3
00:00:25,859 --> 00:00:23,580

free audio book of your choice go to

10
00:00:51,660 --> 00:00:50,140

audiblepodcast.com/tekzilla can Frank

11
00:00:53,759 --> 00:00:51,670

and I were getting acquainted talking

12
00:00:55,140 --> 00:00:53,769

about our respective childhoods I don't

13
00:00:57,479 --> 00:00:55,150

think we should share this on the air

14

00:01:00,869 --> 00:00:57,489

because it sounds like he was mere as

15

00:01:03,630 --> 00:01:00,879

wacky as I am agreeing yeah right right

16

00:01:05,490 --> 00:01:03,640

now of course once again David is taking

17

00:01:07,859 --> 00:01:05,500

a hiatus from the show Frank Warren is

18

00:01:10,740 --> 00:01:07,869

our guest co-host this week and we'll be

19

00:01:13,440 --> 00:01:10,750

talking with the probably most famous

20

00:01:16,170 --> 00:01:13,450

conspiracy theory expert on the planet

21

00:01:17,999 --> 00:01:16,180

Jim Marrs our upcoming guests they're

22

00:01:19,020 --> 00:01:18,009

throwing around czar so much we're

23

00:01:21,240 --> 00:01:19,030

hearing it lately

24

00:01:24,539 --> 00:01:21,250

I think Jim Marrs we should just appoint

25

00:01:26,040 --> 00:01:24,549

him as the conspiracies are I think that

26

00:01:27,660 --> 00:01:26,050

fits him well you know what's

27

00:01:29,850 --> 00:01:27,670

interesting about this Frank is that

28

00:01:31,530 --> 00:01:29,860

they criticize Obama for all the czars

29

00:01:32,130 --> 00:01:31,540

and it turned out that George Bush had

30

00:01:35,280 --> 00:01:32,140

war czars

31

00:01:37,950 --> 00:01:35,290

than Obama it seems as if they criticize

32

00:01:40,080 --> 00:01:37,960

Obama for just about everything so I

33

00:01:41,700 --> 00:01:40,090

think it's breathing is where the

34

00:01:43,380 --> 00:01:41,710

problem lies yes now many of the

35

00:01:46,290 --> 00:01:43,390

politics we might do some of that with

36

00:01:47,880 --> 00:01:46,300

Jim Marrs you had run a story on your

37

00:01:50,820 --> 00:01:47,890

site was that where we found out about

38

00:01:52,740 --> 00:01:50,830

David Andrew yes yeah okay how did you

39

00:01:54,600 --> 00:01:52,750

encounter this person because if you

40

00:01:57,840 --> 00:01:54,610

heard the interview I wasn't nuts about

41

00:02:00,570 --> 00:01:57,850

his story if you wouldn't mind and I'd

42

00:02:03,660 --> 00:02:00,580

like to give some attention to that but

43

00:02:06,600 --> 00:02:03,670

I'd like to just throw two cents in

44

00:02:08,399 --> 00:02:06,610

concerning David B Edna not Andrew which

45

00:02:09,779 --> 00:02:08,409

seems to be the white elephant in the

46

00:02:14,130 --> 00:02:09,789

room if you don't mind

47

00:02:15,750 --> 00:02:14,140

in perusing the forum David's absence is

48

00:02:18,809 --> 00:02:15,760

gaining a lot of traction there's a lot

49

00:02:21,899 --> 00:02:18,819

of conversation going on me being the

50

00:02:24,449 --> 00:02:21,909

first guest posts in what I hope is this

51
00:02:26,820 --> 00:02:24,459
very short sabbatical I just thought I'd

52
00:02:28,410 --> 00:02:26,830
like to put my two cents in in fact I

53
00:02:30,930 --> 00:02:28,420
was going to post this but I just I'll

54
00:02:34,690 --> 00:02:30,940
just as soon say it on the air to our

55
00:02:37,650 --> 00:02:34,700
listeners and forum members I don't say

56
00:02:40,420 --> 00:02:37,660
David be Edney as your co-host and

57
00:02:43,930 --> 00:02:40,430
YouTube giving birth to the para cast

58
00:02:46,330 --> 00:02:43,940
can be replaced there will not be a

59
00:02:49,089 --> 00:02:46,340
replacement for david bienick in my eyes

60
00:02:52,360 --> 00:02:49,099
and it's certainly not be would be by me

61
00:02:54,220 --> 00:02:52,370
I think there's a little confusion out

62
00:02:57,130 --> 00:02:54,230
there as some of the verb and just well

63
00:02:58,900 --> 00:02:57,140

who will replace David hopefully again

64

00:03:00,309 --> 00:02:58,910

this is a short sabbatical I just don't

65

00:03:02,440 --> 00:03:00,319

think he can be replaced

66

00:03:04,990 --> 00:03:02,450

I think somebody can be another co-host

67

00:03:08,500 --> 00:03:05,000

but you're not going to replace David

68

00:03:10,660 --> 00:03:08,510

BNT you guys are like hand and glove in

69

00:03:13,270 --> 00:03:10,670

my view and as I've told you off the air

70

00:03:14,890 --> 00:03:13,280

it's a perfect match and there just

71

00:03:18,130 --> 00:03:14,900

won't be a replacement quite frankly

72

00:03:21,039 --> 00:03:18,140

David does a really good job you two as

73

00:03:24,699 --> 00:03:21,049

a team are perfect the airwaves the

74

00:03:26,589 --> 00:03:24,709

internet the podcast fear needs both of

75

00:03:28,780 --> 00:03:26,599

you as a team and David I hope you're

76

00:03:31,569 --> 00:03:28,790

listening to this you really need to be

77

00:03:34,270 --> 00:03:31,579

here and again my final word there there

78

00:03:36,729 --> 00:03:34,280

is no replacement there will be future

79

00:03:38,830 --> 00:03:36,739

guest hosts but no replacement well you

80

00:03:40,750 --> 00:03:38,840

can also have as a say instead of a

81

00:03:42,940 --> 00:03:40,760

replacement a successor or a temporary

82

00:03:45,280 --> 00:03:42,950

successor as I think that's the point

83

00:03:47,229 --> 00:03:45,290

here now is part of the polders poll in

84

00:03:49,660 --> 00:03:47,239

the power cast forums if you go to forum

85

00:03:52,780 --> 00:03:49,670

dot the power cast calm there is a poll

86

00:03:54,610 --> 00:03:52,790

where our various members entered a

87

00:03:55,900 --> 00:03:54,620

number of names including Frank and some

88

00:03:57,789 --> 00:03:55,910

other people that you know from the show

89

00:03:59,890 --> 00:03:57,799

and the question is who should co-host

90

00:04:01,780 --> 00:03:59,900

the power cast with Jean but it's not

91

00:04:04,270 --> 00:04:01,790

the intention of saying who should

92

00:04:06,009 --> 00:04:04,280

replace david bienick that's never part

93

00:04:07,360 --> 00:04:06,019

of the discussion good anyway in there

94

00:04:08,800 --> 00:04:07,370

is no replacement it's going to be

95

00:04:11,110 --> 00:04:08,810

interesting but anyway let's move on

96

00:04:12,610 --> 00:04:11,120

okay so we've got David Andrew you

97

00:04:14,949 --> 00:04:12,620

became acquainted with him because he

98

00:04:17,830 --> 00:04:14,959

wrote an article for your publication

99

00:04:20,379 --> 00:04:17,840

but also what feeling that you have with

100

00:04:22,570 --> 00:04:20,389

regard to his claims as I said I wasn't

101
00:04:24,610 --> 00:04:22,580
nuts about it well I wasn't either and

102
00:04:26,440 --> 00:04:24,620
let me clarify my comments first I

103
00:04:27,969 --> 00:04:26,450
consider David I don't know David real

104
00:04:29,770 --> 00:04:27,979
well but I do consider him a friend he's

105
00:04:32,290 --> 00:04:29,780
a friend of the UFO Chronicles I have

106
00:04:35,560 --> 00:04:32,300
been on his wife's show I to the sky D

107
00:04:37,420 --> 00:04:35,570
Andrews a few times and I consider her

108
00:04:39,909 --> 00:04:37,430
to be a friend she's also a friend with

109
00:04:41,610 --> 00:04:39,919
the UFO Chronicles setting that aside

110
00:04:44,040 --> 00:04:41,620
for a moment and just

111
00:04:47,640 --> 00:04:44,050
being an objective listener and a

112
00:04:49,920 --> 00:04:47,650
researcher I thought he shot himself in

113
00:04:51,930 --> 00:04:49,930

the foot a little bit and perhaps a lot

114

00:04:54,540 --> 00:04:51,940

a bit and David if you're listening I

115

00:04:57,000 --> 00:04:54,550

don't mean any offence by this but it

116

00:04:58,680 --> 00:04:57,010

started out he contradicted himself a

117

00:05:00,390 --> 00:04:58,690

couple times in there and I don't know

118

00:05:02,310 --> 00:05:00,400

if he was trying to hold back

119

00:05:04,800 --> 00:05:02,320

information and he was uncomfortable

120

00:05:08,220 --> 00:05:04,810

about talking about certain things it

121

00:05:12,480 --> 00:05:08,230

seemed that way as the interview moved

122

00:05:15,840 --> 00:05:12,490

on my skepticism rose he started with a

123

00:05:18,600 --> 00:05:15,850

few incidents early on and as time went

124

00:05:21,270 --> 00:05:18,610

by an interview that changed and again

125

00:05:24,240 --> 00:05:21,280

perhaps that was because he didn't want

126
00:05:26,010 --> 00:05:24,250
to share certain details as a researcher

127
00:05:29,550 --> 00:05:26,020
and as you and I were talking off the

128
00:05:32,250 --> 00:05:29,560
air it's one thing in regards to ufology

129
00:05:35,100 --> 00:05:32,260
there there's a set of standards in in

130
00:05:37,680 --> 00:05:35,110
regards to research for UFOs in general

131
00:05:41,360 --> 00:05:37,690
but when you get into the abduction

132
00:05:45,000 --> 00:05:41,370
phenomena the rules change it gets

133
00:05:47,370 --> 00:05:45,010
murkier if I can use that term you know

134
00:05:50,520 --> 00:05:47,380
what we're dealing with ninety percent

135
00:05:53,700 --> 00:05:50,530
of time are anecdotes so as a researcher

136
00:05:55,770 --> 00:05:53,710
you you want to get some cooperation to

137
00:05:57,420 --> 00:05:55,780
those anecdotes gift an abduction

138
00:05:59,730 --> 00:05:57,430

situation was there anybody else in the

139

00:06:01,860 --> 00:05:59,740

house is there physical evidence was

140

00:06:04,260 --> 00:06:01,870

there any disturbances the way were

141

00:06:06,540 --> 00:06:04,270

there any eyewitnesses to any any

142

00:06:08,610 --> 00:06:06,550

disturbances in the house or entity did

143

00:06:11,430 --> 00:06:08,620

anybody else see anything oftentimes

144

00:06:13,530 --> 00:06:11,440

there are UFO sightings connected to

145

00:06:15,210 --> 00:06:13,540

abduction experiences you know certainly

146

00:06:18,170 --> 00:06:15,220

all those things are good and that's

147

00:06:21,420 --> 00:06:18,180

what I was looking for in David's

148

00:06:23,850 --> 00:06:21,430

interview one thing that I did find

149

00:06:26,280 --> 00:06:23,860

interesting and he didn't go into a lot

150

00:06:27,900 --> 00:06:26,290

of detail about were his family members

151
00:06:30,300 --> 00:06:27,910
and he explained why he didn't want to

152
00:06:32,400 --> 00:06:30,310
do that and that was okay with me but he

153
00:06:34,950 --> 00:06:32,410
had mentioned that other family members

154
00:06:37,290 --> 00:06:34,960
were having these experiences now as a

155
00:06:38,850 --> 00:06:37,300
researcher that gets my attention and I

156
00:06:41,040 --> 00:06:38,860
you know certainly won't know more about

157
00:06:43,200 --> 00:06:41,050
that I got a hold of him shortly after

158
00:06:45,450 --> 00:06:43,210
the interview which was recorded a few

159
00:06:47,520 --> 00:06:45,460
weeks ago and he had mentioned to me he

160
00:06:48,180 --> 00:06:47,530
he didn't feel that it was one of his

161
00:06:51,120 --> 00:06:48,190
best enter

162
00:06:54,000 --> 00:06:51,130
isn't I have to agree with it also at

163
00:06:56,520 --> 00:06:54,010

the end of the day both of you asked

164

00:06:59,370 --> 00:06:56,530

more than once you know could these be

165

00:07:01,820 --> 00:06:59,380

dreams and and he said it's certainly

166

00:07:06,480 --> 00:07:01,830

possible so I think he's staying

167

00:07:08,400 --> 00:07:06,490

open-minded to that but obviously having

168

00:07:10,290 --> 00:07:08,410

he's mentioned that he's been doing the

169

00:07:12,720 --> 00:07:10,300

research for several years now he's come

170

00:07:14,580 --> 00:07:12,730

on the show he's done interviews he

171

00:07:15,990 --> 00:07:14,590

mentioned that he was in the process

172

00:07:18,090 --> 00:07:16,000

although he's paused about writing a

173

00:07:20,400 --> 00:07:18,100

book he certainly takes this thing

174

00:07:22,620 --> 00:07:20,410

seriously and obviously he thinks it's

175

00:07:24,360 --> 00:07:22,630

more than just dreams but I couldn't

176

00:07:26,130 --> 00:07:24,370

felt I walked away from the interview

177

00:07:28,140 --> 00:07:26,140

being very skeptical well I think that

178

00:07:29,760 --> 00:07:28,150

kind of sums it up with me too I was

179

00:07:32,760 --> 00:07:29,770

looking for some kind of X Factor

180

00:07:33,870 --> 00:07:32,770

something in the case that he was

181

00:07:37,110 --> 00:07:33,880

talking about in each particular

182

00:07:40,110 --> 00:07:37,120

instance of his dreams his encounters

183

00:07:42,540 --> 00:07:40,120

shall we say with alien beings he was

184

00:07:44,220 --> 00:07:42,550

sleeping he was getting up from sleep it

185

00:07:47,190 --> 00:07:44,230

always seemed to be pretty much the same

186

00:07:48,660 --> 00:07:47,200

thing the only incident that seemed to

187

00:07:50,970 --> 00:07:48,670

be very peculiar is where they had that

188

00:07:53,640 --> 00:07:50,980

flying belt he was outfitted with his

189

00:07:55,980 --> 00:07:53,650

belt that caused him to levitate or fly

190

00:07:57,600 --> 00:07:55,990

and many tells us that his father and

191

00:08:00,659 --> 00:07:57,610

his brother had the same experience that

192

00:08:03,030 --> 00:08:00,669

was unique I thought and sadly when you

193

00:08:04,680 --> 00:08:03,040

recounted the old show from the 50s I

194

00:08:07,080 --> 00:08:04,690

was one of the ones that knew what you

195

00:08:08,730 --> 00:08:07,090

were talking about what I was talking

196

00:08:11,430 --> 00:08:08,740

about ladies and gentlemen was a serial

197

00:08:14,220 --> 00:08:11,440

from republic called king of the rocket

198

00:08:17,100 --> 00:08:14,230

men and they basically was a leather

199

00:08:19,050 --> 00:08:17,110

suit with a helmet and a belt the belt

200

00:08:21,360 --> 00:08:19,060

was the control panel it was basically

201

00:08:23,730 --> 00:08:21,370

just a rocket suit it was fitted with

202

00:08:25,890 --> 00:08:23,740

rockets this day and age the closest

203

00:08:28,380 --> 00:08:25,900

equivalent of course is that James Bond

204

00:08:30,510 --> 00:08:28,390

movie Thunder ball was it where he flew

205

00:08:33,750 --> 00:08:30,520

the rocket suit the opening scene yes

206

00:08:36,570 --> 00:08:33,760

yeah okay anyway they also to be really

207

00:08:38,909 --> 00:08:36,580

really get into trivia they also made a

208

00:08:41,430 --> 00:08:38,919

series of movies featuring a character

209

00:08:45,030 --> 00:08:41,440

called commando Cody and the Lost Planet

210

00:08:47,400 --> 00:08:45,040

Airmen and they used that rocket suit

211

00:08:48,900 --> 00:08:47,410

they were able to take the same special

212

00:08:51,540 --> 00:08:48,910

effects the flying scenes which were

213

00:08:54,540 --> 00:08:51,550

basically patterned after what Republic

214

00:08:56,910 --> 00:08:54,550

did for Captain Marvel in 1941 end of

215

00:09:00,240 --> 00:08:56,920

the story no more of that then that was

216

00:09:02,040 --> 00:09:00,250

our listeners trip down memory lane it

217

00:09:05,129 --> 00:09:02,050

makes us feel very old yes

218

00:09:07,679 --> 00:09:05,139

thus I you know that it was intriguing

219

00:09:11,280 --> 00:09:07,689

that there was some commonality between

220

00:09:14,850 --> 00:09:11,290

the family members the question I had as

221

00:09:18,119 --> 00:09:14,860

the interview went on was how did he

222

00:09:19,859 --> 00:09:18,129

find out about that was you know how did

223

00:09:23,400 --> 00:09:19,869

they all become cognizant that they each

224

00:09:26,429 --> 00:09:23,410

had this experience and of course the

225

00:09:29,369 --> 00:09:26,439

you know individual experiences lend

226

00:09:32,639 --> 00:09:29,379

credence to the phenomenon he did

227

00:09:35,489 --> 00:09:32,649

mention his father's bonafide ease in

228

00:09:40,280 --> 00:09:35,499

the interview which which helped I'm you

229

00:09:45,359 --> 00:09:40,290

know he's he's not the park bum you know

230

00:09:47,819 --> 00:09:45,369

X might be town USA so that lens tends

231

00:09:49,079 --> 00:09:47,829

to lend credence to the story but again

232

00:09:52,530 --> 00:09:49,089

we're dealing with you know with

233

00:09:55,139 --> 00:09:52,540

anecdotes and as a researcher you try to

234

00:09:57,479 --> 00:09:55,149

find something more and and this is not

235

00:09:59,759 --> 00:09:57,489

to say that David Andrews experiences

236

00:10:02,069 --> 00:09:59,769

aren't real I just think it did bears

237

00:10:03,509 --> 00:10:02,079

out further research and I don't in it I

238

00:10:06,119 --> 00:10:03,519

just got the feeling that he was holding

239

00:10:09,150 --> 00:10:06,129

things back and I haven't spoken to him

240

00:10:12,119 --> 00:10:09,160

about this privately yet but I'd like to

241

00:10:15,059 --> 00:10:12,129

and and I thought it you know and he

242

00:10:16,919 --> 00:10:15,069

didn't he as he pointed out he wasn't

243

00:10:18,210 --> 00:10:16,929

trying to sell something you know he's

244

00:10:20,340 --> 00:10:18,220

not they're trying to jam this down

245

00:10:23,519 --> 00:10:20,350

everybody's throat he's putting it out

246

00:10:24,869 --> 00:10:23,529

there and he wants well in regards to

247

00:10:26,789 --> 00:10:24,879

the interview you you know let the

248

00:10:30,509 --> 00:10:26,799

listener make up their own mind and I

249

00:10:33,179 --> 00:10:30,519

appreciated that part of it but I I was

250

00:10:33,780 --> 00:10:33,189

a little I had my skeptical hackles up

251

00:10:36,480 --> 00:10:33,790

so to speak

252

00:10:39,090 --> 00:10:36,490

indeed evidently did well I'm too bad

253

00:10:41,009 --> 00:10:39,100

and unfortunately the story didn't end

254

00:10:42,449 --> 00:10:41,019

up being maybe as credible as we hoped

255

00:10:44,039 --> 00:10:42,459

it would be but there you go maybe

256

00:10:45,780 --> 00:10:44,049

you'll have more information maybe there

257

00:10:48,239 --> 00:10:45,790

will be a reason to bring David Andrew

258

00:10:50,189 --> 00:10:48,249

back on the show to further explain what

259

00:10:52,109 --> 00:10:50,199

happened to him and give a little better

260

00:10:53,789 --> 00:10:52,119

presentation certainly you know we all

261

00:10:55,919 --> 00:10:53,799

do banned interviews we do bad shows

262

00:10:57,780 --> 00:10:55,929

maybe that was it maybe he was just

263

00:11:00,119 --> 00:10:57,790

nervous I don't know I don't pretend to

264

00:11:02,400 --> 00:11:00,129

know let's see what our listeners think

know what's going to happen next Jim

316

00:13:29,490 --> 00:13:26,920

Marrs before you came on the para cast

317

00:13:32,790 --> 00:13:29,500

Frank and I referred to you as the

318

00:13:35,670 --> 00:13:32,800

conspiracy theory czar now do you feel

319

00:13:37,019 --> 00:13:35,680

pleased with that or insulted well you

320

00:13:38,850 --> 00:13:37,029

have to understand that the word

321

00:13:41,009 --> 00:13:38,860

conspiracy comes from the Latin can

322

00:13:45,900 --> 00:13:41,019

spear I which simply means to breathe

323

00:13:49,560 --> 00:13:45,910

together to Britt act in concert and all

324

00:13:51,750 --> 00:13:49,570

conspiracies are not bad if you plan a

325

00:13:54,569 --> 00:13:51,760

surprise birthday party for your boss

326

00:13:58,920 --> 00:13:54,579

that's a conspiracy it's not a bad

327

00:14:01,790 --> 00:13:58,930

conspiracy in fact my motto is if it's

328

00:14:03,750 --> 00:14:01,800

not an act of God it's a conspiracy

329

00:14:06,630 --> 00:14:03,760

because yes

330

00:14:09,060 --> 00:14:06,640

accidents happen planes crash ship sink

331

00:14:11,220 --> 00:14:09,070

but if it's not just an act of God

332

00:14:13,470 --> 00:14:11,230

accident then somebody planned it that

333

00:14:16,019 --> 00:14:13,480

way well you know the thing is about all

334

00:14:17,759 --> 00:14:16,029

this is the fact that it isn't any two

335

00:14:19,620 --> 00:14:17,769

people getting together and deciding a

336

00:14:21,630 --> 00:14:19,630

plan of action the conspiracy of some

337

00:14:24,810 --> 00:14:21,640

sort exactly and it doesn't necessarily

338

00:14:27,540 --> 00:14:24,820

means bad the problem is is that the

339

00:14:31,050 --> 00:14:27,550

corporate mass media over the past

340

00:14:33,590 --> 00:14:31,060

several decades have put a very negative

341

00:14:37,470 --> 00:14:33,600

connotation on the word conspiracy and

342

00:14:39,720 --> 00:14:37,480

it's like an Erica stir she must be bad

343

00:14:42,780 --> 00:14:39,730

and of course that it's been

344

00:14:45,300 --> 00:14:42,790

rehabilitated somewhat since 9/11 which

345

00:14:46,920 --> 00:14:45,310

is kind of ironic we have won a few good

346

00:14:49,200 --> 00:14:46,930

things come in model evidence you

347

00:14:51,810 --> 00:14:49,210

actually talk about conspiracy now and

348

00:14:53,880 --> 00:14:51,820

and everybody doesn't just run out of

349

00:14:55,650 --> 00:14:53,890

the room and say you're a net and let me

350

00:14:58,650 --> 00:14:55,660

add this to you because usually it's not

351

00:15:03,540 --> 00:14:58,660

just conspiracy I've been accused of

352

00:15:06,480 --> 00:15:03,550

being a conspiracy theorist okay now my

353

00:15:11,250 --> 00:15:06,490

response is if you can prove something

354

00:15:13,020 --> 00:15:11,260

it's not a theory right well that's the

355

00:15:15,270 --> 00:15:13,030

point we're going to see what is there

356

00:15:17,490 --> 00:15:15,280

that we can prove but before we even get

357

00:15:19,920 --> 00:15:17,500

into that you started out in the working

358

00:15:21,840 --> 00:15:19,930

world pretty much as a mainstream news

359

00:15:24,420 --> 00:15:21,850

reporter correct somewhere along the

360

00:15:26,310 --> 00:15:24,430

line you know you said I'm going to be a

361

00:15:28,890 --> 00:15:26,320

freelance writer and I'm going to

362

00:15:31,560 --> 00:15:28,900

concentrate on conspiracies how and why

363

00:15:34,650 --> 00:15:31,570

did this happen well number one I still

364

00:15:37,560 --> 00:15:34,660

consider myself a down-the-line

365

00:15:39,450 --> 00:15:37,570

journalist okay I'm still a member of

366

00:15:41,250 --> 00:15:39,460

the Society of Professional Journalists

367

00:15:43,500 --> 00:15:41,260

which I have been since the sixth piece

368

00:15:46,500 --> 00:15:43,510

I'm a member of the investigative

369

00:15:50,040 --> 00:15:46,510

editors and reporters and the only

370

00:15:52,050 --> 00:15:50,050

reason that I deal with what a lot of

371

00:15:54,800 --> 00:15:52,060

people would consider conspiracies in

372

00:15:57,740 --> 00:15:54,810

some cases they are conspiracies is

373

00:16:01,350 --> 00:15:57,750

because the corporate mainstream media

374

00:16:03,870 --> 00:16:01,360

have been bought up consolidated to the

375

00:16:07,890 --> 00:16:03,880

point to where they just don't want to

376

00:16:10,740 --> 00:16:07,900

deal with conspiracy so as a dedicated

377

00:16:14,070 --> 00:16:10,750

and committed journalist I've just kind

378

00:16:16,740 --> 00:16:14,080

of been left with the news that the news

379

00:16:18,570 --> 00:16:16,750

won't report okay that brings us to one

380

00:16:22,800 --> 00:16:18,580

point before Frank asks this question

381

00:16:26,220 --> 00:16:22,810

there is a theory also voiced by some

382

00:16:29,490 --> 00:16:26,230

members of the television media cable TV

383

00:16:32,580 --> 00:16:29,500

that the media is oriented towards the

384

00:16:35,040 --> 00:16:32,590

liberal political persuasion I maintain

385

00:16:37,080 --> 00:16:35,050

that's a corporate media not necessarily

386

00:16:39,510 --> 00:16:37,090

liberal or conservative

387

00:16:41,670 --> 00:16:39,520

yes exactly you're right on top of it

388

00:16:44,880 --> 00:16:41,680

let me put it this way the so-called

389

00:16:47,940 --> 00:16:44,890

liberal media is only as liberal as

390

00:16:49,910 --> 00:16:47,950

their conservative corporate bosses

391

00:16:52,190 --> 00:16:49,920

allow them to

392

00:16:54,800 --> 00:16:52,200

and what I mean by that is is that yes

393

00:16:58,190 --> 00:16:54,810

you see a lot of liberal issues passed

394

00:17:00,699 --> 00:16:58,200

around in the mainstream mass media such

395

00:17:04,939 --> 00:17:00,709

as oval they'll go back and forth on

396

00:17:07,850 --> 00:17:04,949

abortion or same-sex marriage or you

397

00:17:10,340 --> 00:17:07,860

know down to yadda yadda but when do you

398

00:17:13,730 --> 00:17:10,350

see stories that go in-depth about

399

00:17:15,919 --> 00:17:13,740

corporate malfeasance very seldom

400

00:17:17,689 --> 00:17:15,929

another thing I worry about also is that

401
00:17:21,020 --> 00:17:17,699
we're really just dealing with fringe

402
00:17:23,720 --> 00:17:21,030
issues my employment situation or my

403
00:17:25,189 --> 00:17:23,730
financial situation does not depend on

404
00:17:28,159 --> 00:17:25,199
gays in the military

405
00:17:30,200 --> 00:17:28,169
it does not depend on whether we allow

406
00:17:31,909 --> 00:17:30,210
abortions or not and I understand people

407
00:17:34,130 --> 00:17:31,919
are allowed to have their opinions and

408
00:17:36,049 --> 00:17:34,140
we should respect their opinions but

409
00:17:38,299 --> 00:17:36,059
these are all fringe issues that have

410
00:17:42,280 --> 00:17:38,309
nothing to do with anything exactly in

411
00:17:45,470 --> 00:17:42,290
furthermore let me let me compare the

412
00:17:49,100 --> 00:17:45,480
controversy proceeds controversy say

413
00:17:52,220 --> 00:17:49,110

over the JFK assassination as compared

414

00:17:56,299 --> 00:17:52,230

to the controversy over abortion okay

415

00:17:59,570 --> 00:17:56,309

the JFK assassination controversy is not

416

00:18:01,520 --> 00:17:59,580

truly a controversy it only appears to

417

00:18:06,380 --> 00:18:01,530

be a controversy because of the wide

418

00:18:08,990 --> 00:18:06,390

gulf between the official story which a

419

00:18:11,600 --> 00:18:09,000

lot of people still just accept from

420

00:18:15,530 --> 00:18:11,610

blind faith as opposed to those who've

421

00:18:18,440 --> 00:18:15,540

actually studied the case now abortion

422

00:18:21,220 --> 00:18:18,450

is a true controversy in that there are

423

00:18:24,320 --> 00:18:21,230

equal numbers of thoughtful caring

424

00:18:27,799 --> 00:18:24,330

educated people on both sides who simply

425

00:18:30,260 --> 00:18:27,809

cannot agree on what the facts mean and

426

00:18:32,720 --> 00:18:30,270

what the interpretation should be now

427

00:18:36,350 --> 00:18:32,730

right then though that shouldn't be any

428

00:18:38,270 --> 00:18:36,360

problem you know in a free society no

429

00:18:41,210 --> 00:18:38,280

one should be forced to have an abortion

430

00:18:43,610 --> 00:18:41,220

no one should be forced not to have an

431

00:18:46,520 --> 00:18:43,620

abortion it should be a privately held

432

00:18:49,580 --> 00:18:46,530

matter between the patient and and their

433

00:18:50,120 --> 00:18:49,590

doctor okay and their family it's called

434

00:18:52,880 --> 00:18:50,130

freedom

435

00:18:55,280 --> 00:18:52,890

oh what a concept alright let's actually

436

00:18:56,840 --> 00:18:55,290

look at the various conspiracy theories

437

00:18:58,610 --> 00:18:56,850

and see where they basically have

438

00:19:01,340 --> 00:18:58,620

traction obviously the classic one is

439

00:19:02,790 --> 00:19:01,350

the JFK assassination and I should tell

440

00:19:05,160 --> 00:19:02,800

you I got started

441

00:19:07,710 --> 00:19:05,170

being interested in that back in the

442

00:19:10,140 --> 00:19:07,720

late 1960s when I would attend lectures

443

00:19:13,050 --> 00:19:10,150

by a former New York State Assemblyman

444

00:19:15,690 --> 00:19:13,060

by the name of Mark Lane wrote a book

445

00:19:17,970 --> 00:19:15,700

called rush to judgment mm-hmm but he

446

00:19:20,940 --> 00:19:17,980

was the guy who pointed out the rifle

447

00:19:23,250 --> 00:19:20,950

couldn't possibly have killed Kennedy or

448

00:19:25,680 --> 00:19:23,260

fired that many shots as quickly and as

449

00:19:27,720 --> 00:19:25,690

accurately all that stuff but just

450

00:19:30,990 --> 00:19:27,730

basically looking from A to Z or

451

00:19:34,440 --> 00:19:31,000

whatever what are the key issues that

452

00:19:36,930 --> 00:19:34,450

make one skeptical of Lee Harvey Oswald

453

00:19:40,260 --> 00:19:36,940

being the assassin well there's a number

454

00:19:43,350 --> 00:19:40,270

first off and I was onto this very early

455

00:19:44,790 --> 00:19:43,360

on in fact that weekend because they

456

00:19:46,800 --> 00:19:44,800

were interviewing witnesses indeed

457

00:19:48,300 --> 00:19:46,810

applause and since then I myself have

458

00:19:50,100 --> 00:19:48,310

him you need perhaps as many as a

459

00:19:52,230 --> 00:19:50,110

hundred people who were in Dealey Plaza

460

00:19:54,090 --> 00:19:52,240

and that's including the former House

461

00:19:56,820 --> 00:19:54,100

Speaker Jim Wright who was riding in the

462

00:19:58,590 --> 00:19:56,830

motorcade just a few cars behind the

463

00:20:01,350 --> 00:19:58,600

Kennedy limousine and they all said

464

00:20:03,930 --> 00:20:01,360

there was one shot a pause two shots

465

00:20:07,620 --> 00:20:03,940

like bang bang right on top of each

466

00:20:09,900 --> 00:20:07,630

other now back then even having grown up

467

00:20:11,970 --> 00:20:09,910

in Texas and been deer hunting and was

468

00:20:13,770 --> 00:20:11,980

quite familiar with bolt-action rifles I

469

00:20:16,170 --> 00:20:13,780

knew right then you do not get a bang

470

00:20:18,480 --> 00:20:16,180

bang with a bolt-action rifle and sure

471

00:20:20,880 --> 00:20:18,490

enough right in the Warren Report the

472

00:20:23,490 --> 00:20:20,890

FBI had testified that it takes two

473

00:20:25,560 --> 00:20:23,500

seconds just to two bulls and pull

474

00:20:27,270 --> 00:20:25,570

the trigger on a bolt-action rifle so

475

00:20:32,790 --> 00:20:27,280

the best you get with a bolt-action

476

00:20:34,440 --> 00:20:32,800

rifle is bang bang bang that's it okay

477

00:20:36,930 --> 00:20:34,450

so right there there's just prime facie

478

00:20:38,550 --> 00:20:36,940

evidence that one person with a

479

00:20:42,660 --> 00:20:38,560

bolt-action rifle didn't do the Sheep

480

00:20:45,360 --> 00:20:42,670

all right the other thing is Oswald was

481

00:20:47,220 --> 00:20:45,370

recorded as telling the authorities no

482

00:20:50,070 --> 00:20:47,230

sir I didn't shoot anyone I'm just a

483

00:20:52,260 --> 00:20:50,080

patsy which is extremely interesting

484

00:20:55,380 --> 00:20:52,270

because he didn't say I'm innocent I

485

00:20:58,500 --> 00:20:55,390

didn't do it he said I'm a patsy which

486

00:21:01,140 --> 00:20:58,510

implies that he was set up to take the

487

00:21:03,150 --> 00:21:01,150

blame and yet the Warren Commission a

488

00:21:05,220 --> 00:21:03,160

select committee on assassinations nine

489

00:21:09,120 --> 00:21:05,230

of the subsequent official

490

00:21:11,520 --> 00:21:09,130

investigations even considered or could

491

00:21:12,509 --> 00:21:11,530

he have been set up and yes he could

492

00:21:14,009 --> 00:21:12,519

have there's an abundance

493

00:21:17,430 --> 00:21:14,019

of evidence not the least of which is

494

00:21:19,649 --> 00:21:17,440

the fact that Oswald was seen and by

495

00:21:22,379 --> 00:21:19,659

several different people in seven

496

00:21:25,139 --> 00:21:22,389

different times in places at the same

497

00:21:27,449 --> 00:21:25,149

time we see be in two places at the same

498

00:21:29,849 --> 00:21:27,459

time didn't the congressional committee

499

00:21:32,190 --> 00:21:29,859

in 74 come to the conclusion that it was

500

00:21:34,409 --> 00:21:32,200

in fact a conspiracy that's true in fact

501
00:21:37,589 --> 00:21:34,419
most people thanks to the corporate mass

502
00:21:40,619 --> 00:21:37,599
media failed to remember to know that

503
00:21:42,359 --> 00:21:40,629
the last official version of the Kennedy

504
00:21:44,039 --> 00:21:42,369
assassination by the United States

505
00:21:46,109 --> 00:21:44,049
government was the house like Committee

506
00:21:49,039 --> 00:21:46,119
on assassinations and they concluded

507
00:21:52,739 --> 00:21:49,049
based on two separate sets of acoustical

508
00:21:55,019 --> 00:21:52,749
scientific information that there was at

509
00:21:55,469 --> 00:21:55,029
least two shooters one from the grassy

510
00:21:57,749 --> 00:21:55,479
knoll

511
00:22:00,180 --> 00:21:57,759
and that there was probably conspiracy

512
00:22:02,549 --> 00:22:00,190
then to kill Kennedy they said we're out

513
00:22:05,310 --> 00:22:02,559

of time and money and they asked and

514

00:22:07,589 --> 00:22:05,320

herds the Justice Department to continue

515

00:22:10,469 --> 00:22:07,599

their investigation into this conspiracy

516

00:22:13,199 --> 00:22:10,479

but of course that never happened in

517

00:22:15,749 --> 00:22:13,209

fact all the Justice Department did was

518

00:22:17,519 --> 00:22:15,759

convene a hand-picked panel of people

519

00:22:20,069 --> 00:22:17,529

for the from the National Academy of

520

00:22:22,739 --> 00:22:20,079

Sciences to try to call their acoustical

521

00:22:24,449 --> 00:22:22,749

studies into question and that made big

522

00:22:27,269 --> 00:22:24,459

headlines and there's people today to

523

00:22:28,799 --> 00:22:27,279

think well yeah they had this mystical

524

00:22:31,079 --> 00:22:28,809

evidence but that's been calling the

525

00:22:33,930 --> 00:22:31,089

question what was never given proper

526

00:22:37,169 --> 00:22:33,940

media play was a few years later when a

527

00:22:39,149 --> 00:22:37,179

peer-reviewed paper scientific paper in

528

00:22:41,669 --> 00:22:39,159

Neyland call the National Academy of

529

00:22:43,919 --> 00:22:41,679

Sciences panel into question saying that

530

00:22:45,749 --> 00:22:43,929

their methodology was flawed and of

531

00:22:48,209 --> 00:22:45,759

course you never get to hear that so

532

00:22:50,729 --> 00:22:48,219

again it's just more controversy and

533

00:22:53,819 --> 00:22:50,739

fact let me just say that the cover-up

534

00:22:56,609 --> 00:22:53,829

in the Kennedy assassination has never

535

00:22:58,889 --> 00:22:56,619

been in the form of a proper cover-up in

536

00:23:01,319 --> 00:22:58,899

that the facts and the truth were not

537

00:23:03,869 --> 00:23:01,329

known the cover-up has been the form of

538

00:23:07,259 --> 00:23:03,879

obfuscation they have confused the issue

539

00:23:09,569 --> 00:23:07,269

they bring one hired expert to counter

540

00:23:11,399 --> 00:23:09,579

another hired expert they've got one

541

00:23:14,129 --> 00:23:11,409

person who's given all kinds of

542

00:23:16,949 --> 00:23:14,139

publicity on some book that turns out to

543

00:23:19,379 --> 00:23:16,959

be totally flawed and it just creates

544

00:23:21,989 --> 00:23:19,389

controversy until the average person

545

00:23:24,539 --> 00:23:21,999

goes man I just want to hear about this

546

00:23:25,820 --> 00:23:24,549

anymore it makes my brain hurt you know

547

00:23:28,070 --> 00:23:25,830

what before we hurt our brain

548

00:23:30,259 --> 00:23:28,080

so let's look at what we know if

549

00:23:33,529 --> 00:23:30,269

anything about this sort of conspiracy

550

00:23:36,710 --> 00:23:33,539

so maybe you can tell us what do we know

551
00:23:38,690 --> 00:23:36,720
and by the way was Fred Lee Chrisman one

552
00:23:40,730 --> 00:23:38,700
of the figures in the Maury island UFO

553
00:23:44,330 --> 00:23:40,740
case one of those hobos

554
00:23:47,419 --> 00:23:44,340
uh no plaza oh he was not not Michael

555
00:23:49,549 --> 00:23:47,429
yeah I don't believe so no but I tell

556
00:23:52,549 --> 00:23:49,559
you one of the tall the tallest I

557
00:23:56,240 --> 00:23:52,559
do believe and feel pretty convinced of

558
00:23:58,759 --> 00:23:56,250
was Charles Harrelson a convicted Texas

559
00:24:01,940 --> 00:23:58,769
hit man and the father by the way of

560
00:24:03,649 --> 00:24:01,950
Woody Harrelson the actor and how do I

561
00:24:04,399 --> 00:24:03,659
come to believe this what leads you to

562
00:24:07,070 --> 00:24:04,409
that conclusion

563
00:24:09,590 --> 00:24:07,080

well because number one when he was

564

00:24:10,279 --> 00:24:09,600

arrested out vanil in Texas he was high

565

00:24:12,950 --> 00:24:10,289

on drugs

566

00:24:14,990 --> 00:24:12,960

it sounds like an Aggie story but he

567

00:24:16,340 --> 00:24:15,000

held a pistol to his head his own head

568

00:24:20,330 --> 00:24:16,350

and said you know don't move or I'll

569

00:24:24,379 --> 00:24:20,340

shoot he kept the law enforcement guys

570

00:24:26,810 --> 00:24:24,389

at bay for several hours as I recall and

571

00:24:29,779 --> 00:24:26,820

during that time he was ranting and

572

00:24:32,269 --> 00:24:29,789

raving and he said he said I'll clear up

573

00:24:34,340 --> 00:24:32,279

the judge would murder which is what he

574

00:24:35,930 --> 00:24:34,350

finally was convicted of and he said

575

00:24:38,180 --> 00:24:35,940

I'll also clear up the Kennedy

576

00:24:40,970 --> 00:24:38,190

assassination while Harrelson was in

577

00:24:43,519 --> 00:24:40,980

jail in Dallas he told a Dallas news

578

00:24:45,320 --> 00:24:43,529

reporter he said the bug in my cell I

579

00:24:46,669 --> 00:24:45,330

can't really talk right now he said boss

580

00:24:48,649 --> 00:24:46,679

I get out of here I'll give you the

581

00:24:50,659 --> 00:24:48,659

biggest story you've ever had and he

582

00:24:54,919 --> 00:24:50,669

said I won't say what it is but it

583

00:24:58,250 --> 00:24:54,929

concerns November the 22nd 1963 so in my

584

00:25:01,460 --> 00:24:58,260

mind he virtually confessed it having a

585

00:25:04,100 --> 00:25:01,470

role in the assassination plus the photo

586

00:25:06,680 --> 00:25:04,110

analysis of the tall based on

587

00:25:08,930 --> 00:25:06,690

where he confessed to his involvement I

588

00:25:11,240 --> 00:25:08,940

say I think he virtually confessed

589

00:25:13,039 --> 00:25:11,250

because he he said he would clear up the

590

00:25:14,840 --> 00:25:13,049

Kennedy assassination when he was

591

00:25:16,460 --> 00:25:14,850

arrested and then later told the Dallas

592

00:25:18,230 --> 00:25:16,470

news reporter he said I get when i get

593

00:25:22,879 --> 00:25:18,240

out here i viewed biggest story you ever

594

00:25:24,980 --> 00:25:22,889

had November 22nd 1963 sounds pretty

595

00:25:26,930 --> 00:25:24,990

close to a confession to make then he at

596

00:25:28,669 --> 00:25:26,940

least played some role in that and at

597

00:25:30,710 --> 00:25:28,679

least I'd be saying that just to get out

598

00:25:33,320 --> 00:25:30,720

of prison earlier get a story that's

599

00:25:36,080 --> 00:25:33,330

true but then there's also the photo

600

00:25:38,450 --> 00:25:36,090

analysis of the tall and based on

601
00:25:39,260 --> 00:25:38,460
very distinctive ear and a wrinkle

602
00:25:41,990 --> 00:25:39,270
around this now

603
00:25:44,000 --> 00:25:42,000
I can hairline and facial features and

604
00:25:48,070 --> 00:25:44,010
everything else I'm convinced as Charles

605
00:25:55,860 --> 00:25:53,510
[Music]

606
00:25:58,170 --> 00:25:55,870
picture this you're on the phone with a

607
00:26:01,100 --> 00:25:58,180
client or colleague trying to explain

608
00:26:03,540 --> 00:26:01,110
something visual a PowerPoint keynote

609
00:26:06,180 --> 00:26:03,550
presentation a website but it's

610
00:26:08,220 --> 00:26:06,190
frustrating because they can't see what

611
00:26:10,920 --> 00:26:08,230
you're talking about the solution good

612
00:26:14,490 --> 00:26:10,930
news they can if you invite them to an

613
00:26:16,830 --> 00:26:14,500

online meeting using GoToMeeting then

614

00:26:19,380 --> 00:26:16,840

they can see your computer desktop on

615

00:26:21,030 --> 00:26:19,390

their computer screen so you can show

616

00:26:22,680 --> 00:26:21,040

them what you're talking about

617

00:26:24,360 --> 00:26:22,690

I use goto meeting all the time to

618

00:26:26,970 --> 00:26:24,370

collaborate with colleagues and with

619

00:26:30,390 --> 00:26:26,980

clients you can try goto meeting free

620

00:26:33,540 --> 00:26:30,400

for 30 days but you must visit goto

621

00:26:37,200 --> 00:26:33,550

meeting / podcasts let's go to

622

00:26:42,840 --> 00:26:37,210

meeting.com slash podcasts for free

623

00:26:44,850 --> 00:26:42,850

30-day trial I just spun options and

624

00:26:48,150 --> 00:26:44,860

you're listening to the podcast with Jim

625

00:26:50,790 --> 00:26:48,160

Steinberg they get me and I completely

626
00:26:52,860 --> 00:26:50,800
I'm Susie ethically endorse the program

627
00:26:55,250 --> 00:26:52,870
it's an absolutely great program with

628
00:26:57,030 --> 00:26:55,260
opportunities to stretch out and talk

629
00:26:59,190 --> 00:26:57,040
okay we have Jim Marrs

630
00:27:01,350 --> 00:26:59,200
and we're talking conspiracies he is the

631
00:27:02,760 --> 00:27:01,360
Czar of conspiracy theories he's been

632
00:27:04,770 --> 00:27:02,770
given that title we're going to send in

633
00:27:07,260 --> 00:27:04,780
the plaque by the way and he's going to

634
00:27:10,310 --> 00:27:07,270
reject it okay so if Charles Harrelson

635
00:27:12,750 --> 00:27:10,320
was the killer where did Cosmo fit in

636
00:27:14,880 --> 00:27:12,760
exactly where he said he was he says I

637
00:27:17,820 --> 00:27:14,890
didn't see anyone I'm just Patsy and by

638
00:27:20,430 --> 00:27:17,830

the way that statement was recorded on

639

00:27:22,560 --> 00:27:20,440

sound and film and in later years as the

640

00:27:25,260 --> 00:27:22,570

technology became available it was

641

00:27:27,570 --> 00:27:25,270

subjected to voice stress analysis which

642

00:27:29,400 --> 00:27:27,580

showed there was no stress in his voice

643

00:27:32,460 --> 00:27:29,410

which means he was telling the truth and

644

00:27:35,520 --> 00:27:32,470

by the way another piece of evidence

645

00:27:37,950 --> 00:27:35,530

that strong to me shows he was innocent

646

00:27:40,050 --> 00:27:37,960

is that when the Dallas police Tara gate

647

00:27:41,730 --> 00:27:40,060

him before he was killed and based on

648

00:27:43,320 --> 00:27:41,740

the Dallas police station they asked him

649

00:27:44,790 --> 00:27:43,330

where he was at the time of shooting he

650

00:27:47,010 --> 00:27:44,800

said he had been in the downstairs

651
00:27:48,480 --> 00:27:47,020
lunchroom they asked him if there's

652
00:27:50,250 --> 00:27:48,490
anybody else in there with him and he

653
00:27:53,370 --> 00:27:50,260
said the other was these two colored

654
00:27:54,960 --> 00:27:53,380
boys and that worked at the depository

655
00:27:56,880 --> 00:27:54,970
he said one of them short I think his

656
00:27:58,710 --> 00:27:56,890
name is jr. and the other one I don't

657
00:28:02,220 --> 00:27:58,720
know his name but he's kind of tall and

658
00:28:04,240 --> 00:28:02,230
lanky well jr. Jarman and bonny Ray

659
00:28:06,370 --> 00:28:04,250
Williams had indeed were

660
00:28:08,770 --> 00:28:06,380
black employees of these tech school

661
00:28:10,480 --> 00:28:08,780
book depository and had indeed been

662
00:28:13,420 --> 00:28:10,490
eating their lunch in the downstairs

663
00:28:15,970 --> 00:28:13,430

lunchroom now my question would be how

664

00:28:17,770 --> 00:28:15,980

could Oswald had possibly known that and

665

00:28:19,630 --> 00:28:17,780

how could he have accurately described

666

00:28:22,480 --> 00:28:19,640

them unless he had been there to see

667

00:28:24,370 --> 00:28:22,490

them did they see him possibly but you

668

00:28:27,430 --> 00:28:24,380

have to understand the tenure of the

669

00:28:29,320 --> 00:28:27,440

times a black man in Dallas in 1963

670

00:28:31,780 --> 00:28:29,330

which was still having the white and

671

00:28:34,270 --> 00:28:31,790

colored restrooms and the wine colored

672

00:28:36,310 --> 00:28:34,280

drinking fountains did not tell law

673

00:28:38,680 --> 00:28:36,320

enforcement anything other than what

674

00:28:40,510 --> 00:28:38,690

they wanted to hear and yet it's

675

00:28:42,520 --> 00:28:40,520

interesting so of course they never

676

00:28:44,470 --> 00:28:42,530

asked them was the end there and they

677

00:28:46,630 --> 00:28:44,480

never pressed that because that was not

678

00:28:49,360 --> 00:28:46,640

the agenda but it's interesting that

679

00:28:52,060 --> 00:28:49,370

during his testimony I believe it was

680

00:28:55,330 --> 00:28:52,070

jr. Jarmon when they mentioned that they

681

00:28:58,390 --> 00:28:55,340

had found Oswald's jacket and clipboard

682

00:29:00,430 --> 00:28:58,400

in the downstairs lunch room he blurted

683

00:29:02,410 --> 00:29:00,440

out and said oh yeah over there where

684

00:29:04,210 --> 00:29:02,420

he's eating lunch well how would he have

685

00:29:06,360 --> 00:29:04,220

known that unless he'd been there to see

686

00:29:09,340 --> 00:29:06,370

him down there eating lunch well I think

687

00:29:10,900 --> 00:29:09,350

it comes back to the Carcano rifle and

688

00:29:13,420 --> 00:29:10,910

it is the bolt-action Carcano rifle

689

00:29:15,550 --> 00:29:13,430

let's take the president out of it for a

690

00:29:17,140 --> 00:29:15,560

moment you have a movie not a static

691

00:29:20,590 --> 00:29:17,150

target but yet you have a moving target

692

00:29:23,410 --> 00:29:20,600

out that window I don't recall the

693

00:29:25,600 --> 00:29:23,420

distance but I know he'll and laterally

694

00:29:28,000 --> 00:29:25,610

away from me with a tree intervening in

695

00:29:31,270 --> 00:29:28,010

the satellite aside you can't make that

696

00:29:34,060 --> 00:29:31,280

shot if it's just a dummy going down

697

00:29:36,850 --> 00:29:34,070

there in the time frame alleged it's

698

00:29:38,950 --> 00:29:36,860

less an assassination of the president

699

00:29:41,470 --> 00:29:38,960

of United States it's impossible let me

700

00:29:43,450 --> 00:29:41,480

add to that and in the Marines that when

701

00:29:46,900 --> 00:29:43,460

Oliver and the Marines that the first

702

00:29:49,420 --> 00:29:46,910

time in October 1956 when they put him

703

00:29:51,190 --> 00:29:49,430

on the firing range he could not qualify

704

00:29:53,440 --> 00:29:51,200

in other words you couldn't even hit the

705

00:29:55,300 --> 00:29:53,450

target finally in 1959 it was you

706

00:29:57,610 --> 00:29:55,310

getting out of the Marines maybe maybe

707

00:29:59,860 --> 00:29:57,620

it had a little fracas or maybe they got

708

00:30:03,370 --> 00:29:59,870

somebody to shoot for him but he finally

709

00:30:06,580 --> 00:30:03,380

qualified his marksman but by only one

710

00:30:09,240 --> 00:30:06,590

point and marksman is the lowest of the

711

00:30:12,880 --> 00:30:09,250

three categories its marksman

712

00:30:15,890 --> 00:30:12,890

sharpshooter expert and he barely made

713

00:30:17,870 --> 00:30:15,900

marksman by one point so in other words

714

00:30:21,050 --> 00:30:17,880

according to his marine records he was a

715

00:30:22,730 --> 00:30:21,060

lousy shot okay so we have Lee Harvey

716

00:30:24,920 --> 00:30:22,740

Oswald in the Texas School Book

717

00:30:27,260 --> 00:30:24,930

Depository we have one of the hobos

718

00:30:29,180 --> 00:30:27,270

Charles Harrelson one of the hobos who

719

00:30:32,420 --> 00:30:29,190

may have been the guy who pulled the

720

00:30:35,180 --> 00:30:32,430

trigger okay so if Lee Harvey Oswald was

721

00:30:37,670 --> 00:30:35,190

the Patsy what role did he play the

722

00:30:40,100 --> 00:30:37,680

Patsy he was the guy

723

00:30:42,020 --> 00:30:40,110

no I'm saying your name I know I hear

724

00:30:46,490 --> 00:30:42,030

you let me let me explain sure I do

725

00:30:51,140 --> 00:30:46,500

I think Oswald in some way was mixed up

726

00:30:54,670 --> 00:30:51,150

in an assassination cowbell or a plot

727

00:30:56,660 --> 00:30:54,680

okay but I have every reason to believe

728

00:30:58,580 --> 00:30:56,670

probably we don't have enough time

729

00:31:01,430 --> 00:30:58,590

didn't go into it but let me give you

730

00:31:03,710 --> 00:31:01,440

one one little minor thing and talking

731

00:31:06,470 --> 00:31:03,720

to his mother Marguerite she one time

732

00:31:08,600 --> 00:31:06,480

told me about a time when Lee was in

733

00:31:11,140 --> 00:31:08,610

junior high school and he showed up

734

00:31:14,210 --> 00:31:11,150

after school at his home with a military

735

00:31:16,790 --> 00:31:14,220

officer and the military officer was

736

00:31:18,920 --> 00:31:16,800

telling mrs. Oswald well your son's

737

00:31:21,710 --> 00:31:18,930

sharp he's really a bright lad he's a

738

00:31:25,220 --> 00:31:21,720

self-starter self-motivator he's the

739

00:31:27,710 --> 00:31:25,230

very kind of guy we need okay so I think

740

00:31:30,820 --> 00:31:27,720

that the military and our intelligence

741

00:31:33,500 --> 00:31:30,830

were aware of Oswald and had basically

742

00:31:35,870 --> 00:31:33,510

cultivated him since in junior high

743

00:31:38,390 --> 00:31:35,880

school and I think by the time he got

744

00:31:40,400 --> 00:31:38,400

into the Marines there are some very

745

00:31:42,590 --> 00:31:40,410

strange periods of times when he was

746

00:31:44,480 --> 00:31:42,600

missing from training when there was no

747

00:31:45,200 --> 00:31:44,490

explanation of where he was or what he

748

00:31:47,690 --> 00:31:45,210

was doing

749

00:31:50,480 --> 00:31:47,700

and according to others who were with

750

00:31:53,090 --> 00:31:50,490

him at that time they too were recruited

751

00:31:55,370 --> 00:31:53,100

into the CIA and I think Oswald was

752

00:31:57,590 --> 00:31:55,380

recruited as a low-level agent I think

753

00:31:59,420 --> 00:31:57,600

that's what his assignment first big

754

00:32:02,690 --> 00:31:59,430

assignment was to go to Russia for

755

00:32:04,760 --> 00:32:02,700

whatever purposes and then come back and

756

00:32:07,820 --> 00:32:04,770

I think that he was picked up as the

757

00:32:10,940 --> 00:32:07,830

perfect Patsy because every the

758

00:32:13,970 --> 00:32:10,950

intelligence agencies the military the

759

00:32:16,940 --> 00:32:13,980

anti-castro Cubans everybody concerned

760

00:32:19,460 --> 00:32:16,950

had to run for cover denouncing Mac like

761

00:32:21,920 --> 00:32:19,470

they never knew what a perfect Patsy

762

00:32:22,560 --> 00:32:21,930

for the assassination okay you want it

763

00:32:26,130 --> 00:32:22,570

running this

764

00:32:28,650 --> 00:32:26,140

but then who did it okay he did it well

765

00:32:31,200 --> 00:32:28,660

it's probably either say who didn't do

766

00:32:33,030 --> 00:32:31,210

it but okay let me put it this way he

767

00:32:36,510 --> 00:32:33,040

came he was killed a military-style

768

00:32:39,330 --> 00:32:36,520

ambush triangulation of fire by a very

769

00:32:41,130 --> 00:32:39,340

very competent professionals and then

770

00:32:43,860 --> 00:32:41,140

the whole thing was just as I said

771

00:32:46,920 --> 00:32:43,870

obfuscated the trail was covered by

772

00:32:48,180 --> 00:32:46,930

halls kinds of misdirection and they

773

00:32:51,120 --> 00:32:48,190

kept everyone

774

00:32:54,180 --> 00:32:51,130

off-balance for years because once you

775

00:32:55,950 --> 00:32:54,190

discard the fun elements like Castro did

776

00:32:59,280 --> 00:32:55,960

Khrushchev did it and there's absolutely

777

00:33:01,230 --> 00:32:59,290

no evidence to point to that then you're

778

00:33:04,680 --> 00:33:01,240

left with what people have argued about

779

00:33:07,620 --> 00:33:04,690

for the last 47 years was it the CIA was

780

00:33:09,990 --> 00:33:07,630

it the FBI was it the military was it

781

00:33:13,140 --> 00:33:10,000

the anti-castro Cubans was it the Mafia

782

00:33:15,330 --> 00:33:13,150

and the answer is yes all the above

783

00:33:17,940 --> 00:33:15,340

because they were all involved in

784

00:33:21,330 --> 00:33:17,950

operation Mongoose the secret war

785

00:33:23,100 --> 00:33:21,340

against Castro operated by the CIA that

786

00:33:25,020 --> 00:33:23,110

to include assassination

787

00:33:27,570 --> 00:33:25,030

so all they did was send their heat

788

00:33:30,540 --> 00:33:27,580

teams to Dallas because in their mind

789

00:33:32,730 --> 00:33:30,550

there was more of a danger in Washington

790

00:33:35,310 --> 00:33:32,740

from Kennedy than there was from Castro

791

00:33:37,710 --> 00:33:35,320

Jim wasn't it in Dealey Plaza that day

792

00:33:40,500 --> 00:33:37,720

wasn't it like old home club with all

793

00:33:42,330 --> 00:33:40,510

the players that were there yes exactly

794

00:33:45,390 --> 00:33:42,340

there was even an army intelligence

795

00:33:46,640 --> 00:33:45,400

agent who was taking pictures of the

796

00:33:49,440 --> 00:33:46,650

front of the School Book Depository

797

00:33:51,500 --> 00:33:49,450

before the shooting and then made a

798

00:33:54,600 --> 00:33:51,510

mistake of going inside and has show us

799

00:33:56,100 --> 00:33:54,610

Residential's to get out and that's how

800

00:33:58,680 --> 00:33:56,110

he became part of the official record

801
00:34:01,530 --> 00:33:58,690
and of course you would have to wonder

802
00:34:02,820 --> 00:34:01,540
what's an army intelligence agent taking

803
00:34:04,800 --> 00:34:02,830
pictures of the front of skubick

804
00:34:07,080 --> 00:34:04,810
depository prior to the assassination

805
00:34:09,240 --> 00:34:07,090
and yeah you're right from what I

806
00:34:11,940 --> 00:34:09,250
understand there were elements of the

807
00:34:14,550 --> 00:34:11,950
Mafia helmets of the Mossad I'll

808
00:34:16,830 --> 00:34:14,560
probably KGB agent it's probably all

809
00:34:19,350 --> 00:34:16,840
kinds of intelligence people crawling

810
00:34:20,730 --> 00:34:19,360
around Davie Plaza because many many

811
00:34:23,100 --> 00:34:20,740
people knew what was going to happen

812
00:34:24,669 --> 00:34:23,110
I've been told in fact there's a

813
00:34:26,139 --> 00:34:24,679

confession

814

00:34:28,869 --> 00:34:26,149

familiar with the the video the

815

00:34:31,899 --> 00:34:28,879

confession of an assassin oh yes James

816

00:34:35,049 --> 00:34:31,909

file yeah yeah well you know I've been

817

00:34:37,960 --> 00:34:35,059

to Joliet and sat down and interviewed

818

00:34:40,540 --> 00:34:37,970

James files really yes well that's

819

00:34:42,909 --> 00:34:40,550

that's another show and I got to tell

820

00:34:45,329 --> 00:34:42,919

you this though I was really looking

821

00:34:49,180 --> 00:34:45,339

forward to that because I had seen his

822

00:34:51,940 --> 00:34:49,190

confession and it made a lot of sense to

823

00:34:54,730 --> 00:34:51,950

fit from a lot of things that I knew but

824

00:34:57,700 --> 00:34:54,740

I really was not convinced that he's the

825

00:35:01,720 --> 00:34:57,710

guy so I always thought you know based

826
00:35:03,460 --> 00:35:01,730
on my well honed journalistic intuition

827
00:35:05,680 --> 00:35:03,470
if I could just sit in front of guy

828
00:35:07,420 --> 00:35:05,690
looking his eyes I think I'd be able to

829
00:35:10,359 --> 00:35:07,430
tell whether it's really the truth or

830
00:35:12,549 --> 00:35:10,369
not but I got to tell you guys I said

831
00:35:15,000 --> 00:35:12,559
right there we talk I'll listen to

832
00:35:16,680 --> 00:35:15,010
everything he had to say and I am still

833
00:35:19,000 --> 00:35:16,690
undecided

834
00:35:21,069 --> 00:35:19,010
because what do you think about the

835
00:35:23,950 --> 00:35:21,079
Remington fireball as the weapon there

836
00:35:26,890 --> 00:35:23,960
was such a weapon and I definitely think

837
00:35:31,230 --> 00:35:26,900
that that is as described by files are

838
00:35:34,599 --> 00:35:31,240

222 with a hollowed-out tip in hand with

839

00:35:36,849 --> 00:35:34,609

explosives in there yes which certainly

840

00:35:39,670 --> 00:35:36,859

fits done right it certainly fits and it

841

00:35:42,880 --> 00:35:39,680

fits with the explosive nature of the

842

00:35:45,250 --> 00:35:42,890

headshot yeah yeah and you know and I'll

843

00:35:47,049 --> 00:35:45,260

say this I don't think Klaus is totally

844

00:35:49,960 --> 00:35:47,059

lying about everything Charles knows a

845

00:35:52,390 --> 00:35:49,970

lot but then he was definitely part of

846

00:35:54,130 --> 00:35:52,400

that Chicago mob and in fact

847

00:35:56,770 --> 00:35:54,140

particularly was the driver and

848

00:35:59,260 --> 00:35:56,780

right-hand man to Charles Nicoletti the

849

00:36:01,359 --> 00:35:59,270

premiere hitman for the Chicago mob and

850

00:36:03,400 --> 00:36:01,369

I think he knows what he's talking about

851
00:36:06,220 --> 00:36:03,410
and the only thing I'm still undecided

852
00:36:08,380 --> 00:36:06,230
on is was he truly the guy that pulled

853
00:36:09,880 --> 00:36:08,390
the trigger or is he just like you said

854
00:36:11,829 --> 00:36:09,890
earlier kind of get out of jail by

855
00:36:14,349 --> 00:36:11,839
telling some of the intimate details

856
00:36:17,859 --> 00:36:14,359
that he learned from others in the mob

857
00:36:19,539 --> 00:36:17,869
well he's adding to the chaff oh yeah

858
00:36:21,789 --> 00:36:19,549
everything is already out there yeah a

859
00:36:23,829 --> 00:36:21,799
lot of noise yeah lot of noise keep it

860
00:36:25,809 --> 00:36:23,839
confused and that way it doesn't ever

861
00:36:27,880 --> 00:36:25,819
get decided but here guys here's the

862
00:36:29,589 --> 00:36:27,890
Kennedy assassination in nutshell once

863
00:36:32,230 --> 00:36:29,599

you study the case and once you study

864

00:36:34,420 --> 00:36:32,240

just just a cursory examination of all

865

00:36:36,940 --> 00:36:34,430

the information that is now available it

866

00:36:38,540 --> 00:36:36,950

becomes quite clear that it was not one

867

00:36:41,360 --> 00:36:38,550

person

868

00:36:44,360 --> 00:36:41,370

volley assassination so once you set of

869

00:36:46,610 --> 00:36:44,370

all aside then you come to understand

870

00:36:49,040 --> 00:36:46,620

what the House Committee concluded which

871

00:36:52,250 --> 00:36:49,050

is it was a conspiracy now where there's

872

00:36:54,170 --> 00:36:52,260

Oswal and one friend or are a huge

873

00:36:57,500 --> 00:36:54,180

high-level conspiracy nevertheless it

874

00:36:59,630 --> 00:36:57,510

was a conspiracy all right now you got

875

00:37:02,330 --> 00:36:59,640

to understand that that conspiracy is

876

00:37:04,940 --> 00:37:02,340

still not known why because it's been

877

00:37:06,950 --> 00:37:04,950

covered up and obscured at the highest

878

00:37:09,590 --> 00:37:06,960

levels of the federal government of the

879

00:37:12,170 --> 00:37:09,600

United States Lyndon Johnson Jagger

880

00:37:15,170 --> 00:37:12,180

Hoover took steps to block any

881

00:37:18,770 --> 00:37:15,180

meaningful investigation and to block

882

00:37:21,320 --> 00:37:18,780

the truth that's what turns what was in

883

00:37:24,950 --> 00:37:21,330

nineteen sixty three another Texas

884

00:37:27,050 --> 00:37:24,960

homicide into a national coup d'etat and

885

00:37:28,460 --> 00:37:27,060

if you want to know who's guilty then

886

00:37:30,230 --> 00:37:28,470

I'm going to give you the names all

887

00:37:32,570 --> 00:37:30,240

right and the names are lyndon b johnson

888

00:37:34,970 --> 00:37:32,580

and his next door neighbor and buddy

889

00:37:38,060 --> 00:37:34,980

jagger hoover who's head of the FBI at

890

00:37:40,670 --> 00:37:38,070

that time now can i prove the Johnson

891

00:37:43,850 --> 00:37:40,680

Hoover ordered or even orchestrated the

892

00:37:46,100 --> 00:37:43,860

assassination no I cannot but what I can

893

00:37:48,350 --> 00:37:46,110

prove beyond any reasonable shadow of a

894

00:37:51,020 --> 00:37:48,360

doubt is that both those men took steps

895

00:37:53,030 --> 00:37:51,030

to obscure the truth of the

896

00:37:55,550 --> 00:37:53,040

assassination and that makes them under

897

00:37:58,640 --> 00:37:55,560

our legal system accessories after the

898

00:38:01,310 --> 00:37:58,650

fact and I don't know I know in Texas

899

00:38:03,890 --> 00:38:01,320

we've actually executed people who the

900

00:38:06,080 --> 00:38:03,900

facts of the case showed did not pull

901
00:38:08,570 --> 00:38:06,090
the trigger but they knew what was going

902
00:38:10,550 --> 00:38:08,580
on they did not turn into killers they

903
00:38:12,710 --> 00:38:10,560
helped the killers to escape and they

904
00:38:15,590 --> 00:38:12,720
helped hide the truth of the killing and

905
00:38:18,470 --> 00:38:15,600
they were executed as accessories after

906
00:38:21,110 --> 00:38:18,480
the fact and Jagger Hoover and Lyndon

907
00:38:23,990 --> 00:38:21,120
Johnson are guilty in the assassination

908
00:38:25,370 --> 00:38:24,000
as being accessories after the fact ok

909
00:38:27,830 --> 00:38:25,380
we can see where Lyndon Johnson

910
00:38:29,840 --> 00:38:27,840
certainly had a lot to gain from killing

911
00:38:32,180 --> 00:38:29,850
the president since he's next in line

912
00:38:34,130 --> 00:38:32,190
why J Edgar Hoover why would he be

913
00:38:36,110 --> 00:38:34,140

involved well because the Kennedys had

914

00:38:39,200 --> 00:38:36,120

made no real secret that they were going

915

00:38:42,170 --> 00:38:39,210

to fire Hoover he was facing the end of

916

00:38:44,210 --> 00:38:42,180

his extraordinary long career as head of

917

00:38:47,420 --> 00:38:44,220

the FBI which went all the way back into

918

00:38:50,720 --> 00:38:47,430

the 1920s so he was about to lose his

919

00:38:53,720 --> 00:38:50,730

job as the premier law enforcement

920

00:38:57,830 --> 00:38:53,730

in the United States and so but Kennedy

921

00:38:59,930 --> 00:38:57,840

is killed and in January 1964 huh just

922

00:39:02,210 --> 00:38:59,940

just a month or so after the

923

00:39:05,250 --> 00:39:02,220

assassination Lyndon Johnson had a

924

00:39:06,520 --> 00:39:05,260

special ceremony in the Rose Garden and

925

00:39:09,650 --> 00:39:06,530

[Applause]

926
00:39:12,290 --> 00:39:09,660
exempted his buddy Jagger Hoover from

927
00:39:16,520 --> 00:39:12,300
the mandatory federal Rico requirement

928
00:39:19,550 --> 00:39:16,530
age laws and installed him essentially

929
00:39:21,620 --> 00:39:19,560
then as FBI director for life so he got

930
00:39:24,440 --> 00:39:21,630
to keep his job so that explains how

931
00:39:26,960 --> 00:39:24,450
Bobby Kennedy was killed - right right

932
00:39:29,270 --> 00:39:26,970
yeah Bobby Kennedy was actually they

933
00:39:31,730 --> 00:39:29,280
just rocking the boat in terms of Hoover

934
00:39:33,380 --> 00:39:31,740
I mean it up although Hoover is looking

935
00:39:35,750 --> 00:39:33,390
at them both jointly but that they were

936
00:39:37,970 --> 00:39:35,760
butting heads well yeah and Robert

937
00:39:39,800 --> 00:39:37,980
Kennedy for those who don't recall he

938
00:39:41,780 --> 00:39:39,810

had been named Attorney General of the

939

00:39:43,400 --> 00:39:41,790

United States by his brother President

940

00:39:45,770 --> 00:39:43,410

Kennedy and one of the first things he

941

00:39:48,410 --> 00:39:45,780

did was put in a straight line telephone

942

00:39:49,880 --> 00:39:48,420

- Jagger Hoover's office so that he

943

00:39:51,650 --> 00:39:49,890

could pick up the telephone and say

944

00:39:53,180 --> 00:39:51,660

Jagger here's what you're going to do

945

00:39:56,300 --> 00:39:53,190

here's what you're not going to do and

946

00:39:58,580 --> 00:39:56,310

who were chased under that situation and

947

00:40:00,470 --> 00:39:58,590

on Saturday morning following the Friday

948

00:40:02,540 --> 00:40:00,480

assassination the first thing that

949

00:40:04,280 --> 00:40:02,550

happened was they pulled a straight line

950

00:40:06,440 --> 00:40:04,290

I love Hoover's office he didn't have to

951
00:40:08,660 --> 00:40:06,450
answer to Bobby Kennedy anymore and let

952
00:40:11,120 --> 00:40:08,670
me mention that in California just a few

953
00:40:14,420 --> 00:40:11,130
days before he himself was assassinated

954
00:40:17,120 --> 00:40:14,430
in 1968 Robert Kennedy was asked by some

955
00:40:19,130 --> 00:40:17,130
college kids you know what could you do

956
00:40:21,410 --> 00:40:19,140
about the desert of his brother and he

957
00:40:22,760 --> 00:40:21,420
was quoted as saying to them I cannot do

958
00:40:25,430 --> 00:40:22,770
anything about the death of my brother

959
00:40:28,160 --> 00:40:25,440
until I have the power of the presidency

960
00:40:30,770 --> 00:40:28,170
which tells me that he understood what I

961
00:40:33,650 --> 00:40:30,780
now understand which is you would have

962
00:40:36,320 --> 00:40:33,660
to have the power over the Pentagon the

963
00:40:38,210 --> 00:40:36,330

CIA the FBI the Secret Service before

964

00:40:40,190 --> 00:40:38,220

you could ever do anything meaningful

965

00:40:42,620 --> 00:40:40,200

about timing the truth and Kennedy

966

00:40:44,690 --> 00:40:42,630

assassinations so obviously he had to be

967

00:40:46,640 --> 00:40:44,700

stopped yes and I don't think it was

968

00:40:48,800 --> 00:40:46,650

just some coincidence that the very

969

00:40:50,420 --> 00:40:48,810

night that he had just won the

970

00:40:52,609 --> 00:40:50,430

Democratic nomination for the state of

971

00:40:54,800 --> 00:40:52,619

California was pretty well sensed him

972

00:40:56,840 --> 00:40:54,810

for the Democratic nomination at the

973

00:40:59,090 --> 00:40:56,850

National Convention he was assassinated

974

00:41:02,380 --> 00:40:59,100

and that assassination too is fraught

975

00:41:04,090 --> 00:41:02,390

with inconsistencies missing evidence

976

00:41:06,190 --> 00:41:04,100

fabricated evidence

977

00:41:07,300 --> 00:41:06,200

we see the same MO as the JFK

978

00:41:10,600 --> 00:41:07,310

assassination

979

00:41:12,610 --> 00:41:10,610

okay one more thing about that which is

980

00:41:15,010 --> 00:41:12,620

are we ever going to know does any

981

00:41:17,860 --> 00:41:15,020

president since Johnson have any

982

00:41:21,670 --> 00:41:17,870

incentive or interest in dredging up

983

00:41:24,400 --> 00:41:21,680

this stuff well it means first off a

984

00:41:26,830 --> 00:41:24,410

massive clear memory that's not right I

985

00:41:29,260 --> 00:41:26,840

messed this question all the time where

986

00:41:32,560 --> 00:41:29,270

we ever know the truth about who killed

987

00:41:35,350 --> 00:41:32,570

Kennedy and my standard response is we

988

00:41:37,930 --> 00:41:35,360

know the truth right now okay you're not

989

00:41:40,180 --> 00:41:37,940

really asking the right question what

990

00:41:42,430 --> 00:41:40,190

you're really asking is will there ever

991

00:41:44,110 --> 00:41:42,440

come a day when there's a news

992

00:41:46,750 --> 00:41:44,120

conference a national a news conference

993

00:41:48,910 --> 00:41:46,760

and somebody with authority and the

994

00:41:51,190 --> 00:41:48,920

government would stand up and say okay

995

00:41:54,250 --> 00:41:51,200

okay here's what really happened it's

996

00:41:56,530 --> 00:41:54,260

President Kennedy no that is not going

997

00:41:58,720 --> 00:41:56,540

to happen but if you want to know what

998

00:42:01,720 --> 00:41:58,730

happened to Kennedy just read the

999

00:42:04,240 --> 00:42:01,730

material and I'm good study the case and

1000

00:42:06,780 --> 00:42:04,250

then think of it to put yourself in the

1001
00:42:10,330 --> 00:42:06,790
position of Sherlock Holmes okay

1002
00:42:12,520 --> 00:42:10,340
disregard the flaky stuff stick with the

1003
00:42:15,070 --> 00:42:12,530
facts and you will know the truth of it

1004
00:42:16,990 --> 00:42:15,080
and will anybody come out right now take

1005
00:42:20,230 --> 00:42:17,000
of all the talk that's lolling around

1006
00:42:23,080 --> 00:42:20,240
now about how the Barack Hussein Obama

1007
00:42:24,910 --> 00:42:23,090
is likely to be assassinated there

1008
00:42:27,100 --> 00:42:24,920
aren't in laying the groundwork you know

1009
00:42:30,610 --> 00:42:27,110
so if it happens nobody's going to be

1010
00:42:33,430 --> 00:42:30,620
too shocked and amazed so no they at

1011
00:42:35,710 --> 00:42:33,440
that level they know if they try to go

1012
00:42:38,580 --> 00:42:35,720
into the heart of the beast if they try

1013
00:42:41,410 --> 00:42:38,590

to come out publicly and talk about the

1014

00:42:44,170 --> 00:42:41,420

unwarranted power of the

1015

00:42:46,330 --> 00:42:44,180

military-industrial complex as Dwight

1016

00:42:49,990 --> 00:42:46,340

Eisenhower called it and I would include

1017

00:42:52,510 --> 00:42:50,000

the intelligence community that hey they

1018

00:42:57,520 --> 00:42:52,520

can get knocked off to their plane can

00:44:00,110 --> 00:43:57,240
going to happen next we have Jim Marrs

1034
00:44:02,870 --> 00:44:00,120
new conspiracy theories are we've sold

1035
00:44:04,820 --> 00:44:02,880
dubbed him and he's accepted gracefully

1036
00:44:06,260 --> 00:44:04,830
of course he's going to enact some kind

1037
00:44:07,160 --> 00:44:06,270
of conspiracy against us after the

1038
00:44:08,960 --> 00:44:07,170

show's over

1039

00:44:11,450 --> 00:44:08,970

that's all I think it going to happen

1040

00:44:13,870 --> 00:44:11,460

keep in mind most everything comes in

1041

00:44:16,730 --> 00:44:13,880

telling y'all is not theory it is

1042

00:44:18,290 --> 00:44:16,740

substantiated fact but you know is an

1043

00:44:20,150 --> 00:44:18,300

interesting thing Frank and I were

1044

00:44:22,940 --> 00:44:20,160

talking about a couple of movies that

1045

00:44:24,980 --> 00:44:22,950

seemed to mimic reality in a couple of

1046

00:44:27,320 --> 00:44:24,990

senses maybe you could talk about this

1047

00:44:29,570 --> 00:44:27,330

the long kiss goodnight with Geena Davis

1048

00:44:32,180 --> 00:44:29,580

where you have a it's basically movie

1049

00:44:34,100 --> 00:44:32,190

about this woman who is a CIA assassin

1050

00:44:36,410 --> 00:44:34,110

who loses our memory in a car crash and

1051
00:44:40,310 --> 00:44:36,420
she breaks up a plot by apparently the

1052
00:44:42,950 --> 00:44:40,320
CIA to stage a terrorist act kill a lot

1053
00:44:44,690 --> 00:44:42,960
of people because their funding had been

1054
00:44:48,680 --> 00:44:44,700
cut and we have a movie called the siege

1055
00:44:52,340 --> 00:44:48,690
where we the CIA was basically feeding

1056
00:44:55,490 --> 00:44:52,350
these Afghanistan rebels back in the

1057
00:44:57,110 --> 00:44:55,500
1980s we would train them and then we

1058
00:44:59,120 --> 00:44:57,120
abandoned them and then they came back

1059
00:45:00,710 --> 00:44:59,130
and became our worst enemy and of course

1060
00:45:02,930 --> 00:45:00,720
that leads you to think about people

1061
00:45:03,710 --> 00:45:02,940
like Osama bin Laden all right

1062
00:45:06,050 --> 00:45:03,720
absolutely

1063
00:45:10,070 --> 00:45:06,060

by the way if you read my book Tutera

1064

00:45:13,310 --> 00:45:10,080

conspiracy man deception 9/11 and the

1065

00:45:14,550 --> 00:45:13,320

loss of Liberty you'll find that in the

1066

00:45:16,080 --> 00:45:14,560

80s

1067

00:45:18,390 --> 00:45:16,090

the London was actually brought to the

1068

00:45:20,490 --> 00:45:18,400

United States under the name Tim Osman

1069

00:45:23,220 --> 00:45:20,500

met with security and intelligence

1070

00:45:25,830 --> 00:45:23,230

officials and was given training and

1071

00:45:28,410 --> 00:45:25,840

money to go back and prosecute the war

1072

00:45:31,320 --> 00:45:28,420

against the Russians in Afghanistan some

1073

00:45:33,600 --> 00:45:31,330

others I mean now you know there's no

1074

00:45:36,150 --> 00:45:33,610

line and in fact I've heard it repeated

1075

00:45:38,370 --> 00:45:36,160

in several movies a long ones the ones

1076

00:45:41,700 --> 00:45:38,380

you mentioned that once in the CIA

1077

00:45:43,560 --> 00:45:41,710

always in the CIA so you know you have

1078

00:45:45,840 --> 00:45:43,570

to ask yourself you know what's really

1079

00:45:48,150 --> 00:45:45,850

going on in fact in my book at erä

1080

00:45:52,050 --> 00:45:48,160

conspiracy I'll bring up the case of Abu

1081

00:45:56,250 --> 00:45:52,060

Zubaydah now Abu was arrested in

1082

00:45:59,220 --> 00:45:56,260

Pakistan in the mid 2002 and the White

1083

00:46:00,900 --> 00:45:59,230

House press secretary at that time Scott

1084

00:46:03,150 --> 00:46:00,910

McClellan said he was the

1085

00:46:05,430 --> 00:46:03,160

highest-ranking al-qaida chief that they

1086

00:46:07,350 --> 00:46:05,440

had caught to date and by golly they

1087

00:46:09,810 --> 00:46:07,360

were going to make him talk well they

1088

00:46:11,790 --> 00:46:09,820

did and his long story there had been

1089

00:46:13,470 --> 00:46:11,800

it's interesting that they tortured him

1090

00:46:16,110 --> 00:46:13,480

they waterboarded him but that didn't

1091

00:46:18,510 --> 00:46:16,120

work they finally tricked him and that

1092

00:46:20,970 --> 00:46:18,520

work and what they found out from him

1093

00:46:24,660 --> 00:46:20,980

was that he was actually reporting back

1094

00:46:27,510 --> 00:46:24,670

to three Saudi princes and he named him

1095

00:46:30,450 --> 00:46:27,520

and gave their private unlisted cell

1096

00:46:32,520 --> 00:46:30,460

phone numbers was checked out and that

1097

00:46:36,030 --> 00:46:32,530

he was operating through a cutout an Air

1098

00:46:37,980 --> 00:46:36,040

Marshal near of Pakistan within a couple

1099

00:46:40,770 --> 00:46:37,990

of months of this information coming out

1100

00:46:42,510 --> 00:46:40,780

all three Saudi princes and Air Marshal

1101
00:46:44,520 --> 00:46:42,520
Mirror were dead

1102
00:46:47,340 --> 00:46:44,530
okay killed in car crashes in an

1103
00:46:49,890 --> 00:46:47,350
airplane crash in blah blah blah so that

1104
00:46:52,410 --> 00:46:49,900
is an amazing piece of information right

1105
00:46:54,600 --> 00:46:52,420
there because that means al Qaeda was

1106
00:46:57,750 --> 00:46:54,610
actually being given its marching orders

1107
00:46:59,720 --> 00:46:57,760
by people within Saudi Arabia and then

1108
00:47:03,000 --> 00:46:59,730
you have stopped and recalled that the

1109
00:47:05,010 --> 00:47:03,010
closest business and social friends to

1110
00:47:07,140 --> 00:47:05,020
the Saudi royals was the Bush family

1111
00:47:08,730 --> 00:47:07,150
okay I see where you're going here so

1112
00:47:11,250 --> 00:47:08,740
let's just take it and see what evidence

1113
00:47:14,040 --> 00:47:11,260

there is you're saying that the bushes

1114

00:47:16,980 --> 00:47:14,050

the CIA whatever was responsible for

1115

00:47:19,140 --> 00:47:16,990

9/11 or knew about it let it happen it

1116

00:47:20,880 --> 00:47:19,150

didn't stop it I would like to use for

1117

00:47:23,370 --> 00:47:20,890

you to explain to me any other

1118

00:47:25,500 --> 00:47:23,380

explanation of why that for about more

1119

00:47:26,920 --> 00:47:25,510

than a hundred times in the year up to

1120

00:47:28,990 --> 00:47:26,930

9/11 that

1121

00:47:32,500 --> 00:47:29,000

had been our alarm somebody went off of

1122

00:47:35,500 --> 00:47:32,510

went into forbidden restricted airspace

1123

00:47:38,650 --> 00:47:35,510

or it got off their flight path and that

1124

00:47:40,270 --> 00:47:38,660

jet interceptors were lost within five

1125

00:47:42,849 --> 00:47:40,280

or ten minutes you might recall the case

1126
00:47:45,520 --> 00:47:42,859
of the golfer Payne Stewart they suffer

1127
00:47:48,099 --> 00:47:45,530
the oxygen malfunction and his Lear jet

1128
00:47:50,140 --> 00:47:48,109
went off course and they had fighter

1129
00:47:52,839 --> 00:47:50,150
interceptors all over him within about

1130
00:47:54,970 --> 00:47:52,849
10 to 15 minutes and yet on the morning

1131
00:47:57,549 --> 00:47:54,980
around 11:00 after operating perfectly

1132
00:48:00,040 --> 00:47:57,559
for more than a year up to that point

1133
00:48:01,750 --> 00:48:00,050
the hijacked planes flew around for up

1134
00:48:04,240 --> 00:48:01,760
to an hour and a half with no

1135
00:48:06,130 --> 00:48:04,250
interceptors now how's that possible and

1136
00:48:08,920 --> 00:48:06,140
they hit the Pentagon one of the most

1137
00:48:10,510 --> 00:48:08,930
heavily guarded buildings in the world

1138
00:48:13,299 --> 00:48:10,520

and furthermore another thing that they

1139

00:48:15,540 --> 00:48:13,309

will not do not talk about is I know for

1140

00:48:18,190 --> 00:48:15,550

certain that the Pentagon is guarded by

1141

00:48:20,680 --> 00:48:18,200

automated anti-aircraft missile

1142

00:48:22,870 --> 00:48:20,690

batteries okay and if you come close to

1143

00:48:25,000 --> 00:48:22,880

the Pentagon and you're not sending out

1144

00:48:27,040 --> 00:48:25,010

a transponder signal it's a friendly

1145

00:48:28,870 --> 00:48:27,050

signal that those things automatically

1146

00:48:31,780 --> 00:48:28,880

activate and you're knocked down with a

1147

00:48:34,750 --> 00:48:31,790

missile so you tell me why that they

1148

00:48:36,910 --> 00:48:34,760

were mute that morning it's an inside

1149

00:48:39,190 --> 00:48:36,920

job for what purpose

1150

00:48:41,710 --> 00:48:39,200

hello look what happened they were able

1151

00:48:43,809 --> 00:48:41,720

to activate their plans and what were

1152

00:48:46,900 --> 00:48:43,819

their plans let's go back a year to

1153

00:48:49,930 --> 00:48:46,910

September of 2000 when the project for

1154

00:48:52,690 --> 00:48:49,940

new American Century a neocon think tank

1155

00:48:56,020 --> 00:48:52,700

that included Cheney and Rumsfeld and

1156

00:48:59,289 --> 00:48:56,030

Wolfowitz and all these guys issued a

1157

00:49:01,390 --> 00:48:59,299

position paper called rebuilding

1158

00:49:04,930 --> 00:49:01,400

America's defenses and in there they

1159

00:49:07,630 --> 00:49:04,940

reiterated Cheney's call for increased

1160

00:49:09,970 --> 00:49:07,640

military forces in the Middle East gain

1161

00:49:13,480 --> 00:49:09,980

control over their oil supplies an

1162

00:49:14,920 --> 00:49:13,490

invasion of Afghanistan and a regime

1163

00:49:18,270 --> 00:49:14,930

change in Iraq

1164

00:49:21,579 --> 00:49:18,280

and however the authors of this paper

1165

00:49:23,170 --> 00:49:21,589

were pretty prescient they said you know

1166

00:49:25,950 --> 00:49:23,180

there's going to be a hard sell to the

1167

00:49:29,049 --> 00:49:25,960

American public unless there is a quote

1168

00:49:32,559 --> 00:49:29,059

catalyzing catastrophic event like a new

1169

00:49:35,230 --> 00:49:32,569

Pearl Harbor in quote a year later they

1170

00:49:36,950 --> 00:49:35,240

got just such an event open fear that's

1171

00:49:39,140 --> 00:49:36,960

that's how the countries

1172

00:49:43,010 --> 00:49:39,150

or that's how sounds are done opens

1173

00:49:45,350 --> 00:49:43,020

exactly and mostly fear okay you got to

1174

00:49:47,690 --> 00:49:45,360

do what we say or you might lose your

1175

00:49:50,150 --> 00:49:47,700

job you might lose your pension you

1176

00:49:51,920 --> 00:49:50,160

might lose your vote you know and if he

1177

00:49:54,680 --> 00:49:51,930

caused us enough trouble you might lose

1178

00:49:56,510 --> 00:49:54,690

your life all built on fear in fact

1179

00:49:58,850 --> 00:49:56,520

think about this guys during the height

1180

00:50:00,920 --> 00:49:58,860

of World War two when we were faced with

1181

00:50:03,710 --> 00:50:00,930

imminent invasion by the Japanese

1182

00:50:06,170 --> 00:50:03,720

military and that we were really facing

1183

00:50:08,930 --> 00:50:06,180

one of the most powerful militaries in

1184

00:50:11,840 --> 00:50:08,940

the world the Nazi the German fairmark

1185

00:50:14,060 --> 00:50:11,850

our President Franklin Roosevelt talked

1186

00:50:16,820 --> 00:50:14,070

to the nation and What did he say

1187

00:50:19,460 --> 00:50:16,830

be fearful rejecting up the law our

1188

00:50:22,580 --> 00:50:19,470

enemy alarm no he said we the only thing

1189

00:50:25,040 --> 00:50:22,590

we have to fear is fear itself let's all

1190

00:50:28,490 --> 00:50:25,050

band together is Americans young Oh

1191

00:50:30,320 --> 00:50:28,500

white red black Baptist Jewish Christian

1192

00:50:33,740 --> 00:50:30,330

you know who knows let's all be

1193

00:50:35,750 --> 00:50:33,750

Americans and let's dig in and let's get

1194

00:50:37,940 --> 00:50:35,760

this job and let's save democracy of the

1195

00:50:40,970 --> 00:50:37,950

world and we did okay

1196

00:50:42,830 --> 00:50:40,980

and now look after 9/11 all we got was

1197

00:50:45,470 --> 00:50:42,840

will be afraid be very afraid

1198

00:50:47,870 --> 00:50:45,480

terror slime but to a orange today you

1199

00:50:50,540 --> 00:50:47,880

know oh but go shopping can you keep

1200

00:50:53,450 --> 00:50:50,550

shopping okay so this is something that

1201
00:50:55,940 --> 00:50:53,460
the CIA sponsors but before we even get

1202
00:50:58,640 --> 00:50:55,950
to the obvious consequences why it's Jim

1203
00:50:59,990 --> 00:50:58,650
Marrs still alive oh because I'm just a

1204
00:51:01,910 --> 00:51:00,000
conspiracy theorist

1205
00:51:04,400 --> 00:51:01,920
you know they can't attack my

1206
00:51:06,200 --> 00:51:04,410
information so they just attacked me but

1207
00:51:08,660 --> 00:51:06,210
they're I'm kind of hard to attack

1208
00:51:11,660 --> 00:51:08,670
really because I'm just an honest

1209
00:51:14,090 --> 00:51:11,670
taxpaying church member remember the

1210
00:51:15,620 --> 00:51:14,100
public that you know I'll have a mental

1211
00:51:18,620 --> 00:51:15,630
history record I'll have a criminal

1212
00:51:20,420 --> 00:51:18,630
record I mean you know it's kind of hard

1213
00:51:22,130 --> 00:51:20,430

and they certainly can't attack my

1214

00:51:23,900 --> 00:51:22,140

information because I double-check my

1215

00:51:25,820 --> 00:51:23,910

sources a double-check your information

1216

00:51:28,070 --> 00:51:25,830

when I tell you something is generally

1217

00:51:31,340 --> 00:51:28,080

and take it to the bank so I'm about all

1218

00:51:34,040 --> 00:51:31,350

I can do is give me benign neglect you

1219

00:51:37,580 --> 00:51:34,050

know you notice I'm not on Good Morning

1220

00:51:39,890 --> 00:51:37,590

America you notice I'm not on any of

1221

00:51:43,340 --> 00:51:39,900

those national talk shows you'll see me

1222

00:51:44,960 --> 00:51:43,350

on Glenn Beck or I can't get as big

1223

00:51:47,330 --> 00:51:44,970

people that would be interesting to have

1224

00:51:50,540 --> 00:51:47,340

you and Glenn back together all it would

1225

00:51:52,640 --> 00:51:50,550

because other guy a few choice questions

1226

00:51:54,950 --> 00:51:52,650

like to ask a blend bag like you know

1227

00:51:56,900 --> 00:51:54,960

what I dunno what yes I'll tell you what

1228

00:51:59,510 --> 00:51:56,910

since you raised that before we go on

1229

00:52:01,690 --> 00:51:59,520

what choice questions lay a few on me

1230

00:52:04,400 --> 00:52:01,700

that you would like to ask Glenn Beck

1231

00:52:07,070 --> 00:52:04,410

well first off I'd like to ask him why

1232

00:52:09,410 --> 00:52:07,080

did he got all head up and said I have

1233

00:52:11,960 --> 00:52:09,420

found the evidence that FEMA is building

1234

00:52:13,310 --> 00:52:11,970

these concentration camps all across the

1235

00:52:15,170 --> 00:52:13,320

country and tomorrow I'm going to

1236

00:52:17,930 --> 00:52:15,180

provide you with the evidence and then

1237

00:52:19,820 --> 00:52:17,940

the next day backs off and says oh well

1238

00:52:22,100 --> 00:52:19,830

now I know already that there was really

1239

00:52:24,740 --> 00:52:22,110

nothing to all that I would like know

1240

00:52:27,410 --> 00:52:24,750

who told him what okay somebody

1241

00:52:30,380 --> 00:52:27,420

preparing to him and now also like

1242

00:52:32,560 --> 00:52:30,390

asking why recently to the poor guy down

1243

00:52:35,680 --> 00:52:32,570

Austin flew the plane into IRS building

1244

00:52:39,200 --> 00:52:35,690

Glenn Beck was on there trying to equate

1245

00:52:42,140 --> 00:52:39,210

violent actions like that with the Tea

1246

00:52:44,690 --> 00:52:42,150

Partiers and the Tenth Amendment people

1247

00:52:46,640 --> 00:52:44,700

in the patriot movement and I'm just

1248

00:52:49,640 --> 00:52:46,650

wondering you know I'd like to know who

1249

00:52:52,040 --> 00:52:49,650

how does he justify that because there's

1250

00:52:54,920 --> 00:52:52,050

never been anybody truly connected to

1251

00:52:56,960 --> 00:52:54,930

the patriot movement that is ever you

1252

00:52:58,520 --> 00:52:56,970

know committed a violent act it's always

1253

00:53:00,290 --> 00:52:58,530

somebody on the other side or somebody

1254

00:53:02,390 --> 00:53:00,300

connected with the government okay so

1255

00:53:04,730 --> 00:53:02,400

having done all this what does the

1256

00:53:07,400 --> 00:53:04,740

government gain do they gain oil riches

1257

00:53:09,230 --> 00:53:07,410

from Iraq what well the whole raft of

1258

00:53:12,020 --> 00:53:09,240

things you know we're now militarily

1259

00:53:14,300 --> 00:53:12,030

occupying Haiti which they just

1260

00:53:16,910 --> 00:53:14,310

discovered a few years ago prior to the

1261

00:53:19,460 --> 00:53:16,920

earthquake that they had some untapped

1262

00:53:22,280 --> 00:53:19,470

huge oil reserves down there so now we

1263

00:53:23,740 --> 00:53:22,290

got control over that and all we had to

1264

00:53:25,700 --> 00:53:23,750

do is saying that we were on a

1265

00:53:27,950 --> 00:53:25,710

humanitarian mission although we didn't

1266

00:53:30,860 --> 00:53:27,960

really send food water we sent a carrier

1267

00:53:33,770 --> 00:53:30,870

group with armed soldiers and then we of

1268

00:53:36,380 --> 00:53:33,780

course we're occupying Iraq you know

1269

00:53:39,080 --> 00:53:36,390

with it's all reserves and we're trying

1270

00:53:42,710 --> 00:53:39,090

to occupy Afghanistan so we can secure

1271

00:53:44,840 --> 00:53:42,720

the gas pipeline for unic all that goes

1272

00:53:47,540 --> 00:53:44,850

through there as well as but the poppy

1273

00:53:49,340 --> 00:53:47,550

fields back into production the Taliban

1274

00:53:51,440 --> 00:53:49,350

who I don't have really anything much to

1275

00:53:54,560 --> 00:53:51,450

say good about we're nevertheless

1276

00:53:59,360 --> 00:53:54,570

religious fanatics and in chief about

1277

00:54:01,700 --> 00:53:59,370

2001 they had eradicated about 90% of

1278

00:54:03,410 --> 00:54:01,710

the poppy crop well that puts a big dent

1279

00:54:06,319 --> 00:54:03,420

in the world heroin

1280

00:54:09,500 --> 00:54:06,329

trade and so we invade since we're

1281

00:54:13,220 --> 00:54:09,510

supposedly fighting a war on drugs did

1282

00:54:15,620 --> 00:54:13,230

we knock out the other 10% and knock out

1283

00:54:17,510 --> 00:54:15,630

the heroin trade no we put all the

1284

00:54:20,150 --> 00:54:17,520

fields back into cultivation and now

1285

00:54:22,789 --> 00:54:20,160

there's more poppies under cultivation

1286

00:54:25,579 --> 00:54:22,799

than there were you know long before the

1287

00:54:27,559 --> 00:54:25,589

Taliban came along people have stop and

1288

00:54:30,020 --> 00:54:27,569

think for themselves they can't just

1289

00:54:31,940 --> 00:54:30,030

listen to the corporate control mass

1290

00:54:34,849 --> 00:54:31,950

media and math understand what's going

1291

00:54:35,359 --> 00:54:34,859

on the defense budget as hard as it's

1292

00:54:37,430 --> 00:54:35,369

ever been

1293

00:54:38,870 --> 00:54:37,440

much higher than it was in the middle of

1294

00:54:41,630 --> 00:54:38,880

World War two when we were really

1295

00:54:43,849 --> 00:54:41,640

finding a world war it's amazing you

1296

00:54:46,030 --> 00:54:43,859

know in fact take it into account I'd

1297

00:54:48,470 --> 00:54:46,040

only the defense budget but all

1298

00:54:50,480 --> 00:54:48,480

ancillary matters like all of the

1299

00:54:52,190 --> 00:54:50,490

contracts go into contractors the

1300

00:54:54,710 --> 00:54:52,200

private contractors that are now

1301
00:54:57,380 --> 00:54:54,720
fighting our Wars for us and you throw

1302
00:55:01,430 --> 00:54:57,390
in military retirement all like that

1303
00:55:04,299 --> 00:55:01,440
military is sucking down more than 50%

1304
00:55:06,829 --> 00:55:04,309
of our gross national product it's

1305
00:55:08,750 --> 00:55:06,839
amazing but nobody really gets told that

1306
00:55:10,880 --> 00:55:08,760
so nobody thinks about that okay so

1307
00:55:13,220 --> 00:55:10,890
supposedly when they cut back on a few

1308
00:55:14,809 --> 00:55:13,230
weapon systems because they're wasteful

1309
00:55:16,460 --> 00:55:14,819
that's just window dressing

1310
00:55:18,200 --> 00:55:16,470
that's window dressing because they've

1311
00:55:21,140 --> 00:55:18,210
got stuff in the wings that you and I

1312
00:55:23,750 --> 00:55:21,150
can hardly even imagine let me take

1313
00:55:27,140 --> 00:55:23,760

something back in the 70s I was writing

1314

00:55:30,319 --> 00:55:27,150

articles about whether war okay they

1315

00:55:33,890 --> 00:55:30,329

were developing technologies to create

1316

00:55:35,210 --> 00:55:33,900

and to alter the weather patterns and

1317

00:55:37,010 --> 00:55:35,220

that was in the seventies so you can

1318

00:55:38,539 --> 00:55:37,020

imagine what they're capable of today

1319

00:55:40,640 --> 00:55:38,549

how do you know that that's the obvious

1320

00:55:42,710 --> 00:55:40,650

question okay because it's there in the

1321

00:55:44,870 --> 00:55:42,720

scientific papers and it's there in the

1322

00:55:46,849 --> 00:55:44,880

defense journals in fact I've got an

1323

00:55:49,940 --> 00:55:46,859

article from US News and World Report

1324

00:55:51,829 --> 00:55:49,950

not exactly your most radical rag where

1325

00:55:54,740 --> 00:55:51,839

they're talking about how that they can

1326
00:55:57,140 --> 00:55:54,750
mitigate hurricanes okay they can use

1327
00:56:01,039 --> 00:55:57,150
space-based satellites in this Harper

1328
00:56:03,799 --> 00:56:01,049
way to bombard hurricanes and possibly

1329
00:56:06,349 --> 00:56:03,809
decrease their intensity and that they

1330
00:56:08,599 --> 00:56:06,359
can also heat up the water to on one

1331
00:56:12,559 --> 00:56:08,609
side of the other and guide the

1332
00:56:15,140 --> 00:56:12,569
hurricane away from you know big cities

1333
00:56:15,930 --> 00:56:15,150
and land masses where they don't want it

1334
00:56:17,790 --> 00:56:15,940
to go

1335
00:56:19,950 --> 00:56:17,800
and that got out because that sounds

1336
00:56:22,830 --> 00:56:19,960
like a very good and benign purpose for

1337
00:56:25,170 --> 00:56:22,840
using this technology but hey guys use

1338
00:56:27,000 --> 00:56:25,180

your head if they can D intensify

1339

00:56:29,430 --> 00:56:27,010

hurricane and they bombarded and

1340

00:56:31,470 --> 00:56:29,440

intensified it if they got it away from

1341

00:56:33,660 --> 00:56:31,480

something thing got it into something

1342

00:56:36,000 --> 00:56:33,670

well okay is that's explained Hurricane

1343

00:56:38,790 --> 00:56:36,010

Katrina it very well could be because I

1344

00:56:41,670 --> 00:56:38,800

was kind of amazed at Katrina which

1345

00:56:43,350 --> 00:56:41,680

seemed like it was going to miss New

1346

00:56:45,720 --> 00:56:43,360

Orleans and then all of a sudden cutting

1347

00:56:48,540 --> 00:56:45,730

a 90-degree turn slammed right into it I

1348

00:56:51,480 --> 00:56:48,550

mean the beauty of this is this is

1349

00:56:54,600 --> 00:56:51,490

technology that exists but is largely

1350

00:56:57,660 --> 00:56:54,610

unknown to the public and it's beautiful

1351
00:57:01,260 --> 00:56:57,670
plausible deniability arcane man that's

1352
00:57:03,240 --> 00:57:01,270
God's work we anything do that and yet I

1353
00:57:06,300 --> 00:57:03,250
report you to the scientific papers and

1354
00:57:08,040 --> 00:57:06,310
to the articles that they've been

1355
00:57:10,680 --> 00:57:08,050
working on this stuff for years and

1356
00:57:13,920 --> 00:57:10,690
they've got it down and that same thing

1357
00:57:16,920 --> 00:57:13,930
on 9/11 if you use technology such as

1358
00:57:19,560 --> 00:57:16,930
Global Hawk which was largely unknown to

1359
00:57:21,960 --> 00:57:19,570
the public at that time Global Hawk is

1360
00:57:25,050 --> 00:57:21,970
where they can electronically capture

1361
00:57:27,750 --> 00:57:25,060
the on-board computer of a high-flying

1362
00:57:29,910 --> 00:57:27,760
aircraft and can control it from the

1363
00:57:32,520 --> 00:57:29,920

ground or from another aircraft they can

1364

00:57:35,490 --> 00:57:32,530

remote control it and send it anywhere

1365

00:57:37,260 --> 00:57:35,500

that they want it to go now now we know

1366

00:57:39,810 --> 00:57:37,270

about this because now I'm even seeing

1367

00:57:42,180 --> 00:57:39,820

ads for the Air Force and Marines saying

1368

00:57:44,100 --> 00:57:42,190

hey come join the Air Force and you you

1369

00:57:45,840 --> 00:57:44,110

know I saw these guys playing like video

1370

00:57:47,700 --> 00:57:45,850

games that the control somewhere in

1371

00:57:50,820 --> 00:57:47,710

there and they're sending those Global

1372

00:57:54,000 --> 00:57:50,830

Hawk unmanned vehicles into Afghanistan

1373

00:57:56,610 --> 00:57:54,010

and Iraq they let our attack but on 9/11

1374

00:57:58,920 --> 00:57:56,620

nobody really knew about that technology

1375

00:58:01,110 --> 00:57:58,930

and so could see where that technology

1376

00:58:03,090 --> 00:58:01,120

could be used and then you could put on

1377

00:58:05,460 --> 00:58:03,100

any cover story you wanted to and nobody

1378

00:58:07,890 --> 00:58:05,470

could successfully rebut you because

1379

00:58:09,540 --> 00:58:07,900

they don't know the technology exists

1380

00:58:11,670 --> 00:58:09,550

oh is it again pretty crazy this is

1381

00:58:14,520 --> 00:58:11,680

getting pretty crazy before a pretty

1382

00:58:16,980 --> 00:58:14,530

crazy but is it I'm telling you is not

1383

00:58:21,210 --> 00:58:16,990

theory fact the head of British Airways

1384

00:58:22,860 --> 00:58:21,220

in early 2001 said the day of hijacking

1385

00:58:25,110 --> 00:58:22,870

is over with because now we can

1386

00:58:28,050 --> 00:58:25,120

electronically capture the on-board

1387

00:58:29,650 --> 00:58:28,060

computer airliner and we can guide it to

1388

00:58:32,470 --> 00:58:29,660

the safe landing regardless

1389

00:58:35,319 --> 00:58:32,480

of what the hijackers or the flight crew

1390

00:58:38,020 --> 00:58:35,329

wants to do again this is not theory

1391

00:58:39,789 --> 00:58:38,030

these are facts it's just not known to

1392

00:58:41,710 --> 00:58:39,799

most people I believe that you mentioned

1393

00:58:44,109 --> 00:58:41,720

in the past in regards to the twin

1394

00:58:47,650 --> 00:58:44,119

towers one of the other buildings that

1395

00:58:49,569 --> 00:58:47,660

was untouched also came down you know

1396

00:58:51,339 --> 00:58:49,579

wasn't so even get into that which are

1397

00:58:54,099 --> 00:58:51,349

about seven World Trade Center I presume

1398

00:58:56,410 --> 00:58:54,109

basically break for the hour but before

1399

00:58:58,359 --> 00:58:56,420

we do that where can our listeners learn

1400

00:59:00,220 --> 00:58:58,369

more about the things that you do well

1401

00:59:02,829 --> 00:59:00,230

first off thing read my book which are

1402

00:59:06,970 --> 00:59:02,839

all offered on my website Jim marsh calm

1403

00:59:09,430 --> 00:59:06,980

that's Jay I am Mir RS calm or you go to

1404

00:59:11,380 --> 00:59:09,440

any bookstore go on Amazon captain Jim

1405

00:59:13,180 --> 00:59:11,390

Marrs you find the whole listing my

1406

00:59:14,890 --> 00:59:13,190

books interested in Kennedy

1407

00:59:17,470 --> 00:59:14,900

assassination that would be crossfire

1408

00:59:20,710 --> 00:59:17,480

the plot to kill Kennedy which was a

1409

00:59:22,779 --> 00:59:20,720

basis for the Oliver Stone movie JFK can

1410

00:59:25,210 --> 00:59:22,789

get stock go to rule by secrecy which

1411

00:59:27,069 --> 00:59:25,220

will give you the overview of the people

1412

00:59:29,319 --> 00:59:27,079

within secret societies that can be

1413

00:59:31,779 --> 00:59:29,329

traced all the way back to history then

1414

00:59:33,910 --> 00:59:31,789

you can go to the terror conspiracy

1415

00:59:36,490 --> 00:59:33,920

which tells you what happens on 9/11 and

1416

00:59:38,920 --> 00:59:36,500

puts it into a context then you can move

1417

00:59:41,289 --> 00:59:38,930

on to the rise of the fourth reich which

1418

00:59:42,789 --> 00:59:41,299

shows you that we beat the Germans in

1419

00:59:44,980 --> 00:59:42,799

World War two but we didn't beat the

1420

00:59:46,329 --> 00:59:44,990

Nazis we brought them over here roll

1421

00:59:48,940 --> 00:59:46,339

them into our military industrial

1422

00:59:52,180 --> 00:59:48,950

complex and they've been slowly taken

1423

00:59:54,309 --> 00:59:52,190

over ever since and then I've got a new

1424

00:59:55,960 --> 00:59:54,319

book coming out later this year that I

1425

00:59:56,799 --> 00:59:55,970

think will pick up from there we'll get

1426

00:59:58,480 --> 00:59:56,809

into that in a moment

1427

01:00:03,430 --> 00:59:58,490

we'll have more with Jim Marrs on the

1428

01:00:05,470 --> 01:00:03,440

other side of the power cast we want to

1429

01:00:07,690 --> 01:00:05,480

hear from you if you have a comment or

1430

01:00:11,710 --> 01:00:07,700

question about the podcast send it to

1431

01:00:14,349 --> 01:00:11,720

news at the podcast com that's news at

1432

01:00:15,910 --> 01:00:14,359

the pear cast calm and don't forget to

1433

01:00:18,549 --> 01:00:15,920

visit our forums where you can talk to

1434

01:00:21,130 --> 01:00:18,559

fellow listeners and Jean and David just

go to the Peres cast comm and click on

1436

01:00:32,650 --> 01:00:23,720

the forum links that's a forum links at

1437

01:00:41,100 --> 01:00:35,390

welcome back to the paragraphs with Jean

1438

01:00:45,910 --> 01:00:43,690

people have asked me by the way whether

1439

01:00:49,060 --> 01:00:45,920

I'm going to do voices while David isn't

1440

01:00:51,880 --> 01:00:49,070

here and the answer is mmm you never

1441

01:00:54,160 --> 01:00:51,890

know you never know what I might do

1442

01:00:56,020 --> 01:00:54,170

Frank Warren is our guest co-host we're

1443

01:00:58,540 --> 01:00:56,030

talking to Jim Mars the Czar of

1444

01:01:00,970 --> 01:00:58,550

conspiracy theorists and we started

1445

01:01:03,910 --> 01:01:00,980

about the so called 9/11 conspiracy

1446

01:01:05,890 --> 01:01:03,920

what about seven World Trade Center it

1447

01:01:08,800 --> 01:01:05,900

wasn't shut down with a particle beam

1448

01:01:11,170 --> 01:01:08,810

was it well I don't know all I know is

1449

01:01:13,480 --> 01:01:11,180

it wouldn't hit by aircraft and I only

1450

01:01:17,500 --> 01:01:13,490

have a few Dussel Torrey fires in it and

1451

01:01:19,300 --> 01:01:17,510

yet at 525 on the afternoon 9/11 it just

1452

01:01:22,590 --> 01:01:19,310

collapsed into its own footprint just

1453

01:01:25,990 --> 01:01:22,600

straight down near freefall speed and

1454

01:01:28,600 --> 01:01:26,000

barely damaging the Verizon building is

1455

01:01:32,460 --> 01:01:28,610

yes post office to either side of it and

1456

01:01:35,860 --> 01:01:32,470

so let's go to the official 9/11

1457

01:01:38,050 --> 01:01:35,870

Commission report and see what the how

1458

01:01:41,140 --> 01:01:38,060

they explained the collapse of building

1459

01:01:43,840 --> 01:01:41,150

7 books why they didn't even mention it

1460

01:01:46,630 --> 01:01:43,850

how's that for an investigation saved

1461

01:01:49,140 --> 01:01:46,640

then even mention the collapse of this

1462

01:01:53,620 --> 01:01:49,150

third building at the World Trade Center

1463

01:01:56,140 --> 01:01:53,630

was a real good investigation woman and

1464

01:01:58,720 --> 01:01:56,150

later they come back and try to say well

1465

01:02:00,910 --> 01:01:58,730

okay we were still studying isn't well

1466

01:02:02,680 --> 01:02:00,920

you know they had some fires and there's

1467

01:02:04,750 --> 01:02:02,690

no there's only a few fires but all of

1468

01:02:07,950 --> 01:02:04,760

those fires are all at very strategic

1469

01:02:10,890 --> 01:02:07,960

points and just have them melt major

1470

01:02:14,250 --> 01:02:10,900

girders and how the thing just fell down

1471

01:02:16,690 --> 01:02:14,260

even though there has never been a major

1472

01:02:19,570 --> 01:02:16,700

steel reinforced building that's

1473

01:02:22,540 --> 01:02:19,580

collapsed due to fire in history

1474

01:02:24,820 --> 01:02:22,550

including the Windsor Hotel in Spain

1475

01:02:27,940 --> 01:02:24,830

which burned out of control for more

1476

01:02:30,520 --> 01:02:27,950

than two days and yet it was totally

1477

01:02:33,820 --> 01:02:30,530

gutted but it was still standing same

1478

01:02:36,940 --> 01:02:33,830

thing with a big fire in Beijing I think

1479

01:02:39,010 --> 01:02:36,950

it was our majors in Japan and such same

1480

01:02:40,180 --> 01:02:39,020

deal burned totally out of control but

1481

01:02:42,610 --> 01:02:40,190

didn't clap Oh

1482

01:02:44,800 --> 01:02:42,620

devil's advocate on this one Jim what

1483

01:02:45,370 --> 01:02:44,810

would be the motive to get rid of that

1484

01:02:48,580 --> 01:02:45,380

building

1485

01:02:51,220 --> 01:02:48,590

well first off in house the offices of

1486

01:02:53,470 --> 01:02:51,230

the security Exchange Commission who

1487

01:02:54,240 --> 01:02:53,480

again this is not theory this is what

1488

01:02:57,720 --> 01:02:54,250

they admit to

1489

01:03:01,710 --> 01:02:57,730

lost thousands of prosecution documents

1490

01:03:04,740 --> 01:03:01,720

on Enron and world.com oh how convenient

1491

01:03:07,320 --> 01:03:04,750

and by the way I know this is not my

1492

01:03:09,900 --> 01:03:07,330

theory my name sure is a theory but I

1493

01:03:12,510 --> 01:03:09,910

will preface by saying I don't know this

1494

01:03:15,840 --> 01:03:12,520

is absolute fact but I have heard it

1495

01:03:18,600 --> 01:03:15,850

also had old security Exchange

1496

01:03:21,300 --> 01:03:18,610

Commission files in there to include the

1497

01:03:23,100 --> 01:03:21,310

prosecution of Prescott Bush during

1498

01:03:25,440 --> 01:03:23,110

World War two for being nothing but a

1499

01:03:27,840 --> 01:03:25,450

financial frontman for Hitler and the

1500

01:03:30,810 --> 01:03:27,850

Nazis he was prosecuted in November of

1501
01:03:32,610 --> 01:03:30,820
1942 by the federal government under the

1502
01:03:34,380 --> 01:03:32,620
trading with the enemy's acting stripped

1503
01:03:37,920 --> 01:03:34,390
of his holdings and Union Banking

1504
01:03:41,400 --> 01:03:37,930
Corporation and the Homburg America

1505
01:03:44,520 --> 01:03:41,410
steamship line and find millions of

1506
01:03:47,790 --> 01:03:44,530
dollars and because they said he was

1507
01:03:50,580 --> 01:03:47,800
just handling Nazi money and they say

1508
01:03:52,680 --> 01:03:50,590
that those documents may have been in

1509
01:03:54,930 --> 01:03:52,690
building 7 may have been we have no

1510
01:03:57,210 --> 01:03:54,940
evidence of this to it now I said before

1511
01:03:59,100 --> 01:03:57,220
that was a rumor but it's absolutely

1512
01:04:01,140 --> 01:03:59,110
true that the security Exchange

1513
01:04:04,740 --> 01:04:01,150

Commission has said that they lost

1514

01:04:08,220 --> 01:04:04,750

thousands of documents pertaining to the

1515

01:04:10,350 --> 01:04:08,230

scandals at world.com and Enron and

1516

01:04:13,260 --> 01:04:10,360

others and of course let's not forget

1517

01:04:15,240 --> 01:04:13,270

that in the day or two following 9/11

1518

01:04:17,520 --> 01:04:15,250

they even the mainstream media was

1519

01:04:19,830 --> 01:04:17,530

talking about the very suspicious put

1520

01:04:22,650 --> 01:04:19,840

options that were made on the United

1521

01:04:24,360 --> 01:04:22,660

Airlines and American Airlines that was

1522

01:04:26,310 --> 01:04:24,370

going to make somebody a lot of money

1523

01:04:28,470 --> 01:04:26,320

because put options are you're betting

1524

01:04:31,200 --> 01:04:28,480

that the stocks going to go down okay

1525

01:04:34,320 --> 01:04:31,210

and so it's usually when there's a big

1526

01:04:37,590 --> 01:04:34,330

number of put options place that events

1527

01:04:39,330 --> 01:04:37,600

is foreknowledge of the events and they

1528

01:04:41,430 --> 01:04:39,340

said the FBI was going to check into

1529

01:04:44,520 --> 01:04:41,440

that and every one see if I didn't track

1530

01:04:46,380 --> 01:04:44,530

back Osama bin Laden and then you never

1531

01:04:48,900 --> 01:04:46,390

heard another word about it did you you

1532

01:04:50,910 --> 01:04:48,910

know why because it did not write back

1533

01:04:53,340 --> 01:04:50,920

the Osama bin Laden tracked back to

1534

01:04:54,870 --> 01:04:53,350

individuals connected to our Central

1535

01:04:56,490 --> 01:04:54,880

Intelligence Agency

1536

01:04:58,680 --> 01:04:56,500

okay so we're saying here the Central

1537

01:05:00,630 --> 01:04:58,690

Intelligence Agency was part of this

1538

01:05:03,000 --> 01:05:00,640

plot I didn't say they were part of the

1539

01:05:06,060 --> 01:05:03,010

plot I just said that people connected

1540

01:05:07,800 --> 01:05:06,070

the CIA we're behind the suspicious put

1541

01:05:09,990 --> 01:05:07,810

options that showed they may

1542

01:05:11,760 --> 01:05:10,000

he has had foreknowledge of what was

1543

01:05:12,930 --> 01:05:11,770

going to happen and then the trail goes

1544

01:05:14,790 --> 01:05:12,940

could right

1545

01:05:16,860 --> 01:05:14,800

yeah well the trail goes dead because

1546

01:05:19,590 --> 01:05:16,870

they're told to quit following it hey

1547

01:05:22,410 --> 01:05:19,600

you know it's kind of like a guy told me

1548

01:05:25,020 --> 01:05:22,420

one time he found a 3006 shell casing on

1549

01:05:27,540 --> 01:05:25,030

the roof of the dallas county Records

1550

01:05:29,310 --> 01:05:27,550

building overlooking Dealey Plaza it's

1551
01:05:31,740 --> 01:05:29,320
about ten years after the assassination

1552
01:05:33,630 --> 01:05:31,750
and it was heavily weathered it

1553
01:05:35,880 --> 01:05:33,640
obviously laid up there for a good long

1554
01:05:38,940 --> 01:05:35,890
time and he told me he took it to the

1555
01:05:41,460 --> 01:05:38,950
FBI and they said well since we know Lee

1556
01:05:44,130 --> 01:05:41,470
Harvey Oswald used a six point five

1557
01:05:45,510 --> 01:05:44,140
millimeter moniker Kanno obviously this

1558
01:05:47,940 --> 01:05:45,520
has nothing to do with the assassination

1559
01:05:50,370 --> 01:05:47,950
when they just think on his hikes

1560
01:05:53,760 --> 01:05:50,380
now that's the way to conduct an

1561
01:05:55,980 --> 01:05:53,770
investigation all right so we're never

1562
01:05:58,470 --> 01:05:55,990
going to get the answer are we nope not

1563
01:06:02,130 --> 01:05:58,480

as long as we look to the very

1564

01:06:02,670 --> 01:06:02,140

officialdom that probably was behind the

1565

01:06:05,220 --> 01:06:02,680

event

1566

01:06:07,770 --> 01:06:05,230

okay so right now I have a question that

1567

01:06:11,640 --> 01:06:07,780

you know that comes to my mind here so

1568

01:06:14,100 --> 01:06:11,650

as we have new presidents taking over so

1569

01:06:16,110 --> 01:06:14,110

Obama takes over and he's promising

1570

01:06:17,550 --> 01:06:16,120

change you can believe in but a lot of

1571

01:06:20,370 --> 01:06:17,560

the stuff he's doing from a military

1572

01:06:23,430 --> 01:06:20,380

standpoint are just continuations of

1573

01:06:26,010 --> 01:06:23,440

what Bush did so somebody coming there

1574

01:06:28,710 --> 01:06:26,020

and sit him down and say mr.

1575

01:06:29,220 --> 01:06:28,720

president-elect this is the way things

1576

01:06:31,920 --> 01:06:29,230

are

1577

01:06:37,020 --> 01:06:31,930

how's that change working out for you I

1578

01:06:38,910 --> 01:06:37,030

I really haven't seen any change I can

1579

01:06:42,780 --> 01:06:38,920

nail it down for you though let's go

1580

01:06:46,230 --> 01:06:42,790

back to the first Bush administration 89

1581

01:06:48,480 --> 01:06:46,240

93 George Herbert Walker Bush every one

1582

01:06:52,020 --> 01:06:48,490

of his cabinet members with exception of

1583

01:06:55,140 --> 01:06:52,030

Dan Quayle and his buddy James Baker

1584

01:06:57,390 --> 01:06:55,150

were members of the secret society

1585

01:06:59,850 --> 01:06:57,400

Council on Foreign Relations that has

1586

01:07:03,150 --> 01:06:59,860

been running u.s. foreign policy since

1587

01:07:05,010 --> 01:07:03,160

before World War two but then we shifted

1588

01:07:08,220 --> 01:07:05,020

we went to the Democrats and we got the

1589

01:07:10,920 --> 01:07:08,230

Clinton administration team 1993 to 2000

1590

01:07:12,450 --> 01:07:10,930

all cabinet members with exception of

1591

01:07:14,490 --> 01:07:12,460

the Secretary of Defense William Perry

1592

01:07:16,350 --> 01:07:14,500

were members of the Council on Foreign

1593

01:07:18,420 --> 01:07:16,360

Relations but that's all right because

1594

01:07:20,970 --> 01:07:18,430

then the George W Bush administration

1595

01:07:23,970 --> 01:07:20,980

went back got some more Republican

1596

01:07:26,220 --> 01:07:23,980

oops goodness cabinet Dick Cheney Colin

1597

01:07:29,570 --> 01:07:26,230

Powell Condoleezza Rice Rumsfeld Robert

1598

01:07:31,170 --> 01:07:29,580

Gates Elaine Chao Todd Whitlam hey all

1599

01:07:34,560 --> 01:07:31,180

members of the Council on Foreign

1600

01:07:37,380 --> 01:07:34,570

Relations well but then we get Obama

1601
01:07:38,730 --> 01:07:37,390
with change we can believe in okay

1602
01:07:40,250 --> 01:07:38,740
whoops wait a minute

1603
01:07:44,370 --> 01:07:40,260
Secretary of State Hillary Clinton

1604
01:07:46,620 --> 01:07:44,380
builder birds Robert Gates holdover from

1605
01:07:48,840 --> 01:07:46,630
the Bush administration Council on

1606
01:07:51,120 --> 01:07:48,850
Foreign Relations Janet Napolitano Bill

1607
01:07:53,880 --> 01:07:51,130
Richardson Susan Rice James Jones

1608
01:07:56,940 --> 01:07:53,890
Timothy Geithner or Summers Paul Vogler

1609
01:07:58,710 --> 01:07:56,950
oops all members of the Council on

1610
01:08:01,440 --> 01:07:58,720
Foreign Relations so I ask you guys

1611
01:08:03,930 --> 01:08:01,450
what's changed nothing the same

1612
01:08:06,480 --> 01:08:03,940
financial oligarchy is running this

1613
01:08:08,430 --> 01:08:06,490

country okay so basically it's really

1614

01:08:10,020 --> 01:08:08,440

the domestic policy where things are

1615

01:08:13,050 --> 01:08:10,030

different well it's not even really

1616

01:08:16,190 --> 01:08:13,060

different there is her you know if Bush

1617

01:08:19,079 --> 01:08:16,200

had approved some of those horrendous

1618

01:08:20,370 --> 01:08:19,089

bailout packages to the very bankers

1619

01:08:22,229 --> 01:08:20,380

that caused the problem in the first

1620

01:08:25,140 --> 01:08:22,239

place he probably would have been

1621

01:08:26,940 --> 01:08:25,150

pilloried but Obama does it and

1622

01:08:28,769 --> 01:08:26,950

everybody just kind of scratches their

1623

01:08:30,840 --> 01:08:28,779

head and says gee I wonder why he's

1624

01:08:34,170 --> 01:08:30,850

doing that yeah but when I pushed it of

1625

01:08:36,150 --> 01:08:34,180

proof the balance on a bank when I was

1626

01:08:38,579 --> 01:08:36,160

approving the less yeah couple of my

1627

01:08:40,349 --> 01:08:38,589

jacks erm so in other words Obama is

1628

01:08:43,499 --> 01:08:40,359

just falling along in his footsteps

1629

01:08:46,950 --> 01:08:43,509

where's the change there's no change the

1630

01:08:49,050 --> 01:08:46,960

same moneyed wealthy elite that's been

1631

01:08:50,789 --> 01:08:49,060

running this country for decades is

1632

01:08:53,099 --> 01:08:50,799

still in charge all they've done is

1633

01:08:54,240 --> 01:08:53,109

change hand puppets alright so let's

1634

01:08:56,190 --> 01:08:54,250

look at some of the other things that

1635

01:08:58,620 --> 01:08:56,200

haven't changed the UFO mystery is

1636

01:09:01,260 --> 01:08:58,630

considered a classic conspiracy of one

1637

01:09:03,539 --> 01:09:01,270

sort or another we mention Chrisman

1638

01:09:06,680 --> 01:09:03,549

because he is you know a figure who was

1639

01:09:09,450 --> 01:09:06,690

part of that Maury island case but also

1640

01:09:11,249 --> 01:09:09,460

apparently part or was rumored to be

1641

01:09:13,110 --> 01:09:11,259

part of the Kennedy assassination in

1642

01:09:16,260 --> 01:09:13,120

some way all right was it that Bannister

1643

01:09:18,660 --> 01:09:16,270

as was god Bannister who as an FBI agent

1644

01:09:20,610 --> 01:09:18,670

was intimately involved in the Maury

1645

01:09:23,190 --> 01:09:20,620

island case and then turned up in New

1646

01:09:24,870 --> 01:09:23,200

Orleans and was at the center of the

1647

01:09:28,140 --> 01:09:24,880

garrison

1648

01:09:30,959 --> 01:09:28,150

clay shot trial down there and then bad

1649

01:09:33,250 --> 01:09:30,969

quite suddenly after his mine kind of

1650

01:09:35,110 --> 01:09:33,260

came into it so now

1651

01:09:37,990 --> 01:09:35,120

on the in that fascinating that you got

1652

01:09:39,820 --> 01:09:38,000

these same guys with intelligence and

1653

01:09:42,520 --> 01:09:39,830

law enforcement connections that are

1654

01:09:43,840 --> 01:09:42,530

involved in early UFO cases and then end

1655

01:09:47,620 --> 01:09:43,850

up involved in the Kennedy assassination

1656

01:09:50,560 --> 01:09:47,630

and what was that famous line in in the

1657

01:09:52,930 --> 01:09:50,570

stone movie where the eggs in enigma

1658

01:09:54,550 --> 01:09:52,940

wrapped up the neck that Sydney was

1659

01:09:57,870 --> 01:09:54,560

something like a mystery within an

1660

01:10:01,090 --> 01:09:57,880

enigma rest of a puzzle about how yeah

1661

01:10:03,430 --> 01:10:01,100

lemon is doing a half overdramatic iboga

1662

01:10:06,850 --> 01:10:03,440

it well Jim you know it was since we're

1663

01:10:09,640 --> 01:10:06,860

shifting to the UFO and nygma something

1664

01:10:11,920 --> 01:10:09,650

that I learned in in preparing for this

1665

01:10:14,530 --> 01:10:11,930

interview then I think most of our

1666

01:10:16,630 --> 01:10:14,540

listeners probably were under the same

1667

01:10:21,220 --> 01:10:16,640

assumption I had always presumed that

1668

01:10:24,700 --> 01:10:21,230

you began this conspiratorial Trek and

1669

01:10:26,590 --> 01:10:24,710

then later UFOs beginning with the JFK

1670

01:10:29,680 --> 01:10:26,600

assassination but it wasn't that way was

1671

01:10:35,140 --> 01:10:29,690

it no not really in fact I can prove it

1672

01:10:37,780 --> 01:10:35,150

too I can go back to 1957 I believe when

1673

01:10:41,890 --> 01:10:37,790

there was a UFO incident and level in

1674

01:10:45,790 --> 01:10:41,900

Texas and as a young guy I drew a

1675

01:10:47,500 --> 01:10:45,800

watercolor depicting that event based on

1676

01:10:50,230 --> 01:10:47,510

the news accounts at that time so that

1677

01:10:53,200 --> 01:10:50,240

shows that I was aware interested paying

1678

01:10:55,900 --> 01:10:53,210

attentions for bag of 1957 and then

1679

01:11:00,310 --> 01:10:55,910

after my book alien agenda came out I

1680

01:11:03,460 --> 01:11:00,320

got a letter with a clipping in it from

1681

01:11:05,200 --> 01:11:03,470

one of my classmates at the University

1682

01:11:08,260 --> 01:11:05,210

of North Texas where I always had a tour

1683

01:11:12,160 --> 01:11:08,270

page editor of the school newspaper back

1684

01:11:14,290 --> 01:11:12,170

in I think I want to say 1965 and they

1685

01:11:17,680 --> 01:11:14,300

sent me a copy of an editorial that I'd

1686

01:11:20,260 --> 01:11:17,690

written about that time 1965 talking

1687

01:11:21,790 --> 01:11:20,270

about UFOs and how that we didn't know

1688

01:11:23,710 --> 01:11:21,800

exactly what they were but we should

1689

01:11:26,500 --> 01:11:23,720

take them seriously and we should there

1690

01:11:28,390 --> 01:11:26,510

seem to be a real issue there and that

1691

01:11:31,450 --> 01:11:28,400

we needed to find out what was really

1692

01:11:33,160 --> 01:11:31,460

going on so obviously I've been I've

1693

01:11:35,110 --> 01:11:33,170

been paying attention to that for

1694

01:11:37,120 --> 01:11:35,120

decades long before I was publishing

1695

01:11:39,670 --> 01:11:37,130

books okay let's look at the climate

1696

01:11:42,820 --> 01:11:39,680

slightly more detail here what Jim are

1697

01:11:44,380 --> 01:11:42,830

the great conspiracies in the UFO field

1698

01:11:46,290 --> 01:11:44,390

is that what the government knows about

1699

01:11:48,839 --> 01:11:46,300

it yeah I think so there's my

1700

01:11:50,790 --> 01:11:48,849

massive amounts of UFO information that

1701

01:11:54,120 --> 01:11:50,800

the government is still keeping close to

1702

01:11:57,830 --> 01:11:54,130

his chest in fact this is probably one

1703

01:12:02,640 --> 01:11:57,840

of now I would say it's the greatest

1704

01:12:04,910 --> 01:12:02,650

conspiracy in history because if any of

1705

01:12:07,229 --> 01:12:04,920

the UFO cases turn out to be

1706

01:12:09,990 --> 01:12:07,239

extraterrestrial in nature then we're

1707

01:12:13,200 --> 01:12:10,000

talking about you know contact with

1708

01:12:15,359 --> 01:12:13,210

non-human species which you know just

1709

01:12:18,089 --> 01:12:15,369

about makes every other event history

1710

01:12:19,859 --> 01:12:18,099

pale by comparison and yet they're

1711

01:12:22,200 --> 01:12:19,869

keeping this from us

1712

01:12:24,260 --> 01:12:22,210

okay you know what do they know do they

1713

01:12:26,040 --> 01:12:24,270

know that this appears to be

1714

01:12:27,930 --> 01:12:26,050

extraterrestrial if that's what it is

1715

01:12:30,000 --> 01:12:27,940

and we're now always a higher percent

1716

01:12:33,149 --> 01:12:30,010

short here in the power cast where the

1717

01:12:34,290 --> 01:12:33,159

answers lie but is it there or would

1718

01:12:36,839 --> 01:12:34,300

they rather than I admit they know

1719

01:12:38,129 --> 01:12:36,849

nothing well it's a little bit of both I

1720

01:12:40,530 --> 01:12:38,139

think there are certain people within

1721

01:12:42,870 --> 01:12:40,540

the government who know a lot more than

1722

01:12:46,229 --> 01:12:42,880

they're letting on and I think they do

1723

01:12:47,819 --> 01:12:46,239

know that there is a very non-human

1724

01:12:50,280 --> 01:12:47,829

equation to the whole thing

1725

01:12:52,169 --> 01:12:50,290

that actually goes way back and the

1726

01:12:55,410 --> 01:12:52,179

reason I think I know that they know is

1727

01:12:58,379 --> 01:12:55,420

that I'm often thought would it be great

1728

01:13:01,770 --> 01:12:58,389

because you know today anytime there's

1729

01:13:03,299 --> 01:13:01,780

ESO slap is they used to call that they

1730

01:13:06,229 --> 01:13:03,309

say well you know it's just an

1731

01:13:09,689 --> 01:13:06,239

unidentified test craft you know or some

1732

01:13:11,490 --> 01:13:09,699

experiment or you know whatever and so

1733

01:13:14,790 --> 01:13:11,500

I'll often Paul will be great if they

1734

01:13:18,629 --> 01:13:14,800

had a well-documented case of UFO

1735

01:13:21,180 --> 01:13:18,639

activity prior to satellites and modern

1736

01:13:26,310 --> 01:13:21,190

jets and test craft being in the air and

1737

01:13:29,910 --> 01:13:26,320

you know there is 1897 Aurora Texas okay

1738

01:13:33,359 --> 01:13:29,920

a silver cigar shaped object crashed and

1739

01:13:35,250 --> 01:13:33,369

there's a tremendous explosion and the

1740

01:13:37,500 --> 01:13:35,260

Dallas Morning News which is still in

1741

01:13:39,750 --> 01:13:37,510

publication carried a story it said the

1742

01:13:42,089 --> 01:13:39,760

pilot whose remains were badly

1743

01:13:44,850 --> 01:13:42,099

disfigured but enough was recovered to

1744

01:13:46,950 --> 01:13:44,860

show he was not an inhabitant of this

1745

01:13:48,899 --> 01:13:46,960

world you know what there's one thing

1746

01:13:51,479 --> 01:13:48,909

that worries me about that a lot of

1747

01:13:57,410 --> 01:13:51,489

people in the UFO field believe Aurora

1748

01:13:59,959 --> 01:13:57,420

was a hoax mm-hmm okay answer me this I

1749

01:14:02,089 --> 01:13:59,969

wasn't there some people think I want

1750

01:14:04,459 --> 01:14:02,099

I considered that quite seriously

1751

01:14:07,370 --> 01:14:04,469

because that's entirely possible at that

1752

01:14:09,379 --> 01:14:07,380

time there were no newspapers as we know

1753

01:14:11,569 --> 01:14:09,389

him today where you have stacks of paid

1754

01:14:13,100 --> 01:14:11,579

reporters what they did was it was

1755

01:14:15,319 --> 01:14:13,110

usually the local printer who would

1756

01:14:17,270 --> 01:14:15,329

print the newspaper and he was dependent

1757

01:14:20,120 --> 01:14:17,280

on what they called correspondence or

1758

01:14:22,129 --> 01:14:20,130

stringers and that was people who lived

1759

01:14:25,339 --> 01:14:22,139

in all the various outlying towns and

1760

01:14:27,080 --> 01:14:25,349

villages and they would be designated as

1761

01:14:28,879 --> 01:14:27,090

a stringer and then they would send the

1762

01:14:31,489 --> 01:14:28,889

letter to the newspaper telling of all

1763

01:14:33,020 --> 01:14:31,499

the happenings in that town and they

1764

01:14:34,939 --> 01:14:33,030

would publish it in this paper and

1765

01:14:36,620 --> 01:14:34,949

that's how they got their story so it's

1766

01:14:38,600 --> 01:14:36,630

entirely possible that one of these

1767

01:14:41,839 --> 01:14:38,610

stringers could have sent in a hoax

1768

01:14:44,060 --> 01:14:41,849

story but I speak here's where I change

1769

01:14:46,219 --> 01:14:44,070

my mind on that I finally got a hold of

1770

01:14:48,410 --> 01:14:46,229

the entire front page of the April 19th

1771

01:14:50,959 --> 01:14:48,420

1897 Dallas Morning News

1772

01:14:53,689 --> 01:14:50,969

there are 16 stories on that front page

1773

01:14:55,879 --> 01:14:53,699

and and they came from various locations

1774

01:14:59,540 --> 01:14:55,889

from southern Oklahoma as far south as

1775

01:15:01,399 --> 01:14:59,550

almost Austin Texas and every single one

1776

01:15:02,959 --> 01:15:01,409

of them was talking about the Silver

1777

01:15:05,359 --> 01:15:02,969

cigar-shaped object flying through the

1778

01:15:08,209 --> 01:15:05,369

skies in North Texas this was six years

1779

01:15:13,510 --> 01:15:08,219

before the Wright brothers flew it was

1780

01:15:13,520 --> 01:15:18,570

[Music]

1781

01:15:22,390 --> 01:15:20,979

it's time to mend fences here on the

1782

01:15:25,330 --> 01:15:22,400

power cast and we've had our differences

1783

01:15:27,550 --> 01:15:25,340

with bill burns and UFO magazine but now

1784

01:15:29,649 --> 01:15:27,560

can't we just get along what do you

1785

01:15:32,439 --> 01:15:29,659

going to go away with it he's not going

1805
01:16:54,300 --> 01:16:52,100
to give me a commission is that correct

1806
01:16:59,050 --> 01:16:57,610
I'll think about your chocolate hey I'll

1807
01:17:01,780 --> 01:16:59,060
take the chocolates I'll take good shots

1808
01:17:04,030 --> 01:17:01,790
they will save the chocolates for David

1809
01:17:07,060 --> 01:17:04,040
he like chocolates when David returns

1810
01:17:10,030 --> 01:17:07,070
okay all right so you feel I'll

1811
01:17:11,170 --> 01:17:10,040
basically it's not just one stringer

1812
01:17:14,290 --> 01:17:11,180
reporting this there were widespread

1813
01:17:16,090 --> 01:17:14,300

reports of this particular crash yes the

1814

01:17:20,170 --> 01:17:16,100

one I like is the one from Granbury

1815

01:17:23,410 --> 01:17:20,180

Texas which says about 9:30 o'clock last

1816

01:17:26,920 --> 01:17:23,420

night while drilling the little rifles

1817

01:17:29,770 --> 01:17:26,930

wherever that was Newt Grissom a war

1818

01:17:31,780 --> 01:17:29,780

some young man being a populist could

1819

01:17:33,760 --> 01:17:31,790

not stand the sight of the air machine

1820

01:17:36,280 --> 01:17:33,770

so he ordered the company to open fire

1821

01:17:38,560 --> 01:17:36,290

and they did and soon the whole town was

1822

01:17:40,150 --> 01:17:38,570

aroused hey that kind of answers the

1823

01:17:42,450 --> 01:17:40,160

question about why don't they just land

1824

01:17:45,400 --> 01:17:42,460

and say hey here we are how are you

1825

01:17:48,100 --> 01:17:45,410

Billy Bob would be shooting at him well

1826

01:17:50,560 --> 01:17:48,110

in the 1896 and 97 let's don't forget

1827

01:17:53,140 --> 01:17:50,570

went back to a flap that was those four

1828

01:17:56,530 --> 01:17:53,150

flat piers yeah it was a great airship

1829

01:17:59,400 --> 01:17:56,540

mystery exactly and it started right

1830

01:18:01,990 --> 01:17:59,410

here in Sacramento true in November of

1831

01:18:05,560 --> 01:18:02,000

1896 and then I was in following the

1832

01:18:08,010 --> 01:18:05,570

auditors and the Canada into Canada and

1833

01:18:12,040 --> 01:18:08,020

up around the Chicago area and by early

1834

01:18:14,260 --> 01:18:12,050

1897 is moving south down along the the

1835

01:18:16,180 --> 01:18:14,270

Great Plains and through the Midwest and

1836

01:18:19,420 --> 01:18:16,190

then here's what's interesting though

1837

01:18:23,500 --> 01:18:19,430

after the report of the crash in Aurora

1838

01:18:27,190 --> 01:18:23,510

and on April 17 1897 all those reports

1839

01:18:30,270 --> 01:18:27,200

stopped did it crash I think so and I'll

1840

01:18:32,380 --> 01:18:30,280

tell you why because two summers ago The

1841

01:18:34,930 --> 01:18:32,390

History Channel think it was a

1842

01:18:37,840 --> 01:18:34,940

scientific team to Aurora and they

1843

01:18:39,700 --> 01:18:37,850

debunked Edie Booker's the debunker said

1844

01:18:41,260 --> 01:18:39,710

it was all hoax it never happens and

1845

01:18:43,300 --> 01:18:41,270

therefore there was never a grave in the

1846

01:18:45,010 --> 01:18:43,310

cemetery they sent where I showed them

1847

01:18:46,990 --> 01:18:45,020

exactly where the spot where the little

1848

01:18:49,720 --> 01:18:47,000

grave was it was a short grave as a

1849

01:18:51,550 --> 01:18:49,730

child or a very short person they

1850

01:18:53,560 --> 01:18:51,560

use ground-penetrating radar and they

1851

01:18:56,620 --> 01:18:53,570

found out that indeed there was a grave

1852

01:18:58,840 --> 01:18:56,630

there then they went to the site where

1853

01:19:01,150 --> 01:18:58,850

the crash occurred and more our

1854

01:19:03,490 --> 01:19:01,160

listeners Jim that was an episode of UFO

1855

01:19:05,050 --> 01:19:03,500

Hunters one of their better one time ok

1856

01:19:06,580 --> 01:19:05,060

well that's where people kind of grown

1857

01:19:08,650 --> 01:19:06,590

that's why I was going to ask but the

1858

01:19:10,180 --> 01:19:08,660

question at home before we go out before

1859

01:19:12,790 --> 01:19:10,190

we go on the question I would have to

1860

01:19:15,310 --> 01:19:12,800

ask that is ok what was buried they

1861

01:19:18,400 --> 01:19:15,320

tried to dig it up no they can't because

1862

01:19:21,250 --> 01:19:18,410

back in the early seventies when I first

1863

01:19:23,410 --> 01:19:21,260

got involved in that story I running for

1864

01:19:24,820 --> 01:19:23,420

the florist or telegram and Bill case it

1865

01:19:27,870 --> 01:19:24,830

was the aviation writer for the Dallas

1866

01:19:30,700 --> 01:19:27,880

Times Herald which time both ran stories

1867

01:19:33,370 --> 01:19:30,710

saying that very thing were wild pigs in

1868

01:19:36,460 --> 01:19:33,380

the grave and then we know for sure and

1869

01:19:38,320 --> 01:19:36,470

that prompted the cemetery Association

1870

01:19:40,510 --> 01:19:38,330

to hire a lawyer who threatened an

1871

01:19:42,330 --> 01:19:40,520

injunction against anyone who'd go in

1872

01:19:44,410 --> 01:19:42,340

there and try to dig up a grave so

1873

01:19:46,270 --> 01:19:44,420

officially that's never happened

1874

01:19:49,420 --> 01:19:46,280

although I'll tell you this little story

1875

01:19:52,300 --> 01:19:49,430

prior to the stories that came out in

1876

01:19:53,979 --> 01:19:52,310

the spring of 1973 I believe it was Bill

1877

01:19:55,630 --> 01:19:53,989

case called me and said come up to

1878

01:19:58,210 --> 01:19:55,640

Aurora I met him up there he had a metal

1879

01:20:00,490 --> 01:19:58,220

detector we ran it over the little grave

1880

01:20:02,320 --> 01:20:00,500

and we found three very positive

1881

01:20:03,910 --> 01:20:02,330

readings one up near the headstones

1882

01:20:06,370 --> 01:20:03,920

which was still in existence at that

1883

01:20:08,680 --> 01:20:06,380

time and two towards the center of the

1884

01:20:10,660 --> 01:20:08,690

grave and I remember that distinctly

1885

01:20:13,300 --> 01:20:10,670

because I was kidding with Bill said yes

1886

01:20:17,530 --> 01:20:13,310

probably his tricorder is not the thing

1887

01:20:20,229 --> 01:20:17,540

they use on Star Trek and then after the

1888

01:20:22,000 --> 01:20:20,239

little flap came up and there was some

1889

01:20:24,729 --> 01:20:22,010

publicity and there were people driving

1890

01:20:26,440 --> 01:20:24,739

around driving up their side scene and

1891

01:20:28,990 --> 01:20:26,450

they actually put a police guard on the

1892

01:20:31,660 --> 01:20:29,000

cemetery for about two weeks and the

1893

01:20:33,700 --> 01:20:31,670

very night that they pulled the police

1894

01:20:36,700 --> 01:20:33,710

guard the little headstone went missing

1895

01:20:38,500 --> 01:20:36,710

has not been seen since about a month

1896

01:20:40,660 --> 01:20:38,510

after that I got a call from Bill Casey

1897

01:20:42,729 --> 01:20:40,670

and made me through our cemetery which I

1898

01:20:45,430 --> 01:20:42,739

did and he got out of his metal detector

1899

01:20:47,470 --> 01:20:45,440

we went over the grave and all of the

1900

01:20:50,260 --> 01:20:47,480

traces of metal in the grave were gone

1901

01:20:52,720 --> 01:20:50,270

and I said whoa what happened because it

1902

01:20:54,490 --> 01:20:52,730

was quite obvious that the grave had not

1903

01:20:57,070 --> 01:20:54,500

been disinterred and you know the whole

1904

01:20:59,020 --> 01:20:57,080

thing had not been emptied and he said

1905

01:21:01,180 --> 01:20:59,030

look we got on our hands and knees and

1906

01:21:02,670 --> 01:21:01,190

there were little holes drills one up

1907

01:21:04,320 --> 01:21:02,680

near where the headstones been

1908

01:21:06,300 --> 01:21:04,330

and two more to that and toward the

1909

01:21:07,260 --> 01:21:06,310

center of the grape somebody had gone in

1910

01:21:09,900 --> 01:21:07,270

there with some very sophisticated

1911

01:21:11,660 --> 01:21:09,910

equipment located the middle used a core

1912

01:21:13,500 --> 01:21:11,670

sampler or something similar and

1913

01:21:16,530 --> 01:21:13,510

extracted that metal out of the grave

1914

01:21:18,840 --> 01:21:16,540

and I had to bill I said do you think

1915

01:21:20,430 --> 01:21:18,850

that UFO researchers did this and he

1916

01:21:21,990 --> 01:21:20,440

said no they're law-abiding people

1917

01:21:24,690 --> 01:21:22,000

they'd never do that I said well who you

1918

01:21:26,370 --> 01:21:24,700

think did that and he voiced the very

1919

01:21:28,080 --> 01:21:26,380

same thought I had he said I think it

1920

01:21:31,230 --> 01:21:28,090

was the government now here's the

1921

01:21:32,970 --> 01:21:31,240

clincher on the Aurora story when the

1922

01:21:35,880 --> 01:21:32,980

UFO Hunters did their special hether

1923

01:21:41,100 --> 01:21:35,890

scientific study of the crash site

1924

01:21:42,960 --> 01:21:41,110

they found blobs of malted aluminum or

1925

01:21:45,260 --> 01:21:42,970

what appeared to be aluminum it was a

1926

01:21:48,540 --> 01:21:45,270

type of aluminum but it was not

1927

01:21:52,790 --> 01:21:48,550

comparable in metallic make up to the

1928

01:21:57,270 --> 01:21:52,800

current modern aluminum little balls of

1929

01:21:59,850 --> 01:21:57,280

melted aluminum embedded in trees and in

1930

01:22:02,460 --> 01:21:59,860

the rocks and as far as four and five

1931

01:22:04,860 --> 01:22:02,470

inches into the ground indicating there

1932

01:22:07,440 --> 01:22:04,870

been a huge explosion at that area so

1933

01:22:10,200 --> 01:22:07,450

instead an extract some something out of

1934

01:22:12,030 --> 01:22:10,210

the well as well they found some bits of

1935

01:22:13,920 --> 01:22:12,040

metal but I don't think any of that

1936

01:22:15,710 --> 01:22:13,930

metal out of that well has ever been

1937

01:22:18,150 --> 01:22:15,720

identified as anything other than

1938

01:22:20,040 --> 01:22:18,160

something that could have been in common

1939

01:22:23,340 --> 01:22:20,050

usage but but the notion that it was

1940

01:22:26,340 --> 01:22:23,350

embedded in the tree yes that indicates

1941

01:22:27,960 --> 01:22:26,350

a tremendous explosion and I remember

1942

01:22:29,430 --> 01:22:27,970

talking to Brawley Oates who owned the

1943

01:22:32,160 --> 01:22:29,440

property had owned the property since

1944

01:22:34,140 --> 01:22:32,170

1940 and he said there's never been an

1945

01:22:36,720 --> 01:22:34,150

explosion there then so whatever caused

1946

01:22:38,910 --> 01:22:36,730

this explosion occurred before 1940

1947

01:22:41,100 --> 01:22:38,920

probably went back to 1897

1948

01:22:43,110 --> 01:22:41,110

now letter K another interesting little

1949

01:22:45,570 --> 01:22:43,120

kid bit I'm sure you guys are aware of

1950

01:22:48,840 --> 01:22:45,580

the great Los Angeles air raid of

1951

01:22:50,640 --> 01:22:48,850

February 1942 where they expended

1952

01:22:52,590 --> 01:22:50,650

thousands of rounds of anti-aircraft

1953

01:22:55,500 --> 01:22:52,600

ammunition that what they said was a

1954

01:22:57,690 --> 01:22:55,510

large glowing ball that just slowly

1955

01:23:02,550 --> 01:22:57,700

moved across the city

1956

01:23:05,010 --> 01:23:02,560

one of my pet cases yeah now the next

1957

01:23:06,930 --> 01:23:05,020

day as Stimpson the head of the War

1958

01:23:09,510 --> 01:23:06,940

Department said oh no nothing happened

1959

01:23:11,580 --> 01:23:09,520

there folks it was just war jitters okay

1960

01:23:13,320 --> 01:23:11,590

and of course that was right as world

1961

01:23:16,140 --> 01:23:13,330

war ii was cranking up and of course

1962

01:23:19,620 --> 01:23:16,150

that story got quickly forgotten

1963

01:23:21,620 --> 01:23:19,630

but I have a document signed by George

1964

01:23:24,030 --> 01:23:21,630

Marshall who was chief of staff to

1965

01:23:25,649 --> 01:23:24,040

Franklin Roosevelt in which they're

1966

01:23:28,800 --> 01:23:25,659

discussing the recovery of

1967

01:23:32,430 --> 01:23:28,810

unconventional aircraft in the mountains

1968

01:23:35,130 --> 01:23:32,440

of San Bernardino and also off the coast

1969

01:23:36,959 --> 01:23:35,140

by the yes Navy and but what I found

1970

01:23:38,720 --> 01:23:36,969

really interesting was there's a

1971

01:23:42,060 --> 01:23:38,730

paragraph at the bottom of this document

1972

01:23:45,330 --> 01:23:42,070

that says I have ordered a search of all

1973

01:23:49,100 --> 01:23:45,340

War Department files regarding any

1974

01:23:51,870 --> 01:23:49,110

unconventional aircraft dating back to

1975

01:23:54,390 --> 01:23:51,880

1897 the very year of the Aurora

1976

01:23:56,330 --> 01:23:54,400

spaceship crashed and I think that that

1977

01:24:00,600 --> 01:23:56,340

indeed may have been one of the first

1978

01:24:01,770 --> 01:24:00,610

official UFO recoveries all right the

1979

01:24:03,959 --> 01:24:01,780

college you want me to talk about

1980

01:24:06,300 --> 01:24:03,969

conspiracy that puts Roosevelt in the

1981

01:24:09,870 --> 01:24:06,310

know that that changes everything quite

1982

01:24:12,090 --> 01:24:09,880

frankly yes Zaman is true and I think

1983

01:24:14,810 --> 01:24:12,100

that that's why that in the wake of the

1984

01:24:17,850 --> 01:24:14,820

Roswell thing in July of 1947

1985

01:24:19,560 --> 01:24:17,860

immediately plans were printed effect so

1986

01:24:21,090 --> 01:24:19,570

that just two months later they were

1987

01:24:24,510 --> 01:24:21,100

able to ram through the National

1988

01:24:26,880 --> 01:24:24,520

Security Act of 1947 which we all know

1989

01:24:28,530 --> 01:24:26,890

that that created the CIA and that it

1990

01:24:30,540 --> 01:24:28,540

changed the name of the War Department

1991

01:24:32,310 --> 01:24:30,550

through the Defense Department and

1992

01:24:33,930 --> 01:24:32,320

separated the Air Force from the army

1993

01:24:37,169 --> 01:24:33,940

but what most people don't pay attention

1994

01:24:40,110 --> 01:24:37,179

to guys is it also created the National

1995

01:24:43,560 --> 01:24:40,120

Security Council and of course by its

1996

01:24:45,540 --> 01:24:43,570

very name anything having to do not

1997

01:24:48,780 --> 01:24:45,550

secure t came under its purview and

1998

01:24:52,020 --> 01:24:48,790

that's where they bypassed Congress and

1999

01:24:53,669 --> 01:24:52,030

the media and the public everything

2000

01:24:55,950 --> 01:24:53,679

having to do with national security then

2001

01:24:58,080 --> 01:24:55,960

went to the National Security Council in

2002

01:25:02,640 --> 01:24:58,090

that document the majority of that is

2003

01:25:04,709 --> 01:25:02,650

still classified today right and also at

2004

01:25:07,550 --> 01:25:04,719

that time is when according to the

2005

01:25:10,770 --> 01:25:07,560

stories they put together the first

2006

01:25:13,050 --> 01:25:10,780

magic 12 or mj-12

2007

01:25:15,930 --> 01:25:13,060

all right now I should tell you here

2008

01:25:18,149 --> 01:25:15,940

that if we're getting into mj-12 we have

2009

01:25:20,550 --> 01:25:18,159

a lot of people who are credible on both

2010

01:25:22,680 --> 01:25:20,560

sides of the issue of mj-12 some people

2011

01:25:24,540 --> 01:25:22,690

saying that the documents you know the

2012

01:25:27,120 --> 01:25:24,550

ones I'm talking about those documents

2013

01:25:29,020 --> 01:25:27,130

are real other people saying they're

2014

01:25:31,810 --> 01:25:29,030

fixed so Stanton Friedman I'm sure you

2015

01:25:33,880 --> 01:25:31,820

Stan Stan Beeman says they're real Kevin

2016

01:25:36,880 --> 01:25:33,890

Randle it was a perfectly serious

2017

01:25:39,160 --> 01:25:36,890

researcher very highly qualified said

2018

01:25:41,290 --> 01:25:39,170

they're fake I gather you go on the side

2019

01:25:43,390 --> 01:25:41,300

of the believers hang on just one second

2020

01:25:46,120 --> 01:25:43,400

first off we can't lump them all

2021

01:25:49,120 --> 01:25:46,130

together in Stan's defense he has come

2022

01:25:51,880 --> 01:25:49,130

out and stated that several in his

2023

01:25:53,500 --> 01:25:51,890

opinion private documents are bogus you

2024

01:25:54,310 --> 01:25:53,510

dad you're throwing the baby out with

2025

01:25:56,920 --> 01:25:54,320

the bathwater

2026

01:25:59,350 --> 01:25:56,930

why is even going to the point of saying

2027

01:26:01,870 --> 01:25:59,360

are there any real ones even assuming

2028

01:26:03,490 --> 01:26:01,880

are on any wheel there's a problem there

2029

01:26:05,380 --> 01:26:03,500

is obviously something that happened

2030

01:26:08,920 --> 01:26:05,390

that's compelling enough to investigate

2031

01:26:10,480 --> 01:26:08,930

even if if you have 19 documents and one

2032

01:26:12,550 --> 01:26:10,490

is real that's fine

2033

01:26:15,580 --> 01:26:12,560

it is that's really something in fact

2034

01:26:18,790 --> 01:26:15,590

I'm sure you're aware of the som Mayo

2035

01:26:22,660 --> 01:26:18,800

the recovering extraterrestrials and

2036

01:26:25,390 --> 01:26:22,670

craft the handbook and of course Bob

2037

01:26:27,760 --> 01:26:25,400

wood who for 43 years was head of

2038

01:26:30,610 --> 01:26:27,770

research and development for McDonnell

2039

01:26:33,400 --> 01:26:30,620

Douglas has done quite an investigation

2040

01:26:37,270 --> 01:26:33,410

of that and he found out that the type

2041

01:26:40,450 --> 01:26:37,280

on that some manual matched government

2042

01:26:42,490 --> 01:26:40,460

printing presses of the 1950s so there

2043

01:26:44,620 --> 01:26:42,500

is lots of evidence to suggest that

2044

01:26:46,840 --> 01:26:44,630

there is some reality and like you said

2045

01:26:48,190 --> 01:26:46,850

I think there are some phony I think I

2046

01:26:50,560 --> 01:26:48,200

think some of them were probably

2047

01:26:53,650 --> 01:26:50,570

legitimate documents that had been

2048

01:26:56,380 --> 01:26:53,660

retyped okay and that of course creates

2049

01:26:58,900 --> 01:26:56,390

a problem because then allows someone

2050

01:27:00,670 --> 01:26:58,910

who's you know looking at fonts and flat

2051
01:27:03,040 --> 01:27:00,680
faces and everything else to say oh I

2052
01:27:05,470 --> 01:27:03,050
can be real thank you a question though

2053
01:27:07,990 --> 01:27:05,480
where do I stand on it well some people

2054
01:27:09,400 --> 01:27:08,000
believe that they're all legitimate and

2055
01:27:13,210 --> 01:27:09,410
some people believe that they're all

2056
01:27:18,340 --> 01:27:13,220
fraudulent and I stand with the people

2057
01:27:19,240 --> 01:27:18,350
which people say I could be a politician

2058
01:27:21,400 --> 01:27:19,250
too

2059
01:27:23,530 --> 01:27:21,410
I know then but then how do you know a

2060
01:27:25,630 --> 01:27:23,540
politician is lying he opens his mouth a

2061
01:27:28,990 --> 01:27:25,640
shield that's right and his lips are

2062
01:27:30,610 --> 01:27:29,000
moving one from us about to let

2063
01:27:32,350 --> 01:27:30,620

smoothing you know if a moonlight is a

2064

01:27:33,730 --> 01:27:32,360

ventriloquist well let me catch

2065

01:27:36,070 --> 01:27:33,740

something you know when I was

2066

01:27:39,220 --> 01:27:36,080

researching form our lives the Fourth

2067

01:27:40,860 --> 01:27:39,230

Reich and of course a lot of the Nazis

2068

01:27:42,900 --> 01:27:40,870

that came over here

2069

01:27:45,690 --> 01:27:42,910

were rolled into our space program Virna

2070

01:27:49,200 --> 01:27:45,700

von braun dornberger these guys big

2071

01:27:53,820 --> 01:27:49,210

decorated Nazis he then became leading

2072

01:27:56,640 --> 01:27:53,830

luminaries in our space program and it's

2073

01:27:59,490 --> 01:27:56,650

amazing that a lot of that stuff was

2074

01:28:01,230 --> 01:27:59,500

going on but what I begin to find out in

2075

01:28:04,290 --> 01:28:01,240

researching I kept coming across these

2076

01:28:06,330 --> 01:28:04,300

names as the same names that were on the

2077

01:28:09,900 --> 01:28:06,340

original Eisenhower briefing document as

2078

01:28:11,370 --> 01:28:09,910

being the original members of mj-12 now

2079

01:28:13,800 --> 01:28:11,380

with the exception of about four

2080

01:28:15,870 --> 01:28:13,810

military guys and those are interesting

2081

01:28:18,450 --> 01:28:15,880

because one was the head of the White

2082

01:28:19,710 --> 01:28:18,460

Sands proving ground who would have had

2083

01:28:21,930 --> 01:28:19,720

to have knowledge of what really

2084

01:28:24,300 --> 01:28:21,940

happened at Roswell another was the base

2085

01:28:26,520 --> 01:28:24,310

commander at Fort Bliss who was in

2086

01:28:28,200 --> 01:28:26,530

charge of the Nazi rocket scientists so

2087

01:28:30,510 --> 01:28:28,210

he probably had a good idea what was

2088

01:28:32,910 --> 01:28:30,520

really going on but with the exception

2089

01:28:34,610 --> 01:28:32,920

of these military belinelli I was from

2090

01:28:37,290 --> 01:28:34,620

wright-patterson which by all accounts

2091

01:28:39,360 --> 01:28:37,300

the wreckage and bodies may have been

2092

01:28:41,400 --> 01:28:39,370

taken - with the exception of these

2093

01:28:44,910 --> 01:28:41,410

military guys all of whom had some

2094

01:28:47,100 --> 01:28:44,920

connection to Roswell the all the rest

2095

01:28:50,040 --> 01:28:47,110

of them over bushed Bronk and all the

2096

01:28:52,680 --> 01:28:50,050

rest of them they all had ties to Wall

2097

01:28:55,890 --> 01:28:52,690

Street and two major financial and

2098

01:28:59,400 --> 01:28:55,900

industrial institutions which is exactly

2099

01:29:06,810 --> 01:28:59,410

Mars

2124

01:30:06,670 --> 01:30:04,640

conspiracy theorist extraordinaire we're

2125

01:30:08,710 --> 01:30:06,680

covering them all on this episode our

2126
01:30:10,180 --> 01:30:08,720
co-host is Frank Lauren Frank you have

2127
01:30:12,100 --> 01:30:10,190
any further questions before I pick up

2128
01:30:14,350 --> 01:30:12,110
on this well it's not necessarily a

2129
01:30:18,520 --> 01:30:14,360
question but just an observation with

2130
01:30:21,550 --> 01:30:18,530
the entire mj-12 scenario if you take

2131
01:30:23,140 --> 01:30:21,560
the specifics out of it all together you

2132
01:30:26,200 --> 01:30:23,150
know first off we know that the

2133
01:30:26,710 --> 01:30:26,210
government investigated UFOs for over 20

2134
01:30:29,380 --> 01:30:26,720
years

2135
01:30:32,080 --> 01:30:29,390
we know that they covered things up and

2136
01:30:34,660 --> 01:30:32,090
if we just go by the mechanics of how

2137
01:30:37,630 --> 01:30:34,670
our government works it stands to reason

2138
01:30:40,390 --> 01:30:37,640

because we have examples of this that

2139

01:30:43,390 --> 01:30:40,400

they put groups of people together and

2140

01:30:45,640 --> 01:30:43,400

put in obviously the more valuable the

2141

01:30:47,050 --> 01:30:45,650

the subject matter the the bigger the

2142

01:30:49,420 --> 01:30:47,060

names that are going to be involved in

2143

01:30:51,280 --> 01:30:49,430

it and if you get Roosevelt in the know

2144

01:30:53,470 --> 01:30:51,290

and then you get all of the the

2145

01:30:55,600 --> 01:30:53,480

scientists that were merged together

2146

01:30:58,600 --> 01:30:55,610

during the Second World War it just

2147

01:31:02,620 --> 01:30:58,610

stands to reason that there was such a

2148

01:31:05,140 --> 01:31:02,630

group involved in investigating UFOs now

2149

01:31:07,270 --> 01:31:05,150

if you set aside the the names that

2150

01:31:11,350 --> 01:31:07,280

we're familiar with with the mj-12 group

2151
01:31:14,920 --> 01:31:11,360
we know that in the summer the beginning

2152
01:31:18,020 --> 01:31:14,930
of 1948 the biggest and brightest minds

2153
01:31:20,419 --> 01:31:18,030
were sitting in Los Alamos and they

2154
01:31:23,120 --> 01:31:20,429
were tasked to investigate the UFO

2155
01:31:25,640 --> 01:31:23,130
phenomenon and in fact the documents

2156
01:31:28,580 --> 01:31:25,650
that say so or we have them posted at

2157
01:31:30,350 --> 01:31:28,590
the UFO Chronicles so and these were

2158
01:31:33,470 --> 01:31:30,360
some of the best and brightest minds in

2159
01:31:35,919 --> 01:31:33,480
this country meaning in the world at the

2160
01:31:39,770 --> 01:31:35,929
time and the better part of those

2161
01:31:41,870 --> 01:31:39,780
fellows and scientists became were soon

2162
01:31:43,790 --> 01:31:41,880
to become Nobel laureates in their

2163
01:31:47,689 --> 01:31:43,800

specific fields and then half of them

2164

01:31:49,189 --> 01:31:47,699

were were physicists so that group we

2165

01:31:51,799 --> 01:31:49,199

can prove without a shadow of a doubt

2166

01:31:54,200 --> 01:31:51,809

were tasked to investigate UFOs so it

2167

01:31:56,209 --> 01:31:54,210

just stands to reason if not them or the

2168

01:31:58,189 --> 01:31:56,219

other names and I'm not going to argue

2169

01:32:00,859 --> 01:31:58,199

the point if they were or were not

2170

01:32:02,990 --> 01:32:00,869

that's how we did business back then

2171

01:32:04,930 --> 01:32:03,000

that's how we do business today amount

2172

01:32:07,549 --> 01:32:04,940

added I mean just use your common sense

2173

01:32:09,379 --> 01:32:07,559

why would they take our best and

2174

01:32:12,040 --> 01:32:09,389

brightest minds and particularly people

2175

01:32:15,379 --> 01:32:12,050

very very knowledgeable in physics and

2176
01:32:17,600 --> 01:32:15,389
assign them to investigate UFOs if they

2177
01:32:19,819 --> 01:32:17,610
truly noon believe that there's no such

2178
01:32:23,479 --> 01:32:19,829
thing or fatigue you know represent just

2179
01:32:26,419 --> 01:32:23,489
some hoax or some test craft not amazing

2180
01:32:30,049 --> 01:32:26,429
yeah precisely no I can tell you about

2181
01:32:30,620 --> 01:32:30,059
the others for example at Rosco Helen

2182
01:32:33,529 --> 01:32:30,630
Cotter

2183
01:32:35,720 --> 01:32:33,539
he was the first CIA director and he

2184
01:32:38,419 --> 01:32:35,730
later joined that cap and stated that

2185
01:32:41,600 --> 01:32:38,429
UFOs were real but the object of quote

2186
01:32:44,709 --> 01:32:41,610
official secrecy and ridicule and he got

2187
01:32:47,629 --> 01:32:44,719
admirals sours the first director of CIA

2188
01:32:50,750 --> 01:32:47,639

and he got the military guys fight at

2189

01:32:52,879 --> 01:32:50,760

Vandenberg okay who is the guy who

2190

01:32:55,310 --> 01:32:52,889

ordered the destruction of projects and

2191

01:32:59,089 --> 01:32:55,320

which is one of the first serious

2192

01:33:01,490 --> 01:32:59,099

studies on UFOs and then you had General

2193

01:33:03,080 --> 01:33:01,500

Robert Montague his base commander fort

2194

01:33:05,089 --> 01:33:03,090

bliss I've already mentioned that he was

2195

01:33:07,850 --> 01:33:05,099

in control of all the paperclip Nazi

2196

01:33:09,830 --> 01:33:07,860

scientists but his responsibilities

2197

01:33:11,810 --> 01:33:09,840

included security at White Sands proving

2198

01:33:13,899 --> 01:33:11,820

ground so he had to know what was going

2199

01:33:16,790 --> 01:33:13,909

on then you got a general Nathan twining

2200

01:33:18,529 --> 01:33:16,800

commander the air material command at

2201

01:33:20,270 --> 01:33:18,539

wright-patterson who he had to know

2202

01:33:22,310 --> 01:33:20,280

what's going on because you know they

2203

01:33:25,549 --> 01:33:22,320

had to fly that stuff with Matt's

2204

01:33:28,490 --> 01:33:25,559

aircraft up to wright-patterson and he's

2205

01:33:30,500 --> 01:33:28,500

the one in the 1945 memo they just now

2206

01:33:31,490 --> 01:33:30,510

be been made public and is totally

2207

01:33:33,740 --> 01:33:31,500

legitimate

2208

01:33:36,770 --> 01:33:33,750

says quote the phenomenon is I was

2209

01:33:40,100 --> 01:33:36,780

reported something real not visionary or

2210

01:33:42,740 --> 01:33:40,110

fictitious and then you go to the other

2211

01:33:44,750 --> 01:33:42,750

members like dr. Vannevar Bush who was

2212

01:33:46,940 --> 01:33:44,760

very close to Averell Harriman of course

2213

01:33:49,160 --> 01:33:46,950

and he had received research grants from

2214

01:33:50,750 --> 01:33:49,170

the Rockefeller Foundation he was also

2215

01:33:52,910 --> 01:33:50,760

on the board of directors of Merck

2216

01:33:55,070 --> 01:33:52,920

pharmaceuticals he got dr. death with

2217

01:33:58,010 --> 01:33:55,080

brock president little rockefeller

2218

01:33:59,630 --> 01:33:58,020

institute for medical research he was on

2219

01:34:02,780 --> 01:33:59,640

the scientific advisory committee at

2220

01:34:05,900 --> 01:34:02,790

Brookhaven and along with dr. Edward

2221

01:34:09,890 --> 01:34:05,910

Condon who of course we know because of

2222

01:34:14,300 --> 01:34:09,900

his debunking efforts and then you got

2223

01:34:16,670 --> 01:34:14,310

dr. Donald Menzel who was a consistently

2224

01:34:19,700 --> 01:34:16,680

debunk to UFOs and yet was a covert

2225

01:34:21,740 --> 01:34:19,710

assistant to the CIA and NSA all right

2226

01:34:23,960 --> 01:34:21,750

now dr. Menza let's mention something

2227

01:34:25,880 --> 01:34:23,970

here because somebody is a covert

2228

01:34:27,830 --> 01:34:25,890

operative during world war ii and lots

2229

01:34:29,270 --> 01:34:27,840

of people were I mean people in show

2230

01:34:31,430 --> 01:34:29,280

business work over eight operatives

2231

01:34:33,770 --> 01:34:31,440

mm-hmm does that necessarily mean that

2232

01:34:36,560 --> 01:34:33,780

he did something in civilian life he was

2233

01:34:38,810 --> 01:34:36,570

put up there to debunk UFOs a put-up job

2234

01:34:40,850 --> 01:34:38,820

well you know how do you prove some like

2235

01:34:43,010 --> 01:34:40,860

that you'd have to prove what was his

2236

01:34:44,930 --> 01:34:43,020

motivations were but he was a life long

2237

01:34:48,230 --> 01:34:44,940

big bunker and yet he was at the heart

2238

01:34:50,960 --> 01:34:48,240

of the institutions in these people who

2239

01:34:53,570 --> 01:34:50,970

obviously took ufos questions seriously

2240

01:34:56,180 --> 01:34:53,580

well and additionally I believe stand

2241

01:34:58,220 --> 01:34:56,190

connected him to the NSA pulled out

2242

01:35:00,620 --> 01:34:58,230

warts ooh yeah and so once you're

2243

01:35:02,210 --> 01:35:00,630

connected to intelligence like that then

2244

01:35:03,890 --> 01:35:02,220

you have to take with large grain of

2245

01:35:06,230 --> 01:35:03,900

salt anything they were doing there same

2246

01:35:07,700 --> 01:35:06,240

because you never knew whether that was

2247

01:35:09,020 --> 01:35:07,710

coming from the heart or whether they

2248

01:35:11,350 --> 01:35:09,030

were ordered to do that

2249

01:35:13,820 --> 01:35:11,360

he's got dr. Laurie Berkner he's a

2250

01:35:16,010 --> 01:35:13,830

subordinate to bend over Bush members of

2251
01:35:19,550 --> 01:35:16,020
Robson panel he was taught in all the

2252
01:35:21,740 --> 01:35:19,560
time and he was president of associated

2253
01:35:24,410 --> 01:35:21,750
universities funded by Brookhaven

2254
01:35:26,930 --> 01:35:24,420
National Lab in others he got dr. Gordon

2255
01:35:29,180 --> 01:35:26,940
gray hair to the reynolds tobacco

2256
01:35:32,420 --> 01:35:29,190
fortune and a memory Council on Foreign

2257
01:35:34,520 --> 01:35:32,430
Relations and his chief consultant on

2258
01:35:37,400 --> 01:35:34,530
the psychological Strategy Board was

2259
01:35:39,560 --> 01:35:37,410
none other than Henry Kissinger so you

2260
01:35:41,450 --> 01:35:39,570
see the caliber and you see the level

2261
01:35:43,790 --> 01:35:41,460
for these guys were operating on and

2262
01:35:44,500 --> 01:35:43,800
again they wouldn't have been wasting

2263
01:35:47,410 --> 01:35:44,510

the time on

2264

01:35:50,080 --> 01:35:47,420

athos if they truly knew that there was

2265

01:35:52,870 --> 01:35:50,090

no such thing this is to me smacks of

2266

01:35:54,640 --> 01:35:52,880

cover-up and just to put the icing on

2267

01:35:58,060 --> 01:35:54,650

the cake the scientists that I had

2268

01:36:01,470 --> 01:35:58,070

referred to earlier were sitting in Los

2269

01:36:04,660 --> 01:36:01,480

Alamos scientific laboratory February 16

2270

01:36:07,600 --> 01:36:04,670

1949 and some of those names included

2271

01:36:11,470 --> 01:36:07,610

dr. Bradberry Holloway Hoyt Manley

2272

01:36:13,990 --> 01:36:11,480

Raines and dr. Edward Teller and Lincoln

2273

01:36:16,660 --> 01:36:14,000

La Paz was also also attended that

2274

01:36:20,830 --> 01:36:16,670

meeting and this was mandatory they were

2275

01:36:23,620 --> 01:36:20,840

tasked to look into the aerial phenomena

2276

01:36:26,649 --> 01:36:23,630

as this document is labeled and by the

2277

01:36:29,439 --> 01:36:26,659

way it's labeled secret right let me

2278

01:36:31,299 --> 01:36:29,449

talk to you from Lyndon Johnson as a

2279

01:36:35,020 --> 01:36:31,309

senator speaking to the Senate

2280

01:36:38,020 --> 01:36:35,030

Democratic caucus he says quote control

2281

01:36:41,379 --> 01:36:38,030

of space means control of the world from

2282

01:36:42,970 --> 01:36:41,389

space the Masters of infinity would have

2283

01:36:45,669 --> 01:36:42,980

the power to control the Earth's weather

2284

01:36:47,919 --> 01:36:45,679

to cause drought and flood to change the

2285

01:36:49,839 --> 01:36:47,929

tides raise the level of the sea to

2286

01:36:52,359 --> 01:36:49,849

divert the Gulf Stream change the

2287

01:36:54,520 --> 01:36:52,369

climate to frigid this is the ultimate

2288

01:36:57,009 --> 01:36:54,530

position the position of total control

2289

01:37:02,589 --> 01:36:57,019

over the earth to last somewhere in

2290

01:37:04,419 --> 01:37:02,599

outer space and he said this in 1958 so

2291

01:37:06,729 --> 01:37:04,429

it really makes you wonder you know

2292

01:37:08,740 --> 01:37:06,739

again what did they know and what were

2293

01:37:10,750 --> 01:37:08,750

they working on control of weather

2294

01:37:13,660 --> 01:37:10,760

control those tides controlled the

2295

01:37:15,250 --> 01:37:13,670

tsunamis controller hurricane hello and

2296

01:37:19,299 --> 01:37:15,260

I would really like to know what he

2297

01:37:22,629 --> 01:37:19,309

meant by the Masters of infinity sounds

2298

01:37:28,120 --> 01:37:22,639

like the secret government because yes

2299

01:37:30,640 --> 01:37:28,130

is the new band yeah that's why I think

2300

01:37:33,640 --> 01:37:30,650

a new oral order is actually just a

2301

01:37:34,810 --> 01:37:33,650

resurgence of the old world order we

2302

01:37:36,459 --> 01:37:34,820

haven't gone back to the history of the

2303

01:37:38,350 --> 01:37:36,469

UFO field but let's kind of take it

2304

01:37:40,629 --> 01:37:38,360

further up the line here okay in

2305

01:37:43,029 --> 01:37:40,639

connection with the recovery alleged

2306

01:37:46,029 --> 01:37:43,039

recovery of UFO technology we have

2307

01:37:47,410 --> 01:37:46,039

Roswell we might have Aztec you know we

2308

01:37:49,479 --> 01:37:47,420

had a discussion last week on that

2309

01:37:51,459 --> 01:37:49,489

technique Mexico so maybe they recovered

2310

01:37:55,209 --> 01:37:51,469

it there okay having recovered this

2311

01:37:56,979 --> 01:37:55,219

stuff in 1947 1948 do we have a damn

2312

01:37:58,000 --> 01:37:56,989

clue as to what it's all about could we

2313

01:38:00,040 --> 01:37:58,010

even

2314

01:38:02,590 --> 01:38:00,050

reverse-engineer any of this stuff well

2315

01:38:04,510 --> 01:38:02,600

of course dr. Edgar Mitchell the sixth

2316

01:38:06,930 --> 01:38:04,520

man Lionel the man has stated publicly

2317

01:38:09,550 --> 01:38:06,940

that a lot of our modern scientific

2318

01:38:12,040 --> 01:38:09,560

breakthroughs has been based on the back

2319

01:38:14,260 --> 01:38:12,050

engineering of UFO technology what else

2320

01:38:17,290 --> 01:38:14,270

do you need really amazing and the other

2321

01:38:19,570 --> 01:38:17,300

story that amazes me is the story of the

2322

01:38:24,010 --> 01:38:19,580

giant satellites that I stumble across

2323

01:38:26,800 --> 01:38:24,020

while researching my book alien agenda

2324

01:38:30,400 --> 01:38:26,810

and that was and I think La Paz was

2325

01:38:34,930 --> 01:38:30,410

mixed up in this they found in this was

2326

01:38:38,140 --> 01:38:34,940

like 1956 prior to the launching of

2327

01:38:42,400 --> 01:38:38,150

Sputnik we find that in fact here the

2328

01:38:45,370 --> 01:38:42,410

New York Times in October 1954 says a

2329

01:38:47,920 --> 01:38:45,380

second moon oh it was Clyde Tombaugh

2330

01:38:49,180 --> 01:38:47,930

discovered planet Pluto said to be

2331

01:38:51,130 --> 01:38:49,190

searching for moonlets

2332

01:38:53,020 --> 01:38:51,140

they think that a moonlit could be

2333

01:38:56,560 --> 01:38:53,030

nothing more than the meteor sized

2334

01:38:59,979 --> 01:38:56,570

rocket via regular form they discovered

2335

01:39:02,710 --> 01:38:59,989

and reported on at the time briefly that

2336

01:39:04,810 --> 01:39:02,720

they found two giant satellites orbiting

2337

01:39:07,420 --> 01:39:04,820

the Earth at fifteen sixteen hundred

2338

01:39:10,030 --> 01:39:07,430

miles an hour about 1,800 miles up both

2339

01:39:12,460 --> 01:39:10,040

of them near the equator and Tom ball

2340

01:39:15,040 --> 01:39:12,470

came on I had I found a clipping in an

2341

01:39:17,440 --> 01:39:15,050

old Newsweek magazine at the time where

2342

01:39:19,450 --> 01:39:17,450

they were asking amateur astronomers to

2343

01:39:21,490 --> 01:39:19,460

be on the lookout and to look southward

2344

01:39:23,920 --> 01:39:21,500

to see if they could get a look at these

2345

01:39:25,630 --> 01:39:23,930

satellites and that then other

2346

01:39:28,570 --> 01:39:25,640

scientists were saying that we might use

2347

01:39:29,200 --> 01:39:28,580

these satellites as stepping stones to

2348

01:39:30,820 --> 01:39:29,210

the moon

2349

01:39:33,550 --> 01:39:30,830

in other words launch a rocket land on

2350

01:39:34,990 --> 01:39:33,560

one satellite and then launch off land

2351
01:39:37,150 --> 01:39:35,000
on the other and then you know you're

2352
01:39:38,410 --> 01:39:37,160
almost in outer space and from there you

2353
01:39:41,380 --> 01:39:38,420
could go ahead and launch toward the

2354
01:39:42,760 --> 01:39:41,390
moon without having to use up tons of

2355
01:39:45,460 --> 01:39:42,770
fuel trying to get through the Earth's

2356
01:39:49,210 --> 01:39:45,470
atmosphere and then all of a sudden then

2357
01:39:51,190 --> 01:39:49,220
went away and nobody today talks about

2358
01:39:53,979 --> 01:39:51,200
these giant satellites where does it

2359
01:39:56,470 --> 01:39:53,989
come from and where do they go amazing

2360
01:39:58,630 --> 01:39:56,480
story okay but we're still looking here

2361
01:40:01,750 --> 01:39:58,640
about the reverse engineering is that

2362
01:40:05,280 --> 01:40:01,760
you're saying an evidentiary piece of

2363
01:40:08,050 --> 01:40:05,290

information about some sort of earth

2364

01:40:10,479 --> 01:40:08,060

developed satellite system based on

2365

01:40:11,080 --> 01:40:10,489

alien technology or in a long now I

2366

01:40:15,880 --> 01:40:11,090

think

2367

01:40:18,120 --> 01:40:15,890

have that technology now that was a

2368

01:40:21,160 --> 01:40:18,130

second offense acidity giant satellites

2369

01:40:22,900 --> 01:40:21,170

that kind of came in with I think that's

2370

01:40:26,850 --> 01:40:22,910

evidence of somebody out there other

2371

01:40:29,950 --> 01:40:26,860

than us no I think it took some time to

2372

01:40:33,730 --> 01:40:29,960

back engineer to understand and to

2373

01:40:35,140 --> 01:40:33,740

replicate ESO technology but I think

2374

01:40:38,520 --> 01:40:35,150

it's obvious some of the things we got

2375

01:40:41,800 --> 01:40:38,530

from that night vision fiber optics

2376

01:40:43,750 --> 01:40:41,810

computer miniaturization fabrics that

2377

01:40:46,690 --> 01:40:43,760

yeah but you're basically repeating what

2378

01:40:48,430 --> 01:40:46,700

so Chris wrote the book eparchy and

2379

01:40:50,380 --> 01:40:48,440

here's the thing here's that information

2380

01:40:52,000 --> 01:40:50,390

so write it out Jim here's the thing

2381

01:40:57,000 --> 01:40:52,010

makes me skeptical about some of this

2382

01:40:57,010 --> 01:41:02,020

never know what's going to happen the

2399

01:42:00,859 --> 01:41:59,070

next we have jim marris conspiracy

2400

01:42:03,350 --> 01:42:00,869

theorist extraordinaire we're covering

2401

01:42:05,330 --> 01:42:03,360

now the UFO mystery we start earlier

2402

01:42:07,760 --> 01:42:05,340

with 9/11 and the Kennedy assassination

2403

01:42:10,220 --> 01:42:07,770

which could really go to a lot of

2404

01:42:12,379 --> 01:42:10,230

subjects but we're focusing on UFOs just

2405

01:42:15,410 --> 01:42:12,389

now okay David the Edna and I were

2406

01:42:17,479 --> 01:42:15,420

speculating about how our technology

2407

01:42:23,209 --> 01:42:17,489

would look fifty or hundred years ago so

2408

01:42:26,209 --> 01:42:23,219

say in 1910 we sent back an iPhone okay

2409

01:42:28,459 --> 01:42:26,219

listen back an iPhone to 1910 and we

2410

01:42:30,859 --> 01:42:28,469

walk over to one of their it's colored

2411

01:42:32,839 --> 01:42:30,869

pictures on it right but the battery is

2412

01:42:34,669 --> 01:42:32,849

going to fade out you know on a few

2413

01:42:36,649 --> 01:42:34,679

hours so maybe I did the battery is

2414

01:42:39,020 --> 01:42:36,659

fully charged but once the battery fades

2415

01:42:40,879 --> 01:42:39,030

out you know yes I suppose you could

2416

01:42:42,740 --> 01:42:40,889

reverse engineer a way to recharge it

2417

01:42:44,780 --> 01:42:42,750

but where do you get your files is no

2418

01:42:46,550 --> 01:42:44,790

internet it feels there as well how do

2419

01:42:48,500 --> 01:42:46,560

you figure the darn thing out then

2420

01:42:50,060 --> 01:42:48,510

you've hit a bomb a very very pertinent

2421

01:42:52,220 --> 01:42:50,070

point and all that low she's just

2422

01:42:55,220 --> 01:42:52,230

another analogy and let's say you're not

2423

01:42:59,209 --> 01:42:55,230

going at a machine and we go back to go

2424

01:43:01,399 --> 01:42:59,219

just year 1900 okay and we know about

2425

01:43:06,050 --> 01:43:01,409

modern cars and we know how there were

2426

01:43:08,330 --> 01:43:06,060

can we build a modern car no because we

2427

01:43:11,000 --> 01:43:08,340

can he build a spark plug there were the

2428

01:43:13,459 --> 01:43:11,010

infrastructure for making that kind of

2429

01:43:13,720 --> 01:43:13,469

technology was not in place that's what

2430

01:43:15,910 --> 01:43:13,730

you're

2431

01:43:18,370 --> 01:43:15,920

talk about and it's absolutely true and

2432

01:43:22,210 --> 01:43:18,380

that's why it took a long time for us to

2433

01:43:24,070 --> 01:43:22,220

utilize yo so back engineered technology

2434

01:43:27,040 --> 01:43:24,080

because in lots of instances the

2435

01:43:29,590 --> 01:43:27,050

infrastructure for even megasuck making

2436

01:43:31,540 --> 01:43:29,600

the basic components was not there but

2437

01:43:34,180 --> 01:43:31,550

hey we're moving right along we're

2438

01:43:36,729 --> 01:43:34,190

making headway because if you go back

2439

01:43:38,560 --> 01:43:36,739

and really stop and think about it say

2440

01:43:41,740 --> 01:43:38,570

between the Year about the time of

2441

01:43:43,920 --> 01:43:41,750

Christ 2,000 years ago and then up to

2442

01:43:47,080 --> 01:43:43,930

about a thousand years ago the

2443

01:43:48,820 --> 01:43:47,090

technology on earth barely evolved it

2444

01:43:51,040 --> 01:43:48,830

just kind of moved for that a little

2445

01:43:53,770 --> 01:43:51,050

better steel in the head and when they

2446

01:43:56,229 --> 01:43:53,780

had the Creoles you know and then from

2447

01:43:58,990 --> 01:43:56,239

next thousand years up to the modern era

2448

01:44:03,190 --> 01:43:59,000

it improved again but somewhat slowly

2449

01:44:06,490 --> 01:44:03,200

and then from 1900 to about 1950 the

2450

01:44:08,860 --> 01:44:06,500

general technology in the world the

2451

01:44:11,380 --> 01:44:08,870

knowledge about that it kind of doubles

2452

01:44:14,170 --> 01:44:11,390

okay because of the rapid communication

2453

01:44:16,990 --> 01:44:14,180

and the printing press and the

2454

01:44:18,790 --> 01:44:17,000

Telegraph's and typewriters and so you

2455

01:44:22,750 --> 01:44:18,800

know we're able to communicate move will

2456

01:44:25,870 --> 01:44:22,760

faster Bush from 1950 just in 1965 it

2457

01:44:29,229 --> 01:44:25,880

double again from 1965 to 1970 a double

2458

01:44:31,380 --> 01:44:29,239

again I mean I could show my age but

2459

01:44:34,750 --> 01:44:31,390

when I was a kid there was no television

2460

01:44:36,550 --> 01:44:34,760

and there was no air conditioning says

2461

01:44:39,640 --> 01:44:36,560

here you were born in 1943

2462

01:44:42,670 --> 01:44:39,650

so in 1943 we didn't have television it

2463

01:44:45,160 --> 01:44:42,680

didn't involve every member of the

2464

01:44:47,320 --> 01:44:45,170

family it was still in testing but we

2465

01:44:49,479 --> 01:44:47,330

had television it basically didn't come

2466

01:44:51,220 --> 01:44:49,489

about in any degree in terms of mass

2467

01:44:54,490 --> 01:44:51,230

production until the late 40s and early

2468

01:44:56,530 --> 01:44:54,500

50s that's right that's right but now I

2469

01:44:58,600 --> 01:44:56,540

mentioned though and that television was

2470

01:45:01,120 --> 01:44:58,610

not unheard of they'd been experimenting

2471

01:45:04,440 --> 01:45:01,130

with television since the 1920s in fact

2472

01:45:07,630 --> 01:45:04,450

during the Berlin Olympics of 1936

2473

01:45:10,720 --> 01:45:07,640

hundreds of thousands of Germans would

2474

01:45:13,840 --> 01:45:10,730

gather at dozens of locations around

2475

01:45:17,050 --> 01:45:13,850

Berlin and they watched the Berlin

2476

01:45:19,360 --> 01:45:17,060

Olympics on television okay so they had

2477

01:45:21,130 --> 01:45:19,370

television well and that was is that we

2478

01:45:23,510 --> 01:45:21,140

didn't have it the public didn't have it

2479

01:45:25,880 --> 01:45:23,520

I don't think we got in my day

2480

01:45:27,170 --> 01:45:25,890

ed was you know he just sawmill class he

2481

01:45:30,730 --> 01:45:27,180

had a little bit of money his credit was

2482

01:45:33,440 --> 01:45:30,740

good and we didn't have a TV tole

2483

01:45:34,640 --> 01:45:33,450

1953-54 or something like that I think

2484

01:45:37,130 --> 01:45:34,650

that's pretty common I remember watching

2485

01:45:38,900 --> 01:45:37,140

captain video on television yeah science

2486

01:45:40,760 --> 01:45:38,910

fiction you remember that the old do my

2487

01:45:42,350 --> 01:45:40,770

eye works we're now reminiscing about

2488

01:45:44,780 --> 01:45:42,360

things that even Frank Warren doesn't

2489

01:45:47,540 --> 01:45:44,790

remember okay the point of here is that

2490

01:45:50,000 --> 01:45:47,550

why do we have to assume fiber optics

2491

01:45:52,160 --> 01:45:50,010

night-vision goggles printed circuits

2492

01:45:54,530 --> 01:45:52,170

were based on alien technology

2493

01:45:57,400 --> 01:45:54,540

didn't we technology ourselves we had

2494

01:46:00,200 --> 01:45:57,410

all those Germans scientists we got from

2495

01:46:02,390 --> 01:46:00,210

but you know we're not your laboratories

2496

01:46:04,040 --> 01:46:02,400

why shouldn't we do it why yeah but

2497

01:46:04,400 --> 01:46:04,050

here's the thing by the end of World War

2498

01:46:07,370 --> 01:46:04,410

two

2499

01:46:09,950 --> 01:46:07,380

it is now historic fact that the Nazis

2500

01:46:11,660 --> 01:46:09,960

had flying saucers on the drawing board

2501

01:46:14,150 --> 01:46:11,670

the only argument is did they really

2502

01:46:16,040 --> 01:46:14,160

ever have one that was operable and I

2503

01:46:17,990 --> 01:46:16,050

think evidence points to the fact that

2504

01:46:20,150 --> 01:46:18,000

they did but if that's still

2505

01:46:23,780 --> 01:46:20,160

controversial but they also had the

2506

01:46:25,250 --> 01:46:23,790

world's first jet fighter than me 262 by

2507

01:46:27,800 --> 01:46:25,260

the way it towards me in the war they

2508

01:46:29,960 --> 01:46:27,810

had television guided missiles okay

2509

01:46:32,000 --> 01:46:29,970

luckily they didn't happen in the

2510

01:46:34,460 --> 01:46:32,010

production lines but they were working

2511

01:46:36,710 --> 01:46:34,470

on and they had night vision they had

2512

01:46:39,170 --> 01:46:36,720

the vampire which was a night vision

2513

01:46:40,760 --> 01:46:39,180

scope where did they get all this

2514

01:46:44,000 --> 01:46:40,770

technology well let me tell you guys

2515

01:46:46,550 --> 01:46:44,010

this is really fascinating they got it

2516

01:46:48,410 --> 01:46:46,560

because they had you know I've heard for

2517

01:46:50,390 --> 01:46:48,420

years people said well they were covered

2518

01:46:52,070 --> 01:46:50,400

in yellow somewhere and offered various

2519

01:46:54,470 --> 01:46:52,080

stories they got one in North Africa and

2520

01:46:57,110 --> 01:46:54,480

they got one Czech was like it that one

2521

01:46:59,030 --> 01:46:57,120

Western Poland but yet every kind of

2522

01:47:00,620 --> 01:46:59,040

tried to check those stories out they

2523

01:47:02,510 --> 01:47:00,630

never really went anywhere there's no

2524

01:47:05,450 --> 01:47:02,520

real hard evidence they ever got any

2525

01:47:08,060 --> 01:47:05,460

real hardware but obviously they had

2526
01:47:10,820 --> 01:47:08,070
some sort of pipeline to high-technology

2527
01:47:13,280 --> 01:47:10,830
where'd they get it I now suspect that

2528
01:47:15,620 --> 01:47:13,290
they got it through what back in the

2529
01:47:18,530 --> 01:47:15,630
nineteen hundreds and early 20s was

2530
01:47:20,780 --> 01:47:18,540
called spiritualism okay where they

2531
01:47:22,400 --> 01:47:20,790
would have seance

2532
01:47:25,760 --> 01:47:22,410
type things they sit around and they

2533
01:47:28,760 --> 01:47:25,770
would go out with their minds in other

2534
01:47:29,990 --> 01:47:28,770
words psychic ability now of course

2535
01:47:32,120 --> 01:47:30,000
there's still a lot of people going to

2536
01:47:32,840 --> 01:47:32,130
roll her eyes and go psychic ability

2537
01:47:35,300 --> 01:47:32,850
well hey

2538
01:47:37,390 --> 01:47:35,310

the CIA worked with psychic ability

2539

01:47:39,580 --> 01:47:37,400

proved it in the laboratories

2540

01:47:41,880 --> 01:47:39,590

army picked it up used it operationally

2541

01:47:43,030 --> 01:47:41,890

in the seventies maybe under the name

2542

01:47:46,120 --> 01:47:43,040

remote-viewing

2543

01:47:48,700 --> 01:47:46,130

and they're still using it so yes still

2544

01:47:50,439 --> 01:47:48,710

using it now all the discussions we've

2545

01:47:52,570 --> 01:47:50,449

had before remote viewing was something

2546

01:47:54,310 --> 01:47:52,580

they experimented with some years back

2547

01:47:56,770 --> 01:47:54,320

but it didn't continue your singing

2548

01:48:00,340 --> 01:47:56,780

continues well what they will tell you

2549

01:48:03,010 --> 01:48:00,350

today is is there is no longer a unit

2550

01:48:05,080 --> 01:48:03,020

dedicated to remote viewing and that is

2551
01:48:07,540 --> 01:48:05,090
technically true what they've done today

2552
01:48:09,610 --> 01:48:07,550
is they've taken the people who have

2553
01:48:12,010 --> 01:48:09,620
proven to be very good at remote viewing

2554
01:48:14,260 --> 01:48:12,020
and they have embedded them in a variety

2555
01:48:16,899 --> 01:48:14,270
of agencies and organizations in other

2556
01:48:18,490 --> 01:48:16,909
words the Navy SEALs Army Rangers so I

2557
01:48:20,290 --> 01:48:18,500
understand it when they go on and off

2558
01:48:22,899 --> 01:48:20,300
they carry at least one remote viewer

2559
01:48:24,850 --> 01:48:22,909
willing and after all what commander

2560
01:48:26,590 --> 01:48:24,860
doesn't want at least somebody there it

2561
01:48:29,290 --> 01:48:26,600
might be able to tell him what's over

2562
01:48:31,120 --> 01:48:29,300
the next hill so that's what's going on

2563
01:48:33,250 --> 01:48:31,130

there but here's what I want to impart

2564

01:48:36,070 --> 01:48:33,260

to you guys they picked up a lot of this

2565

01:48:38,860 --> 01:48:36,080

from the Nazis and the Nazis had a

2566

01:48:43,090 --> 01:48:38,870

psychic program that they were messing

2567

01:48:46,360 --> 01:48:43,100

with under the codename magic ma ji K

2568

01:48:49,630 --> 01:48:46,370

which is the German spelling

2569

01:48:52,419 --> 01:48:49,640

I will admit this is now I will say this

2570

01:48:53,110 --> 01:48:52,429

is theory most everything else I said is

2571

01:48:56,350 --> 01:48:53,120

packed

2572

01:48:58,780 --> 01:48:56,360

this is theory but I theorized that when

2573

01:49:01,860 --> 01:48:58,790

they brought the Nazi rocket scientist

2574

01:49:04,810 --> 01:49:01,870

mind control experts chemical warfare

2575

01:49:08,260 --> 01:49:04,820

biological warfare experts over they

2576

01:49:11,410 --> 01:49:08,270

also brought their magic people who were

2577

01:49:14,320 --> 01:49:11,420

into psychic experimentation and that's

2578

01:49:16,990 --> 01:49:14,330

where we picked up on some of the

2579

01:49:19,630 --> 01:49:17,000

advanced knowledge and technology that

2580

01:49:22,720 --> 01:49:19,640

they had and I think it's really

2581

01:49:25,780 --> 01:49:22,730

interesting that their program was magic

2582

01:49:29,520 --> 01:49:25,790

image AI K and our first national

2583

01:49:31,959 --> 01:49:29,530

security program in charge of UFOs

2584

01:49:36,490 --> 01:49:31,969

extraterrestrials advanced technologies

2585

01:49:39,399 --> 01:49:36,500

was magic 12 and made GIC the anglicized

2586

01:49:43,390 --> 01:49:39,409

version of magic not a coincidence now

2587

01:49:45,610 --> 01:49:43,400

what a coinkidink but I'm just

2588

01:49:48,280 --> 01:49:45,620

conspiracy clear so hey don't believe me

2589

01:49:51,220 --> 01:49:48,290

okay in fact see that's where I'm

2590

01:49:53,230 --> 01:49:51,230

different from the politicians in the TV

2591

01:49:55,420 --> 01:49:53,240

since they'll say hey trust me believe

2592

01:49:58,180 --> 01:49:55,430

me I've got it here it is listen they

2593

01:50:01,360 --> 01:49:58,190

follow what I say you know I don't say

2594

01:50:03,310 --> 01:50:01,370

that I say listen to me go out check it

2595

01:50:05,500 --> 01:50:03,320

out for yourself and see if I'm not

2596

01:50:06,550 --> 01:50:05,510

telling you the truth and at that point

2597

01:50:08,500 --> 01:50:06,560

then you don't have to worry about

2598

01:50:09,850 --> 01:50:08,510

whether you believe me or not you'll

2599

01:50:11,290 --> 01:50:09,860

know it for yourself

2600

01:50:12,700 --> 01:50:11,300

well let's look at that we only have a

2601
01:50:14,410 --> 01:50:12,710
few minutes left so maybe look at

2602
01:50:15,940 --> 01:50:14,420
proving any of this stuff so how do we

2603
01:50:18,280 --> 01:50:15,950
get a handle it you know we have all

2604
01:50:20,920 --> 01:50:18,290
this tantalizing information and the

2605
01:50:24,640 --> 01:50:20,930
absolute proof you can go forth with and

2606
01:50:26,860 --> 01:50:24,650
just go on TV or major newspapers and

2607
01:50:29,950 --> 01:50:26,870
say here it is The Smoking Gun where's

2608
01:50:32,350 --> 01:50:29,960
our smoking gun hmm it's a good question

2609
01:50:34,690 --> 01:50:32,360
I've actually held in my hand this is a

2610
01:50:37,980 --> 01:50:34,700
very light and odd-looking metal that

2611
01:50:41,080 --> 01:50:37,990
purported to come from the Roswell crash

2612
01:50:43,990 --> 01:50:41,090
I've seen photographs that are actually

2613
01:50:45,820 --> 01:50:44,000

a lot better than just blobs of light in

2614

01:50:47,950 --> 01:50:45,830

the night sky and I'm sure you guys have

2615

01:50:50,440 --> 01:50:47,960

too so there's plenty of photographic

2616

01:50:52,270 --> 01:50:50,450

evidence in fact you think about it and

2617

01:50:55,900 --> 01:50:52,280

when I started being interested in UFOs

2618

01:50:57,880 --> 01:50:55,910

in 50 60 the big counter-argument was is

2619

01:51:01,150 --> 01:50:57,890

that they were just hallucinations or

2620

01:51:04,570 --> 01:51:01,160

perhaps a mass psychosis and you know as

2621

01:51:07,810 --> 01:51:04,580

a young reporter I thought whoa a here

2622

01:51:11,470 --> 01:51:07,820

before undiagnosed contagious mass

2623

01:51:12,970 --> 01:51:11,480

psychosis what a story but we don't hear

2624

01:51:14,950 --> 01:51:12,980

anything about that anymore do we

2625

01:51:16,690 --> 01:51:14,960

and we don't hear the explanation of

2626
01:51:19,060 --> 01:51:16,700
hallucinations anymore and why is that

2627
01:51:21,700 --> 01:51:19,070
because of the advent of the camcorder

2628
01:51:23,710 --> 01:51:21,710
and the cell phones now that take

2629
01:51:26,200 --> 01:51:23,720
pictures all you got doing is going

2630
01:51:28,330 --> 01:51:26,210
internet and then type in UFOs and

2631
01:51:30,460 --> 01:51:28,340
you're going to find more stuff than you

2632
01:51:32,500 --> 01:51:30,470
have time to look at there's hardly a

2633
01:51:34,180 --> 01:51:32,510
day goes by somebody somewhere in the

2634
01:51:36,340 --> 01:51:34,190
world doesn't get a perfect decent

2635
01:51:40,050 --> 01:51:36,350
photograph of the UFO and of course

2636
01:51:44,110 --> 01:51:40,060
folks you can't take a photograph of a

2637
01:51:46,570 --> 01:51:44,120
psychosis or a hallucination so there's

2638
01:51:49,450 --> 01:51:46,580

something real it's there and this is

2639

01:51:52,360 --> 01:51:49,460

why we are slowly but surely breaking

2640

01:51:55,150 --> 01:51:52,370

out of the moratorium on thinking about

2641

01:51:56,530 --> 01:51:55,160

UFOs because now they really can't deny

2642

01:51:57,790 --> 01:51:56,540

that there's something there so now

2643

01:52:00,940 --> 01:51:57,800

essentially saying well it's

2644

01:52:02,440 --> 01:52:00,950

experimental test craft and you just

2645

01:52:04,629 --> 01:52:02,450

don't understand this and you don't need

2646

01:52:07,330 --> 01:52:04,639

to be looking at this silly subject

2647

01:52:08,979 --> 01:52:07,340

and that's very real in fact I will say

2648

01:52:10,330 --> 01:52:08,989

this to everyone listening if you're

2649

01:52:12,250 --> 01:52:10,340

trying to figure out what's going on in

2650

01:52:14,799 --> 01:52:12,260

the world and you dismiss the whole

2651
01:52:16,569 --> 01:52:14,809
issue of UFOs then you're never going to

2652
01:52:18,189 --> 01:52:16,579
know what's really going on in the world

2653
01:52:19,659 --> 01:52:18,199
because you've just tossed out a big

2654
01:52:23,500 --> 01:52:19,669
piece of the puzzle well in another

2655
01:52:26,199 --> 01:52:23,510
point to Jim you have to go back to at

2656
01:52:28,449 --> 01:52:26,209
least a common agreement remember that

2657
01:52:30,669 --> 01:52:28,459
the powers that be have never said that

2658
01:52:33,959 --> 01:52:30,679
UFOs don't exist in fact the very term

2659
01:52:36,909 --> 01:52:33,969
UFO is an Air Force term born in 1952

2660
01:52:38,949 --> 01:52:36,919
even at the end of Bluebook they didn't

2661
01:52:41,350 --> 01:52:38,959
say UFOs didn't exist they said they're

2662
01:52:42,790 --> 01:52:41,360
not a threat to national security

2663
01:52:44,290 --> 01:52:42,800

which would lead one to believe that

2664

01:52:46,029 --> 01:52:44,300

they more than know more than what

2665

01:52:48,250 --> 01:52:46,039

they're saying it's also just common

2666

01:52:51,310 --> 01:52:48,260

sense because think about it let's just

2667

01:52:53,739 --> 01:52:51,320

go back to 1947 with Roswell and the big

2668

01:52:56,859 --> 01:52:53,749

first big flap of everybody seeing

2669

01:52:59,799 --> 01:52:56,869

flying saucers and all like that if

2670

01:53:02,759 --> 01:52:59,809

their intention was to invade the earth

2671

01:53:05,770 --> 01:53:02,769

and blow up our cities as in

2672

01:53:07,750 --> 01:53:05,780

Independence Day then why didn't they do

2673

01:53:09,759 --> 01:53:07,760

it then because then the only thing we

2674

01:53:12,879 --> 01:53:09,769

had to oppose them was propeller driven

2675

01:53:14,409 --> 01:53:12,889

aircraft it's caliber machine gun so

2676
01:53:17,169 --> 01:53:14,419
what respect to think that they're going

2677
01:53:19,929 --> 01:53:17,179
to wait you know 60 70 years of where we

2678
01:53:22,330 --> 01:53:19,939
have space platforms and and laser

2679
01:53:24,669 --> 01:53:22,340
weaponry and all kinds of stuff no I

2680
01:53:27,699 --> 01:53:24,679
think it's obvious that they are not a

2681
01:53:29,949 --> 01:53:27,709
direct threat to us so when the Air

2682
01:53:31,779 --> 01:53:29,959
Force says well they're no threat to

2683
01:53:33,819 --> 01:53:31,789
national security that's true but that's

2684
01:53:37,239 --> 01:53:33,829
not saying as you so well pointed out

2685
01:53:39,009 --> 01:53:37,249
that they don't exist and personally to

2686
01:53:42,370 --> 01:53:39,019
go back to genes question where is the

2687
01:53:44,830 --> 01:53:42,380
smoking gun I don't think the smoking

2688
01:53:46,870 --> 01:53:44,840

gun isn't any one thing it is the drawn

2689

01:53:48,850 --> 01:53:46,880

dress of evidence from the very

2690

01:53:50,909 --> 01:53:48,860

beginning of what we deemed modern-day

2691

01:53:54,009 --> 01:53:50,919

ufology which which most of us agrees

2692

01:53:57,009 --> 01:53:54,019

1947 but perhaps it's 1942

2693

01:54:00,459 --> 01:53:57,019

maybe Roosevelt was in the know which is

2694

01:54:02,889 --> 01:54:00,469

our 1897 for even birth that's

2695

01:54:04,719 --> 01:54:02,899

correction when I was doing a video on

2696

01:54:07,569 --> 01:54:04,729

the roar spaceship crash I was at the

2697

01:54:10,179 --> 01:54:07,579

Wise County Courthouse and Aurora is in

2698

01:54:12,429 --> 01:54:10,189

last County and a young guy and his

2699

01:54:14,020 --> 01:54:12,439

young boy came up to me said what are

2700

01:54:15,790 --> 01:54:14,030

you doing I said well we're just doing

2701

01:54:18,190 --> 01:54:15,800

this documentary on this the old

2702

01:54:19,780 --> 01:54:18,200

spaceship crashing roars you know I know

2703

01:54:21,760 --> 01:54:19,790

that my grandfather was there and tell

2704

01:54:24,730 --> 01:54:21,770

me all about it so I said whoa sit down

2705

01:54:28,000 --> 01:54:24,740

here hating Santa we could release and

2706

01:54:30,190 --> 01:54:28,010

turn the camera on and of course his his

2707

01:54:32,230 --> 01:54:30,200

story pretty much coincided he said his

2708

01:54:33,850 --> 01:54:32,240

dad and some friends were working they

2709

01:54:36,640 --> 01:54:33,860

heard this big explosion the ground

2710

01:54:38,470 --> 01:54:36,650

shook now in town she was going on it's

2711

01:54:38,890 --> 01:54:38,480

in those pieces metal on all over the

2712

01:54:41,710 --> 01:54:38,900

place

2713

01:54:43,120 --> 01:54:41,720

but he told me a kid bit of information

2714

01:54:44,860 --> 01:54:43,130

that I had never heard before

2715

01:54:47,050 --> 01:54:44,870

he said his grandfather told him that

2716

01:54:49,630 --> 01:54:47,060

within hours representatives of every

2717

01:54:51,760 --> 01:54:49,640

law enforcement agency in the in the

2718

01:54:53,620 --> 01:54:51,770

north part of Texas was showing up I

2719

01:54:55,720 --> 01:54:53,630

said what would they do you said well

2720

01:54:58,060 --> 01:54:55,730

but you know behalf of them we're going

2721

01:55:00,040 --> 01:54:58,070

around saying okay folks going home and

2722

01:55:01,690 --> 01:55:00,050

it's all over a thing doesn't see here

2723

01:55:04,270 --> 01:55:01,700

he said the rest of them we're picking

2724

01:55:06,850 --> 01:55:04,280

up all of this metal material and

2725

01:55:10,030 --> 01:55:06,860

putting in wagons and carted off hey the

2726

01:55:13,240 --> 01:55:10,040

very first crash retrieval and that goes

2727

01:55:14,680 --> 01:55:13,250

back to my 1942 memo from George

2728

01:55:16,120 --> 01:55:14,690

Marshall where he said he was going to

2729

01:55:18,180 --> 01:55:16,130

check War Department files for

2730

01:55:22,330 --> 01:55:18,190

untraditional aircraft dating back to

2731

01:55:24,160 --> 01:55:22,340

1897 I think as far back as 1897 they

2732

01:55:26,290 --> 01:55:24,170

knew something was going on something

2733

01:55:28,150 --> 01:55:26,300

was up there in the air but they really

2734

01:55:31,060 --> 01:55:28,160

didn't know what it was and you know

2735

01:55:32,620 --> 01:55:31,070

nobody in a authority position will

2736

01:55:34,540 --> 01:55:32,630

stand up and say hey folks are something

2737

01:55:36,580 --> 01:55:34,550

happening but I don't know what it is I

2738

01:55:38,530 --> 01:55:36,590

can't do anything about it so they just

2739

01:55:41,130 --> 01:55:38,540

keep the quiet you know through our

2740

01:55:44,380 --> 01:55:41,140

research back with the Battle of La the

2741

01:55:48,850 --> 01:55:44,390

I was the one to introduce the clear

2742

01:55:51,430 --> 01:55:48,860

image of the 1942 LA Times photograph

2743

01:55:53,410 --> 01:55:51,440

all right were you reversed it and shows

2744

01:55:55,150 --> 01:55:53,420

a little saucer craft in the middle yeah

2745

01:55:57,520 --> 01:55:55,160

that was great well I shall that was my

2746

01:55:59,410 --> 01:55:57,530

own inspection of the that look but

2747

01:56:02,080 --> 01:55:59,420

probably prior to me introducing that

2748

01:56:04,720 --> 01:56:02,090

image the the best thing that you could

2749

01:56:07,450 --> 01:56:04,730

find was an old the old black-and-white

2750

01:56:09,930 --> 01:56:07,460

film from it but I located the negative

2751
01:56:12,490 --> 01:56:09,940
and by the way there are more pictures

2752
01:56:14,440 --> 01:56:12,500
or was that almost another show folks

2753
01:56:15,700 --> 01:56:14,450
were just yeah another show I love to

2754
01:56:17,260 --> 01:56:15,710
hear about that I'm gonna have to be

2755
01:56:19,030 --> 01:56:17,270
able to sinner along well you have to be

2756
01:56:20,500 --> 01:56:19,040
a listener listen to the para cast and

2757
01:56:22,060 --> 01:56:20,510
also we'll have you come back again

2758
01:56:24,700 --> 01:56:22,070
because we only covered the tip of the

2759
01:56:26,230 --> 01:56:24,710
iceberg okay Jim in the last two or

2760
01:56:27,490 --> 01:56:26,240
three minutes here please tell our

2761
01:56:30,120 --> 01:56:27,500
listeners where they can learn more

2762
01:56:32,760 --> 01:56:30,130
about the things that you do okay well

2763
01:56:34,920 --> 01:56:32,770

can visit my website Jim Marrs dot-com

2764

01:56:38,070 --> 01:56:34,930

that's Mars with two hours like the

2765

01:56:39,690 --> 01:56:38,080

planet but with an extra R but I

2766

01:56:41,250 --> 01:56:39,700

apologize in advance because I'm in the

2767

01:56:43,380 --> 01:56:41,260

middle of kind of revamping and

2768

01:56:44,790 --> 01:56:43,390

upgrading and changing the website

2769

01:56:47,370 --> 01:56:44,800

around so something seems a little

2770

01:56:49,500 --> 01:56:47,380

squirrely just have patience I'd

2771

01:56:51,810 --> 01:56:49,510

appreciate it or you can get any of my

2772

01:56:53,370 --> 01:56:51,820

books at any bookstore and if they don't

2773

01:56:55,020 --> 01:56:53,380

have it on the Shelf you just say I want

2774

01:56:56,910 --> 01:56:55,030

to order this book but you're Martha

2775

01:56:58,410 --> 01:56:56,920

just tell them Jim Marrs and then called

2776

01:57:01,440 --> 01:56:58,420

up on the computer and find out all

2777

01:57:03,480 --> 01:57:01,450

about work if you're just starting out

2778

01:57:05,400 --> 01:57:03,490

or if you know people who are just

2779

01:57:07,320 --> 01:57:05,410

starting out wondering what's going on

2780

01:57:11,790 --> 01:57:07,330

with the conspiracies and the mysteries

2781

01:57:15,780 --> 01:57:11,800

you might mention my 2009 book above top

2782

01:57:18,840 --> 01:57:15,790

secret which deals with about 20 of the

2783

01:57:21,570 --> 01:57:18,850

modern conspiracies mysteries it

2784

01:57:23,790 --> 01:57:21,580

includes the Kennedy assassination 9/11

2785

01:57:26,550 --> 01:57:23,800

but it also includes what hung over the

2786

01:57:28,950 --> 01:57:26,560

gate at O'Hare Airport and what they saw

2787

01:57:31,980 --> 01:57:28,960

at Stephenville and gets into a lot of

2788

01:57:35,520 --> 01:57:31,990

the UFO issues as well as many others

2789

01:57:37,020 --> 01:57:35,530

and I have to do is just go to Amazon go

2790

01:57:37,980 --> 01:57:37,030

any bookstore and you can get them what

2791

01:57:40,410 --> 01:57:37,990

do you have coming out in the near

2792

01:57:42,120 --> 01:57:40,420

future future books future titles that

2793

01:57:44,340 --> 01:57:42,130

we might want to find out about well

2794

01:57:46,920 --> 01:57:44,350

sometime later the spring I think maybe

2795

01:57:49,020 --> 01:57:46,930

into June I've got a new book coming out

2796

01:57:52,830 --> 01:57:49,030

from HarperCollins called the

2797

01:57:56,910 --> 01:57:52,840

trillion-dollar conspiracy how the new

2798

01:58:01,290 --> 01:57:56,920

world order manmade diseases and zombie

2799

01:58:02,880 --> 01:58:01,300

banks are destroying America and so if

2800

01:58:03,930 --> 01:58:02,890

you have anyone if you're really

2801
01:58:05,850 --> 01:58:03,940
wondering you can read the headlines

2802
01:58:08,070 --> 01:58:05,860
there you go what no world's going on

2803
01:58:09,600 --> 01:58:08,080
read that book it will put together for

2804
01:58:11,190 --> 01:58:09,610
you it will definitely look forward to

2805
01:58:12,960 --> 01:58:11,200
the book look forward to more of the

2806
01:58:15,270 --> 01:58:12,970
work that you're doing by the way your

2807
01:58:17,070 --> 01:58:15,280
publicity guy gets from your publisher

2808
01:58:19,110 --> 01:58:17,080
till this is also a fiction book that

2809
01:58:22,770 --> 01:58:19,120
you've done oh thank you that's true

2810
01:58:26,130 --> 01:58:22,780
just towards in last year finally try my

2811
01:58:29,340 --> 01:58:26,140
hand at fiction actually I call her work

2812
01:58:32,550 --> 01:58:29,350
of fashion it's fact-based fiction and

2813
01:58:35,280 --> 01:58:32,560

it's really really it's a real good

2814

01:58:38,100 --> 01:58:35,290

story about a secret society of women

2815

01:58:42,930 --> 01:58:38,110

who band together during World War Two

2816

01:58:45,300 --> 01:58:42,940

in Europe and try to fight the Nazis

2817

01:58:47,459 --> 01:58:45,310

and they end up in a race with the Nazis

2818

01:58:49,520 --> 01:58:47,469

to see who's going to recover the

2819

01:58:52,530 --> 01:58:49,530

greatest treasure trove in history

2820

01:58:55,860 --> 01:58:52,540

Solomon's treasure which by all accounts

2821

01:58:57,840 --> 01:58:55,870

seems to be has been hidden in the

2822

01:59:00,360 --> 01:58:57,850

foothills of the Pyrenees Mountains in

2823

01:59:02,790 --> 01:59:00,370

southern France and if you want to know

2824

01:59:03,689 --> 01:59:02,800

how active Salman's treasure get to

2825

01:59:05,760 --> 01:59:03,699

southern France

2826

01:59:08,490 --> 01:59:05,770

well then read The Sisterhood of the

2827

01:59:10,290 --> 01:59:08,500
