00:00:04,510 --> 00:00:01,050
[Applause]

2
00:00:09,129 --> 00:00:04,520
[Music]

3
00:00:09,139 --> 00:00:15,780
Orbeez we have the meats

4
00:00:15,790 --> 00:00:27,349
[Music]

5
00:00:36,780 --> 00:00:31,000
coach chocolate chocolate chips

6
00:00:53,310 --> 00:00:38,230
[Applause]

7
00:00:58,549 --> 00:00:56,330
[Music]

8
00:01:00,290 --> 00:00:58,559
wrong

9
00:01:03,110 --> 00:01:00,300
incorrect

10
00:01:07,429 --> 00:01:03,120
fake news hey everyone welcome back to

11
00:01:09,109 --> 00:01:07,439
another fun-filled podcast Adventure yay

12
00:01:12,710 --> 00:01:09,119
money's midnight Mike over there on

13
00:01:20,149 --> 00:01:12,720

screen is booberry from behind the

14

00:01:26,390 --> 00:01:22,969

and his uh his co-host lavish is over

15

00:01:29,929 --> 00:01:27,469

everybody

16

00:01:32,749 --> 00:01:29,939

good morning

17

00:01:35,450 --> 00:01:32,759

it is behind the schemes but instead of

18

00:01:37,810 --> 00:01:35,460

ease you're using threes

19

00:01:41,090 --> 00:01:37,820

but only in schemes yeah yeah

20

00:01:42,649 --> 00:01:41,100

okay it's a very new metal way to name

21

00:01:44,690 --> 00:01:42,659

your podcast

22

00:01:46,010 --> 00:01:44,700

thanks I still haven't figured out how

23

00:01:48,950 --> 00:01:46,020

to actually pronounce it with the

24

00:01:50,950 --> 00:01:48,960

existential quantifiers that are used

25

00:01:53,630 --> 00:01:50,960

the same backwards ease That Eminem

26

00:01:55,550 --> 00:01:53,640

throws down with so

27

00:01:58,010 --> 00:01:55,560

nah there's even even weirder

28

00:02:00,830 --> 00:01:58,020

pronunciations out there more impossible

29

00:02:02,690 --> 00:02:00,840

ways to spell it yeah you know you'll

30

00:02:04,490 --> 00:02:02,700

get there you'll get there eventually

31

00:02:06,289 --> 00:02:04,500

you'll figure it out

32

00:02:07,870 --> 00:02:06,299

if there's a four-dimensional way to

33

00:02:11,750 --> 00:02:07,880

spell it we'll find it

34

00:02:14,210 --> 00:02:11,760

uh Cratchit is not here

35

00:02:17,809 --> 00:02:14,220

he is on a fact-finding mission trying

36

00:02:19,729 --> 00:02:17,819

to find all the facts and uh Joe uh is

37

00:02:22,670 --> 00:02:19,739

not here as well

38

00:02:24,949 --> 00:02:22,680

Joe did take the time to send in another

39

00:02:27,050 --> 00:02:24,959

voicemail he loved to he loves to leave

40

00:02:28,610 --> 00:02:27,060

these voicemails for us and just to keep

41

00:02:31,130 --> 00:02:28,620

us up to date with what he's doing in

42

00:02:33,470 --> 00:02:31,140

his life and uh this is all the the

43

00:02:35,990 --> 00:02:33,480

wonderful things that he had to say hi

44

00:02:38,750 --> 00:02:36,000

this is Joe from the our big dumb mouth

45

00:02:40,910 --> 00:02:38,760

podcast sorry can't be on the show today

46

00:02:42,949 --> 00:02:40,920

I'm too busy abusing old people that's

47

00:02:44,869 --> 00:02:42,959

right I love going to Old Folks homes

48

00:02:46,250 --> 00:02:44,879

and smacking food out of their hands and

49

00:02:48,290 --> 00:02:46,260

telling them that their kids are never

50

00:02:50,449 --> 00:02:48,300

coming to visit then I take them to the

51
00:02:52,550 --> 00:02:50,459
Golden Corral so I can use their senior

52
00:02:55,070 --> 00:02:52,560
discount they have those awesome baby

53
00:02:56,930 --> 00:02:55,080
back ribs again enjoy both baby back

54
00:02:59,390 --> 00:02:56,940
ribs and chicken tenders at the same

55
00:03:01,670 --> 00:02:59,400
time at Golden Corral for a limited time

56
00:03:03,710 --> 00:03:01,680
at dinner weekdays after 4 P.M weekend

57
00:03:10,910 --> 00:03:03,720
hours items and participation may vary

58
00:03:16,369 --> 00:03:13,490
oh wow it sounds like he did like a

59
00:03:18,470 --> 00:03:16,379
little uh some sort of like Nordic

60
00:03:21,110 --> 00:03:18,480
language at the end there

61
00:03:24,110 --> 00:03:21,120
it's a big and call yeah there you go

62
00:03:29,110 --> 00:03:24,120
summoning stuff old stuff Joe's the old

63
00:03:34,250 --> 00:03:31,790

now please stand on the pinzogram at the

64

00:03:36,050 --> 00:03:34,260

Golden Corral last

65

00:03:38,149 --> 00:03:36,060

a Golden Corral is probably I was in

66

00:03:39,949 --> 00:03:38,159

college and I think I got food poisoning

67

00:03:42,710 --> 00:03:39,959

I believe it yeah that sounds about

68

00:03:44,570 --> 00:03:42,720

right yeah it's not easy it's not easy

69

00:03:47,449 --> 00:03:44,580

going into the Golden Corral you know

70

00:03:50,930 --> 00:03:47,459

it's a risk you take but I hear it's

71

00:03:52,910 --> 00:03:50,940

tasty though I mean if you're a poor

72

00:03:55,610 --> 00:03:52,920

college kid at that point anything

73

00:03:58,670 --> 00:03:55,620

that's not school food is uh it's pretty

74

00:04:00,589 --> 00:03:58,680

good but uh oh I I doubt I'll go back

75

00:04:02,630 --> 00:04:00,599

again until I turn 65 and I get this

76

00:04:04,190 --> 00:04:02,640

sweet sweet senior discounts that Joe's

77

00:04:08,149 --> 00:04:04,200

talking about

78

00:04:10,610 --> 00:04:08,159

oh it's coming oh lord it's coming um

79

00:04:13,910 --> 00:04:10,620

oh boy I'm double fisting water over

80

00:04:15,770 --> 00:04:13,920

here I got coffee and my uh Lieutenant

81

00:04:19,129 --> 00:04:15,780

Wharf mug

82

00:04:21,289 --> 00:04:19,139

uh all hail Star Trek yes all hail Star

83

00:04:24,110 --> 00:04:21,299

Trek I know that

84

00:04:26,150 --> 00:04:24,120

I bet he's on Cameo yeah I bet he is

85

00:04:28,969 --> 00:04:26,160

before the show we're talking about uh

86

00:04:31,249 --> 00:04:28,979

Star Trek uh cast and crew members on

87

00:04:35,390 --> 00:04:31,259

Cameo and lavish was saying like Brent

88

00:04:39,710 --> 00:04:35,400

Spinner AKA data charges what 400 bucks a

89

00:04:43,249 --> 00:04:39,720

cameo yeah that's right it's a crime

90

00:04:46,629 --> 00:04:43,259

it is it's a lot you don't tell me how

91

00:04:51,469 --> 00:04:46,639

to behave you're not my mother oh well

92

00:04:53,689 --> 00:04:51,479

uh speaking of stars and trekking and

93

00:04:58,249 --> 00:04:53,699

science fiction and wonderfulness I do

94

00:04:59,749 --> 00:04:58,259

have quite a bit of stuff on Skinwalker

95

00:05:02,210 --> 00:04:59,759

Ranch today

96

00:05:03,950 --> 00:05:02,220

or I don't know maybe people are sick

97

00:05:05,210 --> 00:05:03,960

and tired of me talking about it I know

98

00:05:06,950 --> 00:05:05,220

of Joe

99

00:05:08,930 --> 00:05:06,960

is listening to the show while he's

100

00:05:10,850 --> 00:05:08,940

eating at Golden Corral he's probably

101
00:05:12,530 --> 00:05:10,860
he's probably saying to himself Mike not

102
00:05:14,390 --> 00:05:12,540
again enough with the Skinwalker Ranch

103
00:05:18,530 --> 00:05:14,400
and I promise I will stop talking about

104
00:05:20,810 --> 00:05:18,540
this once this season is over

105
00:05:22,909 --> 00:05:20,820
and I gotta say thus far they're on the

106
00:05:26,270 --> 00:05:22,919
on the episode eight

107
00:05:28,790 --> 00:05:26,280
and even David politis the author of The

108
00:05:31,430 --> 00:05:28,800
Missing 4-1-1 books who has been

109
00:05:33,830 --> 00:05:31,440
reviewing every single episode of this

110
00:05:36,409 --> 00:05:33,840
most recent season he's kind of checked

111
00:05:39,050 --> 00:05:36,419
out he's basically saying come on guys

112
00:05:40,790 --> 00:05:39,060
you guys are rehashing the same stuff

113
00:05:43,070 --> 00:05:40,800

you guys aren't really doing anything

114

00:05:45,110 --> 00:05:43,080

interesting here it's all it's like

115

00:05:47,930 --> 00:05:45,120

literally there's five minutes of like

116

00:05:50,330 --> 00:05:47,940

interesting stuff per 40 minute episode

117

00:05:52,909 --> 00:05:50,340

in Skinwalker Ranch and why I haven't

118

00:05:55,430 --> 00:05:52,919

been covering it every every week

119

00:05:58,550 --> 00:05:55,440

because they're just hasn't hasn't been

120

00:06:03,110 --> 00:05:58,560

that much new interesting information

121

00:06:07,189 --> 00:06:03,120

now uh what I'll bring forth today is uh

122

00:06:10,310 --> 00:06:07,199

just a few clips and then some I guess

123

00:06:12,290 --> 00:06:10,320

interpretations of what may be going on

124

00:06:13,490 --> 00:06:12,300

there at Skinwalker Ranch uh lavish do

125

00:06:14,710 --> 00:06:13,500

you know about skin walker Ranch you

126

00:06:17,150 --> 00:06:14,720

know about this thing

127

00:06:19,430 --> 00:06:17,160

uh it's well I know about skin walker

128

00:06:22,090 --> 00:06:19,440

Skinwalker Ranch I'm looking at it now

129

00:06:24,469 --> 00:06:22,100

Ballard Utah

130

00:06:27,050 --> 00:06:24,479

paranormal and UFO activities the

131

00:06:31,189 --> 00:06:27,060

skinwalker of Navajo Legend yes yes the

132

00:06:33,350 --> 00:06:31,199

Cryptids can Walker yes of course so uh

133

00:06:37,309 --> 00:06:33,360

and for anybody doesn't know this has uh

134

00:06:41,150 --> 00:06:37,319

been uh a place of paranormal activity

135

00:06:45,189 --> 00:06:41,160

that ranges from Bigfoot to Dogman to

136

00:06:49,070 --> 00:06:45,199

UFOs to cater mutilations to Poltergeist

137

00:06:51,830 --> 00:06:49,080

apparitions orbs everything it is the

138

00:06:54,469 --> 00:06:51,840

Walmart of Paranormal Activity and there

139

00:06:56,749 --> 00:06:54,479

are people out there trying to catalog

140

00:06:59,110 --> 00:06:56,759

and document and provoke this stuff to

141

00:07:02,330 --> 00:06:59,120

figure out what may be going on

142

00:07:04,909 --> 00:07:02,340

and uh in the most recent episode they

143

00:07:06,770 --> 00:07:04,919

did capture something on

144

00:07:11,809 --> 00:07:06,780

trail cam

145

00:07:14,330 --> 00:07:11,819

that for a very brief moment and uh of a

146

00:07:18,050 --> 00:07:14,340

very low quality it wasn't uh of course

147

00:07:20,749 --> 00:07:18,060

it wasn't like the brand new 4k trail

148

00:07:22,550 --> 00:07:20,759

cam it looks like they they didn't have

149

00:07:25,909 --> 00:07:22,560

the budget to buy that they bought the

150

00:07:27,170 --> 00:07:25,919

1080p version uh but this is a little

151

00:07:29,450 --> 00:07:27,180

clip of the show I'll put it up on

152

00:07:31,550 --> 00:07:29,460

screen what they're looking at here I

153

00:07:33,469 --> 00:07:31,560

can't play the the video but I can I can

154

00:07:35,029 --> 00:07:33,479

show the screenshot that's all that is

155

00:07:37,850 --> 00:07:35,039

important and so if you want to take a

156

00:07:39,290 --> 00:07:37,860

look at this uh live go to twitch.com to

157

00:07:41,930 --> 00:07:39,300

see this

158

00:07:43,909 --> 00:07:41,940

uh and just search for OBD and pod and

159

00:07:45,170 --> 00:07:43,919

you'll see this image right here it's up

160

00:07:47,270 --> 00:07:45,180

on screen

161

00:07:48,770 --> 00:07:47,280

and now here's the audio with them what

162

00:07:53,270 --> 00:07:48,780

they're talking about

163

00:07:54,409 --> 00:07:53,280

whoa whoa yeah back that up what what

164

00:07:56,510 --> 00:07:54,419

was that

165

00:07:56,980 --> 00:07:56,520

I'm just running through it frame by

166

00:08:01,070 --> 00:07:56,990

frame

167

00:08:09,409 --> 00:08:04,790

like a silver orb

168

00:08:11,089 --> 00:08:09,419

it was something it was really quick do

169

00:08:13,680 --> 00:08:11,099

we have the possibility to like pause it

170

00:08:15,490 --> 00:08:13,690

and then like scrub through it yeah

171

00:08:18,350 --> 00:08:15,500

[Music]

172

00:08:20,210 --> 00:08:18,360

so this

173

00:08:23,330 --> 00:08:20,220

this is indeed

174

00:08:25,490 --> 00:08:23,340

frame by frame here didn't you see it it

175

00:08:28,490 --> 00:08:25,500

was like some little quick flash there I

176

00:08:31,909 --> 00:08:28,500

saw over in this yeah there we go

177

00:08:36,350 --> 00:08:31,919

so what they're looking at is

178

00:08:40,370 --> 00:08:36,360

what appears to be a large metal orb

179

00:08:43,550 --> 00:08:40,380

sitting in the field and it only existed

180

00:08:46,370 --> 00:08:43,560

on the trail cam for one frame so I'm

181

00:08:48,410 --> 00:08:46,380

assuming I I that this trail cam is

182

00:08:52,130 --> 00:08:48,420

filling what maybe 30 frames per second

183

00:08:54,470 --> 00:08:52,140

that's the Fairly a standard uh frames

184

00:08:56,810 --> 00:08:54,480

per second so it zipped in zipped out

185

00:08:58,790 --> 00:08:56,820

real quick it appears to be metallic

186

00:09:01,730 --> 00:08:58,800

that's what I'll say it does appear to

187

00:09:04,370 --> 00:09:01,740

be reflecting some of the colors of the

188

00:09:06,730 --> 00:09:04,380

surrounding environment it looks to be a

189

00:09:10,850 --> 00:09:06,740

good distance away from the trail cam

190

00:09:12,889 --> 00:09:10,860

there's not much more going on with this

191

00:09:13,550 --> 00:09:12,899

silver orb

192

00:09:15,170 --> 00:09:13,560

um

193

00:09:17,690 --> 00:09:15,180

we don't know if this is one of the same

194

00:09:20,570 --> 00:09:17,700

silver orbs that the UAP committee was

195

00:09:22,550 --> 00:09:20,580

talking about that have been seen all

196

00:09:25,190 --> 00:09:22,560

over the globe but if it's the

197

00:09:26,810 --> 00:09:25,200

description if you're asking for uh what

198

00:09:28,790 --> 00:09:26,820

they're seeing it's a civil war it

199

00:09:31,070 --> 00:09:28,800

almost looks like the the mosul orb that

200

00:09:34,070 --> 00:09:31,080

they were uh talking about in the

201

00:09:37,670 --> 00:09:34,080

committee a few weeks ago as well

202

00:09:39,410 --> 00:09:37,680

um they didn't do much follow up with

203

00:09:40,790 --> 00:09:39,420

this incident I'm not sure if there's

204

00:09:44,210 --> 00:09:40,800

much more they could do

205

00:09:46,670 --> 00:09:44,220

uh they basically uh catalog this as an

206

00:09:49,790 --> 00:09:46,680

interesting photographic anomaly look

207

00:09:52,970 --> 00:09:49,800

there's a genuine UFO there it appears

208

00:09:55,610 --> 00:09:52,980

to be an object and they kind of left it

209

00:09:59,090 --> 00:09:55,620

there but for daytime sighting pretty

210

00:10:03,170 --> 00:10:00,710

um daytime settings are a little more

211

00:10:07,790 --> 00:10:03,180

rare yeah so it's nice to get one in the

212

00:10:09,949 --> 00:10:07,800

books it is fairly rare and most of the

213

00:10:11,269 --> 00:10:09,959

times at the Skinwalker Ranch when they

214

00:10:14,329 --> 00:10:11,279

are doing

215

00:10:16,370 --> 00:10:14,339

like sort of data collection during the

216

00:10:19,210 --> 00:10:16,380

day they'll have like instrument

217

00:10:21,829 --> 00:10:19,220

malfunctions they'll have spikes and

218

00:10:24,350 --> 00:10:21,839

microwave radiation they'll have like

219

00:10:26,449 --> 00:10:24,360

equipment go down uh maybe even some

220

00:10:28,850 --> 00:10:26,459

Poltergeist activity typically when

221

00:10:31,009 --> 00:10:28,860

there are lights in the sky or uaps

222

00:10:34,490 --> 00:10:31,019

they're seen in the sky at night which

223

00:10:36,530 --> 00:10:34,500

they just appear to be glowing orbs uh

224

00:10:39,290 --> 00:10:36,540

not really metallic in nature I suppose

225

00:10:42,110 --> 00:10:39,300

I suppose but uh here's uh if it looks

226

00:10:44,750 --> 00:10:42,120

like a metallic orb sitting kind of

227

00:10:46,970 --> 00:10:44,760

lounging being lazy in the grass there

228

00:10:48,410 --> 00:10:46,980

absorbing the sun maybe sunbathing right

229

00:10:52,190 --> 00:10:48,420

there

230

00:10:54,650 --> 00:10:52,200

um now David polight is uh he did

231

00:10:57,710 --> 00:10:54,660

comment on this most recent episode

232

00:10:59,870 --> 00:10:57,720

they've played us from missing 4-1-1 and

233

00:11:01,610 --> 00:10:59,880

they were talking about

234

00:11:04,069 --> 00:11:01,620

um in this episode of Skinwalker Ranch

235

00:11:06,470 --> 00:11:04,079

that they found some interesting ground

236

00:11:10,310 --> 00:11:06,480

anomalies like there's something below

237

00:11:12,290 --> 00:11:10,320

the surface uh on Skinwalker Ranch that

238

00:11:14,030 --> 00:11:12,300

appears to be grid-like there's

239

00:11:16,310 --> 00:11:14,040

something buried below and they found

240

00:11:20,210 --> 00:11:16,320

that out by using like lidar and

241

00:11:22,250 --> 00:11:20,220

different um uh aerial like measurements

242

00:11:24,829 --> 00:11:22,260

pointing down at the ground to measure

243

00:11:27,590 --> 00:11:24,839

what may be below the surface of the

244

00:11:29,930 --> 00:11:27,600

ranch and they found some sort of grid

245

00:11:33,230 --> 00:11:29,940

going on there that they don't know the

246

00:11:35,150 --> 00:11:33,240

nature of what it uh really is but it

247

00:11:36,889 --> 00:11:35,160

appears to be metallic in nature and

248

00:11:38,569 --> 00:11:36,899

this is what David palettes uh is

249

00:11:40,250 --> 00:11:38,579

speculating about

250

00:11:41,449 --> 00:11:40,260

four years ago I was having a

251
00:11:43,550 --> 00:11:41,459
conversation

252
00:11:45,910 --> 00:11:43,560
with a physicist really good friend of

253
00:11:48,470 --> 00:11:45,920
mine named Bruce Maccabee

254
00:11:50,449 --> 00:11:48,480
and I had we had a conversation about

255
00:11:52,370 --> 00:11:50,459
Skinwalker Ranch

256
00:11:53,870 --> 00:11:52,380
and this is right before this show

257
00:11:56,269 --> 00:11:53,880
started

258
00:11:57,350 --> 00:11:56,279
and he had read all the items that I had

259
00:11:59,990 --> 00:11:57,360
read

260
00:12:02,930 --> 00:12:00,000
he thought that there was a possibility

261
00:12:06,290 --> 00:12:02,940
it was some advanced

262
00:12:08,569 --> 00:12:06,300
for lack of a better word antenna

263
00:12:11,210 --> 00:12:08,579

for whatever entity

264

00:12:14,870 --> 00:12:11,220

is in that area

265

00:12:16,430 --> 00:12:14,880

and then when Travis says

266

00:12:19,730 --> 00:12:16,440

well

267

00:12:21,829 --> 00:12:20,750

um

268

00:12:26,569 --> 00:12:21,839

so

269

00:12:29,150 --> 00:12:26,579

only

270

00:12:32,210 --> 00:12:29,160

is what is below the ground possibly

271

00:12:35,269 --> 00:12:32,220

like manufactured in nature in a

272

00:12:38,870 --> 00:12:35,279

previous uh review he was alluding to

273

00:12:40,449 --> 00:12:38,880

possible use of this kind of like

274

00:12:42,769 --> 00:12:40,459

mechanical

275

00:12:46,370 --> 00:12:42,779

wiring or whatever's below the surface

276

00:12:49,069 --> 00:12:46,380

is actually part of a larger antenna and

277

00:12:51,170 --> 00:12:49,079

is used as a communication Network for

278

00:12:53,090 --> 00:12:51,180

whatever they're talking to

279

00:12:55,910 --> 00:12:53,100

around the globe

280

00:12:57,889 --> 00:12:55,920

um and that might or maybe further or

281

00:12:59,329 --> 00:12:57,899

maybe further yeah we don't know yeah we

282

00:13:00,110 --> 00:12:59,339

don't really know

283

00:13:02,210 --> 00:13:00,120

um

284

00:13:04,370 --> 00:13:02,220

but whatever it likes when they see

285

00:13:08,569 --> 00:13:04,380

spikes in radiation especially at the

286

00:13:11,750 --> 00:13:08,579

1.6 gigahertz which is commonly used for

287

00:13:13,970 --> 00:13:11,760

satellite communication maybe that makes

288

00:13:17,650 --> 00:13:13,980

more sense

289

00:13:21,590 --> 00:13:17,660

um and so I uh I was clued into

290

00:13:25,430 --> 00:13:21,600

uh a book called Quantum paranormal by

291

00:13:27,230 --> 00:13:25,440

Patrick Jackson and thanks to uh Herman

292

00:13:29,810 --> 00:13:27,240

from Highland uh for recommending this

293

00:13:30,949 --> 00:13:29,820

happy birthday by the way Herman oh

294

00:13:33,410 --> 00:13:30,959

happy birthday yeah happy birthday

295

00:13:35,690 --> 00:13:33,420

Herman he's the birthdays in Gemini

296

00:13:38,569 --> 00:13:35,700

season yeah there are a lot of birthdays

297

00:13:39,730 --> 00:13:38,579

I don't know if I mean I'm a sag you

298

00:13:43,009 --> 00:13:39,740

know

299

00:13:45,470 --> 00:13:43,019

classic sex are you ready for some hot

300

00:13:48,350 --> 00:13:45,480

sedge action you know I like some

301
00:13:49,310 --> 00:13:48,360
Geminis but come on you know my wife's a

302
00:13:52,190 --> 00:13:49,320
Gemini

303
00:13:55,730 --> 00:13:52,200
oh okay okay so you you're uh you've

304
00:13:57,190 --> 00:13:55,740
been indoctrinated I am yeah I am part

305
00:14:00,790 --> 00:13:57,200
of the solution now

306
00:14:03,410 --> 00:14:00,800
you know we're up on opposite ends so we

307
00:14:06,290 --> 00:14:03,420
balance each other out very nicely

308
00:14:08,449 --> 00:14:06,300
yeah you she provides you the fuel to

309
00:14:11,350 --> 00:14:08,459
stay lit I would say that's probably

310
00:14:14,030 --> 00:14:11,360
true without her uh I would probably

311
00:14:16,790 --> 00:14:14,040
flame out I would have I would have

312
00:14:20,650 --> 00:14:16,800
ended it a long time ago

313
00:14:24,230 --> 00:14:20,660

but uh back to something good

314

00:14:26,509 --> 00:14:24,240

thank you naked Gardener thank God yeah

315

00:14:28,430 --> 00:14:26,519

I was you know a few years ago I was

316

00:14:30,110 --> 00:14:28,440

tying it pretty I was burning the candle

317

00:14:31,790 --> 00:14:30,120

on both ends you know if you know what

318

00:14:34,370 --> 00:14:31,800

I'm saying like taking it to the

319

00:14:37,670 --> 00:14:34,380

extremes I really was tying it Loose

320

00:14:40,310 --> 00:14:38,389

um

321

00:14:42,230 --> 00:14:40,320

what she does she she grounds me thanks

322

00:14:44,210 --> 00:14:42,240

to the Geminis

323

00:14:46,610 --> 00:14:44,220

um but uh back to uh what Herman

324

00:14:48,230 --> 00:14:46,620

recommended to me was the the book a

325

00:14:49,910 --> 00:14:48,240

Quantum paranormal by Patrick Jackson

326

00:14:51,769 --> 00:14:49,920

who I reached out to he hasn't gotten

327

00:14:54,230 --> 00:14:51,779

back to me on Twitter

328

00:14:55,670 --> 00:14:54,240

um he's far too busy he's far too busy

329

00:14:58,129 --> 00:14:55,680

even though we even though we have

330

00:14:59,990 --> 00:14:58,139

comparable Twitter followers and numbers

331

00:15:02,689 --> 00:15:00,000

he's far too busy to talk to the likes

332

00:15:04,730 --> 00:15:02,699

of midnight look I'm up here so you tell

333

00:15:06,170 --> 00:15:04,740

him that's right that's what I was

334

00:15:09,769 --> 00:15:06,180

getting at lab it's just like listen

335

00:15:12,050 --> 00:15:09,779

you're not really that much bigger do

336

00:15:13,790 --> 00:15:12,060

you think you're better than me did not

337

00:15:15,949 --> 00:15:13,800

talk to me

338

00:15:18,170 --> 00:15:15,959

but he's a smart and he's an I.T dude

339

00:15:19,910 --> 00:15:18,180

I'm an I.T dude you know I figured we

340

00:15:22,310 --> 00:15:19,920

could sit around talk about Python and

341

00:15:23,689 --> 00:15:22,320

then his book but no he doesn't want to

342

00:15:25,550 --> 00:15:23,699

do that

343

00:15:28,490 --> 00:15:25,560

um but he did write a pretty interesting

344

00:15:31,009 --> 00:15:28,500

book called Quantum paranormal and in

345

00:15:34,490 --> 00:15:31,019

relation to what we just talked about at

346

00:15:37,370 --> 00:15:34,500

Skinwalker Ranch uh orbs a possible grid

347

00:15:39,889 --> 00:15:37,380

system below uh the surface of

348

00:15:42,290 --> 00:15:39,899

Skinwalker Ranch

349

00:15:45,949 --> 00:15:42,300

um I'll read uh just a few things uh

350

00:15:49,310 --> 00:15:45,959

excerpts from his uh book in relation to

351

00:15:52,189 --> 00:15:49,320

orbs and what they could be

352

00:15:54,410 --> 00:15:52,199

so uh he says with each look operate

353

00:15:56,090 --> 00:15:54,420

which each location operating at a

354

00:15:58,850 --> 00:15:56,100

similar distance to the next each

355

00:16:01,850 --> 00:15:58,860

location could be what one could

356

00:16:04,730 --> 00:16:01,860

describe as a hard node like a

357

00:16:06,410 --> 00:16:04,740

Communications node uh meaning in order

358

00:16:09,170 --> 00:16:06,420

for the rest of the network to operate

359

00:16:11,750 --> 00:16:09,180

the Spheres need to be assigned to that

360

00:16:13,610 --> 00:16:11,760

location the hard nodes are active

361

00:16:16,790 --> 00:16:13,620

meaning they don't only broadcast

362

00:16:21,710 --> 00:16:16,800

signals to each other in a chain but

363

00:16:23,750 --> 00:16:21,720

they also uh can form uh and communicate

364

00:16:25,670 --> 00:16:23,760

to spheres in the surrounding location

365

00:16:27,170 --> 00:16:25,680

in other words this appears to be a

366

00:16:30,129 --> 00:16:27,180

stealthy ground-based Communications

367

00:16:33,170 --> 00:16:30,139

Network relating signals from the sky

368

00:16:35,150 --> 00:16:33,180

and pushing the signal or data across

369

00:16:37,249 --> 00:16:35,160

the country the same process that our

370

00:16:40,129 --> 00:16:37,259

satellites use for its communication

371

00:16:42,110 --> 00:16:40,139

network but kind of in Reverse

372

00:16:45,230 --> 00:16:42,120

um he says that this is uh consistent

373

00:16:47,689 --> 00:16:45,240

with the analysis from Dr Carl Wilson of

374

00:16:49,730 --> 00:16:47,699

The Omega minus one Institute mentioned

375

00:16:53,150 --> 00:16:49,740

earlier in the book

376

00:16:55,730 --> 00:16:53,160

um he also goes on to say that this

377

00:16:59,629 --> 00:16:55,740

could be why new homes or buildings with

378

00:17:01,970 --> 00:16:59,639

no history can be can become extremely

379

00:17:05,329 --> 00:17:01,980

active all of a sudden when it comes to

380

00:17:08,689 --> 00:17:05,339

Paranormal Activity it depends on if the

381

00:17:11,030 --> 00:17:08,699

network shifts resulting in Old active

382

00:17:13,189 --> 00:17:11,040

areas ceasing to be active in new

383

00:17:15,710 --> 00:17:13,199

selected areas becoming more active

384

00:17:20,230 --> 00:17:15,720

because his hypothesis in this book is

385

00:17:24,650 --> 00:17:20,240

that if you are in the way of this orb

386

00:17:27,370 --> 00:17:24,660

uh communication Network you are in the

387

00:17:30,650 --> 00:17:27,380

the signal path which can produce

388

00:17:34,250 --> 00:17:30,660

paranormal or poltergeist-like activity

389

00:17:37,789 --> 00:17:34,260

uh in that Poltergeist activity is used

390

00:17:39,770 --> 00:17:37,799

to scare you out of the way of the beam

391

00:17:43,549 --> 00:17:39,780

signal so it's like it's saying hey

392

00:17:45,890 --> 00:17:43,559

human you are in the direct path of uh

393

00:17:48,650 --> 00:17:45,900

this microwave energy which could be

394

00:17:51,289 --> 00:17:48,660

harmful to your health here allow me to

395

00:17:53,750 --> 00:17:51,299

produce some scary [h__h] in your life to

396

00:17:55,789 --> 00:17:53,760

help you leave the area

397

00:17:57,909 --> 00:17:55,799

um and that's basically what it says so

398

00:18:00,529 --> 00:17:57,919

the the Paranormal stuff you experience

399

00:18:03,350 --> 00:18:00,539

uh is a warning symbol for you to leave

400

00:18:08,810 --> 00:18:05,330

um and so that's why new homes may

401
00:18:10,730 --> 00:18:08,820
experience this Paranormal Activity

402
00:18:13,010 --> 00:18:10,740
um and he goes on to say this would also

403
00:18:15,830 --> 00:18:13,020
explain the non-human-like behavior

404
00:18:18,230 --> 00:18:15,840
pattern of the Paranormal Activity as

405
00:18:20,270 --> 00:18:18,240
these fears could only be controlled and

406
00:18:23,690 --> 00:18:20,280
managed by one thing and that is

407
00:18:26,450 --> 00:18:23,700
artificial intelligence that's his

408
00:18:28,669 --> 00:18:26,460
assessment that he is uh Patrick here is

409
00:18:30,289 --> 00:18:28,679
saying that these orbs can only be

410
00:18:32,570 --> 00:18:30,299
controlled by artificial intelligence

411
00:18:34,310 --> 00:18:32,580
because of the way they they move and

412
00:18:36,710 --> 00:18:34,320
operate it's got to be something

413
00:18:39,830 --> 00:18:36,720

artificial I don't know maybe it's just

414

00:18:42,890 --> 00:18:39,840

a a higher entity that has an extreme

415

00:18:45,169 --> 00:18:42,900

amount of intelligence uh he does make a

416

00:18:47,810 --> 00:18:45,179

lot of assumptions in the book but he's

417

00:18:49,549 --> 00:18:47,820

obviously done his research

418

00:18:51,470 --> 00:18:49,559

um he also goes on to say for my own

419

00:18:53,150 --> 00:18:51,480

tests and reading uh third party

420

00:18:55,370 --> 00:18:53,160

accounts it would appear that this

421

00:18:58,010 --> 00:18:55,380

artificial intelligence is designed to

422

00:19:00,110 --> 00:18:58,020

observe and to mimic basic human

423

00:19:02,450 --> 00:19:00,120

interactions providing only very basic

424

00:19:04,549 --> 00:19:02,460

communication relying on very basic

425

00:19:08,210 --> 00:19:04,559

messages via direct radio broadcast

426
00:19:12,110 --> 00:19:08,220
create uh creating EVPs picked up across

427
00:19:15,049 --> 00:19:12,120
uh talk on circuits or by Audio via air

428
00:19:17,630 --> 00:19:15,059
by resonating its propulsion field

429
00:19:19,430 --> 00:19:17,640
creating force on air creating sound

430
00:19:22,190 --> 00:19:19,440
waves so

431
00:19:24,409 --> 00:19:22,200
he goes on to say like this is why when

432
00:19:27,049 --> 00:19:24,419
sometimes you try to use Spirit boxes or

433
00:19:29,330 --> 00:19:27,059
EVPs they're very basic in nature and

434
00:19:31,730 --> 00:19:29,340
they they tend to be

435
00:19:34,010 --> 00:19:31,740
um changing from voice to voice it's not

436
00:19:37,630 --> 00:19:34,020
really like a one direct person all the

437
00:19:40,070 --> 00:19:37,640
time uh he has like a well thought out

438
00:19:43,549 --> 00:19:40,080

explanation of why you're not really

439

00:19:45,350 --> 00:19:43,559

communicating with like one entity but

440

00:19:48,529 --> 00:19:45,360

maybe across the network

441

00:19:50,450 --> 00:19:48,539

uh because it's all linked into this orb

442

00:19:53,690 --> 00:19:50,460

communication system

443

00:19:56,210 --> 00:19:53,700

now what he goes on to say is

444

00:19:59,390 --> 00:19:56,220

um he doesn't he doesn't know if this

445

00:20:01,669 --> 00:19:59,400

this orb Network that this or basically

446

00:20:03,529 --> 00:20:01,679

what we're seeing on Skinwalker Ranch

447

00:20:06,590 --> 00:20:03,539

is part of

448

00:20:10,250 --> 00:20:06,600

a defensive grid that is set up by this

449

00:20:14,090 --> 00:20:10,260

intelligence to protect us or if it's

450

00:20:17,630 --> 00:20:14,100

used to create a prison planet for us to

451
00:20:19,370 --> 00:20:17,640
keep us here to keep us locked down

452
00:20:21,770 --> 00:20:19,380
um that's where he he doesn't really

453
00:20:23,029 --> 00:20:21,780
know what he does know is like he in his

454
00:20:25,669 --> 00:20:23,039
book he's like this is some sort of

455
00:20:28,190 --> 00:20:25,679
communication grid across the globe and

456
00:20:31,010 --> 00:20:28,200
it's using is is being used to track US

457
00:20:33,049 --> 00:20:31,020
and incoming and outgoing traffic from

458
00:20:34,789 --> 00:20:33,059
planet Earth

459
00:20:38,330 --> 00:20:34,799
um now

460
00:20:41,230 --> 00:20:38,340
when it goes to what may be going on

461
00:20:44,029 --> 00:20:41,240
here in responsible at Skinwalker Ranch

462
00:20:46,370 --> 00:20:44,039
uh in the book The Hunt for Skinwalker

463
00:20:49,070 --> 00:20:46,380

towards the end of the book they did a

464

00:20:49,970 --> 00:20:49,080

remote viewing session on Skinwalker

465

00:20:53,330 --> 00:20:49,980

Ranch

466

00:20:55,850 --> 00:20:53,340

and in light of what they discovered on

467

00:20:57,049 --> 00:20:55,860

the most recent episode with the grid

468

00:21:00,529 --> 00:20:57,059

system

469

00:21:02,570 --> 00:21:00,539

and what I just read There by uh uh

470

00:21:05,750 --> 00:21:02,580

Patrick Jackson the book Quantum

471

00:21:08,810 --> 00:21:05,760

paranormal uh I'll read like a a brief

472

00:21:10,730 --> 00:21:08,820

synopsis of session three and four

473

00:21:12,830 --> 00:21:10,740

so when it comes to the remote viewing

474

00:21:15,890 --> 00:21:12,840

session session three

475

00:21:17,750 --> 00:21:15,900

um uh remote viewers stated that uh the

476
00:21:20,150 --> 00:21:17,760
cattle mutilations that have occurred on

477
00:21:23,570 --> 00:21:20,160
the ranch most likely were carried out

478
00:21:26,289 --> 00:21:23,580
by something that was robotic in nature

479
00:21:29,630 --> 00:21:26,299
possibly a robotic drone

480
00:21:32,510 --> 00:21:29,640
interdimensional in nature and most

481
00:21:34,730 --> 00:21:32,520
likely military related

482
00:21:36,830 --> 00:21:34,740
in session four

483
00:21:39,169 --> 00:21:36,840
that this involved five different remote

484
00:21:41,510 --> 00:21:39,179
viewers on this session they suggested

485
00:21:44,630 --> 00:21:41,520
that the activity on the ranch

486
00:21:46,850 --> 00:21:44,640
was connected to the military most

487
00:21:50,149 --> 00:21:46,860
likely the U.S Navy

488
00:21:53,570 --> 00:21:50,159

three of the remote viewers perceived a

489

00:21:55,430 --> 00:21:53,580

large Grid or honeycomb made up of

490

00:21:57,710 --> 00:21:55,440

sophisticated Electronics embedded

491

00:21:58,549 --> 00:21:57,720

underneath the ground of Skinwalker

492

00:22:02,450 --> 00:21:58,559

Ranch

493

00:22:06,890 --> 00:22:02,460

and they had an overall feeling of dread

494

00:22:08,930 --> 00:22:06,900

and an uneasement when they were remote

495

00:22:10,669 --> 00:22:08,940

viewing the property now all these

496

00:22:12,289 --> 00:22:10,679

remote viewers didn't know they were

497

00:22:15,649 --> 00:22:12,299

remote viewing Skinwalker Ranch they

498

00:22:18,470 --> 00:22:15,659

were given uh blind coordinates only the

499

00:22:21,110 --> 00:22:18,480

controller knew what they were viewing

500

00:22:24,529 --> 00:22:21,120

so these remote viewing sessions were

501
00:22:26,930 --> 00:22:24,539
done back in the early 2000s I believe

502
00:22:29,149 --> 00:22:26,940
and the grid system and the electronics

503
00:22:32,990 --> 00:22:29,159
that Travis and his team discovered in

504
00:22:34,789 --> 00:22:33,000
the most recent uh episode uh that's new

505
00:22:38,570 --> 00:22:34,799
information so the remote viewing

506
00:22:40,010 --> 00:22:38,580
appears to kind of correlate with remote

507
00:22:42,710 --> 00:22:40,020
viewing stuff

508
00:22:45,970 --> 00:22:42,720
and so maybe there is like this is some

509
00:22:49,549 --> 00:22:45,980
Skinwalker Ranch could be some weird

510
00:22:53,029 --> 00:22:49,559
interdimensional U.S Navy psychological

511
00:22:58,190 --> 00:22:54,529
why not

512
00:23:00,409 --> 00:22:58,200
slash uh Interstellar bus stop Yes slash

513
00:23:02,510 --> 00:23:00,419

antenna array yeah

514

00:23:03,529 --> 00:23:02,520

you said this was a silver orb right

515

00:23:06,049 --> 00:23:03,539

yeah

516

00:23:07,850 --> 00:23:06,059

I mean it means I mean silvery it looks

517

00:23:11,750 --> 00:23:07,860

whitish it's hard to tell it's only like

518

00:23:14,390 --> 00:23:11,760

720p a problematic B kind of reminds me

519

00:23:16,669 --> 00:23:14,400

or gives me uh Hermes Vibes like Mercury

520

00:23:18,350 --> 00:23:16,679

Vibes got a communication sure type

521

00:23:20,210 --> 00:23:18,360

stuff

522

00:23:22,549 --> 00:23:20,220

very alchemical

523

00:23:24,649 --> 00:23:22,559

yeah

524

00:23:25,850 --> 00:23:24,659

um it's some it's some weird stuff there

525

00:23:26,570 --> 00:23:25,860

so

526

00:23:29,330 --> 00:23:26,580

um

527

00:23:31,549 --> 00:23:29,340

yeah this uh a lot of weird stuff going

528

00:23:33,470 --> 00:23:31,559

on there but uh there's the uh the

529

00:23:34,909 --> 00:23:33,480

download on Skinwalker Ranch you guys

530

00:23:37,190 --> 00:23:34,919

have any final thoughts before we move

531

00:23:39,470 --> 00:23:37,200

on to something else

532

00:23:41,750 --> 00:23:39,480

I I definitely would like to see a

533

00:23:43,190 --> 00:23:41,760

picture of that uh underground circuit

534

00:23:45,110 --> 00:23:43,200

board that they were talking about that

535

00:23:48,890 --> 00:23:45,120

huge grid uh that sounds pretty

536

00:23:50,690 --> 00:23:48,900

fascinating circuits are pretty spooky

537

00:23:53,390 --> 00:23:50,700

um just I guess based off of the

538

00:23:56,330 --> 00:23:53,400

chemicals that get used to to produce

539

00:23:58,370 --> 00:23:56,340

some phosphorus being one of the uh

540

00:24:00,169 --> 00:23:58,380

uh it's one of the chemicals that they

541

00:24:01,370 --> 00:24:00,179

introduced to the Silicon to give it I

542

00:24:03,230 --> 00:24:01,380

think it's a negative charge and

543

00:24:05,390 --> 00:24:03,240

phosphorus is this light bringer

544

00:24:07,010 --> 00:24:05,400

chemical it glows in the dark

545

00:24:09,649 --> 00:24:07,020

so essentially you build up these little

546

00:24:11,930 --> 00:24:09,659

mini cityscapes on the circuit board for

547

00:24:15,169 --> 00:24:11,940

spirits and entities and demons to

548

00:24:17,570 --> 00:24:15,179

reside inside of so why not make giant

549

00:24:19,490 --> 00:24:17,580

ones that are you know huge and

550

00:24:22,310 --> 00:24:19,500

Underground

551
00:24:24,950 --> 00:24:22,320
they uh they acknowledge like so the

552
00:24:26,750 --> 00:24:24,960
owner the new owner of Skinwalker Ranch

553
00:24:28,330 --> 00:24:26,760
acknowledge that there's probably

554
00:24:32,149 --> 00:24:28,340
something

555
00:24:34,490 --> 00:24:32,159
uh mechanical in the the Mesa there's

556
00:24:36,590 --> 00:24:34,500
like a large Mesa and they've been

557
00:24:38,810 --> 00:24:36,600
trying to drill into it and they they

558
00:24:41,330 --> 00:24:38,820
got they got deep in the in there and

559
00:24:43,370 --> 00:24:41,340
they they found some like mechanical or

560
00:24:45,289 --> 00:24:43,380
metal shavings things that appear to be

561
00:24:47,750 --> 00:24:45,299
manufactured they don't know appear to

562
00:24:50,450 --> 00:24:47,760
be manufactured but uh the owner

563
00:24:53,630 --> 00:24:50,460

basically said uh we're not going to

564

00:24:55,430 --> 00:24:53,640

bring in Earth movers and level the Mesa

565

00:24:59,029 --> 00:24:55,440

to find out what's in there like why not

566

00:25:01,990 --> 00:24:59,039

if it's like a huge scientific discovery

567

00:25:04,190 --> 00:25:02,000

uh that is completely

568

00:25:07,789 --> 00:25:04,200

earth-shattering why not bring in some

569

00:25:09,230 --> 00:25:07,799

Earth movers and excavate the area in

570

00:25:10,669 --> 00:25:09,240

order to figure it out he said he's not

571

00:25:12,649 --> 00:25:10,679

going to do it

572

00:25:15,350 --> 00:25:12,659

so it seems like

573

00:25:18,590 --> 00:25:15,360

they're really trying to milk this TV

574

00:25:20,270 --> 00:25:18,600

show for all it's worth and yeah I gotta

575

00:25:22,850 --> 00:25:20,280

I gotta admit like the past I would say

576

00:25:23,950 --> 00:25:22,860

three episodes have been uh dutta Roots

577

00:25:26,630 --> 00:25:23,960

you know

578

00:25:30,470 --> 00:25:26,640

uh big nothing burgers

579

00:25:32,029 --> 00:25:30,480

yeah it's yeah I I know they have 10

580

00:25:33,890 --> 00:25:32,039

episodes to fill here they have an

581

00:25:35,990 --> 00:25:33,900

entire season but it really feels like

582

00:25:39,590 --> 00:25:36,000

they could have Consolidated it down to

583

00:25:42,710 --> 00:25:39,600

like four good episodes of Fairly

584

00:25:44,990 --> 00:25:42,720

interesting stuff but uh is they gotta

585

00:25:46,850 --> 00:25:45,000

make that sweet money you gotta fluff it

586

00:25:48,289 --> 00:25:46,860

out you know I got they gotta take the

587

00:25:52,070 --> 00:25:48,299

blue book yeah that's how you make the

588

00:25:52,789 --> 00:25:52,080

money it really is and uh no one wants

589

00:25:55,250 --> 00:25:52,799

that

590

00:25:57,590 --> 00:25:55,260

I don't I just want them to present the

591

00:25:59,810 --> 00:25:57,600

evidence but that's where you make the

592

00:26:01,850 --> 00:25:59,820

Monday

593

00:26:04,070 --> 00:26:01,860

I mean we excavate a little bit get into

594

00:26:07,010 --> 00:26:04,080

that dumb and see what's uh going on

595

00:26:08,930 --> 00:26:07,020

under the hood yeah well I mean that

596

00:26:11,210 --> 00:26:08,940

will probably be on like the final

597

00:26:13,789 --> 00:26:11,220

season fight like the the very last

598

00:26:15,529 --> 00:26:13,799

episode will finally dig in there once

599

00:26:17,750 --> 00:26:15,539

it's kind of like once The Walking Dead

600

00:26:20,630 --> 00:26:17,760

like The Walking Dead topped out season

601
00:26:22,310 --> 00:26:20,640
five during like season 13. then they'll

602
00:26:25,490 --> 00:26:22,320
start doing some interesting stuff to

603
00:26:26,990 --> 00:26:25,500
bring the fans back and uh apparently

604
00:26:29,450 --> 00:26:27,000
it's still like it's gonna walk a ranch

605
00:26:31,250 --> 00:26:29,460
it's still doing good numbers so they're

606
00:26:33,470 --> 00:26:31,260
not desperate to do any kind of stunt

607
00:26:36,230 --> 00:26:33,480
just yet we'll have to wait until the

608
00:26:37,789 --> 00:26:36,240
the ratings are really tank they should

609
00:26:39,950 --> 00:26:37,799
uh bring Britney Spears down there and

610
00:26:42,830 --> 00:26:39,960
have her shave her head at Skinwalker

611
00:26:45,230 --> 00:26:42,840
Ranch oh that'd be fun yeah let's do it

612
00:26:47,330 --> 00:26:45,240
not only do you get the celebrity draw

613
00:26:49,610 --> 00:26:47,340

but you get the recalling of a classic

614

00:26:50,630 --> 00:26:49,620

meme I think there'd be a lot of eyes on

615

00:26:53,450 --> 00:26:50,640

that

616

00:26:55,130 --> 00:26:53,460

um I'd watch yeah sure or you can get

617

00:26:58,130 --> 00:26:55,140

more camel down there and do like a

618

00:27:01,490 --> 00:26:58,140

Skywalker skin walker pun type of thing

619

00:27:05,090 --> 00:27:01,500

you know I see yeah George Lucas might

620

00:27:06,250 --> 00:27:05,100

Sue over the use of anything's Skywalker

621

00:27:08,690 --> 00:27:06,260

related

622

00:27:10,070 --> 00:27:08,700

still own it or did he sell all that I

623

00:27:12,350 --> 00:27:10,080

didn't know you know what you know

624

00:27:15,230 --> 00:27:12,360

Disney was new too the mouse would sue

625

00:27:17,630 --> 00:27:15,240

you yeah yeah the house of mouse better

626
00:27:21,010 --> 00:27:17,640
watch out better not cry Mickey Mouse is

627
00:27:26,630 --> 00:27:23,029
so where are you going after this

628
00:27:29,210 --> 00:27:26,640
lawsuit I'm going to Disneyland now

629
00:27:33,130 --> 00:27:29,220
the irony not much of a park anymore but

630
00:27:38,790 --> 00:27:35,450
is that the is that crutches laughing

631
00:27:41,930 --> 00:27:38,800
over there yes okay

632
00:27:43,130 --> 00:27:41,940
[Laughter]

633
00:27:45,470 --> 00:27:43,140
uh all right

634
00:27:48,669 --> 00:27:45,480
all right I do have an update for people

635
00:27:50,470 --> 00:27:48,679
on the Vegas alien

636
00:27:53,210 --> 00:27:50,480
oh

637
00:27:56,450 --> 00:27:53,220
the Vegas alien

638
00:28:01,070 --> 00:27:56,460

the Las Vegas alien

639

00:28:05,149 --> 00:28:01,080

so we played a clip uh from a news uh uh

640

00:28:06,769 --> 00:28:05,159

a news report that during the uh there's

641

00:28:11,090 --> 00:28:06,779

a sighting of a meteor that was in the

642

00:28:12,470 --> 00:28:11,100

sky from police body camera and then a

643

00:28:15,230 --> 00:28:12,480

family called in and said hey there's

644

00:28:17,090 --> 00:28:15,240

humanoids in the backyard and the one

645

00:28:20,090 --> 00:28:17,100

they're like 10 feet tall they have big

646

00:28:22,909 --> 00:28:20,100

eyes and big mouths and you know there

647

00:28:24,529 --> 00:28:22,919

wasn't beyond that call there wasn't

648

00:28:29,029 --> 00:28:24,539

much

649

00:28:32,210 --> 00:28:29,039

more detail the the video footage was

650

00:28:35,810 --> 00:28:32,220

kind of stupid because it was all done

651
00:28:38,870 --> 00:28:35,820
by like a cell cam uh or a phone cam

652
00:28:41,149 --> 00:28:38,880
from like 1995 is horrible it was it

653
00:28:44,570 --> 00:28:41,159
wasn't even 720p is what I'm trying to

654
00:28:48,289 --> 00:28:44,580
say and it was all dark but

655
00:28:50,450 --> 00:28:48,299
um it turns out like during that uh that

656
00:28:51,950 --> 00:28:50,460
meteor Glide over there were like two

657
00:28:53,630 --> 00:28:51,960
objects there was the main meteor and

658
00:28:56,570 --> 00:28:53,640
then there was a smaller object that was

659
00:29:00,230 --> 00:28:56,580
kind of running parallel to it at the

660
00:29:02,450 --> 00:29:00,240
same time and then some uh YouTuber out

661
00:29:06,590 --> 00:29:02,460
there decided to do a little bit more

662
00:29:09,289 --> 00:29:06,600
photographic analysis on the footage of

663
00:29:10,610 --> 00:29:09,299

the family walking back to the they call

664

00:29:12,010 --> 00:29:10,620

it backyard it's really just a back

665

00:29:15,409 --> 00:29:12,020

parking lot

666

00:29:17,390 --> 00:29:15,419

and I was like okay there could be

667

00:29:19,490 --> 00:29:17,400

something there I'll bring it I'll play

668

00:29:22,490 --> 00:29:19,500

the audio over here I'll bring it up on

669

00:29:24,230 --> 00:29:22,500

screen I'll let you guys decide at home

670

00:29:26,450 --> 00:29:24,240

if we're seeing

671

00:29:29,149 --> 00:29:26,460

something behind the fence

672

00:29:32,810 --> 00:29:29,159

and there very well could be something

673

00:29:33,950 --> 00:29:32,820

behind the fence and I'm I'm open to

674

00:29:36,049 --> 00:29:33,960

this

675

00:29:38,149 --> 00:29:36,059

that there could be an alien back there

676
00:29:39,289 --> 00:29:38,159
but we'll see I'll bring this up on

677
00:29:43,909 --> 00:29:39,299
screen

678
00:29:46,909 --> 00:29:43,919
and we'll listen to this guy uh describe

679
00:29:49,070 --> 00:29:46,919
what he thinks is behind the defense but

680
00:29:50,570 --> 00:29:49,080
there does appear to be something moving

681
00:29:52,669 --> 00:29:50,580
behind the fence I just don't know

682
00:29:55,789 --> 00:29:52,679
exactly what it is just I first started

683
00:29:58,669 --> 00:29:55,799
here we go

684
00:30:00,470 --> 00:29:58,679
I first start down here because I found

685
00:30:02,870 --> 00:30:00,480
something crazy

686
00:30:05,750 --> 00:30:02,880
spots I wasn't even focused on holding

687
00:30:07,669 --> 00:30:05,760
more mysteries for this video and I'm

688
00:30:10,370 --> 00:30:07,679

gonna point out two things you need to

689

00:30:12,529 --> 00:30:10,380

pay attention to right here which is the

690

00:30:15,230 --> 00:30:12,539

head and if you look really closers and

691

00:30:17,690 --> 00:30:15,240

what you will see in about a minute is a

692

00:30:20,090 --> 00:30:17,700

hand that I believe is some creature

693

00:30:21,830 --> 00:30:20,100

non-human crouching down and that was

694

00:30:24,350 --> 00:30:21,840

its eye I just pointed at and I want you

695

00:30:26,510 --> 00:30:24,360

to pay attention to would appear to be

696

00:30:28,250 --> 00:30:26,520

fingers running up the fence as if it's

697

00:30:30,049 --> 00:30:28,260

kneeling down or something and peering

698

00:30:32,690 --> 00:30:30,059

out and then there you go see the

699

00:30:34,310 --> 00:30:32,700

fingers and I think I I go back and

700

00:30:35,950 --> 00:30:34,320

forth a couple times here but it looks

701
00:30:40,010 --> 00:30:35,960
to me like

702
00:30:43,070 --> 00:30:40,020
there's a little other or a big creature

703
00:30:44,870 --> 00:30:43,080
looking through the fence on the bottom

704
00:30:46,850 --> 00:30:44,880
there crouched down

705
00:30:49,669 --> 00:30:46,860
I mean

706
00:30:51,169 --> 00:30:49,679
maybe I'm wrong but

707
00:30:53,630 --> 00:30:51,179
you tell me

708
00:30:55,789 --> 00:30:53,640
and then there's his fingers going right

709
00:31:01,010 --> 00:30:55,799
up and

710
00:31:03,590 --> 00:31:01,020
a human hand crawling up the fence and

711
00:31:07,389 --> 00:31:03,600
at the very beginning you see an eye and

712
00:31:11,990 --> 00:31:09,590
that's when I really poor attempt to

713
00:31:14,870 --> 00:31:12,000

drawing over the fingers but

714

00:31:18,470 --> 00:31:14,880

you get it um Jay what the [h__\h] so

715

00:31:22,070 --> 00:31:18,480

what's really interesting about this is

716

00:31:25,070 --> 00:31:22,080

it is happening next to them and kind of

717

00:31:27,289 --> 00:31:25,080

in front of them but behind a fence

718

00:31:28,909 --> 00:31:27,299

um the other fingers are really crazy so

719

00:31:30,409 --> 00:31:28,919

I think I'm gonna show up one more time

720

00:31:33,529 --> 00:31:30,419

and then I zoom out and I'll show you

721

00:31:35,269 --> 00:31:33,539

what even made me realize this was here

722

00:31:40,370 --> 00:31:35,279

so

723

00:31:42,549 --> 00:31:40,380

look at the top right look at the top

724

00:31:46,010 --> 00:31:42,559

right right now there's actually a

725

00:31:48,230 --> 00:31:46,020

shadow figure a it almost looks like

726

00:31:51,230 --> 00:31:48,240

it's a dense shadowy

727

00:31:53,210 --> 00:31:51,240

figure comes into frame or if you're

728

00:31:55,789 --> 00:31:53,220

looking right if that the three fence

729

00:31:58,070 --> 00:31:55,799

posts if

730

00:32:00,850 --> 00:31:58,080

while this tick tocker Showcases of

731

00:32:02,750 --> 00:32:00,860

being more to the left

732

00:32:10,190 --> 00:32:02,760

and they're not humans they're 100

733

00:32:13,730 --> 00:32:12,110

okay where is this on your property yeah

734

00:32:16,070 --> 00:32:13,740

I'll pause right there is this like so

735

00:32:18,350 --> 00:32:16,080

uh I I thought the the fence thing was

736

00:32:20,269 --> 00:32:18,360

the most interesting thing like there

737

00:32:21,830 --> 00:32:20,279

appears to be something moving behind

738

00:32:23,810 --> 00:32:21,840

the fence

739

00:32:26,870 --> 00:32:23,820

um I guess if you're playing the game

740

00:32:28,430 --> 00:32:26,880

like how many faces in the clouds can

741

00:32:30,590 --> 00:32:28,440

you see you can probably pick out quite

742

00:32:33,049 --> 00:32:30,600

a few uh if you want to see an eye I

743

00:32:34,669 --> 00:32:33,059

guess you can uh but there does appear

744

00:32:37,490 --> 00:32:34,679

to be something behind the fence so it's

745

00:32:39,049 --> 00:32:37,500

tough to really tell what that what that

746

00:32:39,950 --> 00:32:39,059

is

747

00:32:44,269 --> 00:32:39,960

um

748

00:32:46,130 --> 00:32:44,279

but you know the the guy who made the

749

00:32:48,730 --> 00:32:46,140

call and his family they're sticking to

750

00:32:52,850 --> 00:32:48,740

the story that there they were visited

751
00:32:55,610 --> 00:32:52,860
by very large humanoids uh one uh they

752
00:32:57,649 --> 00:32:55,620
even said was uh got in the the earth

753
00:32:59,510 --> 00:32:57,659
mover back there and was playing around

754
00:33:01,970 --> 00:32:59,520
pretending he was a construction guy or

755
00:33:03,950 --> 00:33:01,980
some [h__h] like that I don't know but

756
00:33:06,529 --> 00:33:03,960
they said he was in the in in the actual

757
00:33:10,130 --> 00:33:06,539
uh compartment where you control the

758
00:33:12,289 --> 00:33:10,140
earth mover the backhoe and I would I

759
00:33:16,009 --> 00:33:12,299
would love to see alien killdozer I

760
00:33:17,690 --> 00:33:16,019
think that would be awesome yeah so I I

761
00:33:20,870 --> 00:33:17,700
appreciate them sticking to their story

762
00:33:23,870 --> 00:33:20,880
and I appreciate these people doing this

763
00:33:25,490 --> 00:33:23,880

kind of analysis like really picking

764

00:33:26,210 --> 00:33:25,500

these videos apart

765

00:33:28,549 --> 00:33:26,220

um

766

00:33:30,529 --> 00:33:28,559

uh it just makes the story a little bit

767

00:33:31,970 --> 00:33:30,539

more uh interesting I thought it was

768

00:33:33,529 --> 00:33:31,980

going to die off and maybe it should

769

00:33:34,549 --> 00:33:33,539

have but I wanted to bring it to the

770

00:33:36,169 --> 00:33:34,559

show

771

00:33:38,509 --> 00:33:36,179

booberry what do you say about this

772

00:33:41,870 --> 00:33:38,519

photographic analysis

773

00:33:43,430 --> 00:33:41,880

my God is an alien I I was thinking

774

00:33:45,830 --> 00:33:43,440

um the one thing that really made me

775

00:33:49,130 --> 00:33:45,840

think of was the

776

00:33:51,590 --> 00:33:49,140

string of mysterious clown sightings you

777

00:33:53,570 --> 00:33:51,600

remember way back when oh yeah all of a

778

00:33:55,490 --> 00:33:53,580

sudden there's just clowns being spotted

779

00:33:58,190 --> 00:33:55,500

everywhere there was something about

780

00:34:01,669 --> 00:33:58,200

good days good days yeah back when

781

00:34:02,690 --> 00:34:01,679

things really made sense uh a simpler

782

00:34:05,090 --> 00:34:02,700

time

783

00:34:08,089 --> 00:34:05,100

and uh you know there's just there's

784

00:34:10,730 --> 00:34:08,099

something out there that's in the

785

00:34:12,829 --> 00:34:10,740

collective unconsciousness that's really

786

00:34:16,669 --> 00:34:12,839

captivated people and

787

00:34:18,770 --> 00:34:16,679

uh you know visitors from other worlds

788

00:34:21,109 --> 00:34:18,780

is kind of at the Forefront of people's

789

00:34:23,329 --> 00:34:21,119

minds so you know I think there's

790

00:34:25,669 --> 00:34:23,339

there's a lot of there's a lot of hype

791

00:34:26,990 --> 00:34:25,679

behind it now dag I was seeing in our

792

00:34:30,409 --> 00:34:27,000

chat said that everybody looks like an

793

00:34:32,990 --> 00:34:30,419

alien in 240p which I also agree

794

00:34:34,129 --> 00:34:33,000

uh so I would need to see something with

795

00:34:38,389 --> 00:34:34,139

a little more

796

00:34:41,329 --> 00:34:38,399

um higher quality uh uh recordings I

797

00:34:46,730 --> 00:34:44,089

generally also like the quality but the

798

00:34:49,909 --> 00:34:46,740

lack of amount you know I'm assuming the

799

00:34:52,129 --> 00:34:49,919

family they probably have a few cameras

800

00:34:54,829 --> 00:34:52,139

in the house why wasn't everyone filming

801
00:34:57,290 --> 00:34:54,839
this most significant event

802
00:34:59,329 --> 00:34:57,300
in the the family's life you know what

803
00:35:01,250 --> 00:34:59,339
they need to do they need to get a

804
00:35:03,170 --> 00:35:01,260
couple homeless people together and then

805
00:35:05,089 --> 00:35:03,180
get them to start a brawl so everybody

806
00:35:07,010 --> 00:35:05,099
whips their phones out at the same time

807
00:35:08,870 --> 00:35:07,020
and they're filming that but also

808
00:35:10,910 --> 00:35:08,880
catching the the alien action in the

809
00:35:12,950 --> 00:35:10,920
background yeah let's do it that way you

810
00:35:14,750 --> 00:35:12,960
can cover a wide net make sure

811
00:35:16,250 --> 00:35:14,760
everything's uh covered all your bases

812
00:35:18,410 --> 00:35:16,260
all your shots are covered people like

813
00:35:20,210 --> 00:35:18,420

fights they do and especially when

814

00:35:24,349 --> 00:35:20,220

homeless either homeless people they

815

00:35:26,270 --> 00:35:24,359

love that or like mascots uh so the

816

00:35:30,290 --> 00:35:26,280

aliens mascots yeah aliens versus

817

00:35:32,210 --> 00:35:30,300

mascots classic viral video moment that

818

00:35:34,069 --> 00:35:32,220

the family failed to capture that's the

819

00:35:36,950 --> 00:35:34,079

Kaiju Battle we've all been waiting for

820

00:35:40,310 --> 00:35:36,960

just [h__h] says it's the Kaiju Battle

821

00:35:43,430 --> 00:35:41,870

at first I thought you're gonna see

822

00:35:45,290 --> 00:35:43,440

you're going to hire homeless people to

823

00:35:47,630 --> 00:35:45,300

be an alien watch which I think is a

824

00:35:49,670 --> 00:35:47,640

legitimate idea I think there are plenty

825

00:35:52,130 --> 00:35:49,680

of homeless people that would accept 20

826
00:35:54,650 --> 00:35:52,140
bucks to you know keep their eyes to the

827
00:35:56,930 --> 00:35:54,660
skies I think you're really upselling a

828
00:35:58,609 --> 00:35:56,940
lot at 20 bucks I think that's for your

829
00:36:01,250 --> 00:35:58,619
higher tier I think you probably get

830
00:36:03,290 --> 00:36:01,260
them for five to ten just to say look up

831
00:36:04,970 --> 00:36:03,300
and let me know if you see anything but

832
00:36:07,130 --> 00:36:04,980
you might get a lot of false reports at

833
00:36:08,810 --> 00:36:07,140
that point that's true but you wanna you

834
00:36:11,390 --> 00:36:08,820
wanna you wanna just shut you want like

835
00:36:12,530 --> 00:36:11,400
the Brent Spiner of homeless people sure

836
00:36:15,470 --> 00:36:12,540
you know

837
00:36:17,870 --> 00:36:15,480
I mean but trying to comb through uh

838
00:36:20,630 --> 00:36:17,880

quality homeless people to find the best

839

00:36:24,050 --> 00:36:20,640

UFO spotters it's difficult like what

840

00:36:27,770 --> 00:36:24,060

kind of drugs are they on and are those

841

00:36:29,030 --> 00:36:27,780

drugs uh um maybe make them predisposed

842

00:36:32,210 --> 00:36:29,040

to see something that they normally

843

00:36:35,930 --> 00:36:32,220

wouldn't and so it's really difficult

844

00:36:38,270 --> 00:36:35,940

like there's fentanyl do Fentanyl users

845

00:36:40,970 --> 00:36:38,280

are they more apt to see UFOs versus

846

00:36:43,370 --> 00:36:40,980

meth users and I would imagine like meth

847

00:36:45,770 --> 00:36:43,380

users probably top tier alien viewers

848

00:36:47,990 --> 00:36:45,780

because I would say the the mushroom

849

00:36:49,430 --> 00:36:48,000

people probably or the acid people I'm

850

00:36:52,310 --> 00:36:49,440

not seeing a lot of homeless people on

851
00:36:55,069 --> 00:36:52,320
mushrooms you know not at least not in

852
00:36:56,690 --> 00:36:55,079
my neck of the woods oh oh we got him

853
00:36:59,390 --> 00:36:56,700
over here you got you got a lot of

854
00:37:00,710 --> 00:36:59,400
mushroomers yeah in San Francisco Bay

855
00:37:02,510 --> 00:37:00,720
Area sure okay they're all doing

856
00:37:06,310 --> 00:37:02,520
mushrooms in San Francisco pretty much

857
00:37:08,930 --> 00:37:06,320
anything and everything does go yeah

858
00:37:10,730 --> 00:37:08,940
especially when mold is concerned yeah

859
00:37:13,910 --> 00:37:10,740
but like mushrooms I mean that's like a

860
00:37:16,430 --> 00:37:13,920
psychedelic introspective kind of thing

861
00:37:18,349 --> 00:37:16,440
yeah homeless people they want to get

862
00:37:19,609 --> 00:37:18,359
high they want to get drunk they want to

863
00:37:22,490 --> 00:37:19,619

forget about their troubles they don't

864

00:37:24,609 --> 00:37:22,500

want to think about like all the

865

00:37:27,230 --> 00:37:24,619

existential questions that the Universe

866

00:37:28,790 --> 00:37:27,240

has and how what what questions they

867

00:37:31,690 --> 00:37:28,800

want to ask the universe it seems like

868

00:37:34,370 --> 00:37:31,700

when you're doing mushrooms

869

00:37:35,569 --> 00:37:34,380

when you do them when you're young you

870

00:37:37,790 --> 00:37:35,579

do it because they're kind of fun when

871

00:37:39,530 --> 00:37:37,800

you're old you might do it as some sort

872

00:37:42,609 --> 00:37:39,540

of spirit quest to make yourself a

873

00:37:45,290 --> 00:37:42,619

better human so I don't know

874

00:37:47,270 --> 00:37:45,300

that's what I'm assuming and so I mean

875

00:37:50,690 --> 00:37:47,280

maybe there's homeless people out there

876

00:37:52,670 --> 00:37:50,700

uh doing mushrooms on Spirit quests uh

877

00:37:55,010 --> 00:37:52,680

but I don't think so

878

00:37:57,589 --> 00:37:55,020

at that point they would be shamans yes

879

00:38:00,050 --> 00:37:57,599

they would be traveling shamans yeah I

880

00:38:02,690 --> 00:38:00,060

feel like that's a very thin line it's a

881

00:38:05,510 --> 00:38:02,700

very thin line very thin extremely good

882

00:38:06,950 --> 00:38:05,520

it's just based off of some of the dudes

883

00:38:10,970 --> 00:38:06,960

that I've ran into

884

00:38:13,790 --> 00:38:10,980

it's a super thin line yeah okay

885

00:38:15,109 --> 00:38:13,800

but meth yeah probably I think I think

886

00:38:17,390 --> 00:38:15,119

we can all agree that the number one

887

00:38:19,130 --> 00:38:17,400

alien setting yeah yeah no there's

888

00:38:21,109 --> 00:38:19,140

demons there boy

889

00:38:22,790 --> 00:38:21,119

and I like the I like the fact that they

890

00:38:24,589 --> 00:38:22,800

shout out the shadow people I'm a big

891

00:38:26,810 --> 00:38:24,599

believer in the shadow people I've seen

892

00:38:29,569 --> 00:38:26,820

them I've been encountered or interacted

893

00:38:32,390 --> 00:38:29,579

with them before it's very real very

894

00:38:36,410 --> 00:38:32,400

spooky how did you interact with them

895

00:38:37,849 --> 00:38:36,420

uh a lot of times it's it's mostly just

896

00:38:39,470 --> 00:38:37,859

feeling like someone's constantly

897

00:38:41,150 --> 00:38:39,480

walking up on you you never get that

898

00:38:43,370 --> 00:38:41,160

Vibe you're sitting there in a room by

899

00:38:45,230 --> 00:38:43,380

yourself and someone walks in you turn

900

00:38:48,410 --> 00:38:45,240

around there's nothing there okay I

901
00:38:52,430 --> 00:38:48,420
could I can let that slide

902
00:38:54,290 --> 00:38:52,440
um more so it's just like I was in um

903
00:38:56,210 --> 00:38:54,300
somewhere in Connecticut

904
00:38:58,430 --> 00:38:56,220
I was walking back home from the theater

905
00:39:00,890 --> 00:38:58,440
in this thing materialized out of the

906
00:39:02,930 --> 00:39:00,900
air was about eight feet tall and

907
00:39:04,250 --> 00:39:02,940
there's actually a Batman villain from

908
00:39:06,589 --> 00:39:04,260
the um

909
00:39:08,690 --> 00:39:06,599
Batman Beyond cartoon series there was

910
00:39:09,950 --> 00:39:08,700
kind of like a gooey black tendril

911
00:39:12,170 --> 00:39:09,960
monster but

912
00:39:15,589 --> 00:39:12,180
this guy looked just like that monster

913
00:39:18,230 --> 00:39:15,599

for bad guy from Batman Beyond and I had

914

00:39:19,970 --> 00:39:18,240

really Jagged arms and Jagged legs it

915

00:39:23,210 --> 00:39:19,980

was like everything kind of came to a

916

00:39:26,089 --> 00:39:23,220

point with a with a with a faint white

917

00:39:29,630 --> 00:39:26,099

outline like it was almost being backlit

918

00:39:31,730 --> 00:39:29,640

right and then just boom materialized

919

00:39:34,930 --> 00:39:31,740

and ran across the road and just was

920

00:39:38,930 --> 00:39:34,940

gone in a Flash

921

00:39:40,910 --> 00:39:38,940

yeah it sounds terrifying yeah

922

00:39:43,250 --> 00:39:40,920

well you guys want to talk about some

923

00:39:46,609 --> 00:39:43,260

non-spooky stuff

924

00:39:48,170 --> 00:39:46,619

let's do it let's talk about non-spooky

925

00:39:53,350 --> 00:39:48,180

stuff

926
00:39:53,360 --> 00:40:01,010

[Music]

927
00:40:05,510 --> 00:40:03,829
at least in my opinion

928
00:40:08,270 --> 00:40:05,520
so I've got an article here I'll bring

929
00:40:11,990 --> 00:40:08,280
up on on screen

930
00:40:14,150 --> 00:40:12,000
on screen on screen here it is uh Arnold

931
00:40:17,150 --> 00:40:14,160
Schwarzenegger says he'd absolutely run

932
00:40:18,290 --> 00:40:17,160
for president in 2024 if he could it's a

933
00:40:21,230 --> 00:40:18,300
no-brainer

934
00:40:23,750 --> 00:40:21,240
I see so clearly how I could win that's

935
00:40:26,750 --> 00:40:23,760
some good news on that front now I I

936
00:40:29,690 --> 00:40:26,760
watched the the most recent Arnold

937
00:40:31,849 --> 00:40:29,700
Schwarzenegger Netflix uh like

938
00:40:34,490 --> 00:40:31,859

docu-series it's like a three-part

939

00:40:37,370 --> 00:40:34,500

series that goes through his uh uh

940

00:40:38,870 --> 00:40:37,380

bodybuilding his career he goes through

941

00:40:41,210 --> 00:40:38,880

his Hollywood career than his political

942

00:40:42,589 --> 00:40:41,220

career and the whole thing and my wife

943

00:40:45,650 --> 00:40:42,599

said this we watched it together the

944

00:40:49,069 --> 00:40:45,660

whole thing seemed like an advertisement

945

00:40:52,609 --> 00:40:49,079

or at least a PR campaign to position

946

00:40:54,410 --> 00:40:52,619

himself to run for president and then a

947

00:40:57,770 --> 00:40:54,420

few days later this article comes out

948

00:41:00,650 --> 00:40:57,780

saying oh he would in fact love to run

949

00:41:02,630 --> 00:41:00,660

for president and it it seems like with

950

00:41:05,089 --> 00:41:02,640

all the Articles like a few episodes ago

951

00:41:07,790 --> 00:41:05,099

we covered probably four different

952

00:41:10,010 --> 00:41:07,800

headlines related to Arnold

953

00:41:11,810 --> 00:41:10,020

Schwarzenegger and I was like wow he's

954

00:41:14,690 --> 00:41:11,820

all of a sudden in the news now it all

955

00:41:16,930 --> 00:41:14,700

makes sense I'm going to take a [h__\h]

956

00:41:20,270 --> 00:41:16,940

he wants to run for president

957

00:41:21,710 --> 00:41:20,280

and uh not going to be possible unless

958

00:41:24,230 --> 00:41:21,720

there are some changes so Arnold

959

00:41:26,450 --> 00:41:24,240

Schwarzenegger would throw his name into

960

00:41:28,430 --> 00:41:26,460

the race for a U.S president if he was

961

00:41:30,650 --> 00:41:28,440

eligible the actor in former California

962

00:41:33,710 --> 00:41:30,660

governor uh told Chris Wallace on a

963

00:41:35,810 --> 00:41:33,720

recent episode of Max and CNN's who's

964

00:41:38,270 --> 00:41:35,820

talking interview series the action

965

00:41:40,790 --> 00:41:38,280

movie icon already has a history in U.S

966

00:41:43,609 --> 00:41:40,800

politics as he served as the 38th

967

00:41:45,589 --> 00:41:43,619

governor of California from 2003 to

968

00:41:48,050 --> 00:41:45,599

2011.

969

00:41:50,510 --> 00:41:48,060

uh Republican Governor by the way yeah a

970

00:41:52,910 --> 00:41:50,520

republican Governor yep pretty rare in

971

00:41:55,069 --> 00:41:52,920

California yeah but he's a governor

972

00:41:59,510 --> 00:41:55,079

man it's the governor he got it done

973

00:42:05,030 --> 00:42:03,170

The Gray Davis crushed him uh Gray Davis

974

00:42:07,069 --> 00:42:05,040

did or he crushed gray David he crushed

975

00:42:08,630 --> 00:42:07,079

Gray Davis yeah that was like a whole

976

00:42:10,190 --> 00:42:08,640

big political

977

00:42:14,270 --> 00:42:10,200

thing like back then that was they

978

00:42:16,609 --> 00:42:14,280

during like the the the wave of brown

979

00:42:19,569 --> 00:42:16,619

house and energy problems in California

980

00:42:22,790 --> 00:42:19,579

I think Enron was closely linked to that

981

00:42:24,109 --> 00:42:22,800

and and then uh I'm not sure if he

982

00:42:26,810 --> 00:42:24,119

remembers lavish you're from out there

983

00:42:30,050 --> 00:42:26,820

but then they really were pushing to

984

00:42:32,569 --> 00:42:30,060

have the recall on Gray Davis and Arnold

985

00:42:33,710 --> 00:42:32,579

says he had no

986

00:42:36,109 --> 00:42:33,720

um

987

00:42:38,810 --> 00:42:36,119

influence in that decision but come on

988

00:42:40,970 --> 00:42:38,820

yeah he he had something to do with it

989

00:42:45,130 --> 00:42:40,980

yeah at some level yeah he absolutely

990

00:42:48,290 --> 00:42:45,140

did yeah or not

991

00:42:50,270 --> 00:42:48,300

get down

992

00:42:52,010 --> 00:42:50,280

uh he goes on to say quote the

993

00:42:55,069 --> 00:42:52,020

Constitution who says the president has

994

00:42:57,550 --> 00:42:55,079

to be a natural-born U.S citizen if not

995

00:43:01,190 --> 00:42:57,560

for that I would have run for president

996

00:43:02,569 --> 00:43:01,200

uh and then he uh he said yeah well yes

997

00:43:05,510 --> 00:43:02,579

of course

998

00:43:07,670 --> 00:43:05,520

I mean I think that the field was wide

999

00:43:09,890 --> 00:43:07,680

open in 2016 I think that the field is

1000

00:43:12,290 --> 00:43:09,900

wide open right now I mean think about

1001
00:43:15,109 --> 00:43:12,300
it right now I mean who is there really

1002
00:43:17,450 --> 00:43:15,119
uh there really is not a person that can

1003
00:43:20,510 --> 00:43:17,460
bring everyone together who here today

1004
00:43:23,030 --> 00:43:20,520
the people say okay he's not too old

1005
00:43:25,670 --> 00:43:23,040
he's not through this or that or because

1006
00:43:28,430 --> 00:43:25,680
of uh because it's now a question about

1007
00:43:31,550 --> 00:43:28,440
who do you vote against than who you

1008
00:43:34,490 --> 00:43:31,560
vote for and he right like uh there is

1009
00:43:36,349 --> 00:43:34,500
really no candidate that really unifies

1010
00:43:39,770 --> 00:43:36,359
people anymore and I don't think they're

1011
00:43:42,890 --> 00:43:39,780
I'm not sure if there ever will be again

1012
00:43:44,750 --> 00:43:42,900
but I think Arnold could be that my

1013
00:43:48,710 --> 00:43:44,760

mission is to [h__h] you

1014

00:43:50,329 --> 00:43:48,720

Mr screw your freedoms himself I think

1015

00:43:52,730 --> 00:43:50,339

that that's the that's the thing man

1016

00:43:54,410 --> 00:43:52,740

he'll never get over that or people will

1017

00:43:56,990 --> 00:43:54,420

never forget that he said screw your

1018

00:44:00,109 --> 00:43:57,000

freedoms he did apologize for that he

1019

00:44:02,510 --> 00:44:00,119

did apologize for it but that's that's a

1020

00:44:08,050 --> 00:44:02,520

sticky one it is a very sticky situation

1021

00:44:11,990 --> 00:44:08,060

and that was over uh covid and yeah

1022

00:44:14,450 --> 00:44:12,000

and uh I think what what happened is

1023

00:44:16,670 --> 00:44:14,460

that he saw Trump win and he went holy

1024

00:44:17,750 --> 00:44:16,680

[h__h] I could have won had I only been

1025

00:44:20,809 --> 00:44:17,760

born here

1026
00:44:23,210 --> 00:44:20,819
and now he's like [\h__\h] now if we can

1027
00:44:27,170 --> 00:44:23,220
only change the Constitution to get me

1028
00:44:30,589 --> 00:44:27,180
to run uh I could be president I think

1029
00:44:32,690 --> 00:44:30,599
he probably could be president

1030
00:44:36,890 --> 00:44:32,700
I and actually I don't even think that

1031
00:44:39,050 --> 00:44:36,900
he would be a bad president necessarily

1032
00:44:41,569 --> 00:44:39,060
um when it comes to natural born

1033
00:44:43,130 --> 00:44:41,579
citizens uh you have to be born in the

1034
00:44:44,930 --> 00:44:43,140
United States to become the United

1035
00:44:46,670 --> 00:44:44,940
States president and I was I was I was

1036
00:44:48,130 --> 00:44:46,680
thinking about this today I was I was

1037
00:44:51,349 --> 00:44:48,140
out walking my dog

1038
00:44:52,910 --> 00:44:51,359

and I was like you know that that is in

1039

00:44:54,230 --> 00:44:52,920

the Constitution I'm sure they put it in

1040

00:44:56,270 --> 00:44:54,240

there for a reason

1041

00:44:58,069 --> 00:44:56,280

but you take a look at like someone

1042

00:45:00,470 --> 00:44:58,079

who's like Arnold Schwarzenegger he came

1043

00:45:02,870 --> 00:45:00,480

to America because he believed in the

1044

00:45:05,329 --> 00:45:02,880

American dream he had a lot of ego he

1045

00:45:06,890 --> 00:45:05,339

had a lot of ambition but he believed in

1046

00:45:09,829 --> 00:45:06,900

the American dream and he'd come here he

1047

00:45:13,309 --> 00:45:09,839

can make something for himself he could

1048

00:45:15,109 --> 00:45:13,319

he could Envision his life and then

1049

00:45:19,309 --> 00:45:15,119

achieve it here you have a lot of people

1050

00:45:21,410 --> 00:45:19,319

that uh are fled uh or in our fleeing

1051
00:45:23,450 --> 00:45:21,420
communist China that come here and are

1052
00:45:25,309 --> 00:45:23,460
so grateful for the opportunities here

1053
00:45:27,890 --> 00:45:25,319
in in America

1054
00:45:31,190 --> 00:45:27,900
and they really embody the spirit of

1055
00:45:33,950 --> 00:45:31,200
America I would have to say that those

1056
00:45:37,130 --> 00:45:33,960
types of people might be better than

1057
00:45:39,710 --> 00:45:37,140
what we currently have like uh Joe Biden

1058
00:45:42,770 --> 00:45:39,720
who yeah you know buy a shotgun your old

1059
00:45:44,809 --> 00:45:42,780
Elites yeah you're right Arnold is the

1060
00:45:47,390 --> 00:45:44,819
embodiment of the American dream yeah

1061
00:45:49,190 --> 00:45:47,400
and uh there's a reason why the Simpsons

1062
00:45:50,150 --> 00:45:49,200
and all kinds of people portray him as

1063
00:45:52,010 --> 00:45:50,160

the president

1064

00:45:54,950 --> 00:45:52,020

because he would be he would be a great

1065

00:45:57,410 --> 00:45:54,960

American president yeah come on man so

1066

00:45:59,809 --> 00:45:57,420

maybe that uh that that provision in the

1067

00:46:02,450 --> 00:45:59,819

Constitution needs to go away we need to

1068

00:46:04,849 --> 00:46:02,460

find people that that just embody the

1069

00:46:07,190 --> 00:46:04,859

the spirit of America whether the

1070

00:46:09,290 --> 00:46:07,200

American dream is true or not the

1071

00:46:11,990 --> 00:46:09,300

illusion is powerful because if you

1072

00:46:14,809 --> 00:46:12,000

believe in it then you act as though it

1073

00:46:17,210 --> 00:46:14,819

is possible and that creates that kind

1074

00:46:19,069 --> 00:46:17,220

of manifestation to where you think you

1075

00:46:20,990 --> 00:46:19,079

can do something a lot of people here in

1076

00:46:23,030 --> 00:46:21,000

America take take this entire country

1077

00:46:26,390 --> 00:46:23,040

for granted the people that have fled

1078

00:46:28,190 --> 00:46:26,400

China and other repressive regimes like

1079

00:46:30,410 --> 00:46:28,200

that they come here and go God well

1080

00:46:32,270 --> 00:46:30,420

thank God we're here and I think you

1081

00:46:34,190 --> 00:46:32,280

want people like that uh running the

1082

00:46:35,870 --> 00:46:34,200

country to preserve the American

1083

00:46:38,329 --> 00:46:35,880

freedoms in the American way of life

1084

00:46:41,089 --> 00:46:38,339

enough people to take it for granted and

1085

00:46:43,309 --> 00:46:41,099

use it for corrupt criminal purposes

1086

00:46:45,290 --> 00:46:43,319

yeah the great leaders sometimes are

1087

00:46:48,890 --> 00:46:45,300

foreigners like Napoleon was an Italian

1088

00:46:51,109 --> 00:46:48,900

and uh and uh Stalin was a Georgian you

1089

00:46:53,329 --> 00:46:51,119

know sometimes an outsider comes in and

1090

00:46:55,849 --> 00:46:53,339

kind of kind of shakes things up yeah

1091

00:46:58,609 --> 00:46:55,859

yeah so I think I'm on board I think we

1092

00:47:01,670 --> 00:46:58,619

got to change the Constitution to allow

1093

00:47:04,790 --> 00:47:01,680

uh specifically own only Arnold to run

1094

00:47:07,150 --> 00:47:04,800

everyone else can go pound sand what

1095

00:47:09,589 --> 00:47:07,160

about what would you say Mike about Elon

1096

00:47:12,109 --> 00:47:09,599

uh because people always talk about Elon

1097

00:47:14,930 --> 00:47:12,119

running for president he was born in

1098

00:47:17,690 --> 00:47:14,940

South Africa right South Africa but his

1099

00:47:19,930 --> 00:47:17,700

mother was is a is a an American citizen

1100

00:47:23,990 --> 00:47:19,940

yeah so people say through his mother

1101

00:47:26,390 --> 00:47:24,000

he's uh let uh he's like he's like born

1102

00:47:28,430 --> 00:47:26,400

into it he's legitimate for a

1103

00:47:32,450 --> 00:47:28,440

presidential run I mean I don't know I

1104

00:47:34,910 --> 00:47:32,460

don't know if I trust Elon or not

1105

00:47:36,530 --> 00:47:34,920

um well aside from him because you know

1106

00:47:38,450 --> 00:47:36,540

he's he's whatever but but what do you

1107

00:47:40,190 --> 00:47:38,460

think about that the do you think it's

1108

00:47:41,750 --> 00:47:40,200

legal for for someone to run for

1109

00:47:43,609 --> 00:47:41,760

president if they aren't born in America

1110

00:47:46,309 --> 00:47:43,619

but their mother is American I don't

1111

00:47:48,650 --> 00:47:46,319

know it seems kind of weird to me uh it

1112

00:47:50,030 --> 00:47:48,660

it seemed kind of weird like I know

1113

00:47:52,609 --> 00:47:50,040

somebody was born in America so

1114

00:47:54,109 --> 00:47:52,619

therefore I can be president I I don't

1115

00:47:58,309 --> 00:47:54,119

know like legal I'm not a lawyer

1116

00:47:59,990 --> 00:47:58,319

obviously but uh it seems like it's a

1117

00:48:01,609 --> 00:48:00,000

little bit too far removed according to

1118

00:48:04,010 --> 00:48:01,619

the Constitution I would have to say

1119

00:48:06,530 --> 00:48:04,020

naturally born citizen you have to be

1120

00:48:09,710 --> 00:48:06,540

born here I would that's how I would

1121

00:48:12,290 --> 00:48:09,720

interpret it but uh I agree I agree

1122

00:48:14,690 --> 00:48:12,300

that's I I think the the Constitution

1123

00:48:17,809 --> 00:48:14,700

should be changed just for Arnold

1124

00:48:20,270 --> 00:48:17,819

Schwarzenegger as a [h__\h] [h__\h] yeah

1125

00:48:22,970 --> 00:48:20,280

hahaha

1126

00:48:25,309 --> 00:48:22,980

uh yeah and so he's on this PR campaign

1127

00:48:27,250 --> 00:48:25,319

he's on like Arnold is on this PR

1128

00:48:29,990 --> 00:48:27,260

campaign

1129

00:48:32,150 --> 00:48:30,000

to make that change the Constitution

1130

00:48:35,450 --> 00:48:32,160

would be quite significant considered

1131

00:48:37,790 --> 00:48:35,460

considering how divided the country is

1132

00:48:39,770 --> 00:48:37,800

uh to make a like an amendment to the

1133

00:48:41,390 --> 00:48:39,780

Constitution for just himself I don't

1134

00:48:42,349 --> 00:48:41,400

think it's gonna happen ain't gonna

1135

00:48:44,329 --> 00:48:42,359

happen

1136

00:48:46,490 --> 00:48:44,339

now what he could be doing is trying to

1137

00:48:49,730 --> 00:48:46,500

increase his uh

1138

00:48:51,770 --> 00:48:49,740

his brand viability to where he could be

1139

00:48:54,710 --> 00:48:51,780

part of the cabinet could you serve as a

1140

00:48:56,390 --> 00:48:54,720

Cabinet member if you're not born here

1141

00:48:58,190 --> 00:48:56,400

I don't think so I think maybe because

1142

00:49:00,890 --> 00:48:58,200

then you're in the presidential line of

1143

00:49:02,870 --> 00:49:00,900

succession like you could like if you're

1144

00:49:05,089 --> 00:49:02,880

part of the cabinet you could eventually

1145

00:49:06,950 --> 00:49:05,099

become the president if everyone else in

1146

00:49:09,290 --> 00:49:06,960

front of you dies

1147

00:49:13,390 --> 00:49:09,300

right that's right that's absolutely

1148

00:49:17,270 --> 00:49:15,710

but I hope you live enough room for my

1149

00:49:23,270 --> 00:49:17,280

Hawk because I'm going to ram it into

1150

00:49:27,770 --> 00:49:25,309

so he could like so I I guess I don't

1151

00:49:30,230 --> 00:49:27,780

know the answer to that could you

1152

00:49:32,809 --> 00:49:30,240

if Arnold Schwarzenegger became

1153

00:49:34,849 --> 00:49:32,819

Secretary of Defense this Secretary of

1154

00:49:36,230 --> 00:49:34,859

the Interior okay uh like kind of like

1155

00:49:38,510 --> 00:49:36,240

put him there

1156

00:49:40,849 --> 00:49:38,520

uh who's in charge of the national parks

1157

00:49:42,829 --> 00:49:40,859

and stuff like that and you know

1158

00:49:45,530 --> 00:49:42,839

Sovereign Native American land

1159

00:49:47,569 --> 00:49:45,540

uh but if everyone else died then the

1160

00:49:50,750 --> 00:49:47,579

Secretary of the Interior would

1161

00:49:54,109 --> 00:49:50,760

eventually become president and then he

1162

00:49:56,329 --> 00:49:54,119

could be president uh I guess I don't

1163

00:49:59,329 --> 00:49:56,339

know I'm sure they they've done this

1164

00:50:01,670 --> 00:49:59,339

kind of uh War gaming before

1165

00:50:04,250 --> 00:50:01,680

I wonder what the answer is I would have

1166

00:50:07,490 --> 00:50:04,260

to go to chat GPT

1167

00:50:10,790 --> 00:50:07,500

I'm not prepared to do that right now

1168

00:50:12,410 --> 00:50:10,800

not prepared but uh

1169

00:50:13,910 --> 00:50:12,420

uh what do you say guys you guys want to

1170

00:50:15,890 --> 00:50:13,920

open up the phone lines a little bit and

1171

00:50:19,250 --> 00:50:15,900

see if anybody out there is uh calling

1172

00:50:20,750 --> 00:50:19,260

us we love colors okay surely okay we're

1173

00:50:23,829 --> 00:50:20,760

gonna open up the phone lines for

1174

00:50:27,170 --> 00:50:23,839

legitimate callers only

1175

00:50:30,170 --> 00:50:27,180

only legitimate callers let's go ahead

1176

00:50:31,550 --> 00:50:30,180

and check the phone calls come with a

1177

00:50:36,190 --> 00:50:31,560

telephone number

1178

00:50:42,470 --> 00:50:38,390

614-388-9109 or you can Skype directly

1179

00:50:45,109 --> 00:50:42,480

in using our big dumb mouth and uh

1180

00:50:48,049 --> 00:50:45,119

we'll take your whatever items you want

1181

00:50:49,309 --> 00:50:48,059

to sell items you want to talk about uh

1182

00:50:51,890 --> 00:50:49,319

we'll uh

1183

00:50:54,410 --> 00:50:51,900

we'll indulge

1184

00:50:57,230 --> 00:50:54,420

caller you are on the air

1185

00:51:03,349 --> 00:50:58,970

hello there

1186

00:51:04,490 --> 00:51:03,359

this thing on this thing's on hello

1187

00:51:07,030 --> 00:51:04,500

oh

1188

00:51:09,470 --> 00:51:07,040

to everybody Hulu

1189

00:51:11,510 --> 00:51:09,480

to the gentleman from uh behind the

1190

00:51:13,250 --> 00:51:11,520

scenes yes hello there in the morning

1191

00:51:14,690 --> 00:51:13,260

especially you got your turn signal on

1192

00:51:17,329 --> 00:51:14,700

where are you turn into

1193

00:51:20,109 --> 00:51:17,339

I just turned off the road there okay

1194

00:51:24,190 --> 00:51:20,119

can you put your hazards on please

1195

00:51:26,390 --> 00:51:24,200

yes thank you I rectified that problem

1196

00:51:29,340 --> 00:51:26,400

delay on that horn just a little bit for

1197

00:51:34,849 --> 00:51:29,350

me yeah can you honk your horn

1198

00:51:38,450 --> 00:51:36,290

all right

1199

00:51:40,910 --> 00:51:38,460

what's on your mind

1200

00:51:44,349 --> 00:51:40,920

oh not much guys I just wanted to say uh

1201
00:51:46,809 --> 00:51:44,359
happy Saturday yes happy Saturday

1202
00:51:50,690 --> 00:51:46,819
to all the piss Army

1203
00:51:52,849 --> 00:51:50,700
uh and uh no don't go yet uh no I'm

1204
00:51:54,470 --> 00:51:52,859
gonna ask you would you vote for Arnold

1205
00:51:56,770 --> 00:51:54,480
Schwarzenegger if you were to run for

1206
00:52:03,230 --> 00:52:00,109
uh yeah probably you would probably so

1207
00:52:04,250 --> 00:52:03,240
you would vote for him over uh Biden and

1208
00:52:07,190 --> 00:52:04,260
Trump

1209
00:52:09,410 --> 00:52:07,200
yeah looking at the caliber of

1210
00:52:11,450 --> 00:52:09,420
politicians we have yeah

1211
00:52:12,650 --> 00:52:11,460
yeah I agree

1212
00:52:14,569 --> 00:52:12,660
okay

1213
00:52:16,250 --> 00:52:14,579

well thank you Rob is that is that all

1214

00:52:19,250 --> 00:52:16,260

you got for us

1215

00:52:21,890 --> 00:52:19,260

no that's all I'm just uh I'm headed out

1216

00:52:24,349 --> 00:52:21,900

to the woods to a cabin in the woods

1217

00:52:26,630 --> 00:52:24,359

really you just wanted to uh after

1218

00:52:29,510 --> 00:52:26,640

everything we talk about on this show

1219

00:52:31,809 --> 00:52:29,520

with missing 4r11 people disappearing

1220

00:52:34,250 --> 00:52:31,819

and you're going out there

1221

00:52:36,230 --> 00:52:34,260

I'm Taking My Chances all right I'm

1222

00:52:38,809 --> 00:52:36,240

flipping a coin all right man

1223

00:52:40,910 --> 00:52:38,819

I'm going out today and I just want I

1224

00:52:42,890 --> 00:52:40,920

just wanted to let everybody know you

1225

00:52:44,690 --> 00:52:42,900

should all do the same given you know if

1226
00:52:46,130 --> 00:52:44,700
you have the opportunity not today you

1227
00:52:47,630 --> 00:52:46,140
don't have to do it today but in the

1228
00:52:49,970 --> 00:52:47,640
future given the opportunity to just

1229
00:52:52,549 --> 00:52:49,980
disconnect I'm doing this all in the

1230
00:52:55,569 --> 00:52:52,559
spirit of Ted k no ma'am hey you're not

1231
00:52:59,390 --> 00:52:55,579
wrong this connecting is a good thing

1232
00:53:02,460 --> 00:52:59,400
all right thanks Rob reject Society bye

1233
00:53:03,589 --> 00:53:02,470
touch grass

1234
00:53:05,390 --> 00:53:03,599
[Music]

1235
00:53:08,329 --> 00:53:05,400
all right so I couldn't get to the

1236
00:53:09,829 --> 00:53:08,339
caller he just called in like as uh Rob

1237
00:53:11,170 --> 00:53:09,839
hung up but here we go here's another

1238
00:53:14,410 --> 00:53:11,180

one right here

1239

00:53:19,190 --> 00:53:14,420

oh my gosh hello hello hello hello

1240

00:53:22,849 --> 00:53:22,130

hey hi hello hello hi I'm chair with my

1241

00:53:25,849 --> 00:53:22,859

uh

1242

00:53:27,100 --> 00:53:25,859

my Super Fan husband Chris Pierre hi

1243

00:53:29,089 --> 00:53:27,110

Chris

1244

00:53:32,089 --> 00:53:29,099

[Music]

1245

00:53:33,910 --> 00:53:32,099

you're a bunch no good

1246

00:53:36,910 --> 00:53:33,920

so what happened

1247

00:53:39,710 --> 00:53:36,920

what's on your mind uh guys

1248

00:53:43,549 --> 00:53:39,720

well we're out here camping at Flaming

1249

00:53:46,730 --> 00:53:43,559

Gorge Utah oh my gosh

1250

00:53:48,829 --> 00:53:46,740

so and listen sorry go ahead you you

1251

00:53:50,750 --> 00:53:48,839

guys are camping too

1252

00:53:52,430 --> 00:53:50,760

um are you worried about missing 4-1-1

1253

00:53:56,630 --> 00:53:52,440

and being abducted

1254

00:53:59,089 --> 00:53:56,640

I was last night yeah I can imagine damn

1255

00:54:00,890 --> 00:53:59,099

so last night so last night Chris and I

1256

00:54:03,650 --> 00:54:00,900

were walking up the trail alone to our

1257

00:54:05,690 --> 00:54:03,660

party at the campfire and we saw this

1258

00:54:09,950 --> 00:54:05,700

silhouette of something that looked to

1259

00:54:13,849 --> 00:54:09,960

be about how tall honey like 12 feet

1260

00:54:15,770 --> 00:54:13,859

so I was a big boy you saw it yeah

1261

00:54:18,589 --> 00:54:15,780

did you smell anything in the air that

1262

00:54:22,970 --> 00:54:18,599

was a rancid or putrid

1263

00:54:25,250 --> 00:54:22,980

it was not a fast watch it was more like

1264

00:54:28,010 --> 00:54:25,260

either an alien or a dog man it was

1265

00:54:30,970 --> 00:54:28,020

skinny and lanky but super tall probably

1266

00:54:34,130 --> 00:54:30,980

Joe he goes out there sometimes

1267

00:54:35,809 --> 00:54:34,140

yeah he's out there being lanky and

1268

00:54:39,410 --> 00:54:35,819

harassing campers that's what he's doing

1269

00:54:40,849 --> 00:54:39,420

right now in 240 people with six foot

1270

00:54:43,010 --> 00:54:40,859

still

1271

00:54:46,309 --> 00:54:43,020

yeah I missed Joe too I texted him on

1272

00:54:49,609 --> 00:54:46,319

the DL he he's still Joe is fairly

1273

00:54:51,470 --> 00:54:49,619

incapacitated because of his foot and I

1274

00:54:53,329 --> 00:54:51,480

think he's a little still a little doped

1275

00:54:55,190 --> 00:54:53,339

up and uh hopefully he'll be able to

1276

00:54:56,809 --> 00:54:55,200

call in here soon but he's still like I

1277

00:55:00,290 --> 00:54:56,819

last when I talked to him he still could

1278

00:55:04,150 --> 00:55:00,300

not stand his foot was that badly broken

1279

00:55:06,410 --> 00:55:04,160

uh-huh I see yeah

1280

00:55:08,030 --> 00:55:06,420

I know I tell them that I tell them that

1281

00:55:09,589 --> 00:55:08,040

I said people are going to be making up

1282

00:55:11,270 --> 00:55:09,599

rumors about you and he doesn't care

1283

00:55:13,309 --> 00:55:11,280

that's right

1284

00:55:15,170 --> 00:55:13,319

so I don't know what we saw last night

1285

00:55:17,450 --> 00:55:15,180

but it stood up really tall and then it

1286

00:55:19,190 --> 00:55:17,460

like and then it like hunched down and

1287

00:55:21,950 --> 00:55:19,200

like bent its knees and its knees were

1288

00:55:25,609 --> 00:55:21,960

like really long too like its legs were

1289

00:55:27,230 --> 00:55:25,619

super long and skinny oh wow yeah it's a

1290

00:55:28,609 --> 00:55:27,240

pigment I got scared I wouldn't let the

1291

00:55:30,290 --> 00:55:28,619

kids play Ghost in the graveyard last

1292

00:55:32,210 --> 00:55:30,300

night yeah I wouldn't do that I mean

1293

00:55:35,470 --> 00:55:32,220

keep those kids in a tight leash short

1294

00:55:37,970 --> 00:55:35,480

leash keep them away from the kids yeah

1295

00:55:39,650 --> 00:55:37,980

yep and on a side note I think we should

1296

00:55:41,150 --> 00:55:39,660

be able to find someone that's under a

1297

00:55:43,670 --> 00:55:41,160

hundred years old around this country

1298

00:55:45,650 --> 00:55:43,680

yeah I agree yeah

1299

00:55:47,690 --> 00:55:45,660

yeah good point

1300

00:55:49,309 --> 00:55:47,700

uh Arnold Schwarzenegger would you vote

1301

00:55:53,030 --> 00:55:49,319

for Arnold Schwarzenegger

1302

00:55:56,210 --> 00:55:53,040

hell no what after after what he did

1303

00:55:57,589 --> 00:55:56,220

during covet he said all that ranting he

1304

00:56:02,170 --> 00:55:57,599

did about everybody who wouldn't wear

1305

00:56:07,730 --> 00:56:06,349

[h__h] he did Apologize through my

1306

00:56:09,710 --> 00:56:07,740

freedom and that's the most important

1307

00:56:12,230 --> 00:56:09,720

thing to me yeah you're right okay he

1308

00:56:15,589 --> 00:56:12,240

did say it through his presidency okay

1309

00:56:17,390 --> 00:56:15,599

fair enough all right all right you guys

1310

00:56:18,650 --> 00:56:17,400

have a good day thank you very much be

1311

00:56:21,170 --> 00:56:18,660

careful out there

1312

00:56:23,450 --> 00:56:21,180

thanks bye

1313

00:56:26,030 --> 00:56:23,460

all right we have one yes for Arnold and

1314

00:56:27,650 --> 00:56:26,040

then one no for Arnold

1315

00:56:29,750 --> 00:56:27,660

I guess the next caller is gonna

1316

00:56:31,069 --> 00:56:29,760

determine if he's gonna get into the

1317

00:56:33,530 --> 00:56:31,079

presidency

1318

00:56:35,510 --> 00:56:33,540

caller you're on the air

1319

00:56:37,430 --> 00:56:35,520

hey legitimate caller here yeah your

1320

00:56:40,250 --> 00:56:37,440

phone's bad

1321

00:56:42,109 --> 00:56:40,260

well uh legitimate caller uh who are we

1322

00:56:44,450 --> 00:56:42,119

talking to legitimate caller

1323

00:56:47,569 --> 00:56:44,460

oh this is Spencer Hey Spencer what's on

1324

00:56:53,270 --> 00:56:47,579

your mind uh The Wolf of Kansas City

1325

00:56:56,990 --> 00:56:55,130

I will indeed

1326

00:57:01,210 --> 00:56:57,000

good to see lavish and blueberry yes

1327

00:57:08,210 --> 00:57:03,829

we gotta get out there man

1328

00:57:11,150 --> 00:57:08,220

I am uh actually stomping for a ticket I

1329

00:57:12,730 --> 00:57:11,160

think could unify everybody just turn DC

1330

00:57:17,510 --> 00:57:12,740

into a

1331

00:57:21,530 --> 00:57:17,520

radioactive nuclear pile of melted glass

1332

00:57:24,049 --> 00:57:21,540

oh yeah so you're advocating just nuking

1333

00:57:26,109 --> 00:57:24,059

an entire city in the population of

1334

00:57:30,230 --> 00:57:26,119

millions of people

1335

00:57:32,690 --> 00:57:30,240

bomb them bomb them bomb them again

1336

00:57:34,130 --> 00:57:32,700

hard and True Colors it seems like uh

1337

00:57:36,770 --> 00:57:34,140

there might be some steps that we do

1338

00:57:38,630 --> 00:57:36,780

before that uh before we go to yeah like

1339

00:57:41,270 --> 00:57:38,640

we could evacuate we could evacuate

1340

00:57:42,410 --> 00:57:41,280

first that's fine well I mean I would

1341

00:57:43,910 --> 00:57:42,420

kind of defeat the purpose of the

1342

00:57:46,250 --> 00:57:43,920

bombing I'm just saying there are steps

1343

00:57:48,109 --> 00:57:46,260

we could do like maybe we don't have to

1344

00:57:49,490 --> 00:57:48,119

move to bombs yet maybe we could try

1345

00:57:52,990 --> 00:57:49,500

some additional voting because that

1346

00:57:57,710 --> 00:57:55,430

I think you're right actually let's ask

1347

00:57:59,870 --> 00:57:57,720

chess GPT to be sure well hey you are

1348

00:58:03,829 --> 00:57:59,880

the the final caller I have to ask you

1349

00:58:06,890 --> 00:58:03,839

would you vote for Arnold Schwarzenegger

1350

00:58:10,069 --> 00:58:06,900

no I would never vote for Arnold okay

1351

00:58:12,770 --> 00:58:10,079

kill me I'm here come here

1352

00:58:15,589 --> 00:58:12,780

so you wouldn't so if it came down if it

1353

00:58:20,030 --> 00:58:15,599

came down to Arnold versus Trump versus

1354

00:58:26,750 --> 00:58:24,349

oh man I'm really I've always voted ever

1355

00:58:29,569 --> 00:58:26,760

since I earned the civic duty or

1356

00:58:32,870 --> 00:58:29,579

whatever but I'm just uh

1357

00:58:34,730 --> 00:58:32,880

it's becoming harder and harder as my

1358

00:58:37,569 --> 00:58:34,740

cynicism grows as I get older to really

1359

00:58:39,530 --> 00:58:37,579

make the case to go and vote okay

1360

00:58:41,329 --> 00:58:39,540

I'm not gonna force you to make a

1361

00:58:42,530 --> 00:58:41,339

decision it's just like it's really

1362

00:58:44,569 --> 00:58:42,540

important for you to choose right now

1363

00:58:46,849 --> 00:58:44,579

because you're a tiebreaker

1364

00:58:48,470 --> 00:58:46,859

this might this might be my year to sit

1365

00:58:49,490 --> 00:58:48,480

out I don't know okay you're sitting now

1366

00:58:51,410 --> 00:58:49,500

then we're just gonna have to be

1367

00:58:53,089 --> 00:58:51,420

compelling where is that an abstention

1368

00:58:55,930 --> 00:58:53,099

yeah it is and then it's going to go to

1369

00:59:01,849 --> 00:58:59,809

along the legal system this is great so

1370

00:59:03,530 --> 00:59:01,859

basically you're saying my vote I don't

1371

00:59:05,990 --> 00:59:03,540

care I can make the decision that

1372

00:59:09,470 --> 00:59:06,000

changes the country I'm sitting out I'm

1373

00:59:13,130 --> 00:59:10,970

that's what you're saying oh if I'm the

1374

00:59:15,410 --> 00:59:13,140

tiebreaker you're the tiebreaker

1375

00:59:17,690 --> 00:59:15,420

just uh have him call me if that comes

1376

00:59:23,109 --> 00:59:17,700

down to it yeah I am calling you you're

1377

00:59:26,510 --> 00:59:25,250

you're saying you're saying it's a

1378

00:59:31,010 --> 00:59:26,520

three-way tie and I've got a pick

1379

00:59:35,210 --> 00:59:33,109

ah

1380

00:59:37,910 --> 00:59:35,220

the mother as if I had to for the good

1381

00:59:39,049 --> 00:59:37,920

of my country you do I guess I would

1382

00:59:42,589 --> 00:59:39,059

pick Trump

1383

00:59:45,490 --> 00:59:42,599

wow I can't believe you said that let

1384

00:59:47,930 --> 00:59:45,500

him do another one okay all right

1385

00:59:50,690 --> 00:59:47,940

I mean it's all arbitrary anyway right

1386

00:59:52,490 --> 00:59:50,700

that was a fun guy to watch he was it

1387

00:59:54,349 --> 00:59:52,500

was it was a fun time you could at least

1388

00:59:55,849 --> 00:59:54,359

laugh and get cheap gas that's all I

1389

00:59:58,510 --> 00:59:55,859

want to do is laugh and get cheap gas

1390

01:00:00,829 --> 00:59:58,520

well then he's he's your dude all right

1391

01:00:02,030 --> 01:00:00,839

bingo I don't think I don't think

1392

01:00:03,829 --> 01:00:02,040

Schwarzenegger is going to have that

1393

01:00:06,049 --> 01:00:03,839

sort of laugh power behind him no

1394

01:00:09,470 --> 01:00:06,059

probably you have a lot of one-liners

1395

01:00:11,870 --> 01:00:09,480

he'll end every freedom left and right

1396

01:00:13,130 --> 01:00:11,880

man yeah you could apologize for that

1397

01:00:14,390 --> 01:00:13,140

for the rest of your life you never

1398

01:00:16,910 --> 01:00:14,400

lived that down

1399

01:00:18,710 --> 01:00:16,920

screw your freedom he ends this is

1400

01:00:20,329 --> 01:00:18,720

America you dumb son of a [h__h] I'm okay

1401

01:00:22,549 --> 01:00:20,339

yeah he's not going to be as funny as

1402

01:00:24,170 --> 01:00:22,559

Trump but all right well hey thank you I

1403

01:00:25,490 --> 01:00:24,180

appreciate you being a tiebreaker there

1404

01:00:27,710 --> 01:00:25,500

so

1405

01:00:28,910 --> 01:00:27,720

I I do what I can for my country all

1406

01:00:31,849 --> 01:00:28,920

right man well hey thanks for calling in

1407

01:00:34,010 --> 01:00:31,859

love you Mike bye yep take care

1408

01:00:35,329 --> 01:00:34,020

okay one more call I lied caller you're

1409

01:00:36,829 --> 01:00:35,339

on the air

1410

01:00:43,690 --> 01:00:36,839

hello hello hello hello hello hello

1411

01:00:50,750 --> 01:00:46,970

who are we talking to hi this is Paul

1412

01:00:50,760 --> 01:00:57,670

Paul hello hello hello yes hello hello

1413

01:01:02,809 --> 01:01:00,069

what's on your mind Paul

1414

01:01:04,789 --> 01:01:02,819

oh just saying No Way Arnold

1415

01:01:06,730 --> 01:01:04,799

Schwarzenegger for president that's a

1416

01:01:09,589 --> 01:01:06,740

bad idea

1417

01:01:13,549 --> 01:01:09,599

the trains will take you to the freedom

1418

01:01:14,990 --> 01:01:13,559

camps yeah we were a story of freedom

1419

01:01:17,329 --> 01:01:15,000

what about what do you think about

1420

01:01:19,730 --> 01:01:17,339

opening or the idea of amending the

1421

01:01:22,670 --> 01:01:19,740

Constitution to allow people not born

1422

01:01:24,890 --> 01:01:22,680

here to become president

1423

01:01:27,470 --> 01:01:24,900

apparently that's already happened well

1424

01:01:29,750 --> 01:01:27,480

yeah I mean that I mean yeah sure sure

1425

01:01:31,730 --> 01:01:29,760

but legally and maybe it has happened in

1426

01:01:34,190 --> 01:01:31,740

the past but I'm saying amending the

1427

01:01:37,250 --> 01:01:34,200

Constitution to make it illegal

1428

01:01:41,690 --> 01:01:37,260

to make it possible legally

1429

01:01:44,210 --> 01:01:41,700

why not okay all right I like it sure

1430

01:01:45,770 --> 01:01:44,220

yes that's the attitude

1431

01:01:47,150 --> 01:01:45,780

right now well Paul what you calling

1432

01:01:49,130 --> 01:01:47,160

about

1433

01:01:55,789 --> 01:01:49,140

well I just wanted to say hi to booberry

1434

01:01:58,789 --> 01:01:57,770

and thank you Mary Carroll for the phone

1435

01:02:01,030 --> 01:01:58,799

number

1436

01:02:03,710 --> 01:02:01,040

okay

1437

01:02:06,049 --> 01:02:03,720

spread the information yes spread in

1438

01:02:08,390 --> 01:02:06,059

love that's right that Mary Kate Ultra

1439

01:02:09,890 --> 01:02:08,400

plugging okay yeah you got to plug No

1440

01:02:12,410 --> 01:02:09,900

Agenda we're broadcasting on their

1441

01:02:14,450 --> 01:02:12,420

Network I love John C and Adam

1442

01:02:15,950 --> 01:02:14,460

of course absolutely

1443

01:02:19,990 --> 01:02:15,960

my favorite

1444

01:02:22,390 --> 01:02:20,000

you can blow me up thank you

1445

01:02:25,250 --> 01:02:22,400

thank you bye-bye

1446

01:02:27,349 --> 01:02:25,260

you better blow them before they blow us

1447

01:02:28,789 --> 01:02:27,359

and we just did someone shut down the

1448

01:02:29,569 --> 01:02:28,799

phone lines there are some good callers

1449

01:02:32,630 --> 01:02:29,579

there

1450

01:02:35,030 --> 01:02:32,640

and it looks like Arnold is just not

1451

01:02:37,130 --> 01:02:35,040

going to win the whole screw your

1452

01:02:39,470 --> 01:02:37,140

freedoms thing will come back to bite

1453

01:02:43,130 --> 01:02:39,480

him on the in the ass when he tries to

1454

01:02:45,109 --> 01:02:43,140

run up against Trump or Biden it it will

1455

01:02:47,870 --> 01:02:45,119

be used in political ads there's just no

1456

01:02:49,549 --> 01:02:47,880

way around it I mean you're right I mean

1457

01:02:51,349 --> 01:02:49,559

all you have to do is run ads with him

1458

01:02:54,289 --> 01:02:51,359

saying that and he's not going to get

1459

01:02:56,210 --> 01:02:54,299

the conservative vote

1460

01:02:58,250 --> 01:02:56,220

I would be curious I'm not sure where it

1461

01:03:00,710 --> 01:02:58,260

came from but I would like to see a

1462

01:03:03,530 --> 01:03:00,720

short straw system when it comes to

1463

01:03:04,910 --> 01:03:03,540

getting people into power in charge of

1464

01:03:06,470 --> 01:03:04,920

the government and what what not we're

1465

01:03:08,390 --> 01:03:06,480

going to find the people that least want

1466

01:03:11,750 --> 01:03:08,400

to do it we're going to give them the

1467

01:03:13,549 --> 01:03:11,760

job I like that they can just like bust

1468

01:03:15,049 --> 01:03:13,559

stuff out they're not trying to muck

1469

01:03:16,430 --> 01:03:15,059

around and stuff because they just don't

1470

01:03:18,309 --> 01:03:16,440

want to be there they're literally going

1471

01:03:20,990 --> 01:03:18,319

to do the bare minimum

1472

01:03:23,510 --> 01:03:21,000

to get through the day so that they can

1473

01:03:26,089 --> 01:03:23,520

go back home that's what Washington did

1474

01:03:27,770 --> 01:03:26,099

Washington hated being there though this

1475

01:03:30,470 --> 01:03:27,780

country was built on you not wanting to

1476

01:03:32,750 --> 01:03:30,480

be president it's great I I think that

1477

01:03:35,270 --> 01:03:32,760

should continue you should be I mean the

1478

01:03:38,089 --> 01:03:35,280

people in power should not want the

1479

01:03:41,150 --> 01:03:38,099

power uh it means that hopefully you

1480

01:03:44,390 --> 01:03:41,160

that they will be cautious skeptical

1481

01:03:48,349 --> 01:03:44,400

about what they're doing and to not want

1482

01:03:50,690 --> 01:03:48,359

to be too corrupt and uh yeah term

1483

01:03:52,730 --> 01:03:50,700

limits that also would help too

1484

01:03:55,490 --> 01:03:52,740

yeah you know there's one man I think

1485

01:03:57,950 --> 01:03:55,500

that can unite this country one man who

1486

01:04:00,710 --> 01:03:57,960

everybody would get behind if he ran and

1487

01:04:02,690 --> 01:04:00,720

that is the CEO of Costco hmm who's that

1488

01:04:09,890 --> 01:04:02,700

uh

1489

01:04:12,710 --> 01:04:09,900

James Senegal I think was the guy that

1490

01:04:15,289 --> 01:04:12,720

started it uh he that those guys would

1491

01:04:17,990 --> 01:04:15,299

be the most loved of all time everybody

1492

01:04:20,030 --> 01:04:18,000

loves Costco you know the man behind the

1493

01:04:21,230 --> 01:04:20,040

dollar fifty hot dog uh yeah I guess

1494

01:04:23,569 --> 01:04:21,240

it's hard to compete with that kind of

1495

01:04:26,270 --> 01:04:23,579

thing yeah people do like it that's

1496

01:04:29,930 --> 01:04:26,280

power money can't buy all right let's uh

1497

01:04:33,069 --> 01:04:29,940

let's do a few more headlines here

1498

01:04:36,410 --> 01:04:33,079

see what we have

1499

01:04:40,250 --> 01:04:36,420

uh there is a story that uh I want to

1500

01:04:42,710 --> 01:04:40,260

play uh because it it references a story

1501
01:04:45,890 --> 01:04:42,720
that we did in about no past because No

1502
01:04:48,470 --> 01:04:45,900
Agenda play this on on their show and I

1503
01:04:49,970 --> 01:04:48,480
was like this reminds me of a story that

1504
01:04:51,349 --> 01:04:49,980
we covered

1505
01:04:54,170 --> 01:04:51,359
about

1506
01:04:56,829 --> 01:04:54,180
six weeks ago and I'll play this I'll

1507
01:04:59,150 --> 01:04:56,839
bring it up on screen

1508
01:05:01,970 --> 01:04:59,160
and I probably won't even play the

1509
01:05:03,410 --> 01:05:01,980
entire thing but when I heard this I was

1510
01:05:05,930 --> 01:05:03,420
like wow this reminds me of what

1511
01:05:07,789 --> 01:05:05,940
happened in Alabama Alabama here we go

1512
01:05:08,870 --> 01:05:07,799
is it real

1513
01:05:10,849 --> 01:05:08,880

foreign

1514

01:05:13,309 --> 01:05:10,859

you know I mean yes he was already

1515

01:05:14,750 --> 01:05:13,319

passed away but still this morning the

1516

01:05:17,089 --> 01:05:14,760

daughters of a New Hampshire sheriff's

1517

01:05:18,530 --> 01:05:17,099

deputy who passed away in 2019 say

1518

01:05:20,630 --> 01:05:18,540

they're horrified to learn their

1519

01:05:22,089 --> 01:05:20,640

father's body was part of a grotesque

1520

01:05:24,770 --> 01:05:22,099

criminal scheme at Harvard University

1521

01:05:27,289 --> 01:05:24,780

FBI agents yesterday arrested this man

1522

01:05:29,569 --> 01:05:27,299

Cedric Lodge for allegedly stealing and

1523

01:05:31,190 --> 01:05:29,579

selling dissected human body parts while

1524

01:05:33,530 --> 01:05:31,200

he was manager of the morgue at Harvard

1525

01:05:36,049 --> 01:05:33,540

Medical School investigators say in a

1526

01:05:38,510 --> 01:05:36,059

scheme dating back to 2018 Lodge stole

1527

01:05:40,490 --> 01:05:38,520

heads brains Skin and Bones from

1528

01:05:42,650 --> 01:05:40,500

cadavers donated to the school for

1529

01:05:44,930 --> 01:05:42,660

educational purposes he then allegedly

1530

01:05:47,030 --> 01:05:44,940

brought those parts to his home and with

1531

01:05:49,010 --> 01:05:47,040

his wife's help sold them for tens of

1532

01:05:50,390 --> 01:05:49,020

thousands of dollars who could do

1533

01:05:51,770 --> 01:05:50,400

something like that you know what kind

1534

01:05:53,329 --> 01:05:51,780

of person

1535

01:05:55,849 --> 01:05:53,339

no respect

1536

01:05:57,349 --> 01:05:55,859

at all for the family they need to pay

1537

01:05:59,450 --> 01:05:57,359

do you have anything to say to the

1538

01:06:01,430 --> 01:05:59,460

family buyers identified in the

1539

01:06:03,470 --> 01:06:01,440

indictment include Katrina McLean owner

1540

01:06:05,750 --> 01:06:03,480

of cats Creepy Creations a Massachusetts

1541

01:06:08,329 --> 01:06:05,760

store that advertises Creations that

1542

01:06:10,910 --> 01:06:08,339

shock the mind and shake the soul so I'm

1543

01:06:13,849 --> 01:06:10,920

gonna pause right there like the same

1544

01:06:15,470 --> 01:06:13,859

exact situation pretty much happened at

1545

01:06:18,950 --> 01:06:15,480

the University of Alabama it's like six

1546

01:06:21,530 --> 01:06:18,960

weeks ago where uh one of the people who

1547

01:06:25,609 --> 01:06:21,540

worked in the morgue was caught selling

1548

01:06:27,670 --> 01:06:25,619

body parts using an online well a

1549

01:06:30,650 --> 01:06:27,680

Facebook group a private Facebook group

1550

01:06:33,370 --> 01:06:30,660

and he was selling she was selling to

1551
01:06:36,049 --> 01:06:33,380
some guy in Pennsylvania named Jeremy

1552
01:06:37,549 --> 01:06:36,059
and the same kind of thing here so you

1553
01:06:39,349 --> 01:06:37,559
have a prestigious school like Harvard

1554
01:06:41,569 --> 01:06:39,359
doing something like this then you have

1555
01:06:45,049 --> 01:06:41,579
another uh University down south doing

1556
01:06:47,210 --> 01:06:45,059
it how many other university morgues are

1557
01:06:50,690 --> 01:06:47,220
doing this exact same thing and then

1558
01:06:53,750 --> 01:06:50,700
about half year ago we covered story of

1559
01:06:56,029 --> 01:06:53,760
missing heads in Colorado uh Missing

1560
01:06:58,069 --> 01:06:56,039
body parts all over the place I at this

1561
01:07:00,950 --> 01:06:58,079
point where there's smoke there is fire

1562
01:07:02,990 --> 01:07:00,960
this is probably a much larger industry

1563
01:07:05,690 --> 01:07:03,000

and this is this is what you see on

1564

01:07:08,390 --> 01:07:05,700

Facebook imagine what they're doing at

1565

01:07:11,809 --> 01:07:08,400

like a tier or two up where they're

1566

01:07:14,930 --> 01:07:11,819

selling living people not just body

1567

01:07:16,730 --> 01:07:14,940

parts anymore but people who are near

1568

01:07:18,710 --> 01:07:16,740

death

1569

01:07:20,390 --> 01:07:18,720

um people that maybe are in Hospice at

1570

01:07:22,490 --> 01:07:20,400

that point it's like yeah I got this guy

1571

01:07:25,309 --> 01:07:22,500

he's terminal would you want him right

1572

01:07:27,349 --> 01:07:25,319

now he's still kind of alive and then

1573

01:07:28,970 --> 01:07:27,359

the the family doesn't are none the

1574

01:07:31,490 --> 01:07:28,980

wiser and

1575

01:07:32,930 --> 01:07:31,500

they just declared death and uh maybe

1576

01:07:35,329 --> 01:07:32,940

maybe even the person in the hospice

1577

01:07:37,609 --> 01:07:35,339

doesn't have any immediate family and so

1578

01:07:39,410 --> 01:07:37,619

no one is really going to miss them like

1579

01:07:41,049 --> 01:07:39,420

what kind of grotesque industry is

1580

01:07:43,190 --> 01:07:41,059

really going on here on the Internet

1581

01:07:45,829 --> 01:07:43,200

it's crazy

1582

01:07:48,109 --> 01:07:45,839

I don't remember the the full context of

1583

01:07:50,150 --> 01:07:48,119

the story but I I there was a

1584

01:07:53,329 --> 01:07:50,160

conversation my dad and I had way back

1585

01:07:55,609 --> 01:07:53,339

when talking about uh activating the

1586

01:07:57,589 --> 01:07:55,619

organ donor status on your driver's

1587

01:07:59,390 --> 01:07:57,599

license when you go to apply oh I get

1588

01:08:01,789 --> 01:07:59,400

rid of that thing I ain't that's not on

1589

01:08:03,170 --> 01:08:01,799

my driver's license anymore yeah and

1590

01:08:05,150 --> 01:08:03,180

well you know what happens is you got

1591

01:08:07,010 --> 01:08:05,160

that listed and

1592

01:08:08,750 --> 01:08:07,020

um you know something happens and like

1593

01:08:10,910 --> 01:08:08,760

you're kind of in this in between state

1594

01:08:13,309 --> 01:08:10,920

of gonna make it not gonna make it well

1595

01:08:15,230 --> 01:08:13,319

he's got the organ donor car status on

1596

01:08:17,450 --> 01:08:15,240

his card

1597

01:08:19,510 --> 01:08:17,460

there you go they just take care of

1598

01:08:22,010 --> 01:08:19,520

itself

1599

01:08:23,930 --> 01:08:22,020

he was so close to death we just took

1600

01:08:26,209 --> 01:08:23,940

him out because he's worth more dead

1601
01:08:31,550 --> 01:08:26,219
than alive

1602
01:08:32,930 --> 01:08:31,560
and wow oh no that's right no one don't

1603
01:08:35,450 --> 01:08:32,940
ever let anyone tell you you're

1604
01:08:37,849 --> 01:08:35,460
worthless your organs are worth tens of

1605
01:08:41,450 --> 01:08:37,859
thousands of dollars

1606
01:08:44,150 --> 01:08:41,460
and so yeah and selling skin selling

1607
01:08:46,370 --> 01:08:44,160
heads and this these are people that got

1608
01:08:48,590 --> 01:08:46,380
caught Harvard I think Alabama

1609
01:08:51,650 --> 01:08:48,600
University there's probably plenty

1610
01:08:53,809 --> 01:08:51,660
others that are still doing this and uh

1611
01:08:55,669 --> 01:08:53,819
yeah it uh obviously disturbs the family

1612
01:08:58,910 --> 01:08:55,679
you think your your loved ones are going

1613
01:09:01,130 --> 01:08:58,920

to uh Medical Science it's just lining

1614

01:09:05,269 --> 01:09:01,140

somebody's pocket at that point my dad's

1615

01:09:06,530 --> 01:09:05,279

head is in Alabama as a lampshade and oh

1616

01:09:08,450 --> 01:09:06,540

that's what he wanted that might be

1617

01:09:10,070 --> 01:09:08,460

actually pretty cool but uh aside from

1618

01:09:12,050 --> 01:09:10,080

that I mean if that's what you want

1619

01:09:15,169 --> 01:09:12,060

your legacy to be write that into your

1620

01:09:17,150 --> 01:09:15,179

will I suppose but uh you know with all

1621

01:09:20,030 --> 01:09:17,160

the stories about like creepy things

1622

01:09:22,370 --> 01:09:20,040

that happen at uh you know with haunted

1623

01:09:25,430 --> 01:09:22,380

objects and people's spirits being

1624

01:09:27,370 --> 01:09:25,440

attached to their bones and

1625

01:09:30,349 --> 01:09:27,380

I wouldn't want to be a part of that but

1626

01:09:33,890 --> 01:09:30,359

it seems like these people will uh just

1627

01:09:35,209 --> 01:09:33,900

not care about the uh the remains of

1628

01:09:36,890 --> 01:09:35,219

somebody and to sell out their body

1629

01:09:39,530 --> 01:09:36,900

parts so okay

1630

01:09:41,450 --> 01:09:39,540

Mike I just dm'd you in the Discord link

1631

01:09:43,430 --> 01:09:41,460

that lists out some body parts and

1632

01:09:44,749 --> 01:09:43,440

potential prices that you could snag for

1633

01:09:47,390 --> 01:09:44,759

him oh really

1634

01:09:49,010 --> 01:09:47,400

okay well I'm kind of curious now I

1635

01:09:52,130 --> 01:09:49,020

you kind of want need like a little side

1636

01:09:56,150 --> 01:09:54,229

both those kidneys you know something to

1637

01:09:58,970 --> 01:09:56,160

pad up the old coffers as they as they

1638

01:10:01,790 --> 01:09:58,980

say let's do this how much is a human

1639

01:10:04,790 --> 01:10:01,800

body part worth uh

1640

01:10:09,229 --> 01:10:04,800

uh I'm very curious so ears the outside

1641

01:10:12,050 --> 01:10:09,239

part only ten dollars an ear

1642

01:10:13,490 --> 01:10:12,060

that seems low that's that's not even

1643

01:10:15,650 --> 01:10:13,500

enough to get yourself like a

1644

01:10:18,410 --> 01:10:15,660

high-priced high dollar hot dog

1645

01:10:20,450 --> 01:10:18,420

somewhere yeah that's right ten thousand

1646

01:10:23,689 --> 01:10:20,460

dollars that will not get you a

1647

01:10:26,630 --> 01:10:23,699

California dog appendix this thing

1648

01:10:28,250 --> 01:10:26,640

appendix 25 the appendix you're going to

1649

01:10:30,290 --> 01:10:28,260

say appendix isn't worth very much these

1650

01:10:34,610 --> 01:10:30,300

days as it's considered evolutionary

1651

01:10:36,649 --> 01:10:34,620

evolutionary uh evolutionary useless and

1652

01:10:38,350 --> 01:10:36,659

most people end up getting rid of theirs

1653

01:10:41,209 --> 01:10:38,360

well don't you can get 25 bucks for it

1654

01:10:43,610 --> 01:10:41,219

mine mine got rid of itself yeah don't

1655

01:10:45,830 --> 01:10:43,620

throw that away I need that I need I can

1656

01:10:50,470 --> 01:10:45,840

buy a ticket like I can take my

1657

01:10:54,830 --> 01:10:52,370

you could go to the movies you won't be

1658

01:10:56,689 --> 01:10:54,840

able to buy any popcorn or drink

1659

01:10:57,729 --> 01:10:56,699

not getting any Pepsi for that kind of

1660

01:11:02,810 --> 01:10:57,739

money

1661

01:11:04,370 --> 01:11:02,820

uh what's the point uh for a nose 75

1662

01:11:07,729 --> 01:11:04,380

dollars

1663

01:11:09,110 --> 01:11:07,739

uh teeth 75 and this goes and say teeth

1664

01:11:11,450 --> 01:11:09,120
are another body part that has

1665

01:11:15,530 --> 01:11:11,460
possibility value right it just says

1666

01:11:17,209 --> 01:11:15,540
teeth uh good historical value yeah

1667

01:11:19,490 --> 01:11:17,219
plummeted I guess it used to be higher

1668

01:11:21,709 --> 01:11:19,500
but uh historically selling your teeth

1669

01:11:24,590 --> 01:11:21,719
was considered kind of a side hustle

1670

01:11:26,149 --> 01:11:24,600
when times got super hard uh the

1671

01:11:28,310 --> 01:11:26,159
harvested human teeth were used to

1672

01:11:29,930 --> 01:11:28,320
create guess what dentures

1673

01:11:32,689 --> 01:11:29,940
and with the Advent of artificial teeth

1674

01:11:35,450 --> 01:11:32,699
the price of real human teeth has seen a

1675

01:11:38,030 --> 01:11:35,460
rapid decline that's for damn shout out

1676

01:11:40,669 --> 01:11:38,040

shout out again to George Washington who

1677

01:11:42,890 --> 01:11:40,679

uh his mouth was full of uh people that

1678

01:11:45,410 --> 01:11:42,900

sold their teeth to him I thought he

1679

01:11:48,050 --> 01:11:45,420

didn't have wooden teeth he had wooden

1680

01:11:50,390 --> 01:11:48,060

teeth and he also had Dentures some of

1681

01:11:52,010 --> 01:11:50,400

those teeth came from slaves hmm jeez

1682

01:11:55,189 --> 01:11:52,020

classic

1683

01:11:59,209 --> 01:11:55,199

uh your brain a hundred and fifty

1684

01:12:00,350 --> 01:11:59,219

dollars that's cheap it seems extremely

1685

01:12:03,050 --> 01:12:00,360

low

1686

01:12:04,250 --> 01:12:03,060

for less than a an airplane ticket like

1687

01:12:06,290 --> 01:12:04,260

where are they getting these prices like

1688

01:12:10,550 --> 01:12:06,300

these prices seem Rock Bottom Costco

1689

01:12:14,990 --> 01:12:10,560

prices for uh for body parts

1690

01:12:17,510 --> 01:12:15,000

um I feel like 150 is what that price is

1691

01:12:19,430 --> 01:12:17,520

more so what you would expect for a meal

1692

01:12:20,750 --> 01:12:19,440

I don't think you're buying the brain to

1693

01:12:22,610 --> 01:12:20,760

do anything with it I think you're gonna

1694

01:12:24,590 --> 01:12:22,620

buy the brain to eat it that's just my

1695

01:12:26,030 --> 01:12:24,600

two cents on it I don't know it's 150

1696

01:12:28,310 --> 01:12:26,040

like

1697

01:12:30,649 --> 01:12:28,320

you know that's that's a that's a that's

1698

01:12:32,810 --> 01:12:30,659

like a nice bottle of wine or something

1699

01:12:36,410 --> 01:12:32,820

you know it's not much wait how much is

1700

01:12:40,550 --> 01:12:36,420

150 in satoshi's hmm

1701

01:12:42,250 --> 01:12:40,560

uh so a hand 69 a hand or forearm can go

1702

01:12:45,169 --> 01:12:42,260

for

1703

01:12:47,209 --> 01:12:45,179

385 dollars

1704

01:12:49,189 --> 01:12:47,219

so they must be sold together

1705

01:12:52,010 --> 01:12:49,199

yeah you probably want both I guess

1706

01:12:53,689 --> 01:12:52,020

combo package it says uh the human hand

1707

01:12:55,970 --> 01:12:53,699

is one of the most fascinating pieces of

1708

01:12:58,010 --> 01:12:55,980

body in this author's opinion and in the

1709

01:12:59,870 --> 01:12:58,020

hand fetch is a higher price

1710

01:13:02,990 --> 01:12:59,880

uh than the human brain which is

1711

01:13:05,330 --> 01:13:03,000

surprising I agree the hand must be sold

1712

01:13:07,310 --> 01:13:05,340

with the attached forearm otherwise the

1713

01:13:09,649 --> 01:13:07,320

value drops so keep that in mind people

1714

01:13:11,570 --> 01:13:09,659

you want both those things who the hell

1715

01:13:13,330 --> 01:13:11,580

is this guy writing this artist this guy

1716

01:13:16,189 --> 01:13:13,340

knows body parts

1717

01:13:19,189 --> 01:13:16,199

I tried to sell a hand apart from the

1718

01:13:21,350 --> 01:13:19,199

forearm once didn't go so well uh he

1719

01:13:23,750 --> 01:13:21,360

says it's like buying a board game and

1720

01:13:25,610 --> 01:13:23,760

not all the pieces so okay that makes

1721

01:13:27,169 --> 01:13:25,620

good analogy there like you don't want

1722

01:13:28,729 --> 01:13:27,179

to buy Monopoly without the all the

1723

01:13:30,470 --> 01:13:28,739

little thimble I mean what's the point

1724

01:13:31,610 --> 01:13:30,480

people want to yeah like people want the

1725

01:13:34,010 --> 01:13:31,620

thimble

1726

01:13:35,570 --> 01:13:34,020

uh you can buy a stomach for five

1727

01:13:39,290 --> 01:13:35,580

hundred dollars

1728

01:13:42,050 --> 01:13:39,300

500 the stomach is on the cheap end as

1729

01:13:43,669 --> 01:13:42,060

far as human body parts go

1730

01:13:45,410 --> 01:13:43,679

um but it's still more expensive than

1731

01:13:47,750 --> 01:13:45,420

the brain you figure you can fight

1732

01:13:49,430 --> 01:13:47,760

stomachs anywhere but brain that's the

1733

01:13:51,050 --> 01:13:49,440

one you want but apparently not you

1734

01:13:52,330 --> 01:13:51,060

couldn't find stomachs anywhere if you

1735

01:13:57,970 --> 01:13:52,340

look harder enough

1736

01:14:00,590 --> 01:13:57,980

uh a shorter 500 a spleen 508.

1737

01:14:02,870 --> 01:14:00,600

508 it's like this is like price is

1738

01:14:05,030 --> 01:14:02,880

rights bidding

1739

01:14:07,610 --> 01:14:05,040

specific

1740

01:14:10,370 --> 01:14:07,620

500 was eight dollars for that spleen

1741

01:14:12,470 --> 01:14:10,380

nine and that's it uh this queen is one

1742

01:14:14,450 --> 01:14:12,480

of those organs like the appendix you

1743

01:14:16,850 --> 01:14:14,460

can live without the spleen does however

1744

01:14:18,830 --> 01:14:16,860

have more functions than the appendix

1745

01:14:21,229 --> 01:14:18,840

does and therefore fetches a higher

1746

01:14:25,130 --> 01:14:21,239

price but not yeah but more than the

1747

01:14:27,470 --> 01:14:25,140

brain uh sperm uh live is six hundred

1748

01:14:34,270 --> 01:14:27,480

dollars come on really I mean I'm

1749

01:14:39,350 --> 01:14:37,550

who knew I was dumping 600 loads every

1750

01:14:41,510 --> 01:14:39,360

day

1751

01:14:43,930 --> 01:14:41,520

I could have been a thousand there just

1752

01:14:47,750 --> 01:14:43,940

today the socks are golden

1753

01:14:49,910 --> 01:14:47,760

uh sperm can be sperm can be donated in

1754

01:14:51,709 --> 01:14:49,920

almost any major city price goes for

1755

01:14:53,990 --> 01:14:51,719

between four hundred and eight hundred

1756

01:14:57,890 --> 01:14:54,000

dollars per donation

1757

01:15:00,590 --> 01:14:57,900

uh so I put a 600 as the medium so this

1758

01:15:02,390 --> 01:15:00,600

guy yeah you can pump for pay no doubt

1759

01:15:04,790 --> 01:15:02,400

about that but I don't know you can get

1760

01:15:07,070 --> 01:15:04,800

paid 600 bucks for it

1761

01:15:08,330 --> 01:15:07,080

lesbian couples they run they run things

1762

01:15:14,590 --> 01:15:08,340

now

1763

01:15:21,050 --> 01:15:17,810

6.99 607

1764

01:15:23,209 --> 01:15:21,060

a scalp is used for transplants for uh

1765

01:15:25,370 --> 01:15:23,219

Transportation transplantations that's

1766

01:15:28,550 --> 01:15:25,380

what it says transplantations for brain

1767

01:15:29,770 --> 01:15:28,560

surgeries and it's fast growing uh

1768

01:15:36,470 --> 01:15:29,780

that's like the woke South

1769

01:15:40,970 --> 01:15:39,229

a skull with teeth inside of it so it's

1770

01:15:44,090 --> 01:15:40,980

everything together the whole is uh

1771

01:15:52,070 --> 01:15:49,850

the gallbladder is 12 uh 1219 dollars

1772

01:15:55,310 --> 01:15:52,080

human hair

1773

01:15:57,470 --> 01:15:55,320

fourteen hundred and fifty dollars

1774

01:16:00,470 --> 01:15:57,480

eyeballs with the cornea fifteen hundred

1775

01:16:03,350 --> 01:16:00,480

dollars well the the human hair there

1776

01:16:05,689 --> 01:16:03,360

um back in 2020 there was a handful of

1777

01:16:07,790 --> 01:16:05,699

stories with the um

1778

01:16:09,709 --> 01:16:07,800

the the uyghur population in China it

1779

01:16:11,750 --> 01:16:09,719

was getting their hair trafficked they

1780

01:16:14,570 --> 01:16:11,760

had found a big shipment in was it

1781

01:16:17,390 --> 01:16:14,580

Georgia I think yeah there was a big

1782

01:16:19,910 --> 01:16:17,400

supply of human hair that was found in a

1783

01:16:22,010 --> 01:16:19,920

port hmm

1784

01:16:24,110 --> 01:16:22,020

that's very expensive stuff yeah it is

1785

01:16:25,850 --> 01:16:24,120

can be I'm just gonna skip to some of

1786

01:16:31,910 --> 01:16:25,860

the more uh

1787

01:16:34,610 --> 01:16:31,920

expensive uh items here so a penis is 75

1788

01:16:36,530 --> 01:16:34,620

000 penis 75

1789

01:16:40,189 --> 01:16:36,540

000 75

1790

01:16:43,610 --> 01:16:40,199

000 you're sitting on basically

1791

01:16:45,110 --> 01:16:43,620

your 401k right there

1792

01:16:47,030 --> 01:16:45,120

the times are tough

1793

01:16:49,390 --> 01:16:47,040

you know you you can do it I'll tell you

1794

01:16:51,530 --> 01:16:49,400

what no no no no

1795

01:16:53,390 --> 01:16:51,540

Hulk doesn't have the kind of money he's

1796

01:16:56,709 --> 01:16:53,400

gonna he's gonna lowball somebody no pun

1797

01:17:04,790 --> 01:17:02,209

one penis is 75 grand penises can be

1798

01:17:07,430 --> 01:17:04,800

translated uh I hear this guy says I had

1799

01:17:09,709 --> 01:17:07,440

no idea so if you have a penis laying

1800

01:17:11,390 --> 01:17:09,719

around it's worth more than what most

1801

01:17:14,750 --> 01:17:11,400

people earn per year just saying not

1802

01:17:18,590 --> 01:17:14,760

suggesting or condoning penis harvesting

1803

01:17:24,649 --> 01:17:22,430

with the most recent I guess Trend in

1804

01:17:27,530 --> 01:17:24,659

sex changes where are all those extra

1805

01:17:29,510 --> 01:17:27,540

penises that are being cut off going are

1806

01:17:31,010 --> 01:17:29,520

they being sold on the penis black

1807

01:17:33,530 --> 01:17:31,020

market

1808

01:17:35,390 --> 01:17:33,540

you would have to say almost yeah I mean

1809

01:17:37,550 --> 01:17:35,400

be wasteful you don't think the surgeons

1810

01:17:40,130 --> 01:17:37,560

know this that we're charging people for

1811

01:17:43,850 --> 01:17:40,140

the surgery we're taking their leftover

1812

01:17:47,030 --> 01:17:43,860

useless penis reselling it on the penis

1813

01:17:52,030 --> 01:17:47,040

black market and making they're making

1814

01:17:55,729 --> 01:17:54,229

transplants on two people they're just

1815

01:17:57,290 --> 01:17:55,739

thrown in the freezer so they can save

1816

01:17:59,750 --> 01:17:57,300

it for fun times in the bedroom later

1817

01:18:03,410 --> 01:17:59,760

sure and then stuff it put it on their

1818

01:18:04,790 --> 01:18:03,420

mantle do they pay uh by the inch by the

1819

01:18:08,390 --> 01:18:04,800

inch of this sort of thing I would

1820

01:18:10,729 --> 01:18:08,400

imagine the bigger it is the more sought

1821

01:18:14,110 --> 01:18:10,739

after it is I mean come on right yeah

1822

01:18:16,810 --> 01:18:14,120

they're gonna chop your balls off yeah

1823

01:18:19,550 --> 01:18:16,820

you might as well just like you know

1824

01:18:21,110 --> 01:18:19,560

give me your balls

1825

01:18:23,270 --> 01:18:21,120

uh

1826

01:18:25,790 --> 01:18:23,280

a surrogate womb

1827

01:18:29,209 --> 01:18:25,800

a rental not ownership hundred thousand

1828

01:18:30,649 --> 01:18:29,219

dollars so poor lesbian stuff yeah uh

1829

01:18:32,870 --> 01:18:30,659

pancreas goes for a hundred and ten

1830

01:18:34,430 --> 01:18:32,880

thousand dollars a kidney about a

1831

01:18:37,669 --> 01:18:34,440

hundred and forty thousand dollars a

1832

01:18:39,050 --> 01:18:37,679

liver about a hundred and sixty thousand

1833

01:18:42,530 --> 01:18:39,060

dollars

1834

01:18:43,790 --> 01:18:42,540

lungs about uh 270 000 what is the most

1835

01:18:47,030 --> 01:18:43,800

expensive

1836

01:18:49,550 --> 01:18:47,040

piece here so an entire human body

1837

01:18:52,610 --> 01:18:49,560

including all organs bones muscles

1838

01:18:54,250 --> 01:18:52,620

ligaments ligaments Etc

1839

01:18:58,430 --> 01:18:54,260

45

1840

01:19:02,630 --> 01:19:00,950

sounds like a big business uh Venture so

1841

01:19:04,250 --> 01:19:02,640

you're worth more dead than working for

1842

01:19:07,010 --> 01:19:04,260

some company

1843

01:19:08,510 --> 01:19:07,020

yeah yeah that makes sense it's one of

1844

01:19:10,070 --> 01:19:08,520

the as long as they have you intact if

1845

01:19:12,470 --> 01:19:10,080

they have you intact

1846

01:19:15,290 --> 01:19:12,480

as long as you're properly refrigerated

1847

01:19:17,630 --> 01:19:15,300

and stored not eviscerated and in pieces

1848

01:19:19,990 --> 01:19:17,640

yeah to shreds you say that's why they

1849

01:19:23,570 --> 01:19:20,000

got to smuggle you in UFOs in those

1850

01:19:26,689 --> 01:19:23,580

hyperbaric chambers they want you intact

1851

01:19:29,209 --> 01:19:26,699

they want that tasty pile too

1852

01:19:30,950 --> 01:19:29,219

dry and just say like your lot your

1853

01:19:33,110 --> 01:19:30,960

large intestine does go for about eight

1854

01:19:35,090 --> 01:19:33,120

hundred thousand dollars so that's

1855

01:19:36,530 --> 01:19:35,100

not bad

1856

01:19:37,910 --> 01:19:36,540

if you can get a large intestine from

1857

01:19:41,510 --> 01:19:37,920

somebody

1858

01:19:44,510 --> 01:19:41,520

okay well this is fascinating uh uh and

1859

01:19:46,990 --> 01:19:44,520

there is like links here to like other

1860

01:19:49,430 --> 01:19:47,000

places where I think how he kind of like

1861

01:19:52,010 --> 01:19:49,440

gather all this data like

1862

01:19:53,810 --> 01:19:52,020

sciencealert.com had an article on this

1863

01:19:55,430 --> 01:19:53,820

and price listing first so this guy did

1864

01:19:57,229 --> 01:19:55,440

his research there's no doubt about this

1865

01:19:58,850 --> 01:19:57,239

so I'm gonna believe these these pricing

1866

01:20:03,530 --> 01:19:58,860

levels here

1867

01:20:05,570 --> 01:20:03,540

hmm terrifying but I mean it explains

1868

01:20:07,970 --> 01:20:05,580

why these University morgues are selling

1869

01:20:10,729 --> 01:20:07,980

body parts left and right on Facebook

1870

01:20:12,290 --> 01:20:10,739

no okay yeah very profitable it sounds

1871

01:20:13,729 --> 01:20:12,300

like very profitable

1872

01:20:15,470 --> 01:20:13,739

yeah

1873

01:20:17,330 --> 01:20:15,480

all right let's uh see what else we got

1874

01:20:19,970 --> 01:20:17,340

in the headlines

1875

01:20:25,070 --> 01:20:19,980

[Music]

1876

01:20:31,070 --> 01:20:28,490

spell it sell it sell it sell sell

1877

01:20:33,290 --> 01:20:31,080

and because crutch is not here and we do

1878

01:20:36,410 --> 01:20:33,300

cover this type of thing quite

1879

01:20:38,630 --> 01:20:36,420

frequently I'll I'll bring this up on

1880

01:20:40,850 --> 01:20:38,640

screen here and

1881

01:20:43,430 --> 01:20:40,860

um talk about it this is

1882

01:20:45,410 --> 01:20:43,440

the state of the world that we're in and

1883

01:20:47,750 --> 01:20:45,420

it's just a reflection on society in

1884

01:20:49,130 --> 01:20:47,760

general I guess

1885

01:20:50,990 --> 01:20:49,140

um

1886

01:20:53,209 --> 01:20:51,000

here's headline here

1887

01:20:55,729 --> 01:20:53,219

Mario attacks Spider-Man for punching

1888

01:20:58,370 --> 01:20:55,739

Black Panther in Cosplay street fight

1889

01:21:00,470 --> 01:20:58,380

that's some good news on that front oh

1890

01:21:02,870 --> 01:21:00,480

God

1891

01:21:04,070 --> 01:21:02,880

I've been waiting for a long while for

1892

01:21:06,770 --> 01:21:04,080

this one

1893

01:21:09,050 --> 01:21:06,780

so what we have is three different

1894

01:21:11,209 --> 01:21:09,060

universes fighting each other pretty

1895

01:21:13,790 --> 01:21:11,219

much I mean Spider-Man is in the Marvel

1896

01:21:17,209 --> 01:21:13,800

Universe but you very rarely do you see

1897

01:21:20,209 --> 01:21:17,219

crossovers like Nintendo uh go into the

1898

01:21:22,310 --> 01:21:20,219

MCU uh a lot of legalities a lot of

1899

01:21:25,070 --> 01:21:22,320

copyright laws around this and so to see

1900

01:21:27,290 --> 01:21:25,080

a street fight on this on this scale is

1901

01:21:29,270 --> 01:21:27,300

uh is pretty epic I'll read a story

1902

01:21:32,030 --> 01:21:29,280

before I uh play the video here we're

1903

01:21:34,490 --> 01:21:32,040

certainly it is Earth it's Universe

1904

01:21:38,030 --> 01:21:34,500

shattering is this problem the Marvel

1905

01:21:39,590 --> 01:21:38,040

Multiverse Multiverse shattering so it's

1906

01:21:41,750 --> 01:21:39,600

three fight between Mario Spiderman

1907

01:21:43,250 --> 01:21:41,760

Black Panther and others is going viral

1908

01:21:46,610 --> 01:21:43,260

on social media after a dispute between

1909

01:21:50,209 --> 01:21:46,620

costume employees and at a tourist uh at

1910

01:21:51,950 --> 01:21:50,219

a tourist attraction in Brazil uh is

1911

01:21:53,990 --> 01:21:51,960

this what Spider-Man in Smash Brothers

1912

01:21:56,030 --> 01:21:54,000

would look like a wild brawl erupted

1913

01:21:58,729 --> 01:21:56,040

between two employees of two little

1914

01:22:00,649 --> 01:21:58,739

trains earlier in June leaving Taurus

1915

01:22:01,850 --> 01:22:00,659

and Spectators confused I guess two

1916

01:22:03,050 --> 01:22:01,860

little trains might be like a place

1917

01:22:05,030 --> 01:22:03,060

where you go to

1918

01:22:07,070 --> 01:22:05,040

ride trains and get your pictures taken

1919

01:22:08,149 --> 01:22:07,080

with people in crappy costumes I'm

1920

01:22:10,610 --> 01:22:08,159

assuming

1921

01:22:12,950 --> 01:22:10,620

uh from an entire Airport baggage area

1922

01:22:17,149 --> 01:22:12,960

from an entire Airport baggage area

1923

01:22:18,950 --> 01:22:17,159

becoming a WWE Royal Rumble and I'd kind

1924

01:22:20,390 --> 01:22:18,960

of classify it as Survivor series or

1925

01:22:22,669 --> 01:22:20,400

like that something like that not a

1926

01:22:23,570 --> 01:22:22,679

Royal Rumble

1927

01:22:26,149 --> 01:22:23,580

um

1928

01:22:28,610 --> 01:22:26,159

two fisticuffs abroad uh the plane there

1929

01:22:30,649 --> 01:22:28,620

have been plenty of wild street fights

1930

01:22:32,270 --> 01:22:30,659

but never anything quite like this in a

1931

01:22:34,130 --> 01:22:32,280

video making the rounds on social media

1932

01:22:36,229 --> 01:22:34,140

man dressed up as Spider-Man approached

1933

01:22:38,030 --> 01:22:36,239

another guy cosplaying as Black Panther

1934

01:22:40,550 --> 01:22:38,040

and unloaded a series of punches

1935

01:22:43,070 --> 01:22:40,560

resolved resulting in Mario tangling

1936

01:22:45,649 --> 01:22:43,080

with the web Slinger

1937

01:22:49,090 --> 01:22:45,659

so okay here we go here's I'll see if I

1938

01:22:57,690 --> 01:22:52,430

yeah it is here we go there's an intro

1939

01:23:14,149 --> 01:23:08,030

[Music]

1940

01:23:16,490 --> 01:23:14,159

no uh audio from the fight it's just you

1941

01:23:18,890 --> 01:23:16,500

just see the guy I think in the Mario

1942

01:23:20,810 --> 01:23:18,900

costume he took off Mario's head and

1943

01:23:23,630 --> 01:23:20,820

just started wailing it looks like he's

1944

01:23:25,430 --> 01:23:23,640

yeah oh my God looks like uh

1945

01:23:27,050 --> 01:23:25,440

the web slingers not holding Zone it

1946

01:23:29,270 --> 01:23:27,060

looks like Mario does have the upper

1947

01:23:31,250 --> 01:23:29,280

hand when it comes to a classic Street

1948

01:23:33,530 --> 01:23:31,260

brawl like Mario is not messing around

1949

01:23:34,910 --> 01:23:33,540

he knows how to throw some punches it

1950

01:23:37,610 --> 01:23:34,920

looks like Spider-Man was definitely

1951

01:23:39,770 --> 01:23:37,620

caught off guard here black panther has

1952

01:23:42,110 --> 01:23:39,780

basically basically been relegated to

1953

01:23:43,790 --> 01:23:42,120

referee in the entire operation and

1954

01:23:45,290 --> 01:23:43,800

Mario is just not putting up with this

1955

01:23:47,570 --> 01:23:45,300

he must have took a power star or

1956

01:23:50,209 --> 01:23:47,580

something like that and he's able to

1957

01:23:53,090 --> 01:23:50,219

deflect web slingers blows quite

1958

01:23:54,649 --> 01:23:53,100

efficiently and knows how to battle in

1959

01:23:56,090 --> 01:23:54,659

the streets and of course he's a plumber

1960

01:23:59,450 --> 01:23:56,100

he knows how to fight in the streets

1961

01:24:01,250 --> 01:23:59,460

there's no he knows dirty he knows dirty

1962

01:24:03,709 --> 01:24:01,260

he fights dirty there's no buildings

1963

01:24:06,890 --> 01:24:03,719

around for for Spider-Man to use his

1964

01:24:08,570 --> 01:24:06,900

webs against and sling around listen and

1965

01:24:10,370 --> 01:24:08,580

his straight one-on-one straight brawl

1966

01:24:12,470 --> 01:24:10,380

Mario is going to win there's no doubt

1967

01:24:15,470 --> 01:24:12,480

about that and he did it looks like they

1968

01:24:17,390 --> 01:24:15,480

won and Mario must there's something

1969

01:24:20,030 --> 01:24:17,400

happening with Mario that he's

1970

01:24:22,970 --> 01:24:20,040

completely bypassing the spider's sin so

1971

01:24:24,950 --> 01:24:22,980

is he is he not able to trigger that

1972

01:24:27,410 --> 01:24:24,960

spidey sense is he moving faster than

1973

01:24:29,810 --> 01:24:27,420

what Spider-Man can react to I suspect

1974

01:24:31,189 --> 01:24:29,820

when uh Mario takes that invulnerability

1975

01:24:34,370 --> 01:24:31,199

star

1976

01:24:37,189 --> 01:24:34,380

um he become it renders all of

1977

01:24:39,229 --> 01:24:37,199

Spider-Man's senses neutral it totally

1978

01:24:41,330 --> 01:24:39,239

neutralizes any spider sense that he

1979

01:24:43,370 --> 01:24:41,340

might have he's he's invulnerable and he

1980

01:24:46,430 --> 01:24:43,380

might be invisible to any sort of like

1981

01:24:51,250 --> 01:24:46,440

radar sensing by the the spider that's

1982

01:24:56,149 --> 01:24:53,390

up up

1983

01:24:57,590 --> 01:24:56,159

yeah and he could go swinging and he's

1984

01:25:00,290 --> 01:24:57,600

not even looking at him for a bit he

1985

01:25:02,090 --> 01:25:00,300

throws off his head so skillfully he

1986

01:25:03,350 --> 01:25:02,100

does he heads himself you can tell this

1987

01:25:05,330 --> 01:25:03,360

is not the first time he's fought in

1988

01:25:07,610 --> 01:25:05,340

another Marvel Superhero he knows how to

1989

01:25:09,410 --> 01:25:07,620

battle these people uh the man dressed

1990

01:25:11,830 --> 01:25:09,420

as Spider-Man reportedly had his nose

1991

01:25:14,390 --> 01:25:11,840

broken and will require surgery

1992

01:25:16,729 --> 01:25:14,400

additionally at least two men involved

1993

01:25:18,890 --> 01:25:16,739

in the smackdown will be dismissed from

1994

01:25:21,169 --> 01:25:18,900

the two little trains so two people are

1995

01:25:23,510 --> 01:25:21,179

being fired now Mario's gotta go back to

1996

01:25:25,970 --> 01:25:23,520

plumbing and all he was trying to do is

1997

01:25:28,750 --> 01:25:25,980

just defend himself sorry Mario your

1998

01:25:31,310 --> 01:25:28,760

princess is in a different cousin

1999

01:25:34,189 --> 01:25:31,320

that's too bad

2000

01:25:36,410 --> 01:25:34,199

it's not clear it's not clear what got

2001

01:25:39,290 --> 01:25:36,420

into Spider-Man or if he was

2002

01:25:41,090 --> 01:25:39,300

experiencing a symbiote moment but at

2003

01:25:42,890 --> 01:25:41,100

least Mario was there to save they he

2004

01:25:45,590 --> 01:25:42,900

didn't save the day he broke

2005

01:25:48,530 --> 01:25:45,600

Spider-Man's nose

2006

01:25:51,229 --> 01:25:48,540

he didn't I mean I

2007

01:25:52,450 --> 01:25:51,239

I I there was no saving going on there

2008

01:25:55,610 --> 01:25:52,460

you know

2009

01:25:58,790 --> 01:25:55,620

there are some cartoonish kind of antics

2010

01:26:02,090 --> 01:26:00,169

all right

2011

01:26:04,850 --> 01:26:02,100

I don't I don't know if you're looking

2012

01:26:06,709 --> 01:26:04,860

for uh AI suggestions for the uh the

2013

01:26:07,970 --> 01:26:06,719

show art but that could be that could be

2014

01:26:10,729 --> 01:26:07,980

the money right there yeah that could be

2015

01:26:14,209 --> 01:26:10,739

a breaking Spider-Man's nose yes he did

2016

01:26:18,590 --> 01:26:16,370

he's done It Before He'll Do It Again

2017

01:26:22,310 --> 01:26:18,600

yeah that'll teach you to run your [h__h]

2018

01:26:28,010 --> 01:26:24,950

I mean yeah I mean Mario just came off

2019

01:26:29,629 --> 01:26:28,020

the uh a billion dollar movie with the

2020

01:26:31,550 --> 01:26:29,639

most recent Super Mario Brothers movie

2021

01:26:32,750 --> 01:26:31,560

so he's feeling good he's feeling

2022

01:26:34,970 --> 01:26:32,760

empowered

2023

01:26:37,790 --> 01:26:34,980

not the most impressive movie I've ever

2024

01:26:40,010 --> 01:26:37,800

seen but I will say I was a big big fan

2025

01:26:41,870 --> 01:26:40,020

of their audio design for that movie The

2026
01:26:43,310 --> 01:26:41,880
Super Mario Brothers movie I hear good

2027
01:26:45,709 --> 01:26:43,320
things I heard a joke it's like an okay

2028
01:26:47,030 --> 01:26:45,719
movie up you know watch it when it ever

2029
01:26:49,250 --> 01:26:47,040
comes to the TV where I don't have to

2030
01:26:51,350 --> 01:26:49,260
pay for it I guess so yeah right uh

2031
01:26:54,890 --> 01:26:51,360
minor spoiler alerts uh Peach taking

2032
01:26:57,530 --> 01:26:54,900
power-ups super fine oh wow nice oh

2033
01:27:03,670 --> 01:26:57,540
thank God all right yes little fan

2034
01:27:10,669 --> 01:27:05,810
[Music]

2035
01:27:18,970 --> 01:27:14,330
hey baby he won 75 000 worth of fun of

2036
01:27:25,370 --> 01:27:22,510
headline over here

2037
01:27:32,050 --> 01:27:25,380
chupacabra filmed in Bolivia after spat

2038
01:27:34,669 --> 01:27:32,060

of mystery animal deaths okay oh really

2039

01:27:38,270 --> 01:27:34,679

chupacabra back in headlines

2040

01:27:40,129 --> 01:27:38,280

the Goat Sucker yeah it's uh

2041

01:27:42,290 --> 01:27:40,139

the creature said to be the mythical

2042

01:27:44,570 --> 01:27:42,300

chupacabra has been captured on film by

2043

01:27:46,790 --> 01:27:44,580

a drone camera operator the Beast which

2044

01:27:48,830 --> 01:27:46,800

has been a fixture of the South American

2045

01:27:51,830 --> 01:27:48,840

folklore for years

2046

01:27:53,810 --> 01:27:51,840

has been attributed with a recent spat

2047

01:27:55,450 --> 01:27:53,820

of unexplained animal deaths on a farm

2048

01:27:58,970 --> 01:27:55,460

in Bolivia

2049

01:28:01,790 --> 01:27:58,980

so some news outlets reported that cows

2050

01:28:03,890 --> 01:28:01,800

llamas and alpacas have all been found

2051
01:28:05,510 --> 01:28:03,900
dead with their blood drained from their

2052
01:28:08,149 --> 01:28:05,520
bodies while elsewhere in the region

2053
01:28:09,830 --> 01:28:08,159
there have been cases of ducks in Turkey

2054
01:28:11,030 --> 01:28:09,840
showing up dead without apparent

2055
01:28:13,129 --> 01:28:11,040
explanation

2056
01:28:14,689 --> 01:28:13,139
while local drone operators captured

2057
01:28:17,930 --> 01:28:14,699
footage of a strange animal roaming the

2058
01:28:19,850 --> 01:28:17,940
field near near the city

2059
01:28:22,070 --> 01:28:19,860
um news outlets were quick to jump on

2060
01:28:25,070 --> 01:28:22,080
the notion that this was in fact their

2061
01:28:28,430 --> 01:28:25,080
culprit uh quote it's strange filmmaker

2062
01:28:30,410 --> 01:28:28,440
Carla Flores told uh newspaper he told

2063
01:28:31,850 --> 01:28:30,420

Telemundo that telemundo's reporting on

2064

01:28:34,970 --> 01:28:31,860

this okay

2065

01:28:37,010 --> 01:28:34,980

uh it looks like a dog but it it has a

2066

01:28:40,669 --> 01:28:37,020

hump towards the back looking at the

2067

01:28:43,430 --> 01:28:40,679

images it has the same positioning that

2068

01:28:45,890 --> 01:28:43,440

a chupacabra has so he obviously a

2069

01:28:49,030 --> 01:28:45,900

chupacabra expert and so we'll take a

2070

01:28:52,729 --> 01:28:49,040

look at this footage right now on screen

2071

01:28:54,229 --> 01:28:52,739

and we'll take a look and see what the

2072

01:28:55,430 --> 01:28:54,239

what they're what they're filming here

2073

01:28:57,770 --> 01:28:55,440

so what we're looking at in the middle

2074

01:28:59,450 --> 01:28:57,780

screen drones flying over I'm gonna say

2075

01:29:01,129 --> 01:28:59,460

it looks almost to be like 75 feet off

2076

01:29:03,590 --> 01:29:01,139

the ground and there is some sort of

2077

01:29:07,010 --> 01:29:03,600

like creature on the ground in the

2078

01:29:12,229 --> 01:29:08,390

um now they're showing more of the

2079

01:29:16,250 --> 01:29:14,570

show us the creature they're not

2080

01:29:18,410 --> 01:29:16,260

dwelling on the creature like that drone

2081

01:29:22,010 --> 01:29:18,420

should have like got down close to it

2082

01:29:24,890 --> 01:29:22,020

like there it is on screen

2083

01:29:27,110 --> 01:29:24,900

what a horrible piece of Drone footage

2084

01:29:29,870 --> 01:29:27,120

you might have the most significant

2085

01:29:33,050 --> 01:29:29,880

footage of your entire life and you

2086

01:29:34,729 --> 01:29:33,060

don't dip down 40 feet to get a close-up

2087

01:29:37,490 --> 01:29:34,739

of this creature

2088

01:29:39,830 --> 01:29:37,500

[h__\h]

2089

01:29:41,330 --> 01:29:39,840

it's tough to tell it was silhouetted it

2090

01:29:43,129 --> 01:29:41,340

could have been a dog with mange it

2091

01:29:45,790 --> 01:29:43,139

could have been a chupacabra we'll never

2092

01:29:50,810 --> 01:29:48,410

Jesus let's get really close but you're

2093

01:29:53,930 --> 01:29:50,820

gonna have to squint super hard come on

2094

01:29:55,850 --> 01:29:53,940

hi Fidelity video we don't want uh we

2095

01:29:57,470 --> 01:29:55,860

don't want a clear picture damn it

2096

01:29:59,270 --> 01:29:57,480

God

2097

01:30:01,070 --> 01:29:59,280

and they don't even show like the like

2098

01:30:03,590 --> 01:30:01,080

the entire footage on the news they had

2099

01:30:05,990 --> 01:30:03,600

to show they literally showed 10 seconds

2100

01:30:08,090 --> 01:30:06,000

of it you know the woman had much more

2101

01:30:10,189 --> 01:30:08,100

footage hopefully she zoomed in

2102

01:30:12,410 --> 01:30:10,199

hopefully she got close enough

2103

01:30:14,570 --> 01:30:12,420

and I like wouldn't it be fascinating if

2104

01:30:16,550 --> 01:30:14,580

you got the the Drone in close enough to

2105

01:30:18,890 --> 01:30:16,560

where it freaked out the chupacabra and

2106

01:30:20,570 --> 01:30:18,900

you got to see it run like you got to

2107

01:30:22,189 --> 01:30:20,580

see it's an actual gate it's it's

2108

01:30:24,410 --> 01:30:22,199

locomotion

2109

01:30:25,970 --> 01:30:24,420

yeah you see it climb a tree something

2110

01:30:28,010 --> 01:30:25,980

that's what I want to see yeah see what

2111

01:30:30,169 --> 01:30:28,020

runs off to like it would probably you

2112

01:30:32,810 --> 01:30:30,179

would imagine is gonna run home it's

2113

01:30:34,310 --> 01:30:32,820

scared follow it there

2114

01:30:36,110 --> 01:30:34,320

but no we didn't get any of that

2115

01:30:38,930 --> 01:30:36,120

information

2116

01:30:40,930 --> 01:30:38,940

okay so I had all this blurry drone

2117

01:30:43,010 --> 01:30:40,940

shots get in there

2118

01:30:45,530 --> 01:30:43,020

satellites should be able to count the

2119

01:30:47,810 --> 01:30:45,540

[h__\h] hairs on the test you know I

2120

01:30:52,910 --> 01:30:47,820

want to get in there all right you got

2121

01:30:52,920 --> 01:30:57,770

and bring this up on screen here we go

2122

01:31:03,890 --> 01:31:00,950

and here's the headline here uh

2123

01:31:07,010 --> 01:31:03,900

man accident or man shoots himself by

2124

01:31:10,250 --> 01:31:07,020

accident during dream about being robbed

2125

01:31:12,350 --> 01:31:10,260

man I got mixed emotions about this one

2126

01:31:13,910 --> 01:31:12,360

a man from Illinois recently ended up in

2127

01:31:16,850 --> 01:31:13,920

the hospital after sleep shooting

2128

01:31:20,689 --> 01:31:16,860

himself while dreaming that there was an

2129

01:31:24,350 --> 01:31:20,699

intruder yeah that's the worst

2130

01:31:27,530 --> 01:31:24,360

I mean that's crazy that how close was

2131

01:31:29,629 --> 01:31:27,540

this gun to the bed like I have a gun

2132

01:31:32,209 --> 01:31:29,639

near my bed but it's underneath the bed

2133

01:31:35,510 --> 01:31:32,219

I know I can get down there in in a

2134

01:31:37,490 --> 01:31:35,520

hurry if I need to but it's not in like

2135

01:31:40,070 --> 01:31:37,500

I would have to really fumble around if

2136

01:31:41,510 --> 01:31:40,080

I was sleeping to really do it I'm

2137

01:31:44,090 --> 01:31:41,520

assuming I haven't read the article yet

2138

01:31:46,790 --> 01:31:44,100

that this person was in fact sleep

2139

01:31:49,010 --> 01:31:46,800

walking in some capacity

2140

01:31:50,930 --> 01:31:49,020

uh and then

2141

01:31:52,850 --> 01:31:50,940

maybe the gun was already loaded and

2142

01:31:55,370 --> 01:31:52,860

then maybe he shot himself we'll find

2143

01:31:59,570 --> 01:31:57,470

uh we've all heard of some of the

2144

01:32:02,030 --> 01:31:59,580

unfortunate calamities that have ensued

2145

01:32:04,610 --> 01:32:02,040

during an unintentional about with

2146

01:32:06,350 --> 01:32:04,620

sleepwalking but you've never heard of

2147

01:32:08,810 --> 01:32:06,360

someone actually shooting themselves

2148

01:32:11,709 --> 01:32:08,820

while asleep this is a bizarre scenario

2149

01:32:14,330 --> 01:32:11,719

that befell Illinois resident Mark Dice

2150

01:32:17,689 --> 01:32:14,340

dicara recently

2151
01:32:19,430 --> 01:32:17,699
and acara has been sleeping soundly in

2152
01:32:22,129 --> 01:32:19,440
his bed when all of a sudden he grabbed

2153
01:32:28,610 --> 01:32:22,139
his gun and fired off around into his

2154
01:32:32,510 --> 01:32:31,010
uh when police officers arrived on the

2155
01:32:35,209 --> 01:32:32,520
scene they discovered that the bullet

2156
01:32:37,550 --> 01:32:35,219
had been traveling straight through his

2157
01:32:40,669 --> 01:32:37,560
leg and had lodged herself in the

2158
01:32:42,890 --> 01:32:40,679
bedding incredibly it turned out that

2159
01:32:43,870 --> 01:32:42,900
the reason for this mishap was the fact

2160
01:32:48,290 --> 01:32:43,880
that

2161
01:32:49,729 --> 01:32:48,300
darcia Garcia had been having a dream in

2162
01:32:53,270 --> 01:32:49,739
which he was being robbed instead of

2163
01:32:54,950 --> 01:32:53,280

Simply dreaming that he had been shot by

2164

01:32:57,169 --> 01:32:54,960

The Intruders he actually picked up a

2165

01:33:01,790 --> 01:32:57,179

real weapon and attempted to shoot them

2166

01:33:03,470 --> 01:33:01,800

all while sound asleep even though uh he

2167

01:33:05,090 --> 01:33:03,480

hadn't been shot by anybody else ever he

2168

01:33:07,189 --> 01:33:05,100

still ended up in trouble with the

2169

01:33:09,169 --> 01:33:07,199

police because it turned out that he

2170

01:33:12,709 --> 01:33:09,179

didn't have the appropriate permit to

2171

01:33:14,930 --> 01:33:12,719

possess a gun in the first place rookie

2172

01:33:15,950 --> 01:33:14,940

moves in Illinois they're pretty they're

2173

01:33:17,750 --> 01:33:15,960

pretty strict over there in Illinois

2174

01:33:20,390 --> 01:33:17,760

about owning guns

2175

01:33:23,030 --> 01:33:20,400

and uh this is this is also an argument

2176
01:33:24,890 --> 01:33:23,040
for why you should probably not roll

2177
01:33:27,470 --> 01:33:24,900
around with loaded firearms in your

2178
01:33:28,910 --> 01:33:27,480
house I teach their own but uh here's a

2179
01:33:32,090 --> 01:33:28,920
good example of

2180
01:33:34,430 --> 01:33:32,100
what could go down yeah I I get that

2181
01:33:35,870 --> 01:33:34,440
you'll want to have a loaded weapon all

2182
01:33:39,530 --> 01:33:35,880
the time but

2183
01:33:40,669 --> 01:33:39,540
maybe it's not that good uh I also I

2184
01:33:41,689 --> 01:33:40,679
also get the feeling like there's

2185
01:33:45,350 --> 01:33:41,699
something

2186
01:33:46,390 --> 01:33:45,360
um oh what's that drug that's uh

2187
01:33:48,950 --> 01:33:46,400
uh

2188
01:33:51,169 --> 01:33:48,960

Ambien that's the one

2189

01:33:53,030 --> 01:33:51,179

yeah yeah Andy you can do some messed up

2190

01:33:54,830 --> 01:33:53,040

stuff on on the ambient if you don't go

2191

01:33:57,410 --> 01:33:54,840

to sleep like when you feel tired and

2192

01:33:59,390 --> 01:33:57,420

like you like you push past it and then

2193

01:34:02,750 --> 01:33:59,400

you just go into basically blackout

2194

01:34:05,390 --> 01:34:02,760

State and then you're really not in

2195

01:34:07,910 --> 01:34:05,400

control you have no memory of what you

2196

01:34:10,910 --> 01:34:07,920

do while Ambien is still active in your

2197

01:34:12,950 --> 01:34:10,920

body uh you're awake but you're you're

2198

01:34:15,110 --> 01:34:12,960

not it's almost like you're you're drunk

2199

01:34:16,970 --> 01:34:15,120

and you're black out you know something

2200

01:34:19,790 --> 01:34:16,980

like that yeah I think you have more

2201
01:34:22,790 --> 01:34:19,800
motor speed mode yeah zombie mode

2202
01:34:25,550 --> 01:34:22,800
and this guy maybe this is just his

2203
01:34:27,229 --> 01:34:25,560
excuse maybe he was laying in bed he had

2204
01:34:29,450 --> 01:34:27,239
his gun in his hand he was he went he

2205
01:34:32,570 --> 01:34:29,460
went there's like hey I got itch on my

2206
01:34:35,330 --> 01:34:32,580
leg I'm gonna scratch it with my gun

2207
01:34:38,450 --> 01:34:35,340
I'm serious and he was that stupid

2208
01:34:39,590 --> 01:34:38,460
and did that and blast himself in the

2209
01:34:41,629 --> 01:34:39,600
left

2210
01:34:44,810 --> 01:34:41,639
legs aren't even all that valuable in

2211
01:34:47,510 --> 01:34:44,820
the human body part no they're not

2212
01:34:49,310 --> 01:34:47,520
I think they go for like 700 bucks

2213
01:34:51,709 --> 01:34:49,320

if they switched out for less than a

2214

01:34:54,669 --> 01:34:51,719

grand effectively useless you know

2215

01:34:57,350 --> 01:34:54,679

that's with the foot included

2216

01:34:59,330 --> 01:34:57,360

I would say that he was scratching

2217

01:35:01,910 --> 01:34:59,340

himself he shot himself in the leg on

2218

01:35:04,610 --> 01:35:01,920

accident and he concocted this I was

2219

01:35:07,070 --> 01:35:04,620

sleepwalking thing to avoid looking

2220

01:35:08,390 --> 01:35:07,080

completely stupid

2221

01:35:10,790 --> 01:35:08,400

uh he's still going to probably

2222

01:35:13,990 --> 01:35:10,800

interesting face some sort of penalty

2223

01:35:16,970 --> 01:35:14,000

from the the Illinois uh legal system

2224

01:35:19,189 --> 01:35:16,980

but it might not be as severe so it

2225

01:35:21,290 --> 01:35:19,199

would he wouldn't be charged with like

2226

01:35:22,729 --> 01:35:21,300

reckless endangerment possibly I don't

2227

01:35:24,470 --> 01:35:22,739

know like when you actually you see you

2228

01:35:25,729 --> 01:35:24,480

shoot yourself they probably could

2229

01:35:29,990 --> 01:35:25,739

charge you with a bunch of other things

2230

01:35:32,570 --> 01:35:30,000

like uh uh some sort of like neglect or

2231

01:35:35,149 --> 01:35:32,580

being Reckless but if you were declared

2232

01:35:38,270 --> 01:35:35,159

that you were sleeping and this is part

2233

01:35:40,850 --> 01:35:38,280

of like a medical condition you might

2234

01:35:42,229 --> 01:35:40,860

have a little bit more leniency when

2235

01:35:44,870 --> 01:35:42,239

you're facing the judge or the

2236

01:35:46,970 --> 01:35:44,880

prosecutor it's almost like an insanity

2237

01:35:49,209 --> 01:35:46,980

please yes yeah I was sleeping yeah it

2238

01:35:51,950 --> 01:35:49,219

was my sleeping plea yeah

2239

01:35:54,470 --> 01:35:51,960

wasn't me it wasn't my fault

2240

01:35:57,110 --> 01:35:54,480

something like that

2241

01:35:59,750 --> 01:35:57,120

well I yeah it sounds like the clever

2242

01:36:03,649 --> 01:35:59,760

story we'll see how it plays out

2243

01:36:09,950 --> 01:36:06,490

please don't shoot yourself

2244

01:36:12,070 --> 01:36:09,960

that is not medical advice oh wait I

2245

01:36:14,510 --> 01:36:12,080

mean it is medical advice

2246

01:36:15,709 --> 01:36:14,520

it is not

2247

01:36:17,510 --> 01:36:15,719

yes

2248

01:36:19,970 --> 01:36:17,520

I'll bring this up on screen because we

2249

01:36:22,550 --> 01:36:19,980

uh we love our President Joe Biden uh I

2250

01:36:25,550 --> 01:36:22,560

know I do I wish you could run forever

2251
01:36:27,530 --> 01:36:25,560
for president but oh man the greatest of

2252
01:36:31,010 --> 01:36:27,540
all time he's one of the best he keeps

2253
01:36:34,790 --> 01:36:31,020
on giving and uh most recently he had a

2254
01:36:38,030 --> 01:36:34,800
he had a speech and uh he likes to end

2255
01:36:40,370 --> 01:36:38,040
speeches in a very biden-esque way and

2256
01:36:42,649 --> 01:36:40,380
this is what he had to say Joe Biden

2257
01:36:45,250 --> 01:36:42,659
left Americans scratching their heads

2258
01:36:49,310 --> 01:36:45,260
with an off the cuff remark really

2259
01:36:52,129 --> 01:36:49,320
unusual for a U.S president God saved

2260
01:36:55,310 --> 01:36:52,139
the queen man no one could immediately

2261
01:36:58,250 --> 01:36:55,320
tell what he meant with Queen he was

2262
01:37:00,470 --> 01:36:58,260
referring to and why he threw in what

2263
01:37:03,649 --> 01:37:00,480

sounded like a traditional patriotic

2264

01:37:06,050 --> 01:37:03,659

British cry now Biden had just completed

2265

01:37:08,450 --> 01:37:06,060

an impassioned speech in Connecticut on

2266

01:37:11,689 --> 01:37:08,460

getting Congress to toughen gun

2267

01:37:15,110 --> 01:37:13,550

um here's what I'm going to do I'm going

2268

01:37:16,910 --> 01:37:15,120

to ask if White House photographer to

2269

01:37:19,189 --> 01:37:16,920

come up and all I'm going to do is I'm

2270

01:37:21,229 --> 01:37:19,199

going to stand I can't I usually Shake

2271

01:37:22,910 --> 01:37:21,239

everybody's hand but I'm going to stand

2272

01:37:25,370 --> 01:37:22,920

in front of each section no I really

2273

01:37:27,950 --> 01:37:25,380

mean it and then another joke if you can

2274

01:37:29,930 --> 01:37:27,960

see the camera they can see you and uh

2275

01:37:32,390 --> 01:37:29,940

it's the least consequential part of

2276

01:37:39,010 --> 01:37:32,400

this whole meeting for you I promise

2277

01:37:46,790 --> 01:37:42,950

Queen Elizabeth II who IM Biden met died

2278

01:37:49,790 --> 01:37:46,800

in September of 2022 and was replaced by

2279

01:37:51,770 --> 01:37:49,800

a king her son Charles yeah the whole

2280

01:37:53,629 --> 01:37:51,780

journalist responsible for following the

2281

01:37:56,330 --> 01:37:53,639

president all day on his travels

2282

01:37:58,790 --> 01:37:56,340

couldn't help he messaged the worldwide

2283

01:38:01,669 --> 01:37:58,800

group of artists receiving pool reports

2284

01:38:04,370 --> 01:38:01,679

and said I have no idea what he might

2285

01:38:06,410 --> 01:38:04,380

have said that now later the White House

2286

01:38:08,870 --> 01:38:06,420

of principal Deputy praise secretaries

2287

01:38:12,169 --> 01:38:08,880

somewhat cleared up the mystery Olivia

2288

01:38:14,930 --> 01:38:12,179

Dalton reporters that Biden had been

2289

01:38:17,689 --> 01:38:14,940

commenting to someone in the crowd the

2290

01:38:20,930 --> 01:38:17,699

queen of Connecticut however was not

2291

01:38:22,550 --> 01:38:20,940

immediately identified Al Biden spoke on

2292

01:38:25,910 --> 01:38:22,560

the anniversary of last year's

2293

01:38:28,310 --> 01:38:25,920

legislation that Titan gun access it was

2294

01:38:31,430 --> 01:38:28,320

signed a few weeks after gunman took the

2295

01:38:34,189 --> 01:38:31,440

lives up I might buy I

2296

01:38:36,770 --> 01:38:34,199

come on like God Save the Queen like the

2297

01:38:38,629 --> 01:38:36,780

queen of Connecticut I've never heard of

2298

01:38:41,090 --> 01:38:38,639

the queen of Connecticut he's a backbone

2299

01:38:42,950 --> 01:38:41,100

like a ramrod I would like to meet the

2300

01:38:45,830 --> 01:38:42,960

queen of Connecticut me too

2301

01:38:49,129 --> 01:38:45,840

I bet she's real freaky yes I would hope

2302

01:38:53,330 --> 01:38:49,139

so yeah the kid is a strange place is

2303

01:38:56,330 --> 01:38:53,340

that a serious question right yeah maybe

2304

01:38:59,030 --> 01:38:56,340

I don't know if it is like uh so the God

2305

01:39:01,070 --> 01:38:59,040

saved the queen right there and honestly

2306

01:39:04,490 --> 01:39:01,080

after the Queen's death wouldn't you

2307

01:39:07,129 --> 01:39:04,500

imagine as like the number one U.S

2308

01:39:09,050 --> 01:39:07,139

Diplomat Joe Biden right he's he's like

2309

01:39:11,030 --> 01:39:09,060

hey he's our commander-in-chief he's

2310

01:39:13,430 --> 01:39:11,040

he's the guy you wouldn't want to say

2311

01:39:16,790 --> 01:39:13,440

that like considering the queen died

2312

01:39:18,410 --> 01:39:16,800

really not that long ago

2313

01:39:20,990 --> 01:39:18,420

um regardless if the queen of

2314

01:39:22,610 --> 01:39:21,000

Connecticut is there is that like the

2315

01:39:25,729 --> 01:39:22,620

Sausage King of Chicago

2316

01:39:28,250 --> 01:39:25,739

[Laughter]

2317

01:39:30,709 --> 01:39:28,260

Biden is the Abe Froman yes he's like

2318

01:39:31,729 --> 01:39:30,719

the A-frame

2319

01:39:32,930 --> 01:39:31,739

but that's who he was calling out we

2320

01:39:34,450 --> 01:39:32,940

meant to call it the Saucer King of

2321

01:39:37,310 --> 01:39:34,460

Chicago he just got a little confused

2322

01:39:40,669 --> 01:39:37,320

God Bless The Sausage King that would be

2323

01:39:43,149 --> 01:39:40,679

Obama actually oh it might be yeah

2324

01:39:46,550 --> 01:39:43,159

so there you go kissing

2325

01:39:48,530 --> 01:39:46,560

but honestly like uh Biden versus Arnold

2326

01:39:50,209 --> 01:39:48,540

what do you what do you think here you

2327

01:39:52,370 --> 01:39:50,219

think Arnold would make that mistake I

2328

01:39:53,590 --> 01:39:52,380

don't think so Arnold would not end a

2329

01:39:56,090 --> 01:39:53,600

speech

2330

01:39:57,950 --> 01:39:56,100

saying God Save the Queen

2331

01:40:00,709 --> 01:39:57,960

he wouldn't he wouldn't do that he's too

2332

01:40:04,070 --> 01:40:00,719

American for that absolutely you know we

2333

01:40:06,350 --> 01:40:04,080

went to war with England once uh to to

2334

01:40:08,229 --> 01:40:06,360

to get independence from I I don't need

2335

01:40:11,149 --> 01:40:08,239

to see my president

2336

01:40:13,010 --> 01:40:11,159

paying homage to any queen of any kind

2337

01:40:14,990 --> 01:40:13,020

yeah Arnold cast that off Arnold would

2338

01:40:17,330 --> 01:40:15,000

say this I'm going to take a [h__h] I'm

2339

01:40:20,689 --> 01:40:17,340

going to take a [h__h] and that's what he

2340

01:40:22,669 --> 01:40:20,699

says it's a powerful American Pastime is

2341

01:40:26,570 --> 01:40:22,679

taking a crap I can hear the debate

2342

01:40:28,930 --> 01:40:28,129

he's the nice guy that's why people are

2343

01:40:30,770 --> 01:40:28,940

coming

2344

01:40:33,290 --> 01:40:30,780

and most of them come with a phone

2345

01:40:35,870 --> 01:40:33,300

number yes this is true Obama asked him

2346

01:40:37,129 --> 01:40:35,880

to come President Obama asked me to come

2347

01:40:40,189 --> 01:40:37,139

and deal

2348

01:40:45,169 --> 01:40:43,250

it's such a such a fast talker I think

2349

01:40:50,270 --> 01:40:45,179

he's delicious he's delivered the

2350

01:40:52,250 --> 01:40:50,280

peninsulate uh uh confidence guy

2351

01:40:54,590 --> 01:40:52,260

he's a deliberate man

2352

01:40:56,750 --> 01:40:54,600

and he says what he means and we know

2353

01:40:59,629 --> 01:40:56,760

that about Biden all right it's not a

2354

01:41:03,410 --> 01:40:59,639

joke let's do a joke one more headline

2355

01:41:09,649 --> 01:41:06,350

[Applause]

2356

01:41:12,649 --> 01:41:09,659

uh and uh gotta cover this like we we do

2357

01:41:14,040 --> 01:41:12,659

tend to cover this kind of news on obdm

2358

01:41:15,709 --> 01:41:14,050

for some reason

2359

01:41:17,209 --> 01:41:15,719

[Music]

2360

01:41:19,970 --> 01:41:17,219

I don't know why but

2361

01:41:22,310 --> 01:41:19,980

we do police say most of the victims of

2362

01:41:24,050 --> 01:41:22,320

this vandalism have one now I'll bring

2363

01:41:26,390 --> 01:41:24,060

this up so you guys can hear that over

2364

01:41:28,790 --> 01:41:27,350

um

2365

01:41:31,550 --> 01:41:28,800

let me find it

2366

01:41:33,229 --> 01:41:31,560

here we go oh my God oh my God

2367

01:41:35,090 --> 01:41:33,239

I don't even I want to stay away from

2368

01:41:36,530 --> 01:41:35,100

this kind of news like I I think when we

2369

01:41:37,970 --> 01:41:36,540

get to the New Kingdom I'm not going to

2370

01:41:40,669 --> 01:41:37,980

cover this kind of news we have to move

2371

01:41:43,310 --> 01:41:40,679

away from it but for now uh here we are

2372

01:41:45,350 --> 01:41:43,320

vandalism have one thing in common NBC

2373

01:41:49,370 --> 01:41:45,360

Connecticut's Jeremy Chen is live in

2374

01:41:55,550 --> 01:41:52,310

yeah Mike police are saying all of them

2375

01:41:57,109 --> 01:41:55,560

had Pride Flags prominently displayed on

2376

01:41:59,270 --> 01:41:57,119

their property and police say they've

2377

01:42:01,729 --> 01:41:59,280

gotten reports of vandalism coming in

2378

01:42:04,430 --> 01:42:01,739

since Tuesday and they're investigating

2379

01:42:06,709 --> 01:42:04,440

them as possible hate crimes

2380

01:42:08,810 --> 01:42:06,719

as Jacob horn was helping his wife go to

2381

01:42:10,430 --> 01:42:08,820

work Tuesday morning he got a nasty

2382

01:42:13,250 --> 01:42:10,440

surprise when they got to the car

2383

01:42:15,290 --> 01:42:13,260

someone had smeared food it looked like

2384

01:42:17,570 --> 01:42:15,300

a box of mac and cheese had been poured

2385

01:42:19,070 --> 01:42:17,580

into the front window this act of

2386

01:42:21,470 --> 01:42:19,080

animalism wasn't the first at his

2387

01:42:23,510 --> 01:42:21,480

Middletown home as the same car was hit

2388

01:42:25,850 --> 01:42:23,520

back in March someone had put some dog

2389

01:42:27,709 --> 01:42:25,860

feces into the driver's side handle of

2390

01:42:30,410 --> 01:42:27,719

the car and so we had to clean that up a

2391

01:42:32,870 --> 01:42:30,420

few blocks away Vandal smeared feces on

2392

01:42:34,790 --> 01:42:32,880

this car riding in a racial slur the

2393

01:42:36,709 --> 01:42:34,800

car's owner's friend took the picture

2394

01:42:39,169 --> 01:42:36,719

and reported the vandalism to police

2395

01:42:40,910 --> 01:42:39,179

it's just disgusting at this point it's

2396

01:42:42,830 --> 01:42:40,920

traumatizing and disgusting I really

2397

01:42:44,629 --> 01:42:42,840

felt bad for Middletown Police say these

2398

01:42:46,790 --> 01:42:44,639

acts of vandalism are among the five

2399

01:42:49,070 --> 01:42:46,800

reports happening in a span of three

2400

01:42:51,410 --> 01:42:49,080

days in the same area the majority of

2401
01:42:53,870 --> 01:42:51,420
them involving feces being smeared on

2402
01:42:56,090 --> 01:42:53,880
either vehicles or homes officers say

2403
01:42:57,890 --> 01:42:56,100
all the targeted victims had Pride Flags

2404
01:43:00,290 --> 01:42:57,900
prominently displayed on their property

2405
01:43:02,030 --> 01:43:00,300
horn says that's frustrating to hear

2406
01:43:04,370 --> 01:43:02,040
when you have people who are Bad actors

2407
01:43:06,530 --> 01:43:04,380
who are going out and trying to push

2408
01:43:08,990 --> 01:43:06,540
push back against a narrative of

2409
01:43:10,129 --> 01:43:09,000
acceptance and inclusion then that

2410
01:43:11,990 --> 01:43:10,139
absolutely has to be fought against

2411
01:43:14,090 --> 01:43:12,000
police say they're investigating the

2412
01:43:16,189 --> 01:43:14,100
series of vandalism as a possible hate

2413
01:43:17,990 --> 01:43:16,199

crime with this message to the community

2414

01:43:19,850 --> 01:43:18,000

we're gonna do our best to figure out

2415

01:43:21,290 --> 01:43:19,860

who this is so that you know people can

2416

01:43:22,910 --> 01:43:21,300

actually feel safe and not you know be

2417

01:43:24,530 --> 01:43:22,920

concerned about having their pride flags

2418

01:43:26,930 --> 01:43:24,540

and all their paraphernalia there horn

2419

01:43:29,149 --> 01:43:26,940

says Middletown is a broadly accepting

2420

01:43:31,070 --> 01:43:29,159

City and says he'll keep on preaching

2421

01:43:34,870 --> 01:43:31,080

that theme it's disappointing to see

2422

01:43:38,990 --> 01:43:34,880

that people are are so filled with

2423

01:43:41,629 --> 01:43:39,000

disdain maybe hate I don't know but that

2424

01:43:45,890 --> 01:43:41,639

we've got to keep pushing forward toward

2425

01:43:51,410 --> 01:43:49,070

now please say right now they have no

2426

01:43:54,109 --> 01:43:51,420

suspects but encouraging anyone with any

2427

01:43:56,390 --> 01:43:54,119

sort of information on these vandalisms

2428

01:43:59,570 --> 01:43:56,400

to contact them live in Middletown

2429

01:44:00,709 --> 01:43:59,580

Jeremy Chen NBC News Keisha I'll send it

2430

01:44:02,990 --> 01:44:00,719

back to you

2431

01:44:04,970 --> 01:44:03,000

oh do you want some gloves for that Hulk

2432

01:44:06,169 --> 01:44:04,980

Hogan loves a smear feces on people's

2433

01:44:07,790 --> 01:44:06,179

windows

2434

01:44:11,930 --> 01:44:07,800

I'm gonna search for what's going on

2435

01:44:16,070 --> 01:44:13,990

oh sorry

2436

01:44:19,729 --> 01:44:16,080

is this playing the next story there

2437

01:44:22,430 --> 01:44:19,739

isn't it that escalated quickly

2438

01:44:23,629 --> 01:44:22,440

listen I'm a I'm a I'm a Survivor of a

2439

01:44:25,250 --> 01:44:23,639

school shooting I know what it's like to

2440

01:44:27,410 --> 01:44:25,260

have species smeared on my car window

2441

01:44:29,930 --> 01:44:27,420

yeah that was a completely unrelated

2442

01:44:31,550 --> 01:44:29,940

story there but we've we've covered like

2443

01:44:34,070 --> 01:44:31,560

so this is like it's known for school

2444

01:44:36,590 --> 01:44:34,080

shootings not like a a new thing we we

2445

01:44:38,750 --> 01:44:36,600

covered uh a series of traumatic events

2446

01:44:43,430 --> 01:44:38,760

in Akron uh that we labeled the Akron

2447

01:44:46,010 --> 01:44:43,440

pooper uh where a person was uh taking a

2448

01:44:47,689 --> 01:44:46,020

crap or a dump on people's cars in a

2449

01:44:49,850 --> 01:44:47,699

particular neighborhood and they they

2450

01:44:52,910 --> 01:44:49,860

got some some footage of the person some

2451

01:44:54,530 --> 01:44:52,920

grainy trail cam footage and I don't I

2452

01:44:56,750 --> 01:44:54,540

don't know if they ever caught the

2453

01:44:59,870 --> 01:44:56,760

individual and those kind of things

2454

01:45:03,109 --> 01:44:59,880

happen uh throughout the country now

2455

01:45:07,310 --> 01:45:03,119

this it appears to be targeting people

2456

01:45:10,250 --> 01:45:07,320

that are associated with the lgbtq plus

2457

01:45:11,629 --> 01:45:10,260

movement uh we don't know for a fact

2458

01:45:13,790 --> 01:45:11,639

that's all the people that they

2459

01:45:15,290 --> 01:45:13,800

interview I suspect that the people that

2460

01:45:16,729 --> 01:45:15,300

really love the smear crap on people's

2461

01:45:18,010 --> 01:45:16,739

window they just like to do it to

2462

01:45:20,930 --> 01:45:18,020

anybody

2463

01:45:23,390 --> 01:45:20,940

and yeah sometimes at least in the case

2464

01:45:26,750 --> 01:45:23,400

of the Akron pooper it does appear to be

2465

01:45:29,390 --> 01:45:26,760

targeted to some individuals uh and

2466

01:45:31,370 --> 01:45:29,400

there may be some kind of Grudge

2467

01:45:34,850 --> 01:45:31,380

involved

2468

01:45:36,590 --> 01:45:34,860

um but uh undetermined brilliant oh come

2469

01:45:39,890 --> 01:45:36,600

on this Connecticut guy he definitely

2470

01:45:42,470 --> 01:45:39,900

put poop on his own car you think so I I

2471

01:45:44,510 --> 01:45:42,480

agree this year absolutely just looking

2472

01:45:46,189 --> 01:45:44,520

at him with his stupid glasses and the

2473

01:45:47,870 --> 01:45:46,199

way that he like you know all talking

2474

01:45:49,990 --> 01:45:47,880

about Bad actors oh my God you think

2475

01:45:53,050 --> 01:45:50,000

it's just Gold's flag

2476

01:45:55,310 --> 01:45:53,060

job all right there's a self-pooping

2477

01:45:59,169 --> 01:45:55,320

repeatedly going to the bathroom in

2478

01:46:02,510 --> 01:45:59,179

front yards since 2014. all right

2479

01:46:05,030 --> 01:46:02,520

this sort of occurrence isn't uncommon

2480

01:46:07,370 --> 01:46:05,040

where something some sort of purported

2481

01:46:09,530 --> 01:46:07,380

hate crime happens to an individual we

2482

01:46:13,370 --> 01:46:09,540

give it three to six weeks and boom

2483

01:46:15,669 --> 01:46:13,380

starts to come out that they uh yeah I'm

2484

01:46:20,330 --> 01:46:15,679

with you okay the old juicy sommelier

2485

01:46:23,330 --> 01:46:20,340
