

1
00:00:05,889 --> 00:00:01,030
[Applause]

2
00:00:10,850 --> 00:00:08,629
well people uh I

3
00:00:13,249 --> 00:00:10,860
I don't have to tell you but I'm gonna

4
00:00:16,129 --> 00:00:13,259
tell you that it's all happening it's

5
00:00:17,990 --> 00:00:16,139
all happening boy since the uh the the

6
00:00:22,010 --> 00:00:18,000
talking about the the sequel to robot

7
00:00:24,470 --> 00:00:22,020
jokes uh that's a robot wars

8
00:00:25,310 --> 00:00:24,480
another sequel yeah

9
00:00:27,670 --> 00:00:25,320
um

10
00:00:30,950 --> 00:00:27,680
UFO disclosure

11
00:00:33,049 --> 00:00:30,960
is underway

12
00:00:35,030 --> 00:00:33,059
now whether or not

13
00:00:35,870 --> 00:00:35,040

all the information that comes out is

14

00:00:39,590 --> 00:00:35,880

true

15

00:00:41,810 --> 00:00:39,600

or not it's almost immaterial because in

16

00:00:42,770 --> 00:00:41,820

the public Consciousness in mainstream

17

00:00:46,790 --> 00:00:42,780

media

18

00:00:48,770 --> 00:00:46,800

they are reporting uh what the uh the

19

00:00:50,209 --> 00:00:48,780

most recent whistleblower that we talked

20

00:00:52,069 --> 00:00:50,219

about last podcast and that's been all

21

00:00:55,310 --> 00:00:52,079

over the news and has been picked up by

22

00:00:58,369 --> 00:00:55,320

various mainstream uh new sources that

23

00:00:59,930 --> 00:00:58,379

has been uh banded about it's being

24

00:01:03,290 --> 00:00:59,940

carried on they're talking about it

25

00:01:05,810 --> 00:01:03,300

openly and not in a dismissive way like

26

00:01:08,929 --> 00:01:05,820

they used to about five even four years

27

00:01:12,410 --> 00:01:08,939

ago uh there has been so much news about

28

00:01:15,170 --> 00:01:12,420

UFOs in the past three days I haven't

29

00:01:17,149 --> 00:01:15,180

seen anything like this since I started

30

00:01:20,330 --> 00:01:17,159

this show and as long as I can remember

31

00:01:24,010 --> 00:01:20,340

I haven't seen this many UFO headlines

32

00:01:27,230 --> 00:01:24,020

let alone in non-dism

33

00:01:29,749 --> 00:01:27,240

off-handed local news kind of way where

34

00:01:31,789 --> 00:01:29,759

they would read on UFO news headline and

35

00:01:33,469 --> 00:01:31,799

then they would laugh it off very

36

00:01:36,050 --> 00:01:33,479

dismissively that it's not happening

37

00:01:39,830 --> 00:01:36,060

anymore something is occurring and this

38

00:01:41,530 --> 00:01:39,840

is part of the disclosure uh uh what

39

00:01:44,630 --> 00:01:41,540

that means ultimately when it comes to

40

00:01:48,350 --> 00:01:44,640

actual real information about what is

41

00:01:50,330 --> 00:01:48,360

happening that's to be determined but uh

42

00:01:52,190 --> 00:01:50,340

I'll start things off with this most

43

00:01:55,010 --> 00:01:52,200

recent

44

00:01:57,350 --> 00:01:55,020

uh event out of Las Vegas you hear about

45

00:02:00,050 --> 00:01:57,360

this one crashing about the UFOs landing

46

00:02:02,210 --> 00:02:00,060

down in a family's backyard

47

00:02:03,710 --> 00:02:02,220

yeah that they saw two guys with huge

48

00:02:06,289 --> 00:02:03,720

junk

49

00:02:11,630 --> 00:02:06,299

they saw something so I will play this

50

00:02:13,670 --> 00:02:11,640

uh this uh Las Vegas local news

51
00:02:16,070 --> 00:02:13,680
uh story now you can take a listen to

52
00:02:18,410 --> 00:02:16,080
how they are approaching this and I

53
00:02:22,330 --> 00:02:18,420
think that's the the key here is how

54
00:02:25,850 --> 00:02:22,340
local news are how are they reporting

55
00:02:26,570 --> 00:02:25,860
these UFO stories now

56
00:02:28,850 --> 00:02:26,580
um

57
00:02:30,890 --> 00:02:28,860
are they being dismissive are they

58
00:02:34,610 --> 00:02:30,900
engaging are they taking it very serious

59
00:02:37,490 --> 00:02:34,620
I would say that this new show is taking

60
00:02:39,949 --> 00:02:37,500
more of an even-handed approach now this

61
00:02:43,670 --> 00:02:39,959
is a new station that does have on

62
00:02:46,009 --> 00:02:43,680
George Knapp uh George Knapp uh

63
00:02:48,770 --> 00:02:46,019

one of the authors of the hunt for

64

00:02:50,330 --> 00:02:48,780

Skinwalker uh on Coast to Coast AM

65

00:02:53,210 --> 00:02:50,340

author

66

00:02:55,430 --> 00:02:53,220

broke the Bob Lazar story back in the

67

00:02:58,190 --> 00:02:55,440

late 80s early 90s so this new station

68

00:02:59,930 --> 00:02:58,200

is very familiar with uh this type of

69

00:03:01,250 --> 00:02:59,940

material so I'll bring this up on screen

70

00:03:05,089 --> 00:03:01,260

right here we'll play the news report

71

00:03:08,530 --> 00:03:05,099

and then we will discuss okay yes here

72

00:03:11,509 --> 00:03:08,540

we go thank you

73

00:03:12,890 --> 00:03:11,519

it is the police call everybody will be

74

00:03:14,690 --> 00:03:12,900

talking about thanks for joining us here

75

00:03:16,610 --> 00:03:14,700

at six o'clock I'm Denise Valdez I'm

76

00:03:18,589 --> 00:03:16,620

Brian Loftus a family says something

77

00:03:20,570 --> 00:03:18,599

crashed into their backyard prompting

78

00:03:23,509 --> 00:03:20,580

them to call 9-1-1 saying they saw

79

00:03:25,309 --> 00:03:23,519

creatures walking around our 8 news now

80

00:03:27,649 --> 00:03:25,319

investigators digging into this for

81

00:03:29,470 --> 00:03:27,659

weeks now and tonight are David charns

82

00:03:32,930 --> 00:03:29,480

with the video

83

00:03:33,949 --> 00:03:32,940

David yep go back they said this

84

00:03:36,610 --> 00:03:33,959

happened recently but they've been

85

00:03:39,949 --> 00:03:36,620

digging into it for weeks

86

00:03:44,330 --> 00:03:39,959

good catch back about 10 seconds okay

87

00:03:46,910 --> 00:03:44,340

I'll go back right here here we go

88

00:03:48,710 --> 00:03:46,920

there's walking around our 8 news now

89

00:03:51,050 --> 00:03:48,720

investigators digging into this for

90

00:03:53,149 --> 00:03:51,060

weeks now and tonight are David charns

91

00:03:54,770 --> 00:03:53,159

with the video you will only see on it

92

00:03:56,690 --> 00:03:54,780

yeah they said digging into for weeks

93

00:03:59,509 --> 00:03:56,700

now are they talking I thought this just

94

00:04:00,710 --> 00:03:59,519

happened it did I think I think it under

95

00:04:03,289 --> 00:04:00,720

my

96

00:04:04,490 --> 00:04:03,299

yeah like this was like a recent story

97

00:04:07,490 --> 00:04:04,500

this was

98

00:04:09,770 --> 00:04:07,500

this [h__\h] hmm

99

00:04:12,530 --> 00:04:09,780

maybe he's digging into the UFO topic

100

00:04:15,310 --> 00:04:12,540

for weeks now could be and she's just

101
00:04:17,509 --> 00:04:15,320
you know not able to read the prompter

102
00:04:19,189 --> 00:04:17,519
it's from the Joe Biden School of

103
00:04:20,870 --> 00:04:19,199
prompter reading we'll see what happens

104
00:04:22,250 --> 00:04:20,880
here all right this is a long news

105
00:04:23,990 --> 00:04:22,260
report it's about five and a half

106
00:04:26,510 --> 00:04:24,000
minutes we got a long ways to go here we

107
00:04:28,129 --> 00:04:26,520
go about David Brad Denise source is

108
00:04:30,770 --> 00:04:28,139
telling babies now investigators that

109
00:04:33,590 --> 00:04:30,780
several agencies believe something

110
00:04:35,930 --> 00:04:33,600
landed or crashed whether it was

111
00:04:38,629 --> 00:04:35,940
non-humans or not it certainly scared

112
00:04:41,330 --> 00:04:38,639
the people living on this property now

113
00:04:43,129 --> 00:04:41,340

before we show you that video listen to

114

00:04:45,590 --> 00:04:43,139

their call for help

115

00:04:47,689 --> 00:04:45,600

there's like a hateful person beside it

116

00:04:50,990 --> 00:04:47,699

and another one's decided and it has big

117

00:04:53,510 --> 00:04:51,000

eyes are looking at us and it's so good

118

00:04:55,969 --> 00:04:53,520

okay where is this on your property

119

00:04:57,830 --> 00:04:55,979

uh in my backyard

120

00:04:58,990 --> 00:04:57,840

I swear to God this is not a joke but

121

00:05:01,570 --> 00:04:59,000

this is actually

122

00:05:03,850 --> 00:05:01,580

so there's two people

123

00:05:06,650 --> 00:05:03,860

that are in your backyard

124

00:05:08,210 --> 00:05:06,660

correct and they're very large

125

00:05:11,210 --> 00:05:08,220

they're like

126

00:05:14,090 --> 00:05:11,220

90 10 foot I don't know like they look

127

00:05:16,129 --> 00:05:14,100

like aliens to us he's a massive guy big

128

00:05:18,830 --> 00:05:16,139

eyes they have big eyes like like I

129

00:05:21,469 --> 00:05:18,840

couldn't explain and think I'm out

130

00:05:22,790 --> 00:05:21,479

their shiny eyes and

131

00:05:24,890 --> 00:05:22,800

and they're not human they're 100

132

00:05:27,830 --> 00:05:24,900

they're not human

133

00:05:29,210 --> 00:05:27,840

good job taking a photo okay

134

00:05:31,249 --> 00:05:29,220

well the 8 news now investigators

135

00:05:33,110 --> 00:05:31,259

obtaining video as officers then

136

00:05:36,050 --> 00:05:33,120

responded to the call you just heard

137

00:05:38,210 --> 00:05:36,060

you'll see the officers also saw

138

00:05:40,850 --> 00:05:38,220

something in the sky that night but the

139

00:05:43,629 --> 00:05:40,860

big question is what was it and is it

140

00:05:48,650 --> 00:05:46,790

it's almost midnight on May 1st when a

141

00:05:51,409 --> 00:05:48,660

Las Vegas metro police officer's body

142

00:05:54,050 --> 00:05:51,419

cam catches this something flashing low

143

00:05:55,969 --> 00:05:54,060

in the sky 911 emergency minutes later

144

00:05:59,990 --> 00:05:55,979

there's a there's like an eight foot

145

00:06:01,969 --> 00:06:00,000

person beside it and another one on the

146

00:06:04,370 --> 00:06:01,979

screen for people just listening is that

147

00:06:06,050 --> 00:06:04,380

uh the the police body camera footage

148

00:06:08,390 --> 00:06:06,060

shows

149

00:06:10,550 --> 00:06:08,400

uh a streak of light it looks like a

150

00:06:14,810 --> 00:06:10,560

meteor or something like that but it's

151

00:06:17,930 --> 00:06:14,820

bluish green intent uh pretty vivid and

152

00:06:21,770 --> 00:06:17,940

not moving I mean as as far as things in

153

00:06:23,990 --> 00:06:21,780

the sky go uh not incredibly fast but uh

154

00:06:26,990 --> 00:06:24,000

it's fast enough but probably was in the

155

00:06:29,990 --> 00:06:27,000

sky about one and a half two seconds and

156

00:06:32,450 --> 00:06:30,000

then kind of uh went out of sight or

157

00:06:34,430 --> 00:06:32,460

faded out they're looking at us and it's

158

00:06:37,309 --> 00:06:34,440

still there someone calls 9-1-1

159

00:06:39,290 --> 00:06:37,319

reporting two large figures in their

160

00:06:40,969 --> 00:06:39,300

backyard no I'm so nervous right now the

161

00:06:44,029 --> 00:06:40,979

8 news now investigators obtaining

162

00:06:46,129 --> 00:06:44,039

another officer's video as he sent to

163

00:06:48,409 --> 00:06:46,139

the Northwest Valley home I have

164

00:06:49,490 --> 00:06:48,419

butterflies bro Evelyn saw a shooting

165

00:06:51,650 --> 00:06:49,500

star then these people say there's

166

00:06:53,629 --> 00:06:51,660

aliens in their backyard by now it's

167

00:06:55,430 --> 00:06:53,639

more than an hour after that bright

168

00:06:58,490 --> 00:06:55,440

light officers meeting up with the

169

00:07:01,430 --> 00:06:58,500

caller and his family what'd you see it

170

00:07:03,110 --> 00:07:01,440

was like uh it was like a big creature a

171

00:07:04,850 --> 00:07:03,120

big creature yeah like an old testing

172

00:07:05,930 --> 00:07:04,860

top I'm not going to be yes you guys one

173

00:07:15,630 --> 00:07:05,940

of my partners said they saw something

174

00:07:20,809 --> 00:07:17,950

[Music]

175

00:07:22,909 --> 00:07:20,819

but Metro blacked out that part of the

176

00:07:24,770 --> 00:07:22,919

video because it's considered private

177

00:07:27,409 --> 00:07:24,780

property what's clear they're taking

178

00:07:30,110 --> 00:07:27,419

this car seriously hey this might sound

179

00:07:31,790 --> 00:07:30,120

like a really dumb question but did you

180

00:07:35,330 --> 00:07:31,800

guys see anything fall out of the sky

181

00:07:38,150 --> 00:07:35,340

asking others what they saw uh I would

182

00:07:38,930 --> 00:07:38,160

normally discount is nothing however no

183

00:07:41,089 --> 00:07:38,940

um

184

00:07:42,830 --> 00:07:41,099

seen as one of my partners said they saw

185

00:07:44,330 --> 00:07:42,840

it too only reason I'm actually

186

00:07:46,490 --> 00:07:44,340

investigating any further that

187

00:07:49,430 --> 00:07:46,500

investigation turning up no concrete

188

00:07:52,129 --> 00:07:49,440

answers as of Wednesday whatever or

189

00:07:55,010 --> 00:07:52,139

whoever fell into that yard long gone

190

00:07:56,629 --> 00:07:55,020

within minutes oh hey it does it does

191

00:08:02,210 --> 00:07:56,639

nine foot Bings come back don't call us

192

00:08:07,010 --> 00:08:04,670

so yeah this is quite Weird Brian was

193

00:08:08,930 --> 00:08:07,020

saying during this story now we've been

194

00:08:11,330 --> 00:08:08,940

in contact with the family in that video

195

00:08:14,150 --> 00:08:11,340

and as you heard in that 9-1-1 call they

196

00:08:17,029 --> 00:08:14,160

seem very reasonable and honestly quite

197

00:08:19,189 --> 00:08:17,039

scared as you heard them in the call no

198

00:08:21,529 --> 00:08:19,199

um they don't seem impaired in any way

199

00:08:23,270 --> 00:08:21,539

and whatever crash by the time the

200

00:08:25,129 --> 00:08:23,280

police got there was gone but sources

201
00:08:28,850 --> 00:08:25,139
say that there's really no dispute

202
00:08:30,409 --> 00:08:28,860
something was in their yard exactly what

203
00:08:32,209 --> 00:08:30,419
we do not know I mean it's so

204
00:08:33,649 --> 00:08:32,219
interesting so like the Metro officers

205
00:08:35,690 --> 00:08:33,659
say something the neighbors see

206
00:08:38,029 --> 00:08:35,700
something I mean so what could it be

207
00:08:39,769 --> 00:08:38,039
well we know that there are obviously a

208
00:08:42,110 --> 00:08:39,779
lot of military bases around this area

209
00:08:43,490 --> 00:08:42,120
uh George Knapp covers a lot of that

210
00:08:45,230 --> 00:08:43,500
stuff for us on the 80s now

211
00:08:48,290 --> 00:08:45,240
investigators we're showing you drone

212
00:08:50,750 --> 00:08:48,300
video from above that area and we know

213
00:08:52,310 --> 00:08:50,760

of course Creech not far away Nellis Air

214

00:08:54,650 --> 00:08:52,320

Force Base not far I checked in with

215

00:08:56,269 --> 00:08:54,660

them they say they are not involved at

216

00:08:58,850 --> 00:08:56,279

all and we are waiting to hear from the

217

00:09:00,590 --> 00:08:58,860

Pentagon as well and you talk to these

218

00:09:02,269 --> 00:09:00,600

people it seemed completely legitimate

219

00:09:04,430 --> 00:09:02,279

to you and and do you have any personal

220

00:09:06,650 --> 00:09:04,440

thoughts on maybe what it was right so

221

00:09:08,449 --> 00:09:06,660

it seems from talking to our sources

222

00:09:10,670 --> 00:09:08,459

that something happened there was

223

00:09:12,470 --> 00:09:10,680

obviously some flash in the sky a lot of

224

00:09:14,269 --> 00:09:12,480

people saw it that night on the night of

225

00:09:18,050 --> 00:09:14,279

April 30th early in the morning on May

226

00:09:19,930 --> 00:09:18,060

1st did that exact thing land in their

227

00:09:22,850 --> 00:09:19,940

yard I don't know

228

00:09:25,009 --> 00:09:22,860

these people said they saw some SUVs

229

00:09:26,810 --> 00:09:25,019

circling the area could that could this

230

00:09:28,790 --> 00:09:26,820

have been some piece of equipment that

231

00:09:31,009 --> 00:09:28,800

malfunctioned maybe they saw some

232

00:09:32,269 --> 00:09:31,019

something and then someone came I can't

233

00:09:34,730 --> 00:09:32,279

believe we're talking about this right

234

00:09:37,009 --> 00:09:34,740

someone came and retrieved it from the

235

00:09:39,350 --> 00:09:37,019

backyard in the SUV we don't know this

236

00:09:42,170 --> 00:09:39,360

all comes as a former high-level

237

00:09:44,269 --> 00:09:42,180

intelligence officer an air veteran was

238

00:09:46,130 --> 00:09:44,279

on news Nation talking about how there

239

00:09:48,710 --> 00:09:46,140

is a program where the government

240

00:09:51,230 --> 00:09:48,720

collects some unidentified objects so

241

00:09:52,550 --> 00:09:51,240

this might be that we just don't know

242

00:09:54,350 --> 00:09:52,560

we're going to work to find out though

243

00:09:56,750 --> 00:09:54,360

no substances they were living with

244

00:09:59,509 --> 00:09:56,760

clear eyes very interesting not big

245

00:10:02,530 --> 00:09:59,519

buggy eyes though this is really unique

246

00:10:05,090 --> 00:10:02,540

thank you David David David

247

00:10:07,550 --> 00:10:05,100

what's with all these Davids oh there's

248

00:10:09,829 --> 00:10:07,560

a lot of Davids around I'm not skeptical

249

00:10:11,329 --> 00:10:09,839

David I'm not skeptical of any of these

250

00:10:12,350 --> 00:10:11,339

stories where there's a David involved

251
00:10:15,889 --> 00:10:12,360
and now this one we've got like three

252
00:10:18,949 --> 00:10:15,899
Davids involved so to go back to what

253
00:10:21,050 --> 00:10:18,959
the uh the young man said in description

254
00:10:25,250 --> 00:10:21,060
of these aliens he said they're about 10

255
00:10:29,150 --> 00:10:25,260
feet tall shiny big eyes now I have

256
00:10:32,030 --> 00:10:29,160
covered a number of humanoid Encounters

257
00:10:35,389 --> 00:10:32,040
in this podcast and in excruciating

258
00:10:36,530 --> 00:10:35,399
detail to the detriment of Joe's sanity

259
00:10:38,030 --> 00:10:36,540
it's probably part of the reasons why

260
00:10:39,710 --> 00:10:38,040
you had to take some time off he does

261
00:10:42,050 --> 00:10:39,720
not like me talking about humanoid

262
00:10:44,630 --> 00:10:42,060
encounters but I think there are

263
00:10:46,910 --> 00:10:44,640

interesting things to learn from these

264

00:10:50,030 --> 00:10:46,920

humanoid encounters I think that some of

265

00:10:51,829 --> 00:10:50,040

them are real and that they are from uh

266

00:10:54,530 --> 00:10:51,839

interdimensional entities not

267

00:10:56,090 --> 00:10:54,540

necessarily ETS now I have gone through

268

00:10:59,690 --> 00:10:56,100

my book

269

00:11:01,370 --> 00:10:59,700

this book right here that I have uh book

270

00:11:02,949 --> 00:11:01,380

no well it's my book it's in my

271

00:11:06,050 --> 00:11:02,959

possession crutches okay

272

00:11:07,310 --> 00:11:06,060

my book I crossed the guy's name out put

273

00:11:09,590 --> 00:11:07,320

my name in

274

00:11:11,470 --> 00:11:09,600

it is the fully illustrated and

275

00:11:13,610 --> 00:11:11,480

up-to-date guide the field guide to

276

00:11:16,490 --> 00:11:13,620

extraterrestrials it's a complete

277

00:11:19,310 --> 00:11:16,500

overview of alien life forms written by

278

00:11:22,069 --> 00:11:19,320

Patrick Hugh and I went through this

279

00:11:25,850 --> 00:11:22,079

book they have a specific section on

280

00:11:30,290 --> 00:11:25,860

alien Giants uh none of the descriptions

281

00:11:32,210 --> 00:11:30,300

in here match what was described there

282

00:11:34,910 --> 00:11:32,220

now granted there was not much of a

283

00:11:36,350 --> 00:11:34,920

description that the kid gave uh he said

284

00:11:40,990 --> 00:11:36,360

he said really tall would that be tall

285

00:11:43,370 --> 00:11:41,000

nordics uh he did he said tall big eyes

286

00:11:46,190 --> 00:11:43,380

like glassy kind of reflective eyes

287

00:11:49,670 --> 00:11:46,200

shiny eyes and big mouths he said big

288

00:11:51,530 --> 00:11:49,680

mouths now those do not those

289

00:11:52,730 --> 00:11:51,540

descriptions do not match anything in

290

00:11:55,250 --> 00:11:52,740

here these are these are accounts

291

00:11:57,230 --> 00:11:55,260

documented by the the esteemed Jack

292

00:12:00,170 --> 00:11:57,240

valet and other people so they've been

293

00:12:03,769 --> 00:12:00,180

uh as far as humanoid encounters go

294

00:12:05,569 --> 00:12:03,779

vetted uh by multiple sources like

295

00:12:08,449 --> 00:12:05,579

there's multiple witnesses to these

296

00:12:11,690 --> 00:12:08,459

humanoid encounters uh and there's a a

297

00:12:14,329 --> 00:12:11,700

good story behind them and there is some

298

00:12:15,650 --> 00:12:14,339

evidence that something interacted with

299

00:12:17,690 --> 00:12:15,660

these people

300

00:12:20,210 --> 00:12:17,700

um like the this one right like there's

301
00:12:24,350 --> 00:12:20,220
a description of a 10-foot uh humanoid

302
00:12:27,889 --> 00:12:24,360
that has more robotic features in like

303
00:12:30,290 --> 00:12:27,899
three like eyes there's another one that

304
00:12:31,910 --> 00:12:30,300
is over here

305
00:12:35,509 --> 00:12:31,920
um eight feet tall

306
00:12:37,610 --> 00:12:35,519
really tiny eyes no mouths

307
00:12:42,170 --> 00:12:37,620
um and then there's one that is like the

308
00:12:45,170 --> 00:12:42,180
uh 15 foot tall big eyes but has a cape

309
00:12:47,949 --> 00:12:45,180
so ooh a cape yeah

310
00:12:51,050 --> 00:12:47,959
um the most uh I I guess the the closest

311
00:12:54,170 --> 00:12:51,060
analogy that uh what they were

312
00:12:57,710 --> 00:12:54,180
describing would be an eight foot type

313
00:12:58,790 --> 00:12:57,720

of alien but uh the ones that I've read

314

00:13:01,790 --> 00:12:58,800

about

315

00:13:04,310 --> 00:13:01,800

that are kind of a classic like gray but

316

00:13:06,170 --> 00:13:04,320

eight foot those typically take place in

317

00:13:09,470 --> 00:13:06,180

Central and South America and there's

318

00:13:12,889 --> 00:13:09,480

typically a a bluish tint to those

319

00:13:14,930 --> 00:13:12,899

encounters now there's no video the

320

00:13:16,129 --> 00:13:14,940

Grays don't have big mouths so they have

321

00:13:19,670 --> 00:13:16,139

a little tiny mouth that's the thing

322

00:13:22,790 --> 00:13:19,680

that's that is the most uh unique aspect

323

00:13:25,550 --> 00:13:22,800

to the description here is that uh very

324

00:13:28,009 --> 00:13:25,560

rarely do these humanoid encounters uh

325

00:13:31,250 --> 00:13:28,019

include a description of of a large

326

00:13:32,690 --> 00:13:31,260

mouth uh and I that was a standout thing

327

00:13:34,790 --> 00:13:32,700

here

328

00:13:36,170 --> 00:13:34,800

um that kind of struck me as like I I

329

00:13:38,750 --> 00:13:36,180

don't remember ever reading description

330

00:13:41,930 --> 00:13:38,760

of a large mouth on any of these

331

00:13:45,230 --> 00:13:41,940

humanoid kind of bug-eyed aliens

332

00:13:47,449 --> 00:13:45,240

uh so and there's no video

333

00:13:49,069 --> 00:13:47,459

um good job using your phones guys like

334

00:13:52,009 --> 00:13:49,079

there's three four people in the house

335

00:13:54,410 --> 00:13:52,019

not and there there is like cell phone

336

00:13:55,910 --> 00:13:54,420

footage of what was in their back and

337

00:13:58,310 --> 00:13:55,920

it's not a backyard it's like a it's a

338

00:13:59,990 --> 00:13:58,320

back shared like parking lot area where

339

00:14:01,310 --> 00:14:00,000

there's a forklift yeah there's an open

340

00:14:03,350 --> 00:14:01,320

lot for like vehicles and stuff there's

341

00:14:06,410 --> 00:14:03,360

all gravel there's no like there's no

342

00:14:07,850 --> 00:14:06,420

grass like not a backyard I guess to

343

00:14:11,629 --> 00:14:07,860

them maybe it is they play basketball

344

00:14:15,650 --> 00:14:11,639

scores throw some grass back there uh

345

00:14:18,710 --> 00:14:15,660

but uh no video footage that is uh

346

00:14:20,690 --> 00:14:18,720

compelling now this guy did speak out

347

00:14:23,090 --> 00:14:20,700

um he started a YouTube channel right

348

00:14:25,850 --> 00:14:23,100

after this 9-1-1 call

349

00:14:28,430 --> 00:14:25,860

uh so I I don't know what to make of it

350

00:14:30,170 --> 00:14:28,440

uh James Fox the UFO documentary

351

00:14:32,629 --> 00:14:30,180

filmmaker he's basically calling this

352

00:14:33,530 --> 00:14:32,639

hoax and I'm inclined to to go along

353

00:14:36,050 --> 00:14:33,540

with him

354

00:14:38,210 --> 00:14:36,060

it is pretty extreme for people to call

355

00:14:40,310 --> 00:14:38,220

9-1-1 for hoax but it's not out of the

356

00:14:43,069 --> 00:14:40,320

realm of possibility like people call

357

00:14:45,110 --> 00:14:43,079

9-1-1 for any ding dong reason so for

358

00:14:49,670 --> 00:14:45,120

this I didn't get uh fries with my

359

00:14:51,350 --> 00:14:49,680

burger so in this modern day uh I I have

360

00:14:53,090 --> 00:14:51,360

to and I don't want to

361

00:14:54,710 --> 00:14:53,100

I want to believe the kid I want I mean

362

00:14:58,310 --> 00:14:54,720

I want to believe the family but I I

363

00:15:00,410 --> 00:14:58,320

there's just not enough information to

364

00:15:02,870 --> 00:15:00,420

say that there was some there's I didn't

365

00:15:04,370 --> 00:15:02,880

see any evidence of any craft Landing

366

00:15:05,870 --> 00:15:04,380

down

367

00:15:08,449 --> 00:15:05,880

um or any sort of generation said they

368

00:15:11,269 --> 00:15:08,459

left it in SUVs well they said an SUV

369

00:15:13,250 --> 00:15:11,279

was circling uh and the craft suddenly

370

00:15:14,689 --> 00:15:13,260

turned into an SUV and they drove away I

371

00:15:16,790 --> 00:15:14,699

think what they were trying to insinuate

372

00:15:19,790 --> 00:15:16,800

there that was some sort of uh Men In

373

00:15:20,530 --> 00:15:19,800

Black and black scenario yeah yeah

374

00:15:23,389 --> 00:15:20,540

um

375

00:15:24,590 --> 00:15:23,399

do you go we dropped some aliens you see

376

00:15:27,710 --> 00:15:24,600

them

377

00:15:31,550 --> 00:15:27,720

if this was uh

378

00:15:33,949 --> 00:15:31,560

a true encounter I believe there would

379

00:15:36,250 --> 00:15:33,959

be uh elements of missing time now the

380

00:15:40,550 --> 00:15:36,260

person the the witness did say that they

381

00:15:43,069 --> 00:15:40,560

did say that they felt disoriented and

382

00:15:45,230 --> 00:15:43,079

that there was a sense of like there's

383

00:15:47,150 --> 00:15:45,240

something going on mentally with them

384

00:15:49,610 --> 00:15:47,160

but they didn't say anything that there

385

00:15:51,889 --> 00:15:49,620

was any sort of like uh telepathic

386

00:15:53,810 --> 00:15:51,899

communication or anything like that and

387

00:15:55,910 --> 00:15:53,820

uh yeah I could leave it just there uh

388

00:15:57,230 --> 00:15:55,920

but I wanted to kind of like bring it

389

00:16:00,829 --> 00:15:57,240

out here because this story was sent

390

00:16:03,230 --> 00:16:00,839

like over and over and over to us and uh

391

00:16:05,449 --> 00:16:03,240

compelling interesting and they did five

392

00:16:07,610 --> 00:16:05,459

minutes on the local news about this and

393

00:16:10,069 --> 00:16:07,620

while they they weren't completely

394

00:16:11,870 --> 00:16:10,079

dismissive uh they took it serious

395

00:16:15,410 --> 00:16:11,880

enough to devote five minutes of time

396

00:16:17,030 --> 00:16:15,420

and they investigated it and they they

397

00:16:19,189 --> 00:16:17,040

want to believe the family but there's

398

00:16:21,050 --> 00:16:19,199

just simply not enough information right

399

00:16:23,689 --> 00:16:21,060

now and they did tie it into the most

400

00:16:26,449 --> 00:16:23,699

recent UFO whistleblower that uh we

401
00:16:28,250 --> 00:16:26,459
talked about last podcast so a lot of a

402
00:16:30,410 --> 00:16:28,260
lot of headlines here

403
00:16:31,610 --> 00:16:30,420
well and and probably the most important

404
00:16:32,870 --> 00:16:31,620
thing as you pointed out at the

405
00:16:34,730 --> 00:16:32,880
beginning

406
00:16:36,530 --> 00:16:34,740
um as as we get more and more stories

407
00:16:39,050 --> 00:16:36,540
like this

408
00:16:41,449 --> 00:16:39,060
um they are getting more and more not

409
00:16:43,610 --> 00:16:41,459
quite even coverage neutral coverage but

410
00:16:46,129 --> 00:16:43,620
it's almost neutral coverage almost

411
00:16:47,509 --> 00:16:46,139
almost it's right on the edge because it

412
00:16:48,590 --> 00:16:47,519
used to be in the past you're right we'd

413
00:16:51,110 --> 00:16:48,600

Play a clip and they would start with

414

00:16:53,449 --> 00:16:51,120

hey did you hear about these aliens

415

00:16:54,829 --> 00:16:53,459

again Little Green Men coming out of the

416

00:16:56,870 --> 00:16:54,839

sky yeah there's always the the second

417

00:16:58,449 --> 00:16:56,880

anchor you know jacking around over

418

00:17:00,670 --> 00:16:58,459

there

419

00:17:03,410 --> 00:17:00,680

you know it's it's it's it's it's

420

00:17:05,569 --> 00:17:03,420

instantly dismissive uh now if you're

421

00:17:08,210 --> 00:17:05,579

going to be on your your infotainment uh

422

00:17:09,169 --> 00:17:08,220

new local news broadcast that's fine but

423

00:17:10,130 --> 00:17:09,179

um you know these are the same people

424

00:17:12,289 --> 00:17:10,140

with a straight face tell you about

425

00:17:15,130 --> 00:17:12,299

Pfizer and all the rest so it is it is

426

00:17:18,110 --> 00:17:15,140

nice to see

427

00:17:20,449 --> 00:17:18,120

uh deserved or not that they're being at

428

00:17:21,429 --> 00:17:20,459

least a little more even-handed with

429

00:17:24,530 --> 00:17:21,439

this stuff

430

00:17:27,409 --> 00:17:24,540

uh it's a definitely a change in Pace

431

00:17:29,930 --> 00:17:27,419

now when it comes to this week in

432

00:17:31,850 --> 00:17:29,940

disclosure I'll just read down some head

433

00:17:33,830 --> 00:17:31,860

like some highlights here I got another

434

00:17:34,909 --> 00:17:33,840

headline that is quite significant I

435

00:17:36,350 --> 00:17:34,919

don't really know what to make of yet

436

00:17:38,630 --> 00:17:36,360

but we'll get to that

437

00:17:41,750 --> 00:17:38,640

uh so in the weekend

438

00:17:44,930 --> 00:17:41,760

the weekend disclosure here we go so so

439

00:17:46,789 --> 00:17:44,940

far we had that whistleblower David uh

440

00:17:49,190 --> 00:17:46,799

another David the original David David

441

00:17:51,289 --> 00:17:49,200

grausch how many Davids are there well

442

00:17:53,330 --> 00:17:51,299

we had that TV guy that was just uh who

443

00:17:54,830 --> 00:17:53,340

did the story his name is David I'm now

444

00:17:56,510 --> 00:17:54,840

I'm going to stake a claim I'm not

445

00:17:58,610 --> 00:17:56,520

instantly skeptical of any paranormal

446

00:18:00,590 --> 00:17:58,620

story involving David David too many

447

00:18:03,049 --> 00:18:00,600

Davids yeah none of you did anything to

448

00:18:04,669 --> 00:18:03,059

prevent this Dusty yeah

449

00:18:06,529 --> 00:18:04,679

at least at least that guy's David was

450

00:18:07,730 --> 00:18:06,539

out doing stuff so David uh The

451

00:18:10,730 --> 00:18:07,740

Whistleblower we talked about last

452

00:18:13,070 --> 00:18:10,740

podcast uh he talked to the debrief and

453

00:18:14,990 --> 00:18:13,080

his Revelation was that the U.S

454

00:18:19,010 --> 00:18:15,000

government is in possession of several

455

00:18:22,070 --> 00:18:19,020

craft including intact craft uh one

456

00:18:24,529 --> 00:18:22,080

roughly the size of a football field

457

00:18:26,210 --> 00:18:24,539

and that the whole uh hubbub around that

458

00:18:28,730 --> 00:18:26,220

is that this stuff is being illegally

459

00:18:30,669 --> 00:18:28,740

withheld from Congress uh and that

460

00:18:33,350 --> 00:18:30,679

there's at least two other

461

00:18:34,850 --> 00:18:33,360

uh whistleblowers that are kind of

462

00:18:35,810 --> 00:18:34,860

corroborating

463

00:18:37,070 --> 00:18:35,820

some people I don't know if the

464

00:18:39,470 --> 00:18:37,080

whistleblowers but they're they're

465

00:18:40,909 --> 00:18:39,480

they're linked to this story as well I

466

00:18:42,110 --> 00:18:40,919

don't know if they've come for us yeah I

467

00:18:44,630 --> 00:18:42,120

don't know if they've come forward or

468

00:18:47,270 --> 00:18:44,640

not yet uh there's another anonymous

469

00:18:49,730 --> 00:18:47,280

person that has been uh he's been given

470

00:18:51,650 --> 00:18:49,740

a name Jonathan gray saying that the U.S

471

00:18:53,150 --> 00:18:51,660

ultimately took possession

472

00:18:54,470 --> 00:18:53,160

and I think this was included in the

473

00:18:59,350 --> 00:18:54,480

debrief article ultimately took

474

00:19:01,669 --> 00:18:59,360

possession of a UFO uh from Italy in

475

00:19:04,549 --> 00:19:01,679

1933 that's when it crashed down in

476

00:19:08,150 --> 00:19:04,559

Italy 1933 and the U.S obtained that at

477

00:19:10,490 --> 00:19:08,160

the end of World War II and that's uh

478

00:19:12,590 --> 00:19:10,500

that's in the Inspector General uh

479

00:19:13,610 --> 00:19:12,600

documents as well when they when they

480

00:19:15,230 --> 00:19:13,620

obtained that when did they use the

481

00:19:17,330 --> 00:19:15,240

phrase yoink

482

00:19:22,570 --> 00:19:17,340

well I don't think Mussolini was in any

483

00:19:28,669 --> 00:19:26,930

yeah well not yet what after after World

484

00:19:30,770 --> 00:19:28,679

War II

485

00:19:33,650 --> 00:19:30,780

no I don't think there's any position to

486

00:19:36,289 --> 00:19:33,660

stop any sort of transfer of technology

487

00:19:38,570 --> 00:19:36,299

or people at that point

488

00:19:44,750 --> 00:19:38,580

uh

489

00:19:46,970 --> 00:19:44,760

disclosure story here called the

490

00:19:48,950 --> 00:19:46,980

schellenbergen store the schellenberger

491

00:19:50,990 --> 00:19:48,960

story

492

00:19:53,390 --> 00:19:51,000

which we have multiple Anonymous

493

00:19:55,549 --> 00:19:53,400

whistleblowers each with 30 years of

494

00:19:58,789 --> 00:19:55,559

working on UFO subjects in the

495

00:20:01,970 --> 00:19:58,799

government and at least two testified to

496

00:20:04,250 --> 00:20:01,980

both the aaro and Congress now there's a

497

00:20:07,190 --> 00:20:04,260

lot of details in there uh they say that

498

00:20:08,810 --> 00:20:07,200

the Aero doesn't have the authority to

499

00:20:11,450 --> 00:20:08,820

even see the stuff that the

500

00:20:14,390 --> 00:20:11,460

whistleblowers are talking about which

501
00:20:17,930 --> 00:20:14,400
is the major major problem here is that

502
00:20:21,289 --> 00:20:17,940
uh like the NASA uh panel that we talked

503
00:20:23,450 --> 00:20:21,299
about they are only examining stuff that

504
00:20:25,789 --> 00:20:23,460
has that's open to the public

505
00:20:27,529 --> 00:20:25,799
and they don't have access to uh

506
00:20:28,549 --> 00:20:27,539
classified stuff so when whistleblower

507
00:20:29,450 --> 00:20:28,559
comes forward say yeah there's some

508
00:20:33,169 --> 00:20:29,460
pretty interesting stuff you should

509
00:20:35,150 --> 00:20:33,179
check it out uh the aaro can go like we

510
00:20:36,470 --> 00:20:35,160
don't have the authority to see it so we

511
00:20:37,789 --> 00:20:36,480
can just miss anything you're talking

512
00:20:39,710 --> 00:20:37,799
about because we just don't have the

513
00:20:42,049 --> 00:20:39,720

authority to declassify or see anything

514

00:20:44,630 --> 00:20:42,059

Declassified or Mark Secret

515

00:20:47,150 --> 00:20:44,640

but according to this

516

00:20:49,730 --> 00:20:47,160

um there are 12 to 15 craft of different

517

00:20:52,549 --> 00:20:49,740

type craft apparently gifted to us every

518

00:20:53,450 --> 00:20:52,559

so often uh generals have touched the

519

00:20:58,330 --> 00:20:53,460

craft

520

00:21:01,610 --> 00:20:58,340

and we can fly at least one and uh

521

00:21:02,690 --> 00:21:01,620

maybe maybe reverse engineer some of

522

00:21:05,570 --> 00:21:02,700

them according to some of the

523

00:21:09,230 --> 00:21:05,580

whistleblowers that kind of Echoes what

524

00:21:12,470 --> 00:21:09,240

we read with the uh the 4chan uh before

525

00:21:13,789 --> 00:21:12,480

champos where we have limited success in

526

00:21:15,710 --> 00:21:13,799

reverse engineering some of these

527

00:21:18,049 --> 00:21:15,720

objects

528

00:21:20,090 --> 00:21:18,059

um I'm curious how old they are too like

529

00:21:22,250 --> 00:21:20,100

they've given us their old craft yeah

530

00:21:24,770 --> 00:21:22,260

the uh the out-of-date ones the ones

531

00:21:27,049 --> 00:21:24,780

that uh don't have like an updated like

532

00:21:29,390 --> 00:21:27,059

MP3 player or CD player in them well is

533

00:21:31,430 --> 00:21:29,400

that like us if if we were dealing with

534

00:21:34,130 --> 00:21:31,440

the the Primitive society would like we

535

00:21:36,110 --> 00:21:34,140

hand off like a an early steam engine

536

00:21:37,909 --> 00:21:36,120

powered vehicle here we go it's kind of

537

00:21:39,350 --> 00:21:37,919

like with Ukraine we give them we're

538

00:21:40,970 --> 00:21:39,360

giving Ukraine all of our outdated

539

00:21:43,730 --> 00:21:40,980

weapons right yeah they're doing a good

540

00:21:46,010 --> 00:21:43,740

job with those two well I mean so here

541

00:21:47,810 --> 00:21:46,020

here's here's all of our back stock of

542

00:21:49,490 --> 00:21:47,820

stuff that we're just not not using is

543

00:21:52,310 --> 00:21:49,500

out of date we were going to replace

544

00:21:54,710 --> 00:21:52,320

them anyways so why don't you have them

545

00:21:57,529 --> 00:21:54,720

and then we have a reason to replenish

546

00:22:00,169 --> 00:21:57,539

our stockpile with brand new stuff yeah

547

00:22:02,330 --> 00:22:00,179

but I'm talking even like even more

548

00:22:04,190 --> 00:22:02,340

focused on like the the the propulsion

549

00:22:06,049 --> 00:22:04,200

systems and whatnot you know if if we

550

00:22:07,310 --> 00:22:06,059

give if we give Ukraine a 30 year old

551
00:22:09,830 --> 00:22:07,320
F-16

552
00:22:12,289 --> 00:22:09,840
from the standpoint of the the uh the

553
00:22:14,090 --> 00:22:12,299
the the the basic operation of it it's

554
00:22:16,070 --> 00:22:14,100
the same as a current one it doesn't

555
00:22:17,029 --> 00:22:16,080
have the higher end avionics Electronics

556
00:22:18,350 --> 00:22:17,039
Etc

557
00:22:20,210 --> 00:22:18,360
um the better sensors and weapon

558
00:22:23,090 --> 00:22:20,220
capability and all that but still an

559
00:22:24,470 --> 00:22:23,100
airplane but if we're getting if you get

560
00:22:25,970 --> 00:22:24,480
like a steam if we got like a steam

561
00:22:27,130 --> 00:22:25,980
powered thing the equivalent from the

562
00:22:30,830 --> 00:22:27,140
aliens

563
00:22:31,669 --> 00:22:30,840

the next 60 years reverse engineering

564

00:22:33,049 --> 00:22:31,679

that

565

00:22:35,149 --> 00:22:33,059

and they're just laughing the whole time

566

00:22:38,029 --> 00:22:35,159

because they've got you know way better

567

00:22:40,130 --> 00:22:38,039

stuff now it's possible I'm open to it

568

00:22:42,529 --> 00:22:40,140

uh especially if things are being gifted

569

00:22:44,870 --> 00:22:42,539

to us we're probably not being gifted

570

00:22:48,110 --> 00:22:44,880

the the best stuff

571

00:22:51,529 --> 00:22:48,120

um I would hope not but here is those

572

00:22:53,450 --> 00:22:51,539

aliens are idiots here is uh

573

00:22:57,350 --> 00:22:53,460

a little story here I'll just play this

574

00:23:00,350 --> 00:22:57,360

this is from a a Fox News and they're

575

00:23:03,470 --> 00:23:00,360

talking to rep Burchette

576

00:23:07,549 --> 00:23:03,480

and they're talking to him about UFOs

577

00:23:10,190 --> 00:23:07,559

and what we can expect in some of these

578

00:23:12,350 --> 00:23:10,200

most uh of the the revelations coming

579

00:23:14,090 --> 00:23:12,360

forward in really in relation to

580

00:23:19,310 --> 00:23:14,100

whistleblowers and Congress

581

00:23:22,610 --> 00:23:21,110

play the clip please so oversight

582

00:23:25,070 --> 00:23:22,620

committee will hold a UFO hearing after

583

00:23:26,930 --> 00:23:25,080

a military whistleblower claims there is

584

00:23:29,990 --> 00:23:26,940

extraterrestrial life you are leading

585

00:23:31,789 --> 00:23:30,000

the investigation in 15 seconds will we

586

00:23:34,190 --> 00:23:31,799

get answers as to whether or not we're

587

00:23:37,610 --> 00:23:36,169

we're not alone and we'll get some

588

00:23:39,529 --> 00:23:37,620

answers and I've talked to that man

589

00:23:41,510 --> 00:23:39,539

yesterday and I'm hoping that he'll be

590

00:23:43,490 --> 00:23:41,520

hearing as well but we've been planning

591

00:23:45,230 --> 00:23:43,500

this for quite some time he did it in 10

592

00:23:48,350 --> 00:23:45,240

seconds and now I'm utterly terrified

593

00:23:50,330 --> 00:23:48,360

and we tried to cut him off too enjoy

594

00:23:52,370 --> 00:23:50,340

your Thursday I mean that's a pretty

595

00:23:56,450 --> 00:23:52,380

significant statement by United States

596

00:23:58,490 --> 00:23:56,460

Representative to say we are not alone

597

00:24:00,950 --> 00:23:58,500

and this has been reference now he could

598

00:24:03,470 --> 00:24:00,960

say that outside in the Public's like

599

00:24:04,850 --> 00:24:03,480

yeah there's life out there somewhere in

600

00:24:07,909 --> 00:24:04,860

the universe but this is directly in

601
00:24:10,430 --> 00:24:07,919
reference to uh the UFO whistleblowers

602
00:24:13,190 --> 00:24:10,440
and the UAP investigations in in

603
00:24:15,350 --> 00:24:13,200
Congress so are is he basically

604
00:24:17,029 --> 00:24:15,360
insinuating that they are actively

605
00:24:18,710 --> 00:24:17,039
visiting here and I don't even want to

606
00:24:20,390 --> 00:24:18,720
say it's ETS at this point I'm more

607
00:24:23,330 --> 00:24:20,400
comfortable saying Ultra terrestrials or

608
00:24:25,789 --> 00:24:23,340
some in something interdimensional

609
00:24:28,430 --> 00:24:25,799
and that's I think that's the real rub

610
00:24:29,450 --> 00:24:28,440
is that uh they want and then you go

611
00:24:31,970 --> 00:24:29,460
yeah and you go back to the under

612
00:24:34,370 --> 00:24:31,980
dimensional uh demon Theory too yeah I

613
00:24:36,049 --> 00:24:34,380

think that's uh partially uh what might

614

00:24:38,450 --> 00:24:36,059

be going on here is like there's an

615

00:24:41,510 --> 00:24:38,460

internal battle going on with this

616

00:24:43,669 --> 00:24:41,520

information at the Pentagon uh defense

617

00:24:45,529 --> 00:24:43,679

contractors uh whoever's in possession

618

00:24:50,390 --> 00:24:45,539

of this material

619

00:24:57,409 --> 00:24:54,890

are these these entities demons as some

620

00:25:01,190 --> 00:24:57,419

people within the Pentagon believe that

621

00:25:03,490 --> 00:25:01,200

they are that that this phenomenon is

622

00:25:08,090 --> 00:25:03,500

demonic in nature

623

00:25:11,330 --> 00:25:08,100

and that when this disclosure happens it

624

00:25:13,190 --> 00:25:11,340

will be brought to us as a gift like oh

625

00:25:16,190 --> 00:25:13,200

they're here they're watching over us

626
00:25:18,710 --> 00:25:16,200
they're basically Guardians and that

627
00:25:22,310 --> 00:25:18,720
they're here to help Humanity all we got

628
00:25:25,789 --> 00:25:22,320
to do is the these 10 simple rules to

629
00:25:27,710 --> 00:25:25,799
live our lives and we will be free we

630
00:25:29,269 --> 00:25:27,720
will have free energy we'll have refer

631
00:25:31,610 --> 00:25:29,279
to like the Ten Commandments I was

632
00:25:34,789 --> 00:25:31,620
talking about Jordan Peterson's newest

633
00:25:37,990 --> 00:25:34,799
book uh 10 10 rules to to uh what's his

634
00:25:43,490 --> 00:25:40,549
your new book out

635
00:25:45,169 --> 00:25:43,500
does he I don't know okay buddy

636
00:25:47,930 --> 00:25:45,179
what I'm referring to is the great

637
00:25:50,510 --> 00:25:47,940
deception from the Antichrist uh

638
00:25:53,149 --> 00:25:50,520

something that uh I went over uh in

639

00:25:54,950 --> 00:25:53,159

relation to the uh the UFO phenomenon a

640

00:25:57,590 --> 00:25:54,960

few months ago you can check out that

641

00:25:59,090 --> 00:25:57,600

clip on our our YouTube channel but uh

642

00:26:02,149 --> 00:25:59,100

there we go a United States

643

00:26:06,049 --> 00:26:02,159

Representative saying we are not alone

644

00:26:08,630 --> 00:26:06,059

yeah it's uh 12 rules for life not 10.

645

00:26:12,350 --> 00:26:08,640

12 rules for life okay then the aliens

646

00:26:15,710 --> 00:26:12,360

are gonna give us 12 rules for life

647

00:26:20,870 --> 00:26:18,049

here's um here's his previous book still

648

00:26:23,090 --> 00:26:20,880

a New York Times number one bestseller

649

00:26:29,269 --> 00:26:23,100

how many books does uh he have at this

650

00:26:33,890 --> 00:26:31,610

uh wait a second I don't know if that's

651
00:26:36,289 --> 00:26:33,900
a real book title right there you have a

652
00:26:39,230 --> 00:26:36,299
you have a Jordan Peterson book up on

653
00:26:43,130 --> 00:26:39,240
screen and the title is wash your penis

654
00:26:44,630 --> 00:26:43,140
by Jordan B Peterson that can't be bad

655
00:26:45,700 --> 00:26:44,640
laughs

656
00:26:48,409 --> 00:26:45,710
yeah

657
00:26:50,390 --> 00:26:48,419
[Laughter]

658
00:26:51,010 --> 00:26:50,400
I don't know if it's a real book I'd buy

659
00:26:52,090 --> 00:26:51,020
it though

660
00:26:54,169 --> 00:26:52,100
[Music]

661
00:26:58,669 --> 00:26:54,179
that's when you like you get a fake

662
00:27:05,769 --> 00:27:01,730
12 ways to wash your penis okay buddy

663
00:27:08,690 --> 00:27:05,779

that's that's the the next the next one

664

00:27:10,310 --> 00:27:08,700

we have to act

665

00:27:13,149 --> 00:27:10,320

yeah

666

00:27:16,370 --> 00:27:13,159

um so there you go and I have one more

667

00:27:18,169 --> 00:27:16,380

interesting story related to uh UFOs I

668

00:27:19,310 --> 00:27:18,179

mean I got more but I think this is but

669

00:27:21,289 --> 00:27:19,320

what people can take at this point

670

00:27:23,930 --> 00:27:21,299

because it is very overwhelming

671

00:27:26,930 --> 00:27:23,940

everything is going on

672

00:27:31,130 --> 00:27:26,940

and so I'll just uh transition over

673

00:27:32,990 --> 00:27:31,140

there to this next story please

674

00:27:39,010 --> 00:27:33,000

foreign

675

00:27:41,029 --> 00:27:39,020

[Music]

676
00:27:43,310 --> 00:27:41,039
okay because I do want to mention before

677
00:27:44,930 --> 00:27:43,320
you get too far afield from that

678
00:27:47,570 --> 00:27:44,940
um Arthur C Clark wrote a book in the

679
00:27:48,710 --> 00:27:47,580
50s I think called childhood childhood's

680
00:27:50,570 --> 00:27:48,720
end

681
00:27:51,470 --> 00:27:50,580
um which is about aliens showing up on

682
00:27:54,710 --> 00:27:51,480
Earth

683
00:27:57,049 --> 00:27:54,720
um and they delve directly into the

684
00:28:00,310 --> 00:27:57,059
general Mythos of

685
00:28:04,130 --> 00:28:00,320
um of aliens and demons being one

686
00:28:07,310 --> 00:28:04,140
one uh uh being basically the same thing

687
00:28:08,750 --> 00:28:07,320
throughout history yeah okay so

688
00:28:09,830 --> 00:28:08,760

anyone's interest in that one excellent

689

00:28:12,769 --> 00:28:09,840

book it's one of those books that most

690

00:28:14,029 --> 00:28:12,779

people are forced to read in in um in

691

00:28:14,990 --> 00:28:14,039

high school or Junior High and you hate

692

00:28:17,029 --> 00:28:15,000

it and then you go back and read it as

693

00:28:18,950 --> 00:28:17,039

an adult it's a great book so

694

00:28:22,850 --> 00:28:18,960

highly recommended childhoods and Arthur

695

00:28:24,289 --> 00:28:22,860

C clerk yeah the uh the documented uh

696

00:28:27,350 --> 00:28:24,299

like strange cases throughout history

697

00:28:28,850 --> 00:28:27,360

that Jack belay has uh written written

698

00:28:29,870 --> 00:28:28,860

about

699

00:28:33,289 --> 00:28:29,880

um

700

00:28:36,169 --> 00:28:33,299

obviously they have uh like a religious

701

00:28:38,510 --> 00:28:36,179

tone in nature uh because just simply

702

00:28:40,070 --> 00:28:38,520

the the time and period and the people

703

00:28:42,169 --> 00:28:40,080

that we're interacting with this strange

704

00:28:46,549 --> 00:28:42,179

phenomenon at the time and it does seem

705

00:28:48,169 --> 00:28:46,559

to have evolved over time as our human

706

00:28:51,890 --> 00:28:48,179

understanding of technology has

707

00:28:55,130 --> 00:28:51,900

increased over time the complexity of

708

00:28:56,930 --> 00:28:55,140

these uh encounters has also kind of

709

00:28:58,909 --> 00:28:56,940

gone up it's it's like it's almost like

710

00:29:00,950 --> 00:28:58,919

there is a ratio there a percentage

711

00:29:03,529 --> 00:29:00,960

there where the more we're able to

712

00:29:06,950 --> 00:29:03,539

comprehend technologically the more

713

00:29:10,190 --> 00:29:06,960

advanced these encounters seem to be

714

00:29:11,510 --> 00:29:10,200

uh I don't know if that's true but uh

715

00:29:14,210 --> 00:29:11,520

I'm gonna say it do you think that's

716

00:29:16,490 --> 00:29:14,220

just simply a reflection of as the

717

00:29:19,490 --> 00:29:16,500

people experiencing these

718

00:29:20,450 --> 00:29:19,500

visitations Visions whatever you want to

719

00:29:24,169 --> 00:29:20,460

call it

720

00:29:27,649 --> 00:29:24,179

um are more sophisticated in their

721

00:29:30,710 --> 00:29:27,659

uh they're a little more worldly wise

722

00:29:33,590 --> 00:29:30,720

and so they

723

00:29:34,970 --> 00:29:33,600

are better they're they're better I'm

724

00:29:36,710 --> 00:29:34,980

trying to think they can articulate

725

00:29:38,930 --> 00:29:36,720

their experience a little bit more yeah

726

00:29:40,250 --> 00:29:38,940

they're maybe they're better at

727

00:29:41,389 --> 00:29:40,260

explaining what they're seeing as

728

00:29:44,330 --> 00:29:41,399

opposed to

729

00:29:46,130 --> 00:29:44,340

magical ball of light stop you know and

730

00:29:47,090 --> 00:29:46,140

now it's they saw this and it had this

731

00:29:49,430 --> 00:29:47,100

and there's enough there's been enough

732

00:29:52,010 --> 00:29:49,440

science fiction in movies and TV and in

733

00:29:53,750 --> 00:29:52,020

Books and Comics that they can apply

734

00:29:56,090 --> 00:29:53,760

what they're seeing and experiencing to

735

00:29:59,690 --> 00:29:56,100

those sorts of things and describe it in

736

00:30:01,370 --> 00:29:59,700

those terms I think so and I I think the

737

00:30:04,370 --> 00:30:01,380

more we create

738

00:30:06,889 --> 00:30:04,380

the more fiction we create the more

739

00:30:09,649 --> 00:30:06,899

stories we have all the Multiverse the

740

00:30:11,990 --> 00:30:09,659

more stories we have about aliens

741

00:30:15,409 --> 00:30:12,000

it actually creates a food a feedback

742

00:30:18,169 --> 00:30:15,419

loop in our Consciousness and the

743

00:30:21,110 --> 00:30:18,179

reality that we're in like the the

744

00:30:22,970 --> 00:30:21,120

stimulation whatever this this world we

745

00:30:25,070 --> 00:30:22,980

live in this reality we live in it's

746

00:30:27,789 --> 00:30:25,080

like a feedback loop and our

747

00:30:32,210 --> 00:30:27,799

Consciousness feeds into it

748

00:30:34,970 --> 00:30:32,220

and at the the great Cloud Server up

749

00:30:36,889 --> 00:30:34,980

there takes our thoughts and produces

750

00:30:38,090 --> 00:30:36,899

things or allows things to be produced

751

00:30:40,850 --> 00:30:38,100

off of those thoughts it's kind of like

752

00:30:42,169 --> 00:30:40,860

a weird like a weird feedback back Loop

753

00:30:44,570 --> 00:30:42,179

that's happening here like Sam tripley

754

00:30:46,909 --> 00:30:44,580

caused it uh like uh we live like in a

755

00:30:49,610 --> 00:30:46,919

basically a haunted house like this this

756

00:30:51,049 --> 00:30:49,620

world is A Haunted House yep I don't

757

00:30:53,210 --> 00:30:51,059

think he's very far off there something

758

00:30:57,070 --> 00:30:53,220

like that because what it's being

759

00:31:00,529 --> 00:30:57,080

documented Skinwalker Ranch uh combines

760

00:31:03,590 --> 00:31:00,539

uh paranormal ghosts uh Supernatural

761

00:31:05,269 --> 00:31:03,600

entities Cryptids uh uh alien encounters

762

00:31:07,310 --> 00:31:05,279

Bigfoot encounters it's got everything

763

00:31:09,710 --> 00:31:07,320

it's a haunted house there and I think

764

00:31:12,289 --> 00:31:09,720

what they're trying to talk about in

765

00:31:16,549 --> 00:31:12,299

Congress in relation to uaps

766

00:31:19,490 --> 00:31:16,559

is a start but the story is much longer

767

00:31:21,470 --> 00:31:19,500

and much more complicated than I think

768

00:31:23,630 --> 00:31:21,480

the public is ready for

769

00:31:26,149 --> 00:31:23,640

also I think they still have to use the

770

00:31:28,430 --> 00:31:26,159

uh the slow the slow drip Theory

771

00:31:30,649 --> 00:31:28,440

to get it out I mean

772

00:31:33,230 --> 00:31:30,659

it seems like an avalanche at this point

773

00:31:34,490 --> 00:31:33,240

in One Direction the Avalanche is going

774

00:31:37,610 --> 00:31:34,500

towards

775

00:31:40,549 --> 00:31:37,620

et's and uh Richard Dolan who wrote a

776

00:31:42,529 --> 00:31:40,559

book called after disclosure

777

00:31:44,750 --> 00:31:42,539

um he and his co-author

778

00:31:47,930 --> 00:31:44,760

they talked about the ways in which

779

00:31:50,570 --> 00:31:47,940

disclosure would happen and they kind of

780

00:31:53,990 --> 00:31:50,580

came to the conclusion that it would be

781

00:31:56,870 --> 00:31:54,000

a slow drip what's happening now

782

00:31:59,029 --> 00:31:56,880

seems like we've gone off a cliff a

783

00:32:01,669 --> 00:31:59,039

little bit to where now it's like a

784

00:32:05,090 --> 00:32:01,679

hurry up there like there's a new UFO

785

00:32:07,370 --> 00:32:05,100

headline every week every few days and

786

00:32:10,250 --> 00:32:07,380

it's getting significant Traction in the

787

00:32:11,930 --> 00:32:10,260

press and they did not Envision this

788

00:32:13,070 --> 00:32:11,940

type of disclosure happening in their

789

00:32:15,950 --> 00:32:13,080

book they just thought it would be a

790

00:32:17,110 --> 00:32:15,960

slow drip over multiple decades which

791

00:32:20,690 --> 00:32:17,120

you could probably

792

00:32:22,669 --> 00:32:20,700

uh claim has happened with media and

793

00:32:25,789 --> 00:32:22,679

movies and all that kind of stuff but

794

00:32:27,830 --> 00:32:25,799

now it is it's snowballing and it's

795

00:32:30,409 --> 00:32:27,840

almost out of control and this next

796

00:32:33,950 --> 00:32:30,419

story will underscore that because this

797

00:32:35,630 --> 00:32:33,960

is uh a fascinating little story here

798

00:32:40,430 --> 00:32:35,640

let's see if I can bring this up on

799

00:32:48,010 --> 00:32:43,370

this comes from the Daily Mail okay so

800

00:32:53,510 --> 00:32:51,529

and here is the headline for everyone

801
00:32:56,930 --> 00:32:53,520
out there listening

802
00:32:59,389 --> 00:32:56,940
Marine vet breaks 14-year silence to

803
00:33:02,690 --> 00:32:59,399
make astonishing claim that his six-man

804
00:33:06,110 --> 00:33:02,700
unit saw a hovering octagonal UFO being

805
00:33:07,190 --> 00:33:06,120
loaded with weapons by unmarked U.S

806
00:33:10,130 --> 00:33:07,200
forces

807
00:33:14,210 --> 00:33:10,140
who threatened them at gunpoint while

808
00:33:16,730 --> 00:33:14,220
serving in Indonesia in 2009.

809
00:33:18,529 --> 00:33:16,740
oh really

810
00:33:20,870 --> 00:33:18,539
that's a hell of a headline there wait

811
00:33:23,630 --> 00:33:20,880
which now now we're uh stirring up [\\h__\\h]

812
00:33:28,730 --> 00:33:23,640
and uh Alien Civil Wars

813
00:33:30,710 --> 00:33:28,740

I I are we using UFOs now UFO technology

814

00:33:32,090 --> 00:33:30,720

to transport weapons that I mean that's

815

00:33:33,289 --> 00:33:32,100

what I'm getting out of that headline

816

00:33:35,269 --> 00:33:33,299

there

817

00:33:37,669 --> 00:33:35,279

it's a crazy headline I love that

818

00:33:39,169 --> 00:33:37,679

headline let's let's take it to the The

819

00:33:40,610 --> 00:33:39,179

Logical conclusion what we're doing in

820

00:33:42,789 --> 00:33:40,620

Ukraine where we're just openly

821

00:33:44,930 --> 00:33:42,799

monitoring money monitoring laundry

822

00:33:46,610 --> 00:33:44,940

laundering money

823

00:33:49,009 --> 00:33:46,620

um by shipping a bunch of weapons over

824

00:33:51,889 --> 00:33:49,019

there are we doing this for off-world or

825

00:33:55,430 --> 00:33:51,899

interdimensional uh conflicts as well

826

00:33:58,029 --> 00:33:55,440

if you follow some of the UFO secret

827

00:34:02,090 --> 00:33:58,039

space program stuff like solar Warden

828

00:34:05,269 --> 00:34:02,100

and uh the the uh the hacker Gary

829

00:34:08,389 --> 00:34:05,279

McKinnon who in 2002 2003 broke into

830

00:34:12,889 --> 00:34:08,399

some NASA servers and saw a spreadsheet

831

00:34:15,430 --> 00:34:12,899

of off-world uh deployments that would

832

00:34:18,230 --> 00:34:15,440

uh kind of lean towards this direction

833

00:34:20,210 --> 00:34:18,240

that we have some sort of conflict that

834

00:34:22,010 --> 00:34:20,220

we're trying to supply weapons to oh

835

00:34:25,070 --> 00:34:22,020

you're saying we're involved in this

836

00:34:27,409 --> 00:34:25,080

conflict possibly uh who's the guy who

837

00:34:28,849 --> 00:34:27,419

uh served uh for like 15 years fighting

838

00:34:32,690 --> 00:34:28,859

on Mars

839

00:34:35,329 --> 00:34:32,700

that was I forget the uh the that guy's

840

00:34:36,710 --> 00:34:35,339

name but he's part covered that in depth

841

00:34:38,869 --> 00:34:36,720

there was a lot of detail with that one

842

00:34:41,869 --> 00:34:38,879

uh I don't so it's like the lizards on

843

00:34:44,329 --> 00:34:41,879

Mars he is part of the uh the secret

844

00:34:46,310 --> 00:34:44,339

space program group of people I put him

845

00:34:48,290 --> 00:34:46,320

in with the Corey good group of people

846

00:34:49,250 --> 00:34:48,300

where they believe they served so they

847

00:34:51,409 --> 00:34:49,260

don't even believe this they're just

848

00:34:53,930 --> 00:34:51,419

saying they served 20 years and then had

849

00:34:55,849 --> 00:34:53,940

age regression technology used on him I

850

00:34:59,210 --> 00:34:55,859

don't believe that

851
00:35:02,030 --> 00:34:59,220
um I Corey good even in his court

852
00:35:04,670 --> 00:35:02,040
deposition basically said he's making it

853
00:35:06,589 --> 00:35:04,680
up and that guy we talked about serving

854
00:35:08,690 --> 00:35:06,599
on Mars it's a fun story it's a

855
00:35:10,550 --> 00:35:08,700
Fantastical story I don't believe him I

856
00:35:13,250 --> 00:35:10,560
think he's as full of malarkey

857
00:35:15,290 --> 00:35:13,260
we made it up you just made it up it

858
00:35:17,930 --> 00:35:15,300
never happened anybody's selling books

859
00:35:21,650 --> 00:35:17,940
it's a made-up tale we made this one up

860
00:35:23,390 --> 00:35:21,660
exactly Jonathan freaks he did it pure

861
00:35:25,849 --> 00:35:23,400
fiction

862
00:35:27,410 --> 00:35:25,859
back to the story of the marine by the

863
00:35:28,849 --> 00:35:27,420

way just what a pisser of a show for him

864

00:35:30,470 --> 00:35:28,859

to lead you through like 10 minutes of

865

00:35:33,170 --> 00:35:30,480

some story and at the end be like yeah

866

00:35:34,490 --> 00:35:33,180

we made that up too we got you so

867

00:35:36,170 --> 00:35:34,500

everything we just watched was a total

868

00:35:41,569 --> 00:35:36,180

waste of time if you're telling me

869

00:35:46,550 --> 00:35:43,670

back at his headline here Marine bad

870

00:35:48,170 --> 00:35:46,560

break sounds uh that he saw his six main

871

00:35:51,109 --> 00:35:48,180

units saw a UFO being loaded with

872

00:35:52,849 --> 00:35:51,119

weapons so a former Marine claims he and

873

00:35:55,790 --> 00:35:52,859

five comrades

874

00:35:57,349 --> 00:35:55,800

I saw a flying saucer being low RADS

875

00:35:59,030 --> 00:35:57,359

yeah I know I'm looking like what the

876

00:36:03,589 --> 00:35:59,040

hell you don't typically you don't use

877

00:36:05,510 --> 00:36:03,599

that in relation to U.S Marines no

878

00:36:08,030 --> 00:36:05,520

that's a they typically that terminology

879

00:36:10,790 --> 00:36:08,040

is used in relation to for dirty

880

00:36:14,390 --> 00:36:10,800

comedies yeah

881

00:36:18,950 --> 00:36:14,400

so what's up with the story you know

882

00:36:24,109 --> 00:36:21,109

we'll find out everyone needs to do a

883

00:36:27,650 --> 00:36:24,119

Jonathan Frakes themed uh fact check

884

00:36:29,630 --> 00:36:27,660

service yeah we should

885

00:36:31,550 --> 00:36:29,640

uh so former Marine claims he and five

886

00:36:33,230 --> 00:36:31,560

comrade saw Flying Saucer being loaded

887

00:36:35,630 --> 00:36:33,240

with weapons while serving in Indonesia

888

00:36:39,230 --> 00:36:35,640

in 2009 and was threatened at gunpoint

889

00:36:40,910 --> 00:36:39,240

by unmarked U.S forces at the scene the

890

00:36:42,770 --> 00:36:40,920

wild story comes after Air Force

891

00:36:46,010 --> 00:36:42,780

whistleblower uh from the government's

892

00:36:48,410 --> 00:36:46,020

UFO office join uh growing numbers of

893

00:36:51,410 --> 00:36:48,420

intelligence officials claiming the U.S

894

00:36:55,370 --> 00:36:51,420

has recovered and is reverse engineering

895

00:36:59,089 --> 00:36:55,380

crashed or landed non-human spacecraft

896

00:37:01,490 --> 00:36:59,099

uh Michael Herrera was a 20 year old

897

00:37:06,050 --> 00:37:01,500

Rifleman sent on a Navy humanitarian

898

00:37:08,630 --> 00:37:06,060

Mission during a 2009 Sumatra earthquake

899

00:37:11,990 --> 00:37:08,640

a Tucson for the Sumatra work in a

900

00:37:14,750 --> 00:37:12,000

tsunami that devastated the region

901
00:37:16,370 --> 00:37:14,760
in an exclusive interview with the uh

902
00:37:18,650 --> 00:37:16,380
dailymail.com

903
00:37:20,569 --> 00:37:18,660
he claims that while guarding an Air

904
00:37:22,490 --> 00:37:20,579
Force drop of aid supplies outside the

905
00:37:25,670 --> 00:37:22,500
city of pagan

906
00:37:28,130 --> 00:37:25,680
in October of that year his six-man team

907
00:37:31,730 --> 00:37:28,140
stumbled across a hovering octagonal

908
00:37:35,150 --> 00:37:31,740
craft in apparent in apparent use by

909
00:37:37,250 --> 00:37:35,160
clandestine U.S forces

910
00:37:40,250 --> 00:37:37,260
that's quite a story there

911
00:37:42,470 --> 00:37:40,260
uh this is quite the story this is quite

912
00:37:46,069 --> 00:37:42,480
the story they have a picture up on

913
00:37:47,930 --> 00:37:46,079

screen right now of of a drawing and the

914

00:37:49,250 --> 00:37:47,940

UFO appears to be

915

00:37:49,970 --> 00:37:49,260

uh

916

00:37:52,370 --> 00:37:49,980

um

917

00:37:53,750 --> 00:37:52,380

pyramid in like form if you're just

918

00:37:56,870 --> 00:37:53,760

looking at it like through like a like

919

00:37:59,290 --> 00:37:56,880

as a silhouette but it's basically like

920

00:38:02,150 --> 00:37:59,300

a dish like almost like a stereotypical

921

00:38:03,109 --> 00:38:02,160

uh UFO

922

00:38:05,930 --> 00:38:03,119

so

923

00:38:09,410 --> 00:38:05,940

take that for what it's worth

924

00:38:11,450 --> 00:38:09,420

uh the it's uh the craft was rotating in

925

00:38:14,390 --> 00:38:11,460

a clockwise motion while changing colors

926

00:38:16,250 --> 00:38:14,400

it had an audible hum to it like the

927

00:38:17,630 --> 00:38:16,260

sound of a transformer or a guitar amp

928

00:38:19,510 --> 00:38:17,640

what kind of guitar we talking Marshall

929

00:38:23,150 --> 00:38:19,520

we're talking mad amp we talking orange

930

00:38:26,390 --> 00:38:23,160

uh guitar amps if wired correctly should

931

00:38:27,770 --> 00:38:26,400

not have a hum uh if you've got a if

932

00:38:30,290 --> 00:38:27,780

you've got a ground hum in there you've

933

00:38:31,490 --> 00:38:30,300

got some bad connections if you plug in

934

00:38:33,950 --> 00:38:31,500

a guitar

935

00:38:37,370 --> 00:38:33,960

but yeah when I turn on my Marshall 100

936

00:38:39,470 --> 00:38:37,380

watt Marshall 900 I just turn it on

937

00:38:41,870 --> 00:38:39,480

there's like a gentle hum to it when I

938

00:38:44,270 --> 00:38:41,880

plug in my guitar to it you're gonna get

939

00:38:45,890 --> 00:38:44,280

a hum it's just what's gonna happen it's

940

00:38:47,510 --> 00:38:45,900

going to be there but yeah there

941

00:38:51,410 --> 00:38:47,520

shouldn't be any extra cabling yeah no

942

00:38:55,510 --> 00:38:54,170

uh it was octagonal shape with a pyramid

943

00:38:57,170 --> 00:38:55,520

at the top

944

00:38:59,450 --> 00:38:57,180

and

945

00:39:01,010 --> 00:38:59,460

at the top of it that was black so there

946

00:39:03,050 --> 00:39:01,020

you go um let's see what else it says

947

00:39:05,510 --> 00:39:03,060

after 14 years of Silence

948

00:39:07,970 --> 00:39:05,520

he was emboldened by a new UFO

949

00:39:10,010 --> 00:39:07,980

whistleblower protections and in April

950

00:39:11,990 --> 00:39:10,020

testified under oath to the government's

951
00:39:14,569 --> 00:39:12,000
UFO investigation team the all domain

952
00:39:16,010 --> 00:39:14,579
anomaly research office as well as a

953
00:39:17,690 --> 00:39:16,020
senate committee

954
00:39:19,069 --> 00:39:17,700
so this is probably what they were

955
00:39:23,690 --> 00:39:19,079
referring to

956
00:39:26,690 --> 00:39:23,700
during uh the the hearing and

957
00:39:30,650 --> 00:39:26,700
the NASA committee that they have a lot

958
00:39:34,250 --> 00:39:30,660
of testimony from people I first hand

959
00:39:38,030 --> 00:39:34,260
accounts eyewitnesses but no pictures no

960
00:39:40,510 --> 00:39:38,040
data no video to back it up and so

961
00:39:44,089 --> 00:39:40,520
and this was 2014

962
00:39:47,329 --> 00:39:44,099
2009. oh nine what the hell dude use

963
00:39:49,790 --> 00:39:47,339

your phone they have a lot of testimony

964

00:39:51,050 --> 00:39:49,800

from people but not a lot of Hard

965

00:39:53,150 --> 00:39:51,060

Evidence

966

00:39:57,230 --> 00:39:53,160

uh it goes on to say here he provided

967

00:39:59,329 --> 00:39:57,240

his unblemished four-year service record

968

00:40:00,890 --> 00:39:59,339

and text about the incident with an

969

00:40:03,589 --> 00:40:00,900

alleged fellow witness who refused to

970

00:40:06,010 --> 00:40:03,599

talk saying it's not worth my life or

971

00:40:08,870 --> 00:40:06,020

jeopardizing my family

972

00:40:11,270 --> 00:40:08,880

uh this guy's like [h__h] it I don't got a

973

00:40:12,950 --> 00:40:11,280

family or wife so I'm I'm just going for

974

00:40:16,010 --> 00:40:12,960

it so that's probably what I'm saying uh

975

00:40:17,810 --> 00:40:16,020

but he's uh now 33 does not have any

976

00:40:20,030 --> 00:40:17,820

documentation or photos of the incident

977

00:40:21,890 --> 00:40:20,040

itself the Denver native joined the

978

00:40:23,329 --> 00:40:21,900

Marines fresh out of high school and had

979

00:40:24,950 --> 00:40:23,339

been serving for less than two years

980

00:40:27,290 --> 00:40:24,960

when he was deployed to the Philippines

981

00:40:30,109 --> 00:40:27,300

as part of the 31st Marine Expeditionary

982

00:40:33,410 --> 00:40:30,119

Unit to help uh distribute Aid in the

983

00:40:38,150 --> 00:40:36,170

um so around October 8th he and five

984

00:40:41,030 --> 00:40:38,160

Marines were dropped off at a clearing

985

00:40:42,069 --> 00:40:41,040

in the northeastern part of the City by

986

00:40:52,370 --> 00:40:42,079

a

987

00:40:55,730 --> 00:40:52,380

oh [h__h] um

988

00:40:59,030 --> 00:40:55,740

I'll think of a minute whatever it's a

989

00:41:01,130 --> 00:40:59,040

it's a big boy they hiked up 900 foot uh

990

00:41:03,650 --> 00:41:01,140

to a ridge to take their positions

991

00:41:06,829 --> 00:41:03,660

stallion Super Stallion okay I found it

992

00:41:09,770 --> 00:41:06,839

rain got there uh they hiked up at 9 uh

993

00:41:12,230 --> 00:41:09,780

900 hiked up 900 feet to a ridge to take

994

00:41:14,569 --> 00:41:12,240

their positions for incoming supply drop

995

00:41:17,270 --> 00:41:14,579

it was uh then he spotted a large

996

00:41:18,710 --> 00:41:17,280

strange object in a jungle on the other

997

00:41:20,750 --> 00:41:18,720

side of the Hill

998

00:41:22,550 --> 00:41:20,760

quote I could see something moving and

999

00:41:25,910 --> 00:41:22,560

rotating it was changing colors between

1000

00:41:29,210 --> 00:41:25,920

a very uh between a very light matte

1001
00:41:32,270 --> 00:41:29,220
gray to a very dark matte black it stuck

1002
00:41:34,970 --> 00:41:32,280
out like a sore thumb oddly uh when you

1003
00:41:37,550 --> 00:41:34,980
said he had they had not been given

1004
00:41:39,530 --> 00:41:37,560
radios so instead of calling it in they

1005
00:41:41,990 --> 00:41:39,540
edged down the hill in formation to

1006
00:41:44,810 --> 00:41:42,000
investigate while harada snapped photos

1007
00:41:47,030 --> 00:41:44,820
and videos on his Panasonic camera the

1008
00:41:49,329 --> 00:41:47,040
thing was massive the size of a football

1009
00:41:51,589 --> 00:41:49,339
field he said wait where's the photos

1010
00:41:52,730 --> 00:41:51,599
exactly he did everything he was

1011
00:41:54,470 --> 00:41:52,740
supposed to do

1012
00:41:56,089 --> 00:41:54,480
it is kind of curious they weren't given

1013
00:41:57,829 --> 00:41:56,099

radios

1014

00:41:59,089 --> 00:41:57,839

it's like I'm gonna read I'll read the

1015

00:42:03,109 --> 00:41:59,099

rest of the story were they dropped off

1016

00:42:05,690 --> 00:42:03,119

here as some some part of psychological

1017

00:42:07,670 --> 00:42:05,700

like experiment

1018

00:42:09,530 --> 00:42:07,680

it's not if they're not if they're

1019

00:42:11,450 --> 00:42:09,540

assisting with

1020

00:42:12,650 --> 00:42:11,460

um uh recovery efforts and things I

1021

00:42:14,030 --> 00:42:12,660

don't know they could have been dropped

1022

00:42:17,030 --> 00:42:14,040

off there's a drop them off over there

1023

00:42:19,550 --> 00:42:17,040

we'll do this kind of uh psyop on about

1024

00:42:22,370 --> 00:42:19,560

UFOs and see see what their experiences

1025

00:42:24,770 --> 00:42:22,380

who knows

1026

00:42:25,670 --> 00:42:24,780

well continue reading

1027

00:42:28,190 --> 00:42:25,680

um

1028

00:42:30,230 --> 00:42:28,200

the craft was rotating in a clockwise

1029

00:42:32,030 --> 00:42:30,240

motion while changing colors it had an

1030

00:42:34,130 --> 00:42:32,040

audible hump to it like the sound of a

1031

00:42:36,230 --> 00:42:34,140

transformer or a guitar amp it was

1032

00:42:40,609 --> 00:42:36,240

octagonal shape with a pyramid at the

1033

00:42:42,470 --> 00:42:40,619

top and uh it was black uh it had scales

1034

00:42:44,870 --> 00:42:42,480

that were on the outside of the craft

1035

00:42:46,970 --> 00:42:44,880

that covered the whole craft it seemed

1036

00:42:50,210 --> 00:42:46,980

like sharp edges which I suspect to be

1037

00:42:52,609 --> 00:42:50,220

man-made nothing on it was smooth it had

1038

00:42:53,930 --> 00:42:52,619

some panels on the vertical Edge that

1039

00:42:56,870 --> 00:42:53,940

were like

1040

00:42:57,710 --> 00:42:56,880

uh vanta black I'm not sure vanta black

1041

00:43:00,170 --> 00:42:57,720

is

1042

00:43:03,430 --> 00:43:00,180

n't vantablack that new

1043

00:43:05,930 --> 00:43:03,440

um uh the new type of paint that like

1044

00:43:08,210 --> 00:43:05,940

absorbs light Flex absorbs like all

1045

00:43:11,270 --> 00:43:08,220

light so it almost looks like like felt

1046

00:43:15,050 --> 00:43:11,280

or something that's right

1047

00:43:17,329 --> 00:43:15,060

and there's like a yeah so vantablack is

1048

00:43:19,309 --> 00:43:17,339

a synthetic material uh yeah that's the

1049

00:43:21,530 --> 00:43:19,319

one that that like reflects all light

1050

00:43:24,349 --> 00:43:21,540

out so you can't it's hard to even see

1051

00:43:26,690 --> 00:43:24,359

the surface it's so so dark

1052

00:43:29,210 --> 00:43:26,700

so this person claimed that when he and

1053

00:43:31,130 --> 00:43:29,220

his five comrades got within 150 feet of

1054

00:43:34,069 --> 00:43:31,140

the crowd they were ambushed by eight

1055

00:43:36,110 --> 00:43:34,079

men wearing all black camouflage is a

1056

00:43:40,250 --> 00:43:36,120

camouflage if it's all black exactly

1057

00:43:43,250 --> 00:43:41,990

uh why weren't they wearing vanta black

1058

00:43:44,870 --> 00:43:43,260

you'd be like where are they so that

1059

00:43:47,030 --> 00:43:44,880

he's basically saying they were ambushed

1060

00:43:48,170 --> 00:43:47,040

by Ninjas the bad ninjas because they're

1061

00:43:49,309 --> 00:43:48,180

dressing all black the good ninjas

1062

00:43:50,270 --> 00:43:49,319

probably are all white right you know

1063

00:43:52,130 --> 00:43:50,280

that's a good point it sounds like

1064

00:43:54,349 --> 00:43:52,140

people who are ninjas uh in the early

1065

00:43:56,930 --> 00:43:54,359

80s there was a movie called The octagon

1066

00:43:59,270 --> 00:43:56,940

with Chuck Norris and here we have a

1067

00:44:01,790 --> 00:43:59,280

discussion of an octagonal shaped UFO

1068

00:44:04,250 --> 00:44:01,800

and ninjas and before the show we were

1069

00:44:06,470 --> 00:44:04,260

talking about the movie American Ninja

1070

00:44:09,010 --> 00:44:06,480

so just putting that out with Michael

1071

00:44:11,809 --> 00:44:09,020

dudikoff yep

1072

00:44:13,849 --> 00:44:11,819

five comrades got within 150 feet of The

1073

00:44:15,230 --> 00:44:13,859

Craft where they're ambushed by eight

1074

00:44:18,050 --> 00:44:15,240

men wearing all black camouflage

1075

00:44:20,930 --> 00:44:18,060

bulletproof vests wielding M4 rifles

1076

00:44:25,069 --> 00:44:20,940

with high high-end night vision

1077

00:44:27,109 --> 00:44:25,079

attachments given to Elite U.S troops uh

1078

00:44:29,510 --> 00:44:27,119

quote they had their weapons drawn on us

1079

00:44:33,650 --> 00:44:29,520

we could audibly hear their weapons

1080

00:44:35,870 --> 00:44:33,660

safety levers flip off of safe uh quote

1081

00:44:37,970 --> 00:44:35,880

who the f are you guys what are you

1082

00:44:40,250 --> 00:44:37,980

doing here two of them yelled with

1083

00:44:42,650 --> 00:44:40,260

American accents he said they said

1084

00:44:44,390 --> 00:44:42,660

sounds like Special Forces who are up to

1085

00:44:46,609 --> 00:44:44,400

no good

1086

00:44:49,069 --> 00:44:46,619

um quote they said we're not supposed to

1087

00:44:50,750 --> 00:44:49,079

be there and that they could kill us as

1088

00:44:52,010 --> 00:44:50,760

a mental could it have been the Delta

1089

00:44:54,650 --> 00:44:52,020

Force there's another Chuck Norris

1090

00:44:56,270 --> 00:44:54,660

interesting maybe what is Delta Force

1091

00:44:57,790 --> 00:44:56,280

doing nowadays maybe they're on UFO

1092

00:45:00,290 --> 00:44:57,800

detail

1093

00:45:02,270 --> 00:45:00,300

they're trying to teach aliens the words

1094

00:45:04,370 --> 00:45:02,280

of the Delta Force theme this is how you

1095

00:45:05,450 --> 00:45:04,380

run guns this is what we're showing the

1096

00:45:08,329 --> 00:45:05,460

aliens

1097

00:45:10,309 --> 00:45:08,339

as the men continue to threaten them uh

1098

00:45:11,870 --> 00:45:10,319

took the Marines weapons and dumped

1099

00:45:16,849 --> 00:45:11,880

their ammunition and scan their military

1100

00:45:19,790 --> 00:45:16,859

IDs uh this person uh this Marine said

1101

00:45:22,990 --> 00:45:19,800

he saw others loading large weapon cases

1102

00:45:26,630 --> 00:45:23,000

in other containers from modified Ford

1103

00:45:28,730 --> 00:45:26,640

F-350 trucks onto a platform beneath the

1104

00:45:31,970 --> 00:45:28,740

truck so they're still using good old

1105

00:45:33,890 --> 00:45:31,980

American Fords to load the UFO

1106

00:45:35,870 --> 00:45:33,900

how we know this UFO wasn't built by

1107

00:45:36,890 --> 00:45:35,880

Chrysler or Ford maybe it was assured

1108

00:45:38,450 --> 00:45:36,900

that they would why would they have

1109

00:45:41,569 --> 00:45:38,460

shipped Fords over there to this was

1110

00:45:45,589 --> 00:45:41,579

Indonesia Indonesia yeah maybe that was

1111

00:45:49,130 --> 00:45:47,569

when the last two they would use local

1112

00:45:50,150 --> 00:45:49,140

local vehicles

1113

00:45:51,650 --> 00:45:50,160

um

1114

00:45:53,569 --> 00:45:51,660

when the last two trucks finished

1115

00:45:55,430 --> 00:45:53,579

unloading and drove off the lower part

1116

00:45:57,589 --> 00:45:55,440

of the platform Rose off the ground

1117

00:46:01,849 --> 00:45:57,599

about 10 feet in the craft lower to meet

1118

00:46:02,930 --> 00:46:01,859

it and it and it came together into one

1119

00:46:04,790 --> 00:46:02,940

piece

1120

00:46:06,410 --> 00:46:04,800

on the corners of the craft it had

1121

00:46:08,930 --> 00:46:06,420

lights that were changed between blue

1122

00:46:10,910 --> 00:46:08,940

red yellow and green it Rose out the

1123

00:46:13,849 --> 00:46:10,920

ground and a little past the tree is

1124

00:46:16,849 --> 00:46:13,859

then a shot off to our left towards the

1125

00:46:18,589 --> 00:46:16,859

ocean around 4 000 miles an hour

1126

00:46:20,569 --> 00:46:18,599

that's what he's climbing here

1127

00:46:22,430 --> 00:46:20,579

how would he know that it's a I mean

1128

00:46:24,230 --> 00:46:22,440

that's a very good estimation of speed

1129

00:46:26,750 --> 00:46:24,240

if he's just like

1130

00:46:28,970 --> 00:46:26,760

I I'm maybe he's able to calculate it

1131

00:46:31,250 --> 00:46:28,980

because of he knew his distance to some

1132

00:46:33,050 --> 00:46:31,260

other landmark there

1133

00:46:34,550 --> 00:46:33,060

I don't know but he watched he watched

1134

00:46:36,230 --> 00:46:34,560

the thing lift off and then head off

1135

00:46:38,270 --> 00:46:36,240

over the trees and then he estimates

1136

00:46:40,309 --> 00:46:38,280

four thousand miles an hour I don't know

1137

00:46:42,410 --> 00:46:40,319

that's what he's saying here it could be

1138

00:46:44,329 --> 00:46:42,420

could I mean honestly anything leaving

1139

00:46:46,309 --> 00:46:44,339

at a decent rate of speed now if he said

1140

00:46:47,510 --> 00:46:46,319

it took off and and left much more

1141

00:46:48,950 --> 00:46:47,520

quickly than is used to seeing from

1142

00:46:50,450 --> 00:46:48,960

other helicopters and things like that

1143

00:46:52,609 --> 00:46:50,460

that's different but

1144

00:46:54,770 --> 00:46:52,619

he could have said it just left

1145

00:46:56,630 --> 00:46:54,780

something like over the speed of sound

1146

00:46:58,309 --> 00:46:56,640

but he was very specific he's used to

1147

00:47:00,290 --> 00:46:58,319

watching helicopters lift off and fly

1148

00:47:02,870 --> 00:47:00,300

away slowly as they gain speed until

1149

00:47:04,430 --> 00:47:02,880

they get up to 150 or 200 knots but if

1150

00:47:05,990 --> 00:47:04,440

he's watching this thing take up much

1151
00:47:08,030 --> 00:47:06,000
quicker kind of like we've seen in um

1152
00:47:10,130 --> 00:47:08,040
Flight of the Navigator

1153
00:47:12,890 --> 00:47:10,140
but that wasn't going 4 000 miles an

1154
00:47:15,109 --> 00:47:12,900
hour yeah for me it would be tough for

1155
00:47:17,809 --> 00:47:15,119
me to distinguish anything going over

1156
00:47:19,130 --> 00:47:17,819
like 700 miles an hour now you could say

1157
00:47:21,290 --> 00:47:19,140
a million miles an hour and I would like

1158
00:47:25,370 --> 00:47:21,300
okay sure yeah I don't know warp three

1159
00:47:27,770 --> 00:47:25,380
yeah he's going warp five how do I know

1160
00:47:30,349 --> 00:47:27,780
uh quote we can't believe this effing

1161
00:47:32,390 --> 00:47:30,359
thing this effing happened from a dead

1162
00:47:34,849 --> 00:47:32,400
stop it didn't make any sound like a

1163
00:47:37,490 --> 00:47:34,859

sonic boom it didn't disrupt the trees

1164

00:47:39,470 --> 00:47:37,500

like rotor wash wood we could see

1165

00:47:42,530 --> 00:47:39,480

Coconuts on the trees and none of them

1166

00:47:44,569 --> 00:47:42,540

were Disturbed uh he said the eight

1167

00:47:47,150 --> 00:47:44,579

unmarked soldiers gave them their

1168

00:47:49,370 --> 00:47:47,160

unloaded guns and marched them back over

1169

00:47:50,390 --> 00:47:49,380

the hill still telling us how they could

1170

00:47:52,910 --> 00:47:50,400

kill us

1171

00:47:55,970 --> 00:47:52,920

it's bragging at that point

1172

00:47:58,670 --> 00:47:55,980

uh once we got over the hill uh they

1173

00:48:00,650 --> 00:47:58,680

told us to get the F away from here and

1174

00:48:02,329 --> 00:48:00,660

don't look back

1175

00:48:04,730 --> 00:48:02,339

now here's the uh

1176

00:48:07,069 --> 00:48:04,740

a document here

1177

00:48:08,930 --> 00:48:07,079

um that he filed six Marines brought him

1178

00:48:10,609 --> 00:48:08,940

back to the aid drop site where they

1179

00:48:13,309 --> 00:48:10,619

were scolded by their Gunnery Sergeant

1180

00:48:15,829 --> 00:48:13,319

for returning early

1181

00:48:17,390 --> 00:48:15,839

oh well okay maybe they're supposed to

1182

00:48:20,510 --> 00:48:17,400

go over there and see that

1183

00:48:22,309 --> 00:48:20,520

uh adding that uh that they all kept

1184

00:48:24,290 --> 00:48:22,319

quiet about the disturbing encounter I

1185

00:48:26,390 --> 00:48:24,300

was like effing scared the veteran said

1186

00:48:29,690 --> 00:48:26,400

I was thinking I could have been killed

1187

00:48:32,030 --> 00:48:29,700

how the hell am I going to explain this

1188

00:48:34,730 --> 00:48:32,040

back on the USS Denver

1189

00:48:37,190 --> 00:48:34,740

uh Herrera herrera's unit was debriefed

1190

00:48:40,010 --> 00:48:37,200

by the rear Admiral he didn't recognize

1191

00:48:42,349 --> 00:48:40,020

he said that it was odd to have such a

1192

00:48:44,809 --> 00:48:42,359

high ranking officer there and again

1193

00:48:46,790 --> 00:48:44,819

none of them mentioned the saucer in

1194

00:48:51,710 --> 00:48:46,800

unmarked troops a few days later they

1195

00:48:53,690 --> 00:48:51,720

docked in uh uh Suffolk Bay in the

1196

00:48:56,390 --> 00:48:53,700

Philippines Bay Subic Bay in the

1197

00:48:57,890 --> 00:48:56,400

Philippines the Marines said after an

1198

00:48:59,690 --> 00:48:57,900

evening even drinking with colleagues

1199

00:49:02,089 --> 00:48:59,700

who returned to find that his camera's

1200

00:49:04,609 --> 00:49:02,099

car and Battery were removed from his

1201

00:49:06,290 --> 00:49:04,619

locker along with his five comrades

1202

00:49:09,349 --> 00:49:06,300

phones missing

1203

00:49:15,109 --> 00:49:11,990

so very interesting

1204

00:49:18,410 --> 00:49:15,119

well it's I mean this this

1205

00:49:19,910 --> 00:49:18,420

um experience here Rings truer and

1206

00:49:22,309 --> 00:49:19,920

there's more details than a lot of the

1207

00:49:26,510 --> 00:49:22,319

other descriptions absolutely much much

1208

00:49:28,910 --> 00:49:26,520

more true than the the Vegas uh humanoid

1209

00:49:32,349 --> 00:49:28,920

encounter that we talked about the

1210

00:49:38,390 --> 00:49:35,230

gmail.com check out
