GREG BISHOP
and
WALTER BOSLEY

1
00:00:25,130 --> 00:00:22,120

[Music]

2
00:00:28,099 --> 00:00:25,140

in the past the gold standard of

3
00:00:31,420 --> 00:00:28,109

paranormal radio and now here's Jean

4
00:00:36,350 --> 00:00:34,819

we have another co-host at the end of

5
00:00:38,420 --> 00:00:36,360

the year we'll have 50 co-hosts ladies

6
00:00:40,910 --> 00:00:38,430

and gentlemen or we'll have just the

7
00:00:43,970 --> 00:00:40,920

four we have now Nick Redfern Chris

8
00:00:45,680 --> 00:00:43,980

O'Brien Paul Campbell and a special

9
00:00:48,950 --> 00:00:45,690

power cast welcome to Greg Bishop

10
00:00:51,319 --> 00:00:48,960

hey there welcome aboard now as our

11
00:00:54,020 --> 00:00:51,329

listeners know I started in this crazy

12
00:00:57,529 --> 00:00:54,030

business working for traditional radio a

13
00:00:59,360 --> 00:00:57,539

real radio station and you know you

14

00:01:01,220 --> 00:00:59,370

never know what that means to anybody I

15

00:01:02,990 --> 00:01:01,230

don't think it means very much but the

16

00:01:05,329 --> 00:01:03,000

fact of the matter is that you work for

17

00:01:07,340 --> 00:01:05,339

pirate radio I don't know if I worked

18

00:01:09,530 --> 00:01:07,350

for pirate radio there was a pirate

19

00:01:15,289 --> 00:01:09,540

radio station in Los Angeles called KB

20

00:01:18,499 --> 00:01:15,299

LT it ran from 1998 to 2000 and I was on

21

00:01:21,080 --> 00:01:18,509

from a few months after it started up

22

00:01:23,480 --> 00:01:21,090

till when they got busted by the FCC and

23

00:01:25,280 --> 00:01:23,490

then they went back on the air again and

24

00:01:28,880 --> 00:01:25,290

the FCC busted them again and then that

25

00:01:30,980 --> 00:01:28,890

was it but for two years I was yeah I

26
00:01:34,310 --> 00:01:30,990
was broadcasting on a on an unauthorized

27
00:01:36,740 --> 00:01:34,320
to FM frequency in Los Angeles and it

28
00:01:39,410 --> 00:01:36,750
actually won best radio station in Los

29
00:01:41,780 --> 00:01:39,420
Angeles two years in a row by the LA

30
00:01:43,039 --> 00:01:41,790
Weekly I think not as interesting - why

31
00:01:45,109 --> 00:01:43,049
couldn't they just get a regular

32
00:01:46,850 --> 00:01:45,119
traditional broadcast license or can you

33
00:01:48,620 --> 00:01:46,860
even get those anymore if you've got a

34
00:01:50,690 --> 00:01:48,630
couple million dollars you can maybe

35
00:01:52,490 --> 00:01:50,700
think about possibly getting a radio

36
00:01:54,410 --> 00:01:52,500
station license I think it's probably

37
00:01:55,850 --> 00:01:54,420
more than a million dollars that's why

38
00:01:58,340 --> 00:01:55,860

they all you know the only radio you

39

00:01:59,840 --> 00:01:58,350

hear is stations that are owned by mega

40

00:02:02,270 --> 00:01:59,850

corporations those are the only ones

41

00:02:04,429 --> 00:02:02,280

that can could can afford it so I think

42

00:02:06,830 --> 00:02:04,439

that's why people voted the station like

43

00:02:08,300 --> 00:02:06,840

that because it was it was so different

44

00:02:09,919 --> 00:02:08,310

you know it was just basically a bunch

45

00:02:11,110 --> 00:02:09,929

of people who are really into music and

46

00:02:12,759 --> 00:02:11,120

and the

47

00:02:15,039 --> 00:02:12,769

and talk and things like that doing

48

00:02:17,559 --> 00:02:15,049

exactly what they wanted to that seems

49

00:02:20,140 --> 00:02:17,569

to be a recipe for a good time most of

50

00:02:22,030 --> 00:02:20,150

the time also recipe for online radio as

51
00:02:24,009 --> 00:02:22,040
a matter of fact but yes part of the

52
00:02:26,470 --> 00:02:24,019
situation in the broadcast industry is

53
00:02:28,600 --> 00:02:26,480
this when I worked in radio there were

54
00:02:30,520 --> 00:02:28,610
all small businesses except for the big

55
00:02:33,910 --> 00:02:30,530
cities where the stations were owned by

56
00:02:36,399 --> 00:02:33,920
the TV networks yeah II and CBS know

57
00:02:39,039 --> 00:02:36,409
what happened is all those stations were

58
00:02:42,250 --> 00:02:39,049
purchased by large conglomerates CBS

59
00:02:44,530 --> 00:02:42,260
Clear Channel they each own hundreds of

60
00:02:46,960 --> 00:02:44,540
stations you go to a big city like LA in

61
00:02:49,930 --> 00:02:46,970
New York Chicago Phoenix Philadelphia

62
00:02:52,720 --> 00:02:49,940
you'll find that one company owns ten or

63
00:02:54,400 --> 00:02:52,730

fifteen competing stations but they

64

00:02:56,080 --> 00:02:54,410

don't compete what they do is they carve

65

00:02:57,819 --> 00:02:56,090

out the audience and each one takes a

66

00:02:59,319 --> 00:02:57,829

portion of it right and they do it and

67

00:03:00,640 --> 00:02:59,329

they do it by formula and you can tell

68

00:03:01,899 --> 00:03:00,650

that by listening to the stations which

69

00:03:03,580 --> 00:03:01,909

is why I never listen to the radio

70

00:03:05,710 --> 00:03:03,590

anymore because it's none of its

71

00:03:08,110 --> 00:03:05,720

interesting to me I guess that means

72

00:03:10,330 --> 00:03:08,120

that we're blessed or stuck with

73

00:03:13,569 --> 00:03:10,340

internet radio which is you know when I

74

00:03:16,390 --> 00:03:13,579

I'm not as old as you really not quite a

75

00:03:18,550 --> 00:03:16,400

buddy is by the way really right but

76
00:03:19,930 --> 00:03:18,560
when I was a kid I would never have

77
00:03:22,120 --> 00:03:19,940
dreamed that you could go on your

78
00:03:24,339 --> 00:03:22,130
computer and what anybody had a computer

79
00:03:26,890 --> 00:03:24,349
and listen to practically anything you

80
00:03:29,170 --> 00:03:26,900
wanted it's it's like a dream come true

81
00:03:30,940 --> 00:03:29,180
well is that saying that if a station

82
00:03:32,740 --> 00:03:30,950
calls me up and says yes we'd like to

83
00:03:34,960 --> 00:03:32,750
carry the power cast I'd say no I

84
00:03:36,970 --> 00:03:34,970
wouldn't it's just that we powers not a

85
00:03:39,909 --> 00:03:36,980
lot of opportunities means you can

86
00:03:42,129 --> 00:03:39,919
listen on a regular radio AM and FM you

87
00:03:44,800 --> 00:03:42,139
can get stations there you get satellite

88
00:03:45,490 --> 00:03:44,810

radio you get internet radio we have

89

00:03:47,289 --> 00:03:45,500

choices

90

00:03:49,360 --> 00:03:47,299

that's what's great but speaking of

91

00:03:51,250 --> 00:03:49,370

radio I came out as a regular disc

92

00:03:52,629 --> 00:03:51,260

jockey and later as a newscaster because

93

00:03:55,270 --> 00:03:52,639

I could put more than two words together

94

00:03:57,509 --> 00:03:55,280

coherently good time that's a marketable

95

00:04:00,460 --> 00:03:57,519

skill I guess it was it was that time

96

00:04:02,409 --> 00:04:00,470

maybe not anymore but in these days you

97

00:04:04,089 --> 00:04:02,419

know with blogosphere and everything I

98

00:04:07,119 --> 00:04:04,099

think that sometimes you wonder whether

99

00:04:08,979 --> 00:04:07,129

people can write in the traditional way

100

00:04:11,349 --> 00:04:08,989

anymore it's oh no they can't I'm

101
00:04:13,539 --> 00:04:11,359
getting paid to do sometimes writing

102
00:04:15,789 --> 00:04:13,549
gigs just boring things because they

103
00:04:17,520 --> 00:04:15,799
can't find anybody to put more than one

104
00:04:20,469 --> 00:04:17,530
sentence together that makes any sense

105
00:04:21,759 --> 00:04:20,479
makes any sense is in vaguely proper

106
00:04:23,129 --> 00:04:21,769
English is spelled right and that

107
00:04:24,510 --> 00:04:23,139
doesn't have to be edited to my

108
00:04:27,209 --> 00:04:24,520
that's an even more marketable skill

109
00:04:29,189 --> 00:04:27,219
than talking apparently well I used to

110
00:04:30,629 --> 00:04:29,199
do that they don't really send me the

111
00:04:32,189 --> 00:04:30,639
assignments anymore I wonder about that

112
00:04:34,950 --> 00:04:32,199
I have to look into it but seriously

113
00:04:37,350 --> 00:04:34,960

speaking of all the things one can do in

114

00:04:40,170 --> 00:04:37,360

radio and writing why did you select

115

00:04:41,790 --> 00:04:40,180

UFOs I don't know really it's you know

116

00:04:43,019 --> 00:04:41,800

what you do you do some especially if

117

00:04:44,879 --> 00:04:43,029

you're not being paid for which is

118

00:04:46,679 --> 00:04:44,889

what's the the what the deal is for most

119

00:04:49,469 --> 00:04:46,689

people they're into it and that you hear

120

00:04:52,200 --> 00:04:49,479

about including you and other radio

121

00:04:54,119 --> 00:04:52,210

hosts especially in the internet you do

122

00:04:55,709 --> 00:04:54,129

because you want to you do because it's

123

00:04:57,959 --> 00:04:55,719

a subject that interests you and then

124

00:05:00,269 --> 00:04:57,969

you hope at some point you know somebody

125

00:05:02,550 --> 00:05:00,279

might recognize it or you can hustle a

126

00:05:05,339 --> 00:05:02,560

little bit I was interested in it when I

127

00:05:08,249 --> 00:05:05,349

was a kid and then I lost the interests

128

00:05:10,140 --> 00:05:08,259

when I was in junior high in high school

129

00:05:12,450 --> 00:05:10,150

because there were you know girls and

130

00:05:14,760 --> 00:05:12,460

drugs and cars and then after college I

131

00:05:16,499 --> 00:05:14,770

got interested in it again and I I

132

00:05:18,050 --> 00:05:16,509

really don't have any idea why although

133

00:05:22,170 --> 00:05:18,060

I did get interested again when I had a

134

00:05:24,719 --> 00:05:22,180

very bad couple of weeks following a

135

00:05:26,459 --> 00:05:24,729

very bad year and I don't know why but

136

00:05:29,159 --> 00:05:26,469

suddenly it was interesting to me again

137

00:05:31,579 --> 00:05:29,169

because because my mindset changed I

138

00:05:34,409 --> 00:05:31,589

guess and I think I what it did actually

139

00:05:36,119 --> 00:05:34,419

was it may have saved my life being

140

00:05:40,139 --> 00:05:36,129

interested in weird stuff it certainly

141

00:05:42,149 --> 00:05:40,149

got me interested in research writing

142

00:05:44,279 --> 00:05:42,159

and I've met so many great people

143

00:05:45,749 --> 00:05:44,289

through it including yourself and a lot

144

00:05:47,670 --> 00:05:45,759

of the guests you've had on in our guest

145

00:05:50,189 --> 00:05:47,680

today speaking of our guest today

146

00:05:52,469 --> 00:05:50,199

Walter Bosley tell me about him Walter

147

00:05:55,920 --> 00:05:52,479

yeah I'll tell you how we met because

148

00:05:57,689 --> 00:05:55,930

this is this is I like the story david

149

00:06:00,510 --> 00:05:57,699

childress if you know who he is of

150

00:06:02,459 --> 00:06:00,520

course Adventures unlimited press he was

151
00:06:04,619 --> 00:06:02,469
having a conference in Kempton Illinois

152
00:06:07,559 --> 00:06:04,629
which is in the middle of nowhere but

153
00:06:10,139 --> 00:06:07,569
it's it's his base of operations because

154
00:06:12,300 --> 00:06:10,149
he can he basically can do what he wants

155
00:06:14,369 --> 00:06:12,310
in that town I don't mean illegally

156
00:06:15,899 --> 00:06:14,379
anyway he was having a conference there

157
00:06:17,399 --> 00:06:15,909
and Walter showed up because Walter was

158
00:06:19,589 --> 00:06:17,409
one of his readers as interested in some

159
00:06:21,990 --> 00:06:19,599
of the stuff and a couple people started

160
00:06:24,029 --> 00:06:22,000
saying oh don't talk to him he's he used

161
00:06:26,760 --> 00:06:24,039
to be in the Air Force and FBI he's a

162
00:06:27,990 --> 00:06:26,770
government guy and so I immediately

163
00:06:31,640 --> 00:06:28,000

thought weird

164

00:06:34,560 --> 00:06:31,650

guy hanging around a anomalous

165

00:06:36,330 --> 00:06:34,570

phenomenon conference I have to talk to

166

00:06:38,160 --> 00:06:36,340

him so I was the only one that ended up

167

00:06:39,750 --> 00:06:38,170

talking to him besides Ken Thomas

168

00:06:43,410 --> 00:06:39,760

strangely enough that one of the

169

00:06:44,970 --> 00:06:43,420

best-known conspiracy writers and we

170

00:06:49,740 --> 00:06:44,980

went on from there and he's been a

171

00:06:51,960 --> 00:06:49,750

co-host with me on my show since 2004 I

172

00:06:54,660 --> 00:06:51,970

think quite a while five or six years

173

00:06:57,510 --> 00:06:54,670

and we've done a lot of stuff together

174

00:06:59,390 --> 00:06:57,520

in projects together and we remain

175

00:07:03,750 --> 00:06:59,400

friends and he's still on the show

176

00:07:06,390 --> 00:07:03,760

regularly as as a co-host on writing

177

00:07:09,690 --> 00:07:06,400

mysterioso on Sundays and we'll have

178

00:07:11,790 --> 00:07:09,700

Walter Bosley who strikes me as somewhat

179

00:07:13,500 --> 00:07:11,800

of a character here he's got a really

180

00:07:15,930 --> 00:07:13,510

fascinating background we'll hear about

181

00:07:18,950 --> 00:07:15,940

that with our new co-host Greg Bishop

182

00:07:21,960 --> 00:07:18,960

coming up next on the very cast

183

00:07:23,940 --> 00:07:21,970

repeating we're not in Kansas anymore hi

184

thanks for listening I hope you're

224

listening to the parrot talk hey the

225

00:09:11,050 --> 00:09:08,720

guest this week for my first stint here

226

00:09:13,170 --> 00:09:11,060

on the podcast is Walter Bosley it's

227

00:09:15,759 --> 00:09:13,180

been a friend of mine for years now and

228

00:09:18,540 --> 00:09:15,769

he remains a friend because he's one of

229

00:09:21,519 --> 00:09:18,550

those people that continually amazes

230

00:09:24,009 --> 00:09:21,529

befuddle Xand teaches me and that's how

231

00:09:26,410 --> 00:09:24,019

I keep friends Walter thanks for coming

232

00:09:28,930 --> 00:09:26,420

on the show well thanks for such a great

233

00:09:30,550 --> 00:09:28,940

intro thanks for having me back guys you

234

00:09:32,110 --> 00:09:30,560

see after he doesn't intro like that we

235

00:09:36,610 --> 00:09:32,120

don't need to continue we just that's

236

00:09:38,350 --> 00:09:36,620

right well he got it bad I learned more

237

00:09:40,750 --> 00:09:38,360

from him and everybody I meet through it

238

00:09:41,980 --> 00:09:40,760

well then you know we if everybody

239

00:09:43,930 --> 00:09:41,990

thinks are getting the better part of

240

00:09:46,569 --> 00:09:43,940

the deal and it must be a good deal if

241

00:09:48,519 --> 00:09:46,579

it is a deal making friends I though I

242

00:09:49,840 --> 00:09:48,529

guess though is some people it is kind

243

00:09:53,590 --> 00:09:49,850

of a deal especially if you live in

244

00:09:56,639 --> 00:09:53,600

Hollywood Walter knows that yeah I know

245

00:10:00,519 --> 00:09:56,649

what relationships as deals are about

246

00:10:02,710 --> 00:10:00,529

boom Jean do you have a little rimshot

247

00:10:05,139 --> 00:10:02,720

thing that you should that's after the

248

00:10:07,889 --> 00:10:05,149

board that's too tight really I used to

249

00:10:10,420 --> 00:10:07,899

have one at the pirate station I used it

250

00:10:11,800 --> 00:10:10,430

well you know we'll use those things

251

00:10:14,260 --> 00:10:11,810

because I just think it's trite

252

00:10:16,300 --> 00:10:14,270

I think sound effects its right and I

253

00:10:18,249 --> 00:10:16,310

think instead let's just do it for real

254

00:10:20,169 --> 00:10:18,259

I know I know

255

00:10:23,079 --> 00:10:20,179

this was when I was first starting out a

256

00:10:24,999 --> 00:10:23,089

radio Walter and I introduction I said

257

00:10:28,780 --> 00:10:25,009

that when we met it was a Dave

258

00:10:31,269 --> 00:10:28,790

Childress's conference in Kempton yes I

259

00:10:34,989 --> 00:10:31,279

can't remember a year that was was 2001

260

00:10:37,509 --> 00:10:34,999

maybe no 2004 before okay I said four

261

00:10:39,519 --> 00:10:37,519

first and that people were whispering

262

00:10:41,439 --> 00:10:39,529

hey that guy is a government man you

263

00:10:43,289 --> 00:10:41,449

shouldn't talk to him which made me want

264

00:10:45,999 --> 00:10:43,299

to talk to you immediately

265

00:10:48,879 --> 00:10:46,009

so it for people that don't know who you

266

00:10:51,369 --> 00:10:48,889

are what kind of government man were you

267

00:10:56,699 --> 00:10:51,379

and it's it's rather extensive if people

268

00:11:00,340 --> 00:10:56,709

don't know I spent I in total 19 years

269

00:11:02,019 --> 00:11:00,350

affiliated with Uncle Sam my first six

270

00:11:04,599 --> 00:11:02,029

were with the FBI I was a

271

00:11:08,219 --> 00:11:04,609

counterintelligence specialist which

272

00:11:11,379 --> 00:11:08,229

meant that I did you know investigative

273

00:11:15,099 --> 00:11:11,389

support work in a shallow undercover

274

00:11:15,789 --> 00:11:15,109

role usually and you know on the street

275

00:11:18,009 --> 00:11:15,799

in the field

276

00:11:20,679 --> 00:11:18,019

I was credentialed I just was not an

277

00:11:22,409 --> 00:11:20,689

agent and then I earned my Commission in

278

00:11:24,340 --> 00:11:22,419

the Air Force and went immediately into

279

00:11:26,409 --> 00:11:24,350

the Air Force Office of Special

280

00:11:29,199 --> 00:11:26,419

Investigations where I spent almost

281

00:11:31,359 --> 00:11:29,209

another six years just about mostly

282

00:11:33,669 --> 00:11:31,369

running counter espionage operations and

283

00:11:36,879 --> 00:11:33,679

doing counterintelligence investigations

284

00:11:39,039 --> 00:11:36,889

as a special agent badge credential gun

285

00:11:40,809 --> 00:11:39,049

to the whole thing during which time I

286

00:11:44,189 --> 00:11:40,819

did a deployment to Saudi Arabia and

287

00:11:48,189 --> 00:11:44,199

then after coming off active duty I

288

00:11:54,460 --> 00:11:48,199

worked for just under six years in the

289

00:11:57,460 --> 00:11:54,470

field of corporate personnel security in

290

00:11:59,889 --> 00:11:57,470

an anti-terrorism type of vein

291

00:12:01,659 --> 00:11:59,899

I helped keep pricing all over the world

292

00:12:04,239 --> 00:12:01,669

what's that what does that mean

293

00:12:08,049 --> 00:12:04,249

corporate security and an anti-terrorism

294

00:12:11,049 --> 00:12:08,059

vein I worked in a capacity where for

295

00:12:13,479 --> 00:12:11,059

whoever the client was I would go

296

00:12:16,869 --> 00:12:13,489

anywhere on the face of the earth

297

00:12:18,579 --> 00:12:16,879

and do threat assessment work on their

298

00:12:21,249 --> 00:12:18,589

personal living situation on their

299

00:12:25,329 --> 00:12:21,259

routes to and from work and then I would

300

00:12:27,069 --> 00:12:25,339

work with them to determine the best

301
00:12:29,660 --> 00:12:27,079
routes and the best ways for them to

302
00:12:34,600 --> 00:12:29,670
avoid being a target of terrorism

303
00:12:37,910 --> 00:12:34,610
and also gave support to the hunt for

304
00:12:40,970 --> 00:12:37,920
terrorists this was between 2000 and the

305
00:12:43,490 --> 00:12:40,980
summer of 2005 and that took me to Iraq

306
00:12:47,690 --> 00:12:43,500
of course that warzone took me to

307
00:12:50,660 --> 00:12:47,700
Afghanistan a few times Sudan and and

308
00:12:52,790 --> 00:12:50,670
some you know more vacation like spots I

309
00:12:55,160 --> 00:12:52,800
had a good mix in there the people who

310
00:12:56,240 --> 00:12:55,170
are shall we say conspiracy minded

311
00:12:57,830 --> 00:12:56,250
they're going to say well this guy

312
00:13:00,080 --> 00:12:57,840
worked as a government operative is he

313
00:13:01,820 --> 00:13:00,090

here as a disinformation specialist next

314

00:13:05,210 --> 00:13:01,830

yes they would ask that I have been

315

00:13:08,390 --> 00:13:05,220

asked that before and no in in I assure

316

00:13:10,430 --> 00:13:08,400

you never have I ever appeared on this

317

00:13:13,640 --> 00:13:10,440

or any other show like it in any

318

00:13:16,040 --> 00:13:13,650

capacity for Uncle Sam they in fact they

319

00:13:18,050 --> 00:13:16,050

they know I'm doing it I have old

320

00:13:20,150 --> 00:13:18,060

colleagues who have contacted me and I

321

00:13:23,090 --> 00:13:20,160

think they roll her eyes and get a

322

00:13:25,310 --> 00:13:23,100

chuckle but I have never provided any

323

00:13:27,110 --> 00:13:25,320

kind of disinformation and there will be

324

00:13:29,990 --> 00:13:27,120

people who won't believe that either but

325

00:13:32,000 --> 00:13:30,000

oh well they all get questioned of

326

00:13:35,810 --> 00:13:32,010

course Walter is does the government

327

00:13:37,700 --> 00:13:35,820

even know anything that to be disclosed

328

00:13:39,860 --> 00:13:37,710

well as I was gonna say the people that

329

00:13:41,270 --> 00:13:39,870

would never believe me also are the ones

330

00:13:44,030 --> 00:13:41,280

who believe that disclosures right

331

00:13:47,060 --> 00:13:44,040

around the corner you know what my

332

00:13:49,330 --> 00:13:47,070

opinion on what the government knows I

333

00:13:53,000 --> 00:13:49,340

came to a personal conclusion out of

334

00:13:56,600 --> 00:13:53,010

experience in OSI with how material is

335

00:14:00,620 --> 00:13:56,610

guarded and classified and I believe

336

00:14:03,380 --> 00:14:00,630

that the custodian of the information

337

00:14:04,850 --> 00:14:03,390

objects whatever the evidence is is

338

00:14:08,120 --> 00:14:04,860

probably in the hands of a private

339

00:14:10,880 --> 00:14:08,130

concern for instance private companies

340

00:14:12,980 --> 00:14:10,890

are not required by law to reveal or

341

00:14:14,930 --> 00:14:12,990

disclose anything if it's proprietary

342

00:14:16,520 --> 00:14:14,940

information like the government after a

343

00:14:19,190 --> 00:14:16,530

while that people say hey what's going

344

00:14:21,650 --> 00:14:19,200

on with UFOs after a while you know you

345

00:14:25,310 --> 00:14:21,660

under the law you would be able to get

346

00:14:28,250 --> 00:14:25,320

that out of them but by shifting it over

347

00:14:30,200 --> 00:14:28,260

to a private corporation private party

348

00:14:32,750 --> 00:14:30,210

under the law you would not necessarily

349

00:14:33,980 --> 00:14:32,760

have to but you would not have to they

350

00:14:35,960 --> 00:14:33,990

would not have to reveal it to the

351

00:14:38,810 --> 00:14:35,970

public and aside for example they can

352

00:14:43,000 --> 00:14:38,820

call up Steve Jobs over at Apple and say

353

00:14:44,590 --> 00:14:43,010

Steve we got the secret of UFOs here

354

00:14:46,690 --> 00:14:44,600

but of course you're the most secretive

355

00:14:48,670 --> 00:14:46,700

company on the planet you can get the

356

00:14:51,640 --> 00:14:48,680

secret better than anyone here it is

357

00:14:54,550 --> 00:14:51,650

yeah exactly and they would not have to

358

00:14:56,890 --> 00:14:54,560

turn it over and it gives Uncle Sam

359

00:14:59,680 --> 00:14:56,900

culpable deniability now remember this

360

00:15:02,140 --> 00:14:59,690

is my conclusion drawn from my

361

00:15:04,750 --> 00:15:02,150

experience this is not some official

362

00:15:07,480 --> 00:15:04,760

policy I'm I'm just saying that that's

363

00:15:10,690 --> 00:15:07,490

what I believe if they had it and

364

00:15:12,610 --> 00:15:10,700

whatever they have that is probably the

365

00:15:15,070 --> 00:15:12,620

best way for Uncle Sam to shift it over

366

00:15:16,840 --> 00:15:15,080

and have culpable deniability to the

367

00:15:18,610 --> 00:15:16,850

public saying you know we don't have any

368

00:15:21,430 --> 00:15:18,620

flying saucers we don't have any data

369

00:15:24,670 --> 00:15:21,440

like this if you go to one infinite loop

370

00:15:26,140 --> 00:15:24,680

in Cupertino California they might yeah

371

00:15:29,860 --> 00:15:26,150

and they wouldn't have to share it with

372

00:15:32,620 --> 00:15:29,870

the public and as we know we joke about

373

00:15:34,300 --> 00:15:32,630

this but now I bet that some of the exo

374

00:15:36,250 --> 00:15:34,310

politics people are going to be calling

375

00:15:39,510 --> 00:15:36,260

Apple corporate communications to say

376

00:15:42,700 --> 00:15:39,520

can Walter Bosley sit Apple exactly the

377

00:15:45,190 --> 00:15:42,710

UFOs well let's go back into your

378

00:15:48,460 --> 00:15:45,200

experience in government did your

379

00:15:52,270 --> 00:15:48,470

interest in UFOs precede that or as a

380

00:15:54,010 --> 00:15:52,280

result ordering o years before preceded

381

00:15:56,890 --> 00:15:54,020

it i grew up with my dad telling me

382

00:15:58,840 --> 00:15:56,900

strange little stories about a place

383

00:16:02,200 --> 00:15:58,850

that I would come to learn was

384

00:16:04,000 --> 00:16:02,210

Roswell and we had UFO books around the

385

00:16:08,620 --> 00:16:04,010

house and I was interested in it for

386

00:16:10,060 --> 00:16:08,630

many years and they still let me in they

387

00:16:12,460 --> 00:16:10,070

didn't even let you into the air force

388

00:16:14,020 --> 00:16:12,470

well FBI yeah well of course you don't

389

00:16:17,290 --> 00:16:14,030

talk about that stuff in interviews but

390

00:16:19,540 --> 00:16:17,300

yeah so no I I'd been interested in this

391

00:16:21,040 --> 00:16:19,550

from you know childhood now you alluded

392

00:16:22,780 --> 00:16:21,050

to something when we had you on

393

00:16:25,420 --> 00:16:22,790

previously and going into your

394

00:16:29,620 --> 00:16:25,430

background about your father's knowledge

395

00:16:31,810 --> 00:16:29,630

about Roswell yes and we now that we

396

00:16:34,000 --> 00:16:31,820

have you and just you and Greg here in

397

00:16:37,000 --> 00:16:34,010

the room sure virtually if nothing else

398

00:16:40,690 --> 00:16:37,010

tell us about what did your father do

399

00:16:43,630 --> 00:16:40,700

and how did he know it well most of the

400

00:16:46,090 --> 00:16:43,640

details are in an April 2005 article in

401
00:16:49,240 --> 00:16:46,100
fate magazine which I wrote under my

402
00:16:51,790 --> 00:16:49,250
fiction pseudonym me a guest because my

403
00:16:54,580 --> 00:16:51,800
employment at the time was you know

404
00:16:55,049 --> 00:16:54,590
sensitive enough that I didn't want to

405
00:16:57,599 --> 00:16:55,059
put it under

406
00:16:59,909 --> 00:16:57,609
my real name but since then I have come

407
00:17:02,579 --> 00:16:59,919
out and you know admitted and said hey

408
00:17:04,499 --> 00:17:02,589
that that is me but basically my dad was

409
00:17:08,730 --> 00:17:04,509
in the Air Force in the late 50s and he

410
00:17:11,699 --> 00:17:08,740
worked in what you call aerospace

411
00:17:14,220 --> 00:17:11,709
medicine and he ran pilots through the

412
00:17:16,319 --> 00:17:14,230
altitude chambers and things like that

413
00:17:18,720 --> 00:17:16,329

and the unit he was with at George Air

414

00:17:20,909 --> 00:17:18,730

Force Base they did the ground testing

415

00:17:23,009 --> 00:17:20,919

on the mercury space program pressure

416

00:17:26,189 --> 00:17:23,019

suits the silver ones that you see in

417

00:17:28,499 --> 00:17:26,199

the movie the right stuff and because he

418

00:17:32,690 --> 00:17:28,509

did this work he had a pretty high

419

00:17:35,730 --> 00:17:32,700

clearance and he tells the story of

420

00:17:37,560 --> 00:17:35,740

going off on an assignment to Texas and

421

00:17:40,259 --> 00:17:37,570

the plane making a northward banking

422

00:17:43,019 --> 00:17:40,269

turn somewhere over Louisiana and an

423

00:17:45,619 --> 00:17:43,029

intelligence officer coming out from the

424

00:17:47,999 --> 00:17:45,629

near the cockpit of the aircraft and

425

00:17:50,190 --> 00:17:48,009

informing him and the guys he was with

426

00:17:53,489 --> 00:17:50,200

that they were indeed heading to

427

00:17:56,249 --> 00:17:53,499

wright-patterson and would be briefed on

428

00:17:57,629 --> 00:17:56,259

their you know the actualities of their

429

00:18:01,379 --> 00:17:57,639

assignment when they got there they were

430

00:18:04,200 --> 00:18:01,389

briefed in he says on Roswell and they

431

00:18:06,899 --> 00:18:04,210

were shown the bodies and they were told

432

00:18:10,830 --> 00:18:06,909

what these people were and where they

433

00:18:12,389 --> 00:18:10,840

were from and then after that he was

434

00:18:15,570 --> 00:18:12,399

briefed in on a program that they were

435

00:18:17,940 --> 00:18:15,580

being pulled into that basically was a

436

00:18:20,039 --> 00:18:17,950

retrieval operation because he was told

437

00:18:22,950 --> 00:18:20,049

it had happened again another crash this

438

00:18:25,529 --> 00:18:22,960

time in eastern Arizona after getting

439

00:18:27,779 --> 00:18:25,539

briefed in and on the mission in right

440

00:18:31,259 --> 00:18:27,789

at wright-patt in Ohio they were then

441

00:18:34,169 --> 00:18:31,269

flown to Arizona where they were part of

442

00:18:37,739 --> 00:18:34,179

a very large retrieval operation which

443

00:18:40,590 --> 00:18:37,749

took them also underground in some

444

00:18:44,129 --> 00:18:40,600

subterranean areas were they according

445

00:18:46,859 --> 00:18:44,139

to him encountered the people from whose

446

00:18:48,330 --> 00:18:46,869

civilization this craft came from one of

447

00:18:50,489 --> 00:18:48,340

the things I'll say right off bat which

448

00:18:53,129 --> 00:18:50,499

certainly the skeptics will ask okay

449

00:18:54,659 --> 00:18:53,139

how was he allowed to say this to you

450

00:18:56,519 --> 00:18:54,669

and you having worked with the

451

00:19:00,989 --> 00:18:56,529

government how are you allowed to repeat

452

00:19:03,029 --> 00:19:00,999

it well you know he had started telling

453

00:19:05,519 --> 00:19:03,039

me parts of this story from the time I

454

00:19:07,350 --> 00:19:05,529

was a kid and that was already almost 20

455

00:19:08,460 --> 00:19:07,360

years after he got out and he would only

456

00:19:10,529 --> 00:19:08,470

tell little

457

00:19:12,930 --> 00:19:10,539

by the time he told me what I just told

458

00:19:16,409 --> 00:19:12,940

you the whole big thing like that

459

00:19:20,970 --> 00:19:16,419

you know we're talking just you know

460

00:19:23,490 --> 00:19:20,980

like five or six years ago and I was

461

00:19:26,570 --> 00:19:23,500

already out of the Air Force you know

462

00:19:29,190 --> 00:19:26,580

five or six years five years by then and

463

00:19:33,120 --> 00:19:29,200

you know I can talk about this cuz I was

464

00:19:35,370 --> 00:19:33,130

never briefed about this any time during

465

00:19:38,810 --> 00:19:35,380

my employment with the Air Force OSI or

466

00:19:41,130 --> 00:19:38,820

any government entity so my view is

467

00:19:43,200 --> 00:19:41,140

unless I was sitting in a vault

468

00:19:46,020 --> 00:19:43,210

somewhere in a little room and being

469

00:19:49,080 --> 00:19:46,030

briefed in on this and in it's covered

470

00:19:51,149 --> 00:19:49,090

under what I signed it's fair game do we

471

00:19:53,070 --> 00:19:51,159

fan maybe there is like a warehouse 13

472

00:19:55,680 --> 00:19:53,080

where the government keeps all this

473

00:19:57,990 --> 00:19:55,690

stuff on ice or again is does Apple

474

00:19:59,850 --> 00:19:58,000

Computer have warehouse 13 it well

475

00:20:01,049 --> 00:19:59,860

whoever has it of course it exists I

476

00:20:03,750 --> 00:20:01,059

mean you got to have a place to store

477

00:20:04,890 --> 00:20:03,760

something I would say look at Denver you

478

00:20:06,990 --> 00:20:04,900

know with all the interesting mysterious

479

00:20:08,700 --> 00:20:07,000

things going on you know underground

480

00:20:10,260 --> 00:20:08,710

near the airport there I would say look

481

00:20:13,289 --> 00:20:10,270

there it's smack dab in the middle of

482

00:20:15,029 --> 00:20:13,299

our mainland and you got a lot of

483

00:20:16,919 --> 00:20:15,039

military around there a lot of high

484

00:20:19,409 --> 00:20:16,929

technical stuff I would say look in the

485

00:20:22,230 --> 00:20:19,419

Denver area I think that's where that's

486

00:20:25,950 --> 00:20:22,240

my guest now and it seems like a really

487

00:20:27,720 --> 00:20:25,960

light reason to say Denver you have any

488

00:20:29,580 --> 00:20:27,730

other reasons why you it's you said said

489

00:20:32,060 --> 00:20:29,590

this to me to why you would think that's

490

00:20:35,100 --> 00:20:32,070

that a hangar 18 kind of thing would be

491

00:20:35,460 --> 00:20:35,110

located in Denver because it just a

492

00:20:42,419 --> 00:20:35,470

hunch

493

00:20:44,730 --> 00:20:42,429

I've heard over the years and learned

494

00:20:48,000 --> 00:20:44,740

and things you know that were alluded to

495

00:20:50,760 --> 00:20:48,010

when I was in the Air Force about yeah I

496

00:20:53,850 --> 00:20:50,770

mean we know that there's some major Air

497

00:20:55,980 --> 00:20:53,860

Force technology installations there in

498

00:20:58,409 --> 00:20:55,990

the Denver area I I heard about that

499

00:21:01,289 --> 00:20:58,419

while I was on active duty it to me it

500

00:21:03,779 --> 00:21:01,299

makes good operational sense that if

501
00:21:05,850 --> 00:21:03,789
you're gonna have you know your your big

502
00:21:08,039 --> 00:21:05,860
secret vault that's where I would put it

503
00:21:09,480 --> 00:21:08,049
let's go back to your dad's experience

504
00:21:12,060 --> 00:21:09,490
because there's the share questions I'd

505
00:21:15,390 --> 00:21:12,070
like to kind of get clarified here okay

506
00:21:18,419 --> 00:21:15,400
right what did he see or observe about

507
00:21:20,320 --> 00:21:18,429
the bodies traditional greys or

508
00:21:24,159 --> 00:21:20,330
something else

509
00:21:26,019 --> 00:21:24,169
no not the traditional Grey's at all in

510
00:21:29,529 --> 00:21:26,029
fact that used to amuse the hell out of

511
00:21:34,889 --> 00:21:29,539
him he said that they were pretty much

512
00:21:37,570 --> 00:21:34,899
looked like us but without body hair and

513
00:21:40,870 --> 00:21:37,580

the way he described their hands that

514

00:21:43,570 --> 00:21:40,880

their their fingers were longer but he

515

00:21:45,850 --> 00:21:43,580

said they pretty much were like us but

516

00:21:47,830 --> 00:21:45,860

without body hair and he claimed that

517

00:21:49,990 --> 00:21:47,840

the people he met underground were as

518

00:21:52,720 --> 00:21:50,000

human as you or I they were basically

519

00:21:54,879 --> 00:21:52,730

human beings at in a remote past

520

00:21:58,060 --> 00:21:54,889

Cataclysm surface Cataclysm had gone

521

00:22:00,639 --> 00:21:58,070

underground for survival and many of

522

00:22:02,289 --> 00:22:00,649

them just chose to stay down there it

523

00:22:02,889 --> 00:22:02,299

sounds like The Legend of the DeRozan

524

00:22:08,970 --> 00:22:02,899

teros

525

00:22:11,080 --> 00:22:08,980

number of legends of hidden underground

526

00:22:13,000 --> 00:22:11,090

civilizations and that doesn't

527

00:22:15,669 --> 00:22:13,010

necessarily mean I personally believe in

528

00:22:17,919 --> 00:22:15,679

a big Hollow Earth you know literal

529

00:22:20,980 --> 00:22:17,929

sense but there is a lot of evidence for

530

00:22:23,889 --> 00:22:20,990

vast habitable underground you know

531

00:22:26,169 --> 00:22:23,899

pockets underneath are our surface of

532

00:22:28,389 --> 00:22:26,179

our planet and this this is what he said

533

00:22:31,509 --> 00:22:28,399

is true this is what he told me he

534

00:22:33,759 --> 00:22:31,519

witnessed now based on what dad

535

00:22:35,500 --> 00:22:33,769

witnessed what he explained to you and

536

00:22:39,399 --> 00:22:35,510

these experiences

537

00:22:43,509 --> 00:22:39,409

now we segue to the 1990s in the book

538

00:22:46,570 --> 00:22:43,519

the day after Roswell the burns and and

539

00:22:48,850 --> 00:22:46,580

Philip Corso right he's saying ok they

540

00:22:50,860 --> 00:22:48,860

recovered alien technology he was the

541

00:22:52,649 --> 00:22:50,870

bagman who went to private industry and

542

00:22:55,539 --> 00:22:52,659

said here's stuff like night vision

543

00:22:59,889 --> 00:22:55,549

goggles the low-hanging fruit that we

544

00:23:01,980 --> 00:22:59,899

can possibly shall we say exploit or

545

00:23:05,710 --> 00:23:01,990

learn something about and

546

00:23:07,539 --> 00:23:05,720

reverse-engineer so if we take what

547

00:23:10,090 --> 00:23:07,549

happened to your father hmm

548

00:23:12,600 --> 00:23:10,100

and we then moved to this other book

549

00:23:14,889 --> 00:23:12,610

which is very controversial as you know

550

00:23:16,799 --> 00:23:14,899

do you think that's possible do you

551
00:23:21,330 --> 00:23:16,809
think Corso may have been involved in I

552
00:23:26,049 --> 00:23:21,340
think that I think it's possible that

553
00:23:30,100 --> 00:23:26,059
Corso consciously presented material

554
00:23:32,529 --> 00:23:30,110
that allowed the public to assume the et

555
00:23:33,990 --> 00:23:32,539
hypothesis maybe to feed the ET

556
00:23:38,220 --> 00:23:34,000
hypothesis

557
00:23:40,050 --> 00:23:38,230
no I have to refer to you know the the

558
00:23:42,240 --> 00:23:40,060
the the Nazi theory

559
00:23:43,920 --> 00:23:42,250
I'm just look at Joseph Farrell's book

560
00:23:46,020 --> 00:23:43,930
Roswell on the Reich for those who

561
00:23:48,480 --> 00:23:46,030
aren't familiar with the Nazi theory

562
00:23:53,390 --> 00:23:48,490
read that book because that book is

563
00:23:55,050 --> 00:23:53,400

singularly the most detailed look and

564

00:23:57,990 --> 00:23:55,060

investigation if you will or

565

00:24:00,810 --> 00:23:58,000

presentation of any theory about Roswell

566

00:24:03,540 --> 00:24:00,820

ever presented well you accept his

567

00:24:05,400 --> 00:24:03,550

theories being one that shall we say is

568

00:24:08,640 --> 00:24:05,410

accurate Wow

569

00:24:11,130 --> 00:24:08,650

you know what it's so far the most

570

00:24:13,260 --> 00:24:11,140

accurate that we have available yeah

571

00:24:15,630 --> 00:24:13,270

because when you study what the Germans

572

00:24:17,760 --> 00:24:15,640

were actually researching when you look

573

00:24:19,440 --> 00:24:17,770

at the evidence and when you look at you

574

00:24:21,870 --> 00:24:19,450

know all the you know that the UFO

575

00:24:23,670 --> 00:24:21,880

events in question over the years and

576

00:24:27,720 --> 00:24:23,680

you look at it from that point of view

577

00:24:32,190 --> 00:24:27,730

it makes far more sense than ET or

578

00:24:37,290 --> 00:24:32,200

underground people or you know anything

579

00:24:40,020 --> 00:24:37,300

else okay so we accept then if we assume

580

00:24:42,510 --> 00:24:40,030

that all this is accurate is it possible

581

00:24:44,430 --> 00:24:42,520

your father was telling you a story or

582

00:24:46,560 --> 00:24:44,440

was given a cover story in the course of

583

00:24:51,060 --> 00:24:46,570

his work this is not exactly what was

584

00:24:54,960 --> 00:24:51,070

going on yes I do believe that the cover

585

00:24:59,370 --> 00:24:54,970

though however was presented to him as

586

00:25:01,170 --> 00:24:59,380

truth and I was told it's kind of

587

00:25:02,730 --> 00:25:01,180

interesting there's kind of an official

588

00:25:05,760 --> 00:25:02,740

way I learned things and then there's

589

00:25:07,880 --> 00:25:05,770

kind of an unofficial that I take as

590

00:25:10,620 --> 00:25:07,890

official and and one of those sources

591

00:25:14,360 --> 00:25:10,630

pretty much explained to me that they

592

00:25:16,500 --> 00:25:14,370

had started using hypnosis back then to

593

00:25:19,650 --> 00:25:16,510

you know kind of keep people from

594

00:25:24,030 --> 00:25:19,660

talking about certain things or possibly

595

00:25:26,520 --> 00:25:24,040

in in my conclusion on that question you

596

00:25:29,310 --> 00:25:26,530

just ask it is possible that they might

597

00:25:31,260 --> 00:25:29,320

have put in his head the version he told

598

00:25:33,780 --> 00:25:31,270

me but I mean I will tell you he

599

00:25:36,540 --> 00:25:33,790

absolutely believed what he was telling

600

00:25:39,000 --> 00:25:36,550

me because I saw the emotional reaction

601
00:25:41,220 --> 00:25:39,010
that he went through because a man he

602
00:25:42,780 --> 00:25:41,230
describes a man being killed by the

603
00:25:44,550 --> 00:25:42,790
technology of one of the underground

604
00:25:46,860 --> 00:25:44,560
people one of the guys that my dad was

605
00:25:48,030 --> 00:25:46,870
working with and he gets really motion

606
00:25:50,580 --> 00:25:48,040
the point of the story where he's

607
00:25:52,980 --> 00:25:50,590
talking about this this they kind of ran

608
00:25:55,320 --> 00:25:52,990
into these people down below and it was

609
00:25:57,390 --> 00:25:55,330
not intended to be a hostile kind of

610
00:25:59,910 --> 00:25:57,400
thing but because of miscommunication

611
00:26:02,760 --> 00:25:59,920
and such that's what happened and he

612
00:26:07,350 --> 00:26:02,770
gets he got he's passed away since he

613
00:26:10,200 --> 00:26:07,360

was murdered and he he got very

614

00:26:12,180 --> 00:26:10,210

emotional and I as an agent I learned

615

00:26:13,770 --> 00:26:12,190

interview and interrogation techniques

616

00:26:15,930 --> 00:26:13,780

and some of the things you learn is is

617

00:26:17,820 --> 00:26:15,940

how to talk with somebody and read them

618

00:26:19,890 --> 00:26:17,830

and question them in a way to get to the

619

00:26:22,020 --> 00:26:19,900

C if they're lying and I used everything

620

00:26:24,390 --> 00:26:22,030

I know on the man and he was not lying

621

00:26:26,040 --> 00:26:24,400

to me now he could have been telling me

622

00:26:29,130 --> 00:26:26,050

a cover story he didn't realize was a

623

00:26:35,080 --> 00:26:29,140

cover story but he was not lying to me

624

00:26:39,780 --> 00:26:37,430

[Music]

625

00:26:42,060 --> 00:26:39,790

picture this you're on the phone with a

626
00:26:45,210 --> 00:26:42,070
client or colleague trying to explain

627
00:26:47,460 --> 00:26:45,220
something visual a PowerPoint a keynote

628
00:26:50,100 --> 00:26:47,470
presentation a website but it's

629
00:26:52,140 --> 00:26:50,110
frustrating because they can't see what

630
00:26:54,840 --> 00:26:52,150
you're talking about the solution good

631
00:26:58,440 --> 00:26:54,850
news they can if you invite them to an

632
00:27:00,780 --> 00:26:58,450
online meeting using GoToMeeting then

633
00:27:03,299 --> 00:27:00,790
they can see your computer desktop on

634
00:27:05,340 --> 00:27:03,309
their computer screen so you can show

635
00:27:07,080 --> 00:27:05,350
them what you're talking about I use

636
00:27:09,390 --> 00:27:07,090
goto meeting all the time to collaborate

637
00:27:12,720 --> 00:27:09,400
with colleagues and with clients you can

638
00:27:15,620 --> 00:27:12,730

try goto meeting free for 30 days but

639

00:27:19,400 --> 00:27:15,630

you must visit goto meeting slash

640

00:27:24,190 --> 00:27:19,410

podcasts let's go to meeting.com slash

641

00:27:24,200 --> 00:27:30,120

[Music]

642

00:27:40,480 --> 00:27:37,090

I believe my co-host is Greg Bishop our

643

00:27:43,150 --> 00:27:40,490

guest is Walter Bosley and we have some

644

00:27:46,090 --> 00:27:43,160

very unusual stuff going on here folks

645

00:27:48,490 --> 00:27:46,100

some very unusual information and we're

646

00:27:51,250 --> 00:27:48,500

going to explore it further okay now

647

00:27:54,370 --> 00:27:51,260

with this background gleaned over a

648

00:27:57,670 --> 00:27:54,380

number of years you're working for the

649

00:27:59,800 --> 00:27:57,680

Air Force yeah you're our specialist

650

00:28:01,180 --> 00:27:59,810

counterintelligence you were also

651
00:28:04,450 --> 00:28:01,190
stationed at wright-patterson Air Force

652
00:28:06,760 --> 00:28:04,460
Base which at one time we all call UFO

653
00:28:07,480 --> 00:28:06,770
central because of the president Project

654
00:28:09,160 --> 00:28:07,490
Blue Book there

655
00:28:11,110 --> 00:28:09,170
okay so while you were over at

656
00:28:11,800 --> 00:28:11,120
wright-patterson did you see anything

657
00:28:13,120 --> 00:28:11,810
weird

658
00:28:16,420 --> 00:28:13,130
while I was at wright-patt the one

659
00:28:19,930 --> 00:28:16,430
strange thing I saw or experienced was

660
00:28:22,090 --> 00:28:19,940
in the unmarked black helicopter rising

661
00:28:24,850 --> 00:28:22,100
up out of a corn field between Fairborn

662
00:28:29,050 --> 00:28:24,860
and Yellow Springs one the one late

663
00:28:33,220 --> 00:28:29,060

afternoon and when I inquired about it I

664

00:28:36,390 --> 00:28:33,230

was told that oh yeah it was associated

665

00:28:39,100 --> 00:28:36,400

with a federal agency that whose work is

666

00:28:42,220 --> 00:28:39,110

very far removed from anything to do

667

00:28:45,370 --> 00:28:42,230

with UFOs and and I recall we we all had

668

00:28:46,750 --> 00:28:45,380

kind of a good laugh on now my gosh what

669

00:28:48,790 --> 00:28:46,760

are they thinking when they saw this

670

00:28:53,140 --> 00:28:48,800

black helicopter rise out of the

671

00:28:54,400 --> 00:28:53,150

cornfield you know but I you know while

672

00:28:58,290 --> 00:28:54,410

I was there during the course of my work

673

00:29:02,170 --> 00:28:58,300

yeah I had access to technology

674

00:29:05,590 --> 00:29:02,180

information data that I cannot discuss

675

00:29:08,350 --> 00:29:05,600

that you know naturally in the course of

676
00:29:11,140 --> 00:29:08,360
my duties I would have I did learn some

677
00:29:13,750 --> 00:29:11,150
interesting things about you know how

678
00:29:17,200 --> 00:29:13,760
some advanced airforce platforms work

679
00:29:21,850 --> 00:29:17,210
and you know stuff I can't talk about

680
00:29:24,340 --> 00:29:21,860
but no I did not see any hangar 18 or

681
00:29:26,080 --> 00:29:24,350
you know any stored flying saucers or

682
00:29:29,140 --> 00:29:26,090
such like that if they ever work right

683
00:29:31,450 --> 00:29:29,150
pad I guarantee you they're not likely

684
00:29:33,340 --> 00:29:31,460
there anymore and haven't been there for

685
00:29:37,240 --> 00:29:33,350
a long time or maybe it's above your pay

686
00:29:39,890 --> 00:29:37,250
grade my well pay grade

687
00:29:43,670 --> 00:29:39,900
doesn't necessarily equate to clearance

688
00:29:46,250 --> 00:29:43,680

levels I had a clearance level quite

689

00:29:48,340 --> 00:29:46,260

high above some pay grades well above

690

00:29:50,870 --> 00:29:48,350

mine well there's another point too and

691

00:29:52,010 --> 00:29:50,880

I have to ask the same question again if

692

00:29:56,380 --> 00:29:52,020

you did see something

693

00:29:58,760 --> 00:29:56,390

Kujo can tell us I know and I wouldn't I

694

00:30:01,370 --> 00:29:58,770

got a question for you this is one I've

695

00:30:03,410 --> 00:30:01,380

given to people I know who are like you

696

00:30:06,290 --> 00:30:03,420

Dodi and people like that while you were

697

00:30:08,810 --> 00:30:06,300

at wright-patt or anytime in your duties

698

00:30:14,780 --> 00:30:08,820

anywhere in an official capacity did you

699

00:30:16,340 --> 00:30:14,790

ever see or hear or get briefed into

700

00:30:18,410 --> 00:30:16,350

anything that would make most of us go

701
00:30:20,600 --> 00:30:18,420
holy crap you know that that's that I

702
00:30:22,280 --> 00:30:20,610
didn't even know the government could do

703
00:30:24,560 --> 00:30:22,290
that I didn't even know we had that kind

704
00:30:27,440 --> 00:30:24,570
of technology you know back then and

705
00:30:28,850 --> 00:30:27,450
then and maybe now because of right now

706
00:30:32,720 --> 00:30:28,860
might be about the time we might be

707
00:30:35,480 --> 00:30:32,730
finding out about it well as you could

708
00:30:38,870 --> 00:30:35,490
guess if I were officially briefed in on

709
00:30:40,280 --> 00:30:38,880
it again good I couldn't acknowledge but

710
00:30:42,410 --> 00:30:40,290
you know I was talking about your

711
00:30:45,230 --> 00:30:42,420
reaction I'm sorry what the technology

712
00:30:47,150 --> 00:30:45,240
is but your reaction and the possible

713
00:30:48,890 --> 00:30:47,160

reaction of people very gonna have to

714

00:30:52,070 --> 00:30:48,900

discuss what it is but you can make P

715

00:30:53,930 --> 00:30:52,080

give people kind of a idea of what was

716

00:30:56,900 --> 00:30:53,940

this technology that you were sworn to

717

00:31:00,110 --> 00:30:56,910

protect and you know it could it be

718

00:31:03,830 --> 00:31:00,120

mistaken for the UFO start that we often

719

00:31:06,170 --> 00:31:03,840

see and talk about yes yes I did hear

720

00:31:09,350 --> 00:31:06,180

about something from someone who would

721

00:31:14,890 --> 00:31:09,360

know that it was I will say that it was

722

00:31:17,720 --> 00:31:14,900

a something that's launched in an

723

00:31:19,220 --> 00:31:17,730

unconventional manner unconventional

724

00:31:24,050 --> 00:31:19,230

meaning what we're used to

725

00:31:25,610 --> 00:31:24,060

and that right there could explain it

726

00:31:28,280 --> 00:31:25,620

could explain some of the things you

727

00:31:32,170 --> 00:31:28,290

yourself have investigated and when I

728

00:31:35,060 --> 00:31:32,180

heard about it I was I was impressed and

729

00:31:37,430 --> 00:31:35,070

you know I whenever you hear about

730

00:31:40,550 --> 00:31:37,440

certain capabilities and how things

731

00:31:43,690 --> 00:31:40,560

actually work there there are some very

732

00:31:46,760 --> 00:31:43,700

interesting surprises you know in there

733

00:31:47,930 --> 00:31:46,770

yeah yeah and lightning and absolutely

734

00:31:50,850 --> 00:31:47,940

these are things one of the first

735

00:31:53,340 --> 00:31:50,860

thoughts that comes to your mind is wow

736

00:31:55,740 --> 00:31:53,350

this is what these folks think is a

737

00:31:58,440 --> 00:31:55,750

flying saucer or something from another

738

00:32:00,090 --> 00:31:58,450

planet what did you think of that a guy

739

00:32:01,950 --> 00:32:00,100

last week that was on the show with us

740

00:32:04,080 --> 00:32:01,960

saying that there were lighter than air

741

00:32:05,520 --> 00:32:04,090

craft they could do in incredible fast

742

00:32:07,230 --> 00:32:05,530

maneuvers and things like that did that

743

00:32:09,600 --> 00:32:07,240

sound plausible to you

744

00:32:12,180 --> 00:32:09,610

yeah I mean I'm not gonna say it's

745

00:32:13,919 --> 00:32:12,190

implausible that you know that there are

746

00:32:15,480 --> 00:32:13,929

lighter than air crafts that you know

747

00:32:19,620 --> 00:32:15,490

that can do amazing things

748

00:32:23,789 --> 00:32:19,630

my only difficulty was based on his work

749

00:32:26,789 --> 00:32:23,799

in that he seemed to not be as open to

750

00:32:27,720 --> 00:32:26,799

other things and my my experience has

751

00:32:29,640 --> 00:32:27,730

been there's a lot of

752

00:32:31,770 --> 00:32:29,650

compartmentalization that's what it's

753

00:32:34,470 --> 00:32:31,780

all about and when you're when you're in

754

00:32:36,480 --> 00:32:34,480

that world most of the guys I know and

755

00:32:38,940 --> 00:32:36,490

myself you come away going well I know

756

00:32:40,740 --> 00:32:38,950

what I experienced I know what I was

757

00:32:42,900 --> 00:32:40,750

briefed in on I know what I work with

758

00:32:44,880 --> 00:32:42,910

but I don't know what the guys down the

759

00:32:47,460 --> 00:32:44,890

hall and the program I've not read in on

760

00:32:49,950 --> 00:32:47,470

I don't know what they're doing and I'm

761

00:32:51,299 --> 00:32:49,960

not gonna say that you know anything out

762

00:32:54,270 --> 00:32:51,309

of the scope of what I worked is

763

00:32:56,430 --> 00:32:54,280

impossible or probably not likely I'm

764

00:32:58,500 --> 00:32:56,440

not about to say that in a matter of

765

00:33:00,840 --> 00:32:58,510

fact it's usually quite the opposite

766

00:33:03,120 --> 00:33:00,850

it's wow the stuff I've seen as possible

767

00:33:03,659 --> 00:33:03,130

then hmm you know I wonder what they're

768

00:33:06,360 --> 00:33:03,669

doing

769

00:33:08,220 --> 00:33:06,370

yeah and that was when you that was when

770

00:33:12,990 --> 00:33:08,230

you were active which was the early to

771

00:33:16,260 --> 00:33:13,000

mid 90s right it was from I I was I I

772

00:33:18,330 --> 00:33:16,270

reported to OTS in August of 1993

773

00:33:22,950 --> 00:33:18,340

reported OSI I was commissioned in

774

00:33:27,030 --> 00:33:22,960

November 1942 OSI Academy in I believe

775

00:33:30,330 --> 00:33:27,040

January of 94 Walker we have some other

776

00:33:33,390 --> 00:33:30,340

people who were once in the military who

777

00:33:38,400 --> 00:33:33,400

had become controversial new foe field

778

00:33:39,180 --> 00:33:38,410

such as Richard Doty Collins yeah what

779

00:33:41,130 --> 00:33:39,190

about them

780

00:33:43,650 --> 00:33:41,140

do we take anything that they say

781

00:33:45,000 --> 00:33:43,660

seriously Walter I never met them I

782

00:33:49,080 --> 00:33:45,010

don't know them personally it's

783

00:33:50,730 --> 00:33:49,090

interesting my training agent when I got

784

00:33:53,640 --> 00:33:50,740

my first assignment as an OSI agent was

785

00:33:56,250 --> 00:33:53,650

a guy named Bob Collins and and I never

786

00:33:59,159 --> 00:33:56,260

met Richard Doty his name was brought up

787

00:34:01,860 --> 00:33:59,169

on one particular project I did as kind

788

00:34:04,409 --> 00:34:01,870

of a cautionary tale but you know I

789

00:34:07,049 --> 00:34:04,419

never met the man I I don't know him I

790

00:34:10,730 --> 00:34:07,059

you know so I can't really pass a

791

00:34:15,569 --> 00:34:10,740

judgement I just can't do it so I won't

792

00:34:20,250 --> 00:34:15,579

but I would say listen to what people

793

00:34:23,970 --> 00:34:20,260

say try to do your own follow up on what

794

00:34:25,559 --> 00:34:23,980

they say your own don't really take if

795

00:34:28,829 --> 00:34:25,569

at all possible if you could not take

796

00:34:31,020 --> 00:34:28,839

someone else's word go out or sit down

797

00:34:32,700 --> 00:34:31,030

and look into it to yourself and then

798

00:34:34,619 --> 00:34:32,710

draw your own conclusions

799

00:34:37,440 --> 00:34:34,629

another thing people don't realize is

800

00:34:39,450 --> 00:34:37,450

that when you're in OSI in certain

801
00:34:42,690 --> 00:34:39,460
capacities you've you're given a lot of

802
00:34:45,440 --> 00:34:42,700
latitude to do things to accomplish your

803
00:34:47,819 --> 00:34:45,450
mission isn't that right Walter you are

804
00:34:50,099 --> 00:34:47,829
trusted to go out there and do your job

805
00:34:52,980 --> 00:34:50,109
and because you have a very

806
00:34:56,730 --> 00:34:52,990
well-thought-out well-written well

807
00:34:58,859 --> 00:34:56,740
seasoned set of regulations that you

808
00:35:01,470 --> 00:34:58,869
know the guys before you you don't need

809
00:35:03,690 --> 00:35:01,480
to reinvent the wheel these regulations

810
00:35:06,089 --> 00:35:03,700
are there they work but when you're an

811
00:35:09,569 --> 00:35:06,099
OSI agent as you are a federal agent in

812
00:35:11,730 --> 00:35:09,579
any agency you are trusted to do the job

813
00:35:14,010 --> 00:35:11,740

correctly and to have the smarts to be

814

00:35:16,559 --> 00:35:14,020

able to make the right tactical

815

00:35:18,569 --> 00:35:16,569

investigative decisions and so yeah and

816

00:35:21,960 --> 00:35:18,579

depending upon what your job is within

817

00:35:24,960 --> 00:35:21,970

that mine I happen to be a counter

818

00:35:26,930 --> 00:35:24,970

espionage operations agent and I was

819

00:35:31,289 --> 00:35:26,940

chief of the branch at wright-patt and

820

00:35:33,630 --> 00:35:31,299

that was double agent ops and you know

821

00:35:35,400 --> 00:35:33,640

so we were we're doing operational stuff

822

00:35:38,609 --> 00:35:35,410

and yeah it's a great position of trust

823

00:35:39,599 --> 00:35:38,619

and it was fascinating work I loved

824

00:35:41,910 --> 00:35:39,609

every minute of it

825

00:35:44,579 --> 00:35:41,920

but exactly you know your trusted but

826

00:35:46,440 --> 00:35:44,589

you are still reporting to superiors you

827

00:35:49,710 --> 00:35:46,450

are still following guidelines and

828

00:35:52,020 --> 00:35:49,720

believe me if you step out those

829

00:35:54,390 --> 00:35:52,030

guidelines you know egregiously you

830

00:35:56,370 --> 00:35:54,400

you're gonna eat you alive what I was

831

00:35:58,680 --> 00:35:56,380

implying was that you would make a

832

00:35:59,940 --> 00:35:58,690

comparison between you and Dodi and say

833

00:36:01,470 --> 00:35:59,950

well they're that they're coming from

834

00:36:03,870 --> 00:36:01,480

the same place so why should we trust

835

00:36:06,210 --> 00:36:03,880

either of them or whatever but my

836

00:36:10,589 --> 00:36:06,220

situation was that he was doing a job

837

00:36:13,589 --> 00:36:10,599

for certain bosses and certain other

838

00:36:17,040 --> 00:36:13,599

agencies associated with the OSI at

839

00:36:18,690 --> 00:36:17,050

least in capacity of that Kirtland

840

00:36:20,070 --> 00:36:18,700

and you are doing a certain job it

841

00:36:23,550 --> 00:36:20,080

doesn't mean you're gonna do it the same

842

00:36:25,530 --> 00:36:23,560

way form it the same way and you know

843

00:36:28,080 --> 00:36:25,540

the the results are gonna be different

844

00:36:29,610 --> 00:36:28,090

and you know people look at the

845

00:36:32,370 --> 00:36:29,620

government of this monolithic thing and

846

00:36:34,050 --> 00:36:32,380

it's not and that has to be stressed

847

00:36:36,810 --> 00:36:34,060

over and over and over again to a lot of

848

00:36:38,940 --> 00:36:36,820

UFO and conspiracy type people that some

849

00:36:40,320 --> 00:36:38,950

people are trustworthy some art some are

850

00:36:43,500 --> 00:36:40,330

gonna do things a certain way some are

851
00:36:44,940 --> 00:36:43,510
others and yeah and you adjust if you're

852
00:36:46,980 --> 00:36:44,950
interested in that you adjust your

853
00:36:48,950 --> 00:36:46,990
enquiries and your attitude accordingly

854
00:36:52,140 --> 00:36:48,960
to the person you're dealing with

855
00:36:55,200 --> 00:36:52,150
wouldn't you say that Walter yes yeah

856
00:36:57,150 --> 00:36:55,210
absolutely it you know it really does

857
00:36:58,800 --> 00:36:57,160
come down to the individual you know

858
00:37:02,100 --> 00:36:58,810
who's got the boots on the ground as we

859
00:37:05,940 --> 00:37:02,110
say and that individual can make or

860
00:37:07,860 --> 00:37:05,950
break their operation their case or the

861
00:37:09,990 --> 00:37:07,870
reputation of the organization depending

862
00:37:14,730 --> 00:37:10,000
upon what they do and you know nobody's

863
00:37:17,640 --> 00:37:14,740

perfect but a lot of folks don't make

864

00:37:21,060 --> 00:37:17,650

certain mistakes you know I can honestly

865

00:37:24,450 --> 00:37:21,070

say particularly about OSI when I was in

866

00:37:27,860 --> 00:37:24,460

it had enjoyed the best reputation of

867

00:37:30,570 --> 00:37:27,870

all the special investigative service

868

00:37:33,180 --> 00:37:30,580

organizations of the military services

869

00:37:36,240 --> 00:37:33,190

bar nine fast question here maybe not a

870

00:37:38,160 --> 00:37:36,250

fast question okay you're working for

871

00:37:40,380 --> 00:37:38,170

the Air Force you're wright-patterson

872

00:37:43,260 --> 00:37:40,390

you know about UFOs because of your

873

00:37:45,950 --> 00:37:43,270

prior interest didn't your bosses ever

874

00:37:48,750 --> 00:37:45,960

ask you to do any assignments related to

875

00:37:52,500 --> 00:37:48,760

UFOs the UFO research community

876

00:37:54,450 --> 00:37:52,510

witnesses whatever no as I said I was

877

00:37:57,210 --> 00:37:54,460

chief of a counter espionage operations

878

00:37:59,880 --> 00:37:57,220

branch that exposed me personally to

879

00:38:04,050 --> 00:37:59,890

some pretty interesting technology on a

880

00:38:06,690 --> 00:38:04,060

regular daily basis for three years but

881

00:38:08,840 --> 00:38:06,700

I've had my hands pretty full running

882

00:38:11,400 --> 00:38:08,850

that that was a very important mission

883

00:38:17,010 --> 00:38:11,410

and I was in charge of it for those

884

00:38:19,170 --> 00:38:17,020

those three years were foreign yeah what

885

00:38:21,630 --> 00:38:19,180

I did was international in scope when I

886

00:38:22,980 --> 00:38:21,640

was a what gene was employing was

887

00:38:23,490 --> 00:38:22,990

something that I've written down as a

888

00:38:27,540 --> 00:38:23,500

quest

889

00:38:28,800 --> 00:38:27,550

because of your because what you told me

890

00:38:33,930 --> 00:38:28,810

when we first met and you've mentioned

891

00:38:36,150 --> 00:38:33,940

on my show about attending at least one

892

00:38:38,220 --> 00:38:36,160

UFO conference trying to see what was

893

00:38:40,410 --> 00:38:38,230

going on yeah that was when I was

894

00:38:42,930 --> 00:38:40,420

assigned to Los Angeles and I was doing

895

00:38:46,200 --> 00:38:42,940

a very shallow operation because the

896

00:38:47,609 --> 00:38:46,210

concern that I was looking at was the

897

00:38:50,690 --> 00:38:47,619

possibility of foreign intelligence

898

00:38:52,770 --> 00:38:50,700

agents working within civilian UFO

899

00:38:56,609 --> 00:38:52,780

organizations to get a closer look at

900

00:39:00,990 --> 00:38:56,619

our technology in our bases a very valid

901
00:39:04,040 --> 00:39:01,000
concern a very honest necessary concern

902
00:39:06,839 --> 00:39:04,050
of the US Air Force to look into I

903
00:39:09,540 --> 00:39:06,849
convinced my commanders and headquarters

904
00:39:11,400 --> 00:39:09,550
to let me do it so oh so you wanted to

905
00:39:13,290 --> 00:39:11,410
go and do that and see and see it wasn't

906
00:39:14,970 --> 00:39:13,300
because I was at that convention and I

907
00:39:16,800 --> 00:39:14,980
saw those Russian people I didn't know

908
00:39:19,410 --> 00:39:16,810
alter was there that was before we met

909
00:39:21,570 --> 00:39:19,420
it was my idea the operation well

910
00:39:22,830 --> 00:39:21,580
without going into detail or maybe you

911
00:39:24,450 --> 00:39:22,840
can or can't

912
00:39:29,060 --> 00:39:24,460
did you find any evidence of this

913
00:39:32,160 --> 00:39:29,070

foreign infiltration mmm no comment

914

00:39:33,839 --> 00:39:32,170

there you go I talked with Bill Moore

915

00:39:35,250 --> 00:39:33,849

quite a bit and he said there was quite

916

00:39:37,589 --> 00:39:35,260

a bit of it and there was also quite a

917

00:39:39,150 --> 00:39:37,599

bit of it believe it or not which I

918

00:39:42,000 --> 00:39:39,160

guess most people would at least in the

919

00:39:45,109 --> 00:39:42,010

70s and 80s at that time from Chinese

920

00:39:47,400 --> 00:39:45,119

intelligence who were infiltrating UFO

921

00:39:49,440 --> 00:39:47,410

organizations as well well that's

922

00:39:52,280 --> 00:39:49,450

another point too now that you're out of

923

00:39:54,750 --> 00:39:52,290

the business the intelligent business

924

00:39:59,540 --> 00:39:54,760

Walter do you see any evidence today

925

00:40:04,349 --> 00:39:59,550

this is still going on I you know what I

926

00:40:09,690 --> 00:40:04,359

to be honest my interest in UFOs has

927

00:40:13,680 --> 00:40:09,700

altered and it has actually kind of

928

00:40:16,650 --> 00:40:13,690

waned as far as the UFO ufology

929

00:40:19,950 --> 00:40:16,660

community I think ufology has gone down

930

00:40:22,500 --> 00:40:19,960

a dead-end when I seven for 60 years

931

00:40:24,990 --> 00:40:22,510

what's the difference

932

00:40:27,750 --> 00:40:25,000

yeah maybe I'm just noticing it for the

933

00:40:30,120 --> 00:40:27,760

first time but so I I don't really I

934

00:40:33,240 --> 00:40:30,130

don't really look that closely it's I'll

935

00:40:39,120 --> 00:40:33,250

be honest with you it's almost - I don't

936

00:40:41,220 --> 00:40:39,130

care anymore situation I I don't I you

937

00:40:43,590 --> 00:40:41,230

know if I were looking closely I I might

938

00:40:45,810 --> 00:40:43,600

see it but my point is I don't look

939

00:40:47,580 --> 00:40:45,820

closely enough anymore I you know I have

940

00:40:49,380 --> 00:40:47,590

no need to I think that's true with a

941

00:40:53,160 --> 00:40:49,390

lot of people here as you get exposed to

942

00:40:56,460 --> 00:40:53,170

UFOs UFO research the field the field

943

00:40:58,470 --> 00:40:56,470

can be toxic the field can be a mess

944

00:40:59,970 --> 00:40:58,480

because it's not just people looking at

945

00:41:00,810 --> 00:40:59,980

flying sausage and trying to figure out

946

00:41:04,230 --> 00:41:00,820

what they are

947

00:41:07,980 --> 00:41:04,240

you have egos you have turf wars

948

00:41:09,930 --> 00:41:07,990

you have agendas which can just be

949

00:41:13,170 --> 00:41:09,940

making a buck but not always at the

950

00:41:16,290 --> 00:41:13,180

expense of trying to find out what's

951
00:41:17,280 --> 00:41:16,300
going on but just to make a buck it

952
00:41:19,500 --> 00:41:17,290
doesn't matter if you're telling the

953
00:41:20,940 --> 00:41:19,510
truth or not you you have a lot of

954
00:41:23,010 --> 00:41:20,950
people who aren't looking for the truth

955
00:41:26,130 --> 00:41:23,020
they're looking for a spotlight you know

956
00:41:29,430 --> 00:41:26,140
that kind of brings with it the the it's

957
00:41:32,340 --> 00:41:29,440
the attention is diverted now away from

958
00:41:38,880 --> 00:41:32,350
true research and investigation it's

959
00:41:43,690 --> 00:41:38,890
more into perpetuating dogma really is

973

00:43:06,530 --> 00:43:04,460

we have Greg Bishop our co-hosts on this

974

00:43:09,350 --> 00:43:06,540

week's episode of the power cast Walter

975

00:43:12,920 --> 00:43:09,360

Bosley joining us he's worked with Greg

976

00:43:17,420 --> 00:43:12,930

as a co-host on his shows but also he's

977

00:43:21,440 --> 00:43:17,430

a former Air Force intelligence man okay

978

00:43:23,300 --> 00:43:21,450

OSI with OSI and therefore we are asking

979

00:43:25,070 --> 00:43:23,310

him questions that he can't answer and

980

00:43:27,380 --> 00:43:25,080

we don't want to be arrested folks okay

981

00:43:29,030 --> 00:43:27,390

so when I get the letters and I see the

982

00:43:31,190 --> 00:43:29,040

messages on the power cast forms and

983

00:43:34,880 --> 00:43:31,200

they say why didn't you ask Walter this

984

00:43:37,070 --> 00:43:34,890

well you know what the guy has to accept

985

00:43:38,990 --> 00:43:37,080

certain requirements to get the job he

986

00:43:40,820 --> 00:43:39,000

doesn't have to take the job but once

987

00:43:42,890 --> 00:43:40,830

you do you have to agree to certain

988

00:43:44,450 --> 00:43:42,900

requirements and that means you know

989

00:43:47,120 --> 00:43:44,460

there's some things you can't say we had

990

00:43:49,340 --> 00:43:47,130

of course very recently Nick Pope on the

991

00:43:51,860 --> 00:43:49,350

power cast and there are things he can't

992

00:43:54,080 --> 00:43:51,870

say and that's the way it is if you want

993

00:43:56,330 --> 00:43:54,090

to be a good citizen you don't want to

994

00:43:57,860 --> 00:43:56,340

be arrested or face the consequences

995

00:43:59,690 --> 00:43:57,870

you don't talk about certain things but

996

00:44:01,430 --> 00:43:59,700

still we're trying to understand how

997

00:44:03,980 --> 00:44:01,440

things work in the UFO field but then I

998

00:44:07,190 --> 00:44:03,990

go back to the same thing the UFO field

999

00:44:09,170 --> 00:44:07,200

has gone nowhere major Donald Kehoe in

1000

00:44:11,270 --> 00:44:09,180

the book flying saucer conspiracy said

1001
00:44:14,360 --> 00:44:11,280
the government knows everything their

1002
00:44:16,010 --> 00:44:14,370
spaceships we've got to ask for

1003
00:44:18,710 --> 00:44:16,020
disclosure he called the government

1004
00:44:21,520 --> 00:44:18,720
people the silence group said later 2010

1005
00:44:22,760 --> 00:44:21,530
54 years later what's the difference

1006
00:44:25,160 --> 00:44:22,770
right

1007
00:44:27,500 --> 00:44:25,170
oh there's almost no difference I mean

1008
00:44:28,880 --> 00:44:27,510
it's the same it's the same thing over

1009
00:44:30,410 --> 00:44:28,890
and over again and it's a bunch of

1010
00:44:31,940 --> 00:44:30,420
people in a circle jerk and that's what

1011
00:44:33,680 --> 00:44:31,950
it's been for a long time and if you try

1012
00:44:37,130 --> 00:44:33,690
to suggest that they'd they are in a

1013
00:44:38,840 --> 00:44:37,140

circle jerk they get mad at you because

1014

00:44:40,580 --> 00:44:38,850

they don't want to be exposed as a

1015

00:44:42,650 --> 00:44:40,590

people people sitting around circle

1016

00:44:45,050 --> 00:44:42,660

jerk about something that that hasn't

1017

00:44:47,390 --> 00:44:45,060

gotten anywhere and all it does is pump

1018

00:44:49,220 --> 00:44:47,400

up people's egos and and people that are

1019

00:44:50,510 --> 00:44:49,230

new to the field they are get fascinated

1020

00:44:52,220 --> 00:44:50,520

for a while and if they're stupid

1021

00:44:53,420 --> 00:44:52,230

they're fascinated for a long while and

1022

00:44:55,460 --> 00:44:53,430

if they're smart they leave it very

1023

00:44:58,340 --> 00:44:55,470

quickly or they go off and do something

1024

00:45:00,540 --> 00:44:58,350

on their own like Mack did or like Jim

1025

00:45:03,450 --> 00:45:00,550

Brandon did or Greg

1026

00:45:05,280 --> 00:45:03,460

or valet or any of the people that we

1027

00:45:08,910 --> 00:45:05,290

always bring up when we're doing our

1028

00:45:10,890 --> 00:45:08,920

talks and radio shows so we're trying to

1029

00:45:13,680 --> 00:45:10,900

figure out what's really going on and

1030

00:45:15,210 --> 00:45:13,690

one of the subjects we covered Walter

1031

00:45:18,270 --> 00:45:15,220

when you were on the first time on the

1032

00:45:20,100 --> 00:45:18,280

show with Alan Greenfield and Michael

1033

00:45:22,370 --> 00:45:20,110

Mott and some other guests we were

1034

00:45:26,190 --> 00:45:22,380

talking about the work of Mac Tony's

1035

00:45:28,610 --> 00:45:26,200

insofar as crypto terrestrials were

1036

00:45:34,620 --> 00:45:28,620

concerned the fact that if UFOs exist

1037

00:45:36,810 --> 00:45:34,630

maybe they are from here so okay do we

1038

00:45:38,820 --> 00:45:36,820

think then that there are no spaceships

1039

00:45:42,140 --> 00:45:38,830

at all what do you think Walter oh no

1040

00:45:44,790 --> 00:45:42,150

Ill absolutely think that there are

1041

00:45:47,880 --> 00:45:44,800

extraterrestrials living throughout

1042

00:45:51,840 --> 00:45:47,890

space and I do think they have come here

1043

00:45:53,810 --> 00:45:51,850

I do think a percentage of things people

1044

00:45:58,220 --> 00:45:53,820

are seeing are from other planets

1045

00:46:03,090 --> 00:45:58,230

however there is just as much and

1046

00:46:05,040 --> 00:46:03,100

actually more evidence that some pretty

1047

00:46:08,870 --> 00:46:05,050

interesting things you know have been

1048

00:46:13,470 --> 00:46:08,880

going on right here in an evidence of

1049

00:46:17,150 --> 00:46:13,480

lost civilizations lost races that

1050

00:46:19,440 --> 00:46:17,160

remain somewhere and one of my favorite

1051
00:46:21,930 --> 00:46:19,450
arguments I hear and I just read it on a

1052
00:46:23,850 --> 00:46:21,940
blog recently a gentleman who really

1053
00:46:26,460 --> 00:46:23,860
took exception to the whole crypt of

1054
00:46:28,550 --> 00:46:26,470
terrestrial theory he brought up the the

1055
00:46:32,010 --> 00:46:28,560
old thing about what we've you know our

1056
00:46:34,980 --> 00:46:32,020
our minds you know we've drilled into

1057
00:46:36,480 --> 00:46:34,990
the the earth and I you know when you

1058
00:46:39,150 --> 00:46:36,490
really look closely at that it's

1059
00:46:42,690 --> 00:46:39,160
laughable because I think the deepest

1060
00:46:45,480 --> 00:46:42,700
any mine is ever drill is you know just

1061
00:46:47,790 --> 00:46:45,490
X number a few miles when you think

1062
00:46:52,050 --> 00:46:47,800
about how big the planet is

1063
00:46:54,300 --> 00:46:52,060

no drill has ever you know gone you know

1064

00:46:56,700 --> 00:46:54,310

anywhere near deep enough to be able to

1065

00:47:01,170 --> 00:46:56,710

conclude that there are not you know

1066

00:47:04,020 --> 00:47:01,180

vast hollow pockets inside the earth but

1067

00:47:06,630 --> 00:47:04,030

yet that's the one that gets brought up

1068

00:47:07,950 --> 00:47:06,640

quite often there's vast hall own

1069

00:47:10,470 --> 00:47:07,960

pockets everywhere they're mean just

1070

00:47:12,880 --> 00:47:10,480

they're being discovered every few years

1071

00:47:15,100 --> 00:47:12,890

well I wasn't fortunately we have that

1072

00:47:18,820 --> 00:47:15,110

hollow pocket that's yielding all that

1073

00:47:21,550 --> 00:47:18,830

oil in the Gulf Coast yeah it's not

1074

00:47:23,470 --> 00:47:21,560

Halloween yeah it's becoming Hollow yeah

1075

00:47:26,710 --> 00:47:23,480

there will be another space to maybe

1076
00:47:28,630 --> 00:47:26,720
someone to move into there I was told I

1077
00:47:32,050 --> 00:47:28,640
learned and this was not in an official

1078
00:47:37,930 --> 00:47:32,060
capacity but you know in an interesting

1079
00:47:41,290 --> 00:47:37,940
capacity I was told that the huge well

1080
00:47:43,240 --> 00:47:41,300
let me go back in around the late 80s I

1081
00:47:46,330 --> 00:47:43,250
was told we were talking about the

1082
00:47:47,740 --> 00:47:46,340
caverns and things and with this

1083
00:47:49,600 --> 00:47:47,750
individual I was talking about this and

1084
00:47:51,490 --> 00:47:49,610
we were talking about carlsbad caverns

1085
00:47:52,330 --> 00:47:51,500
and and the fact that gosh you got

1086
00:47:54,280 --> 00:47:52,340
Roswell

1087
00:47:57,340 --> 00:47:54,290
right up there New Mexico and you've got

1088
00:47:59,140 --> 00:47:57,350

carlsbad caverns and we were talking

1089

00:48:02,020 --> 00:47:59,150

about hmm you know well there's the

1090

00:48:03,610 --> 00:48:02,030

major cavern system there and I was told

1091

00:48:06,010 --> 00:48:03,620

that actually this was in the late 80s

1092

00:48:11,020 --> 00:48:06,020

remember I was told this that there was

1093

00:48:12,820 --> 00:48:11,030

a huge huge vast cavern discovered even

1094

00:48:16,410 --> 00:48:12,830

deeper than what they called the big

1095

00:48:19,360 --> 00:48:16,420

room or the big one at Carlsbad and that

1096

00:48:21,880 --> 00:48:19,370

evidence of a one of these lost

1097

00:48:23,950 --> 00:48:21,890

civilizations was found down there now

1098

00:48:26,890 --> 00:48:23,960

what I found interesting was within

1099

00:48:30,550 --> 00:48:26,900

about five to ten years after I was told

1100

00:48:33,520 --> 00:48:30,560

this the Department of Interior ran an

1101

00:48:35,680 --> 00:48:33,530

article and kind of revealed that you

1102

00:48:37,570 --> 00:48:35,690

know oh yeah yeah there's a larger room

1103

00:48:39,670 --> 00:48:37,580

we found well I was told that they've

1104

00:48:43,840 --> 00:48:39,680

known about that larger room since the

1105

00:48:47,110 --> 00:48:43,850

1950s and I was told before I ever saw

1106

00:48:48,720 --> 00:48:47,120

this article in the 90s that it existed

1107

00:48:51,670 --> 00:48:48,730

so it was kind of you know a

1108

00:48:54,820 --> 00:48:51,680

confirmation of what I had been told a

1109

00:48:56,710 --> 00:48:54,830

few years earlier and that implies you

1110

00:48:58,810 --> 00:48:56,720

know well if there's that one what else

1111

00:49:01,000 --> 00:48:58,820

is there Greg you want to drop in on

1112

00:49:04,810 --> 00:49:01,010

this yeah well what walter was talking

1113

00:49:07,480 --> 00:49:04,820

about this guy apparently wrote a piece

1114

00:49:10,000 --> 00:49:07,490

of disagreeing with the premise of mac

1115

00:49:11,890 --> 00:49:10,010

tony's book I haven't read that piece

1116

00:49:13,540 --> 00:49:11,900

but he said in the title of it was

1117

00:49:16,780 --> 00:49:13,550

something about the crypto terrestrial

1118

00:49:18,640 --> 00:49:16,790

lie and man a bit extreme it is a bit

1119

00:49:20,800 --> 00:49:18,650

extreme because wallet because in the

1120

00:49:22,810 --> 00:49:20,810

book I don't think Mac ever said this is

1121

00:49:26,260 --> 00:49:22,820

what's going on and I know and you don't

1122

00:49:28,990 --> 00:49:26,270

exactly that would be as definitive

1123

00:49:32,110 --> 00:49:29,000

statement he put forward a theory and

1124

00:49:33,190 --> 00:49:32,120

Walter described the the this article

1125

00:49:34,420 --> 00:49:33,200

maybe you can talk about a little bit

1126

00:49:36,280 --> 00:49:34,430

more so people can get on that

1127

00:49:40,090 --> 00:49:36,290

discussion and and pound the sky into

1128

00:49:42,760 --> 00:49:40,100

the ground if he deserves it okay

1129

00:49:45,430 --> 00:49:42,770

everybody listen carefully where do we

1130

00:49:47,230 --> 00:49:45,440

find this blog by the way oh gosh I

1131

00:49:49,030 --> 00:49:47,240

don't have it in front of me I'm sure we

1132

00:49:51,580 --> 00:49:49,040

can google it if you just give us a few

1133

00:49:54,460 --> 00:49:51,590

hints ah you know what

1134

00:49:56,950 --> 00:49:54,470

I googled I think I was looking up

1135

00:49:59,200 --> 00:49:56,960

something on to see what if there had

1136

00:50:01,270 --> 00:49:59,210

been a comment a new comment about

1137

00:50:03,070 --> 00:50:01,280

something about me and one of my

1138

00:50:05,830 --> 00:50:03,080

appearances and that's where I you know

1139

00:50:07,510 --> 00:50:05,840

what in a moment if we take a little

1140

00:50:09,370 --> 00:50:07,520

break or you guys get into it I'll jump

1141

00:50:10,690 --> 00:50:09,380

over there and see if I can find it yeah

1142

00:50:12,910 --> 00:50:10,700

Walter you see if you can find it

1143

00:50:14,950 --> 00:50:12,920

because actually in his I think Mac

1144

00:50:17,590 --> 00:50:14,960

actually interviewed Walter for the book

1145

00:50:19,330 --> 00:50:17,600

did he Walter did he just seek oh he did

1146

00:50:22,600 --> 00:50:19,340

he he had read the article and he talked

1147

00:50:24,910 --> 00:50:22,610

about it which I was like very flattered

1148

00:50:27,490 --> 00:50:24,920

that he found you know enough validity

1149

00:50:29,110 --> 00:50:27,500

in it to even bring it up yeah I think

1150

00:50:31,210 --> 00:50:29,120

he was very careful about what he

1151

00:50:33,700 --> 00:50:31,220

brought into his argument and it was

1152

00:50:36,460 --> 00:50:33,710

speculation to be sure but what's the

1153

00:50:38,830 --> 00:50:36,470

UFO subject what speculation the article

1154

00:50:42,010 --> 00:50:38,840

was reprinted in the hardcover edition

1155

00:50:44,230 --> 00:50:42,020

of faiths book the best of Roswell as an

1156

00:50:46,990 --> 00:50:44,240

alternative theory my article what was

1157

00:50:49,480 --> 00:50:47,000

the article called the other paradigm I

1158

00:50:50,980 --> 00:50:49,490

believe it's in the April 2005 issue I

1159

00:50:53,110 --> 00:50:50,990

can go over to the shelf and get it if

1160

00:50:56,650 --> 00:50:53,120

you'd like the article is titled the

1161

00:50:59,500 --> 00:50:56,660

other paradigm and it is in the April

1162

00:51:03,130 --> 00:50:59,510

2005 issue of fate magazine starts on

1163

00:51:06,820 --> 00:51:03,140

page 26 and as I said I wrote it under

1164

00:51:10,540 --> 00:51:06,830

my fiction pseudonym and in the article

1165

00:51:13,720 --> 00:51:10,550

I had talked about the story my dad told

1166

00:51:16,590 --> 00:51:13,730

me I talked a little bit about Indrid

1167

00:51:18,790 --> 00:51:16,600

cold and the Mothman stuff because I

1168

00:51:21,430 --> 00:51:18,800

spent a little time in my childhood

1169

00:51:22,480 --> 00:51:21,440

during the Mothman stuff yeah that was

1170

00:51:24,280 --> 00:51:22,490

gonna be one of the subjects who were

1171

00:51:26,140 --> 00:51:24,290

gonna ask you about - yeah that's

1172

00:51:27,970 --> 00:51:26,150

fascinating - that's party or makeup

1173

00:51:29,530 --> 00:51:27,980

that people ought to know when we're

1174

00:51:33,160 --> 00:51:29,540

talking about these things oh yeah I

1175

00:51:35,350 --> 00:51:33,170

grew up hearing when I my dad was from

1176

00:51:37,360 --> 00:51:35,360

Parkersburg West Virginia so right after

1177

00:51:37,580 --> 00:51:37,370

I was born my parents moved and we went

1178

00:51:39,350 --> 00:51:37,590

back

1179

00:51:41,210 --> 00:51:39,360

can lived in Mineral Wells which is

1180

00:51:42,860 --> 00:51:41,220

where all this Mothman Prophecies stuff

1181

00:51:44,090 --> 00:51:42,870

a lot of it happen if some happen at

1182

00:51:46,550 --> 00:51:44,100

Point Pleasant but the Woodie Dern

1183

00:51:49,640 --> 00:51:46,560

burger art happened right there about

1184

00:51:51,260 --> 00:51:49,650

300 yards from where we lived and then

1185

00:51:53,900 --> 00:51:51,270

we returned to California and then we

1186

00:51:56,860 --> 00:51:53,910

returned again to West Virginia between

1187

00:51:59,030 --> 00:51:56,870

73 to 75 and it was those two years that

1188

00:52:01,970 --> 00:51:59,040

constantly the the people living around

1189

00:52:03,500 --> 00:52:01,980

there we lived in the same place you

1190

00:52:05,540 --> 00:52:03,510

know we would tell the kids you know

1191

00:52:06,770 --> 00:52:05,550

don't get you know get home out of the

1192

00:52:09,170 --> 00:52:06,780

woods before dark

1193

00:52:11,240 --> 00:52:09,180

because mr. cold is out there and he'll

1194

00:52:13,190 --> 00:52:11,250

take you away they used him as kind of a

1195

00:52:17,390 --> 00:52:13,200

boogeyman and that's where I learned

1196

00:52:22,280 --> 00:52:17,400

about Indrid cold originally and then I

1197

00:52:25,580 --> 00:52:22,290

read keels but yeah keels book was later

1198

00:52:27,530 --> 00:52:25,590

yes but so that was an early influence

1199

00:52:28,790 --> 00:52:27,540

on you you knew who knew Indrid cold was

1200

00:52:30,440 --> 00:52:28,800

when you work it or did you or is he

1201
00:52:33,470 --> 00:52:30,450
just the boogeyman you found out later

1202
00:52:36,980 --> 00:52:33,480
he was well know why that derenberger

1203
00:52:38,990 --> 00:52:36,990
said he meant no I heard the Dern Berger

1204
00:52:41,810 --> 00:52:39,000
story from the folks directly that lived

1205
00:52:45,400 --> 00:52:41,820
back there while it was going on and you

1206
00:52:49,700 --> 00:52:45,410
know we had a family friend whose

1207
00:52:51,830 --> 00:52:49,710
daughter was you know friends with woody

1208
00:52:54,260 --> 00:52:51,840
and some of the other people in and

1209
00:52:58,160 --> 00:52:54,270
she's mentioned in one of the books if

1210
00:53:00,230 --> 00:52:58,170
not keels so you know I kind of had you

1211
00:53:02,180 --> 00:53:00,240
know close to first hand sources on it I

1212
00:53:03,710 --> 00:53:02,190
definitely had first hand sources from

1213
00:53:05,900 --> 00:53:03,720

the people who lived there while it was

1214

00:53:06,620 --> 00:53:05,910

going on I mean that half these people

1215

00:53:10,010 --> 00:53:06,630

knew woody

1216

00:53:11,810 --> 00:53:10,020

they knew the details like I said where

1217

00:53:13,580 --> 00:53:11,820

I live you could look in one direction

1218

00:53:15,470 --> 00:53:13,590

and you could see the spot on the

1219

00:53:17,900 --> 00:53:15,480

freeway my friends and I used to walk

1220

00:53:20,030 --> 00:53:17,910

out closer to it the spot off of the

1221

00:53:21,710 --> 00:53:20,040

highway there where he first encountered

1222

00:53:24,560 --> 00:53:21,720

mr. cold off to the side of the road

1223

00:53:26,270 --> 00:53:24,570

Indrid cold and you know I learned all

1224

00:53:27,980 --> 00:53:26,280

about Lana Lowe's where the people live

1225

00:53:30,500 --> 00:53:27,990

naked they took no end of delight and

1226
00:53:34,640 --> 00:53:30,510
telling that part of it and I can bet

1227
00:53:38,080 --> 00:53:34,650
that you know so but but he was indeed

1228
00:53:41,960 --> 00:53:38,090
kind of a boogey man but it was my first

1229
00:53:43,190 --> 00:53:41,970
exposure to something otherworldly it

1230
00:53:45,440 --> 00:53:43,200
wasn't so much that he was just a

1231
00:53:48,230 --> 00:53:45,450
monster that would get you it was this

1232
00:53:50,480 --> 00:53:48,240
this weird inexplicable figure that was

1233
00:53:50,810 --> 00:53:50,490
just out there and then you know if you

1234
00:53:52,850 --> 00:53:50,820
work

1235
00:53:55,190 --> 00:53:52,860
got out there after dark giving a very

1236
00:53:57,110 --> 00:53:55,200
you know it sounds suspiciously like the

1237
00:54:00,100 --> 00:53:57,120
old tales of the crossroads and the

1238
00:54:02,360 --> 00:54:00,110

fairy spoke who would take children and

1239

00:54:02,630 --> 00:54:02,370

they would never see their children

1240

00:54:05,480 --> 00:54:02,640

again

1241

00:54:08,300 --> 00:54:05,490

or their children would be replaced with

1242

00:54:13,430 --> 00:54:08,310

a fairy child someone that was not quite

1243

00:54:16,520 --> 00:54:13,440

exactly what was taken but it had had

1244

00:54:19,610 --> 00:54:16,530

that feel to it so that when I read

1245

00:54:21,380 --> 00:54:19,620

keels book and now I'm one who really

1246

00:54:24,140 --> 00:54:21,390

likes that movie the Mothman Prophecies

1247

00:54:26,720 --> 00:54:24,150

I think it's the movie that both x-files

1248

00:54:29,060 --> 00:54:26,730

movies tried desperately to be and so

1249

00:54:30,080 --> 00:54:29,070

famously just drop the ball on it was

1250

00:54:33,170 --> 00:54:30,090

was much better

1251

00:54:36,320 --> 00:54:33,180

well yankin x-file movie was really bad

1252

00:54:38,540 --> 00:54:36,330

I think well it was a CSI movie if

1253

00:54:41,630 --> 00:54:38,550

you're a CSI fan second x-files movie

1254

00:54:43,910 --> 00:54:41,640

was okay believe me when it comes to CSI

1255

00:54:45,680 --> 00:54:43,920

I think it wasn't quite there I think

1256

00:54:48,770 --> 00:54:45,690

right dreary and the oh yes you wanted

1257

00:54:52,580 --> 00:54:48,780

seemed to be all focused on that

1258

00:54:54,470 --> 00:54:52,590

underground nation yeah yeah it was just

1259

00:54:57,890 --> 00:54:54,480

both of them were very disappointing but

1260

00:55:00,170 --> 00:54:57,900

Mothman Prophecies whereas I really got

1261

00:55:02,660 --> 00:55:00,180

into you know the whole thing because of

1262

00:55:05,780 --> 00:55:02,670

my personal exposure to it they still

1263

00:55:08,150 --> 00:55:05,790

didn't quite depict the full extent of

1264

00:55:10,160 --> 00:55:08,160

Indrid cold and in fact I find it

1265

00:55:14,810 --> 00:55:10,170

interesting that the whole Indrid cold

1266

00:55:17,780 --> 00:55:14,820

thing has not been mined in in thought

1267

00:55:20,210 --> 00:55:17,790

or presentation as much as he could be

1268

00:55:22,880 --> 00:55:20,220

because there's there's something going

1269

00:55:25,700 --> 00:55:22,890

on they're injured cold is a very very

1270

00:55:28,640 --> 00:55:25,710

interesting figure in all of this and I

1271

00:55:31,370 --> 00:55:28,650

think you know because he doesn't fit

1272

00:55:33,830 --> 00:55:31,380

what's currently popular he has no place

1273

00:55:36,800 --> 00:55:33,840

in the dogma that there you go

1274

00:55:37,820 --> 00:55:36,810

that's why having gone back to the

1275

00:55:40,250 --> 00:55:37,830

Mothman Prophecies

1276

00:55:44,180 --> 00:55:40,260

did you ever read the book from grey

1277

00:55:45,650 --> 00:55:44,190

Barker the Silver Bridge no I read they

1278

00:55:47,030 --> 00:55:45,660

knew too much about flying saucers

1279

00:55:49,870 --> 00:55:47,040

that's the only Barker book I've read

1280

00:55:53,210 --> 00:55:49,880

and of course I ate that up with delight

1281

00:55:55,070 --> 00:55:53,220

as did a lot of people although we later

1282

00:55:57,370 --> 00:55:55,080

learned that grey Barker could shall we

1283

00:55:59,900 --> 00:55:57,380

say I'm sorry

1284

00:56:02,870 --> 00:55:59,910

but I did not read the syllabus open

1285

00:56:05,180 --> 00:56:02,880

trades was released last year I think by

1286

00:56:06,920 --> 00:56:05,190

Annie Colvin and a couple other people I

1287

00:56:09,110 --> 00:56:06,930

think I think who was it Bentley

1288

00:56:11,030 --> 00:56:09,120

released it I can't remember but you can

1289

00:56:13,070 --> 00:56:11,040

read that book that was very rare for a

1290

00:56:17,540 --> 00:56:13,080

while and it's a good book it's a lot

1291

00:56:21,740 --> 00:56:17,550

more factual I guess about what happened

1292

00:56:23,450 --> 00:56:21,750

around the Mothman around Point Pleasant

1293

00:56:25,820 --> 00:56:23,460

when the Mothman stuff was going on

1294

00:56:27,530 --> 00:56:25,830

because Barker lived near there and so

1295

00:56:30,050 --> 00:56:27,540

he was able to kind of see it as it was

1296

00:56:31,670 --> 00:56:30,060

is happening I mean look at the book is

1297

00:56:34,580 --> 00:56:31,680

very allegorical it's not a

1298

00:56:36,500 --> 00:56:34,590

straight-ahead news report it's not you

1299

00:56:38,330 --> 00:56:36,510

know it is a description

1300

00:56:39,830 --> 00:56:38,340

yeah it's almost like watching it's

1301
00:56:40,940 --> 00:56:39,840
almost like having another movie of

1302
00:56:44,450 --> 00:56:40,950
Mothman Prophecies

1303
00:56:46,370 --> 00:56:44,460
oh I got a read this yeah it's it's I

1304
00:56:49,220 --> 00:56:46,380
guess I just like the way it's told a

1305
00:56:51,200 --> 00:56:49,230
lot you know I like I like his

1306
00:56:55,610 --> 00:56:51,210
storytelling style at least in that book

1307
00:56:57,590 --> 00:56:55,620
and the fact that he's very he's not

1308
00:56:59,420 --> 00:56:57,600
very specific about a lot of things and

1309
00:57:01,610 --> 00:56:59,430
he makes a lot of connections that the

1310
00:57:03,320 --> 00:57:01,620
keel didn't that's why I enjoy the book

1311
00:57:06,590 --> 00:57:03,330
cuz it's another look at that whole the

1312
00:57:08,600 --> 00:57:06,600
whole thing the series of events that

1313
00:57:10,820 --> 00:57:08,610

was going around on around that time oh

1314

00:57:12,290 --> 00:57:10,830

I'll let you borrow my copy Walter okay

1315

00:57:14,690 --> 00:57:12,300

yeah I'd I'd love and I promise I will

1316

00:57:17,270 --> 00:57:14,700

return it actually by the way since he

1317

00:57:19,940 --> 00:57:17,280

said this on the power cast and since

1318

00:57:24,020 --> 00:57:19,950

we're here to separate the signal from

1319

00:57:25,810 --> 00:57:24,030

the noise we'll hold them to it one

1320

00:57:28,430 --> 00:57:25,820

thing that I appreciate about the whole

1321

00:57:29,870 --> 00:57:28,440

you know about John keel has work and

1322

00:57:32,930 --> 00:57:29,880

and specifically the Mothman Prophecies

1323

00:57:35,390 --> 00:57:32,940

and related things and Indrid cold is

1324

00:57:36,920 --> 00:57:35,400

that in the last three years and Greg

1325

00:57:38,810 --> 00:57:36,930

knows about this I've been investigating

1326

00:57:40,640 --> 00:57:38,820

something that I'm not ready to talk

1327

00:57:44,510 --> 00:57:40,650

about in detail because I'm finishing up

1328

00:57:47,090 --> 00:57:44,520

the book and I'll be talking about it

1329

00:57:48,620 --> 00:57:47,100

plenty then but what I'd been going

1330

00:57:50,570 --> 00:57:48,630

through in the last three years and I've

1331

00:57:53,870 --> 00:57:50,580

got a lifetime of strange experiences

1332

00:57:56,450 --> 00:57:53,880

and and encounters with you know weird

1333

00:57:58,730 --> 00:57:56,460

phenomena but the last three years of my

1334

00:58:00,740 --> 00:57:58,740

life have it's been more intense and

1335

00:58:03,050 --> 00:58:00,750

I've had more things revealed to me

1336

00:58:05,120 --> 00:58:03,060

through it I've had more encounters with

1337

00:58:09,200 --> 00:58:05,130

synchronicity I've had encounters with

1338

00:58:12,810 --> 00:58:09,210

visitation I've had encounters with

1339

00:58:16,530 --> 00:58:12,820

certain entities revealing themselves in

1340

00:58:22,260 --> 00:58:16,540

ways and just a plethora of so many

1341

00:58:24,000 --> 00:58:22,270

amazing things amazing to me that it's

1342

00:58:25,800 --> 00:58:24,010

not you know like that's why when people

1343

00:58:28,020 --> 00:58:25,810

bring up a flying saucers I kind of go

1344

00:58:32,400 --> 00:58:28,030

oh forget that stuff look at this over

1345

00:58:35,520 --> 00:58:32,410

here and it's been a very intense period

1346

00:58:37,530 --> 00:58:35,530

of my life that I'm gonna be talking

1347

00:58:39,960 --> 00:58:37,540

about more seen when the you know the

1348

00:58:41,760 --> 00:58:39,970

new book you know what this has reached

1349

00:58:44,490 --> 00:58:41,770

a point here we're going to break for

1350

00:58:47,310 --> 00:58:44,500

we have Walter Bosley our co-hosts is

1379

01:00:16,540 --> 01:00:13,310

Greg Bishop in part one of the power

1380

01:00:18,910 --> 01:00:16,550

cast we learned that Walter has had some

1381

01:00:19,360 --> 01:00:18,920

experiences so let's start at the

1382

01:00:27,040 --> 01:00:19,370

beginning

1383

01:00:30,190 --> 01:00:27,050

ah have you ever seen a UFO yes in there

1384

01:00:33,280 --> 01:00:30,200

well because then I identified it what I

1385

01:00:36,430 --> 01:00:33,290

say so it became an IFO yeah what I saw

1386

01:00:38,830 --> 01:00:36,440

was what turned out to be the f-117

1387

01:00:41,140 --> 01:00:38,840

stealth fighter how did you mistake it

1388

01:00:43,630 --> 01:00:41,150

was it at a funny angle or something so

1389

01:00:46,810 --> 01:00:43,640

well he when you say UFO I didn't say I

1390

01:00:49,570 --> 01:00:46,820

saw a flying saucer what I'm saying was

1391

01:00:53,260 --> 01:00:49,580

something that was you know silent in

1392

01:00:56,320 --> 01:00:53,270

moving low and didn't seem to have a

1393

01:00:58,690 --> 01:00:56,330

normal aircraft shape and you know later

1394

01:01:01,540 --> 01:00:58,700

on I can't go into the detail but I

1395

01:01:04,420 --> 01:01:01,550

looked into that of course once I got

1396

01:01:06,910 --> 01:01:04,430

into the position and found out aha

1397

01:01:08,440 --> 01:01:06,920

that's what I was seeing and I have that

1398

01:01:11,740 --> 01:01:08,450

something to do with you saying it was

1399

01:01:13,900 --> 01:01:11,750

silent was it silent the whole time the

1400

01:01:16,930 --> 01:01:13,910

whole time I saw it it was quiet how

1401
01:01:19,570 --> 01:01:16,940
close to you were were you to it oh god

1402
01:01:22,960 --> 01:01:19,580
I'm really bad at judging distances it

1403
01:01:27,190 --> 01:01:22,970
didn't fly right overhead I was I was in

1404
01:01:30,730 --> 01:01:27,200
one plane I was in my spot and looking

1405
01:01:35,230 --> 01:01:30,740
out into the desert and it was probably

1406
01:01:38,200 --> 01:01:35,240
I want to say you know a couple of miles

1407
01:01:41,100 --> 01:01:38,210
a you know a mile or so away it you know

1408
01:01:42,460 --> 01:01:41,110
if it were a normal jet or anything

1409
01:01:45,570 --> 01:01:42,470
believe me

1410
01:01:50,290 --> 01:01:45,580
it would have been heard this was quiet

1411
01:01:51,910 --> 01:01:50,300
okay you couldn't explain okay yeah did

1412
01:01:54,100 --> 01:01:51,920
you ever have anything happen to you

1413
01:01:56,590 --> 01:01:54,110

that you couldn't explain or seemed

1414

01:01:59,680 --> 01:01:56,600

weird power and Rommel and if so when

1415

01:02:03,220 --> 01:01:59,690

was the earliest event oh you're talking

1416

01:02:06,910 --> 01:02:03,230

about the last 30 years of my life no it

1417

01:02:09,850 --> 01:02:06,920

started 30 years ago yeah 1979 December

1418

01:02:12,700 --> 01:02:09,860

of 1979 it was a Sunday morning and I

1419

01:02:15,640 --> 01:02:12,710

was I had turned 16 in October so I was

1420

01:02:18,010 --> 01:02:15,650

just a you know highschool kid I woke up

1421

01:02:19,900 --> 01:02:18,020

on that Sunday morning that month of

1422

01:02:24,180 --> 01:02:19,910

that year and

1423

01:02:27,940 --> 01:02:24,190

thing was different and I lifted my

1424

01:02:30,640 --> 01:02:27,950

hands up I looked at my hands and my

1425

01:02:31,359 --> 01:02:30,650

first thought was these hands are not

1426

01:02:37,359 --> 01:02:31,369

mine

1427

01:02:40,450 --> 01:02:37,369

and I'm seeing things in a textured way

1428

01:02:42,940 --> 01:02:40,460

that the day before I just did a look at

1429

01:02:44,799 --> 01:02:42,950

things that way it was as if yeah I got

1430

01:02:48,460 --> 01:02:44,809

I got up I'm walking through the house

1431

01:02:49,809 --> 01:02:48,470

and you know I see you know my see these

1432

01:02:51,910 --> 01:02:49,819

two girls my sisters

1433

01:02:53,410 --> 01:02:51,920

you know I see my mom at the stove and

1434

01:02:56,260 --> 01:02:53,420

I'm thinking well there's sisters

1435

01:02:58,359 --> 01:02:56,270

they're not my sisters there's mom she's

1436

01:03:01,120 --> 01:02:58,369

not my mom there's something there's a

1437

01:03:04,089 --> 01:03:01,130

weird disconnect here and I wasn't

1438

01:03:06,069 --> 01:03:04,099

scared it was very curious it was very

1439

01:03:07,480 --> 01:03:06,079

fascinating and I just kind of you know

1440

01:03:09,250 --> 01:03:07,490

walk through the house and end that

1441

01:03:12,099 --> 01:03:09,260

evening I'm sitting there you know

1442

01:03:13,720 --> 01:03:12,109

watching you know family sitting there

1443

01:03:17,349 --> 01:03:13,730

watching TV and I feel totally

1444

01:03:21,130 --> 01:03:17,359

unconnected to these people is if I you

1445

01:03:24,069 --> 01:03:21,140

know we're detached it felt as if only

1446

01:03:27,279 --> 01:03:24,079

eight years later I the concept of some

1447

01:03:30,099 --> 01:03:27,289

people called a walk in what I felt had

1448

01:03:32,170 --> 01:03:30,109

best described what that experience was

1449

01:03:35,410 --> 01:03:32,180

it was as if I was somebody else who

1450

01:03:37,240 --> 01:03:35,420

woke up in this body at that time and

1451

01:03:39,160 --> 01:03:37,250

and you know which is kind of over here

1452

01:03:41,260 --> 01:03:39,170

I am now and for years I didn't tell

1453

01:03:43,779 --> 01:03:41,270

people about it for the obvious reasons

1454

01:03:45,880 --> 01:03:43,789

and then when I heard about the concept

1455

01:03:47,769 --> 01:03:45,890

of the walk egg that some people tried

1456

01:03:50,140 --> 01:03:47,779

to say oh it was an abduction experience

1457

01:03:52,829 --> 01:03:50,150

I just that just makes me want to cringe

1458

01:03:55,240 --> 01:03:52,839

no it was not an abduction experience

1459

01:03:57,609 --> 01:03:55,250

after you heard some of the discussions

1460

01:03:59,559 --> 01:03:57,619

and the power cast forms I think we are

1461

01:04:03,490 --> 01:03:59,569

all cringing if the word abduction is

1462

01:04:05,170 --> 01:04:03,500

these days and then years Lear's later

1463

01:04:08,170 --> 01:04:05,180

when I learned about the concept of the

1464

01:04:13,299 --> 01:04:08,180

walk in I felt that was the closest I'd

1465

01:04:15,760 --> 01:04:13,309

heard yet I do not very tell is a walk

1466

01:04:18,660 --> 01:04:15,770

in for those who don't know the walk in

1467

01:04:22,150 --> 01:04:18,670

basically my understanding of it is that

1468

01:04:23,859 --> 01:04:22,160

it's it's when you have the body as the

1469

01:04:26,289 --> 01:04:23,869

vessels for the soul and when the

1470

01:04:28,569 --> 01:04:26,299

original soul leaves the body for

1471

01:04:31,930 --> 01:04:28,579

whatever reason it's it's time is done

1472

01:04:33,250 --> 01:04:31,940

or whatever a soul another soul can come

1473

01:04:35,170 --> 01:04:33,260

in and occupy that body

1474

01:04:36,340 --> 01:04:35,180

okay there's two reactions people are

1475

01:04:40,060 --> 01:04:36,350

gonna have when they hear you telling

1476

01:04:42,880 --> 01:04:40,070

this story one is that's amazing it must

1477

01:04:44,230 --> 01:04:42,890

have really changed your life and made

1478

01:04:46,330 --> 01:04:44,240

things a lot more interesting and the

1479

01:04:47,980 --> 01:04:46,340

other reaction is have you considered

1480

01:04:50,680 --> 01:04:47,990

that you might have gone insane at that

1481

01:04:53,109 --> 01:04:50,690

point which both are fascinating

1482

01:04:54,280 --> 01:04:53,119

actually because if I did go insane at

1483

01:04:57,220 --> 01:04:54,290

16 years old

1484

01:04:59,740 --> 01:04:57,230

I have been a I've been functional all

1485

01:05:02,560 --> 01:04:59,750

these years functional enough to pass

1486

01:05:05,920 --> 01:05:02,570

every psychological battery I ever had

1487

01:05:08,440 --> 01:05:05,930

to take to work for the FBI in a very

1488

01:05:11,140 --> 01:05:08,450

trusted position to earn a commission in

1489

01:05:15,460 --> 01:05:11,150

the US Air Force to be given a badge and

1490

01:05:17,800 --> 01:05:15,470

credentials and guns by the way so that

1491

01:05:22,000 --> 01:05:17,810

that's really interesting if they wanted

1492

01:05:23,260 --> 01:05:22,010

somebody who was clearly insane you know

1493

01:05:25,300 --> 01:05:23,270

when you described it to me I just

1494

01:05:27,250 --> 01:05:25,310

thought it's like well something weird

1495

01:05:30,250 --> 01:05:27,260

happened to me why don't I just use it

1496

01:05:32,470 --> 01:05:30,260

to see what I can see and maybe make

1497

01:05:36,010 --> 01:05:32,480

life more interesting and why and it

1498

01:05:37,930 --> 01:05:36,020

damaged my life absolutely I know well

1499

01:05:40,240 --> 01:05:37,940

when I talk about this I tell people my

1500

01:05:43,810 --> 01:05:40,250

life is divided out how we used to you

1501
01:05:46,960 --> 01:05:43,820
know we did BC and AD my life that the

1502
01:05:49,990 --> 01:05:46,970
big dividing point was that December of

1503
01:05:51,820 --> 01:05:50,000
1979 that morning I woke up what my life

1504
01:05:54,460 --> 01:05:51,830
was before then my consciousness who I

1505
01:05:57,340 --> 01:05:54,470
was was different than what it has been

1506
01:05:59,530 --> 01:05:57,350
since then I'm since then I'm the guy I

1507
01:06:01,330 --> 01:05:59,540
am now is who I've been since I woke up

1508
01:06:02,890 --> 01:06:01,340
that morning it was like an awakening it

1509
01:06:05,020 --> 01:06:02,900
was like something or somebody reached

1510
01:06:06,160 --> 01:06:05,030
down touched me on the forehead and said

1511
01:06:13,300 --> 01:06:06,170
wake up

1512
01:06:16,150 --> 01:06:13,310
almost immediately in my life I began to

1513
01:06:18,640 --> 01:06:16,160

experience the the sensing presences and

1514

01:06:21,280 --> 01:06:18,650

synchronicities and talk about dreaming

1515

01:06:23,800 --> 01:06:21,290

I mean I would have vivid dreams that

1516

01:06:25,960 --> 01:06:23,810

then the things in the dream I would

1517

01:06:29,470 --> 01:06:25,970

encounter in real life I I had this

1518

01:06:31,599 --> 01:06:29,480

incredible dream about a little over a

1519

01:06:36,310 --> 01:06:31,609

year after this awakening experience in

1520

01:06:41,310 --> 01:06:36,320

79 and that dream parts of it continued

1521

01:06:44,609 --> 01:06:41,320

to come true for the next 20 years and

1522

01:06:46,790 --> 01:06:44,619

or more and as a matter of fact Greg

1523

01:06:49,610 --> 01:06:46,800

part of that

1524

01:06:52,550 --> 01:06:49,620

and and the experience of some of it

1525

01:06:54,950 --> 01:06:52,560

coming true involved the place where you

1526

01:06:58,070 --> 01:06:54,960

and Sigrid had your reception for your

1527

01:07:01,850 --> 01:06:58,080

wedding the 94th aero squadron you never

1528

01:07:03,680 --> 01:07:01,860

told me that I didn't know no I did I

1529

01:07:07,160 --> 01:07:03,690

didn't get the opportunity because I had

1530

01:07:10,400 --> 01:07:07,170

been there before with my first wife for

1531

01:07:13,910 --> 01:07:10,410

some other event and I had it had been

1532

01:07:17,450 --> 01:07:13,920

part of this dream about seven years

1533

01:07:20,390 --> 01:07:17,460

before that so and we're talking I would

1534

01:07:21,920 --> 01:07:20,400

be one time I was in Germany and and I

1535

01:07:24,530 --> 01:07:21,930

walk around the corner in the village of

1536

01:07:26,780 --> 01:07:24,540

rudesheim and there suddenly I just I

1537

01:07:29,900 --> 01:07:26,790

recognize it immediately I'm like oh my

1538

01:07:31,250 --> 01:07:29,910

gosh this was in the dream I was walking

1539

01:07:33,350 --> 01:07:31,260

down the street when I lived in Long

1540

01:07:35,510 --> 01:07:33,360

Island where I lived in Babylon Long

1541

01:07:37,250 --> 01:07:35,520

Island and you know I'm walking from the

1542

01:07:40,430 --> 01:07:37,260

train station back to my apartment one

1543

01:07:42,830 --> 01:07:40,440

day and boom there it is a street that I

1544

01:07:45,980 --> 01:07:42,840

distinctly remember walking down in the

1545

01:07:48,800 --> 01:07:45,990

dream years before over ten years before

1546

01:07:52,310 --> 01:07:48,810

and things like that little pieces of

1547

01:07:55,370 --> 01:07:52,320

the dream coming true my mentor tells me

1548

01:07:57,800 --> 01:07:55,380

that I was basically shown that dream

1549

01:08:01,840 --> 01:07:57,810

was not a dream basically I was shown in

1550

01:08:04,910 --> 01:08:01,850

my sleep many years forward of my life

1551

01:08:09,350 --> 01:08:04,920

who's a mentor or who was the man

1552

01:08:12,560 --> 01:08:09,360

they always love the mentor you brought

1553

01:08:15,460 --> 01:08:12,570

it up man yes I know trouble now my

1554

01:08:19,690 --> 01:08:15,470

mentor is an uncle of mine who was in

1555

01:08:22,880 --> 01:08:19,700

the same industry so to speak as I spent

1556

01:08:24,740 --> 01:08:22,890

nineteen eighteen years in and in fact

1557

01:08:27,079 --> 01:08:24,750

was the one who opened the door for me

1558

01:08:29,599 --> 01:08:27,089

and got me in to my profession and

1559

01:08:31,370 --> 01:08:29,609

interestingly enough he's also the one

1560

01:08:34,780 --> 01:08:31,380

that has guided me and taught me more

1561

01:08:40,400 --> 01:08:34,790

about the strange and esoteric and the

1562

01:08:43,670 --> 01:08:40,410

weirder spectrum of reality and he's a

1563

01:08:45,620 --> 01:08:43,680

real uncle oh yeah okay so this be your

1564

01:08:47,890 --> 01:08:45,630

father's brother your mother's brother

1565

01:08:51,710 --> 01:08:47,900

well I'm my mom's brother okay

1566

01:08:54,230 --> 01:08:51,720

somebody worked in intelligence yes okay

1567

01:08:57,710 --> 01:08:54,240

and he took you under his wing as it

1568

01:08:59,669 --> 01:08:57,720

were yes and talked to you about the

1569

01:09:03,630 --> 01:08:59,679

weird of the strange and unknown

1570

01:09:07,200 --> 01:09:03,640

absolutely okay all right so you have

1571

01:09:09,450 --> 01:09:07,210

the dreams mm-hmm yes the presence now

1572

01:09:12,240 --> 01:09:09,460

sensing the presence what kind of

1573

01:09:14,479 --> 01:09:12,250

presence did you sense I have sensed

1574

01:09:18,630 --> 01:09:14,489

various presences over the years

1575

01:09:20,519 --> 01:09:18,640

initially it just came as you know just

1576

01:09:22,559 --> 01:09:20,529

the little hairs on the back your neck

1577

01:09:26,610 --> 01:09:22,569

what people would call traditionally you

1578

01:09:30,899 --> 01:09:26,620

know experienced with ghosts but more

1579

01:09:32,640 --> 01:09:30,909

recently in recent years and and some of

1580

01:09:34,559 --> 01:09:32,650

them are ghosts I have sensed the

1581

01:09:39,450 --> 01:09:34,569

spirits of people who've been dead for

1582

01:09:43,919 --> 01:09:39,460

for many many years particularly I am

1583

01:09:46,519 --> 01:09:43,929

convinced at least three murder victims

1584

01:09:49,200 --> 01:09:46,529

that I'm writing about in my new book

1585

01:09:53,760 --> 01:09:49,210

you sound like the lady in the TV series

1586

01:09:54,860 --> 01:09:53,770

medium yeah I don't see them but I feel

1587

01:10:00,780 --> 01:09:54,870

them

1588

01:10:02,340 --> 01:10:00,790

I have indeed felt their presence now

1589

01:10:04,410 --> 01:10:02,350

that's the question I've asked about

1590

01:10:05,850 --> 01:10:04,420

this and you know everything that you

1591

01:10:08,459 --> 01:10:05,860

talk about can lead to a hundred

1592

01:10:10,500 --> 01:10:08,469

questions I'll take this one yeah you

1593

01:10:12,270 --> 01:10:10,510

are in touch with people who appear to

1594

01:10:14,040 --> 01:10:12,280

be dead are you really seeing the dead

1595

01:10:16,169 --> 01:10:14,050

or seeing somebody in a parallel

1596

01:10:20,729 --> 01:10:16,179

universe I didn't see them

1597

01:10:23,070 --> 01:10:20,739

I felt sensed them okay yeah well let me

1598

01:10:25,050 --> 01:10:23,080

let me describe the experience and maybe

1599

01:10:28,919 --> 01:10:25,060

we'll find the answer in there I would

1600

01:10:31,830 --> 01:10:28,929

walk in you know I'd come into the house

1601
01:10:35,430 --> 01:10:31,840
you know it at night later at night and

1602
01:10:37,950 --> 01:10:35,440
I would be startled because I literally

1603
01:10:40,229 --> 01:10:37,960
felt someone was rushing up behind me

1604
01:10:42,419 --> 01:10:40,239
now you know you got to remember I'm

1605
01:10:44,040 --> 01:10:42,429
somebody who I don't walk around and in

1606
01:10:46,110 --> 01:10:44,050
you know I'm not a mouth-breather I

1607
01:10:48,030 --> 01:10:46,120
don't walk around you know you know

1608
01:10:50,040 --> 01:10:48,040
zoning out and anybody could walk up and

1609
01:10:51,720 --> 01:10:50,050
sneak up on me I'm generally a pretty

1610
01:10:52,620 --> 01:10:51,730
alert person my professional life has

1611
01:10:54,419 --> 01:10:52,630
made me that way

1612
01:10:56,729 --> 01:10:54,429
it doesn't mean I'm twitchy or jumpy I

1613
01:10:58,380 --> 01:10:56,739

think Greg will tell you that but you

1614

01:11:00,570 --> 01:10:58,390

know so when I tell you I felt like

1615

01:11:04,050 --> 01:11:00,580

someone was coming up on me you know he

1616

01:11:06,840 --> 01:11:04,060

comes with some you know same bona fides

1617

01:11:09,950 --> 01:11:06,850

and I would feel that intensely and of

1618

01:11:12,520 --> 01:11:09,960

course I would turn and nobody was there

1619

01:11:16,060 --> 01:11:12,530

visually and

1620

01:11:18,189 --> 01:11:16,070

it I knew that it was a female the the

1621

01:11:21,069 --> 01:11:18,199

the presence that would rush up on me it

1622

01:11:27,729 --> 01:11:21,079

was a female definitely I always knew

1623

01:11:29,830 --> 01:11:27,739

that and the other two are children and

1624

01:11:31,569 --> 01:11:29,840

that they wouldn't rush up on me they

1625

01:11:33,819 --> 01:11:31,579

would just kind of be there usually

1626

01:11:38,410 --> 01:11:33,829

sitting in a tree in the front yard

1627

01:11:41,200 --> 01:11:38,420

and they'd since they were hanging out

1628

01:11:43,540 --> 01:11:41,210

yeah and I have felt them also near a

1629

01:11:46,299 --> 01:11:43,550

couple of trees the location where they

1630

01:11:47,770 --> 01:11:46,309

died okay so how did you sauce what

1631

01:11:52,089 --> 01:11:47,780

highlight to them because you talked

1632

01:11:54,459 --> 01:11:52,099

about a Merle I discovered these murders

1633

01:11:57,100 --> 01:11:54,469

when I was following up on some research

1634

01:12:00,310 --> 01:11:57,110

after the Disneyland book about ley

1635

01:12:03,010 --> 01:12:00,320

lines and I was looking for any

1636

01:12:06,010 --> 01:12:03,020

paranormal activity after a ley line was

1637

01:12:07,689 --> 01:12:06,020

identified one of the ones in the system

1638

01:12:10,629 --> 01:12:07,699

connected with the Disneyland ley lines

1639

01:12:14,020 --> 01:12:10,639

I write about passed through the the

1640

01:12:15,939 --> 01:12:14,030

local area and when I was doing the

1641

01:12:18,339 --> 01:12:15,949

research I did indeed find out that

1642

01:12:21,189 --> 01:12:18,349

there was a haunting

1643

01:12:23,020 --> 01:12:21,199

related to that location where it passed

1644

01:12:26,049 --> 01:12:23,030

where the line passed through and one

1645

01:12:31,089 --> 01:12:26,059

thing led to another and I discovered

1646

01:12:32,589 --> 01:12:31,099

these murders and well which I and my

1647

01:12:34,660 --> 01:12:32,599

co-author Rick Spence

1648

01:12:36,669 --> 01:12:34,670

Richard Spence we present that they were

1649

01:12:39,850 --> 01:12:36,679

murders they were not reported as such

1650

01:12:42,490 --> 01:12:39,860

they're just you know very questionable

1651

01:12:43,990 --> 01:12:42,500

and the further I looked into it the

1652

01:12:46,270 --> 01:12:44,000

more I became convinced that they were

1653

01:12:49,990 --> 01:12:46,280

indeed murdered and what's interesting

1654

01:12:52,030 --> 01:12:50,000

is as the book was taking shape and the

1655

01:12:54,160 --> 01:12:52,040

spirit activities seemed to die down

1656

01:12:54,549 --> 01:12:54,170

okay obviously one thing leads to

1657

01:12:56,799 --> 01:12:54,559

another

1658

01:12:59,910 --> 01:12:56,809

you and your co-author wrote a book

1659

01:13:06,980 --> 01:12:59,920

about the occult origins of Disneyland

1660

01:13:14,030 --> 01:13:09,970

[Music]

01:14:08,150 --> 01:14:00,240

mr. UFO at web TV net find out what they

1678

01:14:10,790 --> 01:14:08,160

don't want you to know you're in the

1679

01:14:15,520 --> 01:14:10,800

para cast you never know what's going to

1680

01:14:21,080 --> 01:14:18,230

Walter Bosley joining us our co-host for

1681

01:14:23,330 --> 01:14:21,090

the first time but not the last is Greg

1682

01:14:25,730 --> 01:14:23,340

Bishop and if I confuse Walter and

1683

01:14:27,710 --> 01:14:25,740

Bishop again you'll understand why

1684

01:14:29,720 --> 01:14:27,720

because I can I had to do that you know

1685

01:14:32,180 --> 01:14:29,730

after watching this TV show for two

1686

01:14:33,830 --> 01:14:32,190

years then you know my brain is

1687

01:14:35,480 --> 01:14:33,840

completely alright

1688

01:14:38,360 --> 01:14:35,490

Disneyland what's weird about that

1689

01:14:40,120 --> 01:14:38,370

what's so weird about and the fact that

1690

01:14:43,970 --> 01:14:40,130

it's very expensive

1691

01:14:45,710 --> 01:14:43,980

yes mr. Disney would be spinning in his

1692

01:14:49,070 --> 01:14:45,720

grave if he knew how expensive they made

1693

01:14:52,330 --> 01:14:49,080

his park to get into and and then if he

1694

01:14:56,000 --> 01:14:52,340

saw the condition it's been in good God

1695

01:14:59,300 --> 01:14:56,010

Disneyland was according to the research

1696

01:15:03,110 --> 01:14:59,310

presented in the book latitude 33 was

1697

01:15:07,640 --> 01:15:03,120

built upon an intersection of three what

1698

01:15:10,550 --> 01:15:07,650

we colloquially call ley lines but are

1699

01:15:13,370 --> 01:15:10,560

really energy lines part of the world

1700

01:15:15,350 --> 01:15:13,380

grid the idea that there are the this

1701

01:15:17,600 --> 01:15:15,360

this energy running through the physical

1702

01:15:17,879 --> 01:15:17,610

planet and covering it like a grid and

1703

01:15:20,640 --> 01:15:17,889

then

1704

01:15:23,070 --> 01:15:20,650

other lines shoot off of those main ones

1705

01:15:24,810 --> 01:15:23,080

and basically the earth has has this

1706

01:15:27,209 --> 01:15:24,820

current running through it that can be

1707

01:15:30,359 --> 01:15:27,219

tapped into and that's what runs through

1708

01:15:33,020 --> 01:15:30,369

these lines well one particular

1709

01:15:37,200 --> 01:15:33,030

gentleman and author named seseri who

1710

01:15:39,330 --> 01:15:37,210

has a theory in a process a method for

1711

01:15:43,649 --> 01:15:39,340

identifying these lines has identified

1712

01:15:46,050 --> 01:15:43,659

three of these lines intersecting on the

1713

01:15:50,550 --> 01:15:46,060

disneyland property and interestingly

1714

01:15:53,280 --> 01:15:50,560

enough the carousel used to sit right on

1715

01:15:55,979 --> 01:15:53,290

top of where that intersection is the

1716

01:15:58,970 --> 01:15:55,989

carousel was moved in 1982 well what

1717

01:16:02,160 --> 01:15:58,980

kicked off the book latitude 33 was my

1718

01:16:03,959 --> 01:16:02,170

talking with Gregg both privately owned

1719

01:16:07,109 --> 01:16:03,969

on a show about a very strange

1720

01:16:10,649 --> 01:16:07,119

experience I had at Disneyland prior to

1721

01:16:12,780 --> 01:16:10,659

1982 and again one thing led to another

1722

01:16:14,399 --> 01:16:12,790

and we discovered these ley lines were

1723

01:16:16,410 --> 01:16:14,409

under the carousel my experience

1724

01:16:20,729 --> 01:16:16,420

involved the carousel it was kicked off

1725

01:16:22,859 --> 01:16:20,739

at the carousel and when we delved into

1726

01:16:25,590 --> 01:16:22,869

this more dug into it we found out that

1727

01:16:28,050 --> 01:16:25,600

Disneyland well the physical chief

1728

01:16:29,550 --> 01:16:28,060

engineer that actually you know the

1729

01:16:33,060 --> 01:16:29,560

physical design of the building of the

1730

01:16:35,370 --> 01:16:33,070

place was a man named CV wood who an

1731

01:16:37,290 --> 01:16:35,380

interesting fellow who worked for the

1732

01:16:39,149 --> 01:16:37,300

Stanford Research Institute now

1733

01:16:40,890 --> 01:16:39,159

everyone's familiar with SR I I'm sure

1734

01:16:42,870 --> 01:16:40,900

your listeners they're the guys who

1735

01:16:45,899 --> 01:16:42,880

develop all sorts of interesting things

1736

01:16:49,830 --> 01:16:45,909

including their hand was in remote

1737

01:16:53,310 --> 01:16:49,840

viewing and CV wood was one of their

1738

01:16:56,310 --> 01:16:53,320

engineers and when the disneys went to

1739

01:16:57,840 --> 01:16:56,320

SR I to get some basic consulting on

1740

01:16:58,649 --> 01:16:57,850

where would be the best place to build

1741

01:17:01,439 --> 01:16:58,659

their Park

1742

01:17:03,540 --> 01:17:01,449

they met CV wood he loved the idea of

1743

01:17:05,910 --> 01:17:03,550

Disneyland so much that Walt easily

1744

01:17:09,180 --> 01:17:05,920

hired him away from SR I and this

1745

01:17:12,870 --> 01:17:09,190

gentleman mr. wood engineered and built

1746

01:17:15,330 --> 01:17:12,880

the park for the Disney's what's

1747

01:17:18,649 --> 01:17:15,340

interesting about wood is he's he had

1748

01:17:21,870 --> 01:17:18,659

always had an interest in in strange

1749

01:17:26,609 --> 01:17:21,880

psychic and extraordinary phenomena he

1750

01:17:28,379 --> 01:17:26,619

was friends with Tom's is a swift I

1751

01:17:31,229 --> 01:17:28,389

think the gentleman who founded the mine

1752

01:17:32,609 --> 01:17:31,239

Science Foundation and

1753

01:17:35,069 --> 01:17:32,619

there there's an organization that

1754

01:17:39,209 --> 01:17:35,079

people like Dean Radin than others have

1755

01:17:41,520 --> 01:17:39,219

done work with and they're all about you

1756

01:17:43,020 --> 01:17:41,530

know human consciousness and that

1757

01:17:45,540 --> 01:17:43,030

involves extraordinary phenomena and

1758

01:17:47,910 --> 01:17:45,550

such and this is the man who physically

1759

01:17:50,939 --> 01:17:47,920

designed the Magic Kingdom and put a

1760

01:17:54,239 --> 01:17:50,949

carousel right on top of where this

1761

01:17:56,609 --> 01:17:54,249

intersection of ley lines were and or is

1762

01:18:00,839 --> 01:17:56,619

to this day the carousel has been moved

1763

01:18:04,080 --> 01:18:00,849

and the device as we like to call it the

1764

01:18:05,430 --> 01:18:04,090

book theoretically draws the energy up

1765

01:18:07,649 --> 01:18:05,440

from that intersection of these lines

1766

01:18:10,229 --> 01:18:07,659

and spreads it out through the park now

1767

01:18:11,609 --> 01:18:10,239

the park being built in a bowl a lot of

1768

01:18:14,279 --> 01:18:11,619

people don't realize that but Disneyland

1769

01:18:16,200 --> 01:18:14,289

sets in a bowl with the train going

1770

01:18:18,689 --> 01:18:16,210

around the berm of that bowl the

1771

01:18:19,859 --> 01:18:18,699

perimeter the the the energy drawn up

1772

01:18:22,259 --> 01:18:19,869

from the intersection of ley lines

1773

01:18:25,049 --> 01:18:22,269

spreads out through the park spread by

1774

01:18:27,720 --> 01:18:25,059

the carousels motion drawn up and spread

1775

01:18:29,790 --> 01:18:27,730

out and then it gathers at the berm

1776

01:18:32,580 --> 01:18:29,800

where it kind of you know wood curves

1777

01:18:35,759 --> 01:18:32,590

back in the flow back in on itself which

1778

01:18:37,109 --> 01:18:35,769

might explain that that feeling when you

1779

01:18:39,540 --> 01:18:37,119

go there even when you're an adult or

1780

01:18:42,000 --> 01:18:39,550

used to it's not as strong now I don't

1781

01:18:44,339 --> 01:18:42,010

think that you just you escape the

1782

01:18:47,609 --> 01:18:44,349

outside world and you were just in this

1783

01:18:50,279 --> 01:18:47,619

other place for the day and you know it

1784

01:18:52,140 --> 01:18:50,289

we present the idea that CV wood did

1785

01:18:53,939 --> 01:18:52,150

this on purpose because of his interest

1786

01:18:55,350 --> 01:18:53,949

in human consciousness that he wanted to

1787

01:18:57,870 --> 01:18:55,360

play with this and see if it would work

1788

01:18:59,939 --> 01:18:57,880

and of course it worked big time has

1789

01:19:02,310 --> 01:18:59,949

anybody noticed this and discussed this

1790

01:19:04,049 --> 01:19:02,320

theory besides when Walter said I was a

1791

01:19:06,330 --> 01:19:04,059

co-author I basically came up the idea

1792

01:19:07,890 --> 01:19:06,340

with him he wrote the book and then I

1793

01:19:11,479 --> 01:19:07,900

did a bit of editing before it was

1794

01:19:14,759 --> 01:19:11,489

published the what I was asking was that

1795

01:19:17,000 --> 01:19:14,769

if anybody else's has noticed this or

1796

01:19:19,680 --> 01:19:17,010

come anywhere near that kind of theory

1797

01:19:22,529 --> 01:19:19,690

you mean well specifically with

1798

01:19:24,479 --> 01:19:22,539

Disneyland no but since writing it

1799

01:19:26,279 --> 01:19:24,489

naturally you know you have people to

1800

01:19:28,439 --> 01:19:26,289

contact you and you know they've had

1801

01:19:30,959 --> 01:19:28,449

their experiences and all on us you have

1802

01:19:34,799 --> 01:19:30,969

to kind of pick and choose you know that

1803

01:19:38,129 --> 01:19:34,809

kind of data but specifically no no one

1804

01:19:41,160 --> 01:19:38,139

has you know approached this material

1805

01:19:43,439 --> 01:19:41,170

about Disneyland in this way the other

1806

01:19:43,870 --> 01:19:43,449

question would be logically okay there

1807

01:19:46,870 --> 01:19:43,880

are

1808

01:19:49,600 --> 01:19:46,880

other Disney theme parks they have

1809

01:19:52,510 --> 01:19:49,610

nothing to do with any of this Disney

1810

01:19:54,970 --> 01:19:52,520

World is now you got to remember there's

1811

01:19:58,210 --> 01:19:54,980

latitude 33 which is 33 degrees north

1812

01:20:00,940 --> 01:19:58,220

latitude but there's there's a and

1813

01:20:02,740 --> 01:20:00,950

that's within a wider zone between 30

1814

01:20:04,780 --> 01:20:02,750

and 40 degrees north latitude where oh

1815

01:20:06,490 --> 01:20:04,790

it goes in a band around the whole globe

1816

01:20:07,210 --> 01:20:06,500

and there's all sorts of interesting

1817

01:20:10,240 --> 01:20:07,220

things

1818

01:20:12,970 --> 01:20:10,250

the EES of pyramids you know other

1819

01:20:16,390 --> 01:20:12,980

ancient sites but also at latitude 33

1820

01:20:20,650 --> 01:20:16,400

other strange things Roswell is

1821

01:20:23,980 --> 01:20:20,660

essentially at latitude 33 the Dallas

1822

01:20:25,990 --> 01:20:23,990

you know the JFK assassination if you're

1823

01:20:28,960 --> 01:20:26,000

familiar with Shelby down or take on

1824

01:20:31,090 --> 01:20:28,970

that with all those wild synchronicities

1825

01:20:33,820 --> 01:20:31,100

that that brings the fact that Dallas is

1826

01:20:35,800 --> 01:20:33,830

at you know essentially a 33 that makes

1827

01:20:37,540 --> 01:20:35,810

that more interesting what is

1828

01:20:38,950 --> 01:20:37,550

interesting is the Disney parks that

1829

01:20:42,370 --> 01:20:38,960

fall within that zone had been very

1830

01:20:44,470 --> 01:20:42,380

successful the one that does not has had

1831

01:20:46,660 --> 01:20:44,480

a very checkered past and had a rough

1832

01:20:49,660 --> 01:20:46,670

start and that's Disneyland Paris it's

1833

01:20:52,540 --> 01:20:49,670

out of this zone and Disneyland Paris is

1834

01:20:54,850 --> 01:20:52,550

notoriously been you know the one Disney

1835

01:20:56,380 --> 01:20:54,860

park that has had difficulties all the

1836

01:20:58,480 --> 01:20:56,390

other ones are very successful now CV

1837

01:21:01,990 --> 01:20:58,490

would after he had a little falling-out

1838

01:21:06,400 --> 01:21:02,000

with Walt he went in designed other

1839

01:21:08,230 --> 01:21:06,410

amusement parks and the only one of his

1840

01:21:10,210 --> 01:21:08,240

amusement parks that he built other than

1841

01:21:14,650 --> 01:21:10,220

Disneyland that has been successful in

1842

01:21:18,070 --> 01:21:14,660

remains is one that is built on another

1843

01:21:22,410 --> 01:21:18,080

ley line system and that is Six Flags

1844

01:21:26,230 --> 01:21:22,420

the original Six Flags park in Texas and

1845

01:21:29,410 --> 01:21:26,240

right there outside Arlington and the

1846

01:21:31,410 --> 01:21:29,420

other parks he built they they went by

1847

01:21:34,750 --> 01:21:31,420

the wayside they just weren't successful

1848

01:21:38,130 --> 01:21:34,760

so it's interesting that the parks he

1849

01:21:41,200 --> 01:21:38,140

built in these zones at this latitude

1850

01:21:42,940 --> 01:21:41,210

they're successful and the other ones

1851
01:21:45,910 --> 01:21:42,950
are not so the question is the question

1852
01:21:47,470 --> 01:21:45,920
we ask is you know that oh and we

1853
01:21:49,660 --> 01:21:47,480
identified that there the other ones

1854
01:21:50,890 --> 01:21:49,670
were not built on ley lines it's the

1855
01:21:53,320 --> 01:21:50,900
ones that were built where we've

1856
01:21:56,770 --> 01:21:53,330
identified ley lines going through that

1857
01:21:57,340 --> 01:21:56,780
had been successful so now I wonder he

1858
01:22:00,520 --> 01:21:57,350
has

1859
01:22:03,250 --> 01:22:00,530
anyone tried to investigate they terrain

1860
01:22:04,570 --> 01:22:03,260
to see maybe we have electromagnetic

1861
01:22:07,780 --> 01:22:04,580
phenomena or something else that would

1862
01:22:09,730 --> 01:22:07,790
create a higher level of joy when you go

1863
01:22:13,060 --> 01:22:09,740

to the real Disneyland as opposed to the

1864

01:22:15,370 --> 01:22:13,070

pretenders I have never personally taken

1865

01:22:20,140 --> 01:22:15,380

any kind of magnetometer or anything to

1866

01:22:23,140 --> 01:22:20,150

Disneyland yet you know I guess somebody

1867

01:22:25,210 --> 01:22:23,150

should you know I just haven't I've been

1868

01:22:27,490 --> 01:22:25,220

I got busy with some other things so I

1869

01:22:29,380 --> 01:22:27,500

kind of haven't done a lot at Disneyland

1870

01:22:30,820 --> 01:22:29,390

so I would like to do that with you

1871

01:22:34,090 --> 01:22:30,830

because of what I continually tell

1872

01:22:35,740 --> 01:22:34,100

Walter because if somebody tells me they

1873

01:22:37,150 --> 01:22:35,750

believe in something I try to figure out

1874

01:22:39,190 --> 01:22:37,160

why they shouldn't and if somebody tells

1875

01:22:40,300 --> 01:22:39,200

me they don't believe in something I try

1876

01:22:41,950 --> 01:22:40,310

to figure out why they're so

1877

01:22:44,080 --> 01:22:41,960

closed-minded and aren't considering it

1878

01:22:47,620 --> 01:22:44,090

that's just the way I am yeah my other

1879

01:22:50,050 --> 01:22:47,630

thing too we used to hear the stories in

1880

01:22:53,560 --> 01:22:50,060

the UFO field that sightings occurred

1881

01:22:55,600 --> 01:22:53,570

over so-called ley lines now can we

1882

01:22:56,920 --> 01:22:55,610

define ley lines a little bit better for

1883

01:23:01,120 --> 01:22:56,930

those who haven't followed all this

1884

01:23:03,430 --> 01:23:01,130

stuff yes I I will say that in the new

1885

01:23:05,680 --> 01:23:03,440

book we explained that what we're

1886

01:23:08,280 --> 01:23:05,690

actually talking about our current lines

1887

01:23:11,560 --> 01:23:08,290

that flow through the terrain of the

1888

01:23:15,580 --> 01:23:11,570

these lines of current flow through the

1889

01:23:17,440 --> 01:23:15,590

actual terrain of the planet and they

1890

01:23:20,710 --> 01:23:17,450

can be tapped into and what's

1891

01:23:23,140 --> 01:23:20,720

interesting is in session writes about

1892

01:23:25,530 --> 01:23:23,150

this in his book the handprint of Atlas

1893

01:23:27,520 --> 01:23:25,540

it goes into better detail than I can

1894

01:23:29,680 --> 01:23:27,530

you find all sorts of things like

1895

01:23:33,400 --> 01:23:29,690

railroad lines are built basically

1896

01:23:36,760 --> 01:23:33,410

following along these lines airports

1897

01:23:38,760 --> 01:23:36,770

hospitals radio towers are very often

1898

01:23:41,470 --> 01:23:38,770

placed along these lines somebody in

1899

01:23:43,720 --> 01:23:41,480

civil engineering is very much aware of

1900

01:23:45,610 --> 01:23:43,730

this and they're using it now to get

1901

01:23:48,010 --> 01:23:45,620

more specific there's something called

1902

01:23:49,990 --> 01:23:48,020

telluric currents that have been used in

1903

01:23:53,830 --> 01:23:50,000

ground radio for over a hundred years

1904

01:23:57,070 --> 01:23:53,840

and we Rick Spence and I get into that a

1905

01:24:00,730 --> 01:23:57,080

little bit in the new book because it we

1906

01:24:02,380 --> 01:24:00,740

believe is connected to what we're what

1907

01:24:04,570 --> 01:24:02,390

we what I investigated and what we're

1908

01:24:07,300 --> 01:24:04,580

writing about you know they say Walter

1909

01:24:08,020 --> 01:24:07,310

that everything old is new again yes and

1910

01:24:10,990 --> 01:24:08,030

it was a book

1911

01:24:14,080 --> 01:24:11,000

out in 1958 by a French UFO researcher

1912

01:24:15,550 --> 01:24:14,090

aiming Michela with flying saucers in

1913

01:24:17,800 --> 01:24:15,560

the straight-line mystery wasn't that

1914

01:24:19,510 --> 01:24:17,810

covering the same thing very similar

1915

01:24:21,370 --> 01:24:19,520

yeah absolutely that that's that's kind

1916

01:24:24,960 --> 01:24:21,380

of what we're talking about this this

1917

01:24:29,500 --> 01:24:24,970

energy flows through these lines and

1918

01:24:30,970 --> 01:24:29,510

sure and it can be tapped into UFOs you

1919

01:24:34,600 --> 01:24:30,980

know or flying saucers or whatever

1920

01:24:36,430 --> 01:24:34,610

alternate propulsion craft anti-gravity

1921

01:24:40,210 --> 01:24:36,440

craft specifically could tap into this

1922

01:24:41,560 --> 01:24:40,220

and use this to to propel you know along

1923

01:24:43,180 --> 01:24:41,570

their path that they want to go but

1924

01:24:46,300 --> 01:24:43,190

originally it goes back to the use of

1925

01:24:48,160 --> 01:24:46,310

ley lines goes back to in modern times

1926

01:24:51,790 --> 01:24:48,170

because these things go way back to

1927

01:24:57,340 --> 01:24:51,800

Egyptian times but in modern times a man

1928

01:25:00,100 --> 01:24:57,350

named Alfred Watkins in 1925 was

1929

01:25:02,740 --> 01:25:00,110

investigating these straight-line paths

1930

01:25:04,390 --> 01:25:02,750

of old temples and such in England and

1931

01:25:09,250 --> 01:25:04,400

he ended up writing a book called the

1932

01:25:13,900 --> 01:25:09,260

old straight track now I know about this

1933

01:25:15,400 --> 01:25:13,910

because back in 1980-81 when I had my

1934

01:25:17,380 --> 01:25:15,410

strange encounter at Disneyland which

1935

01:25:19,870 --> 01:25:17,390

the book goes into I was riding the

1936

01:25:22,210 --> 01:25:19,880

carousel it was sometime after 9:00 p.m.

1937

01:25:24,790 --> 01:25:22,220

in the evening and I saw this this man

1938

01:25:27,790 --> 01:25:24,800

Slenderman somewhere around 70 years old

1939

01:25:29,470 --> 01:25:27,800

with close cropped white hair and a you

1940

01:25:31,000 --> 01:25:29,480

know snow white hair snow white beard he

1941

01:25:33,310 --> 01:25:31,010

was wearing a black suit a white shirt

1942

01:25:34,540 --> 01:25:33,320

no tie and he was standing there just

1943

01:25:36,370 --> 01:25:34,550

watching the carousel I was on the

1944

01:25:40,900 --> 01:25:36,380

carousel with some friends he will round

1945

01:25:43,990 --> 01:25:40,910

in black exactly yeah and he's standing

1946

01:25:45,700 --> 01:25:44,000

there between where like Dumbo and mr.

1947

01:25:48,010 --> 01:25:45,710

toad is that pathway that takes you back

1948

01:25:50,170 --> 01:25:48,020

to Alice in Wonderland and towards the

1949

01:25:51,760 --> 01:25:50,180

Matterhorn and he was just standing

1950

01:25:53,110 --> 01:25:51,770

there just watching the carousel go

1951

01:25:54,580 --> 01:25:53,120

round around I saw him about 3 or 4

1952

01:25:56,950 --> 01:25:54,590

times and then finally he was gone well

1953

01:25:59,050 --> 01:25:56,960

we got off the carousel and we were

1954

01:26:01,030 --> 01:25:59,060

walking along that path I just described

1955

01:26:03,760 --> 01:26:01,040

and as we approached the Matterhorn we

1956

01:26:04,270 --> 01:26:03,770

saw the old man sitting sitting there by

1957

01:26:05,560 --> 01:26:04,280

himself

1958

01:26:07,720 --> 01:26:05,570

kind of look in our direction and I

1959

01:26:10,180 --> 01:26:07,730

don't know why but I felt compelled to

1960

01:26:14,070 --> 01:26:10,190

go up strike up a conversation with him

1961

01:26:16,870 --> 01:26:14,080

and and he said his name was Alfred and

1962

01:26:18,460 --> 01:26:16,880

he had never been to Disneyland before

1963

01:26:20,260 --> 01:26:18,470

and this was in the days when he still

1964

01:26:21,140 --> 01:26:20,270

had ticket books but you could also buy

1965

01:26:23,750 --> 01:26:21,150

a passport

1966

01:26:25,730 --> 01:26:23,760

the unlimited use passport well he had

1967

01:26:28,490 --> 01:26:25,740

only like an a ticket or something be

1968

01:26:30,380 --> 01:26:28,500

left and and we decided well let's go

1969

01:26:31,610 --> 01:26:30,390

over here and ride it's a small world

1970

01:26:33,500 --> 01:26:31,620

because he had not been on that so we

1971

01:26:36,710 --> 01:26:33,510

rode small world with him and I go into

1972

01:26:38,720 --> 01:26:36,720

this in the book but it long story short

1973

01:26:40,490 --> 01:26:38,730

it ended up that I just felt like well

1974

01:26:42,440 --> 01:26:40,500

you know I come to Disneyland a lot this

1975

01:26:45,020 --> 01:26:42,450

old guy even he was just looking at the

1976

01:26:47,210 --> 01:26:45,030

place they he was he was as if you were

1977

01:26:49,280 --> 01:26:47,220

stunned and amazed at where he was at so

1978

01:26:52,070 --> 01:26:49,290

the park was still open for another hour

1979

01:26:53,900 --> 01:26:52,080

and a half I I gave him my passport my

1980

01:26:57,500 --> 01:26:53,910

unlimited passport ticket I told him

1981

01:26:58,580 --> 01:26:57,510

look with this ticket you can go do all

1982

01:27:00,920 --> 01:26:58,590

the other things you want to do

1983

01:27:02,090 --> 01:27:00,930

unlimited you know just have fun you

1984

01:27:04,550 --> 01:27:02,100

still got over an hour and he was

1985

01:27:05,840 --> 01:27:04,560

profusely grateful just oh thank you

1986

01:27:07,880 --> 01:27:05,850

thank you thank you you know that I

1987

01:27:10,030 --> 01:27:07,890

would do this and I gave it to him and

1988

01:27:12,890 --> 01:27:10,040

off he went back into Fantasyland well

1989

01:27:14,570 --> 01:27:12,900

about 12 years later 11 or 12 years

1990

01:27:17,690 --> 01:27:14,580

later I'm working for the FBI I'm in

1991

01:27:19,220 --> 01:27:17,700

Manhattan and I go to the Coliseum

1992

01:27:23,750 --> 01:27:19,230

bookstore which is up there down from

1993

01:27:25,790 --> 01:27:23,760

Columbus Circle and I I'm in the section

1994

01:27:27,800 --> 01:27:25,800

with those books like guys like us like

1995

01:27:29,630 --> 01:27:27,810

and I'm looking at this book called the

1996

01:27:31,040 --> 01:27:29,640

old straight track I'm like hon I opened

1997

01:27:33,890 --> 01:27:31,050

it up and there's a picture of the

1998

01:27:35,870 --> 01:27:33,900

author and I got goosebumps and I didn't

1999

01:27:38,630 --> 01:27:35,880

know what to think and it freaked me out

2000

01:27:41,150 --> 01:27:38,640

because the man in the photo was the man

2001

01:27:44,000 --> 01:27:41,160

I saw at Disneyland there was no

2002

01:27:47,050 --> 01:27:44,010

mistaking it and the weird thing was

2003

01:27:49,850 --> 01:27:47,060

this man had been dead since I think

2004

01:27:52,220 --> 01:27:49,860

1945 whoa

2005

01:27:55,220 --> 01:27:52,230

yeah nowadays you see our society is so

2006

01:27:57,230 --> 01:27:55,230

weird now we think that anybody like

2007

01:28:00,110 --> 01:27:57,240

that you know the old man hanging around

2008

01:28:02,570 --> 01:28:00,120

Disneyland talking to teenage boys jeez

2009

01:28:05,000 --> 01:28:02,580

gotta be a predator slash well you know

2010

01:28:06,980 --> 01:28:05,010

really are in a very and very sick world

2011

01:28:09,080 --> 01:28:06,990

where nobody can be trusted anymore play

2012

01:28:11,330 --> 01:28:09,090

different subject the key to the whole

2013

01:28:13,280 --> 01:28:11,340

thing is that this old man at Disneyland

2014

01:28:14,990 --> 01:28:13,290

who is the spittin image of the man look

2015

01:28:17,840 --> 01:28:15,000

in the book he told me his name was

2016

01:28:20,720 --> 01:28:17,850

Alfred now it's not like he said Joe or

2017

01:28:23,600 --> 01:28:20,730

Bob or Harry or Tom he said Alfred and

2018

01:28:26,090 --> 01:28:23,610

then here 11 years later I learned about

2019

01:28:28,310 --> 01:28:26,100

Alfred Watkins is the guy that wrote

2020

01:28:31,280 --> 01:28:28,320

this book on the ley lines well the book

2021

01:28:33,890 --> 01:28:31,290

gets into all the myriad possibilities

2022

01:28:34,669 --> 01:28:33,900

of who this old man at Disneyland

2023

01:28:37,910 --> 01:28:34,679

could've been

2024

01:28:40,009 --> 01:28:37,920

and what and in with the experience I

2025

01:28:41,479 --> 01:28:40,019

had there with my alfred with this

2026

01:28:43,250 --> 01:28:41,489

experience of learning about Alfred

2027

01:28:44,929 --> 01:28:43,260

Watkins for years I tried to figure out

2028

01:28:46,459 --> 01:28:44,939

what's going on you know what happened

2029

01:28:48,799 --> 01:28:46,469

to me at Disneyland and then bring it up

2030

01:28:51,799 --> 01:28:48,809

to the recent times and Greg and I are

2031

01:28:53,419 --> 01:28:51,809

talking about this and we find out we're

2032

01:28:54,859 --> 01:28:53,429

trying to look into the origin of why

2033

01:28:57,979 --> 01:28:54,869

club 33 is called

2034

01:29:00,290 --> 01:28:57,989

club 33 so Greg pulled up Disneyland on

2035

01:29:02,689 --> 01:29:00,300

Wikipedia and I'll be damned

2036

01:29:04,819 --> 01:29:02,699

but Wikipedia always has Latin longitude

2037

01:29:08,540 --> 01:29:04,829

of any place you look up and there it

2038

01:29:09,890 --> 01:29:08,550

was the latitude is 33 point one eight

2039

01:29:11,810 --> 01:29:09,900

eight one or eight one one eight

2040

01:29:13,189 --> 01:29:11,820

something like that and we were two

2041

01:29:17,810 --> 01:29:13,199

point eight something

2042

01:29:19,790 --> 01:29:17,820

yeah and we're like wow wow club 33 and

2043

01:29:22,160 --> 01:29:19,800

Disney lands on the 33rd degree of

2044

01:29:24,109 --> 01:29:22,170

latitude now they tell you that 33

2045

01:29:25,850 --> 01:29:24,119

represents the first 33 sponsors of

2046

01:29:30,080 --> 01:29:25,860

Disneyland okay and that may be true but

2047

01:29:31,850 --> 01:29:30,090

there is just a mile synchronicity and

2048

01:29:33,379 --> 01:29:31,860

as far as synchronicities go that I

2049

01:29:35,149 --> 01:29:33,389

personally experienced in the last three

2050

01:29:37,219 --> 01:29:35,159

years alone let me tell you that's a

2051

01:29:40,100 --> 01:29:37,229

mild synchronicity but a synchronicity

2052

01:29:42,589 --> 01:29:40,110

indeed so I wonder what is this telling

2053

01:29:48,440 --> 01:29:42,599

me what in the hell is going on here I

2054

01:29:48,450 --> 01:29:53,630

this is the bare cast you never know

2075

01:30:49,700 --> 01:30:46,180

what's gonna happen next

2076
01:30:55,950 --> 01:30:53,459
Greg Bishop is our co-host Walter Bosley

2077
01:30:59,010 --> 01:30:55,960
joins us and he is talking about

2078
01:31:00,030 --> 01:30:59,020
synchronicity so what the hell is going

2079
01:31:07,050 --> 01:31:00,040
on here my friend

2080
01:31:08,880 --> 01:31:07,060
I suspect that the ley lines the carousel

2081
01:31:12,439 --> 01:31:08,890
being on those ley lines at Disneyland

2082
01:31:15,930 --> 01:31:12,449
I'm I was writing it and I suspect that

2083
01:31:17,550 --> 01:31:15,940
the Alfred that I encountered and again

2084
01:31:20,640 --> 01:31:17,560
this I go into the book on this the

2085
01:31:23,790 --> 01:31:20,650
Alfred that I encountered was either a

2086
01:31:27,990 --> 01:31:23,800
man who was the spittin image of Alfred

2087
01:31:30,720 --> 01:31:28,000
Watkins with the same name and the

2088
01:31:33,419 --> 01:31:30,730

universe the the the entities whatever

2089

01:31:36,330 --> 01:31:33,429

you want to say put made our paths cross

2090

01:31:38,370 --> 01:31:36,340

so that years later when I learned about

2091

01:31:41,220 --> 01:31:38,380

Alfred Watkins I would make the

2092

01:31:43,590 --> 01:31:41,230

connection and investigate what I indeed

2093

01:31:46,590 --> 01:31:43,600

investigated the question here a silly

2094

01:31:49,050 --> 01:31:46,600

question and have any children Alfred

2095

01:31:51,600 --> 01:31:49,060

Watkins sure because you think well

2096

01:31:54,090 --> 01:31:51,610

maybe he's a man who died I don't know

2097

01:31:56,700 --> 01:31:54,100

what age but now we have a 70 year old

2098

01:31:59,130 --> 01:31:56,710

man and now you're seeing that 70 year

2099

01:32:02,189 --> 01:31:59,140

old man what 35 years after the original

2100

01:32:03,660 --> 01:32:02,199

died does ya sense yeah yeah I see what

2101
01:32:06,680 --> 01:32:03,670
you're saying interesting enough yeah he

2102
01:32:09,899 --> 01:32:06,690
had children but you got to remember

2103
01:32:12,300 --> 01:32:09,909
once I came upon what I've been

2104
01:32:14,729 --> 01:32:12,310
investigating for three years I set

2105
01:32:17,910 --> 01:32:14,739
delving into the Disneyland thing aside

2106
01:32:21,600 --> 01:32:17,920
because what I found was so much bigger

2107
01:32:24,090 --> 01:32:21,610
and more impactful so yes Watkins had

2108
01:32:25,950 --> 01:32:24,100
kids I recall in my research not being

2109
01:32:28,140 --> 01:32:25,960
able to find out very much at all about

2110
01:32:30,660 --> 01:32:28,150
them which is interesting in itself

2111
01:32:32,729 --> 01:32:30,670
but it yeah it could have been that the

2112
01:32:33,510 --> 01:32:32,739
double was even you know Watkins son

2113
01:32:36,090 --> 01:32:33,520

theoretically

2114

01:32:38,939 --> 01:32:36,100

another possibility is something Greg

2115

01:32:41,100 --> 01:32:38,949

actually suggested and that is what I

2116

01:32:43,439 --> 01:32:41,110

encountered was actually a Tulpa and

2117

01:32:48,840 --> 01:32:43,449

that is a physicalized

2118

01:32:51,380 --> 01:32:48,850

entity that was indeed a you what's the

2119

01:32:54,240 --> 01:32:51,390

word for a substitute Alfred

2120

01:32:56,130 --> 01:32:54,250

you know that that was brought up to do

2121

01:32:58,860 --> 01:32:56,140

the same thing that the double would

2122

01:33:01,100 --> 01:32:58,870

have and that was plant the idea in my

2123

01:33:03,950 --> 01:33:01,110

head so that later I would recognize

2124

01:33:05,450 --> 01:33:03,960

when I saw it and then you know

2125

01:33:08,630 --> 01:33:05,460

ultimately investigate what I

2126

01:33:10,880 --> 01:33:08,640

investigated the third possibility is my

2127

01:33:13,580 --> 01:33:10,890

personal favorite and that is that

2128

01:33:15,220 --> 01:33:13,590

Alfred Watkins back in 1925 when he's

2129

01:33:17,210 --> 01:33:15,230

investigating this stuff in England

2130

01:33:21,410 --> 01:33:17,220

stepped into one of these intersections

2131

01:33:25,250 --> 01:33:21,420

and was physically transported across

2132

01:33:28,220 --> 01:33:25,260

time and space to Disneyland that day

2133

01:33:30,800 --> 01:33:28,230

and that night in 1981 and that would

2134

01:33:32,870 --> 01:33:30,810

explain why my Alfred was so kind of

2135

01:33:35,810 --> 01:33:32,880

wide-eyed and amazed about where the

2136

01:33:37,790 --> 01:33:35,820

hell am I and I like this is a small

2137

01:33:39,530 --> 01:33:37,800

potatoes you're saying there are things

2138

01:33:41,720 --> 01:33:39,540

that are even more significant let's

2139

01:33:44,810 --> 01:33:41,730

focus on some of those well I was

2140

01:33:46,340 --> 01:33:44,820

referring to my new research and again

2141

01:33:50,780 --> 01:33:46,350

I'm not gonna go in too great a detail

2142

01:33:55,850 --> 01:33:50,790

on that yet but things that basically

2143

01:34:00,580 --> 01:33:55,860

there's a network of things done on

2144

01:34:05,560 --> 01:34:00,590

these intersections there have been I

2145

01:34:08,630 --> 01:34:05,570

believe I suspect acts of murder

2146

01:34:13,460 --> 01:34:08,640

committed on these ley line

2147

01:34:15,560 --> 01:34:13,470

intersections magical when I say magical

2148

01:34:18,800 --> 01:34:15,570

I mean high magic like a Nokian type

2149

01:34:20,990 --> 01:34:18,810

magic conducted on these things

2150

01:34:25,370 --> 01:34:21,000

in other words extreme events yeah

2151
01:34:28,850 --> 01:34:25,380
extreme events and or at least with the

2152
01:34:30,770 --> 01:34:28,860
goal to cause an extreme event and in

2153
01:34:34,700 --> 01:34:30,780
researching this I have encountered

2154
01:34:39,200 --> 01:34:34,710
intense synchronicities presences

2155
01:34:44,240 --> 01:34:39,210
I've even yeah I even had an entity a

2156
01:34:47,000 --> 01:34:44,250
particular goddess show herself on the

2157
01:34:52,370 --> 01:34:47,010
side of a mountain that happened about

2158
01:34:54,260 --> 01:34:52,380
two years ago to me what did that look

2159
01:34:58,400 --> 01:34:54,270
like I don't want to identify the

2160
01:35:00,890 --> 01:34:58,410
goddess right now I starting yeah you

2161
01:35:03,140 --> 01:35:00,900
guys heard of the admonition of Isis you

2162
01:35:05,060 --> 01:35:03,150
know when Isis lifts her veil and shows

2163
01:35:09,740 --> 01:35:05,070

you what she really looks like her

2164

01:35:12,650 --> 01:35:09,750

legend is to tell no one and this has

2165

01:35:14,540 --> 01:35:12,660

left me I'll be honest with you I'm I'm

2166

01:35:17,149 --> 01:35:14,550

closer to

2167

01:35:18,950 --> 01:35:17,159

once the new book is out in the

2168

01:35:22,819 --> 01:35:18,960

follow-up that there's plenty of

2169

01:35:25,669 --> 01:35:22,829

material for maybe taking a break from

2170

01:35:28,160 --> 01:35:25,679

talking about all this stuff and just

2171

01:35:30,890 --> 01:35:28,170

kind of you know going away from it all

2172

01:35:34,239 --> 01:35:30,900

because what I have found has been so

2173

01:35:38,089 --> 01:35:34,249

has had such a profound impact on me and

2174

01:35:41,930 --> 01:35:38,099

I've only I've talked probably with Greg

2175

01:35:44,720 --> 01:35:41,940

and maybe two other very close

2176
01:35:48,410 --> 01:35:44,730
confidants and anywhere near the details

2177
01:35:51,109 --> 01:35:48,420
about this and there's even certain

2178
01:35:53,509 --> 01:35:51,119
aspects you know certain impressions

2179
01:35:55,910 --> 01:35:53,519
that it's left on me but it's that whole

2180
01:35:58,700 --> 01:35:55,920
thing I I'm beginning to understand why

2181
01:36:00,169 --> 01:35:58,710
Isis says tell no one aside from the

2182
01:36:02,000 --> 01:36:00,179
fact that making you look like what

2183
01:36:07,430 --> 01:36:02,010
Anthony Hopkins calls him Bram Stoker's

2184
01:36:08,870 --> 01:36:07,440
Dracula Godzone Mad Men it did things

2185
01:36:11,239 --> 01:36:08,880
that you know what people just aren't

2186
01:36:15,859 --> 01:36:11,249
gonna believe and the experiences I've

2187
01:36:18,229 --> 01:36:15,869
had it it's I I don't care if people

2188
01:36:22,069 --> 01:36:18,239

believe it I mean I'm at that point now

2189

01:36:25,700 --> 01:36:22,079

I honestly really don't care if people

2190

01:36:29,299 --> 01:36:25,710

don't believe me I'm not here I you know

2191

01:36:32,209 --> 01:36:29,309

on certain things to convince anyone

2192

01:36:33,890 --> 01:36:32,219

anymore you know Walter there's a we

2193

01:36:35,299 --> 01:36:33,900

listen to you say these things and I've

2194

01:36:38,720 --> 01:36:35,309

read some of your stuff and talked to

2195

01:36:40,910 --> 01:36:38,730

you I remain convinced on some things

2196

01:36:44,120 --> 01:36:40,920

and sort of convinced on others but the

2197

01:36:46,879 --> 01:36:44,130

point is that when you start looking at

2198

01:36:48,830 --> 01:36:46,889

some of these weird things they are only

2199

01:36:50,779 --> 01:36:48,840

gonna make sense for you and there's a

2200

01:36:52,819 --> 01:36:50,789

real trick to figure out how it's gonna

2201

01:36:55,310 --> 01:36:52,829

make sense to other people that's right

2202

01:36:56,750 --> 01:36:55,320

listen this author that we talked to he

2203

01:36:58,189 --> 01:36:56,760

goes about and we're not gonna say who

2204

01:37:01,609 --> 01:36:58,199

it is because I don't think he wants it

2205

01:37:05,089 --> 01:37:01,619

revealed but he he goes about things by

2206

01:37:06,200 --> 01:37:05,099

making really strange on things that

2207

01:37:08,359 --> 01:37:06,210

don't seem connected

2208

01:37:10,729 --> 01:37:08,369

he will make connections somehow almost

2209

01:37:12,439 --> 01:37:10,739

in an alchemical way and then he'll go

2210

01:37:14,000 --> 01:37:12,449

look for the evidence to support it and

2211

01:37:15,350 --> 01:37:14,010

more often than not he finds it and

2212

01:37:18,350 --> 01:37:15,360

people say how the hell did you find

2213

01:37:22,160 --> 01:37:18,360

that and but he won't tell them that he

2214

01:37:24,799 --> 01:37:22,170

took an educated weirdo guess yeah and

2215

01:37:26,209 --> 01:37:24,809

then he did it backwards most people you

2216

01:37:26,760 --> 01:37:26,219

know they have a theory or they get some

2217

01:37:28,830 --> 01:37:26,770

information

2218

01:37:30,750 --> 01:37:28,840

they form a theory out of it he forms

2219

01:37:32,760 --> 01:37:30,760

the theory first based on almost on

2220

01:37:34,530 --> 01:37:32,770

intuition then he goes he looks for the

2221

01:37:37,050 --> 01:37:34,540

information and like I said more often

2222

01:37:40,290 --> 01:37:37,060

than not he finds it that fascinates me

2223

01:37:42,210 --> 01:37:40,300

and question would be then is he

2224

01:37:44,250 --> 01:37:42,220

coloring what he's finding because he

2225

01:37:46,140 --> 01:37:44,260

expects to find it you know but the

2226

01:37:47,910 --> 01:37:46,150

point is to make it understandable to

2227

01:37:51,210 --> 01:37:47,920

other people not just convinced himself

2228

01:37:52,710 --> 01:37:51,220

and the point is that he does that he

2229

01:37:55,230 --> 01:37:52,720

does it to me he does it and you know to

2230

01:37:58,020 --> 01:37:55,240

my satisfaction and I'm exceedingly

2231

01:38:00,270 --> 01:37:58,030

sceptical about things oh and it's it's

2232

01:38:04,140 --> 01:38:00,280

an amazing method and and that's kind of

2233

01:38:07,080 --> 01:38:04,150

of what I experienced ii-i'll tell you

2234

01:38:08,730 --> 01:38:07,090

flat-out I discovered what I discovered

2235

01:38:10,530 --> 01:38:08,740

that what I've been investigating for

2236

01:38:13,320 --> 01:38:10,540

three years and writing about after I

2237

01:38:16,020 --> 01:38:13,330

started doing remote viewing in August

2238

01:38:18,420 --> 01:38:16,030

of 2007 well you know what we can almost

2239

01:38:20,340 --> 01:38:18,430

do a remote viewing show with you and at

2240

01:38:22,770 --> 01:38:20,350

something which I wanted to follow-up

2241

01:38:24,450 --> 01:38:22,780

when you mentioned this on our previous

2242

01:38:27,000 --> 01:38:24,460

episode the one where we were covering

2243

01:38:28,800 --> 01:38:27,010

Mac Tony's work and the theories about

2244

01:38:30,450 --> 01:38:28,810

UFOs from the Inner Earth and

2245

01:38:32,820 --> 01:38:30,460

unfortunately we don't have time today

2246

01:38:34,950 --> 01:38:32,830

to do I write but it's something that we

2247

01:38:36,810 --> 01:38:34,960

need to explore in future this book when

2248

01:38:40,140 --> 01:38:36,820

will it be out well

2249

01:38:42,390 --> 01:38:40,150

the our agent is we're still we're going

2250

01:38:45,930 --> 01:38:42,400

through the editorial process as he is

2251

01:38:47,970 --> 01:38:45,940

making the the preparations to present

2252

01:38:50,610 --> 01:38:47,980

it to a couple of publishers he's

2253

01:38:53,010 --> 01:38:50,620

already spoke with a little bit on it

2254

01:38:56,520 --> 01:38:53,020

he said that realistically either later

2255

01:38:59,910 --> 01:38:56,530

this year or early next year he's very

2256

01:39:03,630 --> 01:38:59,920

excited about it what once he from the

2257

01:39:05,460 --> 01:39:03,640

time he read the the outline and now you

2258

01:39:07,530 --> 01:39:05,470

know after reading the book he was just

2259

01:39:10,590 --> 01:39:07,540

bowled over by you know what we've got

2260

01:39:13,100 --> 01:39:10,600

in there essentially it kind of that's

2261

01:39:15,750 --> 01:39:13,110

how Richard Spence came into it was he

2262

01:39:18,870 --> 01:39:15,760

some of his past writings I was using

2263

01:39:21,600 --> 01:39:18,880

his you know in my research and so I

2264

01:39:23,880 --> 01:39:21,610

contacted him and told him what I was

2265

01:39:26,310 --> 01:39:23,890

looking into and he was so helpful just

2266

01:39:28,320 --> 01:39:26,320

giving me all sorts of information so

2267

01:39:30,030 --> 01:39:28,330

finally after a few months of this I

2268

01:39:31,830 --> 01:39:30,040

said hey Rick why don't you write this

2269

01:39:33,780 --> 01:39:31,840

thing with me because I really feel like

2270

01:39:36,330 --> 01:39:33,790

you could bring you know something with

2271

01:39:38,380 --> 01:39:36,340

it and he he was said yeah absolutely

2272

01:39:40,630 --> 01:39:38,390

and so for the last year he

2273

01:39:44,020 --> 01:39:40,640

I've been you know getting this book out

2274

01:39:46,930 --> 01:39:44,030

there and so you know it's it's very I'm

2275

01:39:48,730 --> 01:39:46,940

very excited about it it's got the book

2276

01:39:50,200 --> 01:39:48,740

itself does not get into these things

2277

01:39:52,960 --> 01:39:50,210

I'm telling you about my experience

2278

01:39:55,870 --> 01:39:52,970

writing it no way no way is that going

2279

01:39:58,570 --> 01:39:55,880

to be in the book but these things I'm

2280

01:40:01,150 --> 01:39:58,580

talking about that I experienced these

2281

01:40:04,360 --> 01:40:01,160

are what led me to what you read in the

2282

01:40:08,320 --> 01:40:04,370

book now when I say led me to it led me

2283

01:40:11,320 --> 01:40:08,330

to the specific detail to research which

2284

01:40:13,530 --> 01:40:11,330

I then found the evidence for okay and I

2285

01:40:17,440 --> 01:40:13,540

know what you're saying Jean about well

2286

01:40:20,470 --> 01:40:17,450

you know is in creating the evidence no

2287

01:40:24,160 --> 01:40:20,480

it's it's this indirect way of looking

2288

01:40:26,200 --> 01:40:24,170

at things you end up finding that the

2289

01:40:29,530 --> 01:40:26,210

evidence for what you suspect is there

2290

01:40:32,190 --> 01:40:29,540

exists okay well let's have a very quick

2291

01:40:35,040 --> 01:40:32,200

summary then what is the book about

2292

01:40:39,040 --> 01:40:35,050

really the book is about some

2293

01:40:40,870 --> 01:40:39,050

questionable deaths that and I and I'm

2294

01:40:42,970 --> 01:40:40,880

not gonna give a detail where or when

2295

01:40:45,340 --> 01:40:42,980

because I really don't want you know

2296

01:40:47,200 --> 01:40:45,350

someone else rushing out and beating us

2297

01:40:48,700 --> 01:40:47,210

to the punch quite frankly and I worked

2298

01:40:51,480 --> 01:40:48,710

too hard on this to hand it to someone

2299

01:40:57,340 --> 01:40:51,490

else at this point

2300

01:40:59,770 --> 01:40:57,350

but these deaths were I believe they

2301

01:41:01,420 --> 01:40:59,780

were not recognized at least publicly

2302

01:41:03,220 --> 01:41:01,430

for what they actually were and I

2303

01:41:07,720 --> 01:41:03,230

believe they were serial killings and

2304

01:41:09,580 --> 01:41:07,730

what happened was my research turned up

2305

01:41:12,610 --> 01:41:09,590

that it looked like there was some

2306

01:41:15,820 --> 01:41:12,620

occult motivation going on and this

2307

01:41:19,870 --> 01:41:15,830

occult motivation was tied to the ley

2308

01:41:23,710 --> 01:41:19,880

line system and in the book identify the

2309

01:41:26,230 --> 01:41:23,720

actual entity that the people who I

2310

01:41:29,980 --> 01:41:26,240

believe did this believed they were

2311

01:41:32,260 --> 01:41:29,990

doing it on behalf of and in that we

2312

01:41:35,440 --> 01:41:32,270

reveal some very interesting historical

2313

01:41:38,830 --> 01:41:35,450

things associated with it and that's

2314

01:41:40,570 --> 01:41:38,840

really the best I can do right now you

2315

01:41:42,340 --> 01:41:40,580

know maybe a few months down the road as

2316

01:41:45,010 --> 01:41:42,350

soon as we get the actual publisher

2317

01:41:49,120 --> 01:41:45,020

identified then you know we'll be

2318

01:41:51,959 --> 01:41:49,130

talking a lot more about it but what it

2319

01:41:53,910 --> 01:41:51,969

basically is is a a system that

2320

01:41:57,620 --> 01:41:53,920

Walter's discovery of possible

2321

01:42:00,000 --> 01:41:57,630

ritualized sacrifice involving humans

01:42:47,250 --> 01:42:59,100

[Music]

2334

01:43:04,560 --> 01:43:02,250

hear that George snoring we have our

2335

01:43:07,469 --> 01:43:04,570

co-host Greg Bishop we're talking to

2336

01:43:10,560 --> 01:43:07,479

Walter Bosley about various and sundry

2337

01:43:13,319 --> 01:43:10,570

things did you have a moment to pick up

2338

01:43:16,200 --> 01:43:13,329

that blog article about Mac Tony's book

2339

01:43:18,600 --> 01:43:16,210

crypto terrestrials I done a couple of

2340

01:43:21,959 --> 01:43:18,610

searches and oddly enough let me put in

2341

01:43:24,779 --> 01:43:21,969

one more name here maybe that will this

2342

01:43:27,209 --> 01:43:24,789

is ladies and gentlemen is live research

2343

01:43:29,939 --> 01:43:27,219

on the radio yeah Italy happening oh

2344

01:43:33,419 --> 01:43:29,949

here we go right here it's at UF snacks

2345

01:43:36,930 --> 01:43:33,429

at UFO iconoclast oh what a surprise

2346

01:43:39,390 --> 01:43:36,940

and the article is called

2347

01:43:41,160 --> 01:43:39,400

the lie about aliens from the Inner

2348

01:43:43,709 --> 01:43:41,170

Earth do i name the author or not

2349

01:43:46,169 --> 01:43:43,719

anthony breguet Leah okay that's his

2350

01:43:47,910 --> 01:43:46,179

initials yes Oh what it what a surprise

2351

01:43:51,029 --> 01:43:47,920

okay I'll have to go look at it I'm

2352

01:43:53,430 --> 01:43:51,039

gonna see if anyone responded to my

2353

01:43:54,959 --> 01:43:53,440

reply my opinion of Anthea and Berget

2354

01:43:56,969 --> 01:43:54,969

leah is he finds something he thinks

2355

01:43:59,279 --> 01:43:56,979

that will piss people off and then tries

2356

01:44:01,140 --> 01:43:59,289

to support it without really taking the

2357

01:44:03,120 --> 01:44:01,150

time to figure out if it's gonna be well

2358

01:44:03,520 --> 01:44:03,130

supported in the first place oh he was

2359

01:44:05,080 --> 01:44:03,530

him on

2360

01:44:08,770 --> 01:44:05,090

came out with a theory by the way ladies

2361

01:44:11,950 --> 01:44:08,780

and gentlemen that the case in saqqara

2362

01:44:14,140 --> 01:44:11,960

New Mexico was faked and his reasons

2363

01:44:16,390 --> 01:44:14,150

seem rather bogus in fact we tried to

2364

01:44:19,600 --> 01:44:16,400

get him on the show to debate Rea

2365

01:44:21,940 --> 01:44:19,610

Stanford and talk about the case but he

2366

01:44:25,270 --> 01:44:21,950

declined to participate yeah I I have

2367

01:44:26,890 --> 01:44:25,280

mr. regali as response to my comment

2368

01:44:27,910 --> 01:44:26,900

last night if you'd like me to read it

2369

01:44:29,530 --> 01:44:27,920

live on the air here

2370

01:44:32,370 --> 01:44:29,540

you know I why'd you read it maybe this

2371

01:44:36,130 --> 01:44:32,380

will frame what his criticism is okay

2372

01:44:38,020 --> 01:44:36,140

now mr. Bosley a quick google on you

2373

01:44:40,840 --> 01:44:38,030

review this guy apparently does all his

2374

01:44:44,050 --> 01:44:40,850

research on Wikipedia and Google that's

2375

01:44:45,610 --> 01:44:44,060

not a bad way a quick google on you he

2376

01:44:47,260 --> 01:44:45,620

does other research too he actually

2377

01:44:49,630 --> 01:44:47,270

calls people writes letters and all that

2378

01:44:52,420 --> 01:44:49,640

so it's not that good okay

2379

01:44:54,160 --> 01:44:52,430

reveals is friending him here okay a

2380

01:44:56,290 --> 01:44:54,170

quick google on me reveals several

2381

01:44:58,270 --> 01:44:56,300

interesting things he says this is him

2382

01:45:00,040 --> 01:44:58,280

saying to me you believe that Disneyland

2383

01:45:02,350 --> 01:45:00,050

was built on purpose at its particular

2384

01:45:04,450 --> 01:45:02,360

California location due to the special

2385

01:45:06,670 --> 01:45:04,460

convergence of ley lines it was cited

2386

01:45:10,630 --> 01:45:06,680

there because it lies within a mystical

2387

01:45:12,820 --> 01:45:10,640

in quotes geophysical zone okay yes you

2388

01:45:14,620 --> 01:45:12,830

see special significance in latitude 33

2389

01:45:16,420 --> 01:45:14,630

and that energy lines run along this

2390

01:45:20,470 --> 01:45:16,430

latitude that somehow affect the course

2391

01:45:22,510 --> 01:45:20,480

of events yes the JFK assassination in

2392

01:45:25,090 --> 01:45:22,520

the Roswell crash are both somehow tied

2393

01:45:28,720 --> 01:45:25,100

to the specific latitude yes they are

2394

01:45:31,510 --> 01:45:28,730

physically located on this latitude mr.

2395

01:45:33,520 --> 01:45:31,520

Berg Elia then he says you have admitted

2396

01:45:35,950 --> 01:45:33,530

that some of your novels are based on

2397

01:45:38,830 --> 01:45:35,960

your real research or is it the other

2398

01:45:41,020 --> 01:45:38,840

way around I can now understand why you

2399

01:45:44,290 --> 01:45:41,030

buy into the crypto myth and such

2400

01:45:46,060 --> 01:45:44,300

adventure fiction in quotes you write

2401

01:45:48,190 --> 01:45:46,070

fiction under the pseudonym be a guest

2402

01:45:50,890 --> 01:45:48,200

and by the way I know of another former

2403

01:45:54,370 --> 01:45:50,900

AF OSI agent his name is Rick Doty he'll

2404

01:45:56,350 --> 01:45:54,380

tell you tall tales till Tuesday a JB

2405

01:46:00,190 --> 01:45:56,360

guilt by association

2406

01:46:02,500 --> 01:46:00,200

gosh this guy's mind is you couldn't

2407

01:46:04,630 --> 01:46:02,510

pull a needle out of this guy's ass if

2408

01:46:06,610 --> 01:46:04,640

you used a tractor I'm thinking well I

2409

01:46:10,600 --> 01:46:06,620

think the point he's making is not to

2410

01:46:12,610 --> 01:46:10,610

not to discuss the material at hand but

2411

01:46:14,080 --> 01:46:12,620

it sounds like more like character

2412

01:46:16,510 --> 01:46:14,090

assassination I don't know if he

2413

01:46:19,870 --> 01:46:16,520

actually goes into the material and hand

2414

01:46:21,700 --> 01:46:19,880

and supports himself on I don't have to

2415

01:46:23,890 --> 01:46:21,710

read the article but if you have nothing

2416

01:46:25,630 --> 01:46:23,900

just you know if you have nothing to say

2417

01:46:27,280 --> 01:46:25,640

you go after somebody's character has

2418

01:46:29,650 --> 01:46:27,290

nothing to do with your argument and

2419

01:46:32,140 --> 01:46:29,660

that's a very weak ok well the most

2420

01:46:34,480 --> 01:46:32,150

important point here Walter in his

2421

01:46:37,270 --> 01:46:34,490

original article which you commented on

2422

01:46:39,850 --> 01:46:37,280

you don't have any points valid points

2423

01:46:42,930 --> 01:46:39,860

or even you know it's beyond character

2424

01:46:46,360 --> 01:46:42,940

assassination to make max theories

2425

01:46:48,880 --> 01:46:46,370

basically it really no it to me it came

2426

01:46:52,480 --> 01:46:48,890

off and and it did to others to Michael

2427

01:46:54,340 --> 01:46:52,490

Mott and who gave very good rebuttal to

2428

01:46:57,220 --> 01:46:54,350

the guy Nick Redfern was the first one

2429

01:46:58,900 --> 01:46:57,230

to jump in and say whoa Anthony hold on

2430

01:47:01,210 --> 01:46:58,910

here a second Nick is in there

2431

01:47:05,160 --> 01:47:01,220

Mike mots in there you know I joined the

2432

01:47:07,990 --> 01:47:05,170

fray basically this guy has his view

2433

01:47:09,940 --> 01:47:08,000

he's already made up his mind and I'm

2434

01:47:12,670 --> 01:47:09,950

guessing you know I don't know whose

2435

01:47:15,190 --> 01:47:12,680

blog this is maybe it's his so therefore

2436

01:47:18,760 --> 01:47:15,200

it's his forum so you know he's gonna be

2437

01:47:20,890 --> 01:47:18,770

a hundred percent himself but he really

2438

01:47:24,160 --> 01:47:20,900

is just clearly made up his mind that

2439

01:47:28,180 --> 01:47:24,170

everything accepts the ETH is a bunch of

2440

01:47:30,760 --> 01:47:28,190

BS and isn't there isn't that ironic but

2441

01:47:31,510 --> 01:47:30,770

that's you know he looks like he's a

2442

01:47:34,960 --> 01:47:31,520

dyed-in-the-wool

2443

01:47:38,230 --> 01:47:34,970

et religions supporter and everybody

2444

01:47:40,990 --> 01:47:38,240

else is a fool everybody else believes a

2445

01:47:44,920 --> 01:47:41,000

bunch of lies everybody else you know is

2446

01:47:48,070 --> 01:47:44,930

a knucklehead he of course is the

2447

01:47:51,820 --> 01:47:48,080

brilliant man of clarity who really

2448

01:47:54,610 --> 01:47:51,830

knows what is but I see already in his

2449

01:47:57,820 --> 01:47:54,620

rebuttal he's just basically I thought

2450

01:47:59,950 --> 01:47:57,830

what we've heard is he's an ETH / yeah

2451
01:48:02,620 --> 01:47:59,960
well I mean basically his response to me

2452
01:48:04,780 --> 01:48:02,630
is he listed a bunch of stuff that yeah

2453
01:48:06,730 --> 01:48:04,790
is yeah these are the theories I put out

2454
01:48:09,520 --> 01:48:06,740
there he didn't list any rebuttal to it

2455
01:48:11,080 --> 01:48:09,530
and then he attacks me essentially you

2456
01:48:12,790 --> 01:48:11,090
know a backhanded character

2457
01:48:16,270 --> 01:48:12,800
assassination so I don't know who

2458
01:48:19,300 --> 01:48:16,280
Anthony Berg alia is I never heard of

2459
01:48:21,550 --> 01:48:19,310
him until I happen to find this and I

2460
01:48:23,380 --> 01:48:21,560
don't really care he's you know I think

2461
01:48:25,450 --> 01:48:23,390
I think we've all tousled with him I I

2462
01:48:30,670 --> 01:48:25,460
did a little bit on the socorro thing

2463
01:48:32,950 --> 01:48:30,680

and he like I said he'll be he seems to

2464

01:48:35,440 --> 01:48:32,960

base his research first on a belief and

2465

01:48:37,750 --> 01:48:35,450

and seemingly a desire to irritate and

2466

01:48:40,030 --> 01:48:37,760

piss people off rather than trying to

2467

01:48:42,010 --> 01:48:40,040

find out where the facts might lead to

2468

01:48:43,750 --> 01:48:42,020

the point of you know stuffing things

2469

01:48:46,030 --> 01:48:43,760

into the box where they shouldn't be

2470

01:48:49,090 --> 01:48:46,040

it's something things into a belief box

2471

01:48:50,740 --> 01:48:49,100

where they don't quite fit as witnessed

2472

01:48:52,900 --> 01:48:50,750

if you read like Jean said the thing

2473

01:48:54,430 --> 01:48:52,910

about Socorro

2474

01:48:56,950 --> 01:48:54,440

he's also somebody that believes

2475

01:48:58,660 --> 01:48:56,960

wholeheartedly in the Roswell was

2476

01:49:00,280 --> 01:48:58,670

extraterrestrials from another planet

2477

01:49:02,740 --> 01:49:00,290

theory and he won't let go of that

2478

01:49:06,250 --> 01:49:02,750

either so so my mind that's somebody

2479

01:49:08,830 --> 01:49:06,260

that is basically like I said using

2480

01:49:11,830 --> 01:49:08,840

using opinions first in research and and

2481

01:49:14,140 --> 01:49:11,840

and in critical thinking second and

2482

01:49:15,730 --> 01:49:14,150

sometimes a distant second and I hope he

2483

01:49:19,900 --> 01:49:15,740

hears this and gets mad because then

2484

01:49:22,300 --> 01:49:19,910

maybe I'll respond well we always bring

2485

01:49:25,000 --> 01:49:22,310

him on the show and let him basically

2486

01:49:28,030 --> 01:49:25,010

defend himself say okay you're coming up

2487

01:49:29,680 --> 01:49:28,040

with these ideas you tell us what are

2488

01:49:31,870 --> 01:49:29,690

your facts stop the character

2489

01:49:34,210 --> 01:49:31,880

assassination or maybe we should ignore

2490

01:49:36,970 --> 01:49:34,220

him yeah yeah yeah and then on top of

2491

01:49:38,980 --> 01:49:36,980

that give us something beyond what you

2492

01:49:41,140 --> 01:49:38,990

yourself would call nonsense to support

2493

01:49:43,210 --> 01:49:41,150

the theory you're embracing that other

2494

01:49:44,920 --> 01:49:43,220

people would call equally nonsense

2495

01:49:47,020 --> 01:49:44,930

that's the thing that gets me but enough

2496

01:49:47,380 --> 01:49:47,030

about this guy he's he's gonna get off

2497

01:49:49,000 --> 01:49:47,390

on us

2498

01:49:51,940 --> 01:49:49,010

talking about him and he's not worth it

2499

01:49:53,590 --> 01:49:51,950

that's the intention yeah so just

2500

01:49:54,790 --> 01:49:53,600

probably why I stopped responding to him

2501

01:49:56,020 --> 01:49:54,800

a long time ago because it's one of

2502

01:49:57,580 --> 01:49:56,030

those things where you just start going

2503

01:49:59,650 --> 01:49:57,590

in circles and it's not accomplishing

2504

01:50:02,470 --> 01:49:59,660

anything I'm not learning anything and

2505

01:50:04,030 --> 01:50:02,480

this acting is mine so why bother yeah

2506

01:50:05,890 --> 01:50:04,040

these these are the people when you when

2507

01:50:08,020 --> 01:50:05,900

you get into that it's no good talking

2508

01:50:09,070 --> 01:50:08,030

to each other at all because we we just

2509

01:50:12,220 --> 01:50:09,080

don't want to hear what each other has

2510

01:50:14,410 --> 01:50:12,230

to say so where the UFO field you know

2511

01:50:17,050 --> 01:50:14,420

you find that characters like this in

2512

01:50:18,910 --> 01:50:17,060

the UFO field who are so dogmatic about

2513

01:50:20,950 --> 01:50:18,920

their own theories they don't entertain

2514

01:50:22,060 --> 01:50:20,960

any other possibilities and one of the

2515

01:50:23,950 --> 01:50:22,070

things we've tried to do here in the

2516

01:50:26,230 --> 01:50:23,960

power cast and certainly what the people

2517

01:50:28,990 --> 01:50:26,240

that I'm so happy to have join me as

2518

01:50:32,680 --> 01:50:29,000

co-host Greg and Nick Redfern Paul

2519

01:50:36,160 --> 01:50:32,690

Kimball and Chris O'Brien we look into

2520

01:50:37,690 --> 01:50:36,170

what's going on without a preconceived

2521

01:50:38,520 --> 01:50:37,700

notion of where it's going to take us

2522

01:50:40,860 --> 01:50:38,530

because

2523

01:50:42,900 --> 01:50:40,870

the road is very surprising and that's

2524

01:50:44,820 --> 01:50:42,910

also another point it may be mentioned

2525

01:50:47,160 --> 01:50:44,830

as we get towards the end of this Walter

2526

01:50:48,420 --> 01:50:47,170

is there an end game is there any way

2527

01:50:50,700 --> 01:50:48,430

we'll ever find out what's really going

2528

01:50:53,670 --> 01:50:50,710

on or does the mystery itself keep

2529

01:50:56,250 --> 01:50:53,680

taking us to the next stage I think that

2530

01:51:01,110 --> 01:50:56,260

there is an end game for us as

2531

01:51:04,170 --> 01:51:01,120

individuals they're wrong it but I think

2532

01:51:07,710 --> 01:51:04,180

the big picture goes on and on and on it

2533

01:51:10,740 --> 01:51:07,720

is eternal the reason Isis says tell no

2534

01:51:12,600 --> 01:51:10,750

one is because here's here's the thing

2535

01:51:16,320 --> 01:51:12,610

like the people with disclosure the the

2536

01:51:18,690 --> 01:51:16,330

people must know we have a right we be s

2537

01:51:20,640 --> 01:51:18,700

this is one thing that my experiences of

2538

01:51:22,830 --> 01:51:20,650

the last three years have convinced me I

2539

01:51:25,350 --> 01:51:22,840

suspected before but I've been convinced

2540

01:51:27,300 --> 01:51:25,360

we don't have a right to know the

2541

01:51:29,550 --> 01:51:27,310

mysteries knowing the answers to the

2542

01:51:32,670 --> 01:51:29,560

mysteries knowing the truth is something

2543

01:51:36,540 --> 01:51:32,680

you got to earn as an individual okay

2544

01:51:39,420 --> 01:51:36,550

and so disclosure a bunch of malarkey we

2545

01:51:42,360 --> 01:51:39,430

don't have the right to know that but

2546

01:51:44,040 --> 01:51:42,370

you have the ability to learn it go out

2547

01:51:45,900 --> 01:51:44,050

there and dig it out for yourself learn

2548

01:51:47,970 --> 01:51:45,910

it for yourself and and all the answers

2549

01:51:50,580 --> 01:51:47,980

to the mysteries are that way and it's a

2550

01:51:53,040 --> 01:51:50,590

path that you have to show you're worthy

2551
01:51:55,530 --> 01:51:53,050
before the truth will reveal itself to

2552
01:51:57,960 --> 01:51:55,540
you it's like you you know casting

2553
01:51:59,540 --> 01:51:57,970
pearls before swine you know not every

2554
01:52:03,830 --> 01:51:59,550
living breathing person on this planet

2555
01:52:08,180 --> 01:52:03,840
is not a knucklehead and you know what

2556
01:52:11,460 --> 01:52:08,190
these beings these other you know

2557
01:52:13,860 --> 01:52:11,470
intelligences you know their attitude is

2558
01:52:16,530 --> 01:52:13,870
why should I reveal myself and these

2559
01:52:18,780 --> 01:52:16,540
amazing things you know to this guy or

2560
01:52:20,610 --> 01:52:18,790
that lady you know you don't even have

2561
01:52:25,440 --> 01:52:20,620
the knowledge of what their motives are

2562
01:52:26,810 --> 01:52:25,450
do we rely I think no I think actually

2563
01:52:29,100 --> 01:52:26,820

in some cases if you look historically

2564

01:52:31,650 --> 01:52:29,110

some of those motives are you know out

2565

01:52:33,570 --> 01:52:31,660

in the open it's unless you accept what

2566

01:52:35,730 --> 01:52:33,580

they're saying is true yes because that

2567

01:52:38,190 --> 01:52:35,740

gets into the other subject which is do

2568

01:52:40,230 --> 01:52:38,200

these entities just deceive us for their

2569

01:52:42,450 --> 01:52:40,240

own ends they can come and say heck

2570

01:52:44,640 --> 01:52:42,460

we're here to save the earth from

2571

01:52:47,340 --> 01:52:44,650

planetary destruction because of the

2572

01:52:49,140 --> 01:52:47,350

dangers to our environment yeah some do

2573

01:52:51,930 --> 01:52:49,150

but just because some do doesn't mean

2574

01:52:54,150 --> 01:52:51,940

all do and and gosh we've had

2575

01:52:56,910 --> 01:52:54,160

Dorries since time began you know of

2576

01:52:59,610 --> 01:52:56,920

these beings called gods who's you know

2577

01:53:01,320 --> 01:52:59,620

some meant us harm and some meant us

2578

01:53:04,800 --> 01:53:01,330

good I mean look at the Greek the

2579

01:53:07,910 --> 01:53:04,810

stories of the Greek pantheon you know

2580

01:53:12,240 --> 01:53:07,920

look at look at the Odyssey a you know

2581

01:53:14,370 --> 01:53:12,250

Athena took mercy on Odysseus when the

2582

01:53:15,930 --> 01:53:14,380

rest of the gods on Olympus yeah didn't

2583

01:53:18,209 --> 01:53:15,940

care and a few of them were just so

2584

01:53:19,979 --> 01:53:18,219

pissed off at him that they were you

2585

01:53:21,630 --> 01:53:19,989

know giving him a hard time there's a

2586

01:53:23,729 --> 01:53:21,640

story right there you know where did

2587

01:53:26,490 --> 01:53:23,739

that come from so who are the gods on

2588

01:53:28,830 --> 01:53:26,500

Olympus well the Greek gods Aphrodite

2589

01:53:30,750 --> 01:53:28,840

yeah but you know what I mean who were

2590

01:53:33,209 --> 01:53:30,760

they really you know whether they were

2591

01:53:36,170 --> 01:53:33,219

advanced beings from another world or

2592

01:53:39,479 --> 01:53:36,180

another dimension I happen to believe

2593

01:53:43,080 --> 01:53:39,489

that to me the gods are real that they

2594

01:53:45,450 --> 01:53:43,090

are they are physical real entities with

2595

01:53:48,630 --> 01:53:45,460

their own personalities and one of them

2596

01:53:51,240 --> 01:53:48,640

made herself known to me as I said

2597

01:53:53,459 --> 01:53:51,250

earlier saw her across the side of a

2598

01:53:55,170 --> 01:53:53,469

mountain and it was one of the most

2599

01:53:59,430 --> 01:53:55,180

amazing things I have ever seen in my

2600

01:54:04,020 --> 01:53:59,440

life and I saw it she was there you know

2601
01:54:06,600 --> 01:54:04,030
call me a nut I don't care because you

2602
01:54:10,340 --> 01:54:06,610
know saw it with my own eyes and I'm not

2603
01:54:12,840 --> 01:54:10,350
crazy I may be crazy but I'm functional

2604
01:54:15,750 --> 01:54:12,850
what we can go with that I think most of

2605
01:54:17,939 --> 01:54:15,760
us here are crazy but functional more or

2606
01:54:20,580 --> 01:54:17,949
less Walter what do you think what

2607
01:54:22,740 --> 01:54:20,590
ultimately what do you think is behind

2608
01:54:25,470 --> 01:54:22,750
all this stuff you're talking about all

2609
01:54:28,050 --> 01:54:25,480
the UFO stuff is it an intelligence is

2610
01:54:30,630 --> 01:54:28,060
it's something that we form ourselves is

2611
01:54:32,420 --> 01:54:30,640
it a combination of the two or what do

2612
01:54:35,070 --> 01:54:32,430
you think is all the newly between

2613
01:54:37,890 --> 01:54:35,080

behind the big picture stuff or behind

2614

01:54:39,870 --> 01:54:37,900

just the UFO mystery maybe more more the

2615

01:54:41,490 --> 01:54:39,880

UFO stuff but also the bigger picture

2616

01:54:44,010 --> 01:54:41,500

mystery because because they're they're

2617

01:54:45,930 --> 01:54:44,020

connected okay here's the thing what's

2618

01:54:48,260 --> 01:54:45,940

behind UFOs are the following

2619

01:54:50,070 --> 01:54:48,270

yes extraterrestrials from other planets

2620

01:54:53,040 --> 01:54:50,080

yes

2621

01:54:54,900 --> 01:54:53,050

hidden technology that's a very human

2622

01:54:58,380 --> 01:54:54,910

and its origin from this planet

2623

01:55:02,970 --> 01:54:58,390

yes beings from other dimensions and yes

2624

01:55:03,689 --> 01:55:02,980

very big time the idea of ourselves from

2625

01:55:05,360 --> 01:55:03,699

the future

2626

01:55:08,360 --> 01:55:05,370

time traveling it's I

2627

01:55:10,130 --> 01:55:08,370

all of the above exactly I can go with

2628

01:55:13,460 --> 01:55:10,140

that and I'm not saying that as a

2629

01:55:15,980 --> 01:55:13,470

cop-out I sincerely I sincerely think

2630

01:55:18,740 --> 01:55:15,990

that's the answer it is all these things

2631

01:55:20,510 --> 01:55:18,750

that's why the et religion people need

2632

01:55:22,040 --> 01:55:20,520

to calm down a little bit no one's

2633

01:55:24,230 --> 01:55:22,050

trying to take their little ball or

2634

01:55:25,670 --> 01:55:24,240

their lollipop away from them no one's

2635

01:55:29,420 --> 01:55:25,680

trying to tell them the Santa Claus

2636

01:55:33,020 --> 01:55:29,430

doesn't exist their theory yes is true

2637

01:55:34,880 --> 01:55:33,030

my dad's story about you know in with

2638

01:55:37,040 --> 01:55:34,890

you know Joseph Farrell's saying about a

2639

01:55:37,760 --> 01:55:37,050

very human earth-based Orient yes that's

2640

01:55:39,740 --> 01:55:37,770

true

2641

01:55:42,170 --> 01:55:39,750

beings from other dimensions oh yes

2642

01:55:43,250 --> 01:55:42,180

that's true too and beings across time

2643

01:55:46,070 --> 01:55:43,260

you betcha

2644

01:55:47,300 --> 01:55:46,080

all of this and and because you can

2645

01:55:49,070 --> 01:55:47,310

point to if and that's another

2646

01:55:50,900 --> 01:55:49,080

conversation but we can point to all

2647

01:55:54,530 --> 01:55:50,910

sorts of evidence that what I'm saying

2648

01:55:57,680 --> 01:55:54,540

is likely so you know the people who get

2649

01:56:00,770 --> 01:55:57,690

spun up over you know well it what

2650

01:56:02,540 --> 01:56:00,780

cracks me up about you know some people

2651
01:56:04,820 --> 01:56:02,550
who get hypercritical of anything but

2652
01:56:07,280 --> 01:56:04,830
their own is it's like a bunch of guys

2653
01:56:09,820 --> 01:56:07,290
in the loony bin you know all fighting

2654
01:56:12,050 --> 01:56:09,830
over you know they're not the crazy one

2655
01:56:13,640 --> 01:56:12,060
you know and the guy outside the loony

2656
01:56:17,660 --> 01:56:13,650
bin is just looking at it going what the

2657
01:56:21,380 --> 01:56:17,670
hell you know and that reduces itself to

2658
01:56:23,330 --> 01:56:21,390
and you know it's I you know my

2659
01:56:25,580 --> 01:56:23,340
experiences I've had I'll tell you

2660
01:56:28,490 --> 01:56:25,590
certain ones I have no doubt what I

2661
01:56:31,130 --> 01:56:28,500
experienced and it's kind of an

2662
01:56:34,160 --> 01:56:31,140
interesting freedom it's liberating that

2663
01:56:38,210 --> 01:56:34,170

I honestly don't give a crap what a

2664

01:56:40,400 --> 01:56:38,220

limited mind or a smug mind I think

2665

01:56:43,610 --> 01:56:40,410

that's worse than just being limited

2666

01:56:45,920 --> 01:56:43,620

I think smugness you know when you're

2667

01:56:49,100 --> 01:56:45,930

limited a smug limited mind to me is

2668

01:56:51,320 --> 01:56:49,110

just worse that's yeah that's toxic I

2669

01:56:53,450 --> 01:56:51,330

don't I don't like to be around that but

2670

01:56:55,040 --> 01:56:53,460

that look like the UFO field is toxic to

2671

01:56:57,830 --> 01:56:55,050

a lot of people I've left it three times

2672

01:57:00,140 --> 01:56:57,840

by the way over the years and we call

2673

01:57:02,180 --> 01:57:00,150

this show not the UFO cast but the power

2674

01:57:05,720 --> 01:57:02,190

cast for rehab because it's not just

2675

01:57:07,430 --> 01:57:05,730

UFOs right hey where do our listeners

2676

01:57:09,260 --> 01:57:07,440

find out more of the things that you're

2677

01:57:13,810 --> 01:57:09,270

doing and what you're working on any

2678

01:57:17,870 --> 01:57:13,820

website or something well my book is

2679

01:57:20,540 --> 01:57:17,880

available as a PDF I can send

2680

01:57:22,669 --> 01:57:20,550

a way to link it if you don't want me to

2681

01:57:24,740 --> 01:57:22,679

mention the website because it is a

2682

01:57:27,470 --> 01:57:24,750

website that's associated with another

2683

01:57:30,229 --> 01:57:27,480

show I'll tell you what we'll do here

2684

01:57:32,600 --> 01:57:30,239

why don't you send the link and I will

2685

01:57:35,780 --> 01:57:32,610

post it on the power cast com give our

2686
