

04/18/10

PAUL KIMBALL,  
PAUL DAVIDS  
and NICK REDFERN

1  
00:00:36,950 --> 00:00:33,890  
especially guest hosts again this week

2  
00:00:38,750 --> 00:00:36,960  
Paul Kimball and we have an interesting

3  
00:00:41,119 --> 00:00:38,760  
show about the relationship between

4  
00:00:43,160 --> 00:00:41,129  
science fiction and the paranormal that

5  
00:00:44,450 --> 00:00:43,170  
it could be kind of strange I have some

6  
00:00:46,819 --> 00:00:44,460  
strange stories to tell and I will a

7  
00:00:48,530 --> 00:00:46,829  
little bit later now in a previous

8  
00:00:51,439 --> 00:00:48,540  
episode Paul and I were talking about

9  
00:00:53,450 --> 00:00:51,449  
some of the old cases that never seem to

10  
00:00:56,270 --> 00:00:53,460  
die like Aztec I think the big question

11  
00:00:58,850 --> 00:00:56,280  
today Paul is are there any old cases

12  
00:01:00,979 --> 00:00:58,860  
may be other than Roswell that we should

13  
00:01:03,500 --> 00:01:00,989

even bother about anymore isn't it time

14

00:01:06,350 --> 00:01:03,510

to let this dead be buried and go on

15

00:01:08,180 --> 00:01:06,360

with research over current events of all

16

00:01:09,800 --> 00:01:08,190

the old cases Roswell would be the one

17

00:01:11,870 --> 00:01:09,810

that I would let go actually I would

18

00:01:13,850 --> 00:01:11,880

flip your question on its side and say

19

00:01:15,530 --> 00:01:13,860

look all the old cases this is Roswell

20

00:01:17,930 --> 00:01:15,540

the one that we should just sort of say

21

00:01:20,330 --> 00:01:17,940

you know what enough is enough this has

22

00:01:22,820 --> 00:01:20,340

taken up far too much of our time and

23

00:01:24,679 --> 00:01:22,830

effort over the last 20 or 30 years

24

00:01:26,690 --> 00:01:24,689

can we not move on to more productive

25

00:01:28,429 --> 00:01:26,700

pursuits because we don't have an answer

26  
00:01:30,500 --> 00:01:28,439  
to Roswell and we never will one that

27  
00:01:32,179 --> 00:01:30,510  
will satisfy everybody so why don't we

28  
00:01:34,100 --> 00:01:32,189  
just say look you guys like Kevin

29  
00:01:36,050 --> 00:01:34,110  
Randall and Stan Friedman you think an

30  
00:01:38,060 --> 00:01:36,060  
alien spacecraft crashed there and

31  
00:01:40,550 --> 00:01:38,070  
you're convinced to that fine you go do

32  
00:01:42,800 --> 00:01:40,560  
your thing you guys like the lake Karl

33  
00:01:44,450 --> 00:01:42,810  
flock and Jim Mosely and many others

34  
00:01:46,550 --> 00:01:44,460  
you're convinced that it was project

35  
00:01:48,830 --> 00:01:46,560  
mogul okay that's fine you you do your

36  
00:01:50,179 --> 00:01:48,840  
thing you guys like Nick Redfern you

37  
00:01:51,649 --> 00:01:50,189  
have a different point of view a

38  
00:01:54,679 --> 00:01:51,659

different theory that's great you do

39

00:01:58,249 --> 00:01:54,689

your thing and let's just all move on I

40

00:02:00,499 --> 00:01:58,259

wouldn't say don't look at all cases but

41

00:02:03,289 --> 00:02:00,509

I'm a historian Jean that was what my

42

00:02:05,569 --> 00:02:03,299

undergraduate degree was in so I have an

43

00:02:07,580 --> 00:02:05,579

in you know an innate fondness for

44

00:02:08,900 --> 00:02:07,590

history and I think you can learn things

45

00:02:11,150 --> 00:02:08,910

from history I think there are still a

46

00:02:13,580 --> 00:02:11,160

lot of cases out there that we can learn

47

00:02:15,620 --> 00:02:13,590

things from even if we do you know just

48

00:02:18,170 --> 00:02:15,630

patterns or things that we can put into

49

00:02:19,340 --> 00:02:18,180

perspective or to keep a historical

50

00:02:21,500 --> 00:02:19,350

perspective so that we don't repeat

51  
00:02:24,440 --> 00:02:21,510  
mistakes that maybe UFO researchers made

52  
00:02:26,090 --> 00:02:24,450  
20 30 40 50 years ago having said that

53  
00:02:28,130 --> 00:02:26,100  
there's also a place for new

54  
00:02:30,470 --> 00:02:28,140  
investigations of course for cases like

55  
00:02:32,600 --> 00:02:30,480  
Stephenville or the O'Hair case or any

56  
00:02:34,250 --> 00:02:32,610  
one of the number of cases that come up

57  
00:02:36,680 --> 00:02:34,260  
every year there's new cases over here

58  
00:02:38,990 --> 00:02:36,690  
in my film best evidence there was a

59  
00:02:41,810 --> 00:02:39,000  
case from 1996 which is a relatively

60  
00:02:43,460 --> 00:02:41,820  
recent vintage in the Yukon Territory in

61  
00:02:43,820 --> 00:02:43,470  
Canada it's very good case multiple

62  
00:02:45,680 --> 00:02:43,830  
witness

63  
00:02:47,990 --> 00:02:45,690

multiple locations and it was

64

00:02:49,820 --> 00:02:48,000

investigated pretty well by a guy named

65

00:02:51,050 --> 00:02:49,830

Martin Jessica in British Columbia and

66

00:02:53,330 --> 00:02:51,060

others but he was the lead investigator

67

00:02:55,370 --> 00:02:53,340

we wrote a report about it now whatever

68

00:02:59,450 --> 00:02:55,380

you think that case was and you can

69

00:03:02,270 --> 00:02:59,460

google it on the Internet 1996 UFO yukon

70

00:03:05,090 --> 00:03:02,280

you'll probably find it and forge a six

71

00:03:07,070 --> 00:03:05,100

name in jas EK you'll be able to find it

72

00:03:08,750 --> 00:03:07,080

whatever you think that case was I mean

73

00:03:10,670 --> 00:03:08,760

there's an example of some good research

74

00:03:13,040 --> 00:03:10,680

he did it pretty much at the time the

75

00:03:15,050 --> 00:03:13,050

case happened and a report comes out of

76

00:03:17,870 --> 00:03:15,060

it well that's what we should do we

77

00:03:19,280 --> 00:03:17,880

should not throw away historical cases

78

00:03:21,620 --> 00:03:19,290

there's a lot we can learn from them

79

00:03:25,100 --> 00:03:21,630

there's a number of them that are still

80

00:03:27,050 --> 00:03:25,110

very interesting and unresolved but we

81

00:03:29,030 --> 00:03:27,060

should also continue and I think this is

82

00:03:31,430 --> 00:03:29,040

what you UFO research has kind of lost

83

00:03:34,310 --> 00:03:31,440

in the last few years last few decades

84

00:03:37,870 --> 00:03:34,320

maybe is to do what Hynek and others did

85

00:03:40,130 --> 00:03:37,880

investigate new cases and I think the

86

00:03:42,530 --> 00:03:40,140

500-pound gorilla in the room that has

87

00:03:45,740 --> 00:03:42,540

brought that to a screeching halt it's

88

00:03:47,600 --> 00:03:45,750

not something like the RB 47 cases 1957

89

00:03:50,210 --> 00:03:47,610

which almost nobody knows about or the

90

00:03:53,199 --> 00:03:50,220

Kelly Johnson case in 1953 or any of

91

00:03:55,220 --> 00:03:53,209

those cases all great cases it's Roswell

92

00:03:58,100 --> 00:03:55,230

Roswell and the crashed flying saucer

93

00:04:00,380 --> 00:03:58,110

mythos that it resurrected and then

94

00:04:03,080 --> 00:04:00,390

mj-12 and all of the conspiracy stuff

95

00:04:04,970 --> 00:04:03,090

that came out of that basically we're as

96

00:04:07,070 --> 00:04:04,980

well you know that's another point I

97

00:04:09,830 --> 00:04:07,080

wanted to bring up here it seems in UFO

98

00:04:12,320 --> 00:04:09,840

research people come in here and it's

99

00:04:14,000 --> 00:04:12,330

like 1950 all over again oh we can't

100

00:04:16,310 --> 00:04:14,010

figure it out it must be spaceships it's

101  
00:04:18,620 --> 00:04:16,320  
like repeating Donald Kehoe if you buy

102  
00:04:20,780 --> 00:04:18,630  
the book flying saucers from outer space

103  
00:04:23,600 --> 00:04:20,790  
by major Donald Kehoe a free download

104  
00:04:25,970 --> 00:04:23,610  
just google it it's a free download read

105  
00:04:27,500 --> 00:04:25,980  
that book and tell me we're not just

106  
00:04:29,990 --> 00:04:27,510  
repeating the same old stuff Kehoe

107  
00:04:32,960 --> 00:04:30,000  
brought with may be newer cases and you

108  
00:04:35,900 --> 00:04:32,970  
mention mj-12 now I know there's

109  
00:04:37,820 --> 00:04:35,910  
differing opinions here and in another

110  
00:04:39,710 --> 00:04:37,830  
week or two we'll be talking to Kevin

111  
00:04:42,380 --> 00:04:39,720  
Randle about another subject but he has

112  
00:04:44,510 --> 00:04:42,390  
said he doesn't believe in mj-12 whereas

113  
00:04:48,230 --> 00:04:44,520

of course our friend Sam Friedman does

114

00:04:50,870 --> 00:04:48,240

you are against mj-12 well with all due

115

00:04:52,279 --> 00:04:50,880

respect to my my uncle Stan who I'm

116

00:04:55,159 --> 00:04:52,289

quite fond of and I have a great deal

117

00:04:56,220 --> 00:04:55,169

respect for but I think anybody who has

118

00:04:58,170 --> 00:04:56,230

taken

119

00:05:01,620 --> 00:04:58,180

took a look at the mj-12 documents and

120

00:05:04,320 --> 00:05:01,630

it's not looking for a way to find in

121

00:05:07,050 --> 00:05:04,330

them truth about Roswell would look at

122

00:05:09,990 --> 00:05:07,060

them and say at best and I mean at best

123

00:05:12,510 --> 00:05:10,000

they're unproven so let's put the myths

124

00:05:14,370 --> 00:05:12,520

and would say in his gray basket but no

125

00:05:17,070 --> 00:05:14,380

Stan goes around he asserts the validity

126

00:05:20,190 --> 00:05:17,080

of the original mj-12 documents and I

127

00:05:22,350 --> 00:05:20,200

there's just there's no way that you can

128

00:05:24,570 --> 00:05:22,360

say that I mean that when you go into

129

00:05:27,510 --> 00:05:24,580

the public beyond the sort of core group

130

00:05:29,370 --> 00:05:27,520

of UFO aficionados or enthusiasts who

131

00:05:31,890 --> 00:05:29,380

will believe anything that Stan says and

132

00:05:33,270 --> 00:05:31,900

any conclusions he comes to and there

133

00:05:35,100 --> 00:05:33,280

are there is that group that called

134

00:05:37,110 --> 00:05:35,110

light following that some ufologist have

135

00:05:38,760 --> 00:05:37,120

beyond that group you take that out to

136

00:05:41,280 --> 00:05:38,770

the average person in the street present

137

00:05:42,600 --> 00:05:41,290

the evidence of the mj-12 case the first

138

00:05:44,130 --> 00:05:42,610

question out of their mouth will be well

139

00:05:46,320 --> 00:05:44,140

what's the provenance of the documents

140

00:05:48,810 --> 00:05:46,330

where do they come from well we don't

141

00:05:51,240 --> 00:05:48,820

know okay move on how do they get

142

00:05:53,430 --> 00:05:51,250

discovered whoa someone sent a film copy

143

00:05:55,050 --> 00:05:53,440

to a third party just suddenly sends the

144

00:05:58,560 --> 00:05:55,060

film not original documents not

145

00:06:00,240 --> 00:05:58,570

photocopies of film and eventually let's

146

00:06:01,890 --> 00:06:00,250

call it deep throat let's assume the

147

00:06:04,080 --> 00:06:01,900

documents are real and let's assume that

148

00:06:07,200 --> 00:06:04,090

there was somebody who what would it be

149

00:06:09,720 --> 00:06:07,210

now almost 30 years say 25 27 years ago

150

00:06:12,270 --> 00:06:09,730

would have sent those documents to Jamie

151

00:06:16,170 --> 00:06:12,280

Shan Dre and Bill Moore two interesting

152

00:06:17,490 --> 00:06:16,180

characters but let's say they're real

153

00:06:19,500 --> 00:06:17,500

and let's say somebody sent them well

154

00:06:20,820 --> 00:06:19,510

you know eventually the deep throat came

155

00:06:22,590 --> 00:06:20,830

forward and said hey I was the guy

156

00:06:24,240 --> 00:06:22,600

behind deep throat in the Watergate

157

00:06:26,640 --> 00:06:24,250

thing one of Stan's

158

00:06:27,870 --> 00:06:26,650

sort of favorite things one of the

159

00:06:29,820 --> 00:06:27,880

favorite things that a lot of people say

160

00:06:31,020 --> 00:06:29,830

is governments can't keep secrets sooner

161

00:06:32,730 --> 00:06:31,030

or later this stuff will come out it's

162

00:06:34,320 --> 00:06:32,740

what drives the disclosure moves made up

163

00:06:36,270 --> 00:06:34,330

sooner or later this will come out well

164

00:06:38,100 --> 00:06:36,280

I would say the same thing about the

165

00:06:40,830 --> 00:06:38,110

mj-12 documents if they're real

166

00:06:43,080 --> 00:06:40,840

sooner or later the person who put them

167

00:06:44,910 --> 00:06:43,090

out there like what is he hiding from

168

00:06:47,580 --> 00:06:44,920

anymore the government has declared that

169

00:06:50,130 --> 00:06:47,590

these documents the FBI is it declared

170

00:06:52,380 --> 00:06:50,140

the documents are fraudulent so why not

171

00:06:53,850 --> 00:06:52,390

step wardens and say hey no I'm the guy

172

00:06:56,070 --> 00:06:53,860

who did it here's where I got them from

173

00:06:57,540 --> 00:06:56,080

and I can I can tell you exactly why

174

00:06:58,920 --> 00:06:57,550

these documents are real but nobody

175

00:07:00,990 --> 00:06:58,930

stepped forward to do that Paul it was a

176

00:07:03,960 --> 00:07:01,000

complication here and that might be

177

00:07:06,450 --> 00:07:03,970

security I mean we learn now that like

178

00:07:07,590 --> 00:07:06,460

Paul Harvey who died what close to 90

179

00:07:10,770 --> 00:07:07,600

years old

180

00:07:12,690 --> 00:07:10,780

famous American radio newscaster that he

181

00:07:15,090 --> 00:07:12,700

did spying back in World War two but it

182

00:07:18,090 --> 00:07:15,100

took what 60 70 years before we learned

183

00:07:19,440 --> 00:07:18,100

about it true but we know who these you

184

00:07:20,790 --> 00:07:19,450

know the documents are out there in the

185

00:07:22,560 --> 00:07:20,800

public domain I mean people like Stan

186

00:07:24,180 --> 00:07:22,570

have written books about them we've

187

00:07:25,140 --> 00:07:24,190

talked about them everybody's talked

188

00:07:28,260 --> 00:07:25,150

about them on the radio

189

00:07:31,050 --> 00:07:28,270

it's not like it's new material so if

190

00:07:32,730 --> 00:07:31,060

you really do have the truth if you are

191

00:07:34,500 --> 00:07:32,740

the guy who brought those documents for

192

00:07:35,520 --> 00:07:34,510

it if you if the real and you sent them

193

00:07:38,430 --> 00:07:35,530

to shandur anymore

194

00:07:40,080 --> 00:07:38,440

step forward and say hey I'm the guy and

195

00:07:41,340 --> 00:07:40,090

what are you gonna do

196

00:07:43,860 --> 00:07:41,350

I mean seriously what's the government

197

00:07:45,210 --> 00:07:43,870

gonna do at that point prosecute Stan I

198

00:07:46,590 --> 00:07:45,220

did an interview with him once for film

199

00:07:48,060 --> 00:07:46,600

and Stan said look I used to drive

200

00:07:49,350 --> 00:07:48,070

around with those documents I'd cross

201  
00:07:51,450 --> 00:07:49,360  
state lines and all that sort of stuff

202  
00:07:53,280 --> 00:07:51,460  
and he said I always hoped that somebody

203  
00:07:54,690 --> 00:07:53,290  
would pull me over or you know the

204  
00:07:56,430 --> 00:07:54,700  
police would arrest me or something for

205  
00:07:58,230 --> 00:07:56,440  
carrying these documents but they never

206  
00:07:59,580 --> 00:07:58,240  
did and to which I would say well yeah

207  
00:08:01,260 --> 00:07:59,590  
there's probably a perfectly good reason

208  
00:08:02,610 --> 00:08:01,270  
why they never did you can't charge

209  
00:08:05,880 --> 00:08:02,620  
somebody with carrying fraudulent

210  
00:08:08,220 --> 00:08:05,890  
documents for pete's sake but if they're

211  
00:08:10,740 --> 00:08:08,230  
real let the person who sent them to

212  
00:08:12,510 --> 00:08:10,750  
shandur a and more come forward and say

213  
00:08:14,370 --> 00:08:12,520

look I'm the guy here's where I got him

214

00:08:16,680 --> 00:08:14,380

from and here's the real story but that

215

00:08:18,960 --> 00:08:16,690

person's never come forward in 20-some

216

00:08:20,820 --> 00:08:18,970

odd years and I can't see any logical

217

00:08:22,680 --> 00:08:20,830

reason for that anymore because the

218

00:08:24,390 --> 00:08:22,690

documents isn't out there so long I'll

219

00:08:26,040 --> 00:08:24,400

see the joke in there there's a joke in

220

00:08:29,310 --> 00:08:26,050

there because one of the members of this

221

00:08:32,250 --> 00:08:29,320

alleged mj-12 panel is none other than

222

00:08:34,469 --> 00:08:32,260

astronomer Donald Menzel a notice

223

00:08:36,240 --> 00:08:34,479

Fortius UFO skeptic and of course

224

00:08:38,580 --> 00:08:36,250

they'll say well he had security

225

00:08:41,250 --> 00:08:38,590

background and he worked in intelligence

226

00:08:42,270 --> 00:08:41,260

no sure so there's many scientists of

227

00:08:45,150 --> 00:08:42,280

his era

228

00:08:48,000 --> 00:08:45,160

of his vintage but on the other hand I

229

00:08:51,180 --> 00:08:48,010

saw him on a TV show with John fuller

230

00:08:53,670 --> 00:08:51,190

many many years ago TV show on NBC in

231

00:08:55,590 --> 00:08:53,680

America called open mind and he was

232

00:08:58,020 --> 00:08:55,600

asked some questions about UFOs and the

233

00:09:00,150 --> 00:08:58,030

guy had like a physical meltdown on the

234

00:09:02,490 --> 00:09:00,160

screen and you saw this person looking

235

00:09:05,490 --> 00:09:02,500

like an old man who was confused and he

236

00:09:08,370 --> 00:09:05,500

was befuddled and if he was this crack

237

00:09:09,900 --> 00:09:08,380

security intelligence guy he would have

238

00:09:11,910 --> 00:09:09,910

had a response he was just a guy who

239

00:09:13,740 --> 00:09:11,920

didn't believe it and that was it well I

240

00:09:17,560 --> 00:09:13,750

would say if Donald Menzel really was a

241

00:09:20,290 --> 00:09:17,570

member of an organization like mj-12

242

00:09:22,420 --> 00:09:20,300

he was you know forget Brad Pitt or

243

00:09:24,970 --> 00:09:22,430

George Clooney just award all future

244

00:09:28,060 --> 00:09:24,980

Oscars to Donald Menzel for everything

245

00:09:30,670 --> 00:09:28,070

any award for any acting anywhere give

246

00:09:33,340 --> 00:09:30,680

it to Donald Menzel because nothing in

247

00:09:34,750 --> 00:09:33,350

his record nothing in his public

248

00:09:36,310 --> 00:09:34,760

statements and his writings nothing in

249

00:09:37,750 --> 00:09:36,320

anything would indicate that he was

250

00:09:40,960 --> 00:09:37,760

anything other than what he appeared

251  
00:09:43,840 --> 00:09:40,970  
which was a vehement one my tall almost

252  
00:09:46,660 --> 00:09:43,850  
a rabid debunker of the UFO phenomenon

253  
00:09:49,060 --> 00:09:46,670  
of a cut of a kind that not even fill

254  
00:09:51,640 --> 00:09:49,070  
class approached even on his worst

255  
00:09:53,710 --> 00:09:51,650  
moments I mean Menzel set the template

256  
00:09:55,930 --> 00:09:53,720  
for debunking the UFO phenomenon and

257  
00:09:58,510 --> 00:09:55,940  
young people might say well okay that

258  
00:10:01,480 --> 00:09:58,520  
was the job he was given with mj-12 and

259  
00:10:02,440 --> 00:10:01,490  
I would say well how stupid were these

260  
00:10:03,910 --> 00:10:02,450  
people if they were actually gonna

261  
00:10:05,590 --> 00:10:03,920  
debunk the UFO phenomena and you

262  
00:10:09,010 --> 00:10:05,600  
wouldn't do it in such a ham-fisted way

263  
00:10:10,390 --> 00:10:09,020

in an easily refutable way as Donald

264

00:10:11,170 --> 00:10:10,400

Menzel went out there and do it I mean

265

00:10:12,910 --> 00:10:11,180

the government's a little more

266

00:10:14,350 --> 00:10:12,920

sophisticated so you can't have it both

267

00:10:16,540 --> 00:10:14,360

ways you can't say that the government

268

00:10:19,120 --> 00:10:16,550

is capable of Maine maintaining this

269

00:10:20,530 --> 00:10:19,130

vast cover-up for 60 years and I think

270

00:10:22,120 --> 00:10:20,540

these people involved in doing it in a

271

00:10:23,980 --> 00:10:22,130

very sophisticated way and somehow it

272

00:10:26,530 --> 00:10:23,990

never really gets out there but at the

273

00:10:28,000 --> 00:10:26,540

same time they're complete idiots so

274

00:10:30,430 --> 00:10:28,010

they put a goth light pencil out there

275

00:10:33,040 --> 00:10:30,440

and he sounds like he's even to other

276

00:10:34,840 --> 00:10:33,050

debunkers Menzel sounds like he was a

277

00:10:36,490 --> 00:10:34,850

bit off his rocker and you know they

278

00:10:37,930 --> 00:10:36,500

would shy away from them and say Donald

279

00:10:40,720 --> 00:10:37,940

you're you know you're kind of going too

280

00:10:41,590 --> 00:10:40,730

far here so it's just none of nunavut

281

00:10:43,420 --> 00:10:41,600

about mj-12

282

00:10:45,130 --> 00:10:43,430

adds up it makes sense but here here's

283

00:10:46,780 --> 00:10:45,140

here's the one-time offer from Paul

284

00:10:49,630 --> 00:10:46,790

Kimball the Sam Friedman and everybody

285

00:10:51,790 --> 00:10:49,640

else who believes in mj-12 I will agree

286

00:10:54,610 --> 00:10:51,800

even though I don't really I will agree

287

00:10:56,980 --> 00:10:54,620

publicly that maybe MJ 12 is real if you

288

00:10:59,440 --> 00:10:56,990

can agree publicly that maybe MJ 12

289

00:11:01,810 --> 00:10:59,450

isn't real and then let's all agree that

290

00:11:03,670 --> 00:11:01,820

maybe it's real maybe it's not put it in

291

00:11:03,970 --> 00:11:03,680

the grey basket and stop talking about

292

00:11:10,120 --> 00:11:03,980

it

293

00:11:12,370 --> 00:11:10,130

cases that don't get the time of day

294

00:11:14,830 --> 00:11:12,380

instead of sand when you do your

295

00:11:17,920 --> 00:11:14,840

lectures spending 30 40 50 60 minutes

296

00:11:19,990 --> 00:11:17,930

talking about Roswell ad infinitum why

297

00:11:22,540 --> 00:11:20,000

don't you spend that time talking about

298

00:11:25,300 --> 00:11:22,550

the army 47 case the Kelly Johnson case

299

00:11:28,480 --> 00:11:25,310

the 1976 Tehran case with the jet

300

00:11:30,210 --> 00:11:28,490

fighters over over Iran take the UConn

301

00:11:33,480 --> 00:11:30,220

case from 1996

302

00:11:35,100 --> 00:11:33,490

talk about those cases and say there's

303

00:11:37,380 --> 00:11:35,110

more than just Roswell let's leave

304

00:11:39,630 --> 00:11:37,390

Roswell and mj-12 aside let's just talk

305

00:11:42,030 --> 00:11:39,640

about the UFO phenomenon to people let's

306

00:11:45,420 --> 00:11:42,040

take the opportunity to reintroduce

307

00:11:48,750 --> 00:11:45,430

people to the UFO phenomenon that Hynek

308

00:11:51,900 --> 00:11:48,760

and Jim McDonald's knew back in the 60s

309

00:11:53,880 --> 00:11:51,910

and 70s before it was contaminated by

310

00:11:55,620 --> 00:11:53,890

crashed flying saucers and conspiracies

311

00:11:57,300 --> 00:11:55,630

and alien abductions and all the stuff

312

00:11:59,850 --> 00:11:57,310

that came out starting in really the

313

00:12:02,130 --> 00:11:59,860

late 1970s that has just dragged it down

314

00:12:04,050 --> 00:12:02,140

ever since and the thing is here is

315

00:12:06,090 --> 00:12:04,060

nowadays we think the government is

316

00:12:08,280 --> 00:12:06,100

totally incompetent I mean you look at

317

00:12:10,740 --> 00:12:08,290

what's happening in Washington in the

318

00:12:12,870 --> 00:12:10,750

United States where nobody believes

319

00:12:14,220 --> 00:12:12,880

Republicans nobody believes Democrats

320

00:12:15,840 --> 00:12:14,230

they're all idiots they're all

321

00:12:17,520 --> 00:12:15,850

incompetent the government can't do

322

00:12:20,310 --> 00:12:17,530

anything right but they can sure hide

323

00:12:23,700 --> 00:12:20,320

the truth about UFOs hey we're going to

324

00:12:25,350 --> 00:12:23,710

talk about UFOs and science fiction to

325

00:12:28,320 --> 00:12:25,360

subjects that don't always get together

326

00:12:30,330 --> 00:12:28,330

and don't always work well together

327

00:12:32,070 --> 00:12:30,340

you've got a really interesting couple

328

00:12:34,500 --> 00:12:32,080

of guests for us today tell us about

329

00:12:37,440 --> 00:12:34,510

them sure my very very good friend Nick

330

00:12:39,690 --> 00:12:37,450

Redfern who is part of the challengers

331

00:12:41,820 --> 00:12:39,700

of the unknown as I call us Nick Greg

332

00:12:43,560 --> 00:12:41,830

Bishop myself and the laid-back Tony's

333

00:12:46,380 --> 00:12:43,570

some other people have called us the

334

00:12:49,110 --> 00:12:46,390

Cabal it's you know we don't really hang

335

00:12:51,660 --> 00:12:49,120

out like that but dies but he doesn't

336

00:12:53,520 --> 00:12:51,670

die it's like in the Simpsons with

337

00:12:55,140 --> 00:12:53,530

Montgomery burns and Count Dracula and

338

00:12:56,820 --> 00:12:55,150

Kaiser bill Hemington second or whatever

339

00:12:59,150 --> 00:12:56,830

that's what we do secretly running the

340

00:13:01,800 --> 00:12:59,160

world but yeah Nick's got a book out

341

00:13:02,940 --> 00:13:01,810

well Nick's got a zillion books out but

342

00:13:04,500 --> 00:13:02,950

he has one called science fiction

343

00:13:06,780 --> 00:13:04,510

secrets from government files and the

344

00:13:08,220 --> 00:13:06,790

paranormal and basically he talks about

345

00:13:09,960 --> 00:13:08,230

how the relationship between the

346

00:13:12,660 --> 00:13:09,970

paranormal and science fiction in the

347

00:13:14,370 --> 00:13:12,670

real world so Nick who is always a great

348

00:13:17,010 --> 00:13:14,380

guest he's one of them and paul davids

349

00:13:19,800 --> 00:13:17,020

who is among other things the producer

350

00:13:21,810 --> 00:13:19,810

of the Showtime movie I think it was

351

00:13:23,670 --> 00:13:21,820

Showtime on Roswell the head comic

352

00:13:25,140 --> 00:13:23,680

Lachlan and Martin Sheen many years ago

353

00:13:27,180 --> 00:13:25,150

Paul is a Hollywood producer writer

354

00:13:28,980 --> 00:13:27,190

director a number of films many of which

355

00:13:31,260 --> 00:13:28,990

don't have to do with the paranormal but

356

00:13:33,450 --> 00:13:31,270

he he's also written a number of books

357

00:13:36,360 --> 00:13:33,460

for the Lucas franchise I think Star

358

00:13:39,540 --> 00:13:36,370

Wars he is very well versed in science

359

00:13:42,180 --> 00:13:39,550

fiction and he did a film a very good

360

00:13:43,449 --> 00:13:42,190

film called the sci-fi boys which with

361

00:13:45,340 --> 00:13:43,459

interviews with Peter

362

00:13:47,769 --> 00:13:45,350

Jackson George Lucas Steven Spielberg

363

00:13:49,960 --> 00:13:47,779

Ray Bradbury which basically talks about

364

00:13:52,210 --> 00:13:49,970

science fiction and the history thereof

365

00:13:54,699 --> 00:13:52,220

and it was the winner of the 2007

366

00:13:55,989 --> 00:13:54,709

Hollywood Saturn Award for best DVD from

367

00:13:58,329 --> 00:13:55,999

the Academy of science fiction fantasy

368

00:13:59,829 --> 00:13:58,339

and horror so we've got two guys to know

369

00:14:01,569 --> 00:13:59,839

their science fiction and we've got two

370

00:14:03,879 --> 00:14:01,579

guys to know their paranormal and two

371

00:14:06,009 --> 00:14:03,889

guys by the way who disagree on what

372

00:14:07,780 --> 00:14:06,019

Roswell was and having just said that we

373

00:14:09,759 --> 00:14:07,790

shouldn't talk anymore about Roswell

374

00:14:12,189 --> 00:14:09,769

we've brought two guys in and we should

375

00:14:14,859 --> 00:14:12,199

talk to them about Roswell so saucers

376

00:14:19,030 --> 00:14:14,869

the paranormal in science fiction next

377

00:14:20,829 --> 00:14:19,040

up on the para cast hi this is Tamar

378

00:14:22,780 --> 00:14:20,839

from new cheese we're a domain name and

379

00:14:24,639 --> 00:14:22,790

web hosting company and we really care

380

00:14:27,249 --> 00:14:24,649

about our customers with domain name

381

00:14:29,109 --> 00:14:27,259

purchases Namecheap offers free SSL and

382

00:14:31,179 --> 00:14:29,119

free who is guard for a year to protect

383

00:14:32,980 --> 00:14:31,189

your identity from spammers we won't

384

00:14:34,869 --> 00:14:32,990

bother you with unwanted messaging in

385

00:14:36,669 --> 00:14:34,879

your inbox or upon checkout but most

386

00:14:38,619 --> 00:14:36,679

importantly we care about you our

387

00:14:40,809 --> 00:14:38,629

customers your satisfaction and

388

00:14:42,699 --> 00:14:40,819

happiness is our primary focus because

389

00:14:44,559 --> 00:14:42,709

your support means so much to us if

390

00:14:47,049 --> 00:14:44,569

you'd like to learn more please visit us

391

00:14:49,359 --> 00:14:47,059

at radio name chief comm for web hosting

392

00:14:50,619 --> 00:14:49,369

and domain name specials you can also

393

00:14:56,199 --> 00:14:50,629

follow us on twitter at

394

00:14:58,299 --> 00:14:56,209

twitter.com/zeromd bars on facebook at

395

00:15:03,759 --> 00:14:58,309

facebook.com slash Namecheap see you

396

00:15:05,199 --> 00:15:03,769

online we want to hear from you if you

397

00:15:08,410 --> 00:15:05,209

have a comment or question about the

398

00:15:11,949 --> 00:15:08,420

pair cast send it to news at the podcast

399

00:15:14,139 --> 00:15:11,959

calm that's news at the pear cast calm

400

00:15:15,579 --> 00:15:14,149

and don't forget to visit our forums

401  
00:15:18,340 --> 00:15:15,589  
where you can talk to fellow listeners

402  
00:15:20,559 --> 00:15:18,350  
just go to the pear cast comm and click

403  
00:15:32,290 --> 00:15:20,569  
on the forum links that's the forum

404  
00:15:40,270 --> 00:15:35,540  
you're in the para castle you never know

405  
00:15:46,510 --> 00:15:44,510  
my earliest encounter with the as they

406  
00:15:48,980 --> 00:15:46,520  
say dysfunctional relationship between

407  
00:15:51,680 --> 00:15:48,990  
science fiction and UFOs goes actually

408  
00:15:53,570 --> 00:15:51,690  
back to the 50s and 60s where there was

409  
00:15:56,300 --> 00:15:53,580  
an organization called civilian saucer

410  
00:15:58,370 --> 00:15:56,310  
intelligence of New York CSI before

411  
00:16:01,760 --> 00:15:58,380  
there was a CSI TV show one of the

412  
00:16:03,650 --> 00:16:01,770  
really pioneer UFO organizations that

413  
00:16:05,780 --> 00:16:03,660

tried to develop some kind of friendship

414

00:16:08,630 --> 00:16:05,790

with the science fiction community and

415

00:16:10,370 --> 00:16:08,640

they were basically staunchly rejected

416

00:16:12,560 --> 00:16:10,380

because the science fiction people

417

00:16:14,630 --> 00:16:12,570

didn't want to hear about UFOs this was

418

00:16:17,060 --> 00:16:14,640

nonsense we don't want to associate with

419

00:16:19,370 --> 00:16:17,070

those people I tried that with a small

420

00:16:21,470 --> 00:16:19,380

magazine in the 1960s when I was very

421

00:16:23,540 --> 00:16:21,480

very very young that I say I was young

422

00:16:25,490 --> 00:16:23,550

very young now mold as the hills but

423

00:16:28,550 --> 00:16:25,500

when I was very young I tried the same

424

00:16:30,770 --> 00:16:28,560

thing and it didn't work but we noticed

425

00:16:32,630 --> 00:16:30,780

and obviously a lot of people who were

426

00:16:36,050 --> 00:16:32,640

involved in UFO and paranormal studies

427

00:16:38,900 --> 00:16:36,060

are also very much involved in science

428

00:16:41,690 --> 00:16:38,910

fiction one way or the other now paul

429

00:16:44,660 --> 00:16:41,700

dauids as someone who has lived in both

430

00:16:46,370 --> 00:16:44,670

worlds somewhat because of your interest

431

00:16:50,030 --> 00:16:46,380

in UFOs and because of the films that

432

00:16:53,480 --> 00:16:50,040

you've done why is it that sci-fi and

433

00:16:56,810 --> 00:16:53,490

UFOs don't like each other well I think

434

00:17:00,740 --> 00:16:56,820

Syfy came first for a lot of people who

435

00:17:03,280 --> 00:17:00,750

are interested in space other worlds

436

00:17:06,590 --> 00:17:03,290

undreamed-of possibilities from

437

00:17:10,420 --> 00:17:06,600

childhood came the interest in science

438

00:17:14,420 --> 00:17:10,430

fiction and along the way some people

439

00:17:17,210 --> 00:17:14,430

had experiences or read books or

440

00:17:19,370 --> 00:17:17,220

accounts or reports that made them feel

441

00:17:22,010 --> 00:17:19,380

that there was a lot more to some of

442

00:17:24,560 --> 00:17:22,020

this than fiction but the a lot of the

443

00:17:27,590 --> 00:17:24,570

conventional professionals no authors

444

00:17:29,930 --> 00:17:27,600

like Isaac Asimov let's say has one

445

00:17:33,590 --> 00:17:29,940

example even Ray Bradbury

446

00:17:35,030 --> 00:17:33,600

they they don't believe in in the

447

00:17:37,820 --> 00:17:35,040

reality of this stuff because they think

448

00:17:39,120 --> 00:17:37,830

that they or people like them made it up

449

00:17:41,620 --> 00:17:39,130

first

450

00:17:43,810 --> 00:17:41,630

claimed that it was real so there's no

451  
00:17:45,700 --> 00:17:43,820  
UFO unless they wrote about it it's an

452  
00:17:48,669 --> 00:17:45,710  
ego thing yeah yeah

453  
00:17:50,650 --> 00:17:48,679  
if they haven't seen it and they didn't

454  
00:17:53,919 --> 00:17:50,660  
think it up you know some of them feel

455  
00:17:55,659 --> 00:17:53,929  
that it couldn't be true because the

456  
00:17:58,720 --> 00:17:55,669  
government would have told them and then

457  
00:18:00,940 --> 00:17:58,730  
Ray Bradbury I sat next to it at lunch

458  
00:18:03,730 --> 00:18:00,950  
one day the day that Ray Harryhausen got

459  
00:18:07,090 --> 00:18:03,740  
his star on Hollywood Boulevard

460  
00:18:10,060 --> 00:18:07,100  
and the Ray Bradbury chewed me out for

461  
00:18:12,850 --> 00:18:10,070  
having been a guy behind the movie

462  
00:18:15,610 --> 00:18:12,860  
Roswell which gave a take on the Roswell

463  
00:18:18,220 --> 00:18:15,620

case which gave aid and comfort to those

464

00:18:21,220 --> 00:18:18,230

who feel that it was flying saucer with

465

00:18:23,169 --> 00:18:21,230

aliens and Ray Bradbury said to me you

466

00:18:25,360 --> 00:18:23,179

know you shouldn't be you shouldn't be

467

00:18:27,430 --> 00:18:25,370

backing that kind of nonsense and I said

468

00:18:29,590 --> 00:18:27,440

what what was like I said and come again

469

00:18:31,270 --> 00:18:29,600

you know have you talked to the

470

00:18:33,760 --> 00:18:31,280

witnesses have you studied the reports

471

00:18:35,789 --> 00:18:33,770

have you looked into the case and his

472

00:18:37,240 --> 00:18:35,799

answer was essentially I don't have to

473

00:18:40,029 --> 00:18:37,250

doesn't matter

474

00:18:43,029 --> 00:18:40,039

can't exist didn't happen because if it

475

00:18:45,130 --> 00:18:43,039

did they would have told me because I'm

476

00:18:49,870 --> 00:18:45,140

Ray Bradbury so there you have it

477

00:18:52,720 --> 00:18:49,880

Wow that's level of ego that you often

478

00:18:55,240 --> 00:18:52,730

hear sort of leveled at scientists

479

00:18:56,470 --> 00:18:55,250

people saying that well why doesn't why

480

00:18:58,060 --> 00:18:56,480

does science for good science fiction

481

00:19:00,730 --> 00:18:58,070

wide science have a tenuous relationship

482

00:19:02,350 --> 00:19:00,740

at best with the UFO phenomenon but what

483

00:19:03,940 --> 00:19:02,360

you're saying Paul is that science

484

00:19:06,940 --> 00:19:03,950

fiction authors are just as bad if not

485

00:19:09,520 --> 00:19:06,950

worse when it comes to the ego thing

486

00:19:12,669 --> 00:19:09,530

than say your average scientists well

487

00:19:16,120 --> 00:19:12,679

and also you you mentioned before we

488

00:19:20,049 --> 00:19:16,130

started this tape recording that Forrest

489

00:19:21,669 --> 00:19:20,059

J Ackerman is one person in the science

490

00:19:24,700 --> 00:19:21,679

fiction field that you've been familiar

491

00:19:27,190 --> 00:19:24,710

with for for many years and it's a very

492

00:19:29,440 --> 00:19:27,200

very famous name in science fiction and

493

00:19:33,360 --> 00:19:29,450

I was very close to Fareed Ackerman I

494

00:19:36,549 --> 00:19:33,370

met him when I was 13 years old and I

495

00:19:39,640 --> 00:19:36,559

was close to him right up to the time of

496

00:19:41,860 --> 00:19:39,650

his death at age 92 a little over a year

497

00:19:45,909 --> 00:19:41,870

ago and this was one area of

498

00:19:48,520 --> 00:19:45,919

disagreement between sorry Ackerman and

499

00:19:51,930 --> 00:19:48,530

myself he did not believe that flying

500

00:19:54,360 --> 00:19:51,940

saucers exist it wouldn't go there

501

00:19:57,139 --> 00:19:54,370

he loved it a science fiction he felt it

502

00:19:59,820 --> 00:19:57,149

was all invention science fiction and

503

00:20:01,830 --> 00:19:59,830

I'm not aware that he'd studied any of

504

00:20:04,730 --> 00:20:01,840

the reports that he read any of the

505

00:20:08,310 --> 00:20:04,740

books that give credibility to the field

506

00:20:10,830 --> 00:20:08,320

certainly never came across Richard

507

00:20:13,080 --> 00:20:10,840

Dolan's UFOs in the national security

508

00:20:15,779 --> 00:20:13,090

state you know which the first volume

509

00:20:17,779 --> 00:20:15,789

was out before he passed away but he had

510

00:20:19,830 --> 00:20:17,789

some very firm ideas on a lot of

511

00:20:21,690 --> 00:20:19,840

subjects where he wouldn't budge

512

00:20:24,480 --> 00:20:21,700

you know I mean he was an atheist he was

513

00:20:26,909 --> 00:20:24,490

proud to be an atheist in the hour of

514

00:20:29,129 --> 00:20:26,919

his death you know he he didn't believe

515

00:20:31,799 --> 00:20:29,139

in ghosts he didn't believe in the

516

00:20:33,690 --> 00:20:31,809

paranormal and we just agreed to

517

00:20:36,419 --> 00:20:33,700

disagree you know I mean we were friends

518

00:20:38,639 --> 00:20:36,429

anyway but I was a skeptic on the matter

519

00:20:40,980 --> 00:20:38,649

of UFOs up until I saw one in broad

520

00:20:44,690 --> 00:20:40,990

daylight in 1987 with my two children

521

00:20:46,889 --> 00:20:44,700

and it got worse from there

522

00:20:49,350 --> 00:20:46,899

because then some paranormal things

523

00:20:51,090 --> 00:20:49,360

happen to me in my life that you know it

524

00:20:54,539 --> 00:20:51,100

just couldn't be explained and I you

525

00:20:56,820 --> 00:20:54,549

know I try to be very rational logical

526

00:20:58,289 --> 00:20:56,830

I've been a skeptic all the way up to

527

00:21:01,139 --> 00:20:58,299

that point and then things started to

528

00:21:03,330 --> 00:21:01,149

happen that you know changed my way of

529

00:21:05,730 --> 00:21:03,340

thinking if those things don't come

530

00:21:07,259 --> 00:21:05,740

along for you you know you never make a

531

00:21:10,169 --> 00:21:07,269

transition from science fiction

532

00:21:13,619 --> 00:21:10,179

interests to the interest that people

533

00:21:16,409 --> 00:21:13,629

like Nick Redfern has who's written so

534

00:21:18,060 --> 00:21:16,419

many books about the flying saucer

535

00:21:20,580 --> 00:21:18,070

phenomenon and trying to get at the

536

00:21:22,350 --> 00:21:20,590

bottom of what we can believe what we

537

00:21:24,960 --> 00:21:22,360

should believe and what we definitely

538

00:21:27,649 --> 00:21:24,970

shouldn't believe so it's a different

539

00:21:30,570 --> 00:21:27,659

kind of different kind of person who

540

00:21:33,060 --> 00:21:30,580

investigates inquires and has an open

541

00:21:35,310 --> 00:21:33,070

enough mind to think that it could be

542

00:21:38,100 --> 00:21:35,320

true versus those who dwell in the realm

543

00:21:40,950 --> 00:21:38,110

of fiction are their legs fall between

544

00:21:43,440 --> 00:21:40,960

and moving more into the science fiction

545

00:21:44,970 --> 00:21:43,450

now though have science fiction authors

546

00:21:46,860 --> 00:21:44,980

maybe we can talk a bit about science

547

00:21:48,659 --> 00:21:46,870

fiction authors and filmmakers and how

548

00:21:50,820 --> 00:21:48,669

they've even if they don't necessarily

549

00:21:53,580 --> 00:21:50,830

believe in the UFO phenomenon how

550

00:21:56,100 --> 00:21:53,590

they've taken information from the UFO

551  
00:21:57,810 --> 00:21:56,110  
phenomenon and turned it into works of

552  
00:21:59,850 --> 00:21:57,820  
fiction that they've put out there I

553  
00:22:01,560 --> 00:21:59,860  
mean the most obvious example to me at

554  
00:22:02,530 --> 00:22:01,570  
least off the top of my head is Close

555  
00:22:05,410 --> 00:22:02,540  
Encounters to the

556  
00:22:07,510 --> 00:22:05,420  
kind where you literally like white but

557  
00:22:11,380 --> 00:22:07,520  
Steven but Steven Spielberg is on record

558  
00:22:13,510 --> 00:22:11,390  
that he does believe in aliens somebody

559  
00:22:16,180 --> 00:22:13,520  
else and I want to go back to the 1950s

560  
00:22:17,710 --> 00:22:16,190  
and mention Robert Wise who directed the

561  
00:22:19,510 --> 00:22:17,720  
original of The Day the Earth Stood

562  
00:22:21,460 --> 00:22:19,520  
Still and by the way ladies and

563  
00:22:24,310 --> 00:22:21,470

gentlemen please I'm sure now if you

564

00:22:26,920 --> 00:22:24,320

will disagree avoid the Keanu Reeves

565

00:22:28,840 --> 00:22:26,930

remake please we're talking about the

566

00:22:30,460 --> 00:22:28,850

original black and white version I know

567

00:22:33,780 --> 00:22:30,470

we are I know we are in Robert Wise

568

00:22:37,600 --> 00:22:33,790

believe in us sure after I had my

569

00:22:39,910 --> 00:22:37,610

daylight disc sighting in 1987 I talked

570

00:22:41,650 --> 00:22:39,920

to a lot of different people trying to

571

00:22:43,330 --> 00:22:41,660

figure out what it was what had happened

572

00:22:45,790 --> 00:22:43,340

what did I say what should I believe

573

00:22:47,620 --> 00:22:45,800

about it and Robert Wise was one of

574

00:22:50,650 --> 00:22:47,630

those I spoke to because I had the

575

00:22:52,990 --> 00:22:50,660

opportunity to meet with him and we had

576

00:22:56,320 --> 00:22:53,000

a conversation at length about the

577

00:22:58,870 --> 00:22:56,330

subject and he said that he had accepted

578

00:23:01,120 --> 00:22:58,880

that the UFOs were real and that some of

579

00:23:02,470 --> 00:23:01,130

them were extraterrestrials act since

580

00:23:05,380 --> 00:23:02,480

the days that he was making the film

581

00:23:08,230 --> 00:23:05,390

when he started to make the film he

582

00:23:10,030 --> 00:23:08,240

didn't necessarily believe that but

583

00:23:12,180 --> 00:23:10,040

during the course of making it he said

584

00:23:16,090 --> 00:23:12,190

that so many really credible people

585

00:23:18,790 --> 00:23:16,100

scientists engineers came to him with

586

00:23:22,420 --> 00:23:18,800

stories with accounts with reports and

587

00:23:24,790 --> 00:23:22,430

he became completely convinced but he

588

00:23:28,090 --> 00:23:24,800

said in the same breath that he couldn't

589

00:23:30,880 --> 00:23:28,100

understand why the government wasn't

590

00:23:34,690 --> 00:23:30,890

disclosing if it was true and he felt

591

00:23:37,900 --> 00:23:34,700

that that was a stupid policy if that

592

00:23:39,910 --> 00:23:37,910

was fact so there's someone who went

593

00:23:41,920 --> 00:23:39,920

from science fiction and then just

594

00:23:43,890 --> 00:23:41,930

because of the quality of the number of

595

00:23:47,740 --> 00:23:43,900

people that came to him with information

596

00:23:49,240 --> 00:23:47,750

he became completely persuaded even

597

00:23:51,790 --> 00:23:49,250

though it wasn't as a result of his own

598

00:23:54,130 --> 00:23:51,800

direct experience now let's bring the

599

00:23:55,780 --> 00:23:54,140

Redfern in here Nick you have a book

600

00:23:57,730 --> 00:23:55,790

called science fiction secrets from

601  
00:24:00,220 --> 00:23:57,740  
government files in the paranormal and

602  
00:24:03,040 --> 00:24:00,230  
I'm looking at your product description

603  
00:24:04,840 --> 00:24:03,050  
here on your website and it says I love

604  
00:24:07,900 --> 00:24:04,850  
this all the ingredients for high

605  
00:24:09,550 --> 00:24:07,910  
strangeness do mix two-part science

606  
00:24:11,680 --> 00:24:09,560  
fiction with one part high level

607  
00:24:13,310 --> 00:24:11,690  
government secrecy at a liberal helping

608  
00:24:16,399 --> 00:24:13,320  
of the paranormal and then

609  
00:24:17,960 --> 00:24:16,409  
Nick Redfern heat and serve the result

610  
00:24:19,310 --> 00:24:17,970  
is far far stranger than anything that

611  
00:24:20,659 --> 00:24:19,320  
you could ever begin to imagine all

612  
00:24:24,799 --> 00:24:20,669  
right Nick let's let you heat and serve

613  
00:24:28,820 --> 00:24:24,809

here to thank Patrick waves but those

614

00:24:31,310 --> 00:24:28,830

were Paul has a special price on that

615

00:24:34,490 --> 00:24:31,320

you could use those words again just

616

00:24:37,039 --> 00:24:34,500

send them a check you didn't write those

617

00:24:39,169 --> 00:24:37,049

yourself I'm shocked you have underneath

618

00:24:40,940 --> 00:24:39,179

that though because Paul had mentioned

619

00:24:43,129 --> 00:24:40,950

Steven Spielberg I guess I mentioned

620

00:24:45,139 --> 00:24:43,139

first of all mentioned we talked very

621

00:24:46,999 --> 00:24:45,149

briefly about Spielberg but you have

622

00:24:49,220 --> 00:24:47,009

here question one of the things you talk

623

00:24:51,019 --> 00:24:49,230

about in your book did the US government

624

00:24:52,700 --> 00:24:51,029

secretly assist Steven Spielberg in the

625

00:24:54,440 --> 00:24:52,710

production of his groundbreaking science

626  
00:24:56,950 --> 00:24:54,450  
fiction movies Close Encounters of the

627  
00:25:01,100 --> 00:24:56,960  
Third Kind and et the extra-terrestrial

628  
00:25:02,419 --> 00:25:01,110  
did they ask you about yeah I mean one

629  
00:25:05,930 --> 00:25:02,429  
thing that sort of preface that with

630  
00:25:07,399 --> 00:25:05,940  
Paul is that I suppose my my exposure

631  
00:25:09,409 --> 00:25:07,409  
and involvement with science fiction is

632  
00:25:11,269 --> 00:25:09,419  
very different to many other people in

633  
00:25:12,560 --> 00:25:11,279  
the sense rather ironically for someone

634  
00:25:14,570 --> 00:25:12,570  
who's written a book about the subject

635  
00:25:17,119 --> 00:25:14,580  
I'm not that interested in science

636  
00:25:19,850 --> 00:25:17,129  
fiction per se but what is what has

637  
00:25:22,330 --> 00:25:19,860  
fascinated me for a long time is the way

638  
00:25:24,200 --> 00:25:22,340

in which all the allegations at least

639

00:25:26,990 --> 00:25:24,210

suggesting that the world of science

640

00:25:29,450 --> 00:25:27,000

fiction has been manipulated or there's

641

00:25:31,940 --> 00:25:29,460

been a kind of clandestine two way

642

00:25:33,649 --> 00:25:31,950

process between elements and the

643

00:25:37,100 --> 00:25:33,659

official world and the world of science

644

00:25:39,080 --> 00:25:37,110

fiction to present youthful article

645

00:25:42,350 --> 00:25:39,090

themes in a fictional context they're

646

00:25:44,119 --> 00:25:42,360

secretly behind the scenes may be very

647

00:25:45,619 --> 00:25:44,129

real now that doesn't mean they are it

648

00:25:47,930 --> 00:25:45,629

means in the book you know I addressed

649

00:25:52,639 --> 00:25:47,940

whether or not these stories were

650

00:25:55,070 --> 00:25:52,649

genuine now as far as you know the whole

651  
00:25:57,710 --> 00:25:55,080  
issue of Close Encounters and ETS

652  
00:26:01,490 --> 00:25:57,720  
because there's been a great deal of

653  
00:26:04,730 --> 00:26:01,500  
discussion legend rumor etc etc within

654  
00:26:06,860 --> 00:26:04,740  
the UFO research arena for many years as

655  
00:26:09,710 --> 00:26:06,870  
to whether or not there was some sort of

656  
00:26:12,049 --> 00:26:09,720  
subtle pushing and prodding you know by

657  
00:26:14,389 --> 00:26:12,059  
government agencies to get certain

658  
00:26:16,039 --> 00:26:14,399  
archetypal themes out and that meant

659  
00:26:17,840 --> 00:26:16,049  
that may have been done with Close

660  
00:26:20,590 --> 00:26:17,850  
Encounters made see the idea that

661  
00:26:22,629 --> 00:26:20,600  
there's been some sort of face-to-face

662  
00:26:25,980 --> 00:26:22,639  
interaction you know between

663  
00:26:28,080 --> 00:26:25,990

extraterrestrials than us so to speak

664

00:26:30,000 --> 00:26:28,090

of course this is a very controversial

665

00:26:32,310 --> 00:26:30,010

theory I'll be the first to admit that

666

00:26:35,010 --> 00:26:32,320

you know thus far or at least we don't

667

00:26:37,110 --> 00:26:35,020

have hard evidence of that but in terms

668

00:26:39,659 --> 00:26:37,120

of the material that I published in the

669

00:26:41,940 --> 00:26:39,669

book one of the most interesting things

670

00:26:43,680 --> 00:26:41,950

I found is that or a lot of people have

671

00:26:45,930 --> 00:26:43,690

commented on I should say but there I

672

00:26:49,710 --> 00:26:45,940

commented out in my book as well with

673

00:26:51,930 --> 00:26:49,720

this issue of how in June 1982 a special

674

00:26:54,990 --> 00:26:51,940

screening was made at the White House of

675

00:26:57,360 --> 00:26:55,000

ET where Reagan and various members of

676

00:26:59,820 --> 00:26:57,370

his staff were present for thee for the

677

00:27:02,519 --> 00:26:59,830

showing and altogether there's some in

678

00:27:04,950 --> 00:27:02,529

the region 36 guests 37 guests so it was

679

00:27:06,480 --> 00:27:04,960

you know it's almost like a I guess he

680

00:27:09,180 --> 00:27:06,490

wasn't just a film showing it's almost

681

00:27:13,250 --> 00:27:09,190

like an event now what a lot of people

682

00:27:16,830 --> 00:27:13,260

don't realize he's only 24 hours after

683

00:27:19,350 --> 00:27:16,840

Reagan watched 80 and supposedly at

684

00:27:20,639 --> 00:27:19,360

least made an aside to Spielberg if

685

00:27:23,279 --> 00:27:20,649

there are only a certain number of

686

00:27:25,470 --> 00:27:23,289

people in the room who knew how real it

687

00:27:27,419 --> 00:27:25,480

allegedly was only 24 hours after he

688

00:27:30,289 --> 00:27:27,429

allegedly made that statement what we do

689

00:27:33,240 --> 00:27:30,299

know for absolutely with 100% certainty

690

00:27:36,149 --> 00:27:33,250

because on the following morning Reagan

691

00:27:38,340 --> 00:27:36,159

received a briefing on the then current

692

00:27:40,769 --> 00:27:38,350

and future plans from the US for the

693

00:27:42,510 --> 00:27:40,779

u.s. space program what's interesting is

694

00:27:44,730 --> 00:27:42,520

that the briefing actually wasn't made

695

00:27:46,680 --> 00:27:44,740

by NASA it was made by representatives

696

00:27:50,130 --> 00:27:46,690

of the National Security Council and

697

00:27:52,200 --> 00:27:50,140

those documents and Declassified showing

698

00:27:53,549 --> 00:27:52,210

that but that at least the briefing went

699

00:27:56,730 --> 00:27:53,559

ahead we don't actually know what was in

700

00:27:59,310 --> 00:27:56,740

the briefing completely to this day so I

701

00:28:01,799 --> 00:27:59,320

find that interesting that Spielberg his

702

00:28:04,230 --> 00:28:01,809

film ET shown to the presidents Reagan

703

00:28:06,590 --> 00:28:04,240

expressed a lot of interest and then 24

704

00:28:10,139 --> 00:28:06,600

hours later these you know briefed on

705

00:28:12,450 --> 00:28:10,149

the space operations etc by none other

706

00:28:14,370 --> 00:28:12,460

National Security Council so it's kind

707

00:28:17,039 --> 00:28:14,380

of things like that I've touched upon to

708

00:28:19,279 --> 00:28:17,049

try and you know address these areas of

709

00:28:21,870 --> 00:28:19,289

whether or not science fiction and

710

00:28:24,810 --> 00:28:21,880

ufology at an official level have

711

00:28:28,730 --> 00:28:24,820

crossed paths if you like

712

00:28:31,080 --> 00:28:28,740

[Music]

713

00:28:33,360 --> 00:28:31,090

picture this you're on the phone with a

714

00:28:36,510 --> 00:28:33,370

client or colleague trying to explain

715

00:28:38,760 --> 00:28:36,520

something visual a PowerPoint a keynote

716

00:28:41,400 --> 00:28:38,770

presentation a website but it's

717

00:28:42,210 --> 00:28:41,410

frustrating because they can't see what

718

00:28:45,120 --> 00:28:42,220

you're talking about

719

00:28:47,730 --> 00:28:45,130

the solution good news they can if you

720

00:28:50,820 --> 00:28:47,740

invite them to an online meeting using

721

00:28:52,980 --> 00:28:50,830

GoToMeeting then they can see your

722

00:28:55,320 --> 00:28:52,990

computer desktop on their computer

723

00:28:56,250 --> 00:28:55,330

screen so you can show them what you're

724

00:28:57,900 --> 00:28:56,260

talking about

725

00:28:59,580 --> 00:28:57,910

by use goto meeting all the time to

726

00:29:02,190 --> 00:28:59,590

collaborate with colleagues and with

727

00:29:05,610 --> 00:29:02,200

clients you can try goto meeting free

728

00:29:08,760 --> 00:29:05,620

for 30 days but you must visit goto

729

00:29:12,420 --> 00:29:08,770

meeting / podcasts let's go to

730

00:29:16,380 --> 00:29:12,430

meeting.com slash podcasts for free

731

00:29:19,530 --> 00:29:16,390

30-day trial hi this is Don Ecker and

732

00:29:21,450 --> 00:29:19,540

you are tuned into the para cast let me

733

00:29:24,180 --> 00:29:21,460

tell you what you're gonna hear stuff

734

00:29:27,150 --> 00:29:24,190

here that you probably won't hear

735

00:29:30,450 --> 00:29:27,160

anywhere else here that George Noory

736

00:29:32,700 --> 00:29:30,460

we're crossing the paths of Paul Davis

737

00:29:35,730 --> 00:29:32,710

and Nicholas Redfern our special co-host

738

00:29:37,470 --> 00:29:35,740

is Paul Kimball follow you were up with

739

00:29:39,510 --> 00:29:37,480

a question right yeah I was just gonna

740

00:29:41,460 --> 00:29:39,520

say so what are your conclusions we can

741

00:29:43,740 --> 00:29:41,470

talk about some particular things in

742

00:29:47,370 --> 00:29:43,750

your book but what are your conclusions

743

00:29:48,360 --> 00:29:47,380

on the overall issue or a question is

744

00:29:50,520 --> 00:29:48,370

there a relationship between the

745

00:29:52,380 --> 00:29:50,530

government and science fiction world did

746

00:29:54,330 --> 00:29:52,390

the government has the government used

747

00:29:57,240 --> 00:29:54,340

science fiction too perhaps

748

00:29:59,340 --> 00:29:57,250

seed or control the conversation or

749

00:30:01,710 --> 00:29:59,350

however you want to look at it about the

750

00:30:04,770 --> 00:30:01,720

UFO phenomenon in particular or perhaps

751  
00:30:06,390 --> 00:30:04,780  
even the paranormal in general well yeah

752  
00:30:08,940 --> 00:30:06,400  
I mean I think you can look at it some

753  
00:30:11,400 --> 00:30:08,950  
two ways actually Paul you know I don't

754  
00:30:13,230 --> 00:30:11,410  
for one minute believe there is anything

755  
00:30:15,540 --> 00:30:13,240  
too simplistic hidden in the government

756  
00:30:16,650 --> 00:30:15,550  
is like a project science fiction along

757  
00:30:18,150 --> 00:30:16,660  
the lines of a project Bluebook

758  
00:30:20,520 --> 00:30:18,160  
you know I don't believe there is a

759  
00:30:23,550 --> 00:30:20,530  
particular group whose whose role it is

760  
00:30:25,590 --> 00:30:23,560  
to seed UFO facts into the realm of

761  
00:30:27,330 --> 00:30:25,600  
science fiction but if you ask me do I

762  
00:30:30,300 --> 00:30:27,340  
think it's possible that it may have

763  
00:30:31,680 --> 00:30:30,310

been done on occasion I do think that

764

00:30:33,300 --> 00:30:31,690

has happened and also what I think has

765

00:30:37,260 --> 00:30:33,310

happened is that government agencies

766

00:30:39,390 --> 00:30:37,270

have been inspired by science fiction to

767

00:30:41,670 --> 00:30:39,400

embark on clandestine projects now for

768

00:30:44,250 --> 00:30:41,680

example one of the chapters I have in

769

00:30:47,100 --> 00:30:44,260

the book deals with the way in which the

770

00:30:50,160 --> 00:30:47,110

Air Force contracted out a project to

771

00:30:52,200 --> 00:30:50,170

determine if teleportation at the time I

772

00:30:54,900 --> 00:30:52,210

guess most successful shown in Star Trek

773

00:30:57,510 --> 00:30:54,910

and least successfully showed him to fly

774

00:30:58,830 --> 00:30:57,520

you know could be achieved or couldn't

775

00:31:00,630 --> 00:30:58,840

be achieved you know and asked the

776

00:31:02,670 --> 00:31:00,640

question would the Air Force actually

777

00:31:05,330 --> 00:31:02,680

locked into this if in a fictional for

778

00:31:07,290 --> 00:31:05,340

that in the fly and in Star Trek

779

00:31:09,090 --> 00:31:07,300

teleportation hadn't be discussed and

780

00:31:10,800 --> 00:31:09,100

actually think you know the Air Force

781

00:31:12,000 --> 00:31:10,810

may well not have looked into it you

782

00:31:12,900 --> 00:31:12,010

know so in other words they were

783

00:31:16,650 --> 00:31:12,910

inspired by it

784

00:31:19,530 --> 00:31:16,660

same with for example the former Soviet

785

00:31:22,170 --> 00:31:19,540

premier Joseph Stalin he was a very big

786

00:31:24,750 --> 00:31:22,180

fan of HG Wells is science fiction and

787

00:31:26,760 --> 00:31:24,760

particularly of the the island of dr.

788

00:31:29,640 --> 00:31:26,770

Moreau where you have this sub crazed

789

00:31:31,530 --> 00:31:29,650

doctor doing you know the 19th century

790

00:31:33,900 --> 00:31:31,540

equivalent of gene splicing trying to

791

00:31:37,020 --> 00:31:33,910

cross humans with Apes and all sorts of

792

00:31:39,990 --> 00:31:37,030

animals to make animals as they became

793

00:31:41,910 --> 00:31:40,000

known and the whole scenario presented

794

00:31:44,240 --> 00:31:41,920

in Welles book was actually something

795

00:31:47,130 --> 00:31:44,250

but styling try to replicate with a

796

00:31:48,630 --> 00:31:47,140

project a very shortly project to try

797

00:31:50,970 --> 00:31:48,640

and cross great humans and apes to

798

00:31:52,470 --> 00:31:50,980

create like an ultimate superhuman super

799

00:31:54,630 --> 00:31:52,480

soldier which of course failed is

800

00:31:57,240 --> 00:31:54,640

astrally never disastrously never worked

801  
00:31:58,920 --> 00:31:57,250  
so we certainly know that government

802  
00:32:02,610 --> 00:31:58,930  
agencies have been inspired by science

803  
00:32:04,260 --> 00:32:02,620  
fiction now you know certainly when it

804  
00:32:06,780 --> 00:32:04,270  
comes to the other way round

805  
00:32:09,060 --> 00:32:06,790  
that's I guess the more controversial

806  
00:32:11,490 --> 00:32:09,070  
area one of the stories I tell in the

807  
00:32:14,100 --> 00:32:11,500  
book it's a better late 1940s and early

808  
00:32:16,470 --> 00:32:14,110  
50s filmmaker named Michael Conrad who

809  
00:32:18,000 --> 00:32:16,480  
wrote a road directed and starred in a

810  
00:32:19,800 --> 00:32:18,010  
very earlier not particularly good

811  
00:32:22,530 --> 00:32:19,810  
science-fiction film called the Flying

812  
00:32:26,610 --> 00:32:22,540  
Saucer in this particular film Conrad

813  
00:32:30,660 --> 00:32:26,620

plays a guy who goes up to Alaska with

814

00:32:33,960 --> 00:32:30,670

their beautiful FBI agent and always

815

00:32:36,480 --> 00:32:33,970

beautiful FBI agent exactly and

816

00:32:38,910 --> 00:32:36,490

nothing's changed and they investigate

817

00:32:42,060 --> 00:32:38,920

flying saucer sightings in Alaska now it

818

00:32:43,770 --> 00:32:42,070

so happens curiously enough but Michael

819

00:32:44,610 --> 00:32:43,780

Conrad actually became the subject of an

820

00:32:46,980 --> 00:32:44,620

extensive

821

00:32:49,720 --> 00:32:46,990

Air Force file and the reason being that

822

00:32:52,660 --> 00:32:49,730

at the very same time the Conrad

823

00:32:54,760 --> 00:32:52,670

film was talking about flying saucers in

824

00:32:57,000 --> 00:32:54,770

Alaska in a fictional setting the Air

825

00:32:59,950 --> 00:32:57,010

Force was actually and ironically

826

00:33:02,470 --> 00:32:59,960

investigating real sightings of UFOs in

827

00:33:04,960 --> 00:33:02,480

Alaska some of which paralleled eerily

828

00:33:06,420 --> 00:33:04,970

closely the stories that Conrad was

829

00:33:08,470 --> 00:33:06,430

telling and there was actually

830

00:33:11,050 --> 00:33:08,480

speculation within the Air Force that

831

00:33:14,470 --> 00:33:11,060

somebody on the inside was leaking

832

00:33:17,380 --> 00:33:14,480

information on some of the project

833

00:33:20,500 --> 00:33:17,390

grudge and then the the later Blue Book

834

00:33:23,080 --> 00:33:20,510

reports on sightings in Alaska but it

835

00:33:25,150 --> 00:33:23,090

was somehow filtering down to Conrad and

836

00:33:27,280 --> 00:33:25,160

questions rest well who's doing this and

837

00:33:30,370 --> 00:33:27,290

what's the motivation you know so you

838

00:33:32,470 --> 00:33:30,380

could actually begin to wonder was

839

00:33:34,840 --> 00:33:32,480

somebody on the inside subtly releasing

840

00:33:37,600 --> 00:33:34,850

these stories to him knowing that he was

841

00:33:39,640 --> 00:33:37,610

making this film the setting was Alaska

842

00:33:41,980 --> 00:33:39,650

and to determine you know public

843

00:33:44,230 --> 00:33:41,990

reaction it's a theory but if you know

844

00:33:46,000 --> 00:33:44,240

it's an intriguing theory all be one

845

00:33:48,280 --> 00:33:46,010

that we go and have hard definitive

846

00:33:50,320 --> 00:33:48,290

facts or so I'd not kind of come down

847

00:33:51,580 --> 00:33:50,330

you know forcefully on one way or the

848

00:33:53,860 --> 00:33:51,590

other because we don't have the evidence

849

00:33:56,860 --> 00:33:53,870

to do that what we do have a lot of sort

850

00:33:58,750 --> 00:33:56,870

of suggestive tangents that push us in

851  
00:34:00,760 --> 00:33:58,760  
that direction I think that's sort of

852  
00:34:03,070 --> 00:34:00,770  
the best we can say right now one of the

853  
00:34:06,040 --> 00:34:03,080  
things I noticed was the original film

854  
00:34:08,710 --> 00:34:06,050  
de Vere Stood Still influence the

855  
00:34:10,870 --> 00:34:08,720  
contactees the aliens came in a silvery

856  
00:34:13,600 --> 00:34:10,880  
uniform they were warning us of the

857  
00:34:15,730 --> 00:34:13,610  
consequences of our practice of war and

858  
00:34:17,440 --> 00:34:15,740  
nuclear weapons they spoke a look

859  
00:34:22,480 --> 00:34:17,450  
through English they solved our

860  
00:34:24,160 --> 00:34:22,490  
equations for us that's it man but we

861  
00:34:27,760 --> 00:34:24,170  
ought to bring up the Howard Hawks film

862  
00:34:30,250 --> 00:34:27,770  
again I think from 1950 51 the thing

863  
00:34:32,410 --> 00:34:30,260

from another world yes we call the thing

864

00:34:35,020 --> 00:34:32,420

first one not the John Carpenter remake

865

00:34:37,050 --> 00:34:35,030

but because that was said in the Arctic

866

00:34:39,910 --> 00:34:37,060

I don't know it was specifically Alaska

867

00:34:42,450 --> 00:34:39,920

it was essentially the Roswell story

868

00:34:45,580 --> 00:34:42,460

three years after the Roswell incident

869

00:34:47,680 --> 00:34:45,590

but said in the frozen north instead of

870

00:34:52,380 --> 00:34:47,690

set in the desert but it was the crash

871

00:34:55,210 --> 00:34:52,390

of a flying saucer with one survivor and

872

00:34:58,360 --> 00:34:55,220

you had the clash there between the news

873

00:35:00,640 --> 00:34:58,370

media and the military where the news

874

00:35:02,780 --> 00:35:00,650

media was very anxious to tell the story

875

00:35:06,110 --> 00:35:02,790

to the world and the military

876

00:35:08,270 --> 00:35:06,120

that so you know that was that was

877

00:35:09,560 --> 00:35:08,280

indicative of you know what had been in

878

00:35:12,260 --> 00:35:09,570

the news what was going on I was just

879

00:35:14,900 --> 00:35:12,270

set in another location the the Alaska

880

00:35:17,420 --> 00:35:14,910

interest you know continues through the

881

00:35:19,460 --> 00:35:17,430

decades up to the very recent film

882

00:35:22,880 --> 00:35:19,470

called the Fourth Kind which Universal

883

00:35:26,060 --> 00:35:22,890

Pictures released about abduction set in

884

00:35:30,590 --> 00:35:26,070

Alaska and you know promoted with a

885

00:35:32,990 --> 00:35:30,600

quasi real or Blair Witch style of

886

00:35:35,780 --> 00:35:33,000

things that were you know purportedly

887

00:35:38,240 --> 00:35:35,790

true but you know just really major

888

00:35:39,650 --> 00:35:38,250

seemed that way for for for effects than

889

00:35:42,680 --> 00:35:39,660

the benefit of the audience as opposed

890

00:35:44,540 --> 00:35:42,690

to I think you know anything that's

891

00:35:46,430 --> 00:35:44,550

really happened in Alaska but you

892

00:35:49,220 --> 00:35:46,440

certainly had incredible things

893

00:35:53,660 --> 00:35:49,230

happening in Alaska that inspired that

894

00:35:57,470 --> 00:35:53,670

one of which would have been the 1986

895

00:36:01,510 --> 00:35:57,480

Japan Airlines flight off Anchorage

896

00:36:06,100 --> 00:36:01,520

Alaska flight 1628 I think it was which

897

00:36:10,100 --> 00:36:06,110

in which captain Terauchi and his crew

898

00:36:12,140 --> 00:36:10,110

cited an absolutely massive mothership

899

00:36:15,470 --> 00:36:12,150

that they described as two times the

900

00:36:18,230 --> 00:36:15,480

size of an aircraft carrier with saucers

901  
00:36:21,700 --> 00:36:18,240  
coming and going from it and playing

902  
00:36:25,930 --> 00:36:21,710  
cat-and-mouse with their airplane and

903  
00:36:28,370 --> 00:36:25,940  
this was all you know very thoroughly

904  
00:36:31,310 --> 00:36:28,380  
documented with interviews with the crew

905  
00:36:34,280 --> 00:36:31,320  
who made drawings they counted the whole

906  
00:36:35,270 --> 00:36:34,290  
thing there were radar returns some of

907  
00:36:37,610 --> 00:36:35,280  
this all happened with live

908  
00:36:39,920 --> 00:36:37,620  
communication that was released by the

909  
00:36:43,910 --> 00:36:39,930  
FAA to the general public if you wanted

910  
00:36:45,500 --> 00:36:43,920  
to order it so that was one of many many

911  
00:36:47,240 --> 00:36:45,510  
indication there have been abduction

912  
00:36:50,960 --> 00:36:47,250  
reports from Alaska

913  
00:36:55,040 --> 00:36:50,970

there was the mysterious disappearance

914

00:36:58,280 --> 00:36:55,050

of I think a u.s. senator whose plane

915

00:37:00,800 --> 00:36:58,290

was never found again and who's at least

916

00:37:03,230 --> 00:37:00,810

one of his sons now speaks at you from

917

00:37:05,240 --> 00:37:03,240

folk conferences senator Begich I think

918

00:37:06,740 --> 00:37:05,250

I have those facts right correct me Nick

919

00:37:08,720 --> 00:37:06,750

if I've got it wrong but it's the

920

00:37:12,080 --> 00:37:08,730

overlaps the overlap is everywhere to be

921

00:37:14,150 --> 00:37:12,090

found between the fiction that is sold

922

00:37:16,070 --> 00:37:14,160

to the public or a profit it's a

923

00:37:16,640 --> 00:37:16,080

commercial enterprise it's science

924

00:37:18,890 --> 00:37:16,650

fiction

925

00:37:21,980 --> 00:37:18,900

business of billions of dollars a year

926  
00:37:24,950 --> 00:37:21,990  
and it's one of America's biggest

927  
00:37:26,930 --> 00:37:24,960  
exports to the world so as many of our

928  
00:37:28,640 --> 00:37:26,940  
cars to the rest of the world now as we

929  
00:37:31,609 --> 00:37:28,650  
do our science fiction films look at

930  
00:37:33,470 --> 00:37:31,619  
Avatar if you know I passed 2 billion

931  
00:37:35,299 --> 00:37:33,480  
dollars of worldwide growth in just a

932  
00:37:37,130 --> 00:37:35,309  
couple of months since its release as a

933  
00:37:39,319 --> 00:37:37,140  
filmmaker I look at film like Avatar and

934  
00:37:42,019 --> 00:37:39,329  
say I'll take point five percent of

935  
00:37:44,150 --> 00:37:42,029  
their worldwide gross oh well point

936  
00:37:52,809 --> 00:37:44,160  
don't be greedy point zero zero zero

937  
00:37:55,279 --> 00:37:52,819  
five point zero zero two I'll take that

938  
00:37:59,170 --> 00:37:55,289

attorney talk about that again but since

939

00:38:01,579 --> 00:37:59,180

I don't know an avatar I only own a

940

00:38:05,569 --> 00:38:01,589

science fiction documentary known as the

941

00:38:07,670 --> 00:38:05,579

sci-fi boys which explored the origins

942

00:38:09,980 --> 00:38:07,680

of movie science fiction through

943

00:38:11,750 --> 00:38:09,990

interviews with many of the top people

944

00:38:15,589 --> 00:38:11,760

in the field Academy Award winners and

945

00:38:18,470 --> 00:38:15,599

also in part took a look at Hollywood's

946

00:38:20,029 --> 00:38:18,480

portrayal of aliens and that part of the

947

00:38:21,980 --> 00:38:20,039

film was serious enough that the film

948

00:38:25,039 --> 00:38:21,990

was honored with one of the ebee

949

00:38:29,150 --> 00:38:25,049

Awards at the International UFO Congress

950

00:38:30,500 --> 00:38:29,160

and that stands for extraterrestrial

951  
00:38:33,109 --> 00:38:30,510  
biological entity

952  
00:38:35,240 --> 00:38:33,119  
Paul Kimball I think I know you've

953  
00:38:39,049 --> 00:38:35,250  
entered your films there didn't you win

954  
00:38:42,019 --> 00:38:39,059  
one of those Eevee Ward's I have three

955  
00:38:44,329 --> 00:38:42,029  
in fact all the to display at the Aztec

956  
00:38:46,039 --> 00:38:44,339  
city library in Stech New Mexico but I

957  
00:38:48,109 --> 00:38:46,049  
have one staring at me right now they're

958  
00:38:50,569 --> 00:38:48,119  
they're quite cute you you handed it to

959  
00:38:52,279 --> 00:38:50,579  
me actually you were the presenter and I

960  
00:38:57,410 --> 00:38:52,289  
was and I think that that one was that

961  
00:38:59,000 --> 00:38:57,420  
your film about the ten best cases we're

962  
00:39:02,029 --> 00:38:59,010  
talking about this in our sort of

963  
00:39:04,640 --> 00:39:02,039

preamble and the the question of gene

964

00:39:07,579 --> 00:39:04,650

race to me whether we should just leave

965

00:39:09,440 --> 00:39:07,589

all the old historical cases behind and

966

00:39:11,599 --> 00:39:09,450

concentrate more on investigating new

967

00:39:13,490 --> 00:39:11,609

cases and my answer to him especially

968

00:39:15,710 --> 00:39:13,500

having done a film called best evidence

969

00:39:17,420 --> 00:39:15,720

top 10 UFO sightings where basically

970

00:39:19,789 --> 00:39:17,430

you're dealing with historical cases is

971

00:39:22,670 --> 00:39:19,799

no there's still much that we can learn

972

00:39:24,440 --> 00:39:22,680

from not only how those cases were

973

00:39:26,690 --> 00:39:24,450

investigated mistakes made or not made

974

00:39:29,250 --> 00:39:26,700

but from the cases themselves there's

975

00:39:31,680 --> 00:39:29,260

still a raft of cases in the public

976  
00:39:32,940 --> 00:39:31,690  
domain from project Bluebook that people

977  
00:39:34,680 --> 00:39:32,950  
haven't looked at yet I mean they just

978  
00:39:37,080 --> 00:39:34,690  
haven't been gone through by UFO

979  
00:39:38,820 --> 00:39:37,090  
researchers so who knows what people are

980  
00:39:43,080 --> 00:39:38,830  
gonna find in there one of those cases

981  
00:39:44,670 --> 00:39:43,090  
the 1953 Kelly Johnson sighting that was

982  
00:39:48,300 --> 00:39:44,680  
in my film I think it was the number six

983  
00:39:50,910 --> 00:39:48,310  
ago Kentucky no is Kelly John Santa

984  
00:39:52,980 --> 00:39:50,920  
Barbara actually Kelly Johnson the

985  
00:39:55,410 --> 00:39:52,990  
designer of the u2 has five play in the

986  
00:39:58,050 --> 00:39:55,420  
sr-71 working for Lockheed at the time

987  
00:40:01,020 --> 00:39:58,060  
he saw a UFO from his porch with his

988  
00:40:03,960 --> 00:40:01,030

wife in Agoura California at the same

989

00:40:05,849 --> 00:40:03,970

time as a crew of his top test pilots as

990

00:40:07,920 --> 00:40:05,859

engineers were flying over Santa Barbara

991

00:40:09,390 --> 00:40:07,930

Channel and cited the exact same thing

992

00:40:12,120 --> 00:40:09,400

so they all kind of show up at work the

993

00:40:14,640 --> 00:40:12,130

next day and say hey guess what I saw

994

00:40:16,380 --> 00:40:14,650

yesterday what you see you know they

995

00:40:19,050 --> 00:40:16,390

realized they were looking at the exact

996

00:40:20,160 --> 00:40:19,060

same thing and the Air Force this is one

997

00:40:21,870 --> 00:40:20,170

of my favorite things the United States

998

00:40:23,609 --> 00:40:21,880

Air Force said their official

999

00:40:25,560 --> 00:40:23,619

explanation after they investigated it

1000

00:40:27,450 --> 00:40:25,570

was that these people saw a lenticular

1001

00:40:30,900 --> 00:40:27,460

cloud and one of their all-time

1002

00:40:32,130 --> 00:40:30,910

favorites and the narration in the film

1003

00:40:33,840 --> 00:40:32,140

says well you know any competent

1004

00:40:35,400 --> 00:40:33,850

government would have fired these people

1005

00:40:36,720 --> 00:40:35,410

immediately if they couldn't tell the

1006

00:40:39,030 --> 00:40:36,730

difference between a structured craft

1007

00:40:40,800 --> 00:40:39,040

and a lenticular cloud and there Kelly

1008

00:40:42,240 --> 00:40:40,810

Johnson went on designing some of the

1009

00:40:44,609 --> 00:40:42,250

most top-secret high-performance

1010

00:40:46,620 --> 00:40:44,619

aircraft in the history of the human

1011

00:40:49,890 --> 00:40:46,630

race in fact despite the fact that in

1012

00:40:52,140 --> 00:40:49,900

1953 it seen a UFO over Santa Barbara

1013

00:40:54,510 --> 00:40:52,150

Channel that's it that's it right there

1014

00:40:56,640 --> 00:40:54,520

if you see a lenticular cloud ladies and

1015

00:40:59,130 --> 00:40:56,650

gentlemen that qualifies you to do

1016

00:41:01,410 --> 00:40:59,140

really deep level scientific research

1017

00:41:03,930 --> 00:41:01,420

and engineering well yeah the truth is

1018

00:41:06,720 --> 00:41:03,940

lenticular clouds are often mistaken for

1019

00:41:10,020 --> 00:41:06,730

UFOs so it's it's not completely bogus

1020

00:41:11,550 --> 00:41:10,030

but the idea that Kelly Johnson and some

1021

00:41:12,900 --> 00:41:11,560

of his top personnel at a different

1022

00:41:14,520 --> 00:41:12,910

location seeing the same thing at the

1023

00:41:16,650 --> 00:41:14,530

same time all of whom saying it was

1024

00:41:19,410 --> 00:41:16,660

destructured craft would mistake that

1025

00:41:21,630 --> 00:41:19,420

for a lenticular cloud that doesn't just

1026

00:41:22,920 --> 00:41:21,640

beggar belief that is clearly an

1027

00:41:24,150 --> 00:41:22,930

explanation that the Air Force just

1028

00:41:25,260 --> 00:41:24,160

cooked up because they didn't want to

1029

00:41:27,510 --> 00:41:25,270

talk about it anymore

1030

00:41:30,030 --> 00:41:27,520

but Paul I going back to the Howard

1031

00:41:32,609 --> 00:41:30,040

Hawks film looking at these things

1032

00:41:34,230 --> 00:41:32,619

the Hawks film came out during the time

1033

00:41:36,630 --> 00:41:34,240

of the the House Committee on American

1034

00:41:39,120 --> 00:41:36,640

Activities the McCarthy McCarthy things

1035

00:41:41,490 --> 00:41:39,130

before that actually because I think

1036

00:41:42,810 --> 00:41:41,500

that I'm certain that the Hawks film was

1037

00:41:45,390 --> 00:41:42,820

1950 I

1038

00:41:47,340 --> 00:41:45,400

three years after Roswell I think about

1039

00:41:50,190 --> 00:41:47,350

American activities who it's about 1952

1040

00:41:51,840 --> 00:41:50,200

I think what I think it preceded the the

1041

00:41:53,850 --> 00:41:51,850

anti-communist sort of thing was

1042

00:41:56,040 --> 00:41:53,860

certainly going on in the latter years

1043

00:41:59,070 --> 00:41:56,050

of the Truman administration so whether

1044

00:42:00,840 --> 00:41:59,080

you are was actually underway House

1045

00:42:02,490 --> 00:42:00,850

Committee on American Activities I'll

1046

00:42:04,680 --> 00:42:02,500

check that on the break okay by the way

1047

00:42:06,720 --> 00:42:04,690

the official date from the Internet

1048

00:42:12,180 --> 00:42:06,730

Movie Database for the thing from

1049

00:42:14,640 --> 00:42:12,190

another world is 1951 in 1950 and even

1050

00:42:17,730 --> 00:42:14,650

earlier I suppose and the name was

1051  
00:42:23,010 --> 00:42:17,740  
played by marshal Dillon oh very nice

1052  
00:42:25,170 --> 00:42:23,020  
but isn't it possible the wasn't James

1053  
00:42:27,990 --> 00:42:25,180  
Arnett it was James Arness yes James

1054  
00:42:29,400 --> 00:42:28,000  
Arness played the thing and we consider

1055  
00:42:30,930 --> 00:42:29,410  
that in light of the death of his

1056  
00:42:32,850 --> 00:42:30,940  
younger brother Peter Graves from

1057  
00:42:34,410 --> 00:42:32,860  
Mission Impossible yeah that was his

1058  
00:42:36,960 --> 00:42:34,420  
first of all I think he didn't want to

1059  
00:42:38,430 --> 00:42:36,970  
be remembered to that role though yeah

1060  
00:42:41,340 --> 00:42:38,440  
just like Boris Karloff did what be

1061  
00:42:42,840 --> 00:42:41,350  
remembered for Frankenstein

1062  
00:42:45,480 --> 00:42:42,850  
my only thing about it would be that I

1063  
00:42:47,520 --> 00:42:45,490

think it came out around that time

1064

00:42:49,590 --> 00:42:47,530

certainly there was the anti-communist

1065

00:42:50,940 --> 00:42:49,600

hysteria hysteria a lot of the film

1066

00:42:52,230 --> 00:42:50,950

historians and people in the film

1067

00:42:54,360 --> 00:42:52,240

industry that I've talked to would look

1068

00:42:56,040 --> 00:42:54,370

at that film as being a metaphor that

1069

00:42:58,770 --> 00:42:56,050

science fiction often is for things that

1070

00:43:01,260 --> 00:42:58,780

are going on in our own world going back

1071

00:43:04,140 --> 00:43:01,270

to the Roswell case you could say yes

1072

00:43:06,270 --> 00:43:04,150

Roswell but you could probably say a

1073

00:43:08,160 --> 00:43:06,280

case a flat crashed flying saucer case

1074

00:43:11,370 --> 00:43:08,170

that was much more well known at that

1075

00:43:12,900 --> 00:43:11,380

time the Aztec case right that's a Frank

1076

00:43:14,460 --> 00:43:12,910

Scully's book which you know the rat

1077

00:43:17,070 --> 00:43:14,470

literally there was a book written on it

1078

00:43:19,080 --> 00:43:17,080

a lot of publicity about it it's

1079

00:43:21,960 --> 00:43:19,090

possible that a lot of people said that

1080

00:43:24,150 --> 00:43:21,970

that was a smokescreen for their aura

1081

00:43:28,290 --> 00:43:24,160

gradually did he specifically say Aztec

1082

00:43:29,880 --> 00:43:28,300

in in his book McCulloch it's been a

1083

00:43:34,590 --> 00:43:29,890

couple years since I've read the book

1084

00:43:44,470 --> 00:43:41,650

[Music]

1085

00:43:46,569 --> 00:43:44,480

fate magazine provides true reports of

1086

00:43:49,150 --> 00:43:46,579

the strange and unknown keep up with the

1087

00:43:52,299 --> 00:43:49,160

latest on angels and miracles psychic

1088

00:43:53,230 --> 00:43:52,309

phenomena ghosts UFOs life after death

1089

00:43:55,660 --> 00:43:53,240

and much much more

1090

00:43:58,299 --> 00:43:55,670

to receive your free issue of faith

1091

00:44:02,230 --> 00:43:58,309

magazine call now at one eight hundred

1092

00:44:05,999 --> 00:44:02,240

seven two eight two seven three zero or

1093

00:44:08,940 --> 00:44:06,009

visit their website at WWF at medCom

1094

00:44:17,529 --> 00:44:08,950

that's one eight hundred seven two eight

1095

00:44:20,230 --> 00:44:17,539

twenty seven thirty or WWF AEMA g.com

1096

00:44:25,910 --> 00:44:20,240

what are you waiting for your fate

1097

00:44:38,829 --> 00:44:32,310

[Music]

1098

00:44:41,650 --> 00:44:38,839

we have paul davids and we have Nicolas

1099

00:44:43,299 --> 00:44:41,660

Redfern and our NGO host is Paul Kimball

1100

00:44:46,029 --> 00:44:43,309

by the way the thing was originally

1101  
00:44:50,289 --> 00:44:46,039  
based on a novel or a short story rather

1102  
00:44:51,460 --> 00:44:50,299  
from john w campbell jr. very famous in

1103  
00:44:59,999 --> 00:44:51,470  
the science fiction fields an author

1104  
00:45:04,150 --> 00:45:02,469  
we're both things but we've never met

1105  
00:45:07,630 --> 00:45:04,160  
but we're both things from different

1106  
00:45:09,339 --> 00:45:07,640  
worlds let me ask you picking up on next

1107  
00:45:12,430 --> 00:45:09,349  
point and what Nick and I were talking

1108  
00:45:15,489 --> 00:45:12,440  
about the question of do you think that

1109  
00:45:17,620 --> 00:45:15,499  
the government or elements within the

1110  
00:45:21,579 --> 00:45:17,630  
government have used science fiction to

1111  
00:45:23,559 --> 00:45:21,589  
seed ideas about our assuming and as you

1112  
00:45:25,329 --> 00:45:23,569  
I think you know I'm an agnostic on the

1113  
00:45:28,349 --> 00:45:25,339

question of extraterrestrial visitation

1114

00:45:30,190 --> 00:45:28,359

I'm hopeful agnostic but assuming that

1115

00:45:31,299 --> 00:45:30,200

extraterrestrials are visiting here and

1116

00:45:34,569 --> 00:45:31,309

assuming that the government knows that

1117

00:45:35,799 --> 00:45:34,579

are they using do you think would it

1118

00:45:38,469 --> 00:45:35,809

make sense for them to use science

1119

00:45:41,140 --> 00:45:38,479

fiction as a way of seeding of preparing

1120

00:45:42,940 --> 00:45:41,150

the population for instance for the

1121

00:45:45,339 --> 00:45:42,950

eventual revelation that maybe we do

1122

00:45:48,640 --> 00:45:45,349

have friends from outer space that are

1123

00:45:50,289 --> 00:45:48,650

here and how might that tie-in to

1124

00:45:52,959 --> 00:45:50,299

something else that happened in the

1125

00:45:54,219 --> 00:45:52,969

early 1950s the Robertson panel where

1126

00:45:56,709 --> 00:45:54,229

they got together and said on the one

1127

00:45:59,309 --> 00:45:56,719

hand we need to debunk these UFO reports

1128

00:46:03,759 --> 00:45:59,319

but also talked about using the media to

1129

00:46:05,499 --> 00:46:03,769

control how you have the Walt Disney

1130

00:46:08,229 --> 00:46:05,509

Company of the company that might be out

1131

00:46:10,569 --> 00:46:08,239

Poland honking the idea those companies

1132

00:46:12,219 --> 00:46:10,579

also been helpful in spreading

1133

00:46:14,920 --> 00:46:12,229

information that maybe they wanted us

1134

00:46:15,969 --> 00:46:14,930

know in order to prepare us I'm just

1135

00:46:17,650 --> 00:46:15,979

wondering what your thoughts on that

1136

00:46:21,630 --> 00:46:17,660

might be I think that's probably true

1137

00:46:23,799 --> 00:46:21,640

that ideas have been seeded that very

1138

00:46:28,239 --> 00:46:23,809

enthusiastic people who have classified

1139

00:46:30,489 --> 00:46:28,249

information they're approached it as you

1140

00:46:32,799 --> 00:46:30,499

know in terms of fictions for people

1141

00:46:35,170 --> 00:46:32,809

within the Hollywood community or have

1142

00:46:38,469 --> 00:46:35,180

you know in some cases at least things

1143

00:46:41,140 --> 00:46:38,479

that had great repercussions we did take

1144

00:46:43,329 --> 00:46:41,150

the mg 12 documents for example now

1145

00:46:45,080 --> 00:46:43,339

without even needing to get into a

1146

00:46:48,740 --> 00:46:45,090

debate about whether

1147

00:46:52,070 --> 00:46:48,750

mj-12 is factual or whether it's fiction

1148

00:46:54,560 --> 00:46:52,080

the fact that that document was leaked

1149

00:47:02,260 --> 00:46:54,570

in about nineteen late 1980s

1150

00:47:05,180 --> 00:47:02,270

maybe 88 and anymore I think an 83

1151

00:47:08,359 --> 00:47:05,190

leaked in a way that certainly it had

1152

00:47:10,250 --> 00:47:08,369

every appearance of complete reality

1153

00:47:12,800 --> 00:47:10,260

about it and then the researchers took

1154

00:47:16,190 --> 00:47:12,810

it from there and some torn apart and

1155

00:47:17,690 --> 00:47:16,200

said it holds up it's true like someone

1156

00:47:20,060 --> 00:47:17,700

who is related to you Paul Kimball and

1157

00:47:23,690 --> 00:47:20,070

that would be Stan Freedman

1158

00:47:26,660 --> 00:47:23,700

yes and there's others who like chemin

1159

00:47:29,750 --> 00:47:26,670

Randall who dismissed it there's others

1160

00:47:31,760 --> 00:47:29,760

who felt that it was based on real

1161

00:47:33,740 --> 00:47:31,770

documents but it had been rewritten and

1162

00:47:35,839 --> 00:47:33,750

presented in a way that it could be

1163

00:47:37,240 --> 00:47:35,849

discredited but that it was real

1164

00:47:39,620 --> 00:47:37,250  
information being put out there

1165

00:47:41,990 --> 00:47:39,630  
regardless of whatever of those is true

1166

00:47:44,720 --> 00:47:42,000  
the fact that that document was leaked

1167

00:47:46,580 --> 00:47:44,730  
and there's circumstances where a lot of

1168

00:47:49,339 --> 00:47:46,590  
people believed it was true for a long

1169

00:47:52,070 --> 00:47:49,349  
time really influenced Hollywood in a

1170

00:47:52,730 --> 00:47:52,080  
major way and some examples would be the

1171

00:47:55,250 --> 00:47:52,740  
x-files

1172

00:47:58,010 --> 00:47:55,260  
the television series that was almost

1173

00:48:00,380 --> 00:47:58,020  
based on the mj-12 document the film

1174

00:48:03,609 --> 00:48:00,390  
that I was executive producer of and

1175

00:48:07,339 --> 00:48:03,619  
co-wrote called Roswell it came out in

1176

00:48:11,000 --> 00:48:07,349

1994 on Showtime and it presented the

1177

00:48:12,680 --> 00:48:11,010

Roswell case as as we felt the testimony

1178

00:48:15,260 --> 00:48:12,690

from the military people were there had

1179

00:48:17,660 --> 00:48:15,270

had presented it those who said that it

1180

00:48:20,800 --> 00:48:17,670

was really extraterrestrial contact

1181

00:48:24,680 --> 00:48:20,810

but the mj-12 documents influenced us

1182

00:48:26,870 --> 00:48:24,690

massively and the whole last part of

1183

00:48:31,010 --> 00:48:26,880

that film where when you have Martin

1184

00:48:34,070 --> 00:48:31,020

Sheen as an informant who might be a dis

1185

00:48:36,560 --> 00:48:34,080

Informant we don't know we never say he

1186

00:48:39,230 --> 00:48:36,570

tells some really interesting things he

1187

00:48:40,670 --> 00:48:39,240

might be spinning stories we never

1188

00:48:43,339 --> 00:48:40,680

answered that question for the viewer

1189

00:48:46,250 --> 00:48:43,349

but we use them as a as a tool as a

1190

00:48:50,000 --> 00:48:46,260

mouthpiece to get out the sort of

1191

00:48:52,510 --> 00:48:50,010

revised history of the last 50 years as

1192

00:48:56,230 --> 00:48:52,520

its presented in the mj-12 documents

1193

00:48:58,010 --> 00:48:56,240

namely that there was a crash at Roswell

1194

00:49:01,280 --> 00:48:58,020

extraterrestrial hardware

1195

00:49:03,920 --> 00:49:01,290

was recovered one of the aliens was

1196

00:49:07,190 --> 00:49:03,930

alive there was communication with that

1197

00:49:10,040 --> 00:49:07,200

alien that the the death of secretary

1198

00:49:11,990 --> 00:49:10,050

Forrestal was related to his knowledge

1199

00:49:14,660 --> 00:49:12,000

of these secrets that he was obliged to

1200

00:49:17,090 --> 00:49:14,670

keep and it goes on and on and on and on

1201

00:49:19,460 --> 00:49:17,100

and then it wasn't just our film but it

1202

00:49:23,110 --> 00:49:19,470

shows up again an Independence Day where

1203

00:49:26,840 --> 00:49:23,120

and then Steven Spielberg said taken and

1204

00:49:30,440 --> 00:49:26,850

dark skies I think also used this

1205

00:49:34,400 --> 00:49:30,450

material so one little document went a

1206

00:49:36,170 --> 00:49:34,410

long way to inspire Hollywood to take

1207

00:49:38,570 --> 00:49:36,180

the information and package it in a

1208

00:49:42,560 --> 00:49:38,580

commercial form and get it out there in

1209

00:49:44,270 --> 00:49:42,570

a way in which everyone in the in the

1210

00:49:46,910 --> 00:49:44,280

public yeah because familiar with it how

1211

00:49:49,310 --> 00:49:46,920

many people out there are there today do

1212

00:49:51,970 --> 00:49:49,320

you think who have never heard of area

1213

00:49:54,080 --> 00:49:51,980

51 wouldn't they be in the minority

1214

00:49:56,720 --> 00:49:54,090

certainly in North America they would

1215

00:49:58,760 --> 00:49:56,730

I'm pretty sure that you know Burundi

1216

00:50:02,090 --> 00:49:58,770

there might not be all that many people

1217

00:50:03,770 --> 00:50:02,100

who know very but the Western world I

1218

00:50:05,480 --> 00:50:03,780

think certainly in the english-speaking

1219

00:50:07,790 --> 00:50:05,490

Western world absolutely

1220

00:50:11,060 --> 00:50:07,800

but it's interesting I think you're

1221

00:50:12,860 --> 00:50:11,070

probably right that much of what we now

1222

00:50:14,450 --> 00:50:12,870

have say in science fiction in the last

1223

00:50:16,340 --> 00:50:14,460

20 years certainly the conspiracy

1224

00:50:19,700 --> 00:50:16,350

oriented stuff things like the x-files

1225

00:50:22,010 --> 00:50:19,710

which was massively influential can

1226

00:50:24,890 --> 00:50:22,020

trace if not directly to majestic 12

1227

00:50:27,140 --> 00:50:24,900

certainly to things like that they they

1228

00:50:28,730 --> 00:50:27,150

borrowed heavily from what was going on

1229

00:50:30,740 --> 00:50:28,740

in the real world whether the real you

1230

00:50:32,480 --> 00:50:30,750

know with us whether the real world was

1231

00:50:34,070 --> 00:50:32,490

actually real or not is largely

1232

00:50:36,920 --> 00:50:34,080

irrelevant to the question of did it

1233

00:50:39,620 --> 00:50:36,930

inspire the people in Hollywood or not

1234

00:50:41,120 --> 00:50:39,630

but it strikes me it's it's an

1235

00:50:44,240 --> 00:50:41,130

interesting it's interesting for two

1236

00:50:47,360 --> 00:50:44,250

reasons one it shows how fast a meme can

1237

00:50:49,340 --> 00:50:47,370

spread and influence things and two

1238

00:50:51,320 --> 00:50:49,350

you're left with the question of is the

1239

00:50:54,950 --> 00:50:51,330

tail wagging the dog or the dog wagging

1240

00:50:56,450 --> 00:50:54,960

the tail so his psyche are these things

1241

00:50:57,530 --> 00:50:56,460

really you're still left with the

1242

00:50:59,720 --> 00:50:57,540

question of whether these things are

1243

00:51:03,650 --> 00:50:59,730

real or not and that's that's what makes

1244

00:51:06,080 --> 00:51:03,660

it interesting to me I suppose - your

1245

00:51:07,640 --> 00:51:06,090

key question of what kinds of things

1246

00:51:09,680 --> 00:51:07,650

have influenced Hollywood to go in this

1247

00:51:11,300 --> 00:51:09,690

direction and again going back to the

1248

00:51:13,670 --> 00:51:11,310

1950s with someone who I

1249

00:51:16,820 --> 00:51:13,680

who I can talk about that would be

1250

00:51:21,470 --> 00:51:16,830

producer director George Powell who

1251  
00:51:23,900 --> 00:51:21,480  
directed will produced destination moon

1252  
00:51:27,860 --> 00:51:23,910  
and when worlds collide

1253  
00:51:32,000 --> 00:51:27,870  
the conquest of space and war the worlds

1254  
00:51:37,910 --> 00:51:32,010  
and you know he he got input from one of

1255  
00:51:40,640 --> 00:51:37,920  
our brown and will in LA I think that

1256  
00:51:43,130 --> 00:51:40,650  
with his war the worlds which had aliens

1257  
00:51:45,380 --> 00:51:43,140  
in it the other films I don't they

1258  
00:51:48,110 --> 00:51:45,390  
didn't show you the aliens although

1259  
00:51:49,700 --> 00:51:48,120  
certainly when worlds collide suggested

1260  
00:51:52,940 --> 00:51:49,710  
that there are other earth-like worlds

1261  
00:51:57,620 --> 00:51:52,950  
that we can get to and maybe they can

1262  
00:52:00,440 --> 00:51:57,630  
get to us but I've always been really

1263  
00:52:03,830 --> 00:52:00,450

intrigued by one little clue in George

1264

00:52:09,560 --> 00:52:03,840

pals 1953 movie War of the Worlds and

1265

00:52:12,770 --> 00:52:09,570

it's this in the film Jean Barry with

1266

00:52:16,910 --> 00:52:12,780

coastal star and Robinson they take

1267

00:52:21,100 --> 00:52:16,920

refuge in a farmhouse some isolated area

1268

00:52:25,250 --> 00:52:21,110

and one of the Martian saucers crashes

1269

00:52:27,170 --> 00:52:25,260

actually into that farmhouse and they

1270

00:52:28,700 --> 00:52:27,180

see one of the aliens who comes into the

1271

00:52:31,460 --> 00:52:28,710

farmhouse and they're absolutely

1272

00:52:35,600 --> 00:52:31,470

terrified they fly back to civilization

1273

00:52:39,410 --> 00:52:35,610

and report what happened and what they

1274

00:52:43,580 --> 00:52:39,420

say is that this saucer crashed into the

1275

00:52:46,820 --> 00:52:43,590

farmhouse happened in Kelowna now they

1276  
00:52:50,030 --> 00:52:46,830  
were referring to Corona California but

1277  
00:52:52,640 --> 00:52:50,040  
why would the scriptwriter and George

1278  
00:52:55,520 --> 00:52:52,650  
pal who had approval over that script

1279  
00:52:57,140 --> 00:52:55,530  
have slipped in that that incident

1280  
00:52:59,030 --> 00:52:57,150  
happened in Corona they could have named

1281  
00:53:01,580 --> 00:52:59,040  
anywhere in Southern California and

1282  
00:53:05,390 --> 00:53:01,590  
Corona of course is where the Roswell

1283  
00:53:08,300 --> 00:53:05,400  
incident happened Kelowna New Mexico so

1284  
00:53:09,680 --> 00:53:08,310  
ask yourself if that was deliberate you

1285  
00:53:11,540 --> 00:53:09,690  
know that that may give you the answer

1286  
00:53:13,430 --> 00:53:11,550  
to your whole question I think it was

1287  
00:53:15,170 --> 00:53:13,440  
even though the result Occident was

1288  
00:53:16,910 --> 00:53:15,180

buried at that point it had been killed

1289

00:53:18,920 --> 00:53:16,920

it was a few years later it was a

1290

00:53:21,230 --> 00:53:18,930

weather balloon you know no one was

1291

00:53:23,450 --> 00:53:21,240

talking about it then still it slips

1292

00:53:24,980 --> 00:53:23,460

into the movie that the flying saucer

1293

00:53:27,839 --> 00:53:24,990

the crashes into the farmhouses

1294

00:53:29,490 --> 00:53:27,849

that's that's assuming that you accept

1295

00:53:30,930 --> 00:53:29,500

that Corona is actually the crash point

1296

00:53:31,820 --> 00:53:30,940

for whatever happened to Roswell that

1297

00:53:34,830 --> 00:53:31,830

sans

1298

00:53:37,680 --> 00:53:34,840

place I know that other researchers like

1299

00:53:39,839 --> 00:53:37,690

that was that was even at the time it

1300

00:53:47,430 --> 00:53:39,849

was really really widely publicized the

1301  
00:53:48,990 --> 00:53:47,440  
Brazel ranch is Kelowna not Roswell it's

1302  
00:53:50,880 --> 00:53:49,000  
not really that's what I'm talking about

1303  
00:53:57,540 --> 00:53:50,890  
I'm talking about that what would

1304  
00:54:00,000 --> 00:53:57,550  
publicize of the time the Brazel ranch -

1305  
00:54:01,950 --> 00:54:00,010  
it's called road to hell that's the only

1306  
00:54:04,050 --> 00:54:01,960  
bar in town I've actually been there

1307  
00:54:06,660 --> 00:54:04,060  
very charming old man behind the counter

1308  
00:54:08,070 --> 00:54:06,670  
with a shotgun so well of course it

1309  
00:54:11,609 --> 00:54:08,080  
sounds like the place you kind of visit

1310  
00:54:13,770 --> 00:54:11,619  
I think thing is here is that wouldn't

1311  
00:54:16,980 --> 00:54:13,780  
it also be true that a scriptwriter is

1312  
00:54:18,540 --> 00:54:16,990  
gonna take pop culture and embed it into

1313  
00:54:20,609 --> 00:54:18,550

the films to make it seem more realistic

1314

00:54:22,800 --> 00:54:20,619

I mean obviously that's why an

1315

00:54:25,290 --> 00:54:22,810

independent state the aliens are evil

1316

00:54:28,109 --> 00:54:25,300

locusts who want to take us over but

1317

00:54:30,060 --> 00:54:28,119

they have area 51 they talk about

1318

00:54:32,160 --> 00:54:30,070

government secrecy and all this stuff

1319

00:54:34,589 --> 00:54:32,170

because they're trying to ground it and

1320

00:54:36,060 --> 00:54:34,599

a basis of fact before they go off in

1321

00:54:38,460 --> 00:54:36,070

fiction it doesn't necessarily have to

1322

00:54:40,050 --> 00:54:38,470

mean that it was inspired by fact not

1323

00:54:43,349 --> 00:54:40,060

ripped from the headlines as they say on

1324

00:54:45,870 --> 00:54:43,359

Law & Order yeah it incorporates what

1325

00:54:48,329 --> 00:54:45,880

was the popular culture at that time

1326

00:54:51,740 --> 00:54:48,339

which wasn't necessarily the popular

1327

00:54:53,970 --> 00:54:51,750

culture ten years before that because I

1328

00:54:57,180 --> 00:54:53,980

tell you when we were making the film

1329

00:54:59,820 --> 00:54:57,190

Roswell Showtime didn't want to seize

1330

00:55:02,790 --> 00:54:59,830

that title because they said it meant

1331

00:55:05,339 --> 00:55:02,800

nothing no one has heard of Roswell no

1332

00:55:07,020 --> 00:55:05,349

one knows what that means they don't you

1333

00:55:08,700 --> 00:55:07,030

know unless you live in New Mexico and

1334

00:55:10,260 --> 00:55:08,710

you've heard of the city people don't

1335

00:55:12,630 --> 00:55:10,270

know that city that was the argument

1336

00:55:14,160 --> 00:55:12,640

given and we were asked to come up with

1337

00:55:16,050 --> 00:55:14,170

some other title for it come up with a

1338

00:55:18,780 --> 00:55:16,060

list that they could choose for and then

1339

00:55:21,210 --> 00:55:18,790

finally you know we beat them down and

1340

00:55:24,089 --> 00:55:21,220

they they agreed to the title that we

1341

00:55:26,310 --> 00:55:24,099

wanted to just call it Roswell because

1342

00:55:29,010 --> 00:55:26,320

for me it's like if you were to just

1343

00:55:30,960 --> 00:55:29,020

call a forum Chernobyl you know it's a

1344

00:55:35,910 --> 00:55:30,970

place but it's a place that has become a

1345

00:55:38,190 --> 00:55:35,920

symbol for a specific issue and that's

1346

00:55:38,670 --> 00:55:38,200

what happened to the town of Roswell and

1347

00:55:41,130 --> 00:55:38,680

again when

1348

00:55:44,070 --> 00:55:41,140

talking to or false we're not talking

1349

00:55:46,560 --> 00:55:44,080

reality or illusion we're just talking

1350

00:55:48,450 --> 00:55:46,570

about what happened in terms of the

1351  
00:55:55,800 --> 00:55:48,460  
popular culture people hadn't heard of

1352  
00:55:57,990 --> 00:55:55,810  
it and then by 1995 I would say when the

1353  
00:56:02,840 --> 00:55:58,000  
Air Force was coming out with its

1354  
00:56:05,040 --> 00:56:02,850  
reports denying Roswell incident again

1355  
00:56:07,680 --> 00:56:05,050  
people did know you know there were

1356  
00:56:10,710 --> 00:56:07,690  
political cartoons about in the paper

1357  
00:56:12,960 --> 00:56:10,720  
and Clinton was commenting on it you

1358  
00:56:16,920 --> 00:56:12,970  
know why how did it how did it get to

1359  
00:56:20,040 --> 00:56:16,930  
that point with an incident that at

1360  
00:56:22,860 --> 00:56:20,050  
backstage it had happened you know 45

1361  
00:56:25,650 --> 00:56:22,870  
years ago you look at that get the

1362  
00:56:27,720 --> 00:56:25,660  
answer to that question and I think

1363  
00:56:30,150 --> 00:56:27,730

that's I think there's a lot of clues

1364

00:56:33,240 --> 00:56:30,160

there well and we'll talk a little later

1365

00:56:35,250 --> 00:56:33,250

about Body Snatchers in the desert and

1366

00:56:38,040 --> 00:56:35,260

well we'll go mano-a-mano paul davids

1367

00:56:44,460 --> 00:56:38,050

versus Nick Redfern what actually might

1368

00:56:48,210 --> 00:56:44,470

have happened boxing gloves by the way

1369

00:56:54,210 --> 00:56:48,220

Paul perfect papers have to sign to

1370

00:56:55,440 --> 00:56:54,220

resolve us of liability cover or cover

1371

00:56:58,050 --> 00:56:55,450

and duck depending your point of view

1372

00:56:59,760 --> 00:56:58,060

nice before you split for our number one

1373

00:57:01,500 --> 00:56:59,770

can you tell our listeners where to

1374

00:57:03,450 --> 00:57:01,510

learn more of the things you do and what

1375

00:57:08,850 --> 00:57:03,460

books you have out recently are coming

1376

00:57:11,130 --> 00:57:08,860

out in the near future these contactees

1377

00:57:13,650 --> 00:57:11,140

which is a study of the whole contactee

1378

00:57:16,740 --> 00:57:13,660

moment predominantly the 1950s people

1379

00:57:20,160 --> 00:57:16,750

like a damn ski pants hassle Daniel Frye

1380

00:57:21,630 --> 00:57:20,170

and addresses their claims and also the

1381

00:57:24,120 --> 00:57:21,640

various theories that have been put

1382

00:57:26,880 --> 00:57:24,130

forward to explain the the whole space

1383

00:57:29,130 --> 00:57:26,890

brother movement if you like so it's

1384

00:57:31,260 --> 00:57:29,140

very much like a historical look back at

1385

00:57:34,710 --> 00:57:31,270

the subject but you know trying to

1386

00:57:37,380 --> 00:57:34,720

update it in terms of understanding what

1387

00:57:39,750 --> 00:57:37,390

was going on the the differing theories

1388

00:57:42,120 --> 00:57:39,760

were they mating ritual aliens is it

1389

00:57:43,680 --> 00:57:42,130

possible that they were implanted in the

1390

00:57:46,380 --> 00:57:43,690

subject to try and make it look

1391

00:57:48,630 --> 00:57:46,390

ridiculous was it the government's you

1392

00:57:50,040 --> 00:57:48,640

know using these people all manner of

1393

00:57:52,230 --> 00:57:50,050

different theories I even into

1394

00:57:54,890 --> 00:57:52,240

interviewed Matt Thomas about his crypto

1395

00:57:58,560 --> 00:57:54,900

terrestrial theory about indigenous

1396

00:58:01,859 --> 00:57:58,570

humanoids rather an alien so surgically

1397

00:58:04,890 --> 00:58:01,869

it basically looks at you know the whole

1398

00:58:06,990 --> 00:58:04,900

range of things and I also have a new

1399

00:58:08,820 --> 00:58:07,000

book coming out with anomalous books in

1400

00:58:11,430 --> 00:58:08,830

a few months called final events which

1401

00:58:13,050 --> 00:58:11,440

actually deals with a like a think tank

1402

00:58:15,060 --> 00:58:13,060

organization in the Department of

1403

00:58:17,130 --> 00:58:15,070

Defense that looked at the UFO subject

1404

00:58:19,920 --> 00:58:17,140

for a number of years and actually

1405

00:58:22,200 --> 00:58:19,930

concluded that had nothing to do with

1406

00:58:24,150 --> 00:58:22,210

aliens but it was kind of like her like

1407

00:58:26,430 --> 00:58:24,160

a demonic deception that that was their

1408

00:58:28,380 --> 00:58:26,440

literal conclusion but many of them were

1409

00:58:30,390 --> 00:58:28,390

fundamentalist Christians so as I point

1410

00:58:32,700 --> 00:58:30,400

out in the book you know you have to

1411

00:58:35,940 --> 00:58:32,710

look at the issue of whether or not that

1412

00:58:38,070 --> 00:58:35,950

clouded or influenced their beliefs but

1413

00:58:39,660 --> 00:58:38,080

it's a very disturbing theory about a

1414

00:58:43,440 --> 00:58:39,670

group within the government that was

1415

00:58:45,599 --> 00:58:43,450

given extensive funding to look into the

1416

00:58:48,240 --> 00:58:45,609

idea that we're facing a final battle

1417

00:58:51,150 --> 00:58:48,250

and you know like Armageddon and that

1418

00:58:53,400 --> 00:58:51,160

these entities are spiritual you know a

1419

00:58:55,650 --> 00:58:53,410

deception if you like and it's a very

1420

00:58:55,980 --> 00:58:55,660

controversial and weird story a little

1421

00:58:57,359 --> 00:58:55,990

bit

1422

00:58:59,880 --> 00:58:57,369

by the way in eight months where can we

1423

00:59:02,490 --> 00:58:59,890

go in terms of your website let's Nick

1424

00:59:04,070 --> 00:59:02,500

Redfern calm people can learn about you

1425

00:59:06,960 --> 00:59:04,080

know what I'm up to lectures conferences

1426

00:59:08,579 --> 00:59:06,970

latest news interviews I've done with

1427

00:59:10,920 --> 00:59:08,589

people that sort of thing and we'll

1428

00:59:14,790 --> 00:59:10,930

discuss where to find paul davids if you

1429

00:59:18,420 --> 00:59:14,800

need him but happily yes that would be

1430

00:59:20,700 --> 00:59:18,430

paul davids dot-com and it's not Davis

1431

00:59:24,570 --> 00:59:20,710

it has another D in there it's david

1432

00:59:28,410 --> 00:59:24,580

thoreau paul davids comm also i made a

1433

00:59:32,760 --> 00:59:28,420

film called jesus in india that has

1434

00:59:35,070 --> 00:59:32,770

received a lot of notoriety and i direct

1435

00:59:37,380 --> 00:59:35,080

your listeners to the website to find

1436

00:59:41,040 --> 00:59:37,390

out about that controversy and that's

1437

00:59:42,740 --> 00:59:41,050

Jesus in India the movie.com I want to

1438

00:59:45,870 --> 00:59:42,750

ask you about that in the second segment

1439

00:59:48,240 --> 00:59:45,880

talk about that a little bit paul davids

1440

00:59:50,370 --> 00:59:48,250

Nicholas Redfern was co-host Paul Kimbo

1441

00:59:57,670 --> 00:59:50,380

coming up on the other side of the power

1442

01:00:02,839 --> 01:00:00,230

[Music]

1443

01:00:05,599 --> 01:00:02,849

hey neighbors would you like to see the

1444

01:00:07,310 --> 01:00:05,609

power cast live long and prosper well if

1445

01:00:09,650 --> 01:00:07,320

you know of anyone who wants to

1446

01:00:11,810 --> 01:00:09,660

advertise their products or services on

1447

01:00:14,390 --> 01:00:11,820

the power cast have them contact us

1448

01:00:16,820 --> 01:00:14,400

directly tell them to write to sales and

1449

01:00:20,240 --> 01:00:16,830

act the power cast comm vex

1450

01:00:23,120 --> 01:00:20,250

sales at the para cast come and we also

1451

01:00:25,060 --> 01:00:23,130

accept your donations by paypal send

1452

01:00:29,030 --> 01:00:25,070

your PayPal donation to the same address

1453

01:00:31,550 --> 01:00:29,040

sales at Lapera cast calm and sales at

1454

01:00:32,120 --> 01:00:31,560

the power cast calm and thanks for

1455

01:00:34,280 --> 01:00:32,130

listening

1456

01:00:40,320 --> 01:00:34,290

welcome back to the park house with Jean

1457

01:00:45,540 --> 01:00:42,960

part two of the power cast featuring our

1458

01:00:49,860 --> 01:00:45,550

co-host Paul Campbell introducing paul

1459

01:00:51,540 --> 01:00:49,870

dauids to our show filmmaker and science

1460

01:00:53,970 --> 01:00:51,550

fiction writers written some stuff for

1461

01:00:55,950 --> 01:00:53,980

Lucas featuring Star Wars characters

1462

01:00:58,590 --> 01:00:55,960

check him out I guess the Amazon books

1463

01:01:02,010 --> 01:00:58,600

will find those books yes okay i

1464

01:01:05,040 --> 01:01:02,020

co-wrote with my wife six Star Wars

1465

01:01:07,860 --> 01:01:05,050

sequel novels and they were published

1466

01:01:10,020 --> 01:01:07,870

first by Bantam and then Barnes novel

1467

01:01:11,310 --> 01:01:10,030

put out a hardback edition but we

1468

01:01:15,750 --> 01:01:11,320

started with the glove of Darth Vader

1469

01:01:18,780 --> 01:01:15,760

and the lost city of the Jedi and on and

1470

01:01:21,060 --> 01:01:18,790

on up to profits of the darkside that

1471

01:01:22,950 --> 01:01:21,070

was in the early 90s and and they were

1472

01:01:24,300 --> 01:01:22,960

you know very very popular Lucasfilm

1473

01:01:26,820 --> 01:01:24,310

spotted them

1474

01:01:28,470 --> 01:01:26,830

hey you can mess with that Nicholas

1475

01:01:30,390 --> 01:01:28,480

Redfern of court software of a number of

1476

01:01:32,760 --> 01:01:30,400

books about UFOs and the paranormal and

1477

01:01:34,470 --> 01:01:32,770

we've been talking about the

1478

01:01:36,510 --> 01:01:34,480

relationship between science fiction and

1479

01:01:40,070 --> 01:01:36,520

the paranormal maybe some of those

1480

01:01:43,680 --> 01:01:40,080

science fiction works have to some part

1481

01:01:45,630 --> 01:01:43,690

influenced or we're influenced by real

1482

01:01:47,700 --> 01:01:45,640

mysteries Paul you were about to start

1483

01:01:53,100 --> 01:01:47,710

with a question going back to your book

1484

01:01:55,140 --> 01:01:53,110

science fiction secrets introduction but

1485

01:01:59,400 --> 01:01:55,150

I do love it where it says then let Nick

1486

01:02:03,030 --> 01:01:59,410

Medford heat and serve patrick deserves

1487

01:02:05,100 --> 01:02:03,040

a gold you one of the things that it

1488

01:02:06,480 --> 01:02:05,110

talks about on your blurb is because we

1489

01:02:09,660 --> 01:02:06,490

were talking about the x-files and how

1490

01:02:12,510 --> 01:02:09,670

hugely influential it was in the 1990s

1491

01:02:13,260 --> 01:02:12,520

how did the x-files spin-off series the

1492

01:02:15,930 --> 01:02:13,270

Lone Gunmen

1493

01:02:18,390 --> 01:02:15,940

which was somewhat less successful and

1494

01:02:21,270 --> 01:02:18,400

influence till you read how did that

1495

01:02:24,420 --> 01:02:21,280

series anticipate months in advance the

1496

01:02:25,890 --> 01:02:24,430

terrible tragedy of 9/11 how didn't talk

1497

01:02:27,630 --> 01:02:25,900

a bit about that and what the links

1498

01:02:29,810 --> 01:02:27,640

there might be this is sort of a very

1499

01:02:32,610 --> 01:02:29,820

weird story you know you don't have to

1500

01:02:35,550 --> 01:02:32,620

subscribe as a no you don't to you know

1501

01:02:38,820 --> 01:02:35,560

any conspiracy theories concerning 9/11

1502

01:02:42,030 --> 01:02:38,830

to to realize that it is a very weird

1503

01:02:45,210 --> 01:02:42,040

story what happened was that in in the

1504

01:02:47,850 --> 01:02:45,220

x-files the modern skull would often get

1505

01:02:50,910 --> 01:02:47,860

help from these three guys known as the

1506

01:02:52,980 --> 01:02:50,920

lone gunman and there were Flo Hickey

1507

01:02:53,520 --> 01:02:52,990

Byers and Langley they've got this sort

1508

01:02:55,860 --> 01:02:53,530

of

1509

01:02:58,290 --> 01:02:55,870

geek like trio that would you know but

1510

01:03:00,210 --> 01:02:58,300

full-on conspiracy theorists and you

1511

01:03:03,270 --> 01:03:00,220

know such was their sort of I guess

1512

01:03:04,650 --> 01:03:03,280

appeal in the show that they they got

1513

01:03:06,300 --> 01:03:04,660

the ultimate accolade which was like

1514

01:03:09,150 --> 01:03:06,310

their own series which only

1515

01:03:12,090 --> 01:03:09,160

unfortunately lasted for one series and

1516

01:03:15,450 --> 01:03:12,100

it began it started on March the 4th

1517

01:03:18,360 --> 01:03:15,460

2001 that's when the first episode aired

1518

01:03:21,270 --> 01:03:18,370

now what was interesting about the first

1519

01:03:23,940 --> 01:03:21,280

episode is that it deals with

1520

01:03:28,230 --> 01:03:23,950

an attempt or an actual hijacking of a

1521

01:03:31,680 --> 01:03:28,240

Boeing 727 passenger aircraft which is

1522

01:03:34,950 --> 01:03:31,690

actually hijacked electronically via a

1523

01:03:38,160 --> 01:03:34,960

computer hacker and the plan is to fly

1524

01:03:41,190 --> 01:03:38,170

the 727 into one of the World Trade

1525

01:03:43,380 --> 01:03:41,200

Centers and blame it on a middle-eastern

1526

01:03:46,500 --> 01:03:43,390

dictator who to quote the episode he's

1527

01:03:48,480 --> 01:03:46,510

begging to be smart bombed now in the

1528

01:03:50,460 --> 01:03:48,490

program of course of the last minutes as

1529

01:03:52,590 --> 01:03:50,470

you might expect the lone gunman managed

1530

01:03:55,350 --> 01:03:52,600

to hack into the computer hacker system

1531

01:03:58,470 --> 01:03:55,360

and divert the plane away from the World

1532

01:04:00,270 --> 01:03:58,480

Trade Center rather ironically somewhere

1533

01:04:02,960 --> 01:04:00,280

W is a couple of times already but the

1534

01:04:05,160 --> 01:04:02,970

when they were filming the episode the

1535

01:04:06,840 --> 01:04:05,170

the producers of a show actually had

1536

01:04:08,880 --> 01:04:06,850

permission to use a helicopter to fly

1537

01:04:10,440 --> 01:04:08,890

over Manhattan directly towards the

1538

01:04:14,040 --> 01:04:10,450

World Trade Center to get background

1539

01:04:16,970 --> 01:04:14,050

footage for that particular episode you

1540

01:04:19,860 --> 01:04:16,980

know so you have this scenario of

1541

01:04:22,410 --> 01:04:19,870

somebody basically the story it's like a

1542

01:04:23,760 --> 01:04:22,420

cabal within the US government who want

1543

01:04:25,440 --> 01:04:23,770

to invade the Middle East and one

1544

01:04:29,010 --> 01:04:25,450

justification for doing it so they

1545

01:04:30,720 --> 01:04:29,020

decide to hijack a plane and fly it into

1546

01:04:33,210 --> 01:04:30,730

the World Trade Center which of course

1547

01:04:37,020 --> 01:04:33,220

you know he's a scenario that's been

1548

01:04:39,840 --> 01:04:37,030

presented as an allegedly real scenario

1549

01:04:41,370 --> 01:04:39,850

for the events of 9/11 now as I say you

1550

01:04:43,380 --> 01:04:41,380

don't need to subscribe to those

1551  
01:04:45,840 --> 01:04:43,390  
conspiracy theories to realize that it's

1552  
01:04:48,470 --> 01:04:45,850  
sort of bizarre that only six more six

1553  
01:04:52,980 --> 01:04:48,480  
months before 9/11 occur a television

1554  
01:04:56,610 --> 01:04:52,990  
sci-fi drama presented that entire

1555  
01:04:59,720 --> 01:04:56,620  
scenario and what I find interesting is

1556  
01:05:02,220 --> 01:04:59,730  
you know that the very fact that's in

1557  
01:05:05,370 --> 01:05:02,230  
mainstream documentaries TV show

1558  
01:05:07,089 --> 01:05:05,380  
discussions etc about the events of 9/11

1559  
01:05:08,799 --> 01:05:07,099  
the lone gunman at

1560  
01:05:10,630 --> 01:05:08,809  
so that was an Amber series along

1561  
01:05:12,819 --> 01:05:10,640  
Goodman it never actually gets brought

1562  
01:05:14,680 --> 01:05:12,829  
up now you might think that well people

1563  
01:05:17,579 --> 01:05:14,690

think it's gumming it down to bring that

1564

01:05:20,680 --> 01:05:17,589

into it but on the other hand the sheer

1565

01:05:22,479 --> 01:05:20,690

uncanny parallels as I said you don't

1566

01:05:25,200 --> 01:05:22,489

have to subscribe to the sheer uncanny

1567

01:05:27,910 --> 01:05:25,210

parallels between what did happen and

1568

01:05:30,400 --> 01:05:27,920

what was presented in the show six

1569

01:05:32,859 --> 01:05:30,410

months before 9/11 happened you know

1570

01:05:35,710 --> 01:05:32,869

he's worthy of comment at the very least

1571

01:05:37,180 --> 01:05:35,720

I would say that a couple of the

1572

01:05:39,940 --> 01:05:37,190

takeaway from that is a couple of things

1573

01:05:40,839 --> 01:05:39,950

one if we ever catch Osama bin Laden we

1574

01:05:43,029 --> 01:05:40,849

should take a look at this video

1575

01:05:45,309 --> 01:05:43,039

collection to see if he yes you know the

1576

01:05:47,019 --> 01:05:45,319

lone gunman box said we might want to

1577

01:06:01,660 --> 01:05:47,029

see if Dick Cheney has the lone gunman

1578

01:06:03,339 --> 01:06:01,670

box set for commercial reasons I think

1579

01:06:05,349 --> 01:06:03,349

it ran for maybe ten or twelve episodes

1580

01:06:07,029 --> 01:06:05,359

but I suppose the third thing we should

1581

01:06:08,890 --> 01:06:07,039

take away from it is maybe you should

1582

01:06:11,549 --> 01:06:08,900

hire the writers from the lone gunman in

1583

01:06:13,329 --> 01:06:11,559

CIA and the FBI should hire them because

1584

01:06:15,609 --> 01:06:13,339

shouldn't those be the kinds of things

1585

01:06:16,989 --> 01:06:15,619

that the security agency agency should

1586

01:06:18,339 --> 01:06:16,999

be coming up with his scenarios and

1587

01:06:19,690 --> 01:06:18,349

saying hey we should we should figure

1588

01:06:23,049 --> 01:06:19,700

out a plan to deal with this in case

1589

01:06:24,309 --> 01:06:23,059

something tries this besides fired not

1590

01:06:26,769 --> 01:06:24,319

that it's a subject we should joke about

1591

01:06:28,680 --> 01:06:26,779

but you know I think there are there is

1592

01:06:31,749 --> 01:06:28,690

evidence or there have been cases where

1593

01:06:34,299 --> 01:06:31,759

you know the intelligence agencies have

1594

01:06:37,029 --> 01:06:34,309

as I said been inspired by sci-fi

1595

01:06:40,450 --> 01:06:37,039

scenarios now it could be you know just

1596

01:06:42,219 --> 01:06:40,460

some horrible coincidence right but you

1597

01:06:44,529 --> 01:06:42,229

know when you talk in a joking sense

1598

01:06:47,559 --> 01:06:44,539

about who's got white in their video

1599

01:06:50,890 --> 01:06:47,569

collections who's to say anything in the

1600

01:06:52,809 --> 01:06:50,900

fictional world might inspire someone in

1601  
01:06:55,450 --> 01:06:52,819  
the real world you know we don't know

1602  
01:06:57,969 --> 01:06:55,460  
you know I I don't I do find it very

1603  
01:06:59,920 --> 01:06:57,979  
intriguing but the the very close

1604  
01:07:02,170 --> 01:06:59,930  
similarities between you know the two

1605  
01:07:05,829 --> 01:07:02,180  
scenarios conversely if you want to get

1606  
01:07:09,219 --> 01:07:05,839  
really conspiratorial you can imagine a

1607  
01:07:11,319 --> 01:07:09,229  
situation where someone on the inside is

1608  
01:07:14,079 --> 01:07:11,329  
hearing all kinds of different plots

1609  
01:07:16,539 --> 01:07:14,089  
that are being considered and is so

1610  
01:07:18,849 --> 01:07:16,549  
horrified by one himself that he leaks

1611  
01:07:20,690 --> 01:07:18,859  
it we were talking about leaking it to

1612  
01:07:22,400 --> 01:07:20,700  
people in Hollywood but deliberately

1613  
01:07:25,370 --> 01:07:22,410

lease it to a writer and says hey what

1614

01:07:28,490 --> 01:07:25,380

about this one - out the idea in hopes

1615

01:07:31,130 --> 01:07:28,500

of them making it impossible for

1616

01:07:32,960 --> 01:07:31,140

somebody to follow that path it's just

1617

01:07:34,420 --> 01:07:32,970

good well just the thought it's kind of

1618

01:07:37,190 --> 01:07:34,430

a reverse of what you were suggesting

1619

01:07:38,569 --> 01:07:37,200

yeah I mean what's interesting this

1620

01:07:41,870 --> 01:07:38,579

isn't directly connected with the lone

1621

01:07:46,160 --> 01:07:41,880

gunman but the lone gunman was a spinoff

1622

01:07:47,990 --> 01:07:46,170

from the x-files now I'm sure a lot of

1623

01:07:50,300 --> 01:07:48,000

people listen to this show love heard of

1624

01:07:52,849 --> 01:07:50,310

Richard Doty who was someone who was a

1625

01:07:55,040 --> 01:07:52,859

you know big player in the UFO scene

1626

01:07:59,060 --> 01:07:55,050

when he worked with the US Air Force in

1627

01:08:01,160 --> 01:07:59,070

the 1980s and Dulci actually wrote the

1628

01:08:02,870 --> 01:08:01,170

screenplay for one particular episode of

1629

01:08:06,200 --> 01:08:02,880

the x-files called the blessing way

1630

01:08:08,079 --> 01:08:06,210

which was aired in 1995 naturally also

1631

01:08:10,880 --> 01:08:08,089

appeared in two episodes one called

1632

01:08:13,819 --> 01:08:10,890

Anasazi another one called Paperclip so

1633

01:08:16,010 --> 01:08:13,829

you know the there are crossovers

1634

01:08:19,039 --> 01:08:16,020

between the UFO subject and the x-files

1635

01:08:21,740 --> 01:08:19,049

yes I didn't Dody actually wrote an

1636

01:08:25,400 --> 01:08:21,750

episode of the x-files I know I didn't

1637

01:08:27,440 --> 01:08:25,410

know that this is rather screenplay and

1638

01:08:31,070 --> 01:08:27,450

this is actually I'm quoting Greg

1639

01:08:34,010 --> 01:08:31,080

bishops project beta now Greg this is

1640

01:08:36,530 --> 01:08:34,020

Greg's actual words years after his AF

1641

01:08:38,420 --> 01:08:36,540

OSI involvement Doty's career reached an

1642

01:08:40,039 --> 01:08:38,430

apotheosis of sorts when he was actually

1643

01:08:42,499 --> 01:08:40,049

invited to become a consultant for the

1644

01:08:44,630 --> 01:08:42,509

x-files a position he said he held of 94

1645

01:08:46,430 --> 01:08:44,640

to 96 in time he also wrote the

1646

01:08:49,010 --> 01:08:46,440

screenplay for an episode the blessing

1647

01:08:51,440 --> 01:08:49,020

way which aired on September 22 1995

1648

01:08:53,690 --> 01:08:51,450

although producer Chris Carr to receive

1649

01:08:56,209 --> 01:08:53,700

writing credits though he also appeared

1650

01:08:58,999 --> 01:08:56,219

as an extra in two episodes Anasazi

1651

01:09:02,269 --> 01:08:59,009

which aired on May 19 1995 and

1652

01:09:04,490 --> 01:09:02,279

paperclips shown on September 29 of that

1653

01:09:05,840 --> 01:09:04,500

year he tried to write another but says

1654

01:09:08,059 --> 01:09:05,850

that it was killed by a government

1655

01:09:10,099 --> 01:09:08,069

agency that he was required to run

1656

01:09:12,620 --> 01:09:10,109

everything past before turning any of it

1657

01:09:15,620 --> 01:09:12,630

into production end of quote from Greg

1658

01:09:17,660 --> 01:09:15,630

so I'm quoting Greg's words on on what

1659

01:09:23,510 --> 01:09:17,670

he learns so basically if we have to

1660

01:09:25,309 --> 01:09:23,520

yell at somebody at spring just stress

1661

01:09:28,130 --> 01:09:25,319

that you know Greg did the research on

1662

01:09:29,479 --> 01:09:28,140

this but I find it interesting but the

1663

01:09:32,450 --> 01:09:29,489

world of the x-files

1664

01:09:34,039 --> 01:09:32,460

you know had this kind of turn fro back

1665

01:09:34,459 --> 01:09:34,049

and forth with the official world as

1666

01:09:36,769 --> 01:09:34,469

well

1667

01:09:39,050 --> 01:09:36,779

sandi longer just spinoff from the

1668

01:09:40,849 --> 01:09:39,060

x-files you know whenever any Richard

1669

01:09:42,439 --> 01:09:40,859

Doty story comes up I know you guys

1670

01:09:45,289 --> 01:09:42,449

can't see me right now but I can't help

1671

01:09:47,450 --> 01:09:45,299

but smile then it's it's not always a

1672

01:09:48,860 --> 01:09:47,460

good smile but you you know I would

1673

01:09:50,209 --> 01:09:48,870

check I would interview everybody

1674

01:09:52,579 --> 01:09:50,219

involved just to make sure that he

1675

01:09:54,170 --> 01:09:52,589

actually anything that he says he did he

1676

01:09:56,450 --> 01:09:54,180

actually did I'd want to see the embassy

1677

01:09:58,070 --> 01:09:56,460

where he walks across the screen before

1678

01:10:02,600 --> 01:09:58,080

I would believe that Richard Doty was

1679

01:10:04,550 --> 01:10:02,610

actually there one other thing Greg's

1680

01:10:06,320 --> 01:10:04,560

book in front of me hey you know when we

1681

01:10:07,700 --> 01:10:06,330

were sort of planning this episode I

1682

01:10:09,860 --> 01:10:07,710

thought I'll trying to get what I can

1683

01:10:12,380 --> 01:10:09,870

I've got project base in front of me and

1684

01:10:14,810 --> 01:10:12,390

you know I'm presuming that you know

1685

01:10:16,729 --> 01:10:14,820

checks are made you know that Greg can't

1686

01:10:20,959 --> 01:10:16,739

be trusted because he's a dissipation

1687

01:10:22,010 --> 01:10:20,969

himself so we all I suppose there's one

1688

01:10:24,650 --> 01:10:22,020

other thing I wanted to ask you about

1689

01:10:27,050 --> 01:10:24,660

Nick about your particular book in

1690

01:10:29,840 --> 01:10:27,060

particular the name that certainly would

1691

01:10:32,180 --> 01:10:29,850

be familiar to you gene and an old time

1692

01:10:34,040 --> 01:10:32,190

flying sorceress but should be probably

1693

01:10:35,870 --> 01:10:34,050

more familiar to people today and that's

1694

01:10:37,970 --> 01:10:35,880

Ray Palmer you've got a chapter on Ray

1695

01:10:39,860 --> 01:10:37,980

Palmer in your book right Nick perhaps

1696

01:10:42,560 --> 01:10:39,870

you can tie that in a bit but briefly

1697

01:10:44,209 --> 01:10:42,570

you know the idea the Palmer's the

1698

01:10:46,580 --> 01:10:44,219

shaver mystery all that sort of stuff

1699

01:10:49,400 --> 01:10:46,590

the Darrow's and how that ties into sort

1700

01:10:51,709 --> 01:10:49,410

of hesitant the crypto terrestrials and

1701

01:10:52,820 --> 01:10:51,719

and talk a bit about those stories

1702

01:10:56,830 --> 01:10:52,830

science fiction and how that might

1703

01:10:56,840 --> 01:11:00,340

[Music]

1704

01:11:06,709 --> 01:11:04,400

is there a secret UFO agenda to strange

1705

01:11:09,050 --> 01:11:06,719

creatures from the darkest corners of

1706

01:11:11,810 --> 01:11:09,060

the mind roam the earth is there

1707

01:11:15,170 --> 01:11:11,820

evidence for mind control time travel or

1708

01:11:16,790 --> 01:11:15,180

devious government conspiracies find out

1709

01:11:19,430 --> 01:11:16,800

the inside scoop on the latest

1710

01:11:22,040 --> 01:11:19,440

conspiracies paranormal activity and

1711

01:11:24,800 --> 01:11:22,050

important phenomena when you subscribe

1712

01:11:27,650 --> 01:11:24,810

to Tim Beckley's conspiracy girl it's

1713

01:11:30,290 --> 01:11:27,660

jam-packed with stories special book and

1714

01:11:32,570 --> 01:11:30,300

DVD promotions and the best news is

1715

01:11:35,570 --> 01:11:32,580

absolutely free sent right to your

1716

01:11:39,080 --> 01:11:35,580

mailbox plus a bonus free email

1717

01:11:40,940 --> 01:11:39,090

newsletter sent out every Friday simply

1718

01:11:45,440 --> 01:11:40,950

sent an email with your name and address

1719

01:11:50,300 --> 01:11:45,450

to Mister UFO at web TV dotnet that's

1720

01:11:55,840 --> 01:11:50,310

mr. UFO at web TV dotnet find out what

1721

01:12:00,310 --> 01:11:58,850

hi this is meet Pope you're listening to

1722

01:12:03,260 --> 01:12:00,320

the parrot talk

1723

01:12:05,300 --> 01:12:03,270

we have Nicolas Redfern and paul davids

1724

01:12:08,000 --> 01:12:05,310

and Paul Kimball is our special guest

1725

01:12:10,310 --> 01:12:08,010

toast and if anyone cares it's ages me

1726

01:12:11,270 --> 01:12:10,320

I knew Richard shaver very well I knew

1727

01:12:13,340 --> 01:12:11,280

Ray Palmer

1728

01:12:15,080 --> 01:12:13,350

not so well but I actually met him once

1729

01:12:17,720 --> 01:12:15,090

or twice talked to him on the phone

1730

01:12:19,790 --> 01:12:17,730

got him on radio shows where he was

1731

01:12:21,680 --> 01:12:19,800

interviewed on the subject was this was

1732

01:12:25,400 --> 01:12:21,690

the last few years before he died in the

1733

01:12:27,770 --> 01:12:25,410

1970s with that preamble Nicholas

1734

01:12:29,990 --> 01:12:27,780

Redfern and tell us about that already ,

1735

01:12:32,210 --> 01:12:30,000

he was actually born a hundred years ago

1736

01:12:34,610 --> 01:12:32,220

this year we had a when he was a child

1737

01:12:38,600 --> 01:12:34,620

he developed a deep interest in science

1738

01:12:41,030 --> 01:12:38,610

fiction and eventually became the editor

1739

01:12:43,400 --> 01:12:41,040

of amazing stories one of the one of the

1740

01:12:46,340 --> 01:12:43,410

more popular science fiction magazines

1741

01:12:50,060 --> 01:12:46,350

of the 1930s one of the things that

1742

01:12:52,490 --> 01:12:50,070

surfaced in the 1940s - Palmer from this

1743

01:12:55,970 --> 01:12:52,500

guy Richard shaver was like a series of

1744

01:12:59,750 --> 01:12:55,980

fantastic stories tales ramblings if you

1745

01:13:02,300 --> 01:12:59,760

like concerning an alleged highly

1746

01:13:04,940 --> 01:13:02,310

advanced but very ancient race of

1747

01:13:07,010 --> 01:13:04,950

indigenous humanoids that had gone

1748

01:13:08,960 --> 01:13:07,020

underground a long long time ago and

1749

01:13:11,060 --> 01:13:08,970

that lived amongst us and that surfaced

1750

01:13:12,710 --> 01:13:11,070

from time to time in other words you

1751

01:13:15,260 --> 01:13:12,720

know they they were sort of precursors

1752

01:13:16,850 --> 01:13:15,270

for the UFO phenomenon that he was sort

1753

01:13:18,910 --> 01:13:16,860

of perceiving is not being alien but

1754

01:13:22,220 --> 01:13:18,920

being evidence of a very ancient

1755

01:13:23,780 --> 01:13:22,230

terrestrial society that you know was

1756

01:13:26,780 --> 01:13:23,790

forced underground by this infestation

1757

01:13:29,450 --> 01:13:26,790

known as a human race and the the whole

1758

01:13:32,330 --> 01:13:29,460

shaver mystery I mean generated a

1759

01:13:35,300 --> 01:13:32,340

massive cult following literally massive

1760

01:13:35,840 --> 01:13:35,310

which to an extent still continues to

1761

01:13:39,380 --> 01:13:35,850

this day

1762

01:13:41,540 --> 01:13:39,390

now Palmer was someone who sort of

1763

01:13:43,370 --> 01:13:41,550

shifted effortlessly between the worlds

1764

01:13:46,250 --> 01:13:43,380

of science fiction and ufology because

1765

01:13:47,840 --> 01:13:46,260

he actually published in co-wrote none

1766

01:13:49,910 --> 01:13:47,850

other than Kenneth Arnold's book the

1767

01:13:52,490 --> 01:13:49,920

coming of the resources which talked

1768

01:13:55,490 --> 01:13:52,500

about Kenneth Arnold's flying saucer

1769

01:13:58,920 --> 01:13:55,500

sighting over mo crania to publish fate

1770

01:14:02,020 --> 01:13:58,930

magazine dimly yep on this fake magazine

1771

01:14:04,420 --> 01:14:02,030

created fate before Palmer dissolved the

1772

01:14:06,040 --> 01:14:04,430

relationship later on correct yes so in

1773

01:14:08,140 --> 01:14:06,050

other words you have this person who was

1774

01:14:10,810 --> 01:14:08,150

one of the most formative people within

1775

01:14:14,110 --> 01:14:10,820

science fiction in the 30s and 40s and

1776

01:14:16,240 --> 01:14:14,120

who arguably we may never have heard of

1777

01:14:19,390 --> 01:14:16,250

Kenneth Arnold sightings you know in

1778

01:14:20,200 --> 01:14:19,400

terms of its perpetuation had Palmer not

1779

01:14:22,720 --> 01:14:20,210

published

1780

01:14:26,380 --> 01:14:22,730

Arnold's book and actually got hold of

1781

01:14:28,450 --> 01:14:26,390

Karma's FBI file which talks about his

1782

01:14:30,580 --> 01:14:28,460

involvement in a very weird story that

1783

01:14:35,320 --> 01:14:30,590

of Maury island when some sort of UFO

1784

01:14:37,870 --> 01:14:35,330

allegedly at least exploded over Tacoma

1785

01:14:40,320 --> 01:14:37,880

Harbor Tacoma in Washington State in the

1786

01:14:43,570 --> 01:14:40,330

summer of 47 a very weird story

1787

01:14:45,340 --> 01:14:43,580

involving a man named Fred Chrisman who

1788

01:14:47,050 --> 01:14:45,350

was also linked to the Kennedy

1789

01:14:49,450 --> 01:14:47,060

assassination of all things years later

1790

01:14:53,080 --> 01:14:49,460

so in other words Palmer was someone who

1791

01:14:55,870 --> 01:14:53,090

moved in very weird circles now to kind

1792

01:14:58,930 --> 01:14:55,880

of sort of just quickly go on from there

1793

01:15:01,000 --> 01:14:58,940

Palmer was obviously someone who was was

1794

01:15:04,450 --> 01:15:01,010

linked with this crashed UFO story at

1795

01:15:07,630 --> 01:15:04,460

Tacoma which was I actually investigated

1796

01:15:10,690 --> 01:15:07,640

by Kenneth Arnold this was 47 in the

1797

01:15:13,510 --> 01:15:10,700

following year a British author named

1798

01:15:16,300 --> 01:15:13,520

Bernhard Newman published a novel in

1799

01:15:19,090 --> 01:15:16,310

1948 called the flying saucer which also

1800

01:15:20,650 --> 01:15:19,100

dealt with crashed UFOs Newman's book is

1801

01:15:23,410 --> 01:15:20,660

an interesting one because he had

1802

01:15:26,080 --> 01:15:23,420

numerous ties to the British government

1803

01:15:28,210 --> 01:15:26,090

and the world of intelligence and a lot

1804

01:15:30,010 --> 01:15:28,220

of people are bypassed or forgotten

1805

01:15:32,500 --> 01:15:30,020

about or just don't play know about

1806

01:15:36,520 --> 01:15:32,510

Vernon Newman's novel but in this

1807

01:15:38,740 --> 01:15:36,530

particular story what you have is again

1808

01:15:41,320 --> 01:15:38,750

like a cabal within the governments and

1809

01:15:43,420 --> 01:15:41,330

what they decide to do they stage three

1810

01:15:45,370 --> 01:15:43,430

UFO crashes they build what look like

1811

01:15:47,710 --> 01:15:45,380

advanced aircraft flying saucer type

1812

01:15:49,660 --> 01:15:47,720

devices they crashed one in Britain one

1813

01:15:52,720 --> 01:15:49,670

in Russia and one in New Mexico of all

1814

01:15:56,200 --> 01:15:52,730

places what they do they create faked

1815

01:15:58,750 --> 01:15:56,210

alien bodies by using body parts from

1816

01:16:01,210 --> 01:15:58,760

exotic animals and they even create a

1817

01:16:04,300 --> 01:16:01,220

staged alien autopsy to try and convince

1818

01:16:06,670 --> 01:16:04,310

the world that aliens have crashed and

1819

01:16:08,620 --> 01:16:06,680

the government has recovered them in

1820

01:16:11,470 --> 01:16:08,630

addition to that the alien presence

1821

01:16:12,010 --> 01:16:11,480

which is what they try and instilling in

1822

01:16:14,680 --> 01:16:12,020

the me

1823

01:16:17,170 --> 01:16:14,690

the public etc leads to the creation of

1824

01:16:19,780 --> 01:16:17,180

like a new world order which again is

1825

01:16:22,180 --> 01:16:19,790

something that is widely discussed again

1826

01:16:24,520 --> 01:16:22,190

some of the more extreme conspiracy

1827

01:16:26,260 --> 01:16:24,530

websites and chat rooms the idea that

1828

01:16:29,710 --> 01:16:26,270

there's going to be some sort of faked

1829

01:16:30,610 --> 01:16:29,720

alien invasion to create and lead to a

1830

01:16:33,130 --> 01:16:30,620

new world order

1831

01:16:34,690 --> 01:16:33,140

that's something but new and novel talks

1832

01:16:37,060 --> 01:16:34,700

about sixty years ago

1833

01:16:39,310 --> 01:16:37,070

in of all places New Mexico with an

1834

01:16:41,410 --> 01:16:39,320

alien autopsy film you know he was

1835

01:16:43,900 --> 01:16:41,420

someone who moved effortlessly again

1836

01:16:45,760 --> 01:16:43,910

between science fiction and the secret

1837

01:16:48,940 --> 01:16:45,770

world of officialdom in the same way

1838

01:16:51,280 --> 01:16:48,950

that Ray Palmer you know was involved in

1839

01:16:53,830 --> 01:16:51,290

sci-fi but then became the subject of an

1840

01:16:55,750 --> 01:16:53,840

FBI file because of this weird Maury

1841

01:16:57,700 --> 01:16:55,760

Island case and all in the same

1842

01:17:00,210 --> 01:16:57,710

timeframe and you know I have to wonder

1843

01:17:03,250 --> 01:17:00,220

if there was and you know some sort of

1844

01:17:05,140 --> 01:17:03,260

linkage in all this you know in these

1845

01:17:07,840 --> 01:17:05,150

early years so to speak the great thing

1846

01:17:10,180 --> 01:17:07,850

about Ray Palmer and I can't resist the

1847

01:17:13,660 --> 01:17:10,190

opportunity because it never comes out

1848

01:17:16,360 --> 01:17:13,670

but when comics changed from the Golden

1849

01:17:18,940 --> 01:17:16,370

Age that was prevalent in the 40s and

1850

01:17:20,320 --> 01:17:18,950

50s of superheroes to these sort of what

1851

01:17:22,240 --> 01:17:20,330

they call the Silver Age where they kind

1852

01:17:24,940 --> 01:17:22,250

of rewrote the biography of all the

1853

01:17:27,070 --> 01:17:24,950

superheroes one of my favorites of all

1854

01:17:29,320 --> 01:17:27,080

time is a superhero known as the atom

1855

01:17:32,200 --> 01:17:29,330

who can shrink himself to microscopic

1856

01:17:34,750 --> 01:17:32,210

subatomic size and his his name the

1857

01:17:37,060 --> 01:17:34,760

character's name is Ray Palmer when Gil

1858

01:17:39,130 --> 01:17:37,070

Kane and Gardner Fox were creating him

1859

01:17:41,530 --> 01:17:39,140

they named this character after Ray

1860

01:17:42,640 --> 01:17:41,540

Palmer and he discovers this material

1861

01:17:44,710 --> 01:17:42,650

that allows him to create he's a

1862

01:17:46,540 --> 01:17:44,720

physicist so he's a scientist and he

1863

01:17:48,550 --> 01:17:46,550

discovers this material that allows him

1864

01:17:51,490 --> 01:17:48,560

to create a belt that allows him to

1865

01:17:54,070 --> 01:17:51,500

shrink down while he's flunking in caves

1866

01:17:55,840 --> 01:17:54,080

under the earth so I there's a sort of

1867

01:17:58,360 --> 01:17:55,850

tie in there between science fiction and

1868

01:18:00,490 --> 01:17:58,370

the way comics were reinvented I'm sorry

1869

01:18:02,080 --> 01:18:00,500

I totally it's apropos of nothing but

1870

01:18:03,850 --> 01:18:02,090

the atom is one of my favorite comic

1871

01:18:06,670 --> 01:18:03,860

book characters so I thought I'd

1872

01:18:08,950 --> 01:18:06,680

mentioned that Paul I want to ask you

1873

01:18:11,230 --> 01:18:08,960

going back to the War of the Worlds not

1874

01:18:12,730 --> 01:18:11,240

the right Suisse remake but they written

1875

01:18:15,340 --> 01:18:12,740

not even the original film but going

1876

01:18:17,380 --> 01:18:15,350

back right to one of my heroes Orson

1877

01:18:19,360 --> 01:18:17,390

Welles and the radio drama right people

1878

01:18:21,760 --> 01:18:19,370

will often ask again let's work on the

1879

01:18:24,649 --> 01:18:21,770

assumption that that aliens are here and

1880

01:18:26,060 --> 01:18:24,659

the government is keeping it a secret

1881

01:18:27,590 --> 01:18:26,070

and then you come up with the why

1882

01:18:31,070 --> 01:18:27,600

question well why would the government

1883

01:18:34,100 --> 01:18:31,080

keep that a secret and do you think that

1884

01:18:36,830 --> 01:18:34,110

might have something to do with the

1885

01:18:39,590 --> 01:18:36,840

reaction that happened after orson

1886

01:18:41,540 --> 01:18:39,600

welles ran that radio play where there

1887

01:18:43,790 --> 01:18:41,550

was panic in the streets as it were

1888

01:18:46,459 --> 01:18:43,800

throughout parts of the United States

1889

01:18:48,680 --> 01:18:46,469

and talk a bit about that just the idea

1890

01:18:50,450 --> 01:18:48,690

that maybe we're not the people in

1891

01:18:52,399 --> 01:18:50,460

government would look and say we're not

1892

01:18:54,350 --> 01:18:52,409

ready for it we weren't ready for it

1893

01:18:56,060 --> 01:18:54,360

then and we're still not ready for it

1894

01:18:59,360 --> 01:18:56,070

now is that is that a possibility do

1895

01:19:02,360 --> 01:18:59,370

they still have that was an obvious

1896

01:19:04,790 --> 01:19:02,370

result of voice and well since 1938

1897

01:19:07,010 --> 01:19:04,800

radio broadcast I believe it was I

1898

01:19:09,500 --> 01:19:07,020

believe it was well 38 would have put

1899

01:19:11,750 --> 01:19:09,510

what 19 is before us or some was maybe

1900

01:19:15,110 --> 01:19:11,760

it was 37 does anybody know is that

1901

01:19:16,879 --> 01:19:15,120

about a decade before Roswell Orson

1902

01:19:19,939 --> 01:19:16,889

Welles scared the hell out of a lot of

1903

01:19:22,370 --> 01:19:19,949

people who turned in his war the world

1904

01:19:24,680 --> 01:19:22,380

broadcast in the middle and minute is

1905

01:19:27,080 --> 01:19:24,690

disclaimers beginning explaining that it

1906

01:19:33,080 --> 01:19:27,090

was you know that it was all just a

1907

01:19:34,820 --> 01:19:33,090

dramatization it was yeah and there were

1908

01:19:36,649 --> 01:19:34,830

reports of stuff panic as a matter of

1909

01:19:38,540 --> 01:19:36,659

fact there was a wonderful television

1910

01:19:40,250 --> 01:19:38,550

when we made absolutely terrific about

1911

01:19:42,709 --> 01:19:40,260

that called the make that panicked

1912

01:19:45,110 --> 01:19:42,719

America and if anybody can track that

1913

01:19:46,070 --> 01:19:45,120

day and I highly highly recommend that

1914

01:19:49,459 --> 01:19:46,080

picture it

1915

01:19:53,360 --> 01:19:49,469

people really conclusion to that that if

1916

01:19:56,330 --> 01:19:53,370

there ever were alien visitation or an

1917

01:19:58,370 --> 01:19:56,340

attack on any scale then it would cause

1918

01:20:01,280 --> 01:19:58,380

absolute bellows this people would be

1919

01:20:03,590 --> 01:20:01,290

stowed and what you know that's all very

1920

01:20:06,770 --> 01:20:03,600

very very old now we you know we've had

1921

01:20:09,080 --> 01:20:06,780

almost 17 years of acclamation since

1922

01:20:12,379 --> 01:20:09,090

then generations have gone by you know

1923

01:20:14,149 --> 01:20:12,389

kids growing up today you ask them and

1924

01:20:17,810 --> 01:20:14,159

they say oh everybody knows that there's

1925

01:20:20,330 --> 01:20:17,820

aliens well you know do that and for how

1926

01:20:22,879 --> 01:20:20,340

long is everybody and all kids know that

1927

01:20:24,950 --> 01:20:22,889

they're they assume the things I think

1928

01:20:26,750 --> 01:20:24,960

the fact that the idea that the

1929

01:20:29,330 --> 01:20:26,760

government is covering it up

1930

01:20:32,479 --> 01:20:29,340

it's beyond popular culture I mean is

1931

01:20:35,570 --> 01:20:32,489

the concept is just everywhere and of

1932

01:20:38,209 --> 01:20:35,580

course we've had some major authorities

1933

01:20:40,700 --> 01:20:38,219

people with experience and great

1934

01:20:43,370 --> 01:20:40,710

mutation tell us this is true absolutely

1935

01:20:45,470 --> 01:20:43,380

point-blank straight after talking and

1936

01:20:50,180 --> 01:20:45,480

that would include astronaut Gordon

1937

01:20:52,850 --> 01:20:50,190

Cooper of the mercury astronaut program

1938

01:20:54,500 --> 01:20:52,860

one of the first astronauts and of

1939

01:20:56,560 --> 01:20:54,510

course it includes Edgar Mitchell who

1940

01:20:59,870 --> 01:20:56,570

walked on the moon who is said

1941

01:21:03,350 --> 01:20:59,880

absolutely flat out Roswell was a case

1942

01:21:06,410 --> 01:21:03,360

of an extraterrestrial crash they did

1943

01:21:09,740 --> 01:21:06,420

recover hardware he has been briefed on

1944

01:21:11,840 --> 01:21:09,750

it at very high levels he says people

1945

01:21:14,180 --> 01:21:11,850

whose word he has every reason to be too

1946

01:21:17,209 --> 01:21:14,190

up to trust you have the same thing from

1947

01:21:20,360 --> 01:21:17,219

Paul Hellyer the defense minister former

1948

01:21:22,160 --> 01:21:20,370

defense minister of Canada who after not

1949

01:21:25,280 --> 01:21:22,170

having taken these issues seriously for

1950

01:21:27,410 --> 01:21:25,290

many many years found it all came to his

1951

01:21:31,250 --> 01:21:27,420

attention a way that made it not only

1952

01:21:33,200 --> 01:21:31,260

credible to him totally compelling said

1953

01:21:35,780 --> 01:21:33,210

the public had to be informed of course

1954

01:21:38,330 --> 01:21:35,790

there was also be the influence of

1955

01:21:41,180 --> 01:21:38,340

colonel philip courses book that will

1956

01:21:43,700 --> 01:21:41,190

co-written by bill burdens called the

1957

01:21:45,650 --> 01:21:43,710

day after rights law in which year you

1958

01:21:48,050 --> 01:21:45,660

may have lieutenant protocol of course

1959

01:21:51,350 --> 01:21:48,060

so someone with a publicly known history

1960

01:21:54,070 --> 01:21:51,360

from World War two who had an important

1961

01:21:57,260 --> 01:21:54,080

position in Italy after the war for

1962

01:22:01,580 --> 01:21:57,270

security for the Allies and securing

1963

01:22:03,520 --> 01:22:01,590

Italy and it was trusted by many by

1964

01:22:06,439 --> 01:22:03,530

senators such as from German

1965

01:22:09,800 --> 01:22:06,449

right-wingers who at the end of his life

1966

01:22:12,580 --> 01:22:09,810

in the last few years said flat-out this

1967

01:22:16,640 --> 01:22:12,590

is not fiction the aliens are here

1968

01:22:19,790 --> 01:22:16,650

Roswell was real it was extraterrestrial

1969

01:22:21,200 --> 01:22:19,800

then it has changed the world in the

1970

01:22:23,390 --> 01:22:21,210

discoveries that have been made as a

1971

01:22:26,750 --> 01:22:23,400

result of it because by telling you we

1972

01:22:28,370 --> 01:22:26,760

would have to have told our adversaries

1973

01:22:31,430 --> 01:22:28,380

so it was a secret

1974

01:22:32,540 --> 01:22:31,440

we kept from ourselves so with all of

1975

01:22:36,110 --> 01:22:32,550

these people

1976

01:22:38,630 --> 01:22:36,120

flat out setting it's a fact and with

1977

01:22:41,840 --> 01:22:38,640

popular culture stating it's a fact

1978

01:22:44,540 --> 01:22:41,850

you've got an enormous disconnect

1979

01:22:46,850 --> 01:22:44,550

between all of that that were bashed

1980

01:22:49,160 --> 01:22:46,860

with and on the other hand the kind of

1981

01:22:51,200 --> 01:22:49,170

political reaction where you know Bill

1982

01:22:51,960 --> 01:22:51,210

Clinton will go on our tape television

1983

01:22:54,450 --> 01:22:51,970

or radio talk

1984

01:22:56,310 --> 01:22:54,460

show and say doesn't think that they're

1985

01:22:58,620 --> 01:22:56,320

real yes

1986

01:23:01,200 --> 01:22:58,630

maybe they exist way out there in

1987

01:23:03,750 --> 01:23:01,210

another star system chances are they

1988

01:23:07,410 --> 01:23:03,760

probably do but we don't know of any way

1989

01:23:09,840 --> 01:23:07,420

they could get here from there and he

1990

01:23:12,180 --> 01:23:09,850

just something that's true well I just

1991

01:23:14,910 --> 01:23:12,190

don't think a full resident Clinton is

1992

01:23:17,550 --> 01:23:14,920

being honest on that it's interesting

1993

01:23:20,130 --> 01:23:17,560

you can get dragged down into the rabbit

1994

01:23:22,080 --> 01:23:20,140

hole of talking about all the that kind

1995

01:23:24,750 --> 01:23:22,090

of stuff that's a whole show in and of

1996

01:23:26,880 --> 01:23:24,760

itself I've written it as you know Paul

1997

01:23:27,960 --> 01:23:26,890

that I have a different view of some of

1998

01:23:30,660 --> 01:23:27,970

these people I've written extensively

1999

01:23:33,060 --> 01:23:30,670

about Paul Hellyer who while I don't

2000

01:23:35,640 --> 01:23:33,070

know personally I know quite well in its

2001  
01:23:38,250 --> 01:23:35,650  
history and and say it's interesting

2002  
01:23:39,600 --> 01:23:38,260  
because you get Corso without talking at

2003  
01:23:42,780 --> 01:23:39,610  
great length about course so it's worth

2004  
01:23:44,730 --> 01:23:42,790  
mentioning that most UFO researchers

2005  
01:23:47,490 --> 01:23:44,740  
including people like Kevin Randall and

2006  
01:23:49,170 --> 01:23:47,500  
Stan Freedman who absolutely support I

2007  
01:23:51,360 --> 01:23:49,180  
mean not only support their they were

2008  
01:23:53,280 --> 01:23:51,370  
the guys who drove the Roswell story for

2009  
01:23:55,200 --> 01:23:53,290  
so many years and soldier and they don't

2010  
01:23:57,480 --> 01:23:55,210  
believe they don't believe still of

2011  
01:23:59,520 --> 01:23:57,490  
course no they don't work or so say so

2012  
01:24:06,690 --> 01:23:59,530  
yeah well but they're those that feel

2013  
01:24:08,250 --> 01:24:06,700

that they are absolutely going into a

2014

01:24:10,260 --> 01:24:08,260

philip corso episode which is another

2015

01:24:11,970 --> 01:24:10,270

episode all on its own I'm just pointing

2016

01:24:14,310 --> 01:24:11,980

out that there is I'm not going to talk

2017

01:24:16,610 --> 01:24:14,320

about Mitchell or Cooper the astronauts

2018

01:24:19,560 --> 01:24:16,620

but particularly with Hellyer who is a

2019

01:24:21,720 --> 01:24:19,570

go to my blog and read my opinions on

2020

01:24:24,360 --> 01:24:21,730

how your and a whole bag of worms for me

2021

01:24:26,580 --> 01:24:24,370

it shouldn't come down to whether any

2022

01:24:27,960 --> 01:24:26,590

particular individual whether it's Paul

2023

01:24:29,580 --> 01:24:27,970

Hellyer and ger Mitchell or whatever

2024

01:24:31,260 --> 01:24:29,590

says something is true or something is

2025

01:24:34,950 --> 01:24:31,270

not true to me it always comes down to

2026

01:24:37,920 --> 01:24:34,960

the evidence and so is there are aliens

2027

01:24:39,990 --> 01:24:37,930

from Zeta Reticuli visiting us let's see

2028

01:24:41,430 --> 01:24:40,000

the evidence let's talk about let's keep

2029

01:24:43,260 --> 01:24:41,440

it in the realm of the evidence and not

2030

01:24:44,940 --> 01:24:43,270

whether somebody's looked at the

2031

01:24:46,530 --> 01:24:44,950

evidence that is there unless they've

2032

01:24:49,440 --> 01:24:46,540

actually looked at you know crash flying

2033

01:24:51,240 --> 01:24:49,450

saucers or something but let's let's

2034

01:24:52,860 --> 01:24:51,250

leave their opinions aside from it and

2035

01:24:54,960 --> 01:24:52,870

let's just look at the evidence let's

2036

01:24:56,640 --> 01:24:54,970

keep the people out of it there's a boat

2037

01:24:57,690 --> 01:24:56,650

you know then appeal to Authority if you

2038

01:24:59,610 --> 01:24:57,700

oh oh well so-and-so

2039

01:25:01,830 --> 01:24:59,620

says that it's real so it must be real

2040

01:25:03,989 --> 01:25:01,840

let's just all decide on our own whether

2041

01:25:08,009 --> 01:25:03,999

looking at the evidence objectively

2042

01:25:10,229 --> 01:25:08,019

conclusions we can draw from it disagree

2043

01:25:11,669 --> 01:25:10,239

with you I get it agree with you

2044

01:25:13,500 --> 01:25:11,679

absolutely disagree with you

2045

01:25:17,549 --> 01:25:13,510

particularly when it comes to men like

2046

01:25:22,379 --> 01:25:17,559

Gordon Cooper and Edgar Mitchell because

2047

01:25:26,160 --> 01:25:22,389

there has been so much ridicule and so

2048

01:25:29,279 --> 01:25:26,170

much at stake in any person with a

2049

01:25:31,859 --> 01:25:29,289

reputation of good reputation and

2050

01:25:32,850 --> 01:25:31,869

honorable reputation in this

2051

01:25:36,299 --> 01:25:32,860

establishment

2052

01:25:38,520 --> 01:25:36,309

coming forward the view that it is not

2053

01:25:41,910 --> 01:25:38,530

only unpopular but which has been

2054

01:25:45,149 --> 01:25:41,920

actively discredited and intentionally

2055

01:25:48,120 --> 01:25:45,159

discredited with a lot of work a lot of

2056

01:25:50,189 --> 01:25:48,130

money for 50 years or more going back to

2057

01:25:52,169 --> 01:25:50,199

the Robertson panel committee saying we

2058

01:25:55,140 --> 01:25:52,179

got it debunked this idea let's get help

2059

01:25:58,140 --> 01:25:55,150

from Hollywood to debunk it with all

2060

01:26:00,509 --> 01:25:58,150

that when you do have a person stature

2061

01:26:03,089 --> 01:26:00,519

to come forward and say you know what

2062

01:26:04,620 --> 01:26:03,099

you guys are being allowed to I've been

2063

01:26:09,919 --> 01:26:04,630

briefed I've been there I've been in

2064

01:26:12,719 --> 01:26:09,929

space I've made this my entire life and

2065

01:26:14,939 --> 01:26:12,729

I'm coming forward to tell you you're in

2066

01:26:17,879 --> 01:26:14,949

snooker that counts a whole lot more

2067

01:26:19,169 --> 01:26:17,889

than telling the general public all you

2068

01:26:21,779 --> 01:26:19,179

just go out there look at the evidence

2069

01:26:23,489 --> 01:26:21,789

and decide for yourself speaks what

2070

01:26:25,350 --> 01:26:23,499

evidence are you gonna look at I could

2071

01:26:28,049 --> 01:26:25,360

tell you what evidence to look at I

2072

01:26:30,689 --> 01:26:28,059

could take you know four hours to name a

2073

01:26:32,339 --> 01:26:30,699

lot more than the ten cases that you did

2074

01:26:34,350 --> 01:26:32,349

in your film which I applaud you for

2075

01:26:38,850 --> 01:26:34,360

which were all great cases which all

2076  
01:26:41,069 --> 01:26:38,860  
help make the case but no I mean we're

2077  
01:26:44,189 --> 01:26:41,079  
we're we're on different sides of this

2078  
01:26:47,580 --> 01:26:44,199  
question Paul uses an agnostic I'm

2079  
01:26:49,890 --> 01:26:47,590  
anything but an agnostic now I and I

2080  
01:26:52,979 --> 01:26:49,900  
feel that the government that has

2081  
01:26:56,069 --> 01:26:52,989  
withheld this that the bunka sub-jail

2082  
01:26:58,739 --> 01:26:56,079  
Italy that has ridiculed people that has

2083  
01:27:02,549 --> 01:26:58,749  
ruined reputations has a lot to answer

2084  
01:27:04,439 --> 01:27:02,559  
for what it's done well you know what

2085  
01:27:10,229 --> 01:27:04,449  
it's done in with home is what it's done

2086  
01:27:13,589 --> 01:27:10,239  
to to the human race and I don't know I

2087  
01:27:15,100 --> 01:27:13,599  
think I I I don't know how you get to be

2088  
01:27:18,970 --> 01:27:15,110

where you are right now I read all you

2089

01:27:20,680 --> 01:27:18,980

but I did see your film on the 10 best

2090

01:27:23,979 --> 01:27:20,690

cases which I thought was absolutely

2091

01:27:26,530 --> 01:27:23,989

compelling so what turns you into an

2092

01:27:34,030 --> 01:27:26,540

agnostic having been where you've been

2093

01:27:36,820 --> 01:27:34,040

and knowing which no reality to the UFO

2094

01:27:38,770 --> 01:27:36,830

phenomenon I don't see how anybody can

2095

01:27:41,530 --> 01:27:38,780

dispute that based on the evidence what

2096

01:27:44,260 --> 01:27:41,540

I'm a an agnostic about is the

2097

01:27:47,410 --> 01:27:44,270

explanation for what UFOs are are they

2098

01:27:49,479 --> 01:27:47,420

in fact visitors from other worlds are

2099

01:27:51,280 --> 01:27:49,489

they deduce from other dimensions can

2100

01:27:53,109 --> 01:27:51,290

they be explained it with proper

2101

01:27:55,780 --> 01:27:53,119

investigation can you take any

2102

01:27:58,780 --> 01:27:55,790

individual case and explain it the

2103

01:28:01,240 --> 01:27:58,790

problem is for me that it's the ETH and

2104

01:28:02,399 --> 01:28:01,250

I emphasize the age which is hypothesis

2105

01:28:06,490 --> 01:28:02,409

and I think it's perfectly valid

2106

01:28:08,500 --> 01:28:06,500

hypothesis but I'm not an ETF guy you

2107

01:28:10,209 --> 01:28:08,510

know F as in fact it's a proven fact

2108

01:28:12,100 --> 01:28:10,219

that yeah I can walk into a court of law

2109

01:28:13,689 --> 01:28:12,110

or into a scientific establishment and

2110

01:28:16,419 --> 01:28:13,699

say look here's the proof that I can

2111

01:28:18,790 --> 01:28:16,429

satisfy a jury of my peers if you will

2112

01:28:22,959 --> 01:28:18,800

and I just don't see that and I know

2113

01:28:25,180 --> 01:28:22,969

what the testimony of people witnesses

2114

01:28:26,649 --> 01:28:25,190

are bad enough I don't have a problem

2115

01:28:28,750 --> 01:28:26,659

with witness testimony but I know a lot

2116

01:28:31,120 --> 01:28:28,760

of people to do I would never hang my

2117

01:28:35,010 --> 01:28:31,130

hat on any particular case solely on

2118

01:28:38,260 --> 01:28:35,020

witness testimony the best witnesses of

2119

01:28:42,430 --> 01:28:38,270

children the case in Africa we're about

2120

01:28:45,970 --> 01:28:42,440

50 school kids reported seeing a flying

2121

01:28:50,020 --> 01:28:45,980

saucer come down land in their school

2122

01:28:54,040 --> 01:28:50,030

yard and they saw little men with big

2123

01:28:57,070 --> 01:28:54,050

eyes that were very scary to them case

2124

01:29:01,030 --> 01:28:57,080

was investigated by the late Harvard

2125

01:29:03,070 --> 01:29:01,040

professor John Mack there's video that's

2126  
01:29:04,479 --> 01:29:03,080  
been on television of the testimony of

2127  
01:29:09,250 --> 01:29:04,489  
the children as to what they saw

2128  
01:29:14,020 --> 01:29:09,260  
it is so compelling it you know if I had

2129  
01:29:15,970 --> 01:29:14,030  
one case one piece of film to show the

2130  
01:29:18,729 --> 01:29:15,980  
people to get the point across to them

2131  
01:29:23,080 --> 01:29:18,739  
that these things happen these

2132  
01:29:26,330 --> 01:29:23,090  
completely anomalous incidents of flying

2133  
01:29:30,649 --> 01:29:26,340  
craft piloted by beings who

2134  
01:29:32,750 --> 01:29:30,659  
are not human that it is real that it

2135  
01:29:34,669 --> 01:29:32,760  
really does happen that's the case I

2136  
01:29:37,669 --> 01:29:34,679  
would choose that that's the footage I

2137  
01:29:39,740 --> 01:29:37,679  
would put everywhere on the the Airways

2138  
01:29:43,839 --> 01:29:39,750

because the kids are completely

2139

01:29:46,700 --> 01:29:43,849

compelling they don't have motives they

2140

01:29:48,560 --> 01:29:46,710

they're not making anything up there you

2141

01:29:50,359 --> 01:29:48,570

can tell that they're telling from their

2142

01:29:53,419 --> 01:29:50,369

their real experience they were

2143

01:29:55,700 --> 01:29:53,429

terrified they saw what they saw so you

2144

01:29:57,680 --> 01:29:55,710

know the argument about ok well where

2145

01:30:00,530 --> 01:29:57,690

are they from and what are what you know

2146

01:30:02,000 --> 01:30:00,540

really what are they coming from are

2147

01:30:04,250 --> 01:30:02,010

they from another dimension are they

2148

01:30:06,320 --> 01:30:04,260

from the past of the future or are they

2149

01:30:07,790 --> 01:30:06,330

from this galaxy in another galaxy you

2150

01:30:10,990 --> 01:30:07,800

know nobody has the answers to those

2151  
01:30:14,209 --> 01:30:11,000  
questions nobody knows and you Paul have

2152  
01:30:18,890 --> 01:30:14,219  
admitted that the UFO phenomena is real

2153  
01:30:21,229 --> 01:30:18,900  
but it's real in the sense that advanced

2154  
01:30:24,040 --> 01:30:21,239  
in my opinion here this is my conclusion

2155  
01:30:27,790 --> 01:30:24,050  
from having been at this since 1987

2156  
01:30:30,530 --> 01:30:27,800  
there are real nuts and bolts craft

2157  
01:30:32,660 --> 01:30:30,540  
flying through the skies sometimes

2158  
01:30:37,070 --> 01:30:32,670  
coming up out of the water coming from

2159  
01:30:41,359 --> 01:30:37,080  
somewhere that are in some cases piloted

2160  
01:30:43,189 --> 01:30:41,369  
by intelligent non-human beings and as

2161  
01:30:46,070 --> 01:30:43,199  
soon as you've got that in your equation

2162  
01:30:48,890 --> 01:30:46,080  
as soon as you've gone there you're at a

2163  
01:30:51,859 --> 01:30:48,900

point of having to confess that the

2164

01:30:55,850 --> 01:30:51,869

human race is not alone as an

2165

01:30:59,240 --> 01:30:55,860

intelligent species that has access to

2166

01:31:01,040 --> 01:30:59,250

our planet it's no longer just the kind

2167

01:31:01,970 --> 01:31:01,050

of speculation of you know are there

2168

01:31:04,010 --> 01:31:01,980

life-forms

2169

01:31:06,470 --> 01:31:04,020

hundreds of light-years away in other

2170

01:31:08,240 --> 01:31:06,480

star systems and almost any scientist

2171

01:31:08,959 --> 01:31:08,250

will tell you statistically there's

2172

01:31:11,209 --> 01:31:08,969

gotta be

2173

01:31:13,430 --> 01:31:11,219

they don't believe they're visiting here

2174

01:31:15,530 --> 01:31:13,440

because our physics doesn't allow for it

2175

01:31:17,419 --> 01:31:15,540

it doesn't allow for faster than light

2176  
01:31:21,730 --> 01:31:17,429  
travel we can't imagine how they could

2177  
01:31:27,180 --> 01:31:24,200  
[Music]

2178  
01:31:29,279 --> 01:31:27,190  
hi this is Tamar from you Chi we're a

2179  
01:31:31,259 --> 01:31:29,289  
domain name and web hosting company and

2180  
01:31:33,270 --> 01:31:31,269  
we really care about our customers with

2181  
01:31:35,549 --> 01:31:33,280  
domain name purchases Namecheap offers

2182  
01:31:37,200 --> 01:31:35,559  
free SSL and three who is guard for a

2183  
01:31:39,000 --> 01:31:37,210  
year to protect your identity from

2184  
01:31:41,160 --> 01:31:39,010  
spammers we won't bother you with

2185  
01:31:43,169 --> 01:31:41,170  
unwanted messaging in your inbox or upon

2186  
01:31:44,819 --> 01:31:43,179  
checkout but most importantly we care

2187  
01:31:46,649 --> 01:31:44,829  
about you our customers your

2188  
01:31:48,750 --> 01:31:46,659

satisfaction and happiness is our

2189

01:31:50,520 --> 01:31:48,760

primary focus because your support means

2190

01:31:52,379 --> 01:31:50,530

so much to us if you'd like to learn

2191

01:31:54,870 --> 01:31:52,389

more please visit us at Radio

2192

01:31:57,270 --> 01:31:54,880

namecheap.com for web hosting and domain

2193

01:32:02,640 --> 01:31:57,280

name specials you can also follow us on

2194

01:32:05,069 --> 01:32:02,650

twitter at [twitter.com/zeromd](https://twitter.com/zeromd) bars on

2195

01:32:10,140 --> 01:32:05,079

facebook at [facebook.com slash Namecheap](https://facebook.com/Namecheap)

2196

01:32:12,089 --> 01:32:10,150

see you online we want to hear from you

2197

01:32:15,089 --> 01:32:12,099

if you have a comment or question about

2198

01:32:18,600 --> 01:32:15,099

the pair cast send it to News and the

2199

01:32:20,850 --> 01:32:18,610

podcast com that's news at the pear cast

2200

01:32:22,259 --> 01:32:20,860

calm and don't forget to visit our

2201

01:32:24,689 --> 01:32:22,269

forums where you can talk to fellow

2202

01:32:27,330 --> 01:32:24,699

listeners just go to the pear cast comm

2203

01:32:37,850 --> 01:32:27,340

and click on the forum links that's the

2204

01:32:42,540 --> 01:32:40,500

this is Philip rod know here listening

2205

01:32:45,180 --> 01:32:42,550

to paragraphs one of the most

2206

01:32:48,750 --> 01:32:45,190

informative shows out there so listen

2207

01:32:51,450 --> 01:32:48,760

closely Paul Campbell our co-hosts we

2208

01:32:53,870 --> 01:32:51,460

have paul davids science fiction author

2209

01:32:56,640 --> 01:32:53,880

and filmmaker and Nicholas Redfern

2210

01:32:59,100 --> 01:32:56,650

paranormal author and now Paul you're

2211

01:33:01,680 --> 01:32:59,110

gonna jump in Paul Kimball with both

2212

01:33:03,090 --> 01:33:01,690

feet to respond I was just gonna say

2213

01:33:04,710 --> 01:33:03,100

can't we all get along but that's a

2214

01:33:04,980 --> 01:33:04,720

particularly Canadian way of looking at

2215

01:33:07,380 --> 01:33:04,990

things

2216

01:33:08,820 --> 01:33:07,390

no I I agree with you on one thing Paul

2217

01:33:11,130 --> 01:33:08,830

and that would be that if you've reached

2218

01:33:13,410 --> 01:33:11,140

that conclusion as you have a stand has

2219

01:33:16,290 --> 01:33:13,420

as many other people have that that's

2220

01:33:18,150 --> 01:33:16,300

what you're dealing with then you're

2221

01:33:19,980 --> 01:33:18,160

absolutely right that puts you over here

2222

01:33:23,370 --> 01:33:19,990

in a place where you've you've gotten

2223

01:33:26,130 --> 01:33:23,380

further than then I would go and I I

2224

01:33:29,520 --> 01:33:26,140

think Nick would go I'm not exactly sure

2225

01:33:31,380 --> 01:33:29,530

Nick where you stand on all of this but

2226

01:33:33,600 --> 01:33:31,390

this might be a good place to bring you

2227

01:33:35,790 --> 01:33:33,610

back into the conversation and talk

2228

01:33:39,420 --> 01:33:35,800

about Roswell because so many people

2229

01:33:41,550 --> 01:33:39,430

either think Roswell was the crash of an

2230

01:33:44,040 --> 01:33:41,560

alien spacecraft is Paul and stand and

2231

01:33:46,290 --> 01:33:44,050

others would assert or if you believe

2232

01:33:47,820 --> 01:33:46,300

Karl flock and the US Air Force and

2233

01:33:50,310 --> 01:33:47,830

other people it was a project mogul

2234

01:33:52,610 --> 01:33:50,320

balloon that came down but you a couple

2235

01:33:56,580 --> 01:33:52,620

of years ago came out with a different

2236

01:33:58,410 --> 01:33:56,590

theory tell us a bit about what that

2237

01:34:00,540 --> 01:33:58,420

theory was how you came about it

2238

01:34:03,330 --> 01:34:00,550

speaking of conspiracies and anonymous

2239

01:34:05,640 --> 01:34:03,340

sources and then maybe Paul when Nick's

2240

01:34:07,230 --> 01:34:05,650

through that we can bring you in and and

2241

01:34:10,200 --> 01:34:07,240

you can we can have a little

2242

01:34:12,780 --> 01:34:10,210

conversation about Roswell taking the

2243

01:34:15,060 --> 01:34:12,790

alien meme to its its core here so go

2244

01:34:17,580 --> 01:34:15,070

ahead and make yeah sure I mean in terms

2245

01:34:19,950 --> 01:34:17,590

of the overall UFO subject I think one

2246

01:34:22,860 --> 01:34:19,960

of the biggest problems are a lot of

2247

01:34:25,230 --> 01:34:22,870

people not deliberately unconsciously or

2248

01:34:29,460 --> 01:34:25,240

subconsciously within the UFO subject

2249

01:34:32,280 --> 01:34:29,470

make is is tiring everybody with the

2250

01:34:33,840 --> 01:34:32,290

same brush that this is the person who

2251  
01:34:36,960 --> 01:34:33,850  
believes this is the person who believes

2252  
01:34:39,690 --> 01:34:36,970  
that etc etc you know Nick's a bad guy

2253  
01:34:41,610 --> 01:34:39,700  
he wrote a book about Roswell and they

2254  
01:34:43,800 --> 01:34:41,620  
perceive you as being you know I've been

2255  
01:34:45,510 --> 01:34:43,810  
to see there's the anti UFO that I don't

2256  
01:34:47,520 --> 01:34:45,520  
believe is a genuine UFO phenomenon

2257  
01:34:48,510 --> 01:34:47,530  
because I dared to write a book that

2258  
01:34:49,950 --> 01:34:48,520  
suggests

2259  
01:34:52,200 --> 01:34:49,960  
aliens might not have crashed at Roswell

2260  
01:34:54,060 --> 01:34:52,210  
I do believe there's a genuine UFO

2261  
01:34:57,300 --> 01:34:54,070  
phenomena I actually believe there's a

2262  
01:35:00,330 --> 01:34:57,310  
genuinely anomalous origin for some UFO

2263  
01:35:02,310 --> 01:35:00,340

reports but I'm like you I don't I'm not

2264

01:35:04,919 --> 01:35:02,320

sure if it's extraterrestrial or if you

2265

01:35:06,600 --> 01:35:04,929

have some other weirdly anomalous origin

2266

01:35:09,870 --> 01:35:06,610

that we don't even understand yet but

2267

01:35:11,939 --> 01:35:09,880

who I believe all unknown UFOs a

2268

01:35:13,560 --> 01:35:11,949

military craft no I don't I do think

2269

01:35:17,729 --> 01:35:13,570

there's an unknown presence amongst us

2270

01:35:19,680 --> 01:35:17,739

but the problem I found is that so many

2271

01:35:23,010 --> 01:35:19,690

people knew your field subject today are

2272

01:35:25,379 --> 01:35:23,020

unable to desistance of the UFO

2273

01:35:27,359 --> 01:35:25,389

phenomenon of unknown origins unless it

2274

01:35:30,180 --> 01:35:27,369

involves Roswell Roswell has to be a

2275

01:35:33,180 --> 01:35:30,190

part of the equation for them and I've

2276

01:35:35,399 --> 01:35:33,190

never really understood why we cannot

2277

01:35:37,589 --> 01:35:35,409

address each case on its own merits why

2278

01:35:40,050 --> 01:35:37,599

one case has to become almost like the

2279

01:35:42,330 --> 01:35:40,060

Holy Grail upon which a great deal of

2280

01:35:44,430 --> 01:35:42,340

the subject is dependence to the point

2281

01:35:47,129 --> 01:35:44,440

where if I wrote a book about one case

2282

01:35:49,050 --> 01:35:47,139

I'm dismissed as a UFO skeptic you know

2283

01:35:49,979 --> 01:35:49,060

if I wrote a book saying George Adamski

2284

01:35:52,050 --> 01:35:49,989

was full of crap

2285

01:35:54,540 --> 01:35:52,060

people wouldn't say I was a UFO skeptic

2286

01:35:56,310 --> 01:35:54,550

when I write a book read Roswell I am

2287

01:35:59,010 --> 01:35:56,320

here for skeptics and that's because

2288

01:36:01,379 --> 01:35:59,020

Roswell has become wrongly in my opinion

2289

01:36:04,439 --> 01:36:01,389

the case upon which much of ufology

2290

01:36:06,450 --> 01:36:04,449

stands and also there are a lot of

2291

01:36:09,780 --> 01:36:06,460

people in ufology who don't just believe

2292

01:36:11,939 --> 01:36:09,790

that aliens crashed at Roswell they want

2293

01:36:13,950 --> 01:36:11,949

to believe the alien theory is correct

2294

01:36:17,100 --> 01:36:13,960

and when you want to believe one theory

2295

01:36:19,379 --> 01:36:17,110

over another you've lost the the

2296

01:36:22,470 --> 01:36:19,389

rational approach of looking at the

2297

01:36:24,810 --> 01:36:22,480

evidence you become someone who who is

2298

01:36:26,790 --> 01:36:24,820

essentially treating the subject as a

2299

01:36:28,620 --> 01:36:26,800

religion because you wants it to be true

2300

01:36:30,959 --> 01:36:28,630

you have faith that this particular

2301

01:36:32,640 --> 01:36:30,969

theory is the correct one so that's

2302

01:36:36,030 --> 01:36:32,650

that's the one thing I would say now as

2303

01:36:38,700 --> 01:36:36,040

far as body-snatchers was concerned one

2304

01:36:40,800 --> 01:36:38,710

of the things is quite incorrect is when

2305

01:36:44,040 --> 01:36:40,810

I've seen the repeated countless times

2306

01:36:47,760 --> 01:36:44,050

that in Nick Redferns theory what a lot

2307

01:36:51,180 --> 01:36:47,770

of people don't know is that fourteen

2308

01:36:54,060 --> 01:36:51,190

years before my book was published in

2309

01:36:55,729 --> 01:36:54,070

his final last one status report on

2310

01:36:58,169 --> 01:36:55,739

crashed UFOs Leonard Stringfield

2311

01:36:59,189 --> 01:36:58,179

repeated or I should say repeated but

2312

01:37:01,380 --> 01:36:59,199

told the same story

2313

01:37:05,910 --> 01:37:01,390

ie Japanese

2314

01:37:08,610 --> 01:37:05,920

individuals we used in experimentation

2315

01:37:10,590 --> 01:37:08,620

to New Mexico in the summer 47 now

2316

01:37:12,960 --> 01:37:10,600

Stringfield outright says that he was

2317

01:37:15,840 --> 01:37:12,970

told that by one of these sources now

2318

01:37:18,480 --> 01:37:15,850

john cale a lot of people have said well

2319

01:37:21,120 --> 01:37:18,490

Cal talks about the the Japanese Fogo

2320

01:37:22,890 --> 01:37:21,130

balloon angle for Roswell a lot of

2321

01:37:24,930 --> 01:37:22,900

people also talk about that in

2322

01:37:27,210 --> 01:37:24,940

criticized qu'il don't realize that in

2323

01:37:29,880 --> 01:37:27,220

the same article in which he talks there

2324

01:37:32,580 --> 01:37:29,890

Fudo balloons he also said that he'd

2325

01:37:35,460 --> 01:37:32,590

been told about Japanese experiments

2326

01:37:37,500 --> 01:37:35,470

excusing experiments with Japanese

2327

01:37:39,360 --> 01:37:37,510

individuals in balloons nothing to do

2328

01:37:41,880 --> 01:37:39,370

with a fog or food Oh balloons but like

2329

01:37:45,390 --> 01:37:41,890

next generation which is what I was told

2330

01:37:47,730 --> 01:37:45,400

Popular Mechanics in 1997 said they'd

2331

01:37:51,180 --> 01:37:47,740

been quote told of a forthcoming release

2332

01:37:54,870 --> 01:37:51,190

of documents was going to talk about the

2333

01:37:56,610 --> 01:37:54,880

Japanese angle for as well eight years

2334

01:37:58,950 --> 01:37:56,620

before Barbie status was published so in

2335

01:38:01,080 --> 01:37:58,960

other words this story's been out for a

2336

01:38:03,540 --> 01:38:01,090

long long time Keith pastor field and

2337

01:38:05,880 --> 01:38:03,550

Australian researcher I openly told me

2338

01:38:07,680 --> 01:38:05,890

he'd been given the same story six

2339

01:38:10,050 --> 01:38:07,690

months before my book was published and

2340

01:38:11,580 --> 01:38:10,060

before I even knew about it by a guy

2341

01:38:13,620 --> 01:38:11,590

whose father worked in British

2342

01:38:15,030 --> 01:38:13,630

intelligence who I was able to interview

2343

01:38:17,460 --> 01:38:15,040

after the book was published so in other

2344

01:38:20,970 --> 01:38:17,470

words you know there's a lot of strands

2345

01:38:24,360 --> 01:38:20,980

for this story and the the people I

2346

01:38:26,220 --> 01:38:24,370

interviewed were basically you know -

2347

01:38:28,460 --> 01:38:26,230

similar to the people popular Matata

2348

01:38:31,320 --> 01:38:28,470

mechanics interviewed Keith interviewed

2349

01:38:32,970 --> 01:38:31,330

Stringfield spoke with in other words

2350

01:38:35,220 --> 01:38:32,980

there are people out there old-timers

2351

01:38:38,250 --> 01:38:35,230

who whether the story is true or not or

2352

01:38:39,000 --> 01:38:38,260

it's deception have our aspects of his

2353

01:38:40,920 --> 01:38:39,010

story

2354

01:38:42,210 --> 01:38:40,930

the only difference between me and them

2355

01:38:45,330 --> 01:38:42,220

he said I was the only one who wrote a

2356

01:38:48,780 --> 01:38:45,340

for book about it the other stories are

2357

01:38:50,820 --> 01:38:48,790

all kind of you know page 46 of somebody

2358

01:38:53,040 --> 01:38:50,830

else's book where there's half a page or

2359

01:38:55,530 --> 01:38:53,050

a page but it's a distilled version of

2360

01:38:58,770 --> 01:38:55,540

exactly the same thing so either the

2361

01:39:00,510 --> 01:38:58,780

story's true or it's deception

2362

01:39:02,580 --> 01:39:00,520

disinformation or something along those

2363

01:39:05,580 --> 01:39:02,590

lines that's been around for a very very

2364

01:39:08,580 --> 01:39:05,590

long time you know 20 years even before

2365

01:39:09,890 --> 01:39:08,590

my book even came out but 20 years look

2366

01:39:11,570 --> 01:39:09,900

at me all I do it's the

2367

01:39:13,130 --> 01:39:11,580

training all I do is play the devil

2368

01:39:15,260 --> 01:39:13,140

devil's advocate so now I'll play the

2369

01:39:17,360 --> 01:39:15,270

devil's advocate for you twenty years

2370

01:39:18,979 --> 01:39:17,370

before your book came out would have

2371

01:39:21,169 --> 01:39:18,989

been roughly around the time that the

2372

01:39:25,010 --> 01:39:21,179

Roswell story was resurfacing and

2373

01:39:27,260 --> 01:39:25,020

gathering steam so if it is just if the

2374

01:39:29,330 --> 01:39:27,270

Roswell story is true in the sense then

2375

01:39:31,939 --> 01:39:29,340

it's you know as Stan would say aliens

2376

01:39:33,800 --> 01:39:31,949

who crashed their yeah then that

2377

01:39:35,930 --> 01:39:33,810

timeframe would make perfect sense to

2378

01:39:38,149 --> 01:39:35,940

start seeding a whole bunch of stories

2379

01:39:41,120 --> 01:39:38,159

and who knows which one's gonna stick

2380

01:39:43,010 --> 01:39:41,130

but let's get dis information out there

2381

01:39:44,959 --> 01:39:43,020

and hope that you know any one of these

2382

01:39:48,350 --> 01:39:44,969

things will take off and provide an

2383

01:39:50,060 --> 01:39:48,360

alternative explanation and bring paul

2384

01:39:52,130 --> 01:39:50,070

dauids back in in the conversation and

2385

01:39:53,479 --> 01:39:52,140

say but i just want to ask you nick your

2386

01:39:56,120 --> 01:39:53,489

bar do you believe it

2387

01:39:58,160 --> 01:39:56,130

do you like is this a sort of it because

2388

01:39:59,240 --> 01:39:58,170

i know you and and you and i in greg we

2389

01:40:01,220 --> 01:39:59,250

all do the same things thought

2390

01:40:03,470 --> 01:40:01,230

experiment smack did them too but

2391

01:40:06,200 --> 01:40:03,480

body-snatchers in the desert does your

2392

01:40:08,000 --> 01:40:06,210

research on that particular issue led

2393

01:40:10,520 --> 01:40:08,010

you to a place where you now accept that

2394

01:40:13,760 --> 01:40:10,530

that is if not the definitive answer the

2395

01:40:16,550 --> 01:40:13,770

most probable or likely answer you think

2396

01:40:18,140 --> 01:40:16,560

is I think it's a whether or not the

2397

01:40:21,080 --> 01:40:18,150

people aren't they've have to remember

2398

01:40:23,000 --> 01:40:21,090

the people I interviewed you know they

2399

01:40:25,100 --> 01:40:23,010

rack one of the people I interviewed I

2400

01:40:27,620 --> 01:40:25,110

only had enough material to feel 1 and a

2401  
01:40:29,630 --> 01:40:27,630  
half pages of the entire book in other

2402  
01:40:32,380 --> 01:40:29,640  
words some of these people were in

2403  
01:40:35,479 --> 01:40:32,390  
people who were spinning massive tales

2404  
01:40:39,260 --> 01:40:35,489  
to feeling every convenient goth in the

2405  
01:40:40,640 --> 01:40:39,270  
story to fit their bill so that to me

2406  
01:40:43,399 --> 01:40:40,650  
didn't come across like a typical

2407  
01:40:44,660 --> 01:40:43,409  
disinformation angle now since writing

2408  
01:40:46,550 --> 01:40:44,670  
the book and this is one of the reasons

2409  
01:40:49,070 --> 01:40:46,560  
why I think there's more to the Japanese

2410  
01:40:51,740 --> 01:40:49,080  
angle is that I actually uncovered

2411  
01:40:54,800 --> 01:40:51,750  
official files from the FBI where a boy

2412  
01:40:57,229 --> 01:40:54,810  
a young boy died in Lincoln County where

2413  
01:41:01,040 --> 01:40:57,239

the Roswell event happened he died in 49

2414

01:41:02,990 --> 01:41:01,050

from the plague from a virus which

2415

01:41:05,390 --> 01:41:03,000

killed him he was taken to a place

2416

01:41:10,070 --> 01:41:05,400

called Fort Stanton in Lincoln County

2417

01:41:12,770 --> 01:41:10,080

also and files on this young boy were

2418

01:41:14,060 --> 01:41:12,780

generated by the FBI and shared with the

2419

01:41:16,340 --> 01:41:14,070

Air Force the Atomic Energy Commission

2420

01:41:17,810 --> 01:41:16,350

and the CIA and the reason they were

2421

01:41:19,580 --> 01:41:17,820

shared with them and and these are

2422

01:41:21,200 --> 01:41:19,590

Freedom of Information files by the way

2423

01:41:23,009 --> 01:41:21,210

the reason they were shared with all

2424

01:41:24,989 --> 01:41:23,019

these agencies was because

2425

01:41:28,669 --> 01:41:24,999

there was a fear that the boy actually

2426

01:41:31,259 --> 01:41:28,679

been killed not by a plague that was

2427

01:41:32,759 --> 01:41:31,269

actually relevant to New Mexico but

2428

01:41:34,919 --> 01:41:32,769

there was introduced and one of the

2429

01:41:38,129 --> 01:41:34,929

theories that was looked at was whether

2430

01:41:42,179 --> 01:41:38,139

or not this particular plague was due to

2431

01:41:44,009 --> 01:41:42,189

research by Japan's unit 731 group which

2432

01:41:48,299 --> 01:41:44,019

is central to the story of Body

2433

01:41:50,399 --> 01:41:48,309

Snatchers now what they see in an even

2434

01:41:52,919 --> 01:41:50,409

more intriguing part is that where the

2435

01:41:56,029 --> 01:41:52,929

boy was taken forth Stanton is that

2436

01:41:59,069 --> 01:41:56,039

during the Second World War many

2437

01:42:00,809 --> 01:41:59,079

Japanese people who lived actually in

2438

01:42:02,669 --> 01:42:00,819

Lincoln can see where the crash happened

2439

01:42:05,309 --> 01:42:02,679

and surrounding areas like Albuquerque

2440

01:42:08,159 --> 01:42:05,319

were taken to Fort Stanton and interred

2441

01:42:11,219 --> 01:42:08,169

and held there as we're a number of

2442

01:42:12,779 --> 01:42:11,229

handicapped people so in other words you

2443

01:42:15,359 --> 01:42:12,789

have the Roswell crash in Lincoln County

2444

01:42:17,669 --> 01:42:15,369

where some people said actually involved

2445

01:42:19,169 --> 01:42:17,679

Japanese people and you have a military

2446

01:42:20,819 --> 01:42:19,179

base called fort stance and we're

2447

01:42:23,699 --> 01:42:20,829

handicapped and Japanese people were

2448

01:42:26,909 --> 01:42:23,709

held in the Second World War actually

2449

01:42:28,409 --> 01:42:26,919

after the Second World War as well and

2450

01:42:31,019 --> 01:42:28,419

you have a young boy taken there who

2451

01:42:34,169 --> 01:42:31,029

died from a plague which some people

2452

01:42:36,839 --> 01:42:34,179

thought was connected with Yui 731 so

2453

01:42:39,929 --> 01:42:36,849

you know somewhere down the line I think

2454

01:42:42,449 --> 01:42:39,939

there's a Japanese connection but am I

2455

01:42:44,939 --> 01:42:42,459

open to the idea that I was deceived

2456

01:42:47,069 --> 01:42:44,949

yeah I have to be and you know I'm not

2457

01:42:49,289 --> 01:42:47,079

saying I'm any better than any other

2458

01:42:51,750 --> 01:42:49,299

Roswell or I'm certainly not as papers

2459

01:42:54,689 --> 01:42:51,760

been involved with it long before me but

2460

01:42:57,179 --> 01:42:54,699

what I would say is that I am open to

2461

01:42:59,939 --> 01:42:57,189

the idea as many versatile researchers

2462

01:43:01,619 --> 01:42:59,949

aren't that I was deceived you know I

2463

01:43:04,939 --> 01:43:01,629

can never deny that and it would be

2464

01:43:08,339 --> 01:43:04,949

dishonest for me to say my source is

2465

01:43:10,079 --> 01:43:08,349

100% correct and I sold it I can never

2466

01:43:12,359 --> 01:43:10,089

say that and I wouldn't say that yeah

2467

01:43:14,489 --> 01:43:12,369

but you'd be invited to a lot more UFO

2468

01:43:16,439 --> 01:43:14,499

conferences Nick if you do see the

2469

01:43:22,799 --> 01:43:16,449

bloody the Nick is always there and nice

2470

01:43:25,469 --> 01:43:22,809

always welcome and I think it's it's an

2471

01:43:27,089 --> 01:43:25,479

interesting theory Nick and I'm glad you

2472

01:43:33,119 --> 01:43:27,099

wrote the book and I read the book with

2473

01:43:37,660 --> 01:43:33,129

interest and I can't disprove it just as

2474

01:43:43,530 --> 01:43:40,100

[Music]

2475

01:43:46,080 --> 01:43:43,540

for 58 years fate has provided true

2476  
01:43:48,450 --> 01:43:46,090  
reports of the strange and unknown fate

2477  
01:43:50,310 --> 01:43:48,460  
brings you the latest in all aspects of

2489

01:45:00,799 --> 01:44:57,770

we have paul davids filmmaker science

2490

01:45:04,009 --> 01:45:00,809

fiction writer paranormal author Nicolas

2491

01:45:08,299 --> 01:45:04,019

Redfern our co-host is Paul Campbell and

2492

01:45:09,649 --> 01:45:08,309

paul davids was now basically expressing

2493

01:45:12,740 --> 01:45:09,659

his side of the story

2494

01:45:14,750 --> 01:45:12,750

with regard to the viewpoints about

2495

01:45:18,799 --> 01:45:14,760

Roswell go ahead please

2496

01:45:21,709 --> 01:45:18,809

well I I wanted to say that I read Nick

2497

01:45:26,330 --> 01:45:21,719

reference in the book the body centers

2498

01:45:31,160 --> 01:45:26,340

in the desert with interest and any

2499

01:45:35,839 --> 01:45:31,170

theory that has multi parts to it that

2500

01:45:37,879 --> 01:45:35,849

has some possibility of being an

2501

01:45:40,490 --> 01:45:37,889

explanation is worth our time to look

2502

01:45:42,830 --> 01:45:40,500

into it and I'm glad Nick wrote the book

2503

01:45:44,319 --> 01:45:42,840

I can't disprove the theory that's

2504

01:45:48,049 --> 01:45:44,329

presented in the book just as I can't

2505

01:45:50,689 --> 01:45:48,059

prove that I can't prove that they were

2506

01:45:54,700 --> 01:45:50,699

aliens recovered at Roswell but I can

2507

01:45:58,430 --> 01:45:54,710

give some key personal impressions as

2508

01:46:01,370 --> 01:45:58,440

someone who has had his life wrapped up

2509

01:46:04,310 --> 01:46:01,380

in this in so many ways

2510

01:46:05,450 --> 01:46:04,320

since being executive producer of the

2511

01:46:08,899 --> 01:46:05,460

film Roswell

2512

01:46:11,270 --> 01:46:08,909

starting back in 1993 we started filming

2513

01:46:14,270 --> 01:46:11,280

actually began working on the project in

2514

01:46:17,689 --> 01:46:14,280

89 so we're over over 20 years of this

2515

01:46:19,459 --> 01:46:17,699

with me and when we were researching the

2516

01:46:24,589 --> 01:46:19,469

film before the script was even written

2517

01:46:25,459 --> 01:46:24,599

I had trips to Roswell with Kevin Randle

2518

01:46:28,879 --> 01:46:25,469

and Don Schmidt

2519

01:46:33,140 --> 01:46:28,889

I heard many of the witnesses who were

2520

01:46:36,649 --> 01:46:33,150

very old then firsthand and got their

2521

01:46:39,410 --> 01:46:36,659

stories and what I heard again and again

2522

01:46:43,759 --> 01:46:39,420

from you know relatives of Sheriff

2523

01:46:46,129 --> 01:46:43,769

Wilcox and the base photographer and the

2524

01:46:50,419 --> 01:46:46,139

people who had family who were there

2525

01:46:53,540 --> 01:46:50,429

then were deeply involved was they

2526

01:46:56,510 --> 01:46:53,550

captured aliens here then they brought

2527

01:46:59,120 --> 01:46:56,520

in alien bodies they were

2528

01:47:02,240 --> 01:46:59,130

they were recovered along with their

2529

01:47:06,050 --> 01:47:02,250

their craft that's what the people that

2530

01:47:08,030 --> 01:47:06,060

we talked to believe was the case you

2531

01:47:09,470 --> 01:47:08,040

know could they have been wrong could

2532

01:47:13,459 --> 01:47:09,480

they have been reporting what they saw

2533

01:47:15,530 --> 01:47:13,469

based on not realizing that you know a

2534

01:47:17,120 --> 01:47:15,540

Japanese used in some arming

2535

01:47:19,930 --> 01:47:17,130

experiment was what was being brought in

2536

01:47:28,280 --> 01:47:19,940

I don't know but I look at it this way

2537

01:47:31,670 --> 01:47:28,290

it's now 2010 it was about 1995 no in

2538

01:47:34,370 --> 01:47:31,680

1994 actually when the Air Force put

2539

01:47:37,270 --> 01:47:34,380

this story to bed they thought once and

2540

01:47:41,530 --> 01:47:37,280

for all they tried to explain it away

2541

01:47:43,459 --> 01:47:41,540

and they they offered they offered every

2542

01:47:46,490 --> 01:47:43,469

everything that they could come up with

2543

01:47:49,040 --> 01:47:46,500

to produce a large volume about the

2544

01:47:51,709 --> 01:47:49,050

Roswell incident case closed two volumes

2545

01:47:54,350 --> 01:47:51,719

I think actually to say this this was an

2546

01:47:55,910 --> 01:47:54,360

experimental motor balloon it connected

2547

01:47:59,450 --> 01:47:55,920

with research about did the Russians

2548

01:48:01,970 --> 01:47:59,460

have the atomic bomb now and then as far

2549

01:48:05,000 --> 01:48:01,980

as the aliens were concerned it was a

2550

01:48:06,890 --> 01:48:05,010

misinterpretation of crash dummies that

2551  
01:48:08,780 --> 01:48:06,900  
were dropped in the desert years after

2552  
01:48:10,670 --> 01:48:08,790  
this happened but they said the people

2553  
01:48:13,160 --> 01:48:10,680  
who live down there forgot what year

2554  
01:48:15,110 --> 01:48:13,170  
they came across these these parachuted

2555  
01:48:17,479 --> 01:48:15,120  
crash dummies and that they thought that

2556  
01:48:19,310 --> 01:48:17,489  
they were aliens which always sounded

2557  
01:48:22,610 --> 01:48:19,320  
ridiculous to me

2558  
01:48:26,060 --> 01:48:22,620  
and why is it that so many of the people

2559  
01:48:28,910 --> 01:48:26,070  
who have studied the case worked on the

2560  
01:48:31,790 --> 01:48:28,920  
case so hard just rejected what the

2561  
01:48:35,450 --> 01:48:31,800  
government had to say in 1996 and felt

2562  
01:48:38,090 --> 01:48:35,460  
that it was an attempt to bamboozle the

2563  
01:48:38,630 --> 01:48:38,100

public again because that is the way I

2564

01:48:44,570 --> 01:48:38,640

felt

2565

01:48:46,610 --> 01:48:44,580

we know that the documents that were

2566

01:48:49,910 --> 01:48:46,620

communication between the various bases

2567

01:48:51,979 --> 01:48:49,920

then Fort Worth than Roswell right field

2568

01:48:55,939 --> 01:48:51,989

they were destroyed without

2569

01:48:57,820 --> 01:48:55,949

authorization that was the result of the

2570

01:48:59,990 --> 01:48:57,830

government accounting agency's

2571

01:49:01,550 --> 01:49:00,000

examination of this that the key

2572

01:49:04,370 --> 01:49:01,560

documents that could have answered this

2573

01:49:09,879 --> 01:49:04,380

question were destroyed long ago without

2574

01:49:12,100 --> 01:49:09,889

authorization someone really wanted to

2575

01:49:14,140 --> 01:49:12,110

silence this well you know this is the

2576

01:49:16,959 --> 01:49:14,150

cover of this paper trail and why

2577

01:49:20,169 --> 01:49:16,969

wouldn't it have come out now if it's

2578

01:49:22,300 --> 01:49:20,179

something such as the army experimenting

2579

01:49:24,070 --> 01:49:22,310

with some Japanese pitches that look

2580

01:49:28,060 --> 01:49:24,080

look at all the things that have come

2581

01:49:30,459 --> 01:49:28,070

out you know experiments with with with

2582

01:49:32,290 --> 01:49:30,469

causing people to have the syphilis to

2583

01:49:33,760 --> 01:49:32,300

giving various diseases to taking

2584

01:49:37,149 --> 01:49:33,770

civilians and subjecting them to

2585

01:49:40,180 --> 01:49:37,159

radiation to see what the results were

2586

01:49:42,580 --> 01:49:40,190

going to be so much really horrible

2587

01:49:44,680 --> 01:49:42,590

stuff has come out about government

2588

01:49:46,270 --> 01:49:44,690

experimentation that is admitted now and

2589

01:49:48,340 --> 01:49:46,280

is part of the public record

2590

01:49:51,189 --> 01:49:48,350

why still cover-up this it makes

2591

01:49:55,240 --> 01:49:51,199

absolutely no sense unless well the

2592

01:49:59,560 --> 01:49:55,250

ramifications of it run so deep that the

2593

01:50:02,080 --> 01:49:59,570

risk of letting this out has really

2594

01:50:04,359 --> 01:50:02,090

really far-reaching consequences that's

2595

01:50:07,090 --> 01:50:04,369

what I believe is the case and I

2596

01:50:10,629 --> 01:50:07,100

absolutely believe astronaut Edgar

2597

01:50:13,330 --> 01:50:10,639

Mitchell who walked on the moon that it

2598

01:50:18,520 --> 01:50:13,340

was a case of the recovery of a crashed

2599

01:50:21,640 --> 01:50:18,530

alien vehicle and I personally believe

2600

01:50:24,550 --> 01:50:21,650

what philip corso said when he claimed

2601  
01:50:28,750 --> 01:50:24,560  
that the hardware recovered from that

2602  
01:50:30,850 --> 01:50:28,760  
crash which was given to industry

2603  
01:50:34,180 --> 01:50:30,860  
through army research and development

2604  
01:50:36,310 --> 01:50:34,190  
projects did result over a period of

2605  
01:50:38,160 --> 01:50:36,320  
time in many discoveries that have

2606  
01:50:43,209 --> 01:50:38,170  
changed the world as we know it today

2607  
01:50:48,250 --> 01:50:43,219  
and i think that i think that that's a

2608  
01:50:50,080 --> 01:50:48,260  
lot of food for thought and you can

2609  
01:50:55,090 --> 01:50:50,090  
diagnostic about it you can reject it

2610  
01:50:57,310 --> 01:50:55,100  
but if the theory is true we've got a

2611  
01:50:59,290 --> 01:50:57,320  
lot to be really concerned about how

2612  
01:51:01,570 --> 01:50:59,300  
secrecy works in our society and what it

2613  
01:51:03,669 --> 01:51:01,580

has done to us and there's no better

2614

01:51:07,629 --> 01:51:03,679

author on this subject today then

2615

01:51:09,879 --> 01:51:07,639

Richard Dolan whose two volumes UFOs in

2616

01:51:13,169 --> 01:51:09,889

the national security state totaling up

2617

01:51:17,169 --> 01:51:13,179

to a couple thousand pages I think

2618

01:51:19,780 --> 01:51:17,179

there's no better job of analyzing all

2619

01:51:22,660 --> 01:51:19,790

of this what happened what the evidence

2620

01:51:26,550 --> 01:51:22,670

is what the repercussions are we can

2621

01:51:28,870 --> 01:51:26,560

debate it forever there's incredible

2622

01:51:31,510 --> 01:51:28,880

documentation and analysis that Dolan

2623

01:51:33,850 --> 01:51:31,520

provides he's the one I would turn to an

2624

01:51:36,640 --> 01:51:33,860

Edgar Mitchell who was there on the moon

2625

01:51:46,660 --> 01:51:36,650

who's come back to earth who's told us

2626

01:51:48,669 --> 01:51:46,670

it's real the message boards if I didn't

2627

01:51:51,220 --> 01:51:48,679

say something my problem with both of

2628

01:51:52,810 --> 01:51:51,230

those things I guess we're running short

2629

01:51:55,240 --> 01:51:52,820

of time so it'll be a very quick problem

2630

01:51:57,939 --> 01:51:55,250

won't be a four-minute problem there you

2631

01:52:00,879 --> 01:51:57,949

go one minute problem one the appeal to

2632

01:52:02,800 --> 01:52:00,889

Authority unless Edgar Mitchell can step

2633

01:52:04,359 --> 01:52:02,810

forward and you know I have nothing but

2634

01:52:05,709 --> 01:52:04,369

the greatest respect for any astronaut

2635

01:52:07,810 --> 01:52:05,719

so don't take what I'm about to say

2636

01:52:09,459 --> 01:52:07,820

wrong but unless somebody can step

2637

01:52:11,280 --> 01:52:09,469

forward and say here are the names of

2638

01:52:14,229 --> 01:52:11,290

the sources that told me these things

2639

01:52:15,820 --> 01:52:14,239

you can go talk to them yourselves we

2640

01:52:17,589 --> 01:52:15,830

can get this down the public then all it

2641

01:52:19,419 --> 01:52:17,599

is is something somebody telling me

2642

01:52:21,490 --> 01:52:19,429

something that they say they've heard

2643

01:52:23,410 --> 01:52:21,500

and you know you can weigh that it's I

2644

01:52:25,570 --> 01:52:23,420

will I will grant you Paul that that is

2645

01:52:29,709 --> 01:52:25,580

evidence of a sort but when you're

2646

01:52:31,390 --> 01:52:29,719

weighing it you put more substance to it

2647

01:52:33,010 --> 01:52:31,400

that I would I prefer in dealing with

2648

01:52:35,260 --> 01:52:33,020

hard data and those sorts of things

2649

01:52:38,140 --> 01:52:35,270

and while Richard Dolan is a friend of

2650

01:52:40,089 --> 01:52:38,150

mine as my Facebook page will say I have

2651  
01:52:41,260 --> 01:52:40,099  
a different view of his books than you

2652  
01:52:44,290 --> 01:52:41,270  
do yes there's some interesting

2653  
01:52:47,470 --> 01:52:44,300  
information in there but when you have a

2654  
01:52:49,689 --> 01:52:47,480  
historian and that's what I studied

2655  
01:52:52,540 --> 01:52:49,699  
myself who does things like speculate

2656  
01:52:56,939 --> 01:52:52,550  
that Jim McDonald was killed by the

2657  
01:53:02,320 --> 01:52:59,620  
the speculation goes back to the year of

2658  
01:53:04,390 --> 01:53:02,330  
his death it's nothing new nobody nobody

2659  
01:53:06,220 --> 01:53:04,400  
within the UFO community including

2660  
01:53:07,959 --> 01:53:06,230  
people who knew McDonald very well like

2661  
01:53:10,959 --> 01:53:07,969  
Jerry Clark takes that even remotely

2662  
01:53:12,760 --> 01:53:10,969  
seriously McDonald they already tried to

2663  
01:53:14,290 --> 01:53:12,770

kill himself once he had family problems

2664

01:53:16,959 --> 01:53:14,300

he was depressed over the collapse of

2665

01:53:19,510 --> 01:53:16,969

his career all of which you know people

2666

01:53:22,390 --> 01:53:19,520

killed themselves to pull to weave that

2667

01:53:24,850 --> 01:53:22,400

in which Dolan does into some sort of my

2668

01:53:26,800 --> 01:53:24,860

problem is not with the cases that Dolan

2669

01:53:28,689 --> 01:53:26,810

cites my problem is that he then weaves

2670

01:53:32,830 --> 01:53:28,699

it into this overarching conspiratorial

2671

01:53:34,359 --> 01:53:32,840

look at the way our society works and I

2672

01:53:35,070 --> 01:53:34,369

just don't think he has the evidence to

2673

01:53:37,590 --> 01:53:35,080

back that up

2674

01:53:39,380 --> 01:53:37,600

but that is you know reasonable people

2675

01:53:41,670 --> 01:53:39,390

can have reasonable as rich and I have

2676

01:53:43,800 --> 01:53:41,680

reasonable disagreements over that sort

2677

01:53:45,960 --> 01:53:43,810

of thing so Nick you were you trying to

2678

01:53:47,850 --> 01:53:45,970

make your translation I just wanted to

2679

01:53:49,860 --> 01:53:47,860

make one colleague which which for me at

2680

01:53:51,000 --> 01:53:49,870

least him I feels important and people

2681

01:53:53,250 --> 01:53:51,010

might say well he would feel it's

2682

01:53:56,370 --> 01:53:53,260

important but it's just a quick one it's

2683

01:53:58,440 --> 01:53:56,380

in relation to the destruction of these

2684

01:54:00,570 --> 01:53:58,450

files that couldn't be found from

2685

01:54:03,180 --> 01:54:00,580

Roswell and one of the things I feels

2686

01:54:06,270 --> 01:54:03,190

important is in relation to this issue

2687

01:54:08,040 --> 01:54:06,280

of the destruction of files or the

2688

01:54:09,630 --> 01:54:08,050

missing files that the General

2689

01:54:12,720 --> 01:54:09,640

Accounting Office couldn't find from

2690

01:54:15,030 --> 01:54:12,730

Roswell in relation to the Roswell

2691

01:54:16,980 --> 01:54:15,040

events now all the people I interviewed

2692

01:54:18,540 --> 01:54:16,990

for my book said that the events at

2693

01:54:20,850 --> 01:54:18,550

Roswell were the culmination of twelve

2694

01:54:24,120 --> 01:54:20,860

months of research which would have

2695

01:54:28,290 --> 01:54:24,130

begun in 46 and which went through into

2696

01:54:31,350 --> 01:54:28,300

47 now the files vanished from the

2697

01:54:33,450 --> 01:54:31,360

Roswell base if Rosewell was a random

2698

01:54:36,090 --> 01:54:33,460

event that occurred in the summer of 47

2699

01:54:38,970 --> 01:54:36,100

you would expect to see the files

2700

01:54:40,590 --> 01:54:38,980

vanished from the summer 47 because it

2701  
01:54:43,290 --> 01:54:40,600  
was a defendant suddenly occurred out of

2702  
01:54:46,110 --> 01:54:43,300  
nowhere however if you read the GAO

2703  
01:54:47,850 --> 01:54:46,120  
report carefully you find that the files

2704  
01:54:49,650 --> 01:54:47,860  
advantage didn't dayton's

2705  
01:54:52,620 --> 01:54:49,660  
forty-seven onwards and Roswell occurred

2706  
01:54:54,630 --> 01:54:52,630  
they dated from 46 and my view is that

2707  
01:54:56,190 --> 01:54:54,640  
if runt Roswell as a random event

2708  
01:54:59,730 --> 01:54:56,200  
the current something just crashed area

2709  
01:55:02,760 --> 01:54:59,740  
to the sky and files are generated in 47

2710  
01:55:05,010 --> 01:55:02,770  
why are the files from 46 or missing as

2711  
01:55:07,440 --> 01:55:05,020  
well and let are something that

2712  
01:55:10,410 --> 01:55:07,450  
preempted the crash it's an interesting

2713  
01:55:12,840 --> 01:55:10,420

point but what specifically is missing

2714

01:55:15,990 --> 01:55:12,850

that would have answered the question is

2715

01:55:16,380 --> 01:55:16,000

the outgoing messages from the role of a

2716

01:55:20,730 --> 01:55:16,390

person

2717

01:55:21,900 --> 01:55:20,740

yes but they date from 46 not 47 right

2718

01:55:24,060 --> 01:55:21,910

and you're saying that the outgoing

2719

01:55:26,280 --> 01:55:24,070

messages from the base are gone from 46

2720

01:55:29,040 --> 01:55:26,290

as well from 46 - not from this number

2721

01:55:30,840 --> 01:55:29,050

47 they day from a year earlier so we

2722

01:55:32,630 --> 01:55:30,850

have to ask if Roswell was an event that

2723

01:55:36,090 --> 01:55:32,640

occurred quite literally out of the blue

2724

01:55:38,220 --> 01:55:36,100

why why shred files from 12 months

2725

01:55:40,020 --> 01:55:38,230

earlier unless something that was going

2726  
01:55:42,480 --> 01:55:40,030  
on that was also related to Roswell

2727  
01:55:43,530 --> 01:55:42,490  
twelve months earlier

2728  
01:55:45,780 --> 01:55:43,540  
you know what the great thing about

2729  
01:55:51,060 --> 01:55:45,790  
being the guest hosts guest co-host of

2730  
01:55:53,220 --> 01:55:51,070  
the para cast is I can do things I want

2731  
01:55:54,990 --> 01:55:53,230  
to take two minutes and I want to swivel

2732  
01:55:56,730 --> 01:55:55,000  
on a dime and I want to ask you Paul

2733  
01:55:59,070 --> 01:55:56,740  
about Jesus in India

2734  
01:56:02,340 --> 01:55:59,080  
speaking of conspiracies or alternative

2735  
01:56:04,080 --> 01:56:02,350  
takes on history I want to talk a bit

2736  
01:56:06,240 --> 01:56:04,090  
more about this but you know give us the

2737  
01:56:07,770 --> 01:56:06,250  
one or two minutes feel on what Jesus in

2738  
01:56:10,110 --> 01:56:07,780

India is about because I think people

2739

01:56:11,310 --> 01:56:10,120

will find it a fascinating film having

2740

01:56:13,380 --> 01:56:11,320

seen it myself

2741

01:56:15,120 --> 01:56:13,390

and maybe up in Canada at least it's not

2742

01:56:16,680 --> 01:56:15,130

as well-known as it should be so go

2743

01:56:18,900 --> 01:56:16,690

ahead talk a bit about Jesus from

2744

01:56:22,800 --> 01:56:18,910

Roswell and flying saucers to Jesus in

2745

01:56:26,430 --> 01:56:22,810

India only on the parapets well the

2746

01:56:29,250 --> 01:56:26,440

short story is that in the New Testament

2747

01:56:32,160 --> 01:56:29,260

it tells of Jesus's life up to age 12

2748

01:56:34,710 --> 01:56:32,170

and then there's what we would call him

2749

01:56:35,970 --> 01:56:34,720

film a jump cut of 18 years where you

2750

01:56:39,870 --> 01:56:35,980

hear nothing about the life of Jesus

2751  
01:56:42,240 --> 01:56:39,880  
until he's 30 years old and in the East

2752  
01:56:44,760 --> 01:56:42,250  
in India there is a very ancient

2753  
01:56:49,230 --> 01:56:44,770  
tradition that during those years that

2754  
01:56:52,440 --> 01:56:49,240  
Jesus came to India then Saint Thomas

2755  
01:56:57,000 --> 01:56:52,450  
did go to India after the crucifixion

2756  
01:57:00,180 --> 01:56:57,010  
and the Vatican john paul ii paid homage

2757  
01:57:02,340 --> 01:57:00,190  
to him there so the question is are

2758  
01:57:05,550 --> 01:57:02,350  
these just legends and myths regarding

2759  
01:57:07,470 --> 01:57:05,560  
jesus's travels in India or is their

2760  
01:57:10,320 --> 01:57:07,480  
substance to back them up what about all

2761  
01:57:12,510 --> 01:57:10,330  
the documents that we hear and why is

2762  
01:57:17,210 --> 01:57:12,520  
there a tomb for mother Mary in Pakistan

2763  
01:57:21,090 --> 01:57:19,530

what is the support that this could have

2764

01:57:23,220 --> 01:57:21,100

any connection with the people that are

2765

01:57:25,920 --> 01:57:23,230

written about in the Bible I went to

2766

01:57:27,570 --> 01:57:25,930

India travelled for six weeks all

2767

01:57:30,290 --> 01:57:27,580

throughout the country talking to

2768

01:57:33,570 --> 01:57:30,300

incredibly fascinating people going to

2769

01:57:36,980 --> 01:57:33,580

monasteries and Hindu temples and and

2770

01:57:39,930 --> 01:57:36,990

Catholic museums and collected the

2771

01:57:41,910 --> 01:57:39,940

opinions ideas and research of many many

2772

01:57:45,270 --> 01:57:41,920

people also in universities in the

2773

01:57:48,390 --> 01:57:45,280

United States also people from London so

2774

01:57:49,920 --> 01:57:48,400

Jesus and then the puts together all the

2775

01:57:51,729 --> 01:57:49,930

evidence that I could find about that

2776

01:57:53,169 --> 01:57:51,739

ministry so

2777

01:57:55,180 --> 01:57:53,179

folks if you're interested in biblical

2778

01:57:56,649 --> 01:57:55,190

mysteries and who is actually you know

2779

01:57:59,979 --> 01:57:56,659

what Paul that's the first time I've

2780

01:58:02,350 --> 01:57:59,989

ever heard Jesus's life described in the

2781

01:58:05,859 --> 01:58:02,360

same sense as it the term jump-cut which

2782

01:58:10,470 --> 01:58:05,869

I can definitely relate there's a

2783

01:58:15,870 --> 01:58:12,609

this is what happens of course when you

2784

01:58:19,120 --> 01:58:15,880

get paul davids you had something to say

2785

01:58:22,109 --> 01:58:19,130

yeah yeah that part of the story was

2786

01:58:24,609 --> 01:58:22,119

left on the cutting room floor

2787

01:58:26,140 --> 01:58:24,619

the dialogue was horrible and we just

2788

01:58:28,629 --> 01:58:26,150

didn't the audience wouldn't buy it so

2789

01:58:30,640 --> 01:58:28,639

there yeah there you go listen folks if

2790

01:58:32,020 --> 01:58:30,650

I don't stop it now the rest of this

2791

01:58:35,310 --> 01:58:32,030

episode will be on the cutting room

2792

01:58:37,870 --> 01:58:35,320

floor oh we can't have that you know

2793

01:58:40,569 --> 01:58:37,880

Nicholas Redfern tell us where we can

2794

01:58:42,910 --> 01:58:40,579

find more of the things that you do and

2795

01:58:44,979 --> 01:58:42,920

Nick Redfern com+ information on

2796

01:58:48,040 --> 01:58:44,989

projects enough to think of

2797

01:58:50,410 --> 01:58:48,050

investigating books where obvious peek

2798

01:58:53,259 --> 01:58:50,420

in etc paul davids word we find your

2799

01:58:56,140 --> 01:58:53,269

stuff all my films and books are listed

2800

01:58:58,750 --> 01:58:56,150

at my website paul davids calm but

2801  
01:59:01,930 --> 01:58:58,760  
especially go to the website Jesus in

2802  
01:59:04,239 --> 01:59:01,940  
India the movie dot-com and have that

2803  
01:59:06,250 --> 01:59:04,249  
mystery opened up to you and we hope it

2804  
01:59:09,399 --> 01:59:06,260  
does make two point six trillion dollars

2805  
01:59:12,310 --> 01:59:09,409  
just as avatar did Paul Kimball where do

2806  
01:59:13,959 --> 01:59:12,320  
we find your stuff as the Beatles said

2807  
01:59:16,299 --> 01:59:13,969  
here there and everywhere but if you

2808  
01:59:18,640 --> 01:59:16,309  
want to focus in on something red star

2809  
01:59:21,129 --> 01:59:18,650  
films blog spot.com

2810  
01:59:24,009 --> 01:59:21,139  
is where most of my UFO and paranormal

2811  
01:59:26,109 --> 01:59:24,019  
writing can be found and on Canadian

2812  
01:59:27,580 --> 01:59:26,119  
television ghost cases keep an eye out

2813  
01:59:29,979 --> 01:59:27,590

for it we're all over the place up here

2814

01:59:30,640 --> 01:59:29,989

in Canada tracking down ghosts and

2815

01:59:32,830 --> 01:59:30,650

spooky things

2816

01:59:35,049 --> 01:59:32,840

Nicholas Redfern Paul Davidson

2817

01:59:37,209 --> 01:59:35,059

especially Paul Kimball our special

2818

01:59:39,069 --> 01:59:37,219

co-host this week thank you all for

2819

01:59:44,839 --> 01:59:39,079

joining us this week on the power cast

2820

01:59:51,689 --> 01:59:49,290

our standard apparel video is

2821

01:59:54,929 --> 01:59:51,699

copyrighted presentation are making the

2822

01:59:58,010 --> 01:59:54,939

impossible remotely two minutes made for
