

05/23/10

PAUL KIMBALL
and
NICK POPE

1
00:00:12,910 --> 00:00:31,430

[Music]

2
00:00:35,750 --> 00:00:33,590

our guest host this week is Paul Kimball

3
00:00:37,910 --> 00:00:35,760

and maybe we should bring our listeners

4
00:00:40,190 --> 00:00:37,920

up to date on all the happenings in the

5
00:00:42,229 --> 00:00:40,200

power cast forms you see a lot of you

6
00:00:45,590 --> 00:00:42,239

folks don't participate in those forums

7
00:00:48,170 --> 00:00:45,600

I'd say maybe a fraction of our

8
00:00:50,990 --> 00:00:48,180

listeners actually ever join up forum

9
00:00:53,330 --> 00:00:51,000

dot the power cast com maybe you haven't

10
00:00:55,820 --> 00:00:53,340

checked into online forums and maybe you

11
00:00:58,490 --> 00:00:55,830

don't care but a lot of the action is

12
00:01:00,890 --> 00:00:58,500

there we've got I don't know 80 90

13
00:01:03,110 --> 00:01:00,900

thousand messages right now so if it

14

00:01:06,530 --> 00:01:03,120

gets pretty crazy some of it not so

15

00:01:09,260 --> 00:01:06,540

crazy now we had a very active thread

16

00:01:11,120 --> 00:01:09,270

very recently about UFO abductions but a

17

00:01:14,120 --> 00:01:11,130

lot of that was in connection with one

18

00:01:16,969 --> 00:01:14,130

woman who decides she had been wronged

19

00:01:19,040 --> 00:01:16,979

by dr. David Jacobs and set up a website

20

00:01:22,520 --> 00:01:19,050

and told everybody who'd listened about

21

00:01:24,590 --> 00:01:22,530

it and then maybe you saw this message

22

00:01:27,050 --> 00:01:24,600

Paul I said okay you know what you've

23

00:01:29,270 --> 00:01:27,060

had your 15 minutes of fame since you've

24

00:01:31,310 --> 00:01:29,280

made such a big deal of this tell us who

25

00:01:31,580 --> 00:01:31,320

you really are never heard from them

26

00:01:34,969 --> 00:01:31,590

again

27

00:01:37,370 --> 00:01:34,979

well gene you and I as I think you know

28

00:01:39,410 --> 00:01:37,380

had a different somewhat different point

29

00:01:41,540 --> 00:01:39,420

of view on the Emma Woods story or as

30

00:01:43,490 --> 00:01:41,550

David Jacobs called her wasn't it Alice

31

00:01:43,820 --> 00:01:43,500

was that the name he used for I can't

32

00:01:46,490 --> 00:01:43,830

remember

33

00:01:48,680 --> 00:01:46,500

Allison bonheur land you say that she

34

00:01:51,710 --> 00:01:48,690

claimed that she was taking advantage of

35

00:01:53,930 --> 00:01:51,720

her abuse by dr. Jacobs my point of view

36

00:01:56,059 --> 00:01:53,940

is I have absolutely no doubt that she

37

00:01:59,449 --> 00:01:56,069

was taken advantage of and abused by dr.

38

00:02:01,279 --> 00:01:59,459

Jacobs now the extent of that who you

39

00:02:02,779 --> 00:02:01,289

want to assign blame to on sort of a

40

00:02:02,960 --> 00:02:02,789

relative scale if you were in a court of

41

00:02:04,309 --> 00:02:02,970

law

42

00:02:06,979 --> 00:02:04,319

you'd say they're both contributory

43

00:02:09,770 --> 00:02:06,989

negligent so it's actually kind of where

44

00:02:12,350 --> 00:02:09,780

I stand and I'm not enamored with what

45

00:02:14,150 --> 00:02:12,360

dr. Jacobs doing especially forgetting

46

00:02:17,449 --> 00:02:14,160

the value of hypnosis doing it by

47

00:02:20,690 --> 00:02:17,459

telephone right well if you assume that

48

00:02:22,100 --> 00:02:20,700

the value of hypnosis is almost nil but

49

00:02:24,920 --> 00:02:22,110

let's say there might be some value

50

00:02:27,050 --> 00:02:24,930

there you it's like cloning you can take

51
00:02:28,460 --> 00:02:27,060
that original value whatever it is and

52
00:02:29,809 --> 00:02:28,470
then you can degrade it even further by

53
00:02:31,910 --> 00:02:29,819
doing it over the phone I think

54
00:02:33,440 --> 00:02:31,920
everything about the Emma Woods case you

55
00:02:35,839 --> 00:02:33,450
can leave aside the question and I know

56
00:02:38,500 --> 00:02:35,849
some people that question her own mental

57
00:02:40,760 --> 00:02:38,510
state and I think she probably does have

58
00:02:42,230 --> 00:02:40,770
some mental issues she was seeing a

59
00:02:43,800 --> 00:02:42,240
therapist apparently before she ever

60
00:02:45,840 --> 00:02:43,810
went to Jacobs

61
00:02:48,840 --> 00:02:45,850
that doesn't mean as one poster on the

62
00:02:52,770 --> 00:02:48,850
para cast forms infamously said that she

63
00:02:56,160 --> 00:02:52,780

was that something crazy it just means

64

00:02:57,809 --> 00:02:56,170

that maybe like many of us she is not a

65

00:02:59,250 --> 00:02:57,819

hundred percent normal she's ninety nine

66

00:03:01,410 --> 00:02:59,260

percent normal or eighty eight percent

67

00:03:03,360 --> 00:03:01,420

or whatever but to go to if she wound

68

00:03:05,790 --> 00:03:03,370

out with dr. Jacobs and I feel sorry for

69

00:03:08,430 --> 00:03:05,800

because anybody long before the same a

70

00:03:10,160 --> 00:03:08,440

woods story broke there were an awful

71

00:03:13,830 --> 00:03:10,170

lot of people within UFO research

72

00:03:15,510 --> 00:03:13,840

quietly in most cases saying that they

73

00:03:17,880 --> 00:03:15,520

thought there were serious problems with

74

00:03:19,740 --> 00:03:17,890

dr. Jacobs methodology and Budd Hopkins

75

00:03:21,990 --> 00:03:19,750

and a lot of these other guys who use

76
00:03:23,130 --> 00:03:22,000
hypnosis there were a few people who

77
00:03:25,740 --> 00:03:23,140
were saying it publicly

78
00:03:27,990 --> 00:03:25,750
Kevin Randall was certainly one I was

79
00:03:30,870 --> 00:03:28,000
one jock valet has written about

80
00:03:32,910 --> 00:03:30,880
hypnosis and abductions I did a blog

81
00:03:34,320 --> 00:03:32,920
post to have my blog a few years ago

82
00:03:36,360 --> 00:03:34,330
where I talked about what doctor valet

83
00:03:38,729 --> 00:03:36,370
said none of it terribly complimentary

84
00:03:40,949 --> 00:03:38,739
so it's not as if this is a new topic

85
00:03:42,990 --> 00:03:40,959
the question of hypnosis and how these

86
00:03:46,500 --> 00:03:43,000
abduction researchers have been dealing

87
00:03:48,630 --> 00:03:46,510
with the subject the Emma Woods case to

88
00:03:51,300 --> 00:03:48,640

me should be the nail no matter what you

89

00:03:53,850 --> 00:03:51,310

think about the relative merits of her

90

00:03:55,620 --> 00:03:53,860

side of it or his side if you listen to

91

00:03:57,390 --> 00:03:55,630

all the evidence objectively if you look

92

00:03:59,550 --> 00:03:57,400

at what's been posted by both sides I

93

00:04:02,009 --> 00:03:59,560

think it should be the nail in whatever

94

00:04:04,229 --> 00:04:02,019

career quote quote dr. Jacobs said in

95

00:04:06,420 --> 00:04:04,239

terms of dealing with the abduction

96

00:04:09,449 --> 00:04:06,430

phenomenon I don't think dr. Jacobs

97

00:04:12,000 --> 00:04:09,459

should be allowed anywhere near anybody

98

00:04:13,800 --> 00:04:12,010

who claims to have had an abduction

99

00:04:15,509 --> 00:04:13,810

experience whatever that phenomenon

100

00:04:18,029 --> 00:04:15,519

represents I think it's time for dr.

101
00:04:20,340 --> 00:04:18,039
Jacobs to quietly ride into the sunset

102
00:04:21,960 --> 00:04:20,350
and you know for his own sake the best

103
00:04:23,370 --> 00:04:21,970
thing for him might be to sort of say

104
00:04:25,590 --> 00:04:23,380
you know what maybe I did some good work

105
00:04:27,480 --> 00:04:25,600
in the past in terms of researching the

106
00:04:29,670 --> 00:04:27,490
history of the UFO phenomenon other

107
00:04:31,890 --> 00:04:29,680
things hopefully folks will remember me

108
00:04:33,960 --> 00:04:31,900
for that and now I'm just gonna fade

109
00:04:36,750 --> 00:04:33,970
away and and I don't want to be part of

110
00:04:39,029 --> 00:04:36,760
this anymore see my time here is not so

111
00:04:41,550 --> 00:04:39,039
much that he did things that possibly

112
00:04:42,420 --> 00:04:41,560
aren't kosher and say I have very very

113
00:04:44,430 --> 00:04:42,430

deep concerns

114

00:04:47,700 --> 00:04:44,440

I wouldn't want somebody to hypnotize me

115

00:04:49,980 --> 00:04:47,710

and if they did I want somebody who was

116

00:04:52,020 --> 00:04:49,990

at least trained a trained mental

117

00:04:54,420 --> 00:04:52,030

therapist not a history teacher or

118

00:04:55,540 --> 00:04:54,430

something you know so that's taking it

119

00:04:58,120 --> 00:04:55,550

for I mean as a kid

120

00:04:59,740 --> 00:04:58,130

I would hypnotize my friends but we're

121

00:05:02,050 --> 00:04:59,750

having fun we weren't doing it for

122

00:05:04,210 --> 00:05:02,060

therapy I also freely admit that I'm

123

00:05:07,870 --> 00:05:04,220

probably quite crazy on the other hand I

124

00:05:10,690 --> 00:05:07,880

think Emma Woods was using this granting

125

00:05:13,240 --> 00:05:10,700

on to it and maybe trying to basically

126

00:05:15,070 --> 00:05:13,250

create a community around herself a

127

00:05:17,500 --> 00:05:15,080

little bit more than she should have

128

00:05:20,770 --> 00:05:17,510

she should also have decided she is

129

00:05:23,830 --> 00:05:20,780

reasonably well at one point to simply

130

00:05:25,390 --> 00:05:23,840

hang up the phone say this is enough she

131

00:05:27,280 --> 00:05:25,400

didn't have to keep calling him she

132

00:05:29,950 --> 00:05:27,290

didn't have to participate in these

133

00:05:33,070 --> 00:05:29,960

sessions anymore if he's being as

134

00:05:33,520 --> 00:05:33,080

abusive as she says he is hang up the

135

00:05:36,190 --> 00:05:33,530

phone

136

00:05:38,710 --> 00:05:36,200

give it up on the long haul I would hope

137

00:05:41,770 --> 00:05:38,720

that we'll find a way to investigate

138

00:05:43,090 --> 00:05:41,780

these things without hypnosis on the

139

00:05:46,090 --> 00:05:43,100

other hand we have a problem

140

00:05:49,090 --> 00:05:46,100

what about so-called missing time how do

141

00:05:51,400 --> 00:05:49,100

you recover memories that may not be

142

00:05:53,890 --> 00:05:51,410

there well I would go back to to go back

143

00:05:55,300 --> 00:05:53,900

to the Emma Woods thing again and I

144

00:05:57,610 --> 00:05:55,310

think this will probably be the final

145

00:05:59,440 --> 00:05:57,620

time that I say anything about it I

146

00:05:59,980 --> 00:05:59,450

absolutely understand where she's coming

147

00:06:03,340 --> 00:05:59,990

from

148

00:06:05,350 --> 00:06:03,350

if what happened is is what she said

149

00:06:07,540 --> 00:06:05,360

happened even remotely as close to what

150

00:06:10,420 --> 00:06:07,550

happened the it is perfectly

151
00:06:13,000 --> 00:06:10,430
understandable human response to want to

152
00:06:16,210 --> 00:06:13,010
go after the person that did this to you

153
00:06:17,860 --> 00:06:16,220
I understand it I am Not sure I would

154
00:06:20,440 --> 00:06:17,870
carry it quite as far as it seems she

155
00:06:21,940 --> 00:06:20,450
has but I've been wrong too before and

156
00:06:23,560 --> 00:06:21,950
I'm not talking by a guy who hypnotized

157
00:06:25,240 --> 00:06:23,570
me and convinced me I had multiple

158
00:06:27,730 --> 00:06:25,250
personality disorder or whatever you

159
00:06:29,140 --> 00:06:27,740
know in business or anything else and I

160
00:06:30,490 --> 00:06:29,150
give as good as I get

161
00:06:32,500 --> 00:06:30,500
you know you're not just gonna walk over

162
00:06:33,640 --> 00:06:32,510
me and expect me to fade away so I don't

163
00:06:35,500 --> 00:06:33,650

think she's been trying to create a

164

00:06:39,130 --> 00:06:35,510

community I think she was taken

165

00:06:41,770 --> 00:06:39,140

advantage of by a couple of podcast

166

00:06:43,750 --> 00:06:41,780

hosts on another podcast that shall not

167

00:06:46,660 --> 00:06:43,760

be named but is going a business soon

168

00:06:48,610 --> 00:06:46,670

and I think they were primarily

169

00:06:51,040 --> 00:06:48,620

responsible for publicly spreading the

170

00:06:53,620 --> 00:06:51,050

story over the last few months to their

171

00:06:55,420 --> 00:06:53,630

own benefit and I think she was taken

172

00:06:57,610 --> 00:06:55,430

advantage of a bit by them on the flip

173

00:06:59,380 --> 00:06:57,620

side I think it was good that they

174

00:07:00,550 --> 00:06:59,390

brought that story out because I don't

175

00:07:03,280 --> 00:07:00,560

think she was getting a lot of traction

176

00:07:05,020 --> 00:07:03,290

within the UFO research community I

177

00:07:06,189 --> 00:07:05,030

think it was a story that was known

178

00:07:08,739 --> 00:07:06,199

before then

179

00:07:10,779 --> 00:07:08,749

and I think people were largely ignoring

180

00:07:13,809 --> 00:07:10,789

it because dr. Jacobs has a lot of

181

00:07:15,189 --> 00:07:13,819

friends dr. Jacobs has an awful lot of

182

00:07:17,110 --> 00:07:15,199

people that he's worked with over the

183

00:07:19,869 --> 00:07:17,120

years 10 20 years so does Budd Hopkins

184

00:07:22,300 --> 00:07:19,879

who would be loath to criticize them

185

00:07:23,920 --> 00:07:22,310

even when presented with evidence that

186

00:07:24,459 --> 00:07:23,930

is pretty damning as far as I'm

187

00:07:26,679 --> 00:07:24,469

concerned

188

00:07:29,140 --> 00:07:26,689

you want chemin Randall talks about a

189

00:07:31,450 --> 00:07:29,150

conspiracy of silence I'll tell you what

190

00:07:33,010 --> 00:07:31,460

the concerns conspiracy of silence is

191

00:07:34,779 --> 00:07:33,020

but I can guarantee you there's a

192

00:07:37,119 --> 00:07:34,789

conspiracy of silence within the UFO

193

00:07:39,219 --> 00:07:37,129

research community and that conspiracy

194

00:07:42,820 --> 00:07:39,229

of silence is when you are dealing with

195

00:07:44,589 --> 00:07:42,830

a very popular researcher a well known

196

00:07:47,709 --> 00:07:44,599

researcher one who's been around for a

197

00:07:48,969 --> 00:07:47,719

while if you start to see chinks in

198

00:07:50,529 --> 00:07:48,979

their armor if you start to see them

199

00:07:53,200 --> 00:07:50,539

doing things that well you know maybe

200

00:07:55,570 --> 00:07:53,210

maybe this isn't quite kosher you keep

201
00:07:57,459 --> 00:07:55,580
quiet because in many cases you don't

202
00:07:59,050 --> 00:07:57,469
want to disrupt relationships that might

203
00:08:01,149 --> 00:07:59,060
lead you or keep you on the conference

204
00:08:03,010 --> 00:08:01,159
lecture circuit but in other cases it's

205
00:08:04,989 --> 00:08:03,020
partly a natural response to you can see

206
00:08:06,879 --> 00:08:04,999
it sorted from I don't you know if you

207
00:08:08,980 --> 00:08:06,889
objectively looking at it but Hopkins

208
00:08:10,749 --> 00:08:08,990
came out and defended dr. Jacobs he did

209
00:08:13,389 --> 00:08:10,759
it on the podcast he's done and

210
00:08:15,999 --> 00:08:13,399
elsewhere and he did it vehemently in

211
00:08:19,570 --> 00:08:16,009
some respects by attacking the character

212
00:08:21,040 --> 00:08:19,580
of Emma Woods that it to me he's aiding

213
00:08:22,809 --> 00:08:21,050

and abetting the bad behavior of dr.

214

00:08:25,269 --> 00:08:22,819

Jacobs on the other hand I also

215

00:08:26,920 --> 00:08:25,279

understand the human impulse behind that

216

00:08:28,360 --> 00:08:26,930

to defend somebody who's been a lifelong

217

00:08:30,159 --> 00:08:28,370

friend of yours to try and believe the

218

00:08:31,600 --> 00:08:30,169

best about them but at some point you

219

00:08:33,939 --> 00:08:31,610

have to step back and say you know what

220

00:08:35,170 --> 00:08:33,949

if this guy has been doing the kinds of

221

00:08:38,409 --> 00:08:35,180

things that it looks like he's been

222

00:08:41,259 --> 00:08:38,419

doing maybe I need to reassess who my

223

00:08:42,670 --> 00:08:41,269

friends are and just because they seem

224

00:08:44,560 --> 00:08:42,680

to share my views within the UFO

225

00:08:45,970 --> 00:08:44,570

community maybe there's a greater good

226

00:08:48,189 --> 00:08:45,980

here maybe there's a moral imperative

227

00:08:50,380 --> 00:08:48,199

that goes beyond just being friends or

228

00:08:52,509 --> 00:08:50,390

both of us making the same point and the

229

00:08:55,000 --> 00:08:52,519

UFO research community falls down

230

00:08:56,920 --> 00:08:55,010

consistently on this point time after

231

00:08:58,780 --> 00:08:56,930

time after time and this is just another

232

00:09:01,059 --> 00:08:58,790

case of it well at least I have no

233

00:09:03,400 --> 00:09:01,069

lecturers to give and no lecture circuit

234

00:09:06,129 --> 00:09:03,410

to join nobody's asking me to join the

235

00:09:08,019 --> 00:09:06,139

lecture circuit so I don't care because

236

00:09:10,180 --> 00:09:08,029

I say stuff like what I just said so I

237

00:09:13,030 --> 00:09:10,190

don't get invites but well that's it you

238

00:09:14,040 --> 00:09:13,040

just mess it up and by allowing you to

239

00:09:15,479 --> 00:09:14,050

say that well

240

00:09:18,090 --> 00:09:15,489

they're not going to invite me either

241

00:09:19,859 --> 00:09:18,100

and frankly I don't care I'd rather be

242

00:09:21,809 --> 00:09:19,869

honest and poor which of course is what

243

00:09:24,090 --> 00:09:21,819

I am okay now the second part of the

244

00:09:27,299 --> 00:09:24,100

question of course is alright so how do

245

00:09:30,239 --> 00:09:27,309

we recover was the methodology to

246

00:09:31,530 --> 00:09:30,249

recover memories where somebody says you

247

00:09:34,109 --> 00:09:31,540

know what I was driving along the

248

00:09:37,879 --> 00:09:34,119

highway a UFO seven-eighths four hours

249

00:09:41,150 --> 00:09:37,889

later what's the process take them to a

250

00:09:44,579 --> 00:09:41,160

qualified trained practitioner

251
00:09:46,259 --> 00:09:44,589
psychology psychiatry medical people and

252
00:09:48,569 --> 00:09:46,269
let them deal with it it's time for the

253
00:09:50,879 --> 00:09:48,579
UFO research community and I use those

254
00:09:54,119 --> 00:09:50,889
that term in quotation marks in most

255
00:09:56,789 --> 00:09:54,129
cases to get out of it you know they can

256
00:09:58,109 --> 00:09:56,799
wander off and you will continue to get

257
00:10:01,499 --> 00:09:58,119
people who will continue to push the

258
00:10:04,229 --> 00:10:01,509
alien abduction meme that story that

259
00:10:06,239 --> 00:10:04,239
narrative good you can't stop them

260
00:10:07,829 --> 00:10:06,249
however if you really want to look at

261
00:10:09,059 --> 00:10:07,839
what's happening with these people there

262
00:10:11,579 --> 00:10:09,069
are trained professionals that should be

263
00:10:14,579 --> 00:10:11,589

looking into it you're not qualified to

264

00:10:16,739 --> 00:10:14,589

a pine on that I'm not qualified I'm

265

00:10:17,850 --> 00:10:16,749

suspecting although without knowing for

266

00:10:20,100 --> 00:10:17,860

sure that nobody on the pair of cast

267

00:10:21,389 --> 00:10:20,110

forms is really truly qualified unless

268

00:10:24,119 --> 00:10:21,399

you know they have a psychology degree

269

00:10:26,910 --> 00:10:24,129

or something so I think it's time that

270

00:10:28,919 --> 00:10:26,920

you know that end of it that entire

271

00:10:31,109 --> 00:10:28,929

thing be we transfer it over to them and

272

00:10:32,850 --> 00:10:31,119

if there are physical aspects of the

273

00:10:34,470 --> 00:10:32,860

abduction phenomenon there are ways to

274

00:10:36,539 --> 00:10:34,480

research the abduction phenomenon don't

275

00:10:37,530 --> 00:10:36,549

if anyone's listening to me don't think

276

00:10:39,629 --> 00:10:37,540

for a minute that I'm saying we

277

00:10:41,850 --> 00:10:39,639

shouldn't look into this as UFO whatever

278

00:10:44,449 --> 00:10:41,860

paranormal researchers it just shouldn't

279

00:10:46,319 --> 00:10:44,459

involve dealing with recovered memories

280

00:10:47,939 --> 00:10:46,329

psychological issues and all that sort

281

00:10:49,590 --> 00:10:47,949

of stuff we're not trained for it and

282

00:10:51,600 --> 00:10:49,600

even if you were trained for you might

283

00:10:53,460 --> 00:10:51,610

get somebody within the UFO field who

284

00:10:56,220 --> 00:10:53,470

was biased it should be an objective

285

00:10:58,350 --> 00:10:56,230

person who's looking at this but there

286

00:10:59,909 --> 00:10:58,360

are things that you can do you can look

287

00:11:01,530 --> 00:10:59,919

for physical evidence you can go and

288

00:11:02,669 --> 00:11:01,540

invest if somebody calls and says look I

289

00:11:04,769 --> 00:11:02,679

was in my house I was taken out of my

290

00:11:07,079 --> 00:11:04,779

bed I'm missing time or I was driving my

291

00:11:09,539 --> 00:11:07,089

car whatever you can do conduct a

292

00:11:11,249 --> 00:11:09,549

physical investigation of that site to

293

00:11:14,519 --> 00:11:11,259

look for any evidence if there's no

294

00:11:17,429 --> 00:11:14,529

evidence well that's interesting you can

295

00:11:19,650 --> 00:11:17,439

set up cameras I'm shocked that this is

296

00:11:20,159 --> 00:11:19,660

not done more often when we were ghost

297

00:11:22,650 --> 00:11:20,169

hunting

298

00:11:24,419 --> 00:11:22,660

filming ghost cases we had a DVR camera

299

00:11:26,210 --> 00:11:24,429

system so you would have for you watch

300

00:11:28,160 --> 00:11:26,220

any episodes you'll see it in fact we

301
00:11:29,630 --> 00:11:28,170
caught some very compelling footage that

302
00:11:31,430 --> 00:11:29,640
we still would show the number of

303
00:11:33,140 --> 00:11:31,440
experts they just shrug and go that's

304
00:11:35,780 --> 00:11:33,150
not a camera artifact we can't explain

305
00:11:37,850 --> 00:11:35,790
what it is set those cameras up if I

306
00:11:39,200 --> 00:11:37,860
mean if I've been having these abduction

307
00:11:40,760 --> 00:11:39,210
experiences coming out of my bed for

308
00:11:42,920 --> 00:11:40,770
instance you know missing time at night

309
00:11:45,470 --> 00:11:42,930
whatever set they four cameras up in the

310
00:11:48,080 --> 00:11:45,480
room and see what happens and and don't

311
00:11:49,310 --> 00:11:48,090
expect to get results in a day or two

312
00:11:51,320 --> 00:11:49,320
you know that's the other thing you

313
00:11:53,030 --> 00:11:51,330

follow G UFO research seems to be

314

00:11:56,090 --> 00:11:53,040

lacking as patients these days

315

00:11:58,010 --> 00:11:56,100

stick it for the long haul run this run

316

00:12:01,220 --> 00:11:58,020

the test over six months for twelve

317

00:12:02,750 --> 00:12:01,230

months or however long it takes and see

318

00:12:05,270 --> 00:12:02,760

if anything happens if nothing happens

319

00:12:08,720 --> 00:12:05,280

then I think you're probably looking at

320

00:12:10,700 --> 00:12:08,730

something where the problem or the issue

321

00:12:12,680 --> 00:12:10,710

lies with the person who's reporting it

322

00:12:14,900 --> 00:12:12,690

and it's an internal thing not an

323

00:12:16,880 --> 00:12:14,910

external thing but who knows if you run

324

00:12:19,580 --> 00:12:16,890

these kinds of investigations real

325

00:12:21,800 --> 00:12:19,590

investigations not people with pocket

326

00:12:23,030 --> 00:12:21,810

watches trying to hypnotize somebody or

327

00:12:26,030 --> 00:12:23,040

somebody calling somebody in New Zealand

328

00:12:28,070 --> 00:12:26,040

going I'm hypnotizing you now to recover

329

00:12:30,770 --> 00:12:28,080

memories by the way you have multiple

330

00:12:33,650 --> 00:12:30,780

personality disorder toss that stuff and

331

00:12:36,770 --> 00:12:33,660

go back and do real investigation CSI

332

00:12:39,350 --> 00:12:36,780

crime scene type investigations and also

333

00:12:42,920 --> 00:12:39,360

not just in the past but what's coming

334

00:12:44,750 --> 00:12:42,930

in the future set up cameras have people

335

00:12:47,510 --> 00:12:44,760

monitor it those are things that can be

336

00:12:49,670 --> 00:12:47,520

done relatively inexpensively and it

337

00:12:51,230 --> 00:12:49,680

sure as hell beats sitting down and

338

00:12:53,150 --> 00:12:51,240

hypnotizing people to try and recover

339

00:12:55,880 --> 00:12:53,160

memories a process that even in the

340

00:12:59,930 --> 00:12:55,890

hands of the most trained most qualified

341

00:13:02,510 --> 00:12:59,940

professional is controversial let's say

342

00:13:05,090 --> 00:13:02,520

at best I was gonna say debatable but I

343

00:13:07,580 --> 00:13:05,100

go along with your similar

344

00:13:10,340 --> 00:13:07,590

characterization of what that is I will

345

00:13:12,140 --> 00:13:10,350

say this ladies and gentlemen I think if

346

00:13:13,340 --> 00:13:12,150

you had the cameras there you wouldn't

347

00:13:15,470 --> 00:13:13,350

see anything it doesn't mean the

348

00:13:17,450 --> 00:13:15,480

experiences are not real but I think a

349

00:13:21,230 --> 00:13:17,460

lot of them are internal we'll see what

350

00:13:22,850 --> 00:13:21,240

happens we have a guest who is returning

351
00:13:25,280 --> 00:13:22,860
for a second appearance on the power

352
00:13:27,410 --> 00:13:25,290
cast he's somebody who was an insider

353
00:13:29,810 --> 00:13:27,420
tell us about Nick Pope I'm a good

354
00:13:32,420 --> 00:13:29,820
friend Nick Pope the man does like his

355
00:13:34,190 --> 00:13:32,430
beer and so do I so every time Nick and

356
00:13:36,489 --> 00:13:34,200
I get together we always have a lot of

357
00:13:39,549 --> 00:13:36,499
fun he was the

358
00:13:41,619 --> 00:13:39,559
the Ministry of Defense's UFO desk again

359
00:13:43,209 --> 00:13:41,629
a controversial claim there are critics

360
00:13:44,559 --> 00:13:43,219
of his within the United Kingdom who say

361
00:13:46,839 --> 00:13:44,569
that he was basically just a paper

362
00:13:48,459 --> 00:13:46,849
pushing clerk Nick's story has always

363
00:13:50,199 --> 00:13:48,469

been and this has been backed up by I

364

00:13:51,969 --> 00:13:50,209

think most people who know what was

365

00:13:54,039 --> 00:13:51,979

really going on and while he did a fair

366

00:13:57,039 --> 00:13:54,049

bit of paper pushing he was also going

367

00:14:00,729 --> 00:13:57,049

out and investigating cases in the field

368

00:14:02,409 --> 00:14:00,739

from I believe 1991 to 1993 I think I

369

00:14:04,659 --> 00:14:02,419

have those years right after which

370

00:14:06,059 --> 00:14:04,669

before and after he was involved in

371

00:14:08,259 --> 00:14:06,069

other work at the Ministry of Defence

372

00:14:10,419 --> 00:14:08,269

eventually retiring I think about a year

373

00:14:12,339 --> 00:14:10,429

and a half or two years ago and now he's

374

00:14:15,909 --> 00:14:12,349

in the private sector as a researcher

375

00:14:18,429 --> 00:14:15,919

writer media personality vom vivant

376

00:14:20,649 --> 00:14:18,439

so he's the thing about Nick is he's

377

00:14:23,079 --> 00:14:20,659

people of all often said he's very hard

378

00:14:24,669 --> 00:14:23,089

to pin down people I've been there at

379

00:14:26,859 --> 00:14:24,679

parties and people will often ask them

380

00:14:29,499 --> 00:14:26,869

questions about things that Nick cannot

381

00:14:30,999 --> 00:14:29,509

tell you the answers to because he's

382

00:14:32,559 --> 00:14:31,009

still down by the Official Secrets Act

383

00:14:34,299 --> 00:14:32,569

and I don't understand why people don't

384

00:14:35,649 --> 00:14:34,309

get that but there you know once you

385

00:14:37,659 --> 00:14:35,659

leave the Ministry of Defence you can't

386

00:14:39,579 --> 00:14:37,669

just go well okay here's the truth we

387

00:14:41,619 --> 00:14:39,589

really did kill Princess Diana or

388

00:14:42,039 --> 00:14:41,629

whatever I mean you know if that sort of

389

00:14:43,719 --> 00:14:42,049

stuff

390

00:14:44,799 --> 00:14:43,729

I actually saw somebody asked or was

391

00:14:47,169 --> 00:14:44,809

there when somebody asked that question

392

00:14:49,899 --> 00:14:47,179

once did they you know did him mi6

393

00:14:51,309 --> 00:14:49,909

really off Princess died Nick just took

394

00:14:53,589 --> 00:14:51,319

a drink smiled and said well even if

395

00:14:55,179 --> 00:14:53,599

they did I couldn't tell you so you know

396

00:14:57,219 --> 00:14:55,189

what we'll be talking to him tonight

397

00:14:58,779 --> 00:14:57,229

with that caveat we'll try and get as

398

00:15:01,179 --> 00:14:58,789

much information out of Nick Pope as

399

00:15:03,279 --> 00:15:01,189

anybody has ever gotten at him but we

400

00:15:05,650 --> 00:15:03,289

won't ask him about Princess died Nick

401
00:15:08,189 --> 00:15:05,660
Pope coming up next on the terror cast

402
00:15:11,169 --> 00:15:08,199
[Music]

403
00:15:12,999 --> 00:15:11,179
hi this is tomorrow from Namecheap where

404
00:15:14,559 --> 00:15:13,009
a domain name and web hosting company

405
00:15:16,929 --> 00:15:14,569
and we really care about our customers

406
00:15:19,269 --> 00:15:16,939
with domain name purchases Namecheap

407
00:15:21,219 --> 00:15:19,279
offers free SSL and free who is guard

408
00:15:22,989 --> 00:15:21,229
for a year to protect your identity from

409
00:15:25,179 --> 00:15:22,999
spammers we won't bother you with

410
00:15:27,159 --> 00:15:25,189
unwanted messaging in your inbox or upon

411
00:15:28,839 --> 00:15:27,169
checkout but most importantly we care

412
00:15:29,850 --> 00:15:28,849
about you our customers your

413
00:15:31,980 --> 00:15:29,860

satisfaction

414

00:15:33,840 --> 00:15:31,990

happiness is our primary focus because

415

00:15:35,730 --> 00:15:33,850

your support means so much to us if

416

00:15:38,610 --> 00:15:35,740

you'd like to learn more please visit us

417

00:15:40,500 --> 00:15:38,620

at radio name chief comm for web hosting

418

00:15:41,850 --> 00:15:40,510

and domain name specials you can also

419

00:15:47,370 --> 00:15:41,860

follow us on twitter at

420

00:15:49,470 --> 00:15:47,380

twitter.com/zeromd bars on facebook at

421

00:15:54,960 --> 00:15:49,480

facebook.com slash Namecheap see you

422

00:15:56,610 --> 00:15:54,970

online we want to hear from you if you

423

00:16:00,360 --> 00:15:56,620

have a comment a question about the pair

424

00:16:03,630 --> 00:16:00,370

cast send it to news at the podcast com

425

00:16:05,550 --> 00:16:03,640

that's news at the podcast calm and

426

00:16:07,259 --> 00:16:05,560

don't forget to visit our forums where

427

00:16:09,810 --> 00:16:07,269

you can talk to fellow listeners just go

428

00:16:12,269 --> 00:16:09,820

to the para cast comm and click on the

429

00:16:23,670 --> 00:16:12,279

forum links that's the forum links at

430

00:16:26,519 --> 00:16:23,680

the podcast comm hi this is Don Ecker

431

00:16:28,740 --> 00:16:26,529

and you are tuned in to the para cast

432

00:16:31,860 --> 00:16:28,750

let me tell you what you're gonna hear

433

00:16:37,319 --> 00:16:31,870

stuff here that you probably won't hear

434

00:16:39,269 --> 00:16:37,329

anywhere else hello Nick Pope calling

435

00:16:41,819 --> 00:16:39,279

from or we're calling you actually I

436

00:16:47,069 --> 00:16:41,829

assume you're in London in the mother

437

00:16:51,230 --> 00:16:47,079

country as we Canadians say ah very good

438

00:16:55,019 --> 00:16:52,769

yes quite so

439

00:16:57,120 --> 00:16:55,029

before we came on folks in case you're

440

00:16:59,639 --> 00:16:57,130

looking for the sports scores Nick steam

441

00:17:01,439 --> 00:16:59,649

Arsenal finished third this year in the

442

00:17:02,970 --> 00:17:01,449

Premier League and it looks like David

443

00:17:04,350 --> 00:17:02,980

Cameron is gonna be the new Prime

444

00:17:05,520 --> 00:17:04,360

Minister of the United Kingdom there

445

00:17:07,890 --> 00:17:05,530

that's all we'll say there's a little

446

00:17:10,530 --> 00:17:07,900

bit of British politics and sports

447

00:17:11,730 --> 00:17:10,540

before we get into UFOs is that did I

448

00:17:13,530 --> 00:17:11,740

get that right Nick they finished three

449

00:17:16,439 --> 00:17:13,540

years you did although the political

450

00:17:20,549 --> 00:17:16,449

situation is quite literally changing by

451

00:17:22,890 --> 00:17:20,559

the minute it's not the second so the

452

00:17:26,730 --> 00:17:22,900

fact this will be on our May 23rd show

453

00:17:29,130 --> 00:17:26,740

so everything you just an operative well

454

00:17:30,539 --> 00:17:29,140

by the time that broadcast then it will

455

00:17:32,820 --> 00:17:30,549

be what you didn't know about the

456

00:17:35,130 --> 00:17:32,830

minority green government that's what

457

00:17:36,870 --> 00:17:35,140

the power in the revolution you guys are

458

00:17:39,460 --> 00:17:36,880

so out of date the coalition between

459

00:17:41,590 --> 00:17:39,470

Gerry Adams and

460

00:17:44,860 --> 00:17:41,600

with what is it played come ray or

461

00:17:47,440 --> 00:17:44,870

whatever the Welsh national okay so Paul

462

00:17:49,480 --> 00:17:47,450

McCartney is now Sir Paul McCartney is

463

00:17:50,770 --> 00:17:49,490

now Prime Minister right well maybe

464

00:17:52,060 --> 00:17:50,780

that's an idea

465

00:17:54,010 --> 00:17:52,070

that's about the one thing we haven't

466

00:17:55,870 --> 00:17:54,020

tried over here the weirdest thing that

467

00:17:57,790 --> 00:17:55,880

I saw I watched the British election

468

00:17:59,560 --> 00:17:57,800

coverage from start to finish

469

00:18:01,810 --> 00:17:59,570

lovely on the Internet to wonderful

470

00:18:03,700 --> 00:18:01,820

technological advancement on the BBC and

471

00:18:05,590 --> 00:18:03,710

they had a guy who was at on a boat on

472

00:18:06,610 --> 00:18:05,600

the Thames interviewing various people

473

00:18:08,380 --> 00:18:06,620

on the boat I can't remember his name

474

00:18:10,000 --> 00:18:08,390

but one of the people he interviewed was

475

00:18:11,800 --> 00:18:10,010

Bill Wyman the bass player for the

476

00:18:13,120 --> 00:18:11,810

Rolling Stones I think it was it was

477

00:18:14,920 --> 00:18:13,130

either him or Ronny Woodman this year

478

00:18:17,950 --> 00:18:14,930

was well well-known political

479

00:18:20,350 --> 00:18:17,960

commentator yes quite and you you would

480

00:18:22,360 --> 00:18:20,360

think okay so he's a rock and roller so

481

00:18:24,010 --> 00:18:22,370

clearly he must be at least centre if

482

00:18:25,600 --> 00:18:24,020

not left because I mean rock and roll

483

00:18:27,130 --> 00:18:25,610

it's all about revolution in it and you

484

00:18:29,350 --> 00:18:27,140

yeah I think he was half of the bag but

485

00:18:30,730 --> 00:18:29,360

he said so I understand you're you're

486

00:18:32,170 --> 00:18:30,740

hoping for David Cameron in the Tories

487

00:18:36,130 --> 00:18:32,180

like oh yes of course

488

00:18:37,630 --> 00:18:36,140

of course I saw that too I was up in the

489

00:18:38,830 --> 00:18:37,640

middle of the night and he said but I

490

00:18:41,050 --> 00:18:38,840

thought you were supposed to be working

491

00:18:47,710 --> 00:18:41,060

class labour voter had loads of done

492

00:18:49,450 --> 00:18:47,720

nothing for me I was up at 2:00 or 3:00

493

00:18:50,830 --> 00:18:49,460

in the morning watching that it was

494

00:18:52,480 --> 00:18:50,840

10:00 here but I was watching the same

495

00:18:53,530 --> 00:18:52,490

interview and I just thought well you

496

00:18:55,120 --> 00:18:53,540

never really know anybody in

497

00:18:57,070 --> 00:18:55,130

rock-and-roll do but of course if you've

498

00:18:58,480 --> 00:18:57,080

got millions of dollars maybe you do

499

00:19:00,400 --> 00:18:58,490

vote for a conservative governor well

500

00:19:02,370 --> 00:19:00,410

you have to look that bear in mind that

501

00:19:06,700 --> 00:19:02,380

these rock and well millionaires are a

502

00:19:08,920 --> 00:19:06,710

middle-aged men and women who have

503

00:19:10,690 --> 00:19:08,930

humongous amounts of money and they're

504

00:19:13,480 --> 00:19:10,700

probably going to fight to conserve that

505

00:19:14,860 --> 00:19:13,490

money and therefore it makes sense some

506

00:19:17,110 --> 00:19:14,870

of them will be politically conservative

507

00:19:18,910 --> 00:19:17,120

right who's going to take the least of

508

00:19:21,460 --> 00:19:18,920

my money and I'm gonna vote for them

509

00:19:22,660 --> 00:19:21,470

well yeah we forget about this thing

510

00:19:25,420 --> 00:19:22,670

that the fact is you look at

511

00:19:28,030 --> 00:19:25,430

entertainers they are businessmen there

512

00:19:29,440 --> 00:19:28,040

are business women sometimes I just

513

00:19:31,090 --> 00:19:29,450

think the who was right don't trust

514

00:19:32,860 --> 00:19:31,100

anybody over 30 little did they know

515

00:19:36,130 --> 00:19:32,870

when they said it that eventually they

516

00:19:39,730 --> 00:19:36,140

would mean themselves so there you go so

517

00:19:41,710 --> 00:19:39,740

Nick Pope UFOs real or not real does

518

00:19:44,580 --> 00:19:41,720

that I bet you've never heard that one

519

00:19:47,230 --> 00:19:44,590

that's your opening question right well

520

00:19:50,560 --> 00:19:47,240

well you know you know my answer to this

521

00:19:52,300 --> 00:19:50,570

one in a little victory definition term

522

00:19:53,980 --> 00:19:52,310

of course real because people

523

00:19:56,620 --> 00:19:53,990

see things that they can't explain in

524

00:20:00,580 --> 00:19:56,630

the sky if you're talking about the

525

00:20:03,610 --> 00:20:00,590

popular culture interpretation erroneous

526

00:20:06,160 --> 00:20:03,620

interpretation of the phrase UFO ie

527

00:20:08,620 --> 00:20:06,170

alien spacecraft the answer is don't

528

00:20:10,120 --> 00:20:08,630

know I'm on the fence interestingly as

529

00:20:12,280 --> 00:20:10,130

we've been talking about politics I'll

530

00:20:21,490 --> 00:20:12,290

give you the politicians answer I can't

531

00:20:24,340 --> 00:20:21,500

rule without the power cast is that you

532

00:20:26,380 --> 00:20:24,350

know go around saying that the greys or

533

00:20:29,170 --> 00:20:26,390

the blond Venusians are after us we're

534

00:20:31,450 --> 00:20:29,180

saying we don't know what's causing all

535

00:20:33,700 --> 00:20:31,460

this stuff to go on and we want to find

536

00:20:36,400 --> 00:20:33,710

some answers and if it turns out to the

537

00:20:37,900 --> 00:20:36,410

earth base UFOs or crypto terrestrials

538

00:20:40,690 --> 00:20:37,910

or from another dimension or some

539

00:20:43,750 --> 00:20:40,700

phenomenon natural phenomena that we

540

00:20:45,990 --> 00:20:43,760

don't understand have you at all had

541

00:20:47,980 --> 00:20:46,000

some theories that you find more

542

00:20:51,250 --> 00:20:47,990

compelling than others how about that

543

00:20:53,200 --> 00:20:51,260

Nick well again I'm I'm sorry to be a

544

00:20:54,490 --> 00:20:53,210

bit vague in evasive but actually no I

545

00:20:57,490 --> 00:20:54,500

haven't and I think you ought your

546

00:20:59,020 --> 00:20:57,500

question illustrates the point perfectly

547

00:21:01,600 --> 00:20:59,030

there are so many different competing

548

00:21:04,800 --> 00:21:01,610

theories about this wonderful mystery

549

00:21:07,930 --> 00:21:04,810

that we find ourselves embroiled in

550

00:21:12,190 --> 00:21:07,940

extraterrestrials into dimensionals into

551
00:21:14,830 --> 00:21:12,200
temp orioles black project exotic

552
00:21:16,510 --> 00:21:14,840
atmospheric plasmas what one can take

553
00:21:19,330 --> 00:21:16,520
all of this and throw it into the mix

554
00:21:21,370 --> 00:21:19,340
but at the end of the day if any of us

555
00:21:22,930 --> 00:21:21,380
had any answers we wouldn't be having

556
00:21:24,730 --> 00:21:22,940
this interview and the truth of the

557
00:21:27,430 --> 00:21:24,740
matter is that none of us know however

558
00:21:30,160 --> 00:21:27,440
much we like to maybe position ourselves

559
00:21:32,560 --> 00:21:30,170
as experts actually I'm the first person

560
00:21:34,900 --> 00:21:32,570
to say you know what I don't know all of

561
00:21:39,010 --> 00:21:34,910
these things are theories that can be

562
00:21:41,350 --> 00:21:39,020
thrown into the mix but I really don't

563
00:21:43,570 --> 00:21:41,360

know which one to punt what do you think

564

00:21:45,250 --> 00:21:43,580

Nick that part of the problem with and I

565

00:21:46,930 --> 00:21:45,260

will use this term consistently

566

00:21:48,850 --> 00:21:46,940

throughout the interview because people

567

00:21:50,290 --> 00:21:48,860

I think are familiar with it even though

568

00:21:51,520 --> 00:21:50,300

it encompasses have brought different

569

00:21:53,500 --> 00:21:51,530

people look at it different ways but

570

00:21:55,390 --> 00:21:53,510

I'll use the term ufology do you think

571

00:21:57,970 --> 00:21:55,400

part of the problem with modern ufology

572

00:21:59,860 --> 00:21:57,980

has been and continues to be that they

573

00:22:02,419 --> 00:21:59,870

spend too much time talking about these

574

00:22:04,960 --> 00:22:02,429

theories arguing about them

575

00:22:08,239 --> 00:22:04,970

advocating for them and not enough time

576
00:22:10,820 --> 00:22:08,249
investigating cases anymore I certainly

577
00:22:13,669 --> 00:22:10,830
think there's something to that I think

578
00:22:17,539 --> 00:22:13,679
the internet for all its positive things

579
00:22:21,350 --> 00:22:17,549
has exacerbated that problem by putting

580
00:22:25,340 --> 00:22:21,360
the focus on this subject the center of

581
00:22:28,970 --> 00:22:25,350
gravity as it were on two logs and

582
00:22:31,460 --> 00:22:28,980
forums and email lists and websites and

583
00:22:33,859 --> 00:22:31,470
discussion groups and all that and the

584
00:22:36,139 --> 00:22:33,869
old-fashioned idea of getting mud on

585
00:22:38,299 --> 00:22:36,149
your boots and going out and speaking to

586
00:22:40,989 --> 00:22:38,309
a witness and saying what what is it

587
00:22:43,399 --> 00:22:40,999
you saw where was it where he's standing

588
00:22:45,440 --> 00:22:43,409

that's going out of the window so yes I

589

00:22:47,359 --> 00:22:45,450

I agree with that that's what I found

590

00:22:48,889 --> 00:22:47,369

when I was ghost investigating you know

591

00:22:50,330 --> 00:22:48,899

so much different than the UFO thing

592

00:22:52,609 --> 00:22:50,340

where we would actually go out talk to

593

00:22:54,049 --> 00:22:52,619

witnesses who'd seen things and then we

594

00:22:55,639 --> 00:22:54,059

could set it up and run an investigation

595

00:22:57,560 --> 00:22:55,649

ourselves to see if we experienced

596

00:23:00,409 --> 00:22:57,570

anything which is very different from

597

00:23:01,489 --> 00:23:00,419

what most UFO investigation is now in

598

00:23:02,659 --> 00:23:01,499

fact I think that's one of the

599

00:23:05,239 --> 00:23:02,669

components that's always been missing

600

00:23:07,009 --> 00:23:05,249

from UFO investigation is not just

601
00:23:08,989 --> 00:23:07,019
talking to witnesses and stuff but then

602
00:23:12,080 --> 00:23:08,999
sticking around you know if there's been

603
00:23:13,759 --> 00:23:12,090
a report of a case in X you know talk to

604
00:23:16,220 --> 00:23:13,769
the witnesses but then stay in X for a

605
00:23:19,100 --> 00:23:16,230
week or two and see if maybe it happens

606
00:23:22,580 --> 00:23:19,110
again you never know I'll just jump in

607
00:23:25,580 --> 00:23:22,590
on that because literally yesterday I

608
00:23:28,639 --> 00:23:25,590
was speaking to a scientific group I'd

609
00:23:29,899 --> 00:23:28,649
say it's an organization in the UK there

610
00:23:32,720 --> 00:23:29,909
are a number of these groups I'm not

611
00:23:35,119 --> 00:23:32,730
sure whether they're wider than the UK

612
00:23:37,519 --> 00:23:35,129
but it's called cafe scientifique and

613
00:23:40,190 --> 00:23:37,529

it's basically a loose confederation of

614

00:23:42,499 --> 00:23:40,200

people who believe in science and

615

00:23:44,330 --> 00:23:42,509

believe that we should look at the

616

00:23:48,139 --> 00:23:44,340

intriguing mysteries and things but with

617

00:23:50,960 --> 00:23:48,149

the scientific mindset and the question

618

00:23:53,019 --> 00:23:50,970

I got asks there boy the organizer which

619

00:23:56,659 --> 00:23:53,029

I really hadn't thought of and really

620

00:23:59,210 --> 00:23:56,669

did set me off on new tracks was well

621

00:24:02,090 --> 00:23:59,220

when you're interviewing a UFO witness

622

00:24:05,299 --> 00:24:02,100

do you do follow-up interviews maybe a

623

00:24:08,060 --> 00:24:05,309

week a month afterwards asking exactly

624

00:24:10,299 --> 00:24:08,070

the same things but inquiring as to

625

00:24:13,340 --> 00:24:10,309

whether the perception has changed

626

00:24:15,040 --> 00:24:13,350

within the intervening period they've

627

00:24:17,980 --> 00:24:15,050

had a chance to reflect

628

00:24:20,230 --> 00:24:17,990

- perhaps cross-check what they think

629

00:24:22,510 --> 00:24:20,240

against other information and whether

630

00:24:24,250 --> 00:24:22,520

they've kept their opinion or whether

631

00:24:25,960 --> 00:24:24,260

their views have evolved and that was a

632

00:24:28,120 --> 00:24:25,970

really interesting question I have to

633

00:24:30,760 --> 00:24:28,130

say it stumped me somewhat and that's

634

00:24:34,480 --> 00:24:30,770

exactly the sort of thing that probably

635

00:24:35,560 --> 00:24:34,490

should go on in UFO research doesn't do

636

00:24:37,330 --> 00:24:35,570

you think part of the problem is that

637

00:24:40,090 --> 00:24:37,340

something doing that kind of work isn't

638

00:24:42,850 --> 00:24:40,100

terribly sexy it's much it's much easier

639

00:24:44,350 --> 00:24:42,860

to but it's also cooler perhaps to stand

640

00:24:46,240 --> 00:24:44,360

up in front of a crowd or go on a radio

641

00:24:48,250 --> 00:24:46,250

show or whatever write a book and say

642

00:24:49,510 --> 00:24:48,260

well clearly here's a couple of cases

643

00:24:51,850 --> 00:24:49,520

and by the way now I'm going to talk

644

00:24:53,470 --> 00:24:51,860

about the theoretical implications and

645

00:24:55,030 --> 00:24:53,480

aliens from Zeta Reticuli or whatever as

646

00:24:57,220 --> 00:24:55,040

opposed to actually giving in a car

647

00:24:59,560 --> 00:24:57,230

driving to wherever and doing those

648

00:25:00,700 --> 00:24:59,570

kinds of I mean before you came on gene

649

00:25:03,580 --> 00:25:00,710

and I were having a discussion about

650

00:25:05,350 --> 00:25:03,590

abduction research to an extent and I

651
00:25:07,120 --> 00:25:05,360
was saying look one of the things that

652
00:25:08,620 --> 00:25:07,130
if you want to do serious research into

653
00:25:10,450 --> 00:25:08,630
abductions you shouldn't be hypnotizing

654
00:25:11,860 --> 00:25:10,460
people and messing about with the brains

655
00:25:13,720 --> 00:25:11,870
you should be setting cameras up in

656
00:25:15,100 --> 00:25:13,730
their bedrooms or wherever if that's if

657
00:25:17,080 --> 00:25:15,110
that's the locale where it's supposedly

658
00:25:19,420 --> 00:25:17,090
happening and running a prolonged

659
00:25:21,640 --> 00:25:19,430
investigation overrate for a long period

660
00:25:23,080 --> 00:25:21,650
of time do you think part of the problem

661
00:25:25,570 --> 00:25:23,090
with modern ufology is they just don't

662
00:25:29,590 --> 00:25:25,580
have any patience I guess I'll give

663
00:25:32,140 --> 00:25:29,600

crayons to that three things race one is

664

00:25:33,970 --> 00:25:32,150

for the pikemen one in reverse order by

665

00:25:37,480 --> 00:25:33,980

the way this means Nikki guns send us a

666

00:25:39,490 --> 00:25:37,490

bill right no gosh yes I don't pay the

667

00:25:41,080 --> 00:25:39,500

bill I cinema Paul so he can ignore the

668

00:25:45,130 --> 00:25:41,090

bill okay

669

00:25:46,750 --> 00:25:45,140

well no looks good answer

670

00:25:49,870 --> 00:25:46,760

I'll give I'll do this in reverse order

671

00:25:52,600 --> 00:25:49,880

third answer is yeah we're not very

672

00:25:56,280 --> 00:25:52,610

patient we're in we're in the YouTube

673

00:25:59,020 --> 00:25:56,290

generation people these days watch TV on

674

00:26:01,180 --> 00:25:59,030

YouTube and sites like that so they go

675

00:26:02,800 --> 00:26:01,190

to their favorite clips or it's like did

676
00:26:05,020 --> 00:26:02,810
you see the bit in that one-hour program

677
00:26:06,870 --> 00:26:05,030
where this happened and their watch

678
00:26:09,880 --> 00:26:06,880
something so maybe two or three minutes

679
00:26:14,050 --> 00:26:09,890
attention spans are declining

680
00:26:18,150 --> 00:26:14,060
I think so that's one thing I think yes

681
00:26:21,730 --> 00:26:18,160
our attention span isn't just this

682
00:26:23,590 --> 00:26:21,740
decreasing so we don't have time you

683
00:26:26,800 --> 00:26:23,600
know our busy modern lives with our

684
00:26:28,290 --> 00:26:26,810
multitasking etc to maybe go out and do

685
00:26:32,940 --> 00:26:28,300
the things that we should do

686
00:26:36,960 --> 00:26:32,950
another point is is I think that again

687
00:26:39,330 --> 00:26:36,970
in the modern era there is this tendency

688
00:26:40,350 --> 00:26:39,340

to try and showboat and I'm trying to

689

00:26:43,020 --> 00:26:40,360

answer this question without

690

00:26:45,540 --> 00:26:43,030

incriminating myself because arguably

691

00:26:48,660 --> 00:26:45,550

I'm one of the worst offenders somebody

692

00:26:51,930 --> 00:26:48,670

who does pop up on things like Larry

693

00:26:55,470 --> 00:26:51,940

King and Geraldo and Fox News and things

694

00:26:58,140 --> 00:26:55,480

like that but yeah I mean so evidently

695

00:27:01,050 --> 00:26:58,150

if you are in this field and you get a

696

00:27:03,140 --> 00:27:01,060

call from say could you sir and it's

697

00:27:06,990 --> 00:27:03,150

like well would you like to come on

698

00:27:10,530 --> 00:27:07,000

Larry King and talk about this chances

699

00:27:12,420 --> 00:27:10,540

are you will say yes and if it's a

700

00:27:14,820 --> 00:27:12,430

choice I mean I would look let me be

701
00:27:16,080 --> 00:27:14,830
totally honest with you if it was well

702
00:27:18,120 --> 00:27:16,090
you know what I was going to

703
00:27:19,800 --> 00:27:18,130
re-interview that with witness and go

704
00:27:21,630 --> 00:27:19,810
out at 2:00 in the morning and traipse

705
00:27:24,090 --> 00:27:21,640
around in the corner of a muddy field in

706
00:27:26,040 --> 00:27:24,100
the freezing cold or I was going to go

707
00:27:29,430 --> 00:27:26,050
on a Larry King and we don't know what

708
00:27:31,560 --> 00:27:29,440
I'd do so I'm not necessarily proud of

709
00:27:33,420 --> 00:27:31,570
that in investigative terms but I'm just

710
00:27:36,540 --> 00:27:33,430
trying to say that is the real world

711
00:27:40,460 --> 00:27:36,550
whether we like it or not well but at

712
00:27:42,810 --> 00:27:40,470
least you've done some investigation so

713
00:27:44,510 --> 00:27:42,820

hopefully it's those credentials that

714

00:27:46,920 --> 00:27:44,520

get me on the show in the first place

715

00:27:48,510 --> 00:27:46,930

but that's not always the way that

716

00:27:50,670 --> 00:27:48,520

television works of course sometimes

717

00:27:52,470 --> 00:27:50,680

they'll they'll go for people it was

718

00:27:54,690 --> 00:27:52,480

just called a sensational story to tell

719

00:27:57,450 --> 00:27:54,700

or a few good soundbite whether or not

720

00:27:59,820 --> 00:27:57,460

they walk the world yeah they also Nick

721

00:28:01,920 --> 00:27:59,830

want to have the Reader's Digest version

722

00:28:04,230 --> 00:28:01,930

of the answer what does it all mean Nick

723

00:28:06,480 --> 00:28:04,240

they want disclosure this gets us back

724

00:28:08,520 --> 00:28:06,490

to one of the other issues in the UFO

725

00:28:10,650 --> 00:28:08,530

field which is not just being lazy and

726

00:28:12,150 --> 00:28:10,660

not following up and spending more time

727

00:28:14,130 --> 00:28:12,160

dealing with the implications of

728

00:28:15,930 --> 00:28:14,140

something we know nothing about but

729

00:28:17,880 --> 00:28:15,940

hoping the government's know now

730

00:28:19,770 --> 00:28:17,890

obviously you were on the inside but

731

00:28:23,190 --> 00:28:19,780

you're constrained by the fact that you

732

00:28:25,410 --> 00:28:23,200

were working for the UK government you

733

00:28:27,930 --> 00:28:25,420

couldn't tell us if you knew could you I

734

00:28:30,270 --> 00:28:27,940

probably couldn't because I signed the

735

00:28:32,850 --> 00:28:30,280

Official Secrets Act that finds me for

736

00:28:35,310 --> 00:28:32,860

life what I suspect that I could

737

00:28:37,680 --> 00:28:35,320

probably hint at it but I can actually

738

00:28:40,080 --> 00:28:37,690

say with hand on heart the scary truth

739

00:28:41,730 --> 00:28:40,090

it certainly so far as the British

740

00:28:43,710 --> 00:28:41,740

government is concerned

741

00:28:45,419 --> 00:28:43,720

is that the powers-that-be the

742

00:28:47,520 --> 00:28:45,429

establishment the government the

743

00:28:51,120 --> 00:28:47,530

military the intelligence agencies

744

00:28:53,190 --> 00:28:51,130

actually know no more about this than

745

00:28:57,120 --> 00:28:53,200

your eye on the average person in the

746

00:29:01,290 --> 00:28:57,130

street you know you won't go to some Air

747

00:29:03,900 --> 00:29:01,300

Force Base you won't be able to pull

748

00:29:06,990 --> 00:29:03,910

aside the hangar doors and there it is

749

00:29:08,160 --> 00:29:07,000

some some great crashed spaceship it's

750

00:29:11,730 --> 00:29:08,170

it's not true

751
00:29:14,100 --> 00:29:11,740
so from that let me follow up and say or

752
00:29:15,780 --> 00:29:14,110
ask you Roswell crash daily and

753
00:29:17,610 --> 00:29:15,790
spacecraft or not a crashed alien

754
00:29:20,850 --> 00:29:17,620
spacecraft because as you know much of

755
00:29:23,310 --> 00:29:20,860
modern ufology is hinged on Roswell and

756
00:29:25,320 --> 00:29:23,320
the idea that alien spacecraft are

757
00:29:27,660 --> 00:29:25,330
crashed but from what you just said it

758
00:29:30,600 --> 00:29:27,670
sounds to me like you're saying that all

759
00:29:33,240 --> 00:29:30,610
of that is not true that there is

760
00:29:35,250 --> 00:29:33,250
another explanation no I'm not so much

761
00:29:37,049 --> 00:29:35,260
saying it's not true I'm saying

762
00:29:40,140 --> 00:29:37,059
certainly with regard to Roswell I don't

763
00:29:42,240 --> 00:29:40,150

know I mean I did this I work for the

764

00:29:45,330 --> 00:29:42,250

Ministry of Defense for 21 years I did

765

00:29:47,880 --> 00:29:45,340

three years on the UFO project but my

766

00:29:50,160 --> 00:29:47,890

terms of reference was strictly national

767

00:29:55,350 --> 00:29:50,170

so the things that I did were entirely

768

00:29:56,820 --> 00:29:55,360

UK so I know I had no official access or

769

00:29:59,910 --> 00:29:56,830

knowledge into anything that the

770

00:30:02,460 --> 00:29:59,920

American government may or may not know

771

00:30:05,940 --> 00:30:02,470

about this you know when I look at the

772

00:30:08,010 --> 00:30:05,950

field of ufology and I'm sure we'll get

773

00:30:11,070 --> 00:30:08,020

on to discuss things like exit politics

774

00:30:12,750 --> 00:30:11,080

and disclosure when I see a number of

775

00:30:15,540 --> 00:30:12,760

people and I'm not going to name names

776

00:30:17,669 --> 00:30:15,550

but when I see a number of people who

777

00:30:20,430 --> 00:30:17,679

are absolutely certain that they know

778

00:30:22,410 --> 00:30:20,440

the answers the more I think you know as

779

00:30:24,120 --> 00:30:22,420

somebody who served for 21 years in

780

00:30:27,180 --> 00:30:24,130

government show me someone who says I

781

00:30:28,830 --> 00:30:27,190

don't know and they're the real deal

782

00:30:33,130 --> 00:30:28,840

the person that says they know the

783

00:30:37,950 --> 00:30:35,629

[Music]

784

00:30:40,230 --> 00:30:37,960

picture this you're on the phone with a

785

00:30:43,409 --> 00:30:40,240

client or colleague trying to explain

786

00:30:45,629 --> 00:30:43,419

something visual a PowerPoint a keynote

787

00:30:48,299 --> 00:30:45,639

presentation a website but it's

788

00:30:49,259 --> 00:30:48,309

frustrating because they can't see what

789

00:30:52,019 --> 00:30:49,269

you're talking about

790

00:30:54,840 --> 00:30:52,029

the solution good news they can if you

791

00:30:57,690 --> 00:30:54,850

invite them to an online meeting using

792

00:30:59,850 --> 00:30:57,700

GoToMeeting then they can see your

793

00:31:02,190 --> 00:30:59,860

computer desktop on their computer

794

00:31:04,379 --> 00:31:02,200

screen so you can show them what you're

795

00:31:05,970 --> 00:31:04,389

talking about I use goto meeting all the

796

00:31:08,789 --> 00:31:05,980

time to collaborate with colleagues and

797

00:31:12,509 --> 00:31:08,799

with clients you can try goto meeting

798

00:31:14,940 --> 00:31:12,519

free for 30 days but you must visit goto

799

00:31:18,570 --> 00:31:14,950

meeting slashed podcasts

800

00:31:20,720 --> 00:31:18,580

that's goto meeting.com slash podcasts

801
00:31:30,910 --> 00:31:20,730
for free 30-day trial

802
00:31:36,920 --> 00:31:34,220
our co-host Paul Kimball we have Nick

803
00:31:38,870 --> 00:31:36,930
Pope who was once on the inside of UFO

804
00:31:41,780 --> 00:31:38,880
investigation I guess the UK equivalent

805
00:31:43,790 --> 00:31:41,790
of Captain Edward J rappel remember him

806
00:31:46,790 --> 00:31:43,800
before your time way before probably

807
00:31:50,420 --> 00:31:46,800
well I remember him certainly in terms

808
00:31:53,150 --> 00:31:50,430
of if anyone ever asks me to recommend a

809
00:31:54,710 --> 00:31:53,160
UFO book I actually recommend his I say

810
00:31:56,870 --> 00:31:54,720
you know it's maybe long forgotten

811
00:31:58,370 --> 00:31:56,880
little bit unfashionable but it'll

812
00:31:59,980 --> 00:31:58,380
probably teach you more about ethology

813
00:32:03,470 --> 00:31:59,990

than anything else on the bookshelves

814

00:32:06,380 --> 00:32:03,480

okay now we mentioned disclosure and we

815

00:32:08,120 --> 00:32:06,390

have certain people who go around saying

816

00:32:09,470 --> 00:32:08,130

we want the government to tell them

817

00:32:12,230 --> 00:32:09,480

there's nothing new about that major

818

00:32:14,360 --> 00:32:12,240

Donald Kehoe did that in 1956 with a

819

00:32:17,870 --> 00:32:14,370

book called the flying saucer conspiracy

820

00:32:19,610 --> 00:32:17,880

so are we suggesting then these people

821

00:32:22,100 --> 00:32:19,620

are basically barking up the wrong tree

822

00:32:25,910 --> 00:32:22,110

when they make these demands yes I think

823

00:32:28,370 --> 00:32:25,920

they are I think there's what I call the

824

00:32:30,440 --> 00:32:28,380

demonization of government and this is

825

00:32:33,350 --> 00:32:30,450

the idea that government here are the

826
00:32:35,210 --> 00:32:33,360
bad guys the military the bad guys there

827
00:32:37,790 --> 00:32:35,220
are somehow the custodians are some

828
00:32:41,110 --> 00:32:37,800
great secret that they keeping from the

829
00:32:44,390 --> 00:32:41,120
people and when you have that

830
00:32:47,450 --> 00:32:44,400
adversarial relationship when you have

831
00:32:51,860 --> 00:32:47,460
we are good they are bad we're for

832
00:32:54,260 --> 00:32:51,870
freedom therefore cover-up we are for

833
00:32:56,120 --> 00:32:54,270
truth therefore lies you won't actually

834
00:32:58,400 --> 00:32:56,130
get anywhere not least because these

835
00:33:00,350 --> 00:32:58,410
people won't engage with you and as I

836
00:33:04,940 --> 00:33:00,360
say it comes back to the point I think

837
00:33:07,910 --> 00:33:04,950
that what if as I actually believe in

838
00:33:10,520 --> 00:33:07,920

the case government doesn't know about

839

00:33:14,270 --> 00:33:10,530

this isn't keeping some great secret

840

00:33:17,180 --> 00:33:14,280

from the people is not withholding the

841

00:33:20,900 --> 00:33:17,190

truth so all this effort that goes into

842

00:33:23,510 --> 00:33:20,910

kind of trying to break down some

843

00:33:25,370 --> 00:33:23,520

conspiracy some camera he's wasted

844

00:33:28,940 --> 00:33:25,380

effort because the conspiracy on the

845

00:33:32,420 --> 00:33:28,950

camera isn't there my point is this if

846

00:33:35,360 --> 00:33:32,430

all that passion for that energy evil

847

00:33:39,650 --> 00:33:35,370

that time was reconfigured onto

848

00:33:40,730 --> 00:33:39,660

something more constructive be it mud on

849

00:33:44,659 --> 00:33:40,740

boots

850

00:33:47,210 --> 00:33:44,669

investigation viet targeted FOI request

851

00:33:49,970 --> 00:33:47,220

that might turn up some interesting

852

00:33:54,409 --> 00:33:49,980

material then I think we might be better

853

00:33:57,619 --> 00:33:54,419

off but for all the times that people

854

00:34:00,499 --> 00:33:57,629

are screaming and shouting and trying to

855

00:34:02,320 --> 00:34:00,509

suggest that the government changes

856

00:34:06,320 --> 00:34:02,330

policy I mean if the government actually

857

00:34:08,119 --> 00:34:06,330

doesn't know it's all wasted energy that

858

00:34:10,819 --> 00:34:08,129

takes us back to Roswell then of course

859

00:34:13,339 --> 00:34:10,829

because the only way Roswell can be

860

00:34:15,500 --> 00:34:13,349

authentic would be for the government to

861

00:34:18,680 --> 00:34:15,510

have actually been involved in some sort

862

00:34:21,770 --> 00:34:18,690

of conspiracy to recover evidence of a

863

00:34:25,069 --> 00:34:21,780

UFO visitation a crash saucer

864

00:34:26,899 --> 00:34:25,079

the aliens etc etc and if the government

865

00:34:28,639 --> 00:34:26,909

doesn't know then that says Roswell

866

00:34:31,099 --> 00:34:28,649

probably didn't happen in that fashion

867

00:34:34,750 --> 00:34:31,109

it may not have done but I think whether

868

00:34:37,369 --> 00:34:34,760

it did or not Roswell is problematic

869

00:34:39,889 --> 00:34:37,379

simply by virtue of the time that's

870

00:34:41,540 --> 00:34:39,899

elapsed if you're looking into any

871

00:34:44,599 --> 00:34:41,550

incident whether it's something like

872

00:34:46,940 --> 00:34:44,609

Roswell or whether it's some I don't

873

00:34:49,339 --> 00:34:46,950

know some controversy say in the Second

874

00:34:52,639 --> 00:34:49,349

World War if you're dealing with a

875

00:34:54,589 --> 00:34:52,649

situation where few if any of the

876

00:34:55,909 --> 00:34:54,599

contemporary witnesses are alive and

877

00:35:00,380 --> 00:34:55,919

you're dealing with second and third

878

00:35:02,630 --> 00:35:00,390

hand testimony compounded by a situation

879

00:35:05,720 --> 00:35:02,640

where for whatever reason contemporary

880

00:35:08,720 --> 00:35:05,730

records are not available you're dealing

881

00:35:12,470 --> 00:35:08,730

with an issue that's really passing from

882

00:35:15,440 --> 00:35:12,480

I don't know almost historical record

883

00:35:17,390 --> 00:35:15,450

into legend and I just think it's going

884

00:35:20,030 --> 00:35:17,400

to be difficult if not impossible to

885

00:35:22,400 --> 00:35:20,040

disentangle all that it also goes to

886

00:35:25,400 --> 00:35:22,410

reliability of witness testimony which

887

00:35:28,069 --> 00:35:25,410

is can somebody 50 or 60 years later

888

00:35:30,319 --> 00:35:28,079

really recall what happened because

889

00:35:32,539 --> 00:35:30,329

their minds been polluted by a lot of

890

00:35:35,990 --> 00:35:32,549

pop culture about UFO so something

891

00:35:39,559 --> 00:35:36,000

really happened in 1947 and you don't

892

00:35:41,960 --> 00:35:39,569

get to these people till 1977 87 97

893

00:35:44,420 --> 00:35:41,970

after that have lifetime of experiences

894

00:35:46,579 --> 00:35:44,430

can we really depend on what they tell

895

00:35:49,160 --> 00:35:46,589

us well I think that would need a

896

00:35:50,480 --> 00:35:49,170

psychologist to to answer it but I'll

897

00:35:53,839 --> 00:35:50,490

give you a little personal alley

898

00:35:54,580 --> 00:35:53,849

anecdote I left the Ministry of Defense

899

00:36:02,210 --> 00:35:54,590

in

900

00:36:04,670 --> 00:36:02,220

six months or a year after it happened

901
00:36:06,980 --> 00:36:04,680
and of course resigning from government

902
00:36:08,360 --> 00:36:06,990
service after 21 years leaving the

903
00:36:10,250 --> 00:36:08,370
Ministry of Defence was well the most

904
00:36:14,330 --> 00:36:10,260
momentous decisions that I personally

905
00:36:20,180 --> 00:36:14,340
made in my life I'm telling people this

906
00:36:24,860 --> 00:36:20,190
anecdote about it hell on the day on

907
00:36:28,490 --> 00:36:24,870
which I left was was the day in which a

908
00:36:31,250 --> 00:36:28,500
woman came to live with me in my house

909
00:36:33,290 --> 00:36:31,260
and I was telling this anecdote for

910
00:36:36,110 --> 00:36:33,300
months and months until I realized it

911
00:36:39,560 --> 00:36:36,120
was totally wrong and when I checked my

912
00:36:42,380 --> 00:36:39,570
Diaries I realized I was confusing the

913
00:36:44,480 --> 00:36:42,390

day on which I had left with the day on

914

00:36:47,050 --> 00:36:44,490

which I had tendered my resignation and

915

00:36:49,850 --> 00:36:47,060

I had to give I think six months notice

916

00:36:53,210 --> 00:36:49,860

so now if I could get something so

917

00:36:57,230 --> 00:36:53,220

fundamental wrong just a matter of

918

00:36:58,820 --> 00:36:57,240

months afterwards what are we to make of

919

00:37:02,420 --> 00:36:58,830

people who are trying to recollect

920

00:37:04,420 --> 00:37:02,430

something that happened decades ago and

921

00:37:06,800 --> 00:37:04,430

I'd said I mean it's a slightly

922

00:37:09,770 --> 00:37:06,810

frivolous anecdote but I think it

923

00:37:13,210 --> 00:37:09,780

illustrates the point quite well memory

924

00:37:16,550 --> 00:37:13,220

human memory is extraordinarily

925

00:37:18,200 --> 00:37:16,560

unreliable to be fair and this will come

926
00:37:20,270 --> 00:37:18,210
as a surprise to people because I will

927
00:37:21,470 --> 00:37:20,280
now defend the Roswell witnesses even

928
00:37:23,930 --> 00:37:21,480
though I don't think Roswell was the

929
00:37:25,490 --> 00:37:23,940
crash from alien spacecraft but witness

930
00:37:27,950 --> 00:37:25,500
testimony in general I agree with what

931
00:37:31,010 --> 00:37:27,960
you said Nick memory is a touchy subject

932
00:37:33,440 --> 00:37:31,020
especially with the passage of time with

933
00:37:35,090 --> 00:37:33,450
each day that passes I think the odds

934
00:37:37,060 --> 00:37:35,100
are that your memories

935
00:37:39,410 --> 00:37:37,070
I know UFO people hate the term can

936
00:37:42,080 --> 00:37:39,420
confabulation and and all that sort of

937
00:37:44,330 --> 00:37:42,090
stuff but it does happen so I wouldn't

938
00:37:46,400 --> 00:37:44,340

rely solely on the witnesses but if you

939

00:37:48,890 --> 00:37:46,410

can get two or three or four witnesses

940

00:37:50,240 --> 00:37:48,900

who independently are saying more or

941

00:37:51,680 --> 00:37:50,250

less the same thing

942

00:37:53,030 --> 00:37:51,690

there should be differences in their

943

00:37:55,100 --> 00:37:53,040

stories when you start seeing people

944

00:37:57,530 --> 00:37:55,110

tell the exact same story that's when

945

00:37:59,150 --> 00:37:57,540

you should raise a red flag but if you

946

00:38:02,060 --> 00:37:59,160

see people telling slightly different

947

00:38:03,660 --> 00:38:02,070

stories but the core of the story is the

948

00:38:07,079 --> 00:38:03,670

same in each case

949

00:38:08,400 --> 00:38:07,089

and if then you can buttress that and I

950

00:38:10,859 --> 00:38:08,410

think this is why the mj-12 documents

951

00:38:12,900 --> 00:38:10,869

became so important to so many people in

952

00:38:15,390 --> 00:38:12,910

the 80s if you can buttress witness

953

00:38:17,220 --> 00:38:15,400

testimony with documentary evidence or

954

00:38:19,140 --> 00:38:17,230

physical evidence would be great but if

955

00:38:21,510 --> 00:38:19,150

you can find it's like Bill Clinton's

956

00:38:23,750 --> 00:38:21,520

triangulation if you can it's not just

957

00:38:25,770 --> 00:38:23,760

one thing it's all of these things

958

00:38:27,750 --> 00:38:25,780

confirming these other things

959

00:38:29,910 --> 00:38:27,760

independently then I think witness

960

00:38:32,670 --> 00:38:29,920

testimony is reliable especially if you

961

00:38:35,039 --> 00:38:32,680

can confirm it the question is with

962

00:38:36,870 --> 00:38:35,049

Roswell having said that request with

963

00:38:38,460 --> 00:38:36,880

Roswell is well where is the confirming

964

00:38:41,039 --> 00:38:38,470

evidence there is no physical evidence

965

00:38:42,930 --> 00:38:41,049

so then you're left with okay you either

966

00:38:44,730 --> 00:38:42,940

need other witnesses who can confirm it

967

00:38:46,200 --> 00:38:44,740

all of whom have the same problems the

968

00:38:48,539 --> 00:38:46,210

gene and you have talked about with

969

00:38:50,430 --> 00:38:48,549

memory and time elapse and all that sort

970

00:38:52,410 --> 00:38:50,440

of stuff and you don't have any

971

00:38:54,480 --> 00:38:52,420

documentary evidence unless you of

972

00:38:56,460 --> 00:38:54,490

course except the mj-12 documents as

973

00:38:58,559 --> 00:38:56,470

legitimate which most of you follow gee

974

00:39:00,210 --> 00:38:58,569

doesn't so as you said and Nick Redfern

975

00:39:02,670 --> 00:39:00,220

and a bunch of other people have said

976

00:39:05,099 --> 00:39:02,680

you know the Roswell cases is very

977

00:39:07,950 --> 00:39:05,109

difficult one to deal with which is why

978

00:39:10,950 --> 00:39:07,960

I sort of say well okay don't then say

979

00:39:12,870 --> 00:39:10,960

that asserted as a proven fact but there

980

00:39:15,180 --> 00:39:12,880

are cases look at this here's a radio

981

00:39:19,559 --> 00:39:15,190

segue for you boys there are cases that

982

00:39:23,730 --> 00:39:19,569

are perhaps better than Roswell what are

983

00:39:25,020 --> 00:39:23,740

some of those cases what I told you and

984

00:39:27,000 --> 00:39:25,030

I interviewed you for my film best

985

00:39:29,970 --> 00:39:27,010

evidence top 10 UFO sightings for Jana

986

00:39:31,650 --> 00:39:29,980

Bosch plug and you gave me your list of

987

00:39:33,930 --> 00:39:31,660

top 10 cases and you might not remember

988

00:39:36,420 --> 00:39:33,940

what you had is your number one case but

989

00:39:38,880 --> 00:39:36,430

I believe it was either Cosford or the

990

00:39:40,230 --> 00:39:38,890

Belgian triangle case so you know what

991

00:39:42,750 --> 00:39:40,240

I'll split the difference and ask you to

992

00:39:45,120 --> 00:39:42,760

tell us about both of those cases and

993

00:39:47,549 --> 00:39:45,130

why you think they're among the best UFO

994

00:39:49,289 --> 00:39:47,559

cases ever I'll do that and seeing as

995

00:39:51,530 --> 00:39:49,299

this is quite a lengthy interview we'll

996

00:39:54,690 --> 00:39:51,540

probably move on to rent orders later

997

00:39:56,849 --> 00:39:54,700

just as they were that may well have

998

00:40:00,870 --> 00:39:56,859

been some somewhat in my mind as well

999

00:40:02,970 --> 00:40:00,880

let's start with the Belgium triangle

1000

00:40:05,520 --> 00:40:02,980

let's let's do this in chronological

1001
00:40:09,569 --> 00:40:05,530
order then the setting aside Rendlesham

1002
00:40:14,150 --> 00:40:09,579
but yeah Belgium had of course had a

1003
00:40:16,910 --> 00:40:14,160
wave of sightings starting in 1989

1004
00:40:21,860 --> 00:40:16,920
moving into 1990

1005
00:40:25,040 --> 00:40:21,870
there have been some scrambles of f-16s

1006
00:40:27,410 --> 00:40:25,050
that the aircraft on cue are a quick

1007
00:40:29,300 --> 00:40:27,420
reaction alert on one occasion it turned

1008
00:40:32,090 --> 00:40:29,310
out that I think they've been scrambled

1009
00:40:36,130 --> 00:40:32,100
erroneously in response to I think some

1010
00:40:40,190 --> 00:40:36,140
laser or searchlight display some some

1011
00:40:44,810 --> 00:40:40,200
events on the ground and the protocol

1012
00:40:47,750 --> 00:40:44,820
sets up that I think in response to UFO

1013
00:40:50,350 --> 00:40:47,760

sightings no aircraft would be scrambled

1014

00:40:54,650 --> 00:40:50,360

unless there was something tracked on

1015

00:40:55,970 --> 00:40:54,660

the radar and assessed by the air

1016

00:40:58,760 --> 00:40:55,980

traffic controllers the fighter

1017

00:41:02,930 --> 00:40:58,770

controllers as being a solid structured

1018

00:41:04,820 --> 00:41:02,940

craft and on 30th of March 1990 that

1019

00:41:06,740 --> 00:41:04,830

happened there were visual sightings

1020

00:41:08,930 --> 00:41:06,750

there were reports coming in from all

1021

00:41:09,790 --> 00:41:08,940

over the country from the shaandaar

1022

00:41:14,030 --> 00:41:09,800

Murray

1023

00:41:16,070 --> 00:41:14,040

there were uncorrelated targets being

1024

00:41:18,470 --> 00:41:16,080

tracked on the radar and of course this

1025

00:41:20,510 --> 00:41:18,480

was Belgian national radar the Air Force

1026

00:41:24,800 --> 00:41:20,520

radar but it's also integrated into the

1027

00:41:28,280 --> 00:41:24,810

wider NATO Network and they scrambled to

1028

00:41:32,570 --> 00:41:28,290

Essex teens the Essex teens got airborne

1029

00:41:33,320 --> 00:41:32,580

the pilots picked up the UFO on their

1030

00:41:36,650 --> 00:41:33,330

airborne

1031

00:41:38,870 --> 00:41:36,660

radars they attempted to lock-on not not

1032

00:41:40,940 --> 00:41:38,880

to shoot this thing down I hasten to add

1033

00:41:41,570 --> 00:41:40,950

but but to try and intercept to get a

1034

00:41:45,020 --> 00:41:41,580

closer look

1035

00:41:46,340 --> 00:41:45,030

and basically the UFO whatever it was

1036

00:41:49,670 --> 00:41:46,350

they lost the mark

1037

00:41:52,010 --> 00:41:49,680

maybe the UFO evaded this bizarre game

1038

00:41:55,730 --> 00:41:52,020

of cat-and-mouse as it were played

1039

00:41:57,520 --> 00:41:55,740

itself out in the skies over Belgium for

1040

00:42:00,520 --> 00:41:57,530

a period of time

1041

00:42:03,980 --> 00:42:00,530

skeptics talk about anomalous

1042

00:42:06,440 --> 00:42:03,990

propagation maybe certain meteorological

1043

00:42:08,930 --> 00:42:06,450

conditions that can give rise to false

1044

00:42:11,300 --> 00:42:08,940

radar returns they also suggest perhaps

1045

00:42:16,220 --> 00:42:11,310

that there was some secret prototype

1046

00:42:19,160 --> 00:42:16,230

aircraft or drone being test flown in

1047

00:42:22,130 --> 00:42:19,170

Belgian airspace to see whether it would

1048

00:42:23,890 --> 00:42:22,140

actually show up on radar and and how

1049

00:42:27,320 --> 00:42:23,900

people would respond in real time

1050

00:42:29,450 --> 00:42:27,330

general wilfred de Brouwer who was chief

1051
00:42:30,620 --> 00:42:29,460
of staff and give the belgian air force

1052
00:42:31,849 --> 00:42:30,630
at the time

1053
00:42:34,490 --> 00:42:31,859
they know as far as he was concerned

1054
00:42:36,349 --> 00:42:34,500
this was a real incident it was a solid

1055
00:42:44,990 --> 00:42:36,359
object to pay and it was a genuine

1056
00:42:47,210 --> 00:42:45,000
unknown so it's a fascinating case fate

1057
00:42:49,190 --> 00:42:47,220
magazine provides true reports of the

1058
00:42:51,769 --> 00:42:49,200
strange and unknown keep up with the

1059
00:42:54,920 --> 00:42:51,779
latest on angels and miracles psychic

1060
00:42:55,849 --> 00:42:54,930
phenomena ghosts UFOs life after death

1061
00:42:58,279 --> 00:42:55,859
and much much more

1062
00:43:00,920 --> 00:42:58,289
to receive your free issue of faith

1063
00:43:04,849 --> 00:43:00,930

magazine call now at one eight hundred

1064

00:43:09,620 --> 00:43:04,859

seven two eight two seven three zero or

1065

00:43:12,559 --> 00:43:09,630

visit their website at wwlp.com that's

1066

00:43:21,230 --> 00:43:12,569

one eight hundred seven two eight twenty

1067

00:43:22,069 --> 00:43:21,240

seven thirty or [WWF AEMA g.com](http://WWF.AEMA.g.com) what are

1068

00:43:24,370 --> 00:43:22,079

you waiting for

1069

00:43:28,859 --> 00:43:24,380

your fate awaits

1070

00:43:33,040 --> 00:43:31,650

you've entered another dimension you've

1071

00:43:46,880 --> 00:43:33,050

entered the Americas

1072

00:43:46,890 --> 00:43:51,630

[Music]

1073

00:43:57,610 --> 00:43:55,060

we have nick pope who worked from the

1074

00:44:00,610 --> 00:43:57,620

inside in terms of UFO investigation not

1075

00:44:02,740 --> 00:44:00,620

inside a UFO I have to correct that our

1076

00:44:05,680 --> 00:44:02,750

co-host is Paul Kimball yeah just go

1077

00:44:08,470 --> 00:44:05,690

back to the belgian case for a second

1078

00:44:09,670 --> 00:44:08,480

Nick what about some of the explanations

1079

00:44:11,860 --> 00:44:09,680

that have been put forward the most

1080

00:44:13,060 --> 00:44:11,870

often one that you will hear which as

1081

00:44:14,800 --> 00:44:13,070

far as I can tell the Belgian

1082

00:44:17,680 --> 00:44:14,810

authorities including general de Brouwer

1083

00:44:19,780 --> 00:44:17,690

said well no that couldn't be but you

1084

00:44:21,970 --> 00:44:19,790

often hear skeptics well you and I are

1085

00:44:23,620 --> 00:44:21,980

skeptics you often hear disbelievers

1086

00:44:25,060 --> 00:44:23,630

that's what I'll call them who will

1087

00:44:27,010 --> 00:44:25,070

simply say well of course it was an

1088

00:44:29,140 --> 00:44:27,020

American it was a top-secret American

1089

00:44:31,720 --> 00:44:29,150

military aircraft and they didn't bother

1090

00:44:33,790 --> 00:44:31,730

to tell the Belgian Air Force or anybody

1091

00:44:36,730 --> 00:44:33,800

else the two things about that what do

1092

00:44:39,510 --> 00:44:36,740

you think of that explanation and to is

1093

00:44:42,760 --> 00:44:39,520

it just in general is it possible that

1094

00:44:45,240 --> 00:44:42,770

many UFO cases could be top-secret

1095

00:44:47,860 --> 00:44:45,250

experimental aircraft that perhaps even

1096

00:44:49,510 --> 00:44:47,870

elements within say the United States

1097

00:44:51,340 --> 00:44:49,520

Air Force or the Belgian Air Force might

1098

00:44:52,810 --> 00:44:51,350

not know are going on even as other

1099

00:44:54,070 --> 00:44:52,820

elements within the Air Force or the

1100

00:44:55,810 --> 00:44:54,080

government are conducting these

1101

00:44:57,760 --> 00:44:55,820

experiments so kind of a two-pronged

1102

00:45:00,280 --> 00:44:57,770

question how does it apply to Belgium in

1103

00:45:02,440 --> 00:45:00,290

particular but how does it apply to UFO

1104

00:45:06,250 --> 00:45:02,450

cases in general okay I'm going to do

1105

00:45:08,680 --> 00:45:06,260

this in reverse order again on on the

1106

00:45:12,550 --> 00:45:08,690

general point yes absolutely of course

1107

00:45:17,140 --> 00:45:12,560

at any given time there are various

1108

00:45:19,900 --> 00:45:17,150

secret prototype aircraft and drones

1109

00:45:23,500 --> 00:45:19,910

some experimental some actually

1110

00:45:26,620 --> 00:45:23,510

operational will be flying around that

1111

00:45:28,600 --> 00:45:26,630

have not yet been publicly declared that

1112

00:45:32,470 --> 00:45:28,610

when you won't see at the be air shows

1113

00:45:35,680 --> 00:45:32,480

for 10 maybe 15 years so I think that's

1114

00:45:38,830 --> 00:45:35,690

taken as a given but to qualify that and

1115

00:45:41,140 --> 00:45:38,840

don't tend to fly those things over the

1116

00:45:46,920 --> 00:45:41,150

heads of the general public the UK and

1117

00:45:52,230 --> 00:45:46,930

to fly them in fairly remote restricted

1118

00:45:58,030 --> 00:45:52,240

ranges danger areas and such why yes we

1119

00:45:58,780 --> 00:45:58,040

wait exactly yes so yes there are black

1120

00:46:02,380 --> 00:45:58,790

project

1121

00:46:03,579 --> 00:46:02,390

secret prototypes but I actually don't

1122

00:46:07,509 --> 00:46:03,589

think that they

1123

00:46:11,890 --> 00:46:07,519

they explain an awful lot of these UFO

1124

00:46:14,349 --> 00:46:11,900

sightings now in relation to Belgium he

1125

00:46:17,019 --> 00:46:14,359

said could this be could this have been

1126

00:46:20,759 --> 00:46:17,029

an American project that that they'd

1127

00:46:24,609 --> 00:46:20,769

flown over and that they had maybe

1128

00:46:27,459 --> 00:46:24,619

either forgotten to notify or more

1129

00:46:29,380 --> 00:46:27,469

likely this I guess the question is well

1130

00:46:32,140 --> 00:46:29,390

maybe these things are on such a limited

1131

00:46:34,719 --> 00:46:32,150

need to know that you wouldn't declare

1132

00:46:37,239 --> 00:46:34,729

them to maybe the Belgian authorities I

1133

00:46:39,819 --> 00:46:37,249

think the difficulty with that theory is

1134

00:46:43,539 --> 00:46:39,829

this territorial integrity of your

1135

00:46:47,469 --> 00:46:43,549

national airspace is is amongst the most

1136

00:46:48,309 --> 00:46:47,479

touchy of issues when it comes to this

1137

00:46:52,809 --> 00:46:48,319

sort of thing

1138

00:46:54,729 --> 00:46:52,819

and diplomatic clearance has to be

1139

00:46:57,160 --> 00:46:54,739

sought when you're flying any aircraft

1140

00:46:59,620 --> 00:46:57,170

into another country's airspace whether

1141

00:47:01,870 --> 00:46:59,630

or not you're an ally you know even if

1142

00:47:04,209 --> 00:47:01,880

you're the best of friends it's it's a

1143

00:47:06,640 --> 00:47:04,219

matter of national pride it's almost

1144

00:47:08,890 --> 00:47:06,650

impossible to put it into words but you

1145

00:47:12,339 --> 00:47:08,900

can be the best friends in the world but

1146

00:47:16,660 --> 00:47:12,349

you you can't do that the other thing is

1147

00:47:18,849 --> 00:47:16,670

look if you were running a test to fly

1148

00:47:23,739 --> 00:47:18,859

some sort of secret prototype aircraft

1149

00:47:26,890 --> 00:47:23,749

or drone into controlled airspace to see

1150

00:47:29,519 --> 00:47:26,900

weather without notification people

1151
00:47:33,249 --> 00:47:29,529
detected it to see how they responded

1152
00:47:35,650 --> 00:47:33,259
you wouldn't actually want the

1153
00:47:37,779 --> 00:47:35,660
additional complication of it being

1154
00:47:39,519 --> 00:47:37,789
another country you would just do it to

1155
00:47:42,309 --> 00:47:39,529
your own people so when you're doing

1156
00:47:45,339 --> 00:47:42,319
those sorts of tests if it's an American

1157
00:47:48,459 --> 00:47:45,349
drone or aircraft you would simply try

1158
00:47:50,739 --> 00:47:48,469
and penetrate American airspace because

1159
00:47:53,709 --> 00:47:50,749
otherwise I mean the consequences in

1160
00:47:56,410 --> 00:47:53,719
terms of the diplomatic fallout would be

1161
00:47:58,390 --> 00:47:56,420
immense I'm not a believer that that the

1162
00:48:01,180 --> 00:47:58,400
Belgian case is attributable to

1163
00:48:02,950 --> 00:48:01,190

Americans probing Belgian defenses

1164

00:48:04,930 --> 00:48:02,960

because in my experience that's not the

1165

00:48:06,430 --> 00:48:04,940

way it worked I think that's actually a

1166

00:48:08,620 --> 00:48:06,440

great point that you don't often hear

1167

00:48:10,959 --> 00:48:08,630

even people within the UFO research

1168

00:48:12,819 --> 00:48:10,969

community talk about they're often

1169

00:48:15,340 --> 00:48:12,829

divorced from the political or

1170

00:48:16,870 --> 00:48:15,350

historical realities of the real world

1171

00:48:18,460 --> 00:48:16,880

and there are very real world as you

1172

00:48:19,630 --> 00:48:18,470

point out cause which people who are

1173

00:48:22,180 --> 00:48:19,640

familiar with political and military

1174

00:48:24,520 --> 00:48:22,190

policy would know very real-world

1175

00:48:26,170 --> 00:48:24,530

consequences of doing something as the

1176

00:48:28,660 --> 00:48:26,180

American Air Force are alleged to have

1177

00:48:31,060 --> 00:48:28,670

done in over Belgium I can tell you as a

1178

00:48:33,160 --> 00:48:31,070

Canadian that the Americans would be ill

1179

00:48:35,830 --> 00:48:33,170

served to be trying to fly test aircraft

1180

00:48:37,800 --> 00:48:35,840

over our national airspace and a further

1181

00:48:41,050 --> 00:48:37,810

complication would be I would think that

1182

00:48:42,760 --> 00:48:41,060

you wouldn't want the Belgian Air Force

1183

00:48:44,950 --> 00:48:42,770

or any other Air Force scrambling

1184

00:48:46,240 --> 00:48:44,960

interceptor jets on the off chance that

1185

00:48:52,360 --> 00:48:46,250

they might actually shoot your test

1186

00:48:55,780 --> 00:48:52,370

aircraft down risky to be all sorts of

1187

00:48:57,880 --> 00:48:55,790

reasons political and military but that

1188

00:49:00,040 --> 00:48:57,890

one if you'll excuse the pun doesn't fly

1189

00:49:05,170 --> 00:49:00,050

very good very good I like that that's a

1190

00:49:07,660 --> 00:49:05,180

good pose that's job it's very punny the

1191

00:49:09,310 --> 00:49:07,670

cost furred case then which and I'm just

1192

00:49:11,350 --> 00:49:09,320

gonna say one word to you before you

1193

00:49:14,020 --> 00:49:11,360

even begin to talk to Kyle about Cosford

1194

00:49:16,710 --> 00:49:14,030

and then you can bring this part of this

1195

00:49:19,570 --> 00:49:16,720

word into your cost for discussion

1196

00:49:23,440 --> 00:49:19,580

helicopters go ahead Nick talks about

1197

00:49:25,810 --> 00:49:23,450

the costs per case okay well before you

1198

00:49:29,710 --> 00:49:25,820

start with because for taste let me

1199

00:49:32,110 --> 00:49:29,720

actually unpack as we like to say one

1200

00:49:35,680 --> 00:49:32,120

another interesting little piece of

1201

00:49:38,110 --> 00:49:35,690

trivia about this incident the

1202

00:49:40,720 --> 00:49:38,120

interesting piece of trivia is that it

1203

00:49:42,820 --> 00:49:40,730

occurred three years to the very night

1204

00:49:45,340 --> 00:49:42,830

after the Belgian cases that we've just

1205

00:49:48,610 --> 00:49:45,350

been discussing the Belgian case was

1206

00:49:52,900 --> 00:49:48,620

late on the 30th and in the early hours

1207

00:49:55,060 --> 00:49:52,910

of the 31st of March 1990 the cost of

1208

00:49:58,540 --> 00:49:55,070

incident took place over a period of six

1209

00:50:02,140 --> 00:49:58,550

hours yes when 30th of March 31st of

1210

00:50:05,410 --> 00:50:02,150

March 1993 right in the middle of my

1211

00:50:09,310 --> 00:50:05,420

time on the UFO project as I say a wave

1212

00:50:10,840 --> 00:50:09,320

of sightings the earliest one I haven't

1213

00:50:13,770 --> 00:50:10,850

got the foil in front of me it's been

1214

00:50:18,580 --> 00:50:13,780

Declassified and released now by MIT but

1215

00:50:23,890 --> 00:50:18,590

really exciting I believe 8:30 on the

1216

00:50:27,650 --> 00:50:23,900

30th of March the latest one 2:40 in the

1217

00:50:29,960 --> 00:50:27,660

morning on the 31st sightings

1218

00:50:31,970 --> 00:50:29,970

witnessed by several hundred people that

1219

00:50:34,309 --> 00:50:31,980

we know about probably a lot more that

1220

00:50:37,339 --> 00:50:34,319

didn't report many of those witnesses

1221

00:50:40,430 --> 00:50:37,349

were police officers military personnel

1222

00:50:42,289 --> 00:50:40,440

and particularly the reason this this

1223

00:50:44,900 --> 00:50:42,299

incident is even known as the cost for

1224

00:50:47,150 --> 00:50:44,910

the incident to military bases to air

1225

00:50:50,960 --> 00:50:47,160

force bases Cosford and Shawbury were

1226

00:50:54,620 --> 00:50:50,970

directly overflowed by this patrol of air

1227

00:50:58,579 --> 00:50:54,630

force police officers sorted RAF Cosford

1228

00:51:01,339 --> 00:50:58,589

and the Met officer at RAF Shawbury saw

1229

00:51:04,990 --> 00:51:01,349

this now the main officer is someone who

1230

00:51:07,700 --> 00:51:05,000

I've spoken to on a number of occasions

1231

00:51:10,099 --> 00:51:07,710

firstly of course you know literally

1232

00:51:12,289 --> 00:51:10,109

just three or four hours after he had

1233

00:51:14,210 --> 00:51:12,299

his sighting this was a man with eight

1234

00:51:16,400 --> 00:51:14,220

years experience in the Air Force and

1235

00:51:21,250 --> 00:51:16,410

and he said he saw this large triangular

1236

00:51:24,920 --> 00:51:21,260

shaped craft midway in size between a

1237

00:51:30,140 --> 00:51:24,930

c-130 hercules transport and a boeing

1238

00:51:33,170 --> 00:51:30,150

747 flying slowly towards the base maybe

1239

00:51:36,519 --> 00:51:33,180

no more than 30 or 40 miles an hour at

1240

00:51:40,069 --> 00:51:36,529

200 feet above the ground 200 feet maybe

1241

00:51:43,490 --> 00:51:40,079

to the side firing a narrow beam of

1242

00:51:45,380 --> 00:51:43,500

light ground that he said was tracking

1243

00:51:47,750 --> 00:51:45,390

backwards and forwards as if it was

1244

00:51:49,849 --> 00:51:47,760

looking for something he said there was

1245

00:51:52,400 --> 00:51:49,859

a low-frequency humming sound coming

1246

00:51:54,769 --> 00:51:52,410

from this craft quite unpleasant row

1247

00:51:57,140 --> 00:51:54,779

like standing in front of a base speaker

1248

00:51:59,450 --> 00:51:57,150

he said he could feel this as well as

1249

00:52:03,289 --> 00:51:59,460

hearing and he said suddenly from going

1250

00:52:05,569 --> 00:52:03,299

very very slowly the beam just switched

1251
00:52:09,529 --> 00:52:05,579
off and this thing accelerated away to

1252
00:52:12,740 --> 00:52:09,539
the horizon his words many many times

1253
00:52:14,210 --> 00:52:12,750
faster than a military jet and this was

1254
00:52:16,700 --> 00:52:14,220
this was a man with eight years

1255
00:52:22,760 --> 00:52:16,710
experience in the Air Force so what do

1256
00:52:25,069 --> 00:52:22,770
you make of it it takes me back to my

1257
00:52:26,359 --> 00:52:25,079
days briefly in a courtroom you know

1258
00:52:31,190 --> 00:52:26,369
just sort of go well what do you make of

1259
00:52:34,849 --> 00:52:31,200
it ya know I don't I don't know my head

1260
00:52:36,950 --> 00:52:34,859
of Division III was the desk officer the

1261
00:52:39,109 --> 00:52:36,960
subject-matter expert as it were my head

1262
00:52:40,150 --> 00:52:39,119
of division considerably more senior

1263
00:52:43,630 --> 00:52:40,160

than me

1264

00:52:46,270 --> 00:52:43,640

thought that the whole UFO issue was a

1265

00:52:50,079 --> 00:52:46,280

waste of time and money didn't want the

1266

00:52:54,160 --> 00:52:50,089

UFO project embedded in his division at

1267

00:52:55,930 --> 00:52:54,170

all even he on this occasion got quite

1268

00:52:58,599 --> 00:52:55,940

excited and on one occasion almost

1269

00:53:00,970 --> 00:52:58,609

literally ran into my office with a map

1270

00:53:03,460 --> 00:53:00,980

that he'd drawn on his own initiative

1271

00:53:06,190 --> 00:53:03,470

trying to plot out the track of of all

1272

00:53:08,109 --> 00:53:06,200

the sightings I mean he was telling me

1273

00:53:10,210 --> 00:53:08,119

that he'd found some sort of pattern

1274

00:53:13,000 --> 00:53:10,220

which actually I don't think he had but

1275

00:53:15,160 --> 00:53:13,010

some interesting insight into the

1276

00:53:18,880 --> 00:53:15,170

psychology of belief that this diehard

1277

00:53:20,740 --> 00:53:18,890

skeptic this dyed-in-the-wool civil

1278

00:53:22,870 --> 00:53:20,750

servant who thought this whole thing was

1279

00:53:28,599 --> 00:53:22,880

a waste of time and money was was

1280

00:53:30,609 --> 00:53:28,609

suddenly Nick Nick look at this he

1281

00:53:33,849 --> 00:53:30,619

briefed the assistant chief of the air

1282

00:53:36,279 --> 00:53:33,859

staff a two-star military officer one of

1283

00:53:40,270 --> 00:53:36,289

Britain's most senior Air Force officers

1284

00:53:42,970 --> 00:53:40,280

and again I hadn't ungraded the papers

1285

00:53:46,089 --> 00:53:42,980

in front of me but from memory the quote

1286

00:53:48,279 --> 00:53:46,099

was in summary that would seem to be

1287

00:53:52,329 --> 00:53:48,289

some evidence that on the night in

1288

00:53:57,700 --> 00:53:52,339

question an object or objects of unknown

1289

00:54:00,250 --> 00:53:57,710

origin was operating in UK airspace so

1290

00:54:02,740 --> 00:54:00,260

have I got it wrong because I I'm ention

1291

00:54:05,680 --> 00:54:02,750

helicopters I vaguely remembered maybe

1292

00:54:07,089 --> 00:54:05,690

I'm wrong about this wasn't that one of

1293

00:54:08,829 --> 00:54:07,099

the explanations that was brought out

1294

00:54:14,160 --> 00:54:08,839

for the cosford case or am I thinking of

1295

00:54:21,309 --> 00:54:18,730

mean you know people talk about a vast

1296

00:54:25,750 --> 00:54:21,319

triangular-shaped object firing a beam

1297

00:54:28,299 --> 00:54:25,760

of light there was a letter in the Daily

1298

00:54:32,799 --> 00:54:28,309

Mail which is one of our national daily

1299

00:54:34,660 --> 00:54:32,809

newspapers but no one could actually be

1300

00:54:39,910 --> 00:54:34,670

sure whether it wasn't actually written

1301
00:54:42,010 --> 00:54:39,920
by a skeptical UFO bus said oh it was a

1302
00:54:44,349 --> 00:54:42,020
police helicopter shiny it's search

1303
00:54:45,099 --> 00:54:44,359
right that's what I'm thinking of yeah

1304
00:54:48,789 --> 00:54:45,109
yeah

1305
00:54:50,980 --> 00:54:48,799
but a there was some suspicion and I got

1306
00:54:51,690 --> 00:54:50,990
an email to say that some skeptic wrote

1307
00:54:55,740 --> 00:54:51,700
that letter

1308
00:54:57,450 --> 00:54:55,750
himself we this you know the witness was

1309
00:54:59,849 --> 00:54:57,460
an air force officer with eight years

1310
00:55:01,740 --> 00:54:59,859
experience and and he said look this

1311
00:55:05,790 --> 00:55:01,750
traveled many times faster than a

1312
00:55:08,520 --> 00:55:05,800
military jet something like an f-15 and

1313
00:55:11,849 --> 00:55:08,530

f-16 something like that now I know an

1314

00:55:13,770 --> 00:55:11,859

awful lot about helicopters but you know

1315

00:55:15,599 --> 00:55:13,780

and I'm not the world's greatest expert

1316

00:55:17,310 --> 00:55:15,609

but one thing I do know is that they

1317

00:55:24,990 --> 00:55:17,320

don't do that

1318

00:55:27,329 --> 00:55:25,000

well no helicopters that we know of you

1319

00:55:30,150 --> 00:55:27,339

mentioned before make about the fact

1320

00:55:32,910 --> 00:55:30,160

that person you work with who was more

1321

00:55:35,370 --> 00:55:32,920

or less not interested in having this

1322

00:55:38,460 --> 00:55:35,380

job in a sense of being saddled with

1323

00:55:41,370 --> 00:55:38,470

having to check into flying saucers do

1324

00:55:43,020 --> 00:55:41,380

you think as a result that maybe some

1325

00:55:46,829 --> 00:55:43,030

evidence or information you could have

1326

00:55:50,280 --> 00:55:46,839

acquired wasn't acquired because of the

1327

00:55:52,829 --> 00:55:50,290

disinterest I wouldn't say that but I

1328

00:55:56,010 --> 00:55:52,839

think there were constraints put on my

1329

00:55:58,230 --> 00:55:56,020

activity I mean my terms of reference as

1330

00:56:02,270 --> 00:55:58,240

I think I mentioned earlier were purely

1331

00:56:05,819 --> 00:56:02,280

national so I was almost exclusively

1332

00:56:08,640 --> 00:56:05,829

limited to researching investigating

1333

00:56:14,010 --> 00:56:08,650

sightings that had occurred within the

1334

00:56:16,079 --> 00:56:14,020

United Kingdom on occasion I could maybe

1335

00:56:19,500 --> 00:56:16,089

make some inquiries a little bit wider

1336

00:56:22,140 --> 00:56:19,510

for example on the Cosford incident

1337

00:56:24,870 --> 00:56:22,150

because of the similarity not not least

1338

00:56:27,450 --> 00:56:24,880

the spooky coincidence of

1339

00:56:30,599 --> 00:56:27,460

the dates and the times it was three

1340

00:56:32,520 --> 00:56:30,609

years to the day after we actually did

1341

00:56:36,930 --> 00:56:32,530

manage to make some inquiries through

1342

00:56:40,230 --> 00:56:36,940

the British Embassy in in Brussels and I

1343

00:56:42,589 --> 00:56:40,240

think the era tache the British era TAS

1344

00:56:46,380 --> 00:56:42,599

a attache or the British ambassador

1345

00:56:50,460 --> 00:56:46,390

managed to speak I think to Colonel de

1346

00:56:54,089 --> 00:56:50,470

Brouwer then I think by then general to

1347

00:56:57,030 --> 00:56:54,099

power cause promotion and to the to f-16

1348

00:57:00,210 --> 00:56:57,040

pilots but generally speaking my terms

1349

00:57:02,250 --> 00:57:00,220

of reference placed limits on what I

1350

00:57:05,080 --> 00:57:02,260

could do and it may well be that the

1351
00:57:07,450 --> 00:57:05,090
skepticism of my head of division

1352
00:57:09,820 --> 00:57:07,460
we enforce that I might have had a

1353
00:57:11,650 --> 00:57:09,830
little bit more leeway had this

1354
00:57:14,230 --> 00:57:11,660
particular individual being a little bit

1355
00:57:18,250 --> 00:57:14,240
being a little bit more open so I don't

1356
00:57:21,130 --> 00:57:18,260
think I don't think it it stopped me

1357
00:57:23,380 --> 00:57:21,140
from uncovering some great truth about

1358
00:57:25,570 --> 00:57:23,390
all this it was an inconvenience but it

1359
00:57:27,670 --> 00:57:25,580
wasn't it wasn't a conspiracy and it

1360
00:57:29,340 --> 00:57:27,680
wasn't a showstopper now of course some

1361
00:57:31,780 --> 00:57:29,350
of the skeptics were involved in

1362
00:57:33,910 --> 00:57:31,790
disclosure of skeptics of what you did

1363
00:57:35,890 --> 00:57:33,920

going to say number one Nick knows

1364

00:57:38,170 --> 00:57:35,900

what's going on but he can't tell

1365

00:57:41,950 --> 00:57:38,180

because he's constrained by the Secrets

1366

00:57:43,810 --> 00:57:41,960

Act or number two that particular office

1367

00:57:45,850 --> 00:57:43,820

that you worked in that's just the cover

1368

00:57:47,770 --> 00:57:45,860

up the really waffle investigation is

1369

00:57:49,570 --> 00:57:47,780

going on elsewhere what do you say about

1370

00:57:53,710 --> 00:57:49,580

that well you see it's almost impossible

1371

00:57:55,720 --> 00:57:53,720

for me to respond to either of those you

1372

00:57:57,310 --> 00:57:55,730

know without people people just saying

1373

00:57:59,890 --> 00:57:57,320

well he would say that wouldn't he let's

1374

00:58:02,170 --> 00:57:59,900

let's take the first one people saying

1375

00:58:05,290 --> 00:58:02,180

that I know some great truth but I'm not

1376

00:58:09,430 --> 00:58:05,300

saying I don't know the friendly face

1377

00:58:12,460 --> 00:58:09,440

I'm getting so whatever if I say to you

1378

00:58:15,670 --> 00:58:12,470

look no no that's not the case I'm

1379

00:58:18,430 --> 00:58:15,680

actually telling you how it is people

1380

00:58:20,740 --> 00:58:18,440

that believe otherwise will simply say

1381

00:58:23,290 --> 00:58:20,750

well he would say that wouldn't he so I

1382

00:58:26,170 --> 00:58:23,300

I can't really carry those people with

1383

00:58:27,220 --> 00:58:26,180

me so I might denial damned if you do

1384

00:58:30,160 --> 00:58:27,230

damned if you don't

1385

00:58:32,890 --> 00:58:30,170

exactly I know on the other issue the

1386

00:58:34,930 --> 00:58:32,900

idea that that somehow the job that I

1387

00:58:36,580 --> 00:58:34,940

did was just some shop window and that

1388

00:58:39,610 --> 00:58:36,590

the really interesting stuff went on

1389

00:58:42,550 --> 00:58:39,620

elsewhere I could say but lyrics the

1390

00:58:44,920 --> 00:58:42,560

Ministry of Defense is now declassifying

1391

00:58:46,710 --> 00:58:44,930

a releasing the UFO FILES this showed

1392

00:58:50,260 --> 00:58:46,720

that we were at the heart of everything

1393

00:58:53,260 --> 00:58:50,270

this showed that we had the policy lead

1394

00:58:56,110 --> 00:58:53,270

we had the invective lead the Defense

1395

00:58:59,470 --> 00:58:56,120

Intelligence staff who it's been

1396

00:59:02,500 --> 00:58:59,480

suggested with the real players here the

1397

00:59:04,480 --> 00:59:02,510

papers the government files show that

1398

00:59:06,580 --> 00:59:04,490

they were actually responding to our

1399

00:59:08,170 --> 00:59:06,590

requests but you see if people believe

1400

00:59:11,200 --> 00:59:08,180

otherwise they'll simply say all that

1401

00:59:13,210 --> 00:59:11,210

documentation is faked anyway so again

1402

00:59:15,070 --> 00:59:13,220

exactly as you say damned if you do

1403

00:59:18,120 --> 00:59:15,080

damned if you don't I'm not going to be

1404

00:59:19,529 --> 00:59:18,130

able to dissuade people or

1405

00:59:20,940 --> 00:59:19,539

they look at the government files

1406

00:59:24,480 --> 00:59:20,950

because they'll say they're all fake

1407

00:59:26,849 --> 00:59:24,490

toward altered before we split for our

1408

00:59:28,349 --> 00:59:26,859

number two of this episode where can our

1409

00:59:31,859 --> 00:59:28,359

listeners find out more of the things

1410

00:59:34,970 --> 00:59:31,869

that you write about my own website nick

1411

00:59:39,240 --> 00:59:34,980

pope dotnet the ministry of defense

1412

00:59:41,700 --> 00:59:39,250

website i think just a midi dot uk' and

1413

00:59:44,490 --> 00:59:41,710

the National Archives website just put

1414

00:59:46,650 --> 00:59:44,500

in National Archives UK everything that

1415

00:59:48,390 --> 00:59:46,660

I talk about can be backed up by the

1416

00:59:50,910 --> 00:59:48,400

government's own records I'm not one of

1417

00:59:52,950 --> 00:59:50,920

these people that that says this you

1418

00:59:55,289 --> 00:59:52,960

know I worked here and there and take my

1419

00:59:57,870 --> 00:59:55,299

word for it the files show that I did

1420

00:59:59,999 --> 00:59:57,880

Nick Pope was co-host Paul Kimball

1421

01:00:05,549 --> 01:00:00,009

coming up again on the other side of the

1422

01:00:07,200 --> 01:00:05,559

power cast we want to hear from you if

1423

01:00:10,170 --> 01:00:07,210

you have a comment or question about the

1424

01:00:11,160 --> 01:00:10,180

pair cast send it to news at the pear

1425

01:00:14,370 --> 01:00:11,170

cast com

1426

01:00:16,380 --> 01:00:14,380

that's news at the pear cast calm and

1427

01:00:18,059 --> 01:00:16,390

don't forget to visit our forums where

1428

01:00:20,640 --> 01:00:18,069

you can talk to fellow listeners just go

1429

01:00:23,099 --> 01:00:20,650

to the pear cast calm and click on the

1430

01:00:30,890 --> 01:00:23,109

forum links that's the forum links at

1431

01:00:39,630 --> 01:00:33,300

welcome back to the parrot house with

1432

01:00:44,340 --> 01:00:42,030

mokou hostess Paul Kimball we're

1433

01:00:46,920 --> 01:00:44,350

returning with Nick Pope who worked with

1434

01:00:50,640 --> 01:00:46,930

the Ministry of Defense and was one of

1435

01:00:52,080 --> 01:00:50,650

their UFO guys for three years as you

1436

01:00:54,330 --> 01:00:52,090

get sucked into that for those who

1437

01:00:57,180 --> 01:00:54,340

haven't heard the original story how did

1438

01:00:58,920 --> 01:00:57,190

they say Nick you got to do this it was

1439

01:01:02,550 --> 01:00:58,930

quite by accident

1440

01:01:05,190 --> 01:01:02,560

I had no previous knowledge or interest

1441

01:01:07,320 --> 01:01:05,200

in this subject at all I was just a

1442

01:01:09,360 --> 01:01:07,330

government guy minding my own business

1443

01:01:12,960 --> 01:01:09,370

wondering what my next tour of duty

1444

01:01:16,130 --> 01:01:12,970

would be I was doing a job where I've

1445

01:01:19,470 --> 01:01:16,140

been seconded into the Joint Operations

1446

01:01:22,920 --> 01:01:19,480

Center as a briefer during the first

1447

01:01:25,650 --> 01:01:22,930

Gulf War and I happened to be working

1448

01:01:27,450 --> 01:01:25,660

for a guy down there and he said that

1449

01:01:29,490 --> 01:01:27,460

once all this was finished

1450

01:01:31,860 --> 01:01:29,500

I know you're looking for a move I have

1451

01:01:34,830 --> 01:01:31,870

a vacancy I'm quite impressed with your

1452

01:01:38,340 --> 01:01:34,840

work would you like to come away with me

1453

01:01:42,900 --> 01:01:38,350

for me and I said yeah okay what's the

1454

01:01:44,400 --> 01:01:42,910

job and UFOs and they said okay I'll do

1455

01:01:49,740 --> 01:01:44,410

it and that was it

1456

01:01:52,170 --> 01:01:49,750

so you didn't say what no I knew I I

1457

01:01:55,020 --> 01:01:52,180

knew that there was a UFO job because

1458

01:01:58,350 --> 01:01:55,030

one of the things that young employees

1459

01:02:00,870 --> 01:01:58,360

in the ministry defense used to spend a

1460

01:02:03,030 --> 01:02:00,880

lot of time doing was going through the

1461

01:02:06,450 --> 01:02:03,040

big at the time it was called the

1462

01:02:08,640 --> 01:02:06,460

Greenberg and it was basically the

1463

01:02:11,820 --> 01:02:08,650

telephone directory and it had brief job

1464

01:02:13,890 --> 01:02:11,830

descriptions of almost everyone in the

1465

01:02:17,060 --> 01:02:13,900

department and of course everyone had

1466

01:02:20,250 --> 01:02:17,070

spotted this thing that just said UFOs

1467

01:02:21,480 --> 01:02:20,260

everyone look at this is him what so of

1468

01:02:23,870 --> 01:02:21,490

course I was one of those people that

1469

01:02:26,730 --> 01:02:23,880

had looked at it and said what and

1470

01:02:29,640 --> 01:02:26,740

little did I know that the offer would

1471

01:02:33,210 --> 01:02:29,650

come my way a thousand to one chance if

1472

01:02:34,830 --> 01:02:33,220

not more but it it happened and yeah did

1473

01:02:37,200 --> 01:02:34,840

you have any sort of pre-existing

1474

01:02:39,570 --> 01:02:37,210

interest in the UFO phenomenon before

1475

01:02:41,670 --> 01:02:39,580

that or not you know great knowledge of

1476

01:02:43,170 --> 01:02:41,680

it or was it just kind of oh well here's

1477

01:02:46,200 --> 01:02:43,180

another job for you that sounds

1478

01:02:49,020 --> 01:02:46,210

interesting I had no I had no I had no

1479

01:02:52,790 --> 01:02:49,030

pre-existing knowledge or interest I had

1480

01:02:55,580 --> 01:02:52,800

mixed feelings about it to be honest

1481

01:02:57,520 --> 01:02:55,590

on the one hand I guess like everyone

1482

01:02:59,990 --> 01:02:57,530

who had flicked through the mo d

1483

01:03:05,000 --> 01:03:00,000

Greenberg the telephone directory and

1484

01:03:07,100 --> 01:03:05,010

seen that job that just said UFOs I have

1485

01:03:08,990 --> 01:03:07,110

been intrigued and the head thought what

1486

01:03:11,540 --> 01:03:09,000

on earth is that if you'll excuse the

1487

01:03:15,530 --> 01:03:11,550

pun that's interesting on the other hand

1488

01:03:17,930 --> 01:03:15,540

I was young and hugely ambitious and I

1489

01:03:21,740 --> 01:03:17,940

did worry whether something like that

1490

01:03:25,580 --> 01:03:21,750

might not sit too comfortably on my CV

1491

01:03:28,970 --> 01:03:25,590

and I thought although actually if I'm

1492

01:03:32,120 --> 01:03:28,980

to get on and and to be promoted to the

1493

01:03:34,970 --> 01:03:32,130

more senior levels the sorts of jobs I

1494

01:03:38,390 --> 01:03:34,980

should be doing are the jobs in the

1495

01:03:41,210 --> 01:03:38,400

defense ministers office for example you

1496

01:03:43,550 --> 01:03:41,220

know SMS effect death you know those

1497

01:03:47,780 --> 01:03:43,560

those sorts of posts where you want to

1498

01:03:50,450 --> 01:03:47,790

get st. F and you want to get in to the

1499

01:03:52,460 --> 01:03:50,460

office even at a junior level but just

1500

01:03:54,020 --> 01:03:52,470

to be there and I thought all those are

1501

01:03:59,210 --> 01:03:54,030

the sorts of jobs I should be doing not

1502

01:04:01,400 --> 01:03:59,220

not this so I had mixed feelings now you

1503

01:04:04,010 --> 01:04:01,410

had mentioned earlier in the first

1504

01:04:05,330 --> 01:04:04,020

segment the Rendlesham case and I

1505

01:04:06,200 --> 01:04:05,340

suspect you think I'm gonna ask you

1506

01:04:07,760 --> 01:04:06,210

about that right now

1507

01:04:10,250 --> 01:04:07,770

but I'm not gonna save that for later

1508

01:04:11,870 --> 01:04:10,260

okay I want to ask you about right now

1509

01:04:14,810 --> 01:04:11,880

it's something that I don't think you

1510

01:04:16,790 --> 01:04:14,820

talk about very often and no it's not

1511

01:04:19,160 --> 01:04:16,800

your childhood remote-viewing

1512

01:04:22,630 --> 01:04:19,170

actually we're going to hypnotize you in

1513

01:04:26,660 --> 01:04:22,640

a search for evidence of alien hybrids

1514

01:04:28,700 --> 01:04:26,670

okay or no confess at all oh gosh I

1515

01:04:31,490 --> 01:04:28,710

confess it all I remember the last time

1516

01:04:33,290 --> 01:04:31,500

you confessed something that's gonna be

1517

01:04:38,980 --> 01:04:33,300

on the next episode ladies and gentlemen

1518

01:04:42,680 --> 01:04:38,990

the secret files of new bar in London

1519

01:04:44,540 --> 01:04:42,690

you have on your website a page that I

1520

01:04:45,920 --> 01:04:44,550

suspect maybe not a lot of people log on

1521

01:04:48,410 --> 01:04:45,930

to they probably go to Rendlesham err

1522

01:04:50,510 --> 01:04:48,420

UFOs first or whatever but you have a

1523

01:04:52,400 --> 01:04:50,520

page on remote viewing and I didn't know

1524

01:04:54,320 --> 01:04:52,410

this until I was doing some research for

1525

01:04:55,700 --> 01:04:54,330

the interview here that there had

1526

01:04:59,150 --> 01:04:55,710

actually been a Ministry of Defense

1527

01:05:02,300 --> 01:04:59,160

study into remote viewing and that it

1528

01:05:04,090 --> 01:05:02,310

actually had something to do with 9/11

1529

01:05:06,240 --> 01:05:04,100

or at least part of it had to do with

1530

01:05:07,859 --> 01:05:06,250

9/11 you right here the

1531

01:05:10,230 --> 01:05:07,869

PM Modi had attempted to recruit

1532

01:05:12,450 --> 01:05:10,240

psychics to track down targets which

1533

01:05:14,280 --> 01:05:12,460

almost certainly included bin Laden and

1534

01:05:16,320 --> 01:05:14,290

weapons of mass destruction could you

1535

01:05:19,530 --> 01:05:16,330

tell us a bit about the the mo DS remote

1536

01:05:23,580 --> 01:05:19,540

viewing program sure I'm embarrassed to

1537

01:05:27,900 --> 01:05:23,590

say that the headline finding about the

1538

01:05:31,830 --> 01:05:27,910

mo DS remote viewing project was that it

1539

01:05:33,660 --> 01:05:31,840

was totally mishandled and and again

1540

01:05:36,300 --> 01:05:33,670

don't take my word for this you can go

1541

01:05:39,930 --> 01:05:36,310

on to the mo D website Emma D dot uk'

1542

01:05:43,500 --> 01:05:39,940

put in the phrase remote viewing and you

1543

01:05:47,700 --> 01:05:43,510

will find this report that was formerly

1544

01:05:50,550 --> 01:05:47,710

classified secret UK eyes only and and

1545

01:05:52,620 --> 01:05:50,560

you'll see as you've just said that what

1546

01:05:55,400 --> 01:05:52,630

this essentially was was fairly shortly

1547

01:05:58,500 --> 01:05:55,410

after 9/11 the mo D probably not

1548

01:06:01,800 --> 01:05:58,510

coincidentally started a project to try

1549

01:06:05,250 --> 01:06:01,810

and recruit psychics parts large parts

1550

01:06:07,440 --> 01:06:05,260

of the the report are blacked out in the

1551
01:06:10,950 --> 01:06:07,450
interesting bits where they say what the

1552
01:06:14,000 --> 01:06:10,960
targets were but you know as somebody

1553
01:06:17,760 --> 01:06:14,010
who's worked alongside people in

1554
01:06:21,480 --> 01:06:17,770
intelligence I can tell you this and

1555
01:06:25,560 --> 01:06:21,490
this it's not a great secret the more

1556
01:06:28,410 --> 01:06:25,570
intelligence targets as a nation I do

1557
01:06:30,540 --> 01:06:28,420
not change they're fixed you may have

1558
01:06:33,410 --> 01:06:30,550
different means of going after your

1559
01:06:36,960 --> 01:06:33,420
intelligence targets that may include

1560
01:06:37,440 --> 01:06:36,970
human intelligence ie agents on the

1561
01:06:40,740 --> 01:06:37,450
ground

1562
01:06:42,120 --> 01:06:40,750
it may include interception of

1563
01:06:46,490 --> 01:06:42,130

communications

1564

01:06:50,040 --> 01:06:46,500

it may include satellite surveillance

1565

01:06:52,170 --> 01:06:50,050

but your intelligence targets don't

1566

01:06:55,109 --> 01:06:52,180

change all you've actually got is

1567

01:06:57,780 --> 01:06:55,119

different means of trying to access

1568

01:07:01,440 --> 01:06:57,790

those targets so in a sense

1569

01:07:05,010 --> 01:07:01,450

remote viewing is nothing more or less

1570

01:07:06,990 --> 01:07:05,020

unusual or sinister than just another

1571

01:07:09,450 --> 01:07:07,000

means of going after your intelligence

1572

01:07:12,349 --> 01:07:09,460

target your targets don't change your

1573

01:07:16,079 --> 01:07:12,359

targets are always going to be spies

1574

01:07:18,270 --> 01:07:16,089

terrorists weapons drugs that sort of

1575

01:07:19,859 --> 01:07:18,280

thing so motive Ewing was just another

1576

01:07:22,650 --> 01:07:19,869

way of going after it

1577

01:07:24,180 --> 01:07:22,660

well yes to to a degree but I would

1578

01:07:26,759 --> 01:07:24,190

think that most people if you were to

1579

01:07:28,470 --> 01:07:26,769

poll 10 people on the streets in front

1580

01:07:29,579 --> 01:07:28,480

of Trafalgar Square or here in Halifax

1581

01:07:31,890 --> 01:07:29,589

and said hmm

1582

01:07:34,230 --> 01:07:31,900

which do you think is more likely that

1583

01:07:35,880 --> 01:07:34,240

we're using human spies or traditional

1584

01:07:37,470 --> 01:07:35,890

intelligence gathering methods that we

1585

01:07:39,450 --> 01:07:37,480

would all know of from movies and stuff

1586

01:07:42,089 --> 01:07:39,460

to go after Osama bin Laden or these

1587

01:07:44,099 --> 01:07:42,099

these Intel targets or we've got a bunch

1588

01:07:46,470 --> 01:07:44,109

of psychics do you think the

1589

01:07:48,150 --> 01:07:46,480

government's involved in that I think 10

1590

01:07:49,499 --> 01:07:48,160

out of 10 of those people would probably

1591

01:07:52,200 --> 01:07:49,509

go psychics

1592

01:07:54,749 --> 01:07:52,210

no wonder we haven't found we're using

1593

01:07:56,489 --> 01:07:54,759

psychics to find him but does the fact

1594

01:07:58,230 --> 01:07:56,499

that the Ministry of Defence as the

1595

01:07:59,970 --> 01:07:58,240

American government did as I as the

1596

01:08:01,589 --> 01:07:59,980

Soviet government did as I suspect a lot

1597

01:08:03,870 --> 01:08:01,599

of governments did and maybe still do

1598

01:08:05,989 --> 01:08:03,880

try and employ remote viewers and

1599

01:08:08,039 --> 01:08:05,999

psychics in an intelligence capacity

1600

01:08:10,289 --> 01:08:08,049

indicate that there might actually be

1601
01:08:11,880 --> 01:08:10,299
something to remote viewing what do you

1602
01:08:14,700 --> 01:08:11,890
what do you think of remote viewing just

1603
01:08:17,579 --> 01:08:14,710
as a subject Nick okay two points on

1604
01:08:21,140 --> 01:08:17,589
this first point there are some

1605
01:08:25,789 --> 01:08:21,150
countries because of historical legacy

1606
01:08:28,019 --> 01:08:25,799
because of color language ethnicity

1607
01:08:30,899 --> 01:08:28,029
whatever where it is incredibly

1608
01:08:33,780 --> 01:08:30,909
difficult for example to insert an agent

1609
01:08:37,620 --> 01:08:33,790
I mean you may try and turn someone

1610
01:08:39,539 --> 01:08:37,630
who's already a citizen but it's very

1611
01:08:43,169 --> 01:08:39,549
difficult for example to get it an

1612
01:08:47,280 --> 01:08:43,179
illegal in and that's as much as I'm

1613
01:08:48,809 --> 01:08:47,290

gonna say about that the point about

1614

01:08:50,340 --> 01:08:48,819

what do we think about remote viewing

1615

01:08:52,709 --> 01:08:50,350

what do we think about saying explain

1616

01:08:56,490 --> 01:08:52,719

does it work whatever the way I would

1617

01:09:01,399 --> 01:08:56,500

characterize it is this this is what we

1618

01:09:04,860 --> 01:09:01,409

called a classic low probability high

1619

01:09:06,959 --> 01:09:04,870

consequence situation now they probably

1620

01:09:09,720 --> 01:09:06,969

see a high consequence or as it's

1621

01:09:12,990 --> 01:09:09,730

sometimes termed no probability high

1622

01:09:17,610 --> 01:09:13,000

impact is a term that originated in

1623

01:09:20,249 --> 01:09:17,620

business but it's been incorporated into

1624

01:09:22,499 --> 01:09:20,259

the intelligence community and as it

1625

01:09:24,749 --> 01:09:22,509

says on the tin what it's really saying

1626

01:09:27,950 --> 01:09:24,759

is look even if you think the

1627

01:09:32,189 --> 01:09:27,960

vanishingly small chance of this working

1628

01:09:33,210 --> 01:09:32,199

if it does the consequences the the

1629

01:09:35,370 --> 01:09:33,220

benefit

1630

01:09:39,090 --> 01:09:35,380

that we would reap if we could get this

1631

01:09:42,510 --> 01:09:39,100

to work would be immense so that's why

1632

01:09:45,390 --> 01:09:42,520

you know the had a a remote viewing

1633

01:09:48,150 --> 01:09:45,400

program it wasn't because corporately

1634

01:09:50,610 --> 01:09:48,160

we'd all bought into this idea we'd all

1635

01:09:53,280 --> 01:09:50,620

signed up to the idea that that psychics

1636

01:09:54,690 --> 01:09:53,290

could find these things it was just like

1637

01:09:56,730 --> 01:09:54,700

if there's a one in a thousand chance

1638

01:10:00,480 --> 01:09:56,740

that they can let's take that gamble

1639

01:10:03,000 --> 01:10:00,490

because if they can great okay is there

1640

01:10:04,440 --> 01:10:03,010

a one in a thousand chance of any of

1641

01:10:11,670 --> 01:10:04,450

this really work

1642

01:10:14,100 --> 01:10:11,680

one have you heard I don't know but

1643

01:10:16,230 --> 01:10:14,110

leaving aside the Ministry of Defense is

1644

01:10:18,960 --> 01:10:16,240

and you can actually focus you can go to

1645

01:10:20,580 --> 01:10:18,970

Nick's website Nick Pope net and Nick

1646

01:10:21,990 --> 01:10:20,590

might not check this page very often but

1647

01:10:24,420 --> 01:10:22,000

there's a direct link on his remote

1648

01:10:26,010 --> 01:10:24,430

viewing page he has a remote engage you

1649

01:10:29,610 --> 01:10:26,020

can take the direct link right there to

1650

01:10:32,340 --> 01:10:29,620

the mot study yes and this is yeah

1651

01:10:34,050 --> 01:10:32,350

absolutely this is not me you can go

1652

01:10:36,270 --> 01:10:34,060

onto my website and you can see me

1653

01:10:37,830 --> 01:10:36,280

pontificating about it but then you can

1654

01:10:40,860 --> 01:10:37,840

say no don't listen to that idiot just

1655

01:10:42,000 --> 01:10:40,870

see what the MRD study says you can get

1656

01:10:43,680 --> 01:10:42,010

right to the real thing

1657

01:10:45,450 --> 01:10:43,690

I think actually at the end of your

1658

01:10:48,930 --> 01:10:45,460

entire page and your pontificating you

1659

01:10:50,640 --> 01:10:48,940

say now don't listen to me actually the

1660

01:10:53,270 --> 01:10:50,650

psychic spies are on your trail is the

1661

01:10:57,060 --> 01:10:53,280

last thing that your rights oh yes I did

1662

01:10:59,550 --> 01:10:57,070

and this is an article I wrote I wrote

1663

01:11:01,440 --> 01:10:59,560

for one of our national newspapers and I

1664

01:11:04,320 --> 01:11:01,450

think I ended it by saying something

1665

01:11:07,850 --> 01:11:04,330

provocative by saying so if you were one

1666

01:11:11,430 --> 01:11:07,860

of the bad guys against your expectation

1667

01:11:15,900 --> 01:11:11,440

against your every belief we're coming

1668

01:11:17,550 --> 01:11:15,910

to get you it does sound and I mean this

1669

01:11:19,950 --> 01:11:17,560

is the highest compliment it does sound

1670

01:11:21,240 --> 01:11:19,960

very Nick Redfern ish because he's sort

1671

01:11:22,470 --> 01:11:21,250

of you guys sometimes write in the same

1672

01:11:24,390 --> 01:11:22,480

way but you're right but maybe the

1673

01:11:26,730 --> 01:11:24,400

strangest x-file in the mo DS history as

1674

01:11:28,200 --> 01:11:26,740

a final message for the bad guys beyond

1675

01:11:30,000 --> 01:11:28,210

your understanding and against all odds

1676

01:11:32,310 --> 01:11:30,010

we're coming to get you

1677

01:11:34,280 --> 01:11:32,320

the psychic spies are on your trail that

1678

01:11:39,870 --> 01:11:34,290

was for The Daily Express and anybody

1679

01:11:42,060 --> 01:11:39,880

where indeed my word good today I wrote

1680

01:11:44,070 --> 01:11:42,070

that I think about three years ago and

1681

01:11:44,540 --> 01:11:44,080

only on the power cast do you find your

1682

01:11:47,330 --> 01:11:44,550

word

1683

01:11:51,950 --> 01:11:47,340

thrown back at you we own the Parrikar

1684

01:11:54,740 --> 01:11:51,960

do I say gosh I'm good I mean that's

1685

01:11:56,960 --> 01:11:54,750

fine you know welcome to say that we're

1686

01:12:05,350 --> 01:11:56,970

good great or otherwise

1687

01:12:07,870 --> 01:12:05,360

[Music]

1688

01:12:10,630 --> 01:12:07,880

hey neighbors would you like to see the

1689

01:12:12,340 --> 01:12:10,640

power cast live long and prosper well if

1690

01:12:14,680 --> 01:12:12,350

you know of anyone who wants to

1691

01:12:16,840 --> 01:12:14,690

advertise their products or services on

1692

01:12:19,510 --> 01:12:16,850

the power cast have them contact us

1693

01:12:21,280 --> 01:12:19,520

directly tell them to write to sales at

1694

01:12:24,490 --> 01:12:21,290

the power cast com

1695

01:12:27,520 --> 01:12:24,500

that's sales at the Parra cast come and

1696

01:12:29,890 --> 01:12:27,530

we also accept your donations by paypal

1697

01:12:33,460 --> 01:12:29,900

send your PayPal donation to the same

1698

01:12:36,430 --> 01:12:33,470

address sales at Lopera cast calm at

1699

01:12:40,960 --> 01:12:36,440

sales at the power cast calm and thanks

1700

01:12:42,760 --> 01:12:40,970

for listening this is Leslie Cain and

1701

01:12:44,950 --> 01:12:42,770

I'm with the Coalition for freedom of

1702

01:12:48,820 --> 01:12:44,960

information and you are listening to the

1703

01:12:50,860 --> 01:12:48,830

podcast we have Nick Pope who says - I'm

1704

01:12:53,290 --> 01:12:50,870

good and we have Paul Kimball who says

1705

01:12:55,150 --> 01:12:53,300

gosh I'm better and we have Jim

1706

01:12:56,710 --> 01:12:55,160

Steinberg who's old as the hills

1707

01:12:58,300 --> 01:12:56,720

Farren and they were alive with the

1708

01:13:00,730 --> 01:12:58,310

sound of music they told me a long time

1709

01:13:04,390 --> 01:13:00,740

ago I think Brad Steiger said that I was

1710

01:13:06,250 --> 01:13:04,400

here before the dinosaurs okay I don't

1711

01:13:08,170 --> 01:13:06,260

want to get into that but let's go back

1712

01:13:11,800 --> 01:13:08,180

to Rendlesham forest let's take a

1713

01:13:13,660 --> 01:13:11,810

journey into Rendlesham forest what can

1714

01:13:14,590 --> 01:13:13,670

we learn that maybe we haven't heard too

1715

01:13:18,340 --> 01:13:14,600

much about Nick

1716

01:13:20,590 --> 01:13:18,350

well I'm loathe to spend five or ten

1717

01:13:25,090 --> 01:13:20,600

minutes giving an overview of this case

1718

01:13:27,430 --> 01:13:25,100

because I suspect that you and all the

1719

01:13:29,800 --> 01:13:27,440

paragraphs people will be familiar with

1720

01:13:32,430 --> 01:13:29,810

this okay let me get ahead of that we

1721

01:13:35,080 --> 01:13:32,440

can go back to that if you want but

1722

01:13:37,840 --> 01:13:35,090

what's happened literally in the last

1723

01:13:41,320 --> 01:13:37,850

few days which is quite interesting is

1724

01:13:45,250 --> 01:13:41,330

on Facebook I think John Burroughs one

1725

01:13:48,930 --> 01:13:45,260

of the key witnesses to this had started

1726

01:13:53,230 --> 01:13:48,940

a group called justice for the 81st

1727

01:13:55,510 --> 01:13:53,240

security police squadron Bentwaters sand

1728

01:13:57,910 --> 01:13:55,520

yeah and he's getting a lot of the

1729

01:14:00,940 --> 01:13:57,920

people a lot of these people John

1730

01:14:04,600 --> 01:14:00,950

burrows Jim Penniston people of klum

1731

01:14:07,950 --> 01:14:04,610

where he won all these people are now

1732

01:14:10,420 --> 01:14:07,960

coming together via Facebook and

1733

01:14:12,790 --> 01:14:10,430

probably in other places and they're

1734

01:14:16,960 --> 01:14:12,800

saying right look this is the 30th

1735

01:14:18,879 --> 01:14:16,970

anniversary of this case we feel we were

1736

01:14:21,310 --> 01:14:18,889

let down by the chain of command

1737

01:14:23,530 --> 01:14:21,320

both in terms of this being something

1738

01:14:26,680 --> 01:14:23,540

above and beyond our experience and in

1739

01:14:30,580 --> 01:14:26,690

terms of some of the allegations of what

1740

01:14:32,290 --> 01:14:30,590

went on afterwards threats drugs that

1741

01:14:35,080 --> 01:14:32,300

sort of thing and these people are

1742

01:14:37,450 --> 01:14:35,090

lobbying fairly aggressively and it's

1743

01:14:39,910 --> 01:14:37,460

interesting through social networking

1744

01:14:43,629 --> 01:14:39,920

sites like Facebook that we are getting

1745

01:14:45,370 --> 01:14:43,639

this kind of activism now not from the

1746

01:14:47,020 --> 01:14:45,380

UFO community but from those who were

1747

01:14:51,520 --> 01:14:47,030

directly involved those who were there

1748

01:14:55,570 --> 01:14:51,530

and I I saw I think on Jim peniston's

1749

01:14:57,520 --> 01:14:55,580

Facebook page him saying right all you

1750

01:14:59,590 --> 01:14:57,530

people who are probably looking at this

1751

01:15:02,140 --> 01:14:59,600

but haven't yet got in touch who were

1752

01:15:04,629 --> 01:15:02,150

there then what is in woodbridge I I

1753

01:15:06,280 --> 01:15:04,639

want to talk to you guys yeah it's

1754

01:15:06,760 --> 01:15:06,290

fascinating I'm actually looking at it

1755

01:15:09,729 --> 01:15:06,770

right now

1756

01:15:11,620 --> 01:15:09,739

it's the justice for the Bentwaters 81st

1757

01:15:15,700 --> 01:15:11,630

security police and Rendell's from force

1758

01:15:19,510 --> 01:15:15,710

1980 Facebook page and I've just joined

1759

01:15:21,970 --> 01:15:19,520

I assume Nick perhaps you've joined yeah

1760

01:15:24,580 --> 01:15:21,980

if you go to my facebook page or Nick's

1761

01:15:25,689 --> 01:15:24,590

Facebook page you can you can you'll be

1762

01:15:28,330 --> 01:15:25,699

able to find the link and just go to

1763

01:15:30,939 --> 01:15:28,340

Facebook and join in it has and

1764

01:15:32,950 --> 01:15:30,949

Burroughs was the creator they have 1062

1765

01:15:36,490 --> 01:15:32,960

members already many of whom I assume

1766

01:15:37,899 --> 01:15:36,500

our UFO buffs and such but also probably

1767

01:15:40,479 --> 01:15:37,909

some people are going to come forward

1768

01:15:48,520 --> 01:15:40,489

out of this who maybe haven't been heard

1769

01:15:51,250 --> 01:15:48,530

from before ya know just to chip in I

1770

01:15:53,050 --> 01:15:51,260

think that's absolutely right the most

1771

01:15:54,970 --> 01:15:53,060

important people who've joined that

1772

01:15:58,780 --> 01:15:54,980

group are probably people whose names we

1773

01:16:00,970 --> 01:15:58,790

don't yet know who were there yeah and

1774

01:16:02,680 --> 01:16:00,980

it's it's amazing to sort of like we

1775

01:16:04,330 --> 01:16:02,690

were talking about UFO research in the

1776

01:16:06,250 --> 01:16:04,340

first segment and boots on the ground

1777

01:16:08,109 --> 01:16:06,260

and mud in the field and all that sort

1778

01:16:11,709 --> 01:16:08,119

of stuff maybe all you really need is a

1779

01:16:13,990 --> 01:16:11,719

computer keyboard and Facebook you can

1780

01:16:16,330 --> 01:16:14,000

start an account and link into people

1781

01:16:19,000 --> 01:16:16,340

that way it gets us a bit off of

1782

01:16:22,390 --> 01:16:19,010

Rendlesham but the social net fascinates

1783

01:16:24,580 --> 01:16:22,400

me the social networking aspect of how

1784

01:16:26,950 --> 01:16:24,590

we all interact with people even within

1785

01:16:28,899 --> 01:16:26,960

the UFO research community I remember

1786

01:16:30,110 --> 01:16:28,909

Nick your Facebook page I think about a

1787

01:16:32,120 --> 01:16:30,120

year or a year and a half ago

1788

01:16:36,770 --> 01:16:32,130

making fun of you because you I didn't

1789

01:16:40,880 --> 01:16:36,780

have way friends but I was gonna say

1790

01:16:43,150 --> 01:16:40,890

well I'm going to defriend you and yeah

1791

01:16:45,770 --> 01:16:43,160

I've had one a few girls have done that

1792

01:16:48,740 --> 01:16:45,780

the ultimate insult to be defended on

1793

01:16:51,470 --> 01:16:48,750

Facebook ouch what but now you've got

1794

01:16:57,200 --> 01:16:51,480

thousands I think as friends well I

1795

01:16:59,390 --> 01:16:57,210

think I've got about 3,500 but I'm gonna

1796

01:17:02,690 --> 01:16:59,400

I guess hit this issue a lot of people

1797

01:17:04,810 --> 01:17:02,700

are gonna hit that apparently Facebook

1798

01:17:07,580 --> 01:17:04,820

doesn't let you have more than 5,000 and

1799

01:17:10,790 --> 01:17:07,590

I know that whitley strieber had add

1800

01:17:13,820 --> 01:17:10,800

this because i think he hit that the

1801
01:17:16,300 --> 01:17:13,830
other day I guess I'm gonna have to open

1802
01:17:19,700 --> 01:17:16,310
the second account I'm gonna have to

1803
01:17:22,610 --> 01:17:19,710
convert my existing account to a fan

1804
01:17:23,900 --> 01:17:22,620
site as opposed to a friend site which I

1805
01:17:26,440 --> 01:17:23,910
always think that sounds a little bit

1806
01:17:34,690 --> 01:17:26,450
sniffy it's like Thank You Know Who I am

1807
01:17:39,110 --> 01:17:36,080
friends right now

1808
01:17:45,050 --> 01:17:39,120
and most of them are about to cut me off

1809
01:17:48,830 --> 01:17:45,060
so doesn't matter you know I hear 59

1810
01:17:51,080 --> 01:17:48,840
fans which is why Facebook has changed

1811
01:17:53,150 --> 01:17:51,090
it from a fan site to I think now it

1812
01:17:55,220 --> 01:17:53,160
just says you like this as opposed to

1813
01:17:56,930 --> 01:17:55,230

being a fan of because people are I

1814

01:17:58,130 --> 01:17:56,940

didn't want people to be fans I just

1815

01:17:59,540 --> 01:17:58,140

wanted to give them a place where they

1816

01:18:01,400 --> 01:17:59,550

could read some of the stuff that I'd

1817

01:18:02,690 --> 01:18:01,410

published about UFOs or whatever so I'm

1818

01:18:04,850 --> 01:18:02,700

surprised you don't have one maybe I

1819

01:18:07,790 --> 01:18:04,860

should start one for you I will start

1820

01:18:09,350 --> 01:18:07,800

the Nick Pope fan site on Facebook and

1821

01:18:10,910 --> 01:18:09,360

I'll have all sorts of people who want

1822

01:18:12,320 --> 01:18:10,920

to connect with me connect into

1823

01:18:14,090 --> 01:18:12,330

something with which I'm not involved

1824

01:18:16,460 --> 01:18:14,100

and you know this is where it does get

1825

01:18:20,390 --> 01:18:16,470

confusing this is where I cattle

1826

01:18:21,650 --> 01:18:20,400

maniacally but going back to random

1827

01:18:23,510 --> 01:18:21,660

stuff anyway thank you for bringing that

1828

01:18:25,670 --> 01:18:23,520

up though I actually hadn't noticed that

1829

01:18:27,620 --> 01:18:25,680

I think somebody had send me an invite

1830

01:18:29,150 --> 01:18:27,630

to that particular group and I got 20

1831

01:18:31,100 --> 01:18:29,160

invites in a day and I usually just say

1832

01:18:33,770 --> 01:18:31,110

ignore ignore ignore but I've gone back

1833

01:18:35,270 --> 01:18:33,780

and joined up tremendous resource so

1834

01:18:38,210 --> 01:18:35,280

look it up folks through either my

1835

01:18:39,380 --> 01:18:38,220

facebook page or next or whoever but go

1836

01:18:43,030 --> 01:18:39,390

back to the renders from case that's

1837

01:18:44,650 --> 01:18:43,040

sort of breaking news as we say is there

1838

01:18:47,470 --> 01:18:44,660

you think there's the anniversary is

1839

01:18:50,890 --> 01:18:47,480

coming up correct this year isn't it yes

1840

01:18:53,320 --> 01:18:50,900

we're in the anniversary obviously the

1841

01:18:55,990 --> 01:18:53,330

anniversary itself falls in December but

1842

01:18:59,620 --> 01:18:56,000

but we are in the 30th anniversary year

1843

01:19:01,570 --> 01:18:59,630

so we've got the Facebook group that

1844

01:19:03,850 --> 01:19:01,580

we've talked about we've got John book

1845

01:19:07,840 --> 01:19:03,860

John Burroughs may be trying to organize

1846

01:19:09,100 --> 01:19:07,850

a physical get-together where some of

1847

01:19:11,250 --> 01:19:09,110

the people who are involved in this

1848

01:19:14,470 --> 01:19:11,260

literary sit around the table and

1849

01:19:17,260 --> 01:19:14,480

brainstorm things we've got researchers

1850

01:19:20,200 --> 01:19:17,270

like Linda Moulton Howe doing some very

1851

01:19:22,330 --> 01:19:20,210

good work finding some of the people

1852

01:19:25,420 --> 01:19:22,340

whose names perhaps a little bit less

1853

01:19:27,760 --> 01:19:25,430

known in this some of the people on the

1854

01:19:30,790 --> 01:19:27,770

flight as opposed e-flite and they have

1855

01:19:33,310 --> 01:19:30,800

it vice versa but you know a lot of

1856

01:19:36,580 --> 01:19:33,320

people looking at this some TV

1857

01:19:39,190 --> 01:19:36,590

production companies obviously looking

1858

01:19:40,570 --> 01:19:39,200

and thinking well maybe there's an

1859

01:19:44,110 --> 01:19:40,580

opportunity for an interesting

1860

01:19:46,000 --> 01:19:44,120

documentary here it's been done before

1861

01:19:49,420 --> 01:19:46,010

obviously on History Channel and sci-fi

1862

01:19:52,680 --> 01:19:49,430

channel on Discovery I think but this

1863

01:19:54,670 --> 01:19:52,690

room I'm sure for an anniversary

1864

01:19:57,520 --> 01:19:54,680

documentary particularly if we could get

1865

01:20:01,060 --> 01:19:57,530

some of the people together the one note

1866

01:20:02,770 --> 01:20:01,070

of caution that I would sound and this

1867

01:20:07,000 --> 01:20:02,780

is a conversation that maybe I would

1868

01:20:09,400 --> 01:20:07,010

have with people like Jim Penniston John

1869

01:20:12,250 --> 01:20:09,410

burrows Larry Wan when people like that

1870

01:20:14,560 --> 01:20:12,260

say that they were let down by the chain

1871

01:20:17,440 --> 01:20:14,570

of command I do understand what they're

1872

01:20:20,710 --> 01:20:17,450

saying that there is a danger of

1873

01:20:24,390 --> 01:20:20,720

thinking creating what I would call them

1874

01:20:27,910 --> 01:20:24,400

and ass situation we did this incident

1875

01:20:30,360 --> 01:20:27,920

where perhaps people like Charles hold

1876

01:20:34,540 --> 01:20:30,370

and maybe some of the other officers

1877

01:20:38,650 --> 01:20:34,550

feel a little bit disincentivized

1878

01:20:41,220 --> 01:20:38,660

with regard to engaging on this if they

1879

01:20:44,260 --> 01:20:41,230

feel that they are being demonized or

1880

01:20:46,360 --> 01:20:44,270

portrayed as the bad guys now it may be

1881

01:20:49,000 --> 01:20:46,370

that there are some bad guys in all of

1882

01:20:50,650 --> 01:20:49,010

this but I don't actually think it was

1883

01:20:52,630 --> 01:20:50,660

any of the people on the ground at the

1884

01:20:53,990 --> 01:20:52,640

time but I think there is this danger

1885

01:20:55,820 --> 01:20:54,000

and I

1886

01:20:58,010 --> 01:20:55,830

in the military there is always this

1887

01:21:01,660 --> 01:20:58,020

difference between the officers and the

1888

01:21:05,090 --> 01:21:01,670

other ranks what I don't want to see is

1889

01:21:08,000 --> 01:21:05,100

arguably our best opportunity of making

1890

01:21:10,610 --> 01:21:08,010

real progress on this case going up in

1891

01:21:12,980 --> 01:21:10,620

smoke because there is a sort of schism

1892

01:21:14,270 --> 01:21:12,990

between officers and other ranks so I

1893

01:21:15,920 --> 01:21:14,280

think there has to be a little bit of

1894

01:21:18,590 --> 01:21:15,930

give and take here I would agree with

1895

01:21:21,620 --> 01:21:18,600

that you mentioned to people who have

1896

01:21:23,450 --> 01:21:21,630

often been at odds not necessarily

1897

01:21:25,330 --> 01:21:23,460

directly in the same room kind of thing

1898

01:21:28,130 --> 01:21:25,340

but Larry Warren on the one hand and

1899

01:21:30,950 --> 01:21:28,140

Charles halts on the other hand now I've

1900

01:21:32,750 --> 01:21:30,960

interviewed both men I've spent some

1901

01:21:35,060 --> 01:21:32,760

time with Larry at a couple of UFO

1902

01:21:37,190 --> 01:21:35,070

conferences it's a very engaging sort of

1903

01:21:38,510 --> 01:21:37,200

out there guy which is kind of as an

1904

01:21:41,210 --> 01:21:38,520

energy that's the best way to put it

1905

01:21:43,460 --> 01:21:41,220

he's fun and half of course is a totally

1906

01:21:46,550 --> 01:21:43,470

different cat sort of retired colonel

1907

01:21:48,890 --> 01:21:46,560

who's very proper and you know when you

1908

01:21:50,420 --> 01:21:48,900

talk to the two of them it's two totally

1909

01:21:51,830 --> 01:21:50,430

different interviews and it goes back to

1910

01:21:53,960 --> 01:21:51,840

that Roswell thing I was talking about

1911

01:21:56,360 --> 01:21:53,970

her witnesses where there are clear

1912

01:21:58,100 --> 01:21:56,370

differences in the stories that warren

1913

01:22:01,490 --> 01:21:58,110

tells and in the story that hall tells

1914

01:22:03,170 --> 01:22:01,500

but it seemed to me trying to reconcile

1915

01:22:04,940 --> 01:22:03,180

the two and trying to reconcile a lot of

1916

01:22:07,040 --> 01:22:04,950

the other stories around Rendlesham that

1917

01:22:08,870 --> 01:22:07,050

there was a core where they could

1918

01:22:10,910 --> 01:22:08,880

probably all agree on certain events

1919

01:22:13,550 --> 01:22:10,920

happening that evening

1920

01:22:16,220 --> 01:22:13,560

what are the core events at Rendlesham

1921

01:22:17,900 --> 01:22:16,230

Nick that you think and this is a bit of

1922

01:22:20,270 --> 01:22:17,910

a recap maybe for some folks but let's

1923

01:22:21,980 --> 01:22:20,280

try and distill it to the three or four

1924

01:22:24,350 --> 01:22:21,990

things almost everybody can agree on

1925

01:22:26,180 --> 01:22:24,360

happen that night that make it one of

1926

01:22:28,580 --> 01:22:26,190

the best UFO cases of ever what's the

1927

01:22:31,010 --> 01:22:28,590

core of the Rendlesham case well okay I

1928

01:22:33,770 --> 01:22:31,020

will address that but before I do I

1929

01:22:36,800 --> 01:22:33,780

guess and I'm probably quoting your

1930

01:22:38,870 --> 01:22:36,810

president but I think that the

1931

01:22:40,820 --> 01:22:38,880

Rendlesham the Bentwaters witnesses

1932

01:22:42,470 --> 01:22:40,830

might want to focus on the fact that

1933

01:22:45,560 --> 01:22:42,480

there's far more that binds them

1934

01:22:47,480 --> 01:22:45,570

together than sets them apart and I just

1935

01:22:52,250 --> 01:22:47,490

have to say I have to stop you there you

1936

01:22:54,230 --> 01:22:52,260

say my president I'm you imperialists

1937

01:22:56,570 --> 01:22:54,240

from the mother country that's this is

1938

01:22:57,920 --> 01:22:56,580

why we left the Empire games president

1939

01:22:59,750 --> 01:22:57,930

there you go fair enough

1940

01:23:02,360 --> 01:22:59,760

all right we're back at the Empire jeans

1941

01:23:04,580 --> 01:23:02,370

president but you know if you buy into

1942

01:23:07,070 --> 01:23:04,590

some of these conspiracy theories about

1943

01:23:10,890 --> 01:23:07,080

the North American Union who know

1944

01:23:14,690 --> 01:23:10,900

that's right taking over yeah that's a

1945

01:23:18,210 --> 01:23:14,700

whole nother show yes true enough they

1946

01:23:20,730 --> 01:23:18,220

agree on what binds them together okay I

1947

01:23:23,970 --> 01:23:20,740

think what binds them together is this

1948

01:23:29,150 --> 01:23:23,980

just about everyone agrees that in the

1949

01:23:32,430 --> 01:23:29,160

early hours of the 21st of December 1980

1950

01:23:35,960 --> 01:23:32,440

unusual lights were seen in the forest

1951

01:23:38,520 --> 01:23:35,970

and some of the military personnel

1952

01:23:41,430 --> 01:23:38,530

thinking that maybe an aircraft had

1953

01:23:43,440 --> 01:23:41,440

crashed went out to investigate I don't

1954

01:23:45,660 --> 01:23:43,450

think that's disputed even the

1955

01:23:48,870 --> 01:23:45,670

lighthouse Brigade would probably

1956

01:23:51,420 --> 01:23:48,880

concede that the second thing that I

1957

01:23:53,790 --> 01:23:51,430

don't think is disputed is is that

1958

01:23:56,820 --> 01:23:53,800

obviously because this testimony is in

1959

01:24:00,810 --> 01:23:56,830

the public domain John Burroughs and and

1960

01:24:03,870 --> 01:24:00,820

Jim Penniston have said yeah look we saw

1961

01:24:06,720 --> 01:24:03,880

something and we approached it and Jim

1962

01:24:10,710 --> 01:24:06,730

says he got closer to John GM obviously

1963

01:24:14,160 --> 01:24:10,720

has sketches of the craft itself and

1964

01:24:17,700 --> 01:24:14,170

symbols on the side which somewhat akin

1965

01:24:19,080 --> 01:24:17,710

to Egyptian hieroglyphs John was maybe a

1966

01:24:21,890 --> 01:24:19,090

little bit further back doesn't

1967

01:24:25,650 --> 01:24:21,900

necessarily remember it the same way as

1968

01:24:28,350 --> 01:24:25,660

Jim obviously that's I think there's

1969

01:24:30,720 --> 01:24:28,360

some commonality there one of the other

1970

01:24:33,540 --> 01:24:30,730

things that's not disputed is that two

1971

01:24:36,360 --> 01:24:33,550

nights later Charles Hall was at a

1972

01:24:37,170 --> 01:24:36,370

social function somebody came up to him

1973

01:24:39,870 --> 01:24:37,180

and said sir

1974

01:24:42,540 --> 01:24:39,880

it's Bank Hall said what what are you

1975

01:24:44,910 --> 01:24:42,550

talking about what's back he was told

1976

01:24:48,390 --> 01:24:44,920

the UFO is back he threw together a

1977

01:24:50,460 --> 01:24:48,400

small team of people he went out into

1978

01:24:53,430 --> 01:24:50,470

the forest again I don't think even the

1979

01:24:57,140 --> 01:24:53,440

skeptics dispute this Charles Hall went

1980

01:25:00,570 --> 01:24:57,150

out into the forest he took with him a

1981

01:25:02,640 --> 01:25:00,580

handheld dictaphone to record his

1982

01:25:05,190 --> 01:25:02,650

thoughts and observations as he went out

1983

01:25:11,280 --> 01:25:05,200

we've all heard the whole tape I'm sure

1984

01:25:12,870 --> 01:25:11,290

he took out my tools powerful generators

1985

01:25:15,570 --> 01:25:12,880

on the back of trucks

1986

01:25:18,300 --> 01:25:15,580

designed to illuminate the forest to see

1987

01:25:20,170 --> 01:25:18,310

if he could literally and metaphorically

1988

01:25:23,920 --> 01:25:20,180

shed light on on

1989

01:25:26,920 --> 01:25:23,930

this none of that is disputed channel

1990

01:25:30,730 --> 01:25:26,930

halts tape if you listen to it describes

1991

01:25:32,790 --> 01:25:30,740

the UFO firing beams of light down at

1992

01:25:35,740 --> 01:25:32,800

the Woodbridge face again I don't

1993

01:25:38,980 --> 01:25:35,750

suspect you have to be a believer or a

1994

01:25:41,320 --> 01:25:38,990

skeptic to accept the bads real that

1995

01:25:44,170 --> 01:25:41,330

that tape is genuine that's what he

1996

01:25:47,980 --> 01:25:44,180

recorded that's what he genuinely

1997

01:25:52,300 --> 01:25:47,990

thought was happening so it wasn't all a

1998

01:25:55,480 --> 01:25:52,310

lighthouse no no I mean child you know

1999

01:25:57,490 --> 01:25:55,490

these people aren't stupid many of them

2000

01:25:59,740 --> 01:25:57,500

had been posted there for months if not

2001

01:26:02,160 --> 01:25:59,750

years they were familiar with the area

2002

01:26:05,800 --> 01:26:02,170

they've seen the lighthouse before

2003

01:26:10,330 --> 01:26:05,810

indeed Charles Hall on one occasion said

2004

01:26:13,030 --> 01:26:10,340

he even took a bearing on the UFO he was

2005

01:26:14,290 --> 01:26:13,040

seeing by the lighthouse he said well

2006

01:26:17,560 --> 01:26:14,300

there I was looking at the lighthouse

2007

01:26:20,530 --> 01:26:17,570

there the UFO was there therefore these

2008

01:26:22,870 --> 01:26:20,540

were X degrees apart in terms of

2009

01:26:24,670 --> 01:26:22,880

separation yeah one of the interesting

2010

01:26:26,950 --> 01:26:24,680

things I find about and I've written

2011

01:26:29,260 --> 01:26:26,960

about military witnesses and police

2012

01:26:32,830 --> 01:26:29,270

witnesses before and how I sometimes I

2013

01:26:36,400 --> 01:26:32,840

do think that UFO researchers sometimes

2014

01:26:38,350 --> 01:26:36,410

overstate the quality of them as opposed

2015

01:26:39,670 --> 01:26:38,360

to just a general witness I think

2016

01:26:41,620 --> 01:26:39,680

certain types of military and police

2017

01:26:43,120 --> 01:26:41,630

witnesses would be because of their

2018

01:26:44,890 --> 01:26:43,130

training better but you know your

2019

01:26:46,690 --> 01:26:44,900

average soldier I'm not convinced

2020

01:26:48,900 --> 01:26:46,700

necessarily we're dealing with something

2021

01:26:51,010 --> 01:26:48,910

anomalous it's going to be any

2022

01:26:53,200 --> 01:26:51,020

qualitatively better than your average

2023

01:26:54,970 --> 01:26:53,210

civilian witness however having said

2024

01:26:58,120 --> 01:26:54,980

that when you have a deputy base

2025

01:26:59,500 --> 01:26:58,130

commander of a major installation the

2026

01:27:00,940 --> 01:26:59,510

United Kingdom run by the Americans

2027

01:27:03,850 --> 01:27:00,950

where there may or may not have been

2028

01:27:05,920 --> 01:27:03,860

nuclear weapons but certainly in a very

2029

01:27:07,660 --> 01:27:05,930

important base and a bunch of other

2030

01:27:09,670 --> 01:27:07,670

people around him including security

2031

01:27:11,890 --> 01:27:09,680

police who are who are seeing this and

2032

01:27:13,720 --> 01:27:11,900

reporting this and recording it too

2033

01:27:16,090 --> 01:27:13,730

which to me I would say well that's very

2034

01:27:18,040 --> 01:27:16,100

good procedure that's smart it shows you

2035

01:27:20,050 --> 01:27:18,050

know this wasn't some drunken stumble in

2036

01:27:22,060 --> 01:27:20,060

the woods they were they had enough sort

2037

01:27:24,040 --> 01:27:22,070

of intelligence to to record it this

2038

01:27:24,910 --> 01:27:24,050

thing went along it's very it's very

2039

01:27:26,410 --> 01:27:24,920

hard to believe

2040

01:27:28,120 --> 01:27:26,420

these allegations you know that it was a

2041

01:27:29,130 --> 01:27:28,130

lighthouse that all of these people

2042

01:27:31,110 --> 01:27:29,140

somehow mistook

2043

01:27:33,480 --> 01:27:31,120

lighthouse there was what a couple of

2044

01:27:35,370 --> 01:27:33,490

miles off on the shore there the

2045

01:27:36,930 --> 01:27:35,380

interesting thing for me and sorry to

2046

01:27:38,010 --> 01:27:36,940

Nader on here for a bit but when I

2047

01:27:40,380 --> 01:27:38,020

interviewed halt

2048

01:27:43,770 --> 01:27:40,390

he was very cagey and when we were on

2049

01:27:45,300 --> 01:27:43,780

camera he came across obviously much

2050

01:27:47,250 --> 01:27:45,310

like you I suppose with the Official

2051

01:27:48,420 --> 01:27:47,260

Secrets Act or whatever there were

2052

01:27:49,710 --> 01:27:48,430

things that he would say and there were

2053

01:27:52,410 --> 01:27:49,720

obviously things that he wouldn't say

2054

01:27:53,970 --> 01:27:52,420

when we turned the camera off there were

2055

01:27:55,620 --> 01:27:53,980

more things that he would say and

2056

01:27:57,630 --> 01:27:55,630

eventually we got him to say some of

2057

01:27:59,850 --> 01:27:57,640

them on camera and the thing that's the

2058

01:28:01,650 --> 01:27:59,860

thing that struck me the most yeah I you

2059

01:28:02,940 --> 01:28:01,660

know I talk a lot but eventually you can

2060

01:28:04,530 --> 01:28:02,950

you make people comfortable when you're

2061

01:28:06,510 --> 01:28:04,540

an interviewer and then they will agree

2062

01:28:08,340 --> 01:28:06,520

to say perhaps more than they would have

2063

01:28:10,470 --> 01:28:08,350

the one thing that struck me the most it

2064

01:28:13,170 --> 01:28:10,480

didn't make it into my film but was the

2065

01:28:15,300 --> 01:28:13,180

empathy that hault seemed to have for

2066

01:28:17,010 --> 01:28:15,310

the men under his command that I had

2067

01:28:18,600 --> 01:28:17,020

never actually in perhaps he had but I

2068

01:28:20,790 --> 01:28:18,610

had never heard and publicly sort of

2069

01:28:23,250 --> 01:28:20,800

talked about this that he thought that

2070

01:28:24,900 --> 01:28:23,260

they had been very poorly treated that

2071

01:28:28,140 --> 01:28:24,910

there was something that they hadn't

2072

01:28:31,260 --> 01:28:28,150

been told and I think he genuinely felt

2073

01:28:32,940 --> 01:28:31,270

very badly about that because he was you

2074

01:28:34,950 --> 01:28:32,950

know their commanding officer and he

2075

01:28:36,840 --> 01:28:34,960

couldn't help them I think he felt a bit

2076

01:28:38,460 --> 01:28:36,850

guilty about that and so when you talk

2077

01:28:40,610 --> 01:28:38,470

about common interests that these people

2078

01:28:43,920 --> 01:28:40,620

have the bridge between officers and

2079

01:28:46,050 --> 01:28:43,930

enlisted personnel I think that might be

2080

01:28:48,360 --> 01:28:46,060

the bridge I think the officers in this

2081

01:28:49,500 --> 01:28:48,370

case halt has a great deal of sympathy

2082

01:28:51,150 --> 01:28:49,510

for the people that were under his

2083

01:28:52,440 --> 01:28:51,160

command and feels a great deal of

2084

01:28:54,240 --> 01:28:52,450

responsibility that burden of

2085

01:28:55,950 --> 01:28:54,250

responsibility for not being able to

2086

01:28:57,600 --> 01:28:55,960

give them an answer for not being able

2087

01:28:59,910 --> 01:28:57,610

to help them the way I think he thinks

2088

01:29:02,070 --> 01:28:59,920

he he should have have you ever gotten

2089

01:29:03,810 --> 01:29:02,080

that read from Colonel halt I'll tell

2090

01:29:05,700 --> 01:29:03,820

you what before Nick Pope answers that

2091

01:29:09,590 --> 01:29:05,710

question about whether we got that lead

2092

01:29:14,910 --> 01:29:11,930

[Music]

2093

01:29:17,010 --> 01:29:14,920

hi this is Tamar from Nietzsche we're a

2094

01:29:18,990 --> 01:29:17,020

domain name and web hosting company and

2095

01:29:21,000 --> 01:29:19,000

we really care about our customers with

2096

01:29:23,280 --> 01:29:21,010

domain name purchases Namecheap offers

2097

01:29:24,900 --> 01:29:23,290

free SSL and free who is guard for a

2098

01:29:26,730 --> 01:29:24,910

year to protect your identity from

2099

01:29:28,890 --> 01:29:26,740

spammers we won't bother you with

2100

01:29:30,900 --> 01:29:28,900

unwanted messaging in your inbox or upon

2101
01:29:32,550 --> 01:29:30,910
checkout but most importantly we care

2102
01:29:34,380 --> 01:29:32,560
about you our customers your

2103
01:29:36,450 --> 01:29:34,390
satisfaction and happiness is our

2104
01:29:38,250 --> 01:29:36,460
primary focus because your support means

2105
01:29:40,110 --> 01:29:38,260
so much to us if you'd like to learn

2106
01:29:42,600 --> 01:29:40,120
more please visit us at Radio

2107
01:29:44,940 --> 01:29:42,610
namecheap.com for web hosting and domain

2108
01:29:50,370 --> 01:29:44,950
name specials you can also follow us on

2109
01:29:52,800 --> 01:29:50,380
twitter at twitter.com/zeromd bars on

2110
01:29:57,600 --> 01:29:52,810
facebook at facebook.com slash Namecheap

2111
01:29:59,910 --> 01:29:57,610
see you online you're in the pair guests

2112
01:30:01,770 --> 01:29:59,920
you never know what other we have I'm an

2113
01:30:04,689 --> 01:30:01,780

ass

2114

01:30:08,389 --> 01:30:04,699

[Applause]

2115

01:30:10,759 --> 01:30:08,399

our co-host is Paul Kimball we have Nick

2116

01:30:13,189 --> 01:30:10,769

Pope and just a reminder for power cast

2117

01:30:15,919 --> 01:30:13,199

listeners we have an interview with John

2118

01:30:19,699 --> 01:30:15,929

burrows where he sat across from me in

2119

01:30:21,679 --> 01:30:19,709

our main studio June 21st 2009 check it

2120

01:30:24,500 --> 01:30:21,689

out the power cast come for the link

2121

01:30:28,159 --> 01:30:24,510

okay Nick we await your answer okay

2122

01:30:30,919 --> 01:30:28,169

again recapping just getting I guess

2123

01:30:32,540 --> 01:30:30,929

back to the meaning of old question I

2124

01:30:36,350 --> 01:30:32,550

think one of the most interesting things

2125

01:30:39,290 --> 01:30:36,360

about this is that when you look and yes

2126

01:30:41,959 --> 01:30:39,300

I absolutely agree that I often talk

2127

01:30:44,299 --> 01:30:41,969

about police and military witnesses and

2128

01:30:46,279 --> 01:30:44,309

I never say these people are infallible

2129

01:30:50,060 --> 01:30:46,289

of course there's no such thing as an

2130

01:30:52,040 --> 01:30:50,070

infallible witness but it is interesting

2131

01:30:53,540 --> 01:30:52,050

when one gets these sorts of witnesses

2132

01:30:57,859 --> 01:30:53,550

and the interesting thing about the

2133

01:30:59,839 --> 01:30:57,869

Bentwaters witnesses is that even if you

2134

01:31:00,709 --> 01:30:59,849

say military witnesses are not

2135

01:31:04,040 --> 01:31:00,719

infallible

2136

01:31:06,290 --> 01:31:04,050

in terms of the sorts of branches of the

2137

01:31:09,589 --> 01:31:06,300

military that these people were in it

2138

01:31:12,049 --> 01:31:09,599

puts them just about as high up the

2139

01:31:15,080 --> 01:31:12,059

league table as it would be possible to

2140

01:31:18,379 --> 01:31:15,090

get in that these people were law

2141

01:31:20,979 --> 01:31:18,389

enforcement and security personnel agree

2142

01:31:23,810 --> 01:31:20,989

I think that's that's the one thing

2143

01:31:26,959 --> 01:31:23,820

military does not mean infallible but in

2144

01:31:31,969 --> 01:31:26,969

terms of who these people were they were

2145

01:31:34,909 --> 01:31:31,979

you know pretty reliable people and in

2146

01:31:37,759 --> 01:31:34,919

the spectrum of things maybe people who

2147

01:31:40,939 --> 01:31:37,769

were less likely than others to make

2148

01:31:44,689 --> 01:31:40,949

mistakes now going on to the other issue

2149

01:31:47,409 --> 01:31:44,699

this this again this critical issue of

2150

01:31:51,500 --> 01:31:47,419

the differences between the officers and

2151
01:31:55,549 --> 01:31:51,510
the other ranks I mean this is a massive

2152
01:31:59,239 --> 01:31:55,559
issue and it has the potential to make

2153
01:32:01,339 --> 01:31:59,249
or break this case I think if everything

2154
01:32:04,520 --> 01:32:01,349
goes right the officers and the other

2155
01:32:07,580 --> 01:32:04,530
ranks should come together and say look

2156
01:32:10,729 --> 01:32:07,590
again Mrs. Obama there is more that

2157
01:32:12,290 --> 01:32:10,739
binds us together than sets us apart but

2158
01:32:14,599 --> 01:32:12,300
I think if you wanted to drive a wedge

2159
01:32:15,900 --> 01:32:14,609
between people it would be possible to

2160
01:32:19,110 --> 01:32:15,910
do that

2161
01:32:21,870 --> 01:32:19,120
and I think there is a danger here that

2162
01:32:23,520 --> 01:32:21,880
people will feel anger about this

2163
01:32:26,730 --> 01:32:23,530

particularly some of the people who were

2164

01:32:30,600 --> 01:32:26,740

maybe 18 19 20 at the time this was

2165

01:32:33,210 --> 01:32:30,610

their first overseas tour of duty they

2166

01:32:35,130 --> 01:32:33,220

were thrown into a situation above and

2167

01:32:38,520 --> 01:32:35,140

beyond their experience there's nothing

2168

01:32:42,000 --> 01:32:38,530

in the manual on this very very

2169

01:32:43,500 --> 01:32:42,010

difficult situation so I don't know how

2170

01:32:47,790 --> 01:32:43,510

that's going to play out

2171

01:32:50,370 --> 01:32:47,800

I do hope that these people will talk to

2172

01:32:53,610 --> 01:32:50,380

each other and that's not not end up in

2173

01:32:55,170 --> 01:32:53,620

a confrontational situation but that is

2174

01:32:57,150 --> 01:32:55,180

a danger I think one of the most

2175

01:33:00,300 --> 01:32:57,160

interesting things is there are some

2176
01:33:04,320 --> 01:33:00,310
junior officers and some medium ranking

2177
01:33:08,250 --> 01:33:04,330
officers whose names we know but who

2178
01:33:10,740 --> 01:33:08,260
perhaps we need a little bit more direct

2179
01:33:13,980 --> 01:33:10,750
testimony from Bruce England

2180
01:33:16,740 --> 01:33:13,990
Malcolm Sickler people like that those

2181
01:33:19,530 --> 01:33:16,750
that perhaps the people that we need to

2182
01:33:21,600 --> 01:33:19,540
hear from to say what can you add to me

2183
01:33:22,830 --> 01:33:21,610
one of the things just to pick up on

2184
01:33:25,050 --> 01:33:22,840
something you said about military and

2185
01:33:26,820 --> 01:33:25,060
police witnesses and I absolutely agree

2186
01:33:29,220 --> 01:33:26,830
about the quality of the witnesses in

2187
01:33:30,720 --> 01:33:29,230
the Rendlesham case in particular but

2188
01:33:33,420 --> 01:33:30,730

the one thing that I would say that

2189

01:33:35,370 --> 01:33:33,430

military and police personnel in

2190

01:33:37,320 --> 01:33:35,380

particular police personnel have over

2191

01:33:39,120 --> 01:33:37,330

your average civilian witness having

2192

01:33:41,820 --> 01:33:39,130

been a police officer with the RCMP

2193

01:33:43,380 --> 01:33:41,830

briefly in my younger days is that the

2194

01:33:44,550 --> 01:33:43,390

first thing they drill into you even

2195

01:33:47,220 --> 01:33:44,560

when you're a special constable

2196

01:33:48,780 --> 01:33:47,230

notetaking when you see something when

2197

01:33:50,600 --> 01:33:48,790

you observe something you don't just

2198

01:33:52,770 --> 01:33:50,610

rely on your memory you take notes

2199

01:33:54,840 --> 01:33:52,780

almost immediately and certainly very

2200

01:33:56,790 --> 01:33:54,850

shortly thereafter so that you have a

2201

01:33:58,530 --> 01:33:56,800

record of what you saw I think that's

2202

01:34:00,150 --> 01:33:58,540

often overlooked and I don't think most

2203

01:34:02,370 --> 01:34:00,160

civilians do that I don't think most

2204

01:34:03,720 --> 01:34:02,380

people when they see things like UFOs or

2205

01:34:06,480 --> 01:34:03,730

whatever would run home and write a

2206

01:34:07,920 --> 01:34:06,490

lengthy report on what they've seen they

2207

01:34:10,080 --> 01:34:07,930

might tell people but they're relying

2208

01:34:11,790 --> 01:34:10,090

probably on memory whereas a police

2209

01:34:13,680 --> 01:34:11,800

officer certainly a military police

2210

01:34:16,370 --> 01:34:13,690

officer I would suspect most military

2211

01:34:18,480 --> 01:34:16,380

personnel required to write reports

2212

01:34:20,790 --> 01:34:18,490

shortly thereafter when the memories

2213

01:34:22,500 --> 01:34:20,800

fresh but they also had an opportunity

2214

01:34:23,790 --> 01:34:22,510

to reflect for a bit about what's

2215

01:34:25,890 --> 01:34:23,800

happened and I think that's the perfect

2216

01:34:27,690 --> 01:34:25,900

kind of report where your memories fresh

2217

01:34:28,470 --> 01:34:27,700

but you've had an hour or two or three

2218

01:34:30,090 --> 01:34:28,480

to sort of

2219

01:34:31,979 --> 01:34:30,100

step back from it and reflect on what's

2220

01:34:34,500 --> 01:34:31,989

happened so I just wanted to make that

2221

01:34:36,540 --> 01:34:34,510

point well that's where again just

2222

01:34:38,000 --> 01:34:36,550

interrupting but it's interesting to

2223

01:34:40,229 --> 01:34:38,010

look at Jim peniston's

2224

01:34:44,220 --> 01:34:40,239

testimony and of course his police

2225

01:34:46,500 --> 01:34:44,230

notebook and that's something that's in

2226

01:34:48,840 --> 01:34:46,510

the public domain again I don't have it

2227

01:34:51,180 --> 01:34:48,850

in front of me but I do remember this

2228

01:34:56,910 --> 01:34:51,190

one quote that I think he scribbled down

2229

01:34:58,650 --> 01:34:56,920

where it said speed impossible yeah

2230

01:35:01,140 --> 01:34:58,660

we actually I think we have a couple of

2231

01:35:03,420 --> 01:35:01,150

penniston's drawings in the best

2232

01:35:06,300 --> 01:35:03,430

evidence family as I recall the clip I

2233

01:35:08,940 --> 01:35:06,310

will post the clip from my film when a

2234

01:35:11,070 --> 01:35:08,950

thread pops up on this show on the pair

2235

01:35:13,830 --> 01:35:11,080

of cast forms I'll post the clip from my

2236

01:35:15,270 --> 01:35:13,840

film which nick is in and some of

2237

01:35:17,100 --> 01:35:15,280

penniston's drugs are there an interview

2238

01:35:19,260 --> 01:35:17,110

with Colonel halt and hopefully folks

2239

01:35:20,820 --> 01:35:19,270

will look I think people are familiar

2240

01:35:22,320 --> 01:35:20,830

with the rendition case but it really is

2241

01:35:24,300 --> 01:35:22,330

I think one of the five or six best

2242

01:35:26,940 --> 01:35:24,310

cases and people should really delve

2243

01:35:29,040 --> 01:35:26,950

into it much more deeply than just a

2244

01:35:32,190 --> 01:35:29,050

surface examination of what happened

2245

01:35:33,660 --> 01:35:32,200

okay Nick it's now I house what are your

2246

01:35:36,930 --> 01:35:33,670

thoughts about what it might be oh

2247

01:35:39,540 --> 01:35:36,940

goodness I mean you know again I come

2248

01:35:43,950 --> 01:35:39,550

back to this idea that if if it isn't

2249

01:35:46,500 --> 01:35:43,960

something totally exotic and above and

2250

01:35:48,630 --> 01:35:46,510

beyond our understanding then maybe

2251
01:35:52,790 --> 01:35:48,640
we're going to this idea of some blank

2252
01:35:57,150 --> 01:35:52,800
project some secret prototype drone

2253
01:35:59,820 --> 01:35:57,160
testing defences maybe it's British

2254
01:36:03,930 --> 01:35:59,830
maybe it's American maybe it's Russian I

2255
01:36:06,000 --> 01:36:03,940
don't know if it was something a test

2256
01:36:08,040 --> 01:36:06,010
aircraft why would you keep it secret

2257
01:36:11,220 --> 01:36:08,050
for so long because we're assuming would

2258
01:36:13,530 --> 01:36:11,230
already be deployed by the time yeah 20

2259
01:36:15,720 --> 01:36:13,540
30 years later this is the problem this

2260
01:36:20,940 --> 01:36:15,730
is the problem with that particular

2261
01:36:23,300 --> 01:36:20,950
theory and I know that shanks la has put

2262
01:36:26,790 --> 01:36:23,310
forward the theory that this was some

2263
01:36:28,979 --> 01:36:26,800

psychological operation assault that

2264

01:36:32,850 --> 01:36:28,989

these people would deliberately set up

2265

01:36:37,470 --> 01:36:32,860

that this scenario was constructed and

2266

01:36:40,200 --> 01:36:37,480

these events unfolded to try to provoke

2267

01:36:42,540 --> 01:36:40,210

a reaction from these people or rather

2268

01:36:45,840 --> 01:36:42,550

test what reaction there would be will

2269

01:36:48,510 --> 01:36:45,850

they ignore it will they shoot at it

2270

01:36:52,770 --> 01:36:48,520

what will they do now I don't actually

2271

01:36:57,320 --> 01:36:52,780

believe that because here's my point if

2272

01:37:00,750 --> 01:36:57,330

this was a PSYOP if this was some

2273

01:37:03,630 --> 01:37:00,760

carefully constructed event whereby the

2274

01:37:06,660 --> 01:37:03,640

powers that be said we're going to

2275

01:37:10,560 --> 01:37:06,670

create an incident we can do intrude

2276

01:37:13,020 --> 01:37:10,570

into the controlled airspace we're going

2277

01:37:16,080 --> 01:37:13,030

to see how these people react so that we

2278

01:37:18,479 --> 01:37:16,090

can maybe manipulate and construct our

2279

01:37:21,090 --> 01:37:18,489

own scenarios the one thing they

2280

01:37:23,899 --> 01:37:21,100

wouldn't have done is then let this

2281

01:37:27,030 --> 01:37:23,909

whole scenario play itself out whereby

2282

01:37:29,820 --> 01:37:27,040

the United States Air Force made a

2283

01:37:33,030 --> 01:37:29,830

report to the Ministry of Defense files

2284

01:37:35,610 --> 01:37:33,040

got created know if this was a PSYOP

2285

01:37:38,550 --> 01:37:35,620

what would have happened would have been

2286

01:37:41,100 --> 01:37:38,560

this they would have run the ARB and

2287

01:37:43,979 --> 01:37:41,110

then they would have just picked up a

2288

01:37:47,040 --> 01:37:43,989

phone and said look guys it's a PSYOP

2289

01:37:50,720 --> 01:37:47,050

it's classified above top secret don't

2290

01:37:53,220 --> 01:37:50,730

discuss it forget it end of story and no

2291

01:37:55,080 --> 01:37:53,230

documents would ever have been created

2292

01:37:57,510 --> 01:37:55,090

there would have been no paper trail

2293

01:37:59,160 --> 01:37:57,520

no witnesses would have spoken about it

2294

01:38:00,899 --> 01:37:59,170

end of story okay

2295

01:38:02,790 --> 01:38:00,909

just looking at the overall picture and

2296

01:38:05,340 --> 01:38:02,800

Paul has a question but let me just ask

2297

01:38:07,229 --> 01:38:05,350

you about the overall picture now a

2298

01:38:09,090 --> 01:38:07,239

couple of rounds of Ministry of Defence

2299

01:38:11,130 --> 01:38:09,100

documents about UFOs have been released

2300

01:38:12,979 --> 01:38:11,140

and this is going into something maybe

2301

01:38:15,050 --> 01:38:12,989

you can't even say is there much left

2302

01:38:19,350 --> 01:38:15,060

yes

2303

01:38:21,870 --> 01:38:19,360

all these batches of energy UFO FILES

2304

01:38:23,939 --> 01:38:21,880

have been released this the the

2305

01:38:25,020 --> 01:38:23,949

declassification and release of the NRDC

2306

01:38:32,910 --> 01:38:25,030

UFO FILES

2307

01:38:35,610 --> 01:38:32,920

began in May 2008 the last batch v batch

2308

01:38:39,600 --> 01:38:35,620

that was released was 18th of february

2309

01:38:43,380 --> 01:38:39,610

this year 2010 this is an ongoing

2310

01:38:46,200 --> 01:38:43,390

process and absolutely there is no

2311

01:38:50,459 --> 01:38:46,210

smoking gun there's no spaceship in a

2312

01:38:53,780 --> 01:38:50,469

hangar document but there are thousands

2313

01:38:57,000 --> 01:38:53,790

and thousands of absolutely fascinating

2314

01:39:00,960 --> 01:38:57,010

documents on this as I say we've had

2315

01:39:04,080 --> 01:39:00,970

five batches of files so far the six is

2316

01:39:08,070 --> 01:39:04,090

out I think very shortly in in the

2317

01:39:11,070 --> 01:39:08,080

summer so yeah this is a interesting

2318

01:39:12,630 --> 01:39:11,080

story oh we used our game show here in

2319

01:39:14,310 --> 01:39:12,640

Canada for high school students called

2320

01:39:16,710 --> 01:39:14,320

reach for the top where they would it

2321

01:39:17,730 --> 01:39:16,720

was kind of a quiz show and at the end

2322

01:39:19,590 --> 01:39:17,740

they would have what they called the

2323

01:39:21,260 --> 01:39:19,600

short snappers section where they would

2324

01:39:24,180 --> 01:39:21,270

ask you a bunch of quick questions and

2325

01:39:26,430 --> 01:39:24,190

totally unrelated to anything sort of in

2326

01:39:27,390 --> 01:39:26,440

a series of non sequiturs so that's what

2327

01:39:28,950 --> 01:39:27,400

I'm gonna do I'm gonna place the short

2328

01:39:30,540 --> 01:39:28,960

sampras with you Nick as we run into

2329

01:39:32,850 --> 01:39:30,550

what I think are about the final 15

2330

01:39:34,560 --> 01:39:32,860

minutes okay before we do that before we

2331

01:39:39,530 --> 01:39:34,570

have this short and snappy pithy

2332

01:39:41,790 --> 01:39:39,540

responses I understand the chief pissy

2333

01:39:44,130 --> 01:39:41,800

person right now is none other than

2334

01:39:46,800 --> 01:39:44,140

Apple Steve Jobs for those one two three

2335

01:39:54,170 --> 01:39:46,810

word responses everybody quotes from him

2336

01:39:59,669 --> 01:39:56,609

[Music]

2337

01:40:02,189 --> 01:39:59,679

for 58 years fate has provided true

2338

01:40:04,560 --> 01:40:02,199

reports of the strange and unknown fate

2339

01:40:06,450 --> 01:40:04,570

brings you the latest in all aspects of

2340

01:40:09,990 --> 01:40:06,460

the paranormal like angels and miracles

2341

01:40:12,450 --> 01:40:10,000

psychic phenomena ghosts UFOs and much

2342

01:40:15,330 --> 01:40:12,460

much more to receive your complimentary

2343

01:40:18,839 --> 01:40:15,340

faith magazine call now at one eight

2344

01:40:22,680 --> 01:40:18,849

hundred seven two eight two seven three

2345

01:40:25,770 --> 01:40:22,690

Oh or visit their website at WWF at mag

2346

01:40:32,129 --> 01:40:25,780

comm that's one eight hundred seven two

2347

01:40:35,520 --> 01:40:32,139

eight two seven three zero or WWF a TEM

2348

01:40:37,250 --> 01:40:35,530

AG comm what are you waiting for your

2349

01:40:52,930 --> 01:40:37,260

fate awaits

2350

01:41:10,330 --> 01:41:00,680

[Music]

2351

01:41:18,010 --> 01:41:13,100

we have Nick poke our co-host is Paul

2352

01:41:21,830 --> 01:41:18,020

Kimball and now short and pithy Paul

2353

01:41:23,690 --> 01:41:21,840

shortened pith helmet e-911 dick give us

2354

01:41:26,290 --> 01:41:23,700

the short story on 911 because and I

2355

01:41:28,640 --> 01:41:26,300

just to set this up the ex Conference

2356

01:41:30,740 --> 01:41:28,650

2007 you and I in the hotel bar

2357

01:41:32,390 --> 01:41:30,750

surrounded by a bunch of very friendly

2358

01:41:34,670 --> 01:41:32,400

at the start and perhaps not so friendly

2359

01:41:37,820 --> 01:41:34,680

people at the end discussing over a beer

2360

01:41:39,650 --> 01:41:37,830

to 911 and I think you were definitely

2361

01:41:42,080 --> 01:41:39,660

labeled a government stooge and I'm

2362

01:41:43,490 --> 01:41:42,090

pretty sure I was because we both were

2363

01:41:46,190 --> 01:41:43,500

supporting what you might call the

2364

01:41:48,110 --> 01:41:46,200

official line on on 9/11 surrounded by

2365

01:41:49,820 --> 01:41:48,120

people who did not but I do remember

2366

01:41:52,010 --> 01:41:49,830

asking one of them at one point I said

2367

01:41:54,800 --> 01:41:52,020

we'll have you read the 9/11 Commission

2368

01:41:56,930 --> 01:41:54,810

report he looked at me and he said no I

2369

01:41:59,030 --> 01:41:56,940

don't have to I know it's wrong talk a

2370

01:42:00,590 --> 01:41:59,040

bit about the 9/11 conspiracy theory

2371

01:42:04,190 --> 01:42:00,600

Nick and what your views on that are

2372

01:42:07,280 --> 01:42:04,200

well I did 21 years in ministry defense

2373

01:42:10,460 --> 01:42:07,290

and my last charity tea was in the

2374

01:42:14,390 --> 01:42:10,470

Directorate of Defense security deputy

2375

01:42:19,070 --> 01:42:14,400

director level 9/11 was done by Al Qaeda

2376

01:42:21,730 --> 01:42:19,080

and these people were as the 9/11

2377

01:42:25,220 --> 01:42:21,740

Commission report correctly said

2378

01:42:28,130 --> 01:42:25,230

disciplined patient sophisticated and

2379

01:42:31,580 --> 01:42:28,140

lethal these were well-funded people

2380

01:42:34,850 --> 01:42:31,590

they had training they had last but the

2381

01:42:38,180 --> 01:42:34,860

idea that this was an inside job or even

2382

01:42:39,920 --> 01:42:38,190

that that was allowed to happen I'm

2383

01:42:43,760 --> 01:42:39,930

afraid I have no truck with that

2384

01:42:45,710 --> 01:42:43,770

whatsoever it's absolutely not supported

2385

01:42:47,480 --> 01:42:45,720

by anything the fact can you on your

2386

01:42:49,040 --> 01:42:47,490

website you bring up a point you have a

2387

01:42:51,890 --> 01:42:49,050

you're on a page that talks about

2388

01:42:53,750 --> 01:42:51,900

conspiracy theories and in part you

2389

01:42:56,840 --> 01:42:53,760

mentioned the darker side to some

2390

01:42:58,970 --> 01:42:56,850

conspiracy theories and you you say

2391

01:43:00,800 --> 01:42:58,980

particularly those involving a new world

2392

01:43:03,080 --> 01:43:00,810

order where phrases such as conspiracy

2393

01:43:05,930 --> 01:43:03,090

of international bankers are often used

2394

01:43:07,850 --> 01:43:05,940

to mask anti-semitism which is something

2395

01:43:10,880 --> 01:43:07,860

that I've written about I know a lot of

2396

01:43:13,430 --> 01:43:10,890

people who who have have you seen her in

2397

01:43:16,970 --> 01:43:13,440

sundel the Holocaust denier began his

2398

01:43:19,670 --> 01:43:16,980

career by talking about UFOs and he was

2399

01:43:21,990 --> 01:43:19,680

using UFO stood to pull naive people

2400

01:43:24,750 --> 01:43:22,000

into his web of Holocaust denial

2401

01:43:27,450 --> 01:43:24,760

do you still see that in the UFO field

2402

01:43:29,880 --> 01:43:27,460

in particular or in the use sort of the

2403

01:43:32,700 --> 01:43:29,890

paranormal or the conspiracy field in

2404

01:43:34,350 --> 01:43:32,710

general this this sort of strain of

2405

01:43:35,730 --> 01:43:34,360

anti-semitism that runs through it

2406

01:43:37,730 --> 01:43:35,740

perhaps you can talk a bit about that

2407

01:43:41,550 --> 01:43:37,740

I'm not familiar with that particular

2408

01:43:44,210 --> 01:43:41,560

individual but this is certainly and and

2409

01:43:46,890 --> 01:43:44,220

again I'm not going to name names but

2410

01:43:51,320 --> 01:43:46,900

there are some people in the UK

2411

01:43:56,240 --> 01:43:51,330

ufology kind of you know field they're

2412

01:44:01,640 --> 01:43:56,250

actually some UK ufology skeptics who

2413

01:44:05,930 --> 01:44:01,650

fairly aggressive and loudmouth and and

2414

01:44:09,900 --> 01:44:05,940

Aunty certain shall we say fairly common

2415

01:44:14,490 --> 01:44:09,910

UFO researchers in in the US and in

2416

01:44:15,630 --> 01:44:14,500

Canada and you know again I'm choosing

2417

01:44:18,840 --> 01:44:15,640

my words carefully

2418

01:44:21,950 --> 01:44:18,850

but one of these people runs an anti

2419

01:44:25,080 --> 01:44:21,960

Israeli blog and he's like well these

2420

01:44:28,140 --> 01:44:25,090

Israelis are really really bad people

2421

01:44:30,060 --> 01:44:28,150

and it's like you know sometimes you see

2422

01:44:32,760 --> 01:44:30,070

what I saying well why don't you tell us

2423

01:44:35,670 --> 01:44:32,770

what you really think and and I think

2424

01:44:37,650 --> 01:44:35,680

there's there's a real real danger with

2425

01:44:40,830 --> 01:44:37,660

some of this there are some people who

2426

01:44:44,340 --> 01:44:40,840

are trying to position themselves as

2427

01:44:47,790 --> 01:44:44,350

liberal pros Halas Tinian anti Israeli

2428

01:44:51,390 --> 01:44:47,800

people who really want one does wonder

2429

01:44:53,520 --> 01:44:51,400

is there not a darker side here and and

2430

01:44:57,690 --> 01:44:53,530

as I say I've made a lot of these people

2431

01:45:00,420 --> 01:44:57,700

it's very very scary you hear people who

2432

01:45:02,820 --> 01:45:00,430

are entirely reasonable and then

2433

01:45:06,330 --> 01:45:02,830

suddenly they come up with these phrases

2434

01:45:09,060 --> 01:45:06,340

like conspiracy of international bankers

2435

01:45:12,000 --> 01:45:09,070

and you know what they're really saying

2436

01:45:13,980 --> 01:45:12,010

but there are a little bit too cowardly

2437

01:45:18,660 --> 01:45:13,990

to actually come out and say it straight

2438

01:45:21,570 --> 01:45:18,670

out a little too smart perhaps it's yeah

2439

01:45:23,700 --> 01:45:21,580

I've studied sort of anti-semitism and

2440

01:45:25,920 --> 01:45:23,710

conspiracy theories Amir's and there are

2441

01:45:27,930 --> 01:45:25,930

catchphrases there you know you can be

2442

01:45:30,420 --> 01:45:27,940

anti-israel in terms of the policies

2443

01:45:33,300 --> 01:45:30,430

pursued by the Israeli cause I'll know I

2444

01:45:34,560 --> 01:45:33,310

I have many Jewish friends and I know an

2445

01:45:37,589 --> 01:45:34,570

awful lot of them who

2446

01:45:40,859 --> 01:45:37,599

I'm not necessarily comfortable with

2447

01:45:43,669 --> 01:45:40,869

what the current state of Israel is is

2448

01:45:46,560 --> 01:45:43,679

doing in terms of the government policy

2449

01:45:47,879 --> 01:45:46,570

whatever why you know what there's a

2450

01:45:50,399 --> 01:45:47,889

world of difference between that and

2451
01:45:54,709 --> 01:45:50,409
some of the somewhere between naivety

2452
01:45:57,839 --> 01:45:54,719
and racism the supports for their anti

2453
01:46:00,270 --> 01:45:57,849
Israeli anti Zionist sentiment on on

2454
01:46:01,979 --> 01:46:00,280
certain website yeah no absolutely I

2455
01:46:06,510 --> 01:46:01,989
think I know the people in the UK you're

2456
01:46:09,180 --> 01:46:06,520
talking about into them the less said

2457
01:46:11,280 --> 01:46:09,190
the better okay Nick here's the next

2458
01:46:13,379 --> 01:46:11,290
short snapper I was at a party about a

2459
01:46:14,910 --> 01:46:13,389
month ago with a very pretty young model

2460
01:46:17,339 --> 01:46:14,920
actress and we started talking about

2461
01:46:20,160 --> 01:46:17,349
UFOs did I say very pretty she is very

2462
01:46:24,990 --> 01:46:20,170
pretty and she wanted to know she was

2463
01:46:27,689 --> 01:46:25,000

very very concerned about 2012 and like

2464

01:46:29,339 --> 01:46:27,699

is the end of the world coming and what

2465

01:46:30,959 --> 01:46:29,349

about the Mayan prophecies and all this

2466

01:46:32,040 --> 01:46:30,969

sort of stuff and I noticed on your

2467

01:46:34,530 --> 01:46:32,050

website you've witness

2468

01:46:36,270 --> 01:46:34,540

you've written a bit about 2012 perhaps

2469

01:46:37,620 --> 01:46:36,280

you can give us your bog-standard for

2470

01:46:39,209 --> 01:46:37,630

the folks on the para Castform there

2471

01:46:41,339 --> 01:46:39,219

might be interested what do you think of

2472

01:46:42,959 --> 01:46:41,349

all the 2012 stuff that is is really

2473

01:46:45,930 --> 01:46:42,969

going on now and as we move closer

2474

01:46:48,839 --> 01:46:45,940

towards that day in 2012 I think it's

2475

01:46:50,520 --> 01:46:48,849

gonna be as big as y2k was 10 or 11

2476

01:46:54,030 --> 01:46:50,530

years ago well so what are your thoughts

2477

01:46:59,700 --> 01:46:54,040

on 2012 well yes indeed this is gonna be

2478

01:47:01,140 --> 01:46:59,710

as big as y2k and Nostradamus 1999 but I

2479

01:47:04,169 --> 01:47:01,150

think in a sense you wanted your own

2480

01:47:09,149 --> 01:47:04,179

question absolutely the same is going to

2481

01:47:11,069 --> 01:47:09,159

happen in 2012 has happened in 1999 when

2482

01:47:14,010 --> 01:47:11,079

many many people thought that the world

2483

01:47:16,200 --> 01:47:14,020

was going to end ie absolutely nothing

2484

01:47:17,910 --> 01:47:16,210

I'll tell you why I feel strongly about

2485

01:47:22,709 --> 01:47:17,920

this and I'll give you a little

2486

01:47:26,040 --> 01:47:22,719

practical example Troy works now as a

2487

01:47:30,120 --> 01:47:26,050

freelancer I stayed on a writing TV and

2488

01:47:32,790 --> 01:47:30,130

radio work in the UK the other day I was

2489

01:47:35,609 --> 01:47:32,800

doing something for the BBC and I was

2490

01:47:39,959 --> 01:47:35,619

doing a radio interview with one of the

2491

01:47:44,370 --> 01:47:39,969

BBC's regional programs and before we

2492

01:47:45,330 --> 01:47:44,380

got started the presenter said me she

2493

01:47:48,180 --> 01:47:45,340

said

2494

01:47:52,410 --> 01:47:48,190

you send a message to a

2495

01:47:54,810 --> 01:47:52,420

fourteen-year-old boy actually it's

2496

01:47:57,479 --> 01:47:54,820

refusing to do his homework because he

2497

01:48:00,080 --> 01:47:57,489

said the world can end in 2012 and

2498

01:48:03,780 --> 01:48:00,090

there's no point in studying I was

2499

01:48:07,830 --> 01:48:03,790

absolutely flabbergasted and I thought

2500

01:48:10,830 --> 01:48:07,840

my goodness you know if this is the sort

2501

01:48:15,990 --> 01:48:10,840

of effect that this is having then I do

2502

01:48:20,310 --> 01:48:16,000

need to speak out on this and so yes on

2503

01:48:23,490 --> 01:48:20,320

my website I have an essay where I point

2504

01:48:25,620 --> 01:48:23,500

out that you know again wanting not

2505

01:48:31,050 --> 01:48:25,630

wanting to sound too flippant about it

2506

01:48:33,780 --> 01:48:31,060

but every year I buy a calendar and at

2507

01:48:37,530 --> 01:48:33,790

the end of every year my calendar runs

2508

01:48:40,080 --> 01:48:37,540

out and I throw it away but just because

2509

01:48:42,720 --> 01:48:40,090

my calendar runs out it doesn't mean the

2510

01:48:45,899 --> 01:48:42,730

world ends it just means I buy another

2511

01:48:50,250 --> 01:48:45,909

calendar so when people talk about the

2512

01:48:52,800 --> 01:48:50,260

Mayan calendar or together technically

2513

01:48:56,459 --> 01:48:52,810

correct I think the Mesoamerican Long

2514

01:48:58,830 --> 01:48:56,469

Count calendar just just because that

2515

01:49:03,089 --> 01:48:58,840

finishes it doesn't mean the world ends

2516

01:49:06,600 --> 01:49:03,099

there's no we don't have a mindset not

2517

01:49:09,089 --> 01:49:06,610

least because so few codex is survived

2518

01:49:10,740 --> 01:49:09,099

of these people we don't have a mindset

2519

01:49:13,020 --> 01:49:10,750

into what these people believed what

2520

01:49:18,470 --> 01:49:13,030

they thought their religion their belief

2521

01:49:22,410 --> 01:49:18,480

systems so yeah I'm absolutely a

2522

01:49:24,930 --> 01:49:22,420

believer that 2012 is going to be an

2523

01:49:31,820 --> 01:49:24,940

interesting situation and if people use

2524

01:49:34,680 --> 01:49:31,830

that to reassess their lives their

2525

01:49:37,770 --> 01:49:34,690

philosophy then that's a great thing

2526

01:49:42,839 --> 01:49:37,780

but if people think that the world is

2527

01:49:46,500 --> 01:49:42,849

going to end if people want to hook up

2528

01:49:50,879 --> 01:49:46,510

with cults as as we saw all too

2529

01:49:53,850 --> 01:49:50,889

tragically in relation to Hale Bopp in

2530

01:49:57,540 --> 01:49:53,860

Heaven's Gate for example then that's a

2531

01:49:59,109 --> 01:49:57,550

dreadful thing so 2012 is interesting

2532

01:50:02,830 --> 01:49:59,119

and if that gives you

2533

01:50:07,389 --> 01:50:02,840

interesting that the Mayans in ancient

2534

01:50:09,959 --> 01:50:07,399

cultures in spiritual renewal late but

2535

01:50:12,879 --> 01:50:09,969

don't think the world can end it's not

2536

01:50:14,919 --> 01:50:12,889

and you know what just in case the world

2537

01:50:17,080 --> 01:50:14,929

does end in 2012 here's the last thing

2538

01:50:19,929 --> 01:50:17,090

I'm gonna say before 2012 rolls around

2539

01:50:22,750 --> 01:50:19,939

you should read operation Thunder child

2540

01:50:25,810 --> 01:50:22,760

an operation lightning strike two books

2541

01:50:28,779 --> 01:50:25,820

written by Nick Pope and I think this

2542

01:50:30,489 --> 01:50:28,789

might be a bit of your bio or your CV

2543

01:50:32,709 --> 01:50:30,499

that maybe not a lot of people and maybe

2544

01:50:35,319 --> 01:50:32,719

not as many people as you know about you

2545

01:50:39,399 --> 01:50:35,329

UFO work realize you've actually written

2546

01:50:41,199 --> 01:50:39,409

two novels that had to be vetted as your

2547

01:50:42,939 --> 01:50:41,209

website says the only two sci-fi books

2548

01:50:46,540 --> 01:50:42,949

ever to be vetted by the British

2549

01:50:48,129 --> 01:50:46,550

government prior to publication just I'm

2550

01:50:49,719 --> 01:50:48,139

curious talking bit about Operation

2551
01:50:51,639 --> 01:50:49,729
Thunder child and operation lightning

2552
01:50:53,859 --> 01:50:51,649
strike what are the books about and why

2553
01:50:56,020 --> 01:50:53,869
did you want to get involved in writing

2554
01:50:58,839 --> 01:50:56,030
science fiction well sure I'd I'd

2555
01:51:02,049 --> 01:50:58,849
written I'd written two non-fiction

2556
01:51:07,629 --> 01:51:02,059
books one on UFOs and one on alien

2557
01:51:09,790 --> 01:51:07,639
abductions and my agent said we are a

2558
01:51:12,850 --> 01:51:09,800
bit of a roll what what do you want to

2559
01:51:14,949 --> 01:51:12,860
do next and I actually said well I don't

2560
01:51:18,129 --> 01:51:14,959
want to be popular right I want to you

2561
01:51:20,439 --> 01:51:18,139
know necessarily plate of top ten I

2562
01:51:22,449 --> 01:51:20,449
wanted to do what I want to do and I

2563
01:51:27,939 --> 01:51:22,459

always had this idea that I wanted to

2564

01:51:32,109 --> 01:51:27,949

write if I final so I made these two

2565

01:51:36,939 --> 01:51:32,119

books about alien invasion and you know

2566

01:51:40,330 --> 01:51:36,949

because at the time I wrote them I still

2567

01:51:45,399 --> 01:51:40,340

worked into defense even though these

2568

01:51:49,959 --> 01:51:45,409

were station books sci-fi I actually had

2569

01:51:52,509 --> 01:51:49,969

to submit the text to the Ministry of

2570

01:51:55,509 --> 01:51:52,519

Defense and they had to actually fear

2571

01:51:57,189 --> 01:51:55,519

them and say right we got to satisfy

2572

01:52:02,169 --> 01:51:57,199

ourselves that there's nothing in here

2573

01:52:07,089 --> 01:52:02,179

that you've incorporated on the basis of

2574

01:52:09,759 --> 01:52:07,099

your government experience sure the

2575

01:52:11,900 --> 01:52:09,769

queen isn't a lizard or anything like

2576

01:52:14,420 --> 01:52:11,910

that that's not in the books is it

2577

01:52:15,920 --> 01:52:14,430

but it's certainly not that's sorry

2578

01:52:17,480 --> 01:52:15,930

that's some other British authors season

2579

01:52:19,790 --> 01:52:17,490

that for Doctor Who or something they

2580

01:52:21,230 --> 01:52:19,800

always have word things like that I know

2581

01:52:23,600 --> 01:52:21,240

there was an episode of Doctor Who

2582

01:52:26,120 --> 01:52:23,610

recently where he sees Winston Churchill

2583

01:52:30,890 --> 01:52:26,130

who has harnessed the power of the

2584

01:52:33,380 --> 01:52:30,900

Daleks - yeah great I'm a great fan of

2585

01:52:37,210 --> 01:52:33,390

Doctor Who even though I have to admit

2586

01:52:42,200 --> 01:52:40,760

I staying on the science fiction thing

2587

01:52:43,520 --> 01:52:42,210

for just a second here's a quick

2588

01:52:46,610 --> 01:52:43,530

question for you Nick if you end the

2589

01:52:49,070 --> 01:52:46,620

opportunity to write for any sci-fi

2590

01:52:50,600 --> 01:52:49,080

television show past or present I won't

2591

01:52:52,430 --> 01:52:50,610

say future because we don't know what

2592

01:52:54,320 --> 01:52:52,440

they are but if you can pick one that's

2593

01:52:56,180 --> 01:52:54,330

going on today or is aired at any time

2594

01:52:57,740 --> 01:52:56,190

on television in the past which one

2595

01:52:59,840 --> 01:52:57,750

would you like to write for or be

2596

01:53:00,890 --> 01:52:59,850

involved in as a consultant which is

2597

01:53:02,630 --> 01:53:00,900

kind of like asking you what your

2598

01:53:03,770 --> 01:53:02,640

favorite science fiction show is but

2599

01:53:05,450 --> 01:53:03,780

I've always believed that you can learn

2600

01:53:06,200 --> 01:53:05,460

a lot about people by asking them what

2601

01:53:08,870 --> 01:53:06,210

their favorite science fiction

2602

01:53:12,460 --> 01:53:08,880

television series is so which one would

2603

01:53:15,920 --> 01:53:12,470

you pick and why I would pick Doctor Who

2604

01:53:17,960 --> 01:53:15,930

or maybe the spin-off the the kind of

2605

01:53:21,560 --> 01:53:17,970

x-rated spin-off Torchwood

2606

01:53:25,070 --> 01:53:21,570

Wren I've I've actually done some PR for

2607

01:53:27,980 --> 01:53:25,080

them but actually in terms of something

2608

01:53:32,360 --> 01:53:27,990

that again I've I've done some PR work

2609

01:53:35,020 --> 01:53:32,370

before if there's a third movie I think

2610

01:53:37,580 --> 01:53:35,030

it would be the x-files movie really

2611

01:53:39,380 --> 01:53:37,590

yeah well I mean I asked you a fast

2612

01:53:41,990 --> 01:53:39,390

question two questions number one is

2613

01:53:43,970 --> 01:53:42,000

there gonna be a possibility of a third

2614

01:53:46,370 --> 01:53:43,980

x-files movie because the previous one

2615

01:53:49,340 --> 01:53:46,380

kind of failed and will there ever be

2616

01:53:50,870 --> 01:53:49,350

another season of Torchwood or as the

2617

01:53:52,850 --> 01:53:50,880

lead actor now he's working well on

2618

01:53:55,160 --> 01:53:52,860

Desperate Housewives as some kind of

2619

01:53:58,630 --> 01:53:55,170

murderous person maybe he doesn't need

2620

01:54:01,690 --> 01:53:58,640

the job anymore yes I think they'll be

2621

01:54:05,780 --> 01:54:01,700

like I think there will be a third

2622

01:54:08,120 --> 01:54:05,790

x-files movie and Torchwood yeah that

2623

01:54:10,130 --> 01:54:08,130

that will run and run because it's it's

2624

01:54:13,450 --> 01:54:10,140

like Doctor Who but it's darker and

2625

01:54:16,820 --> 01:54:13,460

there is an appetite for that definitely

2626

01:54:20,080 --> 01:54:16,830

so well who's your favorite doctor of

2627

01:54:24,540 --> 01:54:20,090

all time then there's my last question

2628

01:54:26,819 --> 01:54:24,550

well gosh this is the question

2629

01:54:29,910 --> 01:54:26,829

about James Bond and they and they they

2630

01:54:33,600 --> 01:54:29,920

always say the first one you saw I think

2631

01:54:37,280 --> 01:54:33,610

Tom Baker really yeah it's a good choice

2632

01:54:43,950 --> 01:54:41,549

yeah but that's mother a common answer

2633

01:54:46,200 --> 01:54:43,960

but I see what you mean he he was good

2634

01:54:51,810 --> 01:54:46,210

yeah you don't hear that often he's kind

2635

01:54:53,339 --> 01:54:51,820

of like he is the Timothy Dalton Peter

2636

01:54:54,959 --> 01:54:53,349

Davison is to Doctor Who he's the

2637

01:54:56,220 --> 01:54:54,969

forgotten one who was really good but

2638

01:54:57,660 --> 01:54:56,230

nobody ever really liked him very much

2639

01:54:59,160 --> 01:54:57,670

well of course she allowed the current

2640

01:55:01,290 --> 01:54:59,170

fans and new fans of the show don't

2641

01:55:03,629 --> 01:55:01,300

remember Tom Baker but he had that

2642

01:55:06,450 --> 01:55:03,639

wackiness with the crazy curly hair and

2643

01:55:09,240 --> 01:55:06,460

everything that I think embodied Doctor

2644

01:55:10,470 --> 01:55:09,250

Who what about the one before the

2645

01:55:11,760 --> 01:55:10,480

current one the current one hasn't been

2646

01:55:15,680 --> 01:55:11,770

doing it long enough to really make a

2647

01:55:16,859 --> 01:55:15,690

judgement David Tennant David absolutely

2648

01:55:20,280 --> 01:55:16,869

brilliant

2649

01:55:24,060 --> 01:55:20,290

I mean great one of the best actors that

2650

01:55:28,319 --> 01:55:24,070

you can conceive of and and just the the

2651
01:55:31,740 --> 01:55:28,329
kind of line that he trod between genius

2652
01:55:36,510 --> 01:55:31,750
and madness and and brilliance and

2653
01:55:38,640 --> 01:55:36,520
sadness I mean brilliant acting yes last

2654
01:55:40,470 --> 01:55:38,650
episode when you know he changed and

2655
01:55:43,530 --> 01:55:40,480
became the new doctor you certainly saw

2656
01:55:46,620 --> 01:55:43,540
a very very darker Doctor Who and

2657
01:55:48,450 --> 01:55:46,630
moments where you could see it's almost

2658
01:55:49,740 --> 01:55:48,460
like that Darth Vader Anakin Skywalker

2659
01:55:50,160 --> 01:55:49,750
thing where you could almost see Doctor

2660
01:55:51,720 --> 01:55:50,170
Who

2661
01:55:54,750 --> 01:55:51,730
drifting perhaps to the dark side a

2662
01:55:56,879 --> 01:55:54,760
little bit and it's such a good actor he

2663
01:55:59,149 --> 01:55:56,889

really brought that out and that's the

2664

01:56:03,470 --> 01:55:59,159

great thing this is you know this is

2665

01:56:06,810 --> 01:56:03,480

supposedly a sci-fi show that goes out

2666

01:56:09,899 --> 01:56:06,820

before the watershed but there is a dark

2667

01:56:13,500 --> 01:56:09,909

side to this and Torchwood has explored

2668

01:56:16,620 --> 01:56:13,510

this but but Tony does do it too insofar

2669

01:56:19,109 --> 01:56:16,630

as they can before the watershed when

2670

01:56:23,069 --> 01:56:19,119

kids are watching but it's it's great

2671

01:56:26,030 --> 01:56:23,079

yeah okay so as Matt Smith a decent

2672

01:56:31,379 --> 01:56:26,040

successor to all those who came before

2673

01:56:34,319 --> 01:56:31,389

yes he is he had big big shoes to step

2674

01:56:36,330 --> 01:56:34,329

into but this guy I mean this is the

2675

01:56:37,740 --> 01:56:36,340

sign of greatness to follow

2676

01:56:41,310 --> 01:56:37,750

Christopher ankle

2677

01:56:44,910 --> 01:56:41,320

and david tennant as two brilliant

2678

01:56:46,730 --> 01:56:44,920

actors very well established well the

2679

01:56:51,600 --> 01:56:46,740

thing is just watching these people

2680

01:56:54,480 --> 01:56:51,610

utter these complicated speeches minute

2681

01:56:56,070 --> 01:56:54,490

after minute and do it so well you

2682

01:56:57,990 --> 01:56:56,080

realize you have to have a pretty good

2683

01:57:00,300 --> 01:56:58,000

actor and get away with that and sound

2684

01:57:03,660 --> 01:57:00,310

believable well looking where Matt Smith

2685

01:57:06,600 --> 01:57:03,670

has done brilliantly because he stepped

2686

01:57:10,260 --> 01:57:06,610

into very big shoes with those two

2687

01:57:13,700 --> 01:57:10,270

massive actors in in terms of their

2688

01:57:16,920 --> 01:57:13,710

reputation in the UK and and now beyond

2689

01:57:19,800 --> 01:57:16,930

Christie Eccleston and David Tennant

2690

01:57:21,780 --> 01:57:19,810

and Matt Smith has made this role his

2691

01:57:24,450 --> 01:57:21,790

own nobody thought he could do it he's

2692

01:57:26,850 --> 01:57:24,460

done it well boom him here's my dream

2693

01:57:29,130 --> 01:57:26,860

Doctor Who after he's done you and

2694

01:57:31,110 --> 01:57:29,140

McGregor takes over and you get to see

2695

01:57:33,480 --> 01:57:31,120

obi-wan Kenobi play Doctor Who and then

2696

01:57:35,160 --> 01:57:33,490

I my head might literally literally

2697

01:57:36,900 --> 01:57:35,170

explode if that ever happens that would

2698

01:57:39,210 --> 01:57:36,910

be my dream well after watching you and

2699

01:57:42,120 --> 01:57:39,220

McGregor play this crazy priest and

2700

01:57:44,340 --> 01:57:42,130

angels and demons the Tom Hanks vehicle

2701
01:57:46,590 --> 01:57:44,350
based on the Dan Brown books and then

2702
01:57:50,100 --> 01:57:46,600
watching him in the men who stare at

2703
01:57:52,050 --> 01:57:50,110
goats much more so then they'll be one

2704
01:57:53,820 --> 01:57:52,060
Kenobi I think the guys got the acting

2705
01:57:55,620 --> 01:57:53,830
chops to do just about anything

2706
01:57:58,110 --> 01:57:55,630
yeah well watched him in Moulin Rouge

2707
01:57:59,870 --> 01:57:58,120
and when he starts seeing silly love

2708
01:58:02,010 --> 01:57:59,880
songs by Paul McCartney that's when I

2709
01:58:03,450 --> 01:58:02,020
don't take this the wrong way pair cast

2710
01:58:06,600 --> 01:58:03,460
audience but that's when I fell in love

2711
01:58:08,220 --> 01:58:06,610
with you and McGregor so which is why I

2712
01:58:09,540 --> 01:58:08,230
have a restraining order out against me

2713
01:58:11,370 --> 01:58:09,550

by you in the Gregory

2714

01:58:13,920 --> 01:58:11,380

I kind of like the performances from

2715

01:58:15,750 --> 01:58:13,930

Hugh Laurie is dr. Gregory House on

2716

01:58:18,360 --> 01:58:15,760

American television there's something

2717

01:58:20,970 --> 01:58:18,370

about these British character actors who

2718

01:58:24,480 --> 01:58:20,980

do American accent so flawlessly you can

2719

01:58:26,190 --> 01:58:24,490

always you know sorry Nick go ahead no

2720

01:58:29,190 --> 01:58:26,200

no I was gonna say it this way you look

2721

01:58:32,990 --> 01:58:29,200

agreed to do a little ride

2722

01:58:35,340 --> 01:58:33,000

that's why British accent thing here

2723

01:58:38,070 --> 01:58:35,350

Nick pub where can we find more of the

2724

01:58:40,710 --> 01:58:38,080

things that you write about Nick poke go

2725

01:58:42,930 --> 01:58:40,720

ahead that was fast and breezy

2726

01:58:44,970 --> 01:58:42,940

Paul Kimball where can we find your

2727

01:58:46,380 --> 01:58:44,980

stuff you know why I'm all over the

2728

01:58:49,860 --> 01:58:46,390

place but the place to come look for me

2729

01:58:51,570 --> 01:58:49,870

folks is on the para cast forums because

2730

01:58:53,400 --> 01:58:51,580

hey don't just talk on the radio I

2731

01:58:54,750 --> 01:58:53,410

actually show up in the forums and give

2732

01:58:56,910 --> 01:58:54,760

you folks a chance to beat me over the

2733

01:58:58,320 --> 01:58:56,920

head with a shovel so bring it on and by

2734

01:58:59,820 --> 01:58:58,330

the way Nick if you want to be beaten

2735

01:59:02,610 --> 01:58:59,830

over the head with a shovel you're

2736

01:59:06,480 --> 01:59:02,620

welcome to join too I'll look into that

2737

01:59:09,090 --> 01:59:06,490

so I guess the head with shovels and

2738

01:59:11,070 --> 01:59:09,100

other blunt Eames implements all the

2739

01:59:13,440 --> 01:59:11,080

time so I'm not sure about that

2740

01:59:15,330 --> 01:59:13,450

we do things like that to me for 105

2741

01:59:17,250 --> 01:59:15,340

years or something like that two things

2742

01:59:19,100 --> 01:59:17,260

I would say if you do that Nick it would

2743

01:59:21,360 --> 01:59:19,110

be interesting if true and it would be a

2744

01:59:25,380 --> 01:59:21,370

it would be a part of your journey

2745

01:59:28,770 --> 01:59:25,390

that's all I'm gonna say inside joke

2746

01:59:30,870 --> 01:59:28,780

between nicotine 5k very much day thanks

2747

01:59:33,240 --> 01:59:30,880

to my co-hosts Paul Campbell Nick Pope

2748

01:59:38,290 --> 01:59:33,250

thanks for joining us on the power cast
