

06/13/10

ALBERT R. ROSALES

1  
00:00:04,610 --> 00:00:28,750

[Music]

2  
00:00:38,030 --> 00:00:35,060

Steinberg Arcos this week is christopher

3  
00:00:39,860 --> 00:00:38,040

o'brien and you know years ago muhammad

4  
00:00:42,410 --> 00:00:39,870

ali during his prime and by the way

5  
00:00:43,910 --> 00:00:42,420

ladies and gentlemen he did report

6  
00:00:46,250 --> 00:00:43,920

seeing a UFO on more than one occasion

7  
00:00:48,889 --> 00:00:46,260

yeah in fact i even talked to him about

8  
00:00:52,580 --> 00:00:48,899

it anyway he used to use the phrase in

9  
00:00:55,610 --> 00:00:52,590

dealing with his opponent float like a

10  
00:00:58,279 --> 00:00:55,620

butterfly sting like a bee but it seems

11  
00:01:00,709 --> 00:00:58,289

that our friendly co-hosts are genial

12  
00:01:02,569 --> 00:01:00,719

co-host christopher o'brien was bitten

13  
00:01:05,060 --> 00:01:02,579

by something a little bit more intense

14

00:01:07,399 --> 00:01:05,070

than a bee what happened to you

15

00:01:09,320 --> 00:01:07,409

actually i was stung one of the things

16

00:01:11,359 --> 00:01:09,330

that you got to kind of be careful of

17

00:01:14,469 --> 00:01:11,369

when you live here in this big sunshine

18

00:01:16,490 --> 00:01:14,479

state of Arizona is scorpions and

19

00:01:19,130 --> 00:01:16,500

unfortunately I happen to live in a

20

00:01:20,929 --> 00:01:19,140

scorpion zone here last year during the

21

00:01:23,630 --> 00:01:20,939

summer I collected about a dozen of

22

00:01:25,219 --> 00:01:23,640

these little yellow kind of pale bark

23

00:01:27,859 --> 00:01:25,229

scorpions which have the highest

24

00:01:31,340 --> 00:01:27,869

concentration of nasty nerve toxin in

25

00:01:33,590 --> 00:01:31,350

nature and and I was just pulling my

26

00:01:36,679 --> 00:01:33,600

covers up over with my pillows and this

27

00:01:39,410 --> 00:01:36,689

darn thing stung me on my hand and and

28

00:01:42,679 --> 00:01:39,420

this was yesterday and it's been about

29

00:01:44,960 --> 00:01:42,689

18 hours and my arm my arm is the hole

30

00:01:48,109 --> 00:01:44,970

on the inside of my arm and my thumb and

31

00:01:50,810 --> 00:01:48,119

my index finger are you know tingling

32

00:01:54,260 --> 00:01:50,820

like they've been asleep like you know

33

00:01:56,480 --> 00:01:54,270

they're know basically so yeah you come

34

00:01:58,819 --> 00:01:56,490

to Arizona you really kick your shoes

35

00:02:02,020 --> 00:01:58,829

out and don't leave anything on the

36

00:02:04,249 --> 00:02:02,030

floor and and I guess check your bed

37

00:02:06,289 --> 00:02:04,259

when I tell you I tore all the covers

38

00:02:08,240 --> 00:02:06,299

off last night and shook them out real

39

00:02:10,490 --> 00:02:08,250

good before I got in I'm just lucky the

40

00:02:12,050 --> 00:02:10,500

thing didn't sting me on my face well

41

00:02:14,230 --> 00:02:12,060

that would be in very interesting kind

42

00:02:18,410 --> 00:02:14,240

of conversation

43

00:02:20,060 --> 00:02:18,420

like I probably couldn't tie our you

44

00:02:21,740 --> 00:02:20,070

know some people do that you know they

45

00:02:23,930 --> 00:02:21,750

work for certain movements in the UFO

46

00:02:27,470 --> 00:02:23,940

field and although the words seem to be

47

00:02:29,780 --> 00:02:27,480

clear and distinct you're funny gene

48

00:02:32,720 --> 00:02:29,790

yeah it is a problem than people

49

00:02:35,120 --> 00:02:32,730

mumbling and at least sounding like

50

00:02:38,120 --> 00:02:35,130

they're not making sense I think that's

51  
00:02:41,240 --> 00:02:38,130  
probably that good as well to make some

52  
00:02:43,640 --> 00:02:41,250  
sense though now on the previous week's

53  
00:02:46,430 --> 00:02:43,650  
show the one that you appeared on with

54  
00:02:48,830 --> 00:02:46,440  
Paul Kimball with Kevin Randle

55  
00:02:51,050 --> 00:02:48,840  
now one thing Paul said where he made

56  
00:02:55,280 --> 00:02:51,060  
pretty clear where he stands about UFOs

57  
00:02:56,840 --> 00:02:55,290  
and that is he favors ETH I think it's

58  
00:02:58,130 --> 00:02:56,850  
crystal clear about that obviously is

59  
00:03:00,740 --> 00:02:58,140  
willing to accept other points of view

60  
00:03:03,440 --> 00:03:00,750  
that's fine but if we're going to lay

61  
00:03:04,910 --> 00:03:03,450  
our cards on the table and your case it

62  
00:03:07,550 --> 00:03:04,920  
may be difficult because one of the arms

63  
00:03:10,730 --> 00:03:07,560

is still tingly there and that is where

64

00:03:12,710 --> 00:03:10,740

do you stand are you an ETH guy are you

65

00:03:14,660 --> 00:03:12,720

a multi-faceted kind of guy with

66

00:03:16,910 --> 00:03:14,670

different solutions for different

67

00:03:18,680 --> 00:03:16,920

problems what yeah I think we're dealing

68

00:03:21,199 --> 00:03:18,690

with something infinitely more complex

69

00:03:23,750 --> 00:03:21,209

than the simple explanation I know that

70

00:03:26,510 --> 00:03:23,760

sounds crazy but the simple explanation

71

00:03:30,170 --> 00:03:26,520

of the ethi I have a sense that we're

72

00:03:31,850 --> 00:03:30,180

dealing with a whole multitude of things

73

00:03:33,020 --> 00:03:31,860

it's probably more complex than we could

74

00:03:35,780 --> 00:03:33,030

possibly imagine

75

00:03:37,520 --> 00:03:35,790

well okay more complex than we can

76

00:03:40,880 --> 00:03:37,530

possibly imagine maybe do a little

77

00:03:43,160 --> 00:03:40,890

imagining okay what do you think we

78

00:03:45,800 --> 00:03:43,170

could possibly even approach what the

79

00:03:48,290 --> 00:03:45,810

answers might be well again you can't

80

00:03:52,550 --> 00:03:48,300

factor are the ETH out by any stretch

81

00:03:54,680 --> 00:03:52,560

and there probably have been visitations

82

00:03:56,800 --> 00:03:54,690

I think to this planet at some point or

83

00:03:59,360 --> 00:03:56,810

another I doubt that they would be

84

00:04:01,600 --> 00:03:59,370

involved in a covert sort of clandestine

85

00:04:03,710 --> 00:04:01,610

operation like we've seen would be

86

00:04:06,020 --> 00:04:03,720

apparently with the abduction phenomena

87

00:04:08,449 --> 00:04:06,030

and for instance Carib relations would

88

00:04:10,400 --> 00:04:08,459

be another one that seems pretty spooky

89

00:04:12,410 --> 00:04:10,410

but I have a sense that we're dealing

90

00:04:14,930 --> 00:04:12,420

with a closed system phenomena but

91

00:04:16,430 --> 00:04:14,940

possibly akin to a trickster like energy

92

00:04:18,440 --> 00:04:16,440

or trickster like force which is

93

00:04:22,969 --> 00:04:18,450

collectively being manifested by

94

00:04:25,610 --> 00:04:22,979

humanity in under the guise of appearing

95

00:04:27,020 --> 00:04:25,620

alien possibly you know effort to draw

96

00:04:30,230 --> 00:04:27,030

ourselves off plan

97

00:04:32,780 --> 00:04:30,240

to get off this this rock before the Sun

98

00:04:35,629 --> 00:04:32,790

goes supernova or before we could hit by

99

00:04:38,290 --> 00:04:35,639

an asteroid I think we really owe it to

100

00:04:41,420 --> 00:04:38,300

ourselves to look into all closed-system

101  
00:04:43,820 --> 00:04:41,430  
theories and explanations before we get

102  
00:04:44,900 --> 00:04:43,830  
you know I think self-important enough

103  
00:04:47,659 --> 00:04:44,910  
to think that anything out there is

104  
00:04:50,450 --> 00:04:47,669  
coming to visit us now with

105  
00:04:52,940 --> 00:04:50,460  
psychiatrists Carl Jung who wrote a book

106  
00:04:55,629 --> 00:04:52,950  
about flying saucers back in the 1950s

107  
00:04:58,490 --> 00:04:55,639  
he spoke of the collective unconscious

108  
00:05:01,190 --> 00:04:58,500  
which I assume it means humanity's

109  
00:05:03,620 --> 00:05:01,200  
conscious is therefore communicating

110  
00:05:06,080 --> 00:05:03,630  
this information to us would you say

111  
00:05:08,840 --> 00:05:06,090  
it's humanity or Mother Earth well it

112  
00:05:11,810 --> 00:05:08,850  
could be both I I have a sense that the

113  
00:05:13,909 --> 00:05:11,820

earth is a living organism I've always

114

00:05:17,120 --> 00:05:13,919

kind of felt that I think you'll find

115

00:05:19,430 --> 00:05:17,130

that that belief and that view shared by

116

00:05:22,130 --> 00:05:19,440

most of the world's indigenous cultures

117

00:05:25,150 --> 00:05:22,140

and you know there could be some

118

00:05:28,010 --> 00:05:25,160

symbiotic relationship between an earth

119

00:05:32,360 --> 00:05:28,020

energy that's possibly creating or

120

00:05:35,000 --> 00:05:32,370

manifesting phenomena and and humans so

121

00:05:36,620 --> 00:05:35,010

there may be an interesting it may be

122

00:05:38,719 --> 00:05:36,630

both and there may be an interest in

123

00:05:41,570 --> 00:05:38,729

symbiotic relationship that's taking

124

00:05:42,469 --> 00:05:41,580

place well it may also be that we create

125

00:05:45,469 --> 00:05:42,479

our own reality

126

00:05:47,050 --> 00:05:45,479

so whatever reality we perceive somehow

127

00:05:49,400 --> 00:05:47,060

we are individually or collectively

128

00:05:51,130 --> 00:05:49,410

creating that reality and not thinking

129

00:05:53,950 --> 00:05:51,140

of a matrix kind of thing though right

130

00:05:57,100 --> 00:05:53,960

yeah and that would be a classic example

131

00:06:00,520 --> 00:05:57,110

of the collective unconscious at work

132

00:06:03,230 --> 00:06:00,530

and because if we are all collectively

133

00:06:05,719 --> 00:06:03,240

creating this reality and manifesting

134

00:06:09,469 --> 00:06:05,729

these phenomenal events there should be

135

00:06:11,779 --> 00:06:09,479

an underlying agenda that we have and my

136

00:06:14,360 --> 00:06:11,789

guess would be to pull ourselves off

137

00:06:16,370 --> 00:06:14,370

planet to see the universe before the

138

00:06:18,830 --> 00:06:16,380

planet is hit by an asteroid like I said

139

00:06:21,230 --> 00:06:18,840

or where the Sun goes Nova I'm going to

140

00:06:22,850 --> 00:06:21,240

be really silly here can we save them

141

00:06:25,690 --> 00:06:22,860

that may be the collective unconscious

142

00:06:28,279 --> 00:06:25,700

caused that great oil spill in the Gulf

143

00:06:31,070 --> 00:06:28,289

because it was a strange confluence of

144

00:06:33,650 --> 00:06:31,080

events they've done that thing before

145

00:06:36,920 --> 00:06:33,660

without a problem yes we can say that

146

00:06:38,690 --> 00:06:36,930

maybe BP oil maybe didn't use all the

147

00:06:39,830 --> 00:06:38,700

backup systems there's a story they

148

00:06:43,370 --> 00:06:39,840

saved a half

149

00:06:44,990 --> 00:06:43,380

by not buying this backup valve but in

150

00:06:46,610 --> 00:06:45,000

the end it would have happened anyway no

151

00:06:48,409 --> 00:06:46,620

matter what they did well I think it's

152

00:06:50,330 --> 00:06:48,419

it's inevitable with all these hundreds

153

00:06:53,150 --> 00:06:50,340

of oil rigs that we have in the ocean

154

00:06:55,879 --> 00:06:53,160

world's oceans it was bound to happen we

155

00:06:58,760 --> 00:06:55,889

were bound to see a catastrophic very

156

00:07:01,159 --> 00:06:58,770

very unfortunate accident and I just

157

00:07:03,770 --> 00:07:01,169

hope it was an accident I would hate to

158

00:07:05,960 --> 00:07:03,780

think that somebody would have the you

159

00:07:08,210 --> 00:07:05,970

know the balls to take that thing out

160

00:07:10,850 --> 00:07:08,220

it's stories are coming out now about

161

00:07:13,040 --> 00:07:10,860

the the head of BP selling off I think

162

00:07:15,620 --> 00:07:13,050

of a majority of his stock just days

163

00:07:18,110 --> 00:07:15,630

before the accident which happened on

164

00:07:19,820 --> 00:07:18,120

Earth Day curiously enough and and also

165

00:07:23,810 --> 00:07:19,830

there's stories of Goldman Sachs I think

166

00:07:26,890 --> 00:07:23,820

gene selling off quite a number of

167

00:07:29,150 --> 00:07:26,900

shares of their stock in BP as well

168

00:07:31,340 --> 00:07:29,160

there seems to be something going on

169

00:07:32,810 --> 00:07:31,350

there I'm not sure if if this is

170

00:07:35,990 --> 00:07:32,820

premeditated I'll tell you if it is

171

00:07:37,310 --> 00:07:36,000

someone's got it or something has a heck

172

00:07:39,440 --> 00:07:37,320

of a lot of Karma they're gonna have to

173

00:07:42,740 --> 00:07:39,450

deal with because this is this is really

174

00:07:44,630 --> 00:07:42,750

catastrophic what's going on died yeah

175

00:07:46,909 --> 00:07:44,640

we're getting the impact on the

176

00:07:50,150 --> 00:07:46,919

environment and all the natural

177

00:07:52,640 --> 00:07:50,160

creatures who are being injured or up

178

00:07:55,130 --> 00:07:52,650

here right you know that's only part of

179

00:07:59,210 --> 00:07:55,140

it folks you know ok that's only part of

180

00:08:01,730 --> 00:07:59,220

it what about humans who died in this

181

00:08:03,409 --> 00:08:01,740

supposed accident but you know we can

182

00:08:05,180 --> 00:08:03,419

get into that we could get more into

183

00:08:07,969 --> 00:08:05,190

conspiracy theories and maybe we should

184

00:08:10,040 --> 00:08:07,979

bring Ken Thomas maybe Jim Marrs back to

185

00:08:12,740 --> 00:08:10,050

discuss that this week though we're

186

00:08:15,110 --> 00:08:12,750

going into entire different realm the

187

00:08:17,180 --> 00:08:15,120

realm of humanoids you brought forth a

188

00:08:20,870 --> 00:08:17,190

very fascinating guest tell us about him

189

00:08:23,840 --> 00:08:20,880

yeah Rosales is again like one of those

190

00:08:26,180 --> 00:08:23,850

unsung heroes that's been quietly

191

00:08:27,740 --> 00:08:26,190

impatiently compiling data on human

192

00:08:30,920 --> 00:08:27,750

cases and he's one of those unsung

193

00:08:33,949 --> 00:08:30,930

heroes in the field he doesn't go around

194

00:08:36,890 --> 00:08:33,959

promoting himself he doesn't do all the

195

00:08:39,980 --> 00:08:36,900

conference's very regularly I think he

196

00:08:42,500 --> 00:08:39,990

does appear now and again but I've never

197

00:08:44,390 --> 00:08:42,510

seen him on any of the TV shows or at

198

00:08:47,800 --> 00:08:44,400

any conference yet he has amassed

199

00:08:50,930 --> 00:08:47,810

thousands and thousands and thousands of

200

00:08:53,829 --> 00:08:50,940

alleged reports witnesses reporting

201  
00:08:56,350 --> 00:08:53,839  
humanoid type creatures that are not

202  
00:08:59,259 --> 00:08:56,360  
it's gonna be a fascinating I think

203  
00:09:00,579 --> 00:08:59,269  
discussion because Albert is really just

204  
00:09:04,420 --> 00:09:00,589  
glancing through some of his recent

205  
00:09:06,250 --> 00:09:04,430  
cases from this year he is his cases go

206  
00:09:09,579 --> 00:09:06,260  
all the way back into into the dim

207  
00:09:11,319 --> 00:09:09,589  
reaches of history and although it's

208  
00:09:14,259 --> 00:09:11,329  
probably a garbage in garbage out

209  
00:09:17,470 --> 00:09:14,269  
scenario I'm not sure if we can glean

210  
00:09:20,639 --> 00:09:17,480  
too much patterning or trends or data

211  
00:09:23,500 --> 00:09:20,649  
but I think that there's going to be

212  
00:09:25,840 --> 00:09:23,510  
some very interesting clues that are

213  
00:09:29,319 --> 00:09:25,850

found in a database that could give us

214

00:09:31,120 --> 00:09:29,329

some insight into the kinds of humanoid

215

00:09:32,680 --> 00:09:31,130

sightings that are going on around the

216

00:09:34,840 --> 00:09:32,690

world and I'm really looking forward to

217

00:09:37,660 --> 00:09:34,850

this gene Albert is is one of those

218

00:09:40,900 --> 00:09:37,670

grinds that I really had a real respect

219

00:09:43,780 --> 00:09:40,910

for and he's included the half-dozen of

220

00:09:46,120 --> 00:09:43,790

so humanoid report for my database have

221

00:09:47,949 --> 00:09:46,130

been included in his and he is a very

222

00:09:49,210 --> 00:09:47,959

easy top-notch research and I think

223

00:09:51,250 --> 00:09:49,220

you're really going to enjoy our

224

00:09:52,389 --> 00:09:51,260

discussion with him well I also noticed

225

00:09:55,269 --> 00:09:52,399

that he's had some of his own

226

00:09:58,960 --> 00:09:55,279

experiences some unusual paranormal

227

00:10:01,840 --> 00:09:58,970

events so we have Albert Rosales talking

228

00:10:02,850 --> 00:10:01,850

about humanoids coming up next on the

229

00:10:11,230 --> 00:10:02,860

Paragons

230

00:10:14,180 --> 00:10:11,240

[Music]

231

00:10:16,310 --> 00:10:14,190

hi this is tomorrow from Namecheap where

232

00:10:18,320 --> 00:10:16,320

domain name and web hosting company and

233

00:10:20,330 --> 00:10:18,330

we really care about our customers with

234

00:10:22,610 --> 00:10:20,340

domain name purchases Namecheap offers

235

00:10:24,260 --> 00:10:22,620

free SSL and free who is guard for a

236

00:10:26,060 --> 00:10:24,270

year to protect your identity from

237

00:10:28,220 --> 00:10:26,070

spammers we won't bother you with

238

00:10:30,230 --> 00:10:28,230

unwanted messaging in your inbox or upon

239

00:10:31,880 --> 00:10:30,240

checkout but most importantly we care

240

00:10:33,680 --> 00:10:31,890

about you our customers your

241

00:10:35,750 --> 00:10:33,690

satisfaction and happiness is our

242

00:10:37,580 --> 00:10:35,760

primary focus because your support means

243

00:10:40,310 --> 00:10:37,590

so much to us if you'd like to learn

244

00:10:42,410 --> 00:10:40,320

more please visit us at radio name chief

245

00:10:44,300 --> 00:10:42,420

comm for web hosting and domain name

246

00:10:49,700 --> 00:10:44,310

specials you can also follow us on

247

00:10:51,890 --> 00:10:49,710

twitter at [twitter.com/zeromd](https://twitter.com/zeromd) bars on

248

00:10:53,390 --> 00:10:51,900

facebook at [facebook.com](https://facebook.com) slash named

249

00:10:55,270 --> 00:10:53,400

chief see you online

250

00:10:58,190 --> 00:10:55,280

[Music]

251  
00:10:59,720 --> 00:10:58,200  
we want to hear from you if you have a

252  
00:11:03,230 --> 00:10:59,730  
comment or question about the podcast

253  
00:11:06,680 --> 00:11:03,240  
send it to news at the podcast comm

254  
00:11:08,630 --> 00:11:06,690  
that's news at the podcast calm and

255  
00:11:10,340 --> 00:11:08,640  
don't forget to visit our forums where

256  
00:11:12,890 --> 00:11:10,350  
you can talk to fellow listeners just go

257  
00:11:15,380 --> 00:11:12,900  
to the para cast comm and click on the

258  
00:11:24,340 --> 00:11:15,390  
forum links that's the forum links at

259  
00:11:31,130 --> 00:11:27,290  
either to make Pope you're listening to

260  
00:11:33,500 --> 00:11:31,140  
the parity on Albert Rosales joins us

261  
00:11:36,080 --> 00:11:33,510  
this week on the para casts our co-host

262  
00:11:38,780 --> 00:11:36,090  
is Christopher O'Brien and because of

263  
00:11:42,740 --> 00:11:38,790

Chris's close encounter of the seventh

264

00:11:44,690 --> 00:11:42,750

kind with a scorpion if maybe his logic

265

00:11:47,530 --> 00:11:44,700

is not framed as well can we forgive

266

00:11:50,090 --> 00:11:47,540

that and blame it on the scorpion Chris

267

00:11:52,400 --> 00:11:50,100

gene hopefully hopefully I'll do the

268

00:11:53,840 --> 00:11:52,410

opposite well then we can bottle it but

269

00:11:55,430 --> 00:11:53,850

then you see the problem is the Food and

270

00:11:58,100 --> 00:11:55,440

Drug Administration will come down say

271

00:12:00,380 --> 00:11:58,110

you can't bottle scorpion venom because

272

00:12:01,870 --> 00:12:00,390

it's gonna kill people you know there's

273

00:12:03,680 --> 00:12:01,880

probably some crazy kids that try it

274

00:12:05,240 --> 00:12:03,690

well now they're gonna try it anyway

275

00:12:06,590 --> 00:12:05,250

because they said on the radio and we're

276

00:12:09,080 --> 00:12:06,600

gonna get in trouble just before we go

277

00:12:12,350 --> 00:12:09,090

into syndication Albert welcome to the

278

00:12:14,690 --> 00:12:12,360

para cast now in the stuff that you sent

279

00:12:16,550 --> 00:12:14,700

me all the background material I see

280

00:12:18,590 --> 00:12:16,560

that you're not just a research or an

281

00:12:20,450 --> 00:12:18,600

armchair researcher you've had your own

282

00:12:23,690 --> 00:12:20,460

experiences can you tell us when this

283

00:12:26,900 --> 00:12:23,700

started in your life yes I had very

284

00:12:31,160 --> 00:12:26,910

young like I said like I mentioned I was

285

00:12:33,380 --> 00:12:31,170

born in Cuba and very very early in my

286

00:12:37,250 --> 00:12:33,390

age I remember having some experiences

287

00:12:40,070 --> 00:12:37,260

uh where I lived and the city of Santa

288

00:12:42,410 --> 00:12:40,080

Clara Cuba central part of the island I

289

00:12:44,780 --> 00:12:42,420

remember one experience very clearly

290

00:12:48,110 --> 00:12:44,790

which I mentioned it to a lot of people

291

00:12:50,270 --> 00:12:48,120

and I was inside my at my home and I

292

00:12:52,640 --> 00:12:50,280

heard a commotion outside and I must

293

00:12:55,820 --> 00:12:52,650

have been maybe seven or eight years old

294

00:12:57,380 --> 00:12:55,830

I ran out and there was a bunch of my

295

00:13:00,260 --> 00:12:57,390

neighbors sitting around there they sit

296

00:13:01,730 --> 00:13:00,270

outside and just talk when we didn't

297

00:13:03,980 --> 00:13:01,740

have no electricity when they were and

298

00:13:06,650 --> 00:13:03,990

they were looking up over the roof of a

299

00:13:10,430 --> 00:13:06,660

house across the street and appeared to

300

00:13:12,980 --> 00:13:10,440

be like an object maybe an egg-shaped

301  
00:13:14,420 --> 00:13:12,990  
multicolored and everybody was pointing

302  
00:13:17,990 --> 00:13:14,430  
had the option and they were all

303  
00:13:20,330 --> 00:13:18,000  
screaming americanos American Americans

304  
00:13:22,820 --> 00:13:20,340  
or whatever they different I thought it

305  
00:13:26,600 --> 00:13:22,830  
was an invasion yeah what year was this

306  
00:13:30,530 --> 00:13:26,610  
again I would venture to guess maybe 63

307  
00:13:31,240 --> 00:13:30,540  
ok hers maybe 62 or somewhere around

308  
00:13:34,090 --> 00:13:31,250  
that

309  
00:13:35,740 --> 00:13:34,100  
time yeah so the old you know kind of

310  
00:13:38,950 --> 00:13:35,750  
ignored after a little bit I and I just

311  
00:13:41,740 --> 00:13:38,960  
follow it it's kind of flew low the

312  
00:13:45,370 --> 00:13:41,750  
houses and he went into an area behind

313  
00:13:47,980 --> 00:13:45,380

my home my backyard I ran back there and

314

00:13:50,740 --> 00:13:47,990

I what I remember I stood under it and I

315

00:13:53,590 --> 00:13:50,750

looked up and next thing I remember I

316

00:13:56,860 --> 00:13:53,600

was like standing there with myself and

317

00:14:00,610 --> 00:13:56,870

it was gone and I'm all wet I don't know

318

00:14:03,550 --> 00:14:00,620

why I looked like felt like water anyway

319

00:14:05,470 --> 00:14:03,560

it was darker and it was the night and

320

00:14:07,570 --> 00:14:05,480

for some reason my parents were not

321

00:14:08,320 --> 00:14:07,580

looking for me and I was out there all

322

00:14:10,780 --> 00:14:08,330

by myself

323

00:14:12,730 --> 00:14:10,790

yes this is missing time yeah that's

324

00:14:15,280 --> 00:14:12,740

what I think I never been regressed and

325

00:14:17,470 --> 00:14:15,290

I never been that not neither have

326

00:14:19,780 --> 00:14:17,480

nautically regressed about what happened

327

00:14:22,120 --> 00:14:19,790

but it appears to have been some missing

328

00:14:24,460 --> 00:14:22,130

time and it's not the first time at all

329

00:14:26,770 --> 00:14:24,470

so in Cuba that has something like that

330

00:14:28,510 --> 00:14:26,780

happened not the first time in a

331

00:14:30,700 --> 00:14:28,520

previous occasion or a subsequent

332

00:14:35,680 --> 00:14:30,710

occasion I think maybe a year after that

333

00:14:37,510 --> 00:14:35,690

we were at a beach like mmm wasn't a

334

00:14:40,060 --> 00:14:37,520

tourist section it was mostly for locals

335

00:14:43,960 --> 00:14:40,070

and kavadi and near the town okay buddy

336

00:14:46,270 --> 00:14:43,970

unless beers province I was out by

337

00:14:49,540 --> 00:14:46,280

myself exploring maybe the sand dunes

338

00:14:51,070 --> 00:14:49,550

and what I remember they were like oh

339

00:14:52,420 --> 00:14:51,080

you know that when the the crabs they

340

00:14:54,250 --> 00:14:52,430

have this holes in the ground all over

341

00:14:56,079 --> 00:14:54,260

the place all of a sudden that these

342

00:14:58,930 --> 00:14:56,089

crabs started coming out of the ground

343

00:15:01,780 --> 00:14:58,940

what I thought were crabs but for me I

344

00:15:04,450 --> 00:15:01,790

thought it would come big for for crabs

345

00:15:06,190 --> 00:15:04,460

they're really huge they were coming out

346

00:15:08,110 --> 00:15:06,200

of the ground and I was looking at them

347

00:15:09,640 --> 00:15:08,120

oh and I was all by myself which I

348

00:15:10,930 --> 00:15:09,650

thought was strange because it's you

349

00:15:13,300 --> 00:15:10,940

know it's a lot of people around there

350

00:15:17,290 --> 00:15:13,310

at the time then my next memory was

351

00:15:19,329 --> 00:15:17,300

being at the end of lying down at the

352

00:15:22,000 --> 00:15:19,339

end of an old pier they had there in the

353

00:15:24,370 --> 00:15:22,010

little town which was broken down made

354

00:15:25,960 --> 00:15:24,380

out of wood and no one ever venture over

355

00:15:27,490 --> 00:15:25,970

there because it's kind of unsafe ending

356

00:15:29,230 --> 00:15:27,500

my parents follow me all the way at the

357

00:15:30,820 --> 00:15:29,240

end and they couldn't figure out how I

358

00:15:32,860 --> 00:15:30,830

got there course I didn't remember

359

00:15:34,180 --> 00:15:32,870

anything but you know I never been

360

00:15:35,890 --> 00:15:34,190

regrets so I don't know what could have

361

00:15:37,600 --> 00:15:35,900

happened there maybe those crabs were

362

00:15:40,329 --> 00:15:37,610

not real crafts you know what I mean I

363

00:15:41,680 --> 00:15:40,339

kind of think that maybe being regrets

364

00:15:43,750 --> 00:15:41,690

may not always be the best solution

365

00:15:44,060 --> 00:15:43,760

we've had lots of controversies over the

366

00:15:47,600 --> 00:15:44,070

valley

367

00:15:50,780 --> 00:15:47,610

with that right true yeah because you

368

00:15:54,110 --> 00:15:50,790

never know what they might make you

369

00:15:56,360 --> 00:15:54,120

remember I heard about it about that you

370

00:15:59,320 --> 00:15:56,370

know I'm not sure they might make you

371

00:16:02,630 --> 00:15:59,330

remember things that didn't happen true

372

00:16:06,200 --> 00:16:02,640

that they want to include in their

373

00:16:08,510 --> 00:16:06,210

agenda I don't know but I and I don't

374

00:16:10,660 --> 00:16:08,520

know if I'll ever ever actually remember

375

00:16:16,100 --> 00:16:10,670

what really happened after that I I

376

00:16:18,680 --> 00:16:16,110

moved to Spain with my parents and then

377

00:16:22,610 --> 00:16:18,690

I moved over to the United States since

378

00:16:24,290 --> 00:16:22,620

and 67 at the end of 67 the next

379

00:16:27,710 --> 00:16:24,300

experience that I could remember was

380

00:16:30,680 --> 00:16:27,720

here in Miami looking up my second I

381

00:16:32,750 --> 00:16:30,690

don't know when my sister we're looking

382

00:16:35,060 --> 00:16:32,760

at a window in my apartment and we saw

383

00:16:38,120 --> 00:16:35,070

another object that resembled very much

384

00:16:41,450 --> 00:16:38,130

the one I seen back in Cuba also shaped

385

00:16:42,700 --> 00:16:41,460

like an egg a lot of lights appears to

386

00:16:45,350 --> 00:16:42,710

be coming up and down over the houses

387

00:16:47,990 --> 00:16:45,360

what I remember what he appear to have

388

00:16:51,650 --> 00:16:48,000

some protrusions or some stuff sticking

389

00:16:53,480 --> 00:16:51,660

out of it I don't know what happened I

390

00:16:55,370 --> 00:16:53,490

think it disappeared behind some the

391

00:16:58,280 --> 00:16:55,380

handsome Klaus or something but I

392

00:17:00,380 --> 00:16:58,290

remember I wrote a letter to opera a PR

393

00:17:02,960 --> 00:17:00,390

oh that group that used to be a very

394

00:17:05,870 --> 00:17:02,970

active back then and I never did get an

395

00:17:08,300 --> 00:17:05,880

answer though I was a young baby so like

396

00:17:12,010 --> 00:17:08,310

I joined the Navy and while in the Navy

397

00:17:15,500 --> 00:17:12,020

I can tell you that back in 77 I was in

398

00:17:19,400 --> 00:17:15,510

when they call the Mediterranean cruise

399

00:17:22,400 --> 00:17:19,410

or deployed there I'm aboard a destroyer

400

00:17:23,900 --> 00:17:22,410

tender and that I was out on deck I used

401  
00:17:25,460 --> 00:17:23,910  
to be a radio man so I used to go up

402  
00:17:28,940 --> 00:17:25,470  
there all the way to the top and just

403  
00:17:31,760 --> 00:17:28,950  
look around and I saw over in the

404  
00:17:35,770 --> 00:17:31,770  
distance over the island of Majorca the

405  
00:17:41,240 --> 00:17:35,780  
Balearic Islands what appeared to be a

406  
00:17:44,090 --> 00:17:41,250  
metallic disc Silber and color it was

407  
00:17:46,760 --> 00:17:44,100  
just cruising along there was a pair of

408  
00:17:49,190 --> 00:17:46,770  
binoculars on deck and attached to the

409  
00:17:51,170 --> 00:17:49,200  
deck and I'd looked at it but it was

410  
00:17:52,670 --> 00:17:51,180  
quickly lost from view that was the only

411  
00:17:54,740 --> 00:17:52,680  
witness I couldn't get anybody else to

412  
00:17:57,409 --> 00:17:54,750  
see it I had some other experience

413  
00:17:59,779 --> 00:17:57,419

we have time for me to go into all them

414

00:18:01,610 --> 00:17:59,789

well you know the thing is maybe we

415

00:18:04,580 --> 00:18:01,620

should focus on the stuff that really

416

00:18:06,890 --> 00:18:04,590

seems most unusual most significant to

417

00:18:08,990 --> 00:18:06,900

stuff that you know warrants further

418

00:18:11,000 --> 00:18:09,000

investigation certainly your child's

419

00:18:12,860 --> 00:18:11,010

experiences do but going back to the

420

00:18:14,990 --> 00:18:12,870

stuff you has a child the missing time

421

00:18:17,659 --> 00:18:15,000

and everything right you talk to your

422

00:18:21,169 --> 00:18:17,669

parents or siblings about this did they

423

00:18:22,909 --> 00:18:21,179

say anything do you recall no like I say

424

00:18:25,880 --> 00:18:22,919

did they seem to ignore the whole thing

425

00:18:29,419 --> 00:18:25,890

and I and if I mention it to them that

426

00:18:32,210 --> 00:18:29,429

will either laugh it off at all tell me

427

00:18:34,610 --> 00:18:32,220

that I have been having nightmares or

428

00:18:37,220 --> 00:18:34,620

dreaming I always that's a kid I

429

00:18:40,399 --> 00:18:37,230

remember being afraid of the dark I'll I

430

00:18:42,529 --> 00:18:40,409

didn't my and I wouldn't go to bed all

431

00:18:45,560 --> 00:18:42,539

the lights out I always needed a little

432

00:18:48,649 --> 00:18:45,570

light on for some reason I recall

433

00:18:51,500 --> 00:18:48,659

another incident also in Cuba and Santa

434

00:18:54,770 --> 00:18:51,510

Clara yeah it appears that I was at one

435

00:18:56,799 --> 00:18:54,780

of those green light states I wasn't

436

00:19:00,310 --> 00:18:56,809

sure I was sitting in the kitchen and

437

00:19:04,880 --> 00:19:00,320

around me there were this figures or

438

00:19:06,710 --> 00:19:04,890

people which I recall were like all kind

439

00:19:09,289 --> 00:19:06,720

of luminous and they're all tall but

440

00:19:12,350 --> 00:19:09,299

they were like human shaped they're not

441

00:19:15,409 --> 00:19:12,360

you know your typical Hollywood alien

442

00:19:18,169 --> 00:19:15,419

stereotype they were shaped like humans

443

00:19:19,909 --> 00:19:18,179

and they were luminous well I know that

444

00:19:21,289 --> 00:19:19,919

they were talking to me of course I

445

00:19:25,039 --> 00:19:21,299

don't remember anything I had told me I

446

00:19:27,470 --> 00:19:25,049

know that they they gave me their their

447

00:19:29,690 --> 00:19:27,480

name which I don't remember to the state

448

00:19:31,100 --> 00:19:29,700

and they'd left me with a feeling that

449

00:19:35,180 --> 00:19:31,110

there would be back one day that's all I

450

00:19:37,610 --> 00:19:35,190

remember after that I woke up in the

451

00:19:40,520 --> 00:19:37,620

morning and I couldn't recall anything

452

00:19:42,320 --> 00:19:40,530

else about the experience did you ever

453

00:19:44,090 --> 00:19:42,330

think maybe later on that maybe that

454

00:19:46,610 --> 00:19:44,100

particular experience may have been a

455

00:19:49,549 --> 00:19:46,620

dream yeah definitely I thought about

456

00:19:52,190 --> 00:19:49,559

that kinda wanted peculiar during that

457

00:19:54,380 --> 00:19:52,200

hour your run-of-the-mill dream but yeah

458

00:19:56,210 --> 00:19:54,390

yeah it could have been a dream now

459

00:19:57,080 --> 00:19:56,220

during the course of the things that

460

00:19:59,240 --> 00:19:57,090

happened to you

461

00:20:02,029 --> 00:19:59,250

indeed you ever see any stories in the

462

00:20:05,630 --> 00:20:02,039

newspapers or hear anything on broadcast

463

00:20:08,090 --> 00:20:05,640

TV or radio that seemed to

464

00:20:11,510 --> 00:20:08,100

Vindicator verify what you experienced

465

00:20:14,000 --> 00:20:11,520

no the funny thing is never did I read

466

00:20:15,710 --> 00:20:14,010

or saw anything in Cuba about UFOs or

467

00:20:20,030 --> 00:20:15,720

anything like that

468

00:20:21,500 --> 00:20:20,040

aliens are never it was only when I came

469

00:20:25,549 --> 00:20:21,510

over to the states I'm not even right

470

00:20:29,360 --> 00:20:25,559

away I would say maybe 71 or 72 when I

471

00:20:32,419 --> 00:20:29,370

was in middle school junior high school

472

00:20:35,270 --> 00:20:32,429

I went into the library at the school

473

00:20:39,020 --> 00:20:35,280

and like for some reason I went to the

474

00:20:41,090 --> 00:20:39,030

section where they had UFO books and

475

00:20:43,360 --> 00:20:41,100

Olli and I grabbed the whole bunch of

476

00:20:48,590 --> 00:20:43,370

them and I remember it was Frank Edwards

477

00:20:49,909 --> 00:20:48,600

Jack's ballet all the old books and I

478

00:20:51,560 --> 00:20:49,919

checked out a whole bunch of the mice

479

00:20:53,570 --> 00:20:51,570

that are reading them and that's the

480

00:20:56,030 --> 00:20:53,580

first time I really read anything about

481

00:20:58,700 --> 00:20:56,040

UFOs and this is back in 71 or 72

482

00:21:00,409 --> 00:20:58,710

timeframe never anything about that

483

00:21:03,320 --> 00:21:00,419

before before we focused on your

484

00:21:05,960 --> 00:21:03,330

research our brain just wanted to just

485

00:21:08,150 --> 00:21:05,970

cover the experiences a bit more did you

486

00:21:09,500 --> 00:21:08,160

have any other experiences you mentioned

487

00:21:13,100 --> 00:21:09,510

when of course when you were in the

488

00:21:17,140 --> 00:21:13,110

military any other notable encounters

489

00:21:18,770 --> 00:21:17,150

involving a UFO or something else yeah

490

00:21:21,740 --> 00:21:18,780

kind of strange

491

00:21:25,010 --> 00:21:21,750

I guess some of them will fall into the

492

00:21:28,010 --> 00:21:25,020

term of humanoids which i think is a

493

00:21:32,390 --> 00:21:28,020

wide range this is right after back in

494

00:21:36,500 --> 00:21:32,400

89 when my father died of stroke here in

495

00:21:39,770 --> 00:21:36,510

Miami we were all that most of the

496

00:21:41,539 --> 00:21:39,780

family members would at the funeral that

497

00:21:45,890 --> 00:21:41,549

night and there were not many of us left

498

00:21:47,870 --> 00:21:45,900

there what I remember was that it was

499

00:21:50,090 --> 00:21:47,880

after maybe two or three the funeral

500

00:21:53,480 --> 00:21:50,100

home has locked the doors and I somebody

501  
00:21:54,919 --> 00:21:53,490  
some son somebody was knocking that on

502  
00:21:56,870 --> 00:21:54,929  
the glass window at the door

503  
00:21:58,789 --> 00:21:56,880  
and one of the tenants there went out

504  
00:22:02,360 --> 00:21:58,799  
there and there was we looked out I was

505  
00:22:05,539 --> 00:22:02,370  
with him and it was a little man he was

506  
00:22:07,730 --> 00:22:05,549  
Schwarz II complexion you know dark skin

507  
00:22:10,630 --> 00:22:07,740  
slanted eyes and he didn't seem familiar

508  
00:22:14,900 --> 00:22:10,640  
at all he looked like I'm maybe a

509  
00:22:15,620 --> 00:22:14,910  
wearing some little suit he was just

510  
00:22:18,120 --> 00:22:15,630  
knocking

511  
00:22:21,570 --> 00:22:18,130  
for some reason this guy opened don't

512  
00:22:23,160 --> 00:22:21,580  
let him in now after that it kept he got

513  
00:22:25,140 --> 00:22:23,170

kind of hasty most of the people there

514

00:22:28,020 --> 00:22:25,150

were like sitting and recliners half

515

00:22:30,600 --> 00:22:28,030

awake half asleep and I I just walked by

516

00:22:33,870 --> 00:22:30,610

his follow the little men into my where

517

00:22:36,870 --> 00:22:33,880

my father was in the area of the viewing

518

00:22:40,700 --> 00:22:36,880

and I said and when our recliners and I

519

00:22:42,540 --> 00:22:40,710

saw him standing by my father's casket

520

00:22:45,750 --> 00:22:42,550

talking either

521

00:22:48,660 --> 00:22:45,760

twin self and or some kind of gavage

522

00:22:50,690 --> 00:22:48,670

which I couldn't really make out while

523

00:22:52,710 --> 00:22:50,700

everybody else around the room just

524

00:22:54,510 --> 00:22:52,720

appeared to be helpless just sitting

525

00:22:57,510 --> 00:22:54,520

there not doing anything we never seen

526

00:22:59,730 --> 00:22:57,520

this person before and this my father's

527

00:23:02,549 --> 00:22:59,740

brother's world there and they just said

528

00:23:05,160 --> 00:23:02,559

they're staring at this and which I the

529

00:23:08,730 --> 00:23:05,170

thing thing I was doing okay and they

530

00:23:10,320 --> 00:23:08,740

saw this person okay yeah yeah and after

531

00:23:12,299 --> 00:23:10,330

a few minutes this little person or

532

00:23:14,310 --> 00:23:12,309

whatever it was just walked up the door

533

00:23:16,830 --> 00:23:14,320

and went out and disappeared we never

534

00:23:17,810 --> 00:23:16,840

saw him again now I will thought it was

535

00:23:19,980 --> 00:23:17,820

kind of strange

536

00:23:21,900 --> 00:23:19,990

but that's one of the experience that

537

00:23:26,549 --> 00:23:21,910

other experience that I not personally

538

00:23:30,780 --> 00:23:26,559

but uh I had a lady here also Miami

539

00:23:33,990 --> 00:23:30,790

called me one night and told me that as

540

00:23:38,370 --> 00:23:34,000

she looked out her back door window and

541

00:23:41,070 --> 00:23:38,380

there into her backyard and seen what

542

00:23:43,530 --> 00:23:41,080

she described to me as a devil and in

543

00:23:45,120 --> 00:23:43,540

the backyard and I told her do you know

544

00:23:47,370 --> 00:23:45,130

be more specific what does she mean

545

00:23:50,370 --> 00:23:47,380

double on she said it looked like a tall

546

00:23:52,160 --> 00:23:50,380

figure with wings dark like a bat you

547

00:23:56,250 --> 00:23:52,170

know the Mothman comes to mind here

548

00:23:58,950 --> 00:23:56,260

walking around her a mango tree that she

549

00:24:01,470 --> 00:23:58,960

had in the backyard terrified and she

550

00:24:02,310 --> 00:24:01,480

locked all the doors and then I believe

551

00:24:04,230 --> 00:24:02,320

she called the police

552

00:24:05,190 --> 00:24:04,240

I'm not sure the police responded I

553

00:24:07,380 --> 00:24:05,200

think they did I don't know what

554

00:24:09,180 --> 00:24:07,390

happened after that but I talked to her

555

00:24:11,669 --> 00:24:09,190

personally over the phone I never did go

556

00:24:14,900 --> 00:24:11,679

into her own she didn't she refused to

557

00:24:19,570 --> 00:24:14,910

it be interview personally but she

558

00:24:27,610 --> 00:24:19,580

thought he was to be demonic in nature

559

00:24:32,270 --> 00:24:29,960

picture this you're on the phone with a

560

00:24:35,390 --> 00:24:32,280

client or colleague trying to explain

561

00:24:37,640 --> 00:24:35,400

something visual a PowerPoint a keynote

562

00:24:40,279 --> 00:24:37,650

presentation a website but it's

563

00:24:42,320 --> 00:24:40,289

frustrating because they can't see what

564

00:24:45,020 --> 00:24:42,330

you're talking about the solution good

565

00:24:48,620 --> 00:24:45,030

news they can if you invite them to an

566

00:24:50,960 --> 00:24:48,630

online meeting using GoToMeeting then

567

00:24:53,480 --> 00:24:50,970

they can see your computer desktop on

568

00:24:55,520 --> 00:24:53,490

their computer screen so you can show

569

00:24:57,260 --> 00:24:55,530

them what you're talking about by use

570

00:24:59,570 --> 00:24:57,270

goto meeting all the time to collaborate

571

00:25:02,899 --> 00:24:59,580

with colleagues and with clients you can

572

00:25:06,950 --> 00:25:02,909

try goto meeting free for 30 days but

573

00:25:10,549 --> 00:25:06,960

you must visit goto meeting / podcasts

574

00:25:12,760 --> 00:25:10,559

that's goto meeting.com slash podcasts

575

00:25:23,270 --> 00:25:12,770

for free 30-day trial

576

00:25:29,360 --> 00:25:27,240

Albert Rosales joins us he researches

577

00:25:31,500 --> 00:25:29,370

humanoid cases and has had some

578

00:25:34,470 --> 00:25:31,510

experiences himself very unusual ones

579

00:25:36,690 --> 00:25:34,480

co-host is Christopher O'Brien Chris you

580

00:25:41,010 --> 00:25:36,700

had some comments and questions yeah

581

00:25:42,810 --> 00:25:41,020

that that last example of humanoid

582

00:25:44,520 --> 00:25:42,820

sighting sounds like maybe the Mothman

583

00:25:47,520 --> 00:25:44,530

was on vacation down in Miami or

584

00:25:49,190 --> 00:25:47,530

something that's is that that type of

585

00:25:51,750 --> 00:25:49,200

report is pretty rare I would imagine

586

00:25:57,150 --> 00:25:51,760

humanoids with wings that sort of thing

587

00:26:00,870 --> 00:25:57,160

well I don't know if you guys heard back

588

00:26:02,820 --> 00:26:00,880

in last year and Mexico Chihuahua State

589

00:26:05,460 --> 00:26:02,830

there were a lot of reports of winged

590

00:26:09,180 --> 00:26:05,470

humanoids similar to the type

591

00:26:11,810 --> 00:26:09,190

reported around March 2009 a lot of

592

00:26:15,300 --> 00:26:11,820

people reported a winged creature

593

00:26:17,880 --> 00:26:15,310

resemble a huge bat but shaped like a

594

00:26:20,750 --> 00:26:17,890

man other study was there assemble

595

00:26:23,610 --> 00:26:20,760

somebody wearing a cape this is in the

596

00:26:25,080 --> 00:26:23,620

2009 case summaries which I had there

597

00:26:27,720 --> 00:26:25,090

were about three or four or five

598

00:26:31,260 --> 00:26:27,730

sightings encounters a winged it

599

00:26:33,060 --> 00:26:31,270

humanoids recently in Mexico of course

600

00:26:35,970 --> 00:26:33,070

it's been a lot of flying humanoids

601  
00:26:37,770 --> 00:26:35,980  
reports lately there's the other have

602  
00:26:39,510 --> 00:26:37,780  
weekly the ones that attacked the the

603  
00:26:43,320 --> 00:26:39,520  
cops down in Mexico I remember some

604  
00:26:47,640 --> 00:26:43,330  
thanks uncle years yeah and there's been

605  
00:26:50,460 --> 00:26:47,650  
one or two this year already that I know

606  
00:26:53,310 --> 00:26:50,470  
about one in a couple of income for Nia

607  
00:26:55,590 --> 00:26:53,320  
it wasn't a winged a humanoid but it was

608  
00:26:58,970 --> 00:26:55,600  
described as something a human shaped

609  
00:27:02,370 --> 00:26:58,980  
like a man but much taller appear to be

610  
00:27:04,980 --> 00:27:02,380  
encasing some kind of metallic bronze

611  
00:27:08,070 --> 00:27:04,990  
color outfit or something that covered

612  
00:27:11,670 --> 00:27:08,080  
and completely flying vertically over

613  
00:27:14,220 --> 00:27:11,680

the witness's house this is back in

614

00:27:17,610 --> 00:27:14,230

January this year January or February

615

00:27:19,890 --> 00:27:17,620

but is very interesting kiss now let's

616

00:27:22,200 --> 00:27:19,900

back you through history humanoid

617

00:27:22,830 --> 00:27:22,210

encounters before we even get to the

618

00:27:25,629 --> 00:27:22,840

history

619

00:27:27,869 --> 00:27:25,639

why did you focus on this

620

00:27:29,919 --> 00:27:27,879

particular aspect of ufo-related

621

00:27:32,079 --> 00:27:29,929

investigations is because of your

622

00:27:36,310 --> 00:27:32,089

personal experiences or what because I

623

00:27:39,789 --> 00:27:36,320

think that's where the the answers lie

624

00:27:41,560 --> 00:27:39,799

when with the occupants or the or these

625

00:27:43,449 --> 00:27:41,570

creatures who are we're dealing with

626  
00:27:47,529 --> 00:27:43,459  
here or wherever they are I don't know

627  
00:27:49,779 --> 00:27:47,539  
but I rather investigate something being

628  
00:27:52,989 --> 00:27:49,789  
with a flying humanoid a little man

629  
00:27:56,259 --> 00:27:52,999  
encounter even Bigfoot or what have you

630  
00:27:58,359 --> 00:27:56,269  
done a light in the sky incident which I

631  
00:28:00,969 --> 00:27:58,369  
don't even worry about that anymore I

632  
00:28:04,149 --> 00:28:00,979  
think be the humanoid encounters is work

633  
00:28:07,739 --> 00:28:04,159  
were the industry lives I think this is

634  
00:28:12,060 --> 00:28:07,749  
where this is where and a lot of these

635  
00:28:16,539 --> 00:28:12,070  
encounters are like so unusual and so

636  
00:28:19,449 --> 00:28:16,549  
absurd that is it's just that I always

637  
00:28:22,180 --> 00:28:19,459  
been attracted to them and say absurd in

638  
00:28:24,009 --> 00:28:22,190

what fashion well some of them just

639

00:28:26,739 --> 00:28:24,019

don't make any sense like just like that

640

00:28:30,279 --> 00:28:26,749

a little men encounter that I had here

641

00:28:32,859 --> 00:28:30,289

when back in 89 and this no there's no

642

00:28:34,539 --> 00:28:32,869

point to it like I was talking to

643

00:28:37,989 --> 00:28:34,549

another researcher here locally that he

644

00:28:40,029 --> 00:28:37,999

said muscles encounters so-called c3

645

00:28:43,079 --> 00:28:40,039

Close Encounters of the Third Kind even

646

00:28:47,919 --> 00:28:43,089

the Fourth Kind encounters appear to be

647

00:28:50,289 --> 00:28:47,929

something old like a show set up or put

648

00:28:52,209 --> 00:28:50,299

that so we could see something that

649

00:28:53,680 --> 00:28:52,219

we're supposed to see it it's something

650

00:28:56,499 --> 00:28:53,690

that's not really supposed to make any

651  
00:28:58,680 --> 00:28:56,509  
sense I don't know exactly what huh

652  
00:29:03,549 --> 00:28:58,690  
means but is yes most of them are

653  
00:29:06,249 --> 00:29:03,559  
totally I mean nonsensical like yeah I'm

654  
00:29:08,639 --> 00:29:06,259  
a reason right that's what I'm trying to

655  
00:29:11,919 --> 00:29:08,649  
say okay so basically dealing here with

656  
00:29:14,699 --> 00:29:11,929  
something where something or someone is

657  
00:29:19,060 --> 00:29:14,709  
trying to put on a show for our benefit

658  
00:29:20,769 --> 00:29:19,070  
others for our benefit is for made for

659  
00:29:23,759 --> 00:29:20,779  
us through those for those people

660  
00:29:26,680 --> 00:29:23,769  
involving the incident or the encounter

661  
00:29:29,430 --> 00:29:26,690  
muscles people are changed there there's

662  
00:29:32,619 --> 00:29:29,440  
a change within the my I believe in and

663  
00:29:36,650 --> 00:29:32,629

I don't know if there's for some kind of

664

00:29:40,040 --> 00:29:36,660

feature you know

665

00:29:42,530 --> 00:29:40,050

planner I'm not sure but there there is

666

00:29:45,980 --> 00:29:42,540

something going on under underneath the

667

00:29:48,440 --> 00:29:45,990

just plain ce3 encounter that's an

668

00:29:50,600 --> 00:29:48,450

interesting thing to do you think that

669

00:29:52,220 --> 00:29:50,610

you mentioned maybe they're putting on a

670

00:29:55,480 --> 00:29:52,230

show for our benefit

671

00:29:57,920 --> 00:29:55,490

but you also go back in your studies to

672

00:30:00,560 --> 00:29:57,930

cases involving humanoids that go back

673

00:30:03,140 --> 00:30:00,570

hundreds or even thousands of years what

674

00:30:04,760 --> 00:30:03,150

see early is to choose catalog looking

675

00:30:09,680 --> 00:30:04,770

at it right now the earliest one that I

676  
00:30:11,510 --> 00:30:09,690  
have which I is from Japan doesn't give

677  
00:30:15,610 --> 00:30:11,520  
you an exact location but this is like

678  
00:30:20,210 --> 00:30:15,620  
them we're talking about maybe 2350 BC

679  
00:30:20,960 --> 00:30:20,220  
there's a ancient manuscript calls say

680  
00:30:24,130 --> 00:30:20,970  
Toki

681  
00:30:28,370 --> 00:30:24,140  
it says during the time of the Emperor

682  
00:30:30,910 --> 00:30:28,380  
Tania and the year of Mon Shama not

683  
00:30:35,090 --> 00:30:30,920  
exactly assured I mean at the vine man

684  
00:30:38,270 --> 00:30:35,100  
descended from the sky you same using a

685  
00:30:40,670 --> 00:30:38,280  
monster that was emitting light the

686  
00:30:43,790 --> 00:30:40,680  
people call this man the master and he

687  
00:30:46,040 --> 00:30:43,800  
received the name tonkoon sandalwood guy

688  
00:30:48,800 --> 00:30:46,050

that was the translation and his country

689

00:30:50,780 --> 00:30:48,810

was called Kisan now this is interesting

690

00:30:53,240 --> 00:30:50,790

you know that that's describing somebody

691

00:30:55,820 --> 00:30:53,250

they came from the sky with a so called

692

00:30:58,400 --> 00:30:55,830

monster that was emitting light that

693

00:31:01,370 --> 00:30:58,410

nowadays that that's called the close

694

00:31:04,580 --> 00:31:01,380

encounter of the third kind but this is

695

00:31:07,460 --> 00:31:04,590

from a ancient Japanese manuscript and

696

00:31:11,660 --> 00:31:07,470

there's and here's one have so many I'm

697

00:31:13,880 --> 00:31:11,670

Burma Ukraine near a river Satomi near

698

00:31:18,440 --> 00:31:13,890

modern-day Kiev and the Ukraine this is

699

00:31:21,020 --> 00:31:18,450

from the year 10,000 65 local residents

700

00:31:23,390 --> 00:31:21,030

observed a strange sign and sign in the

701  
00:31:25,580 --> 00:31:23,400  
sky would just resemble a huge star

702  
00:31:26,030 --> 00:31:25,590  
would start with blood-red beams of

703  
00:31:28,460 --> 00:31:26,040  
light

704  
00:31:30,590 --> 00:31:28,470  
this phenomenon lasted for seven

705  
00:31:33,650 --> 00:31:30,600  
straight days he was seen only during

706  
00:31:36,680 --> 00:31:33,660  
the evening around the same time a child

707  
00:31:38,000 --> 00:31:36,690  
like door type entity was found by

708  
00:31:40,430 --> 00:31:38,010  
fishermen in the river

709  
00:31:43,220 --> 00:31:40,440  
Satomi this river doesn't no longer

710  
00:31:45,350 --> 00:31:43,230  
exist a depressant by the way the dwarf

711  
00:31:47,360 --> 00:31:45,360  
was pull out of the river in a net

712  
00:31:49,830 --> 00:31:47,370  
the fishermen kept watch over the

713  
00:31:52,080 --> 00:31:49,840

strange entity until late afternoon

714

00:31:54,630 --> 00:31:52,090

and threw it back into the river out of

715

00:31:56,789 --> 00:31:54,640

fear and repugnancy according to them

716

00:32:01,440 --> 00:31:56,799

the dwarf-like entity was very strange

717

00:32:03,779 --> 00:32:01,450

with a much wrinkled face another what

718

00:32:04,950 --> 00:32:03,789

they mention aired shameless details on

719

00:32:07,500 --> 00:32:04,960

his face and body

720

00:32:10,919 --> 00:32:07,510

there's no specifics but this is from

721

00:32:15,240 --> 00:32:10,929

another ancient manuscript from the

722

00:32:17,700 --> 00:32:15,250

Ukraine researcher Dmitry lob broth send

723

00:32:21,149 --> 00:32:17,710

it over forwarded over to me this brief

724

00:32:25,139 --> 00:32:21,159

details of the incident this is from 10

725

00:32:29,549 --> 00:32:25,149

the year 1065 and there's others there's

726

00:32:32,669 --> 00:32:29,559

a from 1125 and railed back feinstein

727

00:32:35,820 --> 00:32:32,679

germany near the nearest town include

728

00:32:38,430 --> 00:32:35,830

several witnesses including george

729

00:32:41,940 --> 00:32:38,440

miltenberger reported seeing a bizarre

730

00:32:45,899 --> 00:32:41,950

entity described was resembling a

731

00:32:47,909 --> 00:32:45,909

burning man or a man on fire he was seen

732

00:32:50,730 --> 00:32:47,919

running over the hill spitting fire from

733

00:32:53,549 --> 00:32:50,740

his nose and mouth son said that they

734

00:32:55,980 --> 00:32:53,559

could plainly see his burning ribs they

735

00:32:58,710 --> 00:32:55,990

reportedly remain wandering around the

736

00:33:02,010 --> 00:32:58,720

area for quite some time that could be

737

00:33:03,899 --> 00:33:02,020

what they described but it could have

738

00:33:06,000 --> 00:33:03,909

been a human wearing some kind of

739

00:33:08,760 --> 00:33:06,010

luminous clothing you don't know you

740

00:33:11,970 --> 00:33:08,770

never know but this is from Michael

741

00:33:14,580 --> 00:33:11,980

booga and John Ferguson the researchers

742

00:33:16,230 --> 00:33:14,590

your files Chris you want to follow up

743

00:33:19,730 --> 00:33:16,240

with some of these early cases maybe

744

00:33:22,830 --> 00:33:19,740

some questions or probing yeah I

745

00:33:25,799 --> 00:33:22,840

remember reading Jacques Valley's book

746

00:33:27,269 --> 00:33:25,809

passports Magana quite a number of very

747

00:33:29,820 --> 00:33:27,279

interesting cases from the Middle Ages

748

00:33:31,549 --> 00:33:29,830

that I'm sure Albert you being familiar

749

00:33:35,010 --> 00:33:31,559

with LA's work I'm sure you've included

750

00:33:36,840 --> 00:33:35,020

some of these reports if not all these

751  
00:33:40,649 --> 00:33:36,850  
humanoid-type reports in your database

752  
00:33:44,340 --> 00:33:40,659  
yes the one that springs to mind is the

753  
00:33:46,139 --> 00:33:44,350  
one I think it has to do with like some

754  
00:33:48,000 --> 00:33:46,149  
sort of line that was thrown down from a

755  
00:33:50,220 --> 00:33:48,010  
craft and it got hooked on the steeple

756  
00:33:51,570 --> 00:33:50,230  
of a church and some humanoid-type came

757  
00:33:53,970 --> 00:33:51,580  
down and hooked it in the craft flew

758  
00:33:57,360 --> 00:33:53,980  
away that's the one that kind of springs

759  
00:33:59,850 --> 00:33:57,370  
to mind there also have been cases

760  
00:34:01,590 --> 00:33:59,860  
correct me if I'm wrong where humans

761  
00:34:02,970 --> 00:34:01,600  
have actually been captured and and I

762  
00:34:05,850 --> 00:34:02,980  
think one or two cases actually

763  
00:34:08,280 --> 00:34:05,860

been lynched by townspeople because they

764

00:34:10,790 --> 00:34:08,290

thought that the beam was demonic in

765

00:34:13,919 --> 00:34:10,800

nature if you have you had any reports

766

00:34:17,669 --> 00:34:13,929

like that where townspeople have managed

767

00:34:22,379 --> 00:34:17,679

to capture or or apprehend or injure or

768

00:34:27,000 --> 00:34:22,389

somehow get control over some of these

769

00:34:30,300 --> 00:34:27,010

beans well I I know about the one you

770

00:34:32,159 --> 00:34:30,310

were mentioning about the ship would the

771

00:34:34,770 --> 00:34:32,169

anchor that dropped down over at church

772

00:34:36,930 --> 00:34:34,780

I'm pretty aware that and the other ones

773

00:34:39,470 --> 00:34:36,940

the the people that were Lynch in France

774

00:34:42,419 --> 00:34:39,480

because they were accused of being

775

00:34:45,240 --> 00:34:42,429

witches which this is what happened a

776

00:34:47,700 --> 00:34:45,250

lot back in the Middle Ages people that

777

00:34:49,770 --> 00:34:47,710

I'm if I suppose that encounters or

778

00:34:52,649 --> 00:34:49,780

where abducted and taken to different

779

00:34:55,919 --> 00:34:52,659

locations there were a quick accused of

780

00:35:00,240 --> 00:34:55,929

being witches and trying to think of a

781

00:35:02,070 --> 00:35:00,250

case of identity being see and trying to

782

00:35:05,010 --> 00:35:02,080

find here I'm looking through my on my

783

00:35:07,170 --> 00:35:05,020

database while we're discussing this can

784

00:35:11,940 --> 00:35:07,180

you tell me where to find it you could

785

00:35:15,150 --> 00:35:11,950

go to the a UFO infocomm in the research

786

00:35:18,570 --> 00:35:15,160

section under humanoid encounters go

787

00:35:20,040 --> 00:35:18,580

there and you should find my database

788

00:35:22,410 --> 00:35:20,050

they're not all of it I have a lot of

789

00:35:24,660 --> 00:35:22,420

the updated stuff with me but there's a

790

00:35:27,359 --> 00:35:24,670

lot of stuff there and there's a section

791

00:35:31,500 --> 00:35:27,369

there with ancient encounters go there

792

00:35:32,880 --> 00:35:31,510

see if you can see it yo fo Infocom okay

793

00:35:34,109 --> 00:35:32,890

I found it and what we're going to do

794

00:35:38,340 --> 00:35:34,119

ladies and gentlemen is we're going to

795

00:35:40,950 --> 00:35:38,350

link it from Albert's name when you

796

00:35:43,290 --> 00:35:40,960

click on his name at the para cast comm

797

00:35:45,480 --> 00:35:43,300

or forum dr. para cast out come our

798

00:35:47,609 --> 00:35:45,490

forums you're going to go to this

799

00:35:49,740 --> 00:35:47,619

database you're going to be able to see

800

00:35:51,420 --> 00:35:49,750

the same cases he's referencing and

801  
00:35:53,550 --> 00:35:51,430  
you'll understand where it's all coming

802  
00:35:55,560 --> 00:35:53,560  
now as we look at the overall picture

803  
00:35:59,250 --> 00:35:55,570  
here which is always a good idea I hope

804  
00:36:00,780 --> 00:35:59,260  
do you see a consistency fundamentally

805  
00:36:02,820 --> 00:36:00,790  
allowing for differences of human

806  
00:36:05,730 --> 00:36:02,830  
perception between the cases in ancient

807  
00:36:07,290 --> 00:36:05,740  
times BC and the ones we report today

808  
00:36:09,510 --> 00:36:07,300  
are they all saying the same kinds of

809  
00:36:12,000 --> 00:36:09,520  
creatures pretty much pretty much even

810  
00:36:13,290 --> 00:36:12,010  
though they beckon in the Middle Ages in

811  
00:36:15,109 --> 00:36:13,300  
ancient times the course that were

812  
00:36:18,170 --> 00:36:15,119  
interpreted differently

813  
00:36:22,120 --> 00:36:18,180

they were called gods and they were and

814

00:36:25,400 --> 00:36:22,130

and the ancient ancient men did not have

815

00:36:27,620 --> 00:36:25,410

the you know the type of reference we

816

00:36:29,089 --> 00:36:27,630

have nowadays which they could this the

817

00:36:31,640 --> 00:36:29,099

only way they could describe certain

818

00:36:33,529 --> 00:36:31,650

entities were like a man on fire person

819

00:36:36,170 --> 00:36:33,539

you know like today it may be somebody

820

00:36:38,390 --> 00:36:36,180

wearing a luminous suit they could only

821

00:36:40,400 --> 00:36:38,400

see it as somebody on fire you know what

822

00:36:44,660 --> 00:36:40,410

I mean they couldn't think of any other

823

00:36:46,069 --> 00:36:44,670

words to describe it but they're it's

824

00:36:49,190 --> 00:36:46,079

all the same I think we're saying

825

00:36:53,059 --> 00:36:49,200

basically the same type of creatures

826

00:36:55,039 --> 00:36:53,069

different types many different types not

827

00:36:59,359 --> 00:36:55,049

just so the little gray Hollywood ain't

828

00:37:02,930 --> 00:36:59,369

alien which is being disowned yeah I

829

00:37:04,670 --> 00:37:02,940

mean it's so it's so popular nowadays

830

00:37:06,829 --> 00:37:04,680

yeah but of course the Hollywood type

831

00:37:09,799 --> 00:37:06,839

alien that was basically influenced by

832

00:37:13,579 --> 00:37:09,809

UFO books that describe that kind of

833

00:37:15,410 --> 00:37:13,589

being only after in 1980 cases that I

834

00:37:19,519 --> 00:37:15,420

mean people started running up like the

835

00:37:22,459 --> 00:37:19,529

grace before that yeah if you look at

836

00:37:26,209 --> 00:37:22,469

the the Jack's pallium

837

00:37:28,729 --> 00:37:26,219

passport to my Gonia list of cases and

838

00:37:29,630 --> 00:37:28,739

he has hundreds of close encounters with

839

00:37:32,239 --> 00:37:29,640

human rights there

840

00:37:35,089 --> 00:37:32,249

there isn't one case which is describing

841

00:37:38,299 --> 00:37:35,099

a a great type of humanoid now if you

842

00:37:40,489 --> 00:37:38,309

look at the hump cat listing which I

843

00:37:42,950 --> 00:37:40,499

don't think it's bail anymore nary

844

00:37:47,029 --> 00:37:42,960

anybody I think I have most of it in

845

00:37:50,479 --> 00:37:47,039

those cases which goes up all the way to

846

00:37:53,180 --> 00:37:50,489

1977 there's maybe one or two or three

847

00:37:55,910 --> 00:37:53,190

references of gray type creatures and

848

00:37:58,700 --> 00:37:55,920

that not exactly the one that described

849

00:38:01,279 --> 00:37:58,710

nowadays of course the the one the gray

850

00:38:05,089 --> 00:38:01,289

subscribed by Travis Walton back in

851  
00:38:07,370 --> 00:38:05,099  
November 75 maybe the the Betty and

852  
00:38:09,680 --> 00:38:07,380  
Barney Hill abduction that were not

853  
00:38:12,200 --> 00:38:09,690  
really great like the ones we see

854  
00:38:15,140 --> 00:38:12,210  
nowadays in the movies but there were

855  
00:38:17,839 --> 00:38:15,150  
taller creatures maybe slanted eyes and

856  
00:38:21,140 --> 00:38:17,849  
they were worried in uniform there were

857  
00:38:23,029 --> 00:38:21,150  
not the great creatures that we are led

858  
00:38:27,930 --> 00:38:23,039  
to believe are the only aliens visiting

859  
00:38:29,520 --> 00:38:27,940  
or being encounter or I say aliens but

860  
00:38:32,370 --> 00:38:29,530  
I'm saying entities being encountered

861  
00:38:34,740 --> 00:38:32,380  
and in the world according to Clifford

862  
00:38:37,740 --> 00:38:34,750  
stone we have about 57 varieties of

863  
00:38:46,170 --> 00:38:37,750

aliens that are too much Heinz ketchup

864

00:38:49,620 --> 00:38:46,180

crisps varieties so you're saying that

865

00:38:53,460 --> 00:38:49,630

you don't you do not have very many if

866

00:38:56,750 --> 00:38:53,470

any cases prior to 1980 that are your

867

00:39:01,500 --> 00:38:56,760

typical as you call them Hollywood gray

868

00:39:04,370 --> 00:39:01,510

type aliens in in the descriptions now I

869

00:39:07,290 --> 00:39:04,380

do what because a lot of the people that

870

00:39:10,500 --> 00:39:07,300

remembered being abducted while being

871

00:39:12,120 --> 00:39:10,510

regressed or hypnotically regressed say

872

00:39:14,100 --> 00:39:12,130

they could recall incidents back in the

873

00:39:16,590 --> 00:39:14,110

50s or 60s or 70s will be enough

874

00:39:19,470 --> 00:39:16,600

directed by aliens but these cases would

875

00:39:25,130 --> 00:39:19,480

only only became a bagel or only became

876

00:39:28,130 --> 00:39:25,140

known from the 81 on or 80 on after

877

00:39:31,230 --> 00:39:28,140

Hopkins booked you know missing time

878

00:39:34,170 --> 00:39:31,240

when least Reapers books already

879

00:39:37,320 --> 00:39:34,180

reported you knows the great time aliens

880

00:39:39,780 --> 00:39:37,330

then a lot of people remember or thought

881

00:39:43,320 --> 00:39:39,790

I remember being abducted back in the

882

00:39:45,870 --> 00:39:43,330

70s or 60s or even before and they could

883

00:39:48,420 --> 00:39:45,880

remember seeing so-called gray aliens

884

00:39:53,070 --> 00:39:48,430

but these were not these reports did not

885

00:39:55,050 --> 00:39:53,080

came to life till after early 80s now

886

00:39:57,360 --> 00:39:55,060

this happening that the cases were

887

00:39:59,220 --> 00:39:57,370

influenced by those books or people just

888

00:40:02,370 --> 00:39:59,230

wouldn't talk about them because they

889

00:40:03,720 --> 00:40:02,380

feared people would ridicule them maybe

890

00:40:08,520 --> 00:40:03,730

there's some influence there with the

891

00:40:10,710 --> 00:40:08,530

books maybe they they kind of make their

892

00:40:12,210 --> 00:40:10,720

there whatever they encounter whatever

893

00:40:14,900 --> 00:40:12,220

you mine are they encounter they made

894

00:40:19,080 --> 00:40:14,910

them look like the way that research

895

00:40:22,140 --> 00:40:19,090

researcher wanted them to look or maybe

896

00:40:23,790 --> 00:40:22,150

a lot of the cases that like it I know

897

00:40:26,210 --> 00:40:23,800

they wouldn't talk about it there's a

898

00:40:31,990 --> 00:40:26,220

lot of people that just won't talk about

899

00:40:37,630 --> 00:40:34,530

[Music]

[Music]

914

00:41:53,470 --> 00:41:51,100

Albert where's Alice joining us talking

915

00:41:55,540 --> 00:41:53,480

about humanoid encounters throughout

916

00:41:59,050 --> 00:41:55,550

history until the present day in fact

917

00:42:01,480 --> 00:41:59,060

his database goes up through 2009 I

918

00:42:03,940 --> 00:42:01,490

presume there are 2010 cases he's

919

00:42:05,560 --> 00:42:03,950

collecting co-host is Chris O'Brien so

920

00:42:08,560 --> 00:42:05,570

let me ask you about that you're still

921

00:42:11,950 --> 00:42:08,570

getting humanoid encounter reports up to

922

00:42:13,810 --> 00:42:11,960

very recently right yes I have recently

923

00:42:18,160 --> 00:42:13,820

I talked to a lady all the way from

924

00:42:21,430 --> 00:42:18,170

Australia a suburb of Brisbane and she

925

00:42:24,190 --> 00:42:21,440

was very concerned our granddaughter and

926  
00:42:28,390 --> 00:42:24,200  
a friend of her granddaughter were have

927  
00:42:30,280 --> 00:42:28,400  
had several encounters at night and and

928  
00:42:32,050 --> 00:42:30,290  
the grandmother I mean the

929  
00:42:35,700 --> 00:42:32,060  
granddaughters house and her friend's

930  
00:42:40,260 --> 00:42:35,710  
house also or the what we call a bedroom

931  
00:42:43,390 --> 00:42:40,270  
visitation and you've you follow G lingo

932  
00:42:49,210 --> 00:42:43,400  
they will encounter eight then creature

933  
00:42:52,030 --> 00:42:49,220  
tall not gray blueish but very thin they

934  
00:42:54,730 --> 00:42:52,040  
thought it looked almost start but it

935  
00:42:57,790 --> 00:42:54,740  
was very thin a it was shape basically

936  
00:43:00,400 --> 00:42:57,800  
human but it was tall wasn't wearing any

937  
00:43:01,330 --> 00:43:00,410  
clothing but they didn't see any sexual

938  
00:43:03,610 --> 00:43:01,340

organs

939

00:43:06,580 --> 00:43:03,620

it was bluish but they thought they

940

00:43:08,410 --> 00:43:06,590

could see what appeared to be veins blue

941

00:43:11,700 --> 00:43:08,420

veins running and through different

942

00:43:15,190 --> 00:43:11,710

parts of the body and he had a dark big

943

00:43:18,130 --> 00:43:15,200

not big big but bigger than human dark

944

00:43:21,310 --> 00:43:18,140

eyes it will look at them and he will

945

00:43:23,910 --> 00:43:21,320

walk walk around their bedroom and then

946

00:43:27,250 --> 00:43:23,920

one night were the granddaughter

947

00:43:29,680 --> 00:43:27,260

thinking that it if she slept at her

948

00:43:31,180 --> 00:43:29,690

friend's house one night she wouldn't be

949

00:43:33,490 --> 00:43:31,190

bothered with it they saw it over there

950

00:43:35,700 --> 00:43:33,500

also she wasn't on the only witness her

951

00:43:38,830 --> 00:43:35,710

friend also saw the creature

952

00:43:40,420 --> 00:43:38,840

the lady wrote to me she wanted her to

953

00:43:45,340 --> 00:43:40,430

buy some what to do I could only tell

954

00:43:49,480 --> 00:43:45,350

her that I have never heard of somebody

955

00:43:51,370 --> 00:43:49,490

being hurt I maybe I lied but I didn't

956

00:43:52,600 --> 00:43:51,380

want to scare the lady well you know I

957

00:43:54,490 --> 00:43:52,610

wouldn't ask you about that in a moment

958

00:43:57,250 --> 00:43:54,500

so just go on I'm going to ask the

959

00:43:58,089 --> 00:43:57,260

obvious question like why an encounter

960

00:44:00,460 --> 00:43:58,099

with a

961

00:44:03,160 --> 00:44:00,470

might tell I told her that the best

962

00:44:06,370 --> 00:44:03,170

thing to do was not to you know not not

963

00:44:08,049 --> 00:44:06,380

try to approach it unless it will

964

00:44:12,849 --> 00:44:08,059

approach this you and tries to contact

965

00:44:16,749 --> 00:44:12,859

you first let me let them let them make

966

00:44:20,200 --> 00:44:16,759

the first move okay hurt by a humanoid

967

00:44:24,069 --> 00:44:20,210

when how you know also most of those

968

00:44:26,680 --> 00:44:24,079

cases are unfortunately they're not all

969

00:44:30,880 --> 00:44:26,690

them they're anecdotal and in nature

970

00:44:31,690 --> 00:44:30,890

there's one that in 67 that I could

971

00:44:34,630 --> 00:44:31,700

guess

972

00:44:37,690 --> 00:44:34,640

top of my head and Brazil of course

973

00:44:39,430 --> 00:44:37,700

Brazil has been a place for some reason

974

00:44:42,309 --> 00:44:39,440

that these type of cases have been

975

00:44:46,799 --> 00:44:42,319

reported on people have been injured or

976  
00:44:50,079 --> 00:44:46,809  
hurt by encounters with UFOs this is a

977  
00:44:53,499 --> 00:44:50,089  
I'm trying to find it so I could read it

978  
00:44:57,609 --> 00:44:53,509  
verbatim for you guys this is back in

979  
00:45:00,069 --> 00:44:57,619  
1967 and Brazil a lot of airstrip I

980  
00:45:01,839 --> 00:45:00,079  
can't remember the name of the place but

981  
00:45:04,420 --> 00:45:01,849  
they there was a husband a wife they

982  
00:45:06,099 --> 00:45:04,430  
were like they guarded the location they

983  
00:45:09,940 --> 00:45:06,109  
were like guards there on one and they

984  
00:45:13,420 --> 00:45:09,950  
saw on the tarmac on the on the landing

985  
00:45:16,630 --> 00:45:13,430  
strip what appear to be a disc-shaped

986  
00:45:19,120 --> 00:45:16,640  
craft and they saw some figures that

987  
00:45:20,380 --> 00:45:19,130  
were they look like men well they're

988  
00:45:23,259 --> 00:45:20,390

very thin and they were wearing

989

00:45:26,709 --> 00:45:23,269

tight-fitting light yellow outfits and

990

00:45:28,209 --> 00:45:26,719

they had bald heads no hair their eyes

991

00:45:30,940 --> 00:45:28,219

were normal they're running around and

992

00:45:32,079 --> 00:45:30,950

according to the demand of men and the

993

00:45:34,660 --> 00:45:32,089

lake the lady

994

00:45:38,890 --> 00:45:34,670

they look like children playing around

995

00:45:42,870 --> 00:45:38,900

for some reason now that her husband

996

00:45:46,089 --> 00:45:42,880

grabbed a gun a rifle one one inside of

997

00:45:49,329 --> 00:45:46,099

his room grabbed a rifle and shot at one

998

00:45:51,880 --> 00:45:49,339

of the creatures it's not known if he

999

00:45:55,029 --> 00:45:51,890

hit him but immediately seconds after

1000

00:45:59,200 --> 00:45:55,039

that happened didn't rail a beam of

1001  
00:46:02,160 --> 00:45:59,210  
light came out of already of the object

1002  
00:46:05,529 --> 00:46:02,170  
and struck him he was knocked down

1003  
00:46:08,980 --> 00:46:05,539  
senseless and figures ran into the

1004  
00:46:11,620 --> 00:46:08,990  
object took off disappeared from sight

1005  
00:46:13,900 --> 00:46:11,630  
when what happened after that he was

1006  
00:46:18,700 --> 00:46:13,910  
taken ill he was taken into the hospital

1007  
00:46:21,690 --> 00:46:18,710  
and which and he died maybe two or three

1008  
00:46:24,099 --> 00:46:21,700  
days after that I'm trying to find the

1009  
00:46:27,400 --> 00:46:24,109  
see what they say what the cost of death

1010  
00:46:30,550 --> 00:46:27,410  
because it was some kind of I have to do

1011  
00:46:34,390 --> 00:46:30,560  
with some kind of fulminate in cancer

1012  
00:46:35,650 --> 00:46:34,400  
that all sudden just got got Omar which

1013  
00:46:38,380 --> 00:46:35,660

I'm thinking maybe some kind of

1014

00:46:41,250 --> 00:46:38,390

radiation but that's one of the cases

1015

00:46:46,930 --> 00:46:41,260

that come off the top of my head that is

1016

00:46:48,220 --> 00:46:46,940

very interesting I can't find the here

1017

00:46:50,500 --> 00:46:48,230

we go here we go

1018

00:46:54,339 --> 00:46:50,510

the guys thing was these are 40 was a 49

1019

00:46:59,079 --> 00:46:54,349

year old man inácio de Sousa August 13

1020

00:47:00,940 --> 00:46:59,089

1967 my being in the and the database

1021

00:47:05,200 --> 00:47:00,950

you're looking at our 567 they're

1022

00:47:07,120 --> 00:47:05,210

already each other one of the creatures

1023

00:47:09,910 --> 00:47:07,130

and a bee no green light was emitted

1024

00:47:12,630 --> 00:47:09,920

from the UFO instructs the salsa on the

1025

00:47:15,010 --> 00:47:12,640

head and shoulders he fell unconscious

1026

00:47:17,460 --> 00:47:15,020

the three entities entered the octave

1027

00:47:21,370 --> 00:47:17,470

which then took off vertically I speed

1028

00:47:23,589 --> 00:47:21,380

with the sound like humming of bees the

1029

00:47:25,930 --> 00:47:23,599

salsa not only incurred a circular burnt

1030

00:47:29,200 --> 00:47:25,940

patch in diameter but also upon

1031

00:47:32,079 --> 00:47:29,210

examination by a physician what was fun

1032

00:47:32,890 --> 00:47:32,089

to have leukemia which he died in less

1033

00:47:34,990 --> 00:47:32,900

than two months

1034

00:47:37,359 --> 00:47:35,000

this sounds like radiation poisoning of

1035

00:47:40,990 --> 00:47:37,369

some sort Testament yeah but one does

1036

00:47:42,940 --> 00:47:41,000

really was really accelerated yeah you

1037

00:47:45,550 --> 00:47:42,950

died within two months after that this

1038

00:47:50,680 --> 00:47:45,560

case was investigated by the late dr.

1039

00:47:54,540 --> 00:47:50,690

Olaf Uncas using very famous researcher

1040

00:47:57,400 --> 00:47:54,550

in Brazil yeah is brought up here a

1041

00:48:00,970 --> 00:47:57,410

little image arrow the the option on the

1042

00:48:04,750 --> 00:48:00,980

tarmac there now do you notice instances

1043

00:48:07,210 --> 00:48:04,760

where people who see these humanoids or

1044

00:48:10,210 --> 00:48:07,220

get close encounters with UFOs are

1045

00:48:12,339 --> 00:48:10,220

harmed in some way do you see that kind

1046

00:48:14,380 --> 00:48:12,349

of injury report being focused on any

1047

00:48:16,420 --> 00:48:14,390

particular area of the country maybe

1048

00:48:19,269 --> 00:48:16,430

it's just some kind of prejudice or

1049

00:48:21,880 --> 00:48:19,279

something but it seems to me that

1050

00:48:25,329 --> 00:48:21,890

America gets more of these cases he

1051  
00:48:28,829 --> 00:48:25,339  
seems to me Mexico used to be Brazil

1052  
00:48:31,449 --> 00:48:28,839  
used to be the hub of a lot of the

1053  
00:48:38,219 --> 00:48:31,459  
incidents in which people were either

1054  
00:48:42,130 --> 00:48:38,229  
injured or right killed by it by UFOs

1055  
00:48:46,089 --> 00:48:42,140  
but however there's I know of cases a

1056  
00:48:48,009 --> 00:48:46,099  
case in India may be a case and and a

1057  
00:48:51,279 --> 00:48:48,019  
whole long I mean there's our case in

1058  
00:48:54,729 --> 00:48:51,289  
India which appears to have been some

1059  
00:49:00,209 --> 00:48:54,739  
kind of encounter with humanoids and

1060  
00:49:04,569 --> 00:49:00,219  
then a mutilation of human mutilation

1061  
00:49:09,179 --> 00:49:04,579  
man those are you know kind of taboo in

1062  
00:49:15,249 --> 00:49:09,189  
many instances this isn't believed in

1063  
00:49:19,569 --> 00:49:15,259

1958 whether there was some man's saw a

1064

00:49:22,419 --> 00:49:19,579

couple of children playing and and near

1065

00:49:25,959 --> 00:49:22,429

the where the children were playing an

1066

00:49:27,399 --> 00:49:25,969

opted was seen to land and some small

1067

00:49:29,890 --> 00:49:27,409

figures were seeing to come out of the

1068

00:49:32,469 --> 00:49:29,900

opt-in and and versus children not after

1069

00:49:34,749 --> 00:49:32,479

that he went be hid and he didn't see

1070

00:49:38,079 --> 00:49:34,759

what happened after that he left his

1071

00:49:39,999 --> 00:49:38,089

place of hiding where he was and when he

1072

00:49:42,249 --> 00:49:40,009

went to the location where he has seen

1073

00:49:45,870 --> 00:49:42,259

the optin and the children he found that

1074

00:49:50,459 --> 00:49:45,880

one of the children was dead apparently

1075

00:49:53,589 --> 00:49:50,469

he had been mutilated his eyes removed

1076

00:49:56,649 --> 00:49:53,599

anal cavity you know it's like you hear

1077

00:49:59,109 --> 00:49:56,659

when it happens to cattle and the older

1078

00:50:01,630 --> 00:49:59,119

child was in a catatonic state

1079

00:50:06,130 --> 00:50:01,640

this incident supposedly happened in

1080

00:50:09,519 --> 00:50:06,140

1950 in India this is from researcher

1081

00:50:11,649 --> 00:50:09,529

Jenny Randall's from England wow that's

1082

00:50:13,179 --> 00:50:11,659

that's quite bizarre I've always been on

1083

00:50:15,849 --> 00:50:13,189

the lookout for years I've been on the

1084

00:50:18,130 --> 00:50:15,859

lookout for cattle mutilation cases from

1085

00:50:19,310 --> 00:50:18,140

India this is the first mutilation case

1086

00:50:21,050 --> 00:50:19,320

that I've

1087

00:50:23,030 --> 00:50:21,060

from India but it turns out to be a

1088

00:50:26,750 --> 00:50:23,040

child that's really that's rather

1089

00:50:29,890 --> 00:50:26,760

sobering India does not seem to figure

1090

00:50:33,070 --> 00:50:29,900

very prominently in most ufologist

1091

00:50:35,060 --> 00:50:33,080

databases what are the number of cases

1092

00:50:37,160 --> 00:50:35,070

approximately that you have from India's

1093

00:50:40,400 --> 00:50:37,170

is this something that's fairly rare

1094

00:50:42,020 --> 00:50:40,410

there humanoid encounters obviously a

1095

00:50:44,450 --> 00:50:42,030

human relation case will be extremely

1096

00:50:46,700 --> 00:50:44,460

rare but how much activity has it been

1097

00:50:48,890 --> 00:50:46,710

over the years in India whoa quite a bit

1098

00:50:52,550 --> 00:50:48,900

but you're right I don't have that many

1099

00:50:55,370 --> 00:50:52,560

humanoid cases from India I was talking

1100

00:50:57,560 --> 00:50:55,380

to a researcher there not too long ago

1101  
00:51:00,400 --> 00:50:57,570  
he said that a lot of the there have

1102  
00:51:04,100 --> 00:51:00,410  
been cases but many could be

1103  
00:51:06,020 --> 00:51:04,110  
sociological reasons or people don't

1104  
00:51:09,350 --> 00:51:06,030  
come out and talk about these things

1105  
00:51:12,650 --> 00:51:09,360  
over there they're interpreted as maybe

1106  
00:51:16,460 --> 00:51:12,660  
encounters with deities you know the you

1107  
00:51:20,420 --> 00:51:16,470  
know the India and the Hindu religion as

1108  
00:51:23,630 --> 00:51:20,430  
a myriad of gods and goddesses and

1109  
00:51:25,520 --> 00:51:23,640  
they're interpreted on and and at that

1110  
00:51:27,790 --> 00:51:25,530  
level and many of them are not

1111  
00:51:30,440 --> 00:51:27,800  
interpreted as perhaps like

1112  
00:51:33,770 --> 00:51:30,450  
extraterrestrial or humanoid but there

1113  
00:51:35,780 --> 00:51:33,780

are some cases in and the files not that

1114

00:51:37,220 --> 00:51:35,790

many yeah how about monkey man remember

1115

00:51:39,170 --> 00:51:37,230

monkey man from a few years back that

1116

00:51:41,840 --> 00:51:39,180

was kind of their version of the

1117

00:51:44,720 --> 00:51:41,850

spring-heeled Jack he was a leap up from

1118

00:51:47,120 --> 00:51:44,730

the from the street up to the top of two

1119

00:51:48,980 --> 00:51:47,130

and three storey buildings and chased

1120

00:51:51,950 --> 00:51:48,990

people around I think a couple of people

1121

00:51:53,690 --> 00:51:51,960

even died from shock and panic and once

1122

00:51:56,450 --> 00:51:53,700

you once you give us a brief overview of

1123

00:51:58,130 --> 00:51:56,460

that particular series of encounters

1124

00:52:00,650 --> 00:51:58,140

that's pretty interesting I'd be

1125

00:52:04,610 --> 00:52:00,660

included in my recent book this is back

1126  
00:52:07,520 --> 00:52:04,620  
in 2002 there were many cases around New

1127  
00:52:10,910 --> 00:52:07,530  
Delhi mostly are on New Delhi area but

1128  
00:52:13,280 --> 00:52:10,920  
another are there areas but this monkey

1129  
00:52:16,610 --> 00:52:13,290  
man there were there were different

1130  
00:52:19,100 --> 00:52:16,620  
descriptions of the sanity some people

1131  
00:52:21,620 --> 00:52:19,110  
described it as short hairy you know a

1132  
00:52:24,530 --> 00:52:21,630  
lot of hair and wearing a some kind of

1133  
00:52:27,250 --> 00:52:24,540  
brown smock bright eyes and there were

1134  
00:52:29,300 --> 00:52:27,260  
he will come and and a lot of times the

1135  
00:52:31,070 --> 00:52:29,310  
witnesses were scratch or they were

1136  
00:52:33,110 --> 00:52:31,080  
really frightened though other people

1137  
00:52:36,470 --> 00:52:33,120  
describe the entity as being able

1138  
00:52:40,520 --> 00:52:36,480

jump up take tremendous leaps into the

1139

00:52:42,230 --> 00:52:40,530

air even fly you know short distances

1140

00:52:45,350 --> 00:52:42,240

but there were many different

1141

00:52:49,100 --> 00:52:45,360

descriptions what I know is a one

1142

00:52:52,610 --> 00:52:49,110

pregnant woman fell down the steps upon

1143

00:52:54,380 --> 00:52:52,620

seeing the creature and consequently

1144

00:52:57,050 --> 00:52:54,390

died after that and there was another

1145

00:52:59,480 --> 00:52:57,060

man that was found after an encounter he

1146

00:53:01,700 --> 00:52:59,490

was found scratched and he was also dead

1147

00:53:04,040 --> 00:53:01,710

they thought it was related with the

1148

00:53:07,250 --> 00:53:04,050

kind of encounter with a monkey man

1149

00:53:11,690 --> 00:53:07,260

now after that I believe there are no

1150

00:53:15,290 --> 00:53:11,700

more cases until 2004 when they had also

1151

00:53:19,310 --> 00:53:15,300

and in the reports of it wasn't really

1152

00:53:23,120 --> 00:53:19,320

an entity or humanoid but was like like

1153

00:53:26,030 --> 00:53:23,130

a ball of light that emitted like loud

1154

00:53:28,700 --> 00:53:26,040

humming and they will burnt burn the the

1155

00:53:30,740 --> 00:53:28,710

witness it was like cost a lot of

1156

00:53:32,930 --> 00:53:30,750

injuries also around the New Delhi area

1157

00:53:36,530 --> 00:53:32,940

it was also in the news for a while this

1158

00:53:38,720 --> 00:53:36,540

is I believe 2004 there are a lot of

1159

00:53:43,760 --> 00:53:38,730

injuries related to that okay so why is

1160

00:53:46,370 --> 00:53:43,770

in the papers in India you know I

1161

00:53:48,200 --> 00:53:46,380

believe it was in the papers but I don't

1162

00:53:51,050 --> 00:53:48,210

like I don't really have the reference

1163

00:53:53,000 --> 00:53:51,060

with me but it was they went on for a

1164

00:53:55,550 --> 00:53:53,010

while maybe just like the monkey man the

1165

00:53:57,950 --> 00:53:55,560

monkey was in the papers and it was it

1166

00:54:00,530 --> 00:53:57,960

was even covered in papers here no I

1167

00:54:02,780 --> 00:54:00,540

believe in the UK now one of the

1168

00:54:04,910 --> 00:54:02,790

considerations here is in collecting all

1169

00:54:06,980 --> 00:54:04,920

these cases do you ever get a chance to

1170

00:54:09,080 --> 00:54:06,990

actually go down on the scene to

1171

00:54:11,750 --> 00:54:09,090

investigate to interview people and see

1172

00:54:12,170 --> 00:54:11,760

for yourself what's going on I've done

1173

00:54:16,280 --> 00:54:12,180

that

1174

00:54:19,700 --> 00:54:16,290

locally on several cases delayed read

1175

00:54:23,840 --> 00:54:19,710

most recent one talked to a young man

1176  
00:54:27,290 --> 00:54:23,850  
here in Miami the Western Dade County he

1177  
00:54:31,910 --> 00:54:27,300  
has had several incidents of encounters

1178  
00:54:34,070 --> 00:54:31,920  
um the only humanoid case was that I

1179  
00:54:37,460 --> 00:54:34,080  
could term as a humanoid he was last

1180  
00:54:39,260 --> 00:54:37,470  
year maybe in the summer he he was

1181  
00:54:42,880 --> 00:54:39,270  
outstanding in the front of his home and

1182  
00:54:46,370 --> 00:54:42,890  
he saw something coming down the road

1183  
00:54:48,890 --> 00:54:46,380  
that to him it looked like a car but

1184  
00:54:49,460 --> 00:54:48,900  
wasn't a car I don't know if you know

1185  
00:54:52,910 --> 00:54:49,470  
what I mean

1186  
00:54:56,090 --> 00:54:52,920  
he said it looked like like a bull I'm

1187  
00:54:58,250 --> 00:54:56,100  
the old bull swaggins but it was had a

1188  
00:54:59,960 --> 00:54:58,260

big fender but he couldn't see any tires

1189

00:55:01,640 --> 00:54:59,970

or wheels okay it looked like the

1190

00:55:03,290 --> 00:55:01,650

original Volkswagen Beetle then they

1191

00:55:04,670 --> 00:55:03,300

write something like that but he was

1192

00:55:06,260 --> 00:55:04,680

kind of luminous and didn't have any

1193

00:55:08,900 --> 00:55:06,270

wheels it is kind of floating over the

1194

00:55:11,180 --> 00:55:08,910

ground it came over it kind of stopped

1195

00:55:13,880 --> 00:55:11,190

I haven't even summarized this case yeah

1196

00:55:17,330 --> 00:55:13,890

that stopped in front of his home and he

1197

00:55:20,060 --> 00:55:17,340

was kind of in a daze and he walked over

1198

00:55:23,150 --> 00:55:20,070

and he did or non the other side open

1199

00:55:26,270 --> 00:55:23,160

any so legs coming out of the car after

1200

00:55:28,520 --> 00:55:26,280

that he doesn't remember he did this

1201  
00:55:31,250 --> 00:55:28,530  
next memory was being inside of the home

1202  
00:55:33,970 --> 00:55:31,260  
sitting and watching TV or something but

1203  
00:55:37,070 --> 00:55:33,980  
him and his girlfriend has experienced

1204  
00:55:38,900 --> 00:55:37,080  
other strange incidents in the house not

1205  
00:55:43,330 --> 00:55:38,910  
necessarily humanoid in nature

1206  
00:55:46,910 --> 00:55:43,340  
I also interview a boy here in Homestead

1207  
00:55:51,530 --> 00:55:46,920  
it was just south of Miami closer to the

1208  
00:55:54,800 --> 00:55:51,540  
keys he saw a being or entity in a feel

1209  
00:55:56,270 --> 00:55:54,810  
across his home of course that area

1210  
00:55:59,690 --> 00:55:56,280  
there were homestead is a lot of fields

1211  
00:56:04,250 --> 00:55:59,700  
it's mostly agricultural is that it was

1212  
00:56:07,700 --> 00:56:04,260  
a tall figure wearing an silvery suit

1213  
00:56:11,810 --> 00:56:07,710

and the interesting part would be he had

1214

00:56:13,580 --> 00:56:11,820

some kind of insignia luminescent Cygnet

1215

00:56:16,070 --> 00:56:13,590

and like in the chest there he looked

1216

00:56:17,630 --> 00:56:16,080

like a badge to him some kind of

1217

00:56:18,620 --> 00:56:17,640

inscription but he couldn't tell exactly

1218

00:56:21,850 --> 00:56:18,630

what it was

1219

00:56:26,090 --> 00:56:21,860

sounds like a superhero something maybe

1220

00:56:28,400 --> 00:56:26,100

what do you call that the power rangers

1221

00:56:30,170 --> 00:56:28,410

or something but he he he had luminous

1222

00:56:32,000 --> 00:56:30,180

eyes and he was looking at there I

1223

00:56:35,510 --> 00:56:32,010

talked to him personally to the boy and

1224

00:56:38,330 --> 00:56:35,520

his family and he sounded pretty sober

1225

00:56:41,240 --> 00:56:38,340

and he didn't appear to me that he was

1226

00:56:43,220 --> 00:56:41,250

making it up after that is according to

1227

00:56:47,870 --> 00:56:43,230

him and him I his family has weird

1228

00:56:51,290 --> 00:56:47,880

dreams you know of being abducted and

1229

00:56:55,190 --> 00:56:51,300

stuff like that but he I think he only

1230

00:56:56,360 --> 00:56:55,200

saw that entity once I'm still in touch

1231

00:56:58,880 --> 00:56:56,370

with him see if there's any more

1232

00:56:59,340 --> 00:56:58,890

incidents of the case is submitted to

1233

00:57:03,210 --> 00:56:59,350

you

1234

00:57:05,670 --> 00:57:03,220

turn out to be hoaxes after

1235

00:57:07,440 --> 00:57:05,680

investigation I know in the files that I

1236

00:57:10,020 --> 00:57:07,450

have in those they're definitely hoses

1237

00:57:12,330 --> 00:57:10,030

there I include I I tend to include

1238

00:57:15,750 --> 00:57:12,340

everything that's submitted directly to

1239

00:57:18,930 --> 00:57:15,760

me yeah I had some people's especially

1240

00:57:23,010 --> 00:57:18,940

but there were soul races and so uh I

1241

00:57:24,480 --> 00:57:23,020

mean stupid that I could tell right away

1242

00:57:27,120 --> 00:57:24,490

it was come on

1243

00:57:30,840 --> 00:57:27,130

were you trying to kid one guy trying to

1244

00:57:35,510 --> 00:57:30,850

tell me that he was the he's seen what

1245

00:57:37,530 --> 00:57:35,520

appears appear to be a stethoscope

1246

00:57:41,100 --> 00:57:37,540

floating around his backyard

1247

00:57:47,010 --> 00:57:41,110

following him trying to take his I don't

1248

00:57:48,750 --> 00:57:47,020

know his vitals or something and and he

1249

00:57:52,410 --> 00:57:48,760

sent me about ten or fifteen emails

1250

00:57:54,150 --> 00:57:52,420

begging me to include his case and I

1251  
00:57:58,080 --> 00:57:54,160  
called my boy what are you trying to do

1252  
00:57:59,880 --> 00:57:58,090  
intern you seriously come on then he he

1253  
00:58:02,670 --> 00:57:59,890  
I think it was a medication or something

1254  
00:58:11,040 --> 00:58:02,680  
but he said he wasn't watch repeats of

1255  
00:58:13,410 --> 00:58:11,050  
house on TV too often dr. house took on

1256  
00:58:15,570 --> 00:58:13,420  
TV took all those pain-killing drugs you

1257  
00:58:20,820 --> 00:58:15,580  
take enough of those you start seeing

1258  
00:58:22,980 --> 00:58:20,830  
things yeah yeah when it's an outright

1259  
00:58:24,930 --> 00:58:22,990  
hose and somebody is I don't include it

1260  
00:58:27,600 --> 00:58:24,940  
in them and my files like it you know I

1261  
00:58:31,230 --> 00:58:27,610  
haven't my files all these nineteen

1262  
00:58:33,660 --> 00:58:31,240  
fifty cases like the contactee cases and

1263  
00:58:36,720 --> 00:58:33,670

like a damn ski and all some of the

1264

00:58:39,870 --> 00:58:36,730

others that you can tell it you know but

1265

00:58:41,880 --> 00:58:39,880

I include them because there's actually

1266

00:58:43,890 --> 00:58:41,890

people that swear from sorry about those

1267

00:58:46,290 --> 00:58:43,900

cases that really actually believe there

1268

00:58:48,180 --> 00:58:46,300

are real believers that there are space

1269

00:58:51,870 --> 00:58:48,190

brothers and they are coming here to

1270

00:58:53,820 --> 00:58:51,880

help us in 2012 okay so your database

1271

00:58:55,110 --> 00:58:53,830

here you're not really vetting

1272

00:58:57,000 --> 00:58:55,120

everything you're just including

1273

00:59:00,180 --> 00:58:57,010

anything that just seems like it might

1274

00:59:03,150 --> 00:59:00,190

be vaguely sensible yeah yeah okay yeah

1275

00:59:04,440 --> 00:59:03,160

I get a lot of cases from overseas also

1276

00:59:07,350 --> 00:59:04,450

but most of those cases I've been

1277

00:59:09,180 --> 00:59:07,360

investigated and a lot of these cases

1278

00:59:11,280 --> 00:59:09,190

are sent over to me and I have

1279

00:59:14,120 --> 00:59:11,290

to translate them many of them I have to

1280

00:59:17,190 --> 00:59:14,130

translate I say well we'll get more

1281

00:59:20,040 --> 00:59:17,200

involved in these humanoid cases on part

1282

00:59:22,620 --> 00:59:20,050

2 of power cast co-host is christopher

1283

00:59:25,440 --> 00:59:22,630

o'brien our guest albert rosalee's were

1284

00:59:27,930 --> 00:59:25,450

looking at humanoids connected or not

1285

00:59:33,210 --> 00:59:27,940

connected with UFOs more coming on the

1286

00:59:35,220 --> 00:59:33,220

other side of the para cast we want to

1287

00:59:37,440 --> 00:59:35,230

hear from you if you have a comment or

1288

00:59:39,930 --> 00:59:37,450

question about the pair cast send it to

1289

00:59:43,170 --> 00:59:39,940

news at the pair cast com

1290

00:59:45,120 --> 00:59:43,180

that's news at the pair cast calm and

1291

00:59:46,829 --> 00:59:45,130

don't forget to visit our forums where

1292

00:59:49,380 --> 00:59:46,839

you can talk to fellow listeners just go

1293

00:59:51,839 --> 00:59:49,390

to the para cast calm and click on the

1294

01:00:00,560 --> 00:59:51,849

forum links that's the forum links at

1295

01:00:09,359 --> 01:00:02,970

welcome back to the parrot house with

1296

01:00:15,120 --> 01:00:11,989

our guest this week Gitmo and researcher

1297

01:00:17,249 --> 01:00:15,130

Albert Rosales our co-host is

1298

01:00:21,359 --> 01:00:17,259

Christopher O'Brien still recovering

1299

01:00:24,749 --> 01:00:21,369

from the venom from a scorpion a very

1300

01:00:26,519 --> 01:00:24,759

eager scorpion get scorpion but it early

1301  
01:00:28,349 --> 01:00:26,529  
kind of scorpion the kind you find here

1302  
01:00:30,479 --> 01:00:28,359  
in Arizona Chris you want to pick up on

1303  
01:00:32,160 --> 01:00:30,489  
the questioning first of all we never

1304  
01:00:34,620 --> 01:00:32,170  
really established the just the

1305  
01:00:37,289 --> 01:00:34,630  
impressive extent of your database how

1306  
01:00:40,920 --> 01:00:37,299  
many about how many reports and cases

1307  
01:00:44,370 --> 01:00:40,930  
you have now right now I will say close

1308  
01:00:47,009 --> 01:00:44,380  
to 15,000 already well I still have

1309  
01:00:49,559 --> 01:00:47,019  
wonders here to enter and from books

1310  
01:00:52,200 --> 01:00:49,569  
like I get from different parts of the

1311  
01:00:54,450 --> 01:00:52,210  
world I got to translate them and I mean

1312  
01:00:57,029 --> 01:00:54,460  
a lot of these books and journals and

1313  
01:00:59,519 --> 01:00:57,039

cases that I get are unheard of here in

1314

01:01:01,019 --> 01:00:59,529

the United States which is interesting I

1315

01:01:04,229 --> 01:01:01,029

want to include them so that way

1316

01:01:07,049 --> 01:01:04,239

everybody has access to what goes on in

1317

01:01:08,729 --> 01:01:07,059

different parts of the world we want you

1318

01:01:11,249 --> 01:01:08,739

to throw the fact that here in the u.s.

1319

01:01:13,849 --> 01:01:11,259

we don't pay attention to the fact that

1320

01:01:16,289 --> 01:01:13,859

UFOs it happens to be a worldwide

1321

01:01:17,999 --> 01:01:16,299

phenomenon we don't look at South

1322

01:01:20,160 --> 01:01:18,009

America we don't look at Europe we don't

1323

01:01:22,079 --> 01:01:20,170

certainly look good Asia we don't look

1324

01:01:24,719 --> 01:01:22,089

at third world countries very

1325

01:01:26,670 --> 01:01:24,729

unfortunate but how do you pick up cases

1326

01:01:29,009 --> 01:01:26,680

like that is it always because of the

1327

01:01:31,620 --> 01:01:29,019

fact that you have people around the

1328

01:01:33,150 --> 01:01:31,630

world who are submitting stuff to you or

1329

01:01:34,829 --> 01:01:33,160

you have to sit back and just do all the

1330

01:01:37,109 --> 01:01:34,839

research yourself do you have helpers I

1331

01:01:40,529 --> 01:01:37,119

have a couple people yeah I have some

1332

01:01:42,959 --> 01:01:40,539

helpers definitely lately I've been

1333

01:01:45,599 --> 01:01:42,969

getting help from and down South America

1334

01:01:48,269 --> 01:01:45,609

Chile Argentina I have some what I

1335

01:01:50,569 --> 01:01:48,279

normally do we exchange information I

1336

01:01:52,799 --> 01:01:50,579

send them stuff and they send me stuff

1337

01:01:55,380 --> 01:01:52,809

sometimes I used to have a guy in the

1338

01:01:58,529 --> 01:01:55,390

Ukraine that I will send them packages

1339

01:02:00,539 --> 01:01:58,539

every other month books magazines that

1340

01:02:03,359 --> 01:02:00,549

he can't he couldn't get over there in

1341

01:02:05,539 --> 01:02:03,369

the Ukraine they spoke English so he was

1342

01:02:08,489 --> 01:02:05,549

able to read them and he will send me

1343

01:02:12,059 --> 01:02:08,499

cases that he would translate for me and

1344

01:02:16,140 --> 01:02:12,069

I will do that and I had you know people

1345

01:02:19,469 --> 01:02:16,150

from Australia Poland Sweden Germany the

1346

01:02:20,470 --> 01:02:19,479

many different kinds Canada helped me

1347

01:02:25,420 --> 01:02:20,480

with

1348

01:02:27,990 --> 01:02:25,430

how we met is you're an enquiring about

1349

01:02:31,750 --> 01:02:28,000

a couple of cases from my database and

1350

01:02:33,609 --> 01:02:31,760

things recall that that's how when we I

1351

01:02:35,830 --> 01:02:33,619

first found out about you and your work

1352

01:02:38,080 --> 01:02:35,840

and I was quite impressed with the way

1353

01:02:40,270 --> 01:02:38,090

that you approached me and how you asked

1354

01:02:43,270 --> 01:02:40,280

for the information wasn't it wasn't

1355

01:02:44,349 --> 01:02:43,280

just sended long or can I use it it was

1356

01:02:46,570 --> 01:02:44,359

like you really wanted to know more

1357

01:02:49,120 --> 01:02:46,580

about it and I think that that's that

1358

01:02:51,849 --> 01:02:49,130

side of human nature that sort of

1359

01:02:53,700 --> 01:02:51,859

curiosity and wanting to know the facts

1360

01:02:55,660 --> 01:02:53,710

I think is really important for a

1361

01:02:57,460 --> 01:02:55,670

researcher such as yourself

1362

01:03:00,190 --> 01:02:57,470

you can't always take everything at face

1363

01:03:03,940 --> 01:03:00,200

value if there is an opportunity to dig

1364

01:03:08,440 --> 01:03:03,950

into it I'm impressed that you do to go

1365

01:03:12,180 --> 01:03:08,450

the extra mile and do that on these

1366

01:03:14,500 --> 01:03:12,190

cases communication doesn't seem to be

1367

01:03:17,680 --> 01:03:14,510

it seems to be the exception rather than

1368

01:03:19,950 --> 01:03:17,690

the norm most of these cases are seem to

1369

01:03:22,420 --> 01:03:19,960

be just these means are being observed

1370

01:03:24,430 --> 01:03:22,430

what percentage would you say of cases

1371

01:03:28,450 --> 01:03:24,440

are there is there an actual interaction

1372

01:03:30,450 --> 01:03:28,460

with the humanoid-type and it and and do

1373

01:03:33,280 --> 01:03:30,460

you see any sort of I don't know just

1374

01:03:36,490 --> 01:03:33,290

consistency in terms of the what these

1375

01:03:37,810 --> 01:03:36,500

humanoid types are asking or saying is

1376

01:03:40,930 --> 01:03:37,820

there any rhyme or reason to the

1377

01:03:44,099 --> 01:03:40,940

communication well most of the cases in

1378

01:03:47,050 --> 01:03:44,109

which communication is reported is

1379

01:03:49,960 --> 01:03:47,060

telepathic communication and most of

1380

01:03:52,750 --> 01:03:49,970

these cases are the abduction cases or

1381

01:03:56,170 --> 01:03:52,760

the abduction scenarios many times

1382

01:03:59,230 --> 01:03:56,180

there's cases in which the main theme

1383

01:04:02,230 --> 01:03:59,240

here that they seem to communicate when

1384

01:04:04,000 --> 01:04:02,240

there's their first encounters they tell

1385

01:04:06,580 --> 01:04:04,010

you right a way that tell whether the

1386

01:04:09,940 --> 01:04:06,590

encounters don't be afraid I'm not here

1387

01:04:12,070 --> 01:04:09,950

at you don't thank God they say that and

1388

01:04:15,550 --> 01:04:12,080

then a lot of these people that claim

1389

01:04:17,950 --> 01:04:15,560

encounters and abductions are told that

1390

01:04:19,210 --> 01:04:17,960

they they'll be back one day they're

1391

01:04:21,609 --> 01:04:19,220

coming back they'll be back you'll see

1392

01:04:23,200 --> 01:04:21,619

me well again they don't really give you

1393

01:04:26,770 --> 01:04:23,210

a time frame a lot of people I invited

1394

01:04:29,560 --> 01:04:26,780

to go with them they're told do you want

1395

01:04:31,250 --> 01:04:29,570

to come with us and a lot of the people

1396

01:04:34,800 --> 01:04:31,260

most of the people are

1397

01:04:37,350 --> 01:04:34,810

reluctant or hesitant then they they

1398

01:04:39,570 --> 01:04:37,360

want to know for how long and I know

1399

01:04:42,090 --> 01:04:39,580

cases of people they've been told you'll

1400

01:04:45,180 --> 01:04:42,100

be gone for a couple month three month a

1401

01:04:47,580 --> 01:04:45,190

year and some people been told no you'll

1402

01:04:50,760 --> 01:04:47,590

never be back again but it would be

1403

01:04:52,800 --> 01:04:50,770

better for you I I suspect they're

1404

01:04:55,410 --> 01:04:52,810

they're people that had said yes and

1405

01:04:57,510 --> 01:04:55,420

they're never been seen again where they

1406

01:05:01,440 --> 01:04:57,520

had now I don't know but I don't know if

1407

01:05:04,020 --> 01:05:01,450

you'll recall the incident of Frederick

1408

01:05:05,760 --> 01:05:04,030

Valentich back in 78 they gathered

1409

01:05:10,260 --> 01:05:05,770

disappear in a plane down in Australia

1410

01:05:14,040 --> 01:05:10,270

he reported a UFO coming close to he had

1411

01:05:18,090 --> 01:05:14,050

a small aircraft and it hovered over him

1412

01:05:19,440 --> 01:05:18,100

and this last transmission was something

1413

01:05:21,750 --> 01:05:19,450

that he was getting closed and there

1414

01:05:24,840 --> 01:05:21,760

were some noise and he was never seen

1415

01:05:27,840 --> 01:05:24,850

again it was a search and nothing was

1416

01:05:30,510 --> 01:05:27,850

found and there were other other people

1417

01:05:32,490 --> 01:05:30,520

that saw that's other UFOs in the area

1418

01:05:35,610 --> 01:05:32,500

around the same time and there's another

1419

01:05:40,590 --> 01:05:35,620

similar case in 1918 near Puerto Rico

1420

01:05:42,750 --> 01:05:40,600

two men and no aircraft reported being

1421

01:05:45,180 --> 01:05:42,760

harassed or followed by a craft that

1422

01:05:47,040 --> 01:05:45,190

wouldn't let him maneuver where they

1423

01:05:49,680 --> 01:05:47,050

were headed to some believe Santo

1424

01:05:50,760 --> 01:05:49,690

Domingo in Dominican Republic or they

1425

01:05:54,060 --> 01:05:50,770

were headed back to Puerto Rico and

1426

01:05:56,430 --> 01:05:54,070

sorry and this craft was following then

1427

01:06:01,220 --> 01:05:56,440

and and their transmission was picked up

1428

01:06:05,940 --> 01:06:01,230

by a very Airlines coming from Spain to

1429

01:06:08,460 --> 01:06:05,950

Florida and think the guy finally gave

1430

01:06:13,020 --> 01:06:08,470

up it says no like a disc raffle and let

1431

01:06:14,970 --> 01:06:13,030

me go anywhere and I have no we're lost

1432

01:06:16,800 --> 01:06:14,980

we can't go anywhere the courseid this

1433

01:06:18,870 --> 01:06:16,810

they were never heard from again either

1434

01:06:20,730 --> 01:06:18,880

airplane was never found his father was

1435

01:06:24,480 --> 01:06:20,740

a lieutenant commander in the Puerto

1436

01:06:25,680 --> 01:06:24,490

Rican police and he spent years trying

1437

01:06:28,200 --> 01:06:25,690

to figure out what happened to his son

1438

01:06:31,890 --> 01:06:28,210

he searched the area by himself

1439

01:06:34,140 --> 01:06:31,900

many times soon after the Coast Guard

1440

01:06:36,630 --> 01:06:34,150

finished searching and they never found

1441

01:06:39,210 --> 01:06:36,640

his son and there there are many cases

1442

01:06:43,080 --> 01:06:39,220

in which UFO Center directly related to

1443

01:06:47,520 --> 01:06:45,810

now when we looking at that here is it

1444

01:06:50,310 --> 01:06:47,530

always possible here at the people who

1445

01:06:53,040 --> 01:06:50,320

disappeared for a period of time whether

1446

01:06:55,020 --> 01:06:53,050

it was months years or forever they had

1447

01:06:56,760 --> 01:06:55,030

other reasons other compelling reasons

1448

01:06:59,340 --> 01:06:56,770

to disappear maybe they had financial

1449

01:07:01,110 --> 01:06:59,350

difficulties they had legal difficulties

1450

01:07:02,970 --> 01:07:01,120

the police are after them or something

1451

01:07:04,760 --> 01:07:02,980

or maybe they didn't tell us and they

1452

01:07:07,320 --> 01:07:04,770

just disappeared before they were caught

1453

01:07:09,360 --> 01:07:07,330

I'm sure that 90% of the people that

1454

01:07:12,780 --> 01:07:09,370

voluntarily vanishes is that's the

1455

01:07:16,380 --> 01:07:12,790

reason but there's always that the small

1456

01:07:19,680 --> 01:07:16,390

percentage that have no reason at all

1457

01:07:21,750 --> 01:07:19,690

for them disappearing or there they

1458

01:07:24,510 --> 01:07:21,760

disappear in strange circumstances

1459

01:07:27,390 --> 01:07:24,520

they're like these two cases I just

1460

01:07:30,240 --> 01:07:27,400

mentioned or I know of some cases in

1461

01:07:34,050 --> 01:07:30,250

which people have disappeared the

1462

01:07:35,820 --> 01:07:34,060

vicinity of like a case in Brazil again

1463

01:07:38,610 --> 01:07:35,830

we go back to Brazil in 78 that two

1464

01:07:40,950 --> 01:07:38,620

cousins according to the incident that

1465

01:07:44,420 --> 01:07:40,960

were picked up by a UFO - two boys there

1466

01:07:48,030 --> 01:07:44,430

were maybe 14 or 50 years old this is in

1467

01:07:51,030 --> 01:07:48,040

that place called piranhas and Brazil

1468

01:07:54,150 --> 01:07:51,040

and state I think the state of Minas get

1469

01:07:56,640 --> 01:07:54,160

ice and 78 they were picked up by a UFO

1470

01:07:59,250 --> 01:07:56,650

but that were gone for maybe one or two

1471

01:08:01,650 --> 01:07:59,260

days one of the boys was brought back he

1472

01:08:04,020 --> 01:08:01,660

was found like 200 kilometres away from

1473

01:08:05,730 --> 01:08:04,030

me he was originally picked up his

1474

01:08:06,620 --> 01:08:05,740

cousin however was never seen or heard

1475

01:08:10,500 --> 01:08:06,630

from again

1476

01:08:12,690 --> 01:08:10,510

apparently they let him go and they took

1477

01:08:15,210 --> 01:08:12,700

his cousin well and this case was

1478

01:08:17,160 --> 01:08:15,220

verified by local researchers there's a

1479

01:08:18,870 --> 01:08:17,170

lot of the information and it's like

1480

01:08:20,880 --> 01:08:18,880

he's saying in South America and some of

1481

01:08:23,340 --> 01:08:20,890

the other parts of the world and the

1482

01:08:25,200 --> 01:08:23,350

former folks Soviet Union and all those

1483

01:08:28,020 --> 01:08:25,210

places are we never hear from him we

1484

01:08:30,090 --> 01:08:28,030

totally ignore over here yeah like I

1485

01:08:33,720 --> 01:08:30,100

said most of the I mean in my opinion

1486

01:08:36,320 --> 01:08:33,730

the general public most of the public is

1487

01:08:38,910 --> 01:08:36,330

doesn't have a clue what was going on

1488

01:08:41,250 --> 01:08:38,920

that's true especially Americans seem to

1489

01:08:42,870 --> 01:08:41,260

have blinders on when it comes to you

1490

01:08:44,370 --> 01:08:42,880

know they think American reports are the

1491

01:08:46,200 --> 01:08:44,380

only ones that matter and I think some

1492

01:08:48,599 --> 01:08:46,210

of the most if not the most compelling

1493

01:08:52,050 --> 01:08:48,609

cases do not come from the United States

1494

01:08:53,550 --> 01:08:52,060

I think the rather cookie cutter here as

1495

01:08:54,729 --> 01:08:53,560

opposed to South America as you

1496

01:08:57,220 --> 01:08:54,739

mentioned or

1497

01:08:59,140 --> 01:08:57,230

Europe like Eastern Europe didn't tend

1498

01:09:01,120 --> 01:08:59,150

to have much more bizarre reports like

1499

01:09:03,459 --> 01:09:01,130

collective Armenia case what do you make

1500

01:09:05,170 --> 01:09:03,469

of that particular case well maybe

1501

01:09:09,430 --> 01:09:05,180

explain to our listeners first because

1502

01:09:11,320 --> 01:09:09,440

we've had AJ Rivera on the show a couple

1503

01:09:13,510 --> 01:09:11,330

of years back talking about Brazilian

1504

01:09:15,940 --> 01:09:13,520

cases but before we look at the

1505

01:09:17,110 --> 01:09:15,950

implications maybe Albert remind our

1506

01:09:20,170 --> 01:09:17,120

listeners what it's all about

1507

01:09:24,130 --> 01:09:20,180

but in your case in Brazil back in

1508

01:09:28,510 --> 01:09:24,140

nineteen I'm sorry then 1996 yes

1509

01:09:30,670 --> 01:09:28,520

January there was a reports first there

1510

01:09:32,050 --> 01:09:30,680

were some reports of a UFO appear to be

1511

01:09:34,539 --> 01:09:32,060

in trouble there were smoke coming from

1512

01:09:36,809 --> 01:09:34,549

it a cigar-shaped craft reportedly

1513

01:09:40,530 --> 01:09:36,819

crashed a little bit soon after that

1514

01:09:44,380 --> 01:09:40,540

some girls and house cursed of budding a

1515

01:09:46,749 --> 01:09:44,390

place called hunting under a reported

1516

01:09:51,700 --> 01:09:46,759

encounter encounter several creatures

1517

01:09:53,769 --> 01:09:51,710

and the bushes that were like short with

1518

01:09:56,580 --> 01:09:53,779

little riches on their head big heads

1519

01:09:59,770 --> 01:09:56,590

red eyes again there were not grace

1520

01:10:03,220 --> 01:09:59,780

totally different from grace and these

1521

01:10:05,110 --> 01:10:03,230

were apparently the survivors of a crash

1522

01:10:08,459 --> 01:10:05,120

there was immediately there was police

1523

01:10:11,920 --> 01:10:08,469

and military activity in the area and

1524

01:10:14,140 --> 01:10:11,930

supposedly the Brazilian pilita

1525

01:10:17,860 --> 01:10:14,150

military capture and was able to

1526

01:10:21,190 --> 01:10:17,870

recovers some of these creatures during

1527

01:10:22,900 --> 01:10:21,200

the incident and they killed clay some

1528

01:10:25,150 --> 01:10:22,910

of these soldiers came came in close

1529

01:10:27,850 --> 01:10:25,160

contact with the creatures and one of

1530

01:10:30,070 --> 01:10:27,860

them reportedly died as a result he

1531

01:10:33,190 --> 01:10:30,080

developed some kind of disease or

1532

01:10:37,420 --> 01:10:33,200

condition that could not be corrected

1533

01:10:39,130 --> 01:10:37,430

and he died shortly after and this is

1534

01:10:42,580 --> 01:10:39,140

this case is one of the most compelling

1535

01:10:45,550 --> 01:10:42,590

that I think when it comes to possibly a

1536

01:10:49,420 --> 01:10:45,560

crash I think it's even more important

1537

01:10:51,880 --> 01:10:49,430

and Roswell I mean well the creatures

1538

01:10:55,060 --> 01:10:51,890

were spotted the reports were coming in

1539

01:10:57,010 --> 01:10:55,070

two three months later right supposedly

1540

01:10:59,290 --> 01:10:57,020

one of the creatures was not captured

1541

01:11:02,130 --> 01:10:59,300

and was seen lurking around the area

1542

01:11:04,780 --> 01:11:02,140

also there was quite a bit of

1543

01:11:05,390 --> 01:11:04,790

speculation that somehow officials from

1544

01:11:08,570 --> 01:11:05,400

NASA

1545

01:11:11,899 --> 01:11:08,580

I think we were seen going into the

1546

01:11:14,750 --> 01:11:11,909

hospital we have reports of an autopsy

1547

01:11:16,550 --> 01:11:14,760

that supposedly was done what is the

1548

01:11:20,479 --> 01:11:16,560

state of the case now I mean how have we

1549

01:11:22,370 --> 01:11:20,489

learned anything from about the 98 mm

1550

01:11:25,939 --> 01:11:22,380

point on I think that's about when the

1551

01:11:29,149 --> 01:11:25,949

case sort of faded away in in most

1552

01:11:30,439 --> 01:11:29,159

ufologist minds to some extent but have

1553

01:11:31,970 --> 01:11:30,449

you heard of any other new developments

1554

01:11:34,010 --> 01:11:31,980

has anyone come forward from the

1555

01:11:38,149 --> 01:11:34,020

hospital or from the military

1556

01:11:40,880 --> 01:11:38,159

last I heard it was several people

1557

01:11:44,810 --> 01:11:40,890

involved in the hospital like nurses and

1558

01:11:47,300 --> 01:11:44,820

doctors they they sort of confirmed the

1559

01:11:52,340 --> 01:11:47,310

incident with some of the Brazilian

1560

01:11:54,950 --> 01:11:52,350

researchers like Guevara and they they

1561

01:11:56,689 --> 01:11:54,960

smoke they spoke more about the death of

1562

01:11:58,430 --> 01:11:56,699

the soldier that would came in close

1563

01:12:00,950 --> 01:11:58,440

contact and was more detail than that

1564

01:12:04,640 --> 01:12:00,960

I've been trying to update that case and

1565

01:12:08,630 --> 01:12:04,650

I in my files it's still a stack of

1566

01:12:10,520 --> 01:12:08,640

stuff here to do but as of 2000 and the

1567

01:12:13,250 --> 01:12:10,530

early 2000 haven't been too much out of

1568

01:12:14,260 --> 01:12:13,260

that case much more in new information I

1569

01:12:20,310 --> 01:12:14,270

meant

1570

01:12:27,260 --> 01:12:23,229

[Music]

1571

01:12:29,540 --> 01:12:27,270

is there a secret UFO agenda to strange

1572

01:12:31,879 --> 01:12:29,550

creatures from the darkest corners of

1573

01:12:34,520 --> 01:12:31,889

the mind roam the earth is there

1574

01:12:37,790 --> 01:12:34,530

evidence for mind control time travel

1575

01:12:39,649 --> 01:12:37,800

are devious government conspiracies find

1576

01:12:42,290 --> 01:12:39,659

out the inside scoop on the latest

1577

01:12:44,870 --> 01:12:42,300

conspiracies paranormal activity and

1578

01:12:47,240 --> 01:12:44,880

important phenomena when you subscribe

1579

01:12:50,030 --> 01:12:47,250

to Tim Beckley's conspiracy Turo

1580

01:12:52,430 --> 01:12:50,040

it's jam-packed with stories special

1581

01:12:55,160 --> 01:12:52,440

book and DVD promotions and the best

1582

01:12:58,399 --> 01:12:55,170

news it's absolutely free sent right to

1583

01:13:01,939 --> 01:12:58,409

your mailbox plus a bonus free email

1584

01:13:03,830 --> 01:13:01,949

newsletter sent out every Friday simply

1585

01:13:08,270 --> 01:13:03,840

send an email with your name and address

1586

01:13:13,129 --> 01:13:08,280

to mister UFO at WebTV dotnet attached

1587

01:13:17,580 --> 01:13:13,139

to mr. UFO at web TV net find out what

1588

01:13:29,760 --> 01:13:22,140

[Music]

1589

01:13:36,760 --> 01:13:33,490

we have Alberto Salas an experimenter

1590

01:13:38,500 --> 01:13:36,770

he's had unusual encounters with this

1591

01:13:41,530 --> 01:13:38,510

family other things through its life and

1592

01:13:43,840 --> 01:13:41,540

also a researcher into humanoid cases

1593

01:13:46,479 --> 01:13:43,850

now maybe we look at the endgame here

1594

01:13:48,370 --> 01:13:46,489

have you reached any conclusions all

1595

01:13:50,350 --> 01:13:48,380

this data you have there we realize some

1596

01:13:52,420 --> 01:13:50,360

of it may not have been fully vetted

1597

01:13:55,330 --> 01:13:52,430

some of it is just there for the sake of

1598

01:13:58,350 --> 01:13:55,340

historical record but have you begun to

1599

01:14:02,020 --> 01:13:58,360

think what might be causing all these

1600

01:14:05,590 --> 01:14:02,030

reports of humanoids throughout history

1601

01:14:09,250 --> 01:14:05,600

I don't know but I think we might be

1602

01:14:11,740 --> 01:14:09,260

reaching a some type of like you call it

1603

01:14:13,600 --> 01:14:11,750

an endgame because it's been going on

1604

01:14:15,370 --> 01:14:13,610

for so long if you think about it but

1605

01:14:20,320 --> 01:14:15,380

would go back thousands of years of this

1606

01:14:22,150 --> 01:14:20,330

type of incidence of encounters is it

1607

01:14:26,500 --> 01:14:22,160

gonna go on forever I don't know it

1608

01:14:29,110 --> 01:14:26,510

seems like it has it seems like and if

1609

01:14:32,010 --> 01:14:29,120

my belief that we on earth we have there

1610

01:14:34,720 --> 01:14:32,020

have been other civilizations before us

1611

01:14:37,240 --> 01:14:34,730

for some reason they have come to an end

1612

01:14:39,340 --> 01:14:37,250

and somebody some other civilization has

1613

01:14:41,650 --> 01:14:39,350

started maybe it's our turn to go I

1614

01:14:44,610 --> 01:14:41,660

don't know maybe this is coming to a

1615

01:14:47,830 --> 01:14:44,620

point when there's gonna be some kind of

1616

01:14:49,540 --> 01:14:47,840

like they call it Earth's change I don't

1617

01:14:52,390 --> 01:14:49,550

know but I think there's gotta be a

1618

01:14:55,570 --> 01:14:52,400

point to all this exactly what it is I

1619

01:14:58,240 --> 01:14:55,580

wish I knew well having even considered

1620

01:14:59,790 --> 01:14:58,250

that possibility do you see things and

1621

01:15:02,470 --> 01:14:59,800

maybe the information that's

1622

01:15:04,330 --> 01:15:02,480

communicated by the anti DS to the

1623

01:15:06,220 --> 01:15:04,340

witnesses that might indicate some kind

1624

01:15:07,750 --> 01:15:06,230

of purpose that's assuming of course

1625

01:15:11,170 --> 01:15:07,760

it's not all deception which it might be

1626

01:15:12,550 --> 01:15:11,180

well you guys of course remember the the

1627

01:15:17,380 --> 01:15:12,560

Chilean earthquake Chilean earthquake

1628

01:15:20,770 --> 01:15:17,390

good this year in 2009 there was a case

1629

01:15:22,870 --> 01:15:20,780

is in my if you look at my 2009 files

1630

01:15:26,979 --> 01:15:22,880

she'll be there a case in August and

1631

01:15:30,370 --> 01:15:26,989

France in which the witnesses were told

1632

01:15:33,610 --> 01:15:30,380

that to watch out for the date February

1633

01:15:38,860 --> 01:15:33,620

28 or 29 that there was going to be a

1634

01:15:42,910 --> 01:15:38,870

major catastrophe watch out for and 2010

1635

01:15:44,320 --> 01:15:42,920

February 28 29 which of course it did

1636

01:15:45,729 --> 01:15:44,330

occur there was definitely a major

1637

01:15:47,470 --> 01:15:45,739

catastrophe of course they didn't

1638

01:15:48,970 --> 01:15:47,480

mention anything about the bigger

1639

01:15:51,910 --> 01:15:48,980

catastrophe of the Haitian earthquake

1640

01:15:56,740 --> 01:15:51,920

right before that one early January I

1641

01:15:59,890 --> 01:15:56,750

think that this entities have the the

1642

01:16:01,060 --> 01:15:59,900

ability to tell what what the futures

1643

01:16:04,840 --> 01:16:01,070

gonna bring

1644

01:16:07,870 --> 01:16:04,850

or is bringing us but that's in the 2009

1645

01:16:10,990 --> 01:16:07,880

fall they apparently they they were able

1646

01:16:13,000 --> 01:16:11,000

to describe exactly what was gonna

1647

01:16:16,240 --> 01:16:13,010

happen and the case was written down

1648

01:16:21,820 --> 01:16:16,250

before the earthquake it wasn't done

1649

01:16:23,950 --> 01:16:21,830

like after the earthquake 2009 fall I

1650

01:16:26,830 --> 01:16:23,960

believe August it kind of reminds me of

1651

01:16:29,080 --> 01:16:26,840

John keel being told that there was

1652

01:16:30,580 --> 01:16:29,090

gonna be some cataclysmic occurrence I

1653

01:16:33,220 --> 01:16:30,590

think it was the assassination of the

1654

01:16:34,390 --> 01:16:33,230

Pope if I recall on a particular date

1655

01:16:37,300 --> 01:16:34,400

and it turned out that that's when the

1656

01:16:39,700 --> 01:16:37,310

silver bridge collapsed yeah he was he

1657

01:16:41,860 --> 01:16:39,710

was lied to he was told several things

1658

01:16:46,840 --> 01:16:41,870

that never happened and then the bridge

1659

01:16:49,660 --> 01:16:46,850

collapsed and yeah so I'm kind of I

1660

01:16:52,270 --> 01:16:49,670

don't know some kind of uh they they

1661

01:16:55,030 --> 01:16:52,280

give you little hints and pieces here

1662

01:16:56,950 --> 01:16:55,040

but when the true events comes around

1663

01:16:59,800 --> 01:16:56,960

you don't know is that is that very

1664

01:17:02,770 --> 01:16:59,810

prevalent is that something that happens

1665

01:17:06,040 --> 01:17:02,780

a lot some sort of prophet prophecy

1666

01:17:09,580 --> 01:17:06,050

being handed over to humans by these

1667

01:17:13,030 --> 01:17:09,590

humanoids is that pretty rare it has

1668

01:17:14,560 --> 01:17:13,040

been pretty prevalent it was pretty

1669

01:17:18,220 --> 01:17:14,570

prevalent back in the 90s

1670

01:17:19,900 --> 01:17:18,230

89 and Eastern Europe for some reason

1671

01:17:23,970 --> 01:17:19,910

right after the collapse of the Soviet

1672

01:17:26,380 --> 01:17:23,980

Union there was a humongous wave of

1673

01:17:30,640 --> 01:17:26,390

encounters with humanoids and entities

1674

01:17:34,090 --> 01:17:30,650

from 89 to 1991 and all that region

1675

01:17:37,180 --> 01:17:34,100

there Russia Ukraine all the former

1676

01:17:39,490 --> 01:17:37,190

provinces of the Soviet Union and a lot

1677

01:17:41,380 --> 01:17:39,500

of these encounters the and the

1678

01:17:44,850 --> 01:17:41,390

witnesses were told by the entity

1679

01:17:48,300 --> 01:17:44,860

about future coming they mentioned go

1680

01:17:51,720 --> 01:17:48,310

worring they mentioned coming Wars

1681

01:17:53,670 --> 01:17:51,730

guitars from dead it's been pretty

1682

01:17:57,810 --> 01:17:53,680

prevalent every time there's an

1683

01:17:59,160 --> 01:17:57,820

encounter with a with aliens not every

1684

01:18:00,750 --> 01:17:59,170

time I think now a lot of times when

1685

01:18:04,070 --> 01:18:00,760

there's an encounter with aliens or

1686

01:18:09,240 --> 01:18:04,080

suppose that aliens they they sort of

1687

01:18:10,740 --> 01:18:09,250

hint to coming disasters it's more

1688

01:18:13,260 --> 01:18:10,750

prevalent than we think

1689

01:18:15,660 --> 01:18:13,270

actually well that gets to be the whole

1690

01:18:17,250 --> 01:18:15,670

thing about deception where creatures

1691

01:18:19,530 --> 01:18:17,260

come down they say something and

1692

01:18:21,840 --> 01:18:19,540

sometimes it comes to pass and sometimes

1693

01:18:23,640 --> 01:18:21,850

it doesn't but the thing that bothers me

1694

01:18:25,440 --> 01:18:23,650

about the whole thing is the fact that

1695

01:18:27,810 --> 01:18:25,450

it's gone on for so long I mean if ET

1696

01:18:29,880 --> 01:18:27,820

comes here on a starship and they set up

1697

01:18:31,290 --> 01:18:29,890

a base on the moon or whatever they send

1698

01:18:33,620 --> 01:18:31,300

their Scout ships over here and maybe

1699

01:18:36,930 --> 01:18:33,630

occasionally they crash and you think

1700

01:18:39,780 --> 01:18:36,940

thousands of years to coming here going

1701

01:18:42,030 --> 01:18:39,790

back and forth to whatever but you know

1702

01:18:43,440 --> 01:18:42,040

we can't nail it down isn't there

1703

01:18:47,390 --> 01:18:43,450

something that might indicate maybe

1704

01:18:52,290 --> 01:18:47,400

they're closer to home and Zeta Reticuli

1705

01:18:54,930 --> 01:18:52,300

you know what my feeling my theory and

1706

01:18:57,360 --> 01:18:54,940

that I like to expose more than the

1707

01:19:00,330 --> 01:18:57,370

extra-terrestrial theories that maybe

1708

01:19:02,580 --> 01:19:00,340

we're being visited by people from other

1709

01:19:05,960 --> 01:19:02,590

beings from other dimensions other

1710

01:19:08,670 --> 01:19:05,970

universe within ours from other

1711

01:19:10,950 --> 01:19:08,680

dimensional planes of existence that

1712

01:19:13,860 --> 01:19:10,960

there might be hundreds of them in our

1713

01:19:15,570 --> 01:19:13,870

own flat or earth here in our you know

1714

01:19:18,240 --> 01:19:15,580

our three-dimensional world

1715

01:19:20,130 --> 01:19:18,250

maybe there's about a hundred dimensions

1716

01:19:22,380 --> 01:19:20,140

that we don't see and once in a while

1717

01:19:25,140 --> 01:19:22,390

somebody or something from one of those

1718

01:19:28,440 --> 01:19:25,150

dimensions is able to cross over and

1719

01:19:32,370 --> 01:19:28,450

wreak havoc here with us maybe we're the

1720

01:19:34,830 --> 01:19:32,380

UFOs in their world I know of cases that

1721

01:19:37,560 --> 01:19:34,840

it seems to indicate that these

1722

01:19:41,490 --> 01:19:37,570

creatures are able to appear some early

1723

01:19:43,380 --> 01:19:41,500

from what appear to be portals or into

1724

01:19:45,810 --> 01:19:43,390

your room they say that you're sleeping

1725

01:19:49,080 --> 01:19:45,820

in the bed and all of a sudden some kind

1726

01:19:51,930 --> 01:19:49,090

of portal materializes in your bedroom

1727

01:19:55,350 --> 01:19:51,940

and out of that portal somebody walks

1728

01:19:56,720 --> 01:19:55,360

out and then there's an interaction with

1729

01:19:58,550 --> 01:19:56,730

that creature

1730

01:20:00,770 --> 01:19:58,560

and your your your first thing you might

1731

01:20:02,470 --> 01:20:00,780

be an extraterrestrial but necessarily

1732

01:20:05,740 --> 01:20:02,480

maybe we're digging with the

1733

01:20:08,630 --> 01:20:05,750

interdimensional beans I have a matter

1734

01:20:09,920 --> 01:20:08,640

transporter just like Star Trek does you

1735

01:20:13,640 --> 01:20:09,930

know I mean they're experimenting with

1736

01:20:16,340 --> 01:20:13,650

that in the test labs now yes yes and

1737

01:20:18,020 --> 01:20:16,350

also aim disability Delos um they become

1738

01:20:20,630 --> 01:20:18,030

invisible like some of the Bigfoot

1739

01:20:23,120 --> 01:20:20,640

creatures have been reported and first

1740

01:20:24,590 --> 01:20:23,130

for some reason they they're seen

1741

01:20:26,570 --> 01:20:24,600

running down the field all that Sunday

1742

01:20:28,700 --> 01:20:26,580

they disappeared and they appear again

1743

01:20:30,980 --> 01:20:28,710

the eye center of the case is that and

1744

01:20:34,730 --> 01:20:30,990

that way I know that case here in Miami

1745

01:20:36,860 --> 01:20:34,740

the lady was lying our couch watching TV

1746

01:20:40,870 --> 01:20:36,870

all aside she was an able to move and

1747

01:20:43,460 --> 01:20:40,880

from her window what appeared to be a l

1748

01:20:46,100 --> 01:20:43,470

the window that led to the street

1749

01:20:49,940 --> 01:20:46,110

something that resembled a TV screen

1750

01:20:50,990 --> 01:20:49,950

came floated in and hover over you know

1751

01:20:54,250 --> 01:20:51,000

the bedroom floor

1752

01:20:57,170 --> 01:20:54,260

and I know that TV scream I figured

1753

01:20:59,690 --> 01:20:57,180

climbed out looked like a man wearing a

1754

01:21:02,300 --> 01:20:59,700

uniform car cover all with a helmet

1755

01:21:04,760 --> 01:21:02,310

bye sir bye sir I think you couldn't see

1756

01:21:07,460 --> 01:21:04,770

any facial details she was unable to

1757

01:21:09,260 --> 01:21:07,470

move all the sudden she kind of was able

1758

01:21:12,620 --> 01:21:09,270

to move for some reason and the creature

1759

01:21:16,370 --> 01:21:12,630

the man stepped back and he hit a button

1760

01:21:19,280 --> 01:21:16,380

in his shirt cover and he jumped back

1761

01:21:22,820 --> 01:21:19,290

he's recording on her he's kind of

1762

01:21:25,940 --> 01:21:22,830

summer somersaulted back into the TV

1763

01:21:27,910 --> 01:21:25,950

screen thing and disappear into there

1764

01:21:30,650 --> 01:21:27,920

and then it floated out the window again

1765

01:21:32,270 --> 01:21:30,660

that's a bizarre one of course it could

1766

01:21:36,490 --> 01:21:32,280

also look at sleep paralysis or

1767

01:21:38,810 --> 01:21:36,500

something yeah kind of an unusual one I

1768

01:21:41,360 --> 01:21:38,820

I've been in ball with sleep paralysis

1769

01:21:43,370 --> 01:21:41,370

sleep paralysis incident here I which I

1770

01:21:45,380 --> 01:21:43,380

you're laying in bed and you're unable

1771

01:21:47,480 --> 01:21:45,390

to move and you swear you hear somebody

1772

01:21:49,400 --> 01:21:47,490

walking around you and but you're unable

1773

01:21:53,540 --> 01:21:49,410

to move but you you you swear that

1774

01:21:56,780 --> 01:21:53,550

you're awake you're noises and Nola stun

1775

01:21:59,060 --> 01:21:56,790

your you're back to reality again that's

1776

01:22:01,460 --> 01:21:59,070

happened to me several times but this

1777

01:22:03,470 --> 01:22:01,470

phenomenon of winking and winking out of

1778

01:22:05,670 --> 01:22:03,480

our reality you almost wonder sometimes

1779

01:22:07,530 --> 01:22:05,680

if this is like a holographic

1780

01:22:10,050 --> 01:22:07,540

I mean if you look at the Star Trek

1781

01:22:12,660 --> 01:22:10,060

series mostly in Star Trek next

1782

01:22:14,850 --> 01:22:12,670

generation the holodeck where they can

1783

01:22:17,130 --> 01:22:14,860

go in there and the computers create an

1784

01:22:19,650 --> 01:22:17,140

artificial reality that seems real now

1785

01:22:21,600 --> 01:22:19,660

that artificial reality well okay we're

1786

01:22:24,000 --> 01:22:21,610

projecting something that will happen

1787

01:22:25,680 --> 01:22:24,010

three or four hundred years hence but an

1788

01:22:28,020 --> 01:22:25,690

advanced civilization might be able to

1789

01:22:31,230 --> 01:22:28,030

do that now how do we know that what we

1790

01:22:34,950 --> 01:22:31,240

see is really there and not some kind of

1791

01:22:37,380 --> 01:22:34,960

movie or show for our benefits oh we

1792

01:22:39,450 --> 01:22:37,390

don't we don't really know some of these

1793

01:22:42,660 --> 01:22:39,460

things appear to be just totally

1794

01:22:45,660 --> 01:22:42,670

holographic in nature like some of these

1795

01:22:48,350 --> 01:22:45,670

creatures use they've been seen you

1796

01:22:51,570 --> 01:22:48,360

could see it from the front but then

1797

01:22:53,580 --> 01:22:51,580

appears to be one-dimensional it turns

1798

01:22:55,920 --> 01:22:53,590

around and there's nothing there I've

1799

01:22:58,980 --> 01:22:55,930

seen of cases heard of cases like that

1800

01:23:01,290 --> 01:22:58,990

yeah i that's how my case went when I

1801  
01:23:05,730 --> 01:23:01,300  
was little in 63 the same year that you

1802  
01:23:09,150 --> 01:23:05,740  
had your first encounter I had a group

1803  
01:23:10,770 --> 01:23:09,160  
of non-human humanoids and it pieces

1804  
01:23:13,920 --> 01:23:10,780  
that followed me around my neighborhood

1805  
01:23:15,660 --> 01:23:13,930  
and at one point I was I had stopped to

1806  
01:23:17,100 --> 01:23:15,670  
get a good look at him and watch them

1807  
01:23:19,380 --> 01:23:17,110  
come underneath the streetlight as they

1808  
01:23:21,120 --> 01:23:19,390  
were following me and they turned

1809  
01:23:22,800 --> 01:23:21,130  
sideways and came through the light like

1810  
01:23:24,870 --> 01:23:22,810  
pieces of paper like they had no depth

1811  
01:23:27,600 --> 01:23:24,880  
right so we're to say well that

1812  
01:23:30,180 --> 01:23:27,610  
terrified me that's is that a detail

1813  
01:23:31,860 --> 01:23:30,190

that that that you've encountered in

1814

01:23:34,940 --> 01:23:31,870

your that database is that something

1815

01:23:38,550 --> 01:23:34,950

fairly prevalent or is that pretty rare

1816

01:23:41,220 --> 01:23:38,560

but I know several cases that way that

1817

01:23:45,090 --> 01:23:41,230

kind of case that people report T

1818

01:23:48,150 --> 01:23:45,100

dimensional right that they appear to

1819

01:23:51,720 --> 01:23:48,160

have no death and or sometimes they're

1820

01:23:57,720 --> 01:23:51,730

they're see-through they come in and out

1821

01:24:00,210 --> 01:23:57,730

like a disability and another location I

1822

01:24:02,120 --> 01:24:00,220

there's been cases of all the creatures

1823

01:24:05,160 --> 01:24:02,130

appear to morph into a different form

1824

01:24:06,750 --> 01:24:05,170

you heard of those that might be pretty

1825

01:24:07,920 --> 01:24:06,760

rare I've never heard of oh okay it's

1826

01:24:11,430 --> 01:24:07,930

like that you mean they take it on a

1827

01:24:14,460 --> 01:24:11,440

different humanoid type form yes there's

1828

01:24:17,950 --> 01:24:14,470

a couple cases one from Israel with

1829

01:24:19,750 --> 01:24:17,960

which is some

1830

01:24:22,810 --> 01:24:19,760

weird cases there and not too much known

1831

01:24:25,479 --> 01:24:22,820

also here United States and there's a

1832

01:24:28,600 --> 01:24:25,489

database of Israeli cases unfortunately

1833

01:24:31,000 --> 01:24:28,610

isn't this in Hebrew and I was able to

1834

01:24:33,340 --> 01:24:31,010

translate a little bit but I some of the

1835

01:24:37,360 --> 01:24:33,350

cases that there's one case which a

1836

01:24:40,800 --> 01:24:37,370

couple and Tala beat came upon me and

1837

01:24:44,740 --> 01:24:40,810

this is inside their home short a

1838

01:24:47,020 --> 01:24:44,750

big-headed great type creature and they

1839

01:24:48,580 --> 01:24:47,030

walking in there in the room and they

1840

01:24:52,150 --> 01:24:48,590

follow it and all of a sudden it seemed

1841

01:24:56,800 --> 01:24:52,160

to morph into a tall blond Nordic type

1842

01:24:59,380 --> 01:24:56,810

and then it disappeared out to Scott

1843

01:25:04,330 --> 01:24:59,390

does bizarre there's another case in

1844

01:25:07,600 --> 01:25:04,340

which a witness possibly was abducted on

1845

01:25:13,300 --> 01:25:07,610

board a craft and he was confronted by a

1846

01:25:15,430 --> 01:25:13,310

tall blond Nordic but nor does Nordic

1847

01:25:18,729 --> 01:25:15,440

type seem to be fading in and out and

1848

01:25:21,160 --> 01:25:18,739

behind it she saw what a beauty a

1849

01:25:25,910 --> 01:25:21,170

resilient are kind of a risk tile

1850

01:25:31,300 --> 01:25:28,630

[Music]

1851

01:25:33,130 --> 01:25:31,310

hi this is tomorrow from Namecheap where

1852

01:25:35,020 --> 01:25:33,140

a domain name and web hosting company

1853

01:25:37,060 --> 01:25:35,030

and we really care about our customers

1854

01:25:39,400 --> 01:25:37,070

with domain name purchases Namecheap

1855

01:25:41,320 --> 01:25:39,410

offers free SSL and free who is guard

1856

01:25:43,120 --> 01:25:41,330

for a year to protect your identity from

1857

01:25:45,310 --> 01:25:43,130

spammers we won't bother you with

1858

01:25:47,290 --> 01:25:45,320

unwanted messaging in your inbox or upon

1859

01:25:48,970 --> 01:25:47,300

checkout but most importantly we care

1860

01:25:50,770 --> 01:25:48,980

about you our customers your

1861

01:25:52,840 --> 01:25:50,780

satisfaction and happiness is our

1862

01:25:54,640 --> 01:25:52,850

primary focus because your support means

1863

01:25:57,370 --> 01:25:54,650

so much to us if you'd like to learn

1864

01:25:59,500 --> 01:25:57,380

more please visit us at radio name chief

1865

01:26:01,360 --> 01:25:59,510

comm for web hosting and domain name

1866

01:26:06,280 --> 01:26:01,370

specials you can also follow us on

1867

01:26:08,020 --> 01:26:06,290

twitter at twitter.com/zeromd come a fan

1868

01:26:12,270 --> 01:26:08,030

of ours on facebook at facebook.com

1869

01:26:15,970 --> 01:26:14,230

you're the best

1870

01:26:21,240 --> 01:26:15,980

you never know what's going to happen

1871

01:26:27,640 --> 01:26:24,490

before we get too weird Alberto Salas

1872

01:26:30,669 --> 01:26:27,650

and the very weird originally stung

1873

01:26:34,299 --> 01:26:30,679

Christopher O Brien is co-host I just

1874

01:26:36,250 --> 01:26:34,309

stop harping on that am i no you know

1875

01:26:37,780 --> 01:26:36,260

people harp on me all the time so I am

1876

01:26:40,149 --> 01:26:37,790

going to get my revenge

1877

01:26:43,899 --> 01:26:40,159

okay so Albert we have all these cases

1878

01:26:45,640 --> 01:26:43,909

of people winking in and out and we have

1879

01:26:48,399 --> 01:26:45,650

all these things and maybe we want to go

1880

01:26:50,530 --> 01:26:48,409

back to Paul Young's collective

1881

01:26:53,169 --> 01:26:50,540

unconscious and maybe we're generating

1882

01:26:56,770 --> 01:26:53,179

these illusions for some higher purpose

1883

01:26:59,140 --> 01:26:56,780

that's also a possibility

1884

01:27:03,609 --> 01:26:59,150

yeah collective collective consciousness

1885

01:27:07,149 --> 01:27:03,619

I think John keel called it the super

1886

01:27:10,330 --> 01:27:07,159

spectrum didn't he he thought that this

1887

01:27:14,069 --> 01:27:10,340

whole thing was some kind of everything

1888

01:27:17,260 --> 01:27:14,079

was connected all kinds of entities

1889

01:27:20,819 --> 01:27:17,270

Bigfoot winget creatures Mothman

1890

01:27:24,299 --> 01:27:20,829

humanoids UFOs they're all part of the

1891

01:27:26,859 --> 01:27:24,309

so-called super spectrum that was and

1892

01:27:30,879 --> 01:27:26,869

contact I mean it was connected with

1893

01:27:35,080 --> 01:27:30,889

humans somehow for some purpose he's

1894

01:27:35,740 --> 01:27:35,090

just a mess with us the trickster pull

1895

01:27:38,439 --> 01:27:35,750

this forward

1896

01:27:40,240 --> 01:27:38,449

yeah the trickster exactly now that's

1897

01:27:42,370 --> 01:27:40,250

why I wrote the book stalking the

1898

01:27:44,859 --> 01:27:42,380

tricksters we there's so many cases that

1899

01:27:47,439 --> 01:27:44,869

I personally have investigated and

1900

01:27:49,770 --> 01:27:47,449

countless cases that I've heard of from

1901

01:27:52,479 --> 01:27:49,780

credible researchers and investigators

1902

01:27:54,580 --> 01:27:52,489

that you know you touched on this at the

1903

01:27:56,830 --> 01:27:54,590

very beginning Albert that that it's

1904

01:28:00,459 --> 01:27:56,840

nonsensical there's just no rhyme or

1905

01:28:02,709 --> 01:28:00,469

reason for why cases occur the way they

1906

01:28:05,620 --> 01:28:02,719

do why these entities do the things they

1907

01:28:09,280 --> 01:28:05,630

do why they telepathically sometimes

1908

01:28:13,240 --> 01:28:09,290

communicate nonsensical information ask

1909

01:28:15,790 --> 01:28:13,250

just totally bizarre questions there is

1910

01:28:19,000 --> 01:28:15,800

a tricksters quality to many of these

1911

01:28:22,089 --> 01:28:19,010

cases and I really feel that that tricks

1912

01:28:24,149 --> 01:28:22,099

the definition it makes as much sense as

1913

01:28:26,530 --> 01:28:24,159

pretty much any of the other

1914

01:28:28,020 --> 01:28:26,540

explanations that are floated out there

1915

01:28:29,880 --> 01:28:28,030

especially the extra-terrestrial

1916

01:28:31,620 --> 01:28:29,890

hypothesis

1917

01:28:34,650 --> 01:28:31,630

one thing that we haven't touched on you

1918

01:28:36,090 --> 01:28:34,660

just mentioned it briefly here in terms

1919

01:28:40,530 --> 01:28:36,100

of an observation of one of your

1920

01:28:43,740 --> 01:28:40,540

witnesses reptilian cases how are they

1921

01:28:46,410 --> 01:28:43,750

prevalent where do they mostly occur do

1922

01:28:50,070 --> 01:28:46,420

you see any sort of patterning with

1923

01:28:53,640 --> 01:28:50,080

these types of descriptions do you know

1924

01:28:55,530 --> 01:28:53,650

when they really first started what you

1925

01:28:58,980 --> 01:28:55,540

know when in your database you first

1926

01:29:00,330 --> 01:28:58,990

start to see these types of reports what

1927

01:29:02,820 --> 01:29:00,340

do you have to say about these reptilian

1928

01:29:06,450 --> 01:29:02,830

cases well they've been reported before

1929

01:29:10,980 --> 01:29:06,460

the early like in the 70s

1930

01:29:13,200 --> 01:29:10,990

perhaps in the 60s but these cases with

1931

01:29:15,990 --> 01:29:13,210

so-called reptilians are mostly

1932

01:29:18,120 --> 01:29:16,000

prevalent here in the United States for

1933

01:29:20,070 --> 01:29:18,130

some reason but you remember that case

1934

01:29:24,750 --> 01:29:20,080

back in 72 of the two police officers

1935

01:29:28,380 --> 01:29:24,760

and Ohio they saw that reptilian type

1936

01:29:30,780 --> 01:29:28,390

creature on the side of the road this is

1937

01:29:34,080 --> 01:29:30,790

March 72 it was seen by two police

1938

01:29:38,520 --> 01:29:34,090

officers twice and then there's another

1939

01:29:41,400 --> 01:29:38,530

case in New Jersey in 74 a guy driving

1940

01:29:43,080 --> 01:29:41,410

down the road they saw big figures

1941

01:29:44,460 --> 01:29:43,090

standing on the side of the road he

1942

01:29:46,800 --> 01:29:44,470

looked at it closer and he looked like

1943

01:29:50,940 --> 01:29:46,810

to him he looked like a big reptile with

1944

01:29:55,190 --> 01:29:50,950

red eyes and scaly scaly uh you know

1945

01:29:59,390 --> 01:29:55,200

body and these cases were like in 74 72

1946

01:30:02,910 --> 01:29:59,400

which were back then there wasn't talk

1947

01:30:07,320 --> 01:30:02,920

reptilians and Brazilian overlords or

1948

01:30:09,860 --> 01:30:07,330

whatever and then and the late 80s

1949

01:30:12,330 --> 01:30:09,870

people started talking about and

1950

01:30:15,990 --> 01:30:12,340

countering or telling me while being

1951

01:30:19,580 --> 01:30:16,000

abducted and then we have some

1952

01:30:23,520 --> 01:30:19,590

researchers that focus into the Chilean

1953

01:30:27,360 --> 01:30:23,530

side of humanoids like David Icke and

1954

01:30:30,120 --> 01:30:27,370

some others but there seem to be

1955

01:30:31,890 --> 01:30:30,130

prevalent here United States reptilian

1956

01:30:34,530 --> 01:30:31,900

encounters I've no 1k serum

1957

01:30:38,400 --> 01:30:34,540

Miami but it was more like a morphing

1958

01:30:40,790 --> 01:30:38,410

morphing entity again which at first it

1959

01:30:42,919 --> 01:30:40,800

was a woman tall black

1960

01:30:47,089 --> 01:30:42,929

woman inside of the house that seemed to

1961

01:30:48,560 --> 01:30:47,099

morph into a reptilian creature and at

1962

01:30:51,410 --> 01:30:48,570

the same time that was a UFO hovering

1963

01:30:54,290 --> 01:30:51,420

outside this is it back in 83

1964

01:30:57,200 --> 01:30:54,300

but there's February's is a wider issue

1965

01:30:59,600 --> 01:30:57,210

here too and this is something that John

1966

01:31:02,450 --> 01:30:59,610

keel has mentioned if you look into the

1967

01:31:05,240 --> 01:31:02,460

areas where people see lots of UFOs

1968

01:31:07,729 --> 01:31:05,250

strange creatures whatever lots of other

1969

01:31:09,709 --> 01:31:07,739

crazy stuff is going on but we're so

1970

01:31:11,870 --> 01:31:09,719

focused on the UFOs we don't think about

1971

01:31:14,270 --> 01:31:11,880

Pro Tour guys or the ghosts or the

1972

01:31:16,430 --> 01:31:14,280

strange creatures so in looking into

1973

01:31:18,879 --> 01:31:16,440

these cases at all do you see evidence

1974

01:31:21,500 --> 01:31:18,889

that this is just the tip of the iceberg

1975

01:31:25,609 --> 01:31:21,510

yeah and many instances when there's a

1976

01:31:28,220 --> 01:31:25,619

UFO encounter or creature or entity

1977

01:31:29,959 --> 01:31:28,230

encounter there's other stuff going on

1978

01:31:32,089 --> 01:31:29,969

like you say there's full three guys

1979

01:31:35,959 --> 01:31:32,099

activity whatever that means I don't

1980

01:31:39,260 --> 01:31:35,969

know if there's mutilations domestic

1981

01:31:43,430 --> 01:31:39,270

animals farm animals there's other

1982

01:31:45,770 --> 01:31:43,440

encounters there's strange people

1983

01:31:49,580 --> 01:31:45,780

visiting the witness or strange phone

1984

01:31:51,819 --> 01:31:49,590

calls there's some that there's a wide

1985

01:31:54,799 --> 01:31:51,829

range of different incidents and most of

1986

01:31:57,649 --> 01:31:54,809

most of the cases wonders and counters

1987

01:32:00,979 --> 01:31:57,659

with entities I'm not saying all along

1988

01:32:03,859 --> 01:32:00,989

but there there's also there's there's

1989

01:32:06,680 --> 01:32:03,869

even cases when people mess or with

1990

01:32:09,589 --> 01:32:06,690

Ouija boards and they try to call in a

1991

01:32:12,200 --> 01:32:09,599

an entity or a UFO that they had

1992

01:32:14,330 --> 01:32:12,210

encounters with strange entities or UFOs

1993

01:32:16,399 --> 01:32:14,340

right after the their little way

1994

01:32:18,319 --> 01:32:16,409

keyboard thing no no I never tried a

1995

01:32:18,799 --> 01:32:18,329

Ouija board but be careful what you wish

1996

01:32:21,430 --> 01:32:18,809

for

1997

01:32:25,640 --> 01:32:21,440

I have tried that when I was very young

1998

01:32:27,740 --> 01:32:25,650

not that young maybe 18 or 19 a close

1999

01:32:29,030 --> 01:32:27,750

friend's mom had extraordinary

2000

01:32:31,760 --> 01:32:29,040

experiences with it

2001

01:32:34,010 --> 01:32:31,770

but again I tend to think that just

2002

01:32:37,819 --> 01:32:34,020

you're subconsciously just moving the

2003

01:32:40,399 --> 01:32:37,829

planchette around yeah yeah one time I

2004

01:32:43,280 --> 01:32:40,409

think I try to attempt that it was some

2005

01:32:46,490 --> 01:32:43,290

of my family members my sons but we had

2006

01:32:51,229 --> 01:32:46,500

a cup of wine couple wines so I don't

2007

01:32:52,770 --> 01:32:51,239

know if if it could be the an experience

2008

01:32:54,270 --> 01:32:52,780

that was really but not

2009

01:32:56,370 --> 01:32:54,280

I didn't get anything from it so I don't

2010

01:32:57,720 --> 01:32:56,380

know what to tell you I tried I tried a

2011

01:33:04,260 --> 01:32:57,730

once with some friends and I was a

2012

01:33:09,299 --> 01:33:04,270

teenager and it just kept saying no we

2013

01:33:14,459 --> 01:33:09,309

asked it just said no knew what you were

2014

01:33:14,879 --> 01:33:14,469

doing because it said no that's a good

2015

01:33:17,939 --> 01:33:14,889

idea

2016

01:33:19,799 --> 01:33:17,949

sometimes when you mess around with it

2017

01:33:22,410 --> 01:33:19,809

supposedly with a Ouija board you can

2018

01:33:23,910 --> 01:33:22,420

you might bring in something from from

2019

01:33:27,089 --> 01:33:23,920

the others from the other side that you

2020

01:33:29,490 --> 01:33:27,099

don't want yeah lower lower vibration

2021

01:33:31,709 --> 01:33:29,500

type energies yeah it's not something to

2022

01:33:34,620 --> 01:33:31,719

mess around with if you're not will

2023

01:33:37,140 --> 01:33:34,630

spiritually strong if you have any sort

2024

01:33:39,450 --> 01:33:37,150

of spiritual twitchiness it'll be a good

2025

01:33:41,129 --> 01:33:39,460

bite ship yeah so we shouldn't

2026

01:33:44,000 --> 01:33:41,139

investigate that but then if we're

2027

01:33:46,979 --> 01:33:44,010

looking into all these other auxiliary or

2028

01:33:49,290 --> 01:33:46,989

complimentary events that makes things

2029

01:33:51,089 --> 01:33:49,300

pretty complicated let me ask you here

2030

01:33:53,669 --> 01:33:51,099

because we only have the last half hour

2031

01:33:55,410 --> 01:33:53,679

to go here and some of our listeners

2032

01:33:57,479 --> 01:33:55,420

will ask about your background

2033

01:33:59,100 --> 01:33:57,489

so basically tell us about your

2034

01:34:01,439 --> 01:33:59,110

professional background what kind of

2035

01:34:03,450 --> 01:34:01,449

work you've done I understand you were

2036

01:34:06,330 --> 01:34:03,460

in the military at one time right I was

2037

01:34:09,930 --> 01:34:06,340

four years in the Navy that was a radio

2038

01:34:12,209 --> 01:34:09,940

man I had a top secret clearance but was

2039

01:34:15,479 --> 01:34:12,219

there from 76 to 80 and I got an

2040

01:34:18,620 --> 01:34:15,489

honorable discharge I remember and well

2041

01:34:21,029 --> 01:34:18,630

the Navy I used to be subscribed to

2042

01:34:23,819 --> 01:34:21,039

remember that all your phone magazine

2043

01:34:25,410 --> 01:34:23,829

saga of the saga UFO magazine well then

2044

01:34:27,149 --> 01:34:25,420

you read some of my stories I wrote a

2045

01:34:30,750 --> 01:34:27,159

couple of articles there you did yeah

2046

01:34:32,549 --> 01:34:30,760

indeed you use your name was familiar

2047

01:34:35,790 --> 01:34:32,559

maybe from the magazines in saga yeah

2048

01:34:37,500 --> 01:34:35,800

yeah and I used to get it at the naval

2049

01:34:40,830 --> 01:34:37,510

base and one time I was called down to

2050

01:34:42,990 --> 01:34:40,840

the chief and they had opened the my

2051

01:34:44,790 --> 01:34:43,000

mail asked me why do i why was i

2052

01:34:46,799 --> 01:34:44,800

interested in this why did I read this

2053

01:34:49,020 --> 01:34:46,809

magazine they're a bunch of guys

2054

01:34:52,290 --> 01:34:49,030

standing around there and I was

2055

01:34:55,859 --> 01:34:52,300

I told me was my hobby that I was into

2056

01:34:57,660 --> 01:34:55,869

strange stuff and UFOs they kind of

2057

01:35:01,680 --> 01:34:57,670

laugh up and they give they gave me the

2058

01:35:04,560 --> 01:35:01,690

magazine back but after that I when I

2059

01:35:06,330 --> 01:35:04,570

left the Navy I worked with my father

2060

01:35:08,399 --> 01:35:06,340

for a while

2061

01:35:11,970 --> 01:35:08,409

with your father what was he doing it

2062

01:35:13,950 --> 01:35:11,980

was a jeweler a jewelry and but he was

2063

01:35:18,780 --> 01:35:13,960

he got sick and he died like I said in

2064

01:35:21,780 --> 01:35:18,790

89 but already then I already joined a

2065

01:35:24,149 --> 01:35:21,790

local I work for the local government

2066

01:35:28,709 --> 01:35:24,159

here in miami-dade I've been working for

2067

01:35:30,540 --> 01:35:28,719

there for 27 years what is your function

2068

01:35:34,109 --> 01:35:30,550

that's all I would like to say about

2069

01:35:37,709 --> 01:35:34,119

that because I don't want to mention the

2070

01:35:38,939 --> 01:35:37,719

the entity that I work with fair enough

2071

01:35:41,160 --> 01:35:38,949

we almost don't want to get you in

2072

01:35:42,479 --> 01:35:41,170

trouble either do they occasionally come

2073

01:35:45,030 --> 01:35:42,489

to you and say you know Albert just

2074

01:35:47,399 --> 01:35:45,040

steps a little bit crazy why are you

2075

01:35:50,120 --> 01:35:47,409

involved no not really

2076

01:35:54,750 --> 01:35:50,130

I pretty I keep a pretty low-key and

2077

01:35:57,089 --> 01:35:54,760

they they're pretty much uh you know

2078

01:35:58,680 --> 01:35:57,099

they don't bother me does that

2079

01:36:03,330 --> 01:35:58,690

connection help you research some of

2080

01:36:06,870 --> 01:36:03,340

this stuff I try not to mix no I try not

2081

01:36:12,030 --> 01:36:06,880

to mix my work with my research

2082

01:36:14,040 --> 01:36:12,040

if I hear anything related there later

2083

01:36:17,129 --> 01:36:14,050

on maybe I attempt to follow up and I

2084

01:36:21,270 --> 01:36:17,139

connect it with my work now we have a

2085

01:36:24,089 --> 01:36:21,280

family you have kids wife yes they ever

2086

01:36:31,350 --> 01:36:24,099

had any experiences one of my two my

2087

01:36:33,089 --> 01:36:31,360

sons have my middle son Alex he had were

2088

01:36:35,879 --> 01:36:33,099

my other apartment where I used to live

2089

01:36:37,500 --> 01:36:35,889

before I move over to my new home this

2090

01:36:39,540 --> 01:36:37,510

place was kind of weird he you'll be

2091

01:36:40,950 --> 01:36:39,550

sitting here at the computer know I used

2092

01:36:42,810 --> 01:36:40,960

for there was somebody standing behind

2093

01:36:45,540 --> 01:36:42,820

you you'll look back indoors nobody

2094

01:36:48,899 --> 01:36:45,550

there anyway he told me that one day he

2095

01:36:52,520 --> 01:36:48,909

saw and whirring what appeared to be a

2096

01:36:55,560 --> 01:36:52,530

brown monks have it in one of the rooms

2097

01:36:58,589 --> 01:36:55,570

which is weird and before that he at the

2098

01:37:02,100 --> 01:36:58,599

other house he was in his room sleeping

2099

01:37:05,310 --> 01:37:02,110

called sunny he woke up he saw what he

2100

01:37:08,250 --> 01:37:05,320

described to me what looked like an old

2101  
01:37:11,669 --> 01:37:08,260  
lady older lady and standing in the room

2102  
01:37:13,589 --> 01:37:11,679  
looking at him she looked normal except

2103  
01:37:17,339 --> 01:37:13,599  
you did not see he could only see her

2104  
01:37:18,790 --> 01:37:17,349  
from the waist up no legs or you know

2105  
01:37:22,209 --> 01:37:18,800  
won't even waist up instead

2106  
01:37:25,030 --> 01:37:22,219  
there or floating there looking at one

2107  
01:37:28,030 --> 01:37:25,040  
of my other sons seen a what he

2108  
01:37:31,330 --> 01:37:28,040  
described to me as a luminous disc

2109  
01:37:33,850 --> 01:37:31,340  
shaped object outside the home one time

2110  
01:37:36,160 --> 01:37:33,860  
which I didn't see how old were they

2111  
01:37:38,680 --> 01:37:36,170  
when these things happened

2112  
01:37:40,899 --> 01:37:38,690  
it may be 18 for the first one and the

2113  
01:37:41,859 --> 01:37:40,909

other one was much younger maybe 10 or

2114

01:37:44,770 --> 01:37:41,869

11 or before

2115

01:37:46,930 --> 01:37:44,780

younger than that 9 okay looking at the

2116

01:37:49,290 --> 01:37:46,940

influences were they aware that you had

2117

01:37:52,899 --> 01:37:49,300

unusual encounters when you were young I

2118

01:37:55,450 --> 01:37:52,909

never talked to him about that till they

2119

01:37:58,629 --> 01:37:55,460

were older and they knew that I would I

2120

01:38:01,750 --> 01:37:58,639

would I used to have a large collection

2121

01:38:05,319 --> 01:38:01,760

of books magazines I still have and I

2122

01:38:07,899 --> 01:38:05,329

lost half of it they knew I read books

2123

01:38:10,000 --> 01:38:07,909

about that and I will get magazines on

2124

01:38:14,560 --> 01:38:10,010

it on the mail yeah but they knew about

2125

01:38:17,859 --> 01:38:14,570

my interest on the subject yeah that

2126  
01:38:20,200 --> 01:38:17,869  
reminds me of my childhood when I was

2127  
01:38:23,859 --> 01:38:20,210  
growing up my my father was in the Coast

2128  
01:38:26,830 --> 01:38:23,869  
Guard in the mid to late 40s in Puget

2129  
01:38:29,890 --> 01:38:26,840  
Sound I grew up in the Seattle area and

2130  
01:38:32,109 --> 01:38:29,900  
I recall him mentioning to us that they

2131  
01:38:33,669 --> 01:38:32,119  
had just got new radar units and that

2132  
01:38:35,169 --> 01:38:33,679  
they had seen these objects flying

2133  
01:38:38,439 --> 01:38:35,179  
incredibly fast they estimated about

2134  
01:38:41,140 --> 01:38:38,449  
10,000 miles an hour and at one point

2135  
01:38:43,419 --> 01:38:41,150  
they they felt that they were going in

2136  
01:38:45,640 --> 01:38:43,429  
and out of Puget Sound up near the top

2137  
01:38:47,260 --> 01:38:45,650  
of the San Juan Islands and I remember

2138  
01:38:51,040 --> 01:38:47,270

that that always had a real impression

2139

01:38:53,470 --> 01:38:51,050

on me and I always wanted to see a UFO

2140

01:38:55,540 --> 01:38:53,480

but during the whole time I was at you

2141

01:38:58,149 --> 01:38:55,550

know in the home I never got a chance to

2142

01:39:02,520 --> 01:38:58,159

see one but I find it interesting that

2143

01:39:05,979 --> 01:39:02,530

albert's kids have had a you know

2144

01:39:07,330 --> 01:39:05,989

inexplicable especially in the case of

2145

01:39:09,669 --> 01:39:07,340

seeing the humanoid forms in the house

2146

01:39:10,990 --> 01:39:09,679

where inexplicable events well how did

2147

01:39:14,319 --> 01:39:11,000

you handle that when they told you that

2148

01:39:18,160 --> 01:39:14,329

what what did you say did you give them

2149

01:39:20,020 --> 01:39:18,170

some advice or I told that the media

2150

01:39:23,560 --> 01:39:20,030

immediately tell me about it I would

2151  
01:39:25,600 --> 01:39:23,570  
like to know what they saw and actually

2152  
01:39:28,400 --> 01:39:25,610  
one of the experiences of the one with

2153  
01:39:31,940 --> 01:39:28,410  
the the guy wearing the

2154  
01:39:35,420 --> 01:39:31,950  
I have it Brian cluded ending my reports

2155  
01:39:38,270 --> 01:39:35,430  
because he was so sincere about it and

2156  
01:39:40,730 --> 01:39:38,280  
so worried about I tell him look maybe

2157  
01:39:44,030 --> 01:39:40,740  
what you saw is some kind of from the

2158  
01:39:46,400 --> 01:39:44,040  
entity that just wanted to communicate

2159  
01:39:49,820 --> 01:39:46,410  
with you so not to worry about it but

2160  
01:39:52,820 --> 01:39:49,830  
yeah I encourage them to tell me if they

2161  
01:39:54,860 --> 01:39:52,830  
or any other friends are see or

2162  
01:39:56,630 --> 01:39:54,870  
encounter anything yeah

2163  
01:40:00,140 --> 01:39:56,640

have you had any any cases that have

2164

01:40:02,120 --> 01:40:00,150

been referred to you by by the your work

2165

01:40:04,850 --> 01:40:02,130

in other words maybe a report comes in

2166

01:40:06,950 --> 01:40:04,860

people know of your interest or or think

2167

01:40:08,420 --> 01:40:06,960

well maybe we should have Albert check

2168

01:40:13,000 --> 01:40:08,430

into this have you had any cases like

2169

01:40:17,720 --> 01:40:13,010

that referred to you yeah two or three

2170

01:40:19,940 --> 01:40:17,730

case in which security guard isn't back

2171

01:40:21,530 --> 01:40:19,950

in 89 this and I didn't actually talk to

2172

01:40:24,850 --> 01:40:21,540

the guy but I talked to him on the phone

2173

01:40:27,650 --> 01:40:24,860

later on the security guard were

2174

01:40:29,030 --> 01:40:27,660

encountered three in a shopping center

2175

01:40:32,600 --> 01:40:29,040

just about three o'clock in the morning

2176

01:40:35,480 --> 01:40:32,610

and a shopping center and South Dade on

2177

01:40:39,320 --> 01:40:35,490

the floor for us one three tall

2178

01:40:42,290 --> 01:40:39,330

humanoids thin long arms with huge

2179

01:40:47,780 --> 01:40:42,300

cat-like eyes and he called the police

2180

01:40:51,550 --> 01:40:47,790

because he thought it was prowlers our

2181

01:40:55,070 --> 01:40:51,560

suspicious people and burglars yeah

2182

01:40:57,590 --> 01:40:55,080

and I believe police responded to the

2183

01:40:59,180 --> 01:40:57,600

site and they wrote a report I used to

2184

01:41:01,550 --> 01:40:59,190

have a copy of the police report I don't

2185

01:41:04,790 --> 01:41:01,560

know what I did with it is perhaps I

2186

01:41:07,310 --> 01:41:04,800

lost it when I lost half of my uh I used

2187

01:41:10,640 --> 01:41:07,320

to have a like I said a huge collection

2188

01:41:13,520 --> 01:41:10,650

of books and magazines but I went

2189

01:41:15,410 --> 01:41:13,530

through a divorce and you know no we

2190

01:41:19,670 --> 01:41:15,420

want to detail but I lost a lot of my

2191

01:41:19,680 --> 01:41:27,590

[Music]

2192

01:41:33,350 --> 01:41:30,800

for 58 years fate has provided true

2193

01:41:35,720 --> 01:41:33,360

reports of the strange and unknown fate

2194

01:41:37,580 --> 01:41:35,730

brings you the latest in all aspects of

2195

01:41:41,150 --> 01:41:37,590

the paranormal like angels and miracles

2196

01:41:41,810 --> 01:41:41,160

psychic phenomena ghosts UFOs and much

2197

01:41:44,030 --> 01:41:41,820

much more

2198

01:41:46,520 --> 01:41:44,040

to receive your complimentary fate

2199

01:41:50,780 --> 01:41:46,530

magazine call now at one eight hundred

2200

01:42:22,420 --> 01:41:50,790

seven two eight two seven three oh or

2201

01:42:29,240 --> 01:42:26,950

or Sally's humanoid researcher

2202

01:42:31,580 --> 01:42:29,250

experiencer our coast Christopher O

2203

01:42:33,650 --> 01:42:31,590

Brien Albert we don't have a lot of time

2204

01:42:35,450 --> 01:42:33,660

and maybe we should look into the end

2205

01:42:36,950 --> 01:42:35,460

game here for you do you intend to maybe

2206

01:42:39,320 --> 01:42:36,960

collect this into a book everybody's

2207

01:42:41,840 --> 01:42:39,330

written a book about UFOs I wrote a book

2208

01:42:43,450 --> 01:42:41,850

once about the Hollow Earth that I was

2209

01:42:46,100 --> 01:42:43,460

gonna publish myself and something

2210

01:42:47,690 --> 01:42:46,110

happened and maybe it was my first

2211

01:42:49,940 --> 01:42:47,700

marriage ending and I never got around

2212

01:42:51,830 --> 01:42:49,950

to it so is there a book in your future

2213

01:42:54,110 --> 01:42:51,840

Albert I'm hoping there will be I'm

2214

01:42:58,220 --> 01:42:54,120

hoping to put all my stuff together into

2215

01:43:00,350 --> 01:42:58,230

a some kind of catalogue of cases into a

2216

01:43:03,070 --> 01:43:00,360

case catalog but I wonder matching will

2217

01:43:05,830 --> 01:43:03,080

have to be several volumes of a book

2218

01:43:08,060 --> 01:43:05,840

fifteen thousand reports I would hope so

2219

01:43:11,270 --> 01:43:08,070

yeah that would be an awful big book

2220

01:43:13,850 --> 01:43:11,280

yeah I know what I'm trying to I'm

2221

01:43:17,000 --> 01:43:13,860

trying to put up put and type some

2222

01:43:18,080 --> 01:43:17,010

journals now that I'm working on and I

2223

01:43:22,160 --> 01:43:18,090

think couple them we're gonna be

2224

01:43:23,900 --> 01:43:22,170

published and magazines the new magazine

2225

01:43:27,040 --> 01:43:23,910

UFO matrix I don't know if you guys

2226

01:43:29,330 --> 01:43:27,050

heard about in the UK but I'm working on

2227

01:43:31,700 --> 01:43:29,340

journals and I'm hoping yeah maybe in

2228

01:43:34,940 --> 01:43:31,710

the future I could write a couple books

2229

01:43:37,300 --> 01:43:34,950

maybe when I retire no you keep adding

2230

01:43:40,790 --> 01:43:37,310

to that database it sounds like it grows

2231

01:43:43,220 --> 01:43:40,800

monthly be amazing some of the stuff

2232

01:43:45,830 --> 01:43:43,230

reported around the world for it yeah

2233

01:43:48,320 --> 01:43:45,840

alright so maybe you'll collect this

2234

01:43:50,140 --> 01:43:48,330

stuff now that's an important point -

2235

01:43:53,420 --> 01:43:50,150

what about the existing UFO

2236

01:43:55,160 --> 01:43:53,430

investigative bodies like move on do

2237

01:43:57,950 --> 01:43:55,170

they ever call Albert and say hey you

2238

01:44:02,390 --> 01:43:57,960

know look into this or what do you have

2239

01:44:04,100 --> 01:44:02,400

he was confirmational fond oh they

2240

01:44:06,140 --> 01:44:04,110

always wanted me they always want me to

2241

01:44:09,500 --> 01:44:06,150

be a member of course when I ask them

2242

01:44:11,390 --> 01:44:09,510

for assistance in collecting cases and

2243

01:44:13,010 --> 01:44:11,400

they never answer they have a new

2244

01:44:16,310 --> 01:44:13,020

precedent knowing them you fought and

2245

01:44:19,760 --> 01:44:16,320

you are leader which I haven't contacted

2246

01:44:22,460 --> 01:44:19,770

yet I'll see you with a better lock but

2247

01:44:26,420 --> 01:44:22,470

I've been a member of MUFON on and off

2248

01:44:30,740 --> 01:44:26,430

and right now I'm not I don't think that

2249

01:44:32,810 --> 01:44:30,750

the last MUFON precedent was this is a

2250

01:44:35,150 --> 01:44:32,820

guy kind of guy that may be the one that

2251

01:44:38,930 --> 01:44:35,160

will contact you I will contact MUFON

2252

01:44:40,670 --> 01:44:38,940

for assistance and getting cases you

2253

01:44:43,580 --> 01:44:40,680

know getting more information some of

2254

01:44:47,090 --> 01:44:43,590

the humanoid cases I will never get an

2255

01:44:51,340 --> 01:44:47,100

answer however they will contact me and

2256

01:44:56,560 --> 01:44:51,350

asking me to either become a member or

2257

01:45:02,000 --> 01:44:56,570

you know assist in and with files and

2258

01:45:04,370 --> 01:45:02,010

join me fond for long stanked I did for

2259

01:45:08,480 --> 01:45:04,380

two years but then I I stopped

2260

01:45:10,070 --> 01:45:08,490

now there's not that many there there

2261

01:45:12,500 --> 01:45:10,080

are a lot of researchers like you Chris

2262

01:45:16,040 --> 01:45:12,510

and many others that I could take off

2263

01:45:18,590 --> 01:45:16,050

and Stan Gordon and Pennsylvania and

2264

01:45:21,340 --> 01:45:18,600

ruffle and California there's there's

2265

01:45:24,410 --> 01:45:21,350

many many good researchers out there

2266

01:45:29,630 --> 01:45:24,420

which are doing a great job but as far

2267

01:45:34,730 --> 01:45:29,640

as a large UFO groups or organizations

2268

01:45:36,350 --> 01:45:34,740

are at least in the US there's there

2269

01:45:42,020 --> 01:45:36,360

isn't that many I know and then Europe

2270

01:45:43,970 --> 01:45:42,030

there is there's more groups a lot of

2271

01:45:47,420 --> 01:45:43,980

groups is actually in Europe and there's

2272

01:45:49,570 --> 01:45:47,430

more of what I think interest over there

2273

01:45:53,540 --> 01:45:49,580

and in the matter

2274

01:45:55,910 --> 01:45:53,550

I'm the only game in town pretty much as

2275

01:45:57,380 --> 01:45:55,920

far as major UFO investigative bodies

2276

01:46:00,110 --> 01:45:57,390

well about the Center for UFO studies

2277

01:46:01,910 --> 01:46:00,120

that's the leaving around they're still

2278

01:46:02,990 --> 01:46:01,920

around but I don't think Damon polish a

2279

01:46:07,370 --> 01:46:03,000

journal anymore

2280

01:46:09,830 --> 01:46:07,380

they used to I don't think they do

2281

01:46:12,169 --> 01:46:09,840

anything anymore actually Jean you know

2282

01:46:16,990 --> 01:46:12,179

where the largest UFO group in the world

2283

01:46:19,669 --> 01:46:17,000

is right China has the largest

2284

01:46:22,850 --> 01:46:19,679

membership worlds of any other UFO group

2285

01:46:24,290 --> 01:46:22,860

I forget it's it's huge I remember

2286

01:46:26,570 --> 01:46:24,300

seeing the number once the scratch on my

2287

01:46:30,229 --> 01:46:26,580

head going wow this is really quite an

2288

01:46:32,600 --> 01:46:30,239

emerging but there's a lot of emerging

2289

01:46:34,760 --> 01:46:32,610

interest in China in these types of

2290

01:46:37,310 --> 01:46:34,770

events and which brings me to a question

2291

01:46:40,729 --> 01:46:37,320

Albert have you do you have any contacts

2292

01:46:44,090 --> 01:46:40,739

with any of the Chinese and Far Eastern

2293

01:46:47,959 --> 01:46:44,100

groups have they funneled you any sort

2294

01:46:49,910 --> 01:46:47,969

of cases I know this Michael Cohen guy

2295

01:46:51,770 --> 01:46:49,920

seems to be coming up with new China

2296

01:46:54,979 --> 01:46:51,780

stuff all the time a lot of it is

2297

01:46:57,470 --> 01:46:54,989

questionable but know what happened but

2298

01:47:00,430 --> 01:46:57,480

I haven't had any contact from from

2299

01:47:04,160 --> 01:47:00,440

China no I had some contacts like

2300

01:47:08,150 --> 01:47:04,170

Philippines Indonesia Malaysia Australia

2301  
01:47:09,650 --> 01:47:08,160  
but I I used to have contact in Japan I

2302  
01:47:10,910 --> 01:47:09,660  
don't know what happened with that but I

2303  
01:47:15,050 --> 01:47:10,920  
know I haven't been able to get any

2304  
01:47:17,870 --> 01:47:15,060  
Chinese contacts well years ago years

2305  
01:47:19,810 --> 01:47:17,880  
ago Albert and Chris I used to be in

2306  
01:47:22,729 --> 01:47:19,820  
touch with a number of people in Japan

2307  
01:47:24,740 --> 01:47:22,739  
and he spoke English pretty well

2308  
01:47:25,939 --> 01:47:24,750  
otherwise had be severely crippled and

2309  
01:47:28,550 --> 01:47:25,949  
trying to communicate with them and

2310  
01:47:31,070 --> 01:47:28,560  
there were an active UFO investigative

2311  
01:47:33,560 --> 01:47:31,080  
bodies in Japan do we still see that or

2312  
01:47:35,959 --> 01:47:33,570  
have they gone by the wayside like many

2313  
01:47:37,430 --> 01:47:35,969

of the UFO organizations in the u.s. you

2314

01:47:39,200 --> 01:47:37,440

know it's a good question I think

2315

01:47:42,560 --> 01:47:39,210

there's one group I think it's called

2316

01:47:44,000 --> 01:47:42,570

UFO Japan was this but I don't think

2317

01:47:46,130 --> 01:47:44,010

they'd speak any English because I try

2318

01:47:48,709 --> 01:47:46,140

to contact them I send them some of my

2319

01:47:50,300 --> 01:47:48,719

cases and I send them a couple emails

2320

01:47:52,490 --> 01:47:50,310

but I didn't get into now I never got

2321

01:47:56,419 --> 01:47:52,500

any response from them but they do have

2322

01:47:57,169 --> 01:47:56,429

quite a large website and database but

2323

01:47:59,630 --> 01:47:57,179

all in Japanese

2324

01:48:01,760 --> 01:47:59,640

and I don't know about any others in

2325

01:48:02,300 --> 01:48:01,770

general isn't that unfortunate the fact

2326

01:48:04,370 --> 01:48:02,310

that

2327

01:48:07,070 --> 01:48:04,380

don't have really international UFO

2328

01:48:09,950 --> 01:48:07,080

bodies like MUFON supposedly is

2329

01:48:12,200 --> 01:48:09,960

international but it's mostly in the USA

2330

01:48:14,660 --> 01:48:12,210

and hasn't been as active maybe in some

2331

01:48:16,970 --> 01:48:14,670

areas as it should be what about that

2332

01:48:20,030 --> 01:48:16,980

what's the problem that we can't get all

2333

01:48:22,160 --> 01:48:20,040

these disparate bodies together and try

2334

01:48:25,760 --> 01:48:22,170

to figure it out together

2335

01:48:27,200 --> 01:48:25,770

I don't know I'm thinking maybe the

2336

01:48:33,770 --> 01:48:27,210

different point of point of views

2337

01:48:35,450 --> 01:48:33,780

everywhere they can agree to I mean

2338

01:48:37,460 --> 01:48:35,460

there's some people they got there some

2339

01:48:42,310 --> 01:48:37,470

groups got their agenda their theories

2340

01:48:45,050 --> 01:48:42,320

or pet theories and they just don't I

2341

01:48:46,400 --> 01:48:45,060

accept the other theories or agendas and

2342

01:48:49,040 --> 01:48:46,410

they don't they just can't get together

2343

01:48:51,920 --> 01:48:49,050

I know some fortunate it is and a lot of

2344

01:48:53,480 --> 01:48:51,930

the researchers don't like to share

2345

01:48:55,550 --> 01:48:53,490

their information either which is I

2346

01:48:58,510 --> 01:48:55,560

think it's unfortunate they keep their

2347

01:49:02,150 --> 01:48:58,520

information and then when they if they

2348

01:49:05,360 --> 01:49:02,160

stop researching or go away or past or

2349

01:49:08,810 --> 01:49:05,370

pass away then their research goes do

2350

01:49:12,410 --> 01:49:08,820

not it it's lost nobody ever hears about

2351

01:49:16,490 --> 01:49:12,420

it and I know that happening before too

2352

01:49:20,180 --> 01:49:16,500

many to only like the a profiles and the

2353

01:49:22,010 --> 01:49:20,190

old a PR Oh group Jim I know I know

2354

01:49:23,570 --> 01:49:22,020

where all those files are I've been

2355

01:49:26,050 --> 01:49:23,580

trying to get access to him for about

2356

01:49:28,970 --> 01:49:26,060

six seven years we're already okay a

2357

01:49:31,490 --> 01:49:28,980

pile was centered in Tucson Arizona

2358

01:49:34,760 --> 01:49:31,500

ladies and gentlemen Jim and Karla

2359

01:49:36,770 --> 01:49:34,770

Lorenzen were started in the 50s covered

2360

01:49:39,020 --> 01:49:36,780

a lot of cases in South America a lot of

2361

01:49:40,880 --> 01:49:39,030

really cutting-edge information a lot of

2362

01:49:42,380 --> 01:49:40,890

people helping them out now I have to

2363

01:49:45,890 --> 01:49:42,390

tell you that Jim Lorenzen was a really

2364

01:49:47,390 --> 01:49:45,900

gentle guy I hated kora Lorenzen never

2365

01:49:49,550 --> 01:49:47,400

got along with her for some reason

2366

01:49:52,490 --> 01:49:49,560

really crusty old lady I was gonna say

2367

01:49:55,850 --> 01:49:52,500

old you know what but I won't but okay

2368

01:49:59,540 --> 01:49:55,860

she wore the pants well yeah whatever

2369

01:50:01,250 --> 01:49:59,550

okay so what happened to these records

2370

01:50:02,780 --> 01:50:01,260

where are they now you've been trying

2371

01:50:05,030 --> 01:50:02,790

for years to get a hold of them Chris

2372

01:50:07,670 --> 01:50:05,040

where are the records being stored well

2373

01:50:09,560 --> 01:50:07,680

they're in a storage facility whose

2374

01:50:12,320 --> 01:50:09,570

location is a closely guarded secret

2375

01:50:14,049 --> 01:50:12,330

there's there's a couple that live here

2376

01:50:16,509 --> 01:50:14,059

that will work with

2377

01:50:19,509 --> 01:50:16,519

the Lorenz ins towards the end of their

2378

01:50:25,509 --> 01:50:19,519

life both choral Jim died fairly close

2379

01:50:27,189 --> 01:50:25,519

together in time and when the I'm trying

2380

01:50:30,069 --> 01:50:27,199

to see if I get the story straight here

2381

01:50:31,719 --> 01:50:30,079

so when the Lorenz ins died I think a

2382

01:50:34,390 --> 01:50:31,729

predict continued on for a while but

2383

01:50:36,459 --> 01:50:34,400

then without you know their motivation

2384

01:50:40,649 --> 01:50:36,469

and stuff it it's it found it fairly

2385

01:50:44,410 --> 01:50:40,659

quickly this couple was for some reason

2386

01:50:47,350 --> 01:50:44,420

selected by the board and I think Hynek

2387

01:50:49,779 --> 01:50:47,360

was involved in this of the selection as

2388

01:50:53,350 --> 01:50:49,789

well and in this process and they they

2389

01:50:56,319 --> 01:50:53,360

were entrusted with the a profiles which

2390

01:50:59,310 --> 01:50:56,329

they have been promising for years to

2391

01:51:03,879 --> 01:50:59,320

give investigators and researchers

2392

01:51:08,229 --> 01:51:03,889

access to the information to do check in

2393

01:51:12,069 --> 01:51:08,239

for data and I as a favor to them I did

2394

01:51:15,069 --> 01:51:12,079

a number of video shoots they were

2395

01:51:17,350 --> 01:51:15,079

fighting a subdivision that was being

2396

01:51:19,629 --> 01:51:17,360

planned here in the Sedona area and they

2397

01:51:21,759 --> 01:51:19,639

had a real legitimate beef with the

2398

01:51:24,520 --> 01:51:21,769

developer and so I helped film some

2399

01:51:26,890 --> 01:51:24,530

environmental quality meetings under the

2400

01:51:29,020 --> 01:51:26,900

with the understanding that hey quid pro

2401  
01:51:32,169 --> 01:51:29,030  
quo I'll help you guys out if you look

2402  
01:51:35,259 --> 01:51:32,179  
up these three cases for me and I

2403  
01:51:36,729 --> 01:51:35,269  
mentioned Ted Phillips Czechoslovakian

2404  
01:51:39,160 --> 01:51:36,739  
case with the the machine in the

2405  
01:51:42,489 --> 01:51:39,170  
mountain ray Stanford had a case and I

2406  
01:51:44,109 --> 01:51:42,499  
had a case that that we really needed to

2407  
01:51:46,239 --> 01:51:44,119  
get into those a profiles because we

2408  
01:51:48,310 --> 01:51:46,249  
knew that what we were looking for was

2409  
01:51:50,500 --> 01:51:48,320  
contained in there and they promised me

2410  
01:51:53,459 --> 01:51:50,510  
and promised me and they never came

2411  
01:51:57,520 --> 01:51:53,469  
through there are a couple of flakes I

2412  
01:51:59,500 --> 01:51:57,530  
even said I'll go do I'll go in there

2413  
01:52:02,500 --> 01:51:59,510

and look at it you can blindfold me

2414

01:52:04,299 --> 01:52:02,510

they'd be there I don't need to know

2415

01:52:06,100 --> 01:52:04,309

where it is you can open the door I can

2416

01:52:09,160 --> 01:52:06,110

walk in take the blindfold off and let

2417

01:52:13,239 --> 01:52:09,170

me check and they're just sitting on it

2418

01:52:16,839 --> 01:52:13,249

they think that I really don't know why

2419

01:52:19,000 --> 01:52:16,849

they have you know what the rationale is

2420

01:52:20,979 --> 01:52:19,010

for not allowing researchers to have

2421

01:52:23,169 --> 01:52:20,989

access to these there's a goldmine of

2422

01:52:24,990 --> 01:52:23,179

information in there you know I think

2423

01:52:28,230 --> 01:52:25,000

rested kind of sitting here

2424

01:52:29,790 --> 01:52:28,240

you sometimes this germinates integrator

2425

01:52:32,280 --> 01:52:29,800

idea is greater good

2426

01:52:34,200 --> 01:52:32,290

maybe we should all come up with a

2427

01:52:36,570 --> 01:52:34,210

petition to present to these people

2428

01:52:38,760 --> 01:52:36,580

power cast listeners and not just power

2429

01:52:40,710 --> 01:52:38,770

cast any radio show this isn't us let's

2430

01:52:42,560 --> 01:52:40,720

put some pressure on let's put the

2431

01:52:45,600 --> 01:52:42,570

pressure I mean really you know we have

2432

01:52:47,820 --> 01:52:45,610

talents in tens and tens of thousands of

2433

01:52:49,800 --> 01:52:47,830

listeners around the world we're so

2434

01:52:52,350 --> 01:52:49,810

going to be syndicated by a national

2435

01:52:54,780 --> 01:52:52,360

network available local radio stations

2436

01:52:56,460 --> 01:52:54,790

we have this information I don't have to

2437

01:52:58,710 --> 01:52:56,470

know the location I don't have to know

2438

01:53:00,720 --> 01:52:58,720

the name of the people but we should set

2439

01:53:02,460 --> 01:53:00,730

up I'm going to assign you Chris O'Brien

2440

01:53:06,450 --> 01:53:02,470

you could work with Albert anybody else

2441

01:53:08,790 --> 01:53:06,460

to do this let's set up a petition let's

2442

01:53:11,160 --> 01:53:08,800

make our voices heard to the people who

2443

01:53:13,590 --> 01:53:11,170

are holding the information all these

2444

01:53:16,080 --> 01:53:13,600

decades of research by the aerial

2445

01:53:17,490 --> 01:53:16,090

phenomena research organization UFO

2446

01:53:20,250 --> 01:53:17,500

sightings around the world Close

2447

01:53:23,790 --> 01:53:20,260

Encounters great cases of South America

2448

01:53:26,460 --> 01:53:23,800

all the work the Lorenz ins did all the

2449

01:53:28,770 --> 01:53:26,470

people who work with them did let's find

2450

01:53:30,810 --> 01:53:28,780

a way to persuade these people to

2451  
01:53:32,940 --> 01:53:30,820  
release that information maybe a

2452  
01:53:35,430 --> 01:53:32,950  
petition Chris maybe you can assemble a

2453  
01:53:38,460 --> 01:53:35,440  
petition an online petition will run it

2454  
01:53:39,870 --> 01:53:38,470  
will give a link to anybody who wants to

2455  
01:53:42,150 --> 01:53:39,880  
run it on their sites ladies and

2456  
01:53:44,190 --> 01:53:42,160  
gentlemen if you are in a rival radio

2457  
01:53:46,290 --> 01:53:44,200  
show this is not a matter of competition

2458  
01:53:49,560 --> 01:53:46,300  
we want to get this information

2459  
01:53:51,690 --> 01:53:49,570  
available to everyone and I can't see

2460  
01:53:54,660 --> 01:53:51,700  
any reason for it not happening so Chris

2461  
01:53:57,330 --> 01:53:54,670  
you want to take that sign yeah gene I'd

2462  
01:53:58,950 --> 01:53:57,340  
be happy to do that in and thank you for

2463  
01:54:01,290 --> 01:53:58,960

coming up with that idea I think if we

2464

01:54:04,500 --> 01:54:01,300

put some pressure on them and they'll

2465

01:54:06,570 --> 01:54:04,510

see yeah I don't think they realize how

2466

01:54:08,730 --> 01:54:06,580

important that particular database is

2467

01:54:10,740 --> 01:54:08,740

it's one of the largest youth

2468

01:54:13,830 --> 01:54:10,750

illogically based databases in the world

2469

01:54:17,570 --> 01:54:13,840

there are I think they said 15 file

2470

01:54:20,640 --> 01:54:17,580

cabinets if I remember correctly of

2471

01:54:22,530 --> 01:54:20,650

actual case files and that's a lot of

2472

01:54:25,129 --> 01:54:22,540

that's a lot of paperwork this is of

2473

01:54:26,810 --> 01:54:25,139

course back in the old hardcopy days

2474

01:54:28,430 --> 01:54:26,820

not only sitting there in some kind of

2475

01:54:30,620 --> 01:54:28,440

storage center they pay a monthly fee

2476

01:54:32,180 --> 01:54:30,630

for and less is in their own garage

2477

01:54:33,950 --> 01:54:32,190

I have a feeling it's down in the

2478

01:54:36,830 --> 01:54:33,960

Phoenix area that would be my guess is

2479

01:54:38,780 --> 01:54:36,840

it's down in Phoenix somewhere of course

2480

01:54:42,109 --> 01:54:38,790

they are up here in Sedona and I think

2481

01:54:45,530 --> 01:54:42,119

you know they get up at noon they're

2482

01:54:48,820 --> 01:54:45,540

kind of sort of kind of old hippie types

2483

01:54:52,010 --> 01:54:48,830

they're real flaky they don't like to

2484

01:54:55,010 --> 01:54:52,020

you know they go fight for their causes

2485

01:54:56,689 --> 01:54:55,020

and and do the right thing but then you

2486

01:55:00,260 --> 01:54:56,699

know it's forest for the trees when it

2487

01:55:02,540 --> 01:55:00,270

comes to that absolutely just amazing

2488

01:55:05,750 --> 01:55:02,550

database that they're sitting on and in

2489

01:55:08,120 --> 01:55:05,760

hoarding I don't understand how somebody

2490

01:55:09,800 --> 01:55:08,130

could could do that and make make

2491

01:55:11,600 --> 01:55:09,810

promises and then not follow through on

2492

01:55:13,189 --> 01:55:11,610

paperwork and stuff it's it's it's a

2493

01:55:15,620 --> 01:55:13,199

good idea Jane I would be happy to

2494

01:55:17,479 --> 01:55:15,630

spearhead it okay ladies and gentlemen I

2495

01:55:21,290 --> 01:55:17,489

welcome your suggestions to if you're

2496

01:55:25,189 --> 01:55:21,300

write to us news at the para cast com

2497

01:55:27,290 --> 01:55:25,199

news at the para cast comm and your

2498

01:55:29,090 --> 01:55:27,300

suggestions how we might persuade these

2499

01:55:30,620 --> 01:55:29,100

people nicely you know we're not talking

2500

01:55:33,350 --> 01:55:30,630

about legal action we're not talking

2501

01:55:35,479 --> 01:55:33,360

about bringing up Peter Gersten the New

2502

01:55:36,680 --> 01:55:35,489

York lawyer who lives in Arizona now who

2503

01:55:38,120 --> 01:55:36,690

did a lot of those freedom of

2504

01:55:42,080 --> 01:55:38,130

information actions we're talking about

2505

01:55:44,300 --> 01:55:42,090

friendly nice a petition gentle pressure

2506

01:55:47,800 --> 01:55:44,310

you know now they're really wild stuff

2507

01:55:53,120 --> 01:55:47,810

gentle pressure and as we sugar on top

2508

01:55:55,580 --> 01:55:53,130

exactly exactly oh no no venom now maybe

2509

01:55:57,320 --> 01:55:55,590

some scorpion venom no no scorpion venom

2510

01:55:59,300 --> 01:55:57,330

either you know I know you know about

2511

01:56:01,550 --> 01:55:59,310

that stuff Chris so yeah they're they're

2512

01:56:02,930 --> 01:56:01,560

already kind of numskulls already I

2513

01:56:05,510 --> 01:56:02,940

don't think they need any more numbing

2514

01:56:08,629 --> 01:56:05,520

well yeah use that word but you already

2515

01:56:10,100 --> 01:56:08,639

let it drop okay it doesn't matter you

2516

01:56:12,169 --> 01:56:10,110

know if the information is here in

2517

01:56:14,689 --> 01:56:12,179

Phoenix and I'm not far from Phoenix as

2518

01:56:16,970 --> 01:56:14,699

we all know I will go there personally

2519

01:56:19,550 --> 01:56:16,980

and have a look at it with them and they

2520

01:56:21,439 --> 01:56:19,560

could you know if they want even though

2521

01:56:23,510 --> 01:56:21,449

they're insensate admit Lauren since

2522

01:56:25,490 --> 01:56:23,520

hated me so I wouldn't work with it no

2523

01:56:27,709 --> 01:56:25,500

Chris will come down we have Antonio who

2524

01:56:29,780 --> 01:56:27,719

næss who lives in the area we can have a

2525

01:56:32,120 --> 01:56:29,790

lot of people come over take a look at

2526

01:56:33,979 --> 01:56:32,130

this information help you know at least

2527

01:56:35,720 --> 01:56:33,989

get it into a way that it can be

2528

01:56:37,700 --> 01:56:35,730

submitted maybe somebody can scan the

2529

01:56:38,270 --> 01:56:37,710

papers we can put them online

2530

01:56:40,220 --> 01:56:38,280

lots

2531

01:56:41,900 --> 01:56:40,230

stuff that will talk about this in

2532

01:56:44,450 --> 01:56:41,910

future episodes of the power cast and

2533

01:56:46,850 --> 01:56:44,460

see where it stands yeah okay good idea

2534

01:56:48,680 --> 01:56:46,860

gene okay Albert we have just a couple

2535

01:56:50,570 --> 01:56:48,690

minutes left we didn't mean to ignore

2536

01:56:51,860 --> 01:56:50,580

you I guess there's a lot of information

2537

01:56:54,350 --> 01:56:51,870

they have that you would like to get

2538

01:56:55,670 --> 01:56:54,360

your hands on but where do you intend to

2539

01:56:57,020 --> 01:56:55,680

go from here you don't do the public

2540

01:56:58,730 --> 01:56:57,030

appearance circuit you don't do the

2541

01:57:01,790 --> 01:56:58,740

radio show circuit what do you expect to

2542

01:57:06,230 --> 01:57:01,800

continue to do well I I'm gonna continue

2543

01:57:10,280 --> 01:57:06,240

to do my my database one of my journals

2544

01:57:13,040 --> 01:57:10,290

and write to the whatever magazine wants

2545

01:57:14,990 --> 01:57:13,050

to publish some articles but like I'm

2546

01:57:19,190 --> 01:57:15,000

like you said I'm gonna be working on

2547

01:57:22,010 --> 01:57:19,200

some books also and you know whoever is

2548

01:57:23,390 --> 01:57:22,020

willing to do a radio show with me I'm

2549

01:57:26,090 --> 01:57:23,400

willing to do it I just haven't been a

2550

01:57:27,410 --> 01:57:26,100

personal approach so many times well a

2551

01:57:31,510 --> 01:57:27,420

couple of times I've been able to do it

2552

01:57:34,580 --> 01:57:31,520

because my work and different issues but

2553

01:57:37,100 --> 01:57:34,590

I'll be more than glad to do you know

2554

01:57:39,050 --> 01:57:37,110

the radio circuit and I haven't done it

2555

01:57:41,240 --> 01:57:39,060

too much but I'd done three or four or

2556

01:57:44,600 --> 01:57:41,250

five maybe ladies and gentlemen if you

2557

01:57:46,250 --> 01:57:44,610

click on Albert Rosales name at the

2558

01:57:48,710 --> 01:57:46,260

parent cast calm you'll be taken right

2559

01:57:50,960 --> 01:57:48,720

to the database you can see all the

2560

01:57:53,810 --> 01:57:50,970

information is collected about UFO

2561

01:57:55,490 --> 01:57:53,820

humanoid encounters and if you have more

2562

01:57:58,130 --> 01:57:55,500

information that has his email address

2563

01:58:00,890 --> 01:57:58,140

there he doesn't have to mention online

2564

01:58:02,930 --> 01:58:00,900

or on our show but his email address is

2565

01:58:04,370 --> 01:58:02,940

there you could write to him give him

2566

01:58:06,050 --> 01:58:04,380

more information or maybe get some help

2567

01:58:08,690 --> 01:58:06,060

in finding out where the things are

2568

01:58:10,370 --> 01:58:08,700

having Chris O'Brien where do we find

2569

01:58:12,170 --> 01:58:10,380

more of the stuff you're working on

2570

01:58:14,180 --> 01:58:12,180

you're gonna do a successor to the

2571

01:58:17,900 --> 01:58:14,190

trickster book yeah I am I'm actually

2572

01:58:20,330 --> 01:58:17,910

working on a book that looks at tricks

2573

01:58:23,480 --> 01:58:20,340

tourism it really brings in the ephah

2574

01:58:25,820 --> 01:58:23,490

logical question my first book stalking

2575

01:58:27,650 --> 01:58:25,830

the tricksters hardly mentioned UFOs at

2576

01:58:29,630 --> 01:58:27,660

all just at the very end I happen to go

2577

01:58:31,790 --> 01:58:29,640

into a little bit but there's there's

2578

01:58:33,800 --> 01:58:31,800

quite a bit of just a wealth of material

2579

01:58:36,590 --> 01:58:33,810

that is tricksters in nature that's

2580

01:58:39,980 --> 01:58:36,600

found in ufology my website is our

2581

01:58:43,340 --> 01:58:39,990

strange planet calm and there you can

2582

01:58:45,950 --> 01:58:43,350

find my database which is available to

2583

01:58:48,680 --> 01:58:45,960

anyone who wants it and it's all there

2584

01:58:50,420 --> 01:58:48,690

it's about 13 years of my own

2585

01:58:53,060 --> 01:58:50,430

investigations and in the

2586

01:58:54,980 --> 01:58:53,070

actual sighting law goes back to 1777 so

2587

01:58:56,960 --> 01:58:54,990

there's plenty of stuff in there to keep

2588

01:58:58,970 --> 01:58:56,970

you busy for a while well there's quite

2589

01:59:02,330 --> 01:58:58,980

a quite a number of reports in there not

2590

01:59:04,850 --> 01:59:02,340

hidden in 15 file cabinets somewhere in

2591

01:59:08,000 --> 01:59:04,860

Phoenix yeah hopefully in a

2592

01:59:10,670 --> 01:59:08,010

air-conditioned space down there so it's

2593

01:59:12,230 --> 01:59:10,680

our strange planet calm okay and link

2594

01:59:15,050 --> 01:59:12,240

from the power cast calm

2595

01:59:16,610 --> 01:59:15,060

Albert ViSalus Chris O'Brien been a

2596

01:59:19,400 --> 01:59:16,620

great show thank you both for joining us

2597

01:59:20,960 --> 01:59:19,410

this week on the forecast well thanks

2598

01:59:22,400 --> 01:59:20,970

for having Albert on I'm really glad

2599

01:59:23,000 --> 01:59:22,410

that he was able to make it and be on

2600

01:59:24,410 --> 01:59:23,010

the show

2601

01:59:30,500 --> 01:59:24,420

thank you guys for giving me the

2602

01:59:32,870 --> 01:59:30,510

opportunity great job presentation of

2603

01:59:36,690 --> 01:59:32,880

making the impossible Incorporated tune

2604

01:59:36,700 --> 01:59:51,380

[Music]
