

07/04/10

GREG BISHOP  
and  
WALTER BOSLEY

1  
00:00:04,520 --> 00:00:28,689

[Music]

2  
00:00:37,970 --> 00:00:34,400  
steinberg a reminder ladies and

3  
00:00:40,190 --> 00:00:37,980  
gentlemen that starting July 11th from 9

4  
00:00:43,040 --> 00:00:40,200  
p.m. to midnight Central Time

5  
00:00:44,990 --> 00:00:43,050  
who will be part of the GSN radio

6  
00:00:47,060 --> 00:00:45,000  
network will be syndicated to radio

7  
00:00:50,590 --> 00:00:47,070  
stations in many cities in the USA

8  
00:00:53,180 --> 00:00:50,600  
but we will also be available online

9  
00:00:55,459 --> 00:00:53,190  
just as we are now from the power cast

10  
00:00:57,290 --> 00:00:55,469  
calm the only difference being that will

11  
00:01:00,380 --> 00:00:57,300  
start a little bit later in the evening

12  
00:01:02,479 --> 00:01:00,390  
so please stay awake for us actually

13  
00:01:04,729 --> 00:01:02,489

something could be an hour later so stay

14

00:01:06,920 --> 00:01:04,739

awake for us Greg Bishop is our co-host

15

00:01:10,039 --> 00:01:06,930

a little bit later we'll be welcoming

16

00:01:12,170 --> 00:01:10,049

Walter Bosley back on but right now for

17

00:01:14,539 --> 00:01:12,180

those who haven't spent much time as we

18

00:01:16,850 --> 00:01:14,549

have with Greg I wanted to put his cards

19

00:01:19,490 --> 00:01:16,860

on the table so for example if you

20

00:01:21,530 --> 00:01:19,500

expect Paul Campbell says even though he

21

00:01:24,020 --> 00:01:21,540

is very interested in a lot of the other

22

00:01:26,990 --> 00:01:24,030

theories about UFOs he tends to be an

23

00:01:30,679 --> 00:01:27,000

ETH kind of guy Greg what kind of guy

24

00:01:33,740 --> 00:01:30,689

are you I tend to fight it well ok I

25

00:01:35,210 --> 00:01:33,750

mean I mean I tend to fight my eth fork

26

00:01:37,969 --> 00:01:35,220

liberties because that's been the way

27

00:01:38,960 --> 00:01:37,979

I've been like most people for most of

28

00:01:42,560 --> 00:01:38,970

the time I've been interested in the

29

00:01:43,910 --> 00:01:42,570

subject but after a while you realize

30

00:01:45,710 --> 00:01:43,920

that nobody's found anything that's

31

00:01:49,310 --> 00:01:45,720

really provable about anything coming

32

00:01:52,340 --> 00:01:49,320

from other planets so I'm probably less

33

00:01:54,789 --> 00:01:52,350

of an ETH or than Paul is I suppose it

34

00:01:57,020 --> 00:01:54,799

might be the best explanation but I

35

00:01:58,969 --> 00:01:57,030

seriously doubt whether it's the right

36

00:02:02,209 --> 00:01:58,979

one or the whole right one so for

37

00:02:03,800 --> 00:02:02,219

example maybe there's ETH but maybe one

38

00:02:06,200 --> 00:02:03,810

of these other explanations such as

39

00:02:08,839 --> 00:02:06,210

interdimensional time travelers or a

40

00:02:12,710 --> 00:02:08,849

crypto to rest Jules perhaps yeah well I

41

00:02:13,340 --> 00:02:12,720

don't I'm exceedingly agnostic I don't

42

00:02:15,950 --> 00:02:13,350

really

43

00:02:18,350 --> 00:02:15,960

subscribe to anyone or the other the ETH

44

00:02:20,840 --> 00:02:18,360

just gets the most exposure because

45

00:02:24,230 --> 00:02:20,850

that's what's been pushed on us for Wow

46

00:02:26,930 --> 00:02:24,240

since probably the even before the 20th

47

00:02:28,670 --> 00:02:26,940

century actually but of course you know

48

00:02:30,410 --> 00:02:28,680

in the in the Space Age and in post

49

00:02:32,690 --> 00:02:30,420

World War two yeah that's been the only

50

00:02:36,500 --> 00:02:32,700

explanation anybody will really consider

51  
00:02:37,640 --> 00:02:36,510  
so you know my natural inclination is

52  
00:02:40,070 --> 00:02:37,650  
that there's a whole bunch of people

53  
00:02:41,870 --> 00:02:40,080  
doing something and believing something

54  
00:02:44,780 --> 00:02:41,880  
it makes me very suspicious so that's

55  
00:02:47,770 --> 00:02:44,790  
I'm sure that's part of it too so your

56  
00:02:52,820 --> 00:02:47,780  
case that's partly very your skeptic of

57  
00:02:56,210 --> 00:02:52,830  
people who tend to accept a conventional

58  
00:02:59,090 --> 00:02:56,220  
wisdom well I guess no I'm I'm I'm

59  
00:03:00,650 --> 00:02:59,100  
skeptical of I'm skeptical belief

60  
00:03:04,040 --> 00:03:00,660  
systems because once you get locked into

61  
00:03:05,270 --> 00:03:04,050  
a belief system your your your options

62  
00:03:06,530 --> 00:03:05,280  
tend to shut it down and when you're

63  
00:03:09,290 --> 00:03:06,540

talking about something is weird is the

64  
00:03:12,740 --> 00:03:09,300  
UFO subject and is amorphous and as you

65  
00:03:15,080 --> 00:03:12,750  
know unanswered so far I have you lock

66  
00:03:18,050 --> 00:03:15,090  
yourself into a belief system you're

67  
00:03:21,230 --> 00:03:18,060  
already behind well that's my belief

68  
00:03:23,510 --> 00:03:21,240  
anyway and then people get irritated

69  
00:03:25,100 --> 00:03:23,520  
with the fence sitting and the all that

70  
00:03:28,570 --> 00:03:25,110  
it's like well what else you gonna do as

71  
00:03:31,370 --> 00:03:28,580  
soon as you put yourself in a camp your

72  
00:03:33,650 --> 00:03:31,380  
hands and say this is my belief you're

73  
00:03:35,270 --> 00:03:33,660  
gonna have to start supporting it then

74  
00:03:37,100 --> 00:03:35,280  
with the UFOs and the paranormal and a

75  
00:03:39,710 --> 00:03:37,110  
lot of things like that we talked about

76

00:03:41,630 --> 00:03:39,720

on the show you can't really there's

77

00:03:44,810 --> 00:03:41,640

there's no iron ironclad open-and-shut

78

00:03:47,330 --> 00:03:44,820

case for any of these things that they

79

00:03:48,920 --> 00:03:47,340

exist I think there is a pretty pretty

80

00:03:50,990 --> 00:03:48,930

solid case that there's something weird

81

00:03:52,730 --> 00:03:51,000

going on and that there is something

82

00:03:54,740 --> 00:03:52,740

that's not human that interacts with us

83

00:03:57,350 --> 00:03:54,750

occasionally I think the case is fairly

84

00:04:00,170 --> 00:03:57,360

solid for that but past that I don't

85

00:04:02,270 --> 00:04:00,180

know you don't want to be in a box well

86

00:04:04,430 --> 00:04:02,280

yeah because it'll close off my options

87

00:04:06,490 --> 00:04:04,440

it closes off my options for for

88

00:04:08,890 --> 00:04:06,500

learning and for listening and for

89

00:04:11,630 --> 00:04:08,900

meeting people it might have a different

90

00:04:13,850 --> 00:04:11,640

you know point of view I'm that's firm

91

00:04:16,370 --> 00:04:13,860

beliefs in other areas you know we like

92

00:04:19,250 --> 00:04:16,380

moral things and all that but not you

93

00:04:22,090 --> 00:04:19,260

know UFOs no I mean it why tie yourself

94

00:04:23,909 --> 00:04:22,100

down I think one of the things is that

95

00:04:26,700 --> 00:04:23,919

believing in ETA

96

00:04:28,290 --> 00:04:26,710

simple we know their other planets we

97

00:04:31,140 --> 00:04:28,300

know their other star systems so to

98

00:04:33,570 --> 00:04:31,150

posit some kind of advanced civilization

99

00:04:35,640 --> 00:04:33,580

it just seems to make sense because they

100

00:04:39,029 --> 00:04:35,650

can't possibly come from here right and

101  
00:04:41,790 --> 00:04:39,039  
then nowadays of course with our various

102  
00:04:44,459 --> 00:04:41,800  
probes Hubble telescope etc we see

103  
00:04:46,619 --> 00:04:44,469  
evidence that there are possible

104  
00:04:50,189 --> 00:04:46,629  
earth-like planets on other star systems

105  
00:04:52,230 --> 00:04:50,199  
we say hey okay so if their civilization

106  
00:04:54,719 --> 00:04:52,240  
is advanced to the right point they're

107  
00:04:57,809 --> 00:04:54,729  
coming here because we are important

108  
00:05:00,330 --> 00:04:57,819  
enough for space travelers to want to

109  
00:05:02,100 --> 00:05:00,340  
find out what we're like maybe I mean I

110  
00:05:04,980 --> 00:05:02,110  
don't I think we're probably just as

111  
00:05:08,339 --> 00:05:04,990  
important as any other group of sentient

112  
00:05:09,809 --> 00:05:08,349  
beings and if there are intelligences

113  
00:05:11,820 --> 00:05:09,819

coming here I don't think they're coming

114

00:05:13,529 --> 00:05:11,830

here in nuts-and-bolts craft traveling

115

00:05:15,689 --> 00:05:13,539

across space like we take a train or

116

00:05:18,839 --> 00:05:15,699

airplane somewhere I think they've gone

117

00:05:20,909 --> 00:05:18,849

beyond that and that those things are

118

00:05:22,439 --> 00:05:20,919

just ways that we you know the the fact

119

00:05:25,050 --> 00:05:22,449

that there's physical traces and all

120

00:05:26,700 --> 00:05:25,060

that maybe they've learned to just you

121

00:05:28,200 --> 00:05:26,710

know handle matter in a different way

122

00:05:31,079 --> 00:05:28,210

than we do or have a different concept

123

00:05:32,610 --> 00:05:31,089

of it I don't know but I don't think

124

00:05:34,619 --> 00:05:32,620

it's physical people coming in here and

125

00:05:36,269 --> 00:05:34,629

crafts from other other other planets

126

00:05:38,159 --> 00:05:36,279

because it's just according to our

127

00:05:40,139 --> 00:05:38,169

current ideas about things it's just it

128

00:05:41,700 --> 00:05:40,149

would just take too damn long so it must

129

00:05:43,589 --> 00:05:41,710

be in the realm of something that we

130

00:05:46,320 --> 00:05:43,599

haven't thought of yet or just beginning

131

00:05:47,850 --> 00:05:46,330

to think of and we can go into that too

132

00:05:50,760 --> 00:05:47,860

but that that that's a whole other

133

00:05:52,740 --> 00:05:50,770

subject so very briefly

134

00:05:55,079 --> 00:05:52,750

you don't think UFO research has gone

135

00:05:58,920 --> 00:05:55,089

anywhere because the prevailing belief

136

00:06:03,089 --> 00:05:58,930

is the same one that was here 60 years

137

00:06:05,159 --> 00:06:03,099

ago no I don't I think it's gone forward

138

00:06:07,079 --> 00:06:05,169

in certain areas but the but the belief

139

00:06:09,659 --> 00:06:07,089

system have it hasn't changed no and

140

00:06:11,939 --> 00:06:09,669

there's no real evidence for it except

141

00:06:15,149 --> 00:06:11,949

for our our beliefs and our hopes and

142

00:06:16,800 --> 00:06:15,159

our expectations I think yeah it might

143

00:06:19,110 --> 00:06:16,810

be a logical conclusion but it's a

144

00:06:21,529 --> 00:06:19,120

logical conclusion based on our

145

00:06:24,329 --> 00:06:21,539

civilization and our way of thinking and

146

00:06:27,089 --> 00:06:24,339

our view of the universe and our view of

147

00:06:29,070 --> 00:06:27,099

physics at present and that's going to

148

00:06:31,079 --> 00:06:29,080

change there's no doubt that it's going

149

00:06:34,199 --> 00:06:31,089

to change because it's changed in the

150

00:06:34,790 --> 00:06:34,209

past very much a moving target now yes a

151  
00:06:38,200 --> 00:06:34,800  
few weeks

152  
00:06:40,850 --> 00:06:38,210  
go your friend but sometimes co-host

153  
00:06:43,730 --> 00:06:40,860  
Walter Bosley appeared on the power cast

154  
00:06:45,920 --> 00:06:43,740  
and I think we may be scratched the

155  
00:06:47,600 --> 00:06:45,930  
surface just barely in asking him

156  
00:06:49,939 --> 00:06:47,610  
questions about the things he knows the

157  
00:06:53,390 --> 00:06:49,949  
things he's experienced so we've invited

158  
00:06:58,100 --> 00:06:53,400  
him back on you'll hear next on the bear

159  
00:06:59,779 --> 00:06:58,110  
gasps hey neighbors have you been

160  
00:07:01,460 --> 00:06:59,789  
thinking about starting a website now

161  
00:07:03,050 --> 00:07:01,470  
I'm gonna tell you about a great offer

162  
00:07:05,149 --> 00:07:03,060  
from Hostgator Hostgator is a

163  
00:07:06,740 --> 00:07:05,159

world-famous leader in web hosting and

164

00:07:09,050 --> 00:07:06,750

they make it easy for you to get your

165

00:07:11,059 --> 00:07:09,060

own dot-com domain name you create your

166

00:07:12,920 --> 00:07:11,069

very own website with their free site

167

00:07:15,290 --> 00:07:12,930

builder tools and great selection of

168

00:07:17,540 --> 00:07:15,300

templates use the coupon code power cast

169

00:07:19,969 --> 00:07:17,550

once again use the coupon code power

170

00:07:22,879 --> 00:07:19,979

cast and sign up at this special address

171

00:07:26,480 --> 00:07:22,889

the power cast comes slash Gator that's

172

00:07:32,029 --> 00:07:26,490

GA t o are the power cast comm slash

173

00:07:33,499 --> 00:07:32,039

gator we want to hear from you if you

174

00:07:36,709 --> 00:07:33,509

have a comment or question about the

175

00:07:40,249 --> 00:07:36,719

podcast send it to news at the podcast

176  
00:07:42,439 --> 00:07:40,259  
comm that's news at the pier cast calm

177  
00:07:43,670 --> 00:07:42,449  
and don't forget to visit our forums

178  
00:07:46,640 --> 00:07:43,680  
where you can talk to fellow listeners

179  
00:07:48,860 --> 00:07:46,650  
just go to the para cast comm and click

180  
00:08:00,190 --> 00:07:48,870  
on the forum links that's the forum

181  
00:08:10,720 --> 00:08:03,020  
[Music]

182  
00:08:16,610 --> 00:08:13,820  
we are joined by a Walter Bosley former

183  
00:08:19,640 --> 00:08:16,620  
government agent and he is not here by

184  
00:08:21,500 --> 00:08:19,650  
the way to find out what's happening

185  
00:08:24,950 --> 00:08:21,510  
with the power cast with me and Gregg

186  
00:08:28,760 --> 00:08:24,960  
where are you uh no no no that's not why

187  
00:08:30,710 --> 00:08:28,770  
I'm here okay answer questions right

188  
00:08:33,350 --> 00:08:30,720

okay well discuss things interesting

189

00:08:35,630 --> 00:08:33,360

thing sure well you know you made a

190

00:08:38,300 --> 00:08:35,640

brief something more than a cameo

191

00:08:42,080 --> 00:08:38,310

appearance in our forums after your last

192

00:08:43,610 --> 00:08:42,090

appearance in deaf people ask questions

193

00:08:45,380 --> 00:08:43,620

and sometimes the people in the forums

194

00:08:46,970 --> 00:08:45,390

as you and I know those of us have been

195

00:08:50,210 --> 00:08:46,980

online for many many years

196

00:08:52,910 --> 00:08:50,220

realize that sometimes people who visit

197

00:08:55,310 --> 00:08:52,920

you in the forums kind of feel they have

198

00:08:57,710 --> 00:08:55,320

the right to know everything so what is

199

00:09:00,410 --> 00:08:57,720

your story about that well you know

200

00:09:02,930 --> 00:09:00,420

regarding the forms I will start and say

201  
00:09:06,590 --> 00:09:02,940  
that you know I come out here and I tell

202  
00:09:08,480 --> 00:09:06,600  
you who I am and those who go in there

203  
00:09:10,880 --> 00:09:08,490  
and they don't you know provide a real

204  
00:09:13,010 --> 00:09:10,890  
name they just kind of make all their

205  
00:09:15,050 --> 00:09:13,020  
comments behind a screen name you know I

206  
00:09:17,120 --> 00:09:15,060  
kind of have to remind myself to really

207  
00:09:20,510 --> 00:09:17,130  
just dismiss those people in their

208  
00:09:22,130 --> 00:09:20,520  
comments because you know there's really

209  
00:09:24,770 --> 00:09:22,140  
nothing else you can do if they won't

210  
00:09:27,860 --> 00:09:24,780  
tell you who they are then their

211  
00:09:29,330 --> 00:09:27,870  
comments you know mean little so

212  
00:09:30,800 --> 00:09:29,340  
basically they won't tell you who they

213  
00:09:32,540 --> 00:09:30,810

are but they want to know everything

214

00:09:34,220 --> 00:09:32,550

about you they want to see that you

215

00:09:36,500 --> 00:09:34,230

really work for the FBI they want to

216

00:09:38,270 --> 00:09:36,510

have all the papers from your government

217

00:09:39,410 --> 00:09:38,280

service they want to see your social

218

00:09:42,650 --> 00:09:39,420

security card and your birth certificate

219

00:09:45,020 --> 00:09:42,660

well we want that from Obama right yeah

220

00:09:47,810 --> 00:09:45,030

exactly but I'm just referring to those

221

00:09:49,070 --> 00:09:47,820

who don't identify themselves I mean

222

00:09:51,350 --> 00:09:49,080

there's guys out there that you know

223

00:09:53,180 --> 00:09:51,360

they're in the various forms and their

224

00:09:54,920 --> 00:09:53,190

name is right there you know they tell

225

00:09:57,079 --> 00:09:54,930

you who they are and and that you know

226

00:10:01,310 --> 00:09:57,089

to me that's step one if you're going to

227

00:10:02,720 --> 00:10:01,320

be publicly critical or discerning or

228

00:10:04,640 --> 00:10:02,730

questioning or whatever you want to call

229

00:10:06,380 --> 00:10:04,650

it to whatever degree it is you know

230

00:10:10,579 --> 00:10:06,390

it's like you know my name I want to

231

00:10:13,370 --> 00:10:10,589

know yours you know to me it's that's

232

00:10:15,170 --> 00:10:13,380

the fair the fair thing so you know

233

00:10:18,009 --> 00:10:15,180

anyone whose identity I don't really

234

00:10:19,540 --> 00:10:18,019

know or at least whose name I don't

235

00:10:24,340 --> 00:10:19,550

you know I have to remind myself to

236

00:10:26,439 --> 00:10:24,350

dismiss many arguments they make you

237

00:10:27,910 --> 00:10:26,449

know and go from there well you know

238

00:10:30,129 --> 00:10:27,920

what I'm a little bit different Walter

239

00:10:32,019 --> 00:10:30,139

and I don't totally agree the thing is

240

00:10:34,629 --> 00:10:32,029

that if you've put yourself at a public

241

00:10:36,850 --> 00:10:34,639

forum you have to be public I wrestled

242

00:10:39,039 --> 00:10:36,860

with this - very early on with UFO

243

00:10:41,109 --> 00:10:39,049

mystic and now with the pair Castform

244

00:10:42,369 --> 00:10:41,119

and a few others it's kind of you if

245

00:10:44,919 --> 00:10:42,379

you're gonna be public and you're gonna

246

00:10:46,720 --> 00:10:44,929

present your ideas yeah it's the onus is

247

00:10:48,579 --> 00:10:46,730

on you to kind of have your name out

248

00:10:51,699 --> 00:10:48,589

there if somebody's going to ask you

249

00:10:54,759 --> 00:10:51,709

questions civilized in a civilized way

250

00:10:56,139 --> 00:10:54,769

in an or in a nice logical way I don't

251  
00:10:57,929 --> 00:10:56,149  
really care whether they're anonymous or

252  
00:11:00,100 --> 00:10:57,939  
not but once they start getting nasty

253  
00:11:01,780 --> 00:11:00,110  
they should be not anonymous or they

254  
00:11:04,269 --> 00:11:01,790  
should shut up well there you go

255  
00:11:07,539 --> 00:11:04,279  
we actually agree because the way you

256  
00:11:09,489 --> 00:11:07,549  
qualified it I will add one thing yeah I

257  
00:11:11,650 --> 00:11:09,499  
put myself out there you put yourself

258  
00:11:14,259 --> 00:11:11,660  
out there various people do to discuss

259  
00:11:16,179 --> 00:11:14,269  
things but on the other hand if

260  
00:11:20,590 --> 00:11:16,189  
somebody's going to go into a forum

261  
00:11:23,919 --> 00:11:20,600  
which is also just as public then I

262  
00:11:26,230 --> 00:11:23,929  
think you know again yeah if they're

263  
00:11:27,489 --> 00:11:26,240

going to get to a certain level of

264

00:11:29,289 --> 00:11:27,499

critical then they should identify

265

00:11:31,329 --> 00:11:29,299

themselves because you know hey that's

266

00:11:33,369 --> 00:11:31,339

just as public I'll put up with a lot

267

00:11:34,869 --> 00:11:33,379

from people as long as they're being as

268

00:11:36,699 --> 00:11:34,879

long as they're being civilized and

269

00:11:38,679 --> 00:11:36,709

logical I don't really care that they

270

00:11:40,809 --> 00:11:38,689

are but they start turning it into dicks

271

00:11:43,449 --> 00:11:40,819

I either shut it down or say you know

272

00:11:45,189 --> 00:11:43,459

then I pull the you know it's very easy

273

00:11:47,919 --> 00:11:45,199

for you to be the way you are because

274

00:11:49,419 --> 00:11:47,929

you're anonymous so that's this is the

275

00:11:52,059 --> 00:11:49,429

end of the conversation that's what I

276

00:11:54,639 --> 00:11:52,069

usually yeah it's it's and as I've said

277

00:11:57,100 --> 00:11:54,649

I I'm I am NOT one of these guys who

278

00:11:59,379 --> 00:11:57,110

fell in love with logic when I was in

279

00:12:00,939 --> 00:11:59,389

you know high school and it's just the

280

00:12:03,009 --> 00:12:00,949

thing that turns me on and I mean we

281

00:12:04,509 --> 00:12:03,019

know these people you can't have a human

282

00:12:07,269 --> 00:12:04,519

conversation with these kind of people

283

00:12:09,249 --> 00:12:07,279

the logic lovers you just can't because

284

00:12:11,530 --> 00:12:09,259

you could be talking about pizza and

285

00:12:13,179 --> 00:12:11,540

they're analyzing how you said what you

286

00:12:15,249 --> 00:12:13,189

said and what that meant according to

287

00:12:18,189 --> 00:12:15,259

the academic rules of logic and it just

288

00:12:20,229 --> 00:12:18,199

wow what an interesting boring way to go

289

00:12:23,139 --> 00:12:20,239

through life well there's another thing

290

00:12:25,119 --> 00:12:23,149

too I mean it's it's an attitude - I'm

291

00:12:25,830 --> 00:12:25,129

one of the other show like this one is I

292

00:12:28,080 --> 00:12:25,840

don't

293

00:12:29,700 --> 00:12:28,090

you know my attitude on my show is I'm

294

00:12:31,650 --> 00:12:29,710

gonna let the person say what they want

295

00:12:34,140 --> 00:12:31,660

to if I don't agree with them that's

296

00:12:36,330 --> 00:12:34,150

fine if I if I and I can prod them a

297

00:12:38,820 --> 00:12:36,340

little bit to make sure that they've got

298

00:12:40,770 --> 00:12:38,830

their stories straight and that even the

299

00:12:44,580 --> 00:12:40,780

audience realizes that I'm not buying it

300

00:12:46,050 --> 00:12:44,590

I suppose yeah however I'm you know I

301

00:12:47,880 --> 00:12:46,060

will let people say what they want to

302

00:12:49,500 --> 00:12:47,890

say if there's gonna be a there's gonna

303

00:12:50,820 --> 00:12:49,510

be some kind of pitch or some kind of

304

00:12:54,300 --> 00:12:50,830

you know you got to give me money for

305

00:12:56,460 --> 00:12:54,310

this for this idea or I'm coming from a

306

00:12:58,350 --> 00:12:56,470

position of authority so buy my book or

307

00:13:01,650 --> 00:12:58,360

whatever then I strike you a little

308

00:13:03,810 --> 00:13:01,660

suspicious sure yeah and and rightly so

309

00:13:05,160 --> 00:13:03,820

because you know they're they're trying

310

00:13:07,500 --> 00:13:05,170

to push something on people they're

311

00:13:09,930 --> 00:13:07,510

trying to sell something specific to

312

00:13:11,910 --> 00:13:09,940

what they're talking about you know so

313

00:13:14,820 --> 00:13:11,920

you should be you know a little bit more

314

00:13:16,980 --> 00:13:14,830

but and again folks we're talking about

315

00:13:19,950 --> 00:13:16,990

the hypercritical okay we're talking

316

00:13:23,640 --> 00:13:19,960

about those who no matter what you say

317

00:13:25,680 --> 00:13:23,650

it's never gonna be enough my question

318

00:13:27,960 --> 00:13:25,690

is you know the question that comes to

319

00:13:30,180 --> 00:13:27,970

my mind is either why are you here are

320

00:13:32,430 --> 00:13:30,190

you really interested in these subjects

321

00:13:34,620 --> 00:13:32,440

and is there anything about these these

322

00:13:38,580 --> 00:13:34,630

the topic of the paranormal in general

323

00:13:41,550 --> 00:13:38,590

and I throw in UFOs there that you do

324

00:13:45,360 --> 00:13:41,560

buy into that you do think is is

325

00:13:48,150 --> 00:13:45,370

possible as such because it's kind of

326

00:13:50,520 --> 00:13:48,160

like if you hate soccer but you keep

327

00:13:52,620 --> 00:13:50,530

going to soccer games you know after a

328

00:13:55,440 --> 00:13:52,630

while you got a someone you got to ask

329

00:13:58,200 --> 00:13:55,450

yourself okay what am I doing here I

330

00:13:59,820 --> 00:13:58,210

hate this sport I hate this game why do

331

00:14:01,740 --> 00:13:59,830

I keep coming it you know that that's

332

00:14:04,230 --> 00:14:01,750

something that the you know comes to my

333

00:14:06,240 --> 00:14:04,240

mind when I encounter the hypercritical

334

00:14:10,140 --> 00:14:06,250

the okay now there's another thing to

335

00:14:12,330 --> 00:14:10,150

hear ya say you're one guy one gal or a

336

00:14:14,940 --> 00:14:12,340

few people and you see something strange

337

00:14:17,400 --> 00:14:14,950

and I have an editorial about this in

338

00:14:20,520 --> 00:14:17,410

the current issue of the para cast

339

00:14:22,560 --> 00:14:20,530

newsletter so if you go to the parent

340

00:14:24,480 --> 00:14:22,570

cast com there is a place for you can

341

00:14:26,370 --> 00:14:24,490

subscribe to the newsletter and you get

342

00:14:28,590 --> 00:14:26,380

my commentaries so I don't always do

343

00:14:30,810 --> 00:14:28,600

commentaries on the show I write off a

344

00:14:32,070 --> 00:14:30,820

commentary every single week and one of

345

00:14:33,060 --> 00:14:32,080

the things I pointed out is the fact

346

00:14:35,040 --> 00:14:33,070

that you know

347

00:14:37,590 --> 00:14:35,050

you have a paranormal experience of

348

00:14:39,810 --> 00:14:37,600

whatever kind it's very difficult to

349

00:14:41,370 --> 00:14:39,820

prove it unless you have the camera and

350

00:14:43,170 --> 00:14:41,380

you take a picture and people will look

351

00:14:45,510 --> 00:14:43,180

at it and say the pictures are fake yeah

352

00:14:47,370 --> 00:14:45,520

okay so because you could Photoshop

353

00:14:49,290 --> 00:14:47,380

anything nowadays or create fake

354

00:14:51,690 --> 00:14:49,300

pictures and a lot of times if you see

355

00:14:53,130 --> 00:14:51,700

something you're so nervous when you see

356

00:14:55,410 --> 00:14:53,140

it that you don't have the time to focus

357

00:14:57,000 --> 00:14:55,420

the camera and press the zoom button and

358

00:14:59,970 --> 00:14:57,010

get a good picture it's luck you get

359

00:15:03,750 --> 00:14:59,980

something in the camera okay so that's

360

00:15:05,580 --> 00:15:03,760

one thing and then well if it doesn't

361

00:15:07,380 --> 00:15:05,590

leave any other evidence like a UFO may

362

00:15:09,390 --> 00:15:07,390

land and leave trace evidence but

363

00:15:11,730 --> 00:15:09,400

usually you see something in the sky and

364

00:15:14,010 --> 00:15:11,740

you see an apparition well folks it's

365

00:15:17,700 --> 00:15:14,020

not something that you could just repeat

366

00:15:19,650 --> 00:15:17,710

it's there it may never come back so how

367

00:15:22,260 --> 00:15:19,660

do you prove it what's the next stage do

368

00:15:24,000 --> 00:15:22,270

you try the lie detector test you know

369

00:15:25,380 --> 00:15:24,010

you know is that gonna help maybe we'll

370

00:15:27,780 --> 00:15:25,390

have a lie detector test

371

00:15:30,570 --> 00:15:27,790

so therefore we'll have to see whether

372

00:15:33,360 --> 00:15:30,580

we could try with a lie detector test

373

00:15:34,610 --> 00:15:33,370

and where's a problem with lie detector

374

00:15:37,740 --> 00:15:34,620

test you're not always reliable

375

00:15:39,750 --> 00:15:37,750

sometimes people think the test without

376

00:15:41,180 --> 00:15:39,760

saying things I really shouldn't in a

377

00:15:44,700 --> 00:15:41,190

public forum

378

00:15:47,250 --> 00:15:44,710

experience with a lot I'll just say this

379

00:15:50,190 --> 00:15:47,260

folks there is no such thing and never

380

00:15:53,190 --> 00:15:50,200

has been such thing as a true lie

381

00:15:53,940 --> 00:15:53,200

detector that's impossible and I'll

382

00:15:55,590 --> 00:15:53,950

leave it at that

383

00:15:57,780 --> 00:15:55,600

because you bring up a very good point

384

00:16:00,510 --> 00:15:57,790

the polygraph there's a reason why

385

00:16:02,220 --> 00:16:00,520

polygraph results are not submitted in a

386

00:16:04,890 --> 00:16:02,230

court of law they've been around for

387

00:16:07,500 --> 00:16:04,900

decades and that's because there are

388

00:16:12,140 --> 00:16:07,510

issues with its you know but but it

389

00:16:14,760 --> 00:16:12,150

serves a true and valid purpose in

390

00:16:17,310 --> 00:16:14,770

investigative issues criminal

391

00:16:19,470 --> 00:16:17,320

investigative issues and I'm all for the

392

00:16:22,170 --> 00:16:19,480

use of them but it's its effectiveness

393

00:16:24,570 --> 00:16:22,180

is not where people think it is okay so

394

00:16:26,220 --> 00:16:24,580

since you raised the question where is

395

00:16:28,590 --> 00:16:26,230

the effectiveness that's a psychological

396

00:16:29,940 --> 00:16:28,600

factor where somebody says gee I better

397

00:16:32,400 --> 00:16:29,950

tell the truth because it's a

398

00:16:35,220 --> 00:16:32,410

lie-detector I'm not saying you know I

399

00:16:37,140 --> 00:16:35,230

mean I was a I'm not gonna I'm not like

400

00:16:38,280 --> 00:16:37,150

the TV shows that want to show all the

401  
00:16:41,310 --> 00:16:38,290  
secrets that you know law enforcement

402  
00:16:43,620 --> 00:16:41,320  
uses because some things you know some

403  
00:16:46,040 --> 00:16:43,630  
things they work best if the general

404  
00:16:50,389 --> 00:16:46,050  
public doesn't know them and so

405  
00:16:51,980 --> 00:16:50,399  
you know are you talking you're not

406  
00:16:54,590 --> 00:16:51,990  
supposed to eat because you don't feel

407  
00:16:57,139 --> 00:16:54,600  
like it it wouldn't be ethical of me

408  
00:16:59,000 --> 00:16:57,149  
okay I just wanted a reason I think it

409  
00:17:01,009 --> 00:16:59,010  
might have something to do actually with

410  
00:17:02,990 --> 00:17:01,019  
the techniques that are used when you

411  
00:17:06,140 --> 00:17:03,000  
have a lie detector they're the kind of

412  
00:17:07,370 --> 00:17:06,150  
questions that are asked and the kind of

413  
00:17:09,710 --> 00:17:07,380

people that are there and the kind of

414

00:17:11,660 --> 00:17:09,720

people that are in the situation in

415

00:17:13,220 --> 00:17:11,670

which it is applied well we're not

416

00:17:14,990 --> 00:17:13,230

asking you the secrets of the trade

417

00:17:17,990 --> 00:17:15,000

we're just more or less talking about

418

00:17:21,140 --> 00:17:18,000

why they'd be effective as one of the

419

00:17:22,970 --> 00:17:21,150

secrets of the trick it's why it's

420

00:17:24,439 --> 00:17:22,980

effective then we are in a big circle

421

00:17:26,090 --> 00:17:24,449

here anybody listening could probably

422

00:17:28,669 --> 00:17:26,100

look up some of these answers online and

423

00:17:30,169 --> 00:17:28,679

get get some of the answers probably so

424

00:17:32,570 --> 00:17:30,179

and as I've said on your show and others

425

00:17:35,330 --> 00:17:32,580

a guy in my position there's things I

426

00:17:38,000 --> 00:17:35,340

cannot say that you know you can you can

427

00:17:42,740 --> 00:17:38,010

find in open sources but if I say it I

428

00:17:44,810 --> 00:17:42,750

feel the flame on my backside so uh like

429

00:17:46,880 --> 00:17:44,820

Daniel she and the lawyer once said the

430

00:17:48,890 --> 00:17:46,890

things that you can find in open sources

431

00:17:50,659 --> 00:17:48,900

are sometimes more frightening and

432

00:17:53,330 --> 00:17:50,669

surprising than most people would expect

433

00:17:54,560 --> 00:17:53,340

oh I definitely can agree with that I

434

00:17:56,419 --> 00:17:54,570

definitely could agree with that you

435

00:17:57,770 --> 00:17:56,429

just have to look you know Walter knows

436

00:17:59,690 --> 00:17:57,780

this and Jean knows this and probably

437

00:18:01,730 --> 00:17:59,700

most the listeners and some of the gut

438

00:18:04,430 --> 00:18:01,740

guests know this is that once you start

439

00:18:05,990 --> 00:18:04,440

digging and looking around and going to

440

00:18:07,370 --> 00:18:06,000

libraries not just on the internet but

441

00:18:09,950 --> 00:18:07,380

going to libraries and talking to people

442

00:18:11,990 --> 00:18:09,960

you start finding that right not so

443

00:18:13,730 --> 00:18:12,000

amazed by what people found out in their

444

00:18:16,640 --> 00:18:13,740

last book and reported to you or

445

00:18:18,770 --> 00:18:16,650

whatever right well you know since we're

446

00:18:22,460 --> 00:18:18,780

on the issue of the investigative

447

00:18:24,620 --> 00:18:22,470

techniques and a paranormal here here's

448

00:18:28,400 --> 00:18:24,630

what I have discovered and I am

449

00:18:31,760 --> 00:18:28,410

discovering is that these investigative

450

00:18:35,210 --> 00:18:31,770

techniques that we want to apply to

451  
00:18:37,520 --> 00:18:35,220  
these phenomena I'm learning are just

452  
00:18:40,040 --> 00:18:37,530  
not they're not measuring up because

453  
00:18:44,390 --> 00:18:40,050  
we're dealing with something that I

454  
00:18:48,549 --> 00:18:44,400  
think is sentient it it's aware it you

455  
00:18:52,669 --> 00:18:48,559  
know this is Anna we're being entity and

456  
00:18:56,029 --> 00:18:52,679  
it has the advantage of being able to

457  
00:18:57,830 --> 00:18:56,039  
manifest extraordinary ways and

458  
00:18:59,779 --> 00:18:57,840  
you thinking basically here of the

459  
00:19:03,139 --> 00:18:59,789  
overall phenomenon being an entity or

460  
00:19:06,200 --> 00:19:03,149  
each individual experience in terms of

461  
00:19:08,060 --> 00:19:06,210  
seeing creatures or whatever it depends

462  
00:19:09,769 --> 00:19:08,070  
on the experience one experience to the

463  
00:19:12,560 --> 00:19:09,779

others is different there's a UFO

464

00:19:15,859 --> 00:19:12,570

experience there is seeing a ghost there

465

00:19:18,139 --> 00:19:15,869

seeing a you know a Bigfoot there's you

466

00:19:21,590 --> 00:19:18,149

know some of the encounters I've had in

467

00:19:23,090 --> 00:19:21,600

my particular case my my experiences you

468

00:19:25,310 --> 00:19:23,100

know I I think that you know you're

469

00:19:28,269 --> 00:19:25,320

dealing with you know something sentient

470

00:19:29,899 --> 00:19:28,279

so what it knows how to do is evade

471

00:19:32,269 --> 00:19:29,909

investigative measurement

472

00:19:33,649 --> 00:19:32,279

I mean how perfect how perfect to take a

473

00:19:35,029 --> 00:19:33,659

guy like me who's been a federal

474

00:19:38,029 --> 00:19:35,039

criminal investigator in

475

00:19:41,599 --> 00:19:38,039

counterintelligence and manifest itself

476

00:19:44,479 --> 00:19:41,609

in a way that I can either capture

477

00:19:47,570 --> 00:19:44,489

evidence that to convince that would

478

00:19:49,820 --> 00:19:47,580

really convince people or even you know

479

00:19:52,369 --> 00:19:49,830

any evidence you know be able to prove

480

00:19:53,810 --> 00:19:52,379

it you know even in a discussion I think

481

00:19:56,169 --> 00:19:53,820

it's more like measuring wind without a

482

00:19:58,310 --> 00:19:56,179

wind meter you just don't have the the

483

00:20:00,049 --> 00:19:58,320

either don't have the tool or the tool

484

00:20:03,080 --> 00:20:00,059

has not been invented yet that will

485

00:20:05,149 --> 00:20:03,090

measure these things or or be that when

486

00:20:06,769 --> 00:20:05,159

something is is going to happen or

487

00:20:09,259 --> 00:20:06,779

whatever I mean it's it's just it's just

488

00:20:11,239 --> 00:20:09,269

designed not to be examined with the

489

00:20:13,129 --> 00:20:11,249

tools that we have a lot of these

490

00:20:15,349 --> 00:20:13,139

paranormal things ghost hunting maybe a

491

00:20:16,969 --> 00:20:15,359

little bit more you've got some chance

492

00:20:18,859 --> 00:20:16,979

there but once again you can't predict

493

00:20:20,629 --> 00:20:18,869

it you can't reproduce it it's basically

494

00:20:24,310 --> 00:20:20,639

you have to be there when it happens

495

00:20:27,139 --> 00:20:24,320

what I'm arguing is that the minute you

496

00:20:30,519 --> 00:20:27,149

design the meter that can measure it

497

00:20:33,019 --> 00:20:30,529

guess what ifs itself in the way that

498

00:20:35,239 --> 00:20:33,029

none of the the meters will measure it

499

00:20:38,379 --> 00:20:35,249

and that I understand to think that

500

00:20:40,969 --> 00:20:38,389

that's probably what would happen yeah I

501  
00:20:42,859 --> 00:20:40,979  
used to not think things like this I

502  
00:20:45,469 --> 00:20:42,869  
used to think no no now come on there's

503  
00:20:48,739 --> 00:20:45,479  
got to be a with technology and science

504  
00:20:52,969 --> 00:20:48,749  
by golly there it can be measured and

505  
00:20:55,700 --> 00:20:52,979  
the more experiences I've had the more

506  
00:20:57,499 --> 00:20:55,710  
I've changed that position maybe it's

507  
00:21:00,080 --> 00:20:57,509  
like this quantum mechanics kind of

508  
00:21:03,289 --> 00:21:00,090  
thing that if you measure it or see it

509  
00:21:06,379 --> 00:21:03,299  
that in and of itself changes it yeah

510  
00:21:08,630 --> 00:21:06,389  
very much so it might exactly for

511  
00:21:11,270 --> 00:21:08,640  
instance I see something on the side of

512  
00:21:12,620 --> 00:21:11,280  
Mountain I take a photograph of it okay

513  
00:21:14,410 --> 00:21:12,630

and then when you're looking at the

514

00:21:18,080 --> 00:21:14,420

photograph it just doesn't look the same

515

00:21:19,490 --> 00:21:18,090

or you show it to someone else and

516

00:21:22,040 --> 00:21:19,500

they're saying I don't see it I don't

517

00:21:23,840 --> 00:21:22,050

see it you know so so maybe you outline

518

00:21:25,460 --> 00:21:23,850

it you show them a photograph untouched

519

00:21:29,590 --> 00:21:25,470

then you show them you know the one with

520

00:21:32,600 --> 00:21:29,600

the outline and then the filter of their

521

00:21:34,130 --> 00:21:32,610

prejudice comes in and very often you

522

00:21:37,100 --> 00:21:34,140

hear things like well I don't see that

523

00:21:39,470 --> 00:21:37,110

and and so then where are you left you

524

00:21:41,120 --> 00:21:39,480

know what do you do there's and there's

525

00:21:43,760 --> 00:21:41,130

never a shortage of people that will say

526

00:21:45,620 --> 00:21:43,770

well you imagined it or well this is

527

00:21:48,950 --> 00:21:45,630

like this

528

00:21:50,180 --> 00:21:48,960

the psychological what's the word for it

529

00:21:51,710 --> 00:21:50,190

I don't want to say disorder I don't

530

00:21:55,160 --> 00:21:51,720

want to say guru SACEUR anything it's

531

00:21:57,860 --> 00:21:55,170

it's phenomenon yeah psychological

532

00:21:59,570 --> 00:21:57,870

phenomenon and when you look closely at

533

00:22:01,310 --> 00:21:59,580

the definition of those psychological

534

00:22:04,100 --> 00:22:01,320

phenomena that supposedly explain these

535

00:22:06,440 --> 00:22:04,110

experiences really when you really get

536

00:22:08,170 --> 00:22:06,450

down to it what you're seeing is as

537

00:22:11,090 --> 00:22:08,180

someone a psycho

538

00:22:14,680 --> 00:22:11,100

someone in the the profession of

539

00:22:18,830 --> 00:22:14,690

psychiatry has taken something and just

540

00:22:20,930 --> 00:22:18,840

given it labels essentially not in all

541

00:22:23,270 --> 00:22:20,940

cases do you find things where they were

542

00:22:25,580 --> 00:22:23,280

able to duplicate this in the laboratory

543

00:22:27,320 --> 00:22:25,590

they just they're really making an

544

00:22:30,050 --> 00:22:27,330

assumption that

545

00:22:32,300 --> 00:22:30,060

okay well this experience must be this

546

00:22:34,010 --> 00:22:32,310

and we're going to label it as such well

547

00:22:36,740 --> 00:22:34,020

now that we've got a nice neat and tidy

548

00:22:39,860 --> 00:22:36,750

label everybody can dismiss this

549

00:22:42,380 --> 00:22:39,870

experience because psychology has given

550

00:22:44,450 --> 00:22:42,390

it a label and there's a lot of people

551  
00:22:46,310 --> 00:22:44,460  
we live we live in the times and we live

552  
00:22:50,690 --> 00:22:46,320  
in a society a civilization right now

553  
00:22:52,940 --> 00:22:50,700  
where the specialist is King I mean you

554  
00:22:55,880 --> 00:22:52,950  
got somebody with a pedigree after their

555  
00:22:57,500 --> 00:22:55,890  
name and you know they can use their

556  
00:23:01,490 --> 00:22:57,510  
logic to prove the earth is square

557  
00:23:04,610 --> 00:23:01,500  
because their phd XYZ blah blah blah and

558  
00:23:06,890 --> 00:23:04,620  
we got a lot of people who they accept

559  
00:23:10,430 --> 00:23:06,900  
that they say well okay this is this is

560  
00:23:14,300 --> 00:23:10,440  
the guy he's the expert I think that

561  
00:23:15,930 --> 00:23:14,310  
there's error in going too far in that

562  
00:23:23,880 --> 00:23:15,940  
direction

563  
00:23:26,040 --> 00:23:23,890

[Music]

564

00:23:28,350 --> 00:23:26,050

picture this you're on the phone with a

565

00:23:31,470 --> 00:23:28,360

client or colleague trying to explain

566

00:23:33,720 --> 00:23:31,480

something visual a PowerPoint a keynote

567

00:23:36,360 --> 00:23:33,730

presentation a website but it's

568

00:23:37,350 --> 00:23:36,370

frustrating because they can't see what

569

00:23:40,080 --> 00:23:37,360

you're talking about

570

00:23:42,720 --> 00:23:40,090

the solution good news they can if you

571

00:23:45,780 --> 00:23:42,730

invite them to an online meeting using

572

00:23:47,940 --> 00:23:45,790

GoToMeeting then they can see your

573

00:23:50,280 --> 00:23:47,950

computer desktop on their computer

574

00:23:52,320 --> 00:23:50,290

screen so you can show them what you're

575

00:23:53,730 --> 00:23:52,330

talking about by use goto meeting all

576  
00:23:56,400 --> 00:23:53,740  
the time to collaborate with colleagues

577  
00:23:59,520 --> 00:23:56,410  
and with clients you can try goto

578  
00:24:03,660 --> 00:23:59,530  
meeting free for 30 days but you must

579  
00:24:07,380 --> 00:24:03,670  
visit goto meeting / podcasts let's go

580  
00:24:11,340 --> 00:24:07,390  
to meeting.com slash podcasts for free

581  
00:24:14,490 --> 00:24:11,350  
30-day trial hi this is Don Ecker and

582  
00:24:16,410 --> 00:24:14,500  
you are tuned into the para cast let me

583  
00:24:19,140 --> 00:24:16,420  
tell you what you're gonna hear stuff

584  
00:24:22,100 --> 00:24:19,150  
here that you probably won't hear

585  
00:24:25,500 --> 00:24:22,110  
anywhere else

586  
00:24:27,780 --> 00:24:25,510  
we have Walter Bosley joining us our

587  
00:24:29,550 --> 00:24:27,790  
co-host is Greg Bishop and we're talking

588  
00:24:31,590 --> 00:24:29,560

I guess to start about investigative

589

00:24:33,420 --> 00:24:31,600

techniques about belief systems what you

590

00:24:35,970 --> 00:24:33,430

should believe what maybe you shouldn't

591

00:24:38,160 --> 00:24:35,980

about the value I guess also of

592

00:24:39,570 --> 00:24:38,170

eyewitness testimony because we've

593

00:24:41,640 --> 00:24:39,580

talked about the fact that Walter has

594

00:24:43,500 --> 00:24:41,650

had experiences and then sometimes

595

00:24:45,000 --> 00:24:43,510

people will be skeptical and we're not

596

00:24:47,940 --> 00:24:45,010

asking you to believe everything that a

597

00:24:50,220 --> 00:24:47,950

person claims the experience but you get

598

00:24:52,230 --> 00:24:50,230

back to the core statement of the core

599

00:24:53,790 --> 00:24:52,240

reality which is you have to depend on

600

00:24:55,560 --> 00:24:53,800

someone's word from any of these things

601  
00:24:56,160 --> 00:24:55,570  
because otherwise there's nothing to

602  
00:25:00,000 --> 00:24:56,170  
investigate

603  
00:25:02,460 --> 00:25:00,010  
because what 95 98 percent of all the

604  
00:25:05,700 --> 00:25:02,470  
experiences that we report paranormal

605  
00:25:07,140 --> 00:25:05,710  
experiences it's all I witness testimony

606  
00:25:09,090 --> 00:25:07,150  
you know what this reminds me of

607  
00:25:12,150 --> 00:25:09,100  
remember when Paul was on with us the

608  
00:25:13,830 --> 00:25:12,160  
other day Walter on my show and he said

609  
00:25:15,330 --> 00:25:13,840  
when he was working and he might have

610  
00:25:17,490 --> 00:25:15,340  
said this in the pear cast they were

611  
00:25:19,620 --> 00:25:17,500  
working in England and two of the him

612  
00:25:21,840 --> 00:25:19,630  
and the co-hosts and maybe another

613  
00:25:23,640 --> 00:25:21,850

person heard horses hooves on a

614

00:25:25,110 --> 00:25:23,650

cobblestone street there's no

615

00:25:28,200 --> 00:25:25,120

cobblestone street where they were doing

616

00:25:31,320 --> 00:25:28,210

their filming but they did not record it

617

00:25:33,750 --> 00:25:31,330

the recorder was going at the same time

618

00:25:36,540 --> 00:25:33,760

and it did not show up on any of their

619

00:25:39,810 --> 00:25:36,550

recordings yet both to independent

620

00:25:42,240 --> 00:25:39,820

people heard what they heard was yeah um

621

00:25:44,760 --> 00:25:42,250

Kabul stuff courses homes on cobblestone

622

00:25:46,950 --> 00:25:44,770

it was Holly yeah I believe it was Holly

623

00:25:48,780 --> 00:25:46,960

who was yeah well L heard it too but

624

00:25:51,240 --> 00:25:48,790

then he had didn't admit it to let her

625

00:25:52,830 --> 00:25:51,250

know what this brings up is okay you've

626

00:25:54,360 --> 00:25:52,840

got you've got two people that have

627

00:25:57,000 --> 00:25:54,370

independently verified something without

628

00:25:59,250 --> 00:25:57,010

talking to each other first but your

629

00:26:02,280 --> 00:25:59,260

instrument your recorder I'll pick it up

630

00:26:04,920 --> 00:26:02,290

so where is it did it happen you know is

631

00:26:06,420 --> 00:26:04,930

that the right question yeah and there

632

00:26:08,370 --> 00:26:06,430

and there and I'm telling you there are

633

00:26:10,230 --> 00:26:08,380

a lot of people out there that they're

634

00:26:12,150 --> 00:26:10,240

just going to say it didn't happen this

635

00:26:14,070 --> 00:26:12,160

is ridiculous if you couldn't record it

636

00:26:15,630 --> 00:26:14,080

then you were imagining it it didn't

637

00:26:17,010 --> 00:26:15,640

happen and and that's it the end of

638

00:26:19,470 --> 00:26:17,020

story for them you know and and

639

00:26:21,630 --> 00:26:19,480

personally as an as someone who is an

640

00:26:26,520 --> 00:26:21,640

experienced or of things to use a word

641

00:26:28,470 --> 00:26:26,530

that I've heard I really have I'm not

642

00:26:31,380 --> 00:26:28,480

interested in trying to convince the

643

00:26:33,870 --> 00:26:31,390

naysayer that it's a waste of time it's

644

00:26:36,060 --> 00:26:33,880

a waste of my energy it they're just

645

00:26:37,830 --> 00:26:36,070

predisposed to think about something

646

00:26:41,190 --> 00:26:37,840

differently than me I'm not interested

647

00:26:43,680 --> 00:26:41,200

I'm just really not it's a waste of

648

00:26:46,140 --> 00:26:43,690

energy and time I have found to try to

649

00:26:48,180 --> 00:26:46,150

convince the naysayer well the best you

650

00:26:50,670 --> 00:26:48,190

can do I think is just tell people what

651  
00:26:53,550 --> 00:26:50,680  
happened the evidence that leads you to

652  
00:26:55,440 --> 00:26:53,560  
believe one thing or another if there is

653  
00:26:56,820 --> 00:26:55,450  
any evidence and then you're gonna have

654  
00:26:58,920 --> 00:26:56,830  
to either take it or leave it based on

655  
00:27:00,570 --> 00:26:58,930  
the individual of that individual that's

656  
00:27:03,300 --> 00:27:00,580  
not happy reputation for making up

657  
00:27:05,040 --> 00:27:03,310  
stories you kind of have to at least

658  
00:27:05,580 --> 00:27:05,050  
take them seriously otherwise where do

659  
00:27:07,890 --> 00:27:05,590  
you go with it

660  
00:27:10,380 --> 00:27:07,900  
otherwise everybody's a liar what this

661  
00:27:12,990 --> 00:27:10,390  
reminded me of was the show the other

662  
00:27:14,730 --> 00:27:13,000  
day with Paul Kimball on radio

663  
00:27:15,990 --> 00:27:14,740

mysterioso Walter was there we were all

664

00:27:18,650 --> 00:27:16,000

there in person and Paul was talking

665

00:27:20,700 --> 00:27:18,660

about ghost cases when you talk about

666

00:27:23,190 --> 00:27:20,710

instruments and measurements and all

667

00:27:26,130 --> 00:27:23,200

that he and his co-host Holly Stevens

668

00:27:27,840 --> 00:27:26,140

both independently heard horse hooves on

669

00:27:29,670 --> 00:27:27,850

cobblestone at this old church where

670

00:27:31,470 --> 00:27:29,680

there are no cobblestones anymore it's

671

00:27:34,020 --> 00:27:31,480

an old house or something like that it's

672

00:27:36,120 --> 00:27:34,030

one of the reported phenomena at that

673

00:27:37,770 --> 00:27:36,130

location they'd heard it separately

674

00:27:39,870 --> 00:27:37,780

didn't talk about it and then Holly was

675

00:27:42,090 --> 00:27:39,880

talking to one of the crew people or the

676  
00:27:42,520 --> 00:27:42,100  
producer and how it freaked her out and

677  
00:27:44,620 --> 00:27:42,530  
Paul

678  
00:27:46,330 --> 00:27:44,630  
I heard that too and I don't think

679  
00:27:48,130 --> 00:27:46,340  
anybody else had heard it and the

680  
00:27:50,110 --> 00:27:48,140  
recorder was going apparently at the

681  
00:27:51,520 --> 00:27:50,120  
time that these horse hooves were

682  
00:27:53,770 --> 00:27:51,530  
running around on the cobblestones

683  
00:27:55,390 --> 00:27:53,780  
outside so what does that tell you was

684  
00:27:57,850 --> 00:27:55,400  
that mean your instrument didn't pick it

685  
00:27:59,200 --> 00:27:57,860  
up so it was a hallucination I think we

686  
00:28:01,990 --> 00:27:59,210  
got to change our language a little bit

687  
00:28:03,670 --> 00:28:02,000  
in some cases well of course there's a

688  
00:28:06,100 --> 00:28:03,680

lot of things going on around us that we

689

00:28:08,110 --> 00:28:06,110

do not see we do not hear the reverse

690

00:28:09,850 --> 00:28:08,120

because our senses are very limited

691

00:28:12,780 --> 00:28:09,860

yeah but an instrument will pick it up

692

00:28:16,120 --> 00:28:12,790

well physical if the instrument is

693

00:28:19,260 --> 00:28:16,130

physically sensitive to that whatever it

694

00:28:22,180 --> 00:28:19,270

is yes exactly but yeah but you know

695

00:28:26,010 --> 00:28:22,190

were what are we dealing with when two

696

00:28:29,140 --> 00:28:26,020

people clearly hear a noise for a

697

00:28:30,250 --> 00:28:29,150

certain period of time it's not a you

698

00:28:32,050 --> 00:28:30,260

know it's not something they thought

699

00:28:34,900 --> 00:28:32,060

they heard not something they were

700

00:28:36,400 --> 00:28:34,910

mistaken about but they swear they heard

701  
00:28:38,440 --> 00:28:36,410  
it and then two of them independently

702  
00:28:40,660 --> 00:28:38,450  
without talking to each other first say

703  
00:28:42,370 --> 00:28:40,670  
they heard it but nobody else did really

704  
00:28:44,410 --> 00:28:42,380  
and it wasn't picked up on a recording

705  
00:28:46,900 --> 00:28:44,420  
so where does that leave you does that

706  
00:28:49,930 --> 00:28:46,910  
mean that the experiences is a

707  
00:28:51,880 --> 00:28:49,940  
hallucination or wrong or false I don't

708  
00:28:54,940 --> 00:28:51,890  
think so and I think probably well Troy

709  
00:28:57,610 --> 00:28:54,950  
and Cree with that oh when you have two

710  
00:29:00,700 --> 00:28:57,620  
people who independently experience the

711  
00:29:03,010 --> 00:29:00,710  
same audio phenomenon one of whom is you

712  
00:29:04,810 --> 00:29:03,020  
know is Paul you know he questions

713  
00:29:07,060 --> 00:29:04,820

things and you know he's not somebody

714

00:29:11,950 --> 00:29:07,070

that's a pushover for stuff and he heard

715

00:29:14,410 --> 00:29:11,960

it too you know that right there is some

716

00:29:17,290 --> 00:29:14,420

pretty hefty evidence so to speak could

717

00:29:19,690 --> 00:29:17,300

we're gonna call it that so you know

718

00:29:22,840 --> 00:29:19,700

exactly what do you do with experiences

719

00:29:24,580 --> 00:29:22,850

like that you know who's to say who can

720

00:29:27,550 --> 00:29:24,590

just write that off and dismiss it

721

00:29:29,920 --> 00:29:27,560

well obviously trying to figure out

722

00:29:33,400 --> 00:29:29,930

what's going on into an unearthing what's

723

00:29:35,080 --> 00:29:33,410

going on is gonna be one super royal

724

00:29:36,550 --> 00:29:35,090

pain I think that's one of the things we

725

00:29:38,950 --> 00:29:36,560

understand but I think that's kind of

726

00:29:42,610 --> 00:29:38,960

preamble showing the difficulty of

727

00:29:45,820 --> 00:29:42,620

measuring the things that we see or hear

728

00:29:47,920 --> 00:29:45,830

of the fact that you may see something

729

00:29:51,940 --> 00:29:47,930

or hear something that nobody else sees

730

00:29:53,650 --> 00:29:51,950

or be just one person we have one person

731

00:29:56,150 --> 00:29:53,660

you sit there you see a ghost you see

732

00:29:58,850 --> 00:29:56,160

the greys you're taking the board

733

00:30:01,520 --> 00:29:58,860

spaceship it's your memory of what

734

00:30:01,940 --> 00:30:01,530

happens how do you prove it what do you

735

00:30:04,220 --> 00:30:01,950

do

736

00:30:07,430 --> 00:30:04,230

let's move more I think it would be a

737

00:30:10,240 --> 00:30:07,440

good idea now to go back walter into

738

00:30:12,920 --> 00:30:10,250

some of your experiences and your

739

00:30:14,480 --> 00:30:12,930

remembrances of your father for example

740

00:30:16,910 --> 00:30:14,490

because of some of the things he told

741

00:30:19,250 --> 00:30:16,920

you and let's explore them with the

742

00:30:21,440 --> 00:30:19,260

understanding that ladies and gentlemen

743

00:30:23,480 --> 00:30:21,450

you know i don't know how we can prove

744

00:30:26,480 --> 00:30:23,490

this to you you know we're gonna have to

745

00:30:29,930 --> 00:30:26,490

accept that walter does have government

746

00:30:31,850 --> 00:30:29,940

experience greg has certainly seen the

747

00:30:34,940 --> 00:30:31,860

papers and independently confirmed where

748

00:30:36,710 --> 00:30:34,950

he can that you are Walter Bosley who

749

00:30:40,400 --> 00:30:36,720

you say are now let's look at the

750

00:30:43,970 --> 00:30:40,410

experiences going back to your dad and

751

00:30:45,470 --> 00:30:43,980

Roswell and as I recall here you were

752

00:30:47,780 --> 00:30:45,480

given this knowledge over a period of

753

00:30:50,060 --> 00:30:47,790

years not something he told you in one

754

00:30:54,590 --> 00:30:50,070

sitting hey son let me tell you about

755

00:30:59,600 --> 00:30:54,600

this right right exactly it started in

756

00:31:04,300 --> 00:30:59,610

the late 70s talking about you know this

757

00:31:08,090 --> 00:31:04,310

this crash at Roswell New Mexico and

758

00:31:10,190 --> 00:31:08,100

continued on up into recent years and of

759

00:31:14,150 --> 00:31:10,200

course after I had been an agent for a

760

00:31:19,190 --> 00:31:14,160

while and I was became a little more

761

00:31:21,020 --> 00:31:19,200

well-versed in interview techniques you

762

00:31:26,540 --> 00:31:21,030

know I knew how to talk to him about it

763

00:31:28,760 --> 00:31:26,550

to both measure his integrity to the

764

00:31:30,920 --> 00:31:28,770

degree that you know the investigative

765

00:31:36,530 --> 00:31:30,930

tools I have work and they are effective

766

00:31:41,830 --> 00:31:36,540

to a degree and also to you know kind of

767

00:31:45,140 --> 00:31:41,840

coax him to tell me more and his story

768

00:31:47,590 --> 00:31:45,150

never you know his story about the

769

00:31:51,110 --> 00:31:47,600

bodies that were found never changed his

770

00:31:53,950 --> 00:31:51,120

frustration that the insistence that it

771

00:31:59,570 --> 00:31:53,960

was the extra-terrestrial hypothesis

772

00:32:02,420 --> 00:31:59,580

that never changed and yeah you know it

773

00:32:05,450 --> 00:32:02,430

stayed consistent yes I got a little bit

774

00:32:08,750 --> 00:32:05,460

more out of him in in recent years but

775

00:32:14,450 --> 00:32:08,760

always consistent with the

776

00:32:17,690 --> 00:32:14,460

story and consistent with other things

777

00:32:19,880 --> 00:32:17,700

that I had learned you know about the

778

00:32:23,270 --> 00:32:19,890

same situation through through other

779

00:32:26,240 --> 00:32:23,280

means and he said that these were not

780

00:32:28,909 --> 00:32:26,250

extraterrestrials they were people from

781

00:32:30,140 --> 00:32:28,919

here this planet and you know as I've

782

00:32:33,280 --> 00:32:30,150

written about it if you want to go to

783

00:32:35,780 --> 00:32:33,290

the April 2005 issue of fate magazine

784

00:32:38,390 --> 00:32:35,790

the article is in there under my

785

00:32:39,590 --> 00:32:38,400

pseudonym because at the time yeah I had

786

00:32:41,539 --> 00:32:39,600

employment that was somewhat

787

00:32:43,850 --> 00:32:41,549

professionally sensitive so I did not

788

00:32:45,500 --> 00:32:43,860

put that article in there under my name

789

00:32:47,169 --> 00:32:45,510

Walter Bosley it's under a fiction

790

00:32:50,000 --> 00:32:47,179

pseudonym ll a guest

791

00:32:54,530 --> 00:32:50,010

since then I have said yeah that's me

792

00:32:58,010 --> 00:32:54,540

and that was my dad and according to him

793

00:33:00,669 --> 00:32:58,020

you know these people went underground

794

00:33:03,380 --> 00:33:00,679

a long time ago there had been a

795

00:33:06,530 --> 00:33:03,390

cataclysmic event on the surface of the

796

00:33:08,750 --> 00:33:06,540

planet and a bunch of people went

797

00:33:11,690 --> 00:33:08,760

underground and several of them stayed

798

00:33:14,140 --> 00:33:11,700

there a big number of them stayed there

799

00:33:17,780 --> 00:33:14,150

and you know developed their own

800

00:33:22,159 --> 00:33:17,790

civilization as it were parallel yet

801  
00:33:23,870 --> 00:33:22,169  
hidden to our own and according to him

802  
00:33:24,919 --> 00:33:23,880  
they really didn't want much to do with

803  
00:33:26,840 --> 00:33:24,929  
us at all

804  
00:33:28,430 --> 00:33:26,850  
the only reason he had interaction with

805  
00:33:32,690 --> 00:33:28,440  
them was because in the late 50s a

806  
00:33:34,700 --> 00:33:32,700  
Roswell situation happened again and he

807  
00:33:37,940 --> 00:33:34,710  
was in there yes let me just stop right

808  
00:33:40,970 --> 00:33:37,950  
there a Roswell situation happened again

809  
00:33:43,280 --> 00:33:40,980  
we're in eastern Arizona okay we're in

810  
00:33:45,740 --> 00:33:43,290  
eastern Arizona specifically in the

811  
00:33:48,770 --> 00:33:45,750  
vicinity of Winslow it sounds like the

812  
00:33:51,590 --> 00:33:48,780  
movie star man well star man the movie

813  
00:33:53,840 --> 00:33:51,600

star man sounds like this event that I

814

00:33:57,460 --> 00:33:53,850

heard about before star man okay tell us

815

00:34:01,310 --> 00:33:57,470

about the event that okay um a craft

816

00:34:05,919 --> 00:34:01,320

from underneath according to my dad out

817

00:34:08,629 --> 00:34:05,929

on the surface crashes and the pilot is

818

00:34:11,389 --> 00:34:08,639

missing iLook crew whatever are missing

819

00:34:13,310 --> 00:34:11,399

and these people come to through

820

00:34:15,919 --> 00:34:13,320

whatever liaison they have however they

821

00:34:18,290 --> 00:34:15,929

did it they came to you know our people

822

00:34:20,250 --> 00:34:18,300

our military presumably the Air Force

823

00:34:22,470 --> 00:34:20,260

because this is a late 50s

824

00:34:23,340 --> 00:34:22,480

and said hey we need some help finding

825

00:34:28,200 --> 00:34:23,350

our guy

826

00:34:31,560 --> 00:34:28,210

so again according to my father a the

827

00:34:34,430 --> 00:34:31,570

effort a mission was put together led by

828

00:34:38,970 --> 00:34:34,440

an interesting gentleman known as Wilson

829

00:34:42,419 --> 00:34:38,980

who who headed up the search and rescue

830

00:34:45,210 --> 00:34:42,429

so to speak plus the interaction with

831

00:34:48,149 --> 00:34:45,220

the people under the ground according to

832

00:34:49,859 --> 00:34:48,159

my dad and that's why he had to be

833

00:34:51,570 --> 00:34:49,869

briefed in on Roswell because he was

834

00:34:55,560 --> 00:34:51,580

because of his clearance and what he did

835

00:34:58,230 --> 00:34:55,570

he was one of many who was part of this

836

00:34:58,920 --> 00:34:58,240

effort and had to be briefed in on

837

00:35:00,720 --> 00:34:58,930

Roswell

838

00:35:04,560 --> 00:35:00,730

because it was pretty much a very

839

00:35:09,150 --> 00:35:04,570

similar if not same situation and from

840

00:35:12,230 --> 00:35:09,160

there he went to Arizona and worked in

841

00:35:15,960 --> 00:35:12,240

this effort to find this guy and this

842

00:35:20,130 --> 00:35:15,970

missing individual from the crash craft

843

00:35:21,420 --> 00:35:20,140

and be involved with the interaction and

844

00:35:22,710 --> 00:35:21,430

he saw the underground and he

845

00:35:27,270 --> 00:35:22,720

encountered these people underneath

846

00:35:31,980 --> 00:35:27,280

there according to him and I have reason

847

00:35:33,780 --> 00:35:31,990

to think that he sincerely believed he

848

00:35:35,730 --> 00:35:33,790

was telling me the truth he used to

849

00:35:37,950 --> 00:35:35,740

break down emotionally when he got to

850

00:35:39,990 --> 00:35:37,960

the point of the story where the guy he

851

00:35:43,320 --> 00:35:40,000

was working with was killed by one of

852

00:35:45,510 --> 00:35:43,330

these people so you know that's just one

853

00:35:47,220 --> 00:35:45,520

indicator well certainly he wouldn't

854

00:35:48,750 --> 00:35:47,230

just make it up just for the sake of his

855

00:35:50,730 --> 00:35:48,760

son that he know at the time that you

856

00:35:53,490 --> 00:35:50,740

were interested in the subject well what

857

00:35:56,370 --> 00:35:53,500

happened was it it started because see I

858

00:36:00,120 --> 00:35:56,380

grew up my sisters and I we grew up with

859

00:36:03,599 --> 00:36:00,130

our dad's interest in in this UFO topic

860

00:36:05,490 --> 00:36:03,609

I mean you you you remember the old look

861

00:36:07,470 --> 00:36:05,500

magazine and Life magazine articles

862

00:36:09,599 --> 00:36:07,480

during the 60s that you know the late

863

00:36:11,820 --> 00:36:09,609

50s early 60s going through the 60s that

864

00:36:13,590 --> 00:36:11,830

a lot of people have now as collectors

865

00:36:15,420 --> 00:36:13,600

items I mean we we still have these

866

00:36:17,430 --> 00:36:15,430

things and these were all always around

867

00:36:19,109 --> 00:36:17,440

the house this was the late 60s and you

868

00:36:21,510 --> 00:36:19,119

know we'd look at him and you know my

869

00:36:24,990 --> 00:36:21,520

dad would was enthused about this when

870

00:36:28,890 --> 00:36:25,000

the subject came up and in the late 70s

871

00:36:30,359 --> 00:36:28,900

I remember it was there was there had

872

00:36:32,130 --> 00:36:30,369

been a TV show on and it was right

873

00:36:33,250 --> 00:36:32,140

before Close Encounters came up before

874

00:36:36,490 --> 00:36:33,260

closing

875

00:36:40,300 --> 00:36:36,500

come on and this is when he first

876  
00:36:41,760 --> 00:36:40,310  
started talking about this and you know

877  
00:36:44,950 --> 00:36:41,770  
some people say well

878  
00:36:47,770 --> 00:36:44,960  
Starman you know well close encounters I

879  
00:36:48,970 --> 00:36:47,780  
find it interesting that you know he

880  
00:36:53,590 --> 00:36:48,980  
insisted that these were not

881  
00:36:56,050 --> 00:36:53,600  
extraterrestrials if he were just you

882  
00:36:59,830 --> 00:36:56,060  
know jumping on something to impress the

883  
00:37:02,170 --> 00:36:59,840  
kiddies you know why not say well yep

884  
00:37:06,430 --> 00:37:02,180  
absolutely these ETS are real now I know

885  
00:37:08,950 --> 00:37:06,440  
he um he was it used to amuse him and

886  
00:37:11,050 --> 00:37:08,960  
frustrate him both to things that the

887  
00:37:13,150 --> 00:37:11,060  
the insistence that it was et excuse me

888  
00:37:14,980 --> 00:37:13,160

the the assumption the presumption which

889

00:37:20,710 --> 00:37:14,990

many of us now like to call the et

890

00:37:22,990 --> 00:37:20,720

religion and the fact that it was being

891

00:37:27,850 --> 00:37:23,000

kept secret because you know it would

892

00:37:29,980 --> 00:37:27,860

freak people out and and you know he he

893

00:37:31,480 --> 00:37:29,990

always said this is something they want

894

00:37:32,800 --> 00:37:31,490

nothing to do with us this is something

895

00:37:35,680 --> 00:37:32,810

that you know think about your daily

896

00:37:37,690 --> 00:37:35,690

life that if there's a civilization

897

00:37:40,030 --> 00:37:37,700

inside you know underneath the surface

898

00:37:41,530 --> 00:37:40,040

of the planet if there is in subterranea

899

00:37:44,410 --> 00:37:41,540

how does that change

900

00:37:45,700 --> 00:37:44,420

most people's daily existence it really

901  
00:37:48,610 --> 00:37:45,710  
does not

902  
00:37:51,360 --> 00:37:48,620  
well maybe the perception that other

903  
00:37:56,170 --> 00:37:51,370  
intelligent race here can have

904  
00:37:57,730 --> 00:37:56,180  
catastrophic impact on certain people

905  
00:37:58,530 --> 00:37:57,740  
who like to think they're in control of

906  
00:38:01,030 --> 00:37:58,540  
things

907  
00:38:02,650 --> 00:38:01,040  
well yeah but you know then you're

908  
00:38:04,630 --> 00:38:02,660  
getting into people who like to think

909  
00:38:06,880 --> 00:38:04,640  
they're in control of things or have a

910  
00:38:10,600 --> 00:38:06,890  
drug or is it more the people who have a

911  
00:38:12,670 --> 00:38:10,610  
driving need to feel in control of

912  
00:38:13,750 --> 00:38:12,680  
things yes you're always exactly you're

913  
00:38:17,170 --> 00:38:13,760

always gonna have people that are gonna

914

00:38:18,880 --> 00:38:17,180

be bothered by something you know you

915

00:38:20,620 --> 00:38:18,890

could you could say that there are

916

00:38:23,020 --> 00:38:20,630

people there that are plenty bothered by

917

00:38:25,900 --> 00:38:23,030

some of us having the experiences we

918

00:38:27,370 --> 00:38:25,910

talk about you know so there's an

919

00:38:28,750 --> 00:38:27,380

example you know possibly of what you're

920

00:38:30,190 --> 00:38:28,760

talking about that's like hey wait a

921

00:38:32,770 --> 00:38:30,200

minute if I'm not having it it's not

922

00:38:36,610 --> 00:38:32,780

real or if I'm how come you're having it

923

00:38:40,210 --> 00:38:36,620

not me or you know any number of things

924

00:38:41,260 --> 00:38:40,220

but his thing was that it they were not

925

00:38:43,570 --> 00:38:41,270

extraterrestrials

926

00:38:46,030 --> 00:38:43,580

he felt okay but let's look at this in

927

00:38:48,520 --> 00:38:46,040

more detail okay the

928

00:38:51,430 --> 00:38:48,530

describe the creature does that creature

929

00:38:53,860 --> 00:38:51,440

pass for human he walks among us you see

930

00:38:56,680 --> 00:38:53,870

him at the local Dunkin Donuts yeah you

931

00:38:58,870 --> 00:38:56,690

just passing by oh okay yeah his

932

00:39:01,570 --> 00:38:58,880

description was they were just like us

933

00:39:03,490 --> 00:39:01,580

but with the less body hair you know

934

00:39:06,970 --> 00:39:03,500

little little to no body hair was the

935

00:39:12,040 --> 00:39:06,980

the description you know he gave me okay

936

00:39:15,220 --> 00:39:12,050

but therefore bald-headed yeah okay and

937

00:39:18,880 --> 00:39:15,230

as far as limbs fingers anything else

938

00:39:20,410 --> 00:39:18,890

looks normal eyes a little smell yeah

939

00:39:23,110 --> 00:39:20,420

look normal

940

00:39:27,910 --> 00:39:23,120

he just said little to no body hair okay

941

00:39:29,830 --> 00:39:27,920

looks like us all right now did he learn

942

00:39:33,820 --> 00:39:29,840

anything more about our interaction with

943

00:39:38,770 --> 00:39:33,830

these beings they well when when he was

944

00:39:41,650 --> 00:39:38,780

part of the project he was underground

945

00:39:44,560 --> 00:39:41,660

he was part of the they were all part of

946

00:39:46,660 --> 00:39:44,570

the the overall search effort but then

947

00:39:48,700 --> 00:39:46,670

they were you know they were interacting

948

00:39:51,370 --> 00:39:48,710

because they were underground and these

949

00:39:54,310 --> 00:39:51,380

people were there and he didn't give me

950

00:39:56,260 --> 00:39:54,320

the details of this little what

951  
00:39:57,580 --> 00:39:56,270  
specifically they were doing that day

952  
00:39:59,260 --> 00:39:57,590  
that the man got killed

953  
00:40:02,590 --> 00:39:59,270  
just that they were underneath the

954  
00:40:04,660 --> 00:40:02,600  
ground and it had to do with there was

955  
00:40:08,410 --> 00:40:04,670  
some what's interesting is there was

956  
00:40:12,220 --> 00:40:08,420  
some technology exchange going on and it

957  
00:40:16,150 --> 00:40:12,230  
was from us to them there was some small

958  
00:40:19,600 --> 00:40:16,160  
little aircraft that we had designed and

959  
00:40:21,370 --> 00:40:19,610  
we were training of them in using it it

960  
00:40:23,590 --> 00:40:21,380  
could be it could be used underground

961  
00:40:26,830 --> 00:40:23,600  
according to him okay okay wait a minute

962  
00:40:29,440 --> 00:40:26,840  
here so it's not the aliens were the

963  
00:40:31,540 --> 00:40:29,450

crypto terrestrials in this case having

964

00:40:35,860 --> 00:40:31,550

greater technology than us it's us

965

00:40:37,660 --> 00:40:35,870

giving them technology no gene they did

966

00:40:39,670 --> 00:40:37,670

have the tech they did have technology

967

00:40:41,830 --> 00:40:39,680

with their flying machines but all I can

968

00:40:43,270 --> 00:40:41,840

tell you is what my dad told me okay

969

00:40:47,050 --> 00:40:43,280

sure well that's what I want understand

970

00:40:49,930 --> 00:40:47,060

and and what he told me was there was a

971

00:40:54,430 --> 00:40:49,940

flying machine that we were also going

972

00:40:56,740 --> 00:40:54,440

to share with them now you know I I

973

00:40:58,780 --> 00:40:56,750

can't explain the politics or the

974

00:40:59,530 --> 00:40:58,790

where's our wise of if they have these

975

00:41:03,850 --> 00:40:59,540

you know

976

00:41:06,160 --> 00:41:03,860

they would want or need one of ours I

977

00:41:08,800 --> 00:41:06,170

can actually as an Air Force guy I can

978

00:41:10,900 --> 00:41:08,810

tell you exactly why you know we got our

979

00:41:12,850 --> 00:41:10,910

own airplanes but golly we don't miss a

980

00:41:14,290 --> 00:41:12,860

chance to get someone else's if we can I

981

00:41:16,450 --> 00:41:14,300

mean come on you know that's done in the

982

00:41:17,920 --> 00:41:16,460

real world all the time so to me that's

983

00:41:19,780 --> 00:41:17,930

not a big aha

984

00:41:22,480 --> 00:41:19,790

you know against the story in any way

985

00:41:26,350 --> 00:41:22,490

it's just part of the story and and he

986

00:41:28,000 --> 00:41:26,360

was part of the training program that

987

00:41:29,980 --> 00:41:28,010

that went on with these things our guys

988

00:41:32,290 --> 00:41:29,990

were using these things to to fly around

989

00:41:35,110 --> 00:41:32,300

down there but he happened to tell me

990

00:41:37,030 --> 00:41:35,120

also that we were also giving giving

991

00:41:38,890 --> 00:41:37,040

some of them to them so you know maybe

992

00:41:41,230 --> 00:41:38,900

they just wanted to try out our stuff

993

00:41:43,240 --> 00:41:41,240

and I don't know what's the implication

994

00:41:44,830 --> 00:41:43,250

you could get out of that that maybe we

995

00:41:46,420 --> 00:41:44,840

got one of theirs and tried out one of

996

00:41:50,590 --> 00:41:46,430

theirs too I mean there there's stories

997

00:41:54,700 --> 00:41:50,600

about that you know that that's this is

998

00:41:58,900 --> 00:41:54,710

the story he told and when he they

999

00:42:01,330 --> 00:41:58,910

encountered these people he and two guys

1000

00:42:04,990 --> 00:42:01,340

he was with they encountered a couple of

1001  
00:42:08,830 --> 00:42:05,000  
these people he described this item like

1002  
00:42:10,840 --> 00:42:08,840  
a he described it as a tube that all

1003  
00:42:14,620 --> 00:42:10,850  
they did was raise it and point it at

1004  
00:42:16,630 --> 00:42:14,630  
the guy he my dad was with and the next

1005  
00:42:18,340 --> 00:42:16,640  
thing he knew that guy he was with it

1006  
00:42:20,470 --> 00:42:18,350  
was like he was a machine that just shut

1007  
00:42:22,000 --> 00:42:20,480  
off somebody just turned the switch off

1008  
00:42:24,790 --> 00:42:22,010  
and he you know dead before he dropped

1009  
00:42:28,000 --> 00:42:24,800  
the group to hit the ground and this

1010  
00:42:29,500 --> 00:42:28,010  
really this really this is the part of

1011  
00:42:32,560 --> 00:42:29,510  
the story that would you know get him

1012  
00:42:35,590 --> 00:42:32,570  
kind of you know emotional upset was

1013  
00:42:39,240 --> 00:42:35,600

describing this guy just shutting off

1014

00:42:42,940 --> 00:42:39,250

and he said that their their sense of

1015

00:42:45,490 --> 00:42:42,950

sight wasn't as good as you know the the

1016

00:42:46,300 --> 00:42:45,500

hearing and other senses which when you

1017

00:42:48,730 --> 00:42:46,310

think about it if they're in a

1018

00:42:50,800 --> 00:42:48,740

subterranean world and and such you know

1019

00:42:53,080 --> 00:42:50,810

we know there's animals like bats and

1020

00:42:56,710 --> 00:42:53,090

stuff that yes the wouldn't they be more

1021

00:43:00,010 --> 00:42:56,720

sensitive because it's darker i you know

1022

00:43:02,770 --> 00:43:00,020

what i don't know gene I mean why I

1023

00:43:05,200 --> 00:43:02,780

didn't say that they couldn't see I said

1024

00:43:07,270 --> 00:43:05,210

that their other senses that's what he

1025

00:43:08,660 --> 00:43:07,280

told me is that their other senses were

1026

00:43:17,029 --> 00:43:08,670

stronger and more

1027

00:43:19,130 --> 00:43:17,039

in their sight fate magazine provides

1028

00:43:21,650 --> 00:43:19,140

true reports of the strange and unknown

1029

00:43:24,009 --> 00:43:21,660

keep up with the latest on angels and

1030

00:43:27,019 --> 00:43:24,019

miracles psychic phenomena ghosts UFOs

1031

00:43:29,269 --> 00:43:27,029

life after death and much much more

1032

00:43:31,940 --> 00:43:29,279

00:43:51,440 --> 00:43:42,559

that's one eight hundred seven two eight

1037

00:43:53,839 --> 00:43:51,450

twenty seven thirty or WWF a tem AG comm

1038

00:43:55,210 --> 00:43:53,849

what are you waiting for your fate

1039

00:44:18,640 --> 00:43:55,220

awaits

1040

00:44:18,650 --> 00:44:28,310

[Music]

1041

00:44:35,180 --> 00:44:32,640

we have Walter Bosley former government

1042

00:44:40,020 --> 00:44:35,190

agent talking about the remembrances of

1043

00:44:42,060 --> 00:44:40,030

his dad who met this subterranean race

1044

00:44:44,160 --> 00:44:42,070

Greg bishops our coast when we're

1045

00:44:46,620 --> 00:44:44,170

exploring these details trying to get

1046

00:44:49,260 --> 00:44:46,630

more information out of it now you

1047

00:44:50,670 --> 00:44:49,270

talked to your dad pretty much very late

1048

00:44:53,250 --> 00:44:50,680

in his life when you've got all this

1049

00:44:55,530 --> 00:44:53,260

information right not all of it

1050

00:44:59,430 --> 00:44:55,540

the you know portion of it yeah before

1051  
00:45:04,470 --> 00:44:59,440  
he died right most of it before before

1052  
00:45:06,150 --> 00:45:04,480  
he died years before okay and the

1053  
00:45:07,200 --> 00:45:06,160  
question I guess we always look for is

1054  
00:45:11,070 --> 00:45:07,210  
corroboration

1055  
00:45:13,110 --> 00:45:11,080  
so he tells you the story which is

1056  
00:45:15,150 --> 00:45:13,120  
different as you might imagine from

1057  
00:45:17,100 --> 00:45:15,160  
other people who claim to have knowledge

1058  
00:45:19,920 --> 00:45:17,110  
about Roswell and other incidents is

1059  
00:45:21,690 --> 00:45:19,930  
there anything out there then we can

1060  
00:45:25,340 --> 00:45:21,700  
find that someone had a similar

1061  
00:45:31,260 --> 00:45:25,350  
experience anywhere I don't know okay

1062  
00:45:33,390 --> 00:45:31,270  
yeah I mean if anyone else has I haven't

1063  
00:45:35,550 --> 00:45:33,400

really heard anyone talk about the

1064

00:45:37,770 --> 00:45:35,560

inexperience quite like what my dad you

1065

00:45:41,010 --> 00:45:37,780

know said he had you got to remember me

1066

00:45:43,620 --> 00:45:41,020

personally and I've said this before I

1067

00:45:46,650 --> 00:45:43,630

lean towards Joseph Farrell's

1068

00:45:49,380 --> 00:45:46,660

theory and I take a lot of crap from

1069

00:45:51,630 --> 00:45:49,390

that by the the et you know religion

1070

00:45:54,480 --> 00:45:51,640

true believers and the the people that

1071

00:45:57,000 --> 00:45:54,490

just anything but the the Nazis you know

1072

00:45:59,220 --> 00:45:57,010

there's people like that you know but I

1073

00:46:02,760 --> 00:45:59,230

I'm sorry I think Joseph Farrow makes

1074

00:46:04,590 --> 00:46:02,770

one hell of a good argument and presents

1075

00:46:07,290 --> 00:46:04,600

it well and it makes a lot of sense to

1076  
00:46:09,870 --> 00:46:07,300  
me know for those who haven't heard that

1077  
00:46:11,910 --> 00:46:09,880  
argument and we do plan to have Joseph

1078  
00:46:15,060 --> 00:46:11,920  
Farrow on the podcast sometime in the

1079  
00:46:18,410 --> 00:46:15,070  
near future what fundamentally basically

1080  
00:46:21,420 --> 00:46:18,420  
is his theory here Joseph

1081  
00:46:23,380 --> 00:46:21,430  
proposes that the Roswell incident had

1082  
00:46:25,509 --> 00:46:23,390  
to do with world

1083  
00:46:31,599 --> 00:46:25,519  
or two or a post-world War two ERA Nazi

1084  
00:46:33,730 --> 00:46:31,609  
technology that either was you know the

1085  
00:46:36,670 --> 00:46:33,740  
surviving Nazi organization whatever

1086  
00:46:42,460 --> 00:46:36,680  
that was itself flying this thing over

1087  
00:46:44,440 --> 00:46:42,470  
Roswell or possibly you know us with our

1088  
00:46:47,859 --> 00:46:44,450

German engineers that we had captured

1089

00:46:49,930 --> 00:46:47,869

from Germany developing and attempting

1090

00:46:54,039 --> 00:46:49,940

to use some of this technology ourselves

1091

00:46:56,470 --> 00:46:54,049

but that it was indeed very much a

1092

00:46:58,750 --> 00:46:56,480

technology that started right here on

1093

00:47:01,900 --> 00:46:58,760

earth with our own human engineers and

1094

00:47:03,640 --> 00:47:01,910

scientists and he presents you know he

1095

00:47:06,099 --> 00:47:03,650

points to it he presents a very good

1096

00:47:08,410 --> 00:47:06,109

argument you know most of the people I

1097

00:47:10,180 --> 00:47:08,420

most of the people not all but most of

1098

00:47:13,210 --> 00:47:10,190

the people I know that just vehemently

1099

00:47:15,250 --> 00:47:13,220

oppose it it comes down to well there's

1100

00:47:17,230 --> 00:47:15,260

no way because everybody knows they

1101  
00:47:20,049 --> 00:47:17,240  
weren't developing you know technology

1102  
00:47:21,730 --> 00:47:20,059  
like that in World War two okay when you

1103  
00:47:25,660 --> 00:47:21,740  
get into the everybody knows argument

1104  
00:47:27,430 --> 00:47:25,670  
you've lost me I just and a lot of

1105  
00:47:30,609 --> 00:47:27,440  
people who oppose Joseph's theory have

1106  
00:47:33,130 --> 00:47:30,619  
never read Joseph's books so I would

1107  
00:47:36,099 --> 00:47:33,140  
just say check them out I'm reading it

1108  
00:47:38,079 --> 00:47:36,109  
right now Russell on the Reich and I'm

1109  
00:47:39,940 --> 00:47:38,089  
still on the fence I'm still waiting for

1110  
00:47:42,309 --> 00:47:39,950  
him to make the case that really makes

1111  
00:47:44,079 --> 00:47:42,319  
me go oh my god he's you know he's got a

1112  
00:47:46,349 --> 00:47:44,089  
great case here but I'm gonna finish the

1113  
00:47:48,579 --> 00:47:46,359

book how far are you in the book uh

1114

00:47:51,009 --> 00:47:48,589

probably about a third of the way oh

1115

00:47:54,900 --> 00:47:51,019

yeah no no there's more to come you

1116

00:47:57,730 --> 00:47:54,910

y'all be surprised and more arguable

1117

00:48:00,910 --> 00:47:57,740

there's really good solid set there but

1118

00:48:03,220 --> 00:48:00,920

my point is I lean towards that even

1119

00:48:07,990 --> 00:48:03,230

with the story my dad told me I lean

1120

00:48:10,240 --> 00:48:08,000

towards Joseph's theory so I just want

1121

00:48:13,870 --> 00:48:10,250

everybody clear on where I stand on this

1122

00:48:17,859 --> 00:48:13,880

but my dad's story and his belief in it

1123

00:48:19,539 --> 00:48:17,869

was was so compelling to me that I you

1124

00:48:21,910 --> 00:48:19,549

know I felt it's worth sharing it's

1125

00:48:25,299 --> 00:48:21,920

worth getting out there in in the mix

1126

00:48:27,700 --> 00:48:25,309

because the ET hypothesis just ain't

1127

00:48:30,190 --> 00:48:27,710

answering the questions and hasn't been

1128

00:48:33,299 --> 00:48:30,200

for a while so we have to look you know

1129

00:48:35,320 --> 00:48:33,309

in in other ways at other directions

1130

00:48:37,780 --> 00:48:35,330

what do you do with that in

1131

00:48:39,400 --> 00:48:37,790

I mean what you've done with it just

1132

00:48:42,400 --> 00:48:39,410

kind of repeat it to people and take it

1133

00:48:44,140 --> 00:48:42,410

under advisement share it and well okay

1134

00:48:46,570 --> 00:48:44,150

let me let me throw something out to you

1135

00:48:48,370 --> 00:48:46,580

as far as any kind of verifier now Greg

1136

00:48:53,470 --> 00:48:48,380

you remember this because you were

1137

00:48:55,980 --> 00:48:53,480

present okay there was a gentleman that

1138

00:48:59,500 --> 00:48:55,990

I became acquainted with through Greg

1139

00:49:01,570 --> 00:48:59,510

the legendary and infamous bill Moore I

1140

00:49:03,810 --> 00:49:01,580

know there's Brewers and histories out

1141

00:49:07,930 --> 00:49:03,820

there right now as I mentioned that name

1142

00:49:09,580 --> 00:49:07,940

and we were talking one day at do pars I

1143

00:49:13,600 --> 00:49:09,590

believe they're at the farmers market

1144

00:49:15,340 --> 00:49:13,610

and I had told Bill this is when I first

1145

00:49:17,230 --> 00:49:15,350

met him Greg had told him a bit about me

1146

00:49:18,790 --> 00:49:17,240

and my dad's story so he agreed yeah

1147

00:49:22,300 --> 00:49:18,800

lets you know get together for lunch so

1148

00:49:25,170 --> 00:49:22,310

I told him a bit of my date I told him

1149

00:49:30,000 --> 00:49:25,180

my dad's story and he asked me he

1150

00:49:32,740 --> 00:49:30,010

suggested that I ask my dad

1151  
00:49:36,820 --> 00:49:32,750  
what the name of a particular individual

1152  
00:49:38,650 --> 00:49:36,830  
was okay now the point is that he asked

1153  
00:49:40,780 --> 00:49:38,660  
me to ask what the name was I'm not

1154  
00:49:42,220 --> 00:49:40,790  
gonna go into greater detail cuz I don't

1155  
00:49:44,710 --> 00:49:42,230  
think I'm at liberty to do so without

1156  
00:49:47,020 --> 00:49:44,720  
Bill here okay so I'm not gonna say the

1157  
00:49:49,390 --> 00:49:47,030  
name sorry folks but that's not the

1158  
00:49:54,850 --> 00:49:49,400  
point the point is he said ask your dad

1159  
00:49:57,130 --> 00:49:54,860  
if this individual you know was on that

1160  
00:49:58,390 --> 00:49:57,140  
plane so you see what happened was my

1161  
00:50:00,280 --> 00:49:58,400  
dad and the guys he was working with

1162  
00:50:02,140 --> 00:50:00,290  
back in Alabama that got on a plane at

1163  
00:50:03,820 --> 00:50:02,150

Gunnar Air Force Base and they were

1164

00:50:05,980 --> 00:50:03,830

flying to Texas they were suppose to be

1165

00:50:07,900 --> 00:50:05,990

going I think - I don't know if it's

1166

00:50:09,970 --> 00:50:07,910

Kelly or whatever but one of the basis

1167

00:50:12,430 --> 00:50:09,980

in Texas where the Intel stuff is and

1168

00:50:15,070 --> 00:50:12,440

somewhere you know over Louisiana the

1169

00:50:18,010 --> 00:50:15,080

plane takes a northward banking turn and

1170

00:50:20,500 --> 00:50:18,020

an Intel officer comes out and tells

1171

00:50:24,700 --> 00:50:20,510

some guys we're not going to Texas we're

1172

00:50:26,680 --> 00:50:24,710

going to Ohio and so anyway I you know

1173

00:50:28,930 --> 00:50:26,690

next time I got together with my dad I

1174

00:50:30,910 --> 00:50:28,940

know how to ask things I'm a federal

1175

00:50:32,650 --> 00:50:30,920

former federal criminal investigator so

1176

00:50:35,020 --> 00:50:32,660

I know how to slip stuff in and do it in

1177

00:50:36,850 --> 00:50:35,030

a way that it doesn't feed anything and

1178

00:50:39,640 --> 00:50:36,860

so you know the next time I was with my

1179

00:50:43,000 --> 00:50:39,650

dad a few days later I you know I did

1180

00:50:45,010 --> 00:50:43,010

the old hey cuz he had never told me the

1181

00:50:47,390 --> 00:50:45,020

person's name but I kind of fitted in

1182

00:50:49,250 --> 00:50:47,400

there's like hey you know remember

1183

00:50:51,079 --> 00:50:49,260

you know when the you were on the plane

1184

00:50:53,690 --> 00:50:51,089

and you were being told you know hi Oh

1185

00:50:57,260 --> 00:50:53,700

what what was that guy's name you

1186

00:51:00,019 --> 00:50:57,270

mentioned it and he just rattled the

1187

00:51:01,640 --> 00:51:00,029

name right off the name in the ring the

1188

00:51:04,099 --> 00:51:01,650

same the intelligence officer on the

1189

00:51:06,529 --> 00:51:04,109

plane you mean yes and it was the same

1190

00:51:08,269 --> 00:51:06,539

name that bill and I'd never heard the

1191

00:51:10,700 --> 00:51:08,279

name before ever in the years my dad

1192

00:51:12,710 --> 00:51:10,710

told the story and ever in my life and

1193

00:51:15,049 --> 00:51:12,720

I'll be damned if you know two days

1194

00:51:17,089 --> 00:51:15,059

later you know I asked why I did it in a

1195

00:51:18,380 --> 00:51:17,099

way but I acted like he had told me

1196

00:51:20,539 --> 00:51:18,390

before but he hadn't

1197

00:51:23,240 --> 00:51:20,549

and he just rattled it off and it was

1198

00:51:27,589 --> 00:51:23,250

the same name that bill had told me to

1199

00:51:30,380 --> 00:51:27,599

ask him about and I you know where I'm

1200

00:51:33,019 --> 00:51:30,390

coming from my perspective that to me is

1201  
00:51:35,450 --> 00:51:33,029  
something I I don't know how bill knew

1202  
00:51:37,730 --> 00:51:35,460  
that name you know I don't know where it

1203  
00:51:39,740 --> 00:51:37,740  
came from for him but what I thought was

1204  
00:51:41,720 --> 00:51:39,750  
interesting is my dad who doesn't know

1205  
00:51:46,400 --> 00:51:41,730  
didn't know Bill Moore at all never met

1206  
00:51:50,329 --> 00:51:46,410  
him didn't know he was you know out pops

1207  
00:51:53,210 --> 00:51:50,339  
that name so that was that was one of

1208  
00:51:54,980 --> 00:51:53,220  
the few anythings pieces of this that I

1209  
00:51:57,620 --> 00:51:54,990  
could ever say well you know for those

1210  
00:52:00,230 --> 00:51:57,630  
who by golly gotta have some type of

1211  
00:52:01,760 --> 00:52:00,240  
verifier I think at the moment off the

1212  
00:52:05,630 --> 00:52:01,770  
top of my head that's the closest I can

1213  
00:52:07,760 --> 00:52:05,640

come to it for that verifier meaning

1214

00:52:09,529 --> 00:52:07,770

that your father's sort of would have it

1215

00:52:12,019 --> 00:52:09,539

clues it's what he was talking about did

1216

00:52:17,120 --> 00:52:12,029

you at this plane fly it was and when it

1217

00:52:19,519 --> 00:52:17,130

was to whom on the show just now oh yeah

1218

00:52:22,519 --> 00:52:19,529

I thought I just did it was my dad was

1219

00:52:27,980 --> 00:52:22,529

they were going to Texas on what they

1220

00:52:31,069 --> 00:52:27,990

thought was you know one oh not a

1221

00:52:34,700 --> 00:52:31,079

deployment but TDY you know a TDY to

1222

00:52:36,589 --> 00:52:34,710

another base and yes I did describe it

1223

00:52:38,599 --> 00:52:36,599

were then instead of going to Texas they

1224

00:52:42,200 --> 00:52:38,609

went to Ohio yes but when was this

1225

00:52:45,680 --> 00:52:42,210

flight what days was in the late 50s I'd

1226

00:52:48,099 --> 00:52:45,690

have to look at his dd-214 to to it I

1227

00:52:51,789 --> 00:52:48,109

think 1957

1228

00:52:55,390 --> 00:52:51,799

okay what is that DD 215 is it DD 214

1229

00:52:57,640 --> 00:52:55,400

are these e 214 is what it is a standard

1230

00:52:59,170 --> 00:52:57,650

discharge paper that gives you the

1231

00:53:00,729 --> 00:52:59,180

basics that says yeah you were in the

1232

00:53:02,829 --> 00:53:00,739

service from these dates to that dates

1233

00:53:04,569 --> 00:53:02,839

and it would tell me the date he got out

1234

00:53:06,279 --> 00:53:04,579

it was a year it was about a year before

1235

00:53:07,870 --> 00:53:06,289

he got out it was in the year before he

1236

00:53:12,239 --> 00:53:07,880

got out and I believe he got out in 58

1237

00:53:15,459 --> 00:53:12,249

and this happened in 57 and so it was

1238

00:53:18,880 --> 00:53:15,469

1957 and you know ten years after

1239

00:53:20,049 --> 00:53:18,890

Roswell and he went to Ohio and they

1240

00:53:21,789 --> 00:53:20,059

were briefed in on what their mission

1241

00:53:23,859 --> 00:53:21,799

was really about they were briefed in on

1242

00:53:25,569 --> 00:53:23,869

Roswell and then off to Arizona they

1243

00:53:27,670 --> 00:53:25,579

went according okay but obviously this

1244

00:53:29,469 --> 00:53:27,680

experience flies in the face of what

1245

00:53:31,959 --> 00:53:29,479

Joseph Ferrell says because he's talking

1246

00:53:33,549 --> 00:53:31,969

about Nazis and Nazi type invention

1247

00:53:36,819 --> 00:53:33,559

involvement it would seem so

1248

00:53:44,380 --> 00:53:36,829

okay it would seem so okay just trying

1249

00:53:46,569 --> 00:53:44,390

to kind of clarify that now you're okay

1250

00:53:49,299 --> 00:53:46,579

maybe there are a couple of different

1251

00:53:51,160 --> 00:53:49,309

explanations here but let's look at your

1252

00:53:53,739 --> 00:53:51,170

father's experiences in more detail okay

1253

00:53:54,789 --> 00:53:53,749

so he was discharged the following year

1254

00:53:58,599 --> 00:53:54,799

yes

1255

00:54:02,170 --> 00:53:58,609

okay now the honorably discharged I will

1256

00:54:04,660 --> 00:54:02,180

add right but he had a later experience

1257

00:54:06,939 --> 00:54:04,670

he went back into service or what no

1258

00:54:08,620 --> 00:54:06,949

this all the stuff I'm telling you

1259

00:54:10,689 --> 00:54:08,630

happened in his last year of service

1260

00:54:14,859 --> 00:54:10,699

okay okay just clarifying the date

1261

00:54:18,640 --> 00:54:14,869

structure okay now then nobody came to

1262

00:54:21,099 --> 00:54:18,650

him said listen man you can't tell your

1263

00:54:24,459 --> 00:54:21,109

family you don't want anyone else to

1264

00:54:28,449 --> 00:54:24,469

know about this it's top secret whatever

1265

00:54:30,789 --> 00:54:28,459

oh I'm sure he got the security briefing

1266

00:54:33,939 --> 00:54:30,799

and signed this out of the other but he

1267

00:54:36,910 --> 00:54:33,949

didn't start even hinting at it until

1268

00:54:38,979 --> 00:54:36,920

you know about 20 years after he got out

1269

00:54:40,870 --> 00:54:38,989

of the service and then by the time you

1270

00:54:42,910 --> 00:54:40,880

know I got the full details he he'll

1271

00:54:47,309 --> 00:54:42,920

he'd been out of the service you know

1272

00:54:52,689 --> 00:54:47,319

going on 50 years 40 you know 40 years

1273

00:54:54,519 --> 00:54:52,699

you know over 40 years so you know after

1274

00:54:56,260 --> 00:54:54,529

a while after so many years something

1275

00:54:58,120 --> 00:54:56,270

that extraordinary I met

1276

00:55:02,290 --> 00:54:58,130

and you gotta remember he's telling me

1277

00:55:06,640 --> 00:55:02,300

his son who by the way since 1988 has

1278

00:55:11,290 --> 00:55:06,650

had a top secret clearance beyond top

1279

00:55:12,850 --> 00:55:11,300

secret so you know may I

1280

00:55:16,240 --> 00:55:12,860

maybe he felt comfortable you know

1281

00:55:18,220 --> 00:55:16,250

telling me and there you go that's all I

1282

00:55:20,890 --> 00:55:18,230

can say about that I understand and

1283

00:55:22,930 --> 00:55:20,900

since you had the Fate article published

1284

00:55:24,700 --> 00:55:22,940

your employer didn't come to you and say

1285

00:55:31,720 --> 00:55:24,710

Walter why'd you do that

1286

00:55:33,580 --> 00:55:31,730

nope okay not at all and you know I - he

1287

00:55:36,040 --> 00:55:33,590

wasn't telling me everything I mean

1288

00:55:38,650 --> 00:55:36,050

there were always felt that there was

1289

00:55:41,370 --> 00:55:38,660

you know he was just telling me you know

1290

00:55:44,860 --> 00:55:41,380

what what he felt comfortable telling

1291

00:55:49,300 --> 00:55:44,870

you no of course there was you know more

1292

00:55:50,140 --> 00:55:49,310

to it I I would say but but but it is

1293

00:55:52,030 --> 00:55:50,150

what it is

1294

00:55:56,230 --> 00:55:52,040

you know it's it's what he told me I

1295

00:55:58,060 --> 00:55:56,240

measured his demeanor and and other what

1296

00:56:03,220 --> 00:55:58,070

we call indicators you know as he would

1297

00:56:07,270 --> 00:56:03,230

tell me each time and you know he he

1298

00:56:11,590 --> 00:56:07,280

certainly believes what he was telling

1299

00:56:16,330 --> 00:56:11,600

me actually happened we all think it was

1300

00:56:19,540 --> 00:56:16,340

some kind of psyops that oh it's it's is

1301

00:56:22,900 --> 00:56:19,550

that possible sure why not why not I

1302

00:56:24,730 --> 00:56:22,910

mean why not if if they want to cover up

1303

00:56:26,920 --> 00:56:24,740

the real story you know they could have

1304

00:56:30,730 --> 00:56:26,930

poured this stuff into his head what

1305

00:56:32,650 --> 00:56:30,740

using hypnosis maybe or whatever you

1306

00:56:35,770 --> 00:56:32,660

know and this was the cover story and so

1307

00:56:37,660 --> 00:56:35,780

that when you know he would get itchy

1308

00:56:40,180 --> 00:56:37,670

and start wanting to talk about it he

1309

00:56:41,590 --> 00:56:40,190

would give the cover story instead of

1310

00:56:46,930 --> 00:56:41,600

the truth who knows that you know that's

1311

00:56:49,870 --> 00:56:46,940

that's possible I just I don't know I

1312

00:56:52,360 --> 00:56:49,880

have no evidence and if never really

1313

00:56:54,130 --> 00:56:52,370

said I've had any evidence you know so

1314

00:56:55,720 --> 00:56:54,140

no I appreciate that what about the

1315

00:56:57,690 --> 00:56:55,730

other members of your family what do

1316

00:57:03,600 --> 00:56:57,700

they think of all this

1317

00:57:06,780 --> 00:57:03,610

um it's it's it's interesting my my mom

1318

00:57:10,410 --> 00:57:06,790

and my sisters there you know I have one

1319

00:57:12,120 --> 00:57:10,420

sister that's kind of you know kinda

1320

00:57:14,400 --> 00:57:12,130

finds it interesting but she's a little

1321

00:57:16,410 --> 00:57:14,410

bit skittish on the weird and the

1322

00:57:17,550 --> 00:57:16,420

strange and extraordinary phenomena

1323

00:57:19,230 --> 00:57:17,560

she's a little more traditional

1324

00:57:22,020 --> 00:57:19,240

interviews on that and then the other

1325

00:57:24,360 --> 00:57:22,030

two my mom and my oldest sister they're

1326

00:57:26,940 --> 00:57:24,370

kind of they just don't say much about

1327

00:57:30,270 --> 00:57:26,950

it they don't really you know discuss it

1328

00:57:33,060 --> 00:57:30,280

too deeply they don't get into it it's

1329

00:57:36,530 --> 00:57:33,070

not something that grabs them they don't

1330

00:57:44,000 --> 00:57:36,540

know what to think about it I think so

1331

00:57:46,860 --> 00:57:44,010

what do they think about you and well

1332

00:57:50,580 --> 00:57:46,870

they all have from what I hear the

1333

00:57:52,530 --> 00:57:50,590

highest opinion of me you know the the

1334

00:57:56,700 --> 00:57:52,540

things I've done and accomplished you

1335

00:57:58,080 --> 00:57:56,710

know they they don't they don't they

1336

00:57:59,760 --> 00:57:58,090

don't brush it off they don't say oh

1337

00:58:01,350 --> 00:57:59,770

that Walter I mean yeah they're you know

1338

00:58:02,940 --> 00:58:01,360

they say oh that Walter for other

1339

00:58:04,440 --> 00:58:02,950

reasons because you know I mean come on

1340

00:58:07,290 --> 00:58:04,450

I'm the youngest kid and the only boy in

1341

00:58:08,760 --> 00:58:07,300

the family so I was the little prince so

1342

00:58:13,500 --> 00:58:08,770

you know I've got a confidence level

1343

00:58:14,940 --> 00:58:13,510

that I think it fools people sometimes

1344

00:58:17,130 --> 00:58:14,950

what how I might begin

1345

00:58:19,790 --> 00:58:17,140

people assume sometimes my confidence

1346

00:58:22,770 --> 00:58:19,800

level isn't as high as it actually is

1347

00:58:24,990 --> 00:58:22,780

but as far as this stuff goes they're

1348

00:58:26,850 --> 00:58:25,000

you know they don't act like or talk

1349

00:58:31,710 --> 00:58:26,860

behind my back like you know Walter's

1350

00:58:34,050 --> 00:58:31,720

crazy I think they they just don't know

1351  
00:58:37,170 --> 00:58:34,060  
what to say because they know that I'm

1352  
00:58:39,870 --> 00:58:37,180  
not crazy yeah here's the thing

1353  
00:58:41,610 --> 00:58:39,880  
in the career I had you are constantly

1354  
00:58:43,980 --> 00:58:41,620  
as you advance through stages you're

1355  
00:58:46,350 --> 00:58:43,990  
given psychological batteries you're

1356  
00:58:48,120 --> 00:58:46,360  
looked at and tested psychologically in

1357  
00:58:49,920 --> 00:58:48,130  
many ways that you know about then

1358  
00:58:51,180 --> 00:58:49,930  
there's ways that they're doing it that

1359  
00:58:54,660 --> 00:58:51,190  
you don't know you're not aware that

1360  
00:58:56,790 --> 00:58:54,670  
they're doing it and you know I got

1361  
00:58:59,100 --> 00:58:56,800  
every position I applied for to in

1362  
00:59:01,890 --> 00:58:59,110  
advanced of everywhere I you know was

1363  
00:59:03,030 --> 00:59:01,900

supposed to advance and I was you know

1364

00:59:05,130 --> 00:59:03,040

put in charge of and given

1365

00:59:09,810 --> 00:59:05,140

responsibility for some pretty sensitive

1366

00:59:10,390 --> 00:59:09,820

things and I'll tell you if there's some

1367

00:59:12,700 --> 00:59:10,400

problem

1368

00:59:14,620 --> 00:59:12,710

they're on the psychological level yeah

1369

00:59:16,359 --> 00:59:14,630

you're not gonna get the posts I got

1370

00:59:18,880 --> 00:59:16,369

you're not gonna get the clearance I

1371

00:59:22,930 --> 00:59:18,890

have you're not gonna you're just not

1372

00:59:25,500 --> 00:59:22,940

gonna go the places I went if you've got

1373

00:59:28,839 --> 00:59:25,510

those problems and as I've said before I

1374

00:59:31,059 --> 00:59:28,849

started having extraordinary experiences

1375

00:59:33,220 --> 00:59:31,069

you know in my teen years I mean this

1376  
00:59:34,569 --> 00:59:33,230  
was going on before I ever started work

1377  
00:59:36,099 --> 00:59:34,579  
for the FBI and how was I doing radio

1378  
00:59:39,430 --> 00:59:36,109  
shows and writing articles about it

1379  
00:59:41,769 --> 00:59:39,440  
no but the point is if this were some

1380  
00:59:43,510 --> 00:59:41,779  
psychological predisposition you know

1381  
00:59:46,390 --> 00:59:43,520  
some what I'd call a psychological

1382  
00:59:48,250 --> 00:59:46,400  
problem or issue my point is whether I

1383  
00:59:49,779 --> 00:59:48,260  
was talking about it publicly it would

1384  
00:59:52,359 --> 00:59:49,789  
have come up on these on these

1385  
00:59:54,670 --> 00:59:52,369  
measurements okay I understand bad we'll

1386  
00:59:57,279 --> 00:59:54,680  
have to get to them in part 2 we have

1387  
01:00:00,130 --> 00:59:57,289  
Walter Bosley our co-host is Greg Bishop

1388  
01:00:05,740 --> 01:00:00,140

we'll have more on the other side of the

1389

01:00:07,390 --> 01:00:05,750

power cast we want to hear from you if

1390

01:00:10,599 --> 01:00:07,400

you have a comment or question about the

1391

01:00:14,559 --> 01:00:10,609

podcast send it to news at the podcast

1392

01:00:16,539 --> 01:00:14,569

com that's news at the podcast calm and

1393

01:00:18,250 --> 01:00:16,549

don't forget to visit our forums where

1394

01:00:20,799 --> 01:00:18,260

you can talk to fellow listeners just go

1395

01:00:23,260 --> 01:00:20,809

to the para cast comm and click on the

1396

01:00:31,920 --> 01:00:23,270

forum links that's the forum links at

1397

01:00:31,930 --> 01:00:38,380

welcome back to the parent house

1398

01:00:44,000 --> 01:00:41,390

Greg Bishop is the co-host Walter Bosley

1399

01:00:46,070 --> 01:00:44,010

returning we're exploring in more detail

1400

01:00:48,710 --> 01:00:46,080

some of the things that he touched on

1401

01:00:50,450 --> 01:00:48,720

and is first actually his third

1402

01:00:52,070 --> 01:00:50,460

appearance on the power cast at first of

1403

01:00:55,580 --> 01:00:52,080

course was when we were talking about

1404

01:00:56,960 --> 01:00:55,590

theories with regard to UFOs from under

1405

01:00:58,940 --> 01:00:56,970

the surface of the earth for crypto

1406

01:01:01,100 --> 01:00:58,950

terrestrials then the second episode

1407

01:01:03,320 --> 01:01:01,110

with Greg we talk more about his

1408

01:01:05,690 --> 01:01:03,330

personal experiences and now we're

1409

01:01:07,550 --> 01:01:05,700

exploring more details about what

1410

01:01:09,410 --> 01:01:07,560

happened to his father now you wrote the

1411

01:01:12,740 --> 01:01:09,420

article for fate magazine about five

1412

01:01:15,560 --> 01:01:12,750

years ago now since then have you gotten

1413

01:01:18,170 --> 01:01:15,570

any letters or information from the

1414

01:01:20,540 --> 01:01:18,180

people who read an article saying I got

1415

01:01:26,420 --> 01:01:20,550

more information I got this I got that

1416

01:01:28,660 --> 01:01:26,430

whatever no I I've had more you know

1417

01:01:32,240 --> 01:01:28,670

I've had a few emails from people who

1418

01:01:34,640 --> 01:01:32,250

have said they they that their

1419

01:01:38,780 --> 01:01:34,650

experience oh the experience they would

1420

01:01:41,990 --> 01:01:38,790

relate is not really anything that no

1421

01:01:45,190 --> 01:01:42,000

that would corroborate or add anything

1422

01:01:48,770 --> 01:01:45,200

to that experience it was more you know

1423

01:01:51,650 --> 01:01:48,780

similar in a very vague or distant way

1424

01:01:54,220 --> 01:01:51,660

but but to to answer your question you

1425

01:01:58,610 --> 01:01:54,230

know straight as possible no not really

1426

01:02:00,260 --> 01:01:58,620

okay so it may have at least put the

1427

01:02:02,600 --> 01:02:00,270

information out there but it didn't

1428

01:02:06,140 --> 01:02:02,610

bring you anything you could investigate

1429

01:02:07,940 --> 01:02:06,150

or follow up no other than the stuff

1430

01:02:11,240 --> 01:02:07,950

that had been out there you know

1431

01:02:14,150 --> 01:02:11,250

throughout history about you know other

1432

01:02:16,160 --> 01:02:14,160

aces lost races lost civilizations and

1433

01:02:18,560 --> 01:02:16,170

and how they're very often tied to the

1434

01:02:22,040 --> 01:02:18,570

underground you know throughout the the

1435

01:02:23,450 --> 01:02:22,050

lore through history I think the first

1436

01:02:25,370 --> 01:02:23,460

time I was on your show I said

1437

01:02:27,890 --> 01:02:25,380

throughout history there have been these

1438

01:02:29,690 --> 01:02:27,900

stories and legends and somebody one of

1439

01:02:31,550 --> 01:02:29,700

the naysayers took test to that history

1440

01:02:33,050 --> 01:02:31,560

history I don't see that recorded in the

1441

01:02:35,090 --> 01:02:33,060

history of plenty the old you know blah

1442

01:02:39,170 --> 01:02:35,100

blah blah it's like I said the lore

1443

01:02:41,900 --> 01:02:39,180

throughout history you know you got to

1444

01:02:45,740 --> 01:02:41,910

listen to what what people say sometimes

1445

01:02:48,710 --> 01:02:45,750

a little closer once a day yeah you know

1446

01:02:50,870 --> 01:02:48,720

but throughout history there has been

1447

01:02:55,160 --> 01:02:50,880

lore there have been accounts

1448

01:02:58,220 --> 01:02:55,170

of very you know similar things but I

1449

01:03:00,140 --> 01:02:58,230

haven't heard anything you know it's I I

1450

01:03:01,940 --> 01:03:00,150

guess fate magazine had neither because

1451

01:03:03,950 --> 01:03:01,950

they put the article in their hardcover

1452

01:03:06,049 --> 01:03:03,960

best of Roswell you know presenting all

1453

01:03:08,059 --> 01:03:06,059

their different theories and stuff they

1454

01:03:10,880 --> 01:03:08,069

felt it was you know unique enough that

1455

01:03:12,920 --> 01:03:10,890

they put it in there and I you know I

1456

01:03:14,569 --> 01:03:12,930

haven't heard anything quite exactly

1457

01:03:16,579 --> 01:03:14,579

like it other than you know there are

1458

01:03:19,370 --> 01:03:16,589

stories about these battles between Blue

1459

01:03:22,390 --> 01:03:19,380

Team Delta and evil aliens and stuff but

1460

01:03:25,249 --> 01:03:22,400

that's that's more in the eg hypothesis

1461

01:03:27,890 --> 01:03:25,259

basket but it is technically you know

1462

01:03:30,680 --> 01:03:27,900

subterranean so I guess some people

1463

01:03:32,539 --> 01:03:30,690

might associate it well certainly if

1464

01:03:35,120 --> 01:03:32,549

another race didn't want you to know

1465

01:03:37,039 --> 01:03:35,130

they were here they might pretend or

1466

01:03:38,599 --> 01:03:37,049

give people the impression they were

1467

01:03:40,160 --> 01:03:38,609

from out there of this way you don't

1468

01:03:42,920 --> 01:03:40,170

look in the right place they miss

1469

01:03:44,660 --> 01:03:42,930

director well look if you're underground

1470

01:03:46,339 --> 01:03:44,670

and you don't want to be seen where are

1471

01:03:47,480 --> 01:03:46,349

you gonna tell people to look look up in

1472

01:03:50,749 --> 01:03:47,490

the sky right

1473

01:03:54,140 --> 01:03:50,759

I mean it's sleight of hand bird it's a

1474

01:03:56,150 --> 01:03:54,150

plane it's et yeah you know if you're

1475

01:03:57,769 --> 01:03:56,160

under their feet and you don't want them

1476

01:03:59,569 --> 01:03:57,779

to be looking to close at you under

1477

01:04:01,220 --> 01:03:59,579

their feet then you're gonna tell them

1478

01:04:03,079 --> 01:04:01,230

look above their head look in the sky

1479

01:04:06,230 --> 01:04:03,089

and and you know if that's what they've

1480

01:04:08,329 --> 01:04:06,240

been doing boy it's working because and

1481

01:04:10,309 --> 01:04:08,339

here's what I find interesting not just

1482

01:04:12,319 --> 01:04:10,319

on this but on the other issue that got

1483

01:04:14,539 --> 01:04:12,329

people spun up you know I've talked

1484

01:04:17,269 --> 01:04:14,549

about a lot of things you know they're

1485

01:04:19,309 --> 01:04:17,279

they're the the one issue was the one

1486

01:04:23,420 --> 01:04:19,319

there that seemed to get people spun up

1487

01:04:25,220 --> 01:04:23,430

the most but on the the UFO issue you

1488

01:04:27,410 --> 01:04:25,230

know it really there's something about

1489

01:04:29,240 --> 01:04:27,420

the subterranean issue or the hidden

1490

01:04:31,789 --> 01:04:29,250

civilization the crypto terrestrial that

1491

01:04:35,480 --> 01:04:31,799

that some people it just really irks

1492

01:04:37,730 --> 01:04:35,490

them it really burns them and I just I

1493

01:04:39,499 --> 01:04:37,740

find that interesting because a lot of

1494

01:04:41,329 --> 01:04:39,509

times not in every case but a lot of

1495

01:04:42,589 --> 01:04:41,339

times you talk to these people and you

1496

01:04:46,160 --> 01:04:42,599

find the other things that they're

1497

01:04:48,349 --> 01:04:46,170

willing to buy and I just want to I just

1498

01:04:50,450 --> 01:04:48,359

want to kind of laugh and go wait a

1499

01:04:52,849 --> 01:04:50,460

minute you buy this this and this but

1500

01:04:55,370 --> 01:04:52,859

you pointed this other thing and you say

1501

01:04:58,519 --> 01:04:55,380

oh that's a bunch of hogwash it really

1502

01:05:00,769 --> 01:04:58,529

gets to be silly when you talk about an

1503

01:05:02,900 --> 01:05:00,779

audience of any venue that talks about

1504

01:05:03,530 --> 01:05:02,910

the paranormal or any extraordinary

1505

01:05:06,020 --> 01:05:03,540

phenomena

1506

01:05:12,410 --> 01:05:06,030

any degree and you got people that are

1507

01:05:14,870 --> 01:05:12,420

real just real agitated in the Hema Lee

1508

01:05:17,360 --> 01:05:14,880

opposed to something but you know hey

1509

01:05:19,880 --> 01:05:17,370

you know they buy into chupacabra

1510

01:05:22,040 --> 01:05:19,890

Bigfoot you know or whatever and not to

1511

01:05:23,720 --> 01:05:22,050

put those down but the point is folks

1512

01:05:27,170 --> 01:05:23,730

we're all kind of swimming in the same

1513

01:05:29,600 --> 01:05:27,180

pool here and it's kind of like you know

1514

01:05:30,470 --> 01:05:29,610

one nut in the asylum calling another

1515

01:05:33,170 --> 01:05:30,480

nut crazy

1516

01:05:35,060 --> 01:05:33,180

I'd like Jack Nicholson talking to the

1517

01:05:37,670 --> 01:05:35,070

other crazy people in One Flew Over the

1518

01:05:39,830 --> 01:05:37,680

Cuckoo's Nest maybe hey let me ask you a

1519

01:05:43,010 --> 01:05:39,840

few other questions about this all right

1520

01:05:46,400 --> 01:05:43,020

so does Walter Bosley believe there is

1521

01:05:46,880 --> 01:05:46,410

an et out there yes maybe he's coming

1522

01:05:53,450 --> 01:05:46,890

here

1523

01:05:55,520 --> 01:05:53,460

all along and will continue to do so you

1524

01:05:57,620 --> 01:05:55,530

say well gene said eet and then Walter

1525

01:06:02,140 --> 01:05:57,630

said yes do you mean extraterrestrial

1526

01:06:05,330 --> 01:06:02,150

are just not human extraterrestrial I

1527

01:06:07,790 --> 01:06:05,340

think that I believe that that there's

1528

01:06:10,280 --> 01:06:07,800

you know other extraterrestrial races

1529

01:06:15,320 --> 01:06:10,290

living on literally other planets and

1530

01:06:18,680 --> 01:06:15,330

they cross space to to come here to go

1531

01:06:22,370 --> 01:06:18,690

other places yes I do believe that what

1532

01:06:24,890 --> 01:06:22,380

is there about the evidence for et that

1533

01:06:26,330 --> 01:06:24,900

encourages that belief well there

1534

01:06:28,130 --> 01:06:26,340

because I'm trying to separate this from

1535

01:06:31,190 --> 01:06:28,140

the theory of the crypto terrestrials

1536

01:06:33,590 --> 01:06:31,200

okay okay there's been enough sightings

1537

01:06:37,700 --> 01:06:33,600

that you know we that can't be explained

1538

01:06:39,260 --> 01:06:37,710

through conventional means that you know

1539

01:06:41,420 --> 01:06:39,270

that when you get into the details of

1540

01:06:44,810 --> 01:06:41,430

the sighting you know it came it came

1541

01:06:47,660 --> 01:06:44,820

from outer space there have been you

1542

01:06:49,610 --> 01:06:47,670

know enough things in my opinion that

1543

01:06:52,760 --> 01:06:49,620

appear to have been found on the moon on

1544

01:06:56,780 --> 01:06:52,770

Mars and such that indicate you know and

1545

01:06:58,640 --> 01:06:56,790

intelligence you know has been there if

1546

01:07:00,530 --> 01:06:58,650

not you know isn't still there

1547

01:07:02,330 --> 01:07:00,540

okay let's pursue that for a second okay

1548

01:07:03,830 --> 01:07:02,340

things found are you talking about this

1549

01:07:06,050 --> 01:07:03,840

stuff that someone like that Richard

1550

01:07:07,780 --> 01:07:06,060

Hoagland brings out about possible

1551

01:07:10,160 --> 01:07:07,790

artifacts on the moon and on Mars

1552

01:07:11,270 --> 01:07:10,170

Hoagland's not the only one but yeah

1553

01:07:13,310 --> 01:07:11,280

when you're talking you know there's

1554

01:07:13,900 --> 01:07:13,320

been several people that point to you

1555

01:07:15,789 --> 01:07:13,910

know pasta

1556

01:07:19,180 --> 01:07:15,799

artifacts that you know it's kind of a

1557

01:07:24,190 --> 01:07:19,190

it's not entirely explainable by you

1558

01:07:26,020 --> 01:07:24,200

know photographic phenomena yeah you

1559

01:07:29,079 --> 01:07:26,030

know you like to face on Mars

1560

01:07:31,059 --> 01:07:29,089

well not just the face on Mars the

1561

01:07:33,490 --> 01:07:31,069

things on the moon and in the various

1562

01:07:34,539 --> 01:07:33,500

things I don't want to yeah like that

1563

01:07:35,829 --> 01:07:34,549

yeah but I don't

1564

01:07:37,660 --> 01:07:35,839

okay well let's see how this is a

1565

01:07:40,120 --> 01:07:37,670

fascinating subject we haven't touched

1566

01:07:42,819 --> 01:07:40,130

upon and since the door is open let's

1567

01:07:45,700 --> 01:07:42,829

step through it and let's look at the

1568

01:07:47,529 --> 01:07:45,710

anomalies on the moon and we've had not

1569

01:07:50,289 --> 01:07:47,539

much coverage of anomalies on the moon

1570

01:07:52,990 --> 01:07:50,299

here I mean we address them in some ways

1571

01:07:56,200 --> 01:07:53,000

when we talk to the late Mac Tony's and

1572

01:07:59,500 --> 01:07:56,210

then in an episode we had with Don Ecker

1573

01:08:01,660 --> 01:07:59,510

and Bob caveat we touched upon some of

1574

01:08:04,630 --> 01:08:01,670

the Moon anomalies what do you see

1575

01:08:06,730 --> 01:08:04,640

that's anomalous in anything that we've

1576

01:08:08,859 --> 01:08:06,740

presented publicly in terms of

1577

01:08:11,289 --> 01:08:08,869

photographs or evidence from the moon

1578

01:08:14,319 --> 01:08:11,299

you mean when you say we you mean

1579

01:08:16,720 --> 01:08:14,329

official NASA or just anybody anybody

1580

01:08:18,789 --> 01:08:16,730

but I assume official NASA starts with

1581

01:08:20,769 --> 01:08:18,799

it since you know they sent the probes

1582

01:08:25,180 --> 01:08:20,779

we were there I hope we were there yeah

1583

01:08:27,579 --> 01:08:25,190

well I like I think we were there i we

1584

01:08:31,300 --> 01:08:27,589

we went to the moon I think if anything

1585

01:08:33,910 --> 01:08:31,310

we're just simply again this is my

1586

01:08:35,860 --> 01:08:33,920

opinion based on you know experience or

1587

01:08:38,470 --> 01:08:35,870

you know what studies I've done and

1588

01:08:40,269 --> 01:08:38,480

based on studying the work of others I

1589

01:08:43,150 --> 01:08:40,279

am NOT an expert on this by the way I'm

1590

01:08:45,669 --> 01:08:43,160

just you know very much you know a

1591

01:08:48,099 --> 01:08:45,679

student of these things I'm not the

1592

01:08:49,840 --> 01:08:48,109

expert on this stuff but what I've seen

1593

01:08:53,349 --> 01:08:49,850

and what I've studied and what has been

1594

01:08:55,530 --> 01:08:53,359

presented and and and what I know how

1595

01:08:58,479 --> 01:08:55,540

the government works and what I know how

1596

01:09:02,530 --> 01:08:58,489

you know something how classified

1597

01:09:04,599 --> 01:09:02,540

projects work I do not believe that we

1598

01:09:07,090 --> 01:09:04,609

were told everything that was found on

1599

01:09:08,680 --> 01:09:07,100

the moon I and that doesn't bother me

1600

01:09:11,530 --> 01:09:08,690

that doesn't keep me up late at night it

1601  
01:09:14,260 --> 01:09:11,540  
doesn't piss me off I mean come on you

1602  
01:09:16,479 --> 01:09:14,270  
know they went up there and you know

1603  
01:09:18,970 --> 01:09:16,489  
NASA most people don't realize it but

1604  
01:09:21,430 --> 01:09:18,980  
NASA has very much a national defense

1605  
01:09:23,200 --> 01:09:21,440  
aspect to its mission and you know we

1606  
01:09:24,849 --> 01:09:23,210  
sent our guys up there and I wouldn't

1607  
01:09:26,360 --> 01:09:24,859  
expect that if they found certain things

1608  
01:09:28,790 --> 01:09:26,370  
until they knew how they wanted to

1609  
01:09:30,620 --> 01:09:28,800  
and a little if it served a strategic

1610  
01:09:32,180 --> 01:09:30,630  
purpose you know I would fully expect

1611  
01:09:34,310 --> 01:09:32,190  
that they would keep some things from us

1612  
01:09:36,620 --> 01:09:34,320  
I I think it would been very easy for

1613  
01:09:38,630 --> 01:09:36,630

them to keep things from us I am NOT one

1614

01:09:40,550 --> 01:09:38,640

of those who believes the government is

1615

01:09:43,310 --> 01:09:40,560

so incompetent they can't keep a secret

1616

01:09:45,490 --> 01:09:43,320

to me that's ridiculous

1617

01:09:48,050 --> 01:09:45,500

they can keep a secret if they want to

1618

01:09:51,940 --> 01:09:48,060

and I've argued that point a lot of

1619

01:09:55,790 --> 01:09:51,950

places but that's what I think about our

1620

01:09:59,150 --> 01:09:55,800

Apollo program I think it's very easy

1621

01:10:02,270 --> 01:09:59,160

for I I do think we have you know a

1622

01:10:05,630 --> 01:10:02,280

secret space program secret in that yeah

1623

01:10:08,540 --> 01:10:05,640

I think the Air Force very easily can be

1624

01:10:10,280 --> 01:10:08,550

sending bodies up into space any old

1625

01:10:13,370 --> 01:10:10,290

time they want to without the public

1626

01:10:16,040 --> 01:10:13,380

knowing it and you know it would

1627

01:10:18,440 --> 01:10:16,050

surprise me if we hadn't been but

1628

01:10:20,780 --> 01:10:18,450

typically the space program is basically

1629

01:10:22,790 --> 01:10:20,790

been going to help in a branch and

1630

01:10:25,130 --> 01:10:22,800

you've cutback in the budget there's a

1631

01:10:27,650 --> 01:10:25,140

lot of controversy over the way we're

1632

01:10:29,450 --> 01:10:27,660

treating future space programs but that

1633

01:10:31,160 --> 01:10:29,460

would be the public space program so you

1634

01:10:33,700 --> 01:10:31,170

feel there's a private space program

1635

01:10:36,220 --> 01:10:33,710

maybe with sure more advanced technology

1636

01:10:39,650 --> 01:10:36,230

or it doesn't necessarily have to be

1637

01:10:41,840 --> 01:10:39,660

more you know way far more advanced just

1638

01:10:43,700 --> 01:10:41,850

you know going on in ways that it's

1639

01:10:46,130 --> 01:10:43,710

camouflage for instance you know the Air

1640

01:10:48,020 --> 01:10:46,140

Force pops a rocket up off of Vandenberg

1641

01:10:49,700 --> 01:10:48,030

and of course you know a lot of people

1642

01:10:52,160 --> 01:10:49,710

see the rocket go up they you know they

1643

01:10:53,600 --> 01:10:52,170

that we know when there's a launch well

1644

01:10:55,070 --> 01:10:53,610

you don't know exactly what the payload

1645

01:10:57,170 --> 01:10:55,080

is inside there and I know there's some

1646

01:10:59,060 --> 01:10:57,180

people that you know will point out that

1647

01:11:00,620 --> 01:10:59,070

well there's there's this and that that

1648

01:11:02,240 --> 01:11:00,630

can pick up the telemetry of when

1649

01:11:04,130 --> 01:11:02,250

there's a life-support system on board

1650

01:11:06,620 --> 01:11:04,140

something and I think wait a minute we

1651  
01:11:09,380 --> 01:11:06,630  
have pretty sophisticated systems you

1652  
01:11:12,830 --> 01:11:09,390  
know for warfare that jam certain radars

1653  
01:11:15,650 --> 01:11:12,840  
and jam certain signals and and you know

1654  
01:11:17,270 --> 01:11:15,660  
confuse signals who's to say they don't

1655  
01:11:18,650 --> 01:11:17,280  
have something that be you know if

1656  
01:11:20,270 --> 01:11:18,660  
you've got a payload a life support

1657  
01:11:22,610 --> 01:11:20,280  
payload inside one of those rockets that

1658  
01:11:24,770 --> 01:11:22,620  
there's they're not telling the public

1659  
01:11:27,060 --> 01:11:24,780  
there's people in there and by the way

1660  
01:11:28,930 --> 01:11:27,070  
they're not obligated to

1661  
01:11:32,410 --> 01:11:28,940  
who's to say we don't have the

1662  
01:11:34,090 --> 01:11:32,420  
technology that you know that can

1663  
01:11:36,340 --> 01:11:34,100

camouflage the fact that there's a

1664

01:11:38,500 --> 01:11:36,350

life-support system in there okay you

1665

01:11:40,690 --> 01:11:38,510

know that there was even a launch people

1666

01:11:43,209 --> 01:11:40,700

that are interested should go on the Oh

1667

01:11:44,770 --> 01:11:43,219

what's it called well there's a list for

1668

01:11:47,110 --> 01:11:44,780

Vandenberg Air Force Base and they'll

1669

01:11:49,479 --> 01:11:47,120

actually email you a guy that's sort of

1670

01:11:51,190 --> 01:11:49,489

associated with member will email you a

1671

01:11:54,420 --> 01:11:51,200

list of when they're having launches and

1672

01:11:57,610 --> 01:11:54,430

what the payload is sort of unless it's

1673

01:12:00,850 --> 01:11:57,620

very secretive and he'll just say NSA

1674

01:12:03,160 --> 01:12:00,860

payload one of the they have one section

1675

01:12:04,690 --> 01:12:03,170

called weird stuff and there's actually

1676

01:12:08,830 --> 01:12:04,700

some very strange reports on there

1677

01:12:10,420 --> 01:12:08,840

speaking of secret space programs a guy

1678

01:12:13,720 --> 01:12:10,430

wrote into the list and he said he was

1679

01:12:16,060 --> 01:12:13,730

flying on a commercial airline either to

1680

01:12:17,590 --> 01:12:16,070

or from Hawaii coming in towards the Cal

1681

01:12:20,800 --> 01:12:17,600

Southern California coast they said they

1682

01:12:23,470 --> 01:12:20,810

saw a plane or at least a contrail going

1683

01:12:25,830 --> 01:12:23,480

across the sky above them and he said

1684

01:12:28,330 --> 01:12:25,840

all of a sudden the contrails stopped or

1685

01:12:30,430 --> 01:12:28,340

disappeared and another trail went

1686

01:12:33,850 --> 01:12:30,440

straight up from it like right up into

1687

01:12:36,070 --> 01:12:33,860

space so I would assume they're

1688

01:12:37,420 --> 01:12:36,080

launching something from up and way up

1689

01:12:39,729 --> 01:12:37,430

in the atmosphere where you can't really

1690

01:12:42,160 --> 01:12:39,739

most people wouldn't really be looking

1691

01:12:44,740 --> 01:12:42,170

or be able to see it my experience in

1692

01:12:47,590 --> 01:12:44,750

the Air Force left me with the position

1693

01:12:49,360 --> 01:12:47,600

that it's for me this works for me

1694

01:12:51,520 --> 01:12:49,370

you know what I'm not telling you that

1695

01:12:53,470 --> 01:12:51,530

it should work for you I'm not implying

1696

01:12:55,270 --> 01:12:53,480

that I'm not insinuating that I'm

1697

01:12:57,280 --> 01:12:55,280

telling you my position my position

1698

01:13:00,910 --> 01:12:57,290

after my experience in the Air Force is

1699

01:13:02,500 --> 01:13:00,920

I would feel silly thinking well there's

1700

01:13:04,180 --> 01:13:02,510

no secret space program

1701

01:13:06,550 --> 01:13:04,190

well we couldn't be sending people up

1702

01:13:08,320 --> 01:13:06,560

there to meet for me that would be a

1703

01:13:11,260 --> 01:13:08,330

silly assumption on my part

1704

01:13:15,870 --> 01:13:11,270

ok theory on your part it's not that you

1705

01:13:21,850 --> 01:13:19,000

theory based on having spent six years

1706

01:13:24,360 --> 01:13:21,860

on active duty in the Air Force OSI

1707

01:13:28,300 --> 01:13:24,370

which is very much involved in

1708

01:13:31,600 --> 01:13:28,310

protection of Air Force material and

1709

01:13:34,630 --> 01:13:31,610

programs you know I was I was exposed to

1710

01:13:35,860 --> 01:13:34,640

things let's say and leave it at that ok

1711

01:13:38,360 --> 01:13:35,870

so you can't tell us what you were

1712

01:13:40,370 --> 01:13:38,370

exposed to because of course not because

1713

01:13:42,590 --> 01:13:40,380

body would knock on your door and you'd

1714

01:13:44,930 --> 01:13:42,600

say serious problems and before they

1715

01:13:47,720 --> 01:13:44,940

knock on my door I wouldn't feel good

1716

01:13:49,970 --> 01:13:47,730

about doing it I mean you know but you

1717

01:13:51,620 --> 01:13:49,980

feel you can go so far as to say there

1718

01:13:54,020 --> 01:13:51,630

is a secret space program

1719

01:13:58,670 --> 01:13:54,030

maybe we're sending astronauts out there

1720

01:14:01,970 --> 01:13:58,680

maybe we have found some further bits of

1721

01:14:05,750 --> 01:14:01,980

evidence all the things you said maybe

1722

01:14:07,760 --> 01:14:05,760

on yes yes maybe also and but the first

1723

01:14:09,680 --> 01:14:07,770

thing you said was I said I'd feel silly

1724

01:14:11,310 --> 01:14:09,690

to think that there's not a secret space

1725

01:14:20,299 --> 01:14:11,320

program

1726

01:14:24,330 --> 01:14:20,309

[Music]

1727

01:14:26,490 --> 01:14:24,340

is there a secret UFO agenda to strange

1728

01:14:28,950 --> 01:14:26,500

creatures from the darkest corners of

1729

01:14:31,740 --> 01:14:28,960

the mind roam the earth is there

1730

01:14:35,100 --> 01:14:31,750

evidence for mind control time travel or

1731

01:14:36,720 --> 01:14:35,110

devious government conspiracies find out

1732

01:14:39,720 --> 01:14:36,730

the inside scoop on the latest

1733

01:14:42,390 --> 01:14:39,730

conspiracies Paranormal Activity and at

1734

01:14:44,310 --> 01:14:42,400

14 phenomena when you subscribe to Tim

1735

01:14:47,100 --> 01:14:44,320

Beckley's conspiracy Turo

1736

01:14:49,500 --> 01:14:47,110

it's jam-packed with stories special

1737

01:14:52,259 --> 01:14:49,510

book and DVD promotions and the best

1738

01:14:55,470 --> 01:14:52,269

news is absolutely free sent right to

1739

01:14:59,009 --> 01:14:55,480

your mailbox plus a bonus free email

1740

01:15:00,870 --> 01:14:59,019

newsletter sent out every Friday simply

1741

01:15:06,359 --> 01:15:00,880

send an email with your name and address

1742

01:15:11,160 --> 01:15:06,369

to Mister UFO at web TV dotnet - mr. UFO

1743

01:15:14,670 --> 01:15:11,170

at web TV net find out what they don't

1744

01:15:22,640 --> 01:15:19,609

[Music]

1745

01:15:25,420 --> 01:15:22,650

this is the bear guest you never know

1746

01:15:28,870 --> 01:15:25,430

what's next

1747

01:15:33,939 --> 01:15:31,570

Greg Bishop is the co-host Walter Bosley

1748

01:15:36,820 --> 01:15:33,949

is the guest and now we're talking about

1749

01:15:39,580 --> 01:15:36,830

know we started with Roz well and his

1750

01:15:42,760 --> 01:15:39,590

remembrances from his father and some of

1751

01:15:45,820 --> 01:15:42,770

his experiences getting into his

1752

01:15:48,610 --> 01:15:45,830

opinions about the moon the Mars the

1753

01:15:51,250 --> 01:15:48,620

anomalies okay but since we don't know

1754

01:15:53,979 --> 01:15:51,260

the details of the secret space program

1755

01:15:55,750 --> 01:15:53,989

we assume for the sake of argument we'll

1756

01:15:58,300 --> 01:15:55,760

just assume there is one of course going

1757

01:16:01,120 --> 01:15:58,310

on all right so what evidence is there

1758

01:16:04,060 --> 01:16:01,130

that we can see that shows some

1759

01:16:06,550 --> 01:16:04,070

anomalous stuff on the motor yes I said

1760

01:16:10,600 --> 01:16:06,560

I'm I'm not the the expert on this look

1761

01:16:13,330 --> 01:16:10,610

to Hoagland's material look to there's a

1762

01:16:15,850 --> 01:16:13,340

you know you do a basic search you know

1763

01:16:18,939 --> 01:16:15,860

in your library on the web and your book

1764

01:16:20,800 --> 01:16:18,949

store there's any number of books that

1765

01:16:23,169 --> 01:16:20,810

you know you can find where other

1766

01:16:25,120 --> 01:16:23,179

researchers okay but you basically get

1767

01:16:26,379 --> 01:16:25,130

spoken is pretty controversial and a lot

1768

01:16:29,229 --> 01:16:26,389

of people don't believe him

1769

01:16:31,060 --> 01:16:29,239

oh it's all controversy over let's let's

1770

01:16:32,950 --> 01:16:31,070

be honest here let's be honest with we

1771

01:16:34,360 --> 01:16:32,960

we all do these shows we like to come on

1772

01:16:36,370 --> 01:16:34,370

here and we say well that guy's

1773

01:16:38,740 --> 01:16:36,380

controversial but at the same time will

1774

01:16:40,750 --> 01:16:38,750

embrace this guy over here who's first

1775

01:16:43,479 --> 01:16:40,760

whatever reason usually because he's

1776

01:16:46,110 --> 01:16:43,489

just more popular okay so basically my

1777

01:16:48,370 --> 01:16:46,120

favorite nut it's not your favorite not

1778

01:16:50,830 --> 01:16:48,380

exactly what you feel there's something

1779

01:16:52,930 --> 01:16:50,840

credible for based on your life

1780

01:16:55,149 --> 01:16:52,940

experience whatever you feel something

1781

01:16:58,530 --> 01:16:55,159

is credible about Hoagland suggesting

1782

01:17:01,600 --> 01:16:58,540

there are moon anomalies indicating some

1783

01:17:03,910 --> 01:17:01,610

intelligence has been there is there and

1784

01:17:06,070 --> 01:17:03,920

to say that's true for Mars yeah without

1785

01:17:09,280 --> 01:17:06,080

without agreeing with every little point

1786

01:17:11,439 --> 01:17:09,290

he makes yeah I think basically he's

1787

01:17:13,780 --> 01:17:11,449

he's on to something and he wasn't the

1788

01:17:15,370 --> 01:17:13,790

first there have been other he's a gene

1789

01:17:16,750 --> 01:17:15,380

I think you were implying that Walter

1790

01:17:18,459 --> 01:17:16,760

was saying that because of his

1791

01:17:19,780 --> 01:17:18,469

experience in the military that he

1792

01:17:21,160 --> 01:17:19,790

thought they were moon alone malaise I

1793

01:17:23,229 --> 01:17:21,170

don't think is that what you're saying

1794

01:17:24,939 --> 01:17:23,239

Walter I think he's unless it you're

1795

01:17:27,129 --> 01:17:24,949

saying well because of your experience

1796

01:17:29,290 --> 01:17:27,139

in military you know it's possible for

1797

01:17:30,550 --> 01:17:29,300

them to do things that aren't on the

1798

01:17:32,410 --> 01:17:30,560

radar as they say right

1799

01:17:35,140 --> 01:17:32,420

oh yeah that's exactly yeah I am saying

1800

01:17:36,189 --> 01:17:35,150

that all right I'm not by any stretch of

1801

01:17:38,179 --> 01:17:36,199

the imagination

1802

01:17:40,069 --> 01:17:38,189

assuming that you have guilty knowledge

1803

01:17:42,350 --> 01:17:40,079

that you're hinting at here you know

1804

01:17:44,810 --> 01:17:42,360

what there are things I was told by

1805

01:17:46,850 --> 01:17:44,820

people with higher clearances in mine

1806

01:17:51,699 --> 01:17:46,860

and in more years that I'm not at

1807

01:17:54,770 --> 01:17:51,709

liberty to share that goes into the mix

1808

01:17:58,520 --> 01:17:54,780

that goes into the mix on why I think

1809

01:18:00,739 --> 01:17:58,530

what I think but nothing I can you know

1810

01:18:03,979 --> 01:18:00,749

there's no file I can pull out or point

1811

01:18:07,009 --> 01:18:03,989

to that you know it's going to be the

1812

01:18:09,290 --> 01:18:07,019

smoking gun okay so you can see it as a

1813

01:18:11,330 --> 01:18:09,300

possibility nothing that you've observed

1814

01:18:13,429 --> 01:18:11,340

if you look at the photos shows you hey

1815

01:18:15,770 --> 01:18:13,439

this is pretty weird maybe this is

1816

01:18:18,199 --> 01:18:15,780

something if I blow it up 400 times it

1817

01:18:20,119 --> 01:18:18,209

shows some kind of artifact now you just

1818

01:18:22,339 --> 01:18:20,129

said nothing one of what the the photos

1819

01:18:24,500 --> 01:18:22,349

I've seen that are available out there

1820

01:18:26,689 --> 01:18:24,510

for everybody to see yeah there are some

1821

01:18:28,459 --> 01:18:26,699

pretty questionable you know what the

1822

01:18:30,500 --> 01:18:28,469

heck is this it doesn't look natural

1823

01:18:32,119 --> 01:18:30,510

it looks artificial yeah that's my point

1824

01:18:35,869 --> 01:18:32,129

and that stuff's out there for anybody

1825

01:18:37,699 --> 01:18:35,879

to go see okay Acker had a as you said

1826

01:18:40,609 --> 01:18:37,709

Jean he has a very heavy interest in

1827

01:18:42,649 --> 01:18:40,619

wound anomalies and I think he's had one

1828

01:18:45,619 --> 01:18:42,659

or two researchers on if people want to

1829

01:18:47,569 --> 01:18:45,629

listen to any of his shows with their

1830

01:18:50,029 --> 01:18:47,579

compelling evidence in a more specific

1831

01:18:51,649 --> 01:18:50,039

format a long time ago I published a

1832

01:18:53,810 --> 01:18:51,659

story called the square craters on the

1833

01:18:55,369 --> 01:18:53,820

moon because I just happened to get in

1834

01:18:57,649 --> 01:18:55,379

tongue contact with somebody who was a

1835

01:19:02,149 --> 01:18:57,659

JPL scientists who looked at some

1836

01:19:03,500 --> 01:19:02,159

pictures from the surveyor craft that

1837

01:19:05,540 --> 01:19:03,510

were mapping the moon for the Apollo

1838

01:19:07,429 --> 01:19:05,550

missions and they saw these craters that

1839

01:19:08,810 --> 01:19:07,439

were square I mean they were you know

1840

01:19:10,310 --> 01:19:08,820

that the craters were right angles to

1841

01:19:11,419 --> 01:19:10,320

each other and there's three or four of

1842

01:19:14,689 --> 01:19:11,429

them at near the North Pole

1843

01:19:17,389 --> 01:19:14,699

Don seems to discount them for reasons

1844

01:19:19,669 --> 01:19:17,399

that I cannot fathom but to me they're

1845

01:19:21,199 --> 01:19:19,679

still very very strange-looking I don't

1846

01:19:25,000 --> 01:19:21,209

know what they prove but they certainly

1847

01:19:27,799 --> 01:19:25,010

look not natural okay what about Mars

1848

01:19:29,959 --> 01:19:27,809

Walter what's there about Mars other

1849

01:19:31,759 --> 01:19:29,969

than Hoagland's face on Mars what else

1850

01:19:35,869 --> 01:19:31,769

do you see the holes are very

1851

01:19:39,080 --> 01:19:35,879

interesting in that years before I had

1852

01:19:42,669 --> 01:19:39,090

you know heard interesting source that

1853

01:19:46,369 --> 01:19:42,679

there was you know a subterranean

1854

01:19:49,100 --> 01:19:46,379

civilization on Mars and then years

1855

01:19:51,750 --> 01:19:49,110

later they revealed these holes to

1856

01:19:53,670 --> 01:19:51,760

that's an interesting thing to look into

1857

01:19:56,010 --> 01:19:53,680

the the jury's still out on that as it

1858

01:19:58,920 --> 01:19:56,020

is on other things but but there there

1859

01:20:00,780 --> 01:19:58,930

have been things that again you know

1860

01:20:03,810 --> 01:20:00,790

other researchers have presented that

1861

01:20:07,320 --> 01:20:03,820

you got to wonder what is this you know

1862

01:20:10,800 --> 01:20:07,330

this doesn't look natural or you know

1863

01:20:12,990 --> 01:20:10,810

why why is this condition on Mars not

1864

01:20:14,850 --> 01:20:13,000

what doesn't match what the impression

1865

01:20:17,490 --> 01:20:14,860

we're normally given is you know that

1866

01:20:20,640 --> 01:20:17,500

it's this dry arid nothing but red dust

1867

01:20:22,530 --> 01:20:20,650

place and you know but that stuff's out

1868

01:20:25,320 --> 01:20:22,540

there again I'm not the expert on this

1869

01:20:28,500 --> 01:20:25,330

stuff I just like other people you know

1870

01:20:30,300 --> 01:20:28,510

I look at it and personally you know it

1871

01:20:32,820 --> 01:20:30,310

gives me a particular impression that

1872

01:20:35,970 --> 01:20:32,830

you know there's something to this then

1873

01:20:37,860 --> 01:20:35,980

we also wonder then why are we cutting

1874

01:20:41,970 --> 01:20:37,870

back the space program at least publicly

1875

01:20:43,650 --> 01:20:41,980

I think it'd be great politically to say

1876

01:20:45,690 --> 01:20:43,660

okay we're gonna go back to the moon

1877

01:20:48,600 --> 01:20:45,700

we're gonna go to Mars not in 40 years

1878

01:20:50,820 --> 01:20:48,610

or 30 years we're all too old to care

1879

01:20:52,830 --> 01:20:50,830

but why are they cutting back

1880

01:20:55,200 --> 01:20:52,840

well maybe it's consider this

1881

01:20:57,000 --> 01:20:55,210

possibility that maybe they're the

1882

01:20:58,950 --> 01:20:57,010

leaders don't have the burning issue to

1883

01:21:01,500 --> 01:20:58,960

do this grand glorious mission because

1884

01:21:04,170 --> 01:21:01,510

gosh they know we're doing it anyway and

1885

01:21:07,860 --> 01:21:04,180

there are more pressing matters here at

1886

01:21:09,270 --> 01:21:07,870

home that in many people's opinion that

1887

01:21:12,690 --> 01:21:09,280

you know they figure well I better deal

1888

01:21:15,150 --> 01:21:12,700

with this you know et is there et has

1889

01:21:17,820 --> 01:21:15,160

been there et is here and we have the

1890

01:21:18,840 --> 01:21:17,830

evidence this can turn civilization

1891

01:21:20,820 --> 01:21:18,850

upside down though

1892

01:21:22,830 --> 01:21:20,830

well maybe you know and maybe there's a

1893

01:21:25,830 --> 01:21:22,840

good reason that they're not telling us

1894

01:21:27,990 --> 01:21:25,840

about et maybe you know maybe there's

1895

01:21:29,670 --> 01:21:28,000

maybe it's part of an agreement you know

1896

01:21:32,220 --> 01:21:29,680

you meet this other civilization and

1897

01:21:34,320 --> 01:21:32,230

their thing is hey here's the deal or

1898

01:21:36,510 --> 01:21:34,330

will interact with you in this way and

1899

01:21:38,820 --> 01:21:36,520

this to this degree but no you don't you

1900

01:21:40,740 --> 01:21:38,830

tell your people about us and that's the

1901  
01:21:43,200 --> 01:21:40,750  
deal and you either agree to it or we're

1902  
01:21:45,180 --> 01:21:43,210  
gone and whatever it is they offer you

1903  
01:21:46,650 --> 01:21:45,190  
know that's possible I'm not a believer

1904  
01:21:48,660 --> 01:21:46,660  
that disclosure - right around the

1905  
01:21:50,850 --> 01:21:48,670  
corner you want to ask something that

1906  
01:21:53,010 --> 01:21:50,860  
I'm not buying into that's one of them

1907  
01:21:54,930 --> 01:21:53,020  
I don't see disclosure happening right

1908  
01:21:57,240 --> 01:21:54,940  
around the corner there there may be a

1909  
01:21:59,070 --> 01:21:57,250  
very good reason why you know those

1910  
01:21:59,979 --> 01:21:59,080  
beans are spilled if there's beans to

1911  
01:22:01,689 --> 01:21:59,989  
spill

1912  
01:22:04,560 --> 01:22:01,699  
that assumes of course that they know

1913  
01:22:07,569 --> 01:22:04,570

anything more than we do that's right

1914

01:22:09,310 --> 01:22:07,579

that's right and maybe they don't I

1915

01:22:11,259 --> 01:22:09,320

would say they're in the position to

1916

01:22:13,660 --> 01:22:11,269

know more than we do when you consider

1917

01:22:15,609 --> 01:22:13,670

who controls the machinery that's up

1918

01:22:18,609 --> 01:22:15,619

there in the sky and in who you know

1919

01:22:20,259 --> 01:22:18,619

works you know the most advanced stuff I

1920

01:22:23,319 --> 01:22:20,269

would say they are more in a position

1921

01:22:25,569 --> 01:22:23,329

than we are but you know they might not

1922

01:22:27,910 --> 01:22:25,579

and the other question of course we

1923

01:22:29,859 --> 01:22:27,920

raise here is all right so if there's a

1924

01:22:32,439 --> 01:22:29,869

space program it's being financed with

1925

01:22:34,600 --> 01:22:32,449

black projects there's hidden money it's

1926

01:22:37,060 --> 01:22:34,610

the three trillion dollars that Donald

1927

01:22:39,189 --> 01:22:37,070

Rumsfeld couldn't find back in ten years

1928

01:22:42,640 --> 01:22:39,199

ago yeah is that it

1929

01:22:43,959 --> 01:22:42,650

why not that that seems to be a good

1930

01:22:46,089 --> 01:22:43,969

explanation there are black programs

1931

01:22:47,950 --> 01:22:46,099

something you don't know about trillions

1932

01:22:50,919 --> 01:22:47,960

of dollars there you go

1933

01:22:51,430 --> 01:22:50,929

to me that that's a big indicator right

1934

01:22:54,009 --> 01:22:51,440

there

1935

01:22:55,660 --> 01:22:54,019

well we're suddenly broke so it's got to

1936

01:22:57,759 --> 01:22:55,670

be going somewhere and they're not

1937

01:22:59,620 --> 01:22:57,769

spending \$10,000 for a 12-inch seat

1938

01:23:02,350 --> 01:22:59,630

isn't that the comment that Judd Hirsch

1939

01:23:05,770 --> 01:23:02,360

made in the movie Independence Day yes

1940

01:23:07,779 --> 01:23:05,780

something like that yeah okay so let's

1941

01:23:10,359 --> 01:23:07,789

go into disclosure a little bit here

1942

01:23:12,129 --> 01:23:10,369

we've got all these I think very serious

1943

01:23:14,859 --> 01:23:12,139

people very sincere people and then the

1944

01:23:17,109 --> 01:23:14,869

disclosure wackos out there and the

1945

01:23:19,779 --> 01:23:17,119

disclosure wackos figure we're in touch

1946

01:23:21,939 --> 01:23:19,789

with et Obama's gonna announce it

1947

01:23:25,089 --> 01:23:21,949

tomorrow but wait he didn't and this is

1948

01:23:27,009 --> 01:23:25,099

why he didn't a new conspiracy but does

1949

01:23:30,129 --> 01:23:27,019

Obama or any other president know

1950

01:23:32,020 --> 01:23:30,139

anything yes I I'm I am NOT one of those

1951

01:23:34,689 --> 01:23:32,030

who you know Hollywood loves the

1952

01:23:36,609 --> 01:23:34,699

scenario where the the guys in the ultra

1953

01:23:38,560 --> 01:23:36,619

secret military organization or Intel

1954

01:23:39,970 --> 01:23:38,570

organization know the biggest darkest

1955

01:23:42,069 --> 01:23:39,980

secrets and of course the president

1956

01:23:44,709 --> 01:23:42,079

isn't told because he's not there as

1957

01:23:47,319 --> 01:23:44,719

long as these bureaucrats and I in my

1958

01:23:50,350 --> 01:23:47,329

experience being a federal employee you

1959

01:23:54,220 --> 01:23:50,360

know my humble experience I just that

1960

01:23:56,919 --> 01:23:54,230

one I don't buy I think that's one of

1961

01:23:58,720 --> 01:23:56,929

the many reasons why you see presidents

1962

01:24:01,209 --> 01:23:58,730

not doing certain things and in some

1963

01:24:04,419 --> 01:24:01,219

cases they alluded to if not promised in

1964

01:24:07,569 --> 01:24:04,429

their campaigns and usually specifically

1965

01:24:10,540 --> 01:24:07,579

that that UFO promise that some of them

1966

01:24:11,110 --> 01:24:10,550

kind of make and then they shut up and

1967

01:24:13,360 --> 01:24:11,120

don't talk

1968

01:24:15,100 --> 01:24:13,370

after that hmm let's do a little math

1969

01:24:17,470 --> 01:24:15,110

here you got a guy who's running for

1970

01:24:19,210 --> 01:24:17,480

this high office and he says I'm gonna

1971

01:24:21,220 --> 01:24:19,220

tell everybody the truth about Roswell

1972

01:24:22,600 --> 01:24:21,230

about UFOs and we're gonna get to the

1973

01:24:24,100 --> 01:24:22,610

bottom of this and make it public and

1974

01:24:25,600 --> 01:24:24,110

then they never seem to do it

1975

01:24:28,390 --> 01:24:25,610

you never hear him talk about it again

1976

01:24:30,400 --> 01:24:28,400

gosh I mean think about that folks

1977

01:24:33,430 --> 01:24:30,410

what does that tell you that does that

1978

01:24:36,280 --> 01:24:33,440

not indicate you know possibly I'm just

1979

01:24:39,010 --> 01:24:36,290

saying possibly maybe would that not

1980

01:24:40,530 --> 01:24:39,020

maybe imply that when they get into

1981

01:24:42,640 --> 01:24:40,540

office and they're briefed on everything

1982

01:24:44,860 --> 01:24:42,650

that one of the things they're briefed

1983

01:24:48,520 --> 01:24:44,870

on is whatever the truth is about that

1984

01:24:50,590 --> 01:24:48,530

issue and why it can't be talked about

1985

01:24:52,660 --> 01:24:50,600

I only President may remember that being

1986

01:24:57,100 --> 01:24:52,670

done wid that actually said that was

1987

01:25:00,430 --> 01:24:57,110

Jimmy Carter was elected yeah and then I

1988

01:25:03,130 --> 01:25:00,440

heard one of these stories specifically

1989

01:25:05,080 --> 01:25:03,140

I think from Bill Moore that there was a

1990

01:25:07,480 --> 01:25:05,090

meeting some sort of meeting and he saw

1991

01:25:09,520 --> 01:25:07,490

the notes from it basically they told

1992

01:25:12,790 --> 01:25:09,530

Carter was going on and he agreed it was

1993

01:25:14,320 --> 01:25:12,800

more important than keeping to that big

1994

01:25:16,120 --> 01:25:14,330

campaign promise because if somebody

1995

01:25:18,910 --> 01:25:16,130

brings that up on the campaign trail now

1996

01:25:20,620 --> 01:25:18,920

they're left out of the room I don't

1997

01:25:22,660 --> 01:25:20,630

think it's anything that to include in

1998

01:25:25,360 --> 01:25:22,670

your in your platform when you're trying

1999

01:25:28,120 --> 01:25:25,370

to get elected except for certain Ohio

2000

01:25:32,140 --> 01:25:28,130

congressman who his godmother or

2001

01:25:33,730 --> 01:25:32,150

something is Shirley MacLaine so yeah if

2002

01:25:35,470 --> 01:25:33,740

you want to find out more about it you

2003

01:25:38,020 --> 01:25:35,480

should either go to grant Cameron's

2004

01:25:40,510 --> 01:25:38,030

presidential UFO site or have grant on

2005

01:25:44,530 --> 01:25:40,520

have you had him on yet on her house no

2006

01:25:48,920 --> 01:25:46,930

[Music]

2007

01:25:50,840 --> 01:25:48,930

hey neighbors have you been thinking

2008

01:25:52,370 --> 01:25:50,850

about starting a website now I'm gonna

2009

01:25:54,230 --> 01:25:52,380

tell you about a great offer from

2010

01:25:56,180 --> 01:25:54,240

Hostgator Hostgator is a world-famous

2011

01:25:58,280 --> 01:25:56,190

leader in web hosting and they make it

2012

01:26:00,140 --> 01:25:58,290

easy for you to get your own dot-com

2013

01:26:02,060 --> 01:26:00,150

domain name you create your very own

2014

01:26:03,920 --> 01:26:02,070

website with their free site builder

2015

01:26:06,380 --> 01:26:03,930

tools and great selection of templates

2016

01:26:08,840 --> 01:26:06,390

use the coupon code power cast once

2017

01:26:11,060 --> 01:26:08,850

again use the coupon code power cast and

2018

01:26:14,240 --> 01:26:11,070

sign up at this special address the

2019

01:26:19,840 --> 01:26:14,250

power cast comes slash Gator that's GA t

2020

01:26:28,680 --> 01:26:23,180

you're in the vest you never know what's

2021

01:26:34,700 --> 01:26:32,160

by the way talking with co-host Greg

2022

01:26:37,439 --> 01:26:34,710

Bishop our guest is Walter Bosley and

2023

01:26:39,300 --> 01:26:37,449

we're certainly going way out there

2024

01:26:40,890 --> 01:26:39,310

trying to figure out a lot of things

2025

01:26:42,510 --> 01:26:40,900

that are going on also discussing

2026

01:26:44,760 --> 01:26:42,520

disclosure of course there was that

2027

01:26:47,160 --> 01:26:44,770

crazy statement that Ronald Reagan once

2028

01:26:49,169 --> 01:26:47,170

made right okay he made it more than

2029

01:26:50,820 --> 01:26:49,179

once actually he said alluded to that

2030

01:26:53,070 --> 01:26:50,830

like three different times while he was

2031

01:26:54,240 --> 01:26:53,080

in office about the you you are talking

2032

01:26:55,680 --> 01:26:54,250

about the if there's another

2033

01:26:56,760 --> 01:26:55,690

civilization we'd all have to band

2034

01:26:59,280 --> 01:26:56,770

together kind of thing

2035

01:27:02,370 --> 01:26:59,290

he clapped two on the phone at the time

2036

01:27:05,280 --> 01:27:02,380

yes similar to MacArthur's farewell

2037

01:27:08,250 --> 01:27:05,290

address you know that gets brought up

2038

01:27:09,750 --> 01:27:08,260

occasionally that he said you know to

2039

01:27:11,939 --> 01:27:09,760

the guys at West Point that the

2040

01:27:13,950 --> 01:27:11,949

adversary in the new future the word be

2041

01:27:16,800 --> 01:27:13,960

fighting would be a war with people from

2042

01:27:20,640 --> 01:27:16,810

space and so it's kind of in that vein

2043

01:27:23,820 --> 01:27:20,650

and it does it makes you go wow gosh

2044

01:27:26,370 --> 01:27:23,830

what are we to think of this but whether

2045

01:27:29,580 --> 01:27:26,380

alluded to or not it's it's certainly

2046

01:27:32,399 --> 01:27:29,590

the the public is vocal about hey mister

2047

01:27:33,689 --> 01:27:32,409

new president more you know why don't

2048

01:27:35,669 --> 01:27:33,699

you tell us what's going on and of

2049

01:27:37,439 --> 01:27:35,679

course in recent years Obama's the

2050

01:27:39,090 --> 01:27:37,449

disclosure president and you know the

2051  
01:27:41,040 --> 01:27:39,100  
guy who was saying that constantly and

2052  
01:27:44,550 --> 01:27:41,050  
it hasn't happened yet and it's not

2053  
01:27:45,660 --> 01:27:44,560  
going to happen I don't think in that

2054  
01:27:47,700 --> 01:27:45,670  
way

2055  
01:27:50,430 --> 01:27:47,710  
I'll think whatever their personal

2056  
01:27:52,320 --> 01:27:50,440  
interest is and I think it would be

2057  
01:27:54,570 --> 01:27:52,330  
natural that they might have a passing

2058  
01:27:56,910 --> 01:27:54,580  
interest at the very least I think these

2059  
01:27:59,430 --> 01:27:56,920  
presidents are told what it is and why

2060  
01:28:03,090 --> 01:27:59,440  
you know it's kept secret and like

2061  
01:28:06,479 --> 01:28:03,100  
Carter said they agree with it so this

2062  
01:28:10,080 --> 01:28:06,489  
is my my thought on it at this point in

2063  
01:28:12,660 --> 01:28:10,090

my life okay so is the effort towards

2064

01:28:18,840 --> 01:28:12,670

disclosure always doomed to be a failure

2065

01:28:20,850 --> 01:28:18,850

I you know the one that's hard to answer

2066

01:28:24,870 --> 01:28:20,860

on the one hand you know you'd say well

2067

01:28:26,790 --> 01:28:24,880

no from from an awareness level to you

2068

01:28:28,770 --> 01:28:26,800

know general public awareness no they

2069

01:28:32,189 --> 01:28:28,780

should keep up the the requests you know

2070

01:28:35,399 --> 01:28:32,199

because that does let the leaders get

2071

01:28:37,260 --> 01:28:35,409

the test the waters measure the

2072

01:28:39,840 --> 01:28:37,270

temperature the public's acceptance

2073

01:28:41,700 --> 01:28:39,850

okay the level of the ability to handle

2074

01:28:44,899 --> 01:28:41,710

this and accept it if it is true by the

2075

01:28:47,370 --> 01:28:44,909

way but as far as you know you're gonna

2076

01:28:49,140 --> 01:28:47,380

get a bunch of people to do a petition

2077

01:28:52,229 --> 01:28:49,150

and you're gonna compel you know any

2078

01:28:55,860 --> 01:28:52,239

president to say I yeah I really don't

2079

01:28:57,600 --> 01:28:55,870

see that happening I think that I'm one

2080

01:28:59,640 --> 01:28:57,610

of those who thinks disclosure will come

2081

01:29:03,840 --> 01:28:59,650

when those being hidden disclose

2082

01:29:06,149 --> 01:29:03,850

themselves when the ETS so to speak you

2083

01:29:07,530 --> 01:29:06,159

know say well okay we we don't we don't

2084

01:29:09,720 --> 01:29:07,540

want to be secret anymore we don't need

2085

01:29:12,510 --> 01:29:09,730

to be secret you know and there you go

2086

01:29:15,149 --> 01:29:12,520

that's what I think that's assuming it's

2087

01:29:18,120 --> 01:29:15,159

in a way that we can understand as

2088

01:29:19,800 --> 01:29:18,130

contact with something else I don't know

2089

01:29:22,320 --> 01:29:19,810

for it that at the point yet where we

2090

01:29:24,270 --> 01:29:22,330

can meet them on that on the same

2091

01:29:26,160 --> 01:29:24,280

playing field what do you think Walter

2092

01:29:29,490 --> 01:29:26,170

what do you mean by that though that

2093

01:29:31,470 --> 01:29:29,500

same thing whatever they are or whatever

2094

01:29:34,979 --> 01:29:31,480

it is if they're you know and I'm pretty

2095

01:29:36,510 --> 01:29:34,989

sure there is some other you know you

2096

01:29:38,160 --> 01:29:36,520

know case could be made that they have

2097

01:29:39,720 --> 01:29:38,170

revealed themselves to us and we can't

2098

01:29:41,580 --> 01:29:39,730

really and we're not really speaking the

2099

01:29:42,360 --> 01:29:41,590

same language so we we just don't

2100

01:29:44,790 --> 01:29:42,370

acknowledge it

2101  
01:29:46,530 --> 01:29:44,800  
oh okay kind of like a dolphin trying to

2102  
01:29:48,090 --> 01:29:46,540  
talk to a human kind of thing it's like

2103  
01:29:53,129 --> 01:29:48,100  
we hear a bunch of squeaks they hear a

2104  
01:29:55,530 --> 01:29:53,139  
bunch of grunts you know yeah what do

2105  
01:29:56,790 --> 01:29:55,540  
you think of that idea well I think of

2106  
01:29:58,020 --> 01:29:56,800  
course if you know you look at the

2107  
01:30:00,390 --> 01:29:58,030  
possibilities of all the different

2108  
01:30:01,620 --> 01:30:00,400  
species yeah you probably but but I do

2109  
01:30:03,600 --> 01:30:01,630  
want to say that I'm not one of those

2110  
01:30:06,689 --> 01:30:03,610  
that makes that other assumption that

2111  
01:30:10,260 --> 01:30:06,699  
way too many people I'd like to say that

2112  
01:30:12,090 --> 01:30:10,270  
again here way too many people make the

2113  
01:30:14,640 --> 01:30:12,100

assumption that just because a

2114

01:30:18,000 --> 01:30:14,650

civilization can cross the stars that

2115

01:30:19,860 --> 01:30:18,010

they must be oh so much more advanced

2116

01:30:21,959 --> 01:30:19,870

than we are to a degree that we just

2117

01:30:26,010 --> 01:30:21,969

can't understand their technology and be

2118

01:30:29,629 --> 01:30:26,020

the other fallacy oh they must be

2119

01:30:32,550 --> 01:30:29,639

peaceful because only a peace-loving

2120

01:30:36,419 --> 01:30:32,560

civilization could achieve such advanced

2121

01:30:38,850 --> 01:30:36,429

technology when closed technology but

2122

01:30:41,700 --> 01:30:38,860

great deal of it advances because of war

2123

01:30:43,200 --> 01:30:41,710

I so I I just I almost laugh at that one

2124

01:30:44,760 --> 01:30:43,210

the assumption that you know they're

2125

01:30:46,410 --> 01:30:44,770

peace-loving and the assumption that

2126  
01:30:48,300 --> 01:30:46,420  
they're also much more advanced and we

2127  
01:30:51,030 --> 01:30:48,310  
are I think they're civilizations out

2128  
01:30:53,130 --> 01:30:51,040  
there that are just maybe a little bit

2129  
01:30:55,350 --> 01:30:53,140  
ahead of us and well he's also the

2130  
01:30:58,590 --> 01:30:55,360  
another possibility - and maybe I'm

2131  
01:31:02,250 --> 01:30:58,600  
taking this idea from the Stargate TV

2132  
01:31:04,080 --> 01:31:02,260  
series okay where there is evidence of

2133  
01:31:07,410 --> 01:31:04,090  
an ancient civilization not here anymore

2134  
01:31:09,450 --> 01:31:07,420  
and we use their spaceships but you know

2135  
01:31:12,180 --> 01:31:09,460  
nothing more except how to run them

2136  
01:31:14,850 --> 01:31:12,190  
right or make wires or maybe it's self

2137  
01:31:16,560 --> 01:31:14,860  
repairing which which has the Stargate

2138  
01:31:19,590 --> 01:31:16,570

what you just how you just described

2139

01:31:22,650 --> 01:31:19,600

Stargate has an actual historical

2140

01:31:25,470 --> 01:31:22,660

precedent in that this is what the

2141

01:31:27,690 --> 01:31:25,480

Germans were messing around with during

2142

01:31:31,830 --> 01:31:27,700

the world war two era that they had

2143

01:31:33,510 --> 01:31:31,840

gleaned from ancient Hindu texts like

2144

01:31:35,640 --> 01:31:33,520

the Mahabharata talking about the

2145

01:31:38,640 --> 01:31:35,650

Vimanas it's their folks I mean they

2146

01:31:41,070 --> 01:31:38,650

they you know exactly what you described

2147

01:31:42,480 --> 01:31:41,080

an ancient civilization that is no

2148

01:31:44,640 --> 01:31:42,490

longer with us that had advanced

2149

01:31:46,470 --> 01:31:44,650

technology and somebody in our own time

2150

01:31:49,350 --> 01:31:46,480

is just saying hey look at this let's

2151

01:31:50,340 --> 01:31:49,360

try this and I'm saying very basically

2152

01:31:53,520 --> 01:31:50,350

that's what they were doing there were

2153

01:31:56,070 --> 01:31:53,530

people before the Nazi regime in the

2154

01:31:56,820 --> 01:31:56,080

late 1800s in the early 1900s prior to

2155

01:31:58,230 --> 01:31:56,830

World War two

2156

01:31:59,820 --> 01:31:58,240

who were doing this stuff viktor

2157

01:32:01,380 --> 01:31:59,830

schauberger was the german who was doing

2158

01:32:02,850 --> 01:32:01,390

it but you had Tesla that was messing

2159

01:32:06,110 --> 01:32:02,860

around with some of this stuff it

2160

01:32:09,120 --> 01:32:06,120

started in the mid-1800s with Keeley

2161

01:32:10,860 --> 01:32:09,130

again all controversial not being

2162

01:32:13,680 --> 01:32:10,870

controversial with some type of measure

2163

01:32:17,240 --> 01:32:13,690

of criteria to be discussed and guess

2164

01:32:22,470 --> 01:32:17,250

what we'd be listening to dead air so

2165

01:32:25,500 --> 01:32:22,480

the point is there there is a historical

2166

01:32:27,150 --> 01:32:25,510

precedent whether you accept it or not

2167

01:32:30,420 --> 01:32:27,160

whether you agree with it or believe it

2168

01:32:32,790 --> 01:32:30,430

or not it is there the the Stargate

2169

01:32:34,770 --> 01:32:32,800

theory but you you just brought out that

2170

01:32:37,110 --> 01:32:34,780

you know some some very old stuff is

2171

01:32:39,540 --> 01:32:37,120

just being used and we know how to use

2172

01:32:41,730 --> 01:32:39,550

it you know we we know how to fly it

2173

01:32:44,550 --> 01:32:41,740

maybe we're still figuring out the the

2174

01:32:46,500 --> 01:32:44,560

finer points of the technology but we've

2175

01:32:49,560 --> 01:32:46,510

got it working I mean look at it this

2176

01:32:51,030 --> 01:32:49,570

way in the early jet age we were fooling

2177

01:32:52,950 --> 01:32:51,040

around enough with jet engines where we

2178

01:32:56,130 --> 01:32:52,960

started flying these things around but

2179

01:32:58,170 --> 01:32:56,140

has jet technology you know not you know

2180

01:33:01,140 --> 01:32:58,180

advanced in some increments over the

2181

01:33:04,260 --> 01:33:01,150

years we're using it duh yes it has I

2182

01:33:06,509 --> 01:33:04,270

mean you know jet to a modern jet engine

2183

01:33:08,640 --> 01:33:06,519

is more advanced than a jet engine

2184

01:33:12,689 --> 01:33:08,650

more developed in a jet than a jet

2185

01:33:15,000 --> 01:33:12,699

engine from you know 1950 so why not you

2186

01:33:17,189 --> 01:33:15,010

know you take the ancient description of

2187

01:33:18,750 --> 01:33:17,199

this technology and you'd mess with it

2188

01:33:20,759 --> 01:33:18,760

enough to get it working to get it

2189

01:33:22,470 --> 01:33:20,769

operable and then over the years of

2190

01:33:24,600 --> 01:33:22,480

course you understand it better you you

2191

01:33:26,700 --> 01:33:24,610

you you make it better you're able to do

2192

01:33:28,919 --> 01:33:26,710

it better so you know anyway those are

2193

01:33:32,279 --> 01:33:28,929

my thoughts on that okay so it's one

2194

01:33:34,770 --> 01:33:32,289

possible answer certainly also we could

2195

01:33:36,830 --> 01:33:34,780

have had civilizations here that became

2196

01:33:39,479 --> 01:33:36,840

spacefaring and then for whatever reason

2197

01:33:41,279 --> 01:33:39,489

they disappeared and they're coming back

2198

01:33:44,669 --> 01:33:41,289

to visit us now because they came from

2199

01:33:45,779 --> 01:33:44,679

here yeah is is there not an ancient I

2200

01:33:48,029 --> 01:33:45,789

think it's one of the books of the

2201

01:33:50,939 --> 01:33:48,039

Apocrypha but Enoch of the Bible I

2202

01:33:53,299 --> 01:33:50,949

believe is the one who built the city

2203

01:33:57,779 --> 01:33:53,309

that you know lifted up into the stars

2204

01:34:00,810 --> 01:33:57,789

some people some people not me have

2205

01:34:03,060 --> 01:34:00,820

pointed to that story when they're

2206

01:34:05,040 --> 01:34:03,070

trying to say maybe at one time there

2207

01:34:08,129 --> 01:34:05,050

was an advanced civilization on the moon

2208

01:34:10,169 --> 01:34:08,139

maybe this legend of Enoch building his

2209

01:34:12,750 --> 01:34:10,179

city that lifted from the planet into

2210

01:34:14,879 --> 01:34:12,760

the sky maybe it was that was some type

2211

01:34:17,069 --> 01:34:14,889

of technology a ship or something that

2212

01:34:19,350 --> 01:34:17,079

went to the moon you know I'm just

2213

01:34:21,689 --> 01:34:19,360

saying that's a possibility that others

2214

01:34:23,879 --> 01:34:21,699

have pointed out and this is just one

2215

01:34:26,790 --> 01:34:23,889

example of these things when we say the

2216

01:34:29,790 --> 01:34:26,800

lore throughout history talks about

2217

01:34:32,759 --> 01:34:29,800

things like this so you look close

2218

01:34:34,830 --> 01:34:32,769

enough and it is there these things I

2219

01:34:36,629 --> 01:34:34,840

found most of the people that just write

2220

01:34:39,180 --> 01:34:36,639

it off they want to write it off it

2221

01:34:40,680 --> 01:34:39,190

doesn't fit their you know their it's

2222

01:34:41,819 --> 01:34:40,690

not their pet theory so they really

2223

01:34:43,799 --> 01:34:41,829

don't want to hear anything else and not

2224

01:34:45,149 --> 01:34:43,809

everybody's that way there's someone

2225

01:34:48,060 --> 01:34:45,159

also it also may be the ultimate

2226

01:34:50,129 --> 01:34:48,070

Rorschach blot where people are gonna

2227

01:34:53,040 --> 01:34:50,139

put the meaning on that they want to and

2228

01:34:54,899 --> 01:34:53,050

especially with UFOs finding information

2229

01:34:57,959 --> 01:34:54,909

and the evidence that supports whatever

2230

01:34:59,970 --> 01:34:57,969

their preconception is right the other

2231

01:35:02,339 --> 01:34:59,980

possibility when Walter was saying about

2232

01:35:04,410 --> 01:35:02,349

warlike and not warlike and afraid above

2233

01:35:06,779 --> 01:35:04,420

head of us or behind us you know my

2234

01:35:10,129 --> 01:35:06,789

favorite quote which I repeat endlessly

2235

01:35:13,319 --> 01:35:10,139

is that maybe they're off to the side

2236

01:35:16,439 --> 01:35:13,329

yes and we just know we don't you know

2237

01:35:18,780 --> 01:35:16,449

their method of dealing with us and with

2238

01:35:21,300 --> 01:35:18,790

each other is completely different than

2239

01:35:23,070 --> 01:35:21,310

we do with power and I've got more power

2240

01:35:24,630 --> 01:35:23,080

than you or I've got this or that and

2241

01:35:26,910 --> 01:35:24,640

you don't have this and therefore I come

2242

01:35:29,280 --> 01:35:26,920

in on top they they may completely opt

2243

01:35:31,940 --> 01:35:29,290

out of that in ways that we haven't been

2244

01:35:34,380 --> 01:35:31,950

able to describe or or think about yet

2245

01:35:36,180 --> 01:35:34,390

possibly Greg makes a very good point

2246

01:35:37,440 --> 01:35:36,190

yeah well we've talked about this on the

2247

01:35:39,840 --> 01:35:37,450

show I'm sorry I should be interviewing

2248

01:35:41,550 --> 01:35:39,850

Walter but I hope it's spring into it

2249

01:35:42,930 --> 01:35:41,560

Walter and I talking about stuff and

2250

01:35:45,150 --> 01:35:42,940

throwing ideas around

2251  
01:35:48,300 --> 01:35:45,160  
yeah but consider this to that you know

2252  
01:35:50,670 --> 01:35:48,310  
you two have a history of discussing

2253  
01:35:53,400 --> 01:35:50,680  
these things and a lot of the listeners

2254  
01:35:55,380 --> 01:35:53,410  
to this show maybe aren't aware of that

2255  
01:35:57,600 --> 01:35:55,390  
history so you kind of have to ask the

2256  
01:35:59,490 --> 01:35:57,610  
questions again and maybe go from there

2257  
01:36:01,290 --> 01:35:59,500  
well that's why I was bringing it up I

2258  
01:36:04,170 --> 01:36:01,300  
mean I yes I shoe I should be asking

2259  
01:36:05,880 --> 01:36:04,180  
Walter questions but I thought well gene

2260  
01:36:08,070 --> 01:36:05,890  
hasn't talked to him nearly as much so

2261  
01:36:10,590 --> 01:36:08,080  
maybe I can clarify or bring something

2262  
01:36:12,600 --> 01:36:10,600  
up or say you know Walter light and I

2263  
01:36:14,550 --> 01:36:12,610

have considered this before and we've

2264

01:36:16,680 --> 01:36:14,560

gone down this tributary a little bit

2265

01:36:18,180 --> 01:36:16,690

and we've got some good response from it

2266

01:36:21,510 --> 01:36:18,190

and if nothing else you know it's it's

2267

01:36:24,120 --> 01:36:21,520

there out on the table waiting for more

2268

01:36:25,950 --> 01:36:24,130

evidence or at least it was just fun

2269

01:36:27,540 --> 01:36:25,960

talking about it I mean that's that's

2270

01:36:29,790 --> 01:36:27,550

basically what a lot of this paranormal

2271

01:36:31,620 --> 01:36:29,800

UFO stuff is and you're playing with

2272

01:36:34,230 --> 01:36:31,630

ideas because there's no real way you're

2273

01:36:36,990 --> 01:36:34,240

gonna bring something in a lab or make a

2274

01:36:38,640 --> 01:36:37,000

reproducible phenomenon or whatever it's

2275

01:36:41,190 --> 01:36:38,650

just it's it's it's more of a

2276

01:36:42,540 --> 01:36:41,200

philosophical discussion they think you

2277

01:36:44,430 --> 01:36:42,550

know you you you bring up a good

2278

01:36:47,970 --> 01:36:44,440

direction that I think we should go in

2279

01:36:50,190 --> 01:36:47,980

the remaining time and that is that I'd

2280

01:36:53,670 --> 01:36:50,200

like to say speaking for myself my

2281

01:36:56,370 --> 01:36:53,680

position on how much I want anyone to

2282

01:37:00,360 --> 01:36:56,380

believe what I'm saying or my experience

2283

01:37:03,180 --> 01:37:00,370

have chain has changed the more I have

2284

01:37:05,960 --> 01:37:03,190

experienced certain things now the less

2285

01:37:09,000 --> 01:37:05,970

important to me it has become that

2286

01:37:13,350 --> 01:37:09,010

people necessary be necessarily believe

2287

01:37:16,380 --> 01:37:13,360

me I I can't because some of the most

2288

01:37:18,510 --> 01:37:16,390

extraordinary experiences they evade the

2289

01:37:20,970 --> 01:37:18,520

ability to capture the the evidence

2290

01:37:23,160 --> 01:37:20,980

that's going to convince you know the

2291

01:37:26,160 --> 01:37:23,170

people that demand the evidence and I

2292

01:37:29,430 --> 01:37:26,170

I've come to the conclusion that that's

2293

01:37:30,640 --> 01:37:29,440

not what matters I realized that Wow you

2294

01:37:33,220 --> 01:37:30,650

know some of this

2295

01:37:34,060 --> 01:37:33,230

might indeed be me intended for me

2296

01:37:36,910 --> 01:37:34,070

personally

2297

01:37:39,430 --> 01:37:36,920

not that it's any less real but you know

2298

01:37:41,410 --> 01:37:39,440

I I won't argue that it you know I

2299

01:37:44,800 --> 01:37:41,420

already know what I think about that but

2300

01:37:47,410 --> 01:37:44,810

it it's interesting I realize well if my

2301

01:37:50,530 --> 01:37:47,420

experience is showing me something

2302

01:37:52,360 --> 01:37:50,540

that's intended for me it doesn't matter

2303

01:37:54,640 --> 01:37:52,370

what other people think of it or whether

2304

01:37:56,470 --> 01:37:54,650

they believe it or not they did you know

2305

01:37:59,709 --> 01:37:56,480

I'm left with well you're missing out

2306

01:38:01,840 --> 01:37:59,719

you know you're just you're just missing

2307

01:38:05,439 --> 01:38:01,850

out okay but that's your choice you know

2308

01:38:09,820 --> 01:38:05,449

oh well and and I'm really much more to

2309

01:38:12,540 --> 01:38:09,830

a to an oh well point than I ever was

2310

01:38:16,630 --> 01:38:12,550

it's really interleaving really why

2311

01:38:19,660 --> 01:38:16,640

because what I'm getting out of it is

2312

01:38:24,580 --> 01:38:19,670

far more valuable than convincing a

2313

01:38:28,209 --> 01:38:24,590

complete stranger that it's real the

2314

01:38:31,510 --> 01:38:28,219

insight the things I'm led to and I will

2315

01:38:34,810 --> 01:38:31,520

say this to the things I'm led to that

2316

01:38:37,870 --> 01:38:34,820

I'm able to produce evidence for that's

2317

01:38:40,300 --> 01:38:37,880

the most fascinating aspect of this it

2318

01:38:44,800 --> 01:38:40,310

gives me insight it leads me to things

2319

01:38:50,040 --> 01:38:44,810

that are provable an example some of the

2320

01:38:57,010 --> 01:38:50,050

things that I've started writing about

2321

01:38:59,410 --> 01:38:57,020

I've come to them initially through some

2322

01:39:03,340 --> 01:38:59,420

of these insights and they are things

2323

01:39:05,620 --> 01:39:03,350

that are down-to-earth facts that I have

2324

01:39:08,830 --> 01:39:05,630

been able to correlate as you will see

2325

01:39:11,100 --> 01:39:08,840

I'm able to corroborate with you know

2326

01:39:14,080 --> 01:39:11,110

documented you know type of evidence

2327

01:39:15,880 --> 01:39:14,090

that isn't that interesting well it

2328

01:39:17,830 --> 01:39:15,890

sounds like how a lot of people come up

2329

01:39:19,689 --> 01:39:17,840

with ideas or inventions it's just

2330

01:39:23,110 --> 01:39:19,699

specifically Tesla used to say that even

2331

01:39:24,760 --> 01:39:23,120

they would just appear to him and he

2332

01:39:26,200 --> 01:39:24,770

didn't know why and then suddenly you

2333

01:39:29,380 --> 01:39:26,210

know he'd put him down on paper and

2334

01:39:32,189 --> 01:39:29,390

build them and they'd work mm-hmm mm-hmm

2335

01:39:34,689 --> 01:39:32,199

or you know or the or the what is it the

2336

01:39:36,820 --> 01:39:34,699

chemical formula for benzene or

2337

01:39:39,370 --> 01:39:36,830

something like that was that was seen in

2338

01:39:40,629 --> 01:39:39,380

a dream because I had who was it I can't

2339

01:39:43,149 --> 01:39:40,639

remember science had a dream about

2340

01:39:46,600 --> 01:39:43,159

snakes swallowing their tails and

2341

01:39:49,649 --> 01:39:46,610

the idea of the molecule being connected

2342

01:39:52,510 --> 01:39:49,659

as in a circular pattern but but yeah

2343

01:39:55,720 --> 01:39:52,520

exactly what you're saying yeah but I

2344

01:39:58,510 --> 01:39:55,730

want to add on there that a couple of

2345

01:40:00,250 --> 01:39:58,520

things that some people might say that

2346

01:40:02,410 --> 01:40:00,260

well that might be some type of

2347

01:40:04,530 --> 01:40:02,420

archetypal you know symbolism that your

2348

01:40:09,970 --> 01:40:04,540

subconscious is doing to lead you to the

2349

01:40:11,680 --> 01:40:09,980

conscious actual thing sorry I'm talking

2350

01:40:12,970 --> 01:40:11,690

about you know something you know I'm

2351

01:40:15,070 --> 01:40:12,980

given an insight through an

2352

01:40:17,169 --> 01:40:15,080

extraordinary experience and then it

2353

01:40:19,510 --> 01:40:17,179

points to something that is very

2354

01:40:21,310 --> 01:40:19,520

down-to-earth and then I that I never

2355

01:40:23,439 --> 01:40:21,320

would have known before that I that I

2356

01:40:26,050 --> 01:40:23,449

was overlooking or I just wasn't aware

2357

01:40:27,669 --> 01:40:26,060

of it's like opening a book in the

2358

01:40:28,870 --> 01:40:27,679

middle and you know jumping in kind of

2359

01:40:31,060 --> 01:40:28,880

thing and then going back and forward

2360

01:40:33,520 --> 01:40:31,070

and you find what supports what you just

2361

01:40:35,470 --> 01:40:33,530

read on that page you know but the other

2362

01:40:36,729 --> 01:40:35,480

thing is this that I want to throw out

2363

01:40:38,830 --> 01:40:36,739

there and this is this is what I've

2364

01:40:41,140 --> 01:40:38,840

learned and that is I've mentioned in

2365

01:40:44,410 --> 01:40:41,150

the past maybe a couple of times and

2366

01:40:49,600 --> 01:40:44,420

that's this old phrase the admonition of

2367

01:40:51,669 --> 01:40:49,610

Isis and that is when when I'm speaking

2368

01:40:53,950 --> 01:40:51,679

symbolically here when she the truth

2369

01:40:56,860 --> 01:40:53,960

whatever reveals her face to you her

2370

01:40:59,919 --> 01:40:56,870

admonition is tell no one and I'm

2371

01:41:04,600 --> 01:40:59,929

beginning for me I'm under I think I'm

2372

01:41:06,040 --> 01:41:04,610

understanding why tell no one the

2373

01:41:10,479 --> 01:41:06,050

obvious is because everyone will say

2374

01:41:12,580 --> 01:41:10,489

you're a nut the other thing is you

2375

01:41:14,470 --> 01:41:12,590

you've come to something through your

2376

01:41:17,979 --> 01:41:14,480

own work your own toil your own

2377

01:41:21,459 --> 01:41:17,989

investigation you're under no obligation

2378

01:41:24,100 --> 01:41:21,469

to just lay it all out for the next guy

2379

01:41:27,040 --> 01:41:24,110

who doesn't want to do his own work and

2380

01:41:28,180 --> 01:41:27,050

and I were as before I was yeah I'll

2381

01:41:29,320 --> 01:41:28,190

have all these experience and I'll tell

2382

01:41:31,720 --> 01:41:29,330

you all about them and it'll illuminate

2383

01:41:33,550 --> 01:41:31,730

you and and I've come to the point now

2384

01:41:36,370 --> 01:41:33,560

where it's like oh you really want to

2385

01:41:38,709 --> 01:41:36,380

know you really want the proof you

2386

01:41:41,470 --> 01:41:38,719

really want evidence so that you can

2387

01:41:44,169 --> 01:41:41,480

believe it and accept it well you get

2388

01:41:45,790 --> 01:41:44,179

out there and you do what I've done or

2389

01:41:47,470 --> 01:41:45,800

you know go on your own path to the

2390

01:41:49,870 --> 01:41:47,480

extent you know the things I or other

2391

01:41:52,750 --> 01:41:49,880

people that have done and and you know

2392

01:41:56,280 --> 01:41:52,760

see what you get and because you know

2393

01:41:58,650 --> 01:41:56,290

for me you know what's revealed to

2394

01:42:00,210 --> 01:41:58,660

for me is is intended for me and what

2395

01:42:02,940 --> 01:42:00,220

you'll get out of it is intended for you

2396

01:42:05,040 --> 01:42:02,950

and I'm not saying this in a allegorical

2397

01:42:06,540 --> 01:42:05,050

well it's not real it's all mental no no

2398

01:42:09,390 --> 01:42:06,550

no I don't believe that I believe it's

2399

01:42:10,920 --> 01:42:09,400

real well you all have to go through the

2400

01:42:14,280 --> 01:42:10,930

separate journeys what you're saying

2401

01:42:22,680 --> 01:42:14,290

yes exactly okay where we go to the

2402

01:42:24,960 --> 01:42:22,690

final journey for 58 years fate has

2403

01:42:27,570 --> 01:42:24,970

provided true reports of the strange and

2404

01:42:29,460 --> 01:42:27,580

unknown fate brings you the latest in

2405

01:42:31,800 --> 01:42:29,470

all aspects of the paranormal like

2406

01:42:34,620 --> 01:42:31,810

angels and miracles psychic phenomena

2407

01:42:36,840 --> 01:42:34,630

ghosts UFOs and much much more

2408

01:42:39,330 --> 01:42:36,850

to receive your complimentary fate

2409

01:42:43,230 --> 01:42:39,340

magazine call now at one eight hundred

2410

01:42:52,580 --> 01:42:43,240

seven two eight two seven three Oh

2411

01:42:52,590 --> 01:43:06,149

[www.wku.edu/oucampus](http://www.wku.edu/oucampus)

2412

01:43:12,050 --> 01:43:09,240

this is the bear gasps you never know

2413

01:43:15,279 --> 01:43:12,060

what's next

2414

01:43:19,209 --> 01:43:15,289

[Music]

2415

01:43:21,879 --> 01:43:19,219

Walter Bosley Greg Bishop Greg's our

2416

01:43:24,700 --> 01:43:21,889

co-host Walters back and we're taking a

2417

01:43:26,859 --> 01:43:24,710

journey other than the things that you

2418

01:43:29,859 --> 01:43:26,869

can only understand through your own

2419

01:43:31,959 --> 01:43:29,869

personal journey are there bits and

2420

01:43:33,609 --> 01:43:31,969

pieces of evidence you can convey to us

2421

01:43:35,589 --> 01:43:33,619

about any of these things certainly we

2422

01:43:37,180 --> 01:43:35,599

talked about the lunar mysteries we can

2423

01:43:40,569 --> 01:43:37,190

look into Hoagland believe them or not

2424

01:43:42,879 --> 01:43:40,579

and you know a lot of people just don't

2425

01:43:44,319 --> 01:43:42,889

and some people do believe but are there

2426

01:43:46,810 --> 01:43:44,329

other things where you can say here's

2427

01:43:48,970 --> 01:43:46,820

the tidbits of evidence look it over and

2428

01:43:50,950 --> 01:43:48,980

you'll see some indication of what's

2429

01:43:53,140 --> 01:43:50,960

going on certainly with UFO cases we

2430

01:43:54,850 --> 01:43:53,150

have thousands of cases to go through so

2431

01:44:00,790 --> 01:43:54,860

okay is that part of what you're getting

2432

01:44:03,100 --> 01:44:00,800

at can you put that more succinctly like

2433

01:44:05,529 --> 01:44:03,110

like what if you're saying what I'm

2434

01:44:08,049 --> 01:44:05,539

saying okay here's the point there are

2435

01:44:11,080 --> 01:44:08,059

obviously things that we can all look at

2436

01:44:13,359 --> 01:44:11,090

and regions about right could look at

2437

01:44:15,430 --> 01:44:13,369

theories about anomalies on the Moon and

2438

01:44:17,620 --> 01:44:15,440

Mars yeah and there's several out there

2439

01:44:19,120 --> 01:44:17,630

not just Hoagland I understand that and

2440

01:44:21,819 --> 01:44:19,130

those are things we want to explore in

2441

01:44:23,770 --> 01:44:21,829

further detail sure future episodes okay

2442

01:44:25,689 --> 01:44:23,780

we could look into the stories of

2443

01:44:28,569 --> 01:44:25,699

Roswell plenty of books out there plenty

2444

01:44:31,660 --> 01:44:28,579

of versions from Nazis to mogul balloons

2445

01:44:34,899 --> 01:44:31,670

to et to crypto terrestrials your

2446

01:44:36,879 --> 01:44:34,909

father's remembrances the civilization

2447

01:44:40,359 --> 01:44:36,889

beneath the earth the DeRose a pterosaur

2448

01:44:42,759 --> 01:44:40,369

put out there now obviously there are

2449

01:44:45,279 --> 01:44:42,769

other things where you take all this you

2450

01:44:48,390 --> 01:44:45,289

have a lifetime of experiences and then

2451  
01:44:52,359 --> 01:44:48,400  
you come to an understanding that maybe

2452  
01:44:54,549 --> 01:44:52,369  
you can experience but you can't tell us

2453  
01:44:56,890 --> 01:44:54,559  
you know what you can't tell someone

2454  
01:45:01,180 --> 01:44:56,900  
once said that yeah yeah well because

2455  
01:45:03,129 --> 01:45:01,190  
there's certain things that the you know

2456  
01:45:04,600 --> 01:45:03,139  
my position is such that there's certain

2457  
01:45:07,120 --> 01:45:04,610  
things that a you're not going to be

2458  
01:45:09,310 --> 01:45:07,130  
believed I mean you know look look at

2459  
01:45:11,919 --> 01:45:09,320  
how you know the one or two things I've

2460  
01:45:13,209 --> 01:45:11,929  
said you know has been reacted to you

2461  
01:45:15,339 --> 01:45:13,219  
know there's just people are just gonna

2462  
01:45:17,080 --> 01:45:15,349  
say oh well they're ba you know they get

2463  
01:45:19,270 --> 01:45:17,090

all worked up there just so first of all

2464

01:45:20,439 --> 01:45:19,280

you know mostly there's a lot of people

2465

01:45:22,600 --> 01:45:20,449

out there that just flat-out aren't

2466

01:45:24,279 --> 01:45:22,610

gonna believe it and then you know there

2467

01:45:25,990 --> 01:45:24,289

are those who would be open to it but

2468

01:45:29,050 --> 01:45:26,000

they still you know need evidence well

2469

01:45:31,450 --> 01:45:29,060

you you just can't capture evidence in

2470

01:45:34,120 --> 01:45:31,460

you can't explain it sufficiently enough

2471

01:45:35,740 --> 01:45:34,130

and I believe that the the phenomena

2472

01:45:37,930 --> 01:45:35,750

what's driving these phenomena these

2473

01:45:42,340 --> 01:45:37,940

experiences of doing that on purpose

2474

01:45:45,460 --> 01:45:42,350

because it wants interaction it wants

2475

01:45:48,010 --> 01:45:45,470

personal interaction basically in some

2476

01:45:50,080 --> 01:45:48,020

ways I have more respect for an atheist

2477

01:45:52,030 --> 01:45:50,090

than an agnostics and I'm speaking in

2478

01:45:54,040 --> 01:45:52,040

very general basic terms here to make a

2479

01:45:56,380 --> 01:45:54,050

point and that is at least the atheist

2480

01:45:57,670 --> 01:45:56,390

isn't sitting on the damn fence you know

2481

01:46:00,340 --> 01:45:57,680

when I hear somebody say well I've been

2482

01:46:03,040 --> 01:46:00,350

a lifelong agnostic oh whoa what are you

2483

01:46:04,450 --> 01:46:03,050

gonna make up your mind you know you

2484

01:46:06,700 --> 01:46:04,460

know when you're really going to commit

2485

01:46:09,370 --> 01:46:06,710

to to really trying to find that answer

2486

01:46:10,630 --> 01:46:09,380

for yourself and you can be that way in

2487

01:46:12,580 --> 01:46:10,640

in this stuff too

2488

01:46:15,370 --> 01:46:12,590

it's okay so being an agnostic is a

2489

01:46:17,440 --> 01:46:15,380

compound very agnostic that's a gap

2490

01:46:19,630 --> 01:46:17,450

because you're saying it goes author

2491

01:46:21,190 --> 01:46:19,640

figuring it out yeah if it goes on too

2492

01:46:22,810 --> 01:46:21,200

long that it's what it amounts to is

2493

01:46:25,150 --> 01:46:22,820

just a cop-out and my point is that

2494

01:46:27,580 --> 01:46:25,160

whatever is driving is phenomena it

2495

01:46:30,540 --> 01:46:27,590

wants interaction it wants to show

2496

01:46:32,980 --> 01:46:30,550

itself and manifest itself to you so

2497

01:46:34,840 --> 01:46:32,990

quit sitting there reading the books or

2498

01:46:37,750 --> 01:46:34,850

you know just listening to guys like us

2499

01:46:39,600 --> 01:46:37,760

on podcasts or going in the forums and

2500

01:46:43,300 --> 01:46:39,610

you know pissing on everybody's parade

2501

01:46:45,970 --> 01:46:43,310

they you know get out there and you know

2502

01:46:47,980 --> 01:46:45,980

make a serious honest attempt there's

2503

01:46:49,840 --> 01:46:47,990

the other problem some people claim that

2504

01:46:52,510 --> 01:46:49,850

they and they're not being honest

2505

01:46:55,390 --> 01:46:52,520

they're not making an honest attempt

2506

01:46:58,300 --> 01:46:55,400

because even if somebody comes back and

2507

01:47:00,190 --> 01:46:58,310

they don't experience you know what you

2508

01:47:02,470 --> 01:47:00,200

experienced or maybe they don't

2509

01:47:04,840 --> 01:47:02,480

experience anything at that time you can

2510

01:47:08,890 --> 01:47:04,850

your gut meter your intuition will tell

2511

01:47:10,510 --> 01:47:08,900

you if they've given it an honest try as

2512

01:47:11,710 --> 01:47:10,520

opposed to the person that just says all

2513

01:47:13,750 --> 01:47:11,720

I went out there and did this and

2514

01:47:16,180 --> 01:47:13,760

nothing happened hahaha you're you know

2515

01:47:18,070 --> 01:47:16,190

you're an idiot well you know my

2516

01:47:20,560 --> 01:47:18,080

experience with the human race is that

2517

01:47:22,030 --> 01:47:20,570

that person very likely did not give it

2518

01:47:23,800 --> 01:47:22,040

the honest try because they were

2519

01:47:25,570 --> 01:47:23,810

predisposed that nothing was going to

2520

01:47:27,070 --> 01:47:25,580

happen and and you know I don't really I

2521

01:47:28,330 --> 01:47:27,080

don't like to get in discussions with

2522

01:47:30,250 --> 01:47:28,340

people like that because that's just

2523

01:47:33,070 --> 01:47:30,260

mental masturbation and people that are

2524

01:47:35,230 --> 01:47:33,080

just really into logic turns them on and

2525

01:47:37,750 --> 01:47:35,240

so you're saying but he's saying also

2526

01:47:38,470 --> 01:47:37,760

that if you expect nothing's going to

2527

01:47:40,660 --> 01:47:38,480

happen if

2528

01:47:43,300 --> 01:47:40,670

probably won't there you go why should

2529

01:47:45,760 --> 01:47:43,310

it why should it you know why we've

2530

01:47:47,710 --> 01:47:45,770

learned their belief system upside down

2531

01:47:49,360 --> 01:47:47,720

wouldn't it go but but what I'm saying

2532

01:47:51,430 --> 01:47:49,370

is if you're if you're the entity and

2533

01:47:53,740 --> 01:47:51,440

the person is so it think about it it

2534

01:47:56,320 --> 01:47:53,750

must be really entertaining to let's say

2535

01:47:57,610 --> 01:47:56,330

let's say for the point of my example

2536

01:47:59,290 --> 01:47:57,620

the ending you know let's say you accept

2537

01:48:02,620 --> 01:47:59,300

the fact that the entity is real right

2538

01:48:04,570 --> 01:48:02,630

well you know who's to say it's not

2539

01:48:06,850 --> 01:48:04,580

entertaining to watch some human being

2540

01:48:08,200 --> 01:48:06,860

so damn smug in their ignorance so it's

2541

01:48:09,940 --> 01:48:08,210

like I'm not gonna show myself to you

2542

01:48:11,920 --> 01:48:09,950

screw you because you're not going to

2543

01:48:13,390 --> 01:48:11,930

appreciate it you're not going to

2544

01:48:15,760 --> 01:48:13,400

appreciate what I'm going to show you

2545

01:48:18,910 --> 01:48:15,770

and give you you're gonna question it

2546

01:48:22,090 --> 01:48:18,920

you're gonna try to explain it away in a

2547

01:48:23,740 --> 01:48:22,100

way that you know it just isn't the

2548

01:48:25,330 --> 01:48:23,750

truth but it makes you more comfortable

2549

01:48:27,100 --> 01:48:25,340

well sometimes you have to explain it

2550

01:48:29,470 --> 01:48:27,110

away because sometimes it deserves to be

2551

01:48:31,510 --> 01:48:29,480

explained away whoa okay give me an

2552

01:48:33,130 --> 01:48:31,520

example you said sometimes that's not

2553

01:48:35,229 --> 01:48:33,140

every time and that's you know of course

2554

01:48:37,960 --> 01:48:35,239

I'm saying certain events are not real

2555

01:48:39,310 --> 01:48:37,970

there are misinterpretations whatever so

2556

01:48:42,010 --> 01:48:39,320

you explain them away well this is

2557

01:48:44,380 --> 01:48:42,020

conventional you know this is an anomaly

2558

01:48:46,390 --> 01:48:44,390

or this is a conventional thing well

2559

01:48:47,830 --> 01:48:46,400

well it's really the planet Mars I

2560

01:48:50,380 --> 01:48:47,840

didn't look at it right and that's where

2561

01:48:53,170 --> 01:48:50,390

it is or Venus okay yeah yeah you're

2562

01:48:56,110 --> 01:48:53,180

right but but a lot of times the people

2563

01:48:58,240 --> 01:48:56,120

that you know very accurately explained

2564

01:49:00,460 --> 01:48:58,250

something a way that was a mistake

2565

01:49:02,710 --> 01:49:00,470

therefore because they do that at one

2566

01:49:05,200 --> 01:49:02,720

time in that instance therefore they

2567

01:49:06,760 --> 01:49:05,210

apply that then to everything else there

2568

01:49:08,200 --> 01:49:06,770

are people out there that do that and

2569

01:49:11,620 --> 01:49:08,210

that's those are the people I'm talking

2570

01:49:12,700 --> 01:49:11,630

about that are predisposed you know you

2571

01:49:14,890 --> 01:49:12,710

know they want to sell the baby out with

2572

01:49:17,170 --> 01:49:14,900

the bathwater hey Walter before you came

2573

01:49:20,580 --> 01:49:17,180

on Jean asked me what my position was on

2574

01:49:23,440 --> 01:49:20,590

the UFO thing and what I said was I'm

2575

01:49:24,729 --> 01:49:23,450

exceedingly agnostic I still haven't

2576

01:49:26,530 --> 01:49:24,739

figured it out and I don't know if I

2577

01:49:29,410 --> 01:49:26,540

ever will and I probably actually don't

2578

01:49:34,060 --> 01:49:29,420

really care so by what by what you said

2579

01:49:37,330 --> 01:49:34,070

I'm copping out well Greg I still

2580

01:49:40,050 --> 01:49:37,340

knowing you personally I think you care

2581

01:49:43,300 --> 01:49:40,060

more than you consciously feel right now

2582

01:49:45,520 --> 01:49:43,310

and oh well I do care I would care to

2583

01:49:47,920 --> 01:49:45,530

figure out what was going on but it's

2584

01:49:49,640 --> 01:49:47,930

far more importantly that I think you

2585

01:49:51,800 --> 01:49:49,650

have the same feeling the

2586

01:49:53,120 --> 01:49:51,810

I learn along the way in trying to

2587

01:49:54,560 --> 01:49:53,130

figure out whether there's something

2588

01:49:57,020 --> 01:49:54,570

real there or not or what the

2589

01:49:59,240 --> 01:49:57,030

explanation is is far more valuable to

2590

01:50:02,149 --> 01:49:59,250

me personally than what that explanation

2591

01:50:04,339 --> 01:50:02,159

might be or the answer is yeah Greg this

2592

01:50:06,890 --> 01:50:04,349

way Greg you're saying at least you're

2593

01:50:08,899 --> 01:50:06,900

making the effort yeah you might be

2594

01:50:10,490 --> 01:50:08,909

agnostic about the result but you're

2595

01:50:12,050 --> 01:50:10,500

making an effort to find out it's not

2596

01:50:13,669 --> 01:50:12,060

the same thing saying I don't know what

2597

01:50:15,290 --> 01:50:13,679

it is I don't care I'm not going to

2598

01:50:16,550 --> 01:50:15,300

explore it further there there's always

2599

01:50:18,560 --> 01:50:16,560

an exception and there's always a

2600

01:50:20,899 --> 01:50:18,570

qualifier to say I see what you mean

2601  
01:50:23,180 --> 01:50:20,909  
yeah yeah I mean yeah you the type of

2602  
01:50:24,800 --> 01:50:23,190  
agnostic you are the type of you know

2603  
01:50:27,890 --> 01:50:24,810  
agnostic certain other people we know

2604  
01:50:30,200 --> 01:50:27,900  
might be you know but they're trying you

2605  
01:50:32,240 --> 01:50:30,210  
know and I would venture to say push

2606  
01:50:35,089 --> 01:50:32,250  
comes to shove I think you probably

2607  
01:50:38,450 --> 01:50:35,099  
think that there's ETS out there on

2608  
01:50:39,919 --> 01:50:38,460  
other worlds you know certain of it now

2609  
01:50:42,979 --> 01:50:39,929  
whether they've come here or not is

2610  
01:50:46,399 --> 01:50:42,989  
another deal yeah okay well and how

2611  
01:50:48,350 --> 01:50:46,409  
they've done it physically some other

2612  
01:50:50,330 --> 01:50:48,360  
way pair of physically men that's a

2613  
01:50:52,850 --> 01:50:50,340

whole other fascinating discussion in

2614

01:50:55,520 --> 01:50:52,860

itself so you know there's there's so

2615

01:50:58,459 --> 01:50:55,530

many facets to this subject that it's

2616

01:51:01,129 --> 01:50:58,469

you know trying to pin somebody down on

2617

01:51:03,470 --> 01:51:01,139

something is it is terrible I mean you

2618

01:51:05,300 --> 01:51:03,480

look at the UFO shows so they did I've

2619

01:51:06,979 --> 01:51:05,310

been asked to be on like five of them

2620

01:51:08,959 --> 01:51:06,989

they've come out and he interviewed me

2621

01:51:10,879 --> 01:51:08,969

for about three of them and in every

2622

01:51:13,339 --> 01:51:10,889

single instance and I know gene knows

2623

01:51:16,010 --> 01:51:13,349

about this and Walter does too they want

2624

01:51:18,229 --> 01:51:16,020

you to say something that absolutely is

2625

01:51:20,120 --> 01:51:18,239

a true statement of no equivocation

2626

01:51:21,709 --> 01:51:20,130

otherwise you're not you're not use

2627

01:51:23,990 --> 01:51:21,719

'full for their program because people

2628

01:51:25,700 --> 01:51:24,000

don't want to hear that exactly people

2629

01:51:27,350 --> 01:51:25,710

have gotten to the point where they've

2630

01:51:28,550 --> 01:51:27,360

gotta have an answer and they and and

2631

01:51:30,589 --> 01:51:28,560

the thing is they're looking for other

2632

01:51:32,689 --> 01:51:30,599

people for all these essential answers

2633

01:51:34,640 --> 01:51:32,699

when they go out there yourself I've

2634

01:51:36,740 --> 01:51:34,650

always said regardless of the stories

2635

01:51:37,939 --> 01:51:36,750

I've shared regardless of my positions

2636

01:51:39,979 --> 01:51:37,949

that I've shared in the comments I've

2637

01:51:41,540 --> 01:51:39,989

made I have I not Greg since I've been

2638

01:51:44,060 --> 01:51:41,550

doing you know I started with your show

2639

01:51:46,490 --> 01:51:44,070

I've always told people get out there

2640

01:51:48,350 --> 01:51:46,500

and look yourself to get out there and

2641

01:51:50,240 --> 01:51:48,360

investigate yourself find your own

2642

01:51:52,310 --> 01:51:50,250

answer yeah you are gonna find your own

2643

01:51:54,140 --> 01:51:52,320

answers you're gonna find an answer you

2644

01:51:56,000 --> 01:51:54,150

are going to find something and that's

2645

01:51:58,399 --> 01:51:56,010

why I urge people to do it let me

2646

01:52:02,270 --> 01:51:58,409

rephrase it you know it's you've got a

2647

01:52:04,819 --> 01:52:02,280

far far greater possibility of find

2648

01:52:07,250 --> 01:52:04,829

a true real answer by going out there

2649

01:52:09,140 --> 01:52:07,260

yourself then you ever gonna get reading

2650

01:52:10,939 --> 01:52:09,150

other people's books listening to what

2651  
01:52:12,799 --> 01:52:10,949  
other people have to say on podcast and

2652  
01:52:14,899 --> 01:52:12,809  
radio shows but also depends on your

2653  
01:52:16,700 --> 01:52:14,909  
filter and the way that you investigate

2654  
01:52:18,830 --> 01:52:16,710  
things and if you even chair have enough

2655  
01:52:20,540 --> 01:52:18,840  
time to do such a thing sure but like I

2656  
01:52:23,029 --> 01:52:20,550  
say you know if you hate soccer so much

2657  
01:52:25,310 --> 01:52:23,039  
stop going to soccer games they say to

2658  
01:52:27,410 --> 01:52:25,320  
some people you know it just

2659  
01:52:29,629 --> 01:52:27,420  
if you've reached the point to where you

2660  
01:52:31,580 --> 01:52:29,639  
just everything sounds like hogwash and

2661  
01:52:34,669 --> 01:52:31,590  
everything yeah you know at some point

2662  
01:52:36,950 --> 01:52:34,679  
you know well maybe you want to you know

2663  
01:52:38,660 --> 01:52:36,960

listen to podcasts about you know Hemi

2664

01:52:41,089 --> 01:52:38,670

cars or something for a while because

2665

01:52:43,910 --> 01:52:41,099

you know you're just not gonna get that

2666

01:52:46,520 --> 01:52:43,920

smoking gun that you're demanding on any

2667

01:52:47,779 --> 01:52:46,530

of these shows it's not likely and I

2668

01:52:49,160 --> 01:52:47,789

know some people don't want to hear that

2669

01:52:50,870 --> 01:52:49,170

you know because that's what they're

2670

01:52:52,790 --> 01:52:50,880

looking for but that's that's what goes

2671

01:52:54,560 --> 01:52:52,800

back to what I said before is we live in

2672

01:52:56,660 --> 01:52:54,570

a society where you know we want the

2673

01:52:59,450 --> 01:52:56,670

expert we want some other guy who's in a

2674

01:53:00,979 --> 01:52:59,460

position to tell us how it is so that we

2675

01:53:03,910 --> 01:53:00,989

can you know not do the work ourselves

2676  
01:53:06,919 --> 01:53:03,920  
and just go on with our daily lives and

2677  
01:53:08,450 --> 01:53:06,929  
you know let the other guy we'll do all

2678  
01:53:11,270 --> 01:53:08,460  
the research and tell us how it is and

2679  
01:53:13,250 --> 01:53:11,280  
there we go it's easier kind of like

2680  
01:53:15,140 --> 01:53:13,260  
fast food somebody else prepares it

2681  
01:53:17,740 --> 01:53:15,150  
throws in the bag all we got to do is

2682  
01:53:21,109 --> 01:53:17,750  
eat it is ingest it and that's what

2683  
01:53:23,930 --> 01:53:21,119  
certainly the field of UFOs and

2684  
01:53:26,240 --> 01:53:23,940  
extraordinary phenomenon that's the

2685  
01:53:28,459 --> 01:53:26,250  
experience of way too many people with

2686  
01:53:31,160 --> 01:53:28,469  
it and the other part of us you know

2687  
01:53:34,640 --> 01:53:31,170  
it's it's scary to some folks you know

2688  
01:53:36,890 --> 01:53:34,650

for various reasons it's just you know

2689

01:53:39,500 --> 01:53:36,900

it's scary to them so it's you know they

2690

01:53:42,589 --> 01:53:39,510

live vicariously through people but I

2691

01:53:44,689 --> 01:53:42,599

say if you want the answers get out

2692

01:53:46,520 --> 01:53:44,699

there and look for them yourself

2693

01:53:48,770 --> 01:53:46,530

go out there and test your own theories

2694

01:53:50,899 --> 01:53:48,780

well that's one way to find out I think

2695

01:53:53,510 --> 01:53:50,909

part of the problem is we've said in the

2696

01:53:56,359 --> 01:53:53,520

past is some people will go to a

2697

01:53:58,399 --> 01:53:56,369

convention or watch a TV show or listen

2698

01:54:01,549 --> 01:53:58,409

to a program they hope that you're the

2699

01:54:04,180 --> 01:54:01,559

expert on UFOs you tell me what they are

2700

01:54:06,919 --> 01:54:04,190

you give me the Reader's Digest version

2701  
01:54:09,200 --> 01:54:06,929  
we don't want to sit here and read a 400

2702  
01:54:11,689 --> 01:54:09,210  
page book we don't want to listen to two

2703  
01:54:13,370 --> 01:54:11,699  
hours of radio where you basically say

2704  
01:54:15,020 --> 01:54:13,380  
there are lots of theories and these are

2705  
01:54:15,500 --> 01:54:15,030  
the possibilities we don't know the

2706  
01:54:20,089 --> 01:54:15,510  
final

2707  
01:54:22,580 --> 01:54:20,099  
answer well then if that's what they're

2708  
01:54:25,220 --> 01:54:22,590  
looking for and they want to take final

2709  
01:54:28,700 --> 01:54:25,230  
answers from somebody else's work then

2710  
01:54:30,200 --> 01:54:28,710  
in all honesty they shouldn't be some of

2711  
01:54:32,270 --> 01:54:30,210  
them shouldn't be so critical of those

2712  
01:54:34,580 --> 01:54:32,280  
who are out there doing and experiencing

2713  
01:54:37,009 --> 01:54:34,590

you should say well you know I don't go

2714

01:54:39,830 --> 01:54:37,019

out there and do the stuff myself so you

2715

01:54:43,040 --> 01:54:39,840

know okay this is what I think

2716

01:54:44,540 --> 01:54:43,050

but yeah it's it's I don't know to me

2717

01:54:47,120 --> 01:54:44,550

it's people have to start being more

2718

01:54:48,200 --> 01:54:47,130

honest with themselves you know

2719

01:54:51,160 --> 01:54:48,210

particularly where these things are

2720

01:54:53,419 --> 01:54:51,170

concerned you know either

2721

01:54:56,000 --> 01:54:53,429

either you're going to accept what other

2722

01:54:59,270 --> 01:54:56,010

people say or you're not and if you're

2723

01:55:01,220 --> 01:54:59,280

not then get out there to find something

2724

01:55:02,479 --> 01:55:01,230

to base your own opinion on and you know

2725

01:55:04,609 --> 01:55:02,489

if you've gone out there and you've

2726

01:55:06,770 --> 01:55:04,619

given it an honest try and you really

2727

01:55:09,080 --> 01:55:06,780

come back and say I experienced none of

2728

01:55:12,020 --> 01:55:09,090

this then you know I got a lot more

2729

01:55:14,270 --> 01:55:12,030

respect for that guy then the guy who's

2730

01:55:16,490 --> 01:55:14,280

just the nerd you know sitting in the

2731

01:55:18,490 --> 01:55:16,500

forum room we won't identify himself and

2732

01:55:21,259 --> 01:55:18,500

you know reads this book reads that book

2733

01:55:23,810 --> 01:55:21,269

hates this guy loves that guy just and

2734

01:55:26,330 --> 01:55:23,820

it's mostly based on personality which

2735

01:55:28,759 --> 01:55:26,340

just cracks me up to no end you know or

2736

01:55:30,529 --> 01:55:28,769

prejudice or whatever but I don't have

2737

01:55:32,660 --> 01:55:30,539

any respect for that guy who has this

2738

01:55:35,930 --> 01:55:32,670

smug opinion of what's wife and what's

2739

01:55:38,450 --> 01:55:35,940

real what the hell is he or she done to

2740

01:55:40,790 --> 01:55:38,460

get out there and base that smug opinion

2741

01:55:44,120 --> 01:55:40,800

on but the guy who you know guy or gal

2742

01:55:46,490 --> 01:55:44,130

who gives it the honest try you know for

2743

01:55:48,379 --> 01:55:46,500

you know a period of time you know or

2744

01:55:50,240 --> 01:55:48,389

enough times and they still come to the

2745

01:55:52,970 --> 01:55:50,250

conclusion that it's all hogwash I got

2746

01:55:54,529 --> 01:55:52,980

more respect for that then and that has

2747

01:55:56,180 --> 01:55:54,539

to be I have to consider that in my

2748

01:55:58,700 --> 01:55:56,190

experience then it becomes an issue of

2749

01:56:00,649 --> 01:55:58,710

gosh why did I have this experience and

2750

01:56:02,629 --> 01:56:00,659

this guy didn't well that's interesting

2751  
01:56:07,520 --> 01:56:02,639  
you know it's not gonna make me think

2752  
01:56:11,089 --> 01:56:07,530  
mine is any less real by the way but you

2753  
01:56:13,459 --> 01:56:11,099  
know I some people are scared to not

2754  
01:56:17,450 --> 01:56:13,469  
feel like they've got a handle on things

2755  
01:56:20,060 --> 01:56:17,460  
and so it is much more comfortable to

2756  
01:56:23,089 --> 01:56:20,070  
just go ahead and grab a handle than to

2757  
01:56:24,709 --> 01:56:23,099  
make one or or find the you know the

2758  
01:56:26,779 --> 01:56:24,719  
best one they grab the near

2759  
01:56:28,879 --> 01:56:26,789  
handle because they need that they need

2760  
01:56:31,759 --> 01:56:28,889  
that comfort it's why some people love

2761  
01:56:32,779 --> 01:56:31,769  
living in cities you know and others you

2762  
01:56:34,790 --> 01:56:32,789  
know live out in the middle of nowhere

2763  
01:56:36,049 --> 01:56:34,800

though you know some people who live in

2764

01:56:37,759 --> 01:56:36,059

cities go there because they just got to

2765

01:56:39,379 --> 01:56:37,769

be around the other people and you know

2766

01:56:41,000 --> 01:56:39,389

feel a part of that community they got

2767

01:56:42,649 --> 01:56:41,010

to be whether it's acceptance or

2768

01:56:43,609 --> 01:56:42,659

whatever whereas you know the guy who

2769

01:56:47,689 --> 01:56:43,619

lives out in the middle of nowhere

2770

01:56:49,489 --> 01:56:47,699

doesn't need that so much no it's it all

2771

01:56:52,910 --> 01:56:49,499

comes down to what I'm saying it comes

2772

01:56:54,500 --> 01:56:52,920

down to the individual ultimately comes

2773

01:56:56,810 --> 01:56:54,510

down to the individual

2774

01:56:59,629 --> 01:56:56,820

Walter Bosley where do we find more the

2775

01:57:03,799 --> 01:56:59,639

things that you've done or plan to do as

2776

01:57:10,219 --> 01:57:03,809

I said I you know I wrote a book on the

2777

01:57:14,120 --> 01:57:10,229

Disneyland and latitude 33 and I people

2778

01:57:15,560 --> 01:57:14,130

want to check or I guess I should

2779

01:57:17,450 --> 01:57:15,570

probably provide them with an email

2780

01:57:19,669 --> 01:57:17,460

because the the place it's sold is at

2781

01:57:22,040 --> 01:57:19,679

another guy's website and I know I don't

2782

01:57:24,830 --> 01:57:22,050

like to insult a host or make them hanky

2783

01:57:26,479 --> 01:57:24,840

by saying another guy's website but

2784

01:57:27,709 --> 01:57:26,489

that's where the book is for sale do you

2785

01:57:31,850 --> 01:57:27,719

want me to say it or would you prefer I

2786

01:57:35,359 --> 01:57:31,860

you know no no that's cool radio shows

2787

01:57:37,839 --> 01:57:35,369

out there we are reluctant to admit that

2788

01:57:41,209 --> 01:57:37,849

but just tell where to find it my book

2789

01:57:43,790 --> 01:57:41,219

latitude 33 key to the kingdom is in a

2790

01:57:47,209 --> 01:57:43,800

PDF version you can download for sale at

2791

01:57:48,739 --> 01:57:47,219

Kevin Smith show com you can find it

2792

01:57:52,870 --> 01:57:48,749

there on his page you scroll down there

2793

01:57:56,120 --> 01:57:52,880

and you can get it there and also I'm

2794

01:57:58,100 --> 01:57:56,130

going to be I'm in the middle of that

2795

01:58:00,169 --> 01:57:58,110

final editorial phase on the book I've

2796

01:58:03,589 --> 01:58:00,179

written with Richard Spence the author

2797

01:58:06,319 --> 01:58:03,599

of secret agent 666 tentatively titled

2798

01:58:09,560 --> 01:58:06,329

Empire of the wheel right now that

2799

01:58:11,239 --> 01:58:09,570

should be probably coming out not for a

2800

01:58:15,020 --> 01:58:11,249

while yet not till later this year or

2801  
01:58:17,270 --> 01:58:15,030  
early next year and that is a book about

2802  
01:58:20,770 --> 01:58:17,280  
what appears to be serial murder and

2803  
01:58:24,979 --> 01:58:20,780  
with an occult connection possibly and

2804  
01:58:26,629 --> 01:58:24,989  
real real interesting stuff I'm also the

2805  
01:58:28,100 --> 01:58:26,639  
writer of a show that's opening in Las

2806  
01:58:30,830 --> 01:58:28,110  
Vegas on October 3rd at the Las Vegas

2807  
01:58:32,870 --> 01:58:30,840  
Hilton called triumph I have my media

2808  
01:58:34,729 --> 01:58:32,880  
life where I write movies and shows and

2809  
01:58:36,399 --> 01:58:34,739  
things like that and my novels secure

2810  
01:58:38,719 --> 01:58:36,409  
the Amazon Queen is in development

2811  
01:58:41,870 --> 01:58:38,729  
with an independent company in Hollywood

2812  
01:58:44,689 --> 01:58:41,880  
so between the the movie stuff and the

2813  
01:58:46,759 --> 01:58:44,699

strange phenomena there's you know take

2814

01:58:50,629 --> 01:58:46,769

your pick Greg Bishop where do we find

2815

01:58:52,489 --> 01:58:50,639

more of the stuff you do mainly on radio

2816

01:58:55,339 --> 01:58:52,499

Mysterio so right now I haven't written

2817

01:58:57,649 --> 01:58:55,349

for UFO mystic calm in a while right

2818

01:59:00,589 --> 01:58:57,659

here Mysterio so calm

2819

01:59:04,910 --> 01:59:00,599

look up all the interviews I've done and

2820

01:59:07,100 --> 01:59:04,920

a lot of my writing is on is also on the

2821

01:59:10,160 --> 01:59:07,110

site for my old Magazine excluded middle

2822

01:59:13,580 --> 01:59:10,170

comm that's one word from the excluded

2823

01:59:16,250 --> 01:59:13,590

middle and from who knows where we have

2824

01:59:17,839 --> 01:59:16,260

Greg Bishop and our co-host this week

2825

01:59:20,509 --> 01:59:17,849

and of course we like to thank Walter

2826

01:59:22,580 --> 01:59:20,519

Bosley for putting up with a another two

2827

01:59:25,390 --> 01:59:22,590

hours of abuse thanks for joining us on

2828

01:59:36,430 --> 01:59:25,400

the parents Thank You Jane
