that's audible podcast.com slash power

10
00:01:00,640 --> 00:00:58,400
cast and now on with the show

11
00:01:02,590 --> 00:01:00,650
this is a very unusual show normally

12
00:01:05,500 --> 00:01:02,600
when I talk to my guests they are

13
00:01:09,100 --> 00:01:05,510

somewhere else sometimes on this planet

14

00:01:12,460 --> 00:01:09,110

we talk to them with a telephone we talk

15

00:01:14,920 --> 00:01:12,470

to them with Skype okay but we very

16

00:01:17,770 --> 00:01:14,930

rarely have the guests in here only on

17

00:01:19,630 --> 00:01:17,780

two previous occasions one with Tim

18

00:01:21,940 --> 00:01:19,640

Beckley the one the only Tim Beck we

19

00:01:23,050 --> 00:01:21,950

thank God he's the only Tim Beck idea

20

00:01:27,300 --> 00:01:23,060

that's right

21

00:01:29,830 --> 00:01:27,310

the one and only Tim Beck was here and

22

00:01:33,190 --> 00:01:29,840

then we had John Burroughs one of the oh

23

00:01:35,350 --> 00:01:33,200

yeah I know right

24

00:01:37,690 --> 00:01:35,360

and that's Antonio who næss by the way

25

00:01:39,130 --> 00:01:37,700

who's a longtime friend who I knew from

26
00:01:41,800 --> 00:01:39,140
New York City and it turns out he's one

27
00:01:44,080 --> 00:01:41,810
of the really extraordinary guiding

28
00:01:46,240 --> 00:01:44,090
lights in the UFO field longtime

29
00:01:48,580 --> 00:01:46,250
researcher we're gonna go into that of

30
00:01:50,830 --> 00:01:48,590
course our co-host this week is also

31
00:01:52,960 --> 00:01:50,840
sitting here yeah check that up with a

32
00:01:55,900 --> 00:01:52,970
Western hat yeah that's right in a

33
00:02:03,190 --> 00:01:55,910
dinosaur fossil bolo don't call me a

34
00:02:06,190 --> 00:02:03,200
dinosaur we sit here we do a serious

35
00:02:08,229 --> 00:02:06,200
radio show the power cast is one of the

36
00:02:10,690 --> 00:02:08,239
most serious shows out there we are not

37
00:02:12,309 --> 00:02:10,700
just in it for the buck although we

38
00:02:14,500 --> 00:02:12,319

don't mind making a couple on that way

39

00:02:16,270 --> 00:02:14,510

he knows sure we're not in it just for

40

00:02:18,339 --> 00:02:16,280

the buck but you know we try to be

41

00:02:20,410 --> 00:02:18,349

serious and then Chris walks in here

42

00:02:22,630 --> 00:02:20,420

with a hat and he looks he's trying to

43

00:02:26,170 --> 00:02:22,640

be like Indiana Jones or something no

44

00:02:28,420 --> 00:02:26,180

it's a dinosaur fossil bolo I'm wearing

45

00:02:30,640 --> 00:02:28,430

it around my neck so that if you need to

46

00:02:36,060 --> 00:02:30,650

you can grab it and squeeze later well

47

00:02:41,350 --> 00:02:39,040

antonio yes team what attracted you to

48

00:02:44,200 --> 00:02:41,360

the UFO mystery well you know I

49

00:02:47,740 --> 00:02:44,210

originally come from Chile and I came to

50

00:02:49,660 --> 00:02:47,750

this country in 1975 actually I was born

51
00:02:51,790 --> 00:02:49,670
in in New York because my dad used to

52
00:02:53,230 --> 00:02:51,800
work at the UN and when things got a

53
00:02:56,110 --> 00:02:53,240
little rough in Chile you know with the

54
00:02:59,500 --> 00:02:56,120
military dictatorship Pinochet back in

55
00:03:00,670 --> 00:02:59,510
73 I figured that since I was born in

56
00:03:03,790 --> 00:03:00,680
the States

57
00:03:05,740 --> 00:03:03,800
I had the opportunity of becoming an

58
00:03:07,540 --> 00:03:05,750
American and the Chilean passport was

59
00:03:10,240 --> 00:03:07,550
terrible at back then an American

60
00:03:12,460 --> 00:03:10,250
passport was good so I decided to come

61
00:03:13,930 --> 00:03:12,470
and that's a question to if you're born

62
00:03:16,660 --> 00:03:13,940
in America you're an American no matter

63
00:03:18,430 --> 00:03:16,670

what yes okay I guess this is a big

64

00:03:20,740 --> 00:03:18,440

issue now with the illegals or whatever

65

00:03:23,680 --> 00:03:20,750

but but you know in my case was

66

00:03:27,340 --> 00:03:23,690

different so I came in 75 I was a

67

00:03:28,930 --> 00:03:27,350

science journalist in in Chile before

68

00:03:31,120 --> 00:03:28,940

coming here I was writing for like a

69

00:03:33,760 --> 00:03:31,130

weekly magazine doing the science column

70

00:03:36,220 --> 00:03:33,770

and I wasn't interested in UFOs in the

71

00:03:40,150 --> 00:03:36,230

least well actually I had read one book

72

00:03:41,790 --> 00:03:40,160

I was open-minded about the paranormal I

73

00:03:45,130 --> 00:03:41,800

had written some stories about

74

00:03:47,860 --> 00:03:45,140

parapsychology and you know archeology

75

00:03:52,090 --> 00:03:47,870

Easter Island things like that so I come

76

00:03:55,270 --> 00:03:52,100

here and by 1977 I was living in New

77

00:03:57,630 --> 00:03:55,280

York City and I happened to see this was

78

00:04:00,070 --> 00:03:57,640

like a series of coincidences or

79

00:04:02,130 --> 00:04:00,080

synchronicities that happen my brother

80

00:04:04,780 --> 00:04:02,140

had sent me this newspaper clipping

81

00:04:06,730 --> 00:04:04,790

about the and you probably might have

82

00:04:09,670 --> 00:04:06,740

heard of this case it's quite famous the

83

00:04:12,700 --> 00:04:09,680

Corporal about this case was an army

84

00:04:14,830 --> 00:04:12,710

patrol in Chile where the guy had sort

85

00:04:17,650 --> 00:04:14,840

of instead of a missing time a gaining

86

00:04:19,840 --> 00:04:17,660

time where he encountered the UFO and

87

00:04:22,270 --> 00:04:19,850

then after that he had like a five-day

88

00:04:24,910 --> 00:04:22,280

growth on his beard he basically spent

89

00:04:27,280 --> 00:04:24,920

five days doing something but it was

90

00:04:28,720 --> 00:04:27,290

only a few minutes of course where are

91

00:04:31,180 --> 00:04:28,730

the witnesses or the other witnesses

92

00:04:32,710 --> 00:04:31,190

didn't go into the UFO so they didn't

93

00:04:35,110 --> 00:04:32,720

experience that but they saw the

94

00:04:36,940 --> 00:04:35,120

Corporal their leader disappearing into

95

00:04:38,620 --> 00:04:36,950

towards the object it was at night so

96

00:04:40,420 --> 00:04:38,630

they couldn't see it that clear well to

97

00:04:42,610 --> 00:04:40,430

make the story short I published an

98

00:04:43,270 --> 00:04:42,620

article about it and because the same

99

00:04:45,070 --> 00:04:43,280

day that

100

00:04:47,800 --> 00:04:45,080

got the newspaper clippings I happen to

101
00:04:50,050 --> 00:04:47,810
see on the newsstand which was called

102
00:04:53,050 --> 00:04:50,060
the gem spa with the famous East Village

103
00:04:54,879 --> 00:04:53,060
newsstand in 2nd Avenue and 8th Street

104
00:04:56,800 --> 00:04:54,889
and I happen to see an alternative

105
00:04:58,870 --> 00:04:56,810
newspaper called the New York Daily

106
00:05:00,460 --> 00:04:58,880
Planet which was published by Mike

107
00:05:02,379 --> 00:05:00,470
Luckman which would probably heard of

108
00:05:05,830 --> 00:05:02,389
the guy that did a book called alien

109
00:05:07,390 --> 00:05:05,840
rock more recently so anyway I figured I

110
00:05:09,280 --> 00:05:07,400
was trying to make it in this country as

111
00:05:11,409 --> 00:05:09,290
a journalist I had no connections no

112
00:05:13,180 --> 00:05:11,419
money no nothing in but this was an

113
00:05:15,760 --> 00:05:13,190

alternative paper a figure here I don't

114

00:05:17,560 --> 00:05:15,770

need you know I can just walk in and

115

00:05:18,940 --> 00:05:17,570

probably you know a little take maybe

116

00:05:20,860 --> 00:05:18,950

they'll take my arty you figure they

117

00:05:22,510 --> 00:05:20,870

have no standards yeah correctly yeah I

118

00:05:24,940 --> 00:05:22,520

mean well was an alternative paper I

119

00:05:26,620 --> 00:05:24,950

need to call you know my cousin who knew

120

00:05:29,890 --> 00:05:26,630

the owner or something like that have to

121

00:05:32,140 --> 00:05:29,900

present the resume ok it was worth a

122

00:05:34,750 --> 00:05:32,150

shot anyway so I walked in and sure

123

00:05:37,270 --> 00:05:34,760

enough the guy Mike was interested and

124

00:05:40,000 --> 00:05:37,280

published my article and that's really

125

00:05:42,040 --> 00:05:40,010

how I got started so that was in 1977

126

00:05:44,740 --> 00:05:42,050

now this was a great exciting period

127

00:05:47,800 --> 00:05:44,750

which pronounced like Asian history for

128

00:05:50,800 --> 00:05:47,810

most people but within a year or so you

129

00:05:53,200 --> 00:05:50,810

had a lot of things going on you had the

130

00:05:56,320 --> 00:05:53,210

UFO hearing of the United Nations in

131

00:05:59,200 --> 00:05:56,330

1978 which became the first UFO event I

132

00:06:02,230 --> 00:05:59,210

ever attended so I started in high class

133

00:06:02,770 --> 00:06:02,240

you know I'm a high-neck ballet and all

134

00:06:06,010 --> 00:06:02,780

at once

135

00:06:09,279 --> 00:06:06,020

went downhill from there yeah well what

136

00:06:11,290 --> 00:06:09,289

do you mean the quick that's correct

137

00:06:13,570 --> 00:06:11,300

after they overthrew prime minister Gary

138

00:06:15,670 --> 00:06:13,580

the thing was over he went back we came

139

00:06:18,610 --> 00:06:15,680

along well yeah I met him back be around

140

00:06:22,240 --> 00:06:18,620

that period I met mostly home you know

141

00:06:24,790 --> 00:06:22,250

and eventually I met keel and Hopkins

142

00:06:26,830 --> 00:06:24,800

and you know everybody that was in New

143

00:06:29,290 --> 00:06:26,840

York City and then I start writing for

144

00:06:31,690 --> 00:06:29,300

the magazines the pulp magazines like

145

00:06:33,460 --> 00:06:31,700

you a full report and eventually I made

146

00:06:35,469 --> 00:06:33,470

it to your full report my first one and

147

00:06:37,810 --> 00:06:35,479

I was so proud of it it was ideal CEO

148

00:06:39,279 --> 00:06:37,820

for magazine maybe you remember it or

149

00:06:39,700 --> 00:06:39,289

not as a problem it's similar to the

150

00:06:41,320 --> 00:06:39,710

other one

151

00:06:43,180 --> 00:06:41,330

we're taking a journey through history

152

00:06:44,620 --> 00:06:43,190

ladies and gentlemen I remember these

153

00:06:46,890 --> 00:06:44,630

magazines if you remember there are

154

00:06:49,770 --> 00:06:46,900

actually several

155

00:06:52,080 --> 00:06:49,780

magazines dealing with the subject of

156

00:06:53,909 --> 00:06:52,090

UFOs it wasn't just UFO magazine a

157

00:06:56,430 --> 00:06:53,919

certain other new magazine will mention

158

00:07:00,390 --> 00:06:56,440

shortly it was much of them yeah and

159

00:07:01,680 --> 00:07:00,400

well eventually you know I became

160

00:07:03,930 --> 00:07:01,690

acquainted with the various view of

161

00:07:06,779 --> 00:07:03,940

organizations I joined some of them like

162

00:07:09,590 --> 00:07:06,789

MUFON and so on you know I went on to

163

00:07:12,540 --> 00:07:09,600

travel and give lectures and so on and

164

00:07:14,820 --> 00:07:12,550

then more recently of course I got hired

165

00:07:17,010 --> 00:07:14,830

by this new company here in in the

166

00:07:18,990 --> 00:07:17,020

Phoenix area open mines production and

167

00:07:20,310 --> 00:07:19,000

that's how I ended up in the West I had

168

00:07:23,070 --> 00:07:20,320

never lived in the West that was always

169

00:07:25,200 --> 00:07:23,080

an East Coast person but as a culture

170

00:07:26,969 --> 00:07:25,210

shock yeah it is a little bit of course

171

00:07:28,740 --> 00:07:26,979

I didn't come directly from New York I

172

00:07:30,480 --> 00:07:28,750

did livable for about three years in

173

00:07:31,680 --> 00:07:30,490

Northern Virginia and they watch in DC

174

00:07:34,020 --> 00:07:31,690

area so that was kind of the

175

00:07:36,840 --> 00:07:34,030

decompression period you know because it

176

00:07:38,430 --> 00:07:36,850

was different from New York but it's

177

00:07:40,350 --> 00:07:38,440

still a East well talking about that

178

00:07:42,930 --> 00:07:40,360

magazine later on now that you come to

179

00:07:46,290 --> 00:07:42,940

specialize in a particular aspect of

180

00:07:48,360 --> 00:07:46,300

researching UFOs initially my sort of

181

00:07:50,939 --> 00:07:48,370

expertise it was only for the reason

182

00:07:52,379 --> 00:07:50,949

because I was a I was originally from

183

00:07:55,800 --> 00:07:52,389

South America so I could read this

184

00:07:58,830 --> 00:07:55,810

language so my lot of my first articles

185

00:08:00,180 --> 00:07:58,840

were about South American UFO cases only

186

00:08:02,700 --> 00:08:00,190

because like I said I could read the

187

00:08:05,969 --> 00:08:02,710

newspaper reports and stuff from from

188

00:08:08,219 --> 00:08:05,979

Chile or Argentina whatever and that's

189

00:08:10,260 --> 00:08:08,229

my first articles were usually on that

190

00:08:12,870 --> 00:08:10,270

but then as I became more and more

191

00:08:15,270 --> 00:08:12,880

involved eventually I branched into all

192

00:08:18,060 --> 00:08:15,280

kinds of types of phenomena you know

193

00:08:19,830 --> 00:08:18,070

within the UFO and I eventually I became

194

00:08:23,250 --> 00:08:19,840

much more international I worked in

195

00:08:25,649 --> 00:08:23,260

Japan I work for Japanese magazine in

196

00:08:28,800 --> 00:08:25,659

the 1990s I was one of the co-authors of

197

00:08:31,439 --> 00:08:28,810

the UFO briefing document this which was

198

00:08:33,480 --> 00:08:31,449

part of their Lords rockefeller right I

199

00:08:36,420 --> 00:08:33,490

wanted to ask you also how you came to

200

00:08:38,760 --> 00:08:36,430

write that how Laurance Rockefeller come

201
00:08:40,920 --> 00:08:38,770
to Commission this kind of study well

202
00:08:44,400 --> 00:08:40,930
Lawrence Rockefeller had a fascination

203
00:08:47,690 --> 00:08:44,410
with all these the paranormal in general

204
00:08:51,269 --> 00:08:47,700
and he started believing the 80s

205
00:08:53,970 --> 00:08:51,279
financing a lot of research mostly

206
00:08:56,160 --> 00:08:53,980
through Scott Jones who had an outfit

207
00:08:58,710 --> 00:08:56,170
called the human potential Foundation in

208
00:08:59,220 --> 00:08:58,720
the Washington DC area and Scott Jones

209
00:09:02,280 --> 00:08:59,230
had

210
00:09:04,320 --> 00:09:02,290
aide to Senator Claiborne Pell who was

211
00:09:06,720 --> 00:09:04,330
an important political figure from

212
00:09:08,160 --> 00:09:06,730
senator from Rhode Island and so this

213
00:09:10,230 --> 00:09:08,170

was the beginning I guess for

214

00:09:14,160 --> 00:09:10,240

Rockefeller so initially he was mostly

215

00:09:16,650 --> 00:09:14,170

doing parapsychology research but as you

216

00:09:19,620 --> 00:09:16,660

know all these phenomenons are somewhat

217

00:09:22,080 --> 00:09:19,630

related and eventually it shifted into

218

00:09:24,510 --> 00:09:22,090

the area of UFOs there was a period in

219

00:09:27,780 --> 00:09:24,520

the early 90s when Scott Jones an

220

00:09:29,940 --> 00:09:27,790

attorney who crystals called Henry

221

00:09:33,690 --> 00:09:29,950

diamond who was working for Rockefeller

222

00:09:36,810 --> 00:09:33,700

and mr. Rockefeller himself were very

223

00:09:40,020 --> 00:09:36,820

involved in lobbying the the White House

224

00:09:41,760 --> 00:09:40,030

and specifically the science advisor at

225

00:09:43,800 --> 00:09:41,770

the White House whose name right now I

226

00:09:46,230 --> 00:09:43,810

forgot but Gibbons

227

00:09:48,600 --> 00:09:46,240

I think it's John Gibbons and they had

228

00:09:51,390 --> 00:09:48,610

some meetings and the idea was to get

229

00:09:54,300 --> 00:09:51,400

the Clinton people to release a lot of

230

00:09:56,130 --> 00:09:54,310

documents and mostly what at the time

231

00:09:58,380 --> 00:09:56,140

people were looking for was the Roswell

232

00:09:59,670 --> 00:09:58,390

case but that got diffused when the

233

00:10:02,670 --> 00:09:59,680

government said yeah we're gonna release

234

00:10:04,650 --> 00:10:02,680

a roswell case and but that turned out

235

00:10:07,470 --> 00:10:04,660

to be the Mogul explanation i was the

236

00:10:09,630 --> 00:10:07,480

investigation and the ocean du jour yeah

237

00:10:11,790 --> 00:10:09,640

right okay so the case closed right so

238

00:10:14,370 --> 00:10:11,800

then what happened is then Rockefeller

239

00:10:17,850 --> 00:10:14,380

figured that okay that Avenue was spent

240

00:10:21,120 --> 00:10:17,860

so nothing else was coming from there so

241

00:10:23,190 --> 00:10:21,130

he decided to shift gears and to

242

00:10:24,930 --> 00:10:23,200

Commission his own report among many

243

00:10:28,260 --> 00:10:24,940

other things because he was also giving

244

00:10:30,630 --> 00:10:28,270

money to various researchers and this

245

00:10:34,800 --> 00:10:30,640

was coordinated by Murray Galbreath who

246

00:10:36,870 --> 00:10:34,810

was no better known as Bootsy who's not

247

00:10:38,700 --> 00:10:36,880

your run-of-the-mill who follow gist she

248

00:10:41,250 --> 00:10:38,710

was the why name like that I wouldn't

249

00:10:43,830 --> 00:10:41,260

think well she was a socialite she was

250

00:10:45,870 --> 00:10:43,840

the wife of the former ambassador of the

251
00:10:47,670 --> 00:10:45,880
United States to France during the

252
00:10:49,500 --> 00:10:47,680
Reagan administration who was also a

253
00:10:53,010 --> 00:10:49,510
cousin I believe of John Kenneth

254
00:10:54,450 --> 00:10:53,020
Galbraith the Nobel price economist who

255
00:10:56,960 --> 00:10:54,460
had also been an ambassador during

256
00:11:00,210 --> 00:10:56,970
Kennedy obviously this lady was very

257
00:11:02,850 --> 00:11:00,220
well-connected and she became the

258
00:11:04,650 --> 00:11:02,860
coordinator of this project initially I

259
00:11:06,810 --> 00:11:04,660
wasn't involved in the early stages

260
00:11:08,580 --> 00:11:06,820
initially they went to Don Berliner

261
00:11:10,860 --> 00:11:08,590
would you probably know by name who

262
00:11:13,200 --> 00:11:10,870
was a known member of NICAP in aviation

263
00:11:16,140 --> 00:11:13,210

journalists from the Washington DC area

264

00:11:18,000 --> 00:11:16,150

and he wrote the original draft of the

265

00:11:20,880 --> 00:11:18,010

seal for briefing document which was

266

00:11:23,250 --> 00:11:20,890

basically a very sober document case

267

00:11:25,170 --> 00:11:23,260

histories and it had like some and

268

00:11:27,840 --> 00:11:25,180

general introduction and all that but

269

00:11:30,150 --> 00:11:27,850

when they received the draft they liked

270

00:11:32,340 --> 00:11:30,160

the format and the idea the general

271

00:11:34,080 --> 00:11:32,350

format of the document but they it was

272

00:11:37,920 --> 00:11:34,090

obvious that the document needed to be

273

00:11:40,890 --> 00:11:37,930

updated expanded improved and that's

274

00:11:43,170 --> 00:11:40,900

where I was brought in by a lady who

275

00:11:46,050 --> 00:11:43,180

recently passed away was a wonderful

276

00:11:47,070 --> 00:11:46,060

person sandy right I believe that Chris

277

00:11:49,920 --> 00:11:47,080

might have met her too

278

00:11:52,740 --> 00:11:49,930

she was had a small foundation called

279

00:11:55,860 --> 00:11:52,750

the BSW foundation it's a very generous

280

00:11:58,350 --> 00:11:55,870

person she helped a lot of people she

281

00:12:01,620 --> 00:11:58,360

just passed away of cancer and last

282

00:12:03,980 --> 00:12:01,630

December and so I was brought in I was

283

00:12:06,720 --> 00:12:03,990

working for the japanese for japanese

284

00:12:08,820 --> 00:12:06,730

project at the time but if the timing

285

00:12:11,090 --> 00:12:08,830

was perfect just as a japanese project

286

00:12:13,560 --> 00:12:11,100

was facing out i got hired by the

287

00:12:15,840 --> 00:12:13,570

Rockefeller people to work on this and

288

00:12:17,790 --> 00:12:15,850

we even had an office on Madison Avenue

289

00:12:19,560 --> 00:12:17,800

and everything and I worked there I

290

00:12:20,040 --> 00:12:19,570

improved the the document I ended up

291

00:12:23,010 --> 00:12:20,050

writing

292

00:12:26,040 --> 00:12:23,020

half of it basically they had you see a

293

00:12:29,460 --> 00:12:26,050

lot of cases from France and Belgium in

294

00:12:31,290 --> 00:12:29,470

Brazil but the promised dawn like most

295

00:12:33,150 --> 00:12:31,300

Americans didn't know foreign languages

296

00:12:36,210 --> 00:12:33,160

so he couldn't console them

297

00:12:37,440 --> 00:12:36,220

the firsthand sources he had to filter

298

00:12:39,630 --> 00:12:37,450

it through the move from Journal or

299

00:12:41,910 --> 00:12:39,640

something as I said we can publish about

300

00:12:43,290 --> 00:12:41,920

the Belgium wave and we're quoting the

301
00:12:45,870 --> 00:12:43,300
movement journal leaving these people

302
00:12:47,910 --> 00:12:45,880
publishing you know 500 volume you know

303
00:12:50,790 --> 00:12:47,920
about 500 page volumes about it you know

304
00:12:52,560 --> 00:12:50,800
and they all kinds of military documents

305
00:12:54,840 --> 00:12:52,570
so sure and they said go ahead and

306
00:12:56,790 --> 00:12:54,850
rewrite whatever you need so we left

307
00:13:00,030 --> 00:12:56,800
some of the American cases Socorro and

308
00:13:01,320 --> 00:13:00,040
the Washington DC 52 flap with that can

309
00:13:03,810 --> 00:13:01,330
if I know you know because obviously

310
00:13:05,460 --> 00:13:03,820
Berliner knew that very well and I think

311
00:13:07,650 --> 00:13:05,470
concentrate on a lot of the foreign

312
00:13:09,930 --> 00:13:07,660
cases and that's how I ended up working

313
00:13:12,630 --> 00:13:09,940

on that project which was concluded in

314

00:13:14,030 --> 00:13:12,640

December of 95 and released to the

315

00:13:15,680 --> 00:13:14,040

public and

316

00:13:18,920 --> 00:13:15,690

not to the public they was originally

317

00:13:20,600 --> 00:13:18,930

only to be sent to VIPs only a thousand

318

00:13:23,030 --> 00:13:20,610

copies were printed of the original

319

00:13:25,939 --> 00:13:23,040

reporting eventually it came out in as a

320

00:13:27,740 --> 00:13:25,949

paperback which was a deal arranged by

321

00:13:33,260 --> 00:13:27,750

Whitley Strieber and that was in the

00:15:50,660 --> 00:15:47,970

we're all just laughing at each other

369

00:15:52,640 --> 00:15:50,670

because we look a lot worse than we

370

00:15:56,060 --> 00:15:52,650

thought we'd look right Chris speak for

371

00:15:58,130 --> 00:15:56,070

yourself Chris I don't have a rejoinder

372

00:16:01,220 --> 00:15:58,140

for that one G you can ask a question of

373

00:16:05,540 --> 00:16:01,230

our esteemed guests like I will you were

374

00:16:07,580 --> 00:16:05,550

able to interact with rockefeller as I

375

00:16:09,740 --> 00:16:07,590

was actually how did you find him I mean

376

00:16:11,720 --> 00:16:09,750

in terms of how up-to-speed he was know

377

00:16:13,430 --> 00:16:11,730

as a matter of fact I unfortunately I

378

00:16:15,680 --> 00:16:13,440

never met and Laurance Rockefeller

379

00:16:17,960 --> 00:16:15,690

personally I I wanted to and I should

380

00:16:19,640 --> 00:16:17,970

have pushed to Bootsy but then once the

381

00:16:21,830 --> 00:16:19,650

project was finished the office was

382

00:16:24,020 --> 00:16:21,840

closed and I lost my window of

383

00:16:25,880 --> 00:16:24,030

opportunity so basically there was no

384

00:16:28,850 --> 00:16:25,890

follow-up it basically financed the

385

00:16:31,160 --> 00:16:28,860

project it was sort of a follow up but

386

00:16:33,530 --> 00:16:31,170

different what happened is after our our

387

00:16:35,990 --> 00:16:33,540

report was finished it was sent to

388

00:16:38,660 --> 00:16:36,000

various important people but

389

00:16:40,610 --> 00:16:38,670

unfortunately and this was not really

390

00:16:41,930 --> 00:16:40,620

Rockefellers fault it was way it was

391

00:16:44,870 --> 00:16:41,940

given to fuller

392

00:16:47,630 --> 00:16:44,880

which was a consortium of the three main

393

00:16:50,300 --> 00:16:47,640

UFO groups MUFON Koufos and the fine for

394

00:16:53,240 --> 00:16:50,310

UFO research and they were supposed to

395

00:16:54,980 --> 00:16:53,250

distribute it but there was no lobbying

396

00:16:56,050 --> 00:16:54,990

I mean if they spent so much resources

397

00:16:57,730 --> 00:16:56,060

in doing this rip

398

00:17:00,280 --> 00:16:57,740

they should have they should have been a

399

00:17:04,060 --> 00:17:00,290

much more aggressive distribution but

400

00:17:07,450 --> 00:17:04,070

they didn't and so it kind of Peter away

401
00:17:09,700 --> 00:17:07,460
it had a couple of effects yeah i rana

402
00:17:12,010 --> 00:17:09,710
clean on in this country one was in

403
00:17:14,170 --> 00:17:12,020
france because obviously marie Galbreath

404
00:17:16,180 --> 00:17:14,180
knew everybody in france she had been

405
00:17:18,490 --> 00:17:16,190
the ambassador's wife she had very good

406
00:17:20,350 --> 00:17:18,500
connections and a lot of copies were

407
00:17:22,360 --> 00:17:20,360
saying we fact we got we would see

408
00:17:25,060 --> 00:17:22,370
material from their japan the french

409
00:17:27,220 --> 00:17:25,070
space agency original material because

410
00:17:28,300 --> 00:17:27,230
she knew these people which we use in

411
00:17:32,950 --> 00:17:28,310
their transient provence

412
00:17:35,260 --> 00:17:32,960
landing case chapter dad leg eventually

413
00:17:37,300 --> 00:17:35,270

in france to a similar report which is

414

00:17:39,610 --> 00:17:37,310

was somewhat controversial because this

415

00:17:41,350 --> 00:17:39,620

was written by a lot of retired generals

416

00:17:43,120 --> 00:17:41,360

and that was known as the committee

417

00:17:44,800 --> 00:17:43,130

report and we are quoted in the

418

00:17:47,200 --> 00:17:44,810

committee report they give all the

419

00:17:48,730 --> 00:17:47,210

accolades to marigo brief and barely

420

00:17:50,380 --> 00:17:48,740

mentioned except in the footnotes

421

00:17:51,910 --> 00:17:50,390

because they had to say you don't have

422

00:17:54,730 --> 00:17:51,920

the citation of the book all right

423

00:17:57,010 --> 00:17:54,740

you're paid to write half the book but

424

00:17:58,570 --> 00:17:57,020

to them you're just a footnote in commit

425

00:18:00,850 --> 00:17:58,580

that own incoming okay

426

00:18:03,820 --> 00:18:00,860

well because they knew her and she was a

427

00:18:05,920 --> 00:18:03,830

social fisher so even though she really

428

00:18:07,870 --> 00:18:05,930

didn't write much of it she quoted she

429

00:18:10,080 --> 00:18:07,880

was like the editor of our report she

430

00:18:13,000 --> 00:18:10,090

coordinated and she had the last word on

431

00:18:15,310 --> 00:18:13,010

everything that went in did you have any

432

00:18:17,890 --> 00:18:15,320

conclusions reached as to what ufos are

433

00:18:20,110 --> 00:18:17,900

or was it just a bunch of case histories

434

00:18:21,910 --> 00:18:20,120

it was mostly a bunch of case histories

435

00:18:24,070 --> 00:18:21,920

there was an introduction or an

436

00:18:26,590 --> 00:18:24,080

executive part of the report which was

437

00:18:29,560 --> 00:18:26,600

written by him berliner were basically

438

00:18:31,630 --> 00:18:29,570

he's of the et you know inclination so

439

00:18:34,060 --> 00:18:31,640

but he was put in a in a sort of a

440

00:18:36,160 --> 00:18:34,070

conservative way you know in for sure

441

00:18:38,620 --> 00:18:36,170

with aliens but basically what he tried

442

00:18:40,570 --> 00:18:38,630

to prove is that these things are real

443

00:18:42,960 --> 00:18:40,580

they're intense there's intelligence

444

00:18:45,880 --> 00:18:42,970

behind it and there's some kind of

445

00:18:47,350 --> 00:18:45,890

physical evidence in that you know the

446

00:18:49,870 --> 00:18:47,360

the thing needs to be taken seriously

447

00:18:51,580 --> 00:18:49,880

but there was not too much it was sort

448

00:18:53,620 --> 00:18:51,590

of a 101 you know you want to know

449

00:18:55,180 --> 00:18:53,630

what's the evidence for UFOs

450

00:18:57,520 --> 00:18:55,190

like i said it was supposed to be sent

451
00:19:00,160 --> 00:18:57,530
to VIP senators people that don't have

452
00:19:02,920 --> 00:19:00,170
time to be going on the web looking for

453
00:19:05,210 --> 00:19:02,930
we are you for cases so we already did

454
00:19:07,340 --> 00:19:05,220
clean up the job for them and game

455
00:19:09,890 --> 00:19:07,350
you know here the main cases but there

456
00:19:12,560 --> 00:19:09,900
was no much follow up except that the in

457
00:19:15,200 --> 00:19:12,570
Rockefeller went on and funded another

458
00:19:17,480 --> 00:19:15,210
project and this was the Sturrock

459
00:19:19,610 --> 00:19:17,490
conference that took place in poor

460
00:19:21,710 --> 00:19:19,620
canticle hills where they brought a lot

461
00:19:25,510 --> 00:19:21,720
of scientists both from Europe and the

462
00:19:27,529 --> 00:19:25,520
US and eventually Peterik who's

463
00:19:29,779 --> 00:19:27,539

astrophysicist who was the head of the

464

00:19:31,870 --> 00:19:29,789

Society of scientific exploration at

465

00:19:34,940 --> 00:19:31,880

that time came up with a pretty

466

00:19:37,100 --> 00:19:34,950

significant book called a UFO enigma I

467

00:19:39,789 --> 00:19:37,110

think which is basically the Proceedings

468

00:19:42,350 --> 00:19:39,799

of this conference in Rockefeller was so

469

00:19:44,539 --> 00:19:42,360

enthusiastic about this this particular

470

00:19:47,120 --> 00:19:44,549

project that he wrote the foreword in

471

00:19:49,580 --> 00:19:47,130

his name only let's say writing of

472

00:19:51,680 --> 00:19:49,590

Rockefeller on UFOs publicly published

473

00:19:53,330 --> 00:19:51,690

and that was a forward to the stoic

474

00:19:55,370 --> 00:19:53,340

report in our case no he didn't write

475

00:19:56,930 --> 00:19:55,380

the foreword by his name appears in the

476
00:19:58,460 --> 00:19:56,940
acknowledgement so it was known that he

477
00:20:00,649 --> 00:19:58,470
funded the thing right

478
00:20:03,020 --> 00:20:00,659
he signs checks he signed checks yeah

479
00:20:06,260 --> 00:20:03,030
question Chris what about I mean I

480
00:20:08,930 --> 00:20:06,270
remember the sort of late 90s there were

481
00:20:11,390 --> 00:20:08,940
some rumblings that Steven Greer had

482
00:20:13,370 --> 00:20:11,400
somehow kind of co-opted the process and

483
00:20:15,230 --> 00:20:13,380
then did a rush release on it with some

484
00:20:18,289 --> 00:20:15,240
materials yeah that was kind of an

485
00:20:20,090 --> 00:20:18,299
unfortunate episode I was not personally

486
00:20:22,930 --> 00:20:20,100
involved in that but what happened is

487
00:20:26,120 --> 00:20:22,940
Rockefeller had also funded Greer

488
00:20:28,630 --> 00:20:26,130

previously at least give him some funds

489

00:20:31,930 --> 00:20:28,640

so he could he could do the original

490

00:20:34,399 --> 00:20:31,940

interviews for the disclosure project

491

00:20:36,680 --> 00:20:34,409

basically which entailed you know going

492

00:20:38,690 --> 00:20:36,690

to traveling around the country or even

493

00:20:40,520 --> 00:20:38,700

the world and locating witnesses who

494

00:20:42,500 --> 00:20:40,530

were in the military who were willing to

495

00:20:44,930 --> 00:20:42,510

go and give their testimony on camera

496

00:20:47,750 --> 00:20:44,940

and all that so Greer thought that he

497

00:20:49,880 --> 00:20:47,760

basically owned the Rockefeller you know

498

00:20:51,710 --> 00:20:49,890

franchise or whatever and so when but

499

00:20:53,690 --> 00:20:51,720

Berliner did not get along with Greer

500

00:20:55,820 --> 00:20:53,700

this is the typical you know you for

501
00:20:58,340 --> 00:20:55,830
logical inference this is the UFO field

502
00:21:00,500 --> 00:20:58,350
and so then when we are to fight here

503
00:21:02,149 --> 00:21:00,510
after we have our first hourly break

504
00:21:04,100 --> 00:21:02,159
we're going to be screaming and yelling

505
00:21:06,440 --> 00:21:04,110
I will not record that ladies and

506
00:21:08,299 --> 00:21:06,450
gentlemen so then when Greer got wind

507
00:21:10,970 --> 00:21:08,309
that there was this report coming out

508
00:21:13,549 --> 00:21:10,980
where he wasn't even mentioned that he

509
00:21:15,560 --> 00:21:13,559
was uninvolved he made a big fuss about

510
00:21:17,680 --> 00:21:15,570
it that he even made a big fuss about

511
00:21:19,570 --> 00:21:17,690
the word briefing which was Radhika

512
00:21:24,330 --> 00:21:19,580
because we're briefing is a standard you

513
00:21:28,450 --> 00:21:24,340

know where the trademark word briefing

514

00:21:31,360 --> 00:21:28,460

so he I think I believe at some point he

515

00:21:34,360 --> 00:21:31,370

did basically photocopy the the contents

516

00:21:36,460 --> 00:21:34,370

and change the title page you saw them

517

00:21:38,050 --> 00:21:36,470

when Berliner got wind of that I guess

518

00:21:40,450 --> 00:21:38,060

they sent him an attorney's letter or

519

00:21:42,100 --> 00:21:40,460

something like that it got ugly but I

520

00:21:44,380 --> 00:21:42,110

was not part of that fortunately

521

00:21:46,840 --> 00:21:44,390

although I wasn't happy with the way I

522

00:21:48,670 --> 00:21:46,850

thought Greer's behavior was pretty bad

523

00:21:50,470 --> 00:21:48,680

because he had received money you don't

524

00:21:53,140 --> 00:21:50,480

bite at the hand that feeds you you know

525

00:21:54,790 --> 00:21:53,150

so even though the second report he

526
00:21:56,740 --> 00:21:54,800
wasn't involved he should have just been

527
00:21:58,450 --> 00:21:56,750
gracious that he got all that money from

528
00:22:00,760 --> 00:21:58,460
rockefeller and move along do his own

529
00:22:03,430 --> 00:22:00,770
thing which eventually he did yes so he

530
00:22:05,530 --> 00:22:03,440
created a bit of a problem there for a

531
00:22:07,600 --> 00:22:05,540
while but I guess it's all all history

532
00:22:10,900 --> 00:22:07,610
now now the book that you did the one

533
00:22:13,150 --> 00:22:10,910
that you worked on was it given regular

534
00:22:16,240 --> 00:22:13,160
distribution you know not the original

535
00:22:19,270 --> 00:22:16,250
report only when he was published by by

536
00:22:21,190 --> 00:22:19,280
Dell once it was published by Dell then

537
00:22:23,800 --> 00:22:21,200
of course it was just another paperback

538
00:22:26,200 --> 00:22:23,810

another year for paperback but by that

539

00:22:29,380 --> 00:22:26,210

time even though this was part of the

540

00:22:31,270 --> 00:22:29,390

deal that streamer had where sphereit

541

00:22:33,700 --> 00:22:31,280

was presenting these books in writing

542

00:22:36,190 --> 00:22:33,710

the foreword and there were a part of a

543

00:22:39,160 --> 00:22:36,200

series they did another one on the shark

544

00:22:42,130 --> 00:22:39,170

harbor case and Canada the one by his

545

00:22:43,930 --> 00:22:42,140

sermon on the Fatima case and Roger Leir

546

00:22:46,810 --> 00:22:43,940

the original edition of the Roger Leir

547

00:22:48,490 --> 00:22:46,820

book about alien implants but I don't

548

00:22:50,500 --> 00:22:48,500

think they got too much traction though

549

00:22:52,420 --> 00:22:50,510

unfortunately it's still around I

550

00:22:54,520 --> 00:22:52,430

suppose if you if you ask for it but

551
00:22:56,770 --> 00:22:54,530
although that was published in 2000 I

552
00:22:58,960 --> 00:22:56,780
haven't seen it currently in bookstores

553
00:23:00,940 --> 00:22:58,970
but it's if you you can buy a go in

554
00:23:02,530 --> 00:23:00,950
Amazon or whatever or if you even order

555
00:23:04,720 --> 00:23:02,540
it from Dell they probably still have

556
00:23:06,550 --> 00:23:04,730
some few copies left but I don't think

557
00:23:09,100 --> 00:23:06,560
it was reprinted though so it's probably

558
00:23:11,530 --> 00:23:09,110
just a few copies left but are the

559
00:23:13,240 --> 00:23:11,540
original Edition was very elegant only a

560
00:23:16,180 --> 00:23:13,250
thousand copies were printed had like a

561
00:23:18,130 --> 00:23:16,190
blue cover they had color pictures of

562
00:23:20,500 --> 00:23:18,140
the Belgium photos and a few other

563
00:23:22,060 --> 00:23:20,510

things whereas the paperback it was just

564

00:23:24,510 --> 00:23:22,070

your typical you know for paperback

565

00:23:26,820 --> 00:23:24,520

small black-and-white pictures and

566

00:23:28,140 --> 00:23:26,830

but the contents is identical nothing

567

00:23:29,940 --> 00:23:28,150

was changed in the country because the

568

00:23:32,400 --> 00:23:29,950

idea was that this was the Rockefeller

569

00:23:34,530 --> 00:23:32,410

report which you maybe heard about it

570

00:23:36,570 --> 00:23:34,540

but you couldn't get it now you can get

571

00:23:38,880 --> 00:23:36,580

it even though at one time joel fuhrman

572

00:23:42,540 --> 00:23:38,890

remember joel fuhrman the computer guy

573

00:23:45,120 --> 00:23:42,550

who was a financier also in the UFO

574

00:23:46,890 --> 00:23:45,130

world he put it on the web and one time

575

00:23:50,490 --> 00:23:46,900

that report was available on the web

576

00:23:53,610 --> 00:23:50,500

maybe if you still he still is it's it's

577

00:23:55,799 --> 00:23:53,620

still in one of these weird like back

578

00:23:58,460 --> 00:23:55,809

then machines or whatever since yes it

579

00:24:02,010 --> 00:23:58,470

is actually it is on the web like mine

580

00:24:04,919 --> 00:24:02,020

nothing on the internet ever disappears

581

00:24:06,630 --> 00:24:04,929

for good or bad right better or worse it

582

00:24:08,940 --> 00:24:06,640

never disappears it's always there

583

00:24:10,710 --> 00:24:08,950

all right now you are involved with this

584

00:24:12,540 --> 00:24:10,720

particular project but they of course

585

00:24:14,940 --> 00:24:12,550

you had other people like whitley

586

00:24:16,470 --> 00:24:14,950

strieber you had coverage of abductions

587

00:24:19,020 --> 00:24:16,480

and things like that yeah

588

00:24:21,060 --> 00:24:19,030

what does Antonio who næss think about

589

00:24:24,780 --> 00:24:21,070

abductions in abduction research because

590

00:24:27,330 --> 00:24:24,790

we've had a few avoid yes if you read

591

00:24:30,450 --> 00:24:27,340

the power cast forums it gets hot and

592

00:24:33,000 --> 00:24:30,460

heavy and this is a place we have to

593

00:24:35,549 --> 00:24:33,010

take you to as you well I would just

594

00:24:38,760 --> 00:24:35,559

recently as a matter of fact about two

595

00:24:41,790 --> 00:24:38,770

weeks ago no no no two or three weeks

596

00:24:45,299 --> 00:24:41,800

ago I was hoping I was in all range he

597

00:24:48,419 --> 00:24:45,309

wanted or arranged California in the

598

00:24:50,700 --> 00:24:48,429

Leia and we had one of these Roger Leir

599

00:24:53,640 --> 00:24:50,710

implant removals and stripper was there

600

00:24:55,799 --> 00:24:53,650

too and a bunch of people so I had never

601
00:24:57,600 --> 00:24:55,809
seen that I had seen it on TV but it's

602
00:24:59,340 --> 00:24:57,610
different to see it live than on TV I

603
00:25:01,620 --> 00:24:59,350
mean live of course you're not in the

604
00:25:04,500 --> 00:25:01,630
operating room but we had you know a

605
00:25:07,110 --> 00:25:04,510
monitor so so that was interesting and

606
00:25:10,680 --> 00:25:07,120
that's a that's a new case well not new

607
00:25:12,660 --> 00:25:10,690
the case happened in 1972 but it's new

608
00:25:15,390 --> 00:25:12,670
to the UFO literature which has never

609
00:25:17,580 --> 00:25:15,400
been published yet and one of the guys

610
00:25:21,690 --> 00:25:17,590
actually came to the offices of open

611
00:25:24,000 --> 00:25:21,700
minds his name is Ron Noel and it's an

612
00:25:27,270 --> 00:25:24,010
interesting case they these kids were

613
00:25:28,710 --> 00:25:27,280

about 10 years old in Orlando Florida

614

00:25:31,350 --> 00:25:28,720

area

615

00:25:35,789 --> 00:25:31,360

I guess they were hanging out outside

616

00:25:38,190 --> 00:25:35,799

outdoors and they remember one of them

617

00:25:41,130 --> 00:25:38,200

at least remember seeing this huge craft

618

00:25:43,350 --> 00:25:41,140

or object and then they have a block

619

00:25:45,210 --> 00:25:43,360

they have a total mental block then

620

00:25:48,180 --> 00:25:45,220

what's interesting is on the next day

621

00:25:50,610 --> 00:25:48,190

they remember a helicopter landing in

622

00:25:52,020 --> 00:25:50,620

that area and some soldiers came in in

623

00:25:54,080 --> 00:25:52,030

the end they were friendly with the kids

624

00:25:57,360 --> 00:25:54,090

and games like peanut butter and jelly

625

00:25:59,789 --> 00:25:57,370

sandwiches or whatever but so if that's

626

00:26:01,620 --> 00:25:59,799

true it would seem like the military

627

00:26:04,049 --> 00:26:01,630

knew about the subject and they were

628

00:26:07,169 --> 00:26:04,059

checking the scene in case one of the

629

00:26:09,270 --> 00:26:07,179

guys many years went by 20 years

630

00:26:11,460 --> 00:26:09,280

whatever 30 years he got an x-ray

631

00:26:13,950 --> 00:26:11,470

because he hadn't he was just some kind

632

00:26:16,440 --> 00:26:13,960

of firm outdoor worker and he had gotten

633

00:26:18,810 --> 00:26:16,450

injured in his hand and on that when

634

00:26:20,460 --> 00:26:18,820

they actually came the doctor asked what

635

00:26:22,830 --> 00:26:20,470

is this thing that you have on your

636

00:26:23,220 --> 00:26:22,840

forearm that you have surgery or

637

00:26:26,430 --> 00:26:23,230

something

638

00:26:28,500 --> 00:26:26,440

and the guy said no so then on the same

639

00:26:30,330 --> 00:26:28,510

day it kind of a synchronicity he

640

00:26:32,909 --> 00:26:30,340

happens to see one of these shows and

641

00:26:36,120 --> 00:26:32,919

the History Channel discovery one of

642

00:26:37,740 --> 00:26:36,130

these and he sees Roger Leir removing an

643

00:26:39,990 --> 00:26:37,750

implant so it all kind of came together

644

00:26:41,909 --> 00:26:40,000

so eventually he contact module and so

645

00:26:43,710 --> 00:26:41,919

on and this whole process went not to

646

00:26:45,659 --> 00:26:43,720

talk about two three years and they

647

00:26:48,630 --> 00:26:45,669

finally removed the thing now we haven't

648

00:26:50,520 --> 00:26:48,640

seen the analysis yet but obviously he

649

00:26:53,220 --> 00:26:50,530

had something and then it was removed

650

00:26:54,720 --> 00:26:53,230

that's a question - we've talked to dr.

651
00:26:57,299 --> 00:26:54,730
Leir a couple of times on the power cast

652
00:26:59,820 --> 00:26:57,309
but we've never heard of any results

653
00:27:02,279 --> 00:26:59,830
from any of these implant removals do

654
00:27:04,169 --> 00:27:02,289
they indicate anything unusual well

655
00:27:07,320 --> 00:27:04,179
people talk about all kinds of things

656
00:27:09,539 --> 00:27:07,330
they talk about nanotechnology or let

657
00:27:12,149 --> 00:27:09,549
the thing behave weird but you're right

658
00:27:14,820 --> 00:27:12,159
I have not seen like other than there

659
00:27:16,830 --> 00:27:14,830
just a chronicle of the yeah this guy

660
00:27:19,260 --> 00:27:16,840
with the operation wasn't such they ate

661
00:27:21,750 --> 00:27:19,270
and or the basic composition of the

662
00:27:24,360 --> 00:27:21,760
object or whatever but final conclusions

663
00:27:26,340 --> 00:27:24,370

no I would say the evidence is ambiguous

664

00:27:28,710 --> 00:27:26,350

but there's something there though I

665

00:27:30,930 --> 00:27:28,720

mean it so happens that in some of these

666

00:27:33,659 --> 00:27:30,940

abduction cases people do report that

667

00:27:35,640 --> 00:27:33,669

they have these these objects and then

668

00:27:36,990 --> 00:27:35,650

the objects appeared on sometimes you

669

00:27:38,880 --> 00:27:37,000

cannot remove them when they are in the

670

00:27:40,940 --> 00:27:38,890

brain like in streamers cases in the

671

00:27:42,409 --> 00:27:40,950

brain nobody is going to touch that by

672

00:27:43,730 --> 00:27:42,419

if it's in the food or they're armed

673

00:27:46,159 --> 00:27:43,740

that's when we are thinking too about

674

00:27:46,610 --> 00:27:46,169

implants they seem to be all over the

675

00:27:48,470 --> 00:27:46,620

body

676

00:27:50,600 --> 00:27:48,480

so there's not a consistent pattern

677

00:27:52,310 --> 00:27:50,610

there either you know it all looks the

678

00:27:54,440 --> 00:27:52,320

same and they were all in the same part

679

00:27:56,629 --> 00:27:54,450

of the body but they seemed to maybe

680

00:27:58,460 --> 00:27:56,639

they are done by different people or

681

00:28:00,560 --> 00:27:58,470

they're different aliens or they done

682

00:28:02,750 --> 00:28:00,570

for different purposes or some of these

683

00:28:04,549 --> 00:28:02,760

cases we're done at different times who

684

00:28:06,049 --> 00:28:04,559

knows but it's interesting now the

685

00:28:08,180 --> 00:28:06,059

abduction you were asking me really

686

00:28:10,549 --> 00:28:08,190

about abduction well that's you know

687

00:28:11,990 --> 00:28:10,559

that's a pretty loaded issue there yeah

688

00:28:15,710 --> 00:28:12,000

I definitely believe that there's

689

00:28:17,090 --> 00:28:15,720

something for sure in many cases not in

690

00:28:19,190 --> 00:28:17,100

every case of course there are some

691

00:28:21,129 --> 00:28:19,200

cases that are dubious there are some

692

00:28:23,659 --> 00:28:21,139

cases that probably have psychological

693

00:28:26,299 --> 00:28:23,669

explanations yeah there's even though

694

00:28:28,399 --> 00:28:26,309

some cases are not are weak there are

695

00:28:35,560 --> 00:28:28,409

certainly many cases that seem valid

696

00:28:42,330 --> 00:28:40,169

[Music]

697

00:28:44,609 --> 00:28:42,340

picture this you're on the phone with a

698

00:28:47,759 --> 00:28:44,619

client or colleague trying to explain

699

00:28:50,009 --> 00:28:47,769

something visual a PowerPoint a keynote

700

00:28:52,649 --> 00:28:50,019

presentation a website but it's

701
00:28:53,669 --> 00:28:52,659
frustrating because they can't see what

702
00:28:56,399 --> 00:28:53,679
you're talking about

703
00:28:58,980 --> 00:28:56,409
the solution good news they can if you

704
00:29:02,070 --> 00:28:58,990
invite them to an online meeting using

705
00:29:04,230 --> 00:29:02,080
GoToMeeting then they can see your

706
00:29:06,570 --> 00:29:04,240
computer desktop on their computer

707
00:29:08,609 --> 00:29:06,580
screen so you can show them what you're

708
00:29:10,019 --> 00:29:08,619
talking about by use goto meeting all

709
00:29:12,690 --> 00:29:10,029
the time to collaborate with colleagues

710
00:29:15,810 --> 00:29:12,700
and with clients you can try goto

711
00:29:19,950 --> 00:29:15,820
meeting free for 30 days but you must

712
00:29:23,669 --> 00:29:19,960
visit goto meeting / podcasts let's go

713
00:29:37,649 --> 00:29:23,679

to meeting.com slash podcasts for free

714

00:29:39,899 --> 00:29:37,659

30-day trial Antonio who næss joins us

715

00:29:42,090 --> 00:29:39,909

this week our co-host Chris O'Brien has

716

00:29:44,970 --> 00:29:42,100

a question I do you brought up a very

717

00:29:46,590 --> 00:29:44,980

interesting point about the implants I

718

00:29:49,529 --> 00:29:46,600

just want to return to that real quick

719

00:29:51,720 --> 00:29:49,539

with all these implant removals that

720

00:29:54,989 --> 00:29:51,730

have gone on why do you think we have

721

00:29:57,119 --> 00:29:54,999

not seen even negative results of

722

00:29:59,070 --> 00:29:57,129

analysis I know Darrell simps right

723

00:30:03,359 --> 00:29:59,080

Derrel Sims walks around with a jewelry

724

00:30:05,070 --> 00:30:03,369

box yeah yeah all these implants well

725

00:30:07,350 --> 00:30:05,080

you know why don't we get these things

726

00:30:09,659 --> 00:30:07,360

tested why don't we find out it will be

727

00:30:11,970 --> 00:30:09,669

tested as a matter of fact in the

728

00:30:14,820 --> 00:30:11,980

current in the first issue of our new

729

00:30:18,299 --> 00:30:14,830

magazine open minds we do have an

730

00:30:20,549 --> 00:30:18,309

article and by Steve Korbelt who is a

731

00:30:23,820 --> 00:30:20,559

material scientist from California who

732

00:30:26,190 --> 00:30:23,830

works with the Roger and he discusses a

733

00:30:28,289 --> 00:30:26,200

case there the so called John Smith case

734

00:30:30,389 --> 00:30:28,299

because obviously this person doesn't

735

00:30:32,549 --> 00:30:30,399

want its name publicly so there's some

736

00:30:35,359 --> 00:30:32,559

detail there Steve did a much more

737

00:30:38,039 --> 00:30:35,369

technical analysis which is very very

738

00:30:40,769 --> 00:30:38,049

complex and worrying you know I mean

739

00:30:43,139 --> 00:30:40,779

charts and your metals and whatever so

740

00:30:45,810 --> 00:30:43,149

it's not really suitable for a popular

741

00:30:48,509 --> 00:30:45,820

magazine like ours so what we did is we

742

00:30:50,190 --> 00:30:48,519

posted it in our website so in it's also

743

00:30:50,549 --> 00:30:50,200

listed at the end of the article if you

744

00:30:52,080 --> 00:30:50,559

want

745

00:30:54,149 --> 00:30:52,090

rediff you are an engineer or a

746

00:30:56,549 --> 00:30:54,159

scientist and you can understand these

747

00:30:59,129 --> 00:30:56,559

terminologies you know then you can go

748

00:31:02,519 --> 00:30:59,139

to the website and download and it's

749

00:31:04,499 --> 00:31:02,529

like a 30 page PDF with the pictures and

750

00:31:07,200 --> 00:31:04,509

everything so some analysis have been

751

00:31:08,970 --> 00:31:07,210

made but you know Jean is like

752

00:31:12,360 --> 00:31:08,980

everything if you want to do really

753

00:31:15,749 --> 00:31:12,370

top-notch analysis you need funding so

754

00:31:17,820 --> 00:31:15,759

often for the private who follow gist or

755

00:31:19,889 --> 00:31:17,830

the people that run these support groups

756

00:31:21,509 --> 00:31:19,899

or whatever they don't have the funding

757

00:31:24,960 --> 00:31:21,519

you have to use their like electron

758

00:31:26,489 --> 00:31:24,970

microscopes and scan the object and see

759

00:31:29,399 --> 00:31:26,499

this composition you need to hire

760

00:31:32,609 --> 00:31:29,409

professional scientists so hopefully

761

00:31:34,859 --> 00:31:32,619

this will happen but it's it is this the

762

00:31:36,779 --> 00:31:34,869

kind of area where people like Bigelow

763

00:31:38,850 --> 00:31:36,789

you know could could quit sponsor but I

764

00:31:40,680 --> 00:31:38,860

guess he's busy putting hotels in

765

00:31:43,590 --> 00:31:40,690

spaceman well that's a good idea

766

00:31:46,739 --> 00:31:43,600

in fact I said we need Bigelow to save

767

00:31:48,899 --> 00:31:46,749

the space program it is really going off

768

00:31:51,060 --> 00:31:48,909

the cliff okay but looking at this thing

769

00:31:53,999 --> 00:31:51,070

all right you have the analysis is there

770

00:31:56,730 --> 00:31:54,009

anything there that seems to be unusual

771

00:32:00,060 --> 00:31:56,740

weird yeah I couldn't tell you the

772

00:32:02,730 --> 00:32:00,070

details right now because it also varies

773

00:32:05,210 --> 00:32:02,740

you're not from case to case but I

774

00:32:07,710 --> 00:32:05,220

understand that in in some cases

775

00:32:10,350 --> 00:32:07,720

according to Roger anyway but you

776

00:32:12,779 --> 00:32:10,360

interview Roger yeah there was some I

777

00:32:15,239 --> 00:32:12,789

believe some of these pieces that were

778

00:32:17,759 --> 00:32:15,249

supposed to have behaved strangely or

779

00:32:20,549 --> 00:32:17,769

they Cho they were changes oh you got

780

00:32:22,139 --> 00:32:20,559

the report yeah you you have a report

781

00:32:31,259 --> 00:32:22,149

right now I'm looking at it as we talk

782

00:32:33,389 --> 00:32:31,269

but you go to openminds.tv/radio and so

783

00:32:36,690 --> 00:32:33,399

if you you probably estimate that you

784

00:32:38,759 --> 00:32:36,700

have I would say probably about 30 or so

785

00:32:40,950 --> 00:32:38,769

this implant I know Roger himself has

786

00:32:43,080 --> 00:32:40,960

worked on 15 cases but other people have

787

00:32:45,419 --> 00:32:43,090

worked another I worked on one of the

788

00:32:48,210 --> 00:32:45,429

first cases was the Richard Price case

789

00:32:50,999 --> 00:32:48,220

you might remember that gene clusion

790

00:32:52,980 --> 00:32:51,009

that okay and there's one paragraph here

791

00:32:54,899 --> 00:32:52,990

where this is where he reaches that

792

00:32:57,269 --> 00:32:54,909

decision and the manufacturer of a

793

00:33:00,720 --> 00:32:57,279

device comparable to this one is

794

00:33:03,390 --> 00:33:00,730

probably beyond the technology of known

795

00:33:05,910 --> 00:33:03,400

earthly commercial processes at the

796

00:33:08,490 --> 00:33:05,920

in time it is most likely therefore that

797

00:33:11,400 --> 00:33:08,500

the device was manufactured by an alien

798

00:33:13,980 --> 00:33:11,410

civilization yeah you go ok so that's

799

00:33:17,220 --> 00:33:13,990

his conclusion which boom all right at

800

00:33:19,680 --> 00:33:17,230

least there's no equivocation there he's

801
00:33:22,080 --> 00:33:19,690
making a decision certainly we have to

802
00:33:24,720 --> 00:33:22,090
see whether that particular conclusions

803
00:33:26,520 --> 00:33:24,730
LEDs up in the story of the abduction

804
00:33:28,230 --> 00:33:26,530
itself which is quite interesting it's

805
00:33:30,990 --> 00:33:28,240
and of course it's in our magazine and

806
00:33:32,370 --> 00:33:31,000
there's some explanation of the object

807
00:33:33,660 --> 00:33:32,380
in our magazine but like I said as you

808
00:33:36,419 --> 00:33:33,670
could tell there it gets very very

809
00:33:40,290 --> 00:33:36,429
technical it's it's a field that needs

810
00:33:42,240 --> 00:33:40,300
of course more more research but I mean

811
00:33:44,700 --> 00:33:42,250
when you come to think of it in 20 years

812
00:33:47,880 --> 00:33:44,710
ago there was no influence they were

813
00:33:49,590 --> 00:33:47,890

just talk of influence strange the way

814

00:33:51,600 --> 00:33:49,600

this thing has migrated and the thing I

815

00:33:53,430 --> 00:33:51,610

wonder about which is why I tend to be

816

00:33:56,010 --> 00:33:53,440

skeptical about this now we don't know

817

00:33:57,990 --> 00:33:56,020

what he says this is alien I don't know

818

00:33:59,730 --> 00:33:58,000

this has to be confirmed by other people

819

00:34:02,220 --> 00:33:59,740

all right the thing I worry about the

820

00:34:04,650 --> 00:34:02,230

implants is to what purpose is this

821

00:34:06,480 --> 00:34:04,660

something like a tracking device well

822

00:34:09,000 --> 00:34:06,490

that would be the more obvious

823

00:34:10,139 --> 00:34:09,010

explanation not necessarily a correct

824

00:34:12,750 --> 00:34:10,149

one because if you're dealing with

825

00:34:15,210 --> 00:34:12,760

aliens who knows what how what's the way

826

00:34:17,190 --> 00:34:15,220

of doing things but consider that we do

827

00:34:17,610 --> 00:34:17,200

the same to animals right to endangered

828

00:34:19,530 --> 00:34:17,620

species

829

00:34:21,690 --> 00:34:19,540

scientists go and shoot them with a

830

00:34:23,940 --> 00:34:21,700

tranquilizer and put the implant them

831

00:34:26,100 --> 00:34:23,950

with it with the chip basically that so

832

00:34:28,530 --> 00:34:26,110

they can the scientists can monitor you

833

00:34:30,659 --> 00:34:28,540

know the migration patterns of animals

834

00:34:33,270 --> 00:34:30,669

and so on I mean we do it this is an

835

00:34:35,820 --> 00:34:33,280

RFID device of some right okay so it's

836

00:34:41,040 --> 00:34:35,830

sending signals maybe to them wherever

837

00:34:43,590 --> 00:34:41,050

they are wherever they are since if you

838

00:34:46,440 --> 00:34:43,600

have some kind of program for abducting

839

00:34:48,840 --> 00:34:46,450

people which seems to be at least as a

840

00:34:50,540 --> 00:34:48,850

hypothesis presented by Hopkins and all

841

00:34:52,950 --> 00:34:50,550

these people then it makes sense

842

00:34:54,840 --> 00:34:52,960

initially when the abduction phenomena

843

00:34:56,040 --> 00:34:54,850

first started and you probably because

844

00:34:57,990 --> 00:34:56,050

you go all the way back you remember

845

00:35:01,170 --> 00:34:58,000

that even heinie can go like that used

846

00:35:03,690 --> 00:35:01,180

to be so we're likely to only see a UFO

847

00:35:05,880 --> 00:35:03,700

once so it was everything was supposed

848

00:35:07,470 --> 00:35:05,890

to be random maybe you were abducted

849

00:35:09,270 --> 00:35:07,480

because you happen to be on the wrong

850

00:35:11,610 --> 00:35:09,280

place at the wrong time and the aliens

851
00:35:13,920 --> 00:35:11,620
got you something but actually makes

852
00:35:15,870 --> 00:35:13,930
more sense to follow up the subject

853
00:35:17,130 --> 00:35:15,880
that's the way we do things

854
00:35:19,050 --> 00:35:17,140
we're doing any kind of scientific

855
00:35:21,750 --> 00:35:19,060
project you know we don't just go down

856
00:35:24,150 --> 00:35:21,760
random and then go random elsewhere

857
00:35:26,130 --> 00:35:24,160
I mean maybe initially is random and

858
00:35:28,830 --> 00:35:26,140
then once we once we got to our target

859
00:35:30,960 --> 00:35:28,840
then you keep on that target so I think

860
00:35:34,230 --> 00:35:30,970
that that makes sense there are too many

861
00:35:37,470 --> 00:35:34,240
abductions too many situations of

862
00:35:40,080 --> 00:35:37,480
missing time it's too much it's like you

863
00:35:42,570 --> 00:35:40,090

see all these cases where et gets out of

864

00:35:44,760 --> 00:35:42,580

the spaceship like the movie et he takes

865

00:35:47,520 --> 00:35:44,770

the soil samples after the first soil

866

00:35:49,050 --> 00:35:47,530

sample y-yeah these implants they don't

867

00:35:52,050 --> 00:35:49,060

need to be the size of a you know the

868

00:35:53,760 --> 00:35:52,060

size of a little chip of bone or wood or

869

00:35:54,870 --> 00:35:53,770

something they could even with our

870

00:35:56,970 --> 00:35:54,880

technology they could have something

871

00:35:58,380 --> 00:35:56,980

nano size yeah that you would never be

872

00:36:00,180 --> 00:35:58,390

able to spot

873

00:36:02,940 --> 00:36:00,190

well actually the one that was taken

874

00:36:04,740 --> 00:36:02,950

from this guy is very small oh yeah it's

875

00:36:07,050 --> 00:36:04,750

very small right but if you look at the

876

00:36:11,100 --> 00:36:07,060

chip inside my iPhone you know it's like

877

00:36:13,290 --> 00:36:11,110

they're using a 32 or 48 nanometer

878

00:36:15,450 --> 00:36:13,300

process to build right ship for heaven's

879

00:36:17,400 --> 00:36:15,460

sake and that's got thousands maybe

880

00:36:20,940 --> 00:36:17,410

millions of transistors yeah I don't

881

00:36:24,630 --> 00:36:20,950

know I mean the abduction phenomena is a

882

00:36:27,480 --> 00:36:24,640

weird one I'm not a theory person

883

00:36:29,760 --> 00:36:27,490

personally because I I saw this at the

884

00:36:31,440 --> 00:36:29,770

beginning of my involvement with UFOs

885

00:36:33,300 --> 00:36:31,450

that that people when people get very

886

00:36:36,570 --> 00:36:33,310

attached to their theory first gotten

887

00:36:38,250 --> 00:36:36,580

involved in ufology I saw that when you

888

00:36:39,990 --> 00:36:38,260

become very attached to a theory

889

00:36:41,190 --> 00:36:40,000

whatever your theory may be you know

890

00:36:43,980 --> 00:36:41,200

it's what the rest you'll or

891

00:36:45,900 --> 00:36:43,990

interdimensional or normal phenomenon

892

00:36:48,030 --> 00:36:45,910

whatever then you're gonna start

893

00:36:49,890 --> 00:36:48,040

naturally first of all you can start

894

00:36:51,450 --> 00:36:49,900

fighting with other people at different

895

00:36:54,060 --> 00:36:51,460

theories and this happens all the time

896

00:36:55,920 --> 00:36:54,070

and there's a second you're gonna start

897

00:36:57,690 --> 00:36:55,930

filtering also the data even

898

00:36:59,490 --> 00:36:57,700

subconsciously even if you try to be

899

00:37:01,920 --> 00:36:59,500

objective but if you believe very strong

900

00:37:03,450 --> 00:37:01,930

that this is the scenario then you're

901
00:37:05,910 --> 00:37:03,460
going to naturally be filtering the data

902
00:37:07,290 --> 00:37:05,920
to suit your theory and so this

903
00:37:09,180 --> 00:37:07,300
happening you know with different people

904
00:37:10,410 --> 00:37:09,190
way way back so that's one of the issues

905
00:37:12,180 --> 00:37:10,420
were having with abductions where

906
00:37:14,220 --> 00:37:12,190
certain abduction researchers are

907
00:37:15,720 --> 00:37:14,230
dealing with hybrids you know they're

908
00:37:17,460 --> 00:37:15,730
looking for hybrids we're creating right

909
00:37:20,030 --> 00:37:17,470
hybrids and now of course maybe it looks

910
00:37:23,070 --> 00:37:20,040
more authentic because we now know that

911
00:37:24,690 --> 00:37:23,080
humans can mate with Neanderthals that's

912
00:37:26,820 --> 00:37:24,700
how you see those cavemen on the Geico

913
00:37:27,180 --> 00:37:26,830

commercials right exactly right that's

914

00:37:29,940 --> 00:37:27,190

what

915

00:37:31,530 --> 00:37:29,950

come from see I don't who knows and well

916

00:37:33,960 --> 00:37:31,540

the other theory that now seems to be

917

00:37:35,790 --> 00:37:33,970

very popular which wasn't at all popular

918

00:37:38,190 --> 00:37:35,800

when I became involved and you know I

919

00:37:40,260 --> 00:37:38,200

used to go to the but Hopkins no I'm not

920

00:37:42,839 --> 00:37:40,270

an abductee but Hopkins always had

921

00:37:44,880 --> 00:37:42,849

guests you know back then in the 80s and

922

00:37:47,280 --> 00:37:44,890

that was a fascinating period to see a

923

00:37:48,900 --> 00:37:47,290

lot of the support group and the

924

00:37:51,000 --> 00:37:48,910

different researchers that would come to

925

00:37:53,250 --> 00:37:51,010

buds house and all that in at that time

926
00:37:55,079 --> 00:37:53,260
nobody talked about this but now seems

927
00:37:57,210 --> 00:37:55,089
more and more people talking about it

928
00:37:59,430 --> 00:37:57,220
which is my laughs you know the military

929
00:38:01,740 --> 00:37:59,440
in the mind control and all that but

930
00:38:04,260 --> 00:38:01,750
Adam according to Hopkins and Jacobs

931
00:38:07,020 --> 00:38:04,270
millions of people have been and are

932
00:38:08,609 --> 00:38:07,030
being abducted which to me is just it

933
00:38:11,490 --> 00:38:08,619
doesn't make one it doesn't make sense

934
00:38:13,410 --> 00:38:11,500
at all yeah well the party they based it

935
00:38:16,460 --> 00:38:13,420
on the Roper Paul remember which was

936
00:38:18,720 --> 00:38:16,470
financed by Bigelow but that was just an

937
00:38:21,180 --> 00:38:18,730
assessment based on this questionnaire

938
00:38:23,609 --> 00:38:21,190

so who knows depends on the questions

939

00:38:26,190 --> 00:38:23,619

depends on the sampling it's not easy

940

00:38:28,170 --> 00:38:26,200

but one thing about abductions they are

941

00:38:30,150 --> 00:38:28,180

there they are reported everywhere

942

00:38:32,309 --> 00:38:30,160

though it's not at all exclusively an

943

00:38:34,530 --> 00:38:32,319

American phenomenon in fact some of the

944

00:38:35,670 --> 00:38:34,540

more early famous abductions weren't

945

00:38:37,650 --> 00:38:35,680

even in the United States you know

946

00:38:40,800 --> 00:38:37,660

villas-boas yeah yeah yeah the one in

947

00:38:43,140 --> 00:38:40,810

Brazil that is 1957 which is four years

948

00:38:44,430 --> 00:38:43,150

before the Betty hill case the only

949

00:38:47,460 --> 00:38:44,440

thing is the village boss was in

950

00:38:50,160 --> 00:38:47,470

publicize because of its sexual content

951
00:38:52,440 --> 00:38:50,170
which was too much for that era so it

952
00:38:54,569 --> 00:38:52,450
but certainly it's well documented that

953
00:38:57,390 --> 00:38:54,579
the case was was investigated at that

954
00:38:59,760 --> 00:38:57,400
time and you have a lot of interesting

955
00:39:01,829 --> 00:38:59,770
abduction cases in South America among

956
00:39:03,750 --> 00:39:01,839
other places and but there in Japan and

957
00:39:05,819 --> 00:39:03,760
Europe maybe not in the same mass

958
00:39:07,500 --> 00:39:05,829
numbers and as in the u.s. but there

959
00:39:09,930 --> 00:39:07,510
certainly are reported well that's the

960
00:39:11,760 --> 00:39:09,940
problem with cases from Latin America

961
00:39:13,260 --> 00:39:11,770
and I went over this with Scott Corrales

962
00:39:15,450 --> 00:39:13,270
a couple of times he's been on the show

963
00:39:18,329 --> 00:39:15,460

and that is that there seems to be a

964

00:39:20,670 --> 00:39:18,339

prejudice especially against Latin

965

00:39:22,740 --> 00:39:20,680

America it may be kind of an Hispanic

966

00:39:24,990 --> 00:39:22,750

thing or prejudice where you think oh

967

00:39:28,140 --> 00:39:25,000

they were just drinking and they saw

968

00:39:30,480 --> 00:39:28,150

UFOs and like that but it seems that the

969

00:39:32,819 --> 00:39:30,490

kind of cases we get from South America

970

00:39:35,069 --> 00:39:32,829

tend to be more extreme more elaborate

971

00:39:37,410 --> 00:39:35,079

and the stuff that we see here is it

972

00:39:39,120 --> 00:39:37,420

because of the way that people express

973

00:39:43,230 --> 00:39:39,130

what happened

974

00:39:44,460 --> 00:39:43,240

or is it the core data well maybe a

975

00:39:47,130 --> 00:39:44,470

little bit of both

976
00:39:49,080 --> 00:39:47,140
in general in South America or will they

977
00:39:52,440 --> 00:39:49,090
say Latin America I will include Mexico

978
00:39:54,840 --> 00:39:52,450
now the culture is more open towards the

979
00:39:56,460 --> 00:39:54,850
concept of you for so UFOs and aliens

980
00:39:59,520 --> 00:39:56,470
are actually less controversial

981
00:40:03,480 --> 00:39:59,530
if you have a big case in any South

982
00:40:05,550 --> 00:40:03,490
American capital or big city the big

983
00:40:07,710 --> 00:40:05,560
news is on the 7 o'clock news I mean it

984
00:40:13,050 --> 00:40:07,720
doesn't have the stigma that a lot of it

985
00:40:14,550 --> 00:40:13,060
has here there is no link no scientific

986
00:40:16,800 --> 00:40:14,560
community on the other hand is pretty

987
00:40:18,330 --> 00:40:16,810
bad I would say there more scientists

988
00:40:20,040 --> 00:40:18,340

professional scientists involved in the

989

00:40:21,240 --> 00:40:20,050

United States that in Latin America it's

990

00:40:23,490 --> 00:40:21,250

funny that when it comes to the

991

00:40:25,860 --> 00:40:23,500

scientific community they kind of over

992

00:40:28,890 --> 00:40:25,870

react and they get like even worse than

993

00:40:30,990 --> 00:40:28,900

their American scientists but some cases

994

00:40:33,360 --> 00:40:31,000

then now we're going to go into this

995

00:40:35,820 --> 00:40:33,370

series of incidents that took place in

996

00:40:38,280 --> 00:40:35,830

Brazil in the Amazon which Jacques

997

00:40:40,740 --> 00:40:38,290

Vallee and Bob Pratt among others wrote

998

00:40:43,050 --> 00:40:40,750

about it and so did I in articles and

999

00:40:45,840 --> 00:40:43,060

you know for universe in the past and in

1000

00:40:48,810 --> 00:40:45,850

fate where I was also colonists some

1001
00:40:50,640 --> 00:40:48,820
extreme cases to happen but not

1002
00:40:53,160 --> 00:40:50,650
everywhere in Latin America in Brazil

1003
00:40:55,620 --> 00:40:53,170
and not everywhere in Brazil in certain

1004
00:40:57,510 --> 00:40:55,630
areas of Brazil because I asked I was in

1005
00:40:59,730 --> 00:40:57,520
Brazil my brother used to be married to

1006
00:41:01,710 --> 00:40:59,740
a Brazilian woman so in the 80s I went

1007
00:41:03,960 --> 00:41:01,720
there a couple of times and I spent some

1008
00:41:06,720 --> 00:41:03,970
time and I gave lectures and I met many

1009
00:41:09,420 --> 00:41:06,730
people that's when the story about these

1010
00:41:11,910 --> 00:41:09,430
four dead hunters and the culeros Island

1011
00:41:14,550 --> 00:41:11,920
case at that time those things were new

1012
00:41:16,530 --> 00:41:14,560
so I asked what's going on in Brazil and

1013
00:41:19,620 --> 00:41:16,540

of course Brazil is huge you know Brazil

1014

00:41:21,810 --> 00:41:19,630

its larger than continental USA - Alaska

1015

00:41:25,110 --> 00:41:21,820

that's how big it is is almost half of

we're going to Brazil tell me about the

1036

00:42:33,880 --> 00:42:31,190

case right and so what why the rainy

1037

00:42:36,519 --> 00:42:33,890

grungy which one of the Dene one of the

1038

00:42:38,980 --> 00:42:36,529

pioneers of ecology in Brazil she told

1039

00:42:41,079 --> 00:42:38,990

me yes but it's not all over Brazil it's

1040

00:42:43,210 --> 00:42:41,089

only in certain areas of Brazil where

1041

00:42:46,089 --> 00:42:43,220

these violent cases happen these

1042

00:42:49,480 --> 00:42:46,099

negative cases happen in Brazil seems to

1043

00:42:53,049 --> 00:42:49,490

have I would say almost 80% of I'm just

1044

00:42:55,569 --> 00:42:53,059

estimating of the injury cases you know

1045

00:42:57,609 --> 00:42:55,579

these are the U of for bombers and these

1046

00:42:59,740 --> 00:42:57,619

are the ones that are the least likely

1047

00:43:01,539 --> 00:42:59,750

to be a hoax because who's gonna injure

1048

00:43:03,700 --> 00:43:01,549

yourself you know to say hey you know I

1049

00:43:06,099 --> 00:43:03,710

saw aliens and like the injury cases

1050

00:43:08,109 --> 00:43:06,109

give me a couple examples of injury

1051
00:43:10,839 --> 00:43:08,119
cases where people were hurt anybody

1052
00:43:14,289 --> 00:43:10,849
died but yes we're four hunters that

1053
00:43:17,529 --> 00:43:14,299
died in the states of Marin jung-in she

1054
00:43:19,269 --> 00:43:17,539
was yeah the tupis in the were cases

1055
00:43:21,730 --> 00:43:19,279
actually were the words who cases where

1056
00:43:24,670 --> 00:43:21,740
people died and in fact the Iranian

1057
00:43:26,470 --> 00:43:24,680
grungey had a letter which I transcribed

1058
00:43:30,640 --> 00:43:26,480
my remember so I had it somewhere in my

1059
00:43:32,859 --> 00:43:30,650
notes where she had been contact by a

1060
00:43:35,289 --> 00:43:32,869
member of the attorney general's office

1061
00:43:37,180 --> 00:43:35,299
in one of these states because she was

1062
00:43:39,579 --> 00:43:37,190
an expert on UFOs which means that they

1063
00:43:42,970 --> 00:43:39,589

were looking at the UFO angle you know

1064

00:43:46,120 --> 00:43:42,980

from from a judicial investigation yes

1065

00:43:48,819 --> 00:43:46,130

people were being hit by beams clearly

1066

00:43:51,819 --> 00:43:48,829

and they were injured in in a few cases

1067

00:43:54,099 --> 00:43:51,829

they passed away these were very strange

1068

00:43:56,140 --> 00:43:54,109

cases there was a panic in the area

1069

00:43:58,420 --> 00:43:56,150

eventually because this thing was going

1070

00:44:00,279 --> 00:43:58,430

on on a daily basis practically and

1071

00:44:02,859 --> 00:44:00,289

people started leaving this this

1072

00:44:05,829 --> 00:44:02,869

particular area ballet writes about this

1073

00:44:08,019 --> 00:44:05,839

in confrontation session and eventually

1074

00:44:10,390 --> 00:44:08,029

the Air Force had to move in and they

1075

00:44:12,309 --> 00:44:10,400

set up like a camp with tents and stuff

1076
00:44:13,930 --> 00:44:12,319
to actually to even help the people that

1077
00:44:15,789 --> 00:44:13,940
were giving first aid to some of the

1078
00:44:17,950 --> 00:44:15,799
victims and to calm to calm the

1079
00:44:20,589 --> 00:44:17,960
population and supposedly they got some

1080
00:44:22,660 --> 00:44:20,599
incredible film footage direct I haven't

1081
00:44:25,120 --> 00:44:22,670
seen the film footage now the report was

1082
00:44:26,890 --> 00:44:25,130
mythical for many years I believe

1083
00:44:29,920 --> 00:44:26,900
mention it and said it was supposed to

1084
00:44:32,550 --> 00:44:29,930
be a 500-page report but nobody had seen

1085
00:44:35,430 --> 00:44:32,560
it people have heard about it but

1086
00:44:37,320 --> 00:44:35,440
that reporters has been released so I'm

1087
00:44:39,930 --> 00:44:37,330
not maybe not all of it but the bulk of

1088
00:44:43,200 --> 00:44:39,940

it you know gar the famous Brazilian who

1089

00:44:44,880 --> 00:44:43,210

follow just he's not a show okay so no

1090

00:44:47,220 --> 00:44:44,890

and that's another thing I wanted to ask

1091

00:44:50,640 --> 00:44:47,230

you about here was there an autopsy of

1092

00:44:52,980 --> 00:44:50,650

the people who were killed by this beam

1093

00:44:55,440 --> 00:44:52,990

well there is a different case in a

1094

00:44:58,920 --> 00:44:55,450

different part of Brazil near and Dam

1095

00:45:01,560 --> 00:44:58,930

where this this mutilated body was found

1096

00:45:03,240 --> 00:45:01,570

this was published by Gerry - but that

1097

00:45:05,030 --> 00:45:03,250

has nothing to do with the to puzzle

1098

00:45:08,730 --> 00:45:05,040

that is a completely different case and

1099

00:45:11,340 --> 00:45:08,740

according to some interpretation of the

1100

00:45:13,650 --> 00:45:11,350

of the autopsy some of the effects of

1101

00:45:15,660 --> 00:45:13,660

this unfortunate guy seems similar to

1102

00:45:18,330 --> 00:45:15,670

the cattle mutilations that's a good

1103

00:45:20,640 --> 00:45:18,340

question I have not seen autopsy reports

1104

00:45:23,370 --> 00:45:20,650

of the cases in northern Brazil but I

1105

00:45:24,840 --> 00:45:23,380

would imagine that they are some I think

1106

00:45:28,670 --> 00:45:24,850

I think Bella mentioned that there was a

1107

00:45:31,350 --> 00:45:28,680

doctor who was examining yes people

1108

00:45:33,810 --> 00:45:31,360

interviewed recently The History Channel

1109

00:45:36,210 --> 00:45:33,820

did a joint collaboration with a

1110

00:45:38,040 --> 00:45:36,220

Brazilian Network and I think it was

1111

00:45:41,580 --> 00:45:38,050

part of the what was called a UFO FILES

1112

00:45:43,980 --> 00:45:41,590

here and they did a good good job on

1113

00:45:45,600 --> 00:45:43,990

that slap yes they went there and they

1114

00:45:47,730 --> 00:45:45,610

interviewed the doctor who at that time

1115

00:45:49,980 --> 00:45:47,740

was a young doctor probably doing her

1116

00:45:51,300 --> 00:45:49,990

internship or something but now of

1117

00:45:54,510 --> 00:45:51,310

course she's much older

1118

00:45:56,250 --> 00:45:54,520

this happened in 77 and 78 the height of

1119

00:45:58,410 --> 00:45:56,260

this flat but there were incidents still

1120

00:46:00,570 --> 00:45:58,420

going on in the age so now the thing I

1121

00:46:03,240 --> 00:46:00,580

wanted to ask here this situation

1122

00:46:05,400 --> 00:46:03,250

involving those who were struck by a ray

1123

00:46:07,080 --> 00:46:05,410

gun let's put it on the table here

1124

00:46:10,290 --> 00:46:07,090

anywhere else in the world do we have

1125

00:46:12,990 --> 00:46:10,300

cases like this we do by not by any in

1126
00:46:15,060 --> 00:46:13,000
much smaller numbers than in Brazil and

1127
00:46:17,670 --> 00:46:15,070
Brazil seems to be there gets the bulk

1128
00:46:22,290 --> 00:46:17,680
of those I remember there's a case in

1129
00:46:24,720 --> 00:46:22,300
Finland with some skiers who got hit by

1130
00:46:26,220 --> 00:46:24,730
a beam and the doctor isn't franchising

1131
00:46:28,290 --> 00:46:26,230
well can anyone

1132
00:46:30,690 --> 00:46:28,300
well yeah Miculek is in our briefing

1133
00:46:32,580 --> 00:46:30,700
document but that was not a beam there

1134
00:46:36,030 --> 00:46:32,590
are cases where the witness was was

1135
00:46:38,250 --> 00:46:36,040
injured by the field of energy of the

1136
00:46:40,320 --> 00:46:38,260
object so maybe those are not aggressive

1137
00:46:42,480 --> 00:46:40,330
you know it's like if if you see an

1138
00:46:44,569 --> 00:46:42,490

electrified fence and you're a cow you

1139

00:46:46,249 --> 00:46:44,579

cannot read and this is danger do not

1140

00:46:48,439 --> 00:46:46,259

and you went in touch and you got

1141

00:46:50,779 --> 00:46:48,449

electrocuted it's not the fault of the

1142

00:46:53,660 --> 00:46:50,789

owner of the thing right Ashland right

1143

00:46:56,390 --> 00:46:53,670

so also the Rendlesham case when some of

1144

00:46:58,969 --> 00:46:56,400

the officers in case came a little too

1145

00:47:01,429 --> 00:46:58,979

close to the craft they also suffered

1146

00:47:03,589 --> 00:47:01,439

adverse oh yes there are hundreds of

1147

00:47:05,719 --> 00:47:03,599

cases John Schuessler the former head of

1148

00:47:08,269 --> 00:47:05,729

MUFON who used to be an aerospace

1149

00:47:10,279 --> 00:47:08,279

engineer with McDonnell Douglas and work

1150

00:47:12,650 --> 00:47:10,289

from the Johnson Space Center incredible

1151
00:47:14,829 --> 00:47:12,660
guy aerospace engineer he was

1152
00:47:17,630 --> 00:47:14,839
specialized in this area and he

1153
00:47:19,939 --> 00:47:17,640
published the whole catalog of injury

1154
00:47:21,620 --> 00:47:19,949
cases just injury cases what I'm saying

1155
00:47:24,160 --> 00:47:21,630
is the injury cases you have to divide

1156
00:47:26,599 --> 00:47:24,170
in at least two categories the ones are

1157
00:47:28,429 --> 00:47:26,609
accidental in other words the person who

1158
00:47:31,339 --> 00:47:28,439
got too close to the UFO and he got

1159
00:47:36,559 --> 00:47:31,349
injured those are the bulk and a few

1160
00:47:39,319 --> 00:47:36,569
maybe 5% 6% of cases were in careers not

1161
00:47:41,439 --> 00:47:39,329
gonna like this where the UFO it was not

1162
00:47:44,390 --> 00:47:41,449
at all a good guy I mean it was it was

1163
00:47:45,949 --> 00:47:44,400

literally aggressive it was it was

1164

00:47:47,779 --> 00:47:45,959

attacking people you know why when it

1165

00:47:52,549 --> 00:47:47,789

comes to a career things frankly my dear

1166

00:47:55,009 --> 00:47:52,559

I don't give it come on gene they're all

1167

00:47:57,049 --> 00:47:55,019

benevolent space brothers well it must

1168

00:47:59,150 --> 00:47:57,059

have been some like weird accident that

1169

00:48:01,959 --> 00:47:59,160

they zapped these poor miners they

1170

00:48:04,939 --> 00:48:01,969

actually hunted down yeah these guys run

1171

00:48:08,859 --> 00:48:04,949

it's like Shinee where he was hunting

1172

00:48:14,829 --> 00:48:12,249

and that's it so basically when this

1173

00:48:18,819 --> 00:48:14,839

happened back in Brazil was Dick Cheney

1174

00:48:22,329 --> 00:48:18,829

there now we're getting into a good

1175

00:48:24,370 --> 00:48:22,339

hypothesis well one of my favorite ones

1176

00:48:26,289 --> 00:48:24,380

of Greer's when he says that when he

1177

00:48:28,420 --> 00:48:26,299

blames the abduction so they have all of

1178

00:48:30,789 --> 00:48:28,430

the phenomena all on the secret

1179

00:48:32,799 --> 00:48:30,799

government to besmirch the name of the

1180

00:48:34,749 --> 00:48:32,809

aliens to give them a bad name that's a

1181

00:48:36,609 --> 00:48:34,759

great conspiracy theory I mean I mean

1182

00:48:38,620 --> 00:48:36,619

they also use Reagan's of course yeah

1183

00:48:40,450 --> 00:48:38,630

they said William Shatner with the

1184

00:48:42,039 --> 00:48:40,460

Raygun okay well is it like some sort of

1185

00:48:43,599 --> 00:48:42,049

particle beam yeah the our case is

1186

00:48:45,819 --> 00:48:43,609

actually in Brazil what people really

1187

00:48:48,370 --> 00:48:45,829

really did get hit by a beam there's

1188

00:48:50,709 --> 00:48:48,380

another case in Brazil in the 60s and

1189

00:48:52,029 --> 00:48:50,719

this was fairly well known for those who

1190

00:48:53,890 --> 00:48:52,039

have been in the field for a long time I

1191

00:48:56,410 --> 00:48:53,900

forgot the name of it right now

1192

00:48:59,109 --> 00:48:56,420

it was any farm Chris probably remembers

1193

00:49:02,799 --> 00:48:59,119

it in where the UFO landed classical

1194

00:49:04,989 --> 00:49:02,809

disc and three guys came out and the the

1195

00:49:06,749 --> 00:49:04,999

farmer I don't think was the owner but

1196

00:49:09,519 --> 00:49:06,759

it was whatever a guy working there I

1197

00:49:11,319 --> 00:49:09,529

grabbed the rifle so in this case the

1198

00:49:13,690 --> 00:49:11,329

aliens were actually self-defense it was

1199

00:49:15,459 --> 00:49:13,700

a human that shot first and then the

1200

00:49:18,160 --> 00:49:15,469

aliens shot a beam I have the guy and

1201

00:49:20,440 --> 00:49:18,170

hit him and he was dead within three

1202

00:49:22,719 --> 00:49:20,450

days there was a book out few years back

1203

00:49:25,239 --> 00:49:22,729

shoot him down where they actually

1204

00:49:27,339 --> 00:49:25,249

talked about the US government well

1205

00:49:30,039 --> 00:49:27,349

trying to shoot down a UFO shooting down

1206

00:49:32,529 --> 00:49:30,049

it's a cover of our first issue of open

1207

00:49:34,839 --> 00:49:32,539

minds magazine okay and this is what we

1208

00:49:38,499 --> 00:49:34,849

have is an interview with Milton Taurus

1209

00:49:40,209 --> 00:49:38,509

you know grab your sting who is an Air

1210

00:49:41,680 --> 00:49:40,219

Force pilot a retired Air Force pilot

1211

00:49:43,959 --> 00:49:41,690

and he said yes they did have those

1212

00:49:46,209 --> 00:49:43,969

instructions at one time George Knapp

1213

00:49:48,519 --> 00:49:46,219

also says the same in Russia when he

1214

00:49:50,170 --> 00:49:48,529

interviewed a colonel Sokolov who was a

1215

00:49:52,839 --> 00:49:50,180

guy the head of the Ministry of Defense

1216

00:49:54,819 --> 00:49:52,849

secret Commission on UFOs in the 80s

1217

00:49:57,849 --> 00:49:54,829

under the Soviet Union and he said the

1218

00:49:59,529 --> 00:49:57,859

Russians also had this disorder but so

1219

00:50:02,859 --> 00:49:59,539

many of these incidents ended so badly

1220

00:50:04,839 --> 00:50:02,869

in some cases the jet you know crash or

1221

00:50:06,640 --> 00:50:04,849

baby barely escaped with his life that

1222

00:50:08,469 --> 00:50:06,650

the new orders were put out it's a did

1223

00:50:11,820 --> 00:50:08,479

you see a you go for get the hell out of

1224

00:50:18,480 --> 00:50:16,080

I had a case in 67 where two carloads of

1225

00:50:21,180 --> 00:50:18,490

college students were headed north of

1226
00:50:23,850 --> 00:50:21,190
highway 17 in the San Luis Valley and an

1227
00:50:26,360 --> 00:50:23,860
object came down and landed fairly close

1228
00:50:28,980 --> 00:50:26,370
to the highway you know kids being kids

1229
00:50:32,280 --> 00:50:28,990
one of these guys who's actually a

1230
00:50:35,060 --> 00:50:32,290
student at Colorado State he got out and

1231
00:50:37,530 --> 00:50:35,070
approached it and he was hit and

1232
00:50:39,690 --> 00:50:37,540
paralyzed and knocked unconscious with a

1233
00:50:41,160 --> 00:50:39,700
beam almost like he was getting too

1234
00:50:43,560 --> 00:50:41,170
close and it zapped him and then took

1235
00:50:45,600 --> 00:50:43,570
off right eye there was a similar case

1236
00:50:46,950 --> 00:50:45,610
and this is a wonderful case wonderful

1237
00:50:49,830 --> 00:50:46,960
innocence that is so well documented

1238
00:50:52,200 --> 00:50:49,840

it's known as and I wrote a tie-in fake

1239

00:50:54,000 --> 00:50:52,210

on when I had when I was a UFO columnist

1240

00:50:56,670 --> 00:50:54,010

for faith magazine for about 10 years

1241

00:50:59,220 --> 00:50:56,680

was one of my first articles is known as

1242

00:51:01,380 --> 00:50:59,230

a period soon Inga close encounter it

1243

00:51:04,790 --> 00:51:01,390

happened in this small city copy rasa

1244

00:51:07,920 --> 00:51:04,800

nunca and South Paulo state in 1969 in

1245

00:51:10,080 --> 00:51:07,930

AU fallen that classical flying saucer

1246

00:51:12,060 --> 00:51:10,090

don't shape was tripod the whole thing

1247

00:51:14,070 --> 00:51:12,070

it was about 8 o'clock in the morning

1248

00:51:16,320 --> 00:51:14,080

according to Earthforce documents he was

1249

00:51:19,290 --> 00:51:16,330

seen by about 500 feet but there was one

1250

00:51:21,750 --> 00:51:19,300

fruit vendor whose name was Thiago Motta

1251
00:51:23,790 --> 00:51:21,760
and he was about a 19 year old he must

1252
00:51:26,280 --> 00:51:23,800
have been a very hyper guy and I guess

1253
00:51:29,520 --> 00:51:26,290
he wasn't afraid and he went over the

1254
00:51:31,470 --> 00:51:29,530
object ends as a aliens or whatever the

1255
00:51:33,600 --> 00:51:31,480
occupants had had levitated out of the

1256
00:51:35,610 --> 00:51:33,610
object and they shot him with a beam but

1257
00:51:37,320 --> 00:51:35,620
only on the thigh they only burned him

1258
00:51:39,990 --> 00:51:37,330
slightly but enough to knock him down

1259
00:51:41,790 --> 00:51:40,000
and then the UFO took off I believe it

1260
00:51:43,770 --> 00:51:41,800
was a Brazilian Air Force officer that

1261
00:51:45,990 --> 00:51:43,780
speculated that actually they might have

1262
00:51:47,670 --> 00:51:46,000
saved his life because if he had gotten

1263
00:51:49,800 --> 00:51:47,680

closer then you could have had gotten

1264

00:51:51,900 --> 00:51:49,810

affected by the field in this case

1265

00:51:53,760 --> 00:51:51,910

obviously they didn't want to be only

1266

00:51:55,560 --> 00:51:53,770

had like a third-degree burn but he was

1267

00:51:57,480 --> 00:51:55,570

taken to the hospital one and there's

1268

00:51:59,220 --> 00:51:57,490

Brazilian Air Force documents about this

1269

00:52:02,280 --> 00:51:59,230

whole incident is there a medical

1270

00:52:03,900 --> 00:52:02,290

analysis as to the injuries the nature

1271

00:52:06,930 --> 00:52:03,910

of the injuries when these people are

1272

00:52:10,740 --> 00:52:06,940

shot by the UFO similar to microwave or

1273

00:52:12,390 --> 00:52:10,750

radiation radiation sickness in our

1274

00:52:14,520 --> 00:52:12,400

briefing document we go into great

1275

00:52:18,050 --> 00:52:14,530

detail on the Miculek case which is a

1276

00:52:20,660 --> 00:52:18,060

famous Canadian case when this miner

1277

00:52:22,880 --> 00:52:20,670

think I came very close to the UFO he

1278

00:52:26,150 --> 00:52:22,890

wasn't shot he just was touched touched

1279

00:52:27,980 --> 00:52:26,160

and this thing was funny so he wasn't

1280

00:52:30,470 --> 00:52:27,990

like I think what happens to three or

1281

00:52:32,450 --> 00:52:30,480

four lands and it's a it turns off its

1282

00:52:34,640 --> 00:52:32,460

engine or something then it you don't

1283

00:52:36,680 --> 00:52:34,650

get injured but if the thing is really

1284

00:52:38,450 --> 00:52:36,690

like ready to take off or something it's

1285

00:52:41,870 --> 00:52:38,460

obviously a meeting some kind of field

1286

00:52:42,830 --> 00:52:41,880

and this guy was very sick and he ended

1287

00:52:45,500 --> 00:52:42,840

up in the hospital

1288

00:52:48,140 --> 00:52:45,510

eventually fortunately he recovered but

1289

00:52:49,580 --> 00:52:48,150

there's a whole toss here by the Royal

1290

00:52:52,430 --> 00:52:49,590

Canadian Mounted Police they

1291

00:52:54,260 --> 00:52:52,440

investigated the case so yeah there

1292

00:52:56,090 --> 00:52:54,270

there's some cases where the guy got

1293

00:52:58,160 --> 00:52:56,100

being you know there was a beam that hit

1294

00:53:00,170 --> 00:52:58,170

him in other cases it's just that he

1295

00:53:02,960 --> 00:53:00,180

came too close and he got hit by the

1296

00:53:03,920 --> 00:53:02,970

field but alright there's some kind of

1297

00:53:05,600 --> 00:53:03,930

field yeah

1298

00:53:08,090 --> 00:53:05,610

electromagnetic fields something

1299

00:53:11,390 --> 00:53:08,100

generated by the craft whatever it is

1300

00:53:13,370 --> 00:53:11,400

you get too close you are subjected to

1301

00:53:16,040 --> 00:53:13,380

its effects correct remember that also

1302

00:53:18,640 --> 00:53:16,050

this happens not just to physiologically

1303

00:53:21,080 --> 00:53:18,650

but also to machines right karst all

1304

00:53:23,810 --> 00:53:21,090

radios malfunction you know so again

1305

00:53:25,910 --> 00:53:23,820

there there's some kind of field in

1306

00:53:27,170 --> 00:53:25,920

electromagnetic field even used to be

1307

00:53:29,600 --> 00:53:27,180

called remember the electromagnetic

1308

00:53:31,250 --> 00:53:29,610

effect in the old literature night up

1309

00:53:32,990 --> 00:53:31,260

and all that way right and you wonder if

1310

00:53:34,760 --> 00:53:33,000

that causes mental effects too there's

1311

00:53:36,380 --> 00:53:34,770

some of the encounters that people have

1312

00:53:38,300 --> 00:53:36,390

are the result of some kind of

1313

00:53:40,520 --> 00:53:38,310

electromagnetic please

1314

00:53:42,470 --> 00:53:40,530

couldn't you know possibly provoke some

1315

00:53:44,690 --> 00:53:42,480

sort of hallucinatory event in a

1316

00:53:47,300 --> 00:53:44,700

person's mind yeah there's there's this

1317

00:53:49,760 --> 00:53:47,310

guy a scientist Persinger probably Chris

1318

00:53:52,130 --> 00:53:49,770

knows about him and you probably heard

1319

00:53:55,820 --> 00:53:52,140

of it was a prominent scientist in

1320

00:53:58,310 --> 00:53:55,830

Canada and he's done it takes people

1321

00:54:00,950 --> 00:53:58,320

inside like puts him inside a machine

1322

00:54:03,530 --> 00:54:00,960

and then he excites certain parts of the

1323

00:54:06,350 --> 00:54:03,540

brain and then people have Virgin Mary

1324

00:54:08,120 --> 00:54:06,360

apparitions and alien experiences and

1325

00:54:10,520 --> 00:54:08,130

they encounter Bigfoot or whatever it's

1326

00:54:12,830 --> 00:54:10,530

so it's being recreated in the in a

1327

00:54:14,000 --> 00:54:12,840

laboratory by just hitting certain parts

1328

00:54:16,570 --> 00:54:14,010

of the brain so then you sometimes

1329

00:54:18,710 --> 00:54:16,580

wonder here some people suggest maybe

1330

00:54:21,320 --> 00:54:18,720

governments are doing some kind of

1331

00:54:24,140 --> 00:54:21,330

mind-control experimentation so if you

1332

00:54:26,579 --> 00:54:24,150

subject people to electromagnetic

1333

00:54:28,620 --> 00:54:26,589

radiation you can make them

1334

00:54:30,930 --> 00:54:28,630

think if anything happened to them at

1335

00:54:33,390 --> 00:54:30,940

all completely it could be an abduction

1336

00:54:35,789 --> 00:54:33,400

it could be a UFO it could be the Virgin

1337

00:54:38,219 --> 00:54:35,799

Mary no matter what of course for Fatima

1338

00:54:41,279 --> 00:54:38,229

we didn't have electromagnetic radiation

1339

00:54:43,469 --> 00:54:41,289

did we yeah we even have UFO cases going

1340

00:54:46,259 --> 00:54:43,479

back in the past so not everything can

1341

00:54:48,930 --> 00:54:46,269

be explained you know by our technology

1342

00:54:51,359 --> 00:54:48,940

but there are situations where overlaps

1343

00:54:53,309 --> 00:54:51,369

yeah I mean the fact that people are

1344

00:54:55,680 --> 00:54:53,319

having these experiences but maybe also

1345

00:55:00,420 --> 00:54:55,690

they can be simulated just makes it more

1346

00:55:02,729 --> 00:55:00,430

complicated mold investigative watering

1347

00:55:05,519 --> 00:55:02,739

by the way that those implants are not

1348

00:55:07,589 --> 00:55:05,529

alien technology but earthly technology

1349

00:55:09,479 --> 00:55:07,599

that would explain what's going on there

1350

00:55:11,910 --> 00:55:09,489

our governments are engaged in

1351

00:55:13,920 --> 00:55:11,920

mind-control experiments well that

1352

00:55:15,660 --> 00:55:13,930

that's many people believe that but you

1353

00:55:18,599 --> 00:55:15,670

also have to ensure you bring the

1354

00:55:20,759 --> 00:55:18,609

government or a conspiracy you also have

1355

00:55:23,190 --> 00:55:20,769

to look at the purpose what is the

1356

00:55:25,380 --> 00:55:23,200

purpose and also the logistics you know

1357

00:55:28,259 --> 00:55:25,390

the capabilities for instance one of the

1358

00:55:29,640 --> 00:55:28,269

cases I wrote in the in the website or

1359

00:55:31,529 --> 00:55:29,650

well originally had written also in

1360

00:55:34,650 --> 00:55:31,539

faith but it's now in the open minds

1361

00:55:37,729 --> 00:55:34,660

website is the Walski abduction it's a

1362

00:55:41,849 --> 00:55:37,739

fascinating case happen in Poland in

1363

00:55:44,999 --> 00:55:41,859

1978 this was a old farmer it was about

1364

00:55:47,039 --> 00:55:45,009

71 years old at the time he knew nothing

1365

00:55:50,160 --> 00:55:47,049

what's beautiful about this case was a

1366

00:55:52,349 --> 00:55:50,170

total lack of knowledge of the guy on it

1367

00:55:53,940 --> 00:55:52,359

was an uncontaminated cases we're never

1368

00:55:55,200 --> 00:55:53,950

gonna have another case like that but

1369

00:55:58,589 --> 00:55:55,210

now with the internet and all that

1370

00:56:00,120 --> 00:55:58,599

because he never even read them as alien

1371

00:56:02,069 --> 00:56:00,130

secretary calls them were like weird

1372

00:56:03,749 --> 00:56:02,079

foreigners yeah and everything was even

1373

00:56:05,940 --> 00:56:03,759

the description of the craft is like

1374

00:56:07,859 --> 00:56:05,950

low-tech but however the guy gets

1375

00:56:10,259 --> 00:56:07,869

through a medical examination and the

1376
00:56:11,849 --> 00:56:10,269
whole steps are the same now what are

1377
00:56:14,339 --> 00:56:11,859
you gonna tell me that the CIA or

1378
00:56:16,519 --> 00:56:14,349
whatever was going into the Warsaw Pact

1379
00:56:19,859 --> 00:56:16,529
countries and the height of the Cold War

1380
00:56:22,529 --> 00:56:19,869
risking you know World War 3 to abduct

1381
00:56:24,329 --> 00:56:22,539
people and create a fake alien abduction

1382
00:56:26,700 --> 00:56:24,339
that doesn't for one doesn't watch

1383
00:56:28,769 --> 00:56:26,710
doesn't wash you have cases in China

1384
00:56:30,779 --> 00:56:28,779
yeah yeah I see you're in the site if

1385
00:56:32,729 --> 00:56:30,789
you press my name then it will she lists

1386
00:56:34,680 --> 00:56:32,739
all the articles then you can get you

1387
00:56:38,190 --> 00:56:34,690
can see this Wolski one ladies and

1388
00:56:38,520 --> 00:56:38,200

gentlemen it's open minds TV there's a

1389

00:56:40,740 --> 00:56:38,530

nope

1390

00:56:43,650 --> 00:56:40,750

mine's calm totally differently yeah

1391

00:56:45,720 --> 00:56:43,660

open minds that TV and if you go into

1392

00:56:47,430 --> 00:56:45,730

the list of staff members you can then

1393

00:56:49,500 --> 00:56:47,440

check the various articles that he has

1394

00:56:51,390 --> 00:56:49,510

written for this publication don't tell

1395

00:56:54,270 --> 00:56:51,400

our listeners since we mentioned it and

1396

00:56:56,370 --> 00:56:54,280

since you are an editor of open minds

1397

00:56:58,440 --> 00:56:56,380

how does one get a copy well of course

1398

00:57:00,660 --> 00:56:58,450

you can get it through the web by going

1399

00:57:02,760 --> 00:57:00,670

to open mind start TV very simple then

1400

00:57:06,330 --> 00:57:02,770

you press magazine and you can subscribe

1401

00:57:09,330 --> 00:57:06,340

or even easier you go to any bars or

1402

00:57:11,520 --> 00:57:09,340

novels or borders and you buy there so

1403

00:57:13,380 --> 00:57:11,530

you got good distribution for it then

1404

00:57:14,820 --> 00:57:13,390

yeah we have national distribution at

1405

00:57:18,420 --> 00:57:14,830

least with those two chains

1406

00:57:20,340 --> 00:57:18,430

it's in a few you know metaphysical

1407

00:57:22,860 --> 00:57:20,350

bookstores or places like that but those

1408

00:57:25,470 --> 00:57:22,870

are selected hopefully eventually will

1409

00:57:27,480 --> 00:57:25,480

be in airport bookstores and things like

1410

00:57:29,340 --> 00:57:27,490

that but right now any bars are novels

1411

00:57:31,830 --> 00:57:29,350

and borders we'll have it in our

1412

00:57:34,290 --> 00:57:31,840

magazine is bimonthly so we just

1413

00:57:34,830 --> 00:57:34,300

published the first issue and on June

1414

00:57:37,050 --> 00:57:34,840

1st

1415

00:57:38,820 --> 00:57:37,060

the second issue hits and then this of

1416

00:57:41,970 --> 00:57:38,830

course it's only one of the things we do

1417

00:57:43,770 --> 00:57:41,980

we have a very comprehensive website we

1418

00:57:47,250 --> 00:57:43,780

have a radio show which is done by

1419

00:57:50,280 --> 00:57:47,260

Alejandro Rojas and we also work in on

1420

00:57:51,720 --> 00:57:50,290

TV productions but that's more along the

1421

00:57:54,630 --> 00:57:51,730

way you know I mean we are we're in the

1422

00:57:56,940 --> 00:57:54,640

early stages of documenting cases and

1423

00:57:59,730 --> 00:57:56,950

interviewing people but you can see in

1424

00:58:01,710 --> 00:57:59,740

our website short video clips the others

1425

00:58:03,600 --> 00:58:01,720

it looks very impressive the production

1426

00:58:05,520 --> 00:58:03,610

quality is really well we really top

1427

00:58:07,110 --> 00:58:05,530

show yeah we have Tom Ruffin who works

1428

00:58:09,420 --> 00:58:07,120

on that who used to work for Paramount

1429

00:58:11,700 --> 00:58:09,430

so it's definitely a professional so

1430

00:58:13,980 --> 00:58:11,710

some money behind the software yeah yeah

1431

00:58:15,780 --> 00:58:13,990

it's very exciting to it basically what

1432

00:58:19,350 --> 00:58:15,790

we are we're very different from Bigelow

1433

00:58:21,750 --> 00:58:19,360

we are a UFO media company this that

1434

00:58:23,910 --> 00:58:21,760

doesn't exist we're the first one we all

1435

00:58:26,430 --> 00:58:23,920

have every aspect of media we have the

1436

00:58:28,710 --> 00:58:26,440

web the magazine the radio and the TV

1437

00:58:30,450 --> 00:58:28,720

eventually we also have the conference

1438

00:58:33,150 --> 00:58:30,460

you know the International UFO Congress

1439

00:58:35,130 --> 00:58:33,160

that used to be in Laughlin Nevada that

1440

00:58:37,590 --> 00:58:35,140

was bought by us and now it's going to

1441

00:58:39,690 --> 00:58:37,600

be moved to the Phoenix area in in for

1442

00:58:41,890 --> 00:58:39,700

McDowell beginning in next February so

1443

00:58:45,040 --> 00:58:41,900

we bring in quality of

1444

00:58:46,690 --> 00:58:45,050

some of the speakers is believe me we'll

1445

00:58:48,400 --> 00:58:46,700

improve all right we'll improve

1446

00:58:51,100 --> 00:58:48,410

well certainly and I can bring up the

1447

00:58:52,900 --> 00:58:51,110

dialogue and without comparing you to a

1448

00:58:55,150 --> 00:58:52,910

certain other newsstand UFO magazine

1449

00:58:57,850 --> 00:58:55,160

what do you think it bring to the field

1450

00:59:00,220 --> 00:58:57,860

well for one thing a professional look

1451

00:59:02,140 --> 00:59:00,230

which was lacking in all even when we

1452

00:59:04,120 --> 00:59:02,150

were going back to the pulp publications

1453

00:59:06,220 --> 00:59:04,130

yes they were new spent but they were a

1454

00:59:07,870 --> 00:59:06,230

pope they had no you know they they

1455

00:59:08,350 --> 00:59:07,880

didn't have a decent art department or

1456

00:59:11,260 --> 00:59:08,360

anything

1457

00:59:13,510 --> 00:59:11,270

ours looks very professionally made also

1458

00:59:15,580 --> 00:59:13,520

we're trying to be a little bit more

1459

00:59:18,430 --> 00:59:15,590

serious you know not filter a little bit

1460

00:59:20,080 --> 00:59:18,440

the material unlike the other you have

1461

00:59:23,230 --> 00:59:20,090

for magazine there we don't have

1462

00:59:25,270 --> 00:59:23,240

colonists it's all like feature stories

1463

00:59:27,190 --> 00:59:25,280

we do have of course a new section and a

1464

00:59:28,870 --> 00:59:27,200

review section and you know those kinds

1465

00:59:31,570 --> 00:59:28,880

of features we don't have all these

1466

00:59:33,460 --> 00:59:31,580

endless you know freebies where people

1467

00:59:34,930 --> 00:59:33,470

get to vent you know their opinions and

1468

00:59:37,690 --> 00:59:34,940

that are that because what we're trying

1469

00:59:39,160 --> 00:59:37,700

to do is not go to their your your you

1470

00:59:40,840 --> 00:59:39,170

know a few thousand people weren't to

1471

00:59:42,940 --> 00:59:40,850

follow you of course there are natural

1472

00:59:45,730 --> 00:59:42,950

market we want to go to the public out

1473

00:59:47,890 --> 00:59:45,740

there to the big public that's our goal

1474

00:59:49,960 --> 00:59:47,900

so you don't want to be just in the UFO

1475

00:59:51,970 --> 00:59:49,970

field I mean we wanted to increase the

1476
00:59:54,790 --> 00:59:51,980
audience so for that you have to produce

1477
00:59:55,090 --> 00:59:54,800
a good looking publication in a serious

1478
00:59:57,400 --> 00:59:55,100
one

1479
00:59:59,350 --> 00:59:57,410
we have Antonio who Nassar co-host as

1480
01:00:03,900 --> 00:59:59,360
Christopher O'Brien will be back on the

1481
01:00:10,049 --> 01:00:06,990
so Frank what do you think about it UFOs

1482
01:00:12,599 --> 01:00:10,059
I saw one once I think they're out there

1483
01:00:13,829 --> 01:00:12,609
know what they are I don't know well I

1484
01:00:15,509 --> 01:00:13,839
believe that something is out there I

1485
01:00:17,640 --> 01:00:15,519
think that those things that you see in

1486
01:00:19,559 --> 01:00:17,650
the sky are only one small manifestation

1487
01:00:22,470 --> 01:00:19,569
of a whole wide range of phenomena that

1488
01:00:27,960 --> 01:00:22,480

people haven't properly named or have

1489

01:00:29,700 --> 01:00:27,970

attributed the wrong source to welcome

1490

01:00:35,800 --> 01:00:29,710

back to the parrot house with Jean

1491

01:00:41,080 --> 01:00:39,310

we returned with Antonio who Naas our

1492

01:00:42,970 --> 01:00:41,090

co-host is Christopher O'Brien and

1493

01:00:45,190 --> 01:00:42,980

Antonio in addition to all the many

1494

01:00:47,980 --> 01:00:45,200

thousands of other things he's done also

1495

01:00:50,860 --> 01:00:47,990

has made an extensive study of UFOs in

1496

01:00:53,020 --> 01:00:50,870

historical times and going back to that

1497

01:00:55,600 --> 01:00:53,030

particular subject we haven't explored

1498

01:00:57,100 --> 01:00:55,610

that too much on power cast and I think

1499

01:00:59,800 --> 01:00:57,110

we've only had one or two guess where we

1500

01:01:02,260 --> 01:00:59,810

go really far back but the stuff that we

1501
01:01:05,380 --> 01:01:02,270
maybe have heard about in Chariots of

1502
01:01:07,150 --> 01:01:05,390
the Gods von Daniken what does that look

1503
01:01:10,060 --> 01:01:07,160
like to you is that a possibility that

1504
01:01:13,330 --> 01:01:10,070
there were ancient astronauts yeah I

1505
01:01:16,030 --> 01:01:13,340
think so in fact the last articles I did

1506
01:01:18,730 --> 01:01:16,040
for our website the open mind stuktv I

1507
01:01:22,630 --> 01:01:18,740
just posted it I was a two-part series

1508
01:01:25,870 --> 01:01:22,640
on UFO incidents in ancient China the

1509
01:01:28,870 --> 01:01:25,880
first article dealt more like with the

1510
01:01:31,450 --> 01:01:28,880
legendary parts of legendary China but

1511
01:01:34,510 --> 01:01:31,460
then he moved into more not so ancient

1512
01:01:37,050 --> 01:01:34,520
times we had a case there by a medieval

1513
01:01:40,900 --> 01:01:37,060

poet and medieval poet and philosopher

1514

01:01:43,210 --> 01:01:40,910

Liu Yin who had a remarkable UFO

1515

01:01:45,670 --> 01:01:43,220

sighting and then on the second part I

1516

01:01:48,610 --> 01:01:45,680

deal specifically with cases during the

1517

01:01:50,410 --> 01:01:48,620

ming dynasty which ruled China between

1518

01:01:53,350 --> 01:01:50,420

the thirteen hundreds and the sixteen

1519

01:01:55,900 --> 01:01:53,360

hundreds so we're dealing you know

1520

01:01:58,570 --> 01:01:55,910

relatively more recent historical times

1521

01:02:00,760 --> 01:01:58,580

by definitely historical times and in

1522

01:02:02,620 --> 01:02:00,770

fact we have a case there which is

1523

01:02:04,480 --> 01:02:02,630

interesting because in the first hour we

1524

01:02:07,540 --> 01:02:04,490

were talking about cases where well

1525

01:02:10,120 --> 01:02:07,550

injury in this particular incident is

1526

01:02:12,940 --> 01:02:10,130

about a UFO or they don't call it of

1527

01:02:16,420 --> 01:02:12,950

course a UFO a ship that was floating

1528

01:02:19,270 --> 01:02:16,430

over the clouds which landed and it

1529

01:02:22,240 --> 01:02:19,280

paralyzed the witnesses and then the guy

1530

01:02:26,020 --> 01:02:22,250

that got the closer died for unexplained

1531

01:02:29,620 --> 01:02:26,030

reasons within several days and this is

1532

01:02:31,330 --> 01:02:29,630

in a report written in the in the 1500

1533

01:02:33,760 --> 01:02:31,340

the or this case I believe it happened

1534

01:02:35,410 --> 01:02:33,770

in 1523 or something like that and they

1535

01:02:38,620 --> 01:02:35,420

author lived in the 17th century

1536

01:02:41,770 --> 01:02:38,630

of course historical cases are there's a

1537

01:02:45,160 --> 01:02:41,780

plus and a con the plus is that they're

1538

01:02:47,920 --> 01:02:45,170

not tainted sociologically by any of the

1539

01:02:48,250 --> 01:02:47,930

modern mythology of aliens and science

1540

01:02:50,170 --> 01:02:48,260

fiction

1541

01:02:51,670 --> 01:02:50,180

and all that right and also they come

1542

01:02:54,700 --> 01:02:51,680

from a period where there was no

1543

01:02:56,050 --> 01:02:54,710

aviation except most balloons or

1544

01:02:59,350 --> 01:02:56,060

something that in balloons only in the

1545

01:03:01,270 --> 01:02:59,360

18th century so you can still talk about

1546

01:03:02,970 --> 01:03:01,280

maybe natural phenomena or other

1547

01:03:05,230 --> 01:03:02,980

explanations but certainly any

1548

01:03:06,760 --> 01:03:05,240

artificial machine gets ruled out

1549

01:03:09,130 --> 01:03:06,770

automatically because there were none

1550

01:03:11,620 --> 01:03:09,140

right in the Middle Ages or whatever but

1551

01:03:14,170 --> 01:03:11,630

on the other hand the the con it's like

1552

01:03:15,550 --> 01:03:14,180

I mean you can investigate by reading

1553

01:03:17,830 --> 01:03:15,560

documents and things like that but

1554

01:03:20,110 --> 01:03:17,840

obviously the people are long dead so

1555

01:03:21,850 --> 01:03:20,120

there's no way of of interviewing

1556

01:03:23,890 --> 01:03:21,860

witnesses it seems like that you just

1557

01:03:26,020 --> 01:03:23,900

did you only have what you have which is

1558

01:03:28,900 --> 01:03:26,030

usually written accounts or in some

1559

01:03:31,570 --> 01:03:28,910

cases you also have paintings and there

1560

01:03:33,100 --> 01:03:31,580

or miniatures or whatever and there are

1561

01:03:35,860 --> 01:03:33,110

as you probably seen them you know

1562

01:03:37,810 --> 01:03:35,870

there's quite a number of firm mostly

1563

01:03:40,780 --> 01:03:37,820

from the Renaissance a few from medieval

1564

01:03:43,270 --> 01:03:40,790

periods in fact in the briefing document

1565

01:03:47,230 --> 01:03:43,280

we had the most famous one which is the

1566

01:03:49,510 --> 01:03:47,240

the Madonna with baby Jesus and baby st.

1567

01:03:52,150 --> 01:03:49,520

John which is at the Palazzo Vecchio in

1568

01:03:54,400 --> 01:03:52,160

Florence which I actually saw it with my

1569

01:03:57,130 --> 01:03:54,410

own eyes finally I already written about

1570

01:03:58,960 --> 01:03:57,140

that that case and it's a remarkable

1571

01:04:00,880 --> 01:03:58,970

where you see I'm sure you've seen a

1572

01:04:03,190 --> 01:04:00,890

gene where you see the the person

1573

01:04:04,690 --> 01:04:03,200

looking at the UFO and if the person is

1574

01:04:07,180 --> 01:04:04,700

like this you know with this hand and

1575

01:04:09,760 --> 01:04:07,190

the dog there's a dog and the dog is

1576

01:04:11,620 --> 01:04:09,770

also looking at the UFO and this thing

1577

01:04:16,030 --> 01:04:11,630

really looks like a UFO and this

1578

01:04:18,820 --> 01:04:16,040

painting is from the late 1400s and it's

1579

01:04:20,890 --> 01:04:18,830

certainly a real real painting I mean

1580

01:04:22,720 --> 01:04:20,900

there's there's no dispute about none of

1581

01:04:25,300 --> 01:04:22,730

these paintings you can interpret them

1582

01:04:27,490 --> 01:04:25,310

there's the other one which is by a

1583

01:04:30,250 --> 01:04:27,500

painter called Salim bene which is at a

1584

01:04:32,560 --> 01:04:30,260

church in somewhere in Italy I forgot

1585

01:04:34,720 --> 01:04:32,570

right now where when you I'm sure you've

1586

01:04:37,600 --> 01:04:34,730

seen it too where the object looks like

1587

01:04:41,320 --> 01:04:37,610

a Sputnik it's it's a perfect metallic

1588

01:04:42,550 --> 01:04:41,330

ball with spikes and it's right next to

1589

01:04:46,120 --> 01:04:42,560

the Holy Trinity

1590

01:04:48,730 --> 01:04:46,130

you see God the Father Jesus and the

1591

01:04:50,410 --> 01:04:48,740

Holy Spirit as a bird but clearly this

1592

01:04:52,660 --> 01:04:50,420

is not the Holy Spirit because you see

1593

01:04:55,600 --> 01:04:52,670

the bird and then you see this in both

1594

01:04:57,700 --> 01:04:55,610

Jesus and Godfather are holding one of

1595

01:05:00,400 --> 01:04:57,710

the spikes of this

1596

01:05:02,140 --> 01:05:00,410

put Nick type object so what is that so

1597

01:05:03,970 --> 01:05:02,150

yes there is there's definitely an

1598

01:05:06,250 --> 01:05:03,980

argument that this is not a new

1599

01:05:09,730 --> 01:05:06,260

phenomenon again you see it in different

1600

01:05:11,770 --> 01:05:09,740

cultures of course far back we go yeah

1601
01:05:15,400 --> 01:05:11,780
yeah there's of course the biblical way

1602
01:05:17,890 --> 01:05:15,410
you know the Ezekiel sir vision very

1603
01:05:21,970 --> 01:05:17,900
famous where he describes a wheel within

1604
01:05:24,579 --> 01:05:21,980
a wheel and so on there's a Elisha who

1605
01:05:27,040 --> 01:05:24,589
according to the Bible was taken into by

1606
01:05:29,230 --> 01:05:27,050
God into a chariot and off he went into

1607
01:05:32,260 --> 01:05:29,240
the skies and was never seen again

1608
01:05:34,329 --> 01:05:32,270
and so biblical times there's of course

1609
01:05:37,120 --> 01:05:34,339
of course the books by is like Araya

1610
01:05:39,579 --> 01:05:37,130
Sitchin about the Sumerian mythology

1611
01:05:42,849 --> 01:05:39,589
that's as old as he gets you know in

1612
01:05:44,109 --> 01:05:42,859
terms of cultures civilizations so in

1613
01:05:45,700 --> 01:05:44,119

the previous week's show we have Jim

1614

01:05:48,700 --> 01:05:45,710

Mosley we were talking about the book

1615

01:05:50,740 --> 01:05:48,710

about contactees by Nicolas Redfern but

1616

01:05:52,690 --> 01:05:50,750

the first part of George Adamski book

1617

01:05:54,520 --> 01:05:52,700

flying saucers have landed his first

1618

01:05:56,620 --> 01:05:54,530

book where he talks about meeting the

1619

01:05:58,300 --> 01:05:56,630

Venusians in the desert the first part

1620

01:06:01,510 --> 01:05:58,310

was written by Desmond Leslie directly

1621

01:06:03,310 --> 01:06:01,520

and it was about ancient astronauts yeah

1622

01:06:05,500 --> 01:06:03,320

I meant that's when Leslie I met him

1623

01:06:07,750 --> 01:06:05,510

once I did I one of the symposiums in

1624

01:06:08,530 --> 01:06:07,760

the Republic of San Marino in Italy and

1625

01:06:09,940 --> 01:06:08,540

you're right

1626

01:06:12,940 --> 01:06:09,950

the first part are nothing to do with

1627

01:06:15,520 --> 01:06:12,950

Adamski and he dealt among other things

1628

01:06:17,320 --> 01:06:15,530

and he was probably one of the first he

1629

01:06:20,640 --> 01:06:17,330

dealt with the Vimanas and the Vimanas

1630

01:06:23,290 --> 01:06:20,650

are these flying machines basically

1631

01:06:25,480 --> 01:06:23,300

flying cars I think that's the way you

1632

01:06:28,180 --> 01:06:25,490

if you translate them exactly it means

1633

01:06:30,790 --> 01:06:28,190

flying car they are in Indian mythology

1634

01:06:32,589 --> 01:06:30,800

if you read the Mahabharata or the

1635

01:06:34,570 --> 01:06:32,599

Ramayana you know the great epics of

1636

01:06:37,510 --> 01:06:34,580

Asian Indians even give instructions on

1637

01:06:40,030 --> 01:06:37,520

how to build oh yeah yeah they of course

1638

01:06:42,880 --> 01:06:40,040

Childress you know reprinted this famous

1639

01:06:44,800 --> 01:06:42,890

book called the romanika sastra what was

1640

01:06:47,500 --> 01:06:44,810

this you know in the article I did about

1641

01:06:49,870 --> 01:06:47,510

China to their reports about the first

1642

01:06:52,150 --> 01:06:49,880

the Yellow Emperor the first Chinese

1643

01:06:54,609 --> 01:06:52,160

emperor there were people who were doing

1644

01:06:56,829 --> 01:06:54,619

chariots supposedly I mean of course

1645

01:06:59,200 --> 01:06:56,839

when you go deep into this ology

1646

01:07:01,089 --> 01:06:59,210

it's you know it's hard to where you

1647

01:07:03,670 --> 01:07:01,099

draw the line right words mythology

1648

01:07:04,930 --> 01:07:03,680

worse things happen really but even if

1649

01:07:06,880 --> 01:07:04,940

things didn't happen

1650

01:07:08,740 --> 01:07:06,890

it's like our science fiction the ideas

1651
01:07:10,930 --> 01:07:08,750
still came from somewhere right even if

1652
01:07:12,970 --> 01:07:10,940
it's a fictional account it's knowing

1653
01:07:14,590 --> 01:07:12,980
the guy is inspired by something of

1654
01:07:16,990 --> 01:07:14,600
course we also have the movie Stargate

1655
01:07:20,110 --> 01:07:17,000
where they go to the Stargate to another

1656
01:07:23,740 --> 01:07:20,120
galaxy right but the theory being that

1657
01:07:26,590 --> 01:07:23,750
in ancient times these evil beings yeah

1658
01:07:27,280 --> 01:07:26,600
other planets came here and enslaved us

1659
01:07:29,980 --> 01:07:27,290
yeah

1660
01:07:32,590 --> 01:07:29,990
well the original Stargate which was a

1661
01:07:34,390 --> 01:07:32,600
movie then became the TV sister yeah the

1662
01:07:36,700 --> 01:07:34,400
movie with James Spader

1663
01:07:37,510 --> 01:07:36,710

I heard rustle yeah and then you had the

1664

01:07:40,690 --> 01:07:37,520

TV version

1665

01:07:46,150 --> 01:07:40,700

yeah with Richard II Stargate sg-1 and

1666

01:07:48,430 --> 01:07:46,160

now it's targeted biology but mostly the

1667

01:07:50,470 --> 01:07:48,440

inspiration for the original movie not

1668

01:07:52,780 --> 01:07:50,480

the Stargate idea because that's never

1669

01:07:55,540 --> 01:07:52,790

incision but the idea of the Asian Gods

1670

01:07:57,280 --> 01:07:55,550

coming and sealing mankind they took

1671

01:07:59,110 --> 01:07:57,290

that from section basically there is

1672

01:08:01,090 --> 01:07:59,120

even in the beginning of the movie the

1673

01:08:03,070 --> 01:08:01,100

old movie the one with spider where he's

1674

01:08:05,350 --> 01:08:03,080

an archaeologist and he's talking about

1675

01:08:07,000 --> 01:08:05,360

in this inscription in the in the

1676

01:08:08,650 --> 01:08:07,010

Khufu's pyramid that's straight from

1677

01:08:10,830 --> 01:08:08,660

sitches book they just didn't give me

1678

01:08:16,390 --> 01:08:14,740

everybody but the Stargate concept is

1679

01:08:19,330 --> 01:08:16,400

there any historical reference for that

1680

01:08:22,480 --> 01:08:19,340

not that I'm aware of course you do have

1681

01:08:24,700 --> 01:08:22,490

like teleportation type things yes but

1682

01:08:26,370 --> 01:08:24,710

not with you not with a v8 you know

1683

01:08:29,710 --> 01:08:26,380

where someone goes through a device

1684

01:08:32,680 --> 01:08:29,720

basically there are stories were the in

1685

01:08:33,670 --> 01:08:32,690

folklore in the Irish Celtic formulas

1686

01:08:36,610 --> 01:08:33,680

like that

1687

01:08:38,230 --> 01:08:36,620

yeah very abduction like phenomena and

1688

01:08:40,950 --> 01:08:38,240

this was pointed out by Jacques Vallee

1689

01:08:43,510 --> 01:08:40,960

in passport to Magana where a lot of the

1690

01:08:46,180 --> 01:08:43,520

similarities then people get taken into

1691

01:08:48,460 --> 01:08:46,190

inside a cave and they're buried

1692

01:08:51,190 --> 01:08:48,470

treasure or whatever and but they never

1693

01:08:53,440 --> 01:08:51,200

walk there they saw the the supernatural

1694

01:08:56,190 --> 01:08:53,450

being or them or the wizard or whoever

1695

01:09:00,880 --> 01:08:56,200

and boom next thing they are inside

1696

01:09:03,640 --> 01:09:00,890

another situation so this is similar

1697

01:09:06,130 --> 01:09:03,650

fine dilation element 2 which is very

1698

01:09:08,590 --> 01:09:06,140

intriguing right yes there is a time

1699

01:09:10,630 --> 01:09:08,600

dilation even even in the Koran you know

1700

01:09:13,000 --> 01:09:10,640

there's a famous night journey of MA or

1701

01:09:16,060 --> 01:09:13,010

the Prophet Mohammed it's a famous

1702

01:09:20,290 --> 01:09:16,070

chapter in the Quran where he basically

1703

01:09:22,570 --> 01:09:20,300

gets taken the angel Gabriel the

1704

01:09:25,150 --> 01:09:22,580

Archangel Gabriel comes to him which is

1705

01:09:26,950 --> 01:09:25,160

sort of his intermediary you know for

1706

01:09:31,000 --> 01:09:26,960

how the Quran was revealed supposedly

1707

01:09:33,970 --> 01:09:31,010

and then he goes into a flying creature

1708

01:09:36,490 --> 01:09:33,980

which the Quran calls the black and the

1709

01:09:39,430 --> 01:09:36,500

black is basically some kind of horse

1710

01:09:40,870 --> 01:09:39,440

but that flies but it doesn't have the

1711

01:09:41,460 --> 01:09:40,880

face of a horse and they're very

1712

01:09:43,690 --> 01:09:41,470

beautiful

1713

01:09:46,690 --> 01:09:43,700

representations of this and medieval

1714

01:09:50,020 --> 01:09:46,700

Islamic natures and basically Muhammad

1715

01:09:52,360 --> 01:09:50,030

gets taken to heaven where he gets the

1716

01:09:54,850 --> 01:09:52,370

gimmick tour of heaven then he gets

1717

01:09:56,770 --> 01:09:54,860

returned and this presumably took hours

1718

01:09:58,090 --> 01:09:56,780

because you know he they taken to

1719

01:10:00,580 --> 01:09:58,100

different places and they show him

1720

01:10:03,760 --> 01:10:00,590

different stuff then he gets back to his

1721

01:10:05,980 --> 01:10:03,770

house where the bed was still worn it's

1722

01:10:07,870 --> 01:10:05,990

a wonderful little detail so again

1723

01:10:10,180 --> 01:10:07,880

that's time relation the guy might have

1724

01:10:11,740 --> 01:10:10,190

which we encountered in some UFO cases

1725

01:10:13,960 --> 01:10:11,750

where the guy might have experienced

1726

01:10:17,020 --> 01:10:13,970

ours we started our show right with the

1727

01:10:19,270 --> 01:10:17,030

Chilean case days maybe and then in in

1728

01:10:22,270 --> 01:10:19,280

our time space-time continuum

1729

01:10:24,010 --> 01:10:22,280

only like nothing happened opposite to

1730

01:10:25,510 --> 01:10:24,020

the rip van winkle where he goes to

1731

01:10:26,920 --> 01:10:25,520

sleep and things he just sleeps for a

1732

01:10:30,250 --> 01:10:26,930

little while and 20 years have gone by

1733

01:10:32,830 --> 01:10:30,260

yeah is he any older after 20 years no

1734

01:10:36,880 --> 01:10:32,840

no okay he is not that's not a bad thing

1735

01:10:39,130 --> 01:10:36,890

to do I think you know 20 years and

1736

01:10:41,560 --> 01:10:39,140

maybe at that point in time we've

1737

01:10:43,570 --> 01:10:41,570

invented warp drive well that's what

1738

01:10:44,980 --> 01:10:43,580

happened to River and Winkle he he goes

1739

01:10:47,140 --> 01:10:44,990

to sleep when you still do in the

1740

01:10:49,030 --> 01:10:47,150

British and then when he wakes up he ran

1741

01:10:51,130 --> 01:10:49,040

right into a bar and he says where's the

1742

01:10:53,110 --> 01:10:51,140

painting of George the third because he

1743

01:10:55,120 --> 01:10:53,120

sees a George there but it's George

1744

01:10:57,610 --> 01:10:55,130

Washington so they almost lynched him of

1745

01:11:00,640 --> 01:10:57,620

course because they remember

1746

01:11:02,170 --> 01:11:00,650

shorts were the dwarf type beans that

1747

01:11:03,910 --> 01:11:02,180

we're doing bullying ninepins in

1748

01:11:05,650 --> 01:11:03,920

dripping Winkle you know I mean that's

1749

01:11:07,480 --> 01:11:05,660

in the Hudson Valley where we've had a

1750

01:11:09,400 --> 01:11:07,490

lot of weird stuff that is a science

1751
01:11:09,940 --> 01:11:09,410
fiction story yeah we don't think of it

1752
01:11:14,260 --> 01:11:09,950
that way

1753
01:11:22,630 --> 01:11:14,270
no but it's a great story he had it some

1754
01:11:23,290 --> 01:11:22,640
some got a clever idea where hey

1755
01:11:24,940 --> 01:11:23,300
neighbors

1756
01:11:26,560 --> 01:11:24,950

01:12:33,050 --> 01:12:30,200

we have cause christopher Bryan with

1770

01:12:35,450 --> 01:12:33,060

Antonio who næss he's an editor of open

1771

01:12:42,649 --> 01:12:35,460

minds magazine new publication she go to

1772

01:12:45,050 --> 01:12:42,659

openminds.tv/radio and flying saucers

1773

01:12:49,490 --> 01:12:45,060

have landed the stuff written by the

1774

01:12:52,070 --> 01:12:49,500

late neon the fourtner tourettes realism

1775

01:12:55,520 --> 01:12:52,080

as an historical doctrine talking about

1776

01:12:57,740 --> 01:12:55,530

the gods or God the other Bible was

1777

01:13:00,200 --> 01:12:57,750

really ET of course the religions don't

1778

01:13:02,870 --> 01:13:00,210

want to hear that but what sort of

1779

01:13:04,750 --> 01:13:02,880

evidence that we see for it well like I

1780

01:13:07,100 --> 01:13:04,760

mentioned before we don't see

1781

01:13:09,200 --> 01:13:07,110

unfortunately we have not discovered you

1782

01:13:12,260 --> 01:13:09,210

know the physical remains of the vimana

1783

01:13:14,359 --> 01:13:12,270

or a flying chariot and if it's hard

1784

01:13:16,310 --> 01:13:14,369

enough to get modern flying saucers you

1785

01:13:18,320 --> 01:13:16,320

know that supposedly crash and they

1786

01:13:20,390 --> 01:13:18,330

can't retreat imagine something that

1787

01:13:22,340 --> 01:13:20,400

that landed a crash you know five

1788

01:13:25,939 --> 01:13:22,350

thousand years ago so that we are likely

1789

01:13:29,120 --> 01:13:25,949

to get but you have to basically study

1790

01:13:31,820 --> 01:13:29,130

the text and in some cases they I cannot

1791

01:13:33,800 --> 01:13:31,830

Rafi the illustrations and there's no

1792

01:13:36,260 --> 01:13:33,810

question that there is a sky lore that

1793

01:13:38,330 --> 01:13:36,270

the ark there are references to the

1794

01:13:41,720 --> 01:13:38,340

heavens and people that live in the

1795

01:13:44,180 --> 01:13:41,730

heavens who are superior to us who come

1796

01:13:46,939 --> 01:13:44,190

and do what they want pretty much with

1797

01:13:48,919 --> 01:13:46,949

humans and sometimes some humans get are

1798

01:13:53,620 --> 01:13:48,929

privileged and they get taken to see a

1799

01:13:56,330 --> 01:13:53,630

tour of the heaven so this is worldwide

1800

01:13:59,500 --> 01:13:56,340

this is consistent with just about even

1801

01:14:02,390 --> 01:13:59,510

like anthropologist fool the done like

1802

01:14:04,399 --> 01:14:02,400

obscure or more obscure tribes well one

1803

01:14:06,709 --> 01:14:04,409

of the more fascinating accounts is the

1804

01:14:08,359 --> 01:14:06,719

serious mystery robert temple remember

1805

01:14:11,390 --> 01:14:08,369

wrote that book called a serious mystery

1806

01:14:15,020 --> 01:14:11,400

old on the Dogon tribe in Mali and they

1807

01:14:16,220 --> 01:14:15,030

had an entire lore about not only and

1808

01:14:19,520 --> 01:14:16,230

they even had an astronomical

1809

01:14:22,160 --> 01:14:19,530

information about Mali who hadn't even

1810

01:14:25,129 --> 01:14:22,170

been confirmed by astronomy until like

1811

01:14:27,140 --> 01:14:25,139

that that it is a twin star system that

1812

01:14:29,300 --> 01:14:27,150

was not known until the late 19th

1813

01:14:32,660 --> 01:14:29,310

century and supposedly some of this Lord

1814

01:14:35,330 --> 01:14:32,670

goes centuries back so there is a you

1815

01:14:37,310 --> 01:14:35,340

know if you even think of it Carl Sagan

1816

01:14:38,330 --> 01:14:37,320

who's not a particularly friend of UFOs

1817

01:14:40,729 --> 01:14:38,340

but he wrote if

1818

01:14:43,459 --> 01:14:40,739

spoke with the Russian astrophysicist

1819

01:14:45,410 --> 01:14:43,469

shriek Oskie calling I think intelligent

1820

01:14:49,010 --> 01:14:45,420

life in the universe published in the

1821

01:14:51,530 --> 01:14:49,020

1960s and in this book he has one

1822

01:14:54,140 --> 01:14:51,540

chapter about were we contacted in

1823

01:14:56,359 --> 01:14:54,150

ancient times and he basically you know

1824

01:14:59,300 --> 01:14:56,369

the bank's a lot of them but then he

1825

01:15:01,010 --> 01:14:59,310

senses a series of parameters or one

1826

01:15:05,330 --> 01:15:01,020

would have happen if the case was real

1827

01:15:07,850 --> 01:15:05,340

and then he analyzes the the mythology

1828

01:15:11,300 --> 01:15:07,860

or the legends about an amphibious being

1829

01:15:13,370 --> 01:15:11,310

in Sumerian mythology colonics and he

1830

01:15:16,189 --> 01:15:13,380

references various texts and all that

1831

01:15:18,649 --> 01:15:16,199

and what honest did and he landed in the

1832

01:15:21,220 --> 01:15:18,659

in the Gulf there and gave them

1833

01:15:23,689 --> 01:15:21,230

civilization and writing whatever and

1834

01:15:26,270 --> 01:15:23,699

sailing and she coughs key then

1835

01:15:28,939 --> 01:15:26,280

basically conclude in that chapter that

1836

01:15:30,919 --> 01:15:28,949

this case is probably real this is Carl

1837

01:15:32,899 --> 01:15:30,929

Sagan it's not something he repeated

1838

01:15:34,850 --> 01:15:32,909

very often after that but if you read

1839

01:15:36,800 --> 01:15:34,860

the actual chapter it's there well of

1840

01:15:40,550 --> 01:15:36,810

course the Richard shaver legend has it

1841

01:15:43,310 --> 01:15:40,560

that many centuries ago we have this

1842

01:15:45,200 --> 01:15:43,320

advanced race who came from stars who

1843

01:15:48,109 --> 01:15:45,210

landed here and because of various

1844

01:15:50,419 --> 01:15:48,119

conditions on earth they left except for

1845

01:15:52,760 --> 01:15:50,429

a subset of their race right the

1846

01:15:54,890 --> 01:15:52,770

abandoned eros who became the DeRose and

1847

01:15:56,540 --> 01:15:54,900

heroes who lived in the caverns but

1848

01:15:58,820 --> 01:15:56,550

again it's the same red legend that say

1849

01:16:00,470 --> 01:15:58,830

we had advanced civilization and maybe

1850

01:16:03,080 --> 01:16:00,480

that's part of it too could there have

1851

01:16:05,149 --> 01:16:03,090

been an advanced civilization that

1852

01:16:06,500 --> 01:16:05,159

flourished on earth thousands of years

1853

01:16:08,780 --> 01:16:06,510

ago and because of some kind of

1854

01:16:12,200 --> 01:16:08,790

Cataclysm the civilization was destroyed

1855

01:16:14,990 --> 01:16:12,210

we only hear about it in legend right at

1856

01:16:17,390 --> 01:16:15,000

lances and all that it's very possible

1857

01:16:19,910 --> 01:16:17,400

the other one that in this was fiction

1858

01:16:23,570 --> 01:16:19,920

but he but he created his own mythology

1859

01:16:25,850 --> 01:16:23,580

and a very strong stuff Lovecraft right

1860

01:16:28,310 --> 01:16:25,860

HP Lovecraft and he remember he talked

1861

01:16:30,560 --> 01:16:28,320

about the Asian ones and the ancient

1862

01:16:32,660 --> 01:16:30,570

ones the cultic fool and all this the

1863

01:16:36,140 --> 01:16:32,670

ancient ones were the ones that were

1864

01:16:39,109 --> 01:16:36,150

there and and then something happened oh

1865

01:16:41,750 --> 01:16:39,119

they still are embedded somewhere in the

1866

01:16:42,379 --> 01:16:41,760

deep you rock or something you know the

1867

01:16:44,330 --> 01:16:42,389

look

1868

01:16:46,939 --> 01:16:44,340

yeah except that occasionally they put

1869

01:16:49,520 --> 01:16:46,949

our interests riyals yeah hey in that

1870

01:16:52,609 --> 01:16:49,530

could be could be of course you know

1871

01:16:54,260 --> 01:16:52,619

John keel who you know you knew and you

1872

01:16:55,280 --> 01:16:54,270

know I was friends with he thought that

1873

01:16:57,649 --> 01:16:55,290

this thing was not at all

1874

01:16:59,689 --> 01:16:57,659

extraterrestrial but it was a much more

1875

01:17:01,430 --> 01:16:59,699

closer to our environment he talked of

1876

01:17:04,280 --> 01:17:01,440

ultra terrestrials of course I think Mac

1877

01:17:06,800 --> 01:17:04,290

Tony's wrote about crypto terrestrials

1878

01:17:09,379 --> 01:17:06,810

there here yeah he would explain one

1879

01:17:11,689 --> 01:17:09,389

thing it would explain the the amounts

1880

01:17:13,700 --> 01:17:11,699

of the experiences because a you know

1881

01:17:16,040 --> 01:17:13,710

now we wouldn't be talking about someone

1882

01:17:17,660 --> 01:17:16,050

what to come across the galaxy although

1883

01:17:19,729 --> 01:17:17,670

if they did have some kind of like

1884

01:17:21,590 --> 01:17:19,739

Stargate then it wouldn't be a big deal

1885

01:17:23,930 --> 01:17:21,600

you know for them to travel anyway oh

1886

01:17:25,870 --> 01:17:23,940

what a nice little ship that would be we

1887

01:17:27,950 --> 01:17:25,880

wouldn't have to worry about warp eight

1888

01:17:30,200 --> 01:17:27,960

wouldn't have to worry about dilithium

1889

01:17:32,090 --> 01:17:30,210

crystals captain because this is what

1890

01:17:33,979 --> 01:17:32,100

used to bother you know if I Nick and

1891

01:17:35,450 --> 01:17:33,989

they all you know the more the

1892

01:17:37,729 --> 01:17:35,460

especially astronomers are always

1893

01:17:40,669 --> 01:17:37,739

complaining not about the possibility of

1894

01:17:42,379 --> 01:17:40,679

life in space because most even the even

1895

01:17:44,750 --> 01:17:42,389

the skeptics now mostly believe in that

1896

01:17:47,300 --> 01:17:44,760

that they're sure this must be life but

1897

01:17:49,430 --> 01:17:47,310

that that lies because of the distances

1898

01:17:51,410 --> 01:17:49,440

are coming here but to me that's a false

1899

01:17:53,570 --> 01:17:51,420

argument because if we're dealing with

1900

01:17:55,790 --> 01:17:53,580

some civilization that's been let's say

1901

01:17:57,680 --> 01:17:55,800

half a million years remember the old

1902

01:17:59,540 --> 01:17:57,690

principle of arthur c clarke any

1903

01:18:02,959 --> 01:17:59,550

technology that we don't understand this

1904

01:18:04,879 --> 01:18:02,969

magic so look at how we have advanced in

1905

01:18:07,910 --> 01:18:04,889

a hundred years and two hundred years i

1906

01:18:09,470 --> 01:18:07,920

mean the stuff we can do now right if

1907

01:18:11,810 --> 01:18:09,480

you live in the eighteenth century we

1908

01:18:13,669 --> 01:18:11,820

would look totally unbelievable and yet

1909

01:18:15,919 --> 01:18:13,679

in only two hundred years we've done

1910

01:18:18,740 --> 01:18:15,929

that okay so i have in my hand an iphone

1911

01:18:19,729 --> 01:18:18,750

okay me and 45 million other people i

1912

01:18:24,050 --> 01:18:19,739

have an iphone

1913

01:18:25,700 --> 01:18:24,060

take that back a hundred years 1910 what

1914

01:18:27,320 --> 01:18:25,710

the heck would they do with it there's

1915

01:18:28,790 --> 01:18:27,330

no cell know there's no cell phone

1916

01:18:30,200 --> 01:18:28,800

network they don't know anything about

1917

01:18:32,359 --> 01:18:30,210

integrated circuits they could possibly

1918

01:18:33,950 --> 01:18:32,369

get a thing to turn on but the battery

1919

01:18:35,600 --> 01:18:33,960

is going to disappear in five or six

1920

01:18:38,680 --> 01:18:35,610

hours which creates an interesting

1921

01:18:41,000 --> 01:18:38,690

question with the whole concept of

1922

01:18:42,979 --> 01:18:41,010

back-engineering you know so let's say

1923

01:18:44,930 --> 01:18:42,989

that it's assumed that the roswell or

1924

01:18:46,399 --> 01:18:44,940

any other value the incidents at least

1925

01:18:48,320 --> 01:18:46,409

some of them are true and the government

1926

01:18:50,450 --> 01:18:48,330

did recover stuff and they're trying to

1927

01:18:51,890 --> 01:18:50,460

duplicate it depends on how advanced

1928

01:18:53,240 --> 01:18:51,900

these people are you know

1929

01:18:55,400 --> 01:18:53,250

they're just a little bit more advanced

1930

01:18:57,050 --> 01:18:55,410

than us maybe we could get somewhere but

1931

01:18:59,000 --> 01:18:57,060

it's there if it's totally like you're

1932

01:19:01,130 --> 01:18:59,010

saying now like there are now 400 years

1933

01:19:03,500 --> 01:19:01,140

ago they can break down that metal

1934

01:19:05,780 --> 01:19:03,510

million times but how they're gonna get

1935

01:19:06,980 --> 01:19:05,790

the shape the thing working probably not

1936

01:19:08,420 --> 01:19:06,990

they'll probably break it and there's no

1937

01:19:10,160 --> 01:19:08,430

cell phone that works so what they can

1938

01:19:12,410 --> 01:19:10,170

do with it nothing there's no internet

1939

01:19:14,930 --> 01:19:12,420

but was the world be without an internet

1940

01:19:17,330 --> 01:19:14,940

that okay let's take ourselves back to

1941

01:19:19,550 --> 01:19:17,340

that journey back through time back to

1942

01:19:21,830 --> 01:19:19,560

the early part of the civilization now

1943

01:19:25,640 --> 01:19:21,840

Charles Fort said we are property right

1944

01:19:28,160 --> 01:19:25,650

okay so is it possible that humans were

1945

01:19:31,720 --> 01:19:28,170

seeded by an intelligent species

1946

01:19:35,780 --> 01:19:31,730

indigenous to this planet et whatever

1947

01:19:36,350 --> 01:19:35,790

they do genetic manipulation they bring

1948

01:19:39,710 --> 01:19:36,360

us about

1949

01:19:42,260 --> 01:19:39,720

they come around and check in on us what

1950

01:19:43,850 --> 01:19:42,270

does that do to our religions around the

1951

01:19:46,760 --> 01:19:43,860

world this is one of the things I

1952

01:19:49,910 --> 01:19:46,770

alluded to earlier yeah hey obviously

1953

01:19:52,280 --> 01:19:49,920

the religions it would force an entire

1954

01:19:54,050 --> 01:19:52,290

new paradigm but it's interesting and

1955

01:19:56,840 --> 01:19:54,060

this is something we'll be covering very

1956

01:19:59,420 --> 01:19:56,850

soon in in our second issue of open

1957

01:20:02,300 --> 01:19:59,430

minds magazine that and you probably all

1958

01:20:06,020 --> 01:20:02,310

saw this in the in the news or in the

1959

01:20:08,770 --> 01:20:06,030

web that lately the Vatican astronomers

1960

01:20:13,010 --> 01:20:08,780

seem to be very much talking about this

1961

01:20:15,050 --> 01:20:13,020

they had a big conference in December at

1962

01:20:17,630 --> 01:20:15,060

the Vatican Pontifical Pontifical

1963

01:20:20,150 --> 01:20:17,640

Academy of Sciences very official high

1964

01:20:22,460 --> 01:20:20,160

profile conference on astrobiology in

1965

01:20:26,330 --> 01:20:22,470

which most of the discussions were about

1966

01:20:28,970 --> 01:20:26,340

searching for life in outer space search

1967

01:20:31,880 --> 01:20:28,980

for planets and how many planets are in

1968

01:20:34,310 --> 01:20:31,890

the universe and so on the chief Vatican

1969

01:20:36,470 --> 01:20:34,320

astronomer who's originally from as a

1970

01:20:38,570 --> 01:20:36,480

Jesuit most of the Vatican astronomers

1971

01:20:41,870 --> 01:20:38,580

are Jesuits his name is foolish hey

1972

01:20:44,870 --> 01:20:41,880

Gabriel Funes he obviously is an a storm

1973

01:20:46,640 --> 01:20:44,880

has a PhD but he's also a priest he gave

1974

01:20:48,500 --> 01:20:46,650

an interview that was published in the

1975

01:20:50,780 --> 01:20:48,510

Vatican Observer which is the official

1976

01:20:53,060 --> 01:20:50,790

newspaper of the Vatican and this was

1977

01:20:55,910 --> 01:20:53,070

published in a couple of years ago and

1978

01:20:58,460 --> 01:20:55,920

the title of the headline the title of

1979

01:21:00,860 --> 01:20:58,470

the article was quite revealing the

1980

01:21:02,330 --> 01:21:00,870

extra-terrestrial is my brother so I

1981

01:21:03,709 --> 01:21:02,340

think that

1982

01:21:05,330 --> 01:21:03,719

the Vatican this is my own

1983

01:21:07,280 --> 01:21:05,340

interpretation they learned something

1984

01:21:09,740 --> 01:21:07,290

you know from the Galileo affair and

1985

01:21:12,109 --> 01:21:09,750

from Copernicus and all that I think

1986

01:21:14,930 --> 01:21:12,119

they see that that's where astronomy is

1987

01:21:16,310 --> 01:21:14,940

going and all it took and but at least

1988

01:21:17,750 --> 01:21:16,320

they learn that even if it took them

1989

01:21:19,280 --> 01:21:17,760

that long and this time they don't want

1990

01:21:21,649 --> 01:21:19,290

to be behind the Train they want to be

1991

01:21:24,169 --> 01:21:21,659

ahead so it's quite significant of

1992

01:21:26,899 --> 01:21:24,179

course theologically the existence of

1993

01:21:28,520 --> 01:21:26,909

aliens creates a host of problems for

1994

01:21:31,339 --> 01:21:28,530

the Catholic on the Christian religion

1995

01:21:33,169 --> 01:21:31,349

not so much for other religions in fact

1996

01:21:36,050 --> 01:21:33,179

the Quran even says that there are many

1997

01:21:37,820 --> 01:21:36,060

worlds but the Catholic religion has a

1998

01:21:40,129 --> 01:21:37,830

little problem there not so much with

1999

01:21:41,810 --> 01:21:40,139

the creation of other worlds because

2000

01:21:44,750 --> 01:21:41,820

obviously God the Creator could do as

2001
01:21:47,930 --> 01:21:44,760
many worlds as he pleases but with the

2002
01:21:50,450 --> 01:21:47,940
whole problem of Jesus you know and in

2003
01:21:52,040 --> 01:21:50,460
the original sin and this was discussed

2004
01:21:53,899 --> 01:21:52,050
in our article we called all these

2005
01:21:56,479 --> 01:21:53,909
different priests and theologians and so

2006
01:21:59,570 --> 01:21:56,489
on how do you deal with a race that

2007
01:22:01,910 --> 01:21:59,580
didn't have it a original sin or did

2008
01:22:04,189 --> 01:22:01,920
they get a revelation on their own did

2009
01:22:06,530 --> 01:22:04,199
God also incarnated on their planet and

2010
01:22:09,040 --> 01:22:06,540
so on so this is why traditionally the

2011
01:22:11,570 --> 01:22:09,050
church has been very leery of

2012
01:22:13,729 --> 01:22:11,580
approaching this however even the

2013
01:22:16,100 --> 01:22:13,739

Vatican has had to follow Jesus and the

2014

01:22:18,890 --> 01:22:16,110

most famous was the late Monsignor

2015

01:22:21,859 --> 01:22:18,900

Balducci whom I met and he was a

2016

01:22:24,200 --> 01:22:21,869

demonologist he was a the Vatican chief

2017

01:22:26,720 --> 01:22:24,210

Exorcist fascinating personality okay

2018

01:22:28,820 --> 01:22:26,730

did he believe in ET yeah okay he had a

2019

01:22:30,649 --> 01:22:28,830

famous saying he had a few things that

2020

01:22:33,890 --> 01:22:30,659

he always said he first he said I am NOT

2021

01:22:35,390 --> 01:22:33,900

the spokesman from the Vatican I am just

2022

01:22:37,970 --> 01:22:35,400

Monsignor Balducci and I am interested

2023

01:22:39,919 --> 01:22:37,980

in UFOs meaning not not just because

2024

01:22:41,800 --> 01:22:39,929

he's a theologian from the back says

2025

01:22:44,720 --> 01:22:41,810

unless you're dealing with specific

2026

01:22:46,580 --> 01:22:44,730

Catholic dogma you have a freedom to

2027

01:22:48,290 --> 01:22:46,590

discuss any subject so that was the

2028

01:22:50,689 --> 01:22:48,300

first thing although he was always miss

2029

01:22:52,729 --> 01:22:50,699

courted by everybody vatican priest says

2030

01:22:55,669 --> 01:22:52,739

i blah blah blah but he always clarified

2031

01:22:57,740 --> 01:22:55,679

that the other one he says is that that

2032

01:23:00,580 --> 01:22:57,750

he believed that was his own conclusion

2033

01:23:03,919 --> 01:23:00,590

that these were ETS because he said

2034

01:23:06,160 --> 01:23:03,929

angels and demons do not need machines

2035

01:23:08,810 --> 01:23:06,170

to fly around so if you need a machine

2036

01:23:11,080 --> 01:23:08,820

you're not an angel or a demon because

2037

01:23:12,910 --> 01:23:11,090

they can fly by themselves

2038

01:23:16,150 --> 01:23:12,920

and we certainly wouldn't want to admit

2039

01:23:18,580 --> 01:23:16,160

that the advance being or beings that

2040

01:23:20,590 --> 01:23:18,590

they talk about we're really et or

2041

01:23:24,490 --> 01:23:20,600

whatever he used to go to your fall

2042

01:23:26,590 --> 01:23:24,500

Congress's and he was even the last time

2043

01:23:28,780 --> 01:23:26,600

I saw him was that the ex conference so

2044

01:23:31,270 --> 01:23:28,790

he was very outspoken but like I said he

2045

01:23:33,940 --> 01:23:31,280

always said this is my own opinion I'm

2046

01:23:36,040 --> 01:23:33,950

not speaking for the Vatican so in prior

2047

01:23:38,650 --> 01:23:36,050

to Balducci who even had another

2048

01:23:40,480 --> 01:23:38,660

character another Jesuit pollutant was

2049

01:23:43,150 --> 01:23:40,490

not a Jesuit but most of these others

2050

01:23:44,230 --> 01:23:43,160

are who's called father gratzel

2051

01:23:47,500 --> 01:23:44,240

Dominical Grasso

2052

01:23:50,650 --> 01:23:47,510

he was a theologian and he went to some

2053

01:23:53,020 --> 01:23:50,660

UFO symposiums in Europe in the 1960s

2054

01:23:55,750 --> 01:23:53,030

and 70s where he gave papers and

2055

01:23:58,390 --> 01:23:55,760

everything too so even the Vatican I

2056

01:24:00,400 --> 01:23:58,400

think over the years although at that

2057

01:24:02,680 --> 01:24:00,410

time it seemed like there were only this

2058

01:24:05,050 --> 01:24:02,690

occasionally some priests that would go

2059

01:24:07,870 --> 01:24:05,060

to an event now it seems much more

2060

01:24:11,050 --> 01:24:07,880

official now you have the Vatican chief

2061

01:24:13,660 --> 01:24:11,060

astronomer giving interviews in the

2062

01:24:16,720 --> 01:24:13,670

Vatican newspaper there's been sort of a

2063

01:24:19,030 --> 01:24:16,730

an official position taken now because

2064

01:24:20,860 --> 01:24:19,040

to me in a headline like that the

2065

01:24:22,810 --> 01:24:20,870

extra-terrestrial is my brother in the

2066

01:24:25,030 --> 01:24:22,820

Vatican Observer that's not coincidental

2067

01:24:26,980 --> 01:24:25,040

I mean you know anybody that's worked on

2068

01:24:28,600 --> 01:24:26,990

the media anybody can write an article

2069

01:24:31,270 --> 01:24:28,610

something but when it comes to the

2070

01:24:32,680 --> 01:24:31,280

titles and the covers that's editorial

2071

01:24:34,030 --> 01:24:32,690

that's done by the publisher you know

2072

01:24:36,220 --> 01:24:34,040

one day they're the ones that determine

2073

01:24:38,170 --> 01:24:36,230

what is the head maybe we'll have a big

2074

01:24:46,270 --> 01:24:38,180

disclosure announcement when the Pope

2075

01:24:48,660 --> 01:24:46,280

goes to Portugal I believe that once

2076

01:24:51,520 --> 01:24:48,670

when I was new in this phenomenon and

2077

01:24:53,590 --> 01:24:51,530

there was a story in the US News & World

2078

01:24:56,350 --> 01:24:53,600

Report the Jimmy Carter was going to

2079

01:24:58,810 --> 01:24:56,360

have a big release in me being a naive

2080

01:25:01,210 --> 01:24:58,820

guy who just had come from South America

2081

01:25:03,220 --> 01:25:01,220

at that time I saw something in US News

2082

01:25:05,830 --> 01:25:03,230

& World Report and said sounded like the

2083

01:25:08,020 --> 01:25:05,840

legit and I believed it but when that

2084

01:25:10,150 --> 01:25:08,030

didn't happen you know after that I well

2085

01:25:12,820 --> 01:25:10,160

I mean I wish there was some there's

2086

01:25:14,290 --> 01:25:12,830

some there seems to be some trend or by

2087

01:25:15,010 --> 01:25:14,300

different governments to release

2088

01:25:18,220 --> 01:25:15,020

documents

2089

01:25:20,770 --> 01:25:18,230

yes but the big disclosure may be it's a

2090

01:25:22,930 --> 01:25:20,780

very long term process though and it's

2091

01:25:25,510 --> 01:25:22,940

just like a you know like a very

2092

01:25:27,280 --> 01:25:25,520

whoa that's possible but no I don't

2093

01:25:29,650 --> 01:25:27,290

believe in the dramatic press conference

2094

01:25:32,380 --> 01:25:29,660

of the president general whatever vomit

2095

01:25:35,770 --> 01:25:32,390

rotten out an alien on a special

2096

01:25:40,360 --> 01:25:35,780

broadcast TV yes it's really five suntan

2097

01:25:43,420 --> 01:25:40,370

well yeah he was right it right takes

2098

01:25:46,330 --> 01:25:43,430

off his five Symington mass and he's et

2099

01:25:49,450 --> 01:25:46,340

the mask is off and he says somebody

2100

01:25:51,850 --> 01:25:49,460

stop me yeah and then what does he do he

2101
01:25:58,930 --> 01:25:51,860
turns around years later and fesses up

2102
01:26:01,750 --> 01:25:58,940
and says what I actually remember this

2103
01:26:03,760 --> 01:26:01,760
guy was impeached right as governor of

2104
01:26:06,040 --> 01:26:03,770
Arizona this guy was thrown out of

2105
01:26:08,350 --> 01:26:06,050
office for doing things that aren't

2106
01:26:11,770 --> 01:26:08,360
kosher now maybe he was pardoned by

2107
01:26:16,030 --> 01:26:11,780
President Clinton first crimes but at

probably won't hear anywhere else hear

01:27:18,910 --> 01:27:16,430
that George snoring we have Antonio Ho

2135
01:27:21,790 --> 01:27:18,920
dais and Christopher O'Brien the subject

2136
01:27:24,790 --> 01:27:21,800
ranging from ET in ancient times to

2137
01:27:27,270 --> 01:27:24,800
governor Fife Symington okay so we are

2138
01:27:31,630 --> 01:27:27,280

going far afield but let's go back to

2139

01:27:34,529 --> 01:27:31,640

these ancient stories right now in every

2140

01:27:38,229 --> 01:27:34,539

year of history we see something moving

2141

01:27:40,600 --> 01:27:38,239

strange things that fly in the sky yeah

2142

01:27:42,489 --> 01:27:40,610

one of the articles I have on the second

2143

01:27:45,009 --> 01:27:42,499

issue is very interesting I really

2144

01:27:48,009 --> 01:27:45,019

enjoyed researching that article I call

2145

01:27:50,409 --> 01:27:48,019

it the first UFO wave in Mexico and

2146

01:27:52,750 --> 01:27:50,419

basically what happened was for a period

2147

01:27:53,830 --> 01:27:52,760

of about ten years prior to the arrival

2148

01:27:56,739 --> 01:27:53,840

of the Spanish

2149

01:28:00,209 --> 01:27:56,749

so Cortes arrived the conquistador

2150

01:28:03,939 --> 01:28:00,219

arrived in 1519 beginning around 5:10

2151
01:28:05,859 --> 01:28:03,949
1510 there was a whole series of what

2152
01:28:09,009 --> 01:28:05,869
they at the time they were called omens

2153
01:28:11,830 --> 01:28:09,019
we are stuff seeing over Mexico which

2154
01:28:15,609 --> 01:28:11,840
was some sort of as it was interpreted

2155
01:28:17,500 --> 01:28:15,619
as a sign at the time that time was up

2156
01:28:19,000 --> 01:28:17,510
basically and that there was this

2157
01:28:22,119 --> 01:28:19,010
prophecy about the return of

2158
01:28:24,369 --> 01:28:22,129
Quetzalcoatl and that's why when the

2159
01:28:26,109 --> 01:28:24,379
Spanish arrived initially there was very

2160
01:28:28,719 --> 01:28:26,119
little resistance because they thought

2161
01:28:31,419 --> 01:28:28,729
they were if not the gods themselves the

2162
01:28:33,729 --> 01:28:31,429
representatives of the gods in Cortes

2163
01:28:37,089 --> 01:28:33,739

who was ruthless by the very clever

2164

01:28:40,719 --> 01:28:37,099

intelligent man who had this mistress

2165

01:28:43,540 --> 01:28:40,729

Comaneci who was an Indian woman who

2166

01:28:45,279 --> 01:28:43,550

spoke many languages he must have been

2167

01:28:47,379 --> 01:28:45,289

informed right away of this so then he

2168

01:28:50,619 --> 01:28:47,389

used it to his advantage now one of the

2169

01:28:54,040 --> 01:28:50,629

more popular stories about alleged

2170

01:28:57,189 --> 01:28:54,050

deities goes back to 1897 the airships

2171

01:28:59,290 --> 01:28:57,199

and sure that's a real can of worms and

2172

01:29:02,350 --> 01:28:59,300

of course there is that incident at

2173

01:29:05,409 --> 01:29:02,360

Aurora Texas where ETS it was allegedly

2174

01:29:08,290 --> 01:29:05,419

buried any truth to that I think there's

2175

01:29:11,319 --> 01:29:08,300

some truth to the general airship wave

2176

01:29:13,810 --> 01:29:11,329

but the standards of the press at the

2177

01:29:16,629 --> 01:29:13,820

time were very loose there were so many

2178

01:29:19,839 --> 01:29:16,639

competition in every city had about

2179

01:29:21,369 --> 01:29:19,849

seven or eight or ten newspapers so they

2180

01:29:24,159 --> 01:29:21,379

usually who were trying to leave out

2181

01:29:26,589 --> 01:29:24,169

stayed each other and they would very

2182

01:29:28,899 --> 01:29:26,599

often resort to hoaxes worse now the

2183

01:29:30,699 --> 01:29:28,909

newspaper creates a hoax you know that

2184

01:29:32,989 --> 01:29:30,709

reporter gets fired and all that but so

2185

01:29:36,290 --> 01:29:32,999

that's very sure about yeah

2186

01:29:38,509 --> 01:29:36,300

well no I think if it's a reporter for a

2187

01:29:42,500 --> 01:29:38,519

major newspaper they work cases you know

2188

01:29:45,020 --> 01:29:42,510

where people's faked interviews so in

2189

01:29:47,239 --> 01:29:45,030

any case I think there were many hoaxes

2190

01:29:49,399 --> 01:29:47,249

but on the other hand this thing was so

2191

01:29:52,640 --> 01:29:49,409

widespread that something must have been

2192

01:29:54,799 --> 01:29:52,650

seen and because it's a true UFO wave

2193

01:29:56,870 --> 01:29:54,809

from a sociological point of view I mean

2194

01:29:59,149 --> 01:29:56,880

it was all over the United States and

2195

01:30:00,919 --> 01:29:59,159

then of course it wasn't only in the

2196

01:30:04,580 --> 01:30:00,929

United States either it was museu yeah

2197

01:30:07,310 --> 01:30:04,590

the New Zealand Europe to 1909 there was

2198

01:30:09,649 --> 01:30:07,320

another one in England keel has you know

2199

01:30:12,379 --> 01:30:09,659

wrote a great deal about this I've seen

2200

01:30:14,450 --> 01:30:12,389

some of the newspaper clippings Jacobs

2201
01:30:16,399 --> 01:30:14,460
of course David Jacobs he believes that

2202
01:30:19,279 --> 01:30:16,409
that's when the whole abduction project

2203
01:30:21,890 --> 01:30:19,289
quote started he's a historian you know

2204
01:30:23,839 --> 01:30:21,900
David Jacobs and oddly enough he even

2205
01:30:26,209 --> 01:30:23,849
though he believes in that all this

2206
01:30:28,279 --> 01:30:26,219
theory of the hybrids and all that but

2207
01:30:30,500 --> 01:30:28,289
when it comes to historical cases he's

2208
01:30:32,029 --> 01:30:30,510
very conservative he's a skeptic when it

2209
01:30:34,489 --> 01:30:32,039
comes to ancient astronauts and all that

2210
01:30:36,229 --> 01:30:34,499
but he does believe in the airship flap

2211
01:30:38,839 --> 01:30:36,239
and he says that that's when it all

2212
01:30:40,549 --> 01:30:38,849
started that's when the the first

2213
01:30:42,319 --> 01:30:40,559

abductions took place which of course

2214

01:30:45,410 --> 01:30:42,329

are not reported in the newspapers at

2215

01:30:47,509 --> 01:30:45,420

the time but there was a calf that was

2216

01:30:49,219 --> 01:30:47,519

abducted yeah although I believe that

2217

01:30:51,290 --> 01:30:49,229

case was later found to be a hoax

2218

01:30:53,299 --> 01:30:51,300

yeah one of the things I wonder about

2219

01:30:55,580 --> 01:30:53,309

here though with all the abductions how

2220

01:30:59,180 --> 01:30:55,590

far back can we take that I mean if we

2221

01:31:02,839 --> 01:30:59,190

have contacts in ancient times biblical

2222

01:31:05,810 --> 01:31:02,849

times where we come into contact or were

2223

01:31:07,850 --> 01:31:05,820

taken aboard weird craft isn't that the

2224

01:31:11,089 --> 01:31:07,860

same thing as the abduction it happens I

2225

01:31:13,700 --> 01:31:11,099

was just talking briefly before about

2226

01:31:15,830 --> 01:31:13,710

the the Mexico cases and before the

2227

01:31:17,660 --> 01:31:15,840

arrival of the Spanish one of the cases

2228

01:31:20,089 --> 01:31:17,670

I discovered and this is by the way it's

2229

01:31:22,310 --> 01:31:20,099

and all the chronicles written usually

2230

01:31:25,040 --> 01:31:22,320

by the missionaries or in some cases by

2231

01:31:27,439 --> 01:31:25,050

the conquistadors or even by the Indians

2232

01:31:29,689 --> 01:31:27,449

themselves who wrote them some of these

2233

01:31:32,719 --> 01:31:29,699

books were even written in our language

2234

01:31:35,330 --> 01:31:32,729

so it's a variety of sources and one of

2235

01:31:37,399 --> 01:31:35,340

the most fascinating cases is what I

2236

01:31:40,279 --> 01:31:37,409

call their like maybe the first

2237

01:31:43,189 --> 01:31:40,289

abduction it deals with a peasant who

2238

01:31:45,660 --> 01:31:43,199

gets taken by an eagle but then in the

2239

01:31:48,030 --> 01:31:45,670

ego takes them to a cave and

2240

01:31:51,390 --> 01:31:48,040

being something that's flies well the

2241

01:31:53,700 --> 01:31:51,400

evil talks and this is for course first

2242

01:31:57,630 --> 01:31:53,710

of all Eagles don't talk second as you

2243

01:31:59,910 --> 01:31:57,640

know it's not any of achievement second

2244

01:32:01,830 --> 01:31:59,920

in many of the UFO literature as you

2245

01:32:04,020 --> 01:32:01,840

know there are these what they call the

2246

01:32:06,960 --> 01:32:04,030

screen memories where people think that

2247

01:32:09,030 --> 01:32:06,970

they saw owls or raccoons or something

2248

01:32:11,190 --> 01:32:09,040

like that and they were really the

2249

01:32:14,520 --> 01:32:11,200

aliens but because the mind you know

2250

01:32:17,910 --> 01:32:14,530

creates tricks so here they take this

2251

01:32:20,490 --> 01:32:17,920

guy the eagle talks then they take him

2252

01:32:23,280 --> 01:32:20,500

that he has to go see the emperor

2253

01:32:25,290 --> 01:32:23,290

Moctezuma and then again we were talking

2254

01:32:27,480 --> 01:32:25,300

about this earlier he boom it's like

2255

01:32:29,970 --> 01:32:27,490

teletransported somehow he's in a room

2256

01:32:32,610 --> 01:32:29,980

where Montezuma is sleeping and they

2257

01:32:34,650 --> 01:32:32,620

give him a cigar and they say because

2258

01:32:36,450 --> 01:32:34,660

tomorrow you're gonna come see Montezuma

2259

01:32:40,410 --> 01:32:36,460

and he has to believe that you were here

2260

01:32:41,790 --> 01:32:40,420

so burn the thigh with a cigar and of

2261

01:32:43,620 --> 01:32:41,800

course the guy doesn't want to do it

2262

01:32:46,200 --> 01:32:43,630

means the Emperor's gonna get killed so

2263

01:32:47,760 --> 01:32:46,210

don't worry he's not gonna wake up so he

2264

01:32:50,460 --> 01:32:47,770

does that he burns him with a with a

2265

01:32:52,260 --> 01:32:50,470

cigar that been done the Eagle takes him

2266

01:32:53,910 --> 01:32:52,270

back to the field where he was

2267

01:32:55,500 --> 01:32:53,920

originally abducted so even that is

2268

01:32:58,170 --> 01:32:55,510

similar he gets back to the original

2269

01:33:00,930 --> 01:32:58,180

spot and they tell him that he has to go

2270

01:33:03,860 --> 01:33:00,940

see the king and tell him this warning

2271

01:33:06,540 --> 01:33:03,870

that they're giving him so he goes and

2272

01:33:09,540 --> 01:33:06,550

Montezuma receives him and first you

2273

01:33:12,330 --> 01:33:09,550

know it's suspicious of the guy but then

2274

01:33:14,610 --> 01:33:12,340

the guy says well you know sorry your

2275

01:33:17,010 --> 01:33:14,620

majesty whatever but you know this was

2276

01:33:19,380 --> 01:33:17,020

my fault I was told to do this look at

2277

01:33:21,990 --> 01:33:19,390

your thigh and sure enough he opens and

2278

01:33:24,290 --> 01:33:22,000

if there's a wound in his thigh and then

2279

01:33:27,120 --> 01:33:24,300

went to Sumer says yes I dreamed that

2280

01:33:28,890 --> 01:33:27,130

someone was burning my fine this is all

2281

01:33:31,800 --> 01:33:28,900

in the chronicle by a guy called farther

2282

01:33:33,990 --> 01:33:31,810

Diego Dillon written in the 1560s or

2283

01:33:35,580 --> 01:33:34,000

whatever then unfortunately for the guy

2284

01:33:37,020 --> 01:33:35,590

even though they ego had told him don't

2285

01:33:38,760 --> 01:33:37,030

worry nothing's going to happen to you

2286

01:33:41,100 --> 01:33:38,770

then Montezuma goes into a rage and

2287

01:33:43,380 --> 01:33:41,110

throws him in a kennel prison he says

2288

01:33:45,540 --> 01:33:43,390

and don't give food let him starve there

2289

01:33:46,689 --> 01:33:45,550

and that's so the first abductee didn't

2290

01:33:48,550 --> 01:33:46,699

do very well

2291

01:33:51,160 --> 01:33:48,560

and that's the last we heard of this guy

2292

01:33:53,800 --> 01:33:51,170

however there is a 17th century church

2293

01:33:57,370 --> 01:33:53,810

in Mexico City which I was able to visit

2294

01:33:59,530 --> 01:33:57,380

which has the episode is in stone pillar

2295

01:34:02,020 --> 01:33:59,540

they actually have the episode of the of

2296

01:34:03,430 --> 01:34:02,030

the Indian being grabbed by the evil of

2297

01:34:05,560 --> 01:34:03,440

course looks like an eagle more like a

2298

01:34:08,560 --> 01:34:05,570

UFO so you have an abduction type

2299

01:34:11,410 --> 01:34:08,570

scenario this is in the 1500s and there

2300

01:34:13,360 --> 01:34:11,420

are the cases usually when this happened

2301

01:34:15,400 --> 01:34:13,370

in the in the Middle Ages or in the

2302

01:34:17,260 --> 01:34:15,410

Renaissance even up to the seventeen

2303

01:34:19,740 --> 01:34:17,270

hundreds of course it could be dangerous

2304

01:34:22,780 --> 01:34:19,750

and because they would be immediately

2305

01:34:24,610 --> 01:34:22,790

interpreted by us terminology the demons

2306

01:34:26,620 --> 01:34:24,620

could do this kind of stuff according to

2307

01:34:28,810 --> 01:34:26,630

the all beliefs the demons could take

2308

01:34:33,130 --> 01:34:28,820

one and teletran and take him to another

2309

01:34:35,590 --> 01:34:33,140

place and play tricks there would be be

2310

01:34:36,790 --> 01:34:35,600

brought up at some point yeah oh yes we

2311

01:34:40,570 --> 01:34:36,800

haven't had the trickster on the show

2312

01:34:43,419 --> 01:34:40,580

this weekend I was about to say we

2313

01:34:46,180 --> 01:34:43,429

weren't going to have the trickster but

2314

01:34:48,760 --> 01:34:46,190

the trickster has nonetheless decided I

2315

01:34:48,939 --> 01:34:48,770

couldn't sorry gene I just made you do

2316

01:34:52,870 --> 01:34:48,949

it

2317

01:34:56,820 --> 01:34:52,880

so now that's the other thing too here

2318

01:34:58,570 --> 01:34:56,830

we have not just ET type beings we have

2319

01:35:01,209 --> 01:34:58,580

leprechauns and all these other

2320

01:35:03,669 --> 01:35:01,219

creatures right these short statured

2321

01:35:06,430 --> 01:35:03,679

creatures yes and now we have the graves

2322

01:35:08,229 --> 01:35:06,440

so can we look at leprechauns here and

2323

01:35:10,390 --> 01:35:08,239

the greys here and say you know if

2324

01:35:12,310 --> 01:35:10,400

there's a family resemblance yeah yeah

2325

01:35:15,010 --> 01:35:12,320

all you see there's some of them many of

2326

01:35:17,590 --> 01:35:15,020

the alien creatures reporting and

2327

01:35:19,630 --> 01:35:17,600

especially when you go to the old cases

2328

01:35:22,209 --> 01:35:19,640

and the 50s and when they used to land

2329

01:35:24,880 --> 01:35:22,219

and little guys would come with shovels

2330

01:35:27,790 --> 01:35:24,890

or whatever yeah it's some of those are

2331

01:35:29,290 --> 01:35:27,800

quite similar in appearance to some of

2332

01:35:31,959 --> 01:35:29,300

the creatures you have in folklore and

2333

01:35:33,700 --> 01:35:31,969

this of course is what led ballet to

2334

01:35:36,430 --> 01:35:33,710

shift you know about lanes first two

2335

01:35:38,530 --> 01:35:36,440

books he was a sort of ritual you know

2336

01:35:40,990 --> 01:35:38,540

he thought that UFOs were coming from

2337

01:35:44,169 --> 01:35:41,000

outer space and in devices and all that

2338

01:35:46,000 --> 01:35:44,179

machines but then he reassessed his his

2339

01:35:48,580 --> 01:35:46,010

position with this famous book called

2340

01:35:50,860 --> 01:35:48,590

passport - magana which later was kind

2341

01:35:52,780 --> 01:35:50,870

of reissued in dimensions it was pretty

2342

01:35:54,459 --> 01:35:52,790

much the same book where he did all

2343

01:35:56,520 --> 01:35:54,469

these comparisons with folklore of

2344

01:35:57,810 --> 01:35:56,530

course there's always a sociological

2345

01:35:59,850 --> 01:35:57,820

component

2346

01:36:01,740 --> 01:35:59,860

which is true for modern times and it's

2347

01:36:04,140 --> 01:36:01,750

true for ancient times so maybe you're

2348

01:36:05,760 --> 01:36:04,150

seeing something but your mind will

2349

01:36:08,430 --> 01:36:05,770

interpret it in something that is

2350

01:36:10,470 --> 01:36:08,440

somewhat familiar to you you know so the

2351

01:36:13,379 --> 01:36:10,480

old people had these various beliefs

2352

01:36:14,879 --> 01:36:13,389

about leprechauns and in all these all

2353

01:36:18,629 --> 01:36:14,889

these fairies and all these kinds of

2354

01:36:20,640 --> 01:36:18,639

things in our mythologies aliens like

2355

01:36:22,680 --> 01:36:20,650

The Dropper they were considered I mean

2356

01:36:25,260 --> 01:36:22,690

they're like four foot tall and the job

2357

01:36:26,280 --> 01:36:25,270

in China insurance allegedly allegedly

2358

01:36:28,169 --> 01:36:26,290

yeah

2359

01:36:30,780 --> 01:36:28,179

because that I don't know how badly that

2360

01:36:32,910 --> 01:36:30,790

story is but it's a fascinating story

2361

01:36:34,530 --> 01:36:32,920

but I did some research on that case

2362

01:36:37,439 --> 01:36:34,540

this is where your fault supposed to

2363

01:36:40,140 --> 01:36:37,449

have crash in in an area of Tibet or

2364

01:36:42,540 --> 01:36:40,150

China annuity bed people intermingle and

2365

01:36:44,700 --> 01:36:42,550

eventually created the small race of

2366

01:36:47,970 --> 01:36:44,710

Tibetans or whatever and there were

2367

01:36:50,520 --> 01:36:47,980

these Stone discs allegedly and this was

2368

01:36:53,220 --> 01:36:50,530

published in some Russian magazines in

2369

01:36:55,680 --> 01:36:53,230

the 60s but to this day I've never seen

2370

01:36:57,899 --> 01:36:55,690

any of the discs or The Dropper scams

2371

01:37:00,030 --> 01:36:57,909

yeah string of stones we look at things

2372

01:37:02,129 --> 01:37:00,040

like Stonehenge other ancient artifacts

2373

01:37:04,470 --> 01:37:02,139

of course the pyramids of Egypt we say

2374

01:37:06,240 --> 01:37:04,480

you know what the pyramids of Egypt they

2375

01:37:08,640 --> 01:37:06,250

couldn't do that without some help of

2376

01:37:11,660 --> 01:37:08,650

course nowadays we say yeah I guess they

2377

01:37:14,310 --> 01:37:11,670

did but these are any evidence of any

2378

01:37:16,200 --> 01:37:14,320

outside intervention and creating

2379

01:37:18,240 --> 01:37:16,210

artifacts of that type not direct

2380

01:37:20,399 --> 01:37:18,250

evidence I think it's a matter of

2381

01:37:22,649 --> 01:37:20,409

interpretation and of course when people

2382

01:37:25,020 --> 01:37:22,659

like von Daniken goes to these countries

2383

01:37:26,970 --> 01:37:25,030

you know I one time he was practically

2384

01:37:29,430 --> 01:37:26,980

they clear I think persona non grata in

2385

01:37:31,560 --> 01:37:29,440

Peru Bolivia or something because they

2386

01:37:34,379 --> 01:37:31,570

they thought it was an insult he was

2387

01:37:36,930 --> 01:37:34,389

insulting their own culture by saying no

2388

01:37:39,810 --> 01:37:36,940

you guys were too stupid too ignorant so

2389

01:37:43,200 --> 01:37:39,820

- do you know Machu Picchu or Tiahuanaco

2390

01:37:44,939 --> 01:37:43,210

so it had to be the aliens but again you

2391

01:37:46,910 --> 01:37:44,949

know if some of these things there are

2392

01:37:48,680 --> 01:37:46,920

legends and

2393

01:37:50,870 --> 01:37:48,690

that the gods had something to do with

2394

01:37:52,790 --> 01:37:50,880

it or whatever but but the monuments

2395

01:37:55,450 --> 01:37:52,800

themselves I don't think it's a very

2396

01:37:58,340 --> 01:37:55,460

strong proof except maybe Baalbek

2397

01:38:01,729 --> 01:37:58,350

Baalbek is that the famous temple in

2398

01:38:03,830 --> 01:38:01,739

Lebanon and this thing has these massive

2399

01:38:06,260 --> 01:38:03,840

boulders that there are so humongous

2400

01:38:09,560 --> 01:38:06,270

that I don't think even our most modern

2401
01:38:10,340 --> 01:38:09,570
technology we can add a thousand tons I

2402
01:38:13,280 --> 01:38:10,350
think that's the big one

2403
01:38:14,930 --> 01:38:13,290
and it's it's it's actually worked it's

2404
01:38:16,490 --> 01:38:14,940
a work stone it's not natural stone

2405
01:38:18,830 --> 01:38:16,500
right there is the problem of the

2406
01:38:20,660 --> 01:38:18,840
transportation even in storage how did

2407
01:38:22,430 --> 01:38:20,670
they move all Easter Island there all

2408
01:38:24,169 --> 01:38:22,440
these places there they're one of the

2409
01:38:27,080 --> 01:38:24,179
things that had left some people to the

2410
01:38:29,240 --> 01:38:27,090
ancient astronaut is because not even so

2411
01:38:31,729 --> 01:38:29,250
much how they did it but how they moved

2412
01:38:34,070 --> 01:38:31,739
how are they able to move without modern

2413
01:38:37,580 --> 01:38:34,080

technology yet other people have other

2414

01:38:39,770 --> 01:38:37,590

theories that maybe the ancients had

2415

01:38:42,140 --> 01:38:39,780

some knowledge that we don't in perhaps

2416

01:38:43,970 --> 01:38:42,150

they could alter matter and then make it

2417

01:38:45,740 --> 01:38:43,980

weightless or something I mean I'm

2418

01:38:48,229 --> 01:38:45,750

speculating but well maybe they can just

2419

01:38:50,930 --> 01:38:48,239

build it right in position assemble it

2420

01:38:53,390 --> 01:38:50,940

yeah by altering the molecules around

2421

01:38:56,390 --> 01:38:53,400

the right in position and in modern

2422

01:38:57,979 --> 01:38:56,400

times there's a this is Coral Castle you

2423

01:39:00,140 --> 01:38:57,989

know in Florida this is something mostly

2424

01:39:01,760 --> 01:39:00,150

if it likes right here isn't Florida now

2425

01:39:04,669 --> 01:39:01,770

maybe he wants to build his own Coral

2426

01:39:07,610 --> 01:39:04,679

Castle but again this guy using very

2427

01:39:09,500 --> 01:39:07,620

simple their tools was able to move

2428

01:39:11,030 --> 01:39:09,510

these huge boulders now he never said

2429

01:39:13,010 --> 01:39:11,040

they were aliens or whatever so he knew

2430

01:39:15,410 --> 01:39:13,020

something he was I think it was a pretty

2431

01:39:17,840 --> 01:39:15,420

simple thing but somehow whatever this

2432

01:39:19,850 --> 01:39:17,850

simple thing is all these engineers and

2433

01:39:22,220 --> 01:39:19,860

stuff I remember was one show I think in

2434

01:39:25,250 --> 01:39:22,230

Discovery a few years ago when they they

2435

01:39:26,990 --> 01:39:25,260

try to build the pyramid using the tools

2436

01:39:28,910 --> 01:39:27,000

that the Egyptians would have had this

2437

01:39:31,340 --> 01:39:28,920

pyramid was like 1/10 of the real

2438

01:39:33,650 --> 01:39:31,350

pyramid and took them a long time these

2439

01:39:35,630 --> 01:39:33,660

guys were having a hard time trying to

2440

01:39:37,580 --> 01:39:35,640

trying to do it and these were all these

2441

01:39:39,080 --> 01:39:37,590

modern engineers well of course then the

2442

01:39:42,140 --> 01:39:39,090

thing is here they didn't have the

2443

01:39:43,970 --> 01:39:42,150

patience rather they did you know 2,000

2444

01:39:47,510 --> 01:39:43,980

years ago they were able to basically

2445

01:39:49,610 --> 01:39:47,520

take a project yeah and supposedly spend

2446

01:39:51,350 --> 01:39:49,620

a hundred years on it they did now if

2447

01:39:52,410 --> 01:39:51,360

you don't get built in ten minutes we

2448

01:39:54,270 --> 01:39:52,420

have no patience

2449

01:39:55,590 --> 01:39:54,280

the Gothic cathedrals in Europe which

2450

01:39:57,930 --> 01:39:55,600

are wonderful pieces of architecture

2451

01:40:00,180 --> 01:39:57,940

little and nobody has ever said that

2452

01:40:01,800 --> 01:40:00,190

we're done by aliens or anything because

2453

01:40:02,130 --> 01:40:01,810

whatever we have a record how they were

2454

01:40:04,080 --> 01:40:02,140

done

2455

01:40:05,760 --> 01:40:04,090

although has led to other conspiracy

2456

01:40:07,740 --> 01:40:05,770

theories with the Freemasons or whatever

2457

01:40:10,200 --> 01:40:07,750

but those things would take a hundred

2458

01:40:11,790 --> 01:40:10,210

years 150 years yeah they were in no

2459

01:40:14,010 --> 01:40:11,800

hurry however long it took you know I

2460

01:40:16,080 --> 01:40:14,020

mean when it was finished it was

2461

01:40:18,060 --> 01:40:16,090

finished the story of the Peruvians

2462

01:40:20,940 --> 01:40:18,070

trying to duplicate moving one of them

2463

01:40:23,040 --> 01:40:20,950

you know megalithic sized stones and oh

2464

01:40:25,620 --> 01:40:23,050

my god it's just part way up the hill

2465

01:40:28,350 --> 01:40:25,630

right it fell over and people got killed

2466

01:40:30,630 --> 01:40:28,360

and know there was something going on I

2467

01:40:32,640 --> 01:40:30,640

mean it maybe wasn't aliens but they

2468

01:40:35,220 --> 01:40:32,650

they they knew something I think about

2469

01:40:36,810 --> 01:40:35,230

about manipulating matter of something

2470

01:40:38,700 --> 01:40:36,820

oh there oh they had some some

2471

01:40:41,280 --> 01:40:38,710

techniques of some kind because it

2472

01:40:42,870 --> 01:40:41,290

reverts back to the legends of advanced

2473

01:40:44,700 --> 01:40:42,880

civilizations and you have to think here

2474

01:40:46,530 --> 01:40:44,710

if something happened that destroyed our

2475

01:40:48,720 --> 01:40:46,540

civilization and we think it's gonna

2476

01:40:51,180 --> 01:40:48,730

happen in 2012 whatever something

2477

01:40:53,310 --> 01:40:51,190

happens a thousand two thousand years

2478

01:40:55,290 --> 01:40:53,320

from now what's going to be left really

2479

01:40:57,660 --> 01:40:55,300

right imagine if something we did

2480

01:40:59,460 --> 01:40:57,670

collapse and then but somehow some

2481

01:41:01,230 --> 01:40:59,470

people survived but they forget the

2482

01:41:03,210 --> 01:41:01,240

knowledge over and then like you say

2483

01:41:04,410 --> 01:41:03,220

five hundred years later with something

2484

01:41:06,630 --> 01:41:04,420

they try to reconstruct what happened

2485

01:41:09,210 --> 01:41:06,640

yeah we put they probably wouldn't get a

2486

01:41:11,070 --> 01:41:09,220

very precise accounting right or what

2487

01:41:12,780 --> 01:41:11,080

whatever civilization was because

2488

01:41:14,270 --> 01:41:12,790

whatever all these computed this all

2489

01:41:16,980 --> 01:41:14,280

this stuff would be unusable so

2490

01:41:18,330 --> 01:41:16,990

Battlestar Galactica now ladies and

2491

01:41:20,820 --> 01:41:18,340

gentlemen the TV show Battlestar

2492

01:41:23,010 --> 01:41:20,830

Galactica the secret is that takes place

2493

01:41:24,930 --> 01:41:23,020

a hundred fifty thousand years ago they

2494

01:41:28,050 --> 01:41:24,940

land on earth and become our forebears

2495

01:41:29,790 --> 01:41:28,060

right but nothing is left of their

2496

01:41:31,950 --> 01:41:29,800

civilization a few hundred or a few

2497

01:41:36,460 --> 01:41:31,960

thousand years later you know sucks when

this session yeah I've always been

2517

01:43:01,569 --> 01:42:58,250

really fascinated by the historical

2518

01:43:03,939 --> 01:43:01,579

cases that are out there and you know I

2519

01:43:07,049 --> 01:43:03,949

have a sense that you at least based on

2520

01:43:09,779 --> 01:43:07,059

my research that we we do see some very

2521

01:43:12,189 --> 01:43:09,789

very strong correlations that run

2522

01:43:14,669 --> 01:43:12,199

cross-culturally from continent to

2523

01:43:17,259 --> 01:43:14,679

continent what do you think of Sagan's

2524

01:43:19,450 --> 01:43:17,269

assertion that if ETS

2525

01:43:21,700 --> 01:43:19,460

ever did come that it was a big deal was

2526

01:43:24,339 --> 01:43:21,710

a grand event they would it would be a

2527

01:43:28,810 --> 01:43:24,349

grand arrival that there would be no

2528

01:43:32,580 --> 01:43:28,820

real need really to do clandestine type

2529

01:43:35,259 --> 01:43:32,590

programs like the abduction scenario or

2530

01:43:37,750 --> 01:43:35,269

hybridizations or something like that

2531

01:43:41,020 --> 01:43:37,760

akin to that what what do you think of

2532

01:43:43,629 --> 01:43:41,030

that idea that possibly et types did

2533

01:43:45,939 --> 01:43:43,639

come but left a huge footprint at the

2534

01:43:47,109 --> 01:43:45,949

time I mean do you see the evidence of

2535

01:43:49,750 --> 01:43:47,119

that or do you think it's something

2536

01:43:52,629 --> 01:43:49,760

that's been more mythical and legendary

2537

01:43:55,990 --> 01:43:52,639

well if ET they've come and were some of

2538

01:43:58,120 --> 01:43:56,000

these gods of pagan mythology which is

2539

01:44:00,759 --> 01:43:58,130

what Daniken Institute and all these

2540

01:44:03,790 --> 01:44:00,769

people maintained then obviously it was

2541

01:44:05,770 --> 01:44:03,800

a big deal you know but then it became a

2542

01:44:07,990 --> 01:44:05,780

religion you know we make we made them

2543

01:44:09,459 --> 01:44:08,000

gods which would have not necessarily

2544

01:44:11,709 --> 01:44:09,469

been the case they were just more

2545

01:44:14,740 --> 01:44:11,719

advanced than us but it's hard to tell

2546

01:44:16,930 --> 01:44:14,750

it's a lot of this stuff basically comes

2547

01:44:19,000 --> 01:44:16,940

out you know a matter of interpretation

2548

01:44:21,459 --> 01:44:19,010

there's no question that there's a lot

2549

01:44:23,740 --> 01:44:21,469

of interesting accounts though from all

2550

01:44:25,810 --> 01:44:23,750

legends and mythology and folklore and

2551

01:44:28,120 --> 01:44:25,820

like I said even their paintings you

2552

01:44:29,200 --> 01:44:28,130

know remember the one in Kosovo in

2553

01:44:31,419 --> 01:44:29,210

Kosovo

2554

01:44:33,609 --> 01:44:31,429

it's an it's an immediate monastery

2555

01:44:35,799 --> 01:44:33,619

where you see these tool they say

2556

01:44:37,839 --> 01:44:35,809

standard medieval fresco of the

2557

01:44:41,259 --> 01:44:37,849

crucifixion and then on both sides

2558

01:44:42,970 --> 01:44:41,269

there's two objects and one really looks

2559

01:44:45,069 --> 01:44:42,980

like the mercury capsule and there's

2560

01:44:47,140 --> 01:44:45,079

like a little guy inside it and this

2561

01:44:48,709 --> 01:44:47,150

there's no dispute that that's a it's a

2562

01:44:52,009 --> 01:44:48,719

real painting if we will

2563

01:44:54,160 --> 01:44:52,019

in the 1,300 some people try to say well

2564

01:44:56,089 --> 01:44:54,170

is the moon and the Sun I mean obviously

2565

01:44:57,259 --> 01:44:56,099

skeptics are always going to try to come

2566

01:44:59,029 --> 01:44:57,269

up with some explanation

2567

01:45:00,140 --> 01:44:59,039

but it's quite uncanny because they're

2568

01:45:01,879 --> 01:45:00,150

saying actually he looks like the

2569

01:45:04,430 --> 01:45:01,889

mercury capsule and he's got a guy

2570

01:45:06,649 --> 01:45:04,440

crouched inside in one of them the other

2571

01:45:10,129 --> 01:45:06,659

one is like a ball or something I forgot

2572

01:45:12,729 --> 01:45:10,139

right now so there is compelling

2573

01:45:14,930 --> 01:45:12,739

evidence not definitive but certainly

2574

01:45:17,930 --> 01:45:14,940

interesting evidence have ever seen

2575

01:45:19,879 --> 01:45:17,940

those really cool medieval woodcuts

2576

01:45:22,310 --> 01:45:19,889

I think from China where you have the

2577

01:45:24,770 --> 01:45:22,320

the Chinese Lord kind of scratching his

2578

01:45:26,719 --> 01:45:24,780

chin looking at this like weird sort of

2579

01:45:28,069 --> 01:45:26,729

flying saucer looking object that seems

2580

01:45:30,080 --> 01:45:28,079

to be landed next to them it's about

2581

01:45:32,509 --> 01:45:30,090

three feet high and about five feet in

2582

01:45:35,000 --> 01:45:32,519

diameter not very well known but I have

2583

01:45:37,669 --> 01:45:35,010

seen no I'm not sure it doesn't it

2584

01:45:43,459 --> 01:45:37,679

doesn't I can think of it right now

2585

01:45:45,589 --> 01:45:43,469

maybe I have if you have a picture of it

2586

01:45:47,390 --> 01:45:45,599

I'd love to see it of course in China

2587

01:45:49,759 --> 01:45:47,400

like I said mentioned earlier I did do

2588

01:45:51,770 --> 01:45:49,769

this article then it gets mixed up with

2589

01:45:55,489 --> 01:45:51,780

the legends of the Dragons you know that

2590

01:45:58,250 --> 01:45:55,499

flew and whatever dragons which again

2591

01:46:00,439 --> 01:45:58,260

when you think of it Casa cuatro going

2592

01:46:02,660 --> 01:46:00,449

back to Mexico that's a dragon too right

2593

01:46:05,000 --> 01:46:02,670

if they're lying it's a flying serpent

2594

01:46:08,830 --> 01:46:05,010

which gave them knowledge and all that

2595

01:46:11,089 --> 01:46:08,840

so it's a whole feel there and I think

2596

01:46:13,310 --> 01:46:11,099

normally what happens is a lot of the

2597

01:46:14,989 --> 01:46:13,320

archaeologists the mainstream historians

2598

01:46:18,290 --> 01:46:14,999

they don't want to touch it at all you

2599

01:46:20,750 --> 01:46:18,300

know because it goes counter against you

2600

01:46:23,629 --> 01:46:20,760

know their academic beliefs and

2601
01:46:26,299 --> 01:46:23,639
paradigms but occasionally you do find

2602
01:46:28,939 --> 01:46:26,309
some some people that do dare to cross

2603
01:46:31,879 --> 01:46:28,949
that and do some some original thinking

2604
01:46:34,219 --> 01:46:31,889
way back in 50s Mosley and Jana Fortner

2605
01:46:36,830 --> 01:46:34,229
went to Peru to look at the Nazca lines

2606
01:46:40,160 --> 01:46:36,840
which supposedly you only see these

2607
01:46:43,370 --> 01:46:40,170
lines in their proper proportions if you

2608
01:46:45,890 --> 01:46:43,380
are airborne so what's the story that's

2609
01:46:48,529 --> 01:46:45,900
food I mean it's true that you can see

2610
01:46:50,450 --> 01:46:48,539
them on the ground and I have to clarify

2611
01:46:53,180 --> 01:46:50,460
that I unfortunately I have not seen

2612
01:46:55,219 --> 01:46:53,190
them but I've read plenty of it you do

2613
01:46:57,259 --> 01:46:55,229

see them on the ground but all you see

2614

01:46:59,600 --> 01:46:57,269

on the ground especially in their tour

2615

01:47:02,120 --> 01:46:59,610

is a hill you see something going up

2616

01:47:04,100 --> 01:47:02,130

but you do not see the pattern if you

2617

01:47:06,500 --> 01:47:04,110

want to see the entire pattern you do

2618

01:47:08,930 --> 01:47:06,510

have to fly now there are some

2619

01:47:12,590 --> 01:47:08,940

scientists I forgot his name I think he

2620

01:47:15,740 --> 01:47:12,600

was some some scientist with UCLA many

2621

01:47:18,709 --> 01:47:15,750

years ago he had an in interpretation

2622

01:47:22,010 --> 01:47:18,719

that yes these people were able to fly

2623

01:47:23,780 --> 01:47:22,020

the kite by day no well the Chi one that

2624

01:47:26,000 --> 01:47:23,790

was Woodman Jim Woodman with the balloon

2625

01:47:27,859 --> 01:47:26,010

I don't I don't buy that one even though

2626

01:47:30,109 --> 01:47:27,869

technically he proves that they could

2627

01:47:32,479 --> 01:47:30,119

have done it but there's no other lore

2628

01:47:35,570 --> 01:47:32,489

about balloons if they had balloons well

2629

01:47:38,390 --> 01:47:35,580

the guys the guys would actually be

2630

01:47:42,080 --> 01:47:38,400

flown as a passenger on a kite that was

2631

01:47:43,520 --> 01:47:42,090

another theory they've found burials I

2632

01:47:46,370 --> 01:47:43,530

think it's more likely that they were

2633

01:47:48,050 --> 01:47:46,380

able to fly out of the body because they

2634

01:47:51,080 --> 01:47:48,060

a lot of those cultures have a heavy

2635

01:47:53,990 --> 01:47:51,090

shamanistic tradition and they also have

2636

01:47:55,430 --> 01:47:54,000

the use of hallucinogenic drugs P Orion

2637

01:47:59,450 --> 01:47:55,440

the mushrooms and all this kind of stuff

2638

01:48:01,850 --> 01:47:59,460

ayahuasca and obviously people that have

2639

01:48:03,709 --> 01:48:01,860

studied these things when you go into an

2640

01:48:05,450 --> 01:48:03,719

austere state you can't go out of your

2641

01:48:07,070 --> 01:48:05,460

body and then you could solve any of you

2642

01:48:09,260 --> 01:48:07,080

they went out of their body then they

2643

01:48:12,109 --> 01:48:09,270

could appreciate and maybe follow the

2644

01:48:14,720 --> 01:48:12,119

patterns of these Nazca lines the most

2645

01:48:16,669 --> 01:48:14,730

of the original trajectory was by Maria

2646

01:48:19,160 --> 01:48:16,679

right here you know the the german-born

2647

01:48:21,709 --> 01:48:19,170

will became a Peruvian citizen after

2648

01:48:23,930 --> 01:48:21,719

she'd seen see her whole mission in life

2649

01:48:25,220 --> 01:48:23,940

was to save the lines and she did

2650

01:48:27,260 --> 01:48:25,230

prevent them you know they were gonna do

2651

01:48:29,149 --> 01:48:27,270

the pan-american highway and just

2652

01:48:32,450 --> 01:48:29,159

destroy the lines and she created such a

2653

01:48:34,120 --> 01:48:32,460

fuss that they diverted the highway but

2654

01:48:37,160 --> 01:48:34,130

she thought it was some kind of

2655

01:48:39,830 --> 01:48:37,170

astronomical calendar astronomical map

2656

01:48:41,600 --> 01:48:39,840

but that doesn't seem most most scholars

2657

01:48:43,970 --> 01:48:41,610

and archaeologists these days stone

2658

01:48:46,910 --> 01:48:43,980

don't believe in it the more prevalent

2659

01:48:50,149 --> 01:48:46,920

theory now is it has something to do

2660

01:48:53,120 --> 01:48:50,159

with water finding water under under

2661

01:48:54,830 --> 01:48:53,130

water streams but you know they keep

2662

01:48:56,359 --> 01:48:54,840

changing yeah obviously the fact that

2663

01:48:57,890 --> 01:48:56,369

they keep coming up with theories is

2664

01:48:59,689 --> 01:48:57,900

that they haven't discovered what the

2665

01:49:01,459 --> 01:48:59,699

true purpose was they don't want then

2666

01:49:03,410 --> 01:49:01,469

might be et now and are those still

2667

01:49:05,149 --> 01:49:03,420

there the Nazca lines oh yeah of course

2668

01:49:06,350 --> 01:49:05,159

of course all right yeah and they are

2669

01:49:08,659 --> 01:49:06,360

not adjusting

2670

01:49:11,149 --> 01:49:08,669

if you go further you across the border

2671

01:49:14,689 --> 01:49:11,159

into Chile you find them in northern

2672

01:49:16,129 --> 01:49:14,699

Chile - around the city : Rica which is

2673

01:49:19,459 --> 01:49:16,139

right on the border of Chile and Peru

2674

01:49:22,069 --> 01:49:19,469

and if you still go further down and

2675

01:49:24,080 --> 01:49:22,079

there was a wonderful episode in one of

2676

01:49:26,750 --> 01:49:24,090

the shows of are thirsty clark's

2677

01:49:29,239 --> 01:49:26,760

mysterious world where they showed what

2678

01:49:32,270 --> 01:49:29,249

is known as the Atacama giant and this

2679

01:49:34,790 --> 01:49:32,280

is a figure that is on a on a on a hill

2680

01:49:38,600 --> 01:49:34,800

in the Atacama Desert which is a very

2681

01:49:40,549 --> 01:49:38,610

very dry area again if you are seeing it

2682

01:49:43,939 --> 01:49:40,559

from the ground you would see like two

2683

01:49:45,979 --> 01:49:43,949

avenues that go up basically what you're

2684

01:49:48,259 --> 01:49:45,989

seeing is the the legs the thighs

2685

01:49:51,049 --> 01:49:48,269

actually of the giant gym would one

2686

01:49:53,060 --> 01:49:51,059

who's this Explorer who is the one that

2687

01:49:56,509 --> 01:49:53,070

has done the most research on this had a

2688

01:49:59,959 --> 01:49:56,519

chart where he showed that the Atacama

2689

01:50:02,959 --> 01:49:59,969

giant was so huge that the Empire State

2690

01:50:05,089 --> 01:50:02,969

Building will only reach the thigh of

2691

01:50:07,189 --> 01:50:05,099

the Atacama giant that's how big the

2692

01:50:09,679 --> 01:50:07,199

same was but of course it's it's a glyph

2693

01:50:12,169 --> 01:50:09,689

you know it's it's not a sculpture it's

2694

01:50:13,939 --> 01:50:12,179

on in fact like the Nazca lines kids on

2695

01:50:16,310 --> 01:50:13,949

their Mountain they call them geoglyphs

2696

01:50:18,770 --> 01:50:16,320

what was there any kind of looks like

2697

01:50:21,859 --> 01:50:18,780

robotic it has like a strange face and

2698

01:50:24,259 --> 01:50:21,869

it's holding like like a dead lizard or

2699

01:50:26,209 --> 01:50:24,269

something and again you have to fly in a

2700

01:50:28,850 --> 01:50:26,219

helicopter in order to really appreciate

2701
01:50:30,859 --> 01:50:28,860
it now you've explored this stuff for 35

2702
01:50:33,709 --> 01:50:30,869
years or so good portion of your life

2703
01:50:34,790 --> 01:50:33,719
have you ever seen anything yourself and

2704
01:50:37,520 --> 01:50:34,800
tell me Oh hernias

2705
01:50:39,890 --> 01:50:37,530
that's strange unusual well I have seen

2706
01:50:43,040 --> 01:50:39,900
UFOs but nothing like a spectacular I

2707
01:50:46,850 --> 01:50:43,050
had a couple of sightings over the years

2708
01:50:49,759 --> 01:50:46,860
in fact I even saw UFO about a month ago

2709
01:50:51,979 --> 01:50:49,769
in Mexico City at the big symposium and

2710
01:50:54,290 --> 01:50:51,989
the world view of a summit that kinda

2711
01:50:55,790 --> 01:50:54,300
mount Sun put and believe me if I had

2712
01:50:57,560 --> 01:50:55,800
read about it I probably would have

2713
01:50:59,810 --> 01:50:57,570

believed it but I saw with my own eyes

2714

01:51:02,839 --> 01:50:59,820

everybody says you see a lot of UFOs in

2715

01:51:05,120 --> 01:51:02,849

Mexico well I did of course it might

2716

01:51:08,029 --> 01:51:05,130

have been a balloon I cannot say for

2717

01:51:10,339 --> 01:51:08,039

sure but what happened inside as I was

2718

01:51:12,439 --> 01:51:10,349

walking towards the World Trade Center

2719

01:51:14,569 --> 01:51:12,449

which is where this very large symposium

2720

01:51:17,000 --> 01:51:14,579

was was held and we do have them by the

2721

01:51:18,400 --> 01:51:17,010

way on the website - on the open minds

2722

01:51:20,320 --> 01:51:18,410

talk TV we have it sure

2723

01:51:23,080 --> 01:51:20,330

article with the pictures that were

2724

01:51:26,410 --> 01:51:23,090

taken by this Italian contactee known as

2725

01:51:28,360 --> 01:51:26,420

colantonio Lucy and so as I walk in

2726
01:51:30,280 --> 01:51:28,370
between the hotel in the conference hall

2727
01:51:32,950 --> 01:51:30,290
I see all these people there you know

2728
01:51:34,750 --> 01:51:32,960
and with cameras and stuff so I asked

2729
01:51:36,220 --> 01:51:34,760
them and sure enough that was worth

2730
01:51:37,780 --> 01:51:36,230
seeing some of these other people and

2731
01:51:39,430 --> 01:51:37,790
they were seeing this you know following

2732
01:51:41,650 --> 01:51:39,440
munition initially I couldn't see

2733
01:51:44,290 --> 01:51:41,660
anything it was daytime eventually yes I

2734
01:51:46,540 --> 01:51:44,300
saw this little white dot very high in

2735
01:51:49,150 --> 01:51:46,550
the sky so that was that that was that

2736
01:51:50,680 --> 01:51:49,160
was interesting but not you know I mean

2737
01:51:53,650 --> 01:51:50,690
it really didn't do anything he was just

2738
01:51:56,820 --> 01:51:53,660

sitting there but many many years ago in

2739

01:51:59,410 --> 01:51:56,830

Chile in the mountains near Santiago

2740

01:52:02,650 --> 01:51:59,420

that was a more interesting sighting in

2741

01:52:04,870 --> 01:52:02,660

terms of what the UFO did and basically

2742

01:52:06,610 --> 01:52:04,880

again I went with some people there and

2743

01:52:08,380 --> 01:52:06,620

there was a contact II also who said

2744

01:52:10,930 --> 01:52:08,390

that they were going to see UFOs and

2745

01:52:12,430 --> 01:52:10,940

sure enough we did and there were other

2746

01:52:14,950 --> 01:52:12,440

people and we had binoculars and

2747

01:52:17,380 --> 01:52:14,960

everything and basically what I saw was

2748

01:52:19,840 --> 01:52:17,390

an object I could never say that it was

2749

01:52:21,400 --> 01:52:19,850

artificial I don't know what it was I

2750

01:52:23,800 --> 01:52:21,410

mean didn't I didn't see a machine I

2751
01:52:26,050 --> 01:52:23,810
just saw a thing that looked like a star

2752
01:52:28,900 --> 01:52:26,060
had the you know it's just like a point

2753
01:52:31,450 --> 01:52:28,910
of light it looked like a star I had the

2754
01:52:33,670 --> 01:52:31,460
luminosity of the star but it sure it

2755
01:52:35,650 --> 01:52:33,680
didn't move like a star he was doing

2756
01:52:38,290 --> 01:52:35,660
like this you know going in zigzag and

2757
01:52:40,690 --> 01:52:38,300
stopping and going around in circles and

2758
01:52:42,340 --> 01:52:40,700
there was no optical illusion no no no

2759
01:52:44,050 --> 01:52:42,350
because I was with other people we are

2760
01:52:45,430 --> 01:52:44,060
saw with binoculars they gave me the

2761
01:52:47,740 --> 01:52:45,440
binoculars I'm sorry I didn't

2762
01:52:50,830 --> 01:52:47,750
photographed it you know it's not easy

2763
01:52:52,540 --> 01:52:50,840

to photograph these things I even saw

2764

01:52:54,700 --> 01:52:52,550

experience that firsthand in Mexico

2765

01:52:56,320 --> 01:52:54,710

unless the thing is very close of course

2766

01:52:58,210 --> 01:52:56,330

and then you have it you can see it on

2767

01:53:00,130 --> 01:52:58,220

your digital camera if you just see a

2768

01:53:02,170 --> 01:53:00,140

little point in the middle of the sky it

2769

01:53:04,480 --> 01:53:02,180

really takes a lot of training to point

2770

01:53:06,220 --> 01:53:04,490

and to manage - well Kris is probably

2771

01:53:08,440 --> 01:53:06,230

more experienced here you can probably

2772

01:53:11,080 --> 01:53:08,450

add something yeah it's you know people

2773

01:53:14,170 --> 01:53:11,090

often ask me well why don't we have any

2774

01:53:17,020 --> 01:53:14,180

more pictures of UFOs because oftentimes

2775

01:53:18,700 --> 01:53:17,030

people are so mesmerized by deciding

2776

01:53:20,440 --> 01:53:18,710

they just forget that they have a

2777

01:53:22,200 --> 01:53:20,450

cellphone with a camera they forget they

2778

01:53:24,480 --> 01:53:22,210

have a camera right and

2779

01:53:27,450 --> 01:53:24,490

other times people just don't have the

2780

01:53:30,600 --> 01:53:27,460

like you said the training they don't it

2781

01:53:32,610 --> 01:53:30,610

actually takes training yeah and you

2782

01:53:34,350 --> 01:53:32,620

know I think we're gonna see this slowly

2783

01:53:36,440 --> 01:53:34,360

change and I think we're already seeing

2784

01:53:39,300 --> 01:53:36,450

a change we're seeing more and more

2785

01:53:41,580 --> 01:53:39,310

supposed photographic evidence right oh

2786

01:53:45,000 --> 01:53:41,590

yeah the internet is full of them right

2787

01:53:48,570 --> 01:53:45,010

now media doesn't mean that certainly

2788

01:53:50,820 --> 01:53:48,580

there's no shortage so I then I had a

2789

01:53:52,590 --> 01:53:50,830

couple of other but none of my sightings

2790

01:53:54,630 --> 01:53:52,600

have been spectacular the more

2791

01:53:58,830 --> 01:53:54,640

interesting would be the one in Chile in

2792

01:54:01,350 --> 01:53:58,840

88 because the the behavior of the UFO

2793

01:54:04,170 --> 01:54:01,360

was so strange and it was nothing I

2794

01:54:05,970 --> 01:54:04,180

could ever explain it did not seem at

2795

01:54:07,800 --> 01:54:05,980

all like the certainly was not a natural

2796

01:54:10,260 --> 01:54:07,810

phenomena natural phenomena would not do

2797

01:54:12,570 --> 01:54:10,270

those things but I never saw its

2798

01:54:14,700 --> 01:54:12,580

structure craft either so I cannot say I

2799

01:54:18,150 --> 01:54:14,710

saw a spaceship or anything like that I

2800

01:54:20,160 --> 01:54:18,160

just explained like behaving extremely

2801
01:54:22,860 --> 01:54:20,170
weird a hundred thousand one stories

2802
01:54:25,050 --> 01:54:22,870
you've reported some of them on the show

2803
01:54:27,690 --> 01:54:25,060
do you think there can ever be a

2804
01:54:30,120 --> 01:54:27,700
disclosure is there anything that anyone

2805
01:54:32,790 --> 01:54:30,130
can disclose do we know anything we have

2806
01:54:35,940 --> 01:54:32,800
tons of data because especially what's

2807
01:54:38,820 --> 01:54:35,950
changed a lot gene you've been long

2808
01:54:41,880 --> 01:54:38,830
enough in this as I have that in the

2809
01:54:44,130 --> 01:54:41,890
past it was very hard to get stuff from

2810
01:54:46,440 --> 01:54:44,140
around the world unless you travel there

2811
01:54:48,090 --> 01:54:46,450
in some countries were off limits you

2812
01:54:50,220 --> 01:54:48,100
were not gonna get stuff in the Soviet

2813
01:54:52,320 --> 01:54:50,230

you know once in a while some report was

2814

01:54:54,720 --> 01:54:52,330

published by Sputnik magazine or

2815

01:54:57,060 --> 01:54:54,730

something but now with the internet

2816

01:54:59,400 --> 01:54:57,070

everything happens instantly they see a

2817

01:55:01,950 --> 01:54:59,410

UFO on Pakistan you are reading it

2818

01:55:04,470 --> 01:55:01,960

within two hours so we have a lot of

2819

01:55:06,210 --> 01:55:04,480

data of course a lot of it has to be

2820

01:55:10,140 --> 01:55:06,220

filtered do we have a final

2821

01:55:12,210 --> 01:55:10,150

comprehensive explanation no but the

2822

01:55:13,860 --> 01:55:12,220

more data we gather maybe we will

2823

01:55:15,360 --> 01:55:13,870

eventually come up with something so

2824

01:55:17,700 --> 01:55:15,370

basically the government's don't have

2825

01:55:20,220 --> 01:55:17,710

any information that's the other theory

2826

01:55:21,900 --> 01:55:20,230

you know the Hynek even they're late dr.

2827

01:55:23,700 --> 01:55:21,910

Hynek you know who worked for Blue Book

2828

01:55:25,890 --> 01:55:23,710

and all that he always used to say that

2829

01:55:28,020 --> 01:55:25,900

the cover-up they said there is a

2830

01:55:30,210 --> 01:55:28,030

cover-up the the cover-up is a cover-up

2831

01:55:32,860 --> 01:55:30,220

of ignorance they don't have the answers

2832

01:55:34,720 --> 01:55:32,870

and they're supposed to be like dad lan

2833

01:55:36,310 --> 01:55:34,730

there's a US government you know they're

2834

01:55:37,630 --> 01:55:36,320

supposed to know what happened well

2835

01:55:40,210 --> 01:55:37,640

that's the problem - you see nowadays

2836

01:55:41,680 --> 01:55:40,220

nobody believes what the government says

2837

01:55:44,410 --> 01:55:41,690

right yeah we want the government to

2838

01:55:46,240 --> 01:55:44,420

tell us what they know about UFOs yeah I

2839

01:55:49,510 --> 01:55:46,250

know if the government come tomorrow

2840

01:55:50,710 --> 01:55:49,520

came and said you know half of the

2841

01:55:52,870 --> 01:55:50,720

people would probably don't believe it

2842

01:55:54,700 --> 01:55:52,880

they say oh they're just the inventing

2843

01:55:57,730 --> 01:55:54,710

this to cover up something else you know

2844

01:55:59,290 --> 01:55:57,740

so I don't know but well they don't know

2845

01:56:00,730 --> 01:55:59,300

what they're doing in fact I can and

2846

01:56:03,490 --> 01:56:00,740

well believe they'd recover advanced

2847

01:56:05,620 --> 01:56:03,500

technology and stick it in warehouse 13

2848

01:56:07,240 --> 01:56:05,630

somewhere yes I believe they probably

2849

01:56:09,850 --> 01:56:07,250

have some stuff I don't think they have

2850

01:56:12,070 --> 01:56:09,860

as much as all these fantastic UFOs or

2851

01:56:14,170 --> 01:56:12,080

whatever that they probably do have

2852

01:56:16,180 --> 01:56:14,180

artifacts I would think they do have

2853

01:56:17,980 --> 01:56:16,190

something but they don't have it they

2854

01:56:20,260 --> 01:56:17,990

don't seem to have a final answer all

2855

01:56:22,180 --> 01:56:20,270

the other interpretation is that they

2856

01:56:24,370 --> 01:56:22,190

know their truth and the truth is so

2857

01:56:26,500 --> 01:56:24,380

horrible as hair covering up for our own

2858

01:56:28,090 --> 01:56:26,510

good because it would be panic or

2859

01:56:30,850 --> 01:56:28,100

whatever everybody but governments are

2860

01:56:33,370 --> 01:56:30,860

not that competent government by nature

2861

01:56:34,690 --> 01:56:33,380

is incompetent it only reacts to

2862

01:56:36,610 --> 01:56:34,700

emergencies doesn't anticipate

2863

01:56:38,290 --> 01:56:36,620

emergencies how could they do anything

2864

01:56:41,230 --> 01:56:38,300

like that how could they possibly have a

2865

01:56:43,630 --> 01:56:41,240

long-range plan that last decade after

2866

01:56:45,490 --> 01:56:43,640

decade you know I just can't be made to

2867

01:56:47,200 --> 01:56:45,500

believe but I think they have a heck of

2868

01:56:49,870 --> 01:56:47,210

a lot more data than they admit that's

2869

01:56:51,400 --> 01:56:49,880

why they're a lot more confusing data I

2870

01:56:53,800 --> 01:56:51,410

think they're way more confronting I

2871

01:56:55,990 --> 01:56:53,810

mean it's not days it's not even

2872

01:56:58,150 --> 01:56:56,000

debatable I mean we know for a fact it's

2873

01:57:01,210 --> 01:56:58,160

historically proven that the government

2874

01:57:03,580 --> 01:57:01,220

has investigated UFOs for decades even

2875

01:57:05,590 --> 01:57:03,590

at one time even officially you know I

2876

01:57:07,270 --> 01:57:05,600

mean publicly officially and not just

2877

01:57:10,060 --> 01:57:07,280

the US government the Russians have done

2878

01:57:12,160 --> 01:57:10,070

it the French do it the English and so

2879

01:57:15,790 --> 01:57:12,170

on so a lot of these countries have

2880

01:57:18,160 --> 01:57:15,800

files X so called x-files the words all

2881

01:57:20,110 --> 01:57:18,170

that camera the gun camera footage yeah

2882

01:57:23,020 --> 01:57:20,120

you know they've got tons of that yeah

2883

01:57:24,760 --> 01:57:23,030

because you you hear reports of many

2884

01:57:26,860 --> 01:57:24,770

witnesses you know that where that went

2885

01:57:28,600 --> 01:57:26,870

on scramble missions and yeah they would

2886

01:57:30,820 --> 01:57:28,610

have to have some gun camera that's how

2887

01:57:32,350 --> 01:57:30,830

you assess you know your potential enemy

2888

01:57:34,930 --> 01:57:32,360

where do we find more information about

2889

01:57:37,420 --> 01:57:34,940

colleagues are doing my research by that

2897

01:57:53,960 --> 01:57:51,810

time Alejandro rockers we also have

2898

01:57:55,970 --> 01:57:53,970

guests you know writers so it's like

2899

01:57:57,740 --> 01:57:55,980

other people that are not employees of

2900

01:58:01,130 --> 01:57:57,750

our company they write they publish

2901

01:58:03,290 --> 01:58:01,140

there as well so we basically through

2902

01:58:05,240 --> 01:58:03,300

magazine and it's got great stories is

2906

01:58:13,520 --> 01:58:11,280

it all UFOs or what basically it's all

2907

01:58:14,780 --> 01:58:13,530

UFOs it's not like faith it's not a

2908

01:58:17,960 --> 01:58:14,790

paranormal magazine

2909

01:58:20,210 --> 01:58:17,970

it's basically a UFO magazine but you

2910

01:58:22,550 --> 01:58:20,220

don't take an editorial position no no

2911

01:58:25,010 --> 01:58:22,560

we have a mission statement in in our

2912

01:58:26,630 --> 01:58:25,020

position is basically let's go after it

2913

01:58:28,820 --> 01:58:26,640

you know let's let's find the evidence

2914

01:58:32,300 --> 01:58:28,830

you don't know what's happening at is

2915

01:58:35,570 --> 01:58:32,310

sure to find out ok we're not promoting

2916

01:58:37,460 --> 01:58:35,580

any way any given view that aliens and

2917

01:58:39,410 --> 01:58:37,470

wonderful and then I come to save us

2918

01:58:42,260 --> 01:58:39,420

so aliens are horrible and gonna enslave

2919

01:58:43,720 --> 01:58:42,270

us no I mean we may allude to some of

2920

01:58:47,090 --> 01:58:43,730

these things in a given article

2921

01:58:49,940 --> 01:58:47,100

depending on the story but our editorial

2922

01:58:51,710 --> 01:58:49,950
