

08/29/10

RAY STANFORD

1  
00:00:02,220 --> 00:00:25,720

[Music]

2  
00:00:36,350 --> 00:00:34,700

and now here's Jeanne Steinberg you are

3  
00:00:38,540 --> 00:00:36,360

of course listening to the power cast

4  
00:00:40,670 --> 00:00:38,550

I'm Jean Steinberg my co-host this week

5  
00:00:42,110 --> 00:00:40,680

is Christopher O'Brien you know one of

6  
00:00:43,760 --> 00:00:42,120

the things we don't talk about as much

7  
00:00:46,970 --> 00:00:43,770

as we should on the show is how the

8  
00:00:49,220 --> 00:00:46,980

media treats the subject of UFOs and

9  
00:00:51,080 --> 00:00:49,230

paranormal research now in case you're

10  
00:00:53,510 --> 00:00:51,090

just listening to the show we've talked

11  
00:00:55,490 --> 00:00:53,520

about it in the past not as much and I

12  
00:00:57,889 --> 00:00:55,500

have to say that during the time that I

13  
00:01:01,400 --> 00:00:57,899

was working for the traditional

14

00:01:04,690 --> 00:01:01,410

broadcast media back in the 1970s that

15

00:01:08,179 --> 00:01:04,700

makes me older than dirt I guess I

16

00:01:09,410 --> 00:01:08,189

covered UFO stories in the area in which

17

00:01:11,990 --> 00:01:09,420

I worked which was southeast

18

00:01:13,880 --> 00:01:12,000

Pennsylvania and my bosses never said

19

00:01:15,550 --> 00:01:13,890

anything bad about it it was okay

20

00:01:17,929 --> 00:01:15,560

because it was also in the mainstream

21

00:01:20,179 --> 00:01:17,939

printed press so they didn't care as

22

00:01:22,850 --> 00:01:20,189

long as I covered my normal news beat

23

00:01:25,249 --> 00:01:22,860

they didn't worry if I stuck in a UFO

24

00:01:26,840 --> 00:01:25,259

story so long as there was duplicate

25

00:01:29,149 --> 00:01:26,850

coverage from other members of the media

26

00:01:30,530 --> 00:01:29,159

I even had a UFO magazine at the time

27

00:01:33,770 --> 00:01:30,540

but I don't think they understood that

28

00:01:36,800 --> 00:01:33,780

concept so they let me do my thing and

29

00:01:39,050 --> 00:01:36,810

even nowadays I do a technology radio

30

00:01:41,179 --> 00:01:39,060

show the tech night out live I do the

31

00:01:42,469 --> 00:01:41,189

power cast and people don't really

32

00:01:44,810 --> 00:01:42,479

criticize me for it

33

00:01:47,120 --> 00:01:44,820

what about you you came out in this

34

00:01:48,710 --> 00:01:47,130

field with a background as a musician of

35

00:01:51,830 --> 00:01:48,720

course you were therefore an entertainer

36

00:01:53,960 --> 00:01:51,840

so how did the adaptation process go

37

00:01:56,510 --> 00:01:53,970

well you know gene I've been on I don't

38

00:01:58,190 --> 00:01:56,520

know how many television segments film

39

00:02:00,889 --> 00:01:58,200

documentaries hundreds and hundreds of

40

00:02:03,679 --> 00:02:00,899

radio programs like like many people in

41

00:02:07,249 --> 00:02:03,689

the field I'm a leery of the media but

42

00:02:10,339 --> 00:02:07,259

much to my surprise all through the 90s

43

00:02:13,050 --> 00:02:10,349

into you know the new millennium year I

44

00:02:15,540 --> 00:02:13,060

never had any problems with with

45

00:02:18,360 --> 00:02:15,550

the media in terms of of them pulling

46

00:02:21,870 --> 00:02:18,370

fast ones misstating you know what I was

47

00:02:25,620 --> 00:02:21,880

actually presenting until I did the show

48

00:02:28,260 --> 00:02:25,630

UFO Hunters back in 2007 and that was

49

00:02:31,290 --> 00:02:28,270

the first time that I really became

50

00:02:34,229 --> 00:02:31,300

upset because of the media's you know

51  
00:02:36,600 --> 00:02:34,239  
treatment of my own personal appearance

52  
00:02:39,420 --> 00:02:36,610  
and in my work I was asked to help out

53  
00:02:41,400 --> 00:02:39,430  
on a segment that addressed window areas

54  
00:02:42,839 --> 00:02:41,410  
or portal areas around the country and

55  
00:02:46,500 --> 00:02:42,849  
we were doing the show here in Sedona

56  
00:02:48,229 --> 00:02:46,510  
and I bent over backwards to help feel

57  
00:02:51,270 --> 00:02:48,239  
produce the show I got together the

58  
00:02:54,270 --> 00:02:51,280  
witnesses and and did a lot of unpaid

59  
00:02:55,890 --> 00:02:54,280  
work in a sense for them to help them

60  
00:02:58,559 --> 00:02:55,900  
make the best segment possible and

61  
00:03:00,500 --> 00:02:58,569  
during the interview that they conduct

62  
00:03:04,110 --> 00:03:00,510  
with me which was over two hours I

63  
00:03:07,259 --> 00:03:04,120

explained him laborious ly that my

64

00:03:09,360 --> 00:03:07,269

research into the San Luis Valley was

65

00:03:11,699 --> 00:03:09,370

what I was basing all the information I

66

00:03:13,770 --> 00:03:11,709

was relating to them I said this is all

67

00:03:16,050 --> 00:03:13,780

about the San Luis Valley and so what

68

00:03:18,479 --> 00:03:16,060

they did on the in the editing Bay much

69

00:03:20,069 --> 00:03:18,489

to my horror was they they cut my

70

00:03:22,319 --> 00:03:20,079

interview to make it sound like

71

00:03:25,080 --> 00:03:22,329

everything I was saying was about Sedona

72

00:03:26,789 --> 00:03:25,090

and you know one of the main hosts on

73

00:03:28,470 --> 00:03:26,799

the show even blurted out one of my

74

00:03:30,690 --> 00:03:28,480

standard lines I've been using for years

75

00:03:33,539 --> 00:03:30,700

the San Luis Valley has the highest

76

00:03:35,190 --> 00:03:33,549

incidence of UFO sightings in North

77

00:03:38,490 --> 00:03:35,200

America he just substituted the word

78

00:03:42,330 --> 00:03:38,500

Sedona for that I really was upset about

79

00:03:45,300 --> 00:03:42,340

that because I felt that this was these

80

00:03:47,699 --> 00:03:45,310

guys were being dishonest basically they

81

00:03:50,280 --> 00:03:47,709

do that where does it matter if the

82

00:03:52,349 --> 00:03:50,290

sightings occur in San Luis Valley or in

83

00:03:55,140 --> 00:03:52,359

Sedona other than being hundreds of more

84

00:03:57,870 --> 00:03:55,150

hosts distant from each other right well

85

00:04:00,420 --> 00:03:57,880

I think that there is this thing going

86

00:04:03,539 --> 00:04:00,430

on to try to get Sedona to be the real

87

00:04:05,190 --> 00:04:03,549

focus in hotspot area I think for the

88

00:04:07,800 --> 00:04:05,200

paranormal and for the new-age for that

89

00:04:09,840 --> 00:04:07,810

matter and metaphysical subjects and I

90

00:04:11,819 --> 00:04:09,850

think the San Luis Valley either isn't

91

00:04:14,220 --> 00:04:11,829

sexy enough or there's stuff going on

92

00:04:16,830 --> 00:04:14,230

there that the powers that be don't want

93

00:04:19,949 --> 00:04:16,840

people to know about I think one of the

94

00:04:21,570 --> 00:04:19,959

reasons why the San Luis Valley is kind

95

00:04:24,000 --> 00:04:21,580

of getting dissed in this particular

96

00:04:25,860 --> 00:04:24,010

instance is I have a sneaking suspicion

97

00:04:28,620 --> 00:04:25,870

that there is something

98

00:04:31,080 --> 00:04:28,630

going on there that has to do with black

99

00:04:34,710 --> 00:04:31,090

budget money potential secret government

100

00:04:36,480 --> 00:04:34,720

projects and I think it's there's a

101

00:04:38,580 --> 00:04:36,490

possibility I'm not saying this is this

102

00:04:40,830 --> 00:04:38,590

is for certain I just have a hunch here

103

00:04:43,110 --> 00:04:40,840

that there's there's a bit of an effort

104

00:04:45,300 --> 00:04:43,120

to keep the lid on the San Luis Valley

105

00:04:49,890 --> 00:04:45,310

to some extent to keep attention focused

106

00:04:52,020 --> 00:04:49,900

elsewhere that raises the bigger

107

00:04:53,909 --> 00:04:52,030

question okay so you feel that the

108

00:04:56,100 --> 00:04:53,919

people that UFO hunters may have been

109

00:04:57,930 --> 00:04:56,110

unfairly influenced by some of the

110

00:05:01,740 --> 00:04:57,940

powers-that-be to change

111

00:05:03,689 --> 00:05:01,750

San Luis Valley to Sedona well did they

112

00:05:05,490 --> 00:05:03,699

were shooting in Sedona so I know they

113

00:05:07,350 --> 00:05:05,500

they were really invested in the

114

00:05:09,029 --> 00:05:07,360

location because it is sexy there's

115

00:05:11,550 --> 00:05:09,039

great shots here obviously with the Red

116

00:05:12,960 --> 00:05:11,560

Rocks I don't I really can't say for

117

00:05:15,800 --> 00:05:12,970

certain obviously whether they were

118

00:05:18,810 --> 00:05:15,810

leaned on to do what they did however

119

00:05:20,570 --> 00:05:18,820

this isn't the only indication I've had

120

00:05:22,860 --> 00:05:20,580

over the years that there seems to be a

121

00:05:25,770 --> 00:05:22,870

kind of a lid that's being put on the

122

00:05:29,189 --> 00:05:25,780

San Luis Valley for instance the knids

123

00:05:30,930 --> 00:05:29,199

black triangle map the Larry hatch black

124

00:05:32,460 --> 00:05:30,940

triangle map and the MUFON black

125

00:05:34,770 --> 00:05:32,470

triangle map had been combined together

126  
00:05:36,210 --> 00:05:34,780  
into one big map that shows all the

127  
00:05:39,659 --> 00:05:36,220  
black triangle sightings around North

128  
00:05:42,390 --> 00:05:39,669  
America I personally gave two out of

129  
00:05:44,129 --> 00:05:42,400  
those three twelve really good reports

130  
00:05:45,510 --> 00:05:44,139  
including a half a dozen reports of

131  
00:05:47,550 --> 00:05:45,520  
black triangles reported by law

132  
00:05:48,900 --> 00:05:47,560  
enforcement and wouldn't you know it

133  
00:05:50,640 --> 00:05:48,910  
you'll look on the map there and there's

134  
00:05:55,820 --> 00:05:50,650  
not one single black triangle sighting

135  
00:05:58,080 --> 00:05:55,830  
between Denver and like Albuquerque so

136  
00:06:00,450 --> 00:05:58,090  
maybe that's an oversight on their part

137  
00:06:02,909 --> 00:06:00,460  
shoddy research definitely and you know

138  
00:06:05,820 --> 00:06:02,919

my database is there just recently we

139

00:06:07,560 --> 00:06:05,830

had this fake or fake show come to the

140

00:06:09,839 --> 00:06:07,570

San Luis Valley and the investigate

141

00:06:12,529 --> 00:06:09,849

Academy relation case and they they

142

00:06:17,159 --> 00:06:12,539

totally debunk the whole thing you know

143

00:06:19,740 --> 00:06:17,169

ridiculously just a ridiculous manner so

144

00:06:22,200 --> 00:06:19,750

you know I'm not saying that that that

145

00:06:24,420 --> 00:06:22,210

my hunch is correct I'm just saying that

146

00:06:26,189 --> 00:06:24,430

I have this hunch so I've been lucky

147

00:06:28,890 --> 00:06:26,199

over the years though the media I think

148

00:06:31,529 --> 00:06:28,900

has treated my work with respect I've

149

00:06:34,200 --> 00:06:31,539

never had up until the UFO hunter

150

00:06:35,909 --> 00:06:34,210

segment I've never had reason to to be

151  
00:06:37,430 --> 00:06:35,919  
upset with the media for my own personal

152  
00:06:39,020 --> 00:06:37,440  
treatment although

153  
00:06:41,840 --> 00:06:39,030  
boy I have got complaints about how they

154  
00:06:42,590 --> 00:06:41,850  
handle the paranormal realm in general

155  
00:06:46,010 --> 00:06:42,600  
that's for sure

156  
00:06:47,930 --> 00:06:46,020  
well certainly that show was no longer

157  
00:06:50,060 --> 00:06:47,940  
around the air UFO Hunters so we don't

158  
00:06:52,190 --> 00:06:50,070  
know what the motivations were I got the

159  
00:06:54,260 --> 00:06:52,200  
impression in communicating privately

160  
00:06:56,240 --> 00:06:54,270  
with bill burns one of the hosts that he

161  
00:06:58,940 --> 00:06:56,250  
claims he wasn't responsible for what

162  
00:07:00,590 --> 00:06:58,950  
happened I'm not going to attach blame

163  
00:07:02,780 --> 00:07:00,600

one way or the other it's one of those

164

00:07:05,480 --> 00:07:02,790

unfortunate things where some really

165

00:07:07,670 --> 00:07:05,490

interesting data got screwed up and a

166

00:07:09,790 --> 00:07:07,680

chip in and part of the problem also is

167

00:07:12,020 --> 00:07:09,800

the media when it makes a mistake

168

00:07:15,050 --> 00:07:12,030

deliberate or otherwise they don't

169

00:07:17,840 --> 00:07:15,060

apologize that's very unfortunate no

170

00:07:19,400 --> 00:07:17,850

they don't all right we have a guest

171

00:07:23,030 --> 00:07:19,410

making a return appearance this week

172

00:07:25,370 --> 00:07:23,040

yeah now I know from the previous

173

00:07:27,560 --> 00:07:25,380

appearance in the para cast he was a

174

00:07:30,380 --> 00:07:27,570

rather crusty character in fact and

175

00:07:32,030 --> 00:07:30,390

listeners might remember at one point he

176

00:07:33,800 --> 00:07:32,040

almost threatened to terminate the

177

00:07:37,430 --> 00:07:33,810

conversation no he did threatened to

178

00:07:39,940 --> 00:07:37,440

terminate the conversation and well you

179

00:07:41,960 --> 00:07:39,950

know ray I've known ray for many years I

180

00:07:45,260 --> 00:07:41,970

consider him one of the most important

181

00:07:48,170 --> 00:07:45,270

people in the field of ufology this is

182

00:07:50,000 --> 00:07:48,180

based on my own personal opinion but I

183

00:07:52,130 --> 00:07:50,010

met a lot of the the movers and shakers

184

00:07:54,590 --> 00:07:52,140

in this field and in terms of visual

185

00:07:56,000 --> 00:07:54,600

acuity and knowledge and a 50 plus year

186

00:07:58,210 --> 00:07:56,010

history in the field I don't think

187

00:08:00,890 --> 00:07:58,220

anybody can touch raised an furred and

188

00:08:03,740 --> 00:08:00,900

there's elements about Ray's past that

189

00:08:05,270 --> 00:08:03,750

have come up on the pair cast forms and

190

00:08:09,200 --> 00:08:05,280

we're gonna ask ray about some of these

191

00:08:10,820 --> 00:08:09,210

things he is considered to be a psychic

192

00:08:13,130 --> 00:08:10,830

by many people who have known him over

193

00:08:15,580 --> 00:08:13,140

the years and he has done actual

194

00:08:19,010 --> 00:08:15,590

channelings and stuff many years ago and

195

00:08:21,440 --> 00:08:19,020

he is for instance he's being called a

196

00:08:24,110 --> 00:08:21,450

psychic paleontologist he's found more

197

00:08:25,460 --> 00:08:24,120

dinosaur tracks than any other person

198

00:08:27,860 --> 00:08:25,470

has probably the largest collection of

199

00:08:30,260 --> 00:08:27,870

dinosaur tracks in the world and he also

200

00:08:32,060 --> 00:08:30,270

discovered a cast of the only fully

201  
00:08:33,709 --> 00:08:32,070  
articulated dinosaur skeleton ever

202  
00:08:36,440 --> 00:08:33,719  
discovered on the East Coast now all

203  
00:08:38,779 --> 00:08:36,450  
this all these discoveries he's made

204  
00:08:40,850 --> 00:08:38,789  
with his observational acuity inside the

205  
00:08:42,680 --> 00:08:40,860  
beltway so we're talking just right

206  
00:08:44,570 --> 00:08:42,690  
around the Washington DC area he walks

207  
00:08:46,040 --> 00:08:44,580  
the creeks and finds his incredible

208  
00:08:49,250 --> 00:08:46,050  
tracks some of which have never been

209  
00:08:50,519 --> 00:08:49,260  
discovered before so he there is

210  
00:08:55,019 --> 00:08:50,529  
something about Ray

211  
00:08:59,639 --> 00:08:55,029  
that is above normal here and I want to

212  
00:09:01,920 --> 00:08:59,649  
start our show with ray in you know

213  
00:09:03,509 --> 00:09:01,930

addressing this because a lot of people

214

00:09:06,480 --> 00:09:03,519

have misconceptions about the man and

215

00:09:08,100 --> 00:09:06,490

he's you know they just put his notice

216

00:09:10,199 --> 00:09:08,110

or in the Smithsonian Institute as a

217

00:09:12,299 --> 00:09:10,209

permanent display so we're not dealing

218

00:09:14,369 --> 00:09:12,309

with a sloucher he's a big-league

219

00:09:15,809 --> 00:09:14,379

amateur scientist and I'm really looking

220

00:09:18,420 --> 00:09:15,819

forward to this show we're gonna be

221

00:09:21,150 --> 00:09:18,430

talking about the white sands July 1978

222

00:09:22,799 --> 00:09:21,160

event that he and his team covered and

223

00:09:24,900 --> 00:09:22,809

this is gonna be a fascinating show

224

00:09:27,119 --> 00:09:24,910

today gene also we'll ask him briefly

225

00:09:29,129 --> 00:09:27,129

about the saqqara New Mexico case kind

226

00:09:31,619 --> 00:09:29,139

of a follow up in light of the recent

227

00:09:33,389 --> 00:09:31,629

death of the witness Lonnie Zamora and

228

00:09:35,549 --> 00:09:33,399

maybe some of the criticisms have been

229

00:09:38,189 --> 00:09:35,559

lodged lately by one particular blogger

230

00:09:40,889 --> 00:09:38,199

about the authenticity of the Saqqara

231

00:09:43,470 --> 00:09:40,899

incident so coming up on the power cast

232

00:09:45,360 --> 00:09:43,480

this week race stanford will return and

233

00:09:47,249 --> 00:09:45,370

we don't know whether or not he's gonna

234

00:09:48,749 --> 00:09:47,259

hang up on us we're gonna have to see

235

00:09:50,819 --> 00:09:48,759

because we're not going to hold back the

236

00:09:53,280 --> 00:09:50,829

questions the co-host this week is Chris

237

00:09:57,570 --> 00:09:53,290

O'Brien I'm gene Steinberg you're in the

238

00:10:02,369 --> 00:09:59,569

[Music]

239

00:10:04,619 --> 00:10:02,379

as you know the power cast is brought to

240

00:10:06,900 --> 00:10:04,629

you by audible.com the internet's

241

00:10:09,720 --> 00:10:06,910

leading provider of audiobooks with more

242

00:10:11,819 --> 00:10:09,730

than 75,000 downloadable titles across

243

00:10:13,920 --> 00:10:11,829

all types of literature and featuring

244

00:10:15,960 --> 00:10:13,930

audio versions of many new york times

245

00:10:18,629 --> 00:10:15,970

bestsellers for listeners of the power

246

00:10:20,910 --> 00:10:18,639

cast audible.com is offering a free

247

00:10:23,100 --> 00:10:20,920

audiobook to give you a chance to try

248

00:10:25,319 --> 00:10:23,110

out their service one book to consider

249

00:10:28,230 --> 00:10:25,329

for example is above top secret the

250

00:10:29,970 --> 00:10:28,240

worldwide UFO cover-up by Timothy good

251

00:10:32,160 --> 00:10:29,980

Timothy good as you know has been a

252

00:10:33,989 --> 00:10:32,170

guest on the power cast yet another book

253

00:10:37,199 --> 00:10:33,999

worth considering from audible.com is

254

00:10:39,569 --> 00:10:37,209

lies and deception UFOs and the secret

255

00:10:41,790 --> 00:10:39,579

agenda from Timothy good once again and

256

00:10:44,129 --> 00:10:41,800

also from our old friend Nick Pope as

257

00:10:46,530 --> 00:10:44,139

you know Nick Pope has also been on the

258

00:10:47,730 --> 00:10:46,540

power cast this is another book that

259

00:10:50,489 --> 00:10:47,740

you're definitely going to want to check

260

00:10:51,629 --> 00:10:50,499

out for this book or another free audio

261

00:11:01,290 --> 00:10:51,639

book of your choice

262

00:11:03,780 --> 00:11:01,300

go to [audiblepodcast.com/tekzilla](http://audiblepodcast.com/tekzilla) crash

263

00:11:06,150 --> 00:11:03,790

number 4 - resources today's august 27

264

00:11:07,919 --> 00:11:06,160

2010 build open this morning at 12:30

265

00:11:10,350 --> 00:11:07,929

8:40 a 1 ounce gold coin can be

266

00:11:12,210 --> 00:11:10,360

purchased for twelve seventy 133 six

267

00:11:15,360 --> 00:11:12,220

thirty five sixty six for a half ounce

268

00:11:18,119 --> 00:11:15,370

and three 1783 four quarter ounce 1271

269

00:11:20,999 --> 00:11:18,129

33 six thirty five sixty six and three

270

00:11:22,590 --> 00:11:21,009

1783 again the Congressional Budget

271

00:11:25,470 --> 00:11:22,600

Office sounds the alarm warning of

272

00:11:27,480 --> 00:11:25,480

greek-style u.s. debt crisis CBO is

273

00:11:29,819 --> 00:11:27,490

drawing a parallel between US economy

274

00:11:31,710 --> 00:11:29,829

and the Greek economic meltdown debt to

275

00:11:34,049 --> 00:11:31,720

GDP climbed into an unfamiliar territory

276

00:11:36,449 --> 00:11:34,059

and deficits rising to unsupportable

277

00:11:38,669 --> 00:11:36,459

levels high 10 Anderson the federal debt

278

00:11:40,679 --> 00:11:38,679

and risk of financial crises document

279

00:11:42,749 --> 00:11:40,689

the CBO has publishes a must read for

280

00:11:45,030 --> 00:11:42,759

every American covering the risks of

281

00:11:47,039 --> 00:11:45,040

deficit spending aging population and

282

00:12:09,230 --> 00:11:47,049

rising interest rates spells economic

283

00:12:13,820 --> 00:12:11,510

water contains fluoride

284

00:12:15,740 --> 00:12:13,830

had less than two cents per gallon murky

285

00:12:17,510 --> 00:12:15,750

water filters purified treated and

286

00:12:19,579 --> 00:12:17,520

untreated water removed dangerous

287

00:12:21,290 --> 00:12:19,589

chlorine fluoride and contaminants from

288

00:12:23,389 --> 00:12:21,300

municipal water these filters are

289

00:12:25,579 --> 00:12:23,399

powerful enough to purify stagnant pond

290

00:12:27,590 --> 00:12:25,589

water making them perfect for rainwater

291

00:12:29,420 --> 00:12:27,600

collection systems from the smallest to

292

00:12:31,910 --> 00:12:29,430

the largest systems big berkey water

293

00:12:33,769 --> 00:12:31,920

filters com has what you need with your

294

00:12:35,960 --> 00:12:33,779

system purchase you'll receive a shower

295

00:12:38,210 --> 00:12:35,970

filter a fluoride filter or two-sport

296

00:12:40,220 --> 00:12:38,220

Berkey bottles absolutely free big

297

00:12:42,949 --> 00:12:40,230

berkey water filters calm would like to

298

00:12:45,560 --> 00:12:42,959

offer GCN listeners five percent off all

299

00:12:48,380 --> 00:12:45,570

ceramic filter systems and ship all

300

00:12:50,900 --> 00:12:48,390

orders over \$50 free of charge visit big

301  
00:12:53,570 --> 00:12:50,910  
berkey water filters calm that's big

302  
00:12:55,340 --> 00:12:53,580  
berkey water filters calm or call one

303  
00:12:57,530 --> 00:12:55,350  
eight seven seven ninety-nine Berkey

304  
00:13:02,300 --> 00:12:57,540  
that's one eight seven seven ninety-nine

305  
00:13:04,070 --> 00:13:02,310  
BER can't eat why today hi I'm mark

306  
00:13:05,990 --> 00:13:04,080  
Craig head founder of crossbreed

307  
00:13:08,510 --> 00:13:06,000  
holsters I designed our top-selling

308  
00:13:10,699 --> 00:13:08,520  
holster the super tuck deluxe to solve

309  
00:13:12,980 --> 00:13:10,709  
the problems of being poked pinched and

310  
00:13:14,660 --> 00:13:12,990  
gouged while carrying concealed the

311  
00:13:17,000 --> 00:13:14,670  
super tuck deluxe is the most

312  
00:13:19,100 --> 00:13:17,010  
comfortable most concealable holster on

313  
00:13:21,470 --> 00:13:19,110

the market today we offer a two week

314

00:13:25,280 --> 00:13:21,480

free trial and a lifetime warranty visit

315

00:13:29,690 --> 00:13:25,290

us at crossbreed holsters dot-com don't

316

00:13:31,250 --> 00:13:29,700

forget crossbreed holsters dot-com hi

317

00:13:32,780 --> 00:13:31,260

this is Ted Anderson have you ever

318

00:13:34,340 --> 00:13:32,790

wondered why banks stockbrokers

319

00:13:35,389 --> 00:13:34,350

investment advisors won't talk about

320

00:13:37,550 --> 00:13:35,399

gold IRAs

321

00:13:39,350 --> 00:13:37,560

they've been available since 1986 yet

322

00:13:40,910 --> 00:13:39,360

the financial industry won't recognize

323

00:13:43,250 --> 00:13:40,920

the value of gold for your retirement

324

00:13:45,440 --> 00:13:43,260

goal has outperformed paper investments

325

00:13:58,510 --> 00:13:45,450

yet no word about IRAs if you would like

326

00:13:58,520 --> 00:14:10,150

806-853-9949

327

00:14:10,160 --> 00:14:19,110

[Music]

328

00:14:23,619 --> 00:14:21,670

because this week as christopher o'brien

329

00:14:26,800 --> 00:14:23,629

our guest returning to the power cast

330

00:14:29,470 --> 00:14:26,810

this week is UFO paranormal researcher

331

00:14:32,710 --> 00:14:29,480

race stanford and we're gonna cover a

332

00:14:35,650 --> 00:14:32,720

whole range of questions about his

333

00:14:37,150 --> 00:14:35,660

background is research and you know some

334

00:14:39,490 --> 00:14:37,160

of the questions you've asked ladies and

335

00:14:42,400 --> 00:14:39,500

gentlemen in the power cast forums at

336

00:14:44,949 --> 00:14:42,410

forum dot the power cast come I'm Jean

337

00:14:47,319 --> 00:14:44,959

Steinberg you're in the power cast rate

338

00:14:49,150 --> 00:14:47,329

maybe you could start with a couple of

339

00:14:52,410 --> 00:14:49,160

comments about the saqqara new mexico

340

00:14:55,119 --> 00:14:52,420

case recently Lonnie Zamora dined

341

00:14:57,100 --> 00:14:55,129

there's some remembrances having known

342

00:14:57,730 --> 00:14:57,110

him at the time you were investigating

343

00:15:01,059 --> 00:14:57,740

the case

344

00:15:03,309 --> 00:15:01,069

well Lonnie in my experience was and

345

00:15:06,699 --> 00:15:03,319

Ivan viewed a lot of people that have

346

00:15:10,030 --> 00:15:06,709

seen and reported seeing UFOs and even

347

00:15:12,999 --> 00:15:10,040

photographing them but Lonnie would rank

348

00:15:15,999 --> 00:15:13,009

at the absolute top of the quality as

349

00:15:18,790 --> 00:15:16,009

far as integrity and unwillingness to

350

00:15:21,340 --> 00:15:18,800

embellish the story just be straight

351

00:15:24,160 --> 00:15:21,350

facts I guess that party came with his

352

00:15:27,460 --> 00:15:24,170

background as a police officer and it

353

00:15:29,139 --> 00:15:27,470

was very sad to learn of his passing he

354

00:15:30,699 --> 00:15:29,149

had even heard about the ridiculous

355

00:15:33,639 --> 00:15:30,709

claims of this thing having been a

356

00:15:35,949 --> 00:15:33,649

student prank before he passed on now

357

00:15:38,319 --> 00:15:35,959

maybe we can just tell that very quickly

358

00:15:42,040 --> 00:15:38,329

there was a report by a blogger named

359

00:15:44,769 --> 00:15:42,050

brag alia I believe and he had this

360

00:15:46,809 --> 00:15:44,779

quote from one of the professors of this

361

00:15:48,999 --> 00:15:46,819

local college suggesting they all knew

362

00:15:52,030 --> 00:15:49,009

it was a prank so what's the story about

363

00:15:54,579 --> 00:15:52,040

that this was nothing new to my

364

00:15:57,549 --> 00:15:54,589

knowledge back when I was there first

365

00:16:02,949 --> 00:15:57,559

and investigating the case in April of

366

00:16:08,650 --> 00:16:02,959

1964 Darko gay was there at what is 7ko

367

00:16:11,199 --> 00:16:08,660

New Mexico Tech and he he was asked by a

368

00:16:14,110 --> 00:16:11,209

news person there about this case and he

369

00:16:15,730 --> 00:16:14,120

he said well you know it has to be a

370

00:16:18,009 --> 00:16:15,740

student practice student hugs because

371

00:16:20,980 --> 00:16:18,019

those kind of thing can come that far

372

00:16:23,420 --> 00:16:20,990

and so it has to be a student prank and

373

00:16:25,880 --> 00:16:23,430

he was asked if if

374

00:16:27,860 --> 00:16:25,890

could put his finger on any student that

375

00:16:30,230 --> 00:16:27,870

didn't he said no but it just has to be

376

00:16:32,420 --> 00:16:30,240

of course he was in our skeptic and that

377

00:16:35,240 --> 00:16:32,430

was his kind of logic and I think that

378

00:16:38,329 --> 00:16:35,250

so basically this is he must be answered

379

00:16:40,699 --> 00:16:38,339

it has to be something immoral therefore

380

00:16:42,530 --> 00:16:40,709

it must be a prank yes and I think that

381

00:16:45,680 --> 00:16:42,540

he wasn't being completely forthcoming

382

00:16:48,110 --> 00:16:45,690

when he put a note in a letter to the

383

00:16:50,360 --> 00:16:48,120

league dr. Linus Pauling saying it was a

384

00:16:54,079 --> 00:16:50,370

student prank it's a shame that when

385

00:16:56,060 --> 00:16:54,089

when a scientists like dr. Colgate will

386

00:16:58,850 --> 00:16:56,070

step out of the bounds of science and

387

00:17:02,720 --> 00:16:58,860

state something that his personal wish

388

00:17:04,819 --> 00:17:02,730

as being fact now this particular person

389

00:17:06,860 --> 00:17:04,829

who wrote this article Anthony breguet

390

00:17:08,960 --> 00:17:06,870

is he just a skeptic or was he looking

391

00:17:12,140 --> 00:17:08,970

for a headline or what no I have to

392

00:17:14,480 --> 00:17:12,150

mention my on the power cast and he

393

00:17:16,850 --> 00:17:14,490

declined to appear yes

394

00:17:19,250 --> 00:17:16,860

yes he was invited to debate me on this

395

00:17:21,230 --> 00:17:19,260

and he refused to appear you know I had

396

00:17:23,929 --> 00:17:21,240

the better side in the first place he

397

00:17:25,790 --> 00:17:23,939

was saying oh these these witnesses just

398

00:17:27,199 --> 00:17:25,800

gonna be a few day we're gonna get some

399

00:17:28,880 --> 00:17:27,209

of these people that involve miss come

400

00:17:31,970 --> 00:17:28,890

up well of course they never did because

401  
00:17:35,690 --> 00:17:31,980  
no one ever did it I mean there's no way

402  
00:17:36,950 --> 00:17:35,700  
that what happened on April 24 64 in

403  
00:17:39,680 --> 00:17:36,960  
broad daylight and from this police

404  
00:17:42,650 --> 00:17:39,690  
officers eyes including part of it

405  
00:17:46,100 --> 00:17:42,660  
within within 50 feet there's no way

406  
00:17:49,280 --> 00:17:46,110  
that there was a student prank so even

407  
00:17:52,430 --> 00:17:49,290  
back at that time even the media man

408  
00:17:55,940 --> 00:17:52,440  
that he had dr. Colgate had told this to

409  
00:17:57,290 --> 00:17:55,950  
about it being a student prank realized

410  
00:17:59,750 --> 00:17:57,300  
that you know this was just wishful

411  
00:18:01,610 --> 00:17:59,760  
thinking on I'm dr. Cole gate park yeah

412  
00:18:04,360 --> 00:18:01,620  
and one thing that I really want to

413  
00:18:06,919 --> 00:18:04,370

point out here in case we forget is when

414

00:18:08,360 --> 00:18:06,929

regalia came out with his part to to his

415

00:18:11,360 --> 00:18:08,370

article I think it was the following day

416

00:18:14,180 --> 00:18:11,370

the Lonnie Zamora died and it's kind of

417

00:18:16,010 --> 00:18:14,190

hard not to you know we could go there

418

00:18:18,650 --> 00:18:16,020

and draw any sort of conclusions but

419

00:18:20,450 --> 00:18:18,660

Lonnie from was a stand-up guy from all

420

00:18:22,430 --> 00:18:20,460

of my knowledge about the case and of

421

00:18:23,810 --> 00:18:22,440

course talking to Ray about it and yeah

422

00:18:26,450 --> 00:18:23,820

I just hope he just didn't I have a

423

00:18:27,740 --> 00:18:26,460

broken heart for having his you know his

424

00:18:29,570 --> 00:18:27,750

integrity and everything else called

425

00:18:32,870 --> 00:18:29,580

into question by this johnny-come-lately

426

00:18:34,520 --> 00:18:32,880

who's basically a pot stirrer he just

427

00:18:36,120 --> 00:18:34,530

likes to get in there and pick a subject

428

00:18:38,010 --> 00:18:36,130

and stir the pot up and create

429

00:18:40,650 --> 00:18:38,020

diversity money was not affected by it

430

00:18:42,660 --> 00:18:40,660

Lonnie he had from the word go and when

431

00:18:44,430 --> 00:18:42,670

he had this experience you know high

432

00:18:47,340 --> 00:18:44,440

school kids and college kids would drive

433

00:18:49,500 --> 00:18:47,350

by and they were seeing the UFOs lady in

434

00:18:51,690 --> 00:18:49,510

this kind of stuff and Lonnie took it in

435

00:18:55,050 --> 00:18:51,700

good spirits now yes it made him feel

436

00:18:58,230 --> 00:18:55,060

badly but he really didn't let this kind

437

00:19:00,420 --> 00:18:58,240

of things hurt him and that's good one

438

00:19:02,130 --> 00:19:00,430

thing here I wanted to just mention here

439

00:19:04,980 --> 00:19:02,140

you mentioned this fellow

440

00:19:09,060 --> 00:19:04,990

Anthony Berg alia has he done this kind

441

00:19:14,190 --> 00:19:09,070

of ambush elsewhere I haven't followed

442

00:19:16,950 --> 00:19:14,200

him and I saw and not an ambush I saw

443

00:19:21,270 --> 00:19:16,960

him claiming that night and all was

444

00:19:23,640 --> 00:19:21,280

invented because of bendable turned back

445

00:19:28,140 --> 00:19:23,650

to its original shape metal in the

446

00:19:30,120 --> 00:19:28,150

alleged crash at Roswell and frankly it

447

00:19:32,910 --> 00:19:30,130

was in no way in my opinion scientific

448

00:19:36,270 --> 00:19:32,920

reporting it was it was gift gifts after

449

00:19:37,650 --> 00:19:36,280

supposition and it was certainly not not

450

00:19:40,380 --> 00:19:37,660

good reporting certainly not good

451  
00:19:44,790 --> 00:19:40,390  
science in tracing the origin and I know

452  
00:19:47,370 --> 00:19:44,800  
so in my opinion the things I saw I

453  
00:19:49,560 --> 00:19:47,380  
guess put listening to him Mathilde

454  
00:19:51,600 --> 00:19:49,570  
Socorro thing came up because I didn't

455  
00:19:54,840 --> 00:19:51,610  
feel that his investigations were

456  
00:19:56,220 --> 00:19:54,850  
thorough or objective or insightful okay

457  
00:19:57,990 --> 00:19:56,230  
well since he doesn't want to come here

458  
00:20:00,720 --> 00:19:58,000  
to defend himself maybe we should just

459  
00:20:02,820 --> 00:20:00,730  
begin to drop the subject yeah I move on

460  
00:20:05,850 --> 00:20:02,830  
well just let him let him do his thing

461  
00:20:08,520 --> 00:20:05,860  
he's he seems like a fairly a fairly

462  
00:20:10,770 --> 00:20:08,530  
good researcher but and he's able to dig

463  
00:20:13,440 --> 00:20:10,780

around and find find things but I think

464

00:20:15,000 --> 00:20:13,450

his his conclusions I think he's got to

465

00:20:18,210 --> 00:20:15,010

be a little bit more careful with how he

466

00:20:19,320 --> 00:20:18,220

he poses his conclusions and I think Ray

467

00:20:21,630 --> 00:20:19,330

brought up a real good point in that

468

00:20:23,580 --> 00:20:21,640

regard so ray just briefly before we go

469

00:20:25,530 --> 00:20:23,590

on to some other subjects what can we

470

00:20:27,450 --> 00:20:25,540

take away from the Socorro New Mexico

471

00:20:29,790 --> 00:20:27,460

incident this is something that happened

472

00:20:31,920 --> 00:20:29,800

what forty some odd years ago that's

473

00:20:34,980 --> 00:20:31,930

right there's there's some good evidence

474

00:20:36,630 --> 00:20:34,990

we can take away for one thing although

475

00:20:39,060 --> 00:20:36,640

I've offered it to people nobody has

476  
00:20:42,960 --> 00:20:39,070  
used it as yet I have a professional

477  
00:20:44,370 --> 00:20:42,970  
quality of video that I had made out in

478  
00:20:46,140 --> 00:20:44,380  
front of our office headquarters in

479  
00:20:48,600 --> 00:20:46,150  
Austin Texas of our project starlight

480  
00:20:49,870 --> 00:20:48,610  
international and Hynek is sitting there

481  
00:20:53,860 --> 00:20:49,880  
and he

482  
00:20:55,960 --> 00:20:53,870  
firms that the film that officer ted

483  
00:20:57,790 --> 00:20:55,970  
jardin had taken right after the object

484  
00:20:59,890 --> 00:20:57,800  
had taken off just just while it was

485  
00:21:01,270 --> 00:20:59,900  
almost still visible in the sky Garin

486  
00:21:03,100 --> 00:21:01,280  
got there right away because it was a

487  
00:21:06,640 --> 00:21:03,110  
state police officer and was listening

488  
00:21:09,040 --> 00:21:06,650

on the state policeman and he got

489

00:21:12,040 --> 00:21:09,050

pictures and was asked to give them to

490

00:21:13,420 --> 00:21:12,050

the air force for processing and he

491

00:21:15,550 --> 00:21:13,430

couldn't get in the back and finally he

492

00:21:17,680 --> 00:21:15,560

had Lonni ask dr. Hynek when he was in

493

00:21:20,320 --> 00:21:17,690

town in August what had happened and

494

00:21:21,820 --> 00:21:20,330

Hynek told him who the airforce wouldn't

495

00:21:24,370 --> 00:21:21,830

wouldn't give them back to him because

496

00:21:29,350 --> 00:21:24,380

they were fogged as though by some kind

497

00:21:32,530 --> 00:21:29,360

of radiation and so Zamora relate this

498

00:21:34,750 --> 00:21:32,540

information to me and I got Hynek down

499

00:21:36,700 --> 00:21:34,760

there and put him on camera and asked

500

00:21:38,200 --> 00:21:36,710

him point-blank and he confirmed it he

501  
00:21:40,840 --> 00:21:38,210  
said that that is what the Air Force

502  
00:21:42,910 --> 00:21:40,850  
told him was the reason that they didn't

503  
00:21:44,860 --> 00:21:42,920  
give him his film back that's

504  
00:21:46,510 --> 00:21:44,870  
interesting evidence in itself when you

505  
00:21:48,970 --> 00:21:46,520  
have the guy that was the chief

506  
00:21:52,270 --> 00:21:48,980  
scientific consultant on UFOs with

507  
00:21:53,860 --> 00:21:52,280  
Project Blue Book telling that they well

508  
00:21:58,030 --> 00:21:53,870  
I didn't tell the public the film was

509  
00:22:00,640 --> 00:21:58,040  
irradiated they told some more of Hynek

510  
00:22:03,310 --> 00:22:00,650  
and ultimately I learned it now there's

511  
00:22:07,720 --> 00:22:03,320  
other things that that we can take from

512  
00:22:10,570 --> 00:22:07,730  
this case one thing is there is a rock

513  
00:22:13,270 --> 00:22:10,580

that was four or five inches below where

514

00:22:15,100 --> 00:22:13,280

the main landing exhaust was pointing

515

00:22:19,390 --> 00:22:15,110

downward when it landed and took off

516

00:22:20,980 --> 00:22:19,400

that I have that and I have nearly a

517

00:22:22,450 --> 00:22:20,990

hundred pounds of control samples that

518

00:22:26,290 --> 00:22:22,460

don't have this with the same type of

519

00:22:29,320 --> 00:22:26,300

volcanic rock this rock has crystals of

520

00:22:31,540 --> 00:22:29,330

quartz in it but these crystals appear

521

00:22:34,420 --> 00:22:31,550

to have turned to glass they're no

522

00:22:35,950 --> 00:22:34,430

longer birefringence as crystals are I

523

00:22:37,360 --> 00:22:35,960

hate to interrupt ray but we're going to

524

00:22:39,310 --> 00:22:37,370

have to pick that up in the next section

525

00:22:41,500 --> 00:22:39,320

of the prior cast we do welcome your

526

00:22:44,320 --> 00:22:41,510

comments post them at forum dot the

527

00:22:46,780 --> 00:22:44,330

power cast com forum dot the power cast

528

00:22:48,700 --> 00:22:46,790

com we have ray Stanford our co-host is

529

00:22:50,840 --> 00:22:48,710

Chris O'Brien I'm gene Steinberg you're

530

00:22:59,779 --> 00:22:50,850

in the para cast

531

00:23:02,219 --> 00:22:59,789

[Music]

532

00:23:04,169 --> 00:23:02,229

okay neighbors here's the problem

533

00:23:06,359 --> 00:23:04,179

face to face business meetings with

534

00:23:09,089 --> 00:23:06,369

clients and colleagues are always going

535

00:23:11,579 --> 00:23:09,099

to be important but business travel is a

536

00:23:14,129 --> 00:23:11,589

hassle that's often a complete waste of

537

00:23:17,519 --> 00:23:14,139

money well here's a solution for you do

538

00:23:19,349 --> 00:23:17,529

more travel less with goto meeting goto

539

00:23:21,389 --> 00:23:19,359

meeting is an award-winning online

540

00:23:23,759 --> 00:23:21,399

meeting service brought to you by citrix

541

00:23:25,799 --> 00:23:23,769

with just 2 click home sales

542

00:23:28,349 --> 00:23:25,809

presentations training sessions or

543

00:23:30,930 --> 00:23:28,359

product demos right from your own desk

544

00:23:33,509 --> 00:23:30,940

avoid the hassle of traveling and still

545

00:23:37,019 --> 00:23:33,519

exceed your sales goals plus goto

546

00:23:40,049 --> 00:23:37,029

meeting as just \$49 a month for

547

00:23:42,479 --> 00:23:40,059

unlimited online meetings plus voice

548

00:23:44,669 --> 00:23:42,489

over IP and phone conferencing is

549

00:23:47,639 --> 00:23:44,679

included my listeners can try goto

550

00:23:49,829 --> 00:23:47,649

meeting free for 45 days for this

551  
00:23:53,549 --> 00:23:49,839  
special offer visit goto meeting.com

552

slash podcast once again go to meeting

553  
00:24:02,009 --> 00:23:57,070  
free for 45 days visit goto meeting.com

554  
00:24:04,319 --> 00:24:02,019  
slash podcast 9 years thousands of

555  
00:24:05,909 --> 00:24:04,329  
clients worldwide amazing results and

556  
00:24:07,680 --> 00:24:05,919  
here's more proof of the effectiveness

557  
00:24:09,539 --> 00:24:07,690  
of how heart and body extract supports

558  
00:24:12,389 --> 00:24:09,549  
good circulation and healthy arterial

559  
00:24:14,519 --> 00:24:12,399  
flow my name is crystal I'm a 45 year

560  
00:24:16,289 --> 00:24:14,529  
old and live in Houston Texas I was

561  
00:24:18,810 --> 00:24:16,299  
diagnosed with having mitral valve

562  
00:24:20,909 --> 00:24:18,820  
prolapse 10 years ago my cardiologist

563  
00:24:22,709 --> 00:24:20,919

said surgery and drugs was the only

564

00:24:24,419 --> 00:24:22,719

thing he could offer me what does

565

00:24:27,930 --> 00:24:24,429

crystal do I ordered heart and body

566

00:24:30,539 --> 00:24:27,940

extract in August 2006 when I first took

567

00:24:32,459 --> 00:24:30,549

my first 15 drops I embraced the formula

568

00:24:34,229 --> 00:24:32,469

and could even feel the goodness of the

569

00:24:36,060 --> 00:24:34,239

formula starting to work clean clear

570

00:24:38,519 --> 00:24:36,070

arteries are happy arteries after using

571

00:24:40,919 --> 00:24:38,529

heart and body extract learn more at HB

579

00:25:04,739 --> 00:25:02,440

heart and body extract remain in your

580

00:25:06,050 --> 00:25:04,749

houses the President of the United

581

00:25:14,620 --> 00:25:06,060

States has declared

582

00:25:17,510 --> 00:25:14,630

so long under executive order 11004f a

583

00:25:20,240 --> 00:25:17,520

but an engineered crisis seems more

584

00:25:24,110 --> 00:25:20,250

likely with each passing day think it

585

00:25:27,140 --> 00:25:24,120

can't happen here executive order 10 990

586

00:25:30,200 --> 00:25:27,150

locks down all highways executive order

587

00:25:33,770 --> 00:25:30,210

10 995 seizes control of all media

588

00:25:36,530 --> 00:25:33,780

outlets executive order 10 998 controls

589

00:25:38,930 --> 00:25:36,540

all farms and food supplies all these

590

00:25:42,170 --> 00:25:38,940

executive orders are now cocked loaded

591

00:25:43,640 --> 00:25:42,180

and waiting for the right crisis so if

592

00:25:45,710 --> 00:25:43,650

you're worried about the possibility of

593

00:25:47,630 --> 00:25:45,720

martial law here in America or have

594

00:25:50,300 --> 00:25:47,640

questions about how to survive it go to

595

00:26:00,170 --> 00:25:50,310

martial law survival dot-com

596

00:26:02,060 --> 00:26:00,180

now your bracelets are scanned question

597

00:26:03,560 --> 00:26:02,070

what would you rather drink acidic water

598

00:26:05,840 --> 00:26:03,570

which burns holes in your body and

599

00:26:07,760 --> 00:26:05,850

causes loss of bone mass or alkaline

600

00:26:09,980 --> 00:26:07,770

water which promotes high energy and

601  
00:26:11,690 --> 00:26:09,990  
vibrant health the answer is clear and

602  
00:26:13,610 --> 00:26:11,700  
if you're drinking acidic water you're

603  
00:26:15,920 --> 00:26:13,620  
helping cancer cells and bacteria to

604  
00:26:18,500 --> 00:26:15,930  
grow out of control Alka vision plasma

605  
00:26:20,930 --> 00:26:18,510  
pH drops combine a unique formula of the

606  
00:26:23,060 --> 00:26:20,940  
most alkaline minerals using plasma pH

607  
00:26:25,370 --> 00:26:23,070  
drops is the best way to alkalize your

608  
00:26:27,620 --> 00:26:25,380  
water and help you get rid of acid and

609  
00:26:29,720 --> 00:26:27,630  
regain your health and energy simply put

610  
00:26:32,150 --> 00:26:29,730  
10 drops in the water you drink to raise

611  
00:26:34,100 --> 00:26:32,160  
the pH to a healthy alkaline level most

612  
00:26:36,290 --> 00:26:34,110  
experts agree that the water you drink

613  
00:26:39,260 --> 00:26:36,300

should be at a pH level of 8 or higher

614

00:26:41,450 --> 00:26:39,270

disease organisms like bacteria viruses

615

00:26:43,970 --> 00:26:41,460

or cancer cannot survive in an alkaline

616

00:26:46,790 --> 00:26:43,980

high pH environment order your bottle of

617

00:26:50,480 --> 00:26:46,800

alkaviva plasma pH drops now by going

618

00:26:55,070 --> 00:26:50,490

directly to alkaviva thats ALK a vision

619

00:27:02,630 --> 00:26:55,080

calm or by calling 2 6 9 4 0 9 1776

620

00:27:04,910 --> 00:27:02,640

again 2 6 9 4 0 9 1776 America's number

621

00:27:06,350 --> 00:27:04,920

one source for independent talk radio

622

00:27:08,770 --> 00:27:06,360

for over a decade

623

00:27:43,540 --> 00:27:08,780

we are the GC and Ray

624

00:27:45,580 --> 00:27:43,550

network our co-host is Chris O'Brien the

625

00:27:47,890 --> 00:27:45,590

guest is race Stanford we are just

626

00:27:49,990 --> 00:27:47,900

wrapping up some discussions about the

627

00:27:53,110 --> 00:27:50,000

impact of the Saqqara of New Mexico case

628

00:27:55,030 --> 00:27:53,120

from 1960s I'm Jean Steinberg you're in

629

00:27:57,880 --> 00:27:55,040

the power cast and you were talking

630

00:28:00,400 --> 00:27:57,890

about this rock ray turning the crystal

631

00:28:03,580 --> 00:28:00,410

I know yeah it had crystals in it it was

632

00:28:06,400 --> 00:28:03,590

a type of volcanic rock that that cools

633

00:28:09,070 --> 00:28:06,410

slowly enough for crystals to form in it

634

00:28:12,400 --> 00:28:09,080

no which it's not glass it's actually

635

00:28:14,710 --> 00:28:12,410

has recrystallized but certain quartz

636

00:28:16,030 --> 00:28:14,720

crystals to reach a certain size that

637

00:28:19,120 --> 00:28:16,040

you can easily see them with the naked

638

00:28:21,670 --> 00:28:19,130

eye and it appears upon the surface of

639

00:28:24,730 --> 00:28:21,680

this that where these this quartz is

640

00:28:27,280 --> 00:28:24,740

quite strong tough stuff and there's

641

00:28:29,590 --> 00:28:27,290

been some erosion around it and you can

642

00:28:31,660 --> 00:28:29,600

see it looks like there were when this

643

00:28:32,950 --> 00:28:31,670

thing was heated up the quartz crystals

644

00:28:35,590 --> 00:28:32,960

that were already there

645

00:28:37,240 --> 00:28:35,600

if the surface have lost their quartz

646

00:28:39,190 --> 00:28:37,250

safe you can see their shape as it goes

647

00:28:41,380 --> 00:28:39,200

into the matrix of the six-sided quartz

648

00:28:44,500 --> 00:28:41,390

figure but you see it's a glob you'll

649

00:28:46,690 --> 00:28:44,510

like it was melted and although the main

650

00:28:49,540 --> 00:28:46,700

main mass was not melted the crystals

651  
00:28:51,670 --> 00:28:49,550  
were which strongly suggests a resonance

652  
00:28:54,220 --> 00:28:51,680  
phenomenon as you might have in a watch

653  
00:28:56,020 --> 00:28:54,230  
for example of quartz crystal resonating

654  
00:28:57,910 --> 00:28:56,030  
at a certain frequency to keep that time

655  
00:29:00,250 --> 00:28:57,920  
it looks like there was a resonance

656  
00:29:02,440 --> 00:29:00,260  
phenomenon possibly by the course in the

657  
00:29:04,890 --> 00:29:02,450  
quartz crystals which in itself would be

658  
00:29:07,330 --> 00:29:04,900  
extremely important and potentially

659  
00:29:09,430 --> 00:29:07,340  
diagnostic because there are very few

660  
00:29:12,190 --> 00:29:09,440  
things you could project them to a

661  
00:29:14,020 --> 00:29:12,200  
quartz crystal and and get the into this

662  
00:29:16,300 --> 00:29:14,030  
volcanic material and get the quartz

663  
00:29:18,880 --> 00:29:16,310

crystals to resonating so fast that they

664

00:29:21,460 --> 00:29:18,890

would heat up and melt it Criers about I

665

00:29:23,620 --> 00:29:21,470

say 1,400 degrees centigrade

666

00:29:25,930 --> 00:29:23,630

that kind of chords and so it's quite a

667

00:29:27,700 --> 00:29:25,940

respectable task to say the least so it

668

00:29:29,710 --> 00:29:27,710

looks like we have some pretty good

669

00:29:32,169 --> 00:29:29,720

evidence of an unusual mode of

670

00:29:34,750 --> 00:29:32,179

propulsion in the pink off and landing

671

00:29:37,360 --> 00:29:34,760

it's also called as Sakura which didn't

672

00:29:39,100 --> 00:29:37,370

bounce like a rocket exhaust it Lani had

673

00:29:41,560 --> 00:29:39,110

seen Rockets launch tested at White

674

00:29:43,570 --> 00:29:41,570

Sands the exhausts actually surprised

675

00:29:45,789 --> 00:29:43,580

him by knifing in it didn't didn't

676

00:29:47,890 --> 00:29:45,799

bounce off it actually synced a knife

677

00:29:50,049 --> 00:29:47,900

into the saw which would suggest maybe

678

00:29:53,830 --> 00:29:50,059

subatomic particles at relativistic

679

00:29:55,750 --> 00:29:53,840

velocities eating local atmosphere in

680

00:29:58,060 --> 00:29:55,760

such way that it turns kind of a bluish

681

00:29:59,740 --> 00:29:58,070

color and around the edge it was kind of

682

00:30:01,690 --> 00:29:59,750

an arm she just just what I would expect

683

00:30:03,310 --> 00:30:01,700

under such a circumstance but we're

684

00:30:05,289 --> 00:30:03,320

gonna segue which is something we do on

685

00:30:06,820 --> 00:30:05,299

radio shows we're gonna segue to another

686

00:30:09,310 --> 00:30:06,830

incident that we wanted to talk about

687

00:30:11,620 --> 00:30:09,320

this week and I'm gonna turn the mic

688

00:30:14,140 --> 00:30:11,630

over to Chris to follow up on something

689

00:30:17,169 --> 00:30:14,150

that happened in 1978 at White Sands

690

00:30:19,029 --> 00:30:17,179

thanks and thanks Gina you know having

691

00:30:22,990 --> 00:30:19,039

worked with Rey for a number of years

692

00:30:25,270 --> 00:30:23,000

and getting countless examples of his

693

00:30:26,770 --> 00:30:25,280

investigative work down in manuscript

694

00:30:28,779 --> 00:30:26,780

form actually in a conversational

695

00:30:30,730 --> 00:30:28,789

manuscript form one of the most

696

00:30:34,140 --> 00:30:30,740

compelling cases that Rey told me about

697

00:30:36,580 --> 00:30:34,150

had to do with a July of 1978

698

00:30:39,789 --> 00:30:36,590

investigative trip out to the white

699

00:30:41,740 --> 00:30:39,799

sands military base out there and on to

700

00:30:43,960 --> 00:30:41,750

the edge of the base and why don't you

701  
00:30:45,880 --> 00:30:43,970  
start in with a little setup piece array

702  
00:30:47,620 --> 00:30:45,890  
about how you found out that you should

703  
00:30:49,090 --> 00:30:47,630  
be going out there with your team I

704  
00:30:52,480 --> 00:30:49,100  
think this is a very very intriguing

705  
00:30:54,370 --> 00:30:52,490  
story and it has tons of hard scientific

706  
00:30:56,230 --> 00:30:54,380  
data that you're able to obtain which

707  
00:30:57,370 --> 00:30:56,240  
we'll get into but once you start us out

708  
00:30:59,020 --> 00:30:57,380  
and tell us how you found out about

709  
00:31:01,899 --> 00:30:59,030  
something going on at White Sands

710  
00:31:05,020 --> 00:31:01,909  
well back in in January I had been on

711  
00:31:06,850 --> 00:31:05,030  
the Phil Donahue show this is a 1978

712  
00:31:09,940 --> 00:31:06,860  
January right that's right

713  
00:31:11,710 --> 00:31:09,950

okay and at the time when I first my

714

00:31:13,419 --> 00:31:11,720

office got this information I had been

715

00:31:15,730 --> 00:31:13,429

out in Phoenix investigating case it

716

00:31:19,960 --> 00:31:15,740

were some two people that film the same

717

00:31:22,120 --> 00:31:19,970

kind of avocado man airliner in 1212 77

718

00:31:25,029 --> 00:31:22,130

the year before but when I got back to

719

00:31:26,649 --> 00:31:25,039

Austin my secretary told me that there

720

00:31:28,600 --> 00:31:26,659

was a call from a very nice and

721

00:31:30,220 --> 00:31:28,610

interesting lady that she thought all to

722

00:31:33,580 --> 00:31:30,230

call the return the lady's call right

723

00:31:35,200 --> 00:31:33,590

away which I did a very nice person it

724

00:31:36,549 --> 00:31:35,210

turns out that she

725

00:31:38,310 --> 00:31:36,559

been watching the Donahue show she

726

00:31:41,019 --> 00:31:38,320

didn't even realize that her project

727

00:31:44,289 --> 00:31:41,029

existed headquarter right there in

728

00:31:48,250 --> 00:31:44,299

Austin and was thrilled so she called

729

00:31:50,320 --> 00:31:48,260

her brother who was a physical scientist

730

00:31:53,260 --> 00:31:50,330

working at the White Sands proving

731

00:31:55,240 --> 00:31:53,270

grounds at that time she told him about

732

00:31:57,610 --> 00:31:55,250

the equipment that we showed pictures of

733

00:31:59,560 --> 00:31:57,620

and discussed on the Donahue show which

734

00:32:01,269 --> 00:31:59,570

receive more calls and the show ever

735

00:32:04,450 --> 00:32:01,279

received in its history understood later

736

00:32:06,669 --> 00:32:04,460

from the producer and he she told him

737

00:32:08,470 --> 00:32:06,679

the these details and he said my gosh he

738

00:32:10,779 --> 00:32:08,480

said I'm so glad you called me this time

739

00:32:13,659 --> 00:32:10,789

he said for several weeks so we have

740

00:32:16,419 --> 00:32:13,669

been plagued by these crazy things out

741

00:32:18,669 --> 00:32:16,429

here he said there has been in fact so

742

00:32:21,639 --> 00:32:18,679

much activity that a directive was sent

743

00:32:24,340 --> 00:32:21,649

out that everyone out here was to use

744

00:32:26,950 --> 00:32:24,350

any means at their disposal to get

745

00:32:28,899 --> 00:32:26,960

intelligence on these objects and he

746

00:32:31,210 --> 00:32:28,909

said I would bet if you would tell those

747

00:32:33,490 --> 00:32:31,220

guys to sneak around here they obviously

748

00:32:35,230 --> 00:32:33,500

can't get in the facility but if they'll

749

00:32:37,090 --> 00:32:35,240

sleep sneaked around the edge they've

750

00:32:39,190 --> 00:32:37,100

got to see these things because we are

751  
00:32:42,010 --> 00:32:39,200  
seeing them so regularly and constantly

752  
00:32:45,130 --> 00:32:42,020  
in the last few weeks well we wouldn't

753  
00:32:50,019 --> 00:32:45,140  
pass up an opportunity like that so on

754  
00:32:52,389 --> 00:32:50,029  
the morning of the 19th of July 1978 we

755  
00:32:54,970 --> 00:32:52,399  
had packed all of our fancy equipment in

756  
00:32:57,490 --> 00:32:54,980  
the Chevrolet Silverado and the tree and

757  
00:32:59,889 --> 00:32:57,500  
myself and two other persons experienced

758  
00:33:01,870 --> 00:32:59,899  
members of our air ground crew they can

759  
00:33:05,680 --> 00:33:01,880  
operate the equipment we took off for

760  
00:33:07,269 --> 00:33:05,690  
first West Texas and the it was odd

761  
00:33:10,990 --> 00:33:07,279  
because we had planned to circulate

762  
00:33:12,549 --> 00:33:11,000  
around the east side of light sands and

763  
00:33:14,919 --> 00:33:12,559

when we got to highway where we were to

764

00:33:18,070 --> 00:33:14,929

turn I had this weird sensation maybe

765

00:33:20,529 --> 00:33:18,080

this is where my grandmother inherited

766

00:33:22,149 --> 00:33:20,539

psychic ability comes in I had a feeling

767

00:33:24,310 --> 00:33:22,159

if we took that route we wouldn't see a

768

00:33:27,159 --> 00:33:24,320

thing but I had a feeling to go on and

769

00:33:28,720 --> 00:33:27,169

take the highway across to Roswell

770

00:33:30,010 --> 00:33:28,730

not because of Roswell but because it

771

00:33:32,919 --> 00:33:30,020

was the highway I thought we were to

772

00:33:34,930 --> 00:33:32,929

take and we did and when we got through

773

00:33:39,100 --> 00:33:34,940

the plains Texas just west of Plains

774

00:33:41,620 --> 00:33:39,110

Texas and from daylight all of a sudden

775

00:33:44,680 --> 00:33:41,630

we saw two UFOs maneuvering in this

776  
00:33:47,139 --> 00:33:44,690  
beautiful blue desert sky and we stopped

777  
00:33:48,680 --> 00:33:47,149  
and now we were so excited I forgot to

778  
00:33:50,930 --> 00:33:48,690  
put out the gravimeter sensor but

779  
00:33:54,920 --> 00:33:50,940  
we I put out the magnetometer sensor

780  
00:33:56,390 --> 00:33:54,930  
properly deployed and got the super 8

781  
00:33:59,600 --> 00:33:56,400  
millimeter movie camera with 10 power

782  
00:34:01,570 --> 00:33:59,610  
telephoto lens out and filmed these

783  
00:34:04,340 --> 00:34:01,580  
things they were wonderful these objects

784  
00:34:05,630 --> 00:34:04,350  
would go along side by side and we had

785  
00:34:09,410 --> 00:34:05,640  
the impression they were a pretty good

786  
00:34:12,610 --> 00:34:09,420  
angular size each object I would say

787  
00:34:14,480 --> 00:34:12,620  
that it covered about Oh nearly the full

788  
00:34:16,280 --> 00:34:14,490

angular width of the full moon which

789

00:34:18,440 --> 00:34:16,290

would be about a half degree and they

790

00:34:19,790 --> 00:34:18,450

would be moving along side by side at

791

00:34:21,950 --> 00:34:19,800

high speed and we felt they were

792

00:34:24,680 --> 00:34:21,960

somewhere but at least between 60 and 90

793

00:34:25,910 --> 00:34:24,690

thousand feet maybe higher and then one

794

00:34:28,700 --> 00:34:25,920

would instantly be going the other way

795

00:34:31,370 --> 00:34:28,710

now it's interesting that when I examine

796

00:34:33,410 --> 00:34:31,380

the movie film actor word you see both

797

00:34:35,840 --> 00:34:33,420

objects they look quite normal until the

798

00:34:38,210 --> 00:34:35,850

moment the one reverses the moment

799

00:34:41,990 --> 00:34:38,220

before it reverses around that one you

800

00:34:43,400 --> 00:34:42,000

see a like a donut of brilliant red with

801  
00:34:46,880 --> 00:34:43,410  
streaks going out from it in all

802  
00:34:48,980 --> 00:34:46,890  
directions and this would suggest some

803  
00:34:52,460 --> 00:34:48,990  
bursts of energy that enabled it to flip

804  
00:34:55,070 --> 00:34:52,470  
and move exactly 180 degrees with no

805  
00:34:56,690 --> 00:34:55,080  
visible slowdown which is in itself

806  
00:34:59,450 --> 00:34:56,700  
quite remarkable but that's that's why

807  
00:35:02,000 --> 00:34:59,460  
we recorded and we had the first great

808  
00:35:04,490 --> 00:35:02,010  
thrill of our experiences in trying to

809  
00:35:07,400 --> 00:35:04,500  
hard data monitor UFOs because as we

810  
00:35:08,900 --> 00:35:07,410  
watch this we had an audio analog of the

811  
00:35:11,090 --> 00:35:08,910  
magnetic field they were putting out

812  
00:35:14,710 --> 00:35:11,100  
strong magnetic field effect in the

813  
00:35:17,090 --> 00:35:14,720

extreme low frequency range and whenever

814

00:35:18,980 --> 00:35:17,100

visually one of these objects would

815

00:35:20,990 --> 00:35:18,990

reverse direction let me give you with

816

00:35:27,100 --> 00:35:21,000

my voice as close as I can duplicate it

817

00:35:31,010 --> 00:35:29,120

there's nothing wrong with your

818

00:35:38,600 --> 00:35:31,020

television set we're constrained that

819

00:35:40,850 --> 00:35:38,610

sounded like a wounded cat great let me

820

00:35:43,460 --> 00:35:40,860

let me just jump in here real quick you

821

00:35:46,700 --> 00:35:43,470

mentioned that you filmed the this event

822

00:35:49,160 --> 00:35:46,710

now have these films ever been shown

823

00:35:53,089 --> 00:35:49,170

publicly I know you have you're sitting

824

00:35:55,109 --> 00:35:53,099

on a traffic slab of films right

825

00:35:56,999 --> 00:35:55,119

have you ever had these broadcast

826

00:35:58,799 --> 00:35:57,009

anywhere they ever been published oh no

827

00:35:59,999 --> 00:35:58,809

no no they have not been broadcast okay

828

00:36:01,410 --> 00:36:00,009

we're gonna talk about this whole

829

00:36:03,269 --> 00:36:01,420

subject I don't want to interrupt and

830

00:36:05,370 --> 00:36:03,279

digress too far but later on we'll talk

831

00:36:07,559 --> 00:36:05,380

about your films but but continue that's

832

00:36:09,150 --> 00:36:07,569

a before we do continue we're about to

833

00:36:11,099 --> 00:36:09,160

take a break and I don't want to have a

834

00:36:13,589 --> 00:36:11,109

cliffhanger people criticize us when we

835

00:36:15,870 --> 00:36:13,599

have to do a break which is mandated by

836

00:36:17,609 --> 00:36:15,880

a time clock and then we have to break

837

00:36:19,319 --> 00:36:17,619

the conversation so I'm going to let ray

838

00:36:21,210 --> 00:36:19,329

answer that question on the other side

839

00:36:22,950 --> 00:36:21,220

we have to tell everybody that if you

840

00:36:26,609 --> 00:36:22,960

want to learn more the things that we do

841

00:36:28,769 --> 00:36:26,619

go to the para cast come with a th e the

842

00:36:31,170 --> 00:36:28,779

para cast com where you learn the

843

00:36:34,529 --> 00:36:31,180

upcoming show schedules and also you can

844

00:36:37,109 --> 00:36:34,539

download what close to 250 episodes of

845

00:36:39,059 --> 00:36:37,119

the para cast free of charge that means

846

00:36:41,220 --> 00:36:39,069

you don't pay a dime to get those

847

00:36:43,620 --> 00:36:41,230

episodes and a lot of other shows will

848

00:36:46,140 --> 00:36:43,630

they charge you premium fees for things

849

00:36:47,640 --> 00:36:46,150

like that we give it away are we stupid

850

00:36:50,009 --> 00:36:47,650

or not don't answer that question

851  
00:36:52,230 --> 00:36:50,019  
Chris O'Brien joins us as co-host our

852  
00:36:57,200 --> 00:36:52,240  
guest is Ray Stanford I'm gene Steinberg

853  
00:37:03,210 --> 00:36:59,840  
[Music]

854  
00:37:05,940 --> 00:37:03,220  
Ray Perkins a reclusive veteran burned

855  
00:37:08,210 --> 00:37:05,950  
out from the Gulf War lives tortured by

856  
00:37:10,590 --> 00:37:08,220  
relentless perplexing nightmares

857  
00:37:12,510 --> 00:37:10,600  
nightmares of a horrific battle in deep

858  
00:37:14,790 --> 00:37:12,520  
space and of a mysterious woman

859  
00:37:17,910 --> 00:37:14,800  
suffering an agony for her devastated

860  
00:37:21,800 --> 00:37:17,920  
world a woman not yet born calling

861  
00:37:24,480 --> 00:37:21,810  
across centuries to him then a

862  
00:37:27,660 --> 00:37:24,490  
coincidence leads him to his destiny his

863  
00:37:29,910 --> 00:37:27,670

chance to alter the universe attack of

864

00:37:32,160 --> 00:37:29,920

the rötteln the former fiction editor

865

00:37:34,470 --> 00:37:32,170

for Star Wars and Indiana Jones Robert

866

00:37:36,330 --> 00:37:34,480

Simpson writes the soul of the novel

867

00:37:37,770 --> 00:37:36,340

attack of the Rockaways lies in its

868

00:37:39,750 --> 00:37:37,780

heart and passion for building a

869

00:37:42,810 --> 00:37:39,760

convincing tale of a love that spans the

870

00:37:45,690 --> 00:37:42,820

galaxy a thrilling story attack of the

871

00:37:47,490 --> 00:37:45,700

rocket is available now read a simple

872

00:37:49,290 --> 00:37:47,500

chapter and get a special discount off

873

00:37:53,520 --> 00:37:49,300

of the cover price at our website

874

00:37:57,900 --> 00:37:53,530

raah codes calm that's our Ock Oh IDs

875

00:38:00,090 --> 00:37:57,910

calm attack of the rock a novel in the

876

00:38:02,280 --> 00:38:00,100

grand science-fiction tradition fate

877

00:38:03,990 --> 00:38:02,290

magazine provides true reports of the

878

00:38:06,240 --> 00:38:04,000

strange and unknown keep up with the

879

00:38:09,210 --> 00:38:06,250

latest on angels and miracle psychic

880

00:38:10,290 --> 00:38:09,220

phenomena ghosts UFOs life after death

881

00:38:12,240 --> 00:38:10,300

and much much more

882

00:38:14,670 --> 00:38:12,250

to receive your free issue of faith

883

00:38:18,000 --> 00:38:14,680

magazine call now at one eight hundred

884

00:38:22,650 --> 00:38:18,010

seven two eight two seven three zero or

885

00:38:25,470 --> 00:38:22,660

visit their website at [wwlp.com](http://wwlp.com) that's

886

00:38:27,390 --> 00:38:25,480

one eight hundred seven two eight twenty

887

00:38:32,640 --> 00:38:27,400

seven thirty what are you waiting for

888

00:38:34,590 --> 00:38:32,650

your fate awaits you owe the IRS money

889

00:38:36,330 --> 00:38:34,600

you can't pay then listen carefully

890

00:38:38,760 --> 00:38:36,340

because you already know that the

891

00:38:40,410 --> 00:38:38,770

problem won't go away by itself you can

892

00:38:43,050 --> 00:38:40,420

get help today from the leading tax

893

00:38:45,000 --> 00:38:43,060

expert in the country dan pillow hi I'm

894

00:38:47,070 --> 00:38:45,010

Dan pillow the IRS isn't going to just

895

00:38:48,990 --> 00:38:47,080

forget about you right now the IRS is

896

00:38:50,520 --> 00:38:49,000

hiring thousands of tax collectors to go

897

00:38:52,740 --> 00:38:50,530

after delinquent accounts just like

898

00:38:54,140 --> 00:38:52,750

yours that's why you need to take action

899

00:38:56,269 --> 00:38:54,150

today and I can

900

00:38:57,829 --> 00:38:56,279

I take a simple but proven approach to

901  
00:38:59,720 --> 00:38:57,839  
solving your tax debt problem

902  
00:39:01,609 --> 00:38:59,730  
first I stabilize collections so you

903  
00:39:03,319 --> 00:39:01,619  
don't have to worry you worry but only

904  
00:39:04,130 --> 00:39:03,329  
because you're paying attention what's

905  
00:39:06,440 --> 00:39:04,140  
happening in the Gulf of Mexico

906  
00:39:08,539 --> 00:39:06,450  
illustrates an audacity toward nature a

907  
00:39:10,370 --> 00:39:08,549  
similar audacity called GMO or

908  
00:39:12,019 --> 00:39:10,380  
genetically modified organisms means

909  
00:39:13,940 --> 00:39:12,029  
that the quality of commercially grown

910  
00:39:16,010 --> 00:39:13,950  
food may be compromised with our health

911  
00:39:17,390 --> 00:39:16,020  
in the balance now that summer's here

912  
00:39:19,339 --> 00:39:17,400  
what better time to learn about the

913  
00:39:22,309 --> 00:39:19,349

bounty that nature provides in wild

914

00:39:24,349 --> 00:39:22,319

edible food let Otto Linda Runyan show

915

00:39:26,420 --> 00:39:24,359

you the best kept secret in plain sight

916

00:39:27,799 --> 00:39:26,430

that food is everywhere you look this

917

00:39:29,390 --> 00:39:27,809

summer for the cost of a good meal or

918

00:39:30,620 --> 00:39:29,400

two out you can literally starvation

919

00:39:32,960 --> 00:39:30,630

proof yourself and your loved ones

920

00:39:35,210 --> 00:39:32,970

against any future craziness and put up

921

00:39:36,890 --> 00:39:35,220

tons of free food to whatever experiment

922

00:39:38,480 --> 00:39:36,900

is being run on us you can rest assured

923

00:39:40,640 --> 00:39:38,490

that Linda's 50 or so staple foods

924

00:39:43,579 --> 00:39:40,650

aren't involved our foods are their

925

00:39:48,890 --> 00:39:43,589

enemy so go to of the field calm or call

926

00:39:52,250 --> 00:39:48,900

toll-free 1-800 ASIS of food security

927

00:39:54,859 --> 00:39:52,260

and nutrition now that's off the field

928

00:39:56,839 --> 00:39:54,869

calm or call one eight eight eight five

929

00:39:59,089 --> 00:39:56,849

one three two eight three seven start

930

00:40:01,130 --> 00:39:59,099

now and make 2010 your year of

931

00:40:03,529 --> 00:40:01,140

independence there are many types of

932

00:40:05,329 --> 00:40:03,539

storable foods but how about a superfood

933

00:40:07,880 --> 00:40:05,339

that contains every nutrient that the

934

00:40:10,609 --> 00:40:07,890

human body needs for survival 50%

935

00:40:12,980 --> 00:40:10,619

protein 300 milligrams of potassium per

936

00:40:15,109 --> 00:40:12,990

ounce and calcium and magnesium for your

937

00:40:16,640 --> 00:40:15,119

heart and bones with many more nutrients

938

00:40:18,559 --> 00:40:16,650

found in this incredible food source

939

00:40:20,660 --> 00:40:18,569

that the government does not want you to

940

00:40:23,059 --> 00:40:20,670

have this product is available in powder

941

00:40:25,160 --> 00:40:23,069

seeds and oil and is shipped free to

942

00:40:27,380 --> 00:40:25,170

your door in the US this product is

943

00:40:29,390 --> 00:40:27,390

illegal to grow in the US but is legal

944

00:40:31,490 --> 00:40:29,400

to import don't waste time thinking

945

00:40:33,260 --> 00:40:31,500

about storing food plan ahead and

946

00:40:35,839 --> 00:40:33,270

prepare for yourself and your family now

947

00:40:37,730 --> 00:40:35,849

and be in control of your destiny you

948

00:40:39,859 --> 00:40:37,740

can save and invest your money but in

949

00:40:41,990 --> 00:40:39,869

the end food will be your greatest asset

950

00:40:46,789 --> 00:40:42,000

remember what the Word of God says in

951  
00:40:48,680 --> 00:40:46,799  
Ezekiel 719 call 908 691 to 608 and see

952  
00:40:50,900 --> 00:40:48,690  
what the powder seeds in oil can do for

953  
00:40:54,980 --> 00:40:50,910  
you remember food will be your greatest

954  
00:40:59,269 --> 00:40:54,990  
asset call 908 691 to 608 this product

955  
00:41:02,089 --> 00:40:59,279  
does not contain THC call 908 691 to 608

956  
00:41:03,019 --> 00:41:02,099  
today tired of searching for great

957  
00:41:05,570 --> 00:41:03,029  
talk-radio

958  
00:41:11,600 --> 00:41:05,580  
and I think it really does make it

959  
00:41:14,390 --> 00:41:11,610  
we are the gcn radio network hi this is

960  
00:41:16,970 --> 00:41:14,400  
Don Ecker and you are tuned into the

961  
00:41:19,430 --> 00:41:16,980  
para cast let me tell you what you're

962  
00:41:22,670 --> 00:41:19,440  
gonna hear stuff here that you probably

963  
00:41:25,460 --> 00:41:22,680

won't hear anywhere else here that

964

00:41:27,440 --> 00:41:25,470

George Noory race and for joining us

965

00:41:31,580 --> 00:41:27,450

this week on the power cast we were

966

00:41:34,070 --> 00:41:31,590

about to talk further about this 1978

967

00:41:36,440 --> 00:41:34,080

UFO encounter that he witnessed the

968

00:41:39,050 --> 00:41:36,450

co-host is Chris O'Brien I'm gene

969

00:41:41,330 --> 00:41:39,060

steinberger in the power cast so Chris

970

00:41:43,610 --> 00:41:41,340

put a question on the table then I broke

971

00:41:46,880 --> 00:41:43,620

it for a few moments could you answer

972

00:41:49,900 --> 00:41:46,890

ray I'm not sure that that chris said he

973

00:41:52,490 --> 00:41:49,910

wanted but the postponed a discussion of

974

00:41:54,140 --> 00:41:52,500

let's cut that later let's let ray go on

975

00:41:55,790 --> 00:41:54,150

all right let me tell you a few more

976  
00:41:59,300 --> 00:41:55,800  
important very important details of this

977  
00:42:02,180 --> 00:41:59,310  
case we as we normally did our field

978  
00:42:03,980 --> 00:42:02,190  
operations we were recording a time

979  
00:42:05,150 --> 00:42:03,990  
signal from the Bureau of Standards at

980  
00:42:08,410 --> 00:42:05,160  
Fort Collins Colorado

981  
00:42:11,870 --> 00:42:08,420  
it's called wwvv it's a binary time

982  
00:42:14,240 --> 00:42:11,880  
format and we're recording this on the

983  
00:42:16,430 --> 00:42:14,250  
tape in the different grains in which

984  
00:42:19,100 --> 00:42:16,440  
we're recording the magnetic field

985  
00:42:21,170 --> 00:42:19,110  
effects of the UFOs and GFX if we'd had

986  
00:42:23,090 --> 00:42:21,180  
that particular part operating that

987  
00:42:24,890 --> 00:42:23,100  
afternoon which we forgot because it was

988  
00:42:26,930 --> 00:42:24,900

so exciting then we didn't forget the

989

00:42:29,450 --> 00:42:26,940

next later that night when something

990

00:42:32,330 --> 00:42:29,460

happened but what is interesting is that

991

00:42:34,940 --> 00:42:32,340

when you look at the analog graph of the

992

00:42:37,370 --> 00:42:34,950

radio signal from Fort Collins Bureau

993

00:42:40,040 --> 00:42:37,380

standard broadcast which is below our

994

00:42:42,020 --> 00:42:40,050

horizon there in West Texas and with the

995

00:42:43,700 --> 00:42:42,030

pins upon the reflection of the

996

00:42:46,250 --> 00:42:43,710

ionosphere which acts kind of like a

997

00:42:48,110 --> 00:42:46,260

metal sheet and reflects the signal from

998

00:42:51,560 --> 00:42:48,120

the Bureau of Standards down toward us

999

00:42:53,540 --> 00:42:51,570

look when you look at the signal of the

1000

00:42:56,300 --> 00:42:53,550

UFO magnetic field in the extremely

1001  
00:42:59,090 --> 00:42:56,310  
frequency range whenever that reversal

1002  
00:43:01,550 --> 00:42:59,100  
of direction occurs you see and and the

1003  
00:43:04,820 --> 00:43:01,560  
feel and magnitude dispossess up

1004  
00:43:08,300 --> 00:43:04,830  
tremendously high you see a directly

1005  
00:43:10,940 --> 00:43:08,310  
proportioned rhop in the reception from

1006  
00:43:13,910 --> 00:43:10,950  
wwwv which indicates that they were

1007  
00:43:16,460 --> 00:43:13,920  
disturbing the ionosphere with the

1008  
00:43:17,900 --> 00:43:16,470  
strong magnetic field which tends to be

1009  
00:43:18,870 --> 00:43:17,910  
borne out also by the fact that they

1010  
00:43:23,100 --> 00:43:18,880  
were at high

1011  
00:43:26,970 --> 00:43:23,110  
altitude as I said earlier and therefore

1012  
00:43:30,270 --> 00:43:26,980  
we have a substantiation there of a

1013  
00:43:32,910 --> 00:43:30,280

hypothesis that suggests that UFOs are

1014

00:43:33,990 --> 00:43:32,920

using magneto hydrodynamics propulsion

1015

00:43:36,270 --> 00:43:34,000

that they are electrifying the

1016

00:43:36,810 --> 00:43:36,280

atmosphere around them and moving it for

1017

00:43:39,210 --> 00:43:36,820

propulsion

1018

00:43:41,220 --> 00:43:39,220

with a magnetic field and when they have

1019

00:43:43,470 --> 00:43:41,230

to alter that and put on some extra

1020

00:43:46,470 --> 00:43:43,480

force to reverse direction and it pulses

1021

00:43:49,470 --> 00:43:46,480

up it jars the ionosphere we lose

1022

00:43:51,240 --> 00:43:49,480

virtually all or almost all of our

1023

00:43:53,400 --> 00:43:51,250

signal from the Bureau of Standards only

1024

00:43:55,410 --> 00:43:53,410

in that period and as soon as the UFO

1025

00:43:57,450 --> 00:43:55,420

field returns to normal the reception

1026  
00:43:59,160 --> 00:43:57,460  
from Fort Collins returns to normal and

1027  
00:44:02,340 --> 00:43:59,170  
you have this you have this information

1028  
00:44:05,130 --> 00:44:02,350  
you know in a graph form that was

1029  
00:44:07,260 --> 00:44:05,140  
recorded at the time at the location in

1030  
00:44:10,290 --> 00:44:07,270  
other words yes and yes in fact I sent

1031  
00:44:12,660 --> 00:44:10,300  
you a slide that included two samples of

1032  
00:44:14,460 --> 00:44:12,670  
it okay great so we're gonna put that up

1033  
00:44:17,010 --> 00:44:14,470  
on the para cows just to give people a

1034  
00:44:19,830 --> 00:44:17,020  
point of reference on that continue this

1035  
00:44:21,870 --> 00:44:19,840  
was of course a most thrilling thing we

1036  
00:44:24,120 --> 00:44:21,880  
have not only the recordings going on

1037  
00:44:28,260 --> 00:44:24,130  
inside the machine that magnetometer

1038  
00:44:31,200 --> 00:44:28,270

gravimeter @ww signal externally we had

1039

00:44:33,270 --> 00:44:31,210

an ambient sounds recorder the records

1040

00:44:36,180 --> 00:44:33,280

every click of a camera everything that

1041

00:44:38,820 --> 00:44:36,190

we say and this this kind of thing

1042

00:44:40,620 --> 00:44:38,830

and it's really exciting when you when

1043

00:44:45,480 --> 00:44:40,630

you listen to it after we did when we

1044

00:44:47,100 --> 00:44:45,490

got back to Austin you hear when we for

1045

00:44:50,190 --> 00:44:47,110

the first time in the history of our

1046

00:44:51,870 --> 00:44:50,200

entire project when we hear these strong

1047

00:44:54,030 --> 00:44:51,880

magnetic pulses from the UFO and

1048

00:44:56,930 --> 00:44:54,040

suddenly it reverses direction one of

1049

00:45:01,830 --> 00:44:59,820

and it did this numbers of times I mean

1050

00:45:05,160 --> 00:45:01,840

you hear is jumping up and down and

1051  
00:45:08,250 --> 00:45:05,170  
shouting I mean if we really had a shot

1052  
00:45:10,500 --> 00:45:08,260  
of adrenaline with that now as we left

1053  
00:45:12,810 --> 00:45:10,510  
as the objects disappeared and we put up

1054  
00:45:14,880 --> 00:45:12,820  
our equipment and headed west on tarah

1055  
00:45:17,790 --> 00:45:14,890  
as well they have dinner we got to

1056  
00:45:19,290 --> 00:45:17,800  
talking and I said did you guys feel

1057  
00:45:20,730 --> 00:45:19,300  
that feeling just before these things

1058  
00:45:22,350 --> 00:45:20,740  
showed up I said I felt it really

1059  
00:45:26,010 --> 00:45:22,360  
strongly yes I did from even the very

1060  
00:45:28,980 --> 00:45:26,020  
first time I ever saw a UFO in the 1950s

1061  
00:45:31,500 --> 00:45:28,990  
and the mid 1950s they both said they

1062  
00:45:32,610 --> 00:45:31,510  
did I said well I said I would think

1063  
00:45:35,960 --> 00:45:32,620

this must have been some

1064

00:45:38,790 --> 00:45:35,970

a psychic signal from the occupants and

1065

00:45:42,630 --> 00:45:38,800

one of our other two crew members there

1066

00:45:44,280 --> 00:45:42,640

was a man ray-ray hold on a second you

1067

00:45:46,680 --> 00:45:44,290

said you felt that this was a psychic

1068

00:45:48,630 --> 00:45:46,690

signal from the occupants I thought it

1069

00:45:50,970 --> 00:45:48,640

might be I couldn't explain it I had you

1070

00:45:54,450 --> 00:45:50,980

know my first did anybody else's did

1071

00:45:57,120 --> 00:45:54,460

anybody else you know suggest that they

1072

00:45:59,520 --> 00:45:57,130

also kind of felt some sort of sensation

1073

00:46:02,250 --> 00:45:59,530

what kind of surprise me I asked him if

1074

00:46:04,860 --> 00:46:02,260

they felt it but I was very surprised to

1075

00:46:08,040 --> 00:46:04,870

say that both of them did but the one

1076  
00:46:10,800 --> 00:46:08,050  
man who is a before you go on with that

1077  
00:46:13,590 --> 00:46:10,810  
right okay you felt this impression

1078  
00:46:16,050 --> 00:46:13,600  
describe it in more detail how okay you

1079  
00:46:18,240 --> 00:46:16,060  
feel why do you feel it would come from

1080  
00:46:20,010 --> 00:46:18,250  
the occupants of these UFO I don't feel

1081  
00:46:21,600 --> 00:46:20,020  
that I want to explain that I don't feel

1082  
00:46:24,120 --> 00:46:21,610  
that I did at the time and had since the

1083  
00:46:26,520 --> 00:46:24,130  
1950s but this experience changed my

1084  
00:46:30,420 --> 00:46:26,530  
mind is you'll see now the feeling is

1085  
00:46:32,850 --> 00:46:30,430  
one that I call euphoria you phor I a

1086  
00:46:35,010 --> 00:46:32,860  
means a strong sense of well-being or

1087  
00:46:37,350 --> 00:46:35,020  
even a false sense of well-being but I

1088  
00:46:39,090 --> 00:46:37,360

spell it with UFO RI a because what

1089

00:46:41,400 --> 00:46:39,100

we've found out is that when these

1090

00:46:44,130 --> 00:46:41,410

things get within about 20 miles of us

1091

00:46:46,260 --> 00:46:44,140

you can learn to feel this but I did not

1092

00:46:48,030 --> 00:46:46,270

know at the time that that is what this

1093

00:46:51,720 --> 00:46:48,040

was that I had experienced in UFO

1094

00:46:54,420 --> 00:46:51,730

encounters since June 10th 1953 or 54

1095

00:46:56,040 --> 00:46:54,430

which ever was and I had interpreted

1096

00:46:58,890 --> 00:46:56,050

there's some kind of a psychic

1097

00:47:01,140 --> 00:46:58,900

interface with the occupants okay so

1098

00:47:04,020 --> 00:47:01,150

this euphoria could be maybe an

1099

00:47:06,600 --> 00:47:04,030

outgrowth of the radiation they generate

1100

00:47:09,420 --> 00:47:06,610

when they fly around in the semi explain

1101  
00:47:11,280 --> 00:47:09,430  
the the businessman who is with us is

1102  
00:47:13,050 --> 00:47:11,290  
one of our big finance tears he said

1103  
00:47:15,360 --> 00:47:13,060  
look right this was nothing psychic he

1104  
00:47:18,270 --> 00:47:15,370  
said I'm as psychic as I as a glass

1105  
00:47:20,070 --> 00:47:18,280  
doorknob he said you know this was so

1106  
00:47:22,500 --> 00:47:20,080  
physical you could cause like my middle

1107  
00:47:24,360 --> 00:47:22,510  
name psychic is a glass doorknob yeah

1108  
00:47:27,330 --> 00:47:24,370  
maybe he said brass either one they

1109  
00:47:29,190 --> 00:47:27,340  
rhyme and but what happened is he said

1110  
00:47:31,730 --> 00:47:29,200  
look I can tell you you know how psychic

1111  
00:47:34,800 --> 00:47:31,740  
and not he said this was something

1112  
00:47:37,050 --> 00:47:34,810  
physiological well when we had gone on

1113  
00:47:40,500 --> 00:47:37,060

it the amazing experiences in the next

1114

00:47:42,120 --> 00:47:40,510

few days and that night we went out to

1115

00:47:45,420 --> 00:47:42,130

California to the company that had made

1116

00:47:45,970 --> 00:47:45,430

our equipment and they analog craft says

1117

00:47:48,730 --> 00:47:45,980

and

1118

00:47:50,410 --> 00:47:48,740

we saw that a large part of the

1119

00:47:52,930 --> 00:47:50,420

extremely low frequency magnetism that

1120

00:47:55,750 --> 00:47:52,940

these objects were emitting was in the

1121

00:47:59,830 --> 00:47:55,760

range of deep restful sleep well I did

1122

00:48:02,940 --> 00:47:59,840

some research in depth upon studies not

1123

00:48:06,130 --> 00:48:02,950

at all related to UFOs in laboratories

1124

00:48:08,560 --> 00:48:06,140

studying the reaction of the human

1125

00:48:11,050 --> 00:48:08,570

nervous system ebrake which is nervous

1126

00:48:14,230 --> 00:48:11,060

ofcourse to extreme low frequency

1127

00:48:16,660 --> 00:48:14,240

magnetism and I found out that for one

1128

00:48:18,060 --> 00:48:16,670

thing that when the brain system

1129

00:48:20,920 --> 00:48:18,070

encounters those that are in that

1130

00:48:22,300 --> 00:48:20,930

natural physiological range and by means

1131

00:48:24,310 --> 00:48:22,310

that which they don't quite understand

1132

00:48:26,980 --> 00:48:24,320

at least didn't then it starts

1133

00:48:28,980 --> 00:48:26,990

replicating them it starts copying it's

1134

00:48:31,240 --> 00:48:28,990

kind of like I give you an analogy you

1135

00:48:32,440 --> 00:48:31,250

you're around a person you really admire

1136

00:48:33,730 --> 00:48:32,450

and they're from another country and

1137

00:48:35,349 --> 00:48:33,740

then you're much embarrassed an hour

1138

00:48:39,520 --> 00:48:35,359

later you're suddenly talking and there

1139

00:48:41,740 --> 00:48:39,530

actually is a replication something hits

1140

00:48:43,570 --> 00:48:41,750

me here of all the thousands of people

1141

00:48:45,609 --> 00:48:43,580

who've seen UFOs maybe millions of

1142

00:48:49,630 --> 00:48:45,619

people how many experienced this

1143

00:48:51,340 --> 00:48:49,640

euphoria this effect when they are in

1144

00:48:52,750 --> 00:48:51,350

the vicinity of a sighting this is

1145

00:48:54,670 --> 00:48:52,760

something that's happening over and over

1146

00:48:56,470 --> 00:48:54,680

again and it is mentioned in the

1147

00:48:58,090 --> 00:48:56,480

literature not by my name unless

1148

00:49:01,359 --> 00:48:58,100

somebody's picked up on my telling it

1149

00:49:03,520 --> 00:49:01,369

publicly but let me point out that these

1150

00:49:05,320 --> 00:49:03,530

may be one event cases and you don't

1151  
00:49:07,150 --> 00:49:05,330  
make a correlation for example all those

1152  
00:49:09,010 --> 00:49:07,160  
years and the encounters I had had I

1153  
00:49:11,200 --> 00:49:09,020  
didn't make that correlation of course

1154  
00:49:13,240 --> 00:49:11,210  
that it was physiological but others

1155  
00:49:15,460 --> 00:49:13,250  
with me had experienced in it but I was

1156  
00:49:18,700 --> 00:49:15,470  
really pleased and surprised that these

1157  
00:49:22,270 --> 00:49:18,710  
guys did that day anyway we kept on

1158  
00:49:24,580 --> 00:49:22,280  
going down the highway and Oh long ago a

1159  
00:49:25,990 --> 00:49:24,590  
cloud a small one of these real light

1160  
00:49:28,470 --> 00:49:26,000  
clouds moved out of the way and here was

1161  
00:49:31,599 --> 00:49:28,480  
a beautiful thing shaped like a cylinder

1162  
00:49:33,270 --> 00:49:31,609  
glowing an incredible deep rich emerald

1163  
00:49:36,099 --> 00:49:33,280

to the most beautiful Kelly or

1164

00:49:38,349 --> 00:49:36,109

best-quality mo you could imagine green

1165

00:49:41,500 --> 00:49:38,359

and suddenly off the end of it two

1166

00:49:43,450 --> 00:49:41,510

parallel streaks started projecting out

1167

00:49:46,210 --> 00:49:43,460

they were as fine as if you drew them

1168

00:49:47,830 --> 00:49:46,220

with a sharp draftsman pencil and they

1169

00:49:51,400 --> 00:49:47,840

they went out like rails they projected

1170

00:49:53,109 --> 00:49:51,410

out of the thing and oh boy of course we

1171

00:49:54,340 --> 00:49:53,119

thrown the brakes and we're gonna stop

1172

00:49:56,950 --> 00:49:54,350

and get our thanks and at that point

1173

00:49:59,109 --> 00:49:56,960

another cloud little cloud moved in

1174

00:49:59,800 --> 00:49:59,119

front of it but before we could get our

1175

00:50:01,420 --> 00:49:59,810

equipment now

1176

00:50:03,940 --> 00:50:01,430

the cloud moved out of the way and it

1177

00:50:06,220 --> 00:50:03,950

was no longer there but so that's one of

1178

00:50:09,130 --> 00:50:06,230

the facing either way but they didn't

1179

00:50:11,290 --> 00:50:09,140

get away that night fortunately because

1180

00:50:13,780 --> 00:50:11,300

we followed what we had been told by a

1181

00:50:16,839 --> 00:50:13,790

very nice lady in Austin and we went

1182

00:50:19,870 --> 00:50:16,849

right on had dinner at Roswell and went

1183

00:50:21,550 --> 00:50:19,880

right on past curry soda which is just

1184

00:50:24,730 --> 00:50:21,560

north of the highway in New Mexico north

1185

00:50:27,190 --> 00:50:24,740

otherwise everything arranged and we got

1186

00:50:31,120 --> 00:50:27,200

to a point just a little to the north

1187

00:50:34,359 --> 00:50:31,130

west of a huge peak they're called guna

1188

00:50:36,339 --> 00:50:34,369

OS see you are a peak you can get up on

1189

00:50:38,440 --> 00:50:36,349

top of there if you were head clearance

1190

00:50:40,270 --> 00:50:38,450

and you can look over and see where the

1191

00:50:43,180 --> 00:50:40,280

first nuclear bomb was set off at the

1192

00:50:45,460 --> 00:50:43,190

Jornada del Muerto in New Mexico well

1193

00:50:47,290 --> 00:50:45,470

anyway we're driving along there and I

1194

00:50:49,450 --> 00:50:47,300

am as I'm driving at that time and I'm

1195

00:50:51,430 --> 00:50:49,460

as tired as I can be because we spent

1196

00:50:53,920 --> 00:50:51,440

most of the night before packing up and

1197

00:50:55,810 --> 00:50:53,930

so we're just really dragged out at that

1198

00:50:57,670 --> 00:50:55,820

point all of a sudden I felt the

1199

00:51:00,940 --> 00:50:57,680

authority are so strong which is a sense

1200

00:51:02,410 --> 00:51:00,950

of extreme well-being that I mean I had

1201  
00:51:04,720 --> 00:51:02,420  
not ever experienced it that strong

1202  
00:51:05,740 --> 00:51:04,730  
perhaps and I said to the other two I

1203  
00:51:08,470 --> 00:51:05,750  
said my gosh

1204  
00:51:10,329 --> 00:51:08,480  
do you guys people that and one of the

1205  
00:51:13,420 --> 00:51:10,339  
two people was my wife and she said I

1206  
00:51:15,910 --> 00:51:13,430  
really this is incredible she has so

1207  
00:51:19,240 --> 00:51:15,920  
strong and the the other fellow of the

1208  
00:51:21,700 --> 00:51:19,250  
businessman said yes this is Incred

1209  
00:51:23,290 --> 00:51:21,710  
I wouldn't be surprised if one of those

1210  
00:51:24,940 --> 00:51:23,300  
things showed up right in front of us

1211  
00:51:26,410 --> 00:51:24,950  
right down the road I'll tell you what

1212  
00:51:28,510 --> 00:51:26,420  
that's the cliffhanger right down the

1213  
00:51:31,060 --> 00:51:28,520

road race fan for joining us this week

1214

00:51:32,589 --> 00:51:31,070

the co-host is Chris O'Brien and we're

1215

00:51:35,320 --> 00:51:32,599

talking about some incredible

1216

00:51:37,930 --> 00:51:35,330

ufo-related encounters in and around

1217

00:51:39,640 --> 00:51:37,940

whites and starting in Texas moving to

1218

00:51:41,290 --> 00:51:39,650

New Mexico and I want to get the

1219

00:51:47,320 --> 00:51:41,300

geography straight in the moment I'm

1220

00:51:52,320 --> 00:51:49,640

[Music]

1221

00:51:54,240 --> 00:51:52,330

hi this is Ted Anderson if you own an

1222

00:51:56,520 --> 00:51:54,250

Apple iPhone and love to listen to your

1223

00:51:58,290 --> 00:51:56,530

favorite programs on GCN I've got good

1224

00:52:01,020 --> 00:51:58,300

news for you I'm proud to announce that

1225

00:52:03,210 --> 00:52:01,030

GCN has a brand new iPhone app available

1226  
00:52:05,160 --> 00:52:03,220  
for our dedicated listeners at GCN

1227  
00:52:07,260 --> 00:52:05,170  
live.com listen to your favorite

1228  
00:52:09,360 --> 00:52:07,270  
hard-hitting GCN programs live or

1229  
00:52:11,550 --> 00:52:09,370  
on-demand right on your iPhone and the

1230  
00:52:13,950 --> 00:52:11,560  
best part the gcn iPhone app can be

1231  
00:52:15,780 --> 00:52:13,960  
yours absolutely free download the

1232  
00:52:18,920 --> 00:52:15,790  
iPhone app today by clicking on the

1233  
00:52:21,540 --> 00:52:18,930  
banner at GCN live.com again that's GCN

1234  
00:52:23,520 --> 00:52:21,550  
live.com we the people grow cotton wheat

1235  
00:52:25,170 --> 00:52:23,530  
fabric engraving can bed strips and

1236  
00:52:26,970 --> 00:52:25,180  
fibers to protect from counterfeit than

1237  
00:52:27,930 --> 00:52:26,980  
carding to a private bank having a led

1238  
00:52:29,640 --> 00:52:27,940

back at interest

1239

00:52:31,500 --> 00:52:29,650

forcing taxes to service debt this

1240

00:52:32,970 --> 00:52:31,510

capitalism or was Jefferson correct when

1241

00:52:34,590 --> 00:52:32,980

stating a central bank issuing the

1242

00:52:35,730 --> 00:52:34,600

public currency is a greater menace to

1243

00:52:37,170 --> 00:52:35,740

the liberties of the people than a

1244

00:52:38,610 --> 00:52:37,180

standing army today understand I'm

1245

00:52:40,440 --> 00:52:38,620

placing a free silver dollar in a book

1246

00:52:43,980 --> 00:52:40,450

that explains our monetary system call

1247

00:52:47,160 --> 00:52:43,990

for your copy 800 686 to 237 it's time

1248

00:52:55,650 --> 00:52:47,170

to understand the system call 866 to 237

1249

00:52:57,600 --> 00:52:55,660

that's 800 686 to 237 welcome back to

1250

00:53:00,900 --> 00:52:57,610

the pair cast the gold standard of

1251  
00:53:03,530 --> 00:53:00,910  
paranormal radio and now here's gene

1252  
00:53:12,130 --> 00:53:03,540  
Steinberg

1253  
00:53:17,660 --> 00:53:15,080  
ray stanford joins us this week on the

1254  
00:53:20,350 --> 00:53:17,670  
para cast we're talking about very

1255  
00:53:23,330 --> 00:53:20,360  
fascinating UFO encounters in and around

1256  
00:53:25,280 --> 00:53:23,340  
white sands the co-host is Chris O'Brien

1257  
00:53:27,860 --> 00:53:25,290  
I'm gene Steinberg you're in the power

1258  
00:53:30,770 --> 00:53:27,870  
cast a question of geography before we

1259  
00:53:32,990 --> 00:53:30,780  
go into this later case when you first

1260  
00:53:35,510 --> 00:53:33,000  
saw the thing in Texas how far was that

1261  
00:53:39,110 --> 00:53:35,520  
from white sands that was I don't know

1262  
00:53:41,930 --> 00:53:39,120  
the mileage but planes Texas is is right

1263  
00:53:43,670 --> 00:53:41,940

out in the middle of the highway that

1264

00:53:44,840 --> 00:53:43,680

runs on the north well back there the

1265

00:53:46,460 --> 00:53:44,850

highway that runs on the north side of

1266

00:53:48,530 --> 00:53:46,470

white sands and if you go east on it

1267

00:53:50,930 --> 00:53:48,540

from whites and go through Roswell it

1268

00:53:54,380 --> 00:53:50,940

goes right on into West Texas and it's

1269

00:53:57,140 --> 00:53:54,390

about I don't know I'm from South Texas

1270

00:53:59,120 --> 00:53:57,150

Texas is a big place but it's right in

1271

00:54:01,250 --> 00:53:59,130

the middle of that part of Texas that

1272

00:54:04,190 --> 00:54:01,260

sticks out there and comes to a point

1273

00:54:05,900 --> 00:54:04,200

out into so you were like three four

1274

00:54:08,060 --> 00:54:05,910

hundred miles away at that point then I

1275

00:54:10,790 --> 00:54:08,070

I don't I don't know I don't think it

1276

00:54:12,770 --> 00:54:10,800

was I don't really know to tell you it's

1277

00:54:14,330 --> 00:54:12,780

I don't think it was quite 400 miles it

1278

00:54:16,160 --> 00:54:14,340

might have been though because it it

1279

00:54:21,080 --> 00:54:16,170

took us it was dark when we got into

1280

00:54:24,770 --> 00:54:21,090

Roswell and and got dinner and it was at

1281

00:54:27,040 --> 00:54:24,780

11:35 when when we just broke off and we

1282

00:54:29,120 --> 00:54:27,050

were having this feeling very strongly

1283

00:54:31,370 --> 00:54:29,130

let's return to what we were talking

1284

00:54:33,350 --> 00:54:31,380

about before the break now your wife

1285

00:54:36,740 --> 00:54:33,360

felt the same kind of euphoria that you

1286

00:54:38,120 --> 00:54:36,750

felt right yes isn't it the other person

1287

00:54:39,680 --> 00:54:38,130

right okay

1288

00:54:42,050 --> 00:54:39,690

go on please with the description of

1289

00:54:43,910 --> 00:54:42,060

what okay what happened is and III

1290

00:54:45,110 --> 00:54:43,920

explain I said it's so strong I wouldn't

1291

00:54:46,190 --> 00:54:45,120

be surprised if one of these things

1292

00:54:49,040 --> 00:54:46,200

appeared right down the road right now

1293

00:54:51,740 --> 00:54:49,050

at that instant it appeared now the

1294

00:54:54,830 --> 00:54:51,750

thing was shaped like the sapporo object

1295

00:54:57,170 --> 00:54:54,840

a very elongated ellipse order egg shape

1296

00:54:59,030 --> 00:54:57,180

you stretched out an egg and the surface

1297

00:55:01,730 --> 00:54:59,040

of it was glowing the reddest red i've

1298

00:55:04,310 --> 00:55:01,740

ever seen it made we had a heating neon

1299

00:55:06,380 --> 00:55:04,320

laser back at our lab and it would make

1300

00:55:09,410 --> 00:55:06,390

that thing look orange it was so long

1301  
00:55:11,870 --> 00:55:09,420  
red for the infrared wavelength and it

1302  
00:55:13,790 --> 00:55:11,880  
was flashing at one rate but there was a

1303  
00:55:15,800 --> 00:55:13,800  
corona out around it not coming off the

1304  
00:55:17,960 --> 00:55:15,810  
surface but that farm out some distance

1305  
00:55:20,180 --> 00:55:17,970  
from the surface that was flashing at a

1306  
00:55:22,790 --> 00:55:20,190  
different rate and this corona was the

1307  
00:55:23,460 --> 00:55:22,800  
same color it was absent for about 40

1308  
00:55:26,540 --> 00:55:23,470  
degrees

1309  
00:55:28,620 --> 00:55:26,550  
the direction of travel and these

1310  
00:55:31,230 --> 00:55:28,630  
egg-shaped object would travel just a

1311  
00:55:33,510 --> 00:55:31,240  
little tilted a bit off of their axis of

1312  
00:55:34,920 --> 00:55:33,520  
straight ahead but you'd see this you

1313  
00:55:36,270 --> 00:55:34,930

could imagine maybe there was a I don't

1314

00:55:38,160 --> 00:55:36,280

know if it was a magnetic van or what

1315

00:55:41,640 --> 00:55:38,170

their that the plasma was not there but

1316

00:55:43,740 --> 00:55:41,650

he could see this seeming plasma red in

1317

00:55:46,109 --> 00:55:43,750

the corona out around and then the the

1318

00:55:47,099 --> 00:55:46,119

surface had the same color as I said

1319

00:55:49,470 --> 00:55:47,109

though they were flashing at two

1320

00:55:52,109 --> 00:55:49,480

different rates as we documented on film

1321

00:55:55,440 --> 00:55:52,119

we were able to subsequently measure

1322

00:55:58,800 --> 00:55:55,450

well of course we jumped out of the the

1323

00:56:01,410 --> 00:55:58,810

Silverado and took out all the equipment

1324

00:56:03,240 --> 00:56:01,420

and this time we effectively we got out

1325

00:56:05,520 --> 00:56:03,250

and I deployed about 300 feet from the

1326  
00:56:07,710 --> 00:56:05,530  
highway and the vehicle the gravimeter

1327  
00:56:10,620 --> 00:56:07,720  
sensor and about 250 feet away I

1328  
00:56:14,160 --> 00:56:10,630  
deployed the magnetometer sensor and

1329  
00:56:17,940 --> 00:56:14,170  
just as I am finished setting up the two

1330  
00:56:21,420 --> 00:56:17,950  
sensors I had set my spectral spectrum

1331  
00:56:25,320 --> 00:56:21,430  
camera on the back of the van and my

1332  
00:56:27,780 --> 00:56:25,330  
wife screamed right get a spectrum I

1333  
00:56:30,210 --> 00:56:27,790  
turned around them on to hold the red

1334  
00:56:32,880 --> 00:56:30,220  
object was no longer a red object and it

1335  
00:56:37,010 --> 00:56:32,890  
wasn't moving to the northwest it was

1336  
00:56:39,270 --> 00:56:37,020  
moving straight down it was huge it was

1337  
00:56:40,890 --> 00:56:39,280  
there was the weird thing about it was

1338  
00:56:43,380 --> 00:56:40,900

that it was nothing but it was it was

1339

00:56:46,410 --> 00:56:43,390

bright but there was no glare it's as if

1340

00:56:49,380 --> 00:56:46,420

it almost looked like a cutout oval it

1341

00:56:52,380 --> 00:56:49,390

wasn't the long ellipsoid it looked

1342

00:56:54,599 --> 00:56:52,390

completely flat and like a cutout oval

1343

00:56:57,599 --> 00:56:54,609

more of an oval in an actual ellipse

1344

00:57:00,030 --> 00:56:57,609

shape and like I was two-dimensional you

1345

00:57:01,859 --> 00:57:00,040

like it yeah a missional I had had an

1346

00:57:03,960 --> 00:57:01,869

experience of seeing objects like this

1347

00:57:06,240 --> 00:57:03,970

before I read them in the literature but

1348

00:57:07,950 --> 00:57:06,250

somehow in one this you know this big in

1349

00:57:10,349 --> 00:57:07,960

this course this red thing is suddenly

1350

00:57:13,410 --> 00:57:10,359

become like this you're well I ran over

1351

00:57:15,510 --> 00:57:13,420

and lay my hands on the spectrum camera

1352

00:57:16,680 --> 00:57:15,520

see you it was so big and so bright you

1353

00:57:19,710 --> 00:57:16,690

should be able to get a big huge

1354

00:57:21,599 --> 00:57:19,720

wonderful spectrum the moment I put my

1355

00:57:24,120 --> 00:57:21,609

hands on the camera the thing made a

1356

00:57:27,329 --> 00:57:24,130

90-degree turn with visual instant II

1357

00:57:29,070 --> 00:57:27,339

continued to the north and if I remember

1358

00:57:32,760 --> 00:57:29,080

it was to the north is to the south in

1359

00:57:36,270 --> 00:57:32,770

that case and it became the object we

1360

00:57:37,150 --> 00:57:36,280

had first seen and this was very strange

1361

00:57:39,040 --> 00:57:37,160

and I was

1362

00:57:40,810 --> 00:57:39,050

infuriated and upset that I had missed

1363

00:57:43,060 --> 00:57:40,820

the spectrum of it because that would

1364

00:57:45,610 --> 00:57:43,070

give it for clearer sharper spectrum

1365

00:57:48,910 --> 00:57:45,620

than the the red object which is

1366

00:57:53,860 --> 00:57:48,920

actually much smaller fortunately during

1367

00:57:57,670 --> 00:57:53,870

that vertical descent the gentleman that

1368

00:57:59,800 --> 00:57:57,680

was with us that was operating the 35

1369

00:58:01,750 --> 00:57:59,810

millimeter film camera with 300

1370

00:58:05,230 --> 00:58:01,760

millimeter telephoto took a time

1371

00:58:08,470 --> 00:58:05,240

exposure during the dive and believe me

1372

00:58:12,520 --> 00:58:08,480

what was recorded is most remarkable I

1373

00:58:14,890 --> 00:58:12,530

did it at bristle Brian's encouragement

1374

00:58:19,630 --> 00:58:14,900

yesterday I did succeed in finding that

1375

00:58:22,270 --> 00:58:19,640

slide and I'm going to scan it and it it

1376

00:58:26,170 --> 00:58:22,280

is well if you imagine a 35 millimeter

1377

00:58:27,070 --> 00:58:26,180

film frame this thing is about 1/3 maybe

1378

00:58:29,350 --> 00:58:27,080

a little better

1379

00:58:32,950 --> 00:58:29,360

wide right in the middle of the night

1380

00:58:34,420 --> 00:58:32,960

sky the black sky and it goes all the

1381

00:58:36,250 --> 00:58:34,430

way from top to bottom because he just

1382

00:58:38,440 --> 00:58:36,260

opened it after the dive had begun and

1383

00:58:39,730 --> 00:58:38,450

closed it before the dive ended because

1384

00:58:41,350 --> 00:58:39,740

he didn't want to move the camera nearly

1385

00:58:43,660 --> 00:58:41,360

gone out of the range of the 300

1386

00:58:47,470 --> 00:58:43,670

millimeter lens so he had it on a tripod

1387

00:58:49,810 --> 00:58:47,480

then in order to take it and he had yet

1388

00:58:54,960 --> 00:58:49,820

the cable released so not vibrate the

1389

00:58:59,710 --> 00:58:54,970

tripod camera and so it what it shows is

1390

00:59:02,970 --> 00:58:59,720

bizarre it it's a white issue but it has

1391

00:59:05,740 --> 00:59:02,980

interlocking diamonds on it that are

1392

00:59:08,320 --> 00:59:05,750

suddenly darker like they're they're

1393

00:59:11,080 --> 00:59:08,330

interlocking long rhombuses rhombic

1394

00:59:13,330 --> 00:59:11,090

shapes to be more specific about the

1395

00:59:16,500 --> 00:59:13,340

shape now on the left side of this kind

1396

00:59:20,200 --> 00:59:16,510

of off-white is ivory color kind of a

1397

00:59:22,810 --> 00:59:20,210

vertical array that it produced on the

1398

00:59:24,190 --> 00:59:22,820

left side it looks redder and it may

1399

00:59:25,210 --> 00:59:24,200

have been illusion of the red the left

1400

00:59:26,470 --> 00:59:25,220

side looking red it but it looks like

1401

00:59:28,360 --> 00:59:26,480

the right side might be a little more on

1402

00:59:29,680 --> 00:59:28,370

the blue side I'll get to analyze that

1403

00:59:32,940 --> 00:59:29,690

when I get to checking it out and

1404

00:59:36,010 --> 00:59:32,950

analysis once I've got it scanned but

1405

00:59:37,990 --> 00:59:36,020

it's quite it's quite strange what would

1406

00:59:40,120 --> 00:59:38,000

make that we didn't see any diamond

1407

00:59:41,980 --> 00:59:40,130

shapes it's just this big oval thing

1408

00:59:44,020 --> 00:59:41,990

very bright but not glarey

1409

00:59:46,720 --> 00:59:44,030

well why do you think those diamond

1410

00:59:50,090 --> 00:59:46,730

shapes appeared in a time exposure image

1411

00:59:53,550 --> 00:59:50,100

it doesn't sound physically possible for

1412

00:59:56,820 --> 00:59:53,560

about high-speed phenomena that are too

1413

00:59:59,550 --> 00:59:56,830

fast for the eye to see you know you get

1414

01:00:02,430 --> 00:59:59,560

over you know about 12 frames a second

1415

01:00:04,470 --> 01:00:02,440

and the I start splitarf using things in

1416

01:00:06,720 --> 01:00:04,480

a movie or they're a little faster TV

1417

01:00:09,030 --> 01:00:06,730

frames and so on and so forth

1418

01:00:12,780 --> 01:00:09,040

the I would with some eight and we don't

1419

01:00:14,550 --> 01:00:12,790

know we don't know the frequency of the

1420

01:00:17,220 --> 01:00:14,560

appearance we don't know if these

1421

01:00:20,010 --> 01:00:17,230

diamonds were one group at a time or one

1422

01:00:22,320 --> 01:00:20,020

at a time or how they appeared and all

1423

01:00:23,790 --> 01:00:22,330

of that makes it very understandable

1424

01:00:25,800 --> 01:00:23,800

that when you're dealing in first place

1425

01:00:28,260 --> 01:00:25,810

in in high-energy physics most of the

1426  
01:00:29,490 --> 01:00:28,270  
stuff goes on at a speed that the human

1427  
01:00:31,650 --> 01:00:29,500  
eye does not catch that's why your

1428  
01:00:34,140 --> 01:00:31,660  
research cameras on plasma can record

1429  
01:00:36,810 --> 01:00:34,150  
several million frames a second because

1430  
01:00:39,570 --> 01:00:36,820  
you can have the plasma buildup and and

1431  
01:00:41,610 --> 01:00:39,580  
completely go in for less than a

1432  
01:00:44,060 --> 01:00:41,620  
millionth of a second so we don't know

1433  
01:00:47,730 --> 01:00:44,070  
we can't speculate at this point about

1434  
01:00:50,100 --> 01:00:47,740  
what was producing those diamonds the

1435  
01:00:51,870 --> 01:00:50,110  
curious thing about this event is it's a

1436  
01:00:54,450 --> 01:00:51,880  
dramatic event and of course we

1437  
01:00:58,350 --> 01:00:54,460  
graphically remembered it but when we

1438  
01:01:00,540 --> 01:00:58,360

got back to Austin and played the entire

1439

01:01:03,510 --> 01:01:00,550

ambient tape a very camera click and

1440

01:01:05,670 --> 01:01:03,520

every reaction every word we said we

1441

01:01:08,820 --> 01:01:05,680

were shocked because it happened a

1442

01:01:11,190 --> 01:01:08,830

second time not long after that and we

1443

01:01:13,080 --> 01:01:11,200

had zero we would have sworn that it

1444

01:01:15,270 --> 01:01:13,090

only happened once but you hear us

1445

01:01:17,580 --> 01:01:15,280

reacting to it just grabbing it a second

1446

01:01:18,990 --> 01:01:17,590

time okay this is something I don't

1447

01:01:21,000 --> 01:01:19,000

understand so we're gonna have to

1448

01:01:23,820 --> 01:01:21,010

approach this in more detail in a moment

1449

01:01:25,860 --> 01:01:23,830

okay you're saying ray that you remember

1450

01:01:29,010 --> 01:01:25,870

one experience like this but as soon as

1451

01:01:32,540 --> 01:01:29,020

you check your data it was - that's

1452

01:01:35,040 --> 01:01:32,550

right okay the recording all right

1453

01:01:37,800 --> 01:01:35,050

little mini missing time episode there

1454

01:01:39,390 --> 01:01:37,810

or something or going so fast and

1455

01:01:42,000 --> 01:01:39,400

furious that you really it's kind of

1456

01:01:44,160 --> 01:01:42,010

hard to keep everything I think there's

1457

01:01:46,530 --> 01:01:44,170

probably a very easy physiological

1458

01:01:48,600 --> 01:01:46,540

explanation for this when you're at one

1459

01:01:51,840 --> 01:01:48,610

strong extreme low frequency what

1460

01:01:54,510 --> 01:01:51,850

magnetic field is impinging your your

1461

01:01:56,940 --> 01:01:54,520

brain it begins to replicate it well

1462

01:02:00,690 --> 01:01:56,950

this was in the range of deep restful

1463

01:02:02,220 --> 01:02:00,700

sleep I think it can induce amnesia I

1464

01:02:03,330 --> 01:02:02,230

believe that this has been demonstrated

1465

01:02:04,560 --> 01:02:03,340

a laboratory I can't

1466

01:02:07,440 --> 01:02:04,570

the literature right now but I believe

1467

01:02:09,450 --> 01:02:07,450

that I've read about this and let me

1468

01:02:11,400 --> 01:02:09,460

mention an interesting factor

1469

01:02:14,220 --> 01:02:11,410

relationships I'm sure that gene that

1470

01:02:15,390 --> 01:02:14,230

you've heard of cases where the husband

1471

01:02:17,100 --> 01:02:15,400

of a wife gets up in the middle of the

1472

01:02:18,450 --> 01:02:17,110

night to go to the bathroom they look

1473

01:02:21,060 --> 01:02:18,460

out the window and here is this

1474

01:02:23,100 --> 01:02:21,070

incredible object right out there like

1475

01:02:24,480 --> 01:02:23,110

it's landing or almost going to land in

1476

01:02:26,310 --> 01:02:24,490

their yard in I'll tell you what though

1477

01:02:28,440 --> 01:02:26,320

I have to discuss that in our next

1478

01:02:31,110 --> 01:02:28,450

segment we have Ray Stanford we're

1479

01:02:33,270 --> 01:02:31,120

discussing some really fascinating UFO

1480

01:02:35,580 --> 01:02:33,280

encounters starting in Texas moving on

1481

01:02:37,560 --> 01:02:35,590

to near White Sands New Mexico the

1482

01:02:40,920 --> 01:02:37,570

co-host is Chris O'Brien I'm gene

1483

01:02:49,330 --> 01:02:40,930

Steinberg you're in the para cast

1484

01:02:55,070 --> 01:02:51,680

you are about to enter another dimension

1485

01:02:56,630 --> 01:02:55,080

a dimension not only of sight and sound

1486

01:02:59,150 --> 01:02:56,640

but of mind

1487

01:03:02,060 --> 01:02:59,160

a journey into a sinister land of secret

1488

01:03:04,790 --> 01:03:02,070

rights passwords initiations and

1489

01:03:07,310 --> 01:03:04,800

handshakes but the truth remains hidden

1490

01:03:11,270 --> 01:03:07,320

in history is controlled by an elite

1491

01:03:13,400 --> 01:03:11,280

group of mysterious men imagine if you

1492

01:03:15,859 --> 01:03:13,410

will that I'm holding a book in my hands

1493

01:03:17,870 --> 01:03:15,869

that explains a secret history and that

1494

01:03:20,330 --> 01:03:17,880

the name of this book is conspiracies

1495

01:03:23,840 --> 01:03:20,340

and secret societies the complete

1496

01:03:27,970 --> 01:03:23,850

dossier here is described centuries of

1497

01:03:31,580 --> 01:03:27,980

dark dealing lies murder mayhem and

1498

01:03:34,490 --> 01:03:31,590

cover-ups in the pursuit of unimaginable

1499

01:03:36,830 --> 01:03:34,500

money and power my name is Brad stager

1500

01:03:39,200 --> 01:03:36,840

and the stories you are about to read

1501  
01:03:42,700 --> 01:03:39,210  
may have actually happened at the

1502  
01:03:46,460 --> 01:03:42,710  
signpost up ahead your next stop

1503  
01:03:50,810 --> 01:03:46,470  
conspiracies and secret societies the

1504  
01:03:52,220 --> 01:03:50,820  
complete dossier have you ever felt like

1505  
01:03:53,990 --> 01:03:52,230  
the United States government knows way

1506  
01:03:56,060 --> 01:03:54,000  
too much about your financial affairs I

1507  
01:03:57,830 --> 01:03:56,070  
continue to hear stories of our property

1508  
01:04:00,109 --> 01:03:57,840  
seizures frozen bank accounts

1509  
01:04:01,820 --> 01:04:00,119  
confiscation of stocks and bonds it

1510  
01:04:03,410 --> 01:04:01,830  
makes me wonder if the US citizen will

1511  
01:04:05,560 --> 01:04:03,420  
ever again have the right to life

1512  
01:04:07,670 --> 01:04:05,570  
liberty and the pursuit of happiness

1513  
01:04:09,430 --> 01:04:07,680

unfortunately with the drug and money

1514

01:04:12,380 --> 01:04:09,440

laundrying Act the IRS Revenue Ruling

1515

01:04:13,540 --> 01:04:12,390

60-45 of 1984 and the trading with the

1516

01:04:16,760 --> 01:04:13,550

enemy Act in Franklin D Roosevelt

1517

01:04:18,680 --> 01:04:16,770

executive order of 1933 some precious

1518

01:04:20,599 --> 01:04:18,690

metal holdings are subject to government

1519

01:04:22,040 --> 01:04:20,609

intervention for this reason Midas

1520

01:04:23,780 --> 01:04:22,050

resources has prepared a report

1521

01:04:25,700 --> 01:04:23,790

explaining the boundaries of trading

1522

01:04:27,560 --> 01:04:25,710

precious metals privately whether if you

1523

01:04:29,270 --> 01:04:27,570

have any intention of trading with Midas

1524

01:04:30,859 --> 01:04:29,280

resources or not I have instructed my

1525

01:04:37,820 --> 01:04:30,869

representatives to give this report out

1526

01:04:53,020 --> 01:04:50,549

[Music]

1527

01:04:55,180 --> 01:04:53,030

where of all the military surplus stores

1528

01:04:57,309 --> 01:04:55,190

gone don't worry you don't need one

1529

01:05:00,130 --> 01:04:57,319

because everything you needed military

1530

01:05:03,280 --> 01:05:00,140

surplus is at main military comm that's

1531

01:05:05,380 --> 01:05:03,290

ma i n e military comm one of the last

1532

01:05:07,569 --> 01:05:05,390

surviving true military surplus storage

1533

01:05:09,970 --> 01:05:07,579

in the country go online now to main

1534

01:05:11,740 --> 01:05:09,980

military comm and discover a source for

1535

01:05:14,049 --> 01:05:11,750

hard-to-find surplus items at true

1536

01:05:16,240 --> 01:05:14,059

surplus prices surplus gun cleaning kits

1537

01:05:18,490 --> 01:05:16,250

as low as \$2.99 complete chemical suits

1538

01:05:20,260 --> 01:05:18,500

as long as 1199 see our huge selection

1539

01:05:22,960 --> 01:05:20,270

of gas mask filters and accessories

1540

01:05:25,630 --> 01:05:22,970

finish at m10 gas masks are three for

1541

01:05:27,280 --> 01:05:25,640

\$30 and Swiss filters are three for \$12

1542

01:05:29,829 --> 01:05:27,290

searching for strike-anywhere matches

1543

01:05:31,359 --> 01:05:29,839

main military calm handsome plus a whole

1544

01:05:32,829 --> 01:05:31,369

new product line of survival and

1545

01:05:35,260 --> 01:05:32,839

first-aid kits and lots more

1546

01:05:38,079 --> 01:05:35,270

get free shipping on orders over \$50

1547

01:05:40,900 --> 01:05:38,089

only at main military comm that's ma I

1548

01:05:42,549 --> 01:05:40,910

and II military comm or colleague seven

1549

01:05:44,470 --> 01:05:42,559

seven six oh eight oh one seven nine

1550

01:05:47,200 --> 01:05:44,480

eight seven seven six oh eight oh one

1551  
01:05:50,500 --> 01:05:47,210  
seven nine main military comm the main

1552  
01:05:52,359 --> 01:05:50,510  
name in military supply when you hear

1553  
01:05:53,920 --> 01:05:52,369  
the words water purification what comes

1554  
01:05:56,530 --> 01:05:53,930  
to mind if it's berkey water

1555  
01:05:58,299 --> 01:05:56,540  
purification systems this message is for

1556  
01:06:00,849 --> 01:05:58,309  
you did you know that over sixty percent

1557  
01:06:03,069 --> 01:06:00,859  
of municipal water contains fluoride and

1558  
01:06:04,990 --> 01:06:03,079  
less than two cents per gallon murky

1559  
01:06:06,789 --> 01:06:05,000  
water filters purified treated and

1560  
01:06:08,859 --> 01:06:06,799  
untreated water removed dangerous

1561  
01:06:10,569 --> 01:06:08,869  
chlorine fluoride and contaminants from

1562  
01:06:12,670 --> 01:06:10,579  
municipal water these filters are

1563  
01:06:14,650 --> 01:06:12,680

powerful enough to purify stagnant pond

1564

01:06:16,930 --> 01:06:14,660

water making them perfect for rainwater

1565

01:06:18,670 --> 01:06:16,940

collection systems from the smallest to

1566

01:06:21,160 --> 01:06:18,680

the largest systems big berkey water

1567

01:06:23,049 --> 01:06:21,170

filters calm has what you need with your

1568

01:06:25,210 --> 01:06:23,059

system purchase you'll receive a shower

1569

01:06:27,460 --> 01:06:25,220

filter a fluoride filter or two-sport

1570

01:06:29,500 --> 01:06:27,470

Berkey bottles absolutely free big

1571

01:06:32,200 --> 01:06:29,510

berkey water filters calm would like to

1572

01:06:34,809 --> 01:06:32,210

offer GCN listeners five percent off all

1573

01:06:37,630 --> 01:06:34,819

ceramic filter systems and ship all

1574

01:06:40,150 --> 01:06:37,640

orders over \$50 free of charge visit big

1575

01:06:42,819 --> 01:06:40,160

berkey water filters calm that's big

1576

01:06:44,559 --> 01:06:42,829

berkey water filters calm or call one

1577

01:06:46,930 --> 01:06:44,569

eight seven seven ninety nine Berkey

1578

01:06:51,880 --> 01:06:46,940

that's one eight seven seven ninety nine

1579

01:06:54,370 --> 01:06:51,890

ber k eat why today bringing you the

1580

01:06:55,450 --> 01:06:54,380

best in alternative talk radio for over

1581

01:07:03,290 --> 01:06:55,460

ten years

1582

01:07:05,120 --> 01:07:03,300

GCN's great top radio starts here we

1583

01:07:06,920 --> 01:07:05,130

want to hear from you if you have a

1584

01:07:10,730 --> 01:07:06,930

comment or question about the pair cast

1585

01:07:14,270 --> 01:07:10,740

send it to News at Laperera cast calm

1586

01:07:15,860 --> 01:07:14,280

that's news at Laperera cast calm and

1587

01:07:18,580 --> 01:07:15,870

don't forget to visit our famous para

1588

01:07:21,950 --> 01:07:18,590

cast community forums at forum dot the

1589

01:07:28,280 --> 01:07:21,960

podcast.com get in on all the action at

1590

01:07:30,620 --> 01:07:28,290

forum dot the para cast com I stand for

1591

01:07:32,690 --> 01:07:30,630

joining us we're talking with Chris

1592

01:07:34,820 --> 01:07:32,700

O'Brien who's the co-host this week I'm

1593

01:07:37,040 --> 01:07:34,830

gene steinberger in the para cast and

1594

01:07:39,260 --> 01:07:37,050

now we're trying to look at the

1595

01:07:42,770 --> 01:07:39,270

background here where you remember one

1596

01:07:44,330 --> 01:07:42,780

in instance and it becomes two and you

1597

01:07:47,660 --> 01:07:44,340

were going on with the background for

1598

01:07:49,340 --> 01:07:47,670

this it was two different instances it

1599

01:07:51,560 --> 01:07:49,350

wasn't this thing that said we didn't

1600

01:07:53,390 --> 01:07:51,570

remember it twice it actually occurred

1601  
01:07:55,850 --> 01:07:53,400  
because the tape recorder which is not

1602  
01:07:57,680 --> 01:07:55,860  
subject to the effects of the stirring

1603  
01:07:59,660 --> 01:07:57,690  
lobe you see magnet field was recording

1604  
01:08:01,490 --> 01:07:59,670  
the whole time and you hear everything

1605  
01:08:04,220 --> 01:08:01,500  
we say on there and so there's no lost

1606  
01:08:05,660 --> 01:08:04,230  
time there's no missing time it's just

1607  
01:08:08,240 --> 01:08:05,670  
that we don't remember it in other words

1608  
01:08:12,290 --> 01:08:08,250  
there is a question too isn't missing

1609  
01:08:14,330 --> 01:08:12,300  
time fundamentally losing your memory of

1610  
01:08:17,090 --> 01:08:14,340  
what might have happened wouldn't that

1611  
01:08:18,500 --> 01:08:17,100  
be the same thing well yeah it certainly

1612  
01:08:20,480 --> 01:08:18,510  
could be yes it certainly could be I

1613  
01:08:23,180 --> 01:08:20,490

don't know if the mechanism is the same

1614

01:08:25,160 --> 01:08:23,190

or not because allegedly according to

1615

01:08:28,070 --> 01:08:25,170

the literature of the current belief

1616

01:08:29,900 --> 01:08:28,080

system this is your abducted we don't

1617

01:08:31,490 --> 01:08:29,910

know if there is an active field with a

1618

01:08:32,360 --> 01:08:31,500

you know a craft with a magnetic field

1619

01:08:34,099 --> 01:08:32,370

it could be doing this

1620

01:08:36,140 --> 01:08:34,109

we just don't know nobody studied all I

1621

01:08:38,840 --> 01:08:36,150

can talk about from the standpoint of

1622

01:08:41,390 --> 01:08:38,850

science is what we recorded and saw it

1623

01:08:42,260 --> 01:08:41,400

might be I guess to it it might not it's

1624

01:08:44,599 --> 01:08:42,270

hard to say

1625

01:08:47,090 --> 01:08:44,609

so maybe those you didn't record it

1626

01:08:49,070 --> 01:08:47,100

maybe you would suddenly have a missing

1627

01:08:53,059 --> 01:08:49,080

time episode that you couldn't pinpoint

1628

01:08:54,740 --> 01:08:53,069

or explain sure you hear you could did

1629

01:08:57,880 --> 01:08:54,750

you have your time clock set up did you

1630

01:09:00,470 --> 01:08:57,890

have your baseline time timecode going

1631

01:09:03,110 --> 01:09:00,480

okay so there's no question I mean it's

1632

01:09:04,940 --> 01:09:03,120

being recorded with the the graphic and

1633

01:09:06,980 --> 01:09:04,950

the magnetic signal and we were getting

1634

01:09:08,760 --> 01:09:06,990

strong extremely low-frequency magnetic

1635

01:09:12,899 --> 01:09:08,770

signals that

1636

01:09:14,970 --> 01:09:12,909

we're just fascinating because when one

1637

01:09:17,160 --> 01:09:14,980

of these they were clearly showing off

1638

01:09:20,669 --> 01:09:17,170

and it turned that they were showing off

1639

01:09:22,380 --> 01:09:20,679

to gigantic lighted panels on the top of

1640

01:09:26,999 --> 01:09:22,390

a scooter peak that were being sequence

1641

01:09:28,380 --> 01:09:27,009

to such high speed we're getting ahead

1642

01:09:30,360 --> 01:09:28,390

of ourselves here a little bit let's go

1643

01:09:32,939 --> 01:09:30,370

ahead and set the stage where were you

1644

01:09:35,370 --> 01:09:32,949

in relation to a score peak how far away

1645

01:09:37,200 --> 01:09:35,380

how much time elapsed before these

1646

01:09:38,519 --> 01:09:37,210

objects started interacting when did you

1647

01:09:40,890 --> 01:09:38,529

first notice that there were lighted

1648

01:09:44,459 --> 01:09:40,900

panels let's set it up a little bit okay

1649

01:09:47,910 --> 01:09:44,469

just a minute let me July 27th I'm

1650

01:09:50,550 --> 01:09:47,920

trying to get you know July 19th ok now

1651  
01:09:53,640 --> 01:09:50,560  
let me tell you I'm looking at my photo

1652  
01:09:57,090 --> 01:09:53,650  
log here and we were on highway

1653  
01:09:58,260 --> 01:09:57,100  
let's see where there are two cases I'll

1654  
01:10:00,600 --> 01:09:58,270  
make sure I'm not giving the date on the

1655  
01:10:03,300 --> 01:10:00,610  
road okay on the one there we were on

1656  
01:10:07,020 --> 01:10:03,310  
Highway 380 at thirty one point six

1657  
01:10:09,330 --> 01:10:07,030  
miles east of Interstate Highway 25 and

1658  
01:10:12,450 --> 01:10:09,340  
we were two hundred and nineteen point

1659  
01:10:14,340 --> 01:10:12,460  
eight miles west of the daytime event of

1660  
01:10:17,250 --> 01:10:14,350  
the same day that I mentioned earlier

1661  
01:10:20,430 --> 01:10:17,260  
and we were forty two point seven miles

1662  
01:10:22,229 --> 01:10:20,440  
out of Socorro New Mexico and we were

1663  
01:10:25,410 --> 01:10:22,239

thirty four point three miles west of

1664

01:10:28,140 --> 01:10:25,420

the intersection of 380 and highway 54

1665

01:10:29,010 --> 01:10:28,150

in Cadiz so so New Mexico which is on

1666

01:10:30,540 --> 01:10:29,020

the north edge of the white sands

1667

01:10:32,070 --> 01:10:30,550

proving ground where we were and how far

1668

01:10:34,439 --> 01:10:32,080

away from what score peak were you at

1669

01:10:36,180 --> 01:10:34,449

this point well we don't know we haven't

1670

01:10:38,070 --> 01:10:36,190

measured the exact it was really really

1671

01:10:39,840 --> 01:10:38,080

pretty close because these things were I

1672

01:10:41,700 --> 01:10:39,850

forget we haven't we have that in the

1673

01:10:43,380 --> 01:10:41,710

data because these objects would

1674

01:10:47,220 --> 01:10:43,390

maneuver right in front of the panel's

1675

01:10:49,470 --> 01:10:47,230

and we were able to determine there was

1676  
01:10:53,399 --> 01:10:49,480  
a strong seven second sound awesome

1677  
01:10:54,830 --> 01:10:53,409  
sound that we recorded repeatedly and it

1678  
01:10:57,479 --> 01:10:54,840  
only occurred you couldn't hear anything

1679  
01:10:59,100 --> 01:10:57,489  
except it was this sound would come on

1680  
01:11:01,439 --> 01:10:59,110  
three and a half seconds before the

1681  
01:11:03,030 --> 01:11:01,449  
reversal of direction and continue for

1682  
01:11:04,530 --> 01:11:03,040  
three and a half seconds after the

1683  
01:11:06,149 --> 01:11:04,540  
reversal direction this is not based on

1684  
01:11:07,979 --> 01:11:06,159  
our guesswork it's based on the actual

1685  
01:11:10,229 --> 01:11:07,989  
recordings and film that we have now

1686  
01:11:11,270 --> 01:11:10,239  
well first of all you've mentioned these

1687  
01:11:12,770 --> 01:11:11,280  
panels a

1688  
01:11:14,570 --> 01:11:12,780

our listeners are I think might be a

1689

01:11:17,390 --> 01:11:14,580

little confused at this point we haven't

1690

01:11:19,520 --> 01:11:17,400

really gone into what the panels were

1691

01:11:22,610 --> 01:11:19,530

why don't you why don't you nope okay

1692

01:11:24,950 --> 01:11:22,620

bring everybody if you were to pass by

1693

01:11:26,600 --> 01:11:24,960

there or pull up an image of a scooter

1694

01:11:28,580 --> 01:11:26,610

peak if there are any on the internet I

1695

01:11:30,170 --> 01:11:28,590

haven't checked you even see that right

1696

01:11:31,820 --> 01:11:30,180

they weren't right at the top but a

1697

01:11:33,710 --> 01:11:31,830

little way down from the top they would

1698

01:11:34,550 --> 01:11:33,720

have to be I suppose several miles and

1699

01:11:35,870 --> 01:11:34,560

and but I don't know they went

1700

01:11:37,760 --> 01:11:35,880

completely around the top they were

1701

01:11:39,890 --> 01:11:37,770

certainly on our slide to the northwest

1702

01:11:42,440 --> 01:11:39,900

side and on the north side okay

1703

01:11:44,330 --> 01:11:42,450

these panels must have been gigantic I

1704

01:11:46,310 --> 01:11:44,340

would say that later they could have

1705

01:11:48,290 --> 01:11:46,320

been a hundred feet high each one and

1706

01:11:50,720 --> 01:11:48,300

they were they were rectangular or

1707

01:11:53,060 --> 01:11:50,730

square and they had clearly been built

1708

01:11:54,590 --> 01:11:53,070

there for the purpose of communicating

1709

01:11:57,980 --> 01:11:54,600

with these objects in fact we joked

1710

01:12:00,530 --> 01:11:57,990

about some Air Force colonel watching

1711

01:12:03,170 --> 01:12:00,540

Close Encounters of the Third Kind we

1712

01:12:05,630 --> 01:12:03,180

didn't come out the December before and

1713

01:12:07,610 --> 01:12:05,640

decided wait hey let's have a try at it

1714

01:12:09,260 --> 01:12:07,620

and since they had an order to get

1715

01:12:11,780 --> 01:12:09,270

intelligence by any means possible why

1716

01:12:13,910 --> 01:12:11,790

not try to communicate well maybe they

1717

01:12:17,000 --> 01:12:13,920

had that idea even beforehand because as

1718

01:12:19,850 --> 01:12:17,010

it turns out late that year the late

1719

01:12:22,130 --> 01:12:19,860

dick Hall Richard Hall well-known UFO

1720

01:12:24,380 --> 01:12:22,140

researcher he was a close friend of the

1721

01:12:26,290 --> 01:12:24,390

late Donald Akiho we wrote those early

1722

01:12:29,720 --> 01:12:26,300

books on UFOs that were so interesting

1723

01:12:32,570 --> 01:12:29,730

Don Quijote told him he said that in the

1724

01:12:35,030 --> 01:12:32,580

summer of 1978 the US government planned

1725

01:12:38,750 --> 01:12:35,040

to attempt to communicate with aliens

1726

01:12:40,610 --> 01:12:38,760

operating UFOs now last question please

1727

01:12:42,710 --> 01:12:40,620

let me ask you a fast question about

1728

01:12:46,250 --> 01:12:42,720

Donald Kehoe sure did major Keyhoe

1729

01:12:47,750 --> 01:12:46,260

mention this in any of his books oh no

1730

01:12:49,220 --> 01:12:47,760

he didn't have any books at this time

1731

01:12:50,990 --> 01:12:49,230

here this is 19 stymie he had quit

1732

01:12:52,400 --> 01:12:51,000

writing books by this time okay they

1733

01:12:54,950 --> 01:12:52,410

told Richard he said that a high up

1734

01:12:56,660 --> 01:12:54,960

source on the government you know he was

1735

01:12:58,760 --> 01:12:56,670

Keolis was famous for this they're

1736

01:13:00,740 --> 01:12:58,770

having a lot of high of contacts and he

1737

01:13:02,690 --> 01:13:00,750

had been a major in the Marine Corps

1738

01:13:05,660 --> 01:13:02,700

before he retired but that was years

1739

01:13:07,580 --> 01:13:05,670

before and but he hadn't high up

1740

01:13:09,740 --> 01:13:07,590

contacts it I guess he had maintained

1741

01:13:12,350 --> 01:13:09,750

and that's what he told Richard Richard

1742

01:13:13,700 --> 01:13:12,360

did not know about this you know when he

1743

01:13:18,680 --> 01:13:13,710

came out with it we had not come out

1744

01:13:20,420 --> 01:13:18,690

with this publicly and Richard however

1745

01:13:22,880 --> 01:13:20,430

came out and said that this is what

1746

01:13:24,229 --> 01:13:22,890

Kehoe had told him he had said this in

1747

01:13:27,529 --> 01:13:24,239

the context of

1748

01:13:29,930 --> 01:13:27,539

mentioning that 1978 was one of the

1749

01:13:32,779 --> 01:13:29,940

biggest flap years a possibly the

1750

01:13:34,100 --> 01:13:32,789

biggest flap in the history of UFOs he

1751

01:13:36,020 --> 01:13:34,110

said was certainly the case in other

1752

01:13:38,899 --> 01:13:36,030

countries but that the data in the u.s.

1753

01:13:40,549 --> 01:13:38,909

also looked like it was on par perhaps

1754

01:13:42,140 --> 01:13:40,559

with the rest of the world and he

1755

01:13:43,879 --> 01:13:42,150

mentioned it in that context and not

1756

01:13:46,609 --> 01:13:43,889

knowing that of course that we had

1757

01:13:47,959 --> 01:13:46,619

encountered this actual contact going on

1758

01:13:50,750 --> 01:13:47,969

which we think was possibly a first

1759

01:13:53,629 --> 01:13:50,760

contact at least with whatever kind of

1760

01:13:55,819 --> 01:13:53,639

intelligences this might have been is

1761

01:13:58,339 --> 01:13:55,829

there any documentation from Richard

1762

01:13:59,830 --> 01:13:58,349

Hall about what went on here with his

1763

01:14:04,520 --> 01:13:59,840

interaction with major Keyhoe

1764

01:14:06,859 --> 01:14:04,530

you have to ask the perhaps condors and

1765

01:14:08,870 --> 01:14:06,869

with his post personal friends I I don't

1766

01:14:11,419 --> 01:14:08,880

know how you would find out about this

1767

01:14:13,970 --> 01:14:11,429

it was in one of the UFO publications -

1768

01:14:16,910 --> 01:14:13,980

one of the I hope to come across it

1769

01:14:18,770 --> 01:14:16,920

again I'm pretty sure that although I

1770

01:14:20,569 --> 01:14:18,780

think I saw this somewhere on the in I'm

1771

01:14:23,299 --> 01:14:20,579

pretty sure I saw it in physical print

1772

01:14:25,250 --> 01:14:23,309

and in some UFO publication it possibly

1773

01:14:28,520 --> 01:14:25,260

that was there a newsstand publication

1774

01:14:30,319 --> 01:14:28,530

back out as late as 78 79 80 there were

1775

01:14:34,060 --> 01:14:30,329

some of these publications but they

1776

01:14:37,069 --> 01:14:34,070

tended to be published by as they say

1777

01:14:38,660 --> 01:14:37,079

organizations it weren't so pleased with

1778

01:14:42,200 --> 01:14:38,670

presenting accurate information they

1779

01:14:44,299 --> 01:14:42,210

were just blushers well the only one I

1780

01:14:47,989 --> 01:14:44,309

know was it was called official UFO and

1781

01:14:49,910 --> 01:14:47,999

I think they were pretty much at you

1782

01:14:52,160 --> 01:14:49,920

know whatever was was pitched at him

1783

01:14:54,259 --> 01:14:52,170

that they could could use I think that

1784

01:14:55,759 --> 01:14:54,269

was the one I think Meyer fast was the

1785

01:14:59,029 --> 01:14:55,769

owner of that particular publication

1786

01:15:01,910 --> 01:14:59,039

official UFO it was junk books basically

1787

01:15:03,439 --> 01:15:01,920

they would get advances cash advances

1788

01:15:05,270 --> 01:15:03,449

from distributors for a certain number

1789

01:15:08,189 --> 01:15:05,280

of books and they would live on their

1790

01:15:10,739 --> 01:15:08,199

cash advances so they would put books

1791

01:15:12,299 --> 01:15:10,749

magazine shut magazine that existed for

1792

01:15:13,739 --> 01:15:12,309

years they call them a bloke slope they

1793

01:15:15,509 --> 01:15:13,749

call them books in those days the

1794

01:15:17,850 --> 01:15:15,519

publishers they say you know we'll get

1795

01:15:20,189 --> 01:15:17,860

ten books and get ten advances you know

1796

01:15:25,169 --> 01:15:20,199

I bet you're one of our podcast forum

1797

01:15:26,969 --> 01:15:25,179

visitors now as we speak I'll tell you

1798

01:15:29,580 --> 01:15:26,979

what before they dive in before we dive

1799

01:15:31,319 --> 01:15:29,590

in further into what happened here we

1800

01:15:34,649 --> 01:15:31,329

have Ray Stanford we're talking about

1801  
01:15:36,870 --> 01:15:34,659  
UFO encounters in and around White Sands

1802  
01:15:39,419 --> 01:15:36,880  
New Mexico starting in Texas and about

1803  
01:15:42,120 --> 01:15:39,429  
the aftermath of that the co-host is

1804  
01:15:51,000 --> 01:15:42,130  
Chris O'Brien I'm gene Steinberg you're

1805  
01:15:52,949 --> 01:15:51,010  
in the para cast as you know the power

1806  
01:15:55,259 --> 01:15:52,959  
cast is brought to you by audible.com

1807  
01:15:58,140 --> 01:15:55,269  
the internet's leading provider of

1808  
01:16:00,359 --> 01:15:58,150  
audiobooks with more than 75,000

1809  
01:16:02,339 --> 01:16:00,369  
downloadable titles across all types of

1810  
01:16:04,770 --> 01:16:02,349  
literature and featuring audio versions

1811  
01:16:06,270 --> 01:16:04,780  
of many new york times bestsellers for

1812  
01:16:08,819 --> 01:16:06,280  
listeners of the power cast

1813  
01:16:10,949 --> 01:16:08,829

audible.com is offering a free audiobook

1814

01:16:13,319 --> 01:16:10,959

to give you a chance to try out their

1815

01:16:16,350 --> 01:16:13,329

service one book to consider for example

1816

01:16:18,660 --> 01:16:16,360

is above top secret the worldwide UFO

1817

01:16:20,459 --> 01:16:18,670

cover-up by Timothy good Timothy good as

1818

01:16:22,680 --> 01:16:20,469

you know has been a guest on the power

1819

01:16:25,229 --> 01:16:22,690

cast yet another book worth considering

1820

01:16:28,290 --> 01:16:25,239

from audible.com is lies and deception

1821

01:16:30,390 --> 01:16:28,300

UFOs and the secret agenda from Timothy

1822

01:16:32,219 --> 01:16:30,400

good once again and also from our old

1823

01:16:35,279 --> 01:16:32,229

friend Nick Pope as you know Nick Pope

1824

01:16:36,600 --> 01:16:35,289

has also been on the power cast this is

1825

01:16:38,699 --> 01:16:36,610

another book that you're definitely

1826

01:16:40,560 --> 01:16:38,709

going to want to check out for this book

1827

01:16:50,839 --> 01:16:40,570

or another free audio book of your

1828

01:16:55,890 --> 01:16:54,089

mericans are facing evacuation if you or

1829

01:16:58,500 --> 01:16:55,900

any of your loved ones might need to

1830

01:17:00,509 --> 01:16:58,510

evacuate you must do it yourselves

1831

01:17:02,219 --> 01:17:00,519

please don't procrastinate until they do

1832

01:17:04,140 --> 01:17:02,229

it for you remember the terrible

1833

01:17:06,419 --> 01:17:04,150

conditions of those that didn't get out

1834

01:17:10,739 --> 01:17:06,429

for Katrina go right now to e Foods

1835

01:17:13,489 --> 01:17:10,749

direct com slash Alex or call 849 five

1836

01:17:16,199 --> 01:17:13,499

six 33 for information on the new

1837

01:17:18,420 --> 01:17:16,209

evacuation pack that contains two weeks

1838

01:17:20,220 --> 01:17:18,430

of delicious easy to fix food

1839

01:17:22,410 --> 01:17:20,230

along with the equipment to prepare it

1840

01:17:25,020 --> 01:17:22,420

it's packed in a rugged heavy-duty tote

1841

01:17:26,880 --> 01:17:25,030

for transport evacuations are looming

1842

01:17:28,920 --> 01:17:26,890

with the storms and the Gulf oil

1843

01:17:31,470 --> 01:17:28,930

catastrophe no matter where you live

1844

01:17:34,110 --> 01:17:31,480

wildfires earthquakes floods and storms

1845

01:17:35,940 --> 01:17:34,120

must be escaped don't be like a deer

1846

01:17:38,280 --> 01:17:35,950

frozen in the headlights of oncoming

1847

01:17:40,620 --> 01:17:38,290

disaster at least prepare yourself with

1848

01:17:44,880 --> 01:17:40,630

this two-week evacuation pack from a

1849

01:17:47,610 --> 01:17:44,890

foots direct comm call 849 five six 33

1850

01:17:53,100 --> 01:17:47,620

on the web efforts direct comm slash

1851

01:17:54,990 --> 01:17:53,110

Alex hi I'm mark Craig head founder of

1852

01:17:57,000 --> 01:17:55,000

crossbreed holsters I designed our

1853

01:17:59,250 --> 01:17:57,010

top-selling holster the super tuck

1854

01:18:01,710 --> 01:17:59,260

deluxe to solve the problems of being

1855

01:18:04,020 --> 01:18:01,720

poked pinched and gouged while carrying

1856

01:18:06,000 --> 01:18:04,030

concealed the super tuck deluxe is the

1857

01:18:08,220 --> 01:18:06,010

most comfortable most concealable

1858

01:18:09,990 --> 01:18:08,230

holster on the market today we offer a

1859

01:18:12,780 --> 01:18:10,000

two week free trial and a lifetime

1860

01:18:13,880 --> 01:18:12,790

warranty visit us at crossbreed holsters

1861

01:18:20,850 --> 01:18:13,890

dot-com

1862

01:18:22,380 --> 01:18:20,860

hi this is Ted Anderson have you ever

1863

01:18:24,030 --> 01:18:22,390

wondered why banks stockbrokers

1864

01:18:24,960 --> 01:18:24,040

investment advisors won't talk about

1865

01:18:27,120 --> 01:18:24,970

gold IRAs

1866

01:18:28,920 --> 01:18:27,130

they've been available since 1986 yet

1867

01:18:30,480 --> 01:18:28,930

the financial industry won't recognize

1868

01:18:32,820 --> 01:18:30,490

the value of gold for your retirement

1869

01:18:35,010 --> 01:18:32,830

gold has outperformed paper investments

1870

01:18:37,130 --> 01:18:35,020

yet no word about IRAs if you would like

1871

01:18:40,470 --> 01:18:37,140

to have gold for your retirement call

1872

01:18:50,469 --> 01:18:40,480

866 to 237 don't get left behind by

1873

01:18:54,640 --> 01:18:52,719

if you owe money to the IRS you can't

1874

01:18:56,410 --> 01:18:54,650

make the problem go away by yourself but

1875

01:18:58,270 --> 01:18:56,420

with the help of Dan pillow you can get

1876

01:19:00,640 --> 01:18:58,280

your problem solved once and for all

1877

01:19:02,109 --> 01:19:00,650

hi I'm Dan pillow for 30 years I've

1878

01:19:03,580 --> 01:19:02,119

helped thousands of people solve their

1879

01:19:05,859 --> 01:19:03,590

tax debt problem and I can help you

1880

01:19:07,689 --> 01:19:05,869

solve yours too we take a very simple

1881

01:19:09,939 --> 01:19:07,699

but proven three-step approach to

1882

01:19:11,680 --> 01:19:09,949

solving your problem first we stabilize

1883

01:19:13,359 --> 01:19:11,690

IRS collection actions so you don't have

1884

01:19:15,399 --> 01:19:13,369

to worry about the IRS seizing your bank

1885

01:19:17,410 --> 01:19:15,409

account or paycheck next we built a

1886

01:19:19,020 --> 01:19:17,420

comprehensive plan to get your tax debt

1887

01:19:21,640 --> 01:19:19,030

reduced to the fullest extent possible

1888

01:19:23,859 --> 01:19:21,650

sometimes even completely eliminated and

1889

01:19:25,449 --> 01:19:23,869

finally we work with you every step of

1890

01:19:27,279 --> 01:19:25,459

the way to get your problem solved once

1891

01:19:30,879 --> 01:19:27,289

and for all calls for a free

1892

01:19:33,339 --> 01:19:30,889

consultation call 1-800 three four six

1893

01:19:35,140 --> 01:19:33,349

six eight two nine we'll work together

1894

01:19:37,479 --> 01:19:35,150

to get your problem solved guaranteed

1895

01:19:39,489 --> 01:19:37,489

dan pillia has been protecting taxpayers

1896

01:19:42,969 --> 01:19:39,499

from the IRS for three decades and he

1897

01:19:46,689 --> 01:19:42,979

can help you too call us today at 834

1898

01:19:49,750 --> 01:19:46,699

six six eight two nine that's 800 three

1899

01:19:52,640 --> 01:19:49,760

four no tax

1900

01:19:55,010 --> 01:19:52,650

tired of searching for great talk radio

1901

01:20:00,280 --> 01:19:55,020

search no more it's good stuff

1902

01:20:02,960 --> 01:20:00,290

we are the GC and radio network Genesis

1903

01:20:05,630 --> 01:20:02,970

this is Philip rod know you're listening

1904

01:20:09,350 --> 01:20:05,640

to parent as one of the most informative

1905

01:20:11,120 --> 01:20:09,360

shows out there so listen closely we

1906

01:20:14,600 --> 01:20:11,130

have another session with race Stanford

1907

01:20:16,460 --> 01:20:14,610

we're talking about some incredible UFO

1908

01:20:18,740 --> 01:20:16,470

encounters in which he participated in

1909

01:20:21,410 --> 01:20:18,750

which he got some interesting sorts of

1910

01:20:23,960 --> 01:20:21,420

evidence Chris O'Brien's the co-host I'm

1911

01:20:25,370 --> 01:20:23,970

gene Steinberger in the power cast Chris

1912

01:20:27,890 --> 01:20:25,380

you want to follow up with Ray about

1913

01:20:30,140 --> 01:20:27,900

this stuff ok so just just to just to

1914

01:20:31,910 --> 01:20:30,150

make sure that we get a kind of a visual

1915

01:20:34,160 --> 01:20:31,920

idea of what's going on you're

1916

01:20:35,930 --> 01:20:34,170

approximately I think I looked at a map

1917

01:20:38,000 --> 01:20:35,940

at one point when you told me the story

1918

01:20:40,820 --> 01:20:38,010

you're about seven I think or so miles

1919

01:20:42,380 --> 01:20:40,830

away just outside of the boundary of the

1920

01:20:45,590 --> 01:20:42,390

white sands proving grounds you were

1921

01:20:47,300 --> 01:20:45,600

looking at or score peak you all of a

1922

01:20:51,020 --> 01:20:47,310

sudden or aware of these large about

1923

01:20:52,820 --> 01:20:51,030

hundred foot high and who knows how long

1924

01:20:54,530 --> 01:20:52,830

they were in terms of their you know

1925

01:20:56,450 --> 01:20:54,540

they went all the way around side by

1926

01:20:59,870 --> 01:20:56,460

side all the way around the peak right

1927

01:21:01,070 --> 01:20:59,880

now here so let me mention this if you

1928

01:21:02,690 --> 01:21:01,080

had been driving down there you would

1929

01:21:05,510 --> 01:21:02,700

have thought it was a continuous weird

1930

01:21:07,040 --> 01:21:05,520

band that had an odd drop-off you know

1931

01:21:08,600 --> 01:21:07,050

when you're at these new traffic lights

1932

01:21:10,610 --> 01:21:08,610

they're like let's call it for an L lens

1933

01:21:12,680 --> 01:21:10,620

you get off the side you can't see them

1934

01:21:14,150 --> 01:21:12,690

and if they don't get real bright with

1935

01:21:16,250 --> 01:21:14,160

these panels were that way

1936

01:21:18,050 --> 01:21:16,260

they got sharply dim as they went around

1937

01:21:20,600 --> 01:21:18,060

the thing and apparently they had that

1938

01:21:21,800 --> 01:21:20,610

kind of a character to them but as you

1939

01:21:24,950 --> 01:21:21,810

looked at him you just sworn they were

1940

01:21:26,480 --> 01:21:24,960

continuous but my wife happened to turn

1941

01:21:27,920 --> 01:21:26,490

and see them through the side of her

1942

01:21:29,780 --> 01:21:27,930

eyes which more sensitive and she said

1943

01:21:32,480 --> 01:21:29,790

hey guys those aren't continuous those

1944

01:21:33,920 --> 01:21:32,490

things for sequencing and we didn't

1945

01:21:34,910 --> 01:21:33,930

believe it at first but we turned and

1946

01:21:37,580 --> 01:21:34,920

tell them from the side and they were

1947

01:21:39,650 --> 01:21:37,590

and we took different exposures of

1948

01:21:41,300 --> 01:21:39,660

different time durations and we proved

1949

01:21:42,980 --> 01:21:41,310

conclusively we have photographs showing

1950

01:21:45,380 --> 01:21:42,990

you know the breaks in them as they're

1951

01:21:47,090 --> 01:21:45,390

sequencing well okay well done other

1952

01:21:49,190 --> 01:21:47,100

words they didn't want to be seen as

1953

01:21:50,990 --> 01:21:49,200

something sequencing up there I think by

1954

01:21:52,520 --> 01:21:51,000

the traffic passing by but they were

1955

01:21:54,740 --> 01:21:52,530

they were sequencing all the while and I

1956

01:21:56,660 --> 01:21:54,750

suspect there was also data on the

1957

01:21:58,820 --> 01:21:56,670

individual count I could be wrong and

1958

01:22:01,700 --> 01:21:58,830

let me say that I think that that big

1959

01:22:03,350 --> 01:22:01,710

white appearance we saw it may I take a

1960

01:22:05,420 --> 01:22:03,360

moment and explain what we

1961

01:22:07,670 --> 01:22:05,430

the do stack turret might have happened

1962

01:22:10,370 --> 01:22:07,680

that caused him to turn toward us and

1963

01:22:12,290 --> 01:22:10,380

show that absolutely okay

1964

01:22:14,000 --> 01:22:12,300

we weren't new arrivals I mean we driven

1965

01:22:17,000 --> 01:22:14,010

up there and all of a sudden we saw this

1966

01:22:19,940 --> 01:22:17,010

thing and it didn't take us long to stop

1967

01:22:20,720 --> 01:22:19,950

the van get out and start getting the

1968

01:22:23,300 --> 01:22:20,730

equipment all ready

1969

01:22:26,720 --> 01:22:23,310

I was out deploying the things but it

1970

01:22:28,370 --> 01:22:26,730

I'm pretty fast and my wife screams to

1971

01:22:30,290 --> 01:22:28,380

spectrum get a spectrum well they had

1972

01:22:33,680 --> 01:22:30,300

made this turn and showed this

1973

01:22:37,700 --> 01:22:33,690

incredible mysterious sharp-edged huge

1974

01:22:39,290 --> 01:22:37,710

white shape and oval and we think

1975

01:22:41,120 --> 01:22:39,300

there's a serious possibility this

1976

01:22:43,940 --> 01:22:41,130

normally was programmed to be turned

1977

01:22:46,460 --> 01:22:43,950

toward the source interested in them on

1978

01:22:49,490 --> 01:22:46,470

the peaks but that somehow but this is

1979

01:22:53,570 --> 01:22:49,500

possibly sigh responsive mind about

1980

01:22:55,730 --> 01:22:53,580

responsive technology as a lot of the

1981

01:22:57,890 --> 01:22:55,740

proportion was almost convinced as it is

1982

01:23:00,200 --> 01:22:57,900

and then he had locked on to us as the

1983

01:23:02,210 --> 01:23:00,210

newcomers and it took them a while to

1984

01:23:03,620 --> 01:23:02,220

realize and a second time it flipped

1985

01:23:05,690 --> 01:23:03,630

back on us that we didn't remember but

1986

01:23:07,460 --> 01:23:05,700

then they stopped it never happened

1987

01:23:09,110 --> 01:23:07,470

again because I think they realized they

1988

01:23:10,490 --> 01:23:09,120

were picking up on these jerks on the

1989

01:23:12,650 --> 01:23:10,500

highway instead of the government people

1990

01:23:15,230 --> 01:23:12,660

on the beach that's it that's a bit of a

1991

01:23:17,270 --> 01:23:15,240

stretch it's kind of hard to to just

1992

01:23:18,620 --> 01:23:17,280

accept that at face value but you know

1993

01:23:20,630 --> 01:23:18,630

of course not being there it's hard for

1994

01:23:21,680 --> 01:23:20,640

me to be judgmental about that but

1995

01:23:23,810 --> 01:23:21,690

that's a very interesting observation

1996

01:23:25,370 --> 01:23:23,820

what do you mean by straight I mean what

1997

01:23:27,800 --> 01:23:25,380

parties is a stretch for you well in

1998

01:23:30,830 --> 01:23:27,810

terms of you of thinking that you were

1999

01:23:32,660 --> 01:23:30,840

somehow involved that they recognized

2000

01:23:34,870 --> 01:23:32,670

you the pilots of these craft that they

2001  
01:23:37,250 --> 01:23:34,880  
recognized you and somehow they were

2002  
01:23:39,560 --> 01:23:37,260  
doing something for your benefit I I

2003  
01:23:41,180 --> 01:23:39,570  
think I think I didn't know I'd never

2004  
01:23:43,550 --> 01:23:41,190  
said that and nor did they do that for a

2005  
01:23:49,910 --> 01:23:43,560  
benefit we believe they locked onto our

2006  
01:23:52,160 --> 01:23:49,920  
thoughts UFOs you know people say that's

2007  
01:23:54,260 --> 01:23:52,170  
that's your in other words you you do

2008  
01:23:59,210 --> 01:23:54,270  
surmise this this is your hypothesis

2009  
01:24:01,960 --> 01:23:59,220  
they seek you out you just happened to

2010  
01:24:05,000 --> 01:24:01,970  
be there they would have sought out or

2011  
01:24:07,460 --> 01:24:05,010  
whoever was there I think I think

2012  
01:24:08,960 --> 01:24:07,470  
they're watching a sensor lock don't to

2013  
01:24:11,390 --> 01:24:08,970

escape early and turn that panel own

2014

01:24:13,370 --> 01:24:11,400

once and in a shorter time later on

2015

01:24:16,220 --> 01:24:13,380

that's all I think that they quickly

2016

01:24:17,120 --> 01:24:16,230

realized the mistake probably and put it

2017

01:24:19,370 --> 01:24:17,130

over at white

2018

01:24:21,379 --> 01:24:19,380

because let me put it in the temple

2019

01:24:23,689 --> 01:24:21,389

context what I described to you each

2020

01:24:25,580 --> 01:24:23,699

event only happened you know short

2021

01:24:29,000 --> 01:24:25,590

number of seconds when this when we saw

2022

01:24:32,950 --> 01:24:29,010

this but these objects did maneuvering

2023

01:24:35,570 --> 01:24:32,960

for the light system up on that peak for

2024

01:24:37,129 --> 01:24:35,580

35 minutes I don't know how long didn't

2025

01:24:38,959 --> 01:24:37,139

do until we got there but we we

2026

01:24:42,320 --> 01:24:38,969

monitored it and filmed it and recorded

2027

01:24:43,879 --> 01:24:42,330

it for 35 minutes it was only a few

2028

01:24:45,709 --> 01:24:43,889

seconds the first time or I would have

2029

01:24:47,750 --> 01:24:45,719

gotten the spectrum and a few seconds

2030

01:24:50,750 --> 01:24:47,760

for the second time and that was all and

2031

01:24:53,300 --> 01:24:50,760

so it suggests an accident to us okay

2032

01:24:54,709 --> 01:24:53,310

ray what does the film show if we look

2033

01:24:57,830 --> 01:24:54,719

at the film what are we seeing

2034

01:24:59,840 --> 01:24:57,840

we don't have movie film the aasa' on

2035

01:25:01,790 --> 01:24:59,850

that film in there of course was when

2036

01:25:04,340 --> 01:25:01,800

he's got the filters in zone so far

2037

01:25:06,830 --> 01:25:04,350

there's only 25 a si and we would have

2038

01:25:09,890 --> 01:25:06,840

gotten the white object but we didn't I

2039

01:25:12,530 --> 01:25:09,900

was deploying the big dollar Grammy we what

2040

01:25:14,660 --> 01:25:12,540

we got was light spectra which was very

2041

01:25:16,610 --> 01:25:14,670

important we did get light Spectre and

2042

01:25:19,640 --> 01:25:16,620

of both of the objects in their red face

2043

01:25:22,129 --> 01:25:19,650

and imal taneous li now what is really

2044

01:25:24,950 --> 01:25:22,139

exciting to me from the standpoint of

2045

01:25:27,830 --> 01:25:24,960

physics about this is that it was first

2046

01:25:31,610 --> 01:25:27,840

place was the kind of light that no

2047

01:25:35,540 --> 01:25:31,620

known aircraft would emit it was one

2048

01:25:40,040 --> 01:25:35,550

single line light that is to say one

2049

01:25:44,030 --> 01:25:40,050

exact wavelength of light in the in the

2050

01:25:46,910 --> 01:25:44,040

near-infrared red spectrum and this

2051

01:25:49,729 --> 01:25:46,920

infrared film or standard film no no no

2052

01:25:52,340 --> 01:25:49,739

no no we're using standard we were using

2053

01:25:55,280 --> 01:25:52,350

we we think now we should have been

2054

01:25:59,240 --> 01:25:55,290

using a high as a color film ISO color

2055

01:26:02,840 --> 01:25:59,250

him but the our physicist had talked us

2056

01:26:05,419 --> 01:26:02,850

into using black and white tracks film I

2057

01:26:07,310 --> 01:26:05,429

believe it was and which my opinion was

2058

01:26:09,140 --> 01:26:07,320

a mistake it but I've been much every

2059

01:26:11,750 --> 01:26:09,150

with color but he said that the lines

2060

01:26:14,300 --> 01:26:11,760

might be easier to measure and I bleed

2061

01:26:16,070 --> 01:26:14,310

into each other with this this type of

2062

01:26:20,870 --> 01:26:16,080

film and he might have been right but in

2063

01:26:23,660 --> 01:26:20,880

any case we got spectra and the single

2064

01:26:25,910 --> 01:26:23,670

line of light is emitted when an atom

2065

01:26:27,919 --> 01:26:25,920

within the electrons of an atom get

2066

01:26:30,620 --> 01:26:27,929

energy pumped so much that they can't

2067

01:26:33,350 --> 01:26:30,630

remain where they normally are

2068

01:26:35,419 --> 01:26:33,360

and they pop out to an outer energy

2069

01:26:37,910 --> 01:26:35,429

shell that they're not normally in and

2070

01:26:40,370 --> 01:26:37,920

that nature Institute forbid and there's

2071

01:26:44,540 --> 01:26:40,380

the tendency to drop back in but to drop

2072

01:26:47,180 --> 01:26:44,550

back in they have to emit as photons the

2073

01:26:49,700 --> 01:26:47,190

energy that they had absorbed and so

2074

01:26:51,860 --> 01:26:49,710

when they dropped back they met a single

2075

01:26:53,720 --> 01:26:51,870

discrete wavelength of light that we

2076

01:26:56,360 --> 01:26:53,730

call single line why because it produces

2077

01:26:58,610 --> 01:26:56,370

a single line on the spectrum and this

2078

01:27:00,800 --> 01:26:58,620

in itself could not have resulted from

2079

01:27:02,360 --> 01:27:00,810

photographing any aircraft the

2080

01:27:04,129 --> 01:27:02,370

conditional aircraft they're probably

2081

01:27:06,770 --> 01:27:04,139

even experimental aircraft in the sky at

2082

01:27:07,970 --> 01:27:06,780

least at that time now but there was a

2083

01:27:10,520 --> 01:27:07,980

better than that there was icing on the

2084

01:27:12,879 --> 01:27:10,530

cake that single line displayed a

2085

01:27:16,070 --> 01:27:12,889

phenomenon called line splitting and

2086

01:27:19,189 --> 01:27:16,080

there are two things and only two things

2087

01:27:21,470 --> 01:27:19,199

that can produce line splitting one is

2088

01:27:22,899 --> 01:27:21,480

that the light is being emitted in the

2089

01:27:26,240 --> 01:27:22,909

presence of a very strong

2090

01:27:28,370 --> 01:27:26,250

electromagnetic field or that it is

2091

01:27:32,360 --> 01:27:28,380

being produced in the presence of a very

2092

01:27:34,399 --> 01:27:32,370

strong electrical field and it happens

2093

01:27:38,120 --> 01:27:34,409

that magneto had Namek repulsion

2094

01:27:40,070 --> 01:27:38,130

produces both conditions so here we felt

2095

01:27:44,030 --> 01:27:40,080

that we had a spectacle spectral

2096

01:27:45,260 --> 01:27:44,040

confirmation of a very strong electrical

2097

01:27:47,540 --> 01:27:45,270

feeling and probably a very strong

2098

01:27:49,370 --> 01:27:47,550

magnetic field anyway it broke the

2099

01:27:51,050 --> 01:27:49,380

single line down into I'm trying to

2100

01:27:53,240 --> 01:27:51,060

remember is either four or six

2101  
01:27:55,970 --> 01:27:53,250  
components and looked at in 12 it's four

2102  
01:27:58,879 --> 01:27:55,980  
or six components and so this makes it

2103  
01:28:03,770 --> 01:27:58,889  
not only exotic it Masek exotic to the

2104  
01:28:05,689 --> 01:28:03,780  
nth degree because it shows either one

2105  
01:28:08,720 --> 01:28:05,699  
or both of these effects of line

2106  
01:28:11,240 --> 01:28:08,730  
splitting of a single line of light and

2107  
01:28:13,790 --> 01:28:11,250  
thus the evidence of the spectra is that

2108  
01:28:16,430 --> 01:28:13,800  
absolutely they show us that something

2109  
01:28:19,100 --> 01:28:16,440  
most extraordinary was emitting that

2110  
01:28:22,280 --> 01:28:19,110  
light in n ray you you you were going to

2111  
01:28:25,220 --> 01:28:22,290  
allow us to go ahead and post this this

2112  
01:28:28,840 --> 01:28:25,230  
this data on the podcast forum website

2113  
01:28:31,129 --> 01:28:28,850

correct I'm gonna let you post some

2114

01:28:33,169 --> 01:28:31,139

pictures that was taken with a 300

2115

01:28:35,750 --> 01:28:33,179

millimeter telephoto on color film of

2116

01:28:37,879 --> 01:28:35,760

the object when what was interesting was

2117

01:28:39,649 --> 01:28:37,889

that at one point these objects had let

2118

01:28:42,080 --> 01:28:39,659

me let me kind of ladies that let's

2119

01:28:43,690 --> 01:28:42,090

suppose that you're in the way up high

2120

01:28:45,370 --> 01:28:43,700

looking down on the school

2121

01:28:48,190 --> 01:28:45,380

peak and us parked on the highway to the

2122

01:28:51,370 --> 01:28:48,200

northeast of there and if you look off

2123

01:28:55,630 --> 01:28:51,380

to the northwest out o as the crow flies

2124

01:28:57,580 --> 01:28:55,640

probably know 38 to 41 miles there

2125

01:28:58,570 --> 01:28:57,590

Socorro New Mexico that's not an

2126  
01:29:00,430 --> 01:28:58,580  
integrity reason on the top of my head

2127  
01:29:02,200 --> 01:29:00,440  
but its approximate okay what would

2128  
01:29:05,410 --> 01:29:02,210  
happen is that these objects would

2129  
01:29:07,360 --> 01:29:05,420  
appear right within a short distance of

2130  
01:29:09,220 --> 01:29:07,370  
the panel's in fact sometimes you would

2131  
01:29:11,650 --> 01:29:09,230  
swear you know they were within you know

2132  
01:29:13,930 --> 01:29:11,660  
a length of the object or two from the

2133  
01:29:15,910 --> 01:29:13,940  
pounce forgiving example one would

2134  
01:29:17,560 --> 01:29:15,920  
appear high up in the sky and one would

2135  
01:29:19,330 --> 01:29:17,570  
fear very low almost down toward the

2136  
01:29:20,980 --> 01:29:19,340  
base the mountain and they would head

2137  
01:29:23,080 --> 01:29:20,990  
part each other like they were gonna hit

2138  
01:29:24,430 --> 01:29:23,090

and they did a movie or what we'll have

2139

01:29:26,650 --> 01:29:24,440

to talk about that they moved at high

2140

01:29:28,900 --> 01:29:26,660

speed and suddenly within a few

2141

01:29:30,340 --> 01:29:28,910

diameters of each other both have made a

2142

01:29:31,480 --> 01:29:30,350

right angle turn and are moving off

2143

01:29:33,130 --> 01:29:31,490

toward Socorro

2144

01:29:35,080 --> 01:29:33,140

I tell you what we thought about that in

2145

01:29:37,390 --> 01:29:35,090

a moment we have race Stanford our

2146

01:29:40,690 --> 01:29:37,400

co-host is Chris O'Brien I'm Jean

2147

01:29:46,640 --> 01:29:40,700

Steinberg you're in the para cast

2148

01:29:53,060 --> 01:29:49,660

[Music]

2149

01:29:55,760 --> 01:29:53,070

Ray Perkins a reclusive veteran burned

2150

01:29:58,060 --> 01:29:55,770

out from the Gulf War lives tortured by

2151  
01:30:00,410 --> 01:29:58,070  
relentless perplexing nightmares

2152  
01:30:02,359 --> 01:30:00,420  
nightmares of a horrific battle in deep

2153  
01:30:04,609 --> 01:30:02,369  
space and of a mysterious woman

2154  
01:30:07,760 --> 01:30:04,619  
suffering an agony for her devastated

2155  
01:30:11,620 --> 01:30:07,770  
world a woman not yet born calling

2156  
01:30:14,240 --> 01:30:11,630  
across centuries to him then a

2157  
01:30:17,510 --> 01:30:14,250  
coincidence leads him to his destiny his

2158  
01:30:19,640 --> 01:30:17,520  
chance to alter the universe attack of

2159  
01:30:21,529 --> 01:30:19,650  
the Rockland rock the former fiction

2160  
01:30:23,990 --> 01:30:21,539  
editor for Star Wars and Indiana Jones

2161  
01:30:26,149 --> 01:30:24,000  
Robert Simpson writes the soul of the

2162  
01:30:27,620 --> 01:30:26,159  
novel attack of the Rockets lies in its

2163  
01:30:29,569 --> 01:30:27,630

heart and passion for building a

2164

01:30:32,629 --> 01:30:29,579

convincing tale of a love that spans the

2165

01:30:35,540 --> 01:30:32,639

galaxy a thrilling storm attack of the

2166

01:30:37,310 --> 01:30:35,550

rocket is available now read a simple

2167

01:30:39,439 --> 01:30:37,320

chapter and get a special discount off

2168

01:30:40,640 --> 01:30:39,449

of the cover price at our website raah

2169

01:30:45,709 --> 01:30:40,650

codes calm

2170

01:30:48,020 --> 01:30:45,719

that's our Ock o ideas calm attack of

2171

01:30:50,479 --> 01:30:48,030

the rock a novel in the grand

2172

01:30:52,100 --> 01:30:50,489

science-fiction tradition question what

2173

01:30:53,600 --> 01:30:52,110

would you rather drink acidic water

2174

01:30:55,879 --> 01:30:53,610

which burns holes in your body and

2175

01:30:57,799 --> 01:30:55,889

causes loss of bone mass or alkaline

2176  
01:30:59,990 --> 01:30:57,809  
water which promotes high energy and

2177  
01:31:01,700 --> 01:31:00,000  
vibrant health the answer is clear and

2178  
01:31:03,589 --> 01:31:01,710  
if you're drinking acidic water you're

2179  
01:31:05,959 --> 01:31:03,599  
helping cancer cells and bacteria to

2180  
01:31:08,540 --> 01:31:05,969  
grow out of control Alka vision plasma

2181  
01:31:10,970 --> 01:31:08,550  
pH drops combine a unique formula of the

2182  
01:31:13,100 --> 01:31:10,980  
most alkaline minerals using plasma pH

2183  
01:31:15,470 --> 01:31:13,110  
drops is the best way to alkalize your

2184  
01:31:17,660 --> 01:31:15,480  
water and help you get rid of acid and

2185  
01:31:19,760 --> 01:31:17,670  
regain your health and energy simply put

2186  
01:31:22,189 --> 01:31:19,770  
10 drops in the water you drink to raise

2187  
01:31:24,140 --> 01:31:22,199  
the pH to a healthy alkaline level most

2188  
01:31:26,330 --> 01:31:24,150

experts agree that the water you drink

2189

01:31:29,299 --> 01:31:26,340

should be at a pH level of 8 or higher

2190

01:31:31,640 --> 01:31:29,309

disease organisms like bacteria viruses

2191

01:31:34,010 --> 01:31:31,650

or cancer cannot survive in an alkaline

2192

01:31:36,830 --> 01:31:34,020

high pH environment order your bottle of

2193

01:31:39,770 --> 01:31:36,840

alkaviva plasma pH drops now by going

2194

01:31:44,649 --> 01:31:39,780

directly to alcove in calm that's al K a

2195

01:31:50,680 --> 01:31:44,659

vision calm or by calling 269 4 0 9 1776

2196

01:31:55,640 --> 01:31:53,720

hi I'm mark Craig head founder of

2197

01:31:57,620 --> 01:31:55,650

crossbreed holsters I designed our

2198

01:31:59,930 --> 01:31:57,630

top-selling holster the super tuck

2199

01:32:02,330 --> 01:31:59,940

deluxe to solve the problems of being

2200

01:32:04,220 --> 01:32:02,340

poked pinched and gouged while carrying

2201  
01:32:06,620 --> 01:32:04,230  
concealed the super tuck deluxe

2202  
01:32:08,839 --> 01:32:06,630  
is the most comfortable most concealable

2203  
01:32:10,850 --> 01:32:08,849  
holster on the market today we offer a

2204  
01:32:13,399 --> 01:32:10,860  
two week free trial and a lifetime

2205  
01:32:18,339 --> 01:32:13,409  
warranty visit us at crossbreed holsters

2206  
01:32:19,760 --> 01:32:18,349  
dot-com don't forget crossbreed holsters

2207  
01:32:21,470 --> 01:32:19,770  
dot-com

2208  
01:32:23,000 --> 01:32:21,480  
hi this is Ted Anderson have you ever

2209  
01:32:24,530 --> 01:32:23,010  
wondered why banks stockbrokers

2210  
01:32:26,479 --> 01:32:24,540  
investment advisors won't talk about

2211  
01:32:29,000 --> 01:32:26,489  
gold IRAs they've been available since

2212  
01:32:30,830 --> 01:32:29,010  
1986 yet the financial industry won't

2213  
01:32:32,750 --> 01:32:30,840

recognize the value of gold for your

2214

01:32:35,120 --> 01:32:32,760

retirement goal has outperformed paper

2215

01:32:36,680 --> 01:32:35,130

investments yet no word about IRAs if

2216

01:32:40,370 --> 01:32:36,690

you would like to have gold for your

2217

01:32:42,200 --> 01:32:40,380

retirement call 866 to 237 don't get

2218

01:33:14,030 --> 01:32:42,210

left behind by rising inflation and low

2219

01:33:16,370 --> 01:33:14,040

returns call 806-853-9949 police fire

2220

01:33:18,439 --> 01:33:16,380

and aviation batteries plus choose from

2221

01:33:20,780 --> 01:33:18,449

our great selection of LED flashlights

2222

01:33:23,060 --> 01:33:20,790

with no bulb to ever burn out and much

2223

01:33:24,709 --> 01:33:23,070

longer battery life find many top brands

2224

01:33:27,050 --> 01:33:24,719

including Streamlight pelican

2225

01:33:29,450 --> 01:33:27,060

surefire Nova TAC Gerber and more at

2226

01:33:30,890 --> 01:33:29,460

battery station calm you'll also find

2227

01:33:32,810 --> 01:33:30,900

the most popular brands of ammunition

2228

01:33:35,419 --> 01:33:32,820

and watertight cases for storing guns

2229

01:33:38,180 --> 01:33:35,429

food electronics survival gear and more

2230

01:33:40,129 --> 01:33:38,190

at battery station comm call four one

2231

01:33:47,390 --> 01:33:45,239

seven seven nine nine you will be

2235

01:33:53,120 --> 01:33:47,400

surprised when you visit battery station

2236

01:34:00,070 --> 01:33:53,130

calm the gcn Radio Network providing the

2237

01:34:04,990 --> 01:34:00,080

world with hard-hitting talk radio GCN

2238

01:34:26,640 --> 01:34:05,000

[Music]

2239

01:34:32,020 --> 01:34:29,320

ray Stanford joining us we're talking

2240

01:34:33,910 --> 01:34:32,030

about this amazing series of UFO

2241

01:34:36,820 --> 01:34:33,920

sightings and I want to remind you we

2242

01:34:39,040 --> 01:34:36,830

have forum vApp our cast comm and we

2243

01:34:40,479 --> 01:34:39,050

have some stuff that will be posted by

2244

01:34:43,740 --> 01:34:40,489

the time you hear this show and then

2245

01:34:46,930 --> 01:34:43,750

you're free to comment on it or not ray

2246

01:34:49,330 --> 01:34:46,940

will be continuing to explain what he

2247

01:34:51,669 --> 01:34:49,340

has Chris O'Brien is the co-host I'm

2248

01:34:54,160 --> 01:34:51,679

gene Steinberg during the para cast okay

2249

01:34:56,590 --> 01:34:54,170

so where are we here the objects are

2250

01:34:58,300 --> 01:34:56,600

moving towards one another they moved in

2251  
01:35:00,250 --> 01:34:58,310  
a vertical line one moving up one move

2252  
01:35:01,840 --> 01:35:00,260  
down toward each other and they get just

2253  
01:35:04,419 --> 01:35:01,850  
a few diameters of each other and

2254  
01:35:06,520 --> 01:35:04,429  
suddenly visually with visual instant a

2255  
01:35:07,930 --> 01:35:06,530  
'ti they are not moving toward each

2256  
01:35:11,050 --> 01:35:07,940  
other but both are moving parallel

2257  
01:35:13,390 --> 01:35:11,060  
courses all start Saburo and they would

2258  
01:35:15,700 --> 01:35:13,400  
go over to a distance that we think

2259  
01:35:17,169 --> 01:35:15,710  
probably was the crow and then they

2260  
01:35:18,669 --> 01:35:17,179  
would instantly appear back over above

2261  
01:35:22,479 --> 01:35:18,679  
the panel's now the interesting thing

2262  
01:35:24,370 --> 01:35:22,489  
was we took time exposures as they were

2263  
01:35:26,530 --> 01:35:24,380

getting over near Sakura and left the

2264

01:35:28,600 --> 01:35:26,540

shutter open even though you don't see

2265

01:35:31,419 --> 01:35:28,610

it with the eye if you look carefully in

2266

01:35:33,160 --> 01:35:31,429

those shots you will see a slight streak

2267

01:35:36,610 --> 01:35:33,170

of light that goes from over there

2268

01:35:40,000 --> 01:35:36,620

bicycle to right near the panels in that

2269

01:35:41,560 --> 01:35:40,010

short time of the exposure and that part

2270

01:35:43,450 --> 01:35:41,570

of the exposure sensibility once the

2271

01:35:45,430 --> 01:35:43,460

object disappeared this poser was cut

2272

01:35:47,080 --> 01:35:45,440

off so in other words within probably a

2273

01:35:49,090 --> 01:35:47,090

fraction of a second to a second when

2274

01:35:51,340 --> 01:35:49,100

the object disappear depth is in the

2275

01:35:54,760 --> 01:35:51,350

score direction the shutter was closed

2276

01:35:56,650 --> 01:35:54,770

so they went that fast back over to the

2277

01:35:59,169 --> 01:35:56,660

pounce which would if I said be 30-some

2278

01:36:00,910 --> 01:35:59,179

odd miles well yeah probably a fraction

2279

01:36:03,640 --> 01:36:00,920

of a second that's smoking me fast

2280

01:36:06,250 --> 01:36:03,650

that's amazing yeah yeah he should and

2281

01:36:08,110 --> 01:36:06,260

let me let me say this that wasn't they

2282

01:36:09,459 --> 01:36:08,120

constantly for thirty five minutes they

2283

01:36:12,130 --> 01:36:09,469

were doing these kinds of maneuvers

2284

01:36:13,900 --> 01:36:12,140

another another maneuver would be that

2285

01:36:16,180 --> 01:36:13,910

they would head toward each other on a

2286

01:36:18,459 --> 01:36:16,190

horizontal path and they would suddenly

2287

01:36:20,110 --> 01:36:18,469

on the horizontal path one would

2288

01:36:21,220 --> 01:36:20,120

suddenly be going backward the one that

2289

01:36:22,390 --> 01:36:21,230

was in the discord direct should be

2290

01:36:24,040 --> 01:36:22,400

going backward and then they would both

2291

01:36:26,260 --> 01:36:24,050

had the same distance together toward

2292

01:36:28,270 --> 01:36:26,270

Socorro you could see them get smaller

2293

01:36:29,919 --> 01:36:28,280

and smaller with distance then they

2294

01:36:31,050 --> 01:36:29,929

would visually suddenly appear right

2295

01:36:33,729 --> 01:36:31,060

over here the things even though our

2296

01:36:36,200 --> 01:36:33,739

shot or two of that shows that there is

2297

01:36:37,700 --> 01:36:36,210

a record of them moving across now

2298

01:36:40,190 --> 01:36:37,710

you sure it was the same two objects

2299

01:36:42,709 --> 01:36:40,200

that it wasn't to adopt no question no

2300

01:36:44,530 --> 01:36:42,719

question they were unique is your

2301

01:36:47,360 --> 01:36:44,540

fingerprint anyway that's a question

2302

01:36:49,459 --> 01:36:47,370

when you mention all this okay it's the

2303

01:36:52,010 --> 01:36:49,469

three of you came in your car and

2304

01:36:54,860 --> 01:36:52,020

everything are the records of anyone

2305

01:36:56,360 --> 01:36:54,870

else seeing Elvis stuff I'm not aware of

2306

01:36:58,370 --> 01:36:56,370

anybody even coming along the highway

2307

01:37:00,320 --> 01:36:58,380

that time and I did began it it was on a

2308

01:37:02,600 --> 01:37:00,330

weekday night now let me mention one

2309

01:37:04,250 --> 01:37:02,610

case there was a lady traveling on

2310

01:37:06,440 --> 01:37:04,260

highway that night they contacted me I

2311

01:37:08,720 --> 01:37:06,450

went into the car and visited with the

2312

01:37:10,250 --> 01:37:08,730

people at the newspaper there that of

2313

01:37:11,240 --> 01:37:10,260

course had been in contact with when I

2314

01:37:12,800 --> 01:37:11,250

was there the original score'

2315

01:37:15,670 --> 01:37:12,810

investigations is all those years later

2316

01:37:19,220 --> 01:37:15,680

14 years later but through the newspaper

2317

01:37:20,959 --> 01:37:19,230

they they told me that I call this lady

2318

01:37:23,810 --> 01:37:20,969

that she had contacted him there was a

2319

01:37:25,729 --> 01:37:23,820

lady that had been drive her husband was

2320

01:37:28,520 --> 01:37:25,739

a fairly hot person in the Bureau of

2321

01:37:30,500 --> 01:37:28,530

Land Management and she had two young

2322

01:37:32,810 --> 01:37:30,510

sons that were travelling in the car

2323

01:37:34,340 --> 01:37:32,820

with her they had been traveling I think

2324

01:37:37,459 --> 01:37:34,350

they were coming from fatty cells ovum

2325

01:37:39,500 --> 01:37:37,469

and at some point I don't remember the

2326  
01:37:40,670 --> 01:37:39,510  
exact time if it was before we got there

2327  
01:37:42,890 --> 01:37:40,680  
and encountered these and they were you

2328  
01:37:44,600 --> 01:37:42,900  
know was going on been or what but she

2329  
01:37:46,400 --> 01:37:44,610  
didn't report the red objects she

2330  
01:37:48,920 --> 01:37:46,410  
reported that as she was driving along

2331  
01:37:51,440 --> 01:37:48,930  
there this bright object showed up in

2332  
01:37:53,750 --> 01:37:51,450  
her rear mirror and she turned around

2333  
01:37:55,160 --> 01:37:53,760  
and look the boys are sleeping she

2334  
01:37:57,350 --> 01:37:55,170  
turned around and look and she said it

2335  
01:37:59,270 --> 01:37:57,360  
looked like nothing so much as the moon

2336  
01:38:01,100 --> 01:37:59,280  
well the full moon was up that night but

2337  
01:38:03,890 --> 01:38:01,110  
this wasn't the moon and she said it had

2338  
01:38:05,479 --> 01:38:03,900

it had structures kind of I guess

2339

01:38:07,850 --> 01:38:05,489

hexagonal interfacing structures on the

2340

01:38:10,070 --> 01:38:07,860

surface and it followed them for a while

2341

01:38:11,930 --> 01:38:10,080

she kept thinking maybe I'll wake the

2342

01:38:13,310 --> 01:38:11,940

kiss but then she realized that you know

2343

01:38:15,680 --> 01:38:13,320

this might be too much for him and she

2344

01:38:17,870 --> 01:38:15,690

didn't but it was a new report we report

2345

01:38:20,360 --> 01:38:17,880

this today no no they didn't report it

2346

01:38:23,120 --> 01:38:20,370

but this lady and her husband retired

2347

01:38:26,530 --> 01:38:23,130

from PLM and they moved in fact to not

2348

01:38:29,990 --> 01:38:26,540

too well into Central Texas down near

2349

01:38:32,450 --> 01:38:30,000

general Cuero Texas but which means

2350

01:38:33,830 --> 01:38:32,460

turkey in Spanish especially anyway and

2351

01:38:36,229 --> 01:38:33,840

we became good friends she and her

2352

01:38:38,510 --> 01:38:36,239

husband had had a really incredible

2353

01:38:40,340 --> 01:38:38,520

observation of a UFO and interestingly

2354

01:38:43,310 --> 01:38:40,350

also she lived that she and her husband

2355

01:38:45,260 --> 01:38:43,320

lived next door to the guy that was the

2356

01:38:46,880 --> 01:38:45,270

manager I believe was the term for the

2357

01:38:48,260 --> 01:38:46,890

very large array of radio telescopes I

2358

01:38:49,760 --> 01:38:48,270

will go into that I'll get off the topic

2359

01:38:52,880 --> 01:38:49,770

but you run into

2360

01:38:55,610 --> 01:38:52,890

people in this illness tournament today

2361

01:38:58,640 --> 01:38:55,620

but the separation huh

2362

01:39:02,150 --> 01:38:58,650

I said six degrees of separation the

2363

01:39:03,860 --> 01:39:02,160

small world degree world it's amazing

2364

01:39:08,360 --> 01:39:03,870

some of the coincidences out there but

2365

01:39:11,360 --> 01:39:08,370

but experience are you now how far into

2366

01:39:18,770 --> 01:39:11,370

the 35 minutes are you you've described

2367

01:39:20,930 --> 01:39:18,780

the the vertical oh okay we at one point

2368

01:39:23,150 --> 01:39:20,940

both of the others appeared some

2369

01:39:24,530 --> 01:39:23,160

distance apart and they both were moving

2370

01:39:26,030 --> 01:39:24,540

towards the girl but they're still very

2371

01:39:29,990 --> 01:39:26,040

close to us and very close to the

2372

01:39:32,210 --> 01:39:30,000

balance of the feet and I said this time

2373

01:39:34,730 --> 01:39:32,220

that one impact is going to come up and

2374

01:39:36,860 --> 01:39:34,740

dock with the other one now get this

2375

01:39:38,960 --> 01:39:36,870

this is an irrational statement and I

2376

01:39:41,510 --> 01:39:38,970

had no rational basis for it it was I

2377

01:39:44,390 --> 01:39:41,520

don't know why I said it and the funny

2378

01:39:46,760 --> 01:39:44,400

thing was that the other two of us there

2379

01:39:48,920 --> 01:39:46,770

fully agreed with me without questioning

2380

01:39:50,630 --> 01:39:48,930

you know why are you losing your bananas

2381

01:39:52,940 --> 01:39:50,640

I mean what's happening here and then

2382

01:39:55,760 --> 01:39:52,950

this is all under your analog audio tape

2383

01:39:58,970 --> 01:39:55,770

that's all the tape and also we have

2384

01:40:01,910 --> 01:39:58,980

wonderful sound of this incredible deep

2385

01:40:03,260 --> 01:40:01,920

Rumble with subsonics the seven second

2386

01:40:05,330 --> 01:40:03,270

drum blows associated with the turns we

2387

01:40:06,830 --> 01:40:05,340

have are you doing supposed to copy of

2388

01:40:10,490 --> 01:40:06,840

that recording there will you listen to

2389

01:40:13,520 --> 01:40:10,500

no no we won't we will publish that but

2390

01:40:15,140 --> 01:40:13,530

we might be able to if I I don't know

2391

01:40:17,540 --> 01:40:15,150

anything about audio but if Chris were

2392

01:40:19,550 --> 01:40:17,550

here I could let him copy one example of

2393

01:40:21,980 --> 01:40:19,560

the rumble and and our reaction to it

2394

01:40:23,870 --> 01:40:21,990

but let me let me finish this story

2395

01:40:25,850 --> 01:40:23,880

before epic at the end of it then I

2396

01:40:27,320 --> 01:40:25,860

start counting down I know when they're

2397

01:40:30,140 --> 01:40:27,330

going to do this

2398

01:40:32,240 --> 01:40:30,150

I used to launch a lot of good-sized

2399

01:40:33,860 --> 01:40:32,250

rockets that I built on Padre Island and

2400

01:40:37,460 --> 01:40:33,870

I'm good at counting down the seconds

2401

01:40:39,350 --> 01:40:37,470

and I said it's gonna begin nine eight

2402

01:40:42,680 --> 01:40:39,360

and you hear me only counting down and

2403

01:40:44,660 --> 01:40:42,690

exactly when I get to zero they dock and

2404

01:40:46,370 --> 01:40:44,670

they start tumbling along the line of

2405

01:40:49,220 --> 01:40:46,380

travel now this is what people will be

2406

01:40:51,500 --> 01:40:49,230

able to see on the podcast website if

2407

01:40:55,190 --> 01:40:51,510

you guys are willing to to post it the

2408

01:40:56,960 --> 01:40:55,200

logics connected as they're tumbling and

2409

01:40:59,840 --> 01:40:56,970

at one point you'll see that they begin

2410

01:41:01,160 --> 01:40:59,850

to show up as almost geometric figures

2411

01:41:03,420 --> 01:41:01,170

you'll see some that look like they're

2412

01:41:05,580 --> 01:41:03,430

triangles and it's all this pure

2413

01:41:07,860 --> 01:41:05,590

purrr purrr red that was the reddest red

2414

01:41:10,380 --> 01:41:07,870

I've ever seen except if you look very

2415

01:41:11,730 --> 01:41:10,390

carefully you will see on the left side

2416

01:41:14,370 --> 01:41:11,740

of where they start coming on opposite

2417

01:41:16,920 --> 01:41:14,380

sides little tiny round bright blue

2418

01:41:18,690 --> 01:41:16,930

bleach and you'll also see a couple of

2419

01:41:20,790 --> 01:41:18,700

them not as vertical relative of each

2420

01:41:22,740 --> 01:41:20,800

other along the tumbling near the middle

2421

01:41:24,600 --> 01:41:22,750

but they're much fainter now these

2422

01:41:26,010 --> 01:41:24,610

bleeps probably only curt it you know

2423

01:41:28,020 --> 01:41:26,020

five hundred thousandth of a second

2424

01:41:29,820 --> 01:41:28,030

timing there it was so short that our

2425

01:41:31,230 --> 01:41:29,830

eyes do not apprehend that bar at all

2426

01:41:32,670 --> 01:41:31,240

you know read while you're talking I

2427

01:41:34,500 --> 01:41:32,680

want to go back to the sound recordings

2428

01:41:38,790 --> 01:41:34,510

this is not like a cassette recording if

2429

01:41:40,710 --> 01:41:38,800

the what is a tape cassette 1970s okay

2430

01:41:44,820 --> 01:41:40,720

so the tape cassette it's trivial to

2431

01:41:47,520 --> 01:41:44,830

convert that to digital and post it so

2432

01:41:50,220 --> 01:41:47,530

why not it's easy well I would not send

2433

01:41:51,420 --> 01:41:50,230

out original data when I asking you to

2434

01:41:53,430 --> 01:41:51,430

send it down we're asking you to make

2435

01:41:57,720 --> 01:41:53,440

some kind of arrangement maybe to have a

2436

01:42:00,720 --> 01:41:57,730

copy made a digital copy made there plug

2437

01:42:02,490 --> 01:42:00,730

the audio I have a personal computer if

2438

01:42:05,250 --> 01:42:02,500

you were here and brought your equipment

2439

01:42:07,140 --> 01:42:05,260

I could do it but well we're gonna love

2440

01:42:08,880 --> 01:42:07,150

to get we'd love to get an example of

2441

01:42:12,030 --> 01:42:08,890

this audio recording on on the podcast

2442

01:42:13,980 --> 01:42:12,040

so people can actually hear this

2443

01:42:15,930 --> 01:42:13,990

wonderful this wonderful physical what

2444

01:42:18,780 --> 01:42:15,940

would be neat to have the one where our

2445

01:42:20,640 --> 01:42:18,790

operator we had an expensive pointing

2446

01:42:22,380 --> 01:42:20,650

microphone and he's supposed to be

2447

01:42:24,510 --> 01:42:22,390

pointing it at the object when you know

2448

01:42:26,400 --> 01:42:24,520

when is making this incredible sound but

2449

01:42:29,460 --> 01:42:26,410

he gets so excited he forgets and you

2450

01:42:32,820 --> 01:42:29,470

you you you hear this Rumble and all of

2451  
01:42:34,890 --> 01:42:32,830  
a sudden in the midst of ears boom boom

2452  
01:42:36,570 --> 01:42:34,900  
he got so excited he's beating the

2453  
01:42:41,100 --> 01:42:36,580  
microphone against his left thigh and

2454  
01:42:43,470 --> 01:42:41,110  
screaming let me explain something to

2455  
01:42:46,470 --> 01:42:43,480  
you here ray all you have to is take a

2456  
01:42:48,540 --> 01:42:46,480  
cassette recorder and plug the output

2457  
01:42:52,170 --> 01:42:48,550  
into the input of a personal computer

2458  
01:42:54,150 --> 01:42:52,180  
use a very simple basic audio program I

2459  
01:42:56,580 --> 01:42:54,160  
bet Chris can talk you through this on

2460  
01:43:01,620 --> 01:42:56,590  
the toilet absolutely and my pleasure I

2461  
01:43:04,620 --> 01:43:01,630  
would love to do that actually there is

2462  
01:43:07,350 --> 01:43:04,630  
so much open source audio software

2463  
01:43:09,090 --> 01:43:07,360

online well you'd have to you'd have to

2464

01:43:11,669 --> 01:43:09,100

have him you know I am a computer

2465

01:43:14,430 --> 01:43:11,679

ignore animus and so you have to

2466

01:43:16,290 --> 01:43:14,440

I'll help you Ellen will go every step

2467

01:43:19,439 --> 01:43:16,300

of the way this is this is really cool

2468

01:43:21,510 --> 01:43:19,449

that you're agreeing to not only not

2469

01:43:23,959 --> 01:43:21,520

only do this but the wonderful image

2470

01:43:27,000 --> 01:43:23,969

that we already have and plus the actual

2471

01:43:29,820 --> 01:43:27,010

readouts from the gravitational in magna

2472

01:43:33,120 --> 01:43:29,830

the magnetic data yes is fascinating

2473

01:43:35,250 --> 01:43:33,130

yes well I'm glad to do this if this by

2474

01:43:38,430 --> 01:43:35,260

the way let's put this in context there

2475

01:43:40,560 --> 01:43:38,440

are one or two claims of UFO sounds not

2476  
01:43:42,810 --> 01:43:40,570  
well documented in this case we not only

2477  
01:43:44,669 --> 01:43:42,820  
help the photographs we not only her

2478  
01:43:46,950 --> 01:43:44,679  
life spectra we not only have the audio

2479  
01:43:50,640 --> 01:43:46,960  
recording of everything we said and

2480  
01:43:53,430 --> 01:43:50,650  
every camera click but we also have the

2481  
01:43:56,939 --> 01:43:53,440  
extremely low frequency magnetic field

2482  
01:43:59,520 --> 01:43:56,949  
and we have waves of change in

2483  
01:44:01,470 --> 01:43:59,530  
acceleration due to gravity that have a

2484  
01:44:03,810 --> 01:44:01,480  
close correspondence to the magnetic

2485  
01:44:07,229 --> 01:44:03,820  
field changes we have this there's never

2486  
01:44:09,540 --> 01:44:07,239  
been a UFO case this well-documented in

2487  
01:44:17,340 --> 01:44:09,550  
history before this well then at least

2488  
01:44:18,689 --> 01:44:17,350

publicly the I yeah anyway continue I

2489

01:44:20,100 --> 01:44:18,699

believe and make them interesting

2490

01:44:22,830 --> 01:44:20,110

Freedom of Information Act request for

2491

01:44:23,220 --> 01:44:22,840

somebody to pick up on that in just a

2492

01:44:25,439 --> 01:44:23,230

moment

2493

01:44:27,209 --> 01:44:25,449

we have ray Stanford and we'll try to

2494

01:44:29,189 --> 01:44:27,219

work with him on getting digital files

2495

01:44:31,229 --> 01:44:29,199

to be posted on the power Cascone

2496

01:44:37,120 --> 01:44:31,239

website the co-host is Chris O'Brien I'm

2497

01:44:42,040 --> 01:44:39,360

[Music]

2498

01:44:43,990 --> 01:44:42,050

hi this is Ted Anderson if you own an

2499

01:44:46,240 --> 01:44:44,000

Apple iPhone and love to listen to your

2500

01:44:48,040 --> 01:44:46,250

favorite programs on GCN I've got good

2501  
01:44:50,350 --> 01:44:48,050  
news for you I'm proud to announce that

2502  
01:44:52,960 --> 01:44:50,360  
GCN has a brand new iPhone app available

2503  
01:44:54,880 --> 01:44:52,970  
for our dedicated listeners at GC and

2504  
01:44:56,980 --> 01:44:54,890  
live.com listen to your favorite

2505  
01:44:59,080 --> 01:44:56,990  
hard-hitting GCM programs live or

2506  
01:45:01,300 --> 01:44:59,090  
on-demand right on your iPhone and the

2507  
01:45:03,670 --> 01:45:01,310  
best part the GC an iPhone app can be

2508  
01:45:05,500 --> 01:45:03,680  
yours absolutely free download the

2509  
01:45:07,960 --> 01:45:05,510  
iPhone app today by clicking on the

2510  
01:45:11,110 --> 01:45:07,970  
banner at GC and live.com again that's

2511  
01:45:12,460 --> 01:45:11,120  
GC and live.com hi this is ted Anderson

2512  
01:45:14,320 --> 01:45:12,470  
have you ever wondered why banks

2513  
01:45:16,120 --> 01:45:14,330

stockbrokers investment advisors won't

2514

01:45:18,520 --> 01:45:16,130

talk about gold IRAs they've been

2515

01:45:20,260 --> 01:45:18,530

available since 1986 yet the financial

2516

01:45:21,940 --> 01:45:20,270

industry won't recognize the value of

2517

01:45:23,980 --> 01:45:21,950

gold for your retirement call this

2518

01:45:25,930 --> 01:45:23,990

outperformed paper investments yet no

2519

01:45:38,850 --> 01:45:25,940

word about IRAs if you would like to

2520

01:45:53,530 --> 01:45:40,050

806-853-9949

2521

01:46:05,460 --> 01:46:02,900

[Music]

2522

01:46:07,050 --> 01:46:05,470

we are in the final hour of our session

2523

01:46:09,810 --> 01:46:07,060

with ray Stanford we're talking about

2524

01:46:12,960 --> 01:46:09,820

the encounters in and around White Sands

2525

01:46:15,390 --> 01:46:12,970

New Mexico in 1978 the co-host is Chris

2526

01:46:18,030 --> 01:46:15,400

O'Brien I'm gene Steinberger in the

2527

01:46:20,010 --> 01:46:18,040

power cast for the final hour and I

2528

01:46:22,140 --> 01:46:20,020

wanted to mention once again that we are

2529

01:46:25,050 --> 01:46:22,150

going to be by the time you listen to

2530

01:46:26,820 --> 01:46:25,060

this posting the various photos

2531

01:46:29,940 --> 01:46:26,830

illustrations on the power cast website

2532

01:46:32,880 --> 01:46:29,950

in our forums at forum dr. Peric ascom

2533

01:46:35,820 --> 01:46:32,890

we will be working with Ray to show him

2534

01:46:38,040 --> 01:46:35,830

how to make digital copies of his analog

2535

01:46:40,320 --> 01:46:38,050

tape recordings and post them as well

2536

01:46:43,070 --> 01:46:40,330

Chris okay ray we're about halfway

2537

01:46:45,690 --> 01:46:43,080

through the event you were describing

2538

01:46:48,030 --> 01:46:45,700

your premonition that these objects were

2539

01:46:50,520 --> 01:46:48,040

going to dock and indeed they did

2540

01:46:52,500 --> 01:46:50,530

now what was Bob doing at this point

2541

01:46:55,890 --> 01:46:52,510

with the camera didn't he take a really

2542

01:46:58,440 --> 01:46:55,900

interesting time exposure going to

2543

01:47:01,650 --> 01:46:58,450

sleeve them tumbling right okay once you

2544

01:47:03,210 --> 01:47:01,660

describe what you think those blue dots

2545

01:47:04,500 --> 01:47:03,220

that are in that picture what do you

2546

01:47:06,180 --> 01:47:04,510

think those were I mean you couldn't see

2547

01:47:08,610 --> 01:47:06,190

it with the naked eye but they have to

2548

01:47:10,770 --> 01:47:08,620

be something well yes this of course is

2549

01:47:14,520 --> 01:47:10,780

it's got to be a rubber high-energy

2550

01:47:16,110 --> 01:47:14,530

plasma they could be related to parking

2551

01:47:18,750 --> 01:47:16,120

in other words these things have docked

2552

01:47:20,580 --> 01:47:18,760

and when you have two objects operating

2553

01:47:24,300 --> 01:47:20,590

seemingly magnet I had to hydrodynamic

2554

01:47:26,280 --> 01:47:24,310

how dynamically as well as probably

2555

01:47:28,260 --> 01:47:26,290

control of gravity so silver you're

2556

01:47:30,440 --> 01:47:28,270

going to have initially some instability

2557

01:47:32,700 --> 01:47:30,450

even as when you look at the magnetic

2558

01:47:35,670 --> 01:47:32,710

graphs which people will be able to see

2559

01:47:38,910 --> 01:47:35,680

for the turns there there has to be a

2560

01:47:40,290 --> 01:47:38,920

time of considerable instability now

2561

01:47:43,440 --> 01:47:40,300

what the people are going to see there

2562

01:47:45,720 --> 01:47:43,450

is I think the maximum one that I put

2563

01:47:46,950 --> 01:47:45,730

that I sent you is eight seconds we know

2564

01:47:50,190 --> 01:47:46,960

the exact duration the whole thing but

2565

01:47:52,080 --> 01:47:50,200

eight seconds so this is early into the

2566

01:47:54,900 --> 01:47:52,090

thing and I suspect that these blue dots

2567

01:47:57,030 --> 01:47:54,910

could be really might be related to some

2568

01:48:01,320 --> 01:47:57,040

type of application of energy for

2569

01:48:04,860 --> 01:48:01,330

talking stability to stabilize the the

2570

01:48:06,780 --> 01:48:04,870

rotation instead of kind of a a wobbling

2571

01:48:08,340 --> 01:48:06,790

rotation around the Sun or in other

2572

01:48:10,830 --> 01:48:08,350

words like a stabilizers some sort of

2573

01:48:13,050 --> 01:48:10,840

stabilizer venting there's something

2574

01:48:14,430 --> 01:48:13,060

going on right that's right and I

2575

01:48:16,800 --> 01:48:14,440

believe that's what it could

2576

01:48:18,450 --> 01:48:16,810

then there's no way for my buddy let me

2577

01:48:21,180 --> 01:48:18,460

mention that people will have the

2578

01:48:22,290 --> 01:48:21,190

opportunity if the tape is not so bled

2579

01:48:23,910 --> 01:48:22,300

through you can't hear it but I don't

2580

01:48:25,860 --> 01:48:23,920

think something's still be good there's

2581

01:48:28,530 --> 01:48:25,870

this incredible rumble there was total

2582

01:48:31,020 --> 01:48:28,540

silence all the rest of the time and we

2583

01:48:34,530 --> 01:48:31,030

this enabled us by the way to calculate

2584

01:48:37,950 --> 01:48:34,540

the distance once we saw the correlation

2585

01:48:39,570 --> 01:48:37,960

between the turn and the the magnetic

2586

01:48:42,960 --> 01:48:39,580

perturbations of their normal field

2587

01:48:46,350 --> 01:48:42,970

effects we were able to by using the

2588

01:48:48,720 --> 01:48:46,360

time lag between the visual event of the

2589

01:48:50,880 --> 01:48:48,730

reversal of direction and the the

2590

01:48:53,040 --> 01:48:50,890

auditory event it is these lights

2591

01:48:55,200 --> 01:48:53,050

they're essentially instantly but the

2592

01:48:57,300 --> 01:48:55,210

sound takes you awhile using the local

2593

01:48:59,640 --> 01:48:57,310

speed of sound we were able to calculate

2594

01:49:01,800 --> 01:48:59,650

the distance of these objects and using

2595

01:49:03,120 --> 01:49:01,810

the arcs subtended in the photographs

2596

01:49:05,730 --> 01:49:03,130

we're also able to calculate the

2597

01:49:08,190 --> 01:49:05,740

approximate size of these two objects

2598

01:49:10,650 --> 01:49:08,200

they were identical and the ellipsoid

2599

01:49:12,690 --> 01:49:10,660

seems to have been in the art very much

2600

01:49:15,840 --> 01:49:12,700

the size of the circle object or I would

2601  
01:49:17,160 --> 01:49:15,850  
say around 18 feet long probably okay

2602  
01:49:20,340 --> 01:49:17,170  
now one thing that we need to do here

2603  
01:49:22,590 --> 01:49:20,350  
ray is is we're talking about audio data

2604  
01:49:24,360 --> 01:49:22,600  
here no we need to describe I think to

2605  
01:49:26,990 --> 01:49:24,370  
the listeners how you obtain this audio

2606  
01:49:30,470 --> 01:49:27,000  
data your magnetometer has an audio

2607  
01:49:33,270 --> 01:49:30,480  
function on it that is an analog tone

2608  
01:49:35,850 --> 01:49:33,280  
once you describe the process of how

2609  
01:49:37,920 --> 01:49:35,860  
that sound was down the signals coming

2610  
01:49:40,770 --> 01:49:37,930  
from the gravimeter and the magnetometer

2611  
01:49:42,750 --> 01:49:40,780  
are going in now they're being recorded

2612  
01:49:45,630 --> 01:49:42,760  
at a level than unless we flip a switch

2613  
01:49:48,540 --> 01:49:45,640

we do not hear this is called IR ID

2614

01:49:50,820 --> 01:49:48,550

format recording it's a format a binary

2615

01:49:54,780 --> 01:49:50,830

format of the type that the Navy uses in

2616

01:49:58,500 --> 01:49:54,790

different bandwidth but the frequency

2617

01:50:00,840 --> 01:49:58,510

modulation FM but we also have their

2618

01:50:02,820 --> 01:50:00,850

only unit we flip a switch and there's a

2619

01:50:06,060 --> 01:50:02,830

little speaker there and it creates an

2620

01:50:09,060 --> 01:50:06,070

audio frequency analog of the signal

2621

01:50:11,070 --> 01:50:09,070

that is being monitored in recorded and

2622

01:50:12,780 --> 01:50:11,080

in the other format and you can actually

2623

01:50:14,100 --> 01:50:12,790

hear that's why we were so excited out

2624

01:50:15,960 --> 01:50:14,110

there on the highway western plains for

2625

01:50:18,900 --> 01:50:15,970

the first time we are not only able to

2626  
01:50:20,720 --> 01:50:18,910  
hear a UFOs magnetic field for sure but

2627  
01:50:23,010 --> 01:50:20,730  
we were able to hear these incredible

2628  
01:50:24,840 --> 01:50:23,020  
instantaneous reversal the direction

2629  
01:50:25,400 --> 01:50:24,850  
when they occurred that's what you're

2630  
01:50:26,960 --> 01:50:25,410  
going to

2631  
01:50:28,610 --> 01:50:26,970  
here on the table you're gonna hear no

2632  
01:50:30,920 --> 01:50:28,620  
no no we also have a regular tape

2633  
01:50:33,320 --> 01:50:30,930  
recorder out there okay with the you

2634  
01:50:35,120 --> 01:50:33,330  
know microphone on it reporter is

2635  
01:50:37,310 --> 01:50:35,130  
picking up the sound of the speaker and

2636  
01:50:39,110 --> 01:50:37,320  
the magnetometer that has given you the

2637  
01:50:41,660 --> 01:50:39,120  
actual audio representation of the

2638  
01:50:43,340 --> 01:50:41,670

magnetic field change that's right okay

2639

01:50:45,740 --> 01:50:43,350

okay just just can people understand

2640

01:50:48,920 --> 01:50:45,750

that I want to make that clear yeah okay

2641

01:50:52,160 --> 01:50:48,930

sorry do you know if we possibly do not

2642

01:50:53,750 --> 01:50:52,170

have that on during the recording of the

2643

01:50:55,040 --> 01:50:53,760

you know when the making these sounds

2644

01:50:56,240 --> 01:50:55,050

because that would interfere I'm not

2645

01:50:57,560 --> 01:50:56,250

sure it's been so long since we've

2646

01:51:00,050 --> 01:50:57,570

listened to the tape

2647

01:51:01,820 --> 01:51:00,060

I don't recall but I mean we don't

2648

01:51:04,010 --> 01:51:01,830

you'll notice that there's no sound

2649

01:51:06,470 --> 01:51:04,020

except us talking and then all of a

2650

01:51:09,080 --> 01:51:06,480

sudden the sound starts let me say that

2651  
01:51:10,790 --> 01:51:09,090  
it wasn't just a deep dirty sound my

2652  
01:51:12,950 --> 01:51:10,800  
analog would be and for everybody

2653  
01:51:14,420 --> 01:51:12,960  
listening this probably they probably

2654  
01:51:16,760 --> 01:51:14,430  
seen the movie Close Encounters of the

2655  
01:51:18,590 --> 01:51:16,770  
Third Kind well there's some if you went

2656  
01:51:21,620 --> 01:51:18,600  
to a good theater with Biggles bass

2657  
01:51:24,410 --> 01:51:21,630  
speakers when the little boys being

2658  
01:51:26,000 --> 01:51:24,420  
drawn out through the pet door to be

2659  
01:51:29,120 --> 01:51:26,010  
captured taken to the mothership that

2660  
01:51:31,280 --> 01:51:29,130  
was out there in the movie there is this

2661  
01:51:34,610 --> 01:51:31,290  
deep Rumble but if you had good speakers

2662  
01:51:36,650 --> 01:51:34,620  
you also felt your soft tissue vibrating

2663  
01:51:38,570 --> 01:51:36,660

like in an earthquake well you you not

2664

01:51:41,330 --> 01:51:38,580

only felt us in your soft tissue you

2665

01:51:48,080 --> 01:51:41,340

felt it the earth itself was shaking and

2666

01:51:50,090 --> 01:51:48,090

this is my BOB was so I I mean I don't

2667

01:51:53,030 --> 01:51:50,100

blame him I mean it's just overwhelming

2668

01:51:55,460 --> 01:51:53,040

okay so we're halfway through the event

2669

01:51:58,100 --> 01:51:55,470

let's continue in our our timeline of

2670

01:52:01,220 --> 01:51:58,110

actually what happened there okay well

2671

01:52:04,490 --> 01:52:01,230

this whole episode of what I would call

2672

01:52:06,620 --> 01:52:04,500

showing off their abilities continued do

2673

01:52:08,330 --> 01:52:06,630

their a little performance and you know

2674

01:52:09,740 --> 01:52:08,340

sometimes they would repeat usually they

2675

01:52:11,690 --> 01:52:09,750

were a different arranged but there are

2676

01:52:13,250 --> 01:52:11,700

all kinds of these weird little deals

2677

01:52:16,220 --> 01:52:13,260

they did the show that they wouldn't hit

2678

01:52:17,930 --> 01:52:16,230

each other I guess and then they go back

2679

01:52:20,210 --> 01:52:17,940

to article now why I kept going back

2680

01:52:22,700 --> 01:52:20,220

towards the car oh I don't know but they

2681

01:52:24,110 --> 01:52:22,710

go to score and then make this streak so

2682

01:52:28,160 --> 01:52:24,120

fast you wouldn't say they don't film

2683

01:52:30,230 --> 01:52:28,170

back to the front panels trying to seems

2684

01:52:34,480 --> 01:52:30,240

Lonnie was all around and show off the

2685

01:52:37,010 --> 01:52:34,490

line because they even make sense to me

2686

01:52:37,610 --> 01:52:37,020

sound asleep

2687

01:52:39,920 --> 01:52:37,620

but

2688

01:52:42,800 --> 01:52:39,930

he was well off the police or that in

2689

01:52:44,180 --> 01:52:42,810

but the thing is that that I mean

2690

01:52:46,370 --> 01:52:44,190

we're just in awe and you hear us

2691

01:52:48,830 --> 01:52:46,380

talking if I was happening and and well

2692

01:52:52,490 --> 01:52:48,840

we described it as a UFO leaders dream

2693

01:52:53,900 --> 01:52:52,500

come true and to make it all crazier we

2694

01:52:54,580 --> 01:52:53,910

read all of this is going on under a

2695

01:52:57,830 --> 01:52:54,590

full moon

2696

01:53:03,820 --> 01:52:57,840

and you know we could have held it was

2697

01:53:08,840 --> 01:53:03,830

so wonderful but anyway as it got on for

2698

01:53:10,910 --> 01:53:08,850

this went on for for 35 minutes until 10

2699

01:53:13,880 --> 01:53:10,920

minutes I guess after midnight it again

2700

01:53:15,400 --> 01:53:13,890

I believe 11:35 so I get into 10 minutes

2701

01:53:17,810 --> 01:53:15,410

after midnight

2702

01:53:20,480 --> 01:53:17,820

that's all subject to revision looking

2703

01:53:24,020 --> 01:53:20,490

at the logbook that are on the computer

2704

01:53:27,830 --> 01:53:24,030

but anyway whether you know whatever it

2705

01:53:29,570 --> 01:53:27,840

was is partly 35 minutes and then just

2706

01:53:32,360 --> 01:53:29,580

we didn't know his coming to an end but

2707

01:53:34,100 --> 01:53:32,370

suddenly ice made they had they had gone

2708

01:53:37,760 --> 01:53:34,110

back off they were heading back off

2709

01:53:40,430 --> 01:53:37,770

toward siguro as they had every time for

2710

01:53:43,310 --> 01:53:40,440

35 minutes and on the tape I make a

2711

01:53:44,780 --> 01:53:43,320

strange statement you know memory is bad

2712

01:53:47,060 --> 01:53:44,790

I can't say that my memory of it son

2713

01:53:48,890 --> 01:53:47,070

person acted but on the tape I say

2714

01:53:51,860 --> 01:53:48,900

something like well you guys better

2715

01:53:54,470 --> 01:53:51,870

enjoy this time because when they come

2716

01:53:56,090 --> 01:53:54,480

back here they're not going to head back

2717

01:53:58,010 --> 01:53:56,100

towards the coral this time after they

2718

01:54:00,200 --> 01:53:58,020

do their little performance they're

2719

01:54:05,060 --> 01:54:00,210

going to head off toward Holloman Air

2720

01:54:07,700 --> 01:54:05,070

Force Base is weird in itself I had no

2721

01:54:10,550 --> 01:54:07,710

reason to say it it was irrationally and

2722

01:54:13,790 --> 01:54:10,560

my my wife it was one of the other two

2723

01:54:17,060 --> 01:54:13,800

people and Bob you hear them agree with

2724

01:54:20,180 --> 01:54:17,070

me my wife says I know yeah that that's

2725

01:54:23,720 --> 01:54:20,190

it and and and in Bob says on my yep

2726

01:54:26,480 --> 01:54:23,730

this'll be it and he does that's exactly

2727

01:54:28,730 --> 01:54:26,490

what happens now my feeling was that

2728

01:54:30,410 --> 01:54:28,740

they had completed their communications

2729

01:54:31,790 --> 01:54:30,420

and maybe some kind of agreement and

2730

01:54:34,640 --> 01:54:31,800

they were bent over to land and they

2731

01:54:36,500 --> 01:54:34,650

contact at Holloman face-to-face I don't

2732

01:54:39,080 --> 01:54:36,510

know that all I know is is they went

2733

01:54:43,220 --> 01:54:39,090

over analyzing on a coat or the

2734

01:54:46,850 --> 01:54:43,230

coordinate from you think that they

2735

01:54:48,530 --> 01:54:46,860

actually went to Harlem and then in I

2736

01:54:50,240 --> 01:54:48,540

would guess that that's what happened

2737

01:54:51,439 --> 01:54:50,250

you know I have no way of knowing but

2738

01:54:53,209 --> 01:54:51,449

that was my gut

2739

01:54:55,370 --> 01:54:53,219

and you know the flood was right but I

2740

01:54:57,529 --> 01:54:55,380

mean imagine for 35 minutes they've done

2741

01:54:59,839 --> 01:54:57,539

this this basic train thing maneuvers

2742

01:55:02,120 --> 01:54:59,849

and particle they're going back towards

2743

01:55:04,939 --> 01:55:02,130

saqqara and I say this and why did those

2744

01:55:07,279 --> 01:55:04,949

two agree with me I mean it it's bizarre

2745

01:55:09,410 --> 01:55:07,289

I'll tell you what's bizarre because I

2746

01:55:14,449 --> 01:55:09,420

can't get my wife to agree with me all

2747

01:55:16,489 --> 01:55:14,459

the time you know the intimate details

2748

01:55:18,770 --> 01:55:16,499

of your marriage in your relationship

2749

01:55:20,870 --> 01:55:18,780

because that's probably not to remain to

2750

01:55:23,540 --> 01:55:20,880

this discussion what is germane is the

2751

01:55:26,569 --> 01:55:23,550

fact that we are talking to Ray Stanford

2752

01:55:29,629 --> 01:55:26,579

and we're wrapping up this incident near

2753

01:55:31,699 --> 01:55:29,639

White Sands New Mexico from 1978 the

2754

01:55:40,069 --> 01:55:31,709

co-host is Christopher O'Brien I'm gene

2755

01:55:41,270 --> 01:55:40,079

steinberger in the para cast hey

2756

01:55:43,219 --> 01:55:41,280

neighbors have you been thinking about

2757

01:55:44,930 --> 01:55:43,229

starting a website now I'm gonna tell

2758

01:55:47,180 --> 01:55:44,940

you about a great offer from Hostgator

2759

01:55:48,919 --> 01:55:47,190

Oh skater is a world-famous leader in

2760

01:55:51,049 --> 01:55:48,929

web hosting and they make it easy for

2761

01:55:53,089 --> 01:55:51,059

you to get your own dot-com domain name

2762

01:55:55,040 --> 01:55:53,099

you create your very own website with

2763

01:55:57,020 --> 01:55:55,050

their free site builder tools and great

2764

01:55:59,359 --> 01:55:57,030

selection of templates use the coupon

2765

01:56:01,699 --> 01:55:59,369

code power cast once again use the

2766

01:56:04,430 --> 01:56:01,709

coupon code power cast and sign up at

2767

01:56:07,850 --> 01:56:04,440

this special address the power cast come

2768

01:56:11,209 --> 01:56:07,860

slash Gator that's GA t o AR the para

2769

01:56:13,219 --> 01:56:11,219

cast comm slash gator for 58 years

2770

01:56:15,350 --> 01:56:13,229

fate has provided true reports of a

2771

01:56:17,660 --> 01:56:15,360

strange and unknown fate brings you the

2772

01:56:19,489 --> 01:56:17,670

latest in all aspects of the paranormal

2773

01:56:22,520 --> 01:56:19,499

like angels and miracles psychic

2774

01:56:24,259 --> 01:56:22,530

phenomena ghosts UFOs and much much more

2775

01:56:26,479 --> 01:56:24,269

to receive your complimentary fate

2776  
01:56:29,629 --> 01:56:26,489  
magazine call now at one eight hundred

2777  
01:56:45,680 --> 01:56:29,639  
seven two eight two seven three o or

2778  
01:56:50,479 --> 01:56:48,080  
you heard me right the GAO is drawing a

2779  
01:56:52,430 --> 01:56:50,489  
parallel between the US economy its debt

2780  
01:56:55,219 --> 01:56:52,440  
and the current Greek economic meltdown

2781  
01:56:57,649 --> 01:56:55,229  
with the debt to GDP chart climbing into

2782  
01:56:59,359 --> 01:56:57,659  
unfamiliar territory the growing budget

2783  
01:56:59,989 --> 01:56:59,369  
deficit will rise to unsupportable

2784  
01:57:02,420 --> 01:56:59,999  
levels

2785  
01:57:05,060 --> 01:57:02,430  
hi this is Ted Anderson the federal

2786  
01:57:07,730 --> 01:57:05,070  
and risk of financial crises document

2787  
01:57:08,840 --> 01:57:07,740  
the CBO has published is a must read for

2788  
01:57:10,790 --> 01:57:08,850

every American

2789

01:57:12,530 --> 01:57:10,800

covering the risk of continued deficit

2790

01:57:14,720 --> 01:57:12,540

spending coupled with an aging

2791

01:57:17,300 --> 01:57:14,730

population and the rising interest rates

2792

01:57:19,310 --> 01:57:17,310

spell economic disaster it's imperative

2793

01:57:32,330 --> 01:57:19,320

that you get a copy of this document and

2794

01:57:32,340 --> 01:57:37,390

[Music]

2795

01:57:52,160 --> 01:57:50,450

806-853-9949 isms means that the quality

2796

01:57:53,870 --> 01:57:52,170

of commercially grown food may be

2797

01:57:55,700 --> 01:57:53,880

compromised with our health in the

2798

01:57:57,260 --> 01:57:55,710

balance now that summer's here what

2799

01:57:59,540 --> 01:57:57,270

better time to learn about the bounty

2800

01:58:02,330 --> 01:57:59,550

that nature provides in wild edible food

2801  
01:58:04,610 --> 01:58:02,340  
let Otto Linda Runyan show you the best

2802  
01:58:06,440 --> 01:58:04,620  
kept secret in plain sight that food is

2803  
01:58:07,940 --> 01:58:06,450  
everywhere you look this summer for the

2804  
01:58:09,710 --> 01:58:07,950  
cost of a good meal or two out you can

2805  
01:58:11,030 --> 01:58:09,720  
literally starvation proof yourself and

2806  
01:58:13,100 --> 01:58:11,040  
your loved ones against any future

2807  
01:58:15,290 --> 01:58:13,110  
craziness and put up tons of free food

2808  
01:58:17,180 --> 01:58:15,300  
to whatever experiment is being run on

2809  
01:58:19,310 --> 01:58:17,190  
us you can rest assured that Linda's 50

2810  
01:58:21,770 --> 01:58:19,320  
or so staple foods aren't involved our

2811  
01:58:26,540 --> 01:58:21,780  
foods are their enemy so go to of the

2812  
01:58:28,880 --> 01:58:26,550  
field cob or call toll-free 1-800

2813  
01:58:32,600 --> 01:58:28,890

make your oasis of food security and

2814

01:58:34,640 --> 01:58:32,610

nutrition now that's of the field comm

2815

01:58:36,620 --> 01:58:34,650

or call one eight eight eight five one

2816

01:58:39,200 --> 01:58:36,630

three two eight three seven start now

2817

01:58:41,000 --> 01:58:39,210

and make 2010 your year of independence

2818

01:58:43,400 --> 01:58:41,010

before you throw away your used

2819

01:58:45,920 --> 01:58:43,410

batteries you need to listen to this now

2820

01:58:47,870 --> 01:58:45,930

going green can save money go green and

2821

01:58:49,550 --> 01:58:47,880

save money by giving life to your used

2822

01:58:51,410 --> 01:58:49,560

batteries by charging them with the

2823

01:58:53,420 --> 01:58:51,420

renaissance charger the renaissance

2824

01:58:55,070 --> 01:58:53,430

charger uses a new revolutionary battery

2825

01:58:56,870 --> 01:58:55,080

charging technology that effectively

2826

01:58:59,300 --> 01:58:56,880

extends a life of new batteries and

2827

01:59:01,490 --> 01:58:59,310

gives new life to use batteries invented

2828

01:59:03,800 --> 01:59:01,500

by legendary audio genius john Bedini

2829

01:59:05,930 --> 01:59:03,810

this unique and patented charging system

2830

01:59:07,280 --> 01:59:05,940

rejuvenates the electrochemical plate

2831

01:59:08,270 --> 01:59:07,290

structure in the battery without

2832

01:59:10,970 --> 01:59:08,280

additives

2833

01:59:11,510 --> 01:59:10,980

increasing capacity and maintaining cell

2834

01:59:13,160 --> 01:59:11,520

integrity

2835

01:59:15,500 --> 01:59:13,170

renaissance charge offers a full line of

2836

01:59:17,750 --> 01:59:15,510

products made in the USA for all types

2837

01:59:19,399 --> 01:59:17,760

sizes of batteries find out why our

2838

01:59:21,529 --> 01:59:19,409

customers tell us the Renaissance

2839

01:59:23,450 --> 01:59:21,539

charger is the only battery charger they

2840

01:59:25,759 --> 01:59:23,460

will ever use save your money

2841

01:59:28,790 --> 01:59:25,769

save the environment visit us online at

2842

01:59:31,910 --> 01:59:28,800

our - charge com that's our - charge

2843

01:59:34,040 --> 01:59:31,920

comm or call us at 2:08 seven seven two

2844

01:59:36,919 --> 01:59:34,050

four five one four that's two zero eight

2845

01:59:40,549 --> 01:59:36,929

seven seven two four five one four be a

2846

01:59:43,160 --> 01:59:40,559

part of the revolution today tired of

2847

01:59:44,200 --> 01:59:43,170

searching for great talk radio search no

2848

01:59:55,160 --> 01:59:44,210

more

2849

01:59:56,930 --> 01:59:55,170

we are the gcn radio networks Genesis we

2850

01:59:58,640 --> 01:59:56,940

want to hear from you if you have a

2851  
02:00:01,700 --> 01:59:58,650  
comment or question about the para cast

2852  
02:00:04,819 --> 02:00:01,710  
send it to news at the para cast com

2853  
02:00:06,830 --> 02:00:04,829  
that's news at the para cast comm and if

2854  
02:00:08,180 --> 02:00:06,840  
you want to catch up on past episodes we

2855  
02:00:10,790 --> 02:00:08,190  
have hundreds of shows for you to

2856  
02:00:14,540 --> 02:00:10,800  
download direct from the para cast com

2857  
02:00:20,720 --> 02:00:14,550  
that's the para cast comm or check us

2858  
02:00:23,149 --> 02:00:20,730  
out on iTunes we return to race Stanford

2859  
02:00:25,450 --> 02:00:23,159  
talking about how he and his friend both

2860  
02:00:27,950 --> 02:00:25,460  
agreed and his wife both agreed with him

2861  
02:00:30,290 --> 02:00:27,960  
I'm Jean Steinberg you're in the para

2862  
02:00:32,899 --> 02:00:30,300  
cast the co-host is Chris O'Brien Chris

2863  
02:00:34,669 --> 02:00:32,909

follow up please okay ray this is a bit

2864

02:00:36,049 --> 02:00:34,679

of bringing up Holloman now this is new

2865

02:00:37,520 --> 02:00:36,059

information for me I don't recall

2866

02:00:39,979 --> 02:00:37,530

hearing this

2867

02:00:42,350 --> 02:00:39,989

what if sort of scenario that you just

2868

02:00:44,240 --> 02:00:42,360

laid out here now do you think that we

2869

02:00:47,660 --> 02:00:44,250

should possibly do some sort of foi a

2870

02:00:49,339 --> 02:00:47,670

request can you do it welcome to do that

2871

02:00:51,560 --> 02:00:49,349

I don't know what happened out there but

2872

02:00:52,669 --> 02:00:51,570

I bet you'd really get a runaround but

2873

02:00:55,339 --> 02:00:52,679

it'd be interesting to see what you

2874

02:00:58,310 --> 02:00:55,349

might get we have a specific exact time

2875

02:00:59,509 --> 02:00:58,320

and date yes exactly this is really

2876

02:01:02,209 --> 02:00:59,519

interesting anything it happened out

2877

02:01:04,040 --> 02:01:02,219

there is on tape for example once they

2878

02:01:07,009 --> 02:01:04,050

had headed off to Holloman you don't

2879

02:01:08,390 --> 02:01:07,019

hear me taking the magnetic azimuth of

2880

02:01:09,859 --> 02:01:08,400

where they would disappear over vice

2881

02:01:12,560 --> 02:01:09,869

occur and where they maneuver it in

2882

02:01:15,379 --> 02:01:12,570

front of the panels and at the elevation

2883

02:01:16,729 --> 02:01:15,389

above gravitational horizon in front of

2884

02:01:19,399 --> 02:01:16,739

the panels and the elevation of a

2885

02:01:22,430 --> 02:01:19,409

gravitational rose over s Sakura all

2886

02:01:26,149 --> 02:01:22,440

that data was carefully recorded before

2887

02:01:28,260 --> 02:01:26,159

we actually took off for Socorro field

2888

02:01:30,480 --> 02:01:28,270

investigators take notes here the

2889

02:01:33,270 --> 02:01:30,490

this this is really important you have

2890

02:01:35,340 --> 02:01:33,280

to write everything down in ray I must

2891

02:01:38,910 --> 02:01:35,350

say you are quite the meticulous

2892

02:01:40,650 --> 02:01:38,920

documentarian I'm so pleased to to be

2893

02:01:42,600 --> 02:01:40,660

able to say that you have all this data

2894

02:01:44,370 --> 02:01:42,610

and that you're you're even going to

2895

02:01:46,350 --> 02:01:44,380

help share it with people and stuff this

2896

02:01:50,250 --> 02:01:46,360

is great keep going sorry let me mention

2897

02:01:52,590 --> 02:01:50,260

something if one own principal doesn't

2898

02:01:54,720 --> 02:01:52,600

want to feel that that my wife is

2899

02:01:57,060 --> 02:01:54,730

agreeing with me one can come to the

2900

02:01:59,700 --> 02:01:57,070

alternative I was informed by a PhD

2901

02:02:02,070 --> 02:01:59,710

working in at times a very classified

2902

02:02:05,310 --> 02:02:02,080

material for the government in 1980 I

2903

02:02:07,620 --> 02:02:05,320

was told that the I'm not gonna say it

2904

02:02:10,440 --> 02:02:07,630

but one of the intelligence agencies had

2905

02:02:13,470 --> 02:02:10,450

learned that if they can they can take a

2906

02:02:15,450 --> 02:02:13,480

briefcase but cause of wear and it patch

2907

02:02:17,520 --> 02:02:15,460

it to a an energy source and an

2908

02:02:21,750 --> 02:02:17,530

oscillator that oscillates at blank

2909

02:02:23,610 --> 02:02:21,760

Point Blank Hertz and that is they do

2910

02:02:25,260 --> 02:02:23,620

this and they they bring it to a meeting

2911

02:02:26,880 --> 02:02:25,270

with you say they take you out to dinner

2912

02:02:28,860 --> 02:02:26,890

and they said it beside the commune you

2913

02:02:30,720 --> 02:02:28,870

and them and turn it on if they can get

2914

02:02:32,550 --> 02:02:30,730

you they're still eating and talking for

2915

02:02:35,150 --> 02:02:32,560

over an hour you'll become so hot

2916

02:02:38,250 --> 02:02:35,160

hypnagogic you'll agree to anything well

2917

02:02:40,620 --> 02:02:38,260

maybe maybe they weren't being psychic I

2918

02:02:43,350 --> 02:02:40,630

maybe I prefer to think they were but it

2919

02:02:45,870 --> 02:02:43,360

happens that one of the frequencies that

2920

02:02:47,340 --> 02:02:45,880

frequently gets hit in the magnetic

2921

02:02:49,830 --> 02:02:47,350

field of those objects is right there in

2922

02:02:52,830 --> 02:02:49,840

the same frequency that I was told it's

2923

02:02:56,070 --> 02:02:52,840

used in this device well you said Blanc

2924

02:02:57,840 --> 02:02:56,080

Hertz you can't give us a number there

2925

02:02:59,490 --> 02:02:57,850

right be great to have that number I

2926

02:03:01,650 --> 02:02:59,500

don't know

2927

02:03:03,630 --> 02:03:01,660

beyond the decimal point okay I'll tell

2928

02:03:04,140 --> 02:03:03,640

you how many Hertz are we talking about

2929

02:03:07,020 --> 02:03:04,150

here

2930

02:03:08,460 --> 02:03:07,030

13.5 say between 13 and 14 Hertz okay

2931

02:03:11,660 --> 02:03:08,470

and is a little clue for y'all out there

2932

02:03:15,150 --> 02:03:11,670

so a suitcase device with a coil uh

2933

02:03:17,160 --> 02:03:15,160

that's oscillating and for about an hour

2934

02:03:19,740 --> 02:03:17,170

if it's in close proximity to a person

2935

02:03:21,600 --> 02:03:19,750

it can in train you into a hypnagogic

2936

02:03:24,150 --> 02:03:21,610

state that's very interesting I've never

2937

02:03:26,010 --> 02:03:24,160

heard that but I was by this PhD that

2938

02:03:28,860 --> 02:03:26,020

informed me of that and he's not the

2939

02:03:30,990 --> 02:03:28,870

kind of guy that he's very skeptical

2940

02:03:32,220 --> 02:03:31,000

objective person and he wouldn't have

2941

02:03:34,200 --> 02:03:32,230

made up a story if he didn't know it for

2942

02:03:35,820 --> 02:03:34,210

sure that's really interesting I'm gonna

2943

02:03:37,590 --> 02:03:35,830

do a little research on that one myself

2944

02:03:39,990 --> 02:03:37,600

alright so let's continue on here let's

2945

02:03:41,549 --> 02:03:40,000

finish up our our white sands event this

2946

02:03:44,849 --> 02:03:41,559

is like you said I

2947

02:03:47,989 --> 02:03:44,859

I agree with you historic we have

2948

02:03:50,369 --> 02:03:47,999

gravitational data we have meg Meg

2949

02:03:53,549 --> 02:03:50,379

magnetometer recording along with an

2950

02:03:55,199 --> 02:03:53,559

analog audio signal that's squelched and

2951  
02:03:57,299 --> 02:03:55,209  
then when you have these but dramatic

2952  
02:03:59,309 --> 02:03:57,309  
turns you've got this this wonderful

2953  
02:04:01,409 --> 02:03:59,319  
sound that indicates the change in the

2954  
02:04:03,299 --> 02:04:01,419  
magnetic field we have light spectra

2955  
02:04:06,509 --> 02:04:03,309  
data I'm assuming you had some sort of

2956  
02:04:09,029 --> 02:04:06,519  
blazing on the lens that allows the the

2957  
02:04:12,209 --> 02:04:09,039  
light to be split into its components

2958  
02:04:15,299 --> 02:04:12,219  
and we have a complete recording of the

2959  
02:04:17,040 --> 02:04:15,309  
entire event analog and we have three

2960  
02:04:19,649 --> 02:04:17,050  
three witnesses with a lot of experience

2961  
02:04:21,989 --> 02:04:19,659  
out in the field ray this is amazing

2962  
02:04:25,139 --> 02:04:21,999  
stuff and why hasn't this stuff been

2963  
02:04:26,759 --> 02:04:25,149

published why are we hearing this very

2964

02:04:29,009 --> 02:04:26,769

first time most of us I don't want you

2965

02:04:30,479 --> 02:04:29,019

to term embarrassment of riches we have

2966

02:04:32,339 --> 02:04:30,489

it you understand that what I'm

2967

02:04:34,559 --> 02:04:32,349

describing here is nothing compared to

2968

02:04:36,419 --> 02:04:34,569

the better stuff we've gotten and you

2969

02:04:38,339 --> 02:04:36,429

get overwhelmed and you get working on

2970

02:04:40,589 --> 02:04:38,349

it and back then of course I had a lot

2971

02:04:42,270 --> 02:04:40,599

of money to put into one motion picture

2972

02:04:45,299 --> 02:04:42,280

film I've gotten I mentioned back twelve

2973

02:04:47,250 --> 02:04:45,309

1277 at daylight very important film our

2974

02:04:49,949 --> 02:04:47,260

corporation spent eighty nine thousand

2975

02:04:52,290 --> 02:04:49,959

dollars studying that film alone now of

2976

02:04:54,629 --> 02:04:52,300

course that the corporation doesn't

2977

02:04:56,009 --> 02:04:54,639

exist taken over by some fundamentalist

2978

02:04:56,909 --> 02:04:56,019

Christians who decided the devil

2979

02:05:00,899 --> 02:04:56,919

wouldn't have anything to do with

2980

02:05:03,659 --> 02:05:00,909

financing science UFO research and but

2981

02:05:05,369 --> 02:05:03,669

all the same so I don't have the kind of

2982

02:05:09,119 --> 02:05:05,379

money to plan all this but I'm working

2983

02:05:10,589 --> 02:05:09,129

very hard at it but people out there was

2984

02:05:12,000 --> 02:05:10,599

I oh geez what inch away well my

2985

02:05:15,239 --> 02:05:12,010

interest has never been in entertaining

2986

02:05:17,099 --> 02:05:15,249

the public it's to take your time when

2987

02:05:20,040 --> 02:05:17,109

people rush they usually make mistakes

2988

02:05:22,020 --> 02:05:20,050

and take your time know what you're

2989

02:05:26,369 --> 02:05:22,030

looking at as well as you can know it

2990

02:05:29,099 --> 02:05:26,379

before you publish and this has much

2991

02:05:32,849 --> 02:05:29,109

light has been thrown on this case by

2992

02:05:35,399 --> 02:05:32,859

much more evidential subsequent films

2993

02:05:37,439 --> 02:05:35,409

and recordings that we have gotten it's

2994

02:05:39,659 --> 02:05:37,449

a matter of there's a whole lot of

2995

02:05:41,069 --> 02:05:39,669

things here that even changed my and

2996

02:05:44,369 --> 02:05:41,079

others working with me

2997

02:05:46,619 --> 02:05:44,379

changed our outlook about the anxiety we

2998

02:05:48,929 --> 02:05:46,629

had to improve the John Q public well

2999

02:05:51,059 --> 02:05:48,939

we've now seen the proof ourselves we

3000

02:05:54,179 --> 02:05:51,069

think our first duty is to science

3001  
02:05:55,170 --> 02:05:54,189  
Leslie King has done a good book but I

3002  
02:05:58,740 --> 02:05:55,180  
think she made a must

3003  
02:06:01,710 --> 02:05:58,750  
and in suggesting a government panel

3004  
02:06:04,590 --> 02:06:01,720  
we must go through science with

3005  
02:06:06,870 --> 02:06:04,600  
scientists and their study okay let me

3006  
02:06:08,730 --> 02:06:06,880  
just backtrack here okay in her new book

3007  
02:06:10,560 --> 02:06:08,740  
about UFOs Leslie Cain who was on the

3008  
02:06:13,590 --> 02:06:10,570  
power cast just a couple of weeks back

3009  
02:06:17,190 --> 02:06:13,600  
made the case with her contributors for

3010  
02:06:19,470 --> 02:06:17,200  
a new UFO agency on the part of the US

3011  
02:06:21,330 --> 02:06:19,480  
government maybe a project Bluebook -

3012  
02:06:22,740 --> 02:06:21,340  
perhaps but you're suggesting you know

3013  
02:06:25,710 --> 02:06:22,750

we don't want the government to do it

3014

02:06:28,020 --> 02:06:25,720

let the private scientific sector do it

3015

02:06:30,120 --> 02:06:28,030

yes in other words I think this is the

3016

02:06:32,400 --> 02:06:30,130

reason I put together the incredible

3017

02:06:34,560 --> 02:06:32,410

PowerPoint production that I have I'm

3018

02:06:36,750 --> 02:06:34,570

trying to get if they will come and say

3019

02:06:38,490 --> 02:06:36,760

it P scientists they don't have to have

3020

02:06:40,740 --> 02:06:38,500

done in this when they see it they will

3021

02:06:43,230 --> 02:06:40,750

know what they're seeing for example I

3022

02:06:45,660 --> 02:06:43,240

would love to michio kaku theoretical

3023

02:06:48,090 --> 02:06:45,670

physicist to come see this he's very

3024

02:06:50,220 --> 02:06:48,100

interested in UFOs but have you asked

3025

02:06:52,380 --> 02:06:50,230

them have you said meet you would you

3026

02:06:54,120 --> 02:06:52,390

come and look at my present I don't even

3027

02:06:56,610 --> 02:06:54,130

have I have an email address that I've

3028

02:06:59,100 --> 02:06:56,620

sent some mass mail out letters to talk

3029

02:07:01,260 --> 02:06:59,110

about not not this in the first place he

3030

02:07:03,330 --> 02:07:01,270

doesn't know me from Adam predictable

3031

02:07:05,610 --> 02:07:03,340

sources have related all of na that I'm

3032

02:07:07,410 --> 02:07:05,620

some kind of a kook because I used to

3033

02:07:09,840 --> 02:07:07,420

work as a psychic with a research

3034

02:07:12,090 --> 02:07:09,850

organization and when they here at last

3035

02:07:13,950 --> 02:07:12,100

I think they kind of turn off they don't

3036

02:07:15,570 --> 02:07:13,960

realize in fact that people say right

3037

02:07:17,790 --> 02:07:15,580

how do you get so many of these things

3038

02:07:20,100 --> 02:07:17,800

well why did I suddenly decide we had to

3039

02:07:22,080 --> 02:07:20,110

go on the Highway 380 instead of when we

3040

02:07:23,250 --> 02:07:22,090

plan to take over there why did I feel

3041

02:07:25,320 --> 02:07:23,260

that we wouldn't have anything on the

3042

02:07:27,510 --> 02:07:25,330

highway that was on our map plan and why

3043

02:07:29,760 --> 02:07:27,520

did I change the last minute maybe being

3044

02:07:31,950 --> 02:07:29,770

a bit psychic helped well you know what

3045

02:07:33,900 --> 02:07:31,960

maybe we should segue to that because we

3046

02:07:35,670 --> 02:07:33,910

have only about twenty some odd minutes

3047

02:07:38,400 --> 02:07:35,680

to do with this episode of the power

3048

02:07:40,500 --> 02:07:38,410

cast and I remember your name and that

3049

02:07:42,870 --> 02:07:40,510

of your brother's name in connection

3050

02:07:44,730 --> 02:07:42,880

with being a psychic a contactees

3051  
02:07:47,160 --> 02:07:44,740  
something like that would you be willing

3052  
02:07:48,900 --> 02:07:47,170  
to address those issues of course I'd

3053  
02:07:51,990 --> 02:07:48,910  
love to I appreciate you bringing it up

3054  
02:07:53,010 --> 02:07:52,000  
okay let's keep in mind that when I was

3055  
02:07:54,540 --> 02:07:53,020  
too closely

3056  
02:07:59,040 --> 02:07:54,550  
Fareeda started to count that ballet

3057  
02:08:02,400 --> 02:07:59,050  
gives a contactee I was between 15 and

3058  
02:08:03,629 --> 02:08:02,410  
19 years of age and I'll tell you what

3059  
02:08:06,209 --> 02:08:03,639  
we're going to be

3060  
02:08:07,770 --> 02:08:06,219  
the age factor about the fact that you

3061  
02:08:09,930 --> 02:08:07,780  
and your brother were teenagers when we

3062  
02:08:11,879 --> 02:08:09,940  
were classified as quote/unquote

3063  
02:08:14,550 --> 02:08:11,889

contactees we'll get into more of that

3064

02:08:17,220 --> 02:08:14,560

in a moment we have Ray Stanford joining

3065

02:08:20,160 --> 02:08:17,230

us we have covered this series of cases

3066

02:08:22,709 --> 02:08:20,170

around White Sands New Mexico in 1978 we

3067

02:08:24,390 --> 02:08:22,719

hope to post some information for you on

3068

02:08:27,149 --> 02:08:24,400

the forums at forum dot for our case

3069

02:08:30,450 --> 02:08:27,159

calm our co-host is Chris O'Brien I'm

3070

02:08:36,090 --> 02:08:30,460

gene Steinberg you're in the para cast

3071

02:08:44,709 --> 02:08:40,680

[Music]

3072

02:08:46,840 --> 02:08:44,719

is there a secret UFO agenda to strange

3073

02:08:49,360 --> 02:08:46,850

creatures from the darkest corners of

3074

02:08:52,180 --> 02:08:49,370

the mind roam the earth is there

3075

02:08:55,870 --> 02:08:52,190

evidence for mind control time travel or

3076

02:08:57,490 --> 02:08:55,880

devious government conspiracies find out

3077

02:09:00,520 --> 02:08:57,500

the inside scoop on the latest

3078

02:09:02,770 --> 02:09:00,530

conspiracies Paranormal Activity and at

3079

02:09:05,709 --> 02:09:02,780

40 in phenomenon when you subscribe to

3080

02:09:08,560 --> 02:09:05,719

Tim Beckley's conspiracy Turo it's

3081

02:09:11,260 --> 02:09:08,570

jam-packed with stories special book and

3082

02:09:13,479 --> 02:09:11,270

DVD promotions and the best news it's

3083

02:09:16,630 --> 02:09:13,489

absolutely free sent right to your

3084

02:09:20,410 --> 02:09:16,640

mailbox plus a bonus free email

3085

02:09:22,270 --> 02:09:20,420

newsletter sent out every Friday simply

3086

02:09:27,250 --> 02:09:22,280

sent an email with your name and address

3087

02:09:32,800 --> 02:09:27,260

to Mister UFO at what TV net that's

3088

02:09:37,580 --> 02:09:32,810

mister UFO at what TV net find out what

3089

02:09:43,540 --> 02:09:41,459

[Music]

3090

02:09:49,000 --> 02:09:43,550

this is not a drill

3091

02:09:50,290 --> 02:09:49,010

a staggering pace gun prices are going

3092

02:09:52,359 --> 02:09:50,300

through the roof and that means

3093

02:09:54,729 --> 02:09:52,369

desperate vicious criminals now want

3094

02:09:57,370 --> 02:09:54,739

your guns and will do anything to get

3095

02:09:59,169 --> 02:09:57,380

now a new book reveals powerful secrets

3096

02:10:00,729 --> 02:09:59,179

for hiding your guns from thieves and

3097

02:10:02,799 --> 02:10:00,739

looters you'll learn step by step

3098

02:10:04,750 --> 02:10:02,809

battle-hardened techniques where to hide

3099

02:10:06,520 --> 02:10:04,760

your guns so criminals will never find

3100

02:10:08,319 --> 02:10:06,530

them how to create the perfect hiding

3101  
02:10:10,600 --> 02:10:08,329  
place as well as the places you should

3102  
02:10:12,609 --> 02:10:10,610  
never hide your guns under any

3103  
02:10:14,319 --> 02:10:12,619  
circumstance these and other closely

3104  
02:10:16,299 --> 02:10:14,329  
guarded gun caching secrets are

3105  
02:10:18,839 --> 02:10:16,309  
guaranteed to keep your weapons safe and

3106  
02:10:21,669 --> 02:10:18,849  
out of sight when the going gets tough

3107  
02:10:24,009 --> 02:10:21,679  
for security reasons to hide your guns

3108  
02:10:26,379 --> 02:10:24,019  
book and even the website may disappear

3109  
02:10:28,899 --> 02:10:26,389  
without warning at any time go to hide

3110  
02:10:31,720 --> 02:10:28,909  
your guns calm that's hide your guns

3111  
02:10:33,910 --> 02:10:31,730  
calm or call eight seven seven three two

3112  
02:10:36,910 --> 02:10:33,920  
seven zero three six five before they

3113  
02:10:40,419 --> 02:10:36,920

come for your guns hide your guns calm

3114

02:10:42,069 --> 02:10:40,429

right now right now normal blood

3115

02:10:44,290 --> 02:10:42,079

pressure naturally how would that make

3116

02:10:46,720 --> 02:10:44,300

you feel I'm dawn from New Mexico

3117

02:10:48,819 --> 02:10:46,730

January of 2000 I had a heart attack

3118

02:10:51,759 --> 02:10:48,829

then my real health began going downhill

3119

02:10:53,529 --> 02:10:51,769

and I had high blood pressure high blood

3120

02:10:55,839 --> 02:10:53,539

sugar and poor vision and I really

3121

02:10:56,290 --> 02:10:55,849

wasn't sleeping well I was a mess pretty

3122

02:10:57,879 --> 02:10:56,300

much

3123

02:10:59,649 --> 02:10:57,889

Don reports dramatic improvements with

3124

02:11:01,989 --> 02:10:59,659

heart and body extract I started taking

3125

02:11:03,729 --> 02:11:01,999

a heart and body extract and from within

3126

02:11:05,229 --> 02:11:03,739

a few days I started sleeping a lot

3127

02:11:07,750 --> 02:11:05,239

better my blood pressure

3128

02:11:10,060 --> 02:11:07,760

normalized my blood sugar normalized and

3129

02:11:11,560 --> 02:11:10,070

my sleep really did improve experience

3130

02:11:13,209 --> 02:11:11,570

these benefits and more where your body

3131

02:11:15,430 --> 02:11:13,219

gets what it needs with the assistance

3132

02:11:18,129 --> 02:11:15,440

of heart and body extract order at HB

3133

02:11:22,180 --> 02:11:18,139

extract calm or call eight six six two

3134

02:11:27,720 --> 02:11:22,190

nine five 5305 that's HB extract calm or

3135

02:11:32,919 --> 02:11:30,279

day I saw dramatic improvements from

3136

02:11:35,470 --> 02:11:32,929

taking part in body extra details at HB

3137

02:11:37,750 --> 02:11:35,480

extract calm or call eight six six two

3138

02:11:40,239 --> 02:11:37,760

nine five fifty three zero five four

3139

02:11:42,459 --> 02:11:40,249

heart and body extract attention an

3140

02:11:45,399 --> 02:11:42,469

important product from hemp usa.org

3141

02:11:47,950 --> 02:11:45,409

micro plant powder will change your life

3142

02:11:51,010 --> 02:11:47,960

by removing all types of positive toxins

3143

02:11:53,140 --> 02:11:51,020

such as heavy metals parasites bacteria

3144

02:11:55,300 --> 02:11:53,150

and fungus from the digestive tract and

3145

02:11:58,600 --> 02:11:55,310

stomach wall so you can absorb nutrients

3146

02:12:00,160 --> 02:11:58,610

micro plant powder is 89% silica and

3147

02:12:02,440 --> 02:12:00,170

packed with a negative charge that

3148

02:12:05,020 --> 02:12:02,450

attracts positive toxins from the blood

3149

02:12:06,880 --> 02:12:05,030

organ spine and brain this product has

3150

02:12:08,860 --> 02:12:06,890

the ability to rebuild cartilage and

3151

02:12:10,780 --> 02:12:08,870

bone which allows synovial fluid to

3152

02:12:12,880 --> 02:12:10,790

return to the joints silica is a

3153

02:12:15,250 --> 02:12:12,890

precursor to calcium meaning the body

3154

02:12:17,020 --> 02:12:15,260

turns silica into calcium and is great

3155

02:12:19,570 --> 02:12:17,030

for the heart there is no better time

3156

02:12:21,490 --> 02:12:19,580

than now to have micro plant powder on

3157

02:12:23,680 --> 02:12:21,500

your shelf or in your storage shelter

3158

02:12:26,200 --> 02:12:23,690

and with an unlimited shelf life you can

3159

02:12:28,510 --> 02:12:26,210

store it anywhere call nine eight six

3160

02:12:31,450 --> 02:12:28,520

nine one two six zero eight or visit

3161

02:12:34,000 --> 02:12:31,460

hemp USA org it's a great way to change

3162

02:12:37,630 --> 02:12:34,010

your life so call 9 zero eight six nine

3163

02:12:43,360 --> 02:12:37,640

one 2608 or visit us at [hemp.usa.org](http://hemp.usa.org)

3164

02:12:45,100 --> 02:12:43,370

today on air online and on demand they

3165

02:12:51,600 --> 02:12:45,110

say we offer simple answers to complex

3166

02:12:56,860 --> 02:12:54,670

you're in the air cast you never know

3167

02:13:00,530 --> 02:12:56,870

what's going to happen the next

3168

02:13:05,670 --> 02:13:03,660

we have race Stanford we're now going

3169

02:13:09,180 --> 02:13:05,680

back through time to the 50s and 60s

3170

02:13:12,000 --> 02:13:09,190

where he was known he and his brother as

3171

02:13:13,740 --> 02:13:12,010

contactees I'm Jean Steinberg Chris

3172

02:13:16,950 --> 02:13:13,750

O'Brien is the co-host ER in the para

3173

02:13:19,410 --> 02:13:16,960

cast okay ray so when did this start you

3174

02:13:21,960 --> 02:13:19,420

were identified as a contact II when

3175

02:13:26,160 --> 02:13:21,970

will all this starts I wanted to start

3176

02:13:30,120 --> 02:13:26,170

well it started on the 15th of October

3177

02:13:31,950 --> 02:13:30,130

1953 when I learned that there was a

3178

02:13:34,710 --> 02:13:31,960

book alcohol flying saucers in landed

3179

02:13:37,590 --> 02:13:34,720

which was of course one but it doesn't

3180

02:13:39,570 --> 02:13:37,600

unless the intent George Adamski and I

3181

02:13:41,370 --> 02:13:39,580

went down the bookstore and got it and

3182

02:13:43,020 --> 02:13:41,380

all that saying they did did a painting

3183

02:13:45,630 --> 02:13:43,030

of the so called scoutship which I

3184

02:13:48,090 --> 02:13:45,640

suddenly learned was a report on

3185

02:13:49,620 --> 02:13:48,100

lampshade I think for a gas mine if I

3186

02:13:52,080 --> 02:13:49,630

could be wrong that been brought from

3187

02:13:53,760 --> 02:13:52,090

Poland with advance keys mother when

3188

02:13:55,980 --> 02:13:53,770

they came over when he was so his

3189

02:13:57,480 --> 02:13:55,990

photograph was a Polish lampshade that's

3190

02:13:59,640 --> 02:13:57,490

right it wasn't a vacuum-cleaner who

3191

02:14:01,590 --> 02:13:59,650

later or anything else that people have

3192

02:14:03,180 --> 02:14:01,600

claimed people see things that looks

3193

02:14:06,150 --> 02:14:03,190

vaguely like it and you know I say

3194

02:14:08,670 --> 02:14:06,160

that's it but it's not and even damned

3195

02:14:10,770 --> 02:14:08,680

skeletally liked my brother and me and

3196

02:14:12,690 --> 02:14:10,780

and to show this how he faked the

3197

02:14:15,300 --> 02:14:12,700

mothership photographs for example he

3198

02:14:17,430 --> 02:14:15,310

didn't I think want us to get hung up in

3199

02:14:20,010 --> 02:14:17,440

this but you see I got taken into the

3200

02:14:22,170 --> 02:14:20,020

idea of the space brothers that are just

3201

02:14:26,190 --> 02:14:22,180

giving you loving like messages and this

3202

02:14:29,100 --> 02:14:26,200

kind of stuff and we went down yeah well

3203

02:14:32,490 --> 02:14:29,110

it was 15 and we went down to Padre

3204

02:14:36,600 --> 02:14:32,500

Island in 1954 which I was well I was 16

3205

02:14:39,110 --> 02:14:36,610

and 8 of us went out there and then

3206

02:14:41,730 --> 02:14:39,120

there were three policemen came out and

3207

02:14:44,400 --> 02:14:41,740

jaundice that's all we had we sent out

3208

02:14:46,080 --> 02:14:44,410

telepathic messages and whether it had

3209

02:14:48,120 --> 02:14:46,090

any relationship or not

3210

02:14:49,740 --> 02:14:48,130

we saw UFOs and I wonder which was a

3211

02:14:51,690 --> 02:14:49,750

dumb disk of which we succeeded in

3212

02:14:53,880 --> 02:14:51,700

getting one photograph that actually

3213

02:14:56,670 --> 02:14:53,890

came in and it did kind of scare the

3214

02:14:57,840 --> 02:14:56,680

veloute out of the police officers that

3215

02:15:00,780 --> 02:14:57,850

came there was a state high road

3216

02:15:03,120 --> 02:15:00,790

atonement on Hart a is father a deputy

3217

02:15:06,000 --> 02:15:03,130

sheriff ray heart and a deputy sheriff

3218

02:15:07,860 --> 02:15:06,010

Steve woods and I have photographed of

3219

02:15:09,449 --> 02:15:07,870

Ray and Don hard together him in uniform

3220

02:15:12,330 --> 02:15:09,459

with the State Police and

3221

02:15:14,189 --> 02:15:12,340

Davis from from Mary Hart and Steve

3222

02:15:16,410 --> 02:15:14,199

woods testing to the fact that they saw

3223

02:15:18,779 --> 02:15:16,420

this event on Padre Island and yet

3224

02:15:20,310 --> 02:15:18,789

because the certain people muddied the

3225

02:15:21,060 --> 02:15:20,320

water said oh this guy's a contact he

3226

02:15:23,129 --> 02:15:21,070

don't believe in

3227

02:15:25,199 --> 02:15:23,139

despite eleven witnesses with police

3228

02:15:27,020 --> 02:15:25,209

affidavits and one photograph it's not

3229

02:15:30,419 --> 02:15:27,030

even when you look at the literature

3230

02:15:32,129 --> 02:15:30,429

only coming up websites of the cases

3231

02:15:34,219 --> 02:15:32,139

you'll not even see it listed although

3232

02:15:38,279 --> 02:15:34,229

it was the best documented police

3233

02:15:40,679 --> 02:15:38,289

sighting in history at that time now if

3234

02:15:43,109 --> 02:15:40,689

this is cookery if this is concrete is

3235

02:15:44,580 --> 02:15:43,119

contact D isn't fine now I didn't tell

3236

02:15:46,709 --> 02:15:44,590

her a couple of guys downtown at a

3237

02:15:49,290 --> 02:15:46,719

theater in Corpus Christi that convinced

3238

02:15:51,750 --> 02:15:49,300

me that they were aliens but let's keep

3239

02:15:53,669 --> 02:15:51,760

this in mind we were waiting watch very

3240

02:15:56,040 --> 02:15:53,679

closely by Jade Gore Hoover's buddies

3241

02:15:58,229 --> 02:15:56,050

they even one of them flew all the way

3242

02:16:00,830 --> 02:15:58,239

down to Peru with us the incognito later

3243

02:16:04,439 --> 02:16:00,840

they told her mother all about it but

3244

02:16:06,509 --> 02:16:04,449

they worried trying to set you up I

3245

02:16:08,009 --> 02:16:06,519

could go into the story that they would

3246

02:16:10,890 --> 02:16:08,019

go Sephora to try to kill you back in

3247

02:16:13,439 --> 02:16:10,900

those days but in this case I believed

3248

02:16:15,479 --> 02:16:13,449

that I was being rude they wanted me to

3249

02:16:19,679 --> 02:16:15,489

look like a coupe saying I hadn't met

3250

02:16:23,219 --> 02:16:19,689

aliens okay it happened again in 1956 in

3251

02:16:25,439 --> 02:16:23,229

Los Angeles but whether that guy was won

3252

02:16:27,359 --> 02:16:25,449

or not I have no idea at times I feel

3253

02:16:30,899 --> 02:16:27,369

like he was this was after I think the

3254

02:16:33,929 --> 02:16:30,909

FBI is on hold on ray one second so you

3255

02:16:36,540 --> 02:16:33,939

think the the second encounter could

3256

02:16:39,719 --> 02:16:36,550

have possibly have been a where if there

3257

02:16:42,479 --> 02:16:39,729

is such a thing as human looking aliens

3258

02:16:45,570 --> 02:16:42,489

among us this guy might well have been

3259

02:16:49,889 --> 02:16:45,580

one why do you think that I don't want

3260

02:16:51,959 --> 02:16:49,899

to get into that but I think that your

3261

02:16:53,610 --> 02:16:51,969

question then why and once you get into

3262

02:16:55,889 --> 02:16:53,620

it why do we want to get into these

3263

02:16:57,750 --> 02:16:55,899

things that are and do that.i and you

3264

02:16:59,729 --> 02:16:57,760

can't substantiate why don't we talk

3265

02:17:01,559 --> 02:16:59,739

about the substantial stuff we've gotten

3266

02:17:03,240 --> 02:17:01,569

see everybody wants to go off the track

3267

02:17:06,689 --> 02:17:03,250

and to the loosey-goosey end of things

3268

02:17:09,629 --> 02:17:06,699

and I don't I prefer to stay where we

3269

02:17:13,620 --> 02:17:09,639

have data I can confirm okay so how do I

3270

02:17:17,160 --> 02:17:13,630

get out of this contact D phase well I

3271

02:17:19,860 --> 02:17:17,170

began to realize that UFOs were not that

3272

02:17:21,240 --> 02:17:19,870

the space brothers that Adamski claimed

3273

02:17:23,219 --> 02:17:21,250

they were there were there were cases

3274

02:17:25,679 --> 02:17:23,229

that were pretty

3275

02:17:27,629 --> 02:17:25,689

for example now in idea was 61 there was

3276

02:17:30,870 --> 02:17:27,639

Gregory well and they'll sell Ohio it

3277

02:17:32,459 --> 02:17:30,880

greatly wells that was to an assistant

3278

02:17:33,839 --> 02:17:32,469

was shot with a laser being right Billy

3279

02:17:35,910 --> 02:17:33,849

a stick McConnell jacket or sweatshirt

3280

02:17:37,709 --> 02:17:35,920

the shirt and his undershirt and

3281

02:17:38,910 --> 02:17:37,719

suffered second third-degree burns her

3282

02:17:40,589 --> 02:17:38,920

first and second degree burns on his

3283

02:17:42,780 --> 02:17:40,599

shoulder well-documented

3284

02:17:46,919 --> 02:17:42,790

well witnessed there was other cases and

3285

02:17:49,879 --> 02:17:46,929

then we when we were still in the good

3286

02:17:53,280 --> 02:17:49,889

graces of damp skin and the contactees

3287

02:17:56,219 --> 02:17:53,290

we were out there and as I said a damn

3288

02:17:59,299 --> 02:17:56,229

ski took compassion on us and confessed

3289

02:18:01,530 --> 02:17:59,309

these things he told us about his

3290

02:18:04,950 --> 02:18:01,540

bootlegging operation when he had the

3291

02:18:07,980 --> 02:18:04,960

the Royal Order of Tibet and how he

3292

02:18:09,389 --> 02:18:07,990

could make one legal he said because it

3293

02:18:12,030 --> 02:18:09,399

was a religious organization for

3294

02:18:14,580 --> 02:18:12,040

comedian he said tell you boys you don't

3295

02:18:17,400 --> 02:18:14,590

give him oh I was the biggest bootlegger

3296

02:18:19,679 --> 02:18:17,410

in all of Southern California if it

3297

02:18:21,330 --> 02:18:19,689

hadn't been for that God knows about I

3298

02:18:27,750 --> 02:18:21,340

wouldn't have to get into all this sauce

3299

02:18:33,540 --> 02:18:27,760

like crap and comment on the quality of

3300

02:18:36,179 --> 02:18:33,550

your polish accent to you was all the

3301

02:18:39,000 --> 02:18:36,189

big scam was all fake did you ever

3302

02:18:40,770 --> 02:18:39,010

publish that yeah oh yes I wouldn't

3303

02:18:42,480 --> 02:18:40,780

public with it right away in fact that's

3304

02:18:44,400 --> 02:18:42,490

why I mean we get bad mouths by Carol

3305

02:18:46,830 --> 02:18:44,410

honey who was a damn skis friend that

3306

02:18:48,810 --> 02:18:46,840

publicist they book of claiming that he

3307

02:18:50,310 --> 02:18:48,820

saw space brothers with a damn ski well

3308

02:18:51,770 --> 02:18:50,320

when you read between the lines and you

3309

02:18:55,020 --> 02:18:51,780

know Carol honey like I knew Carol honey

3310

02:18:58,589 --> 02:18:55,030

you know that it's a lot of BS but

3311

02:19:00,179 --> 02:18:58,599

anyway this is why we became hated my

3312

02:19:02,099 --> 02:19:00,189

twin brother and I became the most hated

3313

02:19:04,080 --> 02:19:02,109

people in the contactee movement because

3314

02:19:07,110 --> 02:19:04,090

not only did we expose it and ski them

3315

02:19:09,000 --> 02:19:07,120

but we exposed Dan fry I mean we

3316

02:19:12,389 --> 02:19:09,010

absolutely caught him with his pants

3317

02:19:15,509 --> 02:19:12,399

down so to speak and to expose him huh

3318

02:19:18,810 --> 02:19:15,519

in what way did you expose to n fry well

3319

02:19:20,400 --> 02:19:18,820

okay we had been invited I was doing

3320

02:19:22,440 --> 02:19:20,410

this baking and rector's helped me what

3321

02:19:25,860 --> 02:19:22,450

to protect our showing some of the films

3322

02:19:27,959 --> 02:19:25,870

that we had gotten and we were speaking

3323

02:19:29,070 --> 02:19:27,969

for an understanding organization which

3324

02:19:32,009 --> 02:19:29,080

was the one that was founded by Dan

3325

02:19:34,720 --> 02:19:32,019

trying and in the course of that we were

3326

02:19:37,959 --> 02:19:34,730

staying at Danone Elmas house

3327

02:19:40,930 --> 02:19:37,969

in there outside the LA area somewhere I

3328

02:19:45,520 --> 02:19:40,940

forget the name of the place and anyway

3329

02:19:49,750 --> 02:19:45,530

the one morning while Dan was at work at

3330

02:19:52,750 --> 02:19:49,760

the laboratory that he worked for he was

3331

02:19:56,220 --> 02:19:52,760

I think electrical engineer in anyway he

3332

02:19:59,740 --> 02:19:56,230

well he was at work Elmo said you know I

3333

02:20:02,921 --> 02:19:59,750

am trouble about something she said have

3334

02:20:06,190 --> 02:20:02,931

I told you you know Dan claims he got

3335

02:20:08,140 --> 02:20:06,200

this this movie in broad daylight of a

3336

02:20:12,190 --> 02:20:08,150

spaceship when we were out at the giant

3337

02:20:15,220 --> 02:20:12,200

rock convention but she said the the

3338

02:20:17,261 --> 02:20:15,230

circumstances surrounding it bother me

3339

02:20:19,360 --> 02:20:17,271

actually what the heck she said well

3340

02:20:21,400 --> 02:20:19,370

look we're out there and he had put a

3341

02:20:22,830 --> 02:20:21,410

good-sized box in the back of the car

3342

02:20:25,240 --> 02:20:22,840

and he said don't jar this is fragile

3343

02:20:28,870 --> 02:20:25,250

Alma don't open it don't charge this

3344

02:20:31,120 --> 02:20:28,880

fragile so I didn't she say she said the

3345

02:20:32,620 --> 02:20:31,130

way out there wall and he says Alma Elma

3346

02:20:37,030 --> 02:20:32,630

I've got to go take a leak over behind

3347

02:20:39,160 --> 02:20:37,040

the hill well there was a restroom right

3348

02:20:40,570 --> 02:20:39,170

there and there it was one the

3349

02:20:42,220 --> 02:20:40,580

conference I think it was they were

3350

02:20:43,801 --> 02:20:42,230

there for two games and what are they

3351

02:20:47,980 --> 02:20:43,811

called him out there at a time and

3352

02:20:49,690 --> 02:20:47,990

anyway he walks off with this big box he

3353

02:20:53,440 --> 02:20:49,700

came back he didn't say a thing to Elma

3354

02:20:57,460 --> 02:20:53,450

that he was even back and over a week

3355

02:20:58,900 --> 02:20:57,470

later he brought in a movie film and he

3356

02:21:00,761 --> 02:20:58,910

put it on the thing and Ella said what's

3357

02:21:02,591 --> 02:21:00,771

what's that lose him you saw you know

3358

02:21:03,761 --> 02:21:02,601

what I've told you went behind the hill

3359

02:21:06,160 --> 02:21:03,771

back there to take a leak

3360

02:21:08,890 --> 02:21:06,170

he said well actually I encountered the

3361

02:21:12,100 --> 02:21:08,900

spaceship and I took a movie and she

3362

02:21:15,280 --> 02:21:12,110

said occasion was see it he said ok he

3363

02:21:17,381 --> 02:21:15,290

said she got out the the protector and

3364

02:21:19,240 --> 02:21:17,391

you know she threaded she had always

3365

02:21:20,980 --> 02:21:19,250

done this for him you know when he was

3366

02:21:22,870 --> 02:21:20,990

showing movies anybody was showing the

3367

02:21:25,990 --> 02:21:22,880

receipt said for understanding people

3368

02:21:28,511 --> 02:21:26,000

and she she set this up and started

3369

02:21:30,011 --> 02:21:28,521

running it at normal speed hey wait a

3370

02:21:31,301 --> 02:21:30,021

minute you can't run this this would

3371

02:21:33,070 --> 02:21:31,311

damage to the film if you run it in

3372

02:21:36,341 --> 02:21:33,080

normal speed run this at the fastest

3373

02:21:40,570 --> 02:21:36,351

speed it will go you want to damage the

3374

02:21:42,820 --> 02:21:40,580

film and normally it'll damage the film

3375

02:21:44,740 --> 02:21:42,830

right ok

3376

02:21:47,020 --> 02:21:44,750

on me okay so what happened yeah when

3377

02:21:49,600 --> 02:21:47,030

you learn it faster why does that make a

3378

02:21:50,830 --> 02:21:49,610

difference if this makes the difference

3379

02:21:52,810 --> 02:21:50,840

what I want to tell you the rest of this

3380

02:21:53,530 --> 02:21:52,820

story first I'll tell you before I let

3381

02:21:54,910 --> 02:21:53,540

you do that

3382

02:21:56,980 --> 02:21:54,920

because we have one more segment of the

3383

02:21:58,960 --> 02:21:56,990

power cast to go and I want to get into

3384

02:22:01,750 --> 02:21:58,970

details about this film why it's running

3385

02:22:09,790 --> 02:22:01,760

fast motion revs and slow motion and

3386

02:22:12,190 --> 02:22:09,800

maybe yes we we got a great great yeah

3387

02:22:14,380 --> 02:22:12,200

you gotta break well I tell on listeners

3388

02:22:15,580 --> 02:22:14,390

we're talking to race Stanford we're

3389

02:22:19,390 --> 02:22:15,590

going back through time when he was a

3390

02:22:20,801 --> 02:22:19,400

teenager when you know he was friendly

3391

02:22:22,440 --> 02:22:20,811

or unfriendly terms with some of the

3392

02:22:26,410 --> 02:22:22,450

famous contact he's like George Adamski

3393

02:22:28,660 --> 02:22:26,420

dan Frye and others the co-host is Chris

3394

02:22:30,460 --> 02:22:28,670

O'Brien I'm gene Steinberg you're in the

3395

02:22:36,130 --> 02:22:30,470

para cast

3396

02:22:42,950 --> 02:22:39,551

[Music]

3397

02:22:45,650 --> 02:22:42,960

Ray Perkins a reclusive veteran burned

3398

02:22:47,920 --> 02:22:45,660

out from the Gulf War lives tortured by

3399

02:22:50,330 --> 02:22:47,930

relentless perplexing nightmares

3400

02:22:52,250 --> 02:22:50,340

nightmares of a horrific battle in deep

3401

02:22:54,500 --> 02:22:52,260

space and of a mysterious woman

3402

02:22:57,650 --> 02:22:54,510

suffering an agony for her devastated

3403

02:23:01,511 --> 02:22:57,660

world a woman not yet born calling

3404

02:23:04,130 --> 02:23:01,521

across centuries to him then a

3405

02:23:07,430 --> 02:23:04,140

coincidence leads him to his destiny his

3406

02:23:09,530 --> 02:23:07,440

chance to alter the universe attack of

3407

02:23:11,420 --> 02:23:09,540

the Rockland rock the former fiction

3408

02:23:13,880 --> 02:23:11,430

editor for Star Wars and Indiana Jones

3409

02:23:16,040 --> 02:23:13,890

Robert Simpson writes the soul of the

3410

02:23:17,511 --> 02:23:16,050

novel attack of the Rockets lies in its

3411

02:23:19,490 --> 02:23:17,521

heart and passion for building a

3412

02:23:22,520 --> 02:23:19,500

convincing tale of a love that spans the

3413

02:23:25,430 --> 02:23:22,530

galaxy a thrilling storm attack of the

3414

02:23:27,200 --> 02:23:25,440

rocket is available now read a simple

3415

02:23:29,540 --> 02:23:27,210

chapter and get a special discount off

3416

02:23:30,530 --> 02:23:29,550

of the cover price at our website Rocco

3417

02:23:35,600 --> 02:23:30,540

is calm

3418

02:23:37,910 --> 02:23:35,610

that's our Ock o IDs dot-com attack of

3419

02:23:40,340 --> 02:23:37,920

the Rockland a novel in the grand

3420

02:23:42,320 --> 02:23:40,350

science-fiction tradition you've seen

3421

02:23:44,360 --> 02:23:42,330

our site or fresh banner on the gcn

3422

02:23:45,770 --> 02:23:44,370

website yet your sinusitis is still a

3423

02:23:47,930 --> 02:23:45,780

problem are you waiting for your

3424

02:23:49,610 --> 02:23:47,940

sinusitis to go away by itself are you

3425

02:23:51,200 --> 02:23:49,620

waiting for a sign Oh fresh discount

3426

02:23:53,450 --> 02:23:51,210

okay here it comes

3427

02:23:55,430 --> 02:23:53,460

but first the facts sixty-seven other

3428

02:23:57,860 --> 02:23:55,440

products merely treat symptoms and not

3429

02:23:59,420 --> 02:23:57,870

the cause of sinus problems and 37

3430

02:24:01,610 --> 02:23:59,430

million Americans suffer from sinus

3431

02:24:03,320 --> 02:24:01,620

distress just like you but now many are

3432

02:24:05,180 --> 02:24:03,330

finding relief with the only patent

3433

02:24:06,830 --> 02:24:05,190

protected homeopathic nasal product that

3434

02:24:09,590 --> 02:24:06,840

an aseptically eliminates the known

3435

02:24:11,240 --> 02:24:09,600

causes of sinusitis sino fresh now

3436

02:24:13,250 --> 02:24:11,250

here's your limited time discount offer

3437

02:24:15,290 --> 02:24:13,260

to use sino fresh call eight eight eight

3438

02:24:17,030 --> 02:24:15,300

nine oh six three six three six right

3439

02:24:19,340 --> 02:24:17,040

now for two dollars off per bottle when

3440

02:24:21,230 --> 02:24:19,350

you mentioned GCN that's it just call

02:24:35,330 --> 02:24:33,180

six three six three six call right now

3448

02:24:39,439 --> 02:24:35,340

for two dollars off per bottle mention

3449

02:24:42,800 --> 02:24:39,449

GCN by sino fresh com it worked

3450

02:24:45,079 --> 02:24:42,810

no one likes foreclosure you won't say

3451

02:24:47,779 --> 02:24:45,089

think or even consider foreclosure with

3452

02:24:50,449 --> 02:24:47,789

zero debt guaranteed calm why because

3453

02:24:52,309 --> 02:24:50,459

zero debt guaranteed calm guarantees to

3454

02:24:54,739 --> 02:24:52,319

stop your foreclosure for at least two

3455

02:24:56,479 --> 02:24:54,749

years with no payments no bankruptcy and

3456

02:24:58,429 --> 02:24:56,489

no negotiating thinking loan

3457

02:25:00,800 --> 02:24:58,439

modification that still keeps you in

3458

02:25:02,569 --> 02:25:00,810

default zero debt in 90 days is the only

3459

02:25:04,340 --> 02:25:02,579

proven system that keeps you in your

3460

02:25:06,319 --> 02:25:04,350

house for as long as you want to stay

3461

02:25:08,659 --> 02:25:06,329

while making it possible to even get

3462

02:25:10,519 --> 02:25:08,669

clear title to your house no we are not

3463

02:25:12,409 --> 02:25:10,529

investors bankers attorneys or real

3464

02:25:14,179 --> 02:25:12,419

estate agents we are a group of people

3465

02:25:15,739 --> 02:25:14,189

just like you that are sick and tired of

3466

02:25:17,359 --> 02:25:15,749

the housing crash and we've helped

3467

02:25:20,479 --> 02:25:17,369

thousands of void foreclosures since

zero debt guaranteed com guaranteed to

3477  
02:25:42,590 --> 02:25:40,560  
stop foreclosure before you throw away

3478  
02:25:45,050 --> 02:25:42,600  
your used batteries you need to listen

3479  
02:25:47,300 --> 02:25:45,060  
to this now going green can save money

3480  
02:25:49,399 --> 02:25:47,310  
go green and save money by giving life

3481  
02:25:51,050 --> 02:25:49,409  
to your used batteries by charging them

3482  
02:25:52,550 --> 02:25:51,060  
with the Renaissance charger the

3483  
02:25:53,989 --> 02:25:52,560  
renaissance charger uses a new

3484  
02:25:55,880 --> 02:25:53,999  
revolutionary battery charging

3485  
02:25:57,409 --> 02:25:55,890  
technology that effectively extends a

3486  
02:26:00,109 --> 02:25:57,419  
life of new batteries and gives new life

3487  
02:26:02,659 --> 02:26:00,119  
to used batteries invented by legendary

3488  
02:26:04,939 --> 02:26:02,669

audio genius john Bedini this unique and

3489

02:26:06,829 --> 02:26:04,949

patented charging system rejuvenates the

3490

02:26:09,170 --> 02:26:06,839

electrochemical plate structure in the

3491

02:26:11,389 --> 02:26:09,180

battery without additives increasing

3492

02:26:13,399 --> 02:26:11,399

capacity and maintaining cell integrity

3493

02:26:15,289 --> 02:26:13,409

Renaissance charge offers a full line of

3494

02:26:17,869 --> 02:26:15,299

products made in the USA for all types

3495

02:26:19,519 --> 02:26:17,879

and sizes of batteries find out why our

3496

02:26:21,649 --> 02:26:19,529

customers tell us the Renaissance

3497

02:26:23,599 --> 02:26:21,659

charger is the only battery charger they

3498

02:26:25,880 --> 02:26:23,609

will ever use save your money

O'Brien's the co-host I'm gene

3511  
02:27:16,450 --> 02:27:14,000  
Steinberger in the para cast and now

3512  
02:27:19,930 --> 02:27:16,460  
we're going to talk about this film that

3513  
02:27:21,850 --> 02:27:19,940

you had a run and fast motion why right

3514

02:27:23,410 --> 02:27:21,860

well I'll tell you why see we ran into

3515

02:27:25,631 --> 02:27:23,420

this law of motion as we could go and

3516

02:27:27,881 --> 02:27:25,641

stop frame there with Dan not being

3517

02:27:31,180 --> 02:27:27,891

there with his wife Alma and sure enough

3518

02:27:33,580 --> 02:27:31,190

you come to this place and the model was

3519

02:27:35,890 --> 02:27:33,590

being suspended by a wire at then little

3520

02:27:38,860 --> 02:27:35,900

air or it could have been a nylon

3521

02:27:41,560 --> 02:27:38,870

filament you know like fission what

3522

02:27:44,801 --> 02:27:41,570

every call was I don't fish but it

3523

02:27:48,220 --> 02:27:44,811

slipped from his hand and the model is

3524

02:27:50,051 --> 02:27:48,230

falling down and he grabs it and he when

3525

02:27:52,870 --> 02:27:50,061

he moves his hand over to grab it it

3526  
02:27:55,060 --> 02:27:52,880  
tells the filament or wire where you see

3527  
02:27:57,910 --> 02:27:55,070  
the reflection of the entire thing by

3528  
02:27:59,320 --> 02:27:57,920  
the Sun and he Yanks it up and then it's

3529  
02:28:00,640 --> 02:27:59,330  
stable and now the whole time it has a

3530  
02:28:02,620 --> 02:28:00,650  
certain pin of the motion thing on the

3531  
02:28:03,910 --> 02:28:02,630  
end of this wire that can be calculated

3532  
02:28:07,060 --> 02:28:03,920  
in and of itself to show that it's a

3533  
02:28:09,100 --> 02:28:07,070  
small model but the wire it's obvious

3534  
02:28:10,990 --> 02:28:09,110  
that it is slipped out of his sweaty

3535  
02:28:14,080 --> 02:28:11,000  
hand out there in the desert and he just

3536  
02:28:15,820 --> 02:28:14,090  
had to grab it and yank it and get it

3537  
02:28:17,801 --> 02:28:15,830  
out of weather where the wire was not

3538  
02:28:19,540 --> 02:28:17,811

showing and when we show I mean it's so

3539

02:28:22,390 --> 02:28:19,550

obvious so that night there was the

3540

02:28:24,370 --> 02:28:22,400

meeting in which I was the speaker and I

3541

02:28:28,540 --> 02:28:24,380

showed a movie film that I'd done on

3542

02:28:29,890 --> 02:28:28,550

September 18 1956 and I said now I know

3543

02:28:32,470 --> 02:28:29,900

that all of you have heard about this

3544

02:28:35,801 --> 02:28:32,480

wonderful interesting film that then got

3545

02:28:38,200 --> 02:28:35,811

out at the spacecraft convention and so

3546

02:28:41,110 --> 02:28:38,210

we put it on and I have Rex running to

3547

02:28:43,870 --> 02:28:41,120

the projector and I looked over at him

3548

02:28:47,591 --> 02:28:43,880

at his book table and beads of sweat are

3549

02:28:49,091 --> 02:28:47,601

coming up all over his voice Rick starts

3550

02:28:52,030 --> 02:28:49,101

this thing running honey he literally

3551

02:28:55,180 --> 02:28:52,040

lit left over the table a police-style

3552

02:28:56,711 --> 02:28:55,190

ran over and grabbed thing is it destroy

3553

02:28:57,130 --> 02:28:56,721

the Pampas you've got to run it I can

3554

02:29:00,790 --> 02:28:57,140

receive

3555

02:29:02,080 --> 02:29:00,800

and I put my hand I jumped down and put

3556

02:29:03,130 --> 02:29:02,090

my hand over I'm here I said damn now

3557

02:29:05,050 --> 02:29:03,140

just relax

3558

02:29:06,069 --> 02:29:05,060

I've been running these things probably

3559

02:29:08,679 --> 02:29:06,079

longer than you have

3560

02:29:10,059 --> 02:29:08,689

it's dangerous to the film it to run it

3561

02:29:12,040 --> 02:29:10,069

at that kind of speed you can get out of

3562

02:29:15,909 --> 02:29:12,050

sprocket and just tear the emulsion up

3563

02:29:17,710 --> 02:29:15,919

and the backing and don't worry we're

3564

02:29:19,330 --> 02:29:17,720

gonna and hold man he looked like he was

3565

02:29:20,800 --> 02:29:19,340

gonna pass out I just said that I insist

3566

02:29:22,599 --> 02:29:20,810

on during this slow speed so people can

3567

02:29:24,279 --> 02:29:22,609

see this whole thing you know they're

3568

02:29:25,659 --> 02:29:24,289

gonna be suspicious they're gonna be

3569

02:29:26,859 --> 02:29:25,669

suspicious if you wanted run at high

3570

02:29:30,550 --> 02:29:26,869

speed that you might be hiding something

3571

02:29:33,279 --> 02:29:30,560

and we ran it and there was a nice

3572

02:29:35,769 --> 02:29:33,289

couple there whose names I still retain

3573

02:29:38,109 --> 02:29:35,779

that had been very faithful in making

3574

02:29:39,969 --> 02:29:38,119

contributions to understanding and I was

3575

02:29:41,979 --> 02:29:39,979

standing by the book table when they

3576

02:29:43,960 --> 02:29:41,989

passed leaving with then and Helmut

3577

02:29:46,840 --> 02:29:43,970

standing behind the table and he said

3578

02:29:49,659 --> 02:29:46,850

Harry said Dan you know if I didn't know

3579

02:29:52,389 --> 02:29:49,669

you so well I would swear that that was

3580

02:29:54,550 --> 02:29:52,399

a wire model with tissue paper sides and

3581

02:29:55,809 --> 02:29:54,560

that why are you headed as to slipped

3582

02:29:57,159 --> 02:29:55,819

out of your hand and caught the semi for

3583

02:29:58,330 --> 02:29:57,169

a minute and you grabbed it and that you

3584

02:29:59,469 --> 02:29:58,340

were trying to hide it from the spy boy

3585

02:30:01,989 --> 02:29:59,479

need to be run so fast

3586

02:30:03,429 --> 02:30:01,999

the handsome Santa jerk his shoulders

3587

02:30:04,989 --> 02:30:03,439

when he started lying his shoulders

3588

02:30:06,939 --> 02:30:04,999

would would jerk up at high speed and

3589

02:30:09,909 --> 02:30:06,949

drop back down durka began to church so

3590

02:30:11,559 --> 02:30:09,919

Jesus well it's like I said great Turay

3591

02:30:12,909 --> 02:30:11,569

I don't know what's I just thought

3592

02:30:14,559 --> 02:30:12,919

people what they did could have been as

3593

02:30:16,389 --> 02:30:14,569

small as a few inches across it could

3594

02:30:18,550 --> 02:30:16,399

have been huge I have no idea of the

3595

02:30:21,670 --> 02:30:18,560

distance he has binocular vision after

3596

02:30:25,239 --> 02:30:21,680

all and so they went on they went away

3597

02:30:26,979 --> 02:30:25,249

but Elma she told us about other

3598

02:30:29,380 --> 02:30:26,989

instances in which similar things had

3599

02:30:31,149 --> 02:30:29,390

happened they were they were at darcel

3600

02:30:33,639 --> 02:30:31,159

of X house in the high desert and

3601

02:30:35,949 --> 02:30:33,649

they're all doing business the social

3602

02:30:38,500 --> 02:30:35,959

visit and then it also brought a box he

3603

02:30:39,939 --> 02:30:38,510

told her not to get into well he said he

3604

02:30:42,369 --> 02:30:39,949

had to go outside he wanted to just roam

3605

02:30:44,769 --> 02:30:42,379

around outside so they're visiting and

3606

02:30:46,659 --> 02:30:44,779

he goes outside he comes back in after a

3607

02:30:48,609 --> 02:30:46,669

while doesn't say anything after a while

3608

02:30:51,130 --> 02:30:48,619

three days later here's this packet of

3609

02:30:52,630 --> 02:30:51,140

photos processed still photos on the

3610

02:30:54,929 --> 02:30:52,640

table that he laid down when he comes

3611

02:30:58,689 --> 02:30:54,939

home from from Crescent Engineering and

3612

02:30:59,859 --> 02:30:58,699

so Allah says what's this oh I forgot to

3613

02:31:01,809 --> 02:30:59,869

tell you when I was out there the other

3614

02:31:04,210 --> 02:31:01,819

night when you and arson the rails it

3615

02:31:07,750 --> 02:31:04,220

was we're inside I saw a spaceship and

3616

02:31:10,410 --> 02:31:07,760

got some pictures and are beginning to

3617

02:31:12,630 --> 02:31:10,420

see a pattern here ray yeah

3618

02:31:14,550 --> 02:31:12,640

these were I mean all he had cut was a

3619

02:31:16,890 --> 02:31:14,560

crude outline of a dome disk and put a

3620

02:31:19,650 --> 02:31:16,900

light behind it it was so carny but

3621

02:31:21,990 --> 02:31:19,660

there was he did worse than even billy

3622

02:31:24,360 --> 02:31:22,000

meier billy meier had the wedding cake

3623

02:31:27,929 --> 02:31:24,370

photos but dan fry couldn't even manage

3624

02:31:29,550 --> 02:31:27,939

that that's right he was a much poorer

3625

02:31:31,530 --> 02:31:29,560

faker than Billy ever admirer

3626  
02:31:33,060 --> 02:31:31,540  
unless you're good photos and see this

3627  
02:31:36,240 --> 02:31:33,070  
puts into the probability of admirers

3628  
02:31:38,880 --> 02:31:36,250  
immediately but yes he was he was not

3629  
02:31:40,320 --> 02:31:38,890  
very good and you could see and several

3630  
02:31:42,750 --> 02:31:40,330  
people come in to me afterwards you

3631  
02:31:44,610 --> 02:31:42,760  
could see the tissue paper vibrating up

3632  
02:31:46,530 --> 02:31:44,620  
and down in the desert when glued to the

3633  
02:31:48,870 --> 02:31:46,540  
metal little didn't metal framework they

3634  
02:31:50,910 --> 02:31:48,880  
had it supported on to make the UFO but

3635  
02:31:53,630 --> 02:31:50,920  
the evidence was even thinner than

3636  
02:32:00,719 --> 02:31:56,610  
I love the Ivory soap and the feathers

3637  
02:32:02,940 --> 02:32:00,729  
story - that's a good one that's a very

3638  
02:32:08,550 --> 02:32:02,950

good one yes oh I don't suppose you want

3639

02:32:10,260 --> 02:32:08,560

to go into that one but about five

3640

02:32:13,290 --> 02:32:10,270

minutes left we just can't go into very

3641

02:32:16,290 --> 02:32:13,300

much more okay is there anything you'd

3642

02:32:18,030 --> 02:32:16,300

like to begin - what are you working on

3643

02:32:20,090 --> 02:32:18,040

right now ray you mentioned that you're

3644

02:32:22,110 --> 02:32:20,100

working on this very very intense

3645

02:32:23,400 --> 02:32:22,120

slideshow presentation once you give us

3646

02:32:25,620 --> 02:32:23,410

a quick thumbnail above what this

3647

02:32:27,960 --> 02:32:25,630

presentation is okay it's it's a

3648

02:32:29,880 --> 02:32:27,970

PowerPoint slide presentation it's

3649

02:32:35,250 --> 02:32:29,890

comprised of at the present time up over

3650

02:32:37,890 --> 02:32:35,260

600 slides and it includes wonderful

3651  
02:32:40,350 --> 02:32:37,900  
evidences including for example frame

3652  
02:32:42,600 --> 02:32:40,360  
series from movie in which you actually

3653  
02:32:44,520 --> 02:32:42,610  
see a mothership that had smaller ib's

3654  
02:32:46,380 --> 02:32:44,530  
connected with it they like film you

3655  
02:32:48,120 --> 02:32:46,390  
actually see the horizon of the

3656  
02:32:49,620 --> 02:32:48,130  
background horizon the backlighting from

3657  
02:32:51,900 --> 02:32:49,630  
that horizon that passes through the

3658  
02:32:55,020 --> 02:32:51,910  
field of the mothership you actually see

3659  
02:32:57,240 --> 02:32:55,030  
the gravitational lensing are the

3660  
02:32:59,460 --> 02:32:57,250  
equivalent thereof and you actually see

3661  
02:33:01,650 --> 02:32:59,470  
the the mountain down below it just at

3662  
02:33:03,570 --> 02:33:01,660  
54 frames a second at which I was

3663  
02:33:05,429 --> 02:33:03,580

filming in five frames it completely

3664

02:33:07,469 --> 02:33:05,439

collapses flatter than a pancake and

3665

02:33:09,300 --> 02:33:07,479

then in 15 frames it comes back up it

3666

02:33:11,520 --> 02:33:09,310

doesn't do this just once it does this

3667

02:33:13,830 --> 02:33:11,530

again and again and again throughout the

3668

02:33:15,210 --> 02:33:13,840

film but as you go radially outside the

3669

02:33:17,520 --> 02:33:15,220

further you get the less it warps the

3670

02:33:19,590 --> 02:33:17,530

mountains in in fact it actually causes

3671

02:33:23,040 --> 02:33:19,600

the mountains further up to rise up and

3672

02:33:24,270 --> 02:33:23,050

become taller than they were at the

3673

02:33:25,921 --> 02:33:24,280

beginning of the cycle I'm just

3674

02:33:28,711 --> 02:33:25,931

I think while the the one the mill is

3675

02:33:31,440 --> 02:33:28,721

getting shorter also the intensity of

3676  
02:33:33,060 --> 02:33:31,450  
light I do a analysis on the computer of

3677  
02:33:36,180 --> 02:33:33,070  
the intensity of light across the screen

3678  
02:33:38,910 --> 02:33:36,190  
and you see that when it is collapsing

3679  
02:33:41,881 --> 02:33:38,920  
this mountain the light becomes how it

3680  
02:33:44,190 --> 02:33:41,891  
becomes spread and focus alternately the

3681  
02:33:45,751 --> 02:33:44,200  
end you know where we're measuring and

3682  
02:33:48,631 --> 02:33:45,761  
color-coding the intensity across the

3683  
02:33:50,280 --> 02:33:48,641  
screen and you'll actually see the light

3684  
02:33:51,330 --> 02:33:50,290  
as if you're focusing the backlighting

3685  
02:33:53,011 --> 02:33:51,340  
you're going to have that you're going

3686  
02:33:55,140 --> 02:33:53,021  
to have it spread out further when it's

3687  
02:33:56,280 --> 02:33:55,150  
things are collapsing underneath it and

3688  
02:33:57,751 --> 02:33:56,290

there's going to get in there and there

3689

02:33:59,220 --> 02:33:57,761

and get brighter in the middle but when

3690

02:34:02,070 --> 02:33:59,230

it draw together these things can come

3691

02:34:04,200 --> 02:34:02,080

back up and that's exactly what you have

3692

02:34:05,881 --> 02:34:04,210

coming ask your fast question here this

3693

02:34:08,430 --> 02:34:05,891

is a presentation you're doing in

3694

02:34:11,461 --> 02:34:08,440

PowerPoint right that's right okay

3695

02:34:13,830 --> 02:34:11,471

are you able to create a copy of this

3696

02:34:16,080 --> 02:34:13,840

presentation that we can post on the

3697

02:34:18,060 --> 02:34:16,090

power cast forms when it's no way this

3698

02:34:21,270 --> 02:34:18,070

kind of stuff is for scientists it's to

3699

02:34:22,711 --> 02:34:21,280

be published in refereed publications if

3700

02:34:24,751 --> 02:34:22,721

we can get it in there and I believe

3701

02:34:27,810 --> 02:34:24,761

that we can this is why I want to get T

3702

02:34:29,520 --> 02:34:27,820

people in with me when I started my

3703

02:34:30,001 --> 02:34:29,530

research in dinosaurs I mean I'm a

3704

02:34:32,730 --> 02:34:30,011

nobody

3705

02:34:36,631 --> 02:34:32,740

but because I had good enough evidence

3706

02:34:38,730 --> 02:34:36,641

of very important tracks that I got the

3707

02:34:40,890 --> 02:34:38,740

professor's to work with me and help me

3708

02:34:44,100 --> 02:34:40,900

in preparing the scientific papers then

3709

02:34:46,290 --> 02:34:44,110

you get into mainstream refereed

3710

02:34:48,330 --> 02:34:46,300

publications and I believe that I can

3711

02:34:50,461 --> 02:34:48,340

certainly do this with this UFO evidence

3712

02:34:54,330 --> 02:34:50,471

well the time is not to put it out on

3713

02:34:56,280 --> 02:34:54,340

websites or YouTube as the movies or

3714

02:34:59,160 --> 02:34:56,290

anything like that the time is to deal

3715

02:35:02,251 --> 02:34:59,170

with scientists I'm not anxious I'm not

3716

02:35:04,530 --> 02:35:02,261

no offense to fair cast but I am NOT

3717

02:35:06,930 --> 02:35:04,540

interested so much in being an

3718

02:35:08,220 --> 02:35:06,940

entertainer as an informer now when you

3719

02:35:10,530 --> 02:35:08,230

think you have this finish this

3720

02:35:12,660 --> 02:35:10,540

presentation probably never be finished

3721

02:35:14,730 --> 02:35:12,670

there's so much data but it will be at

3722

02:35:17,310 --> 02:35:14,740

the time when I get the right scientists

3723

02:35:19,740 --> 02:35:17,320

working with me that we can publish this

3724

02:35:22,740 --> 02:35:19,750

and I so so how were you could present

3725

02:35:24,930 --> 02:35:22,750

it yes I believe that I have evidence

3726

02:35:26,610 --> 02:35:24,940

that would be accepted in nature for

3727

02:35:28,320 --> 02:35:26,620

example let me ask you a fast question

3728

02:35:30,751 --> 02:35:28,330

ray because we're just wrapping this up

3729

02:35:32,730 --> 02:35:30,761

is there any place where our listeners

3730

02:35:35,280 --> 02:35:32,740

can check out your work or contact you

3731

02:35:36,970 --> 02:35:35,290

if they have information to present to

3732

02:35:39,610 --> 02:35:36,980

you about something I

3733

02:35:43,511 --> 02:35:39,620

would generally prefer not to be to be

3734

02:35:45,371 --> 02:35:43,521

contacted because yet okay I mean I've

3735

02:35:47,081 --> 02:35:45,381

had people have got my email address and

3736

02:35:48,490 --> 02:35:47,091

then they send you think effort that's

3737

02:35:49,720 --> 02:35:48,500

trying to get you to fall apart and

3738

02:35:51,671 --> 02:35:49,730

they'll expose us being incompetent

3739

02:35:53,980 --> 02:35:51,681

scientifically I just don't want to

3740

02:35:56,831 --> 02:35:53,990

waste my time with people sending me bad

3741

02:35:59,201 --> 02:35:56,841

information and if they've got good

3742

02:36:01,060 --> 02:35:59,211

information they should describe right

3743

02:36:02,860 --> 02:36:01,070

to somebody like the Eucharist that that

3744

02:36:05,171 --> 02:36:02,870

is known to me if you have time to

3745

02:36:06,940 --> 02:36:05,181

listen and if it sounds where well then

3746

02:36:08,640 --> 02:36:06,950

I might take a look at it but okay so

3747

02:36:11,201 --> 02:36:08,650

that case here we get the information

3748

02:36:12,671 --> 02:36:11,211

we'll just forward it on the Chris to

3749

02:36:15,011 --> 02:36:12,681

look at first and it looks interesting

3750

02:36:16,150 --> 02:36:15,021

he'll send it to you Chris O'Brien where

3751

02:36:18,430 --> 02:36:16,160

do we find more of the things that

3752

02:36:20,530 --> 02:36:18,440

you're working on well I do have a

3753

02:36:22,661 --> 02:36:20,540

website that's called our strange planet

3754

02:36:24,881 --> 02:36:22,671

that's oh you are strange planet we do

3755

02:36:27,400 --> 02:36:24,891

live on a strange planet and it's our

3756

02:36:28,961 --> 02:36:27,410

strange planet calm of course my latest

3757

02:36:31,060 --> 02:36:28,971

book is stalking the tricksters which

3758

02:36:33,220 --> 02:36:31,070

tries to look at these wonderful

3759

02:36:36,961 --> 02:36:33,230

mysteries in a new and different way and

3760

02:36:39,820 --> 02:36:36,971

of course I'm at the pear cast forum

3761

02:36:41,110 --> 02:36:39,830

last couple of days before taping here

3762

02:36:42,911 --> 02:36:41,120

have been pretty hot and heavy on that

3763

02:36:45,100 --> 02:36:42,921

forum but that's where you can find me

3764

02:36:48,360 --> 02:36:45,110

ray Stanford thanks for joining us this

3765

02:36:56,490 --> 02:36:48,370

week on the power cast thanks ray

3766

02:37:00,280 --> 02:36:58,900

the pair caste is a calculated

3767

02:37:02,980 --> 02:37:00,290

presentation of making the impossible

3768

02:37:05,890 --> 02:37:02,990

incorporated tune in next week for a new
