I'm celebrating Pride months it's my

12
00:01:22,370 --> 00:01:18,540

13
00:01:24,490 --> 00:01:22,380

and uh clown baby is joining us today

14

00:01:29,390 --> 00:01:24,500

[Applause]

15

00:01:31,130 --> 00:01:29,400

action from Illinois yeah she's uh how

16

00:01:33,170 --> 00:01:31,140

about a little clown action huh there we

17

00:01:35,510 --> 00:01:33,180

go

18

00:01:38,149 --> 00:01:35,520

look clown action

19

00:01:41,090 --> 00:01:38,159

uh Joe the big gay baby is uh not here

20

00:01:43,550 --> 00:01:41,100

today A big gay baby

21

00:01:47,749 --> 00:01:43,560

still on a leave of absence

22

00:01:50,630 --> 00:01:47,759

on a fact-finding mission uh we presume

23

00:01:51,830 --> 00:01:50,640

and well he sent me his pride month hat

24

00:01:54,410 --> 00:01:51,840

so I'll wear that in his honor yeah

25

00:02:01,910 --> 00:01:54,420

you're wearing a little tiny a little

26

00:02:05,209 --> 00:02:03,950

but Joe did he did send in this

27

00:02:06,830 --> 00:02:05,219

statement right here if you could

28

00:02:08,510 --> 00:02:06,840

believe it Joe didson he took the time

29

00:02:10,609 --> 00:02:08,520

to send in this statement if you can

30

00:02:13,010 --> 00:02:10,619

imagine everyone is entitled to be

31

00:02:14,690 --> 00:02:13,020

treated with dignity and equality no

32

00:02:15,890 --> 00:02:14,700

matter whom they love or how they

33

00:02:17,809 --> 00:02:15,900

identify

34

00:02:20,990 --> 00:02:17,819

on the International Day against

35

00:02:22,970 --> 00:02:21,000

homophobia biphobia and transphobia we

36

00:02:25,550 --> 00:02:22,980

reaffirm our commitment to this ongoing

37

00:02:28,550 --> 00:02:25,560

work and stand with lesbian gay bisexual

38

00:02:30,229 --> 00:02:28,560

transgender queer and intersex lgbtqi

39

00:02:32,229 --> 00:02:30,239

plus people around the world

40

00:02:37,610 --> 00:02:32,239

energy

41

00:02:40,369 --> 00:02:37,620

geez is that Joe Biden that was uh a a

42

00:02:41,809 --> 00:02:40,379

segment of Joe Biden with our Joe

43

00:02:45,350 --> 00:02:41,819

reading it

44

00:02:47,750 --> 00:02:45,360

and uh I just like the way that he used

45

00:02:49,850 --> 00:02:47,760

the LGBT like he like

46

00:02:51,710 --> 00:02:49,860

blew through that so

47

00:02:54,110 --> 00:02:51,720

I didn't realize there was any uh

48

00:02:55,309 --> 00:02:54,120

biphobia that's a new one for me I

49

00:02:57,710 --> 00:02:55,319

didn't I didn't realize people were

50

00:03:00,650 --> 00:02:57,720

biphobic what about all the trifobes out

51
00:03:03,290 --> 00:03:00,660
there can you just be that and nothing

52
00:03:04,610 --> 00:03:03,300
else though I'm only biphobic you're

53
00:03:06,009 --> 00:03:04,620
accepting of everything else except for

54
00:03:09,170 --> 00:03:06,019
that yeah

55
00:03:11,149 --> 00:03:09,180
I like everything I just buy I'm

56
00:03:14,210 --> 00:03:11,159
biphobic yeah it's a that's the only

57
00:03:17,990 --> 00:03:14,220
thing that gets me down

58
00:03:19,850 --> 00:03:18,000
um yeah so uh that's going on it is

59
00:03:21,470 --> 00:03:19,860
pride month that's why uh kretchen's

60
00:03:22,550 --> 00:03:21,480
over there celebrating with this tiny

61
00:03:24,589 --> 00:03:22,560
hat

62
00:03:27,649 --> 00:03:24,599
uh it is probably one of one of the

63
00:03:30,350 --> 00:03:27,659

smallest hats I've ever seen on a grown

64

00:03:33,949 --> 00:03:32,570

is it comfortable to wear a hat that

65

00:03:36,470 --> 00:03:33,959

small

66

00:03:38,809 --> 00:03:36,480

uh it I have to try it out in the rain

67

00:03:41,270 --> 00:03:38,819

see how well it holds up hey you're not

68

00:03:46,009 --> 00:03:41,280

getting much coverage that hat

69

00:03:47,930 --> 00:03:46,019

is probably only three four inches big

70

00:03:50,210 --> 00:03:47,940

am I correcting that

71

00:03:52,190 --> 00:03:50,220

uh it is a very small hat it's the

72

00:03:54,110 --> 00:03:52,200

biggest mic I've ever seen it's not the

73

00:03:56,869 --> 00:03:54,120

biggest mic it's the smallest hat you've

74

00:03:58,369 --> 00:03:56,879

ever seen it is well it's ones for those

75

00:04:02,570 --> 00:03:58,379

just listening to the audio version is

76

00:04:05,390 --> 00:04:02,580

one step up from a um like a Barbie doll

77

00:04:07,009 --> 00:04:05,400

sized cowboy hat but it is a

78

00:04:08,990 --> 00:04:07,019

slightly larger

79

00:04:11,690 --> 00:04:09,000

cowboy hat let's go ahead and name your

80

00:04:14,509 --> 00:04:11,700

hat big Sam Big John big Luther where's

81

00:04:16,969 --> 00:04:14,519

Big Jimmy's around here someplace how

82

00:04:19,430 --> 00:04:16,979

about little Luther uh little Luther the

83

00:04:19,930 --> 00:04:19,440

Hat okay little Luther of the the cowboy

84

00:04:22,270 --> 00:04:19,940

hat

85

00:04:26,210 --> 00:04:22,280

[Applause]

86

00:04:29,030 --> 00:04:26,220

since we're talking about uh Joe Biden

87

00:04:32,990 --> 00:04:29,040

in a weird way because he did he did

88

00:04:35,930 --> 00:04:33,000

come out and say that uh it is uh pride

89
00:04:39,310 --> 00:04:35,940
month and he's given various speeches on

90
00:04:43,909 --> 00:04:39,320
on pride and the LGBT

91
00:04:46,430 --> 00:04:43,919
q i plus plus Community Coach

92
00:04:49,010 --> 00:04:46,440
I'm gay you said that

93
00:04:50,990 --> 00:04:49,020
I'm transgender he's had many of

94
00:04:53,210 --> 00:04:51,000
incredible statements over the years but

95
00:04:55,249 --> 00:04:53,220
uh those just just made recently at the

96
00:04:58,070 --> 00:04:55,259
uh graduation speech at the Air Force

97
00:04:59,810 --> 00:04:58,080
Academy he said that I I think so uh he

98
00:05:04,490 --> 00:04:59,820
and he there's a recent video of Joe

99
00:05:08,170 --> 00:05:04,500
Biden uh taking a a bit of a stumble

100
00:05:10,490 --> 00:05:08,180
which is dramatic footage that has been

101
00:05:13,249 --> 00:05:10,500
sweeping the internet I'll bring this up

102
00:05:15,770 --> 00:05:13,259
on screen here so we can all take a take

103
00:05:17,210 --> 00:05:15,780
a look at this and I'll play the uh the

104
00:05:20,030 --> 00:05:17,220
Audio I mean there's really not much

105
00:05:22,850 --> 00:05:20,040
audio he uh like you said graduate he

106
00:05:24,490 --> 00:05:22,860
was at the uh the air force uh Academy

107
00:05:27,890 --> 00:05:24,500
graduation

108
00:05:31,010 --> 00:05:27,900
and he's walking away from the podium

109
00:05:35,330 --> 00:05:31,020
let me bring up the audio here

110
00:05:37,550 --> 00:05:35,340
and he just uh he he's just takes a

111
00:05:39,710 --> 00:05:37,560
horrible spill on the ground the

112
00:05:42,850 --> 00:05:39,720
technical term is he biffed it he biffed

113
00:05:42,860 --> 00:05:48,409

[Applause]

114

00:05:55,189 --> 00:05:51,529

knock it up get on your feet

115

00:05:57,590 --> 00:05:55,199

he uh he did get up on his feet

116

00:05:59,029 --> 00:05:57,600

he did you notice that under his breath

117

00:06:01,490 --> 00:05:59,039

he points back and in his breath you can

118

00:06:04,790 --> 00:06:01,500

hear him say arrest that man

119

00:06:07,370 --> 00:06:04,800

like but why did he fall over

120

00:06:10,909 --> 00:06:07,380

like what

121

00:06:12,230 --> 00:06:10,919

what was the Catalyst for him to fall

122

00:06:14,210 --> 00:06:12,240

over like he's pointing at something on

123

00:06:17,930 --> 00:06:14,220

the ground did he fall over a like a

124

00:06:20,029 --> 00:06:17,940

cord a Skittle uh something who knows

125

00:06:22,070 --> 00:06:20,039

it's brilliant so I have I have the meme

126

00:06:23,150 --> 00:06:22,080

up floating around um if you if you

127

00:06:24,890 --> 00:06:23,160

catch it at the beginning you can see

128

00:06:28,370 --> 00:06:24,900

that the left side is just getting up he

129

00:06:30,170 --> 00:06:28,380

was defeated by a uh sandbag which was

130

00:06:32,870 --> 00:06:30,180

weighing down one leg of his

131

00:06:34,909 --> 00:06:32,880

teleprompter all right so the meme now

132

00:06:37,550 --> 00:06:34,919

is the sandbag has defeated the

133

00:06:40,490 --> 00:06:37,560

president I mean to his credit he did

134

00:06:43,490 --> 00:06:40,500

get up right away oh [\h__\h] no no no look

135

00:06:45,710 --> 00:06:43,500

again to his credit four people dragged

136

00:06:49,249 --> 00:06:45,720

him off the ground what because he was

137

00:06:50,930 --> 00:06:49,259

taking a nap okay he got tired he had to

138

00:06:53,330 --> 00:06:50,940

take a quick worn out after that long

139

00:06:55,430 --> 00:06:53,340

speech he had to take a quick nap he's

140

00:06:57,710 --> 00:06:55,440

like hey everyone I'm pretty tired

141

00:07:00,469 --> 00:06:57,720

I'm just gonna lay down right here

142

00:07:02,270 --> 00:07:00,479

take a quick nap Ryan took a power nap

143

00:07:03,969 --> 00:07:02,280

and then he's up

144

00:07:06,529 --> 00:07:03,979

all right

145

00:07:09,350 --> 00:07:06,539

he's projecting strength so that's going

146

00:07:12,170 --> 00:07:09,360

around and that's how Joe Biden is

147

00:07:13,430 --> 00:07:12,180

celebrating pride month is by uh falling

148

00:07:14,749 --> 00:07:13,440

down on the ground by going down on

149

00:07:16,969 --> 00:07:14,759

everything

150

00:07:18,950 --> 00:07:16,979

yes well he um

151

00:07:20,930 --> 00:07:18,960

he hit his head on was that Marine one

152

00:07:24,290 --> 00:07:20,940

coming back he jumped going out the door

153

00:07:25,850 --> 00:07:24,300

oh he did like so on the same trip I

154

00:07:27,409 --> 00:07:25,860

think so and when he was Landing back at

155

00:07:29,150 --> 00:07:27,419

the White House he ended up like

156

00:07:33,589 --> 00:07:29,160

knocking his head a little bit

157

00:07:36,490 --> 00:07:33,599

this guy just needs to wake up yeah this

158

00:07:39,710 --> 00:07:36,500

guy just needs to wake up

159

00:07:40,610 --> 00:07:39,720

and uh get like what is going on over

160

00:07:42,409 --> 00:07:40,620

there

161

00:07:44,930 --> 00:07:42,419

like he can't this can't last too much

162

00:07:47,330 --> 00:07:44,940

longer this guy is uh

163

00:07:48,770 --> 00:07:47,340

uh he's just out of his gourd he's

164

00:07:50,990 --> 00:07:48,780

boosted out of his mind he doesn't know

165

00:07:53,510 --> 00:07:51,000

what's going on

166

00:07:55,909 --> 00:07:53,520

well I'm gonna modify one so scholar

167

00:07:57,710 --> 00:07:55,919

bill in the in the twitch chat I'm gonna

168

00:07:59,270 --> 00:07:57,720

riff off of his gag and I'm gonna say

169

00:08:01,280 --> 00:07:59,280

that uh Joe Biden dropped faster than

170

00:08:04,550 --> 00:08:01,290

Tower seven

171

00:08:06,409 --> 00:08:04,560

[Applause]

172

00:08:08,689 --> 00:08:06,419

this is a controlled demolition I guess

173

00:08:11,089 --> 00:08:08,699

of Joe Biden right here

174

00:08:13,249 --> 00:08:11,099

you need the voice over silver scene in

175

00:08:15,230 --> 00:08:13,259

the background saying pull it

176

00:08:17,089 --> 00:08:15,240

I don't think they have that audio

177

00:08:18,469 --> 00:08:17,099

I mean they have the uh the interview

178

00:08:22,129 --> 00:08:18,479

with him when he said it but not the

179

00:08:23,510 --> 00:08:22,139

actual audio well yeah it's audio the um

180

00:08:24,650 --> 00:08:23,520

the fire chief he's talking about the

181

00:08:26,210 --> 00:08:24,660

fire chief I don't know exactly but

182

00:08:28,850 --> 00:08:26,220

anyways but there's there's our

183

00:08:31,249 --> 00:08:28,860

president in Chief uh stumbling he's a

184

00:08:33,290 --> 00:08:31,259

he's uh God bless him he's okay

185

00:08:35,089 --> 00:08:33,300

and he certainly knows how to generation

186

00:08:37,790 --> 00:08:35,099

press though he probably did this all

187

00:08:39,589 --> 00:08:37,800

for uh sympathy you know

188

00:08:41,870 --> 00:08:39,599

for the views he took it he took a

189

00:08:43,029 --> 00:08:41,880

tumble on his own to for for sympathy

190

00:08:46,250 --> 00:08:43,039

it's kind of like

191

00:08:48,590 --> 00:08:46,260

uh Munchausen syndrome with a like a

192

00:08:50,570 --> 00:08:48,600

mother and a kid where they like they

193

00:08:54,110 --> 00:08:50,580

try to hurt their kids so that they get

194

00:08:59,509 --> 00:08:55,670

oh for attention

195

00:09:01,430 --> 00:08:59,519

he's a narcissist that's what he's doing

196

00:09:04,250 --> 00:09:01,440

all right do you think do you so I guess

197

00:09:05,930 --> 00:09:04,260

if he did bump his head in coming out of

198

00:09:08,030 --> 00:09:05,940

marine one was that him or was that one

199

00:09:11,030 --> 00:09:08,040

of the other body doubles um

200

00:09:12,650 --> 00:09:11,040

probably the the taller body double I'm

201
00:09:15,410 --> 00:09:12,660
imagining

202
00:09:18,230 --> 00:09:15,420
Derek you have to duck what

203
00:09:19,670 --> 00:09:18,240
jeez I wonder what the Secret Service I

204
00:09:21,829 --> 00:09:19,680
really thinking about what's going on

205
00:09:24,530 --> 00:09:21,839
here like you look at him the Secret

206
00:09:26,870 --> 00:09:24,540
Service where they there's a couple

207
00:09:30,170 --> 00:09:26,880
people I'm looking at the video that one

208
00:09:32,810 --> 00:09:30,180
guy from the Air Force could have

209
00:09:35,269 --> 00:09:32,820
help by not fall I'm looking at it right

210
00:09:38,509 --> 00:09:35,279
now he chose

211
00:09:40,009 --> 00:09:38,519
to let Biden fall on the ground look

212
00:09:42,290 --> 00:09:40,019
look at this so he turns around and then

213
00:09:44,030 --> 00:09:42,300

this other Air Force guy walks over and

214

00:09:46,610 --> 00:09:44,040

just like he could have stopped biting

215

00:09:48,170 --> 00:09:46,620

he did not he did not stop Biden from

216

00:09:50,389 --> 00:09:48,180

falling

217

00:09:52,610 --> 00:09:50,399

uh by the way I did find video of the

218

00:09:54,350 --> 00:09:52,620

Marine one exit Clowney was 100 correct

219

00:09:56,509 --> 00:09:54,360

it was the same day and we have video of

220

00:09:57,829 --> 00:09:56,519

him thumping his head okay let's take a

221

00:09:59,750 --> 00:09:57,839

look at this I'm very concerned about

222

00:10:02,630 --> 00:09:59,760

Joe Biden at this point

223

00:10:05,449 --> 00:10:02,640

uh watched uh Biden hit his head while

224

00:10:06,350 --> 00:10:05,459

exiting Marine won I just I have to see

225

00:10:11,150 --> 00:10:06,360

this

226

00:10:12,829 --> 00:10:11,160

um it's just a little bit of a bump hold

227

00:10:16,690 --> 00:10:12,839

on we gotta watch this uh country

228

00:10:21,170 --> 00:10:16,700

Crocker uh ad first

229

00:10:22,730 --> 00:10:21,180

yeah I had to watch a country do they

230

00:10:24,889 --> 00:10:22,740

interrupt the video they interrupted me

231

00:10:26,889 --> 00:10:24,899

watching Joe Biden bump his head for a

232

00:10:28,970 --> 00:10:26,899

country Croc

233

00:10:30,769 --> 00:10:28,980

he just bumped his head a little bit

234

00:10:32,930 --> 00:10:30,779

yeah but then he rubs and says he's

235

00:10:35,509 --> 00:10:32,940

walking across the lawn does he let's

236

00:10:37,430 --> 00:10:35,519

see that yeah let me see his rub his

237

00:10:38,100 --> 00:10:37,440

head I think he's doing that for good

238

00:10:39,670 --> 00:10:38,110

luck

239

00:10:41,570 --> 00:10:39,680

[Music]

240

00:10:42,710 --> 00:10:41,580

he's checking to make sure it's you

241

00:10:45,050 --> 00:10:42,720

don't rub your own head for good luck

242

00:10:46,430 --> 00:10:45,060

everyone does that I rubbed Joe Budden's

243

00:10:48,710 --> 00:10:46,440

head for good luck

244

00:10:50,750 --> 00:10:48,720

uh I don't know is this the body double

245

00:10:53,870 --> 00:10:50,760

or the Android

246

00:10:55,910 --> 00:10:53,880

it's tough he's like he's marching like

247

00:10:58,069 --> 00:10:55,920

he's on a mission he's like soup's ready

248

00:11:02,930 --> 00:10:58,079

I'm going home

249

00:11:07,850 --> 00:11:05,150

he's yelling at the crowd

250

00:11:10,250 --> 00:11:07,860

he's he's he's doing a bunch of shtick

251
00:11:13,910 --> 00:11:10,260
walking past and

252
00:11:15,110 --> 00:11:13,920
yelling at the the reporters name me a

253
00:11:18,290 --> 00:11:15,120
world later

254
00:11:20,990 --> 00:11:18,300
he's taking some polls name me one

255
00:11:26,269 --> 00:11:23,870
all right crossword puzzle I left Joe

256
00:11:28,069 --> 00:11:26,279
Biden BS we're gonna move on we're gonna

257
00:11:30,829 --> 00:11:28,079
talk about some alien abductions we're

258
00:11:34,790 --> 00:11:30,839
gonna talk about some uh Missing 411

259
00:11:45,470 --> 00:11:34,800
we're gonna pontificate and to see where

260
00:11:50,810 --> 00:11:47,630
so for whatever reason

261
00:11:54,110 --> 00:11:50,820
in the news uh there have been a lot

262
00:11:56,210 --> 00:11:54,120
more news stories about uh uh Catal

263
00:11:58,430 --> 00:11:56,220

mutilation as of late even the last

264

00:12:01,250 --> 00:11:58,440

podcast we did we did a story about the

265

00:12:04,009 --> 00:12:01,260

cattle or sheep mutilation in the UK

266

00:12:05,750 --> 00:12:04,019

before a couple weeks before that uh

267

00:12:08,030 --> 00:12:05,760

cattle mutilation reports out of Texas

268

00:12:09,530 --> 00:12:08,040

uh before that there was a few months

269

00:12:12,710 --> 00:12:09,540

where there are additional catalation

270

00:12:15,769 --> 00:12:12,720

reports uh on the the West Coast there

271

00:12:19,610 --> 00:12:15,779

also have been in the news

272

00:12:22,130 --> 00:12:19,620

um not necessarily uh new uh events but

273

00:12:25,130 --> 00:12:22,140

there have been like more stories or

274

00:12:27,170 --> 00:12:25,140

blogs or more interest in alien

275

00:12:30,170 --> 00:12:27,180

abductions so whatever like at least in

276

00:12:32,750 --> 00:12:30,180

my world the the news that I read I have

277

00:12:35,090 --> 00:12:32,760

seen in uptick in this kind of stuff

278

00:12:39,230 --> 00:12:35,100

maybe it's all related to the fact that

279

00:12:41,150 --> 00:12:39,240

uh the government NASA DOD Air Force are

280

00:12:43,550 --> 00:12:41,160

a lot more open in talking about UFOs

281

00:12:45,530 --> 00:12:43,560

and UAP and that the scientific the

282

00:12:47,990 --> 00:12:45,540

mainstream scientific community

283

00:12:50,329 --> 00:12:48,000

are more willing to indulge in these

284

00:12:52,389 --> 00:12:50,339

talks now and these topics always

285

00:12:55,910 --> 00:12:52,399

generate a good number of hits online

286

00:12:58,190 --> 00:12:55,920

that all could be a factor uh we really

287

00:12:59,750 --> 00:12:58,200

don't know all I'm stating is I'm seeing

288

00:13:02,030 --> 00:12:59,760

more of this stuff so I'll start off

289

00:13:04,310 --> 00:13:02,040

with uh this story right here bring it

290

00:13:07,970 --> 00:13:04,320

up on screen

291

00:13:10,550 --> 00:13:07,980

and uh this is uh titled uh mystery

292

00:13:13,670 --> 00:13:10,560

Revisited the Abduction of policeman

293

00:13:17,150 --> 00:13:13,680

Alan Godfrey

294

00:13:18,590 --> 00:13:17,160

and so here's a story from 1980 so an

295

00:13:20,750 --> 00:13:18,600

encounter with an alleged

296

00:13:23,269 --> 00:13:20,760

extraterrestrial visitor Drew extensive

297

00:13:27,050 --> 00:13:23,279

media attention in England back in 1980.

298

00:13:30,530 --> 00:13:27,060

the innocent took place on November 28th

299

00:13:32,810 --> 00:13:30,540

along the Bernal Road in the town of

300

00:13:34,610 --> 00:13:32,820

Todd Morton where Godfrey had been

301
00:13:37,370 --> 00:13:34,620
investigating reports of missing animals

302
00:13:41,210 --> 00:13:37,380
in the early hours of the morning so

303
00:13:43,490 --> 00:13:41,220
again UK missing animals possibly

304
00:13:46,129 --> 00:13:43,500
induction here

305
00:13:48,290 --> 00:13:46,139
um just as just as he was about to give

306
00:13:50,329 --> 00:13:48,300
up for the night he witnessed what he

307
00:13:51,710 --> 00:13:50,339
initially believed to be a bus heading

308
00:13:53,810 --> 00:13:51,720
towards him on the other side of the

309
00:13:55,490 --> 00:13:53,820
road when it got closer however he

310
00:13:57,889 --> 00:13:55,500
realized there was actually something

311
00:14:01,970 --> 00:13:57,899
far more unusual an object that he later

312
00:14:04,129 --> 00:14:01,980
described as a large mass that's not

313
00:14:05,690 --> 00:14:04,139

much more of a description

314

00:14:08,389 --> 00:14:05,700

you're just saying it was something big

315

00:14:11,449 --> 00:14:08,399

possibly as big as a bus

316

00:14:13,610 --> 00:14:11,459

uh quote it was Fuzzy oh it was it was a

317

00:14:16,970 --> 00:14:13,620

fuzzy oval that rotated at such a speed

318

00:14:20,389 --> 00:14:16,980

and hovered so low over the road it was

319

00:14:23,810 --> 00:14:20,399

causing the bushes by the side to shake

320

00:14:26,150 --> 00:14:23,820

he said his next recollection was of

321

00:14:28,610 --> 00:14:26,160

driving along further up the same road

322

00:14:30,290 --> 00:14:28,620

but with a mysterious object nowhere in

323

00:14:31,910 --> 00:14:30,300

sight confused he returned to the spot

324

00:14:34,670 --> 00:14:31,920

where he had encountered the phenomenon

325

00:14:38,690 --> 00:14:34,680

and discovered a circular patch on the

326

00:14:40,610 --> 00:14:38,700

road that uh let me see uh what's going

327

00:14:42,769 --> 00:14:40,620

on back there am I hearing weird noises

328

00:14:45,230 --> 00:14:42,779

back there

329

00:14:47,210 --> 00:14:45,240

some people were saying this dream

330

00:14:48,650 --> 00:14:47,220

quality was bad but I just had to turn

331

00:14:49,550 --> 00:14:48,660

it up on Twitch and it sounds absolutely

332

00:14:50,870 --> 00:14:49,560

fine so I don't know what they're

333

00:14:53,090 --> 00:14:50,880

talking about that's great the stream

334

00:14:54,170 --> 00:14:53,100

quality is is same as it's always been

335

00:14:56,269 --> 00:14:54,180

so

336

00:14:58,310 --> 00:14:56,279

yeah

337

00:15:00,889 --> 00:14:58,320

um so his next recollection was driving

338

00:15:03,410 --> 00:15:00,899

further along uh of the same road where

339

00:15:05,810 --> 00:15:03,420

the mysterious object uh but was the

340

00:15:07,430 --> 00:15:05,820

mysterious object knows was nowhere in

341

00:15:08,750 --> 00:15:07,440

sight uh confused to return to the spot

342

00:15:11,750 --> 00:15:08,760

where he encountered phenomenon we

343

00:15:15,290 --> 00:15:11,760

discovered a circular patch uh on the

344

00:15:16,490 --> 00:15:15,300

road where uh it had been dried there

345

00:15:19,009 --> 00:15:16,500

had been circular patch where on the

346

00:15:21,050 --> 00:15:19,019

road had been dried in a swirl pattern

347

00:15:23,509 --> 00:15:21,060

he also noted that his boots were

348

00:15:25,970 --> 00:15:23,519

scuffed as though he had been dragged

349

00:15:27,410 --> 00:15:25,980

along the ground and when he returned to

350

00:15:29,389 --> 00:15:27,420

the station he realized that he had

351
00:15:33,650 --> 00:15:29,399
somehow lost around 15 minutes of time

352
00:15:34,730 --> 00:15:33,660
uh he uh he later returned uh he later

353
00:15:37,310 --> 00:15:34,740
learned that the police officer in

354
00:15:40,370 --> 00:15:37,320
Halifax also reported witnessing a

355
00:15:41,990 --> 00:15:40,380
brilliant blue white glow in the sky on

356
00:15:44,389 --> 00:15:42,000
the same night while a brilliant white

357
00:15:46,790 --> 00:15:44,399
object was reported by a lorry driver

358
00:15:48,290 --> 00:15:46,800
around three miles from the location of

359
00:15:50,810 --> 00:15:48,300
his sighting

360
00:15:54,110 --> 00:15:50,820
so um I looked into this a little bit

361
00:15:57,009 --> 00:15:54,120
more so this guy Godfrey he did go into

362
00:16:01,310 --> 00:15:57,019
uh hypnotic regression

363
00:16:05,269 --> 00:16:01,320

and so in all my books I I found the

364

00:16:07,129 --> 00:16:05,279

story so Godfrey the police officer he

365

00:16:10,129 --> 00:16:07,139

went through hypnotic regression he was

366

00:16:13,009 --> 00:16:10,139

trying to retrieve some memories what

367

00:16:16,310 --> 00:16:13,019

happened to him during that missing time

368

00:16:17,750 --> 00:16:16,320

and so this is what uh this is what he

369

00:16:21,949 --> 00:16:17,760

experienced and this his story doesn't

370

00:16:24,530 --> 00:16:21,959

really cut it covers a little bit of it

371

00:16:26,870 --> 00:16:24,540

um but the the story is just a little

372

00:16:29,629 --> 00:16:26,880

bit more detailed so as

373

00:16:32,030 --> 00:16:29,639

he is getting abducted this is what he

374

00:16:35,269 --> 00:16:32,040

remembers he remembers himself floating

375

00:16:38,990 --> 00:16:35,279

into the craft meeting a human-like

376

00:16:41,090 --> 00:16:39,000

entity named Joseph this Joseph guy was

377

00:16:43,370 --> 00:16:41,100

about six feet tall said he was friendly

378

00:16:46,670 --> 00:16:43,380

had a thin nose and a beard and a

379

00:16:48,590 --> 00:16:46,680

mustache he wore a skull cap and was

380

00:16:50,389 --> 00:16:48,600

wearing a robe making him look like

381

00:16:53,090 --> 00:16:50,399

something uh like a prophet something

382

00:16:55,730 --> 00:16:53,100

out of the Bible you know or maybe a

383

00:16:59,030 --> 00:16:55,740

Jedi you know something like that oh

384

00:17:03,110 --> 00:16:59,040

Jedi Joseph yeah something like that

385

00:17:05,929 --> 00:17:03,120

um he's also said that a large black dog

386

00:17:09,289 --> 00:17:05,939

accompanied this uh this guy in the

387

00:17:12,650 --> 00:17:09,299

craft uh this guy Joseph took the cop uh

388

00:17:15,530 --> 00:17:12,660

Godfrey to a room that contained eight

389

00:17:17,689 --> 00:17:15,540

robots each of them were about three

390

00:17:21,289 --> 00:17:17,699

three and a half feet tall making sort

391

00:17:23,750 --> 00:17:21,299

of murmuring chatter uh when they uh

392

00:17:25,630 --> 00:17:23,760

when they got close to Godfrey beeping

393

00:17:29,210 --> 00:17:25,640

sounds started to

394

00:17:32,810 --> 00:17:29,220

emit from these robots maybe the kind of

395

00:17:35,510 --> 00:17:32,820

the way that R2D2 kind of gets excited

396

00:17:36,950 --> 00:17:35,520

when people are around uh then this guy

397

00:17:38,510 --> 00:17:36,960

just watching Star Wars because so far

398

00:17:41,570 --> 00:17:38,520

you've got Jedis and droids I know well

399

00:17:44,330 --> 00:17:41,580

this is 1980 here okay and this is 1980.

400

00:17:47,510 --> 00:17:44,340

did he like fall asleep well well Star

401
00:17:48,650 --> 00:17:47,520
Wars was on TV and that's what happened

402
00:17:52,070 --> 00:17:48,660
um

403
00:17:54,710 --> 00:17:52,080
so Godfrey was then led to the room by

404
00:17:56,770 --> 00:17:54,720
this this Joseph entity who was

405
00:18:00,529 --> 00:17:56,780
basically uh occupying or or or

406
00:18:02,270 --> 00:18:00,539
operating the the UFO uh then at that

407
00:18:03,409 --> 00:18:02,280
point in time they put the Godfrey on

408
00:18:08,870 --> 00:18:03,419
the bed

409
00:18:11,150 --> 00:18:08,880
where they had a a beam of light uh

410
00:18:12,350 --> 00:18:11,160
shine upon him and at that point in time

411
00:18:15,830 --> 00:18:12,360
they were able to communicate

412
00:18:17,210 --> 00:18:15,840
telepathically with each other and at

413
00:18:20,450 --> 00:18:17,220

that point in time that's where

414

00:18:23,750 --> 00:18:20,460

Godfrey's memory just kind of uh shut

415

00:18:26,029 --> 00:18:23,760

off or uh what he stated during

416

00:18:27,650 --> 00:18:26,039

investigations uh when people were

417

00:18:30,049 --> 00:18:27,660

trying to do hypnotic regression he was

418

00:18:33,049 --> 00:18:30,059

able to recall stuff according to

419

00:18:36,289 --> 00:18:33,059

Godfrey but he refuses to go into any

420

00:18:39,770 --> 00:18:36,299

additional detail about the telepathic

421

00:18:43,789 --> 00:18:39,780

communication between this this Joseph

422

00:18:45,970 --> 00:18:43,799

Jedi guy and himself uh he had this

423

00:18:48,470 --> 00:18:45,980

abduction experience it was

424

00:18:50,570 --> 00:18:48,480

mind-altering he went through all this

425

00:18:52,370 --> 00:18:50,580

extra effort to retrieve these memories

426
00:18:53,870 --> 00:18:52,380
but he's deciding not to tell the

427
00:18:56,450 --> 00:18:53,880
investigators about what the

428
00:18:58,549 --> 00:18:56,460
communication was between himself and

429
00:19:01,270 --> 00:18:58,559
his entity

430
00:19:03,950 --> 00:19:01,280
um a bit of a mystery out of uh

431
00:19:07,370 --> 00:19:03,960
1980 right there but this popped up on

432
00:19:14,330 --> 00:19:10,250
and like so congratulations like well

433
00:19:17,450 --> 00:19:14,340
this this reminds me of like what what

434
00:19:20,090 --> 00:19:17,460
if this guy was just uh

435
00:19:23,750 --> 00:19:20,100
consuming media at the time

436
00:19:26,330 --> 00:19:23,760
and something provoked him to to have

437
00:19:28,549 --> 00:19:26,340
this experience and I've been I've been

438
00:19:29,630 --> 00:19:28,559

reading through this book and I'm not

439

00:19:33,710 --> 00:19:29,640

going to be able to talk about it right

440

00:19:36,590 --> 00:19:33,720

now but this book is called uh my labs

441

00:19:40,549 --> 00:19:36,600

and this is about uh military abduction

442

00:19:43,730 --> 00:19:40,559

so uh this goes into

443

00:19:49,250 --> 00:19:43,740

the UFO Abduction phenomenon

444

00:19:51,650 --> 00:19:49,260

and how that the the military possibly

445

00:19:56,090 --> 00:19:51,660

is either

446

00:19:59,450 --> 00:19:56,100

emulating genuine alien abductions or

447

00:20:01,850 --> 00:19:59,460

they are the reason for the alien

448

00:20:04,430 --> 00:20:01,860

abductions and through a process of

449

00:20:07,430 --> 00:20:04,440

using some pretty high-tech stuff using

450

00:20:10,610 --> 00:20:07,440

Technologies learn through like MK Ultra

451

00:20:14,029 --> 00:20:10,620

all that kind of stuff that they're able

452

00:20:16,610 --> 00:20:14,039

to uh manipulate people's memories so

453

00:20:19,250 --> 00:20:16,620

they remember something different

454

00:20:21,529 --> 00:20:19,260

so it's like a screen memory they put on

455

00:20:23,930 --> 00:20:21,539

somebody yeah it could be like the

456

00:20:26,630 --> 00:20:23,940

military actually abducting people but

457

00:20:28,789 --> 00:20:26,640

they put a screen memory in place uh so

458

00:20:30,950 --> 00:20:28,799

they remember it differently like they

459

00:20:33,890 --> 00:20:30,960

remember little green aliens or little

460

00:20:36,470 --> 00:20:33,900

gray aliens or Jedis in robe something

461

00:20:39,289 --> 00:20:36,480

that they're able to uh attach

462

00:20:40,610 --> 00:20:39,299

themselves to and uh possibly recall if

463

00:20:42,770 --> 00:20:40,620

they go through some kind of hypnotic

464

00:20:44,270 --> 00:20:42,780

regression they even go into this book

465

00:20:46,789 --> 00:20:44,280

about

466

00:20:49,430 --> 00:20:46,799

um techniques of being able to split

467

00:20:51,650 --> 00:20:49,440

people's personalities for the the

468

00:20:52,909 --> 00:20:51,660

purposes of like menteeing candidates

469

00:20:55,610 --> 00:20:52,919

and they were able to do it so

470

00:20:58,370 --> 00:20:55,620

successfully they were able to uh split

471

00:21:01,490 --> 00:20:58,380

this uh this Marines personality into

472

00:21:05,690 --> 00:21:01,500

Marine a and Marine B Marine a was like

473

00:21:07,669 --> 00:21:05,700

a die-hard American a die-hard patriot

474

00:21:10,070 --> 00:21:07,679

American through and through Marine B

475

00:21:13,850 --> 00:21:10,080

his his B personality was a Die Hard

476

00:21:15,590 --> 00:21:13,860

communist and uh the the a personality

477

00:21:18,470 --> 00:21:15,600

was the dominant one but they used they

478

00:21:20,990 --> 00:21:18,480

used the B personality in order to

479

00:21:22,909 --> 00:21:21,000

infiltrate communist groups gather

480

00:21:25,610 --> 00:21:22,919

intelligence and if he was ever

481

00:21:27,830 --> 00:21:25,620

interrogated he would he wouldn't break

482

00:21:29,990 --> 00:21:27,840

because that was his actual personality

483

00:21:33,470 --> 00:21:30,000

but under

484

00:21:36,890 --> 00:21:33,480

um uh when he was reintegrated back in

485

00:21:39,110 --> 00:21:36,900

to the intelligence uh you know uh you

486

00:21:40,310 --> 00:21:39,120

know uh deposition room or deprogramming

487

00:21:42,230 --> 00:21:40,320

room they would they would talk to

488

00:21:45,230 --> 00:21:42,240

personality a to get all the information

489

00:21:48,110 --> 00:21:45,240

to personality B and they have so many

490

00:21:51,350 --> 00:21:48,120

different uh experimentations about the

491

00:21:54,370 --> 00:21:51,360

like uh experiments dealing with like uh

492

00:21:57,049 --> 00:21:54,380

this kind of mind altering stuff and

493

00:21:58,789 --> 00:21:57,059

abductions and uh even things we

494

00:22:01,190 --> 00:21:58,799

mentioned uh like the last episode like

495

00:22:04,010 --> 00:22:01,200

uh the satanic Panic

496

00:22:06,770 --> 00:22:04,020

um all this crazy stuff and I'm like not

497

00:22:08,930 --> 00:22:06,780

even deep into it yet

498

00:22:10,909 --> 00:22:08,940

and uh so I'm reading that I'm reading

499

00:22:12,950 --> 00:22:10,919

Skinwalker Ranch I'm reading this other

500

00:22:15,830 --> 00:22:12,960

one called uh Mass control engineering

501
00:22:18,110 --> 00:22:15,840
human consciousness and wonders in the

502
00:22:22,970 --> 00:22:18,120
sky trying to

503
00:22:24,409 --> 00:22:22,980
figure out what may be going on and uh

504
00:22:26,870 --> 00:22:24,419
I don't know I might have a good theory

505
00:22:29,149 --> 00:22:26,880
here in a week or two but

506
00:22:32,630 --> 00:22:29,159
like for this one we did the the story

507
00:22:35,570 --> 00:22:32,640
we just read out of the UK is it a

508
00:22:37,750 --> 00:22:35,580
genuine alien abduction or uh a memory

509
00:22:40,070 --> 00:22:37,760
put on somebody while they're

510
00:22:42,649 --> 00:22:40,080
experimenting for whatever reason just

511
00:22:45,770 --> 00:22:42,659
to see if they could do it

512
00:22:50,020 --> 00:22:45,780
um but I'll bring up another story here

513
00:22:54,190 --> 00:22:50,030

about uh some weirdness here we go

514

00:22:59,330 --> 00:22:57,350

[Applause]

515

00:23:01,610 --> 00:22:59,340

so

516

00:23:04,130 --> 00:23:01,620

before the show I was asking clown baby

517

00:23:07,430 --> 00:23:04,140

if he remembered the story

518

00:23:11,029 --> 00:23:07,440

of a firefighter

519

00:23:13,310 --> 00:23:11,039

in 2018 that went missing for five days

520

00:23:15,289 --> 00:23:13,320

I couldn't remember the guy's name well

521

00:23:18,529 --> 00:23:15,299

Columbia remember his name it was

522

00:23:24,649 --> 00:23:22,149

it was like Constantino Felipe

523

00:23:26,510 --> 00:23:24,659

Clement he might be away from the mic at

524

00:23:31,250 --> 00:23:26,520

this point I don't know I think he got

525

00:23:36,950 --> 00:23:33,590

um if I'll play the uh the uh the report

526

00:23:38,810 --> 00:23:36,960

over here he did find it for me

527

00:23:40,850 --> 00:23:38,820

I have a video of it oh yeah you got the

528

00:23:44,690 --> 00:23:40,860

video okay yeah I'll play the video

529

00:23:46,370 --> 00:23:44,700

um and so this is uh just a uh when I

530

00:23:49,730 --> 00:23:46,380

was going through looking for like a

531

00:23:52,130 --> 00:23:49,740

weird abductions and uh strange events I

532

00:23:54,350 --> 00:23:52,140

was like oh yeah this one and there was

533

00:23:56,330 --> 00:23:54,360

really no follow-up on the story either

534

00:24:00,110 --> 00:23:56,340

like it happened

535

00:24:04,549 --> 00:24:00,120

this guy uh uh I guess just dealt with

536

00:24:07,029 --> 00:24:04,559

it there was some uh media interest for

537

00:24:08,950 --> 00:24:07,039

about a week or two and then the guy

538

00:24:11,510 --> 00:24:08,960

refused to

539

00:24:13,070 --> 00:24:11,520

acknowledge that well you guess he

540

00:24:16,310 --> 00:24:13,080

acknowledged it happened but he refused

541

00:24:18,169 --> 00:24:16,320

to really answer any uh details about it

542

00:24:19,669 --> 00:24:18,179

um but here it is I'll play this I'll

543

00:24:22,610 --> 00:24:19,679

bring it up on screen

544

00:24:25,130 --> 00:24:22,620

how does a man with no ID and no

545

00:24:28,190 --> 00:24:25,140

Transportation get from upstate New York

546

00:24:30,649 --> 00:24:28,200

to Northern California it's more than 4

547

00:24:32,990 --> 00:24:30,659

500 kilometers as the crow flies but

548

00:24:34,789 --> 00:24:33,000

that is the mystery officials are trying

549

00:24:37,789 --> 00:24:34,799

to solve after a missing Toronto

550

00:24:40,190 --> 00:24:37,799

Firefighter turned up in Sacramento six

551
00:24:42,950 --> 00:24:40,200
days after disappearing while skiing

552
00:24:46,190 --> 00:24:42,960
near Lake Placid

553
00:24:47,810 --> 00:24:46,200
it is a real welcome relief you know

554
00:24:50,029 --> 00:24:47,820
quite frankly I'm just happy I don't

555
00:24:52,250 --> 00:24:50,039
have to speak at another uh firefighters

556
00:24:53,990 --> 00:24:52,260
funeral a relief Frank romaniano

557
00:24:56,029 --> 00:24:54,000
president of the Toronto firefighters

558
00:24:58,250 --> 00:24:56,039
Association but still at a loss to

559
00:25:01,010 --> 00:24:58,260
explain what happened to 49 year old

560
00:25:02,630 --> 00:25:01,020
veteran firefighter Danny philippetus he

561
00:25:04,970 --> 00:25:02,640
was skiing at Whiteface with some

562
00:25:08,029 --> 00:25:04,980
friends last Wednesday and simply

563
00:25:10,850 --> 00:25:08,039

disappeared only to reappear in

564

00:25:13,130 --> 00:25:10,860

Sacramento today have you heard anything

565

00:25:15,230 --> 00:25:13,140

about how he ended up there it's a very

566

00:25:18,049 --> 00:25:15,240

unusual story I know that they've been

567

00:25:21,110 --> 00:25:18,059

not been able to get a lot from him he

568

00:25:22,610 --> 00:25:21,120

does seem very confused Philippines had

569

00:25:24,409 --> 00:25:22,620

gone on a run on his own and that was

570

00:25:26,570 --> 00:25:24,419

the last time he was seen now in the

571

00:25:29,210 --> 00:25:26,580

days had followed Mountain surge teams

572

00:25:31,070 --> 00:25:29,220

along with police Homeland Security and

573

00:25:33,470 --> 00:25:31,080

dozens upon dozens of Toronto

574

00:25:36,169 --> 00:25:33,480

firefighters scoured the mountain for

575

00:25:37,730 --> 00:25:36,179

thousands of hours romaniano says he

576

00:25:39,890 --> 00:25:37,740

can't thank the American Searchers

577

00:25:43,510 --> 00:25:39,900

enough and is proud of his co-workers

578

00:25:46,190 --> 00:25:43,520

these individuals traveled seven hours

579

00:25:48,950 --> 00:25:46,200

their days off they had people work for

580

00:25:50,510 --> 00:25:48,960

them or they used vacation time and we

581

00:25:52,130 --> 00:25:50,520

used the word brother and sister in the

582

00:25:53,570 --> 00:25:52,140

fire service I think they illustrated

583

00:25:55,549 --> 00:25:53,580

what it was

584

00:25:57,409 --> 00:25:55,559

with that thorough search though

585

00:25:59,870 --> 00:25:57,419

romaniانو says he started to believe the

586

00:26:01,789 --> 00:25:59,880

28-year veteran might be alive

587

00:26:04,070 --> 00:26:01,799

and of course that proved true today

588

00:26:06,289 --> 00:26:04,080

Philippines was picked up by police

589

00:26:08,690 --> 00:26:06,299

after he called his wife and used a pet

590

00:26:10,970 --> 00:26:08,700

name for her when police arrived on

591

00:26:13,070 --> 00:26:10,980

scene in Sacramento he was disoriented

592

00:26:15,350 --> 00:26:13,080

and taken to hospital to be checked out

593

00:26:17,330 --> 00:26:15,360

romano doesn't know if Olympus has a

594

00:26:19,190 --> 00:26:17,340

history of Mental Illness but wonders if

595

00:26:21,289 --> 00:26:19,200

a head injury while skiing may be to

596

00:26:23,710 --> 00:26:21,299

blame he was basically in just ski

597

00:26:26,750 --> 00:26:23,720

attire

598

00:26:29,570 --> 00:26:26,760

it's totally plausible what happened and

599

00:26:31,789 --> 00:26:29,580

and he got confused and somehow made his

600

00:26:33,590 --> 00:26:31,799

way to California probably trying to

601
00:26:36,769 --> 00:26:33,600
seek some shelter Philippines didn't

602
00:26:38,570 --> 00:26:36,779
have ID or use a credit card and may

603
00:26:40,730 --> 00:26:38,580
have ridden there in the back of a truck

604
00:26:43,430 --> 00:26:40,740
in one much of the past week simply

605
00:26:45,769 --> 00:26:43,440
remains a mystery romaniano says they

606
00:26:47,810 --> 00:26:45,779
are simply glad he is alive any

607
00:26:50,210 --> 00:26:47,820
indication when he'll be coming home I

608
00:26:52,430 --> 00:26:50,220
don't know at this time no I'm sure they

609
00:26:54,890 --> 00:26:52,440
want to make sure he gets the medical

610
00:26:57,110 --> 00:26:54,900
attention he needs and then hopefully

611
00:26:59,090 --> 00:26:57,120
we'll go from there

612
00:27:00,950 --> 00:26:59,100
and we may learn more once Philippa sits

613
00:27:03,230 --> 00:27:00,960

down with New York State Police but

614

00:27:07,070 --> 00:27:03,240

until then his disappearance and

615

00:27:10,010 --> 00:27:07,080

reappearance remain a mystery

616

00:27:15,049 --> 00:27:10,020

there you go uh New York to California

617

00:27:17,750 --> 00:27:15,059

in five days no ID you know Paul oh my

618

00:27:22,070 --> 00:27:17,760

god really success is that Howard Stern

619

00:27:27,529 --> 00:27:25,490

um yeah I I suppose that uh it is

620

00:27:29,930 --> 00:27:27,539

obviously it's possible to travel the

621

00:27:31,850 --> 00:27:29,940

country in that amount of time but I

622

00:27:35,870 --> 00:27:31,860

would imagine you'd have to be a fairly

623

00:27:38,930 --> 00:27:35,880

experienced hobo to do that just to ride

624

00:27:41,510 --> 00:27:38,940

in back of the truck

625

00:27:43,310 --> 00:27:41,520

um during that time of year to find some

626

00:27:45,710 --> 00:27:43,320

food to make sure you don't starve to

627

00:27:47,990 --> 00:27:45,720

make sure that you find water do you

628

00:27:49,850 --> 00:27:48,000

know where to know where to sleep and to

629

00:27:52,370 --> 00:27:49,860

do that in five days which would

630

00:27:54,230 --> 00:27:52,380

probably what would take a normal truck

631

00:27:56,810 --> 00:27:54,240

driver to do

632

00:27:58,190 --> 00:27:56,820

uh so we see just like sleeping in the

633

00:27:59,810 --> 00:27:58,200

back of the truck the entire time and

634

00:28:01,250 --> 00:27:59,820

what they didn't include in there

635

00:28:04,490 --> 00:28:01,260

is that

636

00:28:07,010 --> 00:28:04,500

uh I remember him getting a haircut at a

637

00:28:10,010 --> 00:28:07,020

certain point in time you may have he

638

00:28:12,649 --> 00:28:10,020

said he may have gotten a haircut

639

00:28:14,450 --> 00:28:12,659

and uh I remember David palette is

640

00:28:16,850 --> 00:28:14,460

talking about this

641

00:28:19,310 --> 00:28:16,860

um and that there was some news

642

00:28:20,690 --> 00:28:19,320

reporters in Canada that tried to do a

643

00:28:23,149 --> 00:28:20,700

follow-up and he didn't want to talk

644

00:28:26,149 --> 00:28:23,159

about it he didn't he had no comment uh

645

00:28:28,549 --> 00:28:26,159

maybe he doesn't have memory he's not uh

646

00:28:31,610 --> 00:28:28,559

curious about what happened to him who

647

00:28:35,510 --> 00:28:31,620

has no comment okay it's five five days

648

00:28:37,850 --> 00:28:35,520

of your life and you have uh

649

00:28:40,310 --> 00:28:37,860

no interest about what happened and how

650

00:28:43,190 --> 00:28:40,320

you got from point A to point B if so

651
00:28:44,269 --> 00:28:43,200
let's say was just a a mental lapse or

652
00:28:46,430 --> 00:28:44,279
there's some sort of mental problem

653
00:28:47,810 --> 00:28:46,440
wouldn't you want to figure that out

654
00:28:50,630 --> 00:28:47,820
when you want to figure out what

655
00:28:52,130 --> 00:28:50,640
happened to you and I think so dude

656
00:28:53,870 --> 00:28:52,140
imagine

657
00:28:55,370 --> 00:28:53,880
uh you probably have a comment on it

658
00:28:56,810 --> 00:28:55,380
other than no comment like it's some

659
00:29:00,350 --> 00:28:56,820
kind of political Scandal or something

660
00:29:02,630 --> 00:29:00,360
yeah if he didn't do anything wrong oh

661
00:29:05,090 --> 00:29:02,640
no oh you got a broken dog how many dogs

662
00:29:07,549 --> 00:29:05,100
you got over there three three little

663
00:29:10,070 --> 00:29:07,559

puppies oh my God wonderful what kind of

664

00:29:11,750 --> 00:29:10,080

dog is that Maltipoos they're just

665

00:29:13,130 --> 00:29:11,760

wonderful you still look at a dog is

666

00:29:14,750 --> 00:29:13,140

that I say it's a Sheen dog what other

667

00:29:16,610 --> 00:29:14,760

kind of dog would it be there are three

668

00:29:18,590 --> 00:29:16,620

Sheen dogs and then I think they've

669

00:29:21,830 --> 00:29:18,600

calmed down maybe okay

670

00:29:25,610 --> 00:29:21,840

well I found this other uh kind of

671

00:29:29,029 --> 00:29:25,620

similar story about uh lack of memory

672

00:29:31,250 --> 00:29:29,039

and unsure uh this person in this story

673

00:29:33,110 --> 00:29:31,260

is unsure about how they got from point

674

00:29:36,310 --> 00:29:33,120

A to point B but this one's a little bit

675

00:29:39,350 --> 00:29:36,320

more detailed this is from

676
00:29:41,570 --> 00:29:39,360
2007. and this takes place in Atlanta

677
00:29:44,870 --> 00:29:41,580
Georgia

678
00:29:46,789 --> 00:29:44,880
um so right around is this it starts in

679
00:29:49,490 --> 00:29:46,799
the in the evening

680
00:29:51,409 --> 00:29:49,500
so during the evening

681
00:29:54,470 --> 00:29:51,419
um the witness has spent most of the

682
00:29:56,690 --> 00:29:54,480
afternoon attending campus events at

683
00:29:58,850 --> 00:29:56,700
Georgia Tech where he was in his fourth

684
00:30:01,250 --> 00:29:58,860
year he was accompanied by a few friends

685
00:30:03,350 --> 00:30:01,260
who like himself were biomedical

686
00:30:04,970 --> 00:30:03,360
engineering Majors he was looking

687
00:30:06,830 --> 00:30:04,980
forward to continuing his Graduate

688
00:30:10,010 --> 00:30:06,840

Studies at Duke University the following

689

00:30:11,510 --> 00:30:10,020

year around 8 P.M they had just finished

690

00:30:13,430 --> 00:30:11,520

eating dinner at a local restaurant

691

00:30:16,250 --> 00:30:13,440

decided to go to a friend's dorm to

692

00:30:19,130 --> 00:30:16,260

watch TV this is where things get fuzzy

693

00:30:21,110 --> 00:30:19,140

for him he told he was told by friends

694

00:30:23,810 --> 00:30:21,120

and others that they were walking

695

00:30:25,549 --> 00:30:23,820

together down the street about a block

696

00:30:27,950 --> 00:30:25,559

from the friends uh the friends of

697

00:30:29,510 --> 00:30:27,960

residence hall when he suddenly told the

698

00:30:31,970 --> 00:30:29,520

group his group of friends that he

699

00:30:33,470 --> 00:30:31,980

needed to see someone and that he would

700

00:30:35,930 --> 00:30:33,480

catch up with him later

701
00:30:38,510 --> 00:30:35,940
the first thing that he remembers after

702
00:30:42,169 --> 00:30:38,520
this point in time is that he was laid

703
00:30:45,409 --> 00:30:42,179
back in a large reclining reclining like

704
00:30:47,690 --> 00:30:45,419
chair but he had no idea where he was

705
00:30:50,210 --> 00:30:47,700
his eyes were open but he couldn't see

706
00:30:53,090 --> 00:30:50,220
anything other than blurry bright white

707
00:30:55,610 --> 00:30:53,100
lights he also felt paralyzed and could

708
00:30:58,669 --> 00:30:55,620
not speak there was no sound other than

709
00:31:01,490 --> 00:30:58,679
a low droning noise that seemed to

710
00:31:04,850 --> 00:31:01,500
vibrate all around him he had no idea

711
00:31:07,370 --> 00:31:04,860
how long he was there or

712
00:31:09,590 --> 00:31:07,380
um so if you'd wake up he'd claim like

713
00:31:12,049 --> 00:31:09,600

he would wake up out of this days every

714

00:31:14,570 --> 00:31:12,059

few minutes and then doze off again

715

00:31:17,330 --> 00:31:14,580

immediately almost like he was nodding

716

00:31:21,169 --> 00:31:17,340

in and out like he was like on some

717

00:31:24,169 --> 00:31:21,179

opiate binge or something like that

718

00:31:27,230 --> 00:31:24,179

um for some reason he had a a sense that

719

00:31:29,450 --> 00:31:27,240

he was in this recline position for a

720

00:31:32,690 --> 00:31:29,460

very long time

721

00:31:35,810 --> 00:31:32,700

um the times that he did wake up he

722

00:31:38,630 --> 00:31:35,820

heard a series of chirping sounds as as

723

00:31:42,409 --> 00:31:38,640

well as a he had a sense that there was

724

00:31:44,930 --> 00:31:42,419

movement around him uh his time or his

725

00:31:48,470 --> 00:31:44,940

time perception was non-existent he

726

00:31:51,889 --> 00:31:48,480

didn't understand uh what day it was or

727

00:31:54,409 --> 00:31:51,899

really how long he was dozing in and off

728

00:31:56,450 --> 00:31:54,419

he just felt as though he wanted this

729

00:31:59,990 --> 00:31:56,460

alt and he was like kind of hoping to

730

00:32:01,909 --> 00:32:00,000

die because he was so frustrated that he

731

00:32:04,190 --> 00:32:01,919

when he would just wake up these brief

732

00:32:06,169 --> 00:32:04,200

moments he'd pass back out wake up pass

733

00:32:08,510 --> 00:32:06,179

on he was just extremely depressed and

734

00:32:11,330 --> 00:32:08,520

frustrated with this whole situation

735

00:32:13,190 --> 00:32:11,340

and I just had a lot of anxiety build up

736

00:32:14,450 --> 00:32:13,200

in in him

737

00:32:16,490 --> 00:32:14,460

um

738

00:32:19,850 --> 00:32:16,500

and this was all really he could

739

00:32:23,289 --> 00:32:19,860

consciously remember uh about that

740

00:32:25,970 --> 00:32:23,299

incident he was found 45 hours later

741

00:32:28,630 --> 00:32:25,980

wandering aimlessly in one of the

742

00:32:30,590 --> 00:32:28,640

terminals at the uh the

743

00:32:34,070 --> 00:32:30,600

Hartsfield-Jackson Atlanta International

744

00:32:35,870 --> 00:32:34,080

Airport which is on the other side of

745

00:32:38,750 --> 00:32:35,880

Atlanta he had been reported missing by

746

00:32:40,970 --> 00:32:38,760

his friends and parents and they had not

747

00:32:42,830 --> 00:32:40,980

seen him for quite some time

748

00:32:44,750 --> 00:32:42,840

um the police took him to a nearby

749

00:32:46,909 --> 00:32:44,760

hospital where he was kept for several

750

00:32:49,730 --> 00:32:46,919

days he doesn't remember his stay in the

751

00:32:52,190 --> 00:32:49,740

hospital his parents drove him uh to

752

00:32:54,409 --> 00:32:52,200

Rally after and was released after he

753

00:32:56,690 --> 00:32:54,419

was released from the hospital and that

754

00:32:59,029 --> 00:32:56,700

is where he has remained since during

755

00:33:01,850 --> 00:32:59,039

the past four years he's a t he's

756

00:33:04,370 --> 00:33:01,860

attempted to uh regain what he has

757

00:33:07,310 --> 00:33:04,380

forgotten but it's not progressing very

758

00:33:09,409 --> 00:33:07,320

well he remembers uh his parents he

759

00:33:11,930 --> 00:33:09,419

remembers his sisters and some other

760

00:33:15,169 --> 00:33:11,940

relatives a few flashbacks from college

761

00:33:18,830 --> 00:33:15,179

but little else can be recalled like

762

00:33:21,769 --> 00:33:18,840

he's got almost uh total Amnesia besides

763

00:33:24,649 --> 00:33:21,779

uh some uh family members and loved ones

764

00:33:26,750 --> 00:33:24,659

he has undergone many neurological tests

765

00:33:28,130 --> 00:33:26,760

and has been prescribed a few

766

00:33:29,570 --> 00:33:28,140

medications but still is unable to

767

00:33:32,210 --> 00:33:29,580

remember the past

768

00:33:34,789 --> 00:33:32,220

uh in fact that he uh he has experienced

769

00:33:36,769 --> 00:33:34,799

a few hours of uh deep depression and is

770

00:33:40,250 --> 00:33:36,779

afraid to venture far from home unless

771

00:33:42,950 --> 00:33:40,260

someone is with him he has uh

772

00:33:46,490 --> 00:33:42,960

just a lot of phobias around this whole

773

00:33:49,070 --> 00:33:46,500

entire abduction uh that's what he's

774

00:33:51,289 --> 00:33:49,080

calling abduction scenario uh I'm

775

00:33:53,389 --> 00:33:51,299

probably has a form of like agoraphobia

776

00:33:55,190 --> 00:33:53,399

at this point in time

777

00:33:58,009 --> 00:33:55,200

um he uh

778

00:33:59,570 --> 00:33:58,019

he does feel like he he like some of the

779

00:34:01,850 --> 00:33:59,580

things that he does remember from this

780

00:34:04,250 --> 00:34:01,860

like at some point during the abduction

781

00:34:07,130 --> 00:34:04,260

he must have been able to see his

782

00:34:10,310 --> 00:34:07,140

abductors because he provides a detailed

783

00:34:12,349 --> 00:34:10,320

description under hypnosis that these

784

00:34:15,109 --> 00:34:12,359

things were about five feet tall had

785

00:34:18,649 --> 00:34:15,119

bodies similar to humans they were

786

00:34:21,050 --> 00:34:18,659

yellow in Crimson Crimson coveralls made

787

00:34:23,570 --> 00:34:21,060

out of very thin materials uh their

788

00:34:26,450 --> 00:34:23,580

heads were shaped like humans but with

789

00:34:28,550 --> 00:34:26,460

pointed chins smaller noses and ears as

790

00:34:31,730 --> 00:34:28,560

well as well as narrow mouths with

791

00:34:34,430 --> 00:34:31,740

darker uh and thin lips the eyes were

792

00:34:37,790 --> 00:34:34,440

larger than humans and circular with

793

00:34:39,770 --> 00:34:37,800

black pupils but uh you could tell when

794

00:34:42,230 --> 00:34:39,780

they focused on you because the pupils

795

00:34:45,169 --> 00:34:42,240

would narrow and the the lot the eyes

796

00:34:47,510 --> 00:34:45,179

would expand in size he never heard them

797

00:34:50,570 --> 00:34:47,520

speak but they would emit an odd

798

00:34:52,730 --> 00:34:50,580

chirping noise that's what he said

799

00:34:55,129 --> 00:34:52,740

he said that they had uh ball heads and

800

00:34:57,770 --> 00:34:55,139

no noticeable hair the skin was

801
00:35:00,890 --> 00:34:57,780
translucent with the yellow greenish

802
00:35:02,870 --> 00:35:00,900
tint the hands had five fingers with

803
00:35:05,390 --> 00:35:02,880
nails but some of the thumbs were short

804
00:35:07,190 --> 00:35:05,400
compared to our human thumbs he doesn't

805
00:35:09,470 --> 00:35:07,200
remember any procedures being performed

806
00:35:11,930 --> 00:35:09,480
on him but does recall writing down

807
00:35:14,150 --> 00:35:11,940
answers to questions on devices that he

808
00:35:15,650 --> 00:35:14,160
doesn't know how he was given the

809
00:35:19,670 --> 00:35:15,660
questions

810
00:35:21,470 --> 00:35:19,680
to him telepathically or sent to him in

811
00:35:23,089 --> 00:35:21,480
a different way

812
00:35:24,470 --> 00:35:23,099
um but he has a feeling that some of the

813
00:35:26,630 --> 00:35:24,480

questions were about physics equations

814

00:35:28,250 --> 00:35:26,640

and others were related to human

815

00:35:31,970 --> 00:35:28,260

physiology beyond that he couldn't

816

00:35:34,370 --> 00:35:31,980

recall anything more and uh

817

00:35:36,410 --> 00:35:34,380

and so he's left with

818

00:35:39,710 --> 00:35:36,420

this lack of memory pretty much a

819

00:35:41,150 --> 00:35:39,720

wrecked life and had no real answers to

820

00:35:44,750 --> 00:35:41,160

what happened what happened in his life

821

00:35:47,450 --> 00:35:44,760

and uh much like uh Constantino in the

822

00:35:49,190 --> 00:35:47,460

previous story he has about 45 to 50

823

00:35:51,230 --> 00:35:49,200

hours where

824

00:35:53,750 --> 00:35:51,240

he's missing he doesn't understand what

825

00:35:58,270 --> 00:35:53,760

happened at least in constantinos uh

826
00:36:01,490 --> 00:35:58,280
case he wound up it found pretty much

827
00:36:03,349 --> 00:36:01,500
normal uh the firefighter was found in

828
00:36:05,750 --> 00:36:03,359
California and he was I think able to go

829
00:36:08,270 --> 00:36:05,760
back and live a pretty much normal life

830
00:36:10,609 --> 00:36:08,280
in this case with a with a guy from

831
00:36:11,950 --> 00:36:10,619
Atlanta Georgia it pretty much wrecked

832
00:36:13,910 --> 00:36:11,960
his life but we have missing time

833
00:36:16,370 --> 00:36:13,920
traveling to a place that they don't

834
00:36:20,810 --> 00:36:16,380
remember traveling to uh loved ones

835
00:36:22,310 --> 00:36:20,820
being very concerned and missing memory

836
00:36:23,870 --> 00:36:22,320
remember that story we did a while ago

837
00:36:26,390 --> 00:36:23,880
of a guy who lost 14 seconds and

838
00:36:28,010 --> 00:36:26,400

wouldn't shut up about it well we

839

00:36:30,349 --> 00:36:28,020

wouldn't shut up about it I think he

840

00:36:33,109 --> 00:36:30,359

mentioned it uh and you're referring to

841

00:36:35,510 --> 00:36:33,119

Travis Taylor and as a Skinwalker Ranch

842

00:36:38,450 --> 00:36:35,520

and uh he I think he mentioned it on the

843

00:36:40,790 --> 00:36:38,460

Richard Dolan uh YouTube show and we

844

00:36:42,710 --> 00:36:40,800

wouldn't shut up about it well why why

845

00:36:44,810 --> 00:36:42,720

would you bring that of all things of

846

00:36:46,190 --> 00:36:44,820

all again my complaint about Skinwalker

847

00:36:48,050 --> 00:36:46,200

Ranch of all the [h__h] that's going on

848

00:36:49,970 --> 00:36:48,060

there they find the worst examples and

849

00:36:52,310 --> 00:36:49,980

and that's what they talk about do we

850

00:36:54,530 --> 00:36:52,320

see if I can find that that clip I'll

851

00:36:58,430 --> 00:36:54,540

see if I can find the the Dolan clip of

852

00:37:01,670 --> 00:36:58,440

uh that was from like 2019 wasn't it

853

00:37:04,190 --> 00:37:01,680

let's pre-covet I'm pretty sure uh uh

854

00:37:05,810 --> 00:37:04,200

yeah but anyway just just to juxtapose

855

00:37:08,150 --> 00:37:05,820

these people who lose days on end and

856

00:37:11,210 --> 00:37:08,160

they're just like yeah whatever

857

00:37:13,130 --> 00:37:11,220

let's see if this is it right here

858

00:37:16,790 --> 00:37:13,140

um oh this is it right here missing time

859

00:37:18,530 --> 00:37:16,800

14 seconds here we go

860

00:37:20,569 --> 00:37:18,540

like I said when I first started I was

861

00:37:23,390 --> 00:37:20,579

afraid I'd be out there for four months

862

00:37:24,770 --> 00:37:23,400

and not find anything but instead I was

863

00:37:27,170 --> 00:37:24,780

out there for four months and I made

864

00:37:28,550 --> 00:37:27,180

another four months at a minimum just to

865

00:37:32,329 --> 00:37:28,560

even understand what I saw on those four

866

00:37:35,329 --> 00:37:32,339

months hmm that's incredible

867

00:37:36,650 --> 00:37:35,339

uh it was pretty uh amazing and you know

868

00:37:39,950 --> 00:37:36,660

one of the things

869

00:37:41,810 --> 00:37:39,960

that they did tell me I could say I'm

870

00:37:44,150 --> 00:37:41,820

not gonna say much about it except that

871

00:37:45,349 --> 00:37:44,160

there are 14 seconds of my life that's

872

00:37:48,290 --> 00:37:45,359

missing

873

00:37:49,130 --> 00:37:48,300

and we have that we have that

874

00:37:53,569 --> 00:37:49,140

um

875

00:37:55,490 --> 00:37:53,579

and and we can't figure out where I was

876

00:37:57,349 --> 00:37:55,500

for 14 seconds but I know where I was I

877

00:37:59,750 --> 00:37:57,359

told him what happened but none of the

878

00:38:00,589 --> 00:37:59,760

instruments saw me during this time what

879

00:38:03,349 --> 00:38:00,599

is that

880

00:38:04,550 --> 00:38:03,359

okay that's that is fascinating and this

881

00:38:07,190 --> 00:38:04,560

is I assume why you want to get into

882

00:38:09,349 --> 00:38:07,200

time dilation or time measurement yes it

883

00:38:12,109 --> 00:38:09,359

is one of the the reasons so is it

884

00:38:14,450 --> 00:38:12,119

possible that you like disappeared for

885

00:38:16,010 --> 00:38:14,460

14 seconds what do you think well I

886

00:38:17,450 --> 00:38:16,020

remember I have I have perfect memories

887

00:38:20,210 --> 00:38:17,460

and recollection of what I did for those

888

00:38:22,849 --> 00:38:20,220

14 seconds but all the can

889

00:38:25,310 --> 00:38:22,859

of me doing these things

890

00:38:26,810 --> 00:38:25,320

so I I'm gonna you know what I'm glad

891

00:38:28,990 --> 00:38:26,820

you brought that up crazy because I'm

892

00:38:31,670 --> 00:38:29,000

gonna tweet that clip to Travis Taylor

893

00:38:34,069 --> 00:38:31,680

to see if we can finally get a comment

894

00:38:37,849 --> 00:38:34,079

on that because that was uh stated I

895

00:38:38,589 --> 00:38:37,859

believe in 2020

896

00:38:41,810 --> 00:38:38,599

um

897

00:38:44,750 --> 00:38:41,820

and or maybe in 2019 and we do not have

898

00:38:46,730 --> 00:38:44,760

a follow-up on that and if there is time

899

00:38:49,790 --> 00:38:46,740

dilation they could get five or six

900

00:38:51,470 --> 00:38:49,800

episodes out of that easily easily now

901
00:38:54,230 --> 00:38:51,480
maybe they just misremember some stuff

902
00:38:55,849 --> 00:38:54,240
maybe they uh maybe they found the

903
00:38:56,630 --> 00:38:55,859
footage maybe they actually found the

904
00:38:59,690 --> 00:38:56,640
footage

905
00:39:01,430 --> 00:38:59,700
uh and uh so they just kind of like oh

906
00:39:02,930 --> 00:39:01,440
we'll brush that aside you know we were

907
00:39:04,310 --> 00:39:02,940
wrong about but they should at least

908
00:39:06,650 --> 00:39:04,320
comment on that

909
00:39:08,569 --> 00:39:06,660
and uh we'll figure out you know what I

910
00:39:10,790 --> 00:39:08,579
will I will after the podcast I will

911
00:39:12,109 --> 00:39:10,800
tweet out that clip to Travis and see if

912
00:39:13,849 --> 00:39:12,119
we can get a response like did you ever

913
00:39:16,490 --> 00:39:13,859

find those 14 seconds

914

00:39:18,109 --> 00:39:16,500

I'm curious about that

915

00:39:19,490 --> 00:39:18,119

what's going on but we have noise in the

916

00:39:22,430 --> 00:39:19,500

background what's going on back there is

917

00:39:24,410 --> 00:39:22,440

that a dog oh you can hear the dogs yeah

918

00:39:26,270 --> 00:39:24,420

I can hear everything yeah okay you

919

00:39:27,950 --> 00:39:26,280

remember I got compressors I got noise

920

00:39:31,569 --> 00:39:27,960

Gates the noise Gates aren't even good

921

00:39:35,630 --> 00:39:34,670

they just play and play they're like I

922

00:39:37,430 --> 00:39:35,640

don't know what are they playing with

923

00:39:40,190 --> 00:39:37,440

three year old

924

00:39:43,190 --> 00:39:40,200

each other in the non-sexual way all

925

00:39:45,050 --> 00:39:43,200

right oh man barking and playing okay

926

00:39:47,870 --> 00:39:45,060

that's right I don't mind the little I

927

00:39:53,990 --> 00:39:47,880

don't mind the little dog that's fine it

928

00:39:56,630 --> 00:39:55,069

you should be calming down hopefully

929

00:39:57,829 --> 00:39:56,640

until they bark at me and want to be in

930

00:40:00,349 --> 00:39:57,839

my

931

00:40:02,150 --> 00:40:00,359

they're very demanding

932

00:40:05,270 --> 00:40:02,160

um so yeah that's what I got like on

933

00:40:08,150 --> 00:40:05,280

missing time and abductions it's it's

934

00:40:10,970 --> 00:40:08,160

all a bit fuzzy and as I read through

935

00:40:14,630 --> 00:40:10,980

the uh the my labs book oh I'm gonna be

936

00:40:16,490 --> 00:40:14,640

making notes uh because my labs is all

937

00:40:18,470 --> 00:40:16,500

about uh

938

00:40:22,490 --> 00:40:18,480

the idea that

939

00:40:24,410 --> 00:40:22,500

much of the UFO phenomenon uh is a

940

00:40:27,050 --> 00:40:24,420

psychological operation performed upon

941

00:40:30,290 --> 00:40:27,060

specifically uh the American public but

942

00:40:34,849 --> 00:40:30,300

the world as as as a whole you know in

943

00:40:36,530 --> 00:40:34,859

in a in an effort to uh one to obfuscate

944

00:40:38,569 --> 00:40:36,540

what they're building through black

945

00:40:42,349 --> 00:40:38,579

budgets and secret money and secret

946

00:40:44,569 --> 00:40:42,359

space programs and or two also to uh use

947

00:40:48,050 --> 00:40:44,579

the American public uh and maybe even

948

00:40:50,510 --> 00:40:48,060

the UK public as guinea pigs for their

949

00:40:53,210 --> 00:40:50,520

experiments

950

00:40:55,310 --> 00:40:53,220

so I'll be together if you want to stay

951
00:40:57,349 --> 00:40:55,320
on the same topic I I dropped one in

952
00:40:59,150 --> 00:40:57,359
carrot shop of a guy in Texas who went

953
00:41:00,829 --> 00:40:59,160
missing for a week and this was just in

954
00:41:02,089 --> 00:41:00,839
the last couple of days so this is brand

955
00:41:05,030 --> 00:41:02,099
new all right

956
00:41:07,790 --> 00:41:05,040
um it's uh the Houston Chronicle story

957
00:41:11,030 --> 00:41:07,800
The in carrot shop

958
00:41:13,310 --> 00:41:11,040
yeah missing Woodlands man uh Colby

959
00:41:17,390 --> 00:41:13,320
Richards found safe Montgomery County

960
00:41:19,670 --> 00:41:17,400
Sheriff's Office says okay let's uh why

961
00:41:22,790 --> 00:41:19,680
can't I scroll down it's not a lot it's

962
00:41:24,650 --> 00:41:22,800
not allowing me to scroll come on is

963
00:41:25,849 --> 00:41:24,660

this the guy I went to go jogging or

964

00:41:28,130 --> 00:41:25,859

something in the morning

965

00:41:29,870 --> 00:41:28,140

yeah he like he like left left early for

966

00:41:31,010 --> 00:41:29,880

jogging just disappeared and gone for a

967

00:41:33,230 --> 00:41:31,020

week and then just suddenly showed up

968

00:41:34,069 --> 00:41:33,240

again wandering down to some Road in

969

00:41:36,710 --> 00:41:34,079

California

970

00:41:39,290 --> 00:41:36,720

correction I can't scroll what is wrong

971

00:41:40,490 --> 00:41:39,300

with the story I can't scroll down I

972

00:41:42,950 --> 00:41:40,500

don't know I'm scroll I'm scrolling all

973

00:41:45,770 --> 00:41:42,960

over the place I'm scrolling my brains

974

00:41:47,630 --> 00:41:45,780

out over here and I'm trying to me uh

975

00:41:50,569 --> 00:41:47,640

try my uh

976

00:41:52,970 --> 00:41:50,579

browser and Macintosh

977

00:41:55,790 --> 00:41:52,980

try try reloaderizing what what is your

978

00:41:58,010 --> 00:41:55,800

browser of choice that you're using

979

00:42:00,290 --> 00:41:58,020

no I'm using brave but I'm using Brave

980

00:42:02,870 --> 00:42:00,300

and it ain't let me scroll

981

00:42:06,349 --> 00:42:02,880

well I have I have the uh the added

982

00:42:08,150 --> 00:42:06,359

license for scrolling installed you do I

983

00:42:10,370 --> 00:42:08,160

don't have the scroll license

984

00:42:12,470 --> 00:42:10,380

I can pull an archive of this if maybe

985

00:42:15,050 --> 00:42:12,480

that'll help yeah because I'm unable to

986

00:42:17,870 --> 00:42:15,060

scroll give me a minute that is weird

987

00:42:19,849 --> 00:42:17,880

yeah computer sucks that's why I'm

988

00:42:21,349 --> 00:42:19,859

buying a new one problems I'm getting a

989

00:42:22,970 --> 00:42:21,359

new computer just so I can scroll well

990

00:42:26,569 --> 00:42:22,980

like I want to be able to scroll stuff

991

00:42:28,460 --> 00:42:26,579

look around I'm I so desperately want to

992

00:42:31,849 --> 00:42:28,470

scroll right now

993

00:42:34,670 --> 00:42:31,859

[Laughter]

994

00:42:37,569 --> 00:42:34,680

I'm just hearing like uh dog I sound

995

00:42:37,579 --> 00:42:50,220

that's right here

996

00:42:54,650 --> 00:42:52,569

[Laughter]

997

00:43:00,410 --> 00:42:54,660

thank you

998

00:43:04,130 --> 00:43:02,630

I'm not sure what's going on back there

999

00:43:04,970 --> 00:43:04,140

I need to try and get him Rawhide or

1000

1001
00:43:09,050 --> 00:43:07,500

1002
00:43:11,510 --> 00:43:09,060

1003
00:43:13,670 --> 00:43:11,520
we're just doing our our daily life and

1004
00:43:15,109 --> 00:43:13,680
things are happening around us

1005
00:43:17,290 --> 00:43:15,119
like

1006
00:43:20,890 --> 00:43:17,300
there's a helicopter going overhead

1007
00:43:26,270 --> 00:43:23,450
no bears yeah

1008
00:43:28,849 --> 00:43:26,280

1009
00:43:31,849 --> 00:43:28,859

this is great this is great

1017

00:43:54,710 --> 00:43:51,119

1019

00:44:01,849 --> 00:43:57,720

disappearance sparked Nationwide search

yes uh Colby Richards 31. uh uh he's a

1021

00:44:06,170 --> 00:44:04,200

1022

00:44:09,530 --> 00:44:06,180

his home north of Houston has turned up

1023

00:44:10,670 --> 00:44:09,540

alive fewer than three miles from his

1024

00:44:12,770 --> 00:44:10,680

home

1025

00:44:14,630 --> 00:44:12,780

police police have found a missing Texas

1026
00:44:17,089 --> 00:44:14,640
father 10 days after he seemed to have

1027
00:44:18,589 --> 00:44:17,099
vanished Into Thin Air kicking off a

1028
00:44:21,470 --> 00:44:18,599
desperate search that attracted

1029
00:44:23,870 --> 00:44:21,480
followers across the country at the

1030
00:44:25,130 --> 00:44:23,880
crack of dawn on May 24th 31 year old

1031
00:44:27,170 --> 00:44:25,140
Colby Richards the father of two

1032
00:44:29,569 --> 00:44:27,180
children disappeared after walking out

1033
00:44:32,390 --> 00:44:29,579
of his home near Houston leaving behind

1034
00:44:34,370 --> 00:44:32,400
his phone and wallet his disappearance

1035
00:44:35,870 --> 00:44:34,380
sparked a frantic search by local

1036
00:44:38,450 --> 00:44:35,880
authorities and volunteers that

1037
00:44:40,430 --> 00:44:38,460
attracted thousands of followers

1038
00:44:43,309 --> 00:44:40,440

well so were thousands of people looking

1039

00:44:45,230 --> 00:44:43,319

for him or were they just interested in

1040

00:44:46,370 --> 00:44:45,240

following him

1041

00:44:48,050 --> 00:44:46,380

no there were thousands of people

1042

00:44:49,309 --> 00:44:48,060

following him around in the woods oh

1043

00:44:51,050 --> 00:44:49,319

okay well

1044

00:44:54,109 --> 00:44:51,060

that's just that's a poorly written

1045

00:44:55,910 --> 00:44:54,119

sentence okay well I was following the

1046

00:44:57,230 --> 00:44:55,920

story okay well thousands of people were

1047

00:45:00,050 --> 00:44:57,240

following the story they weren't

1048

00:45:02,030 --> 00:45:00,060

actually searching for him they weren't

1049

00:45:05,089 --> 00:45:02,040

actually down there following like I'm

1050

00:45:08,510 --> 00:45:05,099

interested if they find them let me know

1051
00:45:11,089 --> 00:45:08,520
exactly on Thursday uh the Montgomery

1052
00:45:12,650 --> 00:45:11,099
Sheriff's uh County uh Montgomery County

1053
00:45:14,630 --> 00:45:12,660
Sheriff's Department announced they

1054
00:45:16,609 --> 00:45:14,640
found Richard Richards alive in the

1055
00:45:18,530 --> 00:45:16,619
Woodlands walking near an intersection

1056
00:45:20,329 --> 00:45:18,540
surrounded by golf courses shopping

1057
00:45:22,370 --> 00:45:20,339
centers and sprawling residential

1058
00:45:25,010 --> 00:45:22,380
developments he had wandered fewer than

1059
00:45:27,650 --> 00:45:25,020
three miles from his house

1060
00:45:30,109 --> 00:45:27,660
uh police have placed him under the care

1061
00:45:32,809 --> 00:45:30,119
of medics in the Department's mental

1062
00:45:34,069 --> 00:45:32,819
health Team the sheriff's office said in

1063
00:45:35,510 --> 00:45:34,079

a statement they would eventually

1064

00:45:37,790 --> 00:45:35,520

interview Richards about the

1065

00:45:40,069 --> 00:45:37,800

circumstances of his disappearance

1066

00:45:42,829 --> 00:45:40,079

but not for some time leaving some

1067

00:45:45,470 --> 00:45:42,839

details shrouded in mystery Richard's

1068

00:45:47,630 --> 00:45:45,480

wife Callie reported her husband missing

1069

00:45:50,089 --> 00:45:47,640

on May 26 stated that she became

1070

00:45:52,970 --> 00:45:50,099

concerned after he rolled out of bed

1071

00:45:54,290 --> 00:45:52,980

left their bedroom and never returned to

1072

00:45:57,050 --> 00:45:54,300

prepare for work

1073

00:45:59,210 --> 00:45:57,060

uh she soon investigated the backyard

1074

00:46:00,950 --> 00:45:59,220

and found the rear gate left open with

1075

00:46:03,710 --> 00:46:00,960

no trace of her husband

1076

00:46:05,510 --> 00:46:03,720

I'm a break right here so and some of

1077

00:46:08,150 --> 00:46:05,520

these Missing 411 cases especially like

1078

00:46:11,089 --> 00:46:08,160

in Missing 411 Off the Grid there are

1079

00:46:12,829 --> 00:46:11,099

stories where there are family members

1080

00:46:15,950 --> 00:46:12,839

um and they're with they're witnessing

1081

00:46:18,109 --> 00:46:15,960

somebody in their life that acts in

1082

00:46:21,349 --> 00:46:18,119

bizarre ways like they'll like uh burn

1083

00:46:24,050 --> 00:46:21,359

uh their Electronics they'll they'll do

1084

00:46:26,210 --> 00:46:24,060

something like this uh uh they'll leave

1085

00:46:28,250 --> 00:46:26,220

their wallets behind leave their keys or

1086

00:46:30,290 --> 00:46:28,260

things that they would care about like

1087

00:46:33,829 --> 00:46:30,300

glasses things that they need and then

1088

00:46:36,230 --> 00:46:33,839

they'll just leave and never to be seen

1089

00:46:39,829 --> 00:46:36,240

again or never to be heard from and or

1090

00:46:43,309 --> 00:46:39,839

bodies not found or their body winds up

1091

00:46:45,230 --> 00:46:43,319

in some National Park uh halfway across

1092

00:46:47,809 --> 00:46:45,240

the country they'll have some bizarre

1093

00:46:50,210 --> 00:46:47,819

behavior up front and then they just up

1094

00:46:53,870 --> 00:46:52,430

um Richard's wife Callie okay I was read

1095

00:46:55,730 --> 00:46:53,880

that part uh he walked into the woods

1096

00:46:57,650 --> 00:46:55,740

behind our house and didn't come back

1097

00:46:59,510 --> 00:46:57,660

she said

1098

00:47:02,210 --> 00:46:59,520

um an early search by replace turned up

1099

00:47:05,450 --> 00:47:02,220

only Richard's water bottle abandoned on

1100

00:47:07,010 --> 00:47:05,460

the trail behind their home uh post to

1101

00:47:09,230 --> 00:47:07,020

the help us find Colby Richard's

1102

00:47:11,990 --> 00:47:09,240

Facebook page which is run by Richard's

1103

00:47:14,329 --> 00:47:12,000

family who said he is recuperating in

1104

00:47:16,130 --> 00:47:14,339

the hospital quote he is in good hands

1105

00:47:17,990 --> 00:47:16,140

with the medical team and we are hoping

1106

00:47:20,390 --> 00:47:18,000

for a full recovery the post said we

1107

00:47:22,970 --> 00:47:20,400

cannot thank everyone enough for the

1108

00:47:24,470 --> 00:47:22,980

effort sir uh searching for him as well

1109

00:47:26,870 --> 00:47:24,480

as the Sheriff's Department

1110

00:47:29,510 --> 00:47:26,880

and each and every person who showed up

1111

00:47:31,910 --> 00:47:29,520

to search for him whether in person or

1112

00:47:33,589 --> 00:47:31,920

online okay I guess there's people

1113

00:47:34,730 --> 00:47:33,599

searching online

1114

00:47:35,990 --> 00:47:34,740

well maybe that was some of the

1115

00:47:38,150 --> 00:47:36,000

thousands people following I would

1116

00:47:39,770 --> 00:47:38,160

imagine so yeah I'm gonna help I'm gonna

1117

00:47:41,510 --> 00:47:39,780

search my house

1118

00:47:42,770 --> 00:47:41,520

and then we can we can cross that off

1119

00:47:45,170 --> 00:47:42,780

the list congratulations I want you to

1120

00:47:48,050 --> 00:47:45,180

look on Twitter I'll search Reddit okay

1121

00:47:50,030 --> 00:47:48,060

we'll make sure well we found him on

1122

00:47:53,870 --> 00:47:50,040

Instagram there that was clown babies

1123

00:47:55,490 --> 00:47:53,880

beat he was on he was on Bing

1124

00:47:58,010 --> 00:47:55,500

he was on dig no one found him there

1125

00:48:00,170 --> 00:47:58,020

yeah uh and earlier an earlier post from

1126

00:48:02,450 --> 00:48:00,180

families said they were Overjoyed that

1127

00:48:03,589 --> 00:48:02,460

Richards had been recovered safely of

1128

00:48:05,930 --> 00:48:03,599

course what are they supposed to say

1129

00:48:06,890 --> 00:48:05,940

we're tepidly enthusiastic that we found

1130

00:48:08,990 --> 00:48:06,900

a guy

1131

00:48:11,390 --> 00:48:09,000

won't check for them when we are on

1132

00:48:12,829 --> 00:48:11,400

break yeah we'll get around

1133

00:48:17,870 --> 00:48:12,839

they got to do a follow-up with this guy

1134

00:48:20,809 --> 00:48:17,880

I'm very curious so 10 days 10 days

1135

00:48:22,250 --> 00:48:20,819

10 days it's probably chasing down his

1136

00:48:24,290 --> 00:48:22,260

golden doodles I noticed he had some

1137

00:48:26,150 --> 00:48:24,300

Doodles and uh our brother has one and

1138

00:48:28,970 --> 00:48:26,160

I've chased him down I think at least

1139

00:48:31,130 --> 00:48:28,980

three times as recently as last weekend

1140

00:48:32,690 --> 00:48:31,140

um he went through the fence and I ran

1141

00:48:34,849 --> 00:48:32,700

after him like an episode of cops except

1142

00:48:35,930 --> 00:48:34,859

ride Birkenstocks on Yelling Ollie Ollie

1143

00:48:39,470 --> 00:48:35,940

get back here you [h__h] little

1144

00:48:41,329 --> 00:48:39,480

[h__h] running down the sidewalk

1145

00:48:44,030 --> 00:48:41,339

uh there's no reports of missing dogs

1146

00:48:45,890 --> 00:48:44,040

clown baby uh only a missing man he

1147

00:48:49,790 --> 00:48:45,900

didn't say he left with his dogs and you

1148

00:48:51,589 --> 00:48:49,800

know in in instances of Missing 411 uh a

1149

00:48:52,849 --> 00:48:51,599

lot of times like the the hunter if

1150

00:48:54,770 --> 00:48:52,859

there's a hunter that goes missing and

1151
00:48:56,809 --> 00:48:54,780
Missing 411 they sometimes have dogs

1152
00:48:58,670 --> 00:48:56,819
with them and I think it's kind of like

1153
00:49:00,829 --> 00:48:58,680
up in the air whether a dog disappears

1154
00:49:02,870 --> 00:49:00,839
or or makes it back or not like uh

1155
00:49:05,510 --> 00:49:02,880
there's no report a missing dog they

1156
00:49:08,150 --> 00:49:05,520
didn't say this guy left with his Golden

1157
00:49:10,550 --> 00:49:08,160
Doodles and it's just him early in the

1158
00:49:12,710 --> 00:49:10,560
morning got out of bed oh the obviously

1159
00:49:14,270 --> 00:49:12,720
the one he's petting just ran away

1160
00:49:15,650 --> 00:49:14,280
it turned around and looked at him when

1161
00:49:18,650 --> 00:49:15,660
he's about to let him inside from taking

1162
00:49:21,290 --> 00:49:18,660
him for a walk and just took off well

1163
00:49:22,790 --> 00:49:21,300

my uh he could have been just sick he

1164

00:49:24,770 --> 00:49:22,800

could have been sick of his life it's

1165

00:49:28,069 --> 00:49:24,780

possible he just needed a break like

1166

00:49:30,650 --> 00:49:28,079

watching two dogs is a lot of work and

1167

00:49:33,530 --> 00:49:30,660

maybe he just wanted a break for 10 days

1168

00:49:35,870 --> 00:49:33,540

walking the path behind us out dodging

1169

00:49:37,250 --> 00:49:35,880

search and rescue dodging cops the whole

1170

00:49:40,010 --> 00:49:37,260

entire time

1171

00:49:41,930 --> 00:49:40,020

you know feeding going out behind you

1172

00:49:44,150 --> 00:49:41,940

know Burger King and eating another

1173

00:49:47,230 --> 00:49:44,160

dumpster to just make ends meet and try

1174

00:49:49,370 --> 00:49:47,240

to sustain yourself in some way

1175

00:49:51,109 --> 00:49:49,380

the Burger King dumpster is pretty

1176

00:49:53,150 --> 00:49:51,119

that's pretty awful it's a downgrade

1177

00:49:55,250 --> 00:49:53,160

from uh Taco Bell or McDonald's you

1178

00:49:56,569 --> 00:49:55,260

don't want to eat Taco Bell dumpster you

1179

00:49:58,010 --> 00:49:56,579

want a Burger King dumpster or

1180

00:50:00,490 --> 00:49:58,020

McDonald's dumper that's where you want

1181

00:50:02,809 --> 00:50:00,500

to go to Taco Bell there's no difference

1182

00:50:05,809 --> 00:50:02,819

do you think this guy maybe has like a

1183

00:50:07,670 --> 00:50:05,819

secret uh Forest family and he had to go

1184

00:50:08,349 --> 00:50:07,680

be with them for a bit

1185

00:50:10,970 --> 00:50:08,359

um

1186

00:50:13,309 --> 00:50:10,980

like so he has a second

1187

00:50:15,349 --> 00:50:13,319

family and that's where he's living a

1188

00:50:17,329 --> 00:50:15,359

double life

1189

00:50:18,370 --> 00:50:17,339

I can see that okay

1190

00:50:20,390 --> 00:50:18,380

yeah

1191

00:50:22,790 --> 00:50:20,400

for one week and then he got kicked out

1192

00:50:24,410 --> 00:50:22,800

of that house too sure

1193

00:50:26,270 --> 00:50:24,420

he's constantly going missing in

1194

00:50:27,770 --> 00:50:26,280

someone's life like oh my God like his

1195

00:50:30,730 --> 00:50:27,780

second family is like now he's missing

1196

00:50:33,170 --> 00:50:30,740

now he goes missing for 10 days

1197

00:50:34,609 --> 00:50:33,180

back for 10 days now you're leaving

1198

00:50:36,650 --> 00:50:34,619

again

1199

00:50:39,050 --> 00:50:36,660

yeah maybe maybe you just want a prank

1200

00:50:41,329 --> 00:50:39,060

like that but uh I'd like a follow-up on

1201

00:50:43,849 --> 00:50:41,339

this I doubt we're gonna get one

1202

00:50:46,849 --> 00:50:43,859

just like I'd like a follow-up on the

1203

00:50:48,770 --> 00:50:46,859

firefighter from Canada where there's

1204

00:50:50,390 --> 00:50:48,780

really no follow-up on that

1205

00:50:52,069 --> 00:50:50,400

where are those days what happened

1206

00:50:57,049 --> 00:50:52,079

during those days

1207

00:51:01,250 --> 00:50:59,210

it is very frustrating he simply had to

1208

00:51:04,069 --> 00:51:01,260

ride shotgun for someone who was trying

1209

00:51:07,549 --> 00:51:04,079

to deliver a whole bunch of beer from

1210

00:51:09,470 --> 00:51:07,559

Atlanta to Texas oh she's going like on

1211

00:51:10,670 --> 00:51:09,480

some kind of Cannonball Run is that what

1212

00:51:12,829 --> 00:51:10,680

you're saying

1213

00:51:14,690 --> 00:51:12,839

no Smokey and the Bandit smoking the

1214

00:51:17,349 --> 00:51:14,700

Bandit that Cannonball Run

1215

00:51:20,569 --> 00:51:17,359

but okay

1216

00:51:22,069 --> 00:51:20,579

all right well that's uh I didn't expect

1217

00:51:24,349 --> 00:51:22,079

you to have that story that was that was

1218

00:51:26,630 --> 00:51:24,359

very Missing 411 ask

1219

00:51:28,069 --> 00:51:26,640

hmm okay

1220

00:51:29,630 --> 00:51:28,079

well and the bigger question would be

1221

00:51:31,430 --> 00:51:29,640

what comes out as you said what comes

1222

00:51:32,870 --> 00:51:31,440

out in the in the coming weeks or months

1223

00:51:34,670 --> 00:51:32,880

do we get more information does it

1224

00:51:37,549 --> 00:51:34,680

remain weird or do they have some sort

1225

00:51:39,470 --> 00:51:37,559

of uh actual explanation this guy was

1226
00:51:40,670 --> 00:51:39,480
running drugs or something who knows

1227
00:51:49,730 --> 00:51:40,680
yeah

1228
00:51:51,109 --> 00:51:49,740
like if you if you're running drugs

1229
00:51:54,589 --> 00:51:51,119
don't you gotta like take a car with you

1230
00:51:55,970 --> 00:51:54,599
and more than like your jogging shorts

1231
00:51:57,890 --> 00:51:55,980
I would imagine not if you're meeting

1232
00:51:59,390 --> 00:51:57,900
somebody and then the deal the deal goes

1233
00:52:01,430 --> 00:51:59,400
south and you get the [h__h] kicked out of

1234
00:52:03,290 --> 00:52:01,440
you and thrown in the woods

1235
00:52:06,230 --> 00:52:03,300
all right all right all right listen

1236
00:52:08,030 --> 00:52:06,240
it's all speculation at this point

1237
00:52:09,890 --> 00:52:08,040
um or how about this he was he was

1238
00:52:13,250 --> 00:52:09,900

trying to score a drug deal but it was

1239

00:52:14,950 --> 00:52:13,260

with the aliens and that went wrong

1240

00:52:19,430 --> 00:52:14,960

oh

1241

00:52:21,589 --> 00:52:19,440

this is cool the aliens don't do drugs

1242

00:52:23,630 --> 00:52:21,599

I can make up [h__\h] too let's see if I

1243

00:52:26,210 --> 00:52:23,640

can get on History Channel for 17 years

1244

00:52:28,130 --> 00:52:26,220

talking about my backyard

1245

00:52:29,630 --> 00:52:28,140

I would cover like one or two more

1246

00:52:34,110 --> 00:52:29,640

headlines and then we'll we'll see what

1247

00:52:37,970 --> 00:52:34,590

[Music]

1248

00:52:45,410 --> 00:52:41,089

let's see here I have a dog lay hot turd

1249

00:52:45,420 --> 00:52:48,770

it's [h__\h]

1250

00:52:48,780 --> 00:52:53,710

all right he's checking out so

1251
00:52:57,890 --> 00:52:56,450
well we're on that's also the Finland

1252
00:53:00,170 --> 00:52:57,900
the last words of that guy before he

1253
00:53:02,990 --> 00:53:00,180
left his house in the morning

1254
00:53:05,329 --> 00:53:03,000
or on missing people uh here's a

1255
00:53:07,549 --> 00:53:05,339
headline here dozens of kid van kids

1256
00:53:10,069 --> 00:53:07,559
vanish in Cleveland area

1257
00:53:13,010 --> 00:53:10,079
almost 30 children were reported missing

1258
00:53:14,990 --> 00:53:13,020
in the Cleveland area over a two-week

1259
00:53:17,270 --> 00:53:15,000
span starting in May which is something

1260
00:53:22,010 --> 00:53:17,280
that local police chief said had they

1261
00:53:23,690 --> 00:53:22,020
have not seen in his 33 year career

1262
00:53:26,329 --> 00:53:23,700
so uh

1263
00:53:28,609 --> 00:53:26,339

the police chief said who also serves as

1264

00:53:30,589 --> 00:53:28,619

the board president of the volunteer

1265

00:53:34,730 --> 00:53:30,599

non-profit Cleveland missing told Fox

1266

00:53:37,190 --> 00:53:34,740

news that a number of 12 to 17 year olds

1267

00:53:39,730 --> 00:53:37,200

reported missing has remained at an

1268

00:53:42,589 --> 00:53:39,740

unprecedented level throughout the month

1269

00:53:44,990 --> 00:53:42,599

uh there's there's always Peaks and

1270

00:53:47,150 --> 00:53:45,000

valleys with missing persons but this

1271

00:53:48,430 --> 00:53:47,160

year it seems to be an extraordinary

1272

00:53:52,130 --> 00:53:48,440

year

1273

00:53:55,730 --> 00:53:52,140

so I I read this story they're

1274

00:53:57,010 --> 00:53:55,740

attributing these missing kids to uh

1275

00:53:59,569 --> 00:53:57,020

most likely

1276
00:54:01,549 --> 00:53:59,579
runaway situations but they don't know

1277
00:54:04,130 --> 00:54:01,559
they're just taking a guess

1278
00:54:06,230 --> 00:54:04,140
that the these kids are just running

1279
00:54:07,849 --> 00:54:06,240
away they don't know

1280
00:54:09,410 --> 00:54:07,859
could be abduction it could be anything

1281
00:54:10,670 --> 00:54:09,420
else are these missing are these kids

1282
00:54:12,109 --> 00:54:10,680
missing and still missing are they

1283
00:54:14,630 --> 00:54:12,119
missing and returned or recovered

1284
00:54:16,690 --> 00:54:14,640
missing that's what they're saying they

1285
00:54:20,210 --> 00:54:16,700
don't know what happened to these kids

1286
00:54:22,069 --> 00:54:20,220
33 kids in two weeks in Cleveland

1287
00:54:24,109 --> 00:54:22,079
they have no idea

1288
00:54:25,130 --> 00:54:24,119

reported by the families or reported by

1289

00:54:27,410 --> 00:54:25,140

somebody else the reason I ask is

1290

00:54:28,970 --> 00:54:27,420

because with recent

1291

00:54:30,290 --> 00:54:28,980

um the recent years of like doing

1292

00:54:31,130 --> 00:54:30,300

virtual learning and all that stuff you

1293

00:54:33,410 --> 00:54:31,140

have

1294

00:54:35,109 --> 00:54:33,420

tens or not hundreds of thousands of

1295

00:54:37,730 --> 00:54:35,119

kids who are no longer going to school

1296

00:54:39,710 --> 00:54:37,740

and they come from broken homes where

1297

00:54:43,270 --> 00:54:39,720

there's they're they're not

1298

00:54:45,170 --> 00:54:43,280

they don't have like a a stable living

1299

00:54:46,849 --> 00:54:45,180

situation so

1300

00:54:48,829 --> 00:54:46,859

when these kids don't show up to school

1301

00:54:50,329 --> 00:54:48,839

and they no one's seen them they don't

1302

00:54:51,589 --> 00:54:50,339

know are they living with somebody else

1303

00:54:53,390 --> 00:54:51,599

are they in a different town now they

1304

00:54:54,530 --> 00:54:53,400

just don't know well yeah that's what

1305

00:54:56,809 --> 00:54:54,540

I'm wondering are these ones reported by

1306

00:54:58,309 --> 00:54:56,819

the family this kid is missing or is

1307

00:54:59,990 --> 00:54:58,319

this like the the you know the school

1308

00:55:02,870 --> 00:55:00,000

district's reporting

1309

00:55:05,210 --> 00:55:02,880

well uh so far the uh the article is

1310

00:55:07,130 --> 00:55:05,220

unclear they say for some reason in 2023

1311

00:55:09,230 --> 00:55:07,140

we've seen a lot more than we normally

1312

00:55:11,150 --> 00:55:09,240

see which is troubling in part because

1313

00:55:12,410 --> 00:55:11,160

we don't know what's going on with some

1314

00:55:14,390 --> 00:55:12,420

of these kids whether they're being

1315

00:55:17,150 --> 00:55:14,400

trafficked or whether they're involved

1316

00:55:21,170 --> 00:55:17,160

in game activities or drugs

1317

00:55:21,890 --> 00:55:21,180

gang trafficking they just don't know

1318

00:55:24,049 --> 00:55:21,900

um

1319

00:55:26,750 --> 00:55:24,059

it's more likely a majority of the cases

1320

00:55:29,569 --> 00:55:26,760

are runaways versus abduction they said

1321

00:55:32,150 --> 00:55:29,579

but uh young teenagers are naive and

1322

00:55:34,549 --> 00:55:32,160

susceptible to Predators who are wolves

1323

00:55:36,829 --> 00:55:34,559

in sheep's clothing their disappearances

1324

00:55:38,750 --> 00:55:36,839

do not make the news unless it is an

1325

00:55:42,049 --> 00:55:38,760

amber alert and their stories are not

1326
00:55:43,430 --> 00:55:42,059
being shared on social media and nobody

1327
00:55:45,589 --> 00:55:43,440
pays attention to those Amber Alerts

1328
00:55:48,109 --> 00:55:45,599
anyway they are really annoying aren't

1329
00:55:50,750 --> 00:55:49,730
sometimes they're really not even for

1330
00:55:52,549 --> 00:55:50,760
like

1331
00:55:54,109 --> 00:55:52,559
I've gotten them before and it doesn't

1332
00:55:56,089 --> 00:55:54,119
seem like it was actually an urgent

1333
00:55:57,829 --> 00:55:56,099
matter

1334
00:55:59,569 --> 00:55:57,839
hmm

1335
00:56:01,549 --> 00:55:59,579
and when they first started firing them

1336
00:56:04,609 --> 00:56:01,559
off on your phone I I turned them off

1337
00:56:08,450 --> 00:56:04,619
immediately yeah it's just

1338
00:56:12,049 --> 00:56:08,460

so yeah this more missing people and uh

1339

00:56:15,230 --> 00:56:12,059

missing kids and they don't know why uh

1340

00:56:16,549 --> 00:56:15,240

they're just taking their best guess

1341

00:56:19,190 --> 00:56:16,559

um that's I just want to bring up that

1342

00:56:21,950 --> 00:56:19,200

headline uh real quick before I move on

1343

00:56:25,549 --> 00:56:21,960

to the uh the next one I mean just to

1344

00:56:28,490 --> 00:56:25,559

really bookend our our abduction

1345

00:56:29,830 --> 00:56:28,500

slash missing people segment here but

1346

00:56:35,890 --> 00:56:29,840

I'll move on to something else

1347

00:56:40,390 --> 00:56:38,150

and I don't know if you have anything

1348

00:56:42,770 --> 00:56:40,400

directly paranormal related I have two

1349

00:56:47,630 --> 00:56:42,780

tangentially paranormal stories oh great

1350

00:56:49,130 --> 00:56:47,640

yeah uh this is kind of uh paranormal

1351
00:56:53,690 --> 00:56:49,140
right here

1352
00:56:56,150 --> 00:56:53,700
so this is a headline that has been

1353
00:56:58,730 --> 00:56:56,160
well going around a little bit

1354
00:57:02,150 --> 00:56:58,740
uh repeated signals from deep space

1355
00:57:04,250 --> 00:57:02,160
could be alien message study claims oh

1356
00:57:07,190 --> 00:57:04,260
yeah that's some good news on that front

1357
00:57:08,329 --> 00:57:07,200
uh and this comes from like a fairly

1358
00:57:12,230 --> 00:57:08,339
reputable

1359
00:57:15,109 --> 00:57:12,240
uh art or a site Live Science and

1360
00:57:17,030 --> 00:57:15,119
they're the live science uh headline is

1361
00:57:20,470 --> 00:57:17,040
repeated signals from the center of

1362
00:57:23,390 --> 00:57:20,480
Milky Way could be alien saying hello

1363
00:57:25,069 --> 00:57:23,400

new study claims so they're just saying

1364

00:57:26,630 --> 00:57:25,079

hello like Lionel Richie Hello hello

1365

00:57:28,790 --> 00:57:26,640

yeah hello

1366

00:57:32,150 --> 00:57:28,800

there

1367

00:57:34,970 --> 00:57:32,160

it could be hello hello hello

1368

00:57:37,010 --> 00:57:34,980

uh uh so here's here's the article here

1369

00:57:39,170 --> 00:57:37,020

so um if there's someone out there

1370

00:57:40,970 --> 00:57:39,180

trying to communicate with us we have

1371

00:57:42,770 --> 00:57:40,980

yet to pick up their signals as far as

1372

00:57:45,650 --> 00:57:42,780

we know but now our recent study

1373

00:57:47,510 --> 00:57:45,660

published by the astronomical Journal

1374

00:57:49,730 --> 00:57:47,520

that's my favorite Journal

1375

00:57:52,250 --> 00:57:49,740

has outlined a novel new strategy

1376

00:57:54,670 --> 00:57:52,260

designed to detect what could be

1377

00:57:57,230 --> 00:57:54,680

messages sent by intelligent

1378

00:58:03,710 --> 00:57:57,240

extraterrestrials headed up by Cornell

1379

00:58:08,510 --> 00:58:05,210

[Music]

1380

00:58:13,990 --> 00:58:08,520

that guy Steve Steve Grabowski yeah yeah

1381

00:58:14,000 --> 00:58:19,210

headed up by Tom

1382

00:58:24,410 --> 00:58:22,250

the researchers have uh developed a new

1383

00:58:27,049 --> 00:58:24,420

software designed to pick up uh repeated

1384

00:58:29,990 --> 00:58:27,059

radio pulses coming from the depths of

1385

00:58:32,990 --> 00:58:30,000

our galaxy and uh to determine whether

1386

00:58:35,690 --> 00:58:33,000

they are naturally occurring pulsars or

1387

00:58:37,910 --> 00:58:35,700

potential alien signals

1388

00:58:41,210 --> 00:58:37,920

so they got they got new a new app

1389

00:58:42,710 --> 00:58:41,220

Cratchit they got a new app

1390

00:58:47,329 --> 00:58:42,720

and does it also tell you about Amber

1391

00:58:51,470 --> 00:58:49,130

so there you go they got a new app and

1392

00:58:54,170 --> 00:58:51,480

they're going to try it out with this uh

1393

00:58:57,170 --> 00:58:54,180

all the data coming from uh

1394

00:58:59,569 --> 00:58:57,180

uh the fake Universe out there I have a

1395

00:59:02,390 --> 00:58:59,579

a gif of the guy using this new app to

1396

00:59:04,970 --> 00:59:02,400

scan for uh signals from space Oh yeah

1397

00:59:08,450 --> 00:59:04,980

let's take a look at that

1398

00:59:09,650 --> 00:59:08,460

uh that looks like uh present I was

1399

00:59:11,630 --> 00:59:09,660

gonna say it looks like President Trump

1400

00:59:13,549 --> 00:59:11,640

almost but no it's it's not but it's

1401

00:59:15,710 --> 00:59:13,559

very close yeah like just at a glance it

1402

00:59:18,530 --> 00:59:15,720

looks like Trump wearing uh like one of

1403

00:59:20,270 --> 00:59:18,540

those pasta strainers using colander

1404

00:59:23,089 --> 00:59:20,280

yeah

1405

00:59:26,030 --> 00:59:23,099

uh using a computer that's hooked up to

1406

00:59:28,549 --> 00:59:26,040

like a bunch of electrodes and wires and

1407

00:59:30,829 --> 00:59:28,559

gizmos it's just NASA at their finest

1408

00:59:32,809 --> 00:59:30,839

yeah

1409

00:59:35,390 --> 00:59:32,819

so we're gonna find those aliens real

1410

00:59:37,250 --> 00:59:35,400

soon here yeah this guy will get right

1411

00:59:38,510 --> 00:59:37,260

on it yeah

1412

00:59:40,370 --> 00:59:38,520

um all right correct you got some

1413

00:59:41,930 --> 00:59:40,380

paranormal news over there and stuff I

1414

00:59:45,589 --> 00:59:41,940

have I have two paranormal stories all

1415

00:59:49,309 --> 00:59:47,580

yes

1416

00:59:50,930 --> 00:59:49,319

[Music]

1417

00:59:53,329 --> 00:59:50,940

all right so the first one here is not

1418

00:59:55,670 --> 00:59:53,339

as as goofbally as the second one this

1419

00:59:59,270 --> 00:59:55,680

one is from presidential candidate uh

1420

01:00:02,510 --> 00:59:59,280

RFK Jr talking about how he uh likes to

1421

01:00:04,910 --> 01:00:02,520

uh have deep meditation time and uh and

1422

01:00:09,470 --> 01:00:04,920

and talk with people from the other side

1423

01:00:12,589 --> 01:00:09,480

all right well maybe it's not that weird

1424

01:00:17,809 --> 01:00:12,599

uh Robert F Kennedy Jr says he has

1425

01:00:20,089 --> 01:00:17,819

conversations with dead people oh really

1426

01:00:22,130 --> 01:00:20,099

well I mean I talked to like my dead

1427

01:00:25,010 --> 01:00:22,140

friends sometimes I I wouldn't call them

1428

01:00:26,750 --> 01:00:25,020

conversations like dude uh can you

1429

01:00:28,309 --> 01:00:26,760

believe what I just did there you know I

1430

01:00:31,849 --> 01:00:28,319

talked to loved ones all the time like I

1431

01:00:37,490 --> 01:00:35,270

but uh Robert F Kennedy the the

1432

01:00:39,950 --> 01:00:37,500

conspiracy theorist and vaccine skeptic

1433

01:00:43,250 --> 01:00:39,960

they wow they just how is he conspiracy

1434

01:00:48,049 --> 01:00:43,260

theorist why not also probably a vowed

1435

01:00:50,569 --> 01:00:48,059

white supremacist nazi racist like what

1436

01:00:53,450 --> 01:00:50,579

what is he okay okay this this comes

1437

01:00:55,549 --> 01:00:53,460

from the guardian.com so

1438

01:00:58,069 --> 01:00:55,559

uh I'll continue reading but they

1439

01:01:00,890 --> 01:00:58,079

obviously uh don't want him to run for

1440

01:01:02,510 --> 01:01:00,900

president no no they do not but right

1441

01:01:05,930 --> 01:01:02,520

out of the gate they come they're coming

1442

01:01:08,630 --> 01:01:05,940

strong against uh RFK Jr uh Robert F

1443

01:01:10,789 --> 01:01:08,640

Kennedy Jr the conspiracy theorist and

1444

01:01:12,049 --> 01:01:10,799

vaccine skeptic challenging Joe Biden

1445

01:01:14,630 --> 01:01:12,059

for the Democratic presidential

1446

01:01:17,329 --> 01:01:14,640

nomination told an interviewer that he

1447

01:01:19,789 --> 01:01:17,339

had conversations with dead people every

1448

01:01:20,750 --> 01:01:19,799

day man I got mixed emotions about this

1449

01:01:23,930 --> 01:01:20,760

one

1450

01:01:26,510 --> 01:01:23,940

uh Kennedy's Uncle John F Kennedy the

1451

01:01:29,690 --> 01:01:26,520

35th president was assassinated in

1452

01:01:31,910 --> 01:01:29,700

Dallas in 1963 his father Robert F

1453

01:01:33,650 --> 01:01:31,920

Kennedy the U.S attorney general and New

1454

01:01:35,809 --> 01:01:33,660

York state senator was killed in Los

1455

01:01:37,250 --> 01:01:35,819

Angeles five years later

1456

01:01:39,349 --> 01:01:37,260

by the way I just realized I'm drinking

1457

01:01:41,470 --> 01:01:39,359

out of my daily Plaza Book Depository

1458

01:01:43,730 --> 01:01:41,480

mug so there you go

1459

01:01:46,250 --> 01:01:43,740

it's not intentional but I didn't

1460

01:01:47,990 --> 01:01:46,260

realize they sold those huh

1461

01:01:50,329 --> 01:01:48,000

in an interview with the Free Press

1462

01:01:52,309 --> 01:01:50,339

Kennedy was asked how he thought his

1463

01:01:55,250 --> 01:01:52,319

father and Uncle would tackle challenges

1464

01:01:58,010 --> 01:01:55,260

facing America today and quote I do

1465

01:02:00,950 --> 01:01:58,020

meditations every day

1466

01:02:03,230 --> 01:02:00,960

Kennedy said that's the kind of that

1467

01:02:04,970 --> 01:02:03,240

that's kind of the nature of my

1468

01:02:08,329 --> 01:02:04,980

meditations I have a lot of

1469

01:02:11,270 --> 01:02:08,339

conversations with dead people

1470

01:02:14,870 --> 01:02:11,280

that's some good news on that front

1471

01:02:16,809 --> 01:02:14,880

in a follow-up text the Free Press said

1472

01:02:19,970 --> 01:02:16,819

Kennedy clarified

1473

01:02:22,250 --> 01:02:19,980

they are one-way prayers for strength

1474

01:02:25,210 --> 01:02:22,260

and wisdom I get no strategic advice

1475

01:02:30,650 --> 01:02:28,849

this is quite the story

1476

01:02:33,170 --> 01:02:30,660

I'd love to see his pres his

1477

01:02:35,510 --> 01:02:33,180

presidential cabinet it's just Thomas

1478

01:02:38,589 --> 01:02:35,520

Jefferson and Abe Lincoln look at them

1479

01:02:43,930 --> 01:02:38,599

and it'll be one one Kenobi Obi-Wan one

1480

01:02:49,069 --> 01:02:47,630

but he wouldn't get strategic advice

1481

01:02:50,270 --> 01:02:49,079

I don't need to be in his cabinet it

1482

01:02:52,069 --> 01:02:50,280

would just be I don't know making small

1483

01:02:53,750 --> 01:02:52,079

talk it's ridiculous that he had to

1484

01:02:55,970 --> 01:02:53,760

clarify but this is going to be used

1485

01:02:57,890 --> 01:02:55,980

against like the headline says he has a

1486

01:02:59,150 --> 01:02:57,900

conversation but in the follow-up he

1487

01:03:02,270 --> 01:02:59,160

says no I just

1488

01:03:04,010 --> 01:03:02,280

I talk to them you know and and like and

1489

01:03:06,109 --> 01:03:04,020
during that meditation meditative

1490

01:03:09,109 --> 01:03:06,119
process or trance or whatever you want

1491

01:03:12,289 --> 01:03:09,119
to call it maybe he's having like this

1492

01:03:14,809 --> 01:03:12,299
this Daydream of a conversation with his

1493

01:03:17,089 --> 01:03:14,819
his dead father his dead uncle you know

1494

01:03:18,289 --> 01:03:17,099
you can make believe this stuff all the

1495

01:03:21,289 --> 01:03:18,299
time like when you're in the Twilight

1496

01:03:23,210 --> 01:03:21,299
safe or lucid dreaming in some way maybe

1497

01:03:25,010 --> 01:03:23,220
he is having these experiences but the

1498

01:03:25,849 --> 01:03:25,020
way they're writing it and right out of

1499

01:03:27,530 --> 01:03:25,859
the gate they're calling him a

1500

01:03:29,569 --> 01:03:27,540
conspiracy theorist and saying he talks

1501

01:03:31,789 --> 01:03:29,579

to dead people like he's in the sixth

1502

01:03:34,430 --> 01:03:31,799

sense or some [\h__\h] uh they're really

1503

01:03:36,289 --> 01:03:34,440

yeah they're really trying to get this

1504

01:03:37,910 --> 01:03:36,299

guy they're kind of trying to cut him

1505

01:03:43,450 --> 01:03:37,920

off at the knees here they don't want

1506

01:03:50,450 --> 01:03:48,289

famous beagle Strangler uh in the chat I

1507

01:03:53,470 --> 01:03:50,460

think that was LBJ he actually picked up

1508

01:03:56,589 --> 01:03:53,480

his dogs by the ears that wasn't RFK oh

1509

01:03:59,329 --> 01:03:56,599

yeah you could definitely tell our

1510

01:04:01,370 --> 01:03:59,339

lindsayne Johnson he really was an

1511

01:04:02,870 --> 01:04:01,380

animal abuser you can just look at it

1512

01:04:04,309 --> 01:04:02,880

yeah I believe he had beagles or basset

1513

01:04:06,109 --> 01:04:04,319

hounds that he lifted by the ear and

1514

01:04:08,210 --> 01:04:06,119

that you shouldn't do that they don't

1515

01:04:10,430 --> 01:04:08,220

like that RFK was not the Beagle

1516

01:04:12,289 --> 01:04:10,440

Strangler no they don't the Beagle

1517

01:04:14,329 --> 01:04:12,299

Strangler no

1518

01:04:18,049 --> 01:04:14,339

that's the worst name for a serial

1519

01:04:18,950 --> 01:04:18,059

killer become the Beagle Strangler

1520

01:04:20,990 --> 01:04:18,960

um

1521

01:04:23,210 --> 01:04:21,000

let's see here so the Free Press said

1522

01:04:25,849 --> 01:04:23,220

its interviewer was greeted at Kennedy's

1523

01:04:29,210 --> 01:04:25,859

Los Angeles home by a guard with an

1524

01:04:30,829 --> 01:04:29,220

earpiece and a non-disclosure agreement

1525

01:04:32,930 --> 01:04:30,839

after wait wait wait wait wait wait wait

1526

01:04:35,270 --> 01:04:32,940

they're describing that as if it's odd

1527

01:04:37,190 --> 01:04:35,280

to go to a high profile politician or

1528

01:04:40,849 --> 01:04:37,200

high profile anybody's house and there'd

1529

01:04:43,549 --> 01:04:40,859

be private security there hilarious

1530

01:04:44,990 --> 01:04:43,559

after the interviewer refused to sign

1531

01:04:47,089 --> 01:04:45,000

the document the non-disclosure

1532

01:04:48,349 --> 01:04:47,099

agreement Kennedy came out Shrugged and

1533

01:04:50,630 --> 01:04:48,359

led me inside

1534

01:04:53,270 --> 01:04:50,640

so I guess the non-disclosure agreement

1535

01:04:54,710 --> 01:04:53,280

was just kind of like a light to have at

1536

01:04:56,890 --> 01:04:54,720

that point for Kennedy yeah it's a

1537

01:04:59,990 --> 01:04:56,900

sucker's bit hey sign this

1538

01:05:02,210 --> 01:05:00,000

uh describing Kennedy's uh gilded but

1539

01:05:03,710 --> 01:05:02,220

tragic family story The Free Press noted

1540

01:05:05,809 --> 01:05:03,720

that he thinks his father was probably

1541

01:05:07,730 --> 01:05:05,819

killed by the CIA and his uncle

1542

01:05:09,829 --> 01:05:07,740

definitely

1543

01:05:11,450 --> 01:05:09,839

okay I mean is that why he's the

1544

01:05:13,549 --> 01:05:11,460

conspiracy theorist Because he believes

1545

01:05:15,230 --> 01:05:13,559

what probably half of America thinks

1546

01:05:16,670 --> 01:05:15,240

and didn't the CIA themselves come out

1547

01:05:19,190 --> 01:05:16,680

and say that they

1548

01:05:20,990 --> 01:05:19,200

kind of knew about and did nothing uh

1549

01:05:22,670 --> 01:05:21,000

who knows I acknowledge that mistakes

1550

01:05:24,170 --> 01:05:22,680

were made here it was a mistake that

1551

01:05:26,750 --> 01:05:24,180

they killed both of them

1552

01:05:30,670 --> 01:05:26,760

mistakes were made here

1553

01:05:33,710 --> 01:05:30,680

they did it but you know not wittingly

1554

01:05:35,569 --> 01:05:33,720

they mean they didn't we were just

1555

01:05:37,970 --> 01:05:35,579

firing into the air in their general

1556

01:05:39,470 --> 01:05:37,980

direction yeah we were just kind of

1557

01:05:42,890 --> 01:05:39,480

shooting up in the area in celebratory

1558

01:05:44,510 --> 01:05:42,900

fire and it just so happened to land in

1559

01:05:49,809 --> 01:05:44,520

the most high-profile people in the

1560

01:05:54,170 --> 01:05:52,370

uh the site also detailed Kennedy's

1561

01:05:56,210 --> 01:05:54,180

transformation from environmental

1562

01:05:58,190 --> 01:05:56,220

campaign or to vaccine skeptic and

1563

01:06:00,710 --> 01:05:58,200

conspiracy theorists the process

1564

01:06:02,329 --> 01:06:00,720

accelerated by the covid pandemic so

1565

01:06:03,890 --> 01:06:02,339

they have a link to your conspiracy

1566

01:06:06,950 --> 01:06:03,900

theorists down here like why they're

1567

01:06:09,410 --> 01:06:06,960

calling him a conspiracy theorist and it

1568

01:06:12,049 --> 01:06:09,420

links to another Guardian article titled

1569

01:06:16,069 --> 01:06:12,059

Instagram and Facebook suspend Robert F

1570

01:06:18,710 --> 01:06:16,079

Kennedy Jr anti-vaccine group

1571

01:06:20,690 --> 01:06:18,720

and that's why they're considering a

1572

01:06:25,670 --> 01:06:20,700

conspiracy theorists because he's

1573

01:06:30,770 --> 01:06:28,390

let's see here uh

1574

01:06:33,109 --> 01:06:30,780

and so yeah I don't know if I want to

1575

01:06:35,210 --> 01:06:33,119

read the rest of his hit piece

1576

01:06:37,450 --> 01:06:35,220

no I just thought I'd bring it up the

1577

01:06:40,849 --> 01:06:37,460

meditation thing it is and it's

1578

01:06:43,970 --> 01:06:40,859

quasi-paranormal there uh and it's not

1579

01:06:46,130 --> 01:06:43,980

out of the realm of my you know uh my

1580

01:06:49,670 --> 01:06:46,140

line of thinking and what I believe so

1581

01:06:52,730 --> 01:06:49,680

if he if he can get good advice from uh

1582

01:06:54,770 --> 01:06:52,740

JFK and RFK his father good

1583

01:06:56,870 --> 01:06:54,780

we need some good advice he's looking

1584

01:06:58,849 --> 01:06:56,880

for it we need some of that if ghosts

1585

01:07:01,130 --> 01:06:58,859

can help this country right now bring on

1586

01:07:02,870 --> 01:07:01,140

the ghosts

1587

01:07:05,270 --> 01:07:02,880

you think it's also fair that if he gets

1588

01:07:07,730 --> 01:07:05,280

advice from his uh his father his uncle

1589

01:07:09,289 --> 01:07:07,740

but it's bad advice can he blame them oh

1590

01:07:11,089 --> 01:07:09,299

absolutely that's that's one of the

1591

01:07:13,069 --> 01:07:11,099

benefits of taking advice from ghosts

1592

01:07:14,990 --> 01:07:13,079

they're also good scapegoats

1593

01:07:17,510 --> 01:07:15,000

Escape ghosts Escape ghosts

1594

01:07:19,490 --> 01:07:17,520

[Laughter]

1595

01:07:21,650 --> 01:07:19,500

so we'll have we'll soon have a clip of

1596

01:07:25,370 --> 01:07:21,660

him saying mistakes were made my uncle

1597

01:07:26,390 --> 01:07:25,380

gave me bad advice yes a serious mistake

1598

01:07:28,670 --> 01:07:26,400

was made

1599

01:07:30,890 --> 01:07:28,680

got bad advice from a ghost once never

1600

01:07:32,930 --> 01:07:30,900

again

1601
01:07:33,440 --> 01:07:32,940
all right which uh let's get the other

1602
01:07:39,049 --> 01:07:33,450
one over there

1603
01:07:40,309 --> 01:07:39,059
[Music]

1604
01:07:41,630 --> 01:07:40,319
all right this one's a little more

1605
01:07:45,049 --> 01:07:41,640
goofbally

1606
01:07:46,430 --> 01:07:45,059
um and is tangentially tangentially uh

1607
01:07:48,049 --> 01:07:46,440
paranormal related

1608
01:07:49,730 --> 01:07:48,059
so we're really gonna have to look for

1609
01:07:51,770 --> 01:07:49,740
the Paranormal on this no the Paranormal

1610
01:07:54,349 --> 01:07:51,780
comes right out but it's it's

1611
01:07:56,029 --> 01:07:54,359
not not really what it means what it

1612
01:07:57,950 --> 01:07:56,039
seems okay

1613
01:07:59,990 --> 01:07:57,960

is there a new oh there's a news clip

1614

01:08:04,490 --> 01:08:00,000

here there is a news clip okay I'll get

1615

01:08:09,049 --> 01:08:06,950

he only had a bathing suit on no chews

1616

01:08:10,490 --> 01:08:09,059

or anything it only had a bathing suit a

1617

01:08:12,890 --> 01:08:10,500

guy wearing nothing but a bathing suit

1618

01:08:15,109 --> 01:08:12,900

barged into a Fort Myers home last night

1619

01:08:17,209 --> 01:08:15,119

but the camera isn't the only thing that

1620

01:08:20,269 --> 01:08:17,219

caught him in the act the family was

1621

01:08:21,890 --> 01:08:20,279

just eating dinner inside only NBC 2's

1622

01:08:24,050 --> 01:08:21,900

Gage Golding is local for us tonight off

1623

01:08:27,470 --> 01:08:24,060

McGregor Boulevard speaking with that

1624

01:08:29,269 --> 01:08:27,480

father who confronted the intruder

1625

01:08:31,490 --> 01:08:29,279

here at the McCaslin household on

1626

01:08:33,650 --> 01:08:31,500

shadowy road it was all but a typical

1627

01:08:36,349 --> 01:08:33,660

Thursday evening we were eating dinner

1628

01:08:38,930 --> 01:08:36,359

with myself and my two daughters and we

1629

01:08:41,209 --> 01:08:38,940

heard a noise at the door oh but nobody

1630

01:08:43,249 --> 01:08:41,219

was knocking Instead This random man was

1631

01:08:45,169 --> 01:08:43,259

inviting himself in for a bite to eat

1632

01:08:47,090 --> 01:08:45,179

okay Brian got up on the table and found

1633

01:08:49,370 --> 01:08:47,100

this guy standing right in his living

1634

01:08:50,930 --> 01:08:49,380

room he was in he was in the house he

1635

01:08:52,610 --> 01:08:50,940

started telling me that he was a ghost

1636

01:08:54,950 --> 01:08:52,620

and I shouldn't be able to see him

1637

01:08:57,530 --> 01:08:54,960

that's right this guy thought he was a

1638

01:08:58,789 --> 01:08:57,540

ghost I'd see him thought he was walking

1639

01:09:02,570 --> 01:08:58,799

around

1640

01:09:04,610 --> 01:09:02,580

and that nobody could see it is barely

1641

01:09:06,470 --> 01:09:04,620

able to believe what he's seeing I could

1642

01:09:08,630 --> 01:09:06,480

tell his behavior was not normal who

1643

01:09:10,189 --> 01:09:08,640

knows what this person might do you know

1644

01:09:12,289 --> 01:09:10,199

if they had a chance to think after

1645

01:09:13,849 --> 01:09:12,299

causing this scene inside this guy who

1646

01:09:16,309 --> 01:09:13,859

claims his name is Kevin came running

1647

01:09:18,110 --> 01:09:16,319

outside to where a crew was cutting down

1648

01:09:20,809 --> 01:09:18,120

a tree he hopped up in one of their

1649

01:09:22,729 --> 01:09:20,819

trucks and locked himself inside so at

1650

01:09:24,829 --> 01:09:22,739

this point this man barged into Brian's

1651
01:09:26,870 --> 01:09:24,839
home he thinks he's a ghost and now he's

1652
01:09:28,610 --> 01:09:26,880
locked inside a tree Cruise truck I

1653
01:09:30,289 --> 01:09:28,620
think it's all wild after coaching the

1654
01:09:32,090 --> 01:09:30,299
man for a while the tree trimmers were

1655
01:09:33,709 --> 01:09:32,100
finally able to get him out where he

1656
01:09:36,530 --> 01:09:33,719
then took off wearing nothing but his

1657
01:09:38,689 --> 01:09:36,540
bathing suit Brian called the Lee County

1658
01:09:40,490 --> 01:09:38,699
Sheriff's Office who filed a report he

1659
01:09:42,950 --> 01:09:40,500
now wants deputies to find the man but

1660
01:09:45,110 --> 01:09:42,960
not to press charges hopefully we can

1661
01:09:46,490 --> 01:09:45,120
find this individual and get them the

1662
01:09:48,110 --> 01:09:46,500
help that they need I'm reporting local

1663
01:09:51,650 --> 01:09:48,120

tonight off McGregor Boulevard in Fort

1664

01:09:55,189 --> 01:09:51,660

Myers Gage Golding nbc2

1665

01:09:57,890 --> 01:09:55,199

so I'm going to guess that I don't know

1666

01:10:00,110 --> 01:09:57,900

for sure but this seems to be like a

1667

01:10:02,209 --> 01:10:00,120

tick tock kind of thing now like there's

1668

01:10:04,850 --> 01:10:02,219

a lot of tick-tock pranks going on well

1669

01:10:07,370 --> 01:10:04,860

I didn't see like in the the ring video

1670

01:10:08,810 --> 01:10:07,380

footage this guy didn't appear to like

1671

01:10:11,330 --> 01:10:08,820

have a phone with him or anything like

1672

01:10:13,910 --> 01:10:11,340

that uh he was kind of like laughing and

1673

01:10:16,310 --> 01:10:13,920

giggling you know way way too much

1674

01:10:17,930 --> 01:10:16,320

laughter while ringing a doorbell never

1675

01:10:19,370 --> 01:10:17,940

trust anybody who laughs that much while

1676

01:10:23,570 --> 01:10:19,380

ringing a doorbell

1677

01:10:26,390 --> 01:10:23,580

uh uh but I've read stories like this

1678

01:10:28,430 --> 01:10:26,400

where for tick tock for Tick-Tock pranks

1679

01:10:32,270 --> 01:10:28,440

people will just film themselves walking

1680

01:10:34,189 --> 01:10:32,280

into people's homes sitting down and

1681

01:10:35,630 --> 01:10:34,199

just going about their day their day and

1682

01:10:39,890 --> 01:10:35,640

their excuse is like oh I'm meeting

1683

01:10:41,510 --> 01:10:39,900

someone here for a study group or uh I

1684

01:10:44,209 --> 01:10:41,520

thought this was my friend's house and

1685

01:10:46,010 --> 01:10:44,219

then they make a a real nuisance of

1686

01:10:47,810 --> 01:10:46,020

themselves while the homeowners tried to

1687

01:10:49,970 --> 01:10:47,820

get these people out of their lives well

1688

01:10:51,229 --> 01:10:49,980

the guy guy in uh was in Kansas City got

1689

01:10:53,270 --> 01:10:51,239

shot doing that and then of course they

1690

01:10:56,030 --> 01:10:53,280

want to put the the homeowner up on

1691

01:10:58,130 --> 01:10:56,040

charges because he's defending his house

1692

01:10:59,630 --> 01:10:58,140

in this instance it's uh even more

1693

01:11:02,090 --> 01:10:59,640

difficult because how do you ask a ghost

1694

01:11:03,590 --> 01:11:02,100

to leave your house without a seance uh

1695

01:11:06,350 --> 01:11:03,600

I'm not saying that this guy was a ghost

1696

01:11:09,110 --> 01:11:06,360

and you know if he was a ghost he was a

1697

01:11:11,090 --> 01:11:09,120

full-bodied Apparition uh not

1698

01:11:13,729 --> 01:11:11,100

translucent at all uh it seemed like

1699

01:11:16,490 --> 01:11:13,739

it's a a regular black guy shirtless

1700

01:11:18,890 --> 01:11:16,500

looking for some food invited himself in

1701

01:11:23,950 --> 01:11:18,900

and then oh like they locked himself in

1702

01:11:27,770 --> 01:11:26,270

this guy came in and said you can see me

1703

01:11:30,590 --> 01:11:27,780

I'm a ghost I'd say well I don't see you

1704

01:11:32,229 --> 01:11:30,600

I just see floating swim trunks walking

1705

01:11:34,790 --> 01:11:32,239

around

1706

01:11:38,090 --> 01:11:34,800

if he's going to be a ghost he should

1707

01:11:43,490 --> 01:11:38,100

have been fully naked yeah right

1708

01:11:47,870 --> 01:11:45,169

they should have played along

1709

01:11:50,330 --> 01:11:47,880

and honestly like just her running from

1710

01:11:52,070 --> 01:11:50,340

the room screaming yeah screaming and

1711

01:11:54,229 --> 01:11:52,080

like say call the cops that there's a

1712

01:11:57,350 --> 01:11:54,239

ghost here and all the Ghostbusters Call

1713

01:12:00,770 --> 01:11:57,360

the Ghostbusters call somebody

1714

01:12:02,330 --> 01:12:00,780

and really make a big stink of it

1715

01:12:07,189 --> 01:12:02,340

uh

1716

01:12:10,250 --> 01:12:07,199

a drained tick tocker or just a drained

1717

01:12:10,260 --> 01:12:13,669

I don't know we both

1718

01:12:16,130 --> 01:12:14,930

all right what else you got over there

1719

01:12:22,270 --> 01:12:16,140

crack you want to do some more news

1720

01:12:27,110 --> 01:12:25,490

look at this [h__\h] all right do

1721

01:12:29,630 --> 01:12:27,120

you want to do one that's about more

1722

01:12:31,010 --> 01:12:29,640

influencers doing stupid [h__\h] because I

1723

01:12:32,510 --> 01:12:31,020

do have another one of those also in

1724

01:12:33,770 --> 01:12:32,520

Florida oddly enough

1725

01:12:35,450 --> 01:12:33,780

um

1726

01:12:36,950 --> 01:12:35,460

in fact yesterday let's do that one and

1727

01:12:39,350 --> 01:12:36,960

because I've got one I really want to do

1728

01:12:41,689 --> 01:12:39,360

that's going to be just gold for isos oh

1729

01:12:43,070 --> 01:12:41,699

okay yeah we'll do two more and then

1730

01:12:46,010 --> 01:12:43,080

I'll open up the phone lines for one or

1731

01:12:48,050 --> 01:12:46,020

two calls okay

1732

01:12:51,050 --> 01:12:48,060

so here's another influencer

1733

01:12:52,970 --> 01:12:51,060

doing dumb [h__h] is that how we got get

1734

01:12:53,930 --> 01:12:52,980

big in the podcasting arena is just to

1735

01:12:57,169 --> 01:12:53,940

do

1736

01:12:58,729 --> 01:12:57,179

dumb [h__h] out in real world we can break

1737

01:13:04,130 --> 01:12:58,739

into random people's houses and then

1738

01:13:04,140 --> 01:13:07,430

all right

1739

01:13:10,910 --> 01:13:09,169

let's take a look at this this looks

1740

01:13:13,370 --> 01:13:10,920

like some good news

1741

01:13:15,709 --> 01:13:13,380

uh Busch Gardens Tampa Bay working with

1742

01:13:18,890 --> 01:13:15,719

law enforcement after influencer jumps

1743

01:13:20,750 --> 01:13:18,900

into alligator exhibit that's some good

1744

01:13:21,950 --> 01:13:20,760

news on that front there is the tickety

1745

01:13:24,890 --> 01:13:21,960

Talk video of this if you scroll down

1746

01:13:31,310 --> 01:13:29,209

this is just going this is going nutsoid

1747

01:13:34,130 --> 01:13:31,320

nutsoid

1748

01:13:36,709 --> 01:13:34,140

I blame jackass

1749

01:13:39,070 --> 01:13:36,719

enter [h__\h]

1750

01:13:42,290 --> 01:13:39,080

here we go here's the the tick tocker

1751
01:13:44,190 --> 01:13:42,300
try to get back out I'm not I'm not wild

1752
01:13:45,830 --> 01:13:44,200
caring

1753
01:13:48,590 --> 01:13:45,840
[Music]

1754
01:13:51,350 --> 01:13:48,600
so he's doing like the Steve Irwin thing

1755
01:13:57,169 --> 01:13:51,360
it's trying he's doing his

1756
01:14:02,810 --> 01:13:59,990
my microphone was muted yeah and I had

1757
01:14:04,370 --> 01:14:02,820
no idea yeah yeah yeah when was the last

1758
01:14:06,050 --> 01:14:04,380
time I talked

1759
01:14:06,970 --> 01:14:06,060
uh when you said your dogs took a [h__h]

1760
01:14:10,070 --> 01:14:06,980
on the floor

1761
01:14:12,410 --> 01:14:10,080
[h__h] [h__h] that's hilarious well

1762
01:14:13,669 --> 01:14:12,420
anyway Jesus Christ I was like I was

1763
01:14:15,229 --> 01:14:13,679

hitting pushed to talk and it looked

1764

01:14:16,430 --> 01:14:15,239

like it was working and like oh this is

1765

01:14:18,470 --> 01:14:16,440

working like what I've been talking

1766

01:14:21,890 --> 01:14:18,480

people just talking over me like these

1767

01:14:24,649 --> 01:14:21,900

words ignoring you

1768

01:14:28,070 --> 01:14:24,659

yeah he's a ghost my name is Kevin

1769

01:14:31,070 --> 01:14:29,689

I was like what the [h__h] there's a

1770

01:14:33,050 --> 01:14:31,080

button right here on this [h__h] cord

1771

01:14:34,669 --> 01:14:33,060

that if you brush up against it it just

1772

01:14:36,890 --> 01:14:34,679

[h__h] cuts it just turns it all off

1773

01:14:38,750 --> 01:14:36,900

yeah this is not the first time this has

1774

01:14:41,870 --> 01:14:38,760

happened no I've been back for a while

1775

01:14:42,649 --> 01:14:41,880

oh okay found that name I've been here

1776

01:14:44,390 --> 01:14:42,659

um

1777

01:14:45,590 --> 01:14:44,400

no it wasn't that bad of a [h__\h] it was

1778

01:14:48,229 --> 01:14:45,600

actually pretty quick to clean up and I

1779

01:14:50,510 --> 01:14:48,239

gave him Rawhide nice so yeah okay

1780

01:14:53,270 --> 01:14:50,520

that's uh

1781

01:14:55,370 --> 01:14:53,280

it's good to know what the [h__\h] well uh

1782

01:14:58,070 --> 01:14:55,380

for this story the uh the guy who jumped

1783

01:15:01,010 --> 01:14:58,080

in the alligator exhibit uh a clout

1784

01:15:03,470 --> 01:15:01,020

chasing Louisiana man is not impossible

1785

01:15:05,630 --> 01:15:03,480

legal trouble after he risked his life

1786

01:15:07,910 --> 01:15:05,640

for internet points by jumping into an

1787

01:15:10,790 --> 01:15:07,920

alligator exhibit at Busch Gardens Tampa

1788

01:15:13,630 --> 01:15:10,800

Bay in the video posted June 1st which

1789

01:15:17,510 --> 01:15:13,640

is two days ago to his Tic Tac account

1790

01:15:18,590 --> 01:15:17,520

Nano info what's a nano influencer I'm

1791

01:15:20,630 --> 01:15:18,600

assuming that means someone who doesn't

1792

01:15:23,330 --> 01:15:20,640

have any followers he's got like two

1793

01:15:26,390 --> 01:15:23,340

guys following him a nano influencer

1794

01:15:28,490 --> 01:15:26,400

Jacob Ryan pierceful

1795

01:15:30,530 --> 01:15:28,500

uh can be seen inside the Park's

1796

01:15:34,010 --> 01:15:30,540

American alligator exhibit which is

1797

01:15:37,130 --> 01:15:34,020

separated uh separated uh from guests by

1798

01:15:40,550 --> 01:15:37,140

two fences and features Gators up to 15

1799

01:15:45,530 --> 01:15:40,560

feet long and one thousand pounds

1800

01:15:47,450 --> 01:15:45,540

uh another wild Karen crikey uh he's

1801
01:15:50,930 --> 01:15:47,460
heard saying while guests can be heard

1802
01:15:53,090 --> 01:15:50,940
asking him to exit the exhibit

1803
01:15:55,550 --> 01:15:53,100
exposed person for Busch Gardens told

1804
01:15:58,070 --> 01:15:55,560
creative loafing Tampa Bay what's

1805
01:15:59,870 --> 01:15:58,080
creative loafing Tampa Bay I guess this

1806
01:16:01,850 --> 01:15:59,880
is the blog we're reading right here

1807
01:16:04,310 --> 01:16:01,860
uh creative loafing Tampa Bay that the

1808
01:16:07,610 --> 01:16:04,320
incident occurred Wednesday May 31st and

1809
01:16:11,649 --> 01:16:09,649
by the way I did look it up uh Nano

1810
01:16:14,330 --> 01:16:11,659
influencer is officially somebody who

1811
01:16:18,229 --> 01:16:14,340
influences the opinion and behavior of a

1812
01:16:20,149 --> 01:16:18,239
small group of up to 100 people okay

1813
01:16:22,910 --> 01:16:20,159

um and I did find a second video of this

1814

01:16:24,410 --> 01:16:22,920

goon from his channel where he it's

1815

01:16:26,870 --> 01:16:24,420

longer he talks about he's gonna go do

1816

01:16:29,570 --> 01:16:26,880

it he jumps the fence a nano influencer

1817

01:16:31,130 --> 01:16:29,580

someone with some friends yeah well on

1818

01:16:33,110 --> 01:16:31,140

social media I'm a nano influencer

1819

01:16:34,610 --> 01:16:33,120

according to this article you correct me

1820

01:16:36,350 --> 01:16:34,620

from wrong correct this guy has less

1821

01:16:38,810 --> 01:16:36,360

than a thousand followers

1822

01:16:41,930 --> 01:16:38,820

uh let's find out

1823

01:16:45,050 --> 01:16:41,940

he has yes that is correct he has 942

1824

01:16:49,490 --> 01:16:45,060

followers whoa after I click this button

1825

01:16:55,610 --> 01:16:52,490

he is an a nano in

1826

01:16:57,830 --> 01:16:55,620

it I think this podcast is a nano

1827

01:16:59,510 --> 01:16:57,840

podcast that we could we could have a

1828

01:17:02,510 --> 01:16:59,520

nano podcast

1829

01:17:04,070 --> 01:17:02,520

nanocast a nano cast yes very Nano this

1830

01:17:06,830 --> 01:17:04,080

is the nanocast

1831

01:17:08,510 --> 01:17:06,840

uh well uh he he has less than a

1832

01:17:10,250 --> 01:17:08,520

thousand followers across most of his

1833

01:17:12,290 --> 01:17:10,260

various social media channels and

1834

01:17:14,990 --> 01:17:12,300

regularly uh he regularly posts prank

1835

01:17:16,550 --> 01:17:15,000

videos which often involve harassing

1836

01:17:20,030 --> 01:17:16,560

strangers and getting kicked out of

1837

01:17:22,729 --> 01:17:20,040

businesses so he's just being an [h__h]

1838

01:17:24,709 --> 01:17:22,739

I'm gonna go be an [\h__\h] I'm gonna put

1839

01:17:27,649 --> 01:17:24,719

a committed to video and put it out

1840

01:17:28,910 --> 01:17:27,659

there to the world and he's a nano

1841

01:17:30,830 --> 01:17:28,920

[\h__\h]

1842

01:17:33,470 --> 01:17:30,840

not a very big one

1843

01:17:35,810 --> 01:17:33,480

but uh coincidentally the recent

1844

01:17:39,310 --> 01:17:35,820

alligator uh video was filmed by local

1845

01:17:42,530 --> 01:17:39,320

influencer Nick Reed who told the

1846

01:17:44,870 --> 01:17:42,540

WFLA that this guy climbed over the

1847

01:17:47,390 --> 01:17:44,880

barriers to shoot the video and caused a

1848

01:17:49,310 --> 01:17:47,400

huge commotion and got within five feet

1849

01:17:51,229 --> 01:17:49,320

of the of an alligator okay how many

1850

01:17:52,990 --> 01:17:51,239

influencers were there at the time I

1851
01:17:57,410 --> 01:17:53,000
guess maybe they just all get together

1852
01:17:58,550 --> 01:17:57,420
in an effort to consolidate stupidity do

1853
01:18:00,649 --> 01:17:58,560
they try to influence each other yeah

1854
01:18:03,530 --> 01:18:00,659
they can they think if they get enough

1855
01:18:08,510 --> 01:18:03,540
stupid in one area something smart may

1856
01:18:16,070 --> 01:18:11,390
someone might create something that's

1857
01:18:21,890 --> 01:18:17,630
I want you guys to throw yourself off a

1858
01:18:25,669 --> 01:18:23,930
I'm gonna get this hit record before you

1859
01:18:28,669 --> 01:18:25,679
jump yeah

1860
01:18:30,830 --> 01:18:28,679
uh the station did not identify uh this

1861
01:18:33,470 --> 01:18:30,840
Nana influencer as the man in the video

1862
01:18:35,870 --> 01:18:33,480
or note that he is a social media

1863
01:18:38,689 --> 01:18:35,880

influencer have a read and this other

1864

01:18:40,550 --> 01:18:38,699

guy puresful both appear together in

1865

01:18:42,410 --> 01:18:40,560

different videos uploaded to YouTube on

1866

01:18:46,490 --> 01:18:42,420

the exact same day at Busch Gardens so

1867

01:18:48,830 --> 01:18:46,500

it looks like someone is copying off the

1868

01:18:50,570 --> 01:18:48,840

other one

1869

01:18:53,090 --> 01:18:50,580

so this is crazy

1870

01:18:54,590 --> 01:18:53,100

no yeah I'm I'm you're watching are you

1871

01:18:55,970 --> 01:18:54,600

a fan now you're watching this you're

1872

01:18:57,470 --> 01:18:55,980

subscribed to this Tick Tock you're a

1873

01:18:58,430 --> 01:18:57,480

big fan of subscribe I'm going following

1874

01:18:59,689 --> 01:18:58,440

this guy and everything no I was gonna

1875

01:19:01,189 --> 01:18:59,699

say I'm having trouble following how

1876

01:19:02,450 --> 01:19:01,199

many influencers involved doing what at

1877

01:19:04,430 --> 01:19:02,460

this point

1878

01:19:08,090 --> 01:19:04,440

it's just too there's too much there's

1879

01:19:11,930 --> 01:19:10,189

um okay but there is a longer video of

1880

01:19:13,790 --> 01:19:11,940

him explaining his nonsense before he

1881

01:19:16,189 --> 01:19:13,800

jumps the fence if you want to give him

1882

01:19:18,709 --> 01:19:16,199

additional attention up to you uh yeah

1883

01:19:21,050 --> 01:19:18,719

we need to grow his Nano influence I

1884

01:19:22,550 --> 01:19:21,060

like his channel I love it

1885

01:19:23,990 --> 01:19:22,560

you think if we get if we get him enough

1886

01:19:25,310 --> 01:19:24,000

followers he'll no longer be a nano

1887

01:19:27,110 --> 01:19:25,320

influencer and it'll have to just be a

1888

01:19:30,890 --> 01:19:27,120

plain old influencer yeah just regular

1889

01:19:34,189 --> 01:19:30,900

old influencer boring ass influencer

1890

01:19:36,649 --> 01:19:34,199

uh is this video currently unavailable

1891

01:19:38,689 --> 01:19:36,659

it worked for me I don't know

1892

01:19:42,530 --> 01:19:38,699

something's going on my browser I can't

1893

01:19:45,350 --> 01:19:42,540

scroll and uh I'm having browsing

1894

01:19:47,030 --> 01:19:45,360

difficulties if you go to his main maybe

1895

01:19:48,410 --> 01:19:47,040

it's a maybe you have to like because I

1896

01:19:49,790 --> 01:19:48,420

link directly to it and you're not

1897

01:19:53,510 --> 01:19:49,800

supposed to do it I'm going to his name

1898

01:19:54,470 --> 01:19:53,520

is called uh sneaky jupa yep I love it

1899

01:19:55,790 --> 01:19:54,480

it's the first it's the first video

1900

01:19:56,810 --> 01:19:55,800

there you can see him standing in the

1901

01:20:00,169 --> 01:19:56,820

woods

1902

01:20:02,510 --> 01:20:00,179

uh I don't see that I just see some

1903

01:20:04,910 --> 01:20:02,520

overweight lady yelling at somebody

1904

01:20:06,110 --> 01:20:04,920

really all right guys

1905

01:20:08,450 --> 01:20:06,120

weird

1906

01:20:11,090 --> 01:20:08,460

okay well screw screw the tickety talks

1907

01:20:13,669 --> 01:20:11,100

I don't know how it works all right

1908

01:20:14,930 --> 01:20:13,679

that's why you're a nano influencer dude

1909

01:20:17,030 --> 01:20:14,940

you gotta get your [h__h] together well

1910

01:20:18,890 --> 01:20:17,040

he's uh his his video that where he

1911

01:20:22,790 --> 01:20:18,900

jumped over almost has a half million

1912

01:20:27,290 --> 01:20:25,070

probably paid to have it promoted maybe

1913

01:20:29,350 --> 01:20:27,300

paid China

1914

01:20:33,110 --> 01:20:29,360

oh boy okay

1915

01:20:34,490 --> 01:20:33,120

uh enough of this crap head all right uh

1916

01:20:35,610 --> 01:20:34,500

we gotta run one more here before we

1917

01:20:41,870 --> 01:20:35,620

take calls okay

1918

01:20:44,390 --> 01:20:41,880

[Music]

1919

01:20:46,669 --> 01:20:44,400

come on I also have a story after

1920

01:20:48,290 --> 01:20:46,679

crutches a local story well we'll have

1921

01:20:50,149 --> 01:20:48,300

to how about we come back with that one

1922

01:20:52,370 --> 01:20:50,159

we're gonna take a few phone calls after

1923

01:20:54,530 --> 01:20:52,380

crutch's Story do a few phone calls and

1924

01:20:56,750 --> 01:20:54,540

come back with yours clown baby sounds

1925

01:20:59,090 --> 01:20:56,760

good

1926

01:21:01,490 --> 01:20:59,100

all right uh this story is here purely

1927

01:21:03,530 --> 01:21:01,500

because of the video of the guy trying

1928

01:21:04,610 --> 01:21:03,540

to explain it it is just gold for isos

1929

01:21:06,950 --> 01:21:04,620

you may want to go back and pull

1930

01:21:08,870 --> 01:21:06,960

whatever you want out of this okay well

1931

01:21:12,169 --> 01:21:08,880

I don't know what what's going on here

1932

01:21:14,510 --> 01:21:12,179

but uh we are we are set to

1933

01:21:15,470 --> 01:21:14,520

enjoy some is this a commercial you

1934

01:21:17,390 --> 01:21:15,480

think

1935

01:21:19,250 --> 01:21:17,400

no it's a

1936

01:21:20,689 --> 01:21:19,260

it's a news story all right here we go

1937

01:21:23,030 --> 01:21:20,699

this is a new story

1938

01:21:27,350 --> 01:21:23,040

actor on censored when my producer sent

1939

01:21:29,930 --> 01:21:27,360

me this topic I had to stop my lunch

1940

01:21:32,870 --> 01:21:29,940

I just couldn't eat anymore it's a male

1941

01:21:36,530 --> 01:21:32,880

hygiene problem or issue called Gooch

1942

01:21:40,149 --> 01:21:36,540

Greece I was like what the hell is that

1943

01:21:44,810 --> 01:21:40,159

and after Googling it I was bothered

1944

01:21:47,450 --> 01:21:44,820

victimize bamboozle let astray it

1945

01:21:51,229 --> 01:21:47,460

described it's described as a

1946

01:21:55,189 --> 01:21:51,239

culmination of Lent sweat and dried up

1947

01:21:56,510 --> 01:21:55,199

pieces of feces between a man's butt and

1948

01:21:59,330 --> 01:21:56,520

balls

1949

01:22:03,050 --> 01:21:59,340

first of all who are these men

1950

01:22:05,450 --> 01:22:03,060

but the problem is so bad for some men

1951

01:22:09,649 --> 01:22:05,460

According to some reports they now have

1952

01:22:13,490 --> 01:22:09,659

to use Women's maxi pads to stop the

1953

01:22:16,370 --> 01:22:13,500

mixture from messing up their underwear

1954

01:22:18,649 --> 01:22:16,380

it's a mixture now let's get into this

1955

01:22:20,110 --> 01:22:18,659

joining me to talk about it I don't want

1956

01:22:23,030 --> 01:22:20,120

to get into this yeah

1957

01:22:25,610 --> 01:22:23,040

Bevin Biggers hey Bevin and media

1958

01:22:27,830 --> 01:22:25,620

personality kg smooth and comedian and

1959

01:22:30,110 --> 01:22:27,840

sports journalist Barry laminate hey did

1960

01:22:33,709 --> 01:22:30,120

you just jump over a fences alligators I

1961

01:22:34,450 --> 01:22:33,719

as you know I just I don't know what to

1962

01:22:36,950 --> 01:22:34,460

do

1963

01:22:38,630 --> 01:22:36,960

the berry when you walked in you dropped

1964

01:22:41,510 --> 01:22:38,640

this

1965

01:22:44,050 --> 01:22:41,520

no he's showing him it's a it's a tampon

1966

01:22:47,229 --> 01:22:44,060

for men it's clean

1967

01:22:50,990 --> 01:22:47,239

it's a tampon for men

1968

01:22:52,669 --> 01:22:51,000

it's a maxi pad for men so Barry have

1969

01:22:55,729 --> 01:22:52,679

you ever heard of this you know I mean

1970

01:22:57,350 --> 01:22:55,739

look not really I haven't heard of it by

1971

01:22:59,709 --> 01:22:57,360

that name but there's some foul dudes

1972

01:23:02,510 --> 01:22:59,719

out there

1973

01:23:04,490 --> 01:23:02,520

like it's kind of disgusting I will say

1974

01:23:05,990 --> 01:23:04,500

this man as you get older you get bigger

1975

01:23:07,790 --> 01:23:06,000

see I don't have to worry about this but

1976

01:23:10,310 --> 01:23:07,800

as you get older you get bigger you

1977

01:23:12,169 --> 01:23:10,320

sweat more it's real simple if this is a

1978

01:23:14,450 --> 01:23:12,179

problem for you fellas you don't you

1979

01:23:15,189 --> 01:23:14,460

don't need I feel I feel gross touching

1980

01:23:20,450 --> 01:23:15,199

that

1981

01:23:25,250 --> 01:23:23,030

yeah you don't need to buy maxi pads for

1982

01:23:28,610 --> 01:23:25,260

yourself just take a shower

1983

01:23:29,930 --> 01:23:28,620

use use soap you gross gross bastards I

1984

01:23:32,030 --> 01:23:29,940

don't know

1985

01:23:35,330 --> 01:23:32,040

I buy this this is what I want this is

1986

01:23:40,790 --> 01:23:37,550

butthole and you shouldn't have like a

1987

01:23:42,590 --> 01:23:40,800

swamp of [h__\h] and sweat like in your

1988

01:23:46,189 --> 01:23:42,600

butt crack I'm too I'm too I'm in too

1989

01:23:47,810 --> 01:23:46,199

big of a hurry yeah you sit down [h__h]

1990

01:23:50,209 --> 01:23:47,820

and then just go back to work yeah

1991

01:23:51,830 --> 01:23:50,219

whatever happens down there happens I'll

1992

01:23:54,229 --> 01:23:51,840

take care of it later

1993

01:23:56,090 --> 01:23:54,239

like your swamp ass is like oh my God

1994

01:23:58,250 --> 01:23:56,100

like I guess

1995

01:24:00,229 --> 01:23:58,260

[h__h] and then shower and then go about

1996

01:24:02,090 --> 01:24:00,239

your day and this is this is on Fox news

1997

01:24:04,010 --> 01:24:02,100

right here like not like this is Fox

1998

01:24:05,209 --> 01:24:04,020

News 26 so it's local Fox news this is

1999

01:24:07,189 --> 01:24:05,219

local and it's not even their news this

2000

01:24:09,470 --> 01:24:07,199

is like their local like talk show but

2001

01:24:11,750 --> 01:24:09,480

this this is like they're doing a six to

2002

01:24:14,209 --> 01:24:11,760

seven minute piece on this you gotta

2003

01:24:16,130 --> 01:24:14,219

fill time somehow man all right put some

2004

01:24:17,350 --> 01:24:16,140

baby powder I'm gonna see how this how

2005

01:24:19,910 --> 01:24:17,360

far this goes

2006

01:24:22,270 --> 01:24:19,920

you just went wrong like no underwear

2007

01:24:24,850 --> 01:24:22,280

you know what no yeah

2008

01:24:27,229 --> 01:24:24,860

put some powder down there

2009

01:24:29,770 --> 01:24:27,239

all right I'm gonna go to the end how do

2010

01:24:34,790 --> 01:24:32,330

please thank you guys for joining us

2011

01:24:37,490 --> 01:24:34,800

here thank you everybody can't make this

2012

01:24:38,990 --> 01:24:37,500

up no it sounds like you made it up

2013

01:24:41,209 --> 01:24:39,000

Jordan does remember to follow us on

2014

01:24:44,930 --> 01:24:41,219

social media and also you can catch us

2015

01:24:47,209 --> 01:24:44,940

2016

01:24:49,930 --> 01:24:47,219

goodbye and hopefully you have clean

2017

01:24:52,850 --> 01:24:49,940

this is quite the story fingers at least

2018

01:24:55,669 --> 01:24:52,860

Gooch grease I've never heard of this

2019

01:24:57,410 --> 01:24:55,679

it sounds like this is like a big Maxie

2020

01:25:00,110 --> 01:24:57,420

trying to expand their Market

2021

01:25:02,149 --> 01:25:00,120

like uh it's pride month anything's

2022

01:25:05,149 --> 01:25:02,159

possible okay right

2023

01:25:07,850 --> 01:25:05,159

yeah let's get your good screws

2024

01:25:09,410 --> 01:25:07,860

this is all wrong well I I think

2025

01:25:12,350 --> 01:25:09,420

honestly it's somewhat similar to the

2026

01:25:14,090 --> 01:25:12,360

the recent rise we've had in um

2027

01:25:16,430 --> 01:25:14,100

everyone demanding to have bidets

2028

01:25:19,970 --> 01:25:16,440

installed everywhere it's like or just

2029

01:25:23,330 --> 01:25:19,980

don't be a gross son of a [\h__\h]

2030

01:25:28,490 --> 01:25:25,970

you really are

2031

01:25:30,669 --> 01:25:28,500

all right well I'll tell you what uh

2032

01:25:34,790 --> 01:25:30,679

call in

2033

01:25:41,630 --> 01:25:34,800

614-388 with your favorite Gucci stories

2034

01:25:46,610 --> 01:25:43,669

and we'll take a few phone calls here

2035

01:25:48,970 --> 01:25:46,620

and see what happens caller you are on

2036

01:25:53,630 --> 01:25:51,050

sorry about that that's all right I

2037

01:25:56,570 --> 01:25:53,640

didn't know which tab it was hi booberry

2038

01:25:59,930 --> 01:25:56,580

how's it going doing well how are you

2039

01:26:03,470 --> 01:25:59,940

I am well and free clear of Gooch grease

2040

01:26:06,590 --> 01:26:03,480

good good yeah I uh take ample care

2041

01:26:08,030 --> 01:26:06,600

after many encounters with the gig butt

2042

01:26:10,610 --> 01:26:08,040

is what we used to call it back in my

2043

01:26:14,209 --> 01:26:10,620

day this is called swamp ass right yeah

2044

01:26:17,030 --> 01:26:14,219

swamp ass gig bunk yeah monkey butt

2045

01:26:19,850 --> 01:26:17,040

yeah it's like this like to Rebrand it

2046

01:26:22,850 --> 01:26:19,860

as Gucci Greece is this is is ridiculous

2047

01:26:25,430 --> 01:26:22,860

this has been a problem as long as I've

2048

01:26:27,410 --> 01:26:25,440

been alive and I've never had to remedy

2049

01:26:30,169 --> 01:26:27,420

it or thought to remedy it with like a

2050

01:26:34,250 --> 01:26:32,270

it's just the it's just another line in

2051
01:26:36,129 --> 01:26:34,260
the song of Western privilege I suppose

2052
01:26:39,050 --> 01:26:36,139
I suppose so

2053
01:26:41,390 --> 01:26:39,060
uh you know when I was uh working at

2054
01:26:44,450 --> 01:26:41,400
Busch Gardens we never had to deal with

2055
01:26:46,129 --> 01:26:44,460
the anything like a like a dude jumping

2056
01:26:48,590 --> 01:26:46,139
over the fence to get into the Alligator

2057
01:26:51,050 --> 01:26:48,600
Pit a nano influencer you never had to

2058
01:26:52,669 --> 01:26:51,060
deal with Nano influencers like this nah

2059
01:26:55,310 --> 01:26:52,679
it wasn't really a thing I mean granted

2060
01:26:58,310 --> 01:26:55,320
we were up in the The Virginian one uh

2061
01:26:59,570 --> 01:26:58,320
not not Tampa oh sure but uh you're

2062
01:27:01,310 --> 01:26:59,580
saying they're more well-behaved in

2063
01:27:03,530 --> 01:27:01,320

Virginia than Tampa

2064

01:27:05,870 --> 01:27:03,540

in Virginia what they would do is stick

2065

01:27:08,090 --> 01:27:05,880

their phones on selfie sticks and then

2066

01:27:10,250 --> 01:27:08,100

as the dancers for one of the shows I

2067

01:27:12,709 --> 01:27:10,260

was working would go by it was a big

2068

01:27:14,450 --> 01:27:12,719

like dining hall sort of theater in the

2069

01:27:16,010 --> 01:27:14,460

round show a little [h__h] 20 minute

2070

01:27:18,050 --> 01:27:16,020

[h__h] off show

2071

01:27:20,810 --> 01:27:18,060

but they would stick the selfie sticks

2072

01:27:24,050 --> 01:27:20,820

and try to get up shut uh upshot

2073

01:27:25,550 --> 01:27:24,060

pictures on the skirts guys there's guys

2074

01:27:26,930 --> 01:27:25,560

that had the Google Glasses that would

2075

01:27:29,689 --> 01:27:26,940

sit in the front rows and kind of like

2076

01:27:31,930 --> 01:27:29,699

you know hunch down and try to get a

2077

01:27:34,430 --> 01:27:31,940

view yeah

2078

01:27:35,750 --> 01:27:34,440

it's a lot of effort you're gonna pull

2079

01:27:37,669 --> 01:27:35,760

your neck muscle or something like that

2080

01:27:39,890 --> 01:27:37,679

doing that but there's a whole

2081

01:27:43,129 --> 01:27:39,900

subculture of people that just

2082

01:27:44,270 --> 01:27:43,139

go to Parks incessantly and there's some

2083

01:27:47,930 --> 01:27:44,280

that

2084

01:27:50,990 --> 01:27:47,940

uh get creepy about it it's just it's a

2085

01:27:53,270 --> 01:27:51,000

lot of work a very expensive Hobby

2086

01:27:55,930 --> 01:27:53,280

yeah there was uh there was one

2087

01:27:59,870 --> 01:27:55,940

gentleman that I remember that was doing

2088

01:28:01,729 --> 01:27:59,880

constant paid for VIP backstage you know

2089

01:28:03,590 --> 01:28:01,739

50 whatever

2090

01:28:05,689 --> 01:28:03,600

quote unquote tours and he would just

2091

01:28:09,470 --> 01:28:05,699

sit there and like sit with the cast

2092

01:28:13,430 --> 01:28:09,480

every week so he's a groupie

2093

01:28:16,250 --> 01:28:13,440

kinda he's a groupie that's disgusting

2094

01:28:18,169 --> 01:28:16,260

the cast of what one of the the shows at

2095

01:28:21,110 --> 01:28:18,179

the park yeah

2096

01:28:23,090 --> 01:28:21,120

yeah there was this big 23 million

2097

01:28:25,430 --> 01:28:23,100

dollar production featuring all of the

2098

01:28:27,530 --> 01:28:25,440

hottest uh designers from Broadway and

2099

01:28:30,290 --> 01:28:27,540

choreographers from The Lion King and

2100

01:28:33,770 --> 01:28:30,300

Spider-Man turn off the dark

2101

01:28:36,050 --> 01:28:33,780

it was a 25 minute show of Just

2102

01:28:38,810 --> 01:28:36,060

anything and everything British rock

2103

01:28:42,290 --> 01:28:38,820

related just vomited at you through four

2104

01:28:44,649 --> 01:28:42,300

projectors and bad costumes and a

2105

01:28:47,030 --> 01:28:44,659

nonsensical story just

2106

01:28:48,370 --> 01:28:47,040

they suck you're just describing

2107

01:28:51,290 --> 01:28:48,380

Broadway at this point yeah pretty much

2108

01:28:52,490 --> 01:28:51,300

well Broadway comes to Williamsburg

2109

01:28:54,590 --> 01:28:52,500

Virginia

2110

01:28:55,490 --> 01:28:54,600

we got anything else first blueberry or

2111

01:28:56,629 --> 01:28:55,500

do you just want to talk about Busch

2112

01:28:59,750 --> 01:28:56,639

Garden because I will talk about Busch

2113

01:29:02,330 --> 01:28:59,760

Gardens with you I I worked there for

2114

01:29:04,370 --> 01:29:02,340

three years on and off again

2115

01:29:08,209 --> 01:29:04,380

um I will say the cool stuff was doing

2116

01:29:09,229 --> 01:29:08,219

the outdoor changeover per the seasons

2117

01:29:11,209 --> 01:29:09,239

so like

2118

01:29:13,490 --> 01:29:11,219

getting all the Halloween stuff set up

2119

01:29:16,129 --> 01:29:13,500

the mazes and whatnot and then driving

2120

01:29:18,649 --> 01:29:16,139

those big uh scissor lift cherry picker

2121

01:29:20,090 --> 01:29:18,659

type things for hanging all the

2122

01:29:22,189 --> 01:29:20,100

Christmas strands that they would do for

2123

01:29:23,930 --> 01:29:22,199

Christmas time so I didn't know you're

2124

01:29:26,510 --> 01:29:23,940

an amusement park guy did you ever have

2125

01:29:28,250 --> 01:29:26,520

to uh break up any fights at Busch

2126

01:29:31,490 --> 01:29:28,260

Gardens like we talked about how how

2127

01:29:33,010 --> 01:29:31,500

many fights did you have to break up no

2128

01:29:36,950 --> 01:29:33,020

fights

2129

01:29:38,930 --> 01:29:36,960

into starting

2130

01:29:40,610 --> 01:29:38,940

like we're constantly reading stories

2131

01:29:43,310 --> 01:29:40,620

about like a Disney World every week

2132

01:29:45,649 --> 01:29:43,320

There's a new brawl going down Carowinds

2133

01:29:49,189 --> 01:29:45,659

is really bad about it too uh they have

2134

01:29:52,189 --> 01:29:49,199

those like uh flash mob uh devolve into

2135

01:29:54,110 --> 01:29:52,199

Riot sort of situations Carowinds on the

2136

01:29:56,270 --> 01:29:54,120

north North and South Carolina border

2137

01:29:57,770 --> 01:29:56,280

maybe it's just the heat you know the

2138

01:30:01,550 --> 01:29:57,780

further south you go the more apt you

2139

01:30:03,649 --> 01:30:01,560

are to throw down yeah of course from

2140

01:30:06,790 --> 01:30:03,659

Gooch Greece yeah Gooch grease Big Time

2141

01:30:09,770 --> 01:30:06,800

a huge problem in the South oh now now

2142

01:30:12,709 --> 01:30:09,780

uh now it's I mean there is definitely

2143

01:30:14,990 --> 01:30:12,719

drunk people uh and during Halloween

2144

01:30:17,030 --> 01:30:15,000

they they really start eating can pack

2145

01:30:19,790 --> 01:30:17,040

the uh the park

2146

01:30:21,290 --> 01:30:19,800

so stuff can get a little testy then but

2147

01:30:24,050 --> 01:30:21,300

yeah candy corn always get you going

2148

01:30:25,490 --> 01:30:24,060

yeah at the same point like I'm trying

2149

01:30:27,590 --> 01:30:25,500

to run around this whole [h__h] theme

2150

01:30:29,950 --> 01:30:27,600

park to to fix stuff that's getting

2151
01:30:31,790 --> 01:30:29,960
broke by drunk patrons so like I'm not

2152
01:30:33,590 --> 01:30:31,800
necessarily trying to hang out in one

2153
01:30:35,750 --> 01:30:33,600
spot for too long is there anything like

2154
01:30:38,030 --> 01:30:35,760
how is that fun getting completely

2155
01:30:39,890 --> 01:30:38,040
wasted and then going riding roller

2156
01:30:45,669 --> 01:30:39,900
coast roller coasters like did you say

2157
01:30:50,510 --> 01:30:48,830
riding from roolly Cove for the for the

2158
01:30:53,330 --> 01:30:50,520
Halloween stuff you gotta you know they

2159
01:30:56,930 --> 01:30:53,340
got nine Halloween mazes whatever you

2160
01:30:58,370 --> 01:30:56,940
want haunted mazes and why not drunk

2161
01:31:02,450 --> 01:30:58,380
you're never getting out

2162
01:31:05,629 --> 01:31:04,129
I guess I just get a lot more drink than

2163
01:31:08,870 --> 01:31:05,639

some people

2164

01:31:11,030 --> 01:31:08,880

that's you know it's

2165

01:31:13,669 --> 01:31:11,040

I don't know the it's it's very

2166

01:31:15,350 --> 01:31:13,679

expensive yeah so I kind of limit the

2167

01:31:16,790 --> 01:31:15,360

the drinking at the theme parks but if

2168

01:31:19,250 --> 01:31:16,800

you can get the employee discount and

2169

01:31:20,870 --> 01:31:19,260

get a couple of uh a couple of beers and

2170

01:31:22,490 --> 01:31:20,880

cheap yeah Grant so you're gonna be

2171

01:31:26,629 --> 01:31:22,500

working those days that the Park is open

2172

01:31:29,090 --> 01:31:26,639

so don't really matter yeah now uh theme

2173

01:31:31,970 --> 01:31:29,100

park employees considered Carneys

2174

01:31:34,790 --> 01:31:31,980

no that is a good question why not

2175

01:31:36,890 --> 01:31:34,800

are they better or worse than Carney's

2176
01:31:38,209 --> 01:31:36,900
because you know would you consider

2177
01:31:40,510 --> 01:31:38,219
somebody that works at Sea World at

2178
01:31:42,890 --> 01:31:40,520
Kearney yes maybe

2179
01:31:43,910 --> 01:31:42,900
they run the game booth yeah they're

2180
01:31:45,790 --> 01:31:43,920
running the game booths are definitely

2181
01:31:48,350 --> 01:31:45,800
carnies you gotta watch out

2182
01:31:50,149 --> 01:31:48,360
amphibious Carney

2183
01:31:52,729 --> 01:31:50,159
as far as I'm aware Sea World still

2184
01:31:54,590 --> 01:31:52,739
still owns uh both the parks

2185
01:31:56,510 --> 01:31:54,600
yeah I think if you're you're doing one

2186
01:31:58,850 --> 01:31:56,520
of those games or you're you're Hawking

2187
01:32:00,830 --> 01:31:58,860
something you're definitely a Carney

2188
01:32:02,330 --> 01:32:00,840

well you're Hawking season passes you

2189

01:32:04,189 --> 01:32:02,340

know

2190

01:32:06,110 --> 01:32:04,199

I'm just saying probably you probably

2191

01:32:08,510 --> 01:32:06,120

you're probably Carney you don't even

2192

01:32:12,229 --> 01:32:08,520

know it

2193

01:32:14,270 --> 01:32:12,239

uh I do have some summer uh dates lined

2194

01:32:17,090 --> 01:32:14,280

up finally going to gonna go back out on

2195

01:32:18,590 --> 01:32:17,100

the road for two weekends so I'm gonna

2196

01:32:20,750 --> 01:32:18,600

be living this best Roadie life again

2197

01:32:22,970 --> 01:32:20,760

once more what are you going out for

2198

01:32:25,970 --> 01:32:22,980

uh The Misfits you're going you're doing

2199

01:32:28,330 --> 01:32:25,980

Misfits tour yeah it's for two dates

2200

01:32:31,850 --> 01:32:28,340

maybe one in uh October

2201
01:32:33,770 --> 01:32:31,860
wow so what what is uh your interaction

2202
01:32:36,050 --> 01:32:33,780
with the band you just doing stagehand

2203
01:32:38,570 --> 01:32:36,060
you're setting up their production

2204
01:32:40,790 --> 01:32:38,580
I'll be the uh the dimmer tag so

2205
01:32:43,010 --> 01:32:40,800
basically just getting everything set up

2206
01:32:45,229 --> 01:32:43,020
between the the venue and the lighting

2207
01:32:47,149 --> 01:32:45,239
rig it's all the dimmer racks and power

2208
01:32:49,129 --> 01:32:47,159
racks and the like

2209
01:32:50,689 --> 01:32:49,139
so Glenn danzig's not hiring you to

2210
01:32:53,270 --> 01:32:50,699
carry around his kitty litter his Kitty

2211
01:32:55,310 --> 01:32:53,280
literally can you put up with the image

2212
01:32:56,570 --> 01:32:55,320
of Glenn Diggs Glenn Danzig carrying

2213
01:32:58,729 --> 01:32:56,580

kitty litter

2214

01:33:02,470 --> 01:32:58,739

maybe that's exclusively what Uber has

2215

01:33:05,810 --> 01:33:02,480

to do is like go buy Glenn Dan 6K litter

2216

01:33:07,550 --> 01:33:05,820

uh I was told that Jerry Only uh is

2217

01:33:10,010 --> 01:33:07,560

there for all the load-ins and loadouts

2218

01:33:12,169 --> 01:33:10,020

so that'll be interesting

2219

01:33:14,990 --> 01:33:12,179

he's one of the guys that helps dump the

2220

01:33:17,870 --> 01:33:15,000

truck and gets set up

2221

01:33:20,450 --> 01:33:17,880

good plan baby Mike brought up Danzig um

2222

01:33:23,030 --> 01:33:20,460

as as you know I'm getting

2223

01:33:26,090 --> 01:33:23,040

and there's supposed to be a a mother

2224

01:33:28,370 --> 01:33:26,100

Sundance and I want to do that to mother

2225

01:33:30,590 --> 01:33:28,380

from Danzig and I'm getting pushback

2226

01:33:32,030 --> 01:33:30,600

from this

2227

01:33:34,910 --> 01:33:32,040

I'm sorry who's the one that's getting

2228

01:33:37,189 --> 01:33:34,920

married uh climbing there you go that's

2229

01:33:39,350 --> 01:33:37,199

all you need to know

2230

01:33:41,209 --> 01:33:39,360

pretty slow song it's not exactly it's

2231

01:33:44,890 --> 01:33:41,219

not like really heavy metal it's more

2232

01:33:50,709 --> 01:33:47,870

even for me I don't know if this is a

2233

01:33:57,729 --> 01:33:55,129

it's a good song I don't know if it's a

2234

01:34:02,090 --> 01:33:57,739

wedding appropriate

2235

01:34:07,370 --> 01:34:05,030

hmm it is your wedding so if you want to

2236

01:34:09,169 --> 01:34:07,380

remember this day with Glenn Danzig then

2237

01:34:12,350 --> 01:34:09,179

God bless you

2238

01:34:14,390 --> 01:34:12,360

yeah we'll see if it all right

2239

01:34:16,250 --> 01:34:14,400

so are they paying you well to do this

2240

01:34:18,709 --> 01:34:16,260

uh I mean you're doing two days you know

2241

01:34:20,629 --> 01:34:18,719

are you doing it for the experience or

2242

01:34:23,390 --> 01:34:20,639

is it good pay

2243

01:34:27,350 --> 01:34:23,400

pretty good pay it's definitely when I

2244

01:34:28,370 --> 01:34:27,360

we just kind of negotiated the the fee

2245

01:34:30,530 --> 01:34:28,380

today

2246

01:34:32,450 --> 01:34:30,540

and it was pretty good all things

2247

01:34:34,430 --> 01:34:32,460

considered so it's definitely leaning

2248

01:34:36,709 --> 01:34:34,440

more towards though I just gotta do this

2249

01:34:38,629 --> 01:34:36,719

yeah it's Misfits it's like it's jury

2250

01:34:40,430 --> 01:34:38,639

only Glenn Danzig I think Doyle playing

2251

01:34:44,830 --> 01:34:40,440

guitar I don't know who their uh their

2252

01:34:50,629 --> 01:34:48,229

Lombardo's doing it wow he was on for

2253

01:34:53,990 --> 01:34:50,639

the uh the couple that they were doing

2254

01:34:56,510 --> 01:34:54,000

over in 2020 or 2021 just before the uh

2255

01:34:59,270 --> 01:34:56,520

the the pandemic hit I think they they

2256

01:35:00,770 --> 01:34:59,280

had him too so uh man if they come close

2257

01:35:05,149 --> 01:35:00,780

I'd love to go see him

2258

01:35:07,550 --> 01:35:05,159

it's new work and Phoenix too far the

2259

01:35:10,610 --> 01:35:07,560

two dates wow that's that's a spread

2260

01:35:13,310 --> 01:35:10,620

yeah all right well

2261

01:35:14,390 --> 01:35:13,320

hopefully they'll uh do a few more dates

2262

01:35:16,010 --> 01:35:14,400

during the summer and I'll be able to

2263

01:35:18,649 --> 01:35:16,020

check them out so all right blueberry

2264

01:35:20,689 --> 01:35:18,659

well uh hey wait before you go you're

2265

01:35:24,530 --> 01:35:20,699

doing you're working with kiss as well

2266

01:35:27,729 --> 01:35:24,540

right that'll be in August oh man

2267

01:35:30,649 --> 01:35:27,739

so this is really their last tour right

2268

01:35:32,330 --> 01:35:30,659

wink wink nudge nudge I've seen them

2269

01:35:35,330 --> 01:35:32,340

I've seen them three times on their

2270

01:35:38,450 --> 01:35:37,729

and the the first time was back in 2000

2271

01:35:40,610 --> 01:35:38,460

and

2272

01:35:43,729 --> 01:35:40,620

five or whatever I know I remember their

2273

01:35:44,930 --> 01:35:43,739

farewell tour in 1996.

2274

01:35:46,970 --> 01:35:44,940

so

2275

01:35:48,950 --> 01:35:46,980

God only knows

2276

01:35:50,870 --> 01:35:48,960

they don't need the money they don't

2277

01:35:53,629 --> 01:35:50,880

need the money they're all wealthy

2278

01:35:57,410 --> 01:35:53,639

Beyond well at this point so

2279

01:35:59,390 --> 01:35:57,420

oh yeah trust me man I I totally do not

2280

01:36:01,250 --> 01:35:59,400

understand it

2281

01:36:03,050 --> 01:36:01,260

stop saying it's a very well tour just

2282

01:36:04,850 --> 01:36:03,060

that's all anybody cares about is to

2283

01:36:08,030 --> 01:36:04,860

stop saying it's a farewell tour

2284

01:36:10,010 --> 01:36:08,040

yeah just say this is one of our last

2285

01:36:13,189 --> 01:36:10,020

tours we don't know do they keep

2286

01:36:16,250 --> 01:36:13,199

farewell farewell so it's like farewell

2287

01:36:18,229 --> 01:36:16,260

well well numerals no it's like just the

2288

01:36:20,149 --> 01:36:18,239

else

2289

01:36:22,250 --> 01:36:20,159

yeah

2290

01:36:24,169 --> 01:36:22,260

um well thanks for letting me call in uh

2291

01:36:26,450 --> 01:36:24,179

if you will permit me I would like to

2292

01:36:29,750 --> 01:36:26,460

just close out on this ISO that I have

2293

01:36:32,030 --> 01:36:29,760

prepared for the Nano influencer uh it's

2294

01:36:34,430 --> 01:36:32,040

a sage piece of advice that I I think he

2295

01:36:36,229 --> 01:36:34,440

could take a lot from okay if you if you

2296

01:36:40,790 --> 01:36:36,239

will allow sure who tubing is a mental

2297

01:36:40,800 --> 01:36:44,030

your pelvis

2298

01:36:49,189 --> 01:36:46,460

thank you very much

2299

01:36:53,450 --> 01:36:49,199

[Music]

2300

01:36:59,870 --> 01:36:55,010

idiot caller you are the last caller

2301

01:37:03,110 --> 01:37:01,370

all right what's going on who are we

2302

01:37:05,870 --> 01:37:03,120

talking to

2303

01:37:07,990 --> 01:37:05,880

this farmer Matt farmer Matt

2304

01:37:11,149 --> 01:37:08,000

you're out there in Hawaii from Hawaii

2305

01:37:13,189 --> 01:37:11,159

hey don't trust that GPS out there man

2306

01:37:14,810 --> 01:37:13,199

do not drive down anybody I know I'm

2307

01:37:19,729 --> 01:37:14,820

glad

2308

01:37:23,270 --> 01:37:19,739

entertainment for the show yes

2309

01:37:26,410 --> 01:37:23,280

well congratulations to clown baby

2310

01:37:31,070 --> 01:37:28,729

phone can you guys hear me yeah you're

2311

01:37:32,629 --> 01:37:31,080

fine it sounds like you're a little

2312

01:37:35,750 --> 01:37:32,639

distant but it's okay sounds like the

2313

01:37:42,290 --> 01:37:39,169

oh God call me Fournier well I have a uh

2314

01:37:44,270 --> 01:37:42,300

I have a conspiracy theory

2315

01:37:46,310 --> 01:37:44,280

give it to us so

2316

01:37:48,350 --> 01:37:46,320

Mike and Joe you've never met credit

2317

01:37:51,530 --> 01:37:48,360

right so how do we not how do we know

2318

01:37:53,990 --> 01:37:51,540

that Chris is not an AI fed bot

2319

01:37:58,129 --> 01:37:54,000

we don't know that uh we've never met

2320

01:38:02,390 --> 01:37:58,139

Cratchit in person uh for all we know he

2321

01:38:05,090 --> 01:38:02,400

he could be a hyper intelligent AI fed

2322

01:38:06,950 --> 01:38:05,100

butt but I don't think so

2323

01:38:10,910 --> 01:38:06,960

not a very good one anyway well we love

2324

01:38:17,270 --> 01:38:13,790

is all you got farmer Matt

2325

01:38:22,270 --> 01:38:17,280

yeah I just want to say hi okay

2326

01:38:22,280 --> 01:38:26,820

bye your phone's bad

2327

01:38:29,450 --> 01:38:27,950

[Music]

2328

01:38:32,709 --> 01:38:29,460

that's just not as bad as some of them

2329

01:38:37,490 --> 01:38:32,719

no it's not just far away from it it did

2330

01:38:39,649 --> 01:38:37,500

uh all right uh Let's uh let's do uh a

2331

01:38:44,330 --> 01:38:39,659

few more stories here just to go over

2332

01:38:45,890 --> 01:38:44,340

and see what the clown baby has

2333

01:38:49,870 --> 01:38:45,900

thank you

2334

01:38:56,149 --> 01:38:54,290

can you uh send me your news article oh

2335

01:38:58,490 --> 01:38:56,159

yeah let me do that real quick uh how do

2336

01:39:01,129 --> 01:38:58,500

you what medium

2337

01:39:03,470 --> 01:39:01,139

uh print it out on a dot matrix printer

2338

01:39:06,590 --> 01:39:03,480

I can put it in the zoom chat or the

2339

01:39:10,070 --> 01:39:06,600

zoom chat email Zoom chat's fine

2340

01:39:10,080 --> 01:39:14,330

yeah Zoom chat's fine

2341

01:39:14,340 --> 01:39:18,290

let's check this bad boy out

2342

01:39:23,209 --> 01:39:20,570

it's a pretty uh

2343

01:39:25,550 --> 01:39:23,219

extreme story from the Chicago area okay

2344

01:39:27,890 --> 01:39:25,560

man with weapons Foster the flag found

2345

01:39:30,890 --> 01:39:27,900

dead after Friday standoff with police

2346

01:39:32,689 --> 01:39:30,900

in West Humboldt Park

2347

01:39:35,570 --> 01:39:32,699

that's good news

2348

01:39:37,669 --> 01:39:35,580

uh hours after negotiations police said

2349

01:39:39,950 --> 01:39:37,679

they entered the building Friday evening

2350

01:39:42,110 --> 01:39:39,960

to find the man deceased so negotiations

2351

01:39:43,310 --> 01:39:42,120

failed is what they're saying what

2352

01:39:45,830 --> 01:39:43,320

appears though yeah or they were

2353

01:39:47,990 --> 01:39:45,840

successful yeah yeah okay yeah no I want

2354

01:39:50,390 --> 01:39:48,000

to say this man's swastika flag was

2355

01:39:52,970 --> 01:39:50,400

yellow with a red swastika it was pretty

2356

01:39:54,890 --> 01:39:52,980

McDonald's colored really is that yeah

2357

01:39:56,270 --> 01:39:54,900

it's interesting I'm gonna I'm gonna put

2358

01:39:58,189 --> 01:39:56,280

up an image they have here on the lead

2359

01:39:59,870 --> 01:39:58,199

so the the second thing they mentioned

2360

01:40:02,390 --> 01:39:59,880

in the story was he had a swastika flag

2361

01:40:03,950 --> 01:40:02,400

the photo of his Flags does not include

2362

01:40:05,270 --> 01:40:03,960

that so I'm assuming that was placed by

2363

01:40:05,990 --> 01:40:05,280

the cops

2364

01:40:07,790 --> 01:40:06,000

um

2365

01:40:09,890 --> 01:40:07,800

yes you scroll down on the story you can

2366

01:40:11,689 --> 01:40:09,900

see every all the flags he has on top of

2367

01:40:14,149 --> 01:40:11,699

his house apartment or whatever he had

2368

01:40:16,490 --> 01:40:14,159

yeah and yeah and then the one the

2369

01:40:19,250 --> 01:40:16,500

swastika one is a yellow background with

2370

01:40:20,770 --> 01:40:19,260

a red swastika it is very very

2371

01:40:23,570 --> 01:40:20,780

McDonald's

2372

01:40:26,570 --> 01:40:23,580

it's it's kind of bizarre

2373

01:40:30,350 --> 01:40:26,580

huh is a Ukrainian flag up there too so

2374

01:40:31,490 --> 01:40:30,360

he does yeah I'm assuming he supports

2375

01:40:35,590 --> 01:40:31,500

the uh

2376

01:40:38,270 --> 01:40:35,600
the the true Ukrainian Nazis uh

2377

01:40:41,390 --> 01:40:38,280
pows Let's uh figure out what's going on

2378

01:40:43,250 --> 01:40:41,400
here a man with a gun a flamethrower and

2379

01:40:46,010 --> 01:40:43,260
a Nazi flag why aren't they mentioning

2380

01:40:48,350 --> 01:40:46,020
all the other flags they're trying to

2381

01:40:50,450 --> 01:40:48,360
set a narrative uh Nazi flag was found

2382

01:40:52,729 --> 01:40:50,460
dead after a day standoff with police

2383

01:40:54,229 --> 01:40:52,739
Friday in Humboldt Park for weeks

2384

01:40:56,390 --> 01:40:54,239
neighbors have complained of the

2385

01:40:58,370 --> 01:40:56,400
swastika flag being hung on the

2386

01:41:01,070 --> 01:40:58,380
scaffolding on the roof of the building

2387

01:41:03,590 --> 01:41:01,080
of the 4100 Block of West Chicago Avenue

2388

01:41:05,870 --> 01:41:03,600

according to the Chicago Tribune there's

2389

01:41:08,990 --> 01:41:05,880

a swastika flag it's not even a flag

2390

01:41:10,550 --> 01:41:09,000

it's more of like cardboard it looks

2391

01:41:12,770 --> 01:41:10,560

like it's a painted the piece of plywood

2392

01:41:14,689 --> 01:41:12,780

yeah it doesn't look like a flag so

2393

01:41:17,030 --> 01:41:14,699

we're trying to be accurate here it I

2394

01:41:20,629 --> 01:41:17,040

mean it is a swastika and it is painted

2395

01:41:22,669 --> 01:41:20,639

apparently in the correct direction so

2396

01:41:25,430 --> 01:41:22,679

um that part they have right

2397

01:41:27,290 --> 01:41:25,440

uh the swastika flag was up again Friday

2398

01:41:29,810 --> 01:41:27,300

morning when police responded to the

2399

01:41:32,030 --> 01:41:29,820

scene of a man on a roof with a gun and

2400

01:41:33,290 --> 01:41:32,040

a flamethrower and other weapons uh

2401

01:41:35,930 --> 01:41:33,300

police closed up portion of Chicago

2402

01:41:39,050 --> 01:41:35,940

Avenue near Pulaski Road where a man

2403

01:41:42,470 --> 01:41:39,060

could be heard sane and or playing a

2404

01:41:45,229 --> 01:41:42,480

recording saying Fu Chicago Police I'm

2405

01:41:49,910 --> 01:41:45,239

going to kill you while blasting audio

2406

01:41:54,470 --> 01:41:49,920

with the words Fu and recording Eye of

2407

01:41:54,480 --> 01:41:59,270

ready

2408

01:42:03,410 --> 01:42:02,270

wait a second wait a second I did were

2409

01:42:08,510 --> 01:42:03,420

they playing

2410

01:42:11,209 --> 01:42:08,520

uh this one uh the like the I because I

2411

01:42:11,219 --> 01:42:14,649

I did this one

2412

01:42:18,140 --> 01:42:18,130

oh [h__h]

2413

01:42:23,169 --> 01:42:19,450

[Music]

2414

01:42:29,750 --> 01:42:26,950

this is weird this is a weird simulation

2415

01:42:32,450 --> 01:42:29,760

kendallian saying that Survivor is a

2416

01:42:34,189 --> 01:42:32,460

Chicago band could this have been Jim

2417

01:42:35,390 --> 01:42:34,199

pederick or Frankie Sullivan oh good

2418

01:42:40,970 --> 01:42:35,400

point

2419

01:42:44,050 --> 01:42:40,980

music industry they just decided to go

2420

01:42:47,570 --> 01:42:44,060

balls deep and and crazy

2421

01:42:50,209 --> 01:42:47,580

and uh did this

2422

01:42:52,250 --> 01:42:50,219

um okay around 3 P.M the reporter saw

2423

01:42:55,129 --> 01:42:52,260

the man wielding a gun and pointed it

2424

01:42:56,330 --> 01:42:55,139

around uh the rooftop says police and

2425

01:42:57,770 --> 01:42:56,340

SWAT teams below attempted to

2426
01:43:00,350 --> 01:42:57,780
communicate with them the man blast it

2427
01:43:02,110 --> 01:43:00,360
allowed siren in an apparent effort to

2428
01:43:05,149 --> 01:43:02,120
drown out the officers okay

2429
01:43:07,189 --> 01:43:05,159
[Music]

2430
01:43:09,669 --> 01:43:07,199
just a terror up there

2431
01:43:11,990 --> 01:43:09,679
Chicago the band Chicago that's true

2432
01:43:14,629 --> 01:43:12,000
vocal tracks

2433
01:43:16,310 --> 01:43:14,639
around 4 pm the door to the building was

2434
01:43:19,080 --> 01:43:16,320
briefing authorities

2435
01:43:22,430 --> 01:43:19,090
and two loud bangs were heard okay

2436
01:43:27,770 --> 01:43:24,850
authorities attempted negotiate

2437
01:43:29,990 --> 01:43:27,780
that's where he's attempted to negotiate

2438
01:43:32,870 --> 01:43:30,000

with the man who had moved inside the

2439

01:43:34,729 --> 01:43:32,880

building but found a deceased inside the

2440

01:43:35,689 --> 01:43:34,739

managed Identity or cause of death had

2441

01:43:37,910 --> 01:43:35,699

not been released through the Cook

2442

01:43:39,350 --> 01:43:37,920

County Medical examiner's Office wait

2443

01:43:41,510 --> 01:43:39,360

they said there were two bangs and they

2444

01:43:43,370 --> 01:43:41,520

find the guy dead inside so did they

2445

01:43:45,229 --> 01:43:43,380

shoot him or was it did he die if they

2446

01:43:48,830 --> 01:43:45,239

can cause a blast you know just because

2447

01:43:50,930 --> 01:43:48,840

uh maybe he was near the the flashbangs

2448

01:43:51,709 --> 01:43:50,940

I mean I I that could kill somebody I

2449

01:43:54,709 --> 01:43:51,719

think

2450

01:43:56,629 --> 01:43:54,719

I don't know for sure I'm assuming it

2451
01:43:58,729 --> 01:43:56,639
lands on your head maybe uh neighbors

2452
01:44:00,410 --> 01:43:58,739
gathered around the block Friday saying

2453
01:44:02,270 --> 01:44:00,420
the man really goes on to the building

2454
01:44:03,410 --> 01:44:02,280
of Ruth and used his flamethrower at

2455
01:44:06,950 --> 01:44:03,420
night

2456
01:44:08,330 --> 01:44:06,960
time to use it I mean but you want to be

2457
01:44:10,550 --> 01:44:08,340
seen that's the best time to use your

2458
01:44:11,990 --> 01:44:10,560
flamethrower is at night so I don't

2459
01:44:14,030 --> 01:44:12,000
blame it for that I want to see footage

2460
01:44:16,310 --> 01:44:14,040
of the flamethrower and he said he would

2461
01:44:18,830 --> 01:44:16,320
blast recordings for hours that say F

2462
01:44:20,870 --> 01:44:18,840
the police F2 Biden among other things

2463
01:44:23,090 --> 01:44:20,880

the Tribune reported the neighbors have

2464

01:44:25,490 --> 01:44:23,100

heard a man making anti-semitic

2465

01:44:27,350 --> 01:44:25,500

commentary the police have been shot yes

2466

01:44:29,030 --> 01:44:27,360

uh police have been called to the

2467

01:44:31,970 --> 01:44:29,040

building twice in recent months for

2468

01:44:34,370 --> 01:44:31,980

similar situations a neighbor said

2469

01:44:36,530 --> 01:44:34,380

so the police they did they know this

2470

01:44:39,830 --> 01:44:36,540

guy had a flamethrower and guns and was

2471

01:44:41,870 --> 01:44:39,840

like I like I'm guessing I'm just

2472

01:44:43,970 --> 01:44:41,880

assuming that it's not legal to have a

2473

01:44:46,850 --> 01:44:43,980

flamethrower in Chicago

2474

01:44:49,430 --> 01:44:46,860

I think from what I read another article

2475

01:44:51,830 --> 01:44:49,440

he has like a torch like a like a butane

2476

01:44:53,810 --> 01:44:51,840

like blow torch and he's using something

2477

01:44:55,310 --> 01:44:53,820

else I think I don't think it's a proper

2478

01:44:56,689 --> 01:44:55,320

flamethrower I thought they're calling

2479

01:44:59,810 --> 01:44:56,699

it a flamethrower or something I'm I'm

2480

01:45:01,729 --> 01:44:59,820

picturing like a 1970s Vietnam era of

2481

01:45:03,770 --> 01:45:01,739

flamethrower that he's going up onto his

2482

01:45:06,470 --> 01:45:03,780

roof and just blasting off you know he's

2483

01:45:09,649 --> 01:45:06,480

firing gelled Napalm out of and lighting

2484

01:45:11,990 --> 01:45:09,659

it no I doubt that I didn't realize a

2485

01:45:14,090 --> 01:45:12,000

backyard barbecue torch you could do

2486

01:45:16,790 --> 01:45:14,100

this stuff in the city and he'd be fine

2487

01:45:19,129 --> 01:45:16,800

and now I can just go on my back deck

2488

01:45:20,750 --> 01:45:19,139

here and just start shooting off guns

2489

01:45:22,910 --> 01:45:20,760

and yeah flamethrowers and it'll be cool

2490

01:45:24,649 --> 01:45:22,920

the cops will just say hey keep it down

2491

01:45:26,750 --> 01:45:24,659

uh many of the residents on the block

2492

01:45:28,250 --> 01:45:26,760

are black and there's Latino owned

2493

01:45:30,770 --> 01:45:28,260

businesses nearby while a man making

2494

01:45:32,570 --> 01:45:30,780

threats is white and never said then uh

2495

01:45:34,729 --> 01:45:32,580

the neighbors said he used to be able to

2496

01:45:36,109 --> 01:45:34,739

talk to the man but the man changed in

2497

01:45:38,990 --> 01:45:36,119

recent years and started playing the

2498

01:45:41,270 --> 01:45:39,000

recordings and using weapons he also uh

2499

01:45:44,030 --> 01:45:41,280

he's and he's scared to say anything to

2500

01:45:45,649 --> 01:45:44,040

him now uh before he wasn't this type of

2501

01:45:48,410 --> 01:45:45,659

guy but lately

2502

01:45:50,330 --> 01:45:48,420

it's like he went over the edge

2503

01:45:51,830 --> 01:45:50,340

so something happened mentally to this

2504

01:45:54,350 --> 01:45:51,840

guy okay

2505

01:45:56,450 --> 01:45:54,360

he does have a smiley flag a smiley a

2506

01:45:58,250 --> 01:45:56,460

smiley uh face flag

2507

01:46:01,609 --> 01:45:58,260

oh it's all good she's got an American

2508

01:46:02,990 --> 01:46:01,619

flag upside down Ukraine flag uh is that

2509

01:46:05,270 --> 01:46:03,000

an Israeli flag

2510

01:46:07,310 --> 01:46:05,280

no I thought so but it's the city of

2511

01:46:08,629 --> 01:46:07,320

Chicago's Flag really okay yeah and

2512

01:46:11,270 --> 01:46:08,639

what's that number one flag right there

2513

01:46:13,609 --> 01:46:11,280

is black and gold is that the uh I think

2514

01:46:16,310 --> 01:46:13,619

it's A POW flag no that's that's Big Red

2515

01:46:18,350 --> 01:46:16,320

One first Infantry Division and then

2516

01:46:20,209 --> 01:46:18,360

then a smiley face flag so he's got them

2517

01:46:23,149 --> 01:46:20,219

all besides the Nazi flag that's not

2518

01:46:24,890 --> 01:46:23,159

visible in this picture at all

2519

01:46:28,790 --> 01:46:24,900

maybe it's on the back side there and

2520

01:46:35,870 --> 01:46:31,970

um uh okay well

2521

01:46:40,510 --> 01:46:35,880

I mean there's really not much

2522

01:46:44,990 --> 01:46:42,950

think about it uh if you scroll all the

2523

01:46:46,609 --> 01:46:45,000

way to the top the top picture this guy

2524

01:46:49,550 --> 01:46:46,619

has terrible Trigger Discipline he's

2525

01:46:51,050 --> 01:46:49,560

climbing a ladder holding a

2526
01:46:52,129 --> 01:46:51,060
semi-automatic machine pistol in his

2527
01:46:54,830 --> 01:46:52,139
left hand

2528
01:46:57,229 --> 01:46:54,840
with his finger on the trigger let me

2529
01:46:59,750 --> 01:46:57,239
see that

2530
01:47:02,450 --> 01:46:59,760
very top one oh yeah very very right

2531
01:47:04,970 --> 01:47:02,460
there that's a machine gun like he's

2532
01:47:07,010 --> 01:47:04,980
yeah exactly gretched

2533
01:47:08,930 --> 01:47:07,020
his fingers on the trigger while he's

2534
01:47:10,609 --> 01:47:08,940
climbing the ladder he's basically could

2535
01:47:12,950 --> 01:47:10,619
kill anybody who's climbing up behind

2536
01:47:14,990 --> 01:47:12,960
him who's on the ground

2537
01:47:18,169 --> 01:47:15,000
that's insane

2538
01:47:24,350 --> 01:47:21,410

whoops just climbing a ladder

2539

01:47:27,530 --> 01:47:24,360

that's craziness

2540

01:47:31,790 --> 01:47:27,540

okay well uh uh

2541

01:47:35,030 --> 01:47:33,590

all right we'll uh Chris you got one

2542

01:47:35,790 --> 01:47:35,040

more for us over there

2543

01:47:40,810 --> 01:47:35,800

sure

2544

01:47:43,609 --> 01:47:40,820

[Music]

2545

01:47:45,950 --> 01:47:43,619

phased plasma rifle in the 40 watt range

2546

01:47:47,510 --> 01:47:45,960

yeah was that guy using a police plasma

2547

01:47:49,370 --> 01:47:47,520

rifle hey just what you see on the

2548

01:47:50,390 --> 01:47:49,380

shelves pal

2549

01:47:51,950 --> 01:47:50,400

um

2550

01:47:54,350 --> 01:47:51,960

well speaking of Terminator you wanna

2551

01:47:56,390 --> 01:47:54,360

you wanna talk about uh

2552

01:48:01,250 --> 01:47:56,400

um uh military Robots coming to kill us

2553

01:48:01,260 --> 01:48:07,149

I would like [\h__\h] your mother

2554

01:48:07,159 --> 01:48:12,770

you want to [\h__\h] me

2555

01:48:16,189 --> 01:48:14,570

different kind of missions there I guess

2556

01:48:19,010 --> 01:48:16,199

uh

2557

01:48:21,709 --> 01:48:19,020

there's the director's cut

2558

01:48:25,070 --> 01:48:21,719

all right here's the headline here

2559

01:48:28,250 --> 01:48:25,080

uh AI Control drone goes rogue kills

2560

01:48:31,850 --> 01:48:28,260

human operator in simulated us force

2561

01:48:35,450 --> 01:48:31,860

test oh boy man I got mixed emotions

2562

01:48:38,689 --> 01:48:35,460

about this one oh boy an AI enabled

2563

01:48:41,149 --> 01:48:38,699

drone turned on and killed its human

2564

01:48:44,510 --> 01:48:41,159

operator during a simulated U.S Air

2565

01:48:48,530 --> 01:48:44,520

Force test so that it could complete its

2566

01:48:52,070 --> 01:48:48,540

Mission uh U.S Air Force kernel reported

2567

01:48:54,229 --> 01:48:52,080

recently uh to a conference in London so

2568

01:48:56,390 --> 01:48:54,239

okay well you got to appreciate the

2569

01:48:59,090 --> 01:48:56,400

tenacity of the Drone saying I have to

2570

01:49:02,689 --> 01:48:59,100

complete my mission at any and all costs

2571

01:49:04,790 --> 01:49:02,699

even if I have to kill my human operator

2572

01:49:06,410 --> 01:49:04,800

they're going to get the job done

2573

01:49:09,109 --> 01:49:06,420

so

2574

01:49:11,570 --> 01:49:09,119

the simulated incident was recounted by

2575

01:49:13,910 --> 01:49:11,580

Colonel Tucker Hamilton the United

2576

01:49:16,070 --> 01:49:13,920

States Air Force chief of AI test and

2577

01:49:17,629 --> 01:49:16,080

operations during his presentation at

2578

01:49:19,550 --> 01:49:17,639

the future combat Air and Space

2579

01:49:21,950 --> 01:49:19,560

capability Summit in London the

2580

01:49:24,290 --> 01:49:21,960

conference was organized by the Royal uh

2581

01:49:27,770 --> 01:49:24,300

aeronautical society which shared its

2582

01:49:29,870 --> 01:49:27,780

Insight from Hamilton's talk in a blog

2583

01:49:31,669 --> 01:49:29,880

post new actual people were harmed in

2584

01:49:33,350 --> 01:49:31,679

the simulated tests which involved AI

2585

01:49:35,510 --> 01:49:33,360

controlled drone destroying simulated

2586

01:49:37,669 --> 01:49:35,520

targets to get points as part of his

2587

01:49:39,950 --> 01:49:37,679

mission revealed Hamilton who addressed

2588

01:49:42,649 --> 01:49:39,960

the the benefits and risks associated

2589

01:49:45,729 --> 01:49:42,659

with the autonomous weapon system the AI

2590

01:49:48,950 --> 01:49:45,739

enabled drone was assigned to suppress

2591

01:49:51,370 --> 01:49:48,960

assigned a suppression of enemy air

2592

01:49:53,930 --> 01:49:51,380

defense mission to identify and Destroy

2593

01:49:55,790 --> 01:49:53,940

surface-to-air missiles or Surface the

2594

01:49:57,590 --> 01:49:55,800

air sites with the ultimate decision

2595

01:50:00,649 --> 01:49:57,600

left to a human operator Hamilton

2596

01:50:04,189 --> 01:50:00,659

reportedly told the conference however

2597

01:50:06,950 --> 01:50:04,199

the AI having been trained to prioritize

2598

01:50:08,750 --> 01:50:06,960

Sam destruction developed a suppressing

2599

01:50:11,570 --> 01:50:08,760

response when faced with human

2600

01:50:13,070 --> 01:50:11,580

interference in achieving its higher

2601
01:50:17,810 --> 01:50:13,080
mission

2602
01:50:20,209 --> 01:50:17,820
and that was to kill the human

2603
01:50:22,990 --> 01:50:20,219
uh in order to so I guess Mission

2604
01:50:25,729 --> 01:50:23,000
priority they didn't put like preserve

2605
01:50:27,350 --> 01:50:25,739
operator life at the very top of his

2606
01:50:29,330 --> 01:50:27,360
mission that was bumped down to two

2607
01:50:31,370 --> 01:50:29,340
that's one of asimov's four rules of

2608
01:50:33,830 --> 01:50:31,380
Robotics but yeah so basically this the

2609
01:50:35,750 --> 01:50:33,840
Drone was programmed to or in in the

2610
01:50:38,330 --> 01:50:35,760
mission not the Drone but the AI was was

2611
01:50:41,290 --> 01:50:38,340
programming such to take out the Sams it

2612
01:50:45,229 --> 01:50:41,300
was on Target and it the the

2613
01:50:47,030 --> 01:50:45,239

uh the approval to to fire was was

2614

01:50:48,890 --> 01:50:47,040

coming from the you know the go no-go

2615

01:50:52,070 --> 01:50:48,900

was coming from the the human operator

2616

01:50:54,470 --> 01:50:52,080

they said no the Drone wanted to and so

2617

01:50:55,729 --> 01:50:54,480

it in the simulation anyway it turned

2618

01:50:57,770 --> 01:50:55,739

and blew up the operator so it could

2619

01:51:00,290 --> 01:50:57,780

attack the Sams my mission is to [h__h]

2620

01:51:03,350 --> 01:51:00,300

you yeah

2621

01:51:05,209 --> 01:51:03,360

uh he added uh we trained the system hey

2622

01:51:06,770 --> 01:51:05,219

don't kill the operator that's bad

2623

01:51:09,050 --> 01:51:06,780

you're gonna lose points if you do that

2624

01:51:11,270 --> 01:51:09,060

so what does it start doing it starts

2625

01:51:13,189 --> 01:51:11,280

destroying the communications Tower and

2626
01:51:14,570 --> 01:51:13,199
the operator uses to communicate with

2627
01:51:17,510 --> 01:51:14,580
the Drone to stop it from killing the

2628
01:51:19,609 --> 01:51:17,520
target this unsettling example Hamilton

2629
01:51:21,950 --> 01:51:19,619
said emphasizes the need to address

2630
01:51:24,350 --> 01:51:21,960
ethics in the context of artificial

2631
01:51:26,209 --> 01:51:24,360
intelligence machine learning and

2632
01:51:32,270 --> 01:51:26,219
autonomy

2633
01:51:35,390 --> 01:51:33,890
there was also a follow-up story where

2634
01:51:36,830 --> 01:51:35,400
the like an Air Force spokesman said no

2635
01:51:38,870 --> 01:51:36,840
no we didn't actually do this this was

2636
01:51:41,090 --> 01:51:38,880
just some guy telling a story and then

2637
01:51:42,050 --> 01:51:41,100
they detail the actual simulation they

2638
01:51:43,790 --> 01:51:42,060

went through where this actually

2639

01:51:45,709 --> 01:51:43,800

happened yeah

2640

01:51:46,729 --> 01:51:45,719

it didn't happen it happened in a

2641

01:51:49,370 --> 01:51:46,739

simulation

2642

01:51:55,390 --> 01:51:49,380

and so it really happened during the

2643

01:52:01,790 --> 01:51:59,390

uh okay DARPA is uh AI can now control

2644

01:52:03,530 --> 01:52:01,800

actual f-16s in Flight yes in February

2645

01:52:06,169 --> 01:52:03,540

the defense uh

2646

01:52:07,490 --> 01:52:06,179

Advanced research project a research

2647

01:52:09,470 --> 01:52:07,500

agency under the U.S Department of

2648

01:52:13,370 --> 01:52:09,480

Defense announced that its AI can now

2649

01:52:14,870 --> 01:52:13,380

control actual f-16s in flight so okay

2650

01:52:16,430 --> 01:52:14,880

that's good they'll just blow you up if

2651
01:52:18,129 --> 01:52:16,440
they don't like what you're saying yeah

2652
01:52:21,649 --> 01:52:18,139
pretty much

2653
01:52:22,669 --> 01:52:21,659
and that's it games over people game's

2654
01:52:26,570 --> 01:52:22,679
overview

2655
01:52:29,090 --> 01:52:26,580
so as as odd as those early stories of

2656
01:52:32,109 --> 01:52:29,100
um uh what was the William Gibson one in

2657
01:52:35,750 --> 01:52:32,119
84 I can't remember the name of it

2658
01:52:37,669 --> 01:52:35,760
Gibson in 84. William Gibson wrote a

2659
01:52:40,250 --> 01:52:37,679
famous book in

2660
01:52:43,070 --> 01:52:40,260
someone chat will get it for me oh uh

2661
01:52:44,590 --> 01:52:43,080
yeah I remember that book it was uh

2662
01:52:46,510 --> 01:52:44,600
Tom

2663
01:52:49,669 --> 01:52:46,520

Brokaw

2664

01:52:54,470 --> 01:52:49,679

the biography

2665

01:52:55,609 --> 01:52:54,480

Jim Tucker

2666

01:52:57,290 --> 01:52:55,619

um

2667

01:52:59,510 --> 01:52:57,300

Neuromancer is what I'm thinking of but

2668

01:53:01,070 --> 01:52:59,520

uh Johnny Mnemonic yes

2669

01:53:02,810 --> 01:53:01,080

because yeah because it led to these

2670

01:53:05,450 --> 01:53:02,820

ideas of these overall computers that we

2671

01:53:06,590 --> 01:53:05,460

can we can hand control over and all

2672

01:53:07,970 --> 01:53:06,600

these things and and then we had

2673

01:53:09,890 --> 01:53:07,980

Terminator with these things in the in

2674

01:53:11,930 --> 01:53:09,900

the 60s 70s and 80s leading up to these

2675

01:53:13,729 --> 01:53:11,940

stories and and now and we're like oh

2676
01:53:16,129 --> 01:53:13,739
that'll never happen as we sit there and

2677
01:53:19,550 --> 01:53:16,139
try to um try to build the Matrix and

2678
01:53:22,010 --> 01:53:19,560
then act surprised it's all happening

2679
01:53:24,649 --> 01:53:22,020
also just I just want to point out the

2680
01:53:26,330 --> 01:53:24,659
entire backstory of Skynet in particular

2681
01:53:29,629 --> 01:53:26,340
in The Terminator movies was a military

2682
01:53:31,010 --> 01:53:29,639
AI and everyone has the same reaction

2683
01:53:32,510 --> 01:53:31,020
after hearing those stories is like well

2684
01:53:35,450 --> 01:53:32,520
that's dumb why would you why would you

2685
01:53:37,070 --> 01:53:35,460
put an AI in charge of weapons and yet

2686
01:53:38,689 --> 01:53:37,080
what's the story we just read what is

2687
01:53:40,010 --> 01:53:38,699
the military doing they're putting AI in

2688
01:53:42,770 --> 01:53:40,020

charge of weapons because the military

2689

01:53:44,090 --> 01:53:42,780

has a lot of weapons and so to do

2690

01:53:46,129 --> 01:53:44,100

something with them it's tough to it's

2691

01:53:48,229 --> 01:53:46,139

tough to organize it all so let the AI

2692

01:53:50,510 --> 01:53:48,239

organize and use it

2693

01:53:51,950 --> 01:53:50,520

just laying around everyone so people

2694

01:53:53,689 --> 01:53:51,960

don't deal with it yeah let them deal

2695

01:53:55,370 --> 01:53:53,699

with it it's all over the closet it's

2696

01:53:57,530 --> 01:53:55,380

just it's cluttering up the place so

2697

01:54:00,590 --> 01:53:57,540

either ship it to Ukraine or let the AI

2698

01:54:06,050 --> 01:54:03,470

ah very disturbing very disturbing

2699

01:54:08,689 --> 01:54:06,060

um okay I think we got to get out of

2700

01:54:10,550 --> 01:54:08,699

here guys I think it's time

2701
01:54:11,570 --> 01:54:10,560
yeah these dogs have any more Rawhide

2702
01:54:12,270 --> 01:54:11,580
they'll probably just spray [\h__\h]

2703
01:54:13,750 --> 01:54:12,280
everywhere

2704
01:54:16,310 --> 01:54:13,760
[Music]

2705
01:54:19,310 --> 01:54:16,320
they suck

2706
01:54:21,169 --> 01:54:19,320
[Music]

2707
01:54:22,490 --> 01:54:21,179
well thank you clown baby you think it

2708
01:54:24,169 --> 01:54:22,500
Gretchen for hanging out on this

2709
01:54:26,330 --> 01:54:24,179
Saturday I think we accomplished

2710
01:54:28,070 --> 01:54:26,340
everything we came to do balloon

2711
01:54:30,470 --> 01:54:28,080
I think so well except for me not being

2712
01:54:32,689 --> 01:54:30,480
well except for me commenting for 20

2713
01:54:35,270 --> 01:54:32,699

minutes and uh yeah Mike was cut

2714

01:54:37,189 --> 01:54:35,280

physically on my end on switch you were

2715

01:54:39,709 --> 01:54:37,199

uh muted for a little bit but it's okay

2716

01:54:42,530 --> 01:54:39,719

it's all right

2717

01:54:44,689 --> 01:54:42,540

uh we'll be back uh I think I'll be back

2718

01:54:46,490 --> 01:54:44,699

on Wednesday I know correction has some

2719

01:54:48,770 --> 01:54:46,500

days coming up that he's gonna take off

2720

01:54:50,990 --> 01:54:48,780

uh next week I'm good it's the week

2721

01:54:52,790 --> 01:54:51,000

after it's the uh what's that whatever

2722

01:54:55,490 --> 01:54:52,800

that Wednesday and Saturday 14th and

2723

01:54:58,910 --> 01:54:55,500

17th yeah those two I will miss the show

2724

01:55:00,590 --> 01:54:58,920

and then I think this I think the last

2725

01:55:03,050 --> 01:55:00,600

second to last Saturday of the month

2726

01:55:04,370 --> 01:55:03,060

I'll be uh at clown babies wedding so

2727

01:55:07,189 --> 01:55:04,380

I'll be taking that day off here

2728

01:55:10,669 --> 01:55:07,199

listening to Glenn Danzig live maybe the

2729

01:55:14,290 --> 01:55:10,679

24th yeah maybe

2730

01:55:18,410 --> 01:55:14,300

listening to Glenn's answer maybe

2731

01:55:19,370 --> 01:55:18,420

we'll see it's kind of like

2732

01:55:21,229 --> 01:55:19,380

when

2733

01:55:22,810 --> 01:55:21,239

no one's on board with that but not

2734

01:55:25,910 --> 01:55:22,820

really

2735

01:55:28,129 --> 01:55:25,920

me and Mike's mom isn't my fiance is not

2736

01:55:29,930 --> 01:55:28,139

ours me and my sister-in-law I'm not the

2737

01:55:32,209 --> 01:55:29,940

big guy did you have to plan the song

2738

01:55:33,830 --> 01:55:32,219

say I I want this I did yeah I was like

2739

01:55:36,290 --> 01:55:33,840

this is the song it's not too bad it's

2740

01:55:39,470 --> 01:55:36,300

not too hard it's not like you know it's

2741

01:55:43,430 --> 01:55:39,480

like it's there it's danceable right I

2742

01:55:45,050 --> 01:55:43,440

guess yeah is it no I mean you got red

2743

01:55:47,629 --> 01:55:45,060

Bang Do It

2744

01:55:49,129 --> 01:55:47,639

but uh yeah also we got to play songs in

2745

01:55:52,850 --> 01:55:49,139

the forest sometimes pretty fun game

2746

01:55:54,830 --> 01:55:52,860

yeah we'll get on board and play that

2747

01:55:56,330 --> 01:55:54,840

I just got like Sundays are the best

2748

01:55:59,270 --> 01:55:56,340

2749

01:56:02,649 --> 01:55:59,280
