

04/17/11

BENJAMIN RADFORD

1
00:00:21,350 --> 00:00:07,090

[Music]

2
00:00:26,910 --> 00:00:23,820

you're in the para cast the gold

3
00:00:32,030 --> 00:00:26,920

standard of paranormal radio and now

4
00:00:37,260 --> 00:00:34,830

this is course is the para cast with

5
00:00:39,479 --> 00:00:37,270

gene Steinberg and Chris O'Brien now on

6
00:00:42,510 --> 00:00:39,489

our recent episode with dr. Richard

7
00:00:44,670 --> 00:00:42,520

Sauter we had a buzzy buzzy episode we

8
00:00:46,979 --> 00:00:44,680

have recently then had this episode dr.

9
00:00:49,740 --> 00:00:46,989

Richard Sauter talking about underground

10
00:00:52,829 --> 00:00:49,750

alien bases about a certain drug he had

11
00:00:55,560 --> 00:00:52,839

taken and about the voices he heard now

12
00:00:58,470 --> 00:00:55,570

I know Chris stands by a lot of what he

13
00:01:01,500 --> 00:00:58,480

said about his research and I'll respect

14

00:01:02,939 --> 00:01:01,510

that but one particular problem we had

15

00:01:05,730 --> 00:01:02,949

with that interview is the fact that we

16

00:01:08,520 --> 00:01:05,740

have this constant chronic buzzing we

17

00:01:10,190 --> 00:01:08,530

joked about it you know maybe he's there

18

00:01:13,920 --> 00:01:10,200

maybe there's some unaccounted for

19

00:01:16,710 --> 00:01:13,930

interference what I joke about a gene we

20

00:01:19,410 --> 00:01:16,720

tried my humor fell a little flat with

21

00:01:22,440 --> 00:01:19,420

the good doctor yes he doesn't

22

00:01:25,800 --> 00:01:22,450

appreciate well it was 3:30 4:00 in the

23

00:01:27,480 --> 00:01:25,810

morning at that time we're both getting

24

00:01:29,100 --> 00:01:27,490

punched drunk or something not from any

25

00:01:31,290 --> 00:01:29,110

little refreshment but because of the

26

00:01:34,290 --> 00:01:31,300

late hour you know so he got upset over

27

00:01:36,690 --> 00:01:34,300

it but we probably have the solution

28

00:01:41,370 --> 00:01:36,700

it's nothing power normal okay

29

00:01:43,920 --> 00:01:41,380

it is a cellphone placed too close to

30

00:01:48,540 --> 00:01:43,930

his computer an old-fashioned cell phone

31

00:01:49,980 --> 00:01:48,550

sending out too much RF never said throw

32

00:01:50,490 --> 00:01:49,990

out your cell phone let's get on with

33

00:01:52,260 --> 00:01:50,500

this

34

00:01:54,540 --> 00:01:52,270

just think what that cell phone does

35

00:01:56,670 --> 00:01:54,550

close to your brain right think about

36

00:01:59,130 --> 00:01:56,680

that noise that you heard on this

37

00:02:02,070 --> 00:01:59,140

episode okay think about the noise

38

00:02:04,320 --> 00:02:02,080

ladies and gentlemen now consider the

39

00:02:06,840 --> 00:02:04,330

impact to your brain of all that

40

00:02:09,350 --> 00:02:06,850

radiation think of the impact to his

41

00:02:13,559 --> 00:02:09,360

brain all they radiation forget about

42

00:02:15,240 --> 00:02:13,569

all the other stuff that's going on the

43

00:02:18,300 --> 00:02:15,250

ayahuasca doesn't doesn't help either

44

00:02:21,180 --> 00:02:18,310

but I guess in his case it might and in

45

00:02:24,300 --> 00:02:21,190

terms of me standing by his research as

46

00:02:27,120 --> 00:02:24,310

you kind of tactfully put it I really

47

00:02:29,640 --> 00:02:27,130

respect which it solder for a number of

48

00:02:30,800 --> 00:02:29,650

reasons the foremost being that he

49

00:02:33,800 --> 00:02:30,810

really has

50

00:02:35,839 --> 00:02:33,810

a yeoman's job researching the whole

51
00:02:39,530 --> 00:02:35,849
underground and underwater based

52
00:02:43,580 --> 00:02:39,540
scenario I haven't talked with Richard

53
00:02:46,970 --> 00:02:43,590
in a number of years and I I do realize

54
00:02:49,280 --> 00:02:46,980
that he's gone through a lot by his his

55
00:02:51,680 --> 00:02:49,290
activist work and in protesting getting

56
00:02:53,479 --> 00:02:51,690
arrested you know climbing the fence at

57
00:02:55,309 --> 00:02:53,489
the missile base and any other

58
00:02:57,500 --> 00:02:55,319
activities that he's political

59
00:03:01,040 --> 00:02:57,510
activities he's been involved with and

60
00:03:03,740 --> 00:03:01,050
you know I do sense that he's been kind

61
00:03:06,530 --> 00:03:03,750
of he's been kind of on edge lately and

62
00:03:10,130 --> 00:03:06,540
it was I don't think we really found him

63
00:03:13,940 --> 00:03:10,140

in his best top form at 3:00 in the

64

00:03:17,270 --> 00:03:13,950

morning and I don't want people on the

65

00:03:19,630 --> 00:03:17,280

forums to throw out a number of years of

66

00:03:22,640 --> 00:03:19,640

very good work that he did in the 90s

67

00:03:25,280 --> 00:03:22,650

about the underground underwater base

68

00:03:26,809 --> 00:03:25,290

scenario you just because a person you

69

00:03:28,699 --> 00:03:26,819

catch them on a bad day that you can't

70

00:03:31,070 --> 00:03:28,709

throw out all their all their hard work

71

00:03:34,339 --> 00:03:31,080

and I just wanted to underscore that

72

00:03:36,289 --> 00:03:34,349

well this is the problem I have with it

73

00:03:39,140 --> 00:03:36,299

let's not look at the research in the

74

00:03:41,390 --> 00:03:39,150

book but coming in here and saying he

75

00:03:44,300 --> 00:03:41,400

heard these voices transmitted to him

76
00:03:46,250 --> 00:03:44,310
now maybe he's right maybe that's done

77
00:03:49,460 --> 00:03:46,260
obviously it's scientifically possible

78
00:03:50,840 --> 00:03:49,470
but it kind of makes your eyes roll a

79
00:03:53,900 --> 00:03:50,850
little bit when you hear it the first

80
00:03:57,199 --> 00:03:53,910
time oh this guy says to me that this is

81
00:03:59,030 --> 00:03:57,209
such and though and all that stuff this

82
00:04:01,099 --> 00:03:59,040
guy said this to me while I was home in

83
00:04:03,920 --> 00:04:01,109
bed and you guys think you know that's

84
00:04:07,879 --> 00:04:03,930
kind of weird isn't it it is weird but

85
00:04:09,590 --> 00:04:07,889
it is what it is and you know I do you

86
00:04:13,640 --> 00:04:09,600
know like I said I've known Richard for

87
00:04:15,740 --> 00:04:13,650
quite a number of years and the story

88
00:04:18,500 --> 00:04:15,750

always did kind of seem a little strange

89

00:04:21,020 --> 00:04:18,510

to me for obvious reasons but again I

90

00:04:23,810 --> 00:04:21,030

think it was some form of validation in

91

00:04:25,730 --> 00:04:23,820

his own mind whether projected there or

92

00:04:28,129 --> 00:04:25,740

otherwise that the work that he was

93

00:04:31,760 --> 00:04:28,139

beginning to under undergo in terms of

94

00:04:33,590 --> 00:04:31,770

research in the whole subject I think it

95

00:04:35,300 --> 00:04:33,600

gave him validation that he was doing

96

00:04:38,659 --> 00:04:35,310

something that needed to be done and I

97

00:04:40,520 --> 00:04:38,669

think his his book underground bases and

98

00:04:42,500 --> 00:04:40,530

tunnels were you know what is the

99

00:04:43,810 --> 00:04:42,510

government trying to hide I think is is

100

00:04:46,660 --> 00:04:43,820

the preeminent work on

101
00:04:48,700 --> 00:04:46,670
object M I don't care who you are if you

102
00:04:50,950 --> 00:04:48,710
have any interest in the subject that is

103
00:04:53,380 --> 00:04:50,960
really the go-to book and and and that's

104
00:04:54,550 --> 00:04:53,390
that's in the report you know I really

105
00:04:57,550 --> 00:04:54,560
don't care what anybody else thinks

106
00:04:59,770 --> 00:04:57,560
about the man all I know is that he is a

107
00:05:01,270 --> 00:04:59,780
crack researcher and nobody has done the

108
00:05:04,030 --> 00:05:01,280
amount of work in that subject that he

109
00:05:06,130 --> 00:05:04,040
has and I really admire him for that all

110
00:05:08,920 --> 00:05:06,140
the other stuff is like you know a

111
00:05:14,380 --> 00:05:08,930
quirky guy I guess as he's getting older

112
00:05:17,650 --> 00:05:14,390
he's getting quirkiier so trouble because

113
00:05:21,310 --> 00:05:17,660

I am just quirks but then Jim Mosley is

114

00:05:24,400 --> 00:05:21,320

older than I am and worki Oh Jim has

115

00:05:26,590 --> 00:05:24,410

been quirky for every day I've known him

116

00:05:28,180 --> 00:05:26,600

I've known Jim for many many years he's

117

00:05:31,150 --> 00:05:28,190

always been quirky quirky and

118

00:05:33,130 --> 00:05:31,160

fascinating but quirky yep comes with

119

00:05:35,440 --> 00:05:33,140

the territory some people do get driven

120

00:05:38,110 --> 00:05:35,450

over the edges we both well know and uh

121

00:05:40,620 --> 00:05:38,120

yeah I just hope that I wish which had

122

00:05:43,480 --> 00:05:40,630

the best of luck down in the Ecuadorian

123

00:05:45,760 --> 00:05:43,490

wilds of the Ecuadorian jungles down

124

00:05:47,920 --> 00:05:45,770

there and I hope that he does find what

125

00:05:50,200 --> 00:05:47,930

he's looking for but at the same time I

126

00:05:52,780 --> 00:05:50,210

really do think people need to look at

127

00:05:55,750 --> 00:05:52,790

the man's body work before they just

128

00:05:58,780 --> 00:05:55,760

throw that that body of work out with

129

00:06:00,940 --> 00:05:58,790

the bathwater and also look he got

130

00:06:02,860 --> 00:06:00,950

people who do stand by him like you do

131

00:06:05,620 --> 00:06:02,870

like Richard Dolan and everything else

132

00:06:07,780 --> 00:06:05,630

just remind him keep the cell phone away

133

00:06:10,690 --> 00:06:07,790

from your head or get a different cell

134

00:06:13,150 --> 00:06:10,700

phone that emits less radiation and when

135

00:06:15,550 --> 00:06:13,160

you do shows with Skype keep the cell

136

00:06:18,330 --> 00:06:15,560

phone away yeah and maybe water down

137

00:06:21,460 --> 00:06:18,340

that ayahuasca a little bit too bud I

138

00:06:23,920 --> 00:06:21,470

have no problem with that for trying to

139

00:06:25,420 --> 00:06:23,930

seek higher intelligences and all this

140

00:06:27,100 --> 00:06:25,430

other stuff let me ask you the question

141

00:06:28,650 --> 00:06:27,110

which would be obvious here I'm gonna

142

00:06:31,570 --> 00:06:28,660

put you on the spot have you taken it

143

00:06:34,000 --> 00:06:31,580

ayahuasca no I haven't okay

144

00:06:36,580 --> 00:06:34,010

have you watched people who have taken

145

00:06:39,640 --> 00:06:36,590

it and seeing what they undergo no I've

146

00:06:42,790 --> 00:06:39,650

never been around an ayahuasca ceremony

147

00:06:44,740 --> 00:06:42,800

I have dabbled with the active

148

00:06:49,260 --> 00:06:44,750

ingredient which is dimethyltryptamine

149

00:06:53,350 --> 00:06:49,270

and in its most potent form which was

150

00:06:56,530 --> 00:06:53,360

gathered from Bufo Valerius which is a

151
00:06:57,190 --> 00:06:56,540
psychedelic frog that actually lives

152
00:06:59,170 --> 00:06:57,200
down around you

153
00:07:01,600 --> 00:06:59,180
Jean you know it's the largest frog in

154
00:07:04,690 --> 00:07:01,610
North America and you can milk you can

155
00:07:06,760 --> 00:07:04,700
milk them and it produces a very pure

156
00:07:08,170 --> 00:07:06,770
form of DMT which is the active

157
00:07:11,260 --> 00:07:08,180
ingredient in ayahuasca I don't care

158
00:07:13,360 --> 00:07:11,270
what dr. Sauter says he obviously hasn't

159
00:07:15,430 --> 00:07:13,370
done his homework on that okay so you

160
00:07:17,620 --> 00:07:15,440
can accept his underground research it

161
00:07:21,340 --> 00:07:17,630
may be his knowledge of drugs and their

162
00:07:24,550 --> 00:07:21,350
impact and sources is a bit wanting well

163
00:07:26,200 --> 00:07:24,560

yeah I I think if anybody claims that

164

00:07:28,560 --> 00:07:26,210

DMT is not the active ingredient in

165

00:07:31,180 --> 00:07:28,570

ayahuasca obviously ayahuasca is a

166

00:07:33,610 --> 00:07:31,190

combination of plants one which allows

167

00:07:35,380 --> 00:07:33,620

the body to absorb the

168

00:07:38,920 --> 00:07:35,390

dimethyltryptamine into the system it's

169

00:07:40,420 --> 00:07:38,930

an MAO inhibitor but he definitely needs

170

00:07:42,760 --> 00:07:40,430

to do a little research on that because

171

00:07:46,570 --> 00:07:42,770

I have done some research on the subject

172

00:07:49,780 --> 00:07:46,580

and and DMT is a very powerful shamanic

173

00:07:51,040 --> 00:07:49,790

substance it is not for everybody some

174

00:07:54,550 --> 00:07:51,050

people could be pushed over the edge

175

00:07:56,770 --> 00:07:54,560

with it and it should not be done as as

176

00:07:58,660 --> 00:07:56,780

Richard did mentioned as a recreational

177

00:08:03,060 --> 00:07:58,670

drug it is not that at all it is a

178

00:08:05,980 --> 00:08:03,070

sacred very serious compound that has

179

00:08:10,240 --> 00:08:05,990

serious repercussions if you don't

180

00:08:13,000 --> 00:08:10,250

address the scenario correctly it's not

181

00:08:16,060 --> 00:08:13,010

for college students to hang out in

182

00:08:19,270 --> 00:08:16,070

their dorms and consume this stuff no no

183

00:08:22,060 --> 00:08:19,280

it's not then no drugs are today we have

184

00:08:24,820 --> 00:08:22,070

a person who's coming on our show who by

185

00:08:26,830 --> 00:08:24,830

the way is a professional skeptic you

186

00:08:30,340 --> 00:08:26,840

know this will be fun right it's

187

00:08:32,530 --> 00:08:30,350

Benjamin Bradford Benjamin Radford is

188

00:08:35,860 --> 00:08:32,540

the managing editor of The Skeptical

189

00:08:38,170 --> 00:08:35,870

Inquirer magazine okay all right he's

190

00:08:39,940 --> 00:08:38,180

part of psycho so he's one of the people

191

00:08:42,130 --> 00:08:39,950

that sometimes we regard them as the

192

00:08:45,100 --> 00:08:42,140

enemy and he has a book out here called

193

00:08:48,900 --> 00:08:45,110

tracking the Chupacabra the vampire

194

00:08:51,340 --> 00:08:48,910

beast in fact fiction and folklore so

195

00:08:54,310 --> 00:08:51,350

it's a fascinating little book it's

196

00:08:56,770 --> 00:08:54,320

about less than 200 pages which compared

197

00:09:01,120 --> 00:08:56,780

to say a Harry Potter book is pretty

198

00:09:02,500 --> 00:09:01,130

small you know and the paragraphs are

199

00:09:04,240 --> 00:09:02,510

spread out a little bit so it's not a

200

00:09:06,880 --> 00:09:04,250

big book lots of illustrations you can

201
00:09:08,500 --> 00:09:06,890
go through it in just a few hours but he

202
00:09:10,430 --> 00:09:08,510
makes a lot of interesting points and

203
00:09:12,410 --> 00:09:10,440
whether or not folks you

204
00:09:14,510 --> 00:09:12,420
you are willing to accept that we're

205
00:09:17,360 --> 00:09:14,520
having a dyed-in-the-wool skeptic here

206
00:09:19,190 --> 00:09:17,370
there are lots of things that you have

207
00:09:20,750 --> 00:09:19,200
to listen to on both sides of the

208
00:09:23,810 --> 00:09:20,760
equation when it comes to the power and

209
00:09:25,520 --> 00:09:23,820
Rumble you don't just assume you read

210
00:09:28,250 --> 00:09:25,530
anything from believers but there's

211
00:09:29,990 --> 00:09:28,260
skeptics about something ignore them

212
00:09:31,820 --> 00:09:30,000
because the only way you find the truth

213
00:09:36,590 --> 00:09:31,830

is by looking at all sides of the

214

00:09:38,630 --> 00:09:36,600

equation agreed that was simple very

215

00:09:41,990 --> 00:09:38,640

simple in fact a lot of what he says in

216

00:09:43,670 --> 00:09:42,000

the book I wholeheartedly agree and I

217

00:09:46,580 --> 00:09:43,680

can't wait to talk about it in more

218

00:09:49,610 --> 00:09:46,590

depth Benjamin Radford joining us next

219

00:09:51,740 --> 00:09:49,620

on the power cast I'm gene Steinberg the

220

00:10:01,100 --> 00:09:51,750

co-host is Chris O'Brien that means

221

00:10:03,710 --> 00:10:01,110

you're in the para cast are you ready to

222

00:10:05,450 --> 00:10:03,720

order the official para cast t-shirt you

223

00:10:07,580 --> 00:10:05,460

asked we answered we're now taking

224

00:10:11,360 --> 00:10:07,590

orders for the official para cast

225

00:10:13,730 --> 00:10:11,370

t-shirt it comes in white 100% cotton

226

00:10:16,610 --> 00:10:13,740

the front of it features the same logo

227

00:10:19,880 --> 00:10:16,620

that we have on our community forums on

228

00:10:22,790 --> 00:10:19,890

the back it says separating signal from

229

00:10:25,100 --> 00:10:22,800

noise to order the official power cast

230

00:10:28,370 --> 00:10:25,110

t-shirt here's all you have to do visit

231

00:10:30,860 --> 00:10:28,380

our new online store at store dot the

232

00:10:34,190 --> 00:10:30,870

para cast dot-com one more time that's

233

00:10:36,560 --> 00:10:34,200

store dot the para cast come you can use

234

00:10:39,050 --> 00:10:36,570

a major credit card to place your order

235

00:10:41,270 --> 00:10:39,060

for the official para cast

236

00:10:43,340 --> 00:10:41,280

t-shirt hey neighbors we have one more

237

00:10:45,680 --> 00:10:43,350

thing to talk about and that's more

238

00:10:48,020 --> 00:10:45,690

merchandise at the official power cast

239

00:10:49,690 --> 00:10:48,030

store we have hats we have jackets we

240

00:10:52,100 --> 00:10:49,700

even have a Flip Video camcorder

241

00:10:54,800 --> 00:10:52,110

customized with the power cast logo at

242

00:10:56,750 --> 00:10:54,810

the official para cast store it's all

243

00:11:01,040 --> 00:10:56,760

now available at the official power cast

244

00:11:03,079 --> 00:11:01,050

store store dot Laperas casts calm jim

245

00:11:05,090 --> 00:11:03,089

newcomer fremitus resources April 15

246

00:11:07,010 --> 00:11:05,100

2011 gold opened this morning at

247

00:11:08,810 --> 00:11:07,020

fourteen seventy seven sixty a one ounce

248

00:11:11,840 --> 00:11:08,820

gold coin can be purchased for fifteen

249

00:11:13,610 --> 00:11:11,850

fifteen thirty one 75766 for a half

250

00:11:14,960 --> 00:11:13,620

ounce or a three seventy eight eighty

251

00:11:16,940 --> 00:11:14,970

three for a quarter ounce

252

00:11:22,100 --> 00:11:16,950

that's fifteen fifteen thirty one

253

00:11:23,510 --> 00:11:22,110

57 66 and 378 83 the constitution of the

254

00:11:25,880 --> 00:11:23,520

Bill of Rights have been reduced all

255

00:11:27,860 --> 00:11:25,890

rallies politicians ignore travel with

256

00:11:29,750 --> 00:11:27,870

their outlandish overreaching policies

257

00:11:31,310 --> 00:11:29,760

your support of the campaign for Liberty

258

00:11:33,500 --> 00:11:31,320

stands in the way of the sicilius

259

00:11:35,150 --> 00:11:33,510

process hi this is Ted Anderson have

260

00:11:36,950 --> 00:11:35,160

teamed up with the campaign from Liberty

261

00:11:38,870 --> 00:11:36,960

to offer the entik proof quarter ounce

262

00:11:40,460 --> 00:11:38,880

of pure gold coin for only three hundred

263

00:11:42,350 --> 00:11:40,470

ninety dollars plus shipping

264

00:11:44,570 --> 00:11:42,360

Midas will donate \$100 to this

265

00:12:00,260 --> 00:11:44,580

incredible organization help fight big

266

00:12:00,270 --> 00:12:25,630

[Music]

267

00:12:38,960 --> 00:12:35,780

806-853-9949 dollars pay with two ounces

268

00:12:41,150 --> 00:12:38,970

of pure silver or just \$59 the best

269

00:12:43,310 --> 00:12:41,160

price on the net for high quality seats

270

00:12:45,350 --> 00:12:43,320

our get seats dotnet seeds are open

271

00:12:47,540 --> 00:12:45,360

pollinated vegetable seeds sealed in a

272

00:12:49,670 --> 00:12:47,550

mylar bag for long-term storage bulk

273

00:12:52,280 --> 00:12:49,680

pricing available so get seeds while you

274

00:12:54,560 --> 00:12:52,290

still can it get seeds net or call toll

275

00:12:57,530 --> 00:12:54,570

free eight seven seven three four one

276

00:13:01,130 --> 00:12:57,540

47 69 that's eight seventy seven three

277

00:13:03,200 --> 00:13:01,140

four one 47 69 this special announcement

278

00:13:05,360 --> 00:13:03,210

is brought to you by renaissance charge

279

00:13:07,430 --> 00:13:05,370

have you ever wondered if you can make

280

00:13:10,610 --> 00:13:07,440

your car run on 100 percent electric

281

00:13:12,140 --> 00:13:10,620

power for free it is now possible how

282

00:13:14,420 --> 00:13:12,150

about a simple device that is both a

283

00:13:16,790 --> 00:13:14,430

super efficient motor and a free energy

284

00:13:18,770 --> 00:13:16,800

generator at the same time what if this

285

00:13:20,780 --> 00:13:18,780

could also be used to restore useless

286

00:13:23,120 --> 00:13:20,790

batteries and save you lots of money

287

00:13:24,890 --> 00:13:23,130

because our customers asked for it we

288

00:13:27,350 --> 00:13:24,900

have organized a renaissance charge

289

00:13:29,420 --> 00:13:27,360

conference workshop on July 29th to July

290

00:13:29,900 --> 00:13:29,430

31st at the beautiful Coeur d'Alene

291

00:13:31,790 --> 00:13:29,910

Resort

292

00:13:33,740 --> 00:13:31,800

hi-de-ho not only will you see these

293

00:13:35,870 --> 00:13:33,750

fascinating Energizer's but you will be

294

00:13:38,270 --> 00:13:35,880

able to build some alongside genius

295

00:13:40,040 --> 00:13:38,280

inventor John Bedini participate in this

296

00:13:41,960 --> 00:13:40,050

truly historic event featuring our

297

00:13:44,060 --> 00:13:41,970

cutting-edge alternative energy Tesla

298

00:13:45,950 --> 00:13:44,070

technology register early for the best

299

00:13:49,430 --> 00:13:45,960

seats in advanced workshop by visiting

podcast.com get in on all the action at

314

00:14:40,250 --> 00:14:38,280

forum dot the podcast comm joining us on

315

00:14:42,620 --> 00:14:40,260

the para cast with Jean Steinberg and

316

00:14:44,960 --> 00:14:42,630

Chris O'Brien is Benjamin Radford the

317

00:14:48,080 --> 00:14:44,970

book is called tracking the chupacabra

318

00:14:50,390 --> 00:14:48,090

subtitled the vampire beasts in fact

319

00:14:53,180 --> 00:14:50,400

fiction and folklore now those of you

320

00:14:55,810 --> 00:14:53,190

who are obviously interested very

321

00:14:58,940 --> 00:14:55,820

heavily interested in the paranormal

322

00:15:01,700 --> 00:14:58,950

might look the scan sat having a skeptic

323

00:15:03,620 --> 00:15:01,710

amongst our team because then as we know

324

00:15:06,170 --> 00:15:03,630

you're the editor of The Skeptical

325

00:15:07,820 --> 00:15:06,180

Inquirer magazine right actually deputy

326

00:15:09,410 --> 00:15:07,830

editor but yes I've been involved with

327

00:15:11,860 --> 00:15:09,420

them for 12 years now

328

00:15:14,480 --> 00:15:11,870

okay what got you into so-called

329

00:15:18,290 --> 00:15:14,490

skeptical movement to explore all these

330

00:15:20,210 --> 00:15:18,300

subjects well you know I grew up having

331

00:15:21,680 --> 00:15:20,220

a fascination with all sorts of

332

00:15:23,840 --> 00:15:21,690

mysteries and the unexplained the

333

00:15:26,930 --> 00:15:23,850

paranormal so when I was a teenager I

334

00:15:29,150 --> 00:15:26,940

went and got books on you know UFOs and

335

00:15:30,740 --> 00:15:29,160

and Bermuda Triangle and Bigfoot and

336

00:15:33,410 --> 00:15:30,750

this and that and the other and I was

337

00:15:35,390 --> 00:15:33,420

fascinated by these things but I was

338

00:15:36,470 --> 00:15:35,400

also kind of disappointed when I read

339

00:15:39,080 --> 00:15:36,480

them because there was very little

340

00:15:40,640 --> 00:15:39,090

actual investigation in most cases when

341

00:15:42,230 --> 00:15:40,650

I picked up books or read magazines

342

00:15:42,790 --> 00:15:42,240

about these these mysterious or

343

00:15:45,280 --> 00:15:42,800

paranormal

344

00:15:47,680 --> 00:15:45,290

vyx almost invariably they were just

345

00:15:49,690 --> 00:15:47,690

simply repeating stories and stories are

346

00:15:51,280 --> 00:15:49,700

fine but I wanted to get more of the

347

00:15:53,019 --> 00:15:51,290

actual investigation I want to know well

348

00:15:54,970 --> 00:15:53,029

you know who who interviewed this

349

00:15:57,250 --> 00:15:54,980

eyewitness who verified that this

350

00:16:00,400 --> 00:15:57,260

particular fact is true so I kind of got

351
00:16:03,730 --> 00:16:00,410
dissatisfied in my in my teens and early

352
00:16:05,769 --> 00:16:03,740
20s with with the lack of a real serious

353
00:16:08,470 --> 00:16:05,779
legitimate investigation in paranormal

354
00:16:10,780 --> 00:16:08,480
topics and so one of the things that I

355
00:16:12,460 --> 00:16:10,790
wanted to do after I got my my degree

356
00:16:15,100 --> 00:16:12,470
and sort of began working with skeptical

357
00:16:16,960 --> 00:16:15,110
Inquirer magazine was to to do some

358
00:16:19,240 --> 00:16:16,970
investigations I said to myself well if

359
00:16:20,860 --> 00:16:19,250
if I can't count on other people to do

360
00:16:23,019 --> 00:16:20,870
good quality science-based

361
00:16:25,420 --> 00:16:23,029
investigations well then damn it I'll do

362
00:16:27,100 --> 00:16:25,430
it and I worked with myself and of

363
00:16:28,420 --> 00:16:27,110

course John Nichol who's the senior

364

00:16:30,370 --> 00:16:28,430

research fellow there and other people

365

00:16:31,480 --> 00:16:30,380

as well and that's sort of what launched

366

00:16:34,630 --> 00:16:31,490

me into doing in these investigations

367

00:16:37,360 --> 00:16:34,640

and and so sort of more broadly applying

368

00:16:40,150 --> 00:16:37,370

science and skepticism to all topics

369

00:16:42,160 --> 00:16:40,160

whether it's paranormal or not fast

370

00:16:45,280 --> 00:16:42,170

question do you believe there's any

371

00:16:49,720 --> 00:16:45,290

reality to any paranormal event anywhere

372

00:16:51,550 --> 00:16:49,730

any how fast question long answer you

373

00:16:53,490 --> 00:16:51,560

know I if you're gonna say is it

374

00:16:56,110 --> 00:16:53,500

paranormal I mean caramel by definition

375

00:16:58,930 --> 00:16:56,120

depending what definition using is

376

00:17:01,420 --> 00:16:58,940

beyond the normal so I would have to say

377

00:17:04,000 --> 00:17:01,430

do I believe that that there are there

378

00:17:06,730 --> 00:17:04,010

are supernatural things I believe that

379

00:17:08,409 --> 00:17:06,740

there there might be but I I think that

380

00:17:10,360 --> 00:17:08,419

you need to use science and evidence to

381

00:17:13,510 --> 00:17:10,370

find them if they're in need out there

382

00:17:16,290 --> 00:17:13,520

when it comes to UFOs we have all this

383

00:17:18,909 --> 00:17:16,300

supposed evidence out there how do we

384

00:17:21,790 --> 00:17:18,919

basically end the controversy there how

385

00:17:24,220 --> 00:17:21,800

do we actually find out what's really

386

00:17:26,049 --> 00:17:24,230

going on because we can say wow this

387

00:17:27,400 --> 00:17:26,059

isn't real for whatever reason but then

388

00:17:30,159 --> 00:17:27,410

we have the photographs and the radar

389

00:17:32,560 --> 00:17:30,169

cases and all that how do we actually

390

00:17:37,049 --> 00:17:32,570

get a real investigation going without

391

00:17:39,640 --> 00:17:37,059

any preconceptions which is so important

392

00:17:41,020 --> 00:17:39,650

things in some ways it's similar to the

393

00:17:43,510 --> 00:17:41,030

situation when you're looking for

394

00:17:45,220 --> 00:17:43,520

evidence for Bigfoot you know you have I

395

00:17:47,140 --> 00:17:45,230

witness sightings you have reports you

396

00:17:49,750 --> 00:17:47,150

have some fuzzy photos you have this and

397

00:17:51,669 --> 00:17:49,760

that and you also have you have reports

398

00:17:53,100 --> 00:17:51,679

by credible eyewitnesses you know people

399

00:17:56,310 --> 00:17:53,110

who are not stupid they're not crazy

400

00:17:58,140 --> 00:17:56,320

they're sincere believable people

401
00:17:59,580 --> 00:17:58,150
and the reporting thing and the problem

402
00:18:01,950 --> 00:17:59,590
is you know how do you get beyond this

403
00:18:04,700 --> 00:18:01,960
baseline of evidence that hasn't gotten

404
00:18:07,290 --> 00:18:04,710
anybody anywhere so far and ultimately

405
00:18:08,730 --> 00:18:07,300
you know if these things exist then

406
00:18:10,920 --> 00:18:08,740
there should be hard evidence for them

407
00:18:13,200 --> 00:18:10,930
if weather ghosts exist or Bigfoot

408
00:18:14,970 --> 00:18:13,210
exists or extraterrestrial craft exist

409
00:18:16,830 --> 00:18:14,980
or chupacabras exist for that matter

410
00:18:19,020 --> 00:18:16,840
this shouldn't be a matter of just

411
00:18:20,580 --> 00:18:19,030
supposition and eyewitness accounts

412
00:18:23,070 --> 00:18:20,590
there should be hard evidence somewhere

413
00:18:24,450 --> 00:18:23,080

and so we would need hard evidence we

414

00:18:27,480 --> 00:18:24,460

would need some sort of something you

415

00:18:30,060 --> 00:18:27,490

can test forensically and and get that

416

00:18:33,660 --> 00:18:30,070

okay well if someone sees a ghost okay

417

00:18:36,120 --> 00:18:33,670

you have a visual report I saw something

418

00:18:37,680 --> 00:18:36,130

and you know it looks like my dead

419

00:18:40,890 --> 00:18:37,690

grandmother or something doesn't matter

420

00:18:42,840 --> 00:18:40,900

what it is mm-hmm how then can you go

421

00:18:45,000 --> 00:18:42,850

about proving what someone can only

422

00:18:47,070 --> 00:18:45,010

attest to visually I mean you'll take

423

00:18:49,230 --> 00:18:47,080

that testimony if they say well John

424

00:18:53,070 --> 00:18:49,240

Smith came into the grocery store and

425

00:18:57,120 --> 00:18:53,080

shot the cashier and killed the cashier

426

00:19:00,030 --> 00:18:57,130

John Smith identify him in a lineup he

427

00:19:03,780 --> 00:19:00,040

gets convicted of murder I saw a ghost

428

00:19:06,270 --> 00:19:03,790

okay an apparition disappeared in front

429

00:19:08,070 --> 00:19:06,280

of my eyes you don't believe that but

430

00:19:11,310 --> 00:19:08,080

you believe the testimony in a murder

431

00:19:13,470 --> 00:19:11,320

case no I don't believe that at all in

432

00:19:15,000 --> 00:19:13,480

fact I take eyewitness accounts very

433

00:19:16,680 --> 00:19:15,010

seriously and I interview eyewitnesses

434

00:19:18,960 --> 00:19:16,690

all the time who tell me about different

435

00:19:21,090 --> 00:19:18,970

things that they have seen so to my mind

436

00:19:22,890 --> 00:19:21,100

that the issue is not do you discount of

437

00:19:24,660 --> 00:19:22,900

witness testimony because of course you

438

00:19:27,090 --> 00:19:24,670

shouldn't and you can't but what you do

439

00:19:29,940 --> 00:19:27,100

do is you you use that not as as

440

00:19:32,070 --> 00:19:29,950

evidence in and of itself but as a step

441

00:19:34,410 --> 00:19:32,080

towards evidence so for example if

442

00:19:36,240 --> 00:19:34,420

someone says they saw a ghost first of

443

00:19:37,680 --> 00:19:36,250

all I'd ask them how do they know

444

00:19:39,600 --> 00:19:37,690

specific was the ghost you know what

445

00:19:41,280 --> 00:19:39,610

what characteristics led them to

446

00:19:42,990 --> 00:19:41,290

conclude that it was a ghost I'm not

447

00:19:45,240 --> 00:19:43,000

saying it was there wasn't but that's

448

00:19:47,070 --> 00:19:45,250

that's not an interloping question but

449

00:19:49,170 --> 00:19:47,080

then the question would become well what

450

00:19:51,090 --> 00:19:49,180

else might it have been what if for

451
00:19:54,270 --> 00:19:51,100
example the person saw something out of

452
00:19:56,190 --> 00:19:54,280
the corner eye in in the store or

453
00:19:57,870 --> 00:19:56,200
somewhere else and there was a video

454
00:20:00,090 --> 00:19:57,880
camera and the video camera showed

455
00:20:01,920 --> 00:20:00,100
nothing at all if the video camera

456
00:20:04,200 --> 00:20:01,930
doesn't show anything that doesn't

457
00:20:05,970 --> 00:20:04,210
disprove the person's experience but it

458
00:20:08,520 --> 00:20:05,980
does provide the second Avenue of

459
00:20:08,960 --> 00:20:08,530
Investigation so I wouldn't discount

460
00:20:10,940 --> 00:20:08,970
any of what

461
00:20:14,299 --> 00:20:10,950
experience but it's important to realize

462
00:20:16,700 --> 00:20:14,309
that my witnesses can be and often are

463
00:20:19,370 --> 00:20:16,710

wrong you know you can use the example

464

00:20:21,110 --> 00:20:19,380
of police lineups well there are

465

00:20:22,640 --> 00:20:21,120
literally dozens and hundreds of cases

466

00:20:24,799 --> 00:20:22,650
of people who have been convicted and

467

00:20:27,710 --> 00:20:24,809
sent to prison sometimes on death row

468

00:20:29,330 --> 00:20:27,720
based on faulty eyewitness testimony and

469

00:20:31,399 --> 00:20:29,340
they've been cleared through DNA

470

00:20:33,529 --> 00:20:31,409
analysis okay you always have another

471

00:20:35,240 --> 00:20:33,539
kind of evidence we have the DNA we

472

00:20:38,000 --> 00:20:35,250
might have other witnesses we might have

473

00:20:39,649 --> 00:20:38,010
an alibi that you can check to see well

474

00:20:41,990 --> 00:20:39,659
this person couldn't have been at the

475

00:20:43,760 --> 00:20:42,000
grocery store when you thought he was he

476

00:20:44,240 --> 00:20:43,770

had to be somewhere else this is the

477

00:20:46,010 --> 00:20:44,250

proof

478

00:20:47,690 --> 00:20:46,020

so hopefully you get that person to quit

479

00:20:52,330 --> 00:20:47,700

and get that person off in the case of a

480

00:20:54,409 --> 00:20:52,340

ghost you can't touch it I don't think

481

00:20:56,690 --> 00:20:54,419

you probably know there are people that

482

00:20:59,600 --> 00:20:56,700

disagree with you I've I have talked to

483

00:21:02,450 --> 00:20:59,610

people who said they felt ghosts if your

484

00:21:04,190 --> 00:21:02,460

belief is that you don't basically go up

485

00:21:07,279 --> 00:21:04,200

to the ghost and shake their hand you

486

00:21:09,740 --> 00:21:07,289

will feel a presence something is here

487

00:21:12,500 --> 00:21:09,750

and now I see it and now it's gone so I

488

00:21:14,960 --> 00:21:12,510

felt it I saw it but I can't touch it I

489

00:21:15,860 --> 00:21:14,970

can't get the fingerprint what

490

00:21:17,990 --> 00:21:15,870

distinction you're making between

491

00:21:20,990 --> 00:21:18,000

feeling and touching feeling in the

492

00:21:22,880 --> 00:21:21,000

sense of I sense a presence okay I sense

493

00:21:25,100 --> 00:21:22,890

something is weird something's happening

494

00:21:27,049 --> 00:21:25,110

I see the ghost and maybe the ghost says

495

00:21:29,299 --> 00:21:27,059

something or not I don't know okay so

496

00:21:31,430 --> 00:21:29,309

how do I go about proving that that's

497

00:21:34,580 --> 00:21:31,440

robbed that's the problem how do I prove

498

00:21:36,740 --> 00:21:34,590

what I saw is what I saw there's a

499

00:21:39,470 --> 00:21:36,750

couple things first of all you know as

500

00:21:41,330 --> 00:21:39,480

you know the issue comes down a lot of

501
00:21:43,940 --> 00:21:41,340
times to psychology because people can

502
00:21:45,740 --> 00:21:43,950
sense things that don't exist one

503
00:21:47,720 --> 00:21:45,750
example that I give is a friend of mine

504
00:21:49,580 --> 00:21:47,730
told me I had known him for several

505
00:21:52,159 --> 00:21:49,590
years and I noticed that he never he

506
00:21:53,450 --> 00:21:52,169
never came to visit my house I didn't

507
00:21:55,190 --> 00:21:53,460
know if it was you know because I had Bo

508
00:21:57,020 --> 00:21:55,200
or he didn't like me whatever else and

509
00:21:58,909 --> 00:21:57,030
he finally told me that the reason he

510
00:22:01,310 --> 00:21:58,919
never came to visit me was because I

511
00:22:03,350 --> 00:22:01,320
live across the river and he had panic

512
00:22:05,360 --> 00:22:03,360
attacks about crossing a bridge and in

513
00:22:07,159 --> 00:22:05,370

this case I mean that it was very real

514

00:22:08,899 --> 00:22:07,169

he had panic attacks he had sweaty you

515

00:22:11,659 --> 00:22:08,909

could feel the pressure on him but it

516

00:22:13,010 --> 00:22:11,669

was it was in his head it wasn't it had

517

00:22:15,470 --> 00:22:13,020

nothing to do with the external reality

518

00:22:16,940 --> 00:22:15,480

so you know keep just because someone

519

00:22:18,799 --> 00:22:16,950

senses something

520

00:22:20,510 --> 00:22:18,809

it doesn't necessarily correspond with

521

00:22:22,540 --> 00:22:20,520

anything real and that's what I said

522

00:22:24,850 --> 00:22:22,550

that's the whole point being exactly

523

00:22:27,160 --> 00:22:24,860

how do you quantify the reality that's

524

00:22:28,810 --> 00:22:27,170

of course the dilemma we try to explore

525

00:22:30,370 --> 00:22:28,820

in the paranormal is how to take all

526

00:22:32,890 --> 00:22:30,380

these experiences that people have had

527

00:22:34,570 --> 00:22:32,900

and see if we can make some sense or

528

00:22:37,030 --> 00:22:34,580

maybe we can't make sense of them maybe

529

00:22:38,620 --> 00:22:37,040

they are almost like you know religious

530

00:22:40,750 --> 00:22:38,630

miracles that things happen but we

531

00:22:43,360 --> 00:22:40,760

really can't prove it except for the

532

00:22:45,430 --> 00:22:43,370

eyewitness testimony and there you go we

533

00:22:47,680 --> 00:22:45,440

have Benjamin Radford the book is

534

00:22:50,050 --> 00:22:47,690

tracking the chupacabra which is what

535

00:22:52,480 --> 00:22:50,060

we're gonna get into next because this

536

00:23:01,120 --> 00:22:52,490

Chris O'Brien I'm gene Steinberg you're

537

00:23:03,190 --> 00:23:01,130

in the para cast hey neighbors

538

00:23:05,050 --> 00:23:03,200

meetings are an essential part of any

539

00:23:07,120 --> 00:23:05,060

business you know making presentations

540

00:23:09,310 --> 00:23:07,130

to clients collaborating with your

541

00:23:11,920 --> 00:23:09,320

colleagues will make them as simple as

542

00:23:14,890 --> 00:23:11,930

possible to run and organize use go to

543

00:23:17,530 --> 00:23:14,900

meeting by citrix the easiest most

544

00:23:19,360 --> 00:23:17,540

reliable online meeting service with go

545

00:23:21,850 --> 00:23:19,370

to meeting you can schedule an online

546

00:23:24,340 --> 00:23:21,860

meeting incentives attendees can join

547

00:23:26,650 --> 00:23:24,350

with just a click from anywhere meeting

548

00:23:28,900 --> 00:23:26,660

materials are viewed on everyone's

549

00:23:31,810 --> 00:23:28,910

screen making the collaboration seamless

550

00:23:33,430 --> 00:23:31,820

goto meeting is so easy to use for you

551
00:23:36,040 --> 00:23:33,440
and everyone joining your meeting

552
00:23:39,220 --> 00:23:36,050
plus with goto meeting hold as many

553
00:23:41,260 --> 00:23:39,230
meetings as you can for one flat rate to

554
00:23:43,840 --> 00:23:41,270
have phone conferencing and voice over

555
00:23:46,420 --> 00:23:43,850
IP are included you know my listeners

556
00:23:49,390 --> 00:23:46,430
can try goto meeting free for 30 days a

557
00:23:52,120 --> 00:23:49,400
month of unlimited online meetings free

558
00:23:54,960 --> 00:23:52,130
visit goto meeting.com click on the try

559
00:23:58,390 --> 00:23:54,970
it free button and enter the promo code

560
00:24:01,210 --> 00:23:58,400
podcast that's goto meeting.com promo

561
00:24:04,360 --> 00:24:01,220
code podcast here we go

562
00:24:06,700 --> 00:24:04,370
the spring break \$99 deal from life

563
00:24:16,240 --> 00:24:06,710

change tea headed boys

564

00:24:19,550 --> 00:24:16,250

[Music]

565

00:24:22,610 --> 00:24:19,560

that's right two months of super tea and

566

00:24:26,030 --> 00:24:22,620

a 45 day supply of fat burners for just

567

00:24:29,540 --> 00:24:26,040

99 bucks spring into hell for just 99

568

00:24:32,810 --> 00:24:29,550

bucks feel-good clean your body Muse way

569

00:24:35,510 --> 00:24:32,820

it works immediately so call now nine

570

00:24:37,520 --> 00:24:35,520

two eight three zero eight zero four

571

00:24:40,430 --> 00:24:37,530

zero eight that's nine to eight three

572

00:24:43,190 --> 00:24:40,440

zero eight zero four zero eight or you

573

00:24:48,460 --> 00:24:43,200

can purchase online and get the t.com

574

00:24:57,080 --> 00:24:48,470

that's get the t-dot-com and remember

575

00:25:03,889 --> 00:25:01,220

let's get the t-dot-com the US economy

576

00:25:05,480 --> 00:25:03,899

is at a tipping point 40 cents of every

577

00:25:07,909 --> 00:25:05,490

dollar the government spends is borrowed

578

00:25:09,919 --> 00:25:07,919

the president of the Federal Reserve in

579

00:25:12,379 --> 00:25:09,929

Dallas was recently quoted saying his

580

00:25:13,759 --> 00:25:12,389

path will lead to insolvency resulting

581

00:25:15,919 --> 00:25:13,769

in the collapse of our governments and

582

00:25:18,110 --> 00:25:15,929

our economy our country can't function

583

00:25:19,850 --> 00:25:18,120

like this and neither can your household

584

00:25:21,799 --> 00:25:19,860

that's why you need to prepare and

585

00:25:23,690 --> 00:25:21,809

priority one is your food supply

586

00:25:25,610 --> 00:25:23,700

fortunately it's easy and affordable

587

00:25:27,560 --> 00:25:25,620

with the help of Ready Reserve food's

588

00:25:29,629 --> 00:25:27,570

ready Reserve Foods has been a premier

589

00:25:32,060 --> 00:25:29,639

supplier of long-term storable foods for

590

00:25:34,070 --> 00:25:32,070

37 years their unique process ensures

591

00:25:36,080 --> 00:25:34,080

the highest quality long-term fruits

592

00:25:38,509 --> 00:25:36,090

towards available with a 25 year shelf

593

00:25:40,249 --> 00:25:38,519

life a full year supply of quality food

594

00:25:42,590 --> 00:25:40,259

for two people costs a fraction of what

595

00:25:45,350 --> 00:25:42,600

you pay at the grocery store for a free

596

00:25:49,159 --> 00:25:45,360

full-color catalog call 800 for five

597

00:25:52,519 --> 00:25:49,169

three two - OH - that's 800 for five

598

00:25:55,909 --> 00:25:52,529

three two - OH - or visit Ready Reserve

599

00:25:59,869 --> 00:25:55,919

foods Calm Ready Reserve foods making

600

00:26:01,759 --> 00:25:59,879

preparedness simple since 1972 for

601
00:26:04,009 --> 00:26:01,769
centuries a silver has been used as a

602
00:26:06,049 --> 00:26:04,019
powerful natural antibiotic and as a

603
00:26:07,580 --> 00:26:06,059
listener to the station you probably

604
00:26:09,619 --> 00:26:07,590
already know the benefits of using

605
00:26:11,470 --> 00:26:09,629
colloidal silver with so many websites

606
00:26:13,820 --> 00:26:11,480
to choose from finding a reputable

607
00:26:15,919 --> 00:26:13,830
patriotic company with great products at

608
00:26:18,889 --> 00:26:15,929
affordable prices can be a difficult

609
00:26:21,799 --> 00:26:18,899
task introducing utopia silver calm

610
00:26:23,690 --> 00:26:21,809
utopia silver calm carries the best most

611
00:26:25,999 --> 00:26:23,700
effective and most affordable colloidal

612
00:26:27,080 --> 00:26:26,009
silver and colloidal gold products in

613
00:26:29,480 --> 00:26:27,090

the industry

614

00:26:31,279 --> 00:26:29,490

utopia silver calm also carries products

615

00:26:33,529 --> 00:26:31,289

to fit your lifestyle including weight

616

00:26:35,899 --> 00:26:33,539

loss immune system defense cleanses

617

00:26:38,509 --> 00:26:35,909

herbs joint and bone care and much more

618

00:26:40,820 --> 00:26:38,519

first time customers using promo code GC

619

00:26:42,859 --> 00:26:40,830

and 50 will receive 50% off all

care one american at a time america's

628
00:27:04,810 --> 00:27:03,119
number one source for independent

629
00:27:13,790 --> 00:27:04,820
offering for

630
00:27:18,710 --> 00:27:16,520
[Music]

631
00:27:22,720 --> 00:27:18,720
hi my name is Richard Dolan you're

632
00:27:22,730 --> 00:27:26,260
[Music]

633
00:27:31,180 --> 00:27:28,510
Benjamin Radford the guest the book is

634
00:27:33,040 --> 00:27:31,190
tracking the chupacabra our co-host is

635
00:27:36,040 --> 00:27:33,050
Chris O'Brien I'm gene Steinberg you're

636
00:27:38,860 --> 00:27:36,050
in the para cast so now we move to the

637
00:27:41,830 --> 00:27:38,870
book what for those who haven't explored

638
00:27:43,600 --> 00:27:41,840

the subject is a chupacabra my latest

639

00:27:46,600 --> 00:27:43,610

book yes the chupacabra well the

640

00:27:49,120 --> 00:27:46,610

chupacabra it's it's the world's third

641

00:27:51,430 --> 00:27:49,130

best known monster after a Bigfoot in

642

00:27:53,320 --> 00:27:51,440

Loch Ness monster and it's probably this

643

00:27:56,919 --> 00:27:53,330

world's second best known vampire after

644

00:27:59,950 --> 00:27:56,929

Dracula it's said to to suck blood out

645

00:28:01,630 --> 00:27:59,960

of its prey it's a vampire and Shuba

646

00:28:03,100 --> 00:28:01,640

cover means goat sucker in Spanish

647

00:28:05,410 --> 00:28:03,110

because ghosts are supposed to be its

648

00:28:07,360 --> 00:28:05,420

favorite prey even though it's been said

649

00:28:10,840 --> 00:28:07,370

to kill and and take blood out of

650

00:28:13,500 --> 00:28:10,850

domestic pets and cattle and pigs and

651
00:28:15,580 --> 00:28:13,510
then why stalk and know things it's

652
00:28:17,950 --> 00:28:15,590
originally came from Puerto Rico in

653
00:28:20,350 --> 00:28:17,960
Latin America and in 1995 was first

654
00:28:22,810 --> 00:28:20,360
sighted then and since that time it's

655
00:28:25,150 --> 00:28:22,820
appeared in several different forms

656
00:28:28,060 --> 00:28:25,160
around the world primarily in the North

657
00:28:29,380 --> 00:28:28,070
and South America but it's now no it's

658
00:28:31,210 --> 00:28:29,390
now known worldwide I mean it's

659
00:28:33,040 --> 00:28:31,220
essentially a global phenomenon let's

660
00:28:34,840 --> 00:28:33,050
look through the history how far back

661
00:28:37,210 --> 00:28:34,850
can you go and do in this kind of

662
00:28:41,020 --> 00:28:37,220
research well that's a great question

663
00:28:42,490 --> 00:28:41,030

because when I began my research and I

664

00:28:44,110 --> 00:28:42,500

should just point out that I've been

665

00:28:45,850 --> 00:28:44,120

investigating these sorts of cryptids

666

00:28:47,650 --> 00:28:45,860

and critters illogical things for for

667

00:28:50,049 --> 00:28:47,660

many years now I I co-wrote a book

668

00:28:52,299 --> 00:28:50,059

called lake monster mysteries in 2007

669

00:28:54,270 --> 00:28:52,309

that dealt with Lake Monsters and have

670

00:28:56,530 --> 00:28:54,280

also done stuff on Mothman and

671

00:28:58,240 --> 00:28:56,540

chupacabra and Bigfoot know things as

672

00:29:00,340 --> 00:28:58,250

well so I already had sort of

673

00:29:03,190 --> 00:29:00,350

pre-existing framework for news news

674

00:29:05,169 --> 00:29:03,200

analyses and when I looked into it I had

675

00:29:06,360 --> 00:29:05,179

always sort of assumed that the

676

00:29:09,160 --> 00:29:06,370

chupacabra had been around for decades

677

00:29:11,020 --> 00:29:09,170

you know if you look at the lore of a

678

00:29:11,710 --> 00:29:11,030

Bigfoot for example or the Loch Ness

679

00:29:14,680 --> 00:29:11,720

monster

680

00:29:16,780 --> 00:29:14,690

those claimed to go back in some cases

681

00:29:19,360 --> 00:29:16,790

centuries if you're gonna if you believe

682

00:29:22,480 --> 00:29:19,370

I like old Native American stories and

683

00:29:24,100 --> 00:29:22,490

tales but in the case of chupacabra what

684

00:29:27,130 --> 00:29:24,110

I found that it really only dates back

685

00:29:29,850 --> 00:29:27,140

to 1995 it's a very very new creature

686

00:29:32,470 --> 00:29:29,860

it's only been around for 15 or 16 years

687

00:29:34,090 --> 00:29:32,480

so that was one of the things that

688

00:29:36,310 --> 00:29:34,100

really intrigued me about the monster oh

689

00:29:37,390 --> 00:29:36,320

as well well hold on here I mean how you

690

00:29:39,670 --> 00:29:37,400

know real

691

00:29:41,950 --> 00:29:39,680

real biological zoological creatures

692

00:29:43,750 --> 00:29:41,960

don't appear out of nowhere I mean it's

693

00:29:45,940 --> 00:29:43,760

not like you know the leopard suddenly

694

00:29:48,100 --> 00:29:45,950

appeared you know in 1983 New Jersey

695

00:29:50,110 --> 00:29:48,110

that was a real puzzling thing was

696

00:29:51,310 --> 00:29:50,120

multiplying why weren't there reports of

697

00:29:54,160 --> 00:29:51,320

chupacabras

698

00:29:56,800 --> 00:29:54,170

in the 50s and 60s and 70s and even

699

00:29:57,730 --> 00:29:56,810

earlier but there just weren't or at

700

00:29:59,830 --> 00:29:57,740

least they weren't beneath that I've

701
00:30:02,140 --> 00:29:59,840
been able to find what caused it to

702
00:30:05,680 --> 00:30:02,150
happen when it happened where did it

703
00:30:08,680 --> 00:30:05,690
start so you go back to the original

704
00:30:11,200 --> 00:30:08,690
chupacabra which began in August of 1995

705
00:30:12,880 --> 00:30:11,210
in Puerto Rico in the summer of Konoe

706
00:30:16,840 --> 00:30:12,890
Venus outside at the capital of San Juan

707
00:30:18,580 --> 00:30:16,850
and a woman named Madeline Tolentino was

708
00:30:20,470 --> 00:30:18,590
the first person to see the chupacabra

709
00:30:23,770 --> 00:30:20,480
and she gave a very very detailed

710
00:30:26,260 --> 00:30:23,780
description of what she saw and she said

711
00:30:29,680 --> 00:30:26,270
it was three to five feet tall and was

712
00:30:32,500 --> 00:30:29,690
bipedal had had row of distant spikes

713
00:30:35,410 --> 00:30:32,510

going down the back it had long arms and

714

00:30:38,170 --> 00:30:35,420

legs and sort of distinctive red or

715

00:30:40,540 --> 00:30:38,180

black wraparound eyes no nose to speak

716

00:30:43,180 --> 00:30:40,550

of smaller absent ears things like that

717

00:30:46,590 --> 00:30:43,190

and she just is a very very detailed

718

00:30:50,530 --> 00:30:46,600

description which soon became the

719

00:30:54,280 --> 00:30:50,540

standard template classic example the

720

00:30:55,870 --> 00:30:54,290

chupacabra that went worldwide and and

721

00:30:58,510 --> 00:30:55,880

it was just it's just you know basically

722

00:31:01,240 --> 00:30:58,520

what happened was that that her her

723

00:31:03,910 --> 00:31:01,250

sighting was sort of co-opted by UFO

724

00:31:05,110 --> 00:31:03,920

believers in Puerto Rico there's a very

725

00:31:07,420 --> 00:31:05,120

strong as you probably know there's very

726
00:31:11,440 --> 00:31:07,430
strong UFO believer presence in Puerto

727
00:31:14,530 --> 00:31:11,450
Rico and one of the main people there a

728
00:31:17,350 --> 00:31:14,540
man named Jorge Martine heard her story

729
00:31:19,870 --> 00:31:17,360
and created a drawing based on her

730
00:31:21,610 --> 00:31:19,880
depiction and from there just basically

731
00:31:23,620 --> 00:31:21,620
went all of the world through the

732
00:31:25,240 --> 00:31:23,630
internet so that was the original type

733
00:31:29,110 --> 00:31:25,250
of chupacabra and that was seen in

734
00:31:32,770 --> 00:31:29,120
primarily Puerto Rico in 1995 1996 1997

735
00:31:34,150 --> 00:31:32,780
and by 2000 it wasn't seen so much I

736
00:31:37,500 --> 00:31:34,160
mean there was sighting here too but it

737
00:31:41,230 --> 00:31:37,510
mostly faded away and moved to Chile

738
00:31:43,840 --> 00:31:41,240

well well that's in some cases in more

739

00:31:45,670 --> 00:31:43,850

totality there was claims that that you

740

00:31:49,240 --> 00:31:45,680

know there was a rash of

741

00:31:51,820 --> 00:31:49,250

animal deaths in Chile

742

00:31:54,010 --> 00:31:51,830

although in my research people weren't

743

00:31:56,230 --> 00:31:54,020

necessarily describing the original

744

00:31:58,420 --> 00:31:56,240

chupacabra in in those accounts

745

00:32:01,720 --> 00:31:58,430

primarily people were saying that that's

746

00:32:04,750 --> 00:32:01,730

something presumably the chupacabra had

747

00:32:05,620 --> 00:32:04,760

attacked the animals but because this

748

00:32:08,740 --> 00:32:05,630

was done overnight

749

00:32:11,740 --> 00:32:08,750

and in the unit excuse me for

750

00:32:13,420 --> 00:32:11,750

interrupting I disagree with you on that

751
00:32:15,280 --> 00:32:13,430
I've done quite a bit of research into

752
00:32:18,430 --> 00:32:15,290
this subject and there were quite a

753
00:32:21,940 --> 00:32:18,440
number of reports in April May in June

754
00:32:25,420 --> 00:32:21,950
of 2000 and some of them described very

755
00:32:29,170 --> 00:32:25,430
very similar there were very similar

756
00:32:30,610 --> 00:32:29,180
descriptions to the Puerto Rico version

757
00:32:33,760 --> 00:32:30,620
of this and we're going to get into the

758
00:32:35,500 --> 00:32:33,770
other version so obviously and and it

759
00:32:38,080 --> 00:32:35,510
was described as having a row of spines

760
00:32:40,060 --> 00:32:38,090
down its back there were a number of

761
00:32:40,840 --> 00:32:40,070
reports that described leathery type

762
00:32:43,810 --> 00:32:40,850
wings

763
00:32:47,890 --> 00:32:43,820

other reports described it able to leap

764

00:32:51,070 --> 00:32:47,900

in a very abnormal way which also we

765

00:32:53,590 --> 00:32:51,080

found in some of the early reports from

766

00:32:57,460 --> 00:32:53,600

Puerto Rico so I mean it's not

767

00:32:59,140 --> 00:32:57,470

exclusively a description of a what

768

00:33:00,910 --> 00:32:59,150

appears to be just a Puerto Rican

769

00:33:02,620 --> 00:33:00,920

version of this there have been other

770

00:33:07,510 --> 00:33:02,630

descriptions of it from elsewhere I just

771

00:33:09,520 --> 00:33:07,520

wanted to point that out I didn't mean

772

00:33:11,590 --> 00:33:09,530

to suggest that the Puerto Rican version

773

00:33:13,840 --> 00:33:11,600

chupacabra hadn't been seen in Latin

774

00:33:15,670 --> 00:33:13,850

America because it was seen and reported

775

00:33:17,770 --> 00:33:15,680

in Mexico and Chile and Argentina and

776

00:33:20,230 --> 00:33:17,780

elsewhere so yeah I mean I there's

777

00:33:23,200 --> 00:33:20,240

there's I don't I don't you correct it

778

00:33:26,980 --> 00:33:23,210

did kind of fade out in Puerto Rico yeah

779

00:33:28,990 --> 00:33:26,990

and you know it sort of reappeared in

780

00:33:30,550 --> 00:33:29,000

various other places and and you know

781

00:33:32,160 --> 00:33:30,560

when you'd back go back and look at the

782

00:33:35,680 --> 00:33:32,170

original descriptions of the chupacabra

783

00:33:39,280 --> 00:33:35,690

the the one that Tolentino gave out is

784

00:33:40,840 --> 00:33:39,290

the most popular and most the you know

785

00:33:42,670 --> 00:33:40,850

best known to patient but there as you

786

00:33:44,080 --> 00:33:42,680

point out there a wide variety some

787

00:33:45,130 --> 00:33:44,090

people said it have a tail some people

788

00:33:46,930 --> 00:33:45,140

said doesn't have a tail

789

00:33:49,060 --> 00:33:46,940

so people were ordered wings some people

790

00:33:51,220 --> 00:33:49,070

said didn't have wings so there was

791

00:33:54,100 --> 00:33:51,230

actually quite a bit of variation within

792

00:33:55,720 --> 00:33:54,110

that that original prototype yeah and

793

00:33:58,330 --> 00:33:55,730

it's also important I think to point out

794

00:33:58,930 --> 00:33:58,340

that this is almost exclusively a Latin

795

00:34:03,310 --> 00:33:58,940

American

796

00:34:05,860 --> 00:34:03,320

a country sort of a phenomenon although

797

00:34:07,720 --> 00:34:05,870

I think about two or three years ago

798

00:34:10,690 --> 00:34:07,730

there were some reports that may have

799

00:34:12,850 --> 00:34:10,700

filtered out of Russia but I think by

800

00:34:15,640 --> 00:34:12,860

and large these reports are pretty much

801
00:34:18,180 --> 00:34:15,650
exclusively from from Spanish American

802
00:34:20,440 --> 00:34:18,190
speaking or spanish-speaking countries

803
00:34:23,050 --> 00:34:20,450
the canine types which is a whole

804
00:34:25,990 --> 00:34:23,060
different subject I think what continue

805
00:34:27,790 --> 00:34:26,000
again sorry right no no you're quite

806
00:34:29,800 --> 00:34:27,800
right the the chupacabra is primarily

807
00:34:31,810 --> 00:34:29,810
limited to spanish-speaking areas with

808
00:34:33,670 --> 00:34:31,820
the exception of Brazil where they speak

809
00:34:36,760 --> 00:34:33,680
Portuguese and there were some reports

810
00:34:39,010 --> 00:34:36,770
of the chupacabra release date it's

811
00:34:43,120 --> 00:34:39,020
presumably similar related creature

812
00:34:45,250 --> 00:34:43,130
called Obito in Brazil as well so yeah

813
00:34:48,100 --> 00:34:45,260

okay the book is called tracking the

814

00:34:50,350 --> 00:34:48,110

chupacabra and I guess the question I'm

815

00:34:54,670 --> 00:34:50,360

gonna ask you before we go further all

816

00:34:56,950 --> 00:34:54,680

these reports specifically in a special

817

00:34:58,320 --> 00:34:56,960

part of the world for the most part do

818

00:35:01,330 --> 00:34:58,330

you think that they were seeing

819

00:35:02,830 --> 00:35:01,340

conventional animals of some kind or do

820

00:35:05,080 --> 00:35:02,840

you see any evidence at all for

821

00:35:07,990 --> 00:35:05,090

weirdness here referring to the original

822

00:35:10,270 --> 00:35:08,000

type of chupacabra then the sequel's

823

00:35:12,220 --> 00:35:10,280

well the things with eyewitness account

824

00:35:13,660 --> 00:35:12,230

is that you can just lump them all

825

00:35:15,550 --> 00:35:13,670

together and say there's one blanket

826

00:35:17,800 --> 00:35:15,560

explanation for them because because

827

00:35:19,720 --> 00:35:17,810

there isn't there's a wide variety of

828

00:35:22,540 --> 00:35:19,730

things that people may have seen some

829

00:35:24,910 --> 00:35:22,550

people may have seen in your original

830

00:35:27,190 --> 00:35:24,920

original Oh Riko in the in the 90s

831

00:35:30,550 --> 00:35:27,200

people may have seen residence monkeys

832

00:35:32,530 --> 00:35:30,560

was one explanation dogs strange things

833

00:35:34,300 --> 00:35:32,540

at night so I don't think that there's

834

00:35:35,980 --> 00:35:34,310

one blanket explanation for all of them

835

00:35:39,250 --> 00:35:35,990

I think that some of the reports were

836

00:35:41,700 --> 00:35:39,260

clearly fictional I came across lots and

837

00:35:43,960 --> 00:35:41,710

lots of accounts that just just simply

838

00:35:47,230 --> 00:35:43,970

simply had no credibility to them

839

00:35:48,850 --> 00:35:47,240

whatsoever other accounts were quite

840

00:35:50,320 --> 00:35:48,860

believable someone saw something out of

841

00:35:52,660 --> 00:35:50,330

the corner Ryan and who knows what that

842

00:35:54,640 --> 00:35:52,670

was I want to ask you some more details

843

00:35:57,190 --> 00:35:54,650

about that in a moment such as how do we

844

00:35:59,080 --> 00:35:57,200

know that maybe they just made things up

845

00:36:00,940 --> 00:35:59,090

we'll have to look into that further the

846

00:36:03,190 --> 00:36:00,950

book is tracking the chupacabra the

847

00:36:05,800 --> 00:36:03,200

vampire beast in fact fiction in

848

00:36:07,960 --> 00:36:05,810

folklore from Benjamin Radford here's

849

00:36:10,510 --> 00:36:07,970

how you contact us if you have a comment

850

00:36:12,130 --> 00:36:10,520

or question about the power cast write

851

00:36:14,440 --> 00:36:12,140

to us news at the power

852

00:36:17,200 --> 00:36:14,450

calm once again that's news at the power

853

00:36:19,000 --> 00:36:17,210

cast calm we guarantee we will read each

854

00:36:21,280 --> 00:36:19,010

and every message you send we will

855

00:36:23,740 --> 00:36:21,290

respond to most of them Chris or I or

856

00:36:27,220 --> 00:36:23,750

one of our moderators our form speaking

857

00:36:31,180 --> 00:36:27,230

of our forums forum dr parra cast calm

858

00:36:33,370 --> 00:36:31,190

for america's calm this is the place

859

00:36:36,070 --> 00:36:33,380

they're talking about all over the

860

00:36:38,440 --> 00:36:36,080

planet online the famous para cast

861

00:36:41,560 --> 00:36:38,450

community forums you can participate you

862

00:36:46,090 --> 00:36:41,570

can become a member go to forum dot para

863

00:36:48,550 --> 00:36:46,100

cast calm forum podcast calm sign up in

864

00:36:50,740 --> 00:36:48,560

a few moments you can get in on all the

865

00:36:56,060 --> 00:36:50,750

action the co-host is Chris O'Brien I'm

866

00:36:56,070 --> 00:36:59,850

[Music]

867

00:37:04,510 --> 00:37:02,170

graphic converter is the image

868

00:37:07,420 --> 00:37:04,520

manipulation tool for the rest of us it

869

00:37:09,580 --> 00:37:07,430

does not use any database you get full

870

00:37:12,010 --> 00:37:09,590

control of all your files want to view

871

00:37:14,500 --> 00:37:12,020

the images of a folder drag it into

872

00:37:17,290 --> 00:37:14,510

graphic converter and a powerful browser

873

00:37:19,360 --> 00:37:17,300

opens up to show your image files you

874

00:37:21,640 --> 00:37:19,370

could use it for slideshows you could

875

00:37:23,950 --> 00:37:21,650

use it to import images from digital

876

00:37:26,110 --> 00:37:23,960

cameras or from scanners need to do some

877

00:37:28,480 --> 00:37:26,120

image editing you can do that too in

878

00:37:30,760 --> 00:37:28,490

graphic converter also print catalogs

879

00:37:32,950 --> 00:37:30,770

convert from so many formats

880

00:37:35,440 --> 00:37:32,960

I can't even list them download now to

881

00:37:38,080 --> 00:37:35,450

see if graphic converter is good for you

882

00:37:40,210 --> 00:37:38,090

like one and a half million of their

883

00:37:42,700 --> 00:37:40,220

users guess what you could save money

884

00:37:45,310 --> 00:37:42,710

when you buy graphic converter use the

885

00:37:47,620 --> 00:37:45,320

coupon code night owl use the coupon

886

00:37:50,380 --> 00:37:47,630

code night owl to get a special price

887

00:37:55,690 --> 00:37:50,390

890

00:38:05,270 --> 00:38:04,410

blistering anti-globalist and those from

891

00:38:09,320 --> 00:38:05,280

the rock band

892

00:38:09,330 --> 00:38:18,279

[Music]

893

00:38:23,859 --> 00:38:21,130

just one of 11 great songs from the

894

00:38:31,299 --> 00:38:23,869

album under the Sun available on iTunes

895

00:38:33,249 --> 00:38:31,309

and a travelin com are a spring and a

896

00:38:35,259 --> 00:38:33,259

new growing season are here plan a

897

00:38:38,049 --> 00:38:35,269

healthy garden easy and fast with

898

00:38:40,029 --> 00:38:38,059

organic acid calm easy because organic

899

00:38:41,949 --> 00:38:40,039

acid calm offers one of the largest

900

00:38:44,380 --> 00:38:41,959

online selections of organic heirloom

901
00:38:46,749 --> 00:38:44,390
non-hybrid and untreated seeds as well

902
00:38:49,839 --> 00:38:46,759
as tobacco and cotton seeds at low

903
00:38:55,269 --> 00:38:49,849
prices go to organic acid calm spelled

904
00:38:56,079 --> 00:38:55,279
orj a and I see a seed calm organic acid

905
00:38:59,880 --> 00:38:56,089
calm

906
00:39:03,400 --> 00:38:59,890
remember organic acid is healthy seed

907
00:39:05,289 --> 00:39:03,410
never buy home canning jar lids again no

908
00:39:06,759 --> 00:39:05,299
kidding when you buy toddler reusable

909
00:39:08,949 --> 00:39:06,769
canning lids once you'll never buy

910
00:39:10,749 --> 00:39:08,959
canning lids ever again safely store

911
00:39:12,549 --> 00:39:10,759
emergency preparedness foods for years

912
00:39:15,099 --> 00:39:12,559
traditional metal its are single-use

913
00:39:16,719 --> 00:39:15,109

throwaways containing bpa but Tattler

914

00:39:18,729 --> 00:39:16,729

reusable canning lids are guaranteed to

915

00:39:20,650 --> 00:39:18,739

last a lifetime when use as designed for

916

00:39:22,659 --> 00:39:20,660

home canning toddler lids are made with

917

00:39:24,939 --> 00:39:22,669

a USDA and FDA approved food grade

918

00:39:27,249 --> 00:39:24,949

plastic safe for direct food contact and

919

00:39:29,079 --> 00:39:27,259

contain no BP a tad their lids are

920

00:39:30,939 --> 00:39:29,089

dishwasher safe usable with standard

921

00:39:32,829 --> 00:39:30,949

pressure or water bath canning eliminate

922

00:39:34,689 --> 00:39:32,839

food spoilage from acid corrosion 5th

923

00:39:36,569 --> 00:39:34,699

standard mason jars are indefinitely

924

00:39:39,189 --> 00:39:36,579

reusable and are proudly made in the USA

925

00:39:41,559 --> 00:39:39,199

place orders at reusable canning lids

926
00:39:43,630 --> 00:39:41,569
calm or call one eight seven seven seven

927
00:39:45,939 --> 00:39:43,640
four seven two seven nine three eight

928
00:39:48,339 --> 00:39:45,949
seven seven seven four seven two seven

929
00:39:50,890 --> 00:39:48,349
nine three call eight seven seven seven

930
00:39:53,049 --> 00:39:50,900
four seven two seven nine three or go to

931
00:39:55,359 --> 00:39:53,059
reusable canning lids calm that's

932
00:39:57,749 --> 00:39:55,369
reusable canning lids calm for tedlar

933
00:40:02,620 --> 00:39:57,759
reusable canning lids the original since

934
00:40:04,809 --> 00:40:02,630
1976 well I have garlic breath after I

935
00:40:06,399 --> 00:40:04,819
take LEC we get that question all the

936
00:40:09,009 --> 00:40:06,409
time about the world's best garlic

937
00:40:10,989 --> 00:40:09,019
extract ally see and the answer is a

938
00:40:13,299 --> 00:40:10,999

lessee contains stabilized Alison

939

00:40:15,219 --> 00:40:13,309

nature's antimicrobial agent and the

940

00:40:16,589 --> 00:40:15,229

active ingredient in crushed garlic but

941

00:40:18,519 --> 00:40:16,599

will not give you garlic breath

942

00:40:20,439 --> 00:40:18,529

scientifically proven in double-blind

943

00:40:22,539 --> 00:40:20,449

studies using low doses of Alison

944

00:40:24,729 --> 00:40:22,549

greatly reduces the number severity and

945

00:40:26,979 --> 00:40:24,739

duration of common colds our powerful

946

00:40:28,240 --> 00:40:26,989

ally C contains 300 milligrams of

947

00:40:30,549 --> 00:40:28,250

stabilized

948

00:40:33,069 --> 00:40:30,559

just one tablet of Ali C is equivalent

949

00:40:35,140 --> 00:40:33,079

to 40 garlic cloves it's effective

950

00:40:37,210 --> 00:40:35,150

against asthma Bursa bacterial fungal

951
00:40:38,650 --> 00:40:37,220
and viral infections and helps lower

952
00:40:41,319 --> 00:40:38,660
high blood pressure and high cholesterol

953
00:40:42,970 --> 00:40:41,329
plus it's a natural mosquito repellent

954
00:40:45,190 --> 00:40:42,980
boosts resistance to infection with

955
00:40:46,870 --> 00:40:45,200
nature's best garlic extract a lessee

956
00:40:48,880 --> 00:40:46,880
for more information than to order a

957
00:40:50,950 --> 00:40:48,890
lessee call eight seven seven eight

958
00:40:52,960 --> 00:40:50,960
eight eight seven one two six or go to

959
00:40:54,760 --> 00:40:52,970
garlic health products com that's eight

960
00:40:57,220 --> 00:40:54,770
seven seven eight eight eight seven one

961
00:41:01,059 --> 00:40:57,230
two six or garlic health products calm

962
00:41:04,359 --> 00:41:01,069
fight back with ally see are you tired

963
00:41:07,420 --> 00:41:04,369

of searching for great talk radio more

964

00:41:14,049 --> 00:41:07,430

important search in overall we are the

965

00:41:16,240 --> 00:41:14,059

gcn radio network you're in the darkest

966

00:41:21,089 --> 00:41:16,250

you never know what's going to happen

967

00:41:25,810 --> 00:41:24,099

we have been Radford the book is

968

00:41:27,760 --> 00:41:25,820

trekking the chupacabra we're gonna look

969

00:41:29,800 --> 00:41:27,770

at these weird creatures and see whether

970

00:41:31,870 --> 00:41:29,810

there is really something true to them

971

00:41:33,490 --> 00:41:31,880

just miss identification someone's just

972

00:41:35,410 --> 00:41:33,500

making it all up try to get a little

973

00:41:37,569 --> 00:41:35,420

publicity maybe drinking too much of the

974

00:41:40,030 --> 00:41:37,579

sauce what's the reality co-host is

975

00:41:42,670 --> 00:41:40,040

Chris O'Brien I'm gene Steinberg okay so

976

00:41:45,190 --> 00:41:42,680

I guess you were raising the different

977

00:41:46,839 --> 00:41:45,200

categories of sightings and I gather

978

00:41:48,819 --> 00:41:46,849

some people who maybe you're just making

979

00:41:50,170 --> 00:41:48,829

it all up how do you know that I don't

980

00:41:53,230 --> 00:41:50,180

assume that people are making it up at

981

00:41:54,940 --> 00:41:53,240

all in fact my my assumption in this

982

00:41:57,130 --> 00:41:54,950

investigation as in all my

983

00:41:59,920 --> 00:41:57,140

investigations is that most people are

984

00:42:02,079 --> 00:41:59,930

sincere genuine eyewitnesses most people

985

00:42:04,000 --> 00:42:02,089

really believed they saw something so I

986

00:42:05,800 --> 00:42:04,010

found the very very few cases where

987

00:42:07,599 --> 00:42:05,810

people were actually making it up I

988

00:42:10,089 --> 00:42:07,609

found many more cases where people

989

00:42:12,880 --> 00:42:10,099

simply were reporting things that they

990

00:42:14,260 --> 00:42:12,890

that they that you know they they saw

991

00:42:16,450 --> 00:42:14,270

something out of the corn there I their

992

00:42:18,579 --> 00:42:16,460

eyes sore and their you know their minds

993

00:42:19,870 --> 00:42:18,589

sort of filled in the details well we

994

00:42:22,420 --> 00:42:19,880

also have hundreds and hundreds of

995

00:42:23,859 --> 00:42:22,430

animal carcasses as well which I'm sure

996

00:42:25,930 --> 00:42:23,869

we're going to talk about at some point

997

00:42:28,990 --> 00:42:25,940

but but you do have physical evidence of

998

00:42:32,559 --> 00:42:29,000

some some sort of predatory or presence

999

00:42:35,140 --> 00:42:32,569

so we we have to keep that in mind so

1000

00:42:37,270 --> 00:42:35,150

yeah absolutely and of course you know

1001
00:42:39,730 --> 00:42:37,280
predation has been as plagued mankind

1002
00:42:41,079 --> 00:42:39,740
for for millennia so there's there's no

1003
00:42:43,809 --> 00:42:41,089
doubt that there are animals that attack

1004
00:42:45,280 --> 00:42:43,819
other animals yep okay so someone sees

1005
00:42:48,490 --> 00:42:45,290
something in the corner of their eye and

1006
00:42:51,370 --> 00:42:48,500
they confabulate something that's maybe

1007
00:42:53,950 --> 00:42:51,380
we're so what might they have seen other

1008
00:42:55,690 --> 00:42:53,960
than something weird or paranormal or

1009
00:42:58,270 --> 00:42:55,700
whatever Oh again it depends on the

1010
00:43:00,359 --> 00:42:58,280
specific case you know there was a taxi

1011
00:43:02,800 --> 00:43:00,369
driver that reported that he saw some

1012
00:43:06,099 --> 00:43:02,810
bipedal winged creature running along

1013
00:43:08,170 --> 00:43:06,109

his taxi at night I have no idea what

1014

00:43:10,720 --> 00:43:08,180

that was it could have been a hoax it

1015

00:43:12,160 --> 00:43:10,730

could have been I have no idea so again

1016

00:43:13,630 --> 00:43:12,170

you have to go about the specific case

1017

00:43:15,309 --> 00:43:13,640

it's kind of hard for me to give you a

1018

00:43:17,380 --> 00:43:15,319

blanket explanation okay well let's look

1019

00:43:18,819 --> 00:43:17,390

at that one girl so I don't know it

1020

00:43:20,290 --> 00:43:18,829

could have been something else I don't

1021

00:43:22,870 --> 00:43:20,300

know what it might have been its

1022

00:43:24,609 --> 00:43:22,880

mistaken he saw something that was

1023

00:43:26,410 --> 00:43:24,619

fairly normal at night of course the

1024

00:43:27,910 --> 00:43:26,420

vision isn't very good you don't really

1025

00:43:30,849 --> 00:43:27,920

get a clear indication of what you're

1026

00:43:32,890 --> 00:43:30,859

seeing so he you know saw something and

1027

00:43:33,480 --> 00:43:32,900

made it up made up the rest of the story

1028

00:43:37,109 --> 00:43:33,490

what

1029

00:43:39,240 --> 00:43:37,119

lot of times is that is that the eye

1030

00:43:41,160 --> 00:43:39,250

witnesses themselves are actually much

1031

00:43:43,530 --> 00:43:41,170

more reserved in their accounts than

1032

00:43:46,920 --> 00:43:43,540

what you see it in the in the news media

1033

00:43:49,530 --> 00:43:46,930

I encountered many cases where it seemed

1034

00:43:51,270 --> 00:43:49,540

that the reporters who are writing that

1035

00:43:54,000 --> 00:43:51,280

the stories either for illah cetera

1036

00:43:56,340 --> 00:43:54,010

which is a tabloid and in Puerto Rico or

1037

00:43:57,870 --> 00:43:56,350

elsewhere they sort of spiced up the

1038

00:43:59,970 --> 00:43:57,880

story I don't not gonna say they they

1039

00:44:01,770 --> 00:43:59,980

fabricated it but certainly they they

1040

00:44:03,240 --> 00:44:01,780

added some details and sort of made it

1041

00:44:05,880 --> 00:44:03,250

sound more dramatic than the openness

1042

00:44:09,000 --> 00:44:05,890

themselves made it out to be those dang

1043

00:44:11,280 --> 00:44:09,010

reporters for those dang reporters okay

1044

00:44:14,130 --> 00:44:11,290

so in this particular situation here it

1045

00:44:15,990 --> 00:44:14,140

was the press that made a big deal of it

1046

00:44:17,460 --> 00:44:16,000

in case the chupacabra there are

1047

00:44:20,340 --> 00:44:17,470

actually two different factors one of

1048

00:44:22,859 --> 00:44:20,350

them was again the co-opting by UFO

1049

00:44:24,990 --> 00:44:22,869

believers in Puerto Rico of Tolentino as

1050

00:44:27,750 --> 00:44:25,000

original description because they

1051
00:44:30,210 --> 00:44:27,760
believed that the chupacabra was

1052
00:44:32,160 --> 00:44:30,220
probably an extraterrestrial or at least

1053
00:44:35,370 --> 00:44:32,170
connection with extraterrestrials the

1054
00:44:37,470 --> 00:44:35,380
second thing was so the UFO people

1055
00:44:40,050 --> 00:44:37,480
people who believe in UFOs or

1056
00:44:43,290 --> 00:44:40,060
investigate UFOs you're suggesting here

1057
00:44:46,109 --> 00:44:43,300
that they will make these cases seem to

1058
00:44:48,120 --> 00:44:46,119
be something related to the UFO belief

1059
00:44:51,349 --> 00:44:48,130
that some Nova Jane really you don't

1060
00:44:54,870 --> 00:44:51,359
think that that could ever happen do you

1061
00:44:57,000 --> 00:44:54,880
know what I'm saying you know that's a

1062
00:45:01,140 --> 00:44:57,010
real major problem in this field is all

1063
00:45:03,450 --> 00:45:01,150

three of us know yeah I there are many

1064

00:45:05,040 --> 00:45:03,460

many different ideas about what the

1065

00:45:06,630 --> 00:45:05,050

chupacabra is some people believe it's

1066

00:45:08,580 --> 00:45:06,640

an alien pet some people believe it's

1067

00:45:10,740 --> 00:45:08,590

the results of a top-secret US

1068

00:45:12,240 --> 00:45:10,750

government unit genetic experiments

1069

00:45:14,340 --> 00:45:12,250

people think that it's the cause is that

1070

00:45:16,650 --> 00:45:14,350

the AIDS virus some people believe that

1071

00:45:18,930 --> 00:45:16,660

it's it's a sign of Armageddon and the

1072

00:45:21,180 --> 00:45:18,940

end times and opinions a dime-a-dozen

1073

00:45:23,580 --> 00:45:21,190

mmm and we can believe anything we want

1074

00:45:27,810 --> 00:45:23,590

but right now we're assuming then that

1075

00:45:29,359 --> 00:45:27,820

in some cases the media is exaggerating

1076

00:45:31,859 --> 00:45:29,369

something that might be very simple

1077

00:45:34,740 --> 00:45:31,869

misidentification of some kind of

1078

00:45:39,090 --> 00:45:34,750

conventional creature simple explanation

1079

00:45:41,880 --> 00:45:39,100

but somebody a news reporter or his or

1080

00:45:44,310 --> 00:45:41,890

her editors they embellish the event so

1081

00:45:46,470 --> 00:45:44,320

it becomes something more than it was is

1082

00:45:48,120 --> 00:45:46,480

that the case

1083

00:45:50,520 --> 00:45:48,130

what you find it when you go back and

1084

00:45:52,290 --> 00:45:50,530

research the original accounts the

1085

00:45:57,120 --> 00:45:52,300

original tabloid accounts in Puerto Rico

1086

00:45:59,540 --> 00:45:57,130

in 1996-1997 many of the stories not all

1087

00:46:02,040 --> 00:45:59,550

of them and many of them are clearly

1088

00:46:03,510 --> 00:46:02,050

embellished and exaggerated there was

1089

00:46:05,220 --> 00:46:03,520

one there was one particular example I

1090

00:46:07,650 --> 00:46:05,230

talked about in the book where a

1091

00:46:09,930 --> 00:46:07,660

reporter talked about how a young girl

1092

00:46:10,980 --> 00:46:09,940

had seen the chupacabra had been

1093

00:46:13,980 --> 00:46:10,990

kidnapped by it

1094

00:46:17,220 --> 00:46:13,990

the chupacabra then tattooed or had some

1095

00:46:19,290 --> 00:46:17,230

sort of skin marks on the girl it then

1096

00:46:21,900 --> 00:46:19,300

escaped and then the girl turned out to

1097

00:46:24,840 --> 00:46:21,910

the girl shortly became a genius like a

1098

00:46:26,310 --> 00:46:24,850

child prodigy it's not clear whether

1099

00:46:29,190 --> 00:46:26,320

whether it was the tattoo or the

1100

00:46:31,500 --> 00:46:29,200

chupacabra but this was reported as a

1101
00:46:32,970 --> 00:46:31,510
straight chupacabra news story and it's

1102
00:46:36,030 --> 00:46:32,980
it's you know it's a way in the world

1103
00:46:38,040 --> 00:46:36,040
news kind of thing essentially it is you

1104
00:46:39,720 --> 00:46:38,050
have to but this is you know that was

1105
00:46:42,600 --> 00:46:39,730
not untypical of a lot of the news

1106
00:46:44,280 --> 00:46:42,610
coverage of the original rican

1107
00:46:46,980 --> 00:46:44,290
chupacabra i mean so that that's

1108
00:46:48,600 --> 00:46:46,990
actually not that wasn't a typical of

1109
00:46:51,780 --> 00:46:48,610
what people were hearing about

1110
00:46:54,500 --> 00:46:51,790
okay so separating the story the news

1111
00:46:57,690 --> 00:46:54,510
story where you have the tabloid writers

1112
00:47:00,150 --> 00:46:57,700
taken anything out there and making up

1113
00:47:01,980 --> 00:47:00,160

something mm okay so we know the

1114

00:47:03,900 --> 00:47:01,990

President Carter met with Martians or

1115

00:47:06,630 --> 00:47:03,910

something whatever it was back in the

1116

00:47:08,640 --> 00:47:06,640

70s okay so we go back to the original

1117

00:47:10,680 --> 00:47:08,650

event how do you do that do you go back

1118

00:47:13,200 --> 00:47:10,690

to the original witnesses or you do you

1119

00:47:16,830 --> 00:47:13,210

assume because the tabloid has all this

1120

00:47:18,780 --> 00:47:16,840

elaborate invention behind it that they

1121

00:47:21,990 --> 00:47:18,790

can't possibly be anything that has a

1122

00:47:24,030 --> 00:47:22,000

reality to it in this case I did a

1123

00:47:27,000 --> 00:47:24,040

couple different things one of them was

1124

00:47:29,970 --> 00:47:27,010

I researched as much as I could on the

1125

00:47:33,180 --> 00:47:29,980

original accounts that were taken at the

1126
00:47:34,830 --> 00:47:33,190
time in Puerto Rico so for that I relied

1127
00:47:37,710 --> 00:47:34,840
heavily on Scott paralysis book

1128
00:47:41,070 --> 00:47:37,720
chupacabras and other mysteries in which

1129
00:47:43,170 --> 00:47:41,080
he reports quite a few accounts from

1130
00:47:45,270 --> 00:47:43,180
from the time the other thing I did was

1131
00:47:47,070 --> 00:47:45,280
the other thing I did was go to Puerto

1132
00:47:50,520 --> 00:47:47,080
Rico and I interviewed eyewitnesses

1133
00:47:52,350 --> 00:47:50,530
there as well as the original eyewitness

1134
00:47:54,930 --> 00:47:52,360
metal and tolentino who who's basically

1135
00:47:58,010 --> 00:47:54,940
citing spurred the the entire the entire

1136
00:48:00,180 --> 00:47:58,020
to recover a form and I played Barry

1137
00:48:02,970 --> 00:48:00,190
alright pretty much

1138
00:48:05,849 --> 00:48:02,980

then the third thing I did was I went to

1139

00:48:07,920 --> 00:48:05,859

library archives in Puerto Rico in San

1140

00:48:10,650 --> 00:48:07,930

Juan and elsewhere and I research

1141

00:48:12,630 --> 00:48:10,660

original chupacabra reports because

1142

00:48:14,220 --> 00:48:12,640

because I speak decent Spanish I

1143

00:48:16,800 --> 00:48:14,230

photocopied them and I could read them

1144

00:48:19,980 --> 00:48:16,810

and and so I got information from there

1145

00:48:22,859 --> 00:48:19,990

and that 30 gives you a more of a more

1146

00:48:24,480 --> 00:48:22,869

original source from more primary source

1147

00:48:26,460 --> 00:48:24,490

than just sort of you know a third hand

1148

00:48:28,680 --> 00:48:26,470

stories do you think part of the problem

1149

00:48:30,930 --> 00:48:28,690

is that people are taking too many of

1150

00:48:33,690 --> 00:48:30,940

the third-party stories the third hand

1151

00:48:36,359 --> 00:48:33,700

that extravagant headlines in these

1152

00:48:38,520 --> 00:48:36,369

tabloids and running with it and just

1153

00:48:41,400 --> 00:48:38,530

taking any event anywhere as being part

1154

00:48:44,460 --> 00:48:41,410

of this chupacabra mystery I think

1155

00:48:51,380 --> 00:48:44,470

that's exactly what's going on I agree

1156

00:48:54,180 --> 00:48:51,390

with you Ben on that too so we're good

1157

00:49:00,839 --> 00:48:54,190

you know Chris agrees with you we know

1158

00:49:03,420 --> 00:49:00,849

it's not a mystery let's go on with the

1159

00:49:06,510 --> 00:49:03,430

caveat I agree that part of what we're

1160

00:49:08,700 --> 00:49:06,520

seeing here and I think the that it

1161

00:49:10,620 --> 00:49:08,710

should be stressed that you know your

1162

00:49:12,390 --> 00:49:10,630

point at the at the top of the show

1163

00:49:16,020 --> 00:49:12,400

about this all of a sudden appearing out

1164

00:49:18,630 --> 00:49:16,030

of nowhere in 1995 is I think really

1165

00:49:21,390 --> 00:49:18,640

telling and I think the spread of this

1166

00:49:24,780 --> 00:49:21,400

whole meme and the culture is is a

1167

00:49:27,900 --> 00:49:24,790

perfect example of how urban legends and

1168

00:49:30,120 --> 00:49:27,910

in popular sort of modern myths

1169

00:49:32,460 --> 00:49:30,130

gets started propagated and spread you

1170

00:49:34,770 --> 00:49:32,470

know this is a good example I'm not

1171

00:49:36,180 --> 00:49:34,780

saying that that that there's not the

1172

00:49:39,870 --> 00:49:36,190

possibility of something being behind

1173

00:49:42,180 --> 00:49:39,880

this mystery some sort of real predatory

1174

00:49:43,800 --> 00:49:42,190

presence that has been that is being

1175

00:49:46,859 --> 00:49:43,810

talked about but I don't think it really

1176

00:49:49,200 --> 00:49:46,869

bears too much of a resemblance of what

1177

00:49:51,750 --> 00:49:49,210

the pop culture version of it is no l

1178

00:49:54,210 --> 00:49:51,760

and you make a very good point which is

1179

00:49:56,579 --> 00:49:54,220

that is it's not a or b it's not one of

1180

00:49:58,859 --> 00:49:56,589

the other it's not as if either there is

1181

00:50:01,920 --> 00:49:58,869

a real chupacabra or this is a media

1182

00:50:06,210 --> 00:50:01,930

hyped monster it's big you know it's it

1183

00:50:07,410 --> 00:50:06,220

could be both you know you regardless of

1184

00:50:09,960 --> 00:50:07,420

whether you believe the chupacabra or

1185

00:50:12,329 --> 00:50:09,970

not it's an undeniable fact that the

1186

00:50:14,180 --> 00:50:12,339

media and the pop culture is a huge part

1187

00:50:18,380 --> 00:50:14,190

of the lore of surround

1188

00:50:20,569 --> 00:50:18,390

so he I would argue that in fact that

1189

00:50:23,809 --> 00:50:20,579

the entire phenomena much of the fam has

1190

00:50:25,790 --> 00:50:23,819

been propelled without a true Chupacabra

1191

00:50:28,069 --> 00:50:25,800

at its core I said we might we might

1192

00:50:29,800 --> 00:50:28,079

differ there a little bit on that I do

1193

00:50:33,230 --> 00:50:29,810

have a sense that there is something

1194

00:50:35,480 --> 00:50:33,240

high strange at the core of this I think

1195

00:50:38,300 --> 00:50:35,490

that the actual events that could be

1196

00:50:40,819 --> 00:50:38,310

attributed to this particular entity or

1197

00:50:43,540 --> 00:50:40,829

whatever you want to call it are are a

1198

00:50:45,980 --> 00:50:43,550

small small percentage of the overall

1199

00:50:49,690 --> 00:50:45,990

appearance of the of the whole mystery

1200

00:50:52,280 --> 00:50:49,700

but again this is where we differ Joe I

1201
00:50:54,920 --> 00:50:52,290
assume that there are law enforcement

1202
00:50:57,410 --> 00:50:54,930
officials and veterinarians and others

1203
00:50:59,900 --> 00:50:57,420
who are able to determine cause of death

1204
00:51:02,359 --> 00:50:59,910
and whether an animal has been truly

1205
00:51:03,950 --> 00:51:02,369
exaggerated this is an element that you

1206
00:51:05,839 --> 00:51:03,960
bring up I think very effectively in

1207
00:51:07,670 --> 00:51:05,849
your book this is one of the mainstays

1208
00:51:09,290 --> 00:51:07,680
of this phenomenon that these animals

1209
00:51:12,470 --> 00:51:09,300
are drained of blood and fluids and

1210
00:51:15,500 --> 00:51:12,480
having undergone this same scenario in

1211
00:51:19,250 --> 00:51:15,510
the cattle mutilation phenomenon I find

1212
00:51:22,370 --> 00:51:19,260
that it's it's highly it's it's just not

1213
00:51:24,380 --> 00:51:22,380

true these animals I don't think are

1214

00:51:26,630 --> 00:51:24,390

drained I know the cattle are very

1215

00:51:29,170 --> 00:51:26,640

rarely drained of fluids in all the

1216

00:51:31,609 --> 00:51:29,180

cases that I've checked so we're going

1217

00:51:35,210 --> 00:51:31,619

in a moment we'll have all the CSI

1218

00:51:37,730 --> 00:51:35,220

coverage here this is the power cast CSI

1219

00:51:39,980 --> 00:51:37,740

edition we're talking to Ben Radford the

1220

00:51:42,200 --> 00:51:39,990

book is tracking the chupacabra because

1221

00:51:46,770 --> 00:51:42,210

as Chris O'Brien I'm gene Steinberg

1222

00:51:52,170 --> 00:51:49,520

[Music]

1223

00:51:54,120 --> 00:51:52,180

hi this is Ted Anderson if you own an

1224

00:51:56,430 --> 00:51:54,130

Apple iPhone and love to listen to your

1225

00:51:58,170 --> 00:51:56,440

favorite programs on GCM I've got good

1226
00:52:00,510 --> 00:51:58,180
news for you I'm proud to announce that

1227
00:52:03,120 --> 00:52:00,520
GCN has a brand new iPhone app available

1228
00:52:05,010 --> 00:52:03,130
for our dedicated listeners at GC and

1229
00:52:07,109 --> 00:52:05,020
live.com listen to your favorite

1230
00:52:09,210 --> 00:52:07,119
hard-hitting GCN programs live or

1231
00:52:11,430 --> 00:52:09,220
on-demand right on your iPhone and the

1232
00:52:13,800 --> 00:52:11,440
best part the gcn iPhone app can be

1233
00:52:15,660 --> 00:52:13,810
yours absolutely free download the

1234
00:52:18,120 --> 00:52:15,670
iPhone app today by clicking on the

1235
00:52:20,970 --> 00:52:18,130
banner at GC and live.com again that's

1236
00:52:22,380 --> 00:52:20,980
GCN live.com hi this is Ted Anderson

1237
00:52:24,210 --> 00:52:22,390
have you ever wondered why banks

1238
00:52:25,980 --> 00:52:24,220

stockbrokers investment advisors won't

1239

00:52:28,349 --> 00:52:25,990

talk about gold IRAs they've been

1240

00:52:30,000 --> 00:52:28,359

available since 1986 yet the financial

1241

00:52:31,740 --> 00:52:30,010

industry won't recognize the value of

1242

00:52:33,690 --> 00:52:31,750

gold for your retirement gold has

1243

00:52:35,609 --> 00:52:33,700

outperformed paper investments yet no

1244

00:52:49,670 --> 00:52:35,619

word about IRAs if you would like to

1245

00:53:08,240 --> 00:53:04,050

[Music]

1246

00:53:10,430 --> 00:53:08,250

we have been Radford the book tracking

1247

00:53:11,960 --> 00:53:10,440

the chupacabra or maybe there's nothing

1248

00:53:13,940 --> 00:53:11,970

to track after all

1249

00:53:16,580 --> 00:53:13,950

Chris O'Brien's the co-host some genes

1250

00:53:18,320 --> 00:53:16,590

Steinberger in the para cast Chris watch

1251
00:53:20,630 --> 00:53:18,330
pick up on what you started with in our

1252
00:53:23,920 --> 00:53:20,640
last segment well yes we were talking

1253
00:53:27,890 --> 00:53:23,930
Jeana ban about the whole I think

1254
00:53:29,960 --> 00:53:27,900
erroneous assumption that is made in not

1255
00:53:32,390 --> 00:53:29,970
only in chupacabra cases I think in in

1256
00:53:34,580 --> 00:53:32,400
many of them if not most but also in the

1257
00:53:37,520 --> 00:53:34,590
cattle mutilation phenomenon you so

1258
00:53:39,380 --> 00:53:37,530
often see the the description drained of

1259
00:53:42,170 --> 00:53:39,390
blood you know one of the things that I

1260
00:53:44,270 --> 00:53:42,180
kind of ended up having to do when I

1261
00:53:47,660 --> 00:53:44,280
would be faced with this claim by a

1262
00:53:50,720 --> 00:53:47,670
rancher or by the discoverer let's say I

1263
00:53:52,760 --> 00:53:50,730

would be a supposedly mutilated cow as I

1264

00:53:54,350 --> 00:53:52,770

just get a big strong my brother a

1265

00:53:56,750 --> 00:53:54,360

couple of friends we flipped the thing

1266

00:53:58,370 --> 00:53:56,760

over and there's all your fluids they

1267

00:54:01,820 --> 00:53:58,380

just come rolling out of the body cavity

1268

00:54:04,370 --> 00:54:01,830

now it's more difficult to determine the

1269

00:54:06,920 --> 00:54:04,380

extent of any exaggeration in a small

1270

00:54:09,830 --> 00:54:06,930

animal like a chicken or you know

1271

00:54:13,730 --> 00:54:09,840

especially fowl but in larger animals

1272

00:54:15,620 --> 00:54:13,740

like goats in swine cattle sheep it's

1273

00:54:17,810 --> 00:54:15,630

fairly easy to determine whether the

1274

00:54:21,050 --> 00:54:17,820

animal has been drained and I do applaud

1275

00:54:22,610 --> 00:54:21,060

you ban on pointing out the the problem

1276

00:54:24,440 --> 00:54:22,620

that we have in trying to get to the

1277

00:54:26,930 --> 00:54:24,450

bottom of this mystery when this is

1278

00:54:29,030 --> 00:54:26,940

constantly being put up as evidence of

1279

00:54:31,670 --> 00:54:29,040

above high strangeness and I personally

1280

00:54:34,160 --> 00:54:31,680

know that it's probably not the case so

1281

00:54:36,650 --> 00:54:34,170

I just wanted to point that out and why

1282

00:54:38,900 --> 00:54:36,660

don't you continue no I appreciate that

1283

00:54:41,180 --> 00:54:38,910

and I think I think we're in complete

1284

00:54:44,000 --> 00:54:41,190

agreement with that you know when I was

1285

00:54:46,610 --> 00:54:44,010

reading some of the original accounts

1286

00:54:49,610 --> 00:54:46,620

for example in Scott paralysis book

1287

00:54:51,380 --> 00:54:49,620

chupacabras dozens and dozens of times I

1288

00:54:53,390 --> 00:54:51,390

would read the phrase or something like

1289

00:54:55,400 --> 00:54:53,400

you know without a drop of blood or

1290

00:54:57,020 --> 00:54:55,410

without any blood at all or had been

1291

00:54:58,250 --> 00:54:57,030

drained of it and I would just read this

1292

00:55:01,160 --> 00:54:58,260

over and over and over and over again

1293

00:55:02,570 --> 00:55:01,170

and I kept waiting for somebody with

1294

00:55:04,490 --> 00:55:02,580

some authority and some medical

1295

00:55:07,910 --> 00:55:04,500

authority to say that yes this has had

1296

00:55:10,130 --> 00:55:07,920

in fact been verified and it's the it's

1297

00:55:13,130 --> 00:55:10,140

the exact same case with chupacabra

1298

00:55:15,260 --> 00:55:13,140

reports in general which is that almost

1299

00:55:17,140 --> 00:55:15,270

invariably nobody bothered to look

1300

00:55:20,019 --> 00:55:17,150

nobody bothered to do an actual

1301

00:55:21,609 --> 00:55:20,029

good in veterinary or necropsy to

1302

00:55:23,680 --> 00:55:21,619

determine that there wasn't that blood

1303

00:55:27,279 --> 00:55:23,690

loss in the cases where people did do

1304

00:55:29,200 --> 00:55:27,289

that there was no blood loss and so that

1305

00:55:32,319 --> 00:55:29,210

that that's sort of a big part of the

1306

00:55:36,039 --> 00:55:32,329

mystery to my mind that has really been

1307

00:55:38,230 --> 00:55:36,049

yeah not was widely known as it should

1308

00:55:40,329 --> 00:55:38,240

be that that you know if things are not

1309

00:55:42,519 --> 00:55:40,339

actually legitimately generally drained

1310

00:55:44,319 --> 00:55:42,529

of blood then we don't need to look for

1311

00:55:45,730 --> 00:55:44,329

a vampire that has drained the blood out

1312

00:55:47,620 --> 00:55:45,740

of those things because there's no blood

1313

00:55:49,870 --> 00:55:47,630

to worry about so where do we have this

1314

00:55:52,809 --> 00:55:49,880

disconnect where did they take instances

1315

00:55:55,690 --> 00:55:52,819

where there was no drain blood and then

1316

00:55:59,410 --> 00:55:55,700

we add that X Factor to it to my mind

1317

00:56:03,069 --> 00:55:59,420

it's because most people would possibly

1318

00:56:06,250 --> 00:56:03,079

make the connection between the things

1319

00:56:09,099 --> 00:56:06,260

they find and vampirism you have to

1320

00:56:11,170 --> 00:56:09,109

realize that if in many of these these

1321

00:56:14,500 --> 00:56:11,180

so-called chupacabra victims they were

1322

00:56:16,660 --> 00:56:14,510

attacked by by canids dogs coyotes foxes

1323

00:56:18,760 --> 00:56:16,670

things like that and the way those

1324

00:56:21,880 --> 00:56:18,770

animals attack is with a bite to the

1325

00:56:23,829 --> 00:56:21,890

neck and and that would typically leave

1326

00:56:24,940 --> 00:56:23,839

two or four depending on how you're

1327

00:56:27,339 --> 00:56:24,950

looking at it

1328

00:56:29,470 --> 00:56:27,349

puncture wounds at the neck and people

1329

00:56:30,730 --> 00:56:29,480

always say well no no yeah this couldn't

1330

00:56:32,289 --> 00:56:30,740

be a dog attack or this couldn't be a

1331

00:56:34,630 --> 00:56:32,299

coyote attack because the coyote would

1332

00:56:37,059 --> 00:56:34,640

would eat the whole thing and that's

1333

00:56:38,680 --> 00:56:37,069

simply incorrect it's factually wrong I

1334

00:56:42,670 --> 00:56:38,690

did a fair amount of research into

1335

00:56:44,859 --> 00:56:42,680

wildlife predation for primarily dog and

1336

00:56:47,019 --> 00:56:44,869

wolf and and cutting predation and

1337

00:56:49,329 --> 00:56:47,029

that's that's not at all of what happens

1338

00:56:51,640 --> 00:56:49,339

on occasion yeah they sometimes they

1339

00:56:54,370 --> 00:56:51,650

just killed for the sake of killing they

1340

00:56:56,109 --> 00:56:54,380

do and and they and they'll bite them on

1341

00:56:59,140 --> 00:56:56,119

the neck and then they'll run away and

1342

00:57:02,260 --> 00:56:59,150

if someone later comes across an animal

1343

00:57:04,059 --> 00:57:02,270

say a goat that's dead and it has two

1344

00:57:06,460 --> 00:57:04,069

puncture marks on the neck but it's

1345

00:57:08,829 --> 00:57:06,470

otherwise you know there's no other sign

1346

00:57:11,470 --> 00:57:08,839

of blood or no no there's no sign of

1347

00:57:13,450 --> 00:57:11,480

death it's just this animal is dead the

1348

00:57:15,579 --> 00:57:13,460

only thing that I can see is two two you

1349

00:57:17,890 --> 00:57:15,589

know two bite marks on the neck then

1350

00:57:19,779 --> 00:57:17,900

it's not an illogical sort of leap

1351

00:57:21,370 --> 00:57:19,789

actually it is a logically but

1352

00:57:23,620 --> 00:57:21,380

unfortunately it's a common leap to say

1353

00:57:25,599 --> 00:57:23,630

well maybe it was attacked by a vampire

1354

00:57:27,579 --> 00:57:25,609

and so I think that's where a lot of

1355

00:57:28,970 --> 00:57:27,589

people make that connection are we too

1356

00:57:32,390 --> 00:57:28,980

obsessed with vampires

1357

00:57:34,520 --> 00:57:32,400

we have vampires on TV constant

1358

00:57:37,130 --> 00:57:34,530

reference to vampires these days I think

1359

00:57:39,710 --> 00:57:37,140

more than the days we had Dracula movies

1360

00:57:42,470 --> 00:57:39,720

is that part of why we get this kind of

1361

00:57:44,810 --> 00:57:42,480

story I think that's part of it I mean

1362

00:57:48,800 --> 00:57:44,820

in my in my research I actually trace

1363

00:57:50,859 --> 00:57:48,810

the vampire mythos back to you know you

1364

00:57:53,390 --> 00:57:50,869

look at the you're the European vampires

1365

00:57:54,980 --> 00:57:53,400

and I think there's a pretty strong

1366

00:57:56,660 --> 00:57:54,990

connection I make that connect I make

1367

00:57:58,940 --> 00:57:56,670

that argument in the book that you can

1368

00:58:00,710 --> 00:57:58,950

draw a pretty good pretty strong line

1369

00:58:04,040 --> 00:58:00,720

between the European vampires and let's

1370

00:58:06,680 --> 00:58:04,050

say 17 1800s to the chupacabra and I

1371

00:58:08,840 --> 00:58:06,690

also go into African vampires and Latin

1372

00:58:11,450 --> 00:58:08,850

American vampires as well and so to my

1373

00:58:13,910 --> 00:58:11,460

mind that the chupacabra in a real way

1374

00:58:15,830 --> 00:58:13,920

is just sort of updated version of the

1375

00:58:17,510 --> 00:58:15,840

European vampire and there's some

1376

00:58:18,560 --> 00:58:17,520

there's some more interesting parallels

1377

00:58:20,000 --> 00:58:18,570

I don't know how in-depth you want to

1378

00:58:21,800 --> 00:58:20,010

get into it but there's there's some

1379

00:58:23,990 --> 00:58:21,810

interesting parallels there so we have

1380

00:58:27,620 --> 00:58:24,000

something here that suddenly it springs

1381

00:58:29,330 --> 00:58:27,630

upon us a chupacabra and all-new there's

1382

00:58:32,540 --> 00:58:29,340

nothing that you can find in folklore

1383

00:58:33,830 --> 00:58:32,550

anywhere about a similar creature is

1384

00:58:37,340 --> 00:58:33,840

that your testimony sir

1385

00:58:38,710 --> 00:58:37,350

that's not quite right it depends on how

1386

00:58:42,290 --> 00:58:38,720

you're defining it I mean certainly

1387

00:58:43,609 --> 00:58:42,300

because because the vampire motif is

1388

00:58:45,290 --> 00:58:43,619

universal

1389

00:58:47,510 --> 00:58:45,300

you know cultures all over the world and

1390

00:58:49,220 --> 00:58:47,520

for foredeck for you know centuries and

1391

00:58:51,020 --> 00:58:49,230

millennia have stories about vampires

1392

00:58:51,560 --> 00:58:51,030

the ancient Greeks had stories about

1393

00:58:55,190 --> 00:58:51,570

vampires

1394

00:58:57,800 --> 00:58:55,200

so the vampire idea is not new

1395

00:58:58,400 --> 00:58:57,810

what I am arguing is that as far as I

1396

00:59:01,970 --> 00:58:58,410

can tell

1397

00:59:05,150 --> 00:59:01,980

prior to 1995 there was no blood sucking

1398

00:59:07,580 --> 00:59:05,160

beast called the chupacabra in Puerto

1399

00:59:09,470 --> 00:59:07,590

Rico or anywhere else and you've you've

1400

00:59:11,780 --> 00:59:09,480

actually offered a reward for any

1401
00:59:14,120 --> 00:59:11,790
earlier cases if memory serves me

1402
00:59:16,550 --> 00:59:14,130
correct you you're actually actively

1403
00:59:18,590 --> 00:59:16,560
trying to find some cases that predate

1404
00:59:21,830 --> 00:59:18,600
that 95 date that's exactly right

1405
00:59:23,480 --> 00:59:21,840
because in the last few weeks since my

1406
00:59:25,700 --> 00:59:23,490
book has been out and I've had I've been

1407
00:59:28,220 --> 00:59:25,710
contacted by a dozen or so people who

1408
00:59:29,780 --> 00:59:28,230
have told me that I don't know what I'm

1409
00:59:32,090 --> 00:59:29,790
talking about and then the bait they

1410
00:59:34,730 --> 00:59:32,100
specifically personally remember hearing

1411
00:59:37,609 --> 00:59:34,740
about the chupacabra in the 50s 60s 70s

1412
00:59:40,190 --> 00:59:37,619
and 80s in Texas and New Mexico and I

1413
00:59:41,660 --> 00:59:40,200

reckon elsewhere it's possible but all I

1414

00:59:43,460 --> 00:59:41,670

can tell you is that the

1415

00:59:46,039 --> 00:59:43,470

I couldn't find any any previous

1416

00:59:50,390 --> 00:59:46,049

references to the chupacabra before that

1417

00:59:51,680 --> 00:59:50,400

before 1995 and and if someone can find

1418

00:59:54,530 --> 00:59:51,690

a published reference to the word

1419

00:59:55,819 --> 00:59:54,540

chupacabra meaning a vampire beast not

1420

00:59:58,520 --> 00:59:55,829

something else because there actually

1421

01:00:00,410 --> 00:59:58,530

was a chupacabra that referred to a bird

1422

01:00:02,720 --> 01:00:00,420

that supposedly suck the milk out of

1423

01:00:04,970 --> 01:00:02,730

goats but not blood and not a vampire

1424

01:00:07,250 --> 01:00:04,980

piece so yeah I'm offering a 250 dollar

1425

01:00:08,930 --> 01:00:07,260

reward plus the sign copy my book okay

1426

01:00:13,750 --> 01:00:08,940

two hundred fifty dollars this is not

1427

01:00:30,440 --> 01:00:23,750

oh come on Ben pony it up man I'll start

1428

01:00:33,170 --> 01:00:30,450

looking for you it's not well let's

1429

01:00:36,829 --> 01:00:33,180

let's digress real quick and and look at

1430

01:00:38,870 --> 01:00:36,839

how the term Chupacabra was was kind of

1431

01:00:41,359 --> 01:00:38,880

inadvertently and almost in a comedic

1432

01:00:43,490 --> 01:00:41,369

way literally applied to this particular

1433

01:00:45,200 --> 01:00:43,500

phenomenon this story is very

1434

01:00:47,539 --> 01:00:45,210

interesting wasn't it some Puerto Rican

1435

01:00:49,400 --> 01:00:47,549

comedian I think they kind of coined the

1436

01:00:51,260 --> 01:00:49,410

term and it's stuck and and there were

1437

01:00:53,930 --> 01:00:51,270

songs written and in other pop culture

1438

01:00:57,190 --> 01:00:53,940

yeah stuff they kind of propelled the

1439

01:01:00,289 --> 01:00:57,200

whole of the whole thing along yeah

1440

01:01:03,440 --> 01:01:00,299

Loren Coleman did some research and dug

1441

01:01:05,630 --> 01:01:03,450

up a reference to a chupacabra on the TV

1442

01:01:07,520 --> 01:01:05,640

show bonanza in 1960 but again that

1443

01:01:10,250 --> 01:01:07,530

refers specifically to it to a bird and

1444

01:01:11,809 --> 01:01:10,260

not to any sort of vampiric beast the

1445

01:01:14,750 --> 01:01:11,819

first reference that I've been able to

1446

01:01:16,130 --> 01:01:14,760

find is to the chupacabra there's

1447

01:01:18,440 --> 01:01:16,140

actually two people that I know for

1448

01:01:20,180 --> 01:01:18,450

certain that claim to acquainted the

1449

01:01:23,870 --> 01:01:20,190

most famous one is a man named Silvio

1450

01:01:28,069 --> 01:01:23,880

Perez who is who is who was and I think

1451

01:01:30,289 --> 01:01:28,079

still is a popular radio entertainer in

1452

01:01:32,660 --> 01:01:30,299

in Puerto Rico and my understanding is

1453

01:01:37,099 --> 01:01:32,670

that he claimed that he coined the word

1454

01:01:40,569 --> 01:01:37,109

chupacabra in 95 shortly after the some

1455

01:01:43,130 --> 01:01:40,579

of the first animal deaths became public

1456

01:01:45,559 --> 01:01:43,140

and at that point it became a joke I

1457

01:01:47,660 --> 01:01:45,569

mean it was you know he was he meant it

1458

01:01:49,520 --> 01:01:47,670

as a joke it wasn't oh my god you should

1459

01:01:51,710 --> 01:01:49,530

be scared it's like hey here's a

1460

01:01:53,560 --> 01:01:51,720

chupacabra goatsucker blah blah blah

1461

01:01:56,170 --> 01:01:53,570

and yeah it

1462

01:01:59,200 --> 01:01:56,180

suddenly spun off into your t-shirts and

1463

01:02:02,160 --> 01:01:59,210

hats and songs and and little Chupacabra

1464

01:02:04,930 --> 01:02:02,170

you know chachki and figurines and no

1465

01:02:07,270 --> 01:02:04,940

t-shirts and you name it so it quickly

1466

01:02:09,160 --> 01:02:07,280

but the Puerto Ricans themselves quickly

1467

01:02:11,410 --> 01:02:09,170

embraced the chupacabra many of them

1468

01:02:13,990 --> 01:02:11,420

feared it I mean there was a there was

1469

01:02:16,150 --> 01:02:14,000

and still is a real belief in chupacabra

1470

01:02:18,250 --> 01:02:16,160

among many Puerto Ricans but many other

1471

01:02:20,590 --> 01:02:18,260

Puerto Ricans just saw it sort of as

1472

01:02:23,050 --> 01:02:20,600

kind of a joke there's their their local

1473

01:02:25,030 --> 01:02:23,060

version of Bigfoot so it's all for

1474

01:02:26,740 --> 01:02:25,040

entertainment and we'll make some more

1475

01:02:29,140 --> 01:02:26,750

movies about it because for heaven's

1476

01:02:32,320 --> 01:02:29,150

sake the movie industry is suffering now

1477

01:02:33,790 --> 01:02:32,330

maybe we need a good chupacabra film to

1478

01:02:36,130 --> 01:02:33,800

kind of straighten things out get the

1479

01:02:37,900 --> 01:02:36,140

box office revenues up we have Benjamin

1480

01:02:40,540 --> 01:02:37,910

Radford the book is tracking the

1481

01:02:46,050 --> 01:02:40,550

chupacabra because as Chris O'Brien I'm

1482

01:02:51,040 --> 01:02:48,810

[Music]

1483

01:02:53,320 --> 01:02:51,050

have you been sitting on a few great

1484

01:02:54,280 --> 01:02:53,330

domain name ideas but haven't locked

1485

01:02:56,200 --> 01:02:54,290

them in for yourself

1486

01:02:58,000 --> 01:02:56,210

good now you can buy them through the

1487

01:02:59,320 --> 01:02:58,010

number one domain name registrar

1488

01:03:01,300 --> 01:02:59,330

namecheap.com

1489

01:03:03,340 --> 01:03:01,310

as voted by the top tech blog Lifehacker

1490

01:03:07,150 --> 01:03:03,350

just like the name says you can buy

1491

01:03:09,130 --> 01:03:07,160

domains cheap as low as \$2.99 and every

1492

01:03:11,410 --> 01:03:09,140

new domain comes with Whois guard our

1493

01:03:13,390 --> 01:03:11,420

special privacy service free for the

1494

01:03:14,800 --> 01:03:13,400

first year now that you know it's time

1495

01:03:17,890 --> 01:03:14,810

to grab those domain names before

1496

01:03:20,980 --> 01:03:17,900

someone else does namecheap.com go now

1497

01:03:23,050 --> 01:03:20,990

namecheap.com fate magazine provides

1498

01:03:25,180 --> 01:03:23,060

true reports of the strange and unknown

1499

01:03:27,180 --> 01:03:25,190

keep up with the latest on angels and

1500

01:03:30,130 --> 01:03:27,190

miracle psychic phenomena ghosts UFOs

1501

01:03:32,080 --> 01:03:30,140

life after death and much much more

1502

01:03:34,540 --> 01:03:32,090

to receive your free issue of fate

1503

01:03:37,840 --> 01:03:34,550

magazine call now at one eight hundred

1504

01:03:42,490 --> 01:03:37,850

seven two eight two seven three zero or

1505

01:03:45,310 --> 01:03:42,500

visit their website at wwlp.com that's

1506

01:03:47,230 --> 01:03:45,320

one eight hundred seven two eight twenty

1507

01:03:51,010 --> 01:03:47,240

seven thirty what are you waiting for

1508

01:03:53,260 --> 01:03:51,020

your fate awaits dr. David berry has

1509

01:03:55,540 --> 01:03:53,270

provided excellent advice for all those

1510

01:03:58,180 --> 01:03:55,550

interested in practical economics and

1511

01:03:59,950 --> 01:03:58,190

sound money it's certainly worth reading

1512

01:04:02,590 --> 01:03:59,960

that's what congressman Ron Paul said

1513

01:04:04,180 --> 01:04:02,600

about cha-ching wisdom 123 practical

1514

01:04:04,559 --> 01:04:04,190

universal truths about money

1515

01:04:08,249 --> 01:04:04,569

the

1516

01:04:10,259 --> 01:04:08,259

book certainly it'll speak to you

1517

01:04:11,819 --> 01:04:10,269

personally your life your lifestyle your

1518

01:04:14,219 --> 01:04:11,829

your money your investments but it also

1519

01:04:15,719 --> 01:04:14,229

can be generalized into the nation

1520

01:04:17,400 --> 01:04:15,729

what's going on as a nation we do these

1521

01:04:17,909 --> 01:04:17,410

same things personally that we do as a

1522

01:04:19,799 --> 01:04:17,919

nation

1523

01:04:21,179 --> 01:04:19,809

dr. Berry's book chicheng wisdom

1524

01:04:23,189 --> 01:04:21,189

presents many facets of your

1525

01:04:23,789 --> 01:04:23,199

relationship with the once almighty

1526

01:04:25,259 --> 01:04:23,799

dollar

1527

01:04:27,509 --> 01:04:25,269

and how current national and

1528

01:04:29,189 --> 01:04:27,519

international politics affect your daily

1529

01:04:31,409 --> 01:04:29,199

life some of the other things are about

1530

01:04:33,209 --> 01:04:31,419

that they're not just economic their

1531

01:04:34,679 --> 01:04:33,219

philosophical there's psychology

1532

01:04:36,749 --> 01:04:34,689

involved in this book there's philosophy

1533

01:04:39,870 --> 01:04:36,759

and wellness book read touching wisdom

1534

01:04:44,370 --> 01:04:39,880

by dr. David berry only 995 available at

1535

01:04:49,890 --> 01:04:44,380

chi-ching wisdom calm that CH a CH I ng

1536

01:04:51,809 --> 01:04:49,900

wisdom calm cha-ching wisdom calm hello

1537

01:04:54,179 --> 01:04:51,819

again I'm back this is John Swenson at

1538

01:04:56,249 --> 01:04:54,189

mitos resources and I want to address a

1539

01:04:57,959 --> 01:04:56,259

couple of issues that I hear about daily

1540

01:05:00,150 --> 01:04:57,969

and we're talking about gold and silver

1541

01:05:02,669 --> 01:05:00,160

first is there anything to suggest that

1542

01:05:05,159 --> 01:05:02,679

sunny skies are just ahead we continue

1543

01:05:07,349 --> 01:05:05,169

to print fiat dollars inflation worsens

1544

01:05:09,390 --> 01:05:07,359

there's civil unrest around the world

1545

01:05:11,880 --> 01:05:09,400

and the demand for gold and silver has

1546

01:05:13,799 --> 01:05:11,890

never ever been higher next if you heard

1547

01:05:14,579 --> 01:05:13,809

that possessing metals is a complicated

1548

01:05:16,229 --> 01:05:14,589

process

1549

01:05:18,689 --> 01:05:16,239

I assure you that whether we're

1550

01:05:20,189 --> 01:05:18,699

discussing a direct purchase or an IRA

1551

01:05:22,859 --> 01:05:20,199

rollover this is a simple

1552

01:05:25,140 --> 01:05:22,869

straightforward transaction this is all

1553

01:05:27,870 --> 01:05:25,150

about protecting your assets and frankly

1554

01:05:30,359 --> 01:05:27,880

what are your options stock market real

1555

01:05:35,819 --> 01:05:30,369

estate metal certificates I don't think

1556

01:05:38,969 --> 01:05:35,829

so please call 866 2 2 3 7 extension 1

1557

01:05:49,330 --> 01:05:38,979

to 8 I promise a casual conversation no

1558

01:05:49,340 --> 01:06:03,439

[Music]

1559

01:06:03,449 --> 01:06:12,660

806-853-9949

1560

01:06:16,319 --> 01:06:15,030

my clubs to pay-as-you-go now you can

1561

01:06:18,599 --> 01:06:16,329

build food storage without going into

1562

01:06:20,910 --> 01:06:18,609

debt choose from a payment range of \$95

1563

01:06:22,620 --> 01:06:20,920

to 450 dollars per month our clubs work

1564

01:06:24,480 --> 01:06:22,630

with everyone's budget plus when you

1565

01:06:26,370 --> 01:06:24,490

join freeze dry guy clubs you'll get

1566

01:06:28,650 --> 01:06:26,380

additional rewards for example this

1567

01:06:30,299 --> 01:06:28,660

month get 10% back in survival bucks on

1568

01:06:32,039 --> 01:06:30,309

all purchases in the freeze dry guy

1569

01:06:34,140 --> 01:06:32,049

product line plus free shipping within

1570

01:06:36,780 --> 01:06:34,150

the lower 48 states on any order amount

1571

01:06:39,000 --> 01:06:36,790

hurry go to freeze-dry guy comm or call

1572

01:06:41,220 --> 01:06:39,010

eight six six four zero four three six

1573

01:06:43,410 --> 01:06:41,230

six three let's freeze dry guys calm or

1574

01:06:45,930 --> 01:06:43,420

call eight six six four zero four three

1575

01:06:50,970 --> 01:06:45,940

six six three the freeze dry guy the

1576

01:06:52,920 --> 01:06:50,980

best you can buy the GC and Radio

1577

01:06:57,180 --> 01:06:52,930

Network providing the world with

1578

01:07:07,049 --> 01:06:57,190

hard-hitting talk radio G C and gray

1579

01:07:08,760 --> 01:07:07,059

talk radio starts here if you have a

1580

01:07:11,579 --> 01:07:08,770

comment or question about the pair cast

1581

01:07:14,910 --> 01:07:11,589

sent it to news at the para cast com

1582

01:07:16,950 --> 01:07:14,920

that's news at the podcast comm and if

1583

01:07:18,270 --> 01:07:16,960

you want to catch up on past episodes we

1584

01:07:20,910 --> 01:07:18,280

have hundreds of shows for you to

1585

01:07:24,720 --> 01:07:20,920

download direct from the para cast com

1586

01:07:29,819 --> 01:07:24,730

that's the para cast comm or check us

1587

01:07:31,559 --> 01:07:29,829

out on iTunes that's the chupacabra

1588

01:07:34,470 --> 01:07:31,569

ladies and gentlemen you just heard him

1589

01:07:40,170 --> 01:07:34,480

I'm the para cast he's taken over the

1590

01:07:43,400 --> 01:07:40,180

body of Chris O'Brien or co-host he

1591

01:07:45,750 --> 01:07:43,410

would not they Jewpacabra know you

1592

01:07:47,819 --> 01:07:45,760

decided what you sound like but it's not

1593

01:07:49,950 --> 01:07:47,829

Chupacabra we'll have to see what the

1594

01:07:51,510 --> 01:07:49,960

Gary Oldman will play that role you know

1595

01:07:53,910 --> 01:07:51,520

when he gives up on Batman you know the

1596

01:07:55,530 --> 01:07:53,920

Dark Knight Rises you know and he has to

1597

01:07:57,450 --> 01:07:55,540

give up being Commissioner Gordon he can

1598

01:08:00,180 --> 01:07:57,460

play a chupacabra for everybody the book

1599

01:08:01,799 --> 01:08:00,190

is tracking the chupacabra with Benjamin

1600

01:08:04,410 --> 01:08:01,809

Radford Chris why'd you pick up on the

1601

01:08:05,910 --> 01:08:04,420

discussion yeah this is a real

1602

01:08:08,430 --> 01:08:05,920

fascinating subject to me because I

1603

01:08:10,410 --> 01:08:08,440

think we're dealing with a number of

1604

01:08:12,510 --> 01:08:10,420

issues that we've we've been kind of

1605

01:08:15,299 --> 01:08:12,520

playing around with here and that is the

1606

01:08:18,840 --> 01:08:15,309

very belief in a mystery such as this

1607

01:08:20,579 --> 01:08:18,850

can grow its own legs and literally they

1608

01:08:23,130 --> 01:08:20,589

have a life of its own once it gets

1609

01:08:26,099 --> 01:08:23,140

loose into the culture and and the whole

1610

01:08:29,070 --> 01:08:26,109

idea of belief in something I feel it

1611

01:08:31,380 --> 01:08:29,080

has a lot more strength and power than

1612

01:08:35,400 --> 01:08:31,390

your average sociologist would would

1613

01:08:37,800 --> 01:08:35,410

agree to and I even have a sense that if

1614

01:08:40,110 --> 01:08:37,810

enough people believe fervently in

1615

01:08:41,430 --> 01:08:40,120

something that there is a possibility

1616

01:08:43,430 --> 01:08:41,440

that the culture itself or the

1617

01:08:46,200 --> 01:08:43,440

subculture can actually manifest

1618

01:08:48,360 --> 01:08:46,210

phenomena that conform to that belief

1619

01:08:50,910 --> 01:08:48,370

and it becomes a self-perpetuating meme

1620

01:08:52,709 --> 01:08:50,920

in the culture and and I think this is a

1621

01:08:54,959 --> 01:08:52,719

classic example I'm probably one of the

1622

01:08:57,809 --> 01:08:54,969

better textbook illustrations of this

1623

01:08:59,370 --> 01:08:57,819

again I'm not saying I'm not saying that

1624

01:09:01,499 --> 01:08:59,380

there's not something at the core of

1625

01:09:03,539 --> 01:09:01,509

this I in fact I do have

1626

01:09:06,599 --> 01:09:03,549

a sense that there is but I think it's

1627

01:09:09,120 --> 01:09:06,609

all the interesting sort of subtext that

1628

01:09:10,859 --> 01:09:09,130

you have to kind of Wade through in in

1629

01:09:13,319 --> 01:09:10,869

an effort to investigate this properly

1630

01:09:14,970 --> 01:09:13,329

and get to the core of this like like

1631

01:09:17,490 --> 01:09:14,980

you've done been and I must have you

1632

01:09:19,019 --> 01:09:17,500

know applaud you on the very methodical

1633

01:09:22,140 --> 01:09:19,029

way that you have approached the subject

1634

01:09:24,419 --> 01:09:22,150

now I've known Scott Collis for a number

1635

01:09:27,689 --> 01:09:24,429

of years I do feel that he's doing a

1636

01:09:29,759 --> 01:09:27,699

great job covering the media portion of

1637

01:09:31,589 --> 01:09:29,769

the UFO phenomenon down in in Latin

1638

01:09:33,269 --> 01:09:31,599

America he is connected with a lot of

1639

01:09:36,120 --> 01:09:33,279

investigators down there what are your

1640

01:09:37,499 --> 01:09:36,130

observations about his book chupacabras

1641

01:09:40,140 --> 01:09:37,509

and other mysteries which for a long

1642

01:09:42,120 --> 01:09:40,150

time was really the only extensive work

1643

01:09:43,979 --> 01:09:42,130

that we had on the subject I mean you

1644

01:09:46,319 --> 01:09:43,989

know how professional a job did he do in

1645

01:09:48,870 --> 01:09:46,329

your in your estimation interviewing

1646

01:09:50,220 --> 01:09:48,880

witnesses and trying to avoid that that

1647

01:09:54,649 --> 01:09:50,230

problem that you have with mainstream

1648

01:09:57,779 --> 01:09:54,659

media in sensationalizing the subject

1649

01:09:59,609 --> 01:09:57,789

mr. Corrales I appreciate some of the

1650

01:10:01,859 --> 01:09:59,619

work he's done I think he's done a real

1651

01:10:04,589 --> 01:10:01,869

service to to the cryptozoological

1652

01:10:06,419 --> 01:10:04,599

community and the paranormal community

1653

01:10:08,490 --> 01:10:06,429

in general for a number of things one of

1654

01:10:10,560 --> 01:10:08,500

them is helping to make available

1655

01:10:12,799 --> 01:10:10,570

spanish-language material certainly

1656

01:10:15,600 --> 01:10:12,809

original source materials for

1657

01:10:17,729 --> 01:10:15,610

non-spanish speakers that is a task that

1658

01:10:19,200 --> 01:10:17,739

is often thankless and that's something

1659

01:10:21,720 --> 01:10:19,210

he's done a very good job of and I

1660

01:10:23,970 --> 01:10:21,730

congratulate him on that and that is a

1661

01:10:27,419 --> 01:10:23,980

real service and I think that's useful

1662

01:10:30,450 --> 01:10:27,429

my problem with with him is that I have

1663

01:10:33,180 --> 01:10:30,460

found that he often times doesn't inject

1664

01:10:35,759 --> 01:10:33,190

as much commentary into what he's

1665

01:10:37,620 --> 01:10:35,769

reporting as he should for somebody who

1666

01:10:40,560 --> 01:10:37,630

is as knowledgeable about the chupacabra

1667

01:10:42,569 --> 01:10:40,570

or chupacabra says he prefers an S at

1668

01:10:44,970 --> 01:10:42,579

the end but I'm not going to use it that

1669

01:10:48,209 --> 01:10:44,980

you know there was times when I read his

1670

01:10:50,939 --> 01:10:48,219

reports and his translations and they're

1671

01:10:53,040 --> 01:10:50,949

so they're clearly self contradictions

1672

01:10:54,600 --> 01:10:53,050

inherent in this and you know and I

1673

01:10:56,640 --> 01:10:54,610

can't believe that he doesn't recognize

1674

01:10:59,250 --> 01:10:56,650

that some of the things he's saying just

1675

01:11:02,399 --> 01:10:59,260

simply cannot be true or or there are

1676

01:11:04,620 --> 01:11:02,409

certainly merit commentary I used his

1677

01:11:06,540 --> 01:11:04,630

book quite a bit and as you pointed out

1678

01:11:09,450 --> 01:11:06,550

for you know ten years or whatever it

1679

01:11:11,879 --> 01:11:09,460

was basically the only serious work on

1680

01:11:12,720 --> 01:11:11,889

the chupacabra and it's useful certainly

1681

01:11:14,880 --> 01:11:12,730

in that regard

1682

01:11:18,210 --> 01:11:14,890

but I found it to be far too gullible

1683

01:11:21,060 --> 01:11:18,220

for my taste it's just the you know his

1684

01:11:23,220 --> 01:11:21,070

his his reporting is is its it's useful

1685

01:11:25,290 --> 01:11:23,230

for as far as it goes but I kept waiting

1686

01:11:27,090 --> 01:11:25,300

for him to sort of say well of course as

1687

01:11:29,729 --> 01:11:27,100

we know this can't be true because XY

1688

01:11:32,400 --> 01:11:29,739

and Z you know I'm not saying that he

1689

01:11:34,470 --> 01:11:32,410

himself is gullible necessarily but that

1690

01:11:36,510 --> 01:11:34,480

I felt that some of his reporting needed

1691

01:11:38,760 --> 01:11:36,520

to have a little more skepticism and and

1692

01:11:40,500 --> 01:11:38,770

sort of critical thinking behind it so I

1693

01:11:42,570 --> 01:11:40,510

actually tried to interview him several

1694

01:11:44,220 --> 01:11:42,580

times for the Chupacabra book and you

1695

01:11:46,620 --> 01:11:44,230

know I I had a series of questions I

1696

01:11:49,229 --> 01:11:46,630

interviewed loren coleman and and john

1697

01:11:50,850 --> 01:11:49,239

downs and karl shuker and others and i

1698

01:11:52,710 --> 01:11:50,860

really wanted to have Scott's input on

1699

01:11:54,120 --> 01:11:52,720

it because other than me he probably

1700

01:11:55,950 --> 01:11:54,130

knows more about the chupacabra than

1701

01:11:58,979 --> 01:11:55,960

anyone else live with all due respect

1702

01:12:01,170 --> 01:11:58,989

yeah but he refused he he said that he

1703

01:12:02,520 --> 01:12:01,180

didn't want to do it in fact he made

1704

01:12:04,860 --> 01:12:02,530

some commenters that were called to

1705

01:12:07,110 --> 01:12:04,870

Loren something about how he didn't want

1706

01:12:08,550 --> 01:12:07,120

to know think of wallowing with pigs or

1707

01:12:10,530 --> 01:12:08,560

something he made some sort of comment

1708

01:12:12,000 --> 01:12:10,540

about how he felt that the answering my

1709

01:12:14,400 --> 01:12:12,010

questions were participating the book

1710

01:12:17,729 --> 01:12:14,410

would somehow demean him would see at

1711

01:12:19,800 --> 01:12:17,739

all because I Scott doesn't come off

1712

01:12:22,050 --> 01:12:19,810

real well in the book but it's not it's

1713

01:12:23,850 --> 01:12:22,060

not out of any antagonism but he just

1714

01:12:26,280 --> 01:12:23,860

didn't he didn't answer questions and he

1715

01:12:28,710 --> 01:12:26,290

I would have I wouldn't love to have his

1716

01:12:30,210 --> 01:12:28,720

more of his input in the book and and if

1717

01:12:33,120 --> 01:12:30,220

I do if the book goes into ascetic

1718

01:12:34,920 --> 01:12:33,130

second printing I would welcome his his

1719

01:12:37,140 --> 01:12:34,930

input and I would treat him fairly and

1720

01:12:38,910 --> 01:12:37,150

I'd like to have him be part of it but

1721

01:12:41,760 --> 01:12:38,920

you know again I can't I can't force him

1722

01:12:44,340 --> 01:12:41,770

to to be part of it so well you know

1723

01:12:46,020 --> 01:12:44,350

again I I kind of agree with you on that

1724

01:12:49,440 --> 01:12:46,030

case and in fact this is this is

1725

01:12:51,540 --> 01:12:49,450

something that I've actually found have

1726

01:12:53,610 --> 01:12:51,550

any answer to from people who have

1727

01:12:56,400 --> 01:12:53,620

looked at my work and said that you're

1728

01:12:58,620 --> 01:12:56,410

just too factual in terms of trying to

1729

01:13:01,740 --> 01:12:58,630

to convey the information that was given

1730

01:13:04,380 --> 01:13:01,750

to you and you you're unwilling to put

1731

01:13:06,870 --> 01:13:04,390

your neck out and state whether you you

1732

01:13:10,410 --> 01:13:06,880

think that this is BS or this is no real

1733

01:13:11,850 --> 01:13:10,420

or whatever and and and I do tend to

1734

01:13:14,550 --> 01:13:11,860

take a journalistic approach in some

1735

01:13:17,880 --> 01:13:14,560

subjects but in Scotts case I think he

1736

01:13:19,860 --> 01:13:17,890

did a good job of assembling quite a

1737

01:13:22,440 --> 01:13:19,870

number of very interesting cases that I

1738

01:13:25,110 --> 01:13:22,450

I feel some of them definitely had merit

1739

01:13:27,200 --> 01:13:25,120

and the law enforcement case for

1740

01:13:30,050 --> 01:13:27,210

instance and the

1741

01:13:32,360 --> 01:13:30,060

one of the elements that that I feel may

1742

01:13:35,120 --> 01:13:32,370

be important is the the sulfur smell

1743

01:13:38,030 --> 01:13:35,130

that's been associated with some of

1744

01:13:40,070 --> 01:13:38,040

these cases in Puerto Rico and in Chile

1745

01:13:42,650 --> 01:13:40,080

and in other places there are certain

1746

01:13:45,470 --> 01:13:42,660

elements I think need to be investigated

1747

01:13:47,600 --> 01:13:45,480

more fully and you know hopefully if

1748

01:13:50,840 --> 01:13:47,610

Scott does continue working in this

1749

01:13:53,300 --> 01:13:50,850

particular realm on this mystery that he

1750

01:13:55,790 --> 01:13:53,310

he dives in a little bit more and and is

1751

01:13:58,280 --> 01:13:55,800

willing to put his put his opinion out

1752

01:14:02,950 --> 01:13:58,290

there and and take your suggestion to

1753

01:14:06,380 --> 01:14:02,960

heart I think it would be good yeah

1754

01:14:08,990 --> 01:14:06,390

we're all on the same page here you know

1755

01:14:11,270 --> 01:14:09,000

I'm you know certainly probably more of

1756

01:14:13,040 --> 01:14:11,280

a skeptic than you two are in most of

1757

01:14:14,900 --> 01:14:13,050

your audiences but ultimately the way I

1758

01:14:16,490 --> 01:14:14,910

see it is that we're all trying to find

1759

01:14:18,920 --> 01:14:16,500

the answer we're all trying to

1760

01:14:21,890 --> 01:14:18,930

understand the truth here and you know I

1761

01:14:24,380 --> 01:14:21,900

I don't have any access to grind on this

1762

01:14:26,450 --> 01:14:24,390

i'm you know i i'm not i'm not getting

1763

01:14:29,300 --> 01:14:26,460

paid more or less i'm getting paid much

1764

01:14:30,800 --> 01:14:29,310

at all in either event but i I don't I

1765

01:14:32,930 --> 01:14:30,810

personally don't have a stake in whether

1766

01:14:35,390 --> 01:14:32,940

the chupacabras real or not I don't care

1767

01:14:37,040 --> 01:14:35,400

I I want to find the answer to the

1768

01:14:39,020 --> 01:14:37,050

mystery I want to try and solve the

1769

01:14:41,390 --> 01:14:39,030

mystery as best I can and if the answer

1770

01:14:42,800 --> 01:14:41,400

turns out to be that you know for

1771

01:14:45,050 --> 01:14:42,810

example at one point I went to the

1772

01:14:47,330 --> 01:14:45,060

jungles Nicaragua and I did an

1773

01:14:49,490 --> 01:14:47,340

expedition there if I had found some

1774

01:14:51,080 --> 01:14:49,500

unusual chupacabra light creature I

1775

01:14:53,120 --> 01:14:51,090

would be the first person to say that

1776

01:14:55,190 --> 01:14:53,130

I'm not gonna you know cover it up or

1777

01:14:57,890 --> 01:14:55,200

try and hide it because it it refutes my

1778

01:14:59,570 --> 01:14:57,900

thesis I mean I don't care if the ovens

1779

01:15:01,970 --> 01:14:59,580

are there the evidence is there and I

1780

01:15:03,290 --> 01:15:01,980

think that sort of getting back to the

1781

01:15:05,479 --> 01:15:03,300

Scott issue I think that there's this

1782

01:15:07,880 --> 01:15:05,489

thing between an investigator and

1783

01:15:11,229 --> 01:15:07,890

reporter and I also see this a lot of

1784

01:15:14,479 --> 01:15:11,239

times in ghost and ghost cases where

1785

01:15:17,479 --> 01:15:14,489

some of the I also see this a lot of

1786

01:15:20,320 --> 01:15:17,489

times in ghost investigations where for

1787

01:15:23,060 --> 01:15:20,330

example some books by Jeff Conger who

1788

01:15:25,070 --> 01:15:23,070

does the ghost village comm website and

1789

01:15:26,810 --> 01:15:25,080

stuff in some of his books

1790

01:15:28,459 --> 01:15:26,820

most of the ghost books out there

1791

01:15:30,890 --> 01:15:28,469

they're just they're just repeating

1792

01:15:32,600 --> 01:15:30,900

ghost stories and we'll get to repeating

1793

01:15:34,160 --> 01:15:32,610

ghost stories and the quality of

1794

01:15:36,530 --> 01:15:34,170

investigations in a moment

1795

01:15:39,310 --> 01:15:36,540

we have Benjamin Radford the book is

1796

01:15:41,709 --> 01:15:39,320

tracking the chupacabra available now

1797

01:15:51,459 --> 01:15:41,719

Brian's the co-host I'm gene Steinberger

1798

01:15:53,500 --> 01:15:51,469

in the para cast Ray Perkins a reclusive

1799

01:15:56,680 --> 01:15:53,510

veteran burned out from the Gulf War

1800

01:15:59,140 --> 01:15:56,690

lives tortured by relentless perplexing

1801
01:16:01,330 --> 01:15:59,150
nightmares nightmares of a horrific

1802
01:16:03,339 --> 01:16:01,340
battle in deep space and of a mysterious

1803
01:16:06,189 --> 01:16:03,349
woman suffering an agony for her

1804
01:16:11,160 --> 01:16:06,199
devastated world a woman not yet born

1805
01:16:13,810 --> 01:16:11,170
calling across centuries to him then a

1806
01:16:17,140 --> 01:16:13,820
coincidence leads him to his destiny his

1807
01:16:19,660 --> 01:16:17,150
chance to alter the universe attack of

1808
01:16:21,550 --> 01:16:19,670
the rock the former fiction editor for

1809
01:16:23,859 --> 01:16:21,560
Star Wars and Indiana Jones Robert

1810
01:16:25,689 --> 01:16:23,869
Simpson writes the soul of the novel

1811
01:16:27,160 --> 01:16:25,699
attack of the Rockettes lies in its

1812
01:16:29,140 --> 01:16:27,170
heart and passion for building a

1813
01:16:32,169 --> 01:16:29,150

convincing tale of a love that spans the

1814

01:16:35,080 --> 01:16:32,179

galaxy a thrilling storm attack the

1815

01:16:36,850 --> 01:16:35,090

rocket is available now read a sample

1816

01:16:39,189 --> 01:16:36,860

chapter and get a special discount off

1817

01:16:40,180 --> 01:16:39,199

of the cover price at our website Rocko

1818

01:16:47,169 --> 01:16:40,190

is calm

1819

01:16:50,950 --> 01:16:47,179

that's our Ock o IDs attack a novel in

1820

01:16:54,100 --> 01:16:50,960

the grand science-fiction tradition sore

1821

01:16:56,350 --> 01:16:54,110

throat spray that with Dermatol diaper

1822

01:16:59,229 --> 01:16:56,360

rash sprayed that with Dermatol pouch

1823

01:17:01,479 --> 01:16:59,239

burn or cut spray that with Dermatol for

1824

01:17:03,189 --> 01:17:01,489

shockingly fast relief if you had root

1825

01:17:05,200 --> 01:17:03,199

for only one first aid product in your

1826

01:17:06,939 --> 01:17:05,210

preparedness kit you need Dermatol

1827

01:17:08,649 --> 01:17:06,949

because it works on almost every skin

1828

01:17:10,780 --> 01:17:08,659

irritation or injury all-natural

1829

01:17:13,060 --> 01:17:10,790

Dermatol brings amazing relief to burns

1830

01:17:15,490 --> 01:17:13,070

cuts scrapes fights spoils shingles

1831

01:17:17,800 --> 01:17:15,500

rashes elderly skin tears even chronic

1832

01:17:19,319 --> 01:17:17,810

diabetic ulcers and bed sores Dermatol

1833

01:17:21,729 --> 01:17:19,329

is an all-natural antimicrobial

1834

01:17:23,830 --> 01:17:21,739

antiviral and antifungal wound cleanser

1835

01:17:25,359 --> 01:17:23,840

that speeds healing with no side effects

1836

01:17:27,729 --> 01:17:25,369

it's safe for all ages and skin types

1837

01:17:29,800 --> 01:17:27,739

and is even safe enough to spray on sore

1838

01:17:32,470 --> 01:17:29,810

throats or onto sore eyes read our many

1839

01:17:36,399 --> 01:17:32,480

testimonials at Dermatol calm spelled de

1840

01:17:39,250 --> 01:17:36,409

rmat o el comm order online at Dermatol

1841

01:17:42,609 --> 01:17:39,260

comm or call 800 two one seven six six

1842

01:17:46,089 --> 01:17:42,619

seven seven that's 800 to one seven 66

1843

01:17:49,050 --> 01:17:46,099

77 effective efficient economical spray

1844

01:17:52,750 --> 01:17:49,060

it all with Dermatol

1845

01:17:53,740 --> 01:17:52,760

the US economy is at a tipping point 40

1846

01:17:55,390 --> 01:17:53,750

cents of every dollar the government

1847

01:17:57,189 --> 01:17:55,400

spends is borrowed

1848

01:17:59,169 --> 01:17:57,199

the president of the Federal Reserve in

1849

01:18:01,660 --> 01:17:59,179

Dallas was recently quoted saying his

1850

01:18:02,979 --> 01:18:01,670

path will lead to insolvency resulting

1851
01:18:05,229 --> 01:18:02,989
in the collapse of our governments and

1852
01:18:07,419 --> 01:18:05,239
our economy our country can't function

1853
01:18:09,160 --> 01:18:07,429
like this and neither can your household

1854
01:18:11,110 --> 01:18:09,170
that's why you need to prepare and

1855
01:18:12,970 --> 01:18:11,120
priority one is your food supply

1856
01:18:14,890 --> 01:18:12,980
fortunately it's easy and affordable

1857
01:18:16,870 --> 01:18:14,900
with the help of Ready Reserve food's

1858
01:18:18,910 --> 01:18:16,880
ready Reserve Foods has been a premier

1859
01:18:21,370 --> 01:18:18,920
supplier of long-term storable foods for

1860
01:18:23,320 --> 01:18:21,380
37 years their unique process assures

1861
01:18:25,390 --> 01:18:23,330
the highest quality long term food

1862
01:18:27,820 --> 01:18:25,400
storage available with a 25 year shelf

1863
01:18:29,649 --> 01:18:27,830

life a full year supply of quality food

1864

01:18:31,899 --> 01:18:29,659

for two people costs a fraction of what

1865

01:18:34,660 --> 01:18:31,909

you pay at the grocery store for a free

1866

01:18:38,439 --> 01:18:34,670

full-color catalog call 800 for five

1867

01:18:41,830 --> 01:18:38,449

three two - OH - that's 800 for five

1868

01:18:45,189 --> 01:18:41,840

three two - OH - or visit Ready Reserve

1869

01:18:50,740 --> 01:18:45,199

foods Calm Ready Reserve foods making

1870

01:18:52,930 --> 01:18:50,750

preparedness simple since 1970 - hi I'm

1871

01:18:54,850 --> 01:18:52,940

mark Craig head founder of crossbreed

1872

01:18:57,370 --> 01:18:54,860

holsters I designed our top-selling

1873

01:18:59,560 --> 01:18:57,380

holster the super tuck deluxe to solve

1874

01:19:01,840 --> 01:18:59,570

the problems of being poked pinched and

1875

01:19:03,520 --> 01:19:01,850

gouged while carrying concealed the

1876

01:19:05,860 --> 01:19:03,530

super tuck deluxe is the most

1877

01:19:07,930 --> 01:19:05,870

comfortable most concealable holster on

1878

01:19:10,330 --> 01:19:07,940

the market today we offer a two week

1879

01:19:13,240 --> 01:19:10,340

free trial and a lifetime warranty visit

1880

01:19:18,010 --> 01:19:13,250

us at crossbreed holsters dot-com

1881

01:19:20,110 --> 01:19:18,020

don't forget crossbreed holsters dot-com

1882

01:19:21,640 --> 01:19:20,120

hi this is Ted Anderson have you ever

1883

01:19:23,200 --> 01:19:21,650

wondered why banks stock brokers

1884

01:19:25,140 --> 01:19:23,210

investment advisors won't talk about

1885

01:19:27,700 --> 01:19:25,150

gold IRAs they've been available since

1886

01:19:29,500 --> 01:19:27,710

1986 yet the financial industry won't

1887

01:19:31,419 --> 01:19:29,510

recognize the value of gold for your

1888

01:19:33,640 --> 01:19:31,429

retirement goal has outperformed paper

1889

01:19:35,320 --> 01:19:33,650

investments yet no word about IRAs

1890

01:19:39,189 --> 01:19:35,330

if you would like to have gold for your

1891

01:19:40,870 --> 01:19:39,199

retirement call 866 - 237 don't get left

1892

01:19:54,920 --> 01:19:40,880

behind by rising inflation and low

1893

01:20:04,550 --> 01:20:01,910

we are the gcn radio network hi this is

1894

01:20:11,150 --> 01:20:04,560

ted phillips listening to the parrot cat

1895

01:20:15,140 --> 01:20:11,160

and it's just you see that time he

1896

01:20:18,080 --> 01:20:15,150

didn't sound like a ghost it's a spooky

1897

01:20:20,090 --> 01:20:18,090

voice you do each time actually we have

1898

01:20:25,150 --> 01:20:20,100

a recording here and what we do is we

1899

01:20:32,690 --> 01:20:28,690

there's only one person here it's me

1900

01:20:35,180 --> 01:20:32,700

that was talking about tracking the

1901

01:20:37,310 --> 01:20:35,190

chupacabra is that real fantasy or

1902

01:20:39,110 --> 01:20:37,320

somewhere in between and the guest is

1903

01:20:41,090 --> 01:20:39,120

Benjamin Radford the co-host is Chris

1904

01:20:42,650 --> 01:20:41,100

O'Brien I'm gene steinberger in the para

1905

01:20:44,480 --> 01:20:42,660

cast but that would be very serious for

1906

01:20:46,070 --> 01:20:44,490

a moment okay and we have questions by

1907

01:20:47,690 --> 01:20:46,080

the way from our audience coming up

1908

01:20:49,460 --> 01:20:47,700

shortly so we're talking about the

1909

01:20:51,020 --> 01:20:49,470

scholarship here where a lot of the

1910

01:20:53,330 --> 01:20:51,030

people who write books they just collect

1911

01:20:56,180 --> 01:20:53,340

stories they're not really investigating

1912

01:20:58,250 --> 01:20:56,190

anything or trying to determine fact

1913

01:21:00,410 --> 01:20:58,260

from fiction all they care about is

1914

01:21:02,810 --> 01:21:00,420

collecting stories and writing a fun

1915

01:21:05,240 --> 01:21:02,820

entertaining book is that what you're

1916

01:21:07,970 --> 01:21:05,250

suggesting yeah I found that over and

1917

01:21:10,130 --> 01:21:07,980

over again in the last you know 10 or 15

1918

01:21:11,840 --> 01:21:10,140

years I don't want to suggest that there

1919

01:21:13,060 --> 01:21:11,850

is not good investigation out there

1920

01:21:16,370 --> 01:21:13,070

because there is a good investigation

1921

01:21:19,280 --> 01:21:16,380

but I would say it's probably less than

1922

01:21:20,960 --> 01:21:19,290

5 or 10% of the the literature that's

1923

01:21:23,300 --> 01:21:20,970

out there you know for every for a

1924

01:21:25,520 --> 01:21:23,310

magazine article or book that you see

1925

01:21:27,590 --> 01:21:25,530

written on the subject of the paranormal

1926

01:21:29,930 --> 01:21:27,600

whether it's ghosts or chupacabras or

1927

01:21:32,360 --> 01:21:29,940

psychics or to have you the vast

1928

01:21:35,090 --> 01:21:32,370

majority of it is just sort of rehashed

1929

01:21:36,560 --> 01:21:35,100

off and plagiarized information and and

1930

01:21:38,600 --> 01:21:36,570

there's very few people that are

1931

01:21:40,070 --> 01:21:38,610

actually making a sincere effort to do

1932

01:21:41,810 --> 01:21:40,080

investigations and that's one reason

1933

01:21:43,910 --> 01:21:41,820

that i think chris is doing some good

1934

01:21:46,040 --> 01:21:43,920

work i think he night there's a lot of

1935

01:21:47,780 --> 01:21:46,050

points where he and I would disagree but

1936

01:21:49,550 --> 01:21:47,790

I I've read some of this stuff and I

1937

01:21:50,810 --> 01:21:49,560

think that you know that there's some

1938

01:21:52,610 --> 01:21:50,820

there's some good investigation there

1939

01:21:55,310 --> 01:21:52,620

Wow thank you coming from you that's

1940

01:21:58,850 --> 01:21:55,320

quite a compliment I you know I do take

1941

01:22:01,610 --> 01:21:58,860

a bit of heat on the para cast forums

1942

01:22:05,330 --> 01:22:01,620

for by some of our more skeptical

1943

01:22:07,770 --> 01:22:05,340

posters for what they claim is my lack

1944

01:22:09,930 --> 01:22:07,780

of critical thinking that I'm

1945

01:22:11,279 --> 01:22:09,940

gullible that I'll believe any anything

1946

01:22:13,919 --> 01:22:11,289

that comes down the pike and and

1947

01:22:17,010 --> 01:22:13,929

actually could it's quite the reverse I

1948

01:22:19,260 --> 01:22:17,020

I actually started out as a reporter

1949

01:22:21,870 --> 01:22:19,270

trying to get to the bottom and explain

1950

01:22:23,729 --> 01:22:21,880

away some UFO sightings is how he

1951

01:22:25,919 --> 01:22:23,739

actually got involved in all this so

1952

01:22:27,959 --> 01:22:25,929

mmm-hmm you know you have to kind of

1953

01:22:30,209 --> 01:22:27,969

look at people's motivations I think in

1954

01:22:31,859 --> 01:22:30,219

this field as you're pointing out there

1955

01:22:33,270 --> 01:22:31,869

is quite a bit of mystery mongering

1956

01:22:35,819 --> 01:22:33,280

going on I think that would be a good

1957

01:22:38,939 --> 01:22:35,829

term for it I do think that we do have a

1958

01:22:42,959 --> 01:22:38,949

a serious lack of critical thinking out

1959

01:22:45,330 --> 01:22:42,969

there unfortunately but what we need is

1960

01:22:48,330 --> 01:22:45,340

really the powers of diagnostic science

1961

01:22:49,919 --> 01:22:48,340

in terms of the Chupacabra soror for

1962

01:22:51,810 --> 01:22:49,929

instance Academy relation phenomenon we

1963

01:22:54,089 --> 01:22:51,820

need veterinary pathologists involved we

1964

01:22:55,589 --> 01:22:54,099

need diagnostic labs involved we need

1965

01:22:58,620 --> 01:22:55,599

proper crime-scene investigative

1966

01:23:02,459 --> 01:22:58,630

techniques and procedures to be adhered

1967

01:23:04,859 --> 01:23:02,469

to there needs to be a really solid set

1968

01:23:06,810 --> 01:23:04,869

of protocols in place for proper

1969

01:23:09,330 --> 01:23:06,820

investigation because then people like

1970

01:23:11,729 --> 01:23:09,340

you wouldn't be able to look at it and

1971

01:23:13,620 --> 01:23:11,739

and look at the data that's gathered and

1972

01:23:15,629 --> 01:23:13,630

and just simply toss it aside if there's

1973

01:23:17,129 --> 01:23:15,639

something real there I think you're

1974

01:23:20,189 --> 01:23:17,139

open-minded enough and that you would

1975

01:23:22,649 --> 01:23:20,199

you would be able to critically look at

1976

01:23:24,479 --> 01:23:22,659

data and and if there was something

1977

01:23:25,589 --> 01:23:24,489

there that that suggested something I

1978

01:23:28,290 --> 01:23:25,599

strange I think you'd be the first

1979

01:23:30,839 --> 01:23:28,300

person to admit that but you get to that

1980

01:23:35,370 --> 01:23:30,849

place we were spinning our wheels well

1981

01:23:37,350 --> 01:23:35,380

yeah a long time in fact my previous

1982

01:23:39,089 --> 01:23:37,360

book is called scientific Criminal

1983

01:23:41,490 --> 01:23:39,099

Investigation how to solve unexplained

1984

01:23:44,370 --> 01:23:41,500

mysteries and in that book I lay out

1985

01:23:46,890 --> 01:23:44,380

what I think are and what other put many

1986

01:23:50,399 --> 01:23:46,900

even many believers have have said are

1987

01:23:51,689 --> 01:23:50,409

very good you know basing guidelines for

1988

01:23:53,250 --> 01:23:51,699

doing these and these sorts

1989

01:23:55,439 --> 01:23:53,260

investigations and doing it from a

1990

01:23:58,410 --> 01:23:55,449

scientific critical perspective and and

1991

01:24:00,510 --> 01:23:58,420

again the purpose isn't to debunk I

1992

01:24:02,430 --> 01:24:00,520

don't consider myself a debunker and I

1993

01:24:06,120 --> 01:24:02,440

don't really like that term I do

1994

01:24:07,799 --> 01:24:06,130

investigations and I am happy to to go

1995

01:24:09,419 --> 01:24:07,809

wherever the investigation leads and the

1996

01:24:11,609 --> 01:24:09,429

answer is that there's a ghost here then

1997

01:24:14,220 --> 01:24:11,619

that's great if the answer there's a you

1998

01:24:16,950 --> 01:24:14,230

know I don't I don't care I just want to

1999

01:24:19,740 --> 01:24:16,960

get to the truth and and that's that's

2000

01:24:21,330 --> 01:24:19,750

what I try to do and and you know I hope

2001

01:24:21,720 --> 01:24:21,340

that people recognize it even if they

2002

01:24:23,130 --> 01:24:21,730

just

2003

01:24:25,740 --> 01:24:23,140

with me even if they think I'm too

2004

01:24:27,420 --> 01:24:25,750

skeptical or whatever else at least if

2005

01:24:29,070 --> 01:24:27,430

they if they read my work with an open

2006

01:24:31,290 --> 01:24:29,080

mind and they say oh yeah well you know

2007

01:24:32,970 --> 01:24:31,300

he's doing the best he can and I may

2008

01:24:34,770 --> 01:24:32,980

have not enough solved some of these

2009

01:24:37,620 --> 01:24:34,780

mysteries to everyone's satisfaction but

2010

01:24:39,870 --> 01:24:37,630

I needed my bathroom frankly if somebody

2011

01:24:42,060 --> 01:24:39,880

has a better solution then bring it to

2012

01:24:44,430 --> 01:24:42,070

me if I'm wrong about a fact or an

2013

01:24:47,100 --> 01:24:44,440

argument then tell me I don't care I'd

2014

01:24:48,479 --> 01:24:47,110

be happy to change but oftentimes I just

2015

01:24:50,670 --> 01:24:48,489

have my critics just sort of take

2016

01:24:52,200 --> 01:24:50,680

potshots at me and and they just they

2017

01:24:54,390 --> 01:24:52,210

they have a little couple digs here or

2018

01:24:56,160 --> 01:24:54,400

there and they tell me that they think

2019

01:24:58,500 --> 01:24:56,170

I'm wrong but they don't have a better

2020

01:24:59,850 --> 01:24:58,510

answer I say okay what's that what do

2021

01:25:01,740 --> 01:24:59,860

you got yeah this is what I've been

2022

01:25:03,960 --> 01:25:01,750

doing what do you got and they they

2023

01:25:04,860 --> 01:25:03,970

don't have any answer so that's you know

2024

01:25:06,690 --> 01:25:04,870

I mean come on

2025

01:25:08,640 --> 01:25:06,700

if you comes with the territory there's

2026

01:25:10,590 --> 01:25:08,650

there's just no way around it it's it's

2027

01:25:13,979 --> 01:25:10,600

unavoidable I want to kind of backtrack

2028

01:25:16,530 --> 01:25:13,989

a little bit here and look at typhoid

2029

01:25:18,810 --> 01:25:16,540

Madelyn who I think is a very very

2030

01:25:21,030 --> 01:25:18,820

important figure in this whole mystery I

2031

01:25:23,160 --> 01:25:21,040

am talking about Madelyn tolentino who

2032

01:25:25,680 --> 01:25:23,170

you mentioned earlier in the show had

2033

01:25:27,930 --> 01:25:25,690

the very celebrated sighting and the

2034

01:25:31,440 --> 01:25:27,940

spin-off illustration that has become

2035

01:25:33,870 --> 01:25:31,450

pretty much the sort of go-to picture

2036

01:25:34,590 --> 01:25:33,880

when people publish anything about a

2037

01:25:38,220 --> 01:25:34,600

chupacabra

2038

01:25:40,350 --> 01:25:38,230

what let's look at her case quickly and

2039

01:25:43,229 --> 01:25:40,360

dissect it a little bit and you found

2040

01:25:45,690 --> 01:25:43,239

some pretty interesting facts that seem

2041

01:25:47,640 --> 01:25:45,700

to indicate that there's possibly a

2042

01:25:50,820 --> 01:25:47,650

little confabulation going on that there

2043

01:25:52,260 --> 01:25:50,830

there may be you know the story is kind

2044

01:25:53,340 --> 01:25:52,270

of grown a little bit over the years why

2045

01:25:56,160 --> 01:25:53,350

don't want you to take us through the

2046

01:25:57,720 --> 01:25:56,170

through her case quickly sure and then

2047

01:26:00,810 --> 01:25:57,730

look at it how it has progressed over

2048

01:26:02,820 --> 01:26:00,820

the years sure yeah one thing you have

2049

01:26:04,410 --> 01:26:02,830

to keep in mind is the the chupacabra

2050

01:26:06,300 --> 01:26:04,420

didn't emerge in a vacuum I mean this

2051
01:26:09,000 --> 01:26:06,310
didn't come out of nowhere there was a

2052
01:26:11,130 --> 01:26:09,010
pre-existing belief in Puerto Rico and

2053
01:26:13,290 --> 01:26:11,140
elsewhere that something weird was going

2054
01:26:15,600 --> 01:26:13,300
on that there were animals have been

2055
01:26:17,160 --> 01:26:15,610
found you know supposedly drained of

2056
01:26:19,830 --> 01:26:17,170
blood and I used the word supposedly

2057
01:26:22,860 --> 01:26:19,840
advisedly in earlier in 1995

2058
01:26:24,750 --> 01:26:22,870
particularly in March of 1995 and so but

2059
01:26:26,760 --> 01:26:24,760
nobody had actually seen it they just

2060
01:26:28,110 --> 01:26:26,770
found these dead animals and so there

2061
01:26:29,760 --> 01:26:28,120
was a there was some belief that

2062
01:26:32,430 --> 01:26:29,770
something weird was going on but nobody

2063
01:26:35,070 --> 01:26:32,440

had given a description until mrs.

2064

01:26:35,560 --> 01:26:35,080

Tolentino and her description she said

2065

01:26:38,020 --> 01:26:35,570

that she

2066

01:26:38,890 --> 01:26:38,030

this this creature during the second

2067

01:26:40,240 --> 01:26:38,900

week of August

2068

01:26:41,710 --> 01:26:40,250

she doesn't remember the exact date but

2069

01:26:44,170 --> 01:26:41,720

she said it was a weekday so it would be

2070

01:26:46,390 --> 01:26:44,180

between August 7th and 11th and she said

2071

01:26:48,610 --> 01:26:46,400

that she saw this thing for three to

2072

01:26:50,740 --> 01:26:48,620

five minutes and that her mother woke

2073

01:26:54,910 --> 01:26:50,750

her up and she looked outside her window

2074

01:26:58,600 --> 01:26:54,920

and and she saw this this weird creature

2075

01:27:01,420 --> 01:26:58,610

it had again had distinctive spikes down

2076

01:27:02,680 --> 01:27:01,430

the back depending on which time you

2077

01:27:04,330 --> 01:27:02,690

talked or she said there's actually

2078

01:27:07,570 --> 01:27:04,340

closer to three feet tall when I

2079

01:27:11,320 --> 01:27:07,580

interviewed her in in 1990 and excuse me

2080

01:27:13,450 --> 01:27:11,330

in 2010 she basically said that that it

2081

01:27:16,510 --> 01:27:13,460

was that the descriptions were actually

2082

01:27:18,850 --> 01:27:16,520

much smaller than what she had seen and

2083

01:27:20,650 --> 01:27:18,860

she said it had human hands its eyes

2084

01:27:23,770 --> 01:27:20,660

were big it didn't have nose just two

2085

01:27:25,990 --> 01:27:23,780

little dots the creatures skin was was

2086

01:27:28,780 --> 01:27:26,000

grayish it looked kind of like like like

2087

01:27:31,920 --> 01:27:28,790

leather wet and wrinkled it was just a

2088

01:27:35,020 --> 01:27:31,930

very very detailed in fact I would argue

2089

01:27:37,120 --> 01:27:35,030

impossibly detailed description so

2090

01:27:38,650 --> 01:27:37,130

that's that's sort of where that's sort

2091

01:27:40,660 --> 01:27:38,660

of where she came from with it so in

2092

01:27:43,290 --> 01:27:40,670

other words what you're suggesting here

2093

01:27:45,940 --> 01:27:43,300

is is the descriptions that she supplied

2094

01:27:49,420 --> 01:27:45,950

investigators initially and then in your

2095

01:27:51,130 --> 01:27:49,430

interview indicates something too much

2096

01:27:52,480 --> 01:27:51,140

detail that there's no way that she

2097

01:27:56,200 --> 01:27:52,490

could possibly at night have seen

2098

01:27:58,180 --> 01:27:56,210

something so clearly with so much detail

2099

01:28:06,400 --> 01:27:58,190

and not to mention her recall of the

2100

01:28:08,770 --> 01:28:06,410

event itself it was a daytime sighting I

2101
01:28:10,810 --> 01:28:08,780
stand corrected sorry no no that's fine

2102
01:28:13,090 --> 01:28:10,820
there's a lot of confusion around it but

2103
01:28:14,830 --> 01:28:13,100
yeah she but again this is this is where

2104
01:28:17,200 --> 01:28:14,840
it got interesting because when I read

2105
01:28:19,600 --> 01:28:17,210
her account that's published in in

2106
01:28:20,980 --> 01:28:19,610
Corrales his book it was very very

2107
01:28:23,710 --> 01:28:20,990
detailed and she said things for example

2108
01:28:25,600 --> 01:28:23,720
that that there was a young boy nearby

2109
01:28:27,670 --> 01:28:25,610
that had actually chased the chupacabra

2110
01:28:30,070 --> 01:28:27,680
into a nearby field and attacked and

2111
01:28:32,410 --> 01:28:30,080
grabbed it and pry its mouth open and

2112
01:28:35,140 --> 01:28:32,420
looked at its teeth and the chupacabra

2113
01:28:36,910 --> 01:28:35,150

jumped away and escaped and this is kind

2114

01:28:38,950 --> 01:28:36,920

of remarkable you know I think this is

2115

01:28:40,600 --> 01:28:38,960

this is odd this young boy you had the

2116

01:28:42,760 --> 01:28:40,610

presence of mind to it you know to do

2117

01:28:45,190 --> 01:28:42,770

this this you know attack the chupacabra

2118

01:28:46,179 --> 01:28:45,200

basically and come away unscathed and

2119

01:28:47,560 --> 01:28:46,189

there's

2120

01:28:49,419 --> 01:28:47,570

all these really really interesting

2121

01:28:51,009 --> 01:28:49,429

weird detailed things for example in

2122

01:28:53,620 --> 01:28:51,019

original description she said that the

2123

01:28:56,739 --> 01:28:53,630

chupacabra had no genitals and no anus

2124

01:29:00,399 --> 01:28:56,749

she said that its genitals or the the

2125

01:29:02,799 --> 01:29:00,409

quote is plain and sealed so it just

2126
01:29:05,080 --> 01:29:02,809
struck me as odd that she she she gave

2127
01:29:07,179 --> 01:29:05,090
such an incredibly detailed description

2128
01:29:09,219 --> 01:29:07,189
after nobody had seen anything I mean

2129
01:29:10,629 --> 01:29:09,229
you know they're just weird things you

2130
01:29:12,370 --> 01:29:10,639
know out of corn their eye nobody had

2131
01:29:13,359 --> 01:29:12,380
given any description all of a sudden we

2132
01:29:15,250 --> 01:29:13,369
have this incredibly detailed

2133
01:29:17,859 --> 01:29:15,260
description I'll tell you what what's

2134
01:29:20,140 --> 01:29:17,869
also incredibly detailed is the fact

2135
01:29:22,209 --> 01:29:20,150
that our benefactors have to have a few

2136
01:29:24,520 --> 01:29:22,219
moments at bat before we continue here's

2137
01:29:26,919 --> 01:29:24,530
how you contact us if you have a comment

2138
01:29:29,589 --> 01:29:26,929

or a question about the power cast write

2139

01:29:31,509 --> 01:29:29,599

to us news at the power cast calm once

2140

01:29:33,909 --> 01:29:31,519

again that's news at the power cast calm

2141

01:29:35,799 --> 01:29:33,919

we guarantee we will read each and every

2142

01:29:38,169 --> 01:29:35,809

message you send Benjamin Radford the

2143

01:29:40,149 --> 01:29:38,179

guests the book tracking the chupacabra

2144

01:29:45,450 --> 01:29:40,159

Chris O'Brien's a co-host I'm Jean

2145

01:29:45,460 --> 01:29:48,750

[Music]

2146

01:29:54,340 --> 01:29:51,550

are you ready to order the official

2147

01:29:56,410 --> 01:29:54,350

power cast t-shirt you asked we answered

2148

01:30:00,459 --> 01:29:56,420

we're now taking orders for the official

2149

01:30:02,740 --> 01:30:00,469

para cast t-shirt it comes in white 100%

2150

01:30:05,050 --> 01:30:02,750

cotton the front of it features the same

2151

01:30:07,959 --> 01:30:05,060

logo that we have on our community

2152

01:30:11,590 --> 01:30:07,969

forums on the back it says separating

2153

01:30:13,720 --> 01:30:11,600

signal from noise to order the official

2154

01:30:16,060 --> 01:30:13,730

power cast t-shirt here's all you have

2155

01:30:19,959 --> 01:30:16,070

to do visit our new online store at

2156

01:30:22,810 --> 01:30:19,969

store dot the para cast dot-com one more

2157

01:30:25,390 --> 01:30:22,820

time that's store dot the para cast come

2158

01:30:28,180 --> 01:30:25,400

you can use a major credit card to place

2159

01:30:30,729 --> 01:30:28,190

your order for the official para cast

2160

01:30:32,770 --> 01:30:30,739

t-shirt hey neighbors we have one more

2161

01:30:35,140 --> 01:30:32,780

thing to talk about and that's more

2162

01:30:37,479 --> 01:30:35,150

merchandise at the official power cast

2163

01:30:39,150 --> 01:30:37,489

store we have hats we have jackets we

2164

01:30:41,560 --> 01:30:39,160

even have a Flip Video camcorder

2165

01:30:44,260 --> 01:30:41,570

customized with the power cast logo at

2166

01:30:46,240 --> 01:30:44,270

the official para cast store it's all

2167

01:30:49,770 --> 01:30:46,250

valve ailable at the official power cast

2168

01:30:54,550 --> 01:30:49,780

store store dot the para casts calm

2169

01:30:57,240 --> 01:30:54,560

freedom history globalist end

2170

01:31:07,790 --> 01:30:57,250

ravelin

2171

01:31:13,310 --> 01:31:10,610

just one of 11 great songs from the

2172

01:31:19,420 --> 01:31:13,320

album under the Sun available on iTunes

2173

01:31:21,920 --> 01:31:19,430

and a travelin com are a ly ravelin

2174

01:31:24,740 --> 01:31:21,930

spring and a new growing season are here

2175

01:31:27,530 --> 01:31:24,750

plan a healthy garden easy and fast with

2176
01:31:29,660 --> 01:31:27,540
organic acid calm easy because organic

2177
01:31:31,430 --> 01:31:29,670
acid calm offers one of the largest

2178
01:31:34,160 --> 01:31:31,440
online selections of organic heirloom

2179
01:31:36,230 --> 01:31:34,170
non-hybrid and untreated seeds as well

2180
01:31:39,350 --> 01:31:36,240
as tobacco and cotton seeds at low

2181
01:31:44,750 --> 01:31:39,360
prices go to organic acid calm spelled

2182
01:31:48,020 --> 01:31:44,760
orj a and I see a si.com organic acid

2183
01:31:51,560 --> 01:31:48,030
calm remember organic acid is healthy

2184
01:31:54,320 --> 01:31:51,570
seed we all need to prepare ourselves

2185
01:31:56,270 --> 01:31:54,330
you might have the food water gold and

2186
01:31:58,370 --> 01:31:56,280
silver but ask yourself are you truly

2187
01:32:00,950 --> 01:31:58,380
prepared that's why you need to visit

2188
01:32:03,620 --> 01:32:00,960

Maine military.com mean military.com

2189

01:32:05,390 --> 01:32:03,630

carries everything you need gas masks

2190

01:32:07,760 --> 01:32:05,400

wool blankets fire starter kits

2191

01:32:10,670 --> 01:32:07,770

high-capacity magazines chemical suits

2192

01:32:13,250 --> 01:32:10,680

military surplus items and much more do

2193

01:32:14,720 --> 01:32:13,260

you own a firearm main military comm has

2194

01:32:16,910 --> 01:32:14,730

a large selection of pistols and rifles

2195

01:32:18,500 --> 01:32:16,920

suited for your needs are you local

2196

01:32:20,540 --> 01:32:18,510

store sold out of ammunition

2197

01:32:22,940 --> 01:32:20,550

call or visit them today for prices on

2198

01:32:24,590 --> 01:32:22,950

hard-to-find ammo and bulk ammo orders

2199

01:32:26,420 --> 01:32:24,600

you don't need to worry about having a

2200

01:32:28,790 --> 01:32:26,430

military surplus store in your area

2201
01:32:30,800 --> 01:32:28,800
because Maine military.com is the only

2202
01:32:32,750 --> 01:32:30,810
store you'll ever need all from the

2203
01:32:35,090 --> 01:32:32,760
comfort of your computer visit them

2204
01:32:37,490 --> 01:32:35,100
online today at Maine military.com

2205
01:32:40,250 --> 01:32:37,500
that's Maine like the state military

2206
01:32:43,250 --> 01:32:40,260
comm or call them at one eight seven

2207
01:32:46,310 --> 01:32:43,260
seven six zero eight zero one seven nine

2208
01:32:49,610 --> 01:32:46,320
that's one eight seven seven six zero

2209
01:32:51,470 --> 01:32:49,620
eight zero one seven nine we all know

2210
01:32:52,970 --> 01:32:51,480
that berkey water purification systems

2211
01:32:54,860 --> 01:32:52,980
are the most trusted name in water

2212
01:32:56,690 --> 01:32:54,870
filtration as an authorized Berkey

2213
01:32:58,670 --> 01:32:56,700

dealer for over five years and serving

2214

01:33:00,830 --> 01:32:58,680

thousands of satisfied customers the

2215

01:33:02,810 --> 01:33:00,840

Berkey guy offers amazing specials for

2216

01:33:04,490 --> 01:33:02,820

berkey water filtration systems the

2217

01:33:06,410 --> 01:33:04,500

Berkey light systems include a set of

2218

01:33:08,330 --> 01:33:06,420

self-sterilizing INRI cleanable black

2219

01:33:10,670 --> 01:33:08,340

purification elements that purify water

2220

01:33:12,860 --> 01:33:10,680

by removing chlorine pathogenic bacteria

2221

01:33:14,990 --> 01:33:12,870

cysts and parasites two non detectable

2222

01:33:17,360 --> 01:33:15,000

levels and remove harmful chemicals such

2223

01:33:19,250 --> 01:33:17,370

as herbicides and pesticides order the

2224

01:33:21,230 --> 01:33:19,260

Berkey light system today complete with

2225

01:33:21,560 --> 01:33:21,240

two black Berkey elements were only two

2226

01:33:23,840 --> 01:33:21,570

hun

2227

01:33:25,670 --> 01:33:23,850

in \$20 and the burka guy will include

2228

01:33:27,470 --> 01:33:25,680

three-sport berkey water bottles and

2229

01:33:29,780 --> 01:33:27,480

ship everything to you free of charge

2230

01:33:31,910 --> 01:33:29,790

that's right three-sport berkey water

2231

01:33:34,430 --> 01:33:31,920

bottles and free shipping an eighty

2232

01:33:36,260 --> 01:33:34,440

seven dollar value yours free called the

2233

01:33:38,210 --> 01:33:36,270

burka guy at one eight seventy seven

2234

01:33:40,820 --> 01:33:38,220

eight eight six three six five three

2235

01:33:43,550 --> 01:33:40,830

that's one eight seven seven eight eight

2236

01:33:47,000 --> 01:33:43,560

six three six five three or order online

2237

01:33:51,560 --> 01:33:47,010

at go burka calm let's go burqa calm

2238

01:33:54,590 --> 01:33:51,570

today are you tired of searching for a

2239

01:33:58,550 --> 01:33:54,600

great talk radio more important search

2240

01:34:10,370 --> 01:33:58,560

for Overland we are the gcn radio

2241

01:34:13,130 --> 01:34:10,380

network we return with a fascinating

2242

01:34:14,810 --> 01:34:13,140

description it sounds like one guy kind

2243

01:34:16,790 --> 01:34:14,820

of embellished it more than it might

2244

01:34:18,920 --> 01:34:16,800

have otherwise been with Benjamin

2245

01:34:20,870 --> 01:34:18,930

Radford the book is tracking the

2246

01:34:22,610 --> 01:34:20,880

Chupacabra Chris O'Brien's the co-host

2247

01:34:26,180 --> 01:34:22,620

um Jean Steinberg you're in the para

2248

01:34:28,520 --> 01:34:26,190

cast so is that all that was a simple

2249

01:34:30,350 --> 01:34:28,530

embellishment of something very simple

2250

01:34:34,280 --> 01:34:30,360

no in fact it turned out to be very

2251
01:34:36,740 --> 01:34:34,290
complex case because after I read her

2252
01:34:38,570 --> 01:34:36,750
original interviews Valentino's original

2253
01:34:40,040 --> 01:34:38,580
interviews some parts that were just

2254
01:34:42,920 --> 01:34:40,050
contradictory they just didn't make

2255
01:34:45,230 --> 01:34:42,930
sense this the and what struck me was

2256
01:34:47,750 --> 01:34:45,240
that this is the this understand this is

2257
01:34:50,120 --> 01:34:47,760
the best you know eyewitness account of

2258
01:34:52,430 --> 01:34:50,130
the chupacabra ever at any time by

2259
01:34:54,170 --> 01:34:52,440
anyone and yet you if you look more

2260
01:34:56,870 --> 01:34:54,180
closely at her sighting in the details

2261
01:34:59,570 --> 01:34:56,880
an original account it's just it's just

2262
01:35:02,300 --> 01:34:59,580
full of just strange things that just

2263
01:35:03,830 --> 01:35:02,310

don't just very logical and so I tried

2264

01:35:05,630 --> 01:35:03,840

to figure out well where could she have

2265

01:35:07,370 --> 01:35:05,640

seen this strange things that are

2266

01:35:10,430 --> 01:35:07,380

illogical I think I want an explanation

2267

01:35:12,860 --> 01:35:10,440

as to what you mean well for example she

2268

01:35:15,230 --> 01:35:12,870

said that Ill give one example of the

2269

01:35:17,810 --> 01:35:15,240

the young boy that supposedly ran down

2270

01:35:20,840 --> 01:35:17,820

to the chupacabra chased it into a field

2271

01:35:22,670 --> 01:35:20,850

pride its mouth open looked at its teeth

2272

01:35:24,950 --> 01:35:22,680

and then let it escape

2273

01:35:27,710 --> 01:35:24,960

that's strange and my mind's all so

2274

01:35:28,850 --> 01:35:27,720

illogical that a young boy that could do

2275

01:35:31,400 --> 01:35:28,860

that to a creature that's supposedly

2276

01:35:33,020 --> 01:35:31,410

attacked and killed cattle there's one

2277

01:35:34,270 --> 01:35:33,030

example right there pretty tough kid

2278

01:35:36,160 --> 01:35:34,280

well

2279

01:35:38,500 --> 01:35:36,170

things because they grow I'm tough

2280

01:35:40,600 --> 01:35:38,510

around code Rico I'm the groom tough all

2281

01:35:42,370 --> 01:35:40,610

over nowadays you have to be but I don't

2282

01:35:46,270 --> 01:35:42,380

know I don't think I could defeat of a

2283

01:35:47,920 --> 01:35:46,280

maybe he was a shadow kid yeah unless he

2284

01:35:49,750 --> 01:35:47,930

has a brown belt or a black belt or

2285

01:35:51,880 --> 01:35:49,760

something but what I would do is run in

2286

01:35:54,250 --> 01:35:51,890

the other direction as fast as I could

2287

01:35:56,800 --> 01:35:54,260

slaying at the top of my lungs you would

2288

01:35:58,450 --> 01:35:56,810

say in fact if you really tolentino his

2289

01:36:00,340 --> 01:35:58,460

original account she said that her

2290

01:36:03,130 --> 01:36:00,350

mother ran out the door to change this

2291

01:36:06,220 --> 01:36:03,140

creature again I'll do that mother well

2292

01:36:08,560 --> 01:36:06,230

I heard of the of the mother protecting

2293

01:36:11,530 --> 01:36:08,570

her cubs but you know what that's pretty

2294

01:36:13,300 --> 01:36:11,540

hardcore sure so again they're just

2295

01:36:15,550 --> 01:36:13,310

parts of this that just weren't making

2296

01:36:18,010 --> 01:36:15,560

sense even on even on the level of you

2297

01:36:20,710 --> 01:36:18,020

know weird cryptid accounts and so the

2298

01:36:22,420 --> 01:36:20,720

question then became well well because

2299

01:36:23,980 --> 01:36:22,430

she gave such a unique distinctive

2300

01:36:25,630 --> 01:36:23,990

description where could she have found

2301
01:36:27,190 --> 01:36:25,640
that where could she have gotten then

2302
01:36:28,420 --> 01:36:27,200
and I searched all around the front

2303
01:36:30,670 --> 01:36:28,430
figure out where my she was seen this

2304
01:36:33,340 --> 01:36:30,680
and I finally figured out where she got

2305
01:36:36,340 --> 01:36:33,350
it and the answer is that the Tolentino

2306
01:36:37,600 --> 01:36:36,350
assad the original chupacabra around the

2307
01:36:40,000 --> 01:36:37,610
same time that millions of other people

2308
01:36:43,750 --> 01:36:40,010
saw the original chupacabra and that was

2309
01:36:45,880 --> 01:36:43,760
in a 1995 film called species she had

2310
01:36:48,760 --> 01:36:45,890
actually seen this this film and the

2311
01:36:50,800 --> 01:36:48,770
monster in that film looks almost

2312
01:36:52,540 --> 01:36:50,810
exactly like the chupacabra that she

2313
01:36:54,910 --> 01:36:52,550

later described it was just remarkable

2314

01:36:56,980 --> 01:36:54,920

the more I looked into it I got all the

2315

01:36:59,020 --> 01:36:56,990

information I could about the the the

2316

01:37:00,370 --> 01:36:59,030

film species and the monster turned out

2317

01:37:03,450 --> 01:37:00,380

it was actually designed by H R Giger

2318

01:37:06,100 --> 01:37:03,460

the the artist who created the alien and

2319

01:37:08,950 --> 01:37:06,110

actually won an Academy Award for his

2320

01:37:11,530 --> 01:37:08,960

work in the movie aliens and he designed

2321

01:37:13,570 --> 01:37:11,540

that the species monster called SIL is

2322

01:37:15,400 --> 01:37:13,580

just the parallels are just amazing in

2323

01:37:18,310 --> 01:37:15,410

fact I spend chapter in my book just

2324

01:37:20,140 --> 01:37:18,320

giving all the reasons why the the the

2325

01:37:22,900 --> 01:37:20,150

original Puerto Rican chupacabra was

2326

01:37:25,270 --> 01:37:22,910

lifted directly from from this film I

2327

01:37:27,220 --> 01:37:25,280

have no idea what you saw if anything I

2328

01:37:30,250 --> 01:37:27,230

wasn't there there were apparently no

2329

01:37:31,720 --> 01:37:30,260

other eyewitnesses in one account she

2330

01:37:33,670 --> 01:37:31,730

said that her mother and this other

2331

01:37:36,910 --> 01:37:33,680

young boy saw it another account she

2332

01:37:38,890 --> 01:37:36,920

said that only she saw it so I have no

2333

01:37:40,690 --> 01:37:38,900

idea what usually saw but I can tell you

2334

01:37:42,850 --> 01:37:40,700

that it's crystal clear to me and my

2335

01:37:44,710 --> 01:37:42,860

research that that the original

2336

01:37:46,600 --> 01:37:44,720

description that that she came up with

2337

01:37:47,500 --> 01:37:46,610

for the the monster of the creature that

2338

01:37:49,569 --> 01:37:47,510

she saw

2339

01:37:52,509 --> 01:37:49,579

was came directly from the sci-fi film

2340

01:37:54,970 --> 01:37:52,519

and I think that she I think that she

2341

01:37:56,680 --> 01:37:54,980

just got confused I think she just

2342

01:37:59,830 --> 01:37:56,690

mistook something that she saw in a

2343

01:38:01,180 --> 01:37:59,840

movie with real life and I know that for

2344

01:38:01,899 --> 01:38:01,190

a lot of people and love listeners

2345

01:38:04,419 --> 01:38:01,909

they'll think that well that's

2346

01:38:07,000 --> 01:38:04,429

ridiculous people don't do that in fact

2347

01:38:08,410 --> 01:38:07,010

people do that in my book I actually

2348

01:38:11,830 --> 01:38:08,420

give a couple different examples of

2349

01:38:14,250 --> 01:38:11,840

where this is these are proven cases

2350

01:38:17,229 --> 01:38:14,260

where people have have reported seeing

2351
01:38:19,750 --> 01:38:17,239
creatures and monsters in real life that

2352
01:38:21,279 --> 01:38:19,760
were taken directly from films it's a

2353
01:38:23,379 --> 01:38:21,289
it's a psychological process called

2354
01:38:25,209 --> 01:38:23,389
confabulation and it absolutely does

2355
01:38:26,770 --> 01:38:25,219
happen and I believe that that's what

2356
01:38:28,509 --> 01:38:26,780
happened with her I don't I don't think

2357
01:38:30,549 --> 01:38:28,519
that Tolentino was a liar I don't think

2358
01:38:32,770 --> 01:38:30,559
she's a publicity hound I don't think

2359
01:38:34,930 --> 01:38:32,780
she's a hoaxer I think that she just got

2360
01:38:36,250 --> 01:38:34,940
confused you know someone gets confused

2361
01:38:39,549 --> 01:38:36,260
the question is here if you see

2362
01:38:40,950 --> 01:38:39,559
something alien okay to your experience

2363
01:38:43,419 --> 01:38:40,960

you don't understand it

2364

01:38:45,129 --> 01:38:43,429

wouldn't it be common for somebody to

2365

01:38:47,169 --> 01:38:45,139

say you know what this is what I

2366

01:38:50,109 --> 01:38:47,179

experience in the pop culture the pop

2367

01:38:52,060 --> 01:38:50,119

culture is your inflow so you have maybe

2368

01:38:55,299 --> 01:38:52,070

this popular monster movie for example

2369

01:38:57,729 --> 01:38:55,309

it could be flying saucers you know

2370

01:39:00,129 --> 01:38:57,739

especially all those UFO movies in the

2371

01:39:02,620 --> 01:39:00,139

1950s The Day the Earth Stood Still I

2372

01:39:04,600 --> 01:39:02,630

think inspired lots of reports about

2373

01:39:07,029 --> 01:39:04,610

UFOs I'm speaking to somebody who thinks

2374

01:39:09,009 --> 01:39:07,039

there's a lot of significance to a lot

2375

01:39:11,350 --> 01:39:09,019

of these events and that's real as a

2376

01:39:13,270 --> 01:39:11,360

reality to be found there but when you

2377

01:39:15,490 --> 01:39:13,280

see something alien to your experience

2378

01:39:18,040 --> 01:39:15,500

the easiest thing to do would be to

2379

01:39:22,000 --> 01:39:18,050

apply it to something you know to

2380

01:39:23,589 --> 01:39:22,010

explain it mmm yeah and and that would

2381

01:39:27,160 --> 01:39:23,599

be a good explanation except for the

2382

01:39:28,779 --> 01:39:27,170

fact that that she says in in the

2383

01:39:31,180 --> 01:39:28,789

interview that appears in sky crosses

2384

01:39:31,839 --> 01:39:31,190

book and also I discussed this at least

2385

01:39:34,120 --> 01:39:31,849

in my book

2386

01:39:36,100 --> 01:39:34,130

is she says that she believed that the

2387

01:39:38,919 --> 01:39:36,110

events that were happening in the movie

2388

01:39:39,700 --> 01:39:38,929

species were happening at the time in

2389

01:39:41,410 --> 01:39:39,710

Puerto Rico

2390

01:39:43,540 --> 01:39:41,420

this is this is an important distinction

2391

01:39:45,490 --> 01:39:43,550

because she didn't just say you know the

2392

01:39:48,040 --> 01:39:45,500

monster I saw it was kind of like that

2393

01:39:49,689 --> 01:39:48,050

movie she was saying that that she

2394

01:39:52,569 --> 01:39:49,699

thought that things were happening that

2395

01:39:55,299 --> 01:39:52,579

the the events in the movie species were

2396

01:39:58,629 --> 01:39:55,309

going on in Puerto Rico at the time and

2397

01:39:59,860 --> 01:39:58,639

the film species the first scene is

2398

01:40:03,700 --> 01:39:59,870

actually set in

2399

01:40:08,220 --> 01:40:03,710

Rico at the Arecibo Observatory and he

2400

01:40:11,020 --> 01:40:08,230

said in 1995 and so it's pretty clear to

2401
01:40:13,150 --> 01:40:11,030
in to my a to my rating and again people

2402
01:40:15,850 --> 01:40:13,160
can judge for themselves I have lots of

2403
01:40:18,670 --> 01:40:15,860
quotes in the book in terms of what she

2404
01:40:20,260 --> 01:40:18,680
actually said that she wasn't just

2405
01:40:21,970 --> 01:40:20,270
saying oh it kind of reminded me of it

2406
01:40:25,960 --> 01:40:21,980
she was saying that this looks exactly

2407
01:40:27,850 --> 01:40:25,970
like it and the question comes like well

2408
01:40:30,640 --> 01:40:27,860
if you're going to claim that she was

2409
01:40:33,160 --> 01:40:30,650
merely using the movie species to

2410
01:40:34,720 --> 01:40:33,170
describe what she saw well then you

2411
01:40:37,150 --> 01:40:34,730
would have to be saying that it's just a

2412
01:40:39,490 --> 01:40:37,160
remarkable coincidence the the monster

2413
01:40:41,800 --> 01:40:39,500

that she saw looked almost exactly like

2414

01:40:43,900 --> 01:40:41,810

this movie monster well maybe it was the

2415

01:40:46,420 --> 01:40:43,910

one event that she had seen recently and

2416

01:40:49,570 --> 01:40:46,430

that is a larger question do we know

2417

01:40:51,040 --> 01:40:49,580

that she saw that movie yes we know that

2418

01:40:55,390 --> 01:40:51,050

for a couple different reasons okay the

2419

01:40:57,430 --> 01:40:55,400

first one is that that that I asked her

2420

01:40:59,800 --> 01:40:57,440

point-blank when I interviewed her in

2421

01:41:02,050 --> 01:40:59,810

2010 and in Puerto Rico I said did you

2422

01:41:05,890 --> 01:41:02,060

see the movie species she said yes more

2423

01:41:07,720 --> 01:41:05,900

importantly that her her account of this

2424

01:41:11,560 --> 01:41:07,730

actually also appears in in Scott

2425

01:41:13,390 --> 01:41:11,570

Corrales is 1997 book chupacabras and in

2426

01:41:16,600 --> 01:41:13,400

there she she states very explicitly

2427

01:41:18,970 --> 01:41:16,610

that she saw the creature there and and

2428

01:41:21,460 --> 01:41:18,980

she saw the movie after or before her

2429

01:41:23,740 --> 01:41:21,470

event she saw the movie before her

2430

01:41:25,600 --> 01:41:23,750

sighting okay so was she frightened by

2431

01:41:27,640 --> 01:41:25,610

the movie is that maybe the connection

2432

01:41:29,590 --> 01:41:27,650

that the movie just scared her out of

2433

01:41:31,990 --> 01:41:29,600

her wits and suddenly she's looking for

2434

01:41:34,180 --> 01:41:32,000

chupacabras everywhere again I I have no

2435

01:41:37,870 --> 01:41:34,190

idea I didn't I didn't psychoanalyze her

2436

01:41:41,200 --> 01:41:37,880

I think that she she seemed pretty

2437

01:41:43,090 --> 01:41:41,210

matter-of-fact about it to me I you know

2438

01:41:44,710 --> 01:41:43,100

again I wasn't there I don't know what

2439

01:41:47,980 --> 01:41:44,720

she saw if anything it is interesting

2440

01:41:49,720 --> 01:41:47,990

that in her account with me she was

2441

01:41:52,900 --> 01:41:49,730

sleeping right before this account

2442

01:41:54,280 --> 01:41:52,910

before right before her sighting is it

2443

01:41:56,980 --> 01:41:54,290

possible if you dreamed the whole thing

2444

01:41:59,700 --> 01:41:56,990

I don't know but I can tell you is that

2445

01:42:01,810 --> 01:41:59,710

nothing about her her original

2446

01:42:03,280 --> 01:42:01,820

Chupacabra account which spawned

2447

01:42:06,160 --> 01:42:03,290

essentially the whole chupacabra

2448

01:42:08,830 --> 01:42:06,170

phenomena is credible okay spawn the

2449

01:42:10,660 --> 01:42:08,840

Chupacabra phenomenon so you're

2450

01:42:12,130 --> 01:42:10,670

suggesting then let's kind of sum it up

2451

01:42:12,820 --> 01:42:12,140

a little bit before we get to listen to

2452

01:42:14,860 --> 01:42:12,830

questions and

2453

01:42:17,020 --> 01:42:14,870

or commissions from Chris okay so we are

2454

01:42:20,010 --> 01:42:17,030

suggesting here based on what you're

2455

01:42:23,290 --> 01:42:20,020

saying that we have this one event

2456

01:42:26,620 --> 01:42:23,300

possibly influenced by this monster

2457

01:42:29,590 --> 01:42:26,630

movie and other events grow out of it

2458

01:42:32,620 --> 01:42:29,600

everyone who reported chupacabra either

2459

01:42:34,600 --> 01:42:32,630

saw species or read her account or what

2460

01:42:36,700 --> 01:42:34,610

I wouldn't say everyone cuz that's

2461

01:42:39,790 --> 01:42:36,710

that's pretty general but certainly if

2462

01:42:42,100 --> 01:42:39,800

you look at many of the many of the

2463

01:42:44,170 --> 01:42:42,110

reports of the chupacabra reports in the

2464

01:42:45,970 --> 01:42:44,180

wake of her sighting they were directly

2465

01:42:47,920 --> 01:42:45,980

influenced by her sighting and they

2466

01:42:50,110 --> 01:42:47,930

always say that themselves they say you

2467

01:42:52,120 --> 01:42:50,120

know I saw it and I gave a couple quotes

2468

01:42:55,120 --> 01:42:52,130

in the book they witnesses will say it

2469

01:42:57,660 --> 01:42:55,130

looked like the the the the drawing I

2470

01:43:00,580 --> 01:42:57,670

saw in the newspaper of Tolentino saw

2471

01:43:02,800 --> 01:43:00,590

and because the the her description that

2472

01:43:04,300 --> 01:43:02,810

the the famous drawing appeared not only

2473

01:43:06,520 --> 01:43:04,310

on the internet but on the front page of

2474

01:43:08,410 --> 01:43:06,530

the local newspaper so this had widely

2475

01:43:10,600 --> 01:43:08,420

this this was seen widely throughout the

2476
01:43:13,090 --> 01:43:10,610
island and elsewhere so basically you're

2477
01:43:16,120 --> 01:43:13,100
saying here that it seems that almost

2478
01:43:18,940 --> 01:43:16,130
every other encounter reported either

2479
01:43:22,320 --> 01:43:18,950
they saw this information or someone

2480
01:43:24,550 --> 01:43:22,330
told them something that influenced it I

2481
01:43:26,200 --> 01:43:24,560
think that's the true for the vast

2482
01:43:28,210 --> 01:43:26,210
majority of them and the other point

2483
01:43:30,310 --> 01:43:28,220
that should be made is that even though

2484
01:43:32,710 --> 01:43:30,320
you'll read in many places including the

2485
01:43:34,690 --> 01:43:32,720
Scott's book that there were dozens or

2486
01:43:36,940 --> 01:43:34,700
hundreds of other similar eyewitness

2487
01:43:38,800 --> 01:43:36,950
accounts to Tolentino z-- in fact there

2488
01:43:41,200 --> 01:43:38,810

weren't as far as I can tell there were

2489

01:43:43,150 --> 01:43:41,210

a handful of them okay so this got wrong

2490

01:43:45,130 --> 01:43:43,160

dead wrong about this yes

2491

01:43:46,660 --> 01:43:45,140

okay so if he's saying this how many

2492

01:43:49,150 --> 01:43:46,670

cases does he have in his book that

2493

01:43:51,370 --> 01:43:49,160

books a few years back so I don't recall

2494

01:43:54,700 --> 01:43:51,380

it offhand did he have a lot of cases

2495

01:43:58,060 --> 01:43:54,710

just a few what well it's important to

2496

01:43:59,680 --> 01:43:58,070

make a distinction between someone the

2497

01:44:01,210 --> 01:43:59,690

problem is that the people will lump

2498

01:44:02,830 --> 01:44:01,220

them together they'll say well here's

2499

01:44:05,530 --> 01:44:02,840

the Chupacabra report well what does

2500

01:44:07,540 --> 01:44:05,540

that mean oftentimes all Chupacabra

2501
01:44:09,910 --> 01:44:07,550
report means is that someone found a

2502
01:44:12,370 --> 01:44:09,920
dead animal they're not they're very

2503
01:44:13,990 --> 01:44:12,380
very specifically not reporting having

2504
01:44:16,270 --> 01:44:14,000
seen a creature certainly okay so

2505
01:44:18,760 --> 01:44:16,280
they're looking yes the end result which

2506
01:44:19,930 --> 01:44:18,770
may or may not be something strange this

2507
01:44:22,360 --> 01:44:19,940
is not strange

2508
01:44:25,120 --> 01:44:22,370
Benjamin Radford last strange guy at all

2509
01:44:25,630 --> 01:44:25,130
seems we don't always agree with him but

2510
01:44:28,090 --> 01:44:25,640
for

2511
01:44:30,160 --> 01:44:28,100
there's guy the book is tracking the

2512
01:44:32,680 --> 01:44:30,170
chupacabra the co-host is Chris O'Brien

2513
01:44:41,500 --> 01:44:32,690

I'm gene Steinberg you're in the para

2514

01:44:43,480 --> 01:44:41,510

cast hi this is Ted Anderson if you'd

2515

01:44:45,880 --> 01:44:43,490

like to listen to GCN programs on the

2516

01:44:48,040 --> 01:44:45,890

goal I have great news gzn has created a

2517

01:44:50,200 --> 01:44:48,050

Droid and iPhone application and it's

2518

01:44:51,970 --> 01:44:50,210

free just as easy as going to GC and

2519

01:44:53,800 --> 01:44:51,980

live.com click on the banner and

2520

01:44:55,330 --> 01:44:53,810

download before you know it you'll be

2521

01:44:57,670 --> 01:44:55,340

listening to your favorite hard-hitting

2522

01:45:00,370 --> 01:44:57,680

GCN shows live around Amman right on

2523

01:45:02,230 --> 01:45:00,380

your Droid or iPhone 24/7 and on the go

2524

01:45:04,240 --> 01:45:02,240

so download the Droid and iPhone app

2525

01:45:06,220 --> 01:45:04,250

free by clicking on the banner at GCU

2526

01:45:08,530 --> 01:45:06,230

live.com thanks again for listening to

2527

01:45:10,930 --> 01:45:08,540

GC and live.com again that's GC and

2528

01:45:12,940 --> 01:45:10,940

live.com we the people grow cotton wheat

2529

01:45:14,590 --> 01:45:12,950

fabric engraving can bed strips and

2530

01:45:16,360 --> 01:45:14,600

fibers to protect from counterfeit and

2531

01:45:17,230 --> 01:45:16,370

carding to a private bank having a led

2532

01:45:19,000 --> 01:45:17,240

back at interest

2533

01:45:20,890 --> 01:45:19,010

forcing taxes to service debt this

2534

01:45:22,330 --> 01:45:20,900

capitalism was Jefferson correct when

2535

01:45:23,980 --> 01:45:22,340

stating a central bank issuing the

2536

01:45:25,090 --> 01:45:23,990

public currency is a greater menace to

2537

01:45:26,860 --> 01:45:25,100

the liberties of the people than a

2538

01:45:28,000 --> 01:45:26,870

standing army Ted Anderson I'm placing a

2539

01:45:30,040 --> 01:45:28,010

free silver dollar in a book that

2540

01:45:33,310 --> 01:45:30,050

explains our monetary system call for

2541

01:45:36,370 --> 01:45:33,320

your copy 800 686 to 237 it's time to

2542

01:45:44,980 --> 01:45:36,380

understand the system call 866 to 237

2543

01:45:46,930 --> 01:45:44,990

that's 800 686 to 237 welcome back to

2544

01:45:50,230 --> 01:45:46,940

the pair cast the gold standard of

2545

01:45:53,140 --> 01:45:50,240

paranormal radio and now here's gene

2546

01:46:01,210 --> 01:45:58,570

I was wondering since the chupacabra is

2547

01:46:03,730 --> 01:46:01,220

a vampire type Beast maybe somebody

2548

01:46:06,520 --> 01:46:03,740

should be using a more vampire type

2549

01:46:14,680 --> 01:46:06,530

voice do you do that Chris or not the

2550

01:46:16,750 --> 01:46:14,690

pellet cost that was lame I didn't make

2551

01:46:19,480 --> 01:46:16,760

a comment I didn't criticize you my

2552

01:46:21,100 --> 01:46:19,490

hands but Ben Ben editorialized for you

2553

01:46:24,100 --> 01:46:21,110

well you know what I can say is I never

2554

01:46:27,130 --> 01:46:24,110

drink vine yeah and that's just as bad

2555

01:46:30,130 --> 01:46:27,140

the Pentecost the hard to do it dragged

2556

01:46:34,120 --> 01:46:30,140

bela lugosi voice with lots of peas in

2557

01:46:37,540 --> 01:46:34,130

Sunbury face well Bela Lugosi was never

2558

01:46:39,730 --> 01:46:37,550

good at P's and Q's is for that matter

2559

01:46:41,590 --> 01:46:39,740

tracking the chupacabras the book Ben

2560

01:46:43,390 --> 01:46:41,600

Radford's our guest Chris O'Brien's the

2561

01:46:46,600 --> 01:46:43,400

co-hosts trying his best not to sound

2562

01:46:49,180 --> 01:46:46,610

like Dracula I'm Ching steinberger in

2563

01:46:51,430 --> 01:46:49,190

the para cast Chris have you assembled

2564

01:46:52,780 --> 01:46:51,440

all those questions from our own hands

2565

01:46:56,020 --> 01:46:52,790

but I've got a couple of my own before

2566

01:46:58,210 --> 01:46:56,030

we go on right into the other questions

2567

01:46:59,800 --> 01:46:58,220

Chris okay and this is something that I

2568

01:47:02,200 --> 01:46:59,810

think is really important when you're

2569

01:47:05,350 --> 01:47:02,210

dealing with animal deaths and that is

2570

01:47:07,750 --> 01:47:05,360

physical evidence tracks some sort of

2571

01:47:11,710 --> 01:47:07,760

veterinary examinations based on your

2572

01:47:14,280 --> 01:47:11,720

research Ben how many cases feature some

2573

01:47:16,480 --> 01:47:14,290

sort of analytical scientific process

2574

01:47:20,140 --> 01:47:16,490

post-mortem on these animals to your

2575

01:47:21,880 --> 01:47:20,150

knowledge because of course people will

2576

01:47:24,400 --> 01:47:21,890

you know people can come up with any

2577

01:47:27,610 --> 01:47:24,410

sort of course they want I I would say

2578

01:47:30,760 --> 01:47:27,620

very very few I would say probably less

2579

01:47:34,720 --> 01:47:30,770

than 5% to the best line but we do have

2580

01:47:39,700 --> 01:47:34,730

a body of data that we could refer to if

2581

01:47:41,050 --> 01:47:39,710

we dug deep enough sure for example I

2582

01:47:43,360 --> 01:47:41,060

mean there's there were a couple

2583

01:47:45,190 --> 01:47:43,370

veterinarians who were working in Puerto

2584

01:47:49,600 --> 01:47:45,200

Rico at the time at the time meaning

2585

01:47:51,220 --> 01:47:49,610

1996 1987 who examined many of these

2586

01:47:51,880 --> 01:47:51,230

creatures post-mortem I think hundreds

2587

01:47:53,890 --> 01:47:51,890

of them

2588

01:47:55,360 --> 01:47:53,900

and their answer their conclusion was

2589

01:47:57,510 --> 01:47:55,370

that there were they were not in fact

2590

01:48:00,250 --> 01:47:57,520

draining the blood so in those cases

2591

01:48:02,080 --> 01:48:00,260

there the an autopsy and necropsy was

2592

01:48:02,830 --> 01:48:02,090

done and the answer was there was no

2593

01:48:05,730 --> 01:48:02,840

vampirism

2594

01:48:07,230 --> 01:48:05,740

did they find crushed trachea

2595

01:48:09,060 --> 01:48:07,240

when pipes that sort of thing sort of

2596

01:48:10,890 --> 01:48:09,070

trauma that would indicate you know your

2597

01:48:12,540 --> 01:48:10,900

working theory that many of these

2598

01:48:15,210 --> 01:48:12,550

probably were killed by some sort of

2599

01:48:18,150 --> 01:48:15,220

predator that would clamp on to the neck

2600

01:48:20,220 --> 01:48:18,160

area for instance yeah the the original

2601
01:48:21,540 --> 01:48:20,230
accounts in fact they were you could see

2602
01:48:23,580 --> 01:48:21,550
them I think there was a TV show called

2603
01:48:25,470 --> 01:48:23,590
is it real on National Geographic and

2604
01:48:27,270 --> 01:48:25,480
the one of the veterinarians was

2605
01:48:30,540 --> 01:48:27,280
featured on there and he discusses this

2606
01:48:33,330 --> 01:48:30,550
that as far as they could tell they were

2607
01:48:36,360 --> 01:48:33,340
just the victims ordinary predation how

2608
01:48:39,240 --> 01:48:36,370
about other physical trace evidence such

2609
01:48:42,570 --> 01:48:39,250
as animals like chickens inside a coop

2610
01:48:45,210 --> 01:48:42,580
that would be protected from what you

2611
01:48:47,790 --> 01:48:45,220
would think would be your standard Fox

2612
01:48:50,790 --> 01:48:47,800
or a wild dog or something like that do

2613
01:48:55,740 --> 01:48:50,800

we have any cases that feature dead

2614

01:48:57,150 --> 01:48:55,750

animals in a secure environment sure I

2615

01:49:00,030 --> 01:48:57,160

mean there's cases where you know

2616

01:49:03,480 --> 01:49:00,040

something got into the chicken coop you

2617

01:49:05,180 --> 01:49:03,490

know I don't doubt for a second that

2618

01:49:07,830 --> 01:49:05,190

something got into the chicken coop the

2619

01:49:10,170 --> 01:49:07,840

question is was it the chupacabra or was

2620

01:49:12,870 --> 01:49:10,180

it it was a dog or coyote I don't know

2621

01:49:14,670 --> 01:49:12,880

he would leave tracks wouldn't it yeah

2622

01:49:17,520 --> 01:49:14,680

and in fact in most cases they do find

2623

01:49:18,330 --> 01:49:17,530

dog or coyote tracks there okay here's

2624

01:49:22,560 --> 01:49:18,340

another one for you

2625

01:49:24,600 --> 01:49:22,570

what about samples of saliva other

2626
01:49:29,100 --> 01:49:24,610
physical evidence I I do seem to recall

2627
01:49:31,110 --> 01:49:29,110
that kind of unusual evidence was left

2628
01:49:33,750 --> 01:49:31,120
behind in the form of some sort of

2629
01:49:36,690 --> 01:49:33,760
saliva or some sort of fluids that it

2630
01:49:38,010 --> 01:49:36,700
was assumed came from the predator do

2631
01:49:42,030 --> 01:49:38,020
you know of any testing that has been

2632
01:49:44,300 --> 01:49:42,040
done right in fact in in Scott's book

2633
01:49:48,360 --> 01:49:44,310
there are multiple references to

2634
01:49:51,210 --> 01:49:48,370
chupacabra drool or slime or a scat or

2635
01:49:53,310 --> 01:49:51,220
things like that and in my research none

2636
01:49:55,110 --> 01:49:53,320
of it was credible I tracked down a

2637
01:49:57,990 --> 01:49:55,120
couple different cases in one case for

2638
01:49:59,460 --> 01:49:58,000

example mrs. Tolentino said that there

2639

01:50:01,290 --> 01:49:59,470

had been some slam collected by a

2640

01:50:05,820 --> 01:50:01,300

chupacabra researcher by the name of

2641

01:50:07,560 --> 01:50:05,830

Linda Moulton Howe and and and the

2642

01:50:10,230 --> 01:50:07,570

apparently according to Tolentino the

2643

01:50:12,780 --> 01:50:10,240

sort was this slime had been examined by

2644

01:50:15,570 --> 01:50:12,790

a chemist and and was not of this world

2645

01:50:19,300 --> 01:50:15,580

whatever that might mean and I actually

2646

01:50:20,650 --> 01:50:19,310

I actually contacted mrs. Howell

2647

01:50:23,230 --> 01:50:20,660

for the book and I said I'm just

2648

01:50:24,850 --> 01:50:23,240

wondering what was this an ounce of this

2649

01:50:26,980 --> 01:50:24,860

analysis that was done this alleged

2650

01:50:29,650 --> 01:50:26,990

chupacabra swine and her answer was

2651

01:50:32,500 --> 01:50:29,660

there was no slime there

2652

01:50:34,690 --> 01:50:32,510

you know tolentino simply wrong that

2653

01:50:37,660 --> 01:50:34,700

there was no analysis done no slime I

2654

01:50:40,420 --> 01:50:37,670

also talked to John Downs the center for

2655

01:50:42,550 --> 01:50:40,430

14 zoology and asked him about and he

2656

01:50:45,100 --> 01:50:42,560

said that he had some analysis done of

2657

01:50:45,490 --> 01:50:45,110

the slime and the results turned up

2658

01:50:48,910 --> 01:50:45,500

nothing

2659

01:50:52,030 --> 01:50:48,920

so to invest my knowledge all the

2660

01:50:54,450 --> 01:50:52,040

reports of chupacabra drool slime other

2661

01:50:56,650 --> 01:50:54,460

bodily excretions or whatever else

2662

01:50:59,350 --> 01:50:56,660

they're all just myths as far as I can

2663

01:51:02,140 --> 01:50:59,360

tell how about tracks now I do seem to

2664

01:51:04,390 --> 01:51:02,150

recall that unusual tracks were very

2665

01:51:06,820 --> 01:51:04,400

rare but there were a number of cases

2666

01:51:09,640 --> 01:51:06,830

that featured tracks that didn't conform

2667

01:51:13,480 --> 01:51:09,650

to your standard neighborhood predator

2668

01:51:15,460 --> 01:51:13,490

can you address that sure probably the

2669

01:51:19,960 --> 01:51:15,470

most famous chupacabra tracks were taken

2670

01:51:22,660 --> 01:51:19,970

in Florida and though I discussed that

2671

01:51:24,640 --> 01:51:22,670

and those in the book and the the

2672

01:51:26,740 --> 01:51:24,650

universal analysis was that they're

2673

01:51:28,290 --> 01:51:26,750

they're hoaxes now I don't know whether

2674

01:51:30,130 --> 01:51:28,300

the person that took the tracks

2675

01:51:31,600 --> 01:51:30,140

committed the hoax or that they

2676
01:51:35,290 --> 01:51:31,610
themselves were hoaxed but it seems

2677
01:51:36,700 --> 01:51:35,300
pretty clear that the those tracks just

2678
01:51:38,950 --> 01:51:36,710
simply are not credible they're not real

2679
01:51:41,590 --> 01:51:38,960
in fact esteban Sarmiento it was a

2680
01:51:44,410 --> 01:51:41,600
primatologist did an analysis of it and

2681
01:51:46,840 --> 01:51:44,420
he said there's no credibility to them

2682
01:51:50,530 --> 01:51:46,850
there were also tracks found in Kalama

2683
01:51:52,780 --> 01:51:50,540
chile at some of the attacks there and

2684
01:51:54,460 --> 01:51:52,790
those as far as anybody could tell I

2685
01:51:56,050 --> 01:51:54,470
think the the quote I don't have it from

2686
01:51:58,060 --> 01:51:56,060
me but as I recall the official said

2687
01:52:03,270 --> 01:51:58,070
that there were nothing that distinguish

2688
01:52:06,820 --> 01:52:03,280

it from mural dogs so if somebody has a

2689

01:52:08,590 --> 01:52:06,830

unique bizarre unknown Troopa copper

2690

01:52:10,420 --> 01:52:08,600

track or leadership a copper track I'll

2691

01:52:12,580 --> 01:52:10,430

be happy to see it but so far all the

2692

01:52:15,250 --> 01:52:12,590

ones that have been examined or either

2693

01:52:16,279 --> 01:52:15,260

hoaxes or of known animals well we're

2694

01:52:18,469 --> 01:52:16,289

kind of running out

2695

01:52:20,119 --> 01:52:18,479

of possibilities here for any sort of

2696

01:52:22,159 --> 01:52:20,129

definitive smoking gun evidence that

2697

01:52:23,299 --> 01:52:22,169

would suggest that this is something oh

2698

01:52:25,729 --> 01:52:23,309

hi strange

2699

01:52:28,189 --> 01:52:25,739

I think physical evidence is very

2700

01:52:30,099 --> 01:52:28,199

important especially in cases that

2701
01:52:34,069 --> 01:52:30,109
feature dead animals that leave behind

2702
01:52:36,259 --> 01:52:34,079
and you have physical evidence to to you

2703
01:52:39,199 --> 01:52:36,269
know bring the powers of diagnostic

2704
01:52:40,669 --> 01:52:39,209
science to bear on so you know I wanted

2705
01:52:42,889 --> 01:52:40,679
to make sure that we asked those

2706
01:52:45,739 --> 01:52:42,899
questions because I agree with you there

2707
01:52:46,939 --> 01:52:45,749
is very little if any evidence that

2708
01:52:49,779 --> 01:52:46,949
would suggest that we're dealing with

2709
01:52:55,669 --> 01:52:49,789
anything other than something mundane

2710
01:52:58,219 --> 01:52:55,679
like a a predatory attack by various

2711
01:53:01,429 --> 01:52:58,229
types of animals that tend to attack a

2712
01:53:04,429 --> 01:53:01,439
small livestock not saying that I

2713
01:53:06,409 --> 01:53:04,439

totally totally you know thinking that

2714

01:53:08,949 --> 01:53:06,419

this is all confabulation this is all

2715

01:53:10,939 --> 01:53:08,959

misidentified predator action I

2716

01:53:12,799 --> 01:53:10,949

personally have a sense that there is

2717

01:53:15,289 --> 01:53:12,809

something at the core of this I would

2718

01:53:21,919 --> 01:53:15,299

not want to go to Vegas and place money

2719

01:53:23,779 --> 01:53:21,929

on where do you think the mystery lies

2720

01:53:27,439 --> 01:53:23,789

what part of this do you think is not

2721

01:53:30,979 --> 01:53:27,449

explained well I you know again I think

2722

01:53:34,969 --> 01:53:30,989

the power of collective belief is a lot

2723

01:53:37,429 --> 01:53:34,979

more intense and has has more I think is

2724

01:53:40,339 --> 01:53:37,439

more of a subject that needs to you know

2725

01:53:42,919 --> 01:53:40,349

be looked at and further studied I've

2726
01:53:44,989 --> 01:53:42,929
had cases for instance of their parents

2727
01:53:48,679 --> 01:53:44,999
of a demon like figure a devil like

2728
01:53:53,149 --> 01:53:48,689
figure and even though the initial case

2729
01:53:55,250 --> 01:53:53,159
was probably a prank or a hoax all of a

2730
01:53:58,279 --> 01:53:55,260
sudden you have a flurry of very similar

2731
01:54:01,189 --> 01:53:58,289
type reports that spring up in the

2732
01:54:03,199 --> 01:54:01,199
subculture around it that are that

2733
01:54:06,259 --> 01:54:03,209
appear to have some sort of credibility

2734
01:54:07,729 --> 01:54:06,269
at their core no I know there's gonna be

2735
01:54:09,919 --> 01:54:07,739
people on the forums they're gonna tear

2736
01:54:13,369 --> 01:54:09,929
me a new one for that one but this is

2737
01:54:16,339 --> 01:54:13,379
something that I think is is is is a is

2738
01:54:18,829 --> 01:54:16,349

a potentially a very fruitful avenue of

2739

01:54:21,049 --> 01:54:18,839

Investigation and I don't think enough

2740

01:54:23,119 --> 01:54:21,059

work is being done about the power of

2741

01:54:25,759 --> 01:54:23,129

collective belief and how that can

2742

01:54:29,520 --> 01:54:25,769

actually potentially in my mind even

2743

01:54:32,160 --> 01:54:29,530

manifest real nuts-and-bolts phenomena

2744

01:54:35,250 --> 01:54:32,170

now that I've totally gotten myself in

2745

01:54:37,500 --> 01:54:35,260

trouble with our bunker skeptics on the

2746

01:54:39,270 --> 01:54:37,510

board well you know what that's gonna be

2747

01:54:40,850 --> 01:54:39,280

something where Ben's gonna leave here

2748

01:54:44,220 --> 01:54:40,860

and by the way Ben I must say this I

2749

01:54:46,380 --> 01:54:44,230

like you so much I want to invite you to

2750

01:54:48,930 --> 01:54:46,390

endure the grief if you have time

2751

01:54:50,880 --> 01:54:48,940

feel free to participate in our forums

2752

01:54:53,250 --> 01:54:50,890

I'm serious because I think you have a

2753

01:54:54,780 --> 01:54:53,260

lot of interesting input from this

2754

01:54:58,080 --> 01:54:54,790

interview a lot of interesting things to

2755

01:55:00,900 --> 01:54:58,090

say whether our listeners agree or not

2756

01:55:02,939 --> 01:55:00,910

because we already have a sceptic in our

2757

01:55:04,919 --> 01:55:02,949

forums we want to take all sides and

2758

01:55:06,060 --> 01:55:04,929

that's the way we learn about things so

2759

01:55:11,910 --> 01:55:06,070

if you're up to it

2760

01:55:14,040 --> 01:55:11,920

Ben yeah when when does this go out and

2761

01:55:16,110 --> 01:55:14,050

you've been between now then and forever

2762

01:55:19,320 --> 01:55:16,120

I'll tell you how to get to the forums

2763

01:55:21,030 --> 01:55:19,330

and how to sign up we got a lot of our

2764

01:55:23,939 --> 01:55:21,040

guests who joined there the book is

2765

01:55:26,250 --> 01:55:23,949

tracking the chupacabra Ben Radford's

2766

01:55:28,680 --> 01:55:26,260

the author Chris O'Brien's the co-host

2767

01:55:30,390 --> 01:55:28,690

I'm gene Steinberg you're in the Barrett

2768

01:55:36,230 --> 01:55:30,400

cast

2769

01:55:41,350 --> 01:55:38,640

[Music]

2770

01:55:43,390 --> 01:55:41,360

you expect professional service from

2771

01:55:45,100 --> 01:55:43,400

your doctor your accountant and even the

2772

01:55:47,440 --> 01:55:45,110

girl who takes your morning coffee order

2773

01:55:50,140 --> 01:55:47,450

why not from your domain registrar to

2774

01:55:52,000 --> 01:55:50,150

namecheap.com provides stellar service

2775

01:55:54,070 --> 01:55:52,010

with no sneaky upselling

2776

01:55:55,960 --> 01:55:54,080

we offer more features than security

2777

01:55:58,360 --> 01:55:55,970

options for your website then there are

2778

01:56:00,490 --> 01:55:58,370

ways to order a latte and new domains

2779

01:56:03,130 --> 01:56:00,500

come with Whois guard to protect your

2780

01:56:05,980 --> 01:56:03,140

personal info and namecheap.com you can

2781

01:56:07,660 --> 01:56:05,990

get your domain for as low as \$2.99 now

2782

01:56:11,230 --> 01:56:07,670

is a great time to get to know

2783

01:56:13,450 --> 01:56:11,240

namecheap.com 58 years fate has provided

2784

01:56:15,460 --> 01:56:13,460

true reports of a strange and unknown

2785

01:56:17,500 --> 01:56:15,470

fate brings you the latest in all

2786

01:56:19,810 --> 01:56:17,510

aspects of the paranormal like angels

2787

01:56:22,600 --> 01:56:19,820

and miracles psychic phenomena ghosts

2788

01:56:24,910 --> 01:56:22,610

UFOs and much much more to receive your

2789

01:56:27,760 --> 01:56:24,920

complimentary fate magazine call now at

2790

01:56:36,150 --> 01:56:27,770

one eight hundred seven two eight two

2791

01:56:36,160 --> 01:56:44,980

www.att.com/biz

2792

01:56:49,750 --> 01:56:47,380

you heard me right the GAO is drawing a

2793

01:56:51,700 --> 01:56:49,760

parallel between the US economy its debt

2794

01:56:54,490 --> 01:56:51,710

and the current Greek economic meltdown

2795

01:56:56,920 --> 01:56:54,500

with the debt to GDP chart climbing into

2796

01:56:58,630 --> 01:56:56,930

unfamiliar territory the growing budget

2797

01:57:01,060 --> 01:56:58,640

deficit will rise to unsupportable

2798

01:57:03,130 --> 01:57:01,070

levels hi this is Ted Anderson the

2799

01:57:05,920 --> 01:57:03,140

federal debt and risk of financial

2800

01:57:08,500 --> 01:57:05,930

crises document the CBO has published is

2801
01:57:10,510 --> 01:57:08,510
a must read for every American covering

2802
01:57:13,030 --> 01:57:10,520
the risk of continued deficit spending

2803
01:57:15,040 --> 01:57:13,040
coupled with an aging population and the

2804
01:57:17,170 --> 01:57:15,050
rising interest rates spell economic

2805
01:57:19,300 --> 01:57:17,180
disaster it's imperative that you get a

2806
01:57:47,760 --> 01:57:19,310
copy of this document and study it for

2807
01:57:51,570 --> 01:57:49,230
you've had enough of the foul odors and

2808
01:57:53,850 --> 01:57:51,580
costly repairs use bio safe one septic

2809
01:57:55,860 --> 01:57:53,860
solution now there's an easy to use 100%

2810
01:57:57,990 --> 01:57:55,870
guaranteed answer to all your septic

2811
01:58:00,030 --> 01:57:58,000
system problems bio safe one septic

2812
01:58:02,130 --> 01:58:00,040
solution bio safe one is patented have

2813
01:58:04,170 --> 01:58:02,140

made specifically for all septic systems

2814

01:58:05,910 --> 01:58:04,180

and may be by the same team of scientists

2815

01:58:08,430 --> 01:58:05,920

who help clean up the Exxon Valdez oil

2816

01:58:10,650 --> 01:58:08,440

spill bio safe one decontaminates and

2817

01:58:12,630 --> 01:58:10,660

remove sludge stops costly pump outs and

2818

01:58:15,210 --> 01:58:12,640

repairs and remove septic system stench

2819

01:58:17,190 --> 01:58:15,220

all with a 100% success rate see what

2820

01:58:19,170 --> 01:58:17,200

gives bio safe one septic solution the

2821

01:58:22,530 --> 01:58:19,180

advantage over any other septic product

2822

guaranteed bio-friendly money-saving way

2828

01:58:41,730 --> 01:58:39,430

to clean your septic system dr. david

2829

01:58:43,650 --> 01:58:41,740

berry has provided excellent advice for

2830

01:58:46,170 --> 01:58:43,660

all those interested in practical

2831

01:58:47,010 --> 01:58:46,180

economics and sound money it's certainly

2832

01:58:48,900 --> 01:58:47,020

worth reading

2833

01:58:51,570 --> 01:58:48,910

that's what congressman Ron Paul said

2834

01:58:53,460 --> 01:58:51,580

about cha-ching wisdom 123 practical

2835

01:58:55,890 --> 01:58:53,470

universal truths about money the new

2836

01:58:57,210 --> 01:58:55,900

book by dr. David berry the cool part of

2837

01:58:59,220 --> 01:58:57,220

this book certainly it'll speak to you

2838

01:59:01,230 --> 01:58:59,230

personally your life your lifestyle your

2839

01:59:03,390 --> 01:59:01,240

money your investments but it also can

2840

01:59:04,890 --> 01:59:03,400

be generalized into the nation what's

2841

01:59:06,750 --> 01:59:04,900

going on as a nation we do these same

2842

01:59:09,210 --> 01:59:06,760

things personally that we do as a nation

2843

01:59:11,220 --> 01:59:09,220

dr. Berry's book - chain wisdom presents

2844

01:59:13,290 --> 01:59:11,230

many facets of your relationship with

2845

01:59:15,240 --> 01:59:13,300

the once almighty dollar and how current

2846

01:59:17,310 --> 01:59:15,250

national and international politics

2847

01:59:18,930 --> 01:59:17,320

affect your daily life some of the other

2848

01:59:20,610 --> 01:59:18,940

things that are about that they're not

2849

01:59:22,890 --> 01:59:20,620

just economic their philosophical

2850

01:59:24,300 --> 01:59:22,900

there's psychology involved in this book

2851
01:59:26,790 --> 01:59:24,310
there's philosophy and faultless book

2852
01:59:29,850 --> 01:59:26,800
read touching wisdom by dr. David berry

02:00:24,170 --> 02:00:22,080

trickster because our tricksters returns

2867

02:00:25,580 --> 02:00:24,180

might fix their cackle so I figured I'd

2868

02:00:27,740 --> 02:00:25,590

throw it in there just to get myself

2869

02:00:29,210 --> 02:00:27,750

further in trouble well you know we're

2870

02:00:30,260 --> 02:00:29,220

all in trouble you know you have to read

2871

02:00:32,330 --> 02:00:30,270

what some people have been saying about

2872

02:00:34,520 --> 02:00:32,340

us lately and I think we are in trouble

2873

02:00:36,680 --> 02:00:34,530

a lot of his imaginary there's someone

2874

02:00:40,100 --> 02:00:36,690

who put up a blog entry complaining

2875

02:00:42,950 --> 02:00:40,110

because we decided to allow one poster

2876
02:00:44,990 --> 02:00:42,960
to post something another poster not to

2877
02:00:45,800 --> 02:00:45,000
they complained about what we do in our

2878
02:00:51,410 --> 02:00:45,810
message boards

2879
02:00:53,840 --> 02:00:51,420
the co-host I'm gene Steinberger in the

2880
02:00:56,630 --> 02:00:53,850
power cast with Ben Radford Chris why we

2881
02:00:59,630 --> 02:00:56,640
pick up on this okay I do have a bunch

2882
02:01:02,120 --> 02:00:59,640
of questions but they're me more along

2883
02:01:03,920 --> 02:01:02,130
the lines of general I think cryptid

2884
02:01:05,690 --> 02:01:03,930
type questions and especially Bigfoot

2885
02:01:07,850 --> 02:01:05,700
but I want to I'm going to continue on

2886
02:01:10,910 --> 02:01:07,860
the Chupacabra topic here a little bit

2887
02:01:13,940 --> 02:01:10,920
we haven't talked at all about the most

2888
02:01:16,700 --> 02:01:13,950

recent incarnation of this mystery which

2889

02:01:20,150 --> 02:01:16,710

I think quite a bit of press has been

2890

02:01:25,490 --> 02:01:20,160

inked down in Texas with these mangy

2891

02:01:28,610 --> 02:01:25,500

looking coyote dog I forget what you

2892

02:01:31,490 --> 02:01:28,620

call them the kind of dog things and and

2893

02:01:34,700 --> 02:01:31,500

even a potentially a hairless raccoon

2894

02:01:36,710 --> 02:01:34,710

may have been found and had the

2895

02:01:39,770 --> 02:01:36,720

Chupacabra label put on him but let's

2896

02:01:41,750 --> 02:01:39,780

let's go ahead and discuss the 21st

2897

02:01:44,690 --> 02:01:41,760

century version of this as it has

2898

02:01:47,210 --> 02:01:44,700

manifested in the media in especially

2899

02:01:51,710 --> 02:01:47,220

Texas sure well we won't we address the

2900

02:01:53,510 --> 02:01:51,720

canine version of this thing yeah with a

2901
02:01:55,700 --> 02:01:53,520
few exceptions as you point out earlier

2902
02:01:58,430 --> 02:01:55,710
the the original chupacabra at the sort

2903
02:02:01,970 --> 02:01:58,440
of alien spikey backed species inspired

2904
02:02:03,690 --> 02:02:01,980
chupacabra wasn't really seen much after

2905
02:02:05,640 --> 02:02:03,700
around 2000 Giver

2906
02:02:08,580 --> 02:02:05,650
there are sections but for the most part

2907
02:02:09,630 --> 02:02:08,590
it kind of faded away and people that

2908
02:02:12,390 --> 02:02:09,640
didn't really see much but should

2909
02:02:17,250 --> 02:02:12,400
recover for a few years until about 2004

2910
02:02:20,160 --> 02:02:17,260
2005 when people began finding dead

2911
02:02:22,350 --> 02:02:20,170
Harrison nearly hairless dogs dogs and

2912
02:02:24,630 --> 02:02:22,360
coyotes members of the Canon family

2913
02:02:27,360 --> 02:02:24,640

which include AIA dogs coyotes and foxes

2914

02:02:30,600 --> 02:02:27,370

and calling them the chupacabra the most

2915

02:02:32,610 --> 02:02:30,610

famous one is was found in 2007 in Cuero

2916

02:02:34,080 --> 02:02:32,620

Texas by a woman named Phyllis Canyon

2917

02:02:36,060 --> 02:02:34,090

who proclaimed that it was in the summer

2918

02:02:38,280 --> 02:02:36,070

of the chupacabra and she had a good

2919

02:02:40,470 --> 02:02:38,290

time they have sold t-shirts and there

2920

02:02:42,000 --> 02:02:40,480

was a big media hubbub and the media

2921

02:02:45,180 --> 02:02:42,010

international news when she found that

2922

02:02:46,740 --> 02:02:45,190

this dead hairless canine actually flew

2923

02:02:50,430 --> 02:02:46,750

out there I was blown out there by the

2924

02:02:53,880 --> 02:02:50,440

TV show monster quest to investigate

2925

02:02:55,470 --> 02:02:53,890

that chupacabra and but there were other

2926

02:02:59,220 --> 02:02:55,480

ones that was one in Blanco Texas those

2927

02:03:00,930 --> 02:02:59,230

one Elmendorf Texas there was one and

2928

02:03:02,790 --> 02:03:00,940

turned remain of a couple here in New

2929

02:03:05,460 --> 02:03:02,800

Mexico and elsewhere but for the most

2930

02:03:07,170 --> 02:03:05,470

part in this particular case again there

2931

02:03:11,280 --> 02:03:07,180

was a very very different form so yet

2932

02:03:14,160 --> 02:03:11,290

you went from the alien II bipedal spiky

2933

02:03:17,010 --> 02:03:14,170

back to monster to essentially what were

2934

02:03:18,750 --> 02:03:17,020

four legged hairless dogs and they

2935

02:03:21,870 --> 02:03:18,760

certainly looked like that and so

2936

02:03:23,670 --> 02:03:21,880

suddenly we had hard evidence and so

2937

02:03:25,500 --> 02:03:23,680

when you have hard evidence you can do

2938

02:03:27,230 --> 02:03:25,510

DNA tests and you can use science and

2939

02:03:30,060 --> 02:03:27,240

forensics to get the the answers and

2940

02:03:32,160 --> 02:03:30,070

when when those tests were done they

2941

02:03:36,260 --> 02:03:32,170

came back to be either dogs or coyotes

2942

02:03:40,800 --> 02:03:36,270

or on occasion raccoons or in one case a

2943

02:03:42,630 --> 02:03:40,810

notion skate monster of it so that that

2944

02:03:44,370 --> 02:03:42,640

sort of answered that question terms of

2945

02:03:45,990 --> 02:03:44,380

what were these things what were these

2946

02:03:48,750 --> 02:03:46,000

hairless dollars and particularly they

2947

02:03:50,760 --> 02:03:48,760

had what's called sarcoptic mange which

2948

02:03:53,910 --> 02:03:50,770

is a skin disease caused by mites which

2949

02:03:55,980 --> 02:03:53,920

causes the hair to to fall out okay and

2950

02:03:58,440 --> 02:03:55,990

so you just totally you're totally

2951

02:04:01,820 --> 02:03:58,450

discounting that as a possibility for a

2952

02:04:04,140 --> 02:04:01,830

form of blood sucking animal then yes

2953

02:04:06,270 --> 02:04:04,150

for a number reasons and I'll just touch

2954

02:04:07,980 --> 02:04:06,280

on them briefly and again I go into I

2955

02:04:10,680 --> 02:04:07,990

think the second last chapter in the

2956

02:04:14,260 --> 02:04:10,690

book I deal entirely with the the

2957

02:04:16,870 --> 02:04:14,270

physiology of vampires and for my book I

2958

02:04:18,910 --> 02:04:16,880

I went and researched true vampires that

2959

02:04:21,430 --> 02:04:18,920

is animals that actually do suck blood

2960

02:04:23,680 --> 02:04:21,440

such as leeches and lampreys and vampire

2961

02:04:26,380 --> 02:04:23,690

bats and if you look at those creatures

2962

02:04:30,070 --> 02:04:26,390

these these these animals they have a

2963

02:04:31,690 --> 02:04:30,080

very distinctive adaptive digestive

2964

02:04:33,460 --> 02:04:31,700

systems for example and mouth structures

2965

02:04:35,950 --> 02:04:33,470

that allow them to suck blood if you

2966

02:04:38,110 --> 02:04:35,960

look at these these these Texas

2967

02:04:39,940 --> 02:04:38,120

chupacabras there's no way that they

2968

02:04:42,040 --> 02:04:39,950

could physically suck blood it's

2969

02:04:43,780 --> 02:04:42,050

literally impossible for their mouth

2970

02:04:45,820 --> 02:04:43,790

structure to allow them to suck blood

2971

02:04:47,290 --> 02:04:45,830

furthermore there's no mechanism by

2972

02:04:49,870 --> 02:04:47,300

which they could digest blood because

2973

02:04:51,910 --> 02:04:49,880

animals that do suck blood and live on

2974

02:04:54,250 --> 02:04:51,920

blood they have special structures that

2975

02:04:56,560 --> 02:04:54,260

they keep them from succumbing to iron

2976

02:04:58,780 --> 02:04:56,570

toxicity because blood is so rich in

2977

02:05:00,790 --> 02:04:58,790

iron that if you were I drank a lot of

2978

02:05:02,530 --> 02:05:00,800

blood it would actually injure us and

2979

02:05:04,870 --> 02:05:02,540

maybe even kill us because there's so

2980

02:05:08,200 --> 02:05:04,880

much iron or our bodies can't handle it

2981

02:05:09,940 --> 02:05:08,210

and so far none of these creatures have

2982

02:05:11,350 --> 02:05:09,950

have been found to have any of the

2983

02:05:14,200 --> 02:05:11,360

characteristics that we would expect

2984

02:05:15,370 --> 02:05:14,210

from a true vampire so aspiring vampires

2985

02:05:17,920 --> 02:05:15,380

out there in the audience

2986

02:05:19,000 --> 02:05:17,930

take note drinking too much blood can be

2987

02:05:21,580 --> 02:05:19,010

hazardous to your health

2988

02:05:24,190 --> 02:05:21,590

absolutely well there goes the TV shows

2989

02:05:29,650 --> 02:05:24,200

through blood and of course being human

2990

02:05:31,420 --> 02:05:29,660

forget about it okay I'm gonna go on to

2991

02:05:34,330 --> 02:05:31,430

some questions from the board here titer

2992

02:05:35,680 --> 02:05:34,340

zero zero one mentions that he's always

2993

02:05:37,780 --> 02:05:35,690

found Martin Gardner to be an

2994

02:05:39,670 --> 02:05:37,790

interesting person very much a skeptic

2995

02:05:41,620 --> 02:05:39,680

on one hand yet a believer in God on the

2996

02:05:43,450 --> 02:05:41,630

other what does mr. Radford think of a

2997

02:05:45,310 --> 02:05:43,460

fellow traveler such as the late mr.

2998

02:05:47,200 --> 02:05:45,320

Gardner who can hold the hardline

2999

02:05:48,880 --> 02:05:47,210

materialistic view and yet maintain a

3000

02:05:51,430 --> 02:05:48,890

wonder and even a belief in the soul

3001

02:05:53,410 --> 02:05:51,440

that was actually Martin's editor for

3002

02:05:55,600 --> 02:05:53,420

for many years he wrote a column for

3003

02:05:57,550 --> 02:05:55,610

skeptical Inquirer magazine and I was I

3004

02:06:00,940 --> 02:05:57,560

was one of his editors for a while and I

3005

02:06:04,030 --> 02:06:00,950

worked with Martin on many occasions and

3006

02:06:05,890 --> 02:06:04,040

I when I first heard about him and met

3007

02:06:09,760 --> 02:06:05,900

him I I didn't really understand just

3008

02:06:11,500 --> 02:06:09,770

how how massive intellectual contributor

3009

02:06:13,840 --> 02:06:11,510

he was to know not only science but

3010

02:06:15,460 --> 02:06:13,850

skepticism and sort of I grew to

3011

02:06:17,620 --> 02:06:15,470

appreciate that as the years went on

3012

02:06:19,630 --> 02:06:17,630

where I realized just what a massive

3013

02:06:22,480 --> 02:06:19,640

amount of books he had written I think

3014

02:06:24,220 --> 02:06:22,490

over 70 books you know it's certainly

3015

02:06:26,120 --> 02:06:24,230

true that martin profess to believe in

3016

02:06:29,390 --> 02:06:26,130

god belief in God and

3017

02:06:31,610 --> 02:06:29,400

and that's fine I mean I to my mind I've

3018

02:06:33,620 --> 02:06:31,620

always sort of separated out the science

3019

02:06:36,770 --> 02:06:33,630

and religion and you know if people want

3020

02:06:37,370 --> 02:06:36,780

to believe in God or angels or

3021

02:06:40,340 --> 02:06:37,380

what-have-you

3022

02:06:41,990 --> 02:06:40,350

I personally don't care the only place

3023

02:06:44,209 --> 02:06:42,000

that I get into it in my investigations

3024

02:06:45,800 --> 02:06:44,219

is if someone makes a claim that's

3025

02:06:47,780 --> 02:06:45,810

testable I mean if you tell me you

3026

02:06:49,550 --> 02:06:47,790

believe in God that's fine I that

3027

02:06:51,950 --> 02:06:49,560

doesn't bother me at all if you tell me

3028

02:06:53,629 --> 02:06:51,960

that you were healed by God or God gave

3029

02:06:55,459 --> 02:06:53,639

you some special magical power or

3030

02:06:58,280 --> 02:06:55,469

something then at that point that

3031

02:06:59,899 --> 02:06:58,290

becomes a testable claim so that's

3032

02:07:02,360 --> 02:06:59,909

that's where I the draw the line between

3033

02:07:04,430 --> 02:07:02,370

investigate able and and and personal

3034

02:07:07,100 --> 02:07:04,440

beliefs and it doesn't bother me at all

3035

02:07:08,600 --> 02:07:07,110

that that Martin you know believe in God

3036

02:07:12,189 --> 02:07:08,610

that's that's great I mean if you found

3037

02:07:14,510 --> 02:07:12,199

that comforting then more power to him

3038

02:07:16,899 --> 02:07:14,520

yeah I've always wondered about that how

3039

02:07:20,000 --> 02:07:16,909

scientists like quantum physicists could

3040

02:07:22,399 --> 02:07:20,010

you know do all this heavy lifting in

3041

02:07:24,500 --> 02:07:22,409

terms of theoretical physics and

3042

02:07:26,209 --> 02:07:24,510

mathematics and then go to church and

3043

02:07:28,879 --> 02:07:26,219

sort of leave their leave their

3044

02:07:29,919 --> 02:07:28,889

scientific selves at the door I've

3045

02:07:32,810 --> 02:07:29,929

always found that very fascinating

3046

02:07:36,560 --> 02:07:32,820

here's another couple of questions this

3047

02:07:39,590 --> 02:07:36,570

is from ex Lord summers selects who

3048

02:07:41,930 --> 02:07:39,600

claims he's a paranormal master this

3049

02:07:44,360 --> 02:07:41,940

should be good I'd be interested to know

3050

02:07:46,550 --> 02:07:44,370

your take on Jeff Meldrum's

3051
02:07:49,370 --> 02:07:46,560
interpretation of apparently consistent

3052
02:07:52,240 --> 02:07:49,380
anatomical features such as mid tarsal

3053
02:07:56,360 --> 02:07:52,250
breaks in alleged Bigfoot footprints Oh

3054
02:07:58,010 --> 02:07:56,370
Jeff you know what I'll have to take

3055
02:08:00,320 --> 02:07:58,020
this to our next segment because you

3056
02:08:02,540 --> 02:08:00,330
know that little clock says there are

3057
02:08:04,760 --> 02:08:02,550
sponsors out there who have things to

3058
02:08:07,340 --> 02:08:04,770
sell and if we don't give them a chance

3059
02:08:08,899 --> 02:08:07,350
to sell those things we don't let them

3060
02:08:10,340 --> 02:08:08,909
take care of their business well we

3061
02:08:11,959 --> 02:08:10,350
won't have a business and we won't have

3062
02:08:14,090 --> 02:08:11,969
a show that's how it goes we'll have you

3063
02:08:15,680 --> 02:08:14,100

answer that question in our next segment

3064

02:08:18,169 --> 02:08:15,690

this is what we call the cliffhanger

3065

02:08:20,629 --> 02:08:18,179

portion of the para cast in the final

3066

02:08:22,970 --> 02:08:20,639

hour we have Benjamin Radford the book

3067

02:08:25,459 --> 02:08:22,980

is tracking the chupacabra but as you

3068

02:08:27,290 --> 02:08:25,469

see the discussion will go far afield as

3069

02:08:29,180 --> 02:08:27,300

we answer the questions from our

3070

02:08:35,740 --> 02:08:29,190

listeners the co-host is Chris O'Brien

3071

02:08:35,750 --> 02:08:40,070

[Music]

3072

02:08:46,229 --> 02:08:44,100

is there a secret UFO agenda to strange

3073

02:08:48,750 --> 02:08:46,239

creatures from the darkest corners of

3074

02:08:51,570 --> 02:08:48,760

the mind roam the earth is there

3075

02:08:55,260 --> 02:08:51,580

evidence for mind control time travel or

3076

02:08:56,850 --> 02:08:55,270

devious government conspiracies find out

3077

02:08:59,490 --> 02:08:56,860

the inside scoop on the latest

3078

02:09:02,130 --> 02:08:59,500

conspiracies paranormal activity and

3079

02:09:05,100 --> 02:09:02,140

accordion phenomena when you subscribe

3080

02:09:07,950 --> 02:09:05,110

to tim Beckley's conspiracy tarou it's

3081

02:09:10,590 --> 02:09:07,960

jam-packed with stories special book and

3082

02:09:12,870 --> 02:09:10,600

DVD promotions and the best news it's

3083

02:09:16,020 --> 02:09:12,880

absolutely free sent right to your

3084

02:09:19,800 --> 02:09:16,030

mailbox plus a bonus free email

3085

02:09:21,690 --> 02:09:19,810

newsletter sent out every Friday simply

3086

02:09:25,860 --> 02:09:21,700

send an email with your name and address

3087

02:09:31,200 --> 02:09:25,870

to Mister UFO at what TV net

3088

02:09:37,970 --> 02:09:31,210

that's mr. UFO at web TV dotnet find out

3089

02:09:42,790 --> 02:09:39,610

[Music]

3090

02:09:45,680 --> 02:09:42,800

sore throat spray that with Dermatol

3091

02:09:48,170 --> 02:09:45,690

diaper rash sprayed that with Dermatol

3092

02:09:50,420 --> 02:09:48,180

ouch burn or cut spray that with

3093

02:09:52,220 --> 02:09:50,430

Dermatol for shockingly fast relief if

3094

02:09:54,140 --> 02:09:52,230

you had room for only one first aid

3095

02:09:55,880 --> 02:09:54,150

product in your preparedness kit you

3096

02:09:57,530 --> 02:09:55,890

need Dermatol because it works on almost

3097

02:09:59,570 --> 02:09:57,540

every skin irritation or injury

3098

02:10:01,700 --> 02:09:59,580

all-natural Dermatol brings amazing

3099

02:10:04,280 --> 02:10:01,710

relief to burns cuts scrapes fights

3100

02:10:06,320 --> 02:10:04,290

boils shingles rashes elderly skin tears

3101
02:10:08,150 --> 02:10:06,330
even chronic diabetic ulcers and bed

3102
02:10:10,520 --> 02:10:08,160
sores Dermatol is an all-natural

3103
02:10:12,620 --> 02:10:10,530
antimicrobial antiviral and antifungal

3104
02:10:14,630 --> 02:10:12,630
wound cleanser that speeds healing with

3105
02:10:16,670 --> 02:10:14,640
no side effects it's safe for all ages

3106
02:10:18,380 --> 02:10:16,680
and skin types and is even safe enough

3107
02:10:18,890 --> 02:10:18,390
to spray on sore throats or onto sore

3108
02:10:20,840 --> 02:10:18,900
eyes

3109
02:10:25,070 --> 02:10:20,850
read our many testimonials at Dermatol

one seven six six seven seven that's 800

3113
02:10:35,870 --> 02:10:32,970

to one seven sixty six seventy seven

3114

02:10:38,530 --> 02:10:35,880

effective efficient economical spray it

3115

02:10:41,480 --> 02:10:38,540

all with derma tall

3116

02:10:43,430 --> 02:10:41,490

we all need to prepare ourselves you

3117

02:10:45,530 --> 02:10:43,440

might have the food water gold and

3118

02:10:47,450 --> 02:10:45,540

silver but ask yourself are you truly

3119

02:10:50,030 --> 02:10:47,460

prepared that's why you need to visit

3120

02:10:52,700 --> 02:10:50,040

Maine military.com Maine military.com

3121

02:10:54,500 --> 02:10:52,710

carries everything you need gas masks

3122

02:10:56,870 --> 02:10:54,510

wool blankets fire starter kits

3123

02:10:59,420 --> 02:10:56,880

high-capacity magazines chemical suits

3124

02:11:01,730 --> 02:10:59,430

military surplus items and much more

3125

02:11:03,680 --> 02:11:01,740

do you own a firearm Maine military.com

3126

02:11:05,780 --> 02:11:03,690

has a large selection of pistols and

3127

02:11:07,670 --> 02:11:05,790

rifles suited for your needs are you

3128

02:11:09,620 --> 02:11:07,680

local store sold out of ammunition

3129

02:11:12,020 --> 02:11:09,630

call or visit them today for prices on

3130

02:11:13,700 --> 02:11:12,030

heart to find ammo and bulk ammo orders

3131

02:11:15,130 --> 02:11:13,710

you don't need to worry about having a

3132

02:11:17,870 --> 02:11:15,140

military surplus store in your area

3133

02:11:19,880 --> 02:11:17,880

because Maine military.com is the only

3134

02:11:21,830 --> 02:11:19,890

store you'll ever need all from the

3135

02:11:23,660 --> 02:11:21,840

comfort of your computer visit them

3136

02:11:26,570 --> 02:11:23,670

online today at Maine military.com

3137

02:11:29,360 --> 02:11:26,580

that's Maine like the state military

3138

02:11:32,360 --> 02:11:29,370

comm or call them at one eight seven

3139

02:11:35,390 --> 02:11:32,370

seven six zero eight zero one seven nine

3140

02:11:38,960 --> 02:11:35,400

that's one eight seven seven six zero

3141

02:11:40,550 --> 02:11:38,970

eight zero one seven nine the food

3142

02:11:43,550 --> 02:11:40,560

storage industry leader has done it

3143

02:11:45,980 --> 02:11:43,560

again introducing FDG clubs and Survival

3144

02:11:47,720 --> 02:11:45,990

bucks from the freeze-dry guy for over

3145

02:11:49,400 --> 02:11:47,730

thirty nine years the freeze-dried guy

3146

02:11:51,230 --> 02:11:49,410

has served various government agencies

3147

02:11:53,240 --> 02:11:51,240

and the private sector with the finest

3148

02:11:55,010 --> 02:11:53,250

in storable foods and emergency rations

3149

02:11:56,720 --> 02:11:55,020

if you've wanted to build emergency food

3150

02:11:59,690 --> 02:11:56,730

supplies but couldn't afford it now you

3151

02:12:01,340 --> 02:11:59,700

can go to freeze-dry guide.com click on

3152

02:12:03,650 --> 02:12:01,350

products and look for the freeze dry

3153

02:12:04,970 --> 02:12:03,660

guide clubs to pay as you go now you can

3154

02:12:06,440 --> 02:12:04,980

build food storage without going into

3155

02:12:07,880 --> 02:12:06,450

debt to choose from a payment range of

3156

02:12:09,530 --> 02:12:07,890

ninety five dollars to four hundred and

3157

02:12:11,270 --> 02:12:09,540

fifty dollars per month our clubs work

3158

02:12:13,130 --> 02:12:11,280

with everyone's budget plus when you

3159

02:12:15,020 --> 02:12:13,140

join freeze dry guy clubs you'll get

3160

02:12:17,300 --> 02:12:15,030

additional rewards for example this

3161

02:12:18,950 --> 02:12:17,310

month get 10% back in survival bucks on

3162

02:12:20,750 --> 02:12:18,960

all purchases in the freeze dry guy

3163

02:12:22,760 --> 02:12:20,760

product line plus free shipping within

3164

02:12:24,950 --> 02:12:22,770

the lower 48 states on any order amount

3165

02:12:27,020 --> 02:12:24,960

hurry go to freeze-dry guide.com

3166

02:12:29,030 --> 02:12:27,030

or call eight six six four zero four

3167

02:12:29,660 --> 02:12:29,040

three six six three let's freeze dry

3168

02:12:31,670 --> 02:12:29,670

guide.com

3169

02:12:34,130 --> 02:12:31,680

or call eight six six four zero four

3170

02:12:39,010 --> 02:12:34,140

three six six three the freeze dry guy

3171

02:12:44,660 --> 02:12:41,230

America's number one source for

3172

02:12:51,650 --> 02:12:44,670

independent Armenia for over a decade

3173

02:12:53,540 --> 02:12:51,660

we are the gcn radio network this is

3174

02:12:55,730 --> 02:12:53,550

Leslie cane and I'm with the Coalition

3175

02:12:59,030 --> 02:12:55,740

for freedom of information and you are

3176

02:13:00,950 --> 02:12:59,040

listening to the podcast there is you

3177

02:13:03,470 --> 02:13:00,960

wondered about whether there are ghosts

3178

02:13:05,090 --> 02:13:03,480

and if there are ghosts maybe their

3179

02:13:05,600 --> 02:13:05,100

voices will sound like Chris O'Brien

3180

02:13:06,830 --> 02:13:05,610

there

3181

02:13:08,960 --> 02:13:06,840

we never know I was supposed to be

3182

02:13:11,030 --> 02:13:08,970

Bigfoot gene you're a Bigfoot well you

3183

02:13:13,100 --> 02:13:11,040

know I think gruff fear you know that be

3184

02:13:16,040 --> 02:13:13,110

gruff that's all I'll work on that okay

3185

02:13:18,080 --> 02:13:16,050

yeah sure okay so we were talking child

3186

02:13:20,570 --> 02:13:18,090

young Chris we're talking to Ben Radford

3187

02:13:23,030 --> 02:13:20,580

I would quit my day job but I think this

3188

02:13:25,130 --> 02:13:23,040

is it we're talking to Ben Radford the

3189

02:13:27,230 --> 02:13:25,140

book is tracking the chupacabra I'm gene

3190

02:13:29,180 --> 02:13:27,240

Steinberg and you're in the para cast

3191

02:13:31,280 --> 02:13:29,190

and before we broke you were starting to

3192

02:13:34,490 --> 02:13:31,290

answer question then why'd you pick up

3193

02:13:36,470 --> 02:13:34,500

on that yeah the drums research

3194

02:13:37,850 --> 02:13:36,480

he's an animist at the University of

3195

02:13:38,390 --> 02:13:37,860

Idaho as I recall he's written a couple

3196

02:13:41,330 --> 02:13:38,400

of books

3197

02:13:43,340 --> 02:13:41,340

I think main one is I think it's called

3198

02:13:45,110 --> 02:13:43,350

Sasquatch legend meets science or

3199

02:13:46,820 --> 02:13:45,120

something Jeff is an interesting

3200

02:13:50,210 --> 02:13:46,830

character because he sort of inherited

3201

02:13:52,760 --> 02:13:50,220

the mantle of the the primary Bigfoot

3202

02:13:54,020 --> 02:13:52,770

scientist after Grover Krantz died I

3203

02:13:56,210 --> 02:13:54,030

like Jeff I've met him a couple times

3204

02:13:58,280 --> 02:13:56,220

and he I personally think he's a cool

3205

02:14:00,980 --> 02:13:58,290

guy and he's a he's a nice guy

3206

02:14:04,100 --> 02:14:00,990

I do however have serious problems with

3207

02:14:06,680 --> 02:14:04,110

the logic in his book hip where he talks

3208

02:14:09,590 --> 02:14:06,690

about for example me tarsal breaks and

3209

02:14:12,010 --> 02:14:09,600

and and some things that in terms of

3210

02:14:15,140 --> 02:14:12,020

play for example why why a big footprint

3211

02:14:18,230 --> 02:14:15,150

must be real and I don't have the time

3212

02:14:21,440 --> 02:14:18,240

deaths to get into it but I along with

3213

02:14:24,530 --> 02:14:21,450

several people including Maryland David

3214

02:14:27,560 --> 02:14:24,540

daily and Mike Bennett wrote a very

3215

02:14:29,540 --> 02:14:27,570

in-depth review of Meldrum's book in

3216

02:14:32,660 --> 02:14:29,550

skeptical Inquirer magazine it was a

3217

02:14:34,400 --> 02:14:32,670

four was a basically each of us reviewed

3218

02:14:37,400 --> 02:14:34,410

a part of this book from our particular

3219

02:14:41,030 --> 02:14:37,410

brand of expertise and that that deals a

3220

02:14:44,180 --> 02:14:41,040

lot with our responses to to Jess Jess

3221

02:14:45,560 --> 02:14:44,190

book I like him I don't think his

3222

02:14:48,830 --> 02:14:45,570

science is very good in some of those

3223

02:14:50,210 --> 02:14:48,840

cases and I'd like to see more out of

3224

02:14:52,820 --> 02:14:50,220

them so you

3225

02:14:55,820 --> 02:14:52,830

okay part two of Lord summers Lex's

3226

02:14:58,010 --> 02:14:55,830

questions would be he'd be interested to

3227

02:15:00,620 --> 02:14:58,020

get your take on the patterson-gimlin

3228

02:15:02,630 --> 02:15:00,630

film Bob hieronymus the guy who claimed

3229

02:15:04,280 --> 02:15:02,640

he wore this suit has changed his story

3230

02:15:06,050 --> 02:15:04,290

and on a number of occasions giving

3231

02:15:08,210 --> 02:15:06,060

contradictory versions of the details of

3232

02:15:10,580 --> 02:15:08,220

this suit and so on which it best

3233

02:15:12,860 --> 02:15:10,590

suggests that he's an unreliable witness

3234

02:15:15,530 --> 02:15:12,870

could this version of events be a hoax

3235

02:15:17,390 --> 02:15:15,540

in and of itself personally he's on the

3236

02:15:19,220 --> 02:15:17,400

fence in terms of the veracity of the

3237

02:15:21,080 --> 02:15:19,230

film Patterson story has problems

3238

02:15:23,270 --> 02:15:21,090

particularly in regards to the timeline

3239

02:15:24,860 --> 02:15:23,280

of developing the film exactly but then

3240

02:15:26,990 --> 02:15:24,870

the long hieronymus version has its

3241

02:15:30,020 --> 02:15:27,000

problems too so I guess he wants you to

3242

02:15:31,550 --> 02:15:30,030

address that much sure obviously this is

3243

02:15:34,850 --> 02:15:31,560

a subject I could talk for an hour and a

3244

02:15:37,040 --> 02:15:34,860

half on but essentially you know the the

3245

02:15:38,690 --> 02:15:37,050

hieronymus story I mean just to be very

3246

02:15:40,340 --> 02:15:38,700

clear there are several people who have

3247

02:15:42,500 --> 02:15:40,350

claimed to have been in the Bigfoot suit

3248

02:15:44,420 --> 02:15:42,510

not just for animus Ron's has only ones

3249

02:15:46,550 --> 02:15:44,430

latest ones and people need to

3250

02:15:48,800 --> 02:15:46,560

understand that it's it's not it's a

3251

02:15:51,860 --> 02:15:48,810

false dichotomy to say that either Bob

3252

02:15:54,020 --> 02:15:51,870

hieronymus is lying or the Bigfoot the

3253

02:15:55,790 --> 02:15:54,030

Patterson Gimlin film was real that's

3254

02:15:58,760 --> 02:15:55,800

not correct I mean it could be that he's

3255

02:16:02,300 --> 02:15:58,770

lying and and as well the the film is

3256

02:16:04,850 --> 02:16:02,310

fake so and as as the question included

3257

02:16:08,180 --> 02:16:04,860

there are some very very serious issues

3258

02:16:09,350 --> 02:16:08,190

with the timeline and how exactly the

3259

02:16:11,060 --> 02:16:09,360

the patten system could have been

3260

02:16:13,340 --> 02:16:11,070

developed in such a short period of time

3261

02:16:16,220 --> 02:16:13,350

if you go back and you later look at it

3262

02:16:18,200 --> 02:16:16,230

that so far even the people who believe

3263

02:16:20,150 --> 02:16:18,210

very staunchly in the in the Patterson

3264

02:16:22,370 --> 02:16:20,160

Gimlin film they can't explain it they

3265

02:16:24,410 --> 02:16:22,380

don't have an answer for for how some of

3266

02:16:26,090 --> 02:16:24,420

these things were even possible again

3267

02:16:29,210 --> 02:16:26,100

there's a lot to it there's been claims

3268

02:16:30,680 --> 02:16:29,220

for example that the the locomotion that

3269

02:16:32,690 --> 02:16:30,690

you see in the film could not be

3270

02:16:35,030 --> 02:16:32,700

duplicated and that's been proven false

3271

02:16:38,690 --> 02:16:35,040

by a friend of mine Dave Daley who wrote

3272

02:16:41,120 --> 02:16:38,700

a book on the subject and he did his own

3273

02:16:44,270 --> 02:16:41,130

test in fact you can do the exact

3274

02:16:46,280 --> 02:16:44,280

locomotion of the things so I think to

3275

02:16:48,050 --> 02:16:46,290

my mind again there's lots and lots to

3276

02:16:50,660 --> 02:16:48,060

it to my mind one of the biggest

3277

02:16:53,180 --> 02:16:50,670

arguments against it is that the you

3278

02:16:55,370 --> 02:16:53,190

know the Patterson film remains the best

3279

02:16:58,340 --> 02:16:55,380

evidence for Bigfoot and again remember

3280

02:17:00,910 --> 02:16:58,350

this is 1967 this is when Lyndon Johnson

3281

02:17:03,270 --> 02:17:00,920

was in the White House you know said

3282

02:17:04,620 --> 02:17:03,280

since that time you know

3283

02:17:06,870 --> 02:17:04,630

hammers have been cheaper more

3284

02:17:08,940 --> 02:17:06,880

affordable better quality I find it

3285

02:17:12,690 --> 02:17:08,950

inexplicable that if there really are

3286

02:17:15,240 --> 02:17:12,700

Bigfoots in a better quality film or

3287

02:17:18,270 --> 02:17:15,250

video made in the last you know almost

3288

02:17:19,710 --> 02:17:18,280

50 years I I just find that unbelievable

3289

02:17:20,570 --> 02:17:19,720

so the polish footage is pretty

3290

02:17:23,100 --> 02:17:20,580

interesting

3291

02:17:25,950 --> 02:17:23,110

I maybe you're more impressed with it

3292

02:17:28,200 --> 02:17:25,960

than I am but even the question remains

3293

02:17:29,940 --> 02:17:28,210

why isn't there better evidence yeah

3294

02:17:33,000 --> 02:17:29,950

just like UFO photos are always blurry

3295

02:17:35,610 --> 02:17:33,010

and out of focus you know well we have

3296

02:17:38,490 --> 02:17:35,620

another interesting question from our

3297

02:17:41,310 --> 02:17:38,500

previous questioner if Bigfoot doesn't

3298

02:17:42,870 --> 02:17:41,320

exist what are people experiencing while

3299

02:17:45,360 --> 02:17:42,880

I'd agree that the image of a hairy

3300

02:17:47,280 --> 02:17:45,370

forest giant has archetypal and occurs

3301

02:17:48,870 --> 02:17:47,290

in many different cultures how could

3302

02:17:50,910 --> 02:17:48,880

this lead to people seeing something

3303

02:17:52,770 --> 02:17:50,920

they believed to be Bigfoot what do you

3304

02:17:55,980 --> 02:17:52,780

think of other mystery primates such as

3305

02:17:59,340 --> 02:17:55,990

the orange and AK for instance well as

3306

02:18:01,350 --> 02:17:59,350

with vampires stories of sort of wild

3307

02:18:03,810 --> 02:18:01,360

man of the woods and furo people of Ural

3308

02:18:05,490 --> 02:18:03,820

men are universal there's nothing new

3309

02:18:07,710 --> 02:18:05,500

about that to report it all over the

3310

02:18:09,600 --> 02:18:07,720

place and you can you can find cases of

3311

02:18:11,940 --> 02:18:09,610

that in in Native American lore and

3312

02:18:14,400 --> 02:18:11,950

First Nations lore and elsewhere that's

3313

02:18:16,560 --> 02:18:14,410

not particularly surprising and in terms

3314

02:18:18,210 --> 02:18:16,570

of what are people seeing people are

3315

02:18:20,040 --> 02:18:18,220

it's the same thing with with ghosts and

3316

02:18:21,690 --> 02:18:20,050

Chupacabra sightings it's a mistake to

3317

02:18:24,420 --> 02:18:21,700

look for one singular blanket

3318

02:18:26,310 --> 02:18:24,430

explanation because there isn't one some

3319

02:18:28,680 --> 02:18:26,320

people are seeing brown bears some

3320

02:18:29,940 --> 02:18:28,690

people are seeing you know pranksters

3321

02:18:31,560 --> 02:18:29,950

some people are seeing hoaxes or some

3322

02:18:34,530 --> 02:18:31,570

people are seeing things in their

3323

02:18:35,850 --> 02:18:34,540

imagination a lot of times as was the

3324

02:18:38,930 --> 02:18:35,860

case with chupacabra that I talked about

3325

02:18:40,890 --> 02:18:38,940

is that people will report Bigfoot

3326

02:18:42,360 --> 02:18:40,900

experiences but they don't necessarily

3327

02:18:43,650 --> 02:18:42,370

have any connection to Bigfoot for

3328

02:18:46,230 --> 02:18:43,660

example there are many cases where

3329

02:18:48,960 --> 02:18:46,240

people will be out camping in the woods

3330

02:18:50,850 --> 02:18:48,970

and they'll hear girl growls or you know

3331

02:18:52,560 --> 02:18:50,860

they'll have rocks being thrown or

3332

02:18:54,600 --> 02:18:52,570

something and they'll assume it's

3333

02:18:57,960 --> 02:18:54,610

Bigfoot without actually having seen a

3334

02:19:00,030 --> 02:18:57,970

Bigfoot so it's important to not lump

3335

02:19:01,590 --> 02:19:00,040

together you know any sort of weird

3336

02:19:04,350 --> 02:19:01,600

sounds someone hears in the woods with

3337

02:19:06,360 --> 02:19:04,360

an up-close Bigfoot sighting well I have

3338

02:19:09,240 --> 02:19:06,370

a personal experience that's very much

3339

02:19:12,120 --> 02:19:09,250

like you've just described the base of

3340

02:19:14,430 --> 02:19:12,130

Mount Shasta or I feel I heard something

3341

02:19:16,410 --> 02:19:14,440

that was impossibly loud that did not

3342

02:19:18,209 --> 02:19:16,420

conform to any animal

3343

02:19:20,640 --> 02:19:18,219

that I've ever heard of or heard

3344

02:19:22,620 --> 02:19:20,650

examples of their calls it literally

3345

02:19:25,020 --> 02:19:22,630

made my eardrums rattle it was so loud

3346

02:19:28,860 --> 02:19:25,030

it bounced off foothills over a mile

3347

02:19:30,509 --> 02:19:28,870

away and I assume whatever was crashing

3348

02:19:32,100 --> 02:19:30,519

through that impenetrable hedge of

3349

02:19:35,190 --> 02:19:32,110

mountain huckleberry whatever this was

3350

02:19:37,049 --> 02:19:35,200

super tough the hedge was made out of it

3351
02:19:39,780 --> 02:19:37,059
was coming at me and there was no way

3352
02:19:41,160 --> 02:19:39,790
that anything unless it was huge could

3353
02:19:43,250 --> 02:19:41,170
could have made its way through that

3354
02:19:46,160 --> 02:19:43,260
hedge now this could have been totally

3355
02:19:48,480 --> 02:19:46,170
you know just a whole combination of

3356
02:19:50,280 --> 02:19:48,490
mundane events that happened to call s

3357
02:19:52,980 --> 02:19:50,290
together into something it sure seemed

3358
02:19:55,710 --> 02:19:52,990
like a big but ticked off at my buddy

3359
02:19:57,179 --> 02:19:55,720
and I and off the mountain but you would

3360
02:19:58,800 --> 02:19:57,189
agree that just because you can't

3361
02:20:01,350 --> 02:19:58,810
identify the sound doesn't mean it's

3362
02:20:04,290 --> 02:20:01,360
it's it's undeniable right that's

3363
02:20:06,330 --> 02:20:04,300

correct I did not see it I smelled it it

3364

02:20:16,050 --> 02:20:06,340

was one of the most foul-smelling smells

3365

02:20:19,230 --> 02:20:16,060

I've ever smelled did you bust one no I

3366

02:20:20,700 --> 02:20:19,240

didn't and there was this weird fecal

3367

02:20:23,460 --> 02:20:20,710

material that seemed to be smeared on

3368

02:20:26,520 --> 02:20:23,470

some strip branches or these huge

3369

02:20:28,980 --> 02:20:26,530

mountain flies were flying around it so

3370

02:20:30,750 --> 02:20:28,990

there were other things involved in

3371

02:20:33,810 --> 02:20:30,760

deciding which I I don't want to digress

3372

02:20:36,390 --> 02:20:33,820

too far here but but yes I it's a point

3373

02:20:37,980 --> 02:20:36,400

well taken that just because it looks

3374

02:20:39,719 --> 02:20:37,990

like it sucking quacks like a duck

3375

02:20:43,620 --> 02:20:39,729

doesn't mean that it's necessarily a

3376

02:20:45,300 --> 02:20:43,630

duck you know that Chris would be there

3377

02:20:50,760 --> 02:20:45,310

and they wanted to just freak you out

3378

02:20:53,160 --> 02:20:50,770

that's all yeah that great barker gray

3379

02:20:56,340 --> 02:20:53,170

Parker wasn't alive in was he no no

3380

02:20:58,080 --> 02:20:56,350

or it wasn't Moseley either I don't know

3381

02:21:02,219 --> 02:20:58,090

of Mosley of all the things he's done

3382

02:21:04,170 --> 02:21:02,229

ever tried to become a Bigfoot I mean

3383

02:21:10,400 --> 02:21:04,180

he's done his share of stuff been you

3384

02:21:14,550 --> 02:21:10,410

know who Jim Mosely is right around know

3385

02:21:16,590 --> 02:21:14,560

you know because Freeman is responsible

3386

02:21:19,710 --> 02:21:16,600

for some some pretty dubious Bigfoot

3387

02:21:21,210 --> 02:21:19,720

stuff so yeah well we was a firm up this

3388

02:21:22,770 --> 02:21:21,220

logging road we had to dig our way

3389

02:21:24,090 --> 02:21:22,780

through snowdrifts to get up there we

3390

02:21:25,830 --> 02:21:24,100

were the first ones there that year it

3391

02:21:27,810 --> 02:21:25,840

was early spring so it was pretty

3392

02:21:28,850 --> 02:21:27,820

interesting experience one that

3393

02:21:30,921 --> 02:21:28,860

definitely stand

3394

02:21:32,690 --> 02:21:30,931

out of my mind no question and doesn't

3395

02:21:34,341 --> 02:21:32,700

sound as if Jim Mosley would want to go

3396

02:21:36,711 --> 02:21:34,351

there because Jim lives in Florida these

3397

02:21:38,870 --> 02:21:36,721

days he wants the warm weather you know

3398

02:21:41,180 --> 02:21:38,880

it's just not the kind of thing he does

3399

02:21:43,700 --> 02:21:41,190

we'll get to more of the questions from

3400

02:21:45,381 --> 02:21:43,710

our audience on the para cast I

3401
02:21:47,421 --> 02:21:45,391
understand by the way they're hearing us

3402
02:21:50,270 --> 02:21:47,431
now in not only in Texas and other

3403
02:21:52,820 --> 02:21:50,280
cities but recently an outlet in Atlanta

3404
02:21:54,081 --> 02:21:52,830
added the power cast to their stables so

3405
02:21:56,360 --> 02:21:54,091
we're growing and if you know of a

3406
02:21:58,700 --> 02:21:56,370
station they do not have to be a member

3407
02:22:01,041 --> 02:21:58,710
of the gcn Network to carry the power

3408
02:22:02,900 --> 02:22:01,051
cast if you know of a station in your

3409
02:22:05,211 --> 02:22:02,910
area a talk station that might carry our

3410
02:22:07,940 --> 02:22:05,221
show contact us news at the power cast

3411
02:22:09,680 --> 02:22:07,950
comm news at the power cast comm just

3412
02:22:12,650 --> 02:22:09,690
let us know write us news at the power

3413
02:22:14,390 --> 02:22:12,660

cast comm so the story of course here is

3414

02:22:16,370 --> 02:22:14,400

that if you know the station write us

3415

02:22:18,680 --> 02:22:16,380

news at the power cast I come the use of

3416

02:22:20,541 --> 02:22:18,690

the power cast out calm if you know the

3417

02:22:23,240 --> 02:22:20,551

name of the executives give us the name

3418

02:22:25,581 --> 02:22:23,250

so we can have our affiliate manager TCM

3419

02:22:27,410 --> 02:22:25,591

check them out the guest is Benjamin

3420

02:22:29,511 --> 02:22:27,420

Radford the book is tracking the

3421

02:22:31,640 --> 02:22:29,521

Chupacabra Chris O'Brien's the co-host

3422

02:22:35,200 --> 02:22:31,650

I'm gene Steinberg you're in the Perot

3423

02:22:41,180 --> 02:22:38,860

[Music]

3424

02:22:43,490 --> 02:22:41,190

graphic converter is the image

3425

02:22:46,430 --> 02:22:43,500

manipulation tool for the rest of us it

3426
02:22:48,591 --> 02:22:46,440
does not use any database you get full

3427
02:22:51,020 --> 02:22:48,601
control of all your files want to view

3428
02:22:53,511 --> 02:22:51,030
the images of a folder drag it into

3429
02:22:56,270 --> 02:22:53,521
graphic converter and a powerful browser

3430
02:22:58,370 --> 02:22:56,280
opens up to show your image files you

3431
02:23:00,650 --> 02:22:58,380
could use it for slideshows you could

3432
02:23:02,960 --> 02:23:00,660
use it to import images from digital

3433
02:23:05,120 --> 02:23:02,970
cameras or from scanners need to do some

3434
02:23:07,490 --> 02:23:05,130
image editing you can do that too in

3435
02:23:09,770 --> 02:23:07,500
graphic converter also print catalogs

3436
02:23:11,990 --> 02:23:09,780
convert from so many formats

3437
02:23:14,450 --> 02:23:12,000
I can't even list them download now to

3438
02:23:17,091 --> 02:23:14,460

see if graphic converter is good for you

3439

02:23:19,220 --> 02:23:17,101

like one and a half million of their

3440

02:23:21,710 --> 02:23:19,230

users guess what you could save money

3441

02:23:24,320 --> 02:23:21,720

when you buy graphic converter use the

3442

02:23:26,660 --> 02:23:24,330

coupon code night-owl use the coupon

3443

02:23:29,900 --> 02:23:26,670

code Nite Owl to get a special price for

3444

02:23:36,011 --> 02:23:29,910

graphic converter go to Lemke soft comm

visit lysenkov spelled le c IG comm

3470

02:24:40,790 --> 02:24:38,130

the cig cigarettes for today's modern

3471

02:24:42,560 --> 02:24:40,800

smoker we all know that berkey water

3472

02:24:44,690 --> 02:24:42,570

purification systems are the most

3473

02:24:46,430 --> 02:24:44,700

trusted name in water filtration as an

3474

02:24:47,930 --> 02:24:46,440

authorized Berkey dealer for over five

3475

02:24:49,160 --> 02:24:47,940

years ain't serving thousands of

3476

02:24:51,290 --> 02:24:49,170

satisfied customers

3477

02:24:53,420 --> 02:24:51,300

the Berkey guy offers amazing specials

3478

02:24:55,100 --> 02:24:53,430

for berkey water filtration systems the

3479

02:24:57,020 --> 02:24:55,110

Berkey light systems include a set of

3480

02:24:58,940 --> 02:24:57,030

self-sterilizing INRI cleanable black

3481

02:25:01,280 --> 02:24:58,950

purification elements that purify water

3482

02:25:03,470 --> 02:25:01,290

by removing chlorine pathogenic bacteria

3483

02:25:05,630 --> 02:25:03,480

cysts and parasites two non detectable

3484

02:25:07,970 --> 02:25:05,640

levels and remove harmful chemicals such

3485

02:25:09,890 --> 02:25:07,980

as herbicides and pesticides order the

3486

02:25:11,870 --> 02:25:09,900

Berkey light system today complete with

3487

02:25:13,820 --> 02:25:11,880

two black Berkey elements for only two

3488

02:25:15,500 --> 02:25:13,830

hundred and twenty dollars and the burka

3489

02:25:17,480 --> 02:25:15,510

guide will include three sport murky

3490

02:25:20,030 --> 02:25:17,490

water bottles and ship everything to you

3491

02:25:21,860 --> 02:25:20,040

free of charge that's right three sport

3492

02:25:24,170 --> 02:25:21,870

berkey water bottles and free shipping

3493

02:25:26,360 --> 02:25:24,180

an eighty seven dollar value yours free

3494

02:25:28,820 --> 02:25:26,370

call the burqa guy at one eight seven

3495

02:25:31,190 --> 02:25:28,830

seven eight eight six three six five

3496

02:25:33,980 --> 02:25:31,200

three that's one eight seven seven eight

3497

02:25:37,100 --> 02:25:33,990

eight six three six five three or order

3498

02:25:40,670 --> 02:25:37,110

online at Gober Keep Calm let's go burqa

3499

02:25:42,320 --> 02:25:40,680

calm today do you suffer from adrenal

3500

02:25:43,940 --> 02:25:42,330

fatigue did you know that mercury from

3501

02:25:45,500 --> 02:25:43,950

your dental fillings can deposit into

3502

02:25:47,000 --> 02:25:45,510

your kidneys and adrenals and cause them

3503

02:25:49,011 --> 02:25:47,010

to lose up to sixty percent of their

3504

02:25:50,930 --> 02:25:49,021

functional capacity by that first-hand

3505

02:25:51,530 --> 02:25:50,940

experience with the damage mercury can

3506

02:25:53,301 --> 02:25:51,540

do to the body

3507

02:25:55,250 --> 02:25:53,311

I've made it a life's work to figure out

3508

02:25:57,020 --> 02:25:55,260

what went wrong after I got two large

3509

02:25:58,940 --> 02:25:57,030

mercury fillings put into my teeth I

3510

02:26:00,950 --> 02:25:58,950

also know the most effective means by

3511

02:26:02,750 --> 02:26:00,960

which the body can remove mercury it has

3512

02:26:04,761 --> 02:26:02,760

to do in large part with how well your

3513

02:26:06,680 --> 02:26:04,771

liver functions and how much food is ion

3514

02:26:08,480 --> 02:26:06,690

your cells produce the number one super

3515

02:26:10,250 --> 02:26:08,490

food that supports optimal levels of

3516

02:26:12,801 --> 02:26:10,260

glutathione is cold processed whey

3517

02:26:14,960 --> 02:26:12,811

protein from grass-fed cows OneWorld way

3518

02:26:17,330 --> 02:26:14,970

is unheated whey protein from grass-fed

3519

02:26:19,580 --> 02:26:17,340

cows it is the most bioactive on

3520

02:26:21,350 --> 02:26:19,590

denatured whey protein on the market

3521

02:26:23,360 --> 02:26:21,360

people are reporting health improvements

3522

02:26:25,580 --> 02:26:23,370

from this one product that I've not seen

3523

02:26:27,470 --> 02:26:25,590

in 20 years of clinical nutritional

3524

02:26:29,450 --> 02:26:27,480

practice call eight eight eight nine

3525

02:26:31,160 --> 02:26:29,460

eight eight three three two five that's

3526

02:26:34,700 --> 02:26:31,170

eight eight eight nine eight eight three

3527

02:26:39,770 --> 02:26:34,710

three to five or visit one world wacom

3528

02:26:42,410 --> 02:26:39,780

that's one world whe you lcom are you

3529

02:26:44,381 --> 02:26:42,420

tired of searching for great talk radio

3530

02:26:53,290 --> 02:26:44,391

helping you more important sir

3531

02:26:59,961 --> 02:26:56,450

this is Jacques Vallee are you listening

3532

02:27:07,100 --> 02:26:59,971

to the podcast the gold standard of

3533

02:27:09,230 --> 02:27:07,110

paranormal radio Ruffy bigfoot-like

3534

02:27:12,620 --> 02:27:09,240

after he tells about his possible

3535

02:27:13,970 --> 02:27:12,630

Bigfoot encounter you got the voice tell

3536

02:27:16,761 --> 02:27:13,980

me you didn't hear a voice there when

3537

02:27:20,421 --> 02:27:16,771

you had this encounter Chris it was a

3538

02:27:25,520 --> 02:27:20,431

cross between a bull elephant a lion

3539

02:27:27,290 --> 02:27:25,530

roar and a steam locomotive I it was

3540

02:27:29,841 --> 02:27:27,300

just the most thunderous sound I've ever

3541

02:27:31,761 --> 02:27:29,851

heard and it was a vocalization no

3542

02:27:33,980 --> 02:27:31,771

question about it tell you what Chris

3543

02:27:35,690 --> 02:27:33,990

tell you what I don't want to be there

3544

02:27:36,820 --> 02:27:35,700

I'm not gonna join you on these things

3545

02:27:39,171 --> 02:27:36,830

because I'd run the other direction

3546

02:27:41,150 --> 02:27:39,181

that's my problem Chris O'Brien's the

3547

02:27:43,610 --> 02:27:41,160

co-host I'm gene Steinberg the guest is

3548

02:27:45,830 --> 02:27:43,620

Benjamin Radford the book is tracking

3549

02:27:48,980 --> 02:27:45,840

the chupacabra this is our final segment

3550

02:27:51,110 --> 02:27:48,990

dan what do you think people are seen it

3551
02:27:54,650 --> 02:27:51,120
could it be in the case of the orangutan

3552
02:27:56,060 --> 02:27:54,660
dad could it be a true potential crypto

3553
02:27:58,011 --> 02:27:56,070
creature do you think I mystery primate

3554
02:28:05,270 --> 02:27:58,021
do you think there are mystery primates

3555
02:28:06,560 --> 02:28:05,280
out there as you get a gigantic I would

3556
02:28:09,770 --> 02:28:06,570
have to come down and say you know

3557
02:28:12,110 --> 02:28:09,780
where's the evidence as I always do you

3558
02:28:14,060 --> 02:28:12,120
know I I would love to be to be the

3559
02:28:16,400 --> 02:28:14,070
first person to see the Bigfoot or to

3560
02:28:21,350 --> 02:28:16,410
discover it and to cover you know the

3561
02:28:24,250 --> 02:28:21,360
news of its discovery I have a question

3562
02:28:27,051 --> 02:28:24,260
for you ever seen a dead bear carcass I

3563
02:28:30,711 --> 02:28:27,061

have in fact yeah okay how about a dead

3564

02:28:32,841 --> 02:28:30,721

mountain lion no there are lots of bears

3565

02:28:35,511 --> 02:28:32,851

and lots of mountain lions but very very

3566

02:28:38,240 --> 02:28:35,521

little in the case of mountain lions I I

3567

02:28:40,400 --> 02:28:38,250

do not know anyone who's ever seen a

3568

02:28:43,671 --> 02:28:40,410

mountain lion carcass and I know quite a

3569

02:28:45,680 --> 02:28:43,681

few outdoorsmen and I've asked that

3570

02:28:48,801 --> 02:28:45,690

would be one argument that would suggest

3571

02:28:50,900 --> 02:28:48,811

that possibly uh you know the physical

3572

02:28:52,610 --> 02:28:50,910

evidence left behind may be a lot more

3573

02:28:55,180 --> 02:28:52,620

rare than then you would you would

3574

02:28:57,410 --> 02:28:55,190

suspect so well that's one argument

3575

02:28:59,930 --> 02:28:57,420

except for the fact that I don't judge

3576

02:29:01,671 --> 02:28:59,940

it based upon whether I personally have

3577

02:29:03,650 --> 02:29:01,681

seen it I mean I have never seen a

3578

02:29:04,131 --> 02:29:03,660

giraffe fetus either but I don't doubt

3579

02:29:06,261 --> 02:29:04,141

that

3580

02:29:07,821 --> 02:29:06,271

exist just because I don't encounter

3581

02:29:09,770 --> 02:29:07,831

them in my everyday life most people

3582

02:29:11,270 --> 02:29:09,780

probably don't that doesn't to my mind

3583

02:29:12,951 --> 02:29:11,280

that doesn't really have any necessary

3584

02:29:14,751 --> 02:29:12,961

implication right yeah you personally

3585

02:29:18,861 --> 02:29:14,761

seen of course but that's one thing that

3586

02:29:22,461 --> 02:29:18,871

I would suggest when you do go out on

3587

02:29:26,241 --> 02:29:22,471

Bigfoot research projects that maybe you

3588

02:29:29,600 --> 02:29:26,251

ask outdoorsmen ask you know people who

3589

02:29:32,211 --> 02:29:29,610

are very very knowledgeable about the

3590

02:29:35,661 --> 02:29:32,221

outdoors and you'll be surprised at how

3591

02:29:39,321 --> 02:29:35,671

few if any have ever seen carcasses of

3592

02:29:42,560 --> 02:29:39,331

animals especially predators um they're

3593

02:29:45,801 --> 02:29:42,570

pretty rare and I'm not saying that this

3594

02:29:48,440 --> 02:29:45,811

is an argument supporting the existence

3595

02:29:50,241 --> 02:29:48,450

of these crypto creatures but it is

3596

02:29:52,371 --> 02:29:50,251

something that I think that we need to

3597

02:29:53,751 --> 02:29:52,381

always bear in mind that physical

3598

02:29:55,850 --> 02:29:53,761

evidence out in the woods tends to

3599

02:29:58,491 --> 02:29:55,860

disappear very quickly because there's a

3600

02:30:01,551 --> 02:29:58,501

lot of hungry animals out there spread

3601

02:30:02,751 --> 02:30:01,561

the bones around and whatnot so but what

3602

02:30:05,270 --> 02:30:02,761

do you think about the orangutan deck

3603

02:30:08,060 --> 02:30:05,280

for instance in the work that's being

3604

02:30:09,980 --> 02:30:08,070

done trying to establish once and for

3605

02:30:13,551 --> 02:30:09,990

all whether this particular mystery

3606

02:30:15,980 --> 02:30:13,561

primate exists I think probably all the

3607

02:30:18,140 --> 02:30:15,990

places in the world that might hold a

3608

02:30:20,301 --> 02:30:18,150

mystery primate primate probably the

3609

02:30:23,091 --> 02:30:20,311

around pen deck is among the more

3610

02:30:25,611 --> 02:30:23,101

plausible just partly because of its

3611

02:30:27,051 --> 02:30:25,621

remoteness partly because of the fossil

3612

02:30:29,781 --> 02:30:27,061

record out there I don't necessarily

3613

02:30:31,850 --> 02:30:29,791

believe or disbelieve I mean I'm open to

3614

02:30:34,430 --> 02:30:31,860

the evidence either way but I think for

3615

02:30:36,201 --> 02:30:34,440

example there's there's far or there's a

3616

02:30:37,761 --> 02:30:36,211

far far higher and better chance of

3617

02:30:38,690 --> 02:30:37,771

finding the round pen deck than a

3618

02:30:42,381 --> 02:30:38,700

Finding Bigfoot

3619

02:30:44,871 --> 02:30:42,391

just for for any number of reasons okay

3620

02:30:47,060 --> 02:30:44,881

well what's next on your your research

3621

02:30:49,461 --> 02:30:47,070

calendar what what projects are you

3622

02:30:52,281 --> 02:30:49,471

currently gearing up for or are you

3623

02:30:54,190 --> 02:30:52,291

involved in a new project yeah I got a

3624

02:30:56,751 --> 02:30:54,200

handful of things right now there's a

3625

02:30:59,241 --> 02:30:56,761

I'm involved in they actually a

3626
02:31:00,381 --> 02:30:59,251
plagiarism investigation when I was sort

3627
02:31:02,121 --> 02:31:00,391
of a spinoff of my chupacabra

3628
02:31:05,241 --> 02:31:02,131
investigation I was doing some research

3629
02:31:07,071 --> 02:31:05,251
and I found that that that most of this

3630
02:31:08,150 --> 02:31:07,081
particular book was plagiarized so I've

3631
02:31:09,890 --> 02:31:08,160
been I've been dealing with

3632
02:31:13,251 --> 02:31:09,900
HarperCollins to let them know about

3633
02:31:14,751 --> 02:31:13,261
that I'll be giving a talk let me stop

3634
02:31:17,540 --> 02:31:14,761
you right there can you tell us which

3635
02:31:19,130 --> 02:31:17,550
book I I cannot it's no it's not

3636
02:31:20,780 --> 02:31:19,140
I'm waiting for a response back from

3637
02:31:22,429 --> 02:31:20,790
HarperCollins but it's a it's a book

3638
02:31:25,730 --> 02:31:22,439

about vampires it's an encyclopedia

3639

02:31:27,740 --> 02:31:25,740

about vampires okay and they lifted

3640

02:31:28,969 --> 02:31:27,750

material from you I'm sure you know I

3641

02:31:32,510 --> 02:31:28,979

wish they had because they would have

3642

02:31:34,969 --> 02:31:32,520

gotten it right the they they lifted

3643

02:31:36,980 --> 02:31:34,979

material from they just basically did a

3644

02:31:40,340 --> 02:31:36,990

Google search and from what I can tell

3645

02:31:42,860 --> 02:31:40,350

well over half of her book is is taken

3646

02:31:46,639 --> 02:31:42,870

directly from from Google okay so they

3647

02:31:49,219 --> 02:31:46,649

didn't even write it no there was a

3648

02:31:51,889 --> 02:31:49,229

little bit of paraphrasing much of it

3649

02:31:53,540 --> 02:31:51,899

was verbatim and and frankly if this is

3650

02:31:55,849 --> 02:31:53,550

a surprising because you know it

3651
02:31:57,500 --> 02:31:55,859
certainly in my research you know

3652
02:31:59,750 --> 02:31:57,510
chupacabras and Bigfoot's and ghosts

3653
02:32:01,490 --> 02:31:59,760
there's a whole lot and you guys know

3654
02:32:03,770 --> 02:32:01,500
this as well there was a way to much

3655
02:32:05,179 --> 02:32:03,780
just literally copying from other people

3656
02:32:08,750 --> 02:32:05,189
and plagiarism instead of you know

3657
02:32:10,219 --> 02:32:08,760
original investigation but so there's

3658
02:32:11,599 --> 02:32:10,229
that I'm working on I'll be giving a

3659
02:32:14,360 --> 02:32:11,609
talk for the American folklore society

3660
02:32:16,670 --> 02:32:14,370
later this year on the folklore of the

3661
02:32:19,750 --> 02:32:16,680
chupacabra and there's a handful of

3662
02:32:22,070 --> 02:32:19,760
other things that just just miracles

3663
02:32:23,480 --> 02:32:22,080

I've been doing a little piece on some

3664

02:32:24,950 --> 02:32:23,490

crystal skulls which is something that

3665

02:32:27,500 --> 02:32:24,960

Kris knows something about as well oh

3666

02:32:29,300 --> 02:32:27,510

yeah okay so let me ask you about the

3667

02:32:30,800 --> 02:32:29,310

Crystal Skull thing before we let you go

3668

02:32:32,870 --> 02:32:30,810

what are you finding out about the

3669

02:32:35,270 --> 02:32:32,880

crystal skulls anything weird probably

3670

02:32:37,010 --> 02:32:35,280

not because we don't expect you to find

3671

02:32:40,070 --> 02:32:37,020

anything weird do we I would love to

3672

02:32:41,510 --> 02:32:40,080

find something weird let me show you

3673

02:32:44,889 --> 02:32:41,520

what I look like then you'll see weird

3674

02:32:51,860 --> 02:32:44,899

go ahead please oh my god is that you

3675

02:32:58,210 --> 02:32:51,870

did have to be in color oh man that's

3676

02:33:00,770 --> 02:32:58,220

why I do radio you know no I mean it's

3677

02:33:03,559 --> 02:33:00,780

there's all sorts of basically I mean

3678

02:33:04,790 --> 02:33:03,569

again probably Chris's is very with this

3679

02:33:07,429 --> 02:33:04,800

as well but I get back to the

3680

02:33:09,559 --> 02:33:07,439

mitchell-hedges skull and then there's

3681

02:33:10,940 --> 02:33:09,569

the San Luis Valley skull that that the

3682

02:33:13,700 --> 02:33:10,950

Chris wrote about in his book a

3683

02:33:17,840 --> 02:33:13,710

mysterious valley so it's long to myself

3684

02:33:18,800 --> 02:33:17,850

you better hasten to add yes there you

3685

02:33:21,650 --> 02:33:18,810

go there you go

3686

02:33:23,360 --> 02:33:21,660

so yeah you know part of the thing is

3687

02:33:24,950 --> 02:33:23,370

because of what I do there are so many

3688

02:33:26,840 --> 02:33:24,960

irons in the fire there's different

3689

02:33:28,080 --> 02:33:26,850

vestigation --zz I'm also working on a

3690

02:33:31,200 --> 02:33:28,090

master's program

3691

02:33:33,960 --> 02:33:31,210

I do a podcast called monster talk with

3692

02:33:36,780 --> 02:33:33,970

Blake Smith and Karen stoles now and all

3693

02:33:39,599 --> 02:33:36,790

my other stuff so it's the super cop is

3694

02:33:41,849 --> 02:33:39,609

only the latest of my my my stuff so

3695

02:33:43,860 --> 02:33:41,859

hopefully people will look at it with an

3696

02:33:45,690 --> 02:33:43,870

open mind and decide for themselves well

3697

02:33:47,700 --> 02:33:45,700

that's one thing that I want to applaud

3698

02:33:50,880 --> 02:33:47,710

you on is your open-minded healthy

3699

02:33:53,520 --> 02:33:50,890

skepticism I think some of the debunkers

3700

02:33:55,679 --> 02:33:53,530

in the world should be sitting up and

3701
02:33:58,349 --> 02:33:55,689
taking notice of your approach it's been

3702
02:34:02,280 --> 02:33:58,359
a pleasure having somebody who's

3703
02:34:03,870 --> 02:34:02,290
grounded and objective and him in not

3704
02:34:05,340 --> 02:34:03,880
totally throwing the baby out with the

3705
02:34:07,139 --> 02:34:05,350
bathwater but but looking at the

3706
02:34:09,780 --> 02:34:07,149
evidence I think dispassionately and in

3707
02:34:11,550 --> 02:34:09,790
really having fun while doing it it's

3708
02:34:13,260 --> 02:34:11,560
been a real pleasure speaking with you

3709
02:34:15,150 --> 02:34:13,270
and bam we we really would like to have

3710
02:34:16,650 --> 02:34:15,160
you back on the show I think you're

3711
02:34:18,840 --> 02:34:16,660
you're one of our better guests that

3712
02:34:21,540 --> 02:34:18,850
we've had and I really do applaud your

3713
02:34:23,760 --> 02:34:21,550

work and I agree with quite a bit of

3714

02:34:25,679 --> 02:34:23,770

what if not most of what you came up

3715

02:34:27,900 --> 02:34:25,689

with in this book I was very impressed

3716

02:34:29,219 --> 02:34:27,910

with it I must say and all you true

3717

02:34:32,700 --> 02:34:29,229

believers out there and now have

3718

02:34:37,830 --> 02:34:32,710

something to throw mud at well now you

3719

02:34:39,000 --> 02:34:37,840

can go hate all of us because I yeah I'm

3720

02:34:41,040 --> 02:34:39,010

right we're gonna get hit from both

3721

02:34:42,960 --> 02:34:41,050

sides here but I think you've done a lot

3722

02:34:45,389 --> 02:34:42,970

of good research and whether or not

3723

02:34:47,969 --> 02:34:45,399

ladies and gentlemen you agree if there

3724

02:34:51,179 --> 02:34:47,979

are paranormal events or not paranormal

3725

02:34:53,849 --> 02:34:51,189

events it's important to read all sites

3726

02:34:56,219 --> 02:34:53,859

the skeptic the believer look of the

3727

02:34:58,770 --> 02:34:56,229

evidence realize that not everything is

3728

02:35:00,540 --> 02:34:58,780

a UFO not everything is a strange

3729

02:35:02,370 --> 02:35:00,550

creature from outer space another

3730

02:35:04,560 --> 02:35:02,380

dimension or anywhere else maybe we have

3731

02:35:06,150 --> 02:35:04,570

those things okay because that's what

3732

02:35:08,010 --> 02:35:06,160

the purpose of the show is to find that

3733

02:35:10,760 --> 02:35:08,020

signal to see where it's happening but

3734

02:35:13,860 --> 02:35:10,770

all that noise around us all the crazy

3735

02:35:15,389 --> 02:35:13,870

controversies over for example why we

3736

02:35:16,860 --> 02:35:15,399

allow one message and not another

3737

02:35:19,320 --> 02:35:16,870

message in our form that's a big issue

3738

02:35:20,580 --> 02:35:19,330

by the way on line right now they they

3739

02:35:22,290 --> 02:35:20,590

care about our forms they're very

3740

02:35:24,330 --> 02:35:22,300

important our forms are the most

3741

02:35:27,349 --> 02:35:24,340

important forums on the planet you know

3742

02:35:29,700 --> 02:35:27,359

we have the Japanese earthquake we have

3743

02:35:31,800 --> 02:35:29,710

budgetary problems in America all over

3744

02:35:33,870 --> 02:35:31,810

the world we have recessions we have

3745

02:35:35,370 --> 02:35:33,880

people losing their homes all these

3746

02:35:37,349 --> 02:35:35,380

problems are trying to understand

3747

02:35:39,360 --> 02:35:37,359

strange things are happening out there

3748

02:35:41,230 --> 02:35:39,370

we can't explain what they are

3749

02:35:43,450 --> 02:35:41,240

some things are convention

3750

02:35:45,730 --> 02:35:43,460

some things we don't think so but the

3751

02:35:48,070 --> 02:35:45,740

most important thing is our message

3752

02:35:50,140 --> 02:35:48,080

boards outweigh everything the most

3753

02:35:51,640 --> 02:35:50,150

important things on the planet if that

3754

02:35:54,070 --> 02:35:51,650

sounds ridiculous to you it sounds

3755

02:35:55,900 --> 02:35:54,080

ridiculous to me to Benjamin Radford

3756

02:35:58,051 --> 02:35:55,910

you're not ridiculous tell us where we

3757

02:36:00,190 --> 02:35:58,061

can find more of the things that you do

3758

02:36:02,051 --> 02:36:00,200

well thank you for not calling me

3759

02:36:03,310 --> 02:36:02,061

ridiculous that's that's actually one of

3760

02:36:06,970 --> 02:36:03,320

the better compliments I've gotten this

3761

02:36:09,881 --> 02:36:06,980

week people can find information on me

3762

02:36:12,790 --> 02:36:09,891

at Radford books calm that's our ad F or

3763

02:36:14,551 --> 02:36:12,800

D books calm I've written I guess you're

3764

02:36:16,990 --> 02:36:14,561

tracking the chupacabras my fifth book

3765

02:36:18,910 --> 02:36:17,000

my previous book being scientific

3766

02:36:21,490 --> 02:36:18,920

terminal investigation and they can also

3767

02:36:23,890 --> 02:36:21,500

find stuff at chupacabra mystery calm

3768

02:36:25,511 --> 02:36:23,900

and again I'm in Scott remove our

3769

02:36:28,591 --> 02:36:25,521

magazine I do columns for Discovery News

3770

02:36:31,240 --> 02:36:28,601

and life science and I do the

3771

02:36:33,131 --> 02:36:31,250

approximately monthly podcast monster

3772

02:36:34,631 --> 02:36:33,141

talk so and I'm here there and

3773

02:36:36,790 --> 02:36:34,641

everywhere and I'm doing my best to

3774

02:36:38,890 --> 02:36:36,800

spread some skepticism and critical

3775

02:36:41,890 --> 02:36:38,900

thinking F Chris of course has our

3776

02:36:43,660 --> 02:36:41,900

strange planet calm which we host with

3777

02:36:46,750 --> 02:36:43,670

my own web server so that's why it's

3778

02:36:48,430 --> 02:36:46,760

much faster than it ever was like Chris

3779

02:36:50,350 --> 02:36:48,440

we had a great time with Ben Benjamin

3780

02:36:52,390 --> 02:36:50,360

Radford thank you for joining us this

3781

02:37:02,080 --> 02:36:52,400

week on the power cast thank you has

3782

02:37:07,040 --> 02:37:04,640

Paris is calculated presentation of

3783

02:37:10,040 --> 02:37:07,050

making the impossible incorporated tune

3784

02:37:11,080 --> 02:37:10,050

in next week for a new adventure in the

3785

02:37:18,349 --> 02:37:11,090

para cast
