,850 --> 01:56:11,639

but she is just like I didn't realize I

2749

01:56:15,830 --> 01:56:13,860

knew she was popular but I mean her net

2750

01:56:18,470 --> 01:56:15,840

worth over a billion dollars I mean she

2751  
01:56:21,830 --> 01:56:18,480  
is just a monster crazy I had no idea

2752  
01:56:24,649 --> 01:56:21,840  
like she was like of that status but

2753  
01:56:27,169 --> 01:56:24,659  
apparently she is so uh online retail

2754  
01:56:29,950 --> 01:56:27,179  
sites have removed rainwater cells from

2755  
01:56:32,930 --> 01:56:29,960  
their platforms why

2756  
01:56:35,450 --> 01:56:32,940  
I gotta have that rainwater now

2757  
01:56:37,430 --> 01:56:35,460  
I need it that's water that fell from

2758  
01:56:39,229 --> 01:56:37,440  
the sky and landed in a puddle on the

2759  
01:56:40,669 --> 01:56:39,239  
ground nearby where Taylor Swift was

2760  
01:56:41,170 --> 01:56:40,679  
playing this is what I want this is what

2761  
01:56:44,570 --> 01:56:41,180  
I need

2762  
01:56:50,330 --> 01:56:47,330  
can I pay for this after I'm dead yeah I

2763  
01:56:51,709 --> 01:56:50,340

I'll have the after payment after life

2764

01:56:53,090 --> 01:56:51,719

payment plan

2765

01:56:55,490 --> 01:56:53,100

before the listings were removed fans

2766

01:56:56,990 --> 01:56:55,500

captured screenshots and expressed shock

2767

01:57:01,370 --> 01:56:57,000

of what they were saying shock yeah at

2768

01:57:06,709 --> 01:57:04,250

uh wow uh I mean this is they're trying

2769

01:57:10,010 --> 01:57:06,719

to capitalize capitalize off the uh the

2770

01:57:11,629 --> 01:57:10,020

Taylor Swift craze and uh they offset

2771

01:57:12,890 --> 01:57:11,639

some of the cost of what they spent on

2772

01:57:14,689 --> 01:57:12,900

the tickets which are in the

2773

01:57:17,629 --> 01:57:14,699

neighborhoods of anywhere from five

2774

01:57:19,490 --> 01:57:17,639

hundred to twenty thousand dollars

2775

01:57:20,689 --> 01:57:19,500

so there you go

2776

01:57:22,070 --> 01:57:20,699

okay

2777

01:57:23,810 --> 01:57:22,080

yeah do you think this was some of the

2778

01:57:25,490 --> 01:57:23,820

people who had paid these exorbitant

2779

01:57:27,229 --> 01:57:25,500

prices for these tickets

2780

01:57:29,030 --> 01:57:27,239

trying to make some of that back oh

2781

01:57:31,010 --> 01:57:29,040

probably absolutely

2782

01:57:32,089 --> 01:57:31,020

if they were true fans they would they

2783

01:57:33,890 --> 01:57:32,099

would keep that rain water for

2784

01:57:35,270 --> 01:57:33,900

themselves and pass it on as an heirloom

2785

01:57:38,450 --> 01:57:35,280

to their children

2786

01:57:40,430 --> 01:57:38,460

ew that's what they do don't drink that

2787

01:57:41,810 --> 01:57:40,440

water no

2788

01:57:43,129 --> 01:57:41,820

how do you know that's actually from the

2789

01:57:44,570 --> 01:57:43,139

concert not just tap water for

2790

01:57:46,189 --> 01:57:44,580

somebody's house tough to prove you need

2791

01:57:47,330 --> 01:57:46,199

a certificate of authenticity from the

2792

01:57:51,890 --> 01:57:47,340

venue

2793

01:57:54,649 --> 01:57:51,900

to sign the certificate and vouch that

2794

01:57:56,089 --> 01:57:54,659

this water was in fact from a puddle

2795

01:57:58,129 --> 01:57:56,099

I'm not going to trust until there's a

2796

01:58:00,229 --> 01:57:58,139

kiwi pizza man and his attorney there to

2797

01:58:02,510 --> 01:58:00,239

sign yeah we need some sort of formal

2798

01:58:04,850 --> 01:58:02,520

contract there some a team of attorneys

2799

01:58:07,430 --> 01:58:04,860

on site to harvest the rain water and

2800

01:58:08,990 --> 01:58:07,440

put it in jars and sign the documents

2801  
01:58:10,490 --> 01:58:09,000  
and I think that's really the Crux of

2802  
01:58:14,270 --> 01:58:10,500  
why this was taken down there's no way

2803  
01:58:15,470 --> 01:58:14,280  
to prove the water's authenticity

2804  
01:58:17,930 --> 01:58:15,480  
oh you're saying that it's it's

2805  
01:58:19,850 --> 01:58:17,940  
potential fraud not just stupid yeah

2806  
01:58:21,350 --> 01:58:19,860  
people buy stupid stuff all the time

2807  
01:58:22,910 --> 01:58:21,360  
this is fraud

2808  
01:58:24,410 --> 01:58:22,920  
this is I mean that's that's all it

2809  
01:58:27,109 --> 01:58:24,420  
comes down to

2810  
01:58:28,790 --> 01:58:27,119  
oh really well uh says it was shared on

2811  
01:58:31,310 --> 01:58:28,800  
Instagram pulled down because of

2812  
01:58:33,109 --> 01:58:31,320  
concerns over the validity I'm reading

2813  
01:58:35,209 --> 01:58:33,119

another stories about this

2814

01:58:39,649 --> 01:58:36,950

they talk about the contact ten thousand

2815

01:58:40,910 --> 01:58:39,659

dollars so yeah

2816

01:58:42,589 --> 01:58:40,920

we also have somebody in the chat you're

2817

01:58:44,870 --> 01:58:42,599

suggesting he said I've seen tons of

2818

01:58:46,550 --> 01:58:44,880

shows presumably Taylor Swift uh it's

2819

01:58:48,470 --> 01:58:46,560

from vulgar hysterics I've seen tons of

2820

01:58:51,589 --> 01:58:48,480

shows I'll tell you about them for one

2821

01:58:54,830 --> 01:58:51,599

thousand dollars a minute yep okay you

2822

01:58:56,689 --> 01:58:54,840

set up a 1900 line uh like I want to

2823

01:58:58,310 --> 01:58:56,699

call in now yeah like calling like you

2824

01:59:00,109 --> 01:58:58,320

know Corey Hayman Corey Feldman had

2825

01:59:02,330 --> 01:59:00,119

those uh 1-800 numbers we could talk to

2826  
01:59:04,850 --> 01:59:02,340  
them well how set one up well you could

2827  
01:59:06,470 --> 01:59:04,860  
just talk about your experience people

2828  
01:59:07,490 --> 01:59:06,480  
could call in and you could and they

2829  
01:59:09,169 --> 01:59:07,500  
could listen to you talk about your

2830  
01:59:10,850 --> 01:59:09,179  
experience you monetize this don't put

2831  
01:59:13,250 --> 01:59:10,860  
this out for free I'm vulgar hysterics

2832  
01:59:15,950 --> 01:59:13,260  
call 1-800 I'll tell you all about the

2833  
01:59:18,229 --> 01:59:15,960  
newest Taylor Swift show yeah yep that's

2834  
01:59:20,689 --> 01:59:18,239  
how you do it monetize it monetize your

2835  
01:59:22,010 --> 01:59:20,699  
experiences

2836  
01:59:25,300 --> 01:59:22,020  
all right people we're getting out of

2837  
01:59:28,089 --> 01:59:25,310  
here to save powers

2838  
01:59:29,930 --> 01:59:28,099

[Music]

2839

01:59:31,070 --> 01:59:29,940

because you won't let him in the in

2840

01:59:32,629 --> 01:59:31,080

Command Center Alpha One anymore

2841

01:59:35,510 --> 01:59:32,639

[Music]

2842

01:59:37,490 --> 01:59:35,520

I've got a text from my power company

2843

01:59:41,530 --> 01:59:37,500

when we are going to the uh wait wait

2844

01:59:46,189 --> 01:59:41,540

did the text say LOL just Kidd or LOL JK

2845

01:59:49,370 --> 01:59:46,199

no he did not instead uh

2846

01:59:51,410 --> 01:59:49,380

our system shows power had been restored

2847

01:59:53,450 --> 01:59:51,420

to your your area but we never like that

2848

01:59:56,270 --> 01:59:53,460

was two hours ago but I was like well we

2849

01:59:58,010 --> 01:59:56,280

never went out of power so what's going

2850

01:59:59,629 --> 01:59:58,020

on and then it went out during the show

2851  
02:00:00,709 --> 01:59:59,639  
so something's going on with our power

2852  
02:00:02,750 --> 02:00:00,719  
company

2853  
02:00:03,950 --> 02:00:02,760  
is does this guy who I have to give up

2854  
02:00:05,089 --> 02:00:03,960  
right now does this guy work at your

2855  
02:00:07,970 --> 02:00:05,099  
power company

2856  
02:00:10,490 --> 02:00:07,980  
oh uh is that Teddy

2857  
02:00:12,530 --> 02:00:10,500  
no that's Jimmy there's Johnny

2858  
02:00:14,390 --> 02:00:12,540  
Johnny from airplane Johnny from

2859  
02:00:16,490 --> 02:00:14,400  
airplane yeah I wouldn't die

2860  
02:00:17,930 --> 02:00:16,500  
usually uh I mean we're out here in the

2861  
02:00:20,030 --> 02:00:17,940  
boonies a little bit it takes him a

2862  
02:00:22,669 --> 02:00:20,040  
while to come out here and uh take care

2863  
02:00:24,530 --> 02:00:22,679

of us well I gotta I gotta get my boots

2864

02:00:26,270 --> 02:00:24,540

on gotta drive all the way out that's

2865

02:00:29,510 --> 02:00:26,280

good it's gonna take me all day there's

2866

02:00:31,490 --> 02:00:29,520

a lot of trees around here so I don't

2867

02:00:32,990 --> 02:00:31,500

know gonna be some chainsaw work we're

2868

02:00:35,450 --> 02:00:33,000

gonna have to do

2869

02:00:37,310 --> 02:00:35,460

it's gonna take a while

2870

02:00:38,450 --> 02:00:37,320

too bad Herman's not still in the woods

2871

02:00:42,350 --> 02:00:38,460

they're protecting your place again

2872

02:00:43,910 --> 02:00:42,360

Chase off the uh the power company

2873

02:00:47,209 --> 02:00:43,920

well thank you everyone for hanging out

2874

02:00:50,149 --> 02:00:47,219

during the show and uh helping us get

2875

02:00:53,209 --> 02:00:50,159

through this this episode and we'll be

2876  
02:00:56,149 --> 02:00:53,219  
back on Wednesday I believe and we will

2877  
02:00:58,790 --> 02:00:56,159  
uh we'll try to make that happen

2878  
02:01:02,109 --> 02:00:58,800  
we're gonna try

2879  
02:01:07,729 --> 02:01:04,689  
sound right there yeah

2880  
02:01:09,530 --> 02:01:07,739  
there it is what if you ran do you have

2881  
02:01:10,870 --> 02:01:09,540  
them laid out so you can run all the uh

2882  
02:01:13,420 --> 02:01:10,880  
Jonathan Frakes

2883  
02:01:27,550 --> 02:01:13,430  
uh not at one time I'd have to

2884  
02:01:32,390 --> 02:01:29,930  
yeah read about it

2885  
02:01:35,810 --> 02:01:32,400

last PC that we will ever need

2891

02:01:51,830 --> 02:01:50,400
