

04/04/10

BUDD HOPKINS,
DR. DAVID M. JACOBS
and KEVIN D. RANDLE

1
00:00:36,139 --> 00:00:34,040
this episode of the podcast is brought

2
00:00:38,660 --> 00:00:36,149
to you by audible.com the internet's

3
00:00:41,420 --> 00:00:38,670
leading provider of audiobooks with more

4
00:00:43,459 --> 00:00:41,430
than 60,000 downloadable titles across

5
00:00:46,340 --> 00:00:43,469
all types of literature including

6
00:00:48,380 --> 00:00:46,350
fiction nonfiction and periodicals for

7
00:00:52,430 --> 00:00:48,390
free audio book of your choice go to

8
00:00:55,910 --> 00:00:52,440
audible podcast.com slash para Cass

9
00:00:58,969 --> 00:00:55,920
that's audible podcast.com slash power

10
00:01:00,889 --> 00:00:58,979
cast and now on with the show my special

11
00:01:02,660 --> 00:01:00,899
guest host is christopher o'brien today

12
00:01:05,450 --> 00:01:02,670
we are having what I call the ultimate

13
00:01:07,249 --> 00:01:05,460

abduction Roundtable partly because I'm

14

00:01:09,440 --> 00:01:07,259

an egomaniac and I think if I do

15

00:01:10,820 --> 00:01:09,450

something it should be ultimate but if

16

00:01:13,010 --> 00:01:10,830

you listen to the guest you'll see why

17

00:01:15,200 --> 00:01:13,020

we have and this is an alphabetical

18

00:01:18,290 --> 00:01:15,210

order so there's no egos involved Budd

19

00:01:21,070 --> 00:01:18,300

Hopkins dr. David Jacobs and Kevin

20

00:01:24,800 --> 00:01:21,080

Randall and thank you all for joining us

21

00:01:27,680 --> 00:01:24,810

now before we proceed there's been an

22

00:01:30,950 --> 00:01:27,690

online controversy that has flared in

23

00:01:33,710 --> 00:01:30,960

recent weeks about the nature of dr.

24

00:01:35,419 --> 00:01:33,720

Jacobs work with one particular abductee

25

00:01:36,950 --> 00:01:35,429

and we won't mention the name because

26

00:01:38,840 --> 00:01:36,960

the name that's being bandied about

27

00:01:41,300 --> 00:01:38,850

online is a pseudonym it's not the

28

00:01:43,550 --> 00:01:41,310

person's real name so we understand that

29

00:01:45,260 --> 00:01:43,560

from the outset and we understand also

30

00:01:47,450 --> 00:01:45,270

there are two sides of every story and

31

00:01:50,510 --> 00:01:47,460

so far we've only heard the other side

32

00:01:53,149 --> 00:01:50,520

okay so dr. Jacobs do you have any

33

00:01:56,539 --> 00:01:53,159

statements or expressions to make about

34

00:01:59,510 --> 00:01:56,549

all this well let me just say that that

35

00:02:00,830 --> 00:01:59,520

in 2020 four years of doing this work

36

00:02:02,149 --> 00:02:00,840

this is the first time anything like

37

00:02:05,060 --> 00:02:02,159

this has ever happened to me

38

00:02:07,609 --> 00:02:05,070

and there is I can assure people who

39

00:02:10,490 --> 00:02:07,619

have been interested in the abduction

40

00:02:13,280 --> 00:02:10,500

phenomenon there is a a very different

41

00:02:15,949 --> 00:02:13,290

side to the story that she presents and

42

00:02:18,949 --> 00:02:15,959

I will be putting something up on my web

43

00:02:20,870 --> 00:02:18,959

site I've determined that's probably the

44

00:02:22,849 --> 00:02:20,880

best thing to do although most mental

45

00:02:25,729 --> 00:02:22,859

health professionals have warned me

46

00:02:28,250 --> 00:02:25,739

against doing that because all that does

47

00:02:32,120 --> 00:02:28,260

is energize her and make her stalk me

48

00:02:34,280 --> 00:02:32,130

even more and her sort of obsessive and

49

00:02:36,560 --> 00:02:34,290

stalking behavior has kind of been at

50

00:02:38,520 --> 00:02:36,570

the root of this and so I've been at a

51
00:02:41,850 --> 00:02:38,530
loss as to what to do

52
00:02:44,730 --> 00:02:41,860
but finally I've I have decided to to

53
00:02:46,040 --> 00:02:44,740
respond so I think probably by the time

54
00:02:48,630 --> 00:02:46,050
this show airs there should be a

55
00:02:51,330 --> 00:02:48,640
response on my website and people can

56
00:02:53,340 --> 00:02:51,340
can do with it what they please but I

57
00:02:57,110 --> 00:02:53,350
guess that people just know that that

58
00:02:59,580 --> 00:02:57,120
there is a that that is not as clear-cut

59
00:03:02,309 --> 00:02:59,590
I'm not as completely and totally

60
00:03:04,500 --> 00:03:02,319
irresponsible or and and or crazy as she

61
00:03:07,110 --> 00:03:04,510
makes me have to be at least I hope I'm

62
00:03:08,520 --> 00:03:07,120
not well of course I have to say before

63
00:03:10,380 --> 00:03:08,530

we even go on that when it comes to

64

00:03:11,940 --> 00:03:10,390

crazy I resemble that remark and I can

65

00:03:14,880 --> 00:03:11,950

be pretty crazy myself and I guess

66

00:03:16,530 --> 00:03:14,890

before in some ways but now don't want

67

00:03:18,630 --> 00:03:16,540

to involve you but you know the person

68

00:03:26,309 --> 00:03:18,640

involved here too but do you have

69

00:03:29,610 --> 00:03:26,319

anything yes what doctor says no the

70

00:03:35,130 --> 00:03:29,620

word no is I don't know this person

71

00:03:39,720 --> 00:03:35,140

and because the United States and I

72

00:03:43,259 --> 00:03:39,730

never met her but I was a recipient more

73

00:03:48,900 --> 00:03:43,269

lancell the blue years ago of a gigantic

74

00:03:52,229 --> 00:03:48,910

box from her she was sending me data

75

00:03:55,979 --> 00:03:52,239

about her life and I would say that this

76

00:03:57,600 --> 00:03:55,989

box was a almost three feet by a foot

77

00:04:02,400 --> 00:03:57,610

and a half or something like that by a

78

00:04:06,449 --> 00:04:02,410

foot this is huge and I threw the

79

00:04:09,630 --> 00:04:06,459

material and she had recorded every

80

00:04:12,240 --> 00:04:09,640

single change in temperature of her body

81

00:04:17,640 --> 00:04:12,250

and menstrual periods and all the kinds

82

00:04:20,640 --> 00:04:17,650

of data about her life and issues

83

00:04:23,760 --> 00:04:20,650

physically so there was such a vast

84

00:04:25,920 --> 00:04:23,770

amount that I felt there's something

85

00:04:31,230 --> 00:04:25,930

that I didn't want to get involved with

86

00:04:33,840 --> 00:04:31,240

that this was a very needy person and I

87

00:04:36,480 --> 00:04:33,850

wasn't sure of this person's mental

88

00:04:40,200 --> 00:04:36,490

stability and so on emotional stability

89

00:04:43,500 --> 00:04:40,210

I should put it and so I got I didn't

90

00:04:45,719 --> 00:04:43,510

get involved with it but I did look

91

00:04:48,300 --> 00:04:45,729

through the material she said originally

92

00:04:49,529 --> 00:04:48,310

it was all sent back to her she wanted

93

00:04:50,230 --> 00:04:49,539

everything shredded or something I

94

00:04:54,879 --> 00:04:50,240

remembered

95

00:04:58,930 --> 00:04:54,889

I simply am aware that this is not a

96

00:05:01,480 --> 00:04:58,940

typical con abductee this is a very

97

00:05:03,610 --> 00:05:01,490

obsessed person about their own

98

00:05:05,980 --> 00:05:03,620

experiences whatever they actually are

99

00:05:07,029 --> 00:05:05,990

okay that's what goes ladies and

100

00:05:09,189 --> 00:05:07,039

gentlemen oh there gonna be a lot of

101

00:05:10,870 --> 00:05:09,199

questions about this later but David

102

00:05:13,390 --> 00:05:10,880

Jacobs says he will have something on

103

00:05:15,969 --> 00:05:13,400

his website about it and let's move on

104

00:05:17,890 --> 00:05:15,979

let's move on to the topic of UFO

105

00:05:19,990 --> 00:05:17,900

abduction is how they're done what we

106

00:05:22,089 --> 00:05:20,000

have learned from them now I don't know

107

00:05:24,760 --> 00:05:22,099

who wants to take this but feel free to

108

00:05:27,370 --> 00:05:24,770

chime in wherever we go now over the

109

00:05:30,279 --> 00:05:27,380

years obviously the nature of abduction

110

00:05:32,830 --> 00:05:30,289

research has in and of itself been the

111

00:05:34,930 --> 00:05:32,840

source of some degree of discussion

112

00:05:37,629 --> 00:05:34,940

controversy whatever and I know you

113

00:05:39,249 --> 00:05:37,639

Kevin Randle have had concerns and maybe

114

00:05:41,980 --> 00:05:39,259

we should voice those concerns to kind

115

00:05:43,960 --> 00:05:41,990

of bring them up into the open and try

116

00:05:46,570 --> 00:05:43,970

to explain why things are done the same

117

00:05:49,450 --> 00:05:46,580

way or different ways so Kevin what are

118

00:05:51,670 --> 00:05:49,460

your concerns we have a doctor research

119

00:05:53,140 --> 00:05:51,680

going back into the 1960s we have Betty

120

00:05:55,360 --> 00:05:53,150

and Barney Hill of course we've had

121

00:05:57,159 --> 00:05:55,370

lesser amounts in the 70s and of course

122

00:05:59,080 --> 00:05:57,169

of all kind of exploded news nineties

123

00:06:00,670 --> 00:05:59,090

things I mean the abduction research

124

00:06:02,020 --> 00:06:00,680

hasn't changed at all we haven't learned

125

00:06:04,719 --> 00:06:02,030

anything from the research that we've

126
00:06:06,360 --> 00:06:04,729
been conducting we haven't formulated

127
00:06:08,499 --> 00:06:06,370
new questions we haven't tried to

128
00:06:10,450 --> 00:06:08,509
validate some of the research that has

129
00:06:14,790 --> 00:06:10,460
been done we're doing basic case studies

130
00:06:17,649 --> 00:06:14,800
and that's all we've done in the last

131
00:06:19,480 --> 00:06:17,659
almost from the beginning and I would

132
00:06:21,339 --> 00:06:19,490
like to see it progressed into other

133
00:06:23,649 --> 00:06:21,349
areas other arenas so that we could

134
00:06:26,649 --> 00:06:23,659
learn something more about it there were

135
00:06:29,950 --> 00:06:26,659
questions when lefties bill Cohen I did

136
00:06:32,409 --> 00:06:29,960
our work in the 1990s you know in our

137
00:06:34,089 --> 00:06:32,419
book that that questions weren't being

138
00:06:36,550 --> 00:06:34,099

asked and things that were coming up

139

00:06:38,620 --> 00:06:36,560

what we considered anomalies in the in

140

00:06:40,450 --> 00:06:38,630

the statistical analysis and we thought

141

00:06:43,209 --> 00:06:40,460

that that if we explored some of those

142

00:06:45,610 --> 00:06:43,219

our blood types are some blood types

143

00:06:47,140 --> 00:06:45,620

more prevalent the abduction phenomena

144

00:06:49,689 --> 00:06:47,150

and they are represented in the

145

00:06:52,360 --> 00:06:49,699

population our more college-educated

146

00:06:54,490 --> 00:06:52,370

people represented them high school

147

00:06:56,589 --> 00:06:54,500

educated people all sorts of questions

148

00:06:58,719 --> 00:06:56,599

statistical questions about the nature

149

00:07:01,810 --> 00:06:58,729

of the abductee might tell us something

150

00:07:03,670 --> 00:07:01,820

about what's going on and that when some

151

00:07:06,550 --> 00:07:03,680

solutions have been

152

00:07:08,409 --> 00:07:06,560

for part and I stressed that part of the

153

00:07:10,360 --> 00:07:08,419

abduction phenomena sleep paralysis for

154

00:07:12,820 --> 00:07:10,370

example and I know that when it's

155

00:07:15,700 --> 00:07:12,830

brought up in in the UFO community and

156

00:07:18,850 --> 00:07:15,710

that's not necessarily we would vada or

157

00:07:23,610 --> 00:07:18,860

or David Jacobs it just as well some

158

00:07:26,650 --> 00:07:23,620

people are awake when they are abducted

159

00:07:28,900 --> 00:07:26,660

and my response is yeah there's a

160

00:07:30,460 --> 00:07:28,910

phenomenon known as cataplexy which is

161

00:07:32,469 --> 00:07:30,470

basically sleep paralysis when you're

162

00:07:34,840 --> 00:07:32,479

wide awake but it's always associated

163

00:07:38,950 --> 00:07:34,850

with narcolepsy so the question becomes

164

00:07:40,960 --> 00:07:38,960

are there narcoleptics more prevalent in

165

00:07:42,909 --> 00:07:40,970

the abductee population than in the

166

00:07:45,100 --> 00:07:42,919

general population no one has bothered

167

00:07:46,779 --> 00:07:45,110

to to research that question that might

168

00:07:48,730 --> 00:07:46,789

provide us with a little bit of an

169

00:07:51,610 --> 00:07:48,740

answer not necessarily the whole thing

170

00:07:54,430 --> 00:07:51,620

so we look at all of those sorts of

171

00:07:56,800 --> 00:07:54,440

things that can be done and really

172

00:07:58,990 --> 00:07:56,810

haven't been done from from the very

173

00:08:00,969 --> 00:07:59,000

beginning I was talking to Kathleen

174

00:08:04,890 --> 00:08:00,979

Morgan who is of course the niece of

175

00:08:08,469 --> 00:08:04,900

Betty Hill and I mentioned that the

176
00:08:10,719 --> 00:08:08,479
symptoms of sleep paralysis near the

177
00:08:12,460 --> 00:08:10,729
symptoms of alien abduction and nobody

178
00:08:14,980 --> 00:08:12,470
has really come up with a way of

179
00:08:18,070 --> 00:08:14,990
separating those two populations and

180
00:08:19,659 --> 00:08:18,080
Kathleen Martin said that some of the

181
00:08:21,640 --> 00:08:19,669
plummeting research that she had done

182
00:08:23,830 --> 00:08:21,650
suggest that the abductions are

183
00:08:26,860 --> 00:08:23,840
described in color and sleep paralysis

184
00:08:28,719 --> 00:08:26,870
is described in black and white now I

185
00:08:30,730 --> 00:08:28,729
haven't been able to validate this yet I

186
00:08:33,310 --> 00:08:30,740
haven't had a chance to validate it but

187
00:08:35,350 --> 00:08:33,320
if that is true then we found as

188
00:08:37,240 --> 00:08:35,360

discriminating factor between sleep

189

00:08:39,310 --> 00:08:37,250

paralysis an alien abduction and I think

190

00:08:41,620 --> 00:08:39,320

that's an important area of research to

191

00:08:43,209 --> 00:08:41,630

follow but we don't seem to follow up on

192

00:08:46,590 --> 00:08:43,219

those questions as readily as we should

193

00:08:49,510 --> 00:08:46,600

and I understand it's a question of

194

00:08:51,790 --> 00:08:49,520

financing and time and research

195

00:08:53,650 --> 00:08:51,800

facilities that sort of inhibit what we

196

00:08:55,810 --> 00:08:53,660

want to do an abduction research but

197

00:08:57,519 --> 00:08:55,820

that's that's sort of where I'm coming

198

00:09:00,850 --> 00:08:57,529

from on some of this but you want to

199

00:09:05,560 --> 00:09:00,860

respond to that first of all the problem

200

00:09:10,600 --> 00:09:05,570

is a problem of triage people are coming

201
00:09:13,740 --> 00:09:10,610
with experiences which have been to them

202
00:09:16,140 --> 00:09:13,750
let's say very traumatic and they're

203
00:09:18,510 --> 00:09:16,150
feeling quite low

204
00:09:21,500 --> 00:09:18,520
our feeling at the symptoms of

205
00:09:24,390 --> 00:09:21,510
post-traumatic stress the issues that

206
00:09:27,090 --> 00:09:24,400
Kevin Randle been talking about that he

207
00:09:30,840 --> 00:09:27,100
are really focused on exploring

208
00:09:34,610 --> 00:09:30,850
qualities or aspects of the abductee

209
00:09:37,860 --> 00:09:34,620
rather than anything about the

210
00:09:40,290 --> 00:09:37,870
experience itself or the physical

211
00:09:43,560 --> 00:09:40,300
evidence associated yet other witnesses

212
00:09:45,540 --> 00:09:43,570
are connected with society which of

213
00:09:48,750 --> 00:09:45,550

course is something that is much more

214

00:09:51,360 --> 00:09:48,760

important to me because it's Bill see

215

00:09:53,580 --> 00:09:51,370

the case that these things are actual

216

00:09:56,280 --> 00:09:53,590

physical events that really happen in

217

00:10:00,180 --> 00:09:56,290

the real world now I had walked into a

218

00:10:04,290 --> 00:10:00,190

few things such as blood types and have

219

00:10:07,890 --> 00:10:04,300

found no real patterns there whatsoever

220

00:10:10,590 --> 00:10:07,900

I've never heard anybody report that

221

00:10:13,050 --> 00:10:10,600

they were suffering from narcolepsy it's

222

00:10:16,410 --> 00:10:13,060

the kind of thing I suppose one could

223

00:10:18,450 --> 00:10:16,420

ask but not less is fairly rare now the

224

00:10:22,260 --> 00:10:18,460

sleep paralysis issue that he mentioned

225

00:10:24,930 --> 00:10:22,270

is of course really a non-starter in the

226

00:10:27,750 --> 00:10:24,940

abduction field simply because such a

227

00:10:30,690 --> 00:10:27,760

vast number of abductions take place in

228

00:10:33,420 --> 00:10:30,700

daylight with people involved even

229

00:10:35,190 --> 00:10:33,430

witnesses in the few cases but people

230

00:10:37,460 --> 00:10:35,200

are driving in the car with six other

231

00:10:39,720 --> 00:10:37,470

people and they all wonder called

232

00:10:40,560 --> 00:10:39,730

they're calling the same kind of

233

00:10:44,340 --> 00:10:40,570

experience

234

00:10:47,640 --> 00:10:44,350

there's the nature of if you go back to

235

00:10:50,220 --> 00:10:47,650

the hill case and the some of the some

236

00:10:55,470 --> 00:10:50,230

of the early classics Travis Walton and

237

00:10:58,520 --> 00:10:55,480

the yeah all three of those involved

238

00:11:00,930 --> 00:10:58,530

more than two or more people and

239

00:11:04,500 --> 00:11:00,940

everybody is wide awake so you know you

240

00:11:08,190 --> 00:11:04,510

know you can't really bring a theory

241

00:11:11,790 --> 00:11:08,200

into this that doesn't even begin to

242

00:11:15,090 --> 00:11:11,800

match the data in the majority of the

243

00:11:18,600 --> 00:11:15,100

cases so well I understand this could be

244

00:11:21,900 --> 00:11:18,610

a problem but what happens I remember is

245

00:11:24,780 --> 00:11:21,910

in one case I was dealing with someone

246

00:11:28,030 --> 00:11:24,790

who said it was sleep paralysis and what

247

00:11:30,910 --> 00:11:28,040

happened was the people

248

00:11:32,710 --> 00:11:30,920

for children and at the time this

249

00:11:35,800 --> 00:11:32,720

happened they were adults telling me

250

00:11:37,660 --> 00:11:35,810

about it and they were floated out of

251
00:11:40,360 --> 00:11:37,670
window apparently that remember that

252
00:11:42,970 --> 00:11:40,370
consciously but the conscious fact that

253
00:11:46,240 --> 00:11:42,980
they were found on the ground away from

254
00:11:49,180 --> 00:11:46,250
the three stories down one lying atop

255
00:11:51,040 --> 00:11:49,190
another and they seemed to be in a sort

256
00:11:53,710 --> 00:11:51,050
of catatonic state they couldn't speak

257
00:11:55,510 --> 00:11:53,720
and were taken to a hospital and checked

258
00:11:57,520 --> 00:11:55,520
out to see what has happened to them or

259
00:12:00,820 --> 00:11:57,530
doctor's office and they were physically

260
00:12:05,020 --> 00:12:00,830
ok it was but the idea that it took them

261
00:12:07,060 --> 00:12:05,030
perhaps a half an hour to 45 minutes to

262
00:12:09,730 --> 00:12:07,070
sort of come out of the state they were

263
00:12:12,790 --> 00:12:09,740

in it's very hard to call something like

264

00:12:17,440 --> 00:12:12,800

that sleep paralysis necrosis is almost

265

00:12:20,920 --> 00:12:17,450

inevitably a very brief experience and

266

00:12:23,770 --> 00:12:20,930

these abductions and or not I think

267

00:12:26,230 --> 00:12:23,780

we've got to focus on the experience

268

00:12:29,200 --> 00:12:26,240

itself rather than concentrating on

269

00:12:30,880 --> 00:12:29,210

shall we say the victim but you see when

270

00:12:33,040 --> 00:12:30,890

you say sleep paralysis is a non-starter

271

00:12:35,200 --> 00:12:33,050

you're rejecting that idea out of hand

272

00:12:37,180 --> 00:12:35,210

and three parameters may fit some of the

273

00:12:39,520 --> 00:12:37,190

cases and eliminate and eliminate them

274

00:12:41,770 --> 00:12:39,530

from the data pool yeah suggest that

275

00:12:43,770 --> 00:12:41,780

sleep paralysis explains every case of

276

00:12:47,050 --> 00:12:43,780

alien abduction what I'm suggesting is

277

00:12:50,320 --> 00:12:47,060

some case may be maybe sleep paralysis

278

00:12:52,540 --> 00:12:50,330

that's it's just like areas of UFO

279

00:12:55,240 --> 00:12:52,550

phenomena in general that's one

280

00:12:57,670 --> 00:12:55,250

explanation and doesn't explain all

281

00:13:01,540 --> 00:12:57,680

aspects of it if I see a bright light in

282

00:13:03,580 --> 00:13:01,550

the sky at night it might be a meteor it

283

00:13:05,110 --> 00:13:03,590

might not be it might be something else

284

00:13:07,630 --> 00:13:05,120

it might be an airplane with a landing

285

00:13:10,150 --> 00:13:07,640

light on so you can't say well meteors

286

00:13:11,320 --> 00:13:10,160

explain all these cases because they

287

00:13:13,840 --> 00:13:11,330

were they were bright lights in the

288

00:13:15,490 --> 00:13:13,850

night sky and and I'm suggesting that

289

00:13:17,500 --> 00:13:15,500

sleep paralysis is something that may

290

00:13:22,960 --> 00:13:17,510

explain some of the cases and when I

291

00:13:27,450 --> 00:13:22,970

suggest we look at the history of the

292

00:13:29,800 --> 00:13:27,460

abductees that comes out from other

293

00:13:32,290 --> 00:13:29,810

abnormalities in the statistical data

294

00:13:34,690 --> 00:13:32,300

micron occur the Center for UFO studies

295

00:13:37,090 --> 00:13:34,700

told me in a preliminary study he had

296

00:13:38,800 --> 00:13:37,100

done that it seemed that left-handed

297

00:13:40,920 --> 00:13:38,810

people were over-represented in the

298

00:13:44,610 --> 00:13:40,930

abductee population I'm in

299

00:13:51,389 --> 00:13:44,620

I'm a leftie my wife's lefty my and so

300

00:13:53,280 --> 00:13:51,399

is President Obama as he abductee I'm

301
00:13:55,970 --> 00:13:53,290
trying to be serious about its object

302
00:13:58,949 --> 00:13:55,980
yes and explain that we have an

303
00:14:01,620 --> 00:13:58,959
abnormality in the deduction population

304
00:14:03,389 --> 00:14:01,630
examined by dr. auditor suggesting there

305
00:14:05,760 --> 00:14:03,399
are more left-handed people than are

306
00:14:06,360 --> 00:14:05,770
normal in the population it might tell

307
00:14:09,420 --> 00:14:06,370
us something

308
00:14:11,220 --> 00:14:09,430
that's the point you know I'm you're

309
00:14:13,410 --> 00:14:11,230
being silly about examine but I

310
00:14:15,690 --> 00:14:13,420
understand the seriousness of this what

311
00:14:18,889 --> 00:14:15,700
differs in terms of a left-handed person

312
00:14:20,670 --> 00:14:18,899
versus a right-handed person etc

313
00:14:23,040 --> 00:14:20,680

significance to it at all

314

00:14:25,230 --> 00:14:23,050

I'm merely suggesting that there may be

315

00:14:26,910 --> 00:14:25,240

something in the statistical analysis

316

00:14:28,710 --> 00:14:26,920

that might explain something about a

317

00:14:33,269 --> 00:14:28,720

portion of the population and provide us

318

00:14:35,190 --> 00:14:33,279

with some useful data it may not one

319

00:14:38,100 --> 00:14:35,200

problem you're talking about here

320

00:14:41,490 --> 00:14:38,110

involves the source of the data now I

321

00:14:44,699 --> 00:14:41,500

don't know where a lot of your gutters

322

00:14:46,769 --> 00:14:44,709

is material because I think it's as far

323

00:14:49,170 --> 00:14:46,779

as I know the question whether

324

00:14:51,840 --> 00:14:49,180

somebody's a right-handed person or

325

00:14:53,760 --> 00:14:51,850

left-handed amongst the abductees when

326

00:14:54,960 --> 00:14:53,770

I'm interviewing them or I think when

327

00:14:57,030 --> 00:14:54,970

other people are interviewing them

328

00:14:59,790 --> 00:14:57,040

that's not a question anybody really

329

00:15:03,420 --> 00:14:59,800

seems to ask of pay attention to so I

330

00:15:06,300 --> 00:15:03,430

just wonder if I've worked with you know

331

00:15:09,750 --> 00:15:06,310

seven or eight hundred people I never

332

00:15:11,430 --> 00:15:09,760

asked a question but seven or eight

333

00:15:14,220 --> 00:15:11,440

hundred people had I asked a question

334

00:15:16,650 --> 00:15:14,230

and had we gotten the left-handed bias

335

00:15:19,890 --> 00:15:16,660

and the in the figures that would be

336

00:15:23,850 --> 00:15:19,900

significant but I'm wondering how larger

337

00:15:26,430 --> 00:15:23,860

the pool at mark is dealing with I'm not

338

00:15:29,760 --> 00:15:26,440

questioning his research abilities but

339

00:15:33,630 --> 00:15:29,770

just as the data pools are kind of hard

340

00:15:39,079 --> 00:15:36,069

[Music]

341

00:15:41,150 --> 00:15:39,089

hi this is Tamar from new Chi we're a

342

00:15:43,160 --> 00:15:41,160

domain name and web hosting company and

343

00:15:45,170 --> 00:15:43,170

we really care about our customers with

344

00:15:47,449 --> 00:15:45,180

domain name purchases Namecheap offers

345

00:15:49,100 --> 00:15:47,459

free SSL and free who is guard for a

346

00:15:50,870 --> 00:15:49,110

year to protect your identity from

347

00:15:53,060 --> 00:15:50,880

spammers we won't bother you with

348

00:15:55,040 --> 00:15:53,070

unwanted messaging in your inbox or upon

349

00:15:56,720 --> 00:15:55,050

checkout but most importantly we care

350

00:15:58,519 --> 00:15:56,730

about you our customers your

351

00:16:00,620 --> 00:15:58,529

satisfaction and happiness is our

352

00:16:02,420 --> 00:16:00,630

primary focus because your support means

353

00:16:05,120 --> 00:16:02,430

so much to us if you'd like to learn

354

00:16:07,250 --> 00:16:05,130

more please visit us at radio name chief

355

00:16:09,110 --> 00:16:07,260

comm for web hosting and domain name

356

00:16:14,509 --> 00:16:09,120

specials you can also follow us on

357

00:16:16,939 --> 00:16:14,519

twitter at twitter.com/zeromd bars on

358

00:16:18,160 --> 00:16:16,949

facebook at facebook.com slash Namecheap

359

00:16:20,019 --> 00:16:18,170

see you online

360

00:16:22,970 --> 00:16:20,029

[Music]

361

00:16:24,740 --> 00:16:22,980

we want to hear from you if you have a

362

00:16:28,009 --> 00:16:24,750

comment or question about the pair cast

363

00:16:31,430 --> 00:16:28,019

send it to news at the podcast comm

364

00:16:33,410 --> 00:16:31,440

that's news at the podcast calm and

365

00:16:35,120 --> 00:16:33,420

don't forget to visit our forums where

366

00:16:37,670 --> 00:16:35,130

you can talk to fellow listeners just go

to the para cast comm and click on the

368

00:16:42,889 --> 00:16:40,140

forum links that's the forum links at

369

00:16:44,840 --> 00:16:42,899

the podcast calm as you know the power

370

00:16:47,120 --> 00:16:44,850

cast is brought to you by audible.com

371

00:16:49,400 --> 00:16:47,130

the internet's leading provider of

372

00:16:51,410 --> 00:16:49,410

audiobooks with more than 60 thousand

373

00:16:53,540 --> 00:16:51,420

downloadable titles across all types of

374

00:16:55,970 --> 00:16:53,550

literature and featuring audio versions

375

00:16:58,069 --> 00:16:55,980

of many new york times bestsellers for

376

00:17:00,319 --> 00:16:58,079

listeners of the power cast Audio is

377

00:17:02,840 --> 00:17:00,329

offering a free audiobook to give you a

378

00:17:04,939 --> 00:17:02,850

chance to try out their service one book

379

00:17:07,789 --> 00:17:04,949

to consider for example is above top

380

00:17:08,630 --> 00:17:07,799

secret the world wide UFO cover-up by

381

00:17:12,559 --> 00:17:08,640

Timothy good

382

00:17:14,630 --> 00:17:12,569

guest on the podcast for this book or

383

00:17:25,490 --> 00:17:14,640

another free audio book of your choice

384

00:17:29,720 --> 00:17:27,319

this is Leslie Kane and I'm with the

385

00:17:33,350 --> 00:17:29,730

Coalition for freedom of information and

386

00:17:34,070 --> 00:17:33,360

you are listening to the paragraph what

387

00:17:35,990 --> 00:17:34,080

you have

388

00:17:38,330 --> 00:17:36,000

Christopher O Brien is our special guest

389

00:17:41,270 --> 00:17:38,340

host this is an ultimate abduction

390

00:17:44,240 --> 00:17:41,280

roundtable featuring dr. David Jacobs

391

00:17:47,690 --> 00:17:44,250

Kevin Randall Budd Hopkins Kevin you had

392

00:17:51,409 --> 00:17:47,700

a response I was going to say that that

393

00:17:55,220 --> 00:17:51,419

I believe that the dr. rod occurs pool

394

00:17:56,630 --> 00:17:55,230

of subjects was relatively small and I'm

395

00:18:00,380 --> 00:17:56,640

not sure that that it would translate

396

00:18:02,810 --> 00:18:00,390

into the entire depopulation I'm merely

397

00:18:05,360 --> 00:18:02,820

suggesting that there are some areas of

398

00:18:07,070 --> 00:18:05,370

research and I understand what what

399

00:18:10,100 --> 00:18:07,080

public Bud was saying about the

400

00:18:12,230 --> 00:18:10,110

traumatic aspect of this in some cases

401
00:18:15,680 --> 00:18:12,240
and that you need to deal with that as

402
00:18:17,990 --> 00:18:15,690
opposed to asking what would be general

403
00:18:20,390 --> 00:18:18,000
research questions in an attempt to

404
00:18:22,130 --> 00:18:20,400
gather the data I understand all of that

405
00:18:23,990 --> 00:18:22,140
I'm merely suggesting that there's may

406
00:18:26,480 --> 00:18:24,000
be areas in which we could we could

407
00:18:28,580 --> 00:18:26,490
search that might tell us a little bit

408
00:18:29,899 --> 00:18:28,590
about the abductee population it might

409
00:18:33,140 --> 00:18:29,909
tell us a little about about the

410
00:18:35,630 --> 00:18:33,150
abduction phenomenon on a whole to

411
00:18:37,700 --> 00:18:35,640
reject information out of hand because

412
00:18:39,919 --> 00:18:37,710
we don't understand the significance of

413
00:18:41,450 --> 00:18:39,929

it seems to me not to be the direction

414

00:18:45,500 --> 00:18:41,460

we want to go we want to understand what

415

00:18:47,720 --> 00:18:45,510

is going on out here and and is a real

416

00:18:49,399 --> 00:18:47,730

physical phenomenon is it something that

417

00:18:52,610 --> 00:18:49,409

is imaginary is it something that's

418

00:18:53,750 --> 00:18:52,620

created in the research laboratories we

419

00:18:56,060 --> 00:18:53,760

need to answer all of those questions

420

00:18:58,120 --> 00:18:56,070

and I understand that there are cases

421

00:19:00,560 --> 00:18:58,130

many many cases where there's multiple

422

00:19:02,779 --> 00:19:00,570

witnesses there's multiple abductions

423

00:19:04,220 --> 00:19:02,789

there's also I know one case very well

424

00:19:06,320 --> 00:19:04,230

and buddy even mentioned this in his

425

00:19:08,750 --> 00:19:06,330

first book of the patty Pat Roach case

426
00:19:10,480 --> 00:19:08,760
from your dream which I now absolutely

427
00:19:12,950 --> 00:19:10,490
convinced is the case of sleep paralysis

428
00:19:14,600 --> 00:19:12,960
given the research that I did on the

429
00:19:17,409 --> 00:19:14,610
case originally and what I understand

430
00:19:20,649 --> 00:19:17,419
about it does that mean that all

431
00:19:23,120 --> 00:19:20,659
abduction cases fall into that category

432
00:19:26,990 --> 00:19:23,130
absolutely not but it's a partial answer

433
00:19:29,510 --> 00:19:27,000
well one thing I'd like to say is this

434
00:19:32,630 --> 00:19:29,520
is question of triage involved in what I

435
00:19:36,259 --> 00:19:32,640
do I don't I do not get involved with

436
00:19:38,810 --> 00:19:36,269
people who are having less

437
00:19:41,269 --> 00:19:38,820
very happy successful life in all

438
00:19:44,320 --> 00:19:41,279

departments and who seemed to be

439

00:19:49,699 --> 00:19:44,330

suffering from no kind of traumatic

440

00:19:51,889 --> 00:19:49,709

after-effects and really just looking

441

00:19:53,719 --> 00:19:51,899

into this to the matter of curiosity so

442

00:19:56,570 --> 00:19:53,729

if I'm working with people essentially

443

00:19:59,359 --> 00:19:56,580

and who feels some sort of damage from

444

00:20:02,029 --> 00:19:59,369

what they've gone through which is the

445

00:20:05,599 --> 00:20:02,039

population that that's the largest

446

00:20:08,569 --> 00:20:05,609

reduce the population and the one I pay

447

00:20:11,180 --> 00:20:08,579

most attention to it's very very hard to

448

00:20:12,769 --> 00:20:11,190

start asking those people questions

449

00:20:16,729 --> 00:20:12,779

about whether their right hand or left

450

00:20:20,239 --> 00:20:16,739

hand and so forth simply because they

451
00:20:23,180 --> 00:20:20,249
feel almost without exception they feel

452
00:20:25,039 --> 00:20:23,190
that somehow or other there's something

453
00:20:27,440 --> 00:20:25,049
the matter with them because they had

454
00:20:29,839 --> 00:20:27,450
these experiences that they have been

455
00:20:32,659 --> 00:20:29,849
laughed at and rejected and had problems

456
00:20:34,310 --> 00:20:32,669
with the parents telling them that you

457
00:20:36,769 --> 00:20:34,320
just have a vivid imagination and

458
00:20:39,829 --> 00:20:36,779
whatnot so therefore they're not people

459
00:20:42,379 --> 00:20:39,839
who are willing to sit around and do

460
00:20:44,629 --> 00:20:42,389
questionnaires because of the fact that

461
00:20:47,479 --> 00:20:44,639
they feel that just another way in which

462
00:20:51,049 --> 00:20:47,489
they are being judged so one has to be

463
00:20:54,680 --> 00:20:51,059

extremely careful and sensitive working

464

00:20:58,339 --> 00:20:54,690

with these people not to make the victim

465

00:21:00,169 --> 00:20:58,349

so to speak feel somehow being than he

466

00:21:02,839 --> 00:21:00,179

or she is being victimized even more

467

00:21:05,539 --> 00:21:02,849

well and like role as a therapist as

468

00:21:07,669 --> 00:21:05,549

opposed to a researcher I think I think

469

00:21:11,180 --> 00:21:07,679

that in working with that ducked easy

470

00:21:12,829 --> 00:21:11,190

the the two roles are so intertwined but

471

00:21:15,019 --> 00:21:12,839

I'd like to you know if I may I'd like

472

00:21:17,509 --> 00:21:15,029

to ask Dave Jacobson

473

00:21:20,029 --> 00:21:17,519

if his feeling is is that that one has

474

00:21:24,019 --> 00:21:20,039

to be very cautious about the

475

00:21:27,919 --> 00:21:24,029

questioning of those sort of non-use non

476

00:21:29,239 --> 00:21:27,929

UFO experience types you know I you know

477

00:21:30,499 --> 00:21:29,249

I think it would be handy to know

478

00:21:32,509 --> 00:21:30,509

whether people left-handed or

479

00:21:33,799 --> 00:21:32,519

right-handed in there and I my sense is

480

00:21:35,180 --> 00:21:33,809

that there wasn't a it would make no

481

00:21:36,560 --> 00:21:35,190

difference in there wouldn't be any

482

00:21:38,359 --> 00:21:36,570

difference in the five general

483

00:21:40,369 --> 00:21:38,369

population and the same thing with blood

484

00:21:42,769 --> 00:21:40,379

types and all the rest that stuff when

485

00:21:44,490 --> 00:21:42,779

when people come to me they fill out a

486

00:21:48,000 --> 00:21:44,500

questionnaire first and

487

00:21:49,590 --> 00:21:48,010

um if they're having experiences that

488

00:21:51,120 --> 00:21:49,600

appear to be sleep the experiences I

489

00:21:53,270 --> 00:21:51,130

just don't see them I mean I just I'm

490

00:21:56,130 --> 00:21:53,280

not interested in standing all the time

491

00:21:59,040 --> 00:21:56,140

showing how a person is you know is

492

00:22:01,650 --> 00:21:59,050

asleep and then you have a second David

493

00:22:04,320 --> 00:22:01,660

now when you evaluate this to you submit

494

00:22:06,840 --> 00:22:04,330

this to somebody who has training in

495

00:22:10,320 --> 00:22:06,850

psychotherapy or something to look over

496

00:22:14,690 --> 00:22:10,330

cases that may involve other issues no

497

00:22:17,610 --> 00:22:14,700

what I do is they write me a letter

498

00:22:19,350 --> 00:22:17,620

sometimes get back to them I get I've

499

00:22:21,600 --> 00:22:19,360

had thousands of people writing me

500

00:22:25,440 --> 00:22:21,610

obviously over the years I can't answer

501
00:22:28,370 --> 00:22:25,450
everybody and for people who live around

502
00:22:30,720 --> 00:22:28,380
me and if I'm free and if I my schedule

503
00:22:33,450 --> 00:22:30,730
I'll ask them to fill out the

504
00:22:34,890 --> 00:22:33,460
questionnaire and at that point I come

505
00:22:36,330 --> 00:22:34,900
in - pretty good determination as to

506
00:22:38,190 --> 00:22:36,340
whether they've had the kinds of

507
00:22:40,530 --> 00:22:38,200
experiences that I have that piece of

508
00:22:45,270 --> 00:22:40,540
had before they know that their

509
00:22:48,450 --> 00:22:45,280
abductors or not I then talk with them I

510
00:22:49,800 --> 00:22:48,460
then have them do other tasks for me

511
00:22:51,510 --> 00:22:49,810
that is to say we need a short piece

512
00:22:53,580 --> 00:22:51,520
about the pros and the cons of going

513
00:22:55,590 --> 00:22:53,590

forward with this I talk with them more

514

00:22:58,980 --> 00:22:55,600

we go over their questionnaire by the

515

00:23:01,380 --> 00:22:58,990

time they enter into my home office

516

00:23:03,480 --> 00:23:01,390

I've talked at them for a considerable

517

00:23:05,370 --> 00:23:03,490

length of time and if there are

518

00:23:08,400 --> 00:23:05,380

psychological problems

519

00:23:10,410 --> 00:23:08,410

I tell them right away that they're in

520

00:23:13,830 --> 00:23:10,420

their situation is beyond my area of

521

00:23:16,050 --> 00:23:13,840

expertise and unfortunately every once

522

00:23:19,530 --> 00:23:16,060

in a while someone will slip through

523

00:23:21,000 --> 00:23:19,540

it's been it's been rare I must say the

524

00:23:24,090 --> 00:23:21,010

majority the people that I worked with

525

00:23:27,480 --> 00:23:24,100

are normal individuals they have no no

526

00:23:30,210 --> 00:23:27,490

serious problems some people I still see

527

00:23:32,970 --> 00:23:30,220

after 20 years they're responsible

528

00:23:36,270 --> 00:23:32,980

adults they're in positions of authority

529

00:23:39,840 --> 00:23:36,280

I've worked at people who have PhDs and

530

00:23:41,850 --> 00:23:39,850

MDS and who are attorneys and people who

531

00:23:44,400 --> 00:23:41,860

are high school teachers and college

532

00:23:46,560 --> 00:23:44,410

professors and and people who dropped

533

00:23:48,510 --> 00:23:46,570

out in the ninth grade and and who could

534

00:23:50,960 --> 00:23:48,520

never hold a job properly and everybody

535

00:23:54,289 --> 00:23:51,950

I haven't worked with that many people

536

00:23:56,750 --> 00:23:54,299

have only worked with about a hundred

537

00:24:01,220 --> 00:23:56,760

and fifty but I I do a fairly long

538

00:24:03,529 --> 00:24:01,230

series of sessions with them and I'll

539

00:24:05,960 --> 00:24:03,539

see them for as long as they want in

540

00:24:08,060 --> 00:24:05,970

other words I think they have I take

541

00:24:10,310 --> 00:24:08,070

them on so to speak and I can see them

542

00:24:12,620 --> 00:24:10,320

for four years if they want I have not

543

00:24:15,230 --> 00:24:12,630

noticed any any significant difference

544

00:24:16,700 --> 00:24:15,240

between them in a normal population what

545

00:24:21,649 --> 00:24:16,710

I've noticed is that they just mirror

546

00:24:22,970 --> 00:24:21,659

the population and it's it really is

547

00:24:27,350 --> 00:24:22,980

sort of the good the bad the ugly in a

548

00:24:29,029 --> 00:24:27,360

sense and it's it's anybody in

549

00:24:31,190 --> 00:24:29,039

everything and I've also noticed that it

550

00:24:34,820 --> 00:24:31,200

cuts across all religions and ethnic

551
00:24:37,100 --> 00:24:34,830
lines and racial lines and economic

552
00:24:40,159 --> 00:24:37,110
lines educational lines and Geographic

553
00:24:41,510 --> 00:24:40,169
lines and and everything else and both

554
00:24:44,450 --> 00:24:41,520
but and I work for people from other

555
00:24:46,700 --> 00:24:44,460
countries and they all say the same

556
00:24:49,850 --> 00:24:46,710
thing it's it's sort of a remarkable

557
00:24:52,100 --> 00:24:49,860
phenomenon and one last point the

558
00:24:53,810 --> 00:24:52,110
majority of cases that I've looked at

559
00:24:56,899 --> 00:24:53,820
the majority of events that I've looked

560
00:24:59,299 --> 00:24:56,909
at take place in during the day time

561
00:25:01,669 --> 00:24:59,309
when a person is not asleep I've never

562
00:25:04,549 --> 00:25:01,679
had anybody who's had narcolepsy that I

563
00:25:06,980 --> 00:25:04,559

know of and or any star fell asleep

564

00:25:08,450 --> 00:25:06,990

problems along those those lines where

565

00:25:11,649 --> 00:25:08,460

there's obviously a brain dysfunction of

566

00:25:14,870 --> 00:25:11,659

some sort I think I'm working with a

567

00:25:17,299 --> 00:25:14,880

population that basically is a normal

568

00:25:19,820 --> 00:25:17,309

population for the society well one

569

00:25:22,250 --> 00:25:19,830

thing that I wanted to mention listening

570

00:25:24,710 --> 00:25:22,260

to - Kevin's observation is that you

571

00:25:26,570 --> 00:25:24,720

know I think an area that has not really

572

00:25:29,180 --> 00:25:26,580

been addressed in this whole area of

573

00:25:32,690 --> 00:25:29,190

investigation is some sort of

574

00:25:34,880 --> 00:25:32,700

standardization I think we have a lot of

575

00:25:36,409 --> 00:25:34,890

people who are out there attempting to

576

00:25:38,029 --> 00:25:36,419

help people and I think this is a very

577

00:25:41,180 --> 00:25:38,039

good thing obviously there's something

578

00:25:43,190 --> 00:25:41,190

going on but I think if we somehow could

579

00:25:44,960 --> 00:25:43,200

come up with a standardized approach I

580

00:25:46,880 --> 00:25:44,970

think that the quality of the data that

581

00:25:50,180 --> 00:25:46,890

we would then be able to glean from now

582

00:25:52,399 --> 00:25:50,190

would be I think consistent across the

583

00:25:55,820 --> 00:25:52,409

board and that would give us

584

00:25:59,240 --> 00:25:55,830

opportunities to possibly learn about

585

00:26:01,920 --> 00:25:59,250

trends about potential potential

586

00:26:03,540 --> 00:26:01,930

commonalities I think throughout the end

587

00:26:06,560 --> 00:26:03,550

phenomenon and I think one of the things

588

00:26:09,060 --> 00:26:06,570

that I I was struck with Kevin's

589

00:26:12,990 --> 00:26:09,070

observation is that we really don't have

590

00:26:15,720 --> 00:26:13,000

a standardized approach and I know in

591

00:26:17,910 --> 00:26:15,730

for instance David and bud have you know

592

00:26:20,730 --> 00:26:17,920

their own personal approach in these

593

00:26:21,990 --> 00:26:20,740

things and as do other abduction

594

00:26:23,880 --> 00:26:22,000

researchers out there and I think

595

00:26:25,740 --> 00:26:23,890

perhaps with something a little bit more

596

00:26:29,340 --> 00:26:25,750

standardized we might be able to

597

00:26:31,740 --> 00:26:29,350

actually identify trends and you know so

598

00:26:33,840 --> 00:26:31,750

oftentimes I make a point of you know

599

00:26:35,340 --> 00:26:33,850

really looking at Pete yet not so much

600

00:26:36,540 --> 00:26:35,350

the answers that were given but it's the

601
00:26:39,060 --> 00:26:36,550
quality of the questions that we're

602
00:26:41,160 --> 00:26:39,070
asking to gain those answers and I'm

603
00:26:42,720 --> 00:26:41,170
just wondering have you guys attempted

604
00:26:43,890 --> 00:26:42,730
to really dovetail your efforts and come

605
00:26:45,810 --> 00:26:43,900
up with some sort of standardized

606
00:26:54,000 --> 00:26:45,820
approach I I'm assuming there you have

607
00:26:57,230 --> 00:26:54,010
it can I take that but I have been

608
00:26:59,250 --> 00:26:57,240
working on a book on how to do hypnosis

609
00:27:00,600 --> 00:26:59,260
without that these people who are a

610
00:27:02,970 --> 00:27:00,610
regular given that this can't do it's

611
00:27:04,470 --> 00:27:02,980
people who are spiritualist can't do it

612
00:27:07,440 --> 00:27:04,480
people who are in the New Age can't do

613
00:27:09,720 --> 00:27:07,450

it and all that it takes a special kind

614

00:27:11,820 --> 00:27:09,730

of training and a special kind of

615

00:27:15,000 --> 00:27:11,830

questioning and it also takes knowledge

616

00:27:18,570 --> 00:27:15,010

of the abduction phenomenon itself and I

617

00:27:21,810 --> 00:27:18,580

have a manuscript now that needs serious

618

00:27:24,450 --> 00:27:21,820

editing but it's it's basically done

619

00:27:25,980 --> 00:27:24,460

basically done and the problem is is

620

00:27:27,960 --> 00:27:25,990

that I feel at the market for a book

621

00:27:30,540 --> 00:27:27,970

like this probably is in the tens and

622

00:27:33,120 --> 00:27:30,550

tens so I'll almost certainly have to

623

00:27:35,490 --> 00:27:33,130

publish it myself but I think it is

624

00:27:36,960 --> 00:27:35,500

extremely important to do something I

625

00:27:38,700 --> 00:27:36,970

had this has been something that I've

626

00:27:41,250 --> 00:27:38,710

been thinking about for years and years

627

00:27:44,210 --> 00:27:41,260

and years the problem is is that it's

628

00:27:47,330 --> 00:27:44,220

pretty wild and wooly out there and

629

00:27:50,250 --> 00:27:47,340

anybody in this cab can do hypnosis

630

00:27:52,170 --> 00:27:50,260

anybody can say the magical incantation

631

00:27:54,510 --> 00:27:52,180

and hypnotize somebody else if they want

632

00:27:57,360 --> 00:27:54,520

to be hypnotized and then they can ask

633

00:27:59,700 --> 00:27:57,370

all sorts of questions that are

634

00:28:01,920 --> 00:27:59,710

meaningless or that lead people on or

635

00:28:05,220 --> 00:28:01,930

that fulfill an agenda of the hypnotist

636

00:28:06,550 --> 00:28:05,230

and the results can be really really

637

00:28:10,030 --> 00:28:06,560

awful

638

00:28:14,340 --> 00:28:10,040

and an unworthy of evidence of anything

639

00:28:17,020 --> 00:28:14,350

other than than the hypnotist agenda so

640

00:28:19,450 --> 00:28:17,030

there there are very few competent

641

00:28:22,000 --> 00:28:19,460

people out there who who know sort of

642

00:28:24,540 --> 00:28:22,010

what to do in my book the threat I

643

00:28:27,790 --> 00:28:24,550

addressed this issue is sort of squarely

644

00:28:30,540 --> 00:28:27,800

and and talked about the problems of

645

00:28:34,000 --> 00:28:30,550

incompetent hypnosis and mutually

646

00:28:35,890 --> 00:28:34,010

confirmatory fantasies that that the

647

00:28:38,710 --> 00:28:35,900

person who's being hypnotized can make a

648

00:28:41,890 --> 00:28:38,720

can do with their to dis themselves and

649

00:28:43,480 --> 00:28:41,900

and so I'm very happy that you're

650

00:28:44,740 --> 00:28:43,490

thinking along the same lines because

651
00:28:48,310 --> 00:28:44,750
this is I think is something that is

652
00:28:50,560 --> 00:28:48,320
needed but well I completely agree I

653
00:28:53,620 --> 00:28:50,570
have of course a standard way of working

654
00:28:56,710 --> 00:28:53,630
but because of what I said about the

655
00:29:00,370 --> 00:28:56,720
issue of triage tonight people are

656
00:29:04,780 --> 00:29:00,380
coming in that I did with in various

657
00:29:08,070 --> 00:29:04,790
states of being emotionally collected

658
00:29:11,110 --> 00:29:08,080
and calm and everything very many people

659
00:29:14,200 --> 00:29:11,120
have a sense of distrust and so forth

660
00:29:16,990 --> 00:29:14,210
based on things that had happened in

661
00:29:19,780 --> 00:29:17,000
their life earlier when they told people

662
00:29:21,790 --> 00:29:19,790
about what was happening to them without

663
00:29:24,160 --> 00:29:21,800

even knowing that they were UFO

664

00:29:24,880 --> 00:29:24,170

connected but they can often sound very

665

00:29:27,610 --> 00:29:24,890

crazy

666

00:29:30,100 --> 00:29:27,620

so these people are not easily

667

00:29:33,220 --> 00:29:30,110

approached at the beginning in some

668

00:29:36,850 --> 00:29:33,230

standardized way the same thing is is

669

00:29:40,210 --> 00:29:36,860

that what we're doing initially starts

670

00:29:44,080 --> 00:29:40,220

off without any doubt as as a sort of de

671

00:29:48,190 --> 00:29:44,090

facto therapy it has much more the

672

00:29:51,220 --> 00:29:48,200

quality and you know a therapist asking

673

00:29:52,690 --> 00:29:51,230

questions to find out the person's

674

00:29:54,850 --> 00:29:52,700

mental state and whether there's a

675

00:29:59,980 --> 00:29:54,860

safety net around them at home somehow

676

00:30:04,420 --> 00:29:59,990

all those questions but it takes a while

677

00:30:07,150 --> 00:30:04,430

to develop trust where in somebody might

678

00:30:10,620 --> 00:30:07,160

be able to ask about some questions that

679

00:30:13,630 --> 00:30:10,630

would seem very probing or perhaps

680

00:30:15,070 --> 00:30:13,640

irrelevant to the abductees such as

681

00:30:16,340 --> 00:30:15,080

whether you're right-handed or

682

00:30:18,320 --> 00:30:16,350

left-handed

683

00:30:19,820 --> 00:30:18,330

I certainly agree that we've got to be

684

00:30:22,130 --> 00:30:19,830

more standardized in the way we're

685

00:30:26,270 --> 00:30:22,140

posting and I'm going to be giving a

686

00:30:29,419 --> 00:30:26,280

talk with summer workshop at the MUFON

687

00:30:33,549 --> 00:30:29,429

conference on on techniques of

688

00:30:36,830 --> 00:30:33,559

investigation of abduction cases so I'm

689

00:30:43,110 --> 00:30:36,840

sort of an effort toward some kind of

690

00:30:50,090 --> 00:30:47,810

[Music]

691

00:30:52,370 --> 00:30:50,100

picture this you're on the phone with a

692

00:30:55,330 --> 00:30:52,380

client or colleague trying to explain

693

00:30:57,770 --> 00:30:55,340

something visual a PowerPoint keynote

694

00:31:00,410 --> 00:30:57,780

presentation a website but it's

695

00:31:02,450 --> 00:31:00,420

frustrating because they can't see what

696

00:31:05,150 --> 00:31:02,460

you're talking about the solution good

697

00:31:08,750 --> 00:31:05,160

news they can if you invite them to an

698

00:31:11,120 --> 00:31:08,760

online meeting using GoToMeeting then

699

00:31:13,610 --> 00:31:11,130

they can see your computer desktop on

700

00:31:15,650 --> 00:31:13,620

their computer screen so you can show

701
00:31:17,150 --> 00:31:15,660
them what you're talking about by use

702
00:31:19,700 --> 00:31:17,160
goto meeting all the time to collaborate

703
00:31:23,060 --> 00:31:19,710
with colleagues and with clients you can

704
00:31:25,930 --> 00:31:23,070
try goto meeting free for 30 days but

705
00:31:29,710 --> 00:31:25,940
you must visit goto meeting slashed

706
00:31:44,870 --> 00:31:29,720
podcasts let's go to meeting.com slash

707
00:31:47,120 --> 00:31:44,880
podcasts for free 30-day trial next we

708
00:31:48,890 --> 00:31:47,130
have our special guest host christopher

709
00:31:51,410 --> 00:31:48,900
o'brien this is the parent chest

710
00:31:53,510 --> 00:31:51,420
ultimate abduction roundtable featuring

711
00:31:55,580 --> 00:31:53,520
dr. David Jacobs Kevin Randall Budd

712
00:31:57,170 --> 00:31:55,590
Hopkins Chris you had a question I'm you

713
00:31:59,300 --> 00:31:57,180

know one thing that's always kind of

714

00:32:03,310 --> 00:31:59,310

tweaked my curiosity and that is that

715

00:32:06,680 --> 00:32:03,320

that all you guys tend to have your own

716

00:32:08,450 --> 00:32:06,690

particular quality of cases I think that

717

00:32:10,160 --> 00:32:08,460

that seem to be attracted to you and

718

00:32:12,410 --> 00:32:10,170

your work and I'm wondering if you've

719

00:32:15,220 --> 00:32:12,420

ever really thought about why certain

720

00:32:17,600 --> 00:32:15,230

people contact you versus maybe

721

00:32:20,270 --> 00:32:17,610

contacting another abduction researcher

722

00:32:22,820 --> 00:32:20,280

if there's any sort of rhyme or reason I

723

00:32:25,370 --> 00:32:22,830

seem to have this feeling that your

724

00:32:27,860 --> 00:32:25,380

particular work as it is it evolves over

725

00:32:30,020 --> 00:32:27,870

the years tends to be a magnet for

726

00:32:31,490 --> 00:32:30,030

certain quality of cases that are

727

00:32:34,670 --> 00:32:31,500

attracted to you do you guys want to

728

00:32:36,500 --> 00:32:34,680

address that well for me they stumble

729

00:32:38,120 --> 00:32:36,510

upon my website often times or they've

730

00:32:40,310 --> 00:32:38,130

heard about me or they saw a lot of my

731

00:32:43,160 --> 00:32:40,320

books or something like that and and

732

00:32:46,940 --> 00:32:43,170

they get in touch with me and of course

733

00:32:49,220 --> 00:32:46,950

I can I get people from around the world

734

00:32:51,940 --> 00:32:49,230

getting in touch with me all the time I

735

00:32:55,340 --> 00:32:51,950

think it's I think it's random

736

00:32:57,200 --> 00:32:55,350

personally but but I never you know the

737

00:32:57,529 --> 00:32:57,210

I will ask them sometimes how did you

738

00:32:59,060 --> 00:32:57,539

find

739

00:33:00,919 --> 00:32:59,070

about me and they'll say well I just was

740

00:33:03,440 --> 00:33:00,929

going through the internet and I found

741

00:33:04,940 --> 00:33:03,450

your website then and found your

742

00:33:07,729 --> 00:33:04,950

questionnaire and that sort of thing

743

00:33:10,009 --> 00:33:07,739

so sometimes word of mouth and that I

744

00:33:12,560 --> 00:33:10,019

will get people who who know other

745

00:33:14,090 --> 00:33:12,570

people who are abject ease here in the

746

00:33:16,639 --> 00:33:14,100

in the Delaware Valley where I live in

747

00:33:18,229 --> 00:33:16,649

Pennsylvania and and they will call me

748

00:33:21,349 --> 00:33:18,239

and then therefore it's not random

749

00:33:24,409 --> 00:33:21,359

because they they know somebody but I

750

00:33:26,389 --> 00:33:24,419

think in general you know it's there

751

00:33:28,190 --> 00:33:26,399

might be people who go to new age groups

752

00:33:29,960 --> 00:33:28,200

and you know in search for some sort of

753

00:33:31,969 --> 00:33:29,970

relief from from the odd experience that

754

00:33:33,589 --> 00:33:31,979

they were having in terms of getting

755

00:33:35,839 --> 00:33:33,599

some sort of intellectual control over

756

00:33:38,149 --> 00:33:35,849

it and they will then you know again

757

00:33:39,889 --> 00:33:38,159

gauge in New Age therapists and then

758

00:33:41,889 --> 00:33:39,899

hypnotist to try to find out what's

759

00:33:44,899 --> 00:33:41,899

what's with them and get new age answers

760

00:33:48,379 --> 00:33:44,909

and and that would not be random I would

761

00:33:50,599 --> 00:33:48,389

imagine but for me and I assume for but

762

00:33:53,239 --> 00:33:50,609

as well it's a it appears to be

763

00:33:56,859 --> 00:33:53,249

completely random yes I I don't I don't

764

00:34:00,039 --> 00:33:56,869

really think that as much sort of

765

00:34:03,379 --> 00:34:00,049

unconscious or magical or whatever

766

00:34:07,489 --> 00:34:03,389

controls to lead somebody to a

767

00:34:08,960 --> 00:34:07,499

particular therapist I think proximity

768

00:34:10,639 --> 00:34:08,970

is a lot to do with that people in New

769

00:34:15,020 --> 00:34:10,649

York area contact me

770

00:34:17,210 --> 00:34:15,030

obviously when John Mack was active I

771

00:34:20,119 --> 00:34:17,220

think the people in you know but the

772

00:34:22,730 --> 00:34:20,129

Boston area came to him it's very

773

00:34:24,339 --> 00:34:22,740

interesting that I've had several

774

00:34:28,419 --> 00:34:24,349

different people that I've worked with

775

00:34:31,399 --> 00:34:28,429

that John Mack also worked with and

776

00:34:36,079 --> 00:34:31,409

essentially what was coming out was

777

00:34:37,940 --> 00:34:36,089

pretty much the same from matter who was

778

00:34:41,450 --> 00:34:37,950

doing the hypnosis it was the same

779

00:34:43,520 --> 00:34:41,460

situation even though John was one of

780

00:34:47,859 --> 00:34:43,530

those who thought that though that

781

00:34:50,299 --> 00:34:47,869

people were attracted to different

782

00:34:53,059 --> 00:34:50,309

researchers for different for particular

783

00:34:55,849 --> 00:34:53,069

reasons having to do with etiology or

784

00:34:57,650 --> 00:34:55,859

whatever but what I found was we were

785

00:35:00,890 --> 00:34:57,660

getting exactly the same thing happening

786

00:35:02,780 --> 00:35:00,900

and being reported whether Dave was

787

00:35:05,059 --> 00:35:02,790

worse and whether a jobs working with

788

00:35:08,599 --> 00:35:05,069

the Mehran was and in one case in

789

00:35:10,640 --> 00:35:08,609

Istanbul John and I did a joint session

790

00:35:14,589 --> 00:35:10,650

with the hedonic session

791

00:35:18,230 --> 00:35:14,599

and long interviews with a woman a

792

00:35:21,170 --> 00:35:18,240

Turkish woman and we got exactly the

793

00:35:25,730 --> 00:35:21,180

classic kind of thing that for instance

794

00:35:30,380 --> 00:35:25,740

I had gotten with Kathy Davis and just

795

00:35:33,349 --> 00:35:30,390

many many many many women involving some

796

00:35:37,220 --> 00:35:33,359

sort of production of some odd-looking

797

00:35:40,549 --> 00:35:37,230

babies being forced so hold it and so

798

00:35:44,569 --> 00:35:40,559

forth it was exactly what I get all the

799

00:35:47,510 --> 00:35:44,579

time and I think that John Mack wanted

800

00:35:52,210 --> 00:35:47,520

to feel that that there were and say

801
00:35:54,829 --> 00:35:52,220
more benign agendas out there and that

802
00:35:57,920 --> 00:35:54,839
people were coming to me simply because

803
00:35:59,539 --> 00:35:57,930
I was I had a particular agenda I don't

804
00:36:01,549 --> 00:35:59,549
think that's true at all I really don't

805
00:36:03,829 --> 00:36:01,559
I think it's in this randomness Dave

806
00:36:05,960 --> 00:36:03,839
said Kevin you had a response to any of

807
00:36:09,200 --> 00:36:05,970
this well John Mack said a number of

808
00:36:12,710 --> 00:36:09,210
times and it's reported in CDD Bryant's

809
00:36:15,410 --> 00:36:12,720
book on the abduction conference held at

810
00:36:17,660 --> 00:36:15,420
MIT that he found a strange matching

811
00:36:20,420 --> 00:36:17,670
between the abduction researchers and

812
00:36:23,599 --> 00:36:20,430
the abductees and he and he wondered

813
00:36:32,630 --> 00:36:23,609

about that and we wondered and when I

814

00:36:37,160 --> 00:36:32,640

say we'd bill columns a season-high that

815

00:36:39,380 --> 00:36:37,170

some of the belief of the researcher is

816

00:36:42,950 --> 00:36:39,390

communicated to the abductee so there

817

00:36:44,630 --> 00:36:42,960

seems to be a more close matching

818

00:36:48,829 --> 00:36:44,640

between the abductee and the researcher

819

00:36:51,289 --> 00:36:48,839

there might be might be well I think my

820

00:36:54,410 --> 00:36:51,299

point being we've been asking that

821

00:36:56,690 --> 00:36:54,420

question is you don't hear about cases

822

00:36:58,370 --> 00:36:56,700

let's say for instance that Leo sprinkle

823

00:37:01,819 --> 00:36:58,380

is dealt with over the years that that

824

00:37:03,680 --> 00:37:01,829

fall outside of his particular I think

825

00:37:05,240 --> 00:37:03,690

kind of built-in belief system around

826

00:37:07,190 --> 00:37:05,250

this that's this whole subject in other

827

00:37:08,660 --> 00:37:07,200

words he's not getting to my knowledge

828

00:37:11,569 --> 00:37:08,670

he's not getting people that have

829

00:37:14,420 --> 00:37:11,579

horrific experiences and violations and

830

00:37:16,940 --> 00:37:14,430

hybridized babies and and the types of

831

00:37:18,980 --> 00:37:16,950

things that possibly you know you would

832

00:37:20,990 --> 00:37:18,990

see more prevalent but but in David's

833

00:37:22,670 --> 00:37:21,000

work I've always suspected and had a

834

00:37:23,320 --> 00:37:22,680

hunch that there is some sort of

835

00:37:25,930 --> 00:37:23,330

connection

836

00:37:28,990 --> 00:37:25,940

Queen the quality of your cases and the

837

00:37:31,930 --> 00:37:29,000

process that that these people undergo

838

00:37:33,760 --> 00:37:31,940

to approach somebody for help and I

839

00:37:35,560 --> 00:37:33,770

think that this could be a very

840

00:37:38,140 --> 00:37:35,570

important area for some sort of

841

00:37:42,280 --> 00:37:38,150

statistical analysis in other words I I

842

00:37:44,350 --> 00:37:42,290

don't recall seeing very many cases from

843

00:37:47,470 --> 00:37:44,360

the our two guests that for instance

844

00:37:50,410 --> 00:37:47,480

talk about love inline and benevolent

845

00:37:52,690 --> 00:37:50,420

space brothers and how wonderful of an

846

00:37:54,520 --> 00:37:52,700

experience at these these encounters are

847

00:37:56,710 --> 00:37:54,530

there are cases out there with these

848

00:37:58,810 --> 00:37:56,720

people where people and I had a case

849

00:38:01,930 --> 00:37:58,820

myself that I did investigate pretty

850

00:38:03,220 --> 00:38:01,940

extensively I've no hypnotist by any

851

00:38:05,110 --> 00:38:03,230

stretch and didn't attempt to do that

852

00:38:07,240 --> 00:38:05,120

there's a fully conscious series of

853

00:38:09,550 --> 00:38:07,250

events but but one of the things that

854

00:38:11,470 --> 00:38:09,560

I've noticed is it the more dire

855

00:38:13,930 --> 00:38:11,480

sounding cases tend to be attracted to

856

00:38:15,850 --> 00:38:13,940

certain types of researchers whereas the

857

00:38:18,390 --> 00:38:15,860

the the opposite end of the spectrum

858

00:38:20,740 --> 00:38:18,400

seem to be attracted to others

859

00:38:22,480 --> 00:38:20,750

investigators and what do you guys I

860

00:38:25,270 --> 00:38:22,490

mean have you noticed this at all I mean

861

00:38:27,330 --> 00:38:25,280

how many positive abduction cases for

862

00:38:29,890 --> 00:38:27,340

instance so what would be the percentage

863

00:38:31,720 --> 00:38:29,900

of people that have wonderful

864

00:38:33,970 --> 00:38:31,730

experiences but want to know more about

865

00:38:36,040 --> 00:38:33,980

them how many of these types of cases

866

00:38:38,560 --> 00:38:36,050

have an interactivity to the two of you

867

00:38:40,060 --> 00:38:38,570

well the first thing this should be

868

00:38:44,800 --> 00:38:40,070

pointed out again

869

00:38:49,050 --> 00:38:44,810

UFO abductions are extremely complex

870

00:38:53,070 --> 00:38:49,060

events which have moments in which the

871

00:38:55,840 --> 00:38:53,080

whether this is induced or not whether

872

00:38:58,510 --> 00:38:55,850

sometimes the abductee feels this

873

00:39:03,010 --> 00:38:58,520

incredible sense of love and bond with

874

00:39:07,150 --> 00:39:03,020

the abductor and yet very often that

875

00:39:09,850 --> 00:39:07,160

that changes as the case progresses to

876

00:39:12,760 --> 00:39:09,860

the fact that they have the great anger

877

00:39:15,640 --> 00:39:12,770

and feel that this has been something

878

00:39:17,740 --> 00:39:15,650

that's been placed in their heads I can

879

00:39:22,750 --> 00:39:17,750

understand and understand easily how

880

00:39:26,140 --> 00:39:22,760

somebody might sort of lock into the the

881

00:39:29,320 --> 00:39:26,150

investigator may luck into the beatific

882

00:39:31,360 --> 00:39:29,330

side of somebody's experience and just

883

00:39:33,150 --> 00:39:31,370

simply ignore the others and not even

884

00:39:36,240 --> 00:39:33,160

ask questions

885

00:39:38,609 --> 00:39:36,250

would expand the context of what is

886

00:39:41,520 --> 00:39:38,619

being found out we have to ask many many

887

00:39:44,370 --> 00:39:41,530

questions and I I think that first of

888

00:39:48,750 --> 00:39:44,380

all the meals sprinkle was a wonderful

889

00:39:52,349 --> 00:39:48,760

person has a sort of unusual technique

890

00:39:56,039 --> 00:39:52,359

and I remember sending a man who wanted

891

00:39:59,220 --> 00:39:56,049

a contact was somebody who could help

892

00:40:01,859 --> 00:39:59,230

him sending him to Leo and he later

893

00:40:04,740 --> 00:40:01,869

reported to me that what had happened is

894

00:40:07,650 --> 00:40:04,750

that Leo was an excellent hypnotist

895

00:40:10,650 --> 00:40:07,660

could not seem to get him into hypnotic

896

00:40:15,180 --> 00:40:10,660

state which I would suggest as his an

897

00:40:17,520 --> 00:40:15,190

issue of trust and he said Leo then said

898

00:40:21,240 --> 00:40:17,530

let's change places I lie down on the

899

00:40:22,920 --> 00:40:21,250

couch and you sit in my chair I will put

900

00:40:26,609 --> 00:40:22,930

myself into a trance state and I will

901
00:40:29,430 --> 00:40:26,619
tell you what happened to you I mean at

902
00:40:33,720 --> 00:40:29,440
that point that the man was rather about

903
00:40:37,289 --> 00:40:33,730
this the basic message was that Leo came

904
00:40:40,710 --> 00:40:37,299
up with was that the aliens wanted him

905
00:40:42,720 --> 00:40:40,720
to go back to his home and show more

906
00:40:45,930 --> 00:40:42,730
love for the people who lived around him

907
00:40:48,029 --> 00:40:45,940
well at that point you know when we talk

908
00:40:48,720 --> 00:40:48,039
about getting what's pitch the portions

909
00:40:51,720 --> 00:40:48,730
agenda

910
00:40:54,510 --> 00:40:51,730
I think Leo got what he wanted out of

911
00:40:56,490 --> 00:40:54,520
that but I do think that these

912
00:40:59,910 --> 00:40:56,500
experiences are so complex that you can

913
00:41:03,299 --> 00:40:59,920

if you do it very lightly you can easily

914

00:41:07,950 --> 00:41:03,309

tap into a particular aspect of the

915

00:41:10,859 --> 00:41:07,960

experience which then if you go by that

916

00:41:12,569 --> 00:41:10,869

is the only thing that really happens it

917

00:41:15,210 --> 00:41:12,579

can warp your life damn

918

00:41:18,960 --> 00:41:15,220

so are you seeing that the lighter the

919

00:41:22,170 --> 00:41:18,970

the approach the deeper you get into a

920

00:41:27,109 --> 00:41:22,180

particular person's case the more

921

00:41:34,650 --> 00:41:32,000

about my point has always been that

922

00:41:37,349 --> 00:41:34,660

oddity one of the most confusing things

923

00:41:44,320 --> 00:41:37,359

to the abductee is that they do not end

924

00:41:50,170 --> 00:41:47,890

they don't see the mess evil beings

925

00:41:54,720 --> 00:41:50,180

intent upon their destruction and so

926
00:41:58,510 --> 00:41:54,730
forth it's the neutrality of the aliens

927
00:42:00,040 --> 00:41:58,520
appearance of behavior so upsetting to

928
00:42:02,620 --> 00:42:00,050
people because they don't know what to

929
00:42:06,070 --> 00:42:02,630
make of it and that also of course

930
00:42:08,590 --> 00:42:06,080
allows room for the interpretation on

931
00:42:10,570 --> 00:42:08,600
the part of the abductee what this is

932
00:42:13,570 --> 00:42:10,580
going to be about if you're really

933
00:42:15,720 --> 00:42:13,580
really hopeful you might just focus on

934
00:42:19,480 --> 00:42:15,730
the hopeful side of it and that's your

935
00:42:21,940 --> 00:42:19,490
somewhat paranoid you might not but the

936
00:42:27,260 --> 00:42:21,950
point is it's these things have to be

937
00:42:32,890 --> 00:42:29,790
[Music]

938
00:42:34,990 --> 00:42:32,900

fate magazine provides true reports of

939

00:42:37,570 --> 00:42:35,000

the strange and unknown keep up with the

940

00:42:40,720 --> 00:42:37,580

latest on angels and miracles psychic

941

00:42:41,650 --> 00:42:40,730

phenomena ghosts UFOs life after death

942

00:42:44,080 --> 00:42:41,660

and much much more

943

00:42:46,720 --> 00:42:44,090

to receive your free issue of faith

944

00:42:50,620 --> 00:42:46,730

magazine call now at one eight hundred

945

00:42:54,850 --> 00:42:50,630

seven two eight two seven three zero or

946

00:42:57,370 --> 00:42:54,860

visit their website at WWF a mad calm

947

00:43:06,250 --> 00:42:57,380

that's one eight hundred seven to eight

948

00:43:08,650 --> 00:43:06,260

twenty seven thirty or WWF a TEM AG calm

949

00:43:14,810 --> 00:43:08,660

what are you waiting for your fate

950

00:43:20,770 --> 00:43:17,960

this is a bear gasps you never know

951
00:43:23,920 --> 00:43:20,780
what's yes

952
00:43:26,710 --> 00:43:23,930
[Music]

953
00:43:28,779 --> 00:43:26,720
this is an ultimate abduction roundtable

954
00:43:31,210 --> 00:43:28,789
on the power cast Christopher O'Brien is

955
00:43:33,849 --> 00:43:31,220
my co-host we're featuring bud Hawkins

956
00:43:36,400 --> 00:43:33,859
Kevin Randall dr. David Jacobson noticed

957
00:43:39,250 --> 00:43:36,410
that I vary the order of the name so

958
00:43:41,559 --> 00:43:39,260
nobody's ego was being offended by nerds

959
00:43:44,799 --> 00:43:41,569
anyway okay well you know that's

960
00:43:47,799 --> 00:43:44,809
deliberate Kevin did you have a response

961
00:43:50,049 --> 00:43:47,809
before I dropped something in force what

962
00:43:52,599 --> 00:43:50,059
I have said by suggesting that some

963
00:43:54,730 --> 00:43:52,609

Richards do pull out of their abductees

964

00:43:56,440 --> 00:43:54,740

exactly what they wanted here so I mean

965

00:43:58,510 --> 00:43:56,450

that point that point is made so the

966

00:44:01,359 --> 00:43:58,520

question becomes how prevalent is that

967

00:44:03,190 --> 00:44:01,369

throughout the entire abduction research

968

00:44:05,079 --> 00:44:03,200

community and when we talk about that

969

00:44:08,200 --> 00:44:05,089

we're not talking just about Bob Hopkins

970

00:44:10,480 --> 00:44:08,210

or dr. Jacobs were talking about a lot

971

00:44:13,900 --> 00:44:10,490

of people including Leo sprinkle and and

972

00:44:16,420 --> 00:44:13,910

Jim harder or we're talking about Jim

973

00:44:18,760 --> 00:44:16,430

harder or some of the other other people

974

00:44:21,760 --> 00:44:18,770

out there doing abduction research they

975

00:44:25,930 --> 00:44:21,770

seem to draw from their abductees what

976
00:44:28,900 --> 00:44:25,940
they expect to get and John was talking

977
00:44:30,490 --> 00:44:28,910
about as they were they and he and his

978
00:44:33,700 --> 00:44:30,500
assistant were doing hypnotic

979
00:44:35,920 --> 00:44:33,710
regressions on some of their clients was

980
00:44:37,950 --> 00:44:35,930
saying as they ask the questions they

981
00:44:41,109 --> 00:44:37,960
knew what the answer is going to be and

982
00:44:44,890 --> 00:44:41,119
so there seemed to be a suggestion there

983
00:44:47,920 --> 00:44:44,900
that there was an unconscious desire by

984
00:44:50,529 --> 00:44:47,930
carpenter and an unconscious directing

985
00:44:52,029 --> 00:44:50,539
by carpenter toward the answers he

986
00:44:53,170 --> 00:44:52,039
wanted to get because they would sit

987
00:44:55,359 --> 00:44:53,180
there saying yeah we know what's going

988
00:44:57,160 --> 00:44:55,369

to happen next and as the witness was

989

00:44:58,210 --> 00:44:57,170

talking about this we were nodding and

990

00:45:02,440 --> 00:44:58,220

saying yeah we knew that was something

991

00:45:04,569 --> 00:45:02,450

meth so in the totality of abduction

992

00:45:07,779 --> 00:45:04,579

research we seem to see some of that

993

00:45:13,019 --> 00:45:07,789

sort of thing going on well let me just

994

00:45:16,510 --> 00:45:13,029

add to that that unconsciously promoting

995

00:45:19,029 --> 00:45:16,520

thoughts in a person that are complex is

996

00:45:21,180 --> 00:45:19,039

something that is God that'd that that

997

00:45:23,650 --> 00:45:21,190

would be a difficult thing that to do

998

00:45:25,480 --> 00:45:23,660

I've tried to do that with my wife and I

999

00:45:27,700 --> 00:45:25,490

just I just can't can't seem to get that

1000

00:45:30,290 --> 00:45:27,710

done

1001
00:45:35,840 --> 00:45:30,300
the problem is you do not have your life

1002
00:45:42,050 --> 00:45:35,850
in a hypnotic state we should probably

1003
00:45:45,680 --> 00:45:42,060
ask her that yeah the situation is this

1004
00:45:48,350 --> 00:45:45,690
that that hypnosis is not some sort of

1005
00:45:51,710 --> 00:45:48,360
magical situation where a person is

1006
00:45:53,510 --> 00:45:51,720
completely and totally in some sort of a

1007
00:45:55,760 --> 00:45:53,520
trance and they and their in their

1008
00:45:57,920 --> 00:45:55,770
trilby and the hypnotist is a galleon

1009
00:46:00,950 --> 00:45:57,930
and anything that Sangolli says they

1010
00:46:02,300 --> 00:46:00,960
will do it's not like that at all a lot

1011
00:46:04,700 --> 00:46:02,310
of people don't even know that they are

1012
00:46:06,710 --> 00:46:04,710
in a relaxed and comfortable state they

1013
00:46:09,380 --> 00:46:06,720

just they look at me say only amenitized

1014

00:46:11,810 --> 00:46:09,390

and I say it doesn't really matter lay

1015

00:46:14,240 --> 00:46:11,820

back down and in some ways it doesn't

1016

00:46:17,480 --> 00:46:14,250

and in some ways it does we know that

1017

00:46:18,950 --> 00:46:17,490

hypnosis is it works we know we have

1018

00:46:21,410 --> 00:46:18,960

only learned recently that there are

1019

00:46:23,960 --> 00:46:21,420

some brainwave brainwave changes in

1020

00:46:26,990 --> 00:46:23,970

hypnosis we don't exactly know why it

1021

00:46:28,730 --> 00:46:27,000

works but without it we cannot get to

1022

00:46:30,830 --> 00:46:28,740

the abduction from Allen because people

1023

00:46:35,000 --> 00:46:30,840

remember abductions they'll remember

1024

00:46:37,970 --> 00:46:35,010

bits and pieces of abductions and it is

1025

00:46:39,860 --> 00:46:37,980

a tool that is tricky it's it's

1026
00:46:43,670 --> 00:46:39,870
something that that as Christians needs

1027
00:46:46,280 --> 00:46:43,680
innovation of methodology for sure but

1028
00:46:48,380 --> 00:46:46,290
let me tell you a story well my basic

1029
00:46:50,240 --> 00:46:48,390
question is the question that all from

1030
00:46:53,300 --> 00:46:50,250
all other questions is what happens next

1031
00:46:55,340 --> 00:46:53,310
a woman came to me once who was an older

1032
00:46:58,730 --> 00:46:55,350
woman she was heavily encased in Jewish

1033
00:47:02,180 --> 00:46:58,740
material and that was fine that was okay

1034
00:47:04,640 --> 00:47:02,190
and we started doing we did two sessions

1035
00:47:06,020 --> 00:47:04,650
in the first session this happened to

1036
00:47:07,640 --> 00:47:06,030
her and that happened too and I like to

1037
00:47:10,010 --> 00:47:07,650
start out in chronological order from

1038
00:47:11,780 --> 00:47:10,020

the time before it happened to when it

1039

00:47:13,100 --> 00:47:11,790

starts to happen and what happens is the

1040

00:47:17,510 --> 00:47:13,110

first thing that happens in this segment

1041

00:47:20,090 --> 00:47:17,520

so forth and so on and and and so she is

1042

00:47:21,440 --> 00:47:20,100

she talks about this that this that is

1043

00:47:24,110 --> 00:47:21,450

that all the way to the end and there

1044

00:47:26,750 --> 00:47:24,120

was nothing that she told me that was

1045

00:47:28,490 --> 00:47:26,760

particularly new agey or spiritually

1046

00:47:31,310 --> 00:47:28,500

enlightening or transformational or

1047

00:47:33,850 --> 00:47:31,320

anything like that and she was a little

1048

00:47:36,550 --> 00:47:33,860

bit shaken because she had

1049

00:47:38,530 --> 00:47:36,560

dad this is where I was going to be and

1050

00:47:40,510 --> 00:47:38,540

she came back for another session and

1051
00:47:41,830 --> 00:47:40,520
the same thing happened and I just do

1052
00:47:46,740 --> 00:47:41,840
the same question that I do with

1053
00:47:51,100 --> 00:47:46,750
everybody which is a very very very non

1054
00:47:52,810 --> 00:47:51,110
agenda type questioning and once again

1055
00:47:55,300 --> 00:47:52,820
and she just came I was a sort of

1056
00:47:56,770 --> 00:47:55,310
standard abduction the event that

1057
00:47:59,560 --> 00:47:56,780
anybody who does the flexion hypnosis

1058
00:48:01,780 --> 00:47:59,570
will look will come across and then she

1059
00:48:04,090 --> 00:48:01,790
wrote me a letter saying that she was

1060
00:48:06,700 --> 00:48:04,100
stopping coming to me because she was

1061
00:48:10,000 --> 00:48:06,710
not the remembering the material that

1062
00:48:11,920 --> 00:48:10,010
she wanted to remember she was just

1063
00:48:14,860 --> 00:48:11,930

remembering stuff that it happened to

1064

00:48:17,290 --> 00:48:14,870

her not what she expected to remember so

1065

00:48:19,780 --> 00:48:17,300

her expectations were now realized and I

1066

00:48:21,460 --> 00:48:19,790

didn't particularly care what she was

1067

00:48:23,200 --> 00:48:21,470

doing I mean if she remembers spiritual

1068

00:48:24,760 --> 00:48:23,210

things that's fine that's good and

1069

00:48:25,900 --> 00:48:24,770

others I'm glad she's having it having

1070

00:48:28,840 --> 00:48:25,910

it that's fine you know I don't have a

1071

00:48:32,020 --> 00:48:28,850

stake in it necessarily but she did and

1072

00:48:34,000 --> 00:48:32,030

yet she could not come out with what she

1073

00:48:38,350 --> 00:48:34,010

was just remembering what happened and

1074

00:48:42,400 --> 00:48:38,360

that was that happened to be a number of

1075

00:48:43,420 --> 00:48:42,410

times to with people with rigidly very

1076

00:48:45,670 --> 00:48:43,430

New Age beliefs

1077

00:48:48,310 --> 00:48:45,680

let me just raise I think the largest

1078

00:48:50,500 --> 00:48:48,320

issue of all here and this will go from

1079

00:48:55,180 --> 00:48:50,510

part one part two and that is the

1080

00:48:57,820 --> 00:48:55,190

efficacy of using regression hypnosis to

1081

00:48:59,650 --> 00:48:57,830

unearth details in abduction so now I

1082

00:49:02,050 --> 00:48:59,660

realize the lots of pros and cons here

1083

00:49:04,750 --> 00:49:02,060

and whoever wants to jump in go ahead

1084

00:49:07,030 --> 00:49:04,760

but isn't there the danger here that

1085

00:49:10,720 --> 00:49:07,040

maybe using a technology that hasn't

1086

00:49:13,240 --> 00:49:10,730

been shown to reveal really accurate

1087

00:49:15,280 --> 00:49:13,250

results who wants to take that well I

1088

00:49:17,620 --> 00:49:15,290

can take that a little bit and I'll pass

1089

00:49:21,010 --> 00:49:17,630

it off the bud when people come to me

1090

00:49:23,290 --> 00:49:21,020

there is most of them are acutely aware

1091

00:49:25,060 --> 00:49:23,300

of several things number one they don't

1092

00:49:26,110 --> 00:49:25,070

want to be led you know all about

1093

00:49:27,610 --> 00:49:26,120

leading they know they're gonna be

1094

00:49:29,110 --> 00:49:27,620

vulnerable you know that they're gonna

1095

00:49:31,330 --> 00:49:29,120

be suggestible they don't want me to

1096

00:49:33,270 --> 00:49:31,340

lead them number two they don't want to

1097

00:49:35,620 --> 00:49:33,280

be in a situation where they're

1098

00:49:37,570 --> 00:49:35,630

unconsciously picking up things and

1099

00:49:39,670 --> 00:49:37,580

popular culture and then parroting them

1100

00:49:41,590 --> 00:49:39,680

back to me they're aware of that also

1101
00:49:42,970 --> 00:49:41,600
now obviously I don't want those things

1102
00:49:46,839 --> 00:49:42,980
either

1103
00:49:49,630 --> 00:49:46,849
and and in my hypnosis I strive to avoid

1104
00:49:53,319 --> 00:49:49,640
things like that obviously I'm not

1105
00:49:56,500 --> 00:49:53,329
interested in bad data so so it's but

1106
00:50:01,079 --> 00:49:56,510
hypnosis is well I think we all wish

1107
00:50:06,099 --> 00:50:04,630
mccann act as and as a gate and and for

1108
00:50:08,109 --> 00:50:06,109
incompetent people that can act as a

1109
00:50:09,670 --> 00:50:08,119
barrier to finding out what's going on

1110
00:50:13,660 --> 00:50:09,680
what's going on I mean he's gonna act as

1111
00:50:16,510 --> 00:50:13,670
an open gate rather and but but the fact

1112
00:50:18,190 --> 00:50:16,520
is is that yes there was full

1113
00:50:20,349 --> 00:50:18,200

remembrance of everything that was

1114

00:50:21,940 --> 00:50:20,359

happening to everybody we would have no

1115

00:50:24,359 --> 00:50:21,950

abduction phenomenon the abduction

1116

00:50:27,310 --> 00:50:24,369

phenomena would not be a feasible event

1117

00:50:30,819 --> 00:50:27,320

but in fact it is a an event that takes

1118

00:50:33,609 --> 00:50:30,829

place clandestinely and we we encounter

1119

00:50:35,859 --> 00:50:33,619

people who remembers odd things who have

1120

00:50:39,310 --> 00:50:35,869

lifetimes of odd events happening to

1121

00:50:41,650 --> 00:50:39,320

them and they in some way know that this

1122

00:50:43,420 --> 00:50:41,660

is not the way it should be they

1123

00:50:46,120 --> 00:50:43,430

understand there are a lot of different

1124

00:50:49,960 --> 00:50:46,130

ways but for a large percentage of

1125

00:50:52,270 --> 00:50:49,970

people who are abductors they cannot

1126
00:50:54,640 --> 00:50:52,280
connect to the abduction found at all on

1127
00:50:56,680 --> 00:50:54,650
their their unusual experiences that is

1128
00:50:59,829 --> 00:50:56,690
they don't make that connection and so

1129
00:51:02,859 --> 00:50:59,839
we won't see them and then so we do want

1130
00:51:04,660 --> 00:51:02,869
that that in some way no something is

1131
00:51:06,550 --> 00:51:04,670
amiss here and shouldn't be happening

1132
00:51:08,849 --> 00:51:06,560
the way it is and they don't understand

1133
00:51:13,920 --> 00:51:08,859
why it is that they will have these

1134
00:51:18,370 --> 00:51:13,930
missing time situations as buds first

1135
00:51:20,319 --> 00:51:18,380
book was entitled of two or three hours

1136
00:51:21,880 --> 00:51:20,329
or even longer and not know what

1137
00:51:24,280 --> 00:51:21,890
happened to them and nobody else knows

1138
00:51:26,829 --> 00:51:24,290

what happened to them or sees them and

1139

00:51:29,020 --> 00:51:26,839

just to tell you a short story I worked

1140

00:51:31,569 --> 00:51:29,030

with a woman once as an extremely

1141

00:51:34,660 --> 00:51:31,579

intelligent and articulate woman who

1142

00:51:37,150 --> 00:51:34,670

years ago worked in New York City in 57

1143

00:51:41,140 --> 00:51:37,160

state I guess it was as a laboratory

1144

00:51:42,970 --> 00:51:41,150

assistant and she haven't power for for

1145

00:51:45,040 --> 00:51:42,980

a luncheon she knew that she was going

1146

00:51:46,569 --> 00:51:45,050

to go across the street and get a slice

1147

00:51:48,339 --> 00:51:46,579

of pizza and that would take about 15

1148

00:51:49,809 --> 00:51:48,349

minutes and then for the next 45 minutes

1149

00:51:51,609 --> 00:51:49,819

he was going to go over she's gonna do

1150

00:51:52,780 --> 00:51:51,619

shopping so she when she got her slice a

1151

00:51:54,820 --> 00:51:52,790

piece as she walked out of the

1152

00:51:57,640 --> 00:51:54,830

restaurant the next thing she knows

1153

00:52:01,450 --> 00:51:57,650

it was three hours later and she's in a

1154

00:52:03,730 --> 00:52:01,460

building site there's a hole in the in a

1155

00:52:05,910 --> 00:52:03,740

law to with with with with equipment

1156

00:52:08,590 --> 00:52:05,920

that crane a digger whatever you know

1157

00:52:10,990 --> 00:52:08,600

down at the bottom and she's on a

1158

00:52:13,090 --> 00:52:11,000

walkway around it with a fence and she

1159

00:52:14,530 --> 00:52:13,100

has to walk around this walkway and then

1160

00:52:16,390 --> 00:52:14,540

she gets out through the fence there's a

1161

00:52:17,860 --> 00:52:16,400

little opening there and she's totally

1162

00:52:20,980 --> 00:52:17,870

destroying doesn't know where she is

1163

00:52:23,110 --> 00:52:20,990

she gets back to her office and her boss

1164

00:52:24,310 --> 00:52:23,120

says where have you been my god we

1165

00:52:25,510 --> 00:52:24,320

thought you had been month there's

1166

00:52:26,110 --> 00:52:25,520

something we were just about to call the

1167

00:52:29,140 --> 00:52:26,120

police

1168

00:52:31,690 --> 00:52:29,150

and he went directly into her her own

1169

00:52:34,360 --> 00:52:31,700

office and called her physician and said

1170

00:52:36,460 --> 00:52:34,370

I think I just had a stroke and that was

1171

00:52:38,530 --> 00:52:36,470

of course the correct thing to do

1172

00:52:40,330 --> 00:52:38,540

because you're not going to have a

1173

00:52:41,530 --> 00:52:40,340

period of three hours or you don't know

1174

00:52:42,880 --> 00:52:41,540

where you are you wake up somewhere else

1175

00:52:45,250 --> 00:52:42,890

or you've come to consciousness

1176
00:52:47,290 --> 00:52:45,260
somewhere especially in Manhattan right

1177
00:52:49,030 --> 00:52:47,300
well you know struggling Manhattan just

1178
00:52:52,030 --> 00:52:49,040
by getting around town every day and

1179
00:52:54,400 --> 00:52:52,040
putting up with the hassles of that city

1180
00:52:56,710 --> 00:52:54,410
right well the point was is that she did

1181
00:52:58,450 --> 00:52:56,720
have an MRI and she went for she went

1182
00:53:00,550 --> 00:52:58,460
through with it and there was of course

1183
00:53:02,350 --> 00:53:00,560
nothing on the MRI everything was fine

1184
00:53:03,220 --> 00:53:02,360
she did not have a stroke she doesn't

1185
00:53:05,380 --> 00:53:03,230
have a brain tumor

1186
00:53:06,760 --> 00:53:05,390
she eventually came to me and we knew we

1187
00:53:08,650 --> 00:53:06,770
found out sort of what had happened to

1188
00:53:10,810 --> 00:53:08,660

her during that three hours and when you

1189

00:53:13,210 --> 00:53:10,820

do it through hypnosis because people

1190

00:53:16,330 --> 00:53:13,220

have these experiences and they'll tell

1191

00:53:18,820 --> 00:53:16,340

you think about them for 10 20 30 years

1192

00:53:20,350 --> 00:53:18,830

sometimes some some sort of triggering

1193

00:53:21,400 --> 00:53:20,360

event something that they remembered as

1194

00:53:24,010 --> 00:53:21,410

opposed to all the rest them that they

1195

00:53:25,750 --> 00:53:24,020

don't and when they finally come to it's

1196

00:53:28,240 --> 00:53:25,760

a butter to me and they and we look at

1197

00:53:31,210 --> 00:53:28,250

them the it resolved so they understand

1198

00:53:33,700 --> 00:53:31,220

oh I remember it now now I get it that's

1199

00:53:35,560 --> 00:53:33,710

what it is and it unfortunately it's

1200

00:53:37,690 --> 00:53:35,570

only hypnosis that does it now there

1201

00:53:38,770 --> 00:53:37,700

have been other attempts to try

1202

00:53:43,030 --> 00:53:38,780

different techniques

1203

00:53:45,430 --> 00:53:43,040

there's holotropic or hello topic breast

1204

00:53:47,560 --> 00:53:45,440

work that your Mac used to do other

1205

00:53:49,630 --> 00:53:47,570

researchers of them sort of a a a

1206

00:53:51,580 --> 00:53:49,640

situation where you clap your hands six

1207

00:53:53,540 --> 00:53:51,590

times or whatever it is and then there's

1208

00:53:55,550 --> 00:53:53,550

a MD there there's

1209

00:53:59,630 --> 00:53:55,560

there AMD rather there's all sorts of

1210

00:54:01,700 --> 00:53:59,640

other treatments but but the best one is

1211

00:54:04,970 --> 00:54:01,710

basically just getting somebody to relax

1212

00:54:07,400 --> 00:54:04,980

to focus to sort of go back into the

1213

00:54:09,290 --> 00:54:07,410

events of the the time and and start

1214

00:54:10,490 --> 00:54:09,300

reporting them now this does not say

1215

00:54:12,740 --> 00:54:10,500

that they don't say things that aren't

1216

00:54:15,290 --> 00:54:12,750

true I found that that does happen and

1217

00:54:17,270 --> 00:54:15,300

there is confabulation and there are

1218

00:54:20,150 --> 00:54:17,280

there are false memories and that does

1219

00:54:22,820 --> 00:54:20,160

happen and it's and it's up to me to try

1220

00:54:25,040 --> 00:54:22,830

to separate it out and and and try to

1221

00:54:27,410 --> 00:54:25,050

say you know what this is I think this

1222

00:54:31,190 --> 00:54:27,420

is important than this isn't important

1223

00:54:33,680 --> 00:54:31,200

for example there was a guy who came to

1224

00:54:36,280 --> 00:54:33,690

me once and when he was a little kid

1225

00:54:38,390 --> 00:54:36,290

house is already here in a year in a

1226
00:54:40,910 --> 00:54:38,400
strange area here when you're like a

1227
00:54:43,670 --> 00:54:40,920
five-year-old or something like that and

1228
00:54:46,100 --> 00:54:43,680
he and his his mother and his baby

1229
00:54:48,080 --> 00:54:46,110
brother had gone out strawberry picking

1230
00:54:49,730 --> 00:54:48,090
now this was an event that he was in his

1231
00:54:51,980 --> 00:54:49,740
thirties he has thought about this

1232
00:54:53,450 --> 00:54:51,990
consistently throughout his entire life

1233
00:54:56,330 --> 00:54:53,460
this was his triggering event

1234
00:54:58,430 --> 00:54:56,340
essentially and we we determined that

1235
00:55:00,550 --> 00:54:58,440
that he was in the backseat of a car and

1236
00:55:04,850 --> 00:55:00,560
he were driving and instead of going to

1237
00:55:06,200 --> 00:55:04,860
strawberry picking he went to they went

1238
00:55:07,550 --> 00:55:06,210

to an area where there was a big water

1239

00:55:09,500 --> 00:55:07,560

tower they parked in a parking lot

1240

00:55:11,000 --> 00:55:09,510

around it and there was an object there

1241

00:55:12,380 --> 00:55:11,010

then I think he knew he and his mother

1242

00:55:15,110 --> 00:55:12,390

and her baby were being lifted up into

1243

00:55:16,250 --> 00:55:15,120

this object and this time filming that

1244

00:55:17,360 --> 00:55:16,260

happen to him this happened um that

1245

00:55:19,730 --> 00:55:17,370

happened to him and then they brought

1246

00:55:21,440 --> 00:55:19,740

him back down he was found himself in

1247

00:55:23,480 --> 00:55:21,450

the back in the parking lot and he

1248

00:55:25,550 --> 00:55:23,490

looked at this at the street which was

1249

00:55:28,490 --> 00:55:25,560

right next to where they'd come in and

1250

00:55:31,130 --> 00:55:28,500

he saw what was obviously a penny or

1251
00:55:32,840 --> 00:55:31,140
something lying in the street he ran out

1252
00:55:35,480 --> 00:55:32,850
into the street to get the penny and a

1253
00:55:36,800 --> 00:55:35,490
pickup truck barreled down on him he was

1254
00:55:40,400 --> 00:55:36,810
actually at the Roy at the rise of a

1255
00:55:43,700 --> 00:55:40,410
hill and she hands on his brakes and and

1256
00:55:45,230 --> 00:55:43,710
basically hit him he went rolling down

1257
00:55:47,930 --> 00:55:45,240
the street his mother started screaming

1258
00:55:48,590 --> 00:55:47,940
the guy in the trucks it I God where did

1259
00:55:52,580 --> 00:55:48,600
he come from

1260
00:55:55,910 --> 00:55:52,590
and the next thing the kid knew was he

1261
00:55:58,700 --> 00:55:55,920
was back on the object and they were

1262
00:56:01,640 --> 00:55:58,710
working on him these beings and they

1263
00:56:03,290 --> 00:56:01,650

said told him that that they had to take

1264

00:56:05,630 --> 00:56:03,300

him out of his body and put him in

1265

00:56:06,319 --> 00:56:05,640

somebody else's body in order to repair

1266

00:56:10,699 --> 00:56:06,329

him and

1267

00:56:12,769 --> 00:56:10,709

and so they did that and he told he told

1268

00:56:14,479 --> 00:56:12,779

him put me back in my body he was

1269

00:56:17,779 --> 00:56:14,489

anxious about that put me back in my

1270

00:56:19,969 --> 00:56:17,789

body and anyway eventually they did and

1271

00:56:21,199 --> 00:56:19,979

then they all returned back to the car

1272

00:56:23,839 --> 00:56:21,209

and went home and forgot the entire

1273

00:56:27,079 --> 00:56:23,849

event and I told him well you know I

1274

00:56:29,509 --> 00:56:27,089

thought that it's a very interesting my

1275

00:56:32,390 --> 00:56:29,519

sense though is that a kid who's five or

1276
00:56:34,910 --> 00:56:32,400
four whatever is not going to say put me

1277
00:56:37,640 --> 00:56:34,920
back in my body yeah I was going to say

1278
00:56:44,900 --> 00:56:37,650
his my sense is that a kid is going to

1279
00:56:46,910 --> 00:56:44,910
say that's what a kid's gonna say and I

1280
00:56:50,689 --> 00:56:46,920
just I'd never heard anything like that

1281
00:56:52,999 --> 00:56:50,699
before and so I told him that I just I

1282
00:56:55,249 --> 00:56:53,009
just you know we have to be very careful

1283
00:56:56,949 --> 00:56:55,259
with that story it's you know it doesn't

1284
00:56:59,539 --> 00:56:56,959
match anything I've ever heard and and

1285
00:57:00,949 --> 00:56:59,549
and he was sort of huffy about it you

1286
00:57:04,729 --> 00:57:00,959
know he thought that that was exactly

1287
00:57:06,439 --> 00:57:04,739
what happened but I didn't and so I do

1288
00:57:08,479 --> 00:57:06,449

think that there are things have that

1289

00:57:10,819 --> 00:57:08,489

the hypnotist has to be responsible in

1290

00:57:12,859 --> 00:57:10,829

terms of about in terms of hearing

1291

00:57:16,429 --> 00:57:12,869

things that nobody else has ever said

1292

00:57:19,309 --> 00:57:16,439

before and it doesn't become evidence

1293

00:57:21,109 --> 00:57:19,319

then and and when you do hypnosis as bud

1294

00:57:23,479 --> 00:57:21,119

knows and and it's all a series of my

1295

00:57:25,729 --> 00:57:23,489

hypnotist know you ask a series of

1296

00:57:27,589 --> 00:57:25,739

questions that are calculated to find

1297

00:57:29,809 --> 00:57:27,599

out whether a person is vulnerable and

1298

00:57:32,749 --> 00:57:29,819

will be led and will indulge and

1299

00:57:34,789 --> 00:57:32,759

confabulation and that sort of thing and

1300

00:57:36,769 --> 00:57:34,799

and they're very subtle questions that

1301
00:57:38,419 --> 00:57:36,779
have been worked out over the years so

1302
00:57:41,029 --> 00:57:38,429
it's not like we're just going in blind

1303
00:57:42,410 --> 00:57:41,039
believing everything that we hear you

1304
00:57:45,919 --> 00:57:42,420
want to have a response that Kevin

1305
00:57:47,749 --> 00:57:45,929
before we split for the hour break I

1306
00:57:50,870 --> 00:57:47,759
want to know what do you think about the

1307
00:57:53,179 --> 00:57:50,880
process of hypnotic regression yes sir I

1308
00:57:55,459 --> 00:57:53,189
don't think it's a very very good tool

1309
00:57:58,069 --> 00:57:55,469
for an investigation I think it's too

1310
00:58:00,679 --> 00:57:58,079
easy to lead people I think it's I think

1311
00:58:02,929 --> 00:58:00,689
that people have a real if they wish to

1312
00:58:06,319 --> 00:58:02,939
they don't wish but they are prone to

1313
00:58:08,569 --> 00:58:06,329

please the operator and even the most

1314

00:58:11,329 --> 00:58:08,579

basic benign question and can subtly

1315

00:58:13,910 --> 00:58:11,339

lead somebody in a direction and we can

1316

00:58:17,359 --> 00:58:13,920

see that in lots of different arenas we

1317

00:58:19,620 --> 00:58:17,369

see it all the time but you you have to

1318

00:58:21,180 --> 00:58:19,630

back everything up with some kind of

1319

00:58:23,790 --> 00:58:21,190

creet evidence if we take a look at the

1320

00:58:26,160 --> 00:58:23,800

satanic ritual abuse phenomenon that was

1321

00:58:29,670 --> 00:58:26,170

prevalent in the 90s we see an awful lot

1322

00:58:31,620 --> 00:58:29,680

of people undergoing hypnotic regression

1323

00:58:34,470 --> 00:58:31,630

and remembering these horrific memories

1324

00:58:38,160 --> 00:58:34,480

of satanic ritual abuse and yet no

1325

00:58:40,770 --> 00:58:38,170

physical evidence ever ever surfaced to

1326

00:58:44,400 --> 00:58:40,780

show that there were widespread satanic

1327

00:58:45,900 --> 00:58:44,410

groups cults out there committing all

1328

00:58:48,900 --> 00:58:45,910

these sorts of crimes and we have Keith

1329

00:58:52,140 --> 00:58:48,910

learned you know for for those sorts of

1330

00:58:56,310 --> 00:58:52,150

things even though the evidence did not

1331

00:59:00,900 --> 00:58:56,320

support it and and a lot of the data was

1332

00:59:03,350 --> 00:59:00,910

was retrieved through various hypnotic

1333

00:59:07,350 --> 00:59:03,360

regression techniques we'll return with

1334

00:59:09,030 --> 00:59:07,360

the very cast abduction roundtable we

1335

00:59:11,700 --> 00:59:09,040

have Christopher O Brien as my co-host

1336

00:59:14,310 --> 00:59:11,710

dr. David Jacobs Kevin Randall but

1337

00:59:17,750 --> 00:59:14,320

Hopkins more on the other side of the

1338

00:59:22,960 --> 00:59:20,190

[Music]

1339

00:59:25,720 --> 00:59:22,970

hey neighbors would you like to see the

1340

00:59:27,430 --> 00:59:25,730

power cast live long and prosper well if

1341

00:59:29,770 --> 00:59:27,440

you know of anyone who wants to

1342

00:59:31,930 --> 00:59:29,780

advertise their products or services on

1343

00:59:34,630 --> 00:59:31,940

the power cast have them contact us

1344

00:59:36,370 --> 00:59:34,640

directly tell them to write to sales at

1345

00:59:42,609 --> 00:59:36,380

the para cast com

1346

00:59:44,980 --> 00:59:42,619

we also accept your donations by PayPal

1347

00:59:48,550 --> 00:59:44,990

send your PayPal donation to the same

1348

00:59:51,520 --> 00:59:48,560

address sales at Lopera cast calm at

1349

00:59:58,200 --> 00:59:51,530

sales at the power cast calm and thanks

1350

01:00:02,950 --> 01:00:00,789

we have the ultimate abduction

1351

01:00:04,930 --> 01:00:02,960

roundtable christopher o'brien is my

1352

01:00:07,059 --> 01:00:04,940

special guest co-host we're featuring

1353

01:00:10,029 --> 01:00:07,069

Kevin Randle dr. David Jacobs

1354

01:00:12,430 --> 01:00:10,039

and Budd Hopkins and Kevin before the

1355

01:00:14,829 --> 01:00:12,440

early break expressed concerns about the

1356

01:00:17,589 --> 01:00:14,839

value of using hypnotic regression bud

1357

01:00:20,230 --> 01:00:17,599

your response well he used a very

1358

01:00:24,789 --> 01:00:20,240

interesting example the whole situation

1359

01:00:27,910 --> 01:00:24,799

of the sort of sad for satanic ritual

1360

01:00:30,309 --> 01:00:27,920

abuse which we knew about quite some

1361

01:00:33,039 --> 01:00:30,319

time ago that it was came and went and

1362

01:00:34,930 --> 01:00:33,049

tremendous amount of damage and it dosis

1363

01:00:38,470 --> 01:00:34,940

was involved but the interesting thing

1364

01:00:41,039 --> 01:00:38,480

there is that when somebody comes to a

1365

01:00:44,140 --> 01:00:41,049

day for myself or another investigator

1366

01:00:45,999 --> 01:00:44,150

they're already assuming that they had

1367

01:00:49,809 --> 01:00:46,009

some kind of weird spirits they can't

1368

01:00:52,660 --> 01:00:49,819

explain as examples of dimension already

1369

01:00:55,150 --> 01:00:52,670

by Dave gourmet so he knows there's

1370

01:00:57,700 --> 01:00:55,160

something some problem but with the

1371

01:01:01,299 --> 01:00:57,710

ritual satanic abuse people are going to

1372

01:01:04,210 --> 01:01:01,309

therapist for some other kind of issue

1373

01:01:06,789 --> 01:01:04,220

of the self-esteem problems or whatever

1374

01:01:11,440 --> 01:01:06,799

it was and the therapist who was the

1375

01:01:15,999 --> 01:01:11,450

believer in the satanic cult idea said

1376

01:01:19,269 --> 01:01:16,009

no no you just a matter of what you say

1377

01:01:22,960 --> 01:01:19,279

it is a drinking problem or some some

1378

01:01:26,049 --> 01:01:22,970

mundane kind of emotional problem but

1379

01:01:28,480 --> 01:01:26,059

you were a victim of this whole kind of

1380

01:01:30,400 --> 01:01:28,490

thing world of incest whatever and the

1381

01:01:33,009 --> 01:01:30,410

person would say no and they would say

1382

01:01:34,690 --> 01:01:33,019

it's because you really had really

1383

01:01:37,990 --> 01:01:34,700

happened that you're fighting it so much

1384

01:01:39,819 --> 01:01:38,000

and they would eventually try to

1385

01:01:41,890 --> 01:01:39,829

persuade the person that they have

1386

01:01:44,230 --> 01:01:41,900

really been the victim when there was

1387

01:01:46,269 --> 01:01:44,240

actually no recollection of the person

1388

01:01:48,400 --> 01:01:46,279

had brought in to start with and then

1389

01:01:49,930 --> 01:01:48,410

put them under hypnosis and sort of more

1390

01:01:52,870 --> 01:01:49,940

or less force them to come up with

1391

01:01:55,029 --> 01:01:52,880

imagery now that whole thing of course

1392

01:01:57,670 --> 01:01:55,039

is totally reprehensible of what

1393

01:01:59,829 --> 01:01:57,680

eventually happens we know is that many

1394

01:02:01,960 --> 01:01:59,839

of these people realized after this if

1395

01:02:04,480 --> 01:02:01,970

they were accusing some member of their

1396

01:02:07,210 --> 01:02:04,490

family was of incest or whatever they'd

1397

01:02:10,360 --> 01:02:07,220

never happened and the families was sort

1398

01:02:11,920 --> 01:02:10,370

of torn up these people eventually

1399

01:02:14,580 --> 01:02:11,930

turned on the therapist realized the

1400

01:02:17,950 --> 01:02:14,590

whole idea had been planted and

1401

01:02:21,040 --> 01:02:17,960

obviously you know what to get very good

1402

01:02:23,920 --> 01:02:21,050

and so forth sued therapist and many

1403

01:02:26,620 --> 01:02:23,930

therapists lost a lot of lawsuits on

1404

01:02:29,110 --> 01:02:26,630

this or settled out of court this is a

1405

01:02:32,590 --> 01:02:29,120

case in what happens if somebody has an

1406

01:02:34,480 --> 01:02:32,600

agenda and somebody is just trying to be

1407

01:02:36,430 --> 01:02:34,490

led into it they had to force these

1408

01:02:38,830 --> 01:02:36,440

people really should many sessions

1409

01:02:43,540 --> 01:02:38,840

sometimes to come up with this material

1410

01:02:46,900 --> 01:02:43,550

and so eventually there were enormous

1411

01:02:49,510 --> 01:02:46,910

problems which somehow were attached to

1412

01:02:53,110 --> 01:02:49,520

the process of their doses rather than

1413

01:02:55,120 --> 01:02:53,120

to the forcible that foreseeable agenda

1414

01:02:58,270 --> 01:02:55,130
actually by the therapist on the

1415

01:03:01,660 --> 01:02:58,280
individual my feeling here is that

1416

01:03:04,390 --> 01:03:01,670
hypnosis is very much like just regular

1417

01:03:07,750 --> 01:03:04,400
questioning I don't really see the huge

1418

01:03:09,460 --> 01:03:07,760
difference except the person who has

1419

01:03:12,690 --> 01:03:09,470
been hypnotized it's in a very relaxed

1420

01:03:16,840 --> 01:03:12,700
state but you can you can lead somebody

1421

01:03:19,270 --> 01:03:16,850
into some conclusion that it's a

1422

01:03:22,420 --> 01:03:19,280
completely false one just a normal

1423

01:03:24,940 --> 01:03:22,430
conversation the great thing about many

1424

01:03:27,270 --> 01:03:24,950
defense lawyers and so forth is that

1425

01:03:30,610 --> 01:03:27,280
they could take it and somebody who's

1426

01:03:33,700 --> 01:03:30,620

they're trying to defend they can ask

1427

01:03:35,470 --> 01:03:33,710

questions of the accusing witness in

1428

01:03:39,520 --> 01:03:35,480

such a way that they're forcing that

1429

01:03:42,070 --> 01:03:39,530

person into a position where his whole I

1430

01:03:44,650 --> 01:03:42,080

gave what had happened disappears though

1431

01:03:47,320 --> 01:03:44,660

hypnosis involved but the idea of

1432

01:03:51,540 --> 01:03:47,330

forcing false ideas into somebody's mind

1433

01:03:54,850 --> 01:03:51,550

if something is not limited get analysis

1434

01:03:57,820 --> 01:03:54,860

there are too many positive outcomes

1435

01:04:02,080 --> 01:03:57,830

with hypnosis that actually established

1436

01:04:07,270 --> 01:04:02,090

for a fact and it works to have any kind

1437

01:04:11,170 --> 01:04:07,280

of you know blanket attack on it so it's

1438

01:04:12,760 --> 01:04:11,180

it's to me I think it's unfortunate as

1439

01:04:16,360 --> 01:04:12,770

they've said that we have to use it but

1440

01:04:18,370 --> 01:04:16,370

it's one way to fill in the blanks in

1441

01:04:19,750 --> 01:04:18,380

the person's experience UFO experience

1442

01:04:20,770 --> 01:04:19,760

it's a good thing we don't have any

1443

01:04:22,840 --> 01:04:20,780

lawyers that are out there

1444

01:04:27,870 --> 01:04:22,850

touting themselves as abduction research

1445

01:04:31,000 --> 01:04:29,530

researchers who made you've taken

1446

01:04:33,160 --> 01:04:31,010

somebody who believed they had been

1447

01:04:35,320 --> 01:04:33,170

satanic literally abused and change

1448

01:04:42,280 --> 01:04:35,330

their opinions into claiming they had

1449

01:04:43,660 --> 01:04:42,290

been abducted any abduction researchers

1450

01:04:45,370 --> 01:04:43,670

who have taken people who maybe thought

1451

01:04:47,830 --> 01:04:45,380

they had been satanic literally abused

1452

01:04:50,590 --> 01:04:47,840

and change them into abductees well I'm

1453

01:04:53,080 --> 01:04:50,600

not changing them turkeys the people who

1454

01:04:56,380 --> 01:04:53,090

mean I never had anybody come to me

1455

01:04:58,300 --> 01:04:56,390

thinking they had been victims of the

1456

01:05:02,920 --> 01:04:58,310

satanic abuse or anything like that

1457

01:05:04,210 --> 01:05:02,930

I had people who had experiences that

1458

01:05:08,350 --> 01:05:04,220

they thought might have been

1459

01:05:12,880 --> 01:05:08,360

it's incestuous experiences where as we

1460

01:05:16,390 --> 01:05:12,890

look into them by the tail turned out to

1461

01:05:19,540 --> 01:05:16,400

not be involved with anything incestuous

1462

01:05:23,470 --> 01:05:19,550

but actually it turned out to be an

1463

01:05:25,510 --> 01:05:23,480

abduction experience which again there's

1464

01:05:30,990 --> 01:05:25,520

other abduction experiences you know art

1465

01:05:36,040 --> 01:05:34,480

not necessarily to you or to dr. Jacobs

1466

01:05:39,070 --> 01:05:36,050

but I'm thinking of a specific

1467

01:05:43,150 --> 01:05:39,080

California researchers we did that it's

1468

01:05:45,190 --> 01:05:43,160

a little I'm sorry it's hard to hear you

1469

01:05:48,910 --> 01:05:45,200

did your thing in the Californian

1470

01:05:50,830 --> 01:05:48,920

situation researcher in California who

1471

01:05:54,010 --> 01:05:50,840

lost his lights and because people had

1472

01:05:56,040 --> 01:05:54,020

come to him believing seriously believe

1473

01:05:59,110 --> 01:05:56,050

me botanically ritually abused and

1474

01:06:03,490 --> 01:05:59,120

guided them into belief in alien

1475

01:06:04,750 --> 01:06:03,500

abduction oh yeah using hypnosis and

1476

01:06:07,240 --> 01:06:04,760

when somebody says well I can't get

1477

01:06:09,190 --> 01:06:07,250

anything Lisa will make it up so I'm not

1478

01:06:10,630 --> 01:06:09,200

suggesting you can eyes engage in that

1479

01:06:14,050 --> 01:06:10,640

I'm suggesting that when we're looking

1480

01:06:16,300 --> 01:06:14,060

at the totality of alien abduction

1481

01:06:20,200 --> 01:06:16,310

research we're getting an awful lot of

1482

01:06:23,340 --> 01:06:20,210

stuff in there that that is contaminated

1483

01:06:30,010 --> 01:06:26,800

points I get shouted down yeah well I

1484

01:06:32,600 --> 01:06:30,020

think it that that's another reason as

1485

01:06:34,070 --> 01:06:32,610

Dave and Chris had suggested that we

1486

01:06:36,920 --> 01:06:34,080

you should have this far most

1487

01:06:39,890 --> 01:06:36,930

standardize it is to avoid that one of

1488

01:06:42,040 --> 01:06:39,900

the basic methods that I use and I

1489

01:06:45,500 --> 01:06:42,050

hesitate ever to talk about this because

1490

01:06:47,810 --> 01:06:45,510

it's too useful than any rate when a

1491

01:06:50,710 --> 01:06:47,820

person is very relaxed and and I'm

1492

01:06:53,420 --> 01:06:50,720

asking a question often question is

1493

01:06:56,420 --> 01:06:53,430

what's happening now or whatever

1494

01:07:02,740 --> 01:06:56,430

something very neutral but often I will

1495

01:07:04,490 --> 01:07:02,750

slip in a false lead and I don't want to

1496

01:07:06,260 --> 01:07:04,500

explain it anymore

1497

01:07:08,990 --> 01:07:06,270

and hitting more about that except that

1498

01:07:12,290 --> 01:07:09,000

in one case a little boy this is just a

1499

01:07:14,300 --> 01:07:12,300

conversation thin-walled hypnosis but he

1500

01:07:16,610 --> 01:07:14,310

had been telling me about these are the

1501

01:07:21,940 --> 01:07:16,620

people in the room and this is part of a

1502

01:07:24,890 --> 01:07:21,950

very long complex family story - he was

1503

01:07:27,110 --> 01:07:24,900

up to the beam of light he went into

1504

01:07:28,910 --> 01:07:27,120

this round thing and so forth and it was

1505

01:07:30,380 --> 01:07:28,920

sounding he was very frightened it

1506

01:07:33,170 --> 01:07:30,390

sounded earned just like a little

1507

01:07:35,000 --> 01:07:33,180

abduction of course but anyway he said

1508

01:07:37,640 --> 01:07:35,010

he went into this room and I said well

1509

01:07:40,100 --> 01:07:37,650

this lounge space where there was a

1510

01:07:42,650 --> 01:07:40,110

table and I said well let's stop right

1511

01:07:43,910 --> 01:07:42,660

here this is very very important I have

1512

01:07:46,010 --> 01:07:43,920

a very important question

1513

01:07:48,200 --> 01:07:46,020

let me take you into that room they

1514

01:07:51,110 --> 01:07:48,210

always give you something to eat first

1515

01:07:53,630 --> 01:07:51,120

now what did they give you of course

1516

01:07:56,000 --> 01:07:53,640

they don't give anybody anything B and

1517

01:07:58,820 --> 01:07:56,010

this was a child looks great but plexus

1518

01:08:00,080 --> 01:07:58,830

is normal conversation and very sad and

1519

01:08:02,780 --> 01:08:00,090

he said well they didn't give me

1520

01:08:07,250 --> 01:08:02,790

anything to eat you know which was of

1521

01:08:10,880 --> 01:08:07,260

course a very nice little test just a

1522

01:08:14,420 --> 01:08:10,890

simple invented child story that brings

1523

01:08:16,550 --> 01:08:14,430

up a point that I wanted to make and

1524

01:08:17,900 --> 01:08:16,560

that is I've been I've been listening to

1525

01:08:19,250 --> 01:08:17,910

this and I one of the things that I've

1526

01:08:22,130 --> 01:08:19,260

always wondered is how come there are no

1527

01:08:24,500 --> 01:08:22,140

there are not reports of people needing

1528

01:08:26,690 --> 01:08:24,510

to use the lavatory while there they've

1529

01:08:28,190 --> 01:08:26,700

been gone for X amount of time the first

1530

01:08:29,840 --> 01:08:28,200

thing that happens to me in the morning

1531

01:08:34,190 --> 01:08:29,850

when I wake up is I gotta go to the

1532

01:08:39,130 --> 01:08:34,200

bathroom and I don't know have you guys

1533

01:08:45,459 --> 01:08:43,580

there has one woman was abducted and she

1534

01:08:47,019 --> 01:08:45,469

told them that she had the urinate

1535

01:08:49,390 --> 01:08:47,029

these in the know don't don't worry

1536

01:08:52,450 --> 01:08:49,400

about it Sony is there okay and she just

1537

01:08:56,890 --> 01:08:52,460

urinated in the hallway and so the

1538

01:09:00,789 --> 01:08:56,900

aliens don't have bathrooms not that

1539

01:09:02,829 --> 01:09:00,799

I've ever seen then she looked back and

1540

01:09:07,149 --> 01:09:02,839

she saw somebody cleaning up the year

1541

01:09:10,419 --> 01:09:07,159

but that does happen and it what happens

1542

01:09:12,579 --> 01:09:10,429

more is that is that they're abducted is

1543

01:09:14,109 --> 01:09:12,589

less to say if it is at night and

1544

01:09:16,149 --> 01:09:14,119

they're not wearing their glasses and

1545

01:09:17,829 --> 01:09:16,159

they'll complain why like yeah you know

1546

01:09:20,709 --> 01:09:17,839

I have my guesses on so it's hard for me

1547

01:09:22,089 --> 01:09:20,719

to see you know and in dream material

1548

01:09:24,849 --> 01:09:22,099

it's not hard for anybody to see

1549

01:09:27,069 --> 01:09:24,859

anything but this is this is this is one

1550

01:09:31,439 --> 01:09:27,079

the problem that I run into far more

1551

01:09:34,660 --> 01:09:31,449

often I had a case they were a woman

1552

01:09:37,269 --> 01:09:34,670

remember this is a little girl she had

1553

01:09:41,169 --> 01:09:37,279

been taken along with her little sister

1554

01:09:44,739 --> 01:09:41,179

who was something like two or three and

1555

01:09:46,209 --> 01:09:44,749

when she was in the craft and course she

1556

01:09:49,689 --> 01:09:46,219

was the only flight and so was her

1557

01:09:52,120 --> 01:09:49,699

little sister and that she said that she

1558

01:09:54,069 --> 01:09:52,130

looked over and very embarrassed because

1559

01:09:59,319 --> 01:09:54,079

the little sister was there an ad on the

1560

01:10:01,270 --> 01:09:59,329

floor you have cases like that but we

1561

01:10:03,430 --> 01:10:01,280

don't know what happens in something

1562

01:10:08,680 --> 01:10:03,440

like because Travis Walton case and five

1563

01:10:10,540 --> 01:10:08,690

out of five days but I just wanted to

1564

01:10:12,549 --> 01:10:10,550

get a case that was five days and and

1565

01:10:15,459 --> 01:10:12,559

the woman indicated that day that they

1566

01:10:17,469 --> 01:10:15,469

used the catheter on her and and just

1567

01:10:19,660 --> 01:10:17,479

pressed on her abdomen I guess and she's

1568

01:10:21,569 --> 01:10:19,670

able to urinate that way so the aliens

1569

01:10:24,879 --> 01:10:21,579

therefore do not have a standard

1570

01:10:26,790 --> 01:10:24,889

bathroom or biological waste system

1571

01:10:31,779 --> 01:10:26,800

perhaps

1572

01:10:37,910 --> 01:10:35,779

is there a secret UFO agenda to strange

1573

01:10:40,430 --> 01:10:37,920

creatures from the darkest corners of

1574

01:10:43,189 --> 01:10:40,440

the mind roam the earth is there

1575

01:10:46,549 --> 01:10:43,199

evidence for mind control time travel or

1576

01:10:48,169 --> 01:10:46,559

devious government conspiracies find out

1577

01:10:51,169 --> 01:10:48,179

the inside scoop on the latest

1578

01:10:53,870 --> 01:10:51,179

conspiracies Paranormal Activity and at

1579

01:10:56,180 --> 01:10:53,880

14 phenomena when you subscribe to Tim

1580

01:10:59,000 --> 01:10:56,190

Beckley's conspiracy girl it's

1581

01:11:01,580 --> 01:10:59,010

jam-packed with stories special book and

1582

01:11:04,040 --> 01:11:01,590

DVD promotions and the best news is

1583

01:11:06,919 --> 01:11:04,050

absolutely free sent right to your

1584

01:11:10,490 --> 01:11:06,929

mailbox plus a bonus free email

1585

01:11:12,350 --> 01:11:10,500

newsletter sent out every Friday simply

1586

01:11:17,000 --> 01:11:12,360

send an email with your name and address

1587

01:11:21,680 --> 01:11:17,010

to Mister UFO at what TV net attached to

1588

01:11:26,550 --> 01:11:21,690

mr. UFO at web TV dotnet find out what

1589

01:11:31,360 --> 01:11:28,410

[Music]

1590

01:11:33,130 --> 01:11:31,370

we want to hear from you if you have a

1591

01:11:36,670 --> 01:11:33,140

comment or question about the pair cast

1592

01:11:39,820 --> 01:11:36,680

send it to news at the pair cast com

1593

01:11:41,800 --> 01:11:39,830

that's news at the pair cast calm and

1594

01:11:43,510 --> 01:11:41,810

don't forget to visit our forums where

1595

01:11:46,060 --> 01:11:43,520

you can talk to fellow listeners just go

1596

01:11:48,520 --> 01:11:46,070

to the para cast comm and click on the

1597

01:11:58,090 --> 01:11:48,530

forum links that's the forum links at

1598

01:12:00,280 --> 01:11:58,100

the para cast comm Budd Hopkins Kevin

1599

01:12:01,750 --> 01:12:00,290

Randall dr. David Jacobs joining us for

1600

01:12:04,690 --> 01:12:01,760

an ultimate abduction Remington

1601

01:12:06,250 --> 01:12:04,700

Christopher Orion is my co-host and

1602

01:12:08,890 --> 01:12:06,260

we're exploring a lot of the

1603

01:12:11,320 --> 01:12:08,900

implications here now one of the things

1604

01:12:13,600 --> 01:12:11,330

that comes out of left field here is the

1605

01:12:15,700 --> 01:12:13,610

fact that we tend to take what they say

1606

01:12:18,370 --> 01:12:15,710

at face value of these must be aliens

1607

01:12:20,950 --> 01:12:18,380

maybe we have hybrids etc but when you

1608

01:12:22,750 --> 01:12:20,960

read books from Jacques filet and others

1609

01:12:25,300 --> 01:12:22,760

you get the impression that when we

1610

01:12:28,870 --> 01:12:25,310

encounter other intelligences there's a

1611

01:12:31,600 --> 01:12:28,880

lot of deception involved why should we

1612

01:12:33,910 --> 01:12:31,610

dr. David Jacobs assume that what

1613

01:12:38,740 --> 01:12:33,920

they're telling us is a literal truth

1614

01:12:44,380 --> 01:12:38,750

well now I'm not gonna differ a little

1615

01:12:45,729 --> 01:12:44,390

bit on the situation by the way we can

1616

01:12:48,190 --> 01:12:45,739

allow you both if you want to disagree

1617

01:12:51,720 --> 01:12:48,200

that's what it's all about go ahead what

1618

01:12:53,620 --> 01:12:51,730

are you saying why why we take AB 15 as

1619

01:12:56,229 --> 01:12:53,630

materialization value or why we take

1620

01:12:58,330 --> 01:12:56,239

what aliens say is face value why do we

1621

01:13:00,010 --> 01:12:58,340

take any advances value how do we know

1622

01:13:04,870 --> 01:13:00,020

it's not all deception of one sort or

1623

01:13:06,850 --> 01:13:04,880

another right well for me for me there

1624

01:13:09,130 --> 01:13:06,860

are there are certain areas of

1625

01:13:13,140 --> 01:13:09,140

confabulation that I'm very very careful

1626

01:13:15,760 --> 01:13:13,150

about number one is description of

1627

01:13:18,930 --> 01:13:15,770

aliens or what they look like and this

1628

01:13:22,930 --> 01:13:18,940

happens particularly in the early going

1629

01:13:24,250 --> 01:13:22,940

early sessions but the number two area

1630

01:13:27,220 --> 01:13:24,260

of confabulation

1631

01:13:29,979 --> 01:13:27,230

is recounting alien dialogue the problem

1632

01:13:33,940 --> 01:13:29,989

here is if all communication is

1633

01:13:37,990 --> 01:13:33,950

everybody reports is telepathic between

1634

01:13:38,720 --> 01:13:38,000

aliens and humans and and I said well

1635

01:13:40,970 --> 01:13:38,730

what do you

1636

01:13:42,260 --> 01:13:40,980

by telepathy honey honey well if you

1637

01:13:44,870 --> 01:13:42,270

sense that and they say well I get an

1638

01:13:46,520 --> 01:13:44,880

impression in my mind which converts it

1639

01:13:50,300 --> 01:13:46,530

to words and I know I have to get up on

1640

01:13:53,330 --> 01:13:50,310

the table well the problem then is what

1641

01:13:55,220 --> 01:13:53,340

what prevents a person from getting an

1642

01:13:58,430 --> 01:13:55,230

impression in their mind from their own

1643

01:14:00,800 --> 01:13:58,440

thoughts confusing it from as coming

1644

01:14:03,740 --> 01:14:00,810

from outside of their mind and then

1645

01:14:06,710 --> 01:14:03,750

telling me that that is what the aliens

1646

01:14:09,800 --> 01:14:06,720

told him or her and the answer is

1647

01:14:11,840 --> 01:14:09,810

nothing nothing prevents that at all and

1648

01:14:14,960 --> 01:14:11,850

people will in fact do that especially

1649

01:14:17,330 --> 01:14:14,970

in early sessions I found anyway so

1650

01:14:19,370 --> 01:14:17,340

that's a that's a red flag area when

1651
01:14:20,750 --> 01:14:19,380
when they tell me what the alien said to

1652
01:14:22,460 --> 01:14:20,760
them unless it's something like get up

1653
01:14:24,290 --> 01:14:22,470
on the table or we're not going or stuff

1654
01:14:27,830 --> 01:14:24,300
that we hear constantly and all the time

1655
01:14:31,940 --> 01:14:27,840
and but if it's the wisdom of the

1656
01:14:33,140 --> 01:14:31,950
universe or their their plans for what

1657
01:14:36,110 --> 01:14:33,150
they're going to do with human just like

1658
01:14:38,690 --> 01:14:36,120
that I just I wait for confirming you

1659
01:14:41,090 --> 01:14:38,700
know I I put that on the back burner I'm

1660
01:14:43,910 --> 01:14:41,100
very very very very wary of that and I'm

1661
01:14:46,430 --> 01:14:43,920
very careful about that because because

1662
01:14:48,080 --> 01:14:46,440
people can't be believed at all times as

1663
01:14:49,370 --> 01:14:48,090

I said before they will confetti like

1664

01:14:51,620 --> 01:14:49,380

they will say things that are that are

1665

01:14:54,440 --> 01:14:51,630

not true and it's up to the competence

1666

01:14:57,410 --> 01:14:54,450

hypnotist to understand that and to be

1667

01:14:59,120 --> 01:14:57,420

able to say well this is not quite

1668

01:15:00,920 --> 01:14:59,130

evidence yet until other people

1669

01:15:03,470 --> 01:15:00,930

preferably lots of more people say

1670

01:15:05,990 --> 01:15:03,480

exactly the same thing but even then how

1671

01:15:08,750 --> 01:15:06,000

do we know it isn't all some form of

1672

01:15:11,210 --> 01:15:08,760

deception that the aliens whatever

1673

01:15:13,570 --> 01:15:11,220

forces behind these things how do we

1674

01:15:16,760 --> 01:15:13,580

know that this isn't just some kind of

1675

01:15:18,470 --> 01:15:16,770

message they want to deliver to make

1676

01:15:19,910 --> 01:15:18,480

people think this is what's happening

1677

01:15:22,160 --> 01:15:19,920

but we have no way of knowing the

1678

01:15:26,030 --> 01:15:22,170

underlying truth do we all right well

1679

01:15:28,160 --> 01:15:26,040

from what I found and most of the gray

1680

01:15:29,450 --> 01:15:28,170

aliens don't do an awful lot of talking

1681

01:15:32,990 --> 01:15:29,460

and when they do it's not very

1682

01:15:35,180 --> 01:15:33,000

substantive they're very very I'm gonna

1683

01:15:39,020 --> 01:15:35,190

say closed mouth but you mean word mouth

1684

01:15:41,030 --> 01:15:39,030

that probably doesn't apply but they're

1685

01:15:41,930 --> 01:15:41,040

not forthcoming about what sure buddy

1686

01:15:45,410 --> 01:15:41,940

but

1687

01:15:47,570 --> 01:15:45,420

they're aliens how do we know that that

1688

01:15:49,580 --> 01:15:47,580

is a real thing well what you're looking

1689

01:15:52,940 --> 01:15:49,590

at of course is the preponderance of

1690

01:15:55,700 --> 01:15:52,950

evidence over a long period of time now

1691

01:15:57,410 --> 01:15:55,710

you have to understand that that that

1692

01:15:58,940 --> 01:15:57,420

button I know that there's a strong

1693

01:16:01,280 --> 01:15:58,950

physicality involved with these

1694

01:16:02,840 --> 01:16:01,290

abduction events people are physically

1695

01:16:04,370 --> 01:16:02,850

missing from that normal environments

1696

01:16:07,670 --> 01:16:04,380

when they're abducted people are

1697

01:16:09,320 --> 01:16:07,680

abducted in groups people return wearing

1698

01:16:10,850 --> 01:16:09,330

other people's clothes with they're

1699

01:16:13,430 --> 01:16:10,860

wearing that without their own clothes

1700

01:16:18,170 --> 01:16:13,440

with unusual marks and scars and even

1701

01:16:19,460 --> 01:16:18,180

broken bones in their body and and they

1702

01:16:21,020 --> 01:16:19,470

don't know how they got it and I am

1703

01:16:21,410 --> 01:16:21,030

believe me if suddenly you had a broken

1704

01:16:23,530 --> 01:16:21,420

arm

1705

01:16:26,480 --> 01:16:23,540

I think you'd remember how you got it

1706

01:16:28,700 --> 01:16:26,490

and but this is not the case with AB

1707

01:16:30,680 --> 01:16:28,710

Ducky's and then there's a lot of other

1708

01:16:32,570 --> 01:16:30,690

physical aspects to it as well including

1709

01:16:33,920 --> 01:16:32,580

witnesses saying seeing other people

1710

01:16:37,490 --> 01:16:33,930

being abducted and may or may not be

1711

01:16:39,320 --> 01:16:37,500

abducted themselves so against this

1712

01:16:41,060 --> 01:16:39,330

background of physicality there are

1713

01:16:43,100 --> 01:16:41,070

these experiences and people when people

1714

01:16:47,420 --> 01:16:43,110

recount their experiences they recount

1715

01:16:50,090 --> 01:16:47,430

them in really extraordinary detail not

1716

01:16:53,900 --> 01:16:50,100

always but oftentimes in extraordinary

1717

01:16:57,620 --> 01:16:53,910

detail down in precise detail down to

1718

01:16:59,300 --> 01:16:57,630

what instruments are used and and how

1719

01:17:01,880 --> 01:16:59,310

they hold this and how they do that and

1720

01:17:04,880 --> 01:17:01,890

what's happening now and they do that

1721

01:17:06,680 --> 01:17:04,890

across all abductees in other words they

1722

01:17:09,290 --> 01:17:06,690

all say the same thing if this were

1723

01:17:10,790 --> 01:17:09,300

psychological that physicality of course

1724

01:17:12,920 --> 01:17:10,800

would not be there at all I'm not

1725

01:17:14,450 --> 01:17:12,930

talking psychological David maybe you're

1726

01:17:20,450 --> 01:17:14,460

not catching where I'm going with this

1727

01:17:23,480 --> 01:17:20,460

I'm saying well I think you really say

1728

01:17:26,240 --> 01:17:23,490

is we people described seeing gray

1729

01:17:31,460 --> 01:17:26,250

aliens with big black eyes and maybe

1730

01:17:32,870 --> 01:17:31,470

they're actually huge green aliens with

1731

01:17:35,030 --> 01:17:32,880

one eye in the middle of the forehead or

1732

01:17:37,160 --> 01:17:35,040

something like that there's something

1733

01:17:39,200 --> 01:17:37,170

behind the imagery that we're showing

1734

01:17:41,300 --> 01:17:39,210

that they're really not in the US on

1735

01:17:43,130 --> 01:17:41,310

they're on Mars or something or they

1736

01:17:44,690 --> 01:17:43,140

might be on earth they might be in the

1737

01:17:48,890 --> 01:17:44,700

center of the earth with their tell

1738

01:17:50,090 --> 01:17:48,900

agrees what are they exactly I think

1739

01:17:53,410 --> 01:17:50,100

that's the kind of philosophical

1740

01:17:57,940 --> 01:17:53,420

question that really can't be answered

1741

01:18:00,820 --> 01:17:57,950

in a way because you can say that you

1742

01:18:02,920 --> 01:18:00,830

know move from the experience of the

1743

01:18:04,810 --> 01:18:02,930

abduction fish you see UFOs themselves

1744

01:18:07,810 --> 01:18:04,820

maybe they don't look like that maybe

1745

01:18:10,150 --> 01:18:07,820

they're made just in some way we are

1746

01:18:12,100 --> 01:18:10,160

made to see the mess around or trying to

1747

01:18:19,510 --> 01:18:12,110

learn whatever it is and they're really

1748

01:18:21,310 --> 01:18:19,520

something completely different or if you

1749

01:18:24,220 --> 01:18:21,320

look at the image in the movie contact

1750

01:18:26,830 --> 01:18:24,230

where the alien came to the Jodie Foster

1751

01:18:28,960 --> 01:18:26,840

character in the form of her father

1752

01:18:33,010 --> 01:18:28,970

because that was the way she'd

1753

01:18:35,890 --> 01:18:33,020

understand an exact right effort they

1754

01:18:38,650 --> 01:18:35,900

are deliberately tailoring what they

1755

01:18:41,050 --> 01:18:38,660

look like to what we expect to see and

1756

01:18:43,690 --> 01:18:41,060

we are now expect to see grey aliens

1757

01:18:46,630 --> 01:18:43,700

maybe in the 1950s who expected to see

1758

01:18:48,610 --> 01:18:46,640

the Klaatu character with the silvery

1759

01:18:51,670 --> 01:18:48,620

uniform from de Vere Stood Still as

1760

01:18:55,450 --> 01:18:51,680

George Adamski did maybe in the 15th

1761

01:18:57,880 --> 01:18:55,460

century was leprechauns well you know

1762

01:19:00,670 --> 01:18:57,890

some of these questions are impossible

1763

01:19:03,400 --> 01:19:00,680

to answer especially when you get into

1764

01:19:07,840 --> 01:19:03,410

historical situations but the point is

1765

01:19:11,320 --> 01:19:07,850

that it starts somewhere and there are

1766

01:19:14,350 --> 01:19:11,330

the grey aliens I've seen someplace and

1767

01:19:16,330 --> 01:19:14,360

then they're seen again I'm going to see

1768

01:19:18,310 --> 01:19:16,340

it again I guess you could say well

1769

01:19:20,980 --> 01:19:18,320

behind the grey aliens as other

1770

01:19:23,110 --> 01:19:20,990

different Alien Swarm or something or

1771

01:19:25,360 --> 01:19:23,120

whatever that they're just projecting

1772

01:19:27,850 --> 01:19:25,370

that image now the same way that we know

1773

01:19:30,340 --> 01:19:27,860

that they can do screen memories and

1774

01:19:32,320 --> 01:19:30,350

make a child think it's Bugs Bunny in

1775

01:19:34,990 --> 01:19:32,330

the room they're within or if somebody

1776

01:19:38,260 --> 01:19:35,000

can see auj oule or whatever we know

1777

01:19:42,400 --> 01:19:38,270

they can do that sort of thing but is

1778

01:19:45,250 --> 01:19:42,410

there any kind of rock bottom imagery

1779

01:19:46,780 --> 01:19:45,260

behind that is the real image and

1780

01:19:50,260 --> 01:19:46,790

there's no way to answer that question

1781

01:19:52,090 --> 01:19:50,270

right yeah the point is is that this is

1782

01:19:56,080 --> 01:19:52,100

the evidence we have and it's consistent

1783

01:19:58,660 --> 01:19:56,090

and it goes it's all the time it's and

1784

01:20:01,060 --> 01:19:58,670

it's it's it does not change over time

1785

01:20:03,520 --> 01:20:01,070

we haven't seen it change over over them

1786

01:20:05,440 --> 01:20:03,530

decades because of popular culture or

1787

01:20:06,580 --> 01:20:05,450

something like that obviously if that

1788

01:20:08,379 --> 01:20:06,590

were the case

1789

01:20:10,689 --> 01:20:08,389

would be reporting that but that is not

1790

01:20:13,930 --> 01:20:10,699

not what we see not not what we hear

1791

01:20:16,120 --> 01:20:13,940

well are you correct about that David

1792

01:20:18,609 --> 01:20:16,130

what if you go back a few hundred years

1793

01:20:21,070 --> 01:20:18,619

where they were seeing beings that seem

1794

01:20:24,339 --> 01:20:21,080

to be more reflective of that society I

1795

01:20:26,950 --> 01:20:24,349

mean since Barney and Betty Hill we

1796

01:20:29,680 --> 01:20:26,960

expect to see aliens don't we well

1797

01:20:34,600 --> 01:20:29,690

Barney and Eddie Hill were were already

1798

01:20:37,120 --> 01:20:34,610

a long time ago and and half century ago

1799

01:20:38,350 --> 01:20:37,130

whatever and and consequently you'd

1800

01:20:40,089 --> 01:20:38,360

think that there would be change over

1801
01:20:43,000 --> 01:20:40,099
that half century yeah well no because

1802
01:20:45,010 --> 01:20:43,010
we had Close Encounters we have et you

1803
01:20:48,459 --> 01:20:45,020
know Chris you had a question about this

1804
01:20:51,459 --> 01:20:48,469
yeah there's a few things that they

1805
01:20:53,140 --> 01:20:51,469
really come up in this regard but one of

1806
01:20:55,570 --> 01:20:53,150
the things that I've been interested in

1807
01:20:57,580 --> 01:20:55,580
finding out more from from both of you

1808
01:20:59,950 --> 01:20:57,590
is do you think that there's a

1809
01:21:01,479 --> 01:20:59,960
possibility that there's some sort of in

1810
01:21:03,550 --> 01:21:01,489
the words of Steven Greer some sort of

1811
01:21:05,859 --> 01:21:03,560
governmental or military industrial

1812
01:21:09,939 --> 01:21:05,869
complex conspiracy that may be behind a

1813
01:21:12,399 --> 01:21:09,949

portion of these cases and if so is

1814

01:21:14,560 --> 01:21:12,409

there any way to really determine I'm

1815

01:21:17,050 --> 01:21:14,570

kind of taking genes on plying genes

1816

01:21:20,350 --> 01:21:17,060

question here a little bit I you're

1817

01:21:23,109 --> 01:21:20,360

allowed yeah I I had a very interesting

1818

01:21:25,810 --> 01:21:23,119

case of a gentleman who claimed that he

1819

01:21:27,939 --> 01:21:25,820

was part of a military team that was

1820

01:21:31,180 --> 01:21:27,949

going out in the Midwest in the early to

1821

01:21:33,459 --> 01:21:31,190

mid 70s and performing what could be

1822

01:21:34,959 --> 01:21:33,469

described as classic alien abductions

1823

01:21:37,000 --> 01:21:34,969

with the help of some sort of

1824

01:21:40,870 --> 01:21:37,010

psychological warfare techniques so I

1825

01:21:42,459 --> 01:21:40,880

have you have either of you in the many

1826

01:21:44,680 --> 01:21:42,469

hundreds of cases that obviously that

1827

01:21:46,780 --> 01:21:44,690

over the last 20 plus years that you've

1828

01:21:49,149 --> 01:21:46,790

been involved with have either of you

1829

01:21:51,160 --> 01:21:49,159

seen any sort of indication that we may

1830

01:21:52,930 --> 01:21:51,170

be dealing with some sort of sleight of

1831

01:22:02,290 --> 01:21:52,940

hand on the fact of some sort of human

1832

01:22:05,200 --> 01:22:02,300

agency that would suggest a sort of a

1833

01:22:10,209 --> 01:22:05,210

mock abduction scene that was somehow

1834

01:22:13,720 --> 01:22:10,219

constructed but Betty Hill I think that

1835

01:22:15,500 --> 01:22:13,730

has indications of possibly being a mock

1836

01:22:19,850 --> 01:22:15,510

event well

1837

01:22:23,420 --> 01:22:19,860

no I don't want to go back arguing about

1838

01:22:25,820 --> 01:22:23,430

the showcases I'd rather stay with the

1839

01:22:28,540 --> 01:22:25,830

face of my own experience sir this is

1840

01:22:31,910 --> 01:22:28,550

this is an important thing I definitely

1841

01:22:36,650 --> 01:22:31,920

have found instances where there seem to

1842

01:22:40,570 --> 01:22:36,660

be some sort of interest in certain

1843

01:22:44,120 --> 01:22:40,580

abductees that would suggest a

1844

01:22:49,340 --> 01:22:44,130

governmental branch doing some kind of

1845

01:22:54,440 --> 01:22:49,350

black ops for some reason trying to the

1846

01:22:56,660 --> 01:22:54,450

case of Kathy Davis trying to I suppose

1847

01:23:00,140 --> 01:22:56,670

retrieve an implant or some such thing

1848

01:23:02,240 --> 01:23:00,150

that she remembers this thing in that's

1849

01:23:06,590 --> 01:23:02,250

consciously and it seems like there's

1850

01:23:08,720 --> 01:23:06,600

there's nothing involving a UFO or it

1851
01:23:11,600 --> 01:23:08,730
took place with normal humans and in a

1852
01:23:16,010 --> 01:23:11,610
normal sort of hospital like place and

1853
01:23:16,280 --> 01:23:16,020
so forth I heard a couple of things like

1854
01:23:21,590 --> 01:23:16,290
that

1855
01:23:24,620 --> 01:23:21,600
abduction really and so maybe a literal

1856
01:23:26,930 --> 01:23:24,630
abduction of the earthly sort but again

1857
01:23:29,180 --> 01:23:26,940
there are many cases where there seem to

1858
01:23:31,550 --> 01:23:29,190
be people who have been in the military

1859
01:23:34,100 --> 01:23:31,560
and the branches of service you have

1860
01:23:37,190 --> 01:23:34,110
abduction experiences who then were

1861
01:23:39,890 --> 01:23:37,200
interviewed later by military

1862
01:23:43,250 --> 01:23:39,900
psychiatrists and so on and fairly

1863
01:23:47,090 --> 01:23:43,260

drugged at least three cases that I've

1864

01:23:52,130 --> 01:23:47,100

worked with and then seemingly get

1865

01:23:53,810 --> 01:23:52,140

through some condoms some processes to

1866

01:23:56,180 --> 01:23:53,820

scramble the memories and scramble the

1867

01:23:58,430 --> 01:23:56,190

brains so then what comes out what they

1868

01:24:01,190 --> 01:23:58,440

talk about the next day isn't making any

1869

01:24:02,990 --> 01:24:01,200

sense really but I definitely think

1870

01:24:06,170 --> 01:24:03,000

there's an effort there down Dave and I

1871

01:24:09,680 --> 01:24:06,180

disagree on this very strongly that

1872

01:24:11,210 --> 01:24:09,690

there's a some sort of branch of the

1873

01:24:13,100 --> 01:24:11,220

government of the military whatever you

1874

01:24:16,610 --> 01:24:13,110

want to say that takes care of these

1875

01:24:18,740 --> 01:24:16,620

issues sometimes but I think that the

1876

01:24:21,920 --> 01:24:18,750

evidence that I confronted too is very

1877

01:24:24,410 --> 01:24:21,930

persuasive David your response well I

1878

01:24:26,240 --> 01:24:24,420

have not run into into that kind of

1879

01:24:28,310 --> 01:24:26,250

evidence and

1880

01:24:29,780 --> 01:24:28,320

I have run into people who think that

1881

01:24:31,580 --> 01:24:29,790

they've been abducted by the military in

1882

01:24:34,370 --> 01:24:31,590

each and I will flicked at those cases

1883

01:24:35,840 --> 01:24:34,380

and each time they realized that there

1884

01:24:37,340 --> 01:24:35,850

wasn't really the military they thought

1885

01:24:39,560 --> 01:24:37,350

it was and they remember there was being

1886

01:24:44,420 --> 01:24:39,570

I had but then they realized no it

1887

01:24:48,470 --> 01:24:44,430

wasn't so what I've often said is is

1888

01:24:51,950 --> 01:24:48,480

that I hope that the military can abduct

1889

01:24:55,850 --> 01:24:51,960

people people for example like a bin

1890

01:24:58,250 --> 01:24:55,860

laden docked him they're gonna take a

1891

01:24:59,870 --> 01:24:58,260

gun say go ahead make my day and shoot

1892

01:25:02,360 --> 01:24:59,880

him yeah I think it'd be a little bit

1893

01:25:02,900 --> 01:25:02,370

more than some sort of probing going on

1894

01:25:05,030 --> 01:25:02,910

with that guy

1895

01:25:09,110 --> 01:25:05,040

well they might do the problem and kill

1896

01:25:11,660 --> 01:25:09,120

him it certainly would be the end to

1897

01:25:13,850 --> 01:25:11,670

Wars it would that kind of power to

1898

01:25:16,640 --> 01:25:13,860

abduct people lives in the government

1899

01:25:18,410 --> 01:25:16,650

that would be and not have anybody see

1900

01:25:21,020 --> 01:25:18,420

it or know as what would would be the

1901

01:25:23,420 --> 01:25:21,030

ultimate sort of power and if anybody

1902

01:25:25,790 --> 01:25:23,430

gets it I will it's our governments and

1903

01:25:26,960 --> 01:25:25,800

not anybody else's government but in

1904

01:25:28,340 --> 01:25:26,970

other words I don't have any stake in it

1905

01:25:36,670 --> 01:25:28,350

won't worry or the other but I have not

1906

01:25:41,689 --> 01:25:38,839

[Music]

1907

01:25:43,790 --> 01:25:41,699

hi this is Tamar from Nietzsche we're a

1908

01:25:45,770 --> 01:25:43,800

domain name and web hosting company and

1909

01:25:47,779 --> 01:25:45,780

we really care about our customers with

1910

01:25:50,330 --> 01:25:47,789

domain name purchases Namecheap offers

1911

01:25:52,279 --> 01:25:50,340

free SSL and free Whois guard for a year

1912

01:25:54,080 --> 01:25:52,289

to protect your identity from spammers

1913

01:25:56,089 --> 01:25:54,090

we won't bother you with unwanted

1914

01:25:58,099 --> 01:25:56,099

messaging in your inbox or upon checkout

1915

01:26:00,290 --> 01:25:58,109

but most importantly we care about you

1916

01:26:02,479 --> 01:26:00,300

our customers your satisfaction and

1917

01:26:04,279 --> 01:26:02,489

Happiness is our primary focus because

1918

01:26:06,229 --> 01:26:04,289

your support means so much to us if

1919

01:26:08,209 --> 01:26:06,239

you'd like to learn more please visit us

1920

01:26:10,369 --> 01:26:08,219

at Radio.namecheap.com

1921

01:26:12,349 --> 01:26:10,379

for web hosting and domain name specials

1922

01:26:17,869 --> 01:26:12,359

you can also follow us on twitter at

1923

01:26:19,969 --> 01:26:17,879

twitter.com/zeromd bars on facebook at

01:26:20,610 --> 01:26:19,979

[facebook.com slash Namecheap](https://facebook.com/Namecheap) see you

1925

01:26:36,290 --> 01:26:20,620

online

1926

01:26:53,530 --> 01:26:44,030

[Music]

1927

01:26:59,240 --> 01:26:57,230

we have dr. David Jacobs Kevin Randall

1928

01:27:01,820 --> 01:26:59,250

but Hopkins special co-hosts is

1929

01:27:03,560 --> 01:27:01,830

Christopher O'Brien Kevin now we're into

1930

01:27:04,940 --> 01:27:03,570

the government equation what's your

1931

01:27:06,620 --> 01:27:04,950

feeling about all that do you think that

1932

01:27:08,840 --> 01:27:06,630

some of this stuff may have been staged

1933

01:27:11,600 --> 01:27:08,850

by the government no that's the short

1934

01:27:14,030 --> 01:27:11,610

answer though let's have the long model

1935

01:27:15,680 --> 01:27:14,040

it logically makes no sense the

1936

01:27:18,140 --> 01:27:15,690

government the military certainly

1937

01:27:21,320 --> 01:27:18,150

doesn't have that kind of power to

1938

01:27:23,240 --> 01:27:21,330

influence that sort of thing although we

1939

01:27:26,530 --> 01:27:23,250

have any number of people who suggest

1940

01:27:28,880 --> 01:27:26,540

that starting out with Warren from the

1941

01:27:30,200 --> 01:27:28,890

endosome case claiming all sorts of

1942

01:27:31,640 --> 01:27:30,210

things that the government did to him

1943

01:27:34,430 --> 01:27:31,650

during his eight months of military

1944

01:27:36,680 --> 01:27:34,440

service I don't I just do not see

1945

01:27:39,350 --> 01:27:36,690

anything to suggest that whatsoever

1946

01:27:41,030 --> 01:27:39,360

Corinne according to Steven Greer he's

1947

01:27:43,700 --> 01:27:41,040

the one that just keeps popping into

1948

01:27:46,100 --> 01:27:43,710

mind with this particular aspect of the

1949

01:27:48,710 --> 01:27:46,110

of the questions he seems to think that

1950

01:27:49,790 --> 01:27:48,720

all abductions are being done by the

1951

01:27:54,050 --> 01:27:49,800

government I think that's rather

1952

01:27:57,740 --> 01:27:54,060

ridiculous assertion myself but he would

1953

01:28:01,670 --> 01:27:57,750

reflect I think one side of the

1954

01:28:04,910 --> 01:28:01,680

benevolent space brothers equation that

1955

01:28:06,860 --> 01:28:04,920

would then try to you know in some way

1956

01:28:10,040 --> 01:28:06,870

shape or form put all negative

1957

01:28:12,980 --> 01:28:10,050

abductions into some sort of a boogeyman

1958

01:28:15,650 --> 01:28:12,990

military government context in order to

1959

01:28:19,940 --> 01:28:15,660

you know to have that benevolent space

1960

01:28:21,710 --> 01:28:19,950

brother type scenario I guess be you

1961

01:28:25,280 --> 01:28:21,720

know something that he could really

1962

01:28:27,440 --> 01:28:25,290

really get behind and push another thing

1963

01:28:30,230 --> 01:28:27,450

that's always kind of puzzled me about

1964

01:28:32,900 --> 01:28:30,240

this whole phenomenon is the apparent

1965

01:28:35,990 --> 01:28:32,910

level of Technology in terms of state of

1966

01:28:38,540 --> 01:28:36,000

the art oftentimes I encounter and

1967

01:28:40,220 --> 01:28:38,550

reading some of these accounts levels of

1968

01:28:42,920 --> 01:28:40,230

technology medical technology that's

1969

01:28:45,500 --> 01:28:42,930

behind we're where we are in terms of

1970

01:28:49,190 --> 01:28:45,510

our state of the art have either of you

1971

01:28:50,960 --> 01:28:49,200

noticed any sort of trending in terms of

1972

01:28:53,510 --> 01:28:50,970

the types of procedures that are being

1973

01:28:55,820 --> 01:28:53,520

performed the types of equipment that's

1974

01:28:58,430 --> 01:28:55,830

being used are we seeing any sort of

1975

01:29:00,440 --> 01:28:58,440

progression in impossibly a level of

1976

01:29:02,750 --> 01:29:00,450

technology or agenda I know David you've

1977

01:29:03,959 --> 01:29:02,760

really honed in on this whole idea of

1978

01:29:06,570 --> 01:29:03,969

hybrid

1979

01:29:10,290 --> 01:29:06,580

and that they're getting ready to do you

1980

01:29:12,930 --> 01:29:10,300

know place hybrid you know now I guess

1981

01:29:15,870 --> 01:29:12,940

you would say grown or almost fully

1982

01:29:17,790 --> 01:29:15,880

grown hybrids into the culture it has

1983

01:29:20,640 --> 01:29:17,800

it's been something that is evolved over

1984

01:29:22,589 --> 01:29:20,650

time for instance have we seen any sort

1985

01:29:25,350 --> 01:29:22,599

of progression in terms of the level of

1986

01:29:28,260 --> 01:29:25,360

Technology something about this whole

1987

01:29:29,879 --> 01:29:28,270

thing medically in terms of the actual

1988

01:29:33,000 --> 01:29:29,889

procedures that are being performed does

1989

01:29:34,890 --> 01:29:33,010

not make sense at least let me well

1990

01:29:37,470 --> 01:29:34,900

first of all there has been a

1991

01:29:39,149 --> 01:29:37,480

progression and of course you you get on

1992

01:29:42,410 --> 01:29:39,159

it for me the change over time that I

1993

01:29:46,200 --> 01:29:42,420

have seen most is is is the number of of

1994

01:29:48,660 --> 01:29:46,210

is the importance of the hybrids within

1995

01:29:52,109 --> 01:29:48,670

the abduction scenario in terms of

1996

01:29:55,379 --> 01:29:52,119

technology or medical procedures and

1997

01:29:59,430 --> 01:29:55,389

that I have not seen but what you're

1998

01:30:01,169 --> 01:29:59,440

looking at is is very advanced types of

1999

01:30:04,890 --> 01:30:01,179

procedures that are going on in other

2000

01:30:06,600 --> 01:30:04,900

words how they can examine a person just

2001

01:30:08,459 --> 01:30:06,610

by touching them with their fingers is

2002

01:30:11,070 --> 01:30:08,469

something that we cannot understand and

2003

01:30:13,530 --> 01:30:11,080

and every single machine thats ever been

2004

01:30:17,070 --> 01:30:13,540

used on an abductee we have no knowledge

2005

01:30:19,070 --> 01:30:17,080

of whatsoever i think i i was only able

2006

01:30:23,820 --> 01:30:19,080

for years i was only able to identify

2007

01:30:26,910 --> 01:30:23,830

one aspect of a medical procedure and

2008

01:30:28,500 --> 01:30:26,920

that was they were taking this many and

2009

01:30:31,589 --> 01:30:28,510

running across a person's foot enough

2010

01:30:34,560 --> 01:30:31,599

forward flex it would be a reflex test

2011

01:30:36,600 --> 01:30:34,570

of some sort and then another point i

2012

01:30:38,550 --> 01:30:36,610

was reading a book on neurological

2013

01:30:42,229 --> 01:30:38,560

examination because that's what I do for

2014

01:30:48,020 --> 01:30:42,239

fun and it sounds it's I realized

2015

01:30:50,899 --> 01:30:48,030

anything's are really fascinating I

2016

01:30:55,050 --> 01:30:50,909

realized that when reading this that a

2017

01:30:56,640 --> 01:30:55,060

procedure that was puzzling for years

2018

01:30:59,970 --> 01:30:56,650

and years that even Barney and Betty

2019

01:31:01,470 --> 01:30:59,980

alpha a bunny hill said where these

2020

01:31:03,839 --> 01:31:01,480

things would take their finger and thumb

2021

01:31:05,729 --> 01:31:03,849

and run it down his back on his further

2022

01:31:07,649 --> 01:31:05,739

break from the neck down to the coccyx

2023

01:31:09,180 --> 01:31:07,659

and back up again I could never

2024

01:31:11,790 --> 01:31:09,190

understand what that was and I realized

2025

01:31:14,080 --> 01:31:11,800

that it wasn't a bone examine

2026

01:31:15,640 --> 01:31:14,090

it's my theory and it wasn't about

2027

01:31:17,200 --> 01:31:15,650

examination it wasn't the growth

2028

01:31:20,050 --> 01:31:17,210

examination for kids or anything like

2029

01:31:22,890 --> 01:31:20,060

that but basically it was a neurological

2030

01:31:25,150 --> 01:31:22,900

examination and they were in some way

2031

01:31:27,040 --> 01:31:25,160

dealing with the nerves the the

2032

01:31:28,240 --> 01:31:27,050

synthetic of the parasympathetic nervous

2033

01:31:31,630 --> 01:31:28,250

system I guess that runs down the

2034

01:31:34,090 --> 01:31:31,640

backbone and and those are the only that

2035

01:31:36,610 --> 01:31:34,100

one I think I'm right about reflux the

2036

01:31:39,310 --> 01:31:36,620

other one I'll hope I'm right about but

2037

01:31:41,110 --> 01:31:39,320

it's a good theory and in all the rest

2038

01:31:43,930 --> 01:31:41,120

we just we just don't know because they

2039

01:31:46,060 --> 01:31:43,940

don't tell us what it is and if you ask

2040

01:31:48,850 --> 01:31:46,070

AB duckies what is that machine for

2041

01:31:50,860 --> 01:31:48,860

you're asking them to sort of guess

2042

01:31:52,360 --> 01:31:50,870

you're saying I'll say well it's taking

2043

01:31:54,430 --> 01:31:52,370

a look at mine it's it's like an x-ray

2044

01:31:55,930 --> 01:31:54,440

machine it's looking in my ribs and the

2045

01:31:58,390 --> 01:31:55,940

answer is that they don't really know

2046

01:32:00,790 --> 01:31:58,400

what it is because you know we're still

2047

01:32:03,370 --> 01:32:00,800

assuming here these are physical events

2048

01:32:05,980 --> 01:32:03,380

with physical creatures doing physical

2049

01:32:07,600 --> 01:32:05,990

things and we don't know what's really

2050

01:32:09,490 --> 01:32:07,610

going on under the surface maybe there

2051
01:32:13,420 --> 01:32:09,500
are no machines maybe it's all generated

2052
01:32:15,550 --> 01:32:13,430
as some kind of hallucination caused by

2053
01:32:17,320 --> 01:32:15,560
an external source but the one thing I

2054
01:32:19,630 --> 01:32:17,330
wanted to focus on David and obviously

2055
01:32:22,300 --> 01:32:19,640
we can't answer that today your feeling

2056
01:32:24,970 --> 01:32:22,310
about hybridization so you feel that the

2057
01:32:27,910 --> 01:32:24,980
aliens or whatever they are want to

2058
01:32:30,100 --> 01:32:27,920
create beings that are part of us and

2059
01:32:33,310 --> 01:32:30,110
part of them aside from the genetic

2060
01:32:34,960 --> 01:32:33,320
complications for what purpose well we

2061
01:32:36,550 --> 01:32:34,970
don't know the ultimate purpose that's

2062
01:32:38,170 --> 01:32:36,560
that's something that we don't know and

2063
01:32:39,190 --> 01:32:38,180

once again at this for psychological we

2064

01:32:40,510 --> 01:32:39,200

wouldn't know the ultimate purpose

2065

01:32:41,860 --> 01:32:40,520

people would just make it up as long as

2066

01:32:44,170 --> 01:32:41,870

they and they make up everything else

2067

01:32:47,290 --> 01:32:44,180

but we don't know what the ultimate

2068

01:32:49,000 --> 01:32:47,300

purpose is but what these being say and

2069

01:32:52,180 --> 01:32:49,010

what I would say and what everybody

2070

01:32:55,710 --> 01:32:52,190

else's tells me and have been for years

2071

01:32:58,780 --> 01:32:55,720

and years is that is that this is a

2072

01:33:01,000 --> 01:32:58,790

program whereby ultimately everybody

2073

01:33:02,380 --> 01:33:01,010

will be together here and everybody will

2074

01:33:04,480 --> 01:33:02,390

be happy and it's going to be wonderful

2075

01:33:08,500 --> 01:33:04,490

and it's gonna be great and people have

2076
01:33:11,200 --> 01:33:08,510
seen scenes of love and I mention this

2077
01:33:13,900 --> 01:33:11,210
particular scene often times because

2078
01:33:15,760 --> 01:33:13,910
it's so reflective of it for example a

2079
01:33:16,930 --> 01:33:15,770
technique where people are standing

2080
01:33:18,190 --> 01:33:16,940
around a grill where they're talking

2081
01:33:19,660 --> 01:33:18,200
with they're playing ball and this and

2082
01:33:22,300 --> 01:33:19,670
that and then grassy area and all that

2083
01:33:24,459 --> 01:33:22,310
and the person will look at this sort of

2084
01:33:26,080 --> 01:33:24,469
screen like device on the wall and

2085
01:33:27,879 --> 01:33:26,090
no and they'll say can you tell the

2086
01:33:31,270 --> 01:33:27,889
difference between you and us and the

2087
01:33:32,709 --> 01:33:31,280
person says well no there what do you

2088
01:33:34,959 --> 01:33:32,719

mean tell the difference everybody is

2089

01:33:37,930 --> 01:33:34,969

the same well is that way taking us over

2090

01:33:40,419 --> 01:33:37,940

then I mean we're giving this this

2091

01:33:42,700 --> 01:33:40,429

paradise image saying you know what if

2092

01:33:45,219 --> 01:33:42,710

we develop these hybrid beings and they

2093

01:33:47,770 --> 01:33:45,229

take over the aliens will be in control

2094

01:33:51,370 --> 01:33:47,780

that's what it sounds like to me well it

2095

01:33:54,339 --> 01:33:51,380

doesn't sound good to me I must say the

2096

01:33:58,299 --> 01:33:54,349

problem here is that if this is a

2097

01:34:01,689 --> 01:33:58,309

neurologically based manipulation they

2098

01:34:04,779 --> 01:34:01,699

can control our ability to think to see

2099

01:34:06,759 --> 01:34:04,789

things and we can't control them and

2100

01:34:08,589 --> 01:34:06,769

that makes us not just second-class

2101
01:34:11,049 --> 01:34:08,599
citizens but a kind of second-class

2102
01:34:12,879 --> 01:34:11,059
species almost so it's sort of

2103
01:34:14,439 --> 01:34:12,889
frightening and I don't like to hear

2104
01:34:18,489 --> 01:34:14,449
these things and I've done tests and

2105
01:34:19,989 --> 01:34:18,499
hypnosis telling people now I don't want

2106
01:34:21,310 --> 01:34:19,999
you to tell me anything bad don't tell

2107
01:34:23,290 --> 01:34:21,320
me anything I don't want to hear I don't

2108
01:34:25,270 --> 01:34:23,300
want any or anything about this that or

2109
01:34:27,399 --> 01:34:25,280
they just don't tell to me and they'll

2110
01:34:29,259 --> 01:34:27,409
do an induction and then we go ahead and

2111
01:34:31,089 --> 01:34:29,269
they do they couldn't care less what I

2112
01:34:32,739 --> 01:34:31,099
told them they just tell me the same

2113
01:34:34,899 --> 01:34:32,749

thing that I was always happened to them

2114

01:34:37,540 --> 01:34:34,909

you know and I have not been able to

2115

01:34:39,189 --> 01:34:37,550

prove that these are in some way just

2116

01:34:40,899 --> 01:34:39,199

coming out of their own imaginations and

2117

01:34:43,870 --> 01:34:40,909

not what they're actually seeing what

2118

01:34:45,910 --> 01:34:43,880

equity though David the fact that so

2119

01:34:47,890 --> 01:34:45,920

many people are having this kind of

2120

01:34:49,330 --> 01:34:47,900

experience I mean obviously if we look

2121

01:34:52,000 --> 01:34:49,340

in Alien logic let's look at the

2122

01:34:54,009 --> 01:34:52,010

physical explanation the aliens come

2123

01:34:56,290 --> 01:34:54,019

here they want to find out more about us

2124

01:34:58,660 --> 01:34:56,300

they take a few genetic samples you know

2125

01:35:01,439 --> 01:34:58,670

we'll have male female left-handed

2126
01:35:04,569 --> 01:35:01,449
right-handed black white asian whatever

2127
01:35:07,239 --> 01:35:04,579
samples they need to take right this is

2128
01:35:09,580 --> 01:35:07,249
a model of the experimental model data

2129
01:35:12,009 --> 01:35:09,590
that we derived actually from so in the

2130
01:35:14,439 --> 01:35:12,019
early cases been a party that Hill and

2131
01:35:16,209 --> 01:35:14,449
donor vehicle Louis to certain extent

2132
01:35:18,640 --> 01:35:16,219
and and and and some of the other ones

2133
01:35:20,379 --> 01:35:18,650
from the 1970s I have found and that

2134
01:35:21,879 --> 01:35:20,389
this experimental model model is

2135
01:35:23,770 --> 01:35:21,889
suggestive that's a study that they're

2136
01:35:25,779 --> 01:35:23,780
learning about us that the evidence just

2137
01:35:27,580 --> 01:35:25,789
wasn't there over the long haul for that

2138
01:35:29,680 --> 01:35:27,590

that it was much more than that I mean

2139

01:35:31,450 --> 01:35:29,690

how many times do they have to take a

2140

01:35:33,009 --> 01:35:31,460

person to find out whether if they poked

2141

01:35:33,879 --> 01:35:33,019

them other needle he's gonna feel pain

2142

01:35:39,100 --> 01:35:33,889

you know

2143

01:35:41,140 --> 01:35:39,110

and so I found that it for me it did not

2144

01:35:43,060 --> 01:35:41,150

hold in what I long what I found was

2145

01:35:45,040 --> 01:35:43,070

something what was much more consistent

2146

01:35:46,390 --> 01:35:45,050

with a program and as a program there

2147

01:35:49,450 --> 01:35:46,400

the beginning of middle and an end and

2148

01:35:53,320 --> 01:35:49,460

was goal directed and that's where the

2149

01:35:54,729 --> 01:35:53,330

hybrids you know that began to intrude

2150

01:35:58,510 --> 01:35:54,739

in themselves more and more into

2151

01:36:00,700 --> 01:35:58,520

people's accounts I as as I realized

2152

01:36:03,430 --> 01:36:00,710

well this cannot be a study it doesn't

2153

01:36:05,709 --> 01:36:03,440

make any sense as a study however even

2154

01:36:06,939 --> 01:36:05,719

now most abduction researchers still use

2155

01:36:08,439 --> 01:36:06,949

the word experiment they're

2156

01:36:10,810 --> 01:36:08,449

experimenting on us it's very difficult

2157

01:36:13,660 --> 01:36:10,820

to sort of to get to shake free of those

2158

01:36:15,220 --> 01:36:13,670

of those statements but I just didn't

2159

01:36:17,350 --> 01:36:15,230

find it in the the evidence for I do

2160

01:36:19,209 --> 01:36:17,360

what have you seen Kevin in the studies

2161

01:36:21,669 --> 01:36:19,219

you've done about all this but it seemed

2162

01:36:24,760 --> 01:36:21,679

to me and you touched on it briefly was

2163

01:36:28,810 --> 01:36:24,770

that the experimentation being conducted

2164

01:36:31,990 --> 01:36:28,820

by the aliens seem to be very backward

2165

01:36:34,660 --> 01:36:32,000

they are able to travel interstellar

2166

01:36:39,310 --> 01:36:34,670

distances they have defeated that

2167

01:36:42,430 --> 01:36:39,320

tremendous technological problem that we

2168

01:36:43,930 --> 01:36:42,440

have not yet been able to defeat they

2169

01:36:47,100 --> 01:36:43,940

can travel these interstellar distances

2170

01:36:51,040 --> 01:36:47,110

they can get here and yet their genetic

2171

01:36:53,109 --> 01:36:51,050

experimentation is backward it doesn't

2172

01:36:56,379 --> 01:36:53,119

seem too advanced they're doing the same

2173

01:36:59,439 --> 01:36:56,389

thing today they did ten years ago and I

2174

01:37:02,919 --> 01:36:59,449

think Gina craft I don't remember who

2175

01:37:04,689 --> 01:37:02,929

pointed out that how many genetic

2176

01:37:07,290 --> 01:37:04,699

samples do they need if they're

2177

01:37:10,600 --> 01:37:07,300

collecting DNA why not just abduct the

2178

01:37:14,680 --> 01:37:10,610

hair behind barber shop and collect the

2179

01:37:17,640 --> 01:37:14,690

DNA that way why why are they doing it

2180

01:37:20,919 --> 01:37:17,650

in such an invasive manner

2181

01:37:25,080 --> 01:37:20,929

well it's theatrical too there seems to

2182

01:37:31,090 --> 01:37:28,020

ability of doing these sorts of things

2183

01:37:32,919 --> 01:37:31,100

how is it they're incapable of totally

2184

01:37:36,399 --> 01:37:32,929

releasing the memories of the abduction

2185

01:37:39,580 --> 01:37:36,409

that even somebody with very little

2186

01:37:42,490 --> 01:37:39,590

training in hypnosis is able to break

2187

01:37:44,169 --> 01:37:42,500

through the hypnotic blocks erected by

2188

01:37:46,419 --> 01:37:44,179

the aliens why are they unable to

2189

01:37:47,450 --> 01:37:46,429

completely erase to them memory

2190

01:37:49,630 --> 01:37:47,460

something that that

2191

01:37:52,220 --> 01:37:49,640

that our technology allows us to do

2192

01:37:54,020 --> 01:37:52,230

completely away from Emory's so

2193

01:37:57,770 --> 01:37:54,030

basically the screen memory may be the

2194

01:38:00,050 --> 01:37:57,780

entire abduction the screen memory may

2195

01:38:02,450 --> 01:38:00,060

not just be a surface memory of

2196

01:38:04,430 --> 01:38:02,460

something like an owl preceding an

2197

01:38:06,560 --> 01:38:04,440

abduction but the entire abduction

2198

01:38:10,130 --> 01:38:06,570

itself may be a screen memory of some

2199

01:38:14,030 --> 01:38:10,140

sort based the entire episode from there

2200

01:38:16,070 --> 01:38:14,040

from the mind of the capability of doing

2201

01:38:19,250 --> 01:38:16,080

that why do they they and they've been

2202

01:38:21,979 --> 01:38:19,260

studying us for 50 years 60 years 150

2203

01:38:24,050 --> 01:38:21,989

years they should be able have been able

2204

01:38:26,180 --> 01:38:24,060

to develop that capability by now and

2205

01:38:28,910 --> 01:38:26,190

yet they they seem incapable of doing it

2206

01:38:32,030 --> 01:38:28,920

well you know one of the basic most

2207

01:38:34,490 --> 01:38:32,040

basic problems no thing is to go right

2208

01:38:37,520 --> 01:38:34,500

back to the beginning and say why is it

2209

01:38:40,940 --> 01:38:37,530

that UFOs are seen sometimes and

2210

01:38:43,880 --> 01:38:40,950

sometimes they may register on radar but

2211

01:38:46,640 --> 01:38:43,890

they're not seen they can seemingly be

2212

01:38:50,360 --> 01:38:46,650

invisible some of the time and they're

2213

01:38:53,720 --> 01:38:50,370

highly visible some other time so why is

2214

01:38:56,240 --> 01:38:53,730

that why why don't they stay invisible

2215

01:38:58,550 --> 01:38:56,250

the whole time or whatever I mean there

2216

01:39:00,770 --> 01:38:58,560

are many many problems well you know

2217

01:39:03,350 --> 01:39:00,780

what you raise a point here but I want

2218

01:39:06,530 --> 01:39:03,360

to throw something out here the area of

2219

01:39:09,229 --> 01:39:06,540

theatricality that a lot of UFO

2220

01:39:11,570 --> 01:39:09,239

sightings may be strictly a show for us

2221

01:39:13,160 --> 01:39:11,580

to see it could be a diversion for

2222

01:39:15,979 --> 01:39:13,170

what's really going on I don't know a

2223

01:39:18,560 --> 01:39:15,989

show they light decision to either be

2224

01:39:21,229 --> 01:39:18,570

tracked or not they make the decision to

2225

01:39:24,229 --> 01:39:21,239

be seen or not yeah well I think that's

2226

01:39:29,630 --> 01:39:24,239

one of the huge problems in the whole

2227

01:39:31,610 --> 01:39:29,640

thing this is why it doesn't sound like

2228

01:39:34,220 --> 01:39:31,620

it's made up because it was made up by

2229

01:39:36,160 --> 01:39:34,230

people there gonna be a clear clear

2230

01:39:39,709 --> 01:39:36,170

answers and clear reasons for everything

2231

01:39:42,290 --> 01:39:39,719

one quick thing I like saying that why

2232

01:39:45,080 --> 01:39:42,300

there might be lots of abductions and

2233

01:39:46,790 --> 01:39:45,090

this is I mean one after they've already

2234

01:39:50,840 --> 01:39:46,800

got the program going why are they

2235

01:39:54,050 --> 01:39:50,850

continuing it and I just was working

2236

01:39:56,780 --> 01:39:54,060

with somebody whose grandchild seems to

2237

01:39:58,320 --> 01:39:56,790

have been abducted very small within the

2238

01:40:01,650 --> 01:39:58,330

past year anyway

2239

01:40:05,850 --> 01:40:01,660

let's figure here I spot has passed my

2240

01:40:08,160 --> 01:40:05,860

mind there seems to be there seems to be

2241

01:40:11,640 --> 01:40:08,170

a very strong alien interest in human

2242

01:40:15,870 --> 01:40:11,650

emotions and they seem to set up a sub

2243

01:40:18,900 --> 01:40:15,880

to describe many times so these little

2244

01:40:21,590 --> 01:40:18,910

scenarios inside the craft where the

2245

01:40:24,600 --> 01:40:21,600

advocacy has put through some kind of

2246

01:40:28,560 --> 01:40:24,610

problem puzzles fear whatever

2247

01:40:32,010 --> 01:40:28,570

and the aliens seem to be observing that

2248

01:40:34,380 --> 01:40:32,020

person is affair so to speak picking up

2249

01:40:37,650 --> 01:40:34,390

those emotions and perhaps they're

2250

01:40:40,500 --> 01:40:37,660

learning the emotions from what they can

2251

01:40:46,080 --> 01:40:40,510

learn from that individual and it's

2252

01:40:49,230 --> 01:40:46,090

impossible that an individual a lien

2253

01:40:52,470 --> 01:40:49,240

whatever we want to call them is in the

2254

01:40:55,140 --> 01:40:52,480

situation of a child trying to learn how

2255

01:40:56,610 --> 01:40:55,150

to ride a bike there's no way to learn

2256

01:40:59,280 --> 01:40:56,620

how to ride a bike because you couldn't

2257

01:41:01,110 --> 01:40:59,290

be told through instruction it's just a

2258

01:41:02,910 --> 01:41:01,120

very simple thing that the body has to

2259

01:41:04,650 --> 01:41:02,920

pick up the kind of balance that's

2260

01:41:07,730 --> 01:41:04,660

necessary to make the bike go and not

2261

01:41:11,130 --> 01:41:07,740

fall over and so it may be that

2262

01:41:14,280 --> 01:41:11,140

individual occupants of UFOs have to

2263

01:41:17,340 --> 01:41:14,290

each one one by one pick up a range of

2264

01:41:20,400 --> 01:41:17,350

human emotions from the advocate ease

2265

01:41:23,610 --> 01:41:20,410

that they're picking up it's possible

2266

01:41:25,410 --> 01:41:23,620

that that might explain some of the vast

2267

01:41:27,120 --> 01:41:25,420

numbers that are involved here which I

2268

01:41:27,570 --> 01:41:27,130

admit is a huge problem to the whole

2269

01:41:31,180 --> 01:41:27,580

thing

2270

01:41:37,510 --> 01:41:34,020

[Music]

2271

01:41:39,940 --> 01:41:37,520

58 years fate has provided true reports

2272

01:41:42,070 --> 01:41:39,950

of the strange and unknown fate brings

2273

01:41:43,810 --> 01:41:42,080

you the latest in all aspects of the

2274

01:41:47,380 --> 01:41:43,820

paranormal like angels and miracles

2275

01:41:49,960 --> 01:41:47,390

psychic phenomena ghosts UFOs and much

2276

01:41:52,690 --> 01:41:49,970

much more to receive your complimentary

2277

01:41:56,200 --> 01:41:52,700

fate magazine call now at one eight

2278

01:41:56,650 --> 01:41:56,210

hundred seven two eight two seven three

2279

01:42:00,040 --> 01:41:56,660

Oh

2280

01:42:03,130 --> 01:42:00,050

or visit their website at WWF at mag

2281

01:42:09,490 --> 01:42:03,140

comm that's one eight hundred seven two

2282

01:42:12,880 --> 01:42:09,500

eight two seven three zero or WWF a TEM

2283

01:42:14,810 --> 01:42:12,890

AG calm what are you waiting for your

2284

01:42:19,089 --> 01:42:14,820

fate awaits

2285

01:42:22,089 --> 01:42:19,099

[Music]

2286

01:42:23,470 --> 01:42:22,099

you've entered another dimension you've

2287

01:42:37,330 --> 01:42:23,480

entered our guests

2288

01:42:37,340 --> 01:42:41,580

[Music]

2289

01:42:46,560 --> 01:42:44,760

we have an ultimate abduction roundtable

2290

01:42:49,980 --> 01:42:46,570

on the power cast featuring Budd Hopkins

2291

01:42:51,840 --> 01:42:49,990

Kevin Randall dr. David Jacobs our guest

2292

01:42:54,090 --> 01:42:51,850

co-host is Christopher O'Brien who is

2293

01:42:58,130 --> 01:42:54,100

champing is a bit with the comment I am

2294

01:43:00,510 --> 01:42:58,140

indeed right now the sound of champing

2295

01:43:02,490 --> 01:43:00,520

you know one of the things that I've

2296

01:43:04,560 --> 01:43:02,500

kind of prided myself in my

2297

01:43:05,760 --> 01:43:04,570

investigative work out in the field is

2298

01:43:08,220 --> 01:43:05,770

coming up with new and creative

2299

01:43:10,830 --> 01:43:08,230

out-of-the-box ways of attempting to

2300

01:43:12,270 --> 01:43:10,840

gain better quality data one of the

2301

01:43:14,100 --> 01:43:12,280

things that's always puzzled me about

2302

01:43:17,010 --> 01:43:14,110

the abduction research is how come

2303

01:43:20,550 --> 01:43:17,020

nobody has come up with a way to somehow

2304

01:43:23,310 --> 01:43:20,560

gauge the the the types of experiences

2305

01:43:25,970 --> 01:43:23,320

that are going on ahead of time we know

2306

01:43:28,400 --> 01:43:25,980

of many cases where there's a pattern of

2307

01:43:31,020 --> 01:43:28,410

abduction that that's it's maybe not

2308

01:43:33,600 --> 01:43:31,030

predictable in terms of the actual night

2309

01:43:35,850 --> 01:43:33,610

that it's gonna occur but it seems that

2310

01:43:39,330 --> 01:43:35,860

there's that there's an opportunity a

2311

01:43:41,400 --> 01:43:39,340

window of opportunity here for us to for

2312

01:43:44,040 --> 01:43:41,410

instance WC Levensgood came up with an

2313

01:43:47,340 --> 01:43:44,050

idea of putting curlers in a in an

2314

01:43:50,610 --> 01:43:47,350

abductees hair and and and putting on

2315

01:43:53,370 --> 01:43:50,620

sprouted seeds in in the curlers to to

2316

01:43:55,470 --> 01:43:53,380

try to analyze the types of energies

2317

01:43:58,500 --> 01:43:55,480

that obviously if this is a real

2318

01:44:00,330 --> 01:43:58,510

phenomenon there's got to be some exotic

2319

01:44:03,930 --> 01:44:00,340

types of energies that are being that

2320

01:44:07,200 --> 01:44:03,940

are being utilized and you know to put

2321

01:44:08,640 --> 01:44:07,210

underman ated seeds into small curlers

2322

01:44:10,290 --> 01:44:08,650

in someone's hair then you can then

2323

01:44:12,360 --> 01:44:10,300

analyze the seeds once the person has

2324

01:44:14,760 --> 01:44:12,370

come back how come nobody ever grabs

2325

01:44:16,590 --> 01:44:14,770

anything aboard a ship how can we don't

2326
01:44:20,340 --> 01:44:16,600
have any sort of physical evidence that

2327
01:44:21,600 --> 01:44:20,350
has been acquired by abductees as we're

2328
01:44:23,490 --> 01:44:21,610
talking hundreds and hundreds and

2329
01:44:25,620 --> 01:44:23,500
hundreds of cases and to my knowledge

2330
01:44:27,960 --> 01:44:25,630
there has never been a person that's

2331
01:44:30,750 --> 01:44:27,970
been able to grab something or come back

2332
01:44:33,180 --> 01:44:30,760
with some irrefutable evidence that they

2333
01:44:35,700 --> 01:44:33,190
actually were taken somewhere who would

2334
01:44:38,010 --> 01:44:35,710
like to take that one well I can I can

2335
01:44:39,450 --> 01:44:38,020
start and give it over to bud first of

2336
01:44:40,980 --> 01:44:39,460
all when people are taking our word the

2337
01:44:43,050 --> 01:44:40,990
odds eat the clothes are removed so if

2338
01:44:45,150 --> 01:44:43,060

they're gonna find something and hide it

2339

01:44:47,660 --> 01:44:45,160

there's only a few places almost

2340

01:44:51,140 --> 01:44:47,670

unthinkable where they can hide it and

2341

01:44:53,390 --> 01:44:51,150

they're also there they're under mental

2342

01:44:55,310 --> 01:44:53,400

control there it doesn't even occur to

2343

01:44:57,439 --> 01:44:55,320

them usually to take anything it's not

2344

01:44:59,300 --> 01:44:57,449

like they have consciousness of the fact

2345

01:45:00,890 --> 01:44:59,310

that they're being abducted and then and

2346

01:45:02,660 --> 01:45:00,900

they've got to find proof that just this

2347

01:45:05,120 --> 01:45:02,670

is a situation that's been happening to

2348

01:45:07,310 --> 01:45:05,130

them for years and years and and they're

2349

01:45:11,479 --> 01:45:07,320

their senses are blunted in essence

2350

01:45:13,760 --> 01:45:11,489

having said that I did try various

2351

01:45:15,830 --> 01:45:13,770

experiments early on with this

2352

01:45:19,430 --> 01:45:15,840

phenomenon and one of them was of

2353

01:45:21,379 --> 01:45:19,440

putting a radiation badge in a person's

2354

01:45:23,780 --> 01:45:21,389

nightgown and nobody would know the

2355

01:45:25,760 --> 01:45:23,790

difference and that this was a one that

2356

01:45:28,850 --> 01:45:25,770

that III subscribed to service where

2357

01:45:30,770 --> 01:45:28,860

they would read it and we we measure the

2358

01:45:31,850 --> 01:45:30,780

background radiation I mean we know

2359

01:45:33,439 --> 01:45:31,860

where the background radiation of where

2360

01:45:35,089 --> 01:45:33,449

she lived was so they would see if there

2361

01:45:37,430 --> 01:45:35,099

was any radiation on board the object

2362

01:45:39,800 --> 01:45:37,440

and she was abducted came back with the

2363

01:45:42,530 --> 01:45:39,810

radiation badge and I sent it to this

2364

01:45:44,180 --> 01:45:42,540

outfit in Rochester New York for a

2365

01:45:46,129 --> 01:45:44,190

reading we know that there probably

2366

01:45:48,979 --> 01:45:46,139

isn't any radiation what this would sort

2367

01:45:50,240 --> 01:45:48,989

of confirm that and I waited and waited

2368

01:45:52,040 --> 01:45:50,250

and waited and I didn't hear anything

2369

01:45:53,570 --> 01:45:52,050

and I finally started calling and I

2370

01:45:55,790 --> 01:45:53,580

couldn't get an answer and then finally

2371

01:45:58,070 --> 01:45:55,800

I've got the answer the company had gone

2372

01:45:59,479 --> 01:45:58,080

out of business taken my radiation badge

2373

01:46:00,760 --> 01:45:59,489

with him and that was the last I ever

2374

01:46:04,580 --> 01:46:00,770

heard of it

2375

01:46:06,520 --> 01:46:04,590

but but this is the other areas what dr.

2376

01:46:09,379 --> 01:46:06,530

Jenkins let me interject one thing here

2377

01:46:12,560 --> 01:46:09,389

Bravo for you to you for doing that

2378

01:46:15,140 --> 01:46:12,570

attempting to gather some statistical

2379

01:46:16,580 --> 01:46:15,150

evidence that way that's that's the kind

2380

01:46:18,439 --> 01:46:16,590

of thing that I've always been talking

2381

01:46:19,970 --> 01:46:18,449

about we need to think of these sorts of

2382

01:46:22,640 --> 01:46:19,980

things so we can gather the sort of

2383

01:46:24,820 --> 01:46:22,650

evidence that we need so Bravo for you

2384

01:46:28,339 --> 01:46:24,830

for giving that a try

2385

01:46:30,109 --> 01:46:28,349

we have no video tape well video tapes

2386

01:46:32,479 --> 01:46:30,119

are the first thing I ever tried and

2387

01:46:35,120 --> 01:46:32,489

I've had many many people sitting

2388

01:46:36,709 --> 01:46:35,130

underneath a video camera and the

2389

01:46:39,080 --> 01:46:36,719

problem with that I'm thinking about all

2390

01:46:41,390 --> 01:46:39,090

the field cameras out there now today

2391

01:46:43,459 --> 01:46:41,400

all the video tape we've got we've got

2392

01:46:44,990 --> 01:46:43,469

wonderful wonderful videotapes of

2393

01:46:48,020 --> 01:46:45,000

meteorite Falls

2394

01:46:49,939 --> 01:46:48,030

on my blog I actually have put a video

2395

01:46:51,649 --> 01:46:49,949

bar on there that has meteor falls on it

2396

01:46:53,149 --> 01:46:51,659

so you can watch these things we've got

2397

01:46:56,149 --> 01:46:53,159

security cameras all over the place

2398

01:46:58,070 --> 01:46:56,159

we've got police cars with cameras you

2399

01:47:01,910 --> 01:46:58,080

know we still don't have any videotape

2400

01:47:03,600 --> 01:47:01,920

right this is a very promising area of

2401

01:47:06,570 --> 01:47:03,610

research actually and

2402

01:47:08,520 --> 01:47:06,580

and I would like to do to do something

2403

01:47:09,930 --> 01:47:08,530

like that what you need to do is you

2404

01:47:13,470 --> 01:47:09,940

have to you have to have a videotape

2405

01:47:15,330 --> 01:47:13,480

trained on a person's residence and and

2406

01:47:17,250 --> 01:47:15,340

see if anything unusual happens in that

2407

01:47:18,810 --> 01:47:17,260

way now of course there would be no

2408

01:47:21,420 --> 01:47:18,820

abduction phenomenon if this phenomenon

2409

01:47:23,310 --> 01:47:21,430

would did not take place clandestinely

2410

01:47:25,200 --> 01:47:23,320

and when people say they're abducted

2411

01:47:27,030 --> 01:47:25,210

they'll go as but and I know our through

2412

01:47:29,310 --> 01:47:27,040

walls and ceilings and windows and so

2413

01:47:31,950 --> 01:47:29,320

forth and the problem is is that people

2414

01:47:33,810 --> 01:47:31,960

on the outside don't see that now maybe

2415

01:47:35,820 --> 01:47:33,820

they're cloaked maybe people are need to

2416

01:47:37,680 --> 01:47:35,830

turn away or maybe they're just not see

2417

01:47:39,060 --> 01:47:37,690

alive ah that's things that's attack

2418

01:47:41,220 --> 01:47:39,070

that I take that they're just invisible

2419

01:47:43,560 --> 01:47:41,230

in that that particular period is going

2420

01:47:46,020 --> 01:47:43,570

right to a solid object which makes no

2421

01:47:47,820 --> 01:47:46,030

sense whatsoever and once again if this

2422

01:47:49,470 --> 01:47:47,830

were psychological people just say they

2423

01:47:51,090 --> 01:47:49,480

want to walk through that they went into

2424

01:47:52,590 --> 01:47:51,100

the door of the door walked out you know

2425

01:47:54,300 --> 01:47:52,600

what I mean together with nefta but

2426

01:47:55,440 --> 01:47:54,310

these roadblocks to believability in

2427

01:47:57,690 --> 01:47:55,450

front of them by saying they went

2428

01:48:00,810 --> 01:47:57,700

through a closed wall or window but

2429

01:48:03,600 --> 01:48:00,820

anyway but that is something that really

2430

01:48:05,340 --> 01:48:03,610

needs that sense a very promising area

2431

01:48:07,740 --> 01:48:05,350

and I would like to see that I'd like to

2432

01:48:09,990 --> 01:48:07,750

see cameras trained on homes and

2433

01:48:12,060 --> 01:48:10,000

apartments not just on streets and on

2434

01:48:13,680 --> 01:48:12,070

businesses which is where anywhere where

2435

01:48:16,350 --> 01:48:13,690

the majority of cameras obviously are

2436

01:48:18,690 --> 01:48:16,360

and and maybe we can pick up something

2437

01:48:20,100 --> 01:48:18,700

that way and and we'd have to target

2438

01:48:22,080 --> 01:48:20,110

certain people who are out duck these

2439

01:48:25,350 --> 01:48:22,090

and we'd have to set up a camera

2440

01:48:28,380 --> 01:48:25,360

somewhere somehow but this I think this

2441

01:48:30,360 --> 01:48:28,390

is doable and I would I would definitely

2442

01:48:32,430 --> 01:48:30,370

like to have this happen this is good

2443

01:48:34,950 --> 01:48:32,440

you know the problem is is that you have

2444

01:48:36,870 --> 01:48:34,960

to remember doing abduction work is four

2445

01:48:40,280 --> 01:48:36,880

button for me all the money comes

2446

01:48:43,020 --> 01:48:40,290

directly out of our pockets and for

2447

01:48:44,430 --> 01:48:43,030

transcripts and things like that every

2448

01:48:47,250 --> 01:48:44,440

time a person comes into my house that

2449

01:48:49,800 --> 01:48:47,260

cost me a pretty penny on neither let's

2450

01:48:51,420 --> 01:48:49,810

charge anything we don't have a large

2451

01:48:53,670 --> 01:48:51,430

staff of people around us who are

2452

01:48:55,860 --> 01:48:53,680

willing to perform tasks we have no

2453

01:48:58,230 --> 01:48:55,870

funding from any institution or anything

2454

01:49:00,270 --> 01:48:58,240

like that in fact as an academic if you

2455

01:49:02,160 --> 01:49:00,280

do this work it's not a good career move

2456

01:49:04,230 --> 01:49:02,170

as I tell graduate students are

2457

01:49:05,970 --> 01:49:04,240

interested in this to speak you want to

2458

01:49:07,500 --> 01:49:05,980

stay as far away and this is as humanly

2459

01:49:09,300 --> 01:49:07,510

possible via I want to get a job in

2460

01:49:11,490 --> 01:49:09,310

academics so we're at a great

2461

01:49:13,950 --> 01:49:11,500

disadvantage and and the more help that

2462

01:49:16,140 --> 01:49:13,960

we can get the better it is and and it's

2463

01:49:17,100 --> 01:49:16,150

there's an awful lot of us smart people

2464

01:49:18,510 --> 01:49:17,110

out there who have

2465

01:49:20,280 --> 01:49:18,520

can put their minds together and figure

2466

01:49:22,770 --> 01:49:20,290

out ways to detect this that I don't

2467

01:49:24,570 --> 01:49:22,780

know yet and and I'm a great believer in

2468

01:49:26,490 --> 01:49:24,580

that absolutely yes you're left feel

2469

01:49:29,100 --> 01:49:26,500

question that occurred to me about the

2470

01:49:32,010 --> 01:49:29,110

hypnotic regression does it always have

2471

01:49:33,629 --> 01:49:32,020

to be done in person can you do this on

2472

01:49:36,209 --> 01:49:33,639

the phone or have you ever done on the

2473

01:49:38,250 --> 01:49:36,219

phone yes you know there's an awful lot

2474

01:49:39,660 --> 01:49:38,260

of people out there who don't live with

2475

01:49:42,570 --> 01:49:39,670

you know a little thousand miles away

2476

01:49:44,430 --> 01:49:42,580

from me and all that and I have done

2477

01:49:46,560 --> 01:49:44,440

phone hypnosis with people who I have

2478

01:49:48,419 --> 01:49:46,570

worked with and who have moved away and

2479

01:49:49,800 --> 01:49:48,429

I used to think to myself gosh I'm doing

2480

01:49:52,140 --> 01:49:49,810

this on the phone people will think I'm

2481

01:49:55,200 --> 01:49:52,150

completely crazy until I realized that

2482

01:49:57,870 --> 01:49:55,210

there's a huge psychology of phony of

2483

01:50:00,300 --> 01:49:57,880

gnosis phone therapy world out there

2484

01:50:02,250 --> 01:50:00,310

just for that reason that people can't

2485

01:50:05,580 --> 01:50:02,260

get to to a psychologist or psychiatrist

2486

01:50:08,879 --> 01:50:05,590

and so I was comforted by that the only

2487

01:50:10,290 --> 01:50:08,889

person who I never met who was this

2488

01:50:12,840 --> 01:50:10,300

woman who's been stalking me

2489

01:50:15,390 --> 01:50:12,850

unfortunately yeah and that that was a

2490

01:50:16,890 --> 01:50:15,400

mistake and then and I have to keep him

2491

01:50:19,020 --> 01:50:16,900

like a major problem there we other

2492

01:50:20,280 --> 01:50:19,030

person I've had sessions with first and

2493

01:50:22,140 --> 01:50:20,290

then they would move away and I would

2494

01:50:23,430 --> 01:50:22,150

still have some sessions on the phone

2495

01:50:26,189 --> 01:50:23,440

the other sessions aren't quite as good

2496

01:50:28,169 --> 01:50:26,199

and they're not as thorough but but

2497

01:50:29,700 --> 01:50:28,179

they're satisfactory for the for the

2498

01:50:31,470 --> 01:50:29,710

person who's who's remembering the

2499

01:50:34,050 --> 01:50:31,480

experience I ask one question since you

2500

01:50:35,970 --> 01:50:34,060

brought up without going into detail the

2501

01:50:38,609 --> 01:50:35,980

woman who's kind of stalking you or

2502

01:50:41,879 --> 01:50:38,619

going after you that person has released

2503

01:50:43,950 --> 01:50:41,889

tapes of these sessions are you aware of

2504

01:50:45,240 --> 01:50:43,960

to whether they've been edited that

2505

01:50:47,459 --> 01:50:45,250

you're actually hearing them or having

2506

01:50:50,100 --> 01:50:47,469

them bothered to hear them you know they

2507

01:50:53,070 --> 01:50:50,110

can't they have to been edited because

2508

01:50:55,770 --> 01:50:53,080

my hypnosis sessions with her lasted

2509

01:50:58,200 --> 01:50:55,780

from three to four hours so I don't know

2510

01:51:00,510 --> 01:50:58,210

how she can do that I have not seen I

2511

01:51:02,520 --> 01:51:00,520

have not gone through everything it's

2512

01:51:04,859 --> 01:51:02,530

it's too hard for me the sections that I

2513

01:51:05,910 --> 01:51:04,869

have heard have been edited and I have

2514

01:51:08,370 --> 01:51:05,920

not been able to go through all her

2515

01:51:11,550 --> 01:51:08,380

material you know one one piece at a

2516

01:51:13,529 --> 01:51:11,560

time but my god my senses and obviously

2517

01:51:16,290 --> 01:51:13,539

that has been very heavily

2518

01:51:18,779 --> 01:51:16,300

and that everything she has done is

2519

01:51:21,330 --> 01:51:18,789

tried to put me in a very bad light and

2520

01:51:24,029 --> 01:51:21,340

it's just a shame as I as I said before

2521

01:51:25,709 --> 01:51:24,039

is in a very very painful situation for

2522

01:51:28,200 --> 01:51:25,719

me and I don't know when it's gonna end

2523

01:51:29,790 --> 01:51:28,210

I have a feeling I'm in for the long

2524

01:51:33,209 --> 01:51:29,800

haul if they're made even by the rest of

2525

01:51:35,009 --> 01:51:33,219

my life actually so I think that people

2526

01:51:37,740 --> 01:51:35,019

should realize though that that's oh

2527

01:51:39,750 --> 01:51:37,750

there is another and very very different

2528

01:51:41,459 --> 01:51:39,760

side to the story that that they're not

2529

01:51:44,250 --> 01:51:41,469

hearing from her okay looking at

2530

01:51:46,439 --> 01:51:44,260

abduction research as a totality Kevan

2531

01:51:48,390 --> 01:51:46,449

Randall in the next few minutes can you

2532

01:51:50,279 --> 01:51:48,400

tell us where you think the best

2533

01:51:52,950 --> 01:51:50,289

approach could be taken to learn more

2534

01:51:55,339 --> 01:51:52,960

about what's going on I think we need as

2535

01:51:58,529 --> 01:51:55,349

you say look at the totality not only

2536

01:52:04,819 --> 01:51:58,539

understand that that the people coming

2537

01:52:08,160 --> 01:52:04,829

to dr. Jacobs are suffering and it's

2538

01:52:10,109 --> 01:52:08,170

clearly are but look at the things that

2539

01:52:12,569 --> 01:52:10,119

we might be able to do to learn more

2540

01:52:15,899 --> 01:52:12,579

about the abductions and it may be

2541

01:52:19,770 --> 01:52:15,909

simple things as gathering statistical

2542

01:52:21,450 --> 01:52:19,780

information we need to take a look at

2543

01:52:24,000 --> 01:52:21,460

the possibilities of the videotape

2544

01:52:27,270 --> 01:52:24,010

because everything is videotaped today

2545

01:52:28,740 --> 01:52:27,280

there are cameras everywhere and I just

2546

01:52:30,209 --> 01:52:28,750

pointed it the streets but they're

2547

01:52:32,189 --> 01:52:30,219

pointed all over the place so that if

2548

01:52:33,629 --> 01:52:32,199

something happens in a city you've

2549

01:52:35,370 --> 01:52:33,639

probably got three or four different

2550

01:52:37,020 --> 01:52:35,380

views of it that's what we see on law

2551
01:52:42,979 --> 01:52:37,030
and order by the way they always have

2552
01:52:45,839 --> 01:52:42,989
the cameras which show a final progress

2553
01:52:47,970 --> 01:52:45,849
27 cameras on the Pentagon during 9/11

2554
01:52:50,399 --> 01:52:47,980
but we need we need to look at all the

2555
01:52:52,859 --> 01:52:50,409
avenues available to us for research we

2556
01:52:55,049 --> 01:52:52,869
need to gather some good solid physical

2557
01:52:57,299 --> 01:52:55,059
evidence we have to understand that

2558
01:53:00,060 --> 01:52:57,309
hypnosis is not a pathway to the truth

2559
01:53:02,520 --> 01:53:00,070
that that people can confabulate under

2560
01:53:04,229 --> 01:53:02,530
under hypnosis there is a phenomenon

2561
01:53:06,270 --> 01:53:04,239
known as pleasing the operator where you

2562
01:53:09,240 --> 01:53:06,280
can subtly lead somebody under hypnosis

2563
01:53:11,459 --> 01:53:09,250

no matter how carefully you are to avoid

2564

01:53:13,290 --> 01:53:11,469

that but we have to look at all of those

2565

01:53:15,569 --> 01:53:13,300

sorts of things and we have to move

2566

01:53:18,060 --> 01:53:15,579

abduction research from case studies and

2567

01:53:19,859 --> 01:53:18,070

and that speaking as a researcher and

2568

01:53:22,560 --> 01:53:19,869

not a therapist but move it from case

2569

01:53:24,689 --> 01:53:22,570

studies into an arena where we can

2570

01:53:27,030 --> 01:53:24,699

gather some solid physical evidence and

2571

01:53:28,380 --> 01:53:27,040

find out exactly what is going on

2572

01:53:30,690 --> 01:53:28,390

but Hopkins what do you have to say

2573

01:53:33,510 --> 01:53:30,700

about the fugitive abduction research

2574

01:53:38,040 --> 01:53:33,520

well one quick thing about the videotape

2575

01:53:41,220 --> 01:53:38,050

the question of these things being

2576
01:53:43,440 --> 01:53:41,230
seeable these events abductions being

2577
01:53:45,300 --> 01:53:43,450
here ball or not whether they're

2578
01:53:49,260 --> 01:53:45,310
invisible one of the most important

2579
01:53:51,330 --> 01:53:49,270
things about the Linda Kokila case is

2580
01:53:53,940 --> 01:53:51,340
that this was a kid this is one instance

2581
01:53:55,620 --> 01:53:53,950
in which apparently the aliens were

2582
01:53:58,170 --> 01:53:55,630
showing off and let everybody see what

2583
01:54:00,660 --> 01:53:58,180
they were doing at 3:00 a.m. in

2584
01:54:03,030 --> 01:54:00,670
Manhattan and many people saw what they

2585
01:54:06,690 --> 01:54:03,040
were doing and saw people floating in

2586
01:54:09,630 --> 01:54:06,700
the air going up into the craft so you

2587
01:54:11,490 --> 01:54:09,640
know I've dealt with with witnesses to

2588
01:54:13,200 --> 01:54:11,500

that event even though it's lasted about

2589

01:54:15,930 --> 01:54:13,210

a minute a minute and a half something

2590

01:54:17,280 --> 01:54:15,940

like that so we know what would what

2591

01:54:19,830 --> 01:54:17,290

these things would look like if they

2592

01:54:20,790 --> 01:54:19,840

were seeable they're usually not seeable

2593

01:54:22,860 --> 01:54:20,800

and that's the point

2594

01:54:26,760 --> 01:54:22,870

the reason why we don't have video tapes

2595

01:54:29,600 --> 01:54:26,770

and people floating up to you opposed so

2596

01:54:34,910 --> 01:54:29,610

we might have a real problem making that

2597

01:54:40,260 --> 01:54:34,920

the I'm the present video systems work

2598

01:54:43,350 --> 01:54:40,270

but the point is as Kevin said hypnosis

2599

01:54:45,660 --> 01:54:43,360

is not a reliable gas is the truth

2600

01:54:48,210 --> 01:54:45,670

neither is just sitting down and having

2601
01:54:49,980 --> 01:54:48,220
a an interview with somebody under

2602
01:54:51,990 --> 01:54:49,990
normal circumstances which when it's a

2603
01:54:54,840 --> 01:54:52,000
cup of coffee in hand that isn't

2604
01:54:58,250 --> 01:54:54,850
necessarily necessarily fast truth

2605
01:55:01,860 --> 01:54:58,260
either in every case a person can

2606
01:55:03,840 --> 01:55:01,870
confabulate or be mixed up or be telling

2607
01:55:06,870 --> 01:55:03,850
the truth whether they're under a ptosis

2608
01:55:08,910 --> 01:55:06,880
or knowledge that gnosis so we have to

2609
01:55:10,890 --> 01:55:08,920
use every possible method and I agree

2610
01:55:13,440 --> 01:55:10,900
totally with the idea that we need to

2611
01:55:16,980 --> 01:55:13,450
get as much physical evidence which is

2612
01:55:19,230 --> 01:55:16,990
why I've gathered photographs of the

2613
01:55:21,690 --> 01:55:19,240

scoop marks on people and we've really

2614

01:55:24,870 --> 01:55:21,700

had two different people biopsied

2615

01:55:27,810 --> 01:55:24,880

by doctors to see what we can find out

2616

01:55:30,330 --> 01:55:27,820

about those scoop marks as a medical

2617

01:55:33,230 --> 01:55:30,340

thing and that's why the reason I have

2618

01:55:35,070 --> 01:55:33,240

been collecting over the years people's

2619

01:55:37,740 --> 01:55:35,080

drawings of

2620

01:55:40,530 --> 01:55:37,750

cymbals with if she inside crap I've now

2621

01:55:43,530 --> 01:55:40,540

got something like approaching 50 of

2622

01:55:46,310 --> 01:55:43,540

them different samples which match very

2623

01:55:49,650 --> 01:55:46,320

very heavily that's extremely valuable

2624

01:55:52,110 --> 01:55:49,660

physical evidence to me but I would like

2625

01:55:54,150 --> 01:55:52,120

to get some cameras an invitation for

2626

01:55:57,120 --> 01:55:54,160

him to send me a list of questions

2627

01:55:59,610 --> 01:55:57,130

issues that could be put into some kind

2628

01:56:08,100 --> 01:55:59,620

of a data form that could be filled out

2629

01:56:11,190 --> 01:56:08,110

by abductees Kevin is that a good idea

2630

01:56:12,990 --> 01:56:11,200

for you okay you know what we'll follow

2631

01:56:14,160 --> 01:56:13,000

up on that in a future discussion we

2632

01:56:14,700 --> 01:56:14,170

don't have more than a couple of minutes

2633

01:56:16,860 --> 01:56:14,710

left

2634

01:56:18,840 --> 01:56:16,870

so Kevin Randell tell our listeners

2635

01:56:20,730 --> 01:56:18,850

where they can find more the things that

2636

01:56:22,140 --> 01:56:20,740

you do and write about they can take a

2637

01:56:23,700 --> 01:56:22,150

look at my blog just known as a

2638

01:56:25,770 --> 01:56:23,710

different perspective you can type that

2639

01:56:29,030 --> 01:56:25,780

into your search engine or Kevin Randall

2640

01:56:31,800 --> 01:56:29,040

blog spot.com and you can you can see

2641

01:56:35,190 --> 01:56:31,810

what I'm talking about there I'll be

2642

01:56:38,820 --> 01:56:35,200

talking at the MUFON symposium this

2643

01:56:40,410 --> 01:56:38,830

coming July the main one I'm doing a

2644

01:56:42,960 --> 01:56:40,420

tribute to Len Stringfield in his

2645

01:56:47,190 --> 01:56:42,970

research at epic symposium so I'll be

2646

01:56:49,500 --> 01:56:47,200

there Leakey I may have to do that okay

2647

01:56:52,710 --> 01:56:49,510

where do we bother you dr. David Jacobs

2648

01:56:57,900 --> 01:56:52,720

well I have my website at UFO abduction

2649

01:56:59,340 --> 01:56:57,910

dot-com ww UFO abduction comm and of

2650

01:57:01,680 --> 01:56:59,350

course at Temple University where

2651
01:57:04,620 --> 01:57:01,690
they'll be for at least another year

2652
01:57:06,180 --> 01:57:04,630
anyway as retirement begins to loom

2653
01:57:08,040 --> 01:57:06,190
larger in my mind and seem more

2654
01:57:09,690 --> 01:57:08,050
attractive to me well I'm wondering

2655
01:57:11,220 --> 01:57:09,700
after this episode maybe you're ready to

2656
01:57:14,400 --> 01:57:11,230
leave right now and say I've had enough

2657
01:57:18,960 --> 01:57:14,410
of this stuff you're pretty close I have

2658
01:57:21,180 --> 01:57:18,970
to admit figured in we always want our

2659
01:57:23,250 --> 01:57:21,190
show to be in a mining place for people

2660
01:57:27,480 --> 01:57:23,260
to pursue oh right

2661
01:57:29,900 --> 01:57:27,490
but Hopkins did you do I could be

2662
01:57:35,310 --> 01:57:29,910
reached at our website and truthers

2663
01:57:40,200 --> 01:57:35,320

foundation.org very simple and i have a

2664

01:57:42,660 --> 01:57:40,210

new book which was a memoir called hard

2665

01:57:48,330 --> 01:57:42,670

life and ufos and it has a great deal

2666

01:57:52,330 --> 01:57:48,340

about how i was led into the subject by

2667

01:57:54,820 --> 01:57:52,340

people's other adventures that they told

2668

01:57:56,800 --> 01:57:54,830

me about and I found myself compelled to

2669

01:58:00,930 --> 01:57:56,810

look into them and I will also be

2670

01:58:03,540 --> 01:58:00,940

speaking at the conference

2671

01:58:05,830 --> 01:58:03,550

okay so I'll put you two together and

2672

01:58:07,050 --> 01:58:05,840

maybe set up some kind of discussion

2673

01:58:10,000 --> 01:58:07,060

that sounds interesting

2674

01:58:12,040 --> 01:58:10,010

Christopher O'Brien our guest co-host

2675

01:58:13,810 --> 01:58:12,050

what are you working on where can we

2676

01:58:17,490 --> 01:58:13,820

find were the things that you're doing

2677

01:58:23,370 --> 01:58:17,500

well we've just signed a deal for a

2678

01:58:26,950 --> 01:58:23,380

seven camera high-res internet-capable

2679

01:58:28,660 --> 01:58:26,960

triangulation coordinated surveillance

2680

01:58:31,210 --> 01:58:28,670

net of the San Luis Valley that'll be on

2681

01:58:34,020 --> 01:58:31,220

various cell towers and mountaintops

2682

01:58:36,940 --> 01:58:34,030

covering the beautiful San Luis Valley

2683

01:58:39,910 --> 01:58:36,950

24/7 it's probably America's hottest

2684

01:58:41,530 --> 01:58:39,920

spot for UFO sightings and it's a vision

2685

01:58:44,470 --> 01:58:41,540

that I've had for twenty years and it's

2686

01:58:47,020 --> 01:58:44,480

finally becoming a reality people can

2687

01:58:51,040 --> 01:58:47,030

visit my web site which is our strange

2688

01:58:53,200 --> 01:58:51,050

planet calm and want to thank gene and

2689

01:58:55,060 --> 01:58:53,210

our guests for a real enlightening show

2690

01:58:58,180 --> 01:58:55,070

I really I really learned a few things

2691

01:59:00,430 --> 01:58:58,190

and and I really do admire you know

2692

01:59:02,800 --> 01:59:00,440

people in this field having the courage

2693

01:59:05,080 --> 01:59:02,810

to get out and really do the heavy

2694

01:59:07,330 --> 01:59:05,090

lifting in this field what was really

2695

01:59:10,180 --> 01:59:07,340

nice is that we can have for people very

2696

01:59:12,880 --> 01:59:10,190

opinionated people here Chris O'Brien

2697

01:59:13,420 --> 01:59:12,890

Budd Hopkins dr. David Jacobs Kevin

2698

01:59:15,910 --> 01:59:13,430

Randall

2699

01:59:18,370 --> 01:59:15,920

and we can hopefully shed light on the

2700

01:59:19,930 --> 01:59:18,380

situation without a lot of heat except

2701

01:59:22,360 --> 01:59:19,940

if you live in a cold climate where we

2702

01:59:24,070 --> 01:59:22,370

need the heat so once again guys thank

2703

01:59:28,090 --> 01:59:24,080

you all for joining us this week on the

2704

01:59:33,280 --> 01:59:28,100

power cast thank you thank you I need

2705

01:59:46,819 --> 01:59:33,290

one well thanks for having me it was
