

03/14/10

PAUL KIMBALL,
STEVE MERA
and DAVE SADLER

1
00:00:01,110 --> 00:00:20,120

[Music]

2
00:00:25,400 --> 00:00:23,390

Paul Campbell's joining us as guest host

3
00:00:27,769 --> 00:00:25,410

this week as David B Edna takes a

4
00:00:29,569 --> 00:00:27,779

further hiatus from the show the big

5
00:00:32,089 --> 00:00:29,579

question that's in my mind here

6
00:00:35,030 --> 00:00:32,099

especially now we have all this stuff

7
00:00:37,250 --> 00:00:35,040

going on the media in America you know

8
00:00:40,100 --> 00:00:37,260

we have the conservative media the

9
00:00:42,530 --> 00:00:40,110

liberal media we have supposedly the

10
00:00:45,139 --> 00:00:42,540

moderate media and everybody putting a

11
00:00:47,600 --> 00:00:45,149

spin on what's going on so before we

12
00:00:50,090 --> 00:00:47,610

discuss how UFOs may be treated or

13
00:00:52,820 --> 00:00:50,100

paranormal subjects by the media Paul

14

00:00:54,140 --> 00:00:52,830

what about the Canadian media how does

15

00:00:56,719 --> 00:00:54,150

it look from Nova Scotia

16

00:00:58,549 --> 00:00:56,729

well hygiene and tied to the pair cast

17

00:01:01,130 --> 00:00:58,559

listenership you know the media is the

18

00:01:03,829 --> 00:01:01,140

media in Canada we have what you would

19

00:01:05,690 --> 00:01:03,839

call them liberal media and we also have

20

00:01:07,609 --> 00:01:05,700

a conservative media in the sense that

21

00:01:09,710 --> 00:01:07,619

there's a national newspaper called the

22

00:01:11,810 --> 00:01:09,720

National Post that tends to take more

23

00:01:13,609 --> 00:01:11,820

conservative positions although most

24

00:01:15,289 --> 00:01:13,619

Americans would probably find them our

25

00:01:17,600 --> 00:01:15,299

conservative positions to be somewhat

26

00:01:19,219 --> 00:01:17,610

centrist and then we have other

27

00:01:21,560 --> 00:01:19,229

newspapers that take what we would call

28

00:01:23,359 --> 00:01:21,570

a more liberal or centrist position

29

00:01:25,789 --> 00:01:23,369

which most Americans would probably find

30

00:01:27,950 --> 00:01:25,799

quite liberal so you know the terms

31

00:01:30,020 --> 00:01:27,960

conservative and liberal and centrist

32

00:01:31,760 --> 00:01:30,030

very not just from country to country

33

00:01:33,620 --> 00:01:31,770

but even from region to region if you're

34

00:01:36,559 --> 00:01:33,630

watching news in New England which we

35

00:01:37,879 --> 00:01:36,569

get here I think you'll find that it's

36

00:01:40,340 --> 00:01:37,889

probably quite different than the news

37

00:01:42,830 --> 00:01:40,350

that I see when I travel to Texas or New

38

00:01:44,359 --> 00:01:42,840

Mexico or places in the southwest where

39

00:01:46,879 --> 00:01:44,369

you might expect to find a more

40

00:01:49,010 --> 00:01:46,889

conservative culture just generally so

41

00:01:50,469 --> 00:01:49,020

you know depending on where you are

42

00:01:53,840 --> 00:01:50,479

there's going to be differences in

43

00:01:56,870 --> 00:01:53,850

reportage as it were but in how in terms

44

00:01:58,940 --> 00:01:56,880

of how the UFO subject has been treated

45

00:02:01,459 --> 00:01:58,950

I I've never really discerned a

46

00:02:02,899 --> 00:02:01,469

difference between say Fox News which

47

00:02:05,899 --> 00:02:02,909

you would consider I supposed to be a

48

00:02:08,480 --> 00:02:05,909

conservative outlet and you know the New

49

00:02:09,710 --> 00:02:08,490

York Times which is generally considered

50

00:02:11,300 --> 00:02:09,720

to be more liberal outlet

51
00:02:14,690 --> 00:02:11,310
I think they generally if they cover

52
00:02:16,730 --> 00:02:14,700
UFOs at all or a UFO story at all

53
00:02:18,260 --> 00:02:16,740
they generally cover it all in the same

54
00:02:21,320 --> 00:02:18,270
way I don't think there's a conservative

55
00:02:22,610 --> 00:02:21,330
or liberal angle to UFOs unless maybe a

56
00:02:25,070 --> 00:02:22,620
politician and you know like five

57
00:02:26,900 --> 00:02:25,080
Symington gets involved and perhaps he's

58
00:02:28,580 --> 00:02:26,910
of a political party and so maybe the

59
00:02:29,900 --> 00:02:28,590
other side takes a swipe at him but

60
00:02:33,030 --> 00:02:29,910
generally speaking I think the media

61
00:02:34,800 --> 00:02:33,040
covers when they do choose to cover UFOs

62
00:02:36,870 --> 00:02:34,810
in North America at least covers it

63
00:02:38,870 --> 00:02:36,880

pretty much the same way conservative

64

00:02:42,690 --> 00:02:38,880

liberal centrist doesn't really matter

65

00:02:45,630 --> 00:02:42,700

they all serve active or liberal way of

66

00:02:48,120 --> 00:02:45,640

laughing at UFOs laughter is the same

67

00:02:49,860 --> 00:02:48,130

despite the political persuasion pretty

68

00:02:51,900 --> 00:02:49,870

much the only thing that might change is

69

00:02:54,449 --> 00:02:51,910

the accent in the speech pattern that

70

00:02:56,370 --> 00:02:54,459

comes before the actual laughter so a

71

00:02:58,949 --> 00:02:56,380

Texan would laugh and talk perhaps

72

00:03:00,449 --> 00:02:58,959

differently than someone from Boston and

73

00:03:03,390 --> 00:03:00,459

certainly differently than somebody from

74

00:03:05,400 --> 00:03:03,400

Ontario or Alberta but the laughter is

75

00:03:08,460 --> 00:03:05,410

the same and generally speaking they

76

00:03:11,370 --> 00:03:08,470

they do treat it usually with at least a

77

00:03:13,259 --> 00:03:11,380

wink and a nudge and some form of it's

78

00:03:15,870 --> 00:03:13,269

not outright laughter you know well okay

79

00:03:18,630 --> 00:03:15,880

we kind of have to report this but we

80

00:03:20,039 --> 00:03:18,640

don't take it terribly seriously there

81

00:03:21,090 --> 00:03:20,049

are media outlets every now and then

82

00:03:23,640 --> 00:03:21,100

you'll see something that's a little

83

00:03:24,720 --> 00:03:23,650

different the United Kingdom and I think

84

00:03:27,360 --> 00:03:24,730

this might have something to do with

85

00:03:28,949 --> 00:03:27,370

Nick Pope's profile over there the

86

00:03:30,300 --> 00:03:28,959

United Kingdom seems to take it a little

87

00:03:32,070 --> 00:03:30,310

more seriously but I think that's

88

00:03:34,140 --> 00:03:32,080

largely because they're in the midst of

89

00:03:36,600 --> 00:03:34,150

the Ministry of Defence releasing

90

00:03:37,650 --> 00:03:36,610

documents so there's an actual news

91

00:03:39,180 --> 00:03:37,660

story there you have the government

92

00:03:40,289 --> 00:03:39,190

getting involved in Sam oh look here's

93

00:03:43,050 --> 00:03:40,299

all these documents we're an

94

00:03:44,580 --> 00:03:43,060

investigations there's nothing to it but

95

00:03:46,229 --> 00:03:44,590

at least that's a news story and you

96

00:03:47,550 --> 00:03:46,239

have to take that kind of seriously when

97

00:03:49,259 --> 00:03:47,560

the Ministry of Defence is sort of

98

00:03:51,390 --> 00:03:49,269

throwing these or not throwing these for

99

00:03:54,990 --> 00:03:51,400

releasing all these documents so I think

100

00:03:57,210 --> 00:03:55,000

the story is different over there than

101

00:04:00,360 --> 00:03:57,220

what the story is over here at least at

102

00:04:02,550 --> 00:04:00,370

the moment now if you had that kind of

103

00:04:05,009 --> 00:04:02,560

release of documentation in the United

104

00:04:06,900 --> 00:04:05,019

States then I think you might see the

105

00:04:08,699 --> 00:04:06,910

story change the problem is in the

106

00:04:10,620 --> 00:04:08,709

United States you've pretty much got you

107

00:04:12,780 --> 00:04:10,630

had that release of documentation years

108

00:04:14,550 --> 00:04:12,790

ago that project Bluebook files have

109

00:04:17,039 --> 00:04:14,560

been in the public record for decades

110

00:04:19,259 --> 00:04:17,049

and so when people talk about disclosure

111

00:04:20,430 --> 00:04:19,269

well it's happened folks I mean the kind

112

00:04:22,350 --> 00:04:20,440

of disclosure you're seeing in places

113

00:04:24,330 --> 00:04:22,360

like New Zealand and the United Kingdom

114

00:04:25,890 --> 00:04:24,340

in Canada that's already happened in the

115

00:04:28,980 --> 00:04:25,900

United States all those documents that

116

00:04:30,659 --> 00:04:28,990

their major investigative body did have

117

00:04:33,379 --> 00:04:30,669

been released you can go to a website

118

00:04:36,090 --> 00:04:33,389

called a project Bluebook archive and

119

00:04:38,010 --> 00:04:36,100

and you can go through all the Blue Book

120

00:04:39,510 --> 00:04:38,020

Records many of which haven't really

121

00:04:39,950 --> 00:04:39,520

been looked at yet even though they're

122

00:04:43,129 --> 00:04:39,960

there

123

00:04:44,330 --> 00:04:43,139

so the story is different in different

124

00:04:46,340 --> 00:04:44,340

places - I don't think it's a

125

00:04:48,110 --> 00:04:46,350

conservative and liberal thing I think

126

00:04:50,120 --> 00:04:48,120

the story is what drives the response

127

00:04:52,040 --> 00:04:50,130

and if you have as you do in the United

128

00:04:54,140 --> 00:04:52,050

Kingdom at the moment or even in New

129

00:04:56,420 --> 00:04:54,150

Zealand a release is documentation from

130

00:04:58,820 --> 00:04:56,430

an official source well that gets taken

131

00:05:02,060 --> 00:04:58,830

a little more seriously than maybe a

132

00:05:04,670 --> 00:05:02,070

story of three guys driving down the

133

00:05:06,529 --> 00:05:04,680

highway outside Lubbock Texas one night

134

00:05:08,450 --> 00:05:06,539

after having had a few and they see some

135

00:05:10,670 --> 00:05:08,460

lights in the sky and then you know

136

00:05:12,260 --> 00:05:10,680

between those two extremes the story

137

00:05:13,580 --> 00:05:12,270

there's always a different story in

138

00:05:15,920 --> 00:05:13,590

there so Stephenville when the

139

00:05:17,779 --> 00:05:15,930

Stephenville case happened and i don't

140

00:05:19,730 --> 00:05:17,789

know what Stephenville was but i think

141

00:05:21,589 --> 00:05:19,740

that gets some serious reportage you

142

00:05:23,629 --> 00:05:21,599

know not quite as serious as the war in

143

00:05:25,969 --> 00:05:23,639

Afghanistan but in the UFO world

144

00:05:27,350 --> 00:05:25,979

everything is relative so I think that

145

00:05:29,300 --> 00:05:27,360

got some serious reportage I think the

146

00:05:31,370 --> 00:05:29,310

O'Hare case a few years ago against some

147

00:05:32,900 --> 00:05:31,380

serious reportage because those were

148

00:05:35,270 --> 00:05:32,910

cases whatever they were whatever

149

00:05:37,670 --> 00:05:35,280

happened that involved credible people

150

00:05:39,560 --> 00:05:37,680

and some interesting things going on and

151

00:05:41,029 --> 00:05:39,570

in Stephenville in a very interesting

152

00:05:42,170 --> 00:05:41,039

place and then O'Hare in a very

153

00:05:44,689 --> 00:05:42,180

interesting place you know the

154

00:05:46,939 --> 00:05:44,699

president's ranch and one of the world's

155

00:05:48,560 --> 00:05:46,949

major airports so I think that's the

156

00:05:51,350 --> 00:05:48,570

story and I think that's why you saw

157

00:05:53,330 --> 00:05:51,360

something more than just the usual haha

158

00:05:55,520 --> 00:05:53,340

at least initially when it came to those

159

00:05:56,960 --> 00:05:55,530

cases so I think it's the story gene

160

00:05:59,060 --> 00:05:56,970

that drives did not any political

161

00:06:01,279 --> 00:05:59,070

persuasion what about the stories that

162

00:06:04,610 --> 00:06:01,289

there may be some kind of conspiracy

163

00:06:07,580 --> 00:06:04,620

between the the government and the press

164

00:06:09,589 --> 00:06:07,590

to keep the information from being

165

00:06:11,480 --> 00:06:09,599

disclosed we did a show about that a few

166

00:06:13,700 --> 00:06:11,490

weeks ago well I would say that those

167

00:06:16,159 --> 00:06:13,710

kind of stories from my perspective or

168

00:06:19,040 --> 00:06:16,169

exactly why the media laughs at the UFO

169

00:06:21,800 --> 00:06:19,050

subject because as far as I can tell

170

00:06:23,870 --> 00:06:21,810

there is a hint of any solid evidence

171

00:06:25,820 --> 00:06:23,880

that would point to first of all you'd

172

00:06:27,860 --> 00:06:25,830

need okay you have to have aliens the

173

00:06:29,029 --> 00:06:27,870

aliens have to have talked to the United

174

00:06:30,200 --> 00:06:29,039

States government it's always the

175

00:06:32,029 --> 00:06:30,210

American government nobody ever

176

00:06:35,149 --> 00:06:32,039

complains about the Burundian government

177

00:06:37,820 --> 00:06:35,159

or you know the other thing is here why

178

00:06:40,070 --> 00:06:37,830

would the aliens talk to the Burundian

179

00:06:42,409 --> 00:06:40,080

government has to be the President of

180

00:06:45,200 --> 00:06:42,419

the United States the CIA which is very

181

00:06:48,290 --> 00:06:45,210

American I love my southern cousins but

182

00:06:50,060 --> 00:06:48,300

as all Canadians do but the United

183

00:06:50,879 --> 00:06:50,070

States is very insular to look at itself

184

00:06:52,379 --> 00:06:50,889

and

185

00:06:53,670 --> 00:06:52,389

this is happening in the United States

186

00:06:55,920 --> 00:06:53,680

well obviously can't be happening

187

00:06:57,689 --> 00:06:55,930

elsewhere and if aliens are coming here

188

00:06:59,760 --> 00:06:57,699

from Zeta Reticuli one two or three

189

00:07:02,070 --> 00:06:59,770

surely they would stop in at the White

190

00:07:03,649 --> 00:07:02,080

House or the CIA headquarters before it

191

00:07:06,809 --> 00:07:03,659

I mean why would they go to Burundi is

192

00:07:09,540 --> 00:07:06,819

here they might actually be devoted

193

00:07:11,730 --> 00:07:09,550

right now to helping Barack Obama give

194

00:07:13,760 --> 00:07:11,740

up the smoking habit exactly that's

195

00:07:16,830 --> 00:07:13,770

that's entirely possible although

196

00:07:19,140 --> 00:07:16,840

somehow I doubt it but you know if

197

00:07:21,360 --> 00:07:19,150

aliens were coming here is Sam Friedman

198

00:07:22,860 --> 00:07:21,370

it's often fond of saying he has no idea

199

00:07:25,080 --> 00:07:22,870

why they'd be coming here and then he

200

00:07:27,029 --> 00:07:25,090

lists 30 or 40 reasons well maybe some

201
00:07:28,649 --> 00:07:27,039
of those reasons they would look at us

202
00:07:31,290 --> 00:07:28,659
and they would say well you know to us

203
00:07:34,409 --> 00:07:31,300
Burundi is as developed as you know the

204
00:07:36,240 --> 00:07:34,419
United States as developed as as

205
00:07:38,070 --> 00:07:36,250
Argentina they're all the same day

206
00:07:43,439 --> 00:07:38,080
aliens from Zeta Reticuli because to

207
00:07:45,719 --> 00:07:43,449
them were sort of all best dogs we maybe

208
00:07:48,779 --> 00:07:45,729
we understand 30 words that the aliens

209
00:07:50,339 --> 00:07:48,789
can speak so it's it's very hubristic of

210
00:07:51,659 --> 00:07:50,349
any particular nationality or any

211
00:07:53,010 --> 00:07:51,669
particular group of people to say well

212
00:07:54,469 --> 00:07:53,020
of course the aliens would want to talk

213
00:07:57,089 --> 00:07:54,479

to us because we're the most advanced

214

00:07:59,490 --> 00:07:57,099

race or culture or civilization on this

215

00:08:01,469 --> 00:07:59,500

planet well yes maybe to us well the

216

00:08:04,230 --> 00:08:01,479

other thing is here in the movies Star

217

00:08:06,570 --> 00:08:04,240

Trek before the voyage home they want to

218

00:08:08,279 --> 00:08:06,580

talk to humpback whales and if they

219

00:08:10,260 --> 00:08:08,289

couldn't hear a response from the

220

00:08:13,290 --> 00:08:10,270

humpback whales they'll destroy the

221

00:08:15,540 --> 00:08:13,300

planet which is a bit far-fetched but

222

00:08:16,679 --> 00:08:15,550

what they were trying to get at I think

223

00:08:18,480 --> 00:08:16,689

what they were trying to get at in the

224

00:08:20,159 --> 00:08:18,490

Star Trek in that movie which I think

225

00:08:23,159 --> 00:08:20,169

most people considered to be probably

226

00:08:26,249 --> 00:08:23,169

the best of the original series movies

227

00:08:27,929 --> 00:08:26,259

that we're done is you know there's

228

00:08:29,550 --> 00:08:27,939

things going on in our planet there's

229

00:08:32,189 --> 00:08:29,560

there's all sorts of other life-forms

230

00:08:34,170 --> 00:08:32,199

here who knows what the aliens if they

231

00:08:35,750 --> 00:08:34,180

are aliens and if they are coming here

232

00:08:38,310 --> 00:08:35,760

who knows what would interest them I

233

00:08:40,079 --> 00:08:38,320

don't think that if aliens from Zeta

234

00:08:43,050 --> 00:08:40,089

Reticuli are coming here the inner

235

00:08:46,319 --> 00:08:43,060

workings of American healthcare and the

236

00:08:48,740 --> 00:08:46,329

congressional system or you know in

237

00:08:51,240 --> 00:08:48,750

Canada provincial versus federal

238

00:08:53,699 --> 00:08:51,250

jurisdiction questions or even things

239

00:08:54,750 --> 00:08:53,709

like war and peace on this plan I'm just

240

00:08:57,509 --> 00:08:54,760

not convinced that those would be

241

00:08:59,220 --> 00:08:57,519

terribly interesting to them I think if

242

00:09:00,480 --> 00:08:59,230

they're here they're here for for other

243

00:09:02,000 --> 00:09:00,490

reasons and it might not have anything

244

00:09:04,190 --> 00:09:02,010

to do with us

245

00:09:06,860 --> 00:09:04,200

and that's the kind of thing that people

246

00:09:07,910 --> 00:09:06,870

like Jacques Vallee would look at and he

247

00:09:09,500 --> 00:09:07,920

would say well look you know if it is

248

00:09:11,930 --> 00:09:09,510

aliens from Zeta Reticuli that's the

249

00:09:14,510 --> 00:09:11,940

least interesting of the possibilities

250

00:09:17,030 --> 00:09:14,520

people like mag my good friend the late

251
00:09:18,800 --> 00:09:17,040
Mack Tony's I think a lot of the things

252
00:09:21,830 --> 00:09:18,810
that drew people like them away from the

253
00:09:23,330 --> 00:09:21,840
extra-terrestrial hypothesis was the

254
00:09:25,040 --> 00:09:23,340
questioning of well look if they've been

255
00:09:27,200 --> 00:09:25,050
here for 50 or 60 years

256
00:09:28,670 --> 00:09:27,210
why haven't they made themselves known I

257
00:09:31,220 --> 00:09:28,680
mean what possible reason would they

258
00:09:33,890 --> 00:09:31,230
have for not making themselves known if

259
00:09:36,140 --> 00:09:33,900
I walk into a house that has three dogs

260
00:09:37,940 --> 00:09:36,150
I don't sort of try and walk around the

261
00:09:39,440 --> 00:09:37,950
dogs so that the dogs don't I mean that

262
00:09:41,000 --> 00:09:39,450
assuming I'm a friendly you know I know

263
00:09:42,860 --> 00:09:41,010

the people in the house I don't try and

264

00:09:45,230 --> 00:09:42,870

hide myself from the dogs I just ignore

265

00:09:47,600 --> 00:09:45,240

the dogs but you know I walk right by

266

00:09:49,400 --> 00:09:47,610

them and I I don't think there's they

267

00:09:52,070 --> 00:09:49,410

people like Mac and I don't want to

268

00:09:53,390 --> 00:09:52,080

speak for Mac or valet but I'm the

269

00:09:54,370 --> 00:09:53,400

impression I always get from them is

270

00:09:56,330 --> 00:09:54,380

they look at the extra-terrestrial

271

00:09:58,670 --> 00:09:56,340

hypothesis and say well that's the least

272

00:10:00,710 --> 00:09:58,680

sensible of the bunch of the paranormal

273

00:10:02,780 --> 00:10:00,720

hypotheses it doesn't really make any

274

00:10:04,520 --> 00:10:02,790

sense because surely something would

275

00:10:06,110 --> 00:10:04,530

have happened by now why would they just

276

00:10:09,560 --> 00:10:06,120

keep flitting about in the atmosphere

277

00:10:11,120 --> 00:10:09,570

for 60 years or more longer and then you

278

00:10:12,980 --> 00:10:11,130

get into the abduction stuff well why

279

00:10:14,810 --> 00:10:12,990

would they abduct thousands or millions

280

00:10:16,970 --> 00:10:14,820

depending on who you talk of people as

281

00:10:18,650 --> 00:10:16,980

Kevin Randle said to me once surely you

282

00:10:20,780 --> 00:10:18,660

can take a sampling of the population

283

00:10:22,880 --> 00:10:20,790

you know in about five years if you're

284

00:10:24,950 --> 00:10:22,890

an alien take a hundred people from all

285

00:10:26,810 --> 00:10:24,960

corners of the earth and and then you're

286

00:10:28,340 --> 00:10:26,820

done so maybe there's a hundred alien

287

00:10:30,230 --> 00:10:28,350

abductions but then why would you keep

288

00:10:33,560 --> 00:10:30,240

abducting people over and over and over

289

00:10:35,180 --> 00:10:33,570

again right yeah well well until they

290

00:10:36,950 --> 00:10:35,190

get it right then how the heck did they

291

00:10:38,240 --> 00:10:36,960

get here in the first place apparently

292

00:10:40,310 --> 00:10:38,250

they can build very good spaceships that

293

00:10:42,050 --> 00:10:40,320

can fly between planets except they

294

00:10:44,210 --> 00:10:42,060

crash it Roswell and they crash with a

295

00:10:46,130 --> 00:10:44,220

stick and Kecksburg and everywhere else

296

00:10:48,290 --> 00:10:46,140

and then when they get here there's such

297

00:10:49,760 --> 00:10:48,300

lousy scientists that they're it's their

298

00:10:51,740 --> 00:10:49,770

experiments have to go on for 60 years

299

00:10:53,810 --> 00:10:51,750

and they have to keep repeatedly

300

00:10:56,330 --> 00:10:53,820

abducting people and thousands upon

301
00:10:58,880 --> 00:10:56,340
thousands of people to wait aid freeze

302
00:11:00,890 --> 00:10:58,890
abduction I got the answer reduction

303
00:11:03,440 --> 00:11:00,900
they get paid in credits or whatever

304
00:11:05,630 --> 00:11:03,450
there's a there Reticuli monetary system

305
00:11:08,390 --> 00:11:05,640
is they get paid for it so if they come

306
00:11:10,760 --> 00:11:08,400
back and say hey we hijacked we abducted

307
00:11:12,770 --> 00:11:10,770
a hundred thousand earth people they get

308
00:11:14,990 --> 00:11:12,780
paid for that but if they only

309
00:11:17,180 --> 00:11:15,000
you know a thousand they only abduct a

310
00:11:18,800 --> 00:11:17,190
thousand people well that's not good

311
00:11:20,330 --> 00:11:18,810
enough they'll be replaced next time

312
00:11:22,280 --> 00:11:20,340
then they're just like police officers

313
00:11:25,370 --> 00:11:22,290

during what we used to call ticket month

314

00:11:27,170 --> 00:11:25,380

when I work with the RCMP one summer you

315

00:11:28,130 --> 00:11:27,180

would have one month where you that's

316

00:11:29,810 --> 00:11:28,140

the month you have to write all your

317

00:11:32,540 --> 00:11:29,820

tickets because your entire yearly

318

00:11:34,580 --> 00:11:32,550

budget for traffic patrol is they saw

319

00:11:35,990 --> 00:11:34,590

that one month they prorated so maybe

320

00:11:38,420 --> 00:11:36,000

the aliens show up that would explain

321

00:11:40,910 --> 00:11:38,430

UFO waves you know every seven or eight

322

00:11:42,590 --> 00:11:40,920

years it's it's human month for the

323

00:11:44,420 --> 00:11:42,600

aliens so they have to show up and

324

00:11:46,970 --> 00:11:44,430

abduct so many humans or else the budget

325

00:11:49,010 --> 00:11:46,980

gets cut I've I have no idea alien logic

326

00:11:50,840 --> 00:11:49,020

oh well speaking of any logic you

327

00:11:53,360 --> 00:11:50,850

assembled a couple of really fascinating

328

00:11:55,220 --> 00:11:53,370

guests for us today would you tell our

329

00:11:55,760 --> 00:11:55,230

listeners who they are and what they're

330

00:11:57,410 --> 00:11:55,770

about

331

00:11:58,880 --> 00:11:57,420

they're from the other side of the pond

332

00:12:01,550 --> 00:11:58,890

they're from what's left of the Empire

333

00:12:03,950 --> 00:12:01,560

Dave Sadler and Steve Mehra from the

334

00:12:06,170 --> 00:12:03,960

United Kingdom a lovely town called

335

00:12:09,410 --> 00:12:06,180

Congleton just south of Manchester in

336

00:12:11,600 --> 00:12:09,420

the sort of central England area there

337

00:12:13,600 --> 00:12:11,610

are researchers with a an organization

338

00:12:16,310 --> 00:12:13,610

called the unknown phenomena

339

00:12:19,550 --> 00:12:16,320

investigation Association or the UPI a

340

00:12:21,200 --> 00:12:19,560

and they between them I think they have

341

00:12:23,120 --> 00:12:21,210

and we can ask them but I think they

342

00:12:25,460 --> 00:12:23,130

have about 30 or 40 years between them

343

00:12:27,980 --> 00:12:25,470

of investigating all sorts of paranormal

344

00:12:31,130 --> 00:12:27,990

phenomena from ghosts to poltergeists to

345

00:12:33,050 --> 00:12:31,140

to crypto creatures to UFOs you know

346

00:12:35,330 --> 00:12:33,060

pretty much if it's a paranormal subject

347

00:12:37,070 --> 00:12:35,340

they've looked into it I admit Dave a

348

00:12:39,290 --> 00:12:37,080

couple years ago when I was speaking at

349

00:12:42,380 --> 00:12:39,300

a conference in Manchester put on by

350

00:12:44,150 --> 00:12:42,390

Stuart Miller who ran UFO review and

351
00:12:47,090 --> 00:12:44,160
then the alien worlds magazine good guy

352
00:12:49,310 --> 00:12:47,100
and Dave and I just hit it off because

353
00:12:51,080 --> 00:12:49,320
he's he strikes me a lot like me he

354
00:12:52,760 --> 00:12:51,090
doesn't take himself seriously but he

355
00:12:55,880 --> 00:12:52,770
takes the subject seriously he's

356
00:12:58,790 --> 00:12:55,890
skeptical but he's open-minded so I kind

357
00:13:00,260 --> 00:12:58,800
of found a kindred spirit in him and you

358
00:13:02,870 --> 00:13:00,270
know they take their investigations

359
00:13:05,180 --> 00:13:02,880
seriously they work hard at it and they

360
00:13:07,220 --> 00:13:05,190
don't jump to conclusions and so when we

361
00:13:08,990 --> 00:13:07,230
needed local people in the United

362
00:13:10,550 --> 00:13:09,000
Kingdom to partner with Holly Stevenson

363
00:13:13,580 --> 00:13:10,560

I wouldn't we were doing a few episodes

364

00:13:15,260 --> 00:13:13,590

of ghost cases over there last year dave

365

00:13:16,850 --> 00:13:15,270

was the guy I called and we partnered up

366

00:13:18,650 --> 00:13:16,860

with the UPI a so there they were in

367

00:13:21,350 --> 00:13:18,660

four episodes of our television series

368

00:13:23,540 --> 00:13:21,360

and they they were fantastic to work

369

00:13:25,210 --> 00:13:23,550

with so I thought well let's introduce

370

00:13:27,310 --> 00:13:25,220

them to folks then

371

00:13:28,630 --> 00:13:27,320

radio in the United Kingdom but they I

372

00:13:30,550 --> 00:13:28,640

don't think they've ever been in North

373

00:13:32,140 --> 00:13:30,560

America or anywhere else you know beyond

374

00:13:33,280 --> 00:13:32,150

that so let's introduce them to folks in

375

00:13:35,170 --> 00:13:33,290

the rest of the world because I think

376

00:13:37,960 --> 00:13:35,180

they're the best paranormal researchers

377

00:13:39,550 --> 00:13:37,970

that I've run across in the UK and I say

378

00:13:42,010 --> 00:13:39,560

that with no sleight to Nick Pope or

379

00:13:43,870 --> 00:13:42,020

Nick Redfern or Dave Clark who or all

380

00:13:45,550 --> 00:13:43,880

friends line I think Dave said lured

381

00:13:48,700 --> 00:13:45,560

Steve Mayer and their people at the UPI

382

00:13:50,860 --> 00:13:48,710

air just top-notch so so that's why I

383

00:13:53,110 --> 00:13:50,870

suggested them to you Dave Sandler Steve

384

00:13:55,650 --> 00:13:53,120

Merrick coming up next on the power cast

385

00:13:58,630 --> 00:13:55,660

[Music]

386

00:14:00,460 --> 00:13:58,640

hi this is tomorrow from new chief we're

387

00:14:02,020 --> 00:14:00,470

a domain name and web hosting company

388

00:14:04,390 --> 00:14:02,030

and we really care about our customers

389

00:14:06,760 --> 00:14:04,400

with domain name purchases Namecheap

390

00:14:08,680 --> 00:14:06,770

offers free SSL and free who is guard

391

00:14:10,480 --> 00:14:08,690

for a year to protect your identity from

392

00:14:12,640 --> 00:14:10,490

spammers we won't bother you with

393

00:14:14,620 --> 00:14:12,650

unwanted messaging in your inbox or upon

394

00:14:16,300 --> 00:14:14,630

checkout but most importantly we care

395

00:14:18,100 --> 00:14:16,310

about you our customers your

396

00:14:20,170 --> 00:14:18,110

satisfaction and happiness is our

397

00:14:22,000 --> 00:14:20,180

primary focus because your support means

398

00:14:24,730 --> 00:14:22,010

so much to us if you'd like to learn

399

00:14:26,800 --> 00:14:24,740

more please visit us at radio name chief

400

00:14:28,720 --> 00:14:26,810

comm for web hosting and domain name

401

00:14:34,090 --> 00:14:28,730

specials you can also follow us on

402

00:14:36,310 --> 00:14:34,100

twitter at twitter.com/zeromd bars on

403

00:14:41,260 --> 00:14:36,320

facebook at facebook.com/slash named

404

00:14:43,060 --> 00:14:41,270

chief see you online we want to hear

405

00:14:45,310 --> 00:14:43,070

from you if you have a comment a

406

00:14:47,800 --> 00:14:45,320

question about the pear cast send it to

407

00:14:51,010 --> 00:14:47,810

news at the pear cast com

408

00:14:52,990 --> 00:14:51,020

that's news at the pear cast calm and

409

00:14:54,550 --> 00:14:53,000

don't forget to visit our forums where

410

00:14:57,250 --> 00:14:54,560

you can talk to fellow listeners and

411

00:15:00,100 --> 00:14:57,260

Jean and David just go to the pear cast

412

00:15:12,750 --> 00:15:00,110

comm and click on the forum links that's

413

00:15:17,760 --> 00:15:15,000

I just spun options and you're listening

414

00:15:21,690 --> 00:15:17,770

to the podcast with Jean Steinberg they

415

00:15:23,550 --> 00:15:21,700

gave me and I completely unfocused eclis

416

00:15:25,710 --> 00:15:23,560

endorses program it's an absolutely

417

00:15:28,830 --> 00:15:25,720

great program with opportunities to

418

00:15:31,170 --> 00:15:28,840

stretch out and talk and here we are

419

00:15:33,870 --> 00:15:31,180

with Paul Kimball Jean Steinberg and

420

00:15:36,990 --> 00:15:33,880

tonight Dave Sadler and Steve Mehra

421

00:15:41,460 --> 00:15:37,000

calling us from Congleton in the United

422

00:15:43,980 --> 00:15:41,470

Kingdom hi guys how are you good good

423

00:15:46,770 --> 00:15:43,990

I think what I was thinking we do would

424

00:15:48,570 --> 00:15:46,780

be introduce you to the good people of

425

00:15:52,350 --> 00:15:48,580

the Peres casts who listen to the show

426

00:15:53,460 --> 00:15:52,360

and ask each of you in turn I I mean I

427

00:15:58,790 --> 00:15:53,470

know your background

428

00:16:00,960 --> 00:15:58,800

I know Dave's background very well but

429

00:16:02,730 --> 00:16:00,970

obviously there are things here that are

430

00:16:05,430 --> 00:16:02,740

not stated that we'd like to learn but

431

00:16:09,900 --> 00:16:05,440

that can't be done on me in the province

432

00:16:14,430 --> 00:16:09,910

of this radio show yeah it's an entirely

433

00:16:16,470 --> 00:16:14,440

different show r-rated but yeah I was

434

00:16:18,570 --> 00:16:16,480

thinking each of you maybe we can start

435

00:16:21,360 --> 00:16:18,580

with Dave's and then Steve you can

436

00:16:24,150 --> 00:16:21,370

follow up what just describe a bit about

437

00:16:26,220 --> 00:16:24,160

the UPI a and map it and who are you

438

00:16:28,140 --> 00:16:26,230

guys how you get into paranormal

439

00:16:30,540 --> 00:16:28,150

research what's your background you know

440

00:16:33,810 --> 00:16:30,550

give us the the bio of Dave Sadler and

441

00:16:35,850 --> 00:16:33,820

Steve Mehra and your organization family

442

00:16:38,070 --> 00:16:35,860

well there you go on my name's Dave

443

00:16:40,140 --> 00:16:38,080

Sadler I've been involved in the

444

00:16:42,150 --> 00:16:40,150

paranormal investigation ufology and

445

00:16:45,420 --> 00:16:42,160

cryptozoology and suchlike now for

446

00:16:48,270 --> 00:16:45,430

approximately kawin close to 14 years I

447

00:16:50,960 --> 00:16:48,280

originally started from a basic interest

448

00:16:53,580 --> 00:16:50,970

boredom and shoes from the job I was

449

00:16:56,400 --> 00:16:53,590

taking at the time and a lot of spare

450

00:16:58,950 --> 00:16:56,410

time so I decided to sell it and I found

451
00:17:01,970 --> 00:16:58,960
that I was my interested interest at the

452
00:17:04,230 --> 00:17:01,980
time was big into the paranormal so I

453
00:17:07,770 --> 00:17:04,240
delved into it a little bit luckily

454
00:17:09,300 --> 00:17:07,780
found a VIP seekers which run by mr.

455
00:17:12,750 --> 00:17:09,310
mirror how we met

456
00:17:15,000 --> 00:17:12,760
from there I continued my learning of

457
00:17:19,020 --> 00:17:15,010
the subject and the basics of the

458
00:17:21,900 --> 00:17:19,030
subject formed the UPI a 1998 and from

459
00:17:23,460 --> 00:17:21,910
there we took part in

460
00:17:26,100 --> 00:17:23,470
a lot of active investigations

461
00:17:28,680 --> 00:17:26,110
throughout the country in fact we took

462
00:17:30,570 --> 00:17:28,690
going in some UFO cases throughout the

463
00:17:32,850 --> 00:17:30,580

world which would be able to air to

464

00:17:34,770 --> 00:17:32,860

solve especially regarding the footage

465

00:17:37,680 --> 00:17:34,780

that's been sent over and images and

466

00:17:39,540 --> 00:17:37,690

such like nowadays the team is are more

467

00:17:42,540 --> 00:17:39,550

compact team there's ten active members

468

00:17:45,090 --> 00:17:42,550

Steve included and some of the work that

469

00:17:47,520 --> 00:17:45,100

we're doing I think for eclipses most of

470

00:17:51,480 --> 00:17:47,530

the organization similar to the UPI and

471

00:17:53,790 --> 00:17:51,490

the UK we've we've taken steps forward

472

00:17:55,560 --> 00:17:53,800

greatly in many different areas and

473

00:17:58,290 --> 00:17:55,570

that's not down to myself a thousand

474

00:18:00,870 --> 00:17:58,300

people within the UPI a so yeah we look

475

00:18:03,390 --> 00:18:00,880

at haunting activity ghosts apparitions

476
00:18:05,940 --> 00:18:03,400
that's always your honor we look at UFOs

477
00:18:07,680 --> 00:18:05,950
we look at big cats and there's lots of

478
00:18:10,800 --> 00:18:07,690
little different areas that we look at

479
00:18:12,690 --> 00:18:10,810
as well a lot of things that come in we

480
00:18:15,540 --> 00:18:12,700
have to obviously lock out within the

481
00:18:21,060 --> 00:18:15,550
the whole paranormal world so we're back

482
00:18:23,460 --> 00:18:21,070
to me and not the EPIA first era well I

483
00:18:26,070 --> 00:18:23,470
pretty much started there very young and

484
00:18:27,930 --> 00:18:26,080
you can say my father was a UFO

485
00:18:30,390 --> 00:18:27,940
investigator he also had a large

486
00:18:33,900 --> 00:18:30,400
interest in the almost objects of the

487
00:18:36,810 --> 00:18:33,910
paranormal and I had a huge Wardrobe

488
00:18:38,430 --> 00:18:36,820

full of books and I think from run about

489

00:18:39,750 --> 00:18:38,440

eight and nine years old I used to pull

490

00:18:41,940 --> 00:18:39,760

the odd book out and have a look through

491

00:18:44,640 --> 00:18:41,950

there was a loose track reports or the

492

00:18:47,100 --> 00:18:44,650

of those days really the erich von

493

00:18:50,190 --> 00:18:47,110

daniken of box type things there were

494

00:18:51,810 --> 00:18:50,200

choice of the gods and bats tigers UFO

495

00:18:54,390 --> 00:18:51,820

balls and things like that I've pretty

496

00:18:57,030 --> 00:18:54,400

much got interested in the subjects of

497

00:18:59,400 --> 00:18:57,040

UFOs we dad had a telescope and would

498

00:19:01,140 --> 00:18:59,410

often take me out on the bed in the

499

00:19:02,940 --> 00:19:01,150

middle of the night unfortunately to

500

00:19:05,430 --> 00:19:02,950

look at the Stars and their planets and

501
00:19:07,650 --> 00:19:05,440
how many times we find ourselves up on

502
00:19:09,870 --> 00:19:07,660
the walls on the night looking up a

503
00:19:11,460 --> 00:19:09,880
clear night sky so it was kind of in the

504
00:19:14,190 --> 00:19:11,470
blood from the very early age

505
00:19:16,920 --> 00:19:14,200
and when I left school I still had the

506
00:19:18,690 --> 00:19:16,930
interests a multitude to find out if

507
00:19:21,210 --> 00:19:18,700
there was a little bit more through what

508
00:19:23,630 --> 00:19:21,220
I've made in books but I was caught up

509
00:19:26,280 --> 00:19:23,640
in the guards a lot of training and

510
00:19:28,200 --> 00:19:26,290
electrical engineering and and then I

511
00:19:31,779 --> 00:19:28,210
was hired out as a contract worker for

512
00:19:33,899 --> 00:19:31,789
NATO for a short length of time

513
00:19:37,180 --> 00:19:33,909

but through the process of those years I

514

00:19:39,899 --> 00:19:37,190

was reading and finding out on as much

515

00:19:42,909 --> 00:19:39,909

as I possibly could on the subject and

516

00:19:45,159 --> 00:19:42,919

around about 20 years ago I mean I've

517

00:19:48,070 --> 00:19:45,169

been in the subject now and for about 25

518

00:19:49,840 --> 00:19:48,080

years but about 20 years ago I opened up

519

00:19:54,190 --> 00:19:49,850

my first organization which was a

520

00:19:56,109 --> 00:19:54,200

Chechen UFO group and then I became an

521

00:19:58,450 --> 00:19:56,119

investigator would be fallen a British

522

00:20:00,639 --> 00:19:58,460

UFO research Association who became a

523

00:20:02,789 --> 00:20:00,649

regional investigative coordinator with

524

00:20:05,169 --> 00:20:02,799

them and helped you to their course

525

00:20:07,299 --> 00:20:05,179

prepared of talent became involved in

526
00:20:10,450 --> 00:20:07,309
numerous organizations through the UK

527
00:20:13,779 --> 00:20:10,460
and around by the 1980s or laughter

528
00:20:15,700 --> 00:20:13,789
1980s a lot of people were becoming

529
00:20:17,440 --> 00:20:15,710
interested in the paranormal they've

530
00:20:19,690 --> 00:20:17,450
been a number of television programs on

531
00:20:22,060 --> 00:20:19,700
the TV such as the x-files and people

532
00:20:24,219 --> 00:20:22,070
more interesting in paranormal side of

533
00:20:27,519 --> 00:20:24,229
things as well as UFOs so a lot of

534
00:20:29,080 --> 00:20:27,529
organizations like my own and started

535
00:20:31,690 --> 00:20:29,090
thinking about investigating paranormal

536
00:20:34,869 --> 00:20:31,700
as well so we ended up investigating

537
00:20:37,330 --> 00:20:34,879
both UFO and paranormal phenomena and I

538
00:20:40,210 --> 00:20:37,340

took over an organization which was run

539

00:20:43,180 --> 00:20:40,220

by David Rees it had been formed in 1974

540

00:20:45,609 --> 00:20:43,190

called map it and been running that

541

00:20:48,339 --> 00:20:45,619

today basically investigating and

542

00:20:51,549 --> 00:20:48,349

researching the paranormal all aspects

543

00:20:54,669 --> 00:20:51,559

the UFOs supernatural or pretty

544

00:20:56,649 --> 00:20:54,679

neurological we also run the British

545

00:20:58,389 --> 00:20:56,659

investigators training course which is a

546

00:21:00,159 --> 00:20:58,399

course which was row by myself and

547

00:21:02,799 --> 00:21:00,169

Universal academics from around the

548

00:21:04,719 --> 00:21:02,809

world and I think today it's probably

549

00:21:07,239 --> 00:21:04,729

the most recognized cost in the country

550

00:21:09,099 --> 00:21:07,249

for people who wish to learn a little

551
00:21:11,259 --> 00:21:09,109
bit more about how to investigate and

552
00:21:14,139 --> 00:21:11,269
research the phenomena from an

553
00:21:15,639 --> 00:21:14,149
investigative point subside or even if

554
00:21:17,789 --> 00:21:15,649
you have their own organization and

555
00:21:21,039 --> 00:21:17,799
wants to put their own details together

556
00:21:23,229 --> 00:21:21,049
and do their own form of investigations

557
00:21:26,320 --> 00:21:23,239
and since then basically we have been

558
00:21:29,669 --> 00:21:26,330
involved in the media aspect of it all

559
00:21:32,919 --> 00:21:29,679
as well so we're about 25 years in total

560
00:21:36,219 --> 00:21:32,929
domestic we'll get into a lot of those

561
00:21:38,649 --> 00:21:36,229
cases from ghosts UFOs poltergeists as

562
00:21:41,680 --> 00:21:38,659
the show goes on but I just wanted you

563
00:21:42,549 --> 00:21:41,690

to clarify like Steve you have a correct

564

00:21:47,739 --> 00:21:42,559

me if I'm wrong you have a

565

00:21:49,330 --> 00:21:47,749

master's degree in science don't you and

566

00:21:51,340 --> 00:21:49,340

one of your other guys Paul Reeves who

567

00:21:55,779 --> 00:21:51,350

worked with us he has a science degree

568

00:21:57,909 --> 00:21:55,789

as well chemistry I think these are a

569

00:22:00,970 --> 00:21:57,919

lot manager for a well-known British

570

00:22:03,070 --> 00:22:00,980

pharmaceutical company so you guys and

571

00:22:04,539 --> 00:22:03,080

this sort of would lead me into the next

572

00:22:06,789 --> 00:22:04,549

thing that I wanted to talk about just

573

00:22:08,980 --> 00:22:06,799

as some preliminary stuff before we

574

00:22:10,869 --> 00:22:08,990

start talking about the cases and and

575

00:22:12,279 --> 00:22:10,879

the things that you've encountered okay

576
00:22:14,560 --> 00:22:12,289
and one of the things that impressed me

577
00:22:16,869 --> 00:22:14,570
a great deal when I went over as I was

578
00:22:20,350 --> 00:22:16,879
saying to Jean before we called you guys

579
00:22:22,210 --> 00:22:20,360
up is the sort of skeptical scientific

580
00:22:25,180 --> 00:22:22,220
but open-minded approach you guys take

581
00:22:26,409 --> 00:22:25,190
to investigations and the fact that that

582
00:22:28,419 --> 00:22:26,419
at least some of your members have a

583
00:22:30,519 --> 00:22:28,429
scientific background talking to Paul

584
00:22:32,649 --> 00:22:30,529
and Steve when that you can see that

585
00:22:34,840 --> 00:22:32,659
come into the investigations so perhaps

586
00:22:38,529 --> 00:22:34,850
you guys could describe a bit about your

587
00:22:41,470 --> 00:22:38,539
research methodology if I call you from

588
00:22:43,600 --> 00:22:41,480

shock lack for instance and say you know

589

00:22:45,580 --> 00:22:43,610

L oh I think my house is haunted

590

00:22:47,289 --> 00:22:45,590

where are you taken from there like how

591

00:22:49,119 --> 00:22:47,299

do you that's my work that's the worst

592

00:22:51,669 --> 00:22:49,129

British accent you'll ever hear let me

593

00:22:54,129 --> 00:22:51,679

interrupt your folks I can do something

594

00:22:56,169 --> 00:22:54,139

it's even worse I'm not going to really

595

00:22:58,720 --> 00:22:56,179

inflict that upon any of our listeners I

596

00:23:01,090 --> 00:22:58,730

know because we believe that they have

597

00:23:02,649 --> 00:23:01,100

put their faith in this program and we

598

00:23:05,560 --> 00:23:02,659

don't want to encounter anything like

599

00:23:11,379 --> 00:23:05,570

that crikey that's no wait that's

600

00:23:13,269 --> 00:23:11,389

Australia well without my lousy British

601
00:23:15,489 --> 00:23:13,279
accent Pratt did talk a bit about your

602
00:23:17,440 --> 00:23:15,499
research methodology how you go from a

603
00:23:19,629 --> 00:23:17,450
somebody calling you up or contacting

604
00:23:22,090 --> 00:23:19,639
you to you know through the

605
00:23:24,399 --> 00:23:22,100
investigation process kinds of equipment

606
00:23:27,580 --> 00:23:24,409
you use I know Dave when we were there

607
00:23:29,259 --> 00:23:27,590
filming ghost cases EMF meter's which a

608
00:23:31,330 --> 00:23:29,269
lot of people think our ghost detectors

609
00:23:33,549 --> 00:23:31,340
courtesy of certain television shows

610
00:23:35,560 --> 00:23:33,559
perhaps we can get into a whole bunch of

611
00:23:37,450 --> 00:23:35,570
that of just the equipment the way that

612
00:23:38,950 --> 00:23:37,460
investigations are run the methodology

613
00:23:41,139 --> 00:23:38,960

you know how did how should it be done

614

00:23:43,119 --> 00:23:41,149

properly because you guys I think

615

00:23:45,549 --> 00:23:43,129

knowing properly so so let us know how

616

00:23:47,320 --> 00:23:45,559

you do it well to be on it first and

617

00:23:49,269 --> 00:23:47,330

foremost I wouldn't cross myself

618

00:23:52,230 --> 00:23:49,279

personally all the API is skeptics

619

00:23:54,510 --> 00:23:52,240

outclasses realists we've

620

00:23:55,740 --> 00:23:54,520

let's see let's face as you said about

621

00:23:57,480 --> 00:23:55,750

EMF meters

622

00:23:58,860 --> 00:23:57,490

you go around waving only MF meter

623

00:24:00,780 --> 00:23:58,870

nobody not to be knows what they're

624

00:24:02,250 --> 00:24:00,790

using it for they're not going into the

625

00:24:03,930 --> 00:24:02,260

study of this yet they're not going to

626

00:24:07,320 --> 00:24:03,940

disability of EMF meter in the first

627

00:24:09,330 --> 00:24:07,330

place to find out actually what EMS if

628

00:24:11,610 --> 00:24:09,340

you audit a PMF what it's causing an

629

00:24:13,500 --> 00:24:11,620

obviously guy is causing a physiological

630

00:24:15,720 --> 00:24:13,510

effect it's causing effects on the brain

631

00:24:17,190 --> 00:24:15,730

for instance so we're going to go into

632

00:24:20,400 --> 00:24:17,200

it we've got to find out more or less

633

00:24:22,590 --> 00:24:20,410

everything to do with EMF what its

634

00:24:24,780 --> 00:24:22,600

effects on the human body is because

635

00:24:26,850 --> 00:24:24,790

ghosts don't anyti enough that's just

636

00:24:28,530 --> 00:24:26,860

one come so anyway and there's another

637

00:24:34,440 --> 00:24:28,540

word for it by the way but we can't do

638

00:24:36,840 --> 00:24:34,450

that on family radio alder - a good

639

00:24:40,560 --> 00:24:36,850

phrase for that old about yes we'll use

640

00:24:42,150 --> 00:24:40,570

Boulder - for a case if the case came in

641

00:24:44,940 --> 00:24:42,160

the first thing that I personally would

642

00:24:47,910 --> 00:24:44,950

do I would Sunday a research request out

643

00:24:50,580 --> 00:24:47,920

to the team we've got several people in

644

00:24:52,380 --> 00:24:50,590

the team who who have you away with the

645

00:24:54,870 --> 00:24:52,390

amount of information they're able to

646

00:24:57,450 --> 00:24:54,880

find in an incidence overnight one

647

00:24:59,460 --> 00:24:57,460

person while both people mainly so in

648

00:25:02,370 --> 00:24:59,470

case they just don't go to bed and sit

649

00:25:04,380 --> 00:25:02,380

there and research so where the research

650

00:25:07,320 --> 00:25:04,390

request to be put out we'd go on to

651
00:25:09,810 --> 00:25:07,330
interview they the clients the witnesses

652
00:25:12,360 --> 00:25:09,820
we'd find out as much information we

653
00:25:14,820 --> 00:25:12,370
possibly could from them going into

654
00:25:17,970 --> 00:25:14,830
things as deep as what drugs they're

655
00:25:21,510 --> 00:25:17,980
using prescribed drugs or in some cases

656
00:25:23,820 --> 00:25:21,520
on prescribed drugs and we will see what

657
00:25:27,299 --> 00:25:23,830
side effects that has again on the human

658
00:25:28,919 --> 00:25:27,309
physiology we will just absolutely ask

659
00:25:30,930 --> 00:25:28,929
them as many questions we'll get to know

660
00:25:33,150 --> 00:25:30,940
the people as best we possibly can to

661
00:25:34,500 --> 00:25:33,160
find out as much information as we can

662
00:25:36,600 --> 00:25:34,510
Steve do you want to take you from there

663
00:25:38,100 --> 00:25:36,610

yeah yeah I mean obviously we the

664

00:25:40,260 --> 00:25:38,110

investigation is coming in I mean

665

00:25:42,810 --> 00:25:40,270

sometimes we do have space for

666

00:25:44,610 --> 00:25:42,820

investigations when we come in regular

667

00:25:46,320 --> 00:25:44,620

life and I think there's a process that

668

00:25:48,419 --> 00:25:46,330

we have to take on board such as

669

00:25:50,070 --> 00:25:48,429

volunteering the investigation I mean

670

00:25:52,200 --> 00:25:50,080

sometimes a lot of the things that we do

671

00:25:54,630 --> 00:25:52,210

get reported it'll usually a lot of just

672

00:25:57,360 --> 00:25:54,640

information such as some person saw

673

00:25:59,010 --> 00:25:57,370

something a number of months ago the

674

00:26:01,350 --> 00:25:59,020

unfortunate thing is we're investigating

675

00:26:03,240 --> 00:26:01,360

UFOs he usually investigation something

676
00:26:03,940 --> 00:26:03,250
has already happened and the chance of

677
00:26:06,129 --> 00:26:03,950
you actually

678
00:26:08,620 --> 00:26:06,139
again in the vicinity is usually very

679
00:26:09,700 --> 00:26:08,630
low investigating the paranormal is a

680
00:26:11,830 --> 00:26:09,710
little bit different because you do

681
00:26:13,539 --> 00:26:11,840
actually have the probability of being

682
00:26:17,019 --> 00:26:13,549
able to see something we experience

683
00:26:18,730 --> 00:26:17,029
something a second time around so

684
00:26:21,129 --> 00:26:18,740
warranting investigations is quite

685
00:26:22,509 --> 00:26:21,139
important issue for us because there we

686
00:26:24,310 --> 00:26:22,519
have to look at them and say which ones

687
00:26:26,440 --> 00:26:24,320
have the priority and which ones don't

688
00:26:30,100 --> 00:26:26,450

of course those which involve children

689

00:26:32,049 --> 00:26:30,110

and traumatic or severe frequency

690

00:26:34,060 --> 00:26:32,059

incidents obviously goes straight to the

691

00:26:36,100 --> 00:26:34,070

top of the top of the list because there

692

00:26:37,930 --> 00:26:36,110

is a necessity to investigate those

693

00:26:40,330 --> 00:26:37,940

first and we're going through life

694

00:26:42,759 --> 00:26:40,340

gathers motion the process of researcher

695

00:26:44,560 --> 00:26:42,769

process of if there are psychological

696

00:26:47,110 --> 00:26:44,570

conditions which could have to be

697

00:26:49,810 --> 00:26:47,120

attributed through the experience is

698

00:26:51,970 --> 00:26:49,820

there physical things as people reported

699

00:26:54,190 --> 00:26:51,980

and physical interaction or some call of

700

00:26:56,019 --> 00:26:54,200

some source we have to want on the

701
00:26:57,549 --> 00:26:56,029
investigation we also have to work out

702
00:26:59,889 --> 00:26:57,559
what equipment is going to be required

703
00:27:02,139 --> 00:26:59,899
for that location if it's indoors if

704
00:27:03,930 --> 00:27:02,149
it's outdoors do we have power sometimes

705
00:27:06,190 --> 00:27:03,940
we don't have power lateral and on-site

706
00:27:09,220 --> 00:27:06,200
investigation through gel on generators

707
00:27:11,200 --> 00:27:09,230
and light falls and basically making

708
00:27:14,769 --> 00:27:11,210
sure that the whole thing comes together

709
00:27:16,930 --> 00:27:14,779
in a proper manner that we don't waste

710
00:27:18,039 --> 00:27:16,940
our resources because a lot of people

711
00:27:20,409 --> 00:27:18,049
tend to go out there and investigate

712
00:27:22,120 --> 00:27:20,419
this and then ask questions afterwards I

713
00:27:23,680 --> 00:27:22,130

think we kind of do things the opposite

714

00:27:26,320 --> 00:27:23,690

way around and the reason for doing that

715

00:27:28,419 --> 00:27:26,330

is is so would that be we sometimes find

716

00:27:30,580 --> 00:27:28,429

a rational explanation without having to

717

00:27:33,250 --> 00:27:30,590

spend so much time on particular

718

00:27:34,840 --> 00:27:33,260

investigation so we have us the closest

719

00:27:38,120 --> 00:27:34,850

of allies investigation short they would

720

00:27:42,979 --> 00:27:40,659

[Music]

721

00:27:45,259 --> 00:27:42,989

picture this you're on the phone with a

722

00:27:48,249 --> 00:27:45,269

client or colleague trying to explain

723

00:27:50,659 --> 00:27:48,259

something visual a PowerPoint keynote

724

00:27:53,330 --> 00:27:50,669

presentation a website but it's

725

00:27:55,340 --> 00:27:53,340

frustrating because they can't see what

726

00:27:58,039 --> 00:27:55,350

you're talking about the solution good

727

00:28:01,639 --> 00:27:58,049

news they can if you invite them to an

728

00:28:04,009 --> 00:28:01,649

online meeting using GoToMeeting then

729

00:28:06,499 --> 00:28:04,019

they can see your computer desktop on

730

00:28:08,570 --> 00:28:06,509

their computer screen so you can show

731

00:28:10,070 --> 00:28:08,580

them what you're talking about I use

732

00:28:12,619 --> 00:28:10,080

goto meeting all the time to collaborate

733

00:28:15,919 --> 00:28:12,629

with colleagues and with clients you can

734

00:28:19,820 --> 00:28:15,929

try goto meeting free for 30 days but

735

00:28:23,599 --> 00:28:19,830

you must visit goto meeting / podcasts

736

00:28:39,979 --> 00:28:23,609

let's go to meeting.com slash podcasts

737

00:28:43,249 --> 00:28:39,989

for free 30-day trial next we have Dave

738

00:28:45,529 --> 00:28:43,259

Sadler Steve Mara and we're joined by

739

00:28:47,570 --> 00:28:45,539

our special guest co-host Paul Kimble

740

00:28:49,599 --> 00:28:47,580

Steve has a book out called strange

741

00:28:52,460 --> 00:28:49,609

happenings memoirs of a paranormal

742

00:28:55,460 --> 00:28:52,470

investigator I guess that's where you

743

00:28:58,669 --> 00:28:55,470

tell all about your secret life whatever

744

00:29:01,609 --> 00:28:58,679

it is yeah I think there's a number of

745

00:29:04,310 --> 00:29:01,619

investigations from my first one of 10

746

00:29:06,440 --> 00:29:04,320

years in that in the book which covers

747

00:29:07,999 --> 00:29:06,450

everything from UFOs to paranormal to

748

00:29:09,710 --> 00:29:08,009

strange and profound things so it's

749

00:29:11,389 --> 00:29:09,720

quite an interesting read and Dave you

750

00:29:15,229 --> 00:29:11,399

got book alcohol paranormal reality

751
00:29:18,529 --> 00:29:15,239
ghosts UFOs and Pussycats that's correct

752
00:29:22,129 --> 00:29:18,539
yeah when are they are they going to

753
00:29:23,779 --> 00:29:22,139
meow at us now or what hopefully so it's

754
00:29:25,190 --> 00:29:23,789
not been on known for certain Oh kitty

755
00:29:29,570 --> 00:29:25,200
cats out with those on an investigation

756
00:29:32,690 --> 00:29:29,580
for a big cat yeah basically the big cat

757
00:29:34,519 --> 00:29:32,700
thing in the UK where in the US and I

758
00:29:36,229 --> 00:29:34,529
don't know about Canada you you've got

759
00:29:38,779 --> 00:29:36,239
obviously a lot of wildlife a lot of

760
00:29:41,389 --> 00:29:38,789
pubes not in the wild in the UK that's

761
00:29:43,549 --> 00:29:41,399
that's basically unknown so we've got a

762
00:29:45,619 --> 00:29:43,559
classification of an ABC an alien big

763
00:29:47,899 --> 00:29:45,629

cat alien being and obviously aliens of

764

00:29:50,210 --> 00:29:47,909

the terrain and from the amount of

765

00:29:51,510 --> 00:29:50,220

reports that we we gauge yeah we're

766

00:29:53,160 --> 00:29:51,520

lucky to

767

00:29:54,450 --> 00:29:53,170

we can the team unfortunately I wasn't

768

00:29:56,460 --> 00:29:54,460

available to go out with team around

769

00:29:59,220 --> 00:29:56,470

about in the UM corn in Cheshire look in

770

00:30:00,810 --> 00:29:59,230

our case of a big car so yeah they looks

771

00:30:02,340 --> 00:30:00,820

at big car to looks at the paranormal

772

00:30:03,810 --> 00:30:02,350

that looks at us those and looks at crop

773

00:30:06,090 --> 00:30:03,820

circles one of the cases that means

774

00:30:08,360 --> 00:30:06,100

they've done a good ten years ago now

775

00:30:10,710 --> 00:30:08,370

evolved in a crop circle in North Wales

776

00:30:14,280 --> 00:30:10,720

again not dissimilar to Steve's it's

777

00:30:15,510 --> 00:30:14,290

it's more Case Files as a few I think

778

00:30:20,130 --> 00:30:15,520

mine's a bit more lighthearted than

779

00:30:22,470 --> 00:30:20,140

speeds as you can tell by the cover it

780

00:30:24,450 --> 00:30:22,480

has a good feedback up to now yeah all

781

00:30:26,010 --> 00:30:24,460

right I understand about the Pussycats

782

00:30:30,720 --> 00:30:26,020

though I'm still not getting this to

783

00:30:33,540 --> 00:30:30,730

clear why in the UK we call Pussycats up

784

00:30:35,700 --> 00:30:33,550

in the little chubby house cap so it's

785

00:30:38,370 --> 00:30:35,710

just a play on words for the little de

786

00:30:40,740 --> 00:30:38,380

lightheartedness of it yeah here in the

787

00:30:42,360 --> 00:30:40,750

UK we have a number of reported

788

00:30:46,080 --> 00:30:42,370

incidents where people claim to have

789

00:30:49,080 --> 00:30:46,090

seen large exotic fat cats such as Pumas

790

00:30:51,090 --> 00:30:49,090

Panthers so on and so forth which is

791

00:30:53,010 --> 00:30:51,100

usually you could expect to be a rarity

792

00:30:54,570 --> 00:30:53,020

in the UK because the obviously did not

793

00:30:56,400 --> 00:30:54,580

send they're not normally found in this

794

00:30:57,840 --> 00:30:56,410

country however there is a lot of

795

00:31:00,570 --> 00:30:57,850

speculation out some of these has been

796

00:31:03,090 --> 00:31:00,580

released and walking around about 1976

797

00:31:05,160 --> 00:31:03,100

during the animal the exotic animals

798

00:31:07,320 --> 00:31:05,170

register and that came into force and

799

00:31:09,420 --> 00:31:07,330

maybe that's some of them have been got

800

00:31:12,390 --> 00:31:09,430

out of zoos or been pets and been let

801
00:31:14,700 --> 00:31:12,400
loose and occasionally the end up with a

802
00:31:16,890 --> 00:31:14,710
newspaper article so somebody has seen

803
00:31:18,240 --> 00:31:16,900
something quite like a puma or Panther

804
00:31:20,370 --> 00:31:18,250
so we tend to go out and investigate

805
00:31:23,220 --> 00:31:20,380
those things just for the clips allude

806
00:31:25,680 --> 00:31:23,230
cryptozoological side so that we we end

807
00:31:27,000 --> 00:31:25,690
up with a database of information which

808
00:31:29,430 --> 00:31:27,010
would provide some numerous other

809
00:31:31,230 --> 00:31:29,440
organizations around the country in hope

810
00:31:34,140 --> 00:31:31,240
of protecting these cats was the first

811
00:31:35,760 --> 00:31:34,150
thing and secondly to stock hysteria as

812
00:31:37,590 --> 00:31:35,770
well because most of the time people do

813
00:31:39,750 --> 00:31:37,600

get fearful in these animals and when

814

00:31:42,060 --> 00:31:39,760

when if that's I think the cats are

815

00:31:43,890 --> 00:31:42,070

probably more afraid of humans to tell

816

00:31:45,600 --> 00:31:43,900

you the truth now are we saying then

817

00:31:47,580 --> 00:31:45,610

that these cats are not really

818

00:31:49,800 --> 00:31:47,590

paranormal but just something that's

819

00:31:52,920 --> 00:31:49,810

natural to our planet but maybe we don't

820

00:31:55,470 --> 00:31:52,930

know enough about them it's a rarity in

821

00:31:57,750 --> 00:31:55,480

the UK in the u.s. obviously you have

822

00:32:00,450 --> 00:31:57,760

Cougars in the back garden a lot in the

823

00:32:02,580 --> 00:32:00,460

UK we only have them in zoos they're not

824

00:32:03,869 --> 00:32:02,590

the natural climate the terrain in the

825

00:32:07,109 --> 00:32:03,879

UK is it's an

826

00:32:10,079 --> 00:32:07,119

array we've not seen things like that

827

00:32:12,449 --> 00:32:10,089

since medieval times so nowadays when a

828

00:32:13,919 --> 00:32:12,459

big cat is reported it is a rarity it's

829

00:32:15,839 --> 00:32:13,929

something of consequence which we follow

830

00:32:18,029 --> 00:32:15,849

up on that as I said earlier it's one of

831

00:32:20,759 --> 00:32:18,039

them areas we clustered the UK as a

832

00:32:22,889 --> 00:32:20,769

critter illogical in nature and it's an

833

00:32:24,299 --> 00:32:22,899

area that obviously from the UPI a

834

00:32:26,339 --> 00:32:24,309

unknown phenomena investigation

835

00:32:28,799 --> 00:32:26,349

Association we take seriously and we'll

836

00:32:31,769 --> 00:32:28,809

look at them cases and to be honest it's

837

00:32:34,469 --> 00:32:31,779

a relief and it's it's nice to get out

838

00:32:36,239 --> 00:32:34,479

into the wild trying to track these of

839

00:32:38,339 --> 00:32:36,249

these animals as the team did at the

840

00:32:40,589 --> 00:32:38,349

weekend it's a relief from the norm the

841

00:32:42,269 --> 00:32:40,599

youth illogical or they the paranormal

842

00:32:44,009 --> 00:32:42,279

so what you're saying then Dave and

843

00:32:45,449 --> 00:32:44,019

Steve is there isn't because a

844

00:32:47,879 --> 00:32:45,459

paranormal aspect because there are

845

00:32:51,029 --> 00:32:47,889

people who would assert that there is a

846

00:32:53,009 --> 00:32:51,039

paranormal element to the big cat

847

00:32:55,499 --> 00:32:53,019

phenomenon and I don't mean just

848

00:32:57,899 --> 00:32:55,509

cryptozoological but I mean everything

849

00:33:00,180 --> 00:32:57,909

from alien big cats as you sort of

850

00:33:02,909 --> 00:33:00,190

mentioned Dave but tying in and not just

851
00:33:04,559 --> 00:33:02,919
cats but the devil dog phenomena which

852
00:33:07,769 --> 00:33:04,569
my friend Nick Redfern is written about

853
00:33:09,659 --> 00:33:07,779
the legends of the the hounds of hell in

854
00:33:11,999 --> 00:33:09,669
the United Kingdom so what you're saying

855
00:33:13,559 --> 00:33:12,009
is you think that the the big cats is

856
00:33:15,719 --> 00:33:13,569
something that can certainly be

857
00:33:19,529 --> 00:33:15,729
explained without resort to paranormal

858
00:33:23,449 --> 00:33:19,539
phenomena absolutely other Steve said

859
00:33:27,659 --> 00:33:23,459
before in 1976 in the UK the government

860
00:33:29,519 --> 00:33:27,669
performed a a new law the exotic animals

861
00:33:31,199 --> 00:33:29,529
register were basically people in them

862
00:33:32,969 --> 00:33:31,209
sighs when you see films like Austin

863
00:33:35,369 --> 00:33:32,979

Powers in the swinging sixties you get

864

00:33:37,349 --> 00:33:35,379

people walking around with the big tiger

865

00:33:39,119 --> 00:33:37,359

on the lead that was outlawed people

866

00:33:40,819 --> 00:33:39,129

were not how to do that they had some of

867

00:33:43,379 --> 00:33:40,829

them caged we had to have certain things

868

00:33:45,449 --> 00:33:43,389

around them they were able to keep these

869

00:33:47,549 --> 00:33:45,459

animals and a lot of people didn't want

870

00:33:48,989 --> 00:33:47,559

to go through the processes abided by

871

00:33:51,089 --> 00:33:48,999

these laws and the least amongst the

872

00:33:53,459 --> 00:33:51,099

wild the best-known case in the UK is

873

00:33:55,529 --> 00:33:53,469

the the beast of Exmoor and it's quite

874

00:33:58,079 --> 00:33:55,539

well known worldwide for instance that's

875

00:33:59,609 --> 00:33:58,089

that's probably the main one we recently

876

00:34:00,930 --> 00:33:59,619

are there quite a major one the Beast of

877

00:34:03,539 --> 00:34:00,940

books you know which ended up being a

878

00:34:05,069 --> 00:34:03,549

hoax nowadays we believe these animals

879

00:34:07,959 --> 00:34:05,079

are capable of living in the wild it's

880

00:34:10,180 --> 00:34:07,969

obviously that when people do see them

881

00:34:12,549 --> 00:34:10,190

in the UK they're quite shocked by that

882

00:34:15,279 --> 00:34:12,559

and they feel they need to report that

883

00:34:17,259 --> 00:34:15,289

to somebody because hey they don't know

884

00:34:19,119 --> 00:34:17,269

these pictures are dangerous or not so

885

00:34:20,859 --> 00:34:19,129

again as we've said we're trying to

886

00:34:23,079 --> 00:34:20,869

protect the welfare of the animals as

887

00:34:24,940 --> 00:34:23,089

well as documenting a database of

888

00:34:27,159 --> 00:34:24,950

sightings throughout the UK and working

889

00:34:28,809 --> 00:34:27,169

with other organisations to see what

890

00:34:30,999 --> 00:34:28,819

sort of population of the animals are in

891

00:34:34,359 --> 00:34:31,009

the UK does this sort of highlight a

892

00:34:36,819 --> 00:34:34,369

broader point which is because Cougars

893

00:34:38,349 --> 00:34:36,829

mouth lines are not indigenous to the

894

00:34:40,839 --> 00:34:38,359

United Kingdom they would seem if you

895

00:34:43,539 --> 00:34:40,849

were in your backyard in Yorkshire and

896

00:34:45,369 --> 00:34:43,549

cougar going by you would be quite

897

00:34:47,169 --> 00:34:45,379

startled I suspect whereas if you were

898

00:34:50,019 --> 00:34:47,179

in New Mexico and in the American

899

00:34:51,490 --> 00:34:50,029

Southwest or in Alberta in Canada it

900

00:34:52,839 --> 00:34:51,500

might not be an everyday occurrence but

901
00:34:53,799 --> 00:34:52,849
you wouldn't be surprised to see when

902
00:34:56,200 --> 00:34:53,809
you'd know what they are

903
00:34:57,670 --> 00:34:56,210
does that sort of maybe explain why some

904
00:34:59,589 --> 00:34:57,680
people in the United Kingdom at least

905
00:35:01,960 --> 00:34:59,599
would look at those things and maybe

906
00:35:03,460 --> 00:35:01,970
ascribe a paranormal explanation to it

907
00:35:06,160 --> 00:35:03,470
because it's something outside their

908
00:35:08,200 --> 00:35:06,170
their regular day-to-day routine of what

909
00:35:11,980 --> 00:35:08,210
they might expect to see and does that

910
00:35:13,990 --> 00:35:11,990
speak to a broader point about how maybe

911
00:35:16,359 --> 00:35:14,000
a lot of what we see that we would

912
00:35:17,859 --> 00:35:16,369
describe as paranormal if other people

913
00:35:19,059 --> 00:35:17,869

saw it they wouldn't describe this

914

00:35:20,740 --> 00:35:19,069

paranormal because it's something

915

00:35:22,599 --> 00:35:20,750

they're more used to yeah I think

916

00:35:23,950 --> 00:35:22,609

basically what all the same exudes a lot

917

00:35:25,809 --> 00:35:23,960

I think it all kicks off with a

918

00:35:28,180 --> 00:35:25,819

misinterpretation with the media to tell

919

00:35:29,950 --> 00:35:28,190

the truth I mean the term alien big a

920

00:35:31,450 --> 00:35:29,960

lot of people thought this meant that is

921

00:35:34,930 --> 00:35:31,460

for thinking that it was something to do

922

00:35:36,819 --> 00:35:34,940

with as it restores or UFOs in fact it

923

00:35:39,069 --> 00:35:36,829

just mean that he was being it was alien

924

00:35:41,109 --> 00:35:39,079

to our country not normally stuff such

925

00:35:42,339 --> 00:35:41,119

animals and of course some other people

926
00:35:43,779 --> 00:35:42,349
picked up on that and thought it was

927
00:35:46,779 --> 00:35:43,789
something really profound

928
00:35:48,460 --> 00:35:46,789
in fact our resources and when we spend

929
00:35:50,799 --> 00:35:48,470
time investigating big cat sightings

930
00:35:53,230 --> 00:35:50,809
it's mostly and to assist other

931
00:35:55,599 --> 00:35:53,240
organizations in the finalizing and

932
00:35:57,819 --> 00:35:55,609
statistics of how many cat sightings of

933
00:35:59,559 --> 00:35:57,829
our cross the country when people do see

934
00:36:01,480 --> 00:35:59,569
them it usually makes headlines and it

935
00:36:04,089 --> 00:36:01,490
usually does cause a bit of a stir and

936
00:36:06,339 --> 00:36:04,099
we do get reported incidents every year

937
00:36:08,259 --> 00:36:06,349
come through but when you get a group of

938
00:36:10,900 --> 00:36:08,269

people he softly started you know maybe

939

00:36:12,849 --> 00:36:10,910

something like a large cat has been seen

940

00:36:14,859 --> 00:36:12,859

and there is no surprise to probably

941

00:36:16,359 --> 00:36:14,869

find them in the UK because now this

942

00:36:18,009 --> 00:36:16,369

seems to be evidence to support the fact

943

00:36:20,250 --> 00:36:18,019

that they are breeding and living quite

944

00:36:22,410 --> 00:36:20,260

comfortably throughout the country and

945

00:36:25,080 --> 00:36:22,420

unfortunate thing is that's usually end

946

00:36:27,680 --> 00:36:25,090

up getting a lot of silly things put

947

00:36:29,550 --> 00:36:27,690

into the local newspapers and people are

948

00:36:32,550 --> 00:36:29,560

misinterpreting what they actually mean

949

00:36:34,920 --> 00:36:32,560

by the same alien bit cap it reminds me

950

00:36:37,170 --> 00:36:34,930

of I know Nick Redfern and I went to

951
00:36:38,760 --> 00:36:37,180
Puerto Rico a few years ago and research

952
00:36:41,520 --> 00:36:38,770
the and he's been there several times

953
00:36:43,140 --> 00:36:41,530
the Chupacabra phenomenon and the

954
00:36:45,810 --> 00:36:43,150
researchers that we talked to in Puerto

955
00:36:47,310 --> 00:36:45,820
Rico said and these were people you know

956
00:36:49,980 --> 00:36:47,320
paranormal researchers but they said

957
00:36:52,530 --> 00:36:49,990
look the general prevailing consensus

958
00:36:54,360 --> 00:36:52,540
here is that these might be lab animals

959
00:36:56,370 --> 00:36:54,370
that escaped the the American government

960
00:36:58,470 --> 00:36:56,380
has a number of secret facilities in

961
00:36:59,910 --> 00:36:58,480
Puerto Rico military and otherwise they

962
00:37:02,010 --> 00:36:59,920
might have escaped or they might have

963
00:37:03,330 --> 00:37:02,020

been animals pets they would have

964

00:37:05,250 --> 00:37:03,340

escaped from people or been let loose

965

00:37:07,710 --> 00:37:05,260

and you know they go roaming through the

966

00:37:10,260 --> 00:37:07,720

jungle and they have to survive so but

967

00:37:12,240 --> 00:37:10,270

the legend then that mix in in Puerto

968

00:37:14,490 --> 00:37:12,250

Rico that mixed with legends they

969

00:37:16,500 --> 00:37:14,500

already head of vampire like creatures

970

00:37:18,510 --> 00:37:16,510

called the MOCA vampire and all of a

971

00:37:20,030 --> 00:37:18,520

sudden then the alien thing I don't even

972

00:37:22,530 --> 00:37:20,040

know how that got in there but somehow

973

00:37:23,820 --> 00:37:22,540

ufologist descend or some you fall just

974

00:37:27,060 --> 00:37:23,830

to send and turn them into Zeta

975

00:37:28,440 --> 00:37:27,070

reticulan vampires and the next the next

976
00:37:30,030 --> 00:37:28,450
thing you know you have this mean that's

977
00:37:31,620 --> 00:37:30,040
spreading and suddenly you have aliens

978
00:37:33,330 --> 00:37:31,630
the chupacabras are these alien

979
00:37:35,070 --> 00:37:33,340
creatures when in fact you know they

980
00:37:37,920 --> 00:37:35,080
might just be souped up monkeys that if

981
00:37:39,420 --> 00:37:37,930
escaped into the wild importing eco and

982
00:37:41,220 --> 00:37:39,430
so I don't think that's that's something

983
00:37:43,710 --> 00:37:41,230
that just happens in the United Kingdom

984
00:37:49,320 --> 00:37:43,720
with big cats although I love that alien

985
00:37:51,270 --> 00:37:49,330
big cats like that Paul the attack of

986
00:37:54,690 --> 00:37:51,280
the alien big cats but seriously guys

987
00:37:56,940 --> 00:37:54,700
okay so maybe the cats are just natural

988
00:37:59,250 --> 00:37:56,950

creatures but I'm not about as Bigfoot

989

00:38:01,080 --> 00:37:59,260

we don't often get reports of Bigfoot I

990

00:38:03,990 --> 00:38:01,090

mean the British Isles is relatively

991

00:38:06,420 --> 00:38:04,000

small to places like the states and of

992

00:38:08,430 --> 00:38:06,430

course it's a relatively small island I

993

00:38:11,280 --> 00:38:08,440

think nearly and travel in any direction

994

00:38:14,280 --> 00:38:11,290

and within 53 miles you can reach the

995

00:38:16,080 --> 00:38:14,290

sea so I think I think basically you

996

00:38:17,940 --> 00:38:16,090

know when it comes down to the on

997

00:38:20,220 --> 00:38:17,950

Dolittle reports now and again which we

998

00:38:21,930 --> 00:38:20,230

have had we had we've had a few reports

999

00:38:24,180 --> 00:38:21,940

from their location owners at current

1000

00:38:27,390 --> 00:38:24,190

chasing Staffordshire where people have

1001
00:38:30,330 --> 00:38:27,400
reported on occasions strange sightings

1002
00:38:32,100 --> 00:38:30,340
of a large hairy man or some type of

1003
00:38:33,070 --> 00:38:32,110
creature walking look like which is

1004
00:38:34,840 --> 00:38:33,080
covered in hair

1005
00:38:37,060 --> 00:38:34,850
there has been a couple of incidents a

1006
00:38:40,300 --> 00:38:37,070
couple reports but there's a real a

1007
00:38:42,400 --> 00:38:40,310
seriously lack of evidence in the UK to

1008
00:38:44,770 --> 00:38:42,410
support such a creature because you know

1009
00:38:46,510 --> 00:38:44,780
like I said there isn't many places such

1010
00:38:48,190 --> 00:38:46,520
as a large creature like that could

1011
00:38:50,530 --> 00:38:48,200
survive and live comfortably without

1012
00:38:52,780 --> 00:38:50,540
being regularly seen I just think it's a

1013
00:38:54,280 --> 00:38:52,790

it's a part of a bigger point where you

1014

00:38:55,660 --> 00:38:54,290

know these these sorts of things happen

1015

00:38:57,550 --> 00:38:55,670

and they run amok gene and I were

1016

00:39:00,070 --> 00:38:57,560

talking before you guys came on about

1017

00:39:02,560 --> 00:39:00,080

the media - and slightly different but

1018

00:39:04,690 --> 00:39:02,570

the way that the media can twist a story

1019

00:39:06,610 --> 00:39:04,700

so that something if you just call it an

1020

00:39:08,860 --> 00:39:06,620

alien big CAD meaning alien it's just

1021

00:39:11,110 --> 00:39:08,870

alien to our shores but then it it just

1022

00:39:13,510 --> 00:39:11,120

spins out of control and even if you

1023

00:39:15,430 --> 00:39:13,520

come forward then and say well no this

1024

00:39:17,380 --> 00:39:15,440

is what we meant people will suddenly

1025

00:39:21,550 --> 00:39:17,390

accuse you well no you're part of the

1026
00:39:23,200 --> 00:39:21,560
cover-up now aren't you and now you're

1027
00:39:24,610 --> 00:39:23,210
just trying to cover it up by denying

1028
00:39:26,650 --> 00:39:24,620
that you've ever said it or something so

1029
00:39:28,930 --> 00:39:26,660
it's amazing me how quickly these

1030
00:39:29,920 --> 00:39:28,940
stories get started and the next thing

1031
00:39:32,950 --> 00:39:29,930
you know you have people writing books

1032
00:39:34,660 --> 00:39:32,960
about alien big cats not meaning Cougars

1033
00:39:36,730 --> 00:39:34,670
escaped from zoos or something but

1034
00:39:43,540 --> 00:39:36,740
literally they flew spaceships here from

1035
00:39:45,340 --> 00:39:43,550
the Pleiades or something well actually

1036
00:39:47,050 --> 00:39:45,350
the Arizona is another place we can't

1037
00:39:48,820 --> 00:39:47,060
really deal with that but you know this

1038
00:39:50,650 --> 00:39:48,830

kind of raises the larger question of

1039

00:39:53,380 --> 00:39:50,660

the fact that also you guys are involved

1040

00:39:55,690 --> 00:39:53,390

in the UFO investigation and one of the

1041

00:39:59,470 --> 00:39:55,700

issues of course confronted by all this

1042

00:40:01,750 --> 00:39:59,480

is whether we can take UFOs and merge it

1043

00:40:04,990 --> 00:40:01,760

with other unusual events or does it

1044

00:40:07,690 --> 00:40:05,000

exist all by itself and that's also all

1045

00:40:09,640 --> 00:40:07,700

kind of a big controversy so Stephen or

1046

00:40:11,350 --> 00:40:09,650

Dave which one wants to take this all

1047

00:40:14,110 --> 00:40:11,360

off the beach Bay this is a definitely

1048

00:40:18,430 --> 00:40:14,120

all day when it's ESP or paranormal

1049

00:40:20,170 --> 00:40:18,440

related UFOs yeah I mean basically we in

1050

00:40:22,300 --> 00:40:20,180

the 70s we thought pretty much that the

1051
00:40:24,550 --> 00:40:22,310
UFO phenomena in the UK was pretty much

1052
00:40:26,890 --> 00:40:24,560
a nuts-and-bolts phenomena if you picked

1053
00:40:28,990 --> 00:40:26,900
up a stone and you theory it hit a well

1054
00:40:31,480 --> 00:40:29,000
as times gone on you we've had these

1055
00:40:33,970 --> 00:40:31,490
variations in the UFO sightings across

1056
00:40:35,740 --> 00:40:33,980
the country such as sometimes not being

1057
00:40:38,140 --> 00:40:35,750
picked up on radar when they're clearly

1058
00:40:41,560 --> 00:40:38,150
visible in the sky so presume to be

1059
00:40:44,080 --> 00:40:41,570
apparitional or see-through or some type

1060
00:40:45,470 --> 00:40:44,090
of manifestation of the UFO but not in

1061
00:40:47,210 --> 00:40:45,480
the physical sense

1062
00:40:49,849 --> 00:40:47,220
and then we have the odd reports where

1063
00:40:52,760 --> 00:40:49,859

people who claim to have had very

1064

00:40:55,069 --> 00:40:52,770

profound UFO experiences and gone on to

1065

00:40:57,640 --> 00:40:55,079

say that they've experienced apparitions

1066

00:41:00,260 --> 00:40:57,650

of entities and there was a case in

1067

00:41:03,589 --> 00:41:00,270

Devon in regard in the farmhouse where

1068

00:41:06,260 --> 00:41:03,599

people who consistently seen UFOs in

1069

00:41:08,480 --> 00:41:06,270

close proximity to the building and went

1070

00:41:11,240 --> 00:41:08,490

on for numerous weeks claiming that

1071

00:41:13,400 --> 00:41:11,250

they've seen apparitions of small

1072

00:41:15,380 --> 00:41:13,410

entities so you can say that there is

1073

00:41:17,510 --> 00:41:15,390

some form of power normal aspect and

1074

00:41:20,630 --> 00:41:17,520

because of those psychic ramifications

1075

00:41:23,240 --> 00:41:20,640

of those UFO experiences there is a gray

1076

00:41:25,339 --> 00:41:23,250

area between the two where the two sides

1077

00:41:27,170 --> 00:41:25,349

of paranormal and the UFO do come

1078

00:41:28,670 --> 00:41:27,180

together and I think they have to sort

1079

00:41:31,190 --> 00:41:28,680

of look at those in a different light

1080

00:41:33,289 --> 00:41:31,200

after as opposed to the normal category

1081

00:41:35,059 --> 00:41:33,299

there were UFO sightings which are

1082

00:41:36,980 --> 00:41:35,069

reported by pilots and so on and so

1083

00:41:38,900 --> 00:41:36,990

forth so we have to look at two kinds of

1084

00:41:40,609 --> 00:41:38,910

UFOs yeah I think you have to look in

1085

00:41:43,400 --> 00:41:40,619

the fact that we have obviously a

1086

00:41:45,319 --> 00:41:43,410

physical phenomena being reported in our

1087

00:41:48,950 --> 00:41:45,329

skies such as they're being picked up by

1088

00:41:51,049 --> 00:41:48,960

radar there are visual evidence and also

1089

00:41:53,030 --> 00:41:51,059

those those cases where they seem to be

1090

00:41:54,410 --> 00:41:53,040

appartional there are people in the UK

1091

00:41:56,510 --> 00:41:54,420

which have claimed to have close

1092

00:41:58,880 --> 00:41:56,520

encounters with strange craft but

1093

00:42:01,010 --> 00:41:58,890

between see through them as if the misty

1094

00:42:02,780 --> 00:42:01,020

or the rapp original and some of their

1095

00:42:04,730 --> 00:42:02,790

experiences that follow tend to be

1096

00:42:06,559 --> 00:42:04,740

closely associated with paranormal

1097

00:42:08,690 --> 00:42:06,569

events so we do have some kind of a

1098

00:42:10,970 --> 00:42:08,700

kateri where some of those profound

1099

00:42:12,980 --> 00:42:10,980

paranormal incidents come together with

1100

00:42:14,539 --> 00:42:12,990

the UFO incidents as well so we kind of

1101

00:42:24,400 --> 00:42:14,549

treat them a little bit differently than

1102

00:42:29,599 --> 00:42:27,499

fate magazine provides true reports of

1103

00:42:32,180 --> 00:42:29,609

the strange and unknown keep up with the

1104

00:42:35,299 --> 00:42:32,190

latest on angels and miracles psychic

1105

00:42:36,410 --> 00:42:35,309

phenomena ghosts UFOs life after death

1106

00:42:38,660 --> 00:42:36,420

and much much more

1107

00:42:41,329 --> 00:42:38,670

to receive your free issue of faith

1108

00:42:45,319 --> 00:42:41,339

magazine call now at one eight hundred

1109

00:42:48,859 --> 00:42:45,329

seven two eight two seven three zero or

1110

00:42:51,769 --> 00:42:48,869

visit their website at WWF eight mag

1111

00:42:59,859 --> 00:42:51,779

calm that's one eight hundred seven two

1112

00:43:03,229 --> 00:42:59,869

eight twenty seven thirty or WWF AEMA g

1113

00:43:06,510 --> 00:43:03,239

calm what are you waiting for your fate

1114

00:43:25,460 --> 00:43:19,200

[Music]

1115

00:43:28,010 --> 00:43:25,470

Dave Sadler Steve Mira joining us from

1116

00:43:30,410 --> 00:43:28,020

the UK we're talking about paranormal

1117

00:43:31,970 --> 00:43:30,420

phenomena UFOs Paul Kimball had a

1118

00:43:34,790 --> 00:43:31,980

question yeah sure see if you were

1119

00:43:37,550 --> 00:43:34,800

talking about how you might be able to

1120

00:43:39,410 --> 00:43:37,560

separate UFO cases so you'd have the

1121

00:43:41,840 --> 00:43:39,420

nuts-and-bolts UFO cases and then you'd

1122

00:43:44,060 --> 00:43:41,850

have the the more say paranormal UFO

1123

00:43:45,440 --> 00:43:44,070

cases do you necessarily have to

1124

00:43:47,960 --> 00:43:45,450

separate them or is there the

1125

00:43:49,880 --> 00:43:47,970

possibility that the paranormal is

1126
00:43:52,010 --> 00:43:49,890
arthur c clarke would say you know any

1127
00:43:53,810 --> 00:43:52,020
science that's a bit sufficiently

1128
00:43:55,460 --> 00:43:53,820
advanced beyond ours would see i'll be

1129
00:43:58,070 --> 00:43:55,470
magic or you could sub in the word

1130
00:44:00,740 --> 00:43:58,080
paranormal i suppose could then just not

1131
00:44:02,720 --> 00:44:00,750
be a manifestation of whatever the ufos

1132
00:44:05,330 --> 00:44:02,730
are so that you don't necessarily have

1133
00:44:08,180 --> 00:44:05,340
to separate them that the same UFO that

1134
00:44:10,220 --> 00:44:08,190
a radar basin in the united kingdom i'd

1135
00:44:12,200 --> 00:44:10,230
pick up might also have paranormal

1136
00:44:14,600 --> 00:44:12,210
characteristics that somebody could

1137
00:44:16,040 --> 00:44:14,610
experience somewhere else and i'd ask

1138
00:44:18,260 --> 00:44:16,050

you about this the most famous probably

1139

00:44:20,720 --> 00:44:18,270

the most famous UK case the Randalls

1140

00:44:22,430 --> 00:44:20,730

from Forrest case in 1980 Randall's from

1141

00:44:25,490 --> 00:44:22,440

Forrest has very long history that has

1142

00:44:28,340 --> 00:44:25,500

nothing to do with UFOs hauntings and

1143

00:44:30,650 --> 00:44:28,350

paranormal related incidents stretching

1144

00:44:31,730 --> 00:44:30,660

back for centuries man I've been there

1145

00:44:34,400 --> 00:44:31,740

it's a creepy place

1146

00:44:38,690 --> 00:44:34,410

so is it possible that the Rendlesham

1147

00:44:40,820 --> 00:44:38,700

UFO case is not divorced from the sort

1148

00:44:42,170 --> 00:44:40,830

of paranormal happenings or reports that

1149

00:44:44,180 --> 00:44:42,180

take place have taken place for

1150

00:44:46,220 --> 00:44:44,190

centuries in and around the forest

1151

00:44:48,920 --> 00:44:46,230

itself and if that's the case what does

1152

00:44:51,200 --> 00:44:48,930

that say about UFOs or the UFO case in

1153

00:44:52,970 --> 00:44:51,210

particular it Rendlesham yeah I think

1154

00:44:54,500 --> 00:44:52,980

when we're saying that we actually deal

1155

00:44:56,450 --> 00:44:54,510

with things slightly differently when it

1156

00:44:58,940 --> 00:44:56,460

comes to the paranormal side of UFO

1157

00:45:00,890 --> 00:44:58,950

encounters what that basically tells is

1158

00:45:03,110 --> 00:45:00,900

why we separate those is for research

1159

00:45:05,450 --> 00:45:03,120

purposes and the method on our

1160

00:45:07,430 --> 00:45:05,460

investigation because when people are

1161

00:45:10,160 --> 00:45:07,440

starting to experience the more sort of

1162

00:45:12,140 --> 00:45:10,170

paranormal the orientated side of UFO

1163

00:45:14,530 --> 00:45:12,150

experience and there's such things as

1164

00:45:16,850 --> 00:45:14,540

extrasensory perception there's the

1165

00:45:18,470 --> 00:45:16,860

psychological aspects and the

1166

00:45:21,020 --> 00:45:18,480

physiological aspects that we have to

1167

00:45:23,240 --> 00:45:21,030

investigate when we're talking a radar

1168

00:45:25,400 --> 00:45:23,250

desert too exciting in the sky which is

1169

00:45:27,200 --> 00:45:25,410

reported by pilots we don't tend to get

1170

00:45:29,480 --> 00:45:27,210

involved in the psychological and the

1171

00:45:31,810 --> 00:45:29,490

and the ESP side of things tends to be a

1172

00:45:34,450 --> 00:45:31,820

sort of a hard-hitting case

1173

00:45:36,160 --> 00:45:34,460

we circulate those to is basically is

1174

00:45:38,800 --> 00:45:36,170

because it's our pattern of

1175

00:45:40,390 --> 00:45:38,810

investigation changes slightly but the

1176

00:45:42,370 --> 00:45:40,400

whole thing with regarding the whole

1177

00:45:45,280 --> 00:45:42,380

subject of the UFO phenomena it could

1178

00:45:47,440 --> 00:45:45,290

simply be though is it can simply have

1179

00:45:49,660 --> 00:45:47,450

these different metaphysical aspects to

1180

00:45:52,150 --> 00:45:49,670

the phenomenon where it can seem to be

1181

00:45:54,430 --> 00:45:52,160

paranormal you all infected or it can be

1182

00:45:56,590 --> 00:45:54,440

of a physical nature you know it could

1183

00:45:57,640 --> 00:45:56,600

be just one subject which we really are

1184

00:45:59,530 --> 00:45:57,650

trying to approach it from different

1185

00:46:02,440 --> 00:45:59,540

sides to try and find some different

1186

00:46:04,300 --> 00:46:02,450

answers but absolute endl shambhala mean

1187

00:46:06,760 --> 00:46:04,310

I visited there a number of times and

1188

00:46:08,500 --> 00:46:06,770

yes it's a very paranormally orientated

1189

00:46:10,150 --> 00:46:08,510

through history you know there'll be

1190

00:46:12,160 --> 00:46:10,160

lots of hauntings and strange things

1191

00:46:14,530 --> 00:46:12,170

been seen in there and reported left it

1192

00:46:16,780 --> 00:46:14,540

is also coincidental that you know that

1193

00:46:19,030 --> 00:46:16,790

an instance such as the Rendlesham

1194

00:46:20,470 --> 00:46:19,040

forest UFO case actually took place

1195

00:46:23,350 --> 00:46:20,480

there and you can't draw comparisons

1196

00:46:25,390 --> 00:46:23,360

across the UK where certain hotspots of

1197

00:46:28,150 --> 00:46:25,400

paranormal activity are being reported

1198

00:46:31,420 --> 00:46:28,160

and also UFO reports of sightings is it

1199

00:46:33,610 --> 00:46:31,430

possible that the UFO cases and the

1200

00:46:35,800 --> 00:46:33,620

paranormal stuff is all related in the

1201
00:46:37,690 --> 00:46:35,810
sense my friend and many people have

1202
00:46:39,910 --> 00:46:37,700
speculated about this but my my friend

1203
00:46:42,700 --> 00:46:39,920
delayed mac tony surpassed me last year

1204
00:46:44,650 --> 00:46:42,710
would make these kind of links where he

1205
00:46:46,840 --> 00:46:44,660
would say well Greg Bishop does the same

1206
00:46:48,040 --> 00:46:46,850
thing it's an overarching intelligence

1207
00:46:51,040 --> 00:46:48,050
what we're dealing with is some

1208
00:46:53,650 --> 00:46:51,050
non-human intelligence and it manifests

1209
00:46:55,510 --> 00:46:53,660
itself in many different ways when

1210
00:46:57,790 --> 00:46:55,520
dealing with different types of people

1211
00:47:00,160 --> 00:46:57,800
so if you're dealing with airplane

1212
00:47:02,590 --> 00:47:00,170
pilots or military pilots or police

1213
00:47:04,660 --> 00:47:02,600

officers perhaps perhaps you have a more

1214

00:47:06,010 --> 00:47:04,670

or let's just say people in the Western

1215

00:47:09,100 --> 00:47:06,020

world with a certain level of education

1216

00:47:11,650 --> 00:47:09,110

and technological sophistication you now

1217

00:47:14,470 --> 00:47:11,660

manifest yourself and appear to them in

1218

00:47:16,150 --> 00:47:14,480

the form of alien spacecraft or things

1219

00:47:17,980 --> 00:47:16,160

that they would perhaps understand or

1220

00:47:19,990 --> 00:47:17,990

would resonate with them but if you're

1221

00:47:21,970 --> 00:47:20,000

dealing perhaps with less let's say

1222

00:47:24,190 --> 00:47:21,980

technologically sophisticated people or

1223

00:47:26,410 --> 00:47:24,200

even more superstitious people or even

1224

00:47:28,210 --> 00:47:26,420

religious people maybe you manifest

1225

00:47:30,130 --> 00:47:28,220

yourself in different ways to those

1226
00:47:32,410 --> 00:47:30,140
people but is it possible that we're

1227
00:47:34,600 --> 00:47:32,420
just dealing with one overarching

1228
00:47:36,460 --> 00:47:34,610
intelligence that just chooses to

1229
00:47:39,340 --> 00:47:36,470
manifest itself in different ways

1230
00:47:41,620 --> 00:47:39,350
depending on our circumstances I think

1231
00:47:43,620 --> 00:47:41,630
he's very possible I think I either said

1232
00:47:45,630 --> 00:47:43,630
that you know obviously dude

1233
00:47:48,180 --> 00:47:45,640
out of you iPhone reported incidents

1234
00:47:50,460 --> 00:47:48,190
throughout the UK are significantly

1235
00:47:52,110 --> 00:47:50,470
different a lot of them than than they

1236
00:47:54,290 --> 00:47:52,120
are in other countries we have the

1237
00:47:57,420 --> 00:47:54,300
cultural aspect I mean if we take just

1238
00:47:59,820 --> 00:47:57,430

an example the alien abduction phenomena

1239

00:48:02,040 --> 00:47:59,830

which was strife across TV in kg on the

1240

00:48:03,780 --> 00:48:02,050

1980s a lot of it was probably media

1241

00:48:06,030 --> 00:48:03,790

driven through very popular television

1242

00:48:07,710 --> 00:48:06,040

programs at that time and but

1243

00:48:09,930 --> 00:48:07,720

nevertheless though people did report

1244

00:48:11,490 --> 00:48:09,940

such incidents the incidents in

1245

00:48:13,770 --> 00:48:11,500

throughout the UK are very more

1246

00:48:16,110 --> 00:48:13,780

spiritual the more contact heats out

1247

00:48:17,760 --> 00:48:16,120

cases as opposed to the kicking and

1248

00:48:19,410 --> 00:48:17,770

screaming abductions which often

1249

00:48:21,870 --> 00:48:19,420

reported from you know from different

1250

00:48:23,850 --> 00:48:21,880

places of the around the world

1251

00:48:26,160 --> 00:48:23,860

so this country doesn't tend to have

1252

00:48:28,350 --> 00:48:26,170

many you could say people will say that

1253

00:48:30,990 --> 00:48:28,360

they've been forcefully taken you can

1254

00:48:33,300 --> 00:48:31,000

turn together a lot of people reporting

1255

00:48:34,740 --> 00:48:33,310

spiritual type experiences or contact

1256

00:48:37,200 --> 00:48:34,750

any type exposes when they've gone

1257

00:48:38,810 --> 00:48:37,210

willingly and I think basically we're

1258

00:48:41,940 --> 00:48:38,820

dealing with it's a cultural aspect

1259

00:48:43,920 --> 00:48:41,950

simply what separates that the two

1260

00:48:45,870 --> 00:48:43,930

things are two types of incidents most

1261

00:48:47,370 --> 00:48:45,880

of the UFO sightings that I've been

1262

00:48:50,820 --> 00:48:47,380

involved in UFO cases I've been involved

1263

00:48:52,830 --> 00:48:50,830

in over the past 13 14 years attendants

1264

00:48:53,490 --> 00:48:52,840

have been easily rationalized easily

1265

00:48:56,010 --> 00:48:53,500

explained

1266

00:48:58,350 --> 00:48:56,020

nuts and bolts phenomena and I think

1267

00:49:00,750 --> 00:48:58,360

that the high proportion and like let's

1268

00:49:03,450 --> 00:49:00,760

let's pick a ballpark of 98 percent of

1269

00:49:05,370 --> 00:49:03,460

the sizes that come in have no psychic

1270

00:49:06,840 --> 00:49:05,380

ramifications have no paranormal aspects

1271

00:49:09,390 --> 00:49:06,850

related to them the mainland lots of

1272

00:49:12,690 --> 00:49:09,400

bold UFO cases where you're able to say

1273

00:49:15,360 --> 00:49:12,700

okay something in the sky again because

1274

00:49:18,060 --> 00:49:15,370

it's historical as soon as you've seen

1275

00:49:19,680 --> 00:49:18,070

the UFO its historical usually you can't

1276

00:49:21,420 --> 00:49:19,690

look into it the way you come to

1277

00:49:23,760 --> 00:49:21,430

paranormal but when you see you know

1278

00:49:25,920 --> 00:49:23,770

most the people in the UK the people I

1279

00:49:28,380 --> 00:49:25,930

spoke to have claimed to be contact

1280

00:49:29,970 --> 00:49:28,390

these explain to our spiritual things

1281

00:49:32,310 --> 00:49:29,980

that cares for them by the UFOs have

1282

00:49:34,140 --> 00:49:32,320

mainly been people who are at the same

1283

00:49:36,480 --> 00:49:34,150

time claiming to be mediums claiming to

1284

00:49:41,430 --> 00:49:36,490

be spiritualist and personally I've got

1285

00:49:42,330 --> 00:49:41,440

a big no-go area with that see how to

1286

00:49:44,190 --> 00:49:42,340

change it all that

1287

00:49:45,990 --> 00:49:44,200

so in respects to the psychic

1288

00:49:48,840 --> 00:49:46,000

ramifications of the paranormal aspects

1289

00:49:51,870 --> 00:49:48,850

in the UK I don't believe it's as big as

1290

00:49:53,790 --> 00:49:51,880

it is over in the u.s. instead of

1291

00:49:55,350 --> 00:49:53,800

I've just always been fascinated because

1292

00:49:57,720 --> 00:49:55,360

if you talk to what you would normally

1293

00:49:59,660 --> 00:49:57,730

call the nuts-and-bolts UFO researchers

1294

00:50:03,720 --> 00:49:59,670

particularly I find in the United States

1295

00:50:06,060 --> 00:50:03,730

they shy away from anything that would

1296

00:50:09,150 --> 00:50:06,070

smack of religion or faith or

1297

00:50:10,530 --> 00:50:09,160

spirituality or new-age that's the sort

1298

00:50:13,740 --> 00:50:10,540

of term that they would use to denigrate

1299

00:50:15,720 --> 00:50:13,750

anything beyond pure science then you

1300

00:50:17,910 --> 00:50:15,730

run into people like valet who I think

1301

00:50:20,370 --> 00:50:17,920

very quickly got frustrated with that

1302

00:50:22,320 --> 00:50:20,380

and we're looking for larger patterns

1303

00:50:23,760 --> 00:50:22,330

and I think the nuts and bolts people

1304

00:50:24,060 --> 00:50:23,770

just said okay there's something in the

1305

00:50:26,790 --> 00:50:24,070

sky

1306

00:50:28,470 --> 00:50:26,800

it's got to be aliens from Zeta Reticuli

1307

00:50:30,690 --> 00:50:28,480

because I'm a scientist and that's what

1308

00:50:31,710 --> 00:50:30,700

makes sense to me and they point the

1309

00:50:33,780 --> 00:50:31,720

patterns they'll say well we have

1310

00:50:35,580 --> 00:50:33,790

certain types of cases or you know we

1311

00:50:38,190 --> 00:50:35,590

have cone-shaped UFOs and cigar-shaped

1312

00:50:40,590 --> 00:50:38,200

UFOs so they're all about patterns when

1313

00:50:42,720 --> 00:50:40,600

it buttresses their own preconceived

1314

00:50:44,460 --> 00:50:42,730

notion of what it should be but when you

1315

00:50:46,760 --> 00:50:44,470

point out that there are larger patterns

1316

00:50:49,890 --> 00:50:46,770

that the UFO phenomenon has been

1317

00:50:52,410 --> 00:50:49,900

existing long before Roswell the 1940s

1318

00:50:54,390 --> 00:50:52,420

it's them seeing things in the sky have

1319

00:50:56,220 --> 00:50:54,400

been with us for our entire history it's

1320

00:50:58,590 --> 00:50:56,230

just we tend to see different things at

1321

00:51:01,320 --> 00:50:58,600

different times in our history they run

1322

00:51:03,030 --> 00:51:01,330

away from that screaming if you come

1323

00:51:04,100 --> 00:51:03,040

forward as Nick Redfern heads and said

1324

00:51:06,270 --> 00:51:04,110

well maybe there's a link between

1325

00:51:09,000 --> 00:51:06,280

certain different paranormal subjects

1326

00:51:10,770 --> 00:51:09,010

maybe Bigfoot and UFOs in some way are

1327

00:51:13,290 --> 00:51:10,780

related because if you look at Bigfoot

1328

00:51:15,510 --> 00:51:13,300

cases in certain UFO cases you'll find

1329

00:51:16,980 --> 00:51:15,520

that there are similarities in ones

1330

00:51:18,960 --> 00:51:16,990

being reported in the cases in

1331

00:51:20,730 --> 00:51:18,970

particular I think electromagnetic

1332

00:51:22,590 --> 00:51:20,740

interference loss of power that kind of

1333

00:51:24,330 --> 00:51:22,600

thing and they'll run away again from

1334

00:51:25,770 --> 00:51:24,340

that and they'll say to people like Nick

1335

00:51:29,580 --> 00:51:25,780

well you don't know what you're talking

1336

00:51:32,250 --> 00:51:29,590

about stick to aliens and do you Steve

1337

00:51:34,440 --> 00:51:32,260

the or data do you sort of see that

1338

00:51:35,970 --> 00:51:34,450

those kinds of patterns that we have to

1339

00:51:38,730 --> 00:51:35,980

be more open-minded about what the

1340

00:51:40,890 --> 00:51:38,740

possibilities are that these for sure

1341

00:51:42,510 --> 00:51:40,900

definitely I mean we can't obviously

1342

00:51:44,880 --> 00:51:42,520

contain ourselves within just one

1343

00:51:47,820 --> 00:51:44,890

subject because they're clearly there is

1344

00:51:49,950 --> 00:51:47,830

connections with all the incidents I

1345

00:51:52,110 --> 00:51:49,960

mean there was a space of incidents in

1346

00:51:54,720 --> 00:51:52,120

the States and remember and some years

1347

00:51:56,250 --> 00:51:54,730

back where well it was seem to be some

1348

00:51:58,620 --> 00:51:56,260

type of connection with you I feel like

1349

00:52:00,360 --> 00:51:58,630

Timothy and Bigfoot activity I believe

1350

00:52:02,610 --> 00:52:00,370

that some strange life had been seen in

1351
00:52:04,529 --> 00:52:02,620
these beings which were large and tall

1352
00:52:06,269 --> 00:52:04,539
and hairy will see that the

1353
00:52:08,099 --> 00:52:06,279
as well and it caused a little bit of a

1354
00:52:09,870 --> 00:52:08,109
stir I know that there was some very

1355
00:52:12,839 --> 00:52:09,880
strange and profound things which do

1356
00:52:15,299 --> 00:52:12,849
collect and maybe we are looking at the

1357
00:52:17,189 --> 00:52:15,309
subject within pieces as opposed to the

1358
00:52:19,859 --> 00:52:17,199
fall pitch so you could be it could be

1359
00:52:22,859 --> 00:52:19,869
right on suggesting now I like that the

1360
00:52:25,039 --> 00:52:22,869
full pitch it's very British sounds to

1361
00:52:27,269 --> 00:52:25,049
me like somebody's selling something or

1362
00:52:28,679 --> 00:52:27,279
maybe that's being provincial because

1363
00:52:30,929 --> 00:52:28,689

those of us who live in the colonies

1364

00:52:32,339 --> 00:52:30,939

don't understand us but that's also the

1365

00:52:34,229 --> 00:52:32,349

thing that troubles me about UFO

1366

00:52:36,299 --> 00:52:34,239

research because I think early on when I

1367

00:52:38,370 --> 00:52:36,309

started getting involved in this even

1368

00:52:40,679 --> 00:52:38,380

getting into the 1960s when I was really

1369

00:52:41,429 --> 00:52:40,689

young I'm not as old as I sound back in

1370

00:52:43,709 --> 00:52:41,439

the 60s

1371

00:52:46,949 --> 00:52:43,719

I started thinking you know this has to

1372

00:52:48,630 --> 00:52:46,959

be more all-encompassing than just

1373

00:52:50,819 --> 00:52:48,640

things in the sky we weren't talking so

1374

00:52:53,219 --> 00:52:50,829

much about Zeta Reticuli I think Zeta

1375

00:52:55,529 --> 00:52:53,229

Reticuli came out of that Hill abduction

1376

00:52:58,919 --> 00:52:55,539

because of the star map the star map

1377

00:53:00,689 --> 00:52:58,929

supposedly identified who Zeta Reticuli

1378

00:53:02,489 --> 00:53:00,699

although there are other versions of the

1379

00:53:05,309 --> 00:53:02,499

star map that specifies something else

1380

00:53:08,779 --> 00:53:05,319

just used a Reticuli as a catch-all

1381

00:53:11,249 --> 00:53:08,789

phrase for any planet not named earth so

1382

00:53:12,779 --> 00:53:11,259

if there are Zeta Reticulans here I

1383

00:53:14,429 --> 00:53:12,789

don't want them showing up at my door

1384

00:53:18,299 --> 00:53:14,439

tonight going hey how come you're

1385

00:53:20,640 --> 00:53:18,309

blazing gentlemen any Zeta Reticulans or

1386

00:53:22,439 --> 00:53:20,650

Reticulans or whatever they call

1387

00:53:25,559 --> 00:53:22,449

themselves if you know Paul Campbell's

1388

00:53:27,509 --> 00:53:25,569

address he needs to be abducted that's

1389

00:53:28,890 --> 00:53:27,519

another point seriously Steven I'm gonna

1390

00:53:33,719 --> 00:53:28,900

be abducted I want to be abducted by

1391

00:53:35,640 --> 00:53:33,729

Billy Meyers hot Nordic Pleiadians those

1392

00:53:37,620 --> 00:53:35,650

ones can show up at my door tonight yeah

1393

00:53:40,529 --> 00:53:37,630

they probably moved on from the 70 jump

1394

00:53:42,630 --> 00:53:40,539

oh I know it's a terrible shame the

1395

00:53:44,549 --> 00:53:42,640

aliens were you know it's funny and I

1396

00:53:47,459 --> 00:53:44,559

saw it gene I interrupted you there no

1397

00:53:51,689 --> 00:53:47,469

it's okay interrupt and go ahead I'll

1398

00:53:53,039 --> 00:53:51,699

just sit back here now sniffle I've

1399

00:53:54,479 --> 00:53:53,049

always wondered what it says about our

1400

00:53:56,939 --> 00:53:54,489

sis modern society

1401

00:53:59,130 --> 00:53:56,949

I think the UFO phenomenon speaks a lot

1402

00:54:01,609 --> 00:53:59,140

in some respects to the society we live

1403

00:54:04,739 --> 00:54:01,619

in now we have these very scientific

1404

00:54:06,779 --> 00:54:04,749

heartless cold Grey's that seem to

1405

00:54:09,179 --> 00:54:06,789

experiment on us and I think that speaks

1406

00:54:10,949 --> 00:54:09,189

a lot to our own fears about the way

1407

00:54:13,469 --> 00:54:10,959

science is progressing in our and

1408

00:54:16,079 --> 00:54:13,479

divorcing from sort of who we are as

1409

00:54:16,359 --> 00:54:16,089

individuals whereas in the 50s and the

1410

00:54:18,430 --> 00:54:16,369

sick

1411

00:54:20,470 --> 00:54:18,440

seats with the contact team movement if

1412

00:54:22,720 --> 00:54:20,480

I had to choose I'd I'd hang out with

1413

00:54:24,700 --> 00:54:22,730

the contactee people they seem to be fun

1414

00:54:26,799 --> 00:54:24,710

they seem to be more spiritual and there

1415

00:54:29,289 --> 00:54:26,809

aliens seem to be a lot more friendly

1416

00:54:30,900 --> 00:54:29,299

and a better message which was you know

1417

00:54:33,609 --> 00:54:30,910

don't love to play with nukes

1418

00:54:35,440 --> 00:54:33,619

there was Truman bedroom I believe was

1419

00:54:40,329 --> 00:54:35,450

that the one who went out with or

1420

00:54:42,849 --> 00:54:40,339

arraigns or is that Dan fry those two

1421

00:54:45,190 --> 00:54:42,859

seem to blur in my consciousness but one

1422

00:54:47,499 --> 00:54:45,200

of them was taken aboard a spaceship by

1423

00:54:50,559 --> 00:54:47,509

Laura Raines who came from a planet that

1424

00:54:53,859 --> 00:54:50,569

is opposite of the earth so we never see

1425

00:54:56,470 --> 00:54:53,869

it rains it sounds like she comes from a

1426

00:54:59,710 --> 00:54:56,480

planet and in Los Angeles right next to

1427

00:55:02,230 --> 00:54:59,720

the magazine building I'd say that's

1428

00:55:04,870 --> 00:55:02,240

quite the name yeah I understand working

1429

00:55:06,999 --> 00:55:04,880

nights now in Las Vegas I think you'll

1430

00:55:10,630 --> 00:55:07,009

agree with me though currently in the UK

1431

00:55:13,150 --> 00:55:10,640

because of yeah we'll call it culture

1432

00:55:16,059 --> 00:55:13,160

and the media driven the paranormal is

1433

00:55:18,279 --> 00:55:16,069

big thing in the UK it's right up there

1434

00:55:19,989 --> 00:55:18,289

everybody wants to be a Ghostbuster

1435

00:55:22,720 --> 00:55:19,999

everybody thinks that an instant expert

1436

00:55:24,940 --> 00:55:22,730

of the subject everybody's painter what

1437

00:55:28,299 --> 00:55:24,950

we call paper booze paint a house in

1438

00:55:30,489 --> 00:55:28,309

Vasek which because of this big cultural

1439

00:55:32,739 --> 00:55:30,499

diversity now where everybody's into the

1440

00:55:34,420 --> 00:55:32,749

paranormal I can't remember the last

1441

00:55:36,519 --> 00:55:34,430

time I actually spoke to anybody who

1442

00:55:38,910 --> 00:55:36,529

claims to have any apart from obviously

1443

00:55:41,829 --> 00:55:38,920

UFO sightings which normally in the UK

1444

00:55:43,239 --> 00:55:41,839

was Steve think you'll agree again has

1445

00:55:46,690 --> 00:55:43,249

been wet over the past couple of years

1446

00:55:48,999 --> 00:55:46,700

we know major UFO cases with no London's

1447

00:55:50,859 --> 00:55:49,009

reporting without no contact these

1448

00:55:54,309 --> 00:55:50,869

without looking of consequence other

1449

00:55:56,440 --> 00:55:54,319

than lights in the sky paranormal

1450

00:55:58,059 --> 00:55:56,450

because of media driven and and

1451

00:56:00,039 --> 00:55:58,069

obviously that's people's perceptions

1452

00:56:01,359 --> 00:56:00,049

currently in the UK yeah of course we

1453

00:56:02,739 --> 00:56:01,369

can't we can't get away from the fact

1454

00:56:04,660 --> 00:56:02,749

that we probably live in the country

1455

00:56:06,549 --> 00:56:04,670

which is probably those power normally

1456

00:56:09,339 --> 00:56:06,559

orientated country on the blood I look

1457

00:56:11,440 --> 00:56:09,349

for women it's a huge amount of history

1458

00:56:14,620 --> 00:56:11,450

that our country has regarded battles

1459

00:56:16,630 --> 00:56:14,630

and wishes taken place and stately homes

1460

00:56:18,849 --> 00:56:16,640

which are haunted castles and so on and

1461

00:56:21,579 --> 00:56:18,859

so forth England does seem to be the

1462

00:56:23,529 --> 00:56:21,589

place for the paranormal if people want

1463

00:56:25,420 --> 00:56:23,539

to come and come and believe that just

1464

00:56:27,880 --> 00:56:25,430

you want to see a ghost there does seem

1465

00:56:30,759 --> 00:56:27,890

to be the place as Paul

1466

00:56:32,500 --> 00:56:30,769

yeah which here you know it's my old

1467

00:56:35,740 --> 00:56:32,510

days from college radio that segues

1468

00:56:37,870 --> 00:56:35,750

nicely into ghosts because England does

1469

00:56:39,730 --> 00:56:37,880

seem to be England Scotland Wales that

1470

00:56:42,339 --> 00:56:39,740

entire area I mean I'm sure the Germans

1471

00:56:46,180 --> 00:56:42,349

have lots of ghosts some metaphorical

1472

00:56:47,769 --> 00:56:46,190

and some literal but England is probably

1473

00:56:50,500 --> 00:56:47,779

you know seems like the most haunted

1474

00:56:52,120 --> 00:56:50,510

place there is we visited when we were

1475

00:56:53,950 --> 00:56:52,130

doing ghost cases some of those haunted

1476

00:56:56,980 --> 00:56:53,960

places I'd like to talk about some of

1477

00:56:59,289 --> 00:56:56,990

those in particular I'd like to start

1478

00:57:01,059 --> 00:56:59,299

maybe Dave tell us about the shock lack

1479

00:57:03,460 --> 00:57:01,069

Church case which you guys have

1480

00:57:04,779 --> 00:57:03,470

investigated and then which Holly and I

1481

00:57:06,970 --> 00:57:04,789

went in with you and Steven we

1482

00:57:09,069 --> 00:57:06,980

investigated for ghost cases tell us the

1483

00:57:10,539 --> 00:57:09,079

background of the shock like Church case

1484

00:57:12,579 --> 00:57:10,549

which I which i think is just a

1485

00:57:14,529 --> 00:57:12,589

fascinating case particularly as I was

1486

00:57:16,779 --> 00:57:14,539

there and both Holly and I experienced

1487

00:57:18,370 --> 00:57:16,789

something at the church or more than

1488

00:57:19,870 --> 00:57:18,380

something yeah so maybe you can take us

1489

00:57:21,759 --> 00:57:19,880

through the shock glad case which which

1490

00:57:23,799 --> 00:57:21,769

is a great ghost case move from UFOs to

1491

00:57:25,630 --> 00:57:23,809

ghosts and let me warn you before you

1492

00:57:28,359 --> 00:57:25,640

start that we're gonna break for the

1493

00:57:29,920 --> 00:57:28,369

hourly hiatus in just a couple of

1494

00:57:31,839 --> 00:57:29,930

minutes so you can start in the case on

1495

00:57:35,740 --> 00:57:31,849

this section then we'll resume on the

1496

00:57:38,019 --> 00:57:35,750

other section okay basically st. Peter's

1497

00:57:41,499 --> 00:57:38,029

Church in shock clock is a thirteenth

1498

00:57:42,910 --> 00:57:41,509

sorry 12th century UK Church it's very

1499

00:57:45,190 --> 00:57:42,920

old it's very beautiful it's very

1500

00:57:47,289 --> 00:57:45,200

picturesque and it's built in the middle

1501
00:57:50,410 --> 00:57:47,299
of nowhere suggested as built in the

1502
00:57:51,910 --> 00:57:50,420
middle of nowhere because of lappers at

1503
00:57:53,890 --> 00:57:51,920
the time they would go into the church

1504
00:57:56,769 --> 00:57:53,900
there wasn't possibly a leper Hospital

1505
00:57:58,299 --> 00:57:56,779
at the location because obviously they

1506
00:58:01,210 --> 00:57:58,309
could go in the field surrounded the

1507
00:58:02,499 --> 00:58:01,220
church for for worship and such like and

1508
00:58:06,370 --> 00:58:02,509
other people could come to the church

1509
00:58:07,809 --> 00:58:06,380
from afar now we've done a lot of hell

1510
00:58:09,490 --> 00:58:07,819
of a lot of man-hours were talking

1511
00:58:11,410 --> 00:58:09,500
hundreds maybe into a thousands of

1512
00:58:14,829 --> 00:58:11,420
man-hours at the site and again the past

1513
00:58:18,130 --> 00:58:14,839

1314 years and it's always produced

1514

00:58:20,470 --> 00:58:18,140

something odd I've witnessed things up

1515

00:58:21,910 --> 00:58:20,480

and I'm not talking physical things I'm

1516

00:58:24,009 --> 00:58:21,920

not talking apparitions I actually

1517

00:58:26,829 --> 00:58:24,019

witnessed a time slip there about eight

1518

00:58:28,690 --> 00:58:26,839

years ago but these other said as time

1519

00:58:30,730 --> 00:58:28,700

slips witnessed his operations witnessed

1520

00:58:33,400 --> 00:58:30,740

this sounds witnessed Paul and Holly

1521

00:58:35,200 --> 00:58:33,410

witnessed something I reported and well

1522

00:58:37,000 --> 00:58:35,210

Holly actually reported something to me

1523

00:58:39,640 --> 00:58:37,010

word for word

1524

00:58:42,220 --> 00:58:39,650

exactly the words that at least 13

1525

00:58:44,590 --> 00:58:42,230

different other witnesses none of whom

1526

00:58:48,610 --> 00:58:44,600

were connected word for word as reported

1527

00:58:49,240 --> 00:58:48,620

to me how the area seems to be not quite

1528

00:58:51,820 --> 00:58:49,250

right

1529

00:58:55,480 --> 00:58:51,830

for those who read or watch the Harry

1530

00:58:59,500 --> 00:58:55,490

Potter films in one of the books there's

1531

00:59:01,420 --> 00:58:59,510

there in the The Wizard government place

1532

00:59:03,250 --> 00:59:01,430

and there's a curtain like a curtain and

1533

00:59:04,690 --> 00:59:03,260

we go through the curtain there's

1534

00:59:06,490 --> 00:59:04,700

something on the other side and that's

1535

00:59:08,920 --> 00:59:06,500

what everybody reports it's your clock

1536

00:59:10,390 --> 00:59:08,930

is something on the other side it's not

1537

00:59:12,610 --> 00:59:10,400

quite able to touch it but there's

1538

00:59:14,800 --> 00:59:12,620

something there again with the

1539

00:59:17,170 --> 00:59:14,810

apparitions we've seen people we've had

1540

00:59:18,940 --> 00:59:17,180

the reported people annealing of the

1541

00:59:20,700 --> 00:59:18,950

graves we've had lights reported without

1542

00:59:24,490 --> 00:59:20,710

singing from internal of the church

1543

00:59:26,110 --> 00:59:24,500

we've had and this is where Paolo jump

1544

00:59:29,830 --> 00:59:26,120

on straight away we've had the sounds of

1545

00:59:32,170 --> 00:59:29,840

horses reported horses foods now it's

1546

00:59:35,710 --> 00:59:32,180

alleged historically that it's the

1547

00:59:37,500 --> 00:59:35,720

Briton funeral cortege which come in

1548

00:59:43,390 --> 00:59:37,510

down to the church to Barry was the

1549

00:59:46,030 --> 00:59:43,400

Briton family we should just break this

1550

00:59:50,620 --> 00:59:46,040

and keep the cliffhanger going does that

1551
00:59:53,230 --> 00:59:50,630
work for you Yeah right sure Dave will

1552
00:59:55,450 --> 00:59:53,240
have Dave Sadler and Steve Mehra and

1553
00:59:58,120 --> 00:59:55,460
Dave will it give us what they say on

1554
01:00:03,480 --> 00:59:58,130
another show the rest of the story on

1555
01:00:09,450 --> 01:00:06,900
so Frank what do you think about UFOs I

1556
01:00:12,000 --> 01:00:09,460
saw one once I think they're out there

1557
01:00:13,230 --> 01:00:12,010
know what they are I don't know well I

1558
01:00:14,910 --> 01:00:13,240
believe that something is out there I

1559
01:00:17,040 --> 01:00:14,920
think that those things that you see in

1560
01:00:18,960 --> 01:00:17,050
the sky are only one small manifestation

1561
01:00:21,840 --> 01:00:18,970
of a whole wide range of phenomena that

1562
01:00:30,960 --> 01:00:21,850
people haven't properly need or have

1563
01:00:33,120 --> 01:00:30,970

attributed the wrong source to we want

1564

01:00:35,370 --> 01:00:33,130

to hear from you if you have a comment a

1565

01:00:37,860 --> 01:00:35,380

question about the pair cast send it to

1566

01:00:41,100 --> 01:00:37,870

news at the podcast calm

1567

01:00:43,050 --> 01:00:41,110

that's news at the pair cast calm and

1568

01:00:44,610 --> 01:00:43,060

don't forget to visit our forums where

1569

01:00:47,310 --> 01:00:44,620

you can talk to fellow listeners and

1570

01:00:50,130 --> 01:00:47,320

Jean and David just go to the para cast

1571

01:00:59,550 --> 01:00:50,140

calm and click on the forum links that's

1572

01:01:07,980 --> 01:01:01,960

welcome back to the parrot house with

1573

01:01:13,560 --> 01:01:10,740

we return which Dave Sadler's Steve Mara

1574

01:01:15,660 --> 01:01:13,570

our guest co-host is none other than

1575

01:01:18,630 --> 01:01:15,670

Paul Kimball and if you click on their

1576

01:01:20,310 --> 01:01:18,640

respective names or credits on the para

1577

01:01:22,680 --> 01:01:20,320

cast comm you'll learn all about their

1578

01:01:24,120 --> 01:01:22,690

books and stuff for example dave has a

1579

01:01:26,970 --> 01:01:24,130

book out called paranormal reality

1580

01:01:29,400 --> 01:01:26,980

ghosts UFOs and Pussycats Steve's book

1581

01:01:31,500 --> 01:01:29,410

is strange happenings memoirs of a

1582

01:01:33,570 --> 01:01:31,510

paranormal investigator they're both

1583

01:01:36,770 --> 01:01:33,580

connected with a uk-based organization

1584

01:01:40,200 --> 01:01:36,780

called unknown phenomena investigation

1585

01:01:42,900 --> 01:01:40,210

Association 11 them for everything

1586

01:01:46,020 --> 01:01:42,910

later in the show Dave you were telling

1587

01:01:49,109 --> 01:01:46,030

us about a haunting please continue yes

1588

01:01:52,290 --> 01:01:49,119

Sherlock Church it's on the air on the

1589

01:01:54,859 --> 01:01:52,300

border of England of North Wales and the

1590

01:01:57,420 --> 01:01:54,869

other side there and earlier this is a

1591

01:01:59,849 --> 01:01:57,430

location that no matter how many

1592

01:02:02,280 --> 01:01:59,859

occasions I've been something of

1593

01:02:04,290 --> 01:02:02,290

consequence has occurred I witnessed the

1594

01:02:06,180 --> 01:02:04,300

times let other people have always

1595

01:02:07,980 --> 01:02:06,190

witnessed something else the when we

1596

01:02:10,140 --> 01:02:07,990

took along there Paul Holly in the teens

1597

01:02:12,990 --> 01:02:10,150

and ghost cases it was actually Steve's

1598

01:02:14,579 --> 01:02:13,000

first opportunity to come along to heal

1599

01:02:16,740 --> 01:02:14,589

Clark and I know for a fact that Steve's

1600

01:02:19,140 --> 01:02:16,750

going to get back we're just waiting for

1601
01:02:21,480 --> 01:02:19,150
the UK weather to get better and we've

1602
01:02:23,609 --> 01:02:21,490
got a long study of work to do there

1603
01:02:25,410 --> 01:02:23,619
because we've come up with some ideas of

1604
01:02:28,680 --> 01:02:25,420
what might be causing some of these

1605
01:02:31,109 --> 01:02:28,690
events to to be reported but yeah back

1606
01:02:33,599 --> 01:02:31,119
to the cases themselves we've obviously

1607
01:02:35,940 --> 01:02:33,609
discussed the sounds of the horses the

1608
01:02:38,460 --> 01:02:35,950
Briton funeral cortege there's an old

1609
01:02:39,839 --> 01:02:38,470
lady in rugged peasant lady in ragged

1610
01:02:42,300 --> 01:02:39,849
clothing has been sent them into the

1611
01:02:45,329 --> 01:02:42,310
graves and noses from inside the church

1612
01:02:46,800 --> 01:02:45,339
and it's a fantastic area I'm strangely

1613
01:02:49,470 --> 01:02:46,810

there's been a lot of UFO reports

1614

01:02:52,109 --> 01:02:49,480

locally as well there's also not in

1615

01:02:54,660 --> 01:02:52,119

relation to the side port locally a lot

1616

01:02:56,390 --> 01:02:54,670

of witchcraft ancient witchcraft going

1617

01:02:59,190 --> 01:02:56,400

but many many years has been reported

1618

01:03:00,750 --> 01:02:59,200

from the surrounding areas and to be

1619

01:03:03,270 --> 01:03:00,760

honest it's one of the most beautiful

1620

01:03:05,839 --> 01:03:03,280

locations of any site that I've visited

1621

01:03:08,130 --> 01:03:05,849

in the UK throughout my years of

1622

01:03:10,230 --> 01:03:08,140

associated in this object in a case

1623

01:03:11,730 --> 01:03:10,240

itself is some of the things that so

1624

01:03:13,710 --> 01:03:11,740

profound I'm just going to tell you a

1625

01:03:15,030 --> 01:03:13,720

little bit about the time sleep slip I

1626

01:03:17,099 --> 01:03:15,040

would say it's in the middle of nowhere

1627

01:03:17,980 --> 01:03:17,109

you can't hear anybody or see anybody

1628

01:03:19,960 --> 01:03:17,990

for

1629

01:03:21,960 --> 01:03:19,970

four miles away in the nearest road you

1630

01:03:23,560 --> 01:03:21,970

have to come down the lane from is a

1631

01:03:25,480 --> 01:03:23,570

quarter of a mile away

1632

01:03:27,850 --> 01:03:25,490

I was on the wife to site and we had a

1633

01:03:29,530 --> 01:03:27,860

bit of a thunderstorm not dissimilar to

1634

01:03:31,870 --> 01:03:29,540

the thunderstorm Germany you asked for a

1635

01:03:33,100 --> 01:03:31,880

change where it rained it thundered it

1636

01:03:34,540 --> 01:03:33,110

lightning and all of us would never

1637

01:03:36,550 --> 01:03:34,550

think laid open it was a beautiful

1638

01:03:38,050 --> 01:03:36,560

summer's day again myself a colleague

1639

01:03:39,760 --> 01:03:38,060

and at the time his seven-year-old

1640

01:03:42,609 --> 01:03:39,770

daughter went to the site just for the

1641

01:03:45,190 --> 01:03:42,619

hey let's go to the site some odd things

1642

01:03:48,160 --> 01:03:45,200

occurred my colleague had a profound

1643

01:03:51,670 --> 01:03:48,170

human experience he started spouting all

1644

01:03:53,920 --> 01:03:51,680

sorts of bomb pottery as though he was

1645

01:03:57,040 --> 01:03:53,930

associated with life many many years ago

1646

01:04:00,220 --> 01:03:57,050

he would usually replying to me strange

1647

01:04:02,109 --> 01:04:00,230

bizarre things and when we went to

1648

01:04:05,140 --> 01:04:02,119

discuss that the air the rear of the

1649

01:04:06,970 --> 01:04:05,150

site not long after I asked his daughter

1650

01:04:08,410 --> 01:04:06,980

so I could talk to her dad go run around

1651
01:04:11,140 --> 01:04:08,420
the church so why should she run around

1652
01:04:12,520 --> 01:04:11,150
the river leader amateur Jenny I think

1653
01:04:16,060 --> 01:04:12,530
we timed it would should have been about

1654
01:04:17,650 --> 01:04:16,070
35 to a minute 35 seconds to a minute it

1655
01:04:18,760 --> 01:04:17,660
would have taught the seven-year-old

1656
01:04:21,120 --> 01:04:18,770
girls who were around the church

1657
01:04:23,770 --> 01:04:21,130
actually went round one corner

1658
01:04:25,300 --> 01:04:23,780
immediately she came out the corner

1659
01:04:27,400 --> 01:04:25,310
opposite to us so what should have took

1660
01:04:30,040 --> 01:04:27,410
quite a lot of time happened immediately

1661
01:04:32,290 --> 01:04:30,050
and that was the most that is the most

1662
01:04:35,080 --> 01:04:32,300
profound thing I've ever witnessed in my

1663
01:04:36,550 --> 01:04:35,090

my time with the subject I've witnessed

1664

01:04:38,740 --> 01:04:36,560

not much or anything that could be

1665

01:04:40,660 --> 01:04:38,750

explained or one or two things that are

1666

01:04:44,260 --> 01:04:40,670

still scratching the head - ba ba ba I

1667

01:04:46,060 --> 01:04:44,270

witnessed was bizarre so they said this

1668

01:04:48,370 --> 01:04:46,070

is a sight of the utmost important to us

1669

01:04:51,760 --> 01:04:48,380

and because of the time slip because of

1670

01:04:53,440 --> 01:04:51,770

additional reports from Holly from Paul

1671

01:04:55,030 --> 01:04:53,450

from all evil witnesses that have come

1672

01:04:57,280 --> 01:04:55,040

through the UPI over the years this is

1673

01:04:59,859 --> 01:04:57,290

one of our main I would suggest cases

1674

01:05:01,930 --> 01:04:59,869

that we know just the past 14 years but

1675

01:05:02,980 --> 01:05:01,940

another 14 and another 14 years after

1676

01:05:05,770 --> 01:05:02,990

that we're going to be looking at this

1677

01:05:07,210 --> 01:05:05,780

site it's very odd because I think Dave

1678

01:05:09,700 --> 01:05:07,220

you and I one of the reasons why we get

1679

01:05:11,260 --> 01:05:09,710

along is we sort of have the same point

1680

01:05:13,599 --> 01:05:11,270

of view you don't use the word skeptic

1681

01:05:15,250 --> 01:05:13,609

use realists I say skeptic but I think

1682

01:05:15,640 --> 01:05:15,260

you know six of one half dozen of the

1683

01:05:18,160 --> 01:05:15,650

other

1684

01:05:19,599 --> 01:05:18,170

so shocked lack is kind of a point of

1685

01:05:22,870 --> 01:05:19,609

meeting for both of us because you have

1686

01:05:24,790 --> 01:05:22,880

your time slip which I don't see from

1687

01:05:25,260 --> 01:05:24,800

how you describe it I remember we were

1688

01:05:27,060 --> 01:05:25,270

filming

1689

01:05:29,100 --> 01:05:27,070

it and you were consistently saying well

1690

01:05:30,660 --> 01:05:29,110

you know I don't believe or except in

1691

01:05:32,220 --> 01:05:30,670

the paranormal I don't want to

1692

01:05:33,840 --> 01:05:32,230

mischaracterize what you said but

1693

01:05:35,760 --> 01:05:33,850

something along those lines and then

1694

01:05:37,860 --> 01:05:35,770

you're talking about a time slip which

1695

01:05:42,750 --> 01:05:37,870

the only word I can use to describe that

1696

01:05:45,420 --> 01:05:42,760

is paranormal you you you seem to be

1697

01:05:47,670 --> 01:05:45,430

very leery of the paranormal sort of

1698

01:05:49,620 --> 01:05:47,680

word or title or that that thing and I

1699

01:05:51,810 --> 01:05:49,630

understand completely because so am i

1700

01:05:53,580 --> 01:05:51,820

but there as you would recall I was

1701

01:05:56,910 --> 01:05:53,590

sitting behind the church in shock like

1702

01:05:58,740 --> 01:05:56,920

as the night wore on my co-producer Dale

1703

01:06:00,780 --> 01:05:58,750

Stevens was often in another area of the

1704

01:06:03,270 --> 01:06:00,790

churchyard and he wandered over and they

1705

01:06:06,170 --> 01:06:03,280

were filming me just sort of doing some

1706

01:06:08,220 --> 01:06:06,180

Carl Sagan s talking head kind of thing

1707

01:06:10,080 --> 01:06:08,230

pontificating about what a lovely place

1708

01:06:12,210 --> 01:06:10,090

it was Dale comes on when he goes home

1709

01:06:14,610 --> 01:06:12,220

you know oh my god I just like saw the

1710

01:06:16,830 --> 01:06:14,620

craziest thing it was if the the sky

1711

01:06:18,180 --> 01:06:16,840

blacked out in this particular thing and

1712

01:06:19,860 --> 01:06:18,190

I went really

1713

01:06:21,750 --> 01:06:19,870

and he said yeah and he looked a little

1714

01:06:24,300 --> 01:06:21,760

embarrassed when he was saying and I

1715

01:06:26,400 --> 01:06:24,310

said that's weird cuz I saw pretty much

1716

01:06:29,400 --> 01:06:26,410

what you just described only over there

1717

01:06:30,720 --> 01:06:29,410

about ten minutes ago and everybody just

1718

01:06:32,580 --> 01:06:30,730

looked at me and said you know why

1719

01:06:33,990 --> 01:06:32,590

wouldn't just Holly hit me later she

1720

01:06:35,880 --> 01:06:34,000

smacked me and said why wouldn't you say

1721

01:06:37,260 --> 01:06:35,890

something like that because she was

1722

01:06:39,390 --> 01:06:37,270

going Here I am talking about horses

1723

01:06:40,560 --> 01:06:39,400

hooves and feeling weird and you were

1724

01:06:42,270 --> 01:06:40,570

having the same thing happen but you

1725

01:06:44,130 --> 01:06:42,280

wouldn't say anything and I said well

1726

01:06:46,260 --> 01:06:44,140

you know my natural inclination is to

1727

01:06:49,170 --> 01:06:46,270

just pocket that and not talk about it

1728

01:06:52,800 --> 01:06:49,180

because if you talk about it and what we

1729

01:06:54,420 --> 01:06:52,810

saw gene was if you have a sky you know

1730

01:06:56,760 --> 01:06:54,430

the sky is dark anyway but there's some

1731

01:06:58,320 --> 01:06:56,770

residual light coming from towns off in

1732

01:07:02,070 --> 01:06:58,330

the distance over in Wales so it's not a

1733

01:07:04,380 --> 01:07:02,080

complete dark evenin at night but I call

1734

01:07:07,320 --> 01:07:04,390

it a void like a Star Trek episode where

1735

01:07:09,780 --> 01:07:07,330

you would see people sort of warp in and

1736

01:07:12,270 --> 01:07:09,790

it would go black for in my case about

1737

01:07:13,860 --> 01:07:12,280

five or six seconds and it would expand

1738

01:07:15,750 --> 01:07:13,870

and then it disappeared and it's not

1739

01:07:17,880 --> 01:07:15,760

something flying by what's the barn owl

1740

01:07:20,520 --> 01:07:17,890

or anything like that it was it was

1741

01:07:22,890 --> 01:07:20,530

really weird and when Dale described the

1742

01:07:25,080 --> 01:07:22,900

exact same thing then you get this idea

1743

01:07:26,820 --> 01:07:25,090

that well okay now I feel better because

1744

01:07:30,120 --> 01:07:26,830

somebody who's reasonably intelligent

1745

01:07:32,010 --> 01:07:30,130

and not drunk just saw the same thing

1746

01:07:35,160 --> 01:07:32,020

that I saw in a different place so that

1747

01:07:37,890 --> 01:07:35,170

verifies or buttresses my own experience

1748

01:07:39,030 --> 01:07:37,900

but it's that that thing where you guys

1749

01:07:41,250 --> 01:07:39,040

like Dave and I where

1750

01:07:43,080 --> 01:07:41,260

we we have trouble admitting that maybe

1751
01:07:45,240 --> 01:07:43,090
we experience something as Dave said

1752
01:07:46,710 --> 01:07:45,250
profound do you find that Dave do you

1753
01:07:48,840 --> 01:07:46,720
find you have still trouble admitting

1754
01:07:51,480 --> 01:07:48,850
that maybe something truly profound

1755
01:07:53,520 --> 01:07:51,490
happen to you at sha clack yeah I do I

1756
01:07:55,380 --> 01:07:53,530
think mainly Paul it's because the

1757
01:07:58,230 --> 01:07:55,390
amount of locations of spent time at the

1758
01:08:00,180 --> 01:07:58,240
amount of investigation cells I've been

1759
01:08:02,550 --> 01:08:00,190
privy to I've never actually with this

1760
01:08:05,250 --> 01:08:02,560
benefit of consequence so it's hard for

1761
01:08:07,530 --> 01:08:05,260
me to don't get me wrong everything that

1762
01:08:09,660 --> 01:08:07,540
everybody says to me unless I can prove

1763
01:08:11,010 --> 01:08:09,670

that the person is lying or to rip them

1764

01:08:13,230 --> 01:08:11,020

up to a point the beard method they're

1765

01:08:14,760 --> 01:08:13,240

not being truthful everything that

1766

01:08:16,710 --> 01:08:14,770

everybody says to me in regards to

1767

01:08:18,840 --> 01:08:16,720

reported paranormal activity from

1768

01:08:20,610 --> 01:08:18,850

shock-like from anywhere I believe I

1769

01:08:22,860 --> 01:08:20,620

can't not believe it's just that I'm not

1770

01:08:25,079 --> 01:08:22,870

witnessed anything myself because I'm

1771

01:08:28,500 --> 01:08:25,089

not witness and as in personally it's

1772

01:08:30,240 --> 01:08:28,510

difficult to appreciate what everybody

1773

01:08:32,660 --> 01:08:30,250

else is trying to say so when something

1774

01:08:36,720 --> 01:08:32,670

does occur I think that's right to

1775

01:08:38,849 --> 01:08:36,730

explain it away a little bit too much I

1776

01:08:40,380 --> 01:08:38,859

mean I'm glad to explain today the

1777

01:08:42,809 --> 01:08:40,390

number of times ladies and literally as

1778

01:08:45,000 --> 01:08:42,819

a matter of you only experiences I mean

1779

01:08:47,579 --> 01:08:45,010

from investigating the paranormal around

1780

01:08:49,950 --> 01:08:47,589

about 1995 I was pretty much a very much

1781

01:08:52,140 --> 01:08:49,960

a skeptic in paranormal phenomena

1782

01:08:54,620 --> 01:08:52,150

thought everything could be attributed

1783

01:08:57,360 --> 01:08:54,630

to psychological conditions

1784

01:09:00,000 --> 01:08:57,370

misinterpretations and those sort of

1785

01:09:02,490 --> 01:09:00,010

things and so had my very own very

1786

01:09:03,650 --> 01:09:02,500

hard-hitting experience in 1990 found in

1787

01:09:06,660 --> 01:09:03,660

Marcel

1788

01:09:08,430 --> 01:09:06,670

showing an investigation of poltergeist

1789

01:09:10,079 --> 01:09:08,440

phenomena I've only have actually been

1790

01:09:12,270 --> 01:09:10,089

lucky enough over 25 years to

1791

01:09:15,059 --> 01:09:12,280

investigate two cases of poltergeist

1792

01:09:18,000 --> 01:09:15,069

phenomena and both have been significant

1793

01:09:20,190 --> 01:09:18,010

in my life which which tell me that

1794

01:09:21,720 --> 01:09:20,200

who's got to be something more to the

1795

01:09:24,120 --> 01:09:21,730

paranormal and that's why it's worthy of

1796

01:09:26,280 --> 01:09:24,130

a further investigation and that's the

1797

01:09:28,800 --> 01:09:26,290

next thing I want to discuss was to move

1798

01:09:30,840 --> 01:09:28,810

from chocolate to the Rochdale case

1799

01:09:32,550 --> 01:09:30,850

which is I've heard you talk about it

1800

01:09:35,300 --> 01:09:32,560

and I think mine could do a 90 minute

1801

01:09:38,250 --> 01:09:35,310

film on that easy with just you talking

1802

01:09:40,200 --> 01:09:38,260

it's an amazing case so we'll try and

1803

01:09:42,539 --> 01:09:40,210

distill it down you know maybe to five

1804

01:09:44,910 --> 01:09:42,549

or six seven eight whatever minutes but

1805

01:09:47,099 --> 01:09:44,920

before we leave shock lack relating a

1806

01:09:48,809 --> 01:09:47,109

bit to your own experience there seed

1807

01:09:49,660 --> 01:09:48,819

for the first time is Dave said it was

1808

01:09:52,510 --> 01:09:49,670

the first time you'd been

1809

01:09:54,850 --> 01:09:52,520

there and also the way you guys run an

1810

01:09:56,680 --> 01:09:54,860

investigation because you experienced

1811

01:09:59,890 --> 01:09:56,690

something it was the light if he

1812

01:10:01,900 --> 01:09:59,900

remember you saw a light perhaps you can

1813

01:10:04,240 --> 01:10:01,910

describe the light and then perhaps you

1814

01:10:05,560 --> 01:10:04,250

we can talk about well okay we saw

1815

01:10:07,930 --> 01:10:05,570

something let's figure out if we can

1816

01:10:10,120 --> 01:10:07,940

find a rational explanation for it

1817

01:10:12,280 --> 01:10:10,130

and how do I went about investigating it

1818

01:10:14,350 --> 01:10:12,290

yeah well I was actually situated in the

1819

01:10:16,090 --> 01:10:14,360

back of the church with a long moving

1820

01:10:19,810 --> 01:10:16,100

infrared camera taking some film shots

1821

01:10:21,310 --> 01:10:19,820

and out other side of me wasn't really

1822

01:10:22,750 --> 01:10:21,320

out the corner of my eye actually which

1823

01:10:25,750 --> 01:10:22,760

was quite surprising but I did actually

1824

01:10:27,970 --> 01:10:25,760

see this light appear across a tomb and

1825

01:10:30,459 --> 01:10:27,980

what it was is quite a straight line as

1826

01:10:32,260 --> 01:10:30,469

well I remember remember thinking to

1827

01:10:35,200 --> 01:10:32,270

myself is that and someone must be local

1828

01:10:36,910 --> 01:10:35,210

with a light so I went down the corner

1829

01:10:38,830 --> 01:10:36,920

of the church to look for somebody and I

1830

01:10:41,080 --> 01:10:38,840

actually couldn't see anybody there so

1831

01:10:43,689 --> 01:10:41,090

when I actually brought it to your

1832

01:10:45,370 --> 01:10:43,699

attention and I initially started

1833

01:10:48,010 --> 01:10:45,380

thinking trying to immediately

1834

01:10:50,110 --> 01:10:48,020

rationalize the experience and thought

1835

01:10:52,900 --> 01:10:50,120

that maybe somebody further down on the

1836

01:10:54,970 --> 01:10:52,910

opposite side of the church in the in

1837

01:10:58,000 --> 01:10:54,980

the lower graveyard neighboring flashing

1838

01:11:00,580 --> 01:10:58,010

a light flashlight around and maybe

1839

01:11:03,520 --> 01:11:00,590

somehow it caught a reflection and

1840

01:11:05,410 --> 01:11:03,530

straight up to the top end of the aisle

1841

01:11:07,360 --> 01:11:05,420

of the church and of course what we did

1842

01:11:10,720 --> 01:11:07,370

is we we went down there we found that

1843

01:11:12,430 --> 01:11:10,730

that Dale was down there and with his

1844

01:11:15,820 --> 01:11:12,440

flashlight looking around some of the

1845

01:11:18,280 --> 01:11:15,830

graves literally asking to replicate at

1846

01:11:20,020 --> 01:11:18,290

the see we cook lamb points his

1847

01:11:22,030 --> 01:11:20,030

flashlight in that direction to see if

1848

01:11:23,500 --> 01:11:22,040

it would reach or to the Sun pennant we

1849

01:11:25,720 --> 01:11:23,510

are talking quite a considerable

1850

01:11:28,419 --> 01:11:25,730

distance there it was it was nothing

1851
01:11:29,500 --> 01:11:28,429
like it whatsoever and I mean we pretty

1852
01:11:32,380 --> 01:11:29,510
much through that as well as a

1853
01:11:34,600 --> 01:11:32,390
flashlight and the light source expands

1854
01:11:37,270 --> 01:11:34,610
from a from a flashlight and this was

1855
01:11:40,060 --> 01:11:37,280
very I remember very similar to like

1856
01:11:42,820 --> 01:11:40,070
seeing a light source in aligned as

1857
01:11:45,160 --> 01:11:42,830
opposed to a growing light source from a

1858
01:11:47,380 --> 01:11:45,170
flashlight and we couldn't replicate it

1859
01:11:49,810 --> 01:11:47,390
so I can only presume that it must have

1860
01:11:51,970 --> 01:11:49,820
been something from usual that scene but

1861
01:11:53,680 --> 01:11:51,980
we did try and try our best to try and

1862
01:11:55,900 --> 01:11:53,690
find out what it could have been if he

1863
01:11:57,640 --> 01:11:55,910

was if he was down for something with a

1864

01:12:00,070 --> 01:11:57,650

flashlight that didn't seem the case

1865

01:12:01,310 --> 01:12:00,080

yeah I mean to me that there was of all

1866

01:12:03,220 --> 01:12:01,320

the things I've done in pair

1867

01:12:05,629 --> 01:12:03,230

investigations that was one of the most

1868

01:12:08,419 --> 01:12:05,639

fun moments ahead it only really took us

1869

01:12:09,859 --> 01:12:08,429

five minutes but yeah you know running

1870

01:12:11,870 --> 01:12:09,869

through that process of saying okay

1871

01:12:14,120 --> 01:12:11,880

something maybe weird happened let's

1872

01:12:16,010 --> 01:12:14,130

like Sherlock Holmes let's eliminate any

1873

01:12:17,930 --> 01:12:16,020

of the things that we can think of that

1874

01:12:19,910 --> 01:12:17,940

might explain it without resorting to

1875

01:12:21,950 --> 01:12:19,920

the weird stuff and if you can eliminate

1876

01:12:23,839 --> 01:12:21,960

those things then what you're left with

1877

01:12:25,790 --> 01:12:23,849

that no matter how strange might

1878

01:12:27,200 --> 01:12:25,800

actually be something that's weird I

1879

01:12:29,180 --> 01:12:27,210

don't know if we eliminated every

1880

01:12:31,310 --> 01:12:29,190

possible explanation but we eliminated

1881

01:12:33,950 --> 01:12:31,320

the one given the location that made the

1882

01:12:36,080 --> 01:12:33,960

most sense and yes you say and so once

1883

01:12:39,200 --> 01:12:36,090

you do that I actually think that the

1884

01:12:41,959 --> 01:12:39,210

the payoff comes not from experiencing

1885

01:12:43,129 --> 01:12:41,969

something but from eliminating the

1886

01:12:45,140 --> 01:12:43,139

possible explanations

1887

01:12:46,339 --> 01:12:45,150

so because we can all experience

1888

01:12:47,540 --> 01:12:46,349

something but then if you go through and

1889

01:12:49,609 --> 01:12:47,550

say well okay couldn't have been deal

1890

01:12:51,290 --> 01:12:49,619

with this flashlight so what are we left

1891

01:12:54,770 --> 01:12:51,300

with that's when you have your brief

1892

01:12:57,500 --> 01:12:54,780

moment where you go hmm their heads

1893

01:12:59,330 --> 01:12:57,510

together or when Dale came over to me

1894

01:13:01,280 --> 01:12:59,340

and talked about his own black void or

1895

01:13:03,140 --> 01:13:01,290

when Holly talked about her horse sooths

1896

01:13:04,819 --> 01:13:03,150

thing and I said well you really you

1897

01:13:07,010 --> 01:13:04,829

know I heard the same thing too and then

1898

01:13:09,470 --> 01:13:07,020

she hit me again and you know you nod

1899

01:13:11,030 --> 01:13:09,480

your head and go right and you've walked

1900

01:13:13,910 --> 01:13:11,040

we walked around with the horse hooves

1901

01:13:16,280 --> 01:13:13,920

and I got tell Eugene like it literally

1902

01:13:17,780 --> 01:13:16,290

sounded as if because in Halifax here we

1903

01:13:19,550 --> 01:13:17,790

have horse-drawn carriages part of the

1904

01:13:22,459 --> 01:13:19,560

tourist trade cobblestone cobblestone

1905

01:13:24,080 --> 01:13:22,469

streets and stuff and I know the sound

1906

01:13:26,180 --> 01:13:24,090

and that's exactly and so does Holly

1907

01:13:28,100 --> 01:13:26,190

that's exactly the sound that we both

1908

01:13:30,350 --> 01:13:28,110

thought we heard and there was nothing

1909

01:13:32,419 --> 01:13:30,360

in in the vicinity that could possibly

1910

01:13:34,879 --> 01:13:32,429

have made that sound she heard it twice

1911

01:13:36,680 --> 01:13:34,889

I heard it twice and then you just sort

1912

01:13:38,120 --> 01:13:36,690

of nod your head and go okay that's

1913

01:13:40,339 --> 01:13:38,130

weird and it's even weirder because

1914

01:13:41,419 --> 01:13:40,349

you've taken the time to take a look to

1915

01:13:43,819 --> 01:13:41,429

see if there's a rational explanation

1916

01:13:45,890 --> 01:13:43,829

for it which I think in the paranormal

1917

01:13:47,270 --> 01:13:45,900

field an awful lot of people don't don't

1918

01:13:49,339 --> 01:13:47,280

bother to go through that stuff they

1919

01:13:52,010 --> 01:13:49,349

just go wow that was crazy and then

1920

01:13:53,540 --> 01:13:52,020

weird and they stop there and I think

1921

01:13:55,280 --> 01:13:53,550

it's only weird once you can eliminate

1922

01:13:57,560 --> 01:13:55,290

the non weird stuff I also wonder

1923

01:13:59,359 --> 01:13:57,570

sometimes how many people have this gosh

1924

01:14:03,130 --> 01:13:59,369

that was weird and they forget about her

1925

01:14:07,990 --> 01:14:05,580

[Music]

1926

01:14:09,400 --> 01:14:08,000

it's time to mend fences here on the

1927

01:14:12,370 --> 01:14:09,410

powertest so we've had our differences

1928

01:14:14,560 --> 01:14:12,380

with bill burns and UFO magazine but now

1929

01:14:16,660 --> 01:14:14,570

can't we just get along what do you

1930

01:14:19,450 --> 01:14:16,670

think bill hi everybody this is bill

1931

01:14:21,250 --> 01:14:19,460

burns from UFO magazine I'm glad to be

1932

01:14:23,740 --> 01:14:21,260

back with gene Steinberg on the para

1933

01:14:27,490 --> 01:14:23,750

cast and here's a special offer for all

1934

01:14:30,250 --> 01:14:27,500

you Paradise fans normally we sell five

1935

01:14:32,080 --> 01:14:30,260

issues of the magazine for \$19.99 guess

1936

01:14:33,880 --> 01:14:32,090

what if you're a fan of the pattern cast

1937

01:14:36,100 --> 01:14:33,890

a friend of gene Steinberg's you're my

1938

01:14:39,430 --> 01:14:36,110

friend as well it's six issues of the

1939

01:14:41,620 --> 01:14:39,440

UFO magazine for \$19.99 look forward to

1940

01:14:43,420 --> 01:14:41,630

hearing from you and gene thanks for

1941

01:14:45,990 --> 01:14:43,430

having me back so where do we get a hold

1942

01:14:52,990 --> 01:14:46,000

of your bill you can get a hold of me

1943

01:14:55,040 --> 01:14:53,000

www UFO mhg calm that's double UFO man

1944

01:15:18,420 --> 01:14:55,050

calm I look forward to hearing from

1945

01:15:18,430 --> 01:15:28,200

[Music]

1946

01:15:34,150 --> 01:15:31,870

we have Dave Sandler Steve Mira their

1947

01:15:36,550 --> 01:15:34,160

paranormal investigators from the UK and

1948

01:15:38,950 --> 01:15:36,560

unlike some of us here in the colonies

1949

01:15:41,800 --> 01:15:38,960

they take a far more all-encompassing

1950

01:15:43,660 --> 01:15:41,810

view of what's going on our special

1951

01:15:45,940 --> 01:15:43,670

guest host this week is Paul Timbo so

1952

01:15:48,640 --> 01:15:45,950

that takes us back to the other thing

1953

01:15:50,860 --> 01:15:48,650

here how many people out there you think

1954

01:15:53,050 --> 01:15:50,870

they're having experiences and they say

1955

01:15:54,970 --> 01:15:53,060

oh that was pretty weird let me get back

1956

01:15:56,980 --> 01:15:54,980

to my life it really has to be severe

1957

01:15:59,050 --> 01:15:56,990

before they report it right totally

1958

01:16:01,840 --> 01:15:59,060

we've got because as I said earlier with

1959

01:16:04,210 --> 01:16:01,850

this current big paranormal trend that's

1960

01:16:06,490 --> 01:16:04,220

come up the the everybody in the media

1961

01:16:08,830 --> 01:16:06,500

is doing something paranormal I've been

1962

01:16:11,200 --> 01:16:08,840

Bobby in the media local national

1963

01:16:12,790 --> 01:16:11,210

newspapers are doing silly pictures and

1964

01:16:14,560 --> 01:16:12,800

silly things that they have claimed to

1965

01:16:17,140 --> 01:16:14,570

be life as enough for modern somebody's

1966

01:16:20,350 --> 01:16:17,150

for a mobile phone in this guy you know

1967

01:16:22,720 --> 01:16:20,360

this is everybody is reporting something

1968

01:16:24,970 --> 01:16:22,730

well I think the ones who are reporting

1969

01:16:27,190 --> 01:16:24,980

things of consequence are the ones that

1970

01:16:29,080 --> 01:16:27,200

really need to step for because they're

1971

01:16:30,880 --> 01:16:29,090

probably the ones that are the most

1972

01:16:31,990 --> 01:16:30,890

interest in and are the most important

1973

01:16:34,270 --> 01:16:32,000

because they're not the bandwagon

1974

01:16:36,310 --> 01:16:34,280

jumpers well for my own experience I

1975

01:16:38,020 --> 01:16:36,320

think that's the truth that a lot of

1976

01:16:39,730 --> 01:16:38,030

times not always but a lot of times

1977

01:16:41,770 --> 01:16:39,740

people that come forward are seeking

1978

01:16:44,160 --> 01:16:41,780

publicity or there's a lot of other

1979

01:16:47,050 --> 01:16:44,170

things going on I think when people

1980

01:16:48,490 --> 01:16:47,060

generally reasonable rationals even

1981

01:16:51,400 --> 01:16:48,500

skeptical people experience something

1982

01:16:53,380 --> 01:16:51,410

weird I think their inclination and Dave

1983

01:16:57,310 --> 01:16:53,390

I think you can see this in both you and

1984

01:16:59,860 --> 01:16:57,320

I is to not tell people or if you do

1985

01:17:02,110 --> 01:16:59,870

tell people laugh it off and sort of say

1986

01:17:03,850 --> 01:17:02,120

well some you know rationalize it so I

1987

01:17:06,370 --> 01:17:03,860

think the more the really interesting

1988

01:17:08,560 --> 01:17:06,380

cases a lot of them are the ones where

1989

01:17:11,020 --> 01:17:08,570

you actually have to really pull the

1990

01:17:12,430 --> 01:17:11,030

story out of people because they're

1991

01:17:15,160 --> 01:17:12,440

afraid of what you're going to think of

1992

01:17:16,930 --> 01:17:15,170

them because it sounds daft to them and

1993

01:17:19,360 --> 01:17:16,940

so they think it's gonna sound daft to

1994

01:17:21,580 --> 01:17:19,370

you this year a low B teets law we want

1995

01:17:25,180 --> 01:17:21,590

two months of the year gone so far the

1996

01:17:27,280 --> 01:17:25,190

UPI a received I think 16 documents

1997

01:17:28,770 --> 01:17:27,290

sorry 16 reports that have gone on to

1998

01:17:31,800 --> 01:17:28,780

the database

1999

01:17:34,080 --> 01:17:31,810

again paranormal big cats you for

2000

01:17:36,480 --> 01:17:34,090

logical I think there's only three of

2001

01:17:38,070 --> 01:17:36,490

them that have not been stopped okay yet

2002

01:17:39,750 --> 01:17:38,080

we've been able to answer it this is

2003

01:17:42,450 --> 01:17:39,760

what it is that's what it there you go

2004

01:17:44,700 --> 01:17:42,460

ended three of them cases we've got

2005

01:17:46,440 --> 01:17:44,710

people died arise in advance we've got

2006

01:17:48,480 --> 01:17:46,450

people anything that possibly happens

2007

01:17:50,730 --> 01:17:48,490

that they could presume to be paranormal

2008

01:17:52,320 --> 01:17:50,740

we've got the document and over a period

2009

01:17:53,850 --> 01:17:52,330

of time we'll go back to them and see if

2010

01:17:55,800 --> 01:17:53,860

there is anything a consequence that we

2011

01:17:57,600 --> 01:17:55,810

could see in their report so already

2012

01:18:00,090 --> 01:17:57,610

this year we've we've had a number of

2013

01:18:02,190 --> 01:18:00,100

cases come in I'm not one of them cases

2014

01:18:03,300 --> 01:18:02,200

apart from obviously the big cat scuffle

2015

01:18:05,250 --> 01:18:03,310

we've been out there and done something

2016

01:18:06,840 --> 01:18:05,260

nothing of consequence is called for

2017

01:18:09,450 --> 01:18:06,850

many of them cases which has been oh

2018

01:18:10,710 --> 01:18:09,460

yeah I'm really excited let's go and put

2019

01:18:12,480 --> 01:18:10,720

that to the top of the West as Steve

2020

01:18:13,890 --> 01:18:12,490

said earlier you know it's really wanted

2021

01:18:16,200 --> 01:18:13,900

of an investigation everything has been

2022

01:18:18,660 --> 01:18:16,210

more or less concluded over a matter of

2023

01:18:20,520 --> 01:18:18,670

days at the very least so every sound

2024

01:18:23,700 --> 01:18:20,530

but as I'm trying to say that the whole

2025

01:18:26,280 --> 01:18:23,710

UK scene with Legaspi paranormal because

2026

01:18:28,470 --> 01:18:26,290

to the UFOs it is fun wagging jumpers at

2027

01:18:30,780 --> 01:18:28,480

the moment age six its most of them an

2028

01:18:33,780 --> 01:18:30,790

orphan of consequence and you know we

2029

01:18:36,570 --> 01:18:33,790

fairly would like people to reconsider

2030

01:18:39,330 --> 01:18:36,580

it that there are organizations not

2031

01:18:42,240 --> 01:18:39,340

dissimilar to the EPIA EPIA out there

2032

01:18:44,040 --> 01:18:42,250

who aren't needed revenue don't want to

2033

01:18:45,450 --> 01:18:44,050

jump on and get the 15 minutes of fame

2034

01:18:47,340 --> 01:18:45,460

we're actually trying to assist people

2035

01:18:49,320 --> 01:18:47,350

and help people insert this bodies of

2036

01:18:51,360 --> 01:18:49,330

the subject when you get these ways of

2037

01:18:53,460 --> 01:18:51,370

reporting it's a signal-to-noise kind of

2038

01:18:54,930 --> 01:18:53,470

thing and so there's always a signal

2039

01:18:57,210 --> 01:18:54,940

there those would be the few cases that

2040

01:18:59,670 --> 01:18:57,220

are worse worth looking at but they can

2041

01:19:01,590 --> 01:18:59,680

often get lost in the noise you just

2042

01:19:03,900 --> 01:19:01,600

give me I mean a police officers are the

2043

01:19:05,370 --> 01:19:03,910

same way if you get a rash of cases

2044

01:19:07,290 --> 01:19:05,380

coming in most of which they're easily

2045

01:19:09,510 --> 01:19:07,300

resolvable or whatever you know you

2046

01:19:11,610 --> 01:19:09,520

don't have as much time to deal with the

2047

01:19:14,370 --> 01:19:11,620

really important cases they require a

2048

01:19:15,810 --> 01:19:14,380

great deal of investigation and speaking

2049

01:19:18,060 --> 01:19:15,820

of really important cases I want to get

2050

01:19:20,400 --> 01:19:18,070

back to the Rochdale case Steve which

2051

01:19:23,220 --> 01:19:20,410

happened in it was in 1995

2052

01:19:25,170 --> 01:19:23,230

yeah system of 1995 in fact we've had

2053

01:19:27,690 --> 01:19:25,180

and what was really interesting about

2054

01:19:30,660 --> 01:19:27,700

this case that he came it came to

2055

01:19:32,970 --> 01:19:30,670

inspire a newspaper article Allen

2056

01:19:35,370 --> 01:19:32,980

remembering very clearly his high

2057

01:19:37,689 --> 01:19:35,380

colonic was spooky spills scare family

2058

01:19:40,120 --> 01:19:37,699

from home and

2059

01:19:42,339 --> 01:19:40,130

a little giggle at the time and it

2060

01:19:45,939 --> 01:19:42,349

showed the photograph of mr. and mrs.

2061

01:19:48,910 --> 01:19:45,949

Gardiner who were mopping their ceiling

2062

01:19:51,850 --> 01:19:48,920

and they were claiming that the spooky

2063

01:19:54,069 --> 01:19:51,860

spills of water were associated to some

2064

01:19:56,680 --> 01:19:54,079

paranormal activity was going on in

2065

01:19:59,109 --> 01:19:56,690

their home at the time that we happened

2066

01:20:01,239 --> 01:19:59,119

we had a very serious drought across the

2067

01:20:04,060 --> 01:20:01,249

UK at that time we were into our fourth

2068

01:20:05,890 --> 01:20:04,070

week of no rain and in fact over here in

2069

01:20:08,399 --> 01:20:05,900

the UK we always like to have literally

2070

01:20:12,009 --> 01:20:08,409

about a couple of weeks of no rain and

2071

01:20:14,049 --> 01:20:12,019

with some Sodom and we do have problems

2072

01:20:17,109 --> 01:20:14,059

regarding water don't ask me why we just

2073

01:20:18,729 --> 01:20:17,119

do and so we were in for our fourth week

2074

01:20:21,009 --> 01:20:18,739

and we was a serious drought at that

2075

01:20:24,250 --> 01:20:21,019

time there was hosepipe pounds and we

2076

01:20:25,870 --> 01:20:24,260

had this prefabricated bungalow in

2077

01:20:28,689 --> 01:20:25,880

Rochdale where this family had lived

2078

01:20:31,660 --> 01:20:28,699

there for 14 years with an immense

2079

01:20:33,339 --> 01:20:31,670

amount of water that seems to be pumping

2080

01:20:35,410 --> 01:20:33,349

from the walls and ceilings so it

2081

01:20:38,140 --> 01:20:35,420

certainly grabbed my attention and so

2082

01:20:40,600 --> 01:20:38,150

then you guys went to investigate the

2083

01:20:42,609 --> 01:20:40,610

case you know I assume that you know

2084

01:20:45,399 --> 01:20:42,619

signal to noise you get a lot of cases

2085

01:20:47,169 --> 01:20:45,409

but this was one of those signal cases

2086

01:20:49,629 --> 01:20:47,179

and maybe you can take us through the

2087

01:20:51,219 --> 01:20:49,639

the investigation and and what struck me

2088

01:20:53,140 --> 01:20:51,229

when you would talk about it we were on

2089

01:20:55,209 --> 01:20:53,150

a radio show and you were describing it

2090

01:20:57,399 --> 01:20:55,219

in the UK Steve but also when you would

2091

01:20:59,109 --> 01:20:57,409

tell it to me in person what struck me

2092

01:21:01,029 --> 01:20:59,119

the most about it was it seemed to be

2093

01:21:03,339 --> 01:21:01,039

one of those no pun intended

2094

01:21:07,449 --> 01:21:03,349

watershed cases that come along in a

2095

01:21:08,890 --> 01:21:07,459

person's life where really no pun

2096

01:21:11,229 --> 01:21:08,900

intended but you know those turning

2097

01:21:12,489 --> 01:21:11,239

points a pivotal case where for you it's

2098

01:21:14,770 --> 01:21:12,499

like you walk through the door that's

2099

01:21:16,120 --> 01:21:14,780

how I describe it everything the state

2100

01:21:18,250 --> 01:21:16,130

do you talk to it everything you thought

2101
01:21:20,859 --> 01:21:18,260
you knew you now look at maybe

2102
01:21:22,870 --> 01:21:20,869
differently so those are those are rare

2103
01:21:24,850 --> 01:21:22,880
cases maybe so tell us about the case

2104
01:21:26,109 --> 01:21:24,860
tell us what happened to you and and and

2105
01:21:30,279 --> 01:21:26,119
give us the story because it's an

2106
01:21:32,500 --> 01:21:30,289
amazing story I was not prepared for it

2107
01:21:34,029 --> 01:21:32,510
I mean I had been quiet

2108
01:21:35,589 --> 01:21:34,039
you know I admired that the fact that

2109
01:21:36,969 --> 01:21:35,599
I've actually learned from probably the

2110
01:21:38,529 --> 01:21:36,979
best people in the country at the time

2111
01:21:41,080 --> 01:21:38,539
regarding the investigation of

2112
01:21:43,390 --> 01:21:41,090
paranormal phenomena and for psychology

2113
01:21:46,319 --> 01:21:43,400

but nothing could have prepared me for

2114

01:21:48,339 --> 01:21:46,329

when I in 1995 like to say I've been

2115

01:21:50,660 --> 01:21:48,349

investigating for quite a number of

2116

01:21:52,550 --> 01:21:50,670

years 25 years in total and

2117

01:21:53,479 --> 01:21:52,560

I've never actually come across a lot

2118

01:21:55,700 --> 01:21:53,489

have been involved in suitcases

2119

01:21:59,540 --> 01:21:55,710

apologize Saxena both being closed

2120

01:22:01,129 --> 01:21:59,550

extreme but I went in there with I don't

2121

01:22:02,570 --> 01:22:01,139

know I thinking that I was going to be

2122

01:22:04,910 --> 01:22:02,580

able to rationalize this within the next

2123

01:22:06,410 --> 01:22:04,920

half an hour because if water is

2124

01:22:08,300 --> 01:22:06,420

actually coming from the ceilings or

2125

01:22:10,790 --> 01:22:08,310

walls there's going to be evidence of

2126
01:22:13,669 --> 01:22:10,800
where and that water's coming from such

2127
01:22:14,180 --> 01:22:13,679
as burst pipes condensation so on and so

2128
01:22:16,100 --> 01:22:14,190
forth

2129
01:22:18,770 --> 01:22:16,110
when Akane I was quite surprised to find

2130
01:22:22,820 --> 01:22:18,780
that the council the local council had

2131
01:22:24,470 --> 01:22:22,830
been in involved in the home for at

2132
01:22:27,919 --> 01:22:24,480
least two or three months trying to find

2133
01:22:30,560 --> 01:22:27,929
out exactly what was going on and they

2134
01:22:32,450 --> 01:22:30,570
fitted numerous fans in the property

2135
01:22:34,040 --> 01:22:32,460
thinking they may have been condensation

2136
01:22:38,060 --> 01:22:34,050
and which he wasn't

2137
01:22:40,580 --> 01:22:38,070
they'd fitted numerous devices around to

2138
01:22:43,129 --> 01:22:40,590

monitor water and be puts up these

2139

01:22:45,290 --> 01:22:43,139

pieces of paper on the wall to write

2140

01:22:47,090 --> 01:22:45,300

down their incidents as well because

2141

01:22:48,800 --> 01:22:47,100

they were actually you didn't know what

2142

01:22:51,439 --> 01:22:48,810

to make of it it wasn't long before

2143

01:22:53,419 --> 01:22:51,449

someone started pointing finger and

2144

01:22:55,939 --> 01:22:53,429

saying well you know maybe the family

2145

01:22:57,890 --> 01:22:55,949

are throwing water on the walls and

2146

01:22:59,660 --> 01:22:57,900

ceilings themselves because they want to

2147

01:23:01,580 --> 01:22:59,670

be rehomed or wants a new pounds

2148

01:23:02,930 --> 01:23:01,590

obviously that always comes to mind and

2149

01:23:05,750 --> 01:23:02,940

it's not the first time that I've come

2150

01:23:07,820 --> 01:23:05,760

across an investigation of other other

2151

01:23:10,609 --> 01:23:07,830

building where it's mounted from a

2152

01:23:14,090 --> 01:23:10,619

housing association or a council and

2153

01:23:17,090 --> 01:23:14,100

that they're using the paranormal as a

2154

01:23:19,700 --> 01:23:17,100

way of being rehomed or relocated I have

2155

01:23:21,800 --> 01:23:19,710

come across that before so I immediately

2156

01:23:22,970 --> 01:23:21,810

fell into this pattern of you know I'm

2157

01:23:25,070 --> 01:23:22,980

going to be able to rationalize this

2158

01:23:27,620 --> 01:23:25,080

quite quickly what we immediately found

2159

01:23:29,570 --> 01:23:27,630

was there wasn't just water forming

2160

01:23:31,760 --> 01:23:29,580

which was part of our phenomena there

2161

01:23:34,550 --> 01:23:31,770

was other things taking place which is

2162

01:23:38,209 --> 01:23:34,560

objects being moved things jumping off

2163

01:23:39,800 --> 01:23:38,219

the wall things working of their own

2164

01:23:41,600 --> 01:23:39,810

accord it had a clock radio which is a

2165

01:23:44,660 --> 01:23:41,610

pole who was to be heard working with a

2166

01:23:47,890 --> 01:23:44,670

woman plugged in you must smells and bad

2167

01:23:50,930 --> 01:23:47,900

odors I'll of course some strange sounds

2168

01:23:52,550 --> 01:23:50,940

miss limited garden reported that it had

2169

01:23:54,770 --> 01:23:52,560

coughing coming from the corner of our

2170

01:23:57,950 --> 01:23:54,780

bedroom one night doors and windows

2171

01:24:00,260 --> 01:23:57,960

would open and close and paintings and

2172

01:24:01,640 --> 01:24:00,270

pictures would jump are suddenly jump

2173

01:24:04,070 --> 01:24:01,650

off the wall and catapult themselves

2174

01:24:06,980 --> 01:24:04,080

across the room this was also witness

2175

01:24:08,210 --> 01:24:06,990

what a vicar he was a friend of mrs.

2176

01:24:10,550 --> 01:24:08,220

gardiner because she was actually a

2177

01:24:12,560 --> 01:24:10,560

cleaner at a local church and the vicar

2178

01:24:14,060 --> 01:24:12,570

came out and during that visit one of

2179

01:24:16,100 --> 01:24:14,070

the paintings she had the tanker

2180

01:24:18,110 --> 01:24:16,110

painting on the wall which shot off the

2181

01:24:21,130 --> 01:24:18,120

wall and threw food costs allow

2182

01:24:23,990 --> 01:24:21,140

releasable 1784 and landed on the floor

2183

01:24:26,360 --> 01:24:24,000

in view of this vicar who we'd

2184

01:24:27,980 --> 01:24:26,370

interviewed as well and there he he

2185

01:24:29,870 --> 01:24:27,990

quite clearly turned around and said

2186

01:24:31,760 --> 01:24:29,880

which we were quite surprised again he

2187

01:24:33,830 --> 01:24:31,770

believed it was poltergeist activity so

2188

01:24:35,450 --> 01:24:33,840

it obviously known about the subject

2189

01:24:38,090 --> 01:24:35,460

himself and after witnessing that I

2190

01:24:39,200 --> 01:24:38,100

don't think he had an explanation but we

2191

01:24:42,170 --> 01:24:39,210

wanted to just mention that the

2192

01:24:44,630 --> 01:24:42,180

counselor had gone in and done the

2193

01:24:46,580 --> 01:24:44,640

appropriate check so we went up in the

2194

01:24:49,580 --> 01:24:46,590

laughter he was not only driver was very

2195

01:24:51,710 --> 01:24:49,590

dusty up there and there were nowhere no

2196

01:24:53,840 --> 01:24:51,720

leaking water pipes whatsoever so what

2197

01:24:56,930 --> 01:24:53,850

we managed to do is sat down and

2198

01:24:58,580 --> 01:24:56,940

interviewed the family which were by

2199

01:25:01,460 --> 01:24:58,590

list type very distressed about the

2200

01:25:04,130 --> 01:25:01,470

whole experiences a lot of furniture and

2201

01:25:05,930 --> 01:25:04,140

carpets have been ruined and on one

2202

01:25:07,670 --> 01:25:05,940

occasion it was apparently raining in

2203

01:25:09,710 --> 01:25:07,680

the kitchen mr. Garner had surely have

2204

01:25:13,190 --> 01:25:09,720

to put it on Braille or in the kitchen

2205

01:25:14,930 --> 01:25:13,200

which is sounds ridiculous these are the

2206

01:25:16,820 --> 01:25:14,940

things that were being reported to us I

2207

01:25:18,920 --> 01:25:16,830

know we think England is a wet country

2208

01:25:20,630 --> 01:25:18,930

but I'm not even that mingling do we

2209

01:25:25,280 --> 01:25:20,640

believe that it rains inside your house

2210

01:25:26,780 --> 01:25:25,290

in the kitchen quite surprising we

2211

01:25:27,350 --> 01:25:26,790

didn't know what to expect today that

2212

01:25:29,090 --> 01:25:27,360

suits me

2213

01:25:30,470 --> 01:25:29,100

we were taking all these details down

2214

01:25:32,450 --> 01:25:30,480

and we thought they were very a lot of

2215

01:25:34,610 --> 01:25:32,460

very tall stories to tell you the truth

2216

01:25:36,680 --> 01:25:34,620

but the good thing about this particular

2217

01:25:38,630 --> 01:25:36,690

investigation is that when we took it on

2218

01:25:41,270 --> 01:25:38,640

board it was only agreement that the

2219

01:25:43,790 --> 01:25:41,280

family we couldn't have them vacated the

2220

01:25:45,620 --> 01:25:43,800

building for the evening and we would

2221

01:25:47,560 --> 01:25:45,630

monitor that building so we would rule

2222

01:25:49,580 --> 01:25:47,570

out completely we allow the fact that

2223

01:25:52,370 --> 01:25:49,590

anybody was actually throwing water

2224

01:25:54,380 --> 01:25:52,380

around or them or basically hunting

2225

01:25:56,750 --> 01:25:54,390

anything so we have full control and we

2226

01:25:59,300 --> 01:25:56,760

had about five or six investigators in

2227

01:26:03,190 --> 01:25:59,310

there for a duration of about 36 hours

2228

01:26:06,530 --> 01:26:03,200

and we set up all over our equipment and

2229

01:26:09,110 --> 01:26:06,540

the very first thing that was to

2230

01:26:11,660 --> 01:26:09,120

experience was around about 11 o'clock

2231

01:26:14,540 --> 01:26:11,670

in the evening and a small statuette

2232

01:26:16,430 --> 01:26:14,550

appeared in the middle of the lounge

2233

01:26:18,800 --> 01:26:16,440

now what was quite interesting we had

2234

01:26:21,260 --> 01:26:18,810

chemistry investigators had been in and

2235

01:26:22,700 --> 01:26:21,270

out of the lounge and we've got some

2236

01:26:25,610 --> 01:26:22,710

coffee and we were sat in the lounge

2237

01:26:27,590 --> 01:26:25,620

talking when one of the investigators

2238

01:26:31,010 --> 01:26:27,600

said what's that down there on the floor

2239

01:26:33,110 --> 01:26:31,020

and right in the middle of bang by in

2240

01:26:36,200 --> 01:26:33,120

the middle of the floor on the carpet

2241

01:26:38,420 --> 01:26:36,210

was a small statuette now we didn't

2242

01:26:40,040 --> 01:26:38,430

actually know where that come from it's

2243

01:26:41,270 --> 01:26:40,050

lemon wasn't there when we walked into

2244

01:26:43,760 --> 01:26:41,280

the room it would have been so obvious

2245

01:26:45,680 --> 01:26:43,770

we were publishing over it we had no

2246

01:26:47,330 --> 01:26:45,690

idea we only later all in the

2247

01:26:48,980 --> 01:26:47,340

investigation when we ran back on the

2248

01:26:50,630 --> 01:26:48,990

videotapes because when we first got

2249

01:26:53,300 --> 01:26:50,640

into building we do a bigger suite to

2250

01:26:55,550 --> 01:26:53,310

see where all types of ornaments the

2251

01:26:57,560 --> 01:26:55,560

things are we actually located whether

2252

01:27:00,470 --> 01:26:57,570

ornament was early in the evening which

2253

01:27:02,090 --> 01:27:00,480

was nowhere near a should have been so

2254

01:27:04,910 --> 01:27:02,100

we don't know how a might actually got

2255

01:27:07,970 --> 01:27:04,920

there and was a bit of a mystery but as

2256

01:27:10,070 --> 01:27:07,980

the night went on we heard some unusual

2257

01:27:12,980 --> 01:27:10,080

noises and then all of a sudden we have

2258

01:27:15,590 --> 01:27:12,990

a spate of water activity and on the

2259

01:27:17,330 --> 01:27:15,600

door flame to begin with of the kitchen

2260

01:27:19,700 --> 01:27:17,340

door and then right down the door

2261

01:27:21,620 --> 01:27:19,710

beads of water came out of the actual

2262

01:27:25,130 --> 01:27:21,630

door we will stood there watching these

2263

01:27:27,110 --> 01:27:25,140

beads of water appear from nowhere we

2264

01:27:29,570 --> 01:27:27,120

were quite you know we're amazed to find

2265

01:27:31,820 --> 01:27:29,580

it you know we launched it we could see

2266

01:27:33,590 --> 01:27:31,830

it forming and yet we didn't know where

2267

01:27:35,570 --> 01:27:33,600

was come from and we thought maybe we

2268

01:27:38,750 --> 01:27:35,580

were talking about some really profound

2269

01:27:40,250 --> 01:27:38,760

natural phenomena here you know maybe it

2270

01:27:43,160 --> 01:27:40,260

was some form of rational explanation

2271

01:27:45,170 --> 01:27:43,170

but that was ruled out when we the main

2272

01:27:48,200 --> 01:27:45,180

incident happened in the hallway about

2273

01:27:51,290 --> 01:27:48,210

half-past five in the morning when we

2274

01:27:53,360 --> 01:27:51,300

saw water a phenomena explain to you how

2275

01:27:55,280 --> 01:27:53,370

I've seen it and basically there was

2276

01:27:57,650 --> 01:27:55,290

water flowing across the ceiling

2277

01:27:59,270 --> 01:27:57,660

it was defying gravity as it flowed

2278

01:28:02,300 --> 01:27:59,280

across the ceiling he didn't trip to the

2279

01:28:04,880 --> 01:28:02,310

ground he arched itself around the light

2280

01:28:06,950 --> 01:28:04,890

fittings on the ceiling and then stopped

2281

01:28:08,960 --> 01:28:06,960

itself so I had movement and if as he

2282

01:28:11,360 --> 01:28:08,970

floated it was it was strange it was

2283

01:28:13,280 --> 01:28:11,370

right he's spinning a cup of water on

2284

01:28:15,710 --> 01:28:13,290

the floor in the kitchen you see move

2285

01:28:17,870 --> 01:28:15,720

along the floor it was the same effect

2286

01:28:19,580 --> 01:28:17,880

on the ceiling but it was kind of

2287

01:28:21,050 --> 01:28:19,590

defying gravity in a sense of speaking

2288

01:28:22,910 --> 01:28:21,060

he was just he was just absolutely

2289

01:28:24,530 --> 01:28:22,920

gobsmacked real quickly what was the

2290

01:28:26,040 --> 01:28:24,540

best incident we quickly went up in the

2291

01:28:28,169 --> 01:28:26,050

lofty lot surrounded we lost

2292

01:28:30,149 --> 01:28:28,179

in fact it was bone dry on the opposite

2293

01:28:32,220 --> 01:28:30,159

side surface of the ceiling the water

2294

01:28:34,799 --> 01:28:32,230

was clearly there we took samples of

2295

01:28:37,680 --> 01:28:34,809

that water but for a later analysis and

2296

01:28:39,810 --> 01:28:37,690

then it would mysteriously disappear

2297

01:28:42,030 --> 01:28:39,820

within minutes and then appear in other

2298

01:28:45,060 --> 01:28:42,040

places is this something that you can

2299

01:28:47,609 --> 01:28:45,070

actually stop and take a collection of

2300

01:28:49,470 --> 01:28:47,619

this water to see what it was yeah yeah

2301

01:28:51,180 --> 01:28:49,480

I mean we will look it up yet some yeah

2302

01:28:52,709 --> 01:28:51,190

lots of sample bottles levels we

2303

01:28:55,620 --> 01:28:52,719

actually scraped across the student got

2304

01:28:57,450 --> 01:28:55,630

water in it now that was great for us

2305

01:28:59,310 --> 01:28:57,460

because before okay we can have that

2306

01:29:01,649 --> 01:28:59,320

analyzed by a laboratory that's on stage

2307

01:29:03,629 --> 01:29:01,659

but what we needed also was a controlled

2308

01:29:05,720 --> 01:29:03,639

form so what we did is we went to the

2309

01:29:08,879 --> 01:29:05,730

kitchen and there sorry the bathroom tap

2310

01:29:11,069 --> 01:29:08,889

turning on and put some normal tap water

2311

01:29:12,930 --> 01:29:11,079

in the other sample that we had

2312

01:29:15,390 --> 01:29:12,940

so it had a control sample of tap water

2313

01:29:17,669 --> 01:29:15,400

and then this unusual water will just

2314

01:29:19,290 --> 01:29:17,679

seemed to be on the ceiling and this

2315

01:29:20,879 --> 01:29:19,300

pattern of events kind of went on all

2316

01:29:22,530 --> 01:29:20,889

night you know where where it

2317

01:29:25,290 --> 01:29:22,540

disappeared and reappearing all the

2318

01:29:26,879 --> 01:29:25,300

places I remember was splitting up and I

2319

01:29:28,859 --> 01:29:26,889

headed off into the back bedroom with

2320

01:29:31,439 --> 01:29:28,869

two other investigators now this was a

2321

01:29:35,729 --> 01:29:31,449

location where mrs. Gardiner's last

2322

01:29:38,580 --> 01:29:35,739

husband had passed away he had an asthma

2323

01:29:40,770 --> 01:29:38,590

problem and had died and he had

2324

01:29:43,350 --> 01:29:40,780

collapsed and he was in having quite a

2325

01:29:45,330 --> 01:29:43,360

lot and we decided that we would spend

2326

01:29:47,609 --> 01:29:45,340

some quiet time sat on the end of the

2327

01:29:51,270 --> 01:29:47,619

bed in the bedroom along with a couple

2328

01:29:54,149 --> 01:29:51,280

of other investigators and we all were

2329

01:29:56,660 --> 01:29:54,159

sitting there we all heard like a bee

2330

01:29:58,560 --> 01:29:56,670

bless somebody trying to breathe and

2331

01:30:00,750 --> 01:29:58,570

struggling for breath in a sense of

2332

01:30:02,760 --> 01:30:00,760

speaking from the angles and just at

2333

01:30:04,950 --> 01:30:02,770

that point we looked at each other and

2334

01:30:06,959 --> 01:30:04,960

we could clearly say that you know we

2335

01:30:08,819 --> 01:30:06,969

were all hearing this and just because I

2336

01:30:11,040 --> 01:30:08,829

was about to turn around I got the front

2337

01:30:13,500 --> 01:30:11,050

in the back well he was a very unusual

2338

01:30:15,899 --> 01:30:13,510

experience because when people ask me

2339

01:30:17,879 --> 01:30:15,909

how that actually felt it felt like it

2340

01:30:20,879 --> 01:30:17,889

was a thump and a little extra shock at

2341

01:30:22,290 --> 01:30:20,889

the same time it did slightly threw me

2342

01:30:24,870 --> 01:30:22,300

off the bed to toe the cheese into the

2343

01:30:26,430 --> 01:30:24,880

into the small chasing table now I don't

2344

01:30:28,410 --> 01:30:26,440

know if that was part of the action or

2345

01:30:31,589 --> 01:30:28,420

part of shock to tell you the truth you

2346

01:30:35,160 --> 01:30:31,599

know but I found myself not knowing how

2347

01:30:44,620 --> 01:30:41,980

[Music]

2348

01:30:46,720 --> 01:30:44,630

hi this is Tamar from new cheese we're a

2349

01:30:48,700 --> 01:30:46,730

domain name and web hosting company and

2350

01:30:50,710 --> 01:30:48,710

we really care about our customers with

2351
01:30:52,990 --> 01:30:50,720
domain name purchases Namecheap offers

2352
01:30:54,640 --> 01:30:53,000
free SSL and free who is guard for a

2353
01:30:56,440 --> 01:30:54,650
year to protect your identity from

2354
01:30:58,600 --> 01:30:56,450
spammers we won't bother you with

2355
01:31:00,610 --> 01:30:58,610
unwanted messaging in your inbox or upon

2356
01:31:02,260 --> 01:31:00,620
checkout but most importantly we care

2357
01:31:04,090 --> 01:31:02,270
about you our customers your

2358
01:31:06,130 --> 01:31:04,100
satisfaction and happiness is our

2359
01:31:07,960 --> 01:31:06,140
primary focus because your support means

2360
01:31:09,820 --> 01:31:07,970
so much to us if you'd like to learn

2361
01:31:11,140 --> 01:31:09,830
more please visit us at Radio

2362
01:31:13,300 --> 01:31:11,150
namecheap.com

2363
01:31:15,280 --> 01:31:13,310

for web hosting and domain name specials

2364

01:31:20,800 --> 01:31:15,290

you can also follow us on twitter at

2365

01:31:22,900 --> 01:31:20,810

twitter.com/zeromd bars on facebook at

2366

01:31:27,580 --> 01:31:22,910

facebook.com slash Namecheap see you

2367

01:31:29,740 --> 01:31:27,590

online this is Leslie Cain and I'm with

2368

01:31:31,510 --> 01:31:29,750

the Coalition for freedom of information

2369

01:31:34,000 --> 01:31:31,520

and you are listening to the podcast

2370

01:31:38,020 --> 01:31:34,010

with Jean Steinberg and David beard

2371

01:31:40,660 --> 01:31:38,030

named Steve Mira Dave Sadler joining us

2372

01:31:43,240 --> 01:31:40,670

paranormal investigators from the UK our

2373

01:31:47,290 --> 01:31:43,250

guest host is Paul Kimball and while

2374

01:31:52,120 --> 01:31:47,300

being regaled with spiritual water also

2375

01:31:53,770 --> 01:31:52,130

yeah I couldn't explain how I felt at

2376

01:31:55,510 --> 01:31:53,780

that time with being here I've always

2377

01:31:57,550 --> 01:31:55,520

been sort of paranormal phenomena

2378

01:31:59,830 --> 01:31:57,560

doesn't harm people it's the same thing

2379

01:32:01,540 --> 01:31:59,840

I tell people in fact you know when I

2380

01:32:03,370 --> 01:32:01,550

try and get people to calm down I said

2381

01:32:05,560 --> 01:32:03,380

look you know paranormal flora you know

2382

01:32:06,820 --> 01:32:05,570

barely you know these are people every

2383

01:32:09,490 --> 01:32:06,830

reported injuries and things like that

2384

01:32:11,530 --> 01:32:09,500

it tends to be something even more would

2385

01:32:15,310 --> 01:32:11,540

scare you as opposed to in junior but

2386

01:32:18,220 --> 01:32:15,320

then I was in the exact situation where

2387

01:32:19,600 --> 01:32:18,230

something had hit me in the back now you

2388

01:32:21,100 --> 01:32:19,610

know didn't take me long to rush out

2389

01:32:23,560 --> 01:32:21,110

about moving into the lounge and it's a

2390

01:32:25,420 --> 01:32:23,570

lie and the investigators rushed around

2391

01:32:27,490 --> 01:32:25,430

me and were more of interested and so

2392

01:32:29,290 --> 01:32:27,500

photographing the back and the bruise I

2393

01:32:32,200 --> 01:32:29,300

was slowly appearing which is about four

2394

01:32:33,910 --> 01:32:32,210

inches I'm taking photographs of that as

2395

01:32:37,000 --> 01:32:33,920

opposed to asking exactly what was going

2396

01:32:38,980 --> 01:32:37,010

on at that point at that point I left

2397

01:32:41,020 --> 01:32:38,990

the building and went outside and sat on

2398

01:32:44,230 --> 01:32:41,030

the wall out on the front and at that

2399

01:32:46,780 --> 01:32:44,240

point I was considering should I take a

2400

01:32:49,150 --> 01:32:46,790

different path should I not get involved

2401

01:32:50,440 --> 01:32:49,160

in the paranormal since this is

2402

01:32:52,720 --> 01:32:50,450

something I wasn't trained to deal with

2403

01:32:55,159 --> 01:32:52,730

it wasn't something I knew how to have

2404

01:32:57,770 --> 01:32:55,169

to do is I just didn't know that

2405

01:32:59,569 --> 01:32:57,780

and I had no pattern of investigation

2406

01:33:02,060 --> 01:32:59,579

for it I'd have experienced it myself

2407

01:33:03,560 --> 01:33:02,070

without my feel good well good wild

2408

01:33:05,029 --> 01:33:03,570

looks when it is just you know thinking

2409

01:33:07,189 --> 01:33:05,039

shouldn't bother or should we go well

2410

01:33:09,949 --> 01:33:07,199

you know he's and then I thought to

2411

01:33:11,899 --> 01:33:09,959

myself no you know he's you know I want

2412

01:33:13,549 --> 01:33:11,909

to try and find out what's been going on

2413

01:33:15,799 --> 01:33:13,559

what why should this sort of thing

2414

01:33:19,339 --> 01:33:15,809

happen but I've never had an explanation

2415

01:33:21,529 --> 01:33:19,349

as to why I had that sensation why I got

2416

01:33:23,120 --> 01:33:21,539

hit on the back do silly some physical

2417

01:33:25,310 --> 01:33:23,130

evidence because I had a bruise I had a

2418

01:33:26,750 --> 01:33:25,320

mark which was photographed and you know

2419

01:33:28,969 --> 01:33:26,760

people can see that that's enough on our

2420

01:33:31,279 --> 01:33:28,979

website that to me was a very very

2421

01:33:33,049 --> 01:33:31,289

unusual experience and it certainly made

2422

01:33:34,699 --> 01:33:33,059

me start to believe that there's

2423

01:33:35,989 --> 01:33:34,709

definitely something for more to the

2424

01:33:39,429 --> 01:33:35,999

power no more than what I initially

2425

01:33:42,229 --> 01:33:39,439

thought the results of the water

2426
01:33:45,259 --> 01:33:42,239
analysis that you guys had run between

2427
01:33:47,870 --> 01:33:45,269
the the roof water is we'll call it and

2428
01:33:50,120 --> 01:33:47,880
the the tap water well that was

2429
01:33:53,870 --> 01:33:50,130
absolutely fascinating because what

2430
01:33:57,620 --> 01:33:53,880
happened was a whole organization we

2431
01:33:59,989 --> 01:33:57,630
went over drive we submitted the water

2432
01:34:02,089 --> 01:33:59,999
sample to Northwest water laboratories

2433
01:34:03,949 --> 01:34:02,099
and they ran some analysis on the two

2434
01:34:06,560 --> 01:34:03,959
samples that we had the control sample

2435
01:34:09,069 --> 01:34:06,570
which was tap water and the unusual

2436
01:34:11,209 --> 01:34:09,079
water was appearing on the ceiling and

2437
01:34:14,120 --> 01:34:11,219
very distantly could tell the difference

2438
01:34:16,850 --> 01:34:14,130

on our on analysis the water he was on

2439

01:34:18,469 --> 01:34:16,860

the ceiling was not tap water now you

2440

01:34:20,569 --> 01:34:18,479

have to question where else was water

2441

01:34:22,909 --> 01:34:20,579

coming from how else would water sibley

2442

01:34:25,159 --> 01:34:22,919

appear in a house on a ceiling or on a

2443

01:34:27,109 --> 01:34:25,169

wall or on a door if it doesn't come

2444

01:34:29,540 --> 01:34:27,119

from the source of main of water into

2445

01:34:31,069 --> 01:34:29,550

lab buildings such as it's hot water it

2446

01:34:33,109 --> 01:34:31,079

wasn't at water now and the most

2447

01:34:35,239 --> 01:34:33,119

significant finding that they had was

2448

01:34:38,419 --> 01:34:35,249

they measured the electrical

2449

01:34:40,639 --> 01:34:38,429

conductivity of the water now normal tap

2450

01:34:43,040 --> 01:34:40,649

water as they as they explained

2451

01:34:44,989 --> 01:34:43,050

Northwest water laboratories have an

2452

01:34:47,239 --> 01:34:44,999

electrical conductivity so when we pour

2453

01:34:48,620 --> 01:34:47,249

water out of our taps into our glasses

2454

01:34:50,750 --> 01:34:48,630

there's a certain amount electrical

2455

01:34:53,000 --> 01:34:50,760

conductivity in that through the water

2456

01:34:55,699 --> 01:34:53,010

molecules moving across pipes generates

2457

01:34:57,949 --> 01:34:55,709

us in them our lectures today now they

2458

01:35:03,500 --> 01:34:57,959

believe that the normal tap waters are

2459

01:35:06,919 --> 01:35:03,510

very low is round about 900 or 800 800

2460

01:35:08,160 --> 01:35:06,929

you CSM's the phenomena was that the

2461

01:35:10,740 --> 01:35:08,170

actual ceiling

2462

01:35:13,230 --> 01:35:10,750

water that we managed to capture was off

2463

01:35:16,830 --> 01:35:13,240

the charts the illogical conductivity of

2464

01:35:19,380 --> 01:35:16,840

the water was in the thousands of UCS ms

2465

01:35:21,510 --> 01:35:19,390

we couldn't explain that you couldn't

2466

01:35:24,000 --> 01:35:21,520

explain how that water on the ceiling

2467

01:35:25,590 --> 01:35:24,010

can be that electrically charged now if

2468

01:35:27,360 --> 01:35:25,600

we are dealing with poltergeist

2469

01:35:30,060 --> 01:35:27,370

phenomena and the ability that they have

2470

01:35:32,070 --> 01:35:30,070

of creating forming different types of

2471

01:35:34,290 --> 01:35:32,080

liquid then maybe somehow it's

2472

01:35:36,570 --> 01:35:34,300

electrically driven we don't really know

2473

01:35:38,820 --> 01:35:36,580

but once we got the information I went

2474

01:35:41,160 --> 01:35:38,830

public with it the amount of people that

2475

01:35:42,660 --> 01:35:41,170

contacted us from the worldwide for

2476
01:35:45,360 --> 01:35:42,670
months and months and months we were

2477
01:35:48,300 --> 01:35:45,370
just every single day from Mexico from

2478
01:35:49,860 --> 01:35:48,310
from China for every every single

2479
01:35:51,630 --> 01:35:49,870
country you can well imagine what

2480
01:35:53,970 --> 01:35:51,640
concepts it was regarding the details

2481
01:35:57,420 --> 01:35:53,980
and the data that we'd found regarding

2482
01:35:59,190 --> 01:35:57,430
this this manifestation of water because

2483
01:36:01,260 --> 01:35:59,200
I don't believe that people have really

2484
01:36:03,180 --> 01:36:01,270
had the opportunity of actually being

2485
01:36:04,740 --> 01:36:03,190
there and being able to take a sample I

2486
01:36:06,690 --> 01:36:04,750
know that if you actually read

2487
01:36:09,120 --> 01:36:06,700
poltergeist phenomenon the information

2488
01:36:10,620 --> 01:36:09,130

is around especially on the Internet

2489

01:36:12,780 --> 01:36:10,630

you'll come across the odd case where

2490

01:36:15,030 --> 01:36:12,790

people have said yes and some type of

2491

01:36:17,130 --> 01:36:15,040

blood was found or some type of water or

2492

01:36:18,960 --> 01:36:17,140

oil or plasma all sorts of little things

2493

01:36:20,640 --> 01:36:18,970

have been found in association with

2494

01:36:23,490 --> 01:36:20,650

poltergeists and I but never actually

2495

01:36:25,110 --> 01:36:23,500

been captured and analyzed so we were

2496

01:36:26,820 --> 01:36:25,120

very locate just about it being in the

2497

01:36:28,440 --> 01:36:26,830

right place at the right time and we

2498

01:36:30,000 --> 01:36:28,450

don't have an explanation for it and all

2499

01:36:31,230 --> 01:36:30,010

first water laboratories don't have an

2500

01:36:33,390 --> 01:36:31,240

explanation for it

2501

01:36:34,800 --> 01:36:33,400

and it was completely profound we

2502

01:36:37,200 --> 01:36:34,810

haven't got a clue actually what

2503

01:36:39,150 --> 01:36:37,210

happened to this day we eventually ended

2504

01:36:40,860 --> 01:36:39,160

up having to sit down with the council

2505

01:36:42,930 --> 01:36:40,870

and have the family relocated they

2506

01:36:45,060 --> 01:36:42,940

didn't want to move home but we've had

2507

01:36:46,650 --> 01:36:45,070

to have them gain some peace because

2508

01:36:48,090 --> 01:36:46,660

these incidents were just going on and

2509

01:36:49,950 --> 01:36:48,100

on and they become granny mess from

2510

01:36:52,380 --> 01:36:49,960

there so eventually the family where we

2511

01:36:54,660 --> 01:36:52,390

located and the building was left empty

2512

01:36:57,600 --> 01:36:54,670

for quite some time speaking of giving

2513

01:37:00,000 --> 01:36:57,610

samples and you know I could talk about

2514

01:37:03,630 --> 01:37:00,010

the the Rosedale case for four hours

2515

01:37:05,910 --> 01:37:03,640

just an amazing case but when we were

2516

01:37:07,920 --> 01:37:05,920

there with ghost cases one of the places

2517

01:37:09,480 --> 01:37:07,930

we visited and Steve you mentioned blood

2518

01:37:12,510 --> 01:37:09,490

maybe I'll throw this one over to Dave

2519

01:37:15,510 --> 01:37:12,520

was the white heart hotel in new toxtsa

2520

01:37:17,490 --> 01:37:15,520

right while we were there which was

2521

01:37:19,020 --> 01:37:17,500

supposedly haunted members of your

2522

01:37:22,529 --> 01:37:19,030

investigative team

2523

01:37:25,350 --> 01:37:22,539

found what looked to be blood splatter

2524

01:37:27,330 --> 01:37:25,360

on a shower curtain in was it the demon

2525

01:37:30,600 --> 01:37:27,340

room there were a number of their notes

2526

01:37:33,390 --> 01:37:30,610

it was a it was a room which allegedly

2527

01:37:34,799 --> 01:37:33,400

on some form of paranormal activity

2528

01:37:38,189 --> 01:37:34,809

reported now there the thing with the

2529

01:37:41,160 --> 01:37:38,199

cases call originally we had twenty one

2530

01:37:44,489 --> 01:37:41,170

reported incidents of alleged paranormal

2531

01:37:48,120 --> 01:37:44,499

like activity in the location I think we

2532

01:37:51,779 --> 01:37:48,130

were able to do away with Steve twenty

2533

01:37:53,939 --> 01:37:51,789

of them yes well a lot of them I think

2534

01:37:55,680 --> 01:37:53,949

that most of the reports we were we were

2535

01:37:58,709 --> 01:37:55,690

able to explain we were to do away with

2536

01:38:01,500 --> 01:37:58,719

given yeah I am asking and this

2537

01:38:03,540 --> 01:38:01,510

different aspects of physiology again

2538

01:38:05,250 --> 01:38:03,550

such like a thought experiment

2539

01:38:07,979 --> 01:38:05,260

particularly were monitoring because

2540

01:38:10,379 --> 01:38:07,989

apparently bloodstains were alleged to

2541

01:38:13,049 --> 01:38:10,389

appear on the shower curtain in the

2542

01:38:15,239 --> 01:38:13,059

bathroom and obviously that's why we

2543

01:38:16,979 --> 01:38:15,249

were monitoring it it's one of them does

2544

01:38:19,200 --> 01:38:16,989

it doesn't it I didn't think it did but

2545

01:38:20,489 --> 01:38:19,210

will monitor anyway I was not a case

2546

01:38:22,739 --> 01:38:20,499

manager so I didn't get a choice that

2547

01:38:25,560 --> 01:38:22,749

luckily the case manager decided yes she

2548

01:38:29,160 --> 01:38:25,570

did want to monitor that really not nice

2549

01:38:31,799 --> 01:38:29,170

and there are points bloodstains or red

2550

01:38:33,209 --> 01:38:31,809

specks were found on the colonel

2551

01:38:34,950 --> 01:38:33,219

so Dave I was just sort of sailor I

2552

01:38:36,839 --> 01:38:34,960

think we dig actually managed to confirm

2553

01:38:38,790 --> 01:38:36,849

about the actual stains word blood well

2554

01:38:40,890 --> 01:38:38,800

as eventually yeah we we did say the

2555

01:38:42,270 --> 01:38:40,900

shelter in the way we did say another

2556

01:38:45,450 --> 01:38:42,280

shall occur in the way winners as well

2557

01:38:47,580 --> 01:38:45,460

to see if it was anything fungal we've

2558

01:38:49,020 --> 01:38:47,590

done some CSI work on the show okay and

2559

01:38:50,879 --> 01:38:49,030

I think we were able to ascertain that

2560

01:38:52,529 --> 01:38:50,889

it was some form of blood we're not able

2561

01:38:54,779 --> 01:38:52,539

to have this moment suggestive it's

2562

01:38:56,339 --> 01:38:54,789

human blood or if it's a form of animal

2563

01:38:58,680 --> 01:38:56,349

blood or anything else but we were able

2564

01:39:00,270 --> 01:38:58,690

what we were able to do was close off

2565

01:39:02,580 --> 01:39:00,280

the area we were able to take the shower

2566

01:39:04,620 --> 01:39:02,590

care and away we checked absolutely

2567

01:39:06,000 --> 01:39:04,630

everything that we could within the room

2568

01:39:07,410 --> 01:39:06,010

to see was anything that could have

2569

01:39:09,930 --> 01:39:07,420

caused this effect that it could have

2570

01:39:11,879 --> 01:39:09,940

come I don't know we even look to see

2571

01:39:13,350 --> 01:39:11,889

the bird and struck the window and blood

2572

01:39:16,259 --> 01:39:13,360

for the bird had splattered and through

2573

01:39:17,430 --> 01:39:16,269

the fan through the fire but we don't

2574

01:39:19,709 --> 01:39:17,440

absolutely everything we could we

2575

01:39:21,719 --> 01:39:19,719

possibly could to see what had caused

2576

01:39:24,149 --> 01:39:21,729

this i man to be honest the only thing

2577

01:39:25,950 --> 01:39:24,159

that we could possibly come up with that

2578

01:39:28,350 --> 01:39:25,960

I were it was done purposefully by

2579

01:39:30,780 --> 01:39:28,360

somebody still to this point we there's

2580

01:39:33,060 --> 01:39:30,790

only three people that we couldn't

2581

01:39:35,580 --> 01:39:33,070

or during that period of time when the

2582

01:39:38,280 --> 01:39:35,590

room was left a tampon alone and that

2583

01:39:41,460 --> 01:39:38,290

was mr. Kimble it was myself and it was

2584

01:39:44,340 --> 01:39:41,470

the manager of the hotel who as I say we

2585

01:39:45,690 --> 01:39:44,350

couldn't this is why we can't save her

2586

01:39:48,090 --> 01:39:45,700

said for definitely there was anything

2587

01:39:49,650 --> 01:39:48,100

paranormal or not we don't think it was

2588

01:39:52,170 --> 01:39:49,660

there a start of the investigation

2589

01:39:54,390 --> 01:39:52,180

it definitely appeared during the

2590

01:39:56,610 --> 01:39:54,400

investigation because it has found what

2591

01:40:07,550 --> 01:39:56,620

three people were alone in the building

2592

01:40:12,650 --> 01:40:10,590

I think we could go as far as to say

2593

01:40:15,600 --> 01:40:12,660

that we done some CSI work on it and

2594

01:40:18,030 --> 01:40:15,610

lock down a location and and looked at

2595

01:40:19,590 --> 01:40:18,040

the shower cone in depth as I said it's

2596

01:40:22,530 --> 01:40:19,600

a different type of funguses that may

2597

01:40:24,660 --> 01:40:22,540

appear rad that may grow in moist

2598

01:40:26,400 --> 01:40:24,670

conditions on shellcodes in the UK and

2599

01:40:28,560 --> 01:40:26,410

we've done some tests with an obese

2600

01:40:30,210 --> 01:40:28,570

child parent as well and at this moment

2601

01:40:32,310 --> 01:40:30,220

I think we definitely have obtained that

2602

01:40:34,650 --> 01:40:32,320

it was some form of blood it was a weird

2603

01:40:36,480 --> 01:40:34,660

case because again you can

2604

01:40:38,880 --> 01:40:36,490

compartmentalize everything that

2605

01:40:39,810 --> 01:40:38,890

happened that night and I know whenever

2606

01:40:41,640 --> 01:40:39,820

you deal with something like this

2607

01:40:43,110 --> 01:40:41,650

there's always the possibility that it's

2608

01:40:45,900 --> 01:40:43,120

a hoax that somebody's putting one over

2609

01:40:47,520 --> 01:40:45,910

on you so as you said you've narrowed it

2610

01:40:50,550 --> 01:40:47,530

down to it's either something genuinely

2611

01:40:53,280 --> 01:40:50,560

weird or one of three people and I can

2612

01:40:55,200 --> 01:40:53,290

guarantee it wasn't me and I'm guarantee

2613

01:40:58,600 --> 01:40:55,210

welcome a so we know who the one

2614

01:41:04,389 --> 01:41:00,959

[Music]

2615

01:41:06,939 --> 01:41:04,399

for 58 years fate has provided true

2616

01:41:09,310 --> 01:41:06,949

reports of the strange and unknown fate

2617

01:41:11,169 --> 01:41:09,320

brings you the latest in all aspects of

2618

01:41:14,739 --> 01:41:11,179

the paranormal like angels and miracles

2619

01:41:17,169 --> 01:41:14,749

psychic phenomena ghosts UFOs and much

2620

01:41:20,080 --> 01:41:17,179

much more to receive your complimentary

2621

01:41:23,620 --> 01:41:20,090

fate magazine call now at one eight

2622

01:41:33,330 --> 01:41:23,630

hundred seven two eight two seven three

2623

01:41:33,340 --> 01:41:43,510

www.wku.edu/oucampus

2624

01:41:55,590 --> 01:41:49,920

[Music]

2625

01:41:58,959 --> 01:41:55,600

[Applause]

2626

01:42:02,140 --> 01:41:58,969

Dave Sadler and stephen maryk joining us

2627

01:42:04,270 --> 01:42:02,150

UK paranormal investigators associated

2628

01:42:06,700 --> 01:42:04,280

with the unknown phenomena investigation

2629

01:42:09,220 --> 01:42:06,710

association now this particular instance

2630

01:42:11,470 --> 01:42:09,230

is as weird as it gets for you are there

2631

01:42:13,209 --> 01:42:11,480

other cases that maybe are even stranger

2632

01:42:16,180 --> 01:42:13,219

we don't have much time left but maybe

2633

01:42:18,670 --> 01:42:16,190

we can cover a few yeah I'd be involved

2634

01:42:20,830 --> 01:42:18,680

I mean the planning blood or the shower

2635

01:42:22,000 --> 01:42:20,840

curtain yeah I could understand but we

2636

01:42:23,979 --> 01:42:22,010

have full control over the environment

2637

01:42:26,470 --> 01:42:23,989

and we don't have all the people in

2638

01:42:27,970 --> 01:42:26,480

there and certain things happen like

2639

01:42:29,290 --> 01:42:27,980

we've had a rough start then yeah we

2640

01:42:31,330 --> 01:42:29,300

could certainly will allow a lot of

2641

01:42:32,860 --> 01:42:31,340

things such as hopes and fates I mean

2642

01:42:34,600 --> 01:42:32,870

the other politic guys related case I

2643

01:42:37,090 --> 01:42:34,610

was involved with was a placement

2644

01:42:39,370 --> 01:42:37,100

stockport he emerging where family were

2645

01:42:41,439 --> 01:42:39,380

being played by poltergeist had 72 twin

2646

01:42:42,100 --> 01:42:41,449

girls one of them has been pushed down

2647

01:42:44,380 --> 01:42:42,110

the stairs

2648

01:42:45,939 --> 01:42:44,390

but she felt hands on the back of her

2649

01:42:48,820 --> 01:42:45,949

pushed her down the stairs she ended up

2650

01:42:50,530 --> 01:42:48,830

breaking her ankle and the radio would

2651
01:42:52,540 --> 01:42:50,540
switch itself on the girls were being

2652
01:42:55,780 --> 01:42:52,550
touched on the hands and on the behinds

2653
01:42:58,000 --> 01:42:55,790
and on one particular occasion the

2654
01:43:00,790 --> 01:42:58,010
lounge door slam so hard that he put a

2655
01:43:03,370 --> 01:43:00,800
22 I measured it just over 26 inches

2656
01:43:05,320 --> 01:43:03,380
cracked down the center of the door he

2657
01:43:07,540 --> 01:43:05,330
was bellowed in a sense of speaking it

2658
01:43:09,550 --> 01:43:07,550
being slammed by hard now I couldn't do

2659
01:43:11,830 --> 01:43:09,560
that you know I don't think I've got

2660
01:43:14,290 --> 01:43:11,840
physically slamming down hard enough to

2661
01:43:16,540 --> 01:43:14,300
crack a solid wood door down the center

2662
01:43:18,729 --> 01:43:16,550
of it light balls would pop out of the

2663
01:43:20,590 --> 01:43:18,739

holders of fly across the room they had

2664

01:43:22,390 --> 01:43:20,600

a pad dog which was always being

2665

01:43:24,670 --> 01:43:22,400

tormented for some news and the doorbell

2666

01:43:26,740 --> 01:43:24,680

would ring on one particular occasion as

2667

01:43:28,689 --> 01:43:26,750

things got worse the family ended or

2668

01:43:31,150 --> 01:43:28,699

barricaded themselves in their bedroom

2669

01:43:32,979 --> 01:43:31,160

with their mother at seven o'clock in

2670

01:43:34,630 --> 01:43:32,989

the evening every night because they

2671

01:43:36,310 --> 01:43:34,640

knew when darkness fell things always

2672

01:43:37,720 --> 01:43:36,320

got worse and whilst we were on the

2673

01:43:40,150 --> 01:43:37,730

investigation things were definitely

2674

01:43:41,890 --> 01:43:40,160

getting worse and the girls ended up

2675

01:43:44,560 --> 01:43:41,900

waking up with scratch marks on the legs

2676

01:43:45,939 --> 01:43:44,570

on this one particular incident one

2677

01:43:47,260 --> 01:43:45,949

particular and I ended up with a phone

2678

01:43:48,760 --> 01:43:47,270

call around about the early hours of

2679

01:43:50,979 --> 01:43:48,770

morning 3:15 in the morning or something

2680

01:43:52,959 --> 01:43:50,989

the mother's screaming and crying down

2681

01:43:54,490 --> 01:43:52,969

the phone for us to get there as soon as

2682

01:43:56,560 --> 01:43:54,500

we possibly could ended up game that's

2683

01:43:58,870 --> 01:43:56,570

about 4 o'clock in the morning they

2684

01:44:00,970 --> 01:43:58,880

hanging out handing out the bedroom

2685

01:44:02,740 --> 01:44:00,980

window is trying to constant combat open

2686

01:44:04,600 --> 01:44:02,750

the front door it's only got 15 minutes

2687

01:44:06,069 --> 01:44:04,610

to get them to come and open the front

2688

01:44:08,410 --> 01:44:06,079

door because they were that scared

2689

01:44:10,750 --> 01:44:08,420

of coming out their bedroom anyway

2690

01:44:12,280 --> 01:44:10,760

eventually we did sell and I'm on their

2691

01:44:14,109 --> 01:44:12,290

way down every single way in the house

2692

01:44:15,490 --> 01:44:14,119

was finished planning the process and

2693

01:44:17,109 --> 01:44:15,500

the managed to get himself from the

2694

01:44:18,520 --> 01:44:17,119

front door and or what tried to ask them

2695

01:44:21,490 --> 01:44:18,530

what happened but the mullet was flung

2696

01:44:22,990 --> 01:44:21,500

around around the room crane and she was

2697

01:44:25,510 --> 01:44:23,000

a hell of a state what happened was a

2698

01:44:27,220 --> 01:44:25,520

apparently that evening the doc was

2699

01:44:29,979 --> 01:44:27,230

crying downstairs so they let the dog

2700

01:44:31,540 --> 01:44:29,989

off but the dog didn't want to go up in

2701

01:44:33,490 --> 01:44:31,550

fact he did the dark the dog which was

2702

01:44:35,830 --> 01:44:33,500

of small Scottish wonderful white area

2703

01:44:36,760 --> 01:44:35,840

would become vicious to the poem by your

2704

01:44:38,350 --> 01:44:36,770

hand

2705

01:44:40,120 --> 01:44:38,360

it was never known to be a vicious dog

2706

01:44:42,250 --> 01:44:40,130

but just did not want to go in their

2707

01:44:44,439 --> 01:44:42,260

bedroom upstairs so the one that decided

2708

01:44:46,299 --> 01:44:44,449

to let the dog go back downstairs now

2709

01:44:47,740 --> 01:44:46,309

she entered gone down the staircase she

2710

01:44:49,450 --> 01:44:47,750

got to the lounge door and realized that

2711

01:44:50,229 --> 01:44:49,460

the driver's door was open when she left

2712

01:44:52,780 --> 01:44:50,239

he closed

2713

01:44:54,549 --> 01:44:52,790

she needs to in turn the actual light

2714

01:44:56,530 --> 01:44:54,559

switch on at that point the light bulb

2715

01:44:57,910 --> 01:44:56,540

jumped out a hick went flying across the

2716

01:45:00,850 --> 01:44:57,920

room she panicked she dropped the dog

2717

01:45:03,520 --> 01:45:00,860

and she ran upstairs and joined that

2718

01:45:05,109 --> 01:45:03,530

night I was around about one o'clock in

2719

01:45:07,089 --> 01:45:05,119

the morning two o'clock in the morning I

2720

01:45:08,709 --> 01:45:07,099

think that it was a necessity for the

2721

01:45:10,270 --> 01:45:08,719

girls to have to go to the bathroom so

2722

01:45:12,250 --> 01:45:10,280

they decided to go along with them

2723

01:45:14,620 --> 01:45:12,260

although and all had to the bathroom

2724

01:45:16,959 --> 01:45:14,630

together at that point this is an into a

2725

01:45:19,030 --> 01:45:16,969

place they heard this thumping sound and

2726

01:45:21,819 --> 01:45:19,040

they looked down the staircase and they

2727

01:45:25,000 --> 01:45:21,829

saw an apparition of a Lisa six of seven

2728

01:45:28,089 --> 01:45:25,010

foot apparition in a dark shape with no

2729

01:45:29,709 --> 01:45:28,099

extremities no fingers no no lay and it

2730

01:45:31,419 --> 01:45:29,719

had legs but it didn't have feet and it

2731

01:45:32,979 --> 01:45:31,429

didn't have hands as it Ward's off the

2732

01:45:35,049 --> 01:45:32,989

stairs it stamped its way up the

2733

01:45:36,520 --> 01:45:35,059

staircase well I don't know how they

2734

01:45:38,530 --> 01:45:36,530

managed to listing ran bats a lot from

2735

01:45:40,089 --> 01:45:38,540

bedroom and the Baloch ADA themselves

2736

01:45:43,120 --> 01:45:40,099

and it moved a double bed and a wardrobe

2737

01:45:44,589 --> 01:45:43,130

and a table and I tried to move that

2738

01:45:47,020 --> 01:45:44,599

wardrobe and I couldn't move it and I'm

2739

01:45:48,819 --> 01:45:47,030

a big guy but they managed to fling this

2740

01:45:49,770 --> 01:45:48,829

off against and barricade themselves in

2741

01:45:52,419 --> 01:45:49,780

on this door

2742

01:45:53,799 --> 01:45:52,429

within seconds thinking that this thing

2743

01:45:55,030 --> 01:45:53,809

was going to bust through the through

2744

01:45:56,709 --> 01:45:55,040

the bedroom door and it was at that

2745

01:45:58,209 --> 01:45:56,719

point I got this phone call

2746

01:46:00,280 --> 01:45:58,219

the unfortunate thing is is that seems

2747

01:46:02,020 --> 01:46:00,290

did escalate to the point where the gas

2748

01:46:04,060 --> 01:46:02,030

was being switched on on the gas fire

2749

01:46:06,459 --> 01:46:04,070

and on the cooking we ended up having to

2750

01:46:08,709 --> 01:46:06,469

port carpet tape on the cooker knobs on

2751
01:46:10,000 --> 01:46:08,719
the gas fire because the gas kept being

2752
01:46:11,919 --> 01:46:10,010
switched on this was getting very

2753
01:46:14,020 --> 01:46:11,929
dangerous we thought about having the

2754
01:46:15,939 --> 01:46:14,030
family relocated for a short length of

2755
01:46:17,040 --> 01:46:15,949
time we ended up having to turn to the

2756
01:46:18,660 --> 01:46:17,050
church

2757
01:46:21,030 --> 01:46:18,670
excellent job they did now I've never

2758
01:46:22,950 --> 01:46:21,040
been a big believer in in the church and

2759
01:46:25,080 --> 01:46:22,960
their capabilities of helping

2760
01:46:26,490 --> 01:46:25,090
individuals and blessings I think

2761
01:46:28,530 --> 01:46:26,500
Bologna and one about twelve percent of

2762
01:46:30,480 --> 01:46:28,540
them attend to be successful but

2763
01:46:32,280 --> 01:46:30,490

wherever they did and they came in and

2764

01:46:33,960 --> 01:46:32,290

they did their thing their blessing or

2765

01:46:36,360 --> 01:46:33,970

whatever it was whilst investigators

2766

01:46:38,250 --> 01:46:36,370

there whatever happened seemed to work

2767

01:46:40,170 --> 01:46:38,260

because since that they do not have a

2768

01:46:42,570 --> 01:46:40,180

single episode ever take place and that

2769

01:46:44,550 --> 01:46:42,580

is just profound in itself the family

2770

01:46:46,410 --> 01:46:44,560

are quite happy we see Christmas cards

2771

01:46:48,390 --> 01:46:46,420

every year often do big dedicated

2772

01:46:52,200 --> 01:46:48,400

allowed to thanking me really in a sense

2773

01:46:54,600 --> 01:46:52,210

for you know disappeared around and

2774

01:46:56,640 --> 01:46:54,610

again was a very very scary profound

2775

01:47:00,090 --> 01:46:56,650

phenomena so you've been involved Steve

2776

01:47:02,640 --> 01:47:00,100

with two poltergeist case that yep you

2777

01:47:04,890 --> 01:47:02,650

know not only scary but potentially

2778

01:47:07,110 --> 01:47:04,900

quite dangerous which indicates it may

2779

01:47:09,690 --> 01:47:07,120

be you know there's a dark side if you

2780

01:47:12,330 --> 01:47:09,700

will to the paranormal or at least it's

2781

01:47:15,060 --> 01:47:12,340

not a purposefully dark side a very

2782

01:47:16,680 --> 01:47:15,070

dangerous side which the last sort of

2783

01:47:19,410 --> 01:47:16,690

thing I like to talk about quickly is

2784

01:47:21,390 --> 01:47:19,420

the line and Swann case which we

2785

01:47:23,400 --> 01:47:21,400

investigated when we were there and in

2786

01:47:25,470 --> 01:47:23,410

particular the one thing which still

2787

01:47:27,690 --> 01:47:25,480

resonates with me almost a year later

2788

01:47:29,310 --> 01:47:27,700

there was a painting you know it's not

2789

01:47:32,550 --> 01:47:29,320

like a van Gogh or something or when

2790

01:47:34,140 --> 01:47:32,560

Renoir writes it's sort of a cheap 70s

2791

01:47:36,270 --> 01:47:34,150

kind of knockoff sort of thing of a

2792

01:47:39,330 --> 01:47:36,280

woman with them with one of her breasts

2793

01:47:42,030 --> 01:47:39,340

exposed I don't provide these things but

2794

01:47:43,140 --> 01:47:42,040

there it is we're getting kind of kind

2795

01:47:44,940 --> 01:47:43,150

of raunchy here folks

2796

01:47:46,770 --> 01:47:44,950

let's not discuss such things I'm

2797

01:47:48,690 --> 01:47:46,780

kidding that's that's what the painting

2798

01:47:50,610 --> 01:47:48,700

is we actually had to not black it up

2799

01:47:54,810 --> 01:47:50,620

you know sort of fade out the exposed

2800

01:47:56,880 --> 01:47:54,820

area of the woman and family TV there

2801

01:47:59,550 --> 01:47:56,890

too yes

2802

01:48:01,260 --> 01:47:59,560

but the legend of the painting is Dave

2803

01:48:02,730 --> 01:48:01,270

correct me if I'm wrong that if you

2804

01:48:05,610 --> 01:48:02,740

touch the painting if you move the

2805

01:48:08,070 --> 01:48:05,620

painting then somebody will die I

2806

01:48:09,690 --> 01:48:08,080

believe that's what we what was reported

2807

01:48:12,540 --> 01:48:09,700

it Dave knows a little bit more about

2808

01:48:14,820 --> 01:48:12,550

the in-depth researcher found out the

2809

01:48:17,010 --> 01:48:14,830

Lightning swamp yeah what was the legend

2810

01:48:19,410 --> 01:48:17,020

on that painting yeah the legend is that

2811

01:48:23,160 --> 01:48:19,420

nobody will move this picture we see

2812

01:48:25,830 --> 01:48:23,170

over in the past people who have liba so

2813

01:48:27,870 --> 01:48:25,840

the picture has become a all themselves

2814

01:48:29,050 --> 01:48:27,880

or family members or friends have become

2815

01:48:32,230 --> 01:48:29,060

a lon

2816

01:48:35,890 --> 01:48:32,240

in some occasion modern ones passed away

2817

01:48:38,080 --> 01:48:35,900

again legend folklore mythology or is it

2818

01:48:40,810 --> 01:48:38,090

there's the weird thing because being

2819

01:48:42,730 --> 01:48:40,820

the dumb idiot that I am you know so the

2820

01:48:43,900 --> 01:48:42,740

snarky skeptic what date you and I were

2821

01:48:45,550 --> 01:48:43,910

sitting in the basement Dave and I

2822

01:48:47,860 --> 01:48:45,560

reached over of course and I moved the

2823

01:48:51,280 --> 01:48:47,870

painting well I sleep oh we the papers

2824

01:48:53,440 --> 01:48:51,290

bound to say you've done theirs to see

2825

01:48:55,000 --> 01:48:53,450

which one of us were doing we lost so I

2826

01:48:56,590 --> 01:48:55,010

moved the painting and you know we joked

2827

01:48:58,870 --> 01:48:56,600

about it it's in the television episode

2828

01:48:59,860 --> 01:48:58,880

Dave and I had a good laugh and there

2829

01:49:02,200 --> 01:48:59,870

were five of us on the investigation

2830

01:49:03,970 --> 01:49:02,210

that night you're talking to three of

2831

01:49:05,730 --> 01:49:03,980

them now Holly was one of the other ones

2832

01:49:08,470 --> 01:49:05,740

and there was a member of the UPI a

2833

01:49:10,750 --> 01:49:08,480

another member who we won't name because

2834

01:49:12,700 --> 01:49:10,760

I told him we wouldn't but he was on the

2835

01:49:15,010 --> 01:49:12,710

investigation as well and you guys

2836

01:49:17,140 --> 01:49:15,020

showed up the next day because we were

2837

01:49:18,340 --> 01:49:17,150

off to another site we were expecting he

2838

01:49:20,020 --> 01:49:18,350

was gonna be there too I think with

2839

01:49:22,030 --> 01:49:20,030

shock like we were going to and he

2840

01:49:23,020 --> 01:49:22,040

wasn't there and we we asked why you

2841

01:49:24,730 --> 01:49:23,030

know why is he here

2842

01:49:28,180 --> 01:49:24,740

and why wasn't he there Dave

2843

01:49:30,700 --> 01:49:28,190

unfortunately and you know it's still a

2844

01:49:32,320 --> 01:49:30,710

subject this day and you know with my

2845

01:49:34,090 --> 01:49:32,330

heart goes out to him his father passed

2846

01:49:35,530 --> 01:49:34,100

away they denied that the picture was

2847

01:49:39,700 --> 01:49:35,540

moved yeah same here

2848

01:49:44,350 --> 01:49:39,710

um big coincidence or not it would still

2849

01:49:46,090 --> 01:49:44,360

I know most of my inclination is say

2850

01:49:48,160 --> 01:49:46,100

well of course it's a horrible tragic

2851

01:49:52,180 --> 01:49:48,170

coincidence but you know on the other

2852

01:49:55,180 --> 01:49:52,190

hand it's a pretty it's a pretty strange

2853

01:49:57,490 --> 01:49:55,190

coincidence given the story and what we

2854

01:49:59,650 --> 01:49:57,500

did that night and then to just have

2855

01:50:01,300 --> 01:49:59,660

that happen I mean I'm sure things

2856

01:50:02,770 --> 01:50:01,310

happen but eventually you run into

2857

01:50:05,530 --> 01:50:02,780

enough coincidences when you do these

2858

01:50:08,040 --> 01:50:05,540

kinds of things that coincidences stop

2859

01:50:10,960 --> 01:50:08,050

being an explanation that makes sense

2860

01:50:13,240 --> 01:50:10,970

yeah you know it comes back to somebody

2861

01:50:14,710 --> 01:50:13,250

said to me once a friend in the United

2862

01:50:16,150 --> 01:50:14,720

States said to me once that when you get

2863

01:50:17,560 --> 01:50:16,160

involved in this kind of stuff and I

2864

01:50:21,190 --> 01:50:17,570

guess the last question maybe I'd leave

2865

01:50:22,540 --> 01:50:21,200

you guys with is he said to me then when

2866

01:50:24,130 --> 01:50:22,550

you get involved with this kind of stuff

2867

01:50:25,330 --> 01:50:24,140

you're probably in over your head no

2868

01:50:27,250 --> 01:50:25,340

matter how smart you are and we're all

2869

01:50:28,600 --> 01:50:27,260

smart guys but no matter how smart you

2870

01:50:30,370 --> 01:50:28,610

are or how smart you think you are or

2871

01:50:32,260 --> 01:50:30,380

what you know you might be dealing with

2872

01:50:33,850 --> 01:50:32,270

things that are beyond whatever

2873

01:50:35,710 --> 01:50:33,860

knowledge face we have beyond our

2874

01:50:37,270 --> 01:50:35,720

ability to control question I'd ask you

2875

01:50:38,720 --> 01:50:37,280

guys is do you ever feel because I

2876

01:50:40,730 --> 01:50:38,730

certainly felt that way after the

2877

01:50:43,250 --> 01:50:40,740

the line in Swan with the painting and

2878

01:50:44,930 --> 01:50:43,260

the death and in shock like - and in

2879

01:50:46,190 --> 01:50:44,940

other places that I went during the

2880

01:50:48,110 --> 01:50:46,200

course of this series do you guys ever

2881

01:50:50,180 --> 01:50:48,120

feel that way Steve when you deal with

2882

01:50:52,100 --> 01:50:50,190

the poltergeist stuff Dave when you have

2883

01:50:53,180 --> 01:50:52,110

the time slip what what does this all

2884

01:50:56,060 --> 01:50:53,190

mean to you what have your experiences

2885

01:50:57,380 --> 01:50:56,070

brought to you do you feel like you know

2886

01:50:59,570 --> 01:50:57,390

that's something that's beyond your

2887

01:51:02,090 --> 01:50:59,580

control does it scare you what's your

2888

01:51:03,830 --> 01:51:02,100

song what's our take away from this to

2889

01:51:06,200 --> 01:51:03,840

me I mean I would introduce poltergeist

2890

01:51:09,260 --> 01:51:06,210

phenomena just randomly through a news

2891

01:51:11,720 --> 01:51:09,270

item but introducing some generator

2892

01:51:13,640 --> 01:51:11,730

didn't expect to I thought a lot of it

2893

01:51:15,680 --> 01:51:13,650

was you know do a rational explanations

2894

01:51:17,540 --> 01:51:15,690

and things but it certainly proved to me

2895

01:51:20,350 --> 01:51:17,550

that since in 1995 and I've had that

2896

01:51:23,720 --> 01:51:20,360

experience I really have delved into

2897

01:51:26,780 --> 01:51:23,730

parapsychology and further and and today

2898

01:51:28,990 --> 01:51:26,790

I'm still trying to work out how these

2899

01:51:31,730 --> 01:51:29,000

experiences can happen without

2900

01:51:33,680 --> 01:51:31,740

unfortunately very good answers

2901

01:51:35,660 --> 01:51:33,690

unfortunately and I think if we're going

2902

01:51:36,800 --> 01:51:35,670

to advance this subject because as you

2903

01:51:39,320 --> 01:51:36,810

know you know psychology and

2904

01:51:40,880 --> 01:51:39,330

parapsychology is very static it doesn't

2905

01:51:42,500 --> 01:51:40,890

seem to move along very quickly not on

2906

01:51:44,570 --> 01:51:42,510

new material doesn't come forward very

2907

01:51:46,940 --> 01:51:44,580

often and I think we do need to start

2908

01:51:49,070 --> 01:51:46,950

looking at that aspects of science in a

2909

01:51:51,290 --> 01:51:49,080

different way and maybe doing these

2910

01:51:53,210 --> 01:51:51,300

things in a different way because we've

2911

01:51:55,580 --> 01:51:53,220

certainly exhausted we must have

2912

01:51:57,170 --> 01:51:55,590

exhausted the normal ways we investigate

2913

01:51:58,910 --> 01:51:57,180

and research this type of number because

2914

01:52:01,670 --> 01:51:58,920

of the lessons we've been involved in it

2915

01:52:04,040 --> 01:52:01,680

so we are thinking for me I mean it says

2916

01:52:07,790 --> 01:52:04,050

changed my life and I think that the

2917

01:52:10,160 --> 01:52:07,800

reason why I put myself into 100% now is

2918

01:52:11,780 --> 01:52:10,170

because I'm experiencing firsthand about

2919

01:52:13,370 --> 01:52:11,790

the universe that experiences have been

2920

01:52:14,870 --> 01:52:13,380

in the right place at the right time and

2921

01:52:16,790 --> 01:52:14,880

if I need to do experience those things

2922

01:52:19,000 --> 01:52:16,800

I think that you will start asking

2923

01:52:21,710 --> 01:52:19,010

questions especially about your own

2924

01:52:23,690 --> 01:52:21,720

experiences as well so I'm forgetting I

2925

01:52:25,880 --> 01:52:23,700

mean like dos mentioned there has been a

2926

01:52:27,890 --> 01:52:25,890

couple of times when he has sometimes

2927

01:52:31,460 --> 01:52:27,900

refused to accept the fact I could be a

2928

01:52:32,990 --> 01:52:31,470

paranormal experience and and sometimes

2929

01:52:34,580 --> 01:52:33,000

I say well there is paranormal if you

2930

01:52:36,470 --> 01:52:34,590

don't know you if you kind of explain it

2931

01:52:38,480 --> 01:52:36,480

you know if all rational explanation is

2932

01:52:40,820 --> 01:52:38,490

gone then he actually order is the only

2933

01:52:43,160 --> 01:52:40,830

plausible approach and sometimes it's

2934

01:52:44,360 --> 01:52:43,170

hard to accept that

2935

01:52:45,920 --> 01:52:44,370

you know because you don't really know

2936

01:52:47,650 --> 01:52:45,930

what the paranormal should really

2937

01:52:49,870 --> 01:52:47,660

consist of guys

2938

01:52:52,930 --> 01:52:49,880

we just are getting near the rap of this

2939

01:52:54,910 --> 01:52:52,940

thing here now obviously we're not going

2940

01:52:56,350 --> 01:52:54,920

to solve all the paranormal mysteries on

2941

01:53:00,220 --> 01:52:56,360

the show at least this particular

2942

01:53:03,430 --> 01:53:00,230

episode oh I hope we could but let me

2943

01:53:05,560 --> 01:53:03,440

ask you separately here Steve what do

2944

01:53:07,540 --> 01:53:05,570

you think we take away from this is this

2945

01:53:09,070 --> 01:53:07,550

something we'll ever get solved I think

2946

01:53:11,470 --> 01:53:09,080

the only way we're going to ever solve

2947

01:53:13,390 --> 01:53:11,480

it is when we start changing the ways

2948

01:53:16,390 --> 01:53:13,400

and the methods we investigate and

2949

01:53:18,910 --> 01:53:16,400

research this because unfortunately is

2950

01:53:21,070 --> 01:53:18,920

to do things in a scientific manner we

2951
01:53:22,630 --> 01:53:21,080
restrain ourselves from from doing all

2952
01:53:24,820 --> 01:53:22,640
the things which might be necessary

2953
01:53:28,150 --> 01:53:24,830
force to get answers okay love you Dave

2954
01:53:30,070 --> 01:53:28,160
a subject itself in the UK I mean not

2955
01:53:32,590 --> 01:53:30,080
that directly involves me in the UK at

2956
01:53:34,630 --> 01:53:32,600
the moment if so why did Bain did it it

2957
01:53:37,060 --> 01:53:34,640
just needs to be drawn back in a little

2958
01:53:39,790 --> 01:53:37,070
bit and people need to be reminded it's

2959
01:53:42,340 --> 01:53:39,800
not all hey let's go out on our spooky

2960
01:53:44,770 --> 01:53:42,350
night you know research does needs to be

2961
01:53:47,050 --> 01:53:44,780
done to to take the subject forward I

2962
01:53:49,480 --> 01:53:47,060
don't think we're we in our lifetime are

2963
01:53:51,550 --> 01:53:49,490

going to be able to explain most of the

2964

01:53:54,040 --> 01:53:51,560

things that take place I would like to

2965

01:53:56,380 --> 01:53:54,050

but I just don't think it's very likely

2966

01:53:58,630 --> 01:53:56,390

at all I mean it could be a possibility

2967

01:54:00,760 --> 01:53:58,640

that if we were able to explain the

2968

01:54:02,290 --> 01:54:00,770

paranormal we could be the people they

2969

01:54:04,180 --> 01:54:02,300

were actually bringing down religion at

2970

01:54:06,280 --> 01:54:04,190

the same time and that's something I

2971

01:54:10,260 --> 01:54:06,290

wouldn't want to really do because I

2972

01:54:13,150 --> 01:54:10,270

would get like a student beaten up sewer

2973

01:54:15,340 --> 01:54:13,160

are we even meant to resolve all these

2974

01:54:17,470 --> 01:54:15,350

mysteries or Final Solution were well on

2975

01:54:21,880 --> 01:54:17,480

everything one mystery finding one

2976
01:54:24,100 --> 01:54:21,890
solution take us to another mystery the

2977
01:54:27,280 --> 01:54:24,110
best case for us to say that is is the

2978
01:54:28,420 --> 01:54:27,290
wire heart a new toxin - I mentioned

2979
01:54:30,540 --> 01:54:28,430
before about all the different things

2980
01:54:34,060 --> 01:54:30,550
that were reported and we were able to

2981
01:54:35,650 --> 01:54:34,070
discount unfortunately we found more

2982
01:54:37,330 --> 01:54:35,660
questions that need resolving and we

2983
01:54:39,310 --> 01:54:37,340
need to spend a lot more time at the

2984
01:54:41,500 --> 01:54:39,320
location because the amount of things

2985
01:54:43,570 --> 01:54:41,510
that we've come up with unfortunately or

2986
01:54:45,220 --> 01:54:43,580
fortunately the case maybe does it all

2987
01:54:47,200 --> 01:54:45,230
come down to a personal thing at the end

2988
01:54:49,720 --> 01:54:47,210

of the day Steve is it maybe the

2989

01:54:52,990 --> 01:54:49,730

paranormal is just mono e mono us versus

2990

01:54:54,550 --> 01:54:53,000

whatever it is in each depends on how

2991

01:54:56,260 --> 01:54:54,560

you want to perceive the paranormal I

2992

01:54:58,120 --> 01:54:56,270

mean most people perceive that some type

2993

01:54:59,860 --> 01:54:58,130

of interaction is with you cells you

2994

01:55:01,990 --> 01:54:59,870

know they you go along

2995

01:55:03,460 --> 01:55:02,000

normal life and you may experience some

2996

01:55:05,920 --> 01:55:03,470

things which just don't fall into our

2997

01:55:08,050 --> 01:55:05,930

normal you know normality so you end up

2998

01:55:09,820 --> 01:55:08,060

being paranormal however though there

2999

01:55:11,590 --> 01:55:09,830

are lots of other new theories which are

3000

01:55:14,110 --> 01:55:11,600

out there and one of the latest ones is

3001
01:55:16,360 --> 01:55:14,120
that paranormal phenomena is some type

3002
01:55:18,520 --> 01:55:16,370
of energy affects the mind and the brain

3003
01:55:21,160 --> 01:55:18,530
into believing that you're having an

3004
01:55:22,780 --> 01:55:21,170
experience now that's a whole new bomb

3005
01:55:25,180 --> 01:55:22,790
came nearly we're talking about they're

3006
01:55:27,340 --> 01:55:25,190
talking about how certain energy is

3007
01:55:28,690 --> 01:55:27,350
called cause you to believe that you

3008
01:55:30,820 --> 01:55:28,700
have those experiences because at the

3009
01:55:32,410 --> 01:55:30,830
end of the day your brain is everything

3010
01:55:34,060 --> 01:55:32,420
we experience in life touch feel smell

3011
01:55:36,790 --> 01:55:34,070
and everything is all massive electrical

3012
01:55:39,160 --> 01:55:36,800
impulses and if something can generate a

3013
01:55:41,380 --> 01:55:39,170

certain amount of some form of unknown

3014

01:55:42,970 --> 01:55:41,390

energy that can somehow adversely affect

3015

01:55:45,940 --> 01:55:42,980

the mind and the brain into thinking

3016

01:55:47,200 --> 01:55:45,950

it's having those experiences then maybe

3017

01:55:49,090 --> 01:55:47,210

that's another avenue we need to

3018

01:55:51,280 --> 01:55:49,100

approach we'll have to look at that let

3019

01:55:52,750 --> 01:55:51,290

me ask you guys separately to tell us

3020

01:55:55,570 --> 01:55:52,760

about the books and where to get a copy

3021

01:55:58,060 --> 01:55:55,580

Dave paranormal reality ghosts UFOs and

3022

01:55:59,950 --> 01:55:58,070

Pussycats can we find a copy in the US

3023

01:56:03,220 --> 01:55:59,960

what's it fundamentally about you say

3024

01:56:05,650 --> 01:56:03,230

only can the book itself is most not

3025

01:56:07,300 --> 01:56:05,660

dissimilar to speeds it's look in the

3026

01:56:10,360 --> 01:56:07,310

cases that I've been involved in over

3027

01:56:11,560 --> 01:56:10,370

the past 13 14 years some of them I bet

3028

01:56:13,840 --> 01:56:11,570

light-hearted some of them quite

3029

01:56:17,380 --> 01:56:13,850

in-depth looking at some of the hoaxes

3030

01:56:26,550 --> 01:56:17,390

that we've been privy to and you can

3031

01:56:36,550 --> 01:56:33,550

purchase a kit directly to live Calm

3032

01:56:40,930 --> 01:56:36,560

it's available don't know we is in US

3033

01:56:42,610 --> 01:56:40,940

dollars it's 495 in UK pounds and it's

3034

01:56:44,290 --> 01:56:42,620

posted in parking on top of that well

3035

01:56:46,180 --> 01:56:44,300

I'm sure if you buy - please book at the

3036

01:56:48,670 --> 01:56:46,190

same time the price of postage of

3037

01:56:51,430 --> 01:56:48,680

parking all come right down and you're

3038

01:56:53,650 --> 01:56:51,440

getting double the pleasure Steve like

3039

01:56:55,630 --> 01:56:53,660

strange happenings memoirs of a

3040

01:56:57,760 --> 01:56:55,640

paranormal investigator I guess that's

3041

01:56:59,140 --> 01:56:57,770

gonna have almost like a book 1 right it

3042

01:57:01,030 --> 01:56:59,150

is actually because I am actually

3043

01:57:03,040 --> 01:57:01,040

working on the second book he's kind of

3044

01:57:03,870 --> 01:57:03,050

going in 10 years episodes actually at

3045

01:57:05,700 --> 01:57:03,880

the moment

3046

01:57:07,260 --> 01:57:05,710

what I've done is I've taken me I mean

3047

01:57:09,480 --> 01:57:07,270

I've been involved in so many cases over

3048

01:57:12,570 --> 01:57:09,490

the years or the first book consists of

3049

01:57:14,190 --> 01:57:12,580

about 22 of the best investigations I

3050

01:57:16,260 --> 01:57:14,200

was involved in the middle first ten

3051
01:57:18,540 --> 01:57:16,270
years of investigating and researching

3052
01:57:20,990 --> 01:57:18,550
this phenomena it's a little bit more of

3053
01:57:23,610 --> 01:57:21,000
the scientific stance on on that book

3054
01:57:25,980 --> 01:57:23,620
regarding the research and what was

3055
01:57:27,510 --> 01:57:25,990
undertaken to come to the conclusions

3056
01:57:29,970 --> 01:57:27,520
Brigade the book he's a lot about

3057
01:57:32,730 --> 01:57:29,980
syndromes 24 pages it's a little bit a

3058
01:57:36,030 --> 01:57:32,740
little bit larger and the price all on

3059
01:57:38,790 --> 01:57:36,040
that particular book use its powers 95

3060
01:57:40,470 --> 01:57:38,800
in British perils well because I'll be in

3061
01:57:44,510 --> 01:57:40,480
about the same place as I could same

3062
01:57:54,180 --> 01:57:52,080
www.liberaloasis.com those books as well

3063
01:57:56,580 --> 01:57:54,190

you know what we also have links on our

3064

01:57:59,070 --> 01:57:56,590

site so when you mentioned the books at

3065

01:58:01,470 --> 01:57:59,080

the para cast come and our forums forum

3066

01:58:02,970 --> 01:58:01,480

not the power cast calm you click on the

3067

01:58:05,340 --> 01:58:02,980

links you go right to the book ordering

3068

01:58:07,140 --> 01:58:05,350

page and the amount of money will be in

3069

01:58:09,450 --> 01:58:07,150

US dollars for the US or whatever

3070

01:58:11,190 --> 01:58:09,460

country you're in Paul Campbell before

3071

01:58:13,050 --> 01:58:11,200

we let you leave the door with help us

3072

01:58:14,040 --> 01:58:13,060

so what are you working on what's gonna

3073

01:58:15,960 --> 01:58:14,050

come from

3074

01:58:18,540 --> 01:58:15,970

Paul Kimball in the next few months well

3075

01:58:21,270 --> 01:58:18,550

I just finished the final post audio on

3076

01:58:23,550 --> 01:58:21,280

my first feature film actually which is

3077

01:58:25,440 --> 01:58:23,560

about vampires so there you go even when

3078

01:58:28,140 --> 01:58:25,450

I move into the realm of fiction I can't

3079

01:58:29,640 --> 01:58:28,150

get away from the paranormal and now

3080

01:58:31,050 --> 01:58:29,650

that that's done I'll take a month off

3081

01:58:33,510 --> 01:58:31,060

to do some paperwork and then it's

3082

01:58:35,310 --> 01:58:33,520

probably back to combination of

3083

01:58:36,750 --> 01:58:35,320

documentaries got some documentaries

3084

01:58:39,840 --> 01:58:36,760

since some television shows coming up

3085

01:58:41,460 --> 01:58:39,850

and also a feature film my next feature

3086

01:58:43,860 --> 01:58:41,470

film is a science fiction film that I

3087

01:58:46,140 --> 01:58:43,870

co-wrote with the late Mac Tony's before

3088

01:58:48,540 --> 01:58:46,150

he passed away so it'll be one of Mac's

3089

01:58:50,520 --> 01:58:48,550

based on a short story you did so it'll

3090

01:58:52,410 --> 01:58:50,530

be one of the last things along with his

3091

01:58:54,750 --> 01:58:52,420

upcoming crypto terrestrial book which

3092

01:58:56,850 --> 01:58:54,760

is out this month which I recommend

3093

01:58:58,920 --> 01:58:56,860

everybody buys gonna be a big one big

3094

01:59:01,020 --> 01:58:58,930

big book that feature film that he and I

3095

01:59:02,100 --> 01:59:01,030

co-wrote before he died so so that's

3096

01:59:04,470 --> 01:59:02,110

something that I'm really looking

3097

01:59:07,170 --> 01:59:04,480

forward to over the next year thank you

3098

01:59:09,330 --> 01:59:07,180

very much Dave Sadler Steve Mira and

3099

01:59:11,310 --> 01:59:09,340

especially Paul Kimball thank you all

3100

01:59:13,080 --> 01:59:11,320

for joining us this week um the power

3101
01:59:15,270 --> 01:59:13,090
cast

3102
01:59:17,760 --> 01:59:15,280
thanks chief

3103
01:59:21,250 --> 01:59:17,770
[Music]

3104
01:59:24,040 --> 01:59:21,260
the para cast with gene Steinberg and

3105
01:59:26,830 --> 01:59:24,050
David DNA is a production of making the

3106
01:59:29,560 --> 01:59:26,840
impossible Incorporated join us next

3107
01:59:35,250 --> 01:59:29,570
week for a new adventure in the power
